ASSEMBLYWOMAN BENITEZ-THOMPSON:

Because this is a water bill and we are seeking to really clarify the language and intent, I am going to read the entire summary here to make sure it is clear for the record.

Assembly Bill 73 authorizes the State Engineer to enter upon lands where water is being diverted or used, or dams or other obstructions are located, to investigate or carry out his duties. Entry is limited to reasonable hours of the day.

The bill clarifies that certificated rights are subject to forfeiture, and if an extension of the time to work a forfeiture is granted, the State Engineer may declare a water right forfeited 30 days after the extension expires. A legislative declaration states that these amendments to the forfeiture provisions are consistent with past practice and, to promote stability, clarify rather than change the application of the current law.

With respect to granting credit to public water systems for the abandonment of domestic wells, the bill deletes the requirement that the State Engineer had denied a municipal application for groundwater and eliminates the requirement for a public hearing before granting such credits.

ASSEMBLYWOMAN CARLTON:

Thank you, Mr. Speaker. I feel the need, with the controversy around this bill, to put a couple of things on the record.

Assembly Bill 254 provides that the administrator of the Division of Industrial Relations of the Department of Business and Industry or any authorized representative of the administrator may find a violation of the Nevada Occupational Safety and Health Act—OSHA—to have occurred based upon a determination that any employee has access to a hazard. The bill also includes within the scope of behavior for which a citation may be issued, the violation of any settlement agreement entered into that relates of the Nevada OSHA Act.

To make clear folks do understand what access is, access is a legal theory that exists in the federal and Nevada OSHA operations manual but has not been codified into federal or state statute or regulation. Access is one of four elements that a compliance officer must prove in order to propose an OSHA violation. The four elements are:

1. A hazardous condition exists.
2. There is actual or constructive employer knowledge of the hazard.
3. There is employee access to the hazard.
4. There is a regulation that governs that hazardous condition.

Placing access into Chapter 618 will give current OSHA policy the strength of law and make it a more compelling requirement for the Nevada OSHA review board and courts to consider

when hearing contested cases. Employee access is established if the safety officer witnesses, observes, or monitors the proximity or access of an employee to the hazard or potentially hazardous condition.

These statements should make everyone involved in this issue comfortable with where OSHA will stand if an employee has access to a hazard.

Joe Heck, United States Representative, delivered his message as follows:

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-SIXTH SESSION, 2011

Governor Sandoval, Speaker Oceguera, Majority Leader Horsford, Minority Leaders Goicoechea and McGinness, distinguished constitutional officers, honorable members of the Judiciary, my fellow Nevadans. It is an honor and a privilege to stand here before you today as a former member of this legislative body and as your federal representative for the Third Congressional District.

As a doctor, I learned that you can't cure an illness until you understand the cause. The recession gripping Nevada is largely the result of a badly broken federal government, because far too often political expediency has trumped sound policy as decisions were made. That lack of leadership seeped into our daily lives and rotted America's economic foundations to its core.

Rebuilding our economy won't be easy, and it won't happen overnight. This is an especially difficult reality for Nevada because we have been hit harder than any other state. We must work together to get people back to work; we must work together to make sure our children have better opportunities than we do; and we must work together to maintain a strong national defense, because without our freedom, very few of the policy issues that our nation faces today will even matter.

I know firsthand that today's elections are far from unanimous. I represent the most populous district in the nation, more than 1 million people, and I won by two-thirds of 1 percent—1,922 votes. But I don't only represent the people that voted for me, I represent those who didn't and the ones who couldn't. Two months ago, just a few weeks into my term, two votes came up on the House Floor of whether or not to terminate two housing programs. These programs were very unpopular among many conservatives, and I received information telling me just how terrible these programs were and that they hadn't lived up to their potential. And the truth is they haven't.

I knew that many of the people who voted for me in November probably wanted me to vote to terminate these programs. I believe in cutting government waste, and I have been a vocal advocate of eliminating programs that have outlived their purpose or have lost sight of their original mission. But I also know that government has a limited role in helping people help themselves.

Now I have to admit, I was a bit surprised that I was the only Republican voting to protect these programs on one vote and only one of two on the other, and it has generated a bit of unfriendly criticism from some conservatives, and I understand that. Some asked if I regretted my vote, others if my vote was a mistake, but most wanted to know why I voted against my party. Seventeen thousand Nevadans are the reason that I voted against my party.

These two housing programs have helped more than 17,000 Nevadans stay in their homes. They help the very people the government should be helping; those who are trying to do the right thing: the folks who are trying hard to make their mortgages but because of the dire economy in Nevada might be teetering on the edge of foreclosure; our friends, our neighbors, and even family members who have lost their jobs through no fault of their own; Democrats, Independents, and yes, even Republicans who have come to my office asking for assistance.

I will continue to fight to cut government spending in Washington, but I will never lose sight of the fact that I was sent to Washington to fight for Nevada first, even if it means voting against the majority of my party and incurring the ire of some of those who voted for me. I don't only represent the people who voted for me; I represent those who didn't and those who couldn't.

I often recall what I learned early in my career as a doctor—that you can't cure an illness until you understand the cause. We will not cure the disease of foreclosure and unemployment until we understand the cause. Both parties have been guilty of overspending, and politicians from both sides have failed to prioritize, demand accountability, and make difficult decisions. They have failed to lead. To pretend otherwise simply perpetuates the status quo and guarantees an

America defined by debt instead of by greatness. It guarantees an America tied to the fortunes of other nations and binds our children and grandchildren to a debt that we can't pay. And it creates national security challenges that risk the very safety of our nation and our people. Thomas Jefferson warned against great undertakings on slender majorities. Rebuilding our economy is too great an undertaking to ignore this advice.

Both sides have sinned. We don't have to agree on everything, but we must view each idea, each suggestion, and each piece of legislation with an eye toward the future of our nation instead of the impact on the next election. The hundreds of constituents that I have met with since being sworn in told me that they want to get back on their path to the American dream, and that path begins with a good job—knowing that if they have a job and work hard, they can live their American dream.

Ninety-five percent of Nevada businesses are small businesses, and they employ 43 percent of Nevada's workers. Just under half of employed Nevadans work for small businesses. I used to own a small business myself, and I know many of you are small business owners as well. For those of you who are—or were—you know how gratifying it is to see an idea that you had and saw through was good enough not just to sustain, but to thrive, and you know how gratifying it was to offer someone a job and give him or her the opportunity to grow, to shine and earn, and be fulfilled.

When I visit with small business owners and ask them the number one reason they aren't hiring and ask what is preventing a recovery, nearly all say there is too much uncertainty at the moment—uncertainty in the economy, uncertainty in their government, and uncertainty about how they can compete in an evolving global economy. That's a showstopper for small businesses.

The number one rule of running a successful business is to assess your risk, plan for the worst, and hope for the best. Uncertainty increases risk and when risk increases, more small business owners say, "Maybe I'll wait to hire that new person until things clear up." What we need to do is cure the disease of uncertainty. When we do that, entrepreneurs will take risks, small business owners will hire that extra employee, add more space, and grow their businesses. The way to give them that certainty begins with a single word—*listen*.

Listen to the people who operate 95 percent of Nevada's businesses. They know what they need to get their businesses back on track and back to hiring. I put together an economic advisory council that had getting the answer to what's causing uncertainty as its singular goal. The council consists of the elements that constitute a small business: entrepreneurs, lenders, and labor, and includes people from all across the political spectrum. Despite a wide variety of personal and political views, the problem was easy to diagnose: a government that spends your money, gets in your way, regulates your business, raises your taxes, requires almost no accountability, and runs up a debt that its citizens cannot afford to pay. This group worries that if the government's spending continues at its current level, taxes will have to go up to sustain that spending. They worry about how new government regulations will affect their competitiveness; their ability to grow, thrive, and provide good jobs.

We must work together to address these causes of uncertainty our small business owners have said are preventing their recovery. Businesses openly support less government spending, which would alleviate their concern about immediate new taxes and future taxes to pay for debt-financed spending. Government has spent without accountability for years, under both Republicans and Democrats. If elected leaders choose to maintain or increase current spending levels, it is not a question of if taxes must go up, it's a question of when. Taxes will either be increased immediately to pay for the spending now, or will be increased in the future to pay for the interest on the money the government borrows, or both.

We must work together to return government spending to responsible levels. That means making difficult decisions to bring government in line with the private sector; it means demanding accountability and performance; and it means forcing government to do more with less. That's what our families have done. It is what our businesses have done, and it is what our government must do.

I applaud Governor Sandoval for having the courage to put forward a balanced budget that doesn't raise taxes, and I applaud those of you who have agreed to stand with him. Senator Horsford and Speaker Oceguera, I thank you for your willingness to work with Governor

Sandoval and Lt. Governor Krolicki to further enhance Nevada's economic development efforts. I want each of you to know that I will do all I can to help you make Nevada the most business friendly state in America.

Nevadans have talked about economic diversification for decades, and I would guess that Nevada's first governor, Henry Blasdel, and the first legislature probably talked about it as well. I am sure our state leaders thought they solved the issue when we moved from a one-industry economy—mining—to a two-industry economy with the addition of gaming and tourism. But as we have seen twice in the last decade, as important as mining and tourism are to our state's fiscal health, we must expand our horizons and look to the future. Many have talked about our state's potential to be a leader in renewable energy, and I agree. That is why I supported the continuation of the federal loan guarantees for renewable energy projects, so Nevada can continue to build and grow in this area. Projects from Eldorado to Amargosa Valley to Tonopah and beyond would bring desperately needed jobs to the surrounding communities.

But we must also look past the energy production side of the equation. We must have serious discussions about bringing the research and development, as well as the manufacturing components of this industry, to Nevada. That is where the sustainable, good-paying jobs will materialize. I will continue to support research and development tax credits and work to streamline the bureaucracy to access Nevada's lands that remain under federal control and to expedite the federal permitting process while protecting the environment and maintaining safety.

The recession has touched every corner of our nation—every region, every demographic, every industry, and every person; we have all felt the pain. But there are some reasons to be encouraged as we look at some success stories in other places. In fact, a number of states have begun to recover more quickly because they listened to their small business owners. They listened to the people who create jobs and they reduced government spending without increasing taxes. They did this to inspire confidence and establish predictability.

Between 2008 and 2009, Virginia lost nearly 150,000 jobs. Yet since early 2010, they have created nearly 100,000 new jobs. They're on the way back. Virginia's Governor Bob McDonnell was providing testimony before Congress January 26. During his testimony I asked him, "How did you do it? How is your state recovering so quickly from this recession?" Governor McDonnell explained that he worked with state legislators to close their entire $2 billion budget gap by reducing government spending without raising taxes. Yes, there were painful reductions to programs people cherished, but I would trade the criticism resulting from cutting or eliminating a handful of programs if it meant 100,000 more jobs in Nevada right now. People want a paycheck, not a government check.

In addition to the harm government overspending is having on our economy, government regulations are just as culpable. Government regulations are being created at a historic rate, and often without regard to the regulation's impact on the economy. That is why I am a cosponsor of the REINS Act, which requires any regulation with a fiscal impact of more than $100 million to come back before Congress for review. Small businesses are often left in the dark and don't know when a regulation is coming out or how they will be impacted by that new regulation until the last minute.

The new health care law is 2,700 pages; the U.S. tax code, 74,000 pages; the regulations recently released by the Department of Health and Human Services on the health care for just one section of the health care law, 500 pages. Now 500 pages are significant, but the biggest problem is the unknown. When businesses see that those 500 pages cover only 6 pages of the law, you can begin to understand why they're concerned. If that ratio holds true, health care regulations just from the health care law alone will total 225,000 pages, making the tax code look like a pamphlet.

Despite these challenges, we have an opportunity to remake Nevada for the future. That future is through education. You can't cure an illness until you understand the cause. We will not fulfill our economic potential as a state or a nation unless we fix our educational system. We will not successfully recruit high tech industries and research and development opportunities to Nevada without providing a world-class education for our children. Education will ensure our children have the tools they need to compete in the global economy.

As a member of the House Committee on Education and the Workforce, we have started debate on the reauthorization of the Elementary and Secondary Education Act. America's

educational system isn't doing our children justice. It has become stagnant and full of red tape. As many of you know, my undergraduate degree was in education. I first went to school thinking I was going to be a teacher. The people I studied with were deeply passionate about teaching our children. It isn't our teachers who are holding our students back, it is the system. The federal government's one-size-fits-all approach is a disservice to our children.

We must explore ways to give more local control over education. That is why I am committed to returning control to parents, teachers, and the states. Finding ways to provide increased local control will benefit our children, and Nevada's long-term economy. We must embrace and support career and technical education as well as science, technology, engineering, and math programs to prepare our students for the global marketplace.

I recently attended the first robotics competition at the Thomas and Mack Arena. High schools from around the world, including eight from Congressional District 3, competed. Two local schools, Cimarron Memorial and Boulder City, advance to the World Finals to be held in St. Louis, Missouri, next month. I was incredibly impressed by the ingenuity of these high school teams. We must ensure that all children have the same opportunities to harness their greatest potential. Those opportunities include the ability for parents to choose where their child is educated, whether it is public, charter, private, or home schools.

I've talked a lot tonight about sacrifice—about working together to do what is right. We could learn a lot from the men and women in our armed forces who lay it all on the line every day to protect our freedom. Every day they put aside their personalities, their ideologies, and their individual goals to advance the cause of our nation.

Last week I visited our troops in Iraq and Afghanistan. There I met two Las Vegans—two Marines—Lance Corporal Jacob Swanson and Hospital Corpsman Jose Padilla, at a dusty combat outpost outside the village of Marjeh in Afghanistan. I'm proud of them and all our serving men and women. I admire them and I know how much we all appreciate them. I'm proud to represent those who wear the uniform, past and present, their families and survivors. We can't lose sight of the fact that Nevada plays a key role in America's national defense. From Nellis to Fallon, Creech to Hawthorne, Nevada is critical to maintaining America's freedom.

And because in many ways we are an international symbol of capitalism's risk, reward, and success, we are a potential target. We must keep America safe, and more specifically we must keep Nevada safe. Never before has it been more clear that our freedom is what separates us from so many countries around the world, many of which would like to rob us of that freedom. As a member of the House Armed Services Committee and a member of the House Intelligence Committee, I am working to make sure that our local and national security is maintained and that our military men and women have the tools they need to get the job done.

When our parents talked about the American dream, part of that goal revolved around knowing that everyone—everyone—has the opportunity to improve their own life and create their own success. That is important to all of us, but what makes so many of us work so hard is the belief that we can give our children a better starting point than we had.

We have the chance, right now, to be an example for our children. We can show them that sometimes our problems are too big to hold grudges; they are too large to let personalities or ideologies get in the way. Sometimes they are so large, they can bring the greatest nation that the world has ever known to its knees. But our problems are never too big to tackle with hard work, discipline, and a willingness to tap the best of the American spirit. When we forego what is easy for what is right and when we accept responsibility instead of pointing fingers, we will have taken a significant step toward reviving our economy and putting Nevadans back to work. These are critical ingredients to ensuring our children have a better future.

Ladies and gentlemen, Governor Sandoval, thank you for allowing me to address you today. I sat in this Chamber as a senator a few years ago and recognize the extraordinary dedication that all of you have to Nevada and the extraordinary challenges that you all have lying ahead. From balancing the budget to ensuring a quality education for our children, from managing essential services to passing a fair redistricting plan that puts the people of Nevada above partisan politics, you have a lot of work ahead.

I look forward to working with each of you, regardless of party or ideology, to get our spending under control and our government back on track. I am honored to be your guest today and wish you the best of luck, the spirit of cooperation, and the dedication and discipline to do

what is right. The people of Nevada need your best, and I have every confidence that when the final bell sounds, you will have given them your best.

It is in that spirit of cooperation that we will return our state and our nation to prosperity, restore America's exceptionalism, and in words used by both a Democrat and Republican president, have our "rendezvous with destiny."

Assemblywoman Bustamante Adams moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 63.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 173.

AN ACT relating to the Office of the Attorney General; revising provisions governing the duties of, and services provided by, the Attorney General; revising the conditions under which certain cooperative agreements between various public agencies may be reviewed by the Attorney General; authorizing the Attorney General to designate a city attorney or district attorney to prosecute certain false claims; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes the Attorney General to appoint a special deputy to provide legal advice to a state agency, board or commission that has the authority to regulate an occupation or profession if the Attorney General determines that it would be impracticable or uneconomical or constitute a conflict of interest for the Attorney General or a deputy attorney general to provide that service.

Existing law authorizes a district attorney to request the personal presence of the Attorney General or the presence of a deputy attorney general or special investigator to provide assistance in the presentation of a criminal case, but limits the reimbursement for providing such assistance to traveling expenses. (NRS 228.130) **Section 2** of this bill, with respect to the provision of such assistance **,** ~~**[**: (1) allows the Attorney General to charge a county for all the actual and necessary expenses incurred in providing such assistance; and (2)**]**~~ allows the Attorney General to appoint a special prosecutor under certain circumstances **[**,**]** **and provides different mechanisms for approving the compensation of the special prosecutor depending upon the severity of the crimes.** Under existing law, the Attorney General is prohibited from receiving any fee for the performance of any duty required of him or her by law, but money may be paid to his or her office pursuant to law or an agreement with an agency of the State for the performance of any duty or service by his or her office. (NRS 228.150) **Section 3** of this bill eliminates ~~**[**that**]**~~ **the** prohibition ~~**[**and specifically authorizes**]**~~ **against** the Attorney General ~~**[**to charge a district attorney or city attorney for the cost of providing a legal opinion.**]**~~ **receiving a fee for the performance of a duty required of the Attorney General by law.**

Existing law authorizes certain public agencies to enter into cooperative agreements with other public agencies for purposes such as the performance of certain governmental functions, the sale, exchange or lease of real property and the consolidation of governmental services. (Chapter 277 of NRS) Under existing law, if a public agency intends to enter into such a cooperative agreement for which it is reasonably foreseeable that the agency will have to expend more than $25,000, the agreement must first be

submitted to the Attorney General for a determination of whether the agreement comports with state law. (NRS 277.140) **Section 4** of this bill provides that a public agency is not required to submit such an agreement to the Attorney General, but may do so, and also provides that the Attorney General may charge the public agency for the cost of determining whether the agreement comports with state law. **Section 4 also provides that the Attorney General is not allowed to charge for that cost unless the determination is made within 30 days after the date on which the Attorney General receives the agreement.**

Existing law requires the Attorney General to investigate alleged false claims made against an officer, employee or agent of the State, a political subdivision of the State or certain contractors, grantees or other recipients of money from the State. The Attorney General is also authorized to bring a civil action against a person liable for such a false claim, and 33 percent of any recovery under such an action must be paid into the State General Fund for use by the Attorney General in investigating and prosecuting false claims. (NRS 357.070, 357.200) **Section 7** of this bill authorizes a district attorney or city attorney to accept a designation from the Attorney General to investigate a false claim and bring a civil action against a person liable for the false claim. **Section 17** of this bill provides that, if a district attorney or city attorney acts as a designee of the Attorney General in a false claim action, the portion of any recovery that would otherwise be paid into the State General Fund for use by the Attorney General must instead be paid into the general fund of the political subdivision which employs the designee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The Attorney General ***or the Attorney General's designee*** may move to dismiss the action for good cause. The private plaintiff must be notified of the filing of the motion and is entitled to oppose it and present evidence at the hearing.

3. Except as otherwise provided in this subsection, the Attorney General ***or the Attorney General's designee*** may settle the action. If the Attorney General ***or the Attorney General's designee*** intends to settle the action, the Attorney General ***or the Attorney General's designee*** shall notify the private plaintiff of that fact. Upon the request of the private plaintiff, the court shall determine whether settlement of the action is consistent with the public purposes of this chapter and shall not approve the settlement of the action unless it determines that such settlement is consistent with the public purposes of this chapter.

Sec. 12. NRS 357.130 is hereby amended to read as follows:

357.130 1. If the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** elects not to intervene in an action pursuant to NRS 357.080, the private plaintiff has the same rights in conducting the action as the Attorney General ***or the Attorney General's***

designee would have had. A copy of each pleading or other paper filed in the action, and a copy of the transcript of each deposition taken, must be mailed to the Attorney General ***or the Attorney General's designee*** if the Attorney General ***or the Attorney General's designee*** so requests and pays the cost thereof.

2. Upon timely application, the Attorney General ***or the Attorney General's designee*** may intervene in an action in which he or she has previously declined to intervene, if the interest of the State or a political subdivision in recovery of the money or property involved is not being adequately represented by the private plaintiff.

3. If the Attorney General ***or the Attorney General's designee*** so intervenes, the private plaintiff retains primary responsibility for conducting the action and any recovery must be apportioned as if the Attorney General ***or the Attorney General's designee*** had not intervened.

Sec. 13. NRS 357.150 is hereby amended to read as follows:

357.150 1. The court may stay discovery by a private plaintiff for not more than 60 days if the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** shows that the proposed discovery would interfere with the investigation or prosecution of a civil or criminal matter arising out of the same facts, whether or not the Attorney General ***or the Attorney General's designee*** participates in the action.

2. The court may extend the stay upon a further showing that the Attorney General ***or the Attorney General's designee*** has pursued the civil or criminal investigation or proceeding with reasonable diligence and the proposed discovery would interfere with its continuation. Discovery may not be stayed for a total of more than 6 months over the objection of the private plaintiff, except for good cause shown by the Attorney General ~~[.]~~ ***or the Attorney General's designee.***

3. A showing made pursuant to this section must be made in chambers.

Sec. 14. NRS 357.160 is hereby amended to read as follows:

357.160 Upon a showing by the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** that unrestricted participation by a private plaintiff would interfere with or unduly delay the conduct of an action, or would be repetitious, irrelevant or solely for harassment, the court may limit the participation of the private plaintiff by, among other measures, limiting:

1. The number of witnesses he or she may call;
2. The length of the testimony of the witnesses; or
3. His or her cross-examination of witnesses.

Sec. 15. NRS 357.170 is hereby amended to read as follows:

357.170 1. An action pursuant to this chapter may not be commenced more than 3 years after the date on which the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** discovers, or reasonably should have discovered, the fraudulent activity or more than 6 years after the fraudulent activity occurred, but in no event more than 10 years after the

fraudulent activity occurred. Within those limits, an action may be based upon fraudulent activity that occurred before July 1, 2007.

2. In an action pursuant to this chapter, the standard of proof is a preponderance of the evidence. A finding of guilty or guilty but mentally ill in a criminal proceeding charging false statement or fraud, whether upon a verdict of guilty or guilty but mentally ill or a plea of guilty, guilty but mentally ill or nolo contendere, estops the person found guilty or guilty but mentally ill from denying an essential element of that offense in an action pursuant to this chapter based upon the same transaction as the criminal proceeding.

Sec. 16. NRS 357.180 is hereby amended to read as follows:

357.180 1. If the Attorney General ***, a designee of the Attorney General pursuant to NRS 357.070*** or a private plaintiff prevails in or settles an action pursuant to NRS 357.080, the private plaintiff is entitled to a reasonable amount for expenses that the court finds were necessarily incurred, including reasonable costs, attorney's fees and the fees of expert consultants and expert witnesses. Those expenses must be awarded against the defendant, and may not be allowed against the State or a political subdivision.

2. If the defendant prevails in the action, the court may award the defendant reasonable expenses and attorney's fees against the party or parties who participated in the action if it finds that the action was clearly frivolous or vexatious or brought solely for harassment.

Sec. 17. NRS 357.200 is hereby amended to read as follows:

357.200 ***1.*** If the Attorney General initiates an action pursuant to this chapter, 33 percent of any recovery must be paid into the State General Fund to the credit of a special account, for use by the Attorney General as appropriated or authorized by the Legislature in the investigation and prosecution of false claims.

2. If a designee of the Attorney General pursuant to NRS 357.070 initiates an action pursuant to this chapter, 33 percent of any recovery must be paid into the general fund of the political subdivision that employs the Attorney General's designee.

Sec. 18. NRS 357.210 is hereby amended to read as follows:

357.210 1. If the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** intervenes at the outset in an action pursuant to NRS 357.080, the private plaintiff is entitled, except as otherwise provided in NRS 357.220, to receive not less than 15 percent or more than 33 percent of any recovery, according to the extent of his or her contribution to the conduct of the action.

2. If the Attorney General ***or the Attorney General's designee*** does not intervene in the action at the outset, the private plaintiff is entitled, except as otherwise provided in NRS 357.220, to receive not less than 25 percent or more than 50 percent of any recovery, as the court determines to be reasonable.

Sec. 19. NRS 357.220 is hereby amended to read as follows:

357.220 1. If the action is one described in NRS 357.090, the present or former employee of the State or political subdivision is not entitled to any minimum percentage of any recovery, but the court may award him or her no more than 33 percent of the recovery if the Attorney General ***or a designee of the Attorney General pursuant to NRS 357.070*** intervenes in the action at the outset, or no more than 50 percent if the Attorney General ***or the Attorney General's designee*** does not intervene, according to the significance of his or her information, the extent of his or her contribution to the conduct of the action and the response to his or her efforts to report the false claim and gain recovery through other official channels.

2. If the private plaintiff is a present or former employee of the State or a political subdivision and benefited financially from the fraudulent activity, he or she is not entitled to any minimum percentage of any recovery, but the court may award the private plaintiff no more than 33 percent of the recovery if the Attorney General ***or the Attorney General's designee*** intervenes in the action at the outset, or no more than 50 percent if the Attorney General ***or the Attorney General's designee*** does not intervene, according to the significance of his or her information, the extent of his or her contribution to the conduct of the action, the extent of his or her involvement in the fraudulent activity, his or her attempts to avoid or resist the activity and the other circumstances of the activity.

Amendment No. 139.

SUMMARY— ~~[Makes various changes concerning]~~ **Revises provisions concerning reinstatement of insurance under** the Public Employees' Benefits Program. (BDR 23-497)

AN ACT relating to the Public Employees' Benefits Program; revising provisions concerning reinstatement of insurance under the Program; ~~[authorizing the Board of the Program and certain advisory committees to meet in closed session under certain circumstances;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a retired public officer or employee of the State or a local government, or his or her surviving spouse, who has cancelled insurance provided under the Public Employees' Benefits Program is

authorized to reinstate such insurance, other than life insurance, during the so-called late enrollment period, which occurs in each even-numbered year. (NRS 287.0205, 287.0475) **Sections 1 and 3** of this bill eliminate the right of biennial reinstatement for insurance provided under the Program. However, **section 3**, with certain exceptions, authorizes a retired public officer or employee of the State or a participating local government, or his or her surviving spouse, to reinstate insurance if the retired public officer or employee ~~[had]~~ **did not have** more than one period during which he or she was **not** covered under the Program on or after October 1, 2011 ~~.]~~ **, or on or after the date of his or her retirement, whichever is later.** **Section 3** also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse, from reinstating health insurance under the Program if the Board of the Program has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

~~[The Open Meeting Law requires all meetings of public bodies to be open and public unless otherwise provided by a specific statute. (NRS 241.020) However, a public body is authorized to hold a closed meeting, in relevant part, to consider the professional competence of a person, except in certain specified circumstances. (NRS 241.030) One such circumstance when a closed meeting is prohibited is if the person serves at the pleasure of a public body as a chief executive or administrative officer. (NRS 241.031) The Executive Officer of the Program is the chief administrative officer of the Program and serves at the pleasure of the Board. (NRS 287.0424) Section 2 of this bill provides an exception to the requirements of the Open Meeting Law to authorize the Board to conduct an annual review of the performance of the Executive Officer in closed session.~~

~~The Attorney General, who is charged with interpreting and enforcing the Open Meeting Law, has interpreted the Open Meeting Law to prohibit the use of a closed session to narrow down candidates for employment with a public body or to begin the selection process. (Nevada Open Meeting Law Manual § 9.04 (10th ed. 2005)) Section 2 creates an exception to this interpretation by authorizing any advisory committee appointed by the Board to recommend candidates for the position of Executive Officer to meet in closed session to deliberate on and select the final candidates for consideration by the Board.~~~~]~~

Assembly Bill No. 80.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 248.

AN ACT relating to the Public Employees' Benefits Program; making various changes relating to the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of the Public Employees' Benefits Program is required to submit various reports concerning the administration and operation of the Program. (NRS 287.043, 287.04366) **Sections 3, 8 and 14** of this bill make the Executive Officer of the Program, rather than the Board, responsible for submitting such reports.

Under existing law, if a retired public officer or employee of the State or a local governmental agency, or the surviving spouse of such a retired officer or employee, who was formerly covered by health insurance provided under the Program, or under a plan offered by the local governmental employer, reinstates such insurance, the reinstated insurance excludes coverage for certain preexisting conditions during the first 12 months after such reinstatement. (NRS 287.0205, 287.0475) **Sections ~~[4]~~ 4.5 and 12** of this bill eliminate the exclusion for certain preexisting conditions as called for in the Patient Protection and Affordable Care Act. (Pub. L. No. 111-148, 124 Stat. 119) **Section 12** also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse ~~[,]~~ **or domestic partner,** from reinstating health insurance under the Program if the Board has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

Under existing law, a state agency is required to pay to the Program a certain amount to pay a portion of the cost of coverage under the Program for each state officer or employee of that state agency who participates in the Program. State officers and employees are required to pay the remaining portion of the costs of their coverage as well as the full amount of covering their dependents under the Program. The Board is authorized to allocate the money paid by the state agency between the costs of coverage for such

officers and employees and for their dependents. (NRS 287.044) **Section 9** of this bill clarifies the manner in which the Board may perform the allocation.

Existing law provides for the payment of a subsidy to cover a portion of the costs of coverage under the Program for certain retired state officers and employees. (NRS 287.046) **Section 10** of this bill clarifies that employees who are initially hired by the State on or after January 1, 2010, are not entitled to the subsidy for coverage under the Program if they retire with less than 15 years of service, **which must include state service and may include local governmental service,** with the exception of disabled retirees, or if they fail to maintain continuous coverage under the Program during retirement. **Section 6** of this bill clarifies the application of this provision to persons who retire from employment with local governmental agencies.

Existing law provides that if a state officer or employee or a dependent of a state officer or employee incurs medical costs that are payable under the Program, but for which a third person has the legal liability to pay, the Board is subrogated to the rights of the officer, employee or dependent and may commence, join or intervene in any legal action against the third person to enforce that legal liability. (NRS 287.0465) **Section 11** of this bill extends this provision to apply to any person who participates in the Program, including retired, as well as active, officers and employees of the State and their dependents and to active and retired officers and employees of local governments and their dependents who are covered under the Program.

Existing law provides that the surviving spouse and any surviving child of a police officer or firefighter who was killed in the line of duty are eligible to obtain or continue coverage under the Program or a benefits plan established by his or her local governmental employer under certain circumstances. The public employer of the police officer or firefighter, or the State of Nevada in the case of a volunteer firefighter, is required to pay the entire cost of the coverage for the surviving spouse for life and the entire cost of the coverage for any surviving child at least until the child reaches 18 years of age and until the child reaches 23 years of age so long as the child is a full-time student. (NRS 287.0477) **Sections 5 and 13** of this bill provide that neither the public employer nor the State is required to pay the cost of the coverage for the surviving domestic partner of such a police officer or firefighter.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 98.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 128.

AN ACT relating to emergencies; enacting the Uniform Emergency Volunteer Health Practitioners Act, which allows a participating state to establish a system whereby medical and veterinary service providers from other states may register to provide volunteer medical and veterinary services in that state in the event of an emergency; allowing a participating state to determine how various licensing, liability and certain other state laws will apply to registered medical and veterinary service providers who provide such volunteer services in a state in which they are not licensed to practice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Division of Emergency Management of the Department of Public Safety is required to implement a program for emergency management in this State to be used during an emergency. (NRS 414.040) This bill enacts the Uniform Emergency Volunteer Health Practitioners Act, and **section 22** of this bill authorizes the Division to designate a registration system whereby health care practitioners from other states may register to provide volunteer health care and veterinary services in this State in certain emergency situations. **Section 21** of this bill authorizes the Division to limit, restrict and regulate the activities of such registered volunteers during such an emergency. **Section 23** of this bill provides that such registered volunteers may only provide volunteer health care or veterinary services if they are licensed and in good standing in their home state. **Section 25** of this bill limits the practice in this State by such a registered volunteer to only those services within the volunteer's scope of practice, unless specifically authorized to practice outside that scope by the Division. **Section 25** also authorizes licensing boards or other disciplinary authorities in this State to impose administrative sanctions upon such registered volunteers for certain conduct, to report such sanctions to the state in which the volunteer is licensed and to impose administrative sanctions upon a health practitioner licensed in this State for certain conduct in another state if the practitioner was volunteering in that state under this Uniform Act. **Section 27** of this bill authorizes the Division to adopt regulations to carry out this Uniform Act.

Existing law sets forth that health care providers licensed in this State who render emergency care or assistance in certain emergencies are not liable for civil damages for any act or omission unless that act or omission rises to the level of gross negligence. (NRS 41.504, 41.505) Under existing law, certain volunteers who work with a state or local public organization are considered, for the purposes of eligibility for benefits under industrial insurance, to be employees of that organization at a wage of $100 per month. (NRS 616A.130) **Section 28** of this bill limits the liability of registered volunteer health practitioners volunteering in this State to only those acts or omissions in the provision of health care or veterinary services that rise to the level of gross negligence. **Section 29** of this bill makes such registered volunteers eligible, in certain circumstances, for the same industrial insurance benefits as other volunteers in this State, and for the same occupational disease benefits as employees of this State.

3. Upon the request of a person or entity in this State authorized to do so pursuant to subsection 2, or a similarly authorized person or entity in another state, a registration system located in this State must notify the person or entity of the identities of volunteer health practitioners and whether the practitioners are licensed and in good standing.

A person who, pursuant to sections 2 to 30, inclusive, of this act, operates, uses or relies upon information provided by a volunteer health practitioner registration system is not liable for damages for an act or omission relating to that operation, use or reliance unless the act or omission constitutes an intentional tort, willful misconduct, or wanton, grossly negligent, reckless or criminal conduct.

5. In addition to the protections set forth in subsection 1, a volunteer health practitioner who provides health or veterinary services pursuant to sections 2 to 30, inclusive, of this act is entitled to all the rights, privileges or immunities provided by the laws of this State.

Amendment No. 241.

AN ACT relating to elections; revising provisions governing the dates for certain city elections; ~~[revising deadlines for the submission of certain campaign contribution and expenditure reports relating to city elections;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes the governing body of a city incorporated pursuant to general law to choose by ordinance whether to: (1) hold city elections on the statewide election cycle; or (2) hold a primary city election on the first Tuesday after the first Monday in April and hold a general city election on the first Tuesday after the first Monday in June of odd-numbered years. (NRS 293C.115, 293C.140, 293C.145, 293C.175) Sections 4-7 and 50 of this bill require that cities be on the statewide election cycle as of the year 2014. Sections 1, 3, 6-12, 18 and 19 of this bill amend various other dates relating to city elections, such as the date for filing declarations of candidacy. Section 48 of this bill provides that officials of affected cities who are elected in 2011 will hold office until the city elections are held in 2014, and that officials of such cities who are elected in 2013 will hold office until the city elections are held in 2016.]~~

Certain cities that are created by charters hold general municipal elections in June of odd-numbered years (Boulder City, Caliente, Elko, Henderson, Las Vegas, North Las Vegas and Yerington). **Sections 20-47** of this bill amend the charters of those cities to ~~[require that the cities hold primary and general city elections on the same dates as the statewide primary and general elections. The terms of office of officials of such cities who were elected in 2009 or who will be elected in 2011 (and the terms of office of municipal judges who were elected to 6-year terms in 2007) will be extended by 1 year to allow for the transition to the statewide election cycle.~~

~~Sections 13-17 of this bill make conforming changes to provisions relating to reporting campaign contributions and expenditures for city elections so that those reports are required to be submitted on the same dates as are required for statewide primary and general elections.]~~ **authorize the city councils of those cities to choose by ordinance whether to: (1) hold city elections on the state election cycle; or (2) continue holding the elections in June, as provided in their respective city charters.**

Amendment No. 316.

SUMMARY—Provides for ~~[the creation of alternative]~~ special license plates honoring ~~[service of]~~ female veterans. (BDR 43-810)

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles, with respect to special license plates for the support of outreach programs and services for veterans and their families, to make **such plates** available ~~[an alternative version of the plates indicating service as a]~~ **to**

female ~~[veteran;]~~ **veterans with an optional image representative of female veterans;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Motor Vehicles to order the preparation of special license plates for the support of outreach programs and services for veterans and their families. These special license plates are available to veterans of the Army, Navy, Air Force, Marine Corps or Coast Guard of the United States, a reserve component thereof or the National Guard, or the spouse, parent or child of such a veteran. (NRS 482.3763) **Section 4** of this bill requires the Department to make **the plates** available **: (1)** to female veterans ~~[of the Army, Navy, Air Force, Marine Corps or Coast Guard of the United States, a reserve component thereof or the National Guard, an alternative version of the special license plates for the support of outreach programs and services for veterans and their families. Such alternative version must indicate specifically that the veteran is a female veteran.]~~ **; and (2) with an optional image representative of female veterans.** The fees for the initial issuance and renewal of the ~~[alternative]~~ **optional** version of the special license plates for the support of outreach programs and services for veterans and their families are the same as for the regular version.

Under existing law, new special license plates authorized by an act of the Legislature typically are subject to all of the following: (1) approval or disapproval by the Commission on Special License Plates; (2) the limitation on the number of separate designs of special license plates that may be issued by the Department at any one time; and (3) the requirement that the Department receive at least 1,000 applications for the issuance of the plate within 2 years after the effective date of the act of the Legislature. (NRS 482.367004, 482.367008, 482.36705) ~~[Sections 1-3 of this bill exempt the alternative]~~ **The optional** special license plates for female veterans **are exempt** from all three of ~~[those]~~ **the preceding** requirements **[.** ~~The rationale for those exemptions is that the alternative special license plates for female veterans are not an entirely separate design of special license plates but, instead,~~**]** **because the plates** are simply an ~~[alternate]~~ **optional** version of existing special license plates for veterans.

Amendment No. 261.

SUMMARY—Revises provisions governing the imposition of civil penalties for violations of city **or county** ordinances regarding the abatement of certain conditions and nuisances on property within the city ~~[.]~~ **or county.** (BDR 21-266)

AN ACT relating to ~~[cities;]~~ **local governments;** authorizing a city **or county** to collect civil penalties imposed for failure to abate certain conditions and nuisances on property within the city **or county** as a special assessment against the property under certain circumstances; revising provisions relating to the maximum amount of a civil penalty that may be imposed for failure to abate certain nuisances on property within the city **or county** under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if an owner of property within a city fails to abate a dangerous or noxious condition, a chronic nuisance or, in larger counties, an abandoned nuisance on the property after being directed to do so, the owner

may be required to pay civil penalties as well as any costs incurred by the city to abate the condition or nuisance. In addition to any other reasonable means of recovering its abatement costs, the city is authorized to make those costs a special assessment against the property and collect the special assessment in the same manner as ordinary county taxes are collected. (NRS 268.4122-268.4126) **Existing law sets forth parallel authority for counties to abate chronic nuisances and public nuisances and provides that abatement costs for public nuisances must be received as a special assessment against the affected property. (NRS 244.3603, 244.3605)** This bill authorizes ~~[the]~~ **a** city **or county** to also collect any civil penalties imposed against the owner of the property as a special assessment against the property if the amount of the uncollected civil penalties after 12 months is more than $5,000.

Under existing law, the maximum civil penalty that is authorized to be imposed on an owner of property in ~~[the]~~ **a** city **or county** for failure to abate a chronic nuisance on the property is $500 per day. (NRS **244.3603,** 268.4124) ~~[Section]~~ **Sections 2 and 5** of this bill ~~[increases]~~ **increase** that maximum authorized civil penalty to $1,000 per day if the relevant property is nonresidential property. **Section 3** of this bill provides a maximum civil penalty that **a city** may ~~[be imposed]~~ **impose** for the failure to abate an abandoned nuisance of $1,000 per day against an owner of nonresidential property and $500 per day against an owner of residential property.

Assembly Bill No. 376.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 395.

AN ACT relating to tourism improvement districts; making various changes regarding the financing of certain local improvements with revenue pledged from sales and use taxes; **providing a procedure for the selection**

of subcontractors on certain contracts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID) and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) **Section 2** of this bill requires the independent auditing of claims made under agreements to provide such financing **.** ~~[and prohibits the use of such financing to pay various fees and costs.]~~ **Section 2** also prohibits the use of such financing **, with respect to a TID created on or after July 1, 2011, to pay various fees and costs and** for the relocation within ~~[a]~~ **the** TID of a retailer from another location within 3 miles outside of the boundary of the TID **,** and excludes the use for such financing of the tax revenue from such a retailer. **Section 3** of this bill ~~[requires certain contractors on funded projects to select their subcontractors by competitive bidding.]~~ **specifies the procedure required for the selection of subcontractors by contractors and developers who enter into certain construction contracts on financed projects or on property within a TID which benefits from financed infrastructure improvements. Section 4** of this bill requires **a municipality that creates a TID to prepare and submit to the Legislature** annual reports regarding ~~[projects within a TID.]~~ **the TID, and requires the Department of Taxation to prepare and submit to the Legislature and the municipality semiannual reports regarding businesses within a TID. Section 6** of this bill applies the prevailing wage provisions applicable to public works to construction contracts for **financed** projects within a TID to the same extent as if the contracts were awarded by the municipality and the projects constituted public works.

Existing law does not allow the creation of a TID unless the pertinent governing body makes a written finding at a public hearing, based upon reports from independent consultants, as to whether the proposed project and financing will have a positive fiscal effect on the provision of local governmental services. (NRS 271A.080) **Section 5** of this bill requires the selection of those independent consultants from a list provided by the Commission on Tourism.

SECOND READING AND AMENDMENT

Assembly Bill No. 420.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 262.

AN ACT relating to the Nevada National Guard; providing for the confidentiality of personal information in certain documents recorded with a county recorder by a member of the Nevada National Guard; revising provisions governing the termination of employment of a member of the

Nevada National Guard; prohibiting ~~[the commencement of civil actions against]~~ a member of the Nevada National Guard **from being served a summons for, or notice of, a civil action or administrative proceeding against him or her** during certain periods; **postponing such an action or proceeding during certain periods;** providing for a preference for certain employment with the government of this State for members of the Nevada National Guard; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the protection of personal information in recorded documents and for the access to such personal information by specified persons upon the death of the person whose personal information is at issue. (NRS 239B.030, 247.090) **Section 1** of this bill expressly provides for the confidentiality of personal information of a member of the Nevada National Guard contained in specified documents recorded with a county recorder, and allows access to that personal information by certain authorized persons.

Existing law prohibits the termination of the employment of a member of the Nevada National Guard and provides for the member's reinstatement after termination if the termination is because of certain active duty or service by the member. (NRS 412.139, 412.1395) **Sections 2 and 3** of this bill expand this prohibition against termination and this right of reinstatement to cover situations in which the termination of employment is because of the member's participation in required training, duty and meetings.

Existing law prohibits the arrest on civil process of a member of the Nevada National Guard while the member is at a location for military duty or traveling to or from that location. (NRS 412.154) **Section 4** of this bill **: (1)** prohibits the ~~[commencement]~~ **serving of a summons for, or notice** of **,** a civil action or **administrative** proceeding against ~~[the]~~ **a** member ~~[while]~~ **of the Nevada National Guard during any period in which** the member assembles for training or participates in field training, active duty **training** or active service **,** or travels to or from that duty, service or training ~~[.]~~ **; and (2) stays (postpones) the civil action or administrative proceeding against the member during that same period.**

Existing law provides a preference in hiring for certain public employment for veterans of the Armed Forces of the United States. (NRS 284.260) **Section 5** of this bill provides a similar preference for members of the Nevada National Guard.

Assembly Bill No. 536.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 522.

AN ACT relating to the protection of children; requiring an investigation of the criminal history of certain persons associated with certain facilities that provide residential services to children; requiring such a facility to terminate the employment of or remove from the facility certain persons based on the results of an investigation of the person's criminal history; requiring ~~[such a facility to maintain]~~ **the maintenance of** records concerning **the** employees and residents of the facility; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain types of facilities which provide residential services to children are required to obtain background investigations for holders of licenses, employees and certain residents of the facility, including, without limitation, foster homes and child care facilities. (NRS 424.031, 432A.170) Existing law does not require similar background investigations to be conducted for holders of licenses and employees of other types of facilities which provide residential services to children, including, without limitation, juvenile justice facilities, facilities that provide mental health treatment to children, and other medical and related facilities which provide residential services to children. (Chapters 62B and 433B of NRS, NRS 449.176, 449.179) This bill prescribes, to the extent applicable, standard requirements for background investigations, records of background investigations, supervision of persons pending background investigations and termination of the employment of persons who have committed certain crimes.

Sections 2-6 of this bill prohibit a person from having unsupervised contact with a child pending the outcome of his or her background investigation and require foster homes to terminate the employment of an employee or remove a resident who is over 18 years of age if the person has been convicted of a crime prescribed in **section 4**. **Sections 2-6** also require foster homes to maintain certain records relating to background investigations which are conducted for employees and residents of the homes. A background investigation must be conducted every 5 years after the initial investigation.

Sections 8-10 of this bill require child care facilities to maintain certain records for certain employees, residents and participants of the facilities and

prohibit unsupervised contact with a child pending the results of a background investigation. A background investigation must be conducted every 5 years after the initial investigation.

Sections 12-14 of this bill require **the employees of** public or private institutions and agencies to which a juvenile court commits a child to ~~[conduct]~~ **receive** background investigations **.** ~~[of all employees of the institution or agency.]~~ **Sections 12-14** also prohibit a person from having unsupervised contact with a child pending the outcome of his or her background investigation and require institutions and agencies to terminate the employment of employees who have been convicted of a crime prescribed in **section 12**. **Sections 12-14** further require ~~[institutions and agencies to maintain]~~ **the maintenance of** certain records relating to the background investigations which are conducted for employees. A background investigation must be conducted every 5 years after the initial investigation.

Sections 17-19 of this bill require certain facilities which provide residential mental health treatment to children to conduct background investigations of all employees of the facility. **Sections 17-19** also prohibit a person from having unsupervised contact with a child pending the outcome of his or her background investigation and require such facilities to terminate the employment of employees who have been convicted of a crime prescribed in **section 17**. **Sections 17-19** also require those facilities to maintain certain records relating to the background investigations which are conducted for employees. A background investigation must be conducted every 5 years after the initial investigation.

Under existing law, each applicant for a license to operate and each employee of a facility for intermediate care, facility for skilled nursing, residential facility for groups, agency to provide personal care services in the home or home for individual residential care must submit to a background investigation. (NRS 449.173-449.188) These provisions specifically exclude a facility for the treatment of abuse of alcohol or drugs under existing law. **Sections 20-24** of this bill include other medical facilities and facilities for the treatment of abuse of alcohol or drugs if those facilities provide residential services to children. **Sections 20-24** also amend provisions relating to unsupervised contact with children and the maintenance of records to be consistent with this bill.

Section 25 of this bill requires persons who are required to submit to background investigations pursuant to the amendatory provisions of this bill to submit to such investigations on or before October 1, 2011, and authorizes such persons to have contact with children without supervision pending the results of the investigation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 442.

AN ACT relating to insurance; requiring the Commissioner of Insurance to adopt regulations relating to electronic signatures, records and payments; revising provisions relating to the external review of adverse determinations **of health carriers; [**~~by enacting the National Association of Insurance Commissioners' Uniform Health Carrier External Review Model Act;~~**]** clarifying the circumstances under which an actuary is not liable for damages with respect to the actuary's opinion; authorizing the electronic transmission of fingerprints with an application for a license; revising provisions relating to the licensing of adjusters; revising provisions relating to surplus lines insurance; revising provisions relating to the use of credit information; requiring that certain policies of group insurance be filed with and approved by the Commissioner; revising provisions relating to annuities, pure endowment contracts and policies of life insurance; revising provisions relating to evidence of insurance for motor vehicles; revising provisions relating to disciplinary action by the Commissioner; revising and clarifying provisions relating to employee leasing companies; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a set of procedures for the external review of an adverse determination by a managed care organization. (NRS 695G.241-695G.310) **Sections 2, 3, 8, 9, [**~~71-118,~~**] 79-118.8, 123-127 and 129-131** of this bill **amend the external review process to comply with the federal Patient Protection and Affordable Care Act (Public Law 111–148) and** enact **[**~~the National Association of Insurance Commissioner's Uniform Health Carrier External Review Model Act and revise various provisions of existing law to conform with the Model Act.~~**] other related provisions necessary to comply with the minimum standards prescribed by federal law.**

Existing law limits the liability of a qualified actuary for damages relating to the actuary's opinion regarding an insurer who offers life insurance. (NRS 681B.250) **Section 6** of this bill clarifies that this limitation of liability

applies not only for life insurance but for any opinion an actuary issues pursuant to chapter 681B of NRS or any regulations adopted thereto.

Existing law requires the Commissioner of Insurance to adopt regulations governing the use of certain electronic methods relating to insurance. (NRS 679B.136, 685A.210) **Sections 1 and 29** of this bill expand the electronic methods that the Commissioner can allow the use of for insurance transactions. Additionally, **sections 10, 11, 20, 44-47 and 122** of this bill allow for the fingerprints required to be submitted with an application for a license pursuant to the Nevada Insurance Code to be submitted electronically.

Existing law requires an applicant for a license as an insurance adjuster to be a resident of this State with certain exceptions. (NRS 684A.070) On December 9, 2009, the United States District Court for the District of Nevada held that the residency requirement to obtain a license as an insurance adjuster violates the Privileges and Immunities Clause of the United States Constitution. (*Reitz v. Kipper*, 674 F.Supp.2d 1194 (D. Nev. 2009)) **Sections 15-26** of this bill revise provisions relating to the licensing of insurance adjusters to remove the residency requirement. **Sections 15-26** also require that an applicant either pass an examination in this State before receiving a license as an insurance adjuster or, if not a resident of this State, be currently licensed in a state that requires an examination before licensure.

Existing law governs trade practices and frauds relating to the insurance business and gives the Commissioner exclusive jurisdiction to regulate trade practices in the insurance business. (Chapter 686A of NRS) **Section 30** of this bill requires an insurer that uses credit information to provide reasonable exceptions to their rates in certain circumstances.

Under existing law, an insurer may not market certain insurance products without first filing the product with the Commissioner and receiving the Commissioner's approval. (NRS 687B.120) **Section 35** of this bill also requires any group insurance policies to be issued pursuant to NRS 688B.030 or 689B.026 to be filed with and approved by the Commissioner before being marketed.

Under existing law, an employee leasing company is deemed to be the employer of its leased employees for the purposes of sponsoring and maintaining any benefit plans. (NRS 616B.691) In 2007, this section was amended to clarify that such a company is also deemed to be the employer for the purposes of the Employee Retirement Income Security Act of 1974 (ERISA). (Chapter 536, Statutes of Nevada 2007, p. 3339) On August 6, 2010, the United States District Court for the District of Nevada held that NRS 616B.691 was preempted by federal law to the extent that it declares the status of any benefit plans for purposes of ERISA. (*Payroll Solutions Group, Ltd. v. Nevada*, No. 02-CV-06-00927-JCM-RJJ (D. Nev. Aug. 6, 2010)) **Section 128** of this bill reverses the changes made to NRS 616B.691 during the 2007 Legislative Session. In addition, **section 128** clarifies that the provisions of subsection 1 of that section apply only for the purposes of

chapters 612 and 616A-617 of NRS. **Section 128** also clarifies that the provisions of subsection 2 of that section do not affect the existing employer-employee relationship between a leased employee and a client company.

Sec. 51. NRS 689B.080 is hereby amended to read as follows:

689B.080 Any insurer authorized to write health insurance in this state, including a nonprofit corporation for hospital, medical or dental services that has a certificate of authority issued pursuant to chapter 695B of NRS, may issue blanket accident and health insurance. No blanket policy, except as provided in subsection ~~[4]~~ ***5*** of NRS 687B.120, may be issued or delivered in this state unless a copy of the form thereof has been filed in accordance with NRS 687B.120. Every blanket policy must contain provisions which in the opinion of the Commissioner are not less favorable to the policyholder and the individual insured than the following:

1. A provision that the policy, including endorsements and a copy of the application, if any, of the policyholder and the persons insured constitutes the entire contract between the parties, and that any statement made by the policyholder or by a person insured is in the absence of fraud a representation and not a warranty, and that no such statements may be used in defense to a claim under the policy, unless contained in a written application. The insured or the beneficiary or assignee of the insured has the right to make a written request to the insurer for a copy of an application, and the insurer shall, within 15 days after the receipt of a request at its home office or any branch office of the insurer, deliver or mail to the person making the request a copy of the application. If a copy is not so delivered or mailed, the insurer is precluded from introducing the application as evidence in any action based upon or involving any statements contained therein.

2. A provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when the sickness or injury occurred. Failure to give notice within that time does not invalidate or reduce any claim if it is shown that it was not reasonably possible to give notice and that notice was given as soon as was reasonably possible.

3. A provision that the insurer will furnish to the claimant or to the policyholder for delivery to the claimant such forms as are usually furnished by it for filing proof of loss. If the forms are not furnished before the expiration of 15 days after giving written notice of sickness or injury, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

4. A provision that in the case of a claim for loss of time for disability, written proof of the loss must be furnished to the insurer within 90 days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of the disability must be furnished to the insurer at such intervals as the insurer may reasonably require, and that in the case of a claim for any other loss, written proof of the loss must be furnished to the insurer within 90 days after the date of the loss. Failure to furnish such proof within that time does not invalidate or reduce any claim if it is shown that it was not reasonably possible to furnish proof and that the proof was furnished as soon as was reasonably possible.

5. A provision that all benefits payable under the policy other than benefits for loss of time will be payable immediately upon receipt of written proof of loss, and that, subject to proof of loss, all accrued benefits payable under the policy for loss of time will be paid not less frequently than monthly during the continuance of the period for which the insurer is liable, and that any balance remaining unpaid at the termination of that period will be paid immediately upon receipt of proof.

6. A provision that the insurer at its own expense has the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy where it is not prohibited by law.

7. A provision, if applicable, setting forth the provisions of NRS 689B.035.

8. A provision for benefits for expense arising from care at home or health supportive services if that care or service was prescribed by a physician and would have been covered by the policy if performed in a medical facility or facility for the dependent as defined in chapter 449 of NRS.

9. A provision that no action at law or in equity may be brought to recover under the policy before the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the policy and that no such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Assembly Joint Resolution No. 1.

Resolution read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 362.

SUMMARY—Proposes to amend certain provisions of the Nevada Constitution related to the assessment and collection of property taxes to **[**~~allow~~**]** **authorize** the **[**~~recalculation~~**]** **Legislature to provide by law for the calculation** of the taxable value of **[**~~depreciated~~**]** improvements to real property upon the transfer, sale or conveyance of the property. (BDR C-402)

ASSEMBLY JOINT RESOLUTION—Proposing to amend certain provisions of the Nevada Constitution related to the assessment and

collection of property taxes to authorize the Legislature to provide by law for the ~~[recalculation]~~ **calculation** of the taxable value of ~~[depreciated]~~ improvements to real property upon the transfer, sale or conveyance of the property.

Legislative Counsel's Digest:

Existing law requires that depreciation of an improvement to real property be calculated at 1.5 percent of the replacement cost of the improvement for each year of adjusted actual age of the improvement, up to a maximum of 50 years, when determining the value of the property for the purposes of assessing and collecting property taxes. (NRS 361.227) This proposed amendment to the Nevada Constitution authorizes the Legislature to enact a statute which ~~[requires each County Assessor to recalculate]~~ **provides for the calculation of** the taxable value of ~~[depreciated]~~ improvements ~~[by removing any accumulated depreciation]~~ **to real property** upon such transfers, sales or other conveyances of the property as the Legislature deems appropriate.

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That Section 1 of Article 10 of the Nevada Constitution be amended to read as follows:

Section 1. 1. The Legislature shall provide by law for a uniform and equal rate of assessment and taxation, and shall prescribe such regulations as shall secure a just valuation for taxation of all property, real, personal and possessory, except mines and mining claims, which shall be assessed and taxed only as provided in Section 5 of this Article.

2. Shares of stock, bonds, mortgages, notes, bank deposits, book accounts and credits, and securities and choses in action of like character are deemed to represent interest in property already assessed and taxed, either in Nevada or elsewhere, and shall be exempt.

3. The Legislature may constitute agricultural and open-space real property having a greater value for another use than that for which it is being used, as a separate class for taxation purposes and may provide a separate uniform plan for appraisal and valuation of such property for assessment purposes. If such plan is provided, the Legislature shall also provide for retroactive assessment for a period of not less than 7 years when agricultural and open-space real property is converted to a higher use conforming to the use for which other nearby property is used.

4. Personal property which is moving in interstate commerce through or over the territory of the State of Nevada, or which was consigned to a warehouse, public or private, within the State of Nevada from outside the State of Nevada for storage in transit to a final destination outside the State of Nevada, whether specified when transportation begins or afterward, shall be deemed to have acquired no situs in Nevada for purposes of taxation and shall be exempt from taxation. Such property shall not be deprived of such exemption because while in the warehouse the property is assembled, bound,

joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

5. The Legislature may exempt motor vehicles from the provisions of the tax required by this Section, and in lieu thereof, if such exemption is granted, shall provide for a uniform and equal rate of assessment and taxation of motor vehicles, which rate shall not exceed five cents on one dollar of assessed valuation.

6. The Legislature shall provide by law for a progressive reduction in the tax upon business inventories by 20 percent in each year following the adoption of this provision, and after the expiration of the 4th year such inventories are exempt from taxation. The Legislature may exempt any other personal property, including livestock.

7. No inheritance tax shall ever be levied.

8. The Legislature may exempt by law property used for municipal, educational, literary, scientific or other charitable purposes, or to encourage the conservation of energy or the substitution of other sources for fossil sources of energy.

9. No income tax shall be levied upon the wages or personal income of natural persons. Notwithstanding the foregoing provision, and except as otherwise provided in subsection 1 of this Section, taxes may be levied upon the income or revenue of any business in whatever form it may be conducted for profit in the State.

10. The Legislature may provide by law for an abatement of the tax upon or an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

11. The Legislature may provide by law for the ~~*[recalculation of any depreciation allowed by law in the]*~~ ***determination of the value of improvements to real property for the purposes of taxation*** ~~*[, such that the value of a depreciated improvement is reset to the current replacement cost of the improvement]*~~ ***upon*** ~~*[such a]*~~ ***the transfer, sale or other conveyance of the property as the Legislature determines to be appropriate.***

Assembly Bill No. 406.

Bill read second time.

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 514.

SUMMARY— ~~[Creates the Evaluation and Sunset Advisory Commission.]~~ **Revises provisions relating to the conducting of executive branch audits and investigations.** (BDR 18-584)

AN ACT relating to ~~[commissions; creating the Evaluation and Sunset Advisory Commission; providing for its membership; requiring the~~

~~Commission to evaluate the necessity and efficacy of all agencies, boards and commissions and statutory tax exemptions, abatements and earmarks in this State;~~ **state agencies; authorizing the Governor to require the Chief of the Division of Internal Audits of the Department of Administration to conduct certain audits and investigations of executive branch agencies without the approval of the Executive Branch Audit Committee; authorizing the Chief to conduct investigations; deleting provisions which prohibit the Division from conducting investigations; requiring executive branch agencies to cooperate in an audit or investigation; exempting certain audits and investigations from being included in certain reports to the Committee; requiring certain documents relating to investigations of executive branch agencies to be kept confidential under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Executive Branch Audit Committee, requires the Chief of the Division of Internal Audits of the Department of Administration to submit annual plans to audit executive branch agencies to the Committee, and requires the Committee to approve those plans. (NRS 353A.038, 353A.045) Further, existing law prohibits the Division from conducting investigations. (NRS 353A.055) Section ~~[3]~~ **1** of this bill ~~[creates the Evaluation and Sunset Advisory Commission and sets forth the details regarding the members of the Commission, who are appointed by the Governor and the Majority and Minority Leaders of each House of the Legislature. Section 5 of this bill sets forth the duties of the Commission which include, without limitation, reviewing and evaluating all agencies, boards and commissions and statutory tax exemptions, abatements and earmarks in this State for necessity and efficacy and for duplication by other agencies, boards and commissions of the Federal Government, this State or local governments in this State. Section 4 of this bill requires the Commission to meet at least bimonthly and to annually report its findings and recommendations to the Governor and the Legislature. Section 6 of this bill authorizes the Commission to apply for and receive gifts, grants, contributions or other money to carry out its duties.~~] **authorizes the Governor to require the Chief to conduct an audit or an investigation of an executive branch agency that is not in the plan the Chief submitted and without the approval of the Committee. Section 2 of this bill authorizes the Chief to conduct investigations, as well as audits, and requires the Chief to conduct the audits or investigations required by the Governor as well as those approved by the Committee. Section 3 of this bill eliminates the prohibition against the Division conducting investigations.**

Existing law requires the Chief of the Division of Internal Audits of the Department of Administration to submit an annual report to the Executive Branch Audit Committee which includes all final reports of

audits conducted in the preceding year. (NRS 353A.065) Section 4 of this bill prohibits the inclusion in that report of any reference to audits or investigations required by the Governor. Section 6 of this bill requires that the final reports of an audit or investigation required by the Governor be given to the Governor and not the Committee.

Section 5 of this bill requires all executive branch agencies to cooperate with the Chief or the authorized representative of the Chief in an audit or investigation. Section 8 of this bill requires that the working documents from an investigation are to be kept confidential under certain circumstances.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Transportation to submit various reports to the Legislature concerning the activities of the Department. (NRS 408.203) **Section 2** of this bill provides that, on or before February 1 of each odd-numbered year, the Director is required to submit a report to the Governor and the Legislature concerning all mobile equipment **eliminated by outsourcing or** purchased or leased in the previous 2 years. **Section 2** further requires that the report include, without limitation, the costs and benefits analysis prepared pursuant to **section 3** of this bill and the justification for the decision to purchase or lease the mobile equipment **[.] or to enter into a contract for the performance of the work which would have been performed using the mobile equipment.**

Existing law requires the Board of Directors of the Department to authorize the purchase by the Department of any equipment which exceeds $50,000. (NRS 408.389) **Section 3** provides that, before the Board may approve the purchase of any mobile equipment which exceeds $50,000, the Department is required to **: (1)** prepare and present a costs and benefits analysis of purchasing or leasing the mobile equipment **or contracting for the performance of the work which would have been performed using the mobile equipment;** and **(2)** justify purchasing instead of leasing **or contracting** based on that analysis. **Section 3** further prohibits the Board from approving any purchase of mobile equipment which exceeds $50,000 unless the Department is able to justify purchasing ~~**[instead of leasing]**~~ based on that analysis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by Assemblyman Oceguera:

Amendment No. 528.

AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the renewal of a permit to carry a concealed firearm; revising provisions concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) **Section 2** of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the sheriff. **Section 2** also specifies that an investigation conducted by the sheriff for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System. **Section 4** of this bill revises the fee for the renewal of a permit from $25 to the amount **[**~~necessary~~**]** **of the actual cost** to obtain the reports required as part of the investigation by the sheriff.

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking

to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) **Section 1** of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. **Section 3** of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.

Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance to prevent the occurrence of certain offenses. (NRS 202.280-202.290, 193.230-193.250)

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. **Section 5** also voids any regulation which conflicts with such laws.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.3657 is hereby amended to read as follows:

202.3657 1. Any person who is a resident of this State may apply to the sheriff of the county in which he or she resides for a permit on a form prescribed by regulation of the Department. Application forms for permits must be furnished by the sheriff of each county upon request.

2. Except as otherwise provided in this section, the sheriff shall issue a permit for revolvers, ~~[one or more specific]~~ ***for*** semiautomatic firearms, or for revolvers and ~~[one or more specific]~~ semiautomatic firearms, as applicable, to any person who is qualified to possess the firearm or firearms to which the application pertains under state and federal law, who submits an application in accordance with the provisions of this section and who:

A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.

3. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:

(c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years.

(d) Has habitually used intoxicating liquor or a controlled substance to the extent that his or her normal faculties are impaired. (2) Suspension of sentence for the conviction of a felony.

(j) Has made a false statement on any application for a permit or for the renewal of a permit.

4. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 3 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.

5. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.

2. To assist the sheriff in conducting the investigation, any local law enforcement agency, including the sheriff of any county, may voluntarily submit to the sheriff a report or other information concerning the criminal history of an applicant.

The following amendment was proposed by Assemblywoman Mastroluca:
Amendment No. 516.
AN ACT relating to protection of children; requiring a court that orders a child to be placed with someone other than a parent to retain jurisdiction over the child after the child reaches the age of 18 years in certain circumstances; requiring an agency which provides child welfare services to continue to

provide services and ~~[financial support]~~ **monetary payments** to such a child while the child remains under the jurisdiction of the court; requiring the agency which provides child welfare services and such a child to enter into a written agreement; requiring the agency which provides child welfare services to develop a plan for such a child to assist the child in transitioning to independent living; revising various provisions relating to a child placed with someone other than a parent to clarify the application of those provisions to persons who remain in foster care beyond the age of 18 years; revising provisions governing the placement of children who are taken into protective custody or placed with someone other than a parent; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law gives a juvenile court exclusive jurisdiction over proceedings concerning a child in need of protection in this State, except if the child is subject to the jurisdiction of an Indian tribe pursuant to the Indian Child Welfare Act. (NRS 432B.410) The juvenile court may take actions to protect a child from abuse and neglect, including ordering a child to be placed into the custody of a person or entity other than a parent. (NRS 432B.550) **Section 18** of this bill requires the juvenile court that has jurisdiction over a child who was placed with a person other than a parent to continue to retain jurisdiction over the child when the child reaches the age of 18 years if the child so requests. **Section 18** provides that jurisdiction over the child will terminate when the child reaches 21 years of age unless certain conditions occur first.

Section 16 of this bill requires the juvenile court to refer a child to an attorney when the child is 17 years of age if the court determines that the child is not likely to be returned to the custody of a parent before reaching 18 years of age. **Section 16** requires the juvenile court to request that the attorney assist the child in deciding whether to remain under the jurisdiction of the court. **Section 17** of this bill requires the agency which provides child welfare services to meet with the child at least 120 days before the child reaches 18 years of age to determine whether the child intends to remain under the jurisdiction of the court. However, the child is allowed to change his or her mind any time before reaching 18 years of age. In addition, **section 18** requires the child and the agency which provides child welfare services to enter into a written agreement which must be filed with the juvenile court that includes provisions stating some of the conditions and consequences of the child remaining under the jurisdiction of the juvenile court. **Section 18** further requires the agency which provides child welfare services to continue to provide services and ~~[financial support]~~ **monetary payments** to the child while the child remains under the jurisdiction of the court. **Section 18** also establishes a procedure for resolving issues involving a child who remains under the jurisdiction of the court. The agency which provides child welfare services and the child are required to attempt to resolve any issue before taking the issue to court. If the agency which provides child welfare services

~~[decides to recommend that]~~ **wishes to have** jurisdiction over the child ~~[be]~~ terminated, **section 18** requires the agency to provide notice to the child and an opportunity for the child to have an informal administrative review**.** ~~[of the decision.]~~ If the agency and the child are unable to reach an agreement, **section 18** authorizes the child or the attorney of the child to request a hearing before the court. **If the child and the attorney of the child agree to have jurisdiction terminated or do not request an administrative review, the agency which provides child welfare services must notify the court, and jurisdiction over the child will be terminated.**

Section 19 of this bill requires the agency which provides child welfare services to develop a written plan to assist a child who remains under the jurisdiction of the juvenile court in transitioning to independent living and provides other duties of the agency which provides child welfare services with respect to a child who remains under the jurisdiction of the juvenile court. **Section 19** also requires the agency which provides child welfare services to conduct an exit interview with such a child before the jurisdiction of the court is terminated to determine whether the child requires any additional services. **Section 20** of this bill revises the definition of "child" in existing law to clarify that a child who remains under the jurisdiction of the juvenile court after reaching 18 years of age is not included within that term for purposes of certain other provisions relating to the protection of children. **Section 21** of this bill similarly revises the definition of "custodian" in existing law to provide that the term does not include a custodian of such a child for purposes of certain other provisions relating to the protection of children.

Section 22 of this bill establishes the order of priority in which to place a child who is taken into protective custody and allows the child to be placed with certain persons who are not related to the child but with whom the child has developed a significant emotional and positive relationship. **Section 25** of this bill establishes the order of preference when placing a child with someone other than with a parent.

Sections 1-13 and 23 of this bill make various changes so that the provisions of NRS relating to a child who is in foster care are consistent and apply to a person who remains in foster care under the jurisdiction of a court after attaining 18 years of age in the same manner as a child in foster care who is less than 18 years of age.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 144.

The following Senate amendment was read:

Amendment No. 51.

AN ACT relating to public works; revising provisions relating to preferences in bidding for contracts for certain public works projects; requiring the inclusion in a contract for a public work of certain conditions that must be satisfied to obtain such a preference in bidding; providing for the investigation of a failure to satisfy the conditions for such a preference in bidding; providing for the recovery of damages for a failure to satisfy the provisions in a contract relating to preferences in bidding; prohibiting the use of a certificate of eligibility to receive a preference in bidding in certain circumstances; prohibiting a person from bidding on a public work in certain circumstances; revising provisions relating to the keeping, by certain persons, of records relating to public works; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a contract for a public work is awarded to the contractor who submits the best bid. A contractor may qualify for a preference in bidding on a contract for a public work if the contractor has submitted proof to the State Contractors' Board that the contractor has paid certain taxes to the State for the past 5 years. (NRS 338.1389, 338.147)

Sections 2, 9-11, 13 and 16 of this bill require that a contractor, an applicant or a design-build team, respectively, must meet five additional criteria to receive a preference in bidding on a contract for a public work. Specifically, **section 2** requires that, in addition to the existing requirements for a preference in bidding on a contract for a public work, the contractor, applicant or design-build team must ensure that: (1) at least 50 percent of the workers on the public work have a Nevada driver's license or identification card; (2) all of the non-apportioned vehicles primarily used on the public work are registered in Nevada; (3) at least 50 percent of the design professionals who work on the public work have a Nevada driver's license or identification card; (4) at least 25 percent of the **suppliers of the** materials used in the public work are ~~[purchased]~~ **located** in Nevada; and (5) certain payroll records related to the public work are maintained and available within this State.

Section 2 also requires that, if a contractor, applicant or design-build team who receives a preference in bidding is awarded a contract for a public work, the contract must include those five requirements for a preference in bidding on a contract for a public work and provide that failure to comply with any of

those five requirements is a material breach of the contract that entitles the public body to damages in the amount of 10 percent of the cost of the contract. **Additionally, section 2 requires each contract between a contractor, applicant or design-build team who receives a preference in bidding and a subcontractor to include a provision that apportions the liability for damages for a material breach of the contract for a public work between the contractor and subcontractor in proportion to each party's liability.** **Sections 9 and 10** of this bill provide that a contractor who breaches any of those five requirements for a contract for a public work the cost of which exceeds $5,000,000 loses his or her certification for a preference in bidding for 5 years. **Sections 3, 6-8 and 14** of this bill provide that a contractor, applicant or design-build team who breaches any of those five requirements for a contract for a public work the cost of which exceeds $25,000,000 loses his or her ability to bid on any contracts for public works for one year.

Section 17 of this bill provides that those five requirements for a preference in bidding on a contract for a public work apply to any public work that is first advertised for bid after the effective date of this bill. **Section 17** also declares that any contract for such a public work that fails to comply with this bill is void.

Section 5 of this bill revises the records that a contractor or subcontractor engaged on a public work must keep relating to their workers.

WHEREAS, The State of Nevada has been disproportionately affected by the Great Recession, suffering from the nation's highest unemployment rate at 14.5 percent as of December 2010, which is also the highest unemployment rate in state history; and

WHEREAS, According to the current employment statistics compiled by the Research and Analysis Bureau of the Department of Employment, Training and Rehabilitation, the construction sector in the State has been particularly hard-hit, with over 60 percent of all construction jobs in the State eliminated from June 2006 through December 2010, accounting for a loss of about 91,700 jobs; and

WHEREAS, Investment in the State's public works and infrastructure is both crucial to the economic recovery of the State today and essential to investing in Nevada's future; and

WHEREAS, Giving priority in bidding on state and local public works projects to Nevada businesses that employ Nevada workers is critically important in addressing both the historically high state unemployment rate in general and the incredible damage done to the construction sector in particular by the Great Recession; and

WHEREAS, The Nevada Legislature has determined that the extreme shortage of jobs for Nevada workers poses a serious threat to the economy of the State which necessitates a reasonable yet immediately effective response to put Nevadans back to work; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

(d) At least 25 percent of the suppliers of the materials used for the public work will be ~~[purchased]~~ located in this State; and

2. Any contract for a public work awarded to a contractor, applicant or design-build team who submits the affidavit described in subsection 1 and who receives a preference in bidding described in subsection 1 must:

(a) Include a provision in the contract that substantially incorporates the requirements of paragraphs (a) to (e), inclusive, of subsection 1; and

(b) Provide that a failure to comply with any requirement of paragraphs (a) to (e), inclusive, of subsection 1 is a material breach of the contract and entitles the public body to liquidated damages in the amount of 10 percent of the cost of the contract.

3. A person or entity who believes that a contractor, applicant or design-build team has obtained a preference in bidding as described in subsection 1 but has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 may file a written objection with the public

body for which the contractor, applicant or design-build team is performing the public work. A written objection authorized pursuant to this subsection must set forth proof or substantiating evidence to support the belief of the person or entity that the contractor, applicant or design-build team has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1.

4. If a public body receives a written objection pursuant to subsection 3, the public body shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to that subsection. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection. If the public body determines that the objection is accompanied by the required proof or substantiating evidence or if the public body determines on its own initiative that proof or substantiating evidence of a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 exists, the public body shall determine whether the contractor, applicant or design-build team has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 and the public body or its authorized representative may proceed to award the contract accordingly or, if the contract has already been awarded, seek the remedy authorized in subsection 5.

5. A public body may recover by civil action liquidated damages as described in paragraph (b) of subsection 2 for a breach of a contract for a public work caused by a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1. If a public body recovers liquidated damages pursuant to this subsection for a breach of a contract for a public work, the public body shall report to the State Contractors' Board the date of the breach, the name of each entity which breached the contract and the cost of the contract. The Board shall maintain this information for not less than 6 years. Upon request, the Board shall provide this information to any public body or its authorized representative.

6. If a contractor, applicant or design-build team submits the affidavit described in subsection 1, receives a preference in bidding described in subsection 1 and is awarded the contract, each contract between the contractor, applicant or design-build team and a subcontractor must provide for the apportionment of liquidated damages assessed pursuant to subsection 5 if a person other than the contractor was responsible for the breach of a contract for a public work caused by a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1. The apportionment of liquidated damages must be in proportion to the responsibility of each party for the breach.

Sec. 3. ***A local government or its authorized representative shall not accept a bid on a contract for a public work if the contractor who submits the bid has, within the preceding year, breached a contract for a public work for which the cost exceeds $25,000,000 by failing to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 of section 2 of this act.***

(1) The relative weight to be assigned to each factor pursuant to NRS 408.3886; and

(2) A disclosure of whether the factors that are not related to cost are, when considered as a group, more or less important in the process of evaluation than the factor of cost;

(d) Notice that a design-build team desiring to submit a proposal for the project must include with its proposal the information used by the Department to determine finalists among the design-build teams submitting proposals pursuant to subsection 2 of NRS 408.3885 and a description of that information;

(e) A statement that a design-build team whose prime contractor holds a certificate of eligibility to receive a preference in bidding on public works issued pursuant to NRS 338.1389 or 338.147 should submit ***with its proposal*** a copy of the certificate of eligibility ~~[with its proposal;]~~ ***and a signed affidavit that meets the requirements of subsection 1 of section 2 of this act;*** and

(f) A statement as to whether a bidding design-build team that is selected as a finalist pursuant to NRS 408.3885 but is not awarded the design-build contract pursuant to NRS 408.3886 will be partially reimbursed for the cost of preparing a final proposal or best and final offer, or both, and, if so, an estimate of the amount of the partial reimbursement.

Sec. 16. NRS 408.3886 is hereby amended to read as follows:

408.3886 1. After selecting the finalists pursuant to NRS 408.3885, the Department shall provide to each finalist a request for final proposals for the project. The request for final proposals must:

(a) Set forth the factors that the Department will use to select a design-build team to design and construct the project, including the relative weight to be assigned to each factor; and

(b) Set forth the date by which final proposals must be submitted to the Department.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the ***design-build team's*** possession of a certificate of eligibility to receive a preference in bidding on public works ***if the design-build team submits a signed affidavit that meets the requirements of subsection 1 of section 2 of this act,*** and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to preference in bidding on public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

3. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly, be responsive to the criteria that the Department will use to select a design-build team to design and construct the project described in subsection 1 and comply with the provisions of NRS 338.141.

4. After receiving the final proposals for the project, the Department shall:

(a) Select the most cost-effective and responsive final proposal, using the criteria set forth pursuant to subsections 1 and 2;

(b) Reject all the final proposals; or

(c) Request best and final offers from all finalists in accordance with subsection 5.

5. If the Department determines that no final proposal received is cost-effective or responsive and the Department further determines that requesting best and final offers pursuant to this subsection will likely result in the submission of a satisfactory offer, the Department may prepare and provide to each finalist a request for best and final offers for the project. In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be

submitted to the Department. After receiving the best and final offers, the Department shall:

(a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or

(b) Reject all the best and final offers.

6. If the Department selects a final proposal pursuant to paragraph (a) of subsection 4 or selects a best and final offer pursuant to paragraph (a) of subsection 5, the Department shall hold a public meeting to:

(a) Review and ratify the selection.

(b) Partially reimburse the unsuccessful finalists if partial reimbursement was provided for in the request for preliminary proposals pursuant to paragraph (f) of subsection 3 of NRS 408.3883. The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.

(c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.

7. A contract awarded pursuant to this section:

(a) Must comply with the provisions of NRS 338.020 to 338.090, inclusive; and

(b) Must specify:

(1) An amount that is the maximum amount that the Department will pay for the performance of all the work required by the contract, excluding any amount related to costs that may be incurred as a result of unexpected conditions or occurrences as authorized by the contract;

(2) An amount that is the maximum amount that the Department will pay for the performance of the professional services required by the contract; and

(3) A date by which performance of the work required by the contract must be completed.

8. A design-build team to whom a contract is awarded pursuant to this section shall:

(a) Assume overall responsibility for ensuring that the design and construction of the project is completed in a satisfactory manner; and

(b) Use the workforce of the prime contractor on the design-build team to construct at least 15 percent of the project.

Sec. 17. 1. The amendatory provisions of this act apply to all public works for which bids are first advertised after the effective date of this act.

2. Any contract awarded for a public work to which the amendatory provisions of this act apply pursuant to subsection 1 and:

(a) Which was not advertised in compliance with the amendatory provisions of this act;

(b) For which bids were not accepted in compliance with the amendatory provisions of this act; or

(c) For which the contract was not awarded in compliance with the amendatory provisions of this act,

➥ is void.

3. As used in this section, "contract" and "public work" have the meanings ascribed to them in NRS 338.010.

Sec. 18. This act becomes effective upon passage and approval.

ASSEMBLY PROCEEDINGS 2491

THE SEVENTY-NINTH DAY

CARSON CITY (Tuesday), April 26, 2011

Assembly called to order at 12 noon.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Albert Tilstra.

We thank You, Lord, that there is no weather in heaven. Let not the cold of this day get into our hearts or minds. May we be warm and cheerful, secure in the knowledge that You are still here, that no clouds can blot You out, no rain or sleet or snow drive You away.

As winter is still blowing her icy breath along the city's streets, our love goes out to all who need encouragement, to all who lack food and clothing, to all who are cold and cheerless, to all who long for home and friendship.

Help us, in our blessedness, to be more willing to share the good things of life. Give us generosity and concern for others that shall mark us as Your followers.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

The Commissioner must be notified ***in writing*** of a transfer of ~~[5]~~ ***10*** percent or more of the outstanding voting stock of a mortgage broker ***at least 15 days before such a transfer*** and must approve a transfer of voting stock of a mortgage broker which constitutes a change of control.

3. The person who acquires stock resulting in a change of control of the mortgage broker shall apply to the Commissioner for approval of the transfer. The application must contain information which shows that the requirements of this chapter ***and the Registry, if applicable,*** for obtaining a license will be satisfied after the change of control. Except as otherwise provided in subsection 4, the Commissioner shall conduct an investigation to determine whether those requirements will be satisfied. If, after the investigation, the Commissioner denies the application, the Commissioner may forbid the applicant from participating in the business of the mortgage broker.

4. A mortgage broker may submit a written request to the Commissioner to waive an investigation pursuant to subsection 3. Sec. 55. NRS 645B.165 is hereby amended to read as follows:

645B.165 1. Advance payments to cover reasonably estimated costs paid to third persons are excluded from the provisions of subsections 1 and 2 if the person making them first signs a written agreement which specifies the estimated costs by item and the estimated aggregate cost, and which recites that money advanced for costs will not be refunded. If an itemized service is not performed and the estimated cost thereof is not refunded, the recipient of the advance payment is subject to the penalties provided in NRS 645B.960.

Sec. 56. NRS 645B.170 is hereby amended to read as follows:

645B.170 1. Such money, when deposited, is to be designated as an "impound trust account" or under some other appropriate name indicating that the accounts are not the money of the mortgage broker.

2. The mortgage broker has a fiduciary duty to each debtor with respect to the money in an impound trust account.

(2) That the debtor may specify the disposition of the excess money within 20 days after receipt of the notice. If the debtor fails to specify such a disposition within that time, the mortgage broker shall maintain the excess money in the account.

➥ This subsection does not prohibit a mortgage broker from requiring additional amounts to be paid into an impound trust account to recover a deficiency that exists in the account.

6. A mortgage broker shall not make payments from an impound trust account in a manner that causes a policy of insurance to be cancelled or causes property taxes or similar payments to become delinquent.

Assembly Bill No. 115.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 130.

AN ACT relating to water; revising provisions governing the approval or rejection by the State Engineer of an application to appropriate water for beneficial use; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, any person who wishes to appropriate water for beneficial use in Nevada, or change the place of diversion, manner of use or place of use of water already appropriated, is required to first apply to the State Engineer for a permit to do so. (NRS 533.325) Any interested person may file a written protest against the granting of such a permit with the State Engineer. (NRS 533.365) For most applications, the State Engineer is required to approve or reject the application within 1 year after the final date for filing a protest. However, the State Engineer is authorized to postpone taking action on applications for certain specified reasons. (NRS 533.370)

This bill increases the period in which the State Engineer is required to approve or reject an application to 2 years, unless action is postponed on the application. If the State Engineer has not ~~[postponed action on the application and does not take action on]~~ **approved or rejected** the application within ~~[2 years after the final day for filing a protest, the State Engineer is required to cause republication of notice of the application on the Internet website of the State Engineer for 30 days after the expiration of the 2-year period and protests are authorized to be filed against the granting of the application.]~~ **the 2-year period, the application remains active.** If the State Engineer has ~~[postponed action on the application and does not take action on]~~ **not approved or rejected or held a hearing on** the application within 7 years after the final day for filing a protest, the State Engineer is required to cause notice of the action to be republished in a newspaper and protests are authorized to be filed in the typical manner. ~~[Also under this bill, if two or more applications are made to appropriate water from the same basin, and if action is postponed on the application that is made first, the State Engineer is authorized to act on any later application only after determining that water is available in the basin in an amount in excess of the amount requested in the postponed application.]~~ This bill makes other conforming changes to carry out the revisions to the process for approving or rejecting applications.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 533.360 is hereby amended to read as follows:

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ the applicant shall mail a copy of the notice of application to each owner of real property containing a domestic well that is within 2,500 feet of the proposed well, to the owner's address as shown in the latest records of the county assessor. If there are not more than six such wells, notices must be sent to each owner by certified mail, return receipt requested. If there are more than six such wells, at least six notices must be sent to owners by certified mail, return receipt requested. 2. On receipt of a protest, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with the State Engineer, which advice must be sent by certified mail.

3. 4. Each applicant and each protestant shall, in accordance with a schedule established by the State Engineer, provide to the State Engineer and to each protestant and each applicant information required by the State Engineer relating to the application or protest.

5. If the State Engineer holds a hearing pursuant to subsection 3, the State Engineer shall render a decision on each application not later than 240 days after the later of:

(a) The date all transcripts of the hearing become available to the State Engineer; or

(b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.

6. The State Engineer shall adopt rules of practice regarding the conduct of a hearing held pursuant to subsection 3. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

~~[7. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.]~~

Sec. 3. NRS 533.370 is hereby amended to read as follows:

Amendment No. 508.

AN ACT relating to energy; authorizing the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the governing body of a city or county: (1) may enact zoning regulations and restrictions to promote the health, safety, morals or general welfare of the community; (2) is prohibited from adopting an ordinance or taking any other action which unreasonably prohibits or restricts an owner of real property from using a system for obtaining solar or wind energy on his or her property; (3) may impose a reasonable restriction on the use of a system for obtaining wind energy which is related to the height, noise or safety of the system; and (4) is required to authorize the use of a system which uses solar or wind energy to reduce energy costs for a structure if the system and structure comply with all applicable building codes and zoning ordinances. (NRS 278.020, 278.02077, 278.0208, 278.580) The governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining solar or wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the solar or wind energy system unless the restriction provides for the use of a comparable alternative system. (NRS 278.02077, 278.0208) **Section 1** of this bill provides that, in addition to reasonable restrictions relating to height, noise or safety, reasonable restrictions on the use of a system for obtaining wind energy may include restrictions relating to **setback,** location and appearance, and **section 2** of this bill authorizes the imposition of reasonable restrictions relating to the appearance, height, location, noise**,** ~~[or]~~ safety **or setback** of a system for obtaining solar energy. **Additionally, sections 1 and 2 require a governing body to adopt an ordinance that: (1) requires the owner of a residential lot to obtain a special use permit or conditional use permit for a wind or solar energy system; and (2) provides affected property owners with notice and an opportunity to be heard.**

WHEREAS, Nevada has significant amounts of solar and wind resources available for use in the production of clean, renewable sources of energy; and

WHEREAS, It has been a stated goal of the Nevada Legislature to encourage the availability of these solar and wind resources for use by the residents of this State; and

WHEREAS, Local governments have traditionally been authorized to enact zoning and land use regulations and restrictions to promote the health, safety, morals and general welfare of their communities; and

WHEREAS, It is the intent of the Nevada Legislature to encourage local governments to balance the use of clean, renewable sources of energy with

the promotion of the health, safety, morals and general welfare of their communities; now, therefore

Assembly Bill No. 223.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 373.

AN ACT relating to civil actions; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment; providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) **Section 3** of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor. **Section 3** further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. **Section 4** of this bill provides that notwithstanding the provisions of **section 3**, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

Section 7 of this bill ~~[revises the exemptions from execution so that the exemption for certain plans and accounts for deferred payments applies not only to the money that is held in the account, but also to the proceeds paid from those accounts. Section 7 also lists]~~ **provides** additional exemptions **from execution** which are provided by Nevada law.

Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 6 and 10** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in **section 8**. **Sections 6 and 10** further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 3**.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in **section 8**.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the bank which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. ***1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.***

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. ***1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.***

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 6. NRS 21.075 is hereby amended to read as follows:

21.075 1. Execution on the writ of execution by levying on the property of the judgment debtor may occur only if the sheriff serves the judgment debtor with a notice of the writ of execution pursuant to NRS 21.076 and a copy of the writ. The notice must describe the types of property exempt from execution and explain the procedure for claiming those exemptions in the manner required in subsection 2. TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 392.

AN ACT relating to peace officers; ~~[requiring a law enforcement agency to release a peace officer from his or her regular working hours to attend certain hearings and administrative proceedings under certain circumstances;]~~ **revising the circumstances under which a law enforcement agency is prohibited from suspending a peace officer without pay during an investigation; authorizing a representative of a peace officer to attend an interview with the peace officer under certain circumstances;** requiring a law enforcement agency to ~~[compensate]~~ **revise** a peace ~~[officer]~~ **officer's**

work schedule for attending certain hearings and administrative proceedings; ~~[providing a civil penalty for certain violations of the rights of a peace officer;]~~ **prohibiting the use in a criminal proceeding of a statement or answer of a peace officer obtained during an investigation under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[It]~~ **Existing law authorizes a law enforcement agency to conduct an investigation of a peace officer in response to a complaint or allegation that the peace officer has engaged in activities which may result in punitive action. Existing law prohibits the law enforcement agency from suspending the peace officer without pay during the investigation until all investigations relating to the matter have concluded. (NRS 289.057) Section 1 of this bill prohibits the law enforcement agency from suspending the peace officer without pay except as otherwise provided in a collective bargaining agreement.**

Existing law requires a law enforcement agency to notify a peace officer not later than 48 hours before conducting any interrogation or hearing relating to an investigation of the peace officer. (NRS 289.060) Section 1.5 of this bill imposes additional requirements by requiring the law enforcement agency to provide a written notice to any other peace officer the law enforcement agency believes has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation. The written notice must advise the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. Section 1.5 also limits the use of certain evidence discovered during the course of an investigation or hearing and prohibits the use of certain statements or answers made by a peace officer in any subsequent criminal proceeding.

Finally, existing law provides that, if a peace officer is the subject of an investigation of alleged misconduct, ~~[existing law provides that]~~ a law enforcement agency must interrogate the peace officer during his or her regular working hours, if practical, or compensate the peace officer for his or her time based on the peace officer's wages, if no charges arise from the interrogation. (NRS 289.060) **Section** ~~[1 of this bill requires instead that any time a peace officer is required to attend any interrogation, hearing or administrative proceeding concerning the peace officer, such interrogation, hearing or administrative proceeding must be held during the peace officer's regular working hours, or the peace officer must be released from his or her regular working hours the day before the interrogation, hearing or administrative proceeding and must be compensated for the day of the interrogation, hearing or administrative proceeding at his or her regular wages.~~

~~Existing law provides that, if prejudicial evidence is obtained in violation of a peace officer's rights during an investigation of the peace officer which~~

~~could result in punitive action, that evidence is inadmissible in any administrative proceeding or civil action against the peace officer. (NRS 289.085) Section 2 of this bill provides that, in addition to the exclusion of the evidence, a person who violates a peace officer's rights intentionally, knowingly or willfully in such an investigation is liable to the peace officer for a civil penalty of not more than $5,000, plus reasonable attorney's fees and costs.~~ **1.5 of this bill deletes the requirement for the payment of compensation to the peace officer and instead requires the law enforcement agency to revise the peace officer's work schedule to allow any time that is required for the interrogation to be deemed a part of the peace officer's regular working hours. If the law enforcement agency does not interrogate the peace officer during his or her regular working hours and the peace officer receives a notice to appear for an interrogation at a time that he or she is off duty, section 1.5 requires the peace officer to be compensated for appearing at the interrogation based on his or her wages and any other benefits he or she is entitled to receive.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 289.057 is hereby amended to read as follows:**

289.057 1. An investigation of a peace officer may be conducted in response to a complaint or allegation that the peace officer has engaged in activities which could result in punitive action.

2. ~~[A]~~ ***Except as otherwise provided in a collective bargaining agreement, a*** law enforcement agency shall not suspend a peace officer without pay during or pursuant to an investigation conducted pursuant to this section until all investigations relating to the matter have concluded.

3. After the conclusion of the investigation:

(a) If the investigation causes a law enforcement agency to impose punitive action against the peace officer who was the subject of the investigation and the peace officer has received notice of the imposition of the punitive action, the peace officer or a representative authorized by the peace officer may, except as otherwise prohibited by federal or state law, review any administrative or investigative file maintained by the law enforcement agency relating to the investigation, including any recordings, notes, transcripts of interviews and documents.

(b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

~~[Section 1.]~~ ***Sec. 1.5*** NRS 289.060 is hereby amended to read as follows:

Any peace officer who serves as a witness during an interview must be allowed a reasonable opportunity to arrange for a representative chosen by the peace officer to attend the interview with the peace officer. Such a representative must not include the peace officer who is the subject of the investigation or any other witness who the law enforcement agency believes may have knowledge of any fact relating to the investigation. Any such time must be calculated based on the peace officer's regular wages for his or her regularly scheduled working hours. If the peace officer is not interrogated during his or her regular working hours or if his or her work schedule is not revised pursuant to this paragraph and the law enforcement agency notifies the peace officer to appear at a time when he or she is off duty, the peace officer must be compensated for appearing at the interrogation based***

on the wages and any other benefits the peace officer is entitled to receive for appearing at the time set forth in the notice.

(b) Immediately before ~~[the]~~ ***any*** interrogation or hearing begins, inform the peace officer orally on the record that:

(1) The peace officer is required to provide a statement and answer questions related to the peace officer's alleged misconduct; and

(2) If the peace officer fails to provide such a statement or to answer any such questions, the agency may charge the peace officer with insubordination.

(c) ~~*[(b)]*~~ Limit the scope of the questions during the interrogation or hearing to the alleged misconduct of the peace officer. ***If any evidence is discovered during the course of an investigation or hearing which establishes or may establish any other possible misconduct engaged in by the peace officer, the law enforcement agency shall notify the peace officer of that fact and shall not conduct any further interrogation of the peace officer concerning the possible misconduct until a subsequent notice of that evidence and possible misconduct is provided to the peace officer pursuant to this chapter.***

(d) ~~*[(c)]*~~ Allow the peace officer to explain an answer or refute a negative implication which results from questioning during an interrogation or hearing.

Sec. 2. ~~[NRS 289.085 is hereby amended to read as follows:~~

4. The chief of the using agency, the Chief of the Purchasing Division or the committee, if a committee is established, shall determine the relative weight of each factor set forth in subsection 3 before a request for proposals is advertised. Assembly Bill No. 388.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 532.

AN ACT relating to real property; ~~[requiring the disclosure form required to be provided by the seller of residential property to include only certain~~

~~information related to the residential property; prohibiting the unit-owners' association of a common-interest community from charging a unit's owner any costs of collecting a past due obligation other than costs related to the recording of certain documents; revising provisions governing the foreclosure of an association's lien based on a fine or penalty for a violation of the governing documents of the common-interest community;~~ **revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil remedies for failure to comply with certain provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the seller of residential property to serve on the purchaser or the purchaser's agent a completed disclosure form regarding the residential property. (NRS 113.130) Section 1 of this bill requires the disclosure to include only information related to the residential property and the homeowners' association for the residential property, if any.~~

~~Existing law authorizes the unit-owners' association of a common-interest community to charge reasonable fees to cover the costs of collecting a past due financial obligation owed by a unit's owner and requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the amount of those fees. (NRS 116.310313) Section 2 of this bill prohibits an association from charging any costs of collecting a past due financial obligation to a unit's owner other than certain recording fees.~~

~~Existing law prohibits the unit-owners' association of a common-interest community from foreclosing on a unit based on an unpaid fine or penalty for a violation of the governing documents unless: (1) the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community; or (2) the penalty was imposed for failure to adhere to a construction schedule. (NRS 116.31162) Section 3 of this bill removes the exceptions to the power to foreclose on a unit based on an unpaid fine so that the association is prohibited from foreclosing on a unit based on any unpaid fine or penalty for a violation of the governing documents.]~~

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Sections 4-22 of this bill establish additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Senate Bill No. 729 of the current session of the California Legislature, as amended. Section 23 of this bill provides that these additional restrictions apply only to a notice of default and election to sell which is recorded on or after July 1, 2011.

Section 13 prohibits the recording of a notice of default and election to sell unless reasonable and good faith efforts have been made to evaluate the borrower for all available alternatives to the exercise of the trustee's power of sale. Section 14 prohibits the recording of a notice of default and election to sell until the trustee, beneficiary or authorized agent complies with certain requirements regarding contact with, or attempts to contact, the borrower. Under section 15, if an eligible borrower requests, either orally or in writing, a loan modification, a notice of default and election to sell may not be recorded unless the borrower's application has been reviewed in good faith and a decision has been rendered on that application. Sections 17 and 19 require a declaration of compliance to be recorded with the notice of default and election to sell and section 17 provides a form for that declaration. Section 18: (1) authorizes a borrower to bring a civil action to enjoin a trustee's sale, to void a trustee's sale and to recover a specified amount of damages and reasonable attorney's fee and costs under certain circumstances; (2) authorizes the Attorney General to obtain civil penalties for violations of the provisions of this bill; and (3) provides that a violation of the provisions of this bill by a person which is licensed in this State is deemed to be a violation of the law governing that license.

Additionally, section 19: (1) requires a life-of-loan accounting containing certain information to be included with the copy of the notice of default and election to sell which is mailed to the borrower; and (2) prohibits the recording of a notice of sale if the borrower has entered into a contract to sell the property which has been approved by the lender or the borrower has requested approval of such a contract but the lender has not yet approved or disapproved the sale.

Sec. 13. 1. A trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 unless the trustee, beneficiary or authorized agent makes reasonable and good faith efforts to evaluate the borrower for all available loss mitigation options to avoid foreclosure.

2. This section must not be construed to require a trustee, beneficiary or authorized agent to act in a manner inconsistent with the terms of any applicable contract for the servicing of the loan at issue.

Sec. 14. 1. Except as otherwise provided in this section, a trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 until:

5. Subject to the requirements of section 15 of this act and except as otherwise provided in subsection 6, even if the beneficiary or its authorized agent has not contacted the borrower as required by subsection 2, a notice of default may be recorded pursuant to subsection 3 of NRS 107.080 if the beneficiary or its authorized agent has taken all the following actions:

(b) After mailing the letter required by paragraph (a), the beneficiary or its authorized agent has attempted to contact the borrower by telephone at least 3 times at different hours and on different days. Telephone calls made pursuant to this paragraph must be made to the primary telephone number of the borrower which is on file with the beneficiary. The beneficiary or its authorized agent satisfies the requirements of this paragraph if it determines, after attempting contact pursuant to this paragraph, that the primary telephone number of the borrower on file and any secondary telephone numbers on file have been disconnected.

(c) If the borrower does not respond within 2 weeks after the beneficiary or its authorized agent has satisfied the requirements of paragraph (b), the beneficiary or its authorized agent has mailed to the borrower, by registered or certified mail, return receipt requested and with postage prepaid, a letter which includes the information required by paragraph (a).

Sec. 15. 1. Except as otherwise provided in this section, if an eligible borrower requests an application for a loan modification, either orally or in writing, not later than 90 days after the date on which the obligation became delinquent or not later than 45 days after the beneficiary or its authorized agent makes initial contact with the borrower pursuant to section 14 of this act, whichever is later, the trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 unless and until it has, in good faith, reviewed the application, rendered a decision on the application and sent the borrower a denial explanation letter as required by section 16 of this act.

2. If a borrower requests a loan modification, either orally or in writing, by the deadline described in subsection 1, but does not initially submit all the documentation or information the beneficiary or its authorized agent requires to consider the borrower for a loan modification, the beneficiary or its authorized agent shall provide the borrower with a written notice that:

(a) Lists any supplemental documentation or information required; and

(b) Includes the deadline for providing that documentation or information, which must not be earlier than 30 calendar days from the date on which the borrower receives the notice.

3. Except as otherwise provided in this subsection, if a borrower requests a loan modification, either orally or in writing, within 15 days after receiving a copy of the notice of default and election to sell as required by subsection 3 of NRS 107.080 and submits a completed application for a loan modification within 15 days after receiving application instructions from the mortgage servicer or any other application deadline communicated in writing by the mortgage servicer, whichever is later, the trustee, beneficiary or authorized agent shall not record a notice of sale pursuant to subsection 5 of NRS 107.080 until at least 10 business days after it has, in good faith, reviewed the application, rendered a decision on the application and sent the borrower a denial explanation letter in accordance with section 16 of this act. This subsection does not apply if a borrower applied for a loan modification before the notice of default and election to sell was recorded pursuant to subsection 3 of NRS 107.080 and the trustee, beneficiary or authorized agent satisfied the requirements of sections 16 and 17 of this act.

4. If the mortgage servicer has signed a Making Home Affordable Servicer Participation Agreement with the Federal National Mortgage Association or is otherwise required to review the borrower's loan under the guidelines of the federal Making Home Affordable Modification Program, compliance with applicable rules of that program regarding deadlines and timeframes for the borrower to submit and complete an application for a loan modification satisfy the requirements of this section while that program remains in effect.

5. The provisions of this section must not be construed:

(a) To require a mortgage servicer to perform services in a manner inconsistent with the terms of any applicable contract for the servicing of the loan at issue.

(b) To diminish in any way the obligations of a trustee, beneficiary or authorized agent that has signed a Making Home Affordable Servicer Participation Agreement with the Federal National Mortgage Association or is otherwise required to review a loan under the guidelines of the federal Making Home Affordable Modification Program.

6. The requirements of this section do not apply if:

(a) The borrower has surrendered the property as evidenced by either a letter confirming the surrender or delivery of the keys to the property to the trustee, beneficiary or authorized agent; or

(b) The beneficiary or its authorized agent does not offer any loan modifications.

Sec. 16. 1. If a borrower who requests a loan modification, either orally or in writing, is denied either a permanent loan modification or a trial period plan through the federal Making Home Affordable

Modification Program, the beneficiary or its authorized agent shall mail to the borrower by certified mail, not later than 10 business days following the denial, a denial explanation letter that states the reason or reasons for the denial.

2. If an application for a loan modification is denied because the borrower failed to provide all required documents or information by the applicable deadline set forth in subsection 2 of section 15 of this act, the denial explanation letter mailed pursuant to subsection 1 must:

(a) Indicate the deadline for the submission of the documents or information;

(b) List the documents or information that were not provided; and

(c) State that the application for a loan modification was denied for that reason.

3. If the borrower submits all required written application materials for a loan modification by the applicable deadline as set forth in subsection 2 or 3 of section 15 of this act and the application is denied, the denial explanation letter must include:

(a) The date on which the beneficiary or its authorized agent received the final materials required to complete its review of the borrower's application for a loan modification.

(b) The date on which the beneficiary or its authorized agent made the decision to deny the borrower's application for a loan modification.

(c) If the beneficiary or its authorized agent was required to consider the borrower for a loan modification under the guidelines of the federal Making Home Affordable Modification Program, the information required to be provided in the borrower notice described in the most current version of the Making Home Affordable Program Handbook for Servicers of Non-GSE Mortgages and any subsequent amendments thereto.

(d) The reason or reasons the borrower did not qualify for a loan modification, including, as applicable:

(1) If the denial is based on any investor guideline or restriction on loan modifications, a description of the guideline or restriction that resulted in the denial with a copy of the applicable provision in the pooling and servicing agreement or other controlling document evidencing that guideline or restriction;

(2) If the denial is based on the borrower's income or expenses, the income and expense figures used to determine the borrower's qualification for a loan modification, including, without limitation, the borrower's gross and net monthly income, property taxes and hazard insurance premiums;

(3) If the denial is based on a determination that the net present value of the income stream expected from the modified loan is not greater than the net present value of the income stream that is expected from the loan without modification, all the inputs, assumptions and calculations used to make that determination; and

(4) If applicable, a finding that the borrower was previously offered a loan modification but failed to successfully make payments under the terms of the loan modification.

(e) The name and contact information of the holder of the note for the borrower's loan.

(f) A description of alternatives to avoid the exercise of the trustee's sale other than a loan modification for which the borrower may be eligible, if any, including, without limitation, other loan modification programs, a short sale, a deed in lieu of a trustee's sale or a forbearance, and a list of the steps the borrower must take to be considered for those options. If the borrower has already been approved for another alternative to the exercise of the trustee's sale, information necessary to participate in or complete the alternative should be included.

(g) Contact information which the borrower may use to reach the beneficiary or its authorized agent to discuss the reasons for the denial of the loan modification.

4. If a borrower is denied a loan modification and the beneficiary or its authorized agent sends a denial explanation letter pursuant to this section, the trustee, beneficiary or authorized agent may record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 even if the borrower initiates a dispute relating to the denial and the dispute has not yet been resolved.

Sec. 17. 1. After satisfying the requirements of sections 15 and 16 of this act, as applicable, a mortgage servicer shall take the following action to initiate the process of exercising the trustee's power of sale pursuant to NRS 107.080:

(a) Compile in one place a record demonstrating that the initial contact required by subsection 2 of section 14 of this act has occurred or the requirements of subsection 5 of section 14 of this act have been satisfied. The record must:

(1) Include the dates and times of, and addresses and telephone numbers used for, the contact or attempted contacts with the borrower, as well as a record of the good faith efforts undertaken pursuant to sections 13 and 15 of this act; and

(2) After the recording of a notice of default and election to sell pursuant to subsection 3 of NRS 107.080, be made available to the borrower within 10 business days after a written request for the record by the borrower; and

(b) Transmit to the trustee or its authorized agent a declaration of compliance that is signed on behalf of the mortgage servicer by a natural person having personal knowledge of the facts stated in the declaration, or by a natural person with authority to bind the mortgage servicer, who certifies that the declaration is based on records which were made in the regular course of business at or near the time of the events recorded. The declaration of compliance must be included as part of, or attached to, every

notice of default and election to sell which is recorded pursuant to subsection 3 of NRS 107.080. A notice of default and election to sell which does not include the declaration of compliance described in this paragraph is void.

NOTICE TO TENANTS OF THE PROPERTY

Foreclosure proceedings against this property have started, and a notice of sale of the property to the highest bidder has been issued.

You may either: (1) terminate your lease or rental agreement and move out; or (2) remain and possibly be subject to eviction proceedings under chapter 40 of the Nevada Revised Statutes. Any subtenants may also be subject to eviction proceedings.

Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.

After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

Under the Nevada Revised Statutes eviction proceedings may begin against you after you have been given a notice to quit.

If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

(1) Delivering a copy to you personally in the presence of a witness;

(2) If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business; or

(3) If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property, delivering a copy to a person residing there, if a person can be found, and mailing a copy to you at the place where the leased property is.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

(1) You will be given at least 10 days to answer a summons and complaint;

(2) If you do not file an answer, an order evicting you by default may be obtained against you;

(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. As used in this section, "residential foreclosure" has the meaning ascribed to it in NRS 107.080.

(1) Is to be used for acquiring property or removing or remediating hazardous substances on property; and

(2) Is secured by the property that is to be acquired or on which is located the hazardous substances that are to be removed or remediated.

Sec. 23. **The amendatory provisions of sections 4 to 22, inclusive, of this act apply only with respect to trust agreements which concern owner-occupied housing, as defined in NRS 107.086, for which a notice of default is recorded on or after July 1, 2011.**

Assembly Bill No. 394.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 449.

AN ACT relating to common-interest communities; revising provisions governing the collection of past due financial obligations in common-interest communities; establishing limits on the amount which may be charged to a unit's owner to cover the costs of collecting a past due financial obligation; revising provisions governing an association's lien for assessments; revising provisions governing the foreclosure of an association's lien by sale; revising provisions governing the manner of collecting debts owed to an association; establishing a limit on the amount of the fee which may be charged to a unit's owner to record a transfer of the unit in the records of the association; revising various provisions relating to common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain restrictions on the actions of an association of a common-interest community with respect to regulating the use of a unit by a unit's owner. (NRS 116.2111) **Section 3** of this bill prohibits an association from prohibiting or unreasonably restricting a unit's owner from installing and using a clothesline within the boundaries of his or her unit.

Existing law requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the amount of the fees that may be charged to a unit's owner to cover the costs of collecting a past due financial obligation owed to an association of a common-interest community. (NRS 116.310313) **Section 1 of this bill revises the definition of "costs of collecting" so that: (1) attorney's fees incurred by an**

association because a unit's owner has filed a bankruptcy petition are not subject to the restrictions on fees to cover the costs of collecting a past due obligation; and (2) other attorney's fees incurred by an association in collecting a past due obligation are subject to those restrictions. **Section 5** of this bill prohibits the association from charging a unit's owner the costs of collecting a past due obligation unless two-thirds of the total number of voting members of the association approve a collection policy for the association. **Section 5** requires the collection policy to establish the rates for the costs of collecting a past due obligation and establishes limits on the ~~[amount a unit's owner may be]~~ **fees** charged **to a unit's owner** to cover the costs of collecting such obligations**.** ~~[, which are based on the amount of the outstanding balance of the past due obligation.]~~ In addition, **section 5** establishes limits on the amount of the fee charged to a unit's owner to transfer an account for collection and to change the name of the unit's owner on such an account.

Under existing law, the association has a lien for certain amounts due the association. This lien is prior to the lien of a first security interest on the unit to the extent of charges incurred by the association to maintain certain units which are being foreclosed and to the extent of a specified number of months of assessments. (NRS 116.3116) **Section 8** of this bill provides that if the title to the unit is acquired at a foreclosure sale or trustee's sale and the mortgage on the unit was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines of the federal entity which insured the debt.

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) **Sections 9 and 10** of this bill revise provisions governing such foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; (2) foreclosing its lien by sale unless the executive board of the association authorizes the foreclosure in an executive session after providing notice of the meeting to a unit's owner; and (3) selling the unit and charging any costs of collecting to a unit's owner if the sale does not occur within 120 days after the association mails the notice of default and election to sell to the unit's owner.

Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109) **Section 11** of this bill establishes a limit of not more than $50 on a fee charged to a unit's owner to record the transfer of a unit in the records of the association or its community manager.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any

regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Because the Fair Debt Collection Practices Act applies to consumer debts owed by natural persons, it does not apply when a collection agency collects any debt owed by an entity. (15 U.S.C. §§ 1692 et seq.) **Section 12** of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit's owner is deemed to violate existing state law relating to collection agencies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

"Costs of collecting" includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a notice of default and election to sell or notice of foreclosure sale or a rescission thereof, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association ~~*[charges a unit's owner]*~~ ***incurs for the investigation, enforcement or collection of a past due obligation. The term does not include*** ~~*[any costs]*~~ ***attorney's fees incurred by an association*** ~~*[if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.]*~~ ***because the unit's owner has filed a bankruptcy petition pursuant to Title 11 of the United States Code.***

Sec. 2. NRS 116.003 is hereby amended to read as follows:

116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, ***and section 1 of this act*** have the meanings ascribed to them in those sections.

Sec. 3. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit's owner:

(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:

(a) Unreasonably restrict, prohibit or otherwise impede the lawful rights of a unit's owner to have reasonable access to his or her unit.

(b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit's owner or a tenant of a unit's owner or for any visitor to the common-interest community or invitee of a unit's owner or a tenant of a unit's owner to enter the common-interest community.

(c) Unreasonably restrict, prohibit or withhold approval for a unit's owner to add to a unit:

(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;

(2) Additional locks to improve the security of the unit;

(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or

(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.

(d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.

(e) Prohibit or unreasonably restrict a unit's owner from installing and using a clothesline within the boundaries of his or her unit.

3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit's owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:

(a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and

(b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit's owner adds shutters pursuant to subsection 4, the unit's owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a

policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:

(a) In existence on July 1, 2009; or

(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.

7. A unit's owner may not add to the unit a system that uses wind energy as described in subparagraph (4) of paragraph (c) of subsection 2 unless the unit's owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 4. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(3) Results in blighting or deterioration of the unit or surrounding area; and

(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without

limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. ~~[Except as otherwise provided in this subsection,]~~ ***Subject to the limitations provided in NRS 116.3116,*** a lien described in subsection 4 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. ~~[If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.]~~

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

(a) "Exterior of the unit" includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.

(b) "Vacant" means a unit:

(1) Which reasonably appears to be unoccupied;

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit's owner or his or her authorized agent, the association shall furnish all of the following to the unit's owner or his or her authorized agent for inclusion in the resale package:

(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and

(b) A certificate containing the information necessary to enable the unit's owner to comply with paragraphs (b), (d) and (e) of subsection 1.

4. If the association furnishes the documents and certificate pursuant to subsection 3:

(a) The unit's owner or his or her authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit's owner nor his or her authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.

(c) The association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Upon the request of a unit's owner or his or her authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

7. An association or a community manager may not charge a unit's owner, and may not require a unit's owner to pay, a fee of more than $50 to cover the cost of recording in the books and records of the association or community manager the transfer of the ownership of the unit.

Sec. 12. NRS 649.370 is hereby amended to read as follows:

649.370 ***1.*** A violation of any provision of the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ ~~[1682]~~ ***1692*** et seq., or any regulation adopted pursuant thereto, shall be deemed to be a violation of this chapter.

Sec. 13. The amendatory provisions of sections 9 and 10 of this act apply only if a notice of default and election to sell is recorded pursuant to NRS 116.31162 on or after July 1, 2011.

Assemblyman Ohrenschall moved the adoption of the amendment.

Amendment adopted.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 478.

AN ACT relating to common-interest communities; revising provisions governing the collection of past due financial obligations in common-interest communities; establishing limits on the amount which may be charged to a unit's owner to cover the costs of collecting a past due financial obligation; revising provisions governing an association's lien for assessments; revising provisions governing the foreclosure of an association's lien by sale; revising provisions governing the manner of collecting debts owed to an association; establishing a limit on the amount of the fee which may be charged to a unit's owner to record a transfer of the unit in the records of the association; revising various provisions relating to common-interest communities; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain restrictions on the actions of an association of a common-interest community with respect to regulating the use of a unit by a unit's owner. (NRS 116.2111) **Section 3** of this bill prohibits an association from prohibiting or unreasonably restricting a unit's owner from installing and using a clothesline within the boundaries of his or her unit.

Existing law requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the amount of the fees that may be charged to a unit's owner to cover the costs of collecting a past due financial obligation owed to an association of a common-interest community. (NRS 116.310313) **Section 5** of this bill prohibits the association from charging a unit's owner the costs of collecting a past due obligation unless ~~[two-thirds of the total number of voting members of the association]~~ **a majority of the units' owners who cast votes** approve a collection policy for the association. **Section 5 also: (1)** requires the collection policy to ~~[establish the rates for]~~ **include a list or schedule of the maximum amount of each fee, cost, charge or other amount which may be charged to a unit's owner to cover** the costs of collecting a past due obligation **;** and **(2)** establishes limits on the amount a unit's owner may be charged to cover the costs of collecting such obligations, which are based on the amount of the outstanding balance of the past due obligation. In addition,

section 5 : (1) prohibits an association from transferring to another person, other than an officer or employee of the association or its community manager, the collection activity with respect to a fine for a violation of the governing documents; and (2) establishes limits on the amount of the fee charged to a unit's owner to transfer an account for collection and to change the name of the unit's owner on such an account.

Under existing law, the association has a lien for certain amounts due the association. This lien is prior to the lien of a first security interest on the unit to the extent of charges incurred by the association to maintain certain units which are being foreclosed and to the extent of a specified number of months of assessments. (NRS 116.3116) **Section 8** of this bill provides that if the title to the unit is acquired at a foreclosure sale or trustee's sale and the mortgage on the unit was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines of the federal entity which insured the debt.

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) **[**~~Sections~~**]** **Section 9** **[**~~and 10~~**]** of this bill **[**~~revise~~**]** **revises** provisions governing such foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; **and** (2) foreclosing its lien by sale unless the executive board of the association **[**~~authorizes~~**]** **votes to authorize** the foreclosure **. [**~~in an executive session after providing notice of the meeting to a unit's owner; and (3) selling the unit and charging any costs of collecting to a unit's owner if the sale does not occur within 120 days after the association mails the notice of default and election to sell to the unit's owner.~~**]**

Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109) **Section 11** of this bill establishes a limit of not more than $50 on a fee charged to a unit's owner to record the transfer of a unit in the records of the association or its community manager.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Because the Fair Debt Collection Practices Act applies to consumer debts owed by natural persons, it does not apply when a collection agency collects any debt owed by an entity. (15 U.S.C. §§ 1692 et seq.) **Section 12** of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit's owner is deemed to violate existing state law relating to collection agencies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

"Costs of collecting" includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a notice of default and election to sell or notice of foreclosure sale or a rescission thereof, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit's owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.

Sec. 2. NRS 116.003 is hereby amended to read as follows:

116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, ***and section 1 of this act*** have the meanings ascribed to them in those sections.

Sec. 3. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit's owner:

(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:

(a) Unreasonably restrict, prohibit or otherwise impede the lawful rights of a unit's owner to have reasonable access to his or her unit.

(b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit's owner or a tenant of a unit's owner or for any visitor to the common-interest community or invitee of a unit's owner or a tenant of a unit's owner to enter the common-interest community.

(c) Unreasonably restrict, prohibit or withhold approval for a unit's owner to add to a unit:

(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;

(2) Additional locks to improve the security of the unit;

(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or

(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.

(d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.

(e) Prohibit or unreasonably restrict a unit's owner from installing and using a clothesline within the boundaries of his or her unit.

3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit's owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:

(a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and

(b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit's owner adds shutters pursuant to subsection 4, the unit's owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:

(a) In existence on July 1, 2009; or

(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.

7. A unit's owner may not add to the unit a system that uses wind energy as described in subparagraph (4) of paragraph (c) of subsection 2 unless the unit's owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 4. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(3) Results in blighting or deterioration of the unit or surrounding area; and

(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. ~~[Except as otherwise provided in this subsection,]~~ ***Subject to the limitations provided in NRS 116.3116,*** a lien described in subsection 4 is

prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. ~~[If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.]~~

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

(a) "Exterior of the unit" includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.

(b) "Vacant" means a unit:

(1) Which reasonably appears to be unoccupied;

(2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and

(3) On which the owner has failed to pay assessments for more than 60 days.

Sec. 5. NRS 116.310313 is hereby amended to read as follows:

116.310313 1. An association may ***not*** charge a unit's owner ~~[reasonable fees to cover]~~ the costs of collecting any past due obligation ~~[. The Commission shall adopt regulations establishing the amount of the fees that an association may charge pursuant to this section.]~~ ***unless:***

(a) The executive board proposes a collection policy which includes, without limitation:

(2) The association's rights concerning the collection of an obligation if the unit's owner fails to pay the obligation in a timely manner; and

(3) ~~*[The rate established by the association for]*~~ ***A list or schedule of the maximum amount of each fee, cost, charge or other amount which may be charged to a unit's owner to cover the costs of collecting a past due obligation; and***

(e) May not exceed $500, if the outstanding balance is $5,000 or more.

3. The rate established by the association for the costs of collecting a past due obligation must provide that, during any 24-month period, the association may not charge a unit's owner the costs of collecting a past due obligation in an amount which exceeds $600 per unit.

4. An association may not transfer an account for the collection of a past due fine for a violation of the governing documents to any person other than an officer or employee of the association or the community manager. If an association transfers an account for the collection of a past due fine for a violation of the governing documents to the community manager of the association, the community manager may not transfer the account to any person other than an officer or employee of the community manager.

5. Each written attempt to collect from a unit's owner a past due obligation which is more than 60 days past due in which the association or its authorized agent expresses an intent to engage in further collection activity if the unit's owner fails to pay the total amount due must include:

(a) A statement of the current amount due; and

(b) A schedule of the amount of the fees, costs, charges or other amounts which may be charged to the unit's owner if the unit's owner fails to pay the total amount due.

➥ For the purposes of this subsection, providing a standard monthly statement or a coupon book is not an attempt to collect a past due obligation.

6. The provisions of this section apply to any costs of collecting a past due obligation charged to a unit's owner, regardless of whether the past due obligation is collected by the association itself or by any person acting on behalf of the association, including, without limitation, an officer or employee of the association, a community manager or a collection agency.

~~[5.]~~ 7. An association or a community manager may not charge a unit's owner, or require a unit's owner to pay, a fee of more than:

(a) Fifty dollars for transferring an account for the collection of a past due obligation to another person; and

Sec. 6. NRS 116.31085 is hereby amended to read as follows:

116.31085 1. Except as otherwise provided in this section, a unit's owner may attend any meeting of the units' owners or of the executive board and speak at any such meeting. The executive board may establish reasonable limitations on the time a unit's owner may speak at such a meeting.

2. An executive board may not meet in executive session to open or consider bids for an association project as defined in NRS 116.31086, or to enter into, renew, modify, terminate or take any other action regarding a contract.

3. An executive board may meet in executive session only to:

(a) Consult with the attorney for the association on matters relating to proposed or pending litigation if the contents of the discussion would otherwise be governed by the privilege set forth in NRS 49.035 to 49.115, inclusive.

(b) Discuss the character, alleged misconduct, professional competence, or physical or mental health of a community manager or an employee of the association.

(c) Except as otherwise provided in subsection 4, discuss a violation of the governing documents, including, without limitation, the failure to pay an assessment.

(d) Discuss the alleged failure of a unit's owner to adhere to a schedule required pursuant to NRS 116.310305 if the alleged failure may subject the unit's owner to a construction penalty.

(e) Discuss an authorization to foreclose the association's lien by sale pursuant to paragraph (b) of subsection 1 of NRS 116.31162. The vote of

each member of the executive board concerning whether to authorize the foreclosure of the association's lien by sale must be recorded in the minutes of the meeting.

4. An executive board shall meet in executive session to hold a hearing on an alleged violation of the governing documents unless the person who may be sanctioned for the alleged violation requests in writing that an open hearing be conducted by the executive board. If the person who may be sanctioned for the alleged violation requests in writing that an open hearing be conducted, the person:

(a) Is entitled to attend all portions of the hearing related to the alleged violation, including, without limitation, the presentation of evidence and the testimony of witnesses;

(b) Is entitled to due process, as set forth in the standards adopted by regulation by the Commission, which must include, without limitation, the right to counsel, the right to present witnesses and the right to present information relating to any conflict of interest of any member of the hearing panel; and

(c) Is not entitled to attend the deliberations of the executive board.

5. The provisions of subsection 4 establish the minimum protections that the executive board must provide before it may make a decision. The provisions of subsection 4 do not preempt any provisions of the governing documents that provide greater protections.

6. Except as otherwise provided in this subsection, any matter discussed by the executive board when it meets in executive session must be generally noted in the minutes of the meeting of the executive board. The executive board shall maintain minutes of any decision made pursuant to subsection 4 concerning an alleged violation and, upon request, provide a copy of the decision to the person who was subject to being sanctioned at the hearing or to the person's designated representative.

7. Except as otherwise provided in subsection 4, a unit's owner is not entitled to attend or speak at a meeting of the executive board held in executive session.

Sec. 7. NRS 116.31151 is hereby amended to read as follows:

116.31151 1. Except as otherwise provided in subsection 2 and unless the declaration of a common-interest community imposes more stringent standards, the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year of the association, prepare and distribute to each unit's owner a copy of:

(a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.

(b) The budget to provide adequate funding for the reserves required by paragraph (b) of subsection 2 of NRS 116.3115. The budget must include, without limitation:

(1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(2) As of the end of the fiscal year for which the budget is prepared, the current estimate of the amount of cash reserves that are necessary, and the current amount of accumulated cash reserves that are set aside, to repair, replace or restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit's owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties but not to exceed 60 miles from the physical location of the common-interest community; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide a summary of the proposed budget to each unit's owner and shall set a date for a meeting of the units' owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. Unless at that meeting a majority of all units' owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the units' owners must be continued until such time as the units' owners ratify a subsequent budget proposed by the executive board.

Sec. 8. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit's owner or his or her authorized agent or mail the notice of cancellation by prepaid United States mail to the unit's owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.

(c) The association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Assembly Bill No. 412.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 375.

AN ACT relating to liens; requiring certain owners and lessees to obtain the services of an escrow agency and to establish trust accounts for amounts withheld from payment to contractors and subcontractors; requiring those owners and lessees to record a notice of establishment of a trust account **and a verification of compliance** under certain circumstances; establishing requirements for administering such trust accounts; providing that a lien claimant has a lien against such retention amounts and trust accounts under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, contractors and subcontractors who provide work, material or equipment for the construction, alteration or repair of property or improvements to property have a lien against the property, improvements and certain disbursement accounts for a certain amount related to that work, material or equipment. (NRS 108.222) **Section 7.5 of this bill establishes certain limitations and requirements with respect to retention amounts, which are certain amounts withheld from payment to contractors and subcontractors until the work is completed or materials or equipment are furnished. Section 8** of this bill requires certain owners and lessees for certain contracts for construction to establish trust accounts for retention amounts**. [**~~, which are certain amounts withheld from payment to contractors and subcontractors until the work is completed or the materials or equipment are furnished.~~**]** Specifically, **section 8** requires those owners and lessees to obtain the services of an escrow agency and record a notice of establishment of a trust account if: (1) the total price or estimated budget of the contract is $1,000,000 or more; and (2) the owner or lessee is authorized by the contract

to withhold a retention amount. ~~[Section]~~ **Sections 7.5 and 9** of this bill ~~[establishes]~~ **establish** requirements for the retention amounts ~~[.]~~ **, including making clear that retention amounts remain the separate property of the prime contractor and lower-tiered subcontractors from whom they are withheld.**

Section ~~[10 of this bill]~~ **9 further** requires, with certain exceptions, an owner or lessee who withholds a retention amount to immediately cause the withheld amount to be deposited in a trust account. If the lessee, pursuant to existing law, establishes a construction disbursement account which funds the account in an amount equal to the total cost of the work of improvement, **section** ~~[10]~~ **9** requires the retention amount to be transferred from the construction distribution account to the trust account. **Section** ~~[10]~~ **9** also provides ~~[that, under certain circumstances,]~~ **for a rebuttable presumption that** an owner, lessee ~~[and contractor]~~ **or escrow agency** has ~~[a claim against the retention amount if the contractor or subcontractor with whom the person contracted does not perform or complete the work required by the contract.]~~ **breached its fiduciary duties with respect to a retention amount if the owner, lessee or escrow agency uses the retention amount in violation of the provisions of this bill.**

Section 10 of this bill provides the manner in which retention amounts are paid from an owner or lessee to a prime contractor, and from the prime contractor to his or her lower-tiered subcontractors. Section 10 also authorizes the stoppage of work on, or the termination of a contract for, the construction, alteration or repair of an improvement or work of improvement under certain circumstances. Section 10 additionally requires an owner, lessee or escrow agency to execute and have recorded a verification of compliance as to the disposition of retention amounts.

Section 11 of this bill establishes the requirements for administering such trust accounts, including, without limitation, the requirements for keeping records and the procedures for an accounting of such trust accounts. ~~[Section 11 further provides that an escrow agency and its bond are liable for certain resulting damages if the escrow agency fails to comply with those requirements.]~~

Section 14 of this bill provides, with certain exceptions, that contractors or subcontractors who provide work, material or equipment for the construction, alteration or repair of property or improvements to property have a lien against such retention amounts ~~[and trust accounts]~~ in addition to having a lien against the property and improvements and any construction disbursement account that has been established.

Under existing law, certain persons, including, without limitation, certain financial institutions, attorneys rendering services in the performance of their duties as attorneys, and any person doing any act under order of any court, are exempt from the provisions governing escrow agencies and agents. (NRS 645A.015) **Section 22** of this bill provides that those persons are not

exempt from the provisions governing escrow agencies and agents if they are administering certain trust accounts established for retention amounts.

Recently, the Nevada Supreme Court, discussing NRS 108.22112, 108.22184 and 108.225, held that: (1) pursuant to NRS 108.225, "commencement of construction," as defined in existing law, is required for lien priority; (2) the definition of "commencement of construction" plainly requires visibility of on-site work in order for a mechanic's lien to take a priority position over a deed of trust; (3) the visible work performed by a contractor who had provided numerous preconstruction services amounted to the placement of a business sign and the removal of power lines; and (4) such preparatory work performed did not constitute "commencement of construction" and, thus, the contractor's mechanic's lien was junior to a bank's deed of trust. (*J.E. Dunn Nw., Inc. v. Corus Constr. Venture, LLC*, 127 Nev. Adv. Op. 5 (Mar. 3, 2011)) Sections 5.5, 7.3, 7.4, 12.5 and 13.5 of this bill change the existing law upon which the conclusion of the Court in *Dunn* was based, making it such that the visibility of a much wider variety of activities and items is sufficient for a mechanic's lien to take a priority lien position.

Assembly Bill No. 419.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 176.

AN ACT relating to water; requiring the State Engineer to designate certain groundwater basins as critical management areas **~~[.]~~** **in certain circumstances;** requiring the State Engineer to take certain actions in such a basin unless a groundwater management plan has been approved for the basin; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Engineer has various powers and duties with respect to regulating the groundwater in this State. (Chapter 534 of NRS) **Section 3** of this bill requires the State Engineer to designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin **~~[.]~~** **upon the petition of a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer.** If a basin is

so designated for at least 10 consecutive years, **section 3** requires the State Engineer to order that withdrawals of groundwater be restricted in the basin to conform to priority rights, unless a groundwater management plan has been approved for the basin. **Section 1** of this bill prescribes the procedure for the proposal, approval and revision of such a plan. **Section 2** of this bill includes the existence of a groundwater management plan in a basin as a consideration for the State Engineer in determining whether to grant a request for an extension of the time necessary to work a forfeiture of water in such a basin.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 534 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In a basin that has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110, a petition for the approval of a groundwater management plan for the basin may be submitted to the State Engineer. The petition must be signed by a majority of the ~~[appropriators of record]~~ holders of permits or certificates to appropriate water in the basin that are on file in the Office of the State Engineer ~~[in the basin]~~ and must be accompanied by a groundwater management plan which must set forth the necessary steps for removal of the basin's designation as a critical management area.

2. In determining whether to approve a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall consider, without limitation:

(a) The hydrology of the basin;

(b) The physical characteristics of the basin;

(c) The relationship between surface water and groundwater in the basin;

(d) The geographic spacing and location of the withdrawals of groundwater in the basin;

(e) The quality of the water in the basin; ~~[and]~~

(f) The wells located in the basin ~~[.]~~ including, without limitation, domestic wells;

(g) Whether a groundwater management plan already exists for the basin; and

(h) Any other factor deemed relevant by the State Engineer.

3. Before approving or disapproving a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall hold a public hearing to take testimony on the plan in the county where the basin lies or, if the basin lies in more than one county, within the county where the major portion of the basin lies. The State Engineer shall cause notice of the hearing to be ~~[given]~~ :

***(a) Given** once each week for 2 consecutive weeks before the hearing in a newspaper of general circulation in the county or counties in which the basin lies.*

(b) Posted on the Internet website of the State Engineer for at least 2 consecutive weeks immediately preceding the date of the hearing.

4. The decision of the State Engineer on a groundwater management plan may be reviewed by the district court of the county pursuant to NRS 533.450.

5. An amendment to a groundwater management plan must be proposed and approved in the same manner as an original groundwater management plan is proposed and approved pursuant to this section.

Sec. 2. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a permitted right, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of beneficial use is not sent to the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension

must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder's failure to use all or any part of the water beneficially for the purpose for which the holder's right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Any prolonged period in which precipitation in the basin where the water right is located is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin; ~~[and]~~

(e) ***Whether a groundwater management plan has been approved for the basin pursuant to section 1 of this act; and***

(f) Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation.

➥ The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder's request for an extension pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner's right is declared by the State Engineer.

4. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 3. NRS 534.110 is hereby amended to read as follows:

534.110 1. The State Engineer shall administer this chapter and shall prescribe all necessary regulations within the terms of this chapter for its administration.

2. The State Engineer may:

(a) Require periodical statements of water elevations, water used, and acreage on which water was used from all holders of permits and claimants of vested rights.

(b) Upon his or her own initiation, conduct pumping tests to determine if overpumping is indicated, to determine the specific yield of the aquifers and to determine permeability characteristics.

3. The State Engineer shall determine whether there is unappropriated water in the area affected and may issue permits only if the determination is affirmative. The State Engineer may require each applicant to whom a permit is issued for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ to report periodically to the State Engineer concerning the effect of that well on other previously existing wells that are located within 2,500 feet of the well.

4. It is a condition of each appropriation of groundwater acquired under this chapter that the right of the appropriator relates to a specific quantity of water and that the right must allow for a reasonable lowering of the static water level at the appropriator's point of diversion. In determining a reasonable lowering of the static water level in a particular area, the State Engineer shall consider the economics of pumping water for the general type of crops growing and may also consider the effect of using water on the economy of the area in general.

5. This section does not prevent the granting of permits to applicants later in time on the ground that the diversions under the proposed later appropriations may cause the water level to be lowered at the point of diversion of a prior appropriator, so long as any protectable interests in existing domestic wells as set forth in NRS 533.024 and the rights of holders of existing appropriations can be satisfied under such express conditions. At the time a permit is granted for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ the State Engineer shall include as a condition of the permit that pumping water pursuant to the permit may be limited or prohibited to prevent any unreasonable adverse effects on an existing domestic well located within 2,500 feet of the well, unless the holder of the permit and the owner of the domestic well have agreed to alternative measures that mitigate those adverse effects.

6. ~~[The]~~ ***Except as otherwise provided in subsection 7, the*** State Engineer shall conduct investigations in any basin or portion thereof where it appears that the average annual replenishment to the groundwater supply may not be adequate for the needs of all permittees and all vested-right claimants, and if the findings of the State Engineer so indicate, the State

Engineer may order that withdrawals ***, including, without limitation, withdrawals from domestic wells,*** be restricted to conform to priority rights.

7. ***The State Engineer*** ~~*[shall]*~~ **:**

(a) May designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin . ~~*[as a critical management area. Such a]*~~

(b) Shall designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin upon receipt of a petition for such a designation which is signed by a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer.

➥ The designation of a basin as a critical management area pursuant to this subsection may be appealed pursuant to NRS 533.450. If a basin has been designated as a critical management area for at least 10 consecutive years, the State Engineer shall order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted in that basin to conform to priority rights, unless a groundwater management plan has been approved for the basin pursuant to section 1 of this act.

8. In any basin or portion thereof in the State designated by the State Engineer, the State Engineer may restrict drilling of wells in any portion thereof if the State Engineer determines that additional wells would cause an undue interference with existing wells. Any order or decision of the State Engineer so restricting drilling of such wells may be reviewed by the district court of the county pursuant to NRS 533.450.

~~*[9. As used in this section, "perennial yield" means the amount of usable water from a groundwater aquifer that can be economically withdrawn and consumed each year for an indefinite period of time, which cannot exceed the natural recharge to that aquifer and is limited to the maximum amount of discharge that can be utilized for beneficial use.]*~~

Amendment No. 530.

SUMMARY— ~~**[**Provides specific authority for public bodies to lease water rights to certain owners or holders of water rights.**]**~~ **Revises provisions relating to water.** (BDR 48-681)

AN ACT relating to water; providing specific authority for public bodies to lease water rights to certain owners or holders of water rights; **revising**

provisions relating to the Program for the Management of Groundwater in the Las Vegas Valley Groundwater Basin; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[This]~~ **Section 1 of this** bill specifically authorizes a public body to lease a water right owned by the public body to an owner or holder of a water right who **, as determined by** the State Engineer **,** ~~[determines]~~ is exceeding the amount of water to which the owner or holder is entitled.

The Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin is created in existing law to advise the Southern Nevada Water Authority concerning the Program for the Management of Groundwater in the Las Vegas Valley Groundwater Basin. (Sections 8, 9 and 12 of chapter 572, Statutes of Nevada 1997, p. 2799) Section 3 of this bill increases the term of an appointed member of the Advisory Committee from 2 years to 4 years. Section 4 of this bill revises the frequency of the meetings of the Advisory Committee from quarterly to annually. Section 5 of this bill revises the frequency of and responsibility for preparation of reports concerning the Program.

Under existing law, the Southern Nevada Water Authority is authorized to establish a program under which it may enter into an agreement with a property owner in the Basin for the abandonment or plugging of a well on the owner's property or the connection of the property to a public water system. (Section 14.3 of chapter 468, Statutes of Nevada 1999, p. 2386) Section 6 of this bill makes the mandatory provisions in existing law for such an agreement discretionary and authorizes the inclusion of other provisions in such an agreement that are reasonably necessary to carry out the purposes and intent of the program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A public body may lease a water right owned by the public body to an owner or holder of a water right who, as determined by the State Engineer, is exceeding the amount of water to which the owner or holder is entitled.

2. As used in this section, "public body" means the State or a county, city, town, school district or any public agency of this State or its political subdivisions. The term includes, without limitation, a water district organized pursuant to a special act of the Legislature or a water authority organized as a political subdivision created by a cooperative agreement or created by a special act of the Legislature.

Sec. 2. NRS 533.550 is hereby amended to read as follows:

533.550 1. Notwithstanding any other provision of law ~~[,]~~ ***and except as otherwise provided in section 1 of this act,*** a public body shall not sell or lease for a term of more than 5 years a water right owned by the public body unless the public body, after holding at least one public hearing at which public comment was solicited, has issued written findings that:

(a) The sale or lease of the water right is consistent with the prudent, long-term management of the water resources within the jurisdiction of the public body;

(b) The sale or lease of the water right will not deprive residents and businesses within the jurisdiction of the public body of reasonable access to water resources for growth and development;

(c) The sale or lease of the water right is a reasonable means of promoting development and use of the water right; and

(d) The means by which the water right is sold or leased reasonably ensures that the public body will receive the actual value of the water right or comparable economic benefits.

2. As used in this section, "public body" means the State or a county, city, town, school district or any public agency of this State or its political subdivisions. The term does not include a water district organized pursuant to a special act of the Legislature or a water authority organized as a political subdivision created by a cooperative agreement or created by a special act of the Legislature.

(d) The total number of employees employed by the employer on the last day of the calendar quarter for which the deduction is claimed exceeds the total number of employees employed by the employer on the last day of the corresponding calendar quarter of the immediately preceding calendar year; and

(e) The total number of hours worked by all employees employed by the employer during the calendar quarter for which the deduction is claimed exceeds the total number of hours worked by all employees employed by the employer during the corresponding calendar quarter of the immediately preceding calendar year.

2. The total amount of wages with respect to which an employer may, pursuant to subsection 1, claim a deduction from the excise tax imposed pursuant to NRS 363A.130 must not, under any circumstances, exceed the amount by which the total wages paid by the employer to all employees during the calendar quarter for which the deduction is claimed exceed the total wages paid by the employer to all employees during the corresponding calendar quarter of the immediately preceding calendar year.

[~~Section 1 of this bill provides for the issuance of orders to cease and desist by the Administrator of the Real Estate Division of the Department of Business and Industry under certain circumstances.~~]

Existing law prohibits an association of a common-interest community from unreasonably restricting, prohibiting or otherwise impeding the right of a unit's owner to have access to his or her unit. (NRS 116.2111) **Section 2** of this bill prohibits the association from restricting, prohibiting or otherwise impeding the access to [~~the~~] **a** unit of [~~the parents and children of the unit's owner.~~] **any resident of the unit. (2) A fine may not be imposed against a unit's owner or a tenant or invitee of a unit's owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit's owner or tenant or invitee of the unit's owner or the tenant.

➥ If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. ~~*[During the lifetime of the unit's owner and any successor in interest who is the spouse of the unit's owner, the total amount of fines imposed against the unit's owner and the successor in interest must not exceed $2,500.]*~~ The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. ***Notwithstanding any other provision of this chapter, the executive board may not impose a fine pursuant to subsection 1 against a unit's owner or a tenant or an invitee of a unit's owner or a tenant if the executive board of another association has imposed a fine against the unit's owner, tenant or invitee for the same action, or failure to act, on the part of the unit's owner, tenant or invitee.***

3. The executive board may not impose a fine pursuant to subsection 1 against a unit's owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit's owner or the tenant unless the unit's owner:

(a) Participated in or authorized the violation;

(b) Had prior notice of the violation; or

(c) Had an opportunity to stop the violation and failed to do so.

~~[3.]~~ ***4.*** The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the ***alleged*** violation, the unit's owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the ***alleged*** violation; and

(b) Within a reasonable time after the discovery of the ***alleged*** violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the ***alleged*** violation, ***the location of the alleged violation,*** the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the ***alleged*** violation at the hearing.

➥ For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit's owner.

~~[4.]~~ ***5.*** The executive board must schedule the date, time and location for the hearing on the ***alleged*** violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

~~[5.]~~ ***A hearing may be postponed if the unit's owner or, if different, the person against whom the fine will be imposed presents to the executive board or an officer of the association medical documentation indicating that he or she is unable to participate in the hearing for medical reasons. At the hearing on the alleged violation, the unit's owner and, if different, the person against whom the fine will be imposed may be represented by an attorney or any other representative. Notwithstanding any other provision of this chapter, the cost of an attorney representing the association or executive board at a hearing pursuant to this section may not be charged to the unit's owner or other person against whom the fine will be imposed.***

6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:

(a) Executes a written waiver of the right to the hearing; or

(b) Fails to appear at the hearing after being provided with proper notice of the hearing.

~~[6.]~~ ***7.*** If a fine is imposed pursuant to subsection 1 and the violation is not cured within ~~[14]~~ ***21*** days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period ~~[or portion thereof]~~ that the violation is not cured. ~~[Any additional fine may be imposed without notice and an opportunity to be heard.]~~

~~[7.]~~ ***8.*** If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

~~[8.]~~ ***9.*** A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if

the member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

~~[9.]~~ ***10. If a unit's owner or, if different, a person against whom a fine was imposed pursuant subsection 1 files a claim with the Division pursuant to NRS 38.320 which alleges that the executive board violated a provision of the governing documents in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the conclusion of mediation or, if applicable, the issuance of an arbitration decision. If a unit's owner or, if different, a person against whom a fine was imposed pursuant to subsection 1 files an affidavit with the Division pursuant to NRS 116.760 which alleges that the executive board violated a provision of*** ~~*[the governing documents]*~~ ***this chapter in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the resolution of the matter pursuant to subsection 1 of NRS 116.785, the issuance of a decision by the Division to not file a formal complaint pursuant to subsection 5 of NRS 116.765 or the final decision of the Commission, whichever is applicable.***

~~*[10.]*~~ ***11.*** The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

~~[10.]~~ ~~*[11.]*~~ ***12.*** Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

~~[11.]~~ ~~*[12.]*~~ ***13.*** If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 7. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the

unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal. ***The authorization to enter the grounds of the unit for the purposes set forth in this paragraph continues until the unit's owner or an agent of the unit's owner performs the maintenance necessary to maintain the exterior of the unit in accordance with the standards set forth in the governing documents.***

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(3) Results in blighting or deterioration of the unit or surrounding area; and

(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. Except as otherwise provided in this subsection, a lien described in subsection 4 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

(a) "Exterior of the unit" includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.

(b) "Vacant" means a unit:

(1) Which reasonably appears to be unoccupied;

(2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and

(3) On which the owner has failed to pay assessments for more than 60 days.

Sec. 8. ~~[NRS 116.310313 is hereby amended to read as follows:~~

Sec. 9. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are **[**~~not~~**]** required to be units' owners. The members of the executive board and the officers of the association shall take office upon election. ~~*[If two persons reside together in a unit, are married to each other or are related by blood, adoption or marriage, within the first degree of consanguinity or affinity, and if one of those persons is an officer of the association or a member of the executive board, the other person may not be an officer of the association or a member of the executive board.]*~~

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the

names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for a member of the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

11. Except as otherwise provided in subsection 6 or NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

12. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate's campaign for election as a member of the executive board, except that the candidate's campaign may be limited to 90 days before the date that ballots are required to be returned to the association. A candidate may request that the secretary or other officer specified in the bylaws of the association send, 30 days before the date of the election and at the association's expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner a candidate informational statement. The candidate informational statement:

(a) Must be no longer than a single, typed page;

(b) Must not contain any defamatory, libelous or profane information; and

(c) May be sent with the secret ballot mailed pursuant to subsection 11 or in a separate mailing.

➥ The association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises

out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to this subsection.

13. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may ~~*[shall]*~~ require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

14. Within 3 months after his or her election or appointment to the executive board, a member of the executive board shall ~~*[successfully]*~~ ***complete 2 hours of instruction in a course of education relating to the duties of a member of the executive board. Every year thereafter during which the member of the executive board is a member of the executive board, he or she shall complete 2 hours of instruction in such a course of education.***

Sec. 10. NRS 116.31038 is hereby amended to read as follows:

116.31038 In addition to any applicable requirement set forth in NRS 116.310395, within 30 days after units' owners other than the declarant may elect a majority of the members of the executive board, the declarant shall deliver to the association all property of the units' owners and of the association held by or controlled by the declarant, including:

2. An accounting for money of the association and audited financial statements for each fiscal year and any ancillary period from the date of the last audit of the association to the date the period of the declarant's control ends. The ancillary audit must be delivered within 210 days after the date the period of the declarant's control ends.

3. A complete study of the reserves of the association, conducted by a person who is registered as a reserve study specialist pursuant to chapter 116A of NRS. At the time the control of the declarant ends, the declarant shall:

(a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant's share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, the

declarant has failed to pay his or her share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.

(b) Disclose, in writing, ***to the units' owners*** the amount by which the declarant has subsidized the association's dues on a per unit or per lot basis.

4. The association's money or control thereof.

5. All of the declarant's tangible personal property that has been represented by the declarant as property of the association or, unless the declarant has disclosed in the public offering statement that all such personal property used in the common-interest community will remain the declarant's property, all of the declarant's tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the common elements, and inventories of these properties.

6. A copy of any plans and specifications used in the construction of the improvements in the common-interest community which were completed within 2 years before the declaration was recorded.

7. All insurance policies then in force, in which the units' owners, the association, or its directors and officers are named as insured persons.

8. Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the common-interest community other than units in a planned community.

9. Any renewable permits and approvals issued by governmental bodies applicable to the common-interest community which are in force and any other permits and approvals so issued and applicable which are required by law to be kept on the premises of the community.

10. Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective.

11. A roster of owners and mortgagees of units and their addresses and telephone numbers, if known, as shown on the declarant's records.

12. Contracts of employment in which the association is a contracting party.

13. Any contract for service in which the association is a contracting party or in which the association or the units' owners have any obligation to pay a fee to the persons performing the services.

Sec. 11. NRS 116.3108 is hereby amended to read as follows:

116.3108 1. A meeting of the units' owners must be held at least once each year. If the governing documents do not designate an annual meeting date of the units' owners, a meeting of the units' owners must be held 1 year after the date of the last meeting of the units' owners. If the units' owners have not held a meeting for 1 year, a meeting of the units' owners must be held on the following March 1.

2. Special meetings of the units' owners may be called by the president, by a majority of the executive board or by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total

number of voting members of the association. The same number of units' owners may also call a removal election pursuant to NRS 116.31036. ➥ The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units' owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. (a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

4. ***Upon completion of the study of the reserves required by this section, the association shall notify the units' owners that the study is available for review and make the study available in electronic format to a unit's owner at no charge. Section ~~[1]~~ 1.5 of this bill provides for the issuance of orders to cease and desist by the Administrator of the Real Estate Division of the Department of Business and Industry under certain circumstances.

Existing law prohibits an association of a common-interest community from unreasonably restricting, prohibiting or otherwise impeding the right of a unit's owner to have access to his or her unit. (NRS 116.3102) **Section 3** of this bill requires the association to provide the 48-hour notice before removing a vehicle which is blocking a handicapped parking space.

Section 4 of this bill provides for an emergency election to fill certain vacancies on the executive board if the executive board is unable to obtain a quorum because of such vacancies and requires the Division to apply for the appointment of a receiver for the association if the units' owners are unable to fill such vacancies. **Section 4** also: (1) requires the association to make available to members of the executive board, at no charge, certain books, records and papers; and (2) requires the executive board to notify the units'

owners if the executive board has been found to have violated the provisions of existing law governing common-interest communities or the governing documents.

Existing law authorizes an association to impose a construction penalty against a unit's owner who fails to adhere to a schedule. (NRS 116.310305) **Section 5** of this bill prohibits the imposition of a construction penalty if the failure to adhere to the schedule is caused by circumstances beyond the control of the unit's owner.

Existing law authorizes an association to prohibit a unit's owner or a tenant or an invitee of a unit's owner or a tenant from using the common elements as a sanction for a violation of the governing documents. Existing law authorizes, but does not require, an association to enter the grounds of a unit to maintain the exterior of the unit under certain circumstances. (NRS 116.310312) **Section 7** of this bill provides that this authorization expires if the unit's owner or the agent of the unit's owner performs the maintenance necessary for the unit to meet the community standards.

Section 8 of this bill ~~[limits the type of collection fees which an association may charge to a unit's owner and]~~ establishes a cap on the amount of ~~[such]~~ **collection** fees which is based on the amount of the outstanding balance **~~[.]~~ and revises various provisions relating to the collection of amounts due the association.**

Section 9 of this bill requires a member of the executive board to successfully complete 2 hours of education concerning the duties of members of an executive board each year. **Section 9** also provides that: (1) unless the governing documents provide otherwise, officers of the association are required to be units' owners; and (2) a person who resides with, or is related within the first degree of consanguinity to, an officer of the association or member of the executive board may not become an officer of the association or a member of the executive board.

Section 13 of this bill revises provisions governing the right of a unit's owner to speak at a meeting of the units' owners or the executive board by: (1) requiring a limitation of not less than 3 minutes on the time a unit's owner may speak; (2) requiring the association to comply with the Americans with Disabilities Act in providing access to the meeting; (3) requiring the executive board to provide a period of comments by the units' owners before voting on a matter; and (4) authorizing a person to be represented by a person of his or her choosing at a hearing concerning an alleged violation of the governing documents.

Section 14 of this bill requires bids for the provision of durable goods to the association to be opened during a meeting of the executive board.

Existing law requires an executive board which receives a complaint from a unit's owner alleging that the executive board has violated existing law or the governing documents to place the subject of the complaint on the agenda for its next meeting if the unit's owner requests that action. (NRS 116.31087) **Section 15** of this bill requires the executive board to discuss the complaint fully and completely and attempt to resolve the complaint at the meeting.

Existing law creates certain crimes related to voting by units' owners. (NRS 116.31107) **Section 16** of this bill requires these provisions to be printed on each ballot provided to the units' owners.

Section 17 of this bill defines "surplus funds" for the purpose of determining whether the association is required to pay the surplus funds to units' owners.

Existing law requires a review or audit of the financial statement of an association at certain times. (NRS 116.31144) **Section 18** of this bill requires the association to provide a copy of the review or audit to a unit's owner in either paper or electronic format at no charge to the unit's owner if the unit's owner requests such a copy.

Under existing law, the proposed budget of an association takes effect unless the units' owners reject the proposed budget. (NRS 116.3115, 116.31151) **Sections 19 and 20** of this bill provide that the proposed budget does not take effect unless the units' owners ratify the proposed budget. If the proposed budget is not ratified, the most recently ratified budget continues in effect.

Section 19 also revises provisions governing special assessments by: (1) removing provisions which specifically authorize the executive board to impose necessary and reasonable assessments to carry out a plan to adequately fund the reserves of the association without seeking or obtaining the approval of the units' owners; (2) providing that an assessment to fund the reserves of the association may not exceed $35 per unit per month; and (3) requiring the approval of the units' owners for capital expenditures exceeding a certain amount and for any visible changes to the interior or exterior of a common element.

Section 20 prohibits the association from charging fees to cover the costs of collecting a past due obligation unless the executive board has proposed, and a majority of the units' owners who cast votes have approved, a collection policy. Section 20 also requires the ~~[collections]~~ **collection** policy ~~[of the association to establish a certain period after which a delinquent fee, fine, assessment or cost may be referred for collection.]~~ **to include certain provisions.**

Existing law requires an association to conduct a study of the reserves required to repair, replace and restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain. (NRS 116.31152) **Section 21** of this bill prohibits the executive board from taking any action based on the study of the reserves, including, without limitation, establishing a funding plan to provide adequate funding for the required reserves, unless and until the executive board approves the study of the reserves at a meeting of the executive board. **Section 21** also: (1) requires the reserve study to be made available to a unit's owner in electronic format at no charge; and (2) provides for notice of the meeting to a unit's owner.

Section 22 of this bill revises provisions governing ~~[the amount of]~~ the association's lien which is prior to a first security interest on a unit.

~~[Section 23 of this bill prohibits the foreclosure of an association's lien and the filing of a civil action to obtain a judgment for the amount due if: (1) the foreclosure sale does not occur within 120 days after mailing the notice of default and election to sell; or (2) an agreement extending that period is not reached.]~~

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 22.5 of this bill revises provisions governing foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; and (2) foreclosing its lien by sale unless the executive board of the association authorizes the foreclosure in an executive session after providing notice of the meeting to a unit's owner.

publication of the views or opinions of a unit's owner in the association's official newsletter under certain circumstances.

Existing law provides for a civil action if the executive board, a member of the executive board, a community manager or an officer, employee or agent of the association take, direct or encourage certain retaliatory action against a unit's owner. (NRS 116.31183) **Section 25** of this bill specifies certain actions which constitute retaliatory action.

Section 26 of this bill prohibits an association from charging a fee to a unit's owner to obtain approval for the installation of drought tolerant landscaping.

Section 27 of this bill replaces the authorization of an executive board to approve the renting or leasing of a unit under certain circumstances with a provision requiring the executive board to grant such approval under certain circumstances.

Section 28 of this bill: (1) prohibits the executive board and the governing documents from interfering with the parking of an automobile, privately owned standard pickup truck, motorcycle or certain other vehicles; and (2) requires the association of a common-interest community which is not gated or enclosed to display signs on or near any property on which parking is prohibited or restricted.

Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109) Section 28.5 of this bill establishes a limit of not more than $50 on a fee charged to a unit's owner to record the transfer of a unit in the records of the association or its community manager.

Sections 29 and 33 of this bill revise provisions governing mediation and arbitration of claims relating to the interpretation, application or enforcement of certain governing documents by authorizing a civil action concerning certain claims to be commenced without submitting the claims to mediation or arbitration. **Section 29** also authorizes a civil action concerning a violation of existing law governing common-interest communities to be brought by a tenant or an invitee of a unit's owner or a tenant.

Sections 31 and 32 of this bill require the sharing of information by the parties to an affidavit filed with the Division alleging a violation of existing law governing common-interest communities.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Section 34.5 of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit's owner is deemed to violate existing state law relating to collection agencies.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit's owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:

(a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and

(b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit's owner adds shutters pursuant to subsection 4, the unit's owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:

(a) In existence on July 1, 2009; or

(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.

7. A unit's owner may not add to the unit a system that uses wind energy as described in subparagraph 4 of paragraph (c) of subsection 2 unless the unit's owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 3. NRS 116.3102 is hereby amended to read as follows:

(g) Cause additional improvements to be made as a part of the common elements.

(h) Acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

(s) Direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if ~~[a]~~ ***any*** vehicle ***, regardless of the person who owns the vehicle,*** is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

(1) Is blocking a fire hydrant ~~[,]~~ ***or*** fire lane ***;*** ~~[or parking space designated for the handicapped;]~~ or

(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.

(t) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, "assessment" does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 4. NRS 116.3103 is hereby amended to read as follows:

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board may act in all instances on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that their actions are in the best interest of the association. The members of the executive board are required to exercise the ordinary and reasonable care of directors of a corporation, subject to the business-judgment rule.

2. The executive board may not act on behalf of the association to amend the declaration, to terminate the common-interest community, or to elect members of the executive board or determine their qualifications, powers and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term ***if the executive board is able to obtain a quorum pursuant to subsection 3 of NRS 116.3109*** unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association. ***If the executive board is authorized to fill vacancies in its membership pursuant to this subsection, the executive board may not appoint to the executive board a person who has been removed from the executive board pursuant to NRS 116.31036 within the immediately preceding 6 years.***

3. Notwithstanding the provisions of NRS 116.31175, 116.31177 and 116.3118, upon the request of a member of the executive board, the association shall make available to the member of the executive board, at no charge, the books, records and other papers of the executive board and the association, including, without limitation, records, invoices, contracts, agreements, letters of instruction issued by the Division, correspondence between a unit's owner and the community manager, notices of violations, financial records, bank statements, personnel records, employment contracts, reserve studies, notices of delinquent assessments and notices of default and election to sell mailed pursuant to NRS 116.31162, architectural plans and specifications submitted by a unit's owner, minutes of executive sessions of the executive board, voice recordings and any other book, record or paper created by the executive board or the association, its agents or a member of the executive board acting in the course and scope of his or her duties as a member of the executive board.

4. If the Commission, a mediator or an arbitrator who conducts a mediation or arbitration pursuant to NRS 38.300 to 38.360, inclusive, or a court finds that the executive board has committed a violation of any provision of the governing documents, this chapter, any regulation adopted pursuant thereto or any order of the Commission or a hearing panel, the executive board must notify the units' owners of the findings by mailing a statement of the findings to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by a unit's owner.

5. Notwithstanding any provision of this chapter or the governing documents, if the executive board is unable to obtain a quorum pursuant to subsection 3 of NRS 116.3109 because of vacancies on the executive board, the association must, within 30 days, hold a meeting of the units' owners for the purpose of conducting an election to fill such vacancies as necessary to provide a quorum for the executive board. The meeting and election must be conducted in the following manner:

(a) Not later than 10 days in advance of the meeting, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be

hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. The notice of the meeting must state the time and place of the meeting and that the meeting is being held for the purpose of filling vacancies on the executive board. The notice must include notification of the right of a unit's owner to:

(1) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

(2) Speak to the association regarding the election to fill vacancies on the executive board.

(b) At the meeting:

(1) A quorum of the units' owners is not required for the nomination of any candidate to fill a vacancy on the executive board or for the election to fill the vacancy.

(2) A units' owner may attend the meeting in person or by proxy. The provisions of NRS 116.311 apply to the use of proxies at the meeting.

(3) The units' owners present in person or by proxy shall nominate candidates to fill such vacancies on the executive board as are necessary to create a quorum for the executive board.

(4) After nominations are taken, the election to fill a vacancy must be conducted by secret written ballot.

(5) The secret written ballots must be opened and counted at the meeting and the candidate receiving a majority of the votes cast for that seat on the executive board is elected to the executive board for the period provided in paragraph (d).

(c) The provisions of subsections 8, 9, 11 and 12 of NRS 116.3108 regarding the minutes of the meeting and the recording of the meeting by a unit's owner are applicable to the meeting.

(d) Upon the election of members to the executive board pursuant to this subsection:

(1) A candidate elected to the executive board pursuant to this subsection is elected for a term of 90 days, except that if the regular election for that seat on the executive board must be conducted within 180 days after the candidate's election, the candidate is elected for the unexpired portion of the term.

(2) The executive board may not fill any vacancy remaining after the election but, within 90 days after the election pursuant to this subsection, must call for an election to be conducted pursuant to NRS 116.31034 to fill:

(I) Each remaining vacancy for which a regular election is not required within 180 days; and

(II) The seats on the executive board which were filled pursuant to this subsection, unless an election for such a seat is required to be conducted within 180 days.

6. If, at an election conducted pursuant to subsection 5, the units' owners do not fill a sufficient number of vacancies on the executive board to provide a quorum for the executive board, the Division must apply to a court of competent jurisdiction for the appointment of a receiver for the association. In the application for the appointment of the receiver, notice of a temporary appointment of a receiver may be given to the association alone, by process as in the case of an application for a temporary restraining order or injunction. The hearing thereon may be had after 5 days' notice unless the court directs a longer or different notice and different parties. The court may appoint one or more receivers to carry out the business of the association. The members of the executive board must be preferred in making the appointment. The powers of any receiver appointed pursuant to this subsection may be continued as long as the court deems necessary and proper. At any time, for sufficient cause, the court may order the receivership terminated. Any receiver appointed pursuant to this subsection has, among the usual powers, all the functions, powers, tenure and duties to be exercised under the direction of the court as are conferred on receivers and as provided in NRS 78.635, 78.640 and 78.645, whether or not the association is insolvent. Such powers include, without limitation, the powers to:

(a) Take charge of the estate and effects of the association;

(b) Appoint an agent or agents;

(c) Collect any debts and property due and belonging to the association and prosecute and defend, in the name of the association, or otherwise, any civil action as may be necessary or proper for the purposes of collecting debts and property;

(d) Perform any other act in accordance with the governing documents of the association and this chapter that may be necessary for the association to carry out its obligations; and

(e) By injunction, restrain the association from exercising any of its powers or doing business in any way except by and through a receiver appointed by the court.

Sec. 5. NRS 116.310305 is hereby amended to read as follows:

116.310305 1. A unit's owner shall adhere to a schedule required by the association for:

(a) The completion of the design of a unit or the design of an improvement to a unit;

(b) The commencement of the construction of a unit or the construction of an improvement to a unit;

(c) The completion of the construction of a unit or the construction of an improvement to the unit; or

(d) The issuance of a permit which is necessary for the occupancy of a unit or for the use of an improvement to a unit.

2. ~~[The]~~ ***Except as otherwise provided by subsection 3, the*** association may impose and enforce a construction penalty against a unit's owner who fails to adhere to a schedule as required pursuant to subsection 1 if:

(a) The maximum amount of the construction penalty and the schedule are set forth in:

(1) The declaration;

(2) Another document related to the common-interest community that is recorded before the date on which the unit's owner acquired title to the unit; or

(3) A contract between the unit's owner and the association; and

(b) The unit's owner receives notice of the alleged violation which informs the unit's owner that he or she has a right to a hearing on the alleged violation.

3. ***The association may not impose or enforce a construction penalty against a unit's owner pursuant to subsection 2 if the failure to adhere to the schedule as required pursuant to subsection 1 is caused by circumstances beyond the control of the unit's owner.***

4. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 6. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit's owner or a tenant or an invitee of a unit's owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit's owner or the tenant or the invitee of the unit's owner or the tenant from:

(1) Voting on matters related to the common-interest community.

(2) Using the ***specific*** common ~~[elements.]~~ ***element to which the violation relates, if the violation relates to a common element.*** The provisions of this subparagraph do not prohibit the ***executive board from prohibiting a unit's owner from using the common elements if the unit's owner is delinquent in the payment of any assessment and do not prohibit the*** unit's owner or the tenant or the invitee of the unit's owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit's owner or the tenant or the invitee of the unit's owner or the tenant for each violation, except that:

(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and

(2) A fine may not be imposed against a unit's owner or a tenant or invitee of a unit's owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person

who is delivering goods to, or performing services for, the unit's owner or tenant or invitee of the unit's owner or the tenant.

➥ If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. ***During the lifetime of the unit's owner and any successor in interest who is the spouse of the unit's owner, the total amount of fines imposed against the unit's owner and the successor in interest must not exceed $2,500.*** The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. ***Notwithstanding any other provision of this chapter, the executive board may not impose a fine pursuant to subsection 1 against a unit's owner or a tenant or an invitee of a unit's owner or a tenant if the executive board of another association has imposed a fine against the unit's owner, tenant or invitee for the same action, or failure to act, on the part of the unit's owner, tenant or invitee.***

3. The executive board may not impose a fine pursuant to subsection 1 against a unit's owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit's owner or the tenant unless the unit's owner:

(a) Participated in or authorized the violation;

(b) Had prior notice of the violation; or

(c) Had an opportunity to stop the violation and failed to do so.

~~[3.]~~ ***4.*** The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the ***alleged*** violation, the unit's owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the ***alleged*** violation; and

(b) Within a reasonable time after the discovery of the ***alleged*** violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the ***alleged*** violation, ***the location of the alleged violation,*** the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the ***alleged*** violation at the hearing.

➥ For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit's owner.

~~[4.]~~ ***5.*** The executive board must schedule the date, time and location for the hearing on the ***alleged*** violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

~~[5.]~~ ***A hearing may be postponed if the unit's owner or, if different, the person against whom the fine will be imposed presents to the executive board or an officer of the association medical documentation indicating that he or she is unable to participate in the hearing for medical reasons. At the hearing on the alleged violation, the unit's owner and, if different, the person against whom the fine will be imposed may be represented by an attorney or any other representative. Notwithstanding any other provision of this chapter, the cost of an attorney representing the association or executive board at a hearing pursuant to this section may not be charged to the unit's owner or other person against whom the fine will be imposed.***

6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:

(a) Executes a written waiver of the right to the hearing; or

(b) Fails to appear at the hearing after being provided with proper notice of the hearing.

~~[6. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.]~~

7. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

8. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

9. ***If a unit's owner or, if different, a person against whom a fine was imposed pursuant subsection 1 files a claim with the Division pursuant to NRS 38.320 which alleges that the executive board violated a provision of the governing documents in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the conclusion of mediation or, if applicable, the issuance of an arbitration decision. If a unit's owner or, if different, a person against whom a fine was imposed pursuant to subsection 1 files an affidavit with the Division pursuant to NRS 116.760 which alleges that the executive board violated a provision of the governing documents in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the resolution of the matter pursuant to subsection 1 of NRS 116.785, the issuance of a decision by the Division to not file a formal complaint pursuant to subsection 5 of NRS 116.765 or the final decision of the Commission, whichever is applicable.***

10. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

~~[10.]~~ ***11.*** Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

~~[11.]~~ ***12.*** If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 7. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal. ***The authorization to enter the grounds of the unit for the purposes set forth in this paragraph continues until the unit's owner or an agent of the unit's owner performs the maintenance necessary to maintain the exterior of the unit in accordance with the standards set forth in the governing documents.***

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:

An association may not transfer an account for the collection of a past due fine for a violation of the governing documents to any person other than an officer or employee of the association or the community manager. If an association transfers an account for the collection of a past due fine for a violation of the governing documents to the community manager of the association, the community manager may not transfer the account to any person other than an officer or employee of the community manager.

4. Each written attempt to collect from a unit's owner a past due obligation which is more than 60 days past due in which the association or its authorized agent expresses an intent to engage in further collection activity if the unit's owner fails to pay the total amount due must include:

(a) A statement of the current amount due; and

(b) A schedule of the amount of the fees, costs, charges or other amounts which may be charged to the unit's owner if the unit's owner fails to pay the total amount due.

➥ For the purposes of this subsection, providing a standard monthly statement or a coupon book is not an attempt to collect a past due obligation.

5. The provisions of this section apply to any costs of collecting a past due obligation charged to a unit's owner, regardless of whether the past due obligation is collected by the association itself or by any person acting on behalf of the association, including, without limitation, an officer or employee of the association, a community manager or a collection agency.

~~[3.]~~ ***6.*** As used in this section:

(a) ~~["Costs of collecting" includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a lien or lien rescission, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit's owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.~~

~~(b)]~~ "Obligation" means any assessment, fine, construction penalty, fee, charge or interest levied or imposed against a unit's owner pursuant to any provision of this chapter or the governing documents.

(b) "Outstanding balance" means the amount of a past due obligation that remains unpaid before any interest, charges for late payment or costs of collecting the past due obligation are added.

Sec. 9. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect

the officers of the association. Unless the governing documents provide otherwise, the officers of the association are ~~[not]~~ required to be units' owners. The members of the executive board and the officers of the association shall take office upon election. ***If two persons reside together in a unit, are married to each other or are related by blood, adoption or marriage, within the first degree of consanguinity or affinity, and if one of those persons is an officer of the association or a member of the executive board, the other person may not be an officer of the association or a member of the executive board.***

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for a member of the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and

mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

11. Except as otherwise provided in subsection 6 or NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

12. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate's campaign for election as a member of the executive board, except that the candidate's campaign may be limited to 90 days before the date that ballots are required to be returned to the association. A candidate may request that the secretary or other officer specified in the bylaws of the association send, 30 days before the date of the election and at the association's expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner a candidate informational statement. The candidate informational statement:

(a) Must be no longer than a single, typed page;

(b) Must not contain any defamatory, libelous or profane information; and

(c) May be sent with the secret ballot mailed pursuant to subsection 11 or in a separate mailing.

➥ The association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to this subsection.

13. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator ~~[may]~~ ***shall*** require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

14. Within 3 months after his or her election or appointment to the executive board, a member of the executive board shall successfully complete 2 hours of instruction in a course of education relating to the duties of a member of the executive board. Every year thereafter during which the member of the executive board is a member of the executive board, he or she shall complete 2 hours of instruction in such a course of education.

Sec. 10. NRS 116.31038 is hereby amended to read as follows:

If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, the declarant has failed to pay his or her share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.

(b) Disclose, in writing, ***to the units' owners*** the amount by which the declarant has subsidized the association's dues on a per unit or per lot basis.

4. The association's money or control thereof.
