Assembly Bill 364 increases, from not more than 15 to not more than 39 working days in a calendar year, the period during which certain public officers or employees of the state who are active members of specified military groups must be relieved from their duties to serve under orders without loss of compensation. These provisions apply to officers and employees whose work schedules include Saturday or Sunday, and such an absence may not be part of the employees' annual vacation. It is a good bill.

I have a file on this and I'll be happy to try to address it. This allows the Adjutant General to accept federal funding for personnel support, equipment, supplies, arms, and facilities through the fiscal officer for the state of Nevada. This is also the provision that allows them to rent out space, lease out space, accept the money for that space, and be able to spend the money that they got for that space—that was the amendment that we did yesterday. I would be happy to try to answer any questions.

Finally, Senate Bill 28 expands the subpoena power of the Administrator of the Securities Division of the Office of the Secretary of State to issue a subpoena at the request of another state, jurisdiction, Canadian province or territory, or other foreign jurisdictions if the violation in the foreign jurisdiction would be a violation in the state of Nevada.

Senate Bill No. 4.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 602.

SUMMARY—Revises provisions governing the testing of a person or decedent who may have exposed certain public employers, employees or volunteers to a ~~[contagious]~~ **communicable** disease. (BDR 40-265)

AN ACT relating to ~~[contagious]~~ **communicable** diseases; revising provisions governing the testing of a person who may have exposed certain public employers, employees or volunteers to a ~~[contagious]~~ **communicable** disease; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if the duties of a law enforcement officer, correctional officer, emergency medical attendant, firefighter, county coroner or medical examiner or any of their employees, any other person who is employed by an agency of criminal justice or any other public employee may require him or her to come into contact with human blood or bodily fluids and if he or she may have been exposed to a contagious disease while performing those duties, the employee or his or her employer may petition a court to have the person or decedent who may have exposed the employee or his or her employer to a contagious disease tested for exposure to the human immunodeficiency virus, the hepatitis B surface antigen, hepatitis C and tuberculosis. Upon a finding by a court that there is probable cause to believe that a possible transfer of blood or other bodily fluids to the petitioner or the person on whose behalf the petition was filed occurred, the court is required to order testing of the blood of the person or decedent who possibly exposed to a contagious disease the petitioner or the person on whose behalf the petition was filed. (NRS 441A.195)

Section 1 of this bill allows any such employee or a volunteer for a public agency, who comes in contact with human blood or bodily fluids in the course of his or her official duties, or his or her employer or the public agency for which he or she volunteers, to seek a test of the person or decedent who possibly exposed the public employee or volunteer to a ~~[contagious]~~ **communicable** disease. **Section 1 requires a court to determine that the employee or volunteer would require medical intervention if there is a positive result to the test for the presence of a communicable disease before issuing an order for a test. Section 1** allows a judge or a justice of the peace hearing the petition upon a determination of probable cause and the ordering of a test, to authorize certain persons acting on behalf of the employer or public agency to sign the name of the judge or justice of the peace on a duplicate order. Such an order is to be deemed an order of the court but must be returned to the judge or justice of the peace for endorsement. Failure by the judge or justice of the peace to endorse the order does not in and of itself invalidate the order. **Section 1** also: (1) requires any records concerning such a petition or proceeding on such a petition to be

sealed and kept confidential; and (2) authorizes a court to establish rules to allow a judge or justice of the peace to conduct a hearing or issue an order by electronic or telephonic means. **Sections 2 and 3** of this bill authorize justice courts and municipal courts to issue such orders.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 441A.195 is hereby amended to read as follows:

441A.195 1. A law enforcement officer, correctional officer, emergency medical attendant, firefighter, county coroner or medical examiner or any of their employees ~~[,]~~ ***or volunteers,*** any other person who is employed by ***or is a volunteer for*** an agency of criminal justice or any other public employee ~~[whose duties may require him or her to come]~~ ***or volunteer for a public agency who, in the course of his or her official duties, comes*** into contact with human blood or bodily fluids, ~~[who may have been exposed to a contagious disease while performing his or her official duties,]~~ or the employer of such a person ~~[,]~~ ***or the public agency for which the person volunteers,*** may petition a court for an order requiring the testing of a person or decedent for exposure to ~~[the human immunodeficiency virus, the hepatitis B surface antigen, hepatitis C and tuberculosis]~~ ***a communicable disease*** if the person or decedent may have exposed the officer, ***emergency*** medical attendant, firefighter, county coroner or medical examiner or their employee ~~[,]~~ ***or volunteer,*** other person employed by ***or volunteering for*** an agency of criminal justice or other public employee ~~[whose duties may require him or her to come into contact with human blood or bodily fluids]~~ ***or volunteer for a public agency*** to a ~~[contagious]~~ ***communicable*** disease.

2. When possible, before filing a petition pursuant to subsection 1, the person ***,*** ~~[or]~~ employer ***or public agency for which the person volunteers, and who is*** petitioning shall submit information concerning the possible exposure to a ~~[contagious]~~ ***communicable*** disease to the designated health care officer for the employer ***or public agency*** or, if there is no designated health care officer, the person designated by the employer ***or public agency*** to document and verify possible exposure to ~~[contagious]~~ ***communicable*** diseases, for verification that there was substantial exposure. Each designated health care officer or person designated by an employer ***or public agency*** to document and verify possible exposure to ~~[contagious]~~ ***communicable*** diseases shall establish guidelines based on current scientific information to determine substantial exposure.

3. A court shall promptly hear a petition filed pursuant to subsection 1 and determine whether there is probable cause to believe that a possible transfer of blood or other bodily fluids occurred between the person who filed the petition or on whose behalf the petition was filed and the person or

decedent who possibly exposed him or her to a ~~[contagious]~~ ***communicable*** disease. If the court determines that probable cause exists to believe that a possible transfer of blood or other bodily fluids occurred ~~[,]~~ ***and, that a positive result from the test for the presence of a communicable disease would require the petitioner to seek medical intervention,*** the court shall:

(a) Order the person who possibly exposed the petitioner, or the person on whose behalf the petition was filed, to a ~~[contagious]~~ ***communicable*** disease to submit two ***appropriate*** specimens ~~[of blood]~~ to a local hospital or medical laboratory for testing for exposure to ~~[the human immunodeficiency virus, the hepatitis B surface antigen, hepatitis C and tuberculosis,]~~ ***a communicable disease;*** or

(b) Order that two ***appropriate*** specimens ~~[of blood]~~ be ~~[drawn]~~ ***taken*** from the decedent who possibly exposed the petitioner, or the person on whose behalf the petition was filed, to a ~~[contagious]~~ ***communicable*** disease and be submitted to a local hospital or medical laboratory for testing for exposure to the ~~[human immunodeficiency virus, the hepatitis B surface antigen, hepatitis C and tuberculosis.]~~ ***communicable disease.***

➥ The local hospital or medical laboratory shall perform the test in accordance with generally accepted medical practices and shall disclose the results of the test in the manner set forth in NRS 629.069.

4. ***If a judge or a justice of the peace enters an order pursuant to this section, the judge or justice of the peace may authorize the designated health care officer or the person designated by the employer or public agency to document and verify possible exposure to a ~~[contagious]~~ communicable disease to sign the name of the judge or justice of the peace on a duplicate order. Such a duplicate order shall be deemed to be an order of the court. As soon as practicable after the duplicate order is signed, the duplicate order must be returned to the judge or justice of the peace who authorized the signing of it and must indicate on its face the judge or justice of the peace to whom it is to be returned. The judge or justice of the peace, upon receiving the returned order, shall endorse the order with his or her name and enter the date on which the order was returned. Any failure of the judge or justice of the peace to make such an endorsement and entry does not in and of itself invalidate the order.***

5. Except as otherwise provided in NRS 629.069, all records submitted to the court in connection with a petition filed pursuant to this section and any proceedings concerning the petition are confidential and the judge or justice of the peace shall order the records and any record of the proceedings to be sealed and to be opened for inspection only upon an order of the court for good cause shown.

6. A court may establish rules to allow a judge or justice of the peace to conduct a hearing or issue an order pursuant to this section by electronic or telephonic means.

7. The employer of a person ***or the public agency for which the person volunteers,*** who files a petition or on whose behalf a petition is filed pursuant to this section or the insurer of the employer ***or public agency,*** shall pay the cost of performing the test pursuant to subsection 3.

(a) "Agency of criminal justice" has the meaning ascribed to it in NRS 179A.030.

(b) "Emergency medical attendant" means a person licensed as an attendant or certified as an emergency medical technician, intermediate emergency medical technician or advanced emergency medical technician pursuant to chapter 450B of NRS.

Sec. 9. NRS 278.4787 is hereby amended to read as follows:

278.4787 1. Except as otherwise provided in subsection 5, a person who proposes to divide land for transfer or development into four or more lots pursuant to NRS 278.360 to 278.460, inclusive, or chapter 278A of NRS, may, in lieu of providing for the creation of an association for a common-interest community, request the governing body of the jurisdiction in which the land is located to assume the maintenance of one or more of the following improvements located on the land:

(a) Landscaping;

(b) Public lighting;

(c) Security walls; and

(d) Trails, parks and open space which provide a substantial public benefit or which are required by the governing body for the primary use of the public.

2. A governing body shall establish by ordinance a procedure pursuant to which a request may be submitted pursuant to subsection 1 in the form of a petition, which must be signed by a majority of the owners whose property will be assessed and which must set forth descriptions of all tracts of land or residential units that would be subject to such an assessment.

3. The governing body may by ordinance designate a person to approve or disapprove a petition submitted pursuant to this section. If the governing body adopts such an ordinance, the ordinance must provide, without limitation:

(a) Procedures pursuant to which the petition must be reviewed to determine whether it would be desirable for the governing body to assume the maintenance of the proposed improvements.

(b) Procedures for the establishment of a maintenance district or unit of assessment.

(c) A method for:

(1) Determining the relative proportions in which the assumption of the maintenance of the proposed improvements by the governing body will:

(I) Benefit the development or subdivision in which the improvements are located; and

(II) Benefit the public;

(2) Assessing the tracts of land or residential units in the development or subdivision to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the development or subdivision in which the improvements are located; and

(3) Allocating an amount of public money to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements, in the proportion that such maintenance will benefit the public.

(d) Procedures for a petitioner or other aggrieved person to appeal to the governing body a decision of the person designated by the governing body by ordinance adopted pursuant to this subsection to approve or disapprove a petition.

4. If the governing body does not designate by an ordinance adopted pursuant to subsection 3 a person to approve or disapprove a petition, the governing body shall, after receipt of a complete petition submitted at least 120 days before the approval of the final map for the land, hold a public hearing at least 90 days before the approval of the final map for the land, unless otherwise waived by the governing body, to determine the desirability of assuming the maintenance of the proposed improvements. If the governing body determines that it would be undesirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall specify for the record its reasons for that determination. If the governing body determines that it would be desirable for the governing body to assume the maintenance of the proposed improvements, the governing body shall by ordinance:

(a) Determine the relative proportions in which the assumption of the maintenance of the proposed improvements by the governing body will:

(1) Benefit the development or subdivision in which the improvements are located; and

(2) Benefit the public.

(b) Create a maintenance district or unit of assessment consisting of the tracts of land or residential units set forth in the petition or include the tracts of land or residential units set forth in the petition in an existing maintenance district or unit of assessment.

(c) Establish the method or, if the tracts or units are included within an existing maintenance district or unit of assessment, apply an existing method for determining:

(1) The amount of an assessment to pay the costs that will be incurred by the governing body in assuming the maintenance of the proposed improvements. The amount of the assessment must be determined in accordance with the proportion to which such maintenance will benefit the development or subdivision in which the improvements are located.

(2) The time and manner of payment of the assessment.

(d) Provide that the assessment constitutes a lien upon the tracts of land or residential units within the maintenance district or unit of assessment. The lien must be executed, and has the same priority, as a lien for property taxes.

(e) Prescribe the levels of maintenance to be provided.

(f) Allocate to the cost of providing the maintenance the appropriate amount of public money to pay for that part of the maintenance which creates the public benefit.

(g) Address any other matters that the governing body determines to be relevant to the maintenance of the improvements, including, without limitation, matters relating to the ownership of the improvements and the land on which the improvements are located and any exposure to liability associated with the maintenance of the improvements.

5. If the governing body requires an owner of land to dedicate a tract of land as a trail identified in the recreation plan of the governing body adopted pursuant to ~~[paragraph (k) of subsection 1 of]~~ NRS 278.160, the governing body shall:

(a) Accept ownership of the tract; and

(b) Assume the maintenance of the tract and any other improvement located on the land that is authorized in subsection 1.

6. The governing body shall record, in the office of the county recorder for the county in which the tracts of land or residential units included in a petition approved pursuant to this section are located, a notice of the creation of the maintenance district or unit of assessment that is sufficient to advise the owners of the tracts of land or residential units that the tracts of land or residential units are subject to the assessment. The costs of recording the notice must be paid by the petitioner.

7. The provisions of this section apply retroactively to a development or subdivision with respect to which:

(a) An agreement or agreements between the owners of tracts of land within the development or subdivision and the developer allow for the provision of services in the manner set forth in this section; or

(b) The owners of affected tracts of land or residential units agree to dissolve the association for their common-interest community in accordance with the governing documents of the common-interest community upon approval by the governing body of a petition filed by the owners pursuant to this section.

Sec. 10. NRS 279.608 is hereby amended to read as follows:

279.608 1. If, at any time after the adoption of a redevelopment plan by the legislative body, the agency desires to take an action that will constitute a material deviation from the plan or otherwise determines that it would be necessary or desirable to amend the plan, the agency must recommend the amendment of the plan to the legislative body. An amendment may include the addition of one or more areas to any redevelopment area.

2. Before recommending amendment of the plan, the agency shall hold a public hearing on the proposed amendment. Notice of that hearing must be

published at least 10 days before the date of hearing in a newspaper of general circulation, printed and published in the community, or, if there is none, in a newspaper selected by the agency. The notice of hearing must include a legal description of the boundaries of the area designated in the plan to be amended and a general statement of the purpose of the amendment.

3. In addition to the notice published pursuant to subsection 2, the agency shall cause a notice of hearing on a proposed amendment to the plan to be sent by mail at least 10 days before the date of the hearing to each owner of real property, as listed in the records of the county assessor, whom the agency determines is likely to be directly affected by the proposed amendment. The notice must:

(a) Set forth the date, time, place and purpose of the hearing and a physical description of, or a map detailing, the proposed amendment; and

(b) Contain a brief summary of the intent of the proposed amendment.

4. If after the public hearing, the agency recommends substantial changes in the plan which affect the master or community plan adopted by the planning commission or the legislative body, those changes must be submitted by the agency to the planning commission for its report and recommendation. The planning commission shall give its report and recommendations to the legislative body within 30 days after the agency submitted the changes to the planning commission.

5. After receiving the recommendation of the agency concerning the changes in the plan, the legislative body shall hold a public hearing on the proposed amendment, notice of which must be published in a newspaper in the manner designated for notice of hearing by the agency. If after that hearing the legislative body determines that the amendments in the plan, proposed by the agency, are necessary or desirable, the legislative body shall adopt an ordinance amending the ordinance adopting the plan.

6. As used in this section, "material deviation" means an action that, if taken, would alter significantly one or more of the aspects of a redevelopment plan that are required to be shown in the redevelopment plan pursuant to NRS 279.572. The term includes, without limitation, the vacation of a street that is depicted in the streets and highways plan of the master plan described in ~~[paragraph (q) of subsection 1 of]~~ NRS 278.160 which has been adopted for the community and the relocation of a public park. The term does not include the vacation of a street that is not depicted in the streets and highways plan of the master plan described in ~~[paragraph (q) of subsection 1 of]~~ NRS 278.160 which has been adopted for the community.

Amendment No. 631.

AN ACT relating to ~~[body shops;]~~ **automotive repairs;** authorizing a body shop to impose certain charges for storage of a motor vehicle; requiring that body shops include rates for storage of vehicles in written estimates; requiring that body shops notify certain registered owners of a motor vehicle of charges for storage; revising provisions governing information that body shops are required to submit to the Department of Motor Vehicles; **requiring that body shops and garage operators inform certain persons as to the forms of payment which the shop or garage accepts;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a body shop may charge for storage of a motor vehicle if the owner or insurer of the motor vehicle elects to take possession of the motor vehicle instead of authorizing certain repairs and fails to take possession within 24 hours after that election. (NRS 487.6881) **Section 2** of this bill authorizes a body shop, under certain circumstances, to impose a charge for storage of a motor vehicle that is in the possession of the body shop for repairs. **Section 2** also provides that any such charge for storage of a motor vehicle must not exceed an amount that is one and one-half times the average prevailing rate for storage charged by body shops in the same

geographic area, as determined by the Department of Motor Vehicles, except that a body shop may request a hearing by the Department to show good cause as to why the body shop should be allowed to impose a charge which exceeds that limit.

Under existing law, a body shop must complete an on-line survey to report certain information, including the labor rate charged by the body shop, to the Department of Motor Vehicles within 60 days immediately preceding the date of submission of the application for renewal of the license of the body shop. (NRS 487.685) **Section 5** of this bill requires that a body shop also report to the Department in the on-line survey the rate charged by the body shop for storage of vehicles, if any, including both an indoor vehicle storage rate and an outdoor vehicle storage rate, if those rates differ. **Section 6** of this bill requires the Department to calculate and post the prevailing storage rates for each specific geographic area in a report that must be made available to the public on-line. (NRS 487.686)

Existing law requires a body shop to provide to a person requesting or authorizing the repair of a motor vehicle a written estimate or statement indicating the total charge for the repair, including the charge for labor and all parts and accessories necessary to perform the work. (NRS 487.6875) Existing law also requires a body shop to display in its place of business a sign setting forth various rights of the customer, including the right to receive a written estimate of charges for repairs made to the vehicle which exceed $50. (NRS 487.6871) **Section 9** of this bill requires that the person requesting or authorizing the repair is also entitled to receive from the body shop a written statement of charges for storage of the vehicle, if any, which could exceed $50. **Section 7** of this bill provides that the sign in a body shop which is required to set forth the various rights of the customer must also include language stating that the customer is entitled to receive a written statement of charges for storage of the vehicle, if any, which could exceed $50. **Section 7** also requires such signs to display the Internet address of the Division of Compliance Enforcement of the Department of Motor Vehicles and the telephone number of the closest office of the Division.

Section 3 of this bill provides that if a motor vehicle is towed to a body shop at the request of someone other than the registered owner or an authorized agent of the owner, the body shop which receives the motor vehicle must make reasonable attempts to notify the registered owner of the motor vehicle of the location of the vehicle. **Section 3** further provides that the body shop may impose a charge for storage of such a motor vehicle.

Section 3.5 of this bill requires under certain circumstances that body shops and garage operators inform certain persons as to the forms of payment which the shop or garage accepts.

Sections 12-14 of this bill provide for injunctive relief, civil penalties and a criminal misdemeanor penalty for violations of the provisions of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 487 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 **,** ~~[and]~~ 3 **and 3.5** of this act.

Senate Bill No. 176.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 665.

AN ACT relating to children; requiring an agency which provides child welfare services to determine whether certain reports concerning the possible abuse or neglect of a child are substantiated or unsubstantiated; setting forth that if such an agency substantiates a report alleging the person responsible for a child's welfare has abused or neglected the child, the agency must notify that person in writing of its intent to place the person's name in the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child, and that the person may administratively appeal the substantiation of the report; requiring the findings of fact in certain adjudicatory hearings to be included as part of the disposition of the case in the report required to be made to the Central Registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, with certain exceptions, an agency which provides child welfare services to investigate each report of abuse or neglect received or referred to the agency. (NRS 432B.300) **Section 7** of this bill requires an agency which provides child welfare services to determine whether a report concerning the possible abuse or neglect of a child that the agency has determined warrants an investigation is substantiated or unsubstantiated. ~~[The definitions set forth in section 7 provide that a report that was~~

~~investigated is "substantiated" if credible evidence of the abuse or neglect exists and is "unsubstantiated" if no credible evidence of the abuse or neglect exists.]~~ If the agency determines a report is substantiated, **section 3** of this bill requires the agency to provide to the person responsible for the child's welfare and who is named in the report as allegedly causing the abuse or neglect, written notification which includes statements indicating: (1) that the report which was made against the person has been substantiated and the agency intends to place the person's name in the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child; (2) that the person has the right to request an administrative appeal of the substantiation of the report and the agency's intention to place the person's name in the Central Registry; and (3) the manner for requesting such an appeal.

Section 4 of this bill sets forth the process for such an administrative appeal and provides that the appeal is stayed upon written notice to the agency of a pending adjudicatory hearing on a petition alleging that a child is in need of protection, which hearing arose out of the same incident as the report. **Section 4** also sets forth the circumstances establishing a conclusive presumption that the substantiation of the report will be affirmed and the person's name will be placed in the Central Registry.

Existing law provides certain circumstances in which an investigation of child abuse or neglect is not warranted, including when the agency which provides child welfare services determines that the alleged act was the result of the reasonable exercise of discipline by a parent or guardian involving the use of corporal punishment. (NRS 432B.260) Section 6 of this bill removes the examples of spanking or paddling within that provision and further removes the requirement that the agency which provides child welfare services upon making such a determination remove all references of the matter from its records.

Existing law requires the agency investigating a report of abuse or neglect of a child to report certain information to the Central Registry after completing the investigation, including the disposition of the case. (NRS 432B.310) **Section 9** of this bill requires such an agency to include the findings of fact recorded by the court in certain adjudicatory hearings and certain specific allegations admitted to by the parties as part of the disposition of the case in the report the agency makes to the Central Registry.

Existing law further prohibits an agency which provides child welfare services from reporting to the Central Registry any information concerning a child identified as being affected by prenatal illegal substance abuse or as having withdrawal symptoms resulting from prenatal drug exposure, unless the agency determines that a person has abused or neglected the child.

(NRS 432B.310) **Section 8** of this bill specifies that such abuse or neglect of the child must have occurred after the child was born.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 432B of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***"Central Registry" has the meaning ascribed to it in NRS 432.0999.***

Sec. 3. ***If an agency which provides child welfare services determines pursuant to NRS 432B.300 that a report made pursuant to NRS 432B.220 is substantiated, the agency shall provide written notification to the person responsible for the child's welfare who is named in the report as allegedly causing the abuse or neglect of the child which includes statements indicating that:***

1. The report which was made against the person has been substantiated and the agency which provides child welfare services intends to place the person's name in the Central Registry pursuant to NRS 432B.310; and

2. The person may request an administrative appeal of the substantiation of the report and the agency's intention to place the person's name in the Central Registry by submitting a written request to the agency which provides child welfare services within the time required pursuant to section 4 of this act.

Sec. 4. ***1. A person to whom a written notification is sent pursuant to section 3 of this act may request an administrative appeal of the substantiation of the report and the agency's intention to place the person's name in the Central Registry by submitting a written request to the agency which provides child welfare services within 15 days after the date on which the agency sent the written notification as required pursuant to section 3 of this act.***

2. Except as otherwise provided in subsection 3, if an agency which provides child welfare services receives a request for an administrative appeal within 15 days after the agency sent the written notification pursuant to subsection 1, a hearing before a hearing officer must be held in accordance with chapter 233B of NRS.

3. An administrative appeal is stayed upon the receipt of written notification to the agency which provides child welfare services of a pending adjudicatory hearing pursuant to NRS 432B.530 which arose out of the same incident as the incident upon which the report made pursuant to NRS 432B.220 was premised. The stay of the administrative appeal is lifted when:

(a) A final determination is made in the adjudicatory hearing; or

(b) The adjudicatory hearing is dismissed or terminated if the adjudicatory hearing does not result in a final determination being made.

4. If a request for an administrative appeal is not submitted pursuant to subsection 1, the agency which provides child welfare services shall place the person's name in the Central Registry pursuant to NRS 432B.310.

5. If the hearing officer in a hearing that is held pursuant to this section:

(a) Affirms the substantiation of the report, the agency which provides child welfare services shall place the person's name in the Central Registry pursuant to NRS 432B.310; or

(b) Rejects the substantiation of the report, the agency which provides child welfare services shall not place the person's name in the Central Registry pursuant to NRS 432B.310.

6. A conclusive presumption that the substantiation of the report will be affirmed and the person's name will be placed in the Central Registry pursuant to NRS 432B.310 is established if there is a final determination in an adjudicatory hearing that the child was in need of protection.

7. The decision of a hearing officer in a hearing that is held pursuant to this section is a final decision for the purposes of judicial review.

8. As used in this section, "final determination in an adjudicatory hearing" means a finding made by a court pursuant to subsection 5 of NRS 432B.530 as to whether a child was in need of protection at the time of the removal of the child from the home that is based on the child being subjected to abuse or neglect by the person to whom a written notice was sent pursuant to section 3 of this act.

Sec. 5. NRS 432B.010 is hereby amended to read as follows:

432B.010 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 432B.020 to 432B.110, inclusive, ***and section 2 of this act*** have the meanings ascribed to them in those sections.

Sec. 6. NRS 432B.260 is hereby amended to read as follows:

432B.260 1. Upon the receipt of a report concerning the possible abuse or neglect of a child, an agency which provides child welfare services or a law enforcement agency shall promptly notify the appropriate licensing authority, if any. A law enforcement agency shall promptly notify an agency which provides child welfare services of any report it receives.

2. Upon receipt of a report concerning the possible abuse or neglect of a child, an agency which provides child welfare services or a law enforcement agency shall immediately initiate an investigation if the report indicates that:

(a) The child is 5 years of age or younger;

(b) There is a high risk of serious harm to the child;

(c) The child has suffered a fatality; or

(d) The child is living in a household in which another child has died, or the child is seriously injured or has visible signs of physical abuse.

3. Except as otherwise provided in subsection 2, upon receipt of a report concerning the possible abuse or neglect of a child or notification from a law enforcement agency that the law enforcement agency has received such a report, an agency which provides child welfare services shall conduct an evaluation not later than 3 days after the report or notification was received to determine whether an investigation is warranted. For the purposes of this subsection, an investigation is not warranted if:

(a) The child is not in imminent danger of harm;

(b) The child is not vulnerable as the result of any untreated injury, illness or other physical, mental or emotional condition that threatens the immediate health or safety of the child;

(c) The alleged abuse or neglect of the child or the alleged effect of prenatal illegal substance abuse on or the withdrawal symptoms resulting from any prenatal drug exposure of the newborn infant could be eliminated if the child and the family of the child are referred to or participate in social or health services offered in the community, or both; or

(d) The agency determines that the:

(1) Alleged abuse or neglect was the result of the reasonable exercise of discipline by a parent or guardian of the child involving the use of corporal punishment ***;*** ~~**[, including, without limitation, spanking or paddling;]**~~ and

(2) Corporal punishment so administered was not so excessive as to constitute abuse or neglect as described in NRS 432B.150.

4. If the agency determines that an investigation is warranted, the agency shall initiate the investigation not later than 3 days after the evaluation is completed.

5. If an agency which provides child welfare services investigates a report of alleged abuse or neglect of a child pursuant to NRS 432B.010 to 432B.400, inclusive, ***and sections 2, 3 and 4 of this act,*** the agency shall inform the person responsible for the child's welfare who is named in the report as allegedly causing the abuse or neglect of the child of any allegation which is made against the person at the initial time of contact with the person by the agency. The agency shall not identify the person responsible for reporting the alleged abuse or neglect.

6. Except as otherwise provided in this subsection, if the agency determines that an investigation is not warranted, the agency may, as appropriate:

(a) Provide counseling, training or other services relating to child abuse and neglect to the family of the child, or refer the family to a person who has entered into an agreement with the agency to provide those services; or

(b) Conduct an assessment of the family of the child to determine what services, if any, are needed by the family and, if appropriate, provide any such services or refer the family to a person who has entered into a written agreement with the agency to make such an assessment.

~~[➥ If an agency determines that an investigation is not warranted for the reason set forth in paragraph (d) of subsection 3, the agency shall take no further action in regard to the matter and shall delete all references to the matter from its records.]~~

7. If an agency which provides child welfare services enters into an agreement with a person to provide services to a child or the family of the child pursuant to subsection 6, the agency shall require the person to notify the agency if the child or the family refuses or fails to participate in the services, or if the person determines that there is a serious risk to the health or safety of the child.

8. ~~[An]~~ ***If an*** agency which provides child welfare services ~~[that]~~ determines ***pursuant to ~~[paragraph (a), (b) or (c) of]~~ subsection 3*** that an investigation is not warranted ***, the agency*** may, at any time, reverse that determination and initiate an investigation.

3. The following amendment was proposed by the Committee on Transportation:

Amendment No. 630.

AN ACT relating to county roads; revising provisions relating to the manner of performing work for the construction and repair of roads and bridges in smaller counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the county commissioners of the county make up the board of county highway commissioners. (NRS 403.010) With exceptions for emergencies and instances in which a county performs its own work with day labor and county equipment, if the construction of any superstructure related to a county road may require the expenditure of $500 or more, the board of county highway commissioners is required to advertise for bids and let contracts pursuant to certain competitive bidding provisions imposed on local government. (NRS 332.039, 403.490) **Section 1** of this bill provides that if the probable cost of road work does not exceed $100,000, a county may advertise for bids and let contracts pursuant to chapter 332 or 338 of NRS or may perform its own work with county employees or day labor and using county equipment. If the probable cost of the work exceeds $100,000, a county is required to advertise for bids and let contracts pursuant to chapter 332 or 338 of NRS, except that, in a county whose population is less than 45,000 (currently Churchill, Esmeralda, Eureka, Humboldt, Lander, Lincoln, Mineral, Nye, Pershing, Storey and White Pine Counties), the board of county highway commissioners may instead determine, at a hearing and with the provision of certain notice requirements, to perform the work with county employees or day labor and using county equipment if the estimated cost of the project is more than $100,000 but less than $250,000. **Section 2** of this bill makes a parallel, conforming change with respect to the construction and repair of bridges.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 403.490 is hereby amended to read as follows:

403.490 1. To perform any work or construct any superstructure under this chapter wherein an expenditure of ~~[~~$500~~]~~ ***$100,000*** or more may be necessary, the board of county highway commissioners shall cause definite plans of such work or superstructure to be made, estimates of the amount of work to be done and the probable cost thereof, together with a copy of the specifications thereof.

2. ~~[~~Upon~~]~~ ***Except as otherwise provided in subsection 3, upon*** receipt of the plans, estimates and specifications ~~[,]~~ ***for a project for which the estimated cost is $100,000 or more,*** the board of county highway commissioners shall advertise for bids and let contracts in the manner prescribed by chapter 332 ***or 338*** of NRS ~~[.]~~ ***, as applicable.***

3. ~~[After submission of bids, the board of county highway commissioners may reject any and all bids and advertise anew, or the board may order the work done by day's work under the supervision of the county road supervisor.]~~ ***In a county whose population is less than 45,000, if the estimated cost of a project is $100,000 or more but less than $250,000, the board of county highway commissioners may hold a hearing to determine, by majority vote of the board, if the project can be performed by county employees or through the employment of day labor under the supervision of the board and by the use of its own machinery, tools and other equipment without advertising for bids and letting contracts pursuant to subsection 2. Notice for such a hearing must be provided not less than 15 days before the date of the hearing and must be published pursuant to the provisions of NRS 238.010 to 238.080, inclusive. The board shall provide, in the notice and at least 15 days before the hearing at the office of the board and at the place of the hearing, the following information, without limitation:***

(a) A list of:

(1) All county employees, if any, including supervisors, who will perform the work, including, without limitation, the classification of each employee and an estimate of the direct and indirect costs of the labor;

(2) The number of day laborers, if any, that will be employed to perform the work; and

(3) All machinery, tools and other equipment of the county to be used on the project.

(b) An estimate of:

(1) The direct and indirect costs of the labor of the county employees who will perform the work, if any;

(2) The direct and indirect costs of the labor of any day laborers who will be employed to perform the work ~~***[,]***~~ ***pursuant to chapter 338 of NRS;***

(3) The cost of any administrative support that will be required for the performance of the work;

(4) The total cost of the project, including, without limitation, the fair market value or, if available, the actual cost of all materials, supplies, equipment and labor necessary for the project; and

(5) The amount of savings to be realized by having county employees or day laborers perform the work.

4. In cases of emergency the board of county highway commissioners may let contracts for repairs in the manner prescribed by chapter 332 of NRS.

5. Nothing in this section shall prevent any county from opening, building, improving or repairing any public road or highway in the county ~~[by the]~~ ***through the work of county employees or the*** employment of day labor, under the supervision of the board of county highway commissioners and by the use of its own machinery, tools and other equipment, without letting contracts to the lowest responsible bidder, ~~[irrespective of]~~ ***if*** the probable cost of the work ~~[.]~~ ***does not exceed $100,000.***

Sec. 2. NRS 403.600 is hereby amended to read as follows:

403.600 1. No bridge shall be constructed or repaired except on the order of the board of county commissioners, or unless a petition is filed as provided in NRS 403.610.

2. In entering into a contract for the construction or repair of a bridge, the board of county commissioners shall comply with ~~[chapter 332 of]~~ NRS ~~[.]~~ ***403.610.***

Amendment No. 629.

AN ACT relating to motor vehicles; requiring that certain devices be installed in vehicles that are designed to display certain advertisements ~~[or other content]~~ while moving over the highways of this State; **limiting the**

display of such advertisements to taxicabs; providing certain requirements concerning the equipment used to display such advertisements; providing a penalty; and providing other matters properly relating thereto.

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 723.

AN ACT relating to public health; enacting provisions to authorize the use of Physician Orders for Life-Sustaining Treatment in this State; allowing the deposit of any Physician Order for Life-Sustaining Treatment form (POLST form) or other advance directive in the statewide health information exchange system and the Registry of Advance Directives for Health Care; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows any person who is of sound mind and 18 years of age or older to execute a declaration governing the withholding or withdrawal of life-sustaining treatment. (NRS 449.600, 449.610) Existing law also allows an adult person to execute a power of attorney enabling the agent named in the power of attorney to make decisions concerning health care for the principal if that principal becomes incapable of giving informed consent. (NRS 162A.700-162A.860) Existing law additionally allows certain patients suffering from a terminal condition to obtain a do-not-resuscitate order from a physician and a do-not-resuscitate identification from the health authority. (NRS 450B.510-450B.525) A declaration governing the withholding or withdrawal of life-sustaining treatment, a durable power of attorney for health care decisions and a do-not-resuscitate order are all classified as advance directives. (NRS 449.905) **Section 15** of this bill requires the State Board of Health to adopt a Physician Order for Life-Sustaining Treatment form (POLST form), another type of advance directive which records the wishes of a patient and directs any provider of health care regarding the provision of life-resuscitating and life-sustaining treatment.

Sections 16, 17, 36 and 37 of this bill specify who is allowed to execute and revoke a POLST form. **Section 18** of this bill resolves potential conflicts between a POLST form and another advance directive. **Sections 19 and 22** of this bill convey similar protections and immunities to providers of health care with regard to a POLST form as are conveyed with regard to other advance directives.

Under existing law, a provider of health care or a person who administers emergency medical services is required to comply with an advance directive or take reasonable measures to transfer the patient to a provider of health care willing to do so, and imposes a penalty for failure to do so. (NRS 449.628, 449.660, 450B.550, 450B.580) **Sections 20 and 23** of this bill enact similar provisions with regard to a POLST form. **Section 21** of this bill establishes that a provider of health care may assume the validity of a POLST form unless he or she has knowledge to the contrary.

Section 22 provides that the execution of a POLST form or the lack thereof does not affect the sale, procurement or terms of a policy of life insurance or annuity, and cannot be used as a reason to withhold health care

or health insurance. **Section 23** provides a penalty if health care or health insurance is withheld. Existing law provides penalties for any person who willfully conceals, cancels, defaces, obliterates, forges or fraudulently induces the execution of a declaration governing the withholding or withdrawal of life-sustaining treatment. (NRS 449.660) **Section 23** establishes similar penalties with respect to a POLST form. **Section 25** of this bill sets forth that a POLST form executed in another state in compliance with the laws of that state or this State is valid in this State. **Section 26** of this bill authorizes the State Board of Health to adopt regulations to carry out the provisions of this bill.

Existing law provides for a statewide health information exchange system and a Registry of Advance Directives for Health Care, in which certain health records of a patient may be deposited to facilitate treatment of that patient by any health care provider. (NRS 439.581-439.595, 449.900-449.965) **Sections 28 and 29** of this bill allow a POLST form to be deposited in the exchange and the Registry. **Section 32** of this bill allows a patient who has executed a POLST form providing for the withholding of life-resuscitating treatment to apply for a do-not-resuscitate identification.

Assembly Bill No. 444.

Bill read third time.

Remarks by Assemblyman Ohrenschall.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 444 requires the Legislative Auditor to conduct an audit of the fiscal costs of the death penalty. The Legislative Auditor must present a final written audit to the Audit Subcommittee of the Legislative Commission no later than January 31, 2015.

Those of us who served during the 76th Session might remember Assembly Bill 501. Assembly Bill 501 was substantially similar to Assembly Bill 444 in that it sought an audit from our Legislative Auditor as to the costs of capital punishment in our state. Assembly Bill 501 was vetoed by the Governor, and in his veto message, the Governor opined that he wanted a cost audit that he was certain would be fair and accurate. He wanted specificity as to the methodologies used. If you or any of the members look at the text of Assembly Bill 444, I think you will see that what we are asking for here is an audit that is rational, dispassionate, and logical. Specifically, we have tried to address every point the Governor brought up in his veto message last session. Auditing standards that are prescribed by the U.S. Government

Accountability Office will be used, and there is much specificity as to the methodologies, which include the cost estimation approach, top-down accounting method, retrospective observational design, independent statistical analysis, administrative databases, and self-reported data. And those are all terms that explain why I went to law school. I hope the body will support this. It did pass unanimously out of your Committee on Legislative Operations and Elections.

Senate Bill 7, in its first reprint, requires the Executive Director of the Department of Taxation to prepare or cause to be prepared technical bulletins to educate the public on issues related to their businesses and the taxes administered by the Department, as well as on written opinions received by the Department from the Attorney General. The technical bulletins must be written in simple, nontechnical language.

The bill requires each proposed bulletin and any revisions to a bulletin to be submitted to the Nevada Tax Commission for approval before the bulletin or revised bulletin is published.

Senate Bill 26 creates within the Attorney General's Office the Victim Information Notification Everyday (VINE) System to consist of a toll-free telephone number and website through which crime victims and members of the public may register to receive automated information and notification concerning changes in the custody status of an offender. The Attorney General is directed to create a governance committee for the system, which may adopt regulations for its operation and oversight. To the extent that funds are available, each sheriff and chief of police, the Department of Corrections, the Department of Public Safety, and the State Board of Parole Commissioners shall cooperate with the Attorney General to establish and maintain the system. ASSEMBLYMAN WHEELER:

Senate Bill 27 clarifies the authority of the Attorney General to defend present or former state judicial officers who are sued for certain acts or omissions relating to their public duties or employment. State judicial officers are defined as any justice of the Supreme Court, senior justice, judge of a district court, or senior judge. In addition, the measure clarifies the authority of the chief legal officer or other authorized legal representative of a political subdivision to provide legal counsel under certain circumstances to any present or former local judicial officers. Local judicial officers are defined as any justice of the peace, senior justice of the peace, municipal judge, or senior municipal judge of that political subdivision.

The measure also requires the Attorney General or the chief legal officer or other authorized legal representative of a political subdivision to provide counsel for certain persons who are not employees or officers of the state or political subdivision, but are named as defendants in a civil action solely because of an alleged act or omission relating to the public duties or employment of certain officers or employees of the state or political subdivision.

Finally, the measure requires the Director of the Department of Administration to include the biennial cost of implementing the provisions of this measure in the Attorney General's cost allocation plan for the 78th Session of the Nevada Legislature.

Senate Bill 32 revises the powers and duties of the Director of the Department of Corrections [DOC] and makes various changes related to the Department of Public Safety [DPS]. The measure authorizes the Director of the DOC to permit the distribution of money, from any money deposited in the individual account of an offender from any source other than the offender's wages, to a governmental entity for certain deductions.

When a request for the transfer of a person detained in a local law enforcement facility is received from a sheriff or chief of police of a city, S.B. 32 requires the Director to determine if the transport will be made by the staff of the DOC or staff of the county sheriff or the chief of police who requested the transfer.

Senate Bill 32 provides that an offender in custody with the Division of Parole and Probation of the DPS for residential confinement cannot reside in another state. In addition, the measure expands eligibility for participation in a program of residential confinement for certain abusers of alcohol or drugs who commit certain violations of law relating to operating or being in actual physical control of any vessel under power or sail.

The measure authorizes the Division of Parole and Probation, under certain circumstances, to receive and distribute restitution to victims. Finally, the measure repeals provisions governing the Prison Revolving Account.

The State Board of Health is required to adopt regulations setting forth acceptable forms of proof of identity that a laboratory director must include in an application.

The Board is also required to adopt regulations concerning the qualifications for certification as an assistant in a medical laboratory.

Senate Bill 40 increases the administrative penalty from $250 for a first offense and not more than $500 for a subsequent offense to not more than $10,000 that the Health Division of the Department of Health and Human Services may impose for a violation of provisions relating to medical laboratories.

Senate Bill 41 provides that a small-scale provider of last resort may file with the Public Utilities Commission of Nevada [PUCN] a proposed change in any schedule of rates or services using a letter of advice in lieu of an application if the applicant demonstrates that the proposed change in schedule is required by, or directly related to, a regulation or order of the [Federal Communications Commission] FCC and files the letter of advice not later than five years after the PUCN has issued a final order on a general rate application. A provider may request a waiver of the five-year period.

A commercial mobile radio service provider who seeks to merge with, directly or indirectly, acquire or obtain control of a public utility doing business in Nevada is exempt, in certain circumstances, from obtaining authorization of the transaction from the PUCN. The bill authorizes a person proposing such a transaction to request that the Regulatory Operations Staff of the PUCN and the Consumer's Advocate of the Bureau of Consumer Protection each waive the right to request an order from the PUCN requiring the filing of an application for authorization of the proposed transaction. If such a waiver is made, the person proposing the transaction is exempt from obtaining authorization from the PUCN.

The measure makes changes concerning lifeline and tribal linkup provided by small-scale providers of last resort. Finally, the bill also expands the applicability of the reduction in telephone rates to include bundled service offerings as required under federal regulations.

The measure clarifies the employment, association, and sponsorship requirements that a mortgage agent must satisfy in order to provide services as a mortgage agent. The bill requires mortgage brokers and mortgage bankers to establish written or oral policies and procedures for their mortgage agents. ASSEMBLYMAN CARRILLO:

Senate Bill 71 provides that when a court imposes consecutive sentences, those sentences must be aggregated if the crimes were committed on or after July 1, 2014, unless any of the sentences includes a sentence of life without the possibility of parole or death. In addition, this measure authorizes a prisoner who is serving consecutive sentences to request the Director of the Department of Corrections to aggregate any remaining sentences for which parole has not previously been considered. The aggregation of sentences does not apply to sentences for offenses entered into at different times. This measure provides that for offenses committed and sentences aggregated on or after July 1, 2014, any credits earned to reduce sentences may only reduce the minimum term or minimum aggregate term imposed by the sentence by not more than 58 percent.

For cases where a prisoner was less than 16 years of age at the time of the offense for which he or she was imprisoned, this measure provides that the State Board of Parole Commissioners is not required to release the prisoner if he or she is determined to be a high risk to reoffend in a sexual manner or there is a reasonable probability that the prisoner will be a danger to public safety while on parole. Finally, if a prisoner who was less than 16 years of age at the time of an

offense is paroled and then that parole is revoked, that prisoner must not be considered again for parole under these provisions of the law. The effective date of this bill is July 1, 2014.

Roll called.

All present except Assemblymen Diaz, Hogan, Martin, and Pierce, who were excused.

Prayer by the Chaplain, Pastor Norm Milz.

God and Father, as we meet in this afternoon time, may we look at what this Chamber has done over the past week. May we feel confident as an Assembly that we have passed bills that are for the good of every citizen of the whole state of Nevada. If there is some way we have not done this, forgive us and help us to correct this in the near future.

We thank You for the opportunity to serve. May we daily work to fulfill this opportunity with honor. This is an awesome responsibility and one not to be taken lightly. May we never forget what is said on our State Seal, which reminds us of why we serve, "For the Good of the Country."

As we conclude this week, our time together as an Assembly is quickly coming to a conclusion. May panic to pass bills not cause us to lose focus on what we have been elected to do. May we work together to do things that will be for the betterment of this entire state. Guide our comments that we may be courteous and caring at all times, especially toward those with whom we do not agree.

All this we bring to You trusting in Your love and grace, in the Name of Your Son, Jesus Christ.

AMEN.

Pledge of allegiance to the Flag.

Under existing law, the Attorney General provides legal counsel to any present or former officer or employee of the State, any immune contractor or any State Legislator in a civil action brought against that person based on any alleged act or omission relating to the person's public duty or employment if: (1) the person submits a written request for such legal counsel; and (2) the Attorney General determines that it appears that the person was acting within the course and scope of his or her public duty or employment and in good faith. In addition, under existing law, the chief legal officer or other

authorized legal representative of a political subdivision of this State provides legal counsel to any present or former officer of that political subdivision or a present or former member of a local board or commission if: (1) the person submits a written request for such legal counsel; and (2) the chief legal officer or authorized legal representative determines that it appears that the person was acting within the scope of his or her public duty or employment and in good faith. (NRS 41.0339)

Sections 2-3 and 3.7-8 of this bill clarify existing law by specifically requiring: (1) the Attorney General to provide legal counsel under these circumstances to any present or former justice of the Supreme Court, senior justice, judge of a district court or senior judge; and (2) the chief legal officer or other authorized legal representative of a political subdivision of this State to provide legal counsel under these circumstances to any present or former justice of the peace, senior justice of the peace, municipal judge or senior municipal judge of that political subdivision. In addition, **sections 2-3 and 3.7-8** require the Attorney General or the chief legal officer or other authorized legal representative of a political subdivision of this State to provide counsel for certain persons who are not employees or officers of the State or political subdivision but who are named as defendants in a civil action solely because of an alleged act or omission relating to the public duties or employment of certain officers or employees of the State or political subdivision.

Section 3.3 of this bill clarifies that the statutory provisions relating to legal representation in civil actions relating to the public duties or employment of such persons do not abrogate, alter or affect the immunity of such persons under other law.

Existing law establishes the crime of unlawful solicitation of legal business and provides that a person who commits this crime is guilty of a misdemeanor. (NRS 7.045) Section 8.3 of this bill revises the acts which constitute the crime of unlawful solicitation of legal business and provides that a second or subsequent violation of this crime is a gross misdemeanor.

Section 8.5 of this bill provides that for the 78th Session of the Nevada Legislature, the Director of the Department of Administration must include the biennial cost of implementing this bill in the Attorney General's cost allocation plan.

Assembly Bill No. 344.

Bill read third time.

Remarks by Assemblyman Bobzien.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 344 requires the State Board of Health to adopt a Physician Order for Life-Sustaining Treatment [POLST] form. The bill prescribes who may execute and revoke a POLST form, resolves potential conflicts between the form and other advance directives, and provides similar immunities and protections to health care providers as with other advance directives.

Physicians must explain to a patient the availability of the POLST form and how it differs from an advance directive if: (1) a physician diagnoses a patient with a terminal condition; (2) a patient's life expectancy is less than 5 years; or (3) a patient requests it.

This Legislature has a long record of passing proactive policy that gets ahead of the tragedies and the controversies that can surround end-of-life issues, and this is the next chapter. I urge passage.

Senate Bill 97 specifies that a petition alleging a child is in need of protection must include the address of the primary residence of the child at the time of removal, rather than the address of the location where the child is placed after removal.

The measure clarifies that certain persons have the right to be heard at semiannual or annual court proceedings. Finally, in an annual review concerning the permanent placement of a child, the court is required to make certain determinations regarding out-of-state placement and transition services.

ASSEMBLYWOMAN DONDERO LOOP:

Senate Bill 98 makes various changes related to child welfare services. Specifically, this measure revises the criteria a court uses to determine whether a child welfare agency is required to make reasonable efforts to preserve and reunify the family of a child; revises the definition of "reasonable efforts"; requires the court, when determining whether reasonable efforts have been made, to consider certain matters related to the health and safety of the child, certain efforts to prevent the need to remove the child from the home, and efforts to finalize the plan for the permanent placement of the child; and requires the court to make certain determinations about whether a child welfare agency is required to make reasonable efforts or whether the child welfare agency has made those efforts on a case-by-case basis, based on specific evidence, and to expressly state each determination in the court order.

Remarks by Assemblyman Ohrenschall.

ASSEMBLYMAN OHRENSCHALL:

Senate Bill 104 replaces the requirement for prisoners convicted of sexual offenses to be evaluated by a panel with a new requirement for such prisoners to be assessed by the Nevada Department of Corrections [NDOC] before their parole is granted or continued. The measure requires the NDOC to assess such prisoners with a currently accepted standard of assessment that will return a risk level to reoffend in a sexual manner using low, moderate, or high categories. The completed assessment must be provided to the Parole Board not sooner than 120 days before a scheduled parole hearing and the findings must be considered by the Board before determining whether to grant or revoke the parole of the prisoner.

The measure requires training for any employee of the Nevada Department of Corrections who completes the assessment, and it requires procedures be established to ensure the accuracy of each completed assessment and to correct any errors prior to submitting the assessment to the Parole Board.

If within 15 days after a proposal is filed the Commissioner determines that the proposal is incomplete, the Commissioner must notify the insurer or rate service organization of that determination. The bill changes from 60 to 30 the number of days within which the Commissioner must approve or disapprove a proposed rate change after determining the proposal is complete. If the proposal is not approved, the Commissioner must submit a written notice to the insurer or rate service organization of the disapproval within that same 30-day period and provide the reasons why the proposal was disapproved. The insurer or rate service organization may, within 30 days of receiving a notice of disapproval, request a reconsideration of the proposal. ASSEMBLYMAN THOMPSON:

Senate Bill 148 revises requirements for the use of money in the Pollution Control Account by eliminating the program of grants to local governments derived from funds received in the Account in excess of $1 million. Instead, this excess money is to be distributed directly, on an annual basis, to local air pollution control agencies in nonattainment or maintenance areas in an amount proportionate to the number of forms issued to emissions testing stations. As with the previously-awarded grant money, this excess money must be used for programs related to the improvement of air quality.

The Board may issue a license without examination to a person who is certified by the National Board for Certification in Occupational Therapy or its successor organization.

Senate Bill 153 removes the exemption from licensure for an occupational therapist practicing with a licensed occupational therapist. The bill also revises provisions concerning temporary licensure of an occupational therapist.

AN ACT relating to children; revising provisions concerning the release of certain information relating to a child subject to the jurisdiction of the juvenile court; revising provisions governing the release of certain information maintained by agencies which provide child welfare services; revising provisions concerning certain federal educational assistance for homeless children; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1.2 of this bill authorizes directors of juvenile services, chief juvenile probation officers and the Chief of the Youth Parole Bureau, or his or her designee, to release, upon written request and good cause shown, certain information concerning a child who is within the purview of the juvenile court to certain other persons involved in the juvenile justice system. Under **section 1.2**: (1) any information released must be kept confidential by the recipient of the information and be provided only to a person authorized by **section 1.2** to receive the information; and (2) the information may not be used to deny a child access to any services for which the child would otherwise be eligible.

Section 1.2 also authorizes the release of certain information concerning a child who is within the purview of the juvenile court for the purposes of: (1) certain research concerning juvenile justice services if the information is provided in the aggregate and without the inclusion of personal identifying information; and (2) for the purposes of oversight of an agency, department or office providing services relating to juvenile justice. **Section 1.4** of this bill authorizes the inspection of sealed juvenile justice records for research purposes.

Sections 2 and 4 of this bill enact provisions governing the application of the federal McKinney-Vento Homeless Assistance Act of 1987 to children in the protective custody of an agency which provides child welfare services.

Sections 4.4, 4.6 and 4.8 of this bill authorize an agency which provides child welfare services to release certain information concerning reports or investigations of the alleged abuse or neglect of a child to certain agencies, persons and entities and provide for the confidentiality of such information. **Section 4.8** also authorizes an agency which provides child welfare services to charge a fee for processing costs reasonably necessary to prepare the information for release.

Senate Bill No. 106.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 624.

AN ACT relating to judicial administration; revising provisions governing the collection of delinquent fines, administrative assessments, fees, restitution and other payments imposed in criminal and juvenile court proceedings; revising provisions governing the appointment of an attorney in juvenile court proceedings; authorizing a juvenile court to establish a restitution contribution fund; ~~[authorizing the waiver of all or part of any community service imposed by the juvenile court in exchange for a monetary contribution to a restitution contribution fund;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to impose a collection fee for certain delinquent fines, administrative assessments, fees and restitution and authorizes the court to take certain actions to collect such delinquent payments. (NRS 176.064) **Section 1** of this bill authorizes the court to enter a civil judgment for the amount of any unpaid fines, administrative assessments, fees and restitution imposed against a criminal defendant.

Under **section 1**, the civil judgment may be enforced and renewed in the same manner as a judgment for money rendered in a civil action, and a person who is not indigent and who has not satisfied the civil judgment within a certain period may be punished for contempt. **Section 1** also revises the purposes for which money collected from collection fees imposed by a court may be used. **Section 4** of this bill authorizes a juvenile court to impose the same collection fees for delinquent fines, administrative assessments, fees, restitution and certain other payments as a court may impose against a criminal defendant pursuant to **section 1**. **Section 4** authorizes a juvenile court to enter a civil judgment against a child or the parent or guardian of the child for any delinquent fines, administrative assessments, fees, restitution or other payments required in a juvenile court proceeding and authorizes the juvenile court to take certain actions if the juvenile court has entered such a civil judgment. Moreover, if the juvenile court has entered a civil judgment against a person who is not indigent and the juvenile court determines that the person has failed to make reasonable efforts to satisfy the civil judgment, **section 4** authorizes the juvenile court to punish the person for contempt. **Section 4** also provides that if a civil judgment entered by the juvenile court is unsatisfied and the person against whom the judgment is entered is convicted of a crime, the unsatisfied portion of the civil judgment must be included in the sentence for that crime.

Existing law requires a juvenile court to appoint an attorney to represent a child who is alleged to be delinquent or in need of supervision under certain circumstances. If the parent or guardian of a child for whom the juvenile court has appointed an attorney is not indigent, the parent or guardian is required to pay the reasonable fees and expenses of the attorney. If the parent or guardian of the child is indigent, the juvenile court may order the parent or guardian to reimburse the county or State in accordance with his or her ability to pay. (NRS 62D.030) Under **section 7** of this bill, the juvenile court is required to find that the parent or guardian of a child is indigent if the parent or guardian: (1) receives public assistance, resides in public housing, has an income that is less than 200 percent of the federally designated poverty standard, is incarcerated or is housed in a public or private mental health facility; or (2) is financially unable, without substantial hardship to the parent or guardian or his or her dependents, to obtain qualified and competent legal counsel.

Section 9 of this bill authorizes a juvenile court to establish a restitution contribution fund. Under **section 9**, all expenditures from the restitution contribution fund: (1) must be authorized by the juvenile court; and (2) must provide restitution to victims of unlawful acts committed by children or, if the source of the money is a grant, gift, donation, bequest or devise, must be made in accordance with the terms of the grant, gift, donation, bequest or

devise. ~~[Section 10 of this bill authorizes the juvenile court to waive all or part of any community service imposed against a child by the juvenile court upon good cause shown in exchange for a monetary contribution to the restitution contribution fund and requires the juvenile court to set forth in an administrative order that is available for public inspection a formula for determining the amount of a contribution to the fund and the manner in which the contribution must be made.]~~ **Section 6** of this bill authorizes an agreement for the informal supervision of a child to require the child to make a monetary contribution to a restitution contribution fund.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 243.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 661.

AN ACT relating to genetic marker analysis; defining certain terms relating to genetic marker analysis; establishing the State DNA Database; imposing an administrative assessment upon a defendant convicted of any crime; requiring that a biological specimen be obtained from a person arrested for a felony; establishing the Subcommittee to Review Arrestee DNA of the Advisory Commission on the Administration of Justice; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of county commissioners of each county to designate a forensic laboratory to conduct and oversee any genetic marker analysis that is required by law. (NRS 176.0917) **Section 11** of this bill establishes the State DNA Database, which is to be overseen, managed and administered by the Forensic Science Division of the Washoe County Sheriff's Office. **Section 12** of this bill specifies the duties and responsibilities of forensic laboratories with respect to DNA records.

Under existing law, if a defendant is convicted of a felony or certain other specified offenses, the court, as part of the defendant's sentence, must order that a biological specimen be obtained from the defendant and that the specimen be used for analysis to determine the genetic markers of the specimen. (NRS 176.0911-176.0917) **Section 13** of this bill requires that a biological specimen be obtained if a person is arrested for a felony. **Section 13** provides that if the person is convicted of the felony, the biological specimen must be kept, but if the person is not convicted, the biological specimen must be destroyed and all records relating thereto must be purged from all databases.

Existing law prohibits a person from sharing or disclosing certain information relating to another person's biological specimen or genetic marker analysis and makes such conduct punishable as a misdemeanor. (NRS 176.0913, 176.0916) **Sections 13, 21 and 23** of this bill increase the penalty for such conduct from a misdemeanor to a category C felony.

Section 15 of this bill imposes an additional administrative assessment of $3 on a person convicted of a misdemeanor, gross misdemeanor or felony. **Section 15** also provides that the money collected from the assessments must

be used to defray the costs associated with obtaining biological specimens and conducting genetic marker analysis.

Existing law: (1) establishes the Advisory Commission on the Administration of Justice and the Subcommittees on Juvenile Justice and Victims of Crime; and (2) directs the Commission and Subcommittees, among other duties, to identify and study the elements of this State's system of criminal justice. (NRS 176.0123-176.0125) **Section 16.3** of this bill establishes the Subcommittee to Review Arrestee DNA of the Commission. **Section 16.3** also: (1) requires the Chair of the Commission to appoint the members of the Subcommittee, including certain specified representatives; and (2) requires the Subcommittee to study issues related to arrestee DNA and report to the Commission with recommendations to address such issues.

may not include, in its records, any other information relating to the biological specimen, DNA profile or DNA record of the person.

8. A person whose record of criminal history indicates the collection of a biological specimen and whose DNA profile and DNA record have been included in the State DNA Database and CODIS pursuant to this section may make a written request to the Central Repository for Nevada Records of Criminal History, using the form created pursuant to section 14 of this act, that the biological specimen be destroyed and the DNA profile and DNA record be purged from the forensic laboratory, the State DNA Database and CODIS on the grounds that:

(a) The conviction on which the authority for keeping the biological specimen or the DNA profile or DNA record has been reversed and the case dismissed; or

(b) The arrest which led to the inclusion of the biological specimen or the DNA profile or DNA record:

(1) Has resulted in a felony charge that has been resolved by a dismissal, the successful completion of a preprosecution diversion program, a conditional discharge , ~~[or]~~ an acquittal ~~[;]~~ or an agreement entered into by a prosecuting attorney and a defendant in which the defendant, in exchange for a plea of guilty, guilty but mentally ill or nolo contendere, receives a charge other than a felony; or

Except as otherwise provided in subsection 10, upon receipt of the written request, the forensic laboratory shall destroy any biological specimen from the person and purge the DNA profile of the person if the written request is accompanied by:

(a) A certified copy of the court order reversing and dismissing the conviction; or

(a) Determines that the requirements to destroy a biological specimen or purge a DNA profile or DNA record of a person have not been met, the forensic laboratory shall notify the Central Repository of Nevada Records of Criminal History of that fact. The Central Repository shall, as soon as reasonably practicable, notify the person that his or her request has been denied.

(b) Destroys a biological specimen and purges a DNA profile pursuant to this section, the forensic laboratory shall take the following actions:

Upon receipt of such notification, the Central Repository shall, as soon as reasonably practicable, notify the person that his or her request has been granted, his or her biological specimen has been destroyed by the forensic laboratory and his or her DNA profile and DNA record have been purged from the forensic laboratory, the State DNA Database and CODIS.

(b) Must be paid as provided in NRS 176.0915.

13. The biological specimen, DNA profile, DNA record and any other information identifying or matching a biological specimen with a person must, at all times, be stored and maintained in the forensic laboratory, State DNA Database or CODIS, as applicable, and may only be made

available in accordance with the provisions of this section. The biological specimen, DNA profile, DNA record, other information identifying or matching a biological specimen with a person and all computer software used by the forensic laboratory and the State DNA Database for the State DNA Database and for CODIS are confidential and are not public books or records within the meaning of NRS 239.010.

14. If any information related to a biological specimen, DNA profile or DNA record contained in CODIS is requested, the forensic laboratory shall comply with all applicable provisions of federal law and all applicable statutes and regulations governing the release of such information. All requests for any such information must be directed through the casework CODIS administrator of the forensic laboratory. To minimize duplication in the collection of a biological specimen and the conducting of a genetic marker analysis, a forensic laboratory may make information available to any agency of criminal justice to verify whether a biological specimen has been collected from a person and a genetic marker analysis has been conducted.

15. Except as otherwise authorized by this section, by federal law or by another specific statute, a biological specimen obtained pursuant to this section, a DNA profile, a DNA record and any other information identifying or matching a biological specimen with a person must not be shared with or disclosed to any person other than the authorized personnel who have possession and control of the biological specimen, DNA profile, DNA record or other information identifying or matching a biological specimen with a person, except pursuant to:

(a) A court order; or

(c) May be completed and submitted to the Central Repository for Nevada Records of Criminal History by a person to request that his or her biological specimen be destroyed and his or her DNA profile or DNA

record be purged from the forensic laboratory, the State DNA Database and CODIS.

2. A law enforcement agency shall provide the form to a person:

(a) Before obtaining a biological specimen;

(b) Upon release from custody if the person has submitted a biological specimen; or

(c) At the request of the person, if the person believes that he or she is eligible to have his or her biological specimen destroyed and his or her DNA profile or DNA record purged from the forensic laboratory, the State DNA Database and CODIS.

Sec. 15. ***1. In addition to any other administrative assessment imposed, when a defendant pleads guilty, is found guilty or enters a plea of nolo contendere to a misdemeanor, gross misdemeanor or felony, including the violation of any municipal ordinance, on or after July 1, 2013, the justice or judge of the justice, municipal or district court, as applicable, shall include in the sentence the sum of $3 as an administrative assessment for obtaining a biological specimen and conducting a genetic marker analysis and shall render a judgment against the defendant for the assessment. If a defendant is sentenced to perform community service in lieu of a fine, the sentence must include the administrative assessment required pursuant to this subsection.***

2. The money collected for an administrative assessment for obtaining a biological specimen and conducting a genetic marker analysis must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for such an administrative assessment must be stated separately on the court's docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the bail pursuant to this subsection must be disbursed pursuant to subsection 3. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible, and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he or she has paid, and the justice or judge shall not recalculate the administrative assessment.

3. If the justice or judge permits the fine and administrative assessment for the provision of genetic marker analysis to be paid in installments, the payments must be applied in the following order:

Prayer by the Chaplain, Pastor Albert Tilstra.

We pray for the members of this body, its officers, and all those who share in its work. We remember that You never were in a hurry nor lost Your inner peace when under pressure. But, we are only human. We feel the strain of meeting deadlines, and we chafe under frustration. We need poise and peace of mind, and only You can supply the deepest needs of tired bodies, jaded spirits, and frayed nerves.

Give to us Your peace and refresh us in our weariness, that this may be a good day with much done and done well.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 583.

AN ACT relating to state financial administration; revising provisions relating to **the payment of stale** claims **;** ~~[presented by a state agency to the State Board of Examiners after the date on which it is provided by law that money appropriated to that state agency for the previous fiscal year reverts to the fund from which it was appropriated;]~~ authorizing a person designated by

the Clerk of the State Board of Examiners to carry out certain duties of the Clerk; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that certain stale claims which are presented by a state agency to the State Board of Examiners after the date on which it is provided by law that money appropriated to the state agency for the previous fiscal year reverts to the fund from which it was appropriated must be paid from the Stale Claims Account in the State General Fund. A state agency is authorized to pay certain other claims incurred in the previous fiscal year from the appropriate budget account in a current fiscal year. (NRS 353.097) **Section 1** of this bill **clarifies the definition of "stale claim" to specifically refer to money authorized for expenditure, in addition to appropriated money, and makes similar conforming changes. Section 1 also** provides that a state agency may pay a **stale** claim for payroll expenses ~~[incurred in the previous fiscal year]~~ from the appropriate budget account in the current fiscal year.

Sections 1 and 2 of this bill authorize a person designated by the Clerk of the State Board of Examiners to perform ~~[certain]~~ **the** duties of the Clerk ~~[.]~~ **, which have been delegated to the Clerk by the Board of Examiners, to approve stale claims and claims from the Reserve for Statutory Contingency Account on behalf of the Board.**

353.097 1. As used in this section, "stale claim" means any claim ~~[other than a claim for *payroll expenses, a claim for* medical expenses submitted by a third-party administrator or a claim which is $100 or more, and]~~ which is presented by a state agency to the State Board of Examiners ***:***

3. Upon the approval of a stale claim ~~[as provided in this section,]~~ ***pursuant to subsection 4,*** the claim must be paid from the Stale Claims

Account. Payments of ***such*** stale claims for a state agency must not exceed ~~[the]~~ **:**

(b) If the claim was eligible to be paid from money that was authorized, the balance on the last day of the fiscal year of money that the state agency was authorized to expend during the fiscal year.

5. A stale claim may be approved and paid at any time, despite the age of the claim, if payable from available federal grants or from a permanent fund in the State Treasury other than the State General Fund.

6. A state agency may pay from the appropriate budget account in the current fiscal year ~~[an obligation]~~ ***a stale claim*** of the state agency which ~~[:~~

Sec. 2. NRS 353.264 is hereby amended to read as follows:

353.264 1. The Reserve for Statutory Contingency Account is hereby created in the State General Fund.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 640.

AN ACT relating to unemployment compensation; creating the Interest Repayment Fund for the payment of interest accruing and payable on advances received by this State from the Federal Government relating to

unemployment benefits; requiring the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to establish an assessment to be imposed on certain employers; requiring certain employers to pay a proportionate share of such an assessment; requiring any money received from such employers to be deposited into the Fund; providing for the termination of the Fund in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes and directs the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to apply for an advance to the Unemployment Compensation Fund and to accept such an advance in accordance with the conditions specified in Title XII of the Social Security Act, 42 U.S.C. §§ 1321 et seq., as amended. Upon such a request by the Administrator, the Governor is required to make an application for advances to this State. (NRS 612.290)

This bill creates the Interest Repayment Fund as a special revenue fund to be used only for the payment of interest accruing and payable on such advances received **.** ~~[or special revenue bonds issued for the purpose of refinancing such advances.]~~ This bill requires the Administrator to establish an assessment, of which certain employers subject to the provisions governing unemployment compensation are required to pay a proportionate share. Any money collected from such an employer must be deposited into the Fund. This bill also provides that if the Administrator determines that the assessment is no longer necessary, the Administrator shall notify all such employers and shall not accept any further payments. Any money remaining in the Interest Repayment Fund must be deposited into the Unemployment Compensation Fund after: (1) the payment of all interest payable on the advances received from the Federal Government **;** ~~[and all special revenue bonds issued for the purpose of refinancing such advances;]~~ and (2) a determination by the Administrator that no further payments are anticipated.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 612 of NRS is hereby amended by adding thereto a new section to read as follows:

1. There is hereby created the Interest Repayment Fund as a special revenue fund.

2. The Fund consists of all money received pursuant to this section, and must only be used for the payment of interest accruing and payable on advances received pursuant to NRS 612.290 in accordance with the conditions specified in Title XII of the Social Security Act, 42 U.S.C. §§

1321 et seq., as amended . ~~[, or for the payment of special revenue bonds issued for the purpose of refinancing such advances.]~~

3. The Administrator ~~[, in consultation with the Employment Security Council in a manner consistent with NRS 612.310,]~~ shall establish an assessment that will be calculated by dividing the interest accruing and payable on advances received pursuant to NRS 612.290 by 95 percent of the total taxable wages paid by all employers in this State during the immediately preceding calendar year.

4. Except as otherwise provided in subsection 7, each employer subject to the provisions of this chapter shall pay a proportionate share of the assessment established by the Administrator pursuant to subsection 3. An employer's proportionate share of the assessment will be calculated by multiplying the employer's total taxable wages paid during the immediately preceding calendar year by the amount of the assessment. The Administrator shall notify each employer of his or her proportionate share of the assessment on or before June 30 of each year, and may collect interest on any such amount that remains unpaid on July 31 of each year in accordance with the provisions of NRS 612.620. Any money collected from an employer pursuant to this subsection must be deposited into the Interest Repayment Fund. The Administrator shall establish procedures necessary to collect payments pursuant to this subsection.

5. An employer's proportionate share of the assessment must not be charged against the experience rating record of the employer.

6. The provisions of law applicable to the collection of unemployment contributions also apply to the collection of payments pursuant to this section.

7. The provisions of this section do not apply to any nonprofit organization, political subdivision or Indian tribe which makes reimbursements in lieu of contributions pursuant to NRS 612.553.

8. The provisions of this section are operative only so long as the Interest Repayment Fund continues to exist and the Administrator continues to accept and deposit payments received from employers pursuant to this section into the Interest Repayment Fund. If the Administrator determines that the assessment is no longer necessary, the Administrator shall notify all employers paying a proportionate share of the assessment and shall not accept any further payments. If and when the Interest Repayment Fund ceases to exist, any money remaining in the Interest Repayment Fund, after the payment of all interest accruing and payable on advances received pursuant to NRS 612.290 ~~[and all special revenue bonds issued for the purpose of refinancing such advances]~~ and a determination by the Administrator that no further payments are

anticipated, must be deposited into the Unemployment Compensation Fund.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 677.

AN ACT relating to governmental publications; revising provisions governing the submission of certain publications to the State Publications Distribution Center by certain state agencies and local governments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Publications Distribution Center within the State Library and Archives. (NRS 378.170) Under existing law, state agencies and local governments, with certain exceptions, are required to deposit paper copies of certain publications, upon release, with the Center for distribution to certain libraries throughout the State. If such a state agency or local government releases a publication in an electronic format or medium, the state agency or local government is required to notify the Center of the release and provide the Center with access to the publication. (NRS 378.180) A "publication" is defined to include any information in any format or medium that is: (1) produced pursuant to the authority or at the expense of a state agency or local government; (2) required by law to be distributed by a state agency or local government; or (3) distributed publicly by a state agency or local government outside that state agency or local government. (NRS 378.160)

Section 1 of this bill excludes from the definition of "publication" certain records of a local government which have been scheduled for disposition or retention.

Section**]**~~ **Unless a publication is available only in paper form, section 3** ~~**[**also authorizes**]**~~ **requires** a state agency or local government to provide the Center with an electronic version of the publication in lieu of depositing paper copies. If the publication is **available** only **in paper form at the time copies are deposited with the**

Center, but is later released in an electronic format or medium, **section 3 also** requires the state agency or local government to provide the Center with an electronic version of the publication ~~[instead of notice and access to the electronic publication.]~~ **when it becomes available.** Finally, **section 3** prescribes requirements for the submission of an electronic version of a publication to the Center by a state agency or local government**.** ~~[and section]~~ **Section 2** of this bill requires the State Library and Archives Administrator to adopt regulations prescribing the procedures for submitting an electronic version of a publication to the Center.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 678.

AN ACT relating to technological crimes; authorizing the Attorney General to take certain actions to prevent technological crimes; revising the provisions governing actions which constitute theft to include the theft of audio or visual services; revising the provisions governing the appointment of an Executive Director of Technological Crime within the Office of the Attorney General; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes the Attorney General to investigate and prosecute any alleged technological crime, pursue the forfeiture of property relating to a technological crime and bring an action to enjoin or obtain any equitable relief to prevent the occurrence or continuation of any technological crime.

Existing law authorizes a district attorney to institute a civil proceeding for the forfeiture of property used in the course of, intended for use in the course of, derived from or gained through a technological crime. Currently, the Attorney General may institute such a proceeding only if the property at issue is seized by a state agency. (NRS 179.1229, 179.1231) Section 1.5 of this bill removes this limitation on the authority of the Attorney General and authorizes the institution of a forfeiture proceeding by a district attorney or the Attorney General, as determined in each case by an agreement between the district attorney and the Attorney General.

Existing law describes certain actions which constitute theft. (NRS 205.0832) **Section 2** of this bill revises those provisions to include the theft of audio or visual services.

Existing law creates the Technological Crime Advisory Board. (NRS 205A.040) Existing law also requires the appointment of an Executive Director of Technological Crime within the Office of the Attorney General upon approval by two-thirds of the members of the Board. (NRS 205A.070) **Section 3** of this bill requires the appointment to be made upon approval by a majority of the members of the Board.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 228 of NRS is hereby amended by adding thereto a new section to read as follows:

179.1231 1. Property subject to forfeiture under NRS 179.1219 or 179.1229 may be seized by a law enforcement agency upon process issued by a court. Before an order of civil forfeiture is issued without legal process, notice of the claim for forfeiture of real property may be given in the manner provided in NRS 14.010 and 14.015. The seized property is subject to an action to claim the delivery of the property if the agency does not file the complaint for forfeiture within 60 days after the property is seized. If a complaint for forfeiture is filed after an affidavit claiming delivery, the complaint must be treated as a counterclaim.

3. When property is seized pursuant to this section, pending forfeiture and final disposition, the law enforcement agency may:

(a) Place the property under seal.

(b) Remove the property to a place designated by the court.

(c) Require another agency authorized by law to take custody of the property and remove it to an appropriate location.

The ***district attorney and the*** Attorney General ~~[may institute such proceedings when the property is seized by a state agency.]~~ ***shall determine by agreement between themselves which of them will institute such a proceeding in a particular case.*** If a district attorney ***or the Attorney General*** has not instituted such a proceeding or has not pursued one which was instituted ~~[,]~~ ***in accordance with the agreement,*** the ~~[Attorney General]~~ ***other*** may intercede after giving ***the prosecutor***

Pending final determination in an action brought pursuant to this section, the district court may at any time enter such injunctions, prohibitions or restraining orders, or take such actions, including, without limitation, the acceptance of satisfactory performance bonds, as the court deems proper in connection with any property or interest subject to forfeiture.

5. Upon a finding of civil liability under this section, the court may order the forfeiture of the appropriate property.

Senate Bill No. 76.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 683.

AN ACT relating to concealed firearms; revising the definition of "concealed firearm"; authorizing a person to obtain one permit to carry a concealed firearm for all handguns owned by the person; revising provisions relating to a person's demonstration of competence with certain firearms for the purpose of obtaining or renewing a permit to carry a concealed firearm; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines "concealed firearm" as a loaded or unloaded pistol, revolver or other firearm which is carried upon a person in such a manner as not to be discernible by ordinary observation. (NRS 202.3653) Existing law provides that a person who applies for a permit to carry a concealed firearm may submit one application and obtain one permit to carry all revolvers and semiautomatic firearms owned by the person. A permit must list each category of firearm to which the permit pertains and is valid for any revolver or semiautomatic firearm which the permittee owns or thereafter obtains. An applicant for a permit must demonstrate competence with revolvers, semiautomatic firearms or both, as applicable, before obtaining a permit. (NRS 202.3657) Existing law also requires a permittee who wishes to renew his or her permit to demonstrate continued competence with revolvers, semiautomatic firearms or both, as applicable. (NRS 202.3677)

Section 1 of this bill revises the definition of "concealed firearm" and defines the term as a loaded or unloaded handgun which is carried upon a person in a manner as not to be discernible by ordinary observation. **Section 2** of this bill provides that a person may obtain one permit to carry all handguns owned by the person, and such a permit is valid for any handgun which the person owns or thereafter obtains. **Section 2** requires an applicant for a permit to demonstrate competence with handguns before obtaining a permit, and **section 4** of this bill requires a permittee to demonstrate

continued competence with handguns before renewing a permit. **Section 3** of this bill revises the required form of a permit.

Amendment No. 689.

AN ACT relating to wildlife; urging the Board of Wildlife Commissioners to thoroughly ~~[and scientifically]~~ **conduct a certain** review **of** the hunting of black bears; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires the Board of Wildlife Commissioners to adopt regulations establishing seasons for hunting game mammals and the manner and means of taking wildlife; and (2) authorizes the Commission to adopt regulations setting forth the species of wildlife which may be hunted or trapped without a license or permit. (NRS 501.181, 502.010) **Section 11.7** of this bill urges the Commission to thoroughly ~~[and scientifically]~~ **conduct its 3-year comprehensive** review **of** the hunting of black bears.

WHEREAS, Wildlife belongs to the people of the State of Nevada under NRS 501.100, and black bears are considered a big game mammal pursuant to NAC 502.020; and

WHEREAS, Pursuant to NRS 501.102, the Nevada Legislature has declared that hunting is a valuable activity in the management of game mammals and game birds, results in financial support for conservation programs that benefit many species, including nongame wildlife, is an excellent source of food, recreational opportunities and employment, contributes significantly to the economy of this State and the quality of life of its citizens, and provides a beneficial use for firearms, archery equipment and other legal weapons used to take game mammals and game birds, following the pioneer spirit of Nevada; and

WHEREAS, As set forth in NRS 501.100, the preservation, protection, management and restoration of wildlife within this State contribute immeasurably to the aesthetic, recreational and economic aspects of the natural resources belonging to the people of the State of Nevada; and

WHEREAS, Outdoor recreation is a major feature of life in Nevada, and the majority of the State of Nevada is in public ownership through the Federal Government, which manages over 60 million acres, or about 86 percent of the total land area of the State of Nevada; and

WHEREAS, In February 2011, the Board of Wildlife Commissioners approved the first black bear hunt in Nevada history; and

WHEREAS, As part of this approval, the Board adopted and the Nevada Legislature approved temporary regulations setting forth parameters under which the black bear hunt would operate, including a bear hunting season beginning on the third Saturday of August 2011 and ending on the last Saturday of December 2011 or until the harvest quota was achieved; and

WHEREAS, Before the 2012 bear hunting season, the Board of Wildlife Commissioners, with the Nevada Legislature approving, amended the administrative regulations to close bear hunting in portions of the Lake Tahoe Basin and the Carson Range, leaving bear hunting open in other areas of western Nevada; and

WHEREAS, A total of 1,156 applications for bear hunting tags were received by the Department of Wildlife for the 2011 bear hunting season and 1,762 applications were received for the 2012 bear hunting season, with 45 tags issued each year; and

WHEREAS, The 2011 black bear hunt resulted in the taking of 14 bears, and the 2012 bear hunt resulted in the harvest of 11 bears; and

WHEREAS, Proponents and opponents of the black bear hunt have continuously registered their opinions relating to the bear hunt to the Department of Wildlife, the Board of Wildlife Commissioners and Nevada lawmakers; and

WHEREAS, Some Native American tribes in Nevada have expressed concerns regarding potential interference with certain traditional ceremonies and activities, such as the annual pine nut harvest in black bear habitats in the Pine Nut and Sweetwater Mountains and the Wassuk Range, because the bear hunt takes place at the same time, and in the same places, as these traditional ceremonies and activities; and

WHEREAS, Opponents of the bear hunt in Nevada have declared that the black bear hunt is not scientifically sustainable and conflicts with nonlethal priorities of bear management and conservation, the interests and concerns of the majority of Nevadans, including Nevada Native American tribes, and the various nonconsumptive forms of outdoor recreation, including hiking and camping; and

WHEREAS, Proponents of the black bear hunt have stated that the bear hunt is scientifically sound and part of a viable and proven wildlife management approach, that hunting is the preferred means by which to manage wildlife and that a vast majority of Nevada sportsmen and sportswomen support bear hunting if it is done properly and ethically; and

WHEREAS, Scientists from the Department of Wildlife and scientists representing opponents of the bear hunt have arrived at different conclusions

relating to Nevada's black bear population, the scope and range of black bear habitat in Nevada and the genetic diversity of black bears; and

WHEREAS, The Board of Wildlife Commissioners has made a public commitment to review the black bear hunt following its third season and the Department of Wildlife's Black Bear Management Plan for 2012 further commits to a 3-year scientific analysis of the black bear hunt, including a review of black bear survival, mortality rates and population trends, with the goal of achieving and maintaining healthy and productive black bear populations; now, therefore,

Senate Bill No. 109.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 632.

AN ACT relating to off-highway vehicles; authorizing the operation of an off-highway vehicle for the purposes of display, demonstration, maintenance, sale or exchange under certain circumstances; requiring the Department of Motor Vehicles to furnish special plates for an off-highway vehicle under certain circumstances; **specifying the required dimensions of a registration sticker or decal provided by the Department for an off-highway vehicle;** revising provisions governing the registration and operation of an off-highway vehicle and the licensing of an off-highway dealer, long-term lessor, short-term lessor and manufacturer; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a manufacturer, distributor, dealer or rebuilder of motor vehicles to operate vehicles for the purposes of display, demonstration, maintenance, sale or exchange if the person attaches special plates to the motor vehicle. (NRS 482.320) The Department of Motor Vehicles provides those special plates to the person upon issuance of a license certificate.

(NRS 482.330) **Sections 2 and 3** of this bill set forth similar provisions applicable to dealers, lessors and manufacturers of off-highway vehicles.

Existing law exempts certain off-highway vehicles from registration requirements. (NRS 490.082) **Section 4** of this bill exempts from registration any off-highway vehicle: (1) operated solely in an organized race, festival or other event conducted under the auspices of a sanctioning body or by permit; (2) operated or stored on privately owned or leased land; (3) operated while engaged in an approved search-and-rescue operation; or (4) that has a displacement of not more than 70 cubic centimeters. **Under existing law, an off-highway vehicle that is registered or certified in another state and is located in this State for not more than 60 days is exempt from the requirement to register in this State. (NRS 490.082) Section 4 reduces the period of exemption from 60 to 15 days.**

Section 4.5 of this bill revises the dimensions of the registration sticker or decal for an off-highway vehicle, providing that the sticker or decal must be at least 3 inches high by 3 1/2 inches wide.

Existing law requires that any off-highway vehicle operated on a highway must have at least one headlamp that illuminates objects at least 500 feet ahead of the vehicle and at least one tail lamp that is visible from at least 500 feet behind the vehicle. (NRS 490.120) **Section 5** of this bill exempts an off-highway vehicle from this requirement when operated during daylight hours on a highway designated by a county for the operation of the off-highway vehicle without having the headlamp or tail lamp.

Existing law requires that, in order to obtain a license as a dealer, long-term or short-term lessor or manufacturer of off-highway vehicles, an applicant must: (1) furnish a processing fee, a complete set of the applicant's fingerprints and written permission authorizing the Department to forward those fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report; and (2) file with the Department a bond of $50,000 or make a deposit with the Department of $50,000. (NRS 490.210, 490.270, 490.280) **Section 7** of this bill exempts from the fingerprinting requirement any applicant who has previously met the same requirement as part of an application for a license to operate as a transporter, manufacturer, distributor, dealer, rebuilder, broker or salesperson of motor vehicles. (NRS 482.3163, 482.325, 482.333, 482.362) **Section 8** of this bill exempts from the bond or deposit requirement any applicant who has previously filed a bond of $50,000 or more covering certain activities involving off-highway vehicles or made a deposit of $50,000 or more with the Department as part of an application for a license to operate as a broker, manufacturer, distributor, dealer or rebuilder of motor vehicles. Finally, **section 9** allows the redevelopment agency to refuse to pay all or a portion of the incentive or to require repayment of any incentive already paid if a developer fails to comply.

~~[~~Section 10.5 of this bill creates a revolving loan account in the treasury of a city whose population is 500,000 or more (currently the City of Las Vegas) to be used to make loans at or below market rate to small businesses located within, or interested in relocating to, certain redevelopment areas of the city.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 690.

AN ACT relating to trapping; requiring the registration of each trap, snare or similar device used in the taking of wild mammals; ~~[authorizing the removal or disturbance of a trap, snare or similar device under certain circumstances;]~~ **providing that any information in the possession of the Department of Wildlife concerning the registration of a trap, snare or similar device is confidential;** requiring the Board of Wildlife Commissioners to adopt regulations prescribing the frequency of required visits for a trap, snare or similar device; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that any person who intentionally steals, takes and carries away personal goods or property of another person with a value of less than $650 or who knowingly buys, receives, possesses or withholds such property is guilty of a misdemeanor. (NRS 205.240, 205.275) **Section 1.6** of this bill provides that a person who intentionally steals, takes and carries away traps, snares or similar devices with an aggregate value of less than $650 or who knowingly buys, receives, possesses or withholds stolen traps, snares or similar devices with an aggregate value of less than $650 is guilty of a gross misdemeanor.

Existing law requires a person who takes fur-bearing mammals by any legal method or unprotected mammals by trapping to obtain a trapping license. (NRS 503.454) Existing law also provides that each trap, snare or similar device used in the taking of wild mammals may bear a number registered with the Department of Wildlife or may be permanently marked with the name and address of the owner or trapper using it. If a trap is registered, the registration is permanent and the registrant must pay a one-time fee of $10 at the time the first trap, snare or similar device is registered. (NRS 503.452) **Section 3** of this bill amends those provisions by: (1) requiring each trap, snare or similar device used in the taking of wild mammals to be registered with the Department **;** ~~[of Wildlife;]~~ and (2) requiring each registered trap, snare or similar device to bear a number **which is** assigned by the Department ~~[.]~~ **and is affixed to the trap, snare or**

similar device in the manner specified by regulations adopted by the Board of Wildlife Commissioners.

Under existing law, ~~[it is]~~ **every person who takes fur-bearing mammals by any legal method is required to obtain a trapping license. Existing law also makes it** unlawful to move or disturb a lawfully-set trap. (NRS 503.454) **Section 4** of this bill ~~[removes this prohibition for a trap, snare, or similar device that creates immediate and obvious risk or injury or death to persons, pets and service animals.]~~ **: (1) requires every person who takes fur-bearing mammals by trap, snare or similar device to obtain a trapping license; and (2) clarifies that the prohibition against moving or disturbing a lawfully-set trap also includes any lawfully-set snare or similar device.**

Existing law requires each person who sets or places a trap, snare or similar device to visit those devices at least once every 96 hours and requires the removal of trapped mammals from the devices. (NRS 503.570) **Section 5** of this bill requires the ~~[Board of Wildlife Commissioners]~~ **Commission** to adopt regulations prescribing the frequency at which a person who sets or places a trap, snare or similar device is required to visit the trap, snare or similar device, which must be at least once every 96 hours.

Senate Bill No. 440.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 617.

AN ACT relating to the City of Henderson; **providing for the creation and duties of a Charter Committee;** revising provisions relating to changing the boundaries of the City's wards based on changes in population; amending provisions relating to filling certain vacancies; amending provisions relating to Executive Officers; revising certain provisions relating to the Civil Service System; making various other changes to the Charter; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill amends various provisions of the Charter of the City of Henderson.

Section 1 of this bill **provides for the creation, membership and duties of a Charter Committee to make recommendations to the City Council regarding amendments to the Charter.**

Section 1.5 of this bill revises provisions relating to when the boundaries of the City's wards must be changed.

Existing law authorizes the City Council to fill a vacancy on the City Council or in the office of Mayor or Municipal Judge by appointment within 30 days after the occurrence of the vacancy. (Henderson City Charter §

1.070) **Section 2** of this bill requires the City Council to fill a vacancy by: (1) appointment within 60 days after the occurrence of the vacancy; or (2) by calling a special election to be held not later than 90 days after the occurrence of the vacancy.

Existing law requires the appointment of certain officers by the City Manager to be ratified by the City Council. (Henderson City Charter § 1.090) **Section 3** of this bill eliminates the Director of Public Works and the Director of Finance from the ratification requirement but requires the appointments of the Assistant City Manager and the Chief Financial Officer to be ratified by the City Council.

Section 4 of this bill requires that Executive Officers other than the City Attorney and the City Clerk perform such duties as are designated by the City Manager.

Section 5 of this bill authorizes the City Council to direct the City Attorney to apply for a subpoena commanding the attendance of certain persons before the City Council or production of documents or data. **Section 5** also authorizes a Municipal Judge, rather than the City Clerk, to issue such a subpoena.

Section 6 of this bill revises the procedure for the City Clerk to keep a record of the City's ordinances.

Section 7 of this bill revises the powers of the City Council to regulate and control animals.

Section 8 of this bill amends the procedures relating to the sale, lease or exchange of real property owned by the City to eliminate: (1) certain requirements for applying or offering to purchase, lease or exchange real property; and (2) the requirement that the City Council obtain an appraisal of real property before selling or exchanging real property or entering into a lease for a term of 3 years or longer.

Section 9 of this bill provides that the City Manager is the Chief Executive Officer of the City.

Existing law provides that the City Council may remove the City Manager for cause. (Henderson City Charter § 3.030) **Section 10** of this bill provides that the City Council may remove the City Manager for cause in accordance with the terms of the employment agreement between the City and the City Manager.

Section 11 of this bill requires the City Clerk to keep all records and historical papers belonging to the City.

Existing law requires the City Attorney to perform such duties as may be set by the City Council. (Henderson City Charter § 3.060) **Section 12** of this bill requires the City Attorney to: (1) advise the City Council and all offices, departments and divisions of the City in all matters with respect to the City; (2) determine whether the City should initiate any judicial or administrative

proceeding; and (3) perform such other duties as are designated by the City Council or prescribed by ordinance.

Section 13 of this bill clarifies that all Executive Officers are required to reside within the City during the term of their employment.

Section 14 of this bill clarifies that any City employee may collect or recover fines, forfeitures and other money except taxes. **Section 14** also authorizes the City Manager and the City Attorney, in addition to the City Council, to collect all money, including taxes, due and unpaid to the City through proper legal action.

Section 15 of this bill provides that the City Council must not give orders to any subordinate of the City Attorney or City Clerk.

Section 16 of this bill provides that if the City Manager, City Attorney or City Clerk is adjudged guilty of nonfeasance, misfeasance or malfeasance in office, the City Council may terminate that officer pursuant to the terms of his or her employment agreement.

Section 17 of this bill eliminates obsolete provisions relating to the qualifications of a Municipal Judge.

Section 18 of this bill provides that all fines and forfeitures for the violations of ordinances must be paid to the Chief Financial Officer, rather than the City's Treasury.

Sections 19 and 21 of this bill provide, respectively, that a candidate who is declared elected to office after a primary or general municipal election must enter into the discharge of his or her duties at the second regular meeting of the City Council held in the month of June immediately following the general election.

Section 20 of this bill eliminates obsolete language relating to the timing of the general municipal election.

Section 22 of this bill authorizes the City Council, on behalf of the City, to acquire, improve, equip, operate and maintain, convert to or authorize recreation projects.

Existing law requires, with limited exceptions, the City Council to levy a tax not exceeding 3 percent upon the assessed value of all real and personal property within the City. (Henderson City Charter § 8.010) **Section 23** of this bill removes the 3 percent cap on such taxes **[.] and requires the City Council to levy such taxes at a rate allowable under applicable provisions of the Nevada Revised Statutes.**

Section 24 of this bill amends the classifications of employees of the City to whom the System of Civil Service applies. **Section 26** of this bill provides that such changes apply to existing employees and officers who are employed by the City before, on or after October 1, 2013.

Section 25 of this bill repeals provisions relating to the City Clerk's performance bond, the limitation on the City incurring indebtedness for an

amount exceeding the revenue of the year in which the debt is incurred, the transfer of money to the City Treasury, the deposit of surplus taxes and the City's Sinking Fund.

Senate Joint Resolution No. 14.

Resolution read third time.

Remarks by Assemblymen Grady and Bobzien.

ASSEMBLYMAN GRADY:

Senate Joint Resolution No. 14 expresses the Nevada Legislature's support for the Lyon County Economic Development and Conservation Act, H.R. 696, which was introduced in the 113th Congress on February 14, 2013. The resolution urges the passage of the act and requires the transmission of this resolution to the Vice President of the United States, the Speaker of the House of Representatives, and each member of Nevada's Congressional Delegation.

The Lyon County Economic Development and Conservation Act directs the Secretary of the Interior to convey land to the city of Yerington which will allow the city to partner with Nevada Copper to develop roughly 12,500 acres of land surrounding Nevada Copper's Pumpkin Hollow project. As set forth in H.R. 696, the 48,000 acres known as the Wavoka Wilderness is a cultural and natural resource worthy of protection. If approved, the act would allow the city of Yerington to purchase, at fair market value, approximately 10,400 acres of BLM-administered federal lands.

As you know, Lyon County still has one of the highest unemployment and foreclosure rates in the nation. The citizens in and around Mason Valley and Yerington support this project. Congressman Horsford and Congressman Amodei have been instrumental in getting this act in the House, and Senator Ford has been very helpful in getting the resolution through our own Senate.

ASSEMBLYMAN BOBZIEN:

I rise in support of S.J.R. 14. I just wanted to join my colleague from Yerington in support of this bill and in support of the federal efforts. I think it is a great example of commonsense federal lands legislation. In addition to the jobs that we will hopefully see from the mining operation, very important is the Wovoka Wilderness, which is a special place named after an important Paiute spiritual leader in Nevada's history and viewable from a favorite stretch of river of mine that I named one of my children after.

Assembly Bill 151 requires the Nevada Department of Transportation to establish goals for the participation of disadvantaged business enterprises and local emerging small businesses in certain contracts for transportation projects. Included are contracts for the construction, reconstruction, improvement, or maintenance of highways estimated to cost $250,000 or more that do not receive federal funding and contracts for architectural, engineering, and planning services. The participation goals must be consistent with the goals required for similar projects that receive federal funding, and they must be based on the information about the market for which the goals are set.

ASSEMBLYMAN DALY:

I have one question for my colleague from Assembly District 42. I wanted to make sure that as we bring this over, it will be the same as the federal requirements—that these are goals and

Senate Bill No. 55.
Bill read third time.
Remarks by Assemblywomen Swank and Benitez-Thompson, and Madam Speaker.

ASSEMBLYWOMAN SWANK:
Senate Bill 55 reorganizes 19 separate plans and other items that may be included in a master plan under current statute into eight different elements that a plan may include. The elements are as follows: conservation, historic preservation, housing, land use, public facilities and services, recreation and open space, safety, and transportation.
In counties whose population is 100,000 or more but less than 700,000, if the governing body of a city or county adopts only a portion of a master plan, then shall include a conservation plan of the conservation element, a housing element, and a population plan of the public facilities and services element.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:
I just have a question. Based on the population, this sounds as if Washoe only wants to adopt this certain piece of it. I don't understand who wants to change the master plan.

ASSEMBLYWOMAN SWANK:
It does not change the master plan. It just reorganizes the master plan. So it used to be 19 separate plans, and they took these different pieces and grouped them under these eight pieces that are for 700,000 or more. So then that also conflated Washoe County's plan into just three separate elements because they have a reduced number of elements that their master plan adheres to.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:
So why would the City of Las Vegas bring a master plan that only benefits Washoe?

ASSEMBLYWOMAN SWANK:
Actually, it does not just benefit Washoe. It also benefits the City of Las Vegas by making it easier to adhere to this plan by not having 19 separate elements, just these 8, but they are all still required.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Okay, I just wanted to be clear that they are still going to be adopting master plans because that is what our constituents rely on. I see one, but also now allows the counties—which Washoe is the only one based on the population cap—that we still have some basics for constituents.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Just to add to the record, what it does is the language is delegated out into "must" for counties over 700,000 to signify the elements that they absolutely have to be able to report in their master plan, which is status quo. For counties 100,000 to 700,000, which currently just impacts Washoe, it does not change the elements they have to report on. It is the same amount of elements they had to report on before, just in a different structure.

Remarks by Assemblyman Ohrenschall.

ASSEMBLYMAN OHRENSCHALL:

Senate Bill 106 authorizes a juvenile court to enter a civil judgment against the child, parent, or guardian for the amount due when the court has ordered an administrative assessment, fee, restitution, or other payment and the amount is delinquent. However, the bill does not authorize entry of a civil judgment against a child who is under the age of 18 or who is outside the jurisdiction of the juvenile court.

Regardless of whether juvenile jurisdiction or probation is terminated, Senate Bill 106 grants the juvenile court continuing jurisdiction over any civil judgment entered and it sets forth provisions on the collection and enforcement of the judgment.

Senate Bill 106 also authorizes a juvenile court to establish a restitution contribution fund and to require a monetary contribution to the fund in an agreement for informal supervision.

Similar to the provisions related to juvenile courts, this measure also authorizes an adult court to enter a civil judgment for a delinquent fine, administrative assessment, fee, or restitution in favor of the state or local entity responsible for collecting. The bill specifies that money from collection fees may be used to hire necessary collection personnel, improve court operations with a self-help center, or provide security for a regional justice center.

ASSEMBLYMAN SPRINKLE:

Senate Bill 167 establishes provisions for a hospital to be designated and recognized as a STEMI [ST-Elevation Myocardial Infarction] receiving center by the Health Division of the Department of Health and Human Services. The measure provides that a licensed hospital which is not designated as a STEMI receiving center may not advertise that the hospital is a STEMI

receiving center. However, the bill does not prohibit any hospital from providing care to a victim of a heart attack, even if the hospital does not receive such a designation.

Senate Bill 170 authorizes a body shop, under certain circumstances, to impose a charge for storage of a motor vehicle that is in the possession of the body shop for repairs. Any such storage charge must not exceed an amount that is one and one-half times the average prevailing rate for storage charged by body shops in the same geographic area. In cases of nonconsensual tows, a body shop must make a reasonable attempt to contact the vehicle's owner and notify the owner of the vehicle's location and charges imposed for storage. A body shop must report its vehicle storage rates to the Department of Motor Vehicles via an online survey.

Remarks by Assemblywoman Fiore.

ASSEMBLYWOMAN FIORE:

Senate Bill 176 requires an agency that provides child welfare services to determine whether a report concerning the possible abuse or neglect of a child, which the agency has determined

warrants an investigation, is substantiated or unsubstantiated. The bill deletes the requirement that a child welfare agency remove all references in its records to an investigation if the agency determines the investigation was not warranted. The measure further removes spanking or paddling as an example of corporal punishment that is a reasonable exercise of discipline by a parent or guardian.

The agency is required to provide written notice to the person who has allegedly caused the abuse or neglect that it intends to place the person's name in the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child and that the person has a right to request an administrative appeal.

The bill sets forth the process for the appeal and specifies certain items that must be included in an investigation report. The bill also clarifies that abuse reported to the Central Registry must have occurred after the child was born.

ASSEMBLYMAN OHRENSCHALL:

Senate Bill 180 provides that if a court finds that an employee has been injured as the result of certain unlawful employment practices, it must award to the employee, in addition to any other legal or equitable relief, damages, lost wages and benefits, and costs and attorney's fees to the extent consistent with Title VII of the Civil Rights Act.

There was a lot of testimony in your Commerce and Labor Committee about the benefits of Senate Bill 180. This bill, if enacted into law, will protect workers who have been discriminated against based on their sexual orientation, their gender identity, and state employees who have been the victims of age discrimination. Currently, remedies like this are not available. There is also a benefit to the rural counties because those victims of discrimination now would have to go

to federal court, either in Las Vegas or in Reno. Now these kinds of actions could be brought before state court in any of the counties in the state. I urge passage.

Senate Bill 217 provides that if the probable cost of a road or bridge construction project does not exceed $100,000, a county with a population less than 100,000 may advertise for bids and let contracts pursuant to existing statute or may perform its own work with county employees or day labor and using county equipment. If the probable cost of the work exceeds $100,000, such a county is required to advertise for bids and let contracts pursuant to local government purchasing or public works statutes, except that in a county whose population is less than 45,000, the board of county highway commissioners may instead determine to perform the work with its own resources if the estimated cost of the project is between $100,000 and $250,000.

ASSEMBLYMAN HARDY:

The proponents of the bill had actually stated that they would have it on the record that we understand that, for those counties that want to continue to blade their roads or do maintenance factor-type projects, there would be no interference at that point—only for those type of projects that are needed for construction contracting licenses.

ASSEMBLYMAN HANSEN:

Senate Bill 243 establishes the state DNA Database, which is administered by the Forensic Science Division of the Washoe County Sheriff's Office. The measure provides that the Forensic Science Division shall act as a liaison between the Federal Bureau of Investigation and other state agencies of criminal justice relating to Nevada's participation in the FBI's DNA Indexing System, CODIS.

Senate Bill 243 provides the procedures for submitting a biological specimen to a forensic laboratory for genetic marker analysis when a person is arrested for a felony. If a court or magistrate determines that probable cause did not exist for the person's arrest, the biological specimen must be destroyed within five business days. The measure also provides that if a person is arrested for a felony and is not convicted, the person may make a written request to the Central Repository for Nevada Records of Criminal History to destroy the biological specimen and the DNA profile and purge the DNA record from the forensic laboratory, the state DNA Database, and CODIS.

The bill provides that any costs incurred relating to obtaining or destroying a biological specimen or purging a DNA profile or record are a charge against the county in which the person was arrested and must be paid from the county fund for genetic marker testing. The measure imposes an additional $3 administrative assessment on a person convicted of a misdemeanor, gross misdemeanor, or felony to help pay for the costs of obtaining specimens and conducting the analysis.

Finally, Senate Bill 243 establishes the Subcommittee to Review Arrestee DNA of the Advisory Commission on the Administration of Justice. The Subcommittee will consider issues relating to DNA of arrested persons and submit a report and recommendations to the Commission.

ASSEMBLYMAN HICKEY:

I rise in support of Senate Bill 243. Probably no bill this session has created a more healthy dialogue between law enforcement proponents and civil libertarians, but I would like us to

appreciate what went into this bill. A large working group studied the issues surrounding this bill during the interim to learn all the technical and procedural aspects. The intent of the bill is to simply protect public safety and justice, to solve crimes, and importantly, exonerate innocent people in the process. A detailed study conducted by the University of Virginia concluded that a DNA database most definitely reduces crime rates. Finally, this type of legislation is supported unprecedentedly by 50 states' Attorneys General. Members of this body, I think this is one bill where you could really apply the term "see the forest for the trees." This bill saves lives, protects innocent people who can be exonerated, and I think it is the right thing to do. We in Nevada especially have reason to know why.

ASSEMBLYMAN AIZLEY:

I rise in opposition to Senate Bill 243. Taking one's DNA upon arrest strikes me as an unreasonable search and seizure and somewhat close to a violation of the Fourth Amendment to our Bill of Rights. The current case, *Maryland v. King*, is before the U.S. Supreme Court now, with the decision expected by the end of June. Taking DNA upon conviction or with the permission of the person arrested would be acceptable. Nevada should spend more time on actual criminals and should focus on the current backlog of recent crimes. The Las Vegas crime lab recently testified that they are 65,000 DNA kits behind. As it is, I will not support the bill.

ASSEMBLYMAN SPRINKLE:

I rise in support of Senate Bill 243. I think it is really timely that I first point out that similar law exists in 28 other states, including Ohio, which just used this law to assist in the arrest of Ariel Castro. Some of the things that I have heard, as I have spoken with many people in regard to this bill and the concerns that they had is that this is constitutional for an arrestee's name and a mug shot to be posted in the newspaper and online, and yet when you look at the DNA evidence, there is no absolute way for somebody to simply be able to designate who that DNA came from. DNA has over 3 billion markers. These samples would only be between 13 and 18 markers, enough for an identification and gender ID only. Another reason why that is so important is because when we are talking about racial bias and profiling, just as much focus needs to be placed on proving someone is innocent with their DNA samples, and that could help do just that. With these markers, there is absolutely no way to determine race from the sample taken. In the end, this legislation is about protecting our society from those who would choose to do harm over and over again.

We have been identifying criminals using fingerprints for many years, and statistics show that using those fingerprints has been a system fraught with errors. The chances of making an error in identification using DNA is over 1 in a billion. Why would we not want to remove more violent criminals from our streets and protect those who have been wrongly accused of committing a crime? I ask this body to please support Senate Bill 243.

MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Frierson moved that Senate Bills Nos. 36, 94, 208, 235, 252, 266, and 493, just reported out of committee, be placed on the Second Reading File.

Motion carried.

SECOND READING AND AMENDMENT

Senate Bill No. 36.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 649.

AN ACT relating to employment; establishing provisions for the collection of money owed to the Employment Security Division of the Department of Employment, Training and Rehabilitation; ~~[establishing a waiting period of 1 week as an additional condition of eligibility for unemployment compensation benefits;]~~ revising provisions concerning unemployment compensation fraud; providing for the transfer of an employer's liabilities to the Division upon the transfer of the employer's trade or business; prohibiting the relief of an employer's record for experience rating of charges for benefits under certain circumstances; assigning liability for the payment of money owed to the Division upon the transfer of certain assets; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation is authorized to bring actions in district court for the repayment of fraudulently obtained benefits or to recover amounts owed to the Division by persons who commit unemployment insurance fraud. (NRS 612.365, 612.445) **Sections**

12-19 and 21 of this bill establish an additional method for the collection of such money. This method is modeled after the method used by the Division of Welfare and Supportive Services of the Department of Health and Human Services to enforce a court order that requires a person to make payments for the support of a child. (NRS 31A.025-31A.190) **Section 12** provides that if the Administrator obtains a judgment against a person who has fraudulently obtained benefits or committed unemployment compensation fraud, the Administrator may, in addition to any other manner of executing the judgment provided by law, require each employer of the person to withhold income from the person's wages and pay it to the Division. **Sections 13-19** establish provisions for: (1) notifying a person whose income is to be withheld; (2) issuing a notice to withhold income to a person's employer; (3) establishing an employer's duties with respect to the withholding of income; (4) providing penalties for an employer's violation of those duties; and (5) providing an employer with immunity from any civil action for any conduct taken in compliance with a notice to withhold income. **Section 23** of this bill revises existing law concerning unemployment insurance fraud by: (1) providing that, in general, the Administrator may issue an initial determination finding that a person has committed such fraud at any time within 4 years after the first day of the benefit year in which the person committed the fraud; and (2) revising other provisions concerning the period during which the person is disqualified from receiving further benefits and the amount of the penalties that may be imposed.

~~**[** Existing law provides that an unemployed person is not eligible to receive benefits unless the Administrator finds that the person satisfies certain conditions. (NRS 612.375) **Section 22** of this bill adds an additional condition for such eligibility: the person must have been unemployed and otherwise eligible for benefits for a waiting period of 1 week within the person's current benefit year, during which no benefits were paid. All but 12 states currently include such a waiting period in their unemployment compensation laws.**]**~~

Under existing law, an employer's contribution rate is based on the employer's experience rating, which reflects the amount of unemployment compensation benefits that are paid to former employees and charged to the employer's record for experience rating. Existing law also provides for the transfer of some or all of an employer's record for experience rating when the employer transfers its trade or business to another employer. (NRS 612.550) **Section 24** of this bill provides that if the transferring employer is liable to the Division for unpaid contributions, interest or forfeits, a percentage of that liability must also be transferred to the other employer. The percentage of liability transferred must be the same as the percentage of the experience record transferred.

Under existing law, an employer who receives notice that a former employee has filed a claim for benefits is required to provide the Division with all relevant facts which may affect the claimant's rights to benefits within 11 days after the Division mails the notice of the claim. (NRS 612.475) The amounts of any benefits paid to that claimant are charged to the employer's record for experience rating unless circumstances exist which entitle the record to be relieved of such charges. (NRS 612.551) **Section 25** of this bill provides that an employer's record for experience rating is not entitled to be relieved of charges for the amount of any benefits erroneously paid to a claimant if the employer failed to submit timely all the information as required. This change is required to comply with federal law. (Trade Adjustment Assistance Extension Act of 2011, Pub. L. No. 112-40, § 252, 125 Stat. 402, 421-22)

Under existing law, an employer who, outside the usual course of business, sells certain assets and quits business is required to pay to the Division the amount of all contributions, interest or forfeits accrued and unpaid on account of wages paid by the employer up to the date of the sale. If the seller fails to do so within 10 days after the sale, the purchaser of the assets becomes personally liable for the payment of those amounts. (NRS 612.695) **Section 26** of this bill extends those provisions to apply in cases of the transfer of the assets of a business by means other than a sale.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 612 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 19, inclusive, of this act.

Sec. 3. (Deleted by amendment.)

Sec. 4. (Deleted by amendment.)

Sec. 8. (Deleted by amendment.)

Sec. 9. (Deleted by amendment.)

Sec. 10. (Deleted by amendment.)

Sec. 11. (Deleted by amendment.)

Sec. 12. ***If the Administrator obtains a judgment against a person for:***

1. The repayment of benefits obtained due to the person's fraud, misrepresentation or willful nondisclosure pursuant to NRS 612.365; or

2. The recovery of amounts owed to the Division for committing unemployment insurance fraud in violation of NRS 612.445,

➥ the Administrator may, in addition to any other manner of executing the judgment provided by law, require each employer of the person to withhold income from the person's wages and pay it over to the Division in accordance with the provisions of sections 12 to 19, inclusive of this act.

Sec. 13. *The Administrator shall provide to a person who is subject to the withholding of income pursuant to section 12 of this act a notice sent by first-class mail to the person's last known address:*

1. That his or her income is being withheld;

2. That a notice to withhold income applies to any current or subsequent employer;

3. That a notice to withhold income has been mailed to his or her employer;

4. Of the information provided to his or her employer pursuant to section 14 of this act;

5. That he or she may contest the withholding; and

6. Of the grounds and procedures for contesting the withholding.

Sec. 14. *1. The Administrator shall mail, by first-class mail, a notice to withhold income pursuant to section 12 of this act to each employer of the person who is subject to the withholding.*

2. If an employer does not begin to withhold income from the person in accordance with section 15 of this act after receiving the notice to withhold income that was mailed pursuant to subsection 1, the Administrator shall, by certified mail, return receipt requested, mail to the employer another notice to withhold income.

3. A notice to withhold income pursuant to section 12 of this act may be issued electronically and must:

(a) Contain the social security number of the person;

(b) Specify the total amount to be withheld from the income of the person, including any interest, penalties or assessments accrued pursuant to the provisions of this chapter;

(c) Describe the limitation for withholding income prescribed in NRS 31.295;

(d) Describe the prohibition against terminating the employment of a person because of withholding and the penalties for wrongfully refusing to withhold in accordance with the notice to withhold income; and

(e) Explain the duties of an employer upon the receipt of the notice to withhold income.

Sec. 15. *An employer who receives a notice to withhold income pursuant to section 12 of this act shall:*

1. Withhold the amount stated in the notice from the income due to the person beginning with the first pay period that occurs within 14 days after the date the notice was mailed to the employer and continuing until:

(a) The Administrator notifies the employer to discontinue the withholding; or

(b) The full amount required to be paid to the Administrator has been paid, as indicated by a written statement to the employer from the Administrator;

2. Calculate the amount of income to be withheld from a person's wages during each pay period in accordance with the provisions of NRS 31.295 and subject to the limitation on withholding prescribed in that section. For the purposes of this subsection, a withholding of income shall be deemed a garnishment of earnings.

3. Deliver the money withheld to the Administrator within 7 days after the date of each payment of the regularly scheduled payroll of the employer; and

4. Notify the Administrator when the person subject to withholding terminates his or her employment and provide the last known address of the person and the name of any new employer of the person, if known.

Sec. 16. *1. A notice to withhold income pursuant to section 12 of this act is binding upon any employer of the person to whom it is mailed. To reimburse the employer for his or her costs in making the withholding, the employer may deduct $3 from the amount paid to the person each time the employer makes a withholding.*

2. Except as otherwise provided in subsection 3, if an employer receives notices to withhold income pursuant to section 12 of this act for more than one employee, the employer may consolidate the amounts of money that are payable to the Administrator and pay those amounts with one check, but the employer shall attach to each check a statement identifying by name and social security number each person for whom payment is made and the amount transmitted for that person.

3. If the provisions of NRS 353.1467 apply, the employer shall make payment to the Administrator by any method of electronic transfer of money allowed by the Administrator. If an employer makes such payment by electronic transfer of money, the employer shall transmit separately the name and appropriate identification number, if any, of each person for whom payment is made and the amount transmitted for that person.

4. As used in this section, "electronic transfer of money" has the meaning ascribed to it in NRS 353.1467.

Sec. 17. *1. It is unlawful for an employer to use the withholding of income to collect an obligation to pay money to the Administrator as a basis for refusing to hire a potential employee, discharging an employee or taking disciplinary action against an employee. Any employer who violates this section shall hire or reinstate any such employee with no loss of pay or benefits, is liable for any amounts not withheld and shall be fined $1,000.*

If an employee prevails in an action based on this section, the employer is liable, in an amount not less than $2,500, for payment of the employee's costs and attorney's fees incurred in that action.

2. If an employer wrongfully refuses to withhold income as required pursuant to sections 12 to 19, inclusive, of this act or knowingly misrepresents the income of an employee, the employer shall pay the amount the employer refused to withhold to the Administrator and may be ordered to pay punitive damages to the Administrator in an amount not to exceed $1,000 for each pay period the employer failed to withhold income as required or knowingly misrepresented the income of the employee.

Sec. 18. ***1. If an employer wrongfully refuses to withhold income as required pursuant to sections 12 to 19, inclusive, of this act, after receiving a notice to withhold income that was sent by certified mail pursuant to section 14 of this act, or knowingly misrepresents the income of an employee, the Administrator may apply for and the court may issue an order directing the employer to appear and show cause why he or she should not be subject to the penalties prescribed in subsection 2 of section 17 of this act.***

2. At the hearing on the order to show cause, the court, upon a finding that the employer wrongfully refused to withhold income as required or knowingly misrepresented an employee's income:

(a) May order the employer to comply with the requirements of sections 12 to 19, inclusive, of this act;

(b) May order the employer to provide accurate information concerning the employee's income;

(c) May fine the employer pursuant to subsection 2 of section 17 of this act; and

(d) Shall require the employer to pay the amount the employer failed or refused to withhold from the employee's income.

Sec. 19. ***1. An employer who complies with a notice to withhold income pursuant to section 12 of this act that is regular on its face may not be held liable in any civil action for any conduct taken in compliance with the notice.***

2. Compliance by an employer with a notice to withhold income pursuant to section 12 of this act is a discharge of the employer's liability to the person as to that portion of the income affected.

3. If a court issues an order to stay a withholding of income, the Administrator may not be held liable in any civil action to the person who is the subject of the withholding of income for any money withheld before the stay becomes effective.

Sec. 20. NRS 612.350 is hereby amended to read as follows:

612.350 1. ~~[Each]~~ ***An*** eligible person who is unemployed ***and otherwise entitled to receive benefits*** in any week must be paid for that week a benefit in an amount equal to the person's weekly benefit amount, less 75 percent of the remuneration payable to him or her for that week.

2. The benefit, if not a multiple of $1, must be computed to the next lower multiple of $1.

Sec. 21. NRS 612.365 is hereby amended to read as follows:

612.365 1. Any person who is overpaid any amount as benefits under this chapter is liable for the amount overpaid unless:

(a) The overpayment was not due to fraud, misrepresentation or willful nondisclosure on the part of the recipient; and

(b) The overpayment was received without fault on the part of the recipient, and its recovery would be against equity and good conscience, as determined by the Administrator.

2. The amount of the overpayment must be assessed to the liable person, and the person must be notified of the basis of the assessment. The notice must specify the amount for which the person is liable. In the absence of fraud, misrepresentation or willful nondisclosure, notice of the assessment must be mailed or personally served not later than 1 year after the close of the benefit year in which the overpayment was made.

3. At any time within 5 years after the notice of overpayment, the Administrator may recover the amount of the overpayment by using the same methods of collection provided in NRS 612.625 to 612.645, inclusive, 612.685 and 612.686 for the collection of past due contributions or by deducting the amount of the overpayment from any benefits payable to the liable person under this chapter. ***If the overpayment is due to fraud, misrepresentation or willful nondisclosure, the Administrator may recover any amounts due in accordance with the provisions of sections 12 to 19, inclusive, of this act.***

4. The Administrator may waive recovery or adjustment of all or part of the amount of any such overpayment which the Administrator finds to be uncollectible or the recovery or adjustment of which the Administrator finds to be administratively impracticable.

5. To the extent allowed pursuant to federal law, the Administrator may assess any administrative fee prescribed by an applicable agency of the United States regarding the recovery of such overpayments.

6. Any person against whom liability is determined under this section may appeal therefrom within 11 days after the date the notice provided for in this section was mailed to, or served upon, the person. An appeal must be made and conducted in the manner provided in this chapter for the appeals

from determinations of benefit status. The 11-day period provided for in this subsection may be extended for good cause shown.

Sec. 22. ~~[NRS 612.375 is hereby amended to read as follows:~~

~~612.375 1. Except as otherwise provided in subsection 2 of NRS 612.3774, an unemployed person is eligible to receive benefits with respect to any week only if the Administrator finds that:~~

~~(a) The person has registered for work at, and thereafter has continued to report at, an office of the Division in such a manner as the Administrator prescribes, except that the Administrator may by regulation waive or alter either or both of the requirements of this paragraph for persons attached to regular jobs and in other types of cases or situations with respect to which the Administrator finds that compliance with those requirements would be oppressive or inconsistent with the purposes of this chapter.~~

~~(b) The person has made a claim for benefits in accordance with the provisions of NRS 612.450 and 612.455.~~

~~(c) The person is able to work, and is available for work, but no claimant may be considered ineligible with respect to any week of unemployment for failure to comply with the provisions of this paragraph if the failure is because of an illness or disability which occurs during an uninterrupted period of unemployment with respect to which benefits are claimed and no work has been offered the claimant which would have been suitable before the beginning of the illness and disability. No otherwise eligible person may be denied benefits for any week in which the person is engaged in training approved pursuant to 19 U.S.C. § 2296 or by the Administrator by reason of any provisions of this chapter relating to availability for work or failure to apply for, or a refusal to accept, suitable work.~~

~~(d) The person has within his or her base period been paid wages from employers:~~

~~(1) Equal to or exceeding 1 1/2 times the person's total wages for employment by employers during the quarter of the person's base period in which the person's total wages were highest; or~~

~~(2) In each of at least three of the four quarters in the person's base period.~~

~~***(e) The person has been unemployed and otherwise eligible for benefits for a waiting period of 1 week, within the person's current benefit year, during which no benefits were paid. ~~***~~ [If a person fails to qualify for a weekly benefit amount of one twenty-fifth of the person's high quarter wages but can qualify for a weekly benefit amount of $1 less than one twenty-fifth of his or her high quarter wages, the person's weekly benefit amount must be $1 less than one twenty-fifth of his

~~or her high quarter wages.]~~ ~~No person may receive benefits in a benefit year unless, after the beginning of the next preceding benefit year during which the person received benefits, he or she performed service, whether or not in "employment" as defined in this chapter and earned remuneration for that service in an amount equal to not less than 3 times his or her basic weekly benefit amount as determined for the next preceding benefit year.~~

~~2. In addition to fulfilling the requirements set forth in subsection 1, an unemployed person who has been determined to be likely to exhaust his or her regular benefits and to need services to assist in his or her reemployment, pursuant to the system of profiling established by the Administrator pursuant to 42 U.S.C. § 503, is eligible to receive benefits with respect to any week only if the person participates in those services to assist in his or her reemployment, unless the Administrator determines that:~~

~~(a) The unemployed person has completed his or her participation in those services; or~~

~~(b) There is a justifiable cause for the person's failure to participate in those services.~~

~~3. For any week in which a claimant receives any pension or other payment for retirement, including a governmental or private pension, annuity or other, similar periodic payment, except as otherwise provided in subsection 4, the amount payable to the claimant under a plan maintained by a base period employer or an employer whose account is chargeable with benefit payments must:~~

~~(a) Not be reduced by the amount of the pension or other payment if the claimant made any contribution to the pension or retirement plan; or~~

~~(b) Be reduced by the entire proportionate weekly amount of the pension or other payment if the employer contributed the entire amount to the pension or retirement plan.~~

~~4. The amount of the weekly benefit payable to a claimant must not be reduced by the pension offset in subsection 3 if the services performed by the claimant during the base period, or the compensation the claimant received for those services, from that employer did not affect the claimant's eligibility for, or increase the amount of, the pension or other payment, except for a pension paid pursuant to the Social Security Act or Railroad Retirement Act of 1974, or the corresponding provisions of prior law, which is not eligible for the exclusion provided in this subsection and is subject to the offset provisions of subsection 3.~~

Sec. 23. NRS 612.445 is hereby amended to read as follows:

612.445 1. A person shall not make a false statement or representation, knowing it to be false, or knowingly fail to disclose a material fact in order to

obtain or increase any benefit or other payment under this chapter, including, without limitation, by failing to properly report earnings or by filing a claim for benefits using the social security number, name or other personal identifying information of another person. A person who violates the provisions of this subsection commits unemployment insurance fraud.

2. When the Administrator finds that a person has committed unemployment insurance fraud pursuant to subsection 1, the person shall repay to the Administrator for deposit in the Fund a sum equal to all of the benefits received by or paid to the person for each week with respect to which the false statement or representation was made or to which the person failed to disclose a material fact in addition to any interest, penalties and costs related to that sum. ***Except as otherwise provided in subsection 3 of NRS 612.480, the Administrator may make an initial determination finding that a person has committed unemployment insurance fraud pursuant to subsection 1 at any time within 4 years after the first day of the benefit year in which the person committed the unemployment insurance fraud.***

3. Except as otherwise provided in this subsection and subsection 8, the person is disqualified from receiving unemployment compensation benefits under this chapter:

(a) For a period beginning with the ~~[~~first week claimed in violation of~~]~~ ***week in which the Administrator issues a finding that the person has committed unemployment insurance fraud pursuant to*** subsection 1 and ending not more than 52 consecutive weeks after the week in which it is determined that a claim was filed in violation of subsection 1; or

(b) Until the sum described in subsection 2, in addition to any interest, penalties or costs related to that sum, is repaid to the Administrator,

➥ whichever is longer. The Administrator shall fix the period of disqualification according to the circumstances in each case.

4. It is a violation of subsection 1 for a person to file a claim, or to cause or allow a claim to be filed on his or her behalf, if:

(a) The person is incarcerated in the state prison or any county or city jail or detention facility or other correctional facility in this State; and

(b) The claim does not expressly disclose his or her incarceration.

5. A person who obtains benefits of $650 or more in violation of subsection 1 shall be punished in the same manner as theft pursuant to subsection 3 or 4 of NRS 205.0835.

6. In addition to the repayment of benefits required pursuant to subsection 2, ~~[~~if the amount of benefits which must be repaid is greater than $1,000,~~]~~ the Administrator ~~[~~may~~]~~ ***:***

(b) May impose a penalty equal to not more than:

7. Except as otherwise provided in subsection 8, a person may not pay benefits as required pursuant to subsection 2 by using benefits which would otherwise be due and payable to the person if he or she was not disqualified.

8. The Administrator may waive the period of disqualification prescribed in subsection 3 for good cause shown or if the person adheres to a repayment schedule authorized by the Administrator that is designed to fully repay benefits received from an improper claim, in addition to any related interest, penalties and costs, within 18 months. If the Administrator waives the period of disqualification pursuant to this subsection, the person may repay benefits as required pursuant to subsection 2 by using any benefits which are due and payable to the person, except that benefits which are due and payable to the person may not be used to repay any related interest, penalties and costs.

9. The Administrator may recover any money required to be paid pursuant to this section in accordance with the provisions of NRS 612.365 and may collect interest on any such money in accordance with the provisions of NRS 612.620.

Sec. 23.5. NRS 612.475 is hereby amended to read as follows:

612.475 1. The last employing unit of any unemployed claimant and the next to last employing unit of an unemployed claimant who has not earned remuneration with his or her last covered employer equal to or exceeding his or her weekly benefit amount in each of 16 weeks must be notified of any new claim or additional claim filed by the unemployed claimant following his or her separation.

2. The notice of the filing of a claim must contain the claimant's name and social security number, the reason for separation from the employing unit affected as given by the claimant, the date of separation and such other information as is deemed proper.

3. Upon receipt of a notice of the filing of a claim, the employing unit shall, within 11 days after the date of the mailing of the notice, submit to the Division all ***known*** relevant facts which may affect the claimant's rights to benefits.

4. Any employing unit that receives a notice of the filing of a claim may protest payment of benefits to the unemployed claimant if the protest is filed within 11 days after the notice is filed.

5. Any employing unit which has filed a protest in accordance with the provisions of this section must be notified in writing of the determination arrived at by the Administrator or the Administrator's Deputy, and the notice must contain a statement setting forth the right of appeal.

6. As used in this section:

(a) "Additional claim" means a claim filed during the benefit year when a break of 1 week or more has occurred in the series of claims with intervening employment.

(b) "New claim" means an application for a determination of eligibility and benefits, benefit amount and duration of benefits which certifies to the beginning date of a first period of unemployment in a benefit year or the continuance of a period of unemployment into a new benefit year.

Sec. 24. NRS 612.550 is hereby amended to read as follows:

612.550 1. As used in this section:

(a) "Average actual duration" means the number of weeks obtained by dividing the number of weeks of benefits paid for weeks of total unemployment in a consecutive 12-month period by the number of first payments made in the same 12-month period.

(b) "Average annual payroll" for each calendar year means the annual average of total wages paid by an employer subject to contributions for the 3 consecutive calendar years immediately preceding the computation date. The average annual payroll for employers first qualifying as eligible employers must be computed on the total amount of wages paid, subject to contributions, for not less than 10 consecutive quarters and not more than 12 consecutive quarters ending on December 31, immediately preceding the computation date.

(c) "Beneficiary" means a person who has received a first payment.

(d) "Computation date" for each calendar year means June 30 of the preceding calendar year.

(e) "Covered worker" means a person who has worked in employment subject to this chapter.

(f) "First payment" means the first weekly unemployment insurance benefit paid to a person in the person's benefit year.

(g) "Reserve balance" means the excess, if any, of total contributions paid by each employer over total benefit charges to that employer's experience rating record.

(h) "Reserve ratio" means the percentage ratio that the reserve balance bears to the average annual payroll.

(i) "Total contributions paid" means the total amount of contributions, due on wages paid on or before the computation date, paid by an employer not later than the last day of the second month immediately following the computation date.

(j) "Unemployment risk ratio" means the ratio obtained by dividing the number of first payments issued in any consecutive 12-month period by the average monthly number of covered workers in employment as shown on the records of the Division for the same 12-month period.

2. The Administrator shall, as of the computation date for each calendar year, classify employers in accordance with their actual payrolls, contributions and benefit experience, and shall determine for each employer the rate of contribution which applies to that employer for each calendar year in order to reflect his or her experience and classification. The contribution rate of an employer may not be reduced below 2.95 percent, unless there have been 12 consecutive calendar quarters immediately preceding the computation date throughout which the employer has been subject to this chapter and his or her account as an employer could have been charged with benefit payments, except that an employer who has not been subject to the law for a sufficient period to meet this requirement may qualify for a rate less than 2.95 percent if his or her account has been chargeable throughout a lesser period not less than the 10-consecutive-calendar-quarter period ending on the computation date.

3. Any employer who qualifies under paragraph (b) of subsection 9 and receives the experience record of a predecessor employer must be assigned the contribution rate of the predecessor.

4. Benefits paid to a person up to and including the computation date must be charged against the records, for experience rating, of the person's base-period employers in the same percentage relationship that wages reported by individual employers represent to total wages reported by all base period employers, except that:

(a) If one of the base period employers has paid 75 percent or more of the wages paid to the person during the person's base period, and except as otherwise provided in NRS 612.551, the benefits, less a proportion equal to the proportion of wages paid during the base period by employers who make reimbursement in lieu of contributions, must be charged to the records for experience rating of that employer. The proportion of benefits paid which is equal to the part of the wages of the claimant for the base period paid by an

employer who makes reimbursement must be charged to the record of that employer.

(b) No benefits paid to a multistate claimant based upon entitlement to benefits in more than one state may be charged to the experience rating record of any employer when no benefits would have been payable except pursuant to NRS 612.295.

(c) Except for employers who have been given the right to make reimbursement in lieu of contributions, extended benefits paid to a person must not be charged against the accounts of the person's base-period employers.

5. The Administrator shall, as of the computation date for each calendar year, compute the reserve ratio for each eligible employer and shall classify those employers on the basis of their individual reserve ratios. The contribution rate assigned to each eligible employer for the calendar year must be determined by the range within which the employer's reserve ratio falls. The Administrator shall, by regulation, prescribe the contribution rate schedule to apply for each calendar year by designating the ranges of reserve ratios to which must be assigned the various contribution rates provided in subsection 6. The lowest contribution rate must be assigned to the designated range of highest reserve ratios and each succeeding higher contribution rate must be assigned to each succeeding designated range of lower reserve ratios, except that, within the limits possible, the differences between reserve ratio ranges must be uniform.

6. Each employer eligible for a contribution rate based upon experience and classified in accordance with this section must be assigned a contribution rate by the Administrator for each calendar year according to the following classes:

Class 1	0.25 percent
Class 2	0.55 percent
Class 3	0.85 percent
Class 4	1.15 percent
Class 5	1.45 percent
Class 6	1.75 percent
Class 7	2.05 percent
Class 8	2.35 percent
Class 9	2.65 percent
Class 10	2.95 percent
Class 11	3.25 percent
Class 12	3.55 percent
Class 13	3.85 percent
Class 14	4.15 percent

Class 15 .....4.45 percent
Class 16 .....4.75 percent
Class 17 .....5.05 percent
Class 18 .....5.40 percent

7. On September 30 of each year, the Administrator shall determine:

(a) The highest of the unemployment risk ratios experienced in the 109 consecutive 12-month periods in the 10 years ending on March 31;

(b) The potential annual number of beneficiaries found by multiplying the highest unemployment risk ratio by the average monthly number of covered workers in employment as shown on the records of the Division for the 12 months ending on March 31;

(c) The potential annual number of weeks of benefits payable found by multiplying the potential number of beneficiaries by the highest average actual duration experienced in the 109 consecutive 12-month periods in the 10 years ending on September 30; and

(d) The potential maximum annual benefits payable found by multiplying the potential annual number of weeks of benefits payable by the average payment made to beneficiaries for weeks of total unemployment in the 12 months ending on September 30.

8. The Administrator shall issue an individual statement, itemizing benefits charged during the 12-month period ending on the computation date, total benefit charges, total contributions paid, reserve balance and the rate of contributions to apply for that calendar year, for each employer whose account is in active status on the records of the Division on January 1 of each year and whose account is chargeable with benefit payments on the computation date of that year.

9. If an employer transfers its trade or business, or a portion thereof, to another employer:

(a) And there is substantially common ownership, management or control of the employers, the experience record attributable to the transferred trade or business must be transferred to the employer to whom the trade or business is transferred. The rates of both employers must be recalculated, and the recalculated rates become effective on the date of the transfer of the trade or business. If the Administrator determines, following the transfer of the experience record pursuant to this paragraph, that the sole or primary purpose of the transfer of the trade or business was to obtain a reduced liability for contributions, the Administrator shall combine the experience rating records of the employers involved into a single account and assign a single rate to the account.

(b) And there is no substantially common ownership, management or control of the employers, the experience record of an employer may be

transferred to a successor employer as of the effective date of the change of ownership if:

(1) The successor employer acquires the entire or a severable and distinct portion of the business, or substantially all of the assets, of the employer;

(2) The successor employer notifies the Division of the acquisition in writing within 90 days after the date of the acquisition;

(3) The employer and successor employer submit a joint application to the Administrator requesting the transfer; and

(4) The joint application is approved by the Administrator.

➥ The joint application must be submitted within 1 year after the date of issuance by the Division of official notice of eligibility to transfer.

(c) Except as otherwise provided in paragraph (a), a transfer of the experience record must not be completed if the Administrator determines that the acquisition was effected solely or primarily to obtain a more favorable contribution rate.

(d) Any liability to the Division for unpaid contributions, interest or forfeit attributable to the transferred trade or business must be transferred to the successor employer. The percentage of liability transferred must be the same as the percentage of the experience record transferred.

10. Whenever an employer has paid no wages in employment for 8 consecutive calendar quarters following the last calendar quarter in which the employer paid wages for employment, the Administrator shall terminate the employer's experience rating account, and the account must not thereafter be used in any rate computation.

11. The Administrator may adopt reasonable accounting methods to account for those employers which are in a category for providing reimbursement in lieu of contributions.

Sec. 25. NRS 612.551 is hereby amended to read as follows:

612.551 1. Except as otherwise provided in subsections 2 ***, 3*** and ~~[3,]~~ ***7,*** if the Division determines that a claimant has earned 75 percent or more of his or her wages during his or her base period from one employer, it shall notify the employer of its determination and advise him or her that he or she has a right to protest the charging of benefits to his or her account pursuant to subsection 4 of NRS 612.550.

2. Benefits paid pursuant to an elected base period in accordance with NRS 612.344 must not be charged against the record for experience rating of the employer.

3. ~~[If]~~ ***Except as otherwise provided in subsection 7, if*** a claimant leaves his or her last or next to last employer to take other employment and leaves or is discharged by the latter employer, benefits paid to the claimant must not be charged against the record for experience rating of the former employer.

4. If the employer provides evidence within 10 working days after the notice required by subsection 1 was mailed which satisfies the Administrator that the claimant:

(a) Left his or her employment voluntarily without good cause or was discharged for misconduct connected with the employment; or

(b) Was the spouse of an active member of the Armed Forces of the United States and left his or her employment because the spouse was transferred to a different location,

➥ the Administrator shall order that the benefits not be charged against the record for experience rating of the employer.

5. The employer may appeal from the ruling of the Administrator relating to the cause of the termination of the employment of the claimant in the same manner as appeals may be taken from determinations relating to claims for benefits.

6. A determination made pursuant to this section does not constitute a basis for disqualifying a claimant to receive benefits.

7. If an employer who is given notice of a claim for benefits pursuant to subsection 1 fails to submit timely to the Division all known relevant facts which may affect the claimant's rights to benefits as required by NRS 612.475, the employer's record for experience rating is not entitled to be relieved of the amount of any benefits paid to the claimant as a result of such failure that were charged against the employer's record pursuant to NRS 612.550 or 612.553.

Sec. 26. NRS 612.615 is hereby amended to read as follows:

612.615 1. There is hereby created the Employment Security Fund as a special revenue fund.

2. ~~[All]~~ ***Except as otherwise provided in paragraph (a) of subsection 6 of NRS 612.445, all*** interest and forfeits collected under NRS 612.618 to 612.675, inclusive, and 612.740 ***and sections 12 to 19, inclusive, of this act*** must be paid into the Fund.

3. All money which is deposited or paid into the Fund is hereby appropriated and made available to the Administrator or for any other purpose authorized by the Legislature. The money may not be expended or made available for expenditure in any manner which would permit its substitution for, or a corresponding reduction in, federal payments which would, in the absence of this money, be available to finance expenditures for the administration of the employment security laws of the State of Nevada.

4. This section does not prevent this money from being used as a revolving fund to cover expenditures, necessary and proper under the law, for which federal payments have been duly requested but not yet received, subject to the repayment to the Fund of such expenditures when received.

5. ~~[The]~~ ***Except as otherwise provided in this section,*** money in this Fund available to the Administrator must be used by the Administrator for the payment of costs of:

(a) Administration which are found not to have been properly and validly chargeable against federal grants received for or in the Unemployment Compensation Administration Fund; or

(b) Any program or the implementation of procedures deemed necessary by the Administrator to ensure the proper payment of benefits and collection of contributions and reimbursements pursuant to this chapter or for any other purpose authorized by the Legislature.

6. ***The Administrator may use money deposited in this Fund from a penalty imposed pursuant to paragraph (b) of subsection 6 of NRS 612.445 for any purpose that furthers the integrity of the system of unemployment compensation established pursuant to this chapter.***

7. Any balances in this Fund do not lapse at any time, but are continuously available to the Administrator for expenditure consistent with this chapter.

~~[7.]~~ ***8.*** Money in this Fund must not be commingled with other state money, but must be maintained in a separate account on the books of the depositary.

Sec. 27. NRS 612.655 is hereby amended to read as follows:

612.655 1. Where a payment of contributions, forfeit or interest has been erroneously collected, an employer may, not later than 3 years after the date on which such payments became due, make application for an adjustment thereof in connection with subsequent contributions, forfeit or interest payments or for a refund. All such adjustments or refunds will be made without interest. An adjustment or refund will not be made in any case with respect to contributions on wages which have been included in the determination of an eligible claim for benefits, unless it is shown to the satisfaction of the Administrator that such determination was due entirely to the fault or mistake of the Division.

2. Refunds of interest and forfeit collected under NRS 612.618 to 612.675, inclusive, and 612.740 ***and sections 12 to 19, inclusive, of this act*** and paid into the Employment Security Fund established by NRS 612.615 must be made only from the Employment Security Fund.

Sec. 28. NRS 612.695 is hereby amended to read as follows:

612.695 1. Any employer who, outside the usual course of the employer's business, sells ***or transfers*** substantially all or any one of the classes of assets enumerated in subsection 1 of NRS 612.690 and quits business, shall within 10 days after the sale ***or transfer*** file such reports as the Administrator may prescribe and pay the contributions, interest or forfeits

required by this chapter with respect to wages for employment to the date of the sale ~~[.]~~ ***or transfer.***

2. ***In the case of a sale:***

(a) The purchaser shall withhold sufficient of the purchase money to cover the amount of all contributions ***, interest*** and forfeits due and unpaid until such time as the seller produces a receipt from the Administrator showing that the contributions ***, interest*** and forfeits have been paid or a certificate showing that no contributions ***, interest*** or forfeits are due.

~~[3.]~~ ***(b)*** If the seller fails, within the 10-day period, to produce the receipt or certificate, the purchaser shall pay the sum so withheld to the Administrator upon demand.

3. In the case of a transfer other than a sale, if the contributions, interest and forfeits are not paid within the 10 days specified in this section, the transferee is personally liable for the payment of the contributions, interest and forfeits accrued and unpaid on account of the operation of the business by the former owner.

(e) The fee allowed pursuant to section 1 of this act.

3. Calculation of the annual percentage rate in the manner specified in this section is limited only to the determination of whether a loan is a high-interest loan and must not be used in compliance with the disclosure requirements of paragraph (g) of subsection 2 of NRS 604A.410 or any other provisions of this chapter requiring disclosure of an annual percentage rate in the making of a loan.

Sec. 3. NRS 604A.485 is hereby amended to read as follows:

➥ The sum of all amounts collected pursuant to paragraphs (b), (c) and (d) must not exceed the principal amount of the loan.

2. Except for the interest and fees permitted pursuant to subsection 1 and any other charges expressly permitted pursuant to NRS 604A.430, 604A.445 and 604A.475, ***and section 1 of this act,*** the licensee shall not charge any other amount to a customer, including, without limitation, any amount or charge payable directly or indirectly by the customer and imposed directly or indirectly by the licensee as an incident to or as a condition of the extension of the period for the payment of the loan or the extension of credit. Such prohibited amounts include, without limitation:

(a) Any interest, other than the interest charged pursuant to subsection 1, regardless of the name given to the interest; or

(b) Any origination fees, set-up fees, collection fees, transaction fees, negotiation fees, handling fees, processing fees, late fees, default fees or any other fees, regardless of the name given to the fee.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 648.

AN ACT relating to renewable energy; revising provisions which specify the renewable energy systems which qualify as portfolio energy systems; revising provisions relating to the implementation of energy efficiency measures by a provider of electric service for the purpose of complying with the renewable portfolio standard; revising provisions relating to the carrying forward to subsequent calendar years of the excess kilowatt-hours of electricity that a provider generates or acquires from portfolio energy systems; requiring the Public Utilities Commission of Nevada to open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill revises provisions relating to the portfolio standard for providers of electric service, which requires that each year each provider of electric service in this State must generate or acquire from renewable energy systems or save as a result of energy efficiency measures a certain percentage of the electricity sold by the provider to its retail customers in this State.

In 2005, the 22nd Special Session of the Legislature revised the portfolio standard to authorize a provider to meet a portion of the portfolio standard through savings achieved from energy efficiency measures. (Sections 26-29 of chapter 2, Statutes of Nevada 2005, 22nd Special Session, pp. 82-84) **Section 6** of this bill revises the portfolio standard to limit the use of savings achieved from energy efficiency measures by a provider to satisfy the portfolio standard.

Section 4 of this bill revises the definition of "portfolio energy system or efficiency measure" to provide that a renewable energy system or energy efficiency measure qualifies as a portfolio energy system if: (1) the renewable energy system was placed into operation before July 1, 1997, and a provider used electricity generated or acquired from the system to satisfy the portfolio standard before July 1, 2009; (2) the renewable energy system was placed into operation on or after July 1, 1997; or (3) the energy efficiency measure was installed on or before December 31, 2019.

Existing law provides that, for the purpose of satisfying the portfolio standard, a provider shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from certain solar photovoltaic systems for each 1 kilowatt-hour actually generated or acquired. (NRS 704.7822) **Section 9** of this bill revises the applicability of this provision to systems that were placed into operation **on or** before ~~[July 1, 2014.]~~ **December 31, 2015.**

Existing law requires the Public Utilities Commission of Nevada to authorize a provider to carry forward into future years any excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems if the provider exceeds the portfolio standard for any calendar year. (NRS 704.7828) **Section 11** of this bill authorizes a provider that carries forward excess kilowatt-hours of electricity in an amount that is more than 10 percent but less than 25 percent of the amount necessary to satisfy the provider's portfolio standard for the subsequent calendar year to sell the excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems. **Section 11** requires a provider to make reasonable efforts to sell any credits which are in excess of 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year.

Section 14 of this bill requires the Commission to open an investigatory docket to study, examine and review the process for the sale of portfolio

energy credits and to submit a written report on the results of the investigatory docket and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. NRS 704.7804 is hereby amended to read as follows:

704.7804 "Portfolio energy system or efficiency measure" means:

1. Any renewable energy system ~~[~~**[**~~; or~~

~~2. Any energy efficiency measure.~~**]** ***:***

(b) Placed into operation on or after July 1, 1997; or

2. Any energy efficiency measure installed on or before December 31, 2019.

Sec. 5. (Deleted by amendment.)

Sec. 6. NRS 704.7821 is hereby amended to read as follows:

704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard. The portfolio standard must require each provider to generate, acquire or save electricity from portfolio energy systems or efficiency measures in an amount that is:

(a) For calendar years 2005 and 2006, not less than 6 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(b) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(c) For calendar years 2009 and 2010, not less than 12 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(d) For calendar years 2011 and 2012, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(e) For calendar years 2013 and 2014, not less than 18 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(f) For calendar years 2015 through 2019, inclusive, not less than 20 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(g) For calendar years 2020 through 2024, inclusive, not less than 22 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(h) For calendar year 2025 and for each calendar year thereafter, not less than 25 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

2. In addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not less than:

(1) For calendar years 2009 through 2015, inclusive, 5 percent of that amount must be generated or acquired from solar renewable energy systems.

(2) For calendar year 2016 and for each calendar year thereafter, 6 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures ~~[during]~~ ***:***

(1) During calendar years 2013 and 2014, not more than 25 percent of that amount may be based on energy efficiency measures;

(2) During each calendar year ~~[,]~~ ***2015 to 2019, inclusive,*** not more than ~~[25]~~ ***20*** percent of that amount may be based on energy efficiency measures ~~[.]~~ ***;***

(3) During each calendar year 2020 to 2024, inclusive, not more than 10 percent of that amount may be based on energy efficiency measures; and

(4) For calendar year 2025 and each calendar year thereafter, no portion of that amount may be based on energy efficiency measures.

➥ If the provider intends to use energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential customers of the provider, unless a different percentage is approved by the Commission.

(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. If the provider is a utility provider and the Commission approves the terms and conditions of the contract between the utility provider and the other party, the contract and its terms and conditions shall be deemed to be a prudent investment and the utility provider may recover all just and reasonable costs associated with the contract.

3. If, for the benefit of one or more retail customers in this State, the provider has paid for or directly reimbursed, in whole or in part, the costs of the acquisition or installation of a solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar energy system shall be deemed to be electricity that the provider generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

4. The Commission shall adopt regulations that establish a system of portfolio energy credits that may be used by a provider to comply with its portfolio standard.

5. Except as otherwise provided in subsection 6, each provider shall comply with its portfolio standard during each calendar year.

6. If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of portfolio energy credits, the provider shall take actions to acquire or save electricity pursuant to one or more renewable energy contracts or energy efficiency contracts. If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

7. The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the

contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

8. Except as otherwise provided in NRS 704.78213, the provisions of this section do not apply to a provider of new electric resources as defined in NRS 704B.130.

9. As used in this section:

(a) "Energy efficiency contract" means a contract to attain energy savings from one or more energy efficiency measures owned, operated or controlled by other parties.

(b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

Sec. 7. (Deleted by amendment.)

Sec. 8. NRS 704.78215 is hereby amended to read as follows:

704.78215 1. Except as otherwise provided in this section or by specific statute, a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure.

2. The Commission may adopt regulations that give a provider more than one portfolio energy credit for each kilowatt-hour of electricity saved by the provider during its peak load period from energy efficiency measures.

3. ~~[For]~~ Except as otherwise provided in this subsection, for portfolio energy systems placed into operation on or after ~~[July 1, 2015,]~~ January 1, 2016, the amount of electricity generated or acquired from a portfolio energy system does not include the amount of any electricity used by the portfolio energy system for its basic operations that reduce the amount of renewable energy delivered to the transmission grid for distribution and sale to customers of the provider. The provisions of this subsection do not apply to a portfolio energy system placed into operation on or after January 1, 2016, if a provider entered into a contract for the purchase of electricity generated by the portfolio energy system on or before December 31, 2012.

Sec. 9. NRS 704.7822 is hereby amended to read as follows:

704.7822 For the purpose of complying with a portfolio standard established pursuant to NRS 704.7821 or 704.78213, a provider shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from a

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 493.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 647.

AN ACT relating to real property; revising provisions governing loans secured by a lien on real property in which investors hold the beneficial interests; revising provisions governing the reconveyance of a deed of trust; **revising provisions relating to bona fide purchasers and encumbrancers of real property;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if the beneficial interest in a mortgage loan belongs to more than one natural person, the holders of 51 percent or more of the outstanding principal balance may act on behalf of all the holders of the beneficial interests of record. (NRS 645B.340) **Section 2** of this bill revises

this provision to authorize the holders of 51 percent or more of the ownership interest in the real property previously securing the loan to act on behalf of all the holders of the ownership interests of record. **Section 2** also **: (1) requires that certain written notice of the proposed action be provided to each holder of a beneficial interest in the loan or an ownership interest in the real property; and (2)** specifies the manner in which the interests of the minority of persons who do not consent to a sale, transfer, encumbrance or lease of the real property are sold, transferred, encumbered or leased.

Existing law prohibits a mortgage broker from placing a private investor or arranging to place a private investor into a limited-liability, business trust or other business entity before a foreclosure of real property unless the mortgage broker complies with certain requirements. (NRS 645B.356) **Section 2.5** of this bill: (1) specifies that these requirements apply if private investors own real property because of a foreclosure sale or receipt of a deed in lieu of a foreclosure sale in full satisfaction of a loan; and (2) provides that a certain majority of the private investors may place the loan or the real property into a limited-liability company, business trust or other business entity on behalf of all the private investors. **Section 2.5** also specifies the manner in which the interests of the minority of private investors who do not consent to the placement are placed in the limited-liability company, business trust or other business entity.

Existing law establishes various procedures for the reconveyance of a deed of trust upon the payment, satisfaction or discharge of the obligation or debt secured by the deed of trust. (NRS 107.073, 107.077) **Section 3** of this bill establishes a procedure by which a trustor or the successor in interest of the trustor may cause the trustee to reconvey the deed of trust if: (1) the obligation or debt secured by the deed of trust has been paid in full or otherwise satisfied and the current beneficiary of the deed of trust cannot be located after a diligent search or refuses to execute and deliver to the trustee a proper request for reconveyance; or (2) a balance remains due on the obligation or debt secured by the deed of trust and the trustor or successor in interest of the trustor cannot locate the beneficiary of record after diligent search. Under **section 3**, the trustor or the successor in interest of the trustor must record a surety bond that meets certain requirements and a declaration signed under penalty of perjury which states certain information concerning the deed of trust. If the beneficiary of record does not object in writing to the execution and recording of a reconveyance within 30 days after the recording of the surety bond and declaration, the trustee must execute and record or cause to be recorded a reconveyance of the deed of trust and that reconveyance releases the lien of the deed of trust. **Section 3** also establishes a procedure by which the trustor or the successor in interest of the trustor

may substitute the current trustee for the purposes of executing and recording the reconveyance if the current trustee cannot be located after diligent search.

Existing law provides that a conveyance of any estate or interest in lands, and any charge upon lands, is void if it is made with the intent to defraud prior or subsequent purchasers of the same lands. (NRS 111.175) Under existing law, such a conveyance or charge is not deemed fraudulent in favor of certain subsequent purchasers, unless the subsequent purchaser was privy to the fraud intended. (NRS 111.180) Section 3.5 of this bill: (1) defines the circumstances under which a purchaser of an estate or interest in real property is a bona fide purchaser of the property; and (2) provides that a conveyance of an estate or interest in real property, or a charge upon real property, is not deemed fraudulent in favor of a bona fide purchaser unless the subsequent purchaser had actual knowledge, constructive notice or reasonable cause to know of the intended fraud.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 3. Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Whenever the debt or obligation secured by a deed of trust has been paid in full or otherwise satisfied and the current beneficiary of record cannot be located after diligent search as described in subsection 9 or refuses to execute and deliver a proper request to reconvey the estate in real property conveyed to the trustee by the grantor, as required by NRS 107.077, or whenever a balance, including, without limitation, principal and interest, remains due on the debt secured by the deed of trust and the trustor or the trustor's successor in interest cannot locate after diligent search the current beneficiary of record, the trustor or the trustor's successor in interest may record or cause to be recorded a surety bond that meets the requirements of subsection 2 and a declaration that meets the requirements of subsection 3.

2. The surety bond recorded pursuant to subsection 1 must:

(a) Be acceptable to the trustee;

(b) Be issued by a surety authorized to issue surety bonds in this State in an amount equal to the greater of:

(1) Two times the amount of the original obligation or debt secured by the deed of trust plus any principal amounts, including, without limitation, advances, indicated in a recorded amendment thereto; or

(2) One-and-a-half times the total amount computed pursuant to subparagraph (1) plus any accrued interest on that amount;

(c) Be conditioned on payment of any amount which the beneficiary recovers in an action to enforce the obligation or recover the debt secured by the deed of trust, plus costs and reasonable attorney's fees;

(d) Be made payable to the trustee who executes a reconveyance pursuant to subsection 4 and the beneficiary or the beneficiary's successor in interest; and

(e) Contain a statement of:

(1) The recording date and instrument number or book and page number of the recorded deed of trust;

(2) The names of the original trustor and beneficiary;

(3) The amount shown as the original principal amount secured by the deed of trust; and

(4) The recording information and new principal amount shown in any recorded amendment to the deed of trust.

3. The declaration recorded pursuant to subsection 1 must:

(a) Be signed under penalty of perjury by the trustor or the trustor's successor in interest;

(b) State that it is recorded pursuant to this section;

(c) State the name of the original trustor;

(d) State the name of the beneficiary;

(e) State the name and address of the person making the declaration;

(f) Except as otherwise provided in subsection 8, contain a statement of the following, whichever is applicable:

(1) That the obligation or debt secured by the deed of trust has been paid in full or otherwise satisfied and the current beneficiary of record cannot be located after diligent search or refuses to execute and deliver a proper request to reconvey the estate in real property conveyed to the trustee by the grantor, as required by NRS 107.077; or

(2) That a balance, including, without limitation, principal and interest, remains due on the debt secured by the deed of trust and the trustor or the trustor's successor in interest cannot locate after diligent search the current beneficiary of record;

(g) Contain a statement that the declarant has mailed by certified mail, return receipt requested, to the last known address of the person to whom payments under the deed of trust were made and to the last beneficiary of record at the address indicated for such beneficiary on the instrument creating, assigning or conveying the deed of trust, a notice of the recording of the surety bond and declaration pursuant to this section, of the name and address of the trustee, of the beneficiary's right to record a written objection to the reconveyance of the deed of trust pursuant to this section and of the requirement to notify the trustee in writing of any such objection; and

(h) Contain the date of the mailing of any notice pursuant to this section and the name and address of each person to whom such a notice was mailed.

4. Not earlier than 30 days after the recording of the surety bond and declaration pursuant to subsections 1, 2 and 3, delivery to the trustee of the fees charged by the trustee for the preparation, execution or recordation of a reconveyance pursuant to subsection 7 of NRS 107.077, plus costs incurred by the trustee, and a demand for reconveyance under NRS 107.077, the trustee shall execute and record or cause to be recorded a reconveyance of the deed of trust pursuant to NRS 107.077, unless the

trustee has received a written objection to the reconveyance of the deed of trust from the beneficiary of record within 30 days after the recording of the surety bond and declaration pursuant to subsections 1, 2 and 3. The recording of a reconveyance pursuant to this subsection has the same effect as a reconveyance of the deed of trust pursuant to NRS 107.077 and releases the lien of the deed of trust. A trustee is not liable to any person for the execution and recording of a reconveyance pursuant to this section if the trustee acted in reliance upon the substantial compliance with this section by the trustor or the trustor's successor in interest. The sole remedy for a person damaged by the reconveyance of a deed of trust pursuant to this section is an action for damages against the trustor or the person making the declaration described in subsection 3 or an action against the surety bond.

5. Upon the recording of a reconveyance of the deed of trust pursuant to subsection 4, interest no longer accrues on any balance remaining due under the obligation or debt secured by the deed of trust to the extent that the balance due has been stated in the declaration described in subsection 3. Notwithstanding any provision of chapter 120A of NRS, any amount of the balance remaining due under the obligation or debt secured by the deed of trust, including, without limitation, principal and interest, which is remitted to the issuer of the surety bond described in subsection 2 in connection with the issuance of that surety bond must, if unclaimed within 3 years after remittance, be property that is presumed abandoned for the purposes of chapter 120A of NRS. From the date on which the amount is paid or delivered to the Administrator of Unclaimed Property pursuant to NRS 120A.570, the issuer of the surety bond is relieved of any liability to pay to the beneficiary or his or her heirs or successors in interest the amount paid or delivered to the Administrator.

6. Any failure to comply with the provisions of this section does not affect the rights of a bona fide purchaser or encumbrancer for value.

7. This section shall not be deemed to create an exclusive procedure for the reconveyance of a deed of trust and the issuance of surety bonds and declarations to release the lien of a deed of trust, and shall not affect any other procedures, whether or not such procedures are set forth in statute, for the reconveyance of a deed of trust and the issuance of surety bonds and declaration to release the lien of a deed of trust.

8. For the purposes of this section, the trustor or the trustor's successor in interest may substitute the current trustee of record without conferring any duties upon that trustee other than duties which are incidental to the execution of a reconveyance pursuant to this section, if:

(a) The debt or obligation secured by a deed of trust has been paid in full or otherwise satisfied;

(b) The current trustee of record and the current beneficiary of record cannot be located after diligent search as described in subsection 9;

(c) The declaration filed pursuant to subsection 3:

(1) In addition to the information required to be stated in the declaration pursuant to subsection 3, states that the current trustee of record and the current beneficiary of record cannot be located after diligent search; and

(2) In lieu of the statement required by paragraph (f) of subsection 3, contains a statement that the obligation or debt secured by the deed of trust has been paid in full or otherwise satisfied and the current beneficiary of record cannot be located after diligent search or refuses to execute and deliver a proper request to reconvey the estate in real property conveyed to the trustee by the grantor, as required by NRS 107.077;

(d) The substitute trustee is a title insurer that agrees to accept the substitution, except that this paragraph does not impose a duty on a title insurer to accept the substitution; and

(e) The surety bond required by this section is for a period of not less than 5 years.

9. For the purposes of subsection 1, a diligent search has been conducted if:

(a) A notice stating the intent to record a surety bond and declaration pursuant to this section, the name and address of the trustee, the beneficiary's right to record a written objection to the reconveyance of the deed of trust pursuant to this section and the requirement to notify the trustee in writing of any such objection, has been mailed by certified mail, return receipt requested, to the last known address of the person to whom payments under the deed of trust were made and to the last beneficiary of record at the address indicated for such beneficiary on the instrument creating, assigning or conveying the deed of trust.

(b) A search has been conducted of the telephone directory in the city where the beneficiary of record or trustee of record, whichever is applicable, maintained its last known address or place of business.

(c) If the beneficiary of record or the beneficiary's successor in interest, or the trustee of record or the trustee's successor in interest, whichever is applicable, is a business entity, a search has been conducted of the records of the Secretary of State and the records of the agency or officer of the state of organization of the beneficiary, trustee or successor, if known.

(d) If the beneficiary of record or trustee of record is a state or national bank or state or federal savings and loan association, an inquiry concerning the location of the beneficiary or trustee has been made to the regulator of the bank or savings and loan association.

10. As used in this section:

(a) "Surety" means a corporation authorized to transact surety business in this State pursuant to NRS 679A.030 that:

(1) Is included in the United States Department of the Treasury's Listing of Approved Sureties; and

(2) Issues a surety bond pursuant to this section that does not exceed the underwriting limitations established for that surety by the United States Department of the Treasury.

(b) "Surety bond" means a bond issued by a surety for the reconveyance of a deed of trust pursuant to this section.

Sec. 3.5. **NRS 111.180 is hereby amended to read as follows:**

111.180 ***1. Any purchaser who purchases an estate or interest in any real property in good faith and for valuable consideration and who does not have actual knowledge, constructive notice of, or reasonable cause to know that there exists a defect in, or adverse rights, title or interest to, the real property is a bona fide purchaser.***

2. No ~~[such]~~ conveyance ~~[,]~~ ***of an estate or interest in real property,*** or charge ~~[,]~~ ***upon real property,*** shall be deemed fraudulent in favor of a ~~[subsequent]~~ ***bona fide*** purchaser ~~[who shall have legal notice thereof at the time of the purchase by the subsequent purchaser,]~~ unless it ~~[shall appear]~~ ***appears*** that the ~~[grantee]~~ ***subsequent purchaser*** in such conveyance, or person to be benefited by such charge, ~~[was privy to]~~ ***had actual knowledge, constructive notice or reasonable cause to know of*** the fraud intended.

THE ONE HUNDRED AND SEVENTH DAY

CARSON CITY (Tuesday), May 21, 2013

Assembly called to order at 1:12 p.m.

Madam Speaker presiding.

Roll called.

All present except Assemblymen Horne, Pierce, and Woodbury, who were excused.

Prayer by the Chaplain, Pastor Albert Tilstra.

Keep strong our faith in the power of prayer as we unite our petitions in this sacred moment. We have asked for Your guidance in difficult decisions many times; they have not been answered in the way we had hoped. Many of the situations and relationships which we have asked You to change have remained the same.

Forgive us for thinking, therefore, that You are unwilling to help us in our dilemmas or that there is nothing You can do. Remind us, O' God, that when we plug in an electric iron and it fails to work, we do not conclude that electricity has lost its power nor do we plead with the iron. We look at once to the wiring to find what has broken or blocked the connection with the source of power.

May we do the same with ourselves, that You can work through us to do Your will.

This we ask in the Name of the One who is all powerful.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Frierson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Senate Majority Leader

MARILYN K. KIRKPATRICK
Speaker of the Assembly

By Assemblywoman Kirkpatrick:

Assembly Joint Resolution No. 9—Proposing to amend the Nevada Constitution to ensure access to affordable health care in an emergency to all persons in this State.

WHEREAS, The charges for health care services rendered as a result of an emergency are often exorbitant; and

WHEREAS, Persons who are not indigent but who do not have health insurance or are underinsured are often made to pay highly inflated prices for health care services received as a result of an emergency; and

WHEREAS, Such exorbitant pricing discourages persons from seeking necessary care and can be devastating financially to those who do seek such care; and

WHEREAS, It is of the utmost importance that all persons in this State have access to affordable health care services when needed as a result of an emergency; and

WHEREAS, It is unconscionable for hospitals to charge inflated rates for health care services provided as a result of an emergency to middle and lower income persons to subsidize the lower rates paid by public and private insurers; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 17, be added to Article 15 of the Nevada Constitution to read as follows:

Sec. 17. 1. No hospital shall deny treatment or services to a person who arrives at the emergency department of the hospital as a result of an emergency, regardless of whether the person has health insurance and regardless of the ability of the person to pay for such services.

2. The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 607.

AN ACT relating to persons with disabilities; restricting the ~~[devices]~~ **terms** of certain agreements relating to vending stands established by the Bureau of Services to Persons Who Are Blind or Visually Impaired of the Rehabilitation Division of the Department of Employment, Training and Rehabilitation; authorizing such agreements to provide for the recovery by certain persons and entities of increases in utility costs or other expenses resulting from the operation of such vending stands; **revising provisions governing the Business Enterprise Account for Persons Who Are Blind;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Bureau of Services to Persons Who Are Blind or Visually Impaired of the Rehabilitation Division of the Department of Employment, Training and Rehabilitation is required to establish, where

suitable, vending stands in property owned, leased or occupied by the State or any of its political subdivisions, with certain exceptions, with the consent of the state or local governmental department or agency charged with maintaining the building or property. (NRS 277A.320, 426.640, 426.670) Similar agreements for the establishment of vending stands in a privately owned building are authorized between the Bureau and the private building owner. (NRS 426.685)

Sections 1 and 2 of this bill prohibit a private building owner or governmental agency that owns or controls a building or property in or on which a vending stand is established from requiring the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. An example of such a prohibited fee or assessment is a fee for the maintenance of landscaping or a common area. **Sections 1 and 2** authorize such a private building owner or governmental agency to enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct, measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand. Any conflicting provision in any contract or other agreement relating to such a vending stand is declared to be void. **Section 3** of this bill exempts any contract or other agreement relating to a vending stand in force on the effective date of this bill between the Bureau or a licensee and the owner of a private building in which the vending stand is established from the provisions of **section 2** during the current term of the contract or other agreement.

Existing law establishes the Business Enterprise Account for Persons Who Are Blind and provides that if the Account is dissolved, any money remaining in the Account reverts to the State General Fund. (NRS 426.675) Section 1.5 of this bill provides, instead, that if the Account is dissolved or the Vending Stand Program is terminated, the Administrator of the Rehabilitation Division shall, within 60 days: (1) provide an accounting of the money remaining in the Account to all licensed vending stand operators; and (2) distribute to each such operator his or her proportionate share of that money. Section 1.5 also requires the Division to adopt regulations to carry out those provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 426.670 is hereby amended to read as follows:

426.670 1. The Bureau shall:

(a) Make surveys of public buildings or properties to determine their suitability as locations for vending stands to be operated by persons who are

blind and advise the heads of departments or agencies charged with the maintenance of the buildings or properties of its findings.

(b) With the consent of the respective heads of departments or agencies charged with the maintenance of the buildings or properties, establish vending stands in those locations which the Bureau has determined to be suitable. ~~[The]~~ ***Except as otherwise provided in subsection 4, the*** Bureau may enter into leases ***,*** ~~[or]~~ licensing agreements ***or other contracts or agreements*** therefor.

(c) Select, train, license and assign qualified persons who are blind to manage or operate vending stands or do both.

(d) Except as otherwise provided in this paragraph, execute contracts or agreements with persons who are blind to manage or operate vending stands or do both. The agreements may concern finances, management, operation and other matters concerning the stands. The Bureau shall not execute a contract or agreement which obligates the Bureau, under any circumstances, to make payments on a loan to a person who is blind.

(e) When the Bureau deems such action appropriate, impose and collect license fees for the privilege of operating vending stands.

(f) Establish and effectuate such regulations as it may deem necessary to ensure the proper and satisfactory operation of vending stands. The regulations must provide a method for setting aside money from the revenues of vending stands and provide for the payment and collection thereof.

2. The Bureau may enter into contracts with vendors for the establishment and operation of vending stands. These contracts must include provisions for the payment of commissions to the Bureau based on revenues from the vending stands. The Bureau may assign the commissions to licensed operators for the maintenance of their incomes.

3. The Bureau may, by regulation, provide:

(a) Methods for recovering the cost of establishing vending stands.

(b) Penalties for failing to file reports or make payments required by NRS 426.630 to 426.720, inclusive, or a regulation adopted pursuant to those sections when they are due.

4. A department or agency that has care, custody and control of a public building or property in or on which a vending stand is established:

(a) Shall not require the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. Such a prohibited fee or assessment includes, without limitation, a fee for the maintenance of landscaping or a common area.

(b) May enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct,

measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand.

➥ Any provision in a lease, licensing agreement, contract or other agreement relating to a vending stand established pursuant to this section that conflicts with this subsection is void.

Sec. 1.5. **NRS 426.675 is hereby amended to read as follows:**

426.675 1. The Business Enterprise Account for Persons Who Are Blind is hereby created within the State General Fund and must be managed by the Administrator of the Division.

2. Money received by the Bureau under the provisions of NRS 426.670, except commissions assigned to licensed vending stand operators, must:

(a) Be deposited in the Business Enterprise Account for Persons Who Are Blind.

(b) Except as otherwise provided in subsection 4, remain in the Account and not revert to the State General Fund.

(c) Be used for:

(1) Purchasing, maintaining or replacing vending stands or the equipment therein;

(2) Maintaining a stock of equipment, parts, accessories and merchandise used or planned for use in the Vending Stand Program; and

(3) Other purposes, consistent with NRS 426.640, as may be provided by regulation.

3. Purchases made pursuant to paragraph (c) of subsection 2 are exempt from the provisions of the State Purchasing Act at the discretion of the Administrator of the Purchasing Division of the Department of Administration or his or her designated representative, but the Bureau shall:

(a) Maintain current inventory records of all equipment, parts, accessories and merchandise charged to the Business Enterprise Account for Persons Who Are Blind;

(b) Conduct a periodic physical count of all such equipment, parts, accessories and merchandise; and

(c) Reconcile the results of the periodic physical count with the inventory records and cash balance in the Account.

4. If the Business Enterprise Account for Persons Who Are Blind is dissolved ~~[, any money remaining therein reverts to the State General Fund.]~~ ***or the Vending Stand Program is terminated, the Administrator of the Division shall, within 60 days after the dissolution or termination:***

(a) Provide an accounting of the money remaining in the Account to all licensed vending stand operators; and

(b) Distribute any money remaining in the Account to each such operator in the same proportion as the money deposited in the Account and

attributable to that operator bears to all the money remaining in the Account.

➥ The Division shall, in consultation with the Nevada Committee of Blind Vendors or its successor organization, adopt regulations to carry out the provisions of this subsection.

5. Money from any source which may lawfully be used for the Vending Stand Program may be transferred or deposited by the Bureau to the Business Enterprise Account for Persons Who Are Blind.

6. The interest and income earned on the money in the Business Enterprise Account for Persons Who Are Blind, after deducting any applicable charges, must be credited to the Account.

Sec. 2. NRS 426.685 is hereby amended to read as follows:

426.685 ***1.*** The Bureau may establish vending stands in privately owned buildings, if the building owner in each instance consents and enters into ~~[an]~~ ***a contract or other*** agreement approved by the Bureau.

2. The owner of a building in which a vending stand is established pursuant to subsection 1:

(a) Shall not require the Bureau or the operator of the vending stand to pay any rent, fee or assessment that is based on the square footage of the portion of the building or property where the vending stand is located. Such a prohibited fee or assessment includes, without limitation, a fee for the maintenance of landscaping or a common area.

(b) May enter into an agreement with the Bureau to recover the increases in utility costs or other expenses where there is a direct, measurable and proportional increase in such costs or expenses as a result of the operation of the vending stand.

➥ Any provision in a contract or other agreement relating to a vending stand established pursuant to subsection 1 that conflicts with this subsection is void.

Sec. 3. 1. The provisions of NRS 426.670, as amended by section 1 of this act, apply to any contract or other agreement relating to a vending stand entered into before, on or after the effective date of this act.

2. The provisions of NRS 426.685, as amended by section 2 of this act, do not apply to any contract or other agreement relating to a vending stand entered into before the effective date of this act during the current term of the contract or other agreement, but do apply to any extension or renewal of such a contract or other agreement and to any contract or other agreement entered into on or after the effective date of this act.

Any license tax levied for the purposes of NRS 244.3358 or 244A.597 to 244A.655, inclusive, constitutes a lien upon the real and personal property of the business upon which the tax was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced:

(1) The amount of tax due and the appropriate year;

Continuing disclosure may be so authorized under an agreement with the Department of Taxation or Secretary of State for the exchange of information concerning taxpayers.

An ordinance enacted pursuant to this section that creates an offense relating to bites of animals, vicious or dangerous animals, horse tripping or cruelty to animals must impose a criminal penalty for the offense. As used in this

subsection, "horse tripping" does not include tripping a horse to provide medical or other health care for the horse.

4. Each board of county commissioners shall enact an ordinance setting forth the manner in which a person may apply for the issuance of a permit specified in subparagraph (2) of paragraph (b) of subsection 5 of NRS 574.100. Senate Bill No. 179.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 731.

AN ACT relating to public safety; enhancing the penalty for certain traffic violations which occur in school zones or school crossing zones; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to pedestrians and crosswalks; ~~[authorizing the imposition by a court of mandatory attendance in a pedestrian, bicycle and traffic safety course for the driver of a vehicle found guilty of certain traffic violations;]~~ providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a driver who is convicted of a violation of a speed limit or of certain other traffic violations is subject to a doubling of the penalty if the violation occurs in a highway construction zone when workers are present. (NRS 484B.130) Existing law also provides that certain maximum speeds are in effect in school zones and school crossing zones at certain times. (NRS 484B.363) **Sections 2 and 24** of this bill provide that a driver is subject to a doubling of the penalty for a violation of a speed limit or of certain other traffic violations if the violation occurs in a school zone or a school crossing zone at a time when the statutory speed limits for such zones are in effect. **Section 24** also makes it unlawful for a driver to make a U-turn

or pass another vehicle in a school zone or a school crossing zone when the school speed limit is in effect. Finally, **section 24** requires that the sign posted to mark the beginning of each school zone and school crossing zone newly include a designation that fines may be higher when the speed limit is in effect.

Section 1 of this bill authorizes the governing body of a local government or the Department of Transportation to designate pedestrian safety zones on a highway if certain findings are made. **Section 1** also provides that a person who is convicted of a violation of a speed limit or of certain other violations is subject to a doubling of the penalty if the violation occurs in a pedestrian safety zone. **Sections 3-13, 17, 18, 20-22, 25-28 and 30-32** of this bill make conforming changes to indicate the possibility of the enhanced penalty.

Existing law requires the driver of a vehicle to yield the right-of-way to a pedestrian in a crosswalk under certain circumstances when the pedestrian is on the half of the highway upon which the vehicle is traveling, and when a pedestrian is lawfully in a crosswalk or intersection that is controlled by traffic lights. (NRS 484B.283, 484B.307) **Section 15** of this bill requires a driver to stop for such a pedestrian, specifies that the requirement applies to both marked and unmarked crosswalks, expands the requirement to when a pedestrian is within one lane of the half of the highway upon which the vehicle is traveling and defines the term "half of the highway" to mean the entire width of all the traffic lanes which convey traffic in the same direction, including any paved shoulder. ~~[Section 15 also authorizes a court, upon the conviction of the driver of a motor vehicle for violating certain crosswalk requirements, to order the driver to attend a course of pedestrian, bicycle and traffic safety and to lower the amount of any fine imposed if the person attends such a course. Section 15 further provides that a person who resides more than 50 miles from the nearest location where such a course is offered may be exempted from attending the course.]~~ **Section 19** of this bill requires a driver to stop for a pedestrian who is lawfully in a crosswalk or an intersection that is controlled by traffic lights.

Existing law requires a pedestrian to yield the right-of-way to vehicles when the pedestrian is crossing a highway outside of a marked or unmarked crosswalk, and when crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided. Existing law also prohibits a pedestrian from crossing a highway outside of a marked crosswalk when the pedestrian is between adjacent intersections at which traffic-control devices are in operation. (NRS 484B.287) **Section 16** of this bill eliminates the requirement for a pedestrian to yield the right-of-way to vehicles when crossing where a pedestrian tunnel or overhead pedestrian crossing has been provided. ~~[Section 16 also revises the prohibition on a pedestrian crossing outside of a marked crosswalk between adjacent~~

~~intersections to forbid a pedestrian from crossing outside of a marked or unmarked crosswalk if the pedestrian is within 250 feet of a marked or unmarked crosswalk, unless the pedestrian is crossing certain streets in a residential area.]~~ **Section 16** also requires a pedestrian to cross a highway at a right angle to the edge of the highway or, when a right angle is not possible or practicable, by the shortest route to the opposite side.

~~[Existing law provides that driving a vehicle in willful or wanton disregard of the safety of persons or property constitutes reckless driving, and provides for the imposition of certain fines and terms of imprisonment on a driver who is found guilty of reckless driving. (NRS 484B.653) Section 29 of this bill authorizes a court to order a driver found guilty of reckless driving under certain circumstances to, in addition to the required fine or term of imprisonment, attend a course of pedestrian, bicycle and traffic safety if the reckless driving involved the safety of pedestrians or persons riding bicycles. Section 29 further provides that a person who resides more than 50 miles from the nearest location where such a course is offered may be exempted from attending the course.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsections 2 and 4, a person who is convicted of a violation of a speed limit, or of NRS 484B.150, 484B.163, 484B.165, 484B.200 to 484B.217, inclusive, 484B.223, 484B.227, 484B.280, 484B.283, 484B.287, 484B.300, 484B.303, 484B.307, 484B.317, 484B.320, 484B.327, 484B.403, 484B.600, 484B.603, 484B.650, 484B.653, 484B.657, 484C.110 or 484C.120, that occurred in an area designated as a pedestrian safety zone shall be punished by imprisonment or by a fine, or both, for a term or an amount equal to and in addition to the term of imprisonment or amount of the fine, or both, that the court imposes for the primary offense. 5. The governing body of a local government or the Department of Transportation may designate a pedestrian safety zone on a highway if the governing body or the Department of Transportation:

(a) Makes findings as to the necessity and appropriateness of a pedestrian safety zone, including, without limitation, circumstances on or near a highway which make an area of the highway dangerous for pedestrians; and

484B.213 1. A vehicle must not be driven to the left side of the center of a two-lane, two-directional highway and overtaking and passing another vehicle proceeding in the same direction, unless such left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such overtaking and passing to be completely made without interfering with the safe operation of any vehicle approaching from the opposite direction or any vehicle overtaken.

2. A vehicle must not be driven to the left side of the highway at any time:

(a) When approaching the crest of a grade or upon a curve in the highway where the driver's view is obstructed within such distance as to create a hazard in the event another vehicle might approach from the opposite direction.

(b) When approaching within 100 feet or traversing any intersection or railroad grade crossing.

(c) When the view is obstructed upon approaching within 100 feet of any bridge, viaduct or tunnel.

3. Subsection 2 does not apply upon a one-way highway.

Sec. 11. NRS 484B.217 is hereby amended to read as follows:

484B.217 1. The Department of Transportation with respect to highways constructed under the authority of chapter 408 of NRS, and local authorities with respect to highways under their jurisdiction, may determine those zones of highways where overtaking and passing to the left or making a left-hand turn would be hazardous, and may by the erection of official traffic-

control devices indicate such zones. When such devices are in place and clearly visible to an ordinarily observant person, every driver of a vehicle shall obey the directions thereof.

2. Except as otherwise provided in subsections 3 and 4, a driver shall not drive on the left side of the highway within such zone or drive across or on the left side of any pavement striping designed to mark such zone throughout its length.

3. A driver may drive across a pavement striping marking such zone to an adjoining highway if the driver has first given the appropriate turn signal and there will be no impediment to oncoming or following traffic.

4. Except where otherwise provided, a driver may drive across a pavement striping marking such a zone to make a left-hand turn if the driver has first given the appropriate turn signal in compliance with NRS 484B.413, if it is safe and if it would not be an impediment to oncoming or following traffic.

5. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 12. NRS 484B.223 is hereby amended to read as follows:

484B.223 1. If a highway has two or more clearly marked lanes for traffic traveling in one direction, vehicles must:

(a) Be driven as nearly as practicable entirely within a single lane; and

(b) Not be moved from that lane until the driver has given the appropriate turn signal and ascertained that such movement can be made with safety.

2. Upon a highway which has been divided into three clearly marked lanes, a vehicle must not be driven in the extreme left lane at any time. A vehicle on such a highway must not be driven in the center lane except:

(a) When overtaking and passing another vehicle where the highway is clearly visible and the center lane is clear of traffic for a safe distance;

(b) In preparation for a left turn; or

(c) When the center lane is allocated exclusively to traffic moving in the direction in which the vehicle is proceeding and a sign is posted to give notice of such allocation.

3. If a highway has been designed to provide a single center lane to be used only for turning by traffic moving in both directions, the following rules apply:

(a) A vehicle may be driven in the center turn lane only for the purpose of making a left-hand turn onto or from the highway.

(b) A vehicle must not travel more than 200 feet in a center turn lane before making a left-hand turn from the highway.

(c) A vehicle must not travel more than 50 feet in a center turn lane after making a left-hand turn onto the highway before merging with traffic.

4. If a highway has been designed to provide a single right lane to be used only for turning, a vehicle must:

(a) Be driven in the right turn lane only for the purpose of making a right turn; and

(b) While being driven in the right turn lane, not travel through an intersection.

5. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 13. NRS 484B.227 is hereby amended to read as follows:

484B.227 1. Every vehicle driven upon a divided highway must be driven only upon the right-hand roadway and must not be driven over, across or within any dividing space, barrier or section or make any left turn, semicircular turn or U-turn, except through an opening in the barrier or dividing section or space or at a crossover or intersection established by a public authority.

2. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 14. NRS 484B.280 is hereby amended to read as follows:

484B.280 1. A driver of a motor vehicle shall:

(a) Exercise due care to avoid a collision with a pedestrian;

(b) Give an audible warning with the horn of the vehicle if appropriate and when necessary to avoid such a collision; and

(c) Exercise proper caution upon observing a pedestrian:

(1) On or near a highway, street or road;

(2) At or near a bus stop or bench, shelter or transit stop for passengers of public mass transportation or in the act of boarding a bus or other public transportation vehicle; or

(3) In or near a ***school zone or a*** school crossing zone marked in accordance with NRS 484B.363 or a marked or unmarked crosswalk ~~[.]~~ ***in accordance with NRS 484B.283.***

2. If, while violating any provision of this section, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 15. NRS 484B.283 is hereby amended to read as follows:

484B.283 1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:

(a) When official traffic-control ~~[devices]~~ ***signals*** are not in place or not in operation **,** the driver of a vehicle shall ~~[yield the right-of-way, slowing down~~

~~or stopping if need be so to yield, to~~] ***stop for*** a pedestrian crossing the highway within a ***marked or unmarked*** crosswalk when the pedestrian is upon ***or within one traffic lane of*** the half of the highway upon which the vehicle is traveling [~~, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.~~] ***or onto which the vehicle is about to turn.***

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to [~~yield.~~] ***stop.***

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk ***,*** [~~at an intersection,~~] the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words "Walk" or "Don't Walk" ***or symbols indicating "Walk" or "Don't Walk"*** are in place, such signals indicate as follows:

(1) While the "Walk" indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

(2) While the "Don't Walk" indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the "Walk" indication shall proceed to a sidewalk, or to a safety zone if one is provided.

(3) Whenever the word "Wait" still appears in a signal, the indication has the same meaning as assigned in this section to the "Don't Walk" indication.

(4) Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and "Walk" and "Don't Walk" indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the "Walk" indication is exhibited, and when signals and other official traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. ***The requirements of paragraph (a) of subsection 1 do not apply:***

(a) At a marked or unmarked crosswalk where the movement of traffic is being directed by a police officer; or

(b) Where otherwise prohibited by local ordinance or regulation.

3. [~~Except as otherwise provided in subsection 4, if the driver of a motor vehicle or a pedestrian violates paragraph (a) or (c) of subsection 1,~~

~~*the court may, in addition to any fine imposed, order the driver or pedestrian to attend, at the driver's or pedestrian's own expense, a course of pedestrian, bicycle and traffic safety approved by the Department. The court may lower the amount of any fine imposed if the driver or pedestrian attends such a course.*~~

~~*4. The driver of a motor vehicle or a pedestrian who violates paragraph (a) or (c) of subsection 1 may be exempted from attending a course of pedestrian, bicycle and traffic safety pursuant to subsection 3 if he or she lives more than 50 miles from the nearest location where such a course is offered.*~~

~~*5.]*~~ If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

~~*[6.]*~~ *4. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.*

~~*[7.]*~~ *5. For the purposes of this section, "half of the highway" means the entire width of all the traffic lanes which are conveying traffic in the same direction of travel, including any paved shoulder.*

Sec. 16. NRS 484B.287 is hereby amended to read as follows:

484B.287 ***1.*** Except as provided in NRS 484B.290:

~~[1.]~~ ***(a)*** Every pedestrian crossing a highway at any point other than within a marked crosswalk or within an unmarked crosswalk ~~[at an intersection]~~ shall yield the right-of-way to all vehicles upon the highway.

~~[2.]~~ ***(b)*** Any pedestrian crossing a highway ~~[at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the highway.~~

~~3. Between adjacent intersections at which official traffic control devices are in operation pedestrians shall not cross at any place except in a marked crosswalk.~~

~~4.]~~ ***shall cross at a right angle to the edge of the highway, or by the shortest route to the opposite side of the highway where a right angle is not possible or practicable except as otherwise provided in paragraphs*** ~~*[(c)]*~~ *(c)* ***and*** ~~*[(f).]*~~ *(d).*

(c) ~~*[Except as otherwise provided in this paragraph, a pedestrian who is within 250 feet of a marked crosswalk or an unmarked crosswalk shall not cross the highway outside of the marked or unmarked crosswalk. On a residential street, a pedestrian who is within 250 feet of a marked or an unmarked crosswalk may cross the residential street outside of the marked or unmarked crosswalk in accordance with paragraphs (a) and (b).*~~

~~*(d) A pedestrian who is more than 250 feet from a marked or unmarked crosswalk may cross a highway in accordance with paragraphs (a) and (b).*~~

~~*(e)]*~~ A pedestrian shall not cross an intersection diagonally unless authorized by official traffic-control devices.

~~[~~5.~~]~~ ~~*[(f)]*~~ ***(d)*** When authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic-control devices pertaining to such crossing movements.

2. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

~~*[3. As used in this section, "residential street" means a public highway where the posted speed limit is 25 miles per hour or less and that provides access to or is appurtenant to a residential area.]*~~

Sec. 17. NRS 484B.300 is hereby amended to read as follows:

484B.300 1. It is unlawful for any driver to disobey the instructions of any official traffic-control device placed in accordance with the provisions of chapters 484A to 484E, inclusive, of NRS, unless at the time otherwise directed by a police officer.

2. No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to ~~[~~the~~]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 18. NRS 484B.303 is hereby amended to read as follows:

484B.303 1. Whenever official traffic-control devices are erected indicating that no right or left turn is permitted, it is unlawful for any driver of a vehicle to disobey the directions of any such devices.

2. A person who violates any provision of this section may be subject to ~~[~~the~~]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 19. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word ***or symbol*** legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield the right-of-way to other vehicles and ~~[to]~~ ***stop for*** pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must ~~[yield the right-of-way to]~~ ***stop for*** pedestrians lawfully within an adjacent crosswalk and ***yield the right-of-way*** to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:

(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must ~~[yield the right-of-way to]~~ ***stop for*** pedestrians lawfully within the adjacent crosswalk and ***yield the right-of-way*** to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:

(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and ~~[to]~~ ***stop for*** pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:

(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. ***Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:***

(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at the same time. Such vehicular traffic must stop for pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:

(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as provided in paragraph (c), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-

way to the left, but must ~~[yield the right-of-way to]~~ ***stop for*** pedestrians and ***yield the right-of-way to*** other traffic proceeding as directed by the signal at the intersection.

(d) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

~~[8.]~~ ***9.*** Where the signal is a steady red with a green turn arrow:

(a) Vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must ~~[yield the right-of-way to]~~ ***stop for*** pedestrians lawfully within an adjacent crosswalk and ***yield the right-of-way*** to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

~~[9.]~~ ***10.*** If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

~~[10.]~~ ***11.*** Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:

(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.

(b) A red "X" symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

~~[11.]~~ ***12.*** A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:

(a) The red signal is exhibited; and

(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have "completely entered" an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

13. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 20. NRS 484B.317 is hereby amended to read as follows:

484B.317 1. A person shall not, without lawful authority, attempt to or alter, deface, injure, knock down or remove any official traffic-control device or any railroad sign or signal or any inscription, shield or insigne thereon, or any other part thereof.

2. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 21. NRS 484B.320 is hereby amended to read as follows:

484B.320 1. Except as otherwise provided in this section:

Sections 98 and 107 of this bill require the State Board of Cosmetology and the Board of Examiners for Long-Term Care Administrators, respectively, to refer complaints concerning matters within the jurisdiction of certain other licensing boards to the other licensing boards.

Existing law provides that notwithstanding any other provision requiring disclosure of information to the public pursuant to any proceeding by a state agency, board or commission with the authority to regulate certain occupations or professions, personal medical information or records of a patient are not required to be disclosed under certain circumstances. (NRS 622.310) **Section 1** of this bill extends this protection from disclosure to any personal identifying information of a person alleged to have been injured by any act of another person for which a license, certificate or permit is required to be issued by a licensing board, and specifically requires such information to be kept confidential by the licensing board in whose possession the information is held.

If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to the supervisory head of the public officer's or employee's organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.

2. The provisions of subsection 1 do not require a public officer to disclose:

(a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or

(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer's situation would be materially affected by:

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors ~~[.~~

5. 6. The provisions of this section do not, under any circumstances:

(b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

281A.440 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances within 45 days after receiving a request, on a form prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of the requester's own past, present or future conduct as ~~[an]~~ ***a public*** officer or employee, unless the public officer or employee waives the time limit. The public officer or employee may also request the Commission to hold a public hearing regarding the requested opinion. (a) Binding upon the requester as to the requester's future conduct; and

(b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

7. The provisions of this chapter do not abrogate or decrease the effect of the provisions of the Nevada Revised Statutes which define crimes or prescribe punishments with respect to the conduct of public officers or employees. Remarks by Assemblyman Ohrenschall.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 246.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 781.

AN ACT relating to campaign practices; amending the definition of "committee for political action" to include certain organizations and entities that receive contributions or make expenditures in excess of certain amounts for the purpose of affecting an election **_[,]_** **or ballot question;** requiring such organizations and entities to register as committees for political action **_[,]_** **and report certain information; clarifying that political parties and committees sponsored by political parties are not committees for political action;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Nevada's elections laws require major and minor political parties and committees sponsored by those political parties to report certain information regarding campaign contributions and expenditures. Nevada's elections laws also require committees for political action to report certain information regarding campaign contributions and expenditures. (Chapter 294A of NRS)

Section 1 of this bill **clarifies that major and minor political parties and committees sponsored by those political parties are not committees for political action under Nevada's elections laws to ensure that there is no**

conflict between the provisions governing major and minor political parties and committees sponsored by those political parties and the provisions governing committees for political action. (NRS 294A.0055)

Section 1 also revises the definition of "committee for political action" to include any business or social organization, corporation, partnership, association, trust, unincorporated organization or labor union that: (1) has as its primary purpose affecting the outcome of ~~[an]~~ **any** election **or ballot question** and for that purpose receives in excess of $1,500 in contributions or makes expenditures in excess of $1,500 in a calendar year; or (2) does not have as its primary purpose affecting the outcome of ~~[an]~~ **any** election **or ballot question** but for that purpose receives in excess of $5,000 in contributions or makes expenditures in excess of $5,000 in a calendar year. **(NRS 294A.0055)**

Section 2 of this bill requires all such organizations and entities to register with the Secretary of State not later than 7 calendar days after qualifying as a committee for political action **~~[.]~~ and to thereafter comply with the reporting requirements regarding campaign contributions and expenditures. However, if the organization or entity does not have as its primary purpose affecting the outcome of any election or ballot question, it must report only those contributions received for the purpose of affecting the outcome of any election or ballot question. (NRS 294A.230)**

The provisions of this bill requiring such organizations and entities to register with the Secretary of State as committees for political action and comply with campaign reporting requirements are modeled on statutes enacted by the State of Maine. (Me. Rev. Stat. Ann. tit. 21-A, §§ 1051-1063) The Maine statutes and similar statutes from other jurisdictions have been upheld as constitutionally valid elections laws because they promote an informed electorate by providing voters with pertinent and valuable information about organizations and entities that finance and disseminate elections-related speech. Legislative Counsel's Digest:

Under existing law, a peace officer must be certified by the Peace Officers' Standards and Training Commission within 1 year after beginning employment as a peace officer, unless an extension is granted. (NRS 289.550) In a county that does not have a metropolitan police department or whose population is less than 100,000 (currently counties other than Clark and Washoe Counties), a deputy sheriff who has completed a 12-month probationary period may be terminated from employment only for cause. (NRS 248.040, 248.045) In this context, ~~[for these smaller counties,]~~ this bill provides that **, in a county whose population is less than 45,000 (currently Churchill, Esmeralda, Eureka, Humboldt, Lander, Lincoln, Mineral, Nye, Pershing, Storey and White Pine Counties),** "cause" includes a deputy's failure to become certified by the Peace Officers' Standards and Training Commission within the required time, the loss of that certification or the deputy's failure to maintain a valid driver's license.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 248.040 is hereby amended to read as follows:

248.040 1. Except as provided in NRS 248.045, each sheriff may:

(a) Appoint, in writing signed by him or her, one or more deputies, who may perform all the duties devolving on the sheriff of the county and such other duties as the sheriff may from time to time direct. The appointment of a deputy sheriff must not be construed to confer upon that deputy

policymaking authority for the office of the sheriff or the county by which the deputy sheriff is employed.

(b) Except as otherwise provided in this paragraph, only remove a deputy who has completed a probationary period of 12 months for cause. A deputy who functions as the head of a department or an administrative employee or who has not completed the probationary period may be removed at the sheriff's pleasure. ***[As used in this paragraph,]***

The oath, together with the written appointment, must be recorded in the office of the recorder of the county within which the sheriff legally holds and exercises office. Revocations of such appointments must be recorded as provided in this subsection. From the time of the recording of the appointments or revocations therein, persons shall be deemed to have notice of the appointments or revocations.

[3.] 4. The sheriff may require of his or her deputies such bonds as to the sheriff seem proper.

Sec. 2. This act becomes effective on July 1, 2013.

Assemblywoman Benitez-Thompson moved the adoption of the amendment.

Remarks by Assemblywoman Benitez-Thompson.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 301.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 711.

AN ACT relating to taxation; requiring a county treasurer to assign a tax lien against a parcel of real property located within the county if an assignment is authorized by an agreement between the owner of the property

and the assignee; requiring the county treasurer to issue a certificate of assignment for each tax lien assigned; authorizing the assignee of a tax lien to commence an action against the property owner for the collection of the delinquent taxes, penalties, interest, fees and costs or to pursue any other remedy authorized by the agreement with the owner; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a county treasurer to sell a tax lien against a parcel of real property upon which taxes have become delinquent. The consent of the owner of the property is not a prerequisite to such a sale. (NRS 361.731-361.733) This bill amends those provisions to delete references to the sale of a tax lien and to require that the county treasurer assign a tax lien if the property owner and the assignee enter into a written agreement that so provides and the assignee pays to the county treasurer an amount equal to the delinquent taxes and accrued penalties, interest, fees and costs. **Section 4** of this bill sets forth the mandatory and permissible terms of such an agreement. **Sections 5-10** of this bill revise various provisions relating to delinquent taxes and the collection of such taxes to add references to the assignee of a tax lien, and to provide for an action by the assignee against the owner to recover delinquent taxes, penalties, interest, fees and costs. **Sections 11-19** of this bill amend existing provisions governing the sale of a tax lien to provide for the assignment of the lien and the respective rights and duties of the county treasurer, the owner of the property and the assignee. **Section 21** of this bill authorizes an assignee to bring an action against the owner for the recovery of delinquent taxes, penalties, interest, fees and costs, or to pursue any other remedy authorized by the assignee's agreement with the owner.

Existing law imposes certain limitations on the enforcement of any right secured by a mortgage or other lien upon real estate. (NRS 40.430) **Section 22** of this bill provides that these limitations are not applicable to any action, described above, brought by an assignee against an owner to recover delinquent taxes or brought pursuant to an agreement between the assignee and the owner.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 361 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***As used in this section and NRS 361.731 to 361.733, inclusive, and sections 3 and 4 of this act, unless the context otherwise requires, the words and terms defined in NRS 361.731 and section 3 of this act have the meanings ascribed to them in those sections.***

Sec. 3. ***"Assignee" means a person:***

1. To whom an assignment of a tax lien is authorized pursuant to this section and NRS 361.731 to 361.733, inclusive, and sections 2 and 4 of this act; or

5. A county treasurer shall take a certificate issued to him or her pursuant to this section. The county treasurer may cause the certificate to be recorded in the office of the county recorder against each property described in the certificate to provide constructive notice of the amount of delinquent taxes on each property respectively. The certificate reflects the amount of delinquent taxes, penalties, interest and costs due on the properties described in the certificate on the date on which the certificate was recorded, and the certificate need not be amended subsequently to indicate additional taxes, penalties, interest and costs assessed and accrued or the repayment of any of those delinquent amounts. The recording of the certificate does not affect the statutory lien for taxes provided in NRS 361.450.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Existing law also provides for a judicial foreclosure action under certain circumstances for the recovery of any debt or for the enforcement of any right secured by a mortgage or other lien upon real estate. (NRS 40.430) **Sections 2-16** of this bill establish additional ~~[restrictions on the exercise of the trustee's power of sale and the judicial]~~ **requirements for the** foreclosure ~~[which apply only to a residential mortgage loan secured by]~~ **of** owner-occupied housing ~~[.]~~ **securing a residential mortgage loan.** Under **section 7.5** of this bill, these additional restrictions do not apply to a ~~[credit union]~~ **financial institution** that, during its immediately preceding annual reporting period, as established with its primary regulator, has foreclosed on 100 or fewer owner-occupied homes located in this State. Under **section 30** of this bill, these additional restrictions apply only to a notice of default and election to sell which is recorded on or after October 1, 2013.

Section 10 of this bill provides that at least 30 **calendar** days before recording a notice of default and election to sell or commencing a judicial foreclosure action and at least 30 **calendar** days after the borrower's default, the mortgage servicer, mortgagee or beneficiary of the deed of trust must provide to the borrower certain information concerning the borrower's account, the foreclosure prevention alternatives offered by the mortgage servicer, mortgagee or beneficiary and a statement of the facts supporting the right of the mortgagee or beneficiary to foreclose. **Section 11** of this bill prohibits the recording of a notice of default and election to sell or the commencement of a judicial foreclosure action **involving a failure to make payment** until the mortgage servicer complies with certain requirements regarding contact with, or attempts to contact, the borrower. **Section 13** of this bill prohibits the practice commonly known as "dual-tracking" by prohibiting a mortgage servicer, trustee, mortgagee or beneficiary of a deed of trust from continuing the foreclosure process while an application for a foreclosure prevention alternative is pending or while the borrower is current on his or her obligation under a foreclosure prevention alternative. **Section 14** of this bill requires a mortgage servicer to provide a single point of contact for a borrower who requests a foreclosure prevention alternative. **Section 15** of this bill requires that under certain circumstances, a mortgage servicer, mortgagee or beneficiary of a deed of trust must ~~[cause to be dismissed]~~ **dismiss** a judicial foreclosure action or ~~[cause to be withdrawn any]~~ **rescind a** recorded notice of default and election or notice of sale. **Section 16** of this bill provides for certain civil remedies for a material violation of the provisions of **sections 2-16**.

Section 18 of this bill provides that ~~[a defendant]~~ in a judicial foreclosure action concerning owner-occupied property **, the mortgagor** may elect to participate in the Foreclosure Mediation Program.

Senate Bill No. 373.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 748.

AN ACT relating to judgments; authorizing a court to issue an order permitting a judgment debtor to pay a judgment in installments under certain circumstances; increasing the percentage of a judgment debtor's disposable earnings which is exempt from execution under certain circumstances; authorizing a judgment debtor who is a resident of this State to bring a civil action in certain circumstances against a judgment creditor who obtains a writ of garnishment without domesticating a foreign judgment; revising provisions relating to the exemption of annuity benefits from certain claims of the annuitant's creditors; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes a court to allow a person who has had a judgment for the payment of money entered against him or her to pay the judgment in installments from income or property that is not exempt from execution if the court determines that the defendant is unable to pay the judgment.

Existing law provides that 75 percent of a judgment debtor's disposable earnings for any workweek are exempt from execution. (NRS 21.025, 21.075, 21.090, 31.045, 31.295) **Sections 2-4 and 6, 8 and 9** of this bill increase the exemption to 85 percent of a judgment debtor's disposable earnings for any workweek if the gross annual salary or wage of the debtor is ~~[~~$50,000~~]~~ **$40,000** or less.

Existing law requires a judgment creditor who seeks to enforce a foreign judgment in this State to domesticate the foreign judgment by filing a copy of the foreign judgment with the clerk of any district court of this State. (NRS 17.330-17.400) **Section 5** of this bill authorizes a judgment debtor who is a resident of this State to bring a civil action against a judgment creditor who, without domesticating a foreign judgment, garnishes a bank account or any other personal property maintained by the judgment debtor at a branch of a financial institution located in this State or the earnings of the judgment debtor from employment in this State.

Existing law exempts annuity benefits from certain claims of the annuitant's creditors under certain circumstances. (NRS 687B.290) **Section 10** of this bill subjects certain amounts of annuity benefits to execution by certain creditors of the annuitant.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk an executed claim of exemption. A copy of the claim of exemption must be served upon the sheriff, the garnishee and the judgment creditor within 10 days after the notice of execution or garnishment is served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be released by the garnishee or the sheriff within 9 judicial days after you serve the claim of exemption upon the sheriff, garnishee and judgment creditor, unless the sheriff or garnishee receives a copy of an objection to the claim of exemption and a notice for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 judicial days

after the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. The hearing must be held within 7 judicial days after the objection to the claim of exemption and notice for a hearing is filed. You may be able to have your property released more quickly if you mail to the judgment creditor or the attorney of the judgment creditor written proof that the property is exempt. Such proof may include, without limitation, a letter from the government, an annual statement from a pension fund, receipts for payment, copies of checks, records from financial institutions or any other document which demonstrates that the money in your account is exempt.

IF YOU DO NOT FILE THE EXECUTED CLAIM OF EXEMPTION WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.

Answer:.....

Are you an employer of one or all of the defendants? If so, state the length of your pay period and the amount of disposable earnings, as

defined in NRS 31.295, that each defendant presently earns during a pay period. State the minimum amount of disposable earnings that is exempt from this garnishment, which is the federal minimum hourly wage prescribed by section 6(a)(1) of the federal Fair Labor Standards Act of 1938, 29 U.S.C. § 206(a)(1), in effect at the time the earnings are payable multiplied by 50 for each week of the pay period, after deducting any amount required by law to be withheld.

Calculate the garnishable amount as follows:

[A] Weekly:__[B]Biweekly: __ [C] Semimonthly: __ [D] Monthly: __

(1) Gross Earnings $.....

(2) Deductions required by law (not including child support) $.....

(3) Disposable Earnings [Subtract line 2 from line 1] $.....

(6) Complete the following directions in accordance with the letter selected above:

[A] Multiply line 5 by 1 $.....

[B] Multiply line 5 by 2 $.....

[C] Multiply line 5 by 52 and then divide by 24 $.....

[D] Multiply line 5 by 52 and then divide by 12 $.....

(7) Subtract line 6 from line 3 $.....

This is the attachable earnings. Answer:.....

Did you have in your possession, in your charge or under your control, on the date the writ of garnishment was served upon you, any money, property, effects, goods, chattels, rights, credits or choses in action of the defendants, or either of them, or in which .....is interested? If so, state its value, and state fully all particulars.

Answer:.....

Do you know of any debts owing to the defendants, whether due or not due, or any money, property, effects, goods, chattels, rights, credits or choses in action, belonging to ..... or in which

.....is interested, and now in the possession or under the control of others? If so, state particulars.

Answer:.....

Are you a financial institution with a personal account held by one or all of the defendants? If so, state the account number and the amount of money in the account which is subject to garnishment. As set forth in NRS 21.105, $2,000 or the entire amount in the account, whichever is less, is not subject to garnishment if the financial institution reasonably identifies that an electronic deposit of money has been made into the account within the immediately preceding 45 days which is exempt from execution, including, without limitation, payments of money described in NRS 21.105 or, if no such deposit has been made, $400 or the entire amount in the account, whichever is less, is not subject to garnishment, unless the garnishment is for the recovery of money owed for the support of any person. The amount which is not subject to garnishment does not apply to each account of the judgment debtor, but rather is an aggregate amount that is not subject to garnishment.

Answer:.....

State your correct name and address, or the name and address of your attorney upon whom written notice of further proceedings in this action may be served.

Answer:.....

Garnishee

I (insert the name of the garnishee), declare under penalty of perjury that the answers to the foregoing interrogatories by me subscribed are true and correct.

(Signature of garnishee)

2. The garnishee shall answer the interrogatories in writing upon oath or affirmation and submit the answers to the sheriff within the time required by the writ. AN ACT relating to hypodermic devices; authorizing ~~[governmental]~~ **certain** entities ~~[and certain persons]~~ to establish a program for the safe distribution and disposal of hypodermic devices and certain other material; **requiring the county board of health or district board of health for the county in which a sterile hypodermic device program operates to establish guidelines governing such a program;** providing that the possession of a trace amount of a controlled substance is not a criminal offense in certain circumstances; removing hypodermic devices from the list of paraphernalia that is prohibited for delivery, sale, possession, manufacture or use in this State; providing that hypodermic devices may be sold or furnished without a prescription if not prohibited by federal law in certain circumstances; repealing a provision which makes it a crime to misuse a hypodermic device; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 4 of this bill authorizes a governmental entity, a **tax-exempt** nonprofit corporation, **a public health program, a licensed medical facility** or a person who has a **tax-exempt** nonprofit corporation as a fiscal sponsor, to establish a program for the safe distribution and disposal of hypodermic devices. **Section 4.5 of this bill requires the county board of health or district board of health for the county in which a sterile hypodermic device program operates to establish guidelines governing such a program. Sections 5-7** of this bill enact provisions governing the operation of a sterile hypodermic device program, including, without limitation, the training of the staff and volunteers of the program and the devices, material and information that a program may provide. **Section 8** of this bill provides that the State, any of its political subdivisions and a sterile hypodermic device program and its staff and volunteers are exempt from civil liability relating to the operation of a sterile hypodermic device program. **Section 9** of this bill: (1) provides for the confidentiality of any record which is obtained or created in the operation of a sterile hypodermic device program; (2) provides that such records are not discoverable or admissible in criminal proceedings; (3) prohibits the use of records obtained from a sterile hypodermic device program as a basis for initiating a criminal charge, or to substantiate a criminal charge, against a person who participates in the program; and (4) provides that the staff and volunteers of a sterile hypodermic device program cannot be compelled to provide evidence in criminal proceedings concerning information known to the staff member or volunteer through the program.

Existing law prohibits the possession of a controlled substance. (NRS 453.336) **Section 11** of this bill provides that a person does not violate this provision if he or she has a trace amount of a controlled substance that is

in or on a hypodermic device that was obtained from a sterile hypodermic device program.

Existing law prohibits the delivery, sale, possession or manufacture of certain drug paraphernalia when the person engaging in the act reasonably should know that it will be used for an illegal purpose. (NRS 453.560) Existing law further makes it a felony for a person to deliver drug paraphernalia to a minor who is at least 3 years younger than the person. (NRS 453.562) **Section 12** of this bill removes hypodermic devices from the list of items that may be found to constitute drug paraphernalia.

Existing law authorizes the sale of hypodermic devices which are not restricted by federal law to being sold by prescription to be sold without a prescription for certain limited purposes. (NRS 454.480) **Section 15** of this bill removes the restrictions so that hypodermic devices may be sold or furnished without a prescription for any purpose so long as the sale of such devices is not restricted by federal law.

Section 16 of this bill repeals a provision which makes it a misdemeanor to use or allow the use of a hypodermic device for a purpose other than that for which it was purchased, because the specific uses were removed in **section 15**.

WHEREAS, The human immunodeficiency virus, hepatitis and other infectious diseases that may be transmitted through the use of unsterile hypodermic devices such as syringes and needles pose a major health threat in the United States, causing thousands of deaths and millions of dollars in preventable health care costs each year; and

WHEREAS, The lack of availability of sterile hypodermic devices is a major cause of this serious health threat; and

WHEREAS, Hundreds of studies have demonstrated that making sterile hypodermic devices available to persons who inject drugs reduces the spread of infectious disease and does not encourage drug use; and

WHEREAS, The trend among states has been to deregulate the possession, sale and use of hypodermic devices and to make such devices more accessible; and

WHEREAS, Increasing access to sterile hypodermic devices is necessary to control the spread of life-threatening infectious diseases; now, therefore,

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 750.

AN ACT relating to real property; revising provisions governing the sale of real property by certain banking and financial institutions after a foreclosure sale or trustee's sale; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill provides that if a banking or other financial institution forecloses on real property, purchases that real property at the foreclosure sale or trustee's sale and intends to sell the real property for an amount less than the amount of the indebtedness, the banking or other financial institution must afford the debtor a right of first refusal if: (1) the real property is a single-family dwelling and the debtor was the owner of the real property; (2) the debtor used the loan to purchase the real property; and (3) the debtor occupied the real property continuously after obtaining the loan. Under this bill, the right of first refusal must be conditioned on the same terms that the judgment creditor or beneficiary of the deed of trust intends to accept in a subsequent sale of the real property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 40 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the judgment creditor or the beneficiary of the deed of trust is a banking or other financial institution, purchases the real property at a foreclosure sale and intends to sell the real property for an amount less than the amount of the indebtedness, the judgment creditor or beneficiary of the deed of trust must afford the right of first refusal to the debtor or grantor of the deed of trust if:

(a) The real property is a single-family dwelling and the debtor or the grantor was the owner of the real property at the time of the foreclosure sale;

(b) The debtor or grantor used the amount for which the real property was secured by the mortgage or deed of trust to purchase the real property; and

(c) The debtor or grantor continuously occupied the real property as the debtor's or grantor's principal residence after securing the mortgage or deed of trust.

2. Any right of first refusal pursuant to subsection 1 must be conditioned upon the same terms the judgment creditor or the beneficiary of the deed of trust intends to accept in a subsequent sale of the real property. As used in this subsection, "same terms" means the same price

and the same manner of financing the purchase of the real property, including, without limitation, an all-cash offer.

3. In affording any right of first refusal pursuant to subsection 1, except as otherwise provided in this subsection, the judgment creditor or beneficiary of the deed of trust must, after receiving an offer to purchase the real property that the judgment creditor or beneficiary intends to accept and before accepting that offer, attempt to communicate the terms of the offer and the right of first refusal to the debtor or grantor by certified letter to the last physical mailing address provided by the debtor or grantor to the judgment creditor or beneficiary. If, within 10 business days after receiving the certified letter, the debtor or grantor does not provide written notice to the judgment creditor or beneficiary that the debtor or grantor intends to redeem the right of first refusal, the right of first refusal is terminated and the judgment creditor or beneficiary may immediately proceed with the sale. If the debtor or grantor has moved from the real property and has not provided the judgment creditor or beneficiary with an updated physical mailing address:

(a) The debtor or grantor is not required to attempt to communicate the terms of an offer or the right of first refusal pursuant to this subsection, or make any other attempt to contact the debtor or grantor;

(b) The right of first refusal is terminated; and

(c) The judgment creditor or beneficiary may immediately proceed with the sale.

4. As used in this section:

(a) "Banking or other financial institution" has the meaning ascribed to it in NRS 40.458.

(b) "Foreclosure sale" has the meaning ascribed to it in NRS 40.462.

Sec. 2. NRS 40.451 is hereby amended to read as follows:

40.451 As used in NRS 40.451 to 40.463, inclusive, ***and section 1 of this act,*** "indebtedness" means the principal balance of the obligation secured by a mortgage or other lien on real property, together with all interest accrued and unpaid prior to the time of foreclosure sale, all costs and fees of such a sale, all advances made with respect to the property by the beneficiary, and all other amounts secured by the mortgage or other lien on the real property in favor of the person seeking the deficiency judgment. Such amount constituting a lien is limited to the amount of the consideration paid by the lienholder.

Senate Bill No. 442.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 642.

AN ACT relating to education; eliminating various mandates relating to schools; **revising provisions relating to the reporting of incidences of bullying, cyber-bullying, harassment and intimidation occurring at public schools; revising provisions governing the examinations of the height and weight of pupils enrolled in public schools;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill deletes and repeals certain provisions relating to education and thereby eliminates: (1) a requirement that the Superintendent of Public Instruction prescribe a certain form of school register, prepare pamphlet copies of laws relating to schools for various school officials and provide a certain memorandum to the board of trustees of each school district and to the governing body of each charter school (NRS 385.210); (2) a description of the duties of the board of trustees of a school district and the governing body of a charter school in response to a memorandum transmitted to it pursuant to NRS 385.210 (NRS 386.360, 386.552); (3) ~~[requirements relating to the duties of the board of trustees of a school district in response to the policies prescribed by the Department of Education for school districts and public schools regarding bullying, cyber-bullying, harassment and intimidation (NRS 388.134, 388.139); (4)]~~ a requirement, effective on July 1, 2013, that the boards of trustees of certain school districts adopt a pilot program to provide a program of small learning communities for middle school and junior high school ~~[students]~~ **pupils** (NRS 388.171); ~~[(5)]~~ **(4)** a requirement that the board of trustees of each school district adopt a policy for each middle school and junior high school in the district to provide a program of peer mentoring (NRS 388.176); ~~[(6)]~~ **(5)** a requirement that the board of trustees of each school district adopt a policy for certain pupil-led conferences (NRS 388.181); ~~[(7)]~~ **(6)** requirements relating to small learning communities for ninth grade pupils in certain larger schools (NRS 388.215); ~~[(8)]~~ **(7)** certain requirements for a policy for peer mentoring **in public high schools** (NRS 388.221); ~~[(9)]~~ **(8)** a requirement that the board of trustees of each school district and the governing body of each charter school submit the results of a certain examination of achievement and proficiency of pupils to certain persons and entities (NRS 389.560); ~~[(10) a requirement that school districts conduct examinations of the height and weight of a representative sample of certain pupils (Chapter 285, Statutes of Nevada 2009, p. 1203); (11)]~~ **(9)** provisions relating to the establishment of school attendance councils (NRS 392.129); ~~[(12)]~~ **(10)** a reporting requirement relating to

alternative schedules (Chapter 489, Statutes of Nevada 2003, p. 3219); and ~~[(13)]~~ **(11)** reporting requirements relating to the use of environmentally sensitive cleaning and maintenance products within school districts. (Chapter 244, Statutes of Nevada 2009, p. 985)

Under existing law, the board of trustees of each school district is required to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353) Also under existing law, the Superintendent of Public Instruction is required to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355) Section 7 of this bill eliminates these reporting requirements, and sections 2.3 and 2.5 of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347)

Under existing law, the board of trustees of each school district is required to conduct examinations of the height and weight of a representative sample of pupils enrolled in grades 4, 7 and 10. (NRS 392.420) This requirement is scheduled to expire on June 30, 2015. (Chapter 285, Statutes of Nevada 2009, p. 1204) Section 4.5 of this bill limits this requirement relating to the examinations of the height and weight of pupils to a school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties).

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 797.

AN ACT relating to renewable energy; revising provisions which specify the renewable energy systems which qualify as portfolio energy systems; revising provisions relating to the implementation of energy efficiency measures by a provider of electric service for the purpose of complying with the renewable portfolio standard; revising provisions relating to the carrying forward to subsequent calendar years of the excess kilowatt-hours of electricity that a provider generates or acquires from portfolio energy systems; requiring the Public Utilities Commission of Nevada to open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill revises provisions relating to the portfolio standard for providers of electric service, which requires that each year each provider of electric service in this State must generate or acquire from renewable energy systems or save as a result of energy efficiency measures a certain percentage of the electricity sold by the provider to its retail customers in this State.

In 2005, the 22nd Special Session of the Legislature revised the portfolio standard to authorize a provider to meet a portion of the portfolio standard through savings achieved from energy efficiency measures. (**Sections 26-29** of chapter 2, Statutes of Nevada 2005, 22nd Special Session, pp. 82-84) **Section 6** of this bill revises the portfolio standard to limit the use of savings

achieved from energy efficiency measures by a provider to satisfy the portfolio standard.

Section 4 of this bill revises the definition of "portfolio energy system or efficiency measure" to provide that a renewable energy system or energy efficiency measure qualifies as a portfolio energy system if: (1) the renewable energy system was placed into operation before July 1, 1997, and a provider used electricity generated or acquired from the system to satisfy the portfolio standard before July 1, 2009; (2) the renewable energy system was placed into operation on or after July 1, 1997; or (3) the energy efficiency measure was installed on or before December 31, 2019.

Existing law provides that a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure. (NRS 704.78215) Section 8 of this bill excludes from the calculation of portfolio energy credit certain electricity used by a portfolio energy system for its basic operations if the portfolio energy system is placed into operation on or after January 1, 2016.

Existing law provides that, for the purpose of satisfying the portfolio standard, a provider shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from certain solar photovoltaic systems for each 1 kilowatt-hour actually generated or acquired. (NRS 704.7822) **Section 9** of this bill revises the applicability of this provision to systems that were placed into operation on or before December 31, 2015.

Existing law requires the Public Utilities Commission of Nevada to authorize a provider to carry forward into future years any excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems if the provider exceeds the portfolio standard for any calendar year. (NRS 704.7828) **Section 11** of this bill authorizes a provider that carries forward excess kilowatt-hours of electricity in an amount that is more than 10 percent but less than 25 percent of the amount necessary to satisfy the provider's portfolio standard for the subsequent calendar year to sell the excess kilowatt-hours of electricity the provider generates or acquires from portfolio energy systems. **Section 11** requires a provider to make reasonable efforts to sell any credits which are in excess of 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year.

Section 14 of this bill requires the Commission to open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits and to submit a written report on the results of the investigatory docket and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. NRS 704.7804 is hereby amended to read as follows:

704.7804 "Portfolio energy system or efficiency measure" means:

1. Any renewable energy system ~~[; or~~

~~2. Any energy efficiency measure.]~~ ***:***

(a) Placed into operation before July 1, 1997, if a provider of electric service used electricity generated or acquired from the renewable energy system to satisfy its portfolio standard before July 1, 2009; or

(b) Placed into operation on or after July 1, 1997; or

2. Any energy efficiency measure installed on or before December 31, 2019.

Sec. 5. (Deleted by amendment.)

Sec. 6. NRS 704.7821 is hereby amended to read as follows:

704.7821 1. For each provider of electric service, the Commission shall establish a portfolio standard. The portfolio standard must require each provider to generate, acquire or save electricity from portfolio energy systems or efficiency measures in an amount that is:

(a) For calendar years 2005 and 2006, not less than 6 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(b) For calendar years 2007 and 2008, not less than 9 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(c) For calendar years 2009 and 2010, not less than 12 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(d) For calendar years 2011 and 2012, not less than 15 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(e) For calendar years 2013 and 2014, not less than 18 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(f) For calendar years 2015 through 2019, inclusive, not less than 20 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(g) For calendar years 2020 through 2024, inclusive, not less than 22 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

(h) For calendar year 2025 and for each calendar year thereafter, not less than 25 percent of the total amount of electricity sold by the provider to its retail customers in this State during that calendar year.

2. In addition to the requirements set forth in subsection 1, the portfolio standard for each provider must require that:

(a) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures during each calendar year, not less than:

(1) For calendar years 2009 through 2015, inclusive, 5 percent of that amount must be generated or acquired from solar renewable energy systems.

(2) For calendar year 2016 and for each calendar year thereafter, 6 percent of that amount must be generated or acquired from solar renewable energy systems.

(b) Of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems or efficiency measures ~~[~~during~~]~~ ***:***

(1) During calendar years 2013 and 2014, not more than 25 percent of that amount may be based on energy efficiency measures;

(2) During each calendar year ~~[~~.~~]~~ ***2015 to 2019, inclusive,*** not more than ~~[~~25~~]~~ ***20*** percent of that amount may be based on energy efficiency measures ~~[~~.~~]~~ ***;***

(3) During each calendar year 2020 to 2024, inclusive, not more than 10 percent of that amount may be based on energy efficiency measures; and

(4) For calendar year 2025 and each calendar year thereafter, no portion of that amount may be based on energy efficiency measures.

➥ If the provider intends to use energy efficiency measures to comply with its portfolio standard during any calendar year, of the total amount of electricity saved from energy efficiency measures for which the provider seeks to obtain portfolio energy credits pursuant to this paragraph, at least 50 percent of that amount must be saved from energy efficiency measures installed at service locations of residential customers of the provider, unless a different percentage is approved by the Commission.

(c) If the provider acquires or saves electricity from a portfolio energy system or efficiency measure pursuant to a renewable energy contract or energy efficiency contract with another party:

(1) The term of the contract must be not less than 10 years, unless the other party agrees to a contract with a shorter term; and

(2) The terms and conditions of the contract must be just and reasonable, as determined by the Commission. If the provider is a utility provider and the Commission approves the terms and conditions of the contract between the utility provider and the other party, the contract and its terms and conditions shall be deemed to be a prudent investment and the utility provider may recover all just and reasonable costs associated with the contract.

3. If, for the benefit of one or more retail customers in this State, the provider has paid for or directly reimbursed, in whole or in part, the costs of the acquisition or installation of a solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar energy system shall be deemed to be electricity that the provider generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

4. The Commission shall adopt regulations that establish a system of portfolio energy credits that may be used by a provider to comply with its portfolio standard.

5. Except as otherwise provided in subsection 6, each provider shall comply with its portfolio standard during each calendar year.

6. If, for any calendar year, a provider is unable to comply with its portfolio standard through the generation of electricity from its own renewable energy systems or, if applicable, through the use of portfolio energy credits, the provider shall take actions to acquire or save electricity pursuant to one or more renewable energy contracts or energy efficiency contracts. If the Commission determines that, for a calendar year, there is not or will not be a sufficient supply of electricity or a sufficient amount of energy savings made available to the provider pursuant to renewable energy contracts and energy efficiency contracts with just and reasonable terms and conditions, the Commission shall exempt the provider, for that calendar year, from the remaining requirements of its portfolio standard or from any appropriate portion thereof, as determined by the Commission.

7. The Commission shall adopt regulations that establish:

(a) Standards for the determination of just and reasonable terms and conditions for the renewable energy contracts and energy efficiency contracts that a provider must enter into to comply with its portfolio standard.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal

made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

8. Except as otherwise provided in NRS 704.78213, the provisions of this section do not apply to a provider of new electric resources as defined in NRS 704B.130.

9. As used in this section:

(a) "Energy efficiency contract" means a contract to attain energy savings from one or more energy efficiency measures owned, operated or controlled by other parties.

(b) "Renewable energy contract" means a contract to acquire electricity from one or more renewable energy systems owned, operated or controlled by other parties.

(c) "Terms and conditions" includes, without limitation, the price that a provider must pay to acquire electricity pursuant to a renewable energy contract or to attain energy savings pursuant to an energy efficiency contract.

Sec. 7. (Deleted by amendment.)

Sec. 8. NRS 704.78215 is hereby amended to read as follows:

704.78215 1. Except as otherwise provided in this section or by specific statute, a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure.

2. The Commission may adopt regulations that give a provider more than one portfolio energy credit for each kilowatt-hour of electricity saved by the provider during its peak load period from energy efficiency measures.

3. Except as otherwise provided in this subsection, for portfolio energy systems placed into operation on or after January 1, 2016, the amount of electricity generated or acquired from a portfolio energy system does not include the amount of any electricity used by the portfolio energy system for its basic operations that reduce the amount of renewable energy delivered to the transmission grid for distribution and sale to customers of the provider. The provisions of this subsection do not apply to a portfolio energy system placed into operation on or after January 1, 2016, if a provider entered into a contract for the purchase of electricity generated by the portfolio energy system on or before December 31, 2012. For the purposes of this section, the amount of any electricity used by a portfolio energy system for its basic operations does not include the electricity used by a portfolio energy system that generates electricity from geothermal energy for the extraction and transportation of geothermal brine.

Sec. 9. NRS 704.7822 is hereby amended to read as follows:

704.7822 For the purpose of complying with a portfolio standard established pursuant to NRS 704.7821 or 704.78213, a provider shall be

deemed to have generated or acquired 2.4 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity generated or acquired from a solar photovoltaic system, if:

1. The system is installed on the premises of a retail customer; ~~[and]~~

2. ***The system was placed into operation on or before December 31, 2015; and***

3. On an annual basis, at least 50 percent of the electricity generated by the system is utilized by the retail customer on that premises.

Sec. 10. (Deleted by amendment.)

Sec. 11. NRS 704.7828 is hereby amended to read as follows:

704.7828 1. The Commission shall adopt regulations to carry out and enforce the provisions of NRS 704.7801 to 704.7828, inclusive. The regulations adopted by the Commission may include any enforcement mechanisms which are necessary and reasonable to ensure that each provider of electric service complies with its portfolio standard. Such enforcement mechanisms may include, without limitation, the imposition of administrative fines.

2. If a provider exceeds the portfolio standard for any calendar year ~~[, the]~~ ***:***

(a) The Commission shall authorize the provider to carry forward to subsequent calendar years for the purpose of complying with the portfolio standard for those subsequent calendar years any excess kilowatt-hours of electricity that the provider generates, acquires or saves from portfolio energy systems or efficiency measures ~~[.]~~ ***;***

(b) By more than 10 percent but less than 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year, the provider may sell any portfolio energy credits which are in excess of 10 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year; and

(c) By 25 percent or more of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year, the provider shall use reasonable efforts to sell any portfolio energy credits which are in excess of 25 percent of the amount of portfolio energy credits necessary to comply with its portfolio standard for the subsequent calendar year.

➥ Any money received by a provider from the sale of portfolio energy credits pursuant to paragraphs (b) and (c) must be credited against the provider's costs for purchased fuel and purchased power pursuant to NRS 704.187 in the same calendar year in which the money is received, less any verified administrative costs incurred by the provider to make the

sale, including any costs incurred to qualify the portfolio energy credits for potential sale regardless of whether such sales are made.

3. If a provider does not comply with its portfolio standard for any calendar year and the Commission has not exempted the provider from the requirements of its portfolio standard pursuant to NRS 704.7821 or 704.78213, the Commission:

(a) Shall require the provider to carry forward to subsequent calendar years the amount of the deficiency in kilowatt-hours of electricity that the provider does not generate, acquire or save from portfolio energy systems or efficiency measures during a calendar year in violation of its portfolio standard; and

(b) May impose an administrative fine against the provider or take other administrative action against the provider, or do both.

4. ~~[The]~~ ***Except as otherwise provided in subsection 5, the*** Commission may impose an administrative fine against a provider based upon:

(a) Each kilowatt-hour of electricity that the provider does not generate, acquire or save from portfolio energy systems or efficiency measures during a calendar year in violation of its portfolio standard; or

(b) Any other reasonable formula adopted by the Commission.

5. ***If a provider sells any portfolio energy credits pursuant to paragraph (b) or (c) of subsection 2 in any calendar year in which the Commission determines that the provider did not comply with its portfolio standard, the Commission shall not make any adjustment to the provider's expenses or revenues and shall not impose on the provider any administrative fine authorized by this section for that calendar year if:***

(a) In the calendar year immediately preceding the calendar year in which the portfolio energy credits were sold, the amount of portfolio energy credits held by the provider and attributable to electricity generated, acquired or saved from portfolio energy systems or efficiency measures by the provider exceeded the amount of portfolio energy credits necessary to comply with the provider's portfolio standard by more than 10 percent;

(b) The price received for any portfolio energy credits sold by the provider was not lower than the most recent value of portfolio energy credits, net of any energy value if the price was for bundled energy and credits, as determined by reference to the last long-term renewable purchased power agreements approved by the Commission in the most recent proceeding that included such agreements; and

(c) The provider would have complied with the portfolio standard in the relevant year even after the sale of portfolio energy credits based on the load forecast of the provider at the time of the sale.

6. In the aggregate, the administrative fines imposed against a provider for all violations of its portfolio standard for a single calendar year must not

exceed the amount which is necessary and reasonable to ensure that the provider complies with its portfolio standard, as determined by the Commission.

~~[6.]~~ ***7.*** If the Commission imposes an administrative fine against a utility provider:

(a) The administrative fine is not a cost of service of the utility provider;

(b) The utility provider shall not include any portion of the administrative fine in any application for a rate adjustment or rate increase; and

(c) The Commission shall not allow the utility provider to recover any portion of the administrative fine from its retail customers.

~~[7.]~~ ***8.*** All administrative fines imposed and collected pursuant to this section must be deposited in the State General Fund.

Sec. 12. (Deleted by amendment.)

Sec. 13. (Deleted by amendment.)

Sec. 14. 1. As soon as practicable after October 1, 2013, the Public Utilities Commission of Nevada shall open an investigatory docket to study, examine and review the process for the sale of portfolio energy credits, as defined in NRS 704.7803, to determine whether the process can be improved to:

(a) Better enable providers of electric service, as defined in NRS 704.7808, to engage in the sale of portfolio energy credits; and

(b) Provide the greatest economic benefit to customers of providers of electric service in this State.

2. The following parties may participate in the investigatory docket:

(a) Each provider of electric service operating in this State;

(b) The Regulatory Operations Staff of the Commission;

(c) The Consumer's Advocate and the Bureau of Consumer Protection in the Office of the Attorney General; and

(d) Any other interested parties.

3. The Commission shall, on or before January 31, 2015, submit a written report on the results of the investigatory docket and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

Assembly Bill 7 expands the membership of the Gaming Policy Committee to 11 members by adding a knowledgeable representative from academia. The bill also authorizes the Governor to appoint an advisory committee on gaming education consisting of not more than five members to evaluate gaming-related educational entities in Nevada and how they align with the technology and workforce needs of the gaming industry, to study the potential for using competencies and technologies developed by the educational entities and other industries, and to make recommendations to the Gaming Policy Committee. Assembly Bill 7 also includes appropriations from the State General Fund to the state Gaming Control Board and the Nevada Gaming Commission for associated operations, travel, and staffing costs.

Assembly Bill 7 was largely a project of our Gaming Law section at UNLV Boyd School of Law, and as has been our experience, the students worked very hard on this. I think they have a good bill here that accomplishes some good public policy.

Assembly Bill 473 provides for an additional fee to be paid to the Department of Motor Vehicles to defray the cost of producing license plates. The fees must be deposited into the new License Plate Factory Account. This bill also authorizes the Department to determine the amount of the fee by regulation.

The Senate Committee on Finance and Assembly Committee on Ways and Means approved the Governor's recommendation to make the License Plate Factory self-supporting by changing the funding source for the License Plate Factory from Highway Funds totaling $3.4 million over the biennium, to a new funding source based primarily on revenues collected from a new license plate fee.

The Senate Committee on Finance and Assembly Committee on Ways and Means approved a license plate fee of $3 per license plate, excluding specialty plates, which are 50 cents higher than the per-license-plate fee recommended by the Governor. The 50-cent increase will allow for the repayment of Highway Fund appropriations over a five-year period, for a $500,000 reserve recommended by the Governor in the License Plate Factory budget for cash flow purposes, and to repay the $3.8 million Capital Improvement Project for a new building to house

the License Plate Factory, if ultimately approved by the money committees, which we did just recently.

The $3 license plate fee will also allow for a small reserve for contingencies for unanticipated costs and increases in the cost of materials to produce the license plates.

Assembly Bill 473 becomes effective on July 1, 2013.

Assembly Bill 482, as amended, authorizes the creation of the Interest Repayment Fund. If there is accrued interest due the federal government on advances deposited into the Unemployment Compensation Fund pursuant to NRS 612.290 and Title XII of the Social Security Act, as amended, the Administrator of the Employment Security Division shall establish an assessment on employers' taxable wages paid during the immediately preceding calendar year that will be deposited to the Interest Repayment Fund. The assessment rate will be determined by dividing the total interest accrued and payable to the federal government by 95 percent of the total taxes paid by all employers in this state during the immediate preceding calendar year. The ESD Administrator shall notify each employer of its proportional share of the assessment by June 30 of each year.

If the Administrator determines that the assessment is no longer necessary, the Administrator shall notify all employers subject to the assessment and not accept any further payments. Any balances remaining in the Interest Repayment Fund after all payments of accrued interest have been made shall be deposited into the Unemployment Compensation Fund.

The provisions of Assembly Bill 482 do not apply to any nonprofit organization, political subdivision, or Indian Tribe which makes reimbursements in lieu of contributions pursuant to NRS 612.553.

ASSEMBLYMAN ELLISON:

Senate Bill 66 makes various changes related to the powers and duties of counties. The measure allows a board of county commissioners in a county whose population is less than 15,000—currently Esmeralda, Eureka, Lander, Lincoln, Mineral, Pershing, Storey, and White Pine Counties—to authorize the use of county equipment on the property of any local government within the county if the board deems by ordinance that the use is in the county's best interest, the board and governing body of the local government enter into an interlocal agreement, and a county employee operates the equipment. Further, a board of county commissioners in these same counties may authorize the use of county highway patrols and county equipment on any private road if the board declares an emergency or the board deems by ordinance that the use is in the county's best interest in the absence of a licensed private contractor who could perform the work..

Remarks by Assemblymen Thompson, Hansen and Carlton.

ASSEMBLYMAN THOMPSON:

Senate Bill 82 acknowledges the various perspectives on the hunting of black bears in Nevada and urges proponents and opponents of the black bear hunt to engage in productive and meaningful discussions, with the goal of achieving a consensus on the proper management of Nevada's black bear population. The measure also urges the continued management of black bears in Nevada by the Department of Wildlife in a way that conserves, sustains, and protects the black bear population in a healthy and productive condition and minimizes threats to public safety and damage to personal property. Finally, the bill urges Nevada's Board of Wildlife Commissioners to conduct its planned three-year comprehensive review of the black bear hunt following the 2013 bear hunting season, with the goal of evaluating certain scientific analyses and impacts of the hunt and making an unbiased and informed recommendation concerning the viability of hunting black bears in Nevada. This review is urged to be submitted to the Director of the Legislative Counsel Bureau for distribution to the Chairs of the Senate Committee on Natural Resources and the Assembly Committee on Natural Resources, Agriculture, and Mining.

ASSEMBLYMAN HANSEN:

I urge a no vote on S.B. 82. The bill presupposes that the Board of Wildlife Commissioners and the Department of Wildlife have not already done all of this. Having been involved in this process ever since it began about three years ago, I can assure this body that they have talked to everybody possible—the Indian tribes, the people pro and con on this whole thing—and the season they came up with was based entirely on scientific, verifiable information. The reality is this: The eastern portion of the Sierra population of black bears here in Nevada are part of the exact same herd that are in California. California harvested 1,900 black bears, including hunting in the Tahoe Basin. Trying to appease the people that are opposed to this hunt is pretty much impossible. Nevada did shut down the Tahoe portion of that hunt, trying to make them happy, and it has been a complete failure. They will never be happy. So we need to recognize that, close this wound that keeps being reopened, and let the Department of Wildlife and the Board of Wildlife Commissioners do what they do. The hunt that we have had—I think they harvested a total of only 14 bears. So it is completely scientifically justifiable, and I think this amendment kind of presupposes a fact that does not exist. The Wildlife Commission has done all this. So I would urge a no vote on this.

ASSEMBLYWOMAN CARLTON:

I rise in support of S.B. 82. Last session, when chairing the Natural Resources, Agriculture, and Mining Committee, this was a very big issue. We kept telling folks that we didn't want to go any further or make any decisions because we didn't have any data. This bill will have the Board of Wildlife Commissioners go back, look at what has happened since they have instituted the hunt and be able to have actual facts and figures so that we can have a rational discussion and hopefully be able to set some of the passions around this issue aside. I personally am not in support of the hunt, but I think we all have to stay open-minded enough to be able to look at the information that we can derive from what has happened over the last couple of years and have a rational discussion over this issue.

ASSEMBLYMAN BOBZIEN:

I rise in support of Senate Bill 109. This bill makes various changes concerning off-highway vehicles [OHV]. The bill creates an OHV dealer plate, similar to an automobile dealer plate, that allows dealers to operate unregistered vehicles for the purposes of demonstrations or test drives. The bill also provides that the Commission on Off-Highway Vehicles, rather than the Department of Motor Vehicles, prescribes the form of the registration sticker or decal for off-highway vehicles, and it revises provisions regarding the size of the sticker or decal—makes it a little smaller. Registration of an OHV is not required if it is registered in another state and not located in Nevada for more than 15 days. Off-Highway Vehicles operated during daylight hours are exempted from certain requirements related to head lamps and tail lamps.

This bill also creates new exemptions from the off-highway vehicle registration process for vehicles operated solely in an organized race, festival, or other event conducted under the direction of a sanctioning body or by permit; operated or stored on privately-owned or leased land; operated while engaged in an approved search-and-rescue operation; or having an engine displacement of not more than 70 cubic centimeters.

Under existing law—Chapter 396—the Board of Regents of the University of Nevada is authorized to issue revenue bonds to finance capital improvements. Senate Bill 185 increases by $79.36 million the existing principal amount of bonds and other securities that may be issued by the Board of Regents from $348,360,000 to $427,715,000 to finance certain capital construction projects at the University of Nevada, Reno. The increased bonding authority would augment existing bond capacity to fund the demolition of Getchell Library and build a student achievement center; the seismic retrofit of Manzanita Residence Hall; build an indoor multi-purpose practice facility, expand the Lombardi Recreation Center facility, and build a new residence hall.

Senate Bill 208 expands the definition of "police officer" to include court bailiffs and deputy marshals of a district court or justice court.

ASSEMBLYMAN BOBZIEN:

I rise in support of Senate Bill 208. I just wanted to relay some research that you had done going back into the minutes of 2007 and some information on Assembly Bill 139. At that time, it was made clear with an amendment that bailiffs would be called district court marshals and would be category 2 peace officers. So it is clear that this is a population that has been kind of out in limbo, but it is this Legislature's understanding that they were certainly eligible for the benefits related to this bill.

ASSEMBLYMAN HANSEN:

Actually, I have a huge question on this but is there any way we could roll this until tomorrow? Frankly, I am a no on it at the moment, but what I just heard may change that. If at all possible, I would like to make that request.

The time is ticking by pretty fast as we are seeing the deadlines for this session of the Legislature. It is so easy to become confused and then live at cross-purposes to our central aims, and because of that, we are at cross-purposes with each other. Take us by the hand and help us to see things from Your viewpoint that we may see them as they really are. We come to choices and decisions with a prayer on our lips for our wisdom fails us. Give to these, Your servants, Your wisdom. We ask this in Your Name.

AMEN.

Assemblyman Munford moved the adoption of the resolution.

Remarks by Assemblymen Munford, Hickey, and Madam Speaker.

ASSEMBLYMAN MUNFORD:

I would like to say a few words about John J. McDonald. Like a lot of people who live in Nevada, John was from elsewhere, but when he moved here after being discharged from the Navy, he came to stay and made his home in Las Vegas. He worked in the casino industry, raised a wonderful family, and was involved with youth and later, politics.

Many of you may not know this, but John was a constituent of mine. Often, when I would walk my district, I would stop at John's house. As I got to know him very well, he would invite me in for refreshments, and we would sit down and talk about things of concern about our community.

He was a dedicated family man and knew that without making effort, nothing gets done. Living in a large city can be challenging, particularly for youngsters, as he would often say. John worked with at-risk young men and taught them the fundamentals of sports, especially football—that was his favorite sport. He used sports to give confidence and steer them in the right and positive direction. John was even known to sponsor Pop Warner football teams and gave kids individualized coaching.

John expected honesty from his own children, and this extended to his players. He considered integrity to be an important part of a person's character; if a person did something wrong, they had to own up to it.

John lived by his values. He enjoyed time with his family, friends, and his players. Conversation was an important way for him to stay involved with people. I have to say, I spent many hours conversing with John.

John J. McDonald was an inspiration to many people. I am honored to have called him my friend. Driving by John J. McDonald's house, I had the opportunity to speak with his son and his son's fiancé on many occasions. I also have the opportunity to drive by a football complex that is named in his honor.

He was committed to his family, to his community, and to the youth. He was a man with integrity. He was an inspiration to me, and I can sincerely say, "Mr. Mac, we miss you very much."

ASSEMBLYMAN HICKEY:

I am pleased today to welcome our Governor back to this Chamber. He is here along with executive members of the Republican party—if they will please stand—to honor Mike McDonald's father John today. Please welcome them.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I am just going to take a few personal moments here. "Mr. Mac" is what we called him as kids. We all went to Western High School and hung out on Vegas Drive and Decatur in Las Vegas when it was way out—back then things did not go very far. There was never—and Mr. Horne is from Western as well—one day where he turned away a kid. There was never one day that he did not stop to think about somebody besides himself. I am sure you guys probably know I probably was not a quiet, shy child myself, but he always encouraged us to be who we are and to do whatever we could do and do the best at what we wanted to do. Whether it was sweeping the streets or going as far as you want to the top. I can tell you from my perspective—being a kid and growing up over there—he was great. He spent a lot of time just thinking about others. We need to stop every once in a while and remember those folks who made Nevada great, who touched so many lives for the long term, because if it was not for folks like that, I would not be here today. I would like to thank his family and personal friends for allowing us to do this and make sure that we, as Nevadans, do not forget what makes our state so great.

Resolution adopted.

Senate Bill No. 18.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 716.

AN ACT relating to the military; revising and updating certain provisions governing military justice; revising and updating certain other provisions governing the Office of the Military, Nevada National Guard, Nevada National Guard Reserve and volunteer military organizations licensed by the Governor; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law contains the Nevada Code of Military Justice, which provides a system of adjudicating guilt and punishing offenders within the Nevada National Guard. (NRS 412.196-412.584) **Sections 8, 65 and 66** of this bill specify personal and subject matter jurisdiction under the Code. Existing law allows commanding officers to impose certain types of nonjudicial punishment upon servicemen and servicewomen under their command. (NRS 412.286-412.302) **Sections 10-17, 67-70, 107 and 110** of this bill modify provisions governing nonjudicial punishment.

Existing law provides for courts-martial to adjudicate certain offenses under the Code. (NRS 412.304-412.448) **Sections 18-32, 72-97 and 100-103** of this bill revise provisions governing courts-martial. **Sections 30 and 31** provide that certain persons found incompetent to stand trial by court-martial or not guilty by reason of lack of mental responsibility in court-martial proceedings are committed to the ~~[custody]~~ **care** of ~~[the Administrator of the Division of Mental Health and Developmental Services of the Department of Health and Human Services.]~~ **a suitable facility. Section 97** gives general courts-martial the authority to impose a punishment of confinement for up to 10 years. Convicted servicemen and servicewomen serve their confinement in civil jails, detention facilities, penitentiaries or certain prisons. (NRS 412.276, 412.414)

Existing law specifies military offenses triable by courts-martial. (NRS 412.452-412.562) **Sections 33-40** of this bill add to this list of offenses acting as a spy, espionage, possession of controlled substances, sexual assault, stalking, larceny, wrongful appropriation, extortion and assault.

Section 41 of this bill specifies who may administer oaths for the purposes of military administration, including military justice. **Sections 42 and 43** of this bill specify how the Code is to be construed.

Existing law establishes the Nevada National Guard as an organized body of enlisted personnel and commissioned officers. (NRS 412.026) **Section 44** of this bill establishes the Nevada Enlisted Association of the National Guard of the United States, a group of current and retired enlisted personnel of the Nevada National Guard.

Section 53 of this bill conditions a program promoting rifle practice on the availability of funds from the State or Federal Government. (NRS 412.088)

Existing law provides that the Nevada National Guard cannot discriminate on the basis of race, creed, color, sex or national origin. (NRS 412.116) **Section 54** of this bill prohibits discrimination on the basis of gender or sexual orientation as well, while deleting language specifically prohibiting discrimination based on sex.

Section 57 of this bill provides that members of the Nevada National Guard deployed to perform an emergency are to be compensated according to their respective military grade and pay status instead of receiving compensation equal to that received by the main labor force in the service of the State or Federal Government as they do under existing law. (NRS 412.138)

Section 106 of this bill modifies the procedure for making a complaint against a commanding officer. (NRS 412.568) **Section 108** of this bill exempts persons subject to the Code from liability for acts or omissions performed as part of their duties under the Code. **Section 110** of this bill repeals allowances provided to servicemen and servicewomen of the Nevada National Guard for uniforms and equipment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 412 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 44, inclusive, of this act.

Sec. 2. ***"Nonjudicial punishment" means punishment that is imposed:***

1. Pursuant to NRS 412.286 to 412.302, inclusive, and sections 10 to 17, inclusive, of this act;

2. Against an accused, through the chain of command, by the accused's commanding officer or other officer in charge; and

3. Without the need to convene a court-martial.

Sec. 3. ***"Principal assistant" means a commissioned officer of the state military forces serving immediately subordinate to the convening authority.***

Sec. 4. ***"Restraint-of-freedom punishments" means restriction and arrest in quarters.***

Sec. 5. ***"Senior force judge advocate" means the senior judge advocate of the commanding officer of the same force of the state military forces as the accused, and who is that commanding officer's chief legal advisor.***

Sec. 6. *"State military forces" means the members of the Nevada National Guard, reservists of the Nevada National Guard, and volunteer military organizations licensed by the Governor pursuant to NRS 412.126 to organize, drill and bear arms as volunteer military companies or volunteer military organizations.*

Sec. 7. *1. The principal assistant shall assume command in the event of the commanding officer's death, prolonged absence or disability.*

2. In the case of the Nevada Air National Guard, the principal assistant may include an officer who lacks an aeronautical rating, as defined in Air Force Instruction 11-402 § 2.2, as it may be amended or replaced, and is serving in a position immediately subordinate to the convening authority.

3. Any delegation of authority to a principal assistant must be in writing, unless exigencies prevent such written delegation. If exigencies prevent written delegation, verbal authorization is sufficient and must be reduced to writing as soon as possible thereafter.

Sec. 8. *1. The following persons are subject to jurisdiction under this Code:*

(a) Any person described in subsection 1 of NRS 412.254 or who is a member of the state military forces; and

(b) Any person who is in the custody of the state military forces before trial or who is serving a sentence imposed by a court-martial.

2. Any person described in subsection 1 is subject to this Code until the person's active service has been terminated in accordance with the law or regulations of the state military forces and the National Guard Bureau and the regulations applicable to that person's service.

Sec. 9. *No member of the state military forces may be placed in confinement in immediate association with:*

1. An enemy prisoner; or

2. A person who is a citizen of a country other than the United States and who is not a member of the Armed Forces of the United States.

Sec. 10. *1. Each commanding officer shall maintain good order and discipline in his or her command. If a commanding officer determines that he or she can maintain good order and discipline through effective leadership, including, without limitation, administrative and corrective measures, he or she must do so. If a commanding officer determines that he or she cannot maintain good order and discipline through effective leadership, including, without limitation, administrative and corrective measures, he or she may pursue punitive measures.*

2. In determining the appropriate method of punishment, a commanding officer must consider, without limitation:

(a) The nature of the offense;

(b) The nature of the punishment;

(c) The record of the offending serviceman or servicewoman;

(d) The need to maintain good order and discipline; and

(e) The likely effect of the punitive measures on the record of the offending serviceman or servicewoman.

3. Each commanding officer shall, insofar as is practicable, take action to ensure that:

(a) Military justice is exercised promptly and fairly; and

(b) Each matter of a disciplinary or punitive nature is resolved:

(1) At the lowest appropriate level; and

(2) Using the least severe punishment appropriate to the offense.

Sec. 11. *1. This section sets forth the law, policies and procedures for nonjudicial punishment in the state military forces. Unless modified by this Code, the procedures contained in Chapter 3 of Army Regulation 27-10 and Air Force Instruction 51-202, as they may be amended or replaced, apply to nonjudicial punishment in this Code.*

2. Each commanding officer shall use nonjudicial punishment as an essential and prompt means of maintaining good order and discipline, and to promote positive behavior and changes in servicemen and servicewomen without the stigma of a court-martial conviction.

3. No superior may:

(a) Direct that a subordinate authority impose nonjudicial punishment in a particular case; or

(b) Issue regulations or guidelines which suggest to subordinate authorities that certain categories of minor offenses be disposed of by nonjudicial punishment instead of by court-martial or disposed of by administrative corrective measures, or that predetermined types or amounts of punishment be imposed for certain classifications of offenses that the subordinate authority considers appropriate for disposition by nonjudicial punishment.

4. Nonjudicial punishment may be imposed for a minor offense. Whether an offense is minor must be determined by, without limitation:

(a) The nature of the offense and the circumstances surrounding the commission of the offense;

(b) The age, rank, duty assignment, record and experience of the offender; and

(c) The maximum possible sentence that could be imposed for the offense if tried by general court-martial.

5. The decision as to whether an offense is minor is a matter of discretion for the commanding officer imposing nonjudicial punishment. The imposition and enforcement of nonjudicial punishment pursuant to NRS 412.286 to 412.302, inclusive, and sections 10 to 17, inclusive, of this act is not a bar to a trial by court-martial or other legal proceeding for a

serious crime or offense growing out of the same act or omission and not properly punishable pursuant to NRS 412.286 to 412.302, inclusive, and sections 10 to 17, inclusive, of this act, but the fact that a nonjudicial punishment has been enforced pursuant thereto may be shown by the accused at trial and when so shown must be considered in determining the severity of punishment to be adjudged in the event of a finding of guilty.

Sec. 12. ***Failure to comply with any procedural provision of this Code does not invalidate a punishment imposed pursuant to the Code, unless the error materially prejudiced a substantial right of the servicemen or servicewomen on whom the punishment was imposed.***

Sec. 13. ***1. Commanding officers have authority to impose nonjudicial punishment upon military personnel under their command. The authority of a commanding officer to impose nonjudicial punishment for certain types of offenses or certain categories of persons, or to impose certain types of punishment in specific cases, may be limited or withheld by a superior officer.***

2. Only the Governor and general officers in command may delegate their authority under subsection 1 to a principal assistant. This limitation on delegation of authority does not remove the authority of other commanding officers authorized to act under this Code, but such other commanding officers may not delegate that authority. A commanding officer superior to the commanding officer having authority to impose nonjudicial punishment may withhold that authority.

3. A commanding officer at any echelon may withhold from any subordinate commanding officer all or part of the authority prescribed in subsection 1, including, without limitation, the authority to impose nonjudicial punishment for specific types of offenses that the subordinate would otherwise impose. When authority is withheld, such action should be explained in a clearly defined writing or directive. The original of the writing or directive must be filed in the office of the applicable judge advocate who serves the commanding officer whose authority has been withheld. Any such withholding remains in effect when a new commanding officer is appointed or assumes command, until and unless expressly revoked by the superior commanding officer. Any such action should be addressed to the position held by the commanding officer whose authority has been withheld, not to the commanding officer by name.

Sec. 14. ***An accused facing nonjudicial punishment has the right to demand a trial by court-martial only if the commanding officer who initiated the proceeding for nonjudicial punishment elects to impose restraint-of-freedom punishments. If, before an offer of nonjudicial punishment is made, the commanding officer elects not to impose restraint-of-freedom punishments, the accused has no right to demand a trial by***

court-martial. If the commanding officer does not advise the accused serviceman or servicewoman of his or her right to reject the nonjudicial punishment and demand a trial by court-martial on initiation of the nonjudicial punishment action, the commanding officer thereby waives the right to retain the restraint-of-freedom punishments.

Sec. 15. ***1. A commanding officer, after preliminary inquiry, may use a summarized proceeding if it is determined that punishment will not include restraint-of-freedom punishments.***

2. A Summarized Record of Proceedings, under Article 15, UCMJ, as contained in Army Regulation 27-10, or AF Form 3070, as they may be amended or replaced, must be used to record the summarized nonjudicial punishment proceedings. However, the notification of the right to demand a trial by court-martial must be stricken from the form.

3. If a commanding officer who intends to impose nonjudicial punishment determines that a summarized proceeding is appropriate, the accused must be notified in writing of:

(a) The intent of the commanding officer to initiate nonjudicial punishment;

(b) The intent of the commanding officer to use summarized proceedings;

(c) The lack of a right on the part of the accused to demand a trial by court-martial;

(d) The maximum punishments allowable pursuant to the summarized proceeding;

(e) The right of the accused to remain silent;

(f) Each offense that the accused has allegedly committed with reference to the sections of the law allegedly violated;

(g) The right of the accused to confront witnesses, examine the evidence and submit matters in defense, extenuation and mitigation; and

(h) The right of the accused to appeal ~~.~~] within the period set forth in subsection 4 of NRS 412.296.

4. If a commanding officer determines that a summarized proceeding is appropriate, the accused does not have the right to consult with counsel before the hearing and the accused does not have the right to counsel or a spokesperson during the hearing.

5. Consistent with the regulations applicable to the accused's service, if a hearing is scheduled, notification of the date and time of the hearing may be made orally or in writing. The hearing must be scheduled not earlier than 24 hours and not later than 60 days after the accused receives notification pursuant to subsection 3 of the intent of the commanding officer to impose nonjudicial punishment.

Sec. 16. ***1. A commanding officer who, after preliminary inquiry, determines that the punishment options will include restraint-of-freedom punishments shall use a formal proceeding.***

2. If the commanding officer determines that a formal proceeding is appropriate, the accused must be notified in writing of:

(a) The intent of the commanding officer to initiate nonjudicial punishment;

(b) The intent of the commanding officer to use a formal proceeding;

(c) The maximum punishments allowable under the formal proceeding;

(d) The right of the accused to remain silent;

(e) Each offense that the accused has allegedly committed with reference to sections of the law that are alleged to have been violated;

(f) The right of the accused to confront witnesses, examine the evidence and submit matters in defense, extenuation and mitigation;

(g) The right of the accused to consult with a judge advocate and the location of such counsel;

(h) The right of the accused to demand a trial by court-martial at any time before the imposition of the nonjudicial punishment; and

(i) The right of the accused to appeal.

3. If the commanding officer determines that a formal proceeding is appropriate, the accused must be given a reasonable time to consult with counsel, to gather matters in defense, extenuation and mitigation and to decide whether to accept the nonjudicial punishment or demand a trial by court-martial. This decision period must be at least 48 hours, depending on the availability of counsel, but such period may be extended at the request of the accused.

4. The commanding officer is not bound by the formal rules of evidence before courts-martial and may consider any matter the commanding officer reasonably believes is relevant to the offense.

Sec. 17. ***1. A punishment may be announced at the next formation of the unit of the accused after the punishment is imposed or, if appealed, after the decision on the appeal. The announcement may also be posted on a bulletin board of the unit or published in a newsletter or web publication of the unit.***

2. The announcement of the results of punishments may be used to mitigate perceptions of unfairness of punishment and to serve as a deterrent to similar misconduct by other servicemen and servicewomen. The announcement of punishments must not be undertaken to invoke public embarrassment or scorn of the serviceman or servicewoman so punished. Accordingly, the practice of announcing punishments must be undertaken in a consistent manner to avoid the appearance of favoritism or vindictiveness.

3. In deciding whether to announce the punishment of servicemen and servicewomen in the grade of E-5 or above, the commanding officer shall consider the following factors:

(a) The nature of the offense;

(b) The military record and duty position of the serviceman or servicewoman being punished;

(c) The deterrent effect of announcing the punishment;

(d) The impact on the morale or mission of the applicable unit;

(e) The impact on the victim, if any, of the serviceman's or servicewoman's offense; and

(f) The impact on the ability of the serviceman or servicewoman to lead.

Sec. 18. *1. A military judge must be:*

(a) An active or retired commissioned officer of an organized state military force ~~[,]~~ or in federal service;

(b) One of the following:

(1) A member in good standing of the State Bar of Nevada;

(2) A member of the bar of a federal court for at least 5 years; or

(3) A person who is licensed to practice law in a state other than the State of Nevada, certified by the Adjutant General of the state in which the military judge is licensed, and a member in good standing therein, and who has received permission from the State Bar of Nevada to sit as a military judge; and

(c) Certified as qualified for duty as a military judge by the senior force judge advocate of the same military force of which the accused is a member.

2. If a military judge is not a member of the State Bar of Nevada, the military judge shall be deemed admitted pro hac vice, subject to filing with the senior force judge advocate of the same military force of which the accused is a member a certificate setting forth that the other qualifications provided in subsection 1 have been met.

Sec. 19. *Each component or branch of the state military forces has court-martial jurisdiction over all servicemen and servicewomen of that particular component or branch who are subject to this Code. Additionally, the Nevada Army National Guard and Nevada Air National Guard have court-martial jurisdiction over all servicemen and servicewomen subject to this Code.*

Sec. 20. *1. A person may not be tried or adjudged to punishment under this Code while incompetent.*

2. For the purposes of this section, a person is incompetent when presently suffering from a mental disease or defect rendering the person unable to understand the nature of the proceedings against that person or to conduct or cooperate intelligently in the defense of the case.

Sec. 21. *1. It is an affirmative defense in trial by court-martial that, at the time of the commission of the acts constituting the offense, the accused, as a result of a severe mental disease or defect, was unable to appreciate the nature and quality of the wrongfulness of his or her acts and, thus, lacked mental responsibility for those acts. Mental disease or defect does not otherwise constitute a defense.*

2. The accused has the burden of proving the defense of lack of mental responsibility by clear and convincing evidence.

3. Whenever lack of mental responsibility of the accused with respect to an offense is properly at issue, the military judge shall instruct the members of the court as to the defense of lack of mental responsibility under this section and charge them to find the accused:

(a) Guilty;

(b) Not guilty; or

(c) Not guilty by reason of lack of mental responsibility.

➥ Notwithstanding the provisions of NRS 412.396, the accused may only be found not guilty by reason of lack of mental responsibility pursuant to paragraph (c) if a majority of the members of the court-martial present at the time the vote is taken determines that the defense of lack of mental responsibility has been established.

4. The provisions of this subsection and subsection 3 do not apply to a court-martial composed only of a military judge. In the case of a court-martial composed only of a military judge or a summary court-martial officer, whenever lack of mental responsibility of the accused with respect to an offense is properly at issue, the military judge or summary court-martial officer shall find the accused:

(a) Guilty;

(b) Not guilty; or

(c) Not guilty only by lack of mental responsibility.

➥ Notwithstanding the provisions of NRS 412.396, the accused may be found not guilty only by reason of lack of mental responsibility pursuant to paragraph (c) only if the military judge or summary court-martial officer determines that the defense of lack of mental responsibility has been established.

Sec. 22. *1. On application by an accused who is under a sentence of confinement that has not been ordered executed, the convening authority or, if the accused is no longer under that person's jurisdiction, the person exercising general court-martial jurisdiction over the command to which the accused is currently assigned may, in the sole discretion of that person, defer service of the sentence of confinement. The deferment must terminate when the sentence is ordered executed. The person who granted the deferment may rescind the deferment at any time. If the accused is no*

longer under the jurisdiction of the person who granted the deferment, the person exercising general court-martial jurisdiction over the command to which the accused is currently assigned may rescind the deferment at any time.

2. In any case in which a court-martial sentences an accused referred to in subsection 1 to confinement, the convening authority may defer the service of the sentence of confinement without the consent of the accused until after the accused has been permanently released to the state military forces by a state, the United States or a foreign country.

3. Subsection 1 applies to a person subject to this Code who:

(a) While in the custody of a state, the United States or a foreign country is temporarily returned by that state, the United States or a foreign country to the state military forces for trial by court-martial; and

(b) After the court-martial described in paragraph (a), is returned to that state, the United States or a foreign country under the authority of a mutual agreement or treaty, as the case may be.

4. In any case in which a court-martial sentences an accused to confinement and the sentence of confinement has been ordered executed pending review, the Adjutant General may defer further service of the sentence of confinement while that review is pending.

5. As used in this section, the term "state" includes any state, the District of Columbia and any commonwealth, territory or possession of the United States.

Sec. 23. ***1. This section applies to any sentence that includes:***

(a) Confinement for more than 6 months; or

(b) Confinement for 6 months or less and a dishonorable discharge, bad-conduct discharge or dismissal.

2. A sentence described in subsection 1 must result in the forfeiture of pay, or of pay and allowances, due the sentenced serviceman or servicewoman during any period of confinement or parole. The forfeiture required pursuant to this subsection must take effect on the date determined under this Code and may be deferred as provided by law. In the case of a general court-martial, all pay and allowances due the sentenced serviceman or servicewoman during such period must be forfeited. In the case of a special court-martial, two-thirds of all pay due the sentenced serviceman or servicewoman during such period must be forfeited.

3. In a case involving an accused who has dependents, the convening authority or other person acting under this Code may waive any or all of the forfeitures of pay and allowances required by subsection 2 for a period not to exceed 6 months. Any amount of pay or allowances that, except for a waiver under this subsection, would be forfeited must be paid, as the

convening authority or other person taking action directs, to the dependents of the accused.

4. If the sentence of a serviceman or servicewoman who forfeits pay and allowances under subsection 2 is set aside or disapproved or, as finally approved, does not provide for a punishment referred to in subsection 1, the serviceman or servicewoman must be paid the pay and allowances which the serviceman or servicewoman would otherwise have been paid, except for the forfeiture, for the period during which the forfeiture was in effect.

Sec. 24. ***1. In each case subject to appellate review pursuant to NRS 412.422, the accused may file with the convening authority a statement expressly withdrawing the right of the accused to such appeal. Such a withdrawal must be signed by both the accused and defense counsel and must be filed in accordance with appellate procedures as provided by law.***

2. The accused may withdraw an appeal at any time in accordance with appellate procedures as provided by law.

Sec. 25. ***1. In a trial by court-martial in which a punitive discharge may be adjudged, the State may not appeal a finding of not guilty with respect to the charge or specification by the members of the court-martial, or by a judge in a bench trial, provided that the finding is not made in reconsideration of a sentence or a finding of guilty. The State may appeal the following:***

(a) An order or ruling of the military judge which terminates the proceedings with respect to a charge or specification;

(b) An order or ruling which excludes evidence that is substantial proof of a fact material to the proceeding;

(c) An order or ruling which directs the disclosure of classified information;

(d) An order or ruling which imposes sanctions for nondisclosure of classified information;

(e) A refusal of the military judge to issue a protective order sought by the State to prevent the disclosure of classified information; and

(f) A refusal by the military judge to enforce an order described in paragraph (e) that has been previously issued by appropriate authority.

2. An appeal of an order or ruling by the State may not be taken unless the trial counsel provides the military judge with written notice of appeal from the order or ruling within 72 hours after the order or ruling. Such notice must include a certification by the trial counsel that the appeal is not taken for the purpose of delay and, if the order or ruling appealed is one which excludes evidence, that the evidence excluded is substantial proof of a fact material in the proceeding.

3. The State must diligently prosecute an appeal under this section as provided by law.

4. An appeal under this section must be forwarded to the court prescribed in this Code. In ruling on an appeal under this section, the court may act only with respect to matters of law.

5. Any period of delay resulting from an appeal under this section must be excluded in deciding any issue regarding denial of a speedy trial unless an appropriate authority determines that the appeal was filed solely for the purpose of delay with the knowledge that it was totally frivolous and without merit.

Sec. 26. *1. The senior force judge advocate or his or her designee shall review each general and special court-martial case in which there has been a finding of guilty. The senior force judge advocate or designee may not review a case under this subsection if that person has acted in the same case as an accuser, investigating officer, member of the court, military judge or counsel or has otherwise acted on behalf of the prosecution or defense. The review of the senior force judge advocate or designee must be in writing and must contain the following:*

(a) Conclusions as to whether:

(1) The court has jurisdiction over the accused and the offense;

(2) The charge and specification stated an offense; and

(3) The sentence was within the limits prescribed by law.

(b) A response to each allegation of error made in writing by the accused.

(c) If the case is sent for action pursuant to subsection 2, a recommendation as to the appropriate action to be taken and an opinion as to whether corrective action is required as a matter of law.

2. The record of trial and related documents in each case reviewed under subsection 1 must be sent for action to the Adjutant General if:

(a) The senior force judge advocate who reviewed the case recommends corrective action;

(b) The sentence approved includes dismissal, a bad-conduct discharge, dishonorable discharge or confinement for more than 6 months; or

(c) Such action is otherwise required by regulations of the Adjutant General.

3. The Adjutant General may:

(a) Disapprove or approve the findings or sentence, in whole or in part;

(b) Remit, commute or suspend the sentence in whole or in part;

(c) Except where the evidence was insufficient at the trial to support the findings, order a rehearing on the findings or on the sentence, or both; or

(d) Dismiss the charges.

4. If a rehearing is ordered but the convening authority finds a rehearing impracticable, the convening authority shall dismiss the charges.

5. If the opinion of the senior force judge advocate or designee, in the review under subsection 1, is that corrective action is required as a matter of law and if the Adjutant General does not take action that is at least as favorable to the accused as that recommended by the senior force judge advocate or designee, the record of trial and action thereon must be sent to the Governor for review and action as deemed appropriate.

6. The senior force judge advocate or his or her designee may review any case in which there has been a finding of not guilty of all charges and specifications. The senior force judge advocate or designee may not review a case under this subsection if that person has acted in the same case as an accuser, investigating officer, member of the court, military judge or counsel or has otherwise acted on behalf of the prosecution or defense. The senior force judge advocate or designee shall limit any review under this subsection to questions of subject matter jurisdiction ~~[.]~~ ***as that jurisdiction is set forth in NRS 412.256.***

7. The record of trial and related documents in each case reviewed under subsection 6 must be sent for action to the Adjutant General.

8. The Adjutant General may:

(a) When subject matter jurisdiction is found to be lacking, void the court-martial ab initio, with or without prejudice to the government, as the Adjutant General deems appropriate; or

(b) Return the record of trial and related documents to the senior force judge advocate for appeal by the government as provided by law.

Sec. 27. ***1. (a) Insofar as an element of an offense described in the Uniform Code refers to the United States, the element also refers to this State.

(b) Insofar as an element of an offense described in the Uniform Code refers to persons in the service of the United States or officials thereof, the element also includes persons in the service of the state military forces or state officials as provided in the Code.

(c) Insofar as an element refers to the property of the United States, the element also includes property of this State.

2. Offenses of a nonmilitary nature may be the subject of administrative measures, nonjudicial punishment or court-martial provided that the person alleged to have committed the offense is subject to the Code and there is a nexus between the act or omission constituting the offense and the state military forces. Civilian criminal offenses may be subject to prosecution pursuant to 10 U.S.C. §§ 933 and 934 if that nexus is present.

3. A proper civilian court has primary jurisdiction when an act or omission violates both the Code and state or federal criminal law. In such cases, a state court-martial or nonjudicial proceeding for punishment may be initiated only after the civilian authority has declined to prosecute or has dismissed charges, provided jeopardy has not attached. However, nothing in this Code precludes a commanding officer from taking administrative action even if the civilian authority exercises jurisdiction. Administrative remedies are not considered double jeopardy.

4. Any member of the state military forces may be ordered to duty involuntarily for any purpose under the Code.

5. In conducting prosecutions, a judge advocate shall coordinate with the Attorney General of the State of Nevada, similar officials in the State or county or equivalent prosecutorial authorities and appropriate municipal prosecutorial authorities to ensure that the judge advocate prosecutes with the cooperation of those local and state prosecutors. A commanding officer shall refer all suspected civilian offenses to a judge advocate who shall coordinate with the proper authorities when appropriate.

6. Each person discharged from the Nevada National Guard who is later charged with having fraudulently obtained the discharge is, subject to NRS 412.376, subject to trial by court-martial on that charge and is after apprehension subject to this Code while in the custody of the military for that trial. Upon conviction of that charge the person is subject to trial by court-martial for all offenses under this Code committed before the fraudulent discharge.

~~[2.]~~ ***7.*** No person who has deserted from the Nevada National Guard may be relieved from amenability to the jurisdiction of this Code by virtue of a separation from any later period of service.

Sec. 67. NRS 412.286 is hereby amended to read as follows:

412.286 ***1.*** Under Office regulations, limitations may be placed on the powers granted by NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** with respect to the kind and amount of punishment authorized, the categories of commanding officers and warrant officers exercising command authorized to exercise those powers, the applicability of NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** to an accused who demands trial by court-martial, and the kinds of courts-martial to which the case may be referred upon such a demand. However, punishment may not be imposed upon any member of the Nevada National Guard under NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** if the member has, before the imposition of such punishment, demanded trial by court-martial in lieu of such punishment. Under Office regulations, rules may be prescribed with respect to the suspension of punishments authorized hereunder. If authorized by Office regulations, a commanding officer exercising general court-martial jurisdiction or an officer of general rank in command may delegate his or her powers under NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** to a principal assistant.

2. When nonjudicial punishment has been imposed for an offense, nonjudicial punishment may not again be imposed for the same offense. Administrative action can be taken for the same offense and will not be considered double punishment under the Code. For the purposes of this

subsection, "same offense" means an offense that was part of a single incident or course of conduct.

3. After nonjudicial punishment has been imposed, it may not be increased, upon appeal or otherwise, unless the punishment imposed was not provided for in the Code.

4. When a commanding officer determines that nonjudicial punishment is appropriate for a particular serviceman or servicewoman, all known offenses determined to be appropriate for disposition by nonjudicial punishment and ready to be considered at that time, including, without limitation, all such offenses arising from a single incident or course of conduct, must ordinarily be considered together, rather than being made the basis for multiple punishment.

5. Nonjudicial punishment may not be imposed for any offense which was committed more than 3 years before the date of imposition of punishment, unless such 3-year limitation is waived by the accused in writing or unless the accused has filed an appeal under this Code.

6. Nothing in subsection 2 or 4 precludes a commanding officer from imposing, at one time, more than one punishment nonjudicially for the offense or offenses arising from a single incident or course of conduct authorized in the Code.

Sec. 68. NRS 412.288 is hereby amended to read as follows:

412.288 Subject to NRS 412.286, **[**~~any~~**]** ***a*** commanding officer may **[**~~, in addition to or in lieu of admonition or reprimand,~~**]** impose one or more of the following ***authorized maximum*** disciplinary punishments ***listed in this section*** for minor offenses **,** without the intervention of a court-martial:

~~➥ Detention of pay shall be for a stated period of not more than 1 year but if the offender's term of service expires earlier, the detention shall terminate upon that expiration. No two or more of the punishments of arrest in quarters, correctional custody, extra duties, and restriction may be combined to run consecutively in the maximum amount imposable for each. Whenever any of those punishments are combined to run consecutively there must be an apportionment. In addition, forfeiture of pay may not be combined with detention of pay without an apportionment. For the purposes of this subsection, "correctional custody" is the physical restraint of a person during duty or nonduty hours and may include extra duties, fatigue duties or hard labor. If practicable, correctional custody will not be served in immediate association with persons awaiting trial or held in confinement pursuant to trial by court-martial.~~]

1. The maximum punishments a company grade officer may impose upon enlisted members of the officer's command for each offense are:

(a) For traditional guard members of the Nevada National Guard:

(1) Suspension from duty for not more than two drill periods which need not be consecutive;

(2) Forfeiture of pay for not more than two drill periods which need not be consecutive;

(3) Reduction to the next inferior pay grade if the grade from which the serviceman or servicewoman is demoted is within the authority to promote of the officer imposing the reduction;

2. The maximum punishments a commanding officer of the grade of major or above may impose upon enlisted members of the officer's command are:

(a) Any punishment authorized in subsection 1.

(b) For traditional guard members of the Nevada National Guard:

(1) Suspension from duty for not more than four drill periods which need not be consecutive;

(2) Forfeiture of pay for not more than four drill periods which need not be consecutive; and

(3) Reduction to the next inferior pay grade if the grade from which the serviceman or servicewoman is demoted is within the authority to promote of the officer imposing the reduction or any officer subordinate to the one who imposes the reduction, but an enlisted member in a pay grade above E-4 may not be reduced more than two pay grades.

(c) For active guard reserve members of the Nevada National Guard:

(1) Suspension from duty for not more than 1 month, the days of which need not be consecutive;

(2) Forfeiture of pay for not more than 1 month, the days of which need not be consecutive; and

(3) Reduction to the next inferior pay grade if the grade from which the serviceman or servicewoman is demoted is within the authority to promote of the officer imposing the reduction or any officer subordinate to

the one who imposes the reduction, but an enlisted member in a pay grade above E-4 may not be reduced more than two pay grades.

3. The maximum punishments which a commanding officer may impose upon officers under the commanding officer's command are:

(a) Any punishment otherwise authorized pursuant to this section and, if the commanding officer is a major or above, any punishment authorized in subsection 2.

(b) If imposed by an officer exercising general court-martial jurisdiction or an officer of general rank in command:

(1) For traditional guard members of the Nevada National Guard:

(I) Suspension from duty for not more than eight drill periods which need not be consecutive; and

(II) Forfeiture of pay for not more than one-half of one drill period's pay for eight drill periods which need not be consecutive.

(2) For active guard reserve members of the Nevada National Guard:

(I) Suspension from duty for not more than 2 months, the days of which need not be consecutive; and

(II) Forfeiture of pay for not more than one-half of 1 month's pay for 2 months, the days of which need not be consecutive.

4. The Governor, the Adjutant General, an officer exercising general court-martial authority or an officer of a general or flag rank may impose any punishment authorized in subsection 1, 2 or 3 upon any officer or enlisted member of the officer's command.

Sec. 69. NRS 412.294 is hereby amended to read as follows:

412.294 ***1.*** The officer who imposes the punishment authorized in NRS 412.288, or the officer's successor in command, may, at any time, suspend probationally any part or amount of the unexecuted punishment imposed and may suspend probationally a reduction in grade or a forfeiture imposed under NRS 412.288, whether or not executed.

2. In addition, he or she may, at any time, remit or mitigate any part or amount of the unexecuted punishment imposed and may set aside in whole or in part the punishment, whether executed or unexecuted, and restore all rights, privileges and property affected.

3. He or she may also mitigate reduction in grade to forfeiture or detention of pay. ~~[When mitigating:~~

~~1. Arrest in quarters to restriction;~~

~~2. Correctional custody to extra duties or restriction, or both; or~~

~~3. Extra duties to restriction,~~

~~➥ the mitigated punishment shall not be for a greater period than the punishment mitigated.]~~

4. When mitigating forfeiture of pay to detention of pay, the amount of the detention ~~[shall]~~ ***must*** not be greater than the amount of the forfeiture.

5. When mitigating reduction in grade to forfeiture or detention of pay, the amount of the forfeiture or detention shall not be greater than the amount that could have been imposed initially under NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** by the officer who imposed the punishment mitigated.

Sec. 70. NRS 412.296 is hereby amended to read as follows:

412.296 ***1.*** A person punished under NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** who considers his or her punishment unjust or disproportionate to the offense may, through the proper channel, appeal to the next superior authority. The appeal shall be promptly forwarded and decided, but the person punished may in the meantime be required to undergo the punishment adjudged. The superior authority may exercise the same powers with respect to the punishment imposed as may be exercised under NRS 412.294 by the officer who imposed the punishment. Before acting on an appeal from a punishment of:

~~[1. Arrest in quarters for more than 7 days;~~
~~2. Correctional custody for more than 7 days;~~
~~3. Forfeiture of more than 7 days' pay;~~
~~4. Reduction of one or more pay grades from the fourth or a higher pay grade;~~
~~5. Extra duties for more than 14 days;~~
~~6. Restriction for more than 14 days; or~~
~~7. Detention of more than 14 days' pay,]~~

(a) Suspension or forfeiture of pay for more than two drill periods or 14 days; or

(b) Reduction of one or more pay grades,

➥ the authority who is to act on the appeal shall refer the case to the State Judge Advocate for consideration and advice, and may so refer the case upon appeal from any punishment imposed under NRS 412.288.

2. Appeals of nonjudicial punishment must be made to the next superior authority. The next superior authority is typically the commanding officer superior to the commanding officer who imposed the punishment. When a principal assistant imposes nonjudicial punishment, the next superior authority is the commanding officer superior to the commanding officer who delegated the power to the principal assistant to impose punishment.

3. Only one appeal is allowed pursuant to this section.

4. The accused must be given a reasonable time within which to submit an appeal. A reasonable time is ~~[15]~~ 30 days after imposition of the nonjudicial punishment or the time before the next monthly drill following imposition of the punishment, whichever comes ~~[first,]~~ later.

5. A superior authority to the commanding officer who imposed the nonjudicial punishment, typically the next superior commanding officer, may act on an appeal.

6. Appeals must be in writing on applicable forms provided by the Office of the State Judge Advocate and must set forth the reasons for appeal and include additional documentation and evidence supporting the appeal. The superior authority may not consider additional evidence which was not presented to the commanding officer who imposed the nonjudicial punishment unless the exclusion of such evidence would yield an unjust result.

7. Before acting on an appeal, the superior authority shall refer the case to a judge advocate for consideration and advice. The judge advocate shall render an opinion as to the appropriateness of the punishment and whether the proceedings were conducted in accordance with law and regulations. When a case is so referred, the judge advocate is not limited to an examination of any written matter comprising the record of proceedings, and may make any inquiries and examine any additional matter deemed necessary.

8. In acting on an appeal, the superior authority may exercise the same power with respect to punishment imposed as may be exercised by the officer who imposed the nonjudicial punishment. The superior authority shall consider the record of proceedings, any matters submitted by the serviceman or servicewoman, any matters considered during legal review and any other appropriate matters. If the superior authority sets aside nonjudicial punishment due to procedural error, such superior authority may authorize additional proceedings by the imposing commanding officer or a successor, but the punishment shall be not more severe than that originally imposed. Upon completion of action by the superior authority, the accused must be promptly notified of the results.

Sec. 71. NRS 412.298 is hereby amended to read as follows:

412.298 The imposition and enforcement of disciplinary punishment ~~[under]~~ ***pursuant to*** NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act,*** for any act or omission is not a bar to trial by court-martial for a serious crime or offense growing out of the same act or omission and not properly punishable ~~[under]~~ ***pursuant to*** NRS 412.286 to 412.302, inclusive ~~[.]~~ ***, and sections 10 to 17, inclusive, of this act,*** but the fact that a disciplinary punishment has been enforced may be shown by the accused upon trial, and when so shown shall be considered in determining the measure of punishment to be adjudged in the event of a finding of guilty.

Sec. 72. NRS 412.304 is hereby amended to read as follows:

412.304 1. In the Nevada National Guard not in federal service, there are general, special and summary courts-martial constituted like similar

courts of the Army and Air Force. They have the jurisdiction and powers, except as to punishments, and ~~[shall]~~ ***must*** follow the forms and procedures provided for those courts.

2. ~~[Courts-martial shall be constituted as follows:]~~ ***The three types of courts-martial for the state military forces include:***

(a) General courts-martial **,** consisting of:

(c) Summary courts-martial, consisting of one commissioned officer.

Sec. 73. NRS 412.308 is hereby amended to read as follows:

Sec. 76. NRS 412.324 is hereby amended to read as follows:

2. When only one commissioned officer is present with a command or detachment he or she shall be the summary court-martial of that command or detachment and shall hear and determine all summary court-martial cases brought before him or her. Summary courts-martial may, however, be

Sec. 79. NRS 412.332 is hereby amended to read as follows:

412.332 1. Any commissioned officer of or on duty with the Nevada National Guard is eligible to serve on all courts-martial for the trial of any person who may lawfully be brought before such courts for trial.

2. Any warrant officer of or on duty with the Nevada National Guard is eligible to serve on general and special courts-martial for the trial of any person, other than a commissioned officer, who may lawfully be brought before such courts for trial.

3. Any enlisted member of the Nevada National Guard who is not a member of the same unit as the accused is eligible to serve on general and special courts-martial for the trial of any enlisted member who may lawfully be brought before such courts for trial, but he or she shall serve as a member of a court only if, before the ~~[convening of the court,]~~ ***conclusion of a session called by the military judge before trial or, in the absence of such a session, before the court is assembled for the trial of the accused,*** the accused personally has requested ***orally on the record or*** in writing that enlisted members serve on it. After such a request, the accused ***serviceman or servicewoman*** may not be tried by a general or special court-martial the membership of which does not include enlisted members in a number comprising at least one-third of the total membership of the court, unless eligible members cannot be obtained on account of physical conditions or military exigencies. If such members cannot be obtained, the court may be convened and the trial held without them, but the convening authority shall make a detailed written statement, to be appended to the record, stating why they could not be obtained. As used in this subsection, the word "unit" means any regularly organized body of the Nevada National Guard not larger than a company, a squadron or a corresponding body.

4. When it can be avoided, no person subject to this Code shall be tried by a court-martial any member of which is junior to him or her in rank or grade.

5. When convening a court-martial, the convening authority shall detail as members thereof such members of the Nevada National Guard as, in his or her opinion, are best qualified for the duty by reason of age, education, training, experience, length of service, and judicial temperament. No member of the Nevada National Guard is eligible to serve as a member of a general or special court-martial when he or she is the accuser ***,*** ~~[or]~~ a witness ***,*** ~~[for the prosecution]~~ or has acted as investigating officer or as counsel in the same case.

6. Before a court-martial is assembled for the trial of a case, the convening authority may excuse a member of the court from participating

in the case. The convening authority may delegate the authority under this subsection to a judge advocate or to any other principal assistant.

7. If within the command of the convening authority there is present and not otherwise disqualified a commissioned officer who is a member of the bar of the State and of appropriate rank, the convening authority shall appoint him or her as president of a special court-martial. Although this requirement is binding on the convening authority, failure to meet it in any case does not divest a military court of jurisdiction.

Sec. 80. NRS 412.334 is hereby amended to read as follows:

412.334 1. ***A military judge must be detailed to each general and special court-martial. The military judge shall preside over each open session of the court-martial to which the military judge has been detailed.***

2. The authority convening a general or special court-martial shall request the State Judge Advocate to detail a military judge. ***Neither the convening authority nor any staff member of the convening authority may prepare or review any report concerning the effectiveness, fitness or efficiency of the military judge who is detailed if the report relates to the military judge's performance of duty as a military judge.***

~~[2.]~~ ***3.*** No person may act as military judge in a case wherein the person is the accuser, a witness ***,*** ~~[for the prosecution,]~~ counsel or has acted as investigating officer.

~~[3.]~~ ***4.*** The military judge may not consult with the members of the court except in the presence of the accused and trial and defense counsel, nor may he or she vote with the members of the court.

Sec. 81. NRS 412.336 is hereby amended to read as follows:

412.336 1. For each general and special court-martial the authority convening the court shall request the State Judge Advocate to detail trial and defense counsel and such assistants as he or she considers appropriate.

2. No person who has acted as investigating officer, military judge or court member may thereafter act as trial counsel or assistant trial counsel in the same case.

3. Unless requested by the accused, no person who has acted as investigating officer, military judge or court member may thereafter act as defense counsel or assistant defense counsel in the same case.

4. No person who has acted for the prosecution may thereafter act for the defense in the same case; nor may any person who has acted for the defense act for the prosecution in the same case.

5. Counsel for general and special courts-martial shall be a member of the bar of the highest court of a state or of a federal court.

6. Except as otherwise provided in subsection 7, trial counsel or defense counsel detailed for a general or special court-martial must be a

judge advocate, and trial counsel must be a member in good standing of the State Bar of Nevada.

7. In the instance when defense counsel is not a member of the State Bar of Nevada, the defense counsel must be deemed admitted pro hac vice, subject to filing a certificate with the military judge setting forth the qualifications that counsel is:

(a) A commissioned officer of the Armed Forces of the United States or a component thereof;

(b) A member in good standing of the bar of the highest court of his or her state; and

(c) Certified as a judge advocate in the Judge Advocate General's Corps of the Army, Air Force, Navy or the Marine Corps; or

(d) A judge advocate as defined in this Code.

Sec. 82. NRS 412.342 is hereby amended to read as follows:

412.342 1. No member of a general or special court-martial may be absent or excused after ~~[the accused has been arraigned except]~~ ***the court has been assembled for the trial of the accused unless:***

(a) Excused as a result of a challenge;

(b) Excused by the military judge for physical disability ***;*** or ~~[as a result of a challenge or by]~~

(c) By order of the convening authority for good cause.

2. Whenever a general court-martial ***, other than a general court-martial composed of a military judge only,*** is reduced below five members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than five members. When the new members have been sworn, the trial may proceed after the recorded testimony of each witness previously examined has been read to the court in the presence of the military judge, the accused and counsel.

3. Whenever a special court-martial is reduced below three members, the trial may not proceed unless the convening authority details new members sufficient in number to provide not less than three members. When the new members have been sworn, the trial shall proceed as if no evidence has previously been introduced, unless a verbatim record of the testimony of previously examined witnesses or a stipulation thereof is read to the court in the presence of the accused and counsel.

4. If the military judge of a court-martial composed of a military judge only is unable to proceed with trial because of physical disability, as a result of a challenge or for other good cause, the trial will proceed, subject to any applicable conditions of NRS 412.334, after the detail of a new military judge as if no evidence had previously been introduced, unless a verbatim record of the evidence previously introduced or a stipulation

thereof is read in court in the presence of the new military judge, the accused and counsel for both sides.

Sec. 83. NRS 412.348 is hereby amended to read as follows:

412.348 1. No charge or specification may be referred to a general court-martial for trial until a thorough and impartial investigation of all the matters set forth therein has been made. This investigation shall include inquiry as to the truth of the matter set forth in the charges, consideration of the form of charges, and a recommendation as to the disposition which should be made of the case in the interest of justice and discipline.

2. The accused shall be advised of the charges against him or her and of his or her right to be represented at that investigation by counsel. Upon his or her own request he or she shall be represented by civilian counsel if provided by him or her, or military counsel of his or her own selection if such counsel is reasonably available, or by counsel detailed by the officer exercising general court-martial jurisdiction over the command. At that investigation full opportunity shall be given to the accused to cross-examine witnesses against him or her if they are available and to present anything he or she may desire in his or her own behalf, either in defense or mitigation, and the investigating officer shall examine available witnesses requested by the accused. If the charges are forwarded after the investigation, they shall be accompanied by a statement of the substance of the testimony taken on both sides and a copy thereof shall be given to the accused.

3. If an investigation of the subject matter of an offense has been conducted before the accused is charged with an offense, and if the accused was present at the investigation and afforded the opportunities for representation, cross-examination and presentation prescribed in subsection 2, no further investigation of that charge is necessary under this section unless it is demanded by the accused after he or she is informed of the charge. A demand for further investigation entitles the accused to recall witnesses for further cross-examination and to offer any new evidence in his or her own behalf.

4. ***If evidence adduced in an investigation under this section indicates that the accused committed an uncharged offense, the investigating officer may investigate the subject matter of that offense without the accused having first been charged with the offense if the accused is:***

(a) Present at the investigation;

(b) Informed of the nature of each uncharged offense investigated; and

(c) Afforded the opportunities for representation, cross-examination and presentation prescribed in subsection 2.

5. The requirements of this section are binding on all persons administering this Code but failure to follow them does not divest a military court of jurisdiction.

Sec. 84. NRS 412.354 is hereby amended to read as follows:

412.354 1. Before directing the trial of any charge by general court-martial, the convening authority shall refer it to the State Judge Advocate for consideration and advice. The convening authority may not refer a ***specification under a*** charge to a general court-martial for trial unless ~~[he or she has found that the charge alleges an offense under this Code and is warranted by evidence indicated in the report of the investigation.]~~ ***the convening authority has been advised in writing by a judge advocate that:***

(a) The specification alleges an offense under this Code;

(b) The specification is warranted by evidence indicated in the report of the investigation, if there is such a report; and

(c) A court-martial would have jurisdiction over the accused and the offense.

2. If the charges or specifications are not formally correct or do not conform to the substance of the evidence contained in the report of the investigating officer, formal corrections, and such changes in the charges and specifications as are needed to make them conform to the evidence, may be made.

3. The advice of the State Judge Advocate pursuant to subsection 1, with respect to a specification under a charge, must include a written and signed statement by the judge advocate:

(a) Expressing conclusions with respect to each matter set forth in subsection 1; and

(b) Recommending action that the convening authority take regarding the specification. If the specification is referred for trial, the recommendation of the judge advocate must accompany the specification.

Sec. 85. NRS 412.358 is hereby amended to read as follows:

412.358 ~~[The procedure,]~~ ***Pretrial, trial and posttrial procedures,*** including modes of proof, ~~[in cases before military courts and other military tribunals]~~ ***for cases before courts-martial arising under this Code and for courts of inquiry,*** may be prescribed by ~~[Office regulations, which must, so far as practicable, apply the principles of law and the rules of evidence generally recognized in the trial of criminal cases in the courts of the State, but which may not be contrary to or inconsistent with this Code.]~~ ***the Governor or the Adjutant General by regulations, or as otherwise provided by law. The regulations prescribed under this section must apply the principles of law and the rules of evidence generally recognized in military criminal cases in the courts of the Armed Forces of the United States and must not be contrary to or inconsistent with this Code.***

Sec. 86. NRS 412.362 is hereby amended to read as follows:

412.362 ~~[No]~~

1. Except as otherwise provided in subsection 2, no authority convening a general, special or summary court-martial nor any other commanding officer, or officer serving on the staff thereof, may censure, reprimand or admonish the court or any member, law officer or counsel thereof, with respect to the findings or sentence adjudged by the court, or with respect to any other exercise of its, his or her functions in the conduct of the proceeding. No person subject to this Code may attempt to coerce or, by any unauthorized means, influence the action of the court-martial or any other military tribunal or any member thereof, in reaching the findings or sentence in any case, or the action of any convening, approving or reviewing authority with respect to his or her judicial acts.

2. Subsection 1 does not apply with respect to:

(a) General instructional or informational courses in military justice if such courses are designed solely for the purpose of instructing members of a command in the substantive and procedural aspects of courts-martial; or

(b) To statements and instructions given in open court by the military judge, summary court-martial officer or counsel.

3. In the preparation of an effectiveness, fitness or efficiency report, or any other report or document used in whole or in part for the purpose of determining whether a member of the state military forces is qualified to be advanced in grade, or in determining the assignment or transfer of a member of the state military forces or in determining whether a member of the state military forces should be retained on active status, no person subject to this Code may, in preparing any such report:

(a) Consider or evaluate the performance of duty of any such member as a member of a court-martial or witness therein; or

(b) Give a less favorable rating or evaluation of any counsel of the accused because of zealous representation before a court-martial.

Sec. 87. NRS 412.364 is hereby amended to read as follows:

412.364 1. The trial counsel of a general or special court-martial shall prosecute in the name of the State and shall, under the direction of the court, prepare the record of the proceedings.

2. The accused has the right to be represented in his or her defense before a general or special court-martial ~~[by]~~ ***or at an investigation as provided in NRS 412.348.***

3. The accused may be represented:

(b) By military counsel selected by the accused if reasonably available ***;*** ~~[,]~~ or ~~[by]~~

(c) By the defense counsel detailed under NRS 412.336.

4. Should the accused have counsel of his or her own selection, the defense counsel and assistant defense counsel, if any, who were detailed, shall, if the accused so desires, act as his or her associate counsel ***,*** ~~[;]~~ otherwise they shall be excused by the president of the court.

5. Except as otherwise provided in subsection 6, if the accused is represented by military counsel of his or her own selection pursuant to paragraph (b) of subsection 3, any military counsel detailed in paragraph (c) of subsection 3 must be excused.

6. The accused is not entitled to be represented by more than one military counsel. However, the person authorized under regulations prescribed under NRS 412.336 to detail counsel, in that person's sole discretion:

(a) May detail additional military counsel as assistant defense counsel; and

(b) If the accused is represented by military counsel of the accused's own selection pursuant to paragraph (b) of subsection 3, may approve a request from the accused that military counsel detailed in paragraph (c) of subsection 3 act as associate defense counsel.

7. The senior force judge advocate of the same component of which the accused is a member shall determine whether the military counsel selected by an accused is reasonably available.

~~[3.]~~ ***8.*** In every court-martial proceeding the defense counsel may, in the event of conviction ~~[, forward]~~ ***:***

(b) Assist the accused in the submission of any matter under NRS 412.452 to 412.562, inclusive, and sections 33 to 40, inclusive, of this act; and

(c) Take other action authorized by this Code.

9. An assistant trial counsel of a general court-martial may, under the direction of the trial counsel or when he or she is qualified to be a trial counsel as required by NRS 412.336, perform any duty imposed by law, regulation or the custom of the service upon the trial counsel of the court. An assistant trial counsel of a special court-martial may perform any duty of the trial counsel.

~~[5.]~~ ***10.*** An assistant defense counsel of a general or special court-martial may, under the direction of the defense counsel or when he or she is qualified to be the defense counsel as required by NRS 412.336, perform any

duty imposed by law, regulation or the custom of the service upon counsel for the accused.

Sec. 88. NRS 412.366 is hereby amended to read as follows:

412.366 1. At any time after the service of charges, which have been referred for trial to a court-martial composed of a military judge and members, the military judge may call the court into session without the presence of the members for:

(a) Hearing and determining motions raising defenses or objections which are capable of determination without trial of the issues raised by a plea of not guilty;

(b) Hearing and ruling upon any matter which may be ruled upon by the military judge whether or not the matter is appropriate for later consideration or decision by the members of the court;

(c) Holding the arraignment and receiving the pleas of the accused; or

(d) Performing any other procedural function which may be performed by the military judge which does not require the presence of the members of the court. These proceedings shall be conducted in the presence of the accused, defense counsel and trial counsel and shall be made a part of the record.

2. ***The proceedings described in subsection 1 must be conducted in the presence of the accused, defense counsel and trial counsel and must be made a part of the record. Such proceedings are not required to adhere to the provisions of NRS 412.342.***

3. Whenever a general or special court-martial deliberates or votes, only the members of the court may be present. All other proceedings, including any other consultation of the court with counsel or the military judge, shall be made a part of the record and shall be in the presence of the accused, the defense counsel, the trial counsel, and the military judge.

Sec. 89. NRS 412.372 is hereby amended to read as follows:

412.372 1. The military judge and members of a general or special court-martial may be challenged by the accused or the trial counsel for cause stated to the court. The military judge shall determine the relevancy and validity of challenges for cause, and may not receive a challenge to more than one person at a time. Challenges by the trial counsel shall be presented and decided before those by the accused are offered, unless justice dictates otherwise.

2. ***If exercise of a challenge for cause reduces the court below the minimum number of members required by NRS 412.304, all parties shall, notwithstanding NRS 412.342, either exercise or waive any challenge for cause then apparent against the remaining members of the court before additional members are detailed to the court. However, peremptory challenges must not be exercised at that time.***

3. Each accused and the trial counsel is entitled to one peremptory challenge, but the military judge may not be challenged except for cause.

4. If exercise of a peremptory challenge reduces the court below the minimum number of members required by NRS 412.304, the parties shall, notwithstanding NRS 412.342, either exercise or waive any remaining peremptory challenge not previously waived against the remaining members of the court before additional members are detailed to the court.

5. Whenever additional members are detailed to the court and after any challenges for cause against such additional members are presented and decided, each accused and the trial counsel are entitled to one peremptory challenge against members not previously subject to peremptory challenge.

Sec. 90. NRS 412.374 is hereby amended to read as follows:

412.374 1. The military judge, interpreters, and in general and special courts-martial, members, trial counsel, assistant trial counsel, defense counsel, assistant defense counsel and reporters shall take an oath or affirmation in the presence of the accused to perform their duties faithfully.

2. ***The form of the oath or affirmation, the time and place of the taking thereof, the manner of recording the same and whether the oath or affirmation must be taken for all cases in which these duties are to be performed or for a particular case must be as prescribed in regulation or as provided by law. The regulations may provide that:***

(a) An oath or affirmation to perform faithfully the duties of a military judge, trial counsel or defense counsel may be taken at any time by any judge advocate or other person certified or designated to be qualified or competent for the duty; and

(b) If such an oath or affirmation is taken, it need not again be taken at the time the judge advocate or other person is detailed to that duty.

3. Each witness before a military court shall be examined on oath or affirmation.

Sec. 91. NRS 412.376 is hereby amended to read as follows:

412.376 1. A person charged with desertion or absence without leave in time of war, or with aiding the enemy or with mutiny, may be tried and punished at any time without limitation.

2. Except as otherwise provided in this section, a person charged with desertion in time of peace or the offense punishable under NRS 412.554, is not liable to be tried by court-martial if the offense was committed more than 3 years before the receipt of sworn charges and specifications by an officer exercising summary court-martial jurisdiction over the command.

3. Except as otherwise provided in this section ~~[,]~~ ***or title 15 of NRS,*** a person charged with any offense is not liable to be tried by court-martial or punished under NRS 412.286 to 412.302, inclusive, ***and sections 10 to 17, inclusive, of this act*** if the offense was committed more than ~~[2]~~ ***3*** years

4. ***Periods in which the accused is absent without authority or fleeing from justice are excluded in computing the period of limitation prescribed in this section.***

5. Periods in which the accused was absent from territory in which the State has the authority to apprehend the accused, or in the custody of civil authorities, or in the hands of the enemy, ~~[shall be]~~ ***are*** excluded in computing the period of limitation prescribed in this section.

6. When the United States is at war, the running of any statute of limitations applicable to any offense under this Code:

(a) Involving fraud or attempted fraud against the United States, any state or any agency of either in any manner, whether by conspiracy or not;

(b) Committed in connection with the acquisition, care, handling, custody, control or disposition of any real or personal property of the United States or any state; or

(c) Committed in connection with the negotiation, procurement, award, performance, payment, interim financing, cancellation or other termination or settlement of any contract, subcontract or purchase order which is connected with or related to the prosecution of war or with any disposition of termination inventory by any war contractor or government agency,

➥ is suspended until 2 years after the termination of hostilities as proclaimed by the President of the United States or by a joint resolution of the Congress of the United States.

7. If charges or specifications are dismissed as defective or insufficient for any cause and the period prescribed by the applicable statute of limitations has expired or will expire within 180 days after the dismissal of the charges or specifications, trial and punishment under new charges and specification are not barred by the statute of limitations if the new charges and specifications:

(a) Are received by an officer exercising summary court-martial jurisdiction over the command within 180 days after the dismissal of the charges or specifications; and

(b) Allege the same acts or omissions that were alleged in the dismissed charges or specifications or allege acts or omissions that were included in the dismissed charges or specifications.

Sec. 92. NRS 412.382 is hereby amended to read as follows:

412.382 ***1.*** If an accused arraigned before a court-martial makes an irregular pleading, or after a plea of guilty sets up matter inconsistent with

the plea, or if it appears that the accused has entered the plea of guilty improvidently or through lack of understanding of its meaning and effect, or if the accused fails or refuses to plead, a plea of not guilty shall be entered in the record, and the court shall proceed as though the accused had pleaded not guilty.

2. With respect to any charge or specification to which a plea of guilty has been made by the accused and accepted by the military judge or by a court-martial without a military judge, a finding of guilty of the charge or specification may be entered immediately without vote. This finding constitutes the finding of the court unless the plea of guilty is withdrawn before the announcement of the sentence, in which event the proceedings must continue as though the accused had pleaded not guilty.

Sec. 93. NRS 412.388 is hereby amended to read as follows:

412.388 A military court may punish for contempt any person who uses any menacing word, sign or gesture in its presence, or who disturbs its proceedings by any riot or disorder. The punishment may not exceed confinement for 30 days or a fine of $100, or both. ***A person not subject to this Code may be punished for contempt by a military court in the same otherwise applicable manner as that person could be punished if found in contempt of a criminal or civil court of the State.***

Sec. 94. NRS 412.396 is hereby amended to read as follows:

412.396 1. Voting by members of a general or special court-martial upon questions of challenge, on the findings and on the sentence ~~[shall]~~ ***must*** be by secret written ballot. The junior member of the court shall in each case count the votes. The count ~~[shall]~~ ***must*** be checked by the president, who shall forthwith announce the result of the ballot to the members of the court. ***Unless a ruling is final, if any member objects thereto, the court must be cleared and closed and the question decided by a voice vote as provided in NRS 412.398, beginning with the junior in rank.***

2. ***The military judge shall rule upon all questions of law and all interlocutory questions arising during the proceedings. Except as otherwise provided in this subsection, any such ruling made by the military judge upon any question of law or any interlocutory question other than the factual issue of mental responsibility of the accused is final and constitutes the ruling of the court, including, without limitation, for the purposes of interlocutory appeal under NRS 412.418 to 412.438, inclusive, and sections 24 to 28, inclusive, of this act. During the trial, the military judge may change the ruling at any time.***

3. Before a vote is taken on the findings, and except where a court-martial is composed of a military judge alone, the military judge shall, in the presence of the accused and counsel, instruct the court as to the elements of the offense and charge the court:

(a) That the accused must be presumed to be innocent until his or her guilt is established by legal and competent evidence beyond reasonable doubt;

(b) That in the case being considered, if there is a reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and he or she must be acquitted;

(c) That if there is a reasonable doubt as to the degree of guilt, the findings must be in a lower degree as to which there is no reasonable doubt; and

(d) That the burden of proof to establish the guilt of the accused beyond reasonable doubt is upon the State.

~~[3.]~~ ***4.*** If the court-martial is composed of a military judge alone, he or she shall determine all questions of law and fact, and, if the accused is convicted, adjudge an appropriate sentence. The military judge shall make a general finding, unless requested to make a special finding of facts. If an opinion or memorandum decision is filed, it is sufficient if the findings of fact appear therein.

Sec. 95. NRS 412.398 is hereby amended to read as follows:

412.398 1. No person may be convicted of an offense, except by the concurrence of two-thirds of the members present at the time the vote is taken.

2. All sentences shall be determined by the concurrence of two-thirds of the members present at the time that the vote is taken.

3. All other questions to be decided by the members of a general or special court-martial shall be determined by a majority vote ~~[.]~~ ***, but a determination to reconsider a finding of guilty or to reconsider a sentence, with a view toward decreasing it, may be made by voice and by any lesser vote which indicates that the reconsideration is not opposed by the number of votes required for finding or sentence.*** A tie vote on a challenge disqualifies the member challenged. A tie vote on a motion for a finding of not guilty or on a motion relating to the question of the accused's sanity is a determination against the accused. A tie vote on any other question is a determination in favor of the accused.

Sec. 96. NRS 412.404 is hereby amended to read as follows:

412.404 1. Each ***general and special*** court-martial ~~[shall]~~ ***must*** keep a separate record of the proceedings of the trial of each case brought before it and the record must be authenticated by the signatures of the president and the military judge. If both the president and the military judge are unavailable, the record must be authenticated by two members. ~~[A record of the proceedings of a trial in which the sentence adjudged includes a bad conduct discharge or is more than that which could be adjudged by a special court martial must contain a complete verbatim~~

All other records of trial must contain such matter and be authenticated in such manner as the Governor may, by Office regulation, prescribe.]~~ ***In a court-martial consisting of only a military judge, the court reporter shall authenticate the record under the same conditions which would impose such a duty on a member pursuant to this subsection.***

2. ***A complete verbatim record of the proceedings and testimony must be prepared in each general and special court-martial case resulting in a conviction. In all other court-martial cases, the record must contain such matters as may be prescribed by regulations.***

3. Each summary court-martial must keep a separate record of the proceedings in each case, and the record must be authenticated in the manner as may be prescribed by regulations.

4. A copy of the record of the proceedings of each general and special court-martial must be given to the accused as soon as it is authenticated. If a verbatim record of trial by general court-martial is not required by subsection ~~[1,]~~ ***2,*** the accused may buy such a record in accordance with Office regulations.

Sec. 97. NRS 412.408 is hereby amended to read as follows:

412.408 1. The punishments which a court-martial may direct for an offense may not exceed limits prescribed by this Code ~~[.]~~ ***, but a sentence may not exceed more than confinement for 10 years for a military offense nor can a sentence of death be adjudged. Any conviction by general court-martial of any military offense for which an accused can receive a sentence of confinement for more than 1 year is a felony. Except for convictions by a summary court-martial, all other military offenses are misdemeanors. Any conviction by a summary court-martial is not a criminal conviction.***

2. ***The limits of punishment for violations of punitive articles prescribed herein must be the lesser of the sentences prescribed by the Manual for Courts-Martial of the United States that went into effect on January 1, 2004, and the most current edition of the State manual for courts-martial, if any, but no punishment may exceed that authorized by this Code.***

3. None of the provisions of this Code shall subject anyone to imprisonment for failure to pay a fine imposed by a military court.

Sec. 98. NRS 412.414 is hereby amended to read as follows:

412.414 1. A sentence of confinement adjudged by a military court, whether or not the sentence includes discharge or dismissal, and whether or not the discharge or dismissal has been executed, may be carried into execution by confinement in any place of confinement under the control of any of the forces of the Nevada National Guard or in any jail, detention facility, penitentiary or prison designated for that purpose. Persons so

confined in a jail, detention facility, penitentiary or prison are subject to the same discipline and treatment as persons confined or committed to the jail, detention facility, penitentiary or prison by the courts of the State or of any political subdivision thereof.

2. ~~[The omission of the words "hard labor" from any sentence or punishment of a court-martial adjudging confinement does not deprive the authority executing that sentence or punishment of the power to require hard labor as a part of the punishment.]~~ ***No place of confinement may require payment of any fee or charge for so receiving or confining a person except as otherwise provided by law.***

3. The keepers, officers and wardens of city or county jails and of other jails, detention facilities, penitentiaries or prisons designated by the Governor, or by such person as the Governor may authorize to act under NRS 412.276, shall:

(a) Receive persons ordered into confinement before trial and persons committed to confinement by a military court; and

(b) Confine them according to law.

➥ A keeper, officer or warden may not require payment of any fee or charge for so receiving or confining a person.

Sec. 99. NRS 412.416 is hereby amended to read as follows:

412.416 1. Unless otherwise provided in Office regulations, a court-martial sentence of an enlisted member in a pay grade above E-1, as approved by the convening authority, that includes:

(a) A dishonorable or bad-conduct discharge; ***or***

(b) Confinement ~~[~~**,** ~~; or~~

~~(c) Hard labor without confinement,]~~

➥ reduces that member to pay grade E-1, effective on the date of that approval.

2. If the sentence of a member who is reduced in pay grade under subsection 1 is set aside or disapproved, or, as finally approved, does not include punishment named in subsection 1, the rights and privileges of which the member was deprived because of that reduction must be restored to him or her and he or she is entitled to the pay and allowances to which he or she would have been entitled, for the period the reduction was in effect, had the member not been so reduced.

Sec. 100. NRS 412.418 is hereby amended to read as follows:

412.418 ***1.*** Except as ***otherwise*** provided in NRS 412.316 to 412.432, inclusive, ***and sections 20 to 28, inclusive, of this act*** a court-martial sentence, unless suspended, may be ordered executed by the convening authority when approved by him or her. The convening authority shall approve the sentence or such part, amount or commuted form of the sentence

as he or she sees fit, and may suspend the execution of the sentence as approved by him or her.

2. If the sentence of the court-martial includes dismissal, a dishonorable discharge or a bad-conduct discharge and if the right of the accused to appellate review is not waived and an appeal is not withdrawn, that part of the sentence extending to dismissal, a dishonorable discharge or a bad-conduct discharge must not be executed until there is a final judgment as to the legality of the proceedings. A judgment as to the legality of the proceedings is final in such cases when review is completed by an appellate court prescribed in NRS 412.432, and is deemed final by the law of the state where judgment was had.

3. If the sentence of the court-martial includes dismissal, a dishonorable discharge or a bad-conduct discharge and if the right of the accused to appellate review is waived or an appeal is withdrawn, the dismissal, dishonorable discharge or bad-conduct discharge may not be executed until review of the case by the senior force judge advocate and any action on that review is completed. The convening authority or other person acting on the case under the Code when so approved under this section may order any other part of a court-martial sentence executed immediately.

Sec. 101. NRS 412.422 is hereby amended to read as follows:

412.422 1. ***The findings and sentence of a court-martial must be reported promptly to the convening authority after the announcement of the sentence.***

2. The accused may submit to the convening authority matters for consideration by the convening authority with respect to the findings and the sentence. Any such submission must be in writing. Except in a summary court-martial case, such a submission must be made within 10 days after the accused has been given an authenticated record of trial under subsection 4 and, if applicable, the recommendation of a judge advocate. In a summary court-martial case, such a submission must be made within 7 days after the sentence is announced.

3. If the accused shows that additional time is required for the accused to submit such matters, the convening authority or other person taking action under this section, for good cause, may extend the applicable period under subsection 2 for not more than an additional 20 days.

4. In a summary court-martial case, the accused must be promptly provided a copy of the record of trial for use in preparing a submission authorized by subsection 2.

5. The accused may waive the right to make a submission to the convening authority under subsection 2. Such a waiver must be made in writing and may not be revoked. For the purposes of subsection 7, the time

within which the accused may make a submission pursuant to this subsection shall be deemed to have expired upon the submission of such a waiver to the convening authority.

6. The convening authority has sole discretion to modify the findings and sentence of a court-martial pursuant to this section. If it is impractical for the convening authority to act, the convening authority shall forward the case to a person exercising general court-martial jurisdiction who may take action under this section.

7. Action on the sentence of a court-martial must be taken by the convening authority or by another person authorized to act under this section. The convening authority or other person authorized to take such action may do so only after consideration of any matters submitted by the accused pursuant to subsection 2 or after the time for submitting such matters expires, whichever is earlier. The convening authority or other person taking such action may approve, disapprove, commute or suspend the sentence in whole or in part.

8. The convening authority or other person authorized to act on the sentence of a court-martial may, in the person's sole discretion:

(a) Dismiss any charge or specifications by setting aside a finding of guilty;

(b) Change a finding of guilty on a charge or specification to a finding of guilty on an offense that is a lesser included offense of the offense stated in the charge or specification; or

(c) Refrain from taking any such action.

9. Before acting under this section on any general or special court-martial case in which there is a finding of guilt, the convening authority or other person taking action under this section shall obtain and consider the written recommendation of a judge advocate. The convening authority or other person taking action under this section shall refer the record of trial to the judge advocate, and the judge advocate shall use such record in the preparation of the recommendation. The recommendation of the judge advocate must include such matters as may be prescribed by regulation and must be served on the accused, who may submit any matter in response pursuant to subsection 2. By failing to object in the response to the recommendation or to any matter attached to the recommendation, the accused waives the right to object thereto.

10. The convening authority or other person taking action under this section, in the person's sole discretion, may order a proceeding in revision or a rehearing if there is an apparent error or omission in the record or if the record shows improper or inconsistent action by a court-martial with respect to findings or sentence that can be rectified without material

prejudice to the substantial rights of the accused. In no case, however, may a proceeding in revision:

(a) Reconsider a finding of not guilty of any specification or a ruling which amounts to a finding of not guilty;

(b) Reconsider a finding of not guilty of any charge, unless there has been a finding of guilty under a specification laid under that charge, which sufficiently alleges a violation of some article of this Code; or

(c) Increase the severity of the sentence unless the sentence prescribed for the offense is mandatory.

11. The convening authority or other person taking action under this section may order a rehearing if that person disapproves the findings and sentences and states the reasons for disapproval of the findings. If such person disapproves the findings and sentence and does not order a rehearing, that person shall dismiss the charges. The convening authority or other person taking action under this subsection may not order a rehearing as to the findings where there is a lack of sufficient evidence in the record to support the findings. The convening authority or other person taking action under this subsection may order a rehearing as to the sentence if that person disapproves the sentence.

12. After a trial by court-martial the record shall be forwarded to the convening authority, as reviewing authority, and action thereon may be taken by the person who convened the court, a commissioned officer commanding for the time being, a successor in command or by the Governor.

~~[2.]~~ ***13.*** The convening authority shall refer the record of each general court-martial to the State Judge Advocate, who shall submit his or her written opinion thereon to the convening authority. If the final action of the court has resulted in an acquittal of all charges and specifications, the opinion ~~[shall]~~ ***must*** be limited to questions of jurisdiction.

Sec. 102. NRS 412.426 is hereby amended to read as follows:

412.426 1. If the convening authority disapproves the findings and sentence of a court-martial he or she may, except where there is lack of sufficient evidence in the record to support the findings, order a rehearing. In such a case the convening authority shall state the reasons for disapproval. If the convening authority disapproves the findings and sentence and does not order a rehearing, he or she shall dismiss the charges.

2. Each rehearing shall take place before a court-martial composed of members not members of the court-martial which first heard the case. Upon a rehearing the accused may not be tried for any offense of which he or she was found not guilty by the first court-martial, and no sentence in excess of or more severe than the original sentence may be imposed, unless the sentence is based upon a finding of guilty of an offense not considered upon the merits in the original proceedings, or unless the sentence prescribed for

the offense is mandatory. ***If the sentence approved after the first court-martial was in accordance with a pretrial agreement and the accused at the rehearing changes a plea with respect to the charges or specifications upon which the pretrial agreement was based or otherwise does not comply with the pretrial agreement, the approved sentence as to those charges or specifications may include any punishment not in excess of that lawfully adjudged at the first court-martial.***

Sec. 103. NRS 412.432 is hereby amended to read as follows:

412.432 1. ***Except as otherwise required by this section, all records of trial and related documents must be transmitted and disposed of as prescribed by regulation and provided by law.***

2. If the convening authority is the Governor, his or her action on the review of any record of trial is final.

~~[2.]~~ ***3.*** In all other cases not covered by subsection ~~[1,]~~ ***2,*** if the sentence of a special court-martial as approved by the convening authority includes a bad-conduct discharge, whether or not suspended, the entire record must be sent to the appropriate staff judge advocate or legal officer of the state force concerned to be reviewed in the same manner as a record of trial by general court-martial. The record and the opinion of the staff judge advocate or legal officer must then be sent to the State Judge Advocate for review.

~~[3.]~~ ***4.*** All other special and summary court-martial records must be sent to the law specialist or legal officer of the appropriate force of the Nevada National Guard and must be acted upon, transmitted and disposed of as may be prescribed by Office regulations.

~~[4.]~~ ***5.*** The State Judge Advocate shall review the record of trial in each case sent to him or her for review as provided under subsection ~~[3.]~~ ***4.*** If the final action of the court-martial has resulted in an acquittal of all charges and specifications, the opinion of the State Judge Advocate must be limited to questions of jurisdiction.

~~[5.]~~ ***6.*** The State Judge Advocate shall take final action in any case reviewable by him or her.

~~[6.]~~ ***7.*** In a case reviewable by the State Judge Advocate under this section, the State Judge Advocate may act only with respect to the findings and sentence as approved by the convening authority. The State Judge Advocate may affirm only such findings of guilty, and the sentence or such part or amount of the sentence, as he or she finds correct in law and fact and determines, on the basis of the entire record, should be approved. In considering the record he or she may weigh the evidence, judge the credibility of witnesses and determine controverted questions of fact, recognizing that the trial court saw and heard the witnesses. If the State Judge Advocate sets aside the findings and sentence, he or she may, except where the setting aside is based on lack of sufficient evidence in the record to

support the findings, order a rehearing. If the State Judge Advocate sets aside the findings and sentence and does not order a rehearing, he or she shall order that the charges be dismissed.

~~[7.]~~ ***8.*** In a case reviewable by the State Judge Advocate under this section, he or she shall instruct the convening authority to act in accordance with his or her decision on the review. If the State Judge Advocate has ordered a rehearing but the convening authority finds a rehearing impracticable, he or she may dismiss the charges.

~~[8.]~~ ***9.*** The State Judge Advocate may order one or more boards of review each composed of not less than three commissioned officers of the Nevada National Guard, each of whom must be a member of the State Bar of Nevada. Each board of review shall review the record of any trial by special court-martial, including a sentence to a bad-conduct discharge, referred to it by the State Judge Advocate. Boards of review have the same authority on review as the State Judge Advocate has under this section.
