If the Secretary of State receives a copy of a court order issued pursuant to NRS 425.540 that provides for the suspension of all professional, occupational and recreational licenses, certificates and permits issued to a natural person who is registered as a document preparation service, the Secretary of State shall deem the registration to be suspended at the end of the 30th day after the date on which the court order was issued unless the Secretary of State receives a letter issued to the registrant by the district attorney or other public agency pursuant to NRS 425.550 stating that the registrant has complied with the subpoena or warrant or has satisfied the arrearage pursuant to NRS 425.560.*

Remarks by Assemblywoman Carlton.

Assemblyman Horne requested that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 74. This is quite a long floor statement; I'm going to hit the big parts. Assembly Bill 74, as amended, requires individuals engaged in the business of providing document preparation services to register with the Secretary of State. It also, as amended, defines a document preparation service as any person who, for compensation, provides assistance in a legal matter, including, but not limited to, the preparation or completion of a pleading, application, or other document for a client; translating an answer to a question posed in such a document; securing supporting documentation required in connection with a legal matter; or the submission of a completed document on behalf of a client to a court or administrative agency. The bill specifically excludes secretarial or receptionist services; a licensed Nevada attorney or his employees; a law student certified by the State Bar of Nevada for training in the practice of law; a government entity or its employees; a nonprofit corporation that provides legal services free of charge; a legal aid office or lawyer sponsored by an accredited law school, government agency, or a bar association; a military legal assistance office; or a person registered with an agency or entity of the United States government; a person who provides legal forms or computer programs that enable another person to create legal documents; or a commercial wedding chapel. It establishes ages, criteria, a bond, and other matters properly relating thereto.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Assembly Bill No. 106.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 805.

AN ACT relating to occupational safety; providing for the award of certain costs, fees and expenses to prevailing parties in actions before the Occupational Safety and Health Review Board under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Division of Industrial Relations of the Department of Business and Industry to prosecute, defend and maintain actions in the name of the Division for the enforcement of provisions relating to occupational safety and health. (NRS 618.525) **Sections 6-8** of this bill provide, under certain circumstances, for certain costs, fees and expenses to be awarded to the prevailing party in actions or proceedings before the Occupational Safety and Health Review Board that are brought by or against the Division or in an action for judicial review before a court. **Section 9** of this bill provides that if the Division appeals an award of costs, fees or expenses made to a prevailing party and the award is affirmed in whole or in part, the Division must pay interest on the amount that is affirmed. **Section 10** of this bill **generally** requires ~~[an]~~ **a final** award of costs, fees and expenses made to a prevailing party to be paid from ~~[money provided by appropriation by the Legislature for the funding of the Division.]~~ **the Fund for Insurance Premiums. Section 10 further provides that payment of such an award must be approved by the Attorney General if the amount of the award is less than the amount specified by regulation or policy of the State Board of Examiners; for larger awards, payment must be approved by the State Board of Examiners. Section 10.3 of this bill provides that the provisions in the bill must not be construed to prohibit the Division from agreeing to settle a claim for costs, fees and expenses.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 618 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to ~~[10,]~~ **10.3,** inclusive, of this act.

Sec. 2. ***As used in sections 2 to ~~[10,]~~ 10.3, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3, 4 and 5 of this act have the meanings ascribed to them in those sections.***

Sec. 3. ***"Expenses" means the reasonable cost of any study, analysis, engineering report, test or project which is determined by the Board or a court to have been necessary for the preparation of a party's case.***

Sec. 4. ***"Fees" means the reasonable fees of attorneys, persons representing a party before the Board and expert witnesses.***

Sec. 5. *"Party" means:*

1. A natural person, other than an employee or official of the Division, who, at the time an action or proceeding by or against the Division was filed, did not have a net worth in excess of $2,000,000; or

2. An owner of any business entity, corporation, partnership, proprietorship, limited-liability company, business association, joint venture, limited-liability partnership or other organization who, at the time an action or proceeding by or against the Division was filed, did not have a net worth in excess of $7,000,000 and did not have more than 500 employees.

Sec. 6. *In any action or proceeding before the Board brought by or against the Division or an employee or official of the Division acting in his or her official capacity, or in any action for judicial review before a court, the prevailing party must be awarded costs, which must be limited to reimbursing, in whole or in part, the costs incurred by the prevailing party in prosecuting or defending the action or proceeding.*

Sec. 7. *1. Except as otherwise provided in subsection 2 and only upon application by the prevailing party pursuant to subsection 3, in any action or proceeding before the Board brought by or against the Division or an employee or official of the Division acting in his or her official capacity, or in any action for judicial review before a court, the prevailing party must be awarded fees and expenses incurred by the prevailing party in prosecuting or defending the action or proceeding.*

2. An award of fees and expenses must not be made to a prevailing party if the Board or the court, as applicable, determines that the position of the Division was substantially justified or that the existence of special circumstances would make the award unjust.

3. A party seeking an award of fees and expenses must, within 30 days after the decision of the Board or the court, as applicable, submit to the Board or the court an application for such fees and expenses indicating:

(a) That the party is a prevailing party, along with a statement verifying the net worth of the party and, if applicable, the number of employees it has;

(b) That the position of the Division was not substantially justified; and

(c) The amount sought, including an itemized statement provided by an attorney, the person who represented the party before the Board or the court or any expert witness who represented or appeared on behalf of the party that shows the actual time expended and the rate at which the requested fees and expenses were computed.

4. Any fees awarded pursuant to this section must be based upon the prevailing market rate for the type and quality of the service provided, except that:

(a) No expert witness may be compensated at a rate higher than the highest rate of compensation paid by the Division for an expert witness; and

(b) No attorney or person representing the party before the Board or the court may be compensated at a rate higher than $200 per hour unless the Board or the court, as applicable, determines that an increase in the cost of living or other special factor, including, without limitation, the availability of qualified attorneys or representatives, justifies a higher fee.

5. Whether or not the position of the Division was substantially justified must be determined on the basis of the record of the action or proceeding as a whole, including any administrative record concerning the action or inaction by the Division upon which the matter in controversy was based.

6. The Board or the court, as applicable, may in its discretion reduce or deny any amount to be awarded pursuant to this section if a determination is made that the prevailing party engaged in conduct during the course of the action or proceeding which unduly and unreasonably protracted the final resolution of the matter in controversy.

7. As used in this section:

(a) "Decision" means a final disposition or order issued by the Board or the court, including an order of settlement, whether or not appealable.

(b) "Position" includes:

(1) The alleged action or inaction of the Division which gave rise to the matter in controversy; and

(2) The legal or factual theory asserted by the Division upon which the Division prosecuted or defended the matter in controversy.

Sec. 8. *1. If, in any action or in any proceeding for judicial review of an adjudication brought by the Division, the demand by the Division is substantially in excess of the judgment ultimately obtained by the Division and is unreasonable when compared with such judgment under the facts and circumstances of the case, the party who prosecuted or defended the action or proceeding against the Division shall be deemed to be the prevailing party and the Board or the court, as applicable, shall award to that prevailing party the costs, fees and expenses incurred in defending against the excessive demand made by the Division unless:*

(a) The prevailing party has committed a willful violation of law;

(b) The prevailing party has acted in bad faith; or

(c) Special circumstances make an award unjust.

2. A prevailing party seeking an award pursuant to this section must submit to the Board or the court, as applicable, an application for such an award in the same time and manner as an application filed pursuant to section 7 of this act.

Sec. 9. ***If the Division appeals an award of costs, fees or expenses made to a prevailing party and the award is affirmed in whole or in part, the Division must pay interest, computed at the rate established pursuant to NRS 99.040, on the amount of the award as affirmed from the date of the initial award to the date of the final decree of affirmance.***

Sec. 10. ~~*[An]*~~

1. Within 10 business days after:

(a) An award of costs, fees and expenses made pursuant to ~~*[sections]*~~ ***section 6, 7 or 8 of this act*** ~~*[must be paid by the Division from money provided by appropriation by the Legislature for the funding of the Division.]*~~ ***is upheld by a reviewing court, in whole or in part, and further review is not timely sought or is not available under applicable law; or***

(b) When any time allowed by applicable law for seeking such a review expires without review having been timely sought,

➥ the Division shall give written notice of the award, and the name and address of the party entitled to payment of the award, to the Attorney General.

2. The State Board of Examiners shall prescribe by regulation or policy:

(a) The maximum amount of an award that may be approved for payment by the Attorney General; and

(b) The procedure to be used by the Attorney General to approve payment of an award.

3. If the Attorney General is authorized pursuant to subsection 2 to approve payment of an award, the Attorney General shall approve payment of the award.

4. If the Attorney General is not authorized pursuant to subsection 2 to approve payment of an award, the Attorney General shall investigate the award and submit a report of findings to the State Board of Examiners concerning the award.

5. Upon receiving a report of findings pursuant to subsection 4, the State Board of Examiners shall approve payment of the award.

6. Upon approval of payment of an award pursuant to this section, the State Controller shall draw a warrant for payment of the award. Except as otherwise provided in NRS 353.264, the State Treasurer shall pay the award from the Fund for Insurance Premiums.

Sec. 10.3. The provisions of sections 2 to 10.3, inclusive, of this act must not be construed to prohibit the Division from agreeing at any time to settle the claim of a party for costs, fees and expenses incurred in any action or proceeding governed by those sections. Any claim that is so resolved must be paid by the Division.

Sec. 10.5. **NRS 331.187 is hereby amended to read as follows:**

331.187 1. There is created in the State Treasury the Fund for Insurance Premiums as an internal service fund to be maintained for use by the Risk Management Division of the Department of Administration and the Attorney General.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 256 makes various changes to provisions concerning motorcycles and related vehicles. It revises some definitions and changes some requirements, fees, and other provisions. It also removes a provision that currently allows the Nevada Legislature to use money in the account for the Program for the Education of Motorcycle Riders for any other purpose authorized by the Legislature.

ASSEMBLYWOMAN CARLTON:

As this bill was released from Ways and Means, the fee cap was adjusted and language was trued up with other bills that are in the same pipeline so that there will not be a conflict amendment needed at a later time. This has been addressed in the budget and was part of the budget closings a week ago today.

Remarks by Assemblymen Ohrenschall and Duncan.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 370 revises the procedures for resolving disputes over the application, enforcement, or interpretation of the governing documents of a common-interest community. The bill requires disputes to be submitted to mediation prior to commencement of civil action in court or, if the parties agree, to a referee program that may be established by the Real Estate Division, Department of Business and Industry. Assembly Bill 370 requires the parties in a mediation to file written statements setting forth the issues in dispute, requires mediation to be completed within three hours unless the parties agree to extend the time, and establishes maximum fees that may be charged for mediation. The measure also authorizes the parties to enter into binding or nonbinding arbitration if the parties do not reach an agreement through mediation or a referee program.

I did work very closely on A.B. 370 with representatives from legal aid and representatives of the common-interest community association industry. The goal of A.B. 370 is to try to reduce the amount of cases that go to very costly arbitration and costly courtrooms, so we are hoping that things can be resolved at the mediation level with A.B. 370. I urge this body's support.

ASSEMBLYMAN DUNCAN:

I rise in support of A.B. 370. I want to echo my colleague's comments, that there were a lot of late nights in the HOA subcommittee, and a lot of hard work went into this bill. I think it is a great bill in the sense that hopefully it will allow homeowners to use the mediation process before going to arbitration or doing those other things. It will help disputes, and I think it is good for the homeowner and good for the parties, so I urge this body's support.

WHEREAS, Nevada is known as the Sagebrush State; and

WHEREAS, Restoration and maintenance of the sagebrush ecosystem is essential to wildlife, watersheds, biodiversity and productivity in this State; and

WHEREAS, The greater sage grouse is an important species of bird that inhabits much of the sagebrush habitat in Nevada; and

WHEREAS, The United States Fish and Wildlife Service has determined that the greater sage grouse faces challenges that warrant listing it as threatened or endangered pursuant to the Endangered Species Act of 1973, 16 U.S.C. §§ 1531 et seq., but that the need to list higher priority species precludes the listing of the greater sage grouse; and

WHEREAS, The United States District Court for the District of Idaho ruled on February 2, 2012, that the United States Fish and Wildlife Service is required to reevaluate the status of the greater sage grouse by September 30, 2015 (*W. Watersheds Project v. U.S. Fish & Wildlife Serv.*, 42 Envtl. L. Rep. 20036 (D. Idaho 2012)); and

WHEREAS, The Secretary of the United States Department of the Interior has invited 11 states that may be impacted by the listing of the greater sage grouse as endangered or threatened, including Nevada, to develop state-specific regulatory mechanisms to conserve the species and make such a listing unnecessary; and

WHEREAS, The development and implementation of a state-specific strategy to conserve the greater sage grouse in Nevada is critical to demonstrate to the United States Fish and Wildlife Service that the species does not require protection pursuant to the Endangered Species Act; and

WHEREAS, The State of Nevada, under the leadership of Governor Kenny Guinn's Sage-Grouse Conservation Team, developed the first edition of the *Greater Sage-Grouse Conservation Plan for Nevada and Eastern California* in 2004; and

WHEREAS, On July 31, 2012, the Greater Sage-grouse Advisory Committee, created by Executive Order 2012-09, presented further recommendations for developing a state-specific strategy to conserve the greater sage grouse; and

WHEREAS, The State of Nevada has authority to manage all wildlife belonging to this State that is not listed pursuant to the Endangered Species Act; and

WHEREAS, It is in the interest of this State to bring stakeholders and relevant agency experts together on an ongoing basis to guide the implementation of conservation measures sufficient to preclude the need to list the greater sage grouse, the bi-state sage grouse and other species that inhabit sagebrush ecosystems pursuant to the Endangered Species Act and provide continual coordination on matters related to the sagebrush ecosystem within this State; and

WHEREAS, The listing of the greater sage grouse or any other species that inhabits sagebrush ecosystems pursuant to the Endangered Species Act will have a significant adverse effect on the customs, culture and economy of the State of Nevada; and

WHEREAS, Executive Order 2012-19 established the Sagebrush Ecosystem Council to, among other duties, implement a conservation strategy for the greater sage grouse and sagebrush ecosystems and oversee the work of the Sagebrush Ecosystem Technical Team; now, therefore,

Assembly Bill No. 491.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 853.

AN ACT relating to state financial administration; temporarily extending the allocation of a portion of the proceeds of the basic governmental services tax to the State General Fund; transferring certain commissions collected and penalties retained by the Department of Motor Vehicles with respect to the governmental services tax during Fiscal Year 2014-2015; temporarily increasing for Fiscal Year 2014-2015 the limitation on the percentage of the proceeds of certain fees and charges collected by the Department of Motor Vehicles that are authorized for the Department's costs of administration associated with the collection of those fees and charges; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The State of Nevada imposes a governmental services tax for the privilege of operating any vehicle upon the public highways of this State. (NRS 371.030) The annual amount of the basic governmental services tax is 4 cents on each $1 of valuation of the vehicle, as determined by the Department of Motor Vehicles. (NRS 371.040) Existing law sets forth

depreciation schedules for determining the amount of the basic governmental services tax due each year for used vehicles and establishes a minimum tax. (NRS 371.060) In 2009, the amount of the basic governmental services tax due annually was increased for used vehicles by reducing the amount of depreciation allowed and increasing the minimum tax. The revenue from these increases in the basic governmental services tax were allocated to the State General Fund until June 30, 2013, and then were required to be deposited in the State Highway Fund thereafter. (Chapter 395, Statutes of Nevada 2009, p. 2188) **Section 1** of this bill extends for an additional 2 years the period during which the increases in the basic governmental services tax are allocated to the State General Fund. Therefore, those increases will be deposited in the State Highway Fund commencing on July 1, 2015.

Under existing law, the Department of Motor Vehicles is authorized to retain a commission of 1 percent of the revenue of the governmental services tax collected by the county assessors and 6 percent of all other revenue from the governmental services tax received by the Department. (NRS 482.180) The Department is also authorized under existing law to retain any penalties collected for delinquent payment of the governmental services tax. (NRS 371.140) **Section 2** of this bill transfers those commissions collected and penalties retained by the Department during Fiscal Year 2014-2015 to the State General Fund for unrestricted use.

Under existing law, all the proceeds from the imposition of any license or registration fee and other charge regarding the operation of a motor vehicle on any public highway, road or street in Nevada, except costs of administering the collection thereof, is required to be used exclusively for the construction, maintenance and repair of the State's public highways, roads and streets. (Nev. Const. Art. 9, § 5; NRS 408.235) Existing law limits the amount of such proceeds that are authorized to be used as costs of administration to 22 percent of the proceeds collected. (NRS 408.235) **Section 3** of this bill temporarily increases this limitation on costs of administration to 32 percent during Fiscal Year 2014-2015.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by Assemblyman Bobzien:
Amendment No. 881.

AN ACT relating to the funding of capital projects of school districts; ~~[providing for]~~ **authorizing** the imposition and **providing for the** administration of a new sales and use tax and ad valorem tax in certain counties for the capital projects of the school districts in those counties; exempting that ad valorem tax from **certain partial tax abatements and** the statutory limitation on the total ad valorem tax levy; authorizing those school districts to use the proceeds of those taxes and certain proceeds from the governmental services tax to finance capital projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The board of trustees of each school district is required to establish a fund for capital projects. (NRS 387.328) **Sections 2 and 10** of this bill ~~[require]~~ **authorize** the board of county commissioners of each county whose population is 100,000 or more but less than 700,000 (currently only Washoe County) to impose **, by a two-thirds vote,** additional taxes for deposit in the county school district's fund for capital projects. In particular, **section 2**

~~[requires]~~ **authorizes** the imposition in the county of a new sales and use tax at the rate of one-quarter of 1 percent of the gross receipts of retailers and **section 10** ~~[requires]~~ **authorizes** the imposition in the county of a new property tax at the rate of 5 cents on each $100 of assessed valuation.

Sections 2-8 of this bill require the administration of ~~[the]~~ **any** new sales and use tax in the same manner as the sales and use tax imposed by the Local School Support Tax Law, as set forth in chapter 374 of NRS.

Existing law generally limits the total amount of property taxes which may be imposed to $3.64 on each $100 of assessed valuation. (NRS 361.453) **Sections 9 and 10** of this bill exempt the new property tax ~~[required]~~ **authorized** by **section 10** from this limitation. ~~[Although existing]~~

Existing law provides a partial abatement of the property taxes levied on property for which an assessed valuation has previously been established, a remainder parcel of real property, certain single-family residences and certain residential rental dwellings**.** ~~[, this partial abatement does not apply to any new property taxes which the Legislature first requires a taxing entity to impose after April 6, 2005.]~~ (NRS 361.4722, 361.4723, 361.4724**)** ~~[, 361.4726) The new property tax required by section 10 is therefore not subject to this partial abatement.]~~ **Section 9.5 of this bill exempts the new property tax authorized by section 10 of this bill from those partial tax abatements.**

Section 11 of this bill authorizes the school district in each county where these new taxes are imposed to pledge the proceeds of these taxes, and the portion of the governmental services tax whose allocation to the school district is based on the amount of the property tax levy attributable to its debt service, to the payment of any bonds or other obligations the school district issues for capital projects.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Title 32 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 2, 3 and 4 of this act.

(1) Entered into on or before the effective date of the tax; or

(2) For the construction of an improvement to real property for which a binding bid was submitted before the effective date of the tax if the bid was afterward accepted,

(c) Transfer the amount determined for each county to the Intergovernmental Fund and remit the money to the county treasurer for deposit in the county school district's fund for capital projects established

pursuant to NRS 387.328, to be held and expended in the same manner as other money deposited in that fund.

Sec. 4. ***The Department may redistribute any proceeds from ~~[the]~~ any tax, interest or penalty collected pursuant to this chapter which is determined to be improperly distributed, but no such redistribution may be made as to amounts originally distributed more than 6 months before the date on which the Department obtains knowledge of the improper distribution.***

Sec. 5. NRS 360.2937 is hereby amended to read as follows:

360.2937 1. 2. No refund or credit may be made of any interest imposed on the person making the overpayment with respect to the amount being refunded or credited.

3. The interest must be paid:

(a) In the case of a refund, to the last day of the calendar month following the date upon which the person making the overpayment, if the person has not already filed a claim, is notified by the Department that a claim may be filed or the date upon which the claim is certified to the State Board of Examiners, whichever is earlier.

(b) In the case of a credit, to the same date as that to which interest is computed on the tax or the amount against which the credit is applied.

Sec. 6. NRS 360.300 is hereby amended to read as follows:

360.300 1. If a person fails to file a return or the Department is not satisfied with the return or returns of any tax, contribution or premium or amount of tax, contribution or premium required to be paid to the State by any person, in accordance with the applicable provisions of this chapter, chapter 360B, 362, 363A, 363B, 369, 370, 372, 372A, 374, 377, 377A or 444A of NRS, NRS 482.313, or chapter 585 or 680B of NRS ***or sections 2, 3 and 4 of this act,*** as administered or audited by the Department, it may compute and determine the amount required to be paid upon the basis of:

(a) The facts contained in the return;

(b) Any information within its possession or that may come into its possession; or

(c) Reasonable estimates of the amount.

2. One or more deficiency determinations may be made with respect to the amount due for one or for more than one period.

3. In making its determination of the amount required to be paid, the Department shall impose interest on the amount of tax determined to be due, calculated at the rate and in the manner set forth in NRS 360.417, unless a different rate of interest is specifically provided by statute.

4. The Department shall impose a penalty of 10 percent in addition to the amount of a determination that is made in the case of the failure of a person to file a return with the Department.

5. When a business is discontinued, a determination may be made at any time thereafter within the time prescribed in NRS 360.355 as to liability arising out of that business, irrespective of whether the determination is issued before the due date of the liability.

Sec. 7. NRS 360.417 is hereby amended to read as follows:

360.417 Except as otherwise provided in NRS 360.232 and 360.320, and unless a different penalty or rate of interest is specifically provided by statute, any person who fails to pay any tax provided for in chapter 362, 363A, 363B, 369, 370, 372, 374, 377, 377A, 444A or 585 of NRS, ***or sections 2, 3 and 4 of this act,*** or any fee provided for in NRS 482.313, and any person or governmental entity that fails to pay any fee provided for in NRS 360.787, to the State or a county within the time required, shall pay a penalty of not more than 10 percent of the amount of the tax or fee which is owed, as determined by the Department, in addition to the tax or fee, plus interest at the rate of 0.75 percent per month, or fraction of a month, from the last day of the month following the period for which the amount or any portion of the amount should have been reported until the date of payment. The amount of any penalty imposed must be based on a graduated schedule adopted by the Nevada Tax Commission which takes into consideration the length of time the tax or fee remained unpaid.

Sec. 8. NRS 360.510 is hereby amended to read as follows:

360.510 1. If any person is delinquent in the payment of any tax or fee administered by the Department or if a determination has been made against the person which remains unpaid, the Department may:

(a) Not later than 3 years after the payment became delinquent or the determination became final; or

(b) Not later than 6 years after the last recording of an abstract of judgment or of a certificate constituting a lien for tax owed,

➥ give a notice of the delinquency and a demand to transmit personally or by registered or certified mail to any person, including, without limitation, any officer or department of this State or any political subdivision or agency of this State, who has in his or her possession or under his or her control any credits or other personal property belonging to the delinquent, or owing any

debts to the delinquent or person against whom a determination has been made which remains unpaid, or owing any debts to the delinquent or that person. In the case of any state officer, department or agency, the notice must be given to the officer, department or agency before the Department presents the claim of the delinquent taxpayer to the State Controller.

2. A state officer, department or agency which receives such a notice may satisfy any debt owed to it by that person before it honors the notice of the Department.

3. After receiving the demand to transmit, the person notified by the demand may not transfer or otherwise dispose of the credits, other personal property, or debts in his or her possession or under his or her control at the time the person received the notice until the Department consents to a transfer or other disposition.

4. Every person notified by a demand to transmit shall, within 10 days after receipt of the demand to transmit, inform the Department of and transmit to the Department all such credits, other personal property or debts in his or her possession, under his or her control or owing by that person within the time and in the manner requested by the Department. Except as otherwise provided in subsection 5, no further notice is required to be served to that person.

5. If the property of the delinquent taxpayer consists of a series of payments owed to him or her, the person who owes or controls the payments shall transmit the payments to the Department until otherwise notified by the Department. If the debt of the delinquent taxpayer is not paid within 1 year after the Department issued the original demand to transmit, the Department shall issue another demand to transmit to the person responsible for making the payments informing him or her to continue to transmit payments to the Department or that his or her duty to transmit the payments to the Department has ceased.

6. If the notice of the delinquency seeks to prevent the transfer or other disposition of a deposit in a bank or credit union or other credits or personal property in the possession or under the control of a bank, credit union or other depository institution, the notice must be delivered or mailed to any branch or office of the bank, credit union or other depository institution at which the deposit is carried or at which the credits or personal property is held.

7. If any person notified by the notice of the delinquency makes any transfer or other disposition of the property or debts required to be withheld or transmitted, to the extent of the value of the property or the amount of the debts thus transferred or paid, that person is liable to the State for any indebtedness due pursuant to this chapter, ~~[or]~~ chapter 360B, 362, 363A, 363B, 369, 370, 372, 372A, 374, 377, 377A or 444A of NRS, NRS 482.313,

or chapter 585 or 680B of NRS ***or sections 2, 3 and 4 of this act*** from the person with respect to whose obligation the notice was given if solely by reason of the transfer or other disposition the State is unable to recover the indebtedness of the person with respect to whose obligation the notice was given.

Sec. 9. NRS 361.453 is hereby amended to read as follows:

361.453 1. Except as otherwise provided in this section and NRS 354.705, 354.723 and 450.760, ***and section 10 of this act,*** the total ad valorem tax levy for all public purposes must not exceed $3.64 on each $100 of assessed valuation, or a lesser or greater amount fixed by the State Board of Examiners if the State Board of Examiners is directed by law to fix a lesser or greater amount for that fiscal year.

2. Any levy imposed by the Legislature for the repayment of bonded indebtedness or the operating expenses of the State of Nevada and any levy imposed by the board of county commissioners pursuant to NRS 387.195 that is in excess of 50 cents on each $100 of assessed valuation of taxable property within the county must not be included in calculating the limitation set forth in subsection 1 on the total ad valorem tax levied within the boundaries of the county, city or unincorporated town, if, in a county whose population is less than 45,000, or in a city or unincorporated town located within that county:

(a) The combined tax rate certified by the Nevada Tax Commission was at least $3.50 on each $100 of assessed valuation on June 25, 1998;

(b) The governing body of that county, city or unincorporated town proposes to its registered voters an additional levy ad valorem above the total ad valorem tax levy for all public purposes set forth in subsection 1;

(c) The proposal specifies the amount of money to be derived, the purpose for which it is to be expended and the duration of the levy; and

(d) The proposal is approved by a majority of the voters voting on the question at a general election or a special election called for that purpose.

3. The duration of the additional levy ad valorem levied pursuant to subsection 2 must not exceed 5 years. The governing body of the county, city or unincorporated town may discontinue the levy before it expires and may not thereafter reimpose it in whole or in part without following the procedure required for its original imposition set forth in subsection 2.

4. A special election may be held pursuant to subsection 2 only if the governing body of the county, city or unincorporated town determines, by a unanimous vote, that an emergency exists. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud or a gross abuse of discretion. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this

subsection, "emergency" means any unexpected occurrence or combination of occurrences which requires immediate action by the governing body of the county, city or unincorporated town to prevent or mitigate a substantial financial loss to the county, city or unincorporated town or to enable the governing body to provide an essential service to the residents of the county, city or unincorporated town.

Sec. 9.5. **NRS 361.4726 is hereby amended to read as follows:**

361.4726 1. Except as otherwise provided by specific statute, if any legislative act which becomes effective after April 6, 2005, imposes a duty on a taxing entity to levy a new ad valorem tax or to increase the rate of an existing ad valorem tax, the amount of the new tax or increase in the rate of the existing tax is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.

2. ***The amount of any tax imposed pursuant to section 10 of this act is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.***

3. For the purposes of this section, "taxing entity" does not include the State.

Sec. 10. Chapter 387 of NRS is hereby amended by adding thereto a new section to read as follows:

1. [The] On or before January 1, 2014, the board of county commissioners of each county whose population is 100,000 or more but less than 700,000 [shall,] may, in addition to any other taxes levied in accordance with this chapter, levy an ad valorem tax of 5 cents on each $100 of assessed valuation of taxable property within the county for the capital projects of the school district. Any such levy must be approved by a two-thirds majority of the members of the board.

2. Any money collected pursuant to this section must be deposited in the county treasury to the credit of the fund for capital projects established pursuant to NRS 387.328, to be held and expended in the same manner as other money deposited in that fund.

3. The rate of any tax levied pursuant to subsection 1 must not be included in the total ad valorem tax levy for the purposes of the application of the limitation in NRS 361.453.

Sec. 11. NRS 387.328 is hereby amended to read as follows:

387.328 1. The board of trustees of each school district shall establish a fund for capital projects for the purposes set forth in subsection 1 of NRS 387.335. The money in the fund for capital projects may be transferred to the debt service fund to pay the cost of the school district's debt service.

2. The board of trustees may accumulate money in the fund for capital projects for a period not to exceed 20 years.

3. That portion of the governmental services tax whose allocation to the school district pursuant to NRS 482.181 is based on the amount of the property tax levy attributable to its debt service must be deposited in the county treasury to the credit of the fund established under subsection 1 or the school district's debt service fund.

4. No money in the fund for capital projects at the end of the fiscal year may revert to the county school district fund, nor may the money be a surplus for any other purpose than those specified in subsection 1.

5. Assembly Bill No. 74.

Bill read third time.

Remarks by Assemblywoman Diaz.

ASSEMBLYWOMAN DIAZ:

Assembly Bill 74 requires a person who wishes to conduct business as a document preparation service to register and post a bond with the Secretary of State. The bill requires a registrant to include a clear and conspicuous statement in any advertisement that the registrant is not an attorney authorized to practice in Nevada and may not provide legal advice or representation. Before a registrant provides any services to a client, the registrant and client must enter into a written contract that meets the requirements in this bill. Assembly Bill 74 authorizes the Secretary of State to adopt necessary regulations; investigate alleged violations; issue cease and desist orders; deny, suspend, revoke, or refuse to renew a registration; or refer a matter for civil action in court to enforce the provisions of the bill. The Secretary of State must also establish a toll-free phone number for complaints and post information about making complaints on the Internet. This measure makes a willful violation of its provisions a misdemeanor for the first offense in a five-year period and a gross misdemeanor for a second or subsequent violation in a five-year period. It also authorizes a person who suffers a pecuniary loss to bring a civil action against the registrant. Assembly Bill 74 also includes a $150,000

appropriation to allow the Secretary of State to develop necessary website applications to implement the bill.

I rise in support of Assembly Bill 74. I know this bill will help many of my constituents in Las Vegas. Just as we don't want people who don't have a medical license to practice on folks and do surgeries or any kind of medical procedures, we don't want my constituents receiving any type of legal advice that doesn't come from a qualified, bar-approved attorney. So I urge your support.

ASSEMBLYMAN HANSEN:

Assembly Bill 106 provides for the award of costs, fees, and expenses to a prevailing party in an action or proceeding against the Division of Industrial Relations, Department of Business and Industry before the Occupational Safety and Health Board or a court of judicial review under certain circumstances. The bill specifies that an award of fees and expenses may only be made if the court determines the Division's position was not substantially justified and that no special circumstances would make the award unjust. Further, A.B. 106 provides if the Division appeals an award and the award is affirmed in whole or in part, the Division must pay interest on the amount affirmed. An award made to a prevailing party must be paid from the Fund for Insurance Premiums and approved by the Attorney General or the State Board of Examiners under certain circumstances. Finally, the bill defines "party" as an individual with a net worth of no more than $2 million or a company with a net worth of no more than $7 million and no more than 500 employees.

I rise in support of Assembly Bill 464. This is our fuel tax bill that has been spoken about numerous times and that Madam Speaker and the Assistant Minority Floor Leader worked on so hard. We had a thorough vetting of it when we did the amendment last week, so if you need to look at it as far as the dollars go, the new fee will offset Highway Fund appropriations in the Department of Motor Carrier account in the amount of $44,556 for Fiscal Year 2014 and $45,312 for Fiscal Year 2015. The new fee of $6 per International Fuel Taxation Agreement decal is included in the Executive Budget and was approved by the money committees. If you have any questions, I'll be happy to defer them to the Assistant Minority Leader.

The bill also requires the TRPA to submit its proposed budget to the Director of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau by September 1 of even-numbered years. Senate Bill No. 303.

Bill read third time.

Remarks by Assemblymen Bobzien and Bustamante Adams.

ASSEMBLYMAN BOBZIEN:

Senate Bill 303 provides for the issuance of driver authorization cards by the Department of Motor Vehicles. The bill allows an applicant to present various documents including, without limitation, a birth certificate or passport issued by a foreign government as proof of his or her name and age. The applicant must also provide certain documents to prove residency in this

state. The driver authorization card must be of the same design as a driver's license and contain only the minimum changes from that design as necessary to comply with the federal Real ID Act. A driver authorization card expires one year after it is issued or renewed.

This bill prohibits the Director of DMV from releasing any information relating to an individual's legal presence to any person or federal, state, or local governmental entity for any purpose relating to the enforcement of immigration laws. Additionally, the driver's authorization card shall not be used to determine eligibility for any benefits, licenses, or services issued or provided by this state or its political subdivisions. Finally, S.B. 303 appropriates from the State Highway Fund to the DMV approximately $1.6 million over the 2013-2015 biennium for the costs of developing and issuing driver authorization cards.

I just wanted to clarify that in addition to the driver authorization card not being used to determine any benefits, licenses, or services, we are talking about voter registration, as well. We want to make it perfectly clear, on the record, that is not the purpose of these cards. I congratulate the sponsors of this bill for tackling, in a very practical way, this issue that is making sure that we keep track of the drivers on our roads and they are following our laws. This bill is a wonderful step in the direction of dealing with this problem.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

I rise in support of S.B. 303. Thank you for the comments from my colleague in the north. We heard a lot of testimony on this, and one of the things I do want to say is I appreciate the leaders that came from Utah, not only to help us craft legislation but to also answer a lot of questions that we had to see if this would actually work in Nevada. And they have proven in Utah that it has worked, and very successfully. I know that some of my colleagues had questions on whether this could be used for voter I.D. Like my colleague from the north said, that is not the intent, and it cannot be used for that purpose. This is not an identification card. This is about public safety for Nevada; I think it is very progressive for our state, and I urge your support.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 826.

AN ACT relating to veterans; making the Office of Veterans Services the Department of Veterans Services; ~~[creating the Office of Veterans Policy and Coordination in the Office of the Governor;]~~ creating the Interagency Council on Veterans Affairs; revising provisions relating to donations for veterans homes; requiring the Division of State Parks of the State Department of Conservation and Natural Resources to issue annual permits for the free use of state parks and other recreational areas to certain veterans; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Office of Veterans Services has various duties and powers relating to veterans and servicemen and servicewomen and their dependents in Nevada, including assisting them with obtaining benefits to which they are entitled and any services that they require and providing administrative oversight of veterans homes and veterans cemeteries in Nevada. (Chapter 417 of NRS) **Section 14** of this bill changes the Office to the Department of Veterans Services, a state department. Accordingly, the Executive Director and Deputy Executive Director of the Office become the Director and Deputy Director of the Department, respectively. The Nevada Veterans Services Commission will now advise the Department instead of the Office. (NRS 417.190) **Sections 1-7, 13, 15-33, 45 and 48-50** of this bill make conforming changes.

~~[Sections 8 and 9 of this bill create the Office of Veterans Policy and Coordination in the Office of the Governor. This Office is headed by an Executive Director who is in the nonclassified service. The Office of Veterans Policy and Coordination is charged with developing policies, initiatives and strategies concerning services provided to veterans and servicemen and servicewomen and their families and coordinating those services.]~~

In 2012, the Governor established by executive order the Interagency Council on Veterans Affairs. (Executive Order 2012-15 (7-3-2012)) The Council was charged with identifying and prioritizing the needs of Nevada's veterans, working toward increasing the coordination of the efforts of public and private agencies to meet those needs and preparing a report of its findings and recommendations by December 31, 2013, for submission to the Governor. **Section 10** of this bill creates the Council in statute and prescribes its membership, which includes ex officio members and members appointed by the Governor. **Section 11** of this bill ~~[provides that the Executive Director of the Office of Veterans Policy and Coordination serves as the Chair of the Council. Section 11 also]~~ requires the Council to hold meetings at least once every 3 months. **Section 12** of this bill prescribes issues for the Council to study and requires the Council to submit a report of its findings and recommendations to each regular session of the Legislature.

The Gift Account for Veterans Homes is established under existing law to receive gifts of money or personal property which a donor has restricted to one or more uses at a veterans home. (NRS 417.145) As a result of the authorization of the creation of a veterans home in northern Nevada in **section 55** of this bill, **section 23** of this bill changes the existing Gift Account for Veterans Homes to the Gift Account for the Veterans Home in Southern Nevada to be used for the deposit of gifts which donors have restricted to use at that home. **Section 23** also creates the Gift Account for

the Veterans Home in Northern Nevada to be used for the deposit of gifts which donors have restricted to use at this new veterans home. **Sections 37-44 and 47** of this bill make conforming changes.

Under existing law, the Division of State Parks of the State Department of Conservation and Natural Resources is required to issue an annual permit for the free use of all state parks and recreational areas in this State to persons who are 65 years of age or older and who meet certain residency requirements. (NRS 407.065) **Section 46** of this bill extends this same benefit to a veteran with a permanent service-connected disability of 10 percent or more who received an other than dishonorable discharge from the Armed Forces of the United States and who is a resident of Nevada.

8. If a tax exemption is allowed under this section, the claimant is not entitled to an exemption under NRS 361.090.

9. If any person files a false affidavit or produces false proof to the county assessor or a notary public and, as a result of the false affidavit or false proof, the person is allowed a tax exemption to which the person is not entitled, the person is guilty of a gross misdemeanor.

10. Beginning with the 2005-2006 Fiscal Year, the monetary amounts in subsection 2 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July 2003 to the July preceding the fiscal year for which the adjustment is calculated. The Department shall provide to each county assessor the adjusted amount, in writing, on or before September 30 of each year.

4. After the initial claim for an exemption pursuant to NRS 361.088 or 361.098 to 361.150, inclusive, an organization is not required to file annual claims if the property remains exempt. If any portion of the property loses its exemption pursuant to NRS 361.157 or for any other reason becomes taxable, the organization must notify the county assessor.

5. If an exemption is granted or renewed in error because of an incorrect claim or failure of an organization to give the notice required by subsection 4, the assessor shall assess the taxable portion of the property retroactively pursuant to NRS 361.769 and a penalty of 10 percent of the tax due for the current year and any prior years may be added.

The form must be designed to facilitate its return by mail by the person claiming the exemption. If so requested by the person claiming the exemption, the county assessor may provide the form to the person by electronic means in lieu of by mail.

5. Before allowing any exemption pursuant to the provisions of this section, the Department shall require proof of the veteran's status, and for that purpose shall require production of:

Assembly Bill No. 125.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 841.

AN ACT relating to governmental administration; exempting the lease of certain state lands from appraisal and certain procedural requirements; authorizing the discounted lease of state lands and buildings to certain businesses seeking to locate or expand in this State; revising provisions relating to the annual inventory of real property owned by or leased to the State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the State Land Registrar to lease state land for certain purposes. (Chapter 321 of NRS) **Section 3** of this bill authorizes the lease of state land to certain businesses seeking to locate or expand in this State for less than fair market value for the first year of the lease. **Section 3** requires the State Land Registrar, the Administrator of the State Public Works Division of the Department of Administration and the Executive Director of the Office of Economic Development to approve such a lease and establish the amount of rent to be received for the state land pursuant to the lease.

With limited exceptions, existing law sets forth certain procedural requirements for the sale or lease of state land, which include: (1) the requirement to obtain two independent appraisals of the land; (2) the requirement that the lease be upon sealed bids followed by oral offers; and (3) the requirement that certain leases be approved by the State Board of Examiners and the Interim Finance Committee. (NRS 321.007, 321.335, 322.007) **Sections 1, 1.5, 2, 4 and 5** of this bill except from these requirements the lease of state land if the lease is for less than 25,000 square feet of land or the lease is approved pursuant to **section 3**.

Existing law requires: (1) each state officer, department, agency, board and commission to maintain an inventory of all real property leased to the State; and (2) the Division of State Lands of the State Department of Conservation and Natural Resources, the Department of Transportation and the State Public Works Division to maintain an inventory of all real property owned by the State. THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 321 of NRS is hereby amended by adding thereto a new section to read as follows:

The State Land Registrar may offer any state land for lease without complying with the provisions of NRS 321.007 or 321.335 if the area of the state land is less than 25,000 square feet.

Sec. 1.5. NRS 321.007 is hereby amended to read as follows:

321.007 1. Except as otherwise provided in subsection 5, NRS 322.063, 322.065 or 322.075, ***or section 1 or 3 of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for land that is sold or leased pursuant to an agreement entered into pursuant to NRS 277.080 to 277.170, inclusive, when offering any land for sale or lease, the State Land Registrar shall:

(a) Except as otherwise provided in this paragraph, obtain two independent appraisals of the land before selling or leasing it. If the Interim Finance Committee grants its approval after discussion of the fair market value of the land, one independent appraisal of the land is sufficient before selling or leasing it. The appraisal or appraisals, as applicable, must have been prepared not more than 6 months before the date on which the land is offered for sale or lease.

(b) Notwithstanding the provisions of chapter 333 of NRS, select the one independent appraiser or two independent appraisers, as applicable, from the list of appraisers established pursuant to subsection 2.

(c) Verify the qualifications of each appraiser selected pursuant to paragraph (b). The determination of the State Land Registrar as to the qualifications of an appraiser is conclusive.

2. The State Land Registrar shall adopt regulations for the procedures for creating or amending a list of appraisers qualified to conduct appraisals of land offered for sale or lease by the State Land Registrar. The list must:

(a) Contain the names of all persons qualified to act as a general appraiser in the same county as the land that may be appraised; and

(b) Be organized at random and rotated from time to time.

3. An appraiser chosen pursuant to subsection 1 must provide a disclosure statement which includes, without limitation, all sources of income of the appraiser that may constitute a conflict of interest and any relationship of the appraiser with the owner of the land or the owner of an adjoining property.

4. An appraiser shall not perform an appraisal on any land offered for sale or lease by the State Land Registrar if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property.

5. If a lease of land is for residential property and the term of the lease is 1 year or less, the State Land Registrar shall obtain an analysis of the market value of similar rental properties prepared by a licensed real estate broker or salesperson when offering such a property for lease.

6. If land is sold or leased in violation of the provisions of this section:

(a) The sale or lease is void; and

(b) Any change to an ordinance or law governing the zoning or use of the land is void if the change takes place within 5 years after the date of the void sale or lease.

Sec. 2. NRS 321.335 is hereby amended to read as follows:

321.335 1. Except as otherwise provided in NRS 321.125, 322.063, 322.065 or 322.075, ***or section 1 or 3 of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for

land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.

4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. If there is no newspaper published in the county where the land to be sold or leased is situated, the notice must be so published in a newspaper published in this State having a general circulation in the county where the land is situated.

5. The notice must contain:

(a) A description of the land to be sold or leased;

(b) A statement of the terms of sale or lease;

(c) A statement that the land will be sold pursuant to subsection 6; and

(d) The place where the sealed bids will be accepted, the first and last days on which the sealed bids will be accepted, and the time when and place where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land

Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:

(a) Contrary to the public interest.

(b) For a lesser amount than is reasonable for the land involved.

(c) On lands which it may be more beneficial for the State to reserve.

(d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.

8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.330.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must, as applicable, obtain a new appraisal or new appraisals of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of

consanguinity or affinity does not have an interest in the land or an adjoining property.

Assembly Bill No. 145.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 800.

AN ACT relating to transportation; authorizing certain officials in each county responsible for the maintenance and repair of certain roads to establish a Complete Streets program for retrofitting certain roads to improve access to those roads by all users; allowing a person who is registering or renewing the registration of a vehicle **at a kiosk or via the Internet** to make a voluntary contribution at that time to the Complete Streets program in his or her county; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties), the board of county highway commissioners is authorized to construct, repair and maintain public highways and roads within the county. (NRS 403.090) Existing law also provides that a county may, by ordinance, create a regional transportation commission if a streets and highways plan has been adopted by the county or regional planning commission. (NRS 277A.170) **Section 5** of this bill allows a regional transportation commission to adopt a policy for a Complete Streets program, which means a program for the retrofitting of streets or highways under the jurisdiction of the commission for the primary purpose of adding or significantly repairing facilities that provide street or highway access considering all users, including, without limitation, pedestrians, bicycle riders, persons with a disability, persons who use public transportation and motorists. **Section 4.8** of this bill allows the board of

county commissioners, in a county whose population is 100,000 or more **(currently Clark and Washoe Counties)** and in which a regional transportation commission does not exist, to adopt a Complete Streets program. **Section 9** of this bill allows the board of county highway commissioners, in a county whose population is less than 100,000 and in which a regional transportation commission does not exist, to adopt a Complete Streets program.

Sections 2 and 3 of this bill require the Department of Motor Vehicles to include on each application for vehicle registration or renewal of registration **that is completed at a kiosk or via the Internet** notice of a voluntary $2 contribution to be made to the Complete Streets program in the county where the vehicle is to be registered unless the person registering the vehicle or renewing the registration indicates on that application that he or she wishes to opt out of making the contribution. **Section 1** of this bill requires the Department of Motor Vehicles to distribute monthly the money collected from the voluntary contributions to the transportation officials in the respective counties.

Sections 4.8, 5 and 9 require that a board of county commissioners, regional transportation commission or a board of county highway commissioners which receives money from the Department of Motor Vehicles for a Complete Streets program use that money only for projects that are a part of such a program.

Section 16.5 of this bill requires the Director of the Department of Motor Vehicles to determine when sufficient resources are available for the Department to carry out the provisions of this bill, and to provide notice of that fact. Section 17 of this bill provides that this bill becomes effective: (1) upon passage and approval, for the purpose of adopting regulations and performing other preparatory administrative tasks; and (2) for all other purposes, upon the earlier of October 1, 2015, or the date on which the Director provides notice that sufficient resources are available for the Department to carry out the provisions of this bill.

~~**[** Section 52 of this bill repeals provisions of existing law governing advertisements for time shares, and section 13 of this bill authorizes the Division to adopt regulations regarding advertisements relating to time shares.**]**~~

Existing law governs the fees that the Division is required to collect relating to time shares. (NRS 119A.360) Section 32 of this bill increases certain fees and revises the fee based on the number of time shares sold by a developer to provide for a fee based on the number of time shares in a time-share plan. Section 32 also establishes a fee for an amendment to a statement of record, the initial registration of a time-share resale broker and the renewal of the registration of a time-share resale broker.

Existing law governs the contents of a time-share instrument. (NRS 119A.380) **Section 33** of this bill enacts provisions relating to the governing instrument of a time-share plan or units governed by the laws of another state or jurisdiction.

Existing law requires a developer to provide each prospective purchaser with a copy of the developer's public offering statement. (NRS 119A.400) **Section 35** of this bill provides that, upon the request of a prospective purchaser for an electronic copy of the public offering statement, the developer must provide an electronic copy of the public offering statement.

Existing law requires money, negotiable instruments or other deposits pertaining to the sale of a time share to be placed in escrow. (NRS 119A.420) **Section 36** of this bill requires money, negotiable instruments or other deposits pertaining to the sale of a time share received from a purchaser to be

placed in an escrow account or requires the developer to establish a surety bond.

Existing law provides for the licensing and regulation of a time-share resale broker. (NRS 119A.4771) **Section 41** of this bill amends provisions relating to the registration of a time-share resale broker. **Sections 42 and 43** of this bill provide for a right to cancel certain contracts or agreements relating to the resale of a time share.

Existing law governs the charging or collection of an advance fee by a time-share resale broker. (NRS 119A.4779) **Section 44** of this bill requires a contract for an advance fee listing to include certain information. **Section 44** also prohibits a time-share resale broker from engaging in certain acts with respect to an advance fee and provides penalties for engaging in those acts.

Section 48 of this bill removes the authority of the Administrator to require an association or developer to provide an opinion of an independent professional consultant regarding the budget.

Existing law prohibits certain unfair methods of competition or deceptive or unfair acts in the offer to sell or sale of a time share. (NRS 119A.710) **Section 4** of this bill prohibits a person from knowingly participating in a plan or scheme to transfer a time share to a person who does not pay the assessments or taxes for that time share and provides a penalty for a violation of this provision.

Section 52 of this bill repeals provisions of existing law governing advertisements for time shares, and section 13 of this bill authorizes the Division to adopt regulations regarding advertisements relating to time shares.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 1.4. ***"Component site" means the specific geographic location where units that are part of a time-share plan are located, including, without limitation, new units added to a single project in the same geographic location and under common management.***

Sec. 2. ***"Statement of record" means the information provided to the Administrator pursuant to paragraph (a) of subsection 1 of NRS 119A.300 or subsection 2 of NRS 119A.300, as applicable.***

Sec. 2.5. *1. Every branch office must be operated under the supervision of a real estate broker or real estate broker-salesperson who is licensed pursuant to chapter 645 of NRS and who has had at least 2 years of experience as an active real estate broker, real estate broker-salesperson or real estate salesperson in the United States.*

2. The project broker or time-share resale broker is responsible for each branch office which he or she operates.

3. If the location of the branch office does not permit a project broker or a time-share resale broker to exercise direct supervision of a branch office, a real estate broker-salesperson shall directly supervise the branch office.

4. A supervisor of a branch office may not supervise more than one branch office.

Sec. 3. *1. If there is a material change to the time-share plan which is not caused by or under the control of the developer, the developer shall file with the Division an amended statement of record not later than 10 days before the material change occurs or within 10 days after the developer knows or reasonably should have known of the material change. For any material change to the time-share plan, the developer shall file an amended statement of record, and such an amended statement of record is effective on the 60th day after the filing or, in the event that additional units are added to the time-share plan which are in a component site previously registered with the Division, on the 120th day after the filing, unless the Administrator:*

(a) Issues a denial of the amended statement of record pursuant to NRS 119A.654 describing the reasons for the denial in sufficient detail to allow the developer to correct the deficiencies in the amended statement of record; or

(b) Approves the amended statement of record on an earlier date.

2. The Administrator shall, within 30 days after receiving evidence that the deficiencies in the amended statement of record are cured, approve or deny the amended statement of record and list the specific reasons for denial. If the Division fails to take any of the actions described in this subsection within the 30-day period, the amended statement of record shall be deemed approved by the Division.

3. Any amendment proposed by the developer to the provisions of a time-share instrument must be filed with the Division. Unless the Division notifies the developer of its disapproval within 15 days after the developer files the proposed amendment to the time-share instrument, the amendment shall be deemed to be approved by the Division.

Sec. 4. *1. Except as otherwise provided in subsection 3, a person who knowingly participates, for consideration or with the expectation of*

consideration, in any plan or scheme, a purpose of which is to transfer a previously sold time share to a transferee who does not pay or provide payment for all assessments for that time share commits a false, misleading or deceptive act or practice for the purposes of NRS 207.170, 207.171, 598.0915 to 598.0925, inclusive, and chapters 598A and 599A of NRS.

2. The failure of a transferee to pay assessments or taxes that come due after the acquisition of a previously sold time share by a person who acquires the time share for commercial purposes is prima facie evidence of a violation of this section.

3. An association or manager does not violate the provisions of this section by performing such acts and collecting such fees or expenses as are customary during the transfer.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 8.

The following Senate amendment was read:

Amendment No. 634.

AN ACT relating to public welfare; revising provisions governing the duties of the Division of Health Care Financing and Policy and the Division of Welfare and Supportive Services of the Department of Health and Human Services; repealing certain programs relating to Medicaid and public assistance; abolishing the State Board of Welfare and Supportive Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1, 2, 4-11, 15, 16 and 30 of this bill make various changes to remove some of the overlap between the chapters governing the Division of Health Care Financing and Policy of the Department of Health and Human Services and the Division of Welfare and Supportive Services of the Department to reflect more clearly the duties of each division. (Chapters 422 and 422A of NRS) With these changes, chapter 422 of NRS, which concerns health care financing and policy, concentrates on the duties of the Division of Health Care Financing and Policy with respect to Medicaid and the

Children's Health Insurance Program **,** and chapter 422A of NRS, which concerns welfare and supportive services, concentrates on the duties of the Division of Welfare and Supportive Services with respect to all programs that provide public assistance.

Section 30 ~~**[**of this bill**]**~~ repeals various provisions of existing law relating to Medicaid, the Children's Health Insurance Program and other programs which provide public assistance to accomplish that separation. **Sections 1 , ~~[**and**]~~ 15 and 16.5** of this bill reenact some of those repealed provisions in the appropriate chapter based upon which Division is responsible. (NRS 232.354, 422.29308 ~~**(**~~**)**~~**]**~~ **, 422.3045)** In addition, **sections 4-9 and 11** ~~**[**of this bill**]**~~ limit certain provisions which are within the duties of the Division of Health Care Financing and Policy so that they apply only to Medicaid and the Children's Health Insurance Program. **Section 16** ~~**[**of this bill**]**~~ adds a section to the chapter concerning welfare and supportive services that duplicates a similar provision which, as amended in **section 11**, applies only to Medicaid and the Children's Health Insurance Program to continue to allow the Division of Welfare and Supportive Services to recover from recipients of public assistance or their estates certain amounts which were incorrectly paid to the recipients. (NRS 422.29304)

Sections 3, 20 and 24 of this bill replace the term "alien" with "person who is not a citizen or national of the United States" in provisions concerning the eligibility of persons who are not citizens or nationals of the United States for Medicaid and welfare programs. (NRS 422.065, 422A.085, 422A.265)

Sections 18, 19 and 23 of this bill replace references to the federal Food Stamp Program with references to the Supplemental Nutrition Assistance Program for consistency with current federal law. (7 U.S.C. §§ 2011 et seq.)

Section 21 of this bill removes the requirement that the Administrator of the Division of Welfare and Support Services be a college graduate with a degree in a field of social science, public administration, business administration or a related field and instead requires the Director to give preference to a person who has such a degree when appointing the Administrator. (NRS 422A.155)

Section 30 ~~**[**of this bill**]**~~ abolishes the State Board of Welfare and Supportive Services, which, under existing law, makes recommendations concerning the administration of public assistance. (NRS 422A.010, 422A.110-422A.135, 422A.165) **Section 30** also repeals provisions of chapter 422A of NRS concerning certain family planning and prenatal care programs that are duplicated in chapter 422 of NRS. (NRS 422A.310, 422A.315)

Section 29 of this bill makes permanent the authorization in existing law for the Department to contract with certain motor carriers to transport

recipients of services pursuant to the Children's Health Insurance Program who travel to and from providers of services. (NRS 422.2705; Section 2 of Chapter 392, Statutes of Nevada 2011, at p. 2470)

The following Senate amendment was read:

Amendment No. 868.

SUMMARY—Requires the notification of patients regarding breast density **.** ~~[and supplementary mammographic screening tests.]~~ (BDR 40-172)

AN ACT relating to mammography; requiring a **statement of the density of the patient's breasts and a** notice **prescribed by the State Board of Health** regarding breast density to be included in a report provided to a patient; authorizing an administrative fine for failure to ~~[provide]~~ **comply with** such ~~[notice;]~~ **requirements;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under federal law, a facility that performs a mammogram must provide directly to each patient a summary report describing the results of the mammogram written in terms that are easily understood by a lay person. (42 U.S.C. § 263b) Existing state law imposes certain requirements on the operation of a machine used to perform mammography and further provides for the imposition of an administrative fine for operation in violation of those requirements. (NRS 457.182-457.187) This bill requires the owner, lessee or other person responsible for the radiation machine for mammography that was used to perform a mammogram to ensure that the summary report required by federal law includes a statement of the density of the patient's breasts and a notice ~~[encouraging the patient to discuss the notice with his or her physician or other provider of health care.]~~ **prescribed by the State Board of Health that includes certain information relating to breast density, breast cancer and the impact of breast density on the effectiveness of mammography.** In addition, this bill authorizes the Health Division of the Department of Health and Human Services to impose an administrative fine for failure to provide such notice. (NRS 457.187)

~~[WHEREAS, Forty percent of women have dense breast tissue; and~~

~~WHEREAS, Breast density is one of the strongest predictors of the failure of mammography to detect cancer; and~~

~~WHEREAS, Breast density is a greater risk factor for breast cancer than having two first-degree relatives with breast cancer; and~~

~~WHEREAS, The vast majority of women are unaware of the density of their breasts; and~~

~~WHEREAS, Less than 1 in 10 women with dense breast tissue learn about their dense breast tissue from their doctors; and~~

~~WHEREAS, Several states, including Connecticut, Texas, Virginia, New York and California, have enacted legislation relating to notification of breast density; now, therefore,]~~

Dense breast tissue is common and not abnormal. As breast density increases, the ability of a mammogram to identify cancer or suspicious abnormalities decreases, which may increase the risk of breast cancer not being detected until a later stage. Density may change over time and generally diminishes with age, but varies by person. Many factors affect a person's risk of developing breast cancer, including family history, personal medical history, smoking and, according to some studies, increased breast density. Use this letter when you speak with your physician or other provider of health care about your own individual risk factors for breast cancer. At that time, ask your physician or other provider of health care if further testing might be useful.~~

(d) A statement that encourages the patient to discuss with his or her provider of health care whether the patient should adjust his or her

schedule for mammograms or consider other appropriate screening options as a result of the patient's breast density.

3. The notice prescribed by regulation pursuant to subsection 2 may include, without limitation:

(a) A statement regarding the prevalence of dense breast tissue, the relationship between breast density and breast cancer and the manner in which breast density may change over time; and

(b) A description of the factors that affect the risk of developing breast cancer.

4. Nothing in this section shall be construed to:

(a) Create a duty of care or other legal obligation beyond the duty to provide the notice as set forth in this section.

(b) Require a notice to be provided to a patient that is inconsistent with the notice required by the provisions of 42 U.S.C. § 263b or any regulations promulgated pursuant thereto.

Amendment No. 651.

AN ACT relating to employment; prohibiting employers from conditioning employment on access to an employee's social media account; prohibiting a person from requesting or considering a consumer report for purposes relating to employment except under certain circumstances; revising provisions relating to the release of a consumer report that is subject to a security freeze; providing civil remedies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes various unlawful employment practices. (Chapter 613 of NRS) This bill prohibits an employer from conditioning the employment of an employee or prospective employee on his or her disclosure of the user name, password or any other information that provides access to the employee's or prospective employee's personal social media account. This bill also prohibits an employer from taking certain employment actions based on the refusal of an employee or prospective employee to disclose such information. This bill further provides, however, that it is not unlawful for an employer to require an employee to disclose his or her user name, password or any other information to an account or a service, other than a personal social media account, for the purpose of accessing the employer's own internal computer or information system.

Under existing law, a person who complies with the requirements of the Fair Credit Reporting Act, 15 U.S.C. §§ 1681 et seq., and chapter 598C of NRS is allowed to obtain a consumer report for purposes relating to the

employment of the consumer. **Sections 3 and 4** of this bill prohibit a person from requesting or considering a consumer report for purposes of evaluating a consumer for employment, promotion, reassignment or retention as an employee unless: (1) the use of the report is required or authorized by state or federal law; (2) the person reasonably believes that the consumer has engaged in specific activity which may constitute a violation of state or federal law and is likely to be reflected in the report; or (3) the information in the report is reasonably related to the position for which the consumer is being evaluated.

Existing law provides that if a consumer places a security freeze on his or her file maintained by a credit reporting agency, the agency is not allowed to release the consumer report without the consumer's consent except for certain purposes, which include certain purposes relating to employment of the consumer. (NRS 598C.350, 598C.380) **Section 5** of this bill revises the scope of that exception to conform with **section 4**.

Section 1.7 of this bill establishes the form in which an affidavit submitted by a tenant or cotenant in support of a notice to terminate a rental agreement pursuant to this bill must be made.

Existing law prohibits a landlord from taking certain retaliatory actions against a tenant. (NRS 118A.510) **Section 2** of this bill prohibits a landlord from taking certain retaliatory actions against a tenant, cotenant or household member who is a victim of domestic violence or who terminates a rental agreement because he or she is a victim of domestic violence.

4. A tenant or cotenant who terminates a rental agreement pursuant to this section is only liable, if solely or jointly liable for purposes of the rental agreement, for any rent owed or required to be paid through the date of termination and any other outstanding obligations. (b) Refuse to provide to an adverse party, whether or not that party is a tenant, cotenant or household member, access to the dwelling to reclaim property unless a law enforcement officer is present.

9. This section shall not be construed to limit a landlord's right to terminate a rental agreement for reasons unrelated to domestic violence.

10. Notwithstanding any other provision of law, the termination of a rental agreement pursuant to this section:

(a) Must not be disclosed, described or characterized as an early termination by a current landlord to a prospective landlord; and

Assemblyman Bobzien moved that the Assembly concur in the Senate Amendment No. 768 to Assembly Bill No. 284.

Remarks by Assemblyman Bobzien.

ASSEMBLYMAN BOBZIEN:

This amendment does the following six things: it includes identifying the adverse party in an affidavit signed by the qualified third party; it adds physicians and clinical professional counselors to the list of a qualified third party; it expands the term "clergy" as used under the list of a qualified third party; it deletes from the list of a qualified third party a volunteer who advises persons regarding domestic violence or refers them to persons or agencies where their request and needs can be met; it prohibits a landlord from characterizing the termination of a rental agreement pursuant to the act as an early termination and provides that the tenant or co-tenant is not required to disclose the termination to a prospective landlord and finally; it requires that an affidavit be made in specific form.

Senate Bill No. 92.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 898.

AN ACT relating to public health; requiring that infants born in certain institutions be examined for critical congenital heart disease; providing an exception for written parental objection; requiring certain hospitals to submit certain information to the Health Division of the Department of Health and Human Services; authorizing the Division to provide this information to an entity to conduct a study of the effectiveness of pulse oximetry screening; requiring the Division to submit a report under certain circumstances to the Director of the Legislative Counsel Bureau for submittal to the Legislative Committee on Health Care and the Legislative Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Any]~~ **Under existing law, a** physician, midwife, nurse, obstetric center or hospital attending or assisting any infant, or the mother of any infant, at childbirth is required to examine and test the infant for certain preventable and inheritable disorders. If the tests reveal such a disorder, the physician, midwife, nurse, obstetric center or hospital is required to: (1) report the condition to the State Health Officer, the local health officer of the county or city within which the infant or the mother of the infant resides, and the local

health officer of the county or city in which the child is born; and (2) discuss the condition and treatment of the condition with the parents or other persons responsible for the care of the infant. (NRS 442.008) **Section 1** of this bill requires any physician, midwife or nurse attending or assisting any infant at childbirth at an obstetric center or a hospital which regularly offers obstetric services in the normal course of business to examine the infant for critical congenital heart disease, including conducting pulse oximetry screening, and to report any results indicating the infant may suffer from critical congenital heart disease to the attending physician of the infant. **Section 1** also requires the attending physician of an infant whose test results have indicated that the infant may suffer from critical congenital heart disease to conduct an examination to determine if the infant does suffer from critical congenital heart disease. If the attending physician determines that the infant suffers from critical congenital heart disease, the attending physician is required to report the condition to the State Health Officer and discuss such results with the parent of or other person responsible for the infant. **Section 1** provides an exception to the requirement for examination in the event of written parental objection. **Section 3 of this bill makes the provisions of section 1 become effective on July 1, 2015.**

Section 2 of this bill requires, during the period between July 1, 2013, and March 1, 2014, a hospital that conducts pulse oximetry screening to submit the positive results of such screening and certain information concerning these results to the Health Division of the Department of Health and Human Services. **Section 2** also authorizes the Division to provide the information to an entity to study this information. If a study is conducted, the study must: (1) evaluate the effectiveness of the pulse oximetry screening; and (2) formulate recommendations concerning the implementation of the requirements prescribed by **section 1**. **Section 2** further requires the Division, if a study is conducted, to submit a report containing the results of the study to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Committee on Health Care and the Legislative Commission. Finally, **Section 2** requires the Legislative Committee on Health Care, if a study is conducted, to use the report to formulate recommendations concerning the implementation of these requirements.

Sec. 2. 1. (a) The positive results;

(b) Information concerning whether critical congenital heart disease was detected in the infant before the pulse oximetry screening; and

(c) Information concerning measures taken by the hospital because of the positive result, including, without limitation, measures taken to verify the positive result and to provide follow-up care and treatment to the infant.

2. The Division may make the information submitted pursuant to subsection 1 available to an entity to study. If a study is conducted pursuant to this subsection, the entity must, without limitation:

(a) Evaluate, based on the information, the effectiveness of the pulse oximetry screening; and

(b) Formulate recommendations concerning the implementation of section 1 of this act.

3. Except as otherwise provided in subsection 2, the Division shall keep confidential all personal identifying information contained in the information submitted pursuant to subsection 1. Any entity to which information is made available pursuant to subsection 2 shall keep confidential all personal identifying information contained within the information made available to the entity pursuant to subsection 2.

5. If a study is conducted pursuant to subsection 2, the Legislative Committee on Health Care shall study the report submitted pursuant to subsection 4 and provide to the Legislature, as a result of its consideration of the report, any recommendations for legislation concerning the implementation of section 1 of this act.

6. As used in this section, "personal identifying information" means any information designed, commonly used or capable of being used, alone or in conjunction with any other information, to identify a person.

Sec. 3. 1. This section and section 2 of this act become effective on July 1, 2013.

The abatements afforded by this bill expire by limitation on June 30, 2023.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds that each exemption provided by this act from any ad valorem tax on property or excise tax on the sale, storage, use or consumption of tangible personal property sold at retail:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Assemblyman Sprinkle moved the adoption of the amendment.

Remarks by Assemblyman Sprinkle.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Assembly Bill No. 46.

Bill read third time.

Remarks by Assemblymen Bobzien, Kirner, and Sprinkle.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 46 authorizes the board of county commissioners in a county whose population is 100,000 or more, but less than 700,000 to impose, by a two thirds vote, an additional sales and use tax rate of one-quarter percent for deposit in a school district's fund for capital projects. The bill also requires the board of county commissioners to impose an additional property tax of 5 cents per $100 of assessed value for deposit to this fund.

The bill authorizes the proceeds from these taxes, as well as any portion of governmental services tax revenue received based on the amount of its property tax rate attributable to debt service, for the payment of bonds or other obligations used by the school district for capital projects.

I rise in reluctant support of this measure today. Here is some background on the challenges that the Washoe County School District is facing. Currently there is an unmet need for capital funding of $511 million in the school district. In November of 2012, the school district's 2002 rollover bond expired. Because of our situation with valuations and bonding capacity, the school district finds itself without some of the tools for capital needs that other districts have. For instance, in Clark County, available to that school district is the real property transfer tax and the room tax, both levies that many, many years ago the Legislature denied to Washoe County. In an attempt to remedy the situation, the elected school board came to this Legislature, joined in

arms with parents, teachers, and the business community, to ask that we act to give them the tools they need to close this gap.

The bill that you have before you is a compromise to move things forward very reluctantly. For weeks, we were told that we could not vote for this bill because we did not have the votes. We are reluctantly moving forward with this and are now asking the county commission to help us because this Legislature wasn't able to act. Madam Speaker, it is a severe disappointment for me and for the people I represent—t he kids who go to school in the schools that need help in my district—but I am here asking for this body's support for this legislation so that we can keep this issue alive so that the parents, the teachers, the businesses, and the residents of Washoe County can now take this issue to the county commission to see if they can also help with this. I urge your support.

ASSEMBLYMAN KIRNER:

I rise in support of this bill. Like my colleague, I think this is an important bill. I think it is important for our kids in Washoe County and their schools, but I also think it is an issue that needs to be addressed locally as opposed to this entire body. I am very supportive of the idea that we take this to our county commissioners and that they vet it with their constituents, and I would ask the body to support this bill as amended.

ASSEMBLYMAN SPRINKLE:

I also rise in reluctant support of Assembly Bill 46. Long before I was even elected to my first term here, a bipartisan group got together recognizing a severe need in Washoe County to take care of the children that go to school every day. They came together, came up with what I believe was an excellent plan and a bill—the original bill, A.B. 46 that was presented here. I feel frustrated that we, as a body, were not able to do what we were elected to do. We are now putting it at the feet of local jurisdiction that really should not be making these decisions. Our schools need this, our children in Washoe County need this, and so if this is the only way it can move forward, then so be it. We will work strongly with our local representatives in Washoe County, and I hope that includes everybody to see that we get the funding necessary for our schools. So once again, I hope that this body will pass this bill and will move it forward.

Roll call on Assembly Bill No. 46:

YEAS—32.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 125. Assembly Bill 125, as amended, authorizes the Administrator of the Division of State Lands of the Department of Conservation and Natural Resources to lease state land for less than the fair market value of the land for the first year of a ten-year minimum lease to a person who intends to locate or expand a business in the state if the business meets the certain requirements as follows: employs 75 or more full-time employees by the fourth quarter the business is in operation; makes a capital investment of at least $1 million in the state; and pays the average statewide hourly wage as established by the state and provides a health insurance plan for all employees that includes an option for dependent coverage.

If the business is a new business in a county whose population is less than 100,000 or in a city whose population is less than 60,000, the business must meet at least two of the following requirements: employs 15 or more full-time employees by the fourth quarter the business is in operation; makes a capital investment of at least $250,000 in the state; and pays an average hourly wage that is at least 100 percent of the average statewide average hourly wage or the average countywide hourly wage, whichever is less, as established by the state and provide a health insurance plan for all employees that includes an option for dependent coverage.

The bill goes on to enumerate all of the different schemes and plans in which this bill can be related. It is a three-page floor statement. Madam Speaker, you put together a very comprehensive bill. I will be happy to stand for any questions.

Assembly Bill 145 authorizes the establishment of a Complete Streets program by a regional transportation commission or a board of county commissioners in each county. A Complete Streets program is defined as one in which streets or highways are retrofitted for the primary purpose of adding or significantly repairing facilities that provide street or highway access, considering all users including, without limitation, pedestrians, bicycle riders, persons with disabilities, persons who use public transportation, and motorists.

Madam Speaker and members of the Chamber, I was asked to bring this forth on behalf of the Complete Streets program. The bill explanation outlines how it would really help Nevada become a healthier state. I urge this body's support so we can all try to become healthier Nevadans.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 461, as amended, authorizes the Division of State Lands of the State Department of Conservation and Natural Resources to establish and carry out programs to preserve, restore, and enhance sagebrush ecosystems on public and private land, with the consent of the landowner. Specifically, the bill requires the Division of State Lands to oversee a program that awards credits for taking measures to protect, enhance, or restore sagebrush ecosystems; identify and prioritize projects to improve sagebrush ecosystems; suggest measures to avoid, minimize, and mitigate the impact of activities conducted in areas which include sage grouse habitats; and submit an annual progress report to the newly created Sagebrush Ecosystem Council within the Department of Conservation and Natural Resources.

The measure further clarifies that the nine appointees of the Governor are voting members of the Sagebrush Ecosystem Council and identifies six nonvoting members in addition to any other nonvoting members appointed by the Governor. Additionally, the bill requires the Sagebrush Ecosystem Council to establish and carry out certain strategies and programs for the conservation of sage grouse and for managing land which holds sagebrush ecosystems;

coordinate discussion among and provide advice to certain persons and governmental entities concerning the management of sagebrush ecosystems; and submit a biannual report concerning its activities to the Governor. Lastly, the bill creates the Account to Restore the Sagebrush Ecosystem within the State General Fund, the funding in which may only be used to establish and carry out programs to preserve, restore, and enhance sagebrush ecosystems.

This is a solid step forward for the state of Nevada. We have 5been working on this all session long, putting the funding together for this, and now this is the policy bill for the Sagebrush Ecosystem Council. I appreciated working with the Governor on some possible changes to this to make sure that we've got the right balance on the council and that it is as open as possible. The effort for everyone is to work together on the mitigation bank on projects that will help the sagebrush ecosystem. This bill is not perfect, but we do want to keep it moving so that we can get this done as a priority for Nevada, and I look forward to what the Senate may want to do with this bill once they get their hands on it.

ASSEMBLYWOMAN CARLTON:

Assembly Bill 491, as amended, redirects $20.8 million of governmental services tax commissions and $4.1 million of GST penalties in the Department of Motor Vehicles' Field Services and Motor Carrier budget accounts to the State General Fund for unrestricted use in Fiscal Year 2015 only, offset by an increase in Highway Fund authorization in a like amount, and increases the administrative cap on Highway Funds for the department from 22 percent to 32 percent for the 2015 Fiscal Year only.

This bill also extends the deposit of the GST to the General Fund resulting from the increase in the amount of the basic governmental services tax due annually that was increased for used vehicles by reducing the amount of depreciation allowed and increasing the minimum tax, which was approved by the 2009 Legislature in Senate Bill 429. The revenue from these increases in the basic governmental services tax is allocated to the State General Fund until June 30, 2015. The most recent projection is $64.22 million in 2014 and $65.13 million in 2015.

Assembly Bill 491, as amended, is effective on July 1, 2013. Madam Speaker, this takes care of one small hole in the budget.

ASSEMBLYWOMAN DONDERO LOOP:

Senate Bill 58 eliminates or modifies limits on pupil enrollment in distance education programs. Pupils may enroll in such programs unless prohibited by statute or if the pupil fails to meet the qualifications and conditions established by the State Board of Education. If a pupil is otherwise qualified to enroll in a distance education program, the school district board of trustees must grant the requested permission to enroll. Additionally, the measure provides that the Superintendent of Public Instruction may grant permission for unlicensed personnel to supervise pupils attending a course of distance education while receiving instruction from a licensed educator remotely, through electronic means.

I would just add that this is an incredibly responsible decision for our students moving forward. This is about accessibility and flexibility for our students. They all learn differently, and they need to learn differently. We have a lot of rural areas right here in our state, and there are a lot of students who can't get to certain specific classes or the school district cannot supply a teacher for that class, and this allows those students to take those classes.

Senate Bill 423 requires the Director of the Nevada Department of Corrections to provide an offender, upon release and request, with a photo identification card issued by the NDOC. The photo ID card must include the name, date of birth, and a color picture of the offender. The measure further provides that an offender who is eligible to apply for a driver's license or ID card through the Nevada Department of Motor Vehicles may submit the photo ID card received from the NDOC as proof of the offender's full legal name and age.

I would like to ask my colleagues to vote for this. This is a great bill. This helps those who are exiting the Nevada Department of Corrections to reintegrate into the community, because identification is the key to access all services they would need in the community.

Senate Joint Resolution No. 14 of the 76th Session.

Resolution read third time.

Remarks by Assemblymen Ohrenschall and Duncan.

ASSEMBLYMAN OHRENSCHALL:

Senate Joint Resolution No. 14 proposes an amendment to the *Nevada Constitution* to create an intermediate appellate court, known as the Court of Appeals, composed of three judges initially appointed to two-year terms by the Governor from nominees chosen by the Commission on Judicial Selection. Following initial appointment, the judges will be elected at the general election to serve a term of six years.

The Court of Appeals will have appellate jurisdiction in civil cases arising from the district courts and in criminal cases within the original jurisdiction of the district courts. The Nevada Supreme Court will fix the appellate court's jurisdiction and provide for the review of appeals decided by the Court of Appeals. Finally, Nevada's Supreme Court must provide for the assignment of one or more judges of the Court of Appeals to devote part of their time to serve as supplemental district judges where needed.

Madam Speaker, in your Judiciary Committee there was quite a bit of testimony about how our Supreme Court is very overworked, how their caseload is very heavy, and how that is costly, not just to the judges and attorneys in the state, but to the litigants, to the businessmen and women, and to the families who are awaiting having these decisions rendered. So hopefully if the voters see fit to enact this constitutional amendment and to provide this additional level of appellate review, justice will a be a little more timely in the state. I urge its passage.

ASSEMBLYMAN DUNCAN:

Just as my colleague from District 12 spoke about, we did hear some compelling testimony in the Judiciary Committee about this subject. I think looking down the line if we want to be a competitive business state and compete with Delaware and different states, one of the most important things is to be able to have an appellate body of law where our Supreme Court Justices are able to take time to write precedential opinions that will make us certain and a stable business environment. We certainly heard a lot of compelling testimony that they are overworked and that slows down the entire justice system for normal Nevadans who are

appealing their cases from the district court all the way up to the Supreme Court. If they have the ability to appeal those to the appellate courts this would actually increase their ability to have their cases adjudicated in a quicker fashion. So I urge this body's support of this measure.

Amendment No. 627.

AN ACT relating to common-interest communities; revising provisions governing the storage of trash and recycling containers in certain planned communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill restricts the authority of an association of a planned community to regulate the storage of trash and recycling containers on the premises of attached or detached residential units with curbside trash and recycling collection. Under **section 1** of this bill, the rules of an association governing the storage of trash and recycling containers must: (1) comply with all applicable codes and regulations; and (2) allow the unit's owner, or a tenant of the unit's owner, to store the containers outside any building or garage on the premises of the unit. The rules may: (1) provide that the containers must be stored **in the rear or side yard of the unit, if such locations exist, and** in such a manner that the containers are screened from view from the street, a sidewalk or any adjacent property; and (2) prescribe the size, location, color and material of any device, structure or item that may be used by a unit's

owner or tenant to screen the view. Finally, **section 1** allows an association to adopt rules that reasonably restrict the conditions under which trash and recycling containers are placed for collection, including, without limitation, the area in which the containers may be placed and the length of time for which the containers may be kept in that area.

Section 2 of this bill provides that the restrictions on the authority of an association of a planned community to regulate trash and recycling containers are applicable only to associations containing more than six units.

Assembly Bill No. 54.

The following Senate amendment was read:

Amendment No. 735.

AN ACT relating to courts; authorizing a board of county commissioners to impose by ordinance a filing fee relating to actions and proceedings in the justice court to offset the costs of operating a law library established in the county; requiring the county treasurer to deposit the filing fees received into a special account to be used to support the operation of such a law library; revising certain fees in the justice court; requiring the county treasurer to deposit a portion of such fees received from justice courts into a special account to be used for certain purposes; requiring the county treasurer to reduce annually the amount deposited into the special account in certain circumstances; requiring each justice court that collects fees to submit an annual report to the board of county commissioners; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the board of county commissioners of any county to establish by ordinance a law library to be governed and managed by a board of law library trustees. (NRS 380.010) **Section 1** of this bill authorizes a board of county commissioners to impose by ordinance a filing fee relating to actions and proceedings in the justice court, in an amount not to exceed $8, to offset a portion of the costs of operating such a law library. **Section 1** also provides that in a county in which such a fee has been imposed, the justice of the peace shall, on a monthly basis, pay to the county treasurer any such fees collected during the preceding month. The county treasurer is required to deposit the fees received into a special account administered by the county and maintained for the benefit of such a law library.

Existing law requires each justice of the peace to charge and collect certain fees for various civil actions, proceedings and filings in the justice court. For actions and proceedings other than small claims, the amount of the fees charged and collected is based upon the sum claimed in the action or proceeding. Each justice of the peace is required to pay to the county treasurer all such fees charged and collected, with certain exceptions. (NRS 4.060) **Section 1.5** of this bill increases the amount of certain fees charged and collected by the justice court and revises the tiers upon which certain fees are based.

Section 1.5 also requires the county treasurer to deposit 25 percent of the fees received from justices of the peace into a special account administered by the county and maintained for the benefit of each justice court within the county. The money in the account must be used only: (1) for purposes generally related to the acquisition of land or facilities or the construction or renovation of facilities for a justice court or a multi-use facility that includes a justice court; (2) to acquire advanced technology for the use of a justice court; (3) to acquire equipment or additional staff to enhance the security of the facilities used by a justice court, justices of the peace, staff of a justice court and residents of this State who access the justice courts; (4) to pay for the training of staff or the hiring of additional staff to support the operation of a justice court; and (5) to pay for one-time projects for the improvement of a justice court. **Section 1.5** also requires: (1) the county treasurer to reduce on an annual basis, if necessary, the amount deposited into the special account in certain circumstances; and (2) each justice court that collects fees to submit to the board of county commissioners of the county in which the justice court is located an annual report that contains certain information.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 4 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to any other fee required by law, a board of county commissioners may impose by ordinance a filing fee to offset a portion of the costs of operating a law library established in that county by the board of county commissioners pursuant to NRS 380.010, in an amount not to exceed $8, to be paid on the commencement of any action or proceeding in the justice court for which a filing fee is required and on the filing of any answer or appearance in any such action or proceeding for which a filing fee is required.

2. On or before the fifth day of each month, in a county in which a fee has been imposed pursuant to subsection 1, the justice of the peace shall account for and pay over to the county treasurer any such fees collected by the justice of the peace during the preceding month. The county treasurer shall deposit the fees received into a special account administered by the county and maintained for the benefit of a law library established pursuant to NRS 380.010. The money in the account must be used only to support the operation of such a law library.

Sec. 1.5. NRS 4.060 is hereby amended to read as follows:

4.060 1. Except as otherwise provided in this section and NRS 33.017 to 33.100, inclusive, each justice of the peace shall charge and collect the following fees:

(a) On the commencement of any action or proceeding in the justice court, other than in actions commenced pursuant to chapter 73 of NRS, to be paid by the party commencing the action:

If the sum claimed does not exceed ~~[$1,000 ..... $28.00~~
~~If the sum claimed exceeds $1,000 but does not exceed]~~ $2,500 ..... ***$*** 50.00

Amendment No. 625.

AN ACT relating to crimes; revising provisions relating to the time for filing a count alleging that a person is a habitual criminal, habitual felon or habitually fraudulent felon; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) authorizes a prosecuting attorney to prosecute a person as a habitual criminal, a habitual felon or a habitually fraudulent felon if certain conditions exist; and (2) prescribes the punishment for a habitual criminal, a habitual felon or a habitually fraudulent felon. (NRS 207.010, 207.012, 207.014) Under existing law, a prosecuting attorney may: (1) include in the information charging the primary offense a count alleging that a person is a habitual criminal, a habitual felon or a habitually fraudulent felon; or (2) file such a count after the person's conviction for the primary offense but, in such a case, the sentence must not be imposed or a certain hearing held until 15 days after the filing. (NRS 207.016) This bill requires a count alleging that a person is a habitual criminal, a habitual felon or a habitually fraudulent felon to be filed not less than 2 days before the trial on the primary offense, unless ~~[the prosecution and the defendant stipulate]~~ **an agreement of the parties provides** otherwise or for good cause shown the court extends such time. This bill also authorizes the prosecution to supplement or amend such a count at any time before sentence is imposed, but, if such a supplement or

amendment is filed, the sentence must not be imposed or a certain hearing must not occur until 15 days after the filing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 207.016 is hereby amended to read as follows:

207.016 1. A conviction pursuant to NRS 207.010, 207.012 or 207.014 operates only to increase, not to reduce, the sentence otherwise provided by law for the principal crime.

2. If a count pursuant to NRS 207.010, 207.012 or 207.014 is included in an information charging the primary offense, each previous conviction must be alleged in the accusatory pleading, but no such conviction may be alluded to on trial of the primary offense, nor may any allegation of the conviction be read in the presence of a jury trying the offense or a grand jury considering an indictment for the offense. A count pursuant to NRS 207.010, 207.012 or 207.014 may be ~~[separately]~~ filed ~~[after conviction of]~~ ***separately from the indictment or information charging*** the primary offense, but if it is so filed, ***the count pursuant to NRS 207.010, 207.012 or 207.014 must be filed not less than 2 days before the start of the trial on the primary offense*** ***,*** ***unless*** ~~***[the prosecution and the defendant stipulate]***~~ ***an agreement of the parties provides otherwise or the court for good cause shown makes an order extending the time. For good cause shown, the prosecution may supplement or amend a count pursuant to NRS 207.010, 207.012 or 207.014 at any time before the sentence is imposed, but if such a supplement or amendment is filed, the*** sentence must not be imposed, or the hearing required by subsection 3 held, until 15 days after the separate filing.

3. If a defendant charged pursuant to NRS 207.010, 207.012 or 207.014 pleads guilty or guilty but mentally ill to, or is found guilty or guilty but mentally ill of, the primary offense but denies any previous conviction charged, the court shall determine the issue of the previous conviction after hearing all relevant evidence presented on the issue by the prosecution and the defendant. At such a hearing, the defendant may not challenge the validity of a previous conviction. The court shall impose sentence:

(a) Pursuant to NRS 207.010 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitual criminality;

(b) Pursuant to NRS 207.012 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitual felon; or

(c) Pursuant to NRS 207.014 upon finding that the defendant has suffered previous convictions sufficient to support an adjudication of habitually fraudulent felon.

4. Nothing in the provisions of this section, NRS 207.010, 207.012 or 207.014 limits the prosecution in introducing evidence of prior convictions for purposes of impeachment.

5. For the purposes of NRS 207.010, 207.012 and 207.014, a certified copy of a felony conviction is prima facie evidence of conviction of a prior felony.

6. Nothing in the provisions of this section, NRS 207.010, 207.012 or 207.014 prohibits a court from imposing an adjudication of habitual criminality, adjudication of habitual felon or adjudication of habitually fraudulent felon based upon ~~[a stipulation]~~ ***an agreement*** of the parties.

~~[ASSEMBLYMEN~~ **ASSEMBLYMAN** Aizley ~~, AND SPIEGEL]~~

SUMMARY—Revises various provisions relating to common-interest communities. (BDR 10-488)

AN ACT relating to common-interest communities; **revising provisions governing the collection of past due financial obligations owed to an association; revising provisions governing payments received by an association from a unit's owner;** requiring a person nominated as a candidate for membership on the executive board of an association to be a member of the association in good standing; authorizing an association to reject a person's nomination as a candidate for membership on the executive board in certain circumstances; authorizing an association to distribute the disclosure of a potential conflict of interest on behalf of a candidate **[**~~;~~ ~~requiring an association that solicits bids for an association project to review and compare initial bids; authorizing such an association to request revised bids; revising the definition of "association project"; revising the process by which financial statements of certain associations are reviewed or audited;~~**]** **with the candidate's consent;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a homeowners' association has a lien on a unit for certain amounts due to the association. (NRS 116.3116) Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) This bill revises provisions governing the collection of past due financial obligations owed to a homeowners' association.

Section 1 of this bill establishes procedures which a homeowners' association must follow before initiating the process of foreclosing on a unit or commencing any other debt collection activity. Under section 1, before initiating the foreclosure process or commencing any other debt collection activity: (1) a homeowners' association must mail to the unit's owner a statement and two letters that provide certain information concerning the past due obligation; and (2) the executive board of the homeowners' association must, if the unit's owner so requests, conduct a hearing to verify the past due obligation. Sections 1 and 1.8 of this bill require: (1) the executive board to meet in executive session to conduct a hearing to verify a past due obligation; (2) the unit's owner to be allowed to attend and present evidence at the hearing; and (3) that the total number of votes for and against a determination of the executive board at the hearing to verify the past due obligation and the assessor's parcel number of the unit be recorded in the minutes of the meeting. Under section 1, a homeowners' association is required to offer a repayment plan to a unit's owner who owes a past due obligation to the association and a unit's owner may accept such a repayment plan at any time before the foreclosure sale of the unit or the commencement of a civil action to collect the past due obligation. Finally, section 1 authorizes an association to charge the unit's owner: (1) a fee of not more than $50 for a repayment plan; and (2) a fee of not more than $50 for any costs incurred by the association in complying with the requirements of section 1.

Section 4 of this bill requires the collection policy of a homeowner's association to provide an administrative process by which a unit's owner may contest a past due obligation.

Section 1.5 of this bill prohibits an association from refusing to accept any payment from a unit's owner. Section 1.5 further requires an association to apply any payment received from a unit's owner to any past due assessments, including late charges, costs of collecting and interest, owed by the unit's owner before the payment is applied to any other financial obligation owed by the unit's owner, unless the unit's owner directs a different application of the payment. Section 5 of this bill prohibits a community manager from refusing to accept from a unit's

owner, or any other party, payment of any assessment, fine, fee or other charge that is due because there is an outstanding payment due.

Existing law requires each person who is nominated as a candidate for membership on the executive board of an association to disclose potential conflicts of interest and whether he or she is a member of the association in good standing. A person is deemed not to be in good standing if he or she owes certain assessments or penalties to the association. (NRS 116.31034) **Section ~~[1]~~ 1.6** of this bill removes the disclosure requirement relating to being a member in good standing and instead requires a person who is nominated as a candidate for membership on the executive board to be a member in good standing. **Section ~~[1]~~ 1.6** also provides that if a candidate fails to disclose any potential conflict of interest before the closing period prescribed for nominations for membership on the executive board, the association may: (1) reject the person's nomination; or (2) if the association has reason to believe that a potential conflict of interest exists, distribute the disclosure **~~[,]~~** on behalf of the candidate, **if the candidate consents to the distribution of the disclosure,** to each member of the association with the ballot or in the next regular mailing of the association.

~~[Existing law provides that if an association solicits bids for an association project, the bids must be opened during a meeting of the executive board. (NRS 116.31086) Section 2 of this bill requires an association to review and compare the initial bids for the association project and authorizes the association to request any of the bidders to submit a revised bid. Section 2 also revises the definition of "association project" to specify that such a project costs $2,500 or more or 10 percent or more of the total annual assessment made by the association.~~

~~Existing law sets forth the process for the review or audit of the financial statement of an association by an independent certified public accountant. For an association with an annual budget that is less than $150,000, the frequency with which a review occurs depends on the specific annual budget of the association. The financial statement of such an association must be audited only if, within 180 days before the end of the fiscal year, 15 percent of the total number of voting members of the association submit a written request for such an audit. (NRS 116.31144) Section 3 of this bill revises this process and requires that the financial statement of an association with an annual budget that is less than $150,000 be reviewed every fiscal year. For any fiscal year, the financial statement must be audited if, within 180 days before the end of the fiscal year, 51 percent of the total number of voting members of the association submit a written request for such an audit.~~**~~]~~**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. An association may not mail to a unit's owner or his or her successor in interest a letter of its intent to mail a notice of delinquent assessment pursuant to paragraph (a) of subsection 1 of NRS 116.31162, mail the notice of delinquent assessment or take any other action to collect a past due obligation from a unit's owner or his or her successor in interest unless the association has satisfied the requirements of subsections 2 to 5, inclusive.

2. If a unit's owner owes a past due obligation that is 30 days or more past due, the association must mail to the address on file for the unit's owner a full statement of account showing the transaction history for the immediately preceding 24 months, a schedule of the fees that may be charged if the unit's owner fails to pay the past due obligation and a proposed repayment plan. If the past due obligation is not paid within 15 days after the mailing of the statement of account, schedule of fees and proposed repayment plan, the association must mail, by certified or registered mail, return receipt requested, to the unit's owner or his or her successor in interest, at his or her address, if known, and at the address of the unit, at least two letters, not less than 10 days apart, that state the following information:

(a) The current account balance information;

(b) A transaction history for the immediately preceding 24 months;

(c) A schedule of the fees that may be charged if the unit's owner fails to pay the past due obligation;

(d) A proposed repayment plan; and

(e) A notice of the right to contest the past due obligation at a hearing before the executive board and the procedures for requesting such a hearing.

3. Not earlier than 30 days after mailing the last of the letters required by subsection 2, the executive board must, if the unit's owner so requests, conduct a hearing to verify the past due obligation in accordance with this subsection and subsection 5 of NRS 116.31085. The executive board shall schedule the date, time and location for the hearing to verify the past due obligation so that the unit's owner or his or her successor in interest is provided with a reasonable opportunity to prepare for and be present at the hearing. The unit's owner or his or her successor in interest:

(a) Is entitled to attend all portions of the hearing to verify the past due obligation.

(b) Is entitled to be represented by another person at the hearing.

(c) Is entitled to present evidence of timely payment of the past due obligation, which may be presented in writing if the unit's owner is unable

to be present at the hearing at the date and time scheduled for the hearing. Any written evidence submitted pursuant to this paragraph must be included in the minutes of the hearing.

(d) Is not entitled to attend the deliberations of the executive board.

4. Not later than 30 days after the hearing to verify the past due obligation held pursuant to subsection 3, the association shall mail the determination of the executive board to the unit's owner or his or her successor in interest. If the executive board determines that the unit's owner or his or her successor in interest owes a past due obligation to the association and that the association has satisfied the applicable requirements of this section and if the executive board has approved the foreclosure of the association's lien pursuant to NRS 116.31162 to 116.31168, inclusive, or the taking of any other action to collect the past due obligation, the association may, after mailing the determination of the executive board pursuant to this subsection, take action as authorized by the executive board to collect the past due obligation by filing a notice of delinquent assessment pursuant to paragraph (a) of subsection 1 of NRS 116.31162 or by taking any other action to collect the past due obligation which is authorized by the laws of this State.

5. An association must offer a unit's owner who owes a past due obligation to the association a repayment plan providing for the payment of the amount of the past due obligation in equal monthly installments over a period of:

(a) Six months, if the amount of the past due obligation is $1,000 or less.

(b) Twelve months, if the amount of the past due obligation is more than $1,000 but less than $2,000.

(c) Twenty-four months, if the amount of the past due obligation is $2,000 or more.

6. The association may charge a fee of not more than $50 for a repayment plan. The association shall not charge any interest or late fees on a past due obligation for which a unit's owner or his or her successor in interest has entered into a repayment plan. A unit's owner or his or her successor in interest may accept a payment plan at any time before the date of the sale of the unit pursuant to NRS 116.31164 or the commencement of a civil action against the unit's owner or his or her successor in interest to obtain a judgment for the amount of the past due obligation. A unit's owner or his or her successor in interest may accept the repayment plan offered by the association pursuant to this subsection by tendering the first monthly payment. If a unit's owner or his or her successor in interest defaults on any repayment plan, the association may resume its efforts to collect the past due obligation from the time at which the unit's owner or his or her successor in interest accepted the repayment plan.

7. The failure of a unit's owner to pay when due an installment payment under a repayment plan is deemed to be a breach of the repayment plan and the repayment plan terminates upon such a failure.

8. The association may charge the unit's owner or his or her successor in interest a fee of not more than $50 to cover the costs incurred by an association in satisfying the requirements of this section.

9. As used in this section, "obligation" has the meaning ascribed to it in NRS 116.310313.

Sec. 1.2. **NRS 116.1203 is hereby amended to read as follows:**

116.1203 1. Except as otherwise provided in subsections 2 and 3, if a planned community contains no more than 12 units and is not subject to any developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.

2. The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.

3. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, ***and section 1 of this act,*** and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than 6 units.

~~[Section 1.]~~ ***Sec. 1.6.*** NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units' owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

AN ACT relating to genetic marker analysis; **authorizing a person convicted of any felony to file a petition requesting genetic marker analysis;** authorizing the appeal of an order **granting or** dismissing a petition for genetic marker analysis; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who has been convicted of a category A or B felony, and who is currently under imprisonment for that conviction, to file a petition requesting genetic marker analysis of certain evidence within the possession or custody of the State. (NRS 176.0918) This bill authorizes ~~[such]~~ a person **convicted of any felony, regardless of whether the person is under such imprisonment,** to **: (1) file a petition requesting genetic marker analysis of certain evidence within the possession or custody of the State; and (2)** file an appeal of an order dismissing such a petition for genetic marker analysis. **This bill further authorizes the State to appeal an order granting such a petition.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.0918 is hereby amended to read as follows:

176.0918 1. A person convicted of a ~~[category A or B]~~ felony ~~[who is under sentence of imprisonment for that conviction and]~~ who otherwise meets the requirements of this section may file a postconviction petition requesting a genetic marker analysis of evidence within the possession or custody of the State which may contain genetic marker information relating to the investigation or prosecution that resulted in the judgment of conviction. If the case involves a sentence of death, the petition must include, without limitation, the date scheduled for the execution, if it has been scheduled.

2. Such a petition must be filed with the clerk of the district court for the county in which the petitioner was convicted on a form prescribed by the Department of Corrections. A copy of the petition must be served by registered mail upon:

(a) The Attorney General; and

(b) The district attorney in the county in which the petitioner was convicted.

3. A petition filed pursuant to this section must be accompanied by a declaration under penalty of perjury attesting that the information contained in the petition does not contain any material misrepresentation of fact and that the petitioner has a good faith basis relying on particular facts for the request. The petition must include, without limitation:

(a) Information identifying specific evidence either known or believed to be in the possession or custody of the State that can be subject to genetic marker analysis;

(b) The rationale for why a reasonable possibility exists that the petitioner would not have been prosecuted or convicted if exculpatory results had been obtained through a genetic marker analysis of the evidence identified in paragraph (a);

(c) An identification of the type of genetic marker analysis the petitioner is requesting to be conducted on the evidence identified in paragraph (a);

(d) If applicable, the results of all prior genetic marker analysis performed on evidence in the trial which resulted in the petitioner's conviction; and

(e) A statement that the type of genetic marker analysis the petitioner is requesting was not available at the time of trial or, if it was available, that the failure to request genetic marker analysis before the petitioner was convicted was not a result of a strategic or tactical decision as part of the representation of the petitioner at the trial.

4. If a petition is filed pursuant to this section, the court may:

(a) ~~[~~Dismiss~~]~~ ***Enter an order dismissing*** the petition without a hearing if the court determines, based on the information contained in the petition, that the petitioner does not meet the requirements set forth in this section;

(b) After determining whether the petitioner is indigent pursuant to NRS 171.188 and whether counsel was appointed in the case which resulted in the conviction, appoint counsel for the limited purpose of reviewing, supplementing and presenting the petition to the court; or

(c) Schedule a hearing on the petition. If the court schedules a hearing on the petition, the court shall determine which person or agency has possession or custody of the evidence and shall immediately issue an order requiring, during the pendency of the proceeding, each person or agency in possession or custody of the evidence to:

(1) Preserve all evidence within the possession or custody of the person or agency that may be subjected to genetic marker analysis pursuant to this section;

(2) Within 90 days, prepare an inventory of all evidence relevant to the claims in the petition within the possession or custody of the person or

agency that may be subjected to genetic marker analysis pursuant to this section; and

(3) Within 90 days, submit a copy of the inventory to the petitioner, the prosecuting attorney and the court.

5. Within 90 days after the inventory of all evidence is prepared pursuant to subsection 4, the prosecuting attorney may file a written response to the petition with the court.

6. If the court holds a hearing on a petition filed pursuant to this section, the hearing must be presided over by the judge who conducted the trial that resulted in the conviction of the petitioner, unless that judge is unavailable. Any evidence presented at the hearing by affidavit must be served on the opposing party at least 15 days before the hearing.

7. The court shall order a genetic marker analysis, after considering the information contained in the petition pursuant to subsection 3 and any other evidence, if the court finds that:

(a) A reasonable possibility exists that the petitioner would not have been prosecuted or convicted if exculpatory results had been obtained through a genetic marker analysis of the evidence identified in the petition;

(b) The evidence to be analyzed exists; and

(c) Except as otherwise provided in subsection 8, the evidence was not previously subjected to a genetic marker analysis.

8. If the evidence was previously subjected to a genetic marker analysis, the court shall order a genetic marker analysis pursuant to subsection 7 if the court finds that:

(a) The result of the previous analysis was inconclusive;

(b) The evidence was not subjected to the type of analysis that is now requested and the requested analysis may resolve an issue not resolved by the previous analysis; or

(c) The requested analysis would provide results that are significantly more accurate and probative of the identity of the perpetrator than the previous analysis.

9. If the court orders a genetic marker analysis pursuant to subsection 7 or 8, the court shall:

(a) Order the analysis to be conducted promptly under reasonable conditions designed to protect the interest of the State and the petitioner in the integrity of the evidence and the analysis process.

(b) Select a forensic laboratory to conduct or oversee the analysis. The forensic laboratory selected by the court must:

(d) Order the production of any reports that are prepared by a forensic laboratory in connection with the analysis and any data and notes upon which the report is based.

(e) Order the preservation of evidence used in a genetic marker analysis performed pursuant to this section for purposes of a subsequent proceeding or analysis, if any.

(f) Order the results of the genetic marker analysis performed pursuant to this section to be sent to the State Board of Parole Commissioners if the results of the genetic marker analysis are not favorable to the petitioner.

10. ***If the court orders a genetic marker analysis pursuant to subsection 7 or 8, the State may appeal to the Supreme Court within 30 days after the notice of the entry of the order by filing a notice of appeal with the clerk of the district court.***

11. If the results of a genetic marker analysis performed pursuant to this section are favorable to the petitioner:

(a) The petitioner may bring a motion for a new trial based on the ground of newly discovered evidence pursuant to NRS 176.515; and

(b) The restriction on the time for filing the motion set forth in subsection 3 of NRS 176.515 is not applicable.

~~[11.]~~ ***12.*** The court shall ~~[dismiss]~~ ***enter an order dismissing*** a petition filed pursuant to this section if:

(a) The requirements for ordering a genetic marker analysis pursuant to this section are not satisfied; or

(b) The results of a genetic marker analysis performed pursuant to this section are not favorable to the petitioner.

~~[12.]~~ ***13. If the court enters an order dismissing a petition pursuant to this section, the person aggrieved by the order may appeal to the Supreme Court within 30 days after the notice of the entry of the order by filing a notice of appeal with the clerk of the district court.***

~~*[13.]*~~ ***14.*** For the purposes of a genetic marker analysis pursuant to this section, a person who files a petition pursuant to this section shall be deemed to consent to the:

(a) Submission of a biological specimen by the petitioner to determine genetic marker information; and

(b) Release and use of genetic marker information concerning the petitioner.

~~[~~13.~~]~~ ~~*[14.]*~~ ***15.*** The petitioner shall pay the cost of a genetic marker analysis performed pursuant to this section, unless the petitioner is incarcerated at the time the petitioner files the petition, found to be indigent pursuant to NRS 171.188 and the results of the genetic marker analysis are favorable to the petitioner. If the petitioner is not required to pay the cost of the analysis pursuant to this subsection, the expense of an analysis ordered pursuant to this section is a charge against the Department of Corrections and must be paid upon approval by the Board of State Prison Commissioners as other claims against the State are paid.

~~[~~14.~~]~~ ~~*[15.]*~~ ***16.*** The remedy provided by this section is in addition to, is not a substitute for and is not exclusive of any other remedy, right of action or proceeding available to a person convicted of a crime.

~~[~~15.~~]~~ ~~*[16.]*~~ ***17.*** If a petitioner files a petition pursuant to this section, the court schedules a hearing on the petition and a victim of the crime for which the petitioner was convicted has requested notice pursuant to NRS 178.5698, the district attorney in the county in which the petitioner was convicted shall provide to the victim notice of:

Assemblyman Frierson moved that the Assembly concur in the Senate Amendment No. 812 to Assembly Bill No. 300.

Remarks by Assemblyman Frierson.

ASSEMBLYMAN FRIERSON:

Amendment 812 moves the language concerning instructing the trustee to exercise the power of sale outside of the affidavit to establish it as a separate legal obligation. It provides for a local telephone number in addition to a toll-free telephone number, it clarifies that the information the obligor or borrower of the obligation may call to receive is limited to the most current amounts due, it revises the description of information to be provided regarding the reinstatement amount, and it authorizes an attorney representing the beneficiary to send a written statement.

Motion carried by a constitutional majority.

Amendment No. 668.

SHORT FORM AMENDMENT

Section 4.5 of this act is the only section affected by this amendment.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law requires candidates and certain other persons, committees and political parties to file reports with the Secretary of State concerning campaign contributions, loans, campaign expenses and expenditures. (NRS 294A.120, 294A.125, 294A.128, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.270, 294A.280, 294A.360, 294A.362) Currently, separate reporting requirements exist for: (1) primary or general elections; and (2) special elections. (NRS 294A.120, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.360, 294A.362) Section 5 of this bill provides that, if a special election is held on the same day as a primary election or general election, any candidate, person, committee or political party that is otherwise required to file a report relating to the special election must instead comply with the reporting requirements for the primary election or general election, as applicable.

Existing law also establishes separate reporting requirements based on whether a general election occurs before July 1 or on or after July 1. (NRS 294A.120, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.360) Sections 11, 15, 16, 18-20 and 38 of this bill remove those separate provisions, and sections 11, 15, 18 and 19 also expand the reporting requirements to recall elections.

Existing law requires expenditures made on behalf of a candidate or a group of candidates by a person who is not acting under the direction or control of the candidate or group of candidates, and other expenditures that are made on behalf of the candidate or group of candidates, to be reported to the Secretary of State. (NRS 294A.140, 294A.210) Sections 15 and 19 provide that certain contributions received and expenditures which are: (1) made for or against a candidate or a group of candidates; and (2) not

coordinated with a candidate or a group of candidates, must be reported. Section 4.5 of this bill sets forth the circumstances under which an expenditure ~~[will or]~~ will not be considered to be coordinated with a candidate or a group of candidates.

A committee for political action that advocates the passage or defeat of a ballot question or a group of questions is required by existing law to report contributions received and expenditures made. (NRS 294A.150, 294A.220) Sections 16 and 20 of this bill make these reporting requirements applicable even if the question or group of questions is removed from the ballot by court order.

Existing law governs the disposition of unspent contributions. (NRS 294A.160) Section 17 of this bill expands the application of those provisions to: (1) a candidate who is removed from the ballot by court order or is otherwise not elected to office; and (2) a public officer who resigns from his or her office, is not a candidate for any other office and has unspent contributions.

Under existing law, a candidate is required to file reports of contributions and expenses even if the candidate withdraws his or her candidacy, receives no contributions, has no expenses, is removed from the ballot by court order or is the subject of a recall petition and the special election is not held. (NRS 294A.350) Section 27 of this bill expands this requirement to include a candidate who: (1) ends his or her campaign without formally withdrawing his or her candidacy; (2) is not opposed in an election; or (3) is defeated in the primary election. Section 27 also prescribes a process by which a candidate under certain circumstances may end his or her campaign.

If a person, committee or entity that is required to file a report or register pursuant to chapter 294A of NRS fails to do so in accordance with the applicable provisions of that chapter, existing law provides that such a person, committee or entity is subject to a civil penalty. (NRS 294A.420) Section 37 of this bill provides that this and any other remedies and penalties provided by chapter 294A of NRS are cumulative and supplement any other legal or equitable remedies and penalties that may exist, including any applicable criminal penalties.

Section 4.5 of Assembly Bill No. 35 First Reprint is hereby amended as follows:

Sec. 4.5. ***1.*** ~~***[For the purposes of this chapter, an expenditure is coordinated with a candidate or group of candidates if the expenditure is made, without limitation:***~~

~~***(a) With the cooperation of or in consultation with the candidate or group of candidates for whose benefit the expenditure is made;***~~

~~*2.*~~ ***For the purposes of this chapter, an expenditure is not considered to be coordinated with a candidate or group of candidates if the expenditure is made:***

(a) To pay for a communication that uses an image of or information about a candidate or group of candidates if the image or information is obtained from publicly available sources, including, without limitation, Internet websites, newspapers or public records, and is not obtained because of any suggestion, direction, solicitation, cooperation or consultation between the person making the expenditure and the candidate or group of candidates or the opponent or opponents of the candidate or group of candidates; and

(b) By a person who makes an inquiry regarding the position of the candidate or group of candidates on a legislative or policy issue if the response of the candidate or group of candidates to the inquiry does not include any information regarding plans, projects, activities or needs of the campaign of the candidate or group of candidates.

Assemblyman Bobzien moved that the Assembly concur in the Senate Amendment No. 772 to Assembly Bill No. 456.

Remarks by Assemblyman Bobzien.

ASSEMBLYMAN BOBZIEN:

The amendment does three things. One, it requires that a health care services advertisement identify the type of licenses held by the health care professional and prohibits such an advertisement from containing deceptive or misleading information. Two, it requires the health care professional to provide a written patient disclosure statement which must be conspicuously displayed in the office—this does not apply to a health care professional of health care services provided in a medical facility licensed pursuant to Chapter 449 of NRS or a county or public hospital pursuant to Chapter 450. Finally, it exempts a health care professional from wearing a name tag when he or she is performing sterile procedures.

(NRS 240.161-240.169) Existing law also allows the Secretary of State to appoint electronic notaries public and provides for the performance of notarial acts on electronic records by electronic notaries public. (NRS 240.181-240.206)

Under existing law, to become an electronic notary public, a person must already be a notarial officer in Nevada and must successfully complete a course of study on electronic notarization, enter into a bond, pay an application fee and take an oath. (NRS 240.192)

This bill revises various provisions of the Uniform Law on Notarial Acts and maintains existing law relating to the performance of notarial acts on electronic records by electronic notaries public. **Sections 10 and 33** of this bill prohibit a notarial officer from performing a notarial act with respect to a record to which the officer or the officer's spouse or domestic partner is a party or in which either of them has a direct beneficial interest.

Under existing law, a notary public is required to maintain a journal in which he or she records certain information concerning each notarial act he or she performs. A notary public is required to have a person whose signature he or she notarizes sign the journal unless the notary public has performed a notarial act for the person within the previous 6 months and has personal knowledge of the identity of the person. (NRS 240.120) Section 34 of this bill adds the further conditions that the person must also be an employer or coworker of the notary public and that the notarial act must relate to a transaction performed in the ordinary course of the person's business.

Section 13 of this bill establishes a standard for determining whether a notarial officer has personal knowledge of the identity of a person appearing before the notarial officer. **Section 35.3** of this bill specifically authorizes a notarial act to be performed in this State by a person authorized to perform that specific notarial act by the law of a federally recognized Indian tribe or nation. **Section 35.5** of this bill revises provisions governing notarial acts performed within the jurisdiction of a foreign nation or a multinational or international organization.

Assembly Bill No. 172.

The following Senate amendment was read:

Amendment No. 615.

AN ACT relating to public works; revising provisions relating to preferences in bidding for contracts for certain public works projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that a contractor, applicant to serve as a construction manager at risk or design-build team that wishes to receive a preference in bidding for a contract for a public work submit an affidavit to the public body sponsoring or financing the public work certifying that: (1) at least 50 percent of all workers employed on the public work will hold a valid Nevada driver's license or identification card; (2) all vehicles used primarily for the public work will be either registered in this State or partially apportioned to this State; (3) at least 50 percent of all design professionals working on the public work will hold a valid Nevada driver's license or identification card; (4) at least 25 percent of the suppliers of the materials used for the public work will be located in this State unless the public body requires the acquisition of materials or equipment that cannot be obtained from a supplier located in this State; and (5) certain records will be maintained and made available for inspection within this State. (NRS 338.0117) **Section 1** of this bill revises the requirements for such a preference in bidding by: (1) limiting the requirement for design professionals to design-build teams; and (2) eliminating the requirement that a percentage of suppliers of the materials used for the public work be located in this State. **Section 1** clarifies that the driver's licenses and identification cards used to satisfy the statutory requirements must be issued by the Department of Motor Vehicles of the State of Nevada. **Section 1** requires a contractor to meet those requirements only if the contractor was awarded the contract for a public work as a result of the preference in bidding. ~~[Section]~~ **Sections 1** ~~[restricts]~~ **, 5 and 7 of this bill restrict** who can file a written objection alleging a violation of those requirements to only persons who submitted a bid on the public work ~~[.]~~ **or entities.**

Existing law prohibits a contractor from being qualified to bid on certain state and local public works if the contractor has failed to comply with certain requirements within the preceding year for a contract for a public work that cost more than $25,000,000 and prohibits a contractor who has

failed to comply with certain requirements for a contract for a public work which exceeds $5,000,000 from receiving a preference in bidding for public works for 5 years. (NRS 338.1379, 338.1382, 338.1389, 338.1415, 338.147, 408.333) **Sections 3-8** of this bill instead condition those prohibitions on a material breach of a contract for a public work which exceeds $25,000,000 or $5,000,000, as applicable.

Section 9 of this bill provides that the revised requirements for a preference in bidding on a contract for a public work apply to any public work that is first advertised for bid after July 1, 2013. **Section 9** also declares that any contract for such a public work that fails to comply with this bill is void.

Assembly Bill No. 200.

The following Senate amendment was read:

Amendment No. 633.

AN ACT relating to food establishments; allowing farms to hold farm-to-fork events in certain circumstances without being considered a food

establishment for purposes of inspections by the health authority and other regulations; requiring such farms to register with the health authority; ~~[providing a similar exemption from requirements applicable to a food establishment for certain farms which manufacture or prepare certain food items for sale or which offer or display such food items under certain circumstances;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a person to obtain a permit to operate a food establishment and to comply with various other requirements in the operation of the food establishment. (NRS 446.870) Existing law defines the term "food establishment" for those purposes and specifically excludes certain entities from the definition, including private homes where the food that is prepared or manufactured in the home is not provided for compensation or other consideration of any kind. (NRS 446.020)

Section 5 of this bill adds to the list of entities that are excluded from the definition of "food establishment" a farm holding a farm-to-fork event. **Section 2** of this bill defines the term "farm-to-fork event" as an event where prepared food from a farm is provided for immediate consumption by paying guests at the farm. **Section 3** of this bill authorizes a farm to hold a farm-to-fork event without being subject to the requirements of a food establishment provided that: (1) any rabbit meat or poultry served is raised and prepared on the farm, and is butchered and processed on the farm pursuant to certain permit and inspection requirements of NRS; (2) other food items served are prepared from ingredients substantially produced on the farm; and (3) each guest is provided with ~~[and acknowledges receipt of]~~ a notice which states that no inspection was conducted by a state or local health department of the farm or the food to be consumed, except as to the butchering and processing of the meat or poultry. **Section 3** further provides that a farm which holds more than two events in any month becomes a food establishment subject to all the requirements of a food establishment for the remainder of the calendar year. **Section 3.5** requires a farm that wishes to hold farm-to-fork events to register with the health authority by providing certain information and paying a fee. The health authority is prohibited from inspecting the farm, except in certain circumstances. ~~[Section 5 also adds to the list of entities that are excluded from the definition of "food establishment" a farm that manufactures or prepares certain food items for sale or which offers or displays for sale or serves those food items under certain circumstances. Section 4 of this bill specifies which food items qualify a farm for that exemption.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

AN ACT relating to wildlife; requiring that the wildlife in this State be managed according to the best science available; **revising provisions relating to the authorized use of certain money in the Wildlife Fund**

Account in the State General Fund; requiring the Board of Wildlife Commissioners to establish policies for certain programs, activities and research relating to predatory wildlife; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

(NRS 501.100) **Section 1** of this bill revises the legislative declaration to require that the wildlife in this State be managed according to the best science available.

Under existing law, in addition to the fee for a game tag, the Department of Wildlife charges an additional fee of $3 for processing each application for a game tag, the revenue from which must be deposited into the Wildlife Fund Account in the State General Fund and be used by the Department for costs related to: (1) programs for the management and control of injurious predatory wildlife; (2) wildlife management activities relating to the protection of certain game animals and wildlife habitat; and (3) research to determine successful techniques for managing and controlling predatory wildlife. Any program developed or wildlife management activity or research conducted must be developed or conducted under the guidance of the Board of Wildlife Commissioners. (NRS 501.181, 502.253) **Section 2** of this bill requires **the Department to use at least 50 percent of the money credited to the Wildlife Fund Account from the additional $3 processing fee for use related to the management and control of injurious predatory wildlife other than research. Section 2 further requires** the Commission, in providing guidance relating to any wildlife management activity, the development of a program to control any species of predatory wildlife or any research concerning that species, to establish a policy for the activity, program or research that specifies the goals and required results of the activity, program or research.

Amendment No. 883.

AN ACT relating to mining; requiring certain plans for reclamation of an exploration project or mining operation to provide for public nonmotorized access to the water level of a pit lake; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who applies for a permit for a mining operation from the Division of Environmental Protection of the State Department of Conservation and Natural Resources must file with the Division a plan for the reclamation of any land damaged as a result of the mining operation. (NRS 519A.210) Existing law also requires a person who applies for a permit to engage in an exploration project to agree in writing to assume responsibility for the reclamation of any surface area damaged as a result of the exploration project. (NRS 519A.190) Existing law imposes certain requirements on a plan for reclamation regarding the timing of reclamation activities, the provision of vegetative cover and the stability of the land disturbed by the mining operation or exploration project. The operator of the mining operation or exploration project may request from the

Division an exception for open pits and rock faces which may not be feasible to reclaim. If such an exception is granted, the Division must require the operator to take sufficient measures to ensure public safety. (NRS 519A.230) **Section 3** of this bill requires that a plan for reclamation of an exploration project or mining operation must provide for the reclamation of a pit lake if the pit lake will have a predicted filled surface area of more than 200 acres. The plan for reclamation for such a pit lake must **,if feasible, and subject to the right of the landowner to determine the final and ultimate use of the premises,** provide for at least one point of public nonmotorized access for traffic to the water level of the pit lake. **Section 3** also provides that certain past or present owners, operators, lessees or occupants of the premises for which public access to a pit lake is provided pursuant to a plan for reclamation owe no duty to keep the premises safe or to give warning of certain hazardous conditions, and do not incur liability for certain injuries that may occur on the premises in certain circumstances. **Section 4** of this bill requires that an operator who has an ongoing reclamation plan on file with the Division before October 1, 2013, and whose mining operation or exploration project resulted in or included a pit lake provide, ~~[if feasible,]~~ on or before July 1, 2014, **if feasible, and subject to the right of the landowner to determine the final and ultimate use of the premises,** for at least one point of public nonmotorized access to the pit lake as required in **section 3**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. NRS 519A.230 is hereby amended to read as follows:

519A.230 1. A plan for reclamation must provide:

(a) That reclamation activities, particularly those relating to the control of erosion, must be conducted simultaneously with the mining operation to the extent practicable, and otherwise must be initiated promptly upon the completion or abandonment of the mining operation in any area that will not be subject to further disturbance. Reclamation activities must be completed within the time set by the regulations adopted by the Commission pursuant to NRS 519A.160.

(b) For vegetative cover if appropriate to the future use of the land.

(c) For the reclamation of all land disturbed by the exploration project or mining operation to a stability comparable to that of adjacent areas.

2. The operator may request the Division to grant an exception for open pits and rock faces which may not be feasible to reclaim. If an exception is granted, ***other than for a pit lake for which public access is provided in a***

plan for reclamation pursuant to subsection 3, the Division shall require the operator to take sufficient measures to ensure public safety.

3. ~~***[For]***~~ ***Except as otherwise provided in this subsection, for a pit lake that will have a predicted filled surface area of more than 200 acres, a plan for reclamation must provide, in consultation with the operator and each landowner, including any federal land manager, and, if feasible, for at least one point of public nonmotorized access to the water level of the pit lake when the pit in which the pit lake is located reaches at least 90 percent of its predicted maximum capacity. This subsection:***

(a) Must not be construed to impede the ability of any landowner, including any federal land manager, of any premises on which a pit lake is located to determine the final and ultimate use of those premises;

(b) Does not require any landowner, including any federal land manager, who is consulted pursuant to this subsection to agree to allow access to any pit lake; and

(c) Does not alter any contract or agreement entered into before October 1, 2013, between an operator and a landowner, including any federal land manager.

4. A protected person with respect to any premises for which public access to a pit lake is provided in a plan for reclamation pursuant to subsection 3 owes no duty to keep the premises, including, without limitation, the access area and the pit lake and its surroundings, safe for entry or use by any other person for participation in any activity, or to give a warning of any hazardous condition, activity or use of the premises to any person entering the premises.

5. If a protected person gives permission to another person to access or engage in any activity with respect to any premises specified in subsection 4, the protected person does not thereby extend any assurance that the premises are safe for that activity or any other purpose or assume responsibility for or incur any liability for any injury to any person or property caused by any act of a person to whom the permission is granted. The provisions of this subsection do not confer any liability upon a protected person for any injury to any other person or property, whether actual or implied, or create a duty of care or ground of liability for any injury to any person or property.

6. Except in the case of an emergency, an operator shall not depart from an approved plan for reclamation without prior written approval from the Division.

~~[4.]~~ ***7.*** Reclamation activities must be economically and technologically practicable in achieving a safe and stable condition suitable for the use of the land.

8. As used in this section:

(a) "Pit lake" means a body of water that has resulted, after the completion of an exploration project or mining operation, from an open pit that has penetrated the water table of the area in which the pit is located.

(b) "Protected person" means any past or present:

(1) Owner of any estate or interest in any premises for which public access to a pit lake is provided in a plan for reclamation pursuant to subsection 3;

(2) Operator of all or any part of the premises, including, without limitation, any entity that has conducted or is conducting a mining operation or any reclamation activity with respect to the premises;

(3) Lessee or occupant of all or any part of the premises; or

(4) Contractor, subcontractor, employee or agent of any such owner, operator, lessee or occupant.

Sec. 4. 1. On or before July 1, 2014, a plan for reclamation of an exploration project or mining operation filed with the Division of Environmental Protection of the State Department of Conservation and Natural Resources before October 1, 2013, that includes a pit lake having a filled surface area of more than 200 acres must provide, in consultation with the operator of the exploration project or mining operation and each landowner, including any federal land manager, and, if feasible, for at least one point of public nonmotorized access to the water level of the pit lake when the pit in which the pit lake is located reaches at least 90 percent of its predicted maximum capacity. If it is determined that such access is warranted, the plan for reclamation may be amended and refiled. **This subsection:**

(a) Must not be construed to impede the ability of any landowner, including any federal land manager, of any premises on which a pit lake is located to determine the final and ultimate use of those premises;

(b) Does not require any landowner, including any federal land manager, who is consulted pursuant to this subsection to agree to allow access to any pit lake; and

(c) Does not alter any contract or agreement entered into before October 1, 2013, between an operator and a landowner, including any federal land manager.

2. As used in this section, "pit lake" has the meaning ascribed to it in subsection 8 of NRS 519A.230, as amended by section 3 of this act.

Assemblyman Daly moved that the Assembly concur in the Senate Amendment No. 883 to Assembly Bill No. 346.

Remarks by Assemblyman Daly.

The following amendment was proposed by the Committee on Education:

Amendment No. 899.

AN ACT relating to education; ~~[~~requiring~~]~~ **revising provisions relating to the reporting of incidents of bullying, cyber-bullying, harassment and intimidation by** the State Board of Education and the board of trustees of each school district ~~[,]~~ in their respective annual reports of accountability **; [**~~, to provide information about the number of reported instances of bullying, cyber-bullying, harassment or intimidation;~~]** requiring each public school to disseminate information annually on bullying; revising the definition of "bullying"; revising provisions governing training in the prevention, identification and reporting of bullying and similar conduct; requiring training for administrators in preventing and responding to violence and suicide associated with bullying; requiring notice to the parent or guardian of any pupil allegedly involved in a reported incident of bullying or similar conduct; ~~[requiring that certain annual reports submitted to the Attorney General also be provided to the Governor and the Legislature;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a safe and respectful learning environment in public schools and prohibits bullying, cyber-bullying, harassment or intimidation. (NRS 388.121-388.139) ~~[Existing law requires that any instance of bullying, cyber-bullying, harassment or intimidation involving a school employee or pupil be reported to and investigated by the school's principal or his or her designee. (NRS 388.1351) If such an investigation confirms that a violation has occurred, existing law provides for the imposition of discipline and requires that statistical information about incidents resulting in the suspension or expulsion of a pupil be included in~~

~~the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347, 388.1351) Sections 1 and 2 of this bill require that the annual reports of accountability include information about all reported instances of bullying, cyber-bullying, harassment or intimidation, regardless of whether they result in the suspension or expulsion of a pupil.~~] **Existing law also requires the board of trustees of each school district to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353) In addition, existing law requires the Superintendent of Public Instruction to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355) Section 11.5 of this bill eliminates these reporting requirements, and sections 1 and 2 of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347)**

Section 3 of this bill requires each public school to disseminate information on bullying and the facilitation of positive relations among pupils during the annual "Week of Respect" proclaimed by the Governor.

Section 4.5 of this bill revises the definition of bullying to include: (1) only repeated acts or conduct; and (2) acts or conduct that exploit an imbalance in power.

Sections 5-7 of this bill revise various provisions governing the training of all administrators, principals, teachers and other school employees on the subject of bullying, cyber-bullying, harassment and intimidation. Existing law requires the Department of Education to prescribe a policy for such training. (NRS 388.133) **Section 5** requires the policy to encompass members of the boards of trustees of school districts and provide for training in methods to prevent, identify and report incidents of bullying and similar conduct. Existing law also requires the board of trustees of each school district to adopt the training policy prescribed by the Department and provide the appropriate training to employees of the district. (NRS 388.134) **Section 6** requires the members of the board of trustees to receive this training and requires that newly elected trustees and new employees of the school district receive the training within 180 days after the beginning of their term of office or their employment, as applicable. Existing law requires the Department to recommend certain programs of training in this area for members of the boards of trustees of school districts and school employees. (NRS 388.1342) **Section 7** requires the Department to establish these programs and a program

to train administrators in the prevention of and response to violence and suicide associated with bullying and similar conduct. **Section 7** also requires each administrator to complete this training: (1) within 90 days after becoming an administrator; (2) at least once during any school year in which the training is revised or updated; and (3) at least once every 3 years otherwise.

Section 8 of this bill provides that a principal, or his or her designee, who receives a report of bullying, cyber-bullying, harassment or intimidation must give notice of the report to the parent or legal guardian of each pupil involved in the incident that is the subject of the report.

~~[Existing law requires the principal of each public school to report to the board of trustees of the school district concerning the number of reports of bullying and similar conduct received during the preceding semester. The reports of each principal are compiled by the board of trustees and submitted to the Department. The Superintendent of Public Instruction, in turn, compiles the reports received from the various school districts and annually submits the compilation to the Attorney General. Amendment No. 900.

AN ACT relating to education; ~~[requiring the Superintendent of Public Instruction to establish the Education Advisory Council and prescribing the membership and duties of the Advisory Council;]~~ removing the requirement for certain approval of expenditures from the Education Gift Fund; revising provisions governing the qualifications for the Office of Superintendent of Public Instruction and other authorized business pursuits by the Superintendent; revising provisions relating to the payment of the expenses of holding certain conferences; revising provisions relating to deputies within the Department of Education; transferring certain duties from the Superintendent and his or her deputies to the Department of Education; revising provisions governing the Account for Programs for Innovation and the Prevention of Remediation; abolishing the Commission on Educational Excellence; revising the date by which school districts and charter schools are required to submit annual budgetary reports; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Sections 2-4 of this bill require the Superintendent of Public Instruction to establish the Education Advisory Council to advise the Superintendent of Public Instruction and prescribe the membership and duties of the Advisory Council.]~~

Section 6 of this bill removes the requirement that any expenditure from the Education Gift Fund be approved by the Legislature or the Interim Finance Committee.

Section 8 of this bill revises the qualifications for the Office of the Superintendent of Public Instruction to remove the requirement that the Superintendent hold a master's degree in the field of education or school administration.

Section 9 of this bill transfers the authority to approve the pursuit by the Superintendent of Public Instruction of any other business or occupation or holding any other office of profit from the State Board of Education to the Governor, who appoints the Superintendent.

Section 10 of this bill removes the requirement under existing law that the expenses of holding teachers' and administrators' conferences be paid from the State Distributive School Account in the State General Fund, not to exceed $8,400 in any biennium.

Existing law authorizes the Superintendent of Public Instruction to appoint a Deputy Superintendent of Instructional, Research and Evaluative Services and a Deputy Superintendent for Administrative and Fiscal Services and prescribes the qualifications and duties of each of those Deputies. (NRS 385.290-385.320) **Sections 14 and 67** of this bill remove these designated deputies, and instead **section 14** authorizes the Superintendent of

Public Instruction to appoint such deputy superintendents as the execution of the Superintendent's duties may require. **Sections 11-13, 15 and 16** of this bill transfer certain duties of the Superintendent of Public Instruction and his or her deputies to the Department of Education.

Existing law creates the Commission on Educational Excellence and authorizes the Commission to make allocations from the Account for Programs for Innovation and the Prevention of Remediation to public schools and consortiums of public schools whose applications are approved by the Commission for programs to improve pupil achievement or innovative programs, or both. (NRS 385.3781-385.379) **Section 67** abolishes the Commission, and **section 18.5** of this bill revises the purpose for which the money in the Account may be used to allow its use only for public schools and public education, as authorized by the Legislature.

Sections 21 and 22 of this bill impose an earlier deadline by which the board of trustees of each school district and the governing body of each charter school, respectively, are required to submit an annual report of their budgets to the Superintendent of Public Instruction and other specified recipients.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 9.
The following Senate amendment was read:
Amendment No. 601.

AN ACT relating to the City of Reno; making various changes to the provisions of the Charter of the City of Reno relating to the Mayor, Assistant Mayor, City Council, City Manager and Civil Service Commission; providing for the creation and duties of a Charter Committee; authorizing the City Council to establish additional appointive positions for officers and employees of the City; repealing certain provisions relating to employment in the Civil Service System and authorizing the Civil Service Commission to provide for such matters by rule; making various other changes to the Charter; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill amends various provisions of the Charter of the City of Reno. **Sections 1 and 2** of this bill adopt certain definitions and rules of construction applicable to the Charter as a whole. **Section 1.5** of this bill provides for the creation, membership and duties of a Charter Committee to make recommendations to the City Council regarding amendments to the Charter. **Section 6** of this bill expands the prohibition against holding other employment or another office, which is applicable to the Mayor or a Council Member. **Section 9** of this bill provides that certain provisions applicable to appointive officers also apply to appointive employees of the City. **Section 15** of this bill authorizes the Mayor and any Council Member to waive the payment of any part of the salary or benefits otherwise payable to him or her and establishes the requirements for such a waiver. **Section 27** of this bill prohibits the Mayor and Council Members from giving orders to any subordinate of the City Manager, or otherwise dealing directly with such a person.

The existing provisions of the Charter permit the City Council to establish additional departments in the Municipal Court and thereby increase the number of Municipal Judges. (Reno City Charter § 4.010) **Section 28** of this bill prohibits the Council from reducing the term of office of any Municipal Judge.

Sections 31 and 32 of this bill revise provisions relating to the general city election to clarify that the election is to occur concurrently with the statewide general election. **Section 34** of this bill establishes a procedure for determining a tie vote in any city election.

Under existing law, various provisions governing the examination, appointment and transfer of employees in the Civil Service System are codified in the Charter. (Reno City Charter §§ 9.090, 9.190-9.250) **Section 47** of this bill repeals those provisions, and **section 43** of this bill provides that such matters are to be governed by the rules of the City's Civil Service Commission. **Section 44** of this bill expands the list of characteristics that may not affect appointment to or removal from a position in the Civil Service.

The following Senate amendment was read:

Amendment No. 866.

SUMMARY—Makes various changes to provisions governing ~~[bidding for]~~ public works. (BDR 28-658)

AN ACT relating to public works; extending the authority for the Department of Transportation to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways ~~[on and after July 1, 2013;]~~ **through June 30, 2017;** amending certain requirements governing contractors involved in public works; amending certain requirements governing bidding for public works when a public body decides to contract with a construction manager at risk; **prospectively repealing provisions relating to construction managers at risk;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires a person who serves as a contractor on a public work to be licensed. (NRS 338.010) Section 2 of this bill limits that requirement so that a person who performs work that does not otherwise require licensure is not required to be licensed to provide services on a public work.]~~

Existing law requires certain prime contractors who submit bids for a public work to include with the bid a list that discloses the first tier subcontractors who will perform a certain portion of the work on the public work. (NRS 338.141) **Section 6** of this bill amends the provisions prescribing which subcontractors must be named on the list. **Section 6** also requires the prime contractor to include on the list: (1) a description of the labor or portion of the work that the prime contractor will perform; or (2) a statement that the prime contractor will perform all work other than that being performed by a subcontractor named on the list.

Existing law allows a public body to contract with a construction manager at risk, which is a construction manager who is required to construct a public work within a guaranteed maximum price, a fixed price or a fixed price plus

reimbursement for certain costs. (NRS 338.169, 338.1696) **Section 7.5 of this bill limits to two per year the number of public works for which each public body in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) may enter into contracts with a construction manager at risk.**

Section 8 of this bill requires **a request for proposals for a construction manager at risk to include a list of the selection criteria and the relative weight thereof that will be used to rank applicants for a construction manager at risk.**

Existing law requires a proposal for a construction manager at risk to include an explanation of the experience that the applicant has ~~[as a construction manager at risk.]~~ **with projects of similar size and scope. Section 8 specifies that the explanation may include an explanation of experience by any delivery method, regardless of whether that method was the use of a construction manager at risk, and including design-build, design-assist, negotiated work or value-engineered work. Section 8 also requires the public body or its authorized representative to make available to the public the name of each applicant who submits a proposal for a public work to be performed by a construction manager at risk.**

Section 10 of this bill requires a construction manager at risk who has entered into a contract with a public body for services related to construction that are provided before actual construction begins to provide to the public body, before entering into a contract for construction of the public work, a list of the labor or portions of the work which are estimated by the construction manager at risk to exceed a certain percentage of the estimated cost of the public work.

Existing law requires a public body to appoint a panel of at least three persons, with at least two having experience in the construction industry, to rank proposals and interview the top applicants for a public work. (NRS 338.1693) **Section 9** of this bill limits such a panel to seven members and requires that a majority of the panel have experience in the construction industry. **Section 9** also authorizes the public body to appoint another panel, similarly comprised, to interview the top applicants.

Section 11 of this bill provides that if a public work involves predominantly horizontal construction, a construction manager at risk who enters into a contract for the construction of the public work shall perform construction work equal in value to at least 25 percent of the estimated cost of construction himself or herself, or using his or her own employees. **Section 2** of this bill defines the term "horizontal construction."

Sections 12 and 13 of this bill modify requirements governing the procedure that a construction manager at risk is required to use when selecting and contracting with subcontractors.

Under existing law, the Department of Transportation may award a contract for the construction, reconstruction, improvement and maintenance of a highway to a construction manager at risk on or before June 30, 2013. **~~[~~Section~~]~~ Sections 5 and 5.3** of this bill **~~[~~authorizes~~]~~ authorize** the Department **~~[~~of Transportation~~]~~** to contract with a construction manager at risk for the construction, reconstruction, improvement and maintenance of highways **~~[~~on and after July 1, 2013.~~]~~ through June 30, 2017. Section 5 also specifies the circumstances under which the provisions of chapter 338 of NRS apply to such contracts.**

Section 14.3 of this bill requires the Department to conduct a study on the benefits to this State of entering into contracts with construction managers at risk for the construction, reconstruction, improvement or maintenance of highways and to submit that report on or before January 31, 2017, for transmittal to the 79th Session of the Legislature. Section 14.5 of this bill requires each public body to submit annually, to the Legislature or the Legislative Commission, a report on each public work for which the public body enters into a contract with a construction manager at risk. The report must include a description of the public work, the name of the construction manager at risk and a report on the progress of the public work or, if the public work has been completed, an explanation of whether the public body is satisfied with the public work and with the contractual arrangement with the construction manager at risk.

Section 14.7 of this bill repeals all of the provisions relating to construction managers at risk effective July 1, 2017.

(b) Submits a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the Division pursuant to NRS 338.1376,

➥ the contractor's bid shall be deemed not responsive. A contractor's bid shall not be deemed not responsive on the grounds that the contractor submitted a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the Division pursuant to NRS 338.1376 if the contractor, before the award of the contract, provides an acceptable replacement subcontractor in the manner set forth in subsection 1 or 2 of NRS 338.13895.

7. If a prime contractor **,** ~~[indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and,]~~ after the submission of the bid, substitutes a subcontractor to perform ~~[such work,]~~ ***the work indicated pursuant to subsection 3 that the prime contractor would perform,*** the prime contractor shall forfeit as a penalty to the public body that awarded the contract, the lesser of, and excluding any amount of the contract that is attributable to change orders:

(c) The public interest would be served by such a rejection.

6. A local government may let a contract without competitive bidding if no bids were received in response to an advertisement for bids and:

(b) The local government considers any bid submitted in response to the notice published pursuant to paragraph (a);

(c) The local government lets the contract not less than 7 days after publishing a notice pursuant to paragraph (a); and

(d) The contract is awarded to the lowest responsive and responsible bidder.

7. Sec. 9. NRS 338.1693 is hereby amended to read as follows:

338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three ***but not more than seven*** members, ~~[at least two]~~ ***a majority*** of whom must have experience in the construction industry, to rank the proposals submitted to the public body by evaluating the proposals as required pursuant to subsections 2 and 3.

(b) Evaluating and assigning a score to each of the proposals received by the public body based on the factors and relative weight assigned to each factor that the public body specified in the request for proposals.

3. When ranking the proposals, the panel ***appointed pursuant to subsection 1*** shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

4. After the panel ***appointed pursuant to subsection 1*** ranks the proposals, the public body or its authorized representative shall, except as otherwise provided in subsection ~~[5,]~~ ***8,*** select at least the two but not more than the five applicants whose proposals received the highest scores for interviews.

5. The public body or its authorized representative may appoint a separate panel to interview and rank the applicants selected pursuant to subsection 4. If a separate panel is appointed pursuant to this subsection, the panel must consist of at least three but not more than seven members, a majority of whom must have experience in the construction industry.

6. During the interview process, the ~~[public body or its authorized representative]~~ ***panel conducting the interview*** may require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the

proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. ***All presentations made at any interview conducted pursuant to this subsection or subsection 5 may be made only by key personnel employed by the applicant, as determined by the applicant, and the employees of the applicant who will be directly responsible for managing the preconstruction and construction of the public work.***

7. After conducting such interviews, the panel ***that conducted the interviews*** shall rank the applicants by using a ranking process that is separate from the process used to rank ~~[~~proposals~~]~~ ***the applicants*** pursuant to subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant.

~~[~~5.~~]~~ ***When ranking the applicants, the panel that conducted the interviews shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117.***

8. If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.

~~[~~6.~~]~~ ***9.*** Upon receipt of the final rankings of the applicants from the panel ~~[~~,~~]~~ ***that conducted the interviews,*** the public body or its authorized representative shall enter into negotiations with the most qualified applicant determined pursuant to ~~[~~subsections 2, 3 and 4~~]~~ ***the provisions of this section*** for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative and the most qualified applicant determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

~~[~~7.~~]~~ ***10.*** The public body or its authorized representative shall make available to all applicants and the public the final rankings of the applicants ***,***

as determined by the panel that conducted the interviews, and shall provide, upon request, an explanation to any unsuccessful applicant of the reasons why the applicant was unsuccessful.

Sec. 10. NRS 338.1696 is hereby amended to read as follows:

338.1696 1. Assemblywoman Benitez-Thompson moved that the Assembly do not concur in the Senate Amendment No. 866 to Assembly Bill No. 283.

Remarks by Assemblywoman Benitez-Thompson.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 218.

The following Senate amendment was read:

Amendment No. 761.

AN ACT relating to public works; defining the term "bona fide fringe benefit" for certain provisions applicable to the payment of wages for public works; revising the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge his or her obligation to pay prevailing wages to workers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth general provisions applicable to public works, including provisions requiring the payment of prevailing wages for public works projects. (NRS 338.010-338.090) Existing law also authorizes the Labor Commissioner: (1) to provide certain remedies for violations of those provisions; and (2) after providing notice and an opportunity for a hearing, to impose an administrative penalty against a person who violates those provisions. (NRS 338.015, 338.017, 338.090) Further, under existing law, a contractor or subcontractor engaged on a public work is authorized to discharge his or her obligation to pay prevailing wages to workers in part by making certain contributions in the name of the worker. (NRS 338.035)

Section 4 of this bill sets forth the requirements pursuant to which a contractor or subcontractor engaged on a public work may discharge any part of his or her obligation to pay prevailing wages to a worker by providing bona fide fringe benefits in the name of the worker. Those requirements include, among other things, that the bona fide fringe benefits are paid equally for all hours worked in a calendar year by the worker for the contractor or subcontractor. **Section 1** of this bill defines "bona fide fringe benefit" for the purposes of the provisions applicable to public works. **Section 4** also requires the Labor Commissioner, after providing notice and an opportunity for a hearing, to: (1) impose an administrative penalty against a contractor or subcontractor who violates the provisions of that section; (2) require the contractor or subcontractor to make the affected worker whole by paying to the worker as wages any amounts disallowed as bona fide fringe benefits; (3) report the violation to the Attorney General; and (4) notify certain governmental and other entities of the violation.

Existing law provides that if an administrative penalty is imposed against a person for the commission of an offense as defined in relation to public works: (1) the person and any corporate officer of the person are prohibited

from receiving a contract for a public work for specified periods depending on the number of offenses; and (2) the Labor Commissioner is required to notify the State Contractors' Board with regard to each contractor who is prohibited from being awarded such a contract. (NRS 338.010, 338.017) **Section 1** of this bill makes this provision of existing law applicable to discharging an obligation to pay wages in a manner that violates the provisions of **section 4** by adding that violation to the definition of an "offense" in **section 1**.

The following Senate amendment was read:

Amendment No. 612.

SHORT FORM AMENDMENT

Sections 3.5, 6 and 7 of this act are the only sections affected by this amendment.

If this amendment is adopted, the Legislative Counsel's Digest will be changed as follows:

Legislative Counsel's Digest:

Existing law authorizes the formation and operation of charter schools. (NRS 386.490-386.610) **Section 3** of this bill requires that a written performance framework for a charter school be incorporated into the charter contract executed by the sponsor and the governing body of the charter school pursuant to **section 8** of this bill. The performance framework must include performance indicators, measures and metrics for: (1) the academic achievement and proficiency of pupils enrolled in the charter school and disparities in achievement among those pupils; (2) the attendance rate of pupils enrolled in the charter school and the percentage of pupils who reenroll from year-to-year; (3) the financial condition and sustainability of the charter school; (4) the performance of the governing body of the charter school; and (5) if the charter school enrolls pupils at the high school grade level, the rate of graduation of those pupils.

Existing law prescribes the circumstances under which the sponsor of a charter school is authorized to revoke the charter of a charter school. (NRS 386.535) **Section 3.5** of this bill requires the sponsor of a charter school to terminate the charter contract of the charter school if the charter school receives three consecutive annual ratings established as the lowest rating possible indicating underperformance of a public school, as

determined by the Department of Education pursuant to the statewide system of accountability for public schools. The procedures in existing law setting forth notice and timelines for the termination of a charter contract do not apply to termination on these grounds. **Section 3.5** also provides that a rating of a charter school **based upon the performance of the charter school for any school year** before ~~[July 1, 2013,]~~ **the 2013-2014 school year** pursuant to the statewide system of accountability must not be included in the count of consecutive annual ratings for the purposes of determining whether termination is required.

Existing law authorizes the board of trustees of a school district or a college or university within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.515) **Section 5** of this bill clarifies that, similar to the board of trustees of a school district, a college or university is required to submit an application to the Department to sponsor charter schools. Under existing law, the Department is also required to adopt regulations prescribing the process for submission of an application by the board of trustees of a school district for authorization to sponsor charter schools. (NRS 386.540) **Section 12** of this bill makes a college or university within the Nevada System of Higher Education subject to those regulations and requires the Department to adopt additional regulations prescribing: (1) the process and timeline for the review of an application for authorization to sponsor charter schools; (2) the process for the Department to conduct a comprehensive review of sponsors of charter schools approved by the Department at least once every 3 years; and (3) the process for the Department to continue or revoke the authorization of a board of trustees or a college or university to sponsor charter schools.

Under existing law, the proposed sponsor of a charter school may request the Department to assist in the review of an application to form a charter school by determining whether the application is substantially complete and compliant. If the Department determines that an application is not substantially complete and compliant, the staff of the Department is required to meet with the applicant to confer on the method to correct the deficiencies in the application identified by the Department. (NRS 386.520) Sections 6 and 7 of this bill remove the provisions relating to the review of an application to form a charter school by the Department.

Existing law sets forth the process for review of an application to form a charter school by the proposed sponsor of the charter school. (NRS 386.525) **Section 7** ~~[of this bill]~~ requires the proposed sponsor to assemble a team of reviewers and to conduct a thorough evaluation of the application, including an in-person interview with the committee to form the charter school. ~~[Existing law further provides that a proposed sponsor may approve an~~

~~application to form a charter school if the application is complete and complies with the applicable statutes and regulations.~~] **Section 7** also requires that to approve an application, the proposed sponsor must determine that the applicant has demonstrated competence which will likely result in a successful opening and operation of the charter school.

Under existing law, if an application to form a charter school is approved by the proposed sponsor of the charter school, the charter school is issued a written charter for a term of 6 years. (NRS 386.527) **Section 8** removes the requirement for the issuance of a written charter and instead requires the proposed sponsor of the charter school and the governing body of the charter school to execute a charter contract for a term of 6 years.

Existing law sets forth the procedures for renewal and revocation of written charters. (NRS 386.530, 386.535) **Section 9** of this bill removes the written charter and instead prescribes the procedure for renewal of a charter contract, which includes a requirement that the sponsor provide the charter school with a written report summarizing the charter school's performance during the term of the charter contract. **Section 10** of this bill prescribes the grounds for termination of a charter contract, which includes the ground that the charter school has persistently underperformed, as measured by the performance framework developed for the charter school.

Existing law provides that a charter school dedicated to providing educational programs and opportunities to pupils who are at risk may enroll a child who is the child of a full-time employee of the charter school before enrolling pupils who are otherwise eligible for enrollment. **Section 17** of this bill removes the provision that such a charter school must serve at-risk pupils and instead authorizes any charter school to, before enrolling children who are otherwise eligible for enrollment, enroll a child if the child is the child of: (1) an employee of the charter school; (2) a member of the committee to form the charter school; or (3) a member of the governing body of the charter school.

Section 19 of this bill revises requirements for the annual report that the sponsor of a charter school is required to provide to the Department of Education by including a summary evaluating the performance of the charter school, as measured by the performance framework, and by removing the requirement that the sponsor of the charter school include a description of the administrative support and services provided by the sponsor. (NRS 386.610)

Section 3.5 of Assembly Bill No. 205 First Reprint is hereby amended as follows:

This bill establishes a pilot program in the Clark County School District and the Washoe County School District for the administration of mental

health screenings to pupils enrolled in at least one secondary school within each school district.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. There is hereby established a pilot program in the Clark County School District and the Washoe County School District. For purposes of the pilot program, the board of trustees of the Clark County School District and the board of trustees of the Washoe County School District shall each:

(a) Identify and coordinate with interested stakeholders in the community to implement the pilot program**. [**~~, including, without limitation, universities and colleges, local mental health professionals and medical professionals, juvenile and family courts within the county, persons who are involved in the provision of juvenile justice services, charitable organizations and child welfare agencies.~~]**

(b) With the input and coordination of the interested stakeholders identified pursuant to paragraph (a), provide for the administration of mental health screenings to pupils enrolled in at least one secondary school within the school district, as selected by the school district.

(c) With the input and coordination of the interested stakeholders identified pursuant to paragraph (a), provide an age-appropriate, professionally recognized mental health screening for administration to the pupils enrolled in each secondary school selected for the pilot program.

(d) Assist the principal of each secondary school selected for the pilot program with identifying professionally qualified persons, including the interested stakeholders identified pursuant to paragraph (a), to administer the mental health screenings to pupils and to conduct follow-up screenings if a pupil scores in a range which indicates that he or she may have a mental health issue.

2. Except as otherwise provided in subsection 3, each secondary school selected for the pilot program shall provide for the administration of the mental health screening selected by the school district by qualified persons, including the interested stakeholders identified pursuant to paragraph (a) of subsection 1, to the pupils enrolled in the secondary school or to pupils enrolled in selected grades at the secondary school, as determined by the school district. The school district shall ensure that if a pupil is absent or otherwise not available on the day scheduled for administration of the mental health screenings, a make-up administration is scheduled for the pupil within a reasonable time period.

3. Before administration of the mental health screening to a pupil pursuant to subsection 2, the principal of the secondary school shall provide

advance written notice of the screening to the parent or guardian of the pupil, including a form for consent or exemption. The notice must inform the parent or guardian of his or her right to consent to the screening or exempt the pupil from the screening and contain a form for the signature of the parent or guardian to consent to the screening or exempt the pupil from the screening. If a form exempting a pupil from the screening is signed by the parent or guardian and returned to the school, the principal must exempt the pupil and the pupil must not undergo the mental health screening. If a form is not returned on behalf of a pupil, the principal of the school must exempt the pupil and the pupil must not undergo the mental health screening.

4. If a pupil scores on a mental health screening administered pursuant to subsection 2 in a range which indicates the pupil may have a mental health issue, the school district shall provide the parent or guardian of the pupil with the results of the mental health screening, to the extent feasible, and a list of resources available in the county to assist the parent or guardian with obtaining appropriate further professional diagnosis and, if necessary, treatment for the pupil. The school district is not responsible for providing to such a pupil, or ensuring that such a pupil receives, further professional diagnosis or treatment.

Sec. 2. 1. On or before April 1, 2014, the Clark County School District and the Washoe County School District shall provide a report to the Legislative Committee on Education concerning the status of the implementation of the pilot program for mental health screenings required by section 1 of this act.

(b) The number of pupils in each grade level of the secondary school selected for the pilot program and the actual number of pupils who underwent mental health screenings pursuant to the pilot program;

(c) The number of pupils who did not undergo a mental health screening based upon the number of pupils whose parents or guardians opted out of administering the mental health screening to the pupil and the number of pupils for whom a form was not returned pursuant to subsection 3 of section 1 of this act;

(d) The number of pupils who scored in a range indicating that the pupil may have a mental health issue and a description of the types of resources which were referred to the parent or guardian of the pupil;

(e) If available, an indication of how many parents and guardians followed up by seeking professional help for further diagnosis and, if necessary, treatment for the pupil; **and**

(f) An evaluation of whether the pilot program was useful in identifying pupils with possible mental health issues and assisting the parents and guardians of those pupils with obtaining appropriate professional diagnosis and treatment**. [**~~; and~~

~~(g) Recommendations for expanding the number of schools that participate in a program of mental health screenings for pupils if the Legislature determines to continue and expand the program.~~**]**

3. The information required by the report pursuant to subsection 2 must be provided in an aggregated format and if any of the information would reveal the individual identity of a pupil, the school district shall not include that information in the report.

4. On or before January 1, 2015, the Department of Education shall compile each report received pursuant to subsection 2 and submit the written compilation, including, without limitation, recommendations for continuing and expanding the pilot program for mental health screenings to pupils, to the Director of the Legislative Counsel Bureau for transmittal to the 78th Session of the Nevada Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting.

(b) A list of the locations where the notice has been posted.

(c) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items by placing the term "for possible action" next to the appropriate item.

(3) Periods devoted to comments by the general public, if any, and discussion of those comments. Comments by the general public must be taken:

(I) At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting; or

(II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

➥ The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). Regardless of whether a public body takes comments from the general public pursuant to sub-subparagraph (I) or (II), the public body must allow the general public to comment on any matter that is not specifically included on the agenda as an action item at some time before adjournment of the meeting. No action may be taken upon a matter raised during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.

(6) Notification that:

(I) Items on the agenda may be taken out of order;

(II) The public body may combine two or more agenda items for consideration; and

(III) The public body may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

(7) Any restrictions on comments by the general public. Any such restrictions must be reasonable and may restrict the time, place and manner of the comments, but may not restrict comments based upon viewpoint.

3. Minimum public notice is:

(a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; ~~[and]~~

(b) ***Posting the notice on the official website of the State pursuant to section 2 of this act not later than 9 a.m. of the third working day before the meeting is to be held, unless the public body is unable to do so because of technical problems relating to the operation or maintenance of the official website of the State; and***

(c) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

(1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

(2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:

(a) An agenda for a public meeting;

(b) A proposed ordinance or regulation which will be discussed at the public meeting; and

(1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;

(2) Pertaining to the closed portion of such a meeting of the public body; or

(3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

➥ The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, "proprietary information" has the meaning ascribed to it in NRS 332.025.

6. A copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:

(a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

➥ If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.

Sec. 1.5. **Chapter 232 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 2.5 of this act.**

Assembly Bill No. 14.

The following Senate amendment was read:

Amendment No. 741.

AN ACT relating to motor vehicles; revising provisions concerning temporary permits to act as a salesperson; ~~[revising provisions concerning licenses of salespersons;]~~ allowing the Department of Motor Vehicles to

reinstate the registration of a dormant vehicle or remove the suspension of that registration under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, when a person holding a temporary permit to act as a salesperson of vehicles ceases to be employed by a licensed and bonded dealer, lessor or rebuilder, the permit is automatically suspended, the person's right to act as a salesperson immediately ceases and the person's application for licensure must be denied by the Department of Motor Vehicles unless the person has: (1) paid a $20 transfer fee; (2) submitted a certificate of employment indicating that the person has been reemployed with a licensed and bonded dealer, lessor or rebuilder; and (3) presents a current temporary permit or new salesperson's license to the person's employer. Existing law further provides that, if a person's application for a salesperson's license has been denied, the person must wait at least 6 months to reapply. (NRS 482.362) **Section 1** of this bill deletes the provision requiring that the application for licensure of a person holding a temporary permit be denied if that person ceases to be employed as a salesperson by a licensed and bonded dealer, lessor or rebuilder, thus allowing that person to resume the application process upon finding employment elsewhere. **Section 1** also expressly prohibits the person from engaging in the activity of a salesperson during the period in which the person is unemployed. ~~[Section 1 provides additionally that, if a person ceases to be employed as a salesperson by a licensed and bonded dealer, lessor or rebuilder, the salesperson is not required to physically surrender his or her license, but the dealer, lessor or rebuilder, as applicable, is required to notify the Department that the employment has ceased, and the person is not allowed to engage in the activity of a salesperson until he or she is reemployed by a licensed and bonded dealer, lessor or rebuilder.]~~

Under existing law, the Department is required to suspend the registration of any motor vehicle for which the Department cannot verify coverage of liability insurance. If the registered owner of the motor vehicle proves to the satisfaction of the Department that the motor vehicle was a dormant vehicle during the period in which the Department was unable to verify liability insurance coverage, the Department is required to reinstate the registration and, if applicable, reissue the license plates for the motor vehicle only after the owner of the motor vehicle pays a fee of $50. (NRS 485.317) **Section 4** of this bill allows the Department to remove the suspension of the registration without requiring the owner of the vehicle to pay a fee or administrative fine.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.362 is hereby amended to read as follows:

Assembly Bill No. 363.

The following Senate amendment was read:

Amendment No. 759.

AN ACT relating to local governments; **authorizing boards of county commissioners to abate public nuisances involving litter, garbage, abandoned or junk vehicles and junk appliances;** authorizing certain local governments to abate public nuisances and conditions involving abandoned **[**, ~~inoperable~~**]** or junk vehicles by requesting the operator of a tow car to abate the public nuisance or condition; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a board of county commissioners of a county or the governing body of a city may adopt by ordinance procedures pursuant to which the board or governing body, or a designee thereof, may order an owner of property to abate a public nuisance or condition on the property, including the clearing of certain debris, to protect the public health, safety and welfare of the residents of the county or city. (NRS 244.3605, 268.4122) Existing law further provides that if, after the provision of notice about the nuisance or condition and an opportunity for a hearing, the property owner does not abate the nuisance or condition, the county or city may abate the

nuisance or condition and recover from the property owner the amount expended by the county or city for the labor and materials used to abate the nuisance or condition.

Section 2 of this bill adds **litter, garbage,** abandoned **[, inoperable]** or junk vehicles **[which are not concealed from ordinary public view]** **and junk appliances** to the list of conditions that constitute a public nuisance for the purposes of an ordinance adopted by a board of county commissioners **. [in a county whose population is 700,000 or more (currently only Clark County).]** **Section 2** also provides that **, in a county whose population is 700,000 or more (currently only Clark County),** such an ordinance may authorize the county to request the operator of a tow car to abate a public nuisance by towing an abandoned **[, inoperable]** or junk vehicle **that is not concealed from ordinary public view** if certain requirements relating to notice and the opportunity for a hearing are satisfied. Similarly, **section 3** of this bill **, [adds vehicles which are abandoned, inoperable or junk and which are not concealed from ordinary public view to the list of conditions that constitute an unhealthful or unsafe condition]** for the purposes of an ordinance adopted by the governing body of a city in any county whose population is 700,000 or more (currently only Clark County), **[and]** provides that such an ordinance may authorize the city to request the operator of a tow car to abate such a condition by towing an abandoned **[, inoperable]** or junk vehicle **that is not concealed from ordinary public view** if certain requirements relating to notice and the opportunity for a hearing are satisfied.

Existing law provides for the regulation of tow cars and the operators of tow cars. (NRS 706.445-706.453) **Sections 2 and 3** provide that the operator of a tow car who is requested by a county or city to tow a vehicle to abate a public nuisance or condition must comply with those provisions. **Section 4** of this bill provides that the registered owner of a vehicle towed pursuant to a request by a county or a city to abate a public nuisance or condition is responsible for the cost of removal and storage of the vehicle.

Amendment No. 707.

SUMMARY— ~~[Increases the penalty for certain crimes]~~ **Revises provisions** relating to estrays and feral livestock. (BDR 50-531)

AN ACT relating to livestock; **revising provisions relating to the management, control, placement and disposition of estrays and feral livestock;** increasing the penalty for certain crimes relating to estrays and feral livestock; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, all estrays and feral livestock are deemed to be the property of the State Department of Agriculture and the Department has all rights accruing under state law to owners of such animals, including providing for the control, placement or disposition of those animals. (NRS 569.010) Section 3 of this bill clarifies that the Department is also authorized to provide for the management of estrays and feral livestock.

Existing law authorizes the Department to enter into a cooperative agreement for the control, placement or disposition of livestock.

(NRS 569.031) Sections 1, 2 and 4-7 of this bill clarify that the Department is authorized to enter into a cooperative agreement pursuant to NRS 569.031 for the management, control, placement and disposition of estrays and feral livestock. Section 4 also requires any person or entity that enters into a cooperative agreement with the Department to hold the State of Nevada harmless from any claim or liability arising from an act or omission of the person or entity in carrying out the agreement.

Existing law makes it unlawful for a person, other than an authorized agent of the ~~[State]~~ Department ~~,~~ ~~[of Agriculture,]~~ to take up and retain possession of or feed any estray or feral livestock. Under existing law, a person is not cited or charged criminally for the first violation of the prohibition against feeding an estray or feral livestock, but instead receives a warning. (NRS 569.040) **Section ~~[1 of this bill]~~ 5 also** makes a second or subsequent violation of such an offense a gross misdemeanor.

Under existing law, a person who takes up or retains possession of any estray or feral livestock which is not his or her property and without the owner's consent is guilty of a misdemeanor. (NRS 569.130) **Section ~~[2]~~ 8** of this bill increases the penalty for that violation from a misdemeanor to a gross misdemeanor.

Senate Bill No. 83.

Bill read third time.

Remarks by Assemblymen Carrillo and Hansen.

ASSEMBLYMAN CARRILLO:

Senate Bill 83 makes various changes to penalties relating to animal fighting. Specifically, the bill increases criminal penalties for willfully procuring or permitting a house, apartment, pit, or other place to be used for animal baiting or animal fighting or knowingly being connected

with such a place; taking action in the furtherance of a fight between animals; owning, possessing, training, promoting, or purchasing an animal with the intent to use it to fight another animal; and selling an animal knowing that it will be used to fight another animal.

Penalties for these actions are increased from a gross misdemeanor to a category E felony for a first offense and from a category E felony to a category D felony for a second offense. A category D felony is already in place for any subsequent offense.

Senate Bill 83 also increases penalties for knowingly attending a fight between animals in an exhibition or for amusement or gain. These penalties are increased from a misdemeanor to a gross misdemeanor for a first offense and from a gross misdemeanor to a category E felony for a second offense. I urge its passage.

ASSEMBLYMAN HANSEN:

I rise in opposition to S.B. 83. In our hearing we found out that there have only been about two cases in the last 20 years where this has actually been brought up. The existing penalty of a gross misdemeanor has been more than adequate to prevent this kind of activity. In our Judiciary Committee, we worked very hard to try to reduce the number of felonies because of the cost to our prison system To now make it a felony for attending something like this is just way overboard. So while I certainly don't support animal cruelty, I think we need to be kind of practical and recognize that the existing law has been completely sufficient. I would urge this body, for fiscal reasons, to vote no.

Senate Bill No. 92.

Bill read third time.

Remarks by Assemblyman Sprinkle.

ASSEMBLYMAN SPRINKLE:

Senate Bill 92 requires any physician, midwife, or nurse attending or assisting any infant at childbirth at certain obstetric centers or hospitals to examine the infant for critical congenital heart disease. The measure requires the examiner to report any results to the State Health Officer and discuss such results with the parents or other persons responsible for the infant. Amendment No. 910.

AN ACT relating to education; revising provisions relating to the reporting of incidents of bullying, cyber-bullying, harassment and intimidation by the State Board of Education and the board of trustees of each school district in their respective annual reports of accountability; requiring each public school to disseminate information annually on bullying; revising the definition of "bullying"; revising provisions governing training in the prevention, identification and reporting of bullying and similar conduct; requiring training for administrators in preventing and responding to violence and suicide associated with bullying; requiring notice to the parent or guardian of any pupil allegedly involved in a reported incident of bullying or similar conduct; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for a safe and respectful learning environment in public schools and prohibits bullying, cyber-bullying, harassment or intimidation. (NRS 388.121-388.139) Existing law also requires the board of trustees of each school district to review and compile reports for submission to the Department of Education relating to the number of reported violations of provisions relating to bullying, cyber-bullying, harassment and intimidation occurring at the public schools within the school district and any actions taken by the public schools to reduce the number of those violations. (NRS 388.1353) In addition, existing law requires the Superintendent of Public Instruction to compile each report submitted by each school district and submit the written compilation to the Attorney General. (NRS 388.1355)

Section 11.5 of this bill eliminates these reporting requirements, and **sections 1 and 2** of this bill require the contents of those reports to be included within the annual reports of accountability prepared by the State Board of Education and the board of trustees of each school district. (NRS 385.3469, 385.347)

Section 3 of this bill requires each public school to disseminate information on bullying and the facilitation of positive relations among pupils during the annual "Week of Respect" proclaimed by the Governor.

Section 4.5 of this bill revises the definition of bullying to include: (1) only repeated acts or conduct; and (2) acts or conduct that exploit an imbalance in power.

Sections 5-7 of this bill revise various provisions governing the training of all administrators, principals, teachers and other school employees on the subject of bullying, cyber-bullying, harassment and intimidation. Existing law requires the Department of Education to prescribe a policy for such training. (NRS 388.133) **Section 5** requires the policy to encompass members of the boards of trustees of school districts and provide for training in methods to prevent, identify and report incidents of bullying and similar conduct. Existing law also requires the board of trustees of each school district to adopt the training policy prescribed by the Department and provide the appropriate training to employees of the district. (NRS 388.134) **Section 6** requires the members of the board of trustees to receive this training and requires that newly elected trustees and new employees of the school district receive the training within 180 days after the beginning of their term of office or their employment, as applicable. Existing law requires the Department to recommend certain programs of training in this area for members of the boards of trustees of school districts and school employees. (NRS 388.1342) **Section 7** requires the Department to establish these programs and a program to train administrators in the prevention of and response to violence and suicide associated with bullying and similar conduct. **Section 7** also requires each administrator to complete this training: (1) within 90 days after becoming an administrator; (2) at least once during any school year in which the training is revised or updated; and (3) at least once every 3 years otherwise.

Section 8 of this bill provides that a principal, or his or her designee, who receives a report of bullying, cyber-bullying, harassment or intimidation must give notice of the report to the parent or legal guardian of each pupil involved in the incident that is the subject of the report.

Existing law provides immunity from liability for a pupil, school employee or volunteer who reports an incident of bullying, cyber-bullying, harassment or intimidation unless he or she acts with malice, intentional misconduct, gross negligence, or intentional or knowing violation of the law. (NRS 388.137) Where such a malicious, intentional or grossly negligent

report is made, **section 11** of this bill authorizes disciplinary action against the pupil or other person making the report.
