MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, June 2, 2013

To the Honorable the Assembly:

It is my pleasure to inform your esteemed body that the Senate on this day passed Assembly Bill No. 224.

Also, it is my pleasure to inform your esteemed body that the Senate on this day adopted the reports of the Conference Committees concerning Senate Bills Nos. 185, 364, 410, 425; Senate Joint Resolution No. 9.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

GENERAL FILE AND THIRD READING

Assembly Bill No. 367.
Bill read third time.
Remarks by Assemblyman Daly.

ASSEMBLYMAN DALY:

Assembly Bill 367, as amended, prohibits a controlling party from entering into an indemnification agreement with or seeking indemnification from a design professional, subcontractor, supplier, or other service provider for a development project with regard to a construction defects claim, except as otherwise provided under the provisions of the *Nevada Revised Statutes* that relate to actions resulting from the constructional defect.

Assembly Bill 367, as amended, also allows a controlling party to enter into an indemnification agreement with a design professional, subcontractor, supplier, or other service provider for a development project with regard to a construction defects claim to the extent that the underlying injury or damage is due to negligent or otherwise wrongful act or omission, including without limitation, breach of a specific contractual duty of the promisor or the promisor's independent contractors, agents, employees, or delegates.

Assembly Bill 367, as amended, declares that any such indemnification clause and any clause requiring a person to add another person as an additional insured in an insurance policy with the intent of making any person responsible for the actions of another is against public policy, void, and unenforceable.

Additionally, Assembly Bill 367, as amended, defines a "constructional defect" to include violations that adversely impact the structural integrity or safety of the residence, and appurtenance or the real property to which the residence or appurtenance is affixed or materially affect the fair market value of the residence, an appurtenance, or the real property to which the residence or appurtenance is affixed. Assembly Bill 367, as amended, becomes effective October 1, 2013, and applies to any claim for which a notice to a contractor of a construction defect is filed on or after October 1, 2013.

Assembly Bill 367 is a construction defect bill that we hope is not related to any other issues and various things; it's just about the policy. It does change the indemnification provisions so that subcontractors that didn't have anything to do with the lawsuit or the issues are not roped into the lawsuit by contract. It also tries to narrow the definition of a construction defect to get rid of some of the smaller "ticky-tack" things, if you will. Additionally, the bill is prospective only; it will only apply to contracts that are executed after the date that it goes into effect. It applies to residential construction only. It doesn't get into the commercial building. With that, I urge everyone's support.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 24.

The following Senate amendment was read:

Amendment No. 874.

AN ACT relating to motor vehicles; providing for the limited issuance of special license plates to commemorate the 150th anniversary of Nevada's admission into the Union; imposing a fee for the issuance or renewal of such license plates; revising provisions relating to the number of characters required to be contained on a license plate; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill provides for the issuance of a special license plate to commemorate the 150th anniversary of Nevada's admission into the Union. Existing law provides that the regular fees for the initial issuance and renewal of a special license plate are $35 and $10, respectively, exclusive of any additional fees which may be added to generate funds for a particular cause. (NRS 482.265) Unlike the fees set forth in existing law, the fee set forth in this bill for the initial issuance of a special license plate to commemorate the 150th anniversary (sesquicentennial) of Nevada's admission into the Union is $7.50 and there is no basic charge for the renewal of the special license plates, other than the fee that is required to be distributed to the Nevada

Cultural Affairs Foundation. Existing law also requires $35 of the fee received by the Department of Motor Vehicles for the initial issuance of a special license plate, exclusive of any additional fees which may be added to generate funds for a particular cause, to be deposited in the State Highway Fund for credit to the Revolving Account for the Issuance of Special License Plates. (NRS 482.1805) This bill requires the Department to deposit the $7.50 received for the initial issuance of the sesquicentennial license plate with the State Treasurer for credit to that Revolving Account. This bill also requires that an annual report concerning the revenues received and expenditures made in connection with the issuance of the commemorative license plates be submitted to the Director of the Legislative Counsel Bureau, and provides that in no event may the commemorative license plates be issued by the Department after October 31, 2016. **For a person who is a Legislator of this State, this bill allows the commemorative license plates to be combined with special legislative license plates issued to the Legislator pursuant to NRS 482.374.**

This bill also provides that the additional fees collected for the issuance of the plate must be deposited in the State General Fund. The State Treasurer is required to distribute those additional fees, on a quarterly basis, to the Nevada Cultural Affairs Foundation. This bill exempts these special license plates from: (1) the provisions that require a minimum number of applications for the plates; (2) the requirement that the Commission on Special License Plates approve or disapprove the plates; and (3) the limit on the number of separate designs of special license plates that may be issued by the Department at any one time.

Section 5 of this bill deletes the requirement that a redesign of license plates ordered by the Director of the Department: (1) be in colors that are predominately blue and silver; and (2) contain letters and numbers that are of the same size. **Sections 6 and 11-19** of this bill delete the requirement that a license plate contain a certain finite number of characters and provide instead that the Director will determine the number of characters to be contained on each license plate.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

(b) Within 30 days after removing the commemorative license plates from the vehicle, return them to the Department.

8. The Director shall determine and, by public proclamation, announce the last date on which the Department will issue the commemorative license plates. 2. Notwithstanding any other provision of law to the contrary, the Department shall not, at any one time, issue more than 30 separate designs of special license plates. Whenever the total number of separate designs of special license plates issued by the Department at any one time is less than 30, the Department shall issue a number of additional designs of special license plates that have been authorized by an act of the Legislature or the application for which has been approved by the Commission on Special License Plates pursuant to subsection 5 of NRS 482.367004, not to exceed a total of 30 designs issued by the Department at any one time. Such additional designs must be issued by the Department in accordance with the chronological order of their authorization or approval.

3. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. The Department shall not determine the total number of validly registered motor vehicles to which a particular design of special license plate is affixed if:

(b) If the special license plate does not generate financial support for a cause or charitable organization, to an entity which is involved in promoting the activity, place or other matter that is depicted on the plate.

6. If, on December 31 of the same year in which notice was provided pursuant to subsections 4 and 5, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(b) In the case of special license plates authorized directly by the Legislature which are described in paragraph (b) of subsection 1, less than the number of applications required to be received by the Department for the initial issuance of those plates,

➥ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue that particular design of special license plate. Such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

Sec. 10. NRS 482.36705 is hereby amended to read as follows:

482.36705 1. Except as otherwise provided in subsection 2:

(a) If a new special license plate is authorized by an act of the Legislature after January 1, 2003, other than a special license plate that is authorized pursuant to NRS 482.379375, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Department receives at least 1,000 applications for the issuance of that plate within 2 years after the effective date of the act of the Legislature that authorized the plate.

(b) In addition to the requirements set forth in paragraph (a), if a new special license plate is authorized by an act of the Legislature after July 1, 2005, the Legislature will direct that the license plate not be issued by the Department unless its issuance complies with subsection 2 of NRS 482.367008.

(c) In addition to the requirements set forth in paragraphs (a) and (b), if a new special license plate is authorized by an act of the Legislature after January 1, 2007, the Legislature will direct that the license plate not be

Assembly Bill No. 145.

The following Senate amendment was read:

Amendment No. 932.

AN ACT relating to transportation; authorizing certain officials in each county responsible for the maintenance and repair of certain roads to establish a Complete Streets program for retrofitting certain roads to improve access to those roads by all users; allowing a person who is registering or

renewing the registration of a vehicle at a kiosk or via the Internet to make a voluntary contribution at that time to the Complete Streets program in his or her county; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the board of county highway commissioners is authorized to construct, repair and maintain public highways and roads within the county. (NRS 403.090) Existing law also provides that a county may, by ordinance, create a regional transportation commission if a streets and highways plan has been adopted by the county or regional planning commission. (NRS 277A.170) **Section 5** of this bill allows a regional transportation commission to adopt a policy for a Complete Streets program, which means a program for the retrofitting of streets or highways under the jurisdiction of the commission for the primary purpose of adding or significantly repairing facilities that provide street or highway access considering all users, including, without limitation, pedestrians, bicycle riders, persons with a disability, persons who use public transportation and motorists. **Section 4.8** of this bill allows the board of county commissioners, in a county whose population is 100,000 or more (currently Clark and Washoe Counties) and in which a regional transportation commission does not exist, to adopt a Complete Streets program. **Section 9** of this bill allows the board of county highway commissioners, in a county whose population is less than 100,000 and in which a regional transportation commission does not exist, to adopt a Complete Streets program.

Sections 2 and 3 of this bill require the Department of Motor Vehicles to include on each application for vehicle registration or renewal of registration that is completed at a kiosk or via the Internet notice of a **nonrefundable and** voluntary $2 contribution to be made to the Complete Streets program in the county where the vehicle is to be registered ~~[unless]~~ **if** the person registering the vehicle or renewing the registration indicates on that application that he or she wishes to opt ~~[out of]~~ **in to** making the contribution. **Section 1** of this bill requires the Department of Motor Vehicles to distribute monthly the money collected from the voluntary contributions to the transportation officials in the respective counties. **Section 1 also authorizes the Department to retain 1 percent of the money collected as reimbursement for the costs of collecting and distributing the money.**

Sections 4.8, 5 and 9 require that a board of county commissioners, regional transportation commission or a board of county highway commissioners which receives money from the Department of Motor Vehicles for a Complete Streets program use that money only for projects that are a part of such a program.

Section 16.5 of this bill requires the Director of the Department of Motor Vehicles to determine when sufficient resources are available for the Department to carry out the provisions of this bill, and to provide notice of that fact. **Section 17** of this bill provides that this bill becomes effective: (1) upon passage and approval, for the purpose of adopting regulations and performing other preparatory administrative tasks; and (2) for all other purposes, upon the earlier of October 1, 2015, or the date on which the Director provides notice that sufficient resources are available for the Department to carry out the provisions of this bill.

The following Senate amendment was read:

Amendment No. 916.

AN ACT relating to business; revising provisions governing the state business portal; revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts; requiring certain persons who are not required to obtain a state business license to obtain a certificate of exemption from the Secretary of State; requiring the Secretary of State to issue unique business identification numbers under certain circumstances; revising provisions governing the issuance of certain licenses by incorporated cities and counties; **removing the prohibition against a county clerk refusing to accept for filing certain business certificates in certain circumstances;** revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment, Training and Rehabilitation; **repealing certain provisions;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) **Section 1** of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. **Section 1** further requires state and local agencies and health districts to: (1) integrate their electronic application processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; and (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal. **However, section 1 also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or**

federal law relating to the confidentiality of the information. Under **section 9** of this bill: (1) a state or local agency or health district is required to accept common business registration information via the state business portal on or before January 1, 2014, unless the State Board of Examiners extends that deadline; and (2) a state or local agency or health district which believes it cannot comply with certain requirements relating to the state business portal must, with the assistance of the Secretary of State, submit to the State Board of Examiners and the Legislative Commission, on or before July 1, 2014, a written explanation setting forth: (1) the reasons that it cannot timely comply with the requirements; and (2) a timeline for integration into the state business portal.

Under existing law, certain persons are excluded from the definition of "business" for the purposes of state business licenses and, thus, are not required to obtain a state business license. (NRS 76.020) **Section 2** of this bill requires these persons to obtain annually from the Secretary of State a certificate of exemption from the requirement to obtain a state business license. Under **section 2**, a person required to obtain a certificate of exemption must post the certificate conspicuously at his or her establishment or place of business and is subject to a penalty of not more than $50 if the person fails to do so. **Section 3** of this bill provides that a person required to obtain a state business license must post the state business license conspicuously at his or her establishment or place of business and is subject to a penalty of not more than $50 if the person fails to do so.

Section 4 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person issued a state business license or a certificate of exemption from the requirement to obtain a state business license. Under **section 1**: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require applicants for such a license, certificate, registration or permit to include the business identification number on the application. **Sections 2 and 3** require that a state business license or certificate of exemption include the business identification number assigned to the holder of the license or certificate.

Sections 5 and 6 of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is provided through the state business portal. **Section ~~[7]~~ 7.3** of this bill ~~[provides that the affidavit required by existing law to obtain a local business license to sell certain retail merchandise must include a statement that the~~

~~applicant has a current state business license, or a certificate of exemption from the requirements for a state business license, and the applicant's business identification number.~~] **removes the provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. Section 7.5** of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal. **Section 8 of this bill repeals certain provisions relating to: (1) the coordination of the collection of certain information and forms from businesses by state agencies and local governments; and (2) the affidavit required to be filed by an applicant who wishes to obtain a local business license to sell certain retail merchandise.**

Assemblywoman Benitez-Thompson moved that the Assembly do not concur in the Senate Amendment No. 916 to Assembly Bill No. 139.

Remarks by Assemblywoman Benitez-Thompson.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 153.

The following Senate amendment was read:

Amendment No. 934.

AN ACT relating to alcoholic beverages; providing for the licensing and operation of craft distilleries in this State; setting forth the conditions under which spirits manufactured at such craft distilleries may be sold; **removing the limitation on the number of barrels of malt beverages that an operator of one or more brew pubs may manufacture in any calendar year; requiring certain notice to be provided for bulk sales of liquor;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the operation of brew pubs and instructional wine-making facilities. (NRS 597.230, 597.245) Under existing law, facilities such as brew pubs and instructional wine-making facilities must be licensed, a fee is imposed for the license, and a person who engages in business in this State without having the appropriate permit or license for the business is guilty of a misdemeanor. (NRS 360.490, 369.180, 369.300) **Sections 1 , 2-4 and ~~[2-8]~~ 6-8** of this bill: (1) authorize the operation of craft distilleries in Nevada; (2) set forth the permissible scope of operation for those craft distilleries; (3) require that the craft distilleries be licensed; and (4) impose a licensing fee of $75.

Existing law prohibits a supplier of malt beverages, distilled spirits and wines from unilaterally terminating or refusing to continue a franchise with a

wholesaler or causing a wholesaler to resign from a franchise without first establishing good cause. (NRS 597.160) **Section 1.5** of this bill revises an exception to that provision so that suppliers who sell less than 2,000 rather than 2,500 barrels of malt beverage in any calendar year are excluded from that requirement.

Existing law prohibits a person who operates one or more brew pubs in a county whose population is 700,000 or more (currently Clark County) from manufacturing more than 15,000 barrels of malt beverages for all the brew pubs the person operates in that county in any calendar year. Additionally, a person who operates one or more brew pubs in a county whose population is less than 700,000 (currently all counties other than Clark County) is prohibited from manufacturing more than 5,000 barrels of malt beverages for all the brew pubs the person operates in that county in any calendar year. (NRS 597.230) Section 4.5 of this bill provides that a person who operates one or more brew pubs in any county is prohibited from manufacturing more than 15,000 barrels of malt beverages for all the brew pubs the person operates in any calendar year.

Section 5.5 of this bill requires a retailer of intoxicating liquors to provide certain advance notice to certain wholesalers of a bulk sale or transfer of liquor which is not in the ordinary course of the retailer's business.

Assemblyman Bobzien moved that the Assembly concur in the Senate Amendment No. 934 to Assembly Bill No. 153.

Remarks by Assemblyman Bobzien.

ASSEMBLYMAN BOBZIEN:

Current law provides that in counties with a population over 700,000, a brew pub may not manufacture more than 15,000 barrels of malt beverages for a facility, and in counties under 700,000, that maximum figure is 5,000. This amendment makes it 15,000 barrels statewide. The shackles are off, Madam Speaker. For that we are grateful, especially in Washoe County.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 226.

The following Senate amendment was read:

Amendment No. 928.

AN ACT relating to insurance; requiring an insurer to request certain information from its insureds, annuity holders and retained asset account holders; requiring an insurer to perform a comparison of the insurer's life insurance policies, annuities, benefit contracts and retained asset accounts against the Death Master File from the Social Security Administration or other approved database; requiring an insurer to perform certain actions if a comparison with the Death Master File results in a match with an insured, annuity holder or retained asset account holder; requiring an insurer to notify the State Treasurer of certain unclaimed benefits which revert by escheat to the State and to transfer the unclaimed benefit to the State Treasurer; authorizing the Commissioner of Insurance to issue certain orders relating to certain duties of an insurer; providing that certain violations may constitute an unfair trade practice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the business of conducting insurance in this State. (Title 57 of NRS) Existing law further regulates the duties of insurers who issue policies of life insurance and annuities in this State. (Chapter 688A of NRS) This bill sets forth new provisions concerning establishing the identity and death of an insured or beneficiary and the payment of death benefits under a policy of life insurance, annuity or retained asset account.

Sections 2.5-6 of this bill define the terms "benefit contract," "Death Master File," "insured," "policy of life insurance" and "retained asset account" for the purposes of this bill. **Section 7** of this bill requires an insurer, on or before the effective date of a life insurance policy, annuity or benefit contract or on or before the date a retained asset account is established, to request from its insureds, annuity contract holders and retained asset account holders sufficient information to ensure that all benefits are distributed to the correct person upon the death of the insured, annuity holder or retained asset account holder. With certain exceptions, **section 8** of this bill requires an insurer, at least semiannually, to perform a comparison of the names on the Death Master File from the Social Security Administration with its insureds' life insurance policies, annuities, benefit contracts and retained asset accounts to identify potential matches. If an insurer identifies a potential match through a search of the Death Master File, **section 8** requires an insurer to: (1) make a reasonable effort to confirm the death of the insured, annuity holder or retained asset account holder; and (2) determine whether death benefits are due in accordance with the applicable policy or contract. If benefits are due, **section 8** also requires an insurer to: (1) make a reasonable effort to locate each beneficiary; **and** (2) provide each beneficiary with the appropriate claim forms and instructions that detail the procedure for making a claim**.** ~~**[**; and (3) process any claims received~~

~~accordingly.]~~ **Section 9.3** of this bill requires an insurer to notify the State Treasurer upon the reversion by escheat of a benefit under a policy of life insurance or an annuity and transfer to the State Treasurer the unclaimed benefit as soon as practicable after providing notice. **Section 9.5** of this bill authorizes the Commissioner of Insurance to issue certain orders modifying the duties of an insurer under the provisions of this bill. **Section 9.7** provides that the failure of an insurer to comply with the provisions of this bill may constitute an unfair trade practice.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. Each insurer shall implement reasonable procedures to account for common variations in data that may otherwise preclude an exact match with the Death Master File.

(a) Make a reasonable effort to confirm the death of the insured against any other available records and information;

CARSON CITY (Monday), June 3, 2013

Assembly called to order at 9:43 a.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Bruce Henderson.

Lord,

For many years in these sessions, I prayed with the Psalmist, "How long, O'Lord, how long?" Well, they say that today is it! Are we really almost done? That being so, Father, we owe You lots of thanks.

I thank You for these people who have spent these four months serving You by serving the people of Nevada. But we thank You, too, for these precious servants behind the front desk, and all those behind the scenes who have done the paperwork, leg work, tech, maintenance, cleaning, feeding, and protecting.

Without all, none of this could have happened. Thank You, Lord! May we always be people who serve.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 964.

AN ACT relating to taxation; authorizing the Office of Economic Development to approve and issue a certificate of transferable tax credits to a producer that produces a qualified film or other production in this State under certain circumstances; providing for the calculation of the transferable tax credits; requiring the Office to provide notice of certain hearings; requiring a producer to return any portion of transferable tax credits to which he or she is not entitled; authorizing the governing body of a city or county to grant abatements of certain permitting and licensing fees imposed or charged by the city or county; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 8 of this bill authorizes a producer that produces a film, television or other media production in this State to apply, on or before December 31, 2017, to the Office of Economic Development for a certificate of transferable tax credits. **Section 8** requires the Office to approve transferable tax credits for such a producer if, in addition to certain other requirements: (1) the production is in the economic interest of this State; (2) at least 60 percent of the total qualified expenditures and production costs for the production will be incurred in this State; and (3) the production costs of the qualified production exceed $500,000. Upon approval of transferable tax credits and a determination of the amount of tax credits by the Office, **section 8** requires the Office to issue to the producer a certificate of transferable tax credits. **Section 8** also sets forth the fees and taxes to which the transferable tax credits may be applied. Additionally, **section 8** requires that, at the completion of the qualified production, the producer provide the Office with an audit of the qualified production that is certified by an independent certified public accountant in this State who is approved by the Office. **Section 9** of this bill sets forth the types of qualified expenditures and production costs that may serve as a basis for transferable tax credits, and **sections 10-12** of this bill provide for the calculation of the transferable tax credits. **Section 12** prohibits the Office from approving any applications for transferable tax credits received on or after January 1, 2018. **Section 14** of this bill requires the Office to meet certain notice requirements before holding a hearing to approve or disapprove an application for

transferable tax credits. **Section 16** of this bill requires a producer to repay any portion of transferable tax credits to which the producer is not entitled if the producer becomes ineligible for the tax credits after receiving the tax credits.

Section 15.5 of this bill authorizes the governing body of a city or county to grant to the producer of a qualified production an abatement of all or any percentage of the amount of certain permitting fees and licensing fees imposed by the city or county if the governing body provides by ordinance for a pilot project for the abatement of such fees.

Section 19 of this bill provides that this bill expires on June 30, 2023.

Assembly Bill No. 273.

Bill read third time.

Remarks by Assemblyman Eisen.

ASSEMBLYMAN EISEN:

Assembly Bill 273 requires the trustee of a deed of trust to provide certain information, including the notice for the Foreclosure Mediation Program, to the borrower, both with and separately from the notice of default, before exercising the power of sale on owner-occupied housing. This bill also revises the notice informing the borrower that he or she will be enrolled in mediation unless the borrower waives mediation or fails to pay his or her share of the mediation fee. If the borrower elects to not waive mediation and pays for his or her share of the mediation fee, the trustee may not exercise the power of sale until the mediation is complete. The measure also prohibits a homeowners' association from foreclosing by sale the association's lien on owner-occupied housing for which the lender has recorded a notice of default and the

trustee has not notified the administrator that no mediation is required or that mediation has been completed. Finally, the bill makes a $100 appropriation from the State General Fund to the Account for Foreclosure Mediation.

This bill is intended to streamline the process through the Foreclosure Mediation Program by setting timelines for the completion of the various steps. It also automatically enrolls an owner of owner-occupied housing in the Foreclosure Mediation Program upon the service of notice of default. If after 90 days the homeowners have not paid their share of the mediation fee, then mediation is not required, and the lender may proceed with foreclosure of the lien by sale. There has been a lot of work that has gone into this bill trying to make sure we are fair to all parties involved, and I urge its passage.

The Board of Regents of the University of Nevada is authorized to create a similar system for academic staff and employees.

The bill provides a uniform interest rate applicable to debts assigned by state agencies to the Controller for collection. It also prohibits certain licensing agencies from renewing licenses, certifications, registrations, permits, or other authorizations that grant the authority to engage in certain professions or occupations if: (1) the person owes a debt to a state agency that has been assigned to the State Controller for collection, or (2) the person has not provided required

information to those licensing agencies. These provisions do not apply to professions or occupations regulated by the Department of Motor Vehicles, the Division of Insurance, the Commissioner of Insurance, or local governments.

ASSEMBLYWOMAN FIORE:

Senate Bill 328 requires the Executive Officer of the State Board for Career and Technical Education to appoint a person to oversee career and technical education programs in the public schools of this state.

The measure also requires that before allocating any state money to provide leadership and training activities, 30 percent of the state money must be awarded as competitive grants to school districts and charter schools, and 5 percent of the state money must be distributed to certain pupil organizations for career and technical education. Following these distributions, the Board may authorize no more than 7.5 percent of the state funds appropriated in any one fiscal year to be used to provide leadership and training activities, with the balance of state funding being allocated as grants. The bill also sets forth criteria to be used in awarding these grants. The Board may request that the industry sector councils appointed by the Governor's Workforce Investment Board name a representative from each council to review and make recommendations to the Executive Officer concerning career and technical grant applications.

Finally, the bill provides for an evaluation of the effectiveness of the programs and requires that the results of the review be reported to the Board.

Remarks by Assemblymen Martin and Hickey.

ASSEMBLYMAN MARTIN:

Senate Bill 374 provides for the registration by the Health Division of the Department of Health and Human Services of three types of medical marijuana establishments: cultivation facilities, facilities for the production of edible products, and dispensaries.

The measure requires revenues generated from fees to be used to support the costs of the Division in implementing the bill, including certification of an independent testing laboratory.

Any excess revenues must be paid to the State Treasurer for credit to the State Distributive School Account. The measure also imposes a 2 percent excise tax on retail and wholesale sales, three-quarters of which is directed to the State Distributive School Account and one-quarter to defray program costs.

The measure authorizes the Division to issue not more than 40 registration certificates for dispensaries in a county whose population is 700,000 or more, currently Clark County; 10 in a county whose population is 100,000 or more but less than 700,000, currently Washoe County; 2 in a county whose population is 55,000 or more but less than 100,000, currently Carson City; and 1 in each other county.

The measure provides for the security and oversight of an establishment and for the immediate revocation of a registration certificate under certain circumstances. Finally, S.B. 374 requires the Advisory Commission on the Administration of Justice to appoint a subcommittee on the medical use of marijuana, which must include legislative and non-legislative members, to evaluate and review various issues concerning the use and dispensation of marijuana for medical purposes.

It is truly an honor to carry the floor statement on this bill. I have seen how medical marijuana has touched many people's lives in the course of my professional occupation advising people, and I urge its passage.

ASSEMBLYMAN HICKEY:

I rise in opposition to Senate Bill 374. For those of you that know me, you know I am not a cynical person—I really am not, and I accept reality. I rather suspect that this is going to pass. I will agree with the proponents of this that there are economic benefits, and a lot of what I have been hearing, and probably members of this body who have been lobbied on it are hearing, is just that. But unfortunately to me, one of the economic benefits is going to be that unscrupulous doctors and physicians are going to find a new clientele, and we are also going to have a number of willing participants in that, many of them young, who will take advantage of this bill. For that, I am going to vote against it, and for some other reasons. But I hope we can do it right, and I think the dispensaries, the way they are set up, are a model. I acknowledge that and I acknowledge that there will be financial gains from this, but I worry terribly, as someone from that generation, and have contemporaries who have taken advantage of legislation like this in California and other places for alleged chronic problems that don't exist. So I'm sorry; I don't mean to sound cynical, but I am going to vote against this. But I congratulate those who got it passed, if it does.

ASSEMBLYWOMAN CARLTON:
I rise in support in support of Senate Bill 516. The bill, as amended, revises and expands the procedures and licensing requirements of wholesale dealers, nonparticipating manufacturers, and the Office of the Attorney General related to the statutory enforcement of the tobacco Master Settlement Agreement. Specifically, Senate Bill 516, as amended, requires the Department of Taxation to notify wholesale dealers when a manufacturer or brand of cigarettes is added to or removed from the directory of cigarette manufacturers and stipulates that a wholesale dealer shall not purchase cigarettes for resale from a manufacturer not listed in the directory.

It also expands the provisions governing the importation of cigarettes and provides that an importer is jointly and severely liable for certain escrow deposits. It also authorizes the state to enter into an agreement with an Indian tribe to enforce and administer provisions related to the licensing, taxing, and manufacturing of tobacco products, and it defines qualified tribal land and requires that each cigarette package sold on qualified tribal land bear a tribal stamp issued by the Department of Taxation. It also authorizes the state to release to an Indian tribe, pursuant to a compact with that tribe, not more than 50 percent of the amounts deposited in a qualified escrow fund in accordance with the MSA—the Master Settlement Agreement—for cigarettes sold on or after January 1, 2015, from a retailer on the qualified tribal land for the purposes of public safety and social services. It also authorizes the Department of Taxation to temporarily suspend or permanently revoke a license of a wholesale dealer if the dealer fails to file or inaccurately files its monthly report to the Department of Taxation or fails to pay certain taxes or cure certain liabilities; sells unauthorized cigarettes; or imports or exports any unauthorized cigarettes.

Sections 17, 31, 33, and 34 of Senate Bill 516, as amended, become effective on January 1, 2014. The remaining sections of Senate Bill 516, as amended, become effective July 1, 2013. Yes, this is a very important bill for us to get these issues settled. That's why I thought it was appropriate to read the whole floor statement and make sure everybody understands where we're going with this.

GENERAL FILE AND THIRD READING

Senate Bill No. 522.

Bill read third time.

Remarks by Assemblymen Carlton, Wheeler, and Hickey.

ASSEMBLYWOMAN CARLTON:

This is our "education first" bill. Senate Bill 522 appropriates $1.135 billion in the first year and $1.11 billion in the second year of the 2013-15 biennium from the State General Fund to the Distributive School Account. In addition, there are $282.8 million and $294.2 million of other revenues authorized to be received and expended for the state support of public education in Fiscal Year 2014 and Fiscal Year 2015, respectively. These other revenues include an annual excise tax on slot machines, sales tax collected on out of state sales, interest earned on the Permanent School Fund, revenue from mineral leases on federal land, and room tax revenues from the legislatively approved 2009 Initiative Petition 1.

The statewide average basic support per pupil increases over the upcoming biennium from the $5,374 in the current year to $5,590 in Fiscal Year 2014 and $5,676 in Fiscal Year 2015. Enrollment is projected to increase slightly by 0.61 percent, from a weighted enrollment of 429,718 pupils in Fiscal Year 2013 to 432,346 pupils in Fiscal Year 2014, and increase by 0.39 percent to 434,023 pupils in Fiscal Year 2015.

State funding for special education continues to be allocated on the basis of special education units. Total funding for the units amounts to $126.9 million for 3,049 units of $41,608 in Fiscal Year 2014 and $130.3 million for 3,049 units of $42,475 in Fiscal Year 2015. As in the past, 40 of those units will be reserved for the State Board of Education to assign to districts that have unexpected needs and to charter schools. There are another two to three pages going through class-size reduction, flexibility for school districts, other educational program accounts, state educational programs, early childhood, and all of the other components that now make up what I believe is one of the best DSA budgets I have seen in my history in this building.

ASSEMBLYMAN WHEELER:

Since we started this session and long before, we've heard of many, many things that are for the children—many taxes, many different ideas. Everything from marijuana to mining is for the

children. Today we will be approving all-day kindergarten for schools that do not have the facilities nor the specially trained teachers that we need for these. For years I have heard that modulars are not the answer, but here in this budget we will be approving modulars. We pay our teachers in some cases what I consider to be a miserable wage, while we pay some of our administrators a very bloated wage. We mandate class size to 25 people, then we give waivers because we actually don't have the facilities to keep it at or below 25 people. I know my vote today will pretty much be a protest vote. What I'd like you to think about over the next 19 months is when we come back here, let's look at some real ways to save the people's money and actually improve our education system. Let's look at something that helps the most important commodity in this state—actually in this world—our children.

ASSEMBLYMAN HICKEY:

I rise in support of Senate Bill 522. This budget—unprecedented, as my colleague previously referred to—represents a commitment that began when the discussion began for this body at the State of the State when we convened here with a commitment from our Governor. It represents spending more on education—almost $500 million more than we did last biennium. I would also say that this added commitment is not just the result of what the Governor laid out, but also this body—and my colleagues from the other side of the aisle have certainly been the most vocal in saying what we need to spend and where the priorities ought to be. While there are always ways when we spend this much money to be concerned if there are accompanying reforms and commitments from all the people involved in this, whether it be teachers, parents, or community, this decision by us to approve this budget represents what the citizens of this state—our businesses, the public, parents, and all of us—have contributed. By putting more into education than we ever have, I think it represents, as Nevadans, that we know what is most important, and I rise in support of that. Like my colleague from Gardnerville said, I do hope we find ways going forward to make this money well spent, but I think it is money that is being spent, and we have done our job for those of us who can support this budget, both Democrats and Republicans, and I'm proud to be among those.

I rise in support of Assembly Bill 521. This is the appropriate time to move this bill. This is the authorizations act. It allows us to fund what we need to fund. The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 970.

AN ACT relating to energy; revising provisions governing the partial abatement of certain property taxes for certain buildings and structures which meet certain energy efficiency standards; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Director of the Office of Energy to grant a partial abatement of certain property taxes for the: (1) construction of a building or other structure that meets certain energy efficiency standards under the Green Building Rating System adopted by the Director; or (2) renovation by certain manufacturers of an existing building or other structure to bring the building or other structure into compliance with such energy efficiency standards. Existing law provides that the Green Building Rating System adopted by the Director must include standards and ratings equivalent to those provided pursuant to the Leadership in Energy and Environmental Design Green Building Rating System. (NRS 701A.100, 701A.110, 701A.115) **Section 1** of this bill provides that the Green Building Rating System adopted by the Director must include standards and ratings equivalent to those provided pursuant to the Leadership in Energy and Environmental Design Green Building Rating System or an equivalent rating system. **Section 1** additionally revises provisions relating to the Green Building Rating System used by the Director to determine the eligibility of a building or other structure for certain tax abatements.

Section 4 of this bill repeals the provisions which authorize partial abatements of property taxes specifically for certain manufacturers who renovate existing buildings. **Section 2** of this bill provides that a partial abatement for a building or other structure that qualifies for the abatement under the Leadership in Energy and Environmental Design "Existing Buildings: Operations and Maintenance" rating system, or an equivalent rating system, must be for a period of not more than 5 years. **Section 2 also** prohibits the Director from granting a partial abatement **unless the application for the partial abatement has been approved or deemed approved by the board of county commissioners. Section 2 further prohibits the Director from granting a partial abatement** for a building or

structure that qualifies under such a rating system in an amount which exceeds $100,000 annually.

Section 3.5 of this bill provides that this bill does not apply to a building or other structure for which a partial abatement has been received or for which an application for a partial abatement has otherwise been submitted pursuant to NRS 701A.110 before the effective date of this act.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701A.100 is hereby amended to read as follows:

701A.100 1. The Director of the Office of Energy shall adopt a Green Building Rating System for the purposes of determining the eligibility of a building or other structure for a tax abatement pursuant to NRS 701A.110 **.** ~~[and 701A.115.]~~

2. The Green Building Rating System must include standards and ratings equivalent to the standards and ratings provided pursuant to the Leadership in Energy and Environmental Design Green Building Rating System ~~[,]~~ ***or an equivalent rating system,*** except that the standards adopted by the Director:

(a) Except as otherwise provided in paragraphs (b) and (c), must not include:

(1) Any standard that has not been included in the Leadership in Energy and Environmental Design Green Building Rating System ***or the equivalent rating system*** for at least 2 years; or

(2) Standards for homes;

(b) Must provide reasonable exceptions based on the size of the area occupied by the building or other structure; and

(c) Must require a building or other structure to obtain:

(1) At least ~~[3]~~ ***5*** points ~~[of]~~ ***in the Optimize Energy Performance*** credit ~~[for energy conservation]~~ ***, or its equivalent,*** to meet the equivalent of the silver level;

(2) At least ~~[5]~~ ***7*** points ~~[of]~~ ***in the Optimize Energy Performance*** credit ~~[for energy conservation]~~ ***, or its equivalent,*** to meet the equivalent of the gold level; and

(3) At least ~~[8]~~ ***11*** points ~~[of]~~ ***in the Optimize Energy Performance*** credit ~~[for energy conservation]~~ ***, or its equivalent,*** to meet the equivalent of the platinum level.

3. As used in this section, "home" means a building or other structure for which the principal use is as a residential dwelling for not more than four families.

Sec. 2. NRS 701A.110 is hereby amended to read as follows:

701A.110 1. Except as otherwise provided in this section, the Director, in consultation with the Office of Economic Development, shall grant a partial abatement from the portion of the taxes imposed pursuant to chapter 361 of NRS, other than any taxes imposed for public education, on a building or other structure that is determined to meet the equivalent of the silver level or higher by an independent contractor authorized to make that determination in accordance with the Green Building Rating System adopted by the Director pursuant to NRS 701A.100, if:

(a) No funding is provided by any governmental entity in this State for the acquisition, design ***,*** ~~[or]~~ construction ***or renovation*** of the building or other structure or for the acquisition of any land therefor. For the purposes of this paragraph:

(1) Private activity bonds must not be considered funding provided by a governmental entity.

(2) The term "private activity bond" has the meaning ascribed to it in 26 U.S.C. § 141.

(b) The owner of the property:

(1) Submits an application for the partial abatement to the Director. If such an application is submitted for a project that has not been completed on the date of that submission and there is a significant change in the scope of the project after that date, the application must be amended to include the change or changes.

(2) Except as otherwise provided in this subparagraph, provides to the Director, within 48 months after applying for the partial abatement, proof that the building or other structure meets the equivalent of the silver level or higher, as determined by an independent contractor authorized to make that determination in accordance with the Green Building Rating System adopted by the Director pursuant to NRS 701A.100. The Director may, for good cause shown, extend the period for providing such proof.

(3) Files a copy of each application and amended application submitted to the Director pursuant to subparagraph (1) with the:

(II) Department of Taxation;

(III) County assessor;

(V) Office of Economic Development;

(VI) Board of county commissioners; and

(VII) City manager and city council, if any.

(c) The abatement is consistent with the State Plan for Economic Development developed by the Executive Director of the Office of Economic Development pursuant to subsection 2 of NRS 231.053.

2. ***The Director shall not approve an application for a partial abatement of the taxes imposed pursuant to chapter 361 of NRS submitted pursuant to this section by the owner of the property unless the application is approved or deemed approved by the board of county commissioners pursuant to this subsection. The board of county commissioners of a county must provide notice to the Director that the board intends to consider an application and, if such notice is given, must approve or deny the application not later than 30 days after the board receives a copy of the application. The board of county commissioners:***

(a) Shall, in considering an application pursuant to this subsection, make a recommendation to the Director regarding the application;

(b) May, in considering an application pursuant to this subsection, deny an application only if the board of county commissioners determines, based on relevant information, that:

(1) The projected cost of the services that the local government is required to provide to the building or other structure for which the abatement is received will exceed the amount of tax revenue that the local government is projected to receive as a result of the abatement; or

(2) The projected financial benefits that will result to the county from any employment resulting from the use of the building or other structure and from capital investments by the owner of the building or other structure in the county will not exceed the projected loss of tax revenue that will result from the abatement; and

(c) May, without regard to whether the board has provided notice to the Director of its intent to consider the application, make a recommendation to the Director regarding the application.

➥ If the board of county commissioners does not approve or deny the application pursuant to this subsection within 30 days after the board receives a copy of the application, the application shall be deemed approved.

3. As soon as practicable after the Director receives the application and proof required by subsection 1, the Director, in consultation with the Office of Economic Development, shall determine whether the building or other structure is eligible for the abatement and, if so, forward a certificate of eligibility for the abatement to the:

(a) Department of Taxation;

(b) County assessor;

(c) County treasurer; and

(d) Office of Economic Development.

~~[3.]~~ ***4.*** The Director may, with the assistance of the Chief of the Budget Division and the Department of Taxation, publish a fiscal note that indicates an estimate of the fiscal impact of the partial abatement on the State and on

each affected local government. If the Director publishes a fiscal note that estimates the fiscal impact of the partial abatement on local government, the Director shall forward a copy of the fiscal note to each affected local government. As soon as practicable after receiving a copy of a certificate of eligibility pursuant to subsection ~~[2,]~~ ***3,*** the Department of Taxation shall forward a copy of the certificate to each affected local government.

Sec. 3. The Legislature hereby finds that each exemption provided by this act from any ad valorem tax on property:

Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 3.5. **The amendatory provisions of this act do not apply to a building or other structure for which an abatement has been received or for which an application for an abatement has otherwise been submitted pursuant to NRS 701A.110 before the effective date of this act.**

701A.115 Partial abatement of certain property taxes for certain buildings or structures which are renovated for use by manufacturer and which meet certain standards under Green Building Rating System; requirements and limitations; regulations.

1. Except as otherwise provided in this section, the Director of the Office of Energy shall grant a partial abatement from the portion of taxes imposed pursuant to chapter 361 of NRS, other than any taxes imposed for public education, on an existing building or other structure which is renovated for use by a manufacturer if:

The regulations must require that:

(a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and

(b) Only the enterprise fund's equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

9. Except as otherwise provided in subsections 10 and 11, if a local government has subsidized its general fund with money from an enterprise fund for the 5 fiscal years immediately preceding the fiscal year beginning on July 1, 2011, the provisions of subsection 1 do not apply until July 1, 2021, to transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund if the local government:

(a) Does not increase the amount of the transfers to subsidize the general fund in any fiscal year beginning on or after July 1, 2011, above the amount transferred in the fiscal year ending on June 30, 2011, except for loans and transfers that comply with the provisions of subsection 1; and

A copy of the plan must be filed with the Department of Taxation on or before July 15, 2012.

11. On and after July 1, 2012, the provisions of subsection 9 do not apply to a local government that fails to comply with the provisions of subsection 10.

Senate Bill No. 406.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 963.

AN ACT relating to tourism improvement districts; prohibiting, with limited exceptions, the pledge of the proceeds of certain taxes to finance a project within a tourism improvement district created or revised on or after July 1, 2013; eliminating the prohibition on certain local governments creating a tourism improvement district that includes any property within the boundaries of a redevelopment area; revising provisions relating to certain reports prepared by the Department of Taxation; prohibiting, with limited exceptions, the financing or reimbursement from the proceeds of certain taxes that are collected from any retail facilities of a retailer that, on or after July 1, 2013, locate within the boundary of a tourism improvement district; making various other changes relating to tourism improvement districts; providing that prevailing wage requirements apply to certain contracts and agreements relating to tourism improvement districts; **revising the duties of a contractor or developer who enters into a subcontract for the construction, improvement, repair, demolition or reconstruction of certain projects;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID) and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) **Section 1** of this bill prohibits, with limited exceptions, a municipality from pledging the proceeds of the Local School Support Tax to finance a project within a TID created or revised on or after July 1, 2013. **Sections 1.5, 2.3, 2.7 and 3.5** of this bill make conforming changes.

Section 1 also eliminates provisions which prohibit a city or county from creating after October 1, 2009, a TID that includes within its boundaries any property included within the boundaries of a redevelopment area. In the case of a TID created after October 1, 2009, that includes within its boundaries any property included within the boundaries of a redevelopment area, **section 1** prohibits a redevelopment agency and the governing body of a county or city from providing financing or reimbursement pursuant to the financing and reimbursement mechanisms of both a TID and a redevelopment area.

Existing law requires the Department of Taxation to prepare and submit to the Legislature and a municipality that creates a TID semiannual reports

regarding businesses within the TID. (NRS 271A.105) **Section 2** of this bill requires the report to provide information separately for each TID within the municipality unless the reporting of information separately for each TID would disclose or result in the disclosure of information about an individual business, in which case **section 2** requires the report to provide information in the aggregate. **Section 2** also provides that the Department of Taxation is not required to prepare and submit a semiannual report if the report cannot be prepared and submitted in a manner which would not disclose or lead to the disclosure of information about an individual business.

Section 3 prohibits any financing or reimbursement from the proceeds of the Local School Support Tax that are collected from retail facilities that, on or after July 1, 2013, locate within the boundary of the TID. **Section 3** further provides an exception to this prohibition if the governing body of the municipality, with respect to any district created before July 1, 2013, obtains an opinion from independent bond counsel stating that the applicability of the provision would impair an existing contract for the sale of bonds that were issued before July 1, 2013.

Section 3 also requires an owner of a project to provide, upon request, to the Department of Taxation information that identifies the retail facilities which open or close within the project.

Section 3.2 of this bill provides that prevailing wage requirements (chapter 338 of NRS) apply to the construction of, improvement of, repair to, demolition of or reconstruction of an improvement to any building that will be leased to a tenant who has entered into an agreement to receive financing or reimbursement through the financing or reimbursement mechanisms of a TID.

Section 3.4 of this bill provides that existing duties relating to subcontracts also apply to those contracts or agreements **[.] and revises the procedure for the solicitation of bids for such contracts and subcontracts.**

(b) Require each business within the district to report to the Department of Taxation, at such times as the Department may specify on a form provided by the Department, such information as the Department determines to be necessary to carry out the provisions of paragraph (a).

3. ~~[Except as otherwise provided in subsection 2 or another specific statute, the]~~ ***The*** Department of Taxation ~~[shall not disclose any information reported to the Department pursuant to subsection 2.]~~ ***is not required to prepare and submit a report pursuant to paragraph (a) of subsection 2 if the report cannot be prepared in a manner which would not disclose or result in the disclosure of information about an individual business.***

Sec. 2.3. NRS 271A.110 is hereby amended to read as follows:

271A.110 1. The governing body of a municipality may, except as otherwise provided in subsection 2, enter into an agreement with one or more of the owners of any interest in property within a district, pursuant to which that owner would agree to make payments to the municipality or to another local government that provides services in the district, or to both, to defray, in whole or in part, the cost of local governmental services during the term of

the use of any money pledged pursuant to NRS 271A.070. Such an agreement must specify the amount to be paid by the owner of the property interest, which may be stated as a specified amount per year or as an amount based upon any formula upon which the municipality and owner agree.

2. The governing body of a municipality shall not enter into an agreement pursuant to subsection 1 unless ~~[~~**[**:

Sec. 2.7. NRS 271A.120 is hereby amended to read as follows:

271A.120 1. Except as otherwise provided in this section, if the governing body of a municipality adopts an ordinance pursuant to NRS 271A.070, the municipality may:

(a) Issue, at one time or from time to time, bonds or notes as special obligations under the Local Government Securities Law to finance or refinance projects for the benefit of the district. Any such bonds or notes may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof.

(b) Enter into an agreement with one or more governmental entities or other persons to reimburse that entity or person for the cost of acquiring, improving or equipping, or any combination thereof, any project, which may contain such terms as are determined to be desirable by the governing body of the municipality, including the payment of reasonable interest and other financing costs incurred by such entity or other person. Any such reimbursements may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. Such an agreement is not subject to the limitations of subsection 1 of NRS 354.626 and may, at the option of the governing body, be binding on the municipality beyond the fiscal year in which it was made, only if the agreement pertains solely to one or more projects that are owned by the municipality or another governmental entity.

2. The governing body of a municipality shall not, with respect to any district created before, on or after July 1, 2011, provide any financing or reimbursement pursuant to this section:

(a) Except as otherwise provided in this paragraph, to any governmental entity for any project within the district if any nongovernmental entity is or was entitled to receive any financing or reimbursement from the municipality pursuant to this section under the original financing agreements for the initial projects within the district. This paragraph does not prohibit the provision of such financing or reimbursement to ~~[~~:

~~(2) A~~~~]~~ ***a*** governmental entity that is or was entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

(b) To any person or other entity for any project within the district, other than a person or other entity that is or was entitled to receive such financing or reimbursement from the municipality under the original financing agreements for the initial projects within the district, without the consent of all the persons and other entities that were entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

3. Before the issuance of any bonds or notes pursuant to this section, the municipality must obtain the results of a feasibility study, commissioned by the municipality, which shows that a sufficient amount will be generated from money pledged pursuant to NRS 271A.070 to make timely payment on the bonds or notes, taking into account the revenue from any other revenue-producing projects also pledged for the payment of the bonds or notes, if any. A failure to make payments of any amounts due:

(a) With respect to any bonds or notes issued pursuant to subsection 1; or

(b) Under any agreements entered into pursuant to subsection 1,

➥ because of any insufficiency in the amount of money pledged pursuant to NRS 271A.070 to make those payments shall be deemed not to constitute a default on those bonds, notes or agreements.

4. No bond, note or other agreement issued or entered into pursuant to this section may be secured by or payable from the general fund of the municipality, the power of the municipality to levy ad valorem property taxes, or any source other than any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. No bond, note or other agreement issued or entered into pursuant to this section may ever become a general obligation of the municipality or a charge against its general credit or

taxing powers, nor may any such bond, note or other agreement become a debt of the municipality for purposes of any limitation on indebtedness.

5. Any bond or note issued pursuant to this section, including any bond or note issued to refund any such bond or note, must mature on or before, and any agreement entered pursuant to this section must automatically terminate on or before, the end of the fiscal year in which the 20th anniversary of the adoption of the ordinance creating the district occurs.

The provisions of subparagraph (2) of paragraph (b) of subsection 1 do not apply to the governing body of a municipality with respect to any district created before July 1, 2013, if the governing body obtains an opinion from independent bond counsel stating that the applicability of those provisions would impair an existing contract for the sale of bonds that were issued before July 1, 2013.

Remarks by Assemblyman Bobzien.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 33 revises provisions relating to rating systems adopted by the Director of the Office of Energy for purposes of granting partial tax abatements. The measure also repeals the partial tax abatement for certain buildings or structures renovated for use by manufacturers and instead allows any building or structure that has been newly constructed or renovated under certain rating standards to qualify for a partial tax abatement. Additionally, A.B. 33 revises the requirements for the board of county commissioners in reviewing an application for a partial tax abatement for renewable generation facilities. The bill requires a board to make a recommendation to the Director of the Office of Energy regarding the abatement, and an application may only be denied if it is determined the projected cost of the services to support the project will exceed the revenue the local government would receive as a result of the abatement or if the projected financial benefits to the county from any employment opportunities and capital investments will not exceed the projected lost tax revenue.

Finally, these provisions do not apply to a building or other structure for which a partial abatement has been received or for which an application for partial abatement has otherwise been submitted before the effective date of this act.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Assembly Bill 503 authorizes a local government's governing body to loan or transfer money in an enterprise fund if the ending balance of the general fund of the local government at the end of the fiscal year is less than 9 percent of the local government's total expenditures from the general fund during the past fiscal year. The main loan or transfer must be used exclusively for the purposes listed in the following order of priority: (1) to restore fire and police services; (2) to restore the operation of libraries, parks, and other recreational services; and (3) to settle any outstanding legal claims on the date in which the loan or transfer is authorized.

The authority to use an enterprise fund for these purposes applies only to a local government that has, during each of the five fiscal years immediately preceding the effective date of this act, made certain loans or transfers relative to an enterprise fund. Any local government that loans or transfers the money in an enterprise fund as authorized in this measure must provide certain information at least quarterly in a report to the Committee on Local Government Finance as prescribed by regulation of that committee.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 496.

The following Senate amendment was read:

Amendment No. 676.

AN ACT relating to taxation; providing the legislative approval required for an increase in the tax imposed pursuant to the Clark County Sales and Use Tax Act of 2005; suspending temporarily the application of certain provisions of the Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Board of County Commissioners of Clark County to impose a sales and use tax in Clark County of one-quarter of 1 percent to employ and equip additional police officers for the Boulder City Police Department, Henderson Police Department, Las Vegas Metropolitan Police Department, Mesquite Police Department and North Las Vegas Police Department, and allows the imposition of an increase in that tax of not more than one-quarter of 1 percent if the date on which the increased rate is first imposed is on or after October 1, 2009, and if the Legislature first approves the increased rate. (Clark County Sales and Use Tax Act of 2005) **Section 3** of this bill provides the legislative approval required for the imposition of an increase in that tax of not more than fifteen-hundredths of 1 percent on or after October 1, 2013, if the increase is approved by two-thirds of the members of the Board of County Commissioners of Clark County **[.]** **and if the increased rate expires on or before September 30, 2017.**

Section 1 of this bill amends the Clark County Sales and Use Tax Act of 2005 to suspend temporarily certain provisions of the Act which require a governing body to approve expenditures by a police department of proceeds received from the taxes imposed pursuant to the Act if the governing body determines that the proposed expenditure will not replace or supplant existing funding for the police department. **Section 1** also requires that certain periodic reports required by the Act include a separate detailed description of any expenditures as a result of the temporary suspension of those provisions of the Act. **Additionally, section 1 requires that a copy of the separate detailed description be submitted to the Director of the Legislative Counsel Bureau for transmittal to the Interim Finance Committee.** **Section 2** of this bill amends the Act to specify the method for calculating the base fiscal year for certain purposes of the Act.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, is hereby amended by adding thereto a new section to be designated as section 13.3, immediately following section 13, to read as follows:

Sec. 13.3. 1. The provisions of paragraph (b) of subsection 1 and subsections 3 to 8, inclusive, of section 13 of this act do not apply to any

expenditure of proceeds from any sales and use tax imposed pursuant to this act on or after July 1, 2013, but before July 1, 2016.

2. In addition to the requirements of section 13.5 of this act ~~[, the]~~ :

(a) The periodic reports required by that section must include, with respect to the period covered by the report, a separate detailed description of the expenditure of any proceeds from the sales and use tax imposed pursuant to this act as a result of the provisions of subsection 1 ~~[.]~~ ; and

(b) A governing body that is required to submit a report pursuant to section 13.5 of this act shall submit a copy of the separate detailed description required by paragraph (a) for the period covered by the report to the Director of the Legislative Counsel Bureau for transmittal to the Interim Finance Committee on or before the date by which the governing body is required to submit the report for that period to the Department pursuant to section 13.5 of this act.

Sec. 2. The Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, is hereby amended by adding thereto a new section to be designated as section 13.7, immediately following section 13.5, to read as follows:

Sec. 13.7. Notwithstanding the provisions of subsection 8 of section 13 of this act, for Fiscal Year 2015-2016, the base fiscal year for each body must be adjusted for the purposes of section 13 of this act as provided in this section, and that adjusted base fiscal year must be used as the base fiscal year for all purposes, including future calculations of base fiscal years. To determine the adjusted base fiscal year for Fiscal Year 2015-2016, any expenditures authorized as a result of the provisions of subsection 1 of section 13.3 of this act must not be included when calculating the amount of money received or expended in that fiscal year.

Sec. 3. The Legislature hereby approves an increase, pursuant to paragraph (b) of subsection 1 of section 10 of the Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, in the rate of the tax imposed pursuant to that Act in the amount of not more than fifteen-hundredths of 1 percent, if:

1. The increase authorized by this section is enacted by an ordinance approved by a two-thirds majority of the members of the Board of County Commissioners of Clark County; ~~[and]~~

2. The date on which that increased rate is first imposed is on or after October 1, 2013 ~~[.]~~ **; and**

3. That increased rate expires on or before September 30, 2017.

Sec. 4. 1. This act becomes effective upon passage and approval.

2. Sections 1 and 2 of this act expire by limitation on October 1, 2025.

Senate Bill No. 221.

Madam Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

ASSEMBLY IN SESSION

At 2:31 p.m.
Madam Speaker presiding.
Quorum present.

Remarks by Assemblymen Frierson, Wheeler, Diaz, Bobzien, Hansen, Carrillo, Horne, and Fiore.

ASSEMBLYMAN FRIERSON:
Senate Bill 221 requires that a person who wishes to transfer a firearm to another person who does not hold a permit to carry a concealed firearm must coordinate with the holder of a federal firearms license to perform a background check on the person who wishes to acquire the firearm. A fee of not more than $30 may be charged for the background check. The bill also specifies certain types of firearms and circumstances of transfer that are not subject to the provisions of the bill.

A person who fails to comply with the provisions of the bill is prohibited from possessing a firearm for two years after the date of conviction

This measure also prohibits a person from owning or possessing a firearm if he or she is prohibited by federal law from possessing a firearm or in a court of law, has been found or entered a plea of guilty but mentally ill, or has been acquitted by reason of insanity.

Lastly, S.B. 221 requires that mental health professionals take certain steps to report an explicit, specific, and imminent threat reported by persons under their care, and in these circumstances, the measure provides such professionals with certain protections from civil or criminal liability.

ASSEMBLYMAN WHEELER:
I rise in opposition to Senate Bill 221. As most of you in this body know, there were some really good parts to Senate Bill 221, but those good parts, as said by my colleague on the other side of the house, were put into S.B. 38 yesterday. All the parts to do with mental health reporting and all of the parts to do with criminal reporting are now in S.B. 38, which we will vote to concur on in just a few moments. So what that leaves in this bill is not so much policy

anymore, but politics. The background check portion of this bill, as we heard in our committee, does lead to a de facto gun registration. We know this. We've seen it. We also know that the people that were flown in here from outside interests probably would not have been helped by one of these background checks. I ask you to vote no on Senate Bill 221. I ask you to send the outside interests a message from Nevada—a strong message—that says, "Please don't interfere in our politics here. This is our policy we're talking about: you play politics outside."

ASSEMBLYWOMAN DIAZ:

I rise in support of S.B. 221. I had to deliberate on my decision as to whether I was going to be supportive of S.B. 221. In my research in the area, I did find out that about 60 percent of gun owners do acquire their firearms in a legal way through a gun store, pawn shop, or other licensed retailers, but there is that 40 percent that is unaccounted for, by which they usually acquire it through a private sale. I believe that S.B. 221 is attempting to close some loopholes. Also, the white paper I read referenced that a lot of the firearms in the black market do come through the private sales aspect of it. While I am not naïve, I know that by enacting S.B. 221, we might not be preventing a Sandy Hook or what happened to Congresswoman Gabby Giffords, but I've been thinking long and hard that it could prevent a father taking the life of a mother; a mother taking the life of her children and of herself because she acquired that firearm through a private purchase. I received information that this takes maybe five to ten minutes if you go to an FFL and do that background check; is five to ten minutes too much to ask to save somebody's life?

ASSEMBLYMAN BOBZIEN:

I rise in support of S.B. 221. In my four sessions here in the Nevada Legislature, I've backed legislation supporting the rights of gun owners. I sponsored a bill that streamlined the qualification process for carrying concealed weapons permits. I'm an advocate for sportsmen, championing a bill creating Nevada's apprentice hunting program in recognition of the importance of our state's sporting traditions. Madam Speaker, I am a gun owner, and I have had shot guns all my life. I'm also the father of two small boys. When it comes to making laws, I believe we must be vigilant against legislation that exists solely as a knee-jerk response to the tragedies in the news, but I also believe that we have an obligation to be courageous representatives of our constituents and their interests.

While I represent many constituents who have serious misgivings about this bill, I've also had long conversations with others, many of whom are like me—fathers and gun owners who believe that we must have the courage to enact legislation to ensure commonsense, dual background checks cover more firearms transactions.

Madam Speaker, upon passage of this bill, gun violence will not cease; tragedies will not end. I believe in the use of firearms for protection. Guns are, and always will be, a part of our way of life in this state, but we can't let the perfect be the enemy of the good. By passing this bill, we will have taken an important step forward in engaging in a rational discussion of how to both protect our gun rights and the safety of our families and children.

ASSEMBLYMAN HANSEN:

I rise in opposition to S.B. 221. I, too, like my colleague from Reno, am a father of four sons and have been raised by gun owners all my life. I'm active in the National Rifle Association, and I can tell you right now the sportsmen's community is overwhelmingly opposed to S.B. 221. If we check our own policy, the polls clearly show the people in this state do not want this kind of legislation. Why don't they? They think that people who have mental issues should be allowed to have firearms? Of course not. This is commonsense thinking on the part of Nevadans. They recognize that people who disobey the laws aren't going to be forced to suddenly obey the laws because we pass something. All this is, like every gun control act in my lifetime—I've watched the Gun Control Act of 1968 and then the assault weapons ban in the 1990s—is another example of feel-good gun control legislation right here in Nevada that is

absolutely going to have zero impact on anybody but honest law-abiding citizens. All those other gun control acts have had no impact on reducing crime.

I asked the Senator from Las Vegas point blank during his testimony in front of our committee whether this was going to stop things like Sandy Hook. He said that it would not, even though the testimony was all about Sandy Hook. I think we need to recognize that this is a constitutional right. When you have somewhere between 300 million and 400 million firearms in the United States, there are going to be some people that abuse those kind of privileges. To punish all the law-abiding people—by forcing them through all these private party sales to go to a gun store and go through this background check when there is zero evidence that those things have stopped these sorts of situations—is unfair to the honest law-abiding Nevadan. I would urge my colleagues to vote no on S.B. 221.

ASSEMBLYMAN CARRILLO:

I rise in opposition. We started this whole thing 120 days ago, and this bill is something that should have been addressed a long time ago instead of on the 120th day—to feel that we're being put in a box to vote on something that we have convictions about. I myself—as a gun owner, as a father, as a grandfather—know what is important. I know we need to protect our children and our family members, but when it comes down to feeling like you're going to be threatened if you don't vote a certain way—and I hate to go this route, but I'm going there—I'm voting no on this just for that reason.

ASSEMBLYMAN HORNE:

I rise is support of Senate Bill 221. I'd like to remind the body that we don't pass laws here for perfect; we pass for better. I will disagree with my colleague from Sparks that no one wants this legislation in Nevada. Eighty-six percent plus in Nevada—poll after poll—say that they do want this. We probably couldn't get 86 percent of Nevadans to agree that today is Monday, but this they agree on. If we took the position that we are not going to pass something unless it absolutely stops what we are trying to prevent, we wouldn't have anything. We wouldn't have seatbelts in cars or airbags in cars. And by the way, the auto industry fought hard for years to stop that from happening, over and over again lobbying Washington that this was going to be a burden on us. What has that done today? Has it stopped fatalities on the road? No. But do we believe that it has saved lives? Yes, we do. Is this going to stop a criminal from committing a deadly act? No, we are going to have that. As long as we have guns, somebody is going to do that. But will it save some? I believe it will. Until you are that person who is that close to that type of crime, maybe you won't know. My oldest daughter—and thank God she is 26 years old today and pregnant with my second grandchild—when she was in school, a kid came to school with a gun and fired it in her classroom when she was there. And when I got the news from that, my heart sank. I can't imagine when you get the calls that there are shootings at schools and parents know it's their school and their child is there. I am not going to sit here and promise you that that's never going to happen again. But what I think I can promise you is that this law will be better than what we have today. It is not a punishment. It is no more a punishment for me to go and get a background check when I buy a firearm than it is a punishment when the government tells me that I have to obey the speed limit, because it is for the benefit of everybody. And there are people who are going to speed by me and are going to be reckless drivers. That doesn't mean I'm being punished because I'm asked to act responsibly on the roads. This bill is asking all of us gun owners, who are responsible gun owners, to ask everybody else to be responsible as well. That means when you go and buy a firearm, do a background check, and let's make it a little more difficult for those who would do harm with these firearms to get a hold of them. I urge your support.

ASSEMBLYWOMAN FIORE:

I was hesitating to even speak about this issue, because you all know how I feel about it. But since my colleague from the south got up and talked about how important this bill is, it was just

as important as a bill, A.B. 143, that he killed, and now this is revived. This is quite sneaky. It is 120 days, I don't appreciate it, and I urge us not to play politics in this Chamber and to vote no on this, because this just isn't right.

Senate Bill No. 400.

Bill read third time.

Remarks by Assemblymen Bustamante Adams, Grady, and Ellison.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Senate Bill 400 amends various provisions of existing law governing the taxation of mines, mining claims, and mineral extraction, contingent upon voter approval and ratification of Senate Joint Resolution 15 of the 76th Legislative Session at the November 4, 2014, General Election. The bill provides for the imposition of an excise tax upon mineral extraction for the privilege of engaging in mineral extraction in the state of Nevada and clarifies that the excise tax upon mineral extraction is not an ad valorem or property tax upon the value of the mineral extracted. Senate Bill 400 preserves, without change, the amounts appropriated to each local government or other local taxing entity from the revenue generated by the excise tax upon mineral extraction and royalties. The bill also preserves, without change, the existing tax rates applied to royalties and each extractive operation.

Senate Bill 400 maintains, with certain technical revisions, the methods, standards, and procedures used by the Department of Taxation to determine and certify the gross yield and net proceeds and to impose and collect the excise tax upon mineral extraction and royalties.

Finally, the bill makes conforming changes to existing law that become necessary because of the enactment of the excise tax upon mineral extraction and royalties and because of the repeal of the constitutional provisions governing the taxation of minerals proposed by S.J.R. 15 of the 76th Session.

The bill becomes effective only if S.J.R. 15 of the 76th Session is approved by the voters at the November 4, 2014, General Election. If S.J.R. 15 of the 76th Session is approved by the voters, it will become effective on the date of the canvass of the votes, November 25, 2014, and the bill will also become effective on that date.

ASSEMBLYMAN GRADY:

I guess for a long time in this house I've always wanted to say that I feel very strongly both ways about this bill. This is a bridge bill. It will keep local governments whole for the interim. The bill does not address future problems. The prepaid net proceeds will force the Legislature in 2015 to make some tough decisions. I appreciate the intent of the work for the rurals. Let's hope that the gold prices, declining in the last couple of months, and this legislation will not have a negative effect on employment in our rural counties. But we need this bill to get us through the next two years, and I would hope that we have the support of the body for the bill.

ASSEMBLYMAN ELLISON:

I stand in support of Senate Bill 400. This is a bill that has made a complete turnaround from S.B. 401 to what it is today. This bill helps my constituents by leaps and bounds for what it is going to do for the rural counties for the next two to three years. My biggest fear is what is going to happen in the future with S.J.R. 15 of the 76th Session. I can tell you that the hard work of the committees from the Senate to the Assembly helped make this bill happen today, and from my constituents to you, I say thank you. I ask for your support.

Remarks by Assemblyman Kirner.

ASSEMBLYMAN KIRNER:

Senate Bill 500 creates a 15-member Task Force on K-12 Public Education Funding, and it sets forth the goal of the Nevada Legislature to equitably fund public education and to base its funding formula on the individual educational needs and demographic characteristics of its pupils. Those characteristics include, among other factors, pupils with disabilities, pupils from low-income families, and pupils who have limited proficiency in the English language. The composition of the Task Force consists of key stakeholders, including the Superintendent of Public Instruction, representatives from the school boards' association, the school superintendents' association, teachers, parents, and legislators. To the extent possible, the appointing authorities will coordinate their selections to represent the geographic and ethnic diversity of the state. The Task Force will be staffed by the Legislative Counsel Bureau. The measure sets forth the duties of the Task Force to review the 2012 report titled "Study of a New Method of Funding for Public Schools in Nevada"; survey weighted funding formulas used by other states; develop a plan to implement a weighted formula in Nevada; and provide recommendations to the next session of the Legislature.

The bill also authorizes the appointment of subcommittees and requires the chair of the task force to appoint a technical advisory committee of school district personnel with knowledge, experience, or expertise in the area of K-12 public school finance. The task force must complete its work and provide sufficient detail to ensure the weighted formula will be used to prepare the school funding portion of the Executive Budget for the 2015-2017 biennium.

This bill is effective upon passage and approval for the purposes of appointing the members of the task force and on July 1, 2013, for all other purposes. The measure expires by limitation on June 30, 2015.

This bill is a product of deliberations during the 2011-2012 interim by the Legislative Commission's Committee to Study a New Method for Funding Public Schools. The consultant, American Institutes for Research, reported that Nevada's current funding system does not include funding adjustments for the additional costs associated with individual student needs and characteristics. Based on best practices, AIR recommended that the funding adjustments be incorporated into the state's current financial model to account for individual student needs and cost factors. This measure is designed to shift the Nevada plan for school finance to a weighted funding formula that considers the needs and characteristics of unique student populations.

Conference Amendment No. CA2.

AN ACT relating to education; requiring that a performance framework for a charter school be incorporated into the charter contract; revising provisions governing applications for authorization to sponsor charter schools by the board of trustees of a school district or a college or university within the Nevada System of Higher Education; revising the procedure for reviewing an application to form a charter school; setting forth requirements for the execution and renewal of charter contracts; setting forth the grounds for termination of a charter contract; revising provisions relating to the enrollment of pupils in charter schools; requiring the Department of Education to adopt regulations for the comprehensive review of sponsors of charter schools approved by the Department and for the revocation of the authorization to sponsor charter schools; making various other changes relating to charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the formation and operation of charter schools. (NRS 386.490-386.610) **Section 3** of this bill requires that a written performance framework for a charter school be incorporated into the charter contract executed by the sponsor and the governing body of the charter school pursuant to **section 8** of this bill. The performance framework must include performance indicators, measures and metrics for: (1) the academic achievement and proficiency of pupils enrolled in the charter school and disparities in achievement among those pupils; (2) the attendance rate of

pupils enrolled in the charter school and the percentage of pupils who reenroll from year-to-year; (3) the financial condition and sustainability of the charter school; (4) the performance of the governing body of the charter school; and (5) if the charter school enrolls pupils at the high school grade level, the rate of graduation of those pupils. **This bill also addresses the period during which some charter schools will continue to operate under existing written charters until their expiration and potential renewal under the terms and conditions for the issuance of a charter contract.**

Existing law prescribes the circumstances under which the sponsor of a charter school is authorized to revoke the charter of a charter school. (NRS 386.535) **Section 3.5** of this bill requires the sponsor of a charter school to **revoke the written charter or** terminate the charter contract of the charter school if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as determined by the Department of Education pursuant to the statewide system of accountability for public schools. The procedures in existing law setting forth notice and timelines for the **revocation of the written charter or the** termination of a charter contract do not apply to termination on these grounds. **Section 3.5** also provides that a rating of a charter school based upon the performance of the charter school for any school year before the 2013-2014 school year pursuant to the statewide system of accountability must not be included in the count of consecutive annual ratings for the purposes of determining whether termination is required.

Existing law authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.515) **Section 5** of this bill clarifies that, similar to the board of trustees of a school district, a college or university is required to submit an application to the Department to sponsor charter schools. Under existing law, the Department is also required to adopt regulations prescribing the process for submission of an application by the board of trustees of a school district for authorization to sponsor charter schools. (NRS 386.540) **Section 12** of this bill makes a college or university within the Nevada System of Higher Education subject to those regulations and requires the Department to adopt additional regulations prescribing: (1) the process and timeline for the review of an application for authorization to sponsor charter schools; (2) the process for the Department to conduct a comprehensive review of sponsors of charter schools approved by the Department at least once every 3 years; and (3) the process for the Department to continue or revoke the authorization of a board of trustees or a college or university to sponsor charter schools.

Under existing law, the proposed sponsor of a charter school may request the Department to assist in the review of an application to form a charter school by determining whether the application is substantially complete and compliant. If the Department determines that an application is not substantially complete and compliant, the staff of the Department is required to meet with the applicant to confer on the method to correct the deficiencies in the application identified by the Department. (NRS 386.520) **Sections 6 and 7** of this bill remove the provisions relating to the review of an application to form a charter school by the Department.

Existing law sets forth the process for review of an application to form a charter school by the proposed sponsor of the charter school. (NRS 386.525) **Section 7** requires the proposed sponsor to assemble a team of reviewers and to conduct a thorough evaluation of the application, including an in-person interview with the committee to form the charter school. **Section 7** also requires that to approve an application, the proposed sponsor must determine that the applicant has demonstrated competence which will likely result in a successful opening and operation of the charter school.

Under existing law, if an application to form a charter school is approved by the proposed sponsor of the charter school, the charter school is issued a written charter for a term of 6 years. (NRS 386.527) **Section 8** removes the requirement for the issuance of a written charter and instead requires the proposed sponsor of the charter school and the governing body of the charter school **, on or after the effective date of this bill,** to execute a charter contract for a term of 6 years.

Existing law sets forth the procedures for renewal and revocation of written charters. (NRS 386.530, 386.535) **Section 9** of this bill removes the written charter and instead prescribes the procedure for renewal of a charter contract, which includes a requirement that the sponsor provide the charter school with a written report summarizing the charter school's performance during the term of the charter contract. **Section 10** of this bill prescribes the grounds for **the revocation of a written charter and the** termination of a charter contract, which includes **, if the charter school holds a charter contract,** the ground that the charter school has persistently underperformed, as measured by the performance framework developed for the charter school.

Existing law provides that a charter school dedicated to providing educational programs and opportunities to pupils who are at risk may enroll a child who is the child of a full-time employee of the charter school before enrolling pupils who are otherwise eligible for enrollment. **Section 17** of this bill removes the provision that such a charter school must serve at-risk pupils and instead authorizes any charter school to, before enrolling children who are otherwise eligible for enrollment, enroll a child if the child is the child of: (1) an employee of the charter school; (2) a member of the committee to form

the charter school; or (3) a member of the governing body of the charter school.

Section 19 of this bill revises requirements for the annual report that the sponsor of a charter school is required to provide to the Department of Education by including **, for a charter school that it sponsors with a charter contract,** a summary evaluating the performance of the charter school, as measured by the performance framework, and by removing the requirement that the sponsor of the charter school include a description of the administrative support and services provided by the sponsor. (NRS 386.610)

If the governing body or the sponsor disputes the amount due, the party making the dispute may request an independent review by the Department, whose determination is final.

3. The governing body of a charter school may not be required to enter into a service agreement pursuant to this section as a condition to approval of its charter contract by the sponsor of the charter school or as a condition to renewal of the charter contract.

386.580 1. An application for enrollment in a charter school may be submitted to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise provided in this subsection and subsection 2, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the

charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district located in a county whose population is 100,000 or more, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. Except as otherwise provided in subsection 2, if more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

2. Before a charter school enrolls pupils who are eligible for enrollment, a charter school ~~[that is dedicated to providing educational programs and opportunities to pupils who are at risk]~~ may enroll a child who:

(a) Is a sibling of a pupil who is currently enrolled in the charter school;

(b) Was enrolled, ***free of charge and*** on the basis of a lottery system, in a prekindergarten program at the charter school or any other early childhood educational program affiliated with the charter school;

(e) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

➥ If more pupils described in this subsection who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

3. Except as otherwise provided in subsection 8, a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:

(a) Race;

(b) Gender;

(c) Religion;

(e) Disability,

➥ of a pupil.

4. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

5. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at his or her school or homeschool or participate in an extracurricular activity at the charter school if:

(a) Space for the child in the class or extracurricular activity is available;

(b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity; and

(c) The child is a homeschooled child and a notice of intent of a homeschooled child to participate in programs and activities is filed for the child with the school district in which the child resides for the current school year pursuant to NRS 392.705.

➥ If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

6. The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection 5 if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations. If the governing body so revokes its approval, neither the governing body nor

the charter school is liable for any damages relating to the denial of services to the child.

7. The governing body of a charter school may, before authorizing a homeschooled child to participate in a class or extracurricular activity pursuant to subsection 5, require proof of the identity of the child, including, without limitation, the birth certificate of the child or other documentation sufficient to establish the identity of the child.

8. This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:

(c) Who are at risk.

➥ If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

Sec. 18. NRS 386.595 is hereby amended to read as follows:

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.

4. Except as otherwise provided in this subsection, if the written charter ***[contract]*** of a charter school is revoked ***or a charter contract is terminated, as applicable,*** or if a charter school ceases to operate as a charter school, the licensed employees of the charter school must be reassigned to employment

within the school district in accordance with the applicable collective bargaining agreement. A school district is not required to reassign a licensed employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to accept employment at the charter school pursuant to subsection 5;

(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 5; or

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which a licensed employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee's leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee's return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

7. If a school district conducts an investigation pursuant to subsection 6:

(a) The licensed employee is not entitled to return to employment with the school district until the investigation is complete; and

(b) The investigation must be conducted within a reasonable time.

8. A licensed employee who is on a leave of absence from a school district pursuant to this section:

(a) Shall contribute to and be eligible for all benefits for which the employee would otherwise be entitled, including, without limitation, participation in the Public Employees' Retirement System and accrual of time for the purposes of leave and retirement.

(b) Continues, while the employee is on leave, to be covered by the collective bargaining agreement of the school district only with respect to any matter relating to his or her status or employment with the district.

➥ The time during which such an employee is on a leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

9. Upon the return of a teacher to employment in the school district, the teacher is entitled to the same level of retirement, salary and any other benefits to which the teacher would otherwise be entitled if the teacher had not taken a leave of absence to teach in a charter school.

10. An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which the employee would be eligible for employment in a public school, including, without limitation, participation in the Public Employees' Retirement System.

11. For all employees of a charter school:

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

12. If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

(a) Ensure that the premiums for that insurance are paid to the board of trustees; and

(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

Sec. 18.5. **NRS 386.595 is hereby amended to read as follows:**

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the school district and any disciplinary action taken by the school district against the licensed employee.

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which a licensed employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee's leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

Conference Amendment No. CA1.

AN ACT relating to employment; **prohibiting employers from conditioning employment on a consumer credit report or other credit information; providing certain exceptions;** prohibiting employers from conditioning employment on access to an employee's social media account; ~~[~~prohibiting a person from requesting or considering a consumer report for purposes relating to employment except under certain circumstances; revising provisions relating to the release of a consumer report that is subject to a security freeze;~~]~~ providing civil remedies **~~[~~;~~]~~ and administrative penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various unlawful employment practices. (Chapter 613 of NRS) ~~[This]~~

Section 1.6 of this bill prohibits an employer from conditioning the employment of an employee or prospective employee on his or her consumer credit report or other credit information. Section 1.6 also prohibits an employer from taking certain employment actions based on the refusal of an employee or prospective employee to submit a credit report or other credit information or on the results of such a report or information. Section 1.6 further prohibits an employer from taking certain employment actions where an employee or prospective employee

files a complaint, testifies in any legal proceeding or exercises his or her rights with respect to any violation committed by the employer. Section 1.7 of this bill provides certain exceptions to the preceding prohibitions, including, without limitation, an exception for circumstances in which the information contained in the consumer credit report or other credit information is reasonably related to the position of employment. Section 1.8 of this bill establishes the civil remedies available to a person affected by a violation committed by an employer, including employment of a prospective employee, reinstatement or promotion of an employee, payment of lost wages and benefits and the award of reasonable costs and attorney's fees. Section 1.9 of this bill authorizes the Labor Commissioner to impose an administrative penalty against an employer for each violation and to bring a civil action against the employer.

Section 2 of this bill prohibits an employer from conditioning the employment of an employee or prospective employee on his or her disclosure of the user name, password or any other information that provides access to the employee's or prospective employee's personal social media account. ~~[This bill]~~ **Section 2** also prohibits an employer from taking certain employment actions based on the refusal of an employee or prospective employee to disclose such information. ~~[This bill]~~ **Section 2** further provides, however, that it is not unlawful for an employer to require an employee to disclose his or her user name, password or any other information to an account or a service, other than a personal social media account, for the purpose of accessing the employer's own internal computer or information system.

~~[Under existing law, a person who complies with the requirements of the Fair Credit Reporting Act, 15 U.S.C. §§ 1681 et seq., and chapter 598C of NRS is allowed to obtain a consumer report for purposes relating to the employment of the consumer. Sections 3 and 4 of this bill prohibit a person from requesting or considering a consumer report for purposes of evaluating a consumer for employment, promotion, reassignment or retention as an employee unless: (1) the use of the report is required or authorized by state or federal law; (2) the person reasonably believes that the consumer has engaged in specific activity which may constitute a violation of state or federal law and is likely to be reflected in the report; or (3) the information in the report is reasonably related to the position for which the consumer is being evaluated.~~

~~Existing law provides that if a consumer places a security freeze on his or her file maintained by a credit reporting agency, the agency is not allowed to release the consumer report without the consumer's consent except for certain purposes, which include certain purposes relating to employment of~~

~~the consumer. (NRS 598C.350, 598C.380) Section 5 of this bill revises the scope of that exception to conform with section 4.]~~

Conference Amendment No. CA8.

AN ACT relating to hypodermic devices; authorizing certain entities to establish a program for the safe distribution and disposal of hypodermic devices and certain other material; requiring the ~~[county board of health or district board of health for the county in which a sterile hypodermic device program operates]~~ **State Board of Health** to establish guidelines governing such a program; providing that the possession of a trace amount of a controlled substance is not a criminal offense in certain circumstances; removing hypodermic devices from the list of paraphernalia that is prohibited for delivery, sale, possession, manufacture or use in this State; providing that hypodermic devices may be sold or furnished without a prescription if not prohibited by federal law in certain circumstances; repealing a provision which makes it a crime to misuse a hypodermic device; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 4 of this bill authorizes a governmental entity, a tax-exempt nonprofit corporation, a public health program, a licensed medical facility or a person who has a tax-exempt nonprofit corporation as a fiscal sponsor, to establish a program for the safe distribution and disposal of hypodermic devices. **Section 4.5** of this bill requires the ~~[county board of health or district board of health for the county in which a sterile hypodermic device program operates]~~ **State Board of Health** to establish guidelines governing such a program. **Sections 5-7** of this bill enact provisions governing the operation of a sterile hypodermic device program, including, without limitation, the training of the staff and volunteers of the program and the devices, material and information that a program may provide. **Section 8** of this bill provides that the State, any of its political subdivisions and a sterile hypodermic device program and its staff and volunteers are exempt from civil liability relating to the operation of a sterile hypodermic device program. **Section 9** of this bill: (1) provides for the confidentiality of any record which is obtained or created in the operation of a sterile hypodermic device program; (2) provides that such records are not discoverable or admissible in criminal proceedings; (3) prohibits the use of records obtained from a sterile hypodermic device program as a basis for initiating a criminal charge, or to substantiate a criminal charge, against a person who participates in the program; and (4) provides that the staff and volunteers of a sterile hypodermic device program cannot be compelled to provide evidence in criminal proceedings concerning information known to the staff member or volunteer through the program.

Existing law prohibits the possession of a controlled substance. (NRS 453.336) **Section 11** of this bill provides that a person does not violate this provision if he or she has a trace amount of a controlled substance that is in or on a hypodermic device that was obtained from a sterile hypodermic device program.

Existing law prohibits the delivery, sale, possession or manufacture of certain drug paraphernalia when the person engaging in the act reasonably should know that it will be used for an illegal purpose. (NRS 453.560) Existing law further makes it a felony for a person to deliver drug paraphernalia to a minor who is at least 3 years younger than the person. (NRS 453.562) **Section 12** of this bill removes hypodermic devices from the list of items that may be found to constitute drug paraphernalia.

Existing law authorizes the sale of hypodermic devices which are not restricted by federal law to being sold by prescription to be sold without a prescription for certain limited purposes. (NRS 454.480) **Section 15** of this bill removes the restrictions so that hypodermic devices may be sold or

furnished without a prescription for any purpose so long as the sale of such devices is not restricted by federal law.

Section 16 of this bill repeals a provision which makes it a misdemeanor to use or allow the use of a hypodermic device for a purpose other than that for which it was purchased, because the specific uses were removed in **section 15**.

WHEREAS, The human immunodeficiency virus, hepatitis and other infectious diseases that may be transmitted through the use of unsterile hypodermic devices such as syringes and needles pose a major health threat in the United States, causing thousands of deaths and millions of dollars in preventable health care costs each year; and

WHEREAS, The lack of availability of sterile hypodermic devices is a major cause of this serious health threat; and

WHEREAS, Hundreds of studies have demonstrated that making sterile hypodermic devices available to persons who inject drugs reduces the spread of infectious disease and does not encourage drug use; and

WHEREAS, The trend among states has been to deregulate the possession, sale and use of hypodermic devices and to make such devices more accessible; and

WHEREAS, Increasing access to sterile hypodermic devices is necessary to control the spread of life-threatening infectious diseases; now, therefore,

appoint a task force to study certain issues relating to juveniles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the juvenile court has exclusive jurisdiction over a child who is alleged to have committed an act designated as a criminal offense unless: (1) the criminal offense is excluded from the jurisdiction of the juvenile court; or (2) the child is alleged to have committed an offense for which the juvenile court may certify the child for criminal proceedings as an adult and the juvenile court certifies the child for criminal proceedings as an adult upon a motion by the district attorney and after a full investigation. (NRS 62B.330, 62B.390)

Under existing law, the offenses excluded from the jurisdiction of the juvenile court include, without limitation, murder and attempted murder. (NRS 62B.330) **Section 1** of this bill provides that murder and attempted murder are excluded from the jurisdiction of the juvenile court only if the offense was committed by a child who was 16 years of age or older when he or she committed the offense. Under **section 11** of this bill, this provision becomes effective on October 1, 2014.

Under existing law, a child may be certified for criminal proceedings as an adult upon a motion by the district attorney and after a full investigation if the child: (1) is charged with an offense that would have been a felony if committed by an adult; and (2) was 14 years of age or older at the time the child allegedly committed the offense. **Section 1.3** of this bill reduces the minimum age of such certification from 14 years of age to 13 years of age ~~[.]~~ **if the child is charged with murder or attempted murder.** Under **section 11**, this provision becomes effective on October 1, 2014.

Under existing law, during the pendency of the proceeding, a child who is charged with a crime which is excluded from the original jurisdiction of the juvenile court may petition the juvenile court for temporary placement in a facility for the detention of children. (NRS 62C.030) **Section 2** of this bill authorizes a child who is certified for criminal proceedings as an adult to petition the juvenile court for temporary placement in a facility for the detention of children during the pendency of the proceeding. Under **section 11**, this provision becomes effective on October 1, 2013.

Section 10 of this bill requires the Legislative Committee on Child Welfare and Juvenile Justice to create a task force to study certain issues relating to juvenile justice.

Legislative Counsel's Digest:

Existing law provides for a summary eviction procedure when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent due by the month or a shorter period defaults in the payment of the rent. (NRS 40.253) **Section 1** of this bill provides that the affidavit of complaint for eviction of a tenant that a landlord or landlord's agent is authorized to file in justice court or district court applies to tenants of recreational vehicles.

Existing law provides that if a sale of property is a residential foreclosure, the posting of certain required notices on the property must be completed by a licensed process server or any constable or sheriff. (NRS 107.087) **Section 3** of this bill: (1) specifies that the constable or sheriff who posts such a notice must be a constable or sheriff of the county in which the property is located; and (2) revises the date by which certain required notices must be provided.

Existing law provides that a constable is a peace officer in his or her township. (NRS 258.070) **Section 8.6** of this bill requires a constable of a township whose **~~[~~boundaries include a city whose~~]~~** population is **~~[~~150,000~~]~~ 15,000** or more **~~[~~(currently Henderson, Las Vegas, North Las Vegas and~~]~~**

~~Reno)~~ **or that has within its boundaries a city whose population is 15,000 or more** to become certified as a category I or category II peace officer by the Peace Officers' Standards and Training Commission within 1 year after the date on which the constable commences his or her term of office or appointment unless the Commission, for good cause shown, extends the time. **Section 16.5** of this bill provides that this requirement does not apply to a constable who is in office on July 1, 2013, unless he or she is elected or appointed to a term of office on or after July 1, 2013.

Sections 7.5, 12 and 12.5 of this bill provide that a constable or deputy constable in a township ~~[that has within its boundaries a city]~~ whose population is less than ~~[150,000 (currently all cities other than Henderson, Las Vegas, North Las Vegas and Reno)]~~ **15,000 or that has within its boundaries a city whose population is less than 15,000** may not make an arrest in the course of performing his or her duties as a constable ~~[.]~~ **unless he or she is certified as a category I or category II peace officer.**

Existing law authorizes a constable to appoint deputies and provides that a deputy constable must be certified as a category II peace officer by the Peace Officers' Standards and Training Commission within 1 year after the date on which the person commences employment as a peace officer unless the Commission, for good cause shown, extends the time. (NRS 258.060, 289.470, 289.550) **Section 10** of this bill provides that a person appointed as a deputy constable for a township whose ~~[boundaries include a city whose]~~ population is ~~[150,000]~~ **15,000** or more ~~[(currently Henderson, Las Vegas, North Las Vegas and Reno)]~~ **or that has within its boundaries a city whose population is 15,000 or more** must be certified as a **category I or** category II peace officer by the Commission before he or she commences employment as a deputy constable.

Existing law authorizes the board of county commissioners to appoint clerks for the constable of a township and to provide compensation for those clerks. (NRS 258.065) **Section 11** of this bill authorizes the constable to appoint clerical and operational staff for the office of the constable, subject to the approval of the board of county commissioners, and requires the board of county commissioners to fix the compensation of the clerical and operational staff of the constable's office. **Section 11** further provides that the clerical and operational staff of a constable's office do not have the powers of a peace officer and may not possess a weapon or carry a concealed firearm while performing the duties of the constable's office.

Existing law provides that a constable is a peace officer in his or her township and may issue a citation to the owner or driver of a vehicle that is required to be registered in this State if the constable determines that the vehicle is not properly registered. (NRS 258.070, 482.385) **Sections 12, 15**

and 16 of this bill clarify that the constable may issue such a citation only if the vehicle is located in his or her township at the time the citation is issued.

Section 8.8 of this bill authorizes the board of county commissioners to establish, by resolution or ordinance, penalties to be imposed on a constable who fails to file a report, oath or other document required by statute to be filed with the county or the Peace Officers' Standards and Training Commission. **Section 9** of this bill requires the oath of a constable to be filed and recorded in the office of the recorder of the county.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of

NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of

the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 and any accumulating daily costs; and

(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 2. (Deleted by amendment.)

Sec. 3. NRS 107.087 is hereby amended to read as follows:

107.087 1. In addition to the requirements of NRS 107.080, if the sale of property is a residential foreclosure, a copy of the notice of default and election to sell and the notice of sale must:

(a) Be posted in a conspicuous place on the property not later than:

(1) For a notice of default and election to sell, 100 days before the date of sale; or

(2) For a notice of sale, 15 days before the date of sale; and

(b) Include, without limitation:

(1) The physical address of the property; and

(2) The contact information of the trustee or the person conducting the foreclosure who is authorized to provide information relating to the foreclosure status of the property.

2. In addition to the requirements of NRS 107.084, the notices must not be defaced or removed until the transfer of title is recorded or the property becomes occupied after completion of the sale, whichever is earlier.

3. A separate notice must be posted in a conspicuous place on the property and mailed, with a certificate of mailing issued by the United States Postal Service or another mail delivery service, to any tenant or subtenant, if any, other than the grantor or the grantor's successor in interest, in actual occupation of the premises not later than ~~[3 business days after the notice of the sale is given pursuant to subsection 4 of NRS 107.080.]~~ ***15 days before the date of sale.*** The separate notice must be in substantially the following form:

NOTICE TO TENANTS OF THE PROPERTY

Foreclosure proceedings against this property have started, and a notice of sale of the property to the highest bidder has been issued.

You may either: (1) terminate your lease or rental agreement and move out; or (2) remain and possibly be subject to eviction proceedings under chapter 40 of the Nevada Revised Statutes. Any subtenants may also be subject to eviction proceedings.

Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.

After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

Under the Nevada Revised Statutes eviction proceedings may begin against you after you have been given a notice to quit.

If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

(1) Delivering a copy to you personally in the presence of a witness;

(2) If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at

either place and mailing a copy to you at your place of residence or business; or

(3) If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property, delivering a copy to a person residing there, if a person can be found, and mailing a copy to you at the place where the leased property is.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

(1) You will be given at least 10 days to answer a summons and complaint;

(2) If you do not file an answer, an order evicting you by default may be obtained against you;

(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The posting of a notice required by this section must be completed by a process server licensed pursuant to chapter 648 of NRS or any constable or ~~[the]~~ sheriff ~~[.]~~ ***of the county in which the property is located.***

SUMMARY—Revises provisions governing ~~[child custody and visitation.]~~ **the award of attorney's fees in certain domestic relations actions.** (BDR 11-951)

AN ACT relating to ~~[child custody;]~~ **domestic relations; revising the provisions governing the award of attorney's fees in actions for divorce;** authorizing a court to award costs and the reasonable fees of attorneys and experts to a party in certain actions concerning child custody or visitation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in an action for divorce, the court may award a reasonable attorney's fee to either party, if those fees are in issue under the pleadings. (NRS 125.150) Section 1 of this bill provides that in an action for divorce, the court may award a reasonable attorney's fee without the requirement that attorney's fees be in issue under the pleadings.

Existing law provides that in an action to determine the parentage of a child, the court may order that the reasonable fees of counsel, experts and the child's guardian ad litem, and other costs of the action, be paid in such proportions as determined by the court. (NRS ~~[126.171, 126.231) Existing law further provides that in an action for divorce, the court may award a reasonable attorney's fee to either party, if those fees are in issue under the pleadings. (NRS 125.150) This]~~ **126.171) Section 2 of this** bill provides that in an action to determine custody or visitation with respect to a child, the court may order that the reasonable fees of counsel and experts, and other costs of the action, be paid in proportions and at times determined by the court.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 125.150 is hereby amended to read as follows:**

125.150 Except as otherwise provided in NRS 125.155 and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce. ~~[if those fees are in issue under the pleadings.]~~

4. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

5. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

6. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

7. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

8. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

9. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the

court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

10. If the court determines that alimony should be awarded pursuant to the provisions of subsection 9:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

11. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

Conference Amendment No. CA19.

AN ACT relating to spendthrift trusts; revising provisions governing self-settled spendthrift trusts; revising provisions governing the transfer of property to a spendthrift trust; revising provisions governing persons who act as a distribution trustee or distribution adviser of a spendthrift trust; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to create a spendthrift trust, which is a trust the terms of which provide that the interest of a beneficiary may not be transferred voluntarily or involuntarily to another person. (NRS 166.020, 166.040) Under existing law, a beneficiary of a spendthrift trust may not transfer his or her interest in the trust and a creditor of the beneficiary may not satisfy the creditor's claim from the beneficiary's interest in the trust. (NRS 166.120) Existing law further authorizes the creation of self-settled spendthrift trusts, which are spendthrift trusts in which the settlor is a beneficiary. Under existing law, a self-settled spendthrift trust may be created only if the trust is irrevocable, does not require any part of the income or principal to be distributed to the settlor and is not be intended to hinder, delay or defraud known creditors. (NRS 166.040)

Section 1.2 of this bill provides that **, under certain circumstances,** a transfer of property to a self-settled spendthrift trust is presumed to be made with actual intent to defraud an obligee named in a family support order and is void if: (1) the transfer is made after the commencement of a domestic relations proceeding; (2) the transfer is made less than 2 years before the commencement of such a proceeding; (3) the transfer is made while the settlor is subject to certain family support orders; or (4) a court order expressly requires the settlor to transfer the property to his or her child, spouse or former spouse, or a domestic partner or former domestic partner, or

for the benefit of such a person. **Section 1.2** further provides that under certain circumstances, a trustee of a self-settled spendthrift trust is required to provide written notice of certain distributions from the trust to an obligee named in a family support order. **Section 3** of this bill provides that the provisions of **section 1.2** apply only to: (1) family support orders issued on or after October 1, 2013; (2) transfers of property to a self-settled spendthrift trust made on or after October 1, 2013; and (3) distributions from a self-settled spendthrift trust made on or after October 1, 2013.

Section 1.5 of this bill enacts provisions governing: (1) the transfer of property owned jointly by spouses or domestic partners to a self-settled spendthrift trust, which apply to a transfer of property occurring on or after October 1, 2013; and (2) the division of a self-settled spendthrift trust established jointly by spouses or domestic partners into two separate spendthrift trusts upon a divorce, an annulment, a legal separation or the termination of a domestic partnership.

Section 1.9 of this bill prohibits the settlor, certain relatives and employees of the settlor, and business entities in which the settlor or certain relatives or employees of the settlor hold certain voting power, from acting as a distribution trustee or a distribution adviser of a self-settled spendthrift trust while the settlor is subject to a family support order.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 166 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.1 ~~[and 1.2]~~ **to 1.5, inclusive,** of this act.

Sec. 1.1. ***As used in this chapter, unless the context otherwise requires, the ~~[term "domestic]~~ words and terms defined in sections 1.11 to 1.16, inclusive, of this act have the meanings ascribed to them in those sections.***

Sec. 1.11. "Distribution adviser" means a person other than a trustee in whose discretion a distribution to the settlor must be approved for that distribution to be in compliance with paragraph (g) of subsection 2 of NRS 166.040, regardless of the title of such person and whether such person is acting in a fiduciary or nonfiduciary capacity.

Sec. 1.12. "Distribution trustee" means a trustee in whose discretion a distribution to the settlor must be approved for that distribution to be in compliance with paragraph (g) of subsection 2 of NRS 166.040.

Sec. 1.13. "Domestic partner" means a person who is in a domestic partnership ~~[that]~~ which is registered pursuant to chapter 122A of NRS and ~~[that]~~ which has not been terminated pursuant to that chapter.

Sec. 1.14. "Jointly owned property" means property transferred to a self-settled spendthrift trust that was owned jointly by spouses or domestic partners at the time of the transfer, regardless of whether such property

was held in joint tenancy, as tenants by the entireties, as tenants in common or as community property, including all investments and reinvestments thereof.

Sec. 1.15. "Order" means an order issued by a court of competent jurisdiction of this State or an order granted by a court of competent jurisdiction outside of this State that is properly domesticated.

Sec. 1.16. "Self-settled spendthrift trust" means a spendthrift trust of which a settlor is a beneficiary.

Sec. 1.2. *1. Notwithstanding any other provision of law [,] and except as otherwise provided in subsection 2, a transfer of property to a self-settled spendthrift trust is presumed to be made with actual intent to defraud each obligee of a domestic relations order, and the transfer is presumed void as to each such obligee, if:*

(a) The transfer is made after the commencement of a domestic relations proceeding;

(b) The transfer is made within the 2 years immediately preceding the commencement of a domestic relations proceeding;

(c) The transfer is made while the settlor is subject to a family support order; or

(d) An order, judgment or decree of a court of competent jurisdiction expressly requires the settlor to transfer the property to his or her child, spouse or former spouse, or domestic partner or former domestic partner, or to a trust for the benefit of such a person.

2. The presumption set forth in subsection 1 does not apply to a self-settled spendthrift trust that is established jointly by spouses or domestic partners and to which the provisions of section 1.5 of this act apply.

3. Regardless of whether a court order restrains a transfer of the property, the presumption set forth in subsection 1 applies to all property of either spouse or domestic partner, unless a court order expressly excludes the application of the presumption to the property.

4. In an action to determine whether a transfer of property is void pursuant to paragraph (a) or (b) of subsection 1, the 2-year limitation period set forth in NRS 166.170 does not commence until a court enters a domestic relations order.

5. An action to determine whether a transfer of property is void pursuant to paragraph (c) of subsection 1 may be brought within the period described in paragraph (a) of subsection 1 of NRS 166.170 or, if the transfer was made while the settlor was delinquent in making payments required under a family support order, within 4 years after the transfer.

6. An action to determine whether a transfer of property is void pursuant to paragraph (d) of subsection 1 may be brought within the period described in paragraph (a) of subsection 1 of NRS 166.170 or, if the

transfer was made in violation of a property transfer order, within 4 years after the transfer.

7. If a transfer described in subsection 1 is determined to be void as to an obligee, the court having jurisdiction to enforce the domestic relations order may enforce the domestic relations order against the transferred property, and any investments or reinvestments thereof, as if such property were owned by the transferring settlor to the extent the court finds that the settlor has no other property or income from which the court may compel satisfaction of the domestic relations order.

8. Regardless of whether the self-settled spendthrift trust or the trustee of the self-settled spendthrift trust is a party to an action resulting in a family support order, the trustee shall, not later than 30 days before making a distribution of the income or principal of the self-settled spendthrift trust to a beneficiary who is a settlor, provide written notice of the distribution to each obligee named in the family support order, if the family support order expressly requires such notice. A written notice required by this subsection must:

(a) State:

(1) The date on which the distribution will be made;

(2) The amount of the distribution; and

(3) The manner in which payment of the distribution will be made.

(b) Unless a written agreement entered into by the obligee who is required to be provided the written notice provides otherwise, be sent by personal delivery, by certified mail, return receipt requested, or by any other delivery service for which a receipt for delivery is obtained to the address provided to the trustee by the obligee required to be provided the written notice.

~~[3.]~~ 9. If, after an obligee named in a family support order provides a copy of the family support order to the trustee and an address to which the written notice required by subsection ~~[2]~~ 8 is to be sent, the trustee makes a distribution of the income or principal of the self-settled spendthrift trust to a beneficiary who is a settlor and who is an obligor named in the family support order without sending the written notice required by subsection ~~[2,]~~ 8, the trustee is personally liable to the obligee for the lesser of:

(a) The amount of such distribution; and

(b) The amount due the obligee pursuant to the family support order,

➥ unless the trustee establishes to the satisfaction of the court having jurisdiction to enforce the family support order that the information required to be provided in the written notice would not have facilitated enforcement of the family support order.

~~[4.]~~ 10. This section does not make any property which was the subject of a transfer determined to be void subject to the enforcement of any debt other than a debt owed under a domestic relations order.

11. As used in this section:

(a) "Child" means a person to whom a settlor of a self-settled spendthrift trust owes a parental duty of support pursuant to:

(1) The laws of this State;

(2) A written agreement to which the settlor is a party; or

(3) The order of a court of competent jurisdiction.

(b) "Distribution" includes, without limitation, a distribution from a self-settled spendthrift trust to a person other than a beneficiary who is a settlor for the benefit of a beneficiary who is a settlor. The term does not include an authorization given by the trustee of a self-settled spendthrift trust for a beneficiary who is a settlor to use an asset of the self-settled spendthrift trust, the title to which remains in the trust, including, without limitation, a residence or vehicle.

(c) "Domestic relations order" means a family support order or a property transfer order.

(d) "Domestic relations proceeding" means a legal proceeding that may result in the issuance of a domestic relations order, including, without limitation, an action for divorce, annulment or separate maintenance pursuant to chapter 125 of NRS or any proceeding related to the termination of a domestic partnership that is registered pursuant to chapter 122A of NRS.

(e) "Family support order" means a judgment, decree or order of a court for the support or maintenance of a child, spouse or former spouse, or domestic partner or former domestic partner.

(f) "Obligee" means:

(1) With respect to a family support order, a child, spouse or former spouse, or domestic partner or former domestic partner to whom, or for whose benefit, a court has ordered the payment of support or maintenance.

(2) With respect to a property transfer order, a child, spouse or former spouse, or domestic partner or former domestic partner to whom, or for whose benefit, a court has ordered one or more property transfers.

(g) "Property transfer order" means an order, judgment or decree of a court which requires the transfer of property to a child, spouse or former spouse, or domestic partner or former domestic partner, or to a trust for the benefit of such a person.

~~[(h) "Self settled spendthrift trust" means a spendthrift trust of which a settlor is a beneficiary.]~~

Sec. 1.3. (Deleted by amendment.)

Sec. 1.5. 1. A transfer of jointly owned property to a spendthrift trust which is made on or after October 1, 2013, is presumed void, unless both spouses or domestic partners, whichever is applicable, jointly transfer the property.

2. Any transfer of jointly owned property to a self-settled spendthrift trust which is made on or after October 1, 2013, is presumed void unless both spouses or domestic partners, whichever is applicable, have signed a written agreement, declaration or transfer document in which each spouse or domestic partner, as applicable, expressly acknowledges that any transfer of such property to a self-settled spendthrift trust waives all property rights in the property being transferred to the self-settled spendthrift trust that are inconsistent with the rights of the spouse or domestic partner as a beneficiary under the terms of the trust agreement. An agreement, declaration or transfer document required by this subsection must meet the standards that govern the actions of persons occupying relations of confidence and trust toward each other and is subject to the following:

(a) Notwithstanding any provision of chapter 162A of NRS to the contrary, a spouse or domestic partner has no authority as an agent of his or her spouse or domestic partner, as applicable, under a power of attorney, to sign a document effectuating a transfer of jointly owned property or a written agreement, declaration or transfer document required by this subsection.

(b) If a guardian has been appointed for a spouse or domestic partner, the guardian may not sign on behalf of the ward a document effectuating a transfer of jointly owned property or a written agreement, declaration or transfer document required by this subsection unless an order of the court having jurisdiction over the guardianship proceeding expressly authorizes the guardian to sign such a document on behalf of the ward.

3. The only property interest of a beneficiary of a valid spendthrift trust is a beneficial interest in the spendthrift trust in accordance with the terms of the trust agreement and subject to the applicable laws of this State governing trusts. A self-settled spendthrift trust is not subject to termination in a domestic relations proceeding except in accordance with the terms of the trust agreement, but it may be divided into two separate trusts to the extent permitted under NRS 163.556.

4. Except as expressly provided otherwise in a trust agreement governing a self-settled spendthrift trust established jointly by spouses or domestic partners, when the settlors are divorced or legally separated, or terminate a domestic partnership, the trustee must divide the joint self-settled spendthrift trust into two separate spendthrift trusts with each

spouse or domestic partner, as applicable, as the settlor of a new spendthrift trust, subject to the following:

(a) Any jointly owned property in which the spouses or domestic partners had equal ownership must be divided equally between the two spendthrift trusts, on a pro rata or non-pro rata basis based on the current fair market value thereof.

(b) Any jointly owned property in which the spouses or domestic partners had unequal ownership must be divided between the two spendthrift trusts in proportion to the contribution of each spouse or domestic partner, on a pro rata or non-pro rata basis based on the current fair market value.

(c) Any trust property that was contributed to the self-settled spendthrift trust as a settlor's separate property, together with all investments and reinvestments thereof, must be allocated to the separate spendthrift trust for that settlor.

(d) The court having jurisdiction over the division of the property of the settlors in the action for divorce, annulment, separate maintenance or termination of domestic partnership has jurisdiction over the division of property between the two spendthrift trusts, but to avoid unintended consequences under federal tax laws, the division of property between the separate spendthrift trusts must be done independently from, and without regard to, the division of nontrust property.

(e) For the purposes of NRS 166.170, each new spendthrift trust must be deemed a continuation of the original trust, and each transfer of property to a new spendthrift trust relates back to the date the property was transferred to the original trust.

(f) The provisions of the new spendthrift trusts must be the same as the terms of the trust agreement of the self-settled spendthrift trust which is being separated, except as otherwise authorized by NRS 163.556. With respect to each new spendthrift trust, unless the former spouse or domestic partner who is not the beneficiary of the new spendthrift trust consents in writing:

(1) The former spouse or former domestic partner who is not the beneficiary of the new spendthrift trust does not have any right, power or benefit with respect to that trust as a beneficiary, trustee, trust protector, agent, adviser or any other right, power or benefit, except to the extent the terms of the trust agreement specifically indicate that any such rights, powers or benefits exist even if the party is no longer the spouse or domestic partner of the settlor; and

(2) The settlor may exercise unilaterally all of the powers reserved or rights given in the original trust agreement to either settlor or to the settlors acting jointly.

Sec. 1.6. (Deleted by amendment.)

Sec. 1.9. NRS 166.015 is hereby amended to read as follows:

166.015 1. Unless the writing declares to the contrary, expressly, this chapter governs the construction, operation and enforcement, in this State, of all spendthrift trusts created in or outside this State if:

(a) All or part of the land, rents, issues or profits affected are in this State;

(b) All or part of the personal property, interest of money, dividends upon stock and other produce thereof, affected, are in this State;

Conference Amendment No. CA13.

AN ACT relating to criminal justice; revising provisions governing the crime of burglary; revising provisions governing the crime of vagrancy; authorizing the Advisory Commission on the Administration of Justice to apply for and accept certain money; requiring the Commission to study and report on certain issues; authorizing each county to establish a community court pilot project to provide an alternative to sentencing a person who is

charged with ~~[a misdemeanor;]~~ **certain misdemeanors;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who enters certain structures with the intent to commit grand or petit larceny, assault or battery, any felony or to obtain money by false pretenses is guilty of the crime of burglary. (NRS 205.060) Existing law also provides that a person commits the crime of petit larceny if the person intentionally steals, takes and carries, leads or drives away certain goods or property. (NRS 205.240) **Section 1** of this bill removes the crime of petit larceny from the underlying offenses which constitute burglary if the petit larceny was intended to be committed in a commercial establishment during business hours and the person has not: (1) twice previously been convicted of petit larceny within the previous 7 years; or (2) previously been convicted of a felony.

Existing law prohibits a person from lodging in any building, structure or place without certain permission. (NRS 207.030) **Section 1.5** of this bill further prohibits a person from lodging in such a place if the property is the subject of a notice of default and election to sell or is placed on a registry of vacant, abandoned or foreclosed property, unless the person is the owner, tenant or otherwise entitled to possession of the property.

Existing law establishes the Advisory Commission on the Administration of Justice and directs the Commission, among other duties, to identify and study the elements of this State's system of criminal justice. (NRS 176.0123, 176.0125) **Section 3** of this bill authorizes the Chair of the Commission to apply for grants and accept grants, bequests, devises, donations and gifts. **Section 8** of this bill requires the Commission to include certain items relating to criminal justice on an agenda for discussion and to issue a report.

Existing law provides that a misdemeanor is punishable by a fine of not more than $1,000 or imprisonment in the county jail for not more than 6 months, or by both a fine and imprisonment. (NRS 193.150) **Section 10** of this bill authorizes each county to establish a community court pilot project within any of its justice courts located in the county to provide an alternative to sentencing a person who is charged with ~~[a misdemeanor.]~~ **certain misdemeanors.** **Section 11** of this bill requires the community court to evaluate each defendant to determine whether services or treatment is likely to assist the defendant to modify behavior or obtain skills that may prevent the defendant from engaging in further criminal activity. The services or treatment that the community court may order the defendant to receive may include, without limitation, treatment for alcohol or substance abuse, health education, treatment for mental health, family counseling, literacy assistance, job training, housing assistance or any other services or treatment that the community court deems appropriate. **Section 11** provides that if the

defendant successfully completes all conditions imposed by the community court, the sentence to which the defendant agreed upon with the justice court must not be executed or recorded. If the defendant does not successfully complete the conditions imposed, the case will be transferred back to the justice court, and the sentence must be carried out.

In evaluating such potential legislation, the Commission shall consider current practices governing sentencing and release from imprisonment and correctional resources, including, without limitation, the capacities of local and state correctional facilities and institutions.

2. Upon review of the issues pursuant to subsection 1, the Commission shall prepare a comprehensive report including the Commission's

Sec. 9. As used in sections 10 and 11 of this act, "community court" means the community court that is established as part of a pilot project pursuant to section 10 of this act.

Sec. 10. 1. Each county may establish a community court pilot project within any of the justice courts located in the county to provide an alternative to sentencing a person who is charged with a misdemeanor **~~[~~.~~]~~ , other than a misdemeanor constituting an act of domestic violence pursuant to NRS 33.018 or a violation of NRS 484C.110 or 484C.120.**

2. Notwithstanding any other provision of law, a defendant charged with a misdemeanor **, other than a misdemeanor constituting an act of domestic violence pursuant to NRS 33.018 or a violation of NRS 484C.110 or 484C.120,** may be transferred to the community court by the justice court if the defendant:

(a) Pleads guilty to the offense;

(b) Has not previously been referred to the community court;

(c) Agrees to comply with the conditions imposed by the community court; and

3. When a defendant is transferred to the community court, sentencing must be postponed and, if the defendant successfully completes all conditions imposed by the community court, the sentence of the defendant must not be executed or appear on the record of the defendant. If the defendant does not successfully complete all conditions imposed by the community court, the sentence must be carried out.

4. A defendant who is transferred to the community court remains under the supervision of the community court and must comply with the conditions established by the community court.

5. Each county may collaborate with state and local governmental entities as well as private persons and entities to coordinate and determine the services and treatment that may be offered to defendants who are transferred to the community court.

6. A defendant does not have a right to be referred to the community court pursuant to this section. It is not intended that the establishment or operation of the community court creates any right or interest in liberty or property or establishes a basis for any cause of action against the State of

Nevada, its political subdivisions, agencies, boards, commissions, departments, officers or employees. The decision by the justice court of whether to refer a defendant to the community court is not subject to appeal.

Sec. 11. 1. The community court shall provide for the evaluation of each defendant transferred to the community court to determine whether services or treatment is likely to assist the defendant to modify his or her behavior or obtain skills which may prevent the defendant from engaging in further criminal activity. Such services or treatment may include, without limitation, treatment for alcohol or substance abuse, health education, treatment for mental health, family counseling, literacy assistance, job training, housing assistance or such other services or treatment as the community court deems appropriate.

2. The community court shall provide or refer a defendant to a provider of such services or treatment. The community court may enter into contracts with persons or private entities that are qualified to evaluate defendants and provide services or treatment to defendants.

3. A defendant who is ordered by the community court to receive services or treatment shall pay for the services or treatment to the extent of his or her financial resources.

4. The justice court shall not refuse to refer a defendant to the community court based on the inability of the defendant to pay any or all of the related costs.

Such community service must be performed for and under the supervising authority of a county, city, town or other political subdivision or agency of the State of Nevada or a charitable organization that renders service to the community or its residents.

6. Notwithstanding any other provision of law, if a defendant successfully completes the conditions imposed by the community court, the community court shall so certify to the justice court, and the sentence imposed pursuant to section 10 of this act must not be executed or recorded. If the defendant does not successfully complete the conditions imposed by the community court, the case must be transferred back to the justice court, and the sentence must be carried out.

Conference Amendment No. CA15.

AN ACT relating to common-interest communities; ~~[revising provisions governing an association's lien on a unit;]~~ **authorizing the establishment of an impound account for the payment of assessments under certain circumstances;** revising provisions governing the ~~[payment]~~ **collection** of **past due** financial obligations **owed** to an association; revising provisions governing the foreclosure of an association's lien by sale; requiring an association to provide a statement concerning certain amounts due to the association under certain circumstances; authorizing an association to charge a fee for such a statement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a homeowners' association has a lien on a unit for certain amounts due to the association. ~~[Generally, the association's lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association's lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association's lien that is prior to the first security interest on the unit is commonly referred to as the "super-priority lien."]~~ (NRS 116.3116) Existing law authorizes the association to foreclose its lien by sale and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168)

~~[This bill revises provisions governing the association's lien on a unit and the foreclosure of the association's lien. Section 10 of this bill provides that the association does not have a priority lien over the first security interest when the association forecloses its lien and, thus, the foreclosure of the association's lien does not extinguish the first security interest on the unit. However, under section 7 of this bill, if the holder of the first security interest forecloses on a unit, the association has a lien on the unit which is prior to the first security interest. This priority lien consists of the amounts included in the "super-priority lien" under existing law and the costs of collecting the assessments included in the "super-priority lien," unless the federal~~

~~regulations adopted by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association or the Department of Veterans Affairs require a shorter period of priority or prohibit the inclusion of collection costs in the "super-priority lien." Section 7 also limits the amount of the costs of collecting included in the lien upon the foreclosure of the first security interest.~~**]**

Section 7 of this bill authorizes the establishment of an impound account for advance contributions for the payment of assessments. Under **section 8** of this bill, **[**~~the association may not foreclose its lien by sale based on unpaid collection costs. Section 9 of this bill requires that certain notice of the foreclosure of the association's lien be provided by certified or registered mail, return receipt requested, rather than by first-class mail.~~

~~Section 3 of this bill: (1) sets forth the order in which an association must apply a payment made by a unit's owner who is delinquent in the payment of assessments, unless a contract between the association and the unit's owner provides otherwise; and (2) prohibits the association or its agent from refusing to accept a partial payment from a unit's owner or any holder of a first security interest encumbering the interest of the unit's owner because the amount tendered is less than the amount owed.~~**]** **not earlier than 60 days after a unit's owner becomes delinquent on a payment owed to the association and before the association mails a notice of delinquent assessment or takes any other action to collect a past due obligation, the association must mail a notice to the unit's owner setting forth the fees that may be charged if the unit's owner fails to pay the past due obligation, a proposed repayment plan and certain information concerning the procedure for requesting a hearing before the executive board.**

Section 11 of this bill authorizes a unit's owner**, ~~[or]~~** the authorized agent of a unit's owner **or the holder of a security interest on the unit** to request from the association a statement concerning certain amounts owed to the association. Under **section 11**, the association may charge certain fees for such a statement. **Section 11** also revises provisions governing the resale package provided to a prospective purchaser of a unit and authorizes the association to charge a fee for providing in electronic format certain documents related to the resale package.

Conference Amendment No. CA3.

AN ACT relating to public works; extending the authority for the Department of Transportation to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways through June 30, 2017; amending certain requirements governing contractors involved in public works; amending certain requirements governing bidding for public works when a public body decides to contract with a construction manager at risk; prospectively repealing provisions relating to construction managers at risk; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain prime contractors who submit bids for a public work to include with the bid a list that discloses the first tier subcontractors who will perform a certain portion of the work on the public work. (NRS 338.141) **Section 6** of this bill amends the provisions prescribing which subcontractors must be named on the list. **Section 6** also requires the prime contractor to include on the list: (1) a description of the labor or portion of the work that the prime contractor will perform; or (2) a statement that the prime contractor will perform all work other than that being performed by a subcontractor named on the list.

Existing law allows a public body to contract with a construction manager at risk, which is a construction manager who is required to construct a public work within a guaranteed maximum price, a fixed price or a fixed price plus reimbursement for certain costs. (NRS 338.169, 338.1696) **Section 7.5** of this bill limits to two per year the number of public works for which each public body in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) may enter into contracts with a construction manager at risk.

Section 8 of this bill requires a request for proposals for a construction manager at risk to include a list of the selection criteria and the relative weight thereof that will be used to rank applicants for a construction manager at risk.

Existing law requires a proposal for a construction manager at risk to include an explanation of the experience that the applicant has with projects of similar size and scope. **Section 8** specifies that the explanation may include an explanation of experience by any delivery method, regardless of whether that method was the use of a construction manager at risk, and including design-build, design-assist, negotiated work or value-engineered work. **Section 8** also requires the public body or its authorized representative to make available to the public the name of each applicant who submits a proposal for a public work to be performed by a construction manager at risk.

Section 10 of this bill requires a construction manager at risk who has entered into a contract with a public body for services related to construction that are provided before actual construction begins to provide to the public body, before entering into a contract for construction of the public work, a list of the labor or portions of the work which are estimated by the construction manager at risk to exceed a certain percentage of the estimated cost of the public work.

Existing law requires a public body to appoint a panel of at least three persons, with at least two having experience in the construction industry, to rank proposals and interview the top applicants for a public work. (NRS 338.1693) **Section 9** of this bill limits such a panel to seven members and requires that a majority of the panel have experience in the construction industry. **Section 9** also authorizes the public body to appoint another panel, similarly comprised, to interview the top applicants.

Section 11 of this bill provides that if a public work involves predominantly horizontal construction, a construction manager at risk who enters into a contract for the construction of the public work shall perform construction work equal in value to at least 25 percent of the estimated cost of construction himself or herself, or using his or her own employees. **Section 2** of this bill defines the term "horizontal construction."

Sections 12 and 13 of this bill modify requirements governing the procedure that a construction manager at risk is required to use when selecting and contracting with subcontractors.

Under existing law, the Department of Transportation may award a contract for the construction, reconstruction, improvement and maintenance of a highway to a construction manager at risk on or before June 30, 2013. **Sections 5 and 5.3** of this bill authorize the Department to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways through June 30, 2017. **Section 5** also specifies the circumstances under which the provisions of chapter 338 of NRS apply to such contracts.

Section 14.3 of this bill requires the Department to conduct a study on the benefits to this State of entering into contracts with construction managers at risk for the construction, reconstruction, improvement or maintenance of highways and to submit that report on or before January 31, 2017, for transmittal to the 79th Session of the Legislature. **Section 14.5** of this bill requires each public body to submit annually, to the Legislature or the Legislative Commission, a report on each public work for which the public body enters into a contract with a construction manager at risk. The report must include a description of the public work, the name of the construction manager at risk and a report on the progress of the public work or, if the public work has been completed, an explanation of whether the public body is satisfied with the public work and with the contractual arrangement with the construction manager at risk.

Section 14.7 of this bill repeals all of the provisions relating to construction managers at risk effective July 1, 2017.

Sec. 9. NRS 338.1693 is hereby amended to read as follows:

338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three ***but not more than seven*** members, [~~at least two~~] ***a majority*** of whom must have experience in the

construction industry, to rank the proposals submitted to the public body by evaluating the proposals as required pursuant to subsections 2 and 3.

2. The panel ***appointed pursuant to subsection 1*** shall rank the proposals by:

3. When ranking the proposals, the panel ***appointed pursuant to subsection 1*** shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

4. After the panel ***appointed pursuant to subsection 1*** ranks the proposals, the public body or its authorized representative shall, except as otherwise provided in subsection ~~[5,]~~ ***8,*** select at least the two but not more than the five applicants whose proposals received the highest scores for interviews.

5. The public body or its authorized representative may appoint a separate panel to interview and rank the applicants selected pursuant to subsection 4. If a separate panel is appointed pursuant to this subsection, the panel must consist of at least three but not more than seven members, a majority of whom must have experience in the construction industry.

6. During the interview process, the ~~[public body or its authorized representative]~~ ***panel conducting the interview*** may require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. ***All presentations made at any interview conducted pursuant to this subsection or subsection 5 may be made only by key personnel employed by the applicant, as determined by the applicant, and the employees of the applicant who will be directly responsible for managing the preconstruction and construction of the public work.***

7. After conducting such interviews, the panel ***that conducted the interviews*** shall rank the applicants by using a ranking process that is separate from the process used to rank ~~[proposals]~~ ***the applicants*** pursuant to

subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant.

~~[5.]~~ ***When ranking the applicants, the panel that conducted the interviews shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.***

8. If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.

~~[6.]~~ ***9.*** Upon receipt of the final rankings of the applicants from the panel ~~[,]~~ ***that conducted the interviews,*** the public body or its authorized representative shall enter into negotiations with the most qualified applicant determined pursuant to ~~[subsections 2, 3 and 4]~~ ***the provisions of this section*** for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative and the most qualified applicant determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

~~[7.]~~ ***10.*** The public body or its authorized representative shall make available to all applicants and the public the final rankings of the applicants ***, as determined by the panel that conducted the interviews,*** and shall provide, upon request, an explanation to any unsuccessful applicant of the reasons why the applicant was unsuccessful.

Sec. 10. NRS 338.1696 is hereby amended to read as follows:

338.1696 1. MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Horne moved that Senate Bill No. 320 be taken from the General File and placed on the Chief Clerk's desk.

Motion carried.

GENERAL FILE AND THIRD READING

Senate Bill No. 123.

Bill read third time.

Remarks by Assemblymen Bobzien, Hansen, Duncan, Carlton, Fiore, and Madam Speaker.

ASSEMBLYMAN BOBZIEN:

Senate Bill 123 requires certain electric utilities to file with the Public Utilities Commission of Nevada (PUCN) a comprehensive plan for emissions reductions from coal-fired electric generating plants and for the replacement of such plants with increased capacity from renewable energy facilities and other electric generating plants. The measure prescribes the minimum requirements of such plans, including the retirement or elimination of not less than 800 megawatts of coal-fired electric generating capacity on or before December 31, 2019; the construction or acquisition of, or contracting for, 350 megawatts of electric generating capacity from renewable energy facilities; and the construction or acquisition of 550 megawatts of electric capacity from other electric generating plants.

The measure provides for the recovery of certain costs incurred by an electric utility in carrying out an emissions reduction and capacity replacement plan. The bill prescribes the powers and duties of the Division of Environmental Protection of the State Department of Conservation and Natural Resources with respect to such a plan.

If the PUCN deems inadequate any portion of a utility's emissions reduction and capacity plan or an amendment to the plan, the PUCN may recommend a modification to the plan or amendment, and the utility may accept the modification or withdraw the proposed plan or amendment. The PUCN is required after a hearing to review and accept or modify such a plan. Finally, the bill requires that any order issued by the PUCN accepting an element of such a plan must authorize a utility to construct or acquire and own electric generating plants necessary to implement it.

The goal of this bill is to provide a means for replacing company-owned, retired coal-fired capacity with 550 megawatts of company-owned generating capacity. The Commission will determine when and how that happens through an emissions reduction capacity replacement plan. However, the bill does not replace the integrated resource plan (IRP) in process. The Commission will continue to supervise long-term resource planning and address other existing customer needs such as those met by existing contracts through that process. Number one, it addresses concerns raised by the PUCN and the independent power producers. The legislation should be construed to recognize that the Commission will use the IRP process to address existing capacity and energy needs such as those met by existing contracts. This means that the Commission has the authority to extend existing power purchase agreements to meet the need that they currently satisfy. When the Commission finds there is a need to replace existing coal-fired generating capacity that will be retired or that there is a need for new capacity, for instance to meet growth, then the Commission should authorize the company to acquire or construct and own the first 550 megawatts of capacity to replace company-owned generation retired by the plan.

Coal-fired power plants have long polluted our state and threatened the health of thousands of Nevadans. This session we are making the choice to move our state forward by moving away

from this form of production of energy. Nevada has a bright future with clean energy production and the finding of solutions for climate change. I urge passage.

ASSEMBLYMAN HANSEN:

Like you, I'd like to go home, too, but I think we need to really take a little bit of time and think about Senate Bill 123. I rise in opposition to it. As far as the policy of getting away from coal-powered plants, I have no problem, and I think everybody would agree that that's a good and noble thing.

I have to admit I've been highly disappointed in the whole dealings on S.B. 123, because this, if anything, should have been a very bipartisan effort. Normally, most of us are highly skeptical of big, giant corporations. Even in the free market, we recognize there is a need for regulation. In this case we are dealing with one of the biggest monopolies in the entire Western United States, yet we are moving away from regulation with this bill. In effect, the people don't have a lobbyist on this. I have to tell you that my involvement in this came about because some people came to me from the Consumer Protection Division and said, "Ira, we are desperate. We don't have anybody who is listening to us on this. We didn't get a fair hearing in the Senate." They wanted me to get involved in it, so I said, "Okay," and they had me get in touch with them and some staff members of the PUCN. From that, I drafted some amendments that we tried to introduce in Commerce and Labor, all of which were rejected.

It's been really fascinating to me to see this reaction, because what we have done is stripped the PUCN, by their own admission—their own staff people coming to our committee—of some absolutely vital things that we need to give to them to protect the consumer from this giant monopoly. So it is really strange that in this case, we are not having that kind of support. In effect, the 42 people here are the lobbyists for the people. There is nobody here defending the average ratepayer in the state. It is not happening. So when those amendments came up and I proposed them at the committee, I thought, frankly, we would get some support because we are moving in the wrong direction. We are taking away things that the PUCN staff wanted to have in the law. And why would they move away, and why were they intimidated? Well, frankly—and with your permission, Madam Speaker—I just want to comment on something that United States Senator Reid said after two PUCN staffers had testified in the neutral position in front of Commerce and Labor. This was the reaction from a United States Senator: "They raised hell here,"—talking about here in the Legislature—"because it was taking away their power. Well, I think we need to take power away from this little bureaucracy." That has a very, very chilling effect on people that we need to come here—staff people—and tell us the pros and cons of a piece of legislation like this. And I can tell you when we had our hearing on Sunday, one of those people was supposed to come and tell the technical parts of the amendment, and when I called him Sunday morning to make sure he was going to be there, he told me he'd been told not to come to the hearing. I was amazed by that. He was actually intimidated just to show up and testify on that. I don't know exactly who is running the show and telling these people they can't even show up to our hearings, but we need those people desperately to help us make these kinds of decisions.

If S.B. 123 is as good as everybody is pretending that it is, it should have been able to stand on its own merits. We should have had open, free, and fair discussions on these things. This thing has been ramrodded through the Senate, and I've been trying to hold it up and let everybody have a fair shake on this thing in our house. I've been getting pounded on it, as I suspect you have, too. But again, who has been lobbying on behalf of the consumer? We are talking about spending over $1 billion of other people's money, and the one agency between a giant monopoly and the ratepayer are the persons that in this bill we are basically taking some key powers away from. So I just don't understand it. This, to me, should have been a bipartisan effort. Some of you won't even shop at Walmart because you recognize the kind of threat that those big corporations have, yet here we are going to turn to Warren Buffet. And by the way, how many of you got a personal call from Warren Buffet? The chairman of the Senate Commerce and Labor Committee got a personal call from Warren Buffet. That, to me, is very

peculiar. Does that have any impact on this legislation? I would have to say it is hard for me to believe that it doesn't.

I am sorry if I seem to be rambling a little bit, but I'm honestly baffled. For once, I would think the Democrats and Republicans would recognize that we need serious regulation over a giant monopoly like this that's going to be doing some billion dollar business, and instead we are actually removing their power. I would like to urge this body to vote no on S.B. 123. All of the stuff with the coal power plants can be done now through regulation by the PUCN. The process is already in place for that sort of thing. I don't understand why we have to have the Legislature do this sort of a thing this late in the session and try to ramrod it through with a minimum amount of hearings and keep staff people away from our hearings so that we can't get the facts and try to make a good decision. Now I understand there is going to be an interim committee. I support that concept, but the interim committee, simply made up of legislators who meet part time, won't have the same knowledge or impact or ability to really judge the facts like the PUCN does. So between the Consumer Advocate's Office and the Public Utilities Commission, we should be giving these people more authority, certainly not restricting it, which is what this bill does.

So with that, Madam Speaker, I want to wind it up. Thank you for allowing me to have my say tonight. Please consider the needs of the consumer tonight and side with them. If we are going to make a mistake, let's make a mistake on the side of protecting the consumer, not on the side of protecting a giant monopoly.

ASSEMBLYMAN DUNCAN:

I rise in opposition to Senate Bill 123. I do so with my constituents in mind this evening. I do so with many of the elderly that I have living on Social Security, on fixed incomes, and thinking about what might be the possible ramifications of this bill in the future. I'll tell you that I, too, had some concerns, like my colleague from Sparks, that some of the amendments were not adopted. I know that there was a more robust discussion on our side of the house. There wasn't that much of a robust discussion on the Senate side. I know that definitely there were some consumer protections that I wish would have gone into the bill. I'll tell you that the ratepayers are going to be on the hook, according to the bill, for the cost of constructing new plants, underdepreciating and decommissioning costs for closing coal plants, and the stockpiles of coal. I also look at the context of the volatility of natural gas prices. Over the last ten years, according to the Department of Energy, natural gas prices have been anywhere from $2 per million BTUs all the way to $14. As other states continue to go towards more green energy and those things, there is going to be a higher demand. We also don't know what the federal government will do with fracking and all of those things as well. So I think we could see a rise in natural gas prices, and I do believe while it's a great policy goal to continue to have cleaner energy, I think one of the things we need to keep in mind is to have some diversity in that portfolio to try to cushion the ratepayers from some of these exorbitant costs.

One of the other things that I think about, too, is Nevada struggling to try to be extremely business friendly. Energy is one of those things that matters a lot when businesses take into account where they are going to relocate. Colorado had a similar plan that went through. It was estimated that their costs would only go up about the same amount that we are being told by Nevada Energy. Their costs have actually skyrocketed to a rise between 11 percent and 50 percent when they were told it would be about 2 percent. Ratepayers pay between $5 billion and $22 billion more cumulatively over the 2011 to 2020 period. It was a study by Bestec and Winling who did economic modeling there. So I just rise and have some concerns. As a policy, I know we want to continue to move towards clean energy. I just would have liked to see a little bit more prudence than that. So with my constituents in mind, I rise in opposition and I urge this body to do so as well.

ASSEMBLYWOMAN CARLTON:

I rise in support of Senate Bill 123. I just wanted to put a couple of things on the record and would like to clarify and hope that my colleague from Assembly District 32 wasn't trying to attribute any motive to anything that happened with Senate Bill 123, because I believe that that would be totally inappropriate to put words in other legislators' mouths as to what actually transpired with Senate Bill 123. To characterize it as a ramrod I believe is inaccurate. We didn't get the bill until day 113. Here we are on day 120 discussing the bill. The whole session, this bill has been a topic of discussion in many of its iterations. Let's clarify a couple of other things. The PUCN has a balanced interest. They are here to protect the consumer and the shareholders. This is a balancing act because it is a monopoly. The Consumer Advocate has another position in this issue to protect the public, but they have limited ways of doing that because of the way we define public interest. So we have to make sure we understand that. The PUCN testified neutral; the Consumer Advocate testified against.

In 1999 and 2001, there were numerous proposals to deregulate electricity, because we realized the electrical scheme in this state needed to be modernized. At that time total deregulation would have been unsound for Nevada. Right after that, we experienced the ENRON problems. Nevada was thrown into a tizzy because our constituents did not have the energy that they needed and NV Energy at the time had to go out onto the spot market and buy very, very expensive energy. We were put in a terrible position.

Let's think about where energy is going in the future. Our nuclear plants that are around this side of the country are not going to be around forever, and many of them have gone past their decommission date. One of these days, they are not going to be generating electricity anymore. The state to the west will be gobbling up electricity, and we will have to be prepared to take care of our constituents and our seniors to make sure electricity is available when they flip on the switch and that it is at a good, reasonable, regulated price. If anyone thinks the price of coal is not going to go up, everything goes up. Coal is going to be expensive and natural gas is going to be expensive. We have to be able to move forward, and we have to be able to modernize. Now, this may sound quite ironic this evening, because here you have one of the liberal Democrats arguing for modernization and adjusting regulation and you have some of our more conservative friends arguing for regulation. So I find it kind of an irony this evening. But after 12 years of looking at energy and where it is going, we need to do something and we need to move forward. We can't stand still. We are going to grow. It takes two to three years to get something online for us. We can't wait until the day that our constituents are suffering from brownouts to be able to address this problem. We have to be proactive, and we have to give all of the regulators all of the tools that they need to be able to accomplish this. I'm not totally comfortable with Senate Bill 123, but it is a good step in the right direction and we have oversight built into Assembly Bill 428, which gives me a much greater level of comfort in this and knowing that this is going to be a two-to three-year process. And this is our company. It's been in Nevada for over a hundred years. These are Nevadans, and this is what it is all about—taking care of Nevadans. So I would hope that you would support Senate Bill 123.

ASSEMBLYWOMAN FIORE:

I rise in opposition of the bill. I thought about this long and hard and met with the people behind the bill. As I listen to my colleague from Assembly District 32 and my colleague from Assembly District 37, we are the lobbyists for our constituents. And sometimes my colleague from Assembly District 32 says things, but sometimes the truth hurts.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker, for allowing me to rise for a second time. I have appreciated all the debate on this issue. It has been spirited, it has been very robust, and the conversations with the regulators, with the staff, with the interests, with the opposition about this bill have been very, very full. I think any insinuation that this debate has not been as full as it has been besmirches the work that we do here in this Legislature. We all represent our constituents. I,

myself, am concerned about the health impacts of coal, about the possible future costs of coal power that will hit us in the future under federal regulatory changes that might happen. This is planning. This is getting ready for the future. This is what's right for our environment, for the health of all Nevadans, and for our economy. I urge passage.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I will just take a personal point here, myself. I'm probably the biggest critic, and I care the most in my district about my seniors who have to endure the energy costs, and I have for years. Do I think this is perfect legislation? No. Do I think there are some real precautionary pieces in there until 2018, which is section 11 of the bill? Absolutely. I think there are some real points with the mitigation to ensure that the rates do not go over 5 percent. Do I think this is the last time that energy is going to be discussed in this building? No way. I'm just thankful that more of you are interested in it, because when I started, there were about three of us. So I think it is great that people are willing to have the debate, have the discussion, learn the details, and understand the pluses and the minuses of it.

Do I think by having the energy oversight committee and having a statutory committee for the long term is the direction we have to go? Absolutely, because now it is one of our seven sectors that we focus on. Most of you have heard me say that we either have to get into the energy business or get out of the energy business. I don't think this is going away, and I don't think what happens tomorrow is going to change. What I will tell you is what no one has talked about here. There is a rate case that comes before the PUCN which gives oversight, which will be coming. There are also regulations that must be adopted, and my good colleague from District 32—he and I go through everything with a fine toothed comb. So I do think that between now and the time that we get back, there will be a big focus on it. We should have a focus on it because it is one of the seven sectors of our state that we picked because folks said that is the direction we must go. I don't think anyone should feel that having the discussion is terrible. I think everybody should stay on it. It's easy to say in these Chambers, but when you go home in 30 days, still stay on it, because that is when people forget. I would just say to vote your conscience and do what you think is best for the state. I thank all of you for wanting to have the discussion on an important piece of what makes our state go.

INTRODUCTION, FIRST READING AND REFERENCE

Senate Bill No. 504.

Assemblywoman Carlton moved that the bill be referred to the Committee on Ways and Means.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 162.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 983.

AN ACT relating to education; requiring the board of trustees of each school district to report to the Department of Education on a quarterly basis the average daily attendance of pupils and the ratio of pupils per licensed teacher for **[**~~those~~**]** **certain** grades in elementary school that are required to maintain prescribed pupil-teacher ratios; revising the ratios of pupils per licensed teacher for kindergarten and grades 1, 2 and 3; requiring school districts that include one or more elementary schools which exceed the prescribed pupil-teacher ratios in a quarter to request a variance from the

State Board of Education for the next quarter; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Superintendent of Public Instruction, on or before August 1, November 1, February 1 and May 1 of each year, to apportion the State Distributive School Account in the State General Fund among the 17 county school districts in amounts approximating one-fourth of their respective yearly apportionments. (NRS 387.124) **Section 1** of this bill requires the board of trustees of each school district to report to the Department of Education on those same dates: (1) the average daily attendance of pupils and the ratio of pupils per licensed teacher for ~~[kindergarten and]~~ grades 1, 2 and 3; or (2) if the school district has an alternative class-size reduction plan approved by the State Board of Education, the average daily attendance of pupils and the ratio of pupils per licensed teacher for those grades in elementary school that are required to comply with the alternative class-size reduction plan. **Section 1** also requires each school district to post the information reported to the Department on the school district's Internet website as well as information concerning any variances from the prescribed pupil-teacher ratios granted by the State Board for an elementary school within the school district.

Existing law provides that the ratio of pupils per licensed teacher in kindergarten and grades 1, 2 and 3 must not exceed 15 to 1. (NRS 388.700) In lieu of complying with these pupil-teacher ratios, a school district in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) may request approval from the State Board for a plan to reduce pupil-teacher ratios: (1) in grades 1, 2 and 3, not to exceed 22 to 1; and (2) in grades 4 and 5 or grades 4, 5 and 6, as applicable for the elementary school, not to exceed 25 to 1. (NRS 388.720) During previous sessions, the Legislature has, within the limits of available funding, appropriated money for class-size reduction in amounts that authorized pupil-teacher ratios which were higher than the statutorily prescribed ratios. **Section 2** of this bill statutorily increases the prescribed ratios: (1) for kindergarten and grades 1 and 2, to 16 to 1; and (2) for grade 3, to 18 to 1. In addition, **section 2** requires a school district that exceeds the ratios statutorily prescribed in any quarter of a school year to request a variance for the next quarter from the State Board. **Section 2** further requires the State Board to provide a quarterly report to the Interim Finance Committee on each variance requested by a school district during the preceding quarter and, if a variance was granted, the specific justification for the variance. Finally, **section 2** provides that for purposes of determining compliance with the pupil-teacher ratios, a school district must not include the count of any teachers who teach one or two specific subject areas to more than one classroom of pupils.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto a new section to read as follows:

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 412.

The following Senate amendment was read:

Amendment No. 924.

AN ACT relating to the Legislature; revising provisions relating to the training required for newly elected Legislators; changing certain deadlines applicable to the submission and drafting of legislative measures; revising the number of legislative measures that certain persons and entities may request for drafting; restricting Legislators from requesting the drafting of legislative measures under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires newly elected Legislators to attend certain training before the beginning of their first legislative session. (NRS 218A.285) **Section 1** of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular session of the Legislature. **Section 1** also requires the Director of the Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) **Section 1** authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law contains provisions governing requests for the drafting of legislative measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of legislative measures that various persons and entities may request for drafting and also revises the deadlines for making such requests.

Section 6 of this bill changes the number of legislative measures that Legislators and the chair of each standing committee may request by certain deadlines. **Section 6** also changes the deadlines for providing sufficient detail to allow complete drafting of a legislative measure. **Section 6** further: (1) prohibits a Legislator who has filed a declaration or an acceptance of candidacy for election to the House in which he or she is not currently sitting from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is elected to the other House, any request that he or she submits before filing a declaration or an acceptance of candidacy for election counts against the applicable limitation for the House to which the Legislator was elected to serve. (NRS 218D.150)

Existing law allows each statutory legislative committee and interim study committee to request a certain number of legislative measures preceding a regular session. (NRS 218D.160) **Section 7** of this bill reduces the number of legislative measures that may be requested by the Chair of the Legislative Commission and moves up the deadline for statutory legislative committees and interim study committees to provide sufficient detail to allow complete drafting of their legislative measures.

Section 8 of this bill revises the deadlines by which the Governor or the Governor's designated representative must submit requests for the drafting of legislative measures and increases the number of legislative measures that the

Lieutenant Governor, Secretary of State, State Treasurer, State Controller and Attorney General may request for drafting. (NRS 218D.175)

Section 9 of this bill reduces the number of legislative measures that may be requested by the city council of a city whose population is 150,000 or more but less than 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

Existing law authorizes the following entities to submit their own requests for the drafting of legislative measures for each regular session: (1) a mental health consortium established to develop strategic plans for the provision of mental health services to children with emotional disturbance and their families (NRS 218D.215, 433B.333); and (2) an interagency committee created by the Director of the Department of Health and Human Services to evaluate the child welfare system in this State. (NRS 432B.178) **Sections 11 and 12** of this bill eliminate the authority of these entities to submit their own requests, but such entities still would be authorized by existing law to ask Legislators or legislative committees to submit and sponsor requests on behalf of the entities. (NRS 218D.150, 218D.155, 218D.160)

TEXT OF REPEALED SECTION

218D.215 Requests from mental health consortium.

1. For a regular session, each mental health consortium established pursuant to NRS 433B.333 may request the drafting of not more than 1 legislative measure. The request must be submitted to the Legislative Counsel on or before September 1 preceding the regular session.

2. Each request made pursuant to this section must be on a form prescribed by the Legislative Counsel. The legislative measures requested pursuant to this section must be prefiled on or before December 20 preceding the regular session. A legislative measure that is not prefiled on or before that date shall be deemed withdrawn.

Assemblyman Ohrenschall moved that the Assembly do not concur in the Senate Amendment No. 924 to Assembly Bill No. 412.

Remarks by Assemblyman Ohrenschall.

Motion carried.

The following Senate amendment was read:

Amendment No. 942.

AN ACT relating to the Legislature; revising provisions relating to the training required for newly elected Legislators; changing certain deadlines applicable to the submission and drafting of legislative measures; revising the number of legislative measures that certain persons and entities may request for drafting; restricting Legislators from requesting the drafting of legislative measures under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires newly elected Legislators to attend certain training before the beginning of their first legislative session. (NRS 218A.285) **Section 1** of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular

session of the Legislature. **Section 1** also requires the Director of the Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) **Section 1** authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law contains provisions governing requests for the drafting of legislative measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of legislative measures that various persons and entities may request for drafting and also revises the deadlines for making such requests.

Section 6 of this bill changes the number of legislative measures that Legislators and the chair of each standing committee may request by certain deadlines. **Section 6** also changes the deadlines for providing sufficient detail to allow complete drafting of a legislative measure. **Section 6** further: (1) prohibits a Legislator who has filed a declaration or an acceptance of candidacy for election to the House in which he or she is not currently sitting from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is elected to the other House, any request that he or she submits before filing a declaration or an acceptance of candidacy for election counts against the applicable limitation for the House to which the Legislator was elected to serve. (NRS 218D.150)

Existing law allows each statutory legislative committee and interim study committee to request a certain number of legislative measures preceding a regular session. (NRS 218D.160) **Section 7** of this bill reduces the number of legislative measures that may be requested by the Chair of the Legislative Commission and moves up the deadline for statutory legislative committees and interim study committees to provide sufficient detail to allow complete drafting of their legislative measures.

Section 8 of this bill revises the deadlines by which the Governor or the Governor's designated representative must submit requests for the drafting of legislative measures and increases the number of legislative measures that the **Governor,** Lieutenant Governor, Secretary of State, State Treasurer, State Controller and Attorney General may request for drafting. (NRS 218D.175)

Section 9 of this bill reduces the number of legislative measures that may be requested by the city council of a city whose population is 150,000 or more but less than 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

Existing law authorizes the following entities to submit their own requests for the drafting of legislative measures for each regular session: (1) a mental health consortium established to develop strategic plans for the provision of mental health services to children with emotional disturbance and their families (NRS 218D.215, 433B.333); and (2) an interagency committee created by the Director of the Department of Health and Human Services to evaluate the child welfare system in this State. (NRS 432B.178) **Sections 11 and 12** of this bill eliminate the authority of these entities to submit their own requests, but such entities still would be authorized by existing law to ask Legislators or legislative committees to submit and sponsor requests on behalf of the entities. (NRS 218D.150, 218D.155, 218D.160)

3. Conference Amendment No. CA7.

AN ACT relating to public servants; revising provisions relating to public officers and employees; revising provisions relating to ethics in government

and the enforcement of such provisions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill makes various changes to provisions relating to public officers and employees and the administration of the Nevada Ethics in Government Law by the Commission on Ethics. (Chapter 281A of NRS)

Sections 18-24 ~~[~~, 30 and 31~~]~~ and 30-32.5 of this bill enact and revise various definitions in the Ethics Law. **Section 19** revises and makes applicable throughout the Ethics Law the existing definition of "commitment in a private capacity to the interests of others" in NRS 281A.420.

Section 23 defines "pecuniary interest" for the Ethics Law, and **sections 40.3, ~~[~~and~~]~~ 41 and 42.5** of this bill require proof of a significant personal or pecuniary interest in defining various types of ethical conflicts, so that a de minimis or insignificant personal or pecuniary interest does not create a conflict of interest, require disqualification or abstention, or provide just or sufficient cause for an ethics investigation or violation. (NRS 281A.400, 281A.420~~.~~ ~~D~~~~]~~**, 281A.430)**

Sections 24.5 and 32.3 of this bill establish that a president of a state university, college or community college, a superintendent of a county school district, and a county manager or city manager are designated as public officers for the purposes of the Ethics Law. (NRS 281A.160)

Section 25 of this bill enacts provisions for computing periods of time prescribed or allowed under the Ethics Law. **Section 27** of this bill authorizes the Commission to apply for and accept grants, contributions, services and money for the purposes of carrying out the Ethics Law.

Section 27.3 of this bill requires the Commission, when disposing of a request for an opinion by stipulation, agreed settlement or consent order, to treat comparable situations in a comparable manner and ensure that the disposition of a request for an opinion bears a reasonable relationship to the severity of the violation or alleged violation of the Ethics Law. **Section 27.5** of this bill requires the Commission to consider various aggravating and mitigating factors when determining **whether a violation of the Ethics Law is a willful violation and, if so,** the amount of any civil penalty **to be** imposed for **such** a willful violation of the Ethics Law. **Section 27.5 also requires the Commission, when applying these factors, to treat comparable situations in a comparable manner and to ensure that the disposition of the matter bears a reasonable relationship to the severity of the violation.**

Sections 33-37 of this bill make various changes concerning the operation of the Commission and the duties of the Executive Director of the Commission and the Commission Counsel. Those changes include: (1) adjusting the eligibility requirements for certain members of the

Commission; (2) requiring the Chair of the Commission to designate a qualified person to perform the duties of the Executive Director if the Executive Director is disqualified or unable to act on a particular matter; ~~[and]~~ (3) revising the administration of the assessments paid by cities and counties in semiannual installments to the Commission~~.~~ ~~[.]~~ **; and (4) authorizing the Commission to adopt procedural regulations that are necessary and proper to carry out the Ethics Law.** (NRS 281A.200, 281A.240, 281A.260, 281A.270, 281A.290)

Section 38 of this bill directs public officers and employees who request the issuance of a subpoena on their behalf in ethics proceedings to serve the subpoena in the manner provided in the Nevada Rules of Civil Procedure and to pay the costs of such service. (NRS 281A.300)

Sections 40.3-44 of this bill make various changes to provisions in the Ethics Law, including provisions relating to conflicts of interests for public officers and employees, disclosures and abstentions, the rendering of opinions and conduct of investigations by the Commission and the duties of specialized and local ethics committees. (NRS 281A.400, 281A.410, 281A.420, **281A.430,** 281A.440, 281A.470)

Section 40.5 prohibits a member of a local legislative body from representing or counseling a private person for compensation before another local agency whose territorial jurisdiction includes any part of the same county in which the member serves. However, section 40.5 allows the Commission to provide the member with relief from strict application of the prohibition if certain conditions are met. (NRS 281A.410)

With certain exceptions, the Ethics Law prohibits a public officer or employee from bidding on or entering into a contract between a governmental agency and any business entity in which the public officer or employee has a significant pecuniary interest. Section 42.5 allows the Commission to provide a public officer or employee with relief from strict application of the prohibition if certain conditions are met. (NRS 281A.430)

Sections 42.5 and 62 of this bill move, revise and remove certain provisions of the Ethics Law that regulate when a member of a local legislative body may sell goods or services to his or her local agency as the sole source of supply within the area served by the local agency. (NRS 281A.430, 281A.530) Section 42.5 prohibits such a member from selling goods or services to his or her local agency unless certain conditions are met, but section 42.5 also allows the Commission to provide the member with relief from strict application of the prohibition. Section 62 repeals an existing provision of the Ethics Law

regulating such "sole source" transactions because under this bill, "sole source" transactions are regulated by section 42.5.

Sections 16.3, 16.5 and 57-61 of this bill make conforming changes to other provisions of existing law that restrict various public officers and employees from being personally interested in or benefiting from a contract with a governmental agency. (NRS 245.075, 268.384, 269.071, 269.072, 281.221, 281.230, 332.800)

Section 45 of this bill revises the "safe harbor" provision of the Ethics Law to provide that a public officer or employee does not commit a willful violation if **: (1)** the public officer or employee ~~[. (1)]~~ relied in good faith upon the advice of the legal counsel retained by his or her public body, agency or employer; and (2) his or her ~~[action]~~ **act or failure to act** was not contrary to a prior published opinion issued by the Commission. (NRS 281A.480)

Section 46 of this bill provides new requirements relating to informing, educating and instructing public officers and employees concerning the statutory ethical standards and the duties of public officers and employees under the Ethics Law. (NRS 281A.500)

281A.300 1. The Chair and Vice Chair of the Commission may administer oaths.

2. The Commission, upon majority vote, may issue a subpoena to compel the attendance of a witness and the production of books and papers. Upon the request of the Executive Director or the public officer or ~~[~~public~~]~~ employee who is the subject of a request for an opinion, the Chair or, in the Chair's absence, the Vice Chair, may issue a subpoena to compel the attendance of a witness and the production of books and papers. ***A public officer or employee who requests the issuance of a subpoena pursuant to this subsection must serve the subpoena in the manner provided in the Nevada Rules of Civil Procedure for service of subpoenas in a civil action and must pay the costs of such service.***

4. Each written request submitted by the Executive Director pursuant to subsection 3 must specify the time and place for the attendance of the public officer or ~~[~~public~~]~~ employee or the production of any books and papers, and designate with certainty the books and papers requested, if any. If the public officer or ~~[~~public~~]~~ employee fails or refuses to attend at the time and place specified or produce the books and papers requested by the Executive Director within 5 business days after receipt of the request, the Chair may issue the subpoena. Sec. 40.3. NRS 281A.400 is hereby amended to read as follows:

281A.400 A code of ethical standards is hereby established to govern the conduct of public officers and employees:

1. (2) The use does not interfere with the performance of the public officer's or employee's public duties;

(3) The cost or value related to the use is nominal; and

(4) The use does not create the appearance of impropriety;

(b) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or

(c) The use of telephones or other means of communication if there is not a special charge for that use.

8. A State Legislator shall not:

(II) The cost or value related to the use is nominal; and

(III) The use does not create the appearance of impropriety;

(2) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or

(3) The use of telephones or other means of communication if there is not a special charge for that use.

(b) Require or authorize a legislative employee, while on duty, to perform personal services or assist in a private activity, except:

(1) In unusual and infrequent situations where the employee's service is reasonably necessary to permit the State Legislator or legislative employee to perform that person's official duties; or

(2) Where such service has otherwise been established as legislative policy.

9. A public officer or employee shall not attempt to benefit ~~[the public officer's or employee's]~~ ***a significant*** personal or ~~[financial]~~ ***pecuniary*** interest ***of the public officer or employee*** through the influence of a subordinate.

10. A public officer or employee shall not seek other employment or contracts through the use of the public officer's or employee's official position.

Sec. 40.5. NRS 281A.410 is hereby amended to read as follows:

281A.410 In addition to the requirements of the code of ethical standards ~~[,]~~ ***and the other provisions of this chapter:***

1. If a public officer or employee serves in a state agency of the Executive Department or an agency of any county, city or other political subdivision, the public officer or employee:

(a) Shall not accept compensation from any private person to represent or counsel the private person on any issue pending before the agency in which that public officer or employee serves, if the agency makes decisions; and

(b) If the public officer or employee leaves the service of the agency, shall not, for 1 year after leaving the service of the agency, represent or counsel for compensation a private person upon any issue which was under consideration by the agency during the public officer's or employee's service. As used in this paragraph, "issue" includes a case, proceeding, application, contract or determination, but does not include the proposal or consideration of legislative measures or administrative regulations.

2. ~~[A]~~ ***Except as otherwise provided in subsection 3, a*** State Legislator or a member of a local legislative body, or a public officer or employee whose public service requires less than half of his or her time, may represent or counsel a private person before an agency in which he or she does not serve. ~~[Any other]~~

3. A member of a local legislative body shall not represent or counsel a private person for compensation before another local agency if the territorial jurisdiction of the other local agency includes any part of the county in which the member serves. The Commission may relieve the member from the strict application of the provisions of this subsection if:

(a) The member requests an opinion from the Commission pursuant to subsection 1 of NRS 281A.440; and

(b) The Commission determines that such relief is not contrary to:

(1) The best interests of the public;

(2) The continued ethical integrity of each local agency affected by the matter; and

(3) The provisions of this chapter.

4. Unless permitted by this section, a public officer or employee shall not represent or counsel a private person for compensation before any state agency of the Executive or Legislative Department.

~~[3.]~~ ***5.*** Not later than January 15 of each year, ***if*** any State Legislator ***, member of a local legislative body*** or other public officer ~~[who]~~ ***permitted by this section*** has, within the preceding year, represented or counseled a private person for compensation before a state agency of the Executive Department ***, he or she*** shall disclose for each such representation or counseling during the previous calendar year:

(a) The name of the client;

(b) The nature of the representation; and

(c) The name of the state agency.

~~[4.]~~ ***6.*** The disclosure required by subsection ~~[3]~~ ***5*** must be made in writing and filed with the Commission on a form prescribed by the Commission. For the purposes of this subsection, the disclosure is timely filed if, on or before the last day for filing, the disclosure is filed in one of the following ways:

(a) Delivered in person to the principal office of the Commission in Carson City.

(b) Mailed to the Commission by first-class mail, or other class of mail that is at least as expeditious, postage prepaid. Filing by mail is complete upon timely depositing the disclosure with the United States Postal Service.

(c) Dispatched to a third-party commercial carrier for delivery to the Commission within 3 calendar days. Filing by third-party commercial carrier is complete upon timely depositing the disclosure with the third-party commercial carrier.

(d) Transmitted to the Commission by facsimile machine or other electronic means authorized by the Commission. Filing by facsimile machine or other electronic means is complete upon receipt of the transmission by the Commission.

~~[5.]~~ ***7.*** The Commission shall retain a disclosure filed pursuant to ~~[subsections 3 and 4]~~ ***this section*** for 6 years after the date on which the disclosure was filed.

Sec. 41. NRS 281A.420 is hereby amended to read as follows:

281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter:

(a) Regarding which the public officer or employee has accepted a gift or loan;

(b) In which the public officer or employee has a ***significant*** pecuniary interest; or

(c) Which would reasonably be affected by the public officer's or employee's commitment in a private capacity to the ~~[interest of others,]~~ ***interests of another person,***

➥ without disclosing ~~[sufficient]~~ information concerning the gift ~~[,]~~ ***or*** loan, ***significant pecuniary*** interest or commitment ***in a private capacity to the interests of the person that is sufficient*** to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer's or employee's ***significant*** pecuniary interest, or upon the ~~[persons]~~ ***person*** to whom the public officer or employee has a commitment in a private capacity. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, the public officer or employee shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to the supervisory head of the public officer's or employee's organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.

2. The provisions of subsection 1 do not require a public officer to disclose:

(a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or

(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer's situation would be materially affected by:

(a) The public officer's acceptance of a gift or loan;

(b) The public officer's ***significant*** pecuniary interest; or

(c) The public officer's commitment in a private capacity to the interests of ~~[~~others.~~]~~ ***another person.***

4. In interpreting and applying the provisions of subsection 3:

(a) It must be presumed that the independence of judgment of a reasonable person in the public officer's situation would not be materially affected by the public officer's ***acceptance of a gift or loan, significant*** pecuniary interest or ~~[~~the public officer's~~]~~ commitment in a private capacity to the interests of ~~[~~others~~]~~ ***another person*** where the resulting benefit or detriment accruing to the public officer, or if the public officer has a commitment in a private capacity to the interests of ~~[~~others,~~]~~ ***another person,*** accruing to the other ~~[~~persons,~~]~~ ***person,*** is not greater than that accruing to any other member of ~~[~~the~~]~~ ***any*** general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the disclosure of the ***acceptance of a gift or loan, significant*** pecuniary interest or commitment in a private capacity to the interests of ~~[~~others.~~]~~ ***another person.***

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer to perform the duties for which the public officer was elected or appointed and to vote or otherwise act upon a matter, provided the public officer has properly disclosed the public officer's acceptance of a gift or loan, ~~[~~the public officer's~~]~~ ***significant*** pecuniary interest or ~~[~~the public officer's~~]~~ commitment in a private capacity to the interests of ~~[~~others~~]~~ ***another person*** in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and deprives the public and the public officer's constituents of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer's situation would be materially affected by the public officer's acceptance of a gift or loan, ~~[~~the public officer's~~]~~ ***significant*** pecuniary interest or ~~[~~the public officer's~~]~~ commitment in a private capacity to the interests of ~~[~~others.~~]~~ ***another person.***

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that the public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:

(a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or

(b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section ~~[~~:

~~(a) "Commitment in a private capacity to the interests of others" means a commitment to a person:~~

~~(1) Who is a member of the public officer's or employee's household;~~

~~(2) Who is related to the public officer or employee by blood, adoption or marriage within the third degree of consanguinity or affinity;~~

~~(3) Who employs the public officer or employee or a member of the public officer's or employee's household;~~

~~(4) With whom the public officer or employee has a substantial and continuing business relationship; or~~

~~(5) Any other commitment or relationship that is substantially similar to a commitment or relationship described in subparagraphs (1) to (4), inclusive, of this paragraph.~~

~~(b) "Public~~**]** ***, "public*** officer" and "public employee" do not include a State Legislator.

(b) The sources of supply are limited;

(c) The public officer or employee has not taken part in developing the contract plans or specifications; and

5. A member of a local legislative body shall not, either individually or through any business entity in which the member has a significant pecuniary interest, sell goods or services to the local agency governed by his or her local legislative body unless:

(a) The member, or the business entity in which the member has a significant pecuniary interest, offers the sole source of supply of the goods or services within the territorial jurisdiction of the local agency governed by his or her local legislative body;

(b) The local legislative body includes in the public notice and agenda for the meeting at which it will consider the purchase of such goods or services a clear and conspicuous statement that it is considering purchasing such goods or services from one of its members, or from a business entity in which the member has a significant pecuniary interest;

(c) At the meeting, the member discloses his or her significant pecuniary interest in the purchase of such goods or services and does not vote upon or advocate the approval of the matter pursuant to the requirements of NRS 281A.420; and

(d) The local legislative body approves the purchase of such goods or services in accordance with all other applicable provisions of law.

6. The Commission may relieve a public officer or employee from the strict application of the provisions of this section if:

(b) The Commission determines that such relief is not contrary to:

(1) The best interests of the public;

(2) The continued ethical integrity of each agency affected by the matter; and

(3) The provisions of this chapter.

Sec. 43. NRS 281A.440 is hereby amended to read as follows:

281A.440 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances within 45 days after receiving a request, on a form prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of the requester's own past, present or future conduct as ~~[an]~~ ***a public*** officer or employee, unless the public officer or employee waives the time limit. (a) Binding upon the requester as to the requester's future conduct; and

(b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

The purpose of the response is to provide the Executive Director with any information relevant to the request which the public officer or employee believes may assist the Executive Director and the investigatory panel in conducting the investigation. The public officer or employee is not required in the response or in any proceeding before the investigatory panel to assert, claim or raise any objection or defense, in law or fact, to the allegations against the public officer or employee and no objection or defense, in law or fact, is waived, abandoned or barred by the failure to assert, claim or raise it in the response or in any proceeding before the investigatory panel.

7. Each request for an opinion that a public officer or employee submits to the Commission pursuant to subsection 1, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the public officer or employee who requested the opinion:

Assemblyman Ohrenschall moved that the Assembly adopt the report of the Conference Committee concerning Senate Bill No. 228.

Remarks by Assemblyman Ohrenschall.

Motion carried by a constitutional majority.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 288.

The following Senate amendment was read:

Amendment No. 671.

AN ACT relating to education; **requiring the State Board of Education to select a high school equivalency assessment for certain persons who are not enrolled in high school and have not graduated; providing for the recognition of a document equivalent to a general educational development certificate, general educational development credential and general equivalency diploma;** requiring the State Board ~~[of Education]~~ to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public high schools; revising the requirements to receive a standard high school diploma by requiring pupils enrolled in grades 9 and 10 to pass end-of-course examinations for the courses of study prescribed by the State Board; eliminating the option for the issuance of a certificate of attendance indicating a pupil attended high school but did not satisfy the requirements for a standard high school diploma; eliminating the high school proficiency examination; repealing provisions relating to the high school proficiency examination; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is 16 or 17 years of age, is not enrolled in high school and has not graduated from high school to take the tests of general educational development to obtain a general educational development certificate which demonstrates that the person has achieved an educational level which is an acceptable substitute for completing a high school education. (NRS 385.448) Section 12.3 of this bill removes the reference to the tests of general educational

development and requires the State Board of Education to select a high school equivalency assessment. Existing law also makes various references to a: (1) general educational development certificate; (2) general educational development credential; and (3) general equivalency diploma. (NRS 209.396, 209.433, 209.443, 209.446, 209.4465, 211.330, 213.315, 388.575, 389.810, 432B.595, 630.277, 641C.420, 652.127, 697.173) Sections 17.5, 33.5, 41.1-41.7 and 42.2-42.7 of this bill provide for the recognition of a document that is equivalent to such a certificate, credential or diploma.

Existing law requires the administration of examinations based upon the State's academic standards to pupils enrolled in grades 3 through 8 and requires pupils to pass the high school proficiency examination to receive a standard high school diploma. (NRS 389.015, 389.550) **Section 43** of this bill eliminates the high school proficiency examination. **Section 19** of this bill requires the State Board ~~[of Education]~~ to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public high schools commencing with the 2014-2015 school year. **Section 19** further requires a pupil enrolled in grade 11 to take the assessment to receive a standard high school diploma, but prohibits the use of the results of the assessment in determining the pupil's eligibility for such a diploma.

Existing law prescribes the requirements for a standard high school diploma, including passage of the high school proficiency examination. (NRS 389.805) **Section 33** of this bill eliminates the requirement of passage of the high school proficiency examination and instead requires the State Board to prescribe the criteria for receipt of a standard high school diploma, which must include the requirement that, commencing with the 2014-2015 school year, a pupil enrolled in grade 9 or 10 pass an end-of-course examination. **Section 33** also requires the State Board to adopt the courses of study in which pupils enrolled in grades 9 and 10 must pass such an examination, which must include, without limitation, the subject areas for which the State Board has adopted the common core standards.

Under existing law, a pupil who does not pass the high school proficiency examination may be issued a certificate of attendance in lieu of a diploma if he or she is 18 years of age. (NRS 389.015) **Section 33** of this bill prohibits the issuance to a pupil of a certificate of attendance or any other document indicating that the pupil attended high school but did not satisfy the requirements for a standard high school diploma.

As a transition from the administration of the high school proficiency examination to the administration of end-of-course examinations, **sections 44-44.7** of this bill require the State Board of Education to prescribe the requirements which a pupil enrolled in grade 10, 11 or 12 in the 2013-2014 school year who has not passed the high school proficiency examination and

is required to pass the examination to receive a standard high school diploma must satisfy to receive a standard high school diploma. Such requirements may include the continuation of the administration of the high school proficiency examination to those pupils.

The remaining sections of this bill make conforming changes relating to the elimination of the high school proficiency examination.

Remarks by Assemblyman Elliot Anderson.

ASSEMBLYMAN ELLIOT ANDERSON:

This amendment requires the State Board of Education to select a high school equivalency assessment for certain persons who are not enrolled in high school and have not graduated and provides for the recognition of other documents for a GED.

Motion carried.

The following Senate amendment was read:

Amendment No. 949.

AN ACT relating to education; requiring the State Board of Education to select a high school equivalency assessment for certain persons who are not

enrolled in high school and have not graduated; providing for the recognition of a document equivalent to a general educational development certificate, general educational development credential and general equivalency diploma; requiring the State Board to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public high schools; revising the requirements to receive a standard high school diploma by requiring pupils ~~[enrolled in grades 9 and 10]~~ to pass end-of-course examinations for the courses of study prescribed by the State Board; eliminating the option for the issuance of a certificate of attendance indicating a pupil attended high school but did not satisfy the requirements for a standard high school diploma; eliminating the high school proficiency examination; repealing provisions relating to the high school proficiency examination; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is 16 or 17 years of age, is not enrolled in high school and has not graduated from high school to take the tests of general educational development to obtain a general educational development certificate which demonstrates that the person has achieved an educational level which is an acceptable substitute for completing a high school education. (NRS 385.448) **Section 12.3** of this bill removes the reference to the tests of general educational development and requires the State Board of Education to select a high school equivalency assessment. Existing law also makes various references to a: (1) general educational development certificate; (2) general educational development credential; and (3) general equivalency diploma. (NRS 209.396, 209.433, 209.443, 209.446, 209.4465, 211.330, 213.315, 388.575, 389.810, 432B.595, 630.277, 641C.420, 652.127, 697.173) **Sections 17.5, 33.5, 41.1-41.7 and 42.2-42.7** of this bill provide for the recognition of a document that is equivalent to such a certificate, credential or diploma.

Existing law requires the administration of examinations based upon the State's academic standards to pupils enrolled in grades 3 through 8 and requires pupils to pass the high school proficiency examination to receive a standard high school diploma. (NRS 389.015, 389.550) **Section 43** of this bill eliminates the high school proficiency examination. **Section 19** of this bill requires the State Board to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public high schools commencing with the 2014-2015 school year. **Section 19** further requires a pupil enrolled in grade 11 to take the assessment to receive a standard high school diploma, but prohibits the use of the results of the assessment in determining the pupil's eligibility for such a diploma.

Existing law prescribes the requirements for a standard high school diploma, including passage of the high school proficiency examination. (NRS 389.805) **Section 33** of this bill eliminates the requirement of passage of the high school proficiency examination and instead requires the State Board to prescribe the criteria for receipt of a standard high school diploma, which must include the requirement that, commencing with the 2014-2015 school year, a pupil ~~[enrolled in grade 9 or 10]~~ pass ~~[an]~~ **at least four** end-of-course ~~[examination.]~~ **examinations. Section 33** also requires the State Board to adopt the courses of study in which pupils ~~[enrolled in grades 9 and 10]~~ must pass such ~~[an examination,]~~ **examinations,** which must include, without limitation, the subject areas for which the State Board has adopted the common core standards.

Under existing law, a pupil who does not pass the high school proficiency examination may be issued a certificate of attendance in lieu of a diploma if he or she is 18 years of age. (NRS 389.015) **Section 33** of this bill prohibits the issuance to a pupil of a certificate of attendance or any other document indicating that the pupil attended high school but did not satisfy the requirements for a standard high school diploma.

As a transition from the administration of the high school proficiency examination to the administration of end-of-course examinations, **sections 44-44.7** of this bill require the State Board of Education to prescribe the requirements which a pupil enrolled in grade 10, 11 or 12 in the 2013-2014 school year who has not passed the high school proficiency examination and is required to pass the examination to receive a standard high school diploma must satisfy to receive a standard high school diploma. Such requirements may include the continuation of the administration of the high school proficiency examination to those pupils.

AN ACT relating to energy; revising provisions relating to the Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program; revising provisions governing the payment of incentives to participants in the Solar Program and the Wind Program; requiring the Public Utilities Commission of Nevada to adopt certain regulations; requiring each electric utility in this State to create a Lower Income Solar Energy Pilot Program; requiring the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to publish certain reports; requiring the Commission to open an investigatory docket relating to the costs and benefits attributable to net metering; extending the prospective expiration of the Solar Program, the Wind Program and the Waterpower Program; establishing the Legislative Committee on Energy; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program. (NRS 701B.010-701B.290, 701B.400-701B.650, 701B.700-701B.880) **Section 3** of this bill establishes the statewide capacity floor for the Solar Program and the limits on incentives paid for each renewable energy program. **Sections 5, 19 and 26** of this bill remove the concept of a "program year" with respect to the renewable energy programs.

Sections 5-7 of this bill require the Public Utilities Commission of Nevada to adopt regulations relating to the provision of market-based incentives under the Solar Program. **Section 7** requires the Commission to review the incentives and authorizes the Commission to adjust the incentives not more frequently than annually. **Section 7** also provides for an incentive to be paid to a qualified participant in the Solar Program in one installment upon proof that the participant has installed and energized the solar energy system and for an incentive to be paid to a qualified participant over time which must be based on the performance of the solar energy system and the amount of electricity generated by the solar energy system. **Section 7** also provides for the payment of performance-based incentives to a qualified participant in the Solar Program after December 31, 2021. **Section 9** of this bill requires the Commission to establish the categories for participation in the Solar Program. **Section 9** authorizes the Commission to establish the criteria and capacity limitations for each category. **Section 11** of this bill requires a participant in the Solar Program to participate in net metering.

Section 13 of this bill requires the Commission to establish the categories for participation in the Wind Program. **Section 14** of this bill requires the Commission to adopt regulations establishing a system of incentives for

participation in the Wind Program. **Section 14** further provides that the total amount of the incentive paid to a participant in the Wind Program with a nameplate capacity of not more than 500 kilowatts must be paid over time and be based on the performance and amount of electricity generated by the wind energy system. **Section 14** also provides for the payment of performance-based incentives to a qualified participant in the Wind Program after December 31, 2021. **Section 17** of this bill requires a participant in the Wind Program to participate in net metering.

Section 18 of this bill requires the Commission to adopt regulations to provide a system of incentives for waterpower energy systems with a nameplate capacity of not more than 500 kilowatts, and **section 20** of this bill prescribes certain limitations on such incentives. **Section 21** of this bill requires a participant in the Waterpower Program to participate in net metering.

Section 21.3 of this bill requires each electric utility in this State to create a Lower Income Solar Energy Pilot Program for the purpose of installing solar distributed generation systems within its service territory for the benefit of low-income customers.

Existing law authorizes certain qualified customers of a utility to participate in net metering. (NRS 704.766-704.775) **Section 24** of this bill authorizes a utility to assess certain charges against certain participants in net metering.

Existing law authorizes the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to represent the public interest in any proceeding, including a proceeding to review a proposed rate of an electric utility. **Section 25.5** of this bill requires the Consumer's Advocate to publish a report containing certain information if the Consumer's Advocate declines to represent the public interest in a proceeding to review a proposed rate of an electric utility.

Section 26.5 of this bill requires the Commission to open an investigatory docket to evaluate the costs and benefits attributable to net metering in this State.

Sections 25.6-25.9 of this bill extend the prospective expiration of the Wind Program, the Waterpower Program and the Solar Program from December 31, 2021, to December 31, 2025.

Sections 25.1-25.45 and 25.55 of this bill establish the Legislative Committee on Energy and set forth the membership, duties, powers and responsibilities of the Committee.

AN ACT relating to renewable energy; revising provisions governing certain energy-related tax incentives; revising provisions governing portfolio energy systems; revising provisions governing jurisdiction of the courts of this State with respect to certain claims or actions relating to certain renewable energy projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the partial abatement of certain taxes for certain renewable energy facilities. (NRS 701A.300-701A.390) **Section 3** of this bill ~~[removes the requirement that an application for a partial abatement of certain taxes for certain geothermal facilities be approved by the board of county commissioners before the application can be approved by the Director of the Office of Energy.]~~ **revises the authority of a board of county commissioners relating to the approval of an application for a partial abatement of certain taxes submitted by a person who operates a facility for the generation of electricity from renewable energy.**

Under existing law, a provider of electric service is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure for the purpose of satisfying the renewable portfolio standard of the provider. (NRS 704.78215) **Section 4** of this bill revises provisions governing the calculation of the portfolio energy credits attributable to certain portfolio energy systems.

Section 5 of this bill clarifies that a court of this State has jurisdiction over a claim or action relating to a renewable energy project located upon certain Indian tribal land under certain circumstances.

AN ACT relating to gaming; **revising the definition of "resort hotel";** revising provisions relating to the Gaming Policy Committee; making appropriations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county whose population is 100,000 or more (currently Clark and Washoe Counties) unless the establishment is a resort hotel. (NRS 463.1605) Existing law defines "resort hotel" as any building or group of buildings that is maintained as and held out to the public to be a hotel where sleeping accommodations are furnished to the transient public and that has: (1) more than 200 rooms available for sleeping accommodations; (2) at least one bar with permanent seating capacity for more than 30 patrons that serves alcoholic beverages sold by the drink for consumption on the premises; (3) at least one restaurant with permanent seating capacity for more than 60 patrons that is open to the public 24 hours each day and 7 days each week; and (4) a gaming area within the building or group of buildings. (NRS 463.01865) Section 1 of this bill revises the definition of "resort hotel" to provide that in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County), an establishment must have more than 300

rooms available for sleeping accommodations. Under section 3.5 of this bill, the revised definition of "resort hotel" does not apply to an establishment that holds a nonrestricted license on July 1, 2013, unless the establishment ceases gaming operations for 24 or more consecutive months.

Existing law establishes the Gaming Policy Committee and provides for the composition and duties of the Committee. (NRS 463.021) **Section ~~[1]~~ 1.5** of this bill: (1) adds to the Committee a representative of academia who possesses knowledge of matters related to gaming; (2) authorizes the Governor, as Chair of the Committee, to appoint an advisory committee on gaming education; and (3) specifies the duties of the advisory committee.

AN ACT relating to insurance; revising the manner in which an assessment imposed on insurers in this State is calculated; revising requirements concerning reinsurance; exempting certain domestic insurers and prepaid limited health service organizations from a requirement to submit certain information to the Commissioner of Insurance; revising provisions governing the Nevada Life and Health Insurance Guaranty Association, the Interstate Insurance Product Regulation Compact, insurance holding companies and requirements that certain groups submit information to the Commissioner; **authorizing the Commissioner to approve a person who is not an insurer, a reinsurer or a captive insurer as a sponsor of a captive insurer;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the regulation of the business of insurance in this State, including, without limitation, kinds of insurance, assets and liabilities of insurers, holding companies, captive insurers and liability risk retention. (Chapters 681A, 681B, 686C, 687C, 692C, 694C, 695E of NRS) This bill makes various changes to those provisions.

Existing law requires insurers authorized to transact business in this State to pay an assessment to fund a program to investigate unfair or fraudulent insurance practices. (NRS 679B.630, 679B.700) **Section 1** of this bill revises the way in which this assessment is calculated.

Existing law requires all insurers who provide life and health insurance in this State to maintain membership in the Nevada Life and Health Insurance Guaranty Association and requires the Association to cover the policies and contracts of an insolvent insurer. (NRS 686C.130, 686C.152) **Section 7** of this bill provides that the Association is not required to cover certain policies and contracts for health care benefits pursuant to Medicare. **Section 8** of this bill revises the amounts of certain benefits the Association is required to cover.

Under existing law, this State prospectively opts out of all uniform standards adopted by the Interstate Insurance Product Regulation Commission involving long-term care insurance products. (NRS 687C.030) **Section 9** of this bill deletes the prospective opt-out of this State. **Section 12** of this bill enacts certain requirements concerning the corporate governance of a domestic insurer.

Section 13 of this bill authorizes the Commissioner to convene a supervisory college, which is a forum for communication and cooperation between regulators, to ascertain the financial condition or legality of the conduct of certain insurers. **Sections 15 and 16** of this bill revise provisions relating to the investments of a domestic insurer. **Sections 17-21** of this bill revise provisions governing the acquisition of an insurer. **Sections 22 and 23** of this bill require an insurer to submit certain information to the Commissioner concerning the insurer's general financial condition and corporate governance. **Sections 24 and 25** of this bill revise provisions governing transactions by registered insurers with their affiliates.

Section 27 of this bill revises the method used to determine whether a dividend or distribution may be paid without requesting approval from the Commissioner. **Section 28** of this bill revises provisions governing the authority of the Commissioner to examine an insurer. **Sections 28.5 and 28.6 of this bill authorize the Commissioner to approve a person who is not an insurer, a reinsurer or a captive insurer as a sponsor of a captive insurer.** **Section 29** of this bill changes the date by which certain insurers are

required to submit to the Commissioner a report of the financial condition of the insurer. **Sections 30-34** of this bill revise information which certain groups that conduct business concerning insurance are required to submit to the Commissioner.

(c) The financial condition of any acquiring party may jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining security holders who are unaffiliated with the acquiring party;

(d) The terms of the offer, request, invitation, agreement or acquisition referred to in ***subsection 1 of*** NRS 692C.180 are unfair and unreasonable to the security holders of the insurer;

7. If the proposed merger or other acquisition of control referred to in subsection 1 of NRS 692C.180 requires the approval of the commissioner of more than one state, the public hearing required pursuant to subsection 1 may, upon the request of the person who filed the statement required pursuant to subsection 1 of NRS 692C.180, be consolidated with the hearings required in other states. Not more than 5 days after receiving such a request, the Commissioner shall file with the National Association of Insurance Commissioners a copy of the statement that was filed with the Commissioner pursuant to subsection 1 of NRS 692C.180 by the person requesting a consolidated hearing. 3. The Commissioner shall, before issuing an order specified in subsection 1, consider:

(2) The public benefit received from those economies exceeds the public benefit received from not lessening competition; or

(b) If:

(1) The acquisition substantially increases the availability of insurance; and

(2) The public benefit received by that increase exceeds the public benefit received from not lessening competition.

4. The public benefits set forth in subparagraph 2 of paragraphs (a) and (b) of subsection 3 may be considered together, as applicable, in assessing whether the public benefits received from the acquisition exceed any benefit to competition that would arise from disapproving the acquisition.

Amendment No. 958.

AN ACT relating to mental health; authorizing the involuntary court-ordered admission of certain persons with mental illness to programs of community-based or outpatient services under certain circumstances; requiring a peace officer to take into custody and deliver a person to the appropriate location for an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services in certain circumstances; ~~[removing the provision which generally requires a person and his or her responsible relatives to pay for certain costs relating to the person's involuntary admission to such a program;]~~ providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the process for initiating a petition for the involuntary court-ordered admission to a mental health facility of a person who is alleged to have a mental illness. Additionally, existing law specifies that if a court finds that a person has a mental illness and is likely to harm himself or herself or others if not treated, the court must place the person in the most appropriate course of treatment. (NRS 433A.115-433A.330) This bill authorizes the court to order the involuntary admission of such a person to a program of community-based or outpatient services if such a program is an appropriate course of treatment for that person.

Section 3 of this bill requires that: (1) a plan of treatment be developed by persons who are qualified in the field of psychiatric mental health, in consultation with the person who will receive the treatment; (2) the plan contain certain information relating to the course of treatment; and (3) the developers of the plan submit the plan to the court in writing.

Section 3.5 of this bill sets forth the manner in which to address a person who has been involuntarily admitted to a program of community-based or outpatient services and who fails to participate in the program or otherwise fails to carry out the written plan of treatment developed for the person and submitted to the court.

Section 4 of this bill authorizes under certain circumstances both the conditional release of a person involuntarily admitted to a program of community-based or outpatient services and the revocation of such release, and **section 19** of this bill authorizes the unconditional release of such a person under certain circumstances.

Section 12 of this bill requires the counsel for a person who is judicially admitted to a program of community-based or outpatient services to represent the person until the person is released from the program. Section 12 also requires the court to serve notice upon such counsel of any action taken involving the person.

Section 13 of this bill sets forth the requirements for participation in a program of community-based or outpatient services, including that: (1) the person who is admitted to the program must be 18 years of age or older and have a history of noncompliance with treatment for mental illness; and (2) the court must approve the written plan of treatment which has been developed for the person and submitted to the court.

~~**[** Section 18 of this bill sets forth the process by which a professional responsible for providing or coordinating a program of community-based or outpatient services may petition the court to order a peace officer to take into custody and deliver a person who is involuntarily admitted to the program to the appropriate location for an evaluation by an evaluation team from the Division of Mental Health and Developmental Services of the Department of Health and Human Services if the person fails to participate in the program or otherwise fails to carry out the written plan of treatment developed for the person and submitted to the court.**]**~~

Section 23 of this bill revises existing law which generally requires a person and his or her responsible relatives to pay for the actual cost of the treatment and services rendered during the person's involuntary admission to a division facility to require the same for an involuntary admission to a program of community-based or outpatient services. (NRS 433A.640) Responsible relatives include only the parent or legal guardian of a minor or the husband or wife of a person. (NRS 433A.610)

Sec. 3. ***If a court determines pursuant to NRS 433A.310 that a person should be involuntarily admitted to a program of community-based or outpatient services, the court shall promptly cause two or more persons professionally qualified in the field of psychiatric mental health, which may include the person who filed the petition for involuntary court-ordered admission pursuant to NRS 433A.200 if he or she is so qualified, in consultation with the person to be involuntarily admitted, to develop and submit to the court a written plan prescribing a course of treatment and enumerating the program of community-based or outpatient services for the person. The plan must include, without limitation:***

1. A description of the types of services in which the person will participate;

2. The medications, if any, which the person must take and the manner in which those medications will be administered;

3. The name of the person professionally qualified in the field of psychiatric mental health who is responsible for providing or coordinating the program of community-based or outpatient services; and

4. Any other requirements which the court deems necessary.

Sec. 3.5. 1. When a person who is involuntarily admitted to a program of community-based or outpatient services fails to participate in the program or otherwise fails to carry out the plan of treatment developed pursuant to section 3 of this act, despite efforts by the professional responsible for providing or coordinating the program of community-based or outpatient services for the person to solicit the person's compliance, the professional may petition the court to issue an order requiring a peace officer to take into custody and deliver the person to the appropriate location for an evaluation by an evaluation team from the Division pursuant to NRS 433A.240. (d) A statement by the petitioner which explains how the person's failure to participate in the program of community-based or outpatient services or failure to carry out the plan of treatment will likely cause the person to harm himself or herself or others.

2. If the court determines that there is probable cause to believe that the person is likely to harm himself or herself or others if the person does not comply with the plan of treatment, the court may issue an order

requiring a peace officer to take into custody and deliver the person to an appropriate location for an evaluation by an evaluation team from the Division pursuant to NRS 433A.240.

3. As used in this section, "appropriate location" does not include a jail or prison.

Sec. 4. *1. Except as otherwise provided in subsection 3, any person involuntarily admitted to a program of community-based or outpatient services may be conditionally released from the program when, in the judgment of the professional responsible for providing or coordinating the program of community-based or outpatient services, the ~~[conditional release is in the best interest of the person and will not be detrimental to the public welfare.]~~ person does not present a danger of harm to himself or herself or others. The professional responsible for providing or coordinating the program of community-based or outpatient services shall prescribe the period for which the conditional release is effective. The period must not extend beyond the last day of the court-ordered period of admission to a program of community-based or outpatient services pursuant to NRS 433A.310.*

2. When a person is conditionally released pursuant to subsection 1, the State of Nevada, the agents and employees of the State or a mental health facility, the professionals responsible for providing or coordinating programs of community-based or outpatient services and any other professionals providing mental health services are not liable for any debts or contractual obligations incurred, medical or otherwise, or damages caused by the actions of the person who is released.

3. A person who is involuntarily admitted to a program of community-based or outpatient services may be conditionally released only if, at the time of the release, written notice is given to the court which ordered the person to participate in the program , to the attorney of the person and to the district attorney of the county in which the proceedings for admission were held.

4. Except as otherwise provided in subsection 6, the professional responsible for providing or coordinating the program of community-based or outpatient services shall order a person who is conditionally released pursuant to subsection 1 to resume participation in the program if the professional determines that the conditional release is no longer appropriate because that person presents a clear and present danger of harm to himself or herself or others. Except as otherwise provided in this subsection, the professional responsible for providing or coordinating the program of community-based or outpatient services shall, at least 3 days before the issuance of the order to resume participation, give written notice of the order to the court that admitted the person to the program. If an

emergency exists in which the person presents an imminent threat of danger of harm to himself or herself or others, the order must be submitted to the court not later than 1 business day after the order is issued.

5. The court shall review an order submitted pursuant to subsection 4 and the current condition of the person who was ordered to resume participation in a program of community-based or outpatient services at the next regularly scheduled hearing for the review of petitions for involuntary admissions, but in no event later than 5 judicial days after participation in the program is resumed. The ~~[professional responsible for providing or coordinating the program of community-based or outpatient services to]~~ court shall serve notice on the person who was ordered to resume participation in the program ~~[shall give written notice to that person]~~ and to his or her attorney ~~[, if the person is represented by legal counsel,]~~ of the time, date and place of the hearing and of the facts necessitating that the person resume participation in the program.

Assembly Bill No. 260.

The following Senate amendment was read:

Amendment No. 971.

AN ACT relating to the Nevada System of Higher Education; clarifying provisions governing tuition charges assessed against certain students; ~~[providing that]~~ **revising provisions relating to exemptions from** tuition charges ~~[must not be assessed against]~~ **for** veterans of the Armed Forces of the United States who were honorably discharged **;** ~~[within a certain period;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Board of Regents of the University of Nevada to assess tuition charges against students who are not residents of Nevada at all campuses of the Nevada System of Higher Education. The tuition charges are in addition to registration fees and other fees assessed against students who are residents of Nevada. Existing law also provides that tuition must be free for certain students and veterans. (NRS 396.540) This bill clarifies the statutory provisions governing the assessment of tuition charges. Additionally, this bill revises the group of veterans against whom tuition charges must not be assessed by: (1) removing the requirement that such veterans were, at some point, on active duty while stationed at a military installation in the State of Nevada or a military installation in another state which has a specific nexus to this State; and (2) requiring that such veterans were honorably discharged within the 2 years immediately preceding the date of matriculation of the veteran at a university, state college or community college within the System. **However, this bill authorizes the Board of Regents to grant more favorable exemptions from tuition charges for veterans who were honorably discharged if required for the receipt of federal money.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 396.540 is hereby amended to read as follows:

396.540 1. For the purposes of this section:

(a) "Bona fide resident" shall be construed in accordance with the provisions of NRS 10.155 and policies established by the Board of Regents, to the extent that those policies do not conflict with any statute. The qualification "bona fide" is intended to ensure that the residence is genuine and established for purposes other than the avoidance of tuition.

(b) "Matriculation" has the meaning ascribed to it in regulations adopted by the Board of Regents.

(c) "Tuition charge" means a charge assessed against students who are not residents of Nevada and which is in addition to registration fees or other fees assessed against students who are residents of Nevada.

2. The Board of Regents may fix a tuition charge for students at all campuses of the System, but tuition ***charges*** must ***not*** be ~~[free to:]~~ ***assessed against:***

(a) All students whose families have been bona fide residents of the State of Nevada for at least 12 months before the matriculation of the student at a university, state college or community college within the System;

(b) All students whose families reside outside of the State of Nevada, providing such students have themselves been bona fide residents of the State of Nevada for at least 12 months before their matriculation at a university, state college or community college within the System;

(c) All public school teachers who are employed full-time by school districts in the State of Nevada;

(d) All full-time teachers in private elementary, secondary and postsecondary educational institutions in the State of Nevada whose curricula meet the requirements of chapter 394 of NRS;

(e) Employees of the System who take classes other than during their regular working hours;

(f) Members of the Armed Forces of the United States who are on active duty and stationed at a military installation in the State of Nevada; and

(g) ~~[Veterans]~~ ***Except as otherwise provided in subsection 3, veterans*** of the Armed Forces of the United States who were honorably discharged ~~[and who were on active duty while stationed at a military installation in the State of Nevada or a military installation in another state which has a specific nexus to this State, including, without limitation, the Marine Corps Mountain Warfare Training Center located at Pickel Meadow, California, on the date of discharge.]~~ ***within the 2 years immediately preceding the date of matriculation of the veteran at a university, state college or community college within the System.***

3. ***The Board of Regents may grant more favorable exemptions from tuition charges for veterans of the Armed Forces of the United States who were honorably discharged than the exemption provided pursuant to paragraph (g) of subsection 2, if required for the receipt of federal money.***

4. The Board of Regents may grant ~~[tuitions free]~~ ***exemptions from tuition charges*** each semester to other worthwhile and deserving students from other states and foreign countries, in a number not to exceed a number equal to 3 percent of the total matriculated enrollment of students for the last preceding fall semester.

Sec. 1.5. **NRS 396.543 is hereby amended to read as follows:**

396.543 1. The Board of Regents may enter into an agreement with another state for the granting of full or partial waivers of the nonresident tuition to residents of the other state who are students at or are eligible for admission to any branch of the System if the agreement provides that, under

substantially the same circumstances, the other state will grant reciprocal waivers to residents of Nevada who are students at or are eligible for admission to universities or colleges in the other state.

2. Each agreement must specify:

(a) The criteria for granting the waivers; and

(b) The specific universities, state colleges and community colleges for which the waivers will be granted.

3. The Board of Regents shall provide by regulation for the administration of any waivers for which an agreement is entered into pursuant to subsection 1.

4. The waivers granted pursuant to this section must not be included in the number of waivers determined for the purpose of applying the limitation in subsection ~~[3]~~ ***4*** of NRS 396.540.

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 412.

The following Senate amendment was read:

Amendment No. 924.

AN ACT relating to the Legislature; revising provisions relating to the training required for newly elected Legislators; changing certain deadlines applicable to the submission and drafting of legislative measures; revising the number of legislative measures that certain persons and entities may request for drafting; restricting Legislators from requesting the drafting of legislative measures under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires newly elected Legislators to attend certain training before the beginning of their first legislative session. (NRS 218A.285) **Section 1** of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular session of the Legislature. **Section 1** also requires the Director of the Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) **Section 1** authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law contains provisions governing requests for the drafting of legislative measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of legislative measures that various persons and entities may request for drafting and also revises the deadlines for making such requests.

Section 6 of this bill changes the number of legislative measures that Legislators and the chair of each standing committee may request by certain deadlines. **Section 6** also changes the deadlines for providing sufficient detail to allow complete drafting of a legislative measure. **Section 6** further: (1) prohibits a Legislator who has filed a declaration or an acceptance of candidacy for election to the House in which he or she is not currently sitting from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is elected to the other House, any request that he or she submits before filing a declaration or an acceptance of candidacy for election counts against the applicable limitation for the House to which the Legislator was elected to serve. (NRS 218D.150)

Existing law allows each statutory legislative committee and interim study committee to request a certain number of legislative measures preceding a regular session. (NRS 218D.160) **Section 7** of this bill reduces the number of legislative measures that may be requested by the Chair of the Legislative Commission and moves up the deadline for statutory legislative committees and interim study committees to provide sufficient detail to allow complete drafting of their legislative measures.

Section 8 of this bill revises the deadlines by which the Governor or the Governor's designated representative must submit requests for the drafting of legislative measures and increases the number of legislative measures that the

Lieutenant Governor, Secretary of State, State Treasurer, State Controller and Attorney General may request for drafting. (NRS 218D.175)

Section 9 of this bill reduces the number of legislative measures that may be requested by the city council of a city whose population is 150,000 or more but less than 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

Existing law authorizes the following entities to submit their own requests for the drafting of legislative measures for each regular session: (1) a mental health consortium established to develop strategic plans for the provision of mental health services to children with emotional disturbance and their families (NRS 218D.215, 433B.333); and (2) an interagency committee created by the Director of the Department of Health and Human Services to evaluate the child welfare system in this State. (NRS 432B.178) **Sections 11 and 12** of this bill eliminate the authority of these entities to submit their own requests, but such entities still would be authorized by existing law to ask Legislators or legislative committees to submit and sponsor requests on behalf of the entities. (NRS 218D.150, 218D.155, 218D.160)

3. The Legislative Counsel shall not:

(a) Except as otherwise provided in NRS 218D.150, 218D.155 and 218D.160, assign a number to a request for the drafting of a legislative measure to establish the priority of the request until sufficient detail has been received to allow complete drafting of the legislative measure.

(a) Requests from each agency or officer of the Executive Department or from a county, school district or city must, insofar as is possible, be acted upon in the order in which they are received, unless a different priority is designated by the requester.

(b) As soon as an agency or officer of the Executive Department has requested 10 legislative measures for a regular session, the Legislative Counsel may request the agency or officer to designate the priority for each succeeding request.

3. The priority designated pursuant to this section must guide the Legislative Counsel in acting upon the requests of the respective agencies and officers of the Executive Department and the counties, school districts and cities to ensure each agency and officer, and each county, school district and city, as nearly as is possible, an equal rank.

TEXT OF REPEALED SECTION

218D.215 Requests from mental health consortium.

1. For a regular session, each mental health consortium established pursuant to NRS 433B.333 may request the drafting of not more than 1 legislative measure. The request must be submitted to the Legislative Counsel on or before September 1 preceding the regular session.

2. Each request made pursuant to this section must be on a form prescribed by the Legislative Counsel. The legislative measures requested pursuant to this section must be prefiled on or before December 20 preceding the regular session. A legislative measure that is not prefiled on or before that date shall be deemed withdrawn.

Assemblyman Ohrenschall moved that the Assembly concur in the Senate Amendment No. 924 to Assembly Bill No. 412.

Motion carried.

The following Senate amendment was read:

Amendment No. 942.

AN ACT relating to the Legislature; revising provisions relating to the training required for newly elected Legislators; changing certain deadlines applicable to the submission and drafting of legislative measures; revising the number of legislative measures that certain persons and entities may request for drafting; restricting Legislators from requesting the drafting of legislative measures under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires newly elected Legislators to attend certain training before the beginning of their first legislative session. (NRS 218A.285) **Section 1** of this bill requires such training to include discussion of major policy issues that are likely to be considered during the ensuing regular session of the Legislature. **Section 1** also requires the Director of the

Legislative Counsel Bureau to communicate in writing the dates for training to candidates for election to the Assembly and the Senate for the ensuing regular session of the Legislature.

Existing law requires the Director to provide an electronic copy of a training session to any Legislator who was unable to attend the training session. (NRS 218A.285) **Section 1** authorizes the Director to provide an alternate means of recording the information provided during certain training sessions and requires a Legislator who was unable to attend a training session to complete that session in the manner prescribed by the Director.

Existing law contains provisions governing requests for the drafting of legislative measures for a regular session. (NRS 218D.100-218D.215) This bill revises the number of legislative measures that various persons and entities may request for drafting and also revises the deadlines for making such requests.

Section 6 of this bill changes the number of legislative measures that Legislators and the chair of each standing committee may request by certain deadlines. **Section 6** also changes the deadlines for providing sufficient detail to allow complete drafting of a legislative measure. **Section 6** further: (1) prohibits a Legislator who has filed a declaration or an acceptance of candidacy for election to the House in which he or she is not currently sitting from requesting the drafting of legislative measures; and (2) provides that, if the Legislator is elected to the other House, any request that he or she submits before filing a declaration or an acceptance of candidacy for election counts against the applicable limitation for the House to which the Legislator was elected to serve. (NRS 218D.150)

Existing law allows each statutory legislative committee and interim study committee to request a certain number of legislative measures preceding a regular session. (NRS 218D.160) **Section 7** of this bill reduces the number of legislative measures that may be requested by the Chair of the Legislative Commission and moves up the deadline for statutory legislative committees and interim study committees to provide sufficient detail to allow complete drafting of their legislative measures.

Section 8 of this bill revises the deadlines by which the Governor or the Governor's designated representative must submit requests for the drafting of legislative measures and increases the number of legislative measures that the **Governor,** Lieutenant Governor, Secretary of State, State Treasurer, State Controller and Attorney General may request for drafting. (NRS 218D.175)

Section 9 of this bill reduces the number of legislative measures that may be requested by the city council of a city whose population is 150,000 or more but less than 500,000 (currently the cities of Henderson, North Las Vegas and Reno). (NRS 218D.205)

Existing law authorizes the following entities to submit their own requests for the drafting of legislative measures for each regular session: (1) a mental health consortium established to develop strategic plans for the provision of mental health services to children with emotional disturbance and their families (NRS 218D.215, 433B.333); and (2) an interagency committee created by the Director of the Department of Health and Human Services to evaluate the child welfare system in this State. (NRS 432B.178) **Sections 11 and 12** of this bill eliminate the authority of these entities to submit their own requests, but such entities still would be authorized by existing law to ask Legislators or legislative committees to submit and sponsor requests on behalf of the entities. (NRS 218D.150, 218D.155, 218D.160)

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 425.

The following Senate amendment was read:

Amendment No. 967.

AN ACT relating to insurance; establishing certification provisions for certain enrollment facilitators by the Commissioner of Insurance; revising provisions relating to federal law and to conform with federal law; revising provisions relating to the general tax on insurance premiums; revising provisions relating to public inspection of information filed with the Commissioner; revising provisions relating to dental insurance; **revising provisions relating to certain policies of health insurance and health care plans that provide coverage for the treatment of cancer through the use of chemotherapy;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1-26 of this bill establish certification provisions for exchange enrollment facilitators, who will be certified by the Commissioner of Insurance and appointed as navigators or assisters by the Silver State Health Insurance Exchange as part of the requirement that the Exchange implement a state-based health insurance exchange pursuant to the federal Patient Protection and Affordable Care Act, Public Law 111-148, as amended by the federal Health Care and Education Reconciliation Act of 2010, Public Law 111-152. (NRS 695I.210) **Section 119** of this bill repeals numerous sections of the Nevada Insurance Code (Title 57 of NRS) to conform to the federal acts, and **sections 27-118** of this bill generally make conforming changes based on the federal acts and on the repeal of those sections of NRS.

Section 31.5 of this bill revises a credit which may be used against an insurer's liability for the general tax on insurance premiums imposed pursuant to NRS 680B.027. **Sections 32.1 and 32.8** of this bill revise provisions relating to contracts for coverage for dental care which are sold to small employers. **Section 32.5** of this bill limits, for specified periods, public inspection of certain information filed with the Commissioner of Insurance.

Senate Bill No. 266 of this session establishes various provisions governing certain health care plans that provide coverage for the treatment of cancer through the use of chemotherapy. Sections 1, 3-5, 8 and 9 of Senate Bill No. 266 of this session prohibit those health care plans from requiring a copayment, deductible or coinsurance amount for orally administered chemotherapy in a combined amount that is more than $100 per prescription. Sections 118.1 to 118.6 of this bill amend the corresponding provisions of Senate Bill No. 266 of this session to provide that the limit on the amount of the deductible that may be required does not apply if the plan is a high deductible health plan, as defined in 26 U.S.C. § 223, and the plan's annual deductible has not been satisfied.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The provisions of subsection 1 do not apply to a contract providing coverage for dental care that is sold to a small employer pursuant to the provisions of chapter 689C of NRS.

3. As used in this section, "small employer" has the meaning ascribed to it in NRS 689C.095.

2. The Commissioner shall determine, within 90 days after receipt of the application required pursuant to subsection 1, if the carrier, with respect to the network plan:

6. The expense of any determination made by the Commissioner pursuant to this section must be assessed against the carrier and remitted to the Commissioner.

For the purpose of identifying the appropriate age adjustment under this paragraph and the age band defined in the Federal Act to a specific enrollee, the enrollee's age as of the date of policy issuance or renewal must be used.

2. The provisions of subsection 1:

"Exceptions and Reductions," except that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of that exception or reduction must be included with the benefit provision to which it applies.

6. Each such form, including riders and endorsements, must be identified by a number in the lower left-hand corner of the first page thereof.

7. The policy must not contain any provision purporting to make any portion of the charter, rules, constitution or bylaws of the insurer a part of the policy unless that portion is set forth in full in the policy, except in the case of the incorporation of or reference to a statement of rates or classification of risks, or short-rate table filed with the Commissioner.

8. The policy must provide benefits for expense arising from care at home or health supportive services if that care or service was prescribed by a physician and would have been covered by the policy if performed in a medical facility or facility for the dependent as defined in chapter 449 of NRS.

9. Each such provision must be preceded individually by the applicable caption shown or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Commissioner may approve.

2. ~~[Each policy delivered or issued for delivery in this State after November 1, 1973, must contain a provision, if applicable, setting forth the provisions of NRS 689A.045.~~

~~3.]~~ If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy, the insurer, with the approval of the Commissioner, may omit from the policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of a provision in such a manner as to make the

provision as contained in the policy consistent with the coverage provided by the policy.

2. A policy of health insurance must not require an insured to obtain prior authorization for any service provided pursuant to subsection 1.

3. A policy subject to the provisions of this chapter which is delivered, issued for delivery or renewed on or after July 1, 2007, has the legal effect of including the coverage required by subsection 1, and any provision of the policy or the renewal which is in conflict with subsection 1 is void.

4. For the purposes of this section, "human papillomavirus vaccine" means the Quadrivalent Human Papillomavirus Recombinant Vaccine or its successor which is approved by the Food and Drug Administration for the prevention of human papillomavirus infection and cervical cancer.

Sec. 39. NRS 689A.0455 is hereby amended to read as follows:

~~5. To obtain the exemption required by subsection 4, an insurer must submit to the Commissioner a written request therefor that is signed by an actuary and sets forth the reasons and actuarial assumptions upon which the request is based. To determine whether an exemption may be granted, the Commissioner shall subtract from the amount of premiums charged during the policy year the amount of premiums charged during the period immediately preceding the policy year and the amount of any increase in the premiums charged that is attributable to factors that are unrelated to providing the coverage required by this section. The Commissioner shall verify the information within 30 days after receiving the request. The request shall be deemed approved if the Commissioner does not deny the request within that time.~~

~~6. The provisions of this section do not:~~

~~(a) Limit the provision of specialized services covered by Medicaid for persons with conditions relating to mental health or substance abuse.~~

Sec. 39.5. NRS 689A.230 is hereby amended to read as follows:

689A.230 1. There may be a provision as follows:

Coordination of Benefits: If, with respect to a person covered under this policy, benefits for allowable expense incurred during a claim determination period under this policy, together with benefits for allowable expense during such period under all other valid coverage (without giving effect to this provision or to any "coordination of benefits provision" applying to such other valid coverage), exceed the total of such person's allowable expense during such period, this insurer shall be liable only for such proportionate amount of the benefits for allowable expense under this policy during such period as (a) the total allowable expense during such period bears to (b) the total amount of benefits payable during such period for such expense under this policy and all other valid coverage (without giving effect to this provision or to any "coordination of benefits provision" applying to such other valid coverage) less in both (a) and (b) any amount of benefits for allowable expense payable under other valid coverage which does not contain a "coordination of benefits provision." In no event shall this provision operate to increase the amount of benefits for allowable expense payable under this policy with respect to a person covered under this policy above the amount which would have been paid in the absence of this provision. This insurer may pay benefits to any insurer providing other valid coverage in the event of overpayment by such insurer. Any such payment shall discharge the liability of this insurer as fully as if the payment had been made directly to the insured or the assignee or beneficiary of the insured. If this insurer pays benefits to the insured or the assignee or beneficiary of the insured, in excess of the amount which would have been payable if the existence of other valid coverage had been disclosed, this insurer shall have a right of action against the insured or the assignee or beneficiary of the insured to recover the amount which would not have been paid had there been a disclosure of the existence of the other valid coverage. The amount of other valid coverage which is on a provision of service basis shall be computed as the amount the services rendered would have cost in the absence of such coverage.

For the purposes of this provision:

(1) "Allowable expense" means 100 percent of any necessary, reasonable and customary item of expense which is covered, in whole or in part, as a hospital, surgical, medical or major medical expense under this policy or under any other valid coverage.

(2) "Claim determination period" with respect to any covered person means the initial period of ..... (insert period of not less than 30 days)

and each successive period of a like number of days, during which allowable expense covered under this policy is incurred on account of such person. The first such period begins on the date when the first such expense is incurred, and successive periods shall begin when such expense is incurred after expiration of a prior period.

or, in lieu thereof:

(2) "Claim determination period" with respect to any covered person means each ..... (insert calendar or policy period of not less than a month) during which allowable expense covered under this policy is incurred on account of such person.

(3) "Coordination of benefits provision" means this provision and any other provision which may reduce an insurer's liability because of the existence of benefits under other valid coverage.

2. The foregoing policy provisions may be inserted in all policies providing hospital, surgical, medical or major medical benefits for which the application includes a question as to other coverages subject to this provision. If the policy provision stated in subsection 1 is included in a policy which also contains the policy provision stated in NRS 689A.240, there shall be added to the caption of the provision stated in subsection 1 of the phrase "expense-incurred benefits." The insurer may make this provision applicable to either or both:

(a) Other valid coverage with other insurers; and

(b) Other valid coverage with the same insurer.

➥ The insurer shall include in this provision a definition of "other valid coverage" approved as to form by the Commissioner. Such term may include hospital, surgical, medical or major medical benefits provided by individual or family-type coverage, government programs or workers' compensation. Such term shall not include any ~~[group insurance,]~~ automobile medical payments or third-party liability coverage. The insurer shall not include a subrogation clause in the policy. The insurer may require, as part of the proof of claim, the information necessary to administer this provision.

3. If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the policy, the insurer shall refund to the insured any premium unearned on the policy by reason of such reduction of coverage during the policy year current and that next preceding at the time the loss commenced, subject to the insurer's right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to $5 or such larger sum as the insurer may so specify.

Sec. 40. NRS 689A.470 is hereby amended to read as follows:

689A.470 As used in NRS 689A.470 to 689A.740, inclusive, unless the context otherwise requires, the words and terms defined in NRS 689A.475 to ~~[689A.605,]~~ ***689A.600,*** inclusive, have the meanings ascribed to them in those sections.

Sec. 41. NRS 689A.520 is hereby amended to read as follows:

689A.520 ~~[“Established geographic]~~ ***“Geographic*** service area” means a geographic area, as approved by the Commissioner ***,*** ~~[and based on the certificate of authority of the carrier to transact insurance in this state,]~~ within which the carrier is authorized to provide coverage.

Sec. 42. NRS 689A.525 is hereby amended to read as follows:

689A.525 “Geographic ***rating*** area” means an area established by the Commissioner for use in adjusting the rates for a health benefit plan.

Sec. 43. NRS 689A.630 is hereby amended to read as follows:

689A.630 1. Except as otherwise provided in this section, coverage under an individual health benefit plan must be renewed by the individual carrier that issued the plan, at the option of the individual, unless:

(a) The individual has failed to pay premiums or contributions in accordance with the terms of the health benefit plan or the individual carrier has not received timely premium payments.

(b) The individual has performed an act or a practice that constitutes fraud or has made an intentional misrepresentation of material fact under the terms of the coverage.

(c) The individual carrier decides to discontinue offering and renewing all health benefit plans delivered or issued for delivery in this state. If the individual carrier decides to discontinue offering and renewing such plans, the individual carrier shall:

(1) Provide notice of its intention to the Commissioner and the chief regulatory officer for insurance in each state in which the individual carrier is licensed to transact insurance at least 60 days before the date on which notice of cancellation or nonrenewal is delivered or mailed to the persons covered by the insurance to be discontinued pursuant to subparagraph (2).

(2) Provide notice of its intention to all persons covered by the discontinued insurance and to the Commissioner and the chief regulatory officer for insurance in each state in which such a person is known to reside. The notice must be made at least 180 days before the nonrenewal of any health benefit plan by the individual carrier.

(3) Discontinue all health insurance issued or delivered for issuance for individuals in this state and not renew coverage under any health benefit plan issued to such individuals.

(d) The Commissioner finds that the continuation of the coverage in this state by the individual carrier would not be in the best interests of the

policyholders or certificate holders of the individual carrier or would impair the ability of the individual carrier to meet its contractual obligations. If the Commissioner makes such a finding, the Commissioner shall assist the persons covered by the discontinued insurance in this state in finding replacement coverage.

2. An individual carrier may discontinue the issuance and renewal of a form of a product of a health benefit plan if the Commissioner finds that the form of the product offered by the individual carrier is obsolete and is being replaced with comparable coverage. A form of a product of a health benefit plan may be discontinued by the individual carrier pursuant to this subsection only if:

(a) The individual carrier notifies the Commissioner and the chief regulatory officer for insurance in each state in which it is licensed of its decision pursuant to this subsection to discontinue the issuance and renewal of the form of the product at least 60 days before the individual carrier notifies the persons covered by the discontinued insurance pursuant to paragraph (b).

(b) The individual carrier notifies each person covered by the discontinued insurance, the Commissioner and the chief regulatory officer for insurance in each state in which a person covered by the discontinued insurance is known to reside of the decision of the individual carrier to discontinue offering the form of the product. The notice must be made to persons covered by the discontinued insurance at least 180 days before the date on which the individual carrier will discontinue offering the form of the product.

(c) The individual carrier offers to each person covered by the discontinued insurance the option to purchase any other health benefit plan currently offered by the individual carrier to individuals in this state.

(d) In exercising the option to discontinue the form of the product and in offering the option to purchase other coverage pursuant to paragraph (c), the individual carrier acts uniformly without regard to the claim experience of the persons covered by the discontinued insurance or any health status-related factor relating to those persons or beneficiaries covered by the discontinued form of the product or any persons or beneficiaries who may become eligible for such coverage.

3. An individual carrier may discontinue the issuance and renewal of a health benefit plan that is made available to individuals pursuant to this chapter only through a bona fide association if:

(a) The membership of the individual in the association was the basis for the provision of coverage;

(b) The membership of the individual in the association ceases; and

(c) The coverage is terminated pursuant to this subsection uniformly without regard to any health status-related factor relating to the covered individual.

4. An individual carrier that elects not to renew a health benefit plan pursuant to paragraph (c) of subsection 1 shall not write new business for individuals pursuant to this chapter for 5 years after the date on which notice is provided to the Commissioner pursuant to subparagraph (2) of paragraph (c) of subsection 1.

5. If an individual carrier does business in only one ~~[established]~~ geographic service area of this state, the provisions of this section apply only to the operations of the individual carrier in that service area.

Sec. 44. NRS 689A.635 is hereby amended to read as follows:

689A.635 1. An individual carrier that offers coverage through a network plan is not required pursuant to NRS 689A.630 to offer coverage to or accept an application from ~~[an eligible]~~ ***a*** person if the ~~[eligible]~~ person does not reside or work in the ~~[established]~~ geographic service area or in a geographic ***rating*** area ***,*** ~~[for which the individual carrier is authorized to transact insurance,]~~ provided that the coverage is refused or terminated uniformly without regard to any health status-related factor of any eligible person.

2. As used in this section, "network plan" means a health benefit plan offered by a health carrier under which the financing and delivery of medical care is provided, in whole or in part, through a defined set of providers under contract with the carrier. The term does not include an arrangement for the financing of premiums.

Sec. 45. NRS 689A.637 is hereby amended to read as follows:

689A.637 1. An individual carrier that offers a health benefit plan that includes a provision for a restricted network shall use its best efforts to contract with at least one health center in each ~~[established]~~ geographic service area to provide health care services to persons covered by the plan if the health center:

(a) Meets all conditions imposed by the carrier on similarly situated providers of health care with which the carrier contracts, including, without limitation:

(1) Certification for participation in the Medicaid or Medicare program; and

(2) Requirements relating to the appropriate credentials for providers of health care; and

(b) Agrees to reasonable reimbursement rates that are generally consistent with those offered by the carrier to similarly situated providers of health care with which the carrier contracts.

2. As used in this section, "health center" has the meaning ascribed to it in 42 U.S.C. § 254b.

689A.690 1. As part of its solicitation and sales materials for an individual health benefit plan, an individual carrier shall disclose, to the extent reasonable:

The certification must be in such a form and must contain such information as specified by the Commissioner. A copy of the certification must be retained by the individual carrier at its principal place of business.~~

~~4. If a health benefit plan marketed pursuant to this section provides, delivers, arranges for, pays for or reimburses any cost of health care services through managed care, the carrier shall provide a system for resolving any complaints of an employee concerning those health care services that complies with the provisions of NRS 695G.200 to 695G.310, inclusive.

Sec. 71. NRS 689C.159 is hereby amended to read as follows:

689C.159 The provisions of NRS 689C.156 ~~[~~, 689C.157~~]~~ and 689C.190 do not apply to health benefit plans offered by a carrier if the carrier makes the health benefit plan available in the small employer market only through a bona fide association.

689C.160 The requirements used by a carrier serving small employers to determine whether to provide coverage to a small employer, including, without limitation, ~~[~~standards for medical underwriting,~~]~~ requirements for minimum participation of eligible employees and minimum employer's contributions, must be applied uniformly among all small employers with the same number of eligible employees applying for coverage or receiving coverage from the carrier.

Sec. 73. NRS 689C.169 is hereby amended to read as follows:

689C.169 1. ~~[~~Notwithstanding any provisions of this title to the contrary, a~~]~~ ***A*** policy of group health insurance delivered or issued for delivery in this State pursuant to this chapter must provide coverage for the treatment of conditions relating to severe mental illness.

2. ~~[~~The coverage required by this section:

~~(a) Must provide:~~

~~(1) Benefits for at least 40 days of hospitalization as an inpatient per policy year and 40 visits for treatment as an outpatient per policy year, excluding visits for the management of medication; and~~

~~(2) That two visits for partial or respite care, or a combination thereof, may be substituted for each 1 day of hospitalization not used by the insured. In no event is the policy required to provide coverage for more than 40 days of hospitalization as an inpatient per policy year.~~

~~(b) Is not required to provide benefits for psychosocial rehabilitation or care received as a custodial inpatient.~~

~~3. Any deductibles and copayments required to be paid for the coverage required by this section must not be greater than 150 percent of the out-of-pocket expenses required to be paid for medical and surgical benefits provided pursuant to the policy of group health insurance.~~

~~4. The provisions of this section do not apply to a policy of group health insurance if, at the end of the policy year, the premiums charged for that policy, or a standard grouping of policies, increase by more than 2 percent as a result of providing the coverage required by this section and the insurer obtains an exemption from the Commissioner pursuant to subsection 5.~~

~~5. To obtain the exemption required by subsection 4, an insurer must submit to the Commissioner a written request therefor that is signed by an actuary and sets forth the reasons and actuarial assumptions upon which the request is based. To determine whether an exemption may be granted, the Commissioner shall subtract from the amount of premiums charged during the policy year the amount of premiums charged during the period immediately preceding the policy year and the amount of any increase in the premiums charged that is attributable to factors that are unrelated to providing the coverage required by this section. The Commissioner shall verify the information within 30 days after receiving the request. The request shall be deemed approved if the Commissioner does not deny the request within that time.~~

~~6. The provisions of this section do not:~~

~~(a) Limit the provision of specialized services covered by Medicaid for persons with conditions relating to mental health or substance abuse.~~

~~(b) Supersede any provision of federal law, any federal or state policy relating to Medicaid, or the terms and conditions imposed on any Medicaid waiver granted to this State with respect to the provisions of services to persons with conditions relating to mental health or substance abuse.~~

~~7. A policy of group health insurance subject to the provisions of this chapter which is delivered, issued for delivery or renewed on or after October 3, 2009, has the legal effect of including the coverage required by this section, and any provision of the policy or the renewal which is in conflict with this section is void, unless the policy is otherwise exempt from the provisions of this section pursuant to subsection 4.~~

~~8.~~**]** As used in this section, "severe mental illness" means any of the following mental illnesses that are biologically based and for which diagnostic criteria are prescribed in the ***latest edition of the*** Diagnostic and Statistical Manual of Mental Disorders, **[**~~Fourth Edition,~~**]** published by the American Psychiatric Association:

Sec. 74. NRS 689C.190 is hereby amended to read as follows:

689C.190 ~~[~~1. Except as otherwise provided in this section, a~~]~~ ***A*** carrier serving small employers that issues a health benefit plan shall not deny, exclude or limit a benefit for a preexisting condition **.** ~~[~~:

~~(a) For more than 12 months after the effective date of coverage if the employee enrolls through open enrollment or after the first day of the waiting period for such enrollment, whichever is earlier; or~~

~~(b) For more than 18 months after the effective date of coverage for a late enrollee. A carrier may not define a preexisting condition in its health benefit plan more restrictively than that term is defined in NRS 689C.082.~~

~~2. The period of any exclusion for a preexisting condition imposed by a health benefit plan on a person to be insured in accordance with the provisions of this chapter must be reduced by the aggregate period of creditable coverage of that person, if the creditable coverage was continuous to a date not more than 63 days before the effective date of the new coverage. The period of continuous coverage must not include:~~

~~(a) Any waiting period for the effective date of the new coverage applied by the employer or the carrier; or~~

~~(b) Any affiliation period, not to exceed 60 days for a new enrollee and 90 days for a late enrollee, required before becoming eligible to enroll in the health benefit plan.~~

~~3. A health maintenance organization authorized to transact insurance pursuant to chapter 695C of NRS that does not restrict coverage for a preexisting condition may require an affiliation period before coverage becomes effective under a plan of insurance if the affiliation period applies uniformly to all employees and without regard to any health status related factors. During the affiliation period, the carrier shall not collect any premiums for coverage of the employee.~~

~~4. A carrier that restricts coverage for preexisting conditions shall not impose an affiliation period.~~

~~5. A carrier shall not impose any exclusion for a preexisting condition:~~

~~(d) In the case of a condition for which medical advice, diagnosis, care or treatment was recommended or received for the first time while the covered person held creditable coverage, and the medical advice, diagnosis, care or treatment was a covered benefit under the plan, if the creditable coverage was continuous to a date not more than 90 days before the effective date of the new coverage.~~

~~➥ The provisions of paragraphs (b) and (c) do not apply to a person after the end of the first 63 day period during all of which the person was not covered under any creditable coverage.~~

~~6. As used in this section, "late enrollee" means an eligible employee, or a dependent of the eligible employee, who requests enrollment in a health benefit plan of a small employer following the initial period of enrollment, if the initial period of enrollment is at least 30 days, during which the person is entitled to enroll under the terms of the health benefit plan. ~~(b) The person enrolls during the open enrollment period, as provided in the contract or as otherwise provided by specific statute.~~

~~(c) The person is employed by an employer which offers multiple health benefit plans and the person elected a different plan during an open enrollment period.~~

~~(d) A court has ordered coverage to be provided to the spouse or a minor or dependent child of an employee under a health benefit plan of the employee and a request for enrollment is made within 30 days after the issuance of the court order.~~

~~(e) The person changes status from not being an eligible employee to being an eligible employee and requests enrollment, subject to any waiting period, within 30 days after the change in status.~~

~~(f) The person has continued coverage in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 and such coverage has been exhausted.~~**]**

For the purposes of this subsection, any waiting period for coverage or an affiliation period must not be considered in determining the applicable period of creditable coverage.

2. In determining the period of creditable coverage of a person **,** **[**~~for the purposes of NRS 689C.190,~~**]** a carrier shall include each applicable period of creditable coverage without regard to the specific benefits covered during that period, except that the carrier may elect to include applicable periods of creditable coverage based on coverage of specific benefits as specified by the United States Department of Health and Human Services by regulation, if such an election is made on a uniform basis for all participants and beneficiaries of the health benefit plan or coverage. Pursuant to such an election, the carrier shall include each applicable period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within that class or category, as specified by those regulations.

3. Regardless of whether coverage is actually provided, if a carrier elects in accordance with subsection 2 to determine creditable coverage based on specified benefits, a statement that such an election has been made and a description of the effect of the election must be:

(a) Included prominently in any disclosure statement concerning the health benefit plan; and

(b) Provided to each eligible employee at the time of enrollment in the health benefit plan.

4. The provisions of this section apply only to grandfathered plans.

Sec. 76. NRS 689C.193 is hereby amended to read as follows:

4. As a condition of enrollment or continued enrollment under a health benefit plan, a carrier shall not require any person to pay a premium or contribution that is greater than the premium or contribution for a similarly situated person covered by similar coverage on the basis of any factor described in subsection 2 in relation to the person or a dependent of the person.

5. Nothing in this section:

(a) Restricts the amount that a small employer may be charged for coverage by a carrier;

(b) Prevents a carrier from establishing premium discounts or rebates or from modifying otherwise applicable copayments or deductibles in return for adherence by the insured person to programs of health promotion and disease prevention; or

(c) Precludes a carrier from establishing rules relating to employer contribution or group participation when offering health insurance coverage to small employers in this State.

4. A carrier shall discontinue the issuance and renewal of coverage to a small employer if the Commissioner finds that the continuation of the coverage would not be in the best interests of the policyholders or certificate holders of the carrier in this state or would impair the ability of the carrier to meet its contractual obligations. If the Commissioner makes such a finding, the Commissioner shall assist the affected small employers in finding replacement coverage.

5. A carrier may discontinue the issuance and renewal of a form of a product of a health benefit plan offered to small employers pursuant to this chapter if the Commissioner finds that the form of the product offered by the carrier is obsolete and is being replaced with comparable coverage. A form of a product of a health benefit plan may be discontinued by a carrier pursuant to this subsection only if:

6. A carrier may discontinue the issuance and renewal of a health benefit plan offered to a small employer or an eligible employee pursuant to this chapter only through a bona fide association if:

(a) The membership of the small employer or eligible employee in the association was the basis for the provision of coverage;

(b) The membership of the small employer or eligible employee in the association ceases; and

(c) The coverage is terminated pursuant to this subsection uniformly without regard to any health status-related factor relating to the small employer or eligible employee or dependent of the eligible employee.

689C.325 A carrier that offers coverage through a network plan is not required to offer coverage to or accept any applications for coverage from the eligible employees of a small employer pursuant to NRS 689C.310 and 689C.320 if:

1. The eligible employees do not reside or work in the ~~[established]~~ geographic service area of the network plan.

2. For a small employer whose eligible employees reside or work in the ~~[established]~~ geographic service area of the network plan, the carrier

demonstrates to the satisfaction of the Commissioner that the carrier does not have the capacity to deliver adequate service to additional small employers and eligible employees because of the existing obligations of the carrier. If a carrier is authorized by the Commissioner not to offer coverage pursuant to this subsection, the carrier shall not thereafter offer coverage to additional small employers and eligible employees within that ~~[~~established~~]~~ geographic service area until the carrier demonstrates to the satisfaction of the Commissioner that it has regained the capacity to deliver adequate service to additional small employers and eligible employees within that service area.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 273.

The following Senate amendment was read:

Amendment No. 979.

AN ACT relating to real property; revising provisions governing enrollment in the Foreclosure Mediation Program; **revising provisions governing the payment of certain obligations during participation in the Foreclosure Mediation Program;** revising provisions governing the foreclosure of liens by an association of a common-interest community; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) One such restriction requires the trustee under the deed of trust to include with the copy of the notice of default and election to sell which is mailed to the homeowner: (1) a notice provided by the Foreclosure Mediation Program Administrator indicating that the grantor or the person who holds the title of record has the right to seek mediation under rules adopted by the Nevada Supreme Court; and (2) a form on which a homeowner may request such mediation. Under existing law, a homeowner must elect to participate by: (1) completing and returning to the trustee a form upon which the homeowner elects to enter into mediation; and (2) paying his or her share of the fee established under the rules adopted by the Nevada Supreme Court. (NRS 107.080, 107.086)

This bill revises provisions governing enrollment in the Foreclosure Mediation Program. Under **sections 2 and 3** of this bill, a trustee under a deed of trust concerning owner-occupied housing must, in addition to including certain information concerning the Foreclosure Mediation Program with the copy of the notice of default and election which is mailed to the homeowner, send that information to the homeowner concurrently with, but separately from, the copy of the notice of default and election to sell. **Section 3** further provides that a homeowner will be enrolled in the Foreclosure Mediation Program unless: (1) he or she elects to waive mediation; or (2) fails to pay his or her share of the fee established under the rules adopted by the Nevada Supreme Court. If the homeowner waives mediation, fails to pay his or her share of the fee or, if the homeowner is enrolled in the Foreclosure

Mediation Program, fails to appear at a scheduled mediation, the Mediation Administrator must provide to the trustee a certificate authorizing the continuation of the process to exercise the power of sale. **Section 3** also **: (1)** establishes deadlines by which the Mediation Administrator must provide certain information to the trustee ~~[.]~~ **; (2) requires the trustee to provide notice of the compliance with the Foreclosure Mediation Program to a homeowners' association; and (3) requires a unit's owner to pay certain obligations during participation in the Foreclosure Mediation Program.**

Section 4 of this bill prohibits a homeowners' association from foreclosing its lien on a unit constituting owner-occupied housing while the unit's owner is eligible to participate or is participating in the Foreclosure Mediation Program.

Section 4.5 of this bill makes an appropriation of $100 from the State General Fund to the Account for Foreclosure Mediation to support the Foreclosure Mediation Program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) **Section**

1.1 of this bill authorizes the board of county commissioners of a county whose population is 700,000 or more and in which a regional transportation commission has been created and a county tax is imposed on motor vehicle fuel (currently Clark County) to impose **, upon approval by a two-thirds majority of the members of the board,** additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.1** also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2014, and ending on December 31, 2016, in an amount equal to the lesser of: (1) a percentage established by the ordinance imposing the tax; or (2) a percentage based on historical increases in the cost of highway and street construction. **Section 1.1** additionally provides that for the period beginning on January 1, 2017: (1) the board of county commissioners must not impose any additional increases in certain taxes authorized by that section; and (2) increases in the remainder of the taxes authorized by that section may not be effectuated unless a majority of the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases.

Upon approval by a majority of the voters in the State at the general election in November 2016, **section 1.2** of this bill requires the State to impose additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.2** also authorizes the Legislature to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. **Section 1.2** additionally provides that for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the State at the general election in November 2026 authorize the Legislature to continue to provide for the annual increases.

Upon approval by a majority of the voters in any county, other than Washoe County or, under certain circumstances, Clark County, at the general election in November 2016, **section 1.3** of this bill requires the board of county commissioners of the county to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section 1.3** also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. **Section 1.3** additionally provides that for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in November 2026 authorize the board of county commissioners to continue to provide for the annual increases.

The Department of Motor Vehicles is a party to the International Fuel Tax Agreement, a multistate agreement which facilitates the calculation and

collection of certain fuel taxes from interstate trucking companies and others who use special fuel (primarily diesel fuel) in vehicles operated or intended to operate interstate. (NRS 366.175) **Sections 1.7- ~~[1.9]~~ 1.95** of this bill require **certain special fuel users to file a return with the Department and require** the Department to adopt regulations establishing a system for ~~[the reimbursement and repayment of]~~ **auditing such returns to determine whether** any amounts **are** owed **by or to the special fuel user** pursuant to the International Fuel Tax Agreement as a result of any additional taxes **on special fuels** authorized or required by this bill. **Sections 1.7, 1.8 and 1.9 require the Department to charge and collect certain fees from the special fuel users who are required to file returns with the Department and additionally authorize the Department to enter into certain intergovernmental agreements or contracts to pay for certain costs relating to establishing and administering the system. Sections 1.75, 1.85 and 1.95 create an enterprise fund known as the Local Fuel Tax Indexing Fund into which the Department is required to deposit money received from the fees collected pursuant to sections 1.7, 1.8 and 1.9.**

Sections 2-2.7 and 4-11.3 of this bill require the administration, allocation, disbursement and use of these taxes in the same manner as certain existing fuel taxes. Additionally, **sections 2-2.7** require the annual review of these taxes by the regional transportation commission.

Sections 3-3.9 of this bill apply the current exemptions from fuel taxes to the taxes authorized by this bill, other than the exemption for certain undyed special fuel which is sold or used for any purpose other than to propel a motor vehicle upon the public highways.

Section 11.5 of this bill revises provisions of existing law to remove the exemption for the sale of revenue bonds that are secured by county fuel taxes from various requirements concerning the sale of bonds by competitive bid or negotiated sale.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 74.

The following Senate amendment was read:

Amendment No. 981.

AN ACT relating to public affairs; requiring that document preparation services be registered with the Secretary of State; establishing qualifications for registration; requiring the filing of a bond; regulating the business practices of document preparation services; authorizing disciplinary action and other remedies in specified circumstances; providing civil and criminal penalties; ~~[making an appropriation;]~~ **revising provisions relating to the Notary Public Training Account in the State General Fund;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person who is not an active member of the State Bar of Nevada or otherwise authorized to practice law in this State from engaging in the practice of law. (NRS 7.285) However, so long as he or she does not engage in the practice of law, there is currently no statutory provision governing a person who provides assistance in a legal matter, for compensation, to another person who is acting without the assistance of an attorney. This bill generally provides that any person engaged in the business of providing such assistance (a "document preparation service") must register with the Secretary of State and comply with various additional requirements set forth in this bill.

Section 4 of this bill defines a "document preparation service" as any person who, for compensation and at the direction of a client, provides

assistance to the client in a legal matter, including, without limitation, preparing or completing a pleading or other document for the client or securing supporting documents. **Section 4** excludes from this definition, among others: (1) an attorney authorized to practice law in this State, or an employee of such an attorney who is paid directly by the attorney or law firm with whom the attorney is associated and who is acting in the course and scope of that employment; (2) a governmental entity or an employee of such an entity; (3) a nonprofit, tax-exempt organization which provides legal services to persons free of charge; (4) certain legal aid offices and lawyer referral services; (5) a person who provides certain services regulated by federal law; (6) a corporation or other entity representing or acting for itself through an officer or employee, or any such officer or employee; (7) a commercial wedding chapel; (8) a person who provides legal forms or computer programs that enable another person to create legal documents; and (9) a commercial registered agent.

Section 5 of this bill broadly defines "legal matter" to mean the preparation of any will or trust, any immigration or citizenship proceeding, or any other proceeding, filing or action affecting the legal rights, duties, obligations or liabilities of a person.

Sections 7 and 8 of this bill provide that any person wishing to engage in the business of a document preparation service must register with the Secretary of State and renew that registration annually. **Section 7** establishes certain qualifications for registration and provides for the disqualification of any person who has been convicted of certain criminal offenses or has been adjudged to have engaged in certain kinds of misconduct.

Section 9 of this bill requires a document preparation service to file and maintain with the Secretary of State a cash bond or surety bond, to provide a means of indemnifying a client or other person for damage caused by fraud, incompetency or certain other misconduct, or providing payment to the Secretary of State for any civil penalty or award of attorney's fees or costs made against the document preparation service.

Sections 12-15 of this bill impose various requirements relating to advertising and the establishment of the relationship between a document preparation service and a client. **Section 13.5** requires: (1) a registrant required to obtain a state business license to obtain and maintain a state business license; and (2) each registrant to conspicuously display at the registrant's place of business a copy of any state and local business license issued to the registrant or the registrant's employer. **Section 15** provides that: (1) there must be a written contract between the client and the document preparation service; and (2) the contract must contain certain terms and disclosures.

Sections 16-20 of this bill set forth various required and prohibited practices applicable to a document preparation service. **Section 17** provides for the return to the client of any original documents provided by the client. **Section 18** requires the release of a client's file to any law enforcement agency on demand, with the authorization of the client. **Section 19** imposes certain requirements relating to payments made by a client for services rendered by a document preparation service.

Section 21 of this bill authorizes the Secretary of State to adopt regulations to carry out the provisions of this bill, and also requires the Secretary of State to take certain actions to facilitate the submission of complaints relating to a document preparation service.

Pursuant to **section 25** of this bill, a willful violation of any of the provisions of this bill, or of a regulation or order of the Secretary of State, is a misdemeanor except that a second or subsequent offense occurring within 5 years is a gross misdemeanor. In addition, **section 26** of this bill provides a private right of action to any person who suffers a pecuniary loss as the result of a violation.

~~[Section 28 of this bill makes an appropriation to the Office of the Secretary of State for certain purposes relating to carrying out the provisions of this bill.]~~ **Existing law authorizes the Secretary of State to provide courses of study for notaries public, and to charge a fee for such instruction. The fees collected are deposited in the Notary Public Training Account in the State General Fund. Conference Amendment No. CA24.

AN ACT relating to taxation; providing the legislative approval required for an increase in the tax imposed pursuant to the Clark County Sales and Use Tax Act of 2005; **imposing certain conditions on the allotment and use of the proceeds of the increase of the tax;** suspending temporarily the application of certain provisions of the Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Board of County Commissioners of Clark County to impose a sales and use tax in Clark County of one-quarter of 1 percent to employ and equip additional police officers for the Boulder City Police Department, Henderson Police Department, Las Vegas Metropolitan Police Department, Mesquite Police Department and North Las Vegas Police Department, and allows the imposition of an increase in that tax of not more than one-quarter of 1 percent if the date on which the increased rate is first imposed is on or after October 1, 2009, and if the Legislature first approves the increased rate. (Clark County Sales and Use Tax Act of 2005) **Section 3** of this bill provides the legislative approval required for the imposition of an increase in that tax of not more than fifteen-hundredths of 1 percent on or after October 1, 2013, if the increase is approved by two-thirds of the

members of the Board of County Commissioners of Clark County and if the increased rate ~~[expires on or before September 30, 2017.]~~ **is first imposed before July 1, 2016. Section 3.5 of this bill imposes conditions on allotments to police departments of the proceeds of the increase in the tax. Section 3.7 of this bill imposes conditions on the use by police departments of the proceeds of the increase in the tax, authorizes the Committee on Local Government Finance to grant waivers of those conditions and requires the Committee to submit annual reports to the Legislative Commission concerning any waivers granted by the Committee.**

Section 1 of this bill amends the Clark County Sales and Use Tax Act of 2005 to suspend temporarily certain provisions of the Act which require a governing body to approve expenditures by a police department of proceeds received from the taxes imposed pursuant to the Act if the governing body determines that the proposed expenditure will not replace or supplant existing funding for the police department. **Section 1** also requires that certain periodic reports required by the Act include a separate detailed description of any expenditures as a result of the temporary suspension of those provisions of the Act. Additionally, **section 1** requires that a copy of the separate detailed description be submitted to the Director of the Legislative Counsel Bureau for transmittal to the Interim Finance Committee. **Section 2** of this bill amends the Act to specify the method for calculating the base fiscal year for certain purposes of the Act.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, is hereby amended by adding thereto a new section to be designated as section 13.3, immediately following section 13, to read as follows:

Sec. 13.3. 1. The provisions of paragraph (b) of subsection 1 and subsections 3 to 8, inclusive, of section 13 of this act do not apply to any expenditure of proceeds from any sales and use tax imposed pursuant to this act on or after July 1, 2013, but before July 1, 2016.

2. In addition to the requirements of section 13.5 of this act:

(a) The periodic reports required by that section must include, with respect to the period covered by the report, a separate detailed description of the expenditure of any proceeds from the sales and use tax imposed pursuant to this act as a result of the provisions of subsection 1; and

(b) A governing body that is required to submit a report pursuant to section 13.5 of this act shall submit a copy of the separate detailed

description required by paragraph (a) for the period covered by the report to the Director of the Legislative Counsel Bureau for transmittal to the Interim Finance Committee on or before the date by which the governing body is required to submit the report for that period to the Department pursuant to section 13.5 of this act.

Sec. 2. The Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, is hereby amended by adding thereto a new section to be designated as section 13.7, immediately following section 13.5, to read as follows:

Sec. 13.7. Notwithstanding the provisions of subsection 8 of section 13 of this act, for Fiscal Year 2015-2016, the base fiscal year for each body must be adjusted for the purposes of section 13 of this act as provided in this section, and that adjusted base fiscal year must be used as the base fiscal year for all purposes, including future calculations of base fiscal years. To determine the adjusted base fiscal year for Fiscal Year 2015-2016, any expenditures authorized as a result of the provisions of subsection 1 of section 13.3 of this act must not be included when calculating the amount of money received or expended in that fiscal year.

Sec. 3. The Legislature hereby approves an increase, pursuant to paragraph (b) of subsection 1 of section 10 of the Clark County Sales and Use Tax Act of 2005, being chapter 249, Statutes of Nevada 2005, at page 912, in the rate of the tax imposed pursuant to that Act in the amount of not more than fifteen-hundredths of 1 percent, if:

1. The increase authorized by this section is enacted by an ordinance approved by a two-thirds majority of the members of the Board of County Commissioners of Clark County; **and**

2. The date on which that increased rate is first imposed is on or after October 1, 2013 ~~[~~**,**~~; and~~

~~3. That increased rate expires on or before September 30, 2017.]~~ **but before July 1, 2016.**

Sec. 3.5. **1. If the increase in the rate of the tax authorized by section 3 of this act is enacted pursuant to that section, the County Treasurer of Clark County shall not make any allotment to a police department pursuant to section 9 of the Clark County Sales and Use Tax Act of 2005 of any portion of the proceeds of the increase unless the County Treasurer is satisfied that the police department will meet the requirements of subsection 1 of section 3.7 of this act.**

2. If the County Treasurer determines pursuant to subsection 1 that an allotment will not be made to a police department, any other police department may apply to the County Treasurer requesting approval for the use by the requesting police department of the unused allotment. If

the County Treasurer is satisfied that the requesting police department will meet the requirements of subsection 1 of section 3.7 of this act, the County Treasurer shall make the requested allotment to the requesting police department.

Sec. 3.7. **1. A police department shall not expend any portion of an allotment made to it by the County Treasurer pursuant to section 3.5 of this act to employ and equip additional police officers unless:**

(a) The police department employs and equips an equal number of police officers in unfilled budgeted positions for police officers using money other than the proceeds of the increase in the rate of the tax authorized by section 3 of this act; or

(b) If, based on the number of budgeted positions for police officers in the police department for the 2013-2014 fiscal year, the police department does not have a sufficient number of unfilled budgeted positions for police officers to match all of the positions that are available for funding with the proceeds of the increase in the rate of the tax authorized by section 3 of this act, the police department applies for and is granted a waiver from the requirements of paragraph (a) by the Committee on Local Government Finance.

2. The Committee on Local Government Finance shall, on or before September 1 of each year, submit a report to the Legislative Commission that sets forth the number of waivers granted by the Committee pursuant to this section during the immediately preceding fiscal year and the reasons for each such waiver.

Sec. 4. ~~**[1.]**~~ This act becomes effective upon passage and approval ~~**[.**~~

~~2. Sections 1 and 2 of this act expire~~**]** **and expires** by limitation on October 1, 2025.

(a) Two members of the Assembly appointed by the Speaker from the majority political party;

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Speaker and one who is appointed by the Minority Leader, and none of whom is a present member of the Legislature or employed by the State of Nevada.

2. The Speaker shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific question.

3. The Speaker shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific question, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific question.

4. A member of the Committee is disqualified to serve during the consideration of a specific question if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Speaker or the Speaker Designate or the Minority Leader or Minority Leader Designate appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. The Committee:

(a) May hear requests brought by members of the Assembly for advice on specific questions of potential breaches of ethics and conflicts of interest; and

(b) Shall hear complaints brought by members of the Assembly and others on specific questions of alleged breaches of ethics and conflicts of interest.

8. All proceedings held to consider the character, alleged misconduct, professional competence or physical or mental health of any person by the Committee on matters of ethics or conflicts of interest are confidential unless a Legislator:

(a) Against whom a complaint is brought requests a public hearing;

(b) Discloses the content of an opinion of the Committee at any time after his or her hearing; or

(c) Discloses the content of an advisory opinion issued to him or her by the Committee.

9. A complaint which alleges a breach of ethics or a conflict of interest must be:

(a) Made in writing on a form provided by the Chief Clerk of the Assembly;

(b) Signed and verified under penalty of perjury by the person making the allegation; and

(c) Filed with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair. The Chair or Vice Chair, as appropriate, shall send a copy of the complaint, within 24 hours after receiving it, to the Legislator against whom the complaint is brought.

10. In determining whether a Legislator has a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

(a) Acceptance of a gift or loan;

(b) Private economic interest; or

(c) Commitment to a member of his or her household or immediate family.

➥ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, as applicable. Such a disclosure must be entered:

(a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.

(b) If the Legislator makes the disclosure on the floor of the Assembly, in the Journal.

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of

interest on the record in a meeting of a committee or on the floor of the Assembly, the Legislator is not required to make that general disclosure at length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

(a) The conflict impedes his or her independence of judgment; and

(b) His or her interest is greater than the interests of an entire class of persons similarly situated.

14. The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:

(a) Prohibit a Legislator from requesting or introducing a legislative measure; or

(b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. Except as otherwise provided in the Joint Standing Rules, the standards and procedures set forth in this Rule which govern whether and to what extent a member of the Assembly has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the member has a conflict of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to members of the Assembly with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters.

17. For purposes of this Rule, "immediate family" means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

18. This Rule shall remain in full force and effect throughout the interim between regular sessions of the Legislature and until new Standing Rules of the Assembly are adopted as part of a newly-constituted Assembly at the commencement of a session.

[Statutes of Nevada 1977, 1706; A 1987, 2325, 2336; 1995, 2847; 1997, 3540; 2009, 3143; 2011, 3794; 2013, 3900]

If the point of order be sustained by the presiding officer, the member shall not be allowed to proceed; but if it be not sustained, then the member shall be permitted to go on. 2. A motion to reconsider a vote on an amendment to a pending question must be made at once and can be made only by a member who voted with the prevailing side.

3. A motion to reconsider shall have precedence over every other motion, including a motion to adjourn, if the motion is to reconsider a final vote on a bill or resolution. (b) Become the subject of a special order.

2. When the message is received, or if made a special order, when the special order is called, the said message or statement must be read together with the bill or bills so disapproved or vetoed. The message and bill must be read by the Chief Clerk without interruption, consecutively, one following the other, and not upon separate occasions. No such bill or message may be referred to any committee, or otherwise acted upon save as provided by law and custom; that is to say, that immediately following such reading the only question, except as hereinafter stated, which may be put by the Speaker is, "Shall the bill pass, notwithstanding the objections of the Governor?" It shall not be in order, at any time, to vote upon such a vetoed bill unless the same shall first have been read, from the first word of its title to and including the last word of its final section. No motion may be entertained after the Speaker has stated the question, save a motion to adjourn or a motion for the previous question, but the merits of the bill itself may be debated. The message or statement containing the objections of the Governor to the bill must be entered in the Journal of the Assembly.

JOINT STANDING RULES OF THE SENATE AND ASSEMBLY

CONFERENCE COMMITTEES

Rule No. 1. Procedure Concerning.

1. In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one House, dissented from in the other, and not receded from by the one making the amendment, each House shall appoint a committee to confer with a like committee to be appointed by the other; and the committee so appointed shall meet publicly at a convenient hour to be agreed upon by their respective chairs and announced publicly, and shall confer upon the differences between the two Houses as indicated by the amendments made in one and rejected in the other and report as early as convenient the result of their conference to their respective Houses.

2. The report shall be made available to all members of both Houses. The whole subject matter embraced in the bill or resolution shall be considered by the committee, and it may recommend recession by either House, new amendments, a new bill or resolution, or other changes as it sees fit. A new bill or resolution so reported shall be treated as amendments unless the bill or resolution is composed entirely of original matter, in which case it shall receive the treatment required in the respective Houses for original bills, or resolutions, as the case may be. A conference committee shall not recommend any action which would cause the creation of more than one reprint or more than one bill or resolution.

3. The report of a conference committee may be adopted by acclamation, and such action may be considered equivalent to the adoption of amendments embodied therein. The report is not subject to amendment.

4. There shall be but one conference committee on any bill or resolution. A majority of the members of a conference committee from each House must be members who voted for the passage of the bill or resolution.

Rule No. 5. Joint Sponsorship.

1. A bill or resolution introduced by a standing committee of the Senate or Assembly may, at the direction of the chair of the committee, set forth the name of a standing committee of the other House as a joint sponsor, if a majority of all members appointed to the committee of the other House votes in favor of becoming a joint sponsor of the bill or resolution. The name of the committee joint sponsor must be set forth on the face of the bill or resolution immediately below the date on which the bill or resolution is introduced.

2. A bill or resolution introduced by one or more Legislators elected to one House may, at the direction of the Legislator who brings the bill or resolution forward for introduction, set forth the names of one or more Legislators who are members elected to the other House and who wish to be primary joint sponsors or non-primary joint sponsors of the bill or resolution. Not more than five Legislators from each House may be set forth on the face of a bill or resolution as primary joint sponsors. The names of each primary joint sponsor and non-primary joint sponsor must be set forth on the face of the bill or resolution in the following order immediately below the date on which the bill or resolution is introduced:

(b) The name of each non-primary joint sponsor, in alphabetical order.

3. The Legislative Counsel shall not cause to be printed the name of a standing committee as a joint sponsor on the face of a bill or resolution unless the chair of the committee has signed his or her name next to the name of the committee on the colored back of the introductory copy of the bill or resolution that was submitted to the front desk of the House of origin or the statement required by subsection 5. The Legislative Counsel shall not cause to be printed the name of a Legislator as a primary joint sponsor or non-primary joint sponsor on the face of a bill or resolution unless the Legislator has signed the colored back of the introductory copy of the bill or resolution that was submitted to the front desk of the House of origin or the statement required by subsection 5.

4. Upon introduction, any bill or resolution that sets forth the names of primary joint sponsors or non-primary joint sponsors, or both, must be numbered in the same numerical sequence as other bills and resolutions of the same House of origin are numbered.

5. Once a bill or resolution has been introduced, a primary joint sponsor or non-primary joint sponsor may only be added or removed by amendment of the bill or resolution. An amendment which proposes to add or remove a primary joint sponsor or non-primary joint sponsor must not be considered by the House of origin of the amendment unless a statement requesting the addition or removal is attached to the copy of the amendment submitted to the front desk of the House of origin of the amendment. ANTI-HARASSMENT POLICY

Rule No. 20. Maintenance of Working Environment; Procedure for Filing, Investigating and Taking Remedial Action on Complaints.

1. The Legislature hereby declares that it is the policy of the Legislature to prohibit any conduct, whether intentional or unintentional, which results in sexual harassment or other unlawful harassment based upon any other protected category. The Legislature intends to maintain a working

environment which is free from sexual harassment and other unlawful harassment. Each Legislator is responsible to conduct himself or herself in a manner which will ensure that others are able to work in such an environment.

2. In accordance with Title VII of the Civil Rights Act, for the purposes of this Rule, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment;

(b) Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or

(c) Such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.

3. Each Legislator must exercise his or her own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment. The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:

(a) Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;

(b) Visual conduct such as derogatory posters, photography, cartoons, drawings or gestures;

(c) Physical conduct such as unwanted touching, blocking normal movement or interfering with the work directed at a person because of his or her sex; and

(d) Threats and demands to submit to sexual requests to keep a person's job or avoid some other loss, and offers of employment benefits in return for sexual favors.

4. Retaliation against a person for engaging in protected activity is prohibited. Retaliation occurs when an adverse action is taken against a person which is reasonably likely to deter the person from engaging in the protected activity. Protected activity includes, without limitation:

(a) Opposing conduct that the person reasonably believes constitutes sexual harassment or other unlawful harassment;

(b) Filing a complaint about the conduct; or

(c) Testifying, assisting or participating in any manner in an investigation or other proceeding related to a complaint of sexual harassment or other unlawful harassment.

6. The Speaker of the Assembly, the Majority Leader of the Senate or the Director of the Legislative Counsel Bureau, as appropriate, shall cause a discreet and impartial investigation to be conducted and may, when deemed necessary and appropriate, assign the complaint to a committee consisting of Legislators of the appropriate House.

7. If the investigation reveals that sexual harassment, other unlawful harassment, retaliation or other conduct in violation of this policy has occurred, appropriate disciplinary or remedial action, or both will be taken. The appropriate persons will be informed when any such action is taken. The Legislature will also take any action necessary to deter any future harassment.
