GENERAL FILE AND THIRD READING

Senate Bill No. 168.

Bill read third time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 881.

AN ACT relating to public health; revising provisions governing access to certain medical records; ~~[requiring a physician or an osteopathic physician who performs an autopsy to submit a written report of the findings of the autopsy to the Board of Medical Examiners or the State Board of Osteopathic Medicine in certain circumstances;]~~ revising provisions governing the submission of certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia; revising provisions governing reports to the Board of Medical Examiners and the State Board of Osteopathic Medicine of a change in the privileges of certain providers of health care; revising provisions governing the standard of proof in any disciplinary hearing before the Board of Medical Examiners; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that if the health care records of a patient are located within this State, a provider of health care must make the records available for physical inspection within 5 working days after they are requested.

~~[Section 2 of this bill requires a physician who performs an autopsy and who determines that the death of the decedent is the result of an overdose of a controlled substance or dangerous drug to submit a written report of such findings to the Board of Medical Examiners. Section 2 also requires the Board, upon receipt of such a report, to investigate the death of the decedent to determine whether the conduct of any physician contributed to the death. Section 18 of this bill imposes similar requirements concerning an autopsy performed by an osteopathic physician.]~~

Existing law requires any hospital, clinic or other medical facility or medical society to report to the Board of Medical Examiners any change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care while the person is under investigation and the outcome of

any disciplinary action taken within 30 days after the change in privileges is made or disciplinary action is taken. A hospital, clinic or other medical facility or medical society is also required to report such information to the State Board of Osteopathic Medicine concerning a change in the privileges of an osteopathic physician who is under investigation. (NRS 630.307, 633.533) **Section 8** of this bill requires that such a report concerning a change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care be made within 5 days after the change in privileges is made if the change in privileges is based on an investigation of the mental, medical or psychological competency of the person or suspected or alleged substance abuse by the person. **Section 21** of this bill imposes similar reporting requirements concerning a change in the privileges of a physician assistant who is under investigation and a change in the privileges of an osteopathic physician or physician assistant if the change in privileges is based on an investigation of the mental, medical or psychological competency of the osteopathic physician or physician assistant or suspected or alleged substance abuse by the osteopathic physician or physician assistant.

Section 10 of this bill provides that in any disciplinary hearing before the Board of Medical Examiners, a finding of the Board must be supported by a preponderance of the evidence.

Existing law requires persons who are licensed to practice medicine by the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine by the State Board of Osteopathic Medicine to make certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia performed by the holder of the license and the occurrence of any sentinel events arising from those surgeries. Persons who are licensed to practice medicine are required to submit the reports to the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine are required to submit the reports to the State Board of Osteopathic Medicine. The boards are required to submit the reports to the Health Division of the Department of Health and Human Services which then reviews the reports. (NRS 449.447, 630.30665, 633.524) **Section 7.5** of this bill revises these reporting requirements as they pertain to a physician and requires a physician to report the occurrence of any sentinel event arising from a surgery requiring conscious sedation, deep sedation or general anesthesia within 14 days after the occurrence of the sentinel event. **Section 20** of this bill imposes a similar reporting requirement on an osteopathic physician.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 376.

The following Senate amendment was read:

Amendment No. 632.

AN ACT relating to tourism improvement districts; making various changes regarding the financing of certain local improvements with revenue

pledged from sales and use taxes; providing a procedure for the selection of subcontractors on certain contracts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID) and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) **Section 2** of this bill requires the independent auditing of claims made under agreements to provide such financing. **Section 2** also prohibits the use of such financing, with respect to a TID created on or after July 1, 2011, to pay various fees and costs and for the relocation within the TID of a retailer from another location within 3 miles outside of the boundary of the TID, and excludes the use for such financing of the tax revenue from such a retailer. **Section 6 of this bill prohibits the provision of such financing to certain governmental entities if a nongovernmental entity obtained any of the original financing in the TID, and prohibits such financing, without the consent of the entities which obtained the original financing in the TID, to an entity that did not obtain any of the original financing in the TID.** **Section 3** of this bill specifies the procedure required for the selection of subcontractors by contractors and developers who enter into certain construction contracts on financed projects or on property within a TID which benefits from financed infrastructure improvements. **Section 4** of this bill requires a municipality that creates a TID to prepare and submit to the Legislature annual reports regarding the TID, and requires the Department of Taxation to prepare and submit to the Legislature and the municipality semiannual reports regarding businesses within a TID. **Section ~~[6]~~ 7** of this bill applies the prevailing wage provisions applicable to public works to construction contracts for financed projects within a TID to the same extent as if the contracts were awarded by the municipality and the projects constituted public works.

Existing law does not allow the creation of a TID unless the pertinent governing body makes a written finding at a public hearing, based upon reports from independent consultants, as to whether the proposed project and financing will have a positive fiscal effect on the provision of local governmental services. (NRS 271A.080) **Section 5** of this bill requires the selection of those independent consultants from a list provided by the Commission on Tourism.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 271A of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

7. The Commission on Tourism has determined, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that a preponderance of the increase in the proceeds from sales and use taxes identified pursuant to subsection 6 will be attributable to transactions with tourists who are not residents of this State.

8. The Governor has determined that the project and the use of any money proposed to be pledged pursuant to NRS 271A.070 will contribute significantly to economic development and tourism in this State. Before making that determination, the Governor:

(a) Must consider the fiscal effects of the pledge of money on educational funding, including any fiscal effects described in comments provided pursuant to subsection 4 by the school district in which the tourism

improvement district is or will be located, and for that purpose may require the Department of Education or the Department of Taxation, or both, to provide an appropriate fiscal report; and

(b) If the Governor determines that the pledge of money will have a substantial adverse fiscal effect on educational funding, may require a commitment from the municipality for the provision of specified payments to the school district in which the tourism improvement district is or will be located during the term of the use of any money pledged pursuant to NRS 271A.070. The payments may be provided pursuant to agreements with owners of property within the district authorized by NRS 271A.110 or from sources other than the owners of property within the district. Such a commitment by a municipality is not subject to the limitations of subsection 1 of NRS 354.626 and, notwithstanding any other law to the contrary, is binding on the municipality for the term of the use of any money pledged pursuant to NRS 271A.070.

9. If any property within the boundaries of the district is also included within the boundaries of any other tourism improvement district or any improvement district for which any money has been pledged pursuant to NRS 271.650, all of the governing bodies which created those districts have entered into an interlocal agreement providing for:

(a) The apportionment of any money pledged pursuant to NRS 271.650 and 271A.070 with respect to such property; and

(b) The priority of the application of that money between:

(1) Bonds issued pursuant to chapter 271 of NRS; and

(2) Bonds and notes issued, and agreements entered into, pursuant to NRS 271A.120.

➥ Any such agreement for the priority of the application of that money may be made irrevocable during the term of any bonds issued pursuant to chapter 271 of NRS to which all or any portion of that money is pledged, or during the term of any bonds or notes issued or any agreements entered into pursuant to NRS 271A.120 to which all or any portion of that money is pledged.

Sec. 6. **NRS 271A.120 is hereby amended to read as follows:**

271A.120 1. Except as otherwise provided in this section, if the governing body of a municipality adopts an ordinance pursuant to NRS 271A.070, the municipality may:

(a) Issue, at one time or from time to time, bonds or notes as special obligations under the Local Government Securities Law to finance or refinance projects for the benefit of the district. Any such bonds or notes may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof.

(b) Enter into an agreement with one or more governmental entities or other persons to reimburse that entity or person for the cost of acquiring,

improving or equipping, or any combination thereof, any project, which may contain such terms as are determined to be desirable by the governing body of the municipality, including the payment of reasonable interest and other financing costs incurred by such entity or other person. Any such reimbursements may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. Such an agreement is not subject to the limitations of subsection 1 of NRS 354.626 and may, at the option of the governing body, be binding on the municipality beyond the fiscal year in which it was made, only if the agreement pertains solely to one or more projects that are owned by the municipality or another governmental entity.

2. ***The governing body of a municipality shall not, with respect to any district created before, on or after July 1, 2011, provide any financing or reimbursement pursuant to this section:***

(a) Except as otherwise provided in this paragraph, to any governmental entity for any project within the district if any nongovernmental entity is or was entitled to receive any financing or reimbursement from the municipality pursuant to this section under the original financing agreements for the initial projects within the district. This paragraph does not prohibit the provision of such financing or reimbursement to:

(1) A school district; or

(2) A governmental entity that is or was entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

(b) To any person or other entity for any project within the district, other than a person or other entity that is or was entitled to receive such financing or reimbursement from the municipality under the original financing agreements for the initial projects within the district, without the consent of all the persons and other entities that were entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

3. Before the issuance of any bonds or notes pursuant to this section, the municipality must obtain the results of a feasibility study, commissioned by the municipality, which shows that a sufficient amount will be generated from money pledged pursuant to NRS 271A.070 to make timely payment on the bonds or notes, taking into account the revenue from any other revenue-producing projects also pledged for the payment of the bonds or notes, if any. A failure to make payments of any amounts due:

(a) With respect to any bonds or notes issued pursuant to subsection 1; or

(b) Under any agreements entered into pursuant to subsection 1,

➥ because of any insufficiency in the amount of money pledged pursuant to NRS 271A.070 to make those payments shall be deemed not to constitute a default on those bonds, notes or agreements.

~~[3.]~~ ***4.*** No bond, note or other agreement issued or entered into pursuant to this section may be secured by or payable from the general fund of the municipality, the power of the municipality to levy ad valorem property taxes, or any source other than any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. No bond, note or other agreement issued or entered into pursuant to this section may ever become a general obligation of the municipality or a charge against its general credit or taxing powers, nor may any such bond, note or other agreement become a debt of the municipality for purposes of any limitation on indebtedness.

~~[4.]~~ ***5.*** Any bond or note issued pursuant to this section, including any bond or note issued to refund any such bond or note, must mature on or before, and any agreement entered pursuant to this section must automatically terminate on or before, the end of the fiscal year in which the 20th anniversary of the adoption of the ordinance creating the district occurs.

~~[Sec. 6.]~~ ***Sec. 7.*** NRS 271A.130 is hereby amended to read as follows:

The governing body of the municipality shall require a quarterly report on the demography of the workers employed by any contractor or subcontractor for each such project.

2. The provisions of subsection 1 do not apply to any project which is constructed or maintained by a governmental entity on any property while the governmental entity owns that property.

➥ ~~[regardless of whether the project is publicly or privately owned.]~~ ***shall include in the contract or other agreement the contractual provisions and stipulations that are required to be included in a contract for a public work pursuant to the provisions of NRS 338.013 to 338.090, inclusive. Amendment No. 590.

AN ACT relating to water; requiring that protests against the granting of certain applications relating to water rights by a government, governmental agency or political subdivision of a government be verified or signed by the person in charge of the government, agency or political subdivision; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, any interested person, including a governmental entity, is authorized to file a written protest with the State Engineer against the granting of an application for a permit to appropriate water or to change the place of diversion, the manner of use or the place of use of water already appropriated. (NRS 533.010, 533.325, 533.365) In addition, any person,

including a governmental entity, who may be adversely affected by a project for the recharge, storage and recovery of water is authorized under existing law to file a written protest with the State Engineer against the granting of an application for a permit to operate the project. (NRS 534.014, 534.250, 534.270)

This bill requires that any protest which is filed by a government, governmental agency or political subdivision against the granting of an application for a permit to change the place of diversion, the manner of use or the place of use of water already appropriated within the same basin or for a permit to operate a project for the recharge, storage and recovery of water be verified or signed by the director, administrator, chief, head or other person in charge of that government, governmental agency or political subdivision. However, this bill does not change the requirements under existing law for a protest by a government, governmental agency or political subdivision against the granting of an application for a permit to appropriate water or an application that involves an interbasin transfer of groundwater. (NRS 533.365)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. ***If the application is for a permit to change the place of diversion, manner of use or place of use of water already appropriated within the same basin, a protest filed against the granting of such an application by a government, governmental agency or political subdivision of a government must be verified by the affidavit of:***

(a) Except as otherwise provided in paragraph (b), the director, administrator, chief, head or other person in charge of the government, governmental agency or political subdivision; or

[3.**]** ***4.*** The State Engineer shall consider the protest, and may, in his or her discretion, hold hearings and require the filing of such evidence as the State Engineer may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

The State Engineer shall determine whether the application is correct within 180 days after receipt of a complete application. The State Engineer may request additional information from the applicant. The State Engineer may conduct such independent investigations as are necessary to determine whether the application should be approved or rejected.

Assembly Bill No. 360.

The following Senate amendment was read:

Amendment No. 748.

SUMMARY—Revises provisions governing ~~[the imposition of civil penalties for violations of]~~ city or county ordinances regarding the abatement of certain conditions and nuisances on property within the city or county. (BDR 21-266)

AN ACT relating to local governments; **requiring a city or county to provide by ordinance that property owners have 30 days to abate a nuisance or dangerous or noxious condition under certain circumstances;** authorizing a city or county to collect civil penalties imposed for failure to abate certain conditions and nuisances on property within the city or county as a special assessment against the property under certain circumstances; revising provisions relating to the maximum amount of a civil penalty that may be imposed for failure to abate certain nuisances on property within the city or county under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if an owner of property within a city fails to abate a dangerous or noxious condition, a chronic nuisance or, in larger counties, an abandoned nuisance on the property after being directed to do so, the owner may be required to pay civil penalties as well as any costs incurred by the city to abate the condition or nuisance. In addition to any other reasonable means of recovering its abatement costs, the city is authorized to make those costs a special assessment against the property and collect the special assessment in the same manner as ordinary county taxes are collected. (NRS 268.4122-268.4126) Existing law sets forth parallel authority for counties to abate chronic nuisances and public nuisances and provides that abatement costs for public nuisances must be received as a special assessment against the affected property. (NRS 244.3603, 244.3605) **This bill provides that a city or county must allow a property owner at least 30 days to abate a condition or nuisance if the condition or nuisance: (1) is not an immediate danger to the public health, safety or welfare; and (2) was caused by the criminal activity of another person.** This bill authorizes a city or county to also collect any civil penalties imposed against the owner of the property as a special assessment against the property if the amount of the uncollected civil penalties after 12 months is more than $5,000.

Under existing law, the maximum civil penalty that is authorized to be imposed on an owner of property in a city or county for failure to abate a chronic nuisance on the property is $500 per day. (NRS 244.3603, 268.4124) **Sections 2 and 5** of this bill increase that maximum authorized civil penalty to ~~[$1,000]~~ **$750** per day if the relevant property is nonresidential property. **Section 3** of this bill provides a maximum civil penalty that a city may impose for the failure to abate an abandoned nuisance of ~~[$1,000]~~ **$750** per

day against an owner of nonresidential property and $500 per day against an owner of residential property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(b) Provide that the date specified in the notice by which the owner must abate the condition is tolled for the period during which the owner requests a hearing and receives a decision.

(c) Provide the manner in which the city will recover money expended for labor and materials used to abate the condition on the property if the owner fails to abate the condition.

(d) Provide for civil penalties for each day that the owner did not abate the condition after the date specified in the notice by which the owner was requested to abate the condition.

(e) If the county board of health, city board of health or district board of health in whose jurisdiction the incorporated city is located has adopted a definition of garbage, use the definition of garbage adopted by the county board of health, city board of health or district board of health, as applicable.

3. The governing body or its designee may direct the city to abate the condition on the property and may recover the amount expended by the city for labor and materials used to abate the condition if:

Assembly Bill No. 301.

The following Senate amendment was read:

Amendment No. 688.

AN ACT relating to civil rights; revising provisions governing the restoration of the right to vote to persons who have been convicted of a felony; revising provisions governing the registration to vote of a person convicted of a felony; revising provisions governing the cancellation of the registration to vote of a person convicted of a felony; revising provisions governing a challenge to the right to vote of a person convicted of a felony; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a county clerk to cancel the registration to vote of a person who has been convicted of a felony unless the person's right to vote has been restored: (1) under the laws of this State; or (2) if the conviction occurred in another state, under the laws of that state. (NRS 293.540) Under existing law, unless a person has been convicted of certain specified felonies, a person who has been convicted of a felony is restored to the right to vote upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon ~~[;]~~ **with the restoration of the right to vote;** (4) an honorable discharge from parole; or (5) being released from prison because of the expiration of his or her sentence. (NRS 176A.850, 179.285, 213.090, 213.155, 213.157) **Sections 4, 5 and 7** of this bill remove all exceptions to the restoration of the right to vote of a person convicted of a felony so that any person convicted of a felony in this State is restored to the right to vote upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon ~~[;]~~ **with the restoration of the right to vote;** (4) an honorable discharge from parole; or (5) the completion of his or her sentence and release from prison.

Sections 10-15 of this bill revise provisions relating to voter registration. Under existing law, the civil right to vote of a person who is resident of this State and who has been convicted of a felony in another state is determined by the law of that other state. (NRS 293.540) **Section 10.3** of this bill provides that a resident of this State who was convicted of a felony in another state is restored to the right to vote in this State if he or she: (1) has been released from prison because of the expiration of his or her sentence; (2) has received a discharge from probation or parole which is not a dishonorable discharge; or (3) has received a pardon, or an order from a court of competent jurisdiction, which restores the person's civil right to vote.

Section 10.5 of this bill prohibits a county clerk from requiring a person seeking to register to vote to present documentation indicating that the person's right to vote has been restored following a conviction for a felony ~~[under the laws of]~~ **in** this State or another state. **Section 10.7** of this bill provides for an appeal to the Secretary of State and the district court if the county clerk cancels the voter registration of, or refuses to register, a person on the ground that the person is ineligible to vote because the person: (1) has been convicted of a felony ~~[under the laws of]~~ **in** this State or another state; and (2) has not had his or her civil right to vote restored. **Section 12** revises the procedures to be followed by a county clerk upon a determination based on specific evidence that a person is ineligible to vote because the person: (1) has been convicted of a felony ~~[under the laws of]~~ **in** this State or another state; and (2) has not had his or her civil right to vote restored. **Section 13** revises the procedure for reregistering a person to vote after a cancellation of the person's right to vote because of a felony conviction. **Section 14** revises the procedures to be followed by a county clerk, district attorney or court upon a receipt of a challenge providing that a person is ineligible to vote because the person: (1) has been convicted of a felony ~~[under the laws of]~~ **in** this State or another state; and (2) has not had his or her civil right to vote restored.

Section 16 of this bill specifies that the civil right to vote is restored to residents of this State who: (1) have not had their right to vote restored; (2) are not on probation or parole or serving a sentence of imprisonment on July 1, 2011; and (3) before July 1, 2011, were honorably discharged from probation or parole, pardoned with the restoration of the right to vote or released from prison after serving their sentences. Section 16 further provides that notification to such persons of the restoration of the civil right to vote is not required.

Legislative Counsel's Digest:

Existing law establishes the Nevada Commission on Homeland Security, for which the Governor appoints the voting members and certain nonvoting members. The Commission has certain duties relating to the protection of residents of this State and visitors to this State from acts of terrorism and related emergencies. (NRS 239C.120, 239C.160) **Section 22** of this bill increases the number of voting members that the Governor must appoint to the Commission from 14 members to 16 members, to include a representative of the broadcaster community and a representative recommended by the Inter-Tribal Council of Nevada, Inc. **Section 22 also requires the appointment of the Chief of the Division of Emergency Management of the Department of Public Safety as a nonvoting member of the Commission.**

Existing law provides that the Governor may, by executive order, determine that certain documents, records and other information relating to preventing and responding to acts of terrorism are confidential. Such documents, records and other information are not subject to subpoena or discovery, not subject to inspection by the general public and may only be inspected by and released to public safety and public health personnel. (NRS 239C.210) **Section 26** of this bill extends that authority to include vulnerability assessments and emergency response plans of utilities, public entities and private businesses in this State. **Section 26** also clarifies that the documents, records and other items of information subject to an executive order of confidentiality for security purposes **, except vulnerability assessments,** may be inspected by and released to the Legislative Auditor when conducting a postaudit **~~[.]~~ , subject to certain requirements.**

Section 24.5 of this bill specifies the duties of the Commission with respect to grants and related funding and requires the Commission to submit annual briefings to the Governor assessing preparedness. Sections 30.5 and 31.5 of this bill extend to tribal governments the applicability of provisions concerning grants of money to the State or a political subdivision for prevention of or response to terrorism or other similar incidents.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 504.

The following Senate amendment was read:

Amendment No. 738.

AN ACT relating to taxation; requiring the Department of Taxation to provide an annual report to the Nevada Tax Commission of delinquent taxes owed to the Department; requiring the Nevada Tax Commission to request that the State Board of Examiners designate certain delinquent taxes owed to the Department as bad debt; **revising the interest rate for the payment of certain delinquent taxes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[This]~~ **Section 1 of this** bill requires the Department of Taxation to prepare and furnish an annual report to the Nevada Tax Commission that shows debts to the Department incurred by delinquent taxpayers during the immediately preceding year. ~~[This bill]~~ **Section 1** also requires the Department to include the amount of any delinquent taxes that the Department determines is impossible or impractical to collect. ~~[This bill]~~ **Section 1** further requires the

Nevada Tax Commission to request that the State Board of Examiners designate any such amount of delinquent taxes as bad debt.

Sections 2 and 6 of this bill reduce the interest rate on the overpayment of certain taxes from 0.5 percent per month to 0.25 percent per month. Sections 3, 4 and 9 of this bill reduce the interest rate on late payments of certain taxes from 1 percent per month to 0.75 percent per month. Sections 5, 7, 8 and 10-12 of this bill reduce the interest rate on the overpayment of certain taxes and certain illegally collected taxes from 6 percent per annum to 3 percent per annum.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. On or before January 15 of each year, the Department shall prepare and furnish to the Nevada Tax Commission a report that shows all money owed to the Department for delinquent payments of any tax administered by the Department during the preceding year.

2. The Department shall include in the report prepared to pursuant to subsection 1 the amount of any delinquent taxes that the Department determines is impossible or impractical to collect.

3. If the Department determines that it is impossible or impractical to collect any amount of delinquent taxes, the Nevada Tax Commission shall request that the State Board of Examiners designate such amount as a bad debt. The State Board of Examiners, by an affirmative vote of the majority of the members of the Board, may designate the delinquent taxes as a bad debt if the Board is satisfied that the collection of the delinquent taxes is impossible or impractical. If the amount of the delinquent taxes is not more than $50, the State Board of Examiners may delegate to its Clerk the authority to designate delinquent taxes as a bad debt. The Nevada Tax Commission may appeal to the State Board of Examiners a denial by the Clerk of a request to designate delinquent taxes as a bad debt.

4. Upon the designation of delinquent taxes as a bad debt pursuant to this section, the State Board of Examiners or its Clerk shall immediately notify the State Controller thereof. Upon receiving the notification, the State Controller shall direct the removal of the bad debt from the books of account of the State of Nevada. A bad debt that is removed pursuant to this section remains a legal and binding obligation owed by the debtor to the State of Nevada.

5. The State Controller shall keep a master file of all delinquent taxes that are designated as bad debts pursuant to this section. For each such debt, the State Controller shall record the name of the debtor, the amount of the debt, the date on which the debt was incurred and the date on which it was removed from the records and books of account of the State of

Nevada, and any other information concerning the debt that the State Controller determines is necessary.

2. No refund or credit may be made of any interest imposed on the person making the overpayment with respect to the amount being refunded or credited.

3. The interest must be paid:

(a) In the case of a refund, to the last day of the calendar month following the date upon which the person making the overpayment, if the person has not already filed a claim, is notified by the Department that a claim may be filed or the date upon which the claim is certified to the State Board of Examiners, whichever is earlier.

(b) In the case of a credit, to the same date as that to which interest is computed on the tax or the amount against which the credit is applied.

Sec. 3. **NRS 360.295 is hereby amended to read as follows:**

360.295 Except as otherwise specifically provided in this title, if the Department grants an extension of the time for paying any amount required to be paid under this title, a person who pays the amount within the period for which the extension is granted shall pay, in addition to the amount owing, interest at the rate of ~~[1]~~ ***0.75*** percent per month from the date the amount would have been due without the extension until the date of payment.

Sec. 4. **NRS 360.417 is hereby amended to read as follows:**

360.417 Except as otherwise provided in NRS 360.232 and 360.320, and unless a different penalty or rate of interest is specifically provided by statute, any person who fails to pay any tax provided for in chapter 362, 363A, 363B, 369, 370, 372, 374, 377, 377A, 444A or 585 of NRS, or any fee provided for in NRS 482.313, and any person or governmental entity that fails to pay any fee provided for in NRS 360.787, to the State or a county within the time required, shall pay a penalty of not more than 10 percent of the amount of the tax or fee which is owed, as determined by the Department, in addition to the tax or fee, plus interest at the rate of ~~[1]~~ ***0.75*** percent per month, or fraction of a month, from the last day of the month following the period for which the amount or any portion of the amount should have been reported until the date of payment. Sec. 5. **NRS 361.420 is hereby amended to read as follows:**

361.420 1. Any property owner whose taxes are in excess of the amount which the owner claims justly to be due may pay each installment of taxes as it becomes due under protest in writing. The protest must be in the form of a separate, signed statement from the property owner and filed with the tax receiver at the time of the payment of the installment of taxes.

2. The property owner, having protested the payment of taxes as provided in subsection 1 and having been denied relief by the State Board of Equalization, may commence a suit in any court of competent jurisdiction in the State of Nevada against the State and county in which the taxes were paid, and, in a proper case, both the Nevada Tax Commission and the Department may be joined as a defendant for a recovery of the difference between the amount of taxes paid and the amount which the owner claims justly to be due, and the owner may complain upon any of the grounds contained in subsection 4.

3. Every action commenced under the provisions of this section must be commenced within 3 months after the date of the payment of the last installment of taxes, and if not so commenced is forever barred. If the tax complained of is paid in full and under the written protest provided for in this section, at the time of the payment of the first installment of taxes, suit for the recovery of the difference between the amount paid and the amount claimed to be justly due must be commenced within 3 months after the date of the full payment of the tax or the issuance of the decision of the State Board of Equalization denying relief, whichever occurs later, and if not so commenced is forever barred.

4. In any suit brought under the provisions of this section, the person assessed may complain or defend upon any of the following grounds:

(a) That the taxes have been paid before the suit;

(b) That the property is exempt from taxation under the provisions of the revenue or tax laws of the State, specifying in detail the claim of exemption;

(c) That the person assessed was not the owner and had no right, title or interest in the property assessed at the time of assessment;

(d) That the property is situate in and has been assessed in another county, and the taxes thereon paid;

(e) That there was fraud in the assessment or that the assessment is out of proportion to and above the taxable cash value of the property assessed;

(g) That the assessment complained of is discriminatory in that it is not in accordance with a uniform and equal rate of assessment and taxation, but is at a higher rate of the taxable value of the property so assessed than that at which the other property in the State is assessed.

5. In a suit based upon any one of the grounds mentioned in paragraphs (e), (f) and (g) of subsection 4, the court shall conduct the trial without a jury

and confine its review to the record before the State Board of Equalization. Where procedural irregularities by the Board are alleged and are not shown in the record, the court may take evidence respecting the allegation and, upon the request of either party, shall hear oral argument and receive written briefs on the matter.

6. In all cases mentioned in this section where the complaint is based upon any grounds mentioned in subsection 4, the entire assessment must not be declared void but is void only as to the excess in valuation.

7. In any judgment recovered by the taxpayer under this section, the court may provide for interest thereon not to exceed ~~[6]~~ ***3*** percent per annum from and after the date of payment of the tax complained of.

2. No interest is allowed:

The date must be determined by the Department.

Sec. 8. **NRS 363B.200 is hereby amended to read as follows:**

363B.200 In any judgment, interest must be allowed at the rate of ~~[6]~~ ***3*** percent per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days. The date must be determined by the Department.

Sec. 9. **NRS 368A.230 is hereby amended to read as follows:**

368A.230 Upon written application made before the date on which payment must be made, the Board or the Department may, for good cause, extend by 30 days the time within which a taxpayer is required to pay the tax imposed by this chapter. SUMMARY—Revises provisions governing ~~[education.]~~ **certain programs that supervise children.** (BDR 38-782)

AN ACT relating to education; establishing the Interim Task Force on Out-of-School-Time Programs; requiring the Task Force to prescribe standards for out-of-school-time programs and to make certain recommendations relating to out-of-school-time programs; exempting ~~[an]~~ out-of-school-time ~~[program]~~ **programs, out-of-school recreation programs and seasonal or temporary recreation programs** from licensure and regulation as ~~[a]~~ child care ~~[facility;]~~ **facilities; requiring certain out-of-school recreation programs to obtain a permit; establishing certain requirements for the operation of an out-of-school recreation program;** authorizing an out-of-school-time program to report certain information to the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a child care facility to be licensed by an agency created by a city or county for the licensing of child care facilities or by the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services. (NRS 432A.131, 432A.141) Section 13 of this bill removes the licensure requirements for out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs by excluding those terms from the definition of "child care facility."

Section 2 of this bill defines an "out-of-school-time program" as a program that operates for 10 or more hours per week, is offered on a continuing basis, provides supervision of children who are of school age and provides regularly scheduled, structured and supervised activities where learning opportunities take place during times when a child is not in school. ~~[Section 5 of this bill exempts an out-of-school-time program from the licensing requirements for and regulation as a child care facility by excluding an out-of-school-time program from the definition of a "child care facility." Sections 6-8 of this bill ensure that the existing definition of "child care facility" is not changed for certain other purposes.]~~ **Section 4 of this bill defines an "out-of-school recreation program" which is similar to an out-of-school-time program, but which is operated or sponsored by a local government in a facility which is owned, operated or leased by the local government. Section 5 of the bill defines "seasonal or temporary**

recreation programs" which include certain programs offered to children for a limited time or duration.

In lieu of the requirements for licensure as a child care facility, sections 6-11 of this bill provide specific requirements for out-of-school recreation programs. Section 6 requires a local government to obtain a permit to operate an out-of-school recreation program. To obtain a permit, the local government must complete an application, pay a fee and meet certain requirements. Section 7 requires a local government that operates an out-of-school recreation program to comply with certain health and safety standards and to comply with other requirements relating to the safety of participants. Section 8 provides certain requirements for the staff of an out-of-school recreation program. Section 8 also limits the number of participants in such a program and establishes certain components that must be included in the program. Section 9 requires an out-of-school recreation program to maintain certain records about participants in the program. Section 10 requires a local government that operates an out-of-school recreation program to provide copies of certain inspections of the facility where the program is conducted according to a schedule established by the Bureau. If the local government submits such records, section 10 prohibits the Bureau from conducting any additional on-site inspections of the facility. Section 11 authorizes the Bureau to adopt any regulations necessary to provide for the permits to operate an out-of-school recreation program.

Section ~~[9]~~ 17 of this bill establishes the Interim Task Force on Out-of-School-Time Programs and requires the Task Force to prescribe standards for out-of-school-time programs and make certain other recommendations concerning out-of-school-time programs. **Section ~~[9]~~ 17** also requires the Task Force to submit a report of its recommendations to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the 77th Session of the Nevada Legislature.

Amendment No. 894.

SUMMARY—Revises Assembly Bill No. 144 of this session **.** ~~[and provides for related study.]~~ (BDR S-1309)

AN ACT relating to breaches of contracts for public works; revising the provisions of Assembly Bill No. 144 of this session relating to a material breach of certain contracts; ~~[providing for a study of the availability of sureties for parties entering into such contracts; appropriating money for a consultant for such a study;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that, for a contractor, applicant or design-build team to receive a preference in bidding for a contract for a public work, the contract must include a provision which requires the contractor, applicant or design-build team to comply with five specified conditions and provides that failure to comply with any of those five conditions is a material breach of the contract that entitles the public body to damages in the amount of 10 percent of the cost of the contract. (Section 2 of Assembly Bill No. 144 of the 2011 Legislative Session) ~~[Section 1 of this]~~ **This** bill provides that the public body is entitled to liquidated damages in the amount of ~~[10]~~ **1** percent of the contract or subcontract for the public work entered into by the party that caused a failure to comply with any of the five specified conditions **.** ~~[or $50,000, whichever is less. Section 1]~~ **This bill** also allows the public body to recover the damages directly from the party that caused a failure to comply with any of the five specified conditions. Finally, ~~[section 1]~~ **this bill** provides that the condition which requires that at least 25 percent of the suppliers of materials for the public work be located in this State does not apply when the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State.

~~[Section 3 of this bill requires the Legislative Commission to appoint a committee to study the availability of sureties for parties entering into contracts governed by section 2 of Assembly Bill No. 144 of the 2011 Legislative Session. Section 2 of this bill appropriates $10,000 for a consultant for this study.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Section 2 of Assembly Bill No. 144 of this session is hereby amended to read as follows:

Sec. 2. 1. To qualify to receive a preference in bidding pursuant to subsection 2 of NRS 338.1389, subsection 2 of NRS 338.147, subsection 3 of NRS 338.1693, subsection 3 of NRS 338.1727 or subsection 2 of NRS 408.3886, a contractor, an applicant or a design-build team, respectively, must submit to the public body sponsoring or financing a public work a signed affidavit which certifies that, for the duration of the project:

(a) At least 50 percent of all workers employed on the public work, including, without limitation, any employees of the contractor, applicant or design-build team and of any subcontractor engaged on the public work, will hold a valid driver's license or identification card issued by the Department of Motor Vehicles;

(b) All vehicles used primarily for the public work will be:

(1) Registered and partially apportioned to Nevada pursuant to the International Registration Plan, as adopted by the Department of Motor Vehicles pursuant to NRS 706.826; or

(2) Registered in this State;

(c) At least 50 percent of the design professionals working on the public work, including, without limitation, any employees of the contractor, applicant or design-build team and of any subcontractor engaged on the public work, will have a valid driver's license or identification card issued by the Department of Motor Vehicles;

(d) At least 25 percent of the suppliers of the materials used for the public work will be located in this State ~~[;]~~ ***unless the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State;*** and

(e) The contractor, applicant or design-build team and any subcontractor engaged on the public work will maintain and make available for inspection within this State his or her records concerning payroll relating to the public work.

2. Any contract for a public work awarded to a contractor, applicant or design-build team who submits the affidavit described in subsection 1 and who receives a preference in bidding described in subsection 1 must:

(a) Include a provision in the contract that substantially incorporates the requirements of paragraphs (a) to (e), inclusive, of subsection 1; and

(b) Provide that a failure to comply with any requirement of paragraphs (a) to (e), inclusive, of subsection 1 is a material breach of the contract and entitles the public body to liquidated damages ~~[in the amount of 10 percent of the cost of the contract.]~~ ***only as provided in subsections 5 and 6.***

3. A person or entity who believes that a contractor, applicant or design-build team has obtained a preference in bidding as described in subsection 1 but has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 may file a written objection with the public body for which the contractor, applicant or design-build team is performing the

public work. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection. If the public body determines that the objection is accompanied by the required proof or substantiating evidence or if the public body determines on its own initiative that proof or substantiating evidence of a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 exists, the public body shall determine whether the contractor, applicant or design-build team has failed to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 and the public body or its authorized representative may proceed to award the contract accordingly or, if the contract has already been awarded, seek the remedy authorized in subsection 5.

5. A public body may recover ***,*** by civil action ***against the party responsible for a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1,*** liquidated damages as described in ~~[~~paragraph (b) of~~]~~ subsection ~~[~~2~~]~~ ***6*** for a breach of a contract for a public work caused by a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1. If a public body recovers liquidated damages pursuant to this subsection for a breach of a contract for a public work, the public body shall report to the State Contractors' Board the date of the breach, the name of each entity which breached the contract and the cost of the contract. The Board shall maintain this information for not less than 6 years. Upon request, the Board shall provide this information to any public body or its authorized representative.

6. If a contractor, applicant or design-build team submits the affidavit described in subsection 1, receives a preference in bidding described in subsection 1 and is awarded the contract, ***the contract between the contractor, applicant or design-build team and the public body,*** each contract between the contractor, applicant or design-build team and a subcontractor ***or supplier and each contract between a subcontractor and a subcontractor or supplier*** must provide ~~[~~for the apportionment of liquidated damages assessed pursuant to subsection 5 if a person other than the contractor was responsible for the breach of a contract for a public work caused by a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1. The apportionment of liquidated damages must be in proportion to the responsibility of each party for the breach.~~]~~ ***that:***

(a) If a party to the contract causes a material breach of the contract between the contractor, applicant or design-build team and the public body

as a result of a failure to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1, the party is liable to the public body for liquidated damages in the amount of ~~[10]~~ 1 percent of the cost of the largest contract to which he or she is a party ; ~~for $50,000, whichever is less;]~~

(b) The right to recover the amount determined pursuant to paragraph (a) by the public body pursuant to subsection 5 may be enforced by the public body directly against the party that causes the material breach; and

(c) No other party to the contract is liable to the public body for liquidated damages.

7. A public body that awards a contract for a public work to a contractor, applicant or design-build team who submits the affidavit described in subsection 1 and who receives a preference in bidding described in subsection 1 shall, on or before July 31 of each year, submit a written report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission. The report must include information on each contract for a public work awarded to a contractor, applicant or design-build team who submits the affidavit described in subsection 1 and who receives a preference in bidding described in subsection 1 **,** including, without limitation, the name of the contractor, applicant or design-build team who was awarded the contract, the cost of the contract, a brief description of the public work and a description of the degree to which the contractor, applicant or design-build team and each subcontractor complied with the requirements of paragraphs (a) to (e), inclusive, of subsection 1.

Sec. 2. ~~[1. There is hereby appropriated from the State General Fund to the Legislative Commission the sum of $10,000 to contract, through competitive bidding, with a qualified independent consultant:~~

Sec. 3. ~~[1. CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 223.

The following Senate amendment was read:

Amendment No. 694.

AN ACT relating to civil actions; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment ~~[.]~~ **except in certain circumstances;** providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) **Section 3** of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor ~~[.]~~ **except in certain circumstances. Section 3** further provides immunity

from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. **Section 4** of this bill provides that notwithstanding the provisions of **section 3**, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

Section 5.5 of this bill revises the form for a writ of execution issued on a judgment for the recovery of money to include notice on the form to financial institutions of whether the judgment is for the recovery of money for the support of a person.

Section 7 of this bill provides additional exemptions from execution which are provided by Nevada law.

Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 6 and 10** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in **section 8**. **Sections 6 and 10** further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 3**.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in **section 8**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. ***A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.***

Sec. 3. ***1. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding 45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:***

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor ~~[.]~~ ***,unless the writ of execution or garnishment is for the recovery of money owed for the support of any person.***

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money

withdrawn from the account. The court may require a judgment debtor to provide statements from the bank which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. *1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.*

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. *1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.*

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 5.5. **NRS 21.025 is hereby amended to read as follows:**

21.025 A writ of execution issued on a judgment for the recovery of money must be substantially in the following form:

2. In addition to the fee set forth in NRS 31.270, a garnishee is entitled to a fee from the plaintiff of $3 per pay period, not to exceed $12 per month, for each withholding made of the defendant's earnings. TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the

undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

Assemblyman Horne moved that the Assembly concur in the Senate Amendment No. 694 to Assembly Bill No. 223.

Remarks by Assemblyman Horne.

Motion carried.

The following Senate amendment was read:

Amendment No. 851.

AN ACT relating to civil actions; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment except in certain circumstances; providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) **Section 3** of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor except in certain circumstances. **Section 3** further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. **Section 4** of this bill provides that notwithstanding the provisions of **section 3**, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

Section 5.5 of this bill revises the form for a writ of execution issued on a judgment for the recovery of money to include notice on the form to financial institutions of whether the judgment is for the recovery of money for the support of a person.

Section 7 of this bill provides additional exemptions from execution which are provided by Nevada law.

Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 6 and 10** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in **section 8**. **Sections 6 and 10** further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 3**.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in **section 8**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. ***A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.***

Sec. 3. ***1. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding***

45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(b) Veterans' benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

(c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

(d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

(e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

(i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;

(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;

(m) Black lung benefits paid to a miner or a miner's surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, ~~[$1,000]~~ $400 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor, unless the writ of execution or garnishment is for the recovery of money owed for the support of any person.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the bank which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. ***1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.***

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. ***1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.***

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 5.5. NRS 21.025 is hereby amended to read as follows:

TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

Conference Amendment No. CA2.

AN ACT relating to public health; revising requirements for various reports concerning the care provided by certain medical and related facilities; revising provisions relating to administrative fines collected by the Health Division of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain medical facilities to submit to the Health Division of the Department of Health and Human Services reports of sentinel events. (NRS 439.835) The term "sentinel event" is defined for the purposes of these reports to mean an unexpected occurrence at the facility which involves facility-acquired infection, death or serious physical or psychological injury or the risk thereof, including, without limitation, any process variation for which a recurrence would carry a significant chance of a serious adverse outcome. (NRS 439.830) The Health Division is required to prepare annual reports concerning those reports which were submitted by medical facilities located in a county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 439.840) **Section 5** of this bill requires the Health Division to prepare such annual reports for medical facilities in every county and to make those reports available on the Department's website. **Section 5** also requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Existing law requires medical facilities which provide care to 25 or more patients per day to submit information to the Internet-based surveillance system established and maintained by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services and requires the Health Division to analyze that information. (NRS 439.847) **Section 9** of this bill requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Sections 15.3-17 of this bill require hospitals to submit, as part of the program to increase public awareness of health care information concerning hospitals, data relating to the readmission of a patient if the readmission was potentially preventable and clinically related to the initial admission of the patient. **Section 20** of this bill requires the Department of Health and Human Services to post that information on an Internet website. **Section 16** also

authorizes the Department to report certain information concerning the quality of care provided by hospitals if it can be determined from reports already submitted to the Department. Existing law authorizes the Department to seek injunctive relief or civil penalties against facilities that violate the reporting requirements. (NRS 439A.300, 439A.310)

Sections 21, 22, 24 and 25 of this bill authorize the Health Division to use money which is collected as administrative penalties to administer and carry out the provisions of chapter 449 of NRS and to protect the health and property of the patients and residents of facilities.

Section 35 of this bill repeals NRS 439.825 and 439.850.

Assemblywoman Pierce moved that the Assembly adopt the report of the Conference Committee concerning Senate Bill No. 264.

Motion carried by a constitutional majority.

Assembly Bill No. 80.

The following Senate amendment was read:

Amendment No. 686.

AN ACT relating to the Public Employees' Benefits Program; making various changes relating to the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of the Public Employees' Benefits Program is required to submit various reports concerning the administration and operation of the Program. (NRS 287.043, 287.04366) **Sections 3, 8 and 14** of this bill make the Executive Officer of the Program, rather than the Board, responsible for submitting such reports.

Under existing law, if a retired public officer or employee of the State or a local governmental agency, or the surviving spouse of such a retired officer or employee, who was formerly covered by health insurance provided under the Program, or under a plan offered by the local governmental employer, reinstates such insurance, the reinstated insurance excludes coverage for certain preexisting conditions during the first 12 months after such reinstatement. (NRS 287.0205, 287.0475) **Sections 4.5 and 12** of this bill eliminate the exclusion for certain preexisting conditions as called for in the Patient Protection and Affordable Care Act. (Pub. L. No. 111-148, 124 Stat. 119) **Section 12** also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse or domestic partner, from reinstating health insurance under the Program if the Board has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

Under existing law, a state agency is required to pay to the Program a certain amount to pay a portion of the cost of coverage under the Program for each state officer or employee of that state agency who participates in the Program. State officers and employees are required to pay the remaining portion of the costs of their coverage as well as the full amount of covering their dependents under the Program. The Board is authorized to allocate the money paid by the state agency between the costs of coverage for such officers and employees and for their dependents. (NRS 287.044) **Section 9** of this bill clarifies the manner in which the Board may perform the allocation.

Existing law provides for the payment of a subsidy to cover a portion of the costs of coverage under the Program for certain retired state officers and employees. (NRS 287.046) **Section 10** of this bill clarifies that employees

who are initially hired by the State on or after January 1, 2010, are not entitled to the subsidy for coverage under the Program if they retire with less than 15 years of service, which must include state service and may include local governmental service, with the exception of disabled retirees, or if they fail to maintain continuous coverage under the Program during retirement. **Section 6** of this bill clarifies the application of this provision to persons who retire from employment with local governmental agencies.

Existing law provides that if a state officer or employee or a dependent of a state officer or employee incurs medical costs that are payable under the Program, but for which a third person has the legal liability to pay, the Board is subrogated to the rights of the officer, employee or dependent and may commence, join or intervene in any legal action against the third person to enforce that legal liability. (NRS 287.0465) **Section 11** of this bill extends this provision to apply to any person who participates in the Program, including retired, as well as active, officers and employees of the State and their dependents and to active and retired officers and employees of local governments and their dependents who are covered under the Program.

Existing law provides that the surviving spouse and any surviving child of a police officer or firefighter who was killed in the line of duty are eligible to obtain or continue coverage under the Program or a benefits plan established by his or her local governmental employer under certain circumstances. The public employer of the police officer or firefighter, or the State of Nevada in the case of a volunteer firefighter, is required to pay the entire cost of the coverage for the surviving spouse for life and the entire cost of the coverage for any surviving child at least until the child reaches 18 years of age and until the child reaches 23 years of age so long as the child is a full-time student. (NRS **287.021,** 287.0477) **Sections 5 and 13** of this bill provide that neither the public employer nor the State is required to pay the cost of the coverage for the surviving domestic partner of such a police officer or firefighter. **Sections 5 and 13 also codify that the duration of the coverage for the surviving children of police officers and firefighters killed in the line of duty is the same as the duration of coverage for children otherwise in the public employer's health care plan.**

The following Senate amendment was read:

Amendment No. 845.

AN ACT relating to the Public Employees' Benefits Program; making various changes relating to the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of the Public Employees' Benefits Program is required to submit various reports concerning the administration and operation of the Program. (NRS 287.043, 287.04366) **Sections 3, 8 and 14** of this bill make the Executive Officer of the Program, rather than the Board, responsible for submitting such reports.

Under existing law, if a retired public officer or employee of the State or a local governmental agency, or the surviving spouse of such a retired officer or employee, who was formerly covered by health insurance provided under the Program, or under a plan offered by the local governmental employer, reinstates such insurance, the reinstated insurance excludes coverage for certain preexisting conditions during the first 12 months after such reinstatement. (NRS 287.0205, 287.0475) **Sections 4.5 and 12** of this bill eliminate the exclusion for certain preexisting conditions as called for in the Patient Protection and Affordable Care Act. (Pub. L. No. 111-148, 124 Stat. 119) **Section 12** also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse**,** ~~[or domestic partner,]~~ from reinstating health insurance under the Program if the Board has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

Under existing law, a state agency is required to pay to the Program a certain amount to pay a portion of the cost of coverage under the Program for each state officer or employee of that state agency who participates in the Program. State officers and employees are required to pay the remaining portion of the costs of their coverage as well as the full amount of covering their dependents under the Program. The Board is authorized to allocate the money paid by the state agency between the costs of coverage for such officers and employees and for their dependents. (NRS 287.044) **Section 9** of this bill clarifies the manner in which the Board may perform the allocation.

Existing law provides for the payment of a subsidy to cover a portion of the costs of coverage under the Program for certain retired state officers and employees. (NRS 287.046) **Section 10** of this bill clarifies that employees who are initially hired by the State on or after January 1, 2010, are not entitled to the subsidy for coverage under the Program if they retire with less than 15 years of service, which must include state service and may include local governmental service, with the exception of disabled retirees, or if they fail to maintain continuous coverage under the Program during retirement.

Section 6 of this bill clarifies the application of this provision to persons who retire from employment with local governmental agencies.

Existing law provides that if a state officer or employee or a dependent of a state officer or employee incurs medical costs that are payable under the Program, but for which a third person has the legal liability to pay, the Board is subrogated to the rights of the officer, employee or dependent and may commence, join or intervene in any legal action against the third person to enforce that legal liability. (NRS 287.0465) **Section 11** of this bill extends this provision to apply to any person who participates in the Program, including retired, as well as active, officers and employees of the State and their dependents and to active and retired officers and employees of local governments and their dependents who are covered under the Program.

Existing law provides that the surviving spouse and any surviving child of a police officer or firefighter who was killed in the line of duty are eligible to obtain or continue coverage under the Program or a benefits plan established by his or her local governmental employer under certain circumstances. The public employer of the police officer or firefighter, or the State of Nevada in the case of a volunteer firefighter, is required to pay the entire cost of the coverage for the surviving spouse for life and the entire cost of the coverage for any surviving child at least until the child reaches 18 years of age and until the child reaches 23 years of age so long as the child is a full-time student. (NRS 287.021, 287.0477) ~~[Sections 5 and 13 of this bill provide that neither the public employer nor the State is required to pay the cost of the coverage for the surviving domestic partner of such a police officer or firefighter.]~~ **Sections 5 and 13 ~~[also]~~ of this bill** codify that the duration of the coverage for the surviving children of police officers and firefighters killed in the line of duty is the same as the duration of coverage for children otherwise in the public employer's health care plan.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 359.

The following Senate amendment was read:

Amendment No. 875.

AN ACT relating to energy; revising the categories of uses, capacity goals and prospective expiration of the Waterpower Energy Systems Demonstration Program; revising provisions governing net metering for waterpower energy systems; ~~[revising the cumulative capacity requirement for net metering systems;]~~ **revising provisions governing net metering for certain wind energy systems;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Waterpower Energy Systems Demonstration Program was established for agricultural uses with a goal of the installation of not less than 500

kilowatts of waterpower energy systems in this State by 2012. (NRS 701B.820, 701B.840) The Waterpower Program is currently set to expire on June 30, 2011. **Section 1** of this bill expands the Waterpower Program to encompass Indian tribes and tribal organizations that are customers of a utility. **Section 2** of this bill increases the capacity goals for the Waterpower Program ~~**, [**and limits the amount of any rebate provided pursuant to the Waterpower Program,**]**~~ and **sections 9-11** of this bill extend the Waterpower Program until June 30, 2016. **Section 6** of this bill authorizes a person who installs a waterpower energy system to participate in net metering if the waterpower energy system is located on property owned by the customer-generator and generates electricity primarily intended to offset the customer-generator's requirements for electricity on that property or contiguous property owned by the customer-generator. **Section 6 also authorizes certain persons who install certain wind energy systems on property owned or leased by an institution of higher education in this State to participate in net metering. Section 3.7 of this bill provides that persons who own or operate such wind energy systems are not considered public utilities.**

~~**[** Each electric utility in this State is required to offer net metering to customer-generators of the utility until the cumulative capacity of net metering systems in the service area of the utility is equal to 1 percent of the utility's peak capacity. (NRS 704.773) Section 7 of this bill requires a utility to offer net metering until the cumulative capacity of net metering systems is equal to 1 percent of the total peak capacity of all utilities in this State and further authorizes the Public Utilities Commission of Nevada to increase the cumulative capacity requirement for net metering to 1.5 percent of the total peak capacity of all utilities in this State under certain circumstances.**]**~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701B.820 is hereby amended to read as follows:

701B.820 1. The Waterpower Energy Systems Demonstration Program is hereby created.

3. To be eligible to participate in the Waterpower Demonstration Program, a person must meet the qualifications established pursuant to subsection 4, apply to a utility and be selected by the utility for inclusion in the Waterpower Demonstration Program.

4. The Commission shall adopt regulations providing for the qualifications an applicant must meet to qualify to participate in the Waterpower Demonstration Program.

Sec. 2. NRS 701B.840 is hereby amended to read as follows:

701B.840 The Commission shall adopt regulations that establish:

1. The capacity goals for the Program, which must be designed to meet the goal of the Legislature of the installation of not less than ~~[500 kilowatts of waterpower energy systems in this State by 2012]~~ ***5 megawatts of waterpower energy systems in this State by 2016*** and the goals for each category of the Program. ***The regulations must provide that not less than 1 megawatt of capacity must be set aside for the installation of waterpower energy systems with a nameplate capacity of 100 kilowatts or less.***

2. A system of incentives that are based on rebates that decline as the capacity goals for the Program and the goals for each category of the Program are met. The rebates must be based on predicted energy savings. ~~*[The regulations must provide that the amount of any rebate provided pursuant to the Program must not exceed 50 percent of the total cost of the installation of the waterpower energy system for which the rebate is provided.]*~~

3. The procedure for claiming incentives, including, without limitation, the form and content of the incentive claim form.

Amendment No. 803.

SUMMARY—~~[Increases certain fees for residential and general appraisers to cover an increase in federal registry fees.]~~ **Revises provisions relating to appraisers of real estate.** (BDR 54-1199)

AN ACT relating to appraisers of real estate; **revising provisions governing continuing education requirements for certified and licensed appraisers and registered interns; requiring the Commission of Appraisers of Real Estate to establish certain requirements concerning continuing education; requiring the Commission to establish certain fees relating to continuing education; requiring the Real Estate Division of the Department of Business and Industry to conduct certain investigations and examinations of each certified or licensed appraiser; requiring an appraiser who is investigated or examined by the Division to pay certain costs relating to the investigation or examination; authorizing the Division to contract for or procure the services of certain persons to assist in or carry out investigations and examinations of appraisers;** revising certain fees for the issuance or renewal of a license or certificate; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires an appraiser to complete certain continuing education as a condition for the renewal or reinstatement of a certificate or license and further requires the Commission of Appraisers of Real Estate to adopt regulations governing the continuing education

requirements for appraisers. (NRS 645C.430, 645C.440) Section 2 of this bill requires appraisers and interns to complete a course of continuing education which must include education in ethics and issues relating to the appraisal of real property with an emphasis on trends and market conditions in Nevada and any changes in law which affect the appraisal of real property. Section 2 requires the Commission to establish a reasonable fee for the cost of the course. Section 2 additionally requires the Real Estate Division of the Department of Business and Industry to develop the curriculum for the course and submit the curriculum to the Commission for approval. Section 3 of this bill creates the Account for Real Estate Appraisal Audit and Education in the State General Fund and provides that the fees collected by the Division for the cost of the course of continuing education required by section 2 must be deposited in the Account and used to defray the costs of the Commission and the Division in carrying out the provisions of section 2.

Section 4 of this bill requires the Division to conduct an examination and investigation of each certified or licensed appraiser not less frequently than every 4 years. Section 4 authorizes the Division to contract for and procure the services of examiners and other specialized technical or professional assistance as may reasonably be required to carry out such examinations and investigations. Section 5 of this bill requires an appraiser who is subject to such examination or investigation to pay certain costs relating to the examination or investigation. Section 6 of this bill requires that all money collected pursuant to section 5 be used to pay the expenses relating to the examination or investigation of an appraiser or for any other purpose authorized by the Legislature.

Section 7.7 of this bill requires the Real Estate Administrator to employ an administrative assistant and an investigator to carry out the provisions of this bill and makes an appropriation from the State General Fund to the Real Estate Administration Account in Fiscal Year 2011-2012 and Fiscal Year 2012-2013 to pay the salaries and related expenses of these two new positions.

Under existing law, a fee of $290 is charged for the issuance or biennial renewal of a license or certificate as a residential appraiser, and a fee of $390 is charged for the issuance or biennial renewal of a certificate as a general appraiser. (NRS 645C.450) A portion of that fee, currently $50, is retained by the Real Estate Division ~~[of the Department of Business and Industry]~~ for payment of the registry fee to the Federal Financial Institutions Examination Council. (NRS 645C.240) On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) was signed into law.

(Pub. L. No. 111-203, 124 Stat. 1376) The Dodd-Frank Act revised 12 U.S.C. § 3338 to increase the annual registry fee from $25 to $40.

~~[~~ ~~This~~~~]~~ **Section 7 of this** bill increases the biennial fees charged for the issuance or renewal of a license or certificate as a residential appraiser and for the issuance or renewal of a certificate as a general appraiser by $30 to cover the annual $15 increase in the federal registry fee.

Amendment No. 924.

AN ACT relating to smoking; **[**~~providing that smoking tobacco is not prohibited in age-restricted stand-alone bars, taverns and saloons;~~**]** revising the definition of "stand-alone bar, tavern or saloon" as used in provisions regulating smoking tobacco; **revising provisions governing the areas in which smoking is not prohibited;** revising, removing and reenacting certain provisions of the Nevada Clean Indoor Air Act; **providing civil and criminal penalties;** making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Clean Indoor Air Act, which is currently codified as NRS 202.2483, was proposed by an initiative petition and approved by the voters at the 2006 General Election. The Act generally prohibits smoking tobacco within indoor places of employment, within school buildings and on school property but allows smoking tobacco in certain areas or establishments,

including: (1) stand-alone bars, taverns and saloons; and (2) in certain circumstances, the area of a convention facility in which a meeting or trade show is being held. (NRS 202.2483)

Section 1 of this bill ~~[also]~~ **revises provisions governing the areas in which smoking is allowed. Section 1** extends the provisions allowing smoking tobacco to **: (1)** age-restricted stand-alone bars, taverns and saloons **;** and **(2) completely enclosed areas within other stand-alone bars, taverns and saloons in which patrons under 21 years of age are prohibited from entering. Section 1 also** revises the definition of "stand-alone bar, tavern or saloon" to provide that food service or sales in the bar, tavern or saloon may or may not be incidental services or sales, as determined by the operator. **Under section 1, if a supervisor on duty or employee of an age-restricted stand-alone bar, tavern or saloon or a stand-alone bar, tavern or saloon permits a person under 21 years of age to loiter in an area in which smoking is prohibited: (1) the supervisor or employee is guilty of a misdemeanor; and (2) the age-restricted stand-alone bar, tavern or saloon or stand-alone bar, tavern or saloon is liable for a civil penalty. Section 1** also removes the provisions which allow smoking in certain circumstances in the area of a convention facility in which a meeting or trade show is being held.

Section 2 of this bill reenacts the provisions which allow smoking in certain circumstances in the area of a convention facility in which a meeting or trade show is being held.

Section 3 of this bill makes an appropriation of $15,000 from the State General Fund to the Interim Finance Committee to contract, through competitive bidding, with a qualified independent consultant to conduct a study regarding the implementation of the Nevada Clean Indoor Air Act.

ASSEMBLYWOMAN SMITH:

Thank you, Mr. Speaker. Assembly Bill 579 is the bill that funds the K-12 education system for this biennium. It appropriates $1.088 billion in the first year and $1.111 billion in the second year of the biennium from the State General Fund to the Distributive School Account, known as the DSA. In addition, there are $252.6 million and $260 million of other revenues authorized to be received and expended for the state support of public education for the next two years. These other revenues include an annual tax on slot machines, sales tax collected on out-of-state sales,

interest earned on the Permanent School Fund, revenue from mineral leases on federal land, and room tax revenues from the legislatively approved 2009 Initiative Petition, or IP 1.

The statewide average basic support per pupil increases over the upcoming biennium from the revised amount of $5,192 in the current year to $5,263 in the first year of the biennium and $5, 374 in the second year. Enrollment is projected to decline by .14 percent in the first year and grow by .36 percent in the second year of the biennium.

State funding for special education continues to be allocated on the basis of special education units. Total funding for the units amounts to $121.3 million for 3,049 units of $39,768 each year of the biennium. As in the past, 40 of those units will be reserved for the State Board of Education to assign to districts that have unexpected needs and to charter schools.

To fund adult high school diploma programs, including those in prison facilities, this bill appropriates $17 million and $17.8, respectively, in this biennium. The bill includes funding for the Early Childhood Education programs of $3.3 million for each year of the biennium. For continued support of the Class-Size Reduction Program, this bill appropriates $140.8 million and $144.2 million for the biennium. This includes the salaries and benefits of at least 2,127 teachers hired to reduce pupil-teacher ratios in the first year and 2,144 teachers in the second year of the biennium. The bill continues the Class-Size Reduction program in the DSA and maintains the separate expenditure category to highlight the program. Funds will be allocated based upon the number of teachers needed in each school district to reach the pupil-teacher ratios of 16 to 1 in first grade and second grade and 19 to 1 in third grade—the same ratios as in the current biennium.

To assist school districts in addressing budget shortfalls in this biennium, the bill grants flexibility for school districts to elect to increase class size by up to two students for Grades 1 through 3. Savings achieved must be used to minimize the impact of budget reductions on class size in grades 4 through 12. Members who were here previously will remember that we granted this flexibility in the last special session, and this continues that flexibility.

The bill also appropriates $8 million and $7.6 million for the Other State Education Programs Account, such as Peer Mediation, Career and Technical education, Library Books, Public Broadcasting, and the National Board Certification program for teachers.

It continues the Account for Programs for Innovation and the Prevention of Remediation in the amount of $24.2 million and $24.6 million to continue the Full-Day Kindergarten program for at-risk schools in this state. The bill also appropriates $7.6 million each year of the biennium for the Regional Professional Development programs to train teachers and administrators.

The bill continues the Grant Fund for Incentives for Licensed Educational Personnel with appropriations of $13.4 million to fund the cost of retirement credits and teacher incentives earned in Fiscal Year 2011 and $15.9 million for Fiscal Year 2013.

Additionally, the legislation provides for funding in the amount of $20 million from the school districts' funds for capital projects be used as local funds available for operating purposes. The bill also temporarily transfers estimated funding of $111.3 million and $115.1 million in Fiscal Years 2012 and 2013, respectively, from the State Supplemental School Support Fund to the DSA for this biennium.

I support this K-12 funding bill. We have heard a lot of discussion; we have had more discussion on the K-12 budget in this legislative session than I can remember in my five sessions here. We started out with some proposed cuts that would have been very traumatic for our school system. Over the course of this four months and our budget resolution, I think the school districts can sustain these cuts and minimize the impacts to the classroom. I have had discussions with the districts and believe that the layoffs will be minimal and hopefully won't affect the classroom. This will allow us to support our ongoing efforts for reform and increasing student achievement in this state. I hope my colleagues will support this legislation.

ASSEMBLYMAN BOBZIEN:

Thank you, Mr. Speaker. I rise in support of A.B. 579. As chair of your policy committee on this, I think the story we heard all session long was one of both reform and resources. While

some clamored and said we have to have reforms before we can provide resources, I think what we are doing this evening—coming together and supporting this bill—is acknowledging that reforms and changes to our schools have to come with resources.

I am hopeful that in the years to come, we will be able to look back at this session, and look back at the disasters that were averted with this budget and the reforms that we came together and moved forward. We will be able to see that this was the start of the journey and that in the years to come, we can continue to make improvements to our schools. We can continue to support our students and continue to build our future.

ASSEMBLY PROCEEDINGS 6127

THE ONE HUNDRED NINETEENTH DAY

CARSON CITY (Sunday), June 5, 2011

Assembly called to order at 1:09 p.m.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Albert Tilstra.

Save this moment, O God, from being merely a gesture to custom or convenience, and make it a real experience for each one of us in this place as we call on You for guidance and help.

You have admonished us: "When we stand praying, forgive if You have resentment against any," then give us grace to lay aside all bitterness and resentment we may be nursing in our hearts, lest their acid eat into our peace and corrode our spirits. You have said: "It is more blessed to give than to receive." Give us the grace today to think not of what we can get but of what we give, that a new spirit may come into our work here with a new vision and a new purpose that You can be delighted in and bless.

These things we leave in Your hands, knowing that You will give us what is best.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 114.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 915.

AN ACT relating to water; revising the amount of the fee for issuing and recording a permit to change the point of diversion or place of use only of an existing water right for irrigational purposes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth a schedule of fees that the State Engineer is required to collect for providing various services relating to the appropriation of water for beneficial uses in Nevada. In 2009, a fee of $200 for issuing and recording a permit to change the point of diversion or place of use only of an existing water right for irrigational purposes was eliminated and the following fee became applicable to such a permit: (1) a fee of $250 for issuing and recording a permit to change an existing water right for any

purpose other than for watering livestock or wildlife purposes or for certain uses concerning the generation of hydroelectric power; and (2) an additional fee of $3 for each acre-foot of water or fraction thereof approved in the permit by the State Engineer. (Chapter 250, Statutes of Nevada 2009, p. 1014; NRS 533.435) This bill reinstates and increases to ~~[$500]~~ **$750** the flat fee that had been eliminated in 2009 for issuing and recording a permit to change the point of diversion or place of use only of an existing water right for irrigational purposes. Thus, under this bill, a person who is issued such a permit is required to pay a flat fee of ~~[$500]~~ **$750** rather than a fee of $250 plus an additional fee of $3 for each acre-foot of water or fraction thereof approved in the permit by the State Engineer.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 533.435 is hereby amended to read as follows:

3. Except as otherwise provided in this subsection, all fees collected by the State Engineer under the provisions of this section must be deposited in the State Treasury for credit to the State General Fund. All fees received for blueprint copies of any drawing or map must be kept by the State Engineer and used only to pay the costs of printing, replacement and maintenance of printing equipment. Any publication fees received which are not used by the State Engineer for publication expenses must be returned to the persons who paid the fees. If, after exercising due diligence, the State Engineer is unable to make the refunds, the State Engineer shall deposit the fees in the State Treasury for credit to the State General Fund. The State Engineer may maintain, with the approval of the State Board of Examiners, a checking account in any bank or credit union qualified to handle state money to carry out the provisions of this subsection. The account must be secured by a depository bond satisfactory to the State Board of Examiners to the extent the account is not insured by the Federal Deposit Insurance Corporation, the National Credit Union Share Insurance Fund or a private insurer approved pursuant to NRS 678.755.

Sec. 2. This act becomes effective on July 1, 2011.

Assemblyman Hickey moved the adoption of the amendment.

Amendment adopted.

Bill ordered to third reading.

Assembly Bill No. 195.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 916.

AN ACT relating to court records; revising requirements for saving images of court records before the records may be destroyed; ~~[authorizing the State Library and Archives Administrator to receive the court records of the Supreme Court or of a district court into the State Archives under certain circumstances;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Clerk of the Supreme Court, a county clerk, a deputy clerk of a justice court or a clerk of a municipal court may destroy documents, records, instruments, books, papers, depositions and transcripts

of court actions and proceedings if the action or proceeding is not on appeal or review in any court. (NRS 239.110) The clerk is required to maintain a microphotographic film copy of every such record destroyed, and the copies are deemed to be the original documents.

Section 1 of this bill instead requires that, before a court record is destroyed by the Clerk of the Supreme Court, a deputy clerk of the Supreme Court, a county clerk, the clerk of a district court or a deputy clerk of a district court, the clerk must place an image of the record on microfilm or save the image in an electronic recordkeeping system. However, a deputy clerk of a justice court or a clerk of a municipal court may destroy a court record pursuant to a schedule for the retention and disposition of court records established by the Supreme Court without placing an image of the record on microfilm or saving the image in an electronic recordkeeping system. **Section 1** also: (1) requires the microfilm or saved image to be durable, accurate, complete and clear; (2) clarifies that a reproduction of a court record is considered to be the original, regardless of whether the actual original document exists; and (3) requires the clerk who microfilms or saves the court records to store the microfilm or the medium used to save the image in a manner and place so as to protect it reasonably from loss or damage and as prescribed by the Supreme Court. ~~[Section 3 of this bill authorizes the State Library and Archives Administrator to receive into the State Archives any court record from the Supreme Court or a district court if: (1) the Administrator finds that the court record is of historical value; (2) the record is provided to the State Archives by an order of the Supreme Court; or (3) the Administrator and the Supreme Court or a district court, as applicable, enter into an agreement for the Administrator to receive into the State Archives any other record from the Supreme Court or district court. Section 4 of this bill authorizes the State Library and Archives Administrator to establish, maintain and operate a center for storing and retrieving records for the Supreme Court or a district court pending acceptance of the records by the Division of State Library and Archives of the Department of Cultural Affairs or disposition of the records by law.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 239.110 is hereby amended to read as follows:

239.110 1. ~~[The]~~ ***In addition to any other requirement of this section, the*** Clerk of the Supreme Court, ***a deputy clerk of the Supreme Court,*** a county clerk, ***the clerk of a district court, a deputy clerk of a district court, a*** deputy clerk of a justice court or ***a*** clerk of a municipal court may destroy ~~[all documents, records, instruments, books, papers, depositions and transcripts in any action or proceeding in the Supreme Court, district court, justice court~~

~~or municipal court, respectively, or otherwise filed in the clerk's office pursuant to law, including transcripts of coroners' inquests and depositions, if the records of the clerk do not show that the action or proceeding is pending on appeal or review in any court, except that:~~

~~(a) If the written consent of the district attorney is first obtained, transcripts of preliminary hearings may be destroyed as provided in this section; and~~

~~(b) Minutes of the Supreme Court, district court, justice court or municipal court, affidavits supporting applications for marriage licenses, after those licenses have been issued, and certificates of fictitious names of businesses may be destroyed immediately subject to the provisions of subsections 2 and 3.~~

~~2. The clerk shall maintain for the use of the public a microphotographic film print or copy of each document, record, instrument, book, paper, deposition or transcript so destroyed, if the print or copy is placed and kept in a sealed container under certificate of the clerk and properly indexed. This print or copy shall be deemed to be the original.~~

~~3. The clerk shall promptly seal and store at least one original negative of each microphotographic film in such manner and place as may reasonably ensure its preservation indefinitely against loss, theft, defacement or destruction.~~

~~4.~~ ***a court record only in accordance with a schedule for the retention and disposition of court records which is approved by the Supreme Court.***

2. The Clerk of the Supreme Court, a deputy clerk of the Supreme Court, a county clerk, the clerk of a district court or a deputy clerk of a district court who destroys a court record pursuant to this section may do so only if an image of the court record has been placed on microfilm or has been saved in an electronic recordkeeping system which permits the retrieval of the information contained in the court record and the reproduction of the court record.

3. Except as otherwise prohibited by law, a deputy clerk of a justice court or a clerk of a municipal court may destroy a court record pursuant to a schedule for the retention and disposition of court records established by the Supreme Court without placing an image of the court record on microfilm or saving an image of the court record in an electronic recordkeeping system.

4. A reproduction of an image of a court record that has been placed on microfilm or saved pursuant to this section shall be deemed to be the original court record, regardless of whether the original exists.

5. A microfilmed image of a court record or an image of a court record saved in an electronic recordkeeping system pursuant to this section must be durable, accurate, complete and clear.

6. Amendment adopted.

Bill ordered to third reading.

Assembly Bill No. 401.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 928.

AN ACT relating to constructional defects; revising the definition of "constructional defect"; revising provisions governing attorney's fees in claims concerning constructional defects; revising the statutes of limitation and repose relating to certain actions concerning constructional defects; **[**~~making an appropriation;~~**]** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a defect in the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, or of an appurtenance, which is done in violation of law, including in violation of local codes or ordinances, is a constructional defect. (NRS 40.615) **Section 1** of this bill provides that there

is a rebuttable presumption that workmanship which exceeds the standards set forth in the applicable law, including any applicable local codes or ordinances, is not a constructional defect.

Existing law provides that in a claim for damages as the result of a constructional defect, reasonable attorney's fees may be recovered as damages. (NRS 40.655) **Section 2** of this bill provides that: (1) the court shall award to the prevailing party reasonable attorney's fees, which must be an element of costs and awarded as costs; and (2) the amount of any attorney's fees awarded must be determined by and approved by the court. Additionally, **section 2** authorizes any party to petition the court to determine the reasonableness of attorney's fees to be reimbursed to the claimant if: (1) the contractor has made ~~[satisfactory]~~ repairs in response to a notice of constructional defect; and (2) the only issue remaining is the amount of the reasonable attorney's fees to be reimbursed to the claimant.

Existing law sets forth the statute of limitations for various actions. (NRS 11.190) **Section 4** of this bill provides for a statute of limitations of 3 years for an action for damages for certain deficiencies, injury or wrongful death caused by a defect in construction if the defect is a result of willful misconduct or was fraudulently concealed.

Existing law contains certain periods of limitation, known as statutes of repose, in which certain actions for damages for certain deficiencies, injury or wrongful death caused by a defect in construction must be commenced. These statutes of repose apply to both commercial and residential construction. (NRS 11.202-11.206) **Sections 3 and 5-8** of this bill exclude residential construction from the existing statutes of repose and provide a new statute of repose relating specifically to residential construction.

Section 9 of this bill provides that the amendatory provisions of the bill relating to claims for constructional defects governed by NRS 40.600 to 40.695, inclusive, apply to ~~[claims that arise]~~ **actions commenced or notice of such claims given** on or after October 1, 2011, and the amendatory provisions of the remaining sections of the bill apply to ~~[actions based upon construction that occurs]~~ **any residence or appurtenance or any improvement to a residence or appurtenance substantially completed** on or after October 1, 2011.

3. There exists a rebuttable presumption that the term does not include the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, or of an appurtenance which is done in violation of law, including, without limitation, in violation of local codes or ordinances, if the workmanship of the design, construction, manufacture, repair or landscaping exceeds the standards set forth in the applicable law, including, without limitation, the applicable local codes or ordinances.

3. If a contractor complies with the provisions of NRS 40.600 to 40.695, inclusive, the claimant may not recover from the contractor, as a result of the constructional defect, anything other than that which is provided pursuant to NRS 40.600 to 40.695, inclusive. ***If a contractor makes ~~[satisfactory]~~ repairs in response to a notice of a constructional defect pursuant to NRS 40.600 to 40.695, inclusive, and the only issue remaining is the amount of reasonable attorney's fees to be reimbursed to the claimant, any party may petition the court to determine the reasonableness of the fees.***

Section 10** further provides that the total amount of the incentive paid to a participant in the Wind Program ~~[in the category of private residential property must be paid upon proof that the participant has installed and energized the wind energy system, while the amount of the incentive paid to a participant in a category other than the category of private residential property]~~ **with a nameplate capacity of not more than 500 kilowatts** must be paid over time and based on the

performance of and amount of electricity generated by the wind energy system. **Section 10.5 of this bill requires a participant in the Wind Program to participate in net metering.** ~~[Sections 20-22 of this bill remove the prospective expiration of the Wind Program.]~~

Section 10.7 of this bill requires the Commission to provide a system of incentives for waterpower energy systems with a nameplate capacity of not more than 500 kilowatts. Section 18.5 of this bill requires a participant in the Waterpower Program to participate in net metering.

Existing law deems a provider of electric service to have generated or acquired 2.4 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity generated or acquired from a solar photovoltaic system on certain retail customers. (NRS 704.4822) Section 18.9 of this bill provides the same calculation for solar photovoltaic systems installed on the premises of the provider if certain conditions are met.

Existing law provides that the Wind Program and the Waterpower Program will expire on June 30, 2011. (Chapter 509, Statutes of Nevada 2007, p. 2999) This bill revises the prospective expiration date of these programs and provides that the Wind Program, the Waterpower Program and the Solar Program will expire on December 31, 2021.

Assembly Bill No. 476.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 929.

AN ACT relating to education; authorizing the Board of Regents of the University of Nevada to request an allocation from the Contingency Fund to cover a projected shortfall in the Trust Fund for the Education of Dependent Children; providing that money in the Trust Fund does not revert to the State

General Fund; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of Regents of the University of Nevada is required, to the extent of legislative appropriation, to pay certain fees and expenses associated with undergraduate classes taken at a school within the Nevada System of Higher Education by dependent children of a police officer, firefighter or officer of the Nevada Highway Patrol killed in the line of duty or of a volunteer ambulance driver or attendant while engaged as such. These fees and expenses are paid from the Trust Fund for the Education of Dependent Children, which also receives money from gifts and grants. (NRS 396.545) **Section 1** of this bill requires the Board of Regents to estimate each fiscal year the amount of money in the Trust Fund that is available in that fiscal year for payment of such fees and expenses and the anticipated amount of such payments for that fiscal year. If, as a result of this estimation, there is a projected shortfall in the Trust Fund for the fiscal year, the Board of Regents is authorized to request an allocation from the Contingency Fund to cover the shortfall. The Interim Finance Committee is authorized under existing law to make allocations from the Contingency Fund: (1) for emergency use to supplement regular legislative appropriations which fail to cover unforeseen expenses; (2) to meet expenses pursuant to the requirements of a law; or (3) as provided by specific statute. (NRS 353.266)

Section 1 also provides that money in the Trust Fund does not revert to the State General Fund at the end of a fiscal year, but instead remains in the Trust Fund. **Section 2** of this bill makes an appropriation from the State General Fund to the Trust Fund of ~~[$50,000.]~~ **$25,000.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 396.545 is hereby amended to read as follows:

396.545 1. To the extent of ~~[~~legislative appropriation,~~]~~ ***money available for this purpose,*** the Board of Regents shall pay all registration fees, laboratory fees and expenses for required textbooks and course materials assessed against or incurred by a dependent child of:

(a) A police officer, firefighter or officer of the Nevada Highway Patrol who was killed in the line of duty; or

(b) A volunteer ambulance driver or attendant who was killed while engaged as a volunteer ambulance driver or attendant,

➥ for classes taken towards satisfying the requirements of an undergraduate degree at a school within the System. No such payment may be made for any fee assessed after the child reaches the age of 23 years.

2. There is hereby created in the State Treasury a Trust Fund for the Education of Dependent Children. The Board of Regents shall administer the Trust Fund. The Board of Regents may accept gifts and grants for deposit in the Trust Fund. All money held by the State Treasurer or received by the Board of Regents for that purpose must be deposited in the Trust Fund. The money in the Trust Fund must be invested as the money in other state funds is invested. After deducting all applicable charges, all interest and income earned on the money in the Trust Fund must be credited to the Trust Fund. ***Any money remaining in the Trust Fund at the end of a fiscal year does not revert to the State General Fund, and the balance in the Trust Fund must be carried forward to the next fiscal year.***

3. ***For each fiscal year, the Board of Regents shall estimate:***

(a) The amount of money in the Trust Fund that is available to make payments pursuant to subsection 1 for that fiscal year; and

(b) The anticipated amount of such payments for that fiscal year.

➥ If the anticipated amount of payments estimated for the fiscal year exceeds the estimated amount of money available in the Trust Fund in the fiscal year for such payments, the Board of Regents may request an allocation from the Contingency Fund created pursuant to NRS 353.266 to cover the projected shortfall.

4. As used in this section:

Bill ordered to third reading.

Assembly Bill No. 560.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 920.

AN ACT relating to state employees; ~~[reducing the rate of accrual of annual leave and sick leave for state employees;]~~ eliminating the required payment of a state employee at the rate of time and one-half for working on a holiday; ~~[eliminating the requirement that the state purchase credit for service for retirement for certain employees if an agency is required to reduce the number of its employees;]~~ continuing the temporary suspension of the semiannual payment of longevity pay and merit pay increases for state employees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides for the establishment of a personnel system for state employees. (Chapter 284 of NRS) This includes prescribing the rates at which annual leave and sick leave accrue for those employees. (NRS 284.350, 284.355; NAC 284.538) Sections 2 and 3 of this bill reduce the rate at which state employees accrue annual leave and sick leave, effective July 1, 2012.]~~

Existing law provides, in addition to paying state employees on state holidays, for payment at the rate of time and one-half for employees who work on a holiday. (NAC 284.256) **Section 1** of this bill eliminates this premium for working on a holiday.

~~[Existing law provides for the purchase of credit for service for the purposes of the Public Employees' Retirement System for certain employees who agree to retire when a state agency is required to reduce the number of its employees. (NRS 286.3007) Section 4 of this bill limits that benefit to employees hired before July 1, 2011.]~~

Existing law provides for a plan to encourage continuity of service in State Government, under which semiannual payments are made to state employees rated standard or better with 8 years or more of continuous service, commonly known as "longevity pay." (NRS 284.177) Existing law also provides for state employees who are rated standard or better and have not attained the top step of their grade to receive a merit pay increase annually. (NRS 284.175, 284.335; NAC 284.194) Those semiannual payments and merit pay increases were temporarily suspended by the Legislature in 2009 for the 2009-2011 biennium. (Chapter 276, Statutes of Nevada 2009, p. 1164-65, as amended by chapter 465, Statutes of Nevada 2009, p. 2642-43) **Section 5** of this bill continues the suspension of those payments and increases for the next 2 fiscal years.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 284.180 is hereby amended to read as follows:

284.180 1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.

2. Credit for overtime work directed or approved by the head of an agency or the representative of the head of the agency must be earned at the rate of time and one-half, except for those employees described in NRS 284.148.

3. Except as otherwise provided in subsections 4, 6, 7 and 9, overtime is considered time worked in excess of:

(a) Eight hours in 1 calendar day;

(b) Eight hours in any 16-hour period; or

(c) A 40-hour week.

4. Firefighters who choose and are approved for a 24-hour shift shall be deemed to work an average of 56 hours per week and 2,912 hours per year, regardless of the actual number of hours worked or on paid leave during any biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the firefighter's annual salary for each biweekly pay period. In addition, overtime must be considered time worked in excess of:

(a) Twenty-four hours in one scheduled shift; or

(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

➥ The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firefighters. In addition to the regular amount paid such a firefighter for the deemed average of 56 hours per week, the firefighter is entitled to payment for the hours which comprise the difference between the 56-hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.

6. For employees who choose and are approved for a variable workday, overtime will be considered only after working 40 hours in 1 week.

7. Employees who are eligible under the Fair Labor Standards Act of 1938, 29 U.S.C. §§ 201 et seq., to work a variable 80-hour work schedule within a biweekly pay period and who choose and are approved for such a

work schedule will be considered eligible for overtime only after working 80 hours biweekly, except those eligible employees who are approved for overtime in excess of one scheduled shift of 8 or more hours per day.

8. An agency may experiment with innovative workweeks upon the approval of the head of the agency and after majority consent of the affected employees. The affected employees are eligible for overtime only after working 40 hours in a workweek.

9. This section does not supersede or conflict with existing contracts of employment for employees hired to work 24 hours a day in a home setting. Any future classification in which an employee will be required to work 24 hours a day in a home setting must be approved in advance by the Commission.

10. All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. The chair of a board, commission or similar body must approve in advance all overtime worked by members of the board, commission or similar body.

11. The Budget Division of the Department of Administration shall review all overtime worked by employees of the Executive Department to ensure that overtime is held to a minimum. The Budget Division shall report quarterly to the State Board of Examiners the amount of overtime worked in the quarter within the various agencies of the State.

12. A state employee is ~~[not]~~ entitled to ~~[payment at the]~~ his or her normal rate of ~~[time and one-half]~~ pay for working on a legal holiday unless the employee is entitled to payment for overtime pursuant to this section and the regulations adopted pursuant thereto. This payment is in addition to any payment provided for by regulation for working on a legal holiday.

Sec. 2. ~~[~~NRS 284.350 is hereby amended to read as follows:

284.350 1. Except as otherwise provided in subsections 2, 3 and 4, an employee in the public service, whether in the classified or unclassified service, is entitled to annual leave with pay of ~~[~~1 1/4 working days for each~~]~~ ~~.~~ ***:***

(a) One day per month ***for an employee who has completed less than 5 years*** of continuous public service ~~[.]~~ ***;***

(b) One and one-quarter days per month for an employee who has completed 5 years or more but less than 15 years of continuous public service;

(c) One and one-half days per month for an employee who has completed 15 years or more but less than 20 years of continuous public service; and

~~***(d) One and three-quarters days per month for an employee who has completed 20 years or more of continuous public service.***~~

~~➡ The annual leave may be cumulative from year to year not to exceed 30 working days. The Commission may by regulation provide for [additional annual leave for long-term employees and for] prorated annual leave for part-time employees.~~

~~2. Except as otherwise provided in this subsection, any annual leave in excess of 30 working days must be used before January 1 of the year following the year in which the annual leave in excess of 30 working days is accumulated or the amount of annual leave in excess of 30 working days is forfeited on that date. If an employee:~~

~~(a) On or before October 15, requests permission to take annual leave; and~~

~~(b) The employee's request for leave is denied in writing for any reason,~~

~~➡ the employee is entitled to payment for any annual leave in excess of 30 working days which the employee requested to take and which the employee would otherwise forfeit as the result of the denial of the employee's request, unless the employee has final authority to approve use of the employee's own accrued leave and the employee received payment pursuant to this subsection for any unused annual leave in excess of 30 working days accumulated during the immediately preceding calendar year. The payment for the employee's unused annual leave must be made to the employee not later than January 31.~~

~~3. Officers and members of the faculty of the Nevada System of Higher Education are entitled to annual leave as provided by the regulations adopted pursuant to subsection 2 of NRS 284.345.~~

~~4. The Commission shall establish by regulation a schedule for the accrual of annual leave for employees who regularly work more than 40 hours per week or 80 hours biweekly. The schedule must provide for the accrual of annual leave at the same rate proportionately as employees who work a 40-hour week accrue annual leave.~~

~~5. No elected state officer may be paid for accumulated annual leave upon termination of the officer's service.~~

~~6. During the first 6 months of employment of any employee in the public service, annual leave accrues as provided in subsection 1, but no annual leave may be taken during that period.~~

~~7. No employee in the public service may be paid for accumulated annual leave upon termination of employment unless the employee has been employed for 6 months or more.~~

~~8. Upon the request of an employee, the appointing authority of the employee may approve the reduction or satisfaction of an overpayment of the salary of the employee that was not obtained by the fraud or willful~~

~~misrepresentation of the employee with a corresponding amount of the accrued annual leave of the employee.~~**] (Deleted by amendment.)**

Sec. 3. **[**~~NRS 284.355 is hereby amended to read as follows:~~

~~284.355 1. Except as otherwise provided in this section, all employees in the public service, whether in the classified or unclassified service, are entitled to sick and disability leave with pay of 1~~ **[**1/4**]** ~~working~~ **[**days**]** ~~*day* for each month of service, which may be cumulative from year to year. After an employee has accumulated 90 working days of sick leave, the amount of additional unused sick leave which the employee is entitled to carry forward from 1 year to the next is limited to one-half of the unused sick leave accrued during that year, but the Commission may by regulation provide for subsequent use of unused sick leave accrued but not carried forward because of this limitation in cases where the employee is suffering from a long term or chronic illness and has used all sick leave otherwise available to the employee.~~

~~2. Upon the retirement of an employee, the employee's termination through no fault of the employee or the employee's death while in public employment, the employee or the employee's beneficiaries are entitled to payment:~~

~~(a) For the employee's unused sick leave in excess of 30 days, exclusive of any unused sick leave accrued but not carried forward, according to the employee's number of years of public service, except service with a political subdivision of the State, as follows:~~

~~(1) For 10 years of service or more but less than 15 years, not more than $2,500.~~

~~(2) For 15 years of service or more but less than 20 years, not more than $4,000.~~

~~(3) For 20 years of service or more but less than 25 years, not more than $6,000.~~

~~(4) For 25 years of service, not more than $8,000.~~

~~(b) For the employee's unused sick leave accrued but not carried forward, an amount equal to one-half of the sum of:~~

~~(1) The employee's hours of unused sick leave accrued but not carried forward; and~~

~~(2) An additional 120 hours.~~

~~3. The Commission may by regulation provide for additional sick and disability leave for long term employees and for prorated sick and disability leave for part-time employees.~~

~~4. An employee entitled to payment for unused sick leave pursuant to subsection 2 may elect to receive the payment in any one or more of the following forms:~~

~~(a) A lump-sum payment.~~

~~(b) An advanced payment of the premiums or contributions for insurance coverage for which the employee is otherwise eligible pursuant to chapter 287 of NRS. If the insurance coverage is terminated and the money advanced for premiums or contributions pursuant to this subsection exceeds the amount which is payable for premiums or contributions for the period for which the former employee was actually covered, the unused portion of the advanced payment must be paid promptly to the former employee or, if the employee is deceased, to the employee's beneficiary.~~

~~(c) The purchase of additional retirement credit, if the employee is otherwise eligible pursuant to chapter 286 of NRS.~~

~~5. Officers and members of the faculty of the Nevada System of Higher Education are entitled to sick and disability leave as provided by the regulations adopted pursuant to subsection 2 of NRS 284.345.~~

~~6. The Commission may by regulation provide policies concerning employees with mental or emotional disorders which:~~

~~(a) Use a liberal approach to the granting of sick leave or leave without pay to such an employee if it is necessary for the employee to be absent for treatment or temporary hospitalization.~~

~~(b) Provide for the retention of the job of such an employee for a reasonable period of absence, and if an extended absence necessitates separation or retirement, provide for the reemployment of such an employee if at all possible after recovery.~~

~~(c) Protect employee benefits, including, without limitation, retirement, life insurance and health benefits.~~

~~7. The Commission shall establish by regulation a schedule for the accrual of sick leave for employees who regularly work more than 40 hours per week or 80 hours biweekly. The schedule must provide for the accrual of sick leave at the same rate proportionately as employees who work a 40 hour week accrue sick leave.~~

~~8. The Department may investigate any instance in which it believes that an employee has taken sick or disability leave to which the employee was not entitled. Bill ordered to third reading.

Assembly Bill No. 577.

Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 889.

AN ACT relating to the Legislature; establishing deadlines by which sufficient detail must be submitted concerning bill draft requests submitted by Legislators and legislative committees; providing that bill draft requests submitted by Legislators who will not be returning to the Legislature count against limitations on requests for Legislators or standing committees that become primary sponsors of the requests; **restricting bill draft requests of nonreturning Legislators;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various deadlines for Legislators and legislative committees to submit bill draft requests. (NRS 218D.150, 218D.155, 218D.160, 218E.205) **Sections 4-7** of this bill establish deadlines by which Legislators must submit sufficient detail to allow complete drafting of the requests. **Section 2** of this bill requires the Legislative Counsel to give priority to bill draft requests for which sufficient detail was submitted in a timely manner.

Existing law provides that a Legislator or standing committee may become the primary sponsor of measures requested by a Legislator who will not be returning to the Legislature, but does not specify whether such measures count against limitations on bill draft requests. (NRS 218D.130) **Section 3** of

this bill provides that such measures count against limitations on requests for the Legislator or standing committee that becomes the primary sponsor of the measure.

Section 4 of this bill restricts a Legislator in the final year of his or her term from submitting individual bill draft requests on or after the date on which he or she becomes a nonreturning Legislator.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 218D.100 is hereby amended to read as follows:

218D.100 1. Except as otherwise provided by specific statute, joint rule or concurrent resolution of the Legislature, the Legislative Counsel shall honor:

(a) The number of requests for the drafting of a bill or resolution for a regular session of the Legislature only as provided in NRS 218D.050 to 218D.215, inclusive.

(b) A request for the drafting of a bill or resolution for any session of the Legislature which is submitted by a state agency, board or department, a local government, the judiciary or another authorized nonlegislative requester only if the request is in a subject related to the function of the requester.

2. The Legislative Counsel shall not:

(a) ~~[~~Assign~~]~~ ***Except as otherwise provided in NRS 218D.150, 218D.155 ~~[,]~~ and 218D.160 , ~~[and 218E.205,]~~ assign*** a number to a request for the drafting of a bill or resolution for any session of the Legislature to establish the priority of the request until sufficient detail has been received to allow complete drafting of the legislative measure.

(b) Honor a request to change the subject matter of a request for the drafting of a bill or resolution for any session of the Legislature after it has been submitted for drafting.

(c) Honor a request for the drafting of a bill or resolution for any session of the Legislature which has been combined in violation of Section 17 of Article 4 of the Nevada Constitution.

Sec. 2. NRS 218D.110 is hereby amended to read as follows:

218D.110 1. Upon request, within the limits established pursuant to NRS 218D.050 to 218D.215, inclusive, or by the Legislature by concurrent resolution, the Legislative Counsel shall assist any Legislator in the preparation of bills and resolutions, drafting them in proper form, and furnishing the Legislator the fullest information upon all matters within the scope of the Legislative Counsel's duties.

2. ~~[~~The~~]~~ ***Except as otherwise provided in this section, the*** Legislative Counsel shall, insofar as is possible, act upon all Legislators' requests for legislative measures in the order in which they are received.

3. To assure the greatest possible equity in the handling of requests, drafting must proceed as follows:

(a) If a Legislator so desires, the Legislator may designate a different priority for his or her bills and resolutions which the Legislative Counsel shall observe, insofar as is possible.

(b) The drafting of requests for legislative measures from chairs or members of standing committees or special committees, on behalf of those committees, must not, except where urgency is recognized, take precedence over the priority established or designated for individual Legislators' bills and resolutions.

(c) The Legislative Counsel shall give priority to the drafting of bills and resolutions for which sufficient detail to allow complete drafting of the legislative measure was submitted within the period required by statute.

Sec. 3. NRS 218D.130 is hereby amended to read as follows:

218D.130 1. On July 1 preceding each regular session of the Legislature, and each week thereafter until the adjournment of the Legislature sine die, the Legislative Counsel shall prepare a list of all requests received by the Legislative Counsel, for the preparation of measures to be submitted to the Legislature. The requests must be listed numerically by a unique serial number which must be assigned to the measures by the Legislative Counsel for the purposes of identification in the order that the Legislative Counsel received the requests. Except as otherwise provided in subsections 3 and 4, the list must only contain the name of each requester, the date and a brief summary of the request.

2. The Legislative Counsel Bureau shall make copies of the list available to the public for a reasonable sum fixed by the Director of the Legislative Counsel Bureau.

3. In preparing the list, the Legislative Counsel shall, if a standing or special committee of the Legislature requests a measure on behalf of a Legislator or organization, include the name of the standing or special committee and the name of the Legislator or organization on whose behalf the measure was originally requested.

4. Upon the request of a Legislator who has requested the preparation of a measure, the Legislative Counsel shall add the name of one or more Legislators from either or both Houses of the Legislature as joint requesters. The Legislative Counsel shall not add the name of a joint requester to the list until the Legislative Counsel has received confirmation of the joint request from the primary requester of the measure and from the Legislator to be added as a joint requester. The Legislative Counsel shall remove the name of a joint requester upon receipt of a request to do so made by the primary requester or the joint requester. The names must appear on the list in the order in which the names were received by the Legislative Counsel

beginning with the primary requester. The Legislative Counsel shall not act upon the direction of a joint requester to withdraw the requested measure or modify its substance until the Legislative Counsel has received confirmation of the withdrawal or modification from the primary requester.

5. If the primary requester of a measure will not be returning to the Legislature for the ~~[~~legislative~~]~~ session ***of the Legislature*** in which the measure is to be considered, the primary requester may authorize a Legislator who will be serving during that session to become the primary sponsor of the measure, either individually or as the chair on behalf of a standing committee. If the Legislator who will be serving during that session agrees to become or have the committee become the primary sponsor of the measure, that Legislator shall notify the Legislative Counsel of that fact. Assembly Bill No. 580.

Remarks by Assemblywoman Smith.

Assemblyman Conklin moved that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN SMITH:

Thank you, Mr. Speaker. This is the last of the bills—probably the last of the bills—probably the one we have all been waiting for, or not. This is the bill that makes the appropriations for our budget.

If it is the pleasure of the body I would like to read one statement in and just note what this covers. Then I would like to provide a copy of the floor statement to all of the members so you will have a synopsis. The floor statement is about ten pages long, and so if that would meet the pleasure of the body I can handle it that way.

The General Appropriations Act, the General Authorizations Act, the salary bill, the school funding bill, and the capital improvement bill are the final result of the long deliberations by the Assembly Committee on Ways and Means and the Senate Committee on Finance. The General Appropriations Act and other appropriations bills considered throughout the session delineate the amount of General Fund support approved by the money committees for the operation of Nevada State Government for the next biennium. The General Fund appropriations included in the General Appropriations Act total $1,932,443,749 in FY 12 and $1,908,199,855 in FY 13 or $3.84 billion over the biennium—a reduction of approximately $42.4 million when compared to General Fund appropriations approved by the 2009 legislature. The act includes the Highway Fund appropriations totaling $140,067,987 in FY 12 and $142,023,229 in FY 13. This floor

statement, then, will outline each of the highlights of the spending recommendations in each of the categories of the budget. I will have this into your offices when we leave floor today.

GENERAL FILE AND THIRD READING

Assembly Bill No. 401.

Bill read third time.

Remarks by Assemblymen Oceguera, Hansen, Carlton, Hickey, Conklin, Sherwood, Brooks, and Hardy.

Assemblyman Goicoechea moved that the following remarks be entered into the Journal.

Motion carried.

ASSEMBLYMAN OCEGUERA:

I rise today in support of Assembly Bill 401. I urge the passage of Assembly Bill 401. This bill revises and reforms NRS 40.600, Nevada's construction defect law, commonly referred to as Chapter 40.

A little history lesson here—Chapter 40 was initially enacted in 1995 as remedial legislation to address a growing crisis in the district courts throughout our state. As our state led the country year in and year out as the fastest growing state in the nation, so, too, did the number of construction defect litigation filings. Simple human error coupled with the large volume and speed of new construction led to the inevitability of defective dwellings being sold to the public. In 1995, members of the homebuilding industry and consumer advocates met and forged a solution to this problem, which was approved and enacted by this body.

Contrary to popular belief, homeowners' rights against faulty construction are limited under Chapter 40. In this regard, while a homeowner is entitled to recover the reasonable costs to repair a defective home and reasonable attorney's fees and legal costs, homeowners in our state are not permitted to recover noneconomic damages such as pain and suffering or emotional distress. Chapter 40 even prevents the recovery of punitive damages in cases involving willful misconduct or fraudulent concealment. Significantly, the homebuilding industry embraced this limitation, since punitive damages are not covered by insurance as a matter of law.

In 2003, after literally hundreds—and I can tell you hundreds because I was involved in this—if not thousands of hours of meetings, hearings, and debate after debate, Chapter 40 was

amended at the request of the homebuilding industry. They wanted what they called the "right to repair." The right to repair provision in Chapter 40 has been emulated by many states across our great country. This unfettered right of repair means that upon the notice of a defect, a builder is entitled to make any repair a builder believes will fix the defect so long as the builder stands behind that repair. Assembly Bill 401 further fosters the right to repair by giving parties a means by which to quickly resolve disputes over the reasonableness of legal fees when a builder makes timely and lasting repairs.

Although according to homebuilder industry records more than $6 billion in residential construction was performed since 1995, some contractors have expressed dissatisfaction with Chapter 40. This session, those contractors took aim at eliminating homeowners' rights to reimbursement of reasonable legal fees when a homeowner successfully proves a defect in court. I do not believe that such a rule is the right public policy for the state of Nevada.

One of the purposes of A.B. 401 is to make clear, once and for all, that Chapter 40 is a prevailing party statute when it comes to the attorney fees. This means that if a contractor prevails in disproving the existence of a defect in court, judges are authorized to award legal fees to the contractor and to deny fees to the homeowner. At the same time, A.B. 401 preserves the right of homeowners to be made whole, the central purpose behind this chapter in the first place.

Assembly Bill 401 also improves and clarifies the definition of what constitutes a constructional defect. The concept was taken from a bill advocated last session by the homebuilding industry. Specifically, Chapter 40 will now state that construction conditions that meet or exceed the building codes are not construction defects under Chapter 40. To be sure, builders must still build homes in compliance with the building codes which establish by law the minimum standards necessary to protect life, limb, and property; but so long as homes are constructed in compliance with the building codes, builders are free to exceed those codes without fear of legal recourse.

Finally, A.B. 401 makes substantial changes to Nevada's statute of limitations and statute of repose. By reducing the outside time limit by which a homeowner may seek legal recourse for a defective dwelling from ten years to six years, and by reducing the statute of limitations from four years to three years, even in cases of fraud, the homebuilding industry will realize substantial savings in insurance, administrative, and human resource costs for homes first built and sold after October of this year.

This compromise is not perfect, and it will not satisfy everyone concerned. It does, however, make significant and equitable changes to the statute that has well served Nevada homeowners and the homebuilding industry alike.

ASSEMBLYMAN HANSEN:

I rise in opposition to A.B. 401. The construction industry is the second biggest industry in this state. It currently suffers 80 percent unemployment, and the only thing that they asked us to fix this time was Chapter 40. My original bill, A.B. 285, was granted a hearing but was never brought up for a vote, and that is the one that they have been pushing for. Assembly Bill 401 has been actively opposed by the construction industry in every single one of the hearings that we have held, including the ones today in the Senate and the one yesterday or the day before in Ways and Means.

The right to repair is an absolute fallacy. It is true that it is in the law, but it is never practiced. I gave a handout to all of my colleagues in which I showed a photograph, which is actually mailed by the trial lawyers to people living in housing tracts, describing examples of construction defects. One of them I was particularly intrigued by, and that is the plumbing spouts are not sealed. They actually will sue people like myself, a contractor, before they even grant us a right to repair it, and that is the whole crux of this issue. For a decade now, we have come to the Legislature—the second largest industry in the state—and we've been unable to get relief on this one simple issue, and that is summed up in one sentence. That is all the industry wanted the entire time that they have come down to all of the hearings. And everybody that has

been involved in those hearings knows that nobody from the construction industry has been in support of A.B. 401 during all these hearings.

The problem, as well, goes even further because we are actually retarding the development of housing projects in Nevada because every developer is afraid of being in one of these absolutely guaranteed class action lawsuits. Because of that, you have thousands of men that could be employed in this state being denied that opportunity because of this fear on the parts of the homebuilders in this state. I would also say that once your home has been involved in one of these class action lawsuits, its value goes down. Additionally, when you go to purchase a home in the first place, the costs are substantially higher because contractors like myself are forced to pay higher rates of liability insurance, which are indirect costs that are then passed on to the consumer. The idea that we are removing homeowners' rights is ridiculous. All we're asking for—which this bill, by the way, does not do—is simply the right to repair before they can file a lawsuit against you. We are all pulled into these class action lawsuits, and it is absolutely killing the small business construction owners in this state, and it is doing nobody any good except a handful of very specific trial lawyers who have literally made tens of millions, if not hundreds of millions, of dollars off of these class action lawsuits that have been going on for the past decade.

So I rise in strong opposition to this bill, and I urge my colleagues to give very careful thought to this, because this is a huge one for our industry, and that's why we fought so hard for these things. And when I say "my industry," I mean all the small businessmen that are contractors, all the people that are involved in the building trades in this state, and even the homeowners themselves who end up having decreased values in their homes because of these class action lawsuits on entire housing tracts. We have asked for some reasonable things, and this bill simply does not do it. So please, I urge you to vote no on A.B. 401. Thank you.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 401. I have heard these same discussions and same arguments since 1999. The same comments that my colleague from Assembly District 32 just made, I heard in hearings in Commerce and Labor my first legislative session. That did not slow down what happened in Las Vegas for the following ten years. We had a boom; things grew, houses were built, folks had jobs. We heard it again in 2001. We heard it again in 2003. Some things were addressed. There was a stand down for one or two sessions, and now it's back again.

My first session in 1999, when we had this issue, it was S.B. 286. And there were people walking around in the hallways of this building with t-shirts on with S.B. 286 on the front with a big circle with a cross across it—no S.B. 286. We were trying to figure out what was the best thing to do for the people and for ourselves for our homes. I believe that in 1999 and the following years, we have addressed the individual problems that have arisen. Between the subcontractors and the general contractors, they make an agreement on how they deal with these types of things. If the subcontractors were truly serious about wanting to deal with being sucked into construction defect lawsuits, they could merely stand together and say to the generals, "If this happens, your attorney protects us. We don't have to go out and get an attorney." I agree. The landscaping guy shouldn't get sucked in on a roofing issue, and the guy that lays the concrete shouldn't be sucked in on an electrical issue. But that's not up to you or I to figure out. That's up to the judge, the lawyers, and the contractors to agree upon how this is going to be dealt with in their contract. They had the opportunity to do it 1999 and every single year since then, but they have not done that. They want their protections in the statute. I can't do that because that would take away the protections of my constituents, so I stand in support of A.B. 401. It is not a perfect bill. There are some things in there that I'm not happy about. But the fact that I heard in testimony that the reason they didn't want this bill is so that they could come back and renegotiate again next session—this wasn't good enough for them—made me want to support it even more. Thank you very much, Madam Speaker pro Tempore.

ASSEMBLYMAN HICKEY:

I rise in opposition, with short remarks to A.B. 401. With regards to Chapter 40, as in medicine, sometimes the treatment or the remedy is worse than the original problem. With A.B. 401, this problem is being treated by a placebo. I urge my colleagues not to vote for this measure.

ASSEMBLYMAN CONKLIN:

For me, this bill is not about the construction of homes today. Part of the reason for that is because there are 35,000-plus excess homes on the market for sale. Constructors are not building because there isn't demand for homes.

But instead, for me, I rise in support of this bill out of my desire to keep consumers whole. I would remind the body of the following quote from Adam Smith: "Consumption is the soul end and purpose of all production; and the interest of the producer ought to be attended to, only so far as it may be necessary for promoting that of the consumer." This is a consumer protection bill. That is what we are taking about—making homeowners protected. Thank you.

ASSEMBLYMAN SHERWOOD:

I rise in opposition to the latest remedy for Chapter 40. And for me, I guess I came to the Legislature and kind of was looking for justice for the folks who come up here. I am not a plumber or a subcontractor or anything like that, but I have met enough of these folks to know that this is not an esoteric argument. This is real. We talk about creating jobs, and we talk about lowering taxes and repealing Chapter 40—and I will agree we were a very fast-growing state, specifically in Las Vegas, several years ago. That is not the case now.

I've got something on a plumbing company down in Las Vegas. Many of you will know these folks—Cox & Sons Plumbing. It was started in 1965 by Ken Cox. The dad retired and handed it over to his sons, Ken and Orlando. They employed 100 people. They filed dissolution papers in 2009, and not because of lack of demand, although, yes, we are not building as much as we were building. They would still be in business today, but they were literally put out of business because they couldn't pay for the insurance on the massive lawsuits—the "CD lawsuits," they call them.

So this is not about taking away consumers rights to a remedy for a problem. There is a remedy. If you have a problem with your home and a contractor did you wrong, there is still a remedy, even without Chapter 40. So in my mind, it is heartbreaking to see these businesses that have been in our state for years, have employed dozens, if not hundreds, of people. This makes the trough deeper; this makes it harder to come out when we have things like this. So I am disappointed that we were unable to have an honest and open and adult conversation about this when we came here, and we have to wait until 36 hours until we adjourn to pat ourselves on the back and say we did something. Thank you.

ASSEMBLYMAN BROOKS:

I rise in support of Assembly Bill 401. I just want to remind everybody what our responsibility is when we come here. We have a responsibility to protect the people that brought us here and to protect the citizens of Nevada. When you talk about construction defects and you talk about our party reaching across the table, we have made a very sincere effort to try to support the issues that my colleagues have. But let us not forget that when we talk about construction defects, we talk about latent defects, and a latent defect is one that a property owner does not know about and would not be expected to discover through the exercise of reasonable care. Construction defect claims have risen over the years, and yes, there was a boom. There was a time when subcontractors and contractors had a chance to enjoy the spoils. We are in a new day, and we have some things that are going on in these homes. I have personally been a victim of a home with a constructional defect. I can tell you it wasn't those nice little pictures that my colleague showed me; they were serious issues with my home—cracks in my windows,

stains on my ceiling, things that I would have never been able to challenge had I not had an opportunity for someone to bring this to my attention and to fight for me in court.

We are here because we believe in freedom and we believe in justice. We cannot do away with Chapter 40 because it would take away the rights of our citizens, and we are here to protect those rights. Thank you, Madam pro Tempore.

ASSEMBLYMAN HARDY:

Thank you, Madam pro Tempore. I rise in opposition to this bill. This bill, as well as it might like to be an improvement on the construction defects, does nothing and it will do nothing. What has happened in the past is not necessarily the fault of the construction people, in many cases. Every subcontractor gets dragged into a home defect, myself included. I don't do homes. I am a site contractor that does concrete, paving, and other things out on the site and the streets and the underground utilities. I get dragged in because I show up on the site, and in most of the cases, it is because of a maintenance problem. It is not a stucco problem if somebody has got their water running on their house or leaves their water running for hours underneath their house and washes their footings away. It is not a contractor problem if they don't maintain their asphalt and keep it slurried to where it is supposed to not crack. It is not a contractor's problem if a homeowner does not clean the dirt from within the cracks of their concrete out in the exterior of their yard to keep it, during those hot and cold moments, from raising concrete or cracking in unusual spots. We, as contractors, have been nailed from every side, and 70 percent of the money never goes to the homeowner. It goes to the lawyers in this defect. Time and time again, I have had the same attorneys over and over in projects go from one home—subdivision—to the next one. Nine years and 364 days later, you get a lawsuit. Most of those cases, they can't even identify what is my responsibility, but I get dragged in, and my insurance company is afraid to back out of it or settle because they don't know what is going to come down the road. If the judge settles one dollar in favor of the homeowner, we have to pay all attorneys fees. One dollar—is that a fair prospect? I don't think that is fair at all. So anyway, I rise in opposition to this. Thank you.

Mr. Speaker:

DEBBIE SMITH, *Chair*

GENERAL FILE AND THIRD READING

Assembly Bill No. 561.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 930.

AN ACT relating to governmental financial administration; delaying the commencement of certain transfers to the Fund to Stabilize the Operation of the State Government; ~~[revising the provisions governing the amount and use of certain reserve accounts for bond payments;]~~ revising the provisions governing the rate and calculation of the payroll tax imposed on certain businesses other than financial institutions; requiring the deposit of certain fees imposed on the short-term lease of passenger cars into the State General Fund; extending the prospective expiration of certain requirements regarding the **imposition and** advance payment of ~~[the tax imposed on the net proceeds of minerals; temporarily authorizing the securitization of the proceeds of the tax on insurance premiums;]~~ **certain taxes and fees; requiring the transfer of money from the Fund to Stabilize the Operation of the State Government to the State General Fund;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Fund to Stabilize the Operation of the State Government, also known as the Rainy Day Fund, is a special revenue fund into which surplus state revenues are deposited to be used in case of fiscal emergencies. Under existing law, the State Controller is required to transfer from the State General Fund to the Fund to Stabilize the Operation of the State Government at the beginning of each fiscal year that begins on or after July 1, 2011, 1 percent of the total anticipated revenue projected for that fiscal year by the Economic Forum in May of odd-numbered years, as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year. (NRS 353.288) **Sections 1 and 10** of this bill delay the commencement of those transfers until July 1, 2013.

~~[Under existing law, a school district that issues certain general obligation bonds is required to maintain a reserve account for the payment of those bonds which equals or exceeds the amount of the payments due on those bonds for the next fiscal year or 10 percent of the outstanding principal~~

~~amount of the bonds, whichever is less. Section 2 of this bill reduces the amount required to be maintained in such a reserve account by 75 percent for school districts in counties whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) and by 90 percent for school districts in other counties. Section 14 of this bill requires the transfer of the resulting excess amount into the county school district fund and requires the allocation of that amount as local funds available for the next 2 fiscal years for the purpose of determining the pertinent apportionments from the State Distributive School Account in the State General Fund.~~**]** **Section 16 of this bill requires the State Controller to transfer a sum of money from the Fund to Stabilize the Operation of the State Government to the State General Fund.**

Existing law imposes an excise tax on certain businesses other than financial institutions at the rate of 0.5 percent of the total wages paid by the business each calendar quarter that do not exceed $62,500 and 1.17 percent of those wages paid in excess of $62,500. (NRS 363B.110) On July 1, 2011, this rate is scheduled to change to 0.63 percent of the total wages paid by the business each calendar quarter. (Chapter 395, Statutes of Nevada 2009, pp. 2190, 2199) **Section 4** of this bill revises that rate change **until June 30, 2013,** to impose **[**~~the tax at the rate of 0.5 percent of the total~~**]** **no tax on the** wages paid by the business each calendar quarter that do not exceed $62,500 and **[**~~0.63~~**]** **to impose the tax at the rate of 1.17** percent of **[**~~those~~**]** **the total** wages paid **by the business each calendar quarter** in excess of $62,500. **[**~~Section 3 of this bill revises the method for determining the amount of the tax due from a company that leases employees to client companies, by requiring separate calculations of the tax for the wages paid to employees leased to each separate client company.~~**]**

Under existing law, a short-term lessor of passenger cars is required to collect from its customers a governmental services fee of 10 percent of the adjusted total amount of each lease, and to remit the fee to the Department of Taxation. Of the amount remitted to the Department, 90 percent must be deposited in the State General Fund and 10 percent must be deposited in the State Highway Fund. (NRS 482.313) **Section 6** of this bill instead requires the deposit of all of that amount into the State General Fund.

Existing law requires, until June 30, 2011, the advance payment of the tax on the net proceeds of minerals based upon the estimated net proceeds and royalties of a mining operation for the current calendar year. (Chapter 4, Statutes of Nevada 2008, 25th Special Session, pp. 15-18, 23) **Sections 7, 8, 9 and 11** of this bill delay the expiration of this requirement for advance payment until June 30, 2013.

~~[Section 12 of this bill authorizes the State Treasurer to securitize a portion of the proceeds of the tax on insurance premiums for the next 10 fiscal years.]~~

Existing law imposes an annual fee of $200 for a state business license. (NRS 76.100, 76.130) On July 1, 2011, this fee is scheduled to change to $100. (Chapter 429, Statutes of Nevada 2009, pp. 2408-10) Section 10.3 of this bill delays this change until July 1, 2013.

Existing law requires, until June 30, 2011, an increase in the rate of the Local School Support Tax of 0.35 percent. (Chapter 395, Statutes of Nevada 2009, pp. 2191, 2199) Section 10.7 of this bill delays the expiration of this increase until June 30, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 353.288 is hereby amended to read as follows:

353.288 1. The Fund to Stabilize the Operation of the State Government is hereby created as a special revenue fund. Except as otherwise provided in subsections 3 and 4, each year after the close of the previous fiscal year and before the issuance of the State Controller's annual report, the State Controller shall transfer from the State General Fund to the Fund to Stabilize the Operation of the State Government:

(a) Forty percent of the unrestricted balance of the State General Fund, as of the close of the previous fiscal year, which remains after subtracting an amount equal to 7 percent of all appropriations made from the State General Fund during that previous fiscal year for the operation of all departments, institutions and agencies of State Government and for the funding of schools; and

(b) Commencing with the fiscal year that begins on July 1, ~~[2011,]~~ ***2013,*** 1 percent of the total anticipated revenue for the fiscal year in which the transfer will be made, as projected by the Economic Forum for that fiscal year pursuant to paragraph (e) of subsection 1 of NRS 353.228 and as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year.

2. Money transferred pursuant to subsection 1 to the Fund to Stabilize the Operation of the State Government is a continuing appropriation solely for the purpose of authorizing the expenditure of the transferred money for the purposes set forth in this section.

3. The balance in the Fund to Stabilize the Operation of the State Government, excluding the aggregate balance in the Disaster Relief Account and the Emergency Assistance Subaccount, must not exceed 20 percent of the total of all appropriations from the State General Fund for the operation of all departments, institutions and agencies of the State Government and for

the funding of schools and authorized expenditures from the State General Fund for the regulation of gaming for the fiscal year in which that revenue will be transferred to the Fund to Stabilize the Operation of the State Government.

4. Except as otherwise provided in this subsection and NRS 353.2735, beginning with the fiscal year that begins on July 1, 2003, the State Controller shall, at the end of each quarter of a fiscal year, transfer from the State General Fund to the Disaster Relief Account created pursuant to NRS 353.2735 an amount equal to not more than 10 percent of the aggregate balance in the Fund to Stabilize the Operation of the State Government during the previous quarter, excluding the aggregate balance in the Disaster Relief Account and the Emergency Assistance Subaccount created pursuant to NRS 414.135. The State Controller shall not transfer more than $500,000 for any quarter pursuant to this subsection.

5. The Chief of the Budget Division of the Department of Administration may submit a request to the State Board of Examiners to transfer money from the Fund to Stabilize the Operation of the State Government to the State General Fund:

(a) If the total actual revenue of the State falls short by 5 percent or more of the total anticipated revenue for the biennium in which the transfer will be made, as determined by the Legislature, or the Interim Finance Committee if the Legislature is not in session; or

(b) If the Legislature, or the Interim Finance Committee if the Legislature is not in session, and the Governor declare that a fiscal emergency exists.

6. The State Board of Examiners shall consider a request made pursuant to subsection 5 and shall, if it finds that a transfer should be made, recommend the amount of the transfer to the Interim Finance Committee for its independent evaluation and action. The Interim Finance Committee is not bound to follow the recommendation of the State Board of Examiners.

7. If the Interim Finance Committee finds that a transfer recommended by the State Board of Examiners should and may lawfully be made, the Committee shall by resolution establish the amount and direct the State Controller to transfer that amount to the State General Fund. The State Controller shall thereupon make the transfer.

8. In addition to the manner of allocation authorized pursuant to subsections 5, 6 and 7, the money in the Fund to Stabilize the Operation of the State Government may be allocated directly by the Legislature to be used for any other purpose.

Sec. 2. ~~[NRS 350.020 is hereby amended to read as follows:~~

~~350.020 1. Except as otherwise provided by subsections 3 and 4, if a municipality proposes to issue or incur general obligations, the proposal must~~

be submitted to the electors of the municipality at a special election called for that purpose or the next general municipal election or general state election.

2. Such a special election may be held:

(a) At any time, including, without limitation, on the date of a primary municipal election or a primary state election, if the governing body of the municipality determines, by a unanimous vote, that an emergency exists; or

(b) On the first Tuesday after the first Monday in June of an odd-numbered year.

The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud or a gross abuse of discretion. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this subsection, "emergency" means any occurrence or combination of occurrences which requires immediate action by the governing body of the municipality to prevent or mitigate a substantial financial loss to the municipality or to enable the governing body to provide an essential service to the residents of the municipality.

3. If payment of a general obligation of the municipality is additionally secured by a pledge of gross or net revenue of a project to be financed by its issue, and the governing body determines, by an affirmative vote of two-thirds of the members elected to the governing body, that the pledged revenue will at least equal the amount required in each year for the payment of interest and principal, without regard to any option reserved by the municipality for early redemption, the municipality may, after a public hearing, incur this general obligation without an election unless, within 90 days after publication of a resolution of intent to issue the bonds, a petition is presented to the governing body signed by not less than 5 percent of the registered voters of the municipality. Any member elected to the governing body whose authority to vote is limited by charter, statute or otherwise may vote on the determination required to be made by the governing body pursuant to this subsection. The determination by the governing body becomes conclusive on the last day for filing the petition. For the purpose of this subsection, the number of registered voters must be determined as of the close of registration for the last preceding general election. The resolution of intent need not be published in full, but the publication must include the amount of the obligation and the purpose for which it is to be incurred. Notice of the public hearing must be published at least 10 days before the day of the hearing. The publications must be made once in a newspaper of general circulation in the municipality. When published, the notice of the public hearing must be at least as large as 5 inches high by 4 inches wide.

4. The board of trustees of a school district may issue general obligation bonds which are not expected to result in an increase in the existing property

~~tax levy for the payment of bonds of the school district without holding an election for each issuance of the bonds if the qualified electors approve a question submitted by the board of trustees that authorizes issuance of bonds for a period of 10 years after the date of approval by the voters. If the question is approved, the board of trustees of the school district may issue the bonds for a period of 10 years after the date of approval by the voters, after obtaining the approval of the debt management commission in the county in which the school district is located and, in a county whose population is 100,000 or more, the approval of the oversight panel for school facilities established pursuant to NRS 393.092 in that county, if the board of trustees of the school district finds that the existing tax for debt service will at least equal the amount required to pay the principal and interest on the outstanding general obligations of the school district and the general obligations proposed to be issued. The finding made by the board of trustees is conclusive in the absence of fraud or gross abuse of discretion. As used in this subsection, "general obligations" does not include medium-term obligations issued pursuant to NRS 350.087 to 350.095, inclusive.~~

~~5. At the time of issuance of bonds authorized pursuant to subsection 4, the board of trustees shall establish a reserve account in its debt service fund for payment of the outstanding bonds of the school district.~~ **[**The**]** ***In a county whose population:***

~~***(a) Is less than 100,000, the***~~ reserve account must be established and ~~maintained in an amount at least equal to the lesser of~~ ***25 percent of*** ~~the amount of principal and interest payments due on all of the outstanding bonds of the school district in the next fiscal year or~~ **[**10**]** ***2.5*** ~~percent of the outstanding principal amount of the outstanding bonds of the school district.~~

~~***(b) Is 100,000 or more, the reserve account must be established and maintained in an amount at least equal to the lesser of 10 percent of the amount of principal and interest payments due on all of the outstanding bonds of the school district in the next fiscal year or 1 percent of the outstanding principal amount of the outstanding bonds of the school district.***~~

~~***6.*** If the amount in the reserve account ***required by subsection 5*** falls ~~below the amount required by~~ **[**this**]** ***that*** ~~subsection:~~

~~(a) The board of trustees shall not issue additional bonds pursuant to subsection 4 until the reserve account is restored to the level required by this subsection; and~~

~~(b) The board of trustees shall apply all of the taxes levied by the school district for payment of bonds of the school district that are not needed for payment of the principal and interest on bonds of the school district in the current fiscal year to restore the reserve account to the level required pursuant to this subsection.~~

~~[6.] 7. A question presented to the voters pursuant to subsection 4 may authorize all or a portion of the revenue generated by the debt rate which is in excess of the amount required:~~

~~(a) For debt service in the current fiscal year;~~

~~(b) For other purposes related to the bonds by the instrument pursuant to which the bonds were issued; and~~

~~(c) To maintain the reserve account required pursuant to subsection 5,~~

~~* to be transferred to the county school district's fund for capital projects established pursuant to NRS 387.328 and used to pay the cost of capital projects which can lawfully be paid from that fund. Any such transfer must not limit the ability of the school district to issue bonds during the period of voter authorization if the findings and approvals required by subsection 4 are obtained.~~

~~[7.] 8. A municipality may issue special or medium-term obligations without an election.]~~ **(Deleted by amendment.)**

Sec. 3. ~~[Chapter 363B of NRS is hereby amended by adding thereto a new section to read as follows:~~

The Nevada Tax Commission shall adopt such regulations as may be necessary to carry out the provisions of this section, including, without limitation, regulations establishing a formula for the appropriate apportionment by an employee leasing company of any deductions authorized by NRS 363B.115 from the total amount of wages reported by the employee leasing company.*~~

2. The tax imposed by this section:

(b) Must not be deducted, in whole or in part, from any wages of persons in the employment of the employer.

3. Each employer shall, on or before the last day of the month immediately following each calendar quarter for which the employer is required to pay a contribution pursuant to NRS 612.535:

(a) File with the Department a return on a form prescribed by the Department; and

(b) Remit to the Department any tax due pursuant to this chapter for that calendar quarter.

Sec. 4.5. **NRS 363B.115 is hereby amended to read as follows:**

363B.115 1. Except as otherwise provided in subsection 2, an employer may deduct from the total amount of wages reported ~~[and upon which]~~ ***for the purpose of calculating the amount of*** the excise tax ~~[is imposed]~~ ***required to be paid*** pursuant to NRS 363B.110 any amount authorized pursuant to this section that is paid by the employer for health insurance or a health benefit plan for its employees in the calendar quarter for which the tax is paid. The amounts for which the deduction is allowed include:

(a) For a self-insured employer, all amounts paid during the calendar quarter for claims, direct administrative services costs, including such services provided by the employer, and any premiums paid for individual or aggregate stop-loss insurance coverage. An employer is not authorized to deduct the costs of a program of self-insurance unless the program is a qualified employee welfare benefit plan pursuant to the Employee Retirement Income Security Act of 1974, 29 U.S.C. §§ 1001 et seq.

(b) The premiums for a policy of health insurance or reinsurance for a health benefit plan for employees.

(b) ~~[Any payments]~~ ***Payments*** made by employees for health care or health insurance or amounts deducted from the wages of employees for such health care or insurance.

3. If the amount of the deduction allowed pursuant to this section to an employer for a calendar quarter exceeds the amount of reported wages for that calendar quarter, the excess amount of that deduction may be carried forward to the following calendar quarter until the deduction is exhausted. An employer claiming the deduction allowed pursuant to this section shall, upon the request of the Department, explain the amount claimed to the satisfaction of the Department and provide the Department with such documentation as the Department deems appropriate for that purpose.

4. As used in this section:

(a) "Claims" means claims for those categories of health care expenses that are generally deductible by employees on their individual federal income tax returns pursuant to the provisions of 26 U.S.C. § 213 and any federal regulations relating thereto, if those expenses had been borne directly by those employees.

(b) "Direct administrative services costs" means, if borne directly by a self-insured employer and reasonably allocated to the direct administration of claims:

(3) Rent and utility payments for the maintenance of medical or office space used for the provision of medical care or the direct administration of claims;

(4) Payments for the maintenance, repair and upkeep of medical or office space used for the provision of medical care or the direct administration of claims;

(e) "Health benefit plan" means a health benefit plan that covers only those categories of health care expenses that are generally deductible by employees on their individual federal income tax returns pursuant to the provisions of 26 U.S.C. § 213 and any federal regulations relating thereto, if those expenses had been borne directly by those employees.

(f) "Self-insured employer" means an employer that provides a program of self-insurance for its employees.

Sec. 5. NRS 408.235 is hereby amended to read as follows:

408.235 1. There is hereby created the State Highway Fund.

2. Except as otherwise provided by a specific statute, the proceeds from the imposition of any:

(a) License or registration fee and other charges with respect to the operation of any motor vehicle upon any public highway, city, town or county road, street, alley or highway in this State; and

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 307.

The following Senate amendment was read:

Amendment No. 902.

AN ACT relating to governmental administration; requiring a person who files certain applications for an energy development project to file a notice concurrently with the Department of Wildlife; requiring the Department of Wildlife to adopt regulations for the provision of information relating to wildlife based on the location of an energy development project; ~~[authorizing a developer of an energy development project to request the Director of the~~

~~Office of Energy to coordinate certain discussions relating to an energy development project in certain circumstances;~~] creating the Energy Planning and Conservation Fund; requiring the Department of Wildlife to use money from the Energy Planning and Conservation Fund for certain wildlife activities; creating the Fund for the Recovery of Costs; requiring the Department of Wildlife to use money from the Fund for the Recovery of Costs solely to provide certain information relating to wildlife based on the location of an energy development project; **requiring the Director of the Office of Energy to coordinate certain discussions with interested parties relating to an energy development project in certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331) Existing law also creates the Office of Energy within the Office of the Governor to analyze, review and study the use of energy and availability of energy in this State, as well as to coordinate activities with other agencies to administer programs related to the use of renewable energy and to conserve or reduce the demand for energy. (NRS 701.150, 701.180) This bill requires the Department of Wildlife and the Office of Energy to cooperate in acting as a resource for the Federal Government, the Public Utilities Commission of Nevada, the counties of this State and the public by compiling and providing certain information relating to certain energy development projects.

Section 5 of this bill defines an "energy development project" as any project for the generation, transmission and development of energy, whether on public or private land. **Section 6** of this bill exempts from the provisions of this bill a project that has a generating capacity of less than 10 megawatts.

Section 7 of this bill requires any person who files an application with the Federal Government for a lease or easement for a right-of-way for an energy development project or an application with the Public Utilities Commission of Nevada or any county in this State relating to the construction of an energy development project to file a notice concurrently with the Department of Wildlife. The notice required by **section 7** must include a description of the location, boundaries and estimated infrastructure requirements for the project and a description of the project itself and an estimate of the energy output of the project. **Section 7** further requires the Department to provide a copy of the notice to the Office of Energy and requires the Department, in consultation with the Office of Energy, to adopt regulations to provide for making reasonable deposits and reimbursing the Department for providing information relating to wildlife or wildlife habitat based on the location of an energy development project**.** ~~[and to allow for developers to request the~~

~~Director of the Office of Energy to coordinate discussions with interested parties concerning the potential effects of energy development projects.]~~

Section 9 of this bill creates the Energy Planning and Conservation Fund and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department in accordance with the State Wildlife Action Plan for conducting surveys of wildlife, for mapping locations of wildlife and its habitat, for conservation projects for the habitat of wildlife impacted by energy development projects and to match any federal money for a project or program for the conservation of any species of wildlife which is of critical concern. **Section 9.5** of this bill creates the Fund for the Recovery of Costs and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department solely to provide to the Federal Government, the Public Utilities Commission of Nevada or any person with information relating to wildlife or wildlife habitat based on the location of an energy development project or to match any federal money for a project or program for the conservation of any species of wildlife.

Section 8 of this bill requires the Department of Wildlife to compile and maintain information on all energy development projects for which notice is filed pursuant to **section 7** and to prepare and submit a report detailing such projects to the Legislative Commission in even-numbered years and, in odd-numbered years, to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Section 11 of this bill expands the duties of the Director of the Office of Energy to include coordinating discussions with interested parties concerning the potential effects of energy development projects.

Conference Amendment No. CA5.

SUMMARY—Revises provisions governing ~~[credits for offenders sentenced for certain crimes.]~~ **criminal laws.** (BDR 16-634)

AN ACT relating to ~~[offenders;]~~ **criminal laws;** revising provisions governing credits for offenders sentenced for certain crimes; **revising provisions governing the sealing and removal of certain records;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that certain credits to the sentence of an offender convicted of certain category C, D or E felonies must be deducted from the minimum term imposed by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence, except in certain circumstances. (NRS 209.4465) ~~[This]~~ **Section 1 of this** bill adds to the exceptions that an offender who has been convicted of being a habitual criminal or a habitual felon may not have credits applied to both the minimum and maximum term imposed by the sentence. ~~[This bill]~~ **Section 1** further provides that an offender convicted of a category B felony also qualifies to have certain credits deducted from the minimum term imposed

by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence, except in certain circumstances.

Existing law authorizes a person arrested for alleged criminal conduct to petition for the sealing of all records relating to the arrest if the charges were dismissed or the person was acquitted of the charges. (NRS 179.255) Section 1.3 of this bill authorizes such a person to petition for the sealing of all records relating to an arrest if the prosecuting attorney declines to prosecute the charges.

Existing law also provides that a person arrested, or issued a citation or a warrant, for alleged criminal conduct may apply to the Central Repository for Nevada Records of Criminal History to remove the record of criminal history if the charge was dismissed, acquittal was entered or the disposition of the charge was favorable to the accused. (NRS 179A.160) Section 1.7 of this bill authorizes such a person to apply to have the record of criminal history removed if the prosecuting attorney declined to prosecute the charges.

Conference Amendment No. CA4.

AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the

renewal of a permit to carry a concealed firearm; revising provisions concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) **Section 2** of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the sheriff. **Section 2** also specifies that an investigation conducted by the sheriff for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System.

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) **Section 1** of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. **Section 3** of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.

Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance to prevent the occurrence of certain offenses. (NRS 202.280-202.290, 193.230-193.250)

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. **Section 5** also voids any regulation which conflicts with such laws.

Existing law requires an applicant for the issuance or renewal of a permit to carry a concealed firearm to pay: (1) a nonrefundable fee in a specific amount; and (2) a nonrefundable fee in the amount necessary to obtain certain reports concerning the criminal history of the applicant. (NRS 202.3657, 202.3677) Sections 1 and 4 of this bill provide that the fee to obtain the reports concerning the applicant's criminal history must be equal to the rate charged by the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation to obtain such reports for a person who is not a volunteer.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.3657 is hereby amended to read as follows:

A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.

5. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. Section 1.7 also provides that all slot machine wagering vouchers that are presumed abandoned must be reported to and escheat to the State on a quarterly basis, and that the State of Nevada may retain 75 percent of the value of any such slot machine wagering voucher and the gaming establishment which issued the slot machine wagering voucher may retain 25 percent of the value of the slot machine wagering voucher.~~

~~Section 6 of this]~~ **This** bill requires the **Nevada Gaming** Commission to adopt regulations that prescribe the procedures which ~~[gaming]~~ **nonrestricted** licensees must follow regarding the retention and tracking of slot machine wagering vouchers and the payment of the respective percentage of the value of such ~~[unredeemed]~~ **expired** slot machine wagering vouchers to this State and to gaming establishments.

3. Each nonrestricted licensee shall, for the previous calendar quarter, report to the Commission on or before the 24th day of the month following that calendar quarter any slot machine wagering voucher that expires pursuant to this section. The licensee shall remit to the Commission with each report payment equal to 75 percent of the value of the expired slot machine wagering vouchers included on the report.

4. The Commission shall pay over all money collected pursuant to this section to the State Treasurer to be deposited for credit to the State General Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 4 of this bill and replace with the following new sections 1 through 4:

Section 1. **The Legislature hereby finds and declares:**

1. It is the mission of the Public Employees' Retirement System as declared in NRS 286.015 to provide:

(a) A reasonable base income to qualified employees who have been employed by a public employer and whose earning capacity has been removed or has been substantially reduced by age or disability.

(b) An orderly method of promoting and maintaining a high level of service to the public through an equitable separation procedure, which is available to employees at retirement or upon becoming disabled.

(c) A system which will make government employment attractive to qualified employees in various categories of service and which will encourage these employees to remain in government service for such periods of time as to give the public employer full benefit of the training and experience gained by these employees while employed by public employers.

2. The Public Employees' Retirement System is a defined benefit pension plan that covers all eligible public employees in this State in lieu of coverage under the federal Social Security Act.

3. The short-term volatility in the investment markets has caused an increase in the costs to public employers and public employees for contributions to the Public Employees' Retirement System to retire the

unfunded liability of the System in compliance with the requirements prescribed by the Governmental Accounting Standards Board. Such increased costs could also result from losses in the System's holdings caused by fraud or misrepresentation in the investment markets.

4. Many different approaches to workforce incentives, including retirement and disability benefits, have evolved in the public and private sectors and warrant study to ensure that this State provides the most appropriate retirement benefits for its public workforce, as part of the overall human resources policy of this State.

5. Because of the long-term financial and policy impacts of any changes to retirement and disability benefits provided by the Public Employees' Retirement System, careful and thorough consideration of the alternatives is required.

6. Section 2 of Article 9 of the Nevada Constitution requires that any changes proposed to the retirement and disability benefits provided by the Public Employees' Retirement System be based upon actuarial assumptions recommended by the independent actuary employed by the Public Employees' Retirement Board to ensure the insulation of the retirement future of the public workforce of this State from any political pressures.

Sec. 2. **1. The Interim Retirement and Benefits Committee of the Legislature created by NRS 218E.420 shall conduct a study of the retirement and disability benefits for public employees in this State.**

2. The study conducted pursuant to subsection 1 must include:

(a) An analysis of alternatives to the existing retirement plan, including, without limitation, consideration of other models of retirement plans, such as defined benefit plans, defined contribution plans, cash balance plans and hybrid retirement plans, and retirement and disability benefits under the federal Social Security Act. Such analysis must address the implications of implementing each alternative, including, without limitation:

(1) A comparison of the design, costs, portability and income security of each alternative; and

(2) The actuarial, financial, workforce and public policy impacts of each alternative on current and future public employers, current and future public employees and beneficiaries in the Public Employees' Retirement System.

(b) An analysis of the measures implemented by the Public Employees' Retirement Board to monitor losses caused by fraud or misrepresentation in the investment markets and to institute legal action to recover such losses.

3. The Public Employees' Retirement Board shall provide such assistance to the Interim Retirement and Benefits Committee of the Legislature as requested by the Committee, including, without limitation, the assistance of the independent actuary employed by the Board to make the necessary actuarial assumptions.

4. On or before October 1, 2012, the Interim Retirement and Benefits Committee of the Legislature shall submit a report of the results of the study conducted pursuant to subsection 1 to the Legislative Commission.

5. On or before December 31, 2012, the Legislative Commission shall submit the report of the results of the study and any recommendations for legislation to the 77th Session of the Nevada Legislature.

Sec. 3. **1. There is hereby appropriated from the State General Fund to the Legislative Fund the sum of $250,000 to conduct the study required pursuant to section 2 of this act.**

2. The money appropriated by subsection 1 may be used only if matching money is received in the Legislative Fund for the study from sources other than the appropriation made by subsection 1, including, without limitation, gifts, grants and donations.

3. The State Controller shall not distribute any money from the appropriation made pursuant to subsection 1 until the matching money required by subsection 2 has been committed for the study.

4. Any remaining balance of the appropriation made by subsection 1 to the Legislative Fund must not be committed for expenditure after June 30, 2013, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2013, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2013.

Amendment No. 918.

SUMMARY—Makes ~~[an appropriation to the Interim Finance Committee for allocation to the State Treasurer for interest payments due the Federal Government for the loan that was made available to the State upon depletion of Nevada's Unemployment Compensation Fund.]~~ **various changes relating to unemployment compensation.** (BDR ~~[S-1245)]~~ **53-1245)**

AN ACT **relating to unemployment compensation; revising provisions relating to extended unemployment compensation;** making ~~[an appropriation]~~ **appropriations** to the Interim Finance Committee for allocation to the State Treasurer for interest payments due the Federal Government for the loan that was made available to the State upon depletion of Nevada's Unemployment Compensation Fund; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

An amendment to federal law provides an alternative method for determining eligibility for extended unemployment compensation. To qualify, certain provisions must be included in state law. (Section 502 of Pub. L. No. 111-312) Sections 1 and 2 of this bill revise provisions to correspond to the change to the federal law, allowing the Employment Security Division of the Department of Employment, Training and Rehabilitation to provide extended unemployment benefits for a longer period. Section 6 of this bill provides that the amendatory provisions of sections 1 and 2 expire upon expiration of the changes to federal law. Sections 3 and 4 of this bill make appropriations to the Interim Finance Committee for interest payments due the Federal Government for a loan made available to the State upon depletion of Nevada's Unemployment Compensation Fund. Section 5 of this bill provides that, if the Federal Government does not require interest payments in the full amount of the appropriations provided in sections 3 and 4, the Interim Finance Committee may allocate the money for a different purpose under the requirements for allocation from the Contingency Fund. (NRS 353.268, 353.269)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 612.377 is hereby amended to read as follows:**

612.377 As used in NRS 612.377 to 612.3786, inclusive, unless the context clearly requires otherwise:

1. "Extended benefit period" means a period which begins with the third week after a week for which there is a Nevada "on" indicator and ends with the third week after the first week for which there is a Nevada "off" indicator or the 13th consecutive week after it began, except that no extended benefit period may begin by reason of a Nevada "on" indicator before the 14th week

following the end of a prior extended benefit period which was in effect for Nevada.

2. There is a "Nevada 'on' indicator" for a week if the Administrator determines, in accordance with the regulations of the Secretary of Labor, that:

(a) For the period consisting of that week and the immediately preceding 12 weeks, the rate of insured unemployment in Nevada (not seasonally adjusted) under NRS 612.377 to 612.3786, inclusive:

(1) Equaled or exceeded 120 percent of the average of those rates for the corresponding 13-week period ending in each of the preceding 2 calendar years and equaled or exceeded 5 percent; or

(2) Equaled or exceeded 6 percent; or

(b) For weeks of unemployment beginning on or after February 1, 2009, and ending on or before December 12, 2009, or the week ending ~~[3]~~ ***4*** weeks before the last week for which federal sharing is authorized by section 2005(a) of Public Law No. 111-5, whichever is later, the average rate of total seasonally adjusted unemployment in Nevada, as determined by the Secretary of Labor, for the period consisting of the most recent 3 months for which data for all states are published before the close of such week:

(1) Equaled or exceeded 6.5 percent; and

(2) Equaled or exceeded 110 percent of the average rate for the corresponding 3-month period ending in either of the ~~[2]~~ ***3*** preceding calendar years.

3. There is a "Nevada 'off' indicator" for a week if the Administrator determines, in accordance with the regulations of the Secretary of Labor, that for the period consisting of that week and the immediately preceding 12 weeks, the rate of insured unemployment in Nevada (not seasonally adjusted):

(a) Was less than 120 percent of the average of those rates for the corresponding 13-week period ending in each of the preceding 2 calendar years; or

(b) Was less than 5 percent.

4. "Rate of insured unemployment," for purposes of subsections 2 and 3, means the percentage derived by dividing the average weekly number of persons filing claims in this State for the weeks of unemployment for the most recent period of 13 consecutive weeks, as determined by the Administrator on the basis of the Administrator's reports to the Secretary of Labor using the average monthly employment covered under this chapter as determined by the Administrator and recorded in the records of the Division for the first four of the most recent six completed calendar quarters ending before the end of the 13-week period.

5. "Regular benefits" means benefits payable to a person under this chapter or under any other state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. §§ 8501 et seq.) other than extended benefits.

6. "Extended benefits" means benefits (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. §§ 8501 et seq.) payable to a person under the provisions of NRS 612.377 to 612.3786, inclusive, for the weeks of unemployment in the person's eligibility period.

7. "Additional benefits" means benefits payable to exhaustees by reason of conditions of high unemployment or by reason of other special factors under the provisions of any state law. Any person who is entitled to both additional and extended benefits for the same week must be given the choice of electing which type of benefit to claim regardless of whether his or her rights to additional and extended benefits arise under the law of the same state or different states.

8. "Eligibility period" of a person means the period consisting of the weeks in the person's benefit year under this chapter which begin in an extended benefit period and, if that benefit year ends within the extended benefit period, any weeks thereafter which begin in that period.

9. "Exhaustee" means a person who, with respect to any week of unemployment in the person's eligibility period:

(a) Has received, before that week, all of the regular, seasonal or nonseasonal benefits that were available to him or her under this chapter or any other state law (including augmented weekly benefits for dependents and benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. §§ 8501 et seq.) in the person's current benefit year which includes that week, except that, for the purposes of this paragraph, a person shall be deemed to have received all of the regular benefits that were available to him or her, although as a result of a pending appeal with respect to wages that were not considered in the original monetary determination in that benefit year, the person may subsequently be determined to be entitled to added regular benefits; or

(b) His or her benefit year having expired before that week, has no, or insufficient, wages on the basis of which the person could establish a new benefit year which would include that week,

➥ and has no right to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, 45 U.S.C. §§ 351 et seq., the Trade Expansion Act of 1962, 19 U.S.C. §§ 1801 et seq., the Automotive Products Trade Act of 1965, 19 U.S.C. §§ 2001 et seq. and such other federal laws as are specified in regulations issued by the Secretary of Labor, and has not received and is not seeking unemployment benefits under

the unemployment compensation law of Canada. If the person is seeking such benefits and the appropriate agency finally determines that the person is not entitled to benefits under that law the person is considered an exhaustee.

10. "State law" means the unemployment insurance law of any state, approved by the Secretary of Labor under Section 3304 of the Internal Revenue Code of 1954.

Sec. 2. **NRS 612.378 is hereby amended to read as follows:**

612.378 1. Except as otherwise provided in subsection 2, the total extended benefit amount payable to any eligible person for the person's applicable benefit year is the lesser of the following amounts:

(a) Fifty percent of the basic benefits which were payable to him or her in the benefit year. If the amount computed is not a multiple of $1, it must be computed to the next lower multiple of $1.

(b) Thirteen times the person's average weekly benefit amount which was payable to him or her under this chapter for a week of total unemployment in the applicable benefit year. If the amount computed is not a multiple of $1, it must be computed to the next lower multiple of $1.

2. In weeks beginning in a high unemployment period on or after February 1, 2009, and ending on or before December 12, 2009, or the week ending ~~[3]~~ ***4*** weeks before the last week for which federal sharing is authorized by section 2005(a) of Public Law No. 111-5, whichever is later, the total extended benefit amount payable to any eligible person for the person's applicable benefit year is the lesser of the following amounts:

(a) Eighty percent of the basic benefits which were payable to him or her in the benefit year. If the amount computed is not a multiple of $1, it must be computed to the next lower multiple of $1.

(b) Twenty times the person's average weekly benefit amount which was payable to him or her under this chapter for a week of total unemployment in the applicable benefit year. If the amount computed is not a multiple of $1, it must be computed to the next lower multiple of $1.

3. If the benefit year of any person ends within an extended benefit period, the remaining balance of extended benefits that the person would, but for this subsection, be entitled to receive in that period, with respect to weeks of unemployment beginning after the end of the benefit year, must be reduced by the product of the number of weeks for which the person received any amounts as trade readjustment allowances pursuant to 19 U.S.C. § 2291 within that benefit year, multiplied by the weekly benefit amount of extended benefits, but the balance must not be reduced below zero.

4. As used in this section, "high unemployment period" means any period during which the average rate of total seasonally adjusted unemployment in Nevada, as determined by the Secretary of Labor, for the

period consisting of the most recent 3 months for which data for all states are published before the close of such week:

(a) Equaled or exceeded 8 percent; and

(b) Equaled or exceeded 110 percent of the average rate for the corresponding 3-month period ending in either of the ~~[2]~~ ***3*** preceding calendar years.

~~[Section 1.]~~ ***Sec. 3.*** **1.** There is hereby appropriated from the State General Fund to the Interim Finance Committee the sum of ~~[$66,355,000]~~ **$23,900,000** for allocation to the State Treasurer for interest payments due the Federal Government for the loan that was made available to the State upon depletion of Nevada's Unemployment Compensation Fund.

2. Any remaining balance of the appropriation made by subsection 1 must not be committed for expenditure after June 30, 2013, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2013, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2013.

~~[Sec. 2.]~~ ***Sec. 4.*** **1. There is hereby appropriated from the State General Fund to the Interim Finance Committee the sum of $40,100,000 for allocation to the State Treasurer for interest payments due the Federal Government for the loan that was made available to the State upon depletion of Nevada's Unemployment Compensation Fund.**

2. Any remaining balance of the appropriation made by ~~[section]~~ **subsection** 1 ~~[of this act]~~ must not be committed for expenditure after June 30, 2013, by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money remaining must not be spent for any purpose after September 20, 2013, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 20, 2013.

Sec. 5. **The sums appropriated by sections 3 and 4 of this act may be allocated for a purpose other than the purpose described in those sections if the Interim Finance Committee determines that the Federal Government will not require the payment of interest in the amounts appropriated by those sections. Any allocation made pursuant to this section must be recommended by the State Board of Examiners pursuant to NRS 353.268 and approved by the Interim Finance Committee pursuant to NRS 353.269.**

~~[Sec. 3.]~~ ***Sec. 6.*** **1.** This ~~[act becomes effective on July 1, 2011.]~~ **section and sections 3 and 5 of this act become effective upon passage and approval.**

2. Section 4 of this act becomes effective on July 1, 2012.

3. Sections 1 and 2 of this act become effective upon passage and approval and expire by limitation on:

(a) December 31, 2011; or

(b) The earlier of the date of the expiration of section 502 of Public Law No. 111-312 or the date that federal sharing is no longer authorized pursuant to section 2005(a) of Public Law No. 111-5,

➥ whichever is later.

Bill read third time.

The following amendment was proposed by the Committee on Education:

Amendment No. 947.

AN ACT relating to education; revising provisions relating to sponsorship of charter schools; creating the State Public Charter School Authority; prescribing the membership, duties and powers of the State Public Charter School Authority; imposing certain restrictions on contracts between a charter school or proposed charter school and a contractor or educational management organization; repealing the Subcommittee on Charter Schools of the State Board of Education; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the formation of charter schools and authorizes school districts, the State Board of Education and colleges and universities within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.500-386.610) **Sections 25-35.5** of this bill create the State Public Charter School Authority and prescribe the membership of the State Public Charter School Authority. **Section 38** of this bill removes the authority of the State Board of Education to sponsor charter schools and authorizes the State Public Charter School Authority to sponsor charter schools. **Section 2** of this bill transfers the duty to prepare an annual report of accountability information of each charter school in this State from the board of trustees of a school district to the sponsor of that charter school. ~~[Sections 59 and 60]~~ **Section 59** of this bill ~~[require]~~ **provides for the appointment of** the Director of the State Public Charter School Authority ~~[and other persons employed by the State Public Charter School Authority to be appointed or hired, as appropriate.]~~ **Section 60 of this bill provides for the transfer of certain personnel positions from the Department of Education to the State Public Charter School Authority.** **Section 61** of this bill requires the members of the State Public Charter School Authority to be appointed. **Section 64** of this bill transfers the sponsorship of all charter schools sponsored by the State Board of Education to the State Public Charter School Authority.

Existing administrative regulations of the Department of Education set forth certain restrictions on contracts and proposed contracts between a charter school or proposed charter school and a contractor or an educational management organization. (NAC 386.403) **Section 35.7** of this bill codifies

into statute the provisions of this regulation. **Section 35.7** also defines educational management organization for purposes of that section.

Section 57 of this bill repeals the Subcommittee on Charter Schools of the State Board of Education.

(a) That institution shall be deemed the sponsor of the charter school.

(b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.

5. If the proposed amendment complies with the provisions of ~~[this section,]~~ NRS 386.500 to 386.610, inclusive, ***and sections 26 to 35.7, inclusive, of this act,*** and any other statute or regulation applicable to charter schools, the sponsor may amend the written charter in accordance with the proposed amendment. 2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at the charter school or participate in an extracurricular activity, excluding sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

➥ If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in sports at the public school that he or she would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:

6. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 4 and 5 if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 46. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the

school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the ~~[sponsor of a charter school may request reimbursement from the governing body of the charter school]~~ ***Superintendent of Public Instruction shall pay to the sponsor of a charter school one-quarter of the yearly sponsorship fee*** for the administrative costs associated with sponsorship for that school quarter ~~[if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:~~

~~(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.~~

~~(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.~~

~~4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money~~

~~that may be paid to the Department or to the institution, as applicable, pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:~~

~~(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.~~

~~(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.~~

~~5.~~ ***, which must be deducted from the quarterly apportionment to the charter school made pursuant to NRS 387.124. Except as otherwise provided in subsection 4, the yearly sponsorship fee for the sponsor of a charter school must be in an amount of money not to exceed 2 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124.***

4. If the governing body of a charter school satisfies the requirements of this subsection, the governing body may submit a request to the sponsor of the charter school for approval of a sponsorship fee in an amount that is less than 2 percent but at least 1 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124. The sponsor of the charter school shall approve such a request if the sponsor of the charter school determines that the charter school satisfies the requirements of this subsection. If the sponsor of the charter school approves such a request, the sponsor shall provide notice of the decision to the governing body of the charter school and the Superintendent of Public Instruction. If the sponsor of the charter school denies such a request, the governing body of the charter school may appeal the decision of the sponsor to the Superintendent of Public Instruction. Upon appeal, the sponsor of the charter school and the governing body of the charter school are entitled to present evidence. The decision of the Superintendent of Public Instruction on the appeal is final and is not subject to judicial review. The governing body of a charter school may submit a request for a reduction of the sponsorship fee pursuant to this subsection if:

(a) The charter school satisfies the requirements of subsection 1 of NRS 386.5515; and

(b) There has been a decrease in the duties of the sponsor of the charter school that justifies a decrease in the sponsorship fee.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the

charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State ~~[Board]~~ ***Public Charter School Authority*** may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

~~[9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.]~~

Sec. 53. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend

a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus ***the sponsorship fee prescribed by NRS 386.570 and minus*** all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State ~~[Board]~~ ***Public Charter School Authority*** or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus ***the sponsorship fee prescribed by NRS 386.570 and minus*** all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the

apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

Amendment adopted.

Bill ordered to third reading.

Senate Bill No. 320.

Bill read third time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 932.

AN ACT relating to motor carriers; revising provisions relating to the period of operation of certain taxicabs; prohibiting a short-term lessor from offering, arranging for or allowing the use of a paid driver; requiring the suspension of the drivers' licenses of certain persons who fail to pay administrative fines to the Nevada Transportation Authority; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the regulation of certain motor carriers in this State by the Nevada Transportation Authority. (NRS 706.011-706.791)

Sections 4.7 and 10.3 of this bill require the suspension of the driver's license of a person who fails to pay certain administrative fines and related costs to the Authority. **Section 10.3** requires a person whose driver's license is suspended for the nonpayment of an administrative fine to the Authority to pay that administrative fine and to pay the fee for reinstatement of his or her driver's license before the driver's license may be reinstated by the Department of Motor Vehicles.

~~[Existing law provides that a short-term lessor is not liable for a fine or penalty related to the impoundment of certain vehicles if the vehicle was not in the control of the short-term lessor at the time that it was impounded. (NRS 706.478) Section 8.7 of this bill deletes the requirement that a true copy of the lease or rental agreement pursuant to which a vehicle was leased or rented to a lessee by the short-term lessor is prima facie evidence that the short-term lessor was not in control of the impounded vehicle.]~~

Section 10.1 of this bill prohibits a short-term lessor from offering, arranging for or allowing the use of a paid driver whether directly or through an affiliated person.

Amendment adopted.

Bill ordered to third reading.

Senate Bill No. 421.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 953.

AN ACT relating to public health; increasing the percentage of certain money received by the State to be allocated to the Fund for a Healthy Nevada; revising provisions relating to the allocation of money in the Fund for a Healthy Nevada; eliminating the Trust Fund for Public Health; providing for the transfer of money remaining in the Trust Fund for Public Health; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Trust Fund for Public Health receives 10 percent of all "tobacco settlement" money, which is that money received by the State pursuant to any settlement entered into by the State and a manufacturer of tobacco products and money received by the State pursuant to any judgment in a civil action against a manufacturer of tobacco products. The Trust Fund for Public Health uses interest and income earned on that money to fund grants for programs relating to public health. (NRS 439.605) Additionally, 50 percent of all tobacco settlement money goes to the Fund for a Healthy Nevada and is then allocated to various other programs relating to public health in amounts or according to percentages of available revenues set by statute. (NRS 439.620, 439.630)

This bill eliminates the Trust Fund for Public Health and provides for money in the Trust Fund for Public Health to be transferred to the Fund for a Healthy Nevada. This bill also increases to 60 percent the share of tobacco settlement money allocated to the Fund for a Healthy Nevada. Additionally, this bill removes the provisions setting the percentages of available revenues to be allocated from the Fund for a Healthy Nevada on specific programs and instead requires the Department of Health and Human Services to propose a biennial plan for the allocation of money for those programs. The plan must be submitted as part of the proposed biennial budget of the Department. In preparing the plan, the Department shall consider recommendations submitted by the Grants Management Advisory Committee, the Nevada Commission on Aging and the Nevada Commission on Services for Persons with Disabilities. Finally, this bill removes certain programs relating to the prevention, reduction and treatment of tobacco use from the list of programs for which money in the Fund for a Healthy Nevada must be allocated.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 439.620 is hereby amended to read as follows:

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 137.

The following Senate amendment was read:

Amendment No. 913.

AN ACT relating to education; requiring the implementation of a school breakfast program at certain public schools; requiring the Department of

Education to report on the school breakfast program for each public school; requiring school districts to report on school nutrition programs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Child Nutrition Act enacted in 1966 established the School Breakfast Program which provides grants to the states to establish school breakfast programs in public schools. (42 U.S.C. §§ 1771 et. seq.) Federal regulations provide that a public school may elect to operate a school breakfast program pursuant to one of three alternative Provisions and prescribe the requirements by which a public school may operate the program pursuant to one of those Provisions. (7 C.F.R. § 245.9) If a school provides a school breakfast program pursuant to Provision 2 of the federal regulations, the school serves those meals free of charge to all pupils enrolled in the school. Under existing law, the boards of trustees of school districts and the governing bodies of charter schools are authorized to operate or provide for the operation of programs of nutrition in the public schools under their jurisdiction. (NRS 387.090) **Section 1** of this bill requires the implementation of a school breakfast program to provide breakfast to pupils enrolled in each public school, including a charter school, that is eligible to operate a program of nutrition in accordance with the requirements of Provision 2 set forth in the federal regulations and as authorized by the Department of Education. **Section 1** also requires the Department, on a biennial basis, to prepare a written report on the school breakfast program for each public school in this State and requires the board of trustees of each school district, on a biennial basis, to submit to the Department a report containing certain information concerning nutrition programs. **Section 1** further requires the Department to submit compilations of the reports, on or before January 1 of each odd-numbered year, to the Legislative Committee on Health Care, the Interim Finance Committee and the Director of the Legislative Counsel Bureau for transmission to the next regular session of the Legislature.

Effective on July 1, 2013, section 3.5 of this bill provides that the school breakfast program implemented by a school district or charter school must provide for the serving of breakfast after the school day has commenced in the following order of priority: (1) the classroom; (2) a transportable manner; or (3) the cafeteria.

It further requires that all persons be allowed to attend any meeting of these public bodies. (NRS 241.020) Existing law makes any action of a public body in violation of the Open Meeting Law void, and requires the Attorney General to investigate and prosecute any violation of the Open Meeting Law. (NRS 241.036, 241.040) If the Attorney General finds that a public body has taken an action which violates the Open Meeting Law, **section 2** of this bill requires the public body to include an item on the next agenda posted for a meeting of the public body acknowledging the finding of the Attorney General regarding such a violation. **Section 2** also provides that such acknowledgment is not an admission of wrongdoing on the part of the public body for the purposes of a civil action, criminal prosecution or injunctive relief. **Section 3** of this bill authorizes the Attorney General to issue subpoenas for the production of documents, records or materials in the course of his or her investigation of any violation of the Open Meeting Law and makes failure or refusal to comply with such a subpoena a misdemeanor.

Section 1.5 of this bill provides that meetings of a public body **, other than certain meetings of the State Board of Parole Commissioners,** that are quasi-judicial in nature are subject to the provisions of the Open Meeting Law **. [**~~unless exempted by the Legislative Commission. Section 1.5 also defines when a meeting is quasi-judicial in nature for purposes of the Open Meeting Law.~~**]**

Section 5 of this bill adds certain notifications that must be included on an agenda for a meeting of a public body.

Under existing law, if a public body holds a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of a person, it must first provide written notice of that fact and, if such a meeting will be closed, must allow the attendance of certain

individuals. Existing law also provides that casual or tangential references to a person or the person's name during a closed meeting do not constitute consideration of the character, alleged misconduct, professional competence, or physical or mental health of the person. (NRS 241.033) **Section 6** of this bill provides that a meeting to consider an applicant for employment does not require prior notice to be given to the applicant.

Existing law makes each member of a public body who attends a meeting where action is taken in violation of the Open Meeting Law with knowledge of the fact that the meeting is in violation guilty of a misdemeanor. (NRS 241.040) **Section 7** of this bill further makes each such member who attends such a meeting subject to a civil penalty in an amount not to exceed $500.

(1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. 5. Upon any request, a public body shall provide, at no charge, at least one copy of:

➥ If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(c) Must include:

(1) A list of the general topics concerning the person that will be considered by the public body during the closed meeting; and

(2) A statement of the provisions of subsection 4, if applicable.

3. The Nevada Athletic Commission is exempt from the requirements of subparagraphs (1) and (2) of paragraph (a) of subsection 2, but must give written notice of the time and place of the meeting and must receive proof of service of the notice before the meeting may be held.

4. If a public body holds a closed meeting or closes a portion of a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of a person, the public body must allow that person to:

5. Except as otherwise provided in subsection 4, with regard to the attendance of persons other than members of the public body and the person whose character, alleged misconduct, professional competence, physical or mental health or appeal of the results of an examination is considered, the chair of the public body may at any time before or during a closed meeting:

Conference Amendment No. CA6.

AN ACT relating to the Open Meeting Law; revising provisions governing periods devoted to public comment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions. Under the Open Meeting Law, a public body is required to provide written notice of all such meetings, which must include an agenda with a period devoted to comments by the general public and discussion of those comments. However, a public body is prohibited from taking action upon a matter that is raised during such a period for public comment until the matter has been specifically included on an agenda and is denoted to be an item upon which the public body may take action. (NRS 241.020) This bill requires the public body, at a minimum, to provide periods devoted to public comment and discussion of any public comments as follows: (1) one period at the beginning of the meeting before any items on which action may be taken are heard by the public body and one period before the adjournment of the meeting; or (2) a period after each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting.

(b) A list of the locations where the notice has been posted.

(c) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items.

(3) ~~[A period]~~ ***Periods*** devoted to comments by the general public, if any, and discussion of those comments. ***Comments by the general public must be taken:***

(I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or

(II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

➥ ***The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting.*** No action may be taken upon a matter raised ~~[under this item of the agenda]~~ ***during a period devoted to comments by the general public*** until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the

name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.

3. Minimum public notice is:

(a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; and

(b) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

(1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:

(a) An agenda for a public meeting;

(b) A proposed ordinance or regulation which will be discussed at the public meeting; and

(c) Subject to the provisions of subsection 6, any other supporting material provided to the members of the public body for an item on the agenda, except materials:

(1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;

(2) Pertaining to the closed portion of such a meeting of the public body; or

(3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

➥ The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, "proprietary information" has the meaning ascribed to it in NRS 332.025.

6. A copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:

(a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

➥ If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.

Legislative Counsel's Digest:

Existing law provides for the licensure or registration and regulation of various professions in this State. (Title 54 of NRS) This bill provides for the registration, permitting and regulation of asset management companies and asset managers by the Real Estate Division of the Department of Business and Industry. Asset management companies provide asset management services for real property which is in foreclosure and which is owned by a bank, mortgage broker, mortgage banker, credit union, thrift company or savings and loan association, or any subsidiary thereof, a mortgage holding entity chartered by Congress or a federal, state or local governmental entity. Such companies and persons manage the property, performing services such as securing the property by changing locks, removing trash and debris, cleaning the home and surrounding property, performing maintenance and repairs of homes and disposing of the personal property of homeowners left in homes which are in foreclosure and which the legal owner has deemed abandoned.

Section 13.5 of this bill exempts from the requirements of registration or requirement to obtain a separate permit a person who holds a current permit to engage in property management but requires the person to comply with the remaining provisions of this bill as well as those regulating the practice of property management. **Section 23** of this bill sets forth the requirements an asset management company must meet to be registered in this State, including criminal background checks on all principals, partners, directors and officers of the company. **Section 24** of this bill requires asset management companies to carry sufficient insurance to cover any damage to real property, any wrongful evictions or any wrongful disposal of the personal property of a homeowner or a tenant of a homeowner. **Section 27.5**

of this bill imposes a $2,000 application fee for registration as an asset management company, as well as a $500 fee for the issuance of a certificate of registration and an annual fee of $500 to renew the certificate of registration. **Section 29** of this bill requires all persons employed or independently contracted as an asset manager by an asset management company to obtain a permit from the Division, undergo a criminal background check at the expense of the asset manager and pay a fee of $75 for the issuance of the permit. **Section 29.1 requires a holder of a permit to annually submit a renewal application and pay a fee of $75 for the renewal of the permit.**

Sections 29.3-29.7, 30.3 and 30.7 of this bill set forth the actions for which an asset management company or asset manager may be investigated or disciplined and the procedures the Division is required to follow in conducting disciplinary action. **Section 31** of this bill specifies the services an asset management company may provide and the steps an asset management company must take before it may dispose of the personal property of a homeowner or a tenant of a homeowner, including storage of the property for 30 days in a secure location and notifying the homeowner or the tenant in writing of the disposal and where the property may be reclaimed. **Section 32** of this bill makes it a misdemeanor for a person to operate an asset management company in this State without being registered with the Division or for an asset manager to engage in asset management without a permit issued by the Division. **Section 33** of this bill makes it a misdemeanor for an asset management company or its agents to: (1) evict a real property owner or a tenant of a real property owner without a court order while the real property owner still has time to redeem his or her real property; (2) dispose of any personal property of a homeowner or a tenant of a homeowner except as provided in **section 31;** (3) seize real property that is not in foreclosure; (4) allow any work to be done on real property by a person who is not licensed to do that type of work or allow any work to be done on real property which requires a permit or an inspection unless the permit is obtained or inspection completed; (5) conduct any activities for which a real estate license or property management permit is required without such a license or permit; (6) fail to provide the real property disclosure to any purchaser of a residence for which the asset management company has provided services; or (7) receive, collect, hold or manage money which belongs to another person, including, without limitation, rent from a tenant, except in certain circumstances.

Existing law requires a seller to complete and serve a purchaser of residential property with a disclosure form regarding the property, but allows a purchaser to waive his or her right to receive such a form. (NRS 113.130) **Section 34** of this bill prohibits a purchaser from waiving, or a seller from

requiring a purchaser to waive, the purchaser's right to the disclosure form. In addition, **section 34** requires a seller to provide the purchaser with the contact information of any asset management company who repaired or replaced or attempted to repair or replace any defects in the property and requires the asset management company to provide the purchaser with a service report on the property upon request.

Assembly Bill No. 222.

The following Senate amendment was read:

Amendment No. 926.

AN ACT relating to education; creating the Teachers and Leaders Council of Nevada; prescribing the membership and duties of the Council; requiring the State Board of Education to establish a statewide performance evaluation system for teachers and administrators; revising provisions governing the policies for the evaluation of teachers and administrators; revising the designations required of the evaluations of teachers and administrators; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 4-6 of this bill create the Teachers and Leaders Council of Nevada and prescribe the membership and duties of the Council. **Section 6** requires the Council to make recommendations to the State Board of Education for the establishment of a statewide performance evaluation system for teachers and administrators employed by school districts.

Existing law requires the automated system of accountability information for Nevada to track the achievement of pupils over time and to identify which teachers ~~[and paraprofessionals]~~ are assigned to individual pupils. The

information is required to be considered, but must not be the sole criterion, in evaluating the performance of or taking disciplinary action against an individual teacher ~~[, paraprofessional]~~ or other employee. (NRS 386.650) Existing law also requires the board of trustees of each school district to develop a policy for the evaluation of teachers and administrators pursuant to which the performance of an individual teacher or administrator is designated as "satisfactory" or "unsatisfactory." (NRS 391.3125, 391.3127) **Section 7** of this bill requires the State Board of Education, based upon the recommendations of the Council, to establish a statewide performance evaluation system for teachers and administrators employed by school districts. Effective July 1, 2013, the statewide performance evaluation system will require the evaluation of an individual teacher or administrator as "highly effective," "effective," "minimally effective" or "ineffective." ~~[Also effective July 1, 2013, section 2 of this bill]~~ **Assembly Bill No. 229 of this session, which was enacted by the Legislature on June 2, 2011,** requires that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for **at least** 50 percent of the evaluations of teachers and administrators. **Sections 2 and 7 of this bill make conforming changes on the use of pupil achievement data in the evaluation of teachers and administrators as the requirements on the use of that data contained in Assembly Bill No. 229. Sections 8.5 and 9.5** of this bill require the policies for the evaluations of teachers and administrators employed by school districts to comply with the statewide performance evaluation system established by the State Board.

Until the implementation of the statewide performance evaluation system, **sections 8 and 9** of this bill provide that the policies for the evaluations of teachers and administrators employed by school districts must require that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for a significant portion of the evaluation, as determined by the board of trustees.

Assembly Bill No. 229 of this session, provides that if the written evaluation of a probationary teacher or probationary administrator states that the overall performance of the teacher or administrator has been designated as "unsatisfactory," the evaluation must include a written statement which states that if the teacher or administrator has received two evaluations for the school year which designate his or her performance as "unsatisfactory" and the teacher or administrator has another evaluation remaining in the school year, the teacher or administrator may request that the remaining evaluation be conducted by another administrator. Section 10.3 of this bill amends Assembly Bill No. 229 to provide that the probationary teacher or probationary administrator may make such a request if the teacher or administrator

receives an "unsatisfactory" evaluation on the first or second evaluation, or both evaluations. Effective on July 1, 2013, section 10.4 of this bill amends Assembly Bill No. 229 to provide that the probationary teacher or probationary administrator may make such a request for an outside evaluator if he or she receives an evaluation of "minimally effective" or "ineffective" on the first or second evaluation, or both evaluations.

Section 10.5 of this bill makes an appropriation to the Department of Education for the costs associated with the Teachers and Leaders Council of Nevada created by **section 5**.

4. The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians, will have different types of access to the accountability information contained within the automated system to the extent that such information is necessary for the performance of a duty or to the extent that such information may be made available to the general public without posing a threat to the confidentiality of an individual pupil.

5. The Department may, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, enter into an agreement with the Nevada System of Higher Education to provide access to data contained within the automated system for research purposes.

Amendment No. 903.

AN ACT relating to insurance; requiring the Commissioner of Insurance to adopt regulations relating to electronic signatures, records and payments; revising provisions relating to the external review of adverse determinations of health carriers; clarifying the circumstances under which an actuary is not liable for damages with respect to the actuary's opinion; authorizing the electronic transmission of fingerprints with an application for a license; revising provisions relating to the licensing of adjusters; revising provisions relating to surplus lines insurance; revising provisions relating to the use of credit information; requiring that certain policies of group insurance be filed with and approved by the Commissioner; revising provisions relating to annuities, pure endowment contracts and policies of life insurance; revising provisions relating to evidence of insurance for motor vehicles; revising provisions relating to disciplinary action by the Commissioner; revising and clarifying provisions relating to employee leasing companies; **providing for coverage by the Nevada Life and Health Insurance Guarantee Association for certain unallocated annuity contracts owned by certain governmental retirement plans;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a set of procedures for the external review of an adverse determination by a managed care organization. (NRS 695G.241-695G.310) **Sections 2, 3, 8, 9, 79-118.8, 123-127 and 129-131** of this bill amend the external review process to comply with the federal Patient Protection and Affordable Care Act (Public Law 111–148) and enact other related provisions necessary to comply with the minimum standards prescribed by federal law.

Existing law limits the liability of a qualified actuary for damages relating to the actuary's opinion regarding an insurer who offers life insurance. (NRS 681B.250) **Section 6** of this bill clarifies that this limitation of liability applies not only for life insurance but for any opinion an actuary issues pursuant to chapter 681B of NRS or any regulations adopted thereto.

Existing law requires the Commissioner of Insurance to adopt regulations governing the use of certain electronic methods relating to insurance. (NRS 679B.136, 685A.210) **Sections 1 and 29** of this bill expand the electronic methods that the Commissioner can allow the use of for insurance transactions. Additionally, **sections 10, 11, 20, 44-47 and 122** of this bill allow for the fingerprints required to be submitted with an application for a license pursuant to the Nevada Insurance Code to be submitted electronically.

Existing law requires an applicant for a license as an insurance adjuster to be a resident of this State with certain exceptions. (NRS 684A.070) On December 9, 2009, the United States District Court for the District of Nevada held that the residency requirement to obtain a license as an insurance adjuster violates the Privileges and Immunities Clause of the United States Constitution. (*Reitz v. Kipper*, 674 F.Supp.2d 1194 (D. Nev. 2009)) **Sections 15-26** of this bill revise provisions relating to the licensing of insurance adjusters to remove the residency requirement. **Sections 15-26** also require that an applicant either pass an examination in this State before receiving a license as an insurance adjuster or, if not a resident of this State, be currently licensed in a state that requires an examination before licensure.

Existing law governs trade practices and frauds relating to the insurance business and gives the Commissioner exclusive jurisdiction to regulate trade practices in the insurance business. (Chapter 686A of NRS) **Section 30** of this bill requires an insurer that uses credit information to provide reasonable exceptions to their rates in certain circumstances.

Under existing law, an insurer may not market certain insurance products without first filing the product with the Commissioner and receiving the Commissioner's approval. (NRS 687B.120) **Section 35** of this bill also requires any group insurance policies to be issued pursuant to NRS 688B.030 or 689B.026 to be filed with and approved by the Commissioner before being marketed.

Under existing law, an employee leasing company is deemed to be the employer of its leased employees for the purposes of sponsoring and maintaining any benefit plans. (NRS 616B.691) In 2007, this section was amended to clarify that such a company is also deemed to be the employer for the purposes of the Employee Retirement Income Security Act of 1974 (ERISA). (Chapter 536, Statutes of Nevada 2007, p. 3339) On August 6, 2010, the United States District Court for the District of Nevada held that NRS 616B.691 was preempted by federal law to the extent that it declares the status of any benefit plans for purposes of ERISA. (*Payroll Solutions Group, Ltd. v. Nevada*, No. 02-CV-06-00927-JCM-RJJ (D. Nev. Aug. 6, 2010)) **Section 128** of this bill reverses the changes made to NRS 616B.691 during the 2007 Legislative Session. In addition, **section 128** clarifies that the

provisions of subsection 1 of that section apply only for the purposes of chapters 612 and 616A-617 of NRS. **Section 128** also clarifies that the provisions of subsection 2 of that section do not affect the existing employer-employee relationship between a leased employee and a client company.

Sections 33.1, 33.3 and 33.7 of this bill require the Nevada Life and Health Insurance Guarantee Association to provide coverage for certain unallocated annuity contracts owned by a governmental retirement plan under certain circumstances. Section 33.7 provides that such coverage must not exceed $100,000 in the aggregate for each participant, regardless of the number of contracts.

689B.080 Any insurer authorized to write health insurance in this state, including a nonprofit corporation for hospital, medical or dental services that has a certificate of authority issued pursuant to chapter 695B of NRS, may issue blanket accident and health insurance. No blanket policy, except as provided in subsection ~~[4]~~ ***5*** of NRS 687B.120, may be issued or delivered in this state unless a copy of the form thereof has been filed in accordance with NRS 687B.120. Every blanket policy must contain provisions which in the opinion of the Commissioner are not less favorable to the policyholder and the individual insured than the following:

1. A provision that the policy, including endorsements and a copy of the application, if any, of the policyholder and the persons insured constitutes the entire contract between the parties, and that any statement made by the policyholder or by a person insured is in the absence of fraud a representation and not a warranty, and that no such statements may be used in defense to a claim under the policy, unless contained in a written application. The insured or the beneficiary or assignee of the insured has the right to make a written request to the insurer for a copy of an application, and the insurer shall, within 15 days after the receipt of a request at its home office or any branch office of the insurer, deliver or mail to the person making the request a copy of the application. Failure to give notice within that time does not invalidate or reduce any claim if it is shown that it was not reasonably possible to give notice and that notice was given as soon as was reasonably possible.

3. A provision that the insurer will furnish to the claimant or to the policyholder for delivery to the claimant such forms as are usually furnished by it for filing proof of loss. If the forms are not furnished before the expiration of 15 days after giving written notice of sickness or injury, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

4. any balance remaining unpaid at the termination of that period will be paid immediately upon receipt of proof.
