highway or freeway by means of curbs, physical barriers or by other appropriate devices.

3. The Director may remove from the highways any unlicensed encroachment which is not removed, or the removal of which is not commenced and thereafter diligently prosecuted, within 5 days after personal service of notice and demand upon the owner of the encroachment or the owner's agent. In lieu of personal service upon that person or agent, service of the notice may also be made by registered or certified mail and by posting, for a period of 5 days, a copy of the notice on the encroachment described in the notice. Removal by the Department of the encroachment on the failure of the owner to comply with the notice and demand gives the Department a right of action to recover the expense of the removal, cost and expenses of suit, and in addition thereto the sum of $100 for each day the encroachment remains beyond 5 days after the service of the notice and demand.

4. If the Director determines that the interests of the Department are not compromised by a proposed or existing encroachment, the Director may issue a license to the owner or the owner's agent permitting an encroachment on the highway. Such a license is revocable and must provide for relocation or removal of the encroachment in the following manner. Upon notice from the Director to the owner of the encroachment or the owner's agent, the owner or agent may propose a time within which he or she will relocate or remove the encroachment as required. If the Director and the owner or the owner's agent agree upon such a time, the Director shall not himself remove the encroachment unless the owner or the owner's agent has failed to do so within the time agreed. If the Director and the owner or the owner's agent do not agree upon such a time, the Director may remove the encroachment at any time later than 30 days after the service of the original notice upon the owner or the owner's agent. Service of notice may be made in the manner provided by subsection 3. Removal of the encroachment by the Director gives the Department the right of action provided by subsection 3, but the penalty must be computed from the expiration of the agreed period or 30-day period, as the case may be.

Assembly Bill No. 572.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 842.

AN ACT relating to taxation; revising provisions governing the expenditure by police departments of the proceeds of the sales and use tax imposed pursuant to the Clark County Sales and Use Tax Act of 2005; revising certain reporting requirements concerning such expenditures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Clark County Sales and Use Tax Act of 2005 authorizes the Board of County Commissioners of Clark County to enact an ordinance imposing a local sales and use tax to employ and equip additional police officers in certain police departments in Clark County. (Sections 9-10 of the Act) A police department is prohibited from spending the proceeds of the tax unless the expenditure has been approved by a designated body and only if the use will not replace or supplant existing funding for the police department. (Section 13 of the Act) **Section 1** of this bill revises the requirements governing the approval and expenditure of the proceeds of the tax **~~[.]~~ to allow, under certain circumstances, for the approval and expenditure of such proceeds during fiscal years in which the designated body projects a decrease in its receipt of certain other tax revenue. Section 1 also establishes a procedure pursuant to which, under certain circumstances, the County Treasurer may approve the use by a police department of the proceeds of the tax that have been allocated to another police department.**

The Act also requires that certain reports concerning expenditures pursuant to the Act be submitted to the Director of the Legislative Counsel Bureau for transmittal to the Legislature or to the Legislative Commission if the Legislature is not in session. (Section 13.5 of the Act) **Section 2** of this bill requires that the reports be submitted instead to the Department of Taxation.

Senate Bill No. 249.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 838.

AN ACT relating to the taxation of property; revising the provisions governing the administration of certain exemptions from taxation, the determination of the taxable value of the community units of a common-interest community, the conversion of mobile or manufactured homes from real to personal property, **the issuance of certain notices by the county assessor and county treasurer,** the payment of taxes on personal property in installments, and the determination of when an overpayment of taxes on personal property will not be refunded or a deficiency in the payment of such taxes will be exempted from collection; postponing the prospective expiration of certain provisions for the funding of accounts for the acquisition and improvement of technology in the offices of county assessors and revising the authorized uses of such accounts; repealing certain requirements relating to the minimum valuation of certain land; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides various exemptions from property taxes for surviving spouses, persons who are blind and veterans, if the persons claiming the exemptions are bona fide residents of this State, and requires the county assessors to mail annually to each person who claims such an exemption a form for the renewal of the exemption. (NRS 361.080, 361.085, 361.090, 361.091) **Section 1** of this bill clarifies that these tax exemptions do not apply to a person who holds an identification card indicating that the person is only a seasonal resident of this State, unless the person has actually resided in Nevada for at least 6 months. **Sections 2-5** of this bill authorize the county assessors to provide, upon request, the forms for renewal by electronic means and to authorize the return of those forms by electronic means.

Under existing law, the taxable value of the common elements of a common-interest community must be allocated on an equal basis to each of the community units of that common-interest community. (NRS 361.233) **Section 6** of this bill instead requires, under certain conditions, the allocation of that taxable value to the community units in accordance with a formula for allocation set forth in the declaration creating the common-interest community or, if there is no such declaration, in the recorded deeds for the community units.

Under existing law, a mobile or manufactured home may not be converted from real to personal property and removed from the real property to which it is affixed unless the county assessor certifies that the current taxes on that home and real property have been paid. (NRS 361.2445) **Section 7** of this bill instead requires this certification from the county tax receiver.

Existing law requires each board of county commissioners to pass a resolution during each fiscal year which directs the county assessor to prepare a secured tax roll of taxable property in the county. The resolution must further direct the county assessor to mail a copy of the secured tax roll to each taxpayer in the county and publish the secured tax roll in a newspaper of general circulation in the county. Existing law also requires the county assessor to issue certain notices indicating that the secured tax roll is complete and available for inspection. (NRS 361.300) Section 9.5 of this bill requires the county assessor to, pursuant to a resolution adopted by the board of county commissioners, additionally post the secured tax roll in certain public areas, post the secured tax roll at the office of the county assessor and publish the secured tax roll on an Internet website maintained by the county assessor or the county. In addition, section 9.5 requires that notices to the effect that the secured tax roll is complete and open for inspection also indicate the locations at which the secured tax roll is available for inspection.

Existing law requires a county tax receiver to publish certain notices of delinquent taxes in a newspaper of general circulation in the county or, if no such newspaper exists, in at least five conspicuous places in the county. (NRS 361.565) Section 11.5 of this bill requires the county tax receiver to additionally publish such notices of delinquency on an Internet website maintained by the county treasurer or the county.

Existing law authorizes a taxpayer, upon request, to pay the personal property taxes imposed on the property of a business in installments if the total taxes exceed $10,000 and certain other conditions are met. (NRS 361.483) **Section 10** of this bill revises this authorization to include the taxes imposed on personal property which is not the property of a business, to require the total amount of taxes to exceed $5,000 and to allow the installment payments only if the pertinent tax bill is issued on or before September 15.

Under existing law, an overpayment of personal property taxes in an amount which is less than the average cost of collecting taxes in this State must be paid into the county general fund unless the taxpayer requests a refund within 6 months, and a deficiency in the payment of personal property taxes must be exempted from collection efforts if the deficiency is less than that average cost of collecting taxes. (NRS 361.485) **Section 11** of this bill requires, when calculating the amount paid to determine the existence and amount of such an overpayment or deficiency, the inclusion of the amount of any applicable penalties paid and the amount of any applicable partial abatements of taxes.

Existing law provides various exemptions from the governmental services taxes otherwise due on vehicles of surviving spouses, persons who are blind and veterans and requires the county assessors to mail annually to each person who claims such an exemption a form for the renewal of the exemption. (NRS 371.101, 371.102, 371.103, 371.104) **Sections 12-15** of this bill authorize the county assessors to provide, upon request, the forms for renewal by electronic means.

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) **Section 16** of this bill provides for the continuation of this funding during the next biennium by postponing its prospective expiration until June 30, 2013. **Section 15.5** of this bill revises the authorized uses of the money in such an account.

Existing law requires persons who desire to claim a property tax exemption for personal property which is in transit through this State to make their claims in the form and manner prescribed by the regulations of the Department of Taxation. (NRS 361.170) Existing law also requires county

assessors to assess all patented land and land held under a state land contract at a minimum rate of $1.25 per acre and requires county assessors to pay the difference between that amount and the amount of any lower assessments of that land. (NRS 361.230) **Section 17** of this bill repeals these requirements.

GENERAL FILE AND THIRD READING

Senate Bill No. 289.

Bill read third time.

The following amendment was proposed by Assemblyman Atkinson:

Amendment No. 855.

AN ACT relating to insurance; revising provisions relating to nonadmitted insurance; authorizing the Commissioner of Insurance to enter ~~[the Nonadmitted Insurance Multi-State Agreement;]~~ **into a multi-state agreement concerning nonadmitted insurance;** revising provisions relating to the assessment and disbursement of taxes on nonadmitted insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain insurance coverages that cannot be procured from authorized insurers in Nevada, known as surplus lines, may be obtained from unauthorized insurers if certain conditions are met. (NRS 685A.040) Additionally, a tax is assessed on the premiums charged for surplus lines coverages. (NRS 685A175, 685A.180) On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act, of which the Nonadmitted and Reinsurance Reform Act (NRRA) was a part, was signed into law. (Pub. L. No. 111-203, 124 Stat. 1376) The NRRA authorizes the states to participate in a multi-state agreement to allocate premium tax proceeds for nonadmitted insurance on multi-state risks amongst the states and prohibits any state other than the insured's home state from collecting premium taxes on nonadmitted insurance. The NRRA also prohibits any state other than the insured's home state from regulating the placement of nonadmitted insurance and from requiring a surplus lines broker to be licensed. (15 U.S.C. §§ 8201 et seq.)

This bill makes various changes to existing law to conform to the NRRA. **Sections 17, 32 and 33** of this bill authorize the Commissioner to enter into ~~[the Nonadmitted Insurance Multi-State Agreement]~~ **a multi-state agreement concerning nonadmitted insurance** and to provide for the

payment of premium tax to and disbursement of premium tax from the clearinghouse established through the ~~[Nonadmitted Insurance Multi-State Agreement.]~~ **multi-state agreement.**

Sec. 3. NRS 683A.321 is hereby amended to read as follows:

683A.321 1. A producer of insurance shall not act as an agent unless he or she is appointed as an agent by the insurer. A producer who is not acting as an agent is a broker who does not need to be appointed.

2. To appoint a producer of insurance as its agent, an insurer must file, in a form approved by the Commissioner, a notice of appointment within 15 days after the contract is executed or the first application for insurance is submitted. An insurer may appoint a producer to act as agent for all or some insurers within its holding company or group by filing a single notice of appointment. A notice of appointment may include several agents.

3. Upon receipt of a notice of appointment, the Commissioner shall determine within 30 days whether the producer of insurance is eligible for appointment. If the producer of insurance is not, the Commissioner shall so notify the insurer within 5 days after the determination is made.

4. An insurer shall pay an appointment fee and remit an annual renewal fee for each producer of insurance appointed as its agent. A payment or remittance may include fees for several agents.

5. A broker shall not place insurance, other than life insurance, health insurance, annuity contracts or coverage written pursuant to the ~~[~~Surplus Lines~~]~~ ***Nonadmitted Insurance*** Law set forth in chapter 685A of NRS, that covers property or risks within this state unless the broker does so with a licensed agent of an authorized insurer.

6. A producer who is acting as an agent may also act as and be a broker with regard to insurers for which he or she is not acting as an agent. The sole relationship between an insurer and a broker who is appointed as an agent by the insurer as to any transactions arising during the period in which the broker is appointed as an agent is that of insurer and agent, and not insurer and broker.

7. As used in this section:

(a) "Agent" means a producer of insurance who is compensated by the insurer and sells, solicits or negotiates insurance for the insurer.

(b) "Broker" means a producer of insurance who:

(1) Is not an agent of an insurer;

(2) Solicits, negotiates or procures insurance on behalf of an insured or prospective insured; and

(3) Does not have the power, by his or her own actions as a broker, to obligate an insurer upon any risk or with reference to any transaction of insurance.

Sec. 4. Chapter 685A of NRS is hereby amended by adding thereto the provisions set forth as sections 5 to 17, inclusive, of this act.

Sec. 5. "***Broker" means a surplus lines broker duly licensed as such under this chapter.***

(b) Who, at the time of placement, has paid aggregate nationwide commercial property and casualty insurance premiums of more than $100,000 in the immediately preceding 12 months; and

(c) Who, at the time of placement, satisfies one of the following conditions:

(1) Possesses a net worth of more than $20,000,000;

(2) Generates annual revenues of more than $50,000,000;

(5) Is a city whose population is 25,000 or more or a county whose population is 20,000 or more.

2. The amounts set forth in subparagraphs (1), (2) and (4) of paragraph (c) of subsection 1 must be adjusted on or before January 1, 2015, and every 5 years thereafter to reflect inflation, as measured by the average percentage of increase or decrease in the Consumer Price Index for All Urban Consumers of the United States Department of Labor, Bureau of Labor Statistics for the preceding 5 years. The Commissioner shall determine the amount of the increase or decrease required by this subsection and establish the adjusted amounts to take effect on January 1 of that year.

Sec. 7. *"Export" means to place insurance in an unauthorized insurer under this chapter.*

Sec. 8. *"Home state" means:*

1. For an insured:

(a) The state in which the insured maintains its principal place of business or, in the case of an individual, the individual's principal residence; or

(b) If 100 percent of the insured risk is located outside of the state determined pursuant to paragraph (a), the state to which the greatest percentage of the insured's taxable premium for that insurance contract is allocated.

3. For a policy of group insurance:

(a) If the group policyholder pays 100 percent of the premium from its own funds, the state determined pursuant to paragraph (a) of subsection 1 for the group policyholder.

(b) If the group policyholder does not pay 100 percent of the premium from its own funds, the state determined pursuant to paragraph (a) of subsection 1 for the group member.

Sec. 9. *"Independently procured insurance" means insurance procured directly by an insured from a nonadmitted insurer.*

Sec. 10. *"Multi-state risk" means a risk covered by a nonadmitted insurer to which the insured is exposed in more than one state.*

Sec. 11. *"Nonadmitted insurance" means any property and casualty insurance permitted to be placed directly or through a broker with a*

nonadmitted insurer eligible to accept such insurance. The term includes both independently procured insurance and surplus lines insurance.

Sec. 12. *"Nonadmitted insurer" means an insurer not authorized to engage in the business of insurance in this State. The term does not include a risk retention group as that term is defined in 15 U.S.C. § 3901(a)(4).*

Sec. 13. *"Principal place of business" means, for the purpose of determining the home state of the insured:*

1. The state where the insured maintains its headquarters and where the insured's high-level officers direct, control and coordinate its business activities;

Sec. 14. *"Principal residence" means, for the purpose of determining the home state of the insured:*

1. The state where the insured resides for the greatest number of days during a calendar year; or

2. If the insured's principal residence is located outside of any state, the state to which the greatest percentage of the insured's taxable premium for that insurance contract is allocated.

Sec. 15. *"Surplus lines insurance" means insurance procured by an insured through a broker with a nonadmitted insurer eligible to accept such insurance.*

Sec. 16. *Except as otherwise provided in NRS 685A.020, this chapter applies to nonadmitted insurance.*

Sec. 17. *1. The Commissioner may, with the approval of the State Board of Examiners, on behalf of the State [,] enter into [the Nonadmitted Insurance Multi-State Agreement or any other] a multi-state agreement to preserve the ability of this State to collect premium tax on multi-state risks.*

2. If , within 18 months after the Commissioner enters into [an] a multi-state agreement pursuant to subsection 1, the Commissioner [shall:

(a) Adopt the agreement by regulation as soon as is practicable after entering into the agreement; and

Director of the Legislative Counsel Bureau for transmittal to the Legislature a report ~~[stating that]~~ concerning the findings of the Commissioner ~~[has entered into such an agreement and including the contents of the agreement.]~~ pursuant to the hearing.

3. The State Board of Examiners shall review and may accept the findings of the Commissioner. If the Commissioner finds and the State Board of Examiners accepts that because of the effect of the multi-state agreement on the gross receipt of premiums collected in this State:

(a) It is in the best interest of the State to continue to participate in the multi-state agreement, the State Board of Examiners may approve the State's continued participation in the multi-state agreement.

(b) It is not in the best interest of the State to continue to participate in the multi-state agreement, the State Board of Examiners may approve the State's withdrawal from the multi-state agreement.

Sec. 18. *The Commissioner ~~[shall]~~ may adopt regulations as necessary ~~[:~~*

~~2. For participation in the clearinghouse established through the Nonadmitted Insurance Multi State Agreement or any other such multi state agreement for the purposes of collecting and disbursing to states any funds collected as the home state and applicable to properties, risks or exposures located or to be performed outside of this State. Sec. 20. NRS 685A.020 is hereby amended to read as follows:

5. Insurance of automobile bodily injury and property damage liability risks when written in Mexican insurers and covering in Mexico and not in the United States of America.

Sec. 22. NRS 685A.040 is hereby amended to read as follows:

685A.040 If ***this State is the insured's home state and*** certain insurance coverages cannot be procured from authorized insurers, such coverages, designated in this chapter as ~~["surplus lines,"]~~ ***nonadmitted insurance,*** may be procured from unauthorized insurers, subject to the following conditions:

1. The insurance must be procured through a ~~[surplus lines]~~ broker licensed as such under this chapter ~~[.]~~ ***or procured by an insured directly from a nonadmitted insurer as permitted by law.***

2. ~~[The]~~ ***Except as otherwise provided in subsection 5, the*** full amount of insurance required must not be procurable ~~[,]~~ ***from an insurer authorized***

to engage in the business of insurance in this State, after diligent effort has been made to do so.

3. The insurance must not be so exported for the purpose of procuring it at a premium rate lower than would be accepted by any authorized insurer; difference in rates alone will not support the export of the insurance if any authorized insurer is able and willing to carry the risk.

4. Differences, bearing directly upon the cost of insurance, in the terms of policies which otherwise provide substantially the same coverage will not support the export of the insurance.

5. A broker is not required to make a diligent effort to determine whether the full amount or type of insurance can be obtained from admitted insurers when the broker is seeking to procure or place nonadmitted insurance for an exempt commercial purchaser if:

(a) The broker procuring or placing the nonadmitted insurance has disclosed to the exempt commercial purchaser that such insurance may or may not be available from the admitted market that may provide greater protection with more regulatory oversight; and

(b) The exempt commercial purchaser has subsequently requested in writing for the broker to procure or place such insurance from a nonadmitted insurer.

Sec. 23. NRS 685A.050 is hereby amended to read as follows:

685A.050 1. At the time of effecting any surplus lines insurance ***for which this State is the home state,*** the broker shall ~~[execute an affidavit]~~ ***, within 90 days after such insurance is so effected, submit a report,*** in the form prescribed or accepted by the Commissioner, setting forth facts from which it can be determined whether such insurance is eligible for export under NRS 685A.040.

2. The broker shall ~~[file this affidavit]~~ ***keep in his or her office the report prepared pursuant to subsection 1 along*** with the report of coverage and any other information the Commissioner requires ***.*** ~~[within 90 days after the insurance is so effected, as required under regulations adopted pursuant to NRS 685A.210.]~~

3. The report prepared pursuant to subsection 1 must not be removed from the office of the broker and must be open to examination by the Commissioner or a representative of the Commissioner at all times within 5 years after issuance of the coverage to which it relates.

Sec. 24. NRS 685A.060 is hereby amended to read as follows:

685A.060 1. The Commissioner may by order declare eligible for export generally and without compliance with subsections 2, 3 and 4 of NRS 685A.040 and NRS 685A.050, any class or classes of insurance coverage or risk for which the Commissioner finds that there is not a reasonable or adequate market among authorized insurers either as to acceptance of the

risk, contract terms, or premium or premium rate. Any such order shall continue in effect during the existence of the conditions upon which predicated, but subject to earlier termination by the Commissioner.

2. ~~[The]~~ ***For surplus lines insurance, the*** broker shall file with or as directed by the Commissioner a memorandum as to each such coverage placed by the broker in an unauthorized insurer, in such form and context as the Commissioner may reasonably require for the identification of the coverage and determination of the tax payable to the State relative thereto.

3. The broker, or a licensed Nevada agent of the authorized insurer or a general lines broker, may also place with authorized insurers any insurance coverage made eligible for export generally under subsection 1, and without regard to rate or form filings which may otherwise be applicable to the authorized insurer. As to coverages so placed in an authorized insurer the premium tax thereon shall be reported and paid by the insurer as required generally under chapter 680B of NRS.

Sec. 25. NRS 685A.070 is hereby amended to read as follows:

685A.070 1. A broker shall not knowingly place surplus lines insurance with an insurer which is unsound financially or ineligible pursuant to this section.

2. ~~[Except]~~ ***With respect to nonadmitted insurance for insureds for which this State is the home state, except*** as otherwise provided in this section, an insurer is not eligible to accept surplus lines ***or independently procured*** risks pursuant to this chapter unless it has ***capital and*** surplus ~~[as to policyholders]~~ ***or its equivalent*** in an amount of not less than $15,000,000 ~~[and, if]~~ ***or the minimum capital and surplus requirements pursuant to NRS 680A.120, whichever is greater.***

3. The requirements of subsection 2 may be satisfied by an insurer possessing less than the minimum capital and surplus upon an affirmative finding of acceptability by the Commissioner. The finding must be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability and company record and reputation within the industry. The Commissioner shall not make an affirmative finding of acceptability when the nonadmitted insurer's capital and surplus is less than $4,500,000.

4. A broker shall not place surplus lines insurance with an alien insurer, unless ***the alien insurer is listed on the Quarterly Listing of Alien Insurers maintained by the International Insurers Department of the National Association of Insurance Commissioners or, if the alien insurer is not listed on the Quarterly Listing of Alien Insurers,*** it has and maintains in a bank or trust company which is a member of the United States Federal Reserve System a trust fund established pursuant to terms that are reasonably

adequate to protect all of its policyholders in the United States. Such a trust fund must not have an expiration date which is at any time less than 5 years in the future, on a continuing basis. In the case of:

(a) A single alien insurer, such a trust fund must not be less than the greater of $5,400,000 or 30 percent of the gross liabilities of the alien insurer for surplus lines in the United States, excluding any liabilities for aviation, wet marine and transportation insurance, not to exceed $60,000,000, to be determined annually on the basis of accounting practices and procedures that are substantially equivalent to the accounting practices and procedures applicable in this State as of December 31 of the year immediately preceding the date of the determination where:

(1) The liabilities are maintained in an irrevocable trust account in a qualified financial institution in the United States, on behalf of policyholders in the United States, consisting of cash, securities, letters of credit or any other investments of substantially the same character and quality as investments that are eligible investments pursuant to chapter 682A of NRS for the capital and statutory reserves of admitted insurers to write like kinds of insurance in this State. The trust fund, which must be included in any calculation of capital and surplus or its equivalent, must comply with the requirements set forth in the Standard Trust Agreement required for listing with the International Insurers Department of the National Association of Insurance Commissioners;

(2) The alien insurer may request approval by the Commissioner to use the trust fund to pay any valid claim against a surplus line if the balance of the trust fund is not, during any period, less than $5,400,000 or 30 percent of the alien insurer's current gross liabilities for surplus lines in the United States, excluding any liabilities for aviation, wet marine and transportation insurance; and

(3) In calculating the amount of the trust fund required by this subsection, credit must be given for any deposits for any surplus lines that are separately required and maintained within a state or territory of the United States, not to exceed the amount of the alien insurer's loss and loss adjustment reserves maintained in that state or territory.

(b) A group of insurers which includes individual unincorporated insurers, such a trust fund must not be less than $100,000,000.

(c) A group of incorporated insurers under common administration, such a trust fund must not be less than $100,000,000. Each insurer within the group must individually maintain capital and surplus of not less than $25,000,000. The group of incorporated insurers must:

(1) Operate under the supervision of the Department of Trade and Industry of the United Kingdom;

(2) Possess aggregate policyholders surplus of $10,000,000,000, which must consist of money in trust in an amount not less than the assuming insurers' liabilities attributable to insurance written in the United States; and

(3) Maintain a joint trusteed surplus of which $100,000,000 must be held jointly for the benefit of United States ceding insurers of any member of the group.

~~[(d) An insurance exchange created by the laws of a state, the insurance exchange shall have and maintain a trust fund in an amount of not less than $75,000,000 or have a surplus as to policyholders in an amount of not less than $75,000,000. If an insurance exchange maintains money for the protection of all policyholders, each syndicate shall maintain minimum capital and surplus of not less than $15,000,000 and must qualify separately to be eligible for the acceptance of surplus lines risks pursuant to this chapter. ➥ The Commissioner may require larger trust funds or surplus as to policyholders than those set forth in this section if, in the judgment of the Commissioner, the volume of business being transacted or proposed to be transacted warrants larger amounts.~~

~~3. An insurer is not eligible to write surplus lines of insurance unless it has established a reputation for financial integrity and satisfactory practices in underwriting and handling claims. In addition, a]~~

5. ***A*** foreign insurer must be authorized in the state of its domicile to write the kinds of insurance which it intends to write in Nevada ~~[.~~

~~4. The Commissioner may from time to time compile or approve a list of all surplus lines insurers deemed by the Commissioner to be eligible currently, and may mail a copy of the list to each broker at his or her office last of record with the Commissioner. The application must be accompanied by a nonrefundable fee of $2,450 and, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. To remain on the list, a surplus lines insurer must pay, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. This subsection does not require the Commissioner to determine the actual financial condition or claims practices of any unauthorized insurer. The status of eligibility, if granted by the Commissioner, indicates only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the Commissioner has no credible evidence to the contrary. While any such list is in effect, the broker shall restrict to the insurers so listed all surplus lines business placed by the broker.]~~ ***and for which this State is the home state of the insured.***

2. Each unauthorized insurer assuming a surplus lines risk under the ~~[Surplus Lines]~~ ***Nonadmitted Insurance*** Law shall be deemed thereby to have subjected itself to the terms of this section.

Legislative Counsel's Digest:

Section 1.3 of this bill revises provisions relating to mediation between local governments and employee organizations during collective bargaining. **Sections 1, 1.7, 3 and 4** of this bill require that the reports made by the chief

executive officer of a local government or the superintendent of a school district to the local government or to the board of trustees of the school district, respectively, concerning the fiscal impact of a collective bargaining agreement between the local government and an employee organization include information relating to the estimated total cost of the agreement and the difference in that cost and the total cost of the immediately preceding agreement.

The estimated total cost of the agreement, including, without limitation, the estimated total cost of the employees' portion of contributions to the Public Employees' Retirement System that the local government employer will pay on behalf of the employees during the period of the agreement in lieu of equivalent base salary increases or cost-of-living increases, or both, in the employees' salaries; and

2. The difference between the estimated total cost of the agreement and the total cost of the immediately preceding agreement between the parties.

Sec. 1.3. NRS 288.190 is hereby amended to read as follows:

The employee organization shall strike the first name.

2. If mediation is ~~[agreed to or]~~ requested pursuant to subsection 1, the mediator must be selected at the time the parties agree upon a mediator or, if the parties do not agree upon a mediator, within 5 days after the parties receive the list of potential mediators**.** ~~[from the Commissioner.]~~

3. The mediator shall bring the parties together as soon as possible and, unless otherwise agreed upon by the parties, attempt to settle the dispute within 30 days after being notified of the mediator's selection as mediator. Sec. 1.7. NRS 288.200 is hereby amended to read as follows:

288.200 Except in cases to which NRS 288.205 and 288.215, or NRS 288.217 apply:

1. If:

(a) The parties have failed to reach an agreement after at least six ~~*[four]*~~ meetings of negotiations; and

(b) The parties have participated in mediation and by April 1, have not reached agreement,

➥ either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.

2. If the parties are unable to agree on an impartial fact finder or a panel of neutral arbitrators within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.

3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.

4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2, and the fact finder shall report the findings and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.

5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.

6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between these parties, the best interests of the State and all its citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

7. Except as otherwise provided in subsection 10, any fact finder, whether the fact finder's recommendations are to be binding or not, shall base such recommendations or award on the following criteria:

(a) A preliminary determination must be made as to the financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Once the fact finder has determined in accordance with paragraph (a) that there is a current financial ability to grant monetary benefits, and subject to the provisions of paragraph (c), the fact finder shall consider, to the extent appropriate, compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms

and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.

(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

➥ The fact finder's report must contain the facts upon which the fact finder based the fact finder's determination of financial ability to grant monetary benefits and the fact finder's recommendations or award.

8. Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:

(a) The issues of the parties submitted pursuant to subsection 3;

(b) The report of findings and recommendations of the fact finder; and

(c) The overall fiscal impact of the findings and recommendations, which must not include a discussion of the details of the report.

➥ The fact finder must not be asked to discuss the decision during the meeting.

9. The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations. The report must include, without limitation ~~[, an]~~ ***:***

(a) An analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment ~~[.]~~ ***; and***

(1) The estimated total cost of any contract resulting from the findings or recommendations which are to be binding, including, without limitation, the estimated total cost of the employees' portion of contributions to the Public Employees' Retirement System that the local government employer will pay on behalf of the employees during the period of the contract in lieu of equivalent base salary increases of cost-of-living increases, or both, in the employees' salaries; and

(2) The difference between the estimated total cost of the contract and the total cost of the immediately preceding contract between the parties.

10. Any sum of money which is maintained in a fund whose balance is required by law to be:

(a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or

(b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount,

➥ must not be counted in determining the financial ability of a local government employer and must not be used to pay any monetary benefits recommended or awarded by the fact finder.

11. The issues which may be included in a panel's order pursuant to subsection 6 are:

(a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and

(b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

➥ This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

If the negotiations are begun, the arbitrator may adjourn the hearings for a period of 3 weeks. The appointment of a deputy district attorney must not be construed to confer upon that deputy policymaking authority for the office of the district attorney or the county by which the deputy district attorney is employed.

2. District attorneys are responsible on their official bonds for all official malfeasance or nonfeasance of the deputies. Bonds for the faithful performance of their official duties may be required of deputies by district attorneys.

The compensation of any person so appointed must be fixed by the board of county commissioners.

6. In a county whose population is ~~[~~400,000~~]~~ *[100,000]* ***700,000*** or more, deputies are governed by the merit personnel system of the county.

An assistant attorney must be a qualified attorney licensed to practice in this State and may be placed on a part-time or full-time basis. The appointment of a deputy, assistant attorney or other employee pursuant to this subsection must not be construed to confer upon that deputy, assistant attorney or other employee policymaking authority for the office of the public defender or the county or counties by which the deputy, assistant attorney or other employee is employed.

3. The compensation of persons appointed under subsection 2 must be fixed by the board of county commissioners of the county or counties so served.

5. The board of county commissioners shall provide office space, furniture, equipment and supplies for the use of the public defender suitable for the conduct of the business of his or her office. However, the board of county commissioners may provide for an allowance in place of facilities. Each of those items is a charge against the county in which public defender services are rendered. If the public defender serves more than one county, expenses that are properly allocable to the business of more than one of those counties must be prorated among the counties concerned.

6. In a county whose population is ~~[~~400,000~~]~~ ~~*[100,000]*~~ ***700,000*** or more, deputies are governed by the merit personnel system of the county.

Sec. 75.5. **Chapter 218D of NRS is hereby amended by adding thereto a new section to read as follows:**

Legislative Counsel's Digest:

The federal Secure and Fair Enforcement for Mortgage Licensing Act of 2008 requires that a person who originates residential mortgage loans be licensed as a loan originator and requires that such a loan originator be registered with the Nationwide Mortgage Licensing System and Registry. (12 U.S.C. § 5103) Existing law in Nevada prescribes the requirements for a license as a mortgage agent, mortgage banker, mortgage broker or a qualified employee who is a residential mortgage loan originator, which include, without limitation, registration with the Nationwide Mortgage Licensing System and Registry. (NRS 645B.0137, 645E.200) **Section 6** of this bill provides that such a person is not required to register or renew with the Nationwide Mortgage Licensing System and Registry, or provide reports of financial condition to the Registry, if: (1) the person is not a residential mortgage loan originator or the supervisor of a residential mortgage loan originator; and (2) the person is not required to register pursuant to the federal Act. **Section 6** also provides that such a person who voluntarily registers or renews with the Registry shall comply with all requirements of the federal Act.

Under existing law, the Commissioner of Mortgage Lending is required to adopt such regulations as necessary to carry out the provisions of the federal Act. (NRS 645F.293) **Section 7** of this bill provides that the regulations must not require registration of a person who is exempt pursuant to **section 6**.

Sections ~~[1,]~~ 1.5, 2 and 4 of this bill revise provisions governing continuing education requirements for persons who are exempt pursuant to **section 6** and who have not voluntarily registered or renewed with the Registry. **~~[~~Section~~]~~ Sections 1 and 3** of this bill **~~[~~exempts~~]~~ clarify that** certain investors who deposit money with a mortgage broker **are exempt** from criminal and civil liability for the acts or omissions of the mortgage broker. **Section 5** of this bill revises provisions governing the employment of or association with a mortgage agent by a mortgage broker, mortgage banker or person who holds a certificate of exemption issued by the Commissioner of Mortgage Lending. **Section 8** of this bill repeals certain provisions governing mortgage bankers which are included within the amendatory provisions of **section 5**.

In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.

~~[4.]~~ ***3.*** "Tenant" means a person who has the right to possess real property pursuant to a rental agreement.

Sec. 26. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance,

the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the

landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS ~~[118.207 or]~~ 118A.460 ***or section 16 of this act*** for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS ~~[118.207 or]~~ 118A.460 ***or section 16 of this act*** and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the

tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 26.5. **NRS 40.430 is hereby amended to read as follows:**

40.430 1. Except in cases where a person proceeds under subsection 2 of NRS 40.495 or subsection 1 of NRS 40.512, ***and except as otherwise provided in section 15.5 of this act,*** there may be but one action for the recovery of any debt, or for the enforcement of any right secured by a mortgage or other lien upon real estate. That action must be in accordance with the provisions of NRS 40.430 to 40.459, inclusive. In that action, the judgment must be rendered for the amount found due the plaintiff, and the court, by its decree or judgment, may direct a sale of the encumbered property, or such part thereof as is necessary, and apply the proceeds of the sale as provided in NRS 40.462.

2. This section must be construed to permit a secured creditor to realize upon the collateral for a debt or other obligation agreed upon by the debtor and creditor when the debt or other obligation was incurred.

3. At any time not later than 5 business days before the date of sale directed by the court, if the deficiency resulting in the action for the recovery of the debt has arisen by failure to make a payment required by the mortgage or other lien, the deficiency may be made good by payment of the deficient sum and by payment of any costs, fees and expenses incident to making the deficiency good. If a deficiency is made good pursuant to this subsection, the sale may not occur.

4. A sale directed by the court pursuant to subsection 1 must be conducted in the same manner as the sale of real property upon execution, by the sheriff of the county in which the encumbered land is situated, and if the encumbered land is situated in two or more counties, the court shall direct the sheriff of one of the counties to conduct the sale with like proceedings and effect as if the whole of the encumbered land were situated in that county.

5. Within 30 days after a sale of property is conducted pursuant to this section, the sheriff who conducted the sale shall record the sale of the property in the office of the county recorder of the county in which the property is located.

6. As used in this section, an "action" does not include any act or proceeding:

(a) To appoint a receiver for, or obtain possession of, any real or personal collateral for the debt or as provided in NRS 32.015.

(b) To enforce a security interest in, or the assignment of, any rents, issues, profits or other income of any real or personal property.

(c) To enforce a mortgage or other lien upon any real or personal collateral located outside of the State which does not, except as required under the laws of that jurisdiction, result in a personal judgment against the debtor.

(d) For the recovery of damages arising from the commission of a tort, including a recovery under NRS 40.750, or the recovery of any declaratory or equitable relief.

(e) For the exercise of a power of sale pursuant to NRS 107.080.

(f) For the exercise of any right or remedy authorized by chapter 104 of NRS or by the Uniform Commercial Code as enacted in any other state.

(g) For the exercise of any right to set off, or to enforce a pledge in, a deposit account pursuant to a written agreement or pledge.

(h) To draw under a letter of credit.

(i) To enforce an agreement with a surety or guarantor if enforcement of the mortgage or other lien has been automatically stayed pursuant to 11 U.S.C. § 362 or pursuant to an order of a federal bankruptcy court under any other provision of the United States Bankruptcy Code for not less than 120 days following the mailing of notice to the surety or guarantor pursuant to subsection 1 of NRS 107.095.

(j) To collect any debt, or enforce any right, secured by a mortgage or other lien on real property if the property has been sold to a person other than the creditor to satisfy, in whole or in part, a debt or other right secured by a senior mortgage or other senior lien on the property.

(k) Relating to any proceeding in bankruptcy, including the filing of a proof of claim, seeking relief from an automatic stay and any other action to determine the amount or validity of a debt.

(l) For filing a claim pursuant to chapter 147 of NRS or to enforce such a claim which has been disallowed.

(m) Which does not include the collection of the debt or realization of the collateral securing the debt.

TEXT OF REPEALED SECTION

118.207 Disposal of personal property abandoned by tenant on commercial premises; notice; procedure by landlord; releasing property to tenant; limitation on landlord's liability.

1. Except as otherwise provided in subsection 2, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the conditions set forth in subparagraphs (1) and (2) are satisfied:

(1) The landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

➥ The landlord shall be deemed to have taken the reasonable steps required by subparagraph (2) if the landlord has reviewed the results of a current search of the records in which a financing statement must be filed in order to perfect a lien or security interest pursuant to chapter 104 of NRS for a financing statement naming the tenant as the debtor of a debt secured by the abandoned personal property and, if such a financing statement is found, mailed, to any secured party named on the financing statement at the address indicated on the financing statement, by certified mail, return receipt requested, a written notice stating that the abandoned personal property has been left on the premises.

2. If a written agreement between a landlord and a secured party who has a perfected lien on, or a perfected security interest in, any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the secured party with respect to the removal and disposal of the abandoned personal property.

3. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

Sec. 14. *1. A landlord or a landlord's agent may not interrupt or cause the interruption of utility service paid for directly to the utility company by a tenant unless the interruption results from construction, bona fide repairs or an emergency.*

2. A landlord may not remove:

(a) A door, window or attic hatchway cover;

(b) A lock, latch, hinge, hinge pin, doorknob or other mechanism connected to a door, window or attic hatchway cover; or

(c) Furniture, fixtures or appliances furnished by the landlord,

➥ from commercial premises unless the landlord removes the item for a bona fide repair or replacement. If a landlord removes any of the items listed in this subsection for a bona fide repair or replacement, the repair or replacement must be promptly performed.

3. A landlord may not intentionally prevent a tenant from entering the commercial premises except by judicial process unless the exclusion results from:

(a) Construction, bona fide repairs or an emergency;

(b) Removing the contents of commercial premises abandoned by a tenant; or

(c) Changing the door locks of a tenant who is delinquent in paying at least part of the rent.

4. If a landlord or a landlord's agent changes the door lock of commercial premises leased to a tenant who is delinquent in paying rent, the landlord or agent must place a written notice on the front door of the commercial premises stating the name and the address or telephone number of the person or company from which the new key may be obtained. business hours of the tenant and only if the tenant pays the delinquent rent.

5. If a landlord or a landlord's agent violates this section, the tenant may:

(a) Recover possession of the commercial premises or terminate the rental agreement; and

(b) Recover from the landlord an amount equal to the sum of the tenant's actual damages, one month's rent or $500, whichever is greater, reasonable attorney's fees and court costs, less any delinquent rents or other sums for which the tenant is liable to the landlord.

6. A rental agreement supersedes this section to the extent of any conflict.

Sec. 15. ***1. If a landlord locks a tenant out of commercial premises that*** ~~[is]~~ ***are subject to a rental agreement in violation of section 14 of this act, the tenant may recover possession of the commercial premises as provided by this section.***

2. A tenant must file with the justice court of the township in which the commercial premises are located or with the district court of the county in which the commercial premises are located, whichever has jurisdiction over the matter, a verified complaint for reentry, specifying the facts of the alleged unlawful lockout by the landlord or the landlord's agent. The tenant must also state orally under oath to the court the facts of the alleged unlawful lockout.

3. If a tenant has complied with subsection 2 and if the court reasonably believes an unlawful lockout may have occurred, the court may issue, ex parte, a temporary writ of restitution that entitles the tenant to immediate and temporary possession of the commercial premises, pending a final hearing on the tenant's verified complaint for reentry.

4. A temporary writ of restitution must be served on the landlord or the landlord's agent in the same manner as a writ of restitution in a forcible detainer action. A sheriff or constable may use reasonable force in executing a temporary writ of restitution under this subsection.

5. A landlord is entitled to a hearing on a tenant's verified complaint for reentry. A temporary writ of restitution must notify the landlord of the right to a hearing. The hearing must be held not earlier than the first day and not later than the seventh day after the date the landlord requests a hearing.

6. If a landlord fails to request a hearing on a tenant's verified complaint for reentry before the eighth day after the date of service of the temporary writ of restitution on the landlord under subsection 4, a judgment for court costs may be rendered against the landlord.

7. A party may appeal from the court's judgment at the hearing on the verified complaint for reentry in the same manner as a party may appeal a judgment in an action for forcible detainer.

8. If a writ of restitution is issued, the writ supersedes a temporary writ of restitution.

9. If the landlord or the person on whom a writ of restitution is served fails to immediately comply with the writ or later disobeys the writ, the failure is grounds for contempt of court against the landlord or the person on whom the writ was served, under chapter 22 of NRS. If the writ is disobeyed, the tenant or the tenant's attorney may file in the court in which the reentry action is pending an affidavit stating the name of the person who has disobeyed the writ and describing the acts or omissions constituting the disobedience. On receipt of an affidavit, the court shall issue an order to show cause, directing the person to appear on a designated date and show cause why the person should not be adjudged in contempt of court. If the court finds, after considering the evidence at the hearing, that the person has directly or indirectly disobeyed the writ, the court may commit the person to jail without bail until the person purges himself or herself of the contempt in a manner and form as the court may direct. If the person disobeyed the writ before receiving the order to show cause but has complied with the writ after receiving the order, the court may find the person in contempt and punish the person under chapter 22 of NRS.

10. This section does not affect a tenant's right to pursue a separate cause of action under section 14 of this act.

11. If a tenant in bad faith files a sworn complaint for reentry resulting in a writ of restitution being served on the landlord or landlord's agent, the landlord may in a separate cause of action recover from the tenant an amount equal to actual damages, one month's rent or $500, whichever is greater, reasonable attorney's fees, and costs of court, less any sums for which the landlord is liable to the tenant.

12. The fee for filing a verified complaint for reentry is the same as that for filing a civil action in the court in which the verified complaint is filed. The court may defer payment of the tenant's filing fees and service costs for the verified complaint for reentry and writ of restitution. Court costs may be waived only if the tenant files an affidavit under NRS 12.015.

13. This section does not affect the rights of a landlord or tenant in a forcible detainer, unlawful detainer or forcible entry and detainer action.

Sec. 16. *1. Except as otherwise provided in subsection 3, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property,*

regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(b) The landlord may charge and collect the reasonable and actual costs of inventory, moving and safe storage, if necessary, before releasing the abandoned personal property to the tenant or his or her authorized representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. A tenant of commercial premises is presumed to have abandoned the premises if:

(a) Goods, equipment or other property, in an amount substantial enough to indicate a probable intent to abandon the commercial premises, is being or has been removed from the commercial premises; and

(b) The removal is not within the normal course of business of the tenant.

3. If a written agreement between a landlord and a person who has an ownership interest in any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the person with respect to the removal and disposal of the abandoned personal property.

4. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

Sec. 17. *1. A landlord shall refund a security deposit to a tenant not later than 60 days after the date on which the tenant surrenders the commercial premises and provides notice to the landlord or the landlord's agent of the mailing address of the tenant pursuant to section 21 of this act.*

2. A claim of a tenant to a security deposit to which the tenant is entitled takes priority over the claim of any creditor of the landlord, including a trustee in bankruptcy.

Sec. 18. *1. Before returning a security deposit, a landlord may deduct from the deposit damages and charges for which the tenant is*

legally liable under the rental agreement or damages and charges that result from a breach of the rental agreement.

2. A landlord may not retain any portion of a security deposit to cover normal wear and tear. For the purposes of this subsection, "normal wear and tear" means deterioration that results from the intended use of the commercial premises, including breakage or malfunction because of age or deteriorated condition, but the term does not include deterioration that results from negligence, carelessness, accident or abuse of the commercial premises, equipment, or chattels by the tenant or by a guest or invitee of the tenant.

3. If a landlord retains all or part of a security deposit under this section, the landlord shall give to the tenant the balance of the security deposit, if any, together with a written description and itemized list of all deductions. The landlord is not required to give the tenant a description and itemized list of deductions if:

(a) The tenant owes rent when the tenant surrenders possession of the commercial premises; and

(b) No controversy exists concerning the amount of rent owed.

Sec. 19. *1. Except as otherwise provided in subsection 4, if an owner's interest in commercial premises is terminated by sale, assignment, death, appointment of a receiver, bankruptcy or otherwise, the new owner is liable with respect to the security deposit pursuant to sections 2 to 24, inclusive, of this act from the date title to the premises is acquired, regardless of whether an acknowledgment is given to the tenant under subsection 2.*

2. Except as otherwise provided in subsection 1, a person who no longer owns an interest in the commercial premises remains liable for a security deposit received while the person was the owner until the new owner delivers to the tenant a signed statement acknowledging that the new owner has received and is responsible for the tenant's security deposit and specifying the exact dollar amount of the deposit.

3. The amount of a security deposit for which a new owner is liable pursuant to this section is the greater of:

(a) The amount provided in the tenant's rental agreement; or

(b) The amount provided in an estoppel certificate prepared by the owner at the time the rental agreement was executed or prepared by the new owner at the time the commercial premises is transferred.

4. Subsection 1 does not apply to a person who acquires title to the premises by foreclosure.

Sec. 20. *A landlord shall keep accurate records of all security deposits.*

Sec. 21. *1. A landlord is not obligated to return a security deposit to a tenant or give the tenant a written description of damages and charges*

until the tenant provides to the landlord in writing a mailing address to which the security deposit or written description are to be sent.

2. A tenant does not forfeit the right to a refund of a security deposit or the right to receive a description of damages and charges for failing to give a mailing address to the landlord.

Sec. 22. ***1. A tenant may not withhold payment of any portion of the last month's rent on grounds that a security deposit is security for unpaid rent.***

2. A tenant who violates this section is presumed to have acted in bad faith. A tenant who in bad faith violates this section is liable to the landlord for an amount equal to three times the rent wrongfully withheld and the landlord's reasonable attorney's fees in an action to recover the rent.

Sec. 23. ***1. A landlord who in bad faith retains a security deposit in violation of sections 2 to 24, inclusive, of this act is liable for an amount equal to the sum of $100, three times the portion of the deposit wrongfully withheld, and the tenant's reasonable attorney's fees incurred in an action to recover the deposit after the period prescribed for returning the deposit expires.***

2. A landlord who in bad faith does not provide a written description and itemized list of damages and charges in violation of sections 2 to 24, inclusive, of this act:

(a) Forfeits the right to withhold any portion of the security deposit or to bring suit against the tenant for damages to the commercial premises; and

(b) Is liable for the tenant's reasonable attorney's fees in an action to recover the deposit.

3. In an action brought by a tenant under sections 2 to 24, inclusive, of this act, the landlord has the burden of proving that the retention of any portion of a security deposit was reasonable.

4. Except as otherwise provided in subsection 1 of section 21 of this act, a landlord who fails to return a security deposit or to provide a written description and itemized list of deductions within 60 days after the date the tenant surrenders possession of the commercial premises is presumed to have acted in bad faith.

Sec. 24. ***1. A landlord may not assess a charge, excluding a charge for rent or physical damage to the commercial premises, to a tenant unless the amount of the charge or the method by which the charge is to be `computed is stated in the rental agreement, an exhibit or attachment that is part of the rental agreement or an amendment to the rental agreement.***

2. This section does not affect the right of a landlord to assess a charge or obtain a remedy allowed under a statute or common law.

Sec. 25. NRS 118.171 is hereby amended to read as follows:

118.171 As used in NRS 118.171 to ~~[118.207,]~~ ***118.205,*** inclusive, unless the context otherwise requires:

Sec. 26. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord’s agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, “day of service” means the day the landlord or the landlord’s agent personally delivers the notice to the tenant. If personal service was not so delivered, the “day of service” means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the “day of

service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS ~~[118.207 or]~~ 118A.460 ***or section 16 of this act*** for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS ~~[118.207 or]~~ 118A.460 ***or section 16 of this act*** and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 26.3. **NRS 40.385 is hereby amended to read as follows:**

40.385 Upon an appeal from an order entered pursuant to NRS 40.253:

1. Except as otherwise provided in this subsection, a stay of execution may be obtained by filing with the trial court a bond in the amount of $250 to cover the expected costs on appeal. ~~[In an action concerning a lease of commercial property or any other property for which the monthly rent exceeds $1,000, the court may, upon its own motion or that of a party, and upon a showing of good cause, order an additional bond to be posted to cover the expected costs on appeal.]~~ A surety upon the bond submits to the jurisdiction of the appellate court and irrevocably appoints the clerk of that court as the surety's agent upon whom papers affecting the surety's liability upon the bond may be served. Liability of a surety may be enforced, or the bond may be released, on motion in the appellate court without independent action. ***A tenant of commercial property may obtain a stay of execution only upon the issuance of a stay pursuant to Rule 8 of the Nevada Rules of Appellate Procedure and the posting of a supersedeas bond in the amount of 100 percent of the unpaid rent claim of the landlord.***

2. A tenant who retains possession of the premises that are the subject of the appeal during the pendency of the appeal shall pay to the landlord rent in the amount provided in the underlying contract between the tenant and the landlord as it becomes due. If the tenant fails to pay such rent, the landlord may initiate new proceedings for a summary eviction by serving the tenant with a new notice pursuant to NRS 40.253.

Sec. 27. NRS 118.207 is hereby repealed.

TEXT OF REPEALED SECTION

118.207 Disposal of personal property abandoned by tenant on commercial premises; notice; procedure by landlord; releasing property to tenant; limitation on landlord's liability.

1. Except as otherwise provided in subsection 2, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the conditions set forth in subparagraphs (1) and (2) are satisfied:

(1) The landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(2) The landlord has taken reasonable steps to:

(I) Determine whether the tenant has subjected the abandoned personal property to a perfected lien or security interest; and

(II) If the landlord determines that the tenant has subjected the abandoned personal property to a perfected lien or security interest, notify the holder of the perfected lien or the security interest that the abandoned personal property has been left on the premises.

➥ The landlord shall be deemed to have taken the reasonable steps required by subparagraph (2) if the landlord has reviewed the results of a current search of the records in which a financing statement must be filed in order to perfect a lien or security interest pursuant to chapter 104 of NRS for a financing statement naming the tenant as the debtor of a debt secured by the abandoned personal property and, if such a financing statement is found, mailed, to any secured party named on the financing statement at the address indicated on the financing statement, by certified mail, return receipt

(b) The landlord may charge and collect the reasonable and actual costs of inventory, moving and safe storage, if necessary, before releasing the abandoned personal property to the tenant or his or her authorized representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. If a written agreement between a landlord and a secured party who has a perfected lien on, or a perfected security interest in, any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the secured party with respect to the removal and disposal of the abandoned personal property.

3. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

The following Senate amendment was read:

Amendment No. 611.

AN ACT relating to the Nevada Rural Housing Authority; revising the definition of "local government" to include the Authority for the purpose of loans from a local government **in certain counties** to the Authority; revising the requirements for eligibility to serve as a commissioner of the Authority; authorizing the Authority to receive a loan from a local government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, before a local government may make an interfund loan or loan of money to another local government, the governing body of the local government that wishes to make the loan must determine at a public hearing that a sufficient amount of unrestricted money is available for the loan and that the loan will not compromise the economic viability of the fund from which the money is loaned. The local government must also establish at the public hearing: (1) the amount of time the money will be on loan from the fund; (2) the terms and conditions for repaying the loan; and (3) the rate of interest, if any, to be charged for the loan. (NRS 354.6118) For the purpose of making such a loan, the term "local government" does not include the Nevada Rural Housing Authority. (NRS 354.474) Existing law confers upon the Nevada Rural Housing Authority the authority to engage in various activities relating to the purposes for which the Authority was created, including, without limitation, the authority to enter into agreements or other transactions with any governmental agency or other source to further those purposes. (NRS 315.983)

Section 1 of this bill revises the definition of "local government" to include the Nevada Rural Housing Authority for the sole purpose of loans from a local government **in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties)** to the Authority in accordance with existing law. **Section 3** of this bill expands the authorized actions of the Nevada Rural Housing Authority to include receipt by the Authority of such a loan of money from a local government.

Existing law provides for the appointment of five commissioners to serve as members of the Nevada Rural Housing Authority. Of those five commissioners, one commissioner must be appointed jointly by the Nevada League of Cities and the Nevada Association of Counties and must be a recipient of assistance from the Authority. If that commissioner ceases to

receive assistance from the Authority, he or she must be replaced by a person who receives such assistance. (NRS 315.977) **Section 2** of this bill revises the requirements for appointing that commissioner by providing that, if the commissioner no longer receives assistance from the Authority, he or she may continue to serve as a commissioner for the remainder of the unexpired term for which he or she was appointed if he or she resides within the area of operation of the Authority.

Existing law authorizes the Authority to operate in any area of this State which is not included within the corporate limits of a city or town having a population of 100,000 or more. (NRS 315.9835) **Section 4** of this bill authorizes the Authority to provide services in any area of the State if the Authority has contracted with the State or a local government to provide those services in that area. **Section 4** specifies that the provision of those services does not include the making of a mortgage loan ~~[.]~~ **, the issuance of a mortgage credit certificate or bonds to finance a multifamily housing project, the allocation of a low-income housing tax credit or weatherization.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 354.474 is hereby amended to read as follows:

354.474 1. Except as otherwise provided in subsections 2 and 3, the provisions of NRS 354.470 to 354.626, inclusive, apply to all local governments. For the purpose of NRS 354.470 to 354.626, inclusive:

(b) "Local government" ***includes the Nevada Rural Housing Authority for the purpose of loans of money from a local government in a county whose population is less than 100,000 to the Nevada Rural Housing Authority in accordance with NRS 354.6118. requirements of NRS 354.470 to 354.626, inclusive, but any such irrigation district which levies an ad valorem tax shall comply with the filing and publication requirements of NRS 354.470 to 354.626, inclusive, in addition to the requirements of chapter 539 of NRS.

If no such organization exists, the commissioner must be selected from a list of nominees submitted for this purpose from persons who currently receive assistance from the Authority. If during his or her term the commissioner ceases to be a recipient of assistance, the commissioner ~~[must be replaced by a person who is a recipient of assistance.]~~ ***may continue to serve as a commissioner for the remainder of the unexpired term for which he or she was appointed if he or she resides within the area of operation of the Authority.***

4. A majority of the commissioners constitutes a quorum, and a vote of the majority is necessary to carry any question.

Assembly Bill No. 238.

The following Senate amendment was read:

Amendment No. 633.

AN ACT relating to local government finance; revising provisions concerning the refunding of municipal securities related to infrastructure projects in certain counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Since October 1, 1999, a county has been authorized, as part of a lending project under the County Bond Law, to acquire securities issued by a municipality located wholly or partially within the county: (1) to undertake one or more infrastructure projects; or (2) to refund those securities. In the latter case, a county's authority is limited to acquiring only those securities issued to refund municipal securities for infrastructure projects that were previously acquired by the county. (NRS 244A.0343, 244A.064) This bill **partially** eliminates this limitation on a county's authority in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County) and thereby allows such a county to acquire securities that were issued by a ~~[municipality to refund municipal securities issued previously for infrastructure]~~ **water authority for water** projects regardless of whether those securities are held by the county or another entity. However, such a county may only acquire those municipal securities issued for purposes of refunding if the initial securities for the ~~[infrastructure]~~ **water** projects were issued by the municipality on or after October 1, 1999.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244A.0343 is hereby amended to read as follows:

244A.0343 "Lending project" means ***:***

1. In a county whose population is 100,000 or more but less than 700,000, the acquisition of municipal securities issued by a ~~[municipality]~~ water authority located wholly or partially within the county acquiring the municipal securities for one or more infrastructure projects which consist of capital improvements for a water system or for the refunding of municipal securities issued on or ~~[before]~~ after October 1, 1999, for one or more infrastructure projects which consist of capital improvements for a water system or any combination thereof.

2. In all other counties, the acquisition of municipal securities issued by a municipality located wholly or partially within the county acquiring the municipal securities for one or more infrastructure projects or for the refunding of municipal securities previously acquired as part of a lending project by a county for one or more infrastructure projects or any combination thereof.

Sec. 2. NRS 244A.064 is hereby amended to read as follows:

244A.064 In connection with any lending project, a county may:

1. Require additional security or credit enhancement for payment of municipal securities acquired as it deems prudent.

2. Make contracts and execute all necessary or desirable instruments or documents not in conflict with the requirements of the County Bond Law.

3. Provide by ordinance for its standards, policies and procedures for financing lending projects.

4. Acquire and hold municipal securities and execute the rights of the holder of those municipal securities.

5. Sell or otherwise dispose of municipal securities unless the county is limited by any agreement that is related to those securities.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 53.

The following Senate amendment was read:

Amendment No. 673.

AN ACT relating to transportation; requiring the Director of the Department of Transportation to charge fees based upon market value for authorizing the placement of trademarks or symbols identifying individual enterprises on certain signs and for providing information regarding attractions and services along highways of the State; authorizing the Director to recommend to the Board of Directors of the Department programs for providing information to the traveling public to be funded from money received from fees charged on those signs; **exempting certain signs located in a redevelopment area from certain restrictions on the proximity of advertising to certain highways in this State;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Transportation to adopt regulations to fix reasonable fees to recover the actual cost of administering a program for erecting certain signs on highways. Existing law provides that in certain larger counties, the Department is required to establish the fees based upon the market value as determined by the Department. **Section 3** of this bill instead requires the Department to fix the fees in all counties based upon market value as determined by the Department. Existing law provides that the fees collected by the Department are to be credited to the Account for Systems of Providing Information to the Traveling Public in the State Highway Fund. **Section 1** of this bill authorizes the Director to recommend to the Board of Directors of the Department programs to provide information to the traveling public to be paid from money available for that purpose from the Account.

Existing law provides that outdoor advertising shall not be maintained within 660 feet of the nearest edge of the right-of-way and visible from the main-traveled way of the interstate or primary highway systems of this State. Exemptions are provided for: (1) certain directional, warning, landmark, informational and other official signs; (2) signs which advertise the sale or lease of the property on which they are located or advertise for a business or activities conducted on the property on which they are located; (3) signs in zoned commercial or industrial areas; and (4) certain directional information signs in hardship areas which have been approved by the Secretary of Transportation pursuant to certain federal regulations. (NRS 410.320) Sections 10 and 13 of this bill provide

an exemption from the 660-foot restriction for certain signs located in a redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 408 of NRS is hereby amended by adding thereto a new section to read as follows:

410.220 1. The Legislature hereby finds and declares that:

(a) The erection and maintenance of outdoor advertising signs, displays and devices, in areas adjacent to the rights-of-way of the interstate highway system and the primary highway system within this state, is a legitimate commercial use of private property adjacent to roads and highways and that

regulation and control or removal of such outdoor advertising is necessary to the system of state highways declared essential by NRS 408.100.

(b) The erection and maintenance of such advertising in such locations must be regulated:

(d) The removal of signs adjacent to the rights-of-way of the interstate or primary highway system within this state which provide directional information about goods and services in the interest of the traveling public and which:

(1) Were erected in conformance with the laws of the State of Nevada and subsequently became nonconforming under the requirements of 23 U.S.C. § 131; and

(2) Were in existence on May 6, 1976,

➥ could create substantial economic hardships in defined hardship areas within the State of Nevada.

2. It is the intent of the Legislature in NRS 410.220 to 410.410, inclusive, ***and sections 7 to 10, inclusive, of this act*** to provide a statutory basis for regulation of outdoor advertising consistent with the public policy declared by the Congress of the United States in areas adjacent to the interstate and primary highway systems.

Sec. 12. **NRS 410.230 is hereby amended to read as follows:**

410.230 As used in NRS 410.220 to 410.410, inclusive, ***and sections 7 to 10, inclusive, of this act,*** the words and terms defined in NRS 410.250 to 410.310, inclusive, ***and sections 7, 8 and 9 of this act*** have the meanings ascribed to them in those sections, unless a different meaning clearly appears in the context.

Sec. 13. **NRS 410.320 is hereby amended to read as follows:**

Remarks by Assemblywoman Dondero Loop.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 277.

The following Senate amendment was read:

Amendment No. 677.

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles, with respect to special license plates for the support of outreach programs and services for veterans and their families, to make such plates available to female veterans with an optional image representative of female veterans; **providing for the issuance of special license plates inscribed with the words "DISABLED FEMALE VETERAN";** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Motor Vehicles to order the preparation of special license plates for the support of outreach programs and services for veterans and their families. These special license plates are available to veterans of the Army, Navy, Air Force, Marine Corps or Coast Guard of the United States, a reserve component thereof or the

National Guard, or the spouse, parent or child of such a veteran. (NRS 482.3763) **Section 4** of this bill requires the Department to make the plates available: (1) to female veterans; and (2) with an optional image representative of female veterans. The fees for the initial issuance and renewal of the optional version of the special license plates for the support of outreach programs and services for veterans and their families are the same as for the regular version.

Under existing law, new special license plates authorized by an act of the Legislature typically are subject to all of the following: (1) approval or disapproval by the Commission on Special License Plates; (2) the limitation on the number of separate designs of special license plates that may be issued by the Department at any one time; and (3) the requirement that the Department receive at least 1,000 applications for the issuance of the plate within 2 years after the effective date of the act of the Legislature. (NRS 482.367004, 482.367008, 482.36705) The optional special license plates for female veterans are exempt from all three of the preceding requirements because the plates are simply an optional version of existing special license plates for veterans.

Existing law entitles a veteran who has suffered a 100-percent service-connected disability and who receives compensation from the United States for the disability to receive special license plates inscribed with the words "DISABLED VETERAN" or "VETERAN WHO IS DISABLED." (NRS 482.377) Veterans with these license plates are entitled to certain privileges and exemptions related to parking. (NRS 482.377, 484B.463, 484B.467) Section 4.5 of this bill provides for the issuance of such plates inscribed with the words "DISABLED FEMALE VETERAN."

4. A vehicle on which license plates issued by the Department pursuant to this section are displayed is exempt from the payment of any parking fees, including those collected through parking meters, charged by the State or any political subdivision or other public body within the State, other than the United States.

Assembly Bill No. 2.

The following Senate amendment was read:

Amendment No. 776.

ASSEMBLYMEN Kirkpatrick **AND KIRNER**

AN ACT relating to motor vehicles; providing an exemption from emissions inspection for certain motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the issuance of special license plates for certain older motor vehicles in categories including antique vehicles, street rods, classic rods and classic vehicles. (NRS 482.381, 482.3812, 482.3814, 482.3816) Existing law also requires the State Environmental Commission to establish criteria that allow motor vehicles with such license plates to qualify for an exemption from standards for the control of emissions from motor vehicles, and to provide by regulation that an evaluation required of such motor vehicles to qualify for the exemption may be conducted at stations authorized to perform inspections of motor vehicles and devices for compliance with emissions standards. (NRS 445B.760)

Section 5 of this bill provides for the exemption of those older motor vehicles that have been issued the special license plates from standards for the control of emissions without the performance of any such evaluation if the owner of the motor vehicle certifies that the motor vehicle has not been driven more than 5,000 miles the previous year. Sections ~~[1–4]~~ **1.7-4** of this bill require that the owner of such a motor vehicle which qualifies for the exemption pay a fee to the Department of Motor Vehicles, to be accounted for in the Pollution Control Account, in an amount equal to the cost for a certificate of compliance with emissions standards ~~[.]~~ **(currently $6, but subject to statutory change).**

Section 1 of this bill provides that if an authorized inspection station or authorized station tests the emissions from a motor vehicle and the motor vehicle fails the emissions test, the Department of Motor Vehicles is prohibited, for a period of 90 days after the motor vehicle fails the emissions test, from issuing for the motor vehicle an "Old Timer," "Street Rod," "Classic Rod" or "Classic Vehicle" special license plate. The effect of section 1 is to discourage persons from attempting to obtain such a special license plate for the express purpose of circumventing the laws of this State pertaining to emissions from motor vehicles. Section 1 applies only within the geographic areas of this State in which motor vehicles are subject to emissions testing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 257.

The following Senate amendment was read:

Amendment No. 591.

AN ACT relating to the Open Meeting Law; revising provisions governing periods devoted to public comment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions. Under the Open Meeting Law, a public body is required to provide written notice of all such meetings, which must include an agenda with a period devoted to comments by the general public and discussion of those comments. However, a public body is prohibited from taking action upon a matter that is raised during such a period for public comment until the matter has been specifically included on an agenda and is denoted to be an item upon which the public body may take action. (NRS 241.020) This bill requires the public body **, at a minimum,** to provide ~~[two separate]~~ periods devoted to public comment **[.] and discussion of any public comments as follows:** (1) one **period** at the beginning of the meeting **[,] before any items on which action may be taken are heard by the public body** and ~~[(2)]~~ one **period** before the adjournment of the meeting ~~[,~~ ~~each of which must allow for discussion of any public comments.~~] **; or (2) a period after each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting.

(b) A list of the locations where the notice has been posted.

(c) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items.

(3) ~~[~~A period~~]~~ ~~*[At least two periods]*~~ ***Periods*** devoted to comments by the general public, if any, ~~*[which must be taken at the beginning of the meeting and before the adjournment of the meeting,]*~~ and discussion of those comments. ***Comments by the general public must be taken:***

(I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or

(II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

➥ The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). No action may be taken upon a matter raised ~~[~~under this item of the agenda~~]~~ ***during a period devoted to comments by the general public*** until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.

3. Minimum public notice is:

(a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; and

(b) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

(1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:

(a) An agenda for a public meeting;

(b) A proposed ordinance or regulation which will be discussed at the public meeting; and

(c) Subject to the provisions of subsection 6, any other supporting material provided to the members of the public body for an item on the agenda, except materials:

(1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;

(2) Pertaining to the closed portion of such a meeting of the public body; or

(3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

➥ The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, "proprietary information" has the meaning ascribed to it in NRS 332.025.

6. A copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:

(a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

➥ If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.

Sec. 2. This act becomes effective on July 1, 2011.

Assemblywoman Kirkpatrick moved that the Assembly do not concur in the Senate Amendment No. 591 to Assembly Bill No. 257.

Remarks by Assemblywoman Kirkpatrick.

Assembly Bill No. 59.

The following Senate amendment was read:

Amendment No. 634.

AN ACT relating to the Open Meeting Law; requiring a public body to take certain actions if the Attorney General finds that the public body has violated the Open Meeting Law; authorizing the Attorney General to issue subpoenas during investigations of such violations; ~~[revising the definition of "public body" for the purposes of the Open Meeting Law;]~~ **providing that meetings of a public body that are quasi-judicial in nature are subject to the Open Meeting Law under certain circumstances;** requiring a public body to include certain notifications on an agenda for a public meeting; excluding a meeting held to consider an applicant for employment from certain notice requirements; making members of a public body subject to a civil penalty for violations; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Open Meeting Law which requires, except in certain limited situations, that all meetings of public bodies be open and public. It further requires that all persons be allowed to attend any meeting of these public bodies. (NRS 241.020) Existing law makes any action of a public body in violation of the Open Meeting Law void, and requires the Attorney General to investigate and prosecute any violation of the Open Meeting Law. (NRS 241.036, 241.040) If the Attorney General finds that a public body has taken an action which violates the Open Meeting Law, **section 2** of this bill requires the public body to include an item on the next agenda posted for a meeting of the public body acknowledging the finding of the Attorney General regarding such a violation. **Section 2** also provides that such acknowledgment is not an admission of wrongdoing on the part of the public body for the purposes of a civil action, criminal prosecution or injunctive relief. **Section 3** of this bill authorizes the Attorney General to issue subpoenas for the production of documents, records or materials in the course of his or her investigation of any violation of the Open Meeting Law and makes failure or refusal to comply with such a subpoena a misdemeanor.

Section 1.5 of this bill provides that meetings of a public body that are quasi-judicial in nature are subject to the provisions of the Open Meeting Law unless exempted by the Legislative Commission. Section ~~[4 of this bill revises the definition of "public body"]~~ **1.5 also defines when a meeting is quasi-judicial in nature** for purposes of the Open Meeting Law**.** ~~[to identify the manner in which an entity must be created to be considered a public body and to clarify that a public body consists of at least two members. Section 4 also excludes proceedings of a public body that are judicial or quasi-judicial in nature from the requirements of the Open Meeting Law, unless the public body in question is also a regulatory body.]~~

Section 5 of this bill adds certain notifications that must be included on an agenda for a meeting of a public body.

Under existing law, if a public body holds a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of a person, it must first provide written notice of that fact and, if such a meeting will be closed, must allow the attendance of certain individuals. Existing law also provides that casual or tangential references to a person or the person's name during a closed meeting do not constitute consideration of the character, alleged misconduct, professional competence, or physical or mental health of the person. (NRS 241.033) **Section 6** of this bill provides that a meeting to consider an applicant for employment does not require prior notice to be given to the applicant.

Existing law makes each member of a public body who attends a meeting where action is taken in violation of the Open Meeting Law with knowledge of the fact that the meeting is in violation guilty of a misdemeanor. (NRS 241.040) **Section 7** of this bill further makes each such member who attends such a meeting subject to a civil penalty in an amount not to exceed $500.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 241 of NRS is hereby amended by adding thereto the provisions set forth as sections **1.5,** 2 and 3 of this act.

Sec. 1.5. ***1. Meetings of a public body that are quasi-judicial in nature are subject to the provisions of this chapter unless the public body has received an exemption from the Legislative Commission.***

(c) A written decision; and

(d) An opportunity to appeal the written decision.

Sec. 2. ***1. If the Attorney General makes findings of fact and conclusions of law that a public body has taken action in violation of any provision of this chapter, the public body must include an item on the next agenda posted for a meeting of the public body which acknowledges the findings of fact and conclusions of law. The opinion of the Attorney General must be treated as supporting material for the item on the agenda for the purposes of NRS 241.020.***

2. The inclusion of an item on the agenda for a meeting of a public body pursuant to subsection 1 is not an admission of wrongdoing for the purposes of a civil action, criminal prosecution or injunctive relief.

The following Senate amendment was read:

Amendment No. 831.

SUMMARY— ~~[Revises]~~ **Temporarily revises** provisions governing the required minimum number of school days in public schools. (BDR 34-91)

AN ACT relating to education; authorizing the board of trustees of a school district and the governing body of a charter school to request **, for the 2011-2013 biennium,** a waiver from the required minimum number of school days in a school year during an economic hardship; setting forth certain provisions governing a furlough program of employees of school districts and charter schools as the program relates to the Public Employees' Retirement System; **expiring the provisions of this act;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, each school district is required to schedule and provide annually a minimum of 180 days of school in the schools of the school district and a charter school is required to schedule and provide at least as many days of instruction as are required of other public schools in the school district in which the charter school is located. (NRS 386.550, 388.090) ~~[Section 2]~~ **For the 2011-2013 biennium, section 6.5** of this bill authorizes the board of trustees of a school district and the governing body of a charter school to request a waiver of not more than ~~[10 school]~~ **5 noninstructional** days from the required minimum number of school days for a school year **in that biennium** during an economic hardship to avoid the layoff of teachers and other educational personnel employed by the school district or charter school. A request for a waiver must be reviewed by the Superintendent of Public Instruction and, if approved, transmitted to the Interim Finance Committee, which makes the final determination of whether to grant a waiver. For purposes of requesting a waiver from the required minimum school days, the circumstances in which an economic hardship exists for a school district or charter school are identical to the circumstances in which an economic hardship exists under existing law for a school district or charter school to request a waiver from the required minimum expenditures for textbooks, instructional supplies, instructional software and instructional hardware. (NRS 387.2065)

The 2009 Session of the Legislature enacted provisions requiring furlough leave of certain state employees and set forth provisions relating to the furlough program and the manner in which the program is carried out as it relates to the Public Employees' Retirement System. (Chapter 391, Statutes of Nevada 2009, p. 2160) **Section 7** of this bill sets forth the intent of the Legislature in the establishment of a program certified by the board of trustees of a school district or the governing body of a charter school

whereby employees of school districts and charter schools who are members of the Public Employees' Retirement System and who take furlough leave due to extreme fiscal need be held harmless in the accumulation of retirement service credit and reported salary. **Section 7** further sets forth provisions concerning the furlough leave as it relates to the Public Employees' Retirement System in a manner similar to the furlough program of state employees.

Section 8 of this bill expires the provisions of this bill on June 30, 2013.

Assembly Bill No. 379.

The following Senate amendment was read:

Amendment No. 635.

AN ACT relating to crimes; establishing the crime of stolen valor; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Stolen Valor Act of 2005 prohibits a person from falsely representing himself or herself, verbally or in writing, to have been awarded certain military decorations or awards. A person who violates this provision may be fined, imprisoned for not more than 6 months or both fined and imprisoned. (18 U.S.C. § 704(b)) The United States Court of Appeals for the Ninth Circuit recently held that the Stolen Valor Act is facially invalid pursuant to the First Amendment to the Constitution of the United States and is therefore unconstitutional. The Ninth Circuit Court found that the Act as currently drafted restricts free speech rights, but the Court suggested that the statute could be modified into a constitutional anti-fraud statute. (*United States v. Alvarez*, 617 F.3d 1198, 1212, 1217 (9th Cir. 2010)) The Court noted that to prove that a person is liable for fraud, it must be shown that the person knowingly made a false representation of fact to intentionally mislead another person and successfully misled the other person through such false representation. (*United States v. Alvarez*, 617 F.3d 1198, 1211 (9th Cir. 2010) (citing *Ill. ex rel. Madigan v. Telemarketing Assocs., Inc.*, 538 U.S. 600, 620 (2003)))

Existing Nevada law prohibits a person from willfully wearing the badge, button, insigne or rosette of any military order or of any secret order or society, or from using any such item to obtain aid, assistance or any other benefit or advantage, if the person is not entitled to wear or use any such items. (NRS 205.410) This bill repeals existing Nevada law and provides that a person commits the crime of stolen valor if the person knowingly, with the intent to mislead or defraud and with the intent to obtain **some benefit or** something of **monetary** value, misleads or defrauds another person by ~~[making any]~~ **committing various acts concerning the** false representation of ~~[his or her]~~ **himself or herself with relation to** military service **.** ~~[and obtains something of value. If the amount of the loss caused by the violation: (1) is less than $2,500, the person who committed the violation is guilty of a gross misdemeanor; and (2) is $2,500 or more, the person who committed the violation is guilty of a category E felony.]~~

Assembly Bill No. 388.

The following Senate amendment was read:

Amendment No. 696.

AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-

occupied real property; ~~[providing civil remedies for failure to comply with certain provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil penalties;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) ~~[Sections 4-22 of this bill establish additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Senate Bill No. 729 of the current session of the California Legislature, as amended. Section 23 of this bill provides that these additional restrictions apply only to a notice of default and election to sell which is recorded on or after July 1, 2011.~~

~~Section 13 prohibits the recording of a notice of default and election to sell unless reasonable and good faith efforts have been made to evaluate the borrower for all available alternatives to the exercise of the trustee's power of sale. Section 14 prohibits the recording of a notice of default and election to sell until the trustee, beneficiary or authorized agent complies with certain requirements regarding contact with, or attempts to contact, the borrower. Under section 15, if an eligible borrower requests, either orally or in writing, a loan modification, a notice of default and election to sell may not be recorded unless the borrower's application has been reviewed in good faith and a decision has been rendered on that application. Sections 17 and 19 require a declaration of compliance to be recorded with the notice of default and election to sell and section 17 provides a form for that declaration. Section 18: (1) authorizes a borrower to bring a civil action to enjoin a trustee's sale, to void a trustee's sale and to recover a specified amount of damages and reasonable attorney's fee and costs under certain circumstances; (2) authorizes the Attorney General to obtain civil penalties for violations of the provisions of this bill; and (3) provides that a violation of the provisions of this bill by a person which is licensed in this State is deemed to be a violation of the law governing that license.~~

~~Additionally, section 19: (1) requires a life of loan accounting containing certain information to be included with the copy of the notice of default and election to sell which is mailed to the borrower; and (2) prohibits the recording of a notice of sale if the borrower has entered into a contract to sell the property which has been approved by the lender or the borrower has requested approval of such a contract but the lender has not yet approved or disapproved the sale.]~~ **One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed**

of trust or the person who holds the title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 20.7 of this bill requires the notice of default and election to sell which is mailed to the grantor or the person who holds the title of record to include a notice provided by the entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee's power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 20.3 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

The Mediation Administrator shall provide to the trustee a certificate which provides that the mediation required by this section has been completed in the matter.

8. The Supreme Court shall adopt rules necessary to carry out the provisions of this section. The rules must, without limitation, include provisions:

10. A noncommercial lender is not excluded from the application of this section.

11. The Mediation Administrator and each mediator who acts pursuant to this section in good faith and without gross negligence are immune from civil liability for those acts.

12. As used in this section:

(a) "Mediation Administrator" means the entity so designated pursuant to subsection 8.

Assemblyman Horne moved that the Assembly concur in the Senate Amendment No. 696 to Assembly Bill No. 388.

Remarks by Assemblyman Horne.

Motion carried.

Bill ordered enrolled.

Assembly Bill No. 240.

The following Senate amendment was read:

Amendment No. 764.

AN ACT relating to public agencies; revising the restrictions on contracts with or employment of former or current state employees by a state agency; **providing certain exceptions;** requiring state agencies to report all contracts for services as part of the budget process; requiring that a contractor with a state agency be in active and good standing with the Secretary of State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law restricts the employment of consultants by public agencies and requires the approval of certain contracts with consultants by the Interim Finance Committee. (NRS 284.1729) **Section 1** of this bill expands those restrictions to apply to all contracts to provide services to state agencies, revises the exceptions to the restrictions and requires approval of the State Board of Examiners rather than the Interim Finance Committee of contracts subject to the restrictions. **Section 1** also prohibits a state agency from entering into a contract with a person for services without ensuring that the person is in active and good standing with the Secretary of State. **Section 1 also provides that certain provisions governing state purchasing apply to such contracts.** **Section 2** of this bill requires state agencies to report all contracts for services as part of the budget process instead of only reporting contracts with consultants and temporary employment services. **Section 3** moves the reporting requirements for school districts regarding consultants to the chapter which specifically governs school districts.

THE ONE HUNDRED FIFTEENTH DAY

CARSON CITY (Wednesday), June 1, 2011

Assembly called to order at 3:20 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Jason Frierson.

Lord, our Creator—the reason we have been blessed to represent Your children.

Hebrews 12:1-2 tells us that since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith.

But Your word in Ecclesiastes 5:3 also says, "a dream cometh through the multitude of business; and a fool's voice is known by multitude of words." God, bless us that we have the endurance to lay every weight aside to finish this race and complete our work through a multitude of business rather than a multitude of foolish words; and like You did when You rested on the seventh day, bless us that we might be able to rest seven days from now.

With all the Glory to You, we pray.

Amen

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

MESSAGES FROM THE GOVERNOR

OFFICE OF THE GOVERNOR

May 31, 2011

SPEAKER JOHN OCEGUERA, *Nevada State Assembly*, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 566 of the 76th Legislative Session

DEAR MR. SPEAKER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 566, which is entitled:

> AN ACT relating to elections; revising the legislative districts from which the members of the Senate and Assembly are elected; revising the districts from which Representatives in the Congress of the United States are elected; and providing other matters properly relating thereto.

This bill relates to the revision of legislative and Congressional districts in our state. On May 14, 2011, I vetoed Senate Bill 497 relating to the same subject. In my message to the President of the Senate, I stated my objections: the plan reflected in the bill did not provide for the fair representation of the people of the state of Nevada, nor did it comply with the Voting Rights Act of 1965. I veto this bill for the same reasons, incorporating by reference my letter to the President of the Senate of March 14, 2011 relating to Senate Bill 497 in support of this action.

Sincere regards,
BRIAN SANDOVAL
Governor

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

ASSEMBLY IN SESSION

GENERAL FILE AND THIRD READING

Assembly Bill No. 449.
Bill read third time.

Remarks by Assemblymen Oceguera and Goicoechea.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN OCEGUERA:

Assembly Bill 449 came together as a result of many meetings over several months between legislative leadership, the governor's office, economic development entities, and business, community, and government organizations. This bill revises the structure of the state's economic development program in several important ways.

As amended, the provisions of Assembly Bill 449 establish a new governance structure for the economic development programs of the state. The bill creates certain entities including an Advisory Council on Economic Development composed of the state's elected leaders, a Board of Economic Development to provide general guidance for the state's economic development efforts, an Office of Economic Development within the Office of Governor, and the position of Executive Director for the Office of Economic Development to create and implement a State Plan for Economic Development.

Assembly Bill 449 provides that on or after July 1, 2011, the Office of Economic Development and its Executive Director are authorized to coordinate, oversee, and reorganize the state's economic development programs to be consistent with the State Plan for Economic Development.

This bill also transfers the Commission on Economic Development's existing powers and duties to the Office of Economic Development on July 1, 2012. It also requires certain activities of the Office of Economic Development to be coordinated with certain activities of various public entities.

Assembly Bill 449 also creates the Catalyst Fund from $10 million from the Abandoned Property Trust Account during Fiscal Year 2012 and authorizes grants or loans of money from the catalyst fund for the purposes of assisting businesses seeking to create or expand in this state in order to not only bring new businesses to the state, but to strengthen businesses that already exist here.

The bill also establishes the Knowledge Fund and a program for the development and commercialization of research and technology at the University of Nevada, Reno, the University of Nevada, Las Vegas, and the Desert Research Institute.

A.B. 449 also transfers additional authority to grant partial tax abatements to the Economic Development Office and requires the Office of Economic Development's approval prior to issuing certain revenue bonds for industrial development.

Certain provisions, including the creation of the Advisory Council on Economic Development, become effective upon passage and approval. Certain provisions, including creation of the Board of Economic Development, the Office of Economic Development and its Executive Director, the Catalyst Fund, and the Knowledge Fund, become effective July 1, 2011.

Certain other provisions, including the transfer of authority from the Commission on Economic Development to the Office of Economic Development, become effective on July 1, 2012.

Assembly Bill 449, as amended, is modeled on methods that are recommended by successful economic development experts and reflects the input of many stakeholders statewide. It represents a significant amount of work on the part of the Assembly, the Senate, and the Governor's Office. And if I may quote Governor Sandoval as he testified in the Assembly Committee on Ways and Means, "This bill redoubles efforts to make economic development an even bigger priority for the state of Nevada . . . . It is a priority for all of us." I urge your support.

ASSEMBLYMAN GOICOECHEA:

Thank you, Madam Speaker pro Tempore. I know there was a lengthy amendment that came out on this. Could you just kind of give us a thumbnail of exactly what that all does? I know what is in the bill, but just what changes that brings.

ASSEMBLYMAN OCEGUERA:

Two things, there was a considerable amount of technical adjustments in that lengthy amendment. I think it was like 93 pages long. On top of the technical adjustments, there were adjustments to the board composition and who would be represented, including who you get to pick. If you have a question, I might be able to answer it specifically.

➥ The period during which such a driver is not eligible for a license, permit or privilege to drive must be set aside during any period of imprisonment and the period of revocation must resume when the Department is notified pursuant to NRS 209.517 or 213.12185 that the person has completed the period of imprisonment or that the person has been placed on residential confinement or parole.

(b) For a period of 1 year if the offense is:

(c) For a period of 90 days, if the offense is a first violation within 7 years of NRS 484C.110 or 484C.120.

2. 3. When the Department is notified by a court that a person who has been convicted of a first violation within 7 years of NRS 484C.110 has been permitted to enter a program of treatment pursuant to NRS 484C.320, the Department shall reduce by one-half the period during which the person is not eligible for a license, permit or privilege to drive, but shall restore that

reduction in time if notified that the person was not accepted for or failed to complete the treatment.

4. The Department shall revoke the license, permit or privilege to drive of a person who is required to install a device pursuant to NRS 484C.460 but who operates a motor vehicle without such a device:

(a) For 3 years, if it is his or her first such offense during the period of required use of the device.

(b) For 5 years, if it is his or her second such offense during the period of required use of the device.

5. A driver whose license, permit or privilege is revoked pursuant to subsection 4 is not eligible for a restricted license during the period set forth in paragraph (a) or (b) of that subsection, whichever applies.

6. In addition to any other requirements set forth by specific statute, if the Department is notified that a court has ordered the revocation, suspension or delay in the issuance of a license pursuant to title 5 of NRS, NRS 176.064 or 206.330, chapters 484A to 484E, inclusive, of NRS or any other provision of law, the Department shall take such actions as are necessary to carry out the court's order.

7. As used in this section, "device" has the meaning ascribed to it in NRS 484C.450.

Sec. 12.5. NRS 483.490 is hereby amended to read as follows:

483.490 1. Except as otherwise provided in this section, after a driver's license has been suspended or revoked for an offense other than a second violation within 7 years of NRS 484C.110, and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) To and from work or in the course of his or her work, or both; or

(b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself, herself or a member of his or her immediate family.

➥ Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if the applicant is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484C.460:

(a) Shall install the device not later than 21 days after the date on which the order was issued; and

(b) May not receive a restricted license pursuant to this section until:

(1) After at least 1 year of the period during which the person is not eligible for a license, if the person was convicted of:

(I) A violation of NRS 484C.430 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or

(II) A violation of NRS 484C.110 that is punishable as a felony pursuant to NRS 484C.410 or 484C.420;

(2) After at least 180 days of the period during which the person is not eligible for a license, if the person was convicted of a violation of subsection ~~[5]~~ ***6*** of NRS 484B.653; or

(3) After at least 45 days of the period during which the person is not eligible for a license, if the person was convicted of a first violation within 7 years of NRS 484C.110.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484C.460, the Department shall not issue a restricted driver's license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. After a driver's license has been revoked or suspended pursuant to title 5 of NRS, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his or her work, or both; or

(b) If applicable, to and from school.

5. After a driver's license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his or her work, or both;

(b) To receive regularly scheduled medical care for himself, herself or a member of his or her immediate family; or

(c) If applicable, as necessary to exercise a court-ordered right to visit a child.

6. A driver who violates a condition of a restricted license issued pursuant to subsection 1 or by another jurisdiction is guilty of a misdemeanor and, if the license of the driver was suspended or revoked for:

(a) A violation of NRS 484C.110, 484C.210 or 484C.430;

(b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or

(c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b),

➥ the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484C.210 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

(b) Overtake and pass a person riding a bicycle or an electric bicycle unless the driver can do so safely without endangering the person riding the bicycle or electric bicycle.

2. The driver of a motor vehicle shall yield the right-of-way to any person riding a bicycle or an electric bicycle on the pathway or lane. The driver of a motor vehicle shall not enter, stop, stand, park or drive within a pathway or lane provided for bicycles or electric bicycles except:

4. Each such governing body and the Department shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

The following Senate amendment was read:

Amendment No. 834.

AN ACT relating to governmental administration; requiring the electronic filing of certain campaign contribution and expenditure reports and statements of financial disclosure; amending the deadlines for filing certain campaign contribution and expenditure reports; requiring candidates to report certain contributions and expenditures in the aggregate on campaign contribution and expenditure reports; requiring candidates to report the disposal of certain unspent campaign contributions in the aggregate on

campaign contribution and expenditure reports; ~~[prohibiting certain former public officers from receiving compensation or other consideration to lobby for 2 years after leaving office; increasing the "cooling-off" period for former members of the Public Utilities Commission of Nevada, the State Gaming Control Board and the Nevada Gaming Commission to lobby on behalf of certain regulated businesses and industries;]~~ making various other changes relating to campaign finance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 2-20 of this bill provide that, except under certain circumstances, campaign contribution and expenditure reports related to candidates for state, county, city and district offices must be filed electronically with the Secretary of State. **Sections 4, 7-11 and 16** also revise the deadlines for filing such reports.

Existing law requires a candidate to report on his or her campaign contribution and expenditure report: (1) each campaign contribution in excess of $100 received during the reporting period and contributions received during the period from a contributor which cumulatively exceed $100; (2) each campaign expense incurred, or expenditure made, in excess of $100 during the reporting period; and (3) any unspent campaign contribution that is disposed of during the reporting period in excess of $100. (NRS 294A.120, 294A.125, 294A.200) **Sections 4, 5 and 9** of this bill require candidates to report, in the aggregate, contributions, expenses, expenditures or amounts of unspent campaign contributions disposed of which are less than $100.

Existing law requires a candidate, person, committee, political party, group of persons or business entity to sign all campaign contribution and expenditure reports under penalty of perjury. (NRS 294A.120, 249A.125, 294A.128, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.270, 294A.280, 294A.283, 294A.286) Sections 2-15, 18 and 23 of this bill authorize a person signing such a report the alternative option of signing under an oath to God but provides that a person who signs a report under an oath to God is subject to the same penalties as if he or she signed the report under penalty of perjury.

Section 18 of this bill requires the Secretary of State to design a form for each campaign contribution and expenditure report rather than requiring the design of a single form for all campaign contribution and expenditure reports in order to accommodate the new electronic filing requirements.

Sections 23-26 and 28-33 of this bill provide that, except under certain circumstances, appointed and elected public officers must file statements of financial disclosure electronically with the Secretary of State rather than the Commission on Ethics.

~~[Under existing law, former members of the Public Utilities Commission of Nevada, the State Gaming Control Board and the Nevada Gaming Commission must observe a 1-year "cooling-off" period prior to appearing before the Public Utilities Commission of Nevada, the State Gaming Control Board or the Nevada Gaming Commission, as applicable, on behalf of certain regulated businesses or industries. (NRS 281A.550) Section 27 of this bill increases this "cooling-off" period to 2 years. Section 22 of this bill prohibits former public officers from receiving compensation or other consideration to lobby any member of the governing body of the State or a political subdivision, as applicable, to which the former public officer was elected or appointed for 2 years after leaving office.]~~

Assemblyman Atkinson moved that the Assembly concur in the Senate Amendment No. 658 to Assembly Bill No. 199.

Remarks by Assemblyman Atkinson.

Motion carried by a constitutional majority.

Bill ordered enrolled.

Assembly Bill No. 273.

The following Senate amendment was read:

Amendment No. 679.

AN ACT relating to real property; revising provisions governing the amount which a person holding a junior lien on real property may recover in a civil action under certain circumstances; prohibiting certain persons holding a junior lien on certain residential property from bringing a civil action under certain circumstances; revising provisions governing the amount of a deficiency judgment after the foreclosure of a mortgage or a deed of trust; limiting the amount of certain judgments against guarantors, sureties or other obligors of obligations secured by real property under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. Existing law requires a judgment creditor or beneficiary of a deed of trust to bring an action for such a deficiency judgment within 6

months after the foreclosure sale or trustee's sale. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455)

Sections 3, 3.3 and 5.7 of this bill enact similar provisions to govern deficiency judgments sought by junior lienholders after a foreclosure sale, a trustee's sale or any sale or deed in lieu of a foreclosure sale or trustee's sale. **Section 3** provides that, if the circumstances prohibiting a deficiency judgment after a foreclosure sale or trustee's sale under current law exist with respect to a junior lienholder, the creditor may not bring a civil action to recover the debt owed to it after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Existing law authorizes a creditor under an obligation secured by a junior mortgage or deed of trust to bring an action to obtain a personal judgment against the debtor only if the action is commenced within 6 years after the date of the debtor's default. (NRS 11.190) Under **sections 3.3 and 5.7** of this bill, if the real property securing such an obligation is the subject of a foreclosure sale, a trustee's sale or a sale or deed in lieu of such a sale, the creditor may bring an action to obtain a personal judgment against the debtor only if the action is brought within 6 months after the foreclosure sale, the trustee's sale or the sale in lieu of a foreclosure sale or trustee's sale.

Under existing law, the amount of a deficiency judgment after a foreclosure sale or a trustee's sale may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the foreclosed property at the time of the sale; or (2) the amount of the indebtedness minus the amount for which the foreclosed property actually sold. (NRS 40.459) **Section 5** of this bill provides that, for a deficiency judgment sought by a secured creditor after a foreclosure sale, trustee's sale or sale in lieu of a foreclosure sale or trustee's sale, the amount of the deficiency judgment must be reduced by the amount of any insurance proceeds received by, or payable to, the creditor. **Section 2** of this bill enacts a corresponding provision for money judgments sought against a debtor by a junior lienholder after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Sections 2 and 5 also limit the recovery of a creditor who acquired the right to obtain payment for an obligation secured by the real property from another person who owned that obligation. If the creditor is seeking a

deficiency judgment after a foreclosure sale, a trustee's sale or a sale in lieu of a foreclosure sale or trustee's sale, **section 5** provides that the creditor may not a receive an amount which exceeds the lesser of: (1) the consideration paid for the obligation minus the fair market value of the property at the time of the foreclosure sale, with interest from the date of sale and reasonable costs; or (2) the consideration paid for the obligation minus the amount for which the property actually sold, with interest from the date of sale and reasonable costs. If the creditor is a junior lienholder who filed a civil action to obtain a money judgment against the debtor, **section 2** provides that the creditor may not receive an amount greater than the consideration paid for the obligation, with interest from the date on which the person acquired the right to obtain payment and reasonable costs.

Section 5.5 of this bill limits the amount of a judgment against a guarantor, surety or other obligor, other than a mortgagor or grantor of a deed of trust, in an action commenced before a foreclosure sale or trustee's sale to enforce the obligation to pay, satisfy or purchase all or part of an obligation secured by a mortgage or other lien on real property. Under **section 5.5**, the amount of the judgment may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the real property at the time of the commencement of the action; or (2) if a foreclosure sale or a trustee's sale is completed before the date on which judgment is entered, the amount of the indebtedness minus the amount for which the foreclosed property actually sold.

Section 6 of this bill provides that the amendatory provisions of ~~[this bill]~~ **: (1) sections 1-3** apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill ~~[.]~~ **; (2) sections 3.3 and 5.7 apply only to an action commenced after a foreclosure sale or sale in lieu of a foreclosure sale that occurs on or after July 1, 2011; and (3) section 5.5 apply only to an action against a guarantor, surety or other obligor commenced on or after the effective date of this bill. Under section 7 of this bill, the amendatory provisions of section 5 become effective upon passage and approval and thus apply to a deficiency judgment awarded on or after that effective date.**

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. Existing law requires a judgment creditor or beneficiary of a deed of trust to bring an action for such a deficiency judgment within 6 months after the foreclosure sale or trustee's sale. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455)

Sections 3, 3.3 and 5.7 of this bill enact similar provisions to govern deficiency judgments sought by junior lienholders after a foreclosure sale, a trustee's sale or any sale or deed in lieu of a foreclosure sale or trustee's sale. **Section 3** provides that, if the circumstances prohibiting a deficiency judgment after a foreclosure sale or trustee's sale under current law exist with respect to a junior lienholder, the creditor may not bring a civil action to recover the debt owed to it after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Existing law authorizes a creditor under an obligation secured by a junior mortgage or deed of trust to bring an action to obtain a personal judgment against the debtor only if the action is commenced within 6 years after the date of the debtor's default. (NRS 11.190) Under **sections 3.3 and 5.7** of this bill, if the real property securing such an obligation is the subject of a foreclosure sale, a trustee's sale or a sale or deed in lieu of such a sale, the creditor may bring an action to obtain a personal judgment against the debtor only if the action is brought within 6 months after the foreclosure sale, the trustee's sale or the sale in lieu of a foreclosure sale or trustee's sale.

Under existing law, the amount of a deficiency judgment after a foreclosure sale or a trustee's sale may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the foreclosed property at the time of the sale; or (2) the amount of the indebtedness minus the amount for which the foreclosed property actually sold. (NRS 40.459) **Section 5** of this bill provides that, for a deficiency judgment sought by a secured creditor after a foreclosure sale, trustee's sale or sale in lieu of a foreclosure sale or trustee's sale, the amount of the deficiency judgment must be reduced by the amount of any insurance proceeds received by, or payable

to, the creditor. **Section 2** of this bill enacts a corresponding provision for money judgments sought against a debtor by a junior lienholder after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Sections 2 and 5 also limit the recovery of a creditor who acquired the right to obtain payment for an obligation secured by the real property from another person who owned that obligation. If the creditor is seeking a deficiency judgment after a foreclosure sale, a trustee's sale or a sale in lieu of a foreclosure sale or trustee's sale, **section 5** provides that the creditor may not receive an amount which exceeds the lesser of: (1) the consideration paid for the obligation minus the fair market value of the property at the time of the foreclosure sale, with interest from the date of sale and reasonable costs; or (2) the consideration paid for the obligation minus the amount for which the property actually sold, with interest from the date of sale and reasonable costs. If the creditor is a junior lienholder who filed a civil action to obtain a money judgment against the debtor, **section 2** provides that the creditor may not receive an amount greater than the consideration paid for the obligation, with interest from the date on which the person acquired the right to obtain payment and reasonable costs.

Section 5.5 of this bill limits the amount of a judgment against a guarantor, surety or other obligor, other than a mortgagor or grantor of a deed of trust, in an action commenced before a foreclosure sale or trustee's sale to enforce the obligation to pay, satisfy or purchase all or part of an obligation secured by a mortgage or other lien on real property. Under **section 5.5**, the amount of the judgment may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the real property at the time of the commencement of the action; or (2) if a foreclosure sale or a trustee's sale is completed before the date on which judgment is entered, the amount of the indebtedness minus the amount for which the foreclosed property actually sold.

Section 6 of this bill provides that the amendatory provisions of: (1) **sections 1-3** apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill; (2) **sections 3.3 and 5.7** apply only to an action commenced after a foreclosure sale or sale in lieu of a foreclosure sale that occurs on or after July 1, 2011; and (3) **section 5.5** apply only to an action against a guarantor, surety or other obligor commenced on or after the effective date of this bill. Under **section 7** of this bill, the amendatory provisions of **section 5** become effective upon passage and approval and thus apply to a deficiency judgment awarded on or after that effective date.

Section 6 of Assembly Bill No. 284 of this session requires the trustee under a deed of trust to be: (1) an attorney licensed in this State; (2) a

title insurer or title agent authorized to do business in this State; or (3) a person licensed as a trust company or exempt from the requirement to be licensed as a trust company. Section 5.8 of this bill amends section 6 of Assembly Bill No. 284 of this session: (1) to authorize any foreign or domestic entity which holds a current state business license to be the trustee under a deed of trust; and (2) to specifically describe certain persons who are exempt from the requirement to obtain a license as a trust company and who are authorized to be the trustee under a deed of trust. Sections 5.9 and 5.95 of this bill change the effective date of Assembly Bill No. 284 of this session from July 1, 2011, to October 1, 2011.

5. The provisions of NRS 40.430 may not be waived by a guarantor, surety or other obligor if the mortgage or lien:

6. If, in an action brought by a grantor, a person who holds title of record or a beneficiary in the district court in and for the county in which

the real property is located, the court finds that the trustee did not comply with this section, any other provision of this chapter or any applicable provision of chapter 106 or 205 of NRS, the court must award to the grantor, the person who holds title of record or the beneficiary:

The following Senate amendment was read:

Amendment No. 706.

AN ACT relating to mortgage lending; revising provisions governing certain mortgage lending professionals to be consistent with certain federal law governing the provision of mortgage assistance relief services; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law regulates the activities of certain mortgage lending professionals who provide counseling, assistance and advice to homeowners whose homes are subject to an outstanding notice of the pendency of an action for foreclosure. (NRS 645F.300-645F.450) The Federal Trade Commission similarly regulates the activities of persons who provide mortgage assistance relief services. (16 C.F.R. Part 322) This bill revises Nevada law to provide protections for homeowners consistent with the protections provided pursuant to the regulations adopted by the Federal Trade Commission.

Section 2 of this bill prohibits a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant from requesting or receiving any compensation before a homeowner executes a written agreement that incorporates an offer of mortgage assistance.

Section 3 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to maintain certain records for not less than 24 months. **Section 3** provides that such records are subject to inspection and audit by the Commissioner of Mortgage Lending. **Section 3** also requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to take reasonable steps to ensure that any of his or her employees or independent contractors comply with the laws and regulations governing persons who perform covered services for compensation, foreclosure consultants and loan modification consultants.

Section 4 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant

to make certain disclosures in connection with any commercial communication relating to the provision of any covered service.

Section 5 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to provide certain notices to a homeowner at the time the homeowner is presented with a written agreement incorporating an offer of mortgage assistance obtained from the homeowner's lender or servicer.

Section 6 of this bill prohibits a person who knows or reasonably should know that a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant is not in compliance with the laws and regulations governing covered services from providing substantial assistance or support to the person who performs any covered service for compensation, the foreclosure consultant or the loan modification consultant.

~~[Section 8 of this bill extends to the employees of an attorney at law the exemption from regulation as a foreclosure consultant or foreclosure purchaser that is currently provided under certain circumstances to an attorney at law.]~~

Section 9 of this bill prohibits a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant from making certain express or implied representations relating to the provision of covered services, including any representation that: (1) a homeowner cannot or should not contact or communicate with his or her lender; or (2) the covered service is affiliated with or endorsed by the Federal Government, the State of Nevada or any department, agency or political subdivision thereof. **Section 9** also prohibits a person who performs any covered service, a foreclosure consultant or a loan modification consultant from obtaining or attempting to obtain from a homeowner a waiver of any provision of this bill or existing law. Any such waiver is void and unenforceable. A violation of any provision of **section 9** constitutes mortgage lending fraud and is punishable as a category C felony.

Legislative Counsel's Digest:

Existing law makes it unlawful for a private employer to make rules or regulations that prohibit or prevent an employee from engaging in politics or becoming a candidate for public office. (NRS 613.040) A violation of that prohibition by an employer is punishable by a fine of not more than $5,000. With respect to public employees, this bill makes an exception where necessary to meet requirements of federal law, such as the Hatch Act, 5 U.S.C. §§ 1501-1508, which imposes restrictions on certain political activities by state and local governmental employees.

Assembly Bill No. 265.

The following Senate amendment was read:

Amendment No. 800.

AN ACT relating to peace officers; revising the circumstances under which a law enforcement agency is prohibited from suspending a peace officer without pay during an investigation; authorizing a representative of a peace officer to attend an interview with the peace officer under certain circumstances; requiring a law enforcement agency to revise a peace officer's work schedule for attending certain hearings and administrative proceedings; prohibiting the use in a criminal proceeding of a statement or answer of a peace officer obtained during an investigation under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a law enforcement agency to conduct an investigation of a peace officer in response to a complaint or allegation that the peace officer has engaged in activities which may result in punitive action. Existing law prohibits the law enforcement agency from suspending the peace officer without pay during the investigation until all investigations relating to the matter have concluded. (NRS 289.057) **Section 1** of this bill prohibits the law enforcement agency from suspending the peace officer without pay except as otherwise provided in a collective bargaining agreement.

Existing law requires a law enforcement agency to notify a peace officer not later than 48 hours before conducting any interrogation or hearing relating to an investigation of the peace officer. (NRS 289.060) **Section 1.5** of this bill imposes additional requirements by requiring the law enforcement agency to provide a written notice to any other peace officer the law enforcement agency believes has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation. The written notice must advise the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. **Section 1.5** also limits the use of certain evidence discovered during the course of an investigation or hearing and prohibits the use of certain statements or answers made by a peace officer in any subsequent criminal proceeding.

~~[Finally, existing]~~ **Existing** law **further** provides that, if a peace officer is the subject of an investigation of alleged misconduct, a law enforcement agency must interrogate the peace officer during his or her regular working hours, if practical, or compensate the peace officer for his or her time based on the peace officer's wages, if no charges arise from the interrogation. (NRS 289.060) **Section 1.5** of this bill deletes the requirement for the payment of compensation to the peace officer and instead requires the law enforcement agency to revise the peace officer's work schedule to allow any time that is required for the interrogation to be deemed a part of the peace officer's

regular working hours. If the law enforcement agency does not interrogate the peace officer during his or her regular working hours and the peace officer receives a notice to appear for an interrogation at a time that he or she is off duty, **section 1.5** requires the peace officer to be compensated for appearing at the interrogation based on his or her wages and any other benefits he or she is entitled to receive. **Section 1.5 also applies these provisions to a peace officer who is interviewed as a witness in connection with an investigation.**

Existing law authorizes a peace officer who is the subject of an investigation of alleged misconduct to have two representatives present during the interrogation and hearing concerning the investigation. Any such representative is required, except under certain circumstances, to keep all information he or she learns concerning the investigation confidential. (NRS 289.080) Section 1.7 of this bill authorizes a peace officer who is a witness in an investigation to have two representatives present during an interview conducted concerning the investigation. Section 1.7 also requires any such representative to keep all information he or she learns concerning the investigation confidential.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 289.057 is hereby amended to read as follows:

289.057 1. An investigation of a peace officer may be conducted in response to a complaint or allegation that the peace officer has engaged in activities which could result in punitive action.

2. ~~[A]~~ ***Except as otherwise provided in a collective bargaining agreement, a*** law enforcement agency shall not suspend a peace officer without pay during or pursuant to an investigation conducted pursuant to this section until all investigations relating to the matter have concluded.

3. After the conclusion of the investigation:

(a) If the investigation causes a law enforcement agency to impose punitive action against the peace officer who was the subject of the investigation and the peace officer has received notice of the imposition of the punitive action, the peace officer or a representative authorized by the peace officer may, except as otherwise prohibited by federal or state law, review any administrative or investigative file maintained by the law enforcement agency relating to the investigation, including any recordings, notes, transcripts of interviews and documents.

(b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement

agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

Sec. 1.5. NRS 289.060 is hereby amended to read as follows:

289.060 1. A]~~ ***who is the subject of the investigation. or interrogation [or for any hearing] to be deemed a part of the peace officer's regular working hours. Any such time must be calculated based on the peace officer's regular wages for his or her regularly scheduled working hours. If the peace officer is not interviewed or interrogated during his or her regular working hours or if his or her work schedule is not revised pursuant to this paragraph and the law enforcement agency notifies the peace officer to appear at a time when he or she is off duty, the peace officer must be compensated for appearing at the interview or interrogation based on the wages and any other benefits the peace officer is entitled to receive for appearing at the time set forth in the notice.

(b) Immediately before [the] ***any*** interrogation or hearing begins, inform the peace officer ***who is the subject of the investigation*** orally on the record that:

(1) The peace officer is required to provide a statement and answer questions related to the peace officer's alleged misconduct; and

(2) If the peace officer fails to provide such a statement or to answer any such questions, the agency may charge the peace officer with insubordination.

(c) Limit the scope of the questions during the interrogation or hearing to the alleged misconduct of the peace officer [.] ***who is the subject of the investigation. If any evidence is discovered during the course of an investigation or hearing which establishes or may establish any other possible misconduct engaged in by the peace officer, the law enforcement agency shall notify the peace officer of that fact and shall not conduct any further interrogation of the peace officer concerning the possible misconduct until a subsequent notice of that evidence and possible misconduct is provided to the peace officer pursuant to this chapter.***

(d) Allow the peace officer ***who is the subject of the investigation or who is a witness in the investigation*** to explain an answer or refute a negative implication which results from questioning during an ***interview,*** interrogation or hearing.

4. If a peace officer provides a statement or answers a question relating to the alleged misconduct of a peace officer who is the subject of an investigation pursuant to NRS 289.057 after the peace officer is informed that failing to provide the statement or answer may result in punitive action against him or her, the statement or answer must not be used against the peace officer who provided the statement or answer in any subsequent criminal proceeding.

Sec. 1.7. **NRS 289.080 is hereby amended to read as follows:**

289.080 1. Except as otherwise provided in subsection [3,] ***4,*** a peace officer ***who is the subject of an investigation conducted pursuant to NRS 289.057*** may upon request have two representatives of the peace officer's

The following Senate amendment was read:

Amendment No. 631.

AN ACT relating to public works; making various changes relating to the withholding of retainage on progress payments for public works contracts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a public body to withhold as retainage at least 10 percent of the progress payments owed to a contractor on a public works project during the first half of the project. (NRS 338.515) Similarly, contractors and subcontractors may withhold as retainage not more than 10 percent of progress payments to their subcontractors and suppliers during the first half of the public works project. (NRS 338.555, 338.595) **Sections 1, 3 and 5** of this bill revise the maximum amount of retainage that may be withheld during the first half of the project to 5 percent of the progress payment. **Sections 1, 3 and 5** also provide that, except under limited circumstances, the amount of retainage may not exceed 2.5 percent of progress payments during the second half of a public works project. **Section 1 also allows a public body to pay some or all of the retainage withheld during the first half of the project if satisfactory progress is being made in the work or if a subcontractor has completed its portion of the work.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.515 is hereby amended to read as follows:

338.515 1. Except as otherwise provided in NRS 338.525, a public body and its officers or agents awarding a contract for a public work shall pay or cause to be paid to a contractor the progress payments due under the contract within 30 days after the date the public body receives the progress bill or within a shorter period if the provisions of the contract so provide. Not more than ~~[90]~~ ***95*** percent of the amount of any progress payment may be

paid until 50 percent of the work required by the contract has been performed. ~~[Thereafter,]~~

2. After 50 percent of the work required by the contract has been performed, the public body may pay ~~[any]~~ ***to the contractor:***

(a) Any of the remaining progress payments without withholding additional retainage ***; and***

~~[2.]~~ ***3. After determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body may pay to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 if:***

(a) A subcontractor has performed a portion of the work;

(b) The public body determines that the portion of the work has been completed in compliance with all applicable plans and specifications;

(c) The subcontractor submits to the contractor:

(1) A release of the subcontractor's claim for a mechanic's lien for the portion of the work; and

(2) From each of the subcontractor's subcontractors and suppliers who performed work or provided material for the portion of the work, a release of his or her claim for a mechanic's lien for the portion of the work; and

(d) The amount of the retainage which the public body pays is in proportion to the portion of the work which the subcontractor has performed.

4. If, pursuant to subsection 3, the public body pays to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 for the portion of the work which has been performed by the subcontractor, the contractor must pay to the subcontractor the portion of any retainage withheld by the contractor pursuant to NRS 338.555 for the portion of the work. If, pursuant to this subsection, the contractor pays to the subcontractor the portion of any retainage withheld by the contractor pursuant to NRS 338.555 for the portion of the work which has been performed by the subcontractor, the subcontractor must pay to the subcontractor's subcontractors and suppliers the portion of any retainage withheld by the subcontractor pursuant to NRS 338.595 for the portion of the work.

5. If , after determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body continues to withhold retainage from remaining progress payments:

(a) If the public body does not withhold any amount pursuant to NRS 338.525:

(1) The public body may not withhold more than 2.5 percent of the amount of any progress payment; and

(2) Before withholding any amount pursuant to subparagraph (1), the public body must pay to the contractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or

(b) If the public body withholds any amount pursuant to NRS 338.525:

(a) The end of a subsequent quarter after which the amount of interest due is $500 or more;

➥ whichever occurs first.

~~[4.]~~ ~~[5.]~~ ***8.*** If the Labor Commissioner has reason to believe that a worker is owed wages by a contractor or subcontractor, the Labor

Commissioner may require the public body to withhold from any payment due the contractor under this section and pay the Labor Commissioner instead, an amount equal to the amount the Labor Commissioner believes the contractor owes to the worker. This amount must be paid by the Labor Commissioner to the worker if the matter is resolved in the worker's favor, otherwise it must be returned to the public body for payment to the contractor.

Sec. 2. NRS 338.530 is hereby amended to read as follows:

338.530 1. If a public body receives:

(b) A contractor's written notice of the correction of a condition set forth pursuant to subsection 2 of NRS 338.525 as the reason for the withholding, signed by an authorized agent of the contractor, and fails to:

(1) Pay the amount of the progress payment or retainage payment that was withheld from the contractor within 30 days after the public body receives the next progress bill or retainage bill; or

(2) Object to the scope and manner of the correction, within 30 days after the public body receives the notice of correction, in a written statement that sets forth the reason for the objection and is signed by an authorized agent of the public body,

➥ the public body shall pay to the contractor, in addition to the entire amount of the progress bill or retainage bill or any unpaid portion thereof, interest from the 30th day on the amount delayed, at a rate equal to the amount provided for in subsection ~~[3]~~ *[4]* 7 of NRS 338.515, until payment is made to the contractor.

2. If the public body objects pursuant to subparagraph (2) of paragraph (b) of subsection 1, it shall pay to the contractor an amount equal to the value of the corrections to which the public body does not object.

Sec. 3. NRS 338.555 is hereby amended to read as follows:

338.555 1. If a public body and a contractor enter into a contract for a public work, the contractor may withhold as retainage not more than ~~[10]~~ ***5*** percent from the amount of any progress payment due under a subcontract which is made before 50 percent of the work has been completed under the subcontract. ~~[Thereafter]~~

2. After 50 percent of the work required by the contract has been performed, the contractor shall pay any additional progress payments due under the subcontract without withholding any additional retainage if, in the opinion of the contractor, satisfactory progress is being made in the work

~~[2.]~~ ***If the contractor continues to withhold retainage from remaining progress payments:***

(a) If the contractor does not withhold any amount pursuant to NRS 338.560:

(1) The contractor may not withhold more than 2.5 percent of the amount of any progress payment; and

(2) Before withholding any amount pursuant to subparagraph (1), the contractor must pay to the subcontractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or

(b) If the contractor withholds any amount pursuant to NRS 338.560:

(1) The contractor may not withhold more than 5 percent of the amount of any progress payment; and

(2) The contractor may continue to retain the amount of any retainage that was withheld from progress payments pursuant to subsection 1.

3. If the contractor receives a payment of interest earned on the retainage or an amount withheld from a progress payment, the contractor shall, within 10 days after he or she receives the money, pay to each subcontractor or supplier that portion of the interest received from the public body which is attributable to the retainage or amount withheld from a progress payment by the contractor to the subcontractor or supplier.

Sec. 4. NRS 338.560 is hereby amended to read as follows:

338.560 1. A contractor may withhold from a progress payment or retainage payment an amount sufficient to pay:

(b) An amount withheld from payment to the contractor by a public body pursuant to subsection ~~[4]~~ ~~*[5]*~~ ***8*** of NRS 338.515 for a claim for wages against the subcontractor.

3. The written notice must:

(a) Set forth:

(2) A detailed explanation of the reason the contractor will withhold that amount, including, without limitation, a specific reference to the provision or section of the subcontract, or documents related thereto, or applicable building code, law or regulation with which his or her subcontractor or supplier has failed to comply; and

(b) Be signed by an authorized agent of the contractor.

4. The contractor shall pay to his or her subcontractor or supplier the amount withheld by the public body or the contractor within 10 days after:

(b) The public body pays to the contractor the amount withheld,

➥ whichever occurs later.

Sec. 5. NRS 338.595 is hereby amended to read as follows:

338.595 1. Assemblywoman Kirkpatrick moved that the Assembly concur in the Senate Amendment No. 631 to Assembly Bill No. 413.

Remarks by Assemblywoman Kirkpatrick.

Motion carried by a constitutional majority.

Bill ordered enrolled.

Assembly Bill No. 81.

The following Senate amendment was read:

Amendment No. 685.

AN ACT relating to elections; clarifying how a minor political party may be organized; revising certain requirements for petitions of referendum; revising provisions relating to counting ballots, posting voting results and recounts; providing that the residency of spouses of certain military personnel is not changed whether absent or present in this State; making various changes concerning campaign contributions and expenditures; making various other changes to provisions governing elections; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In order to qualify to place the names of candidates on the ballot, under existing law, a minor political party must have filed with the Secretary of State a certificate of existence and a list of candidates. Also, the minor political party must have: (1) at the last preceding general election, polled for any of its candidates for partisan office a number of votes equal to or more than 1 percent of the total number of votes cast for the offices of Representative in Congress; (2) been designated as the political party on the applications to register to vote of at least 1 percent of the total number of registered voters in this State; or (3) filed a petition with the Secretary of State which is signed by a number of registered voters equal to at least 1 percent of the total number of votes cast at the last preceding election for the

offices of Representative of Congress. Alternatively, the minor political party may place the name of a candidate on the ballot if the minor political party has filed with the Secretary of State a certificate of existence and a petition on behalf of the candidate that it wants to place on the ballot containing a certain number of signatures. (NRS 293.1715) **Sections 16, 16.2 and 16.4** of this bill remove the option of a minor political party to place a candidate on the ballot by filing a petition on behalf of the candidate. **Sections 6 and 15-18** of this bill clarify that an organization is organized as a minor political party when it files a certificate of existence. A minor political party must still meet the other requirements in order to qualify to place candidates on the ballot.

Sections 7-12 and 64 of this bill provide that the signature and verification requirements for initiative petitions also apply to petitions for referendum.

Existing law provides the requirements for nominating candidates for office and placing candidates on the ballot for the general election. (NRS 293.165, 293.166, 293.368) **Sections 13, 14 and 25** of this bill move the date after which no change may be made on the ballot for the general election from the first Tuesday after the primary election to the fourth Friday in June of the year in which the general election is held.

Existing law provides that if a person willfully files a declaration or acceptance of candidacy that contains a false statement, the name of the person must not appear on the ballot for the election for which the person filed the declaration or acceptance of candidacy. (NRS 293.184, 293C.1865) **Sections 19 and 32** of this bill further require that if the name of such a person appears on the ballot because the deadline for making changes to the ballot has passed, the Secretary of State, county clerk or city clerk must inform voters by posting signs at polling places that the person is disqualified from entering upon the duties of office.

Section 21 of this bill allows a person to cast a primary ballot for a major political party only if the person is a member of that major political party.

Existing law sets forth procedures for depositing absent ballots in the ballot box, including verifying the absent voter's signature that appears on the back of the return envelope or facsimile. (NRS 293.333, 293C.332) Because certain military personnel and overseas citizens may return special absent ballots via approved electronic transmission other than facsimile, **sections 23 and 33** of this bill authorize the verification of the signature of these voters by comparing the signature from the special absent ballot or the oath of the voter that must be included in the special absent ballot with that on the original application to register to vote.

Existing law sets forth the period for early voting by personal appearance at a primary or general election, which excludes Sundays and state and

federal holidays. (NRS 293.3568, 293C.3568) **Sections 24 and 34** of this bill provide that state holidays are not excluded from that period.

Section 26 of this bill prohibits a county clerk from posting voting results for a statewide or multicounty race or ballot question until the Secretary of State notifies the county clerk that all polling places are closed and all votes have been cast.

Section 27 of this bill revises the procedure for demands for an election recount in a county or city using a mechanical voting system and for recounts affecting more than one county.

Existing law provides that a person does not gain or lose residence in the State by reason of his or her presence or absence while being employed in the military, naval or civil service of the United States or the State of Nevada or while engaged in the navigation of the waters of the United States or of the high seas. (NRS 293.487) **Section 30** of this bill provides that the spouse of such a person also does not gain or lose residence in the State.

Sections 36.5 and 39.5 of this bill differentiate between "campaign expenses" and "expenditures" for purposes of campaign reporting requirements.

Section 37 of this bill requires certain persons, committees for political action, political parties and committees of political parties that expend more than $100 for the purpose of financing certain public communications to disclose on the communication the name of the person, committee or political party that paid for the communication.

Section 41.5 of this bill prohibits a person from making a contribution to a committee for political action with the knowledge and intent that the committee for political action will contribute that money to a specific candidate which, in combination with the total contributions already made by the person for the same election, would violate the limitations on contributions in existing law.

Section 49 of this bill provides that if a committee for political action fails to register with the Secretary of State before engaging in any activity within the State, the Secretary of State may impose on the committee a civil penalty for each time the committee engages in activity without being registered.

Sections 40, 44, 45, 47, 48, 50-53, 55, 59-62 and 69 of this bill repeal the term "business entity" and remove the term from provisions governing registration and campaign contribution and expenditure reporting. These entities, however, are not exempt from the provisions because they are business organizations included within the term "person" as defined in existing law. (NRS 294A.009)

Section 54 of this bill: (1) prohibits a candidate or public officer from using campaign contributions to pay civil or criminal penalties; and (2) authorizes a candidate or public officer to use campaign contributions to pay

for legal expenses that the candidate or public officer incurred in relation to a campaign or while serving in public office. Any such candidate or public officer is not required to establish a legal defense fund in order to use campaign contributions to pay for legal expenses, but **sections 29, 54, 56, 58, 59, 61 and 62** of this bill require the candidate or public officer to report the expenditure of such money on his or her campaign expenditure reports.

Section 58 of this bill adds contributions made to another candidate, a nonprofit corporation, a committee for political action or a committee for the recall of a public officer to the categories of expenditures that must be reported on campaign expenditure reports.

Section 59.5 of this bill requires the Secretary of State, for the purposes of implementing and administering the election laws, to consider whether organization of or actions taken by a group or entity are for the purpose of avoiding the limitations on campaign contributions.

Section 65 of this bill requires the affidavit executed by a circulator of a petition for initiative or referendum to include the contact information of the circulator and a statement that the circulator is at least 18 years of age.

Sections 65.5 and 66 of this bill: (1) clarify that a candidate for or person appointed to the office of Legislator is required to file a statement of financial disclosure with the Secretary of State; and (2) requires a public officer who leaves office to file a statement of financial disclosure on January 15th of the year immediately following the year in which the public officer leaves office unless the public officer leaves office before January 15 in the prior year.

Sections 67 and 68 of this bill require that candidates for city office in the cities of Carlin and Wells file declarations of candidacy at the same time as candidates for statewide office.

For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

8. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 11. NRS 293.1278 is hereby amended to read as follows:

293.1278 1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or

306.015 and, in the case of a petition ***for initiative or referendum*** proposing a ~~[statute, an amendment to a statute or an amendment to the Constitution,]~~ ***constitutional amendment or statewide measure,*** that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to NRS 295.055 or 306.015 shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition ***for initiative or referendum*** proposing a ~~[statute, an amendment to a statute or an amendment to the Constitution,]~~ ***constitutional amendment or statewide measure,*** that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

Sec. 12. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus

the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to NRS 295.055 or 306.015. In the case of a petition for initiative ***or referendum*** that proposes a ~~[statute, an amendment to a statute or an amendment to the Constitution of this State,]~~ ***constitutional amendment or statewide measure,*** if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to NRS 295.012 plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to NRS 295.055, the Secretary of State may order a county clerk to examine every signature for verification.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition ***for initiative or referendum*** to propose a ~~[statute, an amendment to a statute or an amendment to the Constitution,]~~ ***constitutional amendment or statewide measure,*** if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section.

Remarks by Assemblyman Segerblom.

Motion carried by a constitutional majority.

Bill ordered transmitted to the Senate.

Assembly Bill No. 471.

The following Senate amendment was read:

Amendment No. 749.

AN ACT relating to local government financial administration; limiting the authority of a governing body of a local government to loan or transfer money from an enterprise fund and to increase fees imposed for the purpose of an enterprise fund; requiring certain reports from the Committee on Local Government Finance; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Local Government Budget and Finance Act authorizes the governing body of a local government to establish certain funds, including an enterprise fund to account for operations which are financed and conducted in a manner similar to the operations of a private business, where the intent of the governing body is to have the expenses of providing goods or services to the general public financed through charges imposed on users. (NRS 354.470-354.626) **Section 1** of this bill allows a governing body of a local government to loan or transfer money from an enterprise fund only if the loan or transfer is made: (1) as a medium-term obligation in compliance with certain requirements; (2) to pay the expenses of the pertinent enterprise; (3) for a cost allocation for employees, equipment or other resources; or (4) upon the dissolution of the fund. In addition, **section 1** allows such a governing body to increase the amount of the fees imposed for the purpose for which an enterprise fund was created only if the ~~[Committee on Local Government Finance approves that increase or the fees are imposed on certain public utilities for a right-of-way over a public area. Lastly,]~~ **fees are used for certain specified purposes or the governing body determines that: (1) the increase is not prohibited by law; (2) the increase is necessary for the pertinent enterprise; and (3) all fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected. Furthermore, section 1** requires the Committee **on Local Government Finance** to submit biennial reports to the Legislature regarding compliance with the requirements of that section. **Section 9** of this bill provides that any officer or employee of a local government who violates **section 1** is guilty of

a misdemeanor and upon conviction ceases to hold his or her office or employment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:

1. ~~[The]~~ Except as otherwise provided in this section, the governing body of a local government may, on or after July 1, 2011, loan or transfer money from an enterprise fund, money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund only if the loan or transfer is made:

(a) In accordance with a medium-term obligation issued by the recipient in compliance with the provisions of chapter 350 of NRS , the loan or transfer is proposed to be made and the governing body approves the loan or transfer under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and:

(1) The money is repaid in full to the enterprise fund within 5 years; or

(2) If the recipient will be unable to repay the money in full to the enterprise fund within 5 years, the recipient notifies the Committee on Local Government Finance of:

(I) The total amount of the loan or transfer;

(II) The purpose of the loan or transfer;

(III) The date of the loan or transfer; and

(IV) The estimated date that the money will be repaid in full to the enterprise fund;

(b) To pay the expenses related to the purpose for which the enterprise fund was created;

(c) For a cost allocation for employees, equipment or other resources related to the purpose of the enterprise fund ~~[,]~~ which is approved by the governing body under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body; or

(d) Upon the dissolution of the enterprise fund.

2. Except as otherwise provided in ~~[subsection 3,]~~ this section, the governing body of a local government may increase the amount of any fee imposed for the purpose for which an enterprise fund was created only if the ~~[Committee on Local Government Finance]~~ governing body approves the increase ~~[. The Committee may approve such an increase if it]~~ under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and the governing body determines that:

(a) The increase is not prohibited by law;

(c) ~~[The governing body is not using any money from the enterprise fund, any money collected from fees imposed for the purpose for which the enterprise fund was created or any income or interest earned on money in the enterprise fund for any purpose other than that for which the enterprise fund was created, except to repay any money loaned or transferred to the enterprise fund from another fund of the local government or of another local government to provide working capital for the enterprise fund.~~

~~3.]~~ All fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected.

3. As used in this subsection, "public utility" has the meaning ascribed to it in NRS 354.598817.

~~[4.]~~ 5. This section must not be construed to:

(a) Prohibit a local government from increasing a fee or using money in an enterprise fund to repay a loan lawfully made to the enterprise fund from another fund of the local government; or

(b) Prohibit or impose any substantive or procedural limitations on any increase of a fee that is necessary to meet the requirements of an instrument that authorizes any bonds or other debt obligations which are secured by or payable from, in whole or in part, money in the enterprise fund or the revenues of the enterprise for which the enterprise fund was created.

6. The Department of Taxation shall provide to the Committee on Local Government Finance a copy of each report submitted to the Department on or after July 1, 2011, by a county or city pursuant to NRS 354.6015. The Committee shall:

(a) Review each report to determine whether the governing body of the local government is in compliance with the provisions of this section; and

(b) On or before January 15 of each odd-numbered year, submit a report of its findings to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

~~[5. As used in this section, "public utility" has the meaning ascribed to it in NRS 354.598817.]~~

Sec. 10. **Section 1 of this act is hereby amended to read as follows:**

Section 1. Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, the governing body of a local government may, on or after July 1, 2011, loan or transfer money from an enterprise fund, money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund only if the loan or transfer is made:

(a) In accordance with a medium-term obligation issued by the recipient in compliance with the provisions of chapter 350 of NRS, the loan or transfer is proposed to be made and the governing body approves the loan or transfer

under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and:

(1) The money is repaid in full to the enterprise fund within 5 years; or

(2) If the recipient will be unable to repay the money in full to the enterprise fund within 5 years, the recipient notifies the Committee on Local Government Finance of:

(IV) The estimated date that the money will be repaid in full to the enterprise fund;

(b) To pay the expenses related to the purpose for which the enterprise fund was created;

(c) For a cost allocation for employees, equipment or other resources related to the purpose of the enterprise fund which is approved by the governing body under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body; or

(d) Upon the dissolution of the enterprise fund.

2. Except as otherwise provided in this section, the governing body of a local government may increase the amount of any fee imposed for the purpose for which an enterprise fund was created only if the governing body approves the increase under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and the governing body determines that:

(a) The increase is not prohibited by law;

(b) The increase is necessary for the continuation or expansion of the purpose for which the enterprise fund was created; and

(c) All fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected.

3. Upon the adoption of an increase in any fee pursuant to subsection 2, the governing body shall, except as otherwise provided in this subsection, provide to the Department of Taxation an executed copy of the action increasing the fee. This requirement does not apply to the governing body of a federally regulated airport.

4. The provisions of subsection 2 do not limit the authority of the governing body of a local government to increase the amount of any fee imposed upon a public utility in compliance with the provisions of NRS 354.59881 to 354.59889, inclusive, for a right-of-way over any public area if the public utility is billed separately for that fee. As used in this subsection, "public utility" has the meaning ascribed to it in NRS 354.598817.

5. This section must not be construed to:

(a) Prohibit a local government from increasing a fee or using money in an enterprise fund to repay a loan lawfully made to the enterprise fund from another fund of the local government; or

(b) Prohibit or impose any substantive or procedural limitations on any increase of a fee that is necessary to meet the requirements of an instrument that authorizes any bonds or other debt obligations which are secured by or payable from, in whole or in part, money in the enterprise fund or the revenues of the enterprise for which the enterprise fund was created.

6. The Department of Taxation shall provide to the Committee on Local Government Finance a copy of each report submitted to the Department on or after July 1, 2011, by a county or city pursuant to NRS 354.6015. The Committee shall:

(a) Review each report to determine whether the governing body of the local government is in compliance with the provisions of this section; and

(b) On or before January 15 of each odd-numbered year, submit a report of its findings to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

7. A fee increase imposed in violation of this section must not be invalidated on the basis of that violation. The sole remedy for a violation of this section is the penalty provided in NRS 354.626. Any person who pays a fee for the enterprise for which the enterprise fund is created may file a complaint with the district attorney or Attorney General alleging a violation of this section for prosecution pursuant to NRS 354.626.

8. For the purposes of paragraph (c) of subsection 1, the Committee on Local Government Finance shall adopt regulations setting forth the extent to which general, overhead, administrative and similar expenses of a local government of a type described in paragraph (c) of subsection 1 may be allocated to an enterprise fund. The regulations must require that:

(a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and

(b) Only the enterprise fund's equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

Assembly Bill No. 322.
The following Senate amendment was read:
Amendment No. 714.

AN ACT relating to wildlife; revising the membership of the Board of Wildlife Commissioners to include one member who **is actively engaged in conservation and** possesses experience and expertise in advocating issues relating to conservation; revising the circumstances under which the Director of the Department of Wildlife is appointed; revising the provisions governing a program for the issuance of certain additional big game tags each year; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Board of Wildlife Commissioners, consisting of nine members appointed by the Governor, and confers broad authority upon the Commission to manage wildlife and its habitat in this State. (NRS 501.105, 501.167, 501.181) Of those nine members, existing law requires one member to be a person who is actively engaged in the conservation of wildlife. (NRS 501.171) **Section 1** of this bill revises the qualifications of that member to require **him or her to be actively engaged in conservation and to possess** experience and expertise in advocating issues relating to conservation.

Existing law requires the Governor to appoint the Director of the Department of Wildlife from among three or more persons nominated by the Commission. (NRS 501.333) **Section 2** of this bill revises that requirement to allow the Governor additional discretion in appointing the Director.

Existing law authorizes the Commission to establish a program for the issuance of additional big game tags each year, known as "Dream Tags," to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk. The program must award the big game tags through a raffle conducted by a certain nonprofit organization. The money received by the nonprofit organization from the proceeds of the raffle, less any administrative costs, must be used to preserve, protect, manage or restore game and its habitat. (NRS 502.219) In lieu of authorizing the Commission to establish such a program, **section 3** of this bill establishes that program by statute.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 501.171 is hereby amended to read as follows:

501.171 1. A county advisory board to manage wildlife shall submit written nominations for appointments to the Commission upon the request of the Governor and may submit nominations at any other time.

MESSAGES FROM THE GOVERNOR

OFFICE OF THE GOVERNOR

June 1, 2011

April 4, 2011

SPEAKER JOHN OCEGUERA, *Nevada State Assembly*, 401 SOUTH CARSON STREET, CARSON CITY, NV 89701

RE: Assembly Bill 135 of the 76th Legislative Session

DEAR MR. SPEAKER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 135, which is entitled:

AN ACT relating to probation; revising provisions concerning violations of probation; and providing other matters properly relating thereto.

This bill relates to the authority of courts to, upon determination that a person has violated a condition of probation, continue or revoke the probation or suspension of sentence. More specifically, the bill limits courts' discretion to revoke the probation and suspension of sentence to cases where: (1) imprisonment is necessary to protect the community from further criminal activity by the probationer; (2) the probationer is in need of treatment which can most effectively be provided if he or she is imprisoned; (3) the seriousness of the violation or the totality of violations by the probationer warrant revocation of probation and suspension of the sentence; or (4) the violation demonstrates the probationer cannot be supervised pursuant to practices and policies governing probation.

The bill further precludes courts from revoking probation and the suspension of the sentence based on the probationer's failure to pay court imposed administrative assessments, fees and expenses. In addition, before revoking probation and the suspension of the sentence, the bill requires courts to make findings to support the reasons for the revocation and state them on the record.

The requirement that courts state on the record the reasons for revocation of probation and the suspension of a sentence is reasonable. The limits imposed on the discretion of courts to revoke probation and the suspension of a sentence, however, are not. The effective administration of justice requires the proportionate enforcement of criminal sentences. Proportionality is not, though, easily obtained through the application of categorical methodology. Instead, courts require flexibility and discretion in fashioning the appropriate response to a probation violation. Thus, courts have traditionally been granted latitude in determining the appropriate mechanism by which such sentences are enforced. The revocation of probation and the suspension of a sentence are tools often employed toward that end.

Insofar as this bill limits the cases in which these enforcement mechanisms are available, it undermines the ability of courts to effectively enforce sentences. The Legislature's attempt to categorically define the circumstances under which revocation of probation and the suspension of a sentence are appropriate fails to adequately capture the scope of cases where such revocation is appropriate; therefore, I veto this bill and return it to you without my approval.

Sincere regards,
BRIAN SANDOVAL

RE: Assembly Bill 253 of the 76th Legislative Session

DEAR MR. SPEAKER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 253, which is entitled:

> AN ACT relating to occupational safety; revising certain fines for willful violations of the Nevada Occupational Safety and Health Act; authorizing citations and fines for violation of a settlement agreement; providing for a survey of salaries of safety and mechanical inspectors; and providing other matters properly relating thereto.

This bill relates to occupational safety. It proposes significant increases to the fines that may be imposed for willful violations of the Nevada Occupational Safety and Health Act (OSHA). The bill also revises the punishment for a willful violation that results in the death of an employee.

There is some merit to the argument that the bills increased fines may help reduce the number of willful OSHA violations occurring in Nevada's workplaces. However, a more innovative and proactive approach is warranted to improve workplace safety and change behavior before it

results in workplace injuries or death. I therefore exercise my constitutional grant of authority to veto AB 253 and return it to you without my approval.

Sincere regards,
BRIAN SANDOVAL

SPEAKER JOHN OCEGUERA, *Nevada State Assembly*, 401 SOUTH CARSON STREET, CARSON CITY, NV 89701

RE: Assembly Bill 254 of the 76th Legislative Session

DEAR MR. SPEAKER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 254, which is entitled:

> AN ACT relating to occupational safety; revising provisions governing the grounds for the issuance of a citation for certain occupational safety and health violations; providing for the issuance of a citation for certain occupational safety and health violations upon a determination by the Administrator of the Division of Industrial Relations of the Department of Business and Industry or the Administrator's authorized representative that any employee has access to a hazard; and providing other matters properly relating thereto.

This bill relates to occupational safety. Like Assembly Bill 253, which I have already vetoed, Assembly Bill 254 unnecessarily increases the complexity and cost of operating a business in Nevada. The bill expands the scope of behavior for which a citation may be issued to an employer for violating the Nevada Occupational Safety and Health Act (OSHA) by allowing the issuance of a citation based upon a determination that an employee "has access to a hazard" in the workplace.

Legislation passed in 2009 has significantly improved jobsite safety and enforcement of OSHA violations in Nevada, and I am a strong supporter of continued improvement in these areas. However, this bill creates ambiguous and misguided new requirements that will be difficult to enforce and burdensome to comply with. Because this bill will not proactively improve the conditions and safety of our workplaces, I veto it and return it to you without my approval.

Sincere regards,
BRIAN SANDOVAL

RE: Assembly Bill 456 of the 76th Legislative Session

DEAR MR. SPEAKER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 456, which is entitled:

> AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders

against the parent or legal guardian of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto.

This bill alters requirements for graduation from high school. In order to receive a standard high school diploma, students must pass all portions of the Nevada High School Proficiency Examination (HSPE) and meet certain other district and state requirements. Approval of Assembly Bill 456 would allow students to graduate from high school even if they continue to fail one subject area of the HSPE, so long as they earn at least a 2.75 grade point average, satisfy minimum attendance requirements, do not have any pending disciplinary actions, and obtain a cumulative passing score on the HSPE.

Supporters of the bill point out that some students cannot pass the math portion of the HSPE, but these students are otherwise proficient in all other subject areas and do well in school. While personally compelling, this argument lacks a broad policy implication; if the number of students is as small as has been represented, other remedies may exist besides a wholesale change in graduation requirements. The bill does not address the fact that Nevada's graduation rates and grade-level performance are amongst the worst in the nation. It similarly fails to address why an achievement gap exists for a few students on certain portions of the HSPE. Other measures already enacted this legislative session do more to change the status quo. For example, Assembly Bill 290 will allow the principal of a high school to postpone administration of the math and/or science portion of the HSPE for pupils who are not academically ready. These students will be enrolled in appropriate course work and participate in a program designed to help students pass the exam.

Although this bill may allow more students to graduate from high school, it represents diminished expectations for our students and lower standards for obtaining a high school diploma in Nevada. In my State of the State address, I said that our education system emphasizes too many of the wrong things. AB 456 is another example of this paradigm and would send the wrong message to our students.

I am committed to improving our education system and enhancing student achievement. Because this bill provides a way to hide or ignore a student achievement problem, rather than to fix it, I veto it and return it to you without my approval.

Sincere regards,
BRIAN SANDOVAL
Governor

Assembly Bill No. 229.

The following Senate amendment was read:

Amendment No. 861.

AN ACT relating to education; revising the annual reports of accountability information for public schools; requiring the board of trustees of each school district to establish and implement a program of performance pay and enhanced compensation for the recruitment and retention of licensed teachers

and administrators; removing probationary teachers and probationary administrators from the applicability of certain provisions governing certain disciplinary measures by school districts; revising provisions governing the demotion, suspension, dismissal and nonreemployment of certain teachers and administrators; expanding the grounds for immediate dismissal and refusal to reemploy; revising the designations of the overall performance of teachers and administrators required by the policies for evaluations of each school district; authorizing a **probationary or** postprobationary employee to request an expedited hearing under certain circumstances; revising provisions governing the probationary periods of teachers and administrators and the evaluations of probationary teachers and probationary administrators; **revising provisions governing the reduction in the workforce of a school district;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Education and the board of trustees of each school district to prepare an annual report of accountability information for public schools. (NRS 385.3469, 385.347) **Sections 1 and 2** of this bill expand the requirements of the annual reports of accountability to include a reporting of the number and percentages of administrators, teachers and ~~[support]~~ **other** staff for each elementary school, middle school or junior high school, and high school and for each school district in the State.

Section 8 of this bill requires the board of trustees of each school district to: (1) establish a program of performance pay and enhanced compensation for the recruitment and retention of licensed teachers and administrators; and (2) implement the program commencing with the 2014-2015 school year.

Existing law requires that the board of trustees of each school district develop a policy for the evaluation of teachers and administrators pursuant to which an individual teacher or administrator is designated as "satisfactory" or "unsatisfactory." (NRS 391.3125, 391.3127) Effective July 1, 2013, **sections 14 and 16** of this bill revise the policies for evaluations to require the designation of an individual teacher or administrator as "highly effective," "effective," "minimally effective" or "ineffective ~~[."]~~ **" and provide that the policies must require that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for at least 50 percent of the evaluations.**

Section 9 of this bill provides that if a written evaluation of a probationary teacher or probationary administrator states that the overall performance of the teacher or administrator has been designated as "unsatisfactory": (1) the evaluation must include a written statement that the contract of the person so evaluated may not be renewed for the next school year and that the employee may request reasonable assistance in correcting the deficiencies identified in

the evaluation; and (2) the person must acknowledge in writing that he or she has received and understands the written statement. **Section 20** of this bill amends **section 9**, effective July 1, 2013, when the four types of designations for the evaluations of teachers and administrators will take effect.

Existing law sets forth certain rights and responsibilities relating to disciplinary measures taken by school districts with respect to probationary and postprobationary teachers and administrators. (NRS 391.311-391.3197) **Section 11** of this bill removes probationary teachers and new employees hired as probationary administrators from the applicability of the provisions governing admonition, demotion, suspension, dismissal and nonreemployment.

Section 12 of this bill revises the grounds for which a teacher may be suspended, dismissed or not reemployed or for which an administrator may be demoted, suspended, dismissed or not reemployed to include gross misconduct.

Section 13 of this bill provides that a postprobationary teacher who receives an unsatisfactory evaluation must be evaluated three times in the immediately succeeding school year. Effective July 1, 2013, section 14 of this bill provides that a postprobationary teacher who receives an evaluation of "minimally effective" or "ineffective" must be evaluated three times in the immediately succeeding school year.

Section 17 of this bill expands the grounds for which a licensed employee is subject to immediate dismissal or a refusal to reemploy without first receiving a written admonition to include gross misconduct.

Section 18 of this bill authorizes a postprobationary employee who receives notice that he or she will be dismissed before completion of the current school year to request an expedited hearing pursuant to the expedited procedures established by the American Arbitration Association.

Under existing law, a probationary teacher and a probationary administrator serve two 1-year periods as a probationary employee. If the employee receives satisfactory evaluations in the first probationary year, the second probationary year must be waived and the person is entitled to postprobationary employment with the school district. (NRS 391.3197) **Section 19** of this bill revises the probationary period from two 1-year periods to three 1-year periods, without a waiver of any of the probationary years. **Section 19 also provides that a probationary employee who receives notice that he or she will be dismissed before the completion of the current school year may request an expedited hearing pursuant to the procedures established by the American Arbitration Association or its successor organization.**

Section 19.6 provides that a board of trustees of a school district that determines a reduction in the existing workforce of the licensed

educational personnel in the school district is necessary must not base the decision to lay off a teacher or an administrator solely on the seniority of the teacher or administrator and may consider certain other factors.

Section 1 of Assembly Bill No. 225 of this session provides that if a postprobationary employee receives an unsatisfactory evaluation on an evaluation conducted pursuant to NRS 391.3125 or 391.3127, as applicable, or any other equivalent evaluation system which designates his or her overall performance as below average for 2 consecutive school years, the employee shall be deemed a probationary employee and serve an additional probationary period. Section 20.5 of this bill amends section 1 of Assembly Bill No. 225 to provide that a postprobationary employee must serve an additional probationary period if he or she receives an evaluation for 2 consecutive school years as: (1) minimally effective; (2) ineffective; (3) minimally effective during 1 year of the 2-year consecutive period and ineffective during the other year of the period; or (4) if evaluated pursuant to any other system of evaluation, any designation which indicates that the overall performance of the employee is below average. Section 23 of this bill provides that section 20.5 becomes effective if, and only if, Assembly Bill No. 225 of this session is enacted by the Legislature and becomes effective.

If a school district has five or fewer administrators, the supplemental evaluator may be an administrator from another school district in this State. If a probationary employee has received during the first school year of the employee's probationary period three evaluations which state that the employee's overall performance has been satisfactory, the superintendent of schools of the school district or the superintendent's designee shall waive the second year of the employee's probationary period by expressly providing in writing on the final evaluation of the employee for the first probationary year that the second year of the employee's probationary period is waived. Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5.~~]~~ If a probationary employee is notified that the employee will not be reemployed for the ~~[~~second year of the employee's probationary period or the ensuing~~]~~ school year ~~[~~,~~]~~ ***following the 3-year probationary period,*** his or her employment ends on the last day of the current school year. Such an administrator is entitled to be a postprobationary employee in the ensuing year of employment.]~~ If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after ~~[either]~~ ***any*** year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

➥ the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. Sec. 19.5. **NRS 391.3197 is hereby amended to read as follows:**

391.3197 1. A probationary employee is employed on a contract basis for three 1-year periods and has no right to employment after any of the three probationary contract years.

2. Failure of the board to notify the probationary employee in writing on or before May 1 in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing on or before May 10 of the first, second or third year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in the first, second and third years of the employee's probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

3. A probationary employee who:

(a) Completes a 3-year probationary period;

(b) Receives a designation of ~~["satisfactory"]~~ ***"highly effective" or "effective"*** on each of his or her performance evaluations for 2 consecutive school years; and

(c) Receives a notice of reemployment from the school district in the third year of the employee's probationary period,

➥ is entitled to be a postprobationary employee in the ensuing year of employment.

4. If a probationary employee is notified that the employee will not be reemployed for the school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

5. A new employee who is employed as an administrator or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 3-year probationary period as an administrator in accordance with the provisions of this section. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after any year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

➥ the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

6. An administrator who has completed his or her probationary period pursuant to subsection 5 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If an administrator is promoted to the position of principal before the completion of his or her probationary period pursuant to subsection 5, the administrator must serve the remainder of his or her probationary period pursuant to subsection 5 or an additional probationary period of 1 year in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

7. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.

Sec. 19.6. **Chapter 288 of NRS is hereby amended by adding thereto a new section to read as follows:**

If the board of trustees of a school district determines that a reduction in the existing workforce of the licensed educational personnel in the school district is necessary, the decision to lay off a teacher or an administrator must not be based solely on the seniority of the teacher or administrator and may include, without limitation, a consideration of the following factors:

1. Whether the teacher or administrator is employed in a position which is hard to fill;

2. Whether the teacher or administrator has received a national board certification;

3. The performance evaluations of the teacher or administrator;

GENERAL FILE AND THIRD READING

Assembly Bill No. 380.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 862.

AN ACT relating to energy; revising the prospective expiration of the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program; providing for the expiration of the Solar Energy Systems Incentive Program; ~~[revising provisions governing the Solar Program, the Wind Program and the Waterpower Program; revising provisions governing the amount of incentives which a utility must pay to participants in the Solar Program, the Wind Program and the Waterpower Program; revising provisions relating to net metering; requiring the Public Utilities Commission of Nevada to adopt regulations;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program will expire on June 30, 2011. (NRS 701B.400-701B.890; chapter 509, Statutes of Nevada 2007, p. 2999) ~~[Sections 49-51 and 54 of this]~~ **This** bill ~~[revise]~~ **revises** the prospective expiration dates of these programs and ~~[provide]~~

provides that the Wind Program, the Waterpower Program and the Solar Energy Systems Incentive Program will expire on December 31, 2021.

~~[Section 13 of this bill provides that, for the period beginning July 1, 2010, and ending December 31, 2012, a utility is not required to award an incentive under the Solar Program if the payment of the incentive would cause the total amount of incentives paid by all utilities for the installation of solar energy systems and distributed generation systems would exceed $140,000,000. Section 26 of this bill prohibits the Public Utilities Commission of Nevada from authorizing the payment of an incentive for the installation of a wind energy system under the Wind Program if, for the same period, the amount of the incentive would cause the total amount of incentives paid by all utilities for the installation of wind energy systems and distributed generation systems to exceed $30,000,000.~~

~~Sections 1, 3-12, 14-25, 27-43 and 47 of this bill become effective on January 1, 2013, and revise provisions governing the Solar Program, the Wind Program and the Waterpower Program. Section 5 provides limits on the total amount of an incentive which may be awarded to a participant in the Wind Program. Section 5 additionally provides that a utility is not required to award an incentive if such an award would cause the total amount of incentives awarded pursuant to the Wind Program, the Solar Program and the Waterpower Program in a program year by all utilities in this State to exceed one-half of 1 percent of the total revenues received by all utilities in this State from retail customers during the immediately preceding program year. Section 9 imposes the same requirements for the payment of incentives pursuant to the Solar Program. Section 37 provides the same cap for the award of incentives pursuant to the Waterpower Program. Sections 14 and 29 provide that to be eligible for an incentive under the Solar Program or Wind Program, a renewable energy system must meet the requirements for net metering. Sections 11, 22 and 35 expand the Solar Program, Wind Program and Waterpower Program to include Indian tribes and tribal organizations.~~

~~Existing law requires a utility to offer net metering until the cumulative capacity of all net metering systems within the service area of the utility is equal to 1 percent of the utility's peak capacity. (NRS 704.773) Section 45 of this bill requires a utility to offer net metering until the cumulative capacity of all net metering systems in this State is equal to 3 percent of the total peak capacity of all utilities in this State.]~~

Amendment No. 865.

AN ACT relating to wildlife; imposing certain conservation fees; ~~[requiring]~~ **authorizing** a person **who accesses a wildlife management area and** who is not the holder of an annual hunting, trapping, fishing or combined hunting and fishing license to pay an annual conservation fee**;** ~~[to access a wildlife management area;]~~ revising certain provisions governing the use of money in the Wildlife Obligated Reserve Account; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, in addition to any fee charged and collected for an annual hunting, trapping, fishing or combined hunting and fishing license, a $3 habitat conservation fee must be paid. The proceeds from this fee must be deposited in the Wildlife Obligated Reserve Account and must be used for wildlife habitat rehabilitation and restoration. (NRS 502.242) **Section 2** of this bill redesignates the habitat conservation fee as the conservation fee and sets the conservation fee at $5 for residents and $10 for nonresidents. In addition, **section 2** ~~[imposes]~~ **authorizes a person accessing a wildlife conservation area who is not the holder of a hunting, trapping, fishing or combined hunting and fishing license to pay** an annual conservation fee of $5 for residents and $10 for nonresidents**.** ~~[on any person who wishes to access a wildlife management area but is not the holder of a hunting, trapping, fishing or combined hunting and fishing license.]~~ **Section 2** also provides that, each year, not more than 18 percent of the money credited to the Wildlife Obligated Reserve Account from any revenue received from those conservation fees may be used to monitor wildlife and its habitat for the purposes of wildlife habitat rehabilitation and restoration. **Section 3** of this bill revises the authority of the Board of Wildlife Commissioners concerning the use of a wildlife management area by a person who pays the annual conservation fee.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 337.

The following Senate amendment was read:

Amendment No. 689.

AN ACT relating to campaign practices; requiring a notice of an alleged violation of provisions governing campaign practices to include certain information; requiring the Secretary of State to provide a copy of the notice and any accompanying information to the person alleged in the notice to have committed the violation; authorizing the person to respond to such a notice; authorizing the Secretary of State to conduct an investigation based on such a notice in certain circumstances; authorizing the Secretary of State or a designated officer or employee of the Secretary of State to subpoena witnesses and require the production of documents or records by subpoena when conducting an investigation based on such a notice in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law confers authority upon the Secretary of State to conduct investigations concerning alleged violations of chapter 294A of NRS governing campaign practices. Existing law also authorizes a person who believes that any provision of that chapter has been violated to notify the Secretary of State in writing. The notice must be signed by the person and include any information in support of the alleged violation. (NRS 294A.410) This bill specifies the information that must be included in the notice and requires the Secretary of State to provide a copy of the notice and any accompanying information to the person **, if any,** alleged in the notice to have committed the violation. If, based on such a notice, the Secretary of State determines that reasonable suspicion exists that a violation has occurred, the Secretary of State is authorized to investigate the allegation. This bill further provides that, if the notice is received within 180 days after the general election, general city election or special election for the office or ballot question to which the notice pertains, the Secretary of State is authorized, when conducting an investigation based on the notice, to subpoena witnesses and require the production by subpoena of any books, papers, correspondence, memoranda, agreements or other documents or records in the possession of ~~[the]~~ **any** person **: (1)** alleged in the notice to have committed the violation ~~[that]~~ **; or (2) who the Secretary of State or a designated officer or employee of the Secretary of State has reasonable cause to believe produced or disseminated the materials that are the subject of the notice, if** the Secretary of State or a designated officer or employee of the Secretary of State determines **that the documents or**

records are relevant or material to the investigation. Finally, this bill authorizes the Secretary of State or a designated officer or employee of the Secretary of State to apply to a court for an order compelling compliance if a person fails to testify or produce the required documents or records.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 294A.410 is hereby amended to read as follows:

294A.410 1. If it appears that the provisions of this chapter have been violated, the Secretary of State may:

Any response submitted to the notice must be accompanied by a short statement of the grounds, if any, for objecting to the alleged violation and include any evidence substantiating the objection.

4. If the Secretary of State determines, based on a notice of an alleged violation received pursuant to subsection 2, that reasonable suspicion exists that a violation of this chapter has occurred, the Secretary of State may conduct an investigation of the alleged violation.

The following Senate amendment was read:

Amendment No. 567.

AN ACT relating to elections; revising provisions governing registering to vote by computer; authorizing additional mailing precincts in certain circumstances; making various other changes relating to the administration and conduct of elections; **prohibiting foreign nationals from making campaign contributions; prohibiting certain persons from receiving such contributions;** authorizing the disposition of unspent campaign contributions to a governmental entity and for the use of legal expenses; requiring the annual registration of committees for political action; making various other

changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 7 of this bill allows a county clerk to establish mailing precincts or absent ballot mailing precincts if approved by the Secretary of State, in addition to circumstances authorized for the creation of mailing precincts in existing law. (NRS 293.213)

Sections 8 and 23 of this bill provide that if a county clerk establishes a system for using a computer for voter registration for that county, the system established must comply with any procedures and requirements prescribed by the Secretary of State. Existing law requires county clerks to verify the validity of the signatures of persons who sign petitions for initiative or referendum, petitions to recall public officers, petitions to qualify as a political party, petitions for filling ballot vacancies or petitions to place minor party or independent candidates on the ballot against the voter registration records, including applications to register to vote. (NRS 293.1277) **Section 5** of this bill provides that if a computer is used for voter registration in a county, the county clerk may rely on such indicia as may be prescribed by the Secretary of State to complete the signature verification.

Sections 9, 26 and 36 of this bill revise the manner in which it is required to list on sample ballots and ballots the names of candidates who have the same names so that if two or more candidates in an election have the same given name and surname and one candidate is an incumbent, the word "Incumbent" must appear on the sample ballot and ballot next to the name of the candidate who is the incumbent.

Section 12 of this bill requires, in addition to other information posted at polling places on election day, the posting of information concerning the eligibility of a candidate, question or other matter to appear on the ballot as a result of judicial determination or by operation of law.

Sections 15 and 35 of this bill authorize voters to vote in mailing precincts if it appears to the satisfaction of the Secretary of State, in addition to the county clerk, that the circumstances authorizing the creation of a mailing precinct exist.

Existing law authorizes a city or county clerk to assess a charge, not to exceed the cost of printing the applications, against a political party or other entity that requests more than 50 applications to register to vote by mail in any 12-month period. (NRS 293.443) **Section 16** of this bill authorizes the Secretary of State to assess such a charge as well.

Section 19 of this bill changes the deadline for the Secretary of State to submit a report concerning primary and general elections to the Legislature from not later than 30 days before the start of a regular legislative session to

not sooner than 30 days before and not later than 30 days after the first day of each regular legislative session.

Section 20 of this bill requires recruitment offices of the Armed Forces of the United States to serve as voter registration agencies, in addition to other entities specified in existing law.

Section 21 of this bill prohibits a voter registration agency from knowingly employing a person whose duties will include the registration of voters if the person has been convicted of a felony involving theft or fraud.

Section 22 of this bill prohibits a county clerk from knowingly appointing as a field registrar any person who has been convicted of a felony involving theft or fraud.

Section 27 of this bill amends the deadlines for the county clerk to transmit the number of registered voters in the county to the Secretary of State for the primary and general elections.

Section 28 of this bill expands the crime of threatening a person in connection with an election or petition to include threatening a person in connection with the registration of voters and to include the use of or threatening to use intimidation. **Section 28** also increases the penalty for such a crime from a gross misdemeanor to a category E felony.

Section 29 of this bill increases the penalty for interfering with the conduct of an election from a gross misdemeanor to a category E felony.

Section 30 of this bill provides that polling information from a voter regarding whether the voter intends to vote for or against a particular political party, candidate or ballot question is not "electioneering."

Section 32 of this bill provides that if a person tampers or interferes with, or attempts to tamper or interfere with, a mechanical voting system, mechanical voting device or any computer program used to count ballots, such an act is punishable as a category B felony.

Section 33 of this bill makes the intentional failure to submit to the county clerk an elector's completed application to register to vote by a person who provided the application to the elector an unlawful act punishable as a category E felony.

The Federal Election Campaign Act prohibits: (1) a foreign national from directly or indirectly making a campaign contribution in connection with a state or local election; and (2) any person from knowingly soliciting, accepting or receiving any campaign contribution from a foreign national. (2 U.S.C. § 441e; 11 C.F.R. § 110.20) Section 40.5 of this bill provides a similar prohibition in state law against a foreign national making a contribution to certain persons or groups, including candidates, committees for political action, persons who make independent expenditures, political parties and legislative caucuses.

Section 40.5 also prohibits those persons and groups from receiving a contribution from a foreign national.

Existing law prohibits a person from making certain campaign contributions over $5,000 during certain periods and prohibits candidates from accepting such contributions during those periods. (NRS 294A.100, 294A.287) **Sections 43 and 60** of this bill also prohibit a person from committing to make such a contribution. **Section 61** of this bill similarly adds the prohibition on committing to make such a contribution to the prohibition on soliciting and accepting any monetary contribution for any political purpose during a specified period which is applicable to Legislators, the Lieutenant Governor, the Lieutenant Governor-Elect, the Governor and the Governor-Elect.

Section 50 of this bill adds to the acceptable methods of disposing of unspent campaign contributions donating money to a governmental entity and allows the person disposing of the unspent contributions to specify how the governmental entity may use the money. **Section 50** also allows certain public officers to use unspent campaign contributions in a future election in certain circumstances.

Section 56 of this bill requires committees for political action to file with the Secretary of State an updated form of registration on or before January 15 of each year.

Section 59 of this bill sets forth the acceptable methods of and deadline for disposing of unspent money in a legal defense fund. **Sections 51 and 63** of this bill require a person who disposes of unspent money in a legal defense fund to report to the Secretary of State how the person disposed of such money.

Sections 48, 54 and 84 of this bill remove requirements that certain persons or groups who advocate the passage or defeat of a ballot question register. As a result, these persons and groups are subject to the same registration ~~[and reporting]~~ requirements as committees for political action**.** ~~[~~and must~~]~~ **Under existing law, such persons and groups are not required to** report ~~[~~certain~~]~~ contributions and expenditures ~~[~~which exceed $100, rather than $10,000 as provided in existing law for~~]~~ **until they have received or expended money in excess of $10,000 to advocate the passage or defeat of a ballot question. (NRS 294A.150, 294A.220) Sections 48 and 54 eliminate this threshold and therefore require** these persons or groups **~~[~~to report contributions received and expenditures made in excess of $1,000 during any reporting period.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition proposing a statute, an amendment to a statute or an amendment to the Constitution, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county.

2. If more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. ~~[The]~~ ***Except as otherwise provided in this subsection, the*** county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination. ***If, pursuant to NRS 293.506, a county clerk establishes a system to allow persons to register to vote by computer, the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.***

4. In the case of a petition proposing a statute, an amendment to a statute or an amendment to the Constitution, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

5. Except as otherwise provided in subsection 7, upon completing the examination, the county clerk shall immediately attach to the documents a

certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. If a petition district comprises more than one county and the petition proposes a statute, an amendment to a statute or an amendment to the Constitution, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

6. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

7. 8. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 7. NRS 293.213 is hereby amended to read as follows:

2. Except as otherwise provided in NRS 293.208, the county clerk in any county ~~[where]~~ ***in which*** an absent ballot central counting board is appointed may abolish two or more existing mailing precincts and combine those mailing precincts into absent ballot precincts. Those mailing precincts must be designated absent ballot mailing precincts.

Prayer by the Chaplain, Reverend Bruce Henderson.

Well, Lord, it's almost over.

The last four months have brought times of joy and times of pain. We have had conflict, and we've had camaraderie. There have been storms, and there has been calm. As we reflect on it all, may we see Your presence and may we cling to that. May that presence see us through to the end of, not just this session, but to the very end of our lives here on earth.

AMEN.

Pledge of allegiance to the Flag.
