Amendment No. 663.

SUMMARY— ~~**[**Eliminates limits on the amounts of certain property that is exempt from execution.~~**]** **Makes various changes concerning the execution on property of a judgment debtor or defendant.** (BDR 2-779)

AN ACT relating to property; **providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment; providing a procedure to execute on property held in a safe-deposit box;** eliminating limits on the amounts of certain property that is exempt from execution; **exempting certain property from execution; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) Section 3 of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor. Section 3 further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. Section 4 of this bill provides that notwithstanding the provisions of section 3, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money

in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

Existing law exempts from execution all money, benefits, privileges or immunities arising out of a policy of life insurance if the annual premium paid for the policy does not exceed $15,000 and exempts a portion of those insurance proceeds if the premium does exceed $15,000. (NRS 21.090) **Section ~~[1]~~ 7** of this bill eliminates the $15,000 premium limit, allowing for a complete exemption from the execution of all money, benefits, privileges or immunities arising from a policy of life insurance. **Section 7 also provides additional exemptions from execution which are provided by Nevada law.**

Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. Sections 6 and 10 of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in section 8. Sections 6 and 10 further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in section 3.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Existing law exempts from execution any annuity benefits presently due and payable to an annuitant on a scheduled or periodic basis up to a total of

$350 per month but allows a court to order certain just and proper payments from annuity benefits if those benefits exceed $350 per month. (NRS 687B.290) **Section ~~[2]~~ 15** of this bill eliminates the $350 monthly benefit exemption limit, allowing for a complete exemption from the execution of annuity benefits.

Section 16 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 8.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.**

Sec. 2. ***A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.***

Sec. 3. ***1. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding 45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:***

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(b) Veterans' benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

(c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

(d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

(e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

(i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;

(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;

(m) Black lung benefits paid to a miner or a miner's surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.

3. If a judgment debtor has more than one personal bank account with the financial institution to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the financial institution which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation,

when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. 1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. 1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 6. **NRS 21.075 is hereby amended to read as follows:**

21.075 1. Execution on the writ of execution by levying on the property of the judgment debtor may occur only if the sheriff serves the judgment debtor with a notice of the writ of execution pursuant to

NRS 21.076 and a copy of the writ. The notice must describe the types of property exempt from execution and explain the procedure for claiming those exemptions in the manner required in subsection 2. The clerk of the court shall attach the notice to the writ of execution at the time the writ is issued.

2. The notice required pursuant to subsection 1 must be substantially in the following form:

TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.

(c) The association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the ~~[seller]~~ ***purchaser*** is not liable for the delinquent assessment.

6. Upon the request of a unit's owner or his or her authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association

which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

Amendment No. 642.

JOINT SPONSOR: ASSEMBLYMAN OHRENSCHALL

AN ACT relating to regional transportation commissions; revising provisions pertaining to vending stands provided for by such a commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes a priority of right for persons who are blind or visually impaired to operate vending stands in or on any public buildings or properties. (NRS 426.640) Existing law also exempts from that priority of right vending stands in any building, terminal or parking facility owned, operated or leased by a regional transportation commission in a county whose population is 400,000 or more (currently Clark County).

(NRS 277A.320) Section 2 of this bill removes that exemption for both existing and future contracts. Section 3 of this bill clarifies that the removal of the exemption applies with respect to any vending stand contract entered into by such a regional transportation commission on or after the effective date of this bill, and that any such existing vending stand contract must comply with the amendatory provisions of this bill on and after July 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. It is the policy of the Legislature and of this State to support the needs of persons who are blind by vigorously enforcing and promoting the provisions of NRS 426.630 to 426.720, inclusive.

Sec. 2. NRS 277A.320 is hereby amended to read as follows:

2. The provisions of NRS 426.630 to 426.720, inclusive, ~~[do not]~~ apply to a vending stand constructed, installed or maintained pursuant to this section.

Amendment No. 571.

SUMMARY—Revises provisions governing the collection of fines, administrative assessments **[,]** **and** fees **[**~~and restitution~~**]** owed by certain convicted persons. (BDR 14-557)

AN ACT relating to the State Controller; authorizing a county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning the responsibility of collecting fines, administrative assessments **[,]** **and** fees **[**~~and restitution~~**]** from certain criminal defendants; making various changes relating to the collection of fines, administrative assessments **[,]** **and** fees **[**~~and restitution~~**]** from certain criminal defendants; making various changes relating to debt collection between this State and the Federal Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if a fine, administrative assessment, fee or restitution imposed upon a defendant is delinquent: (1) the defendant is liable for a collection fee; (2) the entity responsible for collecting the delinquent amount may report the delinquency to credit reporting agencies, may contract with a collection agency and may request that the court take appropriate action; and (3) the court may request that a prosecuting attorney undertake collection efforts, may order the suspension of the driver's license of the defendant and may, in the case of a delinquent fine or administrative assessment, order that the defendant be confined in the appropriate prison, jail or detention facility. (NRS 176.064)

Sections 7 and 11 of this bill require the district court to forward to the county treasurer the necessary information for the collection of the debt of a criminal defendant. If a county is unable to collect the debt, **sections 7, 11 and 14** of this bill authorize the county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning to the Office of the State Controller the responsibility for collecting the debt.

Under existing law, a judgment entered by the court ordering a defendant to pay a fine, administrative assessment or restitution constitutes a lien. (NRS 176.275) **Section 8** of this bill requires a district court judge to inform a defendant at the time of sentencing of the provisions of NRS 176.275, and that if the lien is not satisfied, collection efforts may be undertaken against the defendant.

Sections 9 and 12 of this bill require a defendant to pay costs and fees associated with the efforts to collect a debt.

Section 14 authorizes the Office of the State Controller to enter into a cooperative agreement with a governmental entity for the purpose of

establishing the Office of the State Controller as the collection agent for the governmental entity.

Assembly Bill No. 282.

The following Senate amendment was read:

Amendment No. 780.

BROWER, CEGAVSKE, Denis ~~[AND]~~ **, GUSTAVSON, HALSETH, HARDY, KIECKHEFER, MCGINNESS,** Rhoads **, ROBERSON AND SETTELMEYER**

AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the renewal of a permit to carry a concealed firearm; revising provisions concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) **Section 2** of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the sheriff. **Section 2** also specifies that an investigation conducted by the sheriff

for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System. ~~[Section 4 of this bill revises the fee for the renewal of a permit from $25 to the amount of the actual cost to obtain the reports required as part of the investigation by the sheriff.]~~

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) **Section 1** of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. **Section 3** of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.

Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance

to prevent the occurrence of certain offenses. (NRS 202.280-202.290, 193.230-193.250)

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. **Section 5** also voids any regulation which conflicts with such laws.

Assemblyman Horne moved that the Assembly do not concur in the Senate Amendment No. 780 to Assembly Bill No. 282.

Remarks by Assemblyman Horne.

Motion carried.

The following Senate amendment was read:

Amendment No. 576.

AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the renewal of a permit to carry a concealed firearm; revising provisions concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) **Section 2** of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the sheriff. **Section 2** also specifies that an investigation conducted by the sheriff for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System. **Section 4** of this bill revises the fee for the renewal of a permit from $25 to the amount of the actual cost to obtain the reports required as part of the investigation by the sheriff.

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit

involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) **Section 1** of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. **Section 3** of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.

Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance to prevent the occurrence of certain offenses. (NRS 202.280-202.290, 193.230-193.250)

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. **Section 5** also voids any regulation which conflicts with such laws.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Senate Bill No. 135.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 757.

AN ACT relating to occupational diseases; revising provisions governing the presumption that certain occupational diseases arise out of the employment of certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a presumption that certain occupational diseases, including heart disease, lung disease, cancer and hepatitis, diagnosed after the termination of the employment of a person in certain occupations, including as a police officer, firefighter or arson investigator, arose out of the employment of the person if the person was employed full-time, continuously for 5 years or more. (NRS 617.453, 617.455, 617.457, 617.485, 617.487) This bill limits the benefits available for certain occupational diseases that arose out of such employment by providing that the benefits are only available ~~[until]~~ **if** the person ~~[is eligible for Medicare unless the person began receiving benefits while employed or the person ceased employment before reaching an age at which the person is eligible for an unreduced retirement benefit.~~

~~Additionally, sections 2 and 3 of this bill limit the ability of a person to file for benefits for certain diseases of the lungs and heart. Under sections 2 and 3, a person must]~~ **files a claim within a limited period after terminating employment. For certain diseases of the lungs and heart, sections 2 and 3 require a person to** file a claim for benefits within 5 years of ceasing employment if the person ceases employment before reaching an age at which the person is eligible for an unreduced retirement benefit.

The provisions of this bill apply only to a person hired on or after July 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 617.453 is hereby amended to read as follows:

617.453 1. Notwithstanding any other provision of this chapter, cancer, resulting in either temporary or permanent disability, or death, is an occupational disease and compensable as such under the provisions of this chapter if:

(a) The cancer develops or manifests itself out of and in the course of the employment of a person who, for 5 years or more, has been:

(1) Employed in this State in a full-time salaried occupation of fire fighting for the benefit or safety of the public; or

(2) Acting as a volunteer firefighter in this State and is entitled to the benefits of chapters 616A to 616D, inclusive, of NRS pursuant to the provisions of NRS 616A.145; and

(b) It is demonstrated that:

(1) The person was exposed, while in the course of the employment, to a known carcinogen as defined by the International Agency for Research on Cancer or the National Toxicology Program; and

(2) The carcinogen is reasonably associated with the disabling cancer.

2. With respect to a person who, for 5 years or more, has been employed in this State in a full-time salaried occupation of fire fighting for the benefit or safety of the public, the following substances shall be deemed, for the purposes of paragraph (b) of subsection 1, to be known carcinogens that are reasonably associated with the following disabling cancers:

(a) Diesel exhaust, formaldehyde and polycyclic aromatic hydrocarbon shall be deemed to be known carcinogens that are reasonably associated with bladder cancer.

(b) Acrylonitrile, formaldehyde and vinyl chloride shall be deemed to be known carcinogens that are reasonably associated with brain cancer.

(e) Formaldehyde and polycyclic aromatic hydrocarbon shall be deemed to be known carcinogens that are reasonably associated with kidney cancer.

(f) Chloroform, soot and vinyl chloride shall be deemed to be known carcinogens that are reasonably associated with liver cancer.

(g) Acrylonitrile, benzene, formaldehyde, polycyclic aromatic hydrocarbon, soot and vinyl chloride shall be deemed to be known carcinogens that are reasonably associated with lymphatic or haemotopoietic cancer.

(h) Diesel exhaust, soot, aldehydes and polycyclic aromatic hydrocarbon shall be deemed to be known carcinogens that are reasonably associated with basal cell carcinoma, squamous cell carcinoma and malignant melanoma.

(i) Acrylonitrile, benzene and formaldehyde shall be deemed to be known carcinogens that are reasonably associated with prostate cancer.

(j) Diesel exhaust, soot and polychlorinated biphenyls shall be deemed to be known carcinogens that are reasonably associated with testicular cancer.

(k) Diesel exhaust, benzene and X-ray radiation shall be deemed to be known carcinogens that are reasonably associated with thyroid cancer.

3. The provisions of subsection 2 do not create an exclusive list and do not preclude any person from demonstrating, on a case-by-case basis for the purposes of paragraph (b) of subsection 1, that a substance is a known carcinogen that is reasonably associated with a disabling cancer.

4. Compensation awarded to the employee or his or her dependents for disabling cancer pursuant to this section must include:

(a) Full reimbursement for related expenses incurred for medical treatments, surgery and hospitalization in accordance with the schedule of fees and charges established pursuant to NRS 616C.260 or, if the insurer has contracted with an organization for managed care or with providers of health care pursuant to NRS 616B.527, the amount that is allowed for the treatment or other services under that contract; and

(b) The compensation provided in chapters 616A to 616D, inclusive, of NRS for the disability or death.

5. Disabling cancer is presumed to have developed or manifested itself out of and in the course of the employment of any firefighter ~~[~~described in this section.~~]~~ ***who has been employed in a full-time continuous, uninterrupted and salaried occupation as a firefighter for 5 years or more before the date of the diagnosis.*** This rebuttable presumption applies to disabling cancer diagnosed ~~[~~after~~]~~ ***:***

(a) During the person's employment; or

➥ This rebuttable presumption must control the awarding of benefits pursuant to this section unless evidence to rebut the presumption is presented.

6. The provisions of this section do not create a conclusive presumption.

5. ~~[The]~~ Except as otherwise provided in subsection 6, the provisions of this section may be varied by agreement, and the rights conferred by this section may be waived.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Assemblywoman Irene Bustamante Adams.

Good morning my beloved Creator, praise be Your name. Thank You for teaching us yesterday that there is a time to weep and a time to laugh. Humor celebrates the goodness of who You are. It is Your gift to help us deal with the trials and tribulations that we must face.

Thank You for lightening the load and not letting the joy be sucked out of us. I am eternally grateful that You know my name. Lord You also remind us that You have a plan like You did for Your servant Jeremiah. For You said in Jeremiah 29:11:

> For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you a hope and a future. Then you will call upon me and come and pray to me, and I will listen to you.

Thank You for Your divine guidance individually and as servants to the great people of this state. May the work we do bring You glory. It is in Your precious Son's name.

AMEN.

Pledge of allegiance to the Flag.

MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Conklin moved that the following budget closure remarks be entered in the Journal.

Motion carried.

REMARKS FROM THE FLOOR

ASSEMBLYWOMAN SMITH:

The Assembly Committee on Ways and Means developed the following recommendations for the 28 budget accounts within the Department of Corrections, resulting in additional General Fund appropriations of $988,726 in FY 2012 and General Fund reductions of $1.5 million in FY 2013.

The Department’s budget is primarily driven by the projected number of inmates to be housed. The Executive Budget provided funding to house an average of 12,751 inmates in FY 2012 and 12,789 inmates in FY 2013. The budget, as modified by the Committee, will provide funding to house an average of 12,568 inmates in FY 2012 and 12,575 in FY 2013. This budget modification was the result of an updated projection of the inmate population in February 2011, which reflects a decline in the level of inmate population growth due to an increase in parole releases, a decrease in parole and probation returns to prison, and a leveling of new court commitments sent to prison. The revised inmate population levels result in a total savings in inmate-driven expenditures of $515,399 in FY 2012 and $628,863 in FY 2013.

Nevada State Prison (101-3718) CORRECTIONS-56, High Desert State Prison (101-3762) CORRECTIONS-39, and Wells Conservation Camp (101-3739) CORRECTIONS-143:

The Committee approved the Governor's recommendation to close Nevada State Prison and Wells Conservation Camp. However, instead of closing Nevada State Prison on October 31, 2011, and Wells Conservation Camp on August 1, 2011, the Committee chose to delay closing these facilities until April 30, 2012, and February 1, 2012, respectively. The two facility closures generate a combined General Fund savings of $16.3 million over the 2011-13 biennium ($14.8 million from Nevada State Prison and $1.5 million from Wells Conservation Camp). The savings results primarily from the elimination of 128 positions, including 116 positions assigned to Nevada State Prison and 12 positions assigned to Wells Conservation Camp.

The facility closures reduce the Department's total bed capacity by 782 beds; however, the Committee also approved the Governor's recommendation to reopen two vacant housing units at High Desert State Prison in order to accommodate the majority of the inmate population at Nevada State Prison. These housing units will provide the Department with 600 additional beds. With the reduction of 255 beds above emergency capacity, the Department's net bed count will decrease by 437 beds compared to the number of beds approved by the 2009 Legislature.

In order to staff the two vacant housing units, the Committee approved the Governor's recommendation to transfer 59 positions from Nevada State Prison to High Desert State Prison. In addition, the Committee approved the transfer of 27 positions from Nevada State Prison to other facilities, including seven positions to Warm Springs Correctional Center, eight positions to Northern Nevada Correctional Center, nine positions to Southern Desert Correctional Center, and three positions to Florence McClure Women's Correctional Center. The positions transferring to the northern facilities will take effect on July 1, 2011, while the positions transferring to the southern facilities will be phased in through April 2012 in order to minimize staff layoffs.

Both Nevada State Prison and Wells Conservation Camp will be maintained in a mothball status. Accordingly, the Committee approved General Fund appropriations of $1.1 million for Nevada State Prison and $76,208 for Wells Conservation Camp over the 2011-13 biennium to support mothballing costs. A portion of mothballing costs associated with Nevada State Prison will be used to continue operating Prison Industry programs at the facility, including the license plate factory and the print shop. These programs will employ minimum-custody inmates transported from Stewart Conservation Camp.

Director's Office (101-3710) CORRECTIONS-1:

The Committee voted to approve the Governor's recommendation to implement a new Energy Management Program in order to monitor the Department's energy consumption and to undertake appropriate actions identifying and correcting energy waste and inefficiencies at all of the Department's facilities and camps. In order to staff the program, the Committee approved the Governor's recommendation for two new positions, including an Energy Program Manager and a HVACR Specialist II.

The Committee did not approve the Governor's recommendation for General Fund appropriations of $300,454 in FY 2012 for a surveillance system at Ely State Prison, but instead recommended the project be included as part of the 2011 Capital Improvement Program projects and funded with unused bond funding previously allocated by the 2007 Legislature to fund a surveillance system at Nevada State Prison.

Prison Medical Care (101–3706) CORRECTIONS-13:

The Committee voted to approve the Governor's recommendation to create a new stale claims category with General Fund appropriations of $964,857 in each year of the 2011-13 biennium to fund stale claims incurred during the previous year with current year funding contingent upon the passage of Assembly Bill 530. However, the Committee did not approve the Governor's recommendation to account for additional stale claims expenditures included in the base budget as part of the agency's outside medical expenditures for General Fund savings of $366,975 in each year of the biennium.

The Committee voted to approve the Governor's recommendation to provide General Fund appropriations of $1.1 million in FY 2012 and $1.8 million in FY 2013 for projected inflationary increases associated with outside medical care, medical supplies and durable medical equipment.

In response to the State's settlement agreement with the American Civil Liberties Union on behalf of inmates at Ely State Prison, the Committee approved the Governor's recommendation for General Fund appropriations of $818,271 over the 2011-13 biennium to establish six new medical positions, including one Correctional Nurse, three Licensed Practical Nurses, one Psychiatric Nurse and one Administrative Assistant.

The Committee also voted to approve the Governor's recommendation to eliminate two Correctional Nurses and one Director of Nursing Services. These positions are assigned to Nevada State Prison and will no longer be required upon the facility's closure, resulting in a General Fund savings of $617,748 in the 2011-13 biennium.

Correctional Programs (101-3711) CORRECTIONS-23:

The Committee approved the Governor's recommendation for General Funds appropriations of $447,756 in FY 2012 and $476,560 in FY 2013 to continue inmate reentry services in Northern Nevada that have been historically funded with federal funds. The funding provides for two Program Officer positions, a subgrant of $232,232 in each year of the biennium to a nonprofit community organization for post release reentry services, $83,702 each year of the biennium for indigent inmate housing and $47,050 each year to provide inmates with "green construction" job training. In addition, the Committee approved issuing a letter of intent directing the Department to revert General Fund appropriations in support of the two Program Officers in the event federal funds are awarded for the Northern Nevada re-entry program. The Committee also directed the Department to report to the Interim Finance Committee annually regarding the status of its northern and southern re-entry programs.

The Committee approved the Governor's recommendation to eliminate two Psychologist positions assigned to Nevada State Prison, but delayed the termination date of the positions until April 30, 2012, in order to accommodate the revised closure plan approved for Nevada State Prison by the Committee.

Three Lakes Valley Conservation Camp (101-3725) CORRECTIONS-136:

The Executive Budget provided for the transfer of three Correctional Officers from Nevada State Prison to Three Lakes Valley Conservation Camp. However, after re-evaluating the Camp's staffing needs, the Governor submitted a budget amendment to withdraw the transfer recommendation, thereby eliminating the positions as part of the Nevada State Prison closure plan. The Committee voted to approve the Governor's recommendation, as amended, to eliminate the three positions for General Fund savings of $470,985 over the 2011-13 biennium.

Offenders' Store Fund (240-3708) CORRECTIONS-189:

The Committee approved the Governor's recommendation to eliminate two Retail Storekeepers responsible for managing the Offenders' Store at Nevada State Prison. However, the Committee approved delaying the termination date of the two positions until April 30, 2012, in order to accommodate the revised closure plan approved for Nevada State Prison by the Committee.

Inmate Welfare Account (240-3763) CORRECTIONS-197:

The Committee approved the Governor's recommendation to eliminate one Administrative Assistant assigned to the Nevada State Prison law library, and one Athletic and Recreation Specialist responsible for recreational programs at Nevada State Prison. However, the Committee approved delaying the termination date of the two positions until April 30, 2012, in order to accommodate the revised closure plan approved for Nevada State Prison by the Committee.

The following budget accounts were reviewed and closed by the Committee as recommended by the Governor, with adjustments for inmate population changes and minor technical adjustments:

- Southern Nevada Correctional Center (101-3715)
- Warm Springs Correctional Center (101-3716)
- Northern Nevada Correctional Center (101-3717)
- Prison Industry (525-3719)
- Stewart Conservation Camp (101-3722)
- Pioche Conservation Camp (101-3723)

- Northern Nevada Restitution Center (101-3724)
- Prison Dairy (525-3727)
- Southern Desert Correctional Center (101-3738)
- Humboldt Conservation Camp (101-3741)
- Ely Conservation Camp (101-3747)
- Jean Conservation Camp (101-3748)
- Silver Springs Conservation Camp (101-3749)
- Ely State Prison (101-3751)
- Carlin Conservation Camp (101-3752)
- Tonopah Conservation Camp (101-3754)
- Lovelock Correctional Center (101-3759)
- Casa Grande Transitional Housing Center (101-3760)
- Florence McClure Women's Correctional Center (101-3761)

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 659.

SUMMARY—Revises ~~[~~certain~~]~~ provisions relating to ~~[~~certificates of marriage and the solemnization of~~]~~ marriage. (BDR 11-635)

AN ACT relating to marriage; revising certain provisions relating to certificates of marriage and the solemnization of marriage; **revising provisions governing deputy commissioners of civil marriages;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the county clerk may place an affidavit of application for a marriage license, a certificate of marriage and a marriage license on a single form, on the reverse of which the county clerk must have printed or stamped instructions for obtaining a certified copy or certified abstract of the certificate of marriage. (NRS 122.055) **Section 2** of this bill requires the county clerk to include on the reverse of such a form: (1) instructions for obtaining a certified copy or certified abstract of the certificate of marriage; (2) certain language explaining that the certificate is not a certified copy and that a certified copy will need to be obtained for certain legal matters; and (3) a time stamp used by the clerk to signify that the form has been filed.

Existing law also provides that a certificate of permission to perform marriages expires when a minister or other person who is authorized to solemnize a marriage, to whom the certificate has been issued, moves from the county in which his or her certificate was issued. (NRS 122.066) **Section 3** of this bill specifies that a certificate of permission remains valid when a minister or other person who is authorized to solemnize a marriage, who is retired and who has been issued the certificate, moves to another county in this State.

Existing law authorizes, under certain circumstances, the commissioner of civil marriages in certain counties to appoint deputy commissioners of civil marriages and provides that deputy commissioners of civil marriages are employees of the county clerk's office. (NRS 122.175) Section 5 of this bill: (1) removes the prohibition against deputy commissioners of civil marriages solemnizing marriages at any time other than the working hours or shift during which the deputy commissioners of civil marriages are employed; (2) sets forth certain prerequisites that must be satisfied before a person who will be retained as an independent contractor by the county clerk's office may be appointed as a deputy commissioner of civil marriages; and (3) authorizes the compensation of a deputy commissioner of civil marriages who is retained as an independent contractor by the county clerk's office to be based upon the number or volume of marriages that the deputy commissioner solemnizes.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 794.

AN ACT relating to crimes; revising various provisions governing graffiti offenses; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally provides that a person who unlawfully places graffiti on or otherwise defaces public or private property is guilty of a misdemeanor, gross misdemeanor or felony, depending on the value of the loss of the property. Additionally, if a person commits more than one offense pursuant to a scheme or continuing course of conduct, the value of the loss of all the property must be aggregated for the purposes of determining a penalty if the value of the loss is $5,000 or more. (NRS 206.330) **Section 1** of this bill revises this provision and requires aggregation when the value of the loss is $500 or more. **Section 1** also provides that a person who commits an offense on any protected site in this State is guilty of a category C felony.

Existing law also requires a person who unlawfully places graffiti on or otherwise defaces public or private property to pay a monetary fine and perform community service. (NRS 206.330) **Section 1** specifies that in addition to any other fine or penalty imposed, a court may order such a person to pay restitution. **Section 1** also provides that a person convicted of a third offense must perform up to 300 hours of community service for up to a year cleaning up, repairing, replacing or keeping clean of graffiti the property damaged or destroyed by the person or another specified property.

Section 2 of this bill also authorizes a court to order a person who unlawfully places graffiti on or otherwise defaces public or private property to participate in counseling, and if the person is less than 18 years of age, order the parent or legal guardian of the person to attend or participate in counseling. **Section 2** further authorizes the owner of public or private property that has been damaged by graffiti to bring a civil action against the person who damaged the property. The property owner may be awarded damages in an amount up to three times **the amount of any loss in value to the property and up to three times** the cost of restoring the property, in addition to attorney's fees and costs.

by grantor; and the balance or surplus of such proceeds of sale it shall pay to grantor, his or her heirs, executors, administrators or assigns.

8. COVENANT NO. 8. That in the event of a sale of the premises conveyed or transferred in trust, or any part thereof, and the execution of a deed or deeds therefor under such trust, the recital therein of default, and of recording notice of breach and election of sale, and of the elapsing of the 3-month period, and of the giving of notice of sale, and of a demand by beneficiary, his or her heirs or assigns, that such sale should be made, shall be conclusive proof of such default, recording, election, elapsing of time, and of the due giving of such notice, and that the sale was regularly and validly made on due and proper demand by beneficiary, his or her heirs and assigns; and any such deed or deeds with such recitals therein shall be effectual and conclusive against grantor, his or her heirs and assigns, and all other persons; and the receipt for the purchase money recited or contained in any deed executed to the purchaser as aforesaid shall be sufficient discharge to such purchaser from all obligation to see to the proper application of the purchase money, according to the trusts aforesaid.

9. COVENANT NO. 9. That the beneficiary or his or her assigns may, from time to time, appoint another trustee, or trustees, to execute the trust created by the deed of trust or other conveyance in trust. A copy of a resolution of the board of directors of beneficiary (if beneficiary be a corporation), certified by the secretary thereof, under its corporate seal, or an instrument executed and acknowledged by the beneficiary (if the beneficiary be a natural person), shall be conclusive proof of the proper appointment of such substituted trustee. Upon the recording of such certified copy or executed and acknowledged instrument, the new trustee or trustees shall be vested with all the title, interest, powers, duties and trusts in the premises vested in or conferred upon the original trustee. Bill read third time.

The following amendment was proposed by Assemblymen Conklin and Bustamante Adams:

Amendment No. 811.

AN ACT relating to financial institutions; revising provisions governing the period that a bank may hold certain real property; removing provisions requiring a bank annually to charge off a certain percentage of the value of certain real property held by the bank and acquired as a result of a debt owed to the bank; revising provisions governing the review of certain applications for licensure by the Commissioner of Financial Institutions; revising provisions relating to the control of a retail trust company; revising provisions governing the assets which certain trust companies are required to maintain; revising provisions governing applications for a license to operate a retail trust company; authorizing certain persons to appeal certain decisions of the Commissioner; **requiring the State Controller to develop and operate with financial institutions a data-match system for the collection of certain debts owed to the State;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a bank to hold real property that the bank acquires through the collection of debts owed to it for up to 10 years, and **section 1** of this bill reduces that period to 5 years, except that a bank may request an extension of that period from the Commissioner of Financial Institutions of not more than 5 years. Existing law also requires a bank to charge off the real property on a schedule of not less than 10 percent per year, or at a greater percentage if so required by the Commissioner. (NRS 662.015) **Section 1**

removes the requirement that a bank annually charge off a certain percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and responsibilities related to retail trust companies, including investigating companies that apply for licensure as a retail trust company, issuing licenses to qualified companies to operate as a retail trust company and removing from office an officer, director, manager or employee of a retail trust company for certain conduct. (NRS 657.180, 669.085, 669.090, 669.130, 669.150, 669.160, 669.281) **Section 3** of this bill requires the Commissioner to consider certain criteria related to the potential long-term success of a trust company before approving the company's application for licensure to operate as a retail trust company. **Section 4** of this bill requires a person who intends to obtain control of a retail trust company to submit an application for licensure to the Commissioner. **Section 7** of this bill requires the Commissioner to provide to an applicant for licensure as a retail trust company written notice of any grounds for denial of an application and authorizes the applicant to cure any defect or deficiency in the application and resubmit the application within a certain period. **Section 8** of this bill provides that a person who is removed from office by the Commissioner may appeal his or her removal from office within a certain period.

Existing law requires a retail trust company to maintain at least 50 percent of its required stockholders' equity in cash, unless the Commissioner approves a different amount, with the remaining amount to be held in the form of readily marketable securities or certain other assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100) **Section 6** of this bill requires a retail trust company to maintain a certain amount of its required stockholders' equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders' equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner. **Section 6** further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders' equity meet certain investment standards. **Section 6** also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

Section 10 of this bill requires the State Controller to develop and operate a system for matching data to collect outstanding debts owed to the State. Financial institutions in this State must provide to the State Controller information on persons who maintain accounts at the financial institution and are identified by the State Controller as owing outstanding debts to the State. Financial institutions are then required to encumber assets held in the financial institution by the debtors to pay their debts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 662.015 is hereby amended to read as follows:

Assembly Bill No. 525.

Bill read third time.

The following amendment was proposed by Assemblywoman Smith:

Amendment No. 807.

AN ACT relating to wildlife; requiring the Department of Wildlife to establish the Wildlife Trust Fund; authorizing the Department to accept any gift, donation, bequest or devise from any private source for the Wildlife Trust Fund; requiring the Director to report income and expenditures from the Wildlife Trust Fund to the Chief of the Budget Division of the Department of Administration and the Interim Finance Committee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill requires the Department of Wildlife to establish the Wildlife Trust Fund for the purposes of receiving any gift, donation, bequest or devise from any private source for the Wildlife Trust Fund. The money in the Wildlife Trust Fund must be used either for the specified purpose of the donor who donated the money or, if the donor specified no purpose, then in the sound discretion of the Director of the Department. This bill further establishes that the money in the Wildlife Trust Fund is private money and exempts the **expenditure of** money in the Wildlife Trust Fund from the ~~[statutory requirements relating to the expenditure of public money.]~~ **provisions of the State Purchasing Act.** Finally, this bill requires the Director to report the income and expenditures of the Wildlife Trust Fund to the Chief of the Budget Division of the Department of Administration and to the Interim Finance Committee.

The provisions of NRS 356.011 apply to any accounts in financial institutions maintained pursuant to this section.

3. The money in the Wildlife Trust Fund must be budgeted and expended, within any limitations which may have been specified by particular donors, at the discretion of the Director. The Director may authorize independent contractors that may be funded in whole or in part from the money in the Wildlife Trust Fund.

4. The Director or the Director's designee shall submit semiannually to the Interim Finance Committee a report concerning the investment and expenditure of the money in the Wildlife Trust Fund in such form and detail as the Interim Finance Committee determines is necessary.

5. A separate statement concerning the anticipated amount and proposed expenditures of the money in the Wildlife Trust Fund must be submitted to the Chief of the Budget Division of the Department of Administration for his or her information at the same time and for the same fiscal years as the requested budget of the Department submitted pursuant to NRS 353.210. The statement must be attached to the requested budget for the Department when the requested budget is submitted to the Fiscal Analysis Division of the Legislative Counsel Bureau pursuant to NRS 353.211.

6. The provisions of ~~[chapters]~~ chapter 333 ~~[, 338 and 341]~~ of NRS ~~[regarding the expenditure of public money]~~ do not apply to the expenditure of money in the Wildlife Trust Fund.

4. Except as otherwise provided in NRS 502.250 and 504.155, all fees for the sale or issuance of stamps, tags, permits and licenses that are required to be deposited in the Wildlife Account pursuant to the provisions of this title and any matching money received by the Department from any source must be accounted for separately and must be used:

SECOND READING AND AMENDMENT

Senate Bill No. 192.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 698.

AN ACT relating to governmental financial administration; requiring the submission of annual reports by certain governmental entities relating to the persons awarded contracts for the design or construction of public works and the compilation of such reports by the Commission on Economic Development; requiring the capital improvement plan of a local government to include certain information regarding expenditures to maintain, renovate and replace capital assets; authorizing certain local governments to expend certain taxes ad valorem to maintain, renovate and replace governmental buildings; requiring the distribution of a portion of the taxes ad valorem levied in certain counties to the regional transportation commissions in those counties and authorizing the distribution to be pledged for bonds and other securities issued for payment of the cost of regional transportation projects; declaring the policy of the State to use private sector services on public works; **providing for an interim study;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Local governments are required under existing law to submit an annual fiscal report to the Department of Taxation. (NRS 354.6015) **Section 6** of this bill requires a local government to include in that annual report the percentage of contracts for the design and construction of public works that were awarded during the reporting period to contractors and design professionals in this State. **Sections 14 and 16** of this bill impose identical reporting requirements on the State Public Works Board and the Department of Transportation with respect to contracts for public works of the State. **Section 2** of this bill requires the Commission on Economic Development to compile those reports and transmit the compilation to the Legislature, or the Interim Finance Committee, if the Legislature is not in regular session.

Under existing law, a local government is required to prepare annually a 6-year capital improvement plan. (NRS 354.5945) **Section 4.5** of this bill requires such a plan to include a separate listing of expenditures to maintain, renovate and replace capital assets, and a comparison of those expenditures to the amount of depreciation of those assets.

Existing law authorizes a county to levy a tax ad valorem for capital projects in the amount of 5 cents per $100 of the assessed valuation of the county and, in a county whose population is 100,000 or more (currently Clark and Washoe Counties), requires the distribution of a portion of the proceeds of the tax among the county and the cities and towns within the county. (NRS 354.59815) **Section 5** of this bill authorizes each of those local governments that receives such a distribution to expend those tax receipts for projects to maintain, renovate and replace its buildings.

Section 7 of this bill requires the distribution to the regional transportation commission created in each county whose population is 100,000 or more (currently Clark and Washoe Counties) of the portion of the property taxes levied for operating purposes by that county at the rate of 2 cents per $100 of assessed valuation. **Section 15** of this bill authorizes this distribution to be

used as pledged revenue for bonds and other securities issued by the county to pay the cost of regional transportation projects in the county.

Under existing law, if the estimated cost of a public work is $100,000 or less, the State or a local government is authorized to award the contract to a contractor or perform the work with its own employees if certain requirements are met. (NRS 338.1386, 338.1442) Similarly, under existing law, if the estimated cost of a public work is less than $35,000, the State or a political subdivision is authorized to prepare the maps, plans, specifications, reports and estimates for the public work itself. (NRS 625.530) The Department of Transportation is also authorized under existing law to perform limited work and improvements itself. (NRS 408.323) **Sections 8, 11, 17 and 18** of this bill add a legislative declaration to those provisions in existing law, stating that, whenever possible, it is in the best interest of the State for those services on public works to be performed by the private sector. **Section 19 of this bill directs the Legislative Commission to conduct an interim study concerning the extent to which contractors and workers who are employed on public projects and large private projects are from this State and provide recommendations for policies and other actions to increase the number of contractors and workers who are from this State.**

Sec. 11.3. If a public hearing is required in connection with a grant from the Federal Government to a state agency, commission or department, the agency, commission or department may:

2. Conduct the hearing in accordance with chapter 241 of NRS.

Sec. 11.5. A department, institution or agency of the Executive Department of the State Government that receives a grant for a program which requires the approval of the Interim Finance Committee and which requires the department, institution or agency to take action to carry out

the program, including, without limitation, classifying positions, recruiting for positions, advertising for bids and requesting proposals, may begin to carry out the program before obtaining that approval if the department, institution or agency includes a statement in any notice or advertisement that the position or contract is contingent upon the approval of the Interim Finance Committee.

Sec. 11.7. **NRS 353.220 is hereby amended to read as follows:**

353.220 1. The head of any department, institution or agency of the Executive Department of the State Government, whenever he or she deems it necessary because of changed conditions, may request the revision of the work program of his or her department, institution or agency at any time during the fiscal year, and submit the revised program to the Governor through the Chief with a request for revision of the allotments for the remainder of that fiscal year.

2. Every request for revision must be submitted to the Chief on the form and with supporting information as the Chief prescribes.

3. Before encumbering any appropriated or authorized money, every request for revision must be approved or disapproved in writing by the Governor or the Chief, if the Governor has by written instrument delegated this authority to the Chief.

4. Whenever a request for the revision of a work program of a department, institution or agency in an amount more than ~~[$20,000]~~ ***$30,000*** would, when considered with all other changes in allotments for that work program made pursuant to NRS 353.215 and subsections 1, 2 and 3 of this section, increase or decrease by 10 percent or ~~[$50,000,]~~ ***$75,000,*** whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program, the request must be approved as provided in subsection 5 before any appropriated or authorized money may be encumbered for the revision.

5. If a request for the revision of a work program requires additional approval as provided in subsection 4 and:

(a) Is necessary because of an emergency as defined in NRS 353.263 or for the protection of life or property, the Governor shall take reasonable and proper action to approve it and shall report the action, and his or her reasons for determining that immediate action was necessary, to the Interim Finance Committee at its first meeting after the action is taken. Action by the Governor pursuant to this paragraph constitutes approval of the revision, and other provisions of this chapter requiring approval before encumbering money for the revision do not apply.

(b) The Governor determines that the revision is necessary and requires expeditious action, he or she may certify that the request requires expeditious action by the Interim Finance Committee. Whenever the Governor so certifies, the Interim Finance Committee has 15 days after the request is submitted to its Secretary within which to consider the revision. Any request

for revision which is not considered within the 15-day period shall be deemed approved.

(c) Does not qualify pursuant to paragraph (a) or (b), it must be submitted to the Interim Finance Committee. The Interim Finance Committee has 45 days after the request is submitted to its Secretary within which to consider the revision. Any request which is not considered within the 45-day period shall be deemed approved.

6. The Secretary shall place each request submitted pursuant to paragraph (b) or (c) of subsection 5 on the agenda of the next meeting of the Interim Finance Committee.

7. In acting upon a proposed revision of a work program, the Interim Finance Committee shall consider, among other things:

(a) The need for the proposed revision; and

(b) The intent of the Legislature in approving the budget for the present biennium and originally enacting the statutes which the work program is designed to effectuate.

2. If:

(a) Any proposed gift or grant is necessary because of an emergency as defined in NRS 353.263 or for the protection or preservation of life or property, the Governor shall take reasonable and proper action to accept it and shall report the action and his or her reasons for determining that immediate action was necessary to the Interim Finance Committee at its first meeting after the action is taken. Action by the Governor pursuant to this paragraph constitutes acceptance of the gift or grant, and other provisions of this chapter requiring approval before acceptance do not apply.

(b) The Governor determines that any proposed gift or grant would be forfeited if the State failed to accept it before the expiration of the period prescribed in paragraph (c), the Governor may declare that the proposed acceptance requires expeditious action by the Interim Finance Committee. Whenever the Governor so declares, the Interim Finance Committee has 15 days after the proposal is submitted to its Secretary within which to approve or deny the acceptance. Any proposed acceptance which is not considered within the 15-day period shall be deemed approved.

(c) The proposed acceptance of any gift or grant does not qualify pursuant to paragraph (a) or (b), it must be submitted to the Interim Finance Committee. The Interim Finance Committee has 45 days after the proposal is submitted to its Secretary within which to consider acceptance. Any proposed acceptance which is not considered within the 45-day period shall be deemed approved.

3. The Secretary shall place each request submitted to the Secretary pursuant to paragraph (b) or (c) of subsection 2 on the agenda of the next meeting of the Interim Finance Committee.

4. In acting upon a proposed gift or grant, the Interim Finance Committee shall consider, among other things:

(a) The need for the facility or service to be provided or improved;

(b) Any present or future commitment required of the State;

(c) The extent of the program proposed; and

(d) The condition of the national economy, and any related fiscal or monetary policies.

5. A state agency may accept:

(a) Gifts, including grants from nongovernmental sources, not exceeding ~~[$10,000]~~ ***$20,000*** each in value; and

(b) Governmental grants not exceeding ~~[$100,000]~~ ***$150,000*** each in value,

➥ if the gifts or grants are used for purposes which do not involve the hiring of new employees and if the agency has the specific approval of the Governor or, if the Governor delegates this power of approval to the Chief of the Budget Division of the Department of Administration, the specific approval of the Chief.

6. This section does not apply to:

(a) The Nevada System of Higher Education;

(c) Artifacts donated to the Department of Cultural Affairs.

Sec. 12. ~~[The Chief of the Office of Grant Procurement, Coordination and Management established pursuant to NRS 232.213, as amended by section 9 of this act, shall:~~

Sec. 12.5. **NRS 353.345 is hereby repealed.**

Sec. 13. This act becomes effective on July 1, 2011.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 20.

The following Senate amendment was read:

Amendment No. 618.

AN ACT relating to optometry; requiring the Nevada State Board of Optometry to issue a license by endorsement to practice optometry in this State in certain circumstances; revising provisions governing the examination for licensure by the Board; revising provisions governing the discipline and unprofessional or unethical conduct of licensees; repealing provisions that require the Board to maintain a roster of licensees; repealing provisions that pertain to the scope of reexaminations for licensure; establishing fees; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires each applicant for a license to practice optometry in this State to take and pass an examination prepared and administered by the Nevada State Board of Optometry or by a testing agency that has been designated by the Board. The examination must test the fitness of an applicant to practice optometry and include testing of the applicant's knowledge of statutes and regulations governing the practice of optometry. (NRS 636.150, 636.180, 636.185) Other states have enacted legislation creating exceptions from general licensure provisions which allow certain qualified persons who are licensed in another jurisdiction to receive a license to practice optometry without requiring the licensee to take an examination that is designed to evaluate competency to practice optometry. However, existing law in this State does not authorize such an exception.

Section 2 of this bill provides for the issuance of a license by endorsement to practice optometry and requires the Board to issue a license by endorsement to certain qualified applicants who are licensed to practice optometry in the District of Columbia or other states or territories and who have been continuously and actively engaged in the practice of optometry for the 5 years immediately preceding the date on which they apply to the Board for the issuance of a license by endorsement. **Section 7** of this bill requires an applicant for a license by endorsement to take and pass an examination, but **section 3** of this bill provides that the examination must test only the applicant's knowledge of statutes and regulations governing the practice of optometry in this State. **Section 5** of this bill establishes the fees which must be paid by an applicant for the examination for a license by endorsement and for the issuance and renewal of a license by endorsement.

Section 10 of this bill revises provisions governing the score required to pass the examinations, and **sections 6, 8, 9, 11 and 12** of this bill make certain revisions to distinguish between the examination for and issuance of a license to practice optometry and a license by endorsement.

Existing law also defines the scope of the practice of optometry in this State and authorizes the Board to discipline licensees for certain acts or omissions and determine what acts constitute unethical or unprofessional conduct by licensees. (NRS 636.025, 636.130, 636.290-636.340) **Section 4.5 of this bill provides that a license to practice optometry does not authorize an optometrist to engage in acts or perform procedures which are not authorized by law.** **Section 13** of this bill authorizes the Board to discipline licensees for the commission of a felony **[,] or** for conduct that demonstrates incompetency in the practice of optometry**.** ~~[or for practicing or offering to practice optometry outside the scope of practice authorized by law.]~~ **Sections 14 and 15** of this bill revise provisions pertaining to unprofessional or unethical conduct relating to the use of prescription blanks and the sale, solicitation or advertisement of certain products and services.

Section 16 of this bill repeals provisions requiring the Board to maintain a roster of licensees and authorizing the Board to determine the scope of reexaminations for licensure.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 636 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. The Board shall, except for good cause, issue a license by endorsement to practice optometry to an applicant who has been issued a license to practice optometry by the District of Columbia or any state or territory of the United States if:***

(b) The applicant:

(1) Has obtained a passing score on an examination for licensure that is recognized by the Board as an appropriate examination to assess competency in the practice of optometry;

(2) Has had no adverse actions reported to the National Practitioner Data Bank within the 5 years immediately preceding the date of the application;

(3) Has been continuously and actively engaged in the practice of optometry for the 5 years immediately preceding the date of the application;

(4) Is not involved in and does not have pending any disciplinary action concerning a license to practice optometry in the District of Columbia or any state or territory of the United States;

(5) Provides information to the Board about any malpractice claim that has been brought against the applicant, regardless of when the claim was filed or how the claim was resolved;

(6) Obtains a passing score on the examination for licensure by endorsement administered by the Board pursuant to NRS 636.170; and

(7) Pays the fee required by NRS 636.143.

2. A license by endorsement may be issued at a meeting of the Board or between its meetings by the President and Executive Director. Such action shall be deemed to be an action of the Board.

Sec. 3. ***An examination for licensure by endorsement must:***

1. Test only the examinee's knowledge of statutes and regulations governing the practice of optometry in this State;

2. Be prepared and administered by the Board or a testing agency that has been designated by the Board to conduct its examinations; and

3. Be conducted in the English language.

Sec. 4. (Deleted by amendment.)

Sec. 4.5. **NRS 636.025 is hereby amended to read as follows:**

636.025 1. The acts set forth in this ~~[section,]~~ ***subsection,*** or any of them, whether done severally, collectively or in combination with other acts

The provisions of this paragraph do not prevent an optical mechanic from doing the mere mechanical work of replacement or duplication of the ophthalmic lens or prevent a licensed dispensing optician from engaging in the practice of ophthalmic dispensing.

(c) The examination of the human eye and its appendages, the measurement of the powers or range of human vision, the determination of the accommodative and refractive states of the eye or the scope of its function in general, or the diagnosis or determination of any visual, muscular, neurological, interpretative or anatomic anomalies or deficiencies of the eye or its appendages or visual processes.

(d) Prescribing, directing the use of or using any optical device in connection with ocular exercises, orthoptics or visual training.

(e) The prescribing of contact lenses.

(f) The measurement, fitting or adaptation of contact lenses to the human eye except under the direction and supervision of a physician, surgeon or optometrist licensed in the State of Nevada.

(g) The topical use of diagnostic pharmaceutical agents to determine any visual, muscular, neurological, interpretative or anatomic anomalies or deficiencies of the eye or its appendages or visual processes.

(h) Prescribing, directing the use of or using a therapeutic pharmaceutical agent to treat an abnormality of the eye or its appendages.

(i) Removing a foreign object from the surface or epithelium of the eye.

(j) The ordering of laboratory tests to assist in the diagnosis of an abnormality of the eye or its appendages.

2. The provisions of ~~[this section]~~ ***subsection 1*** do not authorize an optometrist to engage in any practice which includes:

(a) The incision or suturing of the eye or its appendages; or

(b) The use of lasers for surgical purposes.

3. A license to practice optometry issued pursuant to this chapter does not authorize an optometrist to engage in any act or perform any procedure which is not authorized by this chapter or the regulations adopted pursuant thereto.

Sec. 5. NRS 636.143 is hereby amended to read as follows:

Remarks by Assemblyman Atkinson.

Motion carried by a constitutional majority.

Bill ordered to Senate.

Assembly Bill No. 456.

The following Senate amendment was read:

Amendment No. 763.

AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders against the parent or legal guardian of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes a standard high school diploma and an adjusted diploma and requires that to receive a standard high school diploma, a pupil must satisfy the requirements for graduation from high school and either pass the high school proficiency examination in its entirety or fail to pass certain subject areas on the examination and satisfy certain alternative criteria prescribed by the State Board of Education. (NRS 389.805) **Section 5** of this bill provides that a pupil who has failed to pass the same subject area of the high school proficiency examination each time the pupil took the examination, including the final administration of the examination to the pupil before the date on which he or she is otherwise regularly scheduled to graduate, may receive a standard high school diploma if the pupil obtained a cumulative score that meets the required cumulative score prescribed by the State Board and also satisfies certain additional conditions. **Section 5** also removes the satisfaction of the existing alternative criteria as a means by which a pupil may receive a standard high school diploma. **Section 9.5** of this bill requires the board of trustees of each school district, on or before December 31, 2012, to submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the number of pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by **section 5**.

Section 6 of this bill authorizes school districts to adopt a policy that allows a high school pupil who has failed to comply with minimum attendance requirements the opportunity to make up the credits which the pupil missed during his or her absence.

Existing law prescribes the actions which must be taken by a juvenile court against a child who has been adjudicated in need of supervision because the child is a habitual truant. (NRS 62E.430) **Section 7** of this bill authorizes a juvenile court to order the parent or legal guardian of such a child to attend conferences with the child's teacher and appropriate school administrators to address the status of the child as a habitual truant and to develop a plan to ensure that the child attends school.

Section 8 of this bill authorizes the parent or legal guardian of a child between the ages of 16 and 18 years to indicate on a work permit that is issued to the child by the county, if any, the maximum number of hours that his or her child may work and the particular hours in which that work may occur during the week or on the weekend.

Existing law provides that a child under the age of 16 years may be employed in certain occupations for not more than 48 hours in any 1 week and 8 hours in any 1 day. (NRS 609.240) **Section 9** of this bill revises the hours that a child may be employed to 20 hours in any 1 week when school is in session and 48 hours in any 1 week when school is not in session.

Remarks by Assemblyman Bobzien.

Motion carried.

The following Senate amendment was read:

Amendment No. 623.

AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders against the parent or legal guardian of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes a standard high school diploma and an adjusted diploma and requires that to receive a standard high school diploma, a pupil must satisfy the requirements for graduation from high school and either pass the high school proficiency examination in its entirety or fail to pass certain subject areas on the examination and satisfy certain alternative criteria prescribed by the State Board of Education. (NRS 389.805) **Section 5** of this bill provides that a pupil who has failed to pass the same subject area of the high school proficiency examination ~~[not less than six times]~~ **each time the pupil took the examination, including the final administration of the examination to the pupil before the date on which he or she is otherwise regularly scheduled to graduate,** may receive a standard high school diploma if the pupil obtained a cumulative score that meets the required cumulative score prescribed by the State Board and also satisfies certain additional conditions. **Section 5 also removes the satisfaction of the existing alternative criteria as a means by which a pupil may receive a standard high school diploma. Section 9.5 of this bill requires the board of trustees of each school district, on or before December 31, 2012, to submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the number of**

pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by section 5.

Section 6 of this bill authorizes school districts to adopt a policy that allows a high school pupil who has failed to comply with minimum attendance requirements the opportunity to make up the credits which the pupil missed during his or her absence.

Existing law prescribes the actions which must be taken by a juvenile court against a child who has been adjudicated in need of supervision because the child is a habitual truant. (NRS 62E.430) **Section 7** of this bill authorizes a juvenile court to order the parent or legal guardian of such a child to attend conferences with the child's teacher and appropriate school administrators to address the status of the child as a habitual truant and to develop a plan to ensure that the child attends school.

Section 8 of this bill authorizes the parent or legal guardian of a child between the ages of 16 and 18 years to indicate on a work permit that is issued to the child by the county, if any, the maximum number of hours that his or her child may work and the particular hours in which that work may occur during the week or on the weekend.

Existing law provides that a child under the age of 16 years may be employed in certain occupations for not more than 48 hours in any 1 week and 8 hours in any 1 day. (NRS 609.240) **Section 9** of this bill revises the hours that a child may be employed to 20 hours in any 1 week when school is in session and 48 hours in any 1 week when school is not in session.

THE ONE HUNDRED TWELFTH DAY

CARSON CITY (Sunday) May 29, 2011

Assembly called to order at 1:41 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, April Mastroluca.

Good afternoon. Today I would like to read a passage from 2 Corinthians. The author Paul sends a letter to the church in Corinth to address his concerns by false teachers that Paul was not a genuine Apostle and that he was keeping money that was being collected for the poor.

In Chapter 9 Paul writes:

> "Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.
>
> Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be made rich in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God. Because of the service by which you have proved yourselves, men will praise God for the obedience that accompanies your confession of the gospel of Christ, and for your generosity in sharing with them and with everyone else. And in their prayers for you their hearts will go out to you, because of the surpassing grace God has given you. Thanks be to God for his indescribable gift!"

Heavenly Father, we hear Your Word and it reminds us that we are here to share Your Grace that You have generously bestowed upon us with others. Please help us remember this in all that we do. We ask for Your blessing on this day and all we will accomplish. In Matthew chapter 12, Your Son Jesus tells the Pharisees that the law permits a person to do good on the Sabbath. Allow us to do our work for Your good on this Holy day. It is in Your Son's name we pray.

AMEN.

Pledge of allegiance to the Flag.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 784.

AN ACT relating to state financial administration; ~~[requiring the Economic Forum to hold at least one regular meeting during each calendar quarter; providing for a member of the Economic Forum to be considered present at a meeting of the Economic Forum if the member is participating in the meeting by telephone or video conference;]~~ amending certain reporting requirements of the Economic Forum; ~~[authorizing the Chair of the Economic Forum to limit certain deliberations of the Economic Forum;]~~ **requiring the Economic Forum to hold additional meetings;** authorizing the ~~[Chair of the]~~ Economic Forum to request certain information and testimony; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Economic Forum, a panel of economic and financial experts appointed by the Governor, the Majority Floor Leader of the Senate and the Speaker of the Assembly, provides revenue estimates and projections to the Governor and the Legislature. (NRS 353.226, 353.228) This bill makes a number of changes to the operations of the Economic Forum. ~~[Section 1 of this bill requires the Economic Forum to hold at least one meeting during each calendar quarter rather than the current requirement of meeting as often as necessary to accomplish its statutory duties. Section 1 also requires the Chair of the Economic Forum to set the agenda for the meetings and authorizes the Chair to consider a member present at a meeting, for purposes of complying with the Open Meeting Law, if the member is participating in the meeting by telephone or video conference.]~~ **Section 2** of this bill requires certain reports of the Economic Forum that currently must be made, respectively, on or before December 1 before each regular session of the Legislature and on or before May 1 of the following year to instead be made on or before December ~~[1]~~ **3 of each even-numbered year** and May 1 of each **odd-numbered** year. **Section 2** also **requires the Economic Forum to hold additional meetings, on or before June 10 of each even-numbered year and December 10 of each odd-numbered year, to consider current economic indicators and to update the status of actual State General**

Fund revenue accordingly, as compared to the most recent revenue estimates made by the Economic Forum. The Economic Forum then must present the updated information to the Interim Finance Committee and must make the information available to the public on the website of the Legislature. Finally, section 2 authorizes the ~~[Chair to limit certain deliberations of the]~~ Economic Forum ~~[and]~~ to request testimony and ~~[written]~~ information from any state agency, which then must provide the testimony or information.

Legislative Counsel's Digest:

Section 1 of this bill establishes the amount of the State's share of the costs of premiums or contributions for group insurance for active state officers and employees who participate in the Public Employees' Benefits Program. **Section 2** of this bill establishes the base amount that is used to calculate the share of the costs of premiums or contributions for group insurance under the Program that is required to be paid by the State and local governments for retired public officers and employees. **Section 2** of this bill also establishes the base amount that is used to calculate the share of the cost of qualified medical expenses for individual Medicare insurance plans through the Program that is required to be paid by the State and local governments for retired public officers and employees **~~[.]~~ and provides for an increase to that base amount in Fiscal Year 2012-2013 if the Board of the Program determines that additional reserves of the Program are available for this purpose.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. For the purposes of NRS 287.044 and 287.0445, the State's share of the cost of premiums or contributions for group insurance for each active state officer or employee who elects to participate in the Public Employees' Benefits Program is:

(b) For the Fiscal Year 2012-2013, $733.64 per month.

2. If the amount of the State's share pursuant to this section exceeds the actual premium or contribution for the plan of the Public Employees' Benefits Program that the state officer or employee selects less any amount paid by the state officer or employee toward the premium or contribution, the balance must be credited to the Fund for the Public Employees' Benefits Program created by NRS 287.0435, which may be used to pay a portion of the premiums or contributions for persons that are eligible to participate in the Public Employees' Benefits Program through such a state officer or employee.

Sec. 2. 1. Except as otherwise provided in subsection 2, for the purposes of NRS 287.023 and 287.046, the base amount for the share of the cost of premiums or contributions for group insurance for each person who has retired with state service and continues to participate in the Public Employees' Benefits Program is:

2. (a) For those persons who retired before January 1, 1994, $150 per month.

(b) For those persons who retired on or after January 1, 1994, $10 per month per year of service, excluding service purchased pursuant to NRS 1A.310 or 286.300, up to a maximum of $200 per month.

➥ For Fiscal Year 2012-2013, the amounts specified in paragraphs (a) and (b) may be increased by an amount based on the percentage increase in the premium for Part B of the Health Insurance for the Aged Act, 42 U.S.C. §§ 1395 et seq., between the calendar year ending on December 31, 2011, and the calendar year ending on December 31, 2012, which must be rounded to the nearest dollar. The amount of such an increase must be paid from the reserves of the Program if the Board of the Program determines that reserves in excess of the actuarially required reserves of the Program are available for this purpose.

3. No money may be paid by the State Retirees' Health and Welfare Benefits Fund created by NRS 287.0436 on behalf of a person who is initially hired by the State on or after January 1, 2010, and who:

Amendment No. 736.

SUMMARY— ~~[Clarifies the definition of]~~ **Defines the term** “minor” for the purposes of ~~[certain criminal statutes.]~~ **the crime of kidnapping in the first degree.** (BDR 15-121)

AN ACT relating to crimes; ~~[clarifying the definition of]~~ **defining the term** “minor” for the purposes of ~~[certain criminal statutes;]~~ **the crime of kidnapping in the first degree;** and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

~~[On July 30, 2009, the Fourth Judicial District Court, in and for the County of Elko, held that the provisions of NRS 200.710 concerning the unlawful use of a minor in producing pornography or as a subject of sexual portrayal in a performance are unconstitutionally vague because it is unclear whether the term “minor” means a person under 16 years of age or a person under 18 years of age. (State of Nevada v. Aaron Taylor Hughes, Nev. Fourth Jud. Dist. Ct. Case No. CR-FP-08-2848 (July 30, 2009))~~

~~This bill defines “minor,” as used in title 15 of NRS (Crimes and Punishments), to mean a person who is under 18 years of age, except as otherwise defined by specific statute.]~~

Existing law establishes degrees of kidnapping and provides that kidnapping in the first degree includes certain actions performed with the intent to keep a minor away from his or her parents, guardians or any person who has lawful custody of the minor, or with the intent to hold the minor to unlawful service, or perpetrate any unlawful act upon the minor. (NRS 200.310) This bill defines the term “minor” as used in those provisions of existing law as a person who is under 18 years of age.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 193 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~***Except as otherwise defined by specific statute, “minor” means a person who is under 18 years of age.]***~~ **(Deleted by amendment.)**

Sec. 2. ~~[NRS 193.010 is hereby amended to read as follows:~~

~~193.010 As used in this title, unless the context otherwise requires, the words and terms defined in NRS 193.011 to 193.0245, inclusive, *and section 1 of this act* have the meanings ascribed to them in those sections.~~] **(Deleted by amendment.)**

Sec. 2.5. **NRS 200.310 is hereby amended to read as follows:**

200.310 1. A person who willfully seizes, confines, inveigles, entices, decoys, abducts, conceals, kidnaps or carries away a person by any means whatsoever with the intent to hold or detain, or who holds or detains, the person for ransom, or reward, or for the purpose of committing sexual assault, extortion or robbery upon or from the person, or for the purpose of killing the person or inflicting substantial bodily harm upon the person, or to exact from relatives, friends, or any other person any money or valuable thing for the return or disposition of the kidnapped person, and a person who leads, takes, entices, or carries away or detains any minor with the intent to keep, imprison, or confine the minor from his or her parents, guardians, or any other person having lawful custody of the minor, or with the intent to hold the minor to unlawful service, or perpetrate upon the person of the minor any unlawful act is guilty of kidnapping in the first degree which is a category A felony.

2. A person who willfully and without authority of law seizes, inveigles, takes, carries away or kidnaps another person with the intent to keep the person secretly imprisoned within the State, or for the purpose of conveying the person out of the State without authority of law, or in any manner held to service or detained against the person's will, is guilty of kidnapping in the second degree which is a category B felony.

3. As used in this section, "minor" means a person who is under 18 years of age.

Sec. 3. This act becomes effective on July 1, 2011.

Assemblyman Ohrenschall moved the adoption of the amendment.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 671.

AN ACT relating to vehicles; revising provisions relating to the issuance of permits for travel on the highways of this State for certain oversize or overweight vehicles; revising provisions regarding administrative fines and penalties for certain violations of such permits; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Transportation to issue permits for travel on the highways of this State by vehicles that exceed certain limits

regarding size or weight, and provides criminal penalties for the failure to obtain such a permit or to misuse such a permit. (NRS 484D.600, 484D.620, 484D.680, 484D.745) **Sections 25, 26 and 35** of this bill require the Department of Motor Vehicles to issue permits for vehicles that exceed certain length requirements. **Section 25** also authorizes the Department of Transportation to issue permits that further restrict size or weight limits in certain circumstances, and to allow reciprocity with other states regarding various vehicle permits. **Section 19** of this bill authorizes the Department of Transportation to impose an administrative fine for certain violations of a permit, and **sections 27 and 35** of this bill give the Department of Motor Vehicles similar authority. **Section 19** also requires the Department of Transportation to issue, free of charge, a replacement for a permit that has been lost or stolen, and **section 35** also authorizes the Department of Motor Vehicles to charge a fee for a similar replacement permit. **Section 20** of this bill authorizes both the Department of Transportation and the Department of Motor Vehicles to impose certain penalties for repeated permit violations within 1 year. **Section 32** of this bill authorizes a city, a county, the Department of Transportation and any other agency involved to charge the holder of certain permits for ~~[any]~~ **certain** costs incurred in the travel of the permitted vehicle**.** ~~[, such as traffic escorts, movement of various utilities to allow travel and damage done to any highway of this State.]~~

Amendment No. 645.

SUMMARY—Revises provisions concerning the ~~[quarterly]~~ publication of certain financial information by certain local governments. (BDR 21-400)

AN ACT relating to local financial administration; revising provisions concerning the ~~[quarterly]~~ publication of certain financial information by an incorporated city or a county; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the clerk and council of each city incorporated under general law or charter to publish in a newspaper a quarterly statement of the city's finances that shows the receipts and disbursements and the details of each bill that the city has paid. (NRS 268.030) **Section 2** of this bill requires the publication of only the total amounts of the city's receipts, disbursements and bills paid for the quarter but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. **Section 2** also requires publication of the financial statement on the Internet website of the city, if the city maintains an Internet website. **Section 1** of this bill eliminates a duplicative requirement for the publication of financial information that only applies to the city clerks of cities incorporated under general law.

Under existing law, a board of county commissioners is required to publish in a newspaper a quarterly financial statement of receipts, expenditures and bills allowed. (NRS 244.225, 354.210) **Sections 3 and ~~[4]~~ 5** of this bill require the publication of only the total amounts of the county's receipts, expenditures and bills allowed but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. **Sections 3 and ~~[4]~~ 5** also require publication of the financial statement on the Internet website of the county if the county maintains an Internet website.

Section 4 of this bill requires the Committee on Local Government Finance to adopt regulations regarding the appropriate format for the financial statements posted on the Internet website of cities and counties.

Amendment No. 594.

SUMMARY— **~~[~~**~~Requires the establishment of a~~**~~]~~** **Revises provisions governing the issuance of** business **~~[~~**~~license to engage in contracting~~**~~]~~** **licenses** in certain counties and cities in this State. (BDR 20-820)

AN ACT relating to businesses; requiring a board of county commissioners and the governing bodies of certain incorporated cities to enter into an agreement to establish a business license to allow a licensed contractor to engage in the business of contracting in the county and cities under certain circumstances; **authorizing a board of county commissioners**

and the governing bodies of certain other incorporated cities to enter into such an agreement; revising the circumstances for obtaining a county or city business license; revising certain provisions for the issuance of a license for a food establishment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties, cities and towns to issue business licenses and permits to operate a business within the limits of the county, city or town and to collect taxes on those licenses. (NRS 244.335, 266.355, 268.095, 269.170) **Sections 1 and 2** of this bill require the board of county commissioners in a county whose population is 700,000 or more (currently Clark County) and the governing body of each incorporated city whose population is 150,000 or more located in such a county (currently Henderson, Las Vegas and North Las Vegas) to enter into an agreement with each other for the establishment of a business license to allow a licensed contractor to engage in the business of contracting in the county and cities if the contractor: (1) has a place of business in an unincorporated area of the county; or (2) does not have a place of business in the county. **Sections 1 and 2 also require such a board of county commissioners to enter into similar agreements with the governing body of each incorporated city whose population is less than 150,000 located in the county (currently Boulder City and Mesquite) who chooses to enter into such an agreement.** **Sections 1 and 2** further require the board of county commissioners and governing body of each **such** incorporated city to establish by ordinance a system for issuing the business license which sets forth the requirements for obtaining the license and the fees for the issuance and renewal of the license.

Existing law requires an applicant for a county or city business license to sign an affidavit to affirm that he or she has complied with the business licensing provisions of this State. (NRS 244.335, 268.095) Sections 1.5 and 3 of this bill provide for an alternative procedure for an applicant to prove compliance by providing his or her entity number assigned by the Secretary of State for investigation by the city council or board of county commissioners to whom he or she is applying. Existing law also requires an applicant for a city or county business license to sign an affidavit affirming that the business maintains certain insurance requirements. (NRS 244.33505, 268.0955) Sections 1.7 and 3.5 of this bill allow an applicant to attest to his or her compliance with these provisions instead of providing a physical signature if the applicant submits his or her application electronically.

Existing law prohibits a city, county or other licensing authority from issuing a license for the operation of a food establishment until the owner has obtained the required permit by the health authority. (NRS 446.877) Section 3.7 of this bill authorizes the board of county commissioners or the governing body of an incorporated city to issue a

license to a food establishment contingent upon the owner's obtaining the required health permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 804.

SUMMARY—~~[Provides for redistricting of election districts in Carson City and the Cities of Henderson, Reno and Sparks, contingent upon voter approval.]~~ **Revises provisions governing elections and officers in certain cities.** (BDR S-731)

AN ACT relating to ~~[redistricting;]~~ **cities;** creating, contingent upon voter approval, a sixth ward for the City of Reno; requiring, contingent upon voter approval, that the candidates for Supervisor in Carson City and for Council Member in the City of Henderson, the City of Reno and the City of Sparks be voted upon in a primary or general election only by the registered voters of the ward that a candidate seeks to represent; **revising the requirements for serving as the City Attorney for the City of Sparks;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Council Member. A sixth Council Member represents the City at large. (Reno City Charter §§ 1.050, 2.010) **Section 7** of this bill increases the number of wards in Reno to six, and **sections 8-10** of this bill replace the office of Council Member at large with the office of Council Member to represent the newly created sixth ward.

The existing Charters of the Cities of Reno and Sparks provide that the candidates for Council Member to represent a particular ward must be voted on in a primary election only by the registered voters of that ward but in a general election, must be elected by the registered voters of the City at large. (Reno City Charter §§ 5.010, 5.020; Sparks City Charter §§ 5.010, 5.020)

Sections 9 and 10 of this bill amend the Charter of the City of Reno, and **sections 11 and 12** of this bill amend the Charter of the City of Sparks, to provide that all candidates for Council Member must be elected in a general election by only the registered voters of the ward that a candidate seeks to represent. The existing Charters of Carson City and the City of Henderson provide that the candidates for Supervisor and Council Member, respectively, must be elected by the registered voters of the City at large in both a primary and a general election. (Carson City Charter §§ 2.010, 5.010, 5.020; Henderson City Charter §§ 2.010, 5.010, 5.020) **Sections 1-3** of this bill amend the Charter of Carson City, and **sections 4-6** of this bill amend the Charter of the City of Henderson, to provide that all candidates for Supervisor and Council Member, respectively, must be elected in a primary or general election only by the registered voters of the ward that a candidate seeks to represent.

Sections 15-18 of this bill require Carson City and the Cities of Henderson, Reno and Sparks to place on the ballot for the 2012 general election the question of whether to amend their respective charters to provide that all candidates for Supervisor or Council Member, as appropriate, must be elected in a primary or general election by only the registered voters of the ward that a candidate seeks to represent.

The existing Charter of the City of Sparks provides that all elective officers, including the City Attorney, must be: (1) residents of the City for at least 30 days before the end of the period for filing for office and for the duration of their term of office; and (2) registered voters within the City. (Sparks City Charter § 1.060) Section 10.5 of this bill revises these requirements for the City Attorney, requiring instead that the City Attorney be a resident of and registered to vote in Washoe County, rather than the City of Sparks.

Section 19 of this bill provides that the sections of this bill relating to ~~[each]~~ **Carson** City **and the Cities of Henderson and Sparks** become effective only if the voters of that City approve the ballot question required by this bill. **Section 19 also provides that the sections of this bill relating to the City of Reno and the City Attorney for the City of Sparks become effective on July 1, 2011. Finally, section 19 provides that the sections of this bill relating to the City of Reno expire on June 30, 2015, if the voters of that City do not approve the ballot question required by this bill.**

Senate Bill No. 321.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 799.

AN ACT relating to taxicabs; requiring the Taxicab Authority to establish a system for the use of radio frequency identification or other electronic means in the enforcement of its allocations of taxicabs; providing for the use

of **a physical security seal or** an electronic security seal for a taximeter **; ~~[under certain circumstances;]~~** requiring the establishment of standards for a daily trip sheet in electronic form; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Taxicab Authority regulates taxicabs in a county whose population is 400,000 or more (currently Clark County) and in any county that, by ordinance, has placed itself under the jurisdiction of the Taxicab Authority. (NRS 706.881) The Taxicab Authority is responsible, among other things, for determining whether conditions in a county require the establishment of a system of allocations of the number of taxicabs allowed to operate in the county. If so, the Taxicab Authority is responsible for allocating the taxicabs among the existing operators of taxicab businesses in the county. The Taxicab Authority also performs allocations if it subsequently determines that circumstances require a permanent increase in the number of taxicabs allocated. (NRS 706.8824) Similarly, the Taxicab Authority determines whether circumstances require a temporary increase in the allocations and, if so, the additional number of taxicabs to be allocated, the limits on their operations and the duration of the temporary increase. (NRS 706.88245) **The Administrator of the Taxicab Authority issues each allocated taxicab a medallion which must be affixed on the left rear fender of the taxicab. (NAC 706.450, 706.489) Section 1** of this bill requires the Taxicab Authority to establish by regulation a system for the use of radio frequency identification or other electronic means to verify **~~[and confirm compliance with any terms and conditions placed on the allocations of taxicabs made by]~~ the validity of the medallion on any taxicab located within the jurisdiction of** the Taxicab Authority.

Existing law requires an operator of a taxicab business subject to the jurisdiction of the Taxicab Authority to equip each taxicab with a two-way mobile radio and to maintain central facilities for dispatching the taxicabs. The operator may maintain the facilities individually or in cooperation with other operators, but the facilities must be principally engaged in communication by radio with the taxicabs. (NRS 706.8832) **Section 1.5** of this bill **deletes the requirement that the mobile radio be a two-way radio and** provides a definition of "communication by radio."

Under existing law, each taxicab must be equipped with a taximeter that clearly displays the fare, the miles traveled and certain other information. After installation, the taximeter is sealed by the Administrator of the Taxicab Authority. (NRS 706.8836) **Section 2** of this bill provides that **~~[the Administrator will determine the kind of seal to be used, and also specifies that]~~** the seal may **~~[include]~~ be a physical security seal on each access point of the taximeter or** an electronic security seal that is encrypted and protected by **~~[a password.]~~ an audited authentication and authorization mechanism. Section 2 further authorizes the Administrator to require use of the electronic security seal if the Administrator makes certain findings**

relating to the availability and cost of the sealing method and provides at least 12 months' notice to the operators of taxicabs.

Existing law requires that an operator of a taxicab business subject to the jurisdiction of the Taxicab Authority require its drivers to fill out daily trip sheets that include information such as the time, place of origin and destination of each trip. The operator of the taxicab business is required to maintain the daily trip sheets for at least 3 years and make them available to the Administrator for inspection. (NRS 706.8844) **Section 3** of this bill requires the Administrator to establish requirements for the use of an electronic version of a daily trip sheet. If an operator of a taxicab business requires its drivers to keep the daily trip sheet in electronic form, **section 3** requires the operator to maintain the resulting information in a secure database and provide the Administrator with access to the information in the database.

5. The Administrator may require that each taximeter be sealed by an electronic security seal that is encrypted and protected by an audited authentication and authorization mechanism for each user that is accessible only by the Administrator if the Administrator:

(b) Knowingly permitting or requiring any employee to violate any provision of NRS 706.881 to 706.885, inclusive, ***and section 1 of this act*** or any regulation of the Taxicab Authority or Administrator.

➥ If a penalty is imposed on the grantee of a certificate pursuant to this section, the Taxicab Authority or Administrator may require the grantee to pay the costs of the proceeding, including investigative costs and attorney's fees.

3. When a driver or certificate holder fails to appear at the time and place stated in the notice for the hearing, the Administrator shall enter a finding of default. Upon a finding of default, the Administrator may suspend or revoke the license, permit or certificate of the person who failed to appear and impose the penalties provided in this chapter. For good cause shown, the Administrator may set aside a finding of default and proceed with the hearing.

4. Any person who operates or permits a taxicab to be operated in passenger service without a certificate of public convenience and necessity issued pursuant to NRS 706.8827, is guilty of a gross misdemeanor. If a law enforcement officer witnesses a violation of this subsection, the law enforcement officer may cause the vehicle to be towed immediately from the scene.

5. The conviction of a person pursuant to subsection 1 does not bar the Taxicab Authority or Administrator from suspending or revoking any certificate, permit or license of the person convicted. The imposition of a fine or suspension or revocation of any certificate, permit or license by the Taxicab Authority or Administrator does not operate as a defense in any proceeding brought under subsection 1.

Sec. 5. This act becomes effective upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act and on July 1, 2011, for all other purposes.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. **Section 8.5** further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Section 12 of this act provides that the sections of this bill that provide for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels expire by limitation in 2 years.

Amendment adopted.

The following amendment was proposed by Assemblyman Horne:

Amendment No. 765.

SUMMARY—Revises provisions concerning ~~[the issuance of marriage licenses.]~~ **counties.** (BDR 11-227)

AN ACT relating to ~~[marriage; revising provisions concerning the issuance of marriage licenses;]~~ **counties; providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; removing the prospective expiration of provisions allowing a county office to deviate from the required hours of operation under certain circumstances;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) **Section 8.5** of this bill requires the board of county commissioners in each county whose population is less than 700,000 (currently all counties other than Clark County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in

which the marriage license is issued. **Section 8.5** further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Existing law also establishes the required hours of operation for county offices, including offices where marriage licenses may be issued. (NRS 122.061, 245.040, 252.050) However, for the period between March 11, 2010, and June 30, 2011, county offices are authorized under existing law to deviate from those required hours of operation if the board of county commissioners approves the plan for the deviation submitted by the office. (Chapter 9, Statutes of Nevada 2010, 26th Special Session, p. 50) Section 9.7 of this bill makes the temporary authority to deviate from the required hours of operation permanent.

GENERAL FILE AND THIRD READING

Assembly Bill No. 171.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 787.

AN ACT relating to education; revising provisions governing the membership of a committee to form a charter school and the governing body of a charter school; revising provisions for the process of review of an application to form a charter school; authorizing the governing body of a charter school to set a salary for the attendance of its members at meetings of the governing body; revising the requirements for a charter school to be eligible for an exemption from annual performance audits and to receive certain money for facilities; revising provisions governing the employment of licensed employees by a charter school; revising various other provisions governing charter schools; repealing the Subcommittee on Charter Schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill revises the membership of a committee to form a charter school and revises the process for review of an application to form a charter school by the Department of Education.

Section 2 of this bill revises the procedure for the review of an application to form a charter school if the proposed sponsor is the State Board of Education.

Section 3 of this bill provides that if the sponsor of a charter school denies a request for an amendment of a written charter of the charter school, the sponsor must provide written notice to the governing body which sets forth the reasons for the denial.

Section 3.5 of this bill provides that the sponsor of a charter school may revoke the written charter before the expiration of the charter if the sponsor determines that the charter school failed to comply with the material terms and conditions of the written charter.

Section 5 of this bill authorizes the Department to request certain information from a charter school, regardless of whether that information is required by specific statute, and provides that if the Department requests such information, the Department shall include in the request a mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will incur any costs for the charter school.

Section 6 of this bill revises the membership of the governing body of a charter school and authorizes the governing body, upon a majority vote of members, to set a salary for the attendance of its members at meetings of the governing body, not to exceed $80 per meeting per month.

Existing law prescribes the requirement for a charter school to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriations or otherwise for facilities. A charter school is eligible if at least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination. (NRS 386.5515) **Section 7** of this bill revises this eligibility requirement to require that at least 75 percent of the pupils enrolled in the charter school in grade 12 in the immediately preceding school year who have satisfied the course work requirements for graduation have passed the high school proficiency examination.

Existing law provides that the pupils enrolled in charter schools must be included in the count of pupils for purposes of the apportionments and allowances from the State Distributive School Account and provides for the reimbursement of administrative costs to the sponsor of a charter school. (NRS 386.570) **Section 9** of this bill requires the State Board to prescribe a process which ensures that all charter schools, regardless of the sponsor, have information of all sources of funding for the public schools provided through the Department. ~~[Section 9 also changes the percentage of administrative costs that the State Board or a college or university may receive for sponsorship after the first year of operation of a charter school from 1.5 percent to 1 percent.]~~

Existing law requires a school district to grant a leave of absence to an employee of the school district, not to exceed 3 years, to accept employment with a charter school sponsored by the school district. The school district is required to grant such an employee's request to return to his or her former teaching position or a comparable teaching position within the school district after the approved leave of absence is complete. (NRS 386.595) **Section 9.7** of this bill removes the provision which specifies that the school district which is the sponsor of the charter school shall grant a leave of absence, so that a school district, regardless of sponsor, shall grant such a leave of absence for its licensed employees. **Section 9.7** also removes the provision which provides that the employee may return to his or her former teaching position and instead authorizes the employee to return to a comparable

teaching position. **Section 9.7** further requires that upon the request of a governing body of a charter school, the board of trustees of a school district, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. **Section 9.7** also requires that upon request of the board of trustees of a school district, the governing body of a charter school, with the permission of the licensed employee who is granted a leave of absence from the school district, transmit to the school district a copy of the employment record of the employee maintained by the charter school. Finally, **section 9.7** authorizes the school district to conduct an investigation of any misconduct of the licensed employee who was granted a leave of absence for employment with a charter school and who requests to return to employment with the school district.

Under existing law, a parent may homeschool a child if the parent submits to the superintendent of schools of the school district in which the child resides a notice of intent to homeschool the child. (NRS 392.700) **Section 10** of this bill requires a charter school, to the extent practicable, to notify the school district in which the child resides if the child who is or was homeschooled enrolls in the charter school and provides that the child may be counted for the purposes of the calculation of basic support whether or not the charter school provides the notice.

Section 11 of this bill repeals the Subcommittee on Charter Schools.

Sec. 9. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or

the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. ***The State Board shall prescribe a process which ensures that all charter schools, regardless of the sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.***

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable,

pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 ~~[1]~~ percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school

owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.

Sec. 9.5. NRS 386.590 is hereby amended to read as follows:

386.590 1. Except as otherwise provided in this subsection, at least 70 percent of the teachers who provide instruction at a charter school must be licensed teachers. If a charter school is a vocational school, the charter school shall, to the extent practicable, ensure that at least 70 percent of the teachers who provide instruction at the school are licensed teachers, but in no event may more than 50 percent of the teachers who provide instruction at the school be unlicensed teachers.

2. A governing body of a charter school shall employ:

(a) If the charter school offers instruction in kindergarten or grade 1, 2, 3, 4, 5, 6, 7 or 8, a licensed teacher to teach pupils who are enrolled in those grades. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(b) If the charter school offers instruction in grade 9, 10, 11 or 12, a licensed teacher to teach pupils who are enrolled in those grades for the subjects set forth in subsection 4. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(c) In addition to the requirements of paragraphs (a) and (b):

(1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.

(2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full-time.

(3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full-time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not "initially hired" if the person has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his or her current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if the teacher teaches one or more of the following subjects:

The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate

disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee's return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

The Department shall develop a standard form for the notice of intent to homeschool. The form must not require any information or assurances that are not otherwise required by this section or other specific statute. The board of trustees of each school district shall, in a timely manner, make only the form developed by the Department available to parents who wish to homeschool their child.

2. The notice of intent to homeschool must be filed before beginning to homeschool the child or:

(a) Not later than 10 days after the child has been formally withdrawn from enrollment in public school; or

4. If the name or address of the parent or child as indicated on a notice of intent to homeschool changes, the parent must, not later than 30 days after the change, file a new notice of intent to homeschool with the superintendent of schools of the school district in which the child resides.

5. A notice of intent to homeschool must include only the following:

(a) The full name, age and gender of the child;

(b) The name and address of each parent filing the notice of intent to homeschool;

(d) An educational plan for the child that is prepared pursuant to subsection 12;

(e) If applicable, the name of the public school in this State which the child most recently attended; and

7. The school district shall provide to a parent who files a notice a written acknowledgment which clearly indicates that the parent has provided notification required by law and that the child is being homeschooled. The written acknowledgment shall be deemed proof of compliance with Nevada's compulsory school attendance law. The school district shall retain a copy of the written acknowledgment for not less than 15 years. The written acknowledgment may be retained in electronic format.

8. The superintendent of schools of a school district shall process a written request for a copy of the records of the school district, or any information contained therein, relating to a child who is being or has been homeschooled not later than 5 days after receiving the request. The superintendent of schools may only release such records or information:

(a) To a person or entity specified by the parent of the child, or by the child if the child is at least 18 years of age, upon suitable proof of identity of the parent or child; or

(b) If required by specific statute.

9. If a child who is or was homeschooled seeks admittance or entrance to any school in this State, the school may use only commonly used practices in determining the academic ability, placement or eligibility of the child. ***If the child enrolls in a charter school, the charter school shall, to the extent practicable, notify the board of trustees of the school district in which the child resides of the child's enrollment in the charter school. examinations on the Internet website of the school district maintained pursuant to NRS 389.004.

12. The parent of a child who is being homeschooled shall prepare an educational plan of instruction for the child in the subject areas of English, including reading, composition and writing, mathematics, science and social studies, including history, geography, economics and government, as appropriate for the age and level of skill of the child as determined by the parent. The educational plan must be included in the notice of intent to homeschool filed pursuant to this section. If the educational plan contains the requirements of this section, the educational plan must not be used in any manner as a basis for denial of a notice of intent to homeschool that is otherwise complete. The parent must be prepared to present the educational plan of instruction and proof of the identity of the child to a court of law if required by the court. This subsection does not require a parent to ensure that each subject area is taught each year that the child is homeschooled.

13. No regulation or policy of the State Board, any school district or any other governmental entity may infringe upon the right of a parent to educate his or her child based on religious preference unless it is:

(a) Essential to further a compelling governmental interest; and

(b) The least restrictive means of furthering that compelling governmental interest.

14. As used in this section, "parent" means the parent, custodial parent, legal guardian or other person in this State who has control or charge of a child and the legal right to direct the education of the child.

Assembly Bill No. 432.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 788.

AN ACT relating to energy auditors; establishing the qualifications for an energy auditor; providing for the licensure of energy auditors by the Real Estate Division of the Department of Business and Industry; establishing the requirements with which an energy auditor must comply when conducting an energy audit; repealing provisions that require the Nevada Energy Commissioner to establish a program for evaluating the energy consumption of residential property in this State; **making an appropriation;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Nevada Energy Commissioner to establish a program for evaluating energy consumption in residential property in this State and requires a seller to provide a copy of this evaluation to a purchaser of his or her property. (NRS 113.115, 701.250) This bill repeals those provisions. Instead, **section 5** of this bill provides for the licensure of energy auditors by the Real Estate Division of the Department of Business and Industry and establishes the training and qualifications an energy auditor must have to be licensed to conduct energy audits in this State. **Section 6** of this bill establishes the requirements for conducting an energy audit, limited energy audit or energy assessment, including, without limitation, the elements of the home which must be evaluated, the software and tools the energy auditor must use and the report the energy auditor must provide to the homeowner and the United States Department of Energy.

Sections 7-28 of this bill are technical amendments required to carry out the administration of the licensure of the energy auditors, including making the provision of energy audits without a license a misdemeanor. In addition, **section 28** makes it a category E felony to attempt to obtain a license as an energy auditor through intentional misrepresentation, deceit or fraud. **Section 30.5 of this bill makes an appropriation to the Real Estate Division for personnel and other costs associated with licensing energy auditors.**

Amendment No. 823.

SUMMARY—Revises provisions governing ~~[the State Board of Podiatry.]~~ **health care providers.** (BDR 54-502)

AN ACT relating to ~~[podiatry;]~~ **health care providers;** requiring each person licensed by the State Board of Podiatry to maintain a permanent mailing address with the Board; requiring each licensee to provide the Board with written notification of any change in his or her permanent address; requiring the Board to impose a fine if a licensee fails to notify the Board of a change in his or her permanent address; requiring a licensee who closes his or her office in this State to notify the Board of the location and custodian of the medical records of the patients of the licensee for a certain period; codifying in statutory form the requirement in administrative regulation that an applicant for a license issued by the Board submit to a criminal background check; **revising provisions governing the qualifications for obtaining a license to practice dental hygiene;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Board of Podiatry to license and regulate the conduct of podiatrists and podiatry hygienists. (NRS 635.050-635.180) **Section 2** of this bill requires a licensee to maintain a permanent mailing address with the Board and notify the Board in writing of any change in the licensee's permanent address. **Section 2** also requires the Board to impose a fine against any licensee who fails to notify the Board of a change in his or her permanent address. Additionally, **section 2** requires a licensee who changes the location of his or her office to notify the Board of the new location and requires a licensee who closes his or her office to notify the Board of the closure within 14 days after closing the office. **Section 2** further requires a licensee who closes his or her office to keep the Board apprised of the location and custodian of the medical records of the licensee's patients for a minimum of 5 years.

Existing regulation requires each applicant for licensure by the Board to submit to the Board a complete set of fingerprints and written permission authorizing the Board to submit the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. (NAC 635.023) **Section 3** of this bill codifies in statute this existing requirement in regulation.

Section 4 of this bill provides that a licensee is subject to disciplinary action if he or she fails to notify the Board in writing of a change in permanent mailing address in the manner required by **section 2** of this bill.

Section 4.5 of this bill revises provisions governing the qualifications for obtaining a license to practice dental hygiene by providing that an applicant may satisfy the clinical examination requirement for licensure if he or she presents evidence to the Board of Dental Examiners of Nevada that the applicant has, within the 5 years immediately preceding the date of the application, passed a clinical examination approved by the Board and the American Board of Dental Examiners.

Section 6.3 of this bill authorizes the issuance of an electronic prescription for a controlled substance included in schedule II if such an electronic prescription is issued in compliance with any regulations adopted by the Board concerning electronic prescriptions.

remedies before the party is entitled to seek judicial review of a final decision of the Commission; (2) specifies certain periods in which certain documents must be filed with the court and served upon the parties involved in the judicial review; and (3) provides that a final decision of the Commission is deemed reasonable and lawful until reversed or set aside in whole or in part by the court.

Senate Bill No. 57.

Amendment No. 735.

SUMMARY— ~~[~~Expands the circumstances pursuant to which a court is authorized to issue~~]~~ **Establishes procedures for the Children's Advocate or his or her designee to obtain** certain warrants. (BDR ~~[~~11-289~~]~~ **38-289)**

AN ACT relating to children; ~~[~~expanding the circumstances pursuant to which a court is authorized to issue~~]~~ **establishing procedures for the Children's Advocate or his or her designee to obtain, under certain circumstances,** a warrant to take physical custody of a **missing** child ~~[.]~~ **who was allegedly abducted;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law as set forth in the Uniform Child Custody Jurisdiction and Enforcement Act (chapter 125A of NRS) authorizes a court in a proceeding to enforce a child custody determination to issue a warrant to take physical custody of a child in an emergency situation if the court finds that the child is immediately likely to suffer serious physical harm or to be removed from this State. Before issuing the warrant, the court is required to hold a hearing at which the party alleging the need for the warrant is present but not the party who has physical custody of the child. (NRS 125A.525) The Uniform Child Custody Jurisdiction and Enforcement Act also authorizes a court in this State, to enforce a child custody determination issued by a court in another state, to issue an order to take physical custody of a child in a nonemergency situation after holding a hearing at which both parties, the petitioner and the respondent, are given an opportunity to be heard. (NRS 125A.495)

Existing law as set forth in the Uniform Child Abduction Prevention Act (chapter 125D of NRS) authorizes a court, pursuant to a petition filed either before or after a child custody determination has been made, to issue a warrant to take physical custody of a child in an emergency situation if the court finds that there is a credible risk that the child is imminently likely to be wrongfully removed. The court may issue the warrant without providing

prior notice and an opportunity to be heard to the party who has physical custody of the child. (NRS 125D.200)

~~[Existing law also authorizes the court in divorce or other dissolution of marriage proceedings to enter an order allowing a party, under certain circumstances and with the assistance of a law enforcement agency, to obtain physical custody of a child from the party having physical custody of the child if the court finds that it would be in the best interest of the child to do so. (NRS 125.470) Section 1 of this bill deletes this provision regarding divorce and other dissolution of marriage proceedings, and section 2 of this bill sets forth a new procedure.~~

~~Section 2 expands the circumstances in which a court is authorized to issue a warrant to take physical custody of a child. Specifically, section 2 authorizes a court, upon a petition submitted during a proceeding to establish custody of a child or to enforce or modify a child custody determination, to issue a warrant to take physical custody of the child where there is probable cause to believe that the child has been abducted. If the court determines that the child has been abducted and that an emergency situation exists, including, without limitation, a situation in which the child is in imminent danger of being removed from this State or in imminent danger of serious physical harm, the court is authorized to issue a warrant. Before issuing the warrant in an emergency situation, the court must hold a hearing at which the party alleging the need for the warrant is present but not the party alleged to have committed the act of abduction. If the court determines that the situation is not an emergency situation, before issuing the warrant, the court must hold a hearing at which both parties, the party alleging the need for the warrant and the party alleged to have committed the act of abduction, are given an opportunity to be heard.]~~

Finally, existing law establishes the Office of Advocate for Missing or Exploited Children within the Office of the Attorney General and requires the Children's Advocate to carry out various duties relating to missing or exploited children in this State. (NRS 432.157) Section 2 of this bill authorizes the Children's Advocate or his or her designee, under certain circumstances, to apply to a court for a warrant to take physical custody of a missing child where there is probable cause to believe that the child has been abducted. Further, section 2 establishes the procedures for issuing such a warrant. Section 2 also defines the term "abduction" to include kidnapping, aiding and abetting kidnapping and the willful detaining, concealing or removing of a child from a person having lawful custody or a right of visitation of the child by a person who has a limited right of custody to the child by operation of law or pursuant to a court order, judgment or decree or who has no right of custody to the child.

~~[Section 2 differs from the similar provisions of the Uniform Child Custody Jurisdiction and Enforcement Act and the Uniform Child Abduction Prevention Act in various ways, including, without limitation, with regard to the types of cases to which it applies. For example, section 2 applies to: (1) a~~

~~broader category of emergency situations; (2) emergency situations which occur before a child custody determination has been made and in which the child is in imminent danger of serious physical harm; (3) nonemergency situations for child custody determinations that are issued by courts in this State; and (4) children who are willfully detained or concealed from persons having lawful custody or a right of visitation of the child, in addition to children who are removed from such persons.~~**]**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **[**~~NRS 125.470 is hereby amended to read as follows:~~

~~125.470 1. If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, it appears to the court that any minor child of either party has been, or is likely to be, taken or removed out of this State or concealed within this State, the court shall forthwith order such child to be produced before it and make such disposition of the child's custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.~~

~~2.~~ **[**~~If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, the court finds that it would be in the best interest of the minor child, the court may enter an order providing that a party may, with the assistance of the appropriate law enforcement agency, obtain physical custody of the child from the party having physical custody of the child. The order must provide that if the party obtains physical custody of the child, the child must be produced before the court as soon as practicable to allow the court to make such disposition of the child's custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.~~

~~3. If the court enters an order pursuant to subsection 2 providing that a party may obtain physical custody of a child, the court shall order that party to give the party having physical custody of the child notice at least 24 hours before the time at which he or she intends to obtain physical custody of the child, unless the court deems that requiring the notice would likely defeat the purpose of the order.~~

~~4.~~**]** ~~All orders for a party to appear with a child issued pursuant to this section may be enforced by issuing a warrant of arrest against that party to secure his or her appearance with the child.~~

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 593.

SUMMARY— ~~[Authorizes redevelopment agencies to expend money to improve schools.]~~ **Makes various changes relating to development.** (BDR 22-579)

AN ACT relating to ~~[community redevelopment;]~~ **development; revising provisions relating to the preservation of historic neighborhoods in certain regional plans;** authorizing redevelopment agencies to expend money, subject to certain limitations, to improve ~~[schools]~~ **educational facilities** located within certain cities or counties; requiring redevelopment agencies to file reports with their respective governing bodies and the Director of the Legislative Counsel Bureau; **requiring certain**

redevelopment agencies to set aside certain revenue from property taxes for an additional purpose; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill removes the specific requirement of addressing the preservation of historic neighborhoods in the regional plan of a county whose population is 100,000 or more but less than 400,000 (currently Washoe County).

Section 2 of this bill requires a redevelopment agency to submit, upon adoption of a redevelopment plan for a redevelopment area, an initial report containing certain specified information regarding each redevelopment area to the legislative body of the community and to the Nevada Legislature. Each agency is also required to submit an annual report containing information for the redevelopment area for the previous fiscal year, including with respect to areas in existence on July 1, 2011. Section 7 of this bill provides for the submission of an initial report for each redevelopment area for which a redevelopment plan has been adopted before July 1, 2011.

Existing law authorizes the legislative body of a community, having recognized the need for a redevelopment agency to function in the community, to establish a redevelopment revolving fund. (NRS 279.386, 279.392, 279.396, 279.410, 279.620) Existing law also specifies the manner in which, and the permissible purposes for which, money may be expended from the redevelopment revolving fund. (NRS 279.628) ~~[This]~~ **Section 5 of this** bill expands the permissible purposes for which money may be expended from a redevelopment revolving fund to include use by a redevelopment agency for the improvement, with certain limitations, of ~~[schools]~~ **educational facilities** in a city or county with a redevelopment area within its boundaries.

Section 6 of this bill requires the redevelopment agency of a city whose population is 300,000 or more (currently the City of Las Vegas) that receives certain revenue from taxes to set aside a portion of those revenues received on or after October 1, 2011, to be used to increase, improve and preserve, in addition to the number of dwelling units in the community for low-income households, the number of educational facilities within the redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 278.0274 is hereby amended to read as follows:**

(b) Identify the providers of public services within the region and the area within which each must serve, including service territories set by the Public Utilities Commission of Nevada for public utilities;

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 744.

AN ACT relating to common-interest communities; enacting certain amendments to the Uniform Common-Interest Ownership Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law relating to common-interest communities is based on the Uniform Common-Interest Ownership Act (UCIOA), which was proposed by the Uniform Law Commission (ULC). (Chapter 116 of NRS) This bill enacts certain amendments to the UCIOA which have been proposed by the ULC.

Sections 2, 40 and 41 of this bill prescribe the manner in which an association must provide notice of meetings of units' owners and of the executive board and any other notice required to be given by an association other than notices relating to the foreclosure of a lien on a unit held by the association.

Section 4 of this bill authorizes the executive board or any other ~~[interested]~~ person **with an interest in the common-interest community** to commence an action in the district court for the termination of a common-interest community if: (1) substantially all the units in the common-interest community have been destroyed or are uninhabitable; and (2) the available methods for giving notice of a meeting of units' owners to consider termination are not likely to result in receipt of the notice.

Sections 5 and 6 of this bill reorganize and reenact certain provisions of existing law relating to the indemnification of members of executive boards and the provision of equal space to opposing views in official publications under certain circumstances. Additionally, **section 6** enacts provisions

providing for equal time for candidates and representatives of ballot questions on a closed-circuit television station maintained by an association.

Under existing law, the definitions applicable to laws relating to common-interest communities apply to the declarations and bylaws of associations. (NRS 116.003) **Section 7** of this bill ~~[provides]~~ **clarifies** that those definitions ~~[no longer]~~ apply to those declarations and bylaws.

Sections 8-16 of this bill change certain definitions set forth in existing law to conform to the language of the UCIOA.

Existing law provides that other principles of law, including, without limitation, the law of corporations and the law of unincorporated associations, supplement the existing law relating to common-interest communities. (NRS 116.1108) **Section 18** of this bill provides that the laws governing other forms of organization supplement the existing law relating to common-interest communities.

Sections 20-22 of this bill adopt the language of certain amendments to the UCIOA relating to the applicability of existing law governing common-interest communities. **Section 21 also requires certain associations containing not more than 12 units to provide each unit with a copy of any changes made to the governing documents within 30 days after such changes are made.**

Sections 24-31 of this bill adopt the language of certain amendments to the UCIOA relating to the creation, alteration and termination of common-interest communities. **Section 29** grants units' owners the right to use the common elements for the purposes for which they were intended rather than granting an easement to use the common elements for all purposes. **Section 30** amends provisions relating to requirements for amending the declaration of a common-interest community and to the enforcement of certain amendments. **Section 31** amends the requirements for the termination of a common-interest community.

Sections 32-51 of this bill enact certain amendments to the UCIOA which relate to the governance of common-interest communities. **Section 32** requires ~~[the]~~ **an** association **larger than 12 units** to have an executive board and allows ~~[the]~~ **an** association to be organized as any form of organization authorized by the law of this State. **Section 33** allows the executive board not to take enforcement action if it determines that: (1) the law does not support such action; (2) the violation is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or (3) it is not in the best interest of the association to pursue an enforcement action. **Section 34** provides that officers of the association and members of the executive board are subject to the conflict of interest rules which govern officers and directors of nonprofit corporations organized under the law of this State. **Section 34.5 provides that if an association seeks to impose and enforce a construction penalty, the association must provide notice of the maximum allowable penalty and schedule in the public offering statement or resale package. Section 36** authorizes a declarant to end the

period of declarant's control by giving notice to units' owners and recording an instrument stating that the declarant surrenders all rights to control activities of the association. **Section 37** amends provisions relating to the removal of members of the executive board. **Section 38** amends provisions relating to the termination of certain contracts entered into before the election of an executive board by units' owners. **Section 40** provides that the portion of a meeting of the units' owners devoted to comments by units' owners is limited to comments by units' owners regarding any matter affecting the common-interest community or the association. **Section 42** amends requirements for determining whether a quorum is present at a meeting of the executive board to provide that a majority of the votes on the executive board must be present at the time a vote is taken rather than at the beginning of the meeting. **Section 43** authorizes units' owners to vote by absentee ballot at a meeting of the units' owners. **Section 44** provides that a unit's owner is not liable, by reason of being a unit's owner, for injuries or damage arising out of the condition or use of the common elements. **Sections 45 and 59.5** of this bill require an association to obtain crime insurance and remove the requirement that a community manager post a bond. **Section 45** also requires the association to maintain property, liability and crime insurance subject to reasonable deductibles. **Section 48** amends provisions relating to common expenses caused by a unit's owner, a tenant or an invitee of a unit's owner or tenant. **Section 49** ~~[amends provisions relating to liens for certain charges imposed by an association and]~~ authorizes a court to appoint a receiver when an association brings an action to foreclose a lien or collect assessments. **Sections 51 and 60** amend provisions relating to the books and records of an association and the inspection of such books and records by units' owners.

Sections 52-58 of this bill enact certain amendments to the UCIOA which relate to the disclosures provided to purchasers of real estate located in a common-interest community and the warranties applicable to real estate located in a common-interest community. **Section 52** exempts the disposition of a unit restricted to nonresidential purposes from the requirement to provide a public offering statement or certificate of resale. **Section 53** amends the information required to be included in the public offering statement provided to an initial purchaser of a unit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. ***1. Except as otherwise provided in subsection 3, an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit's owner designates. Except as otherwise provided in subsection 3, if a unit's owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:***

(a) Hand delivery to each unit's owner;

(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;

(c) Electronic means, if the unit's owner has given the association an electronic mail address; or

(d) Any other method reasonably calculated to provide notice to the unit's owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116 to 116.31168, inclusive; or

(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association.

Sec. 3. *This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).*

Sec. 4. *If substantially all the units in a common-interest community have been destroyed or are uninhabitable and the available methods for giving notice under NRS 116.3108 of a meeting of units' owners to consider termination under NRS 116.2118 will not likely result in receipt of the notice, the executive board or any other ~~[interested]~~ person holding an interest in the common-interest community may commence an action in the district court of the county in which the common-interest community is located seeking to terminate the common-interest community. During the pendency of the action, the court may issue whatever orders it considers appropriate, including, without limitation, an order for the appointment of a receiver. After a hearing, the court may terminate the common-interest community or reduce its size and may issue any other order the court considers to be in the best interest of the units' owners and persons holding an interest in the common-interest community.*

Sec. 5. *If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted.*

Sec. 6. *1. If an official publication contains any mention of a candidate or ballot question, the official publication must, upon request and under the same terms and conditions, provide equal space to all*

candidates or to a representative of an organization which supports the passage or defeat of the ballot question.

2. If an official publication contains the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and under the same terms and conditions, provide equal space to opposing views and opinions of a unit's owner of the common-interest community.

3. If an association has a closed-circuit television station and that station interviews, or provides time to, a candidate or a representative of an organization which supports the passage or defeat of a ballot question, the closed-circuit television station must, under the same terms and conditions, allow equal time for all candidates or a representative of an opposing view to the ballot question.

4. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 1, 2 or 3.

5. As used in this section:

(a) "Issue of official interest" means:

(1) Any issue on which the executive board or the units' owners will be voting, including, without limitation, elections; and

(2) The enactment or adoption of rules or regulations that will affect the common-interest community.

In a condominium or planned community, the declarant is the owner of any unit created by the declaration until that unit is conveyed to another person. In a cooperative, the declarant is treated as the owner of any

Sec. 19. NRS 116.1114 is hereby amended to read as follows:

116.1114 ~~[~~1.~~]~~ The remedies provided by this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. 116.1201 1. Except as otherwise provided in this section and NRS 116.1203, this chapter applies to all common-interest communities created within this State.

2. This chapter does not apply to:

(a) A limited-purpose association, except that a limited-purpose association:

(1) Shall pay the fees required pursuant to NRS 116.31155, except that if the limited-purpose association is created for a rural agricultural residential common-interest community, the limited-purpose association is not required to pay the fee unless the association intends to use the services of the Ombudsman;

(2) Shall register with the Ombudsman pursuant to NRS 116.31158;

(3) Shall comply with the provisions of:

(I) NRS 116.31038;

(II) NRS 116.31083 and 116.31152, unless the limited-purpose association is created for a rural agricultural residential common-interest community;

(III) NRS 116.31073, if the limited-purpose association is created for maintaining the landscape of the common elements of the common-interest community; and

(IV) NRS 116.31075, if the limited-purpose association is created for a rural agricultural residential common-interest community;

(4) Shall comply with the provisions of NRS 116.4101 to 116.412, inclusive, as required by the regulations adopted by the Commission pursuant to paragraph (b) of subsection 5; and

(5) Shall not enforce any restrictions concerning the use of units by the units' owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

(b) A planned community in which all units are restricted exclusively to nonresidential use unless the declaration provides that this chapter or a part of this chapter does apply to that planned community pursuant to NRS 116.12075. This chapter applies to a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted only if the declaration so provides or if the real estate comprising the units that may be used for residential purposes would be a planned community in the absence of the units that may not be used for residential purposes.

(c) Common-interest communities or units located outside of this State, but ~~[~~the provisions of~~]~~ NRS 116.4102 ~~[~~to 116.4108,~~]~~ ***and 116.4103, and, to the extent applicable, NRS 116.41035 to 116.4107,*** inclusive, apply to ~~[~~all contracts~~]~~ ***a contract*** for the disposition ~~[~~thereof~~]~~ ***of a unit in that common-interest community*** signed in this State by any party unless exempt under subsection 2 of NRS 116.4101.

(d) A common-interest community that was created before January 1, 1992, is located in a county whose population is less than 50,000, and has less than 50 percent of the units within the community put to residential use, unless a majority of the units' owners otherwise elect in writing.

(e) Except as otherwise provided in this chapter, time shares governed by the provisions of chapter 119A of NRS.

3. The provisions of this chapter do not:

(a) Prohibit a common-interest community created before January 1, 1992, from providing for separate classes of voting for the units' owners;

(b) Require a common-interest community created before January 1, 1992, to comply with the provisions of NRS 116.2101 to 116.2122, inclusive;

(c) Invalidate any assessments that were imposed on or before October 1, 1999, by a common-interest community created before January 1, 1992;

(d) Except as otherwise provided in subsection 8 of NRS 116.31105, prohibit a common-interest community created before January 1, 1992, or a common-interest community described in NRS 116.31105 from providing for a representative form of government, except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives;

(e) Prohibit a master association which governs a time-share plan created pursuant to chapter 119A of NRS from providing for a representative form of government for the time-share plan; or

(f) Prohibit a master association which governs a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted and which is exempt from the provisions of this chapter pursuant to paragraph (b) of subsection 2 from providing for a representative form of government.

4. The provisions of chapters 117 and 278A of NRS do not apply to common-interest communities.

5. The Commission shall establish, by regulation:

(a) The criteria for determining whether an association, a limited-purpose association or a common-interest community satisfies the requirements for an exemption or limited exemption from any provision of this chapter; and

(b) The extent to which a limited-purpose association must comply with the provisions of NRS 116.4101 to 116.412, inclusive.

6. As used in this section, "limited-purpose association" means an association that:

(a) Is created for the limited purpose of maintaining:

(1) The landscape of the common elements of a common-interest community;

(2) Facilities for flood control; or

(3) A rural agricultural residential common-interest community; and

(b) Is not authorized by its governing documents to enforce any restrictions concerning the use of units by units' owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

Sec. 21. NRS 116.1203 is hereby amended to read as follows:

116.1203 1. Except as otherwise provided in ~~[subsection 2,]~~ ***subsections 2 and 3,*** if a planned community contains no more than 12 units and is not subject to any developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.

2. ***The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.***

3. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, ***and sections 5 and 6 of this act*** and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than ~~[six]~~ ***6*** units.

Sec. 22. NRS 116.1206 is hereby amended to read as follows:

116.1206 1. Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter:

(a) Shall be deemed to conform with those provisions by operation of law, and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.

(b) Is superseded by the provisions of this chapter, regardless of whether the provision contained in the declaration, bylaw or other governing document became effective before the enactment of the provision of this chapter that is being violated.

2. In the case of amendments to the declaration, bylaws or plats of any common-interest community created before January 1, 1992:

(a) If the result accomplished by the amendment was permitted by law before January 1, 1992, the amendment may be made either in accordance with that law, in which case that law applies to that amendment, or it may be made under this chapter; and

(b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and ***, except as otherwise provided in subsection 8 of NRS 116.2117,*** with the procedures and requirements specified by those instruments. If an amendment grants to ~~[any]~~ ***a*** person ~~[any rights, powers or privileges]~~ ***a right, power or privilege*** permitted by this chapter, ~~[all]~~ ***any*** correlative ~~[obligations, liabilities and restrictions]~~ ***obligation, liability or restriction*** in this chapter also ~~[apply to that]~~ ***applies to the*** person.

Sec. 23. NRS 116.12075 is hereby amended to read as follows:

116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:

(a) This entire chapter applies to the condominium;

(b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or

(c) Only the provisions of NRS 116.3116 to 116.31168, inclusive, apply to the condominium.

2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:

(a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Notwithstanding NRS 116.1104 and subsection ~~[2]~~ ***3*** of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

Sec. 24. NRS 116.2103 is hereby amended to read as follows:

116.2103 1. The inclusion in a governing document of an association of a provision that violates any provision of this chapter does not render any other provisions of the governing document invalid or otherwise unenforceable if the other provisions can be given effect in accordance with their original intent and the provisions of this chapter.

2. The rule against perpetuities and NRS 111.103 to 111.1039, inclusive, do not apply to defeat any provision of the declaration, bylaws, rules or regulations adopted pursuant to NRS 116.3102.

3. ~~[In the event of]~~ ***If*** a conflict ***exists*** between ~~[the provisions of]~~ the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

4. Title to a unit and common elements is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this chapter. Whether a substantial failure impairs marketability is not affected by this chapter.

Sec. 25. NRS 116.2105 is hereby amended to read as follows:

116.2105 1. The declaration must contain:

(a) The names of the common-interest community and the association and a statement that the common-interest community is either a condominium, cooperative or planned community;

(b) The name of every county in which any part of the common-interest community is situated;

(c) A ***legally*** sufficient description of the real estate included in the common-interest community;

(d) A statement of the maximum number of units that the declarant reserves the right to create;

(e) In a condominium or planned community, a description of the boundaries of each unit created by the declaration, including the unit's identifying number or, in a cooperative, a description, which may be by plats, of each unit created by the declaration, including the unit's identifying number, its size or number of rooms, and its location within a building if it is within a building containing more than one unit;

(f) A description of any limited common elements, other than those specified in subsections 2 and 4 of NRS 116.2102, as provided in paragraph (g) of subsection 2 of NRS 116.2109 and, in a planned community, any real estate that is or must become common elements;

(g) A description of any real estate, except real estate subject to developmental rights, that may be allocated subsequently as limited common elements, other than limited common elements specified in subsections 2 and 4 of NRS 116.2102, together with a statement that they may be so allocated;

(h) A description of any developmental rights and other special declarant's rights reserved by the declarant, together with a legally sufficient description of the real estate to which each of those rights applies, and a time ***limit*** within which each of those rights must be exercised;

(i) If any developmental right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(1) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each developmental right or a statement that no assurances are made in those regards; and

(2) A statement whether, if any developmental right is exercised in any portion of the real estate subject to that developmental right, that developmental right must be exercised in all or in any other portion of the remainder of that real estate;

(j) Any other conditions or limitations under which the rights described in paragraph (h) may be exercised or will lapse;

(k) An allocation to each unit of the allocated interests in the manner described in NRS 116.2107;

(l) Any restrictions:

(1) On use, occupancy and alienation of the units; and

(2) On the amount for which a unit may be sold or on the amount that may be received by a unit's owner on sale, condemnation or casualty to the unit or to the common-interest community, or on termination of the common-interest community;

(m) The file number and book or other information ~~[to show where]~~ ***for recorded*** easements and licenses ~~[are recorded]~~ appurtenant to or included in the common-interest community or to which any portion of the common-interest community is or may become subject by virtue of a reservation in the declaration; and

(n) All matters required by NRS 116.2106 to 116.2109, inclusive, 116.2115, 116.2116 and 116.31032.

2. The declaration may contain any other matters the declarant considers appropriate.

Sec. 26. NRS 116.2106 is hereby amended to read as follows:

116.2106 1. Any lease the expiration or termination of which may terminate the common-interest community or reduce its size must be recorded. Every lessor of those leases in a condominium or planned community shall sign the declaration. The declaration must state:

(a) The recording data ~~[where]~~ ***for*** the lease ~~[is]~~ ***or a statement of where the*** recorded ~~[;]~~ ***lease may be inspected;***

(b) The date on which the lease is scheduled to expire;

(c) A legally sufficient description of the real estate subject to the lease;

(d) Any right of the units' owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the units' owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the units' owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

2. After the declaration for a leasehold condominium or leasehold planned community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit's owner in a condominium or planned community is not affected by failure of any other person to pay rent or fulfill any other covenant.

3. Acquisition of the leasehold interest of any unit's owner by the owner of the reversion or remainder does not merge the leasehold and freehold interests unless the leasehold interests of all units' owners subject to that reversion or remainder are acquired.

4. If the expiration or termination of a lease decreases the number of units in a common-interest community, the allocated interests must be reallocated in accordance with subsection 1 of NRS 116.1107 as if those units had been taken by eminent domain. Reallocations must be confirmed by an amendment to the declaration prepared, executed and recorded by the association.

Sec. 27. NRS 116.2107 is hereby amended to read as follows:

116.2107 1. The declaration must allocate to each unit:

(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association **,** **[**~~(NRS 116.3115)~~**]** and a portion of the votes in the association;

(b) In a cooperative, a proportionate ownership in the association, a fraction or percentage of the common expenses of the association **[**~~(NRS 116.3115)~~**]** and a portion of the votes in the association; and

(c) In a planned community, a fraction or percentage of the common expenses of the association **[**~~(NRS 116.3115)~~**]** and a portion of the votes in the association.

2. The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

3. If units may be added to or withdrawn from the common-interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common-interest community after the addition or withdrawal.

4. The declaration may provide:

(a) That different allocations of votes are made to the units on particular matters specified in the declaration;

(b) For cumulative voting only for the purpose of electing members of the executive board; and

(c) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

➥ Except as otherwise provided in NRS 116.31032, a declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter nor may units constitute a class because they are owned by a declarant.

5. Except for minor variations because of rounding, the sum of the liabilities for common expenses and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or 100 percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

6. In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

7. In a cooperative, any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void.

Sec. 28. NRS 116.2113 is hereby amended to read as follows:

116.2113 1. If the declaration expressly so permits, a unit may be subdivided into two or more units. Subject to ~~[the provisions of]~~ the declaration and ~~[other provisions of]~~ law ~~[,]~~ ***other than this chapter,*** upon application of the unit's owner to subdivide a unit, the association shall prepare, execute and record an amendment to the declaration, including **,** in a condominium or planned community **,** the plats, subdividing that unit.

2. The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit to the new units in any reasonable manner prescribed by the owner of the subdivided unit ~~[.]~~ ***or on any other basis the declaration requires.***

Sec. 29. NRS 116.2116 is hereby amended to read as follows:

116.2116 1. Subject to ~~[the provisions of]~~ the declaration, a declarant has an easement through the common elements as may be reasonably necessary to discharge the declarant's obligations or exercise special declarant's rights, whether arising under this chapter or reserved in the declaration.

2. ~~[In a planned community, subject to the provisions of]~~ ***Subject to*** paragraph (f) of subsection 1 of NRS 116.3102 and NRS 116.3112, the units' owners have an easement ~~[:~~

~~(a) In]~~ ***in*** the common elements for purposes of access to their units ***.*** ~~[;~~ ~~and~~

~~(b) To]~~

3. Subject to the declaration and any rules adopted by the association, the units' owners have a right to use the common elements ***that are not limited common elements*** and all real estate that must become common elements ~~[(paragraph (f) of subsection 1 of NRS 116.2105) for all other]~~ ***for the*** purposes ~~[.]~~ ***for which they were intended.***

~~[3.]~~ ***4.*** Unless the terms of an easement in favor of an association prohibit a residential use of a servient estate, if the owner of the servient estate has obtained all necessary approvals required by law or any covenant, condition or restriction on the property, the owner may use such property in any manner authorized by law without obtaining any additional approval from the association. Nothing in this subsection authorizes an owner of a servient estate to impede the lawful and contractual use of the easement.

~~[4.]~~ ***5.*** The provisions of subsection ~~[3]~~ ***4*** do not abrogate any easement, restrictive covenant, decision of a court, agreement of a party or any contract, governing document or declaration of covenants, conditions and restrictions, or any other decision, rule or regulation that a local governing body or other entity that makes decisions concerning land use or planning is authorized to make or enact that exists before October 1, 1999, including, without limitation, a zoning ordinance, permit or approval process or any other requirement of a local government or other entity that makes decisions concerning land use or planning.

Sec. 30. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units' owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by ~~[subsection]~~ ***subsections*** 4, ***7 and 8,*** the declaration, including any plats, may be amended only by vote or agreement of units' owners of units to which at least a majority of the votes in the association are allocated, ~~[or any larger majority]~~ ***unless*** the declaration specifies ~~[. The declaration may specify a smaller number only if all of the units are restricted exclusively to nonresidential use.]~~ ***a different percentage for all amendments or for specified subjects of amendment. If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.***

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to NRS 116.2112, must be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit ~~[or]~~ ***, change*** the allocated interests of a unit ***or change the uses to which any unit is restricted,*** in the absence of unanimous consent of ~~[the]~~ ***only those*** units' owners ***whose units are*** affected and the consent of a majority of the owners of the remaining units.

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. An amendment to the declaration which prohibits or materially restricts the permitted uses of ~~*[or behavior in]*~~ ***a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit's owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit's owner remains the owner of that unit.***

7. A provision in the declaration creating special declarant's rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:

(a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or

(b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

Sec. 31. NRS 116.2118 is hereby amended to read as follows:

116.2118 1. Except in the case of a taking of all the units by eminent domain ***,*** ~~[(NRS 116.1107) or]~~ in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, ***or in the circumstances described in section 4 of this act,*** a common-interest community may be terminated only by agreement of units' owners to whom

at least 80 percent of the votes in the association are allocated, or any larger percentage the declaration specifies ~~[.]~~ ***, and with any other approvals required by the declaration.*** The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common-interest community is to be sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units' owners consent to the sale.

5. The association, on behalf of the units' owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units' owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit's owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units' owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest

community containing only units having horizontal boundaries described in the declaration, title to all the real estate in the common-interest community, vests in the units' owners upon termination as tenants in common in proportion to their respective interests as provided in NRS 116.21185, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

7. Following termination of the common-interest community, the proceeds of ~~[any]~~ ***a*** sale of real estate, together with the assets of the association, are held by the association as trustee for units' owners and holders of liens on the units as their interests may appear.

Sec. 32. NRS 116.3101 is hereby amended to read as follows:

116.3101 1. A unit-owners' association must be organized no later than the date the first unit in the common-interest community is conveyed.

2. The membership of the association at all times consists exclusively of all units' owners or, following termination of the common-interest community, of all owners of former units entitled to distributions of proceeds under NRS 116.2118, 116.21183 and 116.21185, or their heirs, successors or assigns.

3. ~~*[The]*~~ ***Except for a residential planned community containing not more than 12 units, the association must have an executive board.***

4. The association must:

(a) Be organized as a profit or nonprofit corporation, association, limited-liability company, trust ***,*** ~~[or]~~ partnership ~~[,]~~ ***or any other form of organization authorized by the law of this State;***

(b) Include in its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof, that the purpose of the corporation, association, limited-liability company, trust or partnership is to operate as an association pursuant to this chapter;

(c) Contain in its name the words "common-interest community," "community association," "master association," "homeowners' association" or "unit-owners' association"; and

(d) Comply with the applicable provisions of chapters 78, 81, 82, 86, 87, 87A, 88 and 88A of NRS when filing with the Secretary of State its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof.

Sec. 33. NRS 116.3102 is hereby amended to read as follows:

116.3102 1. Except as otherwise provided in this ~~[section,]~~ ***chapter,*** and subject to the provisions of the declaration, the association ***:*** ~~[may do any or all of the following:]~~

(a) ~~[~~Adopt~~]~~ ***Shall adopt*** and ***, except as otherwise provided in the bylaws, may*** amend bylaws ~~[~~,~~]~~ ***and may adopt and amend*** rules and regulations.

(b) ~~[~~Adopt~~]~~ ***Shall adopt*** and ***may*** amend budgets ~~[~~for revenues, expenditures and reserves and~~]~~ ***in accordance with the requirements set forth in NRS 116.31151, may*** collect assessments for common expenses from the units' owners ~~[~~.~~]~~ ***and may invest funds of the association in accordance with the requirements set forth in NRS 116.311395.***

(c) ~~[~~Hire~~]~~ ***May hire*** and discharge managing agents and other employees, agents and independent contractors.

(e) ~~[~~Make~~]~~ ***May make*** contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.

(f) ~~[~~Regulate~~]~~ ***May regulate*** the use, maintenance, repair, replacement and modification of common elements.

(g) ~~[~~Cause~~]~~ ***May cause*** additional improvements to be made as a part of the common elements.

(h) ~~[~~Acquire,~~]~~ ***May acquire,*** hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

(1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

(2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

(i) ~~[~~Grant~~]~~ ***May grant*** easements, leases, licenses and concessions through or over the common elements.

(j) ~~[~~Impose~~]~~ ***May impose*** and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units' owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) ~~[~~Impose~~]~~ ***May impose*** charges for late payment of assessments pursuant to NRS 116.3115.

(l) ~~[~~Impose~~]~~ ***May impose*** construction penalties when authorized pursuant to NRS 116.310305.

(m) ~~[~~Impose~~]~~ ***May impose*** reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

(n) ~~[~~Impose~~]~~ ***May impose*** reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of

unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

(o) ~~[Provide]~~ ***May provide*** for the indemnification of its officers and executive board and maintain ~~[directors' and officers']~~ ***directors and officers*** liability insurance.

(p) ~~[Assign]~~ ***May assign*** its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

(q) ~~[Exercise]~~ ***May exercise*** any other powers conferred by the declaration or bylaws.

(r) ~~[Exercise]~~ ***May exercise*** all other powers that may be exercised in this State by legal entities of the same type as the association.

(s) ~~[Direct]~~ ***May direct*** the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

(1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or

(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.

(t) ~~[Exercise]~~ ***May exercise*** any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not ~~[impose limitations on]~~ ***limit*** the power of the association to deal with the declarant ~~[which are]~~ ***if the limit is*** more restrictive than the ~~[limitations]~~ ***limit*** imposed on the power of the association to deal with other persons.

3. ***The executive board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:***

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

4. The executive board's decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, "assessment" does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 34. NRS 116.3103 is hereby amended to read as follows:

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board ~~[may act in all instances]~~ ***acts*** on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that their actions are in the best interest of the association. ~~[The]~~ ***Officers and*** members of the executive board ~~[are]~~ ***:***

2. The executive board may not act ~~[on behalf of the association]~~ to ~~[amend]~~ ***:***

(a) Amend the declaration ***.*** ~~[.]~~ ~~[to terminate]~~ ~~*[except as otherwise provided in NRS 116.2117.]*~~

(b) Terminate the common-interest community ***.*** ~~[, or to elect]~~

Any executive board member elected to a***

previously vacant position which was temporarily filled by board appointment may only be elected to fulfill the remainder of the unexpired portion of the term.

(d) Determine the qualifications, powers ***,*** ~~[and]~~ duties or terms of office ~~[, but the executive board may fill vacancies in its membership for the unexpired portion of any term unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association.]~~ ***of members of the executive board.***

3. The executive board shall adopt budgets as provided in NRS 116.31151.

Sec. 34.5. **NRS 116.310305 is hereby amended to read as follows:**

116.310305 1. A unit's owner shall adhere to a schedule required by the association for:

(a) The completion of the design of a unit or the design of an improvement to a unit;

(b) The commencement of the construction of a unit or the construction of an improvement to a unit;

(c) The completion of the construction of a unit or the construction of an improvement to the unit; or

(d) The issuance of a permit which is necessary for the occupancy of a unit or for the use of an improvement to a unit.

2. The association may impose and enforce a construction penalty against a unit's owner who fails to adhere to a schedule as required pursuant to subsection 1 if:

(a) The ~~[maximum amount of the]~~ ***right to assess and collect a*** construction penalty ~~[and the schedule are]~~ ***is*** set forth in:

(1) The declaration;

(2) Another document related to the common-interest community that is recorded before the date on which the unit's owner acquired title to the unit; or

(3) A contract between the unit's owner and the association; ~~[and]~~

(b) ***The association has included notice of the maximum amount of the construction penalty and schedule as part of any public offering statement or resale package required by this chapter; and***

(c) The unit's owner receives notice of the alleged violation which informs the unit's owner that he or she has a right to a hearing on the alleged violation.

3. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 35. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit's owner or a tenant or an invitee of a unit's owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit's owner or the tenant or the invitee of the unit's owner or the tenant from:

(1) Voting on matters related to the common-interest community.

(2) Using the common elements. The provisions of this subparagraph do not prohibit the unit's owner or the tenant or the invitee of the unit's owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit's owner or the tenant or the invitee of the unit's owner or the tenant for each violation, except that:

(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and

(2) A fine may not be imposed against a unit's owner or a tenant or invitee of a unit's owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit's owner or tenant or invitee of the unit's owner or the tenant.

➥ If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 against a unit's owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit's owner or the tenant unless the unit's owner:

(a) Participated in or authorized the violation;

(b) Had prior notice of the violation; or

(c) Had an opportunity to stop the violation and failed to do so.

3. ***If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a schedule of the fines that may be imposed for those violations.***

4. The executive board may not impose a fine pursuant to subsection 1 unless:

(a) Not less than 30 days before the violation, the unit's owner and, if different, the person against whom the fine will be imposed had been

provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and

(b) Within a reasonable time after the discovery of the violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:

(1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the violation at the hearing.

➥ For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit's owner.

~~[4.]~~ ***5.*** The executive board must schedule the date, time and location for the hearing on the violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

~~[5.]~~ ***6.*** The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:

(a) Executes a written waiver of the right to the hearing; or

(b) Fails to appear at the hearing after being provided with proper notice of the hearing.

~~[6.]~~ ***7.*** If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

~~[7.]~~ ***8.*** If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

~~[8.]~~ ***9.*** A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

~~[9.]~~ ***10.*** The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

~~[10.]~~ ***11.*** Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

~~[11.]~~ ***12.*** If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 36. NRS 116.31032 is hereby amended to read as follows:

116.31032 1. Except as otherwise provided in this section, the declaration may provide for a period of declarant's control of the association, during which a declarant, or persons designated by a declarant, may appoint and remove the officers of the association and members of the executive board. ***A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period and, in that event, the declarant may require, for the duration of the period of declarant's control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.*** Regardless of the period provided in the declaration, a period of declarant's control terminates no later than ~~[:]~~ ***the earliest of:***

(a) Sixty days after conveyance of 75 percent of the units that may be created to units' owners other than a declarant or, if the association exercises powers over a common-interest community pursuant to this chapter and a time-share plan pursuant to chapter 119A of NRS, 120 days after conveyance of 80 percent of the units that may be created to units' owners other than a declarant;

(b) Five years after all declarants have ceased to offer units for sale in the ordinary course of business; ~~[or]~~

(c) Five years after any right to add new units was last exercised ~~[,~~ ~~whichever occurs earlier.]~~ ***; or***

(d) The day the declarant, after giving notice to units' owners, records an instrument voluntarily surrendering all rights to control activities of the association.

2. ~~[A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period, but in that event the declarant may require, for the duration of the period of declarant's control, that specified actions of the association or executive board, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.~~

~~3.]~~ Not later than 60 days after conveyance of 25 percent of the units that may be created to units' owners other than a declarant, at least one member and not less than 25 percent of the members of the executive board must be elected by units' owners other than the declarant. Not later than 60 days after conveyance of 50 percent of the units that may be created to units' owners other than a declarant, not less than ~~[33 1/3 percent]~~ ***one-third*** of the

members of the executive board must be elected by units' owners other than the declarant.

Sec. 37. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section ~~[~~:

~~(a) The~~~~]~~ ***, the*** number of votes cast ***in favor of removal*** constitutes ~~[~~at~~]~~ ***:***

(a) At least 35 percent of the total number of voting members of the association; and

(b) At least a majority of all votes cast in that removal election **.** ~~[~~are cast in favor of removal.~~]~~

2. ***A removal election may be called by units' owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. To call a removal election, the units' owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this subsection and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If a removal election is called pursuant to this subsection and:***

(a) The voting rights of the units' owners will be exercised through the use of secret written ballots pursuant to this section:

(1) The secret written ballots for the removal election must be sent in the manner required by this section not less than 15 days or more than 60 days after the date on which the petition is received; and

(2) The executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots and not later than 90 days after the date on which the petition was received.

(b) The voting rights of the owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 90 days after the date on which the petition is received.

➥ The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Except as otherwise provided in NRS 116.31105, the removal of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest

community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association may be counted to determine the outcome.

(d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

~~[3. 116.31083 1. A meeting of the executive board must be held at least once every quarter, and not less than once every 100 days and must be held at a time other than during standard business hours at least twice annually.

2. Except in an emergency or unless the bylaws of an association require a longer period of notice, the secretary or other officer specified in the bylaws of the association shall, not less than 10 days before the date of a meeting of the executive board, cause notice of the meeting to be given to the units' owners. Such notice must be:

(a) ~~[Sent prepaid by United States mail to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner;~~

3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the common-interest community. If delivery of the notice in this manner is impracticable, the notice must be hand-delivered to each unit within the common-interest community or posted in a prominent place or places within the common elements of the association.

4. The notice of a meeting of the executive board must state the time and place of the meeting and include a copy of the agenda for the meeting or the date on which and the locations where copies of the agenda may be conveniently obtained by the units' owners. The notice must include notification of the right of a unit's owner to:

(a) Have a copy of the audio recording, the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

5. The agenda of the meeting of the executive board must comply with the provisions of subsection 4 of NRS 116.3108. A period required to be devoted to comments by the units' owners and discussion of those comments must be scheduled for both the beginning and the end of each meeting. During the period devoted to comments by the units' owners and discussion of those comments at the beginning of each meeting, comments by the units' owners and discussion of those comments must be limited to items listed on the agenda. In an emergency, the executive board may take action on an item which is not listed on the agenda as an item on which action may be taken.

6. At least once every quarter, and not less than once every 100 days, unless the declaration or bylaws of the association impose more stringent standards, the executive board shall review, at a minimum, the following financial information at one of its meetings:

(c) A current reconciliation of the operating account of the association;

(d) A current reconciliation of the reserve account of the association;

(e) The latest account statements prepared by the financial institutions in which the accounts of the association are maintained; and

(f) The current status of any civil action or claim submitted to arbitration or mediation in which the association is a party.

7. The secretary or other officer specified in the bylaws shall cause each meeting of the executive board to be audio recorded and the minutes to be recorded or otherwise taken at each meeting of the executive board, but if the executive board is meeting in executive session, the meeting must not be audio recorded. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the audio recording of the meeting, the minutes of the meeting and a summary of the minutes of the meeting to be made available to the units' owners. Except as otherwise provided in this subsection, a copy of the audio recording, the minutes or a summary of the minutes must be provided to any unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

8. Except as otherwise provided in subsection 9 and NRS 116.31085, the minutes of each meeting of the executive board must include:

(a) The date, time and place of the meeting;

(b) Those members of the executive board who were present and those members who were absent at the meeting;

(c) The substance of all matters proposed, discussed or decided at the meeting;

(d) A record of each member's vote on any matter decided by vote at the meeting; and

(e) The substance of remarks made by any unit's owner who addresses the executive board at the meeting if the unit's owner requests that the minutes reflect his or her remarks or, if the unit's owner has prepared written remarks, a copy of his or her prepared remarks if the unit's owner submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the executive board until the common-interest community is terminated.

11. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the

members of the executive board and the other units' owners who are in attendance at the meeting.

12. As used in this section, "emergency" means any occurrence or combination of occurrences that:

(a) Could not have been reasonably foreseen;

(b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;

(c) Requires the immediate attention of, and possible action by, the executive board; and

(d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 42. NRS 116.3109 is hereby amended to read as follows:

116.3109 1. Except as otherwise provided in this section and NRS 116.31034, and except when the governing documents provide otherwise, a quorum is present throughout any meeting of the ~~[association if the number of members of]~~ ***units' owners if persons entitled to cast 20 percent of the votes in*** the association ~~[who are]~~ ***:***

(c) Have cast absentee ballots in accordance with paragraph (d) of subsection 2 of NRS 116.311; or

(d) Are present by any combination of paragraphs (a), (b) and (c).

2. If the governing documents of an association contain a quorum requirement for a meeting of the association that is greater than the 20 percent required by subsection 1 and, after proper notice has been given for a meeting, the members of the association who are present in person or by proxy at the meeting are unable to hold the meeting because a quorum is not present at the beginning of the meeting, the members who are present in person at the meeting may adjourn the meeting to a time that is not less than 48 hours or more than 30 days from the date of the meeting. At the subsequent meeting:

(a) A quorum shall be deemed to be present if the number of members of the association who are present in person or by proxy at the beginning of the subsequent meeting equals or exceeds 20 percent of the total number of voting members of the association; and

(b) If such a quorum is deemed to be present but the actual number of members who are present in person or by proxy at the beginning of the subsequent meeting is less than the number of members who are required for a quorum under the governing documents, the members who are present in person or by proxy at the subsequent meeting may take action only on those matters that were included as items on the agenda of the original meeting.

➥ The provisions of this subsection do not change the actual number of votes that are required under the governing documents for taking action on any particular matter.

3. Unless the governing documents specify a larger ~~[percentage,]~~ ***number,*** a quorum ***of the executive board*** is ~~[deemed]~~ present ~~[throughout any]~~ ***for purposes of determining the validity of any action taken at a*** meeting of the executive board ***only*** if ~~[persons]~~ ***individuals*** entitled to cast ~~[50 percent]~~ ***a majority*** of the votes on that board are present at the ~~[beginning of the meeting.]~~ ***time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the members present is the act of the executive board unless a greater vote is required by the declaration or bylaws.***

4. Meetings of the association must be conducted in accordance with the most recent edition of Robert's Rules of Order Newly Revised, unless the bylaws or a resolution of the executive board adopted before the meeting provide otherwise.

Sec. 43. NRS 116.311 is hereby amended to read as follows:

116.311 1. ***Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units' owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by a proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.***

2. At a meeting of units' owners, the following requirements apply:

(a) Units' owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units' owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a unit is present ***,*** ~~[at a meeting of the association,]~~ that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to ~~[that]~~ ***the*** unit without protest ***being*** made promptly to the person presiding over the meeting by any of the other owners of the unit.

~~[2.]~~ ***(c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.***

(d) Subject to subsection 1, a unit's owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.

(e) When a unit's owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit's owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his or her immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

~~[3.]~~ ***4.*** Before a vote may be cast pursuant to a proxy:

(a) The proxy must be dated.

(b) The proxy must not purport to be revocable without notice.

(c) The proxy must designate the meeting for which it is executed ~~[.]~~ ***, and such a designation includes any recessed session of that meeting.***

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed ***and any recessed session of that meeting*** the number of proxies pursuant to which the holder will be casting votes.

~~[4.]~~ ***5.*** A proxy terminates immediately after the conclusion of the meeting ***, and any recessed sessions of the meeting,*** for which it is executed.

~~[5.]~~ ***6.*** Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

~~[6.]~~ ***7.*** The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

~~[7.]~~ ***8.*** A proxy is void if the proxy or the holder of the proxy violates any provision of subsections ~~[1]~~ ***3*** to ~~[6,]~~ ***7,*** inclusive.

~~[8.]~~ ***9. Unless prohibited or limited by the declaration or bylaws, an association may conduct a vote without a meeting. Except as otherwise provided in NRS 116.31034 and 116.31036, if an association conducts a vote without a meeting, the following requirements apply:***

(a) The association shall notify the units' owners that the vote will be taken by ballot.

(b) The association shall deliver a paper or electronic ballot to every unit's owner entitled to vote on the matter.

(c) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(d) When the association delivers the ballots, it shall also:

(1) Indicate the number of responses needed to meet the quorum requirements;

(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units' owners wishing to deliver information to all units' owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

10. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) ~~[The provisions of subsections 1 to 7, inclusive, apply]~~ ***This section applies*** to the lessees as if they were the units' owners;

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

~~[9.]~~ ***11.*** If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 44. NRS 116.3111 is hereby amended to read as follows:

A unit's owner is not liable, solely by reason of being a unit's owner, for an injury or damage arising out of the condition or use of the common elements.*** Neither the association nor any unit's owner except the declarant is liable for that declarant's torts in connection with any part of the common-interest community which that declarant has the responsibility to maintain. ~~[Otherwise, an]~~

2. 3. If the insurance described in subsections 1 and 2 is not reasonably available, the association promptly shall cause notice of that fact to be ~~[~~hand-delivered or sent prepaid by United States mail~~]~~ ***given*** to all units' owners. The declaration may require the association to carry any other insurance, and the association ~~[~~in any event~~]~~ may carry any other insurance it considers appropriate to protect the association or the units' owners.

4. An insurance policy issued to the association does not prevent a unit's owner from obtaining insurance for the unit's owner's own benefit.

Sec. 46. NRS 116.31133 is hereby amended to read as follows:

116.31133 1. Insurance policies carried pursuant to NRS 116.3113 must provide ~~[~~to the extent reasonably available~~]~~ that:

(a) Each unit's owner is an insured person under the policy with respect to liability arising out of the unit's owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit's owner or member of his or her household;

(c) No act or omission by any unit's owner, unless acting within the scope of his or her authority on behalf of the association, ~~[~~will void~~]~~ ***voids*** the policy or ~~[~~be~~]~~ ***is*** a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit's owner covering the same risk covered by the policy, the association's policy provides primary insurance.

2. Any loss covered by the property policy under subsections 1 and 2 of NRS 116.3113 must be adjusted with the association, but the proceeds for that loss are payable to any ***insurance*** trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The ***insurance*** trustee or the association shall hold any ***insurance*** proceeds in

trust for the association, units' owners and lienholders as their interests may appear. Subject to ~~[the provisions of]~~ NRS 116.31135, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the association, units' owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common-interest community is terminated.

3. An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit's owner or holder of a security interest. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has been mailed to the association ***, each unit's owner*** and ~~[to any person]~~ ***each holder of a security interest*** to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

Sec. 47. NRS 116.31135 is hereby amended to read as follows:

116.31135 1. Any portion of the common-interest community for which insurance is required under NRS 116.3113 which is damaged or destroyed must be repaired or replaced promptly by the association unless:

(a) The common-interest community is terminated, in which case NRS 116.2118, 116.21183 and 116.21185 apply;

(b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or

(c) Eighty percent of the units' owners, including every owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

(a)~~]~~ ***:***

(1) The ***insurance*** proceeds attributable to units and limited common elements that are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

~~[~~(b)~~]~~ ***(2)*** The remainder of the proceeds must be distributed to all the units' owners or lienholders, as their interests may appear, as follows:

~~[~~(1)~~]~~ ***(I)*** In a condominium, in proportion to the interests of all the units in the common elements; and

~~[~~(2)~~]~~ ***(II)*** In a cooperative or planned community, in proportion to the liabilities of all the units for common expenses.

3. If the units' owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under subsection 1 of NRS 116.1107, and the association promptly shall prepare, execute and record an amendment to the declaration reflecting the reallocations.

Sec. 48. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive ~~[.]~~ ***, or as otherwise provided in this chapter:***

(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units' owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the

largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:

(a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;

(b) Any common expense ~~[or portion thereof]~~ benefiting fewer than all of the units ~~[must]~~ ***or their owners may*** be assessed exclusively against the units ***or units' owners*** benefited; and

(c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If ***damage to a unit or other part of the common-interest community, or if*** any ***other*** common expense is caused by the ***willful*** misconduct ***or gross negligence*** of any unit's owner, ***tenant or invitee of a unit's owner or tenant,*** the association may assess that expense exclusively against his or her unit ~~[.]~~ ***, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.***

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 49. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a ~~*[statutory]*~~ lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against ~~*[attributable to]*~~ that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, ~~*[reasonable attorney's fees and costs,]*~~ any penalties, ~~*[other]*~~ fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to

(n), inclusive, of subsection 1 of NRS 116.3102 ~~[, and any other sums due to the association under the declaration, this chapter, or as a result of an administrative, arbitration, mediation or judicial decision]~~ are enforceable ~~[in the same manner]~~ as ~~[unpaid]~~ assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A ~~[Except as otherwise provided in subsection 3, a]~~ first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

➥ The

~~[~~ ~~3. A]~~ lien ~~[under this section]~~ is also prior to all security interests described in paragraph (b) ~~[of subsection 2]~~ to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) ~~[of subsection 2]~~ must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. ~~[4.]~~ Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. ~~[5.]~~ Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. ~~[6.]~~ A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. ~~[7.]~~ This section does not prohibit actions ~~[against units' owners]~~ to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. ~~[8.]~~ A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. ~~[9.]~~ The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

9. ~~[10.]~~ In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

~~[11.]~~ 10. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 50. NRS 116.3117 is hereby amended to read as follows:

116.3117 1. In a condominium or planned community:

(a) Except as otherwise provided in paragraph (b), a judgment for money against the association, if a copy of the docket or an abstract or copy of the judgment is recorded, is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of ***the other real property of the association and all of*** the units in the common-interest community at the time the judgment was entered. No other property of a unit's owner is subject to the claims of creditors of the association.

(b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to NRS 116.3112, the holder of that security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.

(c) Whether perfected before or after the creation of the common-interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common-interest community, becomes effective against two or more units, the owner of an affected unit may pay to the lienholder the amount of the lien attributable to his or her unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that owner's liability for common expenses bears to the liabilities for common expenses of all owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be indexed in the name of the common-interest community and the association and, when so indexed, is notice of the lien against the units.

2. In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association shall promptly transmit a copy of that notice to each owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether ~~[or not]~~ an owner's unit is subject to the claims of the association's creditors, no other property of an owner is subject to those claims.

Sec. 51. NRS 116.31175 is hereby amended to read as follows:

116.31175 1. Except as otherwise provided in ~~[this]~~ subsection ~~[3,]~~ ***4,*** the executive board of an association shall, upon the written request of a unit's owner, make available the books, records and other papers of the association for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community and during the regular working hours of the association, including, without limitation ~~[, all]~~ ***:***

3. If the executive board fails to provide a copy of any of the records pursuant to subsection 2 within 21 days, the executive board must pay a penalty of $25 for each day the executive board fails to provide the records.

4. The provisions of ~~[~~this~~]~~ subsection ***1*** do not apply to:

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

~~[~~3.~~]~~ ~~[5.]~~ ***6.*** If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

~~7. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal space to opposing views and opinions of a unit's owner, tenant or resident of the common interest community.~~

~~8. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 6 or 7.~~

With respect to a unit that may be occupied for residential use, an agreement to reduce the period of limitation must be evidenced by a separate instrument executed by the purchaser.

2. Subject to subsection 3, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(NRS 218E.150, 218E.175) Existing law also provides for certain standing subcommittees of the Legislative Commission to carry out ongoing duties, such as the Audit Subcommittee and the Budget Subcommittee. (NRS 218E.240, 218E.255) Finally, existing law requires the Legislative Commission to conduct reviews of existing agencies to determine whether each agency should be terminated, consolidated with another agency or continued. (NRS 232B.010-232B.100)

Section 8 of this bill creates the Sunset Subcommittee of the Legislative Commission and sets forth its membership. Section 9 of this bill specifies the Sunset Subcommittee's primary duties, which are: (1) to conduct reviews of all boards and commissions in this State which are not provided for in the Nevada Constitution or established by an executive order of the Governor and determine whether each board or commission should be terminated, modified, consolidated with another agency or continued; (2) to make recommendations for improving the boards or commissions which are to be modified, consolidated or

continued; and (3) to determine whether any tax exemptions, abatements or money set aside for a board or commission should be terminated, modified or continued. Section 9 also requires the Sunset Subcommittee to assess each board or commission reviewed for the cost of conducting the review.

Section 10 of this bill requires each board and commission to submit certain information about itself and how it operates to the Sunset Subcommittee and authorizes the Sunset Subcommittee to direct the Legislative Counsel Bureau to assist the Sunset Subcommittee in investigating, reviewing and analyzing the information submitted. Section 11 of this bill requires the Sunset Subcommittee to hold public hearings to receive commentary on whether a board or commission should be terminated, modified, consolidated or continued. Section 12 of this bill requires the Sunset Subcommittee to make recommendations for direct legislative action to carry out its recommendations regarding the termination, modification, consolidation or continuation of a board or commission.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 742.

AN ACT relating to common-interest communities; revising procedures for alternative dispute resolution of certain claims relating to common-interest communities; revising provisions governing the review of certain books, papers and records of an association; revising provisions governing the confidentiality of certain documents and information obtained by the Real Estate Division of the Department of Business and Industry; revising the penalties for filing frivolous, false or fraudulent claims; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1, 2 and 6-21 of this bill revise the procedures for: (1) the alternative dispute resolution of civil actions which relate to any governing documents or covenants, conditions or restrictions applicable to residential property; and (2) administrative proceedings which relate to a violation of existing law governing common-interest communities and condominium hotels. **Sections 10 and 18** require a person to include in a written claim filed with the Real Estate Division of the Department of Business and Industry all claims which: (1) allege a violation of the governing documents or covenants, conditions or restrictions; and (2) allege a violation of existing law governing common-interest communities and condominium hotels. Under **sections 1 and 15**, the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels must refer all claims to a mediator, and the Commission for Common-Interest Communities and Condominium Hotels shall adopt regulations establishing the maximum amount **, not to exceed $500,** of the fees and costs of the mediation and governing the manner in which such fees and costs are paid. If the mediation does not result in a settlement of the claim, **sections 1 and 15** require the mediator to refer the claim: (1) to arbitration if the claim relates to the governing documents or covenants, conditions or restrictions applicable to the property; and (2) to the Division if the claim relates to a violation of a provision of existing law governing common-interest communities. If the claim is referred to an arbitrator, the arbitration is conducted in accordance with: (1) the rules of the American Arbitration Association or other comparable rules for speedy arbitration approved by the Division or the Commission; and (2) existing law governing the arbitration of such claims. If the claim is referred to the Division, **section 11** requires the Division to determine whether good cause exists to proceed with a hearing on the alleged violation and, if good cause exists, to refer the claim to the Ombudsman or file a complaint with the Commission. If the claim is referred to the Ombudsman, the parties do not resolve the alleged violation with the assistance of the Ombudsman and the Division, after investigation, makes certain findings, the Administrator of the Division must file a formal complaint with the Commission.

Sections 5, 10 and 18 of this bill revise the penalties which may be imposed against a person who files with the Division a frivolous, false or

fraudulent claim **or response** and provide for penalties against a person who files a claim with the Division for the purpose of delay or harassment.

Existing law authorizes an association of a common-interest community to foreclose a lien by sale of a unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 3.5 of this bill revises provisions governing foreclosures by prohibiting an association from foreclosing a lien by sale during the pendency of any mediation or arbitration if the issue in dispute is the basis for the foreclosure.

Section 4 of this bill provides that, unless and until a complaint is filed by the Real Estate Administrator, the executive board is not required to make available certain confidential documents and information relating to certain claims filed with the Division.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 741.

AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) ~~[Existing law prohibits the exercise of the trustee's power of sale concerning owner-occupied property unless the trustee records in the office of the county recorder a certificate issued by the entity designated as the Mediation~~

~~Administrator for the foreclosure mediation program which indicates that foreclosure mediation is not required or has been completed. (NRS 107.086)~~

~~This bill establishes additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Maryland law and which require an analysis of the eligibility of the grantor or person who holds the title of record for a loan modification or other loss mitigation alternative. Section 1 of this bill provides that, not later than 30 days before the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located, the beneficiary of the deed of trust must mail to the grantor or the person who holds title of record an application for a loan modification program or other loss mitigation alternative. If the application is returned to the beneficiary within 30 days after the date on which it is received by the grantor or person who holds title of record: (1) the beneficiary must forward it to the person responsible for analyzing the eligibility of the grantor or the person who holds title of record for a loan modification or other loss mitigation alternative; (2) that person must complete an analysis of the application; and (3) the trustee may not exercise the power of sale unless the beneficiary has mailed to the grantor or the person who holds title of record an affidavit certifying that an analysis of the application was completed. If the grantor or person who holds title of record returns a loss mitigation application within the required time period and requests foreclosure mediation in accordance with existing law: (1) under section 1, the analysis of the application must be completed before the mediation is conducted; and (2) under section 1.7 of this bill, the beneficiary of the deed of trust must bring to the mediation certain information related to the loss mitigation application. Section 1 further provides that if the grantor or the person who holds title of record does not return the loss mitigation application within 30 days after receipt of the application: (1) the beneficiary shall mail an affidavit to the grantor or person who holds title of record attesting to that fact; and (2) the trustee may exercise the power of sale in accordance with existing law.~~

~~Existing law provides that if certain provisions of existing law governing the exercise of the trustee's power of sale are not followed, a court of competent jurisdiction may void the sale. (NRS 107.080) Section 1.3 of this bill authorizes a court of competent jurisdiction to void a sale made pursuant to the exercise of the trustee's power of sale if the beneficiary of the deed of trust does not comply with the provisions of this bill.~~**]** **One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed of trust or the person who holds title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 1.7 of this bill requires the notice of default and election to sell that is mailed to the grantor or the person who holds the title of record to include a notice provided by the**

entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee's power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 1.5 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

Amendment No. 809.

AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) **Section 1** of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. **Section 1** further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. **Section 1** provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the

cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; ~~[or]~~ (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information ~~[.]~~ **; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch.** A violation of the provisions added by **section 1** is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, **section 4** of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating **section 1** but must give the person a verbal or written warning. **Section 1** further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. **Section 2** of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(1) That has been provided by the public utility; and

(2) While responding to a dispatch by the public utility to respond to an emergency, including, without limitation, a response to a power outage or an interruption in utility service.

3. The provisions of this section do not prohibit the use of a voice-operated global positioning or navigation system that is affixed to the vehicle.

4. A person who violates any provision of subsection 1 is guilty of a misdemeanor and:

(a) For the first offense within the immediately preceding 7 years, shall pay a fine of $50.

(c) For the third or subsequent offense within the immediately preceding 7 years, shall pay a fine of $250.

6. A person who would otherwise be subject to an additional penalty pursuant to this section is not subject to an additional penalty if the violation occurred in a temporary traffic control zone for which signs are not erected pursuant to subsection 5, unless the violation results in injury to any person performing highway construction or maintenance or other work in the temporary traffic control zone or in damage to property in an amount equal to $1,000 or more.

ASSEMBLY PROCEEDINGS 4809

THE ONE HUNDRED THIRTEENTH DAY

CARSON CITY (Monday), May 30, 2011

Assembly called to order at 10:19 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblyman Grady, who was excused.

Prayer by the Chaplain, Steven Brooks.

Today we celebrate Memorial Day, O Lord. Let us not forget those who have laid down their lives in the quest for freedom for this great nation that we serve. Please help us to remember that as they have served us, we in turn must serve them.

Let this body understand that it is You who chooses soldiers to fight Your battles as You did with Gideon's army; for Gideon assembled 32,000 soldiers, but You only allowed him to defeat the vast army of enemies with 300. You did this to demonstrate Your power when Your people put their trust in You.

As we enter this institution that soldiers and Americans have fought so hard to protect, let us remember that it is Your people that we serve. We have been dealt a great task, but please do not let us think for one minute it is about us. Let us not forget that this is the "People's House," and the will of the people shall, and should always be, heard.

As I mentioned before, we came to fight a spiritual battle. Ephesians 12 tells us:

> "For our struggle is not against enemies of blood and flesh, but against the rulers, against the authorities, against the cosmic powers of this present darkness, and against the spiritual forces of evil in the heavenly places. Therefore let us take up your whole armor of God so that you may be able to withstand on that evil day, and having done everything, to stand firm."

With that, I pray that You be with the families that have buried a loved one and of the troops that are fighting overseas. I also ask that You be with our families as we serve You in Carson City.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 222.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 827.

AN ACT relating to education; creating the Teachers and Leaders Council of Nevada; prescribing the membership and duties of the Council; requiring the State Board of Education to establish a statewide performance evaluation system for teachers and administrators; revising provisions governing the policies for the evaluation of teachers and administrators; revising the designations required of the evaluations of teachers and administrators; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 4-6 of this bill create the Teachers and Leaders Council of Nevada and prescribe the membership and duties of the Council. **Section 6** requires the Council to make recommendations to the State Board of Education for the establishment of a statewide performance evaluation system for teachers and administrators employed by school districts.

Existing law requires the automated system of accountability information for Nevada to track the achievement of pupils over time and to identify

which teachers and paraprofessionals are assigned to individual pupils. The information is required to be considered, but must not be the sole criterion, in evaluating the performance of or taking disciplinary action against an individual teacher, paraprofessional or other employee. (NRS 386.650) Existing law also requires the board of trustees of each school district to develop a policy for the evaluation of teachers and administrators pursuant to which the performance of an individual teacher or administrator is designated as "satisfactory" or "unsatisfactory." (NRS 391.3125, 391.3127) **Section 7** of this bill requires the State Board of Education, based upon the recommendations of the Council, to establish a statewide performance evaluation system for teachers and administrators employed by school districts. Effective July 1, 2013, the statewide performance evaluation system will require the evaluation of an individual teacher or administrator as "highly effective," "effective," "minimally effective" or "ineffective." Also effective July 1, 2013, **section 2** of this bill requires that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for 50 percent of the evaluations of teachers and administrators. **Sections 8.5 and 9.5** of this bill require the policies for the evaluations of teachers and administrators employed by school districts to comply with the statewide performance evaluation system established by the State Board.

Until the implementation of the statewide performance evaluation system, **sections 8 and 9** of this bill provide that the policies for the evaluations of teachers and administrators employed by school districts must require that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for a significant portion of the evaluation, as determined by the board of trustees.

Section 10.5 of this bill makes an appropriation to the Department of Education for the costs associated with the Teachers and Leaders Council of Nevada created by section 5.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

(i) Provide for the analysis and reporting of the data in the automated system of information.

4. The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians,

Amendment No. 785.

AN ACT relating to transportation; providing certain privileges to the owner or long-term lessee of a qualified plug-in electric drive vehicle; authorizing in this State the operation of, and a driver's license endorsement for operators of, autonomous vehicles; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Transportation to adopt regulations to allow certified low emission and energy-efficient vehicles to be operated in a lane on a highway under its jurisdiction designated for the preferential use or exclusive use of high-occupancy vehicles. (NRS 484A.463) **Section 6** of this bill defines the term "qualified plug-in electric drive vehicle" in a manner substantially similar to the definition used by the Internal Revenue Service for the purpose of the tax credit made available for the initial acquisition of such vehicles. **Section 7** of this bill requires that, with limited exceptions, each local authority shall establish a parking program for qualified plug-in electric drive vehicles. **Section 7** provides that the owner or long-term lessee of such a vehicle may: (1) apply to the local authority for a distinctive decal, label or other identifier that distinguishes the vehicle from other vehicles; and (2) while displaying the distinctive identifier, park the vehicle without the payment of a parking fee at certain times in certain public parking lots, parking areas and metered parking zones. **Section 10** of this bill authorizes the use of a qualified plug-in electric drive vehicle in high-occupancy vehicle lanes irrespective of the occupancy of the vehicle, if the Department of Transportation has adopted the necessary regulations. **Section 13** of this bill causes the provisions of this bill that pertain to qualified plug-in electric drive vehicles to expire by limitation ("sunset") as of January 1, 2018.

Section 8 of this bill requires the Department of Motor Vehicles to adopt regulations authorizing the operation of autonomous vehicles on highways within the State of Nevada. **Section 8** defines an "autonomous vehicle" to mean a motor vehicle that uses artificial intelligence, sensors and global positioning system coordinates to drive itself without the active intervention of a human operator. **Section 2** of this bill requires the Department, by regulation, to establish a driver's license endorsement for the operation of an autonomous vehicle on the highways of this State.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Taxation:

Amendment No. 665.

AN ACT relating to the equalization of property valuations; extending under certain circumstances the deadline for appeals to county boards of equalization; extending certain deadlines for the State Board of Equalization to conclude the business of equalization; requiring the State Board to post a schedule of certain meetings on the Internet website of the Department of Taxation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

A taxpayer who desires to appeal the valuation of his or her property to a county board of equalization must file the appeal on or before January 15. (NRS 361.340) **Section 1** of this bill extends that deadline to the next business day if January 15 falls on a Saturday, Sunday or legal holiday.

The State Board of Equalization hears appeals from the actions of the county boards of equalization and is required to equalize property valuations in the State by reviewing the tax rolls of the various counties and raising or lowering assessed property values, if appropriate, to ensure a uniform and equal rate of assessment and taxation in this State. (NRS 361.395, 361.400) Existing law requires the State Board to conclude the business of equalization on or before April 15 on cases that in its opinion have a substantial effect on tax revenues, while cases having a less substantive effect on tax revenues may be heard at additional meetings before October 1. (NRS 361.380) **Section 3** of this bill instead requires that if a proposed equalization affects local governmental entities in more than one county and is likely to have a substantial effect on tax revenues, the State Board must notify each affected local governmental entity of the proposed equalization on or before April 30. In addition, **sections 2 and 3** of this bill extend the deadline for cases which have a less substantive effect, or those arising from decisions made in individual cases, to November 1. **Section 3** also requires the State Board to post a schedule of its meetings concerning such equalization on the Department of Taxation's Internet website ~~[and removes the requirement that~~

~~the State Board publish~~] **in addition to publishing** notice of meetings to be held in locations other than Carson City in a newspaper in the county where the meetings are to be held.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 361.340 is hereby amended to read as follows:

361.340 1. Except as otherwise provided in subsection 2, the board of equalization of each county consists of:

(a) Five members, only two of whom may be elected public officers, in counties having a population of 15,000 or more; and

(b) Three members, only one of whom may be an elected public officer, in counties having a population of less than 15,000.

2. The board of county commissioners may by resolution provide for an additional panel of like composition to be added to the board of equalization to serve for a designated fiscal year. The board of county commissioners may also appoint alternate members to either panel.

3. A district attorney, county treasurer or county assessor or any of their deputies or employees may not be appointed to the county board of equalization.

4. The chair of the board of county commissioners shall nominate persons to serve on the county board of equalization who are sufficiently experienced in business generally to be able to bring knowledge and sound judgment to the deliberations of the board or who are elected public officers. The nominees must be appointed upon a majority vote of the board of county commissioners. The chair of the board of county commissioners shall designate one of the appointees to serve as chair of the county board of equalization.

5. Except as otherwise provided in this subsection, the term of each member is 4 years and any vacancy must be filled by appointment for the unexpired term. The term of any elected public officer expires upon the expiration of the term of his or her elected office.

6. The county clerk or his or her designated deputy is the clerk of each panel of the county board of equalization.

7. Any member of the county board of equalization may be removed by the board of county commissioners if, in its opinion, the member is guilty of malfeasance in office or neglect of duty.

8. The members of the county board of equalization are entitled to receive per diem allowance and travel expenses as provided for state officers and employees. The board of county commissioners of any county may by resolution provide for compensation to members of the board of equalization in its county who are not elected public officers as it deems adequate for time

actually spent on the work of the board of equalization. In no event may the rate of compensation established by a board of county commissioners exceed $125 per day.

9. A majority of the members of the county board of equalization constitutes a quorum, and a majority of the board determines the action of the board.

10. A county board of equalization shall comply with any applicable regulation adopted by the Nevada Tax Commission.

11. The county board of equalization of each county shall hold such number of meetings as may be necessary to care for the business of equalization presented to it. Every appeal to the county board of equalization must be filed not later than January 15. ***If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.*** Each county board shall cause to be published, in a newspaper of general circulation published in that county, a schedule of dates, times and places of the board meetings at least 5 days before the first meeting. The county board of equalization shall conclude the business of equalization on or before the last day of February of each year except as to matters remanded by the State Board of Equalization. The State Board of Equalization may establish procedures for the county boards, including setting the period for hearing appeals and for setting aside time to allow the county board to review and make final determinations. The district attorney or his or her deputy shall be present at all meetings of the county board of equalization to explain the law and the board's authority.

12. The county assessor or his or her deputy shall attend all meetings of each panel of the county board of equalization.

Sec. 2. NRS 361.360 is hereby amended to read as follows:

361.360 1. Any taxpayer aggrieved at the action of the county board of equalization in equalizing, or failing to equalize, the value of his or her property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization on or before March 10 and present to the State Board of Equalization the matters complained of at one of its sessions. If March 10 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. All such appeals must be presented upon the same facts and evidence as were submitted to the county board of equalization in the first instance, unless there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the county board of equalization. The new evidence must be submitted in writing to the State Board of Equalization and served upon the county assessor not less than 7 days before the hearing.

3. Any taxpayer whose real or personal property placed on the unsecured tax roll was assessed after December 15 but before or on the following April 30 may likewise protest to the State Board of Equalization. Every such appeal must be filed on or before May 15. If May 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. A meeting must be held before May 31 to hear those protests that in the opinion of the State Board of Equalization may have a substantial effect on tax revenues. One or more meetings may be held at any time and place in the State before ~~[October]~~ ***November*** 1 to hear all other protests.

4. The State Board of Equalization may not reduce the assessment of the county assessor if:

(a) The appeal involves an assessment on property which the taxpayer has refused or, without good cause, has neglected to include in the list required of the taxpayer pursuant to NRS 361.265 or if the taxpayer has refused or, without good cause, has neglected to provide the list to the county assessor; or

(b) The taxpayer has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination authorized by NRS 361.260.

5. Any change made in an assessment appealed to the State Board of Equalization is effective only for the fiscal year for which the assessment was made. The county assessor shall review each such change and maintain or remove the change as circumstances warrant for the next fiscal year.

6. If the State Board of Equalization determines that the record of a case on appeal from the county board of equalization is inadequate because of an act or omission of the county assessor, the district attorney or the county board of equalization, the State Board of Equalization may remand the case to the county board of equalization with directions to develop an adequate record within 30 days after the remand. The directions must indicate specifically the inadequacies to be remedied. If the State Board of Equalization determines that the record returned from the county board of equalization after remand is still inadequate, the State Board of Equalization may hold a hearing anew on the appellant's complaint or it may, if necessary, contract with an appropriate person to hear the matter, develop an adequate record in the case and submit recommendations to the State Board. The cost of the contract and all costs, including attorney's fees, to the State or the appellant necessary to remedy the inadequate record on appeal are a charge against the county.

Sec. 3. NRS 361.380 is hereby amended to read as follows:

361.380 1. Except as otherwise provided in subsection 3, annually, the State Board of Equalization shall convene on the fourth Monday in March in Carson City, Nevada, and shall hold such number of meetings as may be

necessary to care for the business of equalization presented to it. ~~[The]~~ ***If a proposed equalization affects local governmental entities in more than one county and the equalization, in the opinion of the State Board of Equalization, is likely to have a substantial effect on tax revenues, the*** State Board of Equalization shall ~~[conclude the business]~~ ***notify each affected local governmental entity*** of ***the proposed*** equalization on ~~[cases that in its opinion have a substantial effect on tax revenues on]~~ or before April ~~[15. 2. The publication in the statutes of the foregoing time, place and purpose of each regular session of the State Board of Equalization is notice of such sessions, or if it so elects, the State Board of Equalization may cause published notices of such regular sessions to be made in the press, or may notify parties in interest by letter or otherwise.

3. The State Board of Equalization may designate some place other than Carson City, Nevada, for any of the meetings specified in subsection 1. If such other place is so designated, notice thereof must be given by publication of a notice once a week for 2 consecutive weeks in some newspaper of general circulation in the county in which such meeting or meetings are to be held. ~~*[In addition to any other notice required by law, the]*~~ ***The State Board of Equalization must also post a schedule of each such meeting on the Internet website maintained by the Department.***

Sec. 4. NRS 361.405 is hereby amended to read as follows:

361.405 1. The Secretary of the State Board of Equalization forthwith shall certify any change made by the Board in the assessed valuation of any property in whole or in part to the county auditor of the county where the property is assessed, and whenever the valuation of any property is raised, the Secretary of the State Board of Equalization shall forward by certified mail to the property owner or owners affected, notice of the increased valuation.

2. As soon as changes resulting from cases having a substantial effect on tax revenues have been certified to the county auditor by the Secretary of the State Board of Equalization, the county auditor shall:

(a) Enter all such changes and the value of any construction work in progress and net proceeds of minerals which were certified to him or her by the Department, on the assessment roll before the delivery thereof to the tax receiver.

(b) Add up the valuations and enter the total valuation of each kind of property and the total valuation of all property on the assessment roll.

(c) Certify the results to the board of county commissioners and the Department . ~~[on or before April 15 of each year.]~~

3. The board of county commissioners shall not levy a tax on the net proceeds of minerals added to the assessed valuation pursuant to paragraph (a) of subsection 2, but, except as otherwise provided by specific statute, the net proceeds of minerals must be included in the assessed valuation of the taxable property of the county and all local governments in the county for the determination of the rate of tax and all other purposes for which assessed valuation is used.

4. As soon as changes resulting from cases having less than a substantial effect on tax revenue have been certified to the county tax receiver by the Secretary of the State Board of Equalization, the county tax receiver shall adjust the assessment roll or the tax statement or make a tax refund, as directed by the State Board of Equalization.

Senate Bill No. 34.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 666.

AN ACT relating to taxation; revising the provisions governing the administration of sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement, apply the taxes to retailers whose activities have a sufficient nexus with this State and provide for the rebuttal of certain presumptions regarding the application of use taxes to property delivered outside of or brought into this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions reasonably required to implement the provisions of the Agreement. (NRS 360B.110)

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. **Sections 2 and 26** of this bill replace superseded

requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. **Section 3** of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. **Sections 3, 14 and 23** of this bill carry out a new requirement to allow the electronic filing of simplified tax returns. **Sections 4 and 7** of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. **Section 4.5** of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. **Sections 13 and 22** of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. **Sections 5 and 6** of this bill delete certain provisions of the Agreement that do not apply in this State. **Sections 9, 10, 18 and 19** of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (*Quill Corp. v. North Dakota*, 504 U.S. 298, 112 S.Ct. 1904 (1992)) **Sections 8 and 17** of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) **Sections 11, 12, 20, 21 and 26** of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

360.299 1. In determining the amount of:

(b) A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

3. On or before January 1 of each year, the Department shall transmit to each retailer to whom a permit has been issued a notice which contains the provisions of subsections 1 and 2 and NRS 372.365.

Sec. 2. Chapter 360B of NRS is hereby amended by adding thereto a new section to read as follows:

(b) If the purchaser provides the documentation, certificate or statement pursuant to subparagraph (1) or (2) of paragraph (a), the sale shall be deemed to take place in the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and:

(1) If the seller does not maintain a place of business in this State:

(I) The purchaser shall report and pay any applicable sales or use taxes due; and

(3) If the seller complies with subparagraph (2) in accordance with the delivery information provided by the purchaser, the seller, in the absence of bad faith, is relieved of any further obligation to collect any additional sales or use taxes on the sale.

(d) If the purchaser does not provide the seller with any of the items listed in paragraph (a), the sale shall be deemed to take place at the location described in subsection 5 of NRS 360B.360. The state to which the advertising and promotional direct mail is delivered may disallow credit for any sales or use taxes paid in accordance with this paragraph.

2. Notwithstanding the provisions of NRS 360B.350 to 360B.375, inclusive:

(a) Except as otherwise provided in this subsection, the sale of other direct mail shall be deemed to take place at the location described in subsection 3 of NRS 360B.360.

(b) A purchaser of other direct mail may provide the seller with:

(1) Documentation of the direct pay permit of the purchaser issued pursuant NRS 360B.260; or

(2) A certificate or written statement, in a form approved by the Department in accordance with the provisions of the Agreement, claiming the direct mail.

(1) If the seller does not maintain a place of business in this State:

4. If a transaction is a bundled transaction, as defined by a regulation of the Department in accordance with the provisions of the Agreement, that includes advertising and promotional direct mail, this section applies only if the primary purpose of the transaction is the sale of products that meet the definition set forth in paragraph (a) of subsection 6.

5. The provisions of this section do not limit any purchaser's:

(a) Liability for any sales or use taxes to any states to which the direct mail is delivered;

(b) Rights under local, state, federal or constitutional law, to a credit for sales or use taxes due and paid to other jurisdictions; or

(c) Right to a refund of any sales or use taxes overpaid to any jurisdiction.

6. As used in this section:

(a) "Advertising and promotional direct mail" means direct mail, the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this paragraph, "product" means tangible personal property, a product transferred electronically or a service.

(b) "Direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. The term includes tangible personal property supplied directly or indirectly by the purchaser to the seller of the

direct mail for inclusion in the package containing the printed material. The term does not include multiple items of printed material delivered to a single address.

(c) "Other direct mail" means any direct mail that is not advertising and promotional direct mail, regardless of whether any advertising and promotional direct mail is included in the same mailing. The term:

(1) Includes, but is not limited to:

Sec. 3. NRS 360B.200 is hereby amended to read as follows:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:

(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;

(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;

(c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or

(d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. ***A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:***

(a) Is a member of the Agreement at the time of that registration, as a seller who anticipates making no sales into that state if the seller has not had any sales into that state for the preceding 12 months; and

(b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only ~~[one]~~ ***a single*** tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:

(I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and

(III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section ~~[and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3]~~ to submit tax returns ***electronically*** in a simplified format ***.*** ~~[that does not include any more data fields than are permitted in accordance with the Agreement.]~~

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted

using uniform codes for the type of tax and payment in accordance with the Agreement.

~~[5.]~~ ***6.*** The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining the liability of the seller to pay any tax imposed by this State.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

360B.290 Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold ~~[must]~~ ***:***

2. If any sales or use tax return is:

(a) Due on a Saturday, Sunday or legal holiday, the return may be filed on the next succeeding business day; or

(b) Required to be filed in conjunction with a remittance of the tax and paragraph (b) of subsection 1 applies to that remittance, the return may be filed on the same day as the tax may be paid in accordance with that paragraph.

Sec. 5. NRS 360B.350 is hereby amended to read as follows:

360B.350 As used in NRS 360B.350 to 360B.375, inclusive:

Amendment adopted.

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 825.

AN ACT relating to taxation; revising the provisions governing the administration of sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement ~~[,]~~ **and to** apply the taxes to retailers whose activities have a sufficient nexus with this State **;** ~~[and provide for the rebuttal of certain presumptions regarding the application of use taxes to property delivered outside of or brought into this State;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions

reasonably required to implement the provisions of the Agreement. (NRS 360B.110)

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. **Sections 2 and 26** of this bill replace superseded requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. **Section 3** of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. **Sections 3, 14 and 23** of this bill carry out a new requirement to allow the electronic filing of simplified tax returns. **Sections 4 and 7** of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. **Section 4.5** of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. **Sections 13 and 22** of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. **Sections 5 and 6** of this bill delete certain provisions of the Agreement that do not apply in this State. **Sections 9, 10, 18 and 19** of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (*Quill Corp. v. North Dakota*, 504 U.S. 298, 112 S.Ct. 1904 (1992)) **Sections 8 and 17** of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

~~[Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) Sections 11, 12, 20, 21 and 26 of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.]~~

4. If a transaction is a bundled transaction, as defined by a regulation of the Department in accordance with the provisions of the Agreement, that includes advertising and promotional direct mail, this section applies only if the primary purpose of the transaction is the sale of products that meet the definition set forth in paragraph (a) of subsection 6.

5. The provisions of this section do not limit any purchaser's:

(a) Liability for any sales or use taxes to any states to which the direct mail is delivered;

(b) Rights under local, state, federal or constitutional law, to a credit for sales or use taxes due and paid to other jurisdictions; or

(c) Right to a refund of any sales or use taxes overpaid to any jurisdiction.

6. As used in this section:

(a) "Advertising and promotional direct mail" means direct mail, the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. (b) "Direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. Sec. 3. NRS 360B.200 is hereby amended to read as follows:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:

(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;

(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;

(c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or

(d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. ***A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:***

(b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only ~~[one]~~ ***a single*** tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:

(I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and

(III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section ~~[and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3]~~ to submit tax returns ***electronically*** in a simplified format ***.*** ~~[that does not include any more data fields than are permitted in accordance with the Agreement.]~~

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates

more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

~~[5.]~~ ***6.*** The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining the liability of the seller to pay any tax imposed by this State.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

360B.290 Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold ~~[must]~~ ***:***

Sec. 27. NRS 338.1907 is hereby amended to read as follows:

338.1907 1. A governing body may designate one or more energy retrofit coordinators for the buildings occupied by the local government.

2. If such a coordinator is designated, upon request by or consultation with an officer or employee of the local government who is responsible for the budget of a department, board, commission or other entity of the local government, the coordinator may request the approval of the governing body to advertise a request for proposals to retrofit a building, or any portion thereof, that is occupied by the department, board, commission or other entity, to make the use of energy in the building, or portion thereof, more efficient.

3. Upon approval of the governing body, the coordinator shall prepare a request for proposals for the retrofitting of one or more buildings, or any portion thereof, which includes:

(a) The name and location of the coordinator;

(b) A brief description of the requirements for the initial audit of the use of energy and the retrofitting;

(c) Where and how specifications of the requirements for the initial audit of the use of energy and the retrofitting may be obtained;

(d) The date and time not later than which proposals must be received by the coordinator; and

(e) The date and time when responses will be opened.

4. The request for proposals must be published ~~[on]~~ ***:***

(a) On the Internet website of the governing body, if the governing body maintains an Internet website, every day for not less than 7 days before the opening of bids; and ~~[in]~~

(b) In a newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed ~~[.]~~ ***at least once and not less than 7 days before the opening of bids.***

➥ If no qualified newspaper is published in the county where the public work will be performed, the required advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county where the public work will be performed.

5. After receiving the proposals but before making a decision on the proposals, the coordinator shall consider:

(a) The best interests of the local government;

(b) The experience and financial stability of the persons submitting the proposals;

(c) Whether the proposals conform with the terms of the request for proposals;

(d) The prices of the proposals; and

(e) Any other factor disclosed in the request for proposals.

6. The coordinator shall determine the relative weight of each factor before a request for proposals is advertised. The weight of each factor must not be disclosed before the date proposals are required to be submitted to the coordinator.

7. After reviewing the proposals, if the coordinator determines that the dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government, including any financing charges to be incurred by the local government over the life of the contract, the coordinator shall select the best proposal and request the approval of the governing body to award the contract. The request for approval must include the proposed method of financing the audit and retrofit, which may include an installment contract, a shared savings contract or any other contract for a reasonable financing arrangement. Such a contract may commit the local government to make

payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body, or both.

8. Before approving a retrofit pursuant to this section, the governing body shall evaluate any projects that would utilize shared savings as a method of payment or any method of financing that would commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body to ensure that:

(a) The dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government related to the retrofit, including any financing charges to be incurred by the local government over the life of the contract; and

(b) The local government is likely to continue to occupy the building for the entire period required to recoup the cost of the retrofit in energy savings.

9. Upon approval of the governing body, the coordinator shall execute the contract and notify each officer or employee who is responsible for the budget of a department, board, commission or other entity which occupies a portion of a building that will be retrofitted of the amount of money it will be required to pay annually for its portion of the retrofit.

10. A change order to a contract executed pursuant to this section may not be approved by the local government if the cost of the change order would cause the dollar value of the annual energy savings resulting from the retrofit to be less than the total annual contract payments to be made by the local government, including financing charges to be incurred by the local government over the life of the contract, unless approval of the change order is more economically feasible than termination of the retrofit.

11. NRS 338.1385 and 338.143 do not apply to a project for which a request for proposals is advertised and the contract is awarded pursuant to the provisions of this section.

Sec. 28. NRS 496.090 is hereby amended to read as follows:

496.090 1. In operating an airport or air navigation facility or any other facilities appertaining to the airport owned, leased or controlled by a municipality, the municipality may, except as limited by the terms and conditions of any grant, loan or agreement pursuant to NRS 496.180, enter into:

(a) Contracts, leases and other arrangements with any persons:

(1) Granting the privilege of using or improving the airport or air navigation facility, or any portion or facility thereof, or space therein, for commercial purposes. The municipality may, if it determines that an improvement benefits the municipality, reimburse the person granted the privilege for all or any portion of the cost of making the improvement.

(2) Conferring the privilege of supplying goods, commodities, things, services or facilities at the airport or air navigation facility or other facilities.

(3) Making available services to be furnished by the municipality or its agents or by other persons at the airport or air navigation facility or other facilities.

(4) Providing for the maintenance of the airport or air navigation facility, or any portion or facility thereof, or space therein.

(5) Allowing residential occupancy of property acquired by the municipality.

(b) Contracts for the sale of revenue bonds or other securities whose issuance is authorized by the Local Government Securities Law or NRS 496.150 or 496.155, for delivery within 10 years after the date of the contract.

2. In each case the municipality may establish the terms and conditions and fix the charges, rentals or fees for the privileges or services, which must be reasonable and uniform for the same class of privilege or service and must be established with due regard to the property and improvements used and the expenses of operation to the municipality.

3. Except as otherwise provided in this subsection, and as an alternative to the procedure provided in subsection 2 of NRS 496.080, to the extent of its applicability, the governing body of any municipality may authorize it to enter into any such contracts, leases and other arrangements with any persons, as provided in this section, for a period not exceeding 50 years, upon such terms and conditions as the governing body deems proper. The provisions of this subsection must not be used to circumvent the requirement set forth in subsection 2 of NRS 496.080 that the disposal of real property be made by public auction.

4. Before entering into any such contract, lease or other arrangements, the municipality shall publish notice of its intention in general terms ***on the Internet website of the municipality, if the municipality maintains an Internet website, for a period of not less than 10 consecutive days, and*** in a newspaper of general circulation within the municipality at least once a week for 21 days or three times during a period of 10 days. If there is not a newspaper of general circulation within the municipality, the municipality shall post a notice of its intention in a public place at least once a week for 30 days. The notice must specify that a regular meeting of the governing body is to be held, at which meeting any interested person may appear. No such contract, lease or other arrangement may be entered into by the municipality until after the notice has been given and a meeting held as provided in this subsection.

5. Any member of a municipality's governing body may vote on any such contract, lease or other arrangement notwithstanding the fact that the term of the contract, lease or other arrangement may extend beyond the member's term of office.

Sec. 29. Notwithstanding the provisions of NRS 242.122, as amended by section 12 of this act, the existing members of the Information Technology Advisory Board who are appointed to 2-year terms by the Governor pursuant to NRS 242.122 may continue to serve as a member of the Board until the expiration of their current terms and until the Governor appoints successors to 4-year terms pursuant to NRS 242.122, as amended by section 12 of this act. If a position on the Board becomes vacant on or after July 1, 2011, the vacancy must be filled in the manner provided in NRS 242.122, as amended by section 12 of this act.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 833.

SUMMARY—Revises provisions relating to ~~[competing for]~~ public works **.** ~~[by design professionals.]~~ (BDR 28-740)

AN ACT relating to public works; revising provisions relating to preferences when competing for contracts for certain public works projects; **requiring a contractor to replace an unacceptable subcontractor on a public work of this State without an increase in the amount of the bid; requiring a prime contractor to forfeit a portion of the amount of a contract for a public work under certain circumstances; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; revising provisions governing**

the selection of a construction manager at risk for preconstruction services and the construction of a public work; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a contract for a public work involving a design-build team is awarded by a public body based on the application of certain criteria. A design-build team may qualify for a preference in bidding on such a contract if the contractor on the design-build team has submitted proof to the State Contractors' Board that the contractor has paid certain taxes to the State for the past 5 years. (NRS 338.1389, 338.147, 338.1727, 408.3886)

Section ~~[1]~~ 2 of this bill allows a person who holds a certificate of registration to engage in the practice of architecture or landscape architecture or who holds a license as a professional engineer or professional land surveyor to qualify for a preference when competing for public works if the person has submitted proof to the appropriate licensing board that the person has paid certain taxes to the State for the past ~~[5]~~ **3** years. **Sections ~~[4]~~ 26 and ~~[7]~~ 31** of this bill allow a design-build team to receive a preference in selection as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. **Sections ~~[5]~~ 28** and ~~[8]~~ **32** of this bill allow a design-build team that has been selected as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway to receive a preference in selection for a contract only if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. **Section ~~[9]~~ 33** of this bill allows an architect, professional engineer or professional land surveyor to receive a preference in selection for certain public works if the architect, professional engineer or professional land surveyor possesses a certificate of eligibility to receive a preference when competing for public works.

Existing law provides that a public body which selects a design-build team as a finalist in the selection process for a contract for a public work must make public specified information concerning the design-build team and its selection. (NRS 338.1725) **Section ~~[7]~~ 31** of this bill adds a similar requirement for the Department of Transportation to make public specified information concerning a design-build team and the selection of that design-build team as a finalist in the selection process for a contract for a project for the construction, reconstruction or improvement of a highway. **Section ~~[3]~~ 16** of this bill requires that a public body must, after selecting but before

entering into a contract with a design professional who is not a member of a design-build team, transmit certain information concerning the selection of the design profession to the licensing board that regulates the design professional. That licensing board must post the information on its Internet website.

Before a contract for a public work of this State is awarded, existing law requires a contractor to replace a subcontractor that is named in the contractor's bid for the contract if the subcontractor is not properly licensed or has been disqualified from participating in public works sponsored by the State Public Works Board. (NRS 338.13895) Section 12 of this bill requires the contractor to replace such a subcontractor without an increase in the amount of the bid. This same requirement currently applies with respect to the replacement of a subcontractor named in a bid for a contract for a public work of a local government if the subcontractor is not properly licensed. (NRS 338.13895)

Under existing law, a contractor is required to list in his or her bid for a public work the names of certain subcontractors who will be performing work on the public work if the contractor is awarded the contract. Existing law sets forth requirements with which a prime contractor who is awarded the contract must comply to substitute a subcontractor for another subcontractor. (NRS 338.141) If a prime contractor does not comply with the requirements related to the substitution of subcontractors, section 13 of this bill requires the prime contractor to forfeit 1 percent of the contract amount as a penalty.

Existing law also requires a contractor to include his or her name on a bid for a public work if, as the prime contractor, the contractor will perform a portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work. (NRS 338.141) Section 13 of this bill requires a prime contractor to forfeit a specified amount as a penalty if the prime contractor substitutes a subcontractor to perform the work that the prime contractor indicated on the bid that the prime contractor or another subcontractor would perform.

In order for a subcontractor to be eligible to provide materials, equipment, work or other services on a public work for which a construction manager at risk was awarded a contract, existing law requires the subcontractor to be licensed and to be selected based on a process of competitive bidding set forth for all subcontractors on any public work in the State. (NRS 338.1699) Sections 4 and 5 of this bill changes the manner in which a construction manager at risk selects subcontractors and sets forth specific procedures a construction manager at risk must follow when selecting subcontractors to provide

materials, equipment, work or other services on a public work for which the construction manager at risk was awarded a contract.

Existing law authorizes a public body to construct a public work by selecting a construction manager at risk and sets forth certain procedures the public body must follow when selecting the construction manager at risk and entering into a contract with him or her for preconstruction services or to construct the public work. (NRS 338.169-338.1699) Sections 18-22 of this bill amend the provisions governing the way in which a public body must select a construction manager at risk. Existing law provides for a two-step selection process, wherein construction managers at risk must first submit a statement of qualifications, and then the public body selects finalists who are requested to submit final proposals and are interviewed before one is chosen to be awarded the contract. (NRS 338.1692-338.1695) Instead, sections 20 and 21 of this bill change the process to a single step: a construction manager at risk submits a proposal from the start, which contains a combination of the statement of qualifications and any material existing law required to be included in a final proposal, and the public body chooses which applicants to interview and which to select from those proposals. Section 22 of this bill allows a public body to enter into negotiations with the construction manager at risk who is providing the preconstruction services for the construction of a portion of the public work as soon as that portion of the design is finalized instead of waiting until the complete design is finished, as is currently required by existing law. In addition, section 22 allows the construction manager at risk providing preconstruction services to bid on the project if negotiations for the contract fail and the public body opens it up for bids.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

6. A written objection authorized pursuant to this subsection must:

(b) Be filed with the public body not later than 3 business days after:

(1) The date on which the public body makes available to the public pursuant to subsection 3 of NRS 338.1725 the information required by that subsection, if the design-build team of which the design profession who holds the certificate is a part was selected as a finalist pursuant to NRS 338.1725;

(2) The date on which the Department of Transportation makes available to the public pursuant to subsection 3 of NRS 408.3885 the information required by that subsection, if the design-build team of which the design professional who holds the certificate is a part was selected as a finalist pursuant to NRS 408.3885; or

If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the design

Sec. 3. 1. Notwithstanding the provisions of sections 4 and 5 of this act, and subject to the provisions of subsection 2, if a public body enters into a contract with a construction manager at risk for preconstruction services pursuant to NRS 338.1693, the construction manager at risk may enter into a contract with a subcontractor licensed pursuant to chapter 624 of NRS to provide any of the following preconstruction services, the basis of payment for which is a negotiated price:

(b) Assisting the construction manager at risk in creating a schedule for the provision of labor, materials or equipment by each subcontractor;

2. A subcontractor may not provide preconstruction services pursuant to this section in an area of work outside the field or scope of the license of the subcontractor.

Sec. 4. 1. To be eligible to provide labor, materials or equipment on a public work, the contract for which a public body has entered into with a construction manager at risk pursuant to NRS 338.1696, a subcontractor must be:

(a) Licensed pursuant to chapter 624 of NRS; and

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to apply to qualify to submit a meaningful and responsive proposal for the provision of labor, materials or equipment on the public work, and not later than 21 days before the date by which such an application must be submitted, the construction manager at risk shall advertise for such applications in a

newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed. If no qualified newspaper is published in the county where the public work will be performed, the advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county.

4. The criteria to be used by the construction manager at risk when determining whether an applicant is qualified to submit a proposal for the provision of labor, materials or equipment must include, and must be limited to:

(i) Whether the applicant has been disqualified from the award of any contract pursuant to NRS 338.017 or 338.13895; and

(j) The truthfulness and completeness of the application.

5. The public body or its authorized representative shall ensure that each determination made pursuant to subsection 2 is made subject to the provisions of subsection 4.

6. The construction manager at risk shall notify each applicant and the public body in writing of a determination made pursuant to subsection 2.

7. A determination made pursuant to subsection 2 that an applicant is not qualified may be appealed pursuant to NRS 338.1381 to the public body with whom the construction manager at risk has entered into a contract for the construction of the public work.

Sec. 5. 1. If a public body enters into a contract with a construction manager at risk for the construction of a public work pursuant to NRS

338.1696, the construction manager at risk may enter into a subcontract for the provision of labor, materials and equipment necessary for the construction of the public work only as provided in this section.

2. The provisions of this section apply only to a subcontract for which the estimated value is at least 1 percent of the total cost of the public work.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to submit a meaningful and responsive proposal, and not later than 21 days before the date by which a proposal for the provision of labor, materials or equipment by a subcontractor must be submitted, the construction manager at risk shall notify in writing each subcontractor who was determined pursuant to section 4 of this act to be qualified to submit such a proposal of a request for such proposals. A copy of the notice required pursuant to this subsection must be provided to the public body.

4. The notice required pursuant to subsection 3 must include, without limitation:

(c) The dates on which it is anticipated that construction of the public work will begin and end;

(d) The date, time and place at which a preproposal meeting will be held;

(e) The date and time by which proposals must be received, and to whom they must be submitted;

(f) The date, time and place at which proposals will be opened for evaluation;

(g) A description of the bonding and insurance requirements for subcontractors;

(h) Any other information reasonably necessary for a subcontractor to submit a responsive proposal; and

(i) A statement in substantially the following form:

Notice: For a proposal for a subcontract on the public work to be considered:

1. The subcontractor must be licensed pursuant to chapter 624 of NRS;

2. The proposal must be timely received;

4. The subcontractor may not modify the proposal after the date and time the proposal is received.

5. A subcontractor may not modify a proposal after the date and time the proposal is received.

6. To be considered responsive, a proposal must:

(a) Be timely received by the construction manager at risk; and

(b) Substantially and materially conform to the details and requirements included in the proposal instructions and for the finalized bid package for the public work, including, without limitation, details and requirements affecting price and performance.

7. The opening of the proposals must be attended by an authorized representative of the public body and the architect or engineer responsible for the design of the public work but is not otherwise open to the public.

8. At the time the proposals are opened, the construction manager at risk shall compile and provide to the public body or its authorized representative a list that includes, without limitation, the name and contact information of each subcontractor who submits a timely proposal and the price of the proposal submitted by the subcontractor. The list must be made available to the public upon request.

9. Not less than 10 working days after opening the proposal, the construction manager at risk shall:

(a) Evaluate the proposals and determine which proposals are responsive.

(3) Whose names are included on the list compiled and provided to the public body or its authorized representative pursuant to subsection 8.

(c) Inform the public body or its authorized representative which subcontractor has been selected.

10. The public body or its authorized representative shall ensure that the evaluation of proposals and selection of subcontractors are done pursuant to the provisions of this section and regulations adopted by the State Public Works Board.

11. A subcontractor selected pursuant to subsection 9 need not be selected by the construction manager at risk solely on the basis of lowest price.

12. Except as otherwise provided in subsection 13, the construction manager at risk shall enter into a subcontract with a subcontractor selected pursuant to subsection 9 to provide the labor, materials or equipment described in the request for proposals.

13. A construction manager at risk shall not substitute a subcontractor for any subcontractor selected pursuant to subsection 9 unless:

(a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change; or

(b) The substitution is approved by the public body after the selected subcontractor:

(2) After having a reasonable opportunity, fails or refuses to execute a written contract with the construction manager at risk which was offered to the selected subcontractor with the same general terms that all other subcontractors on the project were offered;

15. If a public work is being constructed in phases, and a construction manager at risk selects a subcontractor pursuant to subsection 9 for the provision of labor, materials or equipment for any phase of that construction, the construction manager at risk may select that subcontractor for the provision of labor, materials or equipment for any other phase of the construction without following the requirements of subsections 3 to 11, inclusive.

3. If, after awarding the contract, but before commencement of the work, the public body or its authorized representative discovers that the person to whom the contract was awarded is not licensed, or that the contract would exceed the person's license, the public body or its authorized representative shall rescind the award of the contract and may accept the next lowest bid for that public work from a responsive bidder who was determined by the public body or its authorized representative to be a qualified bidder pursuant to NRS 338.1379 or 338.1382 without requiring that new bids be submitted.

Sec. 13. **NRS 338.141 is hereby amended to read as follows:**

338.141 1. Except as otherwise provided in NRS 338.1727, each bid submitted to a public body for any public work to which paragraph (a) of subsection 1 of NRS 338.1385 or paragraph (a) of subsection 1 of NRS 338.143 applies, must include:

(a) If the public body provides a list of the labor or portions of the public work which are estimated by the public body to exceed 3 percent of the estimated cost of the public work, the name of each first tier subcontractor who will provide such labor or portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work; or

➥ the contractor's bid shall be deemed not responsive. A contractor's bid shall not be deemed not responsive on the grounds that the contractor submitted a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the State Public Works Board pursuant to NRS 338.1376 if the contractor, before the award of the contract, provides an acceptable replacement subcontractor in the manner set forth in subsection 1 or 2 of NRS 338.13895.

5. A ***prime*** contractor ~~[whose bid is accepted]~~ shall not substitute a subcontractor for any subcontractor who is named in the bid, unless:

(a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change.

(b) The substitution is approved by the public body or its authorized representative. The substitution must be approved if the public body or its authorized representative determines that:

(2) The named subcontractor files for bankruptcy or becomes insolvent;

(3) The named subcontractor fails or refuses to perform his or her subcontract within a reasonable time or is unable to furnish a performance bond and payment bond pursuant to NRS 339.025; or

7. If a ***prime*** contractor ~~[indicates]~~ ***indicated*** pursuant to subsection ~~[1]~~ ***3*** that he or she ~~[will]~~ ***would*** perform a portion of work on the public work and ~~[thereafter requests to substitute]~~ ***, after the submission of the bid, substitutes*** a subcontractor to perform such work, the ***prime*** contractor shall ~~[provide to the public body a written explanation in the form required by the public body which contains the reasons that:~~

A bond posted or other security submitted with a notice of protest must be in an amount equal to the lesser of:

(a) Twenty-five percent of the total value of the bid submitted by the person filing the notice of protest; or

4. A notice of protest filed in accordance with the provisions of this section operates as a stay of action in relation to the awarding of any contract until a determination is made by the public body on the protest.

5. A person who makes an unsuccessful bid may not seek any type of judicial intervention until the public body has made a determination on the protest and awarded the contract.

6. Neither a public body nor any authorized representative of the public body is liable for any costs, expenses, attorney's fees, loss of income or other

7. If the protest is upheld, the bond posted or other security submitted with the notice of protest must be returned to the person who posted the bond or submitted the security. If the protest is rejected, a claim may be made against the bond or other security by the public body in an amount equal to the expenses incurred by the public body because of the unsuccessful protest. Any money remaining after the claim has been satisfied must be returned to the person who posted the bond or submitted the security.

(d) The contract is awarded to the lowest responsive and responsible bidder.

7. Before a local government may commence the performance of a public work itself pursuant to the provisions of this section, based upon a determination that the public interest would be served by rejecting any bids received in response to an advertisement for bids, the local government shall prepare and make available for public inspection a written statement containing:

3. The selection of a professional engineer, professional land surveyor or registered architect to perform services pursuant to subsection 1 must be made on the basis of the competence and qualifications of the engineer, land surveyor or architect for the type of services to be performed and not on the basis of competitive fees. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection relating to a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that public work.***

The public body may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached or a determination is made by the public body to reject all applicants.

3. The public body shall make available to the applicants and the public the results of the evaluations of final proposals and interviews conducted pursuant to subsection 1 and the final rankings of the applicants.

Assembly Bill No. 171.

Bill read third time.

The following amendment was proposed by Assemblymen Bobzien and Frierson:

Amendment No. 840.

AN ACT relating to education; revising provisions governing the membership of a committee to form a charter school and the governing body of a charter school; revising provisions for the process of review of an application to form a charter school; authorizing the governing body of a charter school to set a salary for the attendance of its members at meetings of the governing body; revising the requirements for a charter school to be eligible for an exemption from annual performance audits and to receive certain money for facilities; revising provisions governing the employment of licensed employees by a charter school; revising various other provisions governing charter schools; repealing the Subcommittee on Charter Schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill revises the membership of a committee to form a charter school and revises the process for review of an application to form a charter school by the Department of Education.

Section 2 of this bill revises the procedure for the review of an application to form a charter school if the proposed sponsor is the State Board of Education.

Section 3 of this bill provides that if the sponsor of a charter school denies a request for an amendment of a written charter of the charter school, the sponsor must provide written notice to the governing body which sets forth the reasons for the denial.

Section 3.5 of this bill provides that the sponsor of a charter school may revoke the written charter before the expiration of the charter if the sponsor determines that the charter school failed to comply with the material terms and conditions of the written charter.

Section 5 of this bill authorizes the Department to request certain information from a charter school, regardless of whether that information is required by specific statute, and provides that if the Department requests such information, the Department shall include in the request a mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will incur any costs for the charter school.

Section 6 of this bill revises the membership of the governing body of a charter school and authorizes the governing body, upon a majority vote of members, to set a salary for the attendance of its members at meetings of the governing body, not to exceed $80 per meeting per month.

Existing law prescribes the requirement for a charter school to be exempt from an annual performance audit and undergo a performance audit every 3 years and to be eligible for available money from legislative appropriations or otherwise for facilities. A charter school is eligible if at least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination. (NRS 386.5515) **Section 7** of this bill revises this eligibility requirement to require that at least 75 percent of the pupils enrolled in the charter school in grade 12 in the immediately preceding school year who have satisfied the course work requirements for graduation have passed the high school proficiency examination.

Existing law provides that the pupils enrolled in charter schools must be included in the count of pupils for purposes of the apportionments and allowances from the State Distributive School Account and provides for the reimbursement of administrative costs to the sponsor of a charter school. (NRS 386.570) **Section 9** of this bill requires the State Board to prescribe a process which ensures that all charter schools, regardless of the sponsor, have information of all sources of funding for the public schools provided through the Department.

Existing law requires a school district to grant a leave of absence to an employee of the school district, not to exceed 3 years, to accept employment with a charter school sponsored by the school district. The school district is required to grant such an employee's request to return to his or her former teaching position or a comparable teaching position within the school district after the approved leave of absence is complete. (NRS 386.595) **Section 9.7** of this bill removes the provision which specifies that the school district which is the sponsor of the charter school shall grant a leave of absence, so

that a school district, regardless of sponsor, shall grant such a leave of absence for its licensed employees. **Section 9.7** also removes the provision which provides that the employee may return to his or her former teaching position and instead authorizes the employee to return to a comparable teaching position. **Section 9.7** further requires that upon the request of a governing body of a charter school, the board of trustees of a school district, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. **Section 9.7** also requires that upon request of the board of trustees of a school district, the governing body of a charter school, with the permission of the licensed employee who is granted a leave of absence from the school district, transmit to the school district a copy of the employment record of the employee maintained by the charter school. Finally, **section 9.7** authorizes the school district to conduct an investigation of any misconduct of the licensed employee who was granted a leave of absence for employment with a charter school and who requests to return to employment with the school district.

Under existing law, a parent may homeschool a child if the parent submits to the superintendent of schools of the school district in which the child resides a notice of intent to homeschool the child. (NRS 392.700) **Section 10** of this bill requires a charter school, to the extent practicable, to notify the school district in which the child resides if the child who is or was homeschooled enrolls in the charter school and provides that the child may be counted for the purposes of the calculation of basic support whether or not the charter school provides the notice.

Section 11 of this bill repeals the Subcommittee on Charter Schools.

If such an application is approved, the charter school may continue to operate under the same governing body and an additional governing body does not need to be selected to operate the charter school with the expanded grade levels.~~**]** ***If the sponsor denies the request for an amendment, the sponsor shall provide written notice to the governing body of the charter school setting forth the reasons for the denial.***

7. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is not prepared to commence operation on the date of issuance of the written charter. The criteria must include, without limitation, the:

(a) Period for which such a written charter is valid; and

(b) Timelines by which the applicant must satisfy certain requirements demonstrating its progress in preparing to commence operation.

➥ A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

8. The holder of a written charter that is issued pursuant to subsection 7 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board pursuant to subsection 7 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or

➥ whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

Sec. 3.5. NRS 386.535 is hereby amended to read as follows:

386.535 1. The sponsor of a charter school may revoke the written charter of the charter school before the expiration of the charter if the sponsor determines that:

3. Except as otherwise provided in subsection 4, not more than 90 days after the notice is provided pursuant to subsection 2, the sponsor shall hold a

public hearing to make a determination regarding whether to revoke the written charter. If the charter school corrects the deficiencies to the satisfaction of the sponsor within the time prescribed in paragraph (b) of subsection 2, the sponsor shall not revoke the written charter of the charter school. The sponsor may not include in a written notice pursuant to subsection 2 any deficiency which was included in a previous written notice and which was corrected by the charter school, unless the deficiency recurred after being corrected.

4. The sponsor of a charter school and the governing body of the charter school may enter into a written agreement that prescribes different time periods than those set forth in subsections 2 and 3.

Upon such a request, a charter school shall provide the information if the Department includes a detailed description of the requested information and the mechanism by which the Department will pay or reimburse the charter school for the requested information, if the provision of the information will incur any costs for the charter school.

If the charter school no longer satisfies the requirements of subsection 1 or if reasonable evidence of noncompliance in achieving the educational goals and objectives of the charter school exists based upon the annual report, the charter school shall, upon written notice from the sponsor, submit to an annual performance audit. Notwithstanding the provisions of paragraph (b) of subsection 1, such a charter school:

3. A charter school that does not satisfy the requirements of subsection 1 shall submit a quarterly report of the financial status of the charter school if requested by the sponsor of the charter school.

Sec. 8. NRS 386.560 is hereby amended to read as follows:

386.560 1. The governing body of a charter school may contract with the board of trustees of the school district in which the charter school is located ***or in which a pupil enrolled in the charter school resides*** or the Nevada System of Higher Education for the provision of facilities to operate the charter school or to perform any service relating to the operation of the charter school, including, without limitation, transportation, the provision of health services for the pupils who are enrolled in the charter school and the provision of school police officers.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at

the charter school or participate in an extracurricular activity, excluding ~~[including]~~ sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.

➥ If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding ~~[including]~~ sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. ➥ If the board of trustees of a school district authorizes a pupil to participate in sports pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to participate.

6. The board of trustees of a school district may revoke its approval for a pupil to participate in a class, extracurricular activity or sports at a public school pursuant to subsections 4 and 5 ~~[subsection 4]~~ if the board of trustees or the public school determines that the pupil has failed to comply with applicable statutes, or applicable rules and regulations of the board of trustees, the public school or the Nevada Interscholastic Activities Association. If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 9. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive,

unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. ***The State Board shall prescribe a process which ensures that all charter schools, regardless of the sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.***

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable, pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special

education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.

Sec. 9.5. NRS 386.590 is hereby amended to read as follows:

386.590 1. Except as otherwise provided in this subsection, at least 70 percent of the teachers who provide instruction at a charter school must be licensed teachers. If a charter school is a vocational school, the charter school shall, to the extent practicable, ensure that at least 70 percent of the teachers who provide instruction at the school are licensed teachers, but in no event may more than 50 percent of the teachers who provide instruction at the school be unlicensed teachers.

2. A governing body of a charter school shall employ:

(b) If the charter school offers instruction in grade 9, 10, 11 or 12, a licensed teacher to teach pupils who are enrolled in those grades for the subjects set forth in subsection 4. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).

(c) In addition to the requirements of paragraphs (a) and (b):

(1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.

(2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full-time.

(3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer

education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full-time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not "initially hired" if the person has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his or her current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if the teacher teaches one or more of the following subjects:

5. Except as otherwise provided in NRS 386.588, a charter school may employ a person who is not licensed pursuant to the provisions of chapter 391 of NRS to teach a course of study for which a licensed teacher is not required pursuant to subsections 2, 3 and 4 if the person has:

(a) A degree, a license or a certificate in the field for which the person is employed to teach at the charter school; and

(b) At least 2 years of experience in that field.

6. Except as otherwise provided in NRS 386.588, a charter school shall employ such administrators for the school as it deems necessary. A person employed as an administrator must possess:

(a) A valid teacher's license issued pursuant to chapter 391 of NRS with an administrative endorsement;

(b) A master's degree in school administration, public administration or business administration; or

(c) At least 5 years of experience in school administration, public administration or business administration and a baccalaureate degree.

7. Except as otherwise provided in subsection 8, the portion of the salary or other compensation of an administrator employed by a charter school that is derived from public funds must not exceed the salary or other compensation, as applicable, of the highest paid administrator in a

comparable position in the school district in which the charter school is located. For purposes of determining the salary or other compensation of the highest paid administrator in a comparable position in the school district, the salary or other compensation of the superintendent of schools of that school district must not be included in the determination.

8. If the salary or other compensation paid to an administrator employed by a charter school from public funds exceeds the maximum amount prescribed in subsection 7, the sponsor of the charter school shall conduct an audit of the salary or compensation. The audit must include, without limitation, a review of the reasons set forth by the governing body of the charter school for the salary or other compensation and the interests of the public in using public funds to pay that salary or compensation. If the sponsor determines that the payment of the salary or other compensation from public funds is justified, the sponsor shall provide written documentation of its determination to the governing body of the charter school and to the Department. If the sponsor determines that the payment of the salary or other compensation from public funds is not justified, the governing body of the charter school shall reduce the salary or compensation paid to the administrator from public funds to an amount not to exceed the maximum amount prescribed in subsection 7.

9. A charter school shall not employ a person pursuant to this section if the person's license to teach or provide other educational services has been revoked or suspended in this State or another state.

Sec. 9.7. NRS 386.595 is hereby amended to read as follows:

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body

pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. ***Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.***

4. Except as otherwise provided in this subsection, if the written charter of a charter school is revoked or if a charter school ceases to operate as a charter school, the ***licensed*** employees of the charter school must be reassigned to employment within the school district in accordance with the applicable collective bargaining agreement. A school district is not required to reassign ~~[an]~~ ***a licensed*** employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to ~~[teach]~~ ***accept employment*** at the charter school pursuant to subsection ~~[4; or]~~ ***5;***

(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection ~~[4.~~

~~4.]~~ ***5; or***

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district ~~[that is a sponsor of a charter school]~~ shall grant a leave of absence, not to exceed 3 years, to any ***licensed*** employee who is employed by the board of trustees who requests such a leave of absence to accept employment with ~~[the]~~ ***a*** charter school. After the first school year in which ~~[an]~~ ***a licensed*** employee is on a leave of absence, the employee may return to ~~[his or her former]~~ ***a comparable*** teaching position with the board of trustees. After the third school year, ~~[an]~~ ***a licensed*** employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee's leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the ***licensed*** employee requires the board of trustees to reduce the existing workforce of the school district. ***The board of trustees is not required to accept the return of the licensed employee if the employee does***

not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a ***comparable*** teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

~~[5. An]~~

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee's return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

7. If a school district conducts an investigation pursuant to subsection 6:

(a) The licensed employee is not entitled to return to employment with the school district until the investigation is complete; and

(b) The investigation must be conducted within a reasonable time.

8. A licensed employee who is on a leave of absence from a school district pursuant to this section:

(a) Shall contribute to and be eligible for all benefits for which the employee would otherwise be entitled, including, without limitation, participation in the Public Employees' Retirement System and accrual of time for the purposes of leave and retirement.

(b) Continues, while the employee is on leave, to be covered by the collective bargaining agreement of the school district only with respect to any matter relating to his or her status or employment with the district.

➥ The time during which such an employee is on a leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

~~[6.]~~ ***9.*** Upon the return of a teacher to employment in the school district, the teacher is entitled to the same level of retirement, salary and any other benefits to which the teacher would otherwise be entitled if the teacher had not taken a leave of absence to teach in a charter school.

~~[7.]~~ ***10.*** An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which the employee would be eligible for employment in a public school, including, without limitation, participation in the Public Employees' Retirement System.

~~[8.]~~ ***11.*** For all employees of a charter school:

(a) The compensation that a teacher or other school employee would have received if he or she were employed by the school district must be used to determine the appropriate levels of contribution required of the employee and employer for purposes of the Public Employees' Retirement System.

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

~~[9.]~~ ***12.*** If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

(a) Ensure that the premiums for that insurance are paid to the board of trustees; and

(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

Sec. 10. NRS 392.700 is hereby amended to read as follows:

392.700 1. If the parent of a child who is subject to compulsory attendance wishes to homeschool the child, the parent must file with the superintendent of schools of the school district in which the child resides a written notice of intent to homeschool the child. The Department shall develop a standard form for the notice of intent to homeschool. The form

must not require any information or assurances that are not otherwise required by this section or other specific statute. The board of trustees of each school district shall, in a timely manner, make only the form developed by the Department available to parents who wish to homeschool their child.

2. The notice of intent to homeschool must be filed before beginning to homeschool the child or:

(a) Not later than 10 days after the child has been formally withdrawn from enrollment in public school; or

(b) Not later than 30 days after establishing residency in this State.

3. The purpose of the notice of intent to homeschool is to inform the school district in which the child resides that the child is exempt from the requirement of compulsory attendance.

4. If the name or address of the parent or child as indicated on a notice of intent to homeschool changes, the parent must, not later than 30 days after the change, file a new notice of intent to homeschool with the superintendent of schools of the school district in which the child resides.

5. A notice of intent to homeschool must include only the following:

(a) The full name, age and gender of the child;

(b) The name and address of each parent filing the notice of intent to homeschool;

(c) A statement signed and dated by each such parent declaring that the parent has control or charge of the child and the legal right to direct the education of the child, and assumes full responsibility for the education of the child while the child is being homeschooled;

(d) An educational plan for the child that is prepared pursuant to subsection 12;

(e) If applicable, the name of the public school in this State which the child most recently attended; and

(f) An optional statement that the parent may sign which provides:

I expressly prohibit the release of any information contained in this document, including, without limitation, directory information as defined in 20 U.S.C. § 1232g(a)(5)(A), without my prior written consent.

6. Each superintendent of schools of a school district shall accept notice of intent to homeschool that is filed with the superintendent pursuant to this section and meets the requirements of subsection 5, and shall not require or request any additional information or assurances from the parent who filed the notice.

7. The school district shall provide to a parent who files a notice a written acknowledgment which clearly indicates that the parent has provided notification required by law and that the child is being homeschooled. The written acknowledgment shall be deemed proof of compliance with Nevada's compulsory school attendance law. The school district shall retain a copy of

the written acknowledgment for not less than 15 years. The written acknowledgment may be retained in electronic format.

8. The superintendent of schools of a school district shall process a written request for a copy of the records of the school district, or any information contained therein, relating to a child who is being or has been homeschooled not later than 5 days after receiving the request. The superintendent of schools may only release such records or information:

(a) To a person or entity specified by the parent of the child, or by the child if the child is at least 18 years of age, upon suitable proof of identity of the parent or child; or

(b) If required by specific statute.

9. If a child who is or was homeschooled seeks admittance or entrance to any school in this State, the school may use only commonly used practices in determining the academic ability, placement or eligibility of the child. ***If the child enrolls in a charter school, the charter school shall, to the extent practicable, notify the board of trustees of the school district in which the child resides of the child's enrollment in the charter school. Regardless of whether the charter school provides such notification to the board of trustees, the charter school may count the child who is enrolled for the purposes of the calculation of basic support pursuant to NRS 387.1233.*** A homeschooled child seeking admittance to public high school must comply with NRS 392.033.

10. A school or organization shall not discriminate in any manner against a child who is or was homeschooled.

11. Each school district shall allow homeschooled children to participate in the high school proficiency examination administered pursuant to NRS 389.015 and all college entrance examinations offered in this State, including, without limitation, the ~~[Scholastic Aptitude Test,]~~ ***SAT,*** the ~~[American College Test,]~~ ***ACT,*** the Preliminary ~~[Scholastic Aptitude Test]~~ ***SAT*** and the National Merit Scholarship Qualifying Test. Each school district shall ensure that the homeschooled children who reside in the school district have adequate notice of the availability of information concerning such examinations on the Internet website of the school district maintained pursuant to NRS 389.004.

12. The parent of a child who is being homeschooled shall prepare an educational plan of instruction for the child in the subject areas of English, including reading, composition and writing, mathematics, science and social studies, including history, geography, economics and government, as appropriate for the age and level of skill of the child as determined by the parent. The educational plan must be included in the notice of intent to homeschool filed pursuant to this section. If the educational plan contains the requirements of this section, the educational plan must not be used in any

manner as a basis for denial of a notice of intent to homeschool that is otherwise complete. The parent must be prepared to present the educational plan of instruction and proof of the identity of the child to a court of law if required by the court. This subsection does not require a parent to ensure that each subject area is taught each year that the child is homeschooled.

13. No regulation or policy of the State Board, any school district or any other governmental entity may infringe upon the right of a parent to educate his or her child based on religious preference unless it is:

(a) Essential to further a compelling governmental interest; and

(b) The least restrictive means of furthering that compelling governmental interest.

14. As used in this section, "parent" means the parent, custodial parent, legal guardian or other person in this State who has control or charge of a child and the legal right to direct the education of the child.

Sec. 11. NRS 386.507 is hereby repealed.

Sec. 12. The Legislative Counsel shall, in preparing supplements to the Nevada Administrative Code, appropriately change any references to an officer, agency or other entity whose name is changed or whose duties are transferred pursuant to the provisions of this act to refer to the appropriate officer, agency or other entity.

Sec. 13. This act becomes effective on July 1, 2011.

TEXT OF REPEALED SECTION

386.507 Subcommittee on Charter Schools: Appointment of members; terms. The Subcommittee on Charter Schools of the State Board is hereby created. The President of the State Board shall appoint three members of the State Board to serve on the Subcommittee. Except as otherwise provided in this section, the members of the Subcommittee serve terms of 2 years. If a member is not reelected to the State Board during his or her service on the Subcommittee, the term of the member on the Subcommittee expires when his or her membership on the State Board expires. Members of the Subcommittee may be reappointed.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 419.

The following Senate amendment was read:

Amendment No. 789.

AN ACT relating to water; requiring the State Engineer to designate certain groundwater basins as critical management areas in certain circumstances; requiring the State Engineer to take certain actions in such a basin unless a groundwater management plan has been approved for the basin; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Engineer has various powers and duties with respect to regulating the groundwater in this State. (Chapter 534 of NRS) **Section 3** of this bill requires the State Engineer to designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin upon the petition of a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer. If a basin is so designated for at least 10 consecutive years, **section 3** requires the State Engineer to order that withdrawals of groundwater be restricted in the basin to conform to priority rights, unless a groundwater management plan has been approved for the basin. **Section 1** of this bill prescribes the procedure for the proposal, approval and revision of such a plan. **Section 2** of this bill includes the existence of a groundwater management plan in a basin as a consideration for the State Engineer in determining whether to grant a request for an extension of the time necessary to work a forfeiture of water in such a basin.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 534 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In a basin that has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110, a petition

for the approval of a groundwater management plan for the basin may be submitted to the State Engineer. The petition must be signed by a majority of the holders of permits or certificates to appropriate water in the basin that are on file in the Office of the State Engineer and must be accompanied by a groundwater management plan which must set forth the necessary steps for removal of the basin's designation as a critical management area.

2. In determining whether to approve a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall consider, without limitation:

(a) The hydrology of the basin;

(b) The physical characteristics of the basin;

(c) ~~*[The relationship between surface water and groundwater in the basin;*~~

~~*[(d)]*~~ ***The geographic spacing and location of the withdrawals of groundwater in the basin;***

~~*[(e)]*~~ ***(d) The quality of the water in the basin;***

~~*[(f)]*~~ ***(e) The wells located in the basin, including, without limitation, domestic wells;***

~~*[(g)]*~~ ***(f) Whether a groundwater management plan already exists for the basin; and***

~~*[(h)]*~~ ***(g) Any other factor deemed relevant by the State Engineer.***

3. Before approving or disapproving a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall hold a public hearing to take testimony on the plan in the county where the basin lies or, if the basin lies in more than one county, within the county where the major portion of the basin lies. The State Engineer shall cause notice of the hearing to be:

(a) Given once each week for 2 consecutive weeks before the hearing in a newspaper of general circulation in the county or counties in which the basin lies.

(b) Posted on the Internet website of the State Engineer for at least 2 consecutive weeks immediately preceding the date of the hearing.

4. The decision of the State Engineer on a groundwater management plan may be reviewed by the district court of the county pursuant to NRS 533.450.

5. An amendment to a groundwater management plan must be proposed and approved in the same manner as an original groundwater management plan is proposed and approved pursuant to this section.

Sec. 2. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right,

whether it is an adjudicated right, an unadjudicated right or a permitted right, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of beneficial use is not sent to the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder's failure to use all or any part of the water beneficially for the purpose for which the holder's right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Any prolonged period in which precipitation in the basin where the water right is located is below the average for that basin or in which indexes

that measure soil moisture show that a deficit in soil moisture has occurred in that basin; ~~[and]~~

(e) ***Whether a groundwater management plan has been approved for the basin pursuant to section 1 of this act; and***

(f) Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation.

➥ The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder's request for an extension pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner's right is declared by the State Engineer.

4. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 3. NRS 534.110 is hereby amended to read as follows:

534.110 1. The State Engineer shall administer this chapter and shall prescribe all necessary regulations within the terms of this chapter for its administration.

2. The State Engineer may:

(a) Require periodical statements of water elevations, water used, and acreage on which water was used from all holders of permits and claimants of vested rights.

(b) Upon his or her own initiation, conduct pumping tests to determine if overpumping is indicated, to determine the specific yield of the aquifers and to determine permeability characteristics.

3. The State Engineer shall determine whether there is unappropriated water in the area affected and may issue permits only if the determination is

affirmative. The State Engineer may require each applicant to whom a permit is issued for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ to report periodically to the State Engineer concerning the effect of that well on other previously existing wells that are located within 2,500 feet of the well.

4. It is a condition of each appropriation of groundwater acquired under this chapter that the right of the appropriator relates to a specific quantity of water and that the right must allow for a reasonable lowering of the static water level at the appropriator's point of diversion. In determining a reasonable lowering of the static water level in a particular area, the State Engineer shall consider the economics of pumping water for the general type of crops growing and may also consider the effect of using water on the economy of the area in general.

5. This section does not prevent the granting of permits to applicants later in time on the ground that the diversions under the proposed later appropriations may cause the water level to be lowered at the point of diversion of a prior appropriator, so long as any protectable interests in existing domestic wells as set forth in NRS 533.024 and the rights of holders of existing appropriations can be satisfied under such express conditions. At the time a permit is granted for a well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ the State Engineer shall include as a condition of the permit that pumping water pursuant to the permit may be limited or prohibited to prevent any unreasonable adverse effects on an existing domestic well located within 2,500 feet of the well, unless the holder of the permit and the owner of the domestic well have agreed to alternative measures that mitigate those adverse effects.

6. ~~[The]~~ ***Except as otherwise provided in subsection 7, the*** State Engineer shall conduct investigations in any basin or portion thereof where it appears that the average annual replenishment to the groundwater supply may not be adequate for the needs of all permittees and all vested-right claimants, and if the findings of the State Engineer so indicate, the State Engineer may order that withdrawals ***, including, without limitation, withdrawals from domestic wells,*** be restricted to conform to priority rights.

7. ***The State Engineer:***

(a) May designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin.
