SECOND READING AND AMENDMENT

Assembly Bill No. 60.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 151.
AN ACT relating to charities; requiring nonprofit corporations to ~~[register]~~ **file certain information** with the Secretary of State before soliciting charitable contributions in this State; ~~[prescribing the information that must be filed with the Secretary of State to register;]~~ requiring the Secretary of State to provide **to the public** certain information concerning ~~[registered]~~ nonprofit corporations ~~[to the public; enacting provisions concerning the investigation of nonprofit corporations;]~~ **that solicit charitable contributions in this State;** requiring the disclosure of certain information by a person conducting a solicitation for charitable contributions for or on behalf of a nonprofit corporation or other charitable organization; authorizing

the imposition of penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law regulates the activities of nonprofit corporations within the State. (Chapter 82 of NRS)

Section 3 of this bill requires every nonprofit corporation that intends to solicit tax-deductible charitable contributions in this State to file ~~[a registration statement]~~ **certain information** and **a** financial report with the Secretary of State ~~[. Section 3 also requires the registration statement to include certain information concerning the nonprofit corporation and]~~ **at the time the corporation files its articles of incorporation and its annual list. Section 3** authorizes the financial report to be a copy of the nonprofit corporation's Form 990 IRS filing for the most recent fiscal year. ~~[The registration and financial statement must be filed annually.]~~ **Section 5** of this bill ~~[requires]~~ **provides that if** a nonprofit corporation ~~[to pay a delinquency fee of $50 if the nonprofit corporation]~~ fails to file the ~~[annual registration]~~ **information** and financial statement ~~[on or before the due date and]~~ **with its annual list, the nonprofit corporation is required to pay the $50 penalty for a default in the requirement for filing an annual list. Section 5 further** authorizes the ~~[imposition of additional penalties]~~ **Secretary of State to issue a cease and desist order** if the nonprofit corporation fails to file the ~~[registration]~~ **information** and financial statement **and pay the penalty for default** within 90 days ~~[of]~~ **after** notice of the ~~[delinquency.]~~ **default. If the nonprofit corporation fails to comply with the cease and desist order, section 5 authorizes the Secretary of State to: (1) forfeit the right of the nonprofit corporation to transact business in this State; and (2) refer the matter to the Attorney General for a determination of whether to institute the appropriate proceedings in a court of competent jurisdiction. Section 4** of this bill requires the Secretary of State to publish certain information provided by the nonprofit corporation on the Secretary of State's Internet website.

~~[Section 6 of this bill authorizes the Secretary of State to investigate the transactions, solicitations and relationships of a nonprofit corporation required to register with the Secretary of State to determine whether: (1) the purposes of the nonprofit corporation are being carried out in accordance with its articles of incorporation or other instrument setting forth its purposes; (2) the nonprofit corporation or its directors, trustees, officers or executive personnel are complying with existing law governing nonprofit corporations and the solicitation of charitable contributions; and (3) any fiduciary duties arising under law have been breached. Section 6 also authorizes the Secretary of State to order certain remedial measures if the Secretary of State finds that a nonprofit corporation or any of its directors,~~

~~trustees, officers or executive personnel have violated a provision of existing law imposing a fiduciary duty or governing the solicitation of charitable contributions.~~

~~Section 8 of this bill requires the award of costs and attorney's fees to the State in certain actions relating to nonprofit corporations and authorizes a court to require a responsible officer of a nonprofit corporation to pay a judgment obtained against the nonprofit corporation.~~**]**

Section 6.5 of this bill requires the Secretary of State to provide written notice to a person who is alleged to have violated certain provisions of law governing the solicitation of charitable contributions if the Secretary of State believes such a violation has occurred. Section 6.5 further authorizes the Secretary of State to refer a violation of certain provisions of law governing the solicitation of charitable contributions to the Attorney General for a determination of whether to institute the appropriate proceedings in a court of competent jurisdiction. Under section 6.5, in such a proceeding, the Attorney General may seek an injunction or other equitable relief and a civil penalty of not more than $1,000. If the Attorney General prevails in the proceeding, the Attorney General is entitled to recover the costs of the proceeding, including, without limitation, investigation costs and reasonable attorney's fees.

Existing law prohibits a person soliciting contributions for or on behalf of a charitable organization from making a false, deceiving or misleading claim or representation. (NRS 598.1305) **Section 12** of this bill requires a person representing that he or she is soliciting contributions for or on behalf of a charitable organization or nonprofit corporation to disclose: (1) the name of the charitable organization or nonprofit corporation as registered with the Secretary of State; (2) the state or jurisdiction in which the charitable organization or nonprofit corporation is formed; (3) the purpose of the charitable organization or nonprofit corporation; and (4) ~~[whether the charitable organization or nonprofit corporation is exempt from income tax]~~ **certain information relating to whether the contribution or donation is tax deductible** pursuant to section ~~[501(c)(3)]~~ **170(c)** of the Internal Revenue Code. Under **section 12**, the failure to make this disclosure is a deceptive trade practice.

Amendment No. 305.

SUMMARY—Revises provisions governing criminal background checks of **employees and** applicants for employment with a department of juvenile justice services or an agency which provides child welfare services. (BDR 5-993)

AN ACT relating to protection of children; requiring the department of juvenile justice services of certain larger counties and agencies which provide child welfare services to obtain a background investigation of the criminal history of **employees and** applicants for employment; requiring such a department or agency to terminate or deny employment of certain persons based on the results of an investigation of the person's criminal history; authorizing such a department or agency to terminate or deny employment if certain criminal charges are pending against an employee or applicant for employment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the board of county commissioners of a county whose population is 700,000 or more (currently Clark County) to establish by ordinance a department of juvenile justice services to administer certain provisions of existing law relating to juvenile delinquency and the abuse and neglect of children. (NRS 62G.200-62G.240) If the board of county commissioners has not established a department of juvenile justice services, the juvenile court must establish by court order a probation committee and must appoint a director of the department of juvenile justice services to administer certain functions of the juvenile court. (NRS 62G.300-62G.370)

Existing law requires certain types of facilities which provide residential services to children, including, without limitation, a public institution or agency to which a juvenile court commits a child, to obtain a background investigation of employees of the facilities. (NRS 62B.270, 424.031, 432A.170, 433B.183, 449.123) **Sections 2, 4 and 12** of this bill require a department of juvenile justice services in a county whose population is 700,000 or more (currently Clark County) and an agency which provides

child welfare services to obtain a background investigation of applicants for employment with **, and employees of,** the department or agency. **Sections 2, 4 and 12** further require such a department or agency to obtain a background investigation of each employee of the department or agency at least once every 5 years after the initial investigation. Under **sections 2, 4 and 12**, an applicant for employment or an employee required to submit to a background investigation must submit a complete set of his or her fingerprints to the department or agency and written authorization permitting the department or agency to obtain certain information concerning the background of the applicant or employee.

Sections 3, 5 and 13 of this bill: (1) require a department of juvenile justice services and an agency which provides child welfare services to deny employment to an applicant, or terminate the employment of an employee, who has been convicted of certain crimes or who has had a substantiated allegation of child abuse or neglect made against him or her; and (2) authorize a department of juvenile justice services and an agency which provides child welfare services to deny employment to an applicant, or terminate the employment of an employee, against whom certain criminal charges are pending. Under **sections 3, 5 and 13**, a department of juvenile justice services and an agency which provides child welfare services must provide an applicant for employment or an employee a certain period to correct any information that the applicant or employee believes to be incorrect. During the period in which an applicant or employee seeks to correct information, the applicant or employee **: (1)** must not have contact with a child or the family or guardian of a child in the course of any duties as an employee of a department of juvenile justice services or an agency which provides child welfare services **[.] ; (2) may be placed on administrative leave without pay; and (3) may be subject to the internal disciplinary procedures of the department of juvenile justice services or the agency which provides child welfare services.**

Section [14] 15 of this bill provides that the provisions of this bill **[apply only to a person who,] become effective** on **[or after]** July 1, 2013, **[applies for employment with a department of juvenile justice services in a county whose population is 700,000 or more (currently Clark County) or an agency which provides child welfare services.] and, thus, apply to existing employees and applicants for employment beginning on that date.**

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 216.

AN ACT relating to civil actions; revising provisions governing comparative negligence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in any action to recover damages for death or injury to persons or property where comparative negligence is asserted as a defense, the comparative negligence of the plaintiff or the plaintiff's decedent does not bar a recovery if that negligence was not greater than the negligence or gross negligence of the parties against whom recovery is sought. Where recovery is allowed against more than one defendant in such an action, except in certain cases, each defendant is severally liable to the plaintiff only for that portion of the judgment which represents the percentage of negligence attributable to that defendant. (NRS 41.141) This bill clarifies that where recovery is allowed against more than one defendant, the liability of the defendants is joint and several, rather than several, unless

the trier of fact finds comparative negligence on the part of the plaintiff or the plaintiff's decedent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 41.141 is hereby amended to read as follows:

41.141 1. In any action to recover damages for death or injury to persons or for injury to property in which ***the trier of fact finds*** comparative negligence ~~[is asserted as a defense,]~~ ***on the part of the plaintiff or the plaintiff's decedent,*** the comparative negligence of the plaintiff or the plaintiff's decedent does not bar a recovery if that negligence was not greater than the negligence or gross negligence of the parties to the action against whom recovery is sought.

2. In ~~[those]~~ cases ~~[,]~~ ***in which comparative negligence is asserted as a defense,*** the judge shall instruct the jury that:

(a) The plaintiff may not recover if the plaintiff's comparative negligence or that of the plaintiff's decedent is greater than the negligence of the defendant or the combined negligence of multiple defendants.

(b) If the jury determines the plaintiff is entitled to recover, it shall return:

(1) By general verdict the total amount of damages the plaintiff would be entitled to recover without regard to the plaintiff's comparative negligence; and

(2) A special verdict indicating the percentage of negligence attributable to each party remaining in the action.

3. If a defendant ~~[in such an action]~~ settles with the plaintiff before the entry of judgment, the comparative negligence of that defendant and the amount of the settlement must not thereafter be admitted into evidence nor considered by the jury. The judge shall deduct the amount of the settlement from the net sum otherwise recoverable by the plaintiff pursuant to the general and special verdicts.

4. Where recovery is allowed against more than one defendant in ~~[such]~~ an action ~~[,]~~ ***in which the trier of fact finds comparative negligence on the part of the plaintiff or the plaintiff's decedent,*** except as otherwise provided in subsection 5, each defendant is severally liable to the plaintiff only for that portion of the judgment which represents the percentage of negligence attributable to that defendant.

5. This section does not affect the joint and several liability, if any, of the defendants in an action based upon:

(a) Strict liability;

(b) An intentional tort;

(c) The emission, disposal or spillage of a toxic or hazardous substance;

(d) The concerted acts of the defendants; or

(e) An injury to any person or property resulting from a product which is manufactured, distributed, sold or used in this State.

6. As used in this section:

(a) "Concerted acts of the defendants" does not include negligent acts committed by providers of health care while working together to provide treatment to a patient.

(b) "Provider of health care" has the meaning ascribed to it in NRS 629.031.

Assemblyman Frierson moved the adoption of the amendment.

Assembly Bill No. 252.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 111.

AN ACT relating to administrative regulations; revising provisions governing the posting of certain notices concerning regulations by agencies; requiring regulations to be adopted within a certain period; requiring certain information to be included on the informational statement submitted with an adopted regulation; making various other changes to the Nevada Administrative Procedure Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Administrative Procedure Act is set forth in existing law to establish the procedures for agencies of the Executive Branch of the State Government to promulgate administrative regulations. (Chapter 233B of NRS) **Section 1** of this bill requires an agency to submit a notice of any meeting or workshop relating to the adoption of a regulation to the Director of the Legislative Counsel Bureau at the same time that the agency posts notice of the meeting or workshop for posting on the Internet website maintained by the Legislative Counsel Bureau. **Section 2** of this bill ~~[~~provides that~~]~~ **requires an agency to adopt** a regulation ~~[~~will be deemed withdrawn if the agency has not adopted the regulation~~]~~ within 2 years after submitting the regulation to the Legislative Counsel**.** ~~[~~, unless the agency has petitioned and received approval for an extension from the Legislative Commission.~~]~~ **If the regulation is not adopted within that time, section 2 requires that the executive head of the agency appear personally before the Legislative Commission to explain the reason for the failure. Section 3** of this bill revises the requirements for the informational statement which is

submitted under existing law with the adopted regulation by requiring the agency to include an explanation of the need for the regulation.

Existing law provides that the Legislative Commission or the Subcommittee to Review Regulations may object to a regulation: (1) if it is determined that the regulation is not required by federal law if it is adopted for that purpose; (2) if the regulation does not conform to statutory authority; or (3) if the regulation does not carry out legislative intent. **Section 4** of this bill further allows an objection to be made to a regulation if the agency did not provide a satisfactory explanation of the need for the regulation or if the informational statement is insufficient or incomplete. If an objection is raised, under existing law, the regulation is returned to the agency. (NRS 233B.067)

Section 5 of this bill makes the provisions of this bill applicable retroactively to any regulation which has been proposed but not adopted before July 1, 2013, and to any regulation adopted on or after July 1, 2013.

Existing law prohibits a nonprofit cooperative corporation from paying dividends on stock or membership certificates in excess of 8 percent annually. Existing law also prohibits such corporations from dealing in the products of nonmembers in amounts greater in value than it handles for its members. (NRS 81.020) **Section 1** of this bill provides that a nonprofit cooperative corporation may distribute surplus funds and may issue refunds to its members in accordance with its articles of incorporation. **Section 1** revises existing law to authorize a nonprofit cooperative corporation to deal in the products of nonmembers in amounts greater in value than it handles for its members, if not prohibited by its articles of incorporation.

Existing law requires that the name of a nonprofit cooperative corporation be included in its articles of incorporation. (NRS 81.040) **Section 2** of this bill requires that the name of a such a corporation contain the word "Cooperative," the word "Co-op" or the abbreviation "N.C.C."

Existing law requires a majority vote by the members of a nonprofit cooperative corporation to adopt the initial code of bylaws of the nonprofit cooperative corporation. The authority to amend such bylaws is conferred upon the members or may, under certain circumstances, be conferred upon the directors. (NRS 81.080) **Section 3** of this bill **: (1) authorizes the initial code of bylaws to be adopted by a majority vote of either the members or the directors of the nonprofit cooperative corporation; (2) provides that the authority to amend the bylaws is conferred on the group of persons who adopted the initial code of bylaws but may, under certain circumstances, be conferred upon the other group of persons; and (3)** revises the number of votes required to ~~[transfer]~~ **adopt a resolution transferring** that authority ~~[to the board of directors]~~ from a two-thirds vote to a majority vote.

Existing law establishes procedures for mergers, conversions and exchanges involving various entities, including nonprofit cooperative corporations which, for the purposes of those procedures, fall within the definition of the term "domestic corporation." Under existing law, the board of directors of a domestic corporation, including a nonprofit cooperative corporation, is prohibited from adopting a plan of merger, conversion or exchange without the approval of its stockholders under certain circumstances. (Chapter 92A of NRS) **Sections 4-11** of this bill: (1) remove nonprofit cooperative corporations from the definition of the term "domestic

corporation"; (2) provide that a plan of merger, conversion or exchange must be approved and adopted by the board of directors unless otherwise provided for in the articles of incorporation; and (3) revise various provisions concerning mergers, conversions and exchanges to reflect the removal of nonprofit cooperative corporations from the definition of the term "domestic corporation" while maintaining the applicability of those provisions to nonprofit cooperative corporations.

By creating and redeeming us, You display for us the perfect example of self-giving love. Grant us wisdom and creativity as we seek to imitate Your compassion.

Help us to do new things this day and this week. Grant us Your mercy so that we may not be conformed to this world, but be transformed by the renewing of our minds, so that we may discern what is Your will—what is good and acceptable and perfect. Apart from You we can do nothing. All these things we pray in Your Saving Name, O Lord.

AMEN.

Pledge of allegiance to the Flag.

SECOND READING AND AMENDMENT

Assembly Bill No. 8.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 169.

AN ACT relating to public welfare; revising provisions governing the duties of the Division of Health Care Financing and Policy and the Division of Welfare and Supportive Services of the Department of Health and Human Services; repealing certain programs relating to Medicaid and public

assistance; **abolishing the State Board of Welfare and Supportive Services;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1, 2, 4-11, 15, 16 and 30 of this bill make various changes to remove some of the overlap between the chapters governing the Division of Health Care Financing and Policy of the Department of Health and Human Services and the Division of Welfare and Supportive Services of the Department to reflect more clearly the duties of each division. (Chapters 422 and 422A of NRS) With these changes, chapter 422 of NRS, which concerns health care financing and policy, concentrates on the duties of the Division of Health Care Financing and Policy with respect to Medicaid and the Children's Health Insurance Program and chapter 422A of NRS, which concerns welfare and supportive services, concentrates on the duties of the Division of Welfare and Supportive Services with respect to all programs that provide public assistance.

Section 30 of this bill repeals various provisions of existing law relating to Medicaid, the Children's Health Insurance Program and other programs which provide public assistance to accomplish that separation. **Sections 1 and 15** of this bill reenact some of those repealed provisions in the appropriate chapter based upon which Division is responsible. (NRS 232.354, 422.29308) In addition, **sections 4-9 and 11** of this bill limit certain provisions which are within the duties of the Division of Health Care Financing and Policy so that they apply only to Medicaid and the Children's Health Insurance Program. **Section 16** of this bill adds a section to the chapter concerning welfare and supportive services that duplicates a similar provision which, as amended in **section 11**, applies only to Medicaid and the Children's Health Insurance Program to continue to allow the Division of Welfare and Supportive Services to recover from recipients of public assistance or their estates certain amounts which were incorrectly paid to the recipients. (NRS 422.29304)

Sections 3, 20 and 24 of this bill replace the term "alien" with "person who is not a citizen or national of the United States" in provisions concerning the eligibility of persons who are not citizens or nationals of the United States for Medicaid and welfare programs. (NRS 422.065, 422A.085, 422A.265)

Sections 18, 19 and 23 of this bill replace references to the federal Food Stamp Program with references to the Supplemental Nutrition Assistance Program for consistency with current federal law. (7 U.S.C. §§ 2011 et seq.)

Section 21 of this bill removes the requirement that the Administrator of the Division of Welfare and Support Services be a college graduate with a degree in a field of social science, public administration, business administration or a related field and instead requires the Director to give

preference to a person who has such a degree when appointing the Administrator. (NRS 422A.155)

Section 30 of this bill abolishes the State Board of Welfare and Supportive Services, which, under existing law, makes recommendations concerning the administration of public assistance. (NRS 422A.010, 422A.110-422A.135, 422A.165) **Section 30** also repeals provisions **of chapter 422A of NRS** concerning certain family planning and prenatal care programs ~~[.]~~ **that are duplicated in chapter 422 of NRS.** (NRS ~~[422.284, 422.287,]~~ 422A.310, 422A.315)

Section 29 of this bill makes permanent the authorization in existing law for the Department to contract with certain motor carriers to transport recipients of services pursuant to the Children's Health Insurance Program who travel to and from providers of services. (NRS 422.2705; Section 2 of Chapter 392, Statutes of Nevada 2011, at p. 2470)

~~[Section 30 of this bill repeals existing law that requires the Division of Welfare and Supportive Services to identify and refer recipients of public assistance who are victims of domestic violence. (NRS 422A.350) Section 30 further repeals provisions requiring recipients of public assistance to ensure that dependent children are properly vaccinated and attending school as a condition to receipt of public assistance. (NRS 422A.355, 422A.360)]~~

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 202.

AN ACT relating to public records; revising provisions governing requests for books and records of certain agencies of the Executive Department of the State Government; ~~[codifying a common law balancing test by which governmental entities determine whether to disclose certain books and records of the entity; revising provisions governing the information that a governmental entity is required to provide upon the denial of a request for a book or record of the entity;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all public books and records of a governmental entity, the contents of which are not otherwise declared by law to be confidential, are required to be open at all times during office hours for inspection and copying by the public. (NRS 239.010) The Nevada Supreme Court has established a balancing test for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record. Under this balancing test, the

governmental entity is required to determine whether the private or governmental interest served by withholding the book or record clearly outweighs the right of the public to inspect or copy the book or record. (*Donrey v. Bradshaw*, 106 Nev. 630 (1990); *DR Partners v. Board of County Comm'rs,* 116 Nev. 616 (2000); *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010); *Reno Newspapers, Inc. v. Gibbons*, 127 Nev. Adv. Op. 79, 266 P.3d 623 (2011)) The legislative declaration for the Nevada Public Records Act (chapter 239 of NRS) requires that the Act be construed liberally to foster democratic principles by providing the public with access to inspect and copy public books and records and that any restriction on the disclosure of public books and records be construed narrowly. (NRS 239.001) Existing law imposes the burden of proof on a governmental entity that withholds a record to prove, by a preponderance of the evidence, that the record, or a part thereof, is confidential. (NRS 239.0113)

Section 1 of this bill requires the head of each agency, bureau, board, commission, department, division or any other unit of the Executive Department of State Government except the Nevada System of Higher Education to designate one or more employees to act as records ~~[manager]~~ **official** for the agency, whose duties relate to handling requests for public books or records of the agency. **Section 1** requires the **State Library and Archives Administrator, in cooperation with the** Attorney General **,** to prescribe: (1) the form for requesting to inspect a copy of a public book or record of such an agency; (2) the form to be used by such an agency to respond to such a request; and (3) the procedures with which a records ~~[manager]~~ **official** is required to comply in carrying out his or her duties. **Section 1** also requires each such agency to make those forms and procedures available on any website maintained by the agency on the Internet.

~~[Section]~~ **Sections 3 and 3.5** of this bill ~~[compiles]~~ **compile** all the statutory provisions that prohibit the disclosure of or specifically declare public books and records confidential. ~~[Section 3 also codifies the common law balancing test established by the Nevada Supreme Court for a governmental entity to apply to determine whether to disclose a book or record when the law is silent with respect to the confidentiality of the book or record.~~

~~Under existing law, if a governmental entity denies a request to inspect a public book or record because all or a portion of the book or record is confidential, the governmental entity is required to provide the requester with written notice of that fact and a citation to the legal authority that makes the book or record, or portion thereof, confidential. (NRS 239.0107) Section 4 of this bill revises the contents of the written notice to require, in most~~

~~circumstances, a general factual description of the withheld public book or record, or portion thereof, and a specific explanation for the denial of the request.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 239 of NRS is hereby amended by adding thereto a new section to read as follows:

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 109.

AN ACT relating to public meetings; exempting certain ~~[committees and subcommittees of a public body]~~ **entities, proceedings and meetings** from compliance with the Open Meeting Law in certain circumstances; prohibiting a member of a public body from designating a person to attend a meeting in the member's place without certain authority; revising provisions relating to the prosecution of an alleged violation of the Open Meeting Law; revising provisions governing the provision of supporting material for meetings to the public; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions set forth specifically in statute. (NRS 241.020) **Section 2** of this bill ~~[compiles a list of provisions relating to the applicability of and]~~ **provides certain** exceptions and exemptions to **the Open Meeting Law and provides that any other provision of law which: (1) exempts a meeting, hearing or proceeding from the requirements of the Open Meeting Law; or (2) otherwise authorizes or requires a closed meeting, hearing or proceeding prevails over the general provisions of** the Open Meeting Law**.** ~~[currently in existing law.]~~ **Sections 6 and 8** of this bill make conforming changes. ~~[Section 2 also adds an exemption to the Open Meeting Law for meetings of a committee or subcommittee of a public body when the committee or subcommittee is engaged solely in activities relating to the acquisition of facts for the public body.]~~

Section 3 of this bill prohibits a member of a public body from designating a person to attend a meeting of the public body in the place of the member unless members of the public body are expressly authorized to do so by the constitutional provision, statute, ordinance, resolution or other legal authority that created the public body. **Section 3** also requires that any such designation be made in writing ~~[,]~~ **or made on the record at a meeting of the public body,** deems any person so designated to be a member of the public body for purposes of determining a quorum at the meeting and entitles such a person to exercise the same powers as the regular members of the public body at the meeting.

Any action taken by a public body in violation of the Open Meeting Law is void. (NRS 241.036) Under existing law, the Attorney General is required to investigate and prosecute any violation of the Open Meeting Law. (NRS 241.039) Existing law authorizes the Attorney General or a member of the public to sue a public body: (1) within 60 days after an alleged violation to have an action by the public body declared void; or (2) within 120 days after an alleged violation to require the public body to comply with the Open Meeting Law. (NRS 241.037) **Section 4** of this bill provides that if a public body takes certain corrective action within 30 days after an alleged violation,

the Attorney General may decide not to commence prosecution of the alleged violation if the Attorney General determines that foregoing prosecution would be in the best interests of the public. **Section 4** also extends by 30 days the deadline by which lawsuits to enforce the Open Meeting Law may be filed by the Attorney General in the context of corrective action. **Section 4** further provides that any action taken by a public body to correct an alleged violation of the Open Meeting Law is effective prospectively **. [only.]**

With certain exceptions, a public body is required to comply with the Open Meeting Law when a quorum of its members is present to deliberate toward a decision or take action on a matter over which the public body has supervision, control, jurisdiction or advisory power. (NRS 241.015) **Section 6** of this bill defines "deliberate" for purposes of this requirement to mean **collectively** examining, weighing and reflecting on the reasons for or against an action and includes **the** collective discussion **[and the collective acquisition or the] or** exchange of facts preliminary to the ultimate decision. **Section 6** also clarifies that a quorum of members may be present in person or by means of electronic communication.

Under the Open Meeting Law, a public body is required, upon request and at no charge, to provide a copy of an agenda for the meeting, any proposed ordinance or regulation to be discussed at the meeting, and other supporting material, with certain exceptions, provided to members of the public body for an item on the agenda. (NRS 241.020) **Section 7** of this bill requires that a public body include on the notice for a meeting: (1) the name and contact information for the person designated by the public body from whom a member of the public may request the supporting material for a meeting; and (2) a list of the locations where the supporting material is available to the public. **Section 7** also requires the governing body of a city or county whose population is **[40,000] 45,000** or more (currently Clark, Douglas, Elko, Lyon **[, Nye]** and Washoe Counties and the cities of Carson City, Henderson, Las Vegas, North Las Vegas, Reno and Sparks) to post the supporting material to its website not later than the time at which the material is provided to the members of the **[public] governing** body **[.] or, if the supporting material is provided to the governing body at a meeting, not later than 24 hours after the meeting. Section 7** also authorizes such a public body to provide the supporting material via a link to the posting on its website to a person who has requested to receive the material by electronic mail if the person so agrees.

3. For purposes of subsection 1, the period of limitations set forth in subsection 3 of NRS 241.037 by which the Attorney General may bring suit is tolled for 30 days.

All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

➥ The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body

takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. 5. Upon any request, a public body shall provide, at no charge, at least one copy of:

➥ The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, "proprietary information" has the meaning ascribed to it in NRS 332.025.

6. A copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:

(a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

➥ If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. ***The governing body of a county or city whose population is*** ~~***[40,000]***~~ ***45,000 or more shall post the supporting material described in paragraph (c) of subsection 5 to its website not later than the time the material is provided to the members of the*** ~~***[public body.]***~~ ***governing body or, if the***

Such posting is supplemental to the right of the public to request the supporting material pursuant to subsection 5. The inability of the ~~*[elected public]*~~ ***governing body, as a result of technical problems with its website, to post supporting material pursuant to this subsection shall not be deemed to be a violation of the provisions of this chapter.***

8. A public body may provide the public notice, information ~~[and]~~ ***or supporting*** material required by this section by electronic mail. ~~[If]~~ ***Except as otherwise provided in this subsection, if*** a public body makes such notice, information ~~[and]~~ ***or supporting*** material available by electronic mail, the public body shall inquire of a person who requests the notice, information or ***supporting*** material if the person will accept receipt by electronic mail. ***If a public body is required to post the public notice, information or supporting material on its website pursuant to this section, the public body shall inquire of a person who requests the notice, information or supporting material if the person will accept by electronic mail a link to the posting on the website when the documents are made available.*** The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or ***supporting*** material ***or a link to a website*** required by this section to a person who has agreed to receive such notice, information ~~[or]~~ ***, supporting*** material ***or link*** by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

Amendment No. 152.

AN ACT relating to public affairs; requiring that document preparation services be registered with the Secretary of State; establishing qualifications for registration; requiring the filing of a bond; regulating the business practices of document preparation services; authorizing disciplinary action and other remedies in specified circumstances; establishing fees; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person who is not an active member of the State Bar of Nevada or otherwise authorized to practice law in this State from engaging in the practice of law. (NRS 7.285) However, so long as he or she does not engage in the practice of law, there is currently no statutory provision governing a person who provides ~~[advice or]~~ assistance in a legal matter, for compensation, to another person who is acting without the assistance of an attorney. This bill generally provides that any person engaged in the business of providing such ~~[advice or]~~ assistance (a "document preparation service") must register with the Secretary of State and comply with various additional requirements set forth in this bill.

Section 4 of this bill defines a "document preparation service" as any person who, for compensation and at the direction of a client, provides ~~[advice or]~~ assistance to the client in a legal matter, including, without

limitation, preparing or completing a pleading or other document for the client **[,] or** securing supporting documents **. [**~~or referring the client to an attorney for representation in the matter.~~]** **Section 4** excludes from this definition, among others: (1) an attorney authorized to practice law in this State, or an employee of such an attorney **who is paid directly by the attorney or law firm with whom the attorney is associated and who is** acting in the course and scope of that employment; (2) a governmental entity or an employee of such an entity; (3) a nonprofit, tax-exempt organization which provides legal services to persons free of charge; (4) certain legal aid offices and lawyer referral services; (5) a person who provides **certain** services regulated by federal law; (6) a corporation or other entity representing or acting for itself through an officer or employee, or any such officer or employee; **[**~~and~~**]** (7) **[**~~any person who holds a license or other authorization to engage in a profession or occupation and who is acting within the scope of that authorization in the regular course of business. This last exception applies, for example, to an architect, contractor, professional engineer, accountant or any other person engaged in a profession or occupation regulated pursuant to existing law.~~]** **a commercial wedding chapel; and (8) a person who provides legal forms or computer programs that enable another person to create legal documents.**

Section 5 of this bill broadly defines "legal matter" to mean the preparation of any will **[,] or** trust **, [**~~or conveyance,~~]** any immigration or citizenship proceeding, or any other proceeding, filing or action affecting the legal rights, duties, obligations or liabilities of a person.

Sections 7 and 8 of this bill provide that any person wishing to engage in the business of a document preparation service must register with the Secretary of State and renew that registration annually. **Section 7** establishes certain qualifications for registration, provides for the disqualification of any person who has been convicted of certain criminal offenses or has been adjudged to have engaged in certain kinds of misconduct, and requires that an applicant for registration undergo a check of his or her criminal history.

Section 9 of this bill requires a document preparation service to file and maintain with the Secretary of State a cash bond or surety bond, to provide a means of indemnifying a client or other person for damage caused by fraud, incompetency or **certain** other misconduct, or providing payment to the Secretary of State for any civil penalty or award of attorney's fees or costs made against the document preparation service.

Sections 12-15 of this bill impose various requirements relating to advertising and the establishment of the relationship between a document preparation service and a client. **Section 13.5 requires: (1) a registrant required to obtain a state business license to obtain and maintain a state business license; and (2) each registrant to conspicuously display at the**

registrant's place of business a copy of any state and local business license issued to the registrant or the registrant's employer. **Section 15** provides that: (1) there must be a written contract between the client and the document preparation service; **and** (2) the contract must contain certain terms and disclosures **.** ~~**[**; and (3) the client may cancel the contract within 3 days after signing it.~~**]**

Sections 16-20 of this bill set forth various required and prohibited practices applicable to a document preparation service. **Section 17** provides for the return to the client of any original documents provided by the client. **Section 18** requires the release of a client's file to any law enforcement agency on demand, with the authorization of the client. **Section 19** imposes certain requirements relating to payments made by a client ~~**[**and billing statements~~**]** for services rendered by a document preparation service.

Section 21 of this bill authorizes the Secretary of State to adopt regulations to carry out the provisions of this bill, and also requires the Secretary of State to take certain actions to facilitate the submission of complaints relating to a document preparation service.

Section 22 of this bill authorizes the Secretary of State to investigate any suspected violation of the provisions of the bill. If a violation is found, the Secretary of State may: (1) issue a cease-and-desist order; (2) initiate disciplinary proceedings; (3) refer the matter to the Attorney General or a district attorney for the commencement of a civil action or criminal prosecution; or (4) take any combination of these actions. Pursuant to **section 25** of this bill, a willful violation of any of the provisions of this bill, or of a regulation or order of the Secretary of State, is a misdemeanor except that a second or subsequent offense occurring within 5 years is a gross misdemeanor. In addition, **section 26** of this bill provides a private right of action to any person who suffers a pecuniary loss as the result of a violation.

Existing law requires any person who is employed in a child care facility, other than a facility that provides care for ill children, to complete at least 15 hours of training annually. (NRS 432A.1775) **Section 2** of this bill increases the amount of training required for ~~[those persons]~~ **each person employed in a child care facility that provides care for more than 12 children, other than a facility that provides care for ill children,** each year between January 1, 2014, and January 1, 2016. AN ACT relating to business; revising provisions governing the state business portal; ~~[requiring certain state and local agencies and health districts to use the state business portal for certain purposes;]~~ **revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts;** requiring certain persons who are not required to obtain a state business license to obtain a certificate of exemption from the Secretary of State; requiring the Secretary of State to issue unique business identification numbers under certain circumstances; revising provisions governing the issuance of certain licenses by incorporated cities and counties; **revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment,**

Legislative Counsel's Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) **Section 1** of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. **Section 1** further requires state and local agencies and health districts to **: (1) integrate their electronic application processes into the state business portal; (2)** use the state business portal to **[: (1) collect] accept and disseminate common** business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; and **[(2) to] (3)** make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal. Under **section 9** of this bill **[,] : (1)** a state or local agency or health district is **[not]** required to **[comply with section 1 until] accept common business registration information via the state business portal on or before** January 1, 2014, unless the State Board of Examiners extends that deadline **[,] ; and (2) a state or local agency or health district which believes it cannot comply with certain requirements relating to the state business portal must, with the assistance of the Secretary of State, submit to the State Board of Examiners and the Legislative Commission, on or before July 1, 2014, a written explanation setting forth: (1) the reasons that it cannot timely comply with the requirements; and (2) a timeline for integration into the state business portal.**

Under existing law, certain persons are excluded from the definition of "business" for the purposes of state business licenses and, thus, are not required to obtain a state business license. (NRS 76.020) **Section 2** of this bill requires these persons to obtain annually from the Secretary of State a certificate of exemption from the requirement to obtain a state business license. Under **section 2**, a person required to obtain a certificate of exemption must post the certificate conspicuously at his or her establishment

or place of business and is subject to a penalty of not more than ~~[$250]~~ **$50** if the person fails to do so. **Section 3** of this bill provides that a person required to obtain a state business license must post the state business license conspicuously at his or her establishment or place of business and is subject to a penalty of not more than ~~[$250]~~ **$50** if the person fails to do so.

Section 4 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person issued a state business license or a certificate of exemption from the requirement to obtain a state business license. Under **section 1**: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require applicants for such a license, certificate, registration or permit to include the business identification number on the application. **Sections 2 and 3** require that a state business license or certificate of exemption include the business identification number assigned to the holder of the license or certificate.

Sections 5 and 6 of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is provided through the state business portal. **Section 7** of this bill provides that the affidavit required by existing law to obtain a local business license to sell certain retail merchandise must include a statement that the applicant has a current state business license **, or a certificate of exemption from the requirements for a state business license,** and the applicant's business identification number. **Section 7.5 of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal.**

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 225.

AN ACT relating to anatomical gifts; providing that an anatomical gift made by an unemancipated minor who is at least 16 years of age and possesses a driver's license **or identification card** cannot be revoked or amended by the minor's parent **~~[,]~~ or guardian under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, an unemancipated minor may make an anatomical gift of his or her body or part thereof if he or she is authorized under state law to apply for a driver's license because he or she is at least 16 years of age. (NRS 451.556, 451.558) However, existing law also provides that if a donor who is an unemancipated minor dies, a parent of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's (minor's) body or part. (NRS 451.562)

This bill creates an exception such that if a donor who is an unemancipated minor dies and at the time of his or her death the donor was at least 16 years of age and held a valid driver's license **~~[,]~~ or identification card,** a parent **or guardian** of the donor is prohibited from revoking or amending an anatomical gift of the donor's (minor's) body or part **~~[.]~~ if the donor and a parent or guardian have both executed a form authorizing the anatomical gift.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 451.558 is hereby amended to read as follows:**

451.558 1. A donor may make an anatomical gift:

(a) By authorizing a statement or symbol indicating that the donor has made an anatomical gift to be imprinted on the donor's driver's license or identification card;

(b) In a will;

(c) During a terminal illness or injury of the donor, by any form of communication addressed to at least two adults, at least one of whom is a disinterested witness; or

(d) As provided in subsection 2.

2. A donor or other person authorized to make an anatomical gift under NRS 451.556 may make a gift by a donor card or other record signed by the donor or other person making the gift or by authorizing that a statement or symbol indicating that the donor has made an anatomical gift be included on a donor registry. If the donor or other person is physically unable to sign a record, the record may be signed by another natural person at the direction of the donor or other person and must:

(a) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and

(b) State that it has been signed and witnessed as provided in paragraph (a).

3. ***An anatomical gift made in the manner described in paragraph (a) of subsection 1 by a donor who is at least 16 years of age but less than 18 years of age is valid and may not be revoked by a parent or guardian if the donor and his or her parent or guardian sign a form prescribed by the Department of Motor Vehicles which indicates that unless the anatomical gift is amended or revoked by the donor before his or her death, the anatomical gift may not be amended or revoked by the parent or guardian of the donor.***

4. Revocation, suspension, expiration or cancellation of a driver's license or identification card upon which an anatomical gift is indicated does not invalidate the gift.

~~[4.]~~ ***5.*** An anatomical gift made by will takes effect upon the donor's death whether or not the will is probated. Invalidation of the will after the donor's death does not invalidate the gift.

~~[Section 1.]~~ ***Sec. 2.*** NRS 451.562 is hereby amended to read as follows:

451.562 1. ~~[Except as otherwise provided in subsection 7 and subject]~~ ***Subject*** to ~~[subsection]~~ ***the provisions of subsections*** 6 ~~[,]~~ ***and 7,*** in the absence of an express, contrary indication by the donor, a person other than the donor is barred from making, amending or revoking an anatomical gift of a donor's body or part if the donor made an anatomical gift of the donor's

body or part under NRS 451.558 or an amendment to an anatomical gift of the donor's body or part under NRS 451.559.

2. A donor's revocation of an anatomical gift of the donor's body or part under NRS 451.559 is not a refusal and does not bar another person specified in NRS 451.556 or 451.566 from making an anatomical gift of the donor's body or part under NRS 451.558 or 451.568.

3. If a person other than the donor makes an unrevoked anatomical gift of the donor's body or part under NRS 451.558 or an amendment to an anatomical gift of the donor's body or part under NRS 451.559, another person may not make, amend or revoke the gift of the donor's body or part under NRS 451.568.

4. A revocation of an anatomical gift of a donor's body or part under NRS 451.559 by a person other than the donor does not bar another person from making an anatomical gift of the body or part under NRS 451.558 or 451.568.

5. In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under NRS 451.556, an anatomical gift of a part is neither a refusal to give another part nor a limitation on the making of an anatomical gift of another part at a later time by the donor or another person.

6. In the absence of an express, contrary indication by the donor or other person authorized to make an anatomical gift under NRS 451.556, an anatomical gift of a part for one or more of the purposes set forth in NRS 451.556 is not a limitation on the making of an anatomical gift of the part for any of the other purposes by the donor or any other person under NRS 451.558 or 451.568.

7. ~~[If]~~ ***Except as otherwise provided in*** ~~*[this subsection,]*~~ ***NRS 451.558, if*** a donor who is an unemancipated minor dies, a parent ***or guardian*** of the donor who is reasonably available may revoke or amend an anatomical gift of the donor's body or part. ~~*[If a donor who is an unemancipated minor dies and the donor was at least 16 years of age and held a valid driver's license at the time of his or her death, a parent of the donor may not revoke or amend an anatomical gift of the donor's body or part.]*~~

8. If an unemancipated minor who signed a refusal dies, a parent ***or guardian*** of the minor who is reasonably available may revoke the minor's refusal.

Legislative Counsel's Digest:

Existing law requires that a contractor, applicant to serve as a construction manager at risk or design-build team that wishes to receive a preference in bidding for a contract for a public work submit an affidavit to the public body sponsoring or financing the public work certifying that: (1) at least 50 percent of all workers employed on the public work will hold a valid Nevada driver's license or identification card; (2) all vehicles used primarily for the public work will be either registered in this State or partially apportioned to this State; (3) at least 50 percent of all design professionals working on the public work will hold a valid Nevada driver's license or identification card; (4) at least 25 percent of the suppliers of the materials used for the public work will be located in this State unless the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State; and (5) certain records will be maintained and made available for inspection within this State. (NRS 338.0117) **Section 1** of this bill revises the requirements for such a preference in bidding by: (1) ~~[increasing from 50 percent to 100 percent the percentage of workers employed on the public work that are required to hold a valid Nevada driver's license or identification card; (2) requiring that each worker and 50 percent of the design professionals working on the public work register in this State all vehicles owned by the worker or design professional for personal use and operated upon any highway in this State; and (3)]~~ **limiting the requirement for design professionals to design-build teams; and (2)** eliminating the requirement that a percentage of suppliers of the materials used for the public work be located in this State. **Section 1** clarifies that the driver's licenses and identification cards used to satisfy the statutory requirements must be issued by the Department of Motor Vehicles of the State of Nevada. **Section 1** requires a contractor to meet those requirements only if the contractor was awarded the contract for a public work as a result of the preference in bidding. **Section 1** restricts who can file a written objection alleging a violation of those requirements to only persons who submitted a bid on the public work.

Existing law prohibits a contractor from being qualified to bid on certain state and local public works if the contractor has failed to comply with

certain requirements within the preceding year for a contract for a public work that cost more than $25,000,000 ~~[. (NRS 338.1379) Section 3 of this bill eliminates that provision. Existing law]~~ **and** prohibits a contractor who has failed to comply with certain requirements for a contract for a public work which exceeds $5,000,000 from receiving a preference in bidding for public works for 5 years. (NRS **338.1379, 338.1382,** 338.1389 ~~[) Section 5]~~ **, 338.1415, 338.147, 408.333) Sections 4-8** of this bill ~~[eliminates that prohibition.]~~ **instead condition those prohibitions on a material breach of a contract for a public work which exceeds $25,000,000 or $5,000,000, as applicable.**

Section 9 of this bill provides that the revised requirements for a preference in bidding on a contract for a public work apply to any public work that is first advertised for bid after July 1, 2013. **Section 9** also declares that any contract for such a public work that fails to comply with this bill is void.

5. Such a person may appeal the decision of the Director to the Board no later than 5 days before the opening of the bids on the project. If the appeal is sustained by the Board, the person must be granted the rights and privileges of all other bidders.

Legislative Counsel's Digest:

Under existing law, Medicaid and the Children's Health Insurance Program are administered by the Department of Health and Human Services. (NRS 422.270) This bill requires the Director of the Department to issue a request for information to determine the availability and cost of technology, data verification and resources to assist the Department in reducing waste, fraud and abuse under Medicaid and the Children's Health Insurance Program. The request issued by the Director is specifically required to seek information on strategies for determining the validity of claims for payment for services to recipients of Medicaid or the Children's Health Insurance Program before payments are sent to reimburse providers. This bill also requires the Director to review the responses to the request for information to determine measures that may be taken to reduce waste, fraud and abuse under Medicaid and the Children's Health Insurance Program and to ~~[enter~~

~~into appropriate contracts to carry out those measures.]~~ **submit a report of the responses to the Legislative Committee on Health Care.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. On or before ~~[September 1, 2013,]~~ **January 1, 2014,** the Director of the Department of Health and Human Services or his or her designee shall issue a request for information to determine the availability and cost of technology, data verification and resources to assist the Department in reducing waste, fraud and abuse under Medicaid and the Children's Health Insurance Program. The request must seek information concerning strategies for determining the validity of claims for payment for services to recipients of Medicaid or the Children's Health Insurance Program before such payments are sent to reimburse providers.

2. The request issued pursuant to subsection 1 must seek information concerning technology that is capable of being integrated into the existing system that is used to evaluate claims for payment of services provided to recipients of Medicaid and the Children's Health Insurance Program. The information must inform the Department whether the technology will provide the ability for the Department to make predictions about and analyze data before payments are made for such claims for payment, including, without limitation, the ability to:

(a) Automatically analyze billing or utilization patterns by providers and recipients of Medicaid and the Children's Health Insurance Program to identify possible waste, fraud and abuse;

(b) Identify specific transactions to be subject to additional review based on the likelihood of potential waste, fraud or abuse and, to the extent possible, automatically identify and authorize payment for transactions that are not wasteful, fraudulent or abusive;

(c) Prevent the payment of claims for services that have been identified as potentially wasteful, fraudulent or abusive until the claims have been confirmed as valid; and

(d) Collect and analyze information regarding the outcomes of appeals conducted pursuant to NRS 422.276 regarding denials of claims for payment of services to determine whether better predictions and analysis may be achieved.

3. The request issued pursuant to subsection 1 must seek information concerning technology that is capable of verifying data regarding providers for and recipients of Medicaid and the Children's Health Insurance Program using publicly available records. The information must inform the Department whether such technology may be used to automate the review of

transactions with those programs and to identify and prevent wasteful, fraudulent and abusive payments by identifying:

(a) Associations between providers, practitioners and recipients which indicate that any of those persons are acting in collusion with each other to engage in fraudulent practices; and

(b) Potential factors that would disqualify a person from eligibility for Medicaid or the Children's Health Insurance Program, which may include, without limitation, death, residence outside this State, ownership of too many assets and incarceration.

4. The request issued pursuant to subsection 1 must seek information concerning other fraud investigation services that combine a retrospective analysis of claims for payment of services under Medicaid and the Children's Health Insurance Program and prospective detection of waste, fraud and abuse. The information must inform the Department whether such services are available to:

(a) Analyze historical data regarding claims for payment of services and medical records;

(b) Analyze databases of information regarding providers suspected of submitting fraudulent claims for payment and of interviews with providers and recipients of Medicaid and the Children's Health Insurance Program; and

(c) Provide an opportunity for providers to review and correct any problems which are identified and place an emphasis on educating providers.

5. The Director shall review the responses to the request for information issued pursuant to this section to determine measures that may be taken to reduce waste, fraud and abuse under Medicaid and the Children's Health Insurance Program by allowing determinations to be made about claims for reimbursement before payments are made. The Director shall ~~[enter into any appropriate contracts to carry out those measures within the existing budget of the Department or using any savings resulting from such measures. Any such measures must not delay or deny payments to providers.]~~ **submit a report of the responses to the Legislative Committee on Health Care. The Legislative Committee on Health Care shall consider the report and make any appropriate recommendations to the Department, including whether the Committee supports the Department entering into any contracts to carry out measures identified in the report.**

6. As used in this section:

WHEREAS, The Ecumenical Patriarchate, located in Istanbul, Turkey, is the Sacred See that presides in a spirit of brotherhood over a communion of self-governing churches of the Orthodox Christian world; and

WHEREAS, Ecumenical Patriarch Bartholomew, the See leader, cosponsored the Conference on Peace and Tolerance in 1994 and 2005, fostering an interfaith dialogue among Christian, Jewish and Muslim religious leaders to help end regional ethnic conflicts; and

WHEREAS, In 1997, the United States Congress awarded Ecumenical Patriarch Bartholomew the Congressional Gold Medal; and

WHEREAS, The European Council is involved in ongoing accession negotiations with Turkey, and the Turkish Government's current treatment of the Ecumenical Patriarchate is inconsistent with the defined membership criteria for accession to the European Union; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 77th Session of the Nevada Legislature do hereby urge the Government of Turkey to uphold and safeguard religious and human rights without compromise, to grant the Ecumenical Patriarch appropriate international recognition, including ecclesiastic succession and the right to train clergy of all nationalities, and to respect the human rights and property rights of the Ecumenical Patriarchate, including cessation of discrimination; and be it further

Remarks by Assemblyman Hickey.

ASSEMBLYMAN HICKEY:

Assembly Bill 66, in its first reprint, eliminates the requirement that the State Board of Equalization provide notice by registered or certified mail to persons whose assessed valuation may increase as a result of a broad equalization action by the State Board. The State Board must still provide notice to the taxpayers who may be affected by these actions by first-class mail. This act becomes effective upon passage and approval.

As I said in committee, I am dying to speak about this heated topic. I know many of you may have questions, but I can assure you that I would not be speaking about this if it were not a burning issue in my district. I'm sure the white flags are flying already, so I will end my remarks before they become too well done. Assembly Bill No. 75.

Bill read third time.

Remarks by Assemblymen Aizley, Hickey, Livermore, Bustamante Adams, and Carlton.

ASSEMBLYMAN AIZLEY:

Assembly Bill 75 allows the county assessor in each of Nevada's counties the option of publishing the list of taxpayers and assessed valuations on an Internet website maintained by the county or the county assessor or publish the list in the newspaper.

If the assessor elects to publish this list on the website, he or she must provide notice through a newspaper advertisement to inform the public that the list has been made available on the

Internet. The assessor must also provide information about the availability of the list on the annual assessed value notice that is sent out to taxpayers on or before December 18 of each year.

Finally, in counties whose population is less than 100,000, the county assessor must also print at least ten copies of the notice that are available to the general public upon request. Collectively, passing this bill will save the counties more than $1 million. In these days of waste, fraud, and abuse, it seems that it should be the thing to do to save, and not to waste, this money. We have an option of publishing in a newspaper at a cost of more than a million dollars or on the web for practically nothing. Environmentally, we will save millions of pages of newspaper and ink being buried in the local landfills. I think that it is necessary at this time to pass this bill. Thank you.

ASSEMBLYMAN HICKEY:

I rise is opposition to A.B. 75. When I first heard this very meritorious bill in committee, I saw it as a cost saving measure, as noted by its sponsor. It was on that basis that I voted for the bill. I failed to look, though, at the amendment brought by the counties that was added to the bill, and therefore I have changed my mind because, briefly, studies have shown that at least one-third of Nevadans don't have a computer or access to one. The people shut out will tend to be seniors on fixed incomes, minorities, and especially rural residents, where Internet access, like cell phones, can be spotty at best. In those communities, the local newspaper is the major media. The published tax rolls are much more widely read and used in the rural counties of the state and by their senior population. That is where they have always read the tax rolls, and that is where they want to find them. For that reason, I will be voting against A.B. 75.

ASSEMBLYMAN LIVERMORE:

I also rise in opposition of A.B. 75. I guess I am a traditionalist. I am 72 years of age, and I have gotten my tax rolls with my information from the newspaper. It is very reliable, it is very available to me, and as I think my colleague from Reno said, a third of Nevadans, especially senior citizens, do not have the Internet. This will not help them in any regards to receive notice of what their assessed values are.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

I rise in support of A.B. 75. During our testimony in Taxation, the rurals were actually the ones that came forth and asked to be included in this bill, because originally, they were not. They face similar issues of having voluminous amounts of paper, so they just want the option to be able to use the Internet to provide this information to their consumers. In addition, it gives the option to also provide it in the newspaper, so it doesn't totally delete it. It gives them the option to put it on their website, through the Internet, and through the papers. Also, for the rural counties, the assessor must make ten copies of the list available to the public for free during normal business hours for 60 days. And as I said, they must publish it twice in the newspapers, so it is not a total elimination, and the rurals asked to be included.

ASSEMBLYWOMAN CARLTON:

I rise in support of A.B. 75. This large newspaper is wrapped in plastic and dropped on your driveway at the very beginning of the year, and only goes to subscribers. Therefore, it has a limited reach to a lot of folks. This bill will allow more people to get more information and will make it more accessible so I stand in support of Assembly Bill 75.

Among other things, the Council is required to strengthen state-level coordination of early childhood education programs among various sectors, conduct periodic statewide needs assessments, and assess effectiveness of higher education institutions related to early childhood educators. The Council also develops recommendations for increasing student participation, developing core elements and standards, establishing statewide professional development for teachers, and increasing parental involvement.

This is a continuation of an entity that was previously created by Executive Order. We appreciate the partnership and all the work that everyone puts into early childhood education in the state.

ASSEMBLYMAN EISEN:

I rise in support of Assembly Bill 155. Assembly Bill 155 makes various changes related to the reporting of suspected child abuse and neglect. The bill requires mandatory reporters of child abuse to be informed in writing or by electronic communication of their duty as mandatory reporters. Current mandatory reporters must be informed either at the next renewal time for licensure, certificate, or endorsement, and current nonlicensed reporters must be informed by December 31, 2013. After each regular session of the Legislature, the Legislative Committee on Health Care must review any additions of statutory chapters related to health care to determine if licensees should be included as mandatory reporters and must report any findings to the Legislature.

The bill provides that attorneys are not mandated to report suspected abuse or neglect of a child if the information was acquired through privileged communication with a client who has been or may be accused of committing the abuse or neglect, or is the victim, is in foster care, and does not give consent to the report.

However, this bill does not relieve the attorneys of the duty to advocate for and take actions to protect the safety of their client. Also, the requirement for certain child welfare services or law enforcement agencies to investigate immediately a report concerning the possible abuse or neglect of a child solely because that child is five years of age or younger is removed. The bill increases the penalty for a second or subsequent failure of a mandatory reporter to report abuse or neglect to a gross misdemeanor. Lastly, the bill expands the "Safe Haven" provider definition to include volunteer fire departments and any ambulance service as receiving entities for "Safe Haven" babies.

I rise in support of Assembly Bill 173. Assembly Bill 173 prohibits an electric utility from making changes to a schedule or imposing a rate based on the time of day, day of the week, or time of year during which electricity is being purchased by a residential consumer, unless the consumer has voluntarily subscribed to a program imposing such a rate.

ASSEMBLYWOMAN FLORES:

I actually have question for the bill sponsor. I'm not entirely sure how someone cannot take advantage of a period in which there might be more affordable rates available such as a different time of day—night perhaps. I'm just a little unclear on how the bill does that. So if my colleague from Assembly District 35 could clear that up, I would very much appreciate that.

ASSEMBLYMAN HEALEY:

The intent of this bill is to provide one of two things: most importantly, an option for rate consumers of electricity where the resident can choose to stay on a flat rate, which they currently have now, or potentially go to a time-of-use rate plan, which would be a voluntary opt-in program for consumers. That program has not actually been rolled out as of yet but will be down the road. This just puts it in statute so that the electrical utility company cannot force consumers into a time-of-use plan where the rates would fluctuate based on the time of day or time of year if people choose to stay at a flat rate. So for instance seniors, stay-at-home parents, and people who work from their home who are going to be at home during those high peak times during the day during the summer would be able to stay on a flat rate so their rates would not fluctuate up and down at sometimes six times the cost of what the flat rate fee would be.

ASSEMBLYMAN HANSEN:

Assembly Bill 252 makes various changes to the Nevada Administrative Procedure Act. The measure requires an agency to submit a notice of any meeting or workshop relating to the adoption of a regulation to the Director of the Legislative Counsel Bureau [LCB] at the same time that the agency posts notice of the meeting or workshop on the website maintained by the LCB. If any regulation is not adopted within two years after the date on which it is submitted to the Legislative Counsel, the executive head of an agency is required to appear before the Legislative Commission to explain the failure to do so.

An agency must include a clear and concise explanation of the need for the adopted regulation when submitting the required informational statement with any proposed regulation. The Legislative Commission or the Subcommittee to Review Regulations may object to a regulation if the agency did not provide a satisfactory explanation of the need for the regulation or if the informational statement is insufficient or incomplete. The provisions of this bill apply retroactively to any regulation which has been proposed but not adopted before July 1, 2013, and to any regulation adopted on or after July 1, 2013.

ASSEMBLYWOMAN CARLTON:

If I may ask my colleague from the north, does he have any idea how many regulations this might possibly apply to since it is retroactive and prospective?

ASSEMBLYMAN HANSEN:

In response to my colleague from the south, I have no idea. I don't know how many are currently in a retroactive state. Madam Speaker and I worked together on this a little bit. Does Madam Speaker have any idea?

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Approximately four regulations are outstanding that did not make it through the last workshop process. We have been doing the regulations during session as they have come up, but there are some outstanding that still need workshops. I think there are about four.

ASSEMBLYMAN HANSEN:

I apologize for putting you on the spot. It is a good bill and a necessary one. I will say that there was one brought to us recently in Commerce and Labor that had not been presented to the Legislative Commission after five years, so that is one of the reasons why we wanted to make sure this was retroactive—to force all the different agencies to kind of get their acts together, get all of those things worked out, and submit it to Legislative Commission before they start applying them to everybody. Currently, there really is no provision to force them—after they pass that—to force them to submit that to the Legislative Commission so we have regulatory oversight of it. I hope that answers your question.

ASSEMBLYWOMAN DIAZ:

Assembly Bill 365 requires the Court Administrator to adopt necessary regulations establishing the criteria and procedures for the appointment of alternate court interpreters for persons with language barriers. The bill requires the regulations to express a preference for appointment of a certified court interpreter before an alternate interpreter.

Assembly Bill 365 also requires an interpreter to be appointed at public expense for a person with a language barrier who is a criminal defendant or witness or who is the child, parent, guardian, or witness in a juvenile proceeding. This measure also requires the replacement of an appointed interpreter who is not communicating accurately or effectively if that fact becomes known to the person making the appointment.

Further, A.B. 365 requires the Advisory Committee on the Administration of Justice to appoint a subcommittee to conduct an interim study concerning language access in the courts and to submit a report and any recommendations for legislation for transmission to the 78th Session of the Nevada Legislature and the Supreme Court of Nevada.

Remarks by Assemblymen Hardy and Hickey.

ASSEMBLYMAN HARDY:

Assembly Bill 381 sets forth a legislative finding that St. Thomas, Nevada, contains unique, culturally important resources. It also encourages the Office of Historic Preservation of the State Department of Conservation and Natural Resources to collaborate with Partners in Conservation to identify and develop programs for the preservation and protection of the historical culture of St. Thomas. This bill clarifies that its provisions will not affect or prohibit any planning for or development of water resources, including the attainment of full storage capacity in Lake Mead.

This area was settled in 1865. It was an important crossroads for southern Nevada, and I urge your support in making sure that it is protected when the water is low.

ASSEMBLYMAN HICKEY:

I have a question to the maker of the motion. I wonder if he can speak to the amendment and whether he can personally guarantee that Lake Mead will not reach the level of the fine Virgin River in his dearly beloved Mesquite.

ASSEMBLYMAN HARDY:

To my colleague from District 25, if you had paid attention to the last part of my statement, the "bill clarifies that its provisions will not affect or prohibit any planning for or development of water resources, including the attainment of full storage capacity in Lake Mead."

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Last session there was a bipartisan bill of former Assemblywoman Debbie Smith and Senator Ben Kieckhefer and a recommendation from the Sage Commission to review all boards and commissions within the state of Nevada. We began the process and were able to accomplish 29 reviews. This bill makes some clarifications on membership and also decreases the number of boards we can review, because 29 was too much. We want to do a better job of the evaluation.

Assembly Joint Resolution No. 3.

Resolution read third time.

Remarks by Assemblymen Swank and Elliot Anderson.

ASSEMBLYWOMAN SWANK:

I rise in support of Assembly Resolution No. 3. This resolution expresses the Legislature's intent to establish and encourage the creation of a biomass industry in Nevada, in order to expand efforts to manage piñon-juniper woodlands and restore certain ecosystems on public lands. The measure also encourages Congress to extend the authority of the Bureau of Land Management and the United States Forest Service to enter into stewardship contracts or

agreements for management and restoration projects on public lands beyond the current expiration date and to extend the maximum length of those contracts or agreements to 20 years.

ASSEMBLYMAN ELLIOT ANDERSON:

I would ask my neighboring district member: What is biomass? What are we encouraging?

ASSEMBLYWOMAN SWANK:

In answer to the questions my colleague from the south asked, biomass is an organic matter that is used as fuel that comes from managing the piñon-juniper forest. They've kind of overgrown, and so the idea is to trim them back a bit and manage them better, and then we can use the biomass for fuel for renewable energy and also wood products.

Remarks by Assemblyman Wheeler.

ASSEMBLYMAN WHEELER:

Assembly Joint Resolution No. 4 urges the Bureau of Land Management [BLM] and the United States Forest Service [USFS] to assist Nevada with the prevention and suppression of wildfires and repeat wildfires. The resolution states that wildfires negatively affect the ecosystem and that cheatgrass has been a significant contributing factor to wildfire activity in the state. The measure further suggests that, among other options to decrease wildfire activity, the BLM and USFS should partner with local agencies and other interested parties and may also consider partnering with the livestock industry to determine whether increased grazing under certain circumstances would reduce the frequency of wildfires and enhance rangeland and forest conditions. This resolution is effective upon passage.

Assembly Joint Resolution No. 5.

Resolution read third time.

Remarks by Assemblymen Paul Anderson, Bobzien, and Hansen.

ASSEMBLYMAN PAUL ANDERSON:

Assembly Joint Resolution No. 5 notes that Nevada has an abundance of natural and renewable resources, many of which are located on public lands that are managed and controlled

by the federal government. This resolution urges Congress to ensure that such lands remain open and accessible to multiple uses. This measure also urges Congress to enact legislation to ensure that the state and affected local governments in the state receive a portion of the revenue received by the federal government for activities conducted on those lands, including activities that generate electricity from geothermal resources.

ASSEMBLYMAN BOBZIEN:

To my colleague from the south, I was wondering if he could, following the preamble, talk a little bit about the first item that is being urged of Congress. There is the urging that the federal lands remain open and accessible to multiple uses. Which multiple uses are we talking about here?

ASSEMBLYMAN PAUL ANDERSON:

Thank you for that most eloquent question from my colleague from District 24.

Multiple uses—shall I list the many whereas and wheretos? I have no answer to that. Recreation use, conservation, all of them, all the good things we can do on our federal lands, including geothermal uses. Are you asking for the very first one?

ASSEMBLYMAN BOBZIEN:

To my colleague from the south, that was a wonderful enumeration of the various multiple uses.

ASSEMBLYMAN HANSEN:

Actually, I wasn't going to comment on what my colleague from Reno is commenting on. We need to give a special thank you for Assembly Joint Resolutions 3, 4, and 5 to the chair of the Public Lands Committee, from District 14 who was really behind all of those. She did a marvelous job in managing that committee and dealing with things like biomass and multiple uses, including grazing, off-road vehicle use, hunting, mining; all of those things are the multiple uses. She really did an outstanding job, and those three resolutions are a direct result of her leadership. I just wanted to rise and give her a public thank you for her excellent job as chairwoman.

Bill read third time.

Remarks by Assemblymen Oscarson, Bobzien, and Hardy.

ASSEMBLYMAN OSCARSON:

I rise in support of Senate Bill 121. It authorizes the transfer of the Belmont Courthouse from state ownership to Nye County. The measure sets forth a number of conditions relating to this transfer, including the requirements that Nye County protect all historical and recreational value of the property and guarantee public access to the property. In addition, the county or any successor in title shall not sell, lease, encumber, or dispose of the property without authorization by a concurrent resolution of the Nevada Legislature. Any violation of these conditions will result in the reversion of the title to the property back to the state of Nevada.

ASSEMBLYMAN BOBZIEN:

To my colleague from the south, I wonder if the speaker for the bill could name for this body one of the more famous visitors to the Belmont Courthouse?

ASSEMBLYMAN OSCARSON:

Madam Speaker, it's my understanding that Charles Manson once visited the courthouse.

ASSEMBLYMAN HARDY:

I'd like to ask my colleague from the south a question we keep hearing over and over again in this body. Given how devastating the economy is for Nye County, how can Nye County afford to take over this wonderful facility at this time?

ASSEMBLYMAN OSCARSON:

Madam Speaker, thank you for the opportunity to elaborate on that. To my colleague from almost Utah, there is an organization in place called the Friends of Belmont Courthouse that is raising money, currently, as we speak. It has raised a significant amount of money to continue to maintain and operate that facility in the manner in which we believe it should be in Nye County, and Nye County is proud to have that in our county again.

CARSON CITY (Tuesday), April 16, 2013

Assembly called to order at 11:58 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblywoman Benitez-Thompson, who was excused, and one vacant.

Prayer by the Chaplain, Reverend Dan Aument.

Please pray with me.

God of our salvation, as we come before You in prayer for this body in this place, we remember the terrible events that took place yesterday in Boston. We are deeply saddened by these senseless and hateful acts of violence that echo so many other acts around the world. We pray for those who lost their lives, for those who received life-changing injuries, and for their families and loved ones. Help us to mourn with those who mourn as we lift up our hearts to You in silence now.

We pray for our nation—that we would respond not with blind vindictiveness, but instead with patient mercy and a desire for your universal justice. Give us Your peace that passes understanding. In Your forgiving Name we pray.

AMEN.

Pledge of allegiance to the Flag.

SECOND READING AND AMENDMENT

Assembly Bill No. 73.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 430.

AN ACT relating to chiropractic; revising certain provisions governing unprofessional conduct by a chiropractor or chiropractor's assistant; revising the information which must be submitted by an applicant for a license to practice chiropractic; revising provisions relating to the score which an applicant must obtain on an examination for a license to practice chiropractic; revising provisions governing temporary licenses to practice chiropractic; revising provisions governing the renewal of a license to practice chiropractic and a certificate as a chiropractor's assistant; revising provisions governing the reinstatement of a license to practice chiropractic; ~~[revising the circumstances under which a chiropractor may pierce or sever any body tissue;]~~ revising certain fees charged and collected by the Chiropractic Physicians' Board of Nevada; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an applicant for a license to practice chiropractic in Nevada must submit an application to the Chiropractic Physicians' Board of Nevada and must obtain a passing score on an examination administered by the Board. (NRS 634.070, 634.080, 634.100) **Section 3** of this bill revises the information an applicant for a license to practice chiropractic must submit to the Board to include a copy of the applicant's official transcript from the school or college of chiropractic from which the applicant received his or her degree of doctor of chiropractic. **Section 4** of this bill revises provisions setting forth the passing score for the examination for a license to practice chiropractic.

Existing law provides that a chiropractor or chiropractor's assistant may be disciplined for unprofessional conduct. (NRS 634.018, 634.140) **Section 2** of this bill provides that unprofessional conduct includes advertising, by any form of public communication, a chiropractic practice: (1) using grossly improbable statements; or (2) in any manner that will tend to deceive, defraud or mislead the public.

Existing law provides that a temporary license to practice chiropractic in this State is valid for the 10-day period designated on the license and is not renewable. (NRS 634.115) **Section 5** of this bill revises provisions governing a temporary license to practice chiropractic in this State to provide that a temporary license is: (1) valid only for the period designated on the license, which must be not more than 10 days; (2) valid for the place of practice designated on the license; and (3) not renewable.

Existing law provides that the holder of a license to practice chiropractic or a certificate as a chiropractor's assistant must complete a certain number of hours of continuing education during the 24 months immediately preceding the renewal date of the license or certificate. Existing law additionally requires a licensee or holder of a certificate as a chiropractor's assistant to pay a fee upon the renewal of the license or certificate. (NRS 634.130) **Section 6** of this bill provides that the Board may waive the continuing education requirements for a licensee or holder of a certificate as a chiropractor's assistant if the licensee or holder of a certificate submits proof to the Board that the licensee or holder of a certificate was in active military service which prevented the licensee or holder of a certificate from completing the requirements for continuing education during the 24 months immediately preceding the renewal date of the license or certificate. **Section 6** also authorizes the Board to waive the renewal fee for such a licensee or holder of a certificate.

Section 8 of this bill increases from $25 to $50 the fee which the Board may charge and collect for review of a course offered by a chiropractic school or college or a course of continuing education in chiropractic.

Section 9 of this bill deletes a provision that authorizes a person whose license to practice chiropractic has been revoked to apply to the Board for the restoration of the license in certain circumstances.

~~**[** Existing law prohibits a chiropractor from piercing or severing any body tissue, except to draw blood for diagnostic purposes. (NRS 634.225) Section 10 of this bill revises that provision to authorize a chiropractor to pierce or sever any body tissue for diagnostic purposes.**]**~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~**[**NRS 634.0173 is hereby amended to read as follows:~~

Assembly Bill No. 162.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 263.

AN ACT relating to education; requiring the board of trustees of each school district to report to the Department of Education on a quarterly basis the average daily attendance of pupils and the ratio of pupils per licensed teacher for those grades in elementary school that are required to maintain prescribed pupil-teacher ratios; revising the ratios of pupils per licensed teacher for kindergarten and grades 1, 2 and 3; requiring school districts that include one or more elementary schools which exceed the prescribed pupil-teacher ratios in a quarter to request a variance from the State Board of Education for the next quarter; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Superintendent of Public Instruction, on or before August 1, November 1, February 1 and May 1 of each year, to apportion the State Distributive School Account in the State General Fund among the 17 county school districts in amounts approximating one-fourth of their respective yearly apportionments. (NRS 387.124) **Section 1** of this bill requires the board of trustees of each school district to report to the Department of Education on those same dates: (1) the average daily attendance of pupils and the ratio of pupils per licensed teacher for kindergarten and grades 1, 2 and 3; or (2) if the school district has an alternative class-size reduction plan approved by the State Board of Education, the average daily attendance of pupils and the ratio of pupils per licensed teacher for those grades in elementary school that are required to comply with the alternative class-size reduction plan. **Section 1** also requires each school district to post the information reported to the Department on the school district's Internet website as well as information concerning any variances from the prescribed pupil-teacher ratios granted by the State Board for an elementary school within the school district.

Existing law provides that the ratio of pupils per licensed teacher in kindergarten and grades 1, 2 and 3 must not exceed 15 to 1. (NRS 388.700) In lieu of complying with these pupil-teacher ratios, a school district in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) may request approval from the State Board for a plan to reduce pupil-teacher ratios: (1) in grades 1, 2 and 3, not to exceed 22 to 1; and (2) in grades 4 and 5 or grades 4, 5 and 6, as applicable for the elementary school, not to exceed 25 to 1. (NRS 388.720) During previous sessions, the Legislature has, within the limits of available funding, appropriated money for class-size reduction in amounts that authorized pupil-teacher ratios which were higher than the statutorily prescribed ratios. **Section 2** of this bill statutorily increases the prescribed ratios: (1) for kindergarten and grades 1 and 2, to ~~[18]~~ **16** to 1; and (2) for grade 3, to ~~[20]~~

18 to 1. In addition, **section 2** requires a school district that exceeds the ratios statutorily prescribed in any quarter of a school year to request a variance for the next quarter from the State Board. **Section 2** further requires the State Board to provide a quarterly report to the Interim Finance Committee on each variance requested by a school district during the preceding quarter and, if a variance was granted, the specific justification for the variance. Finally, **section 2** provides that for purposes of determining compliance with the pupil-teacher ratios, a school district must not include the count of any teachers who teach one or two specific subject areas to more than one classroom of pupils.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto a new section to read as follows:

1. On or before August 1, November 1, February 1 and May 1 of each year, the board of trustees of each school district shall report to the Department for the preceding quarter:

(a) Except as otherwise provided in paragraph (b), the average daily attendance of pupils and the ratio of pupils per licensed teacher for kindergarten and grades 1, 2 and 3 for each elementary school in the school district.

4. The State Board may grant to a school district a variance from the limitation on the number of pupils per class set forth in paragraph (a), (b) or (c) of subsection 3 for good cause, including the lack of available financial support specifically set aside for the reduction of pupil-teacher ratios.

5. ***The State Board shall, on a quarterly basis, submit a report to the Interim Finance Committee on each variance requested by a school district pursuant to subsection 4 during the preceding quarter and, if a variance was granted, an identification of each elementary school for which a variance was granted and the specific justification for the variance.***

Legislative Counsel's Digest:

Existing law **, with certain exceptions,** requires certain regulatory boards of this State which **: (1)** receive **less than $50,000 in revenue during a fiscal year to prepare a balance sheet for that fiscal year; or (2) receive** $50,000 or more in revenue during any fiscal year to ~~[prepare a balance sheet and]~~ hire a public accountant or accounting firm to conduct an audit of the board's fiscal records for that fiscal year **.** ~~[under certain circumstances.]~~ Upon completion of the **balance sheet or** audit, existing law requires the board to file **the balance sheet or** a report of the audit with the Legislative Auditor and the Chief of the Budget Division of the Department of Administration on or before December 1 following the end of that fiscal year. (NRS 218G.400)

Whether or not a board is required to have its fiscal records audited pursuant to subsection 1 or 2, the Legislative Auditor shall audit the fiscal records of any such board whenever directed to do so by the Legislative Commission. When the Legislative Commission directs such an audit, the Legislative Commission shall also determine who is to pay the cost of the audit.

5. A person who is a state officer or employee of a board is guilty of nonfeasance if the person:

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 224.

AN ACT relating to food establishments; ~~[revising the definition of "food establishment" for purposes of provisions regulating such establishments;]~~ **allowing farms to hold farm-to-fork events in certain circumstances without being considered a food establishment for purposes of inspections by the health authority and other regulations; requiring such farms to register with the health authority; providing a similar exemption from requirements applicable to a food establishment for certain farms which manufacture or prepare certain food items for sale or which offer or display such food items under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain a permit to operate a food establishment and to comply with various other requirements in the operation of the food establishment. (NRS 446.870) Existing law defines the term "food establishment" for those purposes and specifically excludes certain entities from the definition, including private homes where the food that is prepared or manufactured in the home is not provided for compensation or other consideration of any kind. (NRS 446.020)

Section 5 of this bill adds to the list of entities that are excluded from the definition of "food establishment" a farm holding a farm-to-fork event. **Section 2** of this bill defines the term "farm-to-fork event" as an event where prepared food from a farm is provided for immediate consumption by paying guests at the farm. **Section 3** of this bill authorizes a farm to hold a farm-to-fork event provided that: (1) any **rabbit** meat or poultry served is raised and prepared on the farm, and is butchered and processed on the farm pursuant to certain permit and inspection requirements of NRS; (2) other food items served are prepared from ingredients substantially produced on the farm; and (3) each guest is provided with and acknowledges receipt of a notice which states that no inspection was conducted by a state or local health department of the farm or the food to be consumed, except as to the butchering and

processing of the meat or poultry. **Section 3.5 requires a farm that wishes to hold farm-to-fork events to register with the health authority by providing certain information and paying a fee. The health authority is prohibited from inspecting the farm, except in certain circumstances.** **Section 5** also adds to the list of entities that are excluded from the definition of "food establishment" a farm that manufactures or prepares certain food items for sale or which offers or displays for sale or serves those food items under certain circumstances. **Section 4** of this bill specifies which food items qualify a farm for that exemption.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 258.

AN ACT relating to public works; requiring under certain circumstances that any iron or steel products ~~[or manufactured goods]~~ used or supplied for a public work or in the performance of a contract for a project of the Department of Transportation be manufactured in the United States; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires any steel, iron and manufactured products used in certain transportation projects that receive federal funding to be produced in the United States unless: (1) the use of such materials would be inconsistent with the public interest; (2) such materials are not produced in the United States in sufficient quantity and of sufficient quality; or (3) the use of such materials would increase the cost of the project by more than 25 percent. (23 U.S.C. § 313) **Sections 4 and 15** of this bill require any iron or steel products ~~[or manufactured goods]~~ used in this State for a public work or a project of the Department of Transportation to be manufactured in the United States. **Sections 4 and 15** also allow a contractor or subcontractor to apply for a waiver of this requirement if: (1) the use of such ~~[materials]~~ **products** would be inconsistent with the public interest; (2) such ~~[materials]~~ **products** are not produced in the United States in sufficient quantity and of sufficient quality; or (3) the use of such ~~[materials]~~ **products** would increase the cost of the project by more than 25 percent. Further, **sections 4 and 15** allow the public body awarding the contract to waive the requirement after providing notice and an opportunity for public comment by publishing a detailed justification of the waiver.

Sections 7, 8, 9 and 16 of this bill permanently prohibit a contractor who intentionally mislabels or misrepresents such ~~[materials]~~ **products** as being manufactured in the United States if they were not so manufactured from bidding on or being awarded a contract for a public work or a project of the Department of Transportation.

Section 17 of this bill provides that the requirement to use iron or steel products ~~[or manufactured goods]~~ which are manufactured in the United States ~~[apply]~~ **applies** to any public work or project of the Department of Transportation that is first advertised for bid on or after July 1, 2013. **Section 17** also declares that any contract for such a public work or project that fails to comply with this bill is void.

Remarks by Assemblywoman Neal.

Amendment adopted.

The following amendment was proposed by Assemblywoman Carlton:

Amendment No. 508.

AN ACT relating to public works; requiring under certain circumstances that any iron or steel products or manufactured goods used or supplied for a public work or in the performance of a contract for a project of the

Department of Transportation be manufactured in the United States; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires any steel, iron and manufactured products used in certain transportation projects that receive federal funding to be produced in the United States unless: (1) the use of such materials would be inconsistent with the public interest; (2) such materials are not produced in the United States in sufficient quantity and of sufficient quality; or (3) the use of such materials would increase the cost of the project by more than 25 percent. (23 U.S.C. § 313) **Sections 4 and 15** of this bill require any iron or steel products or manufactured goods used in this State for a public work or a project of the Department of Transportation to be manufactured in the United States. **Sections 4 and 15** also allow a contractor or subcontractor to apply for a waiver of this requirement **in a bid for a contract** if: (1) the use of such materials would be inconsistent with the public interest; (2) such materials are not produced in the United States in sufficient quantity and of sufficient quality; or (3) the use of such materials would increase the cost of the project by more than 25 percent. Further, **sections 4 and 15** allow the public body awarding the contract to waive the requirement **when it awards the contract,** after providing notice and an opportunity for public comment **,** by publishing a detailed justification of the waiver. **Such a waiver is not allowed to be granted after the contract has been awarded.**

Sections 7, 8, 9 and 16 of this bill permanently prohibit a contractor who intentionally mislabels or misrepresents such materials as being manufactured in the United States if they were not so manufactured from bidding on or being awarded a contract for a public work or a project of the Department of Transportation.

Section 17 of this bill provides that the requirement to use iron or steel products or manufactured goods which are manufactured in the United States apply to any public work or project of the Department of Transportation that is first advertised for bid on or after July 1, 2013. **Section 17** also declares that any contract for such a public work or project that fails to comply with this bill is void.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 298.

AN ACT relating to emergency medical services; requiring a host organization of a special event to provide emergency medical personnel and emergency medical services at the site of the special event under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs the provision of emergency medical services to persons in this State. (Chapter 450B of NRS) **Sections 11-13** of this bill require the host organization of a special event that is projected to be attended or observed by 2,500 or more persons to provide a first-aid station at the site of the special event and a dedicated advanced life support ambulance if certain factors apply to the special event. **The definition of "special event" set forth in section 10 of this bill excludes a scheduled activity or event which is held at a location that: (1) is designed to host certain scheduled activities and events; and (2) has permanently established methods of providing first-aid or emergency medical services at the location. Section 6** of this bill defines a "host organization" as the person who obtained the permit for the special event or, if a permit was not obtained for the special event, the person who sponsored the special event. **Sections 11-13** further require the host organization of a special event to provide medical personnel at the site of the special event. The number of first-aid stations, dedicated advanced life support ambulances and medical personnel and the level of skill of the medical personnel required varies based on the number of persons who are projected to attend or observe the special event and certain other factors.

Existing law provides that a violation of the provisions which govern emergency medical services is a misdemeanor. Existing law further authorizes the Health Division of the Department of Health and Human Services to impose an administrative penalty against any person who violates those provisions. (NRS 450B.900) Those penalties are applicable to a violation of the provisions of **sections 11-13**.

Amendment No. 274.

AN ACT relating to title insurance; revising provisions authorizing a title insurer to provide a closing letter to certain parties to a real estate transaction for which the title insurer will issue or has issued a policy of title insurance; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the business of title insurance includes the provision to a prospective purchaser of a policy of title insurance with a closing letter which assures and assumes liability for the proper performance of any services required to conduct a real estate closing performed by a title agent with which the insurer maintains an underwriting agreement. (NRS 692A.022) **Section 1** of this bill authorizes a title insurer to provide such a letter, newly referred to as a "closing protection letter," to any party to a real estate transaction, not just the party purchasing the policy of title insurance. **Section 1** also ~~[~~~~authorizes~~~~]~~ **requires** the title insurer to charge a fee that is not less than $25 to each person or entity who is provided with such a letter. **Section 1** restricts the acts or omissions by the person performing the closing or settlement services for which the letter can provide indemnification to only those acts or omissions that affect the status of the title or the validity, enforceability and priority of the lien of the mortgage on the real estate that is the subject of the transaction. **Section 1** also provides that a title insurer may not in any other way provide to a party of a real estate transaction indemnification of the type provided by a closing protection letter. **Sections 1 and 2** of this bill provide that a closing protection letter may indemnify the party to whom it is issued against acts or omissions by any person employed or approved by the title insurer to perform the closing or settlement services, not just a title agent performing those services.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 692A of NRS is hereby amended by adding thereto a new section to read as follows:

1. A title insurer may provide a closing protection letter to any person or entity who is a party to a real estate transaction in which a policy of title insurance has been or will be issued by or on behalf of the insurer.

2. A closing protection letter provided by a title insurer pursuant to this section may indemnify a person or entity to whom the letter is provided , under the terms and conditions of the letter as provided by the title insurer, against a loss that is in connection with the transaction for which the letter was provided and which is due to any of the following acts or omissions by a closing or settlement service provider:

(a) Theft or misappropriation of any closing or settlement funds, to the extent that the theft or misappropriation affects the:

(1) Status of the title to the interest in land that is the subject of the transaction; or

(2) Validity, enforceability and priority of the lien of the mortgage on the interest in land that is the subject of the transaction.

(b) Failure to comply with any written closing or settlement instructions, to the extent that the failure affects the:

(1) Status of the title to the interest in land that is the subject of the transaction; or

(2) Validity, enforceability and priority of the lien of the mortgage on the interest in land that is the subject of the transaction.

3. A title insurer ~~[may]~~ shall charge a fee of not less than $25 to each person or entity to which the insurer provides a closing protection letter pursuant to this section.

4. The fee charged pursuant to this section for a closing protection letter:

(a) Must not be included in any agreement requiring a division of fees or premiums collected by or on behalf of the title insurer who provided the letter; and

(b) Shall be deemed earned upon the closing of the transaction for which the letter was provided.

5. A title insurer may not provide or purport to provide indemnification to a person or entity against a loss in connection with acts or omissions by a closing or settlement service provider pursuant to subsection 2 by or through any other product or method than a closing protection letter provided pursuant to this section.

6. As used in this section, "closing or settlement service provider" means a person employed or approved by a title insurer to perform the closing or settlement of a real estate transaction in which a policy of title insurance has been issued by or on behalf of the insurer and may include, without limitation, a title agent or an escrow officer.

Sec. 2. NRS 692A.022 is hereby amended to read as follows:

692A.022 "Business of title insurance" or "title insurance business" includes:

1. The issuance of or proposal to issue any policy of title insurance as an insurer, guarantor or indemnitor;

2. The solicitation, negotiation or execution of a policy of title insurance, or the performance of any related services arising out of the execution of a policy of title insurance, excluding reinsurance;

3. The performance by a title insurer, a title agent or an escrow agency owned, in whole or in part, by a title insurer or title agent, of any service in

conjunction with the issuance or contemplated issuance of a policy of title insurance, including, but not limited to, the handling of any escrow, settlement or closing in connection therewith, or doing or proposing to do any business which is in substance the equivalent of the services described in this subsection; and

4. The act of a title insurer whereby the title insurer provides a ~~[prospective purchaser of a policy of title insurance with a]~~ closing ***protection*** letter ~~[which assures and assumes liability for the proper performance of any services required to conduct a real estate closing performed by a title agent with which the insurer maintains an underwriting agreement.]~~ ***pursuant to section 1 of this act.***

Sec. 3. NRS 692A.120 is hereby amended to read as follows:

692A.120 1. Each title insurer shall file with the Commissioner all rate schedules, schedules of charges and all forms, including:

(a) Preliminary reports of title.

(b) Binders for insurance and commitments to insure.

(c) Letters of indemnity.

(d) Policies of insurance or guaranty.

(e) Terms and conditions of insurance coverage or guarantee which relate to title to any interest in property.

2. A title insurer need not file:

(a) Reinsurance contracts and agreements.

(b) Closing ***protection*** letters.

(c) Specific defects in title which may be ascertained from an examination of the risk and excepted in reports, binders, commitments or policies, or any affirmative assurances of the title insurer with respect to those defects, whether given by endorsement or otherwise.

(d) Specific exceptions from coverage by reason of limitations upon the examination of the risk imposed by the applicant for insurance or through failure of the applicant to provide data requisite to a judgment of insurability.

3. Unless the Commissioner disapproves a form or schedule within 30 days after it is filed in the Office of the Commissioner, the form or schedule is approved.

4. No form or schedule may be used until it is approved by the Commissioner.

5. No title insurer or title agent may make or impose any charge for premium, escrow, settlement or closing services when performed in connection with the issue of a title insurance policy except in accordance with the schedule of charges filed with the Commissioner as required by this section.

6. A title insurer or title agent shall not charge a fee for any statement or tax return regarding payments of interest which federal law requires the insurer or agent to furnish and file.

7. As used in this section, "closing protection letter" means a letter issued as described in section 1 of this act.

Amendment No. 343.

AN ACT relating to school property; authorizing the board of trustees of a school district to donate surplus personal property of the school district to another school district; ~~[eliminating]~~ **providing that requirements relating to the establishment of** oversight panels for school facilities ~~[;]~~ **apply only to the board of trustees of a school district in certain counties;** eliminating the duty of certain boards of trustees of school districts to submit to the Legislature written recommendations for financing the costs of construction of school facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the board of trustees of a school district to donate surplus personal property of the school district to any charter school that is located within the school district without regard to certain notice, bidding, auction or other requirements relating to the disposal of personal property of a local government. (NRS 332.185) **Section 2** of this bill authorizes a board of trustees of a school district likewise to donate surplus personal property to other school districts in this State without regard to the notice, bidding, auction or other requirements relating to the disposal of personal property of a local government. **Section 1** of this bill authorizes a board of trustees of a school district to accept a donation of surplus personal property of another school district.

Existing law requires the board of trustees of a school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to establish an oversight panel for school facilities. (NRS 393.092) Such an oversight panel is required to submit biennially to the Legislature written recommendations for financing school construction costs. In a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the board of trustees of the school district is required to

submit biennially to the Legislature written recommendations for financing school construction costs. (NRS 393.097) Existing law also authorizes a school district to issue general obligation bonds, after obtaining the approval of the county's debt management commission, if the issuance of the bonds is not expected to result in an increase in the existing property tax levy and the electors have approved a question that authorizes the issuance of bonds for 10 years after the date of approval. (NRS 350.020) In addition to the approval of the debt management commission, in a county whose population is 100,000 or more, the school district must obtain the approval of the oversight panel for school facilities. (NRS 350.020, 393.097) ~~[Section 4 of this bill abolishes the oversight panels for school facilities.]~~ **Sections 3-6 of this bill provide that requirements relating to the establishment of an oversight panel for school facilities apply only to the board of trustees of a school district in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County). Section ~~[4]~~ 6** also eliminates the requirement for ~~[the oversight panels or]~~ the boards of trustees of school districts ~~[, as applicable,]~~ to submit to the Legislature recommendations for financing school construction costs. ~~[Section 3 of this bill removes the requirement for the approval of the oversight panel for the issuance of the general obligation bonds of the school district.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 386.390 is hereby amended to read as follows:

386.390 Each board of trustees shall have the power to accept on behalf of and for the school district ~~[any]~~ ***:***

1. ***Any*** gift or bequest of money or property for a purpose deemed by the board of trustees to be suitable, and to utilize such money or property for the purpose so designated ~~[.]~~ ***; and***

2. Any donation of surplus personal property of another school district made pursuant to subsection 2 of NRS 332.185.

Sec. 2. NRS 332.185 is hereby amended to read as follows:

332.185 1. Except as otherwise provided in subsection 2 and NRS 244.1505 and 334.070, all sales of personal property of the local government must be made, as nearly as possible, under the same conditions and limitations as required by this chapter in the purchase of personal property. The governing body or its authorized representative may dispose of personal property of the local government by any manner, including, without limitation, at public auction, if the governing body or its authorized representative determines that the property is no longer required for public use and deems such action desirable and in the best interests of the local government.

2. The board of trustees of a school district may donate surplus personal property of the school district to ***any other school district in this State or to*** a charter school that is located within the school district without regard to:

(a) The provisions of this chapter; or

(b) Any statute, regulation, ordinance or resolution that requires:

(1) The posting of notice or public advertising.

(2) The inviting or receiving of competitive bids.

(3) The selling or leasing of personal property by contract or at a public auction.

3. The provisions of this chapter do not apply to the purchase, sale, lease or transfer of real property by the governing body.

Sec. 3. NRS 350.020 is hereby amended to read as follows:

350.020 1. Except as otherwise provided by subsections 3 and 4, if a municipality proposes to issue or incur general obligations, the proposal must be submitted to the electors of the municipality at a special election called for that purpose or the next general municipal election or general state election.

2. Such a special election may be held:

(a) At any time, including, without limitation, on the date of a primary municipal election or a primary state election, if the governing body of the municipality determines, by a unanimous vote, that an emergency exists; or

(b) On the first Tuesday after the first Monday in June of an odd-numbered year,

➥ except that the governing body shall not determine that an emergency exists if the special election is for the purpose of submitting to the electors a proposal to refund bonds. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud, a gross abuse of discretion or in violation of the provisions of this subsection. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this subsection, "emergency" means any occurrence or combination of occurrences which requires immediate action by the governing body of the municipality to prevent or mitigate a substantial financial loss to the municipality or to enable the governing body to provide an essential service to the residents of the municipality.

3. If payment of a general obligation of the municipality is additionally secured by a pledge of gross or net revenue of a project to be financed by its issue, and the governing body determines, by an affirmative vote of two-thirds of the members elected to the governing body, that the pledged revenue will at least equal the amount required in each year for the payment of interest and principal, without regard to any option reserved by the municipality for early redemption, the municipality may, after a public hearing, incur this general obligation without an election unless, within 90

days after publication of a resolution of intent to issue the bonds, a petition is presented to the governing body signed by not less than 5 percent of the registered voters of the municipality. Any member elected to the governing body whose authority to vote is limited by charter, statute or otherwise may vote on the determination required to be made by the governing body pursuant to this subsection. The determination by the governing body becomes conclusive on the last day for filing the petition. For the purpose of this subsection, the number of registered voters must be determined as of the close of registration for the last preceding general election. The resolution of intent need not be published in full, but the publication must include the amount of the obligation and the purpose for which it is to be incurred. Notice of the public hearing must be published at least 10 days before the day of the hearing. The publications must be made once in a newspaper of general circulation in the municipality. When published, the notice of the public hearing must be at least as large as 5 inches high by 4 inches wide.

4. The board of trustees of a school district may issue general obligation bonds which are not expected to result in an increase in the existing property tax levy for the payment of bonds of the school district without holding an election for each issuance of the bonds if the qualified electors approve a question submitted by the board of trustees that authorizes issuance of bonds for a period of 10 years after the date of approval by the voters. If the question is approved, the board of trustees of the school district may issue the bonds for a period of 10 years after the date of approval by the voters, after obtaining the approval of the debt management commission in the county in which the school district is located and , in a county whose population is 100,000 or more ~~[,]~~ ***but less than 700,000,*** the approval of the oversight panel for school facilities established pursuant to NRS 393.092 in that county, if the board of trustees of the school district finds that the existing tax for debt service will at least equal the amount required to pay the principal and interest on the outstanding general obligations of the school district and the general obligations proposed to be issued. The finding made by the board of trustees is conclusive in the absence of fraud or gross abuse of discretion. As used in this subsection, "general obligations" does not include medium-term obligations issued pursuant to NRS 350.087 to 350.095, inclusive.

5. At the time of issuance of bonds authorized pursuant to subsection 4, the board of trustees shall establish a reserve account in its debt service fund for payment of the outstanding bonds of the school district. The reserve account must be established and maintained in an amount at least equal to the lesser of:

(a) For a school district located in a county whose population is 100,000 or more, 25 percent; and

(b) For a school district located in a county whose population is less than 100,000, 50 percent,

➥ of the amount of principal and interest payments due on all of the outstanding bonds of the school district in the next fiscal year or 10 percent of the outstanding principal amount of the outstanding bonds of the school district.

6. If the amount in the reserve account falls below the amount required by subsection 5:

(a) The board of trustees shall not issue additional bonds pursuant to subsection 4 until the reserve account is restored to the level required by subsection 5; and

(b) The board of trustees shall apply all of the taxes levied by the school district for payment of bonds of the school district that are not needed for payment of the principal and interest on bonds of the school district in the current fiscal year to restore the reserve account to the level required pursuant to subsection 5.

7. A question presented to the voters pursuant to subsection 4 may authorize all or a portion of the revenue generated by the debt rate which is in excess of the amount required:

(a) For debt service in the current fiscal year;

(b) For other purposes related to the bonds by the instrument pursuant to which the bonds were issued; and

(c) To maintain the reserve account required pursuant to subsection 5,

➥ to be transferred to the county school district's fund for capital projects established pursuant to NRS 387.328 and used to pay the cost of capital projects which can lawfully be paid from that fund. Any such transfer must not limit the ability of the school district to issue bonds during the period of voter authorization if the findings and approvals required by subsection 4 are obtained.

8. A municipality may issue special or medium-term obligations without an election.

Sec. 4. **NRS 393.092 is hereby amended to read as follows:**

393.092 1. The board of trustees of a school district in a county whose population is 100,000 or more ***but less than 700,000*** shall establish an oversight panel for school facilities, consisting of 11 members selected as follows:

(a) Six members who are elected representatives of local government, to be determined as follows:

(1) One member of the board of county commissioners appointed by a majority vote of the board of county commissioners;

(2) One member of the governing body of each incorporated city in the county, each of whom is appointed by a majority vote of the governing body of which he or she is a member; and

(3) If the membership determined pursuant to subparagraphs (1) and (2) is less than six, one additional member of the board of county commissioners appointed by a majority vote of the board of county commissioners and, if applicable, additional members of the governing bodies of incorporated cities in the county, each of whom must be appointed by a majority vote of the governing body of which he or she is a member, until six members have been appointed. If the membership determined pursuant to this paragraph would result in an unequal number of representatives among the incorporated cities, the membership of the incorporated cities on the oversight panel must be rotated and the board of county commissioners shall draw lots to determine which city or cities will be first represented, which next, and so on.

(b) Five members appointed by the board of trustees of the county school district to be determined as follows:

(1) One member who has experience in structural or civil engineering;

(2) One member who has experience in matters relating to the construction of public works projects;

(3) One member who has experience in the financing or estimation of the cost of construction projects;

(4) One member who is a representative of the gaming industry; and

(5) One member who is a representative of the general public who has an interest in education.

2. After the initial terms, the term of each member of the oversight panel is 2 years. Members of the oversight panel are eligible for reappointment.

Sec. 5. **NRS 393.095 is hereby amended to read as follows:**

393.095 The board of trustees of a school district in a county whose population is 100,000 or more ***but less than 700,000*** shall:

1. Provide administrative support to the oversight panel for school facilities established by the board of trustees pursuant to NRS 393.092; and

2. Comply with all requests by the oversight panel for information.

Sec. 6. **NRS 393.097 is hereby amended to read as follows:**

393.097 1. On or before July 1 of each even-numbered year, each oversight panel for school facilities established in a county whose population is 100,000 or more ***but less than 700,000*** pursuant to NRS 393.092 ~~[and each board of trustees of a school district in a county whose population is less than 100,000]~~ shall submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature written recommendations for financing the costs of new construction, design, maintenance and repair of school facilities.

2. GENERAL FILE AND THIRD READING

Assembly Bill No. 60.

Bill read third time.

Remarks by Assemblyman Martin.

ASSEMBLYMAN MARTIN:

Assembly Bill 60 prohibits a nonprofit corporation from soliciting charitable contributions in Nevada in person or by electronic mail, regular mail, telephone, or other means unless it has filed a financial statement and other required information with the Secretary of State.

Assembly Bill 60 provides that a nonprofit corporation soliciting charitable contributions in Nevada without filing may be subject to enforcement action, including civil penalties, a cease-and-desist order, or revocation of its charter or right to transact business in Nevada. The Secretary of State may also request the Attorney General to initiate action in court to secure compliance with the act.

Finally, this measure requires a person who represents that he or she is soliciting in Nevada on behalf of a charitable organization or nonprofit corporation to disclose, among other information, the entity's name as registered with the Secretary of State and whether or not the contribution or donation may be tax deductible under the federal Internal Revenue Code.

Assembly Bill No. 135.

Remarks by Assemblymen Hardy and Carlton.

ASSEMBLYMAN HARDY:

I rise in support of Assembly Bill 115. Assembly Bill 135 requires that members of the town advisory board in the unincorporated towns of a county whose population is 700,000 or more and that are located 25 miles or more from an incorporated city whose population is 500,000 or more be elected. The board of county commissioners shall make appointments to fill any seats left vacant after the election.

This bill helps those incorporated towns be elect their advisory boards rather than be appointed by the commission. The people who live in those areas would like to have the opportunity to elect those and have that as their governing body, even though they have no powers.

ASSEMBLYWOMAN CARLTON:

To my colleague, this seems very narrow. I can think of maybe one or two town advisory boards that this might apply to, and my concern is the inequities involved. I have a town advisory board at Sunrise Manor. I'm sure they might like to put their names on the ballot in the future, too. I was just wondering why we made it such a narrow bill, only allowing this for certain towns. Because they are advisory boards, they really have no power. They are advisory only.

ASSEMBLYMAN HARDY:

To my colleague from the south, I appreciate those comments. We had the desire to do exactly what you stated. With the discussions with the county commissioners, they felt it might confuse things within those municipal areas that are dealing directly with issues amongst communities such as North Las Vegas, Las Vegas, Clark County, and Henderson. These advisory boards are separated by 25 miles, places like Searchlight, Indian Springs, Laughlin, and Bunkerville in the Moapa Valley, which they feel have different issues than the urban areas. So that is the reason this changed that point.

ASSEMBLYMAN FRIERSON:

Assembly Bill 300 revises the information that must be included in the affidavit of authority to exercise the power of sale on a deed of trust. The bill requires the information in the affidavit to be based upon the direct, personal knowledge of the affiant, or personal knowledge acquired by a review of the business records The bill also requires the affidavit to include a toll-free telephone number the borrower may call to receive answers to any questions concerning the affidavit.

Assembly Bill 300 reflected a tremendous amount of work on the part of lenders, title companies, realtors, advocates for homeowners, and all of the stakeholders to address concerns that were expressed in Assembly Bill 284 in the 2011 Session. This language reflects months of hard work in areas that everybody thought would make A.B. 284 from last session clearer, and I think that it successfully accomplishes that. I would urge this body's support.

Additionally, the Committee may conduct investigations, review death certificates, share information, petition a district court for issuance of subpoenas, recommend legislation, and issue special reports.

Assembly Bill No. 109.

Bill read third time.

Remarks by Assemblymen Bobzien, Fiore, Eisen, Dondero Loop, and Wheeler.

ASSEMBLYMAN BOBZIEN:

I rise in support of Assembly Bill 109. Assembly Bill 109 sets forth the required qualifications of a licensee or person appointed by the licensee responsible for the daily operations of a child care facility that cares for 12 or more children. In addition, the licensee or person appointed by the licensee is required to apply to the Nevada Registry when initially licensed and upon annual renewal. The bill increases the amount of training required for all employees of a child care facility. Finally, directors approved by the Health Division of the Department of Health and Human Services before the effective date of this bill can obtain a waiver to bypass the requirements until January 1, 2016.

Some of the context on this bill: This is a greatly scaled back version of a bill that we did last session that was vetoed by the Governor. After hearing about concern of impacts to small businesses, I was pleased to work with the Governor's office on an amendment that creates this exemption for facilities that have 12 children or less in them. Madam Speaker, I would submit this is an important step forward when it comes to professional development for early childhood education and brings us in line with many other states in this country that recognize the importance of professional development for those who take care of our youngest.

ASSEMBLYWOMAN FIORE:

This bill, I feel, creates a hindrance on growing businesses and is not a business friendly bill, so I am opposing it. I just wanted to get that on the record.

ASSEMBLYMAN EISEN:

I rise in support of Assembly Bill 109. I feel this bill establishes some minimum requirements for persons who are responsible for the care, in a child care setting, of 12 or more children at one time. I think it is a good step forward in ensuring the safety and protection of our children.

ASSEMBLYWOMAN DONDERO LOOP:

I would like to rise in support of this bill. Speaking on behalf of myself, and having spent lots of years educating young children, .I believe this is a very important endeavor. It's a self-assessment process when you get accreditation and you take classes. This is a really important piece to improve quality, both in the development of programs for young children, and the health and safety of an environment. This process involves the care of our most precious children.

ASSEMBLYMAN WHEELER:

I rise in opposition to this bill. I believe the bill has very good intentions and I think that those intentions toward our children are meant very well. My problem with the bill is that I believe it will increase the cost of child care over the next few years, thus hurting our most vulnerable people, our lowest paid people. Thank you.

Assembly Bill 350 provides that a requirement to submit a report to the Legislature will expire by limitation after five years unless that piece of legislation with the reporting requirement contains a justification of the need for, or usefulness of, a longer reporting period.

The measure directs the Legislative Commission to review existing statutory requirements for reports to the Legislature that have been in existence for more than four years to determine whether the reporting requirements should be repealed, revised, or continued.

For the 2013–2014 Interim, the Legislative Commission shall review legislation enacted in the 2007, 2009, and 2011 Sessions. Based on its review using the criteria in Assembly Bill 350, the Legislative Commission shall submit a report to the Legislature by January 15, 2015, with recommendations on the continuation, revision, or repeal of reporting requirements enacted in the past three sessions.

This bill was sponsored by our colleague from District 27, who is not here today. During the hearing, she testified that more than 160 reports are required to be submitted to the Legislature or legislative committees, and approximately 55 of those reports were enacted during the last three sessions.

Assembly Bill No. 21.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 147.

AN ACT relating to public safety; revising provisions prohibiting open containers of alcoholic beverages in motor vehicles; revising provisions governing the requirements and procedures for reporting motor vehicle accidents; transferring certain duties relating to the reporting of those accidents from the Department of Motor Vehicles to the Department of Public Safety; **[**revising provisions relating to the security that must be deposited when a report of certain motor vehicle accidents involving injury, death or damage to property is received by the Department of Motor Vehicles;**]** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a person from having an open container of an alcoholic beverage within the passenger area of a motor vehicle while the motor vehicle is on a highway. Existing law provides an exception to that prohibition for a motor vehicle which is designed, maintained or used primarily for the transportation of persons for compensation, or to the living

quarters of a house coach or house trailer. (NRS 484B.150) **Section 1** of this bill provides that the exception **: ~~[applies only to a passenger, but not the driver, within:]~~** (1) **applies to** the passenger area of such a motor vehicle; **~~[or (2) the living quarters of the house coach or house trailer.]~~ but (2) does not apply to a driver of such a motor vehicle who is in possession or control of an open container of an alcoholic beverage.**

Section 2 of this bill **~~[increases the threshold from $750 to $1,500 in apparent damages for determining when the]~~ allows: (1) a** driver of a vehicle which is involved in an accident **~~[is required]~~ with apparent damages of $750 or more** to **~~[forward a]~~ submit electronically the accident** report **the driver is required to submit** to the Department of Motor Vehicles **; ~~[within 10 days after the accident. Section 2 further allows: (1) the driver to submit the report electronically;]~~** and (2) a driver who is required to submit a supplemental report to do so electronically. (NRS 484E.070) **Section 2 further requires the Department of Motor Vehicles to approve the format of the forms for those accident reports and make the forms available to persons who are required to submit the reports to the Department.**

Section 4 of this bill allows a police officer who investigates a vehicle accident for which a report must be made by the officer, or who otherwise prepares a written **or electronic** report as a result of the investigation, to forward the report of the accident in writing or electronically. In addition, **section 4** requires the report to be submitted to the Department of Public Safety rather than the Department of Motor Vehicles. **~~[(NRS 484E.110)]~~ Section 4 requires the data collected by the Department of Public Safety from those reports to be recorded in a central repository created by the Department of Public Safety to track data electronically concerning vehicle accidents on a statewide basis. Section 4** further requires a police officer to prepare a report of an investigation which is conducted of a vehicle accident which results in bodily injury to or the death of any person or which involves apparent damage of **~~[$1,500]~~ $750** or more to a vehicle or other property. **(NRS 484E.110)**

Section 5 of this bill transfers from the Department of Motor Vehicles to the Department of Public Safety the duty to prepare certain forms for preparing written accident reports that are supplied to police departments, sheriffs and other appropriate agencies or persons. (NRS 484E.120) **Section 5** further requires certain accident reports that are required to be prepared by a police officer to be made on the appropriate form approved by the Department of Public Safety rather than the Department of Motor Vehicles and requires any other accident reports to be made on forms approved by the Department of Motor Vehicles.

~~[Section 6 of this bill increases the threshold for damage to property as a result of a motor vehicle accident which requires a driver to deposit security from $750 to $1,500. If such security is not filed in a timely manner and the driver remains liable for the amount, under existing law, the Department of Motor Vehicles will hold a hearing to suspend the driver's license of the driver of the motor vehicle and any motor vehicle registrations of the owner of the motor vehicle or, if the operator or owner of the motor vehicle is a nonresident, to suspend his or her privilege to drive in this State. (NRS 485.190)]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 484B.150 is hereby amended to read as follows:

484B.150 1. It is unlawful for a person to drink an alcoholic beverage while the person is driving or in actual physical control of a motor vehicle upon a highway.

~~[5.]~~ ***6.*** All written ***or electronic*** reports required in this section to be forwarded to the Department by drivers or owners of vehicles involved in accidents are without prejudice to the person so reporting and are for the confidential use of the Department or other state agencies having use of the records for accident prevention, except as otherwise provided in NRS 239.0115 and except that the Department may disclose to a person involved in an accident or to his or her insurer the identity of another person involved in the accident when the person's identity is not otherwise known or when the person denies having been present at the accident. The Department

may also disclose the name of the person's insurer and the number of the person's policy.

~~[6.]~~ ***7.*** A written ***or electronic*** report forwarded pursuant to the provisions of this section may not be used as evidence in any trial, civil or criminal, arising out of an accident except that the Department shall furnish upon demand of any party to such a trial, or upon demand of any court, a certificate showing that a specified accident report has or has not been made to the Department in compliance with law, and, if the report has been made, the date, time and location of the accident, the names and addresses of the drivers, the owners of the vehicles involved and the investigating officers. The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 337.

AN ACT relating to state purchasing; revising provisions governing contracts to provide services to state agencies; ~~[revising]~~ **increasing** the ~~[thresholds governing certain actions relating to]~~ **threshold for requiring** ~~[contracts for services,]~~ formal contracts ~~[and local purchasing;]~~ **for certain purchases by the State;** revising provisions concerning purchases and contracts which are contrary to the provisions governing state purchasing; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits a department, division or other agency of the Executive Department of the State Government from entering into certain contracts to provide services unless approved by the State Board of Examiners. (NRS 284.1729) This bill repeals NRS 284.1729 but replaces that section with **section 1** of this bill, to be added to chapter 333 of NRS, which relates to state purchasing. The new section contains the same provisions as existing law except that the new section amends that existing law by: (1) requiring the using agency to submit a written disclosure to the Board regarding the services to be provided; and (2) specifying when approval by the Board must occur.

Existing law defines a "using agency" to include certain state agencies and elected officers of the Executive Department of the State Government which derive their support from public money in whole or in part. (NRS 333.020) ~~[Sections 2-4]~~ **Section 3** of this bill ~~[raise]~~ **raises** the threshold for ~~[: (1) the estimated value of contracts for services that the Administrator of the Purchasing Division of the Department of Administration is required to contract for from $100,000 or more to $250,000 or more; (2)]~~ requiring formal contracts for **certain** purchases by the State from $25,000 to $50,000 ~~[; and (3) local purchasing by using agencies which the Administrator may authorize from $5,000 to $10,000 per order.]~~ **.**

With limited exceptions, existing law requires contracts with independent contractors to be approved by the State Board of Examiners, but the Clerk of the Board may approve contracts that are for **amounts** less than ~~[a certain specified amount.]~~ **$10,000, or amounts less than $25,000 for contracts necessary to preserve life and property.** (NRS 333.700) **Section 5** of this bill ~~[: (1) authorizes the Board to prescribe the amount rather than the relevant amount being specified in statute; and (2)]~~ provides that **the Clerk of the Board or a designee may approve** contracts for amounts below ~~[the amount prescribed by the Board are excepted from certain requirements, including being in writing and being filed with the Legislative Counsel Bureau and the Clerk of the Board.]~~ **$50,000, including those contracts necessary to preserve life and property. Section 5 also authorizes a contract for the services of an independent contractor to be performed in parts or phases, except that section 5 prohibits splitting such a contract into separate contracts for the purpose of avoiding any requirements for competitive bidding.**

Section 6 of this bill provides that purchases for services made or contracts entered into for purchases of services by certain state agencies and elected officers are void if they are contrary to the statutory and regulatory provisions governing state purchasing. **Section 6** further provides that the head of the using agency and the employee who made such a purchase or

entered into such a contract are personally liable for the costs of those services. **Section 6 also excludes contracts for the purchase of any service, supplies, materials or equipment for a public work that are awarded in compliance with the provisions governing public works from the provisions of section 6.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 333 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a using agency shall not enter into a contract with a person to provide services for the using agency if:

(a) The person is a current employee of an agency of this State;

(b) The person is a former employee of an agency of this State and less than 2 years have expired since the termination of the person's employment with the State; or

(c) The person is employed by the Department of Transportation for a transportation project that is entirely funded by federal money and the term of the contract is for more than 4 years,

➥ unless the using agency submits a written disclosure to the State Board of Examiners indicating the services to be provided pursuant to the contract and the person who will be providing those services and, after reviewing the disclosure, the State Board of Examiners approves entering into a contract with the person. The requirements of this subsection apply to any person employed by a business or other entity that enters into a contract to provide services for a using agency if the person will be performing or producing the services for which the business or entity is employed.

2. The provisions of paragraph (b) of subsection 1 apply to employment through a temporary employment service. A temporary employment service providing employees for a using agency shall provide the using agency with the names of the employees to be provided to the agency. The State Board of Examiners shall not approve a contract pursuant to paragraph (b) of subsection 1 unless the Board determines that one or more of the following circumstances exist:

(a) The person provides services that are not provided by any other employee of the using agency or for which a critical labor shortage exists; or

(b) A short-term need or unusual economic circumstance exists for the using agency to contract with the person.

3. The approval by the State Board of Examiners to contract with a person pursuant to subsection 1:

(a) May occur at the same time and in the same manner as the approval by the State Board of Examiners of a proposed contract pursuant to subsection 7 of NRS 333.700; and

(b) Must occur before the date on which the contract becomes binding on the using agency.

4. A using agency may contract with a person pursuant to paragraph (a) or (b) of subsection 1 without obtaining the approval of the State Board of Examiners if the term of the contract is for less than 4 months and the head of the using agency determines that an emergency exists which necessitates the contract. If a using agency contracts with a person pursuant to this subsection, the using agency shall submit a copy of the contract and a description of the emergency to the State Board of Examiners, which shall review the contract and the description of the emergency and notify the using agency whether the State Board of Examiners would have approved the contract if it had not been entered into pursuant to this subsection.

5. Except as otherwise provided in subsection 9, a using agency shall, not later than 10 days after the end of each fiscal quarter, report to the Interim Finance Committee concerning all contracts to provide services for the using agency that were entered into by the using agency during the fiscal quarter with a person who is a current or former employee of a department, division or other agency of this State.

6. Except as otherwise provided in subsection 9, a using agency shall not contract with a temporary employment service unless the contracting process is controlled by rules of open competitive bidding.

7. Each board or commission of this State and each institution of the Nevada System of Higher Education that employs a consultant shall, at least once every 6 months, submit to the Interim Finance Committee a report setting forth:

(a) The number of consultants employed by the board, commission or institution;

(b) The purpose for which the board, commission or institution employs each consultant;

(c) The amount of money or other remuneration received by each consultant from the board, commission or institution; and

(d) The length of time each consultant has been employed by the board, commission or institution.

8. A using agency, board or commission of this State and each institution of the Nevada System of Higher Education:

(a) Shall make every effort to limit the number of contracts it enters into with persons to provide services which have a term of more than 2 years and which are in the amount of less than $1,000,000; and

(b) Shall not enter into a contract with a person to provide services without ensuring that the person is in active and good standing with the Secretary of State.

9. The provisions of subsections 1 to 6, inclusive, do not apply to:

(a) The Nevada System of Higher Education or a board or commission of this State.

(b) The employment of professional engineers by the Department of Transportation if those engineers are employed for a transportation project that is entirely funded by federal money.

(c) Contracts in the amount of $1,000,000 or more entered into:

(1) Pursuant to the State Plan for Medicaid established pursuant to NRS 422.271.

(2) For financial services.

(3) Pursuant to the Public Employees' Benefits Program.

(d) The employment of a person by a business or entity which is a provider of services under the State Plan for Medicaid and which provides such services on a fee-for-service basis or through managed care.

3. In case of emergencies caused by acts of God or the national defense or other unforeseeable circumstances, the provisions for advertisements on competitive bids may be waived by the Administrator, but every effort must be made to secure the maximum competitive bidding under the circumstances. In no case may contracts be awarded until every possible effort has been made to secure at least three bona fide competitive bids.

4. In awarding contracts for the purchase of supplies, materials and equipment, if two or more lowest bids are identical, the Administrator shall:

(a) If the lowest bids are by bidders resident in the State of Nevada, accept the proposal which, in the discretion of the Administrator, is in the best interests of this State.

(b) If the lowest bids are by bidders resident outside the State of Nevada:

(1) Accept the proposal of the bidder who will furnish goods or commodities produced or manufactured in this State; or

➥ If the contract submitted for approval continues an existing contractual relationship, the State Board of Examiners shall ask each agency to ensure that the State is receiving the services that the contract purports to provide.

10. If the services of an independent contractor are contracted for to represent an agency of the State in any proceeding in any court, the contract must require that the independent contractor identify in all pleadings the specific state agency which he or she is representing.

This bill restricts the authority of an association of a planned community to regulate the storage of trash and recycling containers on the premises of attached or detached residential units with curbside trash and recycling collection. Under **section 1** of this bill, the rules of an association governing the storage of trash and recycling containers must **: (1) comply with all applicable codes and regulations; and (2)** allow the unit's owner, or a tenant of the unit's owner, to store the containers outside any building or garage on the premises of the unit. The rules may **: (1)** provide that the containers must be ~~[screened]~~ **stored** in such a manner that the containers are ~~[not visible]~~ **screened from view** from the street ~~[or]~~ **, a** sidewalk ~~[. Section 1 also: (1) requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations prescribing the specifications and maximum cost]~~ **or any adjacent property; and (2) prescribe the size, location, color and material** of ~~[a screen]~~ **any device, structure or item** that may be used by a unit's owner or tenant ~~[; and (2) provides that a screen used by a unit's owner or tenant must comply with all applicable codes and regulations.]~~ **to screen the view.** Finally, **section 1** allows an association to adopt rules that reasonably restrict the conditions under which trash and recycling containers are placed for collection, including, without limitation, the area in which the containers may be placed and the length of time for which the containers may be kept in that area.

Section 2 of this bill provides that the restrictions on the authority of an association of a planned community to regulate trash and recycling containers are applicable only to associations containing more than six units.

Amendment No. 307.

AN ACT relating to crimes; revising provisions relating to the time for filing a count alleging that a person is a habitual criminal, habitual felon or habitually fraudulent felon; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law **: (1)** authorizes a prosecuting attorney to prosecute a person as a habitual criminal, a habitual felon or a habitually fraudulent felon if certain conditions exist **;** and **(2)** prescribes the punishment for a habitual criminal, a habitual felon or a habitually fraudulent felon. (NRS 207.010, 207.012, 207.014) Under existing law, a prosecuting attorney may ~~[file]~~ **: (1) include in the information charging the primary offense** a count alleging that a person is a habitual criminal, a habitual felon or a habitually fraudulent felon **; or (2) file such a count** after the person's conviction for the primary offense ~~[.]~~ **but, in such a case, the sentence must not be imposed or a certain hearing held until 15 days after the filing.** (NRS 207.016) This bill requires a count alleging that a person is a habitual criminal, a habitual felon or a habitually fraudulent felon to be filed ~~[within 30]~~ **not less than 2** days ~~[after]~~ **before** the ~~[defendant's arraignment]~~ **trial** on the primary offense, unless **the prosecution and the defendant stipulate otherwise or** for good cause shown the court extends such time. **This bill also authorizes the prosecution to supplement or amend such a count at any time before sentence is imposed, but, if such a supplement or amendment is filed, the sentence must not be imposed or a certain hearing must not occur until 15 days after the filing.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 207.016 is hereby amended to read as follows:

207.016 1. A conviction pursuant to NRS 207.010, 207.012 or 207.014 operates only to increase, not to reduce, the sentence otherwise provided by law for the principal crime.

2. If a count pursuant to NRS 207.010, 207.012 or 207.014 is included in an information charging the primary offense, each previous conviction must be alleged in the accusatory pleading, but no such conviction may be alluded

to on trial of the primary offense, nor may any allegation of the conviction be read in the presence of a jury trying the offense or a grand jury considering an indictment for the offense. A count pursuant to NRS 207.010, 207.012 or 207.014 may be ~~[~~separately~~]~~ filed ~~[~~after conviction of~~]~~ ***separately from the indictment or information charging*** the primary offense, but if it is so filed, ***the count pursuant to NRS 207.010, 207.012 or 207.014 must be filed*** ~~***[within 30 days after the defendant's arraignment]***~~ ***not less than 2 days before the start of the trial on the primary offense unless the prosecution and the defendant stipulate otherwise or the court for good cause shown makes an order extending the time.*** ~~***If***~~ ***For good cause shown, the prosecution may supplement or amend a count pursuant to NRS 207.010, 207.012 or 207.014*** ~~***[is filed separately from the indictment or information charging the primary offense,]***~~ ***at any time before the sentence is imposed, but if such a supplement or amendment is filed, the*** sentence must not be imposed, or the hearing required by subsection 3 held, until 15 days after the separate filing.

3. If a defendant charged pursuant to NRS 207.010, 207.012 or 207.014 pleads guilty or guilty but mentally ill to, or is found guilty or guilty but mentally ill of, the primary offense but denies any previous conviction charged, the court shall determine the issue of the previous conviction after hearing all relevant evidence presented on the issue by the prosecution and the defendant. At such a hearing, the defendant may not challenge the validity of a previous conviction. The court shall impose sentence:

(a) Pursuant to NRS 207.010 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitual criminality;

(b) Pursuant to NRS 207.012 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitual felon; or

(c) Pursuant to NRS 207.014 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitually fraudulent felon.

4. Nothing in the provisions of this section, NRS 207.010, 207.012 or 207.014 limits the prosecution in introducing evidence of prior convictions for purposes of impeachment.

5. For the purposes of NRS 207.010, 207.012 and 207.014, a certified copy of a felony conviction is prima facie evidence of conviction of a prior felony.

6. Nothing in the provisions of this section, NRS 207.010, 207.012 or 207.014 prohibits a court from imposing an adjudication of habitual criminality, adjudication of habitual felon or adjudication of habitually fraudulent felon based upon a stipulation of the parties.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 398.

AN ACT relating to common-interest communities; requiring a person nominated as a candidate for membership on the executive board of an association to be a member of the association in good standing; authorizing an association to reject a person's nomination as a candidate for membership on the executive board in certain circumstances; authorizing an association to distribute the disclosure of a potential conflict of interest on behalf of a candidate; requiring an association that solicits bids for an association project to review and compare initial bids; authorizing such an association to request revised bids; revising the definition of "association project"; revising the process by which financial statements of certain associations are reviewed or audited; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each person who is nominated as a candidate for membership on the executive board of an association to disclose potential conflicts of interest and whether he or she is a member of the association in good standing. A person is deemed not to be in good standing if he or she owes certain assessments or penalties to the association. (NRS 116.31034) **Section 1** of this bill removes the disclosure requirement relating to being a member in good standing and instead requires a person who is nominated as a candidate for membership on the executive board to be a member in good standing. **Section 1** also provides that ~~[a person is deemed not to be in good standing if he or she owes fines to the association. Section 1 further provides that]~~ if a candidate fails to disclose any potential conflict of interest before the closing period prescribed for nominations for membership on the executive board, the association may: (1) reject the person's nomination; or (2) if the association has reason to believe that a potential conflict of interest exists, distribute the disclosure, on behalf of the candidate, to each member of the association with the ballot or in the next regular mailing of the association.

Existing law provides that if an association solicits bids for an association project, the bids must be opened during a meeting of the executive board. (NRS 116.31086) **Section 2** of this bill requires an association to review and compare the initial bids for the association project and authorizes the

association to request any of the bidders to submit a revised bid. **Section 2** also revises the definition of "association project" to specify that such a project costs $2,500 or more or 10 percent or more of the total annual assessment made by the association.

Existing law sets forth the process for the review or audit of the financial statement of an association by an independent certified public accountant. For an association with an annual budget that is less than $150,000, the frequency with which a review occurs depends on the specific annual budget of the association. The financial statement of such an association must be audited only if, within 180 days before the end of the fiscal year, 15 percent of the total number of voting members of the association submit a written request for such an audit. (NRS 116.31144) **Section 3** of this bill revises this process and requires that the financial statement of an association with an annual budget that is less than $150,000 be ~~[audited at least once]~~ **reviewed** every ~~[4]~~ fiscal ~~[years.]~~ **year.** For any fiscal year **,** ~~[for which such an audit will not be conducted,]~~ the financial statement must be ~~[: (1) reviewed; or (2)]~~ audited if, within 180 days before the end of the fiscal year, 51 percent of the total number of voting members of the association submit a written request for such an audit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units' owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) ~~[~~Disclose whether the candidate is~~]~~ ***Be*** a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments ~~***[,]***~~ or construction penalties ~~***[or fines]***~~ that are required to be paid to the association.

~~[~~➥ The~~]~~ ***If a candidate who is not deemed to be in good standing pursuant to this paragraph satisfies all such unpaid and past due assessments*** ~~***[,]***~~ ***or construction penalties*** ~~***[or fines]***~~ ***before the closing of the prescribed period for nominations for membership on the executive board, he or she shall be deemed to be in good standing and may proceed as a candidate for membership on the executive board.***

9. ***A*** candidate must make all disclosures required pursuant to ~~[this]~~ ***paragraph (a) of*** subsection ***8*** in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

~~[9.]~~ ***10. If a candidate fails to make all disclosures required pursuant to paragraph (a) of subsection 8 before the closing of the prescribed period for nominations for membership on the executive board, the association may:***

(a) Reject his or her nomination as a candidate for membership on the executive board; or

(b) If the association has reason to believe that a potential conflict of interest exists, distribute the disclosure, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association.

11. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

~~[10.]~~ ***12.*** An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest

community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

~~[12.]~~ ***14.*** An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate's campaign for election as a member of the executive board, except that the candidate's campaign may be limited to 90 days before the date that ballots are required to be returned to the association.

~~[13. A]~~

15. An eligible candidate who has submitted a nomination form for election as a member of the executive board may request that the association or its agent either:

The following amendment was proposed by the Committee on Transportation:

Amendment No. 92.

SUMMARY—Provides for the issuance of special license plates honoring peace officers who have received certain medals **[.]** **or the equivalent thereof.** (BDR 43-154)

AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles to design, prepare and issue special license plates honoring peace officers who have received certain medals **[.]** **or the equivalent thereof;** setting forth the requirements for a person to qualify for the issuance of the special license plates; exempting the special license plates from certain provisions otherwise applicable to special license plates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes qualified persons to apply for the issuance of license plates specially designed by the Department of Motor Vehicles, in cooperation with interested parties, to honor peace officers who have received one of several specified medals **[.]** **or the equivalent thereof.** The special license plates may be issued to a peace officer who has received one of those medals, **or the equivalent thereof,** or to a family member of a peace officer who received posthumously the Medal of Honor **[.]** **, or the equivalent thereof.** Unless the special license plates are lost or stolen, in which case a $5 fee applies, no fee in addition to the ordinarily applicable registration and license fees and governmental services taxes may be charged for the issuance or renewal of a set of the special license plates. **Section 1 clarifies further that the event leading to the issuance of one of the several specified medals, or the equivalent thereof, may have occurred before, on or after July 1, 2013.**

Under existing law, most special license plates: (1) must be approved by the Commission on Special License plates; (2) are subject to a limitation of not more than 30 separate designs of special license plates which the Department of Motor Vehicles may issue at any one time; and (3) may not be designed, prepared or issued by the Department unless a certain minimum number of applications for the plates are received. (NRS 482.367004, 482.367008, 482.36705) **Sections 3-5** of this bill exempt the special license plates honoring peace officers who have received certain medals **, or the equivalent thereof,** from all three of the preceding requirements.

Finally, under existing law, a new vehicle dealer who is authorized to issue certificates of registration for any new motor vehicle he or she sells is prohibited from accepting an application for the registration of a motor vehicle if the applicant wishes to obtain special license plates. (NRS 482.216) Despite the broad exemption provided in **sections 3-5**,

section 2 of this bill prohibits a new vehicle dealer from accepting an application for the registration of a motor vehicle if the applicant wishes to obtain the special plates honoring peace officers.

The Commission shall consider each application in the chronological order in which the application was received by the Department.

2. Notwithstanding any other provision of law to the contrary, the Department shall not, at any one time, issue more than 30 separate designs of special license plates. Whenever the total number of separate designs of special license plates issued by the Department at any one time is less than 30, the Department shall issue a number of additional designs of special license plates that have been authorized by an act of the Legislature or the application for which has been approved by the Commission on Special License Plates pursuant to subsection 5 of NRS 482.367004, not to exceed a total of 30 designs issued by the Department at any one time. Such additional designs must be issued by the Department in accordance with the chronological order of their authorization or approval.

3. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. The Department shall not determine the total number of validly registered motor vehicles to which a particular design of special license plate is affixed if:

(b) If the special license plate does not generate financial support for a cause or charitable organization, to an entity which is involved in promoting the activity, place or other matter that is depicted on the plate.

6. If, on December 31 of the same year in which notice was provided pursuant to subsections 4 and 5, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

➥ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue that particular design of special license plate. Such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

Sec. 5. NRS 482.36705 is hereby amended to read as follows:

482.36705 1. Except as otherwise provided in subsection 2:

(a) If a new special license plate is authorized by an act of the Legislature after January 1, 2003, other than a special license plate that is authorized pursuant to NRS 482.379375, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Department receives at least 1,000 applications for the issuance of that plate within 2 years after the effective date of the act of the Legislature that authorized the plate.

(b) In addition to the requirements set forth in paragraph (a), if a new special license plate is authorized by an act of the Legislature after July 1, 2005, the Legislature will direct that the license plate not be issued by the Department unless its issuance complies with subsection 2 of NRS 482.367008.

(c) In addition to the requirements set forth in paragraphs (a) and (b), if a new special license plate is authorized by an act of the Legislature after January 1, 2007, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Commission on Special License Plates approves the application for the authorized plate pursuant to NRS 482.367004.

2. The provisions of subsection 1 do not apply with regard to special license plates that are issued pursuant to NRS 482.3785 or 482.3787 ~~[.]~~ ***or section 1 of this act.***

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 206.

AN ACT relating to crimes; establishing the crime of involuntary servitude of a minor; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the crime of holding a person in involuntary servitude and provides that a person who holds another person in involuntary servitude is guilty of a category B felony. If a victim held in involuntary servitude suffers substantial bodily harm while held in involuntary servitude or in attempted escape or escape therefrom, the person who held the victim in involuntary servitude is punished by imprisonment in the state prison for a minimum term of not less than 7 years and a maximum term of not more than 20 years, and may be further punished by a fine of not more than $50,000. If the victim suffers no substantial bodily harm as a result of being held in involuntary servitude, the person who held the victim in involuntary servitude is punished by imprisonment in the state prison for a minimum term of not less than 5 years and a maximum term of not more than 20 years, and may be further punished by a fine of not more than $50,000. (NRS 200.463)

Section 2 of this bill establishes the crime of holding a minor in involuntary servitude and provides that a person who holds a minor in

involuntary servitude is guilty of a category A felony and is punished by life imprisonment with the possibility of parole when a minimum of 15 years has been served. **Sections 3, 4, 8 and 14** of this bill provide that a person found guilty of holding a minor in involuntary servitude is subject to the greater penalty for that crime if the act of holding the minor in involuntary servitude could subject the person to a lesser punishment under another statute. **Sections 1, 6, 7 and 9-11** of this bill add references to **section 2** so that the crime of holding a minor in involuntary servitude is treated the same as the crime of holding a person in involuntary servitude for certain purposes, including, without limitation, the habitual felon statute and civil forfeiture. **Section 13** of this bill adds the crime of holding a minor in involuntary servitude to the list of offenses that constitute a crime against a child, thereby requiring a person convicted of holding a minor in involuntary servitude to register with law enforcement as an offender convicted of a crime against a child.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 207.

AN ACT relating to liens; authorizing owners of storage facilities to impose a reasonable late fee if rent for a storage space is not paid when due; [requiring a peace officer of a local law enforcement agency to remove a person residing in a storage facility within 24 hours after a request by the

~~owner of the storage facility;~~] authorizing the owner of a storage facility to deny an occupant access to his or her storage space if rent owed by the occupant remains unpaid for ~~[5]~~ **10** days or more; revising various provisions governing liens of owners of storage facilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that if rent for a storage space at a storage facility is due and unpaid, the owner of the storage facility has a lien on all personal property located in the storage space for the rent, labor or other charges incurred by the owner pursuant to a rental agreement and for those expenses reasonably incurred by the owner to preserve, sell or otherwise dispose of the personal property. (NRS 108.4753) Under existing law, the owner of the storage facility may sell this personal property to satisfy the lien. (NRS 108.4763, 108.477) **Section 3** of this bill authorizes the owner of a storage facility to impose a reasonable late fee for rent which is not paid when due if the rental agreement sets forth the amount of the late fee. Under **section 3**, a late fee is deemed to be reasonable if it is $20 or 20 percent of the monthly rental amount, for each month of a late rental payment, whichever is greater **.** ~~[, and a rental agreement may provide for a greater late fee if the owner establishes that the amount of the late fee is reasonable.]~~ **Section 6** of this bill provides that if a late fee is imposed on an occupant of a storage space, the late fee is included in the owner's lien.

Existing law prohibits a person from using a storage space at a storage facility as a residence and requires the owner of a storage facility to evict a person who is residing in a storage space. (NRS 108.475) Under existing law, a sheriff or constable of the county must remove the person from the storage space within 24 hours after receipt of an eviction order issued by a justice of the peace. (NRS 40.670) **Sections 5 and 9** of this bill repeal the requirement that the owner evict a person who is residing in a storage space at a storage facility **.** ~~[and, instead, require a peace officer of a local law enforcement agency to remove a person who the peace officer has reasonable cause to believe is residing in a storage space at a storage facility within 24 hours after the owner of the storage facility requests that the local law enforcement agency remove the person.]~~

Existing law provides that if any charges for rent or other items owed by the occupant of a storage space at a storage facility remain unpaid for 14 days or more, the owner of the storage facility may terminate the occupant's right to use the storage space for which charges are owed after providing certain notice to the occupant. (NRS 108.476) Existing law further provides that if the occupant fails to pay the total amount due by the date specified in a notice of lien from the owner of a storage facility, the owner may deny the occupant access to the storage space. (NRS 108.4763) **Sections 7 and 8** of

this bill remove the provisions of existing law authorizing the owner of a storage facility to deny access to a storage space and, instead, authorize the owner to deny access to a storage space for which an occupant owes any charge for rent or other items if the charge remains unpaid for ~~[5]~~ **10** days or more.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 131.

AN ACT relating to motorcycles; revising provisions pertaining to trimobiles; revising provisions relating to the equipment that is required on a motorcycle or moped operating on the highways of this State; revising provisions concerning the protective equipment that a person is required to wear when driving or riding on a motorcycle or moped; increasing the amount the Director of the Department of Public Safety is authorized to charge for a course of motorcycle safety; revising other provisions related to certain courses of motorcycle safety; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person driving a trimobile is required to hold a driver's license, but is not required to hold a motorcycle driver's license or a driver's license with a motorcycle endorsement. (NRS 486.061) Existing law also requires a person driving or riding on a trimobile to wear protective glasses, goggles or a face shield, but does not require such a person to wear protective headgear. (NRS 486.231) A trimobile is defined in existing law as a motor vehicle designed to travel with three wheels in contact with the ground, two of which are power driven. (NRS 482.129, 486.057) **Sections 1**

and 2 of this bill revise the definition of trimobile by removing the requirement that two of the wheels be power driven **[.]** **and by excluding from the definition a motorcycle with a sidecar.**

Existing law requires the Department of Motor Vehicles to adopt standards for protective headgear and protective glasses, goggles or face shields to be worn by drivers and passengers of motorcycles, and transparent windscreens for motorcycles. (NRS 486.231) **Section 3** of this bill removes the requirement for the Department to adopt standards for protective glasses, goggles, face shields and transparent windscreens.

Existing law requires a motorcycle or moped that is driven on the highways of this State to be equipped with certain equipment, including, for example, head lamps and rear reflectors, and provides for height restrictions for handlebars. (NRS 486.201, 486.281, 486.291) **Section 4** of this bill increases the maximum number of allowable head lamps on a motorcycle or moped, **section 5** of this bill removes the minimum height requirement for rear reflectors on a motorcycle or moped, and **section [8] 2.5** of this bill **[repeals] revises** the restriction on the height of the handlebars on a motorcycle or moped.

Existing law requires the Director of the Department of Public Safety to establish a Program for the Education of Motorcycle Riders and provides that money in the Account for the Program may be used to pay the expenses of the Program or for any other purpose authorized by the Legislature. (NRS 486.372) **Section 6** of this bill removes the authorization for money in the Account to be used for any other purpose authorized by the Legislature. Existing law also authorizes certain residents of this State to enroll in the Program and authorizes the Director to establish a fee of not more than $100 for the Program. (NRS 486.373) **Section 7** of this bill raises the limit of the fee to **[$200] $150** and allows for the enrollment in the Program of a person who is **[a] an active duty** member of the Armed Forces of the United States stationed at a military installation located in this State and who is authorized by **[the person's] any** state **[of residency]** to drive a motorcycle **[.] or who is eligible to apply for such authorization from any state.**

Assembly Bill No. 273.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 250.

AN ACT relating to real property; **creating the Contingency Account for the Foreclosure Mediation Program;** revising provisions governing enrollment in the Foreclosure Mediation Program; **revising provisions governing the foreclosure of liens by an association of a common-interest community;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) One such restriction requires the trustee under the deed of trust to include with the copy of the notice of default and election to sell which is mailed to the homeowner: (1) a notice provided by the Foreclosure Mediation Program Administrator indicating that the grantor or the person who holds the title of record has the right to seek mediation **[,] under rules adopted by the Nevada Supreme Court;** and (2) a form on which a homeowner may request **such** mediation **. [**~~under rules adopted by the Nevada Supreme Court.~~**]** Under existing law, a homeowner must elect to participate by: (1) completing and returning to the trustee a form upon which the homeowner elects to enter into mediation; and (2) paying his or her share of the fee established under the rules adopted by the Nevada Supreme Court. (NRS 107.080, 107.086)

This bill revises provisions governing enrollment in the Foreclosure Mediation Program. Under **sections ~~[1]~~ 2 and ~~[2]~~ 3** of this bill, a trustee under a deed of trust concerning owner-occupied housing must **, in addition to including certain information concerning the Foreclosure Mediation Program with the copy of the notice of default and election which is mailed to the homeowner,** send **that information** to the homeowner **[**~~the notice provided by the Mediation Administrator~~**]** concurrently with, but separately from, the copy of the notice of default and election to sell **. [**~~which is mailed to the homeowner pursuant to existing law.~~**]** **Section ~~[2]~~ 3** further

provides that a homeowner will be enrolled in the Foreclosure Mediation Program unless: (1) he or she elects to waive mediation; or (2) fails to pay his or her share of the fee established under the rules adopted by the Nevada Supreme Court. If the homeowner waives mediation, fails to pay his or her share of the fee or, if the homeowner is enrolled in the Foreclosure Mediation Program, fails to appear at a scheduled mediation, the Mediation Administrator must provide to the trustee a certificate authorizing the continuation of the process to exercise the power of sale. **Section 3 also establishes deadlines by which the Mediation Administrator must provide certain information to the trustee.**

Section 1 of this bill creates the Contingency Account for the Foreclosure Mediation Program. Under section 1, the Supreme Court administers the Contingency Account and money in the Contingency Account must be expended only to carry out the Foreclosure Mediation Program.

Section 4 of this bill prohibits a homeowners' association from foreclosing its lien on a unit constituting owner-occupied housing while the unit's owner is eligible to participate or is participating in the Foreclosure Mediation Program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. The Contingency Account for the Foreclosure Mediation Program is hereby created in the State General Fund.

2. The Supreme Court shall administer the Contingency Account. The money in the Contingency Account must be expended only for the purpose of carrying out the provisions of NRS 107.086 and any rules adopted by the Supreme Court to carry out the provisions of NRS 107.086.

3. The Supreme Court may apply for and accept gifts, grants and donations or other sources of money for deposit in the Contingency Account.

4. The interest and income earned on money in the Contingency Account, after deducting any applicable charges, must be credited to the Contingency Account.

5. Any money remaining in the Contingency Account at the end of a fiscal year does not revert to the State General Fund and the balance in the Contingency Account must be carried forward to the next fiscal year.

Amendment No. 311.

AN ACT relating to convicted persons; authorizing a court to commit certain convicted persons to the custody of the Department of Corrections for an evaluation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

NRS 176.158, which was repealed by Senate Bill No. 74 of the 1997 Legislative Session, authorized a court to commit certain convicted persons to the custody of the Director of the Department of Prisons, which is now the Department of Corrections, for a period of not more than 120 days for a complete evaluation. After the period during which the person was committed, the Department of Prisons was required to provide the court with a report of the results of the evaluation and any recommendations which the Department believed would be helpful to the court in determining the proper sentence for the person. (Chapter 257, Statutes of Nevada 1997, pp. 905-07)

Section 1 of this bill reinstates these provisions, but authorizes a court to commit such persons to the custody of the Director of the Department of Corrections for a period of not more than 90 days for a complete evaluation. **Sections 2-4** of this bill restore certain language which was deleted as a result of NRS 176.158 being repealed. **Section 5** of this bill provides a court with the option of committing an eligible person to the custody of the Director of the Department of Corrections for an evaluation pursuant to **section 1** if the person is convicted of a felony for which he or she may be sentenced to imprisonment that is committed on or after October 1, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section **[**~~, NRS 125C.100 to 125C.185, inclusive,~~**]** ***, sections 2 to 48, inclusive, of this act*** and chapter 130 of NRS:

(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

➥ The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the provisions of **[**~~NRS 125C.100 to 125C.185, inclusive,~~**]** ***sections 2 to 48, inclusive, of this act*** and to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is

achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and ~~[NRS 125C.100 to 125C.185, inclusive,]~~ ***sections 2 to 48, inclusive, of this act,*** and must contain the following language:

PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if the parent:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his or her name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

2. If a court has issued a permanent order regarding custodial responsibility before notice of deployment and the parents modify that order temporarily by agreement pursuant to sections 27 to 31, inclusive, of this act, the residence of the deploying parent is not changed by reason of the deployment for the purposes of chapter 125A of NRS.

2. Except as otherwise provided in subsection 4, and subject to subsection 3, each parent shall in a record provide the other parent with a plan for fulfilling that parent's share of custodial responsibility during deployment as soon as reasonably possible after receiving notice of deployment under subsection 1.

3. If an existing court order prohibits disclosure of the address or contact information of the other parent, a notification of deployment under subsection 1, or notification of a plan for custodial responsibility during deployment under subsection 2, may be made only to the issuing court. If the address of the other parent is available to the issuing court, the court shall forward the notification to the other parent. The court shall keep confidential the address or contact information of the other parent.

4. Notice in a record is not required if the parents are living in the same residence and there is actual notice of the deployment or plan.

5. In a proceeding regarding custodial responsibility between parents, a court may consider the reasonableness of a parent's efforts to comply with this section.

Sec. 25. *1. Except as otherwise provided in subsection 2, a person to whom custodial responsibility has been assigned or granted during deployment pursuant to sections 27 to 41, inclusive, of this act shall notify the deploying parent and any other person with custodial responsibility of any change of mailing address or residence until the assignment or grant is terminated. The person shall provide the notice to any court that has issued an existing custody or child support order concerning the child.*

2. If an existing court order prohibits disclosure of the address or contact information of a person to whom custodial responsibility has been assigned or granted, a notification of change of mailing address or residence under subsection 1 may be made only to the court that issued the order. The court shall keep confidential the mailing address or residence of the person to whom custodial responsibility has been assigned or granted.

Sec. 26. *In a proceeding for custodial responsibility of a child of a service member, a court may not consider a parent's past deployment or possible future deployment in itself in determining the best interest of the child, but may consider any significant impact on the best interest of the child of the parent's past or possible future deployment.*

Sec. 27. *1. The parents of a child may enter into a temporary agreement granting custodial responsibility during deployment.*

2. An agreement under subsection 1 must be:

(a) In writing; and

(b) Signed by both parents and any nonparent to whom custodial responsibility is granted.

3. An agreement under subsection 1 may:

(a) Identify to the extent feasible the destination, duration and conditions of the deployment that is the basis for the agreement;

(b) Specify the allocation of caretaking authority among the deploying parent, the other parent and any nonparent, if applicable;

(c) Specify any decision-making authority that accompanies a grant of caretaking authority;

(d) Specify any grant of limited contact to a nonparent;

(e) If the agreement shares custodial responsibility between the other parent and a nonparent, or between two nonparents, provide a process to resolve any dispute that may arise;

(f) Specify the frequency, duration and means, including electronic means, by which the deploying parent will have contact with the child, any role to be played by the other parent in facilitating the contact and allocation of any costs of communications;

(g) Specify the contact between the deploying parent and child during the time the deploying parent is on leave or is otherwise available;

(j) If the agreement must be filed pursuant to section 31 of this act, specify which parent shall file the agreement.

Sec. 28. *1. The agreement derives from the parents' custodial responsibility and does not create an independent, continuing right to caretaking authority, decision-making authority or limited contact in a person to whom custodial responsibility is given.*

2. A nonparent given caretaking authority, decision-making authority or limited contact by an agreement under sections 27 to 31, inclusive, of this act has standing to enforce the agreement until it has been terminated pursuant to an agreement of the parents under section 29 of this act, under sections 42 to 45, inclusive, of this act or by court order.

Sec. 29. *1. The parents may modify an agreement regarding custodial responsibility made pursuant to sections 27 to 31, inclusive, of this act by mutual consent.*

2. If an agreement is modified under subsection 1 before deployment of a deploying parent, the modification must be in writing and signed by both parents and any nonparent who will exercise custodial responsibility under the modified agreement.

3. If an agreement is modified under subsection 1 during deployment of a deploying parent, the modification must be agreed to in a record by both parents and any nonparent who will exercise custodial responsibility under the modified agreement.

Sec. 30. *If no other parent possesses custodial responsibility under the laws of this State other than sections 3 to 48, inclusive, of this act, or if an existing court order prohibits contact between the child and the other parent, a deploying parent, by power of attorney, may delegate all or part of custodial responsibility to an adult nonparent for the period of deployment. The power of attorney is revocable by the deploying parent through a revocation of the power of attorney signed by the deploying parent.*

Sec. 31. *An agreement or power of attorney made under sections 27 to 30, inclusive, of this act must be filed within a reasonable period of time with any court that has entered an existing order on custodial responsibility or child support concerning the child. The case number and heading of the existing case concerning custodial responsibility or child support must be provided to the court with the agreement or power of attorney.*

Sec. 32. *1. After a deploying parent receives notice of deployment and during the deployment, a court may issue a temporary order granting custodial responsibility unless prohibited by the Servicemembers Civil Relief Act, 50 U.S.C. Appx. §§ 521-522. A court may not issue a permanent order granting custodial responsibility without the consent of the deploying parent.*

2. At any time after a deploying parent receives notice of deployment, either parent may file a motion regarding custodial responsibility of a child during deployment. The motion must be filed in an existing proceeding for custodial responsibility of the child with jurisdiction under section 23 of this act or, if there is no existing proceeding in a court with jurisdiction under section 23 of this act, in a new action for granting custodial responsibility during deployment.

Sec. 33. *If a motion to grant custodial responsibility is filed before a deploying parent deploys, the court shall conduct an expedited hearing.*

Sec. 34. *In a proceeding brought under sections 32 to 41, inclusive, of this act, a party or witness who is not reasonably available to appear personally may appear and provide testimony and present evidence by electronic means unless the court finds good cause to require a personal appearance.*

Sec. 35. *In a proceeding for a grant of custodial responsibility pursuant to sections 32 to 41, inclusive, of this act, the following rules apply:*

1. A prior judicial order designating custodial responsibility of a child in the event of deployment is binding on the court unless the circumstances

meet the requirements of the laws of this State other than sections 3 to 48, inclusive, of this act for modifying a judicial order regarding custodial responsibility.

2. The court shall enforce a prior written agreement between the parents for designating custodial responsibility of a child in the event of deployment, including a prior written agreement executed under sections 27 to 31, inclusive, of this act, unless the court finds the agreement contrary to the best interest of the child.

Sec. 36. ***1. On the motion of a deploying parent and in accordance with the laws of this State other than sections 3 to 48, inclusive, of this act, a court may grant caretaking authority of a child to a nonparent who is an adult family member of the child or an adult with whom the child has a close and substantial relationship if it is in the best interest of the child.***

2. In determining whether to grant caretaking authority of a child to a nonparent pursuant to subsection 1, the court shall consider the following factors:

(a) The love, affection and other emotional ties existing between the nonparent and the child.

(b) The capacity and disposition of the nonparent to:

(1) Give the child love, affection and guidance and serve as a role model to the child;

(2) Provide the child with food, clothing and other material needs; and

(3) Provide the child with health care or alternative health care which is recognized and authorized pursuant to the laws of this State.

(c) The prior relationship between the nonparent and the child, including, without limitation, whether the child has previously resided with the nonparent and whether the child was previously included in holidays or family gatherings with the nonparent.

(d) The moral fitness of the nonparent.

(e) The mental and physical health of the nonparent.

(f) The reasonable preference of the child if the child has a preference and if the court determines that the child is of sufficient maturity to express a preference.

(g) The willingness and ability of the nonparent to facilitate and encourage a close and substantial relationship between the child and his or her deploying parent, other parent and family members.

(h) The medical and other health needs of the child which are affected by the grant of caretaking authority.

(i) The support provided by the nonparent, including, without limitation, whether the nonparent has contributed to the financial support of the child.

(j) Any objection by the other parent to the grant of caretaking authority to a nonparent. In the case of an objection by the other parent, there is a rebuttable presumption that the grant of caretaking authority to a nonparent is not in the best interest of the child. To rebut this presumption, the deploying parent must prove by clear and convincing evidence that the grant of caretaking authority to the nonparent is in the best interest of the child.

3. Unless the grant of caretaking authority to a nonparent under subsection 1 is agreed to by the other parent, the grant is limited to an amount of time not greater than:

(a) The time granted to the deploying parent in an existing permanent custody order, except that the court may add unusual travel time necessary to transport the child; or

(b) In the absence of an existing permanent custody order, the amount of time that the deploying parent habitually cared for the child before being notified of deployment, except that the court may add unusual travel time necessary to transport the child.

~~[3.]~~ 4. A court may grant part of the deploying parent's decision-making authority for a child to a nonparent who is an adult family member of the child or an adult with whom the child has a close and substantial relationship if the deploying parent is unable to exercise that authority. When a court grants the authority to a nonparent, the court shall specify the decision-making powers that will and will not be granted, including applicable health, educational and religious decisions.

Sec. 37. *On the motion of a deploying parent and in accordance with the laws of this State other than sections 3 to 48, inclusive, of this act, a court shall grant limited contact with a child to a nonparent who is either a family member of the child or a person with whom the child has a close and substantial relationship, unless the court finds that the contact would be contrary to the best interest of the child.*

Sec. 38. *1. A grant made pursuant to sections 32 to 41, inclusive, of this act is temporary and terminates pursuant to sections 42 to 45, inclusive, of this act following the return from deployment of the deployed parent, unless the grant has been terminated before that time by court order. The grant does not create an independent, continuing right to caretaking authority, decision-making authority or limited contact in a person to whom it is granted.*

2. A nonparent granted caretaking authority, decision-making authority or limited contact under sections 32 to 41, inclusive, of this act has standing to enforce the grant until it is terminated under sections 42 to 45, inclusive, of this act or by court order.

Sec. 39. *1. An order granting custodial responsibility under sections 32 to 41, inclusive, of this act must:*

(a) Designate the order as temporary; and

(b) Identify to the extent feasible the destination, duration and conditions of the deployment.

2. If applicable, a temporary order for custodial responsibility must:

(a) Specify the allocation of caretaking authority, decision-making authority or limited contact among the deploying parent, the other parent and any nonparent;

(b) If the order divides caretaking or decision-making authority between persons, or grants caretaking authority to one person and limited contact to another, provide a process to resolve any significant dispute that may arise;

(c) Provide for liberal communication between the deploying parent and the child during deployment, including through electronic means, unless contrary to the best interest of the child, and allocate any costs of communications;

(d) Provide for liberal contact between the deploying parent and the child during the time the deploying parent is on leave or is otherwise available, unless contrary to the best interest of the child;

(e) Provide for reasonable contact between the deploying parent and the child following return from deployment until the temporary order is terminated, which may include more time than the deploying parent spent with the child before entry of the temporary order; and

(f) Provide that the order will terminate following return from deployment according to the procedures under sections 42 to 45, inclusive, of this act.

Sec. 40. *If a court has issued an order ~~[providing for grant of]~~ granting caretaking authority under sections 32 to 41, inclusive, of this act or an agreement granting caretaking authority has been executed under sections 27 to 31, inclusive, of this act the court may enter a temporary order for child support consistent with the laws of this State other than sections 3 to 48, inclusive, of this act , if the court has jurisdiction under NRS 130.0902 to 130.802, inclusive.*

Sec. 41. *1. Except for an order in accordance with section 35 of this act or as otherwise provided in subsection 2, and consistent with the Servicemembers Civil Relief Act, 50 U.S.C. Appx. §§ 521-522, on the motion of a deploying or other parent or any nonparent to whom caretaking authority, decision-making authority or limited contact has been granted, the court may modify or terminate a grant of caretaking authority, decision-making authority or limited contact made pursuant to sections 3 to 48, inclusive, of this act if the modification or termination is consistent with sections 32 to 41, inclusive, of this act and the court finds it*

is in the best interest of the child. Any modification must be temporary and terminates following the conclusion of deployment of the deployed parent according to the procedures under sections 42 to 45, inclusive, of this act unless the grant has been terminated before that time by court order.

2. On the motion of a deploying parent, the court shall terminate a grant of limited contact.

Sec. 42. *1. At any time following return from deployment, a temporary agreement granting custodial responsibility under sections 27 to 31, inclusive, of this act may be terminated by an agreement to terminate signed by the deploying parent and the other parent.*

2. The temporary agreement granting custodial responsibility terminates:

(a) If the agreement to terminate specifies a date for termination, on that date; or

(b) If the agreement to terminate does not specify a date, on the date the agreement to terminate is signed by both parents.

3. In the absence of an agreement to terminate, the temporary agreement granting custodial responsibility terminates 60 days ~~[from]~~ after the date of the deploying parent's giving notice to the other parent of having returned from deployment.

4. If the temporary agreement granting custodial responsibility was filed with a court pursuant to section 31 of this act, an agreement to terminate the temporary agreement must also be filed with that court within a reasonable period of time after the signing of the agreement. The case number and heading of the existing custodial responsibility or child support case must be provided to the court with the agreement to terminate.

Sec. 43. *At any time following return from deployment, the deploying parent and the other parent may file with the court an agreement to terminate a temporary order for custodial responsibility issued under sections 32 to 41, inclusive, of this act. After an agreement has been filed, the court shall issue an order terminating the temporary order on the date specified in the agreement. If no date is specified, the court shall issue the order immediately.*

Sec. 44. *Following return from deployment of a deploying parent until a temporary agreement or order for custodial responsibility established under sections 27 to 41, inclusive, of this act is terminated, the court shall enter a temporary order granting the deploying parent reasonable contact with the child unless it is contrary to the best interest of the child, even if the time exceeds the time the deploying parent spent with the child before deployment.*

Sec. 45. *1. A temporary order for custodial responsibility issued under sections 32 to 41, inclusive, of this act shall terminate, if no*

agreement between the parties to terminate a temporary order for custodial responsibility has been filed, 60 days ~~[from]~~ after the date of the deploying parent's giving notice of having returned from deployment to the other parent and any nonparent granted custodial responsibility.

2. Any proceedings seeking to prevent termination of a temporary order for custodial responsibility are governed by the laws of this State other than sections 3 to 48, inclusive, of this act.

Sec. 45.5. The court may, upon a motion alleging immediate danger of irreparable harm to the child, hold an expedited hearing concerning custody or visitation following the deploying parent's return from deployment.

Sec. 46. ***In addition to other relief provided by the laws of this State other than sections 3 to 48, inclusive, of this act , if a court finds that a party to a proceeding under sections 3 to 48, inclusive, of this act has acted in bad faith or intentionally failed to comply with sections 3 to 48, inclusive, of this act or a court order issued under sections 3 to 48, inclusive, of this act , the court may assess reasonable attorney's fees and costs of the opposing party and order other appropriate relief.***

Sec. 47. ***In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.***

Sec. 48. ***This act modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq., but does not modify, limit or supersede § 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in § 103(b) of that act, 15 U.S.C. § 7003(b).***

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 312.

AN ACT relating to spendthrift trusts; **revising provisions governing self-settled spendthrift trusts; revising provisions governing the transfer of community property to a spendthrift trust;** prohibiting certain persons from being a distribution trustee of a spendthrift trust; ~~[repealing certain provisions governing the powers of a settlor;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to create a spendthrift trust, which is a trust the terms of which provide that the interest of a beneficiary may not be transferred voluntarily or involuntarily to another person. (NRS 166.020, 166.040) Under existing law, a beneficiary of a spendthrift trust may not transfer his or her interest in the trust and a creditor of the beneficiary may not satisfy the creditor's claim from the beneficiary's interest in the trust. (NRS 166.120) Existing law further authorizes the creation of self-settled spendthrift trusts, which are spendthrift trusts in which the settlor is a

beneficiary. Under existing law, a self-settled spendthrift trust may be created only if the trust is irrevocable, does not require any part of the income or principal to be distributed to the settlor and is not be intended to hinder, delay or defraud known creditors. (NRS 166.040)

Section 1.3 of this bill provides that a self-settled spendthrift trust is not enforceable against the settlor's child, spouse or domestic partner, or former spouse or domestic partner who has a judgment or court order against the settlor for support or maintenance. Section 1.3 further authorizes: (1) the settlor's child, spouse or domestic partner, or former spouse or domestic partner to obtain a court order attaching present or future distributions from a self-settled spendthrift trust to or for the benefit of the settlor; and (2) authorizes a court to order distributions from a self-settled spendthrift trust to satisfy a judgment or court order against the settlor for the support or maintenance of his or her child, spouse or domestic partner or former spouse or domestic partner. Section 1.6 of this bill enacts provisions governing the transfer of community property to a spendthrift trust. Section ~~[1]~~ 1.9 of this bill prohibits the settlor, certain relatives and employees of the settlor, and ~~[a business entity in which the settlor holds at least 30 percent of the total voting power of all interests entitled to vote,]~~ **business entities in which the settlor or certain relatives or employees of the settlor hold certain voting power,** from being a distribution trustee of a self-settled spendthrift trust.

~~[Section 2 of this bill repeals a provision of existing law which provides that any agreement or understanding between the settlor of a spendthrift trust and the trustee that attempts to grant or permit the retention of greater rights or authority than is stated in the trust instrument is void.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 166 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.3 and 1.6 of this act.**

Sec. 1.3. 1. Notwithstanding any other provision of law, if a spendthrift trust is a self-settled spendthrift trust:

(a) The trust is unenforceable against the settlor's child, spouse or domestic partner, or former spouse or domestic partner who has a judgment or court order against the settlor for support or maintenance; and

(b) A claimant against whom the trust cannot be enforced pursuant to paragraph (a) may obtain from a court an order attaching present or future distributions to or for the benefit of a beneficiary of the trust who is a settlor of the trust.

(b) The court shall direct the trustee to pay to the child, spouse or domestic partner, or former spouse or domestic partner such amount as is equitable under the circumstances.

3. Notwithstanding any other provision of law, if a child, spouse or domestic partner, or former spouse or domestic partner has a judgment or court order for support or maintenance against a beneficiary of a self-settled spendthrift trust who is a settlor of the trust, the child, spouse or domestic partner, or former spouse or domestic partner may reach a distribution of income or principal which the trustee is required to make to that beneficiary under the terms of the trust, including, without limitation, a distribution upon termination of the trust.

AN ACT relating to vehicles; authorizing a person to apply for a letter of abandonment for an abandoned recreational vehicle under certain circumstances; requiring a municipal solid waste landfill to accept a recreational vehicle for disposal under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedure for disposal of an abandoned vehicle. (NRS 487.205-487.300) **Section 1** of this bill authorizes an owner or occupant of private property who discovers an abandoned recreational vehicle on that property to apply for a letter of abandonment for the recreational vehicle. **Section 1** also sets forth the procedure for obtaining a letter of abandonment for a recreational vehicle. **Section 5** of this bill requires a municipal solid waste landfill to accept a recreational vehicle for disposal if: (1) the person disposing of the recreational vehicle provides the title to the recreational vehicle which indicates that he or she is the owner of the vehicle or has obtained a letter of abandonment from the Department of Motor Vehicles; and (2) accepting the recreational vehicle for disposal does not violate any applicable federal or state law concerning the operation of the municipal solid waste landfill.

~~[Existing law sets forth the requirements for the manufacture, sale, distribution, alteration, transportation and installation in this State of manufactured homes, mobile homes, travel trailers, manufactured buildings, commercial coaches and factory built housing. (Chapter 489 of NRS) A "commercial coach" is defined to mean a structure without motive power which is designed and equipped for human occupancy for industrial, professional or commercial purposes. (NRS 489.062) Section 4 of this bill specifically excludes a special commercial coach from the existing definition of a "commercial coach." THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1. In addition to the procedure for disposing of an abandoned vehicle set forth in NRS 487.205 to 487.300, inclusive, if a recreational vehicle is abandoned on private property and is discovered by the owner or occupant of the property, the person who discovers the recreational vehicle may apply for a letter of abandonment for the recreational vehicle. The issuance of a letter of abandonment pursuant to this section divests any other person of any interest in the abandoned recreational vehicle.

2. Before applying for a letter of abandonment, the owner or occupant of the property where the abandoned recreational vehicle is located shall:

(a) If the abandoned recreational vehicle has a serial number, vehicle identification number or registration number or other means of identifying any owner of the abandoned recreational vehicle, obtain the last known address of the owner and notify the owner by registered or certified letter to the last known address of the owner that, if ownership is not claimed and the abandoned recreational vehicle is not removed within 60 days, the owner or occupant of the property where the abandoned recreational vehicle is located will apply for a letter of abandonment. The owner or occupant of the property where the abandoned recreational vehicle is located is not required to send a registered or certified letter if an owner cannot be located or if an address for an owner cannot be ascertained.

(b) Place a notice in a newspaper of general circulation published in the county in which the abandoned recreational vehicle is located, describing the abandoned recreational vehicle and the location where the abandoned recreational vehicle was discovered and providing the serial or vehicle identification number or any other identifying information relating to the abandoned recreational vehicle. The owner or occupant of the property where the abandoned recreational vehicle is located shall state in the notice that, if the abandoned recreational vehicle is not claimed and removed within 60 days after the publication date of the newspaper, the owner or occupant of the property where the abandoned recreational vehicle is located will apply for a letter of abandonment.

3. An owner or occupant of the property where the abandoned recreational vehicle is located may apply to the Department for a letter of abandonment upon the expiration of:

(a) Sixty days after the date on which the owner or occupant of the property where the abandoned recreational vehicle is located mails the registered or certified letter pursuant to paragraph (a) of subsection 2, if such a letter is required; or

(b) Sixty days after the date of publication of the notice required by paragraph (b) of subsection 2,

↪ whichever is later.

4. An application for a letter of abandonment for an abandoned recreational vehicle must contain:

(a) A completed application form prescribed by the Department;

(b) Proof that the letter required by paragraph (a) of subsection 2 was mailed at least 60 days before the submission of the application or a detailed explanation of the unsuccessful steps taken to identify all owners of the abandoned recreational vehicle;

(c) Proof that a notice was printed in a newspaper as required by paragraph (b) of subsection 2 at least 60 days before the submission of the application;

(d) A clear and accurate photograph of the abandoned recreational vehicle; and

(e) The serial number, vehicle identification number or registration number, if any, of the abandoned recreational vehicle.

5. The Department may charge and collect a fee for issuing a letter of abandonment pursuant to this section, which must not exceed the actual cost to the Department of issuing the letter of abandonment.

6. Upon receipt of the materials and information required in subsection 4 and any fees required pursuant to subsection 5, the Department shall enter the application upon the records of its office and issue to the applicant a letter of abandonment for the abandoned recreational vehicle.

7. As used in this section, "recreational vehicle" has the meaning ascribed to it in NRS 482.101.

Sec. 2. ~~[Chapter 489 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*"Special purpose commercial coach" means a structure without motive power, not intended for general public use, which is designed and equipped for human occupancy for industrial, professional or commercial purposes. AN ACT relating to parentage; providing that a child is not required to be made a party to certain actions to determine the paternity of the child; revising provisions governing the representation of a child in ~~[such an action;]~~ **certain actions;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in an action to determine paternity, a child is required to be made a party to the action. Existing law also requires the child, if he or she is a minor, to be represented by his or her general guardian or a guardian ad litem appointed by the court. THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 125B.150 is hereby amended to read as follows:**

The district attorney of the county of residence of the child, or of a parent, alleged parent or guardian who does not have physical custody of the child, shall take such action as is necessary to establish parentage of the child and locate and take legal action, including the establishment or adjustment of an obligation of support, against a person who has a duty to support the child when requested to do so by the parent, alleged parent or guardian or a public agency which provides assistance to the parent, alleged parent, guardian or child. If the court for cause transfers the action to another county, the clerk of the receiving court shall notify the district attorney of that county, and that district attorney shall proceed to prosecute the cause of action and take such further action as is necessary to establish parentage and to establish or adjust the obligation of support and to enforce

the payment of support pursuant to this chapter or chapter 31A, 126, 130 or 425 of NRS.

2. In a county where the district attorney has deputies to aid the district attorney in the performance of his or her duties, the district attorney shall designate himself or herself or a particular deputy as responsible for performing the duties imposed by subsection 1.

3. ~~[Except as otherwise provided in NRS 126.101, the]~~ ***The*** district attorney and his or her deputies do not represent the parent, alleged parent, guardian or child in the performance of their duties pursuant to this chapter and chapter 31A, 126, 130 or 425 of NRS, but are rendering a public service as representatives of the State.

4. Officials of the Division of Welfare and Supportive Services of the Department of Health and Human Services are entitled to access to the information obtained by the district attorney if that information is relevant to the performance of their duties. The district attorney or his or her deputy shall inform each person who provides information pursuant to this section concerning the limitations on the confidentiality between lawyer and client under these circumstances.

5. Disclosures of criminal activity by a parent or child are not confidential.

6. The district attorney shall inform each parent who applies for the assistance of the district attorney in this regard that a procedure is available to collect unpaid support from any refund owed to the parent who has a duty to support the child because an excessive amount of money was withheld to pay the parent's federal income tax. The district attorney shall submit to the Division of Welfare and Supportive Services all documents and information it requires to pursue such a collection if:

(a) The applicant is not receiving public assistance.

(b) The district attorney has in his or her records:

(1) A copy of the order of support for a child and any modifications of the order which specify their date of issuance and the amount of the ordered support;

(2) A copy of a record of payments received or, if no such record is available, an affidavit signed by the custodial parent attesting to the amount of support owed; and

(3) The current address of the custodial parent.

(c) From the records in the possession of the district attorney, the district attorney has reason to believe that the amount of unpaid support is not less than $500.

Remarks by Assemblyman Frierson.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 407.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 501.

AN ACT relating to public officers; revising provisions relating to residency requirements with reference to eligibility for public office;

prohibiting a district court from issuing a declaratory judgment determining a question of residency of a candidate for certain offices after a certain date; **revising provisions governing the contest of a general election for the office of State Legislator;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person's "actual residence" for the purpose of eligibility to be a candidate for and hold elective public office is the place where the person is legally domiciled and maintains a permanent habitation. If the person maintains more than one such habitation, the place the person declares as his or her principal permanent habitation when declaring or accepting candidacy is deemed to be his or her actual residence. Existing law provides a district court with jurisdiction to determine a question of residency in an action for declaratory judgment. (NRS 281.050)

Section 1 of this bill removes: (1) the provision regarding legal domicile and permanent habitation constituting "actual residency"; and (2) the provision authorizing a person with multiple habitations to declare an actual residence when declaring or accepting candidacy for public office. Instead, a person's residence is deemed to be that place where the person has been actually, physically and corporeally within the State. **Section 1** also provides that a district court does not have jurisdiction in an action to determine the residency of candidates for the Legislature or certain state offices after the statutory deadline for making a change to the ballot for a general election, which is the fourth Friday in June of the year of the general election. (NRS 293.165, 293.166)

Section 3 of this bill provides that, for a state officer who can be removed from office only through impeachment pursuant to Article 7 of the Nevada Constitution, ceasing to reside in the State or, for a certain type of judicial officer, in the district in which he or she is required to reside to be a candidate for the judicial office, is malfeasance for the purposes of impeachment.

Section 4 of this bill clarifies that a person who receives a certificate of election or appointment to office as a Legislator may be removed from office by reason of not residing in the district from which he or she is a Legislator only through expulsion from the Legislator's own House pursuant to Section 6 of Article 4 of the Nevada Constitution, except that the election of a person to office as a Legislator may be contested on the grounds that the person does not reside in the district from which he or she is a Legislator pursuant to provisions regarding the contest of elections. (NRS 293.407-293.435)

Section 14 of this bill provides that in a contest of a general election for the office of Assemblyman, Assemblywoman or Senator, if the house in which the contest was tried or was to be tried finds that the contest or

defense of the contest was brought or maintained without reasonable ground or to harass the prevailing party, the house may require the party who is not the prevailing party to pay costs, attorney's fees or both, not to exceed certain amounts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 281.050 is hereby amended to read as follows:

281.050 1. The residence of a person with reference to eligibility to office is ~~[~~the person's actual residence~~]~~ ***that place where the person has been actually, physically and corporeally*** within the State or county or district, as the case may be, during all the period for which residence is claimed by the person. If any person absents himself or herself from the jurisdiction of that person's residence with the intention in good faith to return without delay and continue such residence, the period of absence must not be considered in determining the question of residence.

2. If a person who has filed as a candidate for elective office moves the person's residence out of the State, county, district, ward, subdistrict or any other unit prescribed by law for which the person is a candidate and in which the person is required ~~[~~actually, as opposed to constructively,~~]~~ to reside, a vacancy is created thereby and the appropriate action for filling the vacancy must be taken. A person shall be deemed to have moved the person's residence for the purposes of this section if:

(a) The person has acted affirmatively to remove himself or herself from one place; and

(b) The person has an intention to remain in another place.

3. ~~[~~The~~]~~ ***Except as otherwise provided in subsection 4, the*** district court has jurisdiction to determine the question of residence in an action for declaratory judgment.

4. ~~[~~As used in this section, "actual residence" means the place where a person is legally domiciled and maintains a permanent habitation. If the person maintains more than one such habitation, the place the person declares to be the person's principal permanent habitation when filing a declaration or affidavit pursuant to NRS 293.177 or 293C.185 shall be deemed to be the person's actual residence.~~]~~ ***A district court does not have jurisdiction in an action to determine the residency of a candidate for:***

(a) The office of Assemblyman, Assemblywoman or State Senator; or

(b) State office if the holder of the office is removable from office only through impeachment pursuant to Article 7 of the Nevada Constitution,

➥ after the deadline set forth in NRS 293.165 and 293.166 for making a change on the ballot for a general election.

Sec. 2. NRS 283.040 is hereby amended to read as follows:

283.040 1. Every office becomes vacant upon the occurring of any of the following events before the expiration of the term:

(a) The death or resignation of the incumbent.

(b) The removal of the incumbent from office.

(c) The confirmed insanity of the incumbent, found by a court of competent jurisdiction.

(d) A conviction of the incumbent of any felony or offense involving a violation of the incumbent's official oath or bond or a violation of NRS 241.040, 293.1755 or 293C.200.

(e) A refusal or neglect of the person elected or appointed to take the oath of office, as prescribed in NRS 282.010, or, when a bond is required by law, a refusal or neglect of the person to give the bond within the time prescribed by law.

(f) Except as otherwise provided in NRS 266.400, the ceasing of the incumbent to be ~~[an actual, as opposed to constructive,]~~ ***, in accordance with the provisions of NRS 281.050, a*** resident of the State, district, county, city, ward or other unit prescribed by law in which the duties of the incumbent's office are to be exercised, or from which the incumbent was elected or appointed, or in which the incumbent was required to reside to be a candidate for office or appointed to office.

(g) The neglect or refusal of the incumbent to discharge the duties of the incumbent's office for a period of 30 days, except when prevented by sickness or absence from the State or county, as provided by law. In a county whose population is less than 15,000, after an incumbent, other than a state officer, has been prevented by sickness from discharging the duties of the incumbent's office for at least 6 months, the district attorney, either on the district attorney's own volition or at the request of another person, may petition the district court to declare the office vacant. If the incumbent holds the office of district attorney, the Attorney General, either on the Attorney General's own volition or at the request of another person, may petition the district court to declare the office vacant. The district court shall hold a hearing to determine whether to declare the office vacant and, in making its determination, shall consider evidence relating to:

(1) The medical condition of the incumbent;

(2) The extent to which illness, disease or physical weakness has rendered the incumbent unable to manage independently and perform the duties of the incumbent's office; and

(3) The extent to which the absence of the incumbent has had a detrimental effect on the applicable governmental entity.

(h) The decision of a competent tribunal declaring the election or appointment void or the office vacant.

(i) A determination pursuant to NRS 293.182 or 293C.186 that the incumbent fails to meet any qualification required for the office.

2. Upon the happening of any of the events described in subsection 1, if the incumbent fails or refuses to relinquish the incumbent's office, the Attorney General shall, if the office is a state office or concerns more than one county, or the district attorney shall, if the office is a county office or concerns territory within one county, commence and prosecute, in a court of competent jurisdiction, any proceedings for judgment and decree declaring that office vacant.

3. The provisions of this section do not apply to the extent that they conflict or are otherwise inconsistent with any provision of the Constitution of the State of Nevada regarding the power to judge of the qualifications, elections and returns of or to punish, impeach, expel or remove from office the Governor, other state and judicial officers or State Legislators.

Sec. 3. NRS 283.140 is hereby amended to read as follows:

283.140 1. Any state officer shall be liable to impeachment for misdemeanor or malfeasance in office pursuant to Article 7 of the Nevada Constitution. ***A state officer who is not a judicial officer commits malfeasance in office for the purposes of Article 7 of the Nevada Constitution by ceasing to reside in this State in violation of the provisions of NRS 281.050, and a judicial officer other than a justice of the peace commits malfeasance in office for the purposes of Article 7 of the Nevada Constitution by ceasing to reside in the district in which he or she is required to reside to be a candidate for the judicial office in violation of the provisions of NRS 281.050.***

2. As used in NRS 283.140 to 283.290, inclusive, "state officer" means the Governor and other state and judicial officers, except:

(a) Justices of the peace; and

(b) State Legislators removable from office only through expulsion by their own House pursuant to Section 6 of Article 4 of the Nevada Constitution.

Sec. 4. Chapter 218A of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 2, a person who receives a certificate of election or appointment to office as a Legislator may be removed from office by reason of not residing in the district for which the person is a Legislator, in violation of the provisions of NRS 281.050, only through expulsion by the Legislator's own House pursuant to Section 6 of Article 4 of the Nevada Constitution.

2. The election of a person to office as a Legislator may be contested pursuant to NRS 293.407 to 293.435, inclusive, on the grounds that the

person does not reside in the district for which the person is a Legislator, in violation of the provisions of NRS 281.050.

Sec. 5. NRS 218A.200 is hereby amended to read as follows:

218A.200 A person is not eligible to be elected or appointed to office as a Legislator unless the person:

1. Is a qualified elector;

2. Has been ~~[an actual, as opposed to constructive,]~~ ***, in accordance with the provisions of NRS 281.050, a*** citizen resident of this State for 1 year next preceding the person's election or appointment; and

3. At the time of election or appointment, has attained the age of 21 years.

Sec. 6. NRS 218A.260 is hereby amended to read as follows:

218A.260 1. If a vacancy occurs in the office of a Legislator during a regular or special session or at a time when no biennial election or regular election at which county officers are to be elected will take place between the occurrence of the vacancy and the next regular or special session, the vacancy must be filled in the manner provided in this section.

2. If the former Legislator was elected or appointed from a district wholly within one county, the board of county commissioners of the county in which the district is located shall fill the vacancy by appointing a person who is a member of the same political party as the former Legislator and who ~~[actually, as opposed to constructively,]~~ ***, in accordance with the provisions of NRS 281.050,*** resides in the district.

3. If the former Legislator was elected or appointed from a district comprising more than one county, the county commissioners of each county within or partly within the district shall fill the vacancy by appointing a person who is a member of the same political party as the former Legislator and who ~~[actually, as opposed to constructively,]~~ ***, in accordance with the provisions of NRS 281.050,*** resides in the district. To fill the vacancy:

(a) Each board of county commissioners shall first meet separately and determine the single candidate it will nominate to fill the vacancy.

(b) The boards shall then meet jointly. The joint meeting must be chaired by the person who is the chair of the board of county commissioners of the county with the largest population in the district. At the joint meeting:

(1) The chair of each board, on behalf of that board, shall cast a proportionate number of votes according to the percent, rounded to the nearest whole percent, which the population of that board's county is of the population of the entire district. Populations must be determined by the last decennial census or special census conducted by the Bureau of the Census of the United States Department of Commerce.

(2) The person who receives a plurality of these votes is appointed to fill the vacancy. If no person receives a plurality of the votes, the boards of

county commissioners of the respective counties shall each select a candidate, and the appointee must be chosen by drawing lots among the candidates so selected.

4. The board of county commissioners or the board of the county with the largest population in the district shall issue a certificate of appointment naming the appointee. The county clerk or the clerk of the county with the largest population in the district shall give the certificate to the appointee and send a copy of the certificate to the Secretary of State.

(b) The membership of the particular board, commission, committee, council, authority or similar body includes residents of another state and the provisions of subsection 1 would conflict with a requirement that applies to all members of that body.

Sec. 8. NRS 223.195 is hereby amended to read as follows:

223.195 1. Except as otherwise provided in this section, when the Governor discharges a duty or exercises a power conferred by law to appoint a person to a new term or to fill a vacancy on a board, commission, committee, council, authority or similar body, the Governor shall appoint a person who has, in accordance with the provisions of NRS 281.050, **[**~~actually, as opposed to constructively,~~**]** resided, for at least 6 months immediately preceding the date of the appointment:

2. After the Governor's initial appointments of members to boards, commissions or similar bodies, all such members shall hold office for terms of 3 years or until their successors have been appointed and have qualified.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 314.

AN ACT relating to parentage; revising provisions relating to assisted reproduction; revising provisions relating to gestational carrier arrangements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the circumstances under which the legal relationship of parent and child is established. Under existing law, the legal relationship of mother and child is established by: (1) proof that the woman has given birth to the child; (2) an adjudication that the woman is the mother of the child; or (3) proof that the woman has adopted the child. (NRS 126.041) The legal relationship of father and child is established by: (1) certain presumptions of paternity that arise if a man was married to, or cohabitating with, the natural mother of the child; (2) a presumption of paternity that arises if the man resides with and holds out the child as his natural child; (3) genetic testing establishing that the man is the father of the child; or (4) a certain voluntary acknowledgment of paternity by the man. (NRS 126.041, 126.051, 126.053) Existing law also establishes the parentage of a child: (1) conceived by means of artificial insemination; or (2) born pursuant to a surrogacy agreement. (NRS 126.045, 126.061) This bill replaces the provisions of existing law governing artificial insemination and surrogacy agreements with provisions governing assisted reproduction and gestational agreements which are based on the Uniform Parentage Act adopted by the Uniform Law Commission and the Model Act Governing Assisted Reproductive Technology promulgated by the American Bar Association.

Sections 16-22 of this bill provide for the parentage of a child conceived by a woman by means of assisted reproduction. Under **section 18**, a person who donates eggs, sperm or embryos for assisted reproduction by a woman is not a parent of the resulting child. **Sections 19 and 20** provide that a person who donates eggs, sperm or embryos for assisted reproduction, or a person who consents to assisted reproduction, with the intent of being a parent of the

resulting child is a legal parent of that child. **Section 22** provides for the parentage of a child if the transfer of eggs, sperm or embryos occurs after a marriage or domestic partnership is dissolved.

Sections 23-33 of this bill enact provisions governing gestational agreements under which a woman carries and gives birth to a child intending that another person or persons become the legal parent or parents of the child. **Section 24** provides that if an enforceable gestational agreement is entered into by the gestational carrier, her spouse or domestic partner, if any, and the intended parent or parents: (1) the intended parent or parents under the gestational agreement become the legal parent or parents of the resulting child upon the birth of that child; and (2) the gestational carrier and her spouse or domestic partner, if any, are not the legal parents of the resulting child. **Sections 26 and 27** establish the requirements for: (1) a person to be eligible to be a gestational carrier and the intended parent or parents; and (2) the execution and contents of an enforceable gestational agreement. **Sections 30 and 31** establish remedies for a breach of a gestational agreement. **Sections 32 and 33**: (1) authorize the reimbursement of certain expenses incurred by a donor of a gestational carrier in connection with a gestational agreement; and (2) enact provisions governing the compensation paid to a gestational carrier.

2. The consent of a person to assisted reproduction may be withdrawn by that person in a record at any time before placement of the eggs, sperm or embryos. ~~[A person who withdraws his or her consent pursuant to this subsection is not a parent of the resulting child.]~~

Sec. 23. *1. A prospective gestational carrier, her legal spouse or domestic partner if she is married or in a domestic partnership, a donor or the donors and the intended parent or parents may enter into a written agreement providing that:*

court of competent jurisdiction in an action which may only be brought by one or more genetic parents of the resulting child within 60 days after the birth of the child.

4. Any premiums paid for insurance against economic losses directly resulting from the retrieval or storage of gametes or embryos for donation may be reimbursed even if such premiums were paid before the donor entered into a valid agreement in a record, so long as such agreement becomes valid and effective before the gametes or embryos are used in assisted reproduction pursuant to the terms of the agreement.

Sec. 36. NRS 126.045 and 126.061 are hereby repealed.

TEXT OF REPEALED SECTIONS

126.045 Contract requirements; treatment of intended parents as natural parents; unlawful acts.

1. Two persons whose marriage is valid under chapter 122 of NRS may enter into a contract with a surrogate for assisted conception. Any such contract must contain provisions which specify the respective rights of each party, including:

(a) Parentage of the child;

(b) Custody of the child in the event of a change of circumstances; and

(c) The respective responsibilities and liabilities of the contracting parties.

2. A person identified as an intended parent in a contract described in subsection 1 must be treated in law as a natural parent under all circumstances.

3. It is unlawful to pay or offer to pay money or anything of value to the surrogate except for the medical and necessary living expenses related to the birth of the child as specified in the contract.

4. As used in this section, unless the context otherwise requires:

(a) "Assisted conception" means a pregnancy resulting when an egg and sperm from the intended parents are placed in a surrogate through the intervention of medical technology.

(b) "Intended parents" means a man and woman, married to each other, who enter into an agreement providing that they will be the parents of a child born to a surrogate through assisted conception.

(c) "Surrogate" means an adult woman who enters into an agreement to bear a child conceived through assisted conception for the intended parents.

126.061 Artificial insemination.

1. If, under the supervision of a licensed physician and with the consent of her husband, a wife is inseminated artificially with semen donated by a man not her husband, the husband is treated in law as if the husband were the natural father of a child thereby conceived. The husband's consent must be in writing and signed by the husband and his wife. The physician shall certify their signatures and the date of the insemination, and file the husband's consent with the Health Division of the Department of Health and Human Services, where, except as otherwise provided in NRS 239.0115, it must be kept confidential and in a sealed file. The physician's failure to do so does not affect the father and child relationship. All papers and records pertaining to the insemination, whether part of the permanent record of a court or of a file held by the supervising physician or elsewhere, are subject to inspection only upon an order of the court for good cause shown.

2. The donor of semen provided to a licensed physician for use in artificial insemination of a married woman other than the donor's wife is treated in law as if the donor were not the natural father of a child thereby conceived.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 306.

AN ACT relating to courts; **authorizing a board of county commissioners to impose by ordinance a filing fee relating to actions and proceedings in the justice court to offset the costs of operating a law library established in the county; requiring the county treasurer to deposit the filing fees received into a special account to be used to support the operation of such a law library;** revising certain fees in the justice court; requiring the county treasurer to deposit a portion of **~~[~~**~~the~~**~~]~~** **such**

Legislative Counsel's Digest:

Existing law authorizes the board of county commissioners of any county to establish by ordinance a law library to be governed and managed by a board of law library trustees. (NRS 380.010) Section 1 of this bill authorizes a board of county commissioners to impose by ordinance a filing fee relating to actions and proceedings in the justice court, in an amount not to exceed $8, to offset a portion of the costs of operating such a law library. Section 1 also provides that in a county in which such a fee has been imposed, the justice of the peace shall, on a monthly basis, pay to the county treasurer any such fees collected during the preceding month. The county treasurer is required to deposit the fees received into a special account administered by the county and maintained for the benefit of such a law library.

Existing law requires each justice of the peace to charge and collect certain fees for various civil actions, proceedings and filings in the justice court. For actions and proceedings other than small claims, the amount of the fees charged and collected is based upon the sum claimed in the action or proceeding. Each justice of the peace ~~[shall]~~ **is required to** pay to the county treasurer all such fees charged and collected, with certain exceptions. (NRS 4.060) ~~[This]~~ **Section 1.5 of this** bill increases the amount of certain fees charged and collected by the justice court and revises the tiers upon which certain fees are based.

~~[This bill]~~ **Section 1.5** also requires the county treasurer to deposit 25 percent of the fees received from justices of the peace into a special account administered by the county and maintained for the benefit of ~~[the]~~ **each** justice ~~[courts]~~ **court** within the county. The money in the account ~~[must not be used to supplant existing budgets for the support or operation of the justice courts within the county, and]~~ must be used only: (1) for purposes generally related to the acquisition of land or facilities or the construction or renovation of facilities for ~~[the]~~ **a** justice ~~[courts]~~ **court** or a multi-use facility that includes ~~[the]~~ **a** justice ~~[courts;]~~ **court;** (2) to acquire advanced technology for the use of ~~[the]~~ **a** justice ~~[courts;]~~ **court;** (3) to acquire equipment or additional staff to enhance the security of the facilities used by ~~[the]~~ **a** justice ~~[courts,]~~ **court,** justices of the peace, staff of ~~[the]~~ **a** justice ~~[courts]~~ **court** and residents of this State who access the justice courts; ~~[and]~~ (4) to pay for **the training of staff or the hiring of additional** staff to

support the operation of ~~[~~the~~]~~ **a** justice ~~[~~courts.~~]~~ **court; and (5) to pay for one-time projects for the improvement of a justice court. Section 1.5 also requires: (1) the county treasurer to reduce on an annual basis, if necessary, the amount deposited into the special account in certain circumstances; and (2) each justice court that collects fees to submit to the board of county commissioners of the county in which the justice court is located an annual report that contains certain information.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 4 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. In addition to any other fee required by law, a board of county commissioners may impose by ordinance a filing fee to offset a portion of the costs of operating a law library established in that county by the board of county commissioners pursuant to NRS 380.010, in an amount not to exceed $8, to be paid on the commencement of any action or proceeding in the justice court for which a filing fee is required and on the filing of any answer or appearance in any such action or proceeding for which a filing fee is required.

2. On or before the fifth day of each month, in a county in which a fee has been imposed pursuant to subsection 1, the justice of the peace shall account for and pay over to the county treasurer any such fees collected by the justice of the peace during the preceding month. The county treasurer shall deposit the fees received into a special account administered by the county and maintained for the benefit of a law library established pursuant to NRS 380.010. The money in the account must be used only to support the operation of such a law library.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 410.

AN ACT relating to public works; formalizing and renaming existing components of the State Public Works Division of the Department of Administration to create a Public Works - Compliance and Code Enforcement Section and a Public Works - Professional Services Section within the Division; providing regulatory authority for the Administrator of the Division and the State Public Works Board of the Division; ~~[eliminating a requirement that the Division periodically inspect buildings owned by the Nevada System of Higher Education;]~~ eliminating a requirement that a proposal for the construction of a state building include operating costs for personnel and other expenses of operation; repealing a requirement to report to the Legislature annually on projects of construction of state buildings that are financed by certain bonds or obligations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Public Works Division, consisting of the Administrator of the Division, the Buildings and Grounds Section and the State Public Works Board, within the Department of Administration. (NRS 341.017) **Section 1** of this bill formalizes and renames existing components of the State Public Works Division to create a Public Works - Compliance and Code Enforcement Section and a Public Works - Professional Services Section within the Division. **Section 2** of this bill provides that these two sections will each be led by one of the existing deputy administrators.

Existing law grants the Administrator such powers as may be necessary to fulfill his or her functions. (NRS 341.110) **Section 4** of this bill requires the Administrator to adopt such regulations as he or she determines are necessary

for the Buildings and Grounds Section and to recommend to the Board such regulations as he or she determines are necessary for the Public Works - Compliance and Code Enforcement Section and the Public Works - Professional Services Section. **Section 4** also requires the Board to consider the Administrator's recommendations and to adopt such regulations as it determines are necessary for the Public Works - Compliance and Code Enforcement Section and the Public Works - Professional Services Section.

~~[Existing law requires the Division to periodically inspect all state buildings and physical plant facilities, including all buildings at the University of Nevada, Reno, and the University of Nevada, Las Vegas. (NRS 341.128) Section 5 of this bill eliminates the requirement that all buildings at those universities be periodically inspected and excludes any building owned by the Nevada System of Higher Education from the periodic inspections of the Division.]~~

Existing law requires that a proposal for the construction of a state building include operating costs for personnel and other expenses of operation for the building. (NRS 341.151) **Section 7** of this bill eliminates that requirement.

Existing law requires that the Division compile a report concerning projects of construction of state buildings that are financed by general obligation bonds, revenue bonds or medium-term obligations for each fiscal year and submit this report annually to the Legislature. (NRS 341.129) **Section 14** of this bill repeals that requirement.

Amendment No. 248.

SUMMARY—Revises ~~[various]~~ provisions concerning ~~[criminal justice.]~~ **the delivery of copies of reports of presentence investigations and certain judgments of conviction.** (BDR 14-338)

AN ACT relating to criminal justice; revising ~~[the contents of certain presentence investigations and reports to include an evaluation for substance abuse, a needs assessment and a treatment and training plan; requiring]~~ **provisions concerning the delivery of copies of** reports of presentence investigations ~~[to be maintained in an offender information system; repealing provisions governing general investigations and reports; revising various provisions relating to the duties of the Director of the Department of Corrections; requiring documentation of an offender's performance and progress in and completion of certain programs; requiring the development of certain information systems to integrate the operations of certain agencies;]~~ **and certain judgments of conviction;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the Division of Parole and Probation of the Department of Public Safety to make a presentence investigation and report to the court on each defendant who pleads guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, a felony. (NRS 176.135) Section 2 of this bill requires the Division, as part of its presentence investigation and report, to arrange for an evaluation of the defendant for substance abuse. Section 3 of this bill similarly requires the Division, as part of its presentence investigation and report, to conduct a needs assessment designed to assist the defendant in obtaining and maintaining employment. Section 4 of this bill additionally requires the Division, as part of its presentence investigation and report, to develop a treatment and training plan based upon the evaluation for substance abuse conducted pursuant to section 2 and the needs assessment conducted pursuant to section 3.~~

~~Pursuant to section 6 of this bill, the report of any presentence investigation must be developed and maintained in the offender information system which is managed by the Department of Corrections and which is established pursuant to section 13 of this bill. Section 6 also removes certain exceptions to the requirement to complete a presentence investigation and report.~~

~~Existing law requires that the report of any presentence investigation must contain certain information. (NRS 176.145) Section 7 of this bill: (1) requires the report of any presentence investigation to include certain additional information; and (2) requires the report of any presentence investigation concerning a defendant who is convicted of a felony to include the additional items required pursuant to sections 2-4.~~

~~Existing law provides that if a defendant pleads guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, one or more category E felonies, but no other felonies, the Division of Parole and Probation is generally required not to make a presentence investigation and report on the defendant and instead must make a general investigation and report. (NRS 176.151) Section 19 of this bill repeals the provisions governing general investigations and reports. Sections 6, 8-12 and 18 of this bill make technical changes resulting from the repeal of such provisions.~~

~~Section 13 of this bill requires the Director of the Department of Corrections to develop an offender information system that: (1) is managed by the Department; (2) facilitates the development and maintenance of certain reports concerning offenders; and (3) is accessible to the Division of Parole and Probation and the State Board of Parole Commissioners. Section 13 also requires the Director to prepare and submit to the Director of the Legislative Counsel Bureau for submission to the Legislature or to the Legislative Commission an annual report containing certain statistical data relating to offenders.~~

~~Existing law authorizes the Director to establish, with the approval of the Board of State Prison Commissioners, a system for offender management. (NRS 209.352) Section 14 of this bill requires the Director to establish a system of offender management using certain evidence-based practices. Section 14 also provides that before the Department assigns an offender to a program of general education, vocational education and training or other rehabilitation, the Department must consider certain information concerning the offender.~~

~~Existing law requires the Board of State Prison Commissioners to establish programs of general education, vocational education and training and other rehabilitation. (NRS 209.389) Section 15 of this bill requires the Department to: (1) enter into the offender information system established pursuant to section 13 data regarding an offender's performance and progress in and~~

~~completion of such a program; and (2) include such data in a report prepared for the State Board of Parole Commissioners for its review when the offender is considered for release on parole.~~

~~— Existing law requires the Director to provide certain information and items to an offender who is released from prison. (NRS 209.511) Section 16 of this bill requires the Director to provide an offender with certain additional information upon his or her release from prison.~~

~~— Section 17 of this bill provides that the development of any information system for the Division of Parole and Probation, the Department of Corrections or the State Board of Parole Commissioners must, to the extent feasible, integrate the operations of each agency with respect to information relating to convicted persons.~~**]**

Existing law provides that when a court imposes a sentence of imprisonment in the state prison or revokes a program of probation and orders a sentence of imprisonment to the state prison to be executed, the court is required to cause a copy of any report of a presentence investigation to be delivered to the Director of the Department of Corrections when the judgment of imprisonment is delivered by the sheriff to an authorized person designated by the Director to receive the prisoner from the county where the prisoner is held for commitment. (NRS 176.159, 176.335) Section 1 of this bill revises this requirement and specifies that such a report must be delivered not later than when the judgment of imprisonment is delivered. Section 1 further specifies that, at the court's discretion, the report may also be delivered by electronic transmission or by affording the Department the required electronic access to retrieve the report.

Existing law also provides that when a judgment of imprisonment to be served in the state prison has been pronounced, triplicate certified copies of the judgment of conviction, attested by the clerk under the seal of the court, must be furnished to the officers whose duty it is to execute the judgment. (NRS 176.325) Section 2 of this bill specifies that such certified copies of the judgment of conviction may be in paper or electronic form.

(c) Reasonable notice of the application and an opportunity to be heard have been given to the victim.

Amendment No. 296.

SUMMARY—Requires the notification ~~[to certain]~~ **of** patients regarding **breast density and** supplementary mammographic screening tests. (BDR 40-172)

AN ACT relating to mammography; requiring a notice regarding ~~[~~supplementary mammographic screening tests~~]~~ **breast density** to be included in a report provided to a patient **;** ~~[~~if the patient is categorized as having dense breasts;~~]~~ authorizing an administrative fine for failure to provide such notice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under federal law, a facility that performs a mammogram must provide directly to each patient a summary report describing the results of the mammogram written in terms that are easily understood by a lay person. (42 U.S.C. § 263b) Existing state law imposes certain requirements on the operation of a machine used to perform mammography and further provides for the imposition of an administrative fine for operation in violation of those requirements. (NRS 457.182-457.187) ~~[~~This bill expresses the sense of the Legislature as to the importance of the awareness of a person's breast density.~~]~~ This bill ~~[~~also~~]~~ requires the owner, lessee or other person responsible for the radiation machine for mammography that was used to perform a mammogram to ensure that the summary report required by federal law includes a **statement of the density of the patient's breasts and a** notice ~~[~~stating that~~]~~ **encouraging** the patient ~~[~~may benefit from supplementary screening tests if the patient is categorized as having heterogeneously dense breasts or extremely dense breasts.~~]~~ **to discuss the notice with his or her physician or other provider of health care.** In addition, this bill authorizes the Health Division of the Department of Health

and Human Services to impose an administrative fine for failure to provide such notice. (NRS 457.187)

WHEREAS, Forty percent of women have dense breast tissue; and

WHEREAS, Breast density is one of the strongest predictors of the failure of mammography to detect cancer; and

WHEREAS, Breast density is a greater risk factor for breast cancer than having two first-degree relatives with breast cancer; and

WHEREAS, The vast majority of women are unaware of the density of their breasts; and

WHEREAS, Less than 1 in 10 women with dense breast tissue learn about their dense breast tissue from their doctors; and

WHEREAS, Several states, including Connecticut, Texas, Virginia, New York and California, have enacted legislation relating to notification of breast density; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 457 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a patient undergoes mammography , ~~[and, on the basis of that mammography, the patient is categorized as having heterogeneously dense breasts or extremely dense breasts based on the Breast Imaging Reporting and Database System established by the American College of Radiology, or its successor organization,]~~ the owner, lessee or other person responsible for the radiation machine for mammography that was used to perform the mammography must ensure that each report provided to the patient pursuant to 42 U.S.C. § 263b(f)(1)(G)(ii)(IV) includes , without limitation, a statement of the category of the patient's breast density which is determined based on the Breast Imaging Reporting and Database System or subsequent guidelines established by the American College of Radiology, or its successor organization, and the following notice:

~~[Because your mammogram demonstrates that you have dense breast tissue, which could hide small abnormalities, you might benefit from supplementary screening tests, depending on your individual risk factors. A report of your mammography results, which contains information about your breast density, has been sent to your physician's office. You should contact your physician if you have any questions or concerns about this notice.]~~ The information about the results of your mammography report in relation to the density of your breast tissue is provided to you to raise your awareness. Dense breast tissue is common and not abnormal. As breast density increases, the ability of a mammogram to identify cancer or suspicious abnormalities

decreases, which may increase the risk of breast cancer not being detected until a later stage. Density may change over time and generally diminishes with age, but varies by person. Many factors affect a person's risk of developing breast cancer, including family history, personal medical history, smoking and, according to some studies, increased breast density. Use this letter when you speak with your physician or other provider of health care about your own individual risk factors for breast cancer. At that time, ask your physician or other provider of health care if further testing might be useful.

2. Nothing in this section shall be construed to:

(a) Create a duty of care or other legal obligation beyond the duty to provide the notice as set forth in this section.

(b) Require a notice to be provided to a patient that is inconsistent with the notice required by the provisions of 42 U.S.C. § 263b or any regulations promulgated pursuant thereto.

Sec. 2. NRS 457.182 is hereby amended to read as follows:

457.182 As used in NRS 457.182 to 457.187, inclusive, ***and section 1 of this act,*** unless the context otherwise requires:

1. "Mammography" means radiography of the breast to enable a physician to determine the presence, size, location and extent of cancerous or potentially cancerous tissue in the breast.

2. "Radiation" means radiant energy which exceeds normal background levels and which is used in radiography.

3. "Radiography" means the making of a film or other record of an internal structure of the body by passing X rays or gamma rays through the body to act on film or other receptor of images.

Sec. 3. NRS 457.187 is hereby amended to read as follows:

457.187 1. The Health Division may impose an administrative fine, not to exceed $5,000, against the owner, lessee or other person responsible for a radiation machine for mammography for a violation of the provisions of NRS 457.182 to 457.186, inclusive, ***and section 1 of this act,*** or for a violation of a regulation adopted pursuant thereto.

2. Any money collected as a result of an administrative fine imposed pursuant to subsection 1 must be deposited in the State General Fund.

Amendment No. 278.

AN ACT relating to residential leasing; providing for the early termination of certain rental agreements by victims of domestic violence under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill provides, under certain circumstances, for the early termination of a rental agreement if a tenant, cotenant or household member is a victim of domestic violence. **Section 1** of this bill: (1) establishes provisions concerning notice requirements for such an early termination; (2) establishes provisions concerning liability of unpaid amounts relating to the termination of a rental agreement; and (3) requires a landlord to install a new lock onto the dwelling of certain persons who are victims of domestic violence.

Existing law prohibits a landlord from taking certain retaliatory actions against a tenant. (NRS 118A.510) **Section 2** of this bill prohibits a landlord from taking certain retaliatory actions against a tenant, cotenant or household member who is a victim of domestic violence or who terminates a rental agreement because he or she is a victim of domestic violence.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 118A of NRS is hereby amended by adding thereto a new section to read as follows:

1. Notwithstanding any provision in a rental agreement to the contrary, if a tenant, cotenant or household member is the victim of domestic violence, the tenant or any cotenant may terminate the rental agreement by giving the landlord written notice of termination effective at the end of the

current rental period or 30 [days' written] days after the notice is provided to the landlord [.] , whichever occurs sooner.

2. The written notice provided to a landlord pursuant to subsection 1 must describe the reason for the termination of the rental agreement and be accompanied by:

(a) A copy of an order for protection against domestic violence issued to the tenant, cotenant or household member who is the victim of domestic violence;

(b) A copy of a written report from a law enforcement agency indicating that the tenant, cotenant or household member notified the law enforcement agency of the domestic violence; or

(c) A copy of a written [statement] affidavit signed by a qualified third party acting in his or her official capacity stating that the tenant, cotenant or household member is a victim of domestic violence.

3. A tenant or cotenant may terminate a rental agreement pursuant to this section only if the actions, events or circumstances that resulted in the tenant, cotenant or household member becoming a victim of domestic violence occurred within the 90 days immediately preceding the written notice of termination to the landlord.

4. A tenant or cotenant who terminates a rental agreement pursuant to this section is only liable, if solely or jointly liable for purposes of the rental agreement, for any rent owed or required to be paid through the date of termination and any other outstanding obligations. [The amount due from the tenant or cotenant must be paid to the landlord on or before the date the tenant or cotenant vacates the dwelling.] If the tenant or cotenant has prepaid rent that would apply for the [month] rental period in which the rental agreement is terminated, the landlord may retain the prepaid rent and no refund is due to the tenant or cotenant unless the amount of the prepaid rent exceeds what is owed for that [month. If] rental period. Except as otherwise provided in NRS 118A.242, if the tenant or cotenant has paid a security deposit, the deposit must not be withheld for the early termination of the rental agreement if the rental agreement is terminated pursuant to this section.

5. A person who is named as the adverse party may be civilly liable for all economic losses incurred by a landlord for the early termination of a rental agreement pursuant to this section, including, without limitation, unpaid rent, fees relating to early termination, costs for the repair of any damages to the dwelling and any reductions in or waivers of rent previously extended to the tenant or cotenant who terminates the rental agreement pursuant to this section.

6. A landlord shall not provide to an adverse party any information concerning a tenant, cotenant or household member if the tenant or cotenant provided notice pursuant to subsection 1.

7. If a tenant or cotenant provided notice pursuant to subsection 1 , the tenant, cotenant or a household member may require the landlord to install a new lock onto the dwelling if the tenant, cotenant or household member pays the cost of installing the new lock. A landlord complies with the requirements of this subsection by:

(a) Rekeying the lock if the lock is in good working condition; or

(b) Replacing the entire locking mechanism with a new locking mechanism of equal or superior quality.

8. A landlord who installs a new lock pursuant to subsection 7 may retain a copy of the new key. Notwithstanding any provision in a rental agreement to the contrary, the landlord shall:

(a) Refuse to provide a key which unlocks the new lock to an adverse party.

(b) Refuse to provide to an adverse party, whether or not that party is a tenant, cotenant or household member, access to the dwelling to reclaim property unless a law enforcement officer is present.

9. This section shall not be construed to limit a landlord's right to terminate a rental agreement for reasons unrelated to domestic violence.

10. As used in this section:

(a) "Adverse party" means a person who is named in an order for protection against domestic violence, a written report from a law enforcement agency or a written statement from a qualified third party and who is alleged to be the cause of the early termination of a rental agreement pursuant to this section.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 388.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 474.

AN ACT relating to renewable energy; authorizing the Director of the Office of Energy, in consultation with the Office of Economic Development, to grant to certain businesses partial abatements of certain property taxes and local sales and use taxes imposed on certain renewable energy systems; revising provisions governing net metering; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 9 of this bill authorizes a person who intends to locate a new business in this State to apply to the Director of the Office of Energy for a partial abatement of certain property taxes and local sales and use taxes imposed on certain renewable energy systems which are installed on the property of the business and which are for the purpose of supplying all or a part of the electricity requirements of the new business. **Section 9** requires the Director to hold a public hearing concerning each application. **Section 10** of this bill requires the Director to consult with the Office of Economic Development and to make certain determinations before approving any

application. **Section 11** of this bill sets forth the duration and maximum amount of the partial abatements.

Existing law provides generally that a renewable energy system does not qualify as a net metering system if the system exceeds a generating capacity of 1 megawatt. (NRS 704.771) **Section 15** of this bill authorizes the Director, in consultation with the Office of Economic Development, to make a determination that a renewable energy system for which a partial abatement has been approved pursuant to **sections 2-16** of this bill is deemed to be a net metering system regardless of the generating capacity of the system. **Section 17** of this bill revises certain other provisions governing net metering to provide that excess electricity which is generated by a net metering system and fed back to the utility must be credited to the customer-generator based on the value of the electricity under the otherwise applicable rate **or time-of-use rate** charged by the utility rather than the number of kilowatt-hours of excess electricity generated by the customer-generator.

(III) The customer-generator transfers the net metering system to another person.

(4) The value of the excess electricity must not be used to reduce any other fee or charge imposed by the utility.

3. If the cost of purchasing and installing a net metering system was paid for:

(a) In whole or in part by a utility, the electricity generated by the net metering system shall be deemed to be electricity that the utility generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard pursuant to NRS 704.7801 to 704.7828, inclusive.

(b) Entirely by a customer-generator, the Commission shall issue to the customer-generator portfolio energy credits for use within the system of portfolio energy credits adopted by the Commission pursuant to NRS 704.7821 and 704.78213 equal to the electricity generated by the net metering system.

4. A bill for electrical service is due at the time established pursuant to the terms of the contract between the utility and the customer-generator.

Sec. 18. The Legislature hereby finds that each exemption provided by sections 2 to 16, inclusive, of this act from any ad valorem tax on property or excise tax on the sale, storage, use or other consumption of tangible personal property sold at retail:

1. 2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 19. 1. This act becomes effective on July 1, 2013.

Amendment No. 377.

SUMMARY—Revises provisions relating to the waters of this State. (BDR ~~[48-763)]~~ **26-763)**

AN ACT relating to water; providing persons with access to certain waters in this State for certain activities that use water; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Nevada Supreme Court expressly adopted the public trust doctrine in *Lawrence v. Clark County*, 127 Nev. Adv. Op. 32, 254 P.3d 606 (2011). Under this doctrine, generally, a state holds the banks and beds of navigable waterways in trust for the public and subject to restraints on alienability. Under existing law, the water of all sources of water supply within the boundaries of the State of Nevada is declared to belong to the public. (NRS 533.025) The use of water for recreational purposes is also recognized under existing law as a beneficial use of water. (NRS 533.030) In addition, Nevada has a recreational use statute in existing law which, with certain exceptions, limits the liability of an owner, lessee or occupant of a premises to persons who enter or use the land for recreational activities, including, without limitation, fishing and water sports. (NRS 41.510)

Subject to certain specified restrictions, this bill authorizes persons to use water that is navigable or capable of being navigated by oar, paddle or motorized watercraft year round at or below the ordinary high-water mark for any otherwise lawful activity that uses water, including boating, fishing, swimming and wading. This bill authorizes the owner of the bed of such water to place a fence or similar barrier across the water for legally authorized purposes, but requires the owner in such circumstances to **: (1)** authorize the placement of a ladder, gate or other device that allows portage around or over the fence or **barrier; and (2) post a sign at a certain location along the water indicating the existence of the fence or** barrier.

WHEREAS, The Nevada Supreme Court has expressly adopted the public trust doctrine in *Lawrence v. Clark County*, 127 Nev. Adv. Op. 32, 254 P.3d 606 (2011); and

WHEREAS, Under the public trust doctrine, generally, a state holds the banks and beds of navigable waterways in trust for the public and subject to restraints on alienability; and

The decision by the justice court of whether to refer a defendant to the community court is not subject to appeal.

Sec. 11. 1. Amendment No. 515.

AN ACT relating to education; requiring the Department of Education to obtain the approval necessary from the United States Department of Education to ensure that the statewide system of accountability for public schools complies with all requirements necessary to receive federal funding under the Elementary and Secondary Education Act of 1965; prescribing certain requirements for a uniform statewide system of accountability for public schools; **revising provisions governing the annual reports of accountability for public schools;** repealing provisions relating to adequate yearly progress and the designation of public schools and school districts based upon an annual determination of whether the public schools and school districts have made adequate yearly progress; repealing provisions governing the consequences and sanctions for public schools and school districts designated as needing improvement; repealing provisions governing the creation and duties of school support teams for certain public schools designated as needing improvement; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The No Child Left Behind Act of 2001 requires each state to have a single, statewide system of accountability applicable to all pupils, challenging academic content standards and periodic examinations on those challenging academic standards. (20 U.S.C. §§ 6301 et seq.) The Act was a significant reauthorization of the Elementary and Secondary Education Act of 1965. Certain provisions of the Act apply only to those public schools and school districts receiving federal money pursuant to the provisions of the Act, also known as "Title I schools" and "Title I school districts." (NRS 385.3467, 385.34675) The intended goal of the No Child Left Behind Act was to hold the states, local school districts and public schools accountable for improving

the academic achievement of all pupils and to identify and turn around low performing schools. The Act's mechanism for determining the status of schools and school districts is based primarily upon an annual determination of whether the school or school district has made adequate yearly progress.

The Congress of the United States has not acted to make significant revisions to the No Child Left Behind Act and, in 2011, the United States Department of Education made it possible for states to apply to the Department for flexibility from some of the provisions of the Act. In August 2012, the Nevada Department of Education received approval from the United States Department of Education to implement an accountability system for public schools that allows for a waiver from some of the specific provisions of the No Child Left Behind Act. The approval requires the Nevada Department of Education to track the performance of pupils and public schools, including measuring, reporting on and supporting the achievement of pupils. Since the approval of the waiver, the Nevada Department of Education has developed the Nevada School Performance Framework for the statewide system of accountability for public schools.

Section 1 of this bill requires the Department of Education to obtain the approval necessary to ensure that the statewide system of accountability for public schools complies with all requirements for the receipt of federal money under the Elementary and Secondary Education Act. **Section 1** also establishes certain requirements for the statewide system of accountability for public schools which applies to all public schools, regardless of Title I status, and which must: (1) include a method to rate each public school based upon performance; (2) include a method to implement consequences, rewards and supports for public schools based upon the ratings; and (3) establish annual measurable objectives and performance targets for public schools. **Under existing law, the State Board of Education, the boards of trustees of school districts and the sponsors of charter schools are required to prepare annual reports of accountability that include various information on public schools and the pupils enrolled in public schools. (NRS 385.3469, 385.347) Sections 4 and 6 of this bill revise the contents of the annual reports of accountability to include information concerning violations of the code of honor relating to cheating or any other code of honor applicable to pupils enrolled in high school.**

Under existing law, the statewide system of accountability for public schools conforms with the No Child Left Behind Act and makes many of the provisions of that Act applicable to both Title I and non-Title I schools. (NRS 385.3455-385.391) Under Nevada's accountability system, public schools and school districts are designated as demonstrating: (1) exemplary achievement; (2) high achievement; (3) adequate achievement; or (4) need for improvement. (NRS 385.3611) These designations are based primarily

upon an annual determination of whether each public school and school district has made adequate yearly progress. (NRS 385.361, 385.3613, 385.3762) **Section 32** of this bill repeals these provisions requiring the designations of public schools and school districts based upon adequate yearly progress.

Under existing law, if a Title I school receives a designation as demonstrating need for improvement, the Title I school is subject to certain consequences, depending upon the number of consecutive years the Title I school receives the designation, including providing school choice, providing supplemental educational services, implementing certain corrective actions and implementing a plan for restructuring the school. (NRS 385.3661, 385.372, 385.3743, 385.3746, 385.37607, 385.3761) If a non-Title I school receives a designation as demonstrating need for improvement, depending upon the number of consecutive years the school receives the designation, the non-Title I school is subject to some of the consequences that apply to Title I schools. (NRS 385.3693, 385.3721, 385.3755, 385.3745, 385.376, 385.37603, 385.37605) In a similar manner, there are prescribed consequences for school districts that are designated as demonstrating need for improvement. (NRS 385.3772, 385.3773) **Section 32** repeals these provisions relating to the consequences for public schools and school districts based upon the annual designations.

Under existing law, the State Board of Education is required to prescribe by regulation differentiated corrective actions, consequences and sanctions for public schools designated as needing improvement for 4 consecutive years or more, including, without limitation, the establishment of a support team for the school. (NRS 385.3611, 385.36125-385.36129) **Section 32** repeals the provisions relating to the creation and duties of school support teams.

Section 4 of Assembly Bill No. 460 is hereby amended as follows:

Sec. 4. NRS 385.3469 is hereby amended to read as follows:

385.3469 1. The State Board shall prepare an annual report of accountability that includes, without limitation:

Amendment No. 230.

AN ACT relating to motor vehicles; authorizing a person who has been honorably discharged from the Armed Forces of the United States to obtain a designation on his or her instruction permit, driver's license or identification card indicating that he or she is a veteran; **requiring the Department of Motor Vehicles, on a monthly basis, to submit to the Office of Veterans Services a list of persons who have declared that they are veterans of the Armed Forces;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department of Motor Vehicles to place a designation on the instruction permit, driver's license or identification card of certain persons, including persons with a disability which impairs or limits the ability to walk. (NRS 483.349, 483.865) Existing law also requires the Department to inquire whether a person wishes to declare that he or she is a

veteran when applying for an instruction permit, driver's license or identification card. (NRS 483.292, 483.852)

Sections 5 and 6 of this bill require that a person who: (1) applies to the Department for the initial issuance or renewal of an instruction permit, driver's license or identification card; and (2) requests to have imprinted on that permit, license or card a designation that he or she is a veteran of the Armed Forces of the United States provide evidence satisfactory to the Department indicating that he or she was honorably discharged from the Armed Forces. If such a person fulfills the requirements of **section 5 or 6**, as applicable, **sections 2 and 3** of this bill require the Department to place a designation that the person is a veteran on the person's instruction permit, driver's license or identification card, as appropriate. **Sections 5 and 6 also require the Department to compile and submit to the Office of Veterans Services each month a list of persons who have declared that they are veterans of the Armed Forces.**

GENERAL FILE AND THIRD READING

Assembly Bill No. 73.
Bill read third time.
Remarks by Assemblyman Kirner.

ASSEMBLYMAN KIRNER:
Assembly Bill 73 revises the information an applicant for a license to practice chiropractic must provide, modifies the passing score for the license examination, and makes changes to the duration of a license. The bill also makes changes to the definition of unprofessional conduct for purposes of professional discipline by the Chiropractic Physicians' Board of Nevada and allows the Board to waive certain continuing education requirements. Finally, A.B. 73 increases the maximum fee the Board may charge for a review of a course offered by a chiropractic school or college or a course of continuing education in chiropractic from $25 to $50.
This bill is being presented on behalf of the Chiropractic Physicians' Board of Nevada. When we originally presented the bill, which now has been amended, there were scope-of-practice issues, but those have all been resolved. The fees represent an increase in the charges, reflecting the cost to perform the services.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 95 requires a pharmacist or practitioner to indicate the brand name of a drug, for which a generic drug is being substituted, on the prescription label under certain circumstances.

This is good, commonsense legislation that will help Nevadans understand what medications they are taking, and I urge your support.

Assembly Bill 120 requires the Division of Insurance to post on its Internet website a list of companies that do not use credit information to create an insurance score for the purposes of rating an applicant or calculating the premium for a policy of insurance for a passenger car or homeowner's insurance.

The Insurance Commissioner has agreed to do this, and several companies I have talked to are also in accord with this.

ASSEMBLYMAN HARDY:

I rise in support of Assembly Bill 131. It amends the Virgin Valley Water District Act by requiring that all members of the Board of the Virgin Valley Water District be elected from the service area of the water district, rather than some elected and some appointed. All five members of the Board serve four-year terms.

The people in the service areas have a desire to elect all of their Board members rather than have some of them be appointed by the municipalities, and the Board agrees with this. I wish for your approval on this.

Assembly Bill 179 increases from $50,000 to $75,000 the amount of revenue received by a regulatory board that would require that board to engage the services of a public accountant to perform an annual fiscal audit. The bill also provides that a board must hire a public accountant or accounting firm to audit its fiscal records for any year in which the board was out of compliance in submitting certain reports.

Assembly Bill 231 provides that a vacancy in the membership of a governing body of a town board or of a town advisory board must be filled by appointment by the applicable board of county commissioners. Additionally, the board of county commissioners shall appoint a member to fill a vacancy on a board of directors of a local improvement district if the board of directors of the local improvement district fails to do so within 30 days.

This is a bill we brought forward to make sure vacancies are filled in a timely manner on some of these local boards. It is important, especially on some of the smaller boards, when there are only three members, if one of them is not present or not able to fulfill their duties.
I appreciate your support on this bill.

Assembly Bill No. 266.

Bill read third time.

Remarks by Assemblyman Livermore.

ASSEMBLYMAN LIVERMORE:

I stand in support of Assembly Bill 266. Assembly Bill 266 defines "veteran" in Chapter 417 of the *Nevada Revised Statutes*, which is specific to veterans' services, for the purpose of establishing who is entitled to certain privileges and benefits.

Caleb Cage, Captain of the United States Army, Executive Director of the Nevada Office of Veterans Services, noted that it is the national practice to define "veteran" uniformly, and the definition that is proposed in the amendment would bring Nevada in line with the federal definition.

Assembly Bill No. 286.

Bill read third time.

Remarks by Assemblymen Flores, Oscarson, and Bobzien.

ASSEMBLYWOMAN FLORES:

I rise in support of Assembly Bill 286. Assembly Bill 286 requires a host organization or sponsor of a special event with more than 2,500 persons in attendance or observation to provide a first-aid station and a dedicated advanced life support ambulance onsite if certain factors apply. The required number of first-aid stations, dedicated advanced life support ambulances, and medical personnel, including skill level, varies based upon the number of persons projected to attend the event.

I strongly urge this body to support this bill. It creates a basic and uniform level of medical services for all events that are held in Nevada which consist of very large gatherings of 2,500 people or more. It is especially important, I think, in light of a recent tragedy where we were able to see that having emergency medical services present at the event saves lives. It is important to ensure the safety of those in attendance, and time is of the essence in very large gatherings like this. In addition, throughout the entire state, some areas of the state do not have the emergency services available that others have. For example, in urban areas, you have the ability to call 911. It pulls ambulances and services from the grid, but that then means there are less services available for the community. In other areas of the state where there aren't that many services available, there isn't anyone to call if you do not plan ahead.

You never know when an emergency is going to arise, so it is incredibly important to ensure that those services are planned for in advance. If just basic first-aid services are available, they need to be there when tragedy strikes. If events already have this level of service, then clearly this bill is not going to affect them. So I strongly urge the body to support this bill. It is important that no matter where you are visiting in Nevada, if you are attending a very large event, you have emergency services available to you.

ASSEMBLYMAN OSCARSON:

I rise today in opposition to Assembly Bill 286. While I am extremely sensitive to tragedies that have occurred recently—I believe medical services are absolutely necessary to ensure the safety and welfare of participants and spectators for special events—Assembly Bill 286 creates an unnecessary financial impact on small communities and does not consider the practicality or impact it will have. Instead, we should consider less burdensome alternatives, strengthen emergency medical services [EMS], and create incentives that promote medical personnel and county officials to work together to provide responsible medical services. I urge members to seek out ways to improve public safety without creating additional financial hardships on our smaller communities.

ASSEMBLYMAN BOBZIEN:

I rise in support of Assembly Bill 286. Nevada is well known for a number of signature large special events. They are the core of our economic development and our tourism efforts, and I believe the vast majority of the events, be they big or small around the state, can already comply

with the provisions of this bill rather readily. Certainly, as we have heard from the bill's sponsor, time is of the essence when a tragedy strikes. No matter whether you're in a small rural community or in a large urban area, we should be treating the need for preparation for these events equally. It is the right thing to do for our citizens, it is the right thing to do for our tourists that come here, It is the right thing to do for Nevada.

Assembly Bill 324 provides for the regulation of dental assistants and a new classification, certified dental assistants, by the Board of Dental Examiners of Nevada. The bill specifies that a dental assistant or certified dental assistant may only perform intraoral tasks and dental procedures authorized by the Board and under the supervision of a licensed dentist or dental hygienist. It prescribes qualifications, in terms of the certificate of registration, and continuing education components that will be required.

The bill becomes effective upon passage and approval for adopting regulations and for performing the administrative tasks. The dental assistants and certified dental assistant will have to be registered by July 1, 2015, so we are giving them plenty of time to comply with this new legislation.

ASSEMBLYMAN GRADY:

Assembly Bill 437 authorizes a title insurer to provide a closing protection letter to any party in a real estate transaction, not only the party purchasing title insurance. The bill restricts the acts or omissions that may affect the status of the title or the validity of the lien on the mortgage for the real estate subject to the transaction. A title insurer is restricted from providing indemnification for the type provided by the closing protection letter in any other manner. Additionally, A.B. 437 provides that a closing protection letter may indemnify the party to whom it is issued from acts or omissions by a person employed or approved by the title insurer to perform the closing or settlement services. It also authorizes the issuer of the letter to charge $25 per letter that they write.

Assembly Bill No. 487.

Remarks by Assemblyman Ohrenschall and Madam Speaker.

ASSEMBLYMAN OHRENSCHALL:

I rise in support of Assembly Bill 487. Assembly Bill 487 raises from 25 to 40 percent the recycling goal that must be taken into account when the State Environmental Commission adopts certain regulations related to recycling and the disposal of hazardous household products. The bill also directs the board of county commissioners of each county to report to the 2015 Legislature regarding efforts and progress made to establish programs for single-stream recycling.

This 25 percent goal that we currently have in law was first adopted in the 1991 Legislature. Assembly Bill 320 was sponsored by then-representative from District 24 Assemblywoman Vivian Freeman, who was a great leader in terms of environmental issues and recycling movements, and we just now hit 25 percent. It has taken us 20 years to get there. Our interim committee—on study issues related to recycling, bottle deposits, issues like that—came up with 40 percent, and hopefully it will not take us another 20 years to get there.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Assemblyman Ohrenschall, I have a question, and I apologize because I should have asked you this before. So this is not requiring them to go to single-stream, this is just requiring them to report all pilot programs that they have in place?

ASSEMBLYMAN OHRENSCHALL:

Madam Speaker, that is correct. The committee had many meetings and we took a lot of testimony. Originally, the goal of the committee was to look and see if a bottle deposit would work in Nevada. There was not support among the committee during the interim for that. However, there was a lot of testimony about the success of single-stream recycling in the communities where it has been tried as a pilot program. You are absolutely right, the bill does not require that single-stream recycling be implemented, but it does require that counties report on how a possible move toward single-stream recycling is going. Pursuant to the legislation sponsored by my colleague from District 27, that report will expire in five years.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Can I ask one more question? I apologize; I should have asked you sooner. So currently the health district gets a copy of that. Between the County Commission and the health district, it should true up with the state, correct?

ASSEMBLYMAN OHRENSCHALL:

Madam Speaker, you stumped me there. I believe the county will send that report to the Legislature. I am not sure if the health district gets in between when the report gets sent.

ASSEMBLY PROCEEDINGS 1437

THE SEVENTY-FOURTH DAY

CARSON CITY (Thursday), April 18, 2013

Assembly called to order at 11:13 a.m.

Madam Speaker presiding.

Roll called.

All present except Assemblywoman Benitez-Thompson, who was excused, and one vacant.

Prayer by the Chaplain, Father John Corona.

It is an honor to be here, because I have known the Hickeys for many, many, many years. It is George's 100th birthday, which is a great event, and I knew Pat's mother, Eileen, many years, so it's an honor to be here. I was told to be brief, be bright, and be gone. So let us pray.

Lord, we know that a grateful heart is a happy heart, so we pause now to give You thanks and praise for this day, for this Assembly, for the gift of life, the creation that surrounds us, and all our blessings. We know, too, in our own hearts, that You create all things new.

As we begin another day of deliberation, we ask You to refresh our minds and hearts along with a creative and discerning spirit. Guide our actions and our thoughts that we may better serve the people of Nevada who sent us here. Give us the perseverance and the wisdom that we need. We ask Your special blessings upon George Hickey, and we are ever mindful of our families and friends. We make our prayer in Your name, and we all say,

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Assemblyman Grady moved the adoption of the resolution.

Remarks by Assemblymen Grady, Ohrenschall, Ellison, Stewart, Sprinkle, Carlton, Horne, and Madam Speaker.

ASSEMBLYMAN GRADY:

As set forth in the resolution before us, the State of Nevada lost a true statesman and steadfast public servant, and a real cowboy, with the passing of former Assemblyman John W. Marvel on March 16, 2013. Fewer than half of the current members of this body had the privilege of serving with John, whose last session here was the second Special Session of 2008. I feel so fortunate to have known and worked with John. He was simply an outstanding state legislator—a man who devoted 30 years of his life to serving the people of the State of Nevada here in the Assembly.

To all of his family and loved ones gathered with us today, the members of this body extend our deepest condolences on the passing of a good friend and one of our finest members.

The members of this body in 2009 wisely added John W. Marvel to the Assembly Wall of Distinction, an honor reserved only for those past members who served with great distinction and who made exemplary contributions to the State of Nevada. That description totally matches the legacy left to us by John Marvel.

The resolution before us does an excellent job of summarizing the life and accomplishments of John Marvel, but the very nature of such a special human being and public servant is so hard to capture in words. Let me just say that John was the best.

For 30 years, John Marvel served this body with wisdom, integrity, hard work, and good humor. In 1985, he finally got the opportunity to chair a standing committee of the Assembly and was rewarded for his knowledge and past service with the chairmanship of the Ways and Means Committee. I always think that was his favorite committee. I understand from a staffer who served back then that upon assuming his new duties, Chairman Marvel announced that Ways and Means would be convening at 7 a.m. each morning. For a cowboy and rancher like John, that was probably a little late in the day to start work. But not all of his committee members felt the same way. Despite a good deal of whining about the early start, John's schedule stayed in place for most of that session.

John was always remembered for his gentle good humor. He was patient, soft-spoken, seldom angry, never rushed, and never flustered. Those who did not know him well sometimes underestimated him, but they soon learned, at their great cost, that his quiet, unassuming demeanor concealed an acute talent for political calculation. They rarely made the mistake a second time. He knew how to play his cards close to the chest. It was these formidable political talents that made him a force to be reckoned with in this Assembly.

John was passionately devoted to the interests of rural Nevada. Those of you who served with him on the Public Lands Committee will remember that when the committee met in Ely, Elko, Battle Mountain, or Winnemucca, he was always very proud to show the city slickers from Las Vegas a little bit of the real Nevada.

On a personal note, John's wife Willie was his most devoted constituent. She often attended floor sessions and sat with him at his desk in the Assembly. Y Martin was his faithful secretary for many years, like a member of the family, and she ran his office and kept him on schedule. This was the kind of loyalty that John inspired in those around him.

The resolution points out that John successfully sponsored legislation on a wide variety of subjects throughout his 30 years of service. Among those, he was proudest of his legislative efforts to support education; to secure funding for the University of Nevada School of Medicine; and to reform the prison system, tax structure, and water laws. Those alone are monumental accomplishments for which we are all grateful.

On a very personal note, when John left our Assembly, I asked for this desk, which was John's. I was very pleased to take over, and we still have the John Marvel commemorative candy jar that he also left. He left me instructions: "If you get that desk and you keep my candy jar, you make damn sure it's filled all the time." So we have made sure that his candy jar is filled all the time.

ASSEMBLYMAN OHRENSCHALL:

I rise in support of Assembly Concurrent Resolution No. 5. I had the privilege of serving with former Assemblyman Marvel. I also had the privilege of getting to know him before I got elected. I want to share a couple of memories that mean a lot to me. One session, I remember when he and Willie would be there at the desk every day, and how devoted they were to each other and how doting he was to Willie.

I remember whenever something would come up involving the University of Nevada, Reno, former Assemblyman Marvel was very particular, and he always wanted to correct that. It was "University of Nevada" to him, not the "University of Nevada, Reno." I had the chance to talk to his grandson, Dusty. Dusty and I went to school together and learned that one of his proudest accomplishments was the South Fork Reservoir up near Elko and the state recreation area that is near there.

I do remember the 1995 Session. I got to speak to former Speaker Hettrick today and former Co-chair Assemblyman Arberry of the Ways and Means Committee. Chairing that committee was not easy—nobody knew how to handle that committee—but John and former Assemblyman Arberry did; they made it work. They alternated days, but they made it work. It could have been a disaster, but the two of them—one of urban Nevada, one from rural Nevada—achieved great success. I rise in support and I am glad the Assembly is doing this.

ASSEMBLYMAN ELLISON:

I stand in support of Assembly Concurrent Resolution No. 5. My friend and mentor, John Marvel, served in the Nevada Legislature from 1979 to 2008. He worked hard as a rancher in Battle Mountain to support and care for his family. He also worked hard in care for the state. He was passionate for rural Nevada and diligently monitored laws and regulations that might impact the land of his fellow Nevadans. John leaves his wife Wilburta, "Willie"; three children, Sharon, John, and Michelle; and ten grandchildren. Several years ago, we had NACO honor John, not only for his many years of service, but his loyalty to his counties and this state.

I can tell you at about the age of five, we bought horses from John Marvel named Tonka and Cowboy. I had never been bounced so many times on my rear as I was by Cowboy. My sister went on to rodeo with Tonka, but that is how many years we go back with John Marvel and his family. John was my mentor along with John Carpenter, so these two desks here mean a lot to me. I ask that everybody please keep in honor and remember the family on this day.

ASSEMBLYMAN STEWART:

I stand in support of A.C.R. 5. I have the honor of occupying John's former office. Every day I walk in there and I think of John Marvel and the legacy he left to this body. It has a great effect upon me to never disgrace his name. When I arrived here in 2007 as a semi-city slicker, John Marvel took me under his wing, and I learned a great deal from the wisdom of this great Nevadan and great rancher. I would request from his family a picture of him, so that we could put it in that office to permanently make it the John Marvel office; that would be very much appreciated.

I very much appreciate all that John has meant to us and the courage that he showed in the 2003 Session and the vote that he made there, which was a very courageous vote. I am very grateful for having known him and for the legacy that he left.

ASSEMBLYMAN SPRINKLE:

I am honored and pleased to be able to stand here today to talk about John. It may seem a little strange in what I am about to say, because in 2006 he was my opponent the first time I ran for the Assembly. Obviously, I lost, and I have said ever since then that I could not have lost to a better person. I learned so much from this man about how you treat people respectfully; how you can negotiate; how you can have differences of opinion and still be good to one another. This is something that I have kept with me this entire time. It is something that I will continue to keep with me as I progress through my professional career here in this building, but also my

personal life. This man meant a lot to me, and I really appreciate having had the time to be with him.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Concurrent Resolution No. 5. I would like to share a message from a former colleague, Chris Giunchigliani, otherwise known as Chris G. She wanted to make sure this was shared with the family today:

> I had the honor of serving with John, and he was a true statesman. John loved Willie dearly, and his family always came first, then the rurals, then the state as a whole. He voted for what he believed was right, despite any criticism. He understood compromise. The public school kids in Nevada still owe him a great thanks for his vote in 2003. He was a cowboy with a really big heart.

ASSEMBLYMAN HORNE:

I rise in support of A.C.R. 5. I have got a couple short stories about John Marvel. My freshman session here, I remember my colleague over in the Senate, Kelvin Atkinson, and I would be on this floor, and former Assemblyman Marvel would speak in that gravelly voice of his. Kelvin and I would look at each other and say, "What the hell did he just say?" If everybody remembers in 2003—that was the double special session—we went into July, and I remember John was speaking on the floor, and I said, "Been here too long," because I understood every single thing he said.

Also, my son was born that session—my freshman session—and I remember when he was born John said, "That is a good looking boy, that iss a good looking boy." He never failed to stop—even in subsequent sessions—to just stick his head in my office and ask how my family was and, "How is that boy of yours? That is a good looking boy." I will never forget that.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I think Mr. Marvel did bring a lot to the freshman coming into the session. He did not let you get down the hallway very far without stopping you and asking you who you were and what you were doing in the building. If you did not give the right answer, you got an earful. My freshman session I sat on Natural Resources. That was a good committee, but it probably was not my committee, and I had asked a question and said to a bunch of ranchers, "I don't have any paperwork. I'm trying to learn. I'm from southern Nevada."

Mr. Marvel said to the folks, "She don't have nothin' to read?" He looked at me and said, "Are you gonna' read all that if I get it to your office?"

I said, "Yes." By the time I got to my office, I had three copy boxes full of paper of everything I wanted to know about the state and the rules, and he came by to say, "Is that enough information? Because I can get more." I still have some of that. I think that it is important that we remember folks in this building and their contributions to the state for the historical part of the state. I want to thank the family for allowing us to be part of this today.

Resolution adopted unanimously.

Madam Speaker announced if there were no objections, the Assembly would recess in order to hear a special tribute for former Assemblyman John Marvel.

Assembly in recess at 11:42 a.m.

REMARKS FROM THE FLOOR

Assemblyman Horne moved that the following remarks be entered in the Journal.

Motion carried.

FORMER SPEAKER RICHARD PERKINS:

Thank you for this privilege that I honestly thought I would never have the opportunity to experience again. Unfortunately, it is on the occasion of the loss of a great Nevadan.

There are many stories I could tell about John—some I will not tell in this company, as you might imagine. I remember as a freshman walking into these chambers—I sat in the back—and John, as many have already described, would greet you as if you were family. We got to talking and he asked me how old I was, and his quip was, "You know, I've got boots older than you." And that was just kind of how John would break the ice.

John Marvel was one of the most knowledgeable, most hardworking, dedicated legislators that I had ever served with. His dedication to this body was only surpassed by his dedication to his family, and mostly to his wife.

He was a very courageous legislator. Some agreed with him, some disagreed with him in 2003 on July 22, when we finished our second special session. The issues, many of you will remember, had to do with the budget and whether or not there would be a tax increase that session, not unlike many of the debates you have had since. And John was that Nevadan who stepped up to end our impasse and let the budget move forward.

He truly respected this institution—respected it more than I can express to you. He represented his district faithfully, and he had such a great wit about rural life and how our effects in this body would affect those folks in rural Nevada. He had an unsurpassed knowledge of our budget. He was quite a promoter of the Prison Industries section of the budget. He wanted to make sure we were getting the best bang for our buck in our correctional system and that Nevadans would benefit if we had to pay for the cost of incarcerating people that we would benefit from their labor.

Madam Speaker, I do also recall serving many hours, long hours, in the Ways and Means Committee room and having to excuse myself to use the men's room. It was right there, attached to that, and you always knew when John was there because you could smell the clove cigarettes coming from one of the stalls—too polite to ask if he was there—but you did not have to ask.

I truly learned a lot about service in this body from John Marvel. John instilled in me an understanding that my service here was not about being a Republican or Democrat, not being from the north or south, it was about being a Nevadan. More importantly, I can tell you that John was my friend. It was a true honor to serve here with John Marvel.

FORMER ASSEMBLYMAN LYNN HETTRICK:

I appreciate the opportunity to speak on the floor again. It is a privilege to be back in this house. Much has been said already about John Marvel, and I do not want to duplicate what has been said—truly a fine human being, a great guy, always had a smile, always had a quip. I chuckled when a comment was made by the Majority Leader. John would kind of mumble when he talked, and it could be hard to understand him. He would get rattling on about what he was doing—you always knew exactly what he was talking about—he was always right. If you sat next to him in committee or anywhere on the floor, it was hard not to laugh out loud, because John always had a comment to make under his breath, and occasionally some of those came back to haunt him. Many of the people in this body will remember a time when the microphones were turned on in the committee rooms, and John one time made a statement that I think was misunderstood. But it did not matter whether it was or not. It went out over the air and was heard by anyone who was listening to that committee hearing. It created a firestorm of controversy, but it was just absolutely John Marvel. It has been said already—he was a great

guy. He was fun to serve with; he really was knowledgeable. Nobody cared more for his wife. Willie has been less than healthy for many, many years. He was totally devoted to Willie. It was a privilege to serve with him.

FORMER ASSEMBLYMAN MORSE ARBERRY, JR:

This is an honor to be able to talk about my friend. I will try to put a different spin on it. I had an opportunity—I guess I was the longest serving with John. I never called him John: I called him Mr. Marvel. As long as I have known him over the years—the twenty-some years that we have served together—as everyone has stated, he has always been a statesman. Well, when John first got ill, he was no longer in this body—we were having Interim Finance and someone came over, I think it was Mark Stevens that told me that John was in the hospital. I adjourned the meeting very early so I could go over and see my friend. I went over to the hospital and the lady said, "He is in intensive care. You have to be immediate family to get in to see John." I said, "Can't you look at me and tell I'm his brother?" They let me in. I went to see John, and he had this air thing in his mouth and everything, but I was so glad that he was doing well.

When you mentioned the smoking room, I called it John's smoking room because you might not even realize it, but there used to be smoking in this building. When I was a freshman and a sophomore, the chairman of Ways and Means was Marvin Sedway. He smoked like a chimney, John smoked like a chimney, and I had to sit between John and Sedway in the Committee on Ways and Means. You have no idea, when they banned smoking in the building, these guys did not take that very well. They were the worst. So that is why, when they mention about the clove-smelling cigarettes, John would be in his smoking room, in the bathroom, and he would let me know.

I need to say to you that John, out of all the years, when, as a chair—some of you know that as a chair your staff comes in and says to you, "Where do you want everyone to sit?"—all those years John sat right next to me. There was a reason for that, and the reason I did that was I needed a Republican view, because I knew that if something was not going to pass, John had his fingers on the pulse. I would lean over and we would just sit and talk sometimes during the hearing, and I would say, "John, is that going to pass the Republicans?' "No." If it was going to pass, he would let me know.

Sometimes, as they mentioned, he would mumble along. When we first went live on the mics, as Lynn mentioned, I told John that morning—I said, "John, the mics are going to be live, today. People are going to hear us on their computers, so you really, really, really got to be careful of what you are going to say today." As soon as I banged that gavel, John said, "#!&#!!" Here comes the press. We had a wonderful week, but I loved him. I would never have traded him. He was a wonderful gentleman.

One day we were having a committee hearing and it went a little long. Willie steps into the back of the committee hearing room, and John did not see her. All of a sudden I hear from the back of the room, "Hey" and I turned around and said, "Hey" back. She was trying to get John's attention. That is the kind of family we were, and we served together in a dual process. It was an honor serving with Mr. Marvel, because we made Ways and Means work as a Democrat and a Republican. To the family, you had a great, great, great man, because he really loved this process.

FORMER ASSEMBLYMAN DAVID GOLDWATER:

I certainly share former Speaker Perkins' sentiment about the privilege of being able to speak on the floor today of former Assemblyman Marvel, or as one snot-nosed, irreverent, disrespectful kid-member of this body used to call him: Marvelous. Marvelous was not only a friend to most, he was a good friend to almost everybody he met. We are all different communicators, and we have spoken about John's communication methods, but you knew what he was saying even though he did not articulate the way some people articulate. That same snot-nosed, irreverent kid also did, what I consider, a spot on, fantastic John Marvel impression. That

impression was something where people would laugh, but nobody laughed harder than John Marvel when that kid would do that impression.

Professor Pavlov also had a theory, and I think that theory works real well. To this day, when you smell the smoke of clove, rather than getting all caught up in the smell of it, you kind of smile; I always did in this building. I think in this building it is still hanging around, and it still brings a smile to my face.

John Marvel was the gold standard of how to represent your district. I think if anybody learned anything in this building on how to represent the area to which you were elected, the gold standard is and will continue to be John Marvel. He also was a gold standard of how to treat a woman, your wife. For me—to watch how a couple married that long, how a man looks after them—it was something I had never seen before, it was something I was extremely impressed with, and it was something I will take in for the rest of my life. He was a gentleman; he was a cowboy; he was a statesman. It was an honor to have known him, and he will always be part of the fabric of Nevada.
