Assembly Bill No. 58.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 518.

The Title of Assembly Bill No. 58 is hereby amended as follows:

AN ACT relating to veterans; making the Office of Veterans Services the Department of Veterans Services; creating the Office of Veterans Policy and Coordination in the Office of the Governor; creating the Interagency Council on Veterans Affairs; revising provisions relating to donations for veterans homes; ~~[providing exceptions to provisions governing public works and lease-purchase agreements with respect to certain projects of the Department of Veterans Services;]~~ requiring the Division of State Parks of the State Department of Conservation and Natural Resources to issue annual permits for the free use of state parks and other recreational areas to certain veterans; and providing other matters properly relating thereto.

If this amendment is adopted, the Legislative Counsel Digest will be changed as follows:

Legislative Counsel's Digest:

Under existing law, the Office of Veterans Services has various duties and powers relating to veterans and servicemen and servicewomen and their dependents in Nevada, including assisting them with obtaining benefits to which they are entitled and any services that they require and providing administrative oversight of veterans homes and veterans cemeteries in Nevada. (Chapter 417 of NRS) **Section 14** of this bill changes the Office to the Department of Veterans Services, a state department. Accordingly, the Executive Director and Deputy Executive Director of the Office become the Director and Deputy Director of the Department, respectively. The Nevada Veterans Services Commission will now advise the Department instead of the Office. (NRS 417.190) **Sections 1-7, 13, 15-33, 45 and 48-50** of this bill make conforming changes.

Sections 8 and 9 of this bill create the Office of Veterans Policy and Coordination in the Office of the Governor. This Office is headed by an Executive Director who is in the nonclassified service. The Office of Veterans Policy and Coordination is charged with developing policies, initiatives and strategies concerning services provided to veterans and servicemen and servicewomen and their families and coordinating those services.

In 2012, the Governor established by executive order the Interagency Council on Veterans Affairs. (Executive Order 2012-15 (7-3-2012)) The Council was charged with identifying and prioritizing the needs of Nevada's veterans, working toward increasing the coordination of the efforts of public and private agencies to meet those needs and preparing a report of its findings and recommendations by December 31, 2013, for submission to the Governor. **Section 10** of this bill creates the Council in statute **_ ~~[.]~~ and prescribes its membership, which includes ex officio members and members appointed by the Governor.** **Section 11** of this bill provides that the Executive Director of the Office of Veterans Policy and Coordination serves as the Chair of the Council **_ ~~[and the Governor appoints the other members.]~~** **Section 11** also requires the Council to hold meetings at least once every 3 months. **Section 12** of this bill prescribes issues for the Council to study and requires the Council to submit a report of its findings and recommendations to each regular session of the Legislature.

The Gift Account for Veterans Homes is established under existing law to receive gifts of money or personal property which a donor has restricted to one or more uses at a veterans home. (NRS 417.145) As a result of the authorization of the creation of a veterans home in northern Nevada in **section 55** of this bill, **section 23** of this bill changes the existing Gift

Account for Veterans Homes to the Gift Account for the Veterans Home in Southern Nevada to be used for the deposit of gifts which donors have restricted to use at that home. **Section 23** also creates the Gift Account for the Veterans Home in Northern Nevada to be used for the deposit of gifts which donors have restricted to use at this new veterans home. **Sections 37-44 and 47** of this bill make conforming changes.

~~**[** Under existing law, public agencies, with certain exceptions, are mandated to comply with certain requirements relating to their public works projects. (Chapter 338 of NRS) Similar to the exception for the Nevada System of Higher Education, section 35 of this bill exempts the Department of Veterans Services from those requirements if at least 75 percent of the funding for the project is not money appropriated by the State or federal money, including, for example, private donations.~~

~~Certain state agencies are authorized under existing law to enter into lease-purchase agreements to acquire real property, an interest in real property or an improvement to real property under certain circumstances. (NRS 353.500-353.630) The Nevada System of Higher Education is not subject to the requirements relating to lease-purchase agreements unless it is anticipated that payments under the agreement will be made with state appropriations. (NRS 353.540) Section 36 of this bill extends this same exemption to the Department of Veterans Services for lease purchase agreements for which the payments will not be made with state appropriations, but instead with money from private donations, for example.**]**~~

Under existing law, the Division of State Parks of the State Department of Conservation and Natural Resources is required to issue an annual permit for the free use of all state parks and recreational areas in this State to persons who are 65 years of age or older and who meet certain residency requirements. (NRS 407.065) Section 46 of this bill extends this same benefit to a veteran with a permanent service-connected disability of 10 percent or more who received an other than dishonorable discharge from the Armed Forces of the United States and who is a resident of Nevada.

Section 8 of Assembly Bill No. 58 is hereby amended as follows:

Sec. 8. ***1. There is hereby created within the Office of the Governor the Office of Veterans Policy and Coordination.***

2. The Governor shall propose a budget for the Office of Veterans Policy and Coordination.

6. Employees of the Office of Veterans Policy and Coordination are not in the classified or unclassified service of this State and serve at the pleasure of the Executive Director.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 218.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 402.

AN ACT relating to public works; defining the term "bona fide fringe benefit" for certain provisions applicable to the payment of wages for public

works; revising the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge his or her obligation to pay prevailing wages to workers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth general provisions applicable to public works, including provisions requiring the payment of prevailing wages for public works projects. (NRS 338.010-338.090) Existing law also authorizes the Labor Commissioner: (1) to provide certain remedies for violations of those provisions; and (2) after providing notice and an opportunity for a hearing, to impose an administrative penalty against a person who violates those provisions. (NRS 338.015, 338.017, 338.090) Further, under existing law, a contractor or subcontractor engaged on a public work is authorized to discharge his or her obligation to pay prevailing wages to workers in part by making certain contributions in the name of the worker. (NRS 338.035)

Section 4 of this bill sets forth the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge any part of his or her obligation to pay prevailing wages to a worker by providing bona fide fringe benefits in the name of the worker. Those requirements include, among other things, that the bona fide fringe benefits are paid equally for all hours worked in a calendar year by the worker for the contractor or subcontractor. **Section 1** of this bill defines "bona fide fringe benefit" for the purposes of the provisions applicable to public works. **Section 4** also requires the Labor Commissioner, after providing notice and an opportunity for a hearing, to: (1) impose an administrative penalty against a contractor or subcontractor who violates the provisions of that section; (2) require the contractor or subcontractor to make the affected worker whole by paying to the worker as wages any amounts disallowed as bona fide fringe benefits; (3) report the violation to the Attorney General; and (4) notify certain governmental and other entities of the violation.

Existing law provides that if an administrative penalty is imposed against a person for the commission of an offense as defined in relation to public works: (1) the person and any corporate officer of the person are prohibited from receiving a contract for a public work for specified periods depending on the number of offenses; and (2) the Labor Commissioner is required to notify the State Contractors' Board with regard to each contractor who is prohibited from being awarded such a contract. (NRS 338.010, 338.017) **Section 1** of this bill makes this provision of existing law applicable to discharging an obligation to pay wages in a manner that violates the provisions of **section 4** by adding that violation to the definition of an "offense" in **section 1**.

(j) May record each public hearing held pursuant to paragraph (h) and make those recordings available for public inspection in the manner provided in subsection 4 of NRS 241.035.

(k) Shall ensure that a small business which is aggrieved by a regulation adopted pursuant to this subsection may object to all or a part of the regulation by filing a petition with the Board within 90 days after the date on which the regulation was adopted. Amendment No. 191.

SUMMARY—Enacts provisions governing certain policies of insurance, annuities **, benefit contracts** and retained asset accounts. (BDR 57-588)

AN ACT relating to insurance; requiring an insurer to request certain information from its insureds, annuity holders and retained asset account holders; requiring an insurer to perform a comparison of the insurer's life insurance policies, annuities **, benefit contracts** and retained asset accounts against the Death Master File from the Social Security Administration or other approved database; requiring an insurer to perform certain actions if a comparison with the Death Master File results in a match with an insured, annuity holder or retained asset account holder; **requiring an insurer to notify the State Treasurer of certain unclaimed benefits which revert by escheat to the State and to transfer the unclaimed benefit to the State Treasurer; authorizing the Commissioner of Insurance to issue certain orders relating to certain duties of an insurer; providing that certain violations may constitute an unfair trade practice;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the business of conducting insurance in this State. (Title 57 of NRS) Existing law further regulates the duties of insurers who issue policies of life insurance and annuities in this State. (Chapter 688A of NRS) This bill sets forth new provisions concerning establishing the identity and death of an insured or beneficiary and the payment of death benefits under a policy of life insurance, annuity or retained asset account.

Sections ~~[3]~~ 2.5-6 of this bill define the terms **"benefit contract,"** "Death Master File," "insured," "policy of life insurance" and "retained asset account" for the purposes of this bill. **Section 7** of this bill requires an insurer, on or before the effective date of a life insurance policy**, ~~[or]~~** annuity **or benefit contract** or on or before the date a retained asset account is

established, to request from its insureds, annuity contract holders and retained asset account holders sufficient information to ensure that all benefits are distributed to the correct person upon the death of the insured, annuity holder or retained asset account holder. ~~[Section]~~ **With certain exceptions, section 8** of this bill requires an insurer, at least semiannually, to perform a comparison of the names on the Death Master File from the Social Security Administration with its insureds' life insurance policies, annuities **, benefit contracts** and retained asset accounts to identify potential matches. If an insurer identifies a potential match through a search of the Death Master File, **section 8** requires an insurer to: (1) make a reasonable effort to confirm the death of the insured, annuity holder or retained asset account holder; and (2) determine whether death benefits are due in accordance with the applicable policy or contract. If benefits are due, **section 8** also requires an insurer to: (1) make a reasonable effort to locate each beneficiary; (2) provide each beneficiary with the appropriate claim forms and instructions that detail the procedure for making a claim; and (3) process any claims received accordingly. **Section 9.3 of this bill requires an insurer to notify the State Treasurer upon the reversion by escheat of a benefit under a policy of life insurance or an annuity and transfer to the State Treasurer the unclaimed benefit as soon as practicable after providing notice. Section 9.5 of this bill authorizes the Commissioner of Insurance to issue certain orders modifying the duties of an insurer under the provisions of this bill. Section 9.7 provides that the failure of an insurer to comply with the provisions of this bill may constitute an unfair trade practice.**

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 414.

AN ACT relating to public works; **extending the authority for the Department of Transportation to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways on and after July 1, 2013;** amending certain

requirements governing contractors involved in public works; amending certain requirements governing bidding for public works when a public body decides to contract with a construction manager at risk; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person who serves as a contractor on a public work to be licensed. (NRS 338.010) **Section 2** of this bill limits that requirement so that a person who performs work that does not otherwise require licensure is not required to be licensed to provide services on a public work.

~~[Sections]~~ **Existing law requires certain prime contractors who submit bids for a public work to include with the bid a list that discloses the first tier subcontractors who will perform a certain portion of the work on the public work. (NRS 338.141) Section 6** ~~[and 11]~~ of this bill ~~[require]~~ **amends the provisions prescribing which subcontractors must be named on the list. Section 6 also requires** the prime contractor ~~[on a public work, who is the contractor who contracts for and coordinates all of the work performed for an entire public work project, to be included]~~ **to include** on the list ~~[that is required to be submitted with the bid which discloses the first tier subcontractors who will perform a significant portion of the work on the project and require the prime contract to perform a certain percentage of the work for the project. Section 6 further limits the amount that a prime contractor may use to pay for materials that are not directly associated with work that will actually be performed by the prime contractor. Section 8 of this bill requires any proposal for a public work to include a statement that the prime contractor will meet these requirements.]~~ **: (1) a description of the labor or portion of the work that the prime contractor will perform; or (2) a statement that the prime contractor will perform all work other than that being performed by a subcontractor named on the list.**

Existing law allows a public body to contract with a construction manager at risk, which is a construction manager who is required to construct a public work within a guaranteed maximum price, a fixed price or a fixed price plus reimbursement for certain costs. (NRS 338.169, 338.1696) **Section** ~~[7]~~ **8** of this bill ~~[limits the authorization of a public body to contract with a construction manager at risk for a discrete project to situations where: (1) the public body has approved the use of a construction manager at risk for the design and construction of the project; and (2) the estimated cost of the project is over $5,000,000.]~~ **requires a proposal for a construction manager at risk to include an explanation of the experience that the applicant has as a construction manager at risk. Section 10** of this bill requires a construction manager at risk who has entered into a contract with a public body for services related to construction that are provided before actual construction begins to ~~[select each subcontractor]~~ **provide to the**

public body, before entering ~~[negotiations]~~ **into a contract** for construction of the public work ~~[.]~~ **, a list of the labor or portions of the work which are estimated by the construction manager at risk to exceed a certain percentage of the estimated cost of the public work.**

Existing law requires a public body to appoint a panel of at least three persons, with at least two having experience in the construction industry, to rank proposals and interview the top applicants for a public work. (NRS 338.1693) **Section 9** of this bill limits such a panel to seven members ~~[.]~~ **and** requires that a majority of the panel have experience in the construction industry **.** ~~[and prohibits members of such a panel from being employed by the public body.]~~ **Section 9** also ~~[requires]~~ **authorizes** the public body to appoint another panel, similarly comprised, to interview the top applicants.

Section 11 of this bill provides that if a public work involves predominantly horizontal construction, a construction manager at risk who enters into a contract for the construction of the public work shall perform construction work equal in value to at least 25 percent of the estimated cost of construction himself or herself, or using his or her own employees. Section 2 of this bill defines the term "horizontal construction."

Sections 12 and 13 of this bill modify requirements governing the procedure that a construction manager at risk is required to use when selecting and contracting with subcontractors.

Under existing law, the Department of Transportation may award a contract for the construction, reconstruction, improvement and maintenance of a highway to a construction manager at risk on or before June 30, 2013. Section 5 of this bill authorizes the Department of Transportation to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways on and after July 1, 2013.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 293.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 510.

AN ACT relating to off-highway vehicles; ~~[making failure to register an off-highway vehicle a secondary offense; providing for the temporary registration of an off-highway vehicle by officers of the Department of Motor Vehicles and other peace officers under certain circumstances; providing for exclusive enforcement of provisions governing off-highway vehicles by certain officers of this State; revising provisions relating to renewal of the registration of an off-highway vehicle; providing a penalty;]~~ **revising provisions regarding the size of the registration sticker or decal provided by the Department of Motor Vehicles for off-highway vehicles;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, the operator of an off-highway vehicle is required to register the vehicle and to ensure that the registration sticker or decal is attached to the vehicle. (NRS 490.082, 490.130) Section 2 of this bill makes failure to register an off-highway vehicle or display the sticker or decal on the vehicle a secondary offense and authorizes an officer of the Department of Motor Vehicles or a peace officer of this State to issue a citation for such a violation only if the violation is discovered when the off-highway vehicle is halted or its operator is arrested for another alleged violation or offense. Section 2 also requires an officer of the Department or a peace officer, before issuing a citation to the operator of an off-highway vehicle for a violation of the registration requirement, to offer instead to allow the operator of the vehicle to fill out an application for registration of the vehicle and pay the registration fee to the officer. The officer shall then issue to the operator a receipt which is deemed a temporary certificate of registration of the vehicle that expires 30 days after issuance. The officer is then required to submit the application for registration and the fee to the Department in a timely manner. Section 2 additionally requires the Department to make available to its officers and to all peace officers in this State applications for off-highway vehicle registration and receipt forms. Section 3 of this bill requires the Department, upon receipt of an application and fee from such officers, to send to the applicant an acknowledgment of receipt of the application and fee, along with a list of any other documents or evidence required by the~~

~~Department to complete the registration process. Upon receipt of such documents or evidence, the Department is required to register the off-highway vehicle and send to the applicant a registration sticker or decal.~~

~~Section 4 of this bill limits the application of the provisions governing off-highway vehicles to only those off-highway vehicles that are propelled by an engine which has a displacement of 500 cubic centimeters or more. (NRS 490.060)~~

~~Existing law requires all officers of the Department and all peace officers in this State to enforce the provisions governing off-highway vehicles. (NRS 490.065) Section 5 of this bill provides that those officers are the only persons authorized to enforce those provisions and that the State does not authorize the Federal Government to enforce those provisions.~~**]**

Existing law requires the registration and an annual renewal of the registration of off-highway vehicles and requires that such registration be in the form of a sticker or decal that is approximately the size of a license plate for a motorcycle. (NRS 490.082, 490.083) **[**~~Section 6 of this bill revises the registration renewal period from once a year to every 3 years. Section 7 of this~~**]** **This** bill revises the size requirement of the registration sticker or decal, providing that it must be **[**~~smaller than the size of a license plate for a motorcycle.~~**]** **at least 3 inches high by 3 1/2 inches wide.**

Existing law requires the annual registration of trailers and semitrailers that are to be operated on the highways of this State and the imposition of a governmental services tax. (NRS 371.030, 482.205, 482.206) **Section ~~[1]~~ 1.4** of this bill allows a person who owns a trailer ~~[or semitrailer]~~ to instead elect to register the trailer ~~[or semitrailer]~~ for a period of ~~[5]~~ **3** years. **Section ~~[1 of this bill]~~ 1.4** also requires a person who registers a trailer ~~[or semitrailer]~~ for a ~~[5-year]~~ **3-year** period to pay upon registration all applicable fees and taxes which the person would pay if the trailer ~~[or semitrailer]~~ was registered for 1 year and then renewed for ~~[4]~~ **2** consecutive years, including, without limitation, governmental services taxes, registration fees, license plate fees and additional fees, if applicable, for personalized prestige license plates and special license plates.

Section 2 provides that such a registration is nontransferable if the person transfers ownership of the trailer, and is valid until the owner either transfers ownership of the trailer or cancels the registration of the trailer and surrenders the license plates to the Department of Motor Vehicles. Section 36 provides that the governmental services tax is imposed only when the trailer is registered and is nonrefundable. Section 4.5 of this bill provides that the Department shall not, for a trailer being registered in this manner, issue any of the various special license plates offered for other vehicles.

Sections ~~[2-5]~~ 2-4, 5 and 35 of this bill make conforming changes to provisions concerning the transfer of registration, the imposition of the governmental services tax, renewal stickers, the replacement of license plates or decals that are lost, mutilated or illegible, and the reporting of stolen motor vehicles, trailers or semitrailers. Assembly Bill No. 25.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 407.

AN ACT relating to ~~[cities;]~~ **local governments;** revising provisions governing the imposition of special assessments for the abatement of certain conditions and nuisances on property **;** ~~[within a city;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if an owner of property ~~[within a city]~~ fails to abate a dangerous or noxious condition, a chronic nuisance or, **in a city** in larger counties, an abandoned nuisance on the property after being directed to do so, the owner may be required to pay civil penalties as well as any costs incurred by the city **or county, as applicable,** to abate the condition or nuisance. In addition to any other reasonable means of recovering those costs and penalties, the city **or county, as applicable,** is authorized to make the costs and penalties a special assessment against the property and collect the special assessment in the same manner as ordinary county taxes are collected. However, before a special assessment for civil penalties may be imposed, existing law requires that 12 months must have elapsed after the final date specified for the abatement of the condition or nuisance. (NRS **244.3603, 244.3605,** 268.4122-268.4126)

This bill provides that a special assessment for the costs of abatement and civil penalties may be imposed by a designee of the governing body ~~[.]~~ **of a city or the board of county commissioners, as applicable.** If a special assessment is imposed by a designee of the governing body ~~[,]~~ **or the board,** the bill requires that the designee periodically report certain information about each such assessment to the governing body ~~[.]~~ **or the board.** The bill also shortens ~~[,]~~ **in some cases,** from 12 months to ~~[30]~~ **180** days, the length of time that must elapse before a special assessment for civil penalties may be imposed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 268.4122 is hereby amended to read as follows:

268.4122 1. The governing body of a city may adopt by ordinance procedures pursuant to which the governing body or its designee may order an owner of property within the city to:

(b) Clear debris, rubbish, refuse, litter, garbage, abandoned or junk vehicles or junk appliances which are not subject to the provisions of chapter 459 of NRS; or

(c) Clear weeds and noxious plant growth,

➥ to protect the public health, safety and welfare of the residents of the city.

2. An ordinance adopted pursuant to subsection 1 must:

All laws applicable to the levy, collection and enforcement of county taxes are applicable to such a special assessment.

5. Any civil penalties that have not been collected from the owner of the property may not be made a special assessment against the property pursuant to subsection 4 by the governing body ***or its designee*** unless:

(b) The name of each owner of record of the property as of the date of the assessment; and

(c) The total amount of the assessment, stating the amount assessed for the expense of abatement and any amount assessed for civil penalties.

7. 3. If the court finds that a chronic nuisance exists and emergency action is necessary to avoid immediate threat to the public health, welfare or safety, the court shall order the city to secure and close the property for a period not to exceed 1 year or until the nuisance is abated, whichever occurs first, and may:

(a) Impose a civil penalty:

(1) If the property is nonresidential property, of not more than $750 per day; or

(b) The owner has been billed, served or otherwise notified that the civil penalties are due; and

(c) The amount of the uncollected civil penalties is more than $5,000.

Legislative Counsel's Digest:

Under existing law, in order to be issued a certificate of registration, a provider who wishes to issue, sell or offer for sale any service contracts in this State must: (1) purchase a contractual liability insurance policy which insures the obligations of each service contract that the provider issues, sells or offers for sale; or (2) maintain, or be a subsidiary of a parent company that maintains, a net worth or stockholders' equity of at least $100,000,000. (NRS 690C.170) Without revising those provisions of existing law, this bill reenacts provisions, repealed in the 2011 Legislative Session, that allow a provider to qualify for the issuance of a certificate of registration by: (1) maintaining a reserve account that contains at all times at least 40 percent of the gross consideration received by the provider for any unexpired contracts, less any claims paid on those contracts; and (2) depositing security with the Commissioner of Insurance in the amount of ~~[$25,000 or 5]~~ **$50,000 or 10** percent of the gross consideration received by the provider for any unexpired service contracts, less any claims paid on those contracts, whichever is greater.

Assembly Bill No. 291.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 420.

AN ACT relating to veterans; revising provisions relating to preferences in state purchasing for businesses owned by a veteran with a service-connected disability; revising provisions relating to preferences in public works for

businesses owned by a veteran with a service-connected disability; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law deems a bid or proposal submitted by a local business owned by a veteran with a service-connected disability for a state purchasing contract or contract for a public work to be 5 percent lower than the bid actually submitted. (NRS 333.3366, 338.13844) **Sections 3 and 16** of this bill provide that a business qualifies for the 5 percent preference **on a contract for which the estimated cost is less than a $100,000** if it is certified as a local business owned and operated by a veteran with a service-connected disability pursuant to **section 11** of this bill. **A business qualifies for the 5 percent preference on a contract for which the estimated cost exceeds $100,000 but is less than $250,000 if it is certified as a local business owned and operated by a veteran with a service-connected disability that has been determined to be 50 percent or more by the United States Department of Veterans Affairs.** **Sections 3 and 16** also provide for the breaking of a tie for low bid in favor first of a business certified pursuant to **section 11** and second of the business with the lowest net worth.

Section 11 requires the Office of Economic Development to certify a business as a local business owned and operated by a veteran with a service-connected disability if the business submits certain information and the Office determines that the business meets the definitions of a "business owned and operated by a veteran with a service-connected disability" and a "local business." Such a certification is valid for 2 years and may be renewed. **Section 11** requires such a certified business to report any event that may affect the certification of the business within 30 business days after the event. **Section 11 further requires the Office to indicate on such a certification if the service-connected disability of the veteran who owns and operates the business has been determined by the United States Department of Veterans Affairs to be at least a 50 percent disability.**

Section 12 of this bill requires: (1) each state agency to submit all solicitations for the award of a contract and any information supporting the solicitation to the Office; and (2) the Office to maintain a database of such information that is made available to the certified businesses. **Section 13** of this bill requires the Office to maintain an electronic directory of certified businesses for use by the State, its agencies and political subdivisions and the public. **Section 13** requires the Office of Economic Development to cooperate with the Office of Veterans Services and certain nonprofit organizations to support businesses that may be eligible for certification. **Section 13** allows the Executive Director of the Office of Economic Development, in cooperation with the Purchasing Division of the Department

of Administration and the State Public Works Division of the Department of Administration, to adopt such regulations as are necessary to carry out the preference for certified businesses.

Except as otherwise provided in this subsection, nothing in this subsection authorizes a person who is not a licensed contractor to perform the acts described in paragraphs (a) and (b) of subsection 1 of NRS 624.700. As used in this subsection:

(a) "Construction oversight services" means the coordination and oversight of labor by volunteers.

The provisions of this subsection ~~[do not]~~ apply only if a building permit is not required to perform the work ~~[.]~~ and if the value of the work does not exceed $10,000 per residential property during the fixed term of the written brokerage agreement, if the assistance is provided pursuant to such an agreement, or during a period not to exceed 6 months if the assistance is provided pursuant to a property management agreement. As used in this subsection:

Amendment No. 441.

AN ACT relating to local governments; authorizing certain local governments to abate public nuisances and conditions involving abandoned, ~~[~~unregistered,~~]~~ inoperable or junk vehicles by requesting the operator of a tow car to abate the public nuisance or condition; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a board of county commissioners of a county or the governing body of a city may adopt by ordinance procedures pursuant to which the board or governing body, or a designee thereof, may order an owner of property to abate a public nuisance or condition on the property, including the clearing of certain debris, to protect the public health, safety and welfare of the residents of the county or city. (NRS 244.3605, 268.4122) Existing law further provides that if, after the provision of notice about the nuisance or condition and an opportunity for a hearing, the property owner does not abate the nuisance or condition, the county or city may abate the nuisance or condition and recover from the property owner the amount expended by the county or city for the labor and materials used to abate the nuisance or condition.

Section 2 of this bill adds abandoned, ~~[~~unregistered,~~]~~ inoperable or junk vehicles **which are not concealed from ordinary public view** to the list of ~~[~~debris and rubbish that constitutes~~]~~ **conditions that constitute** a public nuisance for the purposes of an ordinance adopted by a board of county commissioners ~~[.]~~ **in a county whose population is 700,000 or more (currently only Clark County). abate a public nuisance by towing an abandoned, inoperable ~~[, unregistered]~~ or junk vehicle if certain ~~[conditions]~~ **requirements** relating to notice and the opportunity for a hearing are satisfied. Similarly, **section 3** of this bill adds vehicles ~~[that are unregistered or]~~ **which are abandoned,** inoperable **or junk and which are not concealed from ordinary public view** to the list of ~~[debris and rubbish that constitutes a]~~ **conditions that constitute an unhealthful or unsafe** condition for the purposes of an ordinance adopted by the governing body of a city ~~[,]~~ **in any county whose population is 700,000 or more (currently only Clark County),** and provides that such an ordinance may authorize the city to request the operator of a tow car to abate **such** a condition by towing an abandoned, inoperable ~~[, unregistered]~~ or junk vehicle if certain ~~[conditions]~~ **requirements** relating to notice and the opportunity for a hearing are satisfied.

Existing law provides for the regulation of tow cars and the operators of tow cars. (NRS 706.445-706.453) **Sections 2 and 3** provide that the operator of a tow car who is requested by a county or city to tow a vehicle to abate a public nuisance or condition must comply with those provisions. ~~[Sections]~~ **Section 4** ~~[and 5]~~ of this bill ~~[provide]~~ **provides** that the registered owner of a vehicle towed pursuant to a request by a county or a city to abate a public nuisance or condition is responsible for the cost of removal and storage of the vehicle **.** ~~[, unless the owner can show that he or she no longer owns the vehicle or that the vehicle was stolen. Assembly Bill No. 391.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 478.

AN ACT relating to energy; ~~[revising provisions relating to wages paid to certain employees by persons who intend to locate certain renewable energy facilities in this State and who apply to the Director of the Office of Energy for a partial abatement of certain taxes;]~~ providing that the amount of certain incentives issued by a utility for the installation of certain renewable energy

systems on property owned or occupied by a public body may not be used to reduce the cost of the project so as to exempt the project from provisions governing competitive bidding for public works projects; requiring contractors who enter into contracts pursuant to the Green Jobs Initiative to make certain certifications to the Labor Commissioner concerning wages paid to employees who work on such projects; providing that certain utilities which are generally subject only to limited jurisdiction, control and regulation of the Public Utilities Commission of Nevada become subject to the full jurisdiction, control and regulation of the Commission under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~**[** Under existing law, a person who intends to locate certain facilities for the generation or transmission of electricity from renewable energy may apply to the Director of the Office of Energy for a partial abatement of certain taxes. An applicant for such an abatement must meet several requirements, including requirements concerning the wages which must be paid to the employees of the facility and the employees working on the construction of the facility. (NRS 701A.300-701A.390) Section 1 of this bill defines "wage" for this purpose to include the hourly rate of pay and the amount of benefits paid to an employee in a manner consistent with provisions of existing law governing public works projects. Section 4 of this bill revises provisions relating to the wages paid to employees working on the construction of such a facility to provide that contributions to a third person pursuant to a fund, plan or program in the name of an employee may satisfy a portion of the requirement that employees be paid a certain percentage of the prevailing wage.**]**~~

Sections 9 and 10 of this bill revise provisions relating to the installation of certain renewable energy systems on property owned or occupied by a public body to provide that the amount of any incentive issued by a utility for the installation of the renewable energy system may not be used to reduce the cost of the project so as to exempt the project from provisions governing competitive bidding for public works projects.

Section 11 of this bill requires any contractor or subcontractor who enters into a contract pursuant to the Green Jobs Initiative to provide written certification to the Labor Commissioner that the employees of the contractor or subcontractor who perform work under the contract are paid the prevailing wage required by the Initiative. (NRS 701B.900-701B.924)

Existing law provides that certain entities which are declared to be utilities but which provide services only to their members are subject only to limited jurisdiction, control and regulation of the Public Utilities Commission of Nevada. (NRS 704.675) **Section 12** of this bill provides that such a utility is subject to the full jurisdiction, control and regulation of the Commission if

the Commission determines that the utility ~~[has exceeded the scope of the services which the utility is authorized to provide pursuant to the]~~ **or any entity that is owned or controlled by the utility: (1) is being operated without a** certificate of public convenience and necessity issued to the utility by the Commission ~~[.]~~ **; (2) is supplying services to persons other than its own members; (3) is offering services outside the geographic area for which it holds a certificate of public convenience and necessity; (4) qualifies as a public utility or utility under applicable law outside the geographic area for which it holds a certificate of public convenience and necessity; or (5) has otherwise violated certain provisions of law relating to utilities.**

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 417.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 446.

AN ACT relating to redevelopment; requiring the legislative body of each community in which a redevelopment area has been established to create a revolving loan account administered by the redevelopment agency; authorizing a redevelopment agency to use money in a revolving loan account to make loans at or below market rate to new or existing small businesses in the redevelopment area; setting forth certain requirements relating to loans made from a revolving loan fund; requiring a redevelopment agency to adopt certain regulations and prepare certain reports relating to loans of money from a revolving loan account; **authorizing a redevelopment agency to adopt an ordinance providing for the recalculation of the amount of the total assessed value of property in a redevelopment area under certain circumstances; providing for the set aside and use of certain revenues from taxes imposed on property in such a redevelopment area;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Community Redevelopment Law (NRS 279.382-279.685) authorizes the city council, board of county commissioners or other legislative body of a city or county to declare the need for a redevelopment agency to function in the community. The Community Redevelopment Law grants a redevelopment agency certain powers and duties with regard to the elimination of blight in a redevelopment area in the community.

Sections 2-6 of this bill require the legislative body of a community to create a revolving loan account administered by the redevelopment agency. Money in the revolving loan account may be used by the agency only to make loans at or below market rate to new or existing small businesses in the redevelopment area. **Section 2** defines a "small business" as a business that employs not more than 25 persons. **Section 4** sets forth certain requirements for the making of loans from the revolving loan account and provides that the term of a loan of money from the revolving loan account must be ~~[3]~~ **5** years or less. **Section 5** requires each redevelopment agency to adopt regulations prescribing: (1) the ~~[annual deadline for submission of]~~ **process by which a**

small business may submit an application for a loan from the revolving loan account; (2) the criteria for eligibility for a loan; (3) the contents of an application for a loan; (4) the maximum amount of a loan which may be made from the revolving loan account; ~~[and]~~ (5) the rate of interest for loans made from the revolving loan account ~~[.]~~ **; and (6) the collateral and security interest a small business is required to provide as security for the loan.** **Section 6** requires each redevelopment agency to make certain annual reports to the Legislature concerning loans of money from the revolving loan account.

Existing law provides that if a redevelopment agency provides property for development at less than the fair market value of the property or provides financial incentives to a developer with a value of more than $100,000, the agency must provide in the agreement with the developer that the project is subject to certain provisions of existing law governing public works. (NRS 279.500) Section 13.3 of this bill extends the same requirements to any loan made by an agency to a small business pursuant to sections 2-6.

Section 13.5 of this bill authorizes a redevelopment agency in a city located in a county whose population is 700,000 or more (currently Clark County) to adopt, under certain circumstances, an ordinance which provides for the recalculation of the amount of the total assessed value of the taxable property in a redevelopment area for certain purposes. Section 13.5 provides that such a redevelopment agency may adopt such an ordinance only once and that the election to adopt such an ordinance is irrevocable. If such a redevelopment agency adopts such an ordinance and receives certain revenue from taxes, section 13.5 requires that 18 percent of such revenues received on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. Section 13.5 also provides that the obligation of a redevelopment agency to set aside 18 percent of such revenues is subordinate to any existing obligations of the agency.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

~~[.]~~ ; and

(6) The collateral and security interest that a small business is required to provide as security for the loan, which must be an amount sufficient to allow the agency to recoup the amount of the loan made to a small business if the small business defaults on the loan.

Sec. 6. ***For each fiscal year beginning with Fiscal Year 2013-2014 and ending with Fiscal Year 2016-2017, each agency in this State shall prepare a written report of the loans made from the revolving loan account created pursuant to section 3 of this act, which must include, without limitation, information concerning the amount of each loan made from the revolving loan account, the terms of each loan and a description of the small businesses which have received loans from the account. The agency shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature, or if the Legislature is not in session, to the Legislative Commission.***

Sec. 13.5. **NRS 279.676 is hereby amended to read as follows:**

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon

the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by ~~[the]~~ ***:***

(1) The assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan ~~[,]~~ ***; or***

(2) The assessment roll last equalized before the effective date of an ordinance adopted pursuant to subsection 5,

➥ whichever occurs later, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a county whose population is 100,000 or more or a city whose population is 150,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a county whose population is 30,000 or more but less than 100,000 or a city whose population is 25,000 or more but less than 150,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a county whose population is less than 30,000 or a city whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. If in any year the assessed value of the taxable property in a redevelopment area located in a city in a county whose population is 700,000 or more as shown by the assessment roll most recently equalized has decreased by 10 percent or more from the assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, the redevelopment agency may adopt an ordinance which provides that the total assessed value of the taxable property in the redevelopment area for the purposes of paragraph (b) of subsection 1 is the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance adopted pursuant to this subsection. A redevelopment agency may adopt an ordinance pursuant to this subsection only once, and the election to adopt such an ordinance is irrevocable.

6. An agency which adopts an ordinance pursuant to subsection 5 and which receives revenue from taxes pursuant to paragraph (b) of subsection 1 shall set aside not less than 18 percent of that revenue received on and after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered year, or to the next session of the Legislature, if the report is received during an even-numbered year.

7. The obligation of an agency pursuant to subsection 6 to set aside not less than 18 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by an agency before the effective date of an ordinance adopted by the agency pursuant to subsection 5, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of an ordinance adopted by the agency pursuant to subsection 5 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 13.7. **NRS 279.685 is hereby amended to read as follows:**

279.685 1. Except as otherwise provided in this section ~~[,]~~ ***or subsections 6 and 7 of NRS 279.676,*** an agency of a city whose population is 500,000 or more that receives revenue from taxes pursuant to paragraph (b) of subsection 1 of NRS 279.676 shall set aside not less than:

(a) Fifteen percent of that revenue received on or before October 1, 1999, and 18 percent of that revenue received after October 1, 1999, but before October 1, 2011, to increase, improve and preserve the number of dwelling units in the community for low-income households; and

(b) Eighteen percent of that revenue received on or after October 1, 2011, to increase, improve and preserve the number of:

(1) Dwelling units in the community for low-income households; and

(2) Educational facilities within the redevelopment area.

2. The obligation of an agency to set aside not less than 15 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before July 1, 1993, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency after July 1, 1993, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

3. The obligation of an agency to set aside an additional 3 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before October 1, 1999, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency after October 1, 1999, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

4. From the revenue set aside by an agency pursuant to paragraph (b) of subsection 1, not more than 50 percent of that amount may be used to:

(a) Increase, improve and preserve the number of dwelling units in the community for low-income households; or

(b) Increase, improve and preserve the number of educational facilities within the redevelopment area,

➥ unless the agency establishes that such an amount is insufficient to pay the cost of a project identified in the redevelopment plan for the redevelopment area.

5. Except as otherwise provided in paragraph (b) of subsection 1 and subsection 4, the agency may expend or otherwise commit money for the purposes of subsection 1 outside the boundaries of the redevelopment area.

Sec. 14. 1. This act becomes effective upon passage and approval.

2. Section 6 of this act expires by limitation on December 31, 2017.

(b) The effect of the merger or other acquisition of control would be substantially to lessen competition in insurance in this state or tend to create a monopoly;

(c) The financial condition of any acquiring party may jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining security holders who are unaffiliated with the acquiring party;

(d) The terms of the offer, request, invitation, agreement or acquisition referred to in ***subsection 1 of*** NRS 692C.180 are unfair and unreasonable to the security holders of the insurer;

(g) If approved, the merger or acquisition of control would likely be harmful or prejudicial to the members of the public who purchase insurance; or

(h) The practices of the applicant in managing claims have evidenced a pattern in which the applicant has knowingly committed, or performed with such frequency as to indicate a general business practice of:

The insurer shall give such notice to its security holders. The Commissioner shall make a determination within 60 days after the conclusion of the hearing. If the Commissioner determines that an infusion of capital to restore capital in connection with the change in control is required, the requirement must be met within 60 days after notification is given of the determination. At the hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent and any other person whose interests may be affected thereby may present evidence, examine and cross-examine witnesses, and offer oral and

written arguments and, in connection therewith, may conduct discovery proceedings in the same manner as is presently allowed in the district court of this state. All discovery proceedings must be concluded not later than 3 days before the commencement of the public hearing.

(c) May condition approval of the merger or acquisition of control in the manner provided in subsection 4 of NRS 692C.258.

6. If, in connection with a change of control of a domestic insurer, the Commissioner determines that the person who is acquiring control of the domestic insurer must maintain or restore the capital of the domestic insurer in an amount that is required by the laws and regulations of this state, the Commissioner shall make the determination not later than 60 days after the notice of intent to acquire required pursuant to subsection ~~[2]~~ ***5*** of NRS 692C.180 is filed with the Commissioner.

7. If the proposed merger or other acquisition of control referred to in subsection 1 of NRS 692C.180 requires the approval of the commissioner of more than one state, the public hearing required pursuant to subsection 1 may, upon the request of the person who filed the statement required pursuant to subsection 1 of NRS 692C.180, be consolidated with the hearings required in other states. Not more than 5 days after receiving such a request, the Commissioner shall file with the National Association of Insurance Commissioners a copy of the statement that was filed with the Commissioner pursuant to subsection 1 of NRS 692C.180 by the person requesting a consolidated hearing. The Commissioner may opt out of a

2. In determining whether to issue an order pursuant to subsection 1, the Commissioner shall consider the standards set forth in the Horizontal Merger Guidelines issued by the United States Department of Justice and the Federal Trade Commission and in effect at the time the Commissioner receives the notice required pursuant to NRS 692C.254.

(b) If:

(1) The acquisition substantially increases the availability of insurance; and

(2) The public benefit received by that increase exceeds the public benefit received from not lessening competition.

4. The public benefits set forth in subparagraph 2 of paragraphs (a) and (b) of subsection 3 may be considered together, as applicable, in assessing whether the public benefits received from the acquisition exceed any benefit to competition that would arise from disapproving the acquisition.

Amendment No. 522.

[~~ASSEMBLYMAN~~] **ASSEMBLYMEN** Ohrenschall **AND BUSTAMANTE ADAMS**

AN ACT relating to domestic relations; enacting the Uniform Deployed Parents Custody and Visitation Act; repealing provisions governing custody and visitation orders concerning children of members of the military; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law contains provisions governing the custody and visitation of a child when a parent or legal guardian of the child receives military deployment orders. (NRS 125C.100-125C.185) This bill repeals those provisions and enacts the Uniform Deployed Parents Custody and Visitation Act adopted by the Uniform Law Commission.

Section 23 of this bill sets forth the circumstances under which a court of this State has jurisdiction to issue orders concerning the custodial responsibility of a child when a parent or other custodian of the child has received military deployment orders. **Section 24** of this bill provides for notice of a pending deployment to the other parent and the provision of a plan for fulfilling the custodial responsibility of each parent during the deployment. **Section 25** of this bill requires a person to whom custodial responsibility for a child has been assigned or granted during a deployment to notify the deploying parent of a change of his or her mailing address. **Section 26** of this bill governs the manner in which a court considers the past or possible future deployment of a parent in a proceeding for custodial responsibility of the child.

Sections 27-31 of this bill provide procedures for out-of-court resolution of issues relating to the custodial responsibility of a child which arise upon the deployment of a service member. **Section 27** provides for a temporary agreement granting custodial responsibility during deployment. **Section 29** authorizes the modification of a temporary agreement regarding custodial responsibility. **Section 30** provides for a grant of custodial responsibility to a nonparent of the child under certain circumstances.

Sections 32-41 of this bill provide for a judicial resolution of issues that arise when the parents of a child do not reach an agreement concerning the custody or visitation of a child during the deployment of one parent. **Section 33** requires an expedited hearing if a motion to grant custodial responsibility is filed before a deploying parent deploys. **Section 34** authorizes a party or witness who is not reasonably available to appear personally in court to provide testimony and present evidence by electronic means, unless the court finds good cause to require a personal appearance. **Section 35** establishes certain rules that apply in a proceeding to grant custodial responsibility during the deployment of a parent. **Section 36** authorizes the court to grant caretaking authority of a child to a nonparent under certain circumstances and requires the court to consider certain factors in determining whether to grant caretaking authority. **Section 38** provides that a grant by a court of custodial responsibility or caretaking authority is temporary.

Sections 42-45 of this bill set forth the procedures governing the termination of a temporary custody arrangement following the return from deployment of a deployed parent. **Section 42** provides the procedure for terminating a temporary custody arrangement established by an agreement of the parties. **Section 43** establishes a consent procedure for terminating a temporary custody arrangement established by court order. Under **section 45**, if no agreement to terminate a temporary custody arrangement established by court order is reached between the parents, the order terminates 60 days after the date on which the deploying parent gives notice of having returned from deployment to the other parent or to any nonparent granted custodial responsibility. **Section 45.5** of this bill authorizes an expedited hearing concerning custody or visitation under certain circumstances following the deploying parent's return from deployment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section ~~[, NRS 125C.100 to 125C.185, inclusive,]~~ ***, sections 2 to 48, inclusive, of this act*** and chapter 130 of NRS:

(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

➥ The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the provisions of ~~[NRS 125C.100 to 125C.185, inclusive,]~~ ***sections 2 to 48, inclusive, of this act*** and to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and ~~[NRS 125C.100 to 125C.185, inclusive,]~~ ***sections 2 to 48, inclusive, of this act,*** and must contain the following language:

PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if the parent:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his or her name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

If the court has issued a temporary order regarding custodial responsibility pursuant to sections 32 to 41, inclusive, of this act, the residence of the deploying parent is not changed by reason of the deployment for the purposes of chapter 125A of NRS during the deployment.***

2. If a court has issued a permanent order regarding custodial responsibility before notice of deployment and the parents modify that order temporarily by agreement pursuant to sections 27 to 31, inclusive, of this act, the residence of the deploying parent is not changed by reason of the deployment for the purposes of chapter 125A of NRS.

2. Except as otherwise provided in subsection 4, and subject to subsection 3, each parent shall in a record provide the other parent with a plan for fulfilling that parent's share of custodial responsibility during deployment as soon as reasonably possible after receiving notice of deployment under subsection 1.

3. If an existing court order prohibits disclosure of the address or contact information of the other parent, a notification of deployment under subsection 1, or notification of a plan for custodial responsibility during deployment under subsection 2, may be made only to the issuing court. If the address of the other parent is available to the issuing court, the court shall forward the notification to the other parent. The court shall keep confidential the address or contact information of the other parent.

4. Notice in a record is not required if the parents are living in the same residence and there is actual notice of the deployment or plan.

5. In a proceeding regarding custodial responsibility between parents, a court may consider the reasonableness of a parent's efforts to comply with this section.

Sec. 25. ***1. Except as otherwise provided in subsection 2, a person to whom custodial responsibility has been assigned or granted during deployment pursuant to sections 27 to 41, inclusive, of this act shall notify the deploying parent and any other person with custodial responsibility of any change of mailing address or residence until the assignment or grant is terminated. The person shall provide the notice to any court that has issued an existing custody or child support order concerning the child.***

2. If an existing court order prohibits disclosure of the address or contact information of a person to whom custodial responsibility has been assigned or granted, a notification of change of mailing address or residence under subsection 1 may be made only to the court that issued the order. The court shall keep confidential the mailing address or residence of the person to whom custodial responsibility has been assigned or granted.

Sec. 26. ***In a proceeding for custodial responsibility of a child of a service member, a court may not consider a parent's past deployment or possible future deployment in itself in determining the best interest of the***

Sec. 27. *1. The parents of a child may enter into a temporary agreement granting custodial responsibility during deployment.*

2. An agreement under subsection 1 must be:

(a) In writing; and

(b) Signed by both parents and any nonparent to whom custodial responsibility is granted.

3. An agreement under subsection 1 may:

(a) Identify to the extent feasible the destination, duration and conditions of the deployment that is the basis for the agreement;

(b) Specify the allocation of caretaking authority among the deploying parent, the other parent and any nonparent, if applicable;

(c) Specify any decision-making authority that accompanies a grant of caretaking authority;

(d) Specify any grant of limited contact to a nonparent;

(e) If the agreement shares custodial responsibility between the other parent and a nonparent, or between two nonparents, provide a process to resolve any dispute that may arise;

(f) Specify the frequency, duration and means, including electronic means, by which the deploying parent will have contact with the child, any role to be played by the other parent in facilitating the contact and allocation of any costs of communications;

(g) Specify the contact between the deploying parent and child during the time the deploying parent is on leave or is otherwise available;

(h) Acknowledge that any party's existing child support obligation cannot be modified by the agreement and that changing the terms of the obligation during deployment requires modification in the appropriate court;

(i) Provide that the agreement terminates following the deploying parent's return from deployment according to the procedures under sections 42 to 45, inclusive, of this act; and

(j) If the agreement must be filed pursuant to section 31 of this act, specify which parent shall file the agreement.

Sec. 28. *1. An agreement under sections 27 to 31, inclusive, of this act is temporary and terminates pursuant to sections 42 to 45, inclusive, of this act following the return from deployment of the deployed parent, unless the agreement has been terminated before that time by court order or modification of the agreement under section 29 of this act. The agreement derives from the parents' custodial responsibility and does not create an independent, continuing right to caretaking authority, decision-*

making authority or limited contact in a person to whom custodial responsibility is given.

2. A nonparent given caretaking authority, decision-making authority or limited contact by an agreement under sections 27 to 31, inclusive, of this act has standing to enforce the agreement until it has been terminated pursuant to an agreement of the parents under section 29 of this act, under sections 42 to 45, inclusive, of this act or by court order.

Sec. 29. ***1. The parents may modify an agreement regarding custodial responsibility made pursuant to sections 27 to 31, inclusive, of this act by mutual consent.***

2. If an agreement is modified under subsection 1 before deployment of a deploying parent, the modification must be in writing and signed by both parents and any nonparent who will exercise custodial responsibility under the modified agreement.

3. If an agreement is modified *under subsection 1* ***during deployment of a deploying parent, the modification must be agreed to in a record by both parents and any nonparent who will exercise custodial responsibility under the modified agreement.***

Sec. 30. ***If no other parent possesses custodial responsibility under the laws of this State other than sections 3 to 48, inclusive, of this act, or if an existing court order prohibits contact between the child and the other parent, a deploying parent, by power of attorney, may delegate all or part of custodial responsibility to an adult nonparent for the period of deployment. The power of attorney is revocable by the deploying parent through a revocation of the power of attorney signed by the deploying parent.***

Sec. 31. ***An agreement or power of attorney made under sections 27 to 30, inclusive, of this act must be filed within a reasonable period of time with any court that has entered an existing order on custodial responsibility or child support concerning the child. The case number and heading of the existing case concerning custodial responsibility or child support must be provided to the court with the agreement or power of attorney.***

Sec. 32. ***1. After a deploying parent receives notice of deployment and during the deployment, a court may issue a temporary order granting custodial responsibility unless prohibited by the Servicemembers Civil Relief Act, 50 U.S.C. Appx. §§ 521-522. A court may not issue a permanent order granting custodial responsibility without the consent of the deploying parent.***

2. At any time after a deploying parent receives notice of deployment, either parent may file a motion regarding custodial responsibility of a child during deployment. The motion must be filed in an existing proceeding for custodial responsibility of the child with jurisdiction under section 23 of this act or, if there is no existing proceeding in a court with jurisdiction

under section 23 of this act, in a new action for granting custodial responsibility during deployment.

Sec. 33. *If a motion to grant custodial responsibility is filed before a deploying parent deploys, the court shall conduct an expedited hearing.*

Sec. 34. *In a proceeding brought under sections 32 to 41, inclusive, of this act, a party or witness who is not reasonably available to appear personally may appear and provide testimony and present evidence by electronic means unless the court finds good cause to require a personal appearance.*

Sec. 35. *In a proceeding for a grant of custodial responsibility pursuant to sections 32 to 41, inclusive, of this act, the following rules apply:*

1. A prior judicial order designating custodial responsibility of a child in the event of deployment is binding on the court unless the circumstances meet the requirements of the laws of this State other than sections 3 to 48, inclusive, of this act for modifying a judicial order regarding custodial responsibility.

2. The court shall enforce a prior written agreement between the parents for designating custodial responsibility of a child in the event of deployment, including a prior written agreement executed under sections 27 to 31, inclusive, of this act, unless the court finds the agreement contrary to the best interest of the child.

Sec. 36. *1. On the motion of a deploying parent and in accordance with the laws of this State other than sections 3 to 48, inclusive, of this act, a court may grant caretaking authority of a child to a nonparent who is an adult family member of the child or an adult with whom the child has a close and substantial relationship if it is in the best interest of the child.*

2. In determining whether to grant caretaking authority of a child to a nonparent pursuant to subsection 1, the court shall consider the following factors:

(a) The love, affection and other emotional ties existing between the nonparent and the child.

(b) The capacity and disposition of the nonparent to:

(1) Give the child love, affection and guidance and serve as a role model to the child;

(2) Provide the child with food, clothing and other material needs; and

(3) Provide the child with health care or alternative health care which is recognized and authorized pursuant to the laws of this State.

(c) The prior relationship between the nonparent and the child, including, without limitation, whether the child has previously resided with

the nonparent and whether the child was previously included in holidays or family gatherings with the nonparent.

(d) The moral fitness of the nonparent.

(e) The mental and physical health of the nonparent.

(f) The reasonable preference of the child if the child has a preference and if the court determines that the child is of sufficient maturity to express a preference.

(g) The willingness and ability of the nonparent to facilitate and encourage a close and substantial relationship between the child and his or her deploying parent, other parent and family members.

(h) The medical and other health needs of the child which are affected by the grant of caretaking authority.

(i) The support provided by the nonparent, including, without limitation, whether the nonparent has contributed to the financial support of the child.

(j) Any objection by the other parent to the grant of caretaking authority to a nonparent. In the case of an objection by the other parent, there is a rebuttable presumption that the grant of caretaking authority to a nonparent is not in the best interest of the child. To rebut this presumption, the deploying parent must prove by clear and convincing evidence that the grant of caretaking authority to the nonparent is in the best interest of the child.

3. Unless the grant of caretaking authority to a nonparent under subsection 1 is agreed to by the other parent, the grant is limited to an amount of time not greater than:

(a) The time granted to the deploying parent in an existing permanent custody order, except that the court may add unusual travel time necessary to transport the child; or

(b) In the absence of an existing permanent custody order, the amount of time that the deploying parent habitually cared for the child before being notified of deployment, except that the court may add unusual travel time necessary to transport the child.

4. A court may grant part of the deploying parent's decision-making authority for a child to a nonparent who is an adult family member of the child or an adult with whom the child has a close and substantial relationship if the deploying parent is unable to exercise that authority. When a court grants the authority to a nonparent, the court shall specify the decision-making powers that will and will not be granted, including applicable health, educational and religious decisions.

Sec. 37. ***On the motion of a deploying parent and in accordance with the laws of this State other than sections 3 to 48, inclusive, of this act, a court shall grant limited contact with a child to a nonparent who is either a***

family member of the child or a person with whom the child has a close and substantial relationship, unless the court finds that the contact would be contrary to the best interest of the child.

Sec. 38. ***1. A grant made pursuant to sections 32 to 41, inclusive, of this act is temporary and terminates pursuant to sections 42 to 45, inclusive, of this act following the return from deployment of the deployed parent, unless the grant has been terminated before that time by court order. The grant does not create an independent, continuing right to caretaking authority, decision-making authority or limited contact in a person to whom it is granted.***

2. A nonparent granted caretaking authority, decision-making authority or limited contact under sections 32 to 41, inclusive, of this act has standing to enforce the grant until it is terminated under sections 42 to 45, inclusive, of this act or by court order.

Sec. 39. ***1. An order granting custodial responsibility under sections 32 to 41, inclusive, of this act must:***

(a) Designate the order as temporary; and

(b) Identify to the extent feasible the destination, duration and conditions of the deployment.

2. If applicable, a temporary order for custodial responsibility must:

(a) Specify the allocation of caretaking authority, decision-making authority or limited contact among the deploying parent, the other parent and any nonparent;

(b) If the order divides caretaking or decision-making authority between persons, or grants caretaking authority to one person and limited contact to another, provide a process to resolve any significant dispute that may arise;

(c) Provide for liberal communication between the deploying parent and the child during deployment, including through electronic means, unless contrary to the best interest of the child, and allocate any costs of communications;

(d) Provide for liberal contact between the deploying parent and the child during the time the deploying parent is on leave or is otherwise available, unless contrary to the best interest of the child;

(e) Provide for reasonable contact between the deploying parent and the child following return from deployment until the temporary order is terminated, which may include more time than the deploying parent spent with the child before entry of the temporary order; and

(f) Provide that the order will terminate following return from deployment according to the procedures under sections 42 to 45, inclusive, of this act.

Sec. 40. ***If a court has issued an order granting caretaking authority under sections 32 to 41, inclusive, of this act or an agreement granting***

caretaking authority has been executed under sections 27 to 31, inclusive, of this act the court may enter a temporary order for child support consistent with the laws of this State other than sections 3 to 48, inclusive, of this act, if the court has jurisdiction under NRS 130.0902 to 130.802, inclusive.

Sec. 41. *1. Except for an order in accordance with section 35 of this act or as otherwise provided in subsection 2, and consistent with the Servicemembers Civil Relief Act, 50 U.S.C. Appx. §§ 521-522, on the motion of a deploying or other parent or any nonparent to whom caretaking authority, decision-making authority or limited contact has been granted, the court may modify or terminate a grant of caretaking authority, decision-making authority or limited contact made pursuant to sections 3 to 48, inclusive, of this act if the modification or termination is consistent with sections 32 to 41, inclusive, of this act and the court finds it is in the best interest of the child. Any modification must be temporary and terminates following the conclusion of deployment of the deployed parent according to the procedures under sections 42 to 45, inclusive, of this act unless the grant has been terminated before that time by court order.*

2. On the motion of a deploying parent, the court shall terminate a grant of limited contact.

Sec. 42. *1. At any time following return from deployment, a temporary agreement granting custodial responsibility under sections 27 to 31, inclusive, of this act may be terminated by an agreement to terminate signed by the deploying parent and the other parent.*

2. The temporary agreement granting custodial responsibility terminates:

(a) If the agreement to terminate specifies a date for termination, on that date; or

(b) If the agreement to terminate does not specify a date, on the date the agreement to terminate is signed by both parents.

3. In the absence of an agreement to terminate, the temporary agreement granting custodial responsibility terminates 60 days after the date of the deploying parent's giving notice to the other parent of having returned from deployment.

4. If the temporary agreement granting custodial responsibility was filed with a court pursuant to section 31 of this act, an agreement to terminate the temporary agreement must also be filed with that court within a reasonable period of time after the signing of the agreement. The case number and heading of the existing custodial responsibility or child support case must be provided to the court with the agreement to terminate.

Sec. 43. *At any time following return from deployment, the deploying parent and the other parent may file with the court an agreement to*

terminate a temporary order for custodial responsibility issued under sections 32 to 41, inclusive, of this act. After an agreement has been filed, the court shall issue an order terminating the temporary order on the date specified in the agreement. If no date is specified, the court shall issue the order immediately.

Sec. 44. ***Following return from deployment of a deploying parent until a temporary agreement or order for custodial responsibility established under sections 27 to 41, inclusive, of this act is terminated, the court shall enter a temporary order granting the deploying parent reasonable contact with the child unless it is contrary to the best interest of the child, even if the time exceeds the time the deploying parent spent with the child before deployment.***

Sec. 45. ***1. A temporary order for custodial responsibility issued under sections 32 to 41, inclusive, of this act shall terminate, if no agreement between the parties to terminate a temporary order for custodial responsibility has been filed, 60 days after the date of the deploying parent's giving notice of having returned from deployment to the other parent and any nonparent granted custodial responsibility.***

2. Any proceedings seeking to prevent termination of a temporary order for custodial responsibility are governed by the laws of this State other than sections 3 to 48, inclusive, of this act.

Sec. 45.5. ***The court may, upon a motion alleging immediate danger of irreparable harm to the child, hold an expedited hearing concerning custody or visitation following the deploying parent's return from deployment.***

Sec. 46. ***In addition to other relief provided by the laws of this State other than sections 3 to 48, inclusive, of this act, if a court finds that a party to a proceeding under sections 3 to 48, inclusive, of this act has acted in bad faith or intentionally failed to comply with sections 3 to 48, inclusive, of this act or a court order issued under sections 3 to 48, inclusive, of this act, the court may assess reasonable attorney's fees and costs of the opposing party and order other appropriate relief.***

Sec. 47. ***In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.***

Sec. 48. ***This act modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq., but does not modify, limit or supersede § 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in § 103(b) of that act, 15 U.S.C. § 7003(b).***

Assembly Bill No. 374.

Bill read third time.

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 527.

AN ACT relating to counties; prohibiting, with certain exceptions, a board of county commissioners from regulating or licensing, or requiring a permit or fee relating to, assemblies, events or activities occurring on federal lands; providing, under certain circumstances, that certain requirements and prohibitions relating to assemblies do not apply to assemblies that occur on federal lands; and providing other matters properly relating thereto.

Existing law requires each board of county commissioners to adopt an ordinance regulating and licensing outdoor assemblies, requires certain persons to obtain a license for an assembly and prohibits certain conduct and activities relating to certain assemblies. (NRS 244.354, 244.3542, 244.3548)

Sections 1 and 2 of this bill prohibit, with certain exceptions, a board of county commissioners from regulating, licensing, or requiring any type of permit or fee for organizing, managing or attending, any assembly, event or activity occurring on certain federal land if a federal agency has issued a license or permit, or otherwise authorized, the assembly, event or activity.

Sections 3 and 4 of this bill provide, under certain circumstances, that the licensing requirement for certain assemblies and the prohibition on certain conduct and activities relating to assemblies do not apply to any assembly, event or activity occurring on federal land if a federal agency has issued a license or permit, or otherwise authorized, the assembly, event or activity.

Bill read third time.

The following amendment was proposed by Assemblyman Horne:

Amendment No. 511.

AN ACT relating to public works; revising provisions relating to preferences in bidding for contracts for certain public works projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that a contractor, applicant to serve as a construction manager at risk or design-build team that wishes to receive a preference in bidding for a contract for a public work submit an affidavit to the public body sponsoring or financing the public work certifying that: (1) at least 50 percent of all workers employed on the public work will hold a valid Nevada driver's license or identification card; (2) all vehicles used primarily for the public

work will be either registered in this State or partially apportioned to this State; (3) at least 50 percent of all design professionals working on the public work will hold a valid Nevada driver's license or identification card; (4) at least 25 percent of the suppliers of the materials used for the public work will be located in this State unless the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State; and (5) certain records will be maintained and made available for inspection within this State. (NRS 338.0117) **Section 1** of this bill revises the requirements for such a preference in bidding by: (1) limiting the requirement for design professionals to design-build teams; and (2) eliminating the requirement that a percentage of suppliers of the materials used for the public work be located in this State. **Section 1** clarifies that the driver's licenses and identification cards used to satisfy the statutory requirements must be issued by the Department of Motor Vehicles of the State of Nevada. **Section 1** requires a contractor to meet those requirements only if the contractor was awarded the contract for a public work as a result of the preference in bidding. **Section 1** restricts who can file a written objection alleging a violation of those requirements to only persons who submitted a bid on the public work.

Existing law prohibits a contractor from being qualified to bid on certain state and local public works if the contractor has failed to comply with certain requirements within the preceding year for a contract for a public work that cost more than $25,000,000 and prohibits a contractor who has failed to comply with certain requirements for a contract for a public work which exceeds $5,000,000 from receiving a preference in bidding for public works for 5 years. (NRS 338.1379, 338.1382, 338.1389, 338.1415, 338.147, 408.333) **Sections ~~[4-8]~~ 3-8** of this bill instead condition those prohibitions on a material breach of a contract for a public work which exceeds $25,000,000 or $5,000,000, as applicable.

Section 9 of this bill provides that the revised requirements for a preference in bidding on a contract for a public work apply to any public work that is first advertised for bid after July 1, 2013. **Section 9** also declares that any contract for such a public work that fails to comply with this bill is void.

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the renewal of his or her contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required

pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public works unless the contractor reapplies for and receives a certificate of eligibility pursuant to subsection 3 or 4, as applicable.

8. If a contractor holds more than one contractor's license, the contractor must submit a separate application for each license pursuant to which the contractor wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(a) Submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information; or

(b) Is found by the Board to have, within the preceding 5 years, ***materially*** breached a contract for a public work for which the cost exceeds $5,000,000 **,** ~~[~~by failing to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 of NRS 338.0117,~~]~~ the contractor is not eligible to receive a preference in bidding on public works.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may ~~[~~be deemed a best bid~~]~~ ***receive a preference in bidding*** only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person or entity ***who submitted a bid on the public work and*** who believes that ~~[~~a~~]~~ ***the*** contractor ***who was awarded the contract for the public work*** wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the local government to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the local government not later than 3 business days after the opening of the bids by the local government or its authorized representative.

14. If a local government receives a written objection pursuant to subsection 13, the local government shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the local government determines that the objection is not accompanied by the required proof or substantiating evidence, the local government shall dismiss the objection and the local government or its authorized representative may proceed immediately to award the contract. If the local government determines that the objection is accompanied by the required proof or substantiating evidence, the local government shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the local government or its authorized representative may proceed to award the contract accordingly.

Sec. 8. NRS 408.333 is hereby amended to read as follows:

408.333 Except as otherwise provided in NRS 408.3875 to 408.3887, inclusive:

1. Before furnishing any person proposing to bid on any advertised work with the plans and specifications for such work, the Director shall require from the person a statement, verified under oath, in the form of answers to questions contained in a standard form of questionnaire and financial statement, which must include a complete statement of the person's financial ability and experience in performing public work of a similar nature.

2. Such statements must be filed with the Director in ample time to permit the Department to verify the information contained therein in advance of furnishing proposal forms, plans and specifications to any person proposing to bid on the advertised public work, in accordance with the regulations of the Department.

3. Whenever the Director is not satisfied with the sufficiency of the answers contained in the questionnaire and financial statement, the Director may refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. If the Director determines that the person has, within the preceding year, ***materially*** breached a contract for a public work for which the cost exceeds $25,000,000 **, [**~~by failing to comply with a requirement of paragraphs (a) to (e), inclusive, of subsection 1 of NRS 338.0117,~~**]** the Director shall refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. Any

bid of any person to whom plans and specifications and the official proposal forms have not been issued in accordance with this section must be disregarded, and the certified check, cash or undertaking of such a bidder returned forthwith.

4. Any person who is disqualified by the Director, in accordance with the provisions of this section, may request, in writing, a hearing before the Director and present again the person's check, cash or undertaking and such further evidence with respect to the person's financial responsibility, organization, plant and equipment, or experience, as might tend to justify, in his or her opinion, issuance to him or her of the plans and specifications for the work.

5. Such a person may appeal the decision of the Director to the Board no later than 5 days before the opening of the bids on the project. If the appeal is sustained by the Board, the person must be granted the rights and privileges of all other bidders.

Sec. 9. 1. The amendatory provisions of this act apply to all public works for which bids are first advertised after July 1, 2013.

2. Any contract awarded for a public work to which the amendatory provisions of this act apply pursuant to subsection 1 and:

(a) Which was not advertised in compliance with the amendatory provisions of this act;

(b) For which bids were not accepted in compliance with the amendatory provisions of this act; or

(c) For which the contract was not awarded in compliance with the amendatory provisions of this act,

➥ is void.

3. As used in this section, "contract" and "public work" have the meanings ascribed to them in NRS 338.010.

Sec. 10. This act becomes effective on July 1, 2013.

Remarks by Assemblyman Horne.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Assembly Bill No. 200.

Bill read third time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 520.

AN ACT relating to food establishments; allowing farms to hold farm-to-fork events in certain circumstances without being considered a food establishment for purposes of inspections by the health authority and other

regulations; requiring such farms to register with the health authority; providing a similar exemption from requirements applicable to a food establishment for certain farms which manufacture or prepare certain food items for sale or which offer or display such food items under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain a permit to operate a food establishment and to comply with various other requirements in the operation of the food establishment. (NRS 446.870) Existing law defines the term "food establishment" for those purposes and specifically excludes certain entities from the definition, including private homes where the food that is prepared or manufactured in the home is not provided for compensation or other consideration of any kind. (NRS 446.020)

Section 5 of this bill adds to the list of entities that are excluded from the definition of "food establishment" a farm holding a farm-to-fork event. **Section 2** of this bill defines the term "farm-to-fork event" as an event where prepared food from a farm is provided for immediate consumption by paying guests at the farm. **Section 3** of this bill authorizes a farm to hold a farm-to-fork event **without being subject to the requirements of a food establishment** provided that: (1) any rabbit meat or poultry served is raised and prepared on the farm, and is butchered and processed on the farm pursuant to certain permit and inspection requirements of NRS; (2) other food items served are prepared from ingredients substantially produced on the farm; and (3) each guest is provided with and acknowledges receipt of a notice which states that no inspection was conducted by a state or local health department of the farm or the food to be consumed, except as to the butchering and processing of the meat or poultry. **Section 3 further provides that a farm which holds more than two events in any month becomes a food establishment subject to all the requirements of a food establishment for the remainder of the calendar year.** **Section 3.5** requires a farm that wishes to hold farm-to-fork events to register with the health authority by providing certain information and paying a fee. The health authority is prohibited from inspecting the farm, except in certain circumstances. **Section 5** also adds to the list of entities that are excluded from the definition of "food establishment" a farm that manufactures or prepares certain food items for sale or which offers or displays for sale or serves those food items under certain circumstances. **Section 4** of this bill specifies which food items qualify a farm for that exemption.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 446 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3, 3.5 and 4 of this act.

Sec. 2. ***"Farm-to-fork event" means an event organized on a farm where prepared food is provided for immediate consumption to paying guests and that meets the requirements of section 3 of this act.***

Sec. 3. ***1. ~~[A]~~ Except as otherwise provided in subsection 3, a farm is not a "food establishment" for purposes of holding a farm-to-fork event provided that:***

(a) Any poultry and meat from a rabbit that is served at the farm-to-fork event is raised and prepared on the farm and is butchered and processed on the farm pursuant to the requirements of chapter 583 of NRS; and

(b) Any other food item that is served at the farm-to-fork event, including, without limitation, salads, side dishes and desserts, are prepared on the farm from ingredients that are substantially produced on the farm.

2. A farm which holds a farm-to-fork event shall:

(a) Before a guest consumes any food, provide each guest with a notice which states that no inspection was conducted by a state or local health department of the farm or the food to be consumed, except as otherwise provided in subsection 1; and

(b) Obtain from each guest a signed acknowledgment of receipt of the notice.

3. A farm which holds more than two events in any month that would otherwise qualify as farm-to-fork events becomes a food establishment for the remainder of that calendar year subject to all of the requirements of this chapter and any regulations adopted pursuant thereto concerning food establishments.

Sec. 3.5. ***1. A farm that wishes to hold farm-to-fork events must register with the health authority by submitting such information as the health authority deems appropriate, including, without limitation:***

(a) The name, address and contact information of the owner of the farm;

(b) The name under which the farm operates; and

(c) The address of the farm.

2. The health authority may charge a fee for the registration of a farm pursuant to this section in an amount not to exceed the actual cost of the health authority to establish and maintain a registry of farms holding farm-to-fork events.

3. The health authority shall not inspect a farm that holds a farm-to-fork event, except as otherwise provided in subsection 3 of section 3 of this act and except that the health authority may inspect a farm following a farm-to-fork event to investigate a food item that may be deemed to be adulterated pursuant to NRS 585.300 to 585.360, inclusive, or an outbreak

or suspected outbreak of illness known or suspected to be caused by a contaminated food item served at the farm-to-fork event. A farm shall cooperate with the health authority in any such inspection.

4. If, as a result of an inspection conducted pursuant to subsection 3, the health authority determines that the farm has produced an adulterated food item or was the source of an outbreak of illness caused by a contaminated food item, the health authority may charge and collect from the farm a fee in an amount not to exceed the actual cost of the health authority to conduct the investigation.

Sec. 4. ***1. A farm which manufactures or prepares a food item by any manner or means whatever for sale, or which offers or displays a food item for sale, is not a "food establishment" pursuant to paragraph (h) of subsection 2 of NRS 446.020 if each such food item is:***

(a) Made substantially from ingredients that were grown or produced on the farm;

(b) Sold at the farm or at a farmers' market licensed pursuant to chapter 244 or 268 of NRS;

(c) Sold to a natural person for his or her consumption and not for resale;

(d) Affixed with a label which complies with the federal labeling requirements set forth in 21 U.S.C. § 343(w) and 9 C.F.R. Part 317 and 21 C.F.R. Part 101 and which has been approved by the health authority if the food item is sold at a farmers' market;

(e) Labeled with "NOT FOR RESALE - PROCESSED AND PREPARED IN A FACILITY WHICH DOES NOT HAVE A PERMIT AND WHICH HAS NOT BEEN INSPECTED BY A STATE OR COUNTY HEALTH AUTHORITY" printed prominently on the label for the food item; and

(f) Prepackaged in a manner that protects the food item from contamination during transport, display, sale and acquisition by consumers.

2. As used in this section:

(a) "Farm" means land used for an agricultural purpose, including, without limitation, the production of crops and the on-site storage, preparation and sale of agricultural products principally produced on the land.

(b) "Food item" means any food that is not potentially hazardous, does not require time or temperature controls for safety and has a pH of 4.6 or less.

Sec. 5. NRS 446.020 is hereby amended to read as follows:

446.020 1. Except as otherwise limited by subsection 2, "food establishment" means any place, structure, premises, vehicle or vessel, or any

part thereof, in which any food intended for ultimate human consumption is manufactured or prepared by any manner or means whatever, or in which any food is sold, offered or displayed for sale or served.

2. The term does not include:

(a) Private homes, unless the food prepared or manufactured in the home is sold, or offered or displayed for sale or for compensation or contractual consideration of any kind;

(b) Fraternal or social clubhouses at which attendance is limited to members of the club;

(c) Vehicles operated by common carriers engaged in interstate commerce;

(d) Any establishment in which religious, charitable and other nonprofit organizations sell food occasionally to raise money or in which charitable organizations receive salvaged food in bulk quantities for free distribution, unless the establishment is open on a regular basis to sell food to members of the general public;

(e) Any establishment where animals are slaughtered which is regulated and inspected by the State Department of Agriculture;

(f) Dairy farms and plants which process milk and products of milk or frozen desserts which are regulated under chapter 584 of NRS; ~~[or]~~

(g) The premises of a wholesale dealer of alcoholic beverages licensed under chapter 369 of NRS who handles only alcoholic beverages which are in sealed containers ~~[.]~~ ***;***

(h) A farm that meets the requirements of section 4 of this act with respect to a food item as defined in that section; or

(i) A farm for purposes of holding a farm-to-fork event.

Sec. 6. This act becomes effective on July 1, 2013.

Assembly Bill 18 allows Nevada's Department of Transportation [NDOT] and certain local governments to enter into agreements for the relinquishment or trade of any portion of a state highway or local road. Before a relinquishment or trade may take place, the parties must agree in writing to terms of the trade, including requirements for bringing the highway or local road into good repair or, if necessary, to ensure equitable compensation or equitable trade considerations.

The bill also requires NDOT, in cooperation with local governments, to develop a procedural document that addresses the process by which portions of roadways are to be relinquished.

Remarks by Assemblyman Daly and Madam Speaker.

ASSEMBLYMAN DALY:

Assembly Bill 41 moves the provisions governing contracting with current and former state employees out of personnel laws and into state purchasing laws. The measure requires the using agency to submit a written disclosure to the State Board of Examiners regarding the services to be provided and to specify when approval by the State Board of Examiners must occur.

The measure raises the threshold for requiring formal contracts for purchases by the state from $25,000 to $50,000. It further increases the delegated authority of the Clerk of the State Board of Examiners from $10,000 to $50,000 for contracts, including those contracts necessary to preserve life and property, which is raised from $25,000 to $50,000. New language is added to prohibit an agency from splitting a contract to avoid the competitive bid process.

Further, a contract is void if it does not comply with statutory and regulatory provisions. Both the head of the using agency and the employee entering the contract are personally liable for the costs of services delivered pursuant to the void contract.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Mr. Daly, I apologize for not asking this sooner. What Is the current definition for a using agency? It seems a little vague.

ASSEMBLYMAN DALY:

I believe it would be any state agency that comes under NRS 333, which is state government purchasing.

Assembly Bill 44 requires any rules adopted by the association to allow the storage or containers outdoors and to comply with all applicable codes and regulations. The effective date of this measure would be October 1, 2013.

Assembly Bill 59 formalizes and renames existing components of the State Public Works Division, Department of Administration, to create a Public Works – Compliance and Code Enforcement Section and a Public Works – Professional Services Section within the State Public Works Division. Each of the sections will be led by one of the existing deputy administrators. The Administrator of the State Public Works Division is authorized to adopt necessary regulations for these two new sections and to recommend to the State Public Works Board the adoption of such regulations.

The bill eliminates the requirement that a proposal for the construction of a state building include operating costs for personnel and other expenses of operation for the building. Further, the measure repeals the requirement that the State Public Works Division compile a report concerning state building projects that are financed by general obligation bonds, revenue bonds, or medium-term obligations for each fiscal year and submitted annually to the Legislature.

Assembly Bill 97 requires a prosecuting attorney to inform a defendant if the attorney is going to seek a penalty enhancement pursuant to Nevada's habitual criminal statute in a reasonable amount of time before trial. The bill authorizes the defense and prosecution to stipulate a different procedure and authorizes the court to order a time extension for good cause. The prosecution may amend or supplement a habitual criminal count at any time before the sentence is imposed.

The bill strikes me as an example of fairness and clarity and allows the defendant to know the possible consequences.

Remarks by Assemblyman Aizley.

ASSEMBLYMAN AIZLEY:

Assembly Bill 98 concerns three items. First, candidates for a homeowners' association [HOA] board must be in good standing and must reveal any potential conflicts of interest. Secondly, bids for projects costing at least $2,500 or 10 percent of the total annual assessments of the HOA must be reviewed and compared. Revised bids may be requested. Finally, if the annual budget of the HOA is $150,000 or less, the bill requires its financial statement to be reviewed by an independent certified public accountant every fiscal year unless a majority of the voting members of the HOA submit a written request for an audit.

The most frequent complaint that I heard while campaigning was about HOAs, and there are a lot of them in my district. This bill is in response to those complaints, and I expect it will create more professional-acting boards. The bill defines members to be in good standing and eligible for serving on the board if they are current with all association dues and assessments. Current board members cannot prevent a member in good standing from seeking election to the board by assessing a fine for a frivolous reason. I was amazed that so many thought a board could or

would do this. Assembly Bill 98 is a positive step in improving HOA boards, and your support is appreciated.

ASSEMBLYWOMAN FLORES:

I rise in support of Assembly Bill 126. Assembly Bill 126 requires an owner or operator of any restaurant or similar retail food establishment that is part of a chain with 15 or more locations within this state to disclose the same nutritional information as required by federal law for such a chain with 20 or more locations. The bill also provides that an owner or operator of a restaurant or similar retail food establishment who violates these provisions is guilty of a misdemeanor and subject to tiered fines.

ASSEMBLYMAN HICKEY:

I rise in opposition to Assembly Bill 126. Nutrition labeling is a very complex issue, and individuals should know what is in the foods they consume. However, I don't believe this bill aligns with current federal regulations and may cause confusion by state and local officials. Nutrition labeling should be done by the federal government. There is a huge difference between the resources smaller businesses have and big national chains. In addition, there are various proposed regulations that have not been adopted by the FDA as of yet, and it seems a bit premature to reference them in our NRS when they likely will not be finished until 2015. I applaud the sponsor's efforts on this measure, but I cannot support this bill as it stands currently.

ASSEMBLYWOMAN SPIEGEL:

I rise in support of Assembly Bill 126. As somebody who has been watching my weight for 45 or so years, I have to tell you that when I travel to other states that have nutritional information posted on their menus, I am much more likely to frequent those restaurants. The majority of people I have attended Weight Watchers with throughout the years have all felt the same way. I actually think this bill will help not only Nevadans make good choices when they are eating out in restaurant establishments, I think it will also make more people feel comfortable eating in such dining establishments. I urge your support for this bill.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 147 requires a notice regarding the results of a mammogram to include a statement of the density of the patient's breasts and encourage the patient to discuss the notice with his or her physician or other health care provider. In addition, this bill authorizes the Health Division of the Department of Health and Human Services to impose an administrative fine for failure to provide such notice.

During your committee on Health and Human Services, there was compelling testimony in favor of this bill. There was testimony that at least 40 percent of women have dense breast tissue, and for those women, mammography can be very ineffective. Many of them get a false negative, when in reality there may be an issue, and further testing and ultrasounds may be warranted. At the hearing, there were two very poignant stories. One had to do with a member of the Reno community who we know very well, Wendy Damonte. Her mother Diane Wyness passed away. Wendy and the doctors believe it was due to a false negative, due to a cancer that was not found, because the mammogram is not a good enough test. There was also a story of a young doctor, Caroline Graham Lamberts. I think most of us know her parents very well. She had just turned 30 when they lost her. Her parents and the doctors who treated Caroline believed she lived an extra five years because Caroline's medical training gave her the knowledge to go and get these additional tests—the kind of tests we are hoping women will ask for. This is a bill that I think will make a difference. Here, knowledge is power and this is knowledge that women should have. I urge everyone's support.

We have had a lot of conversations on this bill, and I would like to clear up some of the misconceptions. Number one, this is not a horse bill. This is a safety bill. If you have driven around our area, you will see that horses, cattle, deer, and cars do not mix on our rural highways. This bill has been on the books for a number of years. I have worked on different horse bills during my six terms here. We finally got the people to agree to what they really wanted and what the state really needed. We had involvement from the Department of Agriculture, Highway Patrol, sheriff departments, ranchers, and a number of people in the different horse organizations. They all agreed we have to quit feeding horses and bringing them down on the highway.

If you have ever seen a wreck between an automobile and a horse, it is ugly. A horse is tall enough that it will come right through your windshield. We have tried to give warnings. People do not pay any attention to the warnings. So this bill was worked out among many people. If someone is found feeding horses, they will get a warning. On the second or subsequent time,

they will receive a ticket and a violation. We have had concerns about whether it should be a misdemeanor or a gross misdemeanor. The folks I have talked to have said if you make it a misdemeanor, you can go into a court and they could say it's a $25 fine—please don't do it again. All the people who worked on the bill agreed that we had to put some teeth into it. That is why we put in a gross misdemeanor, so that the fine could be up to $2,000. It's a harsh fine, it's a heavy fine, but life is worth more than trying to keep fighting people that insist that they are going to feed these horses. So I ask you to support this bill, not as an anti-horse bill, but as a safety bill for not only the horses, but for our traveling public.

ASSEMBLYWOMAN FLORES:

I rise in support of Assembly Bill 284. Assembly Bill 284 allows for the early termination of a rental agreement if a tenant, cotenant, or household member is a victim of domestic violence. The bill establishes notice requirements and provisions concerning liability for unpaid amounts. It also requires a landlord to install a new lock onto the dwelling of a victim of domestic

violence under certain circumstances. Furthermore, the measure prohibits a landlord from taking retaliatory action against a tenant who terminates an agreement because he or she is a victim of domestic violence.

I cannot urge this body enough to support this measure. Nevada is number one in domestic violence-related homicides. I can tell you that from a personal prospective, and as someone who was a victim of domestic violence, it was incredibly difficult after I decided to leave my abuser—when I finally had the courage to do that—to find housing once I was ready to be by myself again, because I had to break leases. Despite the fact that I was hospitalized, that I had injuries, my landlord did not let me out of my lease because they did not think that was enough.

This bill provides protection for landlords to hold the abuser accountable for any financial losses that they might sustain. Not only are there protections for landlords in this bill, but in addition to that and most importantly, it provides protection for domestic abuse victims.

Lastly, I will just add that it is very important that domestic violence victims are able to go to their churches, to social workers, and to domestic violence organizations, because often times that is the safest thing to do. There were many times where I did not get law enforcement involved because it was scary, and I do not believe that it is right as a state to pass a law that says that the only way you can get out of your lease is to involve law enforcement. That may not be the safest thing for that person to do for themselves, or for their children, or for their family. I tell you from personal experience, this is not a measure that is going to hurt landlords or business in this state; it is a measure that hopefully is going to provide victims of domestic abuse the ability to safely leave their homes without the burden of trying to figure out what they are going to do for housing or how much money they are going to be obligated to pay once they decide to leave. I strongly urge this body to support this measure, and I thank you all for your time.

ASSEMBLYMAN SPRINKLE:

I rise in support of Assembly Bill 284. Having done a lot of work in this area in the past, I want to mimic a lot of the words that you just heard the sponsor speak to. Oftentimes these victims do not feel like they can go to law enforcement to get the help and the protection they need. They end up using their clergy; they end up using other advocates; they go to shelters to immediately get away. So to eliminate them from the process of determining whether or not these women are in a position of danger—and I say women only because statistics prove over 93 percent are women—these advocates, these licensed professionals, should be in a position where they can help.

Secondly, from a more personal prospective having worked in emergency medicine for over 20 years, I have had many of these people as patients of mine in the back of my ambulance. I know that the sooner they can get out of a situation that is dangerous to them, the better they can be. Oftentimes in domestic violence, leases and an inability to get out of where they are living is what keeps them in these domestic violence situations. This bill is necessary, and it is important to protect the men, and especially the women, that oftentimes become battered and are stuck in these domestic violence situations. I strongly urge the passage of this bill.

ASSEMBLYWOMAN FIORE:

I rise in opposition of Assembly Bill 284. While I applaud its intent to protect a victim of domestic violence, I am concerned that this measure fails to take into consideration the safety of the community as a whole. I also thank the sponsor's effort to amend the bill, but the changes fall short of addressing serious concerns raised by members. The bill fails to properly protect the victim or the landlord and gives little guidance on identifying or prosecuting those persons who commit the crime of domestic violence. Without proper documentation from law enforcement, perpetrators of domestic violence would remain free in our communities, and it does nothing to discourage future acts of domestic violence. I believe that victims of domestic violence should be protected to the fullest extent of the law, however, this bill fails to bring all appropriate parties to the table, including law enforcement.

Madam Speaker, I cannot support Assembly Bill 284 and encourage the sponsor to continue to work with members and stakeholders on this important issue. On a personal note, I have had a protective order in place on a domestic violence issue, so I totally get this bill, and I would urge the sponsor to seek more counsel.

ASSEMBLYMAN ELLIOT ANDERSON:

I want to first thank my colleague from District 28 for bringing this bill forward. This is something—working in criminal defense—that really spoke to me and said we really need to do something about this. So many times you get into situations where you have an abuser and the abusee in a relationship living together, and because the abusee often gets involved in crime because of the abuser, you end up in a situation where the victim cannot always go to law enforcement, so they feel trapped. There are sometimes prostitution situations. My colleague from District 2 probably knows that sex trafficking is sometimes used as leverage over someone who is getting abused, so this is really important to break the cycle of abuse. You cannot just have law enforcement being the only documentation, not to mention, the undocumented community, which brings up another problem. If you have a situation like that, there could be an abuser that would use the victim's legal status, or lack thereof, against them. I strongly urge my colleagues to support this legislation as written.

ASSEMBLYMAN DUNCAN:

If I may, I would like to ask the sponsor a couple of questions. Under current law, are there circumstances where domestic violence victims can break their lease if there are any circumstances?

ASSEMBLYWOMAN FLORES:

To my colleague from the south, currently it is just like a regular contract that one enters into. Unless the other person to that contract decides to let you out, you are obligated under the terms of that agreement. There are currently, to my knowledge, no provisions whatsoever in the state of Nevada that will allow for such a breaking of that contract unless this bill gets passed.

ASSEMBLYMAN HORNE:

I rise in support of Assembly Bill 284. I think it is important to note—because we are getting away from the intent of this bill—that the intent of this bill is to protect a victim of domestic violence. It is not meant to protect a landlord; it is not meant to protect the community at large; it is not meant to protect business owners; it is meant to protect a victim of domestic violence. As an attorney, I have been on both sides where I have represented victims of domestic violence and perpetrators of domestic violence. I can tell you, in both circumstances, that if you can provide an easier way for that victim to get out of that dangerous situation, you should provide it.

The bill

also requires the court to make a finding of probable cause for belief that the information to be obtained is relevant to an ongoing criminal investigation before issuing an order or extension.

Assembly Bill 313 reflects a tremendous amount of work on the part of the bill sponsor. We were working with stakeholders to make sure that their concerns were taken into consideration. It is significantly different from the original bill. I think it reflects some hard work and a serious effort at compromise. Not all the areas in the bill were a reflection of compromise, but I think the strongest concerns launched with respect to this bill were addressed, and I think the product of that work is reflected now. ASSEMBLYMAN BOBZIEN:

I rise in support of Assembly Bill 346. The bill requires that reclamation plans for mining operations and exploration projects must, if feasible, provide for at least one point of public nonmotorized access to the water level of a pit lake that has a predicted filled surface area of more than 200 acres. Such access must be provided when the pit reaches at least 90 percent of its predicted maximum capacity.

The bill also makes provisions regarding the responsibilities and liability of certain persons involved with the premises on which such a pit lake with public access is located, including past and present owners, operators, lessees, occupants, contractors, employees, and others. Such persons have no duty to keep the premises safe for entry or use or to give warning of any hazardous conditions. These persons also do not assume responsibility or incur liability for injuries to any person or property caused by an act of a person who has permission to access the premises.

Finally, A.B. 346 provides that relevant reclamation plans that were filed before the bill takes effect must provide for public access to a pit lake as set forth in the bill. These plans may be amended and refiled if it is determined that such access is warranted.

As we are all aware, the mining industry has tremendous importance in this state and has tremendous impact on our landscape across the state. This bill is a commonsense solution and a product of all the parties working together to plan for the future legacy of these pit lakes and how the public can derive benefit from them.

ASSEMBLYMAN HORNE:

Yes, Madam Speaker. Assembly Bill 351 provides that a person who holds a registry identification card and engages in the medical use of marijuana is exempt from prosecution for a criminal offense for driving, operating, or being in actual physical control of a vehicle or vessel under power or sail with a certain concentration of marijuana or marijuana metabolite in his or her blood or urine. The bill does not exempt a person from state prosecution for the aforementioned offense if the person is under the influence of marijuana not related to the medical use.

Basically, this bill puts medical marijuana on the same footing as other prescription drugs, which means there's no per se limit. You can still be prosecuted for driving under the influence of marijuana if you are driving while intoxicated on this medication. Just like any other medication, there's just no per se limit on it. That only applies to those with medical marijuana cards. It does not apply to other persons who partake in the use of marijuana.

ASSEMBLYMAN DUNCAN:

I rise in opposition to Assembly Bill 351. I do appreciate my colleague from District 34 visiting with our caucus last night. I know that his comments were well received by some in our caucus, and I appreciate him coming and explaining this bill to us more and more. I want to take a step back, though, because in 1999 this same body had a debate about per se levels for

marijuana. We decided as a policy matter to allow for marijuana to have per se levels—that if you have either two nanograms of active THC in your system, or five nanograms or more of metabolite in your system, that you were per se impaired. The reason for having that policy discussion was that we were worried about traffic safety. We were worried about impaired drivers on the road. So while I appreciate the efforts—and I do believe that we do have to have a policy discussion about medical marijuana and how we deal with people who have the cards—I think this policy in A.B. 351 may not be completely thought out in the sense that whether you are impaired or not, we are now essentially exempting people with medical marijuana cards. We made a policy decision in 1999 that people who had marijuana in their system were impaired and they were dangerous to be on the road.

I would suggest that either we raise the inactive metabolite level higher to capture those people with medical marijuana cards or we make a policy decision to just exempt marijuana completely from per se rules and make it so that in a court of law, we prove beyond a reasonable doubt that someone is impaired. For those reasons, I stand in opposition, but I do applaud my colleague from District 34 for opening this discussion.

ASSEMBLYMAN EISEN:

I rise in support of Assembly Bill 351. I think it is important that we clarify the issue here with marijuana. For one, as the majority leader pointed out, this only applies to individuals who have the legal right to use marijuana as a medicine. This does not prevent the arrest or conviction of an individual who is driving impaired under the influence of marijuana. What it simply does is remove the ability for that prosecution to proceed on the basis of a level of marijuana or marijuana metabolites in the blood. Given the lack of correlation between a blood level and impairment with marijuana, and very much unlike alcohol, a variable rate of metabolism of marijuana, I think a reliance simply on a number to indicate impairment is problematic. If there is, in fact, evidence of impairment of a driver, they still can be charged, they still can be prosecuted, and they still can be convicted of driving under the influence. This bill only removes the per se number from evidence if someone has a legal right to use marijuana as a medical aid.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 351. To respond to one of my previous colleagues in citing the debate that happened in 1999, at that time, we all need to remember that marijuana was not considered a medicine that year. It now is actually prescribed for medical reasons. I do not believe that debate has any impact on the actual use of a medicine. We were talking about an illegal substance at the time.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 357 abolishes the Statewide Council for the Coordination of the Regional Training Programs and the governing bodies of each regional training program for the professional development of teachers and administrators and transfers their powers and duties to the Department of Education. This measure also requires the Office of Parental Involvement and Family Engagement to work in cooperation with the regional training programs, stipulates that staff of the regional training programs are not employees of the Department of Education, ensures the Clark and Washoe County School Districts use their portions of the regional training funds in partnership with the regional training programs; and clarifies the process for drafting, approving, and implementing regional training models and plans.

Nevada has seen a wave of education reforms and policy changes that have vast impact on teachers and classrooms and students in this state. It is essential that the regional training programs be refocused and a new model be built that involves the state Department of Education facilitating coordination across the state for the delivery of professional development. This bill is a vital portion of that effort.

Assembly Bill 378 provides that a self-settled spendthrift trust is unenforceable against the settlor's child, spouse, or domestic partner who has a judgment or court order against the settlor for support or maintenance. The bill also makes the transfer of community property to a spendthrift trust void unless both spouses or domestic partners agree to the transfer in writing and expressly waive the community property rights of each spouse or domestic partner.

If the settlor of the spendthrift trust is also a beneficiary of the trust, A.B. 378 prohibits the following persons from being a distribution trustee: the settlor; the spouse or domestic partner of the settlor; a person related to the settlor by blood, adoption, or marriage within the second degree of consanguinity or affinity; an employee of the settlor; a subordinate employee of the settlor or the settlor's business; and a business entity in which the settlor or any of the previously-listed persons holds at least 30 percent of the total voting power.

ASSEMBLYMAN ELLISON:

Assembly Bill 379 authorizes the owner or occupant of property where an abandoned recreational vehicle[RV] is located to apply for the Department of Motor Vehicles[DMV] for a letter of abandonment. Before applying for a letter of abandonment, the property owner or occupant must attempt to locate the legal owner of the RV and notify the person that if the ownership is not claimed and the RV is not removed within 60 days, the property owner or occupant will apply for a letter of abandonment. If the owner of the RV cannot be located, the property owner or occupant must place a notice in the local newspaper in the county in which the RV is located stating that if the RV is not claimed and removed within 60 days after the publication date of the newspaper, the property owner or occupant will apply for a letter of abandonment.

This bill also requires a municipal solid waste landfill to accept the RV for disposal if the person disposing of the RV provides either the title to the vehicle or a letter of abandonment issued by the DMV, and if accepting the RV for disposal does not violate any applicable federal or state law or regulation relating to the operation of the municipal solid waste landfill. This bill will become effective July 1, 2013.

Assembly Bill No. 407.

Bill read third time.

Remarks by Assemblyman Hickey.

ASSEMBLYMAN HICKEY:

Assembly Bill 407 amends state law relative to residency requirements for eligibility purposes for public office by deleting the reference to a person's "actual residence" and the provision relative to a person with multiple residences. Instead, the bill defines residency as, "that place where the person has been actually, physically, and corporeally living."

The measure provides that moving outside of the district in which a person is required to reside to be a candidate for that office is an impeachable act of malfeasance for those officers impeachable under Article 7 of the *Nevada Constitution*.

This bill further clarifies that a person who receives a certificate of election or appointment to office as a legislator may be removed from office for not residing in his or her district only through expulsion from the legislator's own house of the Legislature. However, the election of a legislator may be contested on the grounds that the person does not reside in the district from which he or she is a legislator. The bill limits the financial cost potentially incurred to contest a candidate of a general election for the office of state legislator. This measure is effective, if passed, October 1, 2013.

Assembly Bill No. 415.

Bill read third time.

Remarks by Assemblyman Frierson.

ASSEMBLYMAN FRIERSON:

Assembly Bill 415 provides that the crime of burglary does not include the act of entering a commercial establishment during business hours with the intent to commit a petit larceny, unless the person who enters has two or more previous convictions for petit larceny in a commercial establishment within the last seven years.

This measure also creates the Special Account for the Support of the Advisory Commission on the Administration of Justice and requires the Advisory Commission to review sentencing for

all criminal offenses, the current system of parole, and potential legislation relating to offenders for whom traditional imprisonment is not considered appropriate.

Assembly Bill 415 was a result of a significant amount of bipartisan work to take a look at our criminal sentencing and criminal procedures, to at least put forth an effort to try to make sure that our punishment reflects the behavior. The bill started out with a significant number of proposals, but with all the stakeholders at the table, resulted in us saying that shoplifting is shoplifting and that you should not be exposed to a one-to ten-year sentence for shoplifting. There is a provision that allows for a habitual shoplifter to be addressed, but at least for the typical shoplifter, under few circumstances—whether they believe that person should be exposed to a one-to ten-year sentence—the remainder of the bill refers criminal measures, as a few other bills have done, to the Advisory Commission on the Administration of Justice to further look at it and take the proper amount of time to make a well thought out decision about how we move forward and protect Nevada citizens while being smart with the limited resources that we have.

THE SEVENTY-EIGHTH DAY

CARSON CITY (Monday), April 22, 2013

Assembly called to order at 11:34 a.m.

Madam Speaker presiding.

Roll called.

All present and one vacant.

Prayer by the Chaplain, Pastor Dixie Jennings-Teats. The Assembly observed a moment of silence for the victims of the Boston bombing.

This week reminds us we have neighbors in Boston. Earth Day reminds us we are neighbors with all the Earth. In compassion we pray for all the peoples of the Earth. Remove from our minds fear, hatred, prejudice, and contempt for those who are not of our own race or color, class or creed. Keep our hearts focused on unity of the spirit in the bond of peace.

We pray for relief of suffering of people affected by the bombing in Boston one week ago today. Grant the survivors peace of mind. Protect us all from the violence of others; keep us safe from the weapons of hate and restore us to tranquility and peace. Help us learn how to foster deep unity and peace in light of the whole of the Earth's being: human, animal, plant and mineral; water, air, and the ground itself. In the heart of love, we pray.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

SECOND READING AND AMENDMENT

Assembly Bill No. 17.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 261.

SUMMARY—Revises provisions governing ~~[interagency panels convened when]~~ **the conditions under which the access of** a school district employee operating a program of education for incarcerated persons ~~[is excluded from]~~ **at** a facility or institution operated by the Department of Corrections ~~[.]~~ **may be restricted.** (BDR 34-319)

AN ACT relating to ~~[education;]~~ **governmental administration;** revising provisions governing ~~[interagency panels convened when]~~ **the conditions under which the access of** a school district employee operating a program of education for incarcerated persons ~~[is excluded from]~~ **at** a facility or institution operated by the Department of Corrections ~~[.]~~ **may be restricted; revising provisions governing the interagency panel convened to conduct a hearing on the matter; requiring the Director of the Department to take proper measures to protect the health and safety of school district employees operating such a program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Education to establish a statewide program of education for incarcerated persons. (NRS 388.575) Existing law also requires that if a manager or warden excludes from a facility or institution operated by the Department of Corrections a person employed by a school district to operate a program of education for incarcerated persons in the facility or institution, an interagency panel must be convened to conduct a hearing to determine whether to uphold the exclusion. (NRS 388.583) ~~[Instead of having the panel render a final decision, this bill requires the Director of the Department of Corrections to render a written decision affirming or disaffirming, in whole or in part, the determination of the~~

~~interagency panel within 10 business days after such a hearing is conducted and provides that the decision of the Director is not subject to appeal.]~~ **Section 1 of this bill removes the reference to a manager or warden excluding a school district employee from a facility or institution and instead authorizes the Director of the Department of Corrections, upon good cause shown, to restrict the access of such an employee to a facility or institution for not more than 30 days. During the 30-day period, the interagency panel must be convened to conduct a hearing and render a final decision on the matter. Section 1 also defines "good cause shown" to include the failure of a school district employee to adhere to rules or regulations of the Director pertaining to health and safety and to exclude disagreements over the courses of study for the program of education.**

Under existing law, the Director of the Department is required to take proper measures to protect the health and safety of the staff and offenders in the institutions. (NRS 209.131) Section 2 of this bill requires the Director to take proper measures to protect the health and safety of school district employees who operate a program of education for incarcerated persons in an institution or facility.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.583 is hereby amended to read as follows:

388.583 1. ~~[If a manager or warden excludes from the facility or institution]~~ ***The Director of the Department of Corrections may, upon good cause shown, restrict the access of*** a person employed by a school district to operate a program of education for incarcerated persons ~~[in the]~~ ***to a*** facility or institution ~~[,]~~ ***in which the program is operated for not more than 30 days. Within the 30-day period,*** an interagency panel must be convened ~~[.]~~ ***to conduct a hearing and render a final decision pursuant to subsection 2.***

2. The interagency panel must:

(a) Consist of:

The following amendment was proposed by the Committee on Taxation:

Amendment No. 454.

AN ACT relating to the taxation of property; reducing the statutory rate of depreciation applicable to improvements made on real property for the purpose of determining the taxable value of the property; **making an appropriation for a study;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under current law, the taxable value of an improvement made on real property must be determined by subtracting from the cost of replacement of the improvement all applicable depreciation and obsolescence. That depreciation is required to be calculated at the rate of 1.5 percent of the cost of replacement of the improvement for each year that the improvement has aged, up to a maximum of 50 years. (NRS 361.227) The application of this formula for the entire 50-year period results in a maximum rate of depreciation of 75 percent of the cost of replacement.

~~[This]~~ **Section 1 of this** bill reduces the future rate of depreciation for an improvement made on real property to 1 percent of the cost of replacement of the improvement for each year that the improvement ages after 2012. ~~[This bill]~~ **Section 1** does not affect the maximum rate of depreciation allowed under current law. The change in the rate of depreciation pursuant to ~~[this bill]~~ **section 1** does not affect the determination of the taxable value of any improvements for the purposes of any property taxes imposed before July 1, 2014.

Section 1.5 of this bill makes an appropriation for the purpose of conducting a study of the effect of reducing the depreciation rate applicable to improvements made to real property for property tax purposes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 361.227 is hereby amended to read as follows:

361.227 1. Any person determining the taxable value of real property shall appraise:

(a) The full cash value of:

(1) Vacant land by considering the uses to which it may lawfully be put, any legal or physical restrictions upon those uses, the character of the terrain, and the uses of other land in the vicinity.

(2) Improved land consistently with the use to which the improvements are being put.

(b) Any improvements made on the land by subtracting from the cost of replacement of the improvements all applicable depreciation and obsolescence. Depreciation of an improvement made on real property must be calculated at ***:***

(1) The rate of 1.5 percent of the cost of replacement for each year of adjusted actual age of the improvement ~~[.]~~ ***that ends on or before December 31, 2012; and***

(2) The rate of 1 percent of the cost of replacement for each year of adjusted actual age of the improvement that ends on or after January 1, 2013,

➥ up to a maximum ***rate of depreciation*** of ~~[50 years.]~~ ***75 percent of the cost of replacement of the improvement.***

2. The unit of appraisal must be a single parcel unless:

(a) The location of the improvements causes two or more parcels to function as a single parcel;

(b) The parcel is one of a group of contiguous parcels which qualifies for valuation as a subdivision pursuant to the regulations of the Nevada Tax Commission; or

(c) In the professional judgment of the person determining the taxable value, the parcel is one of a group of parcels which should be valued as a collective unit.

3. The taxable value of a leasehold interest, possessory interest, beneficial interest or beneficial use for the purpose of NRS 361.157 or 361.159 must be determined in the same manner as the taxable value of the property would otherwise be determined if the lessee or user of the property was the owner of the property and it was not exempt from taxation, except that the taxable value so determined must be reduced by a percentage of the taxable value that is equal to the:

(a) Percentage of the property that is not actually leased by the lessee or used by the user during the fiscal year; and

(b) Percentage of time that the property is not actually leased by the lessee or used by the user during the fiscal year, which must be determined in accordance with NRS 361.2275.

4. The taxable value of other taxable personal property, except a mobile or manufactured home, must be determined by subtracting from the cost of replacement of the property all applicable depreciation and obsolescence. Depreciation of a billboard must be calculated at 1.5 percent of the cost of replacement for each year after the year of acquisition of the billboard, up to a maximum of 50 years.

5. The computed taxable value of any property must not exceed its full cash value. Each person determining the taxable value of property shall reduce it if necessary to comply with this requirement. A person determining whether taxable value exceeds that full cash value or whether obsolescence is a factor in valuation may consider:

(a) Comparative sales, based on prices actually paid in market transactions.

(b) A summation of the estimated full cash value of the land and contributory value of the improvements.

(c) Capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow.

➥ A county assessor is required to make the reduction prescribed in this subsection if the owner calls to his or her attention the facts warranting it, if the county assessor discovers those facts during physical reappraisal of the property or if the county assessor is otherwise aware of those facts.

6. The Nevada Tax Commission shall, by regulation, establish:

(a) Standards for determining the cost of replacement of improvements of various kinds.

(b) Standards for determining the cost of replacement of personal property of various kinds. The standards must include a separate index of factors for application to the acquisition cost of a billboard to determine its replacement cost.

(c) Schedules of depreciation for personal property based on its estimated life.

(d) Criteria for the valuation of two or more parcels as a subdivision.

7. In determining, for the purpose of computing taxable value, the cost of replacement of:

(a) Any personal property, the cost of all improvements of the personal property, including any additions to or renovations of the personal property, but excluding routine maintenance and repairs, must be added to the cost of acquisition of the personal property.

(b) An improvement made on land, a county assessor may use any final representations of the improvement prepared by the architect or builder of the

improvement, including, without limitation, any final building plans, drawings, sketches and surveys, and any specifications included in such representations, as a basis for establishing any relevant measurements of size or quantity.

8. The county assessor shall, upon the request of the owner, furnish within 15 days to the owner a copy of the most recent appraisal of the property, including, without limitation, copies of any sales data, materials presented on appeal to the county board of equalization or State Board of Equalization and other materials used to determine or defend the taxable value of the property.

9. The provisions of this section do not apply to property which is assessed pursuant to NRS 361.320.

Sec. 1.5. **1. There is hereby appropriated from the State General Fund to the Legislative Fund the sum of $150,000 for the purpose of contracting with a consultant to conduct a study of the effect of reducing the statutory rate of depreciation applicable to improvements made on real property for the purpose of determining the taxable value of property.**

2. Any remaining balance of the appropriation made by subsection 1 of this act must not be committed for expenditure after June 30, 2015, and any portion of the appropriated money remaining must not be spent for any purpose after September 18, 2015, and must be reverted to the State General Fund on or before September 18, 2015.

Sec. 2. The amendatory provisions of section 1 of this act do not apply to or affect the determination pursuant to NRS 361.227 of the taxable value of any property for any fiscal year beginning before July 1, 2014.

Sec. 3. ~~[This act becomes effective:]~~

1. **This section and sections 1.5 and 2 of this act become effective upon passage and approval.**

2. Section 1 of this act becomes effective:

(a) Upon passage and approval for the purposes of adopting regulations and determining the taxable value of real property for the fiscal year beginning on July 1, 2014; and

~~[2.]~~ **(b)** On July 1, 2014, for all other purposes.

Assembly Bill No. 35.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 505.

AN ACT relating to elections; revising requirements for reporting contributions, expenditures and campaign expenses relating to special elections; revising provisions governing the disposition of unspent contributions; establishing a procedure for a candidate to end his or her campaign; clarifying the existence of certain remedies and penalties relating to campaign finance; making various other changes relating to campaign finance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires candidates and certain other persons, committees and political parties to file reports with the Secretary of State concerning campaign contributions, loans, campaign expenses and expenditures. (NRS 294A.120, 294A.125, 294A.128, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.270, 294A.280, 294A.360, 294A.362) Currently, separate reporting requirements exist for: (1) primary or general elections; and (2) special elections. (NRS 294A.120, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.360, 294A.362) **Section 5** of this bill provides that, if a special election is held on the same day as a primary election or general election, any candidate, person, committee or political party that is otherwise required to file a report relating to the special election must instead comply with the reporting requirements for the primary election or general election, as applicable.

Existing law also establishes separate reporting requirements based on whether a general election occurs before July 1 or on or after July 1. (NRS 294A.120, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.360) **Sections 11, 15, 16, 18-20 and 38** of this bill remove those separate provisions, and **sections 11, 15, 18 and 19** also expand the reporting requirements to recall elections.

Existing law requires expenditures made on behalf of a candidate or a group of candidates by a person who is not acting under the direction or control of the candidate or group of candidates, and other expenditures that are made on behalf of the candidate or group of candidates, to be reported to the Secretary of State. (NRS 294A.140, 294A.210) **Sections 15 and 19** provide that certain contributions received and expenditures which are: (1) made **for or** against a candidate or a group of candidates; ~~[or]~~ **and** (2) not coordinated with a candidate or a group of candidates, must be reported. **Section 4.5 of this bill sets forth the circumstances under which an expenditure will or will not be considered to be coordinated with a candidate or a group of candidates.**

A committee for political action that advocates the passage or defeat of a ballot question or a group of questions is required by existing law to report contributions received and expenditures made. (NRS 294A.150, 294A.220) **Sections 16 and 20** of this bill make these reporting requirements applicable even if the question or group of questions is removed from the ballot by court order.

Existing law governs the disposition of unspent contributions. (NRS 294A.160) **Section 17** of this bill expands the application of those provisions to: (1) a candidate who is removed from the ballot by court order or is otherwise not elected to office; and (2) a public officer who resigns from his or her office, is not a candidate for any other office and has unspent contributions.

Under existing law, a candidate is required to file reports of contributions and expenses even if the candidate withdraws his or her candidacy, receives no contributions, has no expenses, is removed from the ballot by court order or is the subject of a recall petition and the special election is not held. (NRS 294A.350) **Section 27** of this bill expands this requirement to include a candidate who: (1) ends his or her campaign without formally withdrawing his or her candidacy; (2) is not opposed in an election; or (3) is defeated in the primary election. **Section 27** also prescribes a process by which a candidate under certain circumstances may end his or her campaign.

If a person, committee or entity that is required to file a report or register pursuant to chapter 294A of NRS fails to do so in accordance with the applicable provisions of that chapter, existing law provides that such a person, committee or entity is subject to a civil penalty. (NRS 294A.420) **Section 37** of this bill provides that this and any other remedies and penalties provided by chapter 294A of NRS are cumulative and supplement any other legal or equitable remedies and penalties that may exist, including any applicable criminal penalties.

Assembly Bill No. 38.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 455.

AN ACT relating to economic development; revising the provisions governing the partial abatement of certain taxes imposed on a new or expanded business; revising the provisions governing a deferment of the payment of the sales and use taxes due on certain property purchased by a new or expanded business; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Office of Economic Development to grant a partial abatement of property taxes, business taxes and sales and use taxes to a business that locates or expands in this State and meets certain qualifications for the abatement. (NRS 274.310, 274.320, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Section 2** of this bill repeals those qualifications that apply solely to a business that furthers the development and refinement of intellectual property, a patent or a copyright into a commercial product. **Sections 3, 4, 8 and 9** of this bill make various changes to those qualifications, including changes in the number of employees required and a requirement that any employees or capital investments used to qualify for the abatement must be retained at the location of the business for the first 5 years. **Section 5** of this bill, which expires by limitation on June 30, 2017, temporarily extends the maximum duration and amount of the property tax abatement available to a business that is or will be located in a foreign trade zone in this State.

Existing law authorizes the Office of Economic Development to grant to a new or expanded business in this State a deferment of the payment of sales and use taxes due on purchases of capital goods for a sales price of $100,000 or more. (NRS 372.397, 374.402) **Sections 6 and 7** of this bill make various changes to the qualifications for such a deferment, including ~~[the addition of a description of the eligible property,]~~ an increase in the required sales price to $1 million and a requirement to retain the property at the location of the business in this State for the 5-year duration of the deferment, and require the taxpayer to begin making partial payments of the deferred taxes within 1 year after the deferment is granted.

Existing law authorizes the Director of the Office of Energy, in consultation with the Office of Economic Development, to grant a partial abatement of property taxes and local sales and use taxes to certain renewable energy facilities that locate in this State and meet certain qualifications for the abatement. (NRS 701A.300-701A.390) **Section 10** of this bill revises those qualifications to require that the capital investments used to qualify for the abatement must be retained at the location of the facility for the first 5 years.

Section 13 of this bill causes the tax abatements authorized pursuant to the amendatory provisions of this bill to cease to be effective on July 1, 2032.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 48.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 504.

AN ACT relating to elections; providing that a person who is not a qualified elector and who votes or attempts to vote knowing that fact, or a person who votes or attempts to vote using the name of another person, is guilty of a category ~~[B]~~ **D** felony; revising certain nomination procedures; requiring county clerks to certify certain lists of candidates and nominees to the Secretary of State; extending the period in which a person may register to vote by computer; making various other changes relating to the administration and conduct of an election; expanding the definition of "campaign expenses"; amending reporting requirements relating to special elections; requiring persons and entities which make expenditures against candidates to report contributions and expenditures; ~~[requiring nonprofit corporations to report certain contributions and campaign expenditures;]~~ eliminating a requirement that the Secretary of State obtain certain advice and consent of the Legislative Commission; making various other changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that a person is guilty of a category ~~[B]~~ **D** felony if the person: (1) is not a qualified elector and votes or attempts to

vote knowing that fact; or (2) votes or attempts to vote using the name of another person.

Section 2 of this bill provides that if a vacancy occurs in a ~~[nonpartisan]~~ nomination **for a nonpartisan office** during a certain period, ~~[the vacancy in nomination will be filled pursuant to procedures established by rule of the Secretary of State.]~~ **a person may become a candidate for the nonpartisan office by filing a declaration or acceptance of candidacy during a certain period.**

Sections 3 and 55 of this bill change, from the first Tuesday in September to the last Tuesday in August before a general election, the deadline by which a minor political party that wishes to place candidates for President and Vice President on the ballot must file a certificate of nomination with the Secretary of State.

Section 4 of this bill provides that provisions relating to the nomination of candidates apply to a special election to fill a vacancy, subject to certain exceptions.

Sections 5 and 6 of this bill require county clerks to certify to the Secretary of State lists of candidates who have filed candidacy papers with the county clerks and of candidates who are nominated for office at primary elections.

Section 7 of this bill clarifies that an independent candidate for partisan office must file a copy of his or her petition of candidacy before the petition may be circulated for signatures.

Section 8 of this bill changes the date by which permanent regulations of the Secretary of State must be effective in order to govern an election from the December 31 immediately preceding the election to the last business day of February immediately preceding the election.

Section 9 of this bill provides that certain persons who register to vote by mail or computer must provide, under certain circumstances, certain proof of residency before voting.

Under existing law, for the period beginning on the fifth Sunday preceding a primary or general election and ending on the third Tuesday preceding the primary or general election, a person may only register to vote in person. (NRS 293.560) **Section 12** of this bill allows a person to register to vote by computer during that period.

Section 14 of this bill defines a "committee sponsored by a political party" for purposes of provisions relating to campaign practices.

Sections 15, 17, 20, 22-41, 43-49, 51, 53, 54 and 56 of this bill clarify reporting requirements related to campaign finance.

Existing law requires a person who is not under the direction or control of a candidate or candidate group or of a person involved in the campaign of the candidate or candidate group and who makes an expenditure on behalf of the

candidate or candidate group to report to the Secretary of State all contributions to and expenditures made by the person ~~[.]~~ **in excess of $100.** (NRS 294A.140, 294A.210) **Sections 30 and 34** of this bill clarify that such a person is making an independent expenditure. **Sections 30 and 34 also raise the threshold for expenditures and contributions that must be reported from $100 to $1,000. Section 16** of this bill defines the term "independent expenditure."

Sections 21 and 45 of this bill provide that fees for filing declarations or acceptances of candidacy, repayments or forgiveness of loans ~~[guaranteed by third parties]~~ and the disposal of unspent contributions are considered, and must be reported by candidates as, campaign expenses.

Sections 18, 20, 22, 26, 30-38 and 41 of this bill provide that reporting requirements related to campaign finance are the same for a general election, a primary election and a special election that is held on the same day as a primary or general election.

~~[Existing law requires a nonprofit corporation to register with the Secretary of State before it engages in certain activities designed to affect the outcome of an election or a question on the ballot. (NRS 294A.225) Sections 30, 34, 42, 47, 49, 50 and 54 of this bill provide that those nonprofit corporations are subject to the same campaign finance reporting requirements as certain other persons, committees for political action, political parties and committees sponsored by political parties.]~~

Section 47 of this bill removes the requirement that the Secretary of State obtain the advice and consent of the Legislative Commission before making a copy of, or access to, the contribution, expenditure and campaign expense forms designed by the Secretary of State available to a candidate, person, committee, political party or nonprofit corporation.

Section 52 of this bill amends the required content and due date of the compilation prepared by the Secretary of State of contribution and campaign expense reports.

Assembly Bill No. 50.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 408.

AN ACT relating to local government finance; revising the termination date of certain redevelopment plans; ~~[providing specific authority for redevelopment agencies to loan money to finance the purchase of land and the construction and installation of certain improvements to real property under certain circumstances;]~~ requiring certain redevelopment agencies to make available to the public certain reports concerning proposed redevelopment projects; requiring certain redevelopment agencies to include additional information in certain annual reports; revising provisions governing the ~~[tax]~~ **set aside and use of certain revenues from taxes** imposed ~~[on the revenues from the rental of transient lodging in a district created to defray the cost of improving a central business area;]~~ **on property in a redevelopment area;** eliminating the prohibition on certain local governments creating a tourism improvement district that includes any property within the boundaries of a redevelopment area; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a redevelopment plan adopted by a redevelopment agency of a city or county before January 1, 1991, terminates at the end of the fiscal year in which the later of the following events occurs: (1) the principal and interest of the last maturing securities issued before that date concerning the redevelopment area are fully paid; or (2) 45 years after the date on which the original redevelopment plan was adopted. (NRS 279.438) **Section ~~[1]~~ 1.5** of this bill extends the deadline for that second event from 45 years to 60 years with respect to a redevelopment plan adopted by the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) **~~[.]~~ if certain requirements are met.**

Under existing law, the redevelopment agency of a city or county, with the consent of the governing body of the city or county, is authorized, in certain circumstances, to pay all or part of the value of the land for and the cost of the construction of a building, facility, structure or other improvement to real property or installation of an improvement which is publicly or privately owned and is located within or without a redevelopment area for which the agency has adopted a redevelopment plan. (NRS 279.486) ~~[Section 2 of this bill provides the additional specific authority to loan money for this purpose to a redevelopment agency.]~~ **Section 2 ~~[also]~~ of this bill** requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to make available to the general public a detailed report concerning such a proposed expenditure ~~[or loan]~~ for land or improvements by the agency at least 7 days before a meeting at which the

governing body of the city is scheduled to consider the proposed expenditure **.** ~~[or loan.]~~

Under existing law, a redevelopment agency that has adopted a redevelopment plan for a redevelopment area on or after July 1, 2011, is required to submit soon after the adoption of the plan one report to the Legislature and the governing body of the city or county, as applicable, containing certain initial information about the redevelopment area. Existing law also requires a redevelopment agency that has adopted a redevelopment plan for a redevelopment area at any time to submit to the Legislature and the governing body of the city or county, as applicable, an annual report containing information about the redevelopment area for the previous fiscal year. (NRS 279.6025) **Section 3** of this bill requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to include certain additional information in the annual report.

Under existing law, a city whose population is 500,000 or more (currently the City of Las Vegas) is ~~[authorized to impose a tax on the revenues from the rental of transient lodging to defray the costs of improving a central business area. (NRS 268.801-268.809) The city is allowed to collect that tax until the final payment of: (1) the bonds initially issued to which the tax is pledged; or (2) any bonds refunding those initially issued bonds as long as the final payment date for such refunding bonds is not later than the final payment date for the initially issued bonds. (NRS 268.804) Section 4 of this bill extends the time in which the city is authorized to collect the tax until the final payment date for any bonds issued in addition to the initially issued bonds as long as such additional bonds do not have a final payment date that is after July 1, 2040.]~~ **required to set aside 18 percent of the revenue received from taxes levied upon taxable property in a redevelopment area each year to increase, improve and preserve the number of: (1) dwelling units in the community for low-income households; and (2) educational facilities within the redevelopment area. Section 3.5 of this bill instead requires that 18 percent of such revenues received on or after October 1, 2011, but before March 6, 2031, be set aside to: (1) increase, improve, preserve or enhance the operating viability of dwelling units in the community for low-income households; and (2) improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. Section 3.5 requires that on or after March 6, 2031, 18 percent of such revenues be set aside and used to improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. Section 1 of this bill prohibits a school district from using any money received pursuant to section 3.5 to reduce or supplant the amount**

of any money which the school district would otherwise expend to improve such public educational facilities.

Section 5 of this bill eliminates the prohibition in existing law against a city or county creating a tourism improvement district after October 1, 2009, that includes within its boundaries any property included within the boundaries of a redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:**

A school district shall not use any money received pursuant to subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 or paragraph (c) of subsection 1 of NRS 279.685 to reduce or supplant the amount of any money which the school district would otherwise expend for the purposes described in subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 and paragraph (c) of subsection 1 of NRS 279.685, respectively.

If the sale price or present value of the total rental amount to be paid to the agency or legislative body is less than the fair market value of the real property interest to be conveyed or leased, determined at the highest and best use permitted under the redevelopment plan, the agency shall provide an explanation of the reason for the difference.

(2) An explanation of how the project will assist in the elimination of blight, including, without limitation, reference to all supporting facts and

Assembly Bill No. 61.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 456.

AN ACT relating to economic development; revising various provisions relating to regional development authorities; requiring the Board of Economic Development to approve certain contracts entered into by the Office of Economic Development; revising the duties of the Executive Director of the Office; abolishing the Interagency Committee for Coordinating Tourism and Economic Development and the Advisory Council on Economic Development; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Office of Economic Development and the Executive Director of the Office of Economic Development exist within the Office of the Governor and are responsible for developing and carrying out the State Plan for

Economic Development. (NRS 231.043, 231.053) This bill proposes to make numerous changes relating to economic development.

Under current law, entities seeking to receive partial tax abatements must apply to the Office for approval. (NRS 274.310, 274.320, 274.330, 360.750) **Section 1** of this bill requires entities whose cumulative partial tax abatements for the immediately preceding 2 years plus the partial tax abatement that is being requested equals $250,000 or more to seek the approval of the Board of Economic Development. **Section 1** also specifies that entities whose cumulative partial tax abatements for the immediately preceding 2 years plus the partial tax abatement that is being requested equals less than $250,000 must seek the approval of the Executive Director.

~~[Under current law, regional development authorities are organizations that have been designated by the Executive Director and are local governmental entities, private nonprofit entities or are composed solely of two or more local governmental entities. (NRS 231.009) Section 2 of this bill deletes the requirement that an organization must be a local governmental entity or group of two or more local governmental entities or a private nonprofit entity in order to be designated as a regional development authority.]~~

Under existing law, the Board is composed of 11 members, including the Governor, the Lieutenant Governor and the Secretary of State or their designees and a member appointed by the Department of Employment, Training and Rehabilitation from the membership of the Governor's Workforce Investment Board. (NRS 231.033) **Section 3** of this bill revises the provisions authorizing the Governor, the Lieutenant Governor and the Secretary of State to choose designees and requires that the Director of the Department of Employment, Training and Rehabilitation serve on the Board instead of appointing a member. **Section 3 also requires the Governor's designee to serve as the Chair of the Board.**

Under existing law, the Executive Director is required to designate as many regional development authorities as he or she deems appropriate to implement the State Plan for Economic Development. The Executive Director is also authorized to remove the designation of any previously designated regional development authority if he or she determines that such action would aid in the implementation of the State Plan for Economic Development. (NRS 231.053) **Section 4** of this bill authorizes the Executive Director to void any contract entered into between the Office and a regional development authority after removing the designation of that regional development authority.

~~[Under existing law, the Office is required to coordinate and oversee all economic development programs to ensure such programs are consistent with the State Plan for Economic Development, including reviewing, analyzing and making recommendations for approval or disapproval of abatements.~~

~~(NRS 231.055) Section 5 of this bill removes the requirement that the Office review, analyze and make recommendations for approval or disapproval of abatements.~~**]**

Existing law requires the Office to develop a State Plan for Inland Ports which includes a comprehensive plan for the physical development of inland ports which promotes, encourages, and aids in the development of the economic interests in this State. (NRS 231.075) **Section 6** of this bill deletes that requirement.

Under existing law, local governmental entities may apply for a grant or loan of money from the Catalyst Fund if the local governmental entity or entities are designated as a regional development authority. The Executive Director is required to review each application and, if he or she determines that approval of the application would promote economic development in this State, may approve the application and make a grant or loan of money from the Catalyst Fund. (NRS 231.1577) **Section 7** of this bill authorizes **only** counties or incorporated cities **[**~~which are not designated as regional development authorities~~**]** to apply for a grant or loan of money from the Catalyst Fund. **Section 7** also requires the Executive Director to review any application for a grant or a loan from the Catalyst Fund that requests more than $100,000. **Section 9** of this bill abolishes the Interagency Committee for Coordinating Tourism and Economic Development and the Advisory Council on Economic Development.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 231 of NRS is hereby amended by adding thereto a new section to read as follows:

321.007 1. Except as otherwise provided in subsection 5, NRS 322.063, 322.065 or 322.075, ***or section 1 or 3 of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for land that is sold or leased pursuant to an agreement entered into pursuant to NRS 277.080 to 277.170, inclusive, when offering any land for sale or lease, the State Land Registrar shall:

(a) Except as otherwise provided in this paragraph, obtain two independent appraisals of the land before selling or leasing it. If the Interim Finance Committee grants its approval after discussion of the fair market value of the land, one independent appraisal of the land is sufficient before selling or leasing it. The appraisal or appraisals, as applicable, must have been prepared not more than 6 months before the date on which the land is offered for sale or lease.

(b) Notwithstanding the provisions of chapter 333 of NRS, select the one independent appraiser or two independent appraisers, as applicable, from the list of appraisers established pursuant to subsection 2.

(c) Verify the qualifications of each appraiser selected pursuant to paragraph (b). The determination of the State Land Registrar as to the qualifications of an appraiser is conclusive.

3. An appraiser chosen pursuant to subsection 1 must provide a disclosure statement which includes, without limitation, all sources of income of the appraiser that may constitute a conflict of interest and any relationship of the appraiser with the owner of the land or the owner of an adjoining property.

4. An appraiser shall not perform an appraisal on any land offered for sale or lease by the State Land Registrar if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property.

5. If a lease of land is for residential property and the term of the lease is 1 year or less, the State Land Registrar shall obtain an analysis of the market value of similar rental properties prepared by a licensed real estate broker or salesperson when offering such a property for lease.

6. If land is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the land is void if the change takes place within 5 years after the date of the void sale or lease.

Sec. 2. NRS 321.335 is hereby amended to read as follows:

321.335 1. Except as otherwise provided in NRS 321.125, 322.063, 322.065 or 322.075, ***or section 1 or 3 of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral

offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.

4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a newspaper published in this State having a general circulation in the county where the land is situated.

5. The notice must contain:

(a) A description of the land to be sold or leased;

(b) A statement of the terms of sale or lease;

(c) A statement that the land will be sold pursuant to subsection 6; and

(d) The place where the sealed bids will be accepted, the first and last days on which the sealed bids will be accepted, and the time when and place where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:

(a) Contrary to the public interest.

(b) For a lesser amount than is reasonable for the land involved.

(c) On lands which it may be more beneficial for the State to reserve.

(d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.

8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.330.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must, as applicable, obtain a new appraisal or new appraisals of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property.

(a) Except as otherwise provided in this paragraph, obtain two independent appraisals of the land before selling or leasing it. If the Interim Finance Committee grants its approval after discussion of the fair market value of the land, one independent appraisal of the land is sufficient before selling or leasing it. The appraisal or appraisals, as applicable, must have been prepared not more than 6 months before the date on which the land is offered for sale or lease.

(b) Notwithstanding the provisions of chapter 333 of NRS, select the one independent appraiser or two independent appraisers, as applicable, from the list of appraisers established pursuant to subsection 2.

(c) Verify the qualifications of each appraiser selected pursuant to paragraph (b). The determination of the State Land Registrar as to the qualifications of an appraiser is conclusive.

2. The State Land Registrar shall adopt regulations for the procedures for creating or amending a list of appraisers qualified to conduct appraisals of land offered for sale or lease by the State Land Registrar. The list must:

(b) Be organized at random and rotated from time to time.

3. An appraiser chosen pursuant to subsection 1 must provide a disclosure statement which includes, without limitation, all sources of income of the appraiser that may constitute a conflict of interest and any relationship of the appraiser with the owner of the land or the owner of an adjoining property.

4. An appraiser shall not perform an appraisal on any land offered for sale or lease by the State Land Registrar if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property.

5. If a lease of land is for residential property and the term of the lease is 1 year or less, the State Land Registrar shall obtain an analysis of the market value of similar rental properties prepared by a licensed real estate broker or salesperson when offering such a property for lease.

6. If land is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the land is void if the change takes place within 5 years after the date of the void sale or lease.

Sec. 2. NRS 321.335 is hereby amended to read as follows:

321.335 1. Except as otherwise provided in NRS 321.125, 322.063, 322.065 or 322.075, ***or section 3 of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set

apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.

4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a newspaper published in this State having a general circulation in the county where the land is situated.

5. The notice must contain:

(a) A description of the land to be sold or leased;

(b) A statement of the terms of sale or lease;

(c) A statement that the land will be sold pursuant to subsection 6; and

(d) The place where the sealed bids will be accepted, the first and last days on which the sealed bids will be accepted, and the time when and place where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:

(a) Contrary to the public interest.

(b) For a lesser amount than is reasonable for the land involved.

(c) On lands which it may be more beneficial for the State to reserve.

(d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.

8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.330.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must, as applicable, obtain a new appraisal or new appraisals of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property.

The following amendment was proposed by the Committee on Education:

Amendment No. 262.

AN ACT relating to education; **creating the Task Force on Reading Proficiency within the Department of Education;** requiring ~~[schools]~~ **school districts and charter schools to administer the assessments**

prescribed by the Task Force to identify pupils enrolled in kindergarten or grade 1, 2 or 3 who ~~[do]~~ **have** not ~~[achieve]~~ **achieved** proficiency in reading; **requiring the development of an academic plan for a pupil who has not achieved proficiency in reading;** requiring school districts and charter schools to develop certain programs which are designed to improve the proficiency in reading of certain pupils; requiring certain pupils to enroll in such a program; prohibiting the promotion of ~~[certain pupils]~~ **a pupil** to grade 4 **~~[; requiring school districts to prescribe intensive instructional services in reading for certain pupils;]~~ if the pupil has not achieved proficiency in reading unless the pupil is granted a good-cause exemption;** making various other changes relating to the advancement of certain pupils to higher grade levels; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 4.5 of this bill creates the Task Force on Reading Proficiency within the Department of Education and prescribes the membership of the Task Force. Section 4.7 of this bill prescribes the duties of the Task Force, including prescribing an assessment for administration to pupils enrolled in kindergarten and grades 1, 2 and 3 to determine proficiency in reading and to prescribe certain other requirements relating to proficiency in reading.

Section 5 of this bill provides that: (1) commencing with the 2013-2014 school year, if a pupil enrolled in kindergarten or grade 1 does not achieve proficiency in reading based upon the assessment prescribed by the Task Force, the parent or legal guardian of the pupil must be given written notice of that fact; (2) commencing with the 2014-2015 school year, written notice must be provided to the parent or legal guardian of such a pupil enrolled in grade 2; and (3) commencing with the 2015-2016 school year, written notice must be provided to the parent or legal guardian of such a pupil enrolled in grade 3. Section 5.5 of this bill requires that an academic plan be developed for those pupils who have not achieved proficiency in reading and section 5.7 of this bill prescribes the requirements for the development of the academic plan.

Under existing law, a pupil may be retained in the same grade rather than promoted to the next higher grade for the succeeding school year upon joint agreement by the teacher and the principal. (NRS 392.125) Existing law also exempts the governing body of a charter school from the requirements governing promotion to the next higher grade and instead requires the governing body to adopt its own rules for the academic retention of the pupils enrolled in the charter school. (NRS 386.583)

~~[Section]~~ **Commencing with the 2015-2016 school year, section 7** of this bill prohibits a pupil enrolled in grade 3 from being promoted to grade 4

unless the pupil obtains the score prescribed by the ~~[Teachers and Leaders Council of Nevada in the subject area of reading on the criterion-referenced examination.]~~ **Task Force on Reading Proficiency on the assessment prescribed by the Task Force.** **Section 3** of this bill imposes a related prohibition on the promotion of pupils enrolled in grade 3 for pupils enrolled in charter schools. **Section 7** also sets forth certain good-cause exemptions pursuant to which certain pupils who do not ~~[receive]~~ **obtain** the prescribed score on the ~~[criterion-referenced examination in reading]~~ **assessment** may be promoted to grade 4.

~~— [Section 8 of this bill requires the principal of the school to provide notice to the parent or legal guardian of a pupil if the pupil will be retained in grade 3. Section 8 also requires the principal to ensure such pupils are provided with intensive instructional services in reading, as prescribed by the board of trustees of the school district.~~

~~— Section 5 of this bill requires the principal of a public school to provide notice to the parent or legal guardian of a pupil enrolled in kindergarten or grade 1, 2 or 3 who does not achieve proficiency in reading at the pupil's grade level. Section 5 also requires the principal to provide certain intensive instructional services in reading for such pupils.]~~ **Section 6** of this bill requires the board of trustees of each school district and the governing body of each charter school to develop a program which is offered during the summer **[,]** or between sessions ~~[if the]~~ **of** school ~~[operates on a year-round calendar,]~~ and which is designed to improve the proficiency in reading of pupils who have completed grade 2 or 3 and have not achieved proficiency in reading. **Section 6** also requires a pupil who has completed grade 2 or 3 and who does not achieve proficiency in reading to ~~[be enrolled]~~ **enroll** in the program.

Section 9.5 of this bill requires the board of trustees of each school district to adopt a procedure for the parent or legal guardian of a pupil to appeal a decision: (1) to retain the pupil in grade 3 pursuant to section 7; (2) whether to grant a good-cause exemption for the pupil to be promoted to grade 4 pursuant to section 7; and (3) to promote the pupil to any grade level if the parent or legal guardian wishes for the pupil to be retained. Section 3 requires the governing body of the charter school that enrolls pupils in grade 3 to adopt a similar appeal process for a decision to retain a pupil or whether to grant a good-cause exemption and all charter schools to adopt an appeal process on a decision to promote a pupil at any grade level.

Assembly Bill No. 184.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 390.

AN ACT relating to constructional defects; revising the definition of "constructional defect"; providing that a claimant may not recover attorney's fees as damages; requiring an attorney to obtain an affidavit from a claimant and file the affidavit with the court under certain circumstances; revising the statutes of repose regarding actions for damages resulting from certain deficiencies in construction; **making an appropriation for a study;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill amends the existing definition of "constructional defect" to provide that a constructional defect is a defect: (1) which presents an unreasonable risk of injury to a person or property; or (2) which violates the law, unless the workmanship exceeds the standards set forth in any applicable codes and ordinances, which causes physical damages and which is not completed in a good and workmanlike manner.

Existing law authorizes a claimant to recover reasonable attorney's fees for a claim for a constructional defect in certain circumstances. (NRS 40.655) **Section 2** of this bill removes this provision. Existing law also requires an attorney for a claimant to notify the claimant in writing of certain provisions of law relating to constructional defects before the attorney takes any action on a claim for a constructional defect. (NRS 40.688) **Section 3** of this bill revises this requirement and instead provides that an attorney must obtain from a claimant a signed affidavit stating that the claimant has been notified of certain provisions relating to constructional defects. If the claimant is a representative of a homeowners' association, **section 3** requires that the affidavit also attest that the claimant has notified the units' owners on whose behalf the claim is brought of the provisions of this section. **Section 3** also provides that in a subsequent action, the attorney must file the affidavit with the court or the action will be dismissed.

Existing law generally limits the period in which an action for damages caused by a deficiency in construction of improvements to real property may be commenced after substantial completion of the improvement, unless the deficiency is a result of willful misconduct or was fraudulently concealed. (NRS 11.202-11.205) These periods of limitation are known as statutes of repose, and the period set forth in each statute of repose during which an

action must be commenced after substantial completion of the improvement depends on the particular type of deficiency in construction. **Section 4** of this bill reduces the period in the existing statute of repose for a known deficiency in construction from 10 years after substantial completion of the improvement to 3 years. **Section 5** of this bill reduces the period in the existing statute of repose for a latent deficiency from 8 years after substantial completion of the improvement to 4 years. **Section 6** of this bill reduces the period in the existing statute of repose for a patent deficiency from 6 years after substantial completion of the improvement to 3 years.

Sections 4-6 also eliminate the existing provisions that allow such actions to be commenced within 2 years after the date of an injury which occurs during the final year of the particular period of limitation. **Section 7** of this bill provides that the revised statutes of repose set forth in **sections 4-6** apply retroactively under certain circumstances. **Section 7** also establishes a 1-year grace period during which a person may commence an action pursuant to NRS 11.203, 11.204 or 11.205 if the action accrued before October 1, 2013.

This bill also makes an appropriation for a study of the impact of the current laws of the State of Nevada on the arbitration, mediation and litigation of actions for damages resulting from deficiencies in construction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 265.

AN ACT relating to education; requiring ~~[the sponsor of a charter school to develop]~~ **that** a performance framework for ~~[the]~~ **a** charter school ~~[and incorporate that performance framework]~~ **be incorporated** into the charter contract; **revising provisions governing applications for authorization to sponsor charter schools by the board of trustees of a school district or a college or university within the Nevada System of Higher Education;** revising the procedure for reviewing an application to form a charter school; setting forth requirements for the execution and renewal of charter contracts; setting forth the grounds for termination of a charter contract; revising provisions relating to the enrollment of pupils in charter schools; **requiring the Department of Education to adopt regulations for the comprehensive**

review of sponsors of charter schools approved by the Department and for the revocation of the authorization to sponsor charter schools; making various other changes relating to charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the formation and operation of charter schools. (NRS 386.490-386.610) **Section 3** of this bill requires ~~[the sponsor of a charter school to develop]~~ **that** a written performance framework for ~~[the]~~ **a** charter school ~~[which includes]~~ **be incorporated into the charter contract executed by the sponsor and the governing body of the charter school pursuant to section 8 of this bill. The performance framework must include** performance indicators, measures and metrics for: (1) the academic achievement and proficiency of pupils enrolled in the charter school and ~~[addressing]~~ disparities in achievement among those pupils; (2) the attendance rate of pupils enrolled in the charter school and the percentage of pupils who reenroll from year-to-year; (3) the financial condition and sustainability of the charter school; (4) the performance of the governing body of the charter school; and (5) if the charter school enrolls pupils at the high school grade level, the rate of graduation of those pupils. ~~[Section 3 further requires that the performance framework be incorporated into the charter contract executed by the sponsor and the governing body of the charter school pursuant to section 8 of this bill.]~~

Existing law prescribes the circumstances under which the sponsor of a charter school is authorized to revoke the charter of a charter school. (NRS 386.535) Section 3.5 of this bill requires the sponsor of a charter school to terminate the charter contract of the charter school if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as determined by the Department of Education pursuant to the statewide system of accountability for public schools. The procedures in existing law setting forth notice and timelines for the termination of a charter contract do not apply to termination on these grounds. Section 3.5 also provides that a rating of a charter school before July 1, 2013, pursuant to the statewide system of accountability, must not be included in the count of consecutive annual ratings for the purposes of determining whether termination is required.

Existing law authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.515) Section 5 of this bill clarifies that, similar to the board of trustees of a school district, a college or university is required to submit an application to the Department to sponsor charter schools. Under existing law, the Department is also

required to adopt regulations prescribing the process for submission of an application by the board of trustees of a school district for authorization to sponsor charter schools. (NRS 386.540) Section 12 of this bill makes a college or university within the Nevada System of Higher Education subject to those regulations and requires the Department to adopt additional regulations prescribing: (1) the process and timeline for the review of an application for authorization to sponsor charter schools; (2) the process for the Department to conduct a comprehensive review of sponsors of charter schools approved by the Department at least once every 3 years; and (3) the process for the Department to continue or revoke the authorization of a board of trustees or a college or university to sponsor charter schools.

Existing law sets forth the process for review of an application to form a charter school by the proposed sponsor of the charter school. (NRS 386.525) **Section 7** of this bill requires the proposed sponsor to assemble a team of reviewers and to conduct a thorough evaluation of the application, including an in-person interview with the committee to form the charter school. Existing law further provides that a proposed sponsor may approve an application to form a charter school if the application is complete and complies with the applicable statutes and regulations. **Section 7** also requires that to approve an application, the proposed sponsor must determine that the applicant has demonstrated competence which will likely result in a successful opening and operation of the charter school.

Under existing law, if an application to form a charter school is approved by the proposed sponsor of the charter school, the charter school is issued a written charter for a term of 6 years. (NRS 386.527) **Section 8** removes the requirement for the issuance of a written charter and instead requires the proposed sponsor of the charter school and the governing body of the charter school to execute a charter contract for a term of 6 years.

Existing law sets forth the procedures for renewal and revocation of written charters. (NRS 386.530, 386.535) **Section 9** of this bill removes the written charter and instead prescribes the procedure for renewal of a charter contract, which includes a requirement that the sponsor provide the charter school with a written report summarizing the charter school's performance during the term of the charter contract. **Section 10** of this bill prescribes the grounds for termination of a charter contract, which includes the ground that the charter school has persistently underperformed, as measured by the performance framework developed for the charter school.

Existing law provides that a charter school dedicated to providing educational programs and opportunities to pupils who are at risk may enroll a child who is the child of a full-time employee of the charter school before enrolling pupils who are otherwise eligible for enrollment. **Section 17** of this

bill removes the provision that such a charter school must serve at-risk pupils and instead authorizes any charter school to, before enrolling children who are otherwise eligible for enrollment, enroll a child if the child is the child of: (1) an employee of the charter school; (2) a member of the committee to form the charter school; or (3) a member of the governing body of the charter school.

Section 19 of this bill revises requirements for the annual report that the sponsor of a charter school is required to provide to the Department of Education by including a summary evaluating the performance of the charter school, as measured by the performance framework, and by removing the requirement that the sponsor of the charter school include a description of the administrative support and services provided by the sponsor. (NRS 386.610)

2. The Department shall, within the limits of money available for use in the Account, make loans to charter schools whose applications have been approved. If the Department makes a loan from the Account, the Department shall ensure that the contract for the loan includes all terms and conditions for repayment of the loan.

3. The State Board:

(a) Shall adopt regulations that prescribe the:

(1) Annual deadline for submission of an application to the Department by a charter school that desires to receive a loan from the Account; and

(2) Period for repayment and the rate of interest for loans made from the Account.

Sec. 17. NRS 386.580 is hereby amended to read as follows:

386.580 1. An application for enrollment in a charter school may be submitted to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise provided in this subsection and subsection 2, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district located in a county whose population is 100,000 or more, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. Except as otherwise provided in subsection 2, if more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

2. Before a charter school enrolls pupils who are eligible for enrollment, a charter school **[**~~that is dedicated to providing educational programs and opportunities to pupils who are at risk~~**]** may enroll a child who:

(a) Is a sibling of a pupil who is currently enrolled in the charter school;

(b) Was enrolled, ***free of charge and*** on the basis of a lottery system, in a prekindergarten program at the charter school or any other early childhood educational program affiliated with the charter school;

(c) Is a child of a person ~~[employed in a full-time position]~~ ***who is:***

(1) Employed by the charter school;

(2) A member of the committee to form the charter school; or

(3) A member of the governing body of the charter school;

(d) Is in a particular category of at-risk pupils and the child meets the eligibility for enrollment prescribed by the charter school for that particular category; or

(e) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

➥ If more pupils described in this subsection who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

3. Except as otherwise provided in subsection 8, a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:

(a) Race;

(b) Gender;

(c) Religion;

(d) Ethnicity; or

(e) Disability,

➥ of a pupil.

4. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

5. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at

his or her school or homeschool or participate in an extracurricular activity at the charter school if:

(a) Space for the child in the class or extracurricular activity is available;

(b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity; and

(c) The child is a homeschooled child and a notice of intent of a homeschooled child to participate in programs and activities is filed for the child with the school district in which the child resides for the current school year pursuant to NRS 392.705.

➥ If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

6. The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection 5 if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations. If the governing body so revokes its approval, neither the governing body nor the charter school is liable for any damages relating to the denial of services to the child.

7. The governing body of a charter school may, before authorizing a homeschooled child to participate in a class or extracurricular activity pursuant to subsection 5, require proof of the identity of the child, including, without limitation, the birth certificate of the child or other documentation sufficient to establish the identity of the child.

8. This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:

(a) With disabilities;

(b) Who pose such severe disciplinary problems that they warrant a specific educational program, including, without limitation, a charter school specifically designed to serve a single gender that emphasizes personal responsibility and rehabilitation; or

(c) Who are at risk.

➥ If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

Sec. 18. NRS 386.595 is hereby amended to read as follows:

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.

4. Except as otherwise provided in this subsection, if the ~~[~~written~~]~~ charter ***contract*** of a charter school is ~~[~~revoked~~]~~ ***terminated*** or if a charter school ceases to operate as a charter school, the licensed employees of the charter school must be reassigned to employment within the school district in accordance with the applicable collective bargaining agreement. A school district is not required to reassign a licensed employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to accept employment at the charter school pursuant to subsection 5;

(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 5; or

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which a licensed employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a

comparable teaching position or resign from the position for which the employee's leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee's return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

7. If a school district conducts an investigation pursuant to subsection 6:

(a) The licensed employee is not entitled to return to employment with the school district until the investigation is complete; and

(b) The investigation must be conducted within a reasonable time.

8. A licensed employee who is on a leave of absence from a school district pursuant to this section:

(a) Shall contribute to and be eligible for all benefits for which the employee would otherwise be entitled, including, without limitation, participation in the Public Employees' Retirement System and accrual of time for the purposes of leave and retirement.

(b) Continues, while the employee is on leave, to be covered by the collective bargaining agreement of the school district only with respect to any matter relating to his or her status or employment with the district.

➥ The time during which such an employee is on a leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

9. Upon the return of a teacher to employment in the school district, the teacher is entitled to the same level of retirement, salary and any other benefits to which the teacher would otherwise be entitled if the teacher had not taken a leave of absence to teach in a charter school.

10. An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which the employee would be eligible for employment in a public school, including, without limitation, participation in the Public Employees' Retirement System.

11. For all employees of a charter school:

(a) The compensation that a teacher or other school employee would have received if he or she were employed by the school district must be used to determine the appropriate levels of contribution required of the employee and employer for purposes of the Public Employees' Retirement System.

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

12. If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

(a) Ensure that the premiums for that insurance are paid to the board of trustees; and

(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

Amendment No. 395.

SUMMARY—Revises provisions relating to juveniles. (BDR ~~[3-51)]~~ **5-51)**

AN ACT relating to juveniles; ~~[revising the definition of an act of]~~ **providing for certain prosecutorial discretion regarding a child taken into custody for a battery constituting** domestic violence ~~[as it relates to a person who is less than 18 years of age;]~~ **or any other battery offense;** establishing a maximum period of time for which a juvenile court may order an adult who has been placed on probation by the juvenile court or released on parole to be placed in county jail for a violation of probation or parole; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that certain unlawful acts constitute domestic violence when committed against certain specified persons. (NRS 33.018) ~~[Section 1 of this bill provides that a person who is less than 18 years of age does not commit an act constituting domestic violence unless he or she commits~~

~~certain unlawful acts against or upon: (1) his or her spouse; (2) any other person with whom he or she has had or is having a dating relationship; (3) any other person with whom he or she has a child in common; (4) his or her minor child or the minor child of any of those other persons; or (5) any other person specified in existing law relating to domestic violence if it is established by clear and convincing evidence that the person committing the act engaged in a pattern of abusive behavior toward the other person for the purpose of establishing or maintaining power and control over the other person.]~~ **In addition, existing law provides that if a person is charged with committing a battery that constitutes domestic violence, a prosecuting attorney has limited discretion and may not negotiate any plea agreement for a different or lesser charge unless the domestic violence charge is not supported by probable cause or cannot be proved at the time of trial. (NRS 200.485)**

Section 2 of this bill specifies that when a child is taken into custody for a battery that constitutes domestic violence or any other battery offense, the prosecuting attorney has greater discretion in determining the charge and in negotiating any plea agreement for a different or lesser charge based on certain factors, including: (1) the nature and type of relationship between the child and victim; (2) the nature and severity of the alleged offense; and (3) whether the child engaged in a pattern of abusive behavior toward the victim to establish or maintain power and control over the victim.

Existing law provides that a juvenile court may order a child who is less than 18 years of age to be placed in a facility for the detention of children for not more than 30 days for the violation of probation. Under existing law, if a person who is at least 18 years of age but less than 21 years of age is subject to the jurisdiction of the juvenile court because he or she has been placed on probation by the juvenile court or released on parole from a juvenile detention facility, the juvenile court may order the person to be placed in county jail for the violation of probation or parole. (NRS 62E.710) **Section** ~~[2]~~ **3** of this bill limits to 30 days the period for which the juvenile court may order such a person to be placed in county jail.

Legislative Counsel's Digest:

Existing federal law ~~[requires each local educational agency to have in effect, for each child with a disability in the agency's jurisdiction,]~~ **prescribes certain requirements for the education of pupils with disabilities pursuant to the Individuals with Disabilities Education Act, including** an individual education program **for each pupil with a disability** developed by an individualized education program team composed of certain persons. (20 U.S.C. § 1414) **Section 1** of this bill requires an individualized education program team to consider certain factors when developing an individualized education program for a pupil with a hearing impairment. Additionally, **section 1** authorizes the team to consider certain factors when determining the ~~[optimal]~~ **best feasible** instruction for a pupil with a hearing impairment.

Existing law requires the State Board of Education to prescribe minimum standards for programs of instruction or special services for he purpose of serving pupils with disabilities. (NRS 388.520) Section 3 of this bill provides that the minimum standards **prescribed by the State Board** for the special education of pupils with hearing impairments ~~[prescribed by the State Board of Education]~~ must provide: (1) that a pupil with a hearing impairment cannot be denied the opportunity for instruction in a particular communication mode, for example, American Sign Language, **solely** because the communication mode originally chosen for the pupil is different from a communication mode recommended by the pupil's individualized education program team; and (2) that, to the extent feasible, **as determined by the board of trustees of the school district,** a school is required to provide instruction to such pupils in more than one communication mode.

The Individuals with Disabilities Education Act requires each state to submit annually to the United States Secretary of Education data relating to the number and percentage of children with disabilities who are receiving special education and services in the state. (20 U.S.C. § 1418) Section 3 of this bill requires the Department to post the information that is submitted to the Secretary on the Internet website maintained by the Department within 30 days after submission to the Secretary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff ~~*[of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ or ~~*[the]*~~ constable ~~*[of the township in which the dwelling, apartment, mobile home, recreational*~~

~~*vehicle or commercial premises are located]*~~ for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff ~~*[of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ or ~~*[the]*~~ constable ~~*[of the township in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff ~~*[of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ or ~~*[the]*~~ constable of the <u>county</u> ~~*[township in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ to remove the tenant within 24 hours after receipt of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff ~~*[of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ or constable of the county ~~*[township in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the

landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff , ~~*[of the county in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located, the*~~ constable ~~*of the township in which the dwelling, apartment, mobile home, recreational vehicle or commercial premises are located]*~~ or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

The notice must advise the person that:~~

The affidavit must contain:~~

~~(b) A statement that the person is using the storage space as a residence.~~

~~(c) The date and time the person was served with written notice to cease using the storage space as a residence.~~

~~(d) A statement that the person has not ceased using the facility as a residence within 24 hours after receiving the notice.~~

Upon receipt of such an affidavit the justice of the peace shall issue an order directing the sheriff *of the county in which the facility is located* or *the* constable of the [county] *township in which the facility is located* to remove the person within 24 hours after receipt of the order. The sheriff or constable shall not remove the person's personal property from the facility.~~

~~4. For the purposes of this section:~~

~~(a) "Facility" means real property divided into individual storage spaces. The term does not include a garage or storage area in a private residence.~~

~~(b) "Storage space" means a space used for storing personal property, which is rented or leased to an individual occupant who has access to the space.~~] **(Deleted by amendment.)**

SUMMARY—Creates the Nevada Land Management ~~[Implementation Committee]~~ **Task Force** to conduct a study addressing the transfer of certain public lands in this State. (BDR S-594)

AN ACT relating to public lands; creating the Nevada Land Management ~~[Implementation Committee]~~ **Task Force** to conduct a study addressing the transfer of public lands in Nevada from the Federal Government to the State of Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill creates the Nevada Land Management ~~[Implementation Committee,]~~ **Task Force,** consisting of a representative from each county in this State appointed by the board of county commissioners, to conduct a

study during the 2013-2014 legislative interim to address the transfer of public lands in Nevada from the Federal Government to the State of Nevada, in contemplation of Congress turning over the management and control of those public lands to the State of Nevada on or before June 30, 2015. The ~~[Committee]~~ **Task Force** is required to submit a report of its findings and recommendations to the ~~[78th Session of the Nevada Legislature]~~ **Legislative Committee on Public Lands** on or before ~~[February 1, 2015. This Committee]~~ **September 1, 2014. The Task Force** is similar to an interim commission that is being recommended for creation in the State of Utah to study issues relating to the transfer of public lands in Utah from the Federal Government to the State of Utah. (House Bill No. 148, 2012 Utah Laws, ch. 353, § 5)

WHEREAS, Unlike the eastern states that received dominion over their lands upon joining the Union, the western states have been placed in an inferior position as a result of the Federal Government withholding a significant portion of land from those states as a condition of admission to the Union; and

WHEREAS, According to the Congressional Research Service, as of 2010, the Federal Government manages and controls approximately 640 million acres, or about 28 percent of the 2.27 billion acres, of land in the United States; and

WHEREAS, The highest concentration of land managed and controlled by the Federal Government is in Alaska (61.8 percent) and the 11 coterminous western states, namely Arizona (42.3 percent), California (47.7 percent), Colorado (36.2 percent), Idaho (61.7 percent), Montana (28.9 percent), Nevada (81.1 percent), New Mexico (34.7 percent), Oregon (53.0 percent), Utah (66.5 percent), Washington (28.5 percent) and Wyoming (48.2 percent); and

WHEREAS, In contrast, the Federal Government only manages and controls 4 percent of the land in the states east of those western states; and

WHEREAS, The state with the highest percentage of lands within its boundaries that is managed and controlled by the Federal Government is Nevada, with over 80 percent of its lands being managed and controlled by various federal agencies, including the Bureau of Land Management, the National Park Service, the United States Forest Service, the United States Fish and Wildlife Service and the Department of Energy; and

WHEREAS, Increased control by the State of Nevada over the public lands within its borders would benefit the residents of Nevada significantly by allowing the State to balance the economic, recreational and other critical interests of its residents, with special emphasis on the multiple uses that are allowed presently on the public lands; and

WHEREAS, In March 2012, legislation was enacted in the State of Utah that, among other things, requires the Federal Government to turn over management and control of the public lands in Utah to the State of Utah and requires the study of various issues that may arise during such a transfer; and

WHEREAS, Other western states are considering the enactment of similar laws and momentum is building towards the Federal Government turning over management and control of certain public lands to the western states; and

WHEREAS, In light of the magnitude of federal management and control of public lands in Nevada, a study by the State of Nevada, in contemplation of Congress turning over the management and control of public lands in Nevada to the State of Nevada on or before June 30, 2015, would assist in ensuring that the transfer proceeds in a timely and orderly manner; now therefore

SUMMARY—~~[Revises provisions relating to certain criminal offenses involving vehicles.]~~ **Creates a statutory subcommittee of the Advisory Commission on the Administration of Justice** (BDR ~~[43-616)]~~ **14-616)**

AN ACT relating to ~~[vehicles; providing that violations of certain traffic laws and ordinances must be treated as civil matters; providing that violations of certain laws relating to drivers' licenses, the registration of motor vehicles and insurance on motor vehicles must be treated as civil matters; establishing procedures for the imposition of civil penalties for~~

~~violations of certain traffic laws and certain laws relating to vehicles;~~] **the criminal justice system; creating a statutory subcommittee of the Advisory Commission on the Administration of Justice; revising the duties of the Advisory Commission to include the evaluation of certain laws related to traffic laws and certain laws relating to motor vehicles;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides that a violation of any traffic law or ordinance is a misdemeanor, unless a different penalty is prescribed by a different statute. (NRS 484A.900) Existing law further provides that a county or an incorporated city may enact ordinances imposing civil penalties for violations of certain ordinances enacted by the county or incorporated city. (NRS 244.3575, 268.019) Sections 12-23 and 39 of this bill enact provisions based on Arizona law to provide for the imposition of civil penalties rather than criminal penalties for violations of certain traffic laws and ordinances. Under sections 19 and 39: (1) the maximum civil penalty that may be imposed for a violation of a traffic law or ordinance punishable by a civil penalty is $250, unless a different amount is specified by statute; and (2) the judgment imposing the civil penalty must include the administrative assessments currently imposed for violations of traffic laws and ordinances.~~

~~Existing law provides that any violation of state law regarding drivers' licenses or the registration of motor vehicles is a misdemeanor, unless a statute specifies a different penalty. (NRS 482.555, 483.620) Sections 1-4, 9 and 10 of this bill enact provisions based on Arizona law to provide that a person who: (1) operates, or knowingly permits the operation of, a motor vehicle in this State without current registration and license plates is subject to a civil penalty rather than the penalty for a misdemeanor; (2) fails to register his or her motor vehicle in this State within a certain period after becoming a resident of this State is subject to a civil penalty in the same amount as the criminal fine provided under existing law; or (3) does not obtain a driver's license in this State within a certain period after becoming a resident or drives a motor vehicle in this State without being the holder of a valid driver's license is subject to a civil penalty of not more than $250 rather than the penalty for a misdemeanor, except that a person who drives a motor vehicle in this State when the person is disqualified from driving is guilty of a misdemeanor.~~

~~Existing law provides that a person commits a misdemeanor if he or she: (1) operates a motor vehicle registered or required to be registered in this State without having insurance; (2) operates or knowingly permits the operation of the motor vehicle without evidence of insurance in the vehicle; or (3) fails or refuses to surrender, upon demand, to a peace officer or an authorized representative of the Department of Motor Vehicles the evidence~~

~~of insurance. (NRS 485.187) Section 37 of this bill enacts provisions based on Arizona law to provide that a person who commits these violations is subject to a civil penalty in the same amount as the criminal fine imposed under current law.~~

~~Existing law provides that it is unlawful for a person to violate a written promise to appear given to a peace officer upon the issuance of a traffic citation and that a warrant may issue upon a violation of a written promise to appear. (NRS 484A.670) Sections 18, 25 and 27 of this bill provide that a person who violates a written promise to appear given upon the issuance of a citation for a violation that is punishable by a civil penalty must have a judgment for the civil penalty entered against him or her and that a warrant must be issued for the failure to appear. Sections 7 and 22 of this bill provide for the suspension of the driver's license of a person who fails to pay a civil penalty within the time prescribed by law.~~

~~Sections 5, 6 and 8 of this bill provide that, for the purposes of maintaining a person's driving record, the imposition of a civil penalty for a traffic violation is treated the same as a conviction for a traffic offense under existing law.~~

~~Sections 25, 26, 31 and 33-36 of this bill maintain the designation of certain traffic offenses as misdemeanors. Section 32 of this bill provides that a person who commits certain civil traffic violations in a road construction zone is subject to an additional civil penalty.~~

~~Sections 40-42 of this bill enact provisions to govern the jurisdiction and disposition of civil violations committed by juveniles.~~]

Section 1 of this bill creates the Subcommittee on Criminal and Civil Violations of Traffic Laws of the Advisory Commission on the Administration of Justice. Section 1 also: (1) requires the Chair of the Advisory Commission to appoint the members of the Subcommittee; (2) requires the Subcommittee to study issues related to certain traffic laws and laws relating to drivers' licenses and to the registration of and insurance for motor vehicles, and the treatment of violations of such laws as criminal offenses or civil infractions; and (3) sets forth the salaries and per diem that members of the Subcommittee may receive.

Existing law directs the Advisory Commission to study certain elements of this State's criminal justice system. Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 287.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 551.

AN ACT relating to mental health; authorizing the involuntary court-ordered admission of certain persons with mental illness to programs of community-based or outpatient services under certain circumstances; requiring a peace officer to take into custody and deliver a person to ~~[such a program]~~ **the appropriate location for an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services** in certain circumstances; removing the provision which generally requires a person and his or her responsible relatives to pay for certain costs relating to the person's involuntary admission to such a program; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the process for initiating a petition for the involuntary court-ordered admission to a mental health facility of a person who is alleged to have a mental illness. Additionally, existing law specifies that if a court finds that a person has a mental illness and is likely to harm himself or herself or others if not treated, the court must place the person in the most appropriate course of treatment. (NRS 433A.115-433A.330) This bill authorizes the court to order the involuntary admission of such a person to a program of community-based or outpatient services if such a program is an appropriate course of treatment for that person.

Section 3 of this bill requires that: (1) a plan of treatment be developed by persons who are qualified in the field of psychiatric mental health, in consultation with the person who will receive the treatment; (2) the plan contain certain information relating to the course of treatment; and (3) the developers of the plan submit the plan to the court in writing.

Section 4 of this bill authorizes under certain circumstances both the conditional release of a person involuntarily admitted to a program of community-based or outpatient services and the revocation of such release, and **section 19** of this bill authorizes the unconditional release of such a person under certain circumstances.

Section 13 of this bill sets forth the requirements for participation in a program of community-based or outpatient services, including that: (1) the

person who is admitted to the program must be 18 years of age or older and have a history of noncompliance with treatment for mental illness; and (2) the court must approve the written plan of treatment which has been developed for the person and submitted to the court.

Section 18 of this bill sets forth the process by which a professional responsible for providing or coordinating a program of community-based or outpatient services may petition the court to order a peace officer to take into custody and deliver a person who is involuntarily admitted to the program to the **appropriate** location for ~~[the program]~~ **an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services** if the person fails to participate in the program or otherwise fails to carry out the written plan of treatment developed for the person and submitted to the court.

Section 23 of this bill removes the provision which generally requires a person and his or her responsible relatives to pay for the actual cost of the treatment and services rendered during the person's involuntary admission to a division facility.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 433A of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***"Program of community-based or outpatient services" means care, treatment and training provided to persons with mental illness, including, without limitation:***

1. A program or service for the treatment of abuse of alcohol;

2. A program or service for the treatment of abuse of drugs;

3. A program of general education or vocational training;

4. A program or service that assists in the dispensing or monitoring of medication;

5. A program or service that provides counseling or therapy;

6. A service which provides screening tests to detect the presence of alcohol or drugs;

7. A program of supervised living; or

8. Any combination of programs and services for persons with mental illness.

➥ The term does not include care, treatment and training provided to residents of a mental health facility.

Sec. 3. ***If a court determines pursuant to NRS 433A.310 that a person should be involuntarily admitted to a program of community-based or outpatient services, the court shall promptly cause two or more persons professionally qualified in the field of psychiatric mental health, which***

may include the person who filed the petition for involuntary court-ordered admission pursuant to NRS 433A.200 if he or she is so qualified, in consultation with the person to be involuntarily admitted, to develop and submit to the court a written plan prescribing a course of treatment and enumerating the program of community-based or outpatient services for the person. The plan must include, without limitation:

1. A description of the types of services in which the person will participate;

2. The medications, if any, which the person must take and the manner in which those medications will be administered;

3. The name of the person professionally qualified in the field of psychiatric mental health who is responsible for providing or coordinating the program of community-based or outpatient services; and

4. Any other requirements which the court deems necessary.

Sec. 4. ***1. Except as otherwise provided in subsection 3, any person involuntarily admitted to a program of community-based or outpatient services may be conditionally released from the program when, in the judgment of the professional responsible for providing or coordinating the program of community-based or outpatient services, the conditional release is in the best interest of the person and will not be detrimental to the public welfare. The professional responsible for providing or coordinating the program of community-based or outpatient services shall prescribe the period for which the conditional release is effective. The period must not extend beyond the last day of the court-ordered period of admission to a program of community-based or outpatient services pursuant to NRS 433A.310.***

2. When a person is conditionally released pursuant to subsection 1, the State of Nevada , [and] the agents and employees of the State or a mental health facility, the professionals responsible for providing or coordinating programs of community-based or outpatient services and any other professionals providing mental health services are not liable for any debts or contractual obligations incurred, medical or otherwise, or damages caused by the actions of the person who is released.

3. A person who is involuntarily admitted to a program of community-based or outpatient services may be conditionally released only if, at the time of the release, written notice is given to the court which ordered the person to participate in the program and to the district attorney of the county in which the proceedings for admission were held.

4. Except as otherwise provided in subsection 6, the professional responsible for providing or coordinating the program of community-based or outpatient services shall order a person who is conditionally released pursuant to subsection 1 to resume participation in the program if the

professional determines that the conditional release is no longer appropriate because that person presents a clear and present danger of harm to himself or herself or others. Except as otherwise provided in this subsection, the professional responsible for providing or coordinating the program of community-based or outpatient services shall, at least 3 days before the issuance of the order to resume participation, give written notice of the order to the court that admitted the person to the program. If an emergency exists in which the person presents an imminent threat of danger of harm to himself or herself or others, the order must be submitted to the court not later than 1 business day after the order is issued.

5. The court shall review an order submitted pursuant to subsection 4 and the current condition of the person who was ordered to resume participation in a program of community-based or outpatient services at the next regularly scheduled hearing for the review of petitions for involuntary admissions, but in no event later than 5 judicial days after participation in the program is resumed. The professional responsible for providing or coordinating the program of community-based or outpatient services to the person who was ordered to resume participation in the program shall give written notice to that person and to his or her attorney, if the person is represented by legal counsel, of the time, date and place of the hearing and of the facts necessitating that the person resume participation in the program.

6. The provisions of subsection 4 do not apply if the period of conditional release has expired.

The following amendment was proposed by the Committee on Education:

Amendment No. 267.

ASSEMBLYMEN FLORES, DONDERO LOOP~~,[;]~~ **KIRNER**; AND ELLIOT ANDERSON

SUMMARY—~~[Removes the high school proficiency examination and provides for the administration of a standardized, curriculum-based achievement college entrance examination.]~~ **Revises provisions governing graduation from high school.** (BDR 34-524)

AN ACT relating to education; requiring the ~~[Superintendent of Public Instruction]~~ **State Board of Education** to select a ~~[standardized, curriculum-based achievement college entrance examination]~~ **college and career readiness assessment** for administration to pupils enrolled in grade 11 in public high schools; revising the requirements to receive a standard high school diploma ~~[;]~~ **by requiring pupils enrolled in grades 9 and 10 to pass end-of-course examinations for the courses of study prescribed by the State Board; eliminating the option for the issuance of a certificate of attendance indicating a pupil attended high school but did not satisfy the requirements for a standard high school diploma;** eliminating the high school proficiency examination; repealing provisions relating to the high school proficiency examination; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the State Board of Education to prescribe the high school proficiency examination, which must include the subjects of reading, mathematics and science. Existing law also requires the State Board, in consultation with the Council to Establish Academic Standards for Public Schools, to prescribe a writing examination for the high school proficiency examination. Existing law further requires the board of trustees of each school district and the governing body of a charter school that enrolls pupils at the high school grade levels to administer the high school proficiency examination in all public high schools.]~~ **Existing law requires the administration of examinations based upon the State's academic standards to pupils enrolled in grades 3 through 8 and requires pupils to pass the high school proficiency examination to receive a standard high school diploma.** (NRS 389.015, 389.550) **Section 43** of this bill eliminates the high school proficiency examination ~~. [, and section]~~ **Section 19** of this bill ~~[instead]~~ requires the ~~[Superintendent of Public Instruction]~~ **State Board of Education** to select a ~~[standardized, curriculum-based achievement college entrance examination]~~ **college and career readiness assessment** for administration to pupils enrolled in grade 11 in public high schools ~~[.]~~

commencing with the 2014-2015 school year. Section 19 further requires a pupil enrolled in grade 11 to take the assessment to receive a standard high school diploma, but prohibits the use of the results of the assessment in determining the pupil's eligibility for such a diploma.

Existing law prescribes ~~[a standard high school diploma and an adjusted diploma and provides that to receive a standard high school diploma, a pupil must satisfy]~~ the requirements for ~~[graduation from high school and either pass the high school proficiency examination in its entirety or satisfy certain alternative criteria if the student fails to pass certain subject areas of the examination.]~~ **a standard high school diploma, including passage of the high school proficiency examination.** (NRS 389.805) **Section 33** of this bill eliminates ~~[these existing provisions]~~ **the requirement of passage of the high school proficiency examination** and instead requires the State Board to prescribe the criteria for receipt of a standard high school diploma, which must include the requirement that**, commencing with the 2014-2015 school year,** a pupil ~~[successfully]~~ **enrolled in grade 9 or 10** pass an **end-of-course** examination**. ~~[upon completion of a course of study.]~~ Section 33** also requires the State Board to ~~[prescribe]~~ **adopt** the courses of study in which ~~[a pupil]~~ **pupils enrolled in grades 9 and 10** must ~~[successfully]~~ pass such an examination, which must include, without limitation, the subject areas for which the State Board has adopted the common core standards.

Under existing law, a pupil who does not pass the high school proficiency examination may be issued a certificate of attendance in lieu of a diploma if he or she is 18 years of age. (NRS 389.015) Section 33 of this bill prohibits the issuance to a pupil of a certificate of attendance or any other document indicating that the pupil attended high school but did not satisfy the requirements for a standard high school diploma.

As a transition from the administration of the high school proficiency examination to the administration of end-of-course examinations, sections 44-44.7 of this bill require the State Board of Education to prescribe the requirements which a pupil enrolled in grade 10, 11 or 12 in the 2013-2014 school year who has not passed the high school proficiency examination and is required to pass the examination to receive a standard high school diploma must satisfy to receive a standard high school diploma. Such requirements may include the continuation of the administration of the high school proficiency examination to those pupils.

The remaining sections of this bill make conforming changes relating to the elimination of the high school proficiency examination.
