Senate Bill No. 362.

Bill read third time.

Remarks by Assemblyman Eisen.

ASSEMBLYMAN EISEN:

Senate Bill 362 prescribes certain provisions for health care facilities with more than 70 beds that are located in a county whose population is 100,000 or more.

The measure prohibits a medical facility from retaliating or discriminating against a CNA or licensed nurse who requests to be relieved of, refuses, or objects to a work assignment. This bill also requires the Health Division of the Department of Health and Human Services to adopt necessary regulations to carry out certain provisions of the bill and to ensure general compliance with those provisions. Finally, it allows the Division to enforce the requirements of the measure as part of its existing inspection process.

I just want to say that I think this is a very important step forward in ensuring that we have made clear the minimum standard for staffing for nursing personnel—RNs, LPNs, and certified nursing assistants—in our hospitals, and this is an important move to protect the safety of patients in Nevada facilities.

Remarks by Assemblymen Horne and Hickey.

ASSEMBLYMAN HORNE:

Senate Bill 416 clarifies that a "restricted license" or "restricted operation" means a state gaming license for the operation of not more than 15 slot machines and which does not include a race book or sports pool. The measure clarifies that the acceptance and payment of wagers and transactions, in person or through mechanical means such as a kiosk or similar device, are considered with the operation of a race book and sports pool, and the measure requires that a separate license be obtained for each location at which such an operation is conducted. The measure also clarifies that the exception to having a single license at one establishment applies only to these nonrestricted licenses at an establishment with 16 or more slot machines or at an establishment with any number of slot machines together with any other game, gaming device, race book, or sports pool.

The measure provides that in a county whose population is 100,000 or more, a restricted license may only be granted at certain establishments if it contains a minimum of 2,500 square feet of space available for patrons; a permanent, physical bar; and a restaurant that meets certain requirements.

Section 4 of the bill amends subsection 3 of NRS 463.245 and authorizes a person who is licensed to operate a sports pool or race book at a gaming establishment to operate at a second establishment if the second establishment is operated by a nonrestricted licensee. This provision should not be construed as limiting the person licensed to operate a sports pool or race book to just two locations. In drafting, the word "second" was substituted for the word "another," only to maintain consistency within the sentence. I urge your support.

ASSEMBLYMAN HICKEY:

I rise in support of Senate Bill 416. One of the concerns I had when I first read the bill was the impression that it might inhibit small business owners' ability to sell or transfer their business. I understand it has been made clear by LCB that there is not a provision in this bill that would require an existing business to add a kitchen or meet the 2,500 square foot requirement upon sale or transfer of the business. Therefore, I am confident that the standards set forth in this bill do nothing to harm a person's ability to transfer his or her property. I urge this body's support.

Amendment No. 893.

SUMMARY—Revises provisions relating to renewable energy **.** ~~[systems.]~~ (BDR 58-517)

AN ACT relating to renewable energy; ~~[authorizing the Director of the Office of Energy, in consultation with the Office of Economic Development, to grant to certain businesses partial abatements of certain property taxes and local sales and use taxes imposed on certain renewable energy systems; revising provisions governing net metering;]~~ **revising provisions governing certain energy-related tax incentives; revising provisions governing portfolio energy systems; revising provisions governing jurisdiction of the courts of this State with respect to certain claims or actions relating to certain renewable energy projects;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 9 of this bill authorizes a person who intends to locate a new business in this State to apply to the Director of the Office of Energy for a partial abatement of certain property taxes and local sales and use taxes imposed on certain renewable energy systems which are installed on the property of the business and which are for the purpose of supplying all or a part of the electricity requirements of the new business. Section 9 requires the Director to hold a public hearing concerning each application. Section 10 of this bill requires the Director to consult with the Office of Economic Development and to make certain determinations before approving any application. Section 11 of this bill sets forth the duration and maximum amount of the partial abatements.~~

~~— Existing law provides generally that a renewable energy system does not qualify as a net metering system if the system exceeds a generating capacity of 1 megawatt. (NRS 704.771) Section 15 of this bill authorizes the Director, in consultation with the Office of Economic Development, to make a determination that a renewable energy system for which a partial abatement has been approved pursuant to sections 2-16 of this bill is deemed to be a net metering system regardless of the generating capacity of the system. Section 17 of this bill revises certain other provisions governing net metering to provide that excess electricity which is generated by a net metering system and fed back to the utility must be credited to the customer-generator based on the value of the electricity under the otherwise applicable rate or time-of-use rate charged by the utility rather than the number of kilowatt-hours of excess electricity generated by the customer-generator.]~~ **Existing law provides for the partial abatement of certain taxes for certain renewable energy facilities. (NRS 701A.300-701A.390) Section 3 of this bill removes the requirement that an application for a partial abatement of certain taxes for certain geothermal facilities be approved by the board of county commissioners before the application can be approved by the Director of the Office of Energy.**

Under existing law, a provider of electric service is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure for the purpose of satisfying the renewable portfolio standard of the provider. (NRS 704.78215) Section 4 of this bill revises provisions governing the calculation of the portfolio energy credits attributable to certain portfolio energy systems.

Section 5 of this bill clarifies that a court of this State has jurisdiction over a claim or action relating to a renewable energy project located upon certain Indian tribal land under certain circumstances.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 895.

AN ACT relating to taxation; authorizing certain larger counties to impose additional taxes on fuels for motor vehicles; **providing for the imposition by the State of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in this State; providing for the imposition by the boards of county commissioners of certain counties of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; requiring the approval by voters of additional ballot measures to continue the imposition of the additional taxes; requiring the Department of Motor Vehicles to adopt regulations establishing a system for the reimbursement and repayment of any amounts owed pursuant to certain cooperative agreements;** providing for the administration, allocation, disbursement and use of the additional taxes; removing the exemption for the sale of revenue bonds secured by county fuel taxes from certain requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) **Section ~~[1]~~ 1.1** of this bill authorizes the board of county commissioners of a county whose population is 700,000 or more and in which a regional transportation commission has been created and a county tax is imposed on motor vehicle fuel (currently Clark County) to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Section ~~[1]~~ 1.1** also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2014, and ending on December 31, 2016, in an amount equal to the lesser of: (1) a percentage established by the ordinance imposing the tax; or (2) a percentage based on historical increases in the cost of highway and street construction. **Section ~~[1]~~ 1.1** additionally provides that for the period beginning on January 1, 2017 **~~[, the]~~ : (1) the board of county commissioners must not impose any additional increases in certain taxes authorized by that section; and (2)** increases in **~~[these]~~ the remainder of the** taxes **authorized by that section** may not be effectuated unless a majority of the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases.

Upon approval by a majority of the voters in the State at the general election in November 2016, section 1.2 of this bill requires the State to impose additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles. Section 1.2 also authorizes the Legislature to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. Section 1.2 additionally provides that for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the State at the general election in November 2026 authorize the Legislature to continue to provide for the annual increases.

Upon approval by a majority of the voters in any county, other than Washoe County or, under certain circumstances, Clark County, at the general election in November 2016, section 1.3 of this bill requires the board of county commissioners of the county to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. Section 1.3 also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. Section 1.3 additionally provides that for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in

November 2026 authorize the board of county commissioners to continue to provide for the annual increases.

The Department of Motor Vehicles is a party to the International Fuel Tax Agreement, a multistate agreement which facilitates the calculation and collection of certain fuel taxes from interstate trucking companies and others who use special fuel (primarily diesel fuel) in vehicles operated or intended to operate interstate. (NRS 366.175) Sections 1.7-1.9 of this bill require the Department to adopt regulations establishing a system for the reimbursement and repayment of any amounts owed pursuant to the International Fuel Tax Agreement as a result of any additional taxes authorized or required by this bill.

Sections ~~[~~2~~]~~ 2-2.7 and ~~[~~4-11~~]~~ 4-11.3 of this bill require the administration, allocation, disbursement and use of these taxes in the same manner as certain existing fuel taxes. Additionally, ~~[~~section 2 requires~~]~~ **sections 2-2.7 require** the annual review of these taxes by the regional transportation commission.

~~[~~Section 3~~]~~ **Sections 3-3.9** of this bill ~~[~~applies~~]~~ **apply** the current exemptions from fuel taxes to the taxes authorized by this bill, other than the exemption for certain undyed special fuel which is sold or used for any purpose other than to propel a motor vehicle upon the public highways.

Section 11.5 of this bill revises provisions of existing law to remove the exemption for the sale of revenue bonds that are secured by county fuel taxes from various requirements concerning the sale of bonds by competitive bid or negotiated sale.

Sec. 39.5. **NRS 689A.230 is hereby amended to read as follows:**

689A.230 1. There may be a provision as follows:

Coordination of Benefits: If, with respect to a person covered under this policy, benefits for allowable expense incurred during a claim determination period under this policy, together with benefits for allowable expense during such period under all other valid coverage (without giving effect to this provision or to any "coordination of benefits provision" applying to such other valid coverage), exceed the total of such person's allowable expense during such period, this insurer shall be liable only for such proportionate amount of the benefits for allowable expense under this policy during such period as (a) the total allowable expense during such period bears to (b) the total amount of benefits payable during such period for such expense under this policy and all other valid coverage (without giving effect to this provision or to any "coordination of benefits provision" applying to such other valid coverage) less in both (a) and (b) any amount of benefits for allowable expense payable under other valid coverage which does not contain a "coordination of benefits provision." In no event shall this provision operate to increase the amount of benefits for allowable expense payable under this policy with respect to a person covered under this policy above the amount which would have been paid in the absence of this provision. This insurer may pay benefits to any insurer providing other valid coverage in the event of overpayment by such insurer. Any such payment shall discharge the liability of this insurer as fully as if the payment had been made directly to the insured or the assignee or beneficiary of the insured. If this insurer pays benefits to the insured or the assignee or beneficiary of the insured, in excess of the amount which would have been payable if the existence of other valid coverage had been disclosed, this insurer shall have a right of action against the insured or the assignee or beneficiary of the insured to recover the amount which would not have been paid had there been a disclosure of the existence of the other valid coverage. The amount of other valid coverage which is on a provision of service basis shall be computed as the amount the services rendered would have cost in the absence of such coverage.

For the purposes of this provision:

(1) "Allowable expense" means 100 percent of any necessary, reasonable and customary item of expense which is covered, in whole or in part, as a hospital, surgical, medical or major medical expense under this policy or under any other valid coverage.

(2) "Claim determination period" with respect to any covered person means the initial period of ..... (insert period of not less than 30 days) and each successive period of a like number of days, during which allowable expense covered under this policy is incurred on account of such person. The first such period begins on the date when the first such expense is incurred, and successive periods shall begin when such expense is incurred after expiration of a prior period.

or, in lieu thereof:

(2) "Claim determination period" with respect to any covered person means each ..... (insert calendar or policy period of not less than a month) during which allowable expense covered under this policy is incurred on account of such person.

(3) "Coordination of benefits provision" means this provision and any other provision which may reduce an insurer's liability because of the existence of benefits under other valid coverage.

2. The foregoing policy provisions may be inserted in all policies providing hospital, surgical, medical or major medical benefits for which the application includes a question as to other coverages subject to this provision. If the policy provision stated in subsection 1 is included in a policy which also contains the policy provision stated in NRS 689A.240, there shall be added to the caption of the provision stated in subsection 1 of the phrase "expense-incurred benefits." The insurer may make this provision applicable to either or both:

(a) Other valid coverage with other insurers; and

(b) Other valid coverage with the same insurer.

➥ The insurer shall include in this provision a definition of "other valid coverage" approved as to form by the Commissioner. Such term may include hospital, surgical, medical or major medical benefits provided by individual or family-type coverage, government programs or workers' compensation. Such term shall not include any ~~[group insurance,]~~ automobile medical payments or third-party liability coverage. The insurer shall not include a subrogation clause in the policy. The insurer may require, as part of the proof of claim, the information necessary to administer this provision.

3. If by application of any of the foregoing provisions the insurer effects a material reduction of benefits otherwise payable under the policy, the insurer shall refund to the insured any premium unearned on the policy by

reason of such reduction of coverage during the policy year current and that next preceding at the time the loss commenced, subject to the insurer's right to provide in the policy that no such reduction of benefits or refund will be made unless the unearned premium to be so refunded amounts to $5 or such larger sum as the insurer may so specify.

Sec. 43. NRS 689A.630 is hereby amended to read as follows:

689A.630 1. Except as otherwise provided in this section, coverage under an individual health benefit plan must be renewed by the individual carrier that issued the plan, at the option of the individual, unless:

(b) The individual has performed an act or a practice that constitutes fraud or has made an intentional misrepresentation of material fact under the terms of the coverage.

(c) The individual carrier decides to discontinue offering and renewing all health benefit plans delivered or issued for delivery in this state. If the individual carrier decides to discontinue offering and renewing such plans, the individual carrier shall:

(1) Provide notice of its intention to the Commissioner and the chief regulatory officer for insurance in each state in which the individual carrier is licensed to transact insurance at least 60 days before the date on which notice of cancellation or nonrenewal is delivered or mailed to the persons covered by the insurance to be discontinued pursuant to subparagraph (2).

(2) Provide notice of its intention to all persons covered by the discontinued insurance and to the Commissioner and the chief regulatory officer for insurance in each state in which such a person is known to reside. The notice must be made at least 180 days before the nonrenewal of any health benefit plan by the individual carrier.

(3) Discontinue all health insurance issued or delivered for issuance for individuals in this state and not renew coverage under any health benefit plan issued to such individuals.

(d) The Commissioner finds that the continuation of the coverage in this state by the individual carrier would not be in the best interests of the policyholders or certificate holders of the individual carrier or would impair the ability of the individual carrier to meet its contractual obligations. If the Commissioner makes such a finding, the Commissioner shall assist the persons covered by the discontinued insurance in this state in finding replacement coverage.

2. An individual carrier may discontinue the issuance and renewal of a form of a product of a health benefit plan if the Commissioner finds that the form of the product offered by the individual carrier is obsolete and is being replaced with comparable coverage. A form of a product of a health benefit plan may be discontinued by the individual carrier pursuant to this subsection only if:

(a) The individual carrier notifies the Commissioner and the chief regulatory officer for insurance in each state in which it is licensed of its decision pursuant to this subsection to discontinue the issuance and renewal of the form of the product at least 60 days before the individual carrier notifies the persons covered by the discontinued insurance pursuant to paragraph (b).

(b) The individual carrier notifies each person covered by the discontinued insurance, the Commissioner and the chief regulatory officer for insurance in each state in which a person covered by the discontinued insurance is known to reside of the decision of the individual carrier to discontinue offering the form of the product. The notice must be made to persons covered by the discontinued insurance at least 180 days before the date on which the individual carrier will discontinue offering the form of the product.

(c) The individual carrier offers to each person covered by the discontinued insurance the option to purchase any other health benefit plan currently offered by the individual carrier to individuals in this state.

(d) In exercising the option to discontinue the form of the product and in offering the option to purchase other coverage pursuant to paragraph (c), the individual carrier acts uniformly without regard to the claim experience of the persons covered by the discontinued insurance or any health status-related factor relating to those persons or beneficiaries covered by the discontinued form of the product or any persons or beneficiaries who may become eligible for such coverage.

3. An individual carrier may discontinue the issuance and renewal of a health benefit plan that is made available to individuals pursuant to this chapter only through a bona fide association if:

(a) The membership of the individual in the association was the basis for the provision of coverage;

(b) The membership of the individual in the association ceases; and

(c) The coverage is terminated pursuant to this subsection uniformly without regard to any health status-related factor relating to the covered individual.

4. An individual carrier that elects not to renew a health benefit plan pursuant to paragraph (c) of subsection 1 shall not write new business for individuals pursuant to this chapter for 5 years after the date on which notice is provided to the Commissioner pursuant to subparagraph (2) of paragraph (c) of subsection 1.

5. If an individual carrier does business in only one ~~[~~established~~]~~ geographic service area of this state, the provisions of this section apply only to the operations of the individual carrier in that service area.

Assembly Bill No. 488.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 852.

AN ACT relating to governmental administration; consolidating the Health Division and the Division of Mental Health and Developmental Services of the Department of Health and Human Services into the Division of Public and Behavioral Health of the Department; transferring the powers and duties concerning certain services to children with autism spectrum disorders from the Health Division to the Aging and Disability Services Division of the Department; transferring the authority for developmental services in the Division of Mental Health and Developmental Services to the Aging and Disability Services Division; ~~[providing for the appointment of a Chief Medical Officer in certain circumstances; requiring the directors of certain~~

~~facilities to report to the Chief Medical Officer and to operate under his or her oversight;~~ **replacing the State Health Officer with a Chief Medical Officer; providing the qualifications and duties of the Chief Medical Officer; renaming the Commission on Mental Health and Developmental Services of the Department the Commission on Behavioral Health; making the Aging and Disability Services Division of the Department responsible for services for and other oversight relating to persons with intellectual disabilities and persons with related conditions; making various other changes to provisions relating to the organization of the divisions of the Department;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Health Division and the Division of Mental Health and Developmental Services are ~~[two]~~ separate divisions within the Department of Health and Human Services. (NRS 232.300) This bill consolidates those ~~[two]~~ divisions into **one division named** the Division of Public and Behavioral Health of the Department of Health and Human Services. **Sections 1-5, 6, 7, 8, 10, 12, 14, 17, 18, 21, 21.7, 40, 42, 43, 46, 47, 66-68, 71-80, 81-88, 91-98 and 100-137 of this bill make conforming changes to carry out that consolidation.**

Existing law requires the Director of the Department of Health and Human Services to appoint the Administrator of the Health Division and the Administrator of the Division of Mental Health and Developmental Services. (NRS 232.320) ~~[Sections]~~ **Section 2** ~~[, 3 and 12 of this bill: (1) eliminate the position of Administrator of the Health Division and provide]~~ **eliminates those two Administrators and** instead **provides** for **the appointment of** an Administrator of the Division of Public and Behavioral Health **. ~~[; (2) set forth the qualifications of the Administrator; (3) require]~~ Section 3 requires** the Administrator, with the consent of the Director of the Department, to appoint four deputies **~~[; and (4) authorize]~~ , one of whom must have expertise or experience in mental health services. Section 12 authorizes** the Administrator to delegate his or her powers, duties and functions to ~~[a]~~ **any officer,** deputy **~~[,]~~ or employee of the Division. Section 21 establishes the qualifications of the Administrator.**

Section 4 renames the Commission on Mental Health and Developmental Services within the Department of Health and Human Services as the Commission on Behavioral Health. (NRS 232.361) The Commission retains its duties except that section 25 of this bill requires the State Board of Health, rather than the Commission, to adopt certain regulations regarding the care and treatment of persons with mental illness, persons with substance use disorders and persons with co-occurring disorders. In addition, although the Commission will continue

to consider certain issues relating to persons with intellectual disabilities and persons with related conditions, regulations regarding such persons are transferred to the Aging and Disability Services Division of the Department in section 50 of this bill.

Under existing law, the Health Division and the Division of Mental Health and Developmental Services have various responsibilities with respect to persons with intellectual disabilities and persons with related conditions. This bill transfers most of those responsibilities to the Aging and Disability Services Division. Sections 9.3 and 9.7 of this bill add to the duties of the Aging and Disability Services Division the duty to oversee those transferred responsibilities. Sections 49-59.7 of this bill duplicate certain provisions of NRS which applied to both mental health and intellectual disabilities to: (1) transfer the responsibilities relating to persons with intellectual disabilities and persons with other related conditions and applicable division facilities to the Aging and Disability Services Division; and (2) continue the statutory rights of persons with intellectual disabilities and persons with related conditions. Sections 7.5, 9-9.7, 10.3-20.5, 21.7, 27-39.8, 41, 45, 47, 60, 60.3, 61 and 137.2-137.8 of this bill make conforming changes to ensure the transfer of responsibilities regarding persons with intellectual disabilities and persons with related conditions and regarding applicable division facilities.

Section 61.5 of this bill designates the Department of Health and Human Services rather than the Division of Mental Health and Developmental Services as the official state agency responsible for developing and administering preventive and outpatient mental health services.

Existing law creates the position of State Health Officer within the Health Division of the Department of Health and Human Services and requires the State Health Officer to enforce all laws and regulations pertaining to the public health and to investigate matters relating to the health and life of the people of this State. (NRS 439.090, 439.130) **Section 64** of this bill **instead** provides ~~[that the State Health Officer serves as]~~ **for the appointment of a** Chief Medical Officer ~~[unless the Director of the Department determines that the appointment of a Chief Medical Officer is in the best interests of this State. Sections]~~ **to take over the responsibilities of the State Health Officer. Section 63** ~~[and 65]~~ of this bill ~~[establish the qualifications and]~~ **establishes the qualifications of the Chief Medical Officer. Section 65 of this bill sets forth the** duties of the Chief Medical Officer. **Section 13** of this bill provides that the medical director or other person in charge of certain facilities relating to mental health is subject to the oversight of the Chief Medical Officer and is required to report any information concerning the

facility to the Chief Medical Officer upon his or her request. **Sections 69.5-71, 74, 80.5, 92, 95, 103, 125 and 133 of this bill make conforming changes to existing law.**

~~[~~This~~]~~ **Sections 88-90 and 99-101 of this** bill also ~~[~~transfers:~~]~~ **transfer:** (1) the powers and duties concerning certain services to children with autism spectrum disorders from the Health Division to the Aging and Disability Services Division of the Department of Health and Human Services; and (2) the authority for developmental services from the Division of Mental Health and Developmental Services to the Aging and Disability Services Division.

~~[Section 142 of this bill provides, in part, for the Legislative Counsel to substitute appropriately throughout NRS any names changed by this bill, so that this bill does not need to include every section of NRS in which a name needs to be changed.]~~

Section 128 removes language from existing law concerning transferring money from one account of the Health Division to an account of the Division of Mental Health and Developmental Services. (NRS 453A.730) Since those Divisions are consolidated in this bill, there is no need to transfer the money. Sections 131.5 and 131.7 make conforming changes.

Section 139 of this bill repeals various sections of NRS which are no longer necessary because of the revisions made in this bill.

Sections 140-142 of this bill provide transitory provisions regarding the transfer of responsibilities, including the transfer and adoption of regulations, the effect of name changes on any existing contracts, revisions that may be necessary to other provisions of NRS and administrative regulations to conform to the changes made in this bill and other necessary directions to carry out the intent of this bill.

Sec. 55.6. 1. Physicians and other professional staff employed within any division facility shall receive a reasonable fee for evaluations, examinations or court testimony when directed by the court to perform such services.

2. In the case of indigent consumers whose relatives cannot pay the costs and expenses of returning such consumers to the state in which they have residence, the costs may be assumed by the State. These costs must be advanced from moneys appropriated for the general support of the division facility wherein the consumer was receiving care, treatment or training, if such consumer was committed to a division facility at the time of the transfer, and must be paid out on claims as other claims against the State are paid.

3. A consumer who performs labor other than that described in subsection 2 must be compensated an adequate amount if an economic benefit to another person or agency results from the consumer's labor.

4. The administrative officer of the facility may provide for compensation of a resident when the resident performs labor not governed by subsection 2 or 3.

5. This section does not apply to labor of a personal housekeeping nature or to labor performed as a condition of residence in a small group living arrangement.

Sec. 58.4. Each consumer admitted for evaluation, treatment or training to a facility has the following rights concerning the suspension or violation of his or her rights, a list of which must be prominently posted in all facilities providing those services and must be otherwise brought to the attention of the consumer by such additional means as prescribed by regulation:

Sec. 58.47. 1. The rights of a consumer enumerated in this chapter must not be denied except to protect the consumer's health and safety or to protect the health and safety of others, or both. Any denial of those rights in any facility must be entered in the consumer's record of treatment, and notice of the denial must be forwarded to the administrative officer of the facility. Failure to report denial of rights by an employee may be grounds for dismissal.

2. If the administrative officer of a facility receives notice of a denial of rights as provided in subsection 1, the officer shall cause a full report to be prepared which must set forth in detail the factual circumstances surrounding the denial. Except as otherwise provided in NRS 239.0115, such a report is confidential and must not be disclosed. A copy of the report must be sent to the Commission on Behavioral Health.

3. The Commission on Behavioral Health:

3. When practicable, individual credits in the fund must not exceed the sum of $300.

4. Any amounts to the credit of a consumer may be used for purchasing personal necessities, for expenses of burial or may be turned over to the consumer upon the consumer's demand, except that when the consumer is adjudicated mentally incompetent the guardian of the consumer's estate has the right to demand and receive the money.

5. An amount accepted for the benefit of a consumer for a special purpose must be reserved for that purpose regardless of the total amount to the credit of the consumer.

6. Except as otherwise provided in subsection 7, the administrative officers shall deposit any money received for the funds of their respective facilities in commercial accounts with one or more banks or credit unions of reputable standing. When deposits in a commercial account exceed $15,000, the administrative officer may deposit the excess in a savings account paying interest in any reputable commercial bank, or in any credit union or savings and loan association within this state that is federally insured or insured by a private insurer approved pursuant to NRS 678.755. Sec. 58.6. Whenever any person admitted to a division facility dies, the administrative officer shall send written notice to the decedent's legally appointed representative, listing the personal property remaining in the custody or possession of the facility. If there is no demand made upon the administrative officer of the facility by the decedent's legally appointed representative, all personal property of the decedent remaining in the custody or possession of the administrative officer must be held by the officer for a period of 1 year from the date of the decedent's death for the benefit of the heirs, legatees or successors of the decedent. At the end of this period, another notice must be sent to the decedent's representative, listing the property and specifying the manner in which the property will be disposed of if not claimed within 15 business days. After 15 business days, all personal property and documents of the decedent, other than cash, remaining unclaimed in the possession of the administrative officer must be disposed of as follows:

1. All documents must be filed by the administrative officer with the public administrator of the county from which the consumer was admitted.

2. All other personal property must be sold at a public auction or by sealed bids. The proceeds of the sale must be applied to the decedent's unpaid balance for costs incurred at the division facility.

Sec. 58.63. If a person admitted to a division facility is discharged or leaves and the person fails to recover personal property worth more than $100 in the custody of the administrative officer of the facility, the administrative officer shall notify the former consumer or the consumer's legal representative in writing that personal property remains in the custody of the facility. The property must be held in safekeeping for the consumer for a period of 1 year from the date of discharge. If upon the

expiration of the 1-year period no claim has been made upon the administrative officer by the person or the person's legal representative, another notice must be sent to the person or the person's legal representative, stating that personal property remains in the custody of the facility, and specifying the manner in which the property will be disposed of if not claimed within 15 business days. After 15 business days, the property may be considered unclaimed property and be disposed of in the manner provided for unclaimed property of deceased persons under the provisions of section 58.6 of this act.

Sec. 58.67. If, upon the death or release of a person admitted to a division facility, the value of unclaimed personal property in the possession of the administrative officer of the facility is so minimal that it cannot be sold at public auction or by sealed bid and if the property, either in its present condition or in an improved condition, cannot be used by the division facility, the administrative officer may order the personal property destroyed.

Sec. 58.7. 1. Upon the death of a consumer, any known relatives or friends of the consumer shall be notified immediately of the fact of death.

2. The Administrator or the Administrator's designee shall cause a decent burial to be provided for the consumer outside division facility grounds. The Administrator or the designee may enter into a contract with any person or persons, including governmental agencies or other instrumentalities, as the Administrator or the designee deems proper, for a decent burial. Where there are known relatives, and they are financially able, the cost of burial must be borne by the relatives. Where there are no known relatives, the cost of burial must be a charge against the State of Nevada, but the cost thereof must not exceed the amount charged for the burial of indigents in the county in which the burial takes place.

3. When a consumer has income from a pension payable through a division facility, and has no guardian, the Division may obligate operating funds for funeral expenses in the amount due under the pension benefits.

Existing law establishes a process by which a state agency or a local government may apply to the State Board of Examiners and the Interim Finance Committee for a grant or loan from the Disaster Relief Account, and also specifies the purposes for which that money may be used. (NRS 353.2705-353.2771) Money granted or loaned to a local government from the Account may be used, among other purposes, to pay a portion of any "grant match" the local government must provide to obtain a grant from a federal disaster assistance agency. (NRS 353.2715, 353.2725, 353.2745, 353.2751) **Sections 1, 2, 5 and 6** of this bill remove the limitation that the federal agency making such a grant must be a disaster assistance agency, with the result that money granted or loaned from the Account may be used to match a grant from any federal agency. **Section 10** of this bill makes a similar change with respect to the use of money from a fund established by a local government to mitigate the effects of a natural disaster. (NRS 354.6115)

~~[Sections 4 and]~~ **Section 5** of this bill otherwise ~~[enlarge]~~ **enlarges** the purposes for which money granted from the Account **to a local government** may be used, to authorize use of the money for ~~[a project to prevent or reduce the likelihood of damage or injury resulting from a similar disaster in the future.]~~ **the removal of debris.**

The remaining provisions of this bill revise the process for submitting and reviewing a request for a grant or loan from the Account. **Section 9** of this bill requires a state agency or a local government to give notice of its

intention to request a grant or loan to the Division of Emergency Management of the Department of Public Safety, which forwards that notice to the State Board of Examiners and the Fiscal Analysis Division of the Legislative Counsel Bureau. **Section 9** enlarges the time within which the request must thereafter be submitted, and requires that it be submitted initially to the Division of Emergency Management and the Department of Taxation for review and comment. The request and the reports of each agency are transmitted to the State Board of Examiners and the Fiscal Analysis Division. The State Board of Examiners then considers the request and the reports and makes a recommendation to the Interim Finance Committee as provided under existing law. (NRS 353.2755, 353.276)

(a) A direct legislative appropriation to the Disaster Relief Account;

(b) A transfer from the State General Fund in an amount equal to not more than 10 percent of the aggregate balance in the Account to Stabilize the Operation of the State Government made pursuant to NRS 353.288; and

(c) A grant, gift or donation to the Disaster Relief Account,

➥ Except as otherwise provided in this subsection, if the anticipated amount determined pursuant to paragraph (b) exceeds the available money in the Disaster Relief Account for such grants and loans, all grants and loans from the Disaster Relief Account for the disaster must be reduced in the same proportion that the anticipated amount of the grants and loans exceeds the money in the Disaster Relief Account that is available for grants and loans for the disaster. If the reduction of a grant or loan from the Disaster Relief Account would result in a reduction in the amount of money that may be received by a state agency or local government from the Federal Government, the reduction in the grant or loan must not be made.

Senate Joint Resolution No. 8.

Resolution read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 911.

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for limited annual regular legislative sessions ~~[, to authorize the Legislature to hold regular or special sessions at places other than Carson City]~~ and ~~[to authorize a change in]~~ **for legislative** compensation **and expenses** to ~~[Legislators .]~~ **be paid in a manner fixed and determined by law.**

Legislative Counsel's Digest:

The Nevada Constitution provides for biennial regular sessions of the Legislature of not more than 120 consecutive calendar days **beginning on the first Monday of February** in each odd-numbered year. (Nev. Const.

Art. 4, § 2) This resolution proposes to amend the Nevada Constitution to provide for limited annual regular sessions. ~~[In]~~ **Beginning on the first Monday of February in** each odd-numbered year, the Legislature would hold a regular session of not more than 90 legislative days during a maximum period of 120 consecutive calendar days. ~~[In]~~ **Beginning on the first Tuesday of March in** each even-numbered year, the Legislature would hold a regular session of not more than 30 legislative days during a maximum period of 45 consecutive calendar days. **This resolution defines a "legislative day" as any calendar day on which either House of the Legislature is in session or any legislative committee holds a meeting during a session.**

~~[The Nevada Constitution also requires the Legislature to hold its regular or special sessions at the seat of government in Carson City. (Nev. Const. Art. 4, § 1, Art. 15, § 1) In addition, the Nevada Constitution prohibits one House of the Legislature from adjourning to another location during a regular or special session without the consent of the other House. (Nev. Const. Art. 4, § 15) This resolution proposes to amend the Nevada Constitution to authorize the Legislature to hold all or any portion of a regular or special session at any place in this State if a majority of each House of the Legislature agrees to do so and follows certain required procedures.~~

~~This resolution also proposes to amend the Nevada Constitution to change the compensation for Legislators.]~~

The Nevada Constitution authorizes Legislators to: (1) receive compensation for the first 60 days of each regular session and the first 20 days of each special session; and (2) appropriate funds for the payment of the actual expenses members of the Legislature may incur for postage, express charges, newspapers and stationery in an amount not to exceed $60 per member for each general or special session. (Nev. Const. Art. 4, § 33) This resolution proposes to amend the Nevada Constitution to remove those provisions and to provide that Legislators must be paid at regular intervals as set by law and may appropriate funds for the **payment of the** actual expenses members of the Legislature may incur for each regular or special session.

If this resolution is passed by the 2013 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

RESOLVED, That Section 2 of Article 19 of the Nevada Constitution be amended to read as follows:

Sec. 2. 1. Notwithstanding the provisions of Section 1 of Article 4 of this Constitution, but subject to the limitations of Section 6 of this Article, the people reserve to themselves the power to propose, by initiative petition, statutes and amendments to statutes and amendments to this Constitution, and to enact or reject them at the polls.

2. An initiative petition shall be in the form required by Section 3 of this Article and shall be proposed by a number of registered voters equal to 10 percent or more of the number of voters who voted at the last preceding general election in not less than 75 percent of the counties in the State, but the total number of registered voters signing the initiative petition shall be equal to 10 percent or more of the voters who voted in the entire State at the last preceding general election.

3. If the initiative petition proposes a statute or an amendment to a statute, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than ~~[~~January 1 of the year preceding the year in which a~~]~~ ***1 year before the commencement of the*** regular session of the Legislature ~~[~~is held.~~]~~ ~~*[1 year before the date on which the Legislature]*~~ ***to which the petition will be transmitted . [~~commences its regular session.~~]*** After its circulation, it shall be filed with the Secretary of State not less than 30 days ~~[~~prior to~~]~~ ~~[~~any~~]~~ ***before the commencement of the*** regular session of the Legislature ~~[.]~~ ***to which the petition will be transmitted.*** The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary of State shall transmit such petition to the Legislature as soon as the Legislature convenes and organizes. The petition shall take precedence over all other measures except appropriation bills, and the statute or amendment to a statute proposed thereby shall be enacted or rejected by the Legislature without change or amendment within 40 days. If the proposed statute or amendment to a statute is enacted by the Legislature and approved by the Governor in the same manner as other statutes are enacted, such statute or

amendment to a statute shall become law, but shall be subject to referendum petition as provided in Section 1 of this Article. If the statute or amendment to a statute is rejected by the Legislature, or if no action is taken thereon within 40 days, the Secretary of State shall submit the question of approval or disapproval of such statute or amendment to a statute to a vote of the voters at the next succeeding general election. If a majority of the voters voting on such question at such election votes approval of such statute or amendment to a statute, it shall become law and take effect upon completion of the canvass of votes by the Supreme Court. An initiative measure so approved by the voters shall not be amended, annulled, repealed, set aside or suspended by the Legislature within 3 years from the date it takes effect. If a majority of such voters votes disapproval of such statute or amendment to a statute, no further action shall be taken on such petition. If the Legislature rejects such proposed statute or amendment, the Governor may recommend to the Legislature and the Legislature may propose a different measure on the same subject, in which event, after such different measure has been approved by the Governor, the question of approval or disapproval of each measure shall be submitted by the Secretary of State to a vote of the voters at the next succeeding general election. If the conflicting provisions submitted to the voters are both approved by a majority of the voters voting on such measures, the measure which receives the largest number of affirmative votes shall thereupon become law. If at the session of the Legislature to which an initiative petition proposing an amendment to a statute is presented which the Legislature rejects or upon which it takes no action, the Legislature amends the statute which the petition proposes to amend in a respect which does not conflict in substance with the proposed amendment, the Secretary of State in submitting the statute to the voters for approval or disapproval of the proposed amendment shall include the amendment made by the Legislature.

4. If the initiative petition proposes an amendment to the Constitution, the person who intends to circulate it shall file a copy with the Secretary of State before beginning circulation and not earlier than September 1 of the year before the year in which the election is to be held. After its circulation it shall be filed with the Secretary of State not less than 90 days before any regular general election at which the question of approval or disapproval of such amendment may be voted upon by the voters of the entire State. The circulation of the petition shall cease on the day the petition is filed with the Secretary of State or such other date as may be prescribed for the verification of the number of signatures affixed to the petition, whichever is earliest. The Secretary

of State shall cause to be published in a newspaper of general circulation, on three separate occasions, in each county in the State, together with any explanatory matter which shall be placed upon the ballot, the entire text of the proposed amendment. If a majority of the voters voting on such question at such election votes disapproval of such amendment, no further action shall be taken on the petition. If a majority of such voters votes approval of such amendment, the Secretary of State shall publish and resubmit the question of approval or disapproval to a vote of the voters at the next succeeding general election in the same manner as such question was originally submitted. If a majority of such voters votes disapproval of such amendment, no further action shall be taken on such petition. If a majority of such voters votes approval of such amendment, it shall, unless precluded by subsection 5 or 6, become a part of this Constitution upon completion of the canvass of votes by the Supreme Court.

5. If two or more measures which affect the same section of a statute or of the Constitution are finally approved pursuant to this Section, or an amendment to the Constitution is finally so approved and an amendment proposed by the Legislature is ratified which affect the same section, by the voters at the same election:

(a) If all can be given effect without contradiction in substance, each shall be given effect.

(b) If one or more contradict in substance the other or others, the measure which received the largest favorable vote, and any other approved measure compatible with it, shall be given effect. If the one or more measures that contradict in substance the other or others receive the same number of favorable votes, none of the measures that contradict another shall be given effect.

6. If, at the same election as the first approval of a constitutional amendment pursuant to this Section, another amendment is finally approved pursuant to this Section, or an amendment proposed by the Legislature is ratified, which affects the same section of the Constitution but is compatible with the amendment given first approval, the Secretary of State shall publish and resubmit at the next general election the amendment given first approval as a further amendment to the section as amended by the amendment given final approval or ratified. If the amendment finally approved or ratified contradicts in substance the amendment given first approval, the Secretary of State shall not submit the amendment given first approval to the voters again.

Lord,

I begin by praying an ancient prayer by King David. "Unto thee, O' Lord, do I lift up my soul. O' my God, I trust in Thee: Let me not be ashamed, let not mine enemies triumph over me."

Father, after 116 days here, our enemies are things like time and negativity. O' my God, I trust in Thee. Let not mine enemies triumph over me. Help us to know, as did the Apostle Paul, "I can do all things through Him who strengthens me."

I pray in His Name.

Legislative Counsel's Digest:

~~[Under existing law, a district court may establish an appropriate program for the treatment of certain offenders who are veterans and members of the military. (NRS 176A.280) Section 1 of this bill requires, to the extent that funds are available, a district court in a county whose population is 700,000 or more (currently Clark County) to establish such a program. A district court in a county whose population is less than 700,000 (currently all counties other than Clark County) retains the option to establish such a program.]~~

Existing law authorizes a district court to place certain offenders who are veterans or members of the military on probation upon terms and conditions that must include attendance and successful completion of ~~[such a]~~ **an appropriate** program ~~[.]~~ **for the treatment of such offenders that is established by the district court.** However, the court may not assign an offender to such a program without the prosecuting attorney stipulating to the assignment if: (1) the offense committed by the offender involved the use or threatened use of force or violence; or (2) the offender was previously convicted of a felony that involved the use or threatened use of force or violence. (NRS 176A.290) **Section 1.5** of this bill provides that in determining whether an offense involved the use or threatened use of force or violence, the court must consider the facts and circumstances surrounding the offense, including, without limitation, whether the offender intended to place another person in reasonable apprehension of bodily harm.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 176A.280 is hereby amended to read as follows:~~

~~176A.280 [A]~~

~~*1. In a county whose population is 700,000 or more, a* court [may]~~ ~~*shall, to the extent that funds are available,* establish an appropriate program for the treatment of veterans and members of the military to which it may assign a defendant pursuant to NRS 176A.290.~~

Sec. 1.5. NRS 176A.290 is hereby amended to read as follows:

176A.290 1. Except as otherwise provided in subsection 2, if a defendant who is a veteran or a member of the military and who suffers from mental illness, alcohol or drug abuse or posttraumatic stress disorder as described in NRS 176A.285 tenders a plea of guilty, guilty but mentally ill or nolo contendere to, or is found guilty or guilty but mentally ill of, any offense for which the suspension of sentence or the granting of probation is not prohibited by statute, the court may, without entering a judgment of conviction and with the consent of the defendant, suspend further proceedings and place the defendant on probation upon terms and conditions that must include attendance and successful completion of a program established pursuant to NRS 176A.280.

2. If the offense committed by the defendant involved the use or threatened use of force or violence or if the defendant was previously convicted in this State or in any other jurisdiction of a felony that involved the use or threatened use of force or violence, the court may not assign the defendant to the program unless the prosecuting attorney stipulates to the assignment. ***For the purposes of this subsection, in determining whether an offense involved the use or threatened use of force or violence, the court shall consider the facts and circumstances surrounding the offense, including, without limitation, whether the defendant intended to place another person in reasonable apprehension of bodily harm.***

3. Upon violation of a term or condition:

(a) The court may enter a judgment of conviction and proceed as provided in the section pursuant to which the defendant was charged.

(b) Notwithstanding the provisions of paragraph (e) of subsection 2 of NRS 193.130, the court may order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison.

4. Upon fulfillment of the terms and conditions, the court shall discharge the defendant and dismiss the proceedings. Discharge and dismissal pursuant to this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for second or subsequent convictions or the setting of bail. Discharge and dismissal restores the defendant, in the contemplation of the law, to the status occupied before the arrest, indictment or information. The defendant may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge that arrest, indictment, information or trial in response to an inquiry made of the defendant for any purpose.

Sec. 2. ~~[The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.]~~ **(Deleted by amendment.)**

Sec. 3. This act becomes effective on January 1, 2014.

Assemblyman Frierson moved that the Assembly concur in the Senate Amendment No. 626 to Assembly Bill No. 84.

Remarks by Assemblyman Frierson.

ASSEMBLYMAN FRIERSON:

Amendment 626 retains the existing provisions in NRS that make it permissive for a court to establish a program for the treatment of veterans and members of the military who suffer from alcohol or drug abuse, mental illness, or PTSD.

Assembly Bill No. 202.

The following Senate amendment was read:

Amendment No. 673.

AN ACT relating to juvenile justice; revising the list of offenses that are excluded from the original jurisdiction of the juvenile court; authorizing a child who is certified for adult criminal proceedings to petition the court for placement in a state juvenile detention facility during the pendency of the proceeding; requiring the Legislative Committee on Child Welfare and Juvenile Justice to appoint a task force to study certain issues relating to juveniles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the juvenile court has exclusive jurisdiction over a child who is alleged to have committed an act designated as a criminal offense unless: (1) the criminal offense is excluded from the jurisdiction of the juvenile court; or (2) the child is alleged to have committed an offense for which the juvenile court may certify the child for criminal proceedings as an adult and the juvenile court certifies the child for criminal proceedings as an adult upon a motion by the district attorney and after a full investigation. (NRS 62B.330, 62B.390)

Under existing law, the offenses excluded from the jurisdiction of the juvenile court include, without limitation, murder and attempted murder. (NRS 62B.330) **Section 1** of this bill provides that murder and attempted murder are excluded from the jurisdiction of the juvenile court only if the offense was committed by a child who was 14 years of age or older when he or she committed the offense. **Under section 11 of this bill, this provision becomes effective on October 1, 2014.**

Under existing law, during the pendency of the proceeding, a child who is charged with a crime which is excluded from the original jurisdiction of the juvenile court may petition the juvenile court for temporary placement in a facility for the detention of children. (NRS 62C.030) **Section 2** of this bill authorizes a child who is certified for criminal proceedings as an adult to petition the juvenile court for temporary placement in a facility for the detention of children during the pendency of the proceeding. **Under section 11, this provision becomes effective on October 1, 2013.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter

period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:

(a) At or before noon of the fifth full day following the day of service; or

(b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

➥ As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of NRS 40.280. If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant:

(1) Of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent;

(2) That if the court determines that the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant, directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order; and

(3) That, pursuant to NRS 118A.390, a tenant may seek relief if a landlord unlawfully removes the tenant from the premises or excludes the tenant by blocking or attempting to block the tenant's entry upon the premises or willfully interrupts or causes or permits the interruption of an essential service required by the rental agreement or chapter 118A of NRS.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home ***, recreational vehicle*** or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.

(5) The length of time the tenant has remained in possession without paying rent.

(6) The amount of rent claimed due and delinquent.

(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.

(8) A copy of the written notice served on the tenant.

(9) A copy of the signed written rental agreement, if any.

(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.460 or 118C.230 for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant,

➥ whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. NOTICE TO TENANTS OF THE PROPERTY

Foreclosure proceedings against this property have started, and a notice of sale of the property to the highest bidder has been issued.

You may either: (1) terminate your lease or rental agreement and move out; or (2) remain and possibly be subject to eviction proceedings under

chapter 40 of the Nevada Revised Statutes. Any subtenants may also be subject to eviction proceedings.

Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.

After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

Under the Nevada Revised Statutes eviction proceedings may begin against you after you have been given a notice to quit.

(3) If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property, delivering a copy to a person residing there, if a person can be found, and mailing a copy to you at the place where the leased property is.

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

(1) You will be given at least 10 days to answer a summons and complaint;

(2) If you do not file an answer, an order evicting you by default may be obtained against you;

(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The posting of a notice required by this section must be completed by a process server licensed pursuant to chapter 648 of NRS or any constable or ~~[the]~~ sheriff ~~[.]~~ ***of the county in which the property is located.***

Assembly Bill No. 240.

The following Senate amendment was read:

Amendment No. 737.

AN ACT relating to civil actions; revising provisions governing comparative negligence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in any action to recover damages for death or injury to persons or property where comparative negligence is asserted as a defense, the comparative negligence of the plaintiff or the plaintiff's decedent does not bar a recovery if that negligence was not greater than the negligence or gross negligence of the parties against whom recovery is sought. ~~[Where recovery is allowed against more than one defendant in such an action, except in certain cases, each defendant is severally liable to the plaintiff only for that portion of the judgment which represents the percentage of negligence attributable to that defendant.]~~ (NRS 41.141) This bill **revises the applicability of that provision by making the provision**

applicable to actions in which comparative negligence is a bona fide issue, rather than actions in which comparative negligence is asserted as a defense. ~~[clarifies that where recovery is allowed against more than one defendant, the liability of the defendants is joint and several, rather than several, unless the trier of fact finds comparative negligence on the part of the plaintiff or the plaintiff's decedent.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 41.141 is hereby amended to read as follows:

41.141 1. In any action to recover damages for death or injury to persons or for injury to property in which ~~*[the trier of fact finds]*~~ comparative negligence is ~~[~~asserted as a defense,~~]~~ ~~*[on the part of the plaintiff or the plaintiff's decedent,]*~~ ***a bona fide issue,*** the comparative negligence of the plaintiff or the plaintiff's decedent does not bar a recovery if that negligence was not greater than the negligence or gross negligence of the parties to the action against whom recovery is sought. ***Comparative negligence is not a bona fide issue if the trier of fact finds no comparative negligence on the part of the plaintiff or the plaintiff's decedent.***

2. In ~~[~~those~~]~~ cases ~~[~~,~~]~~ ***in which comparative negligence is*** ~~*[asserted as a defense,]*~~ ***a bona fide issue,*** the judge shall instruct the jury that:

(a) The plaintiff may not recover if the plaintiff's comparative negligence or that of the plaintiff's decedent is greater than the negligence of the defendant or the combined negligence of multiple defendants.

(b) If the jury determines the plaintiff is entitled to recover, it shall return:

(1) By general verdict the total amount of damages the plaintiff would be entitled to recover without regard to the plaintiff's comparative negligence; and

(2) A special verdict indicating the percentage of negligence attributable to each party remaining in the action.

3. If a defendant in such an action settles with the plaintiff before the entry of judgment, the comparative negligence of that defendant and the amount of the settlement must not thereafter be admitted into evidence nor considered by the jury. The judge shall deduct the amount of the settlement from the net sum otherwise recoverable by the plaintiff pursuant to the general and special verdicts.

4. Where recovery is allowed against more than one defendant in such an action ~~*[in which the trier of fact finds comparative negligence on the part of the plaintiff or the plaintiff's decedent,]*~~ except as otherwise provided in subsection 5, each defendant is severally liable to the plaintiff only for that portion of the judgment which represents the percentage of negligence attributable to that defendant.

5. This section does not affect the joint and several liability, if any, of the defendants in an action based upon:

(a) Strict liability;

(b) An intentional tort;

(c) The emission, disposal or spillage of a toxic or hazardous substance;

(d) The concerted acts of the defendants; or

(e) An injury to any person or property resulting from a product which is manufactured, distributed, sold or used in this State.

6. As used in this section:

(a) "Concerted acts of the defendants" does not include negligent acts committed by providers of health care while working together to provide treatment to a patient.

(b) "Provider of health care" has the meaning ascribed to it in NRS 629.031.

Amendment No. 754.

AN ACT relating to spendthrift trusts; revising provisions governing self-settled spendthrift trusts; revising provisions governing the transfer of ~~[community]~~ property to a spendthrift trust; ~~[prohibiting certain]~~ **revising provisions governing** persons ~~[from being]~~ **who act as** a distribution trustee **or distribution adviser** of a spendthrift trust; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to create a spendthrift trust, which is a trust the terms of which provide that the interest of a beneficiary may not be transferred voluntarily or involuntarily to another person. (NRS 166.020, 166.040) Under existing law, a beneficiary of a spendthrift trust may not transfer his or her interest in the trust and a creditor of the beneficiary may not satisfy the creditor's claim from the beneficiary's interest in the trust. (NRS 166.120) Existing law further authorizes the creation of self-settled spendthrift trusts, which are spendthrift trusts in which the settlor is a beneficiary. Under existing law, a self-settled spendthrift trust may be created only if the trust is irrevocable, does not require any part of the income or principal to be distributed to the settlor and is not be intended to hinder, delay or defraud known creditors. (NRS 166.040)

~~[Section 1.3 of this bill provides that a self-settled spendthrift trust is not enforceable against the settlor's child, spouse or domestic partner, or former spouse or domestic partner who has a judgment or court order against the settlor for support or maintenance. Section 1.3 further authorizes: (1) the settlor's child, spouse or domestic partner, or former spouse or domestic partner to obtain a court order attaching present or future distributions from a self-settled spendthrift trust to or for the benefit of the settlor; and (2) authorizes a court to order distributions from a self-settled spendthrift trust to satisfy a judgment or court order against the settlor for the support or maintenance of his or her child, spouse or domestic partner or former spouse or domestic partner. Section 1.6 of this bill enacts provisions governing the transfer of community property to a spendthrift trust.]~~

Section 1.2 of this bill provides that a transfer of property to a self-settled spendthrift trust is presumed to be made with actual intent to defraud an obligee named in a family support order and is void if: (1) the transfer is made after the commencement of a domestic relations proceeding; (2) the transfer is made less than 2 years before the commencement of such a proceeding; (3) the transfer is made while the settlor is subject to certain family support orders; or (4) a court order expressly requires the settlor to transfer the property to his or her child, spouse or former spouse, or a domestic partner or former domestic partner, or for the benefit of such a person. Section 1.2 further provides that under certain circumstances, a trustee of a self-settled spendthrift trust is required to provide written notice of certain distributions from the trust to an obligee named in a family support order. Section 3 of this bill provides that the provisions of section 1.2 apply only to: (1) family support orders issued on or after October 1, 2013; (2) transfers of property to a self-settled spendthrift trust made on or after October 1, 2013; and (3) distributions from a self-settled spendthrift trust made on or after October 1, 2013.

Section 1.9 of this bill prohibits the settlor, certain relatives and employees of the settlor, and business entities in which the settlor or certain relatives or employees of the settlor hold certain voting power, from ~~[being]~~ **acting as** a distribution trustee **or a distribution adviser** of a self-settled spendthrift trust ~~[.]~~ **while the settlor is subject to a family support order.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 166 of NRS is hereby amended by adding thereto the provisions set forth as sections ~~[1.3]~~ **1.1** and ~~[1.6]~~ **1.2** of this act.

Sec. 1.1. ***As used in this chapter, unless the context otherwise requires, the term "domestic partner" means a person who is in a domestic***

partnership that is registered pursuant to chapter 122A of NRS and that has not been terminated pursuant to that chapter.

Sec. 1.2. 1. Notwithstanding any other provision of law, a transfer of property to a self-settled spendthrift trust is presumed to be made with actual intent to defraud each obligee of a domestic relations order, and the transfer is presumed void as to each such obligee, if:

3. If, after an obligee named in a family support order provides a copy of the family support order to the trustee and an address to which the written notice required by subsection 2 is to be sent, the trustee makes a distribution of the income or principal of the self-settled spendthrift trust to a beneficiary who is a settlor and who is an obligor named in the family support order without sending the written notice required by subsection 2, the trustee is personally liable to the obligee for the lesser of:

(a) The amount of such distribution; and

Assembly Bill No. 415.

The following Senate amendment was read:

Amendment No. 706.

AN ACT relating to criminal justice; revising provisions governing the crime of burglary; **revising provisions governing the crime of vagrancy;** authorizing the Advisory Commission on the Administration of Justice to apply for and accept certain money; requiring the Commission to study and report on certain issues; authorizing each county to establish a community court pilot project to provide an alternative to sentencing a person who is charged with a misdemeanor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a person who enters certain structures with the intent to commit grand or petit larceny, assault or battery, any felony or to obtain money by false pretenses is guilty of the crime of burglary. (NRS 205.060) Existing law also provides that a person commits the crime of petit larceny if the person intentionally steals, takes and carries, leads or drives away certain goods or property. (NRS 205.240) **Section 1** of this bill removes the crime of petit larceny from the underlying offenses which constitute burglary if the petit larceny was intended to be committed in a commercial establishment during business hours and the person has not **: (1)** twice previously been convicted of ~~[a similar offense]~~ **petit larceny** within the previous 7 years ~~[.]~~ **; or (2) previously been convicted of a felony.**

Existing law prohibits a person from lodging in any building, structure or place without certain permission. (NRS 207.030) Section 1.5 of this bill further prohibits a person from lodging in such a place if the property is the subject of a notice of default and election to sell or is placed on a registry of vacant, abandoned or foreclosed property, unless

the person is the owner, tenant or otherwise entitled to possession of the property.

Existing law establishes the Advisory Commission on the Administration of Justice and directs the Commission, among other duties, to identify and study the elements of this State's system of criminal justice. (NRS 176.0123, 176.0125) **Section 3** of this bill authorizes the Chair of the Commission to apply for grants and accept grants, bequests, devises, donations and gifts. **Section 8** of this bill requires the Commission to include certain items relating to criminal justice on an agenda for discussion and to issue a report.

Existing law provides that a misdemeanor is punishable by a fine of not more than $1,000 or imprisonment in the county jail for not more than 6 months, or by both a fine and imprisonment. (NRS 193.150) **Section 10** of this bill authorizes each county to establish a community court pilot project within any of its justice courts located in the county to provide an alternative to sentencing a person who is charged with a misdemeanor. **Section 11** of this bill requires the community court to evaluate each defendant to determine whether services or treatment is likely to assist the defendant to modify behavior or obtain skills that may prevent the defendant from engaging in further criminal activity. The services or treatment that the community court may order the defendant to receive may include, without limitation, treatment for alcohol or substance abuse, health education, treatment for mental health, family counseling, literacy assistance, job training, housing assistance or any other services or treatment that the community court deems appropriate. **Section 11** provides that if the defendant successfully completes all conditions imposed by the community court, the sentence to which the defendant agreed upon with the justice court must not be executed or recorded. If the defendant does not successfully complete the conditions imposed, the case will be transferred back to the justice court, and the sentence must be carried out.

2. Any money received pursuant to this section must be deposited in the Special Account for the Support of the Advisory Commission on the Administration of Justice, which is hereby created in the State General Fund. Sec. 9. As used in sections 10 and 11 of this act, "community court" means the community court that is established as part of a pilot project pursuant to section 10 of this act.

Sec. 10. 1. Each county may establish a community court pilot project within any of the justice courts located in the county to provide an alternative to sentencing a person who is charged with a misdemeanor.

2. Notwithstanding any other provision of law, a defendant charged with a misdemeanor may be transferred to the community court by the justice court if the defendant:

(a) Pleads guilty to the offense;

(b) Has not previously been referred to the community court;

(c) Agrees to comply with the conditions imposed by the community court; and

(d) Agrees to a sentence, including, without limitation, a period of imprisonment in the county jail, which must be carried out if the defendant does not successfully complete the conditions imposed by the community court.

6. A defendant does not have a right to be referred to the community court pursuant to this section. It is not intended that the establishment or operation of the community court creates any right or interest in liberty or property or establishes a basis for any cause of action against the State of Nevada, its political subdivisions, agencies, boards, commissions, departments, officers or employees. The decision by the justice court of whether to refer a defendant to the community court is not subject to appeal.

Sec. 11. 1. The community court shall provide for the evaluation of each defendant transferred to the community court to determine whether services or treatment is likely to assist the defendant to modify his or her behavior or obtain skills which may prevent the defendant from engaging in further criminal activity. 2. The community court shall provide or refer a defendant to a provider of such services or treatment. The community court may enter into contracts with persons or private entities that are qualified to evaluate defendants and provide services or treatment to defendants.

3. A defendant who is ordered by the community court to receive services or treatment shall pay for the services or treatment to the extent of his or her financial resources.

4. The justice court shall not refuse to refer a defendant to the community court based on the inability of the defendant to pay any or all of the related costs.

5. The community court shall order a defendant to perform a specified amount of community service in addition to any services or treatment to which the defendant is ordered to receive. Such community service must be performed for and under the supervising authority of a county, city, town or other political subdivision or agency of the State of Nevada or a charitable organization that renders service to the community or its residents.

6. Notwithstanding any other provision of law, if a defendant successfully completes the conditions imposed by the community court, the community court shall so certify to the justice court, and the sentence imposed pursuant to section 10 of this act must not be executed or recorded. If the defendant does not successfully complete the conditions imposed by the community court, the case must be transferred back to the justice court, and the sentence must be carried out.

Assemblyman Ellison moved the adoption of the resolution.

Remarks by Assemblymen Ellison and Grady.

Assemblyman Ellison moved that the following remarks be entered into the Journal.

Motion carried.

ASSEMBLYMAN ELLISON:

It is my honor to offer a few words about the life of former regent Dorothy Gallagher. As the resolution noted, Dorothy served with distinction on the Board of Regents for 28 years. Her district consisted of 11 counties, which is 84 percent of the entire state. Those counties are Churchill, Elko, Esmeralda, Eureka, Humboldt, Lander, Lincoln, Mineral, Nye, Pershing, and White Pine. That adds up to more than 92,000 square miles. Her district was larger than 37 other states.

Dorothy helped guide the development of Great Basin College, which now has over 3,800 students in attendance. The main campus is in Elko with branches in Battle Mountain, Ely, Pahrump, and Winnemucca. Great Basin also operates satellite centers in 20 additional rural communities. Dorothy's district also included the Fallon branch of Western Nevada College and satellite centers in Hawthorne and Lovelock.

Great Basin and Western Nevada Colleges offer four-year bachelor degrees and two-year associate degrees.

I have had the honor of knowing Dorothy Gallagher and her family most of my life. She and her husband Tom, their sons, and their families are some of the finest citizens Elko County and the state of Nevada have ever seen.

Madam Speaker, if I may, I would like to turn this over to my colleague from District 38 to introduce some of our guests.

ASSEMBLYMAN GRADY:

I stand in support of Senate Concurrent Resolution 10. I have known the Gallagher and the Sewell families from Elko for many years. In fact, Harvey Sewell, Dorothy's father, was one of the biggest and finest cattle buyers in the state of Nevada. He also was one of the founders of

Nevada National Bank, then known as just Nevada National. I had the privilege of working for him at the bank when he was the chairman of the board for many years.

The other night, just a few weeks ago, my colleague from Assembly District 19, the senator from Eureka, and myself were privileged to attend the mining dinner at UNR where the family donated back to the University Dorothy's medal that she received from the mining society. They wanted it to go back to the University to be theirs forever in her name. Again, I stand in support of Senate Concurrent Resolution 10.

Resolution adopted.

The following amendment was proposed by Assemblyman Bobzien:

Amendment No. 922.

AN ACT relating to energy; revising provisions relating to the Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program; revising provisions governing the payment of incentives to participants in the Solar Program and the Wind Program; requiring the Public Utilities Commission of Nevada to adopt certain regulations; revising certain provisions relating to the portfolio standard for renewable energy; providing for aggregate net metering on low-income residential property; **establishing the Legislative Committee on Energy;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program. (NRS 701B.010-701B.290, 701B.400-701B.650, 701B.700-701B.880) **Section 3** of this bill establishes the statewide capacity floor for the Solar Program and the limits on incentives paid for each renewable energy program. **Section 3** further authorizes a utility to file with the Public Utilities Commission of Nevada the annual plan required for each of these programs as a single plan. **Sections 5, 19 and 26** of this bill remove the concept of a "program year" with respect to the renewable energy programs.

Section 7 of this bill revises provisions governing the incentives for participation in the Solar Program, requires the Commission to review the incentives and authorizes the Commission to adjust the incentives not more frequently than annually. **Section 7** also provides for an incentive to be paid to a participant in the Solar Program in one installment upon proof that the participant has installed and energized the solar energy system and for an incentive to be paid to a participant over time which must be based on the performance of the solar energy system and the amount of electricity generated by the solar energy system. **Section 7** also provides for the payment of performance-based incentives to a qualified participant in the Solar Program after December 31, 2021. **Section 9** of this bill requires the Commission to establish the categories for participation in the Solar Program which must, at a minimum, distinguish between residential property, nonresidential property and low-income residential property. **Section 9** further requires the Commission to establish the capacity limitations for each category. **Section 11** of this bill requires a participant in the Solar Program to participate in net metering.

Section 13 of this bill requires the Commission to establish the categories for participation in the Wind Program. **Section 14** of this bill requires the Commission to adopt regulations establishing a system of incentives for participation in the Wind Program. **Section 14** further provides that the total amount of the incentive paid to a participant in the Wind Program with a nameplate capacity of not more than 500 kilowatts must be paid over time and be based on the performance and amount of electricity generated by the wind energy system. **Section 14** also provides for the payment of performance-based incentives to a qualified participant in the Wind Program after December 31, 2021. **Section 17** of this bill requires a participant in the Wind Program to participate in net metering.

Section 18 of this bill requires the Commission to adopt regulations to provide a system of incentives for waterpower energy systems with a nameplate capacity of not more than 500 kilowatts. **Section 21** of this bill

requires a participant in the Waterpower Program to participate in net metering.

Existing law authorizes certain qualified customers of a utility to participate in net metering. (NRS 704.766-704.775) **Sections 23 and 24** of this bill authorize certain persons who reside in a residential housing complex located on low-income residential property to participate in aggregate net metering through the use of a net metering system which operates on multiple residential units. **Section 23** prescribes the requirements for such an aggregate net metering system, and **section 24** requires the Commission to adopt regulations setting forth the conditions under and manner in which qualified residents and tenants may participate.

Existing law provides that a provider of electric service shall be deemed to have generated or acquired 2.4 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity generated or acquired from a solar photovoltaic system installed on the premises of retail customers. (NRS 704.7822) **Section 25** of this bill provides the same calculation for solar photovoltaic systems installed on the premises of the provider if certain conditions are met.

Sections 25.1-25.45 and 25.55 of this bill establish the Legislative Committee on Energy and set forth the membership, duties, powers and responsibilities of the Committee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The Commission shall not authorize the payment of an incentive pursuant to:

(a) The Solar Energy Systems Incentive Program if the payment of the incentive would cause the total amount of incentives paid by all utilities in

this State for the installation of solar energy systems and solar distributed generation systems to exceed $333,530,000 for the period beginning on July 1, 2013, and ending on December 31, 2021.

(b) The Wind Energy Systems Demonstration Program created by NRS 701B.580 and the Waterpower Energy Systems Demonstration Program created by NRS 701B.820 if the payment of the incentive would cause the total amount of incentives paid by all utilities in this State for the installation of wind energy systems and waterpower energy systems to exceed $60,000,000 for the period beginning on July 1, 2013, and ending on December 31, 2021. The Commission shall by regulation determine the total amount of incentives for each Program.

3. A utility may file with the Commission one combined annual plan which meets the requirements set forth in NRS 701B.230, 701B.610 and 701B.850. ASSEMBLYWOMAN CARLTON:

We went through a long description of Assembly Bill 413 yesterday. This is known as our fuel tax bill. It is enabling legislation for the county to make some of the decisions on their fuel taxation. They so desperately come to us every session and ask that they get to have more say in what they do in their county. In this particular bill, we are giving them that option. I would be happy to defer to the Assistant Minority Leader for any questions that the body has.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Regarding Assembly Bill 413, indexing has worked very well for Washoe County running critical infrastructure for the community and creating construction jobs. I am sure Clark County will benefit in the way that Washoe County has. I look forward to it. But there are parts of this bill that I understand adversely impact Washoe County. I understand those are going to be addressed on the other side, so I will be supporting Assembly Bill 413 with that in mind.

ASSEMBLYWOMAN CARLTON:

Assembly Bill 488, as amended, implements the transfer of several activities within the Department of Health and Human Services. The Health Division would be renamed as the Division of Public and Behavioral Health, and mental health services would be transferred from the Division of Mental Health and Developmental Services to the renamed division to create a holistic health care approach which integrates services for both the body and mind. To create a continuum of care to serve individuals with disabilities across the lifespan within one state agency, developmental services from the Division of Mental Health and Developmental Services and Early Intervention Services from the existing Health Division would transfer to the Aging and Disability Services Division. As a result of these transfers, the Division of Mental Health and Developmental Services would be eliminated.

In addition, this bill renames the Commission on Mental Health and Developmental Services as the Commission on Behavioral Health and replaces the State Health Officer with a Chief Medical Officer. This bill implements recommendations included in the Executive Budget for the 2013-15 biennium. Assembly Bill 488, as amended, becomes effective on July 1, 2013.

THE ONE HUNDRED AND EIGHTEENTH DAY

CARSON CITY (Saturday), June 1, 2013

Assembly called to order at 12:43 p.m.

Madam Speaker presiding.

Roll called.

All present.

Prayer by Assemblyman Randy Kirner.

O' God, our Father, Thou Searcher of Men's Hearts, help us draw near to Thee in sincerity and truth.

Strengthen and increase our admiration for honest dealing and clean thinking. Make us to choose the harder right instead of the easier wrong, and never to be content with half-truth when the whole can be won. Endow us with the courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice, and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Kindle our hearts in fellowship with those of a cheerful countenance, and soften our hearts with sympathy for those who sorrow and suffer. Help us to maintain the honor of our privilege to serve as we strive to do our duty on behalf of our constituency and the citizens of Nevada.

We bring a special petition on behalf of our colleague Senator Woodhouse and her family. Be with her during these difficult times. We give You thanks for returning Assemblywoman Pierce to our body.

All of which we ask in the Name of the Great Friend and Master of Men.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Horne moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 50.

The following Senate amendment was read:

Amendment No. 762.

AN ACT relating to local government finance; revising the termination date of certain redevelopment plans; requiring certain redevelopment agencies to make available to the public certain reports concerning proposed redevelopment projects; requiring certain redevelopment agencies to include additional information in certain annual reports; revising provisions governing the set aside and use of certain revenues from taxes imposed on property in a redevelopment area; eliminating the prohibition on certain local governments creating a tourism improvement district that includes any

property within the boundaries of a redevelopment area; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a redevelopment plan adopted by a redevelopment agency of a city or county before January 1, 1991, terminates at the end of the fiscal year in which the later of the following events occurs: (1) the principal and interest of the last maturing securities issued before that date concerning the redevelopment area are fully paid; or (2) 45 years after the date on which the original redevelopment plan was adopted. (NRS 279.438) **Section 1.5** of this bill extends the deadline for that second event from 45 years to 60 years with respect to a redevelopment plan adopted by the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) if certain requirements are met.

Under existing law, the redevelopment agency of a city or county, with the consent of the governing body of the city or county, is authorized, in certain circumstances, to pay all or part of the value of the land for and the cost of the construction of a building, facility, structure or other improvement to real property or installation of an improvement which is publicly or privately owned and is located within or without a redevelopment area for which the agency has adopted a redevelopment plan. (NRS 279.486) **Section 2** of this bill requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to make available to the general public a detailed report concerning such a proposed expenditure for land or improvements by the agency at least ~~[7]~~ **14** days before a meeting at which the governing body of the city is scheduled to consider the proposed expenditure.

Under existing law, a redevelopment agency that has adopted a redevelopment plan for a redevelopment area on or after July 1, 2011, is required to submit soon after the adoption of the plan one report to the Legislature and the governing body of the city or county, as applicable, containing certain initial information about the redevelopment area. Existing law also requires a redevelopment agency that has adopted a redevelopment plan for a redevelopment area at any time to submit to the Legislature and the governing body of the city or county, as applicable, an annual report containing information about the redevelopment area for the previous fiscal year. (NRS 279.6025) **Section 3** of this bill requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to include certain additional information in the annual report.

Under existing law, a city whose population is 500,000 or more (currently the City of Las Vegas) is required to set aside 18 percent of the revenue received from taxes levied upon taxable property in a redevelopment area each year to increase, improve and preserve the number of: (1) dwelling units

in the community for low-income households; and (2) educational facilities within the redevelopment area. **Section 3.5** of this bill instead requires that 18 percent of such revenues received on or after October 1, 2011, but before March 6, 2031, be set aside to: (1) increase, improve, preserve or enhance the operating viability of dwelling units in the community for low-income households; and (2) improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. **Section 3.5** requires that on or after March 6, 2031, 18 percent of such revenues be set aside and used to improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. **Section 1** of this bill prohibits a school district from using any money received pursuant to **section 3.5** to reduce or supplant the amount of any money which the school district would otherwise expend to improve such public educational facilities.

Section 5 of this bill eliminates the prohibition in existing law against a city or county creating a tourism improvement district after October 1, 2009, that includes within its boundaries any property included within the boundaries of a redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

A school district shall not use any money received pursuant to subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 or paragraph (c) of subsection 1 of NRS 279.685 to reduce or supplant the amount of any money which the school district would otherwise expend for the purposes described in subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 and paragraph (c) of subsection 1 of NRS 279.685, respectively.

Sec. 1.5. NRS 279.438 is hereby amended to read as follows:

279.438 ***1.*** A redevelopment plan adopted before January 1, 1991, and any amendments to the plan must terminate at the end of the fiscal year in which the principal and interest of the last maturing of the securities issued before that date concerning the redevelopment area are fully paid or ***:***

(a) With respect to a redevelopment plan adopted by the agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are met, 60 years after the date on which the original redevelopment plan was adopted, whichever is later.

(b) With respect to any other redevelopment plan, including a redevelopment plan adopted by an agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are not met,

45 years after the date on which the original redevelopment plan was adopted, whichever is later.

2. A redevelopment plan adopted by an agency of a city whose population is 500,000 or more may terminate on the date prescribed by paragraph (a) of subsection 1 only if ~~***[,]***~~ ***the legislative body adopts an extension of the redevelopment plan by ordinance and, on the date on which the*** ~~***[redevelopment plan would otherwise terminate pursuant to paragraph (b) of subsection 1:]***~~ ***extension is adopted:***

(a) The assessed value of each redevelopment project in the redevelopment area is not less than the assessed value of the redevelopment project in the year in which the redevelopment plan was adopted;

(b) The assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and

(c) The agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities.

Sec. 2. NRS 279.486 is hereby amended to read as follows:

279.486 1. An agency may, with the consent of the legislative body, pay all or part of the value of the land for and the cost of the construction of any building, facility, structure or other improvement and the installation of any improvement which is publicly or privately owned and located within or without the redevelopment area.

2. Within ~~***[7]***~~ ***14 days before a meeting at which the legislative body of a city whose population is 500,000 or more is scheduled to consider an action proposed by the agency of the city pursuant to subsection 1, the agency shall make available to the public a detailed report which includes, without limitation:***

(a) A copy of any contract, memorandum of understanding or other agreement between the agency or the legislative body and any other person relating to the redevelopment project.

(b) A summary of the redevelopment project which includes, without limitation:

(1) A full and complete description of:

(I) The costs of the redevelopment project, including, without limitation, the costs of acquiring any real property, clearance costs, relocation costs, the costs of any improvements which will be paid by the agency and the amount of the anticipated interest on any bonds issued or sold to finance the project.

(II) The estimated current value of the real property interest to be conveyed or leased, determined at its highest and best use permitted under the redevelopment plan.

(III) The estimated value of the real property interest to be conveyed or leased, determined at the use and with the conditions, covenants and restrictions, and development costs required by the sale or lease, and the current purchase price or present value of the lease payments which the lessee is required to make during the term of the lease. If the sale price or present value of the total rental amount to be paid to the agency or legislative body is less than the fair market value of the real property interest to be conveyed or leased, determined at the highest and best use permitted under the redevelopment plan, the agency shall provide an explanation of the reason for the difference.

(2) An explanation of how the project will assist in the elimination of blight, including, without limitation, reference to all supporting facts and materials relied on in reaching the conclusions presented in the explanation.

3. Before the legislative body may give its consent ~~[,]~~ ***to an action proposed by the agency pursuant to subsection 1,*** it must determine that:

(a) The buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located; and

(b) No other reasonable means of financing those buildings, facilities, structures or other improvements are available.

➥ Those determinations by the agency and the legislative body are final and conclusive.

~~[2.]~~ ***4.*** In reaching its determination that the buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located, the legislative body shall consider:

(a) Whether the buildings, facilities, structures or other improvements are likely to:

(1) Encourage the creation of new business or other appropriate development;

(2) Create jobs or other business opportunities for nearby residents;

(3) Increase local revenues from desirable sources;

(4) Increase levels of human activity in the redevelopment area or the immediate neighborhood in which the redevelopment area is located;

(5) Possess attributes that are unique, either as to type of use or level of quality and design;

(6) Require for their construction, installation or operation the use of qualified and trained labor; and

(7) Demonstrate greater social or financial benefits to the community than would a similar set of buildings, facilities, structures or other improvements not paid for by the agency.

(b) The opinions of persons who reside in the redevelopment area or the immediate neighborhood in which the redevelopment area is located.

(c) Comparisons between the level of spending proposed by the agency and projections, made on a pro forma basis by the agency, of future revenues attributable to the buildings, facilities, structures or other improvements.

~~[3.]~~ ***5.*** If the value of that land or the cost of the construction of that building, facility, structure or other improvement, or the installation of any improvement has been, or will be, paid or provided for initially by the community or other governmental entity, the agency may enter into a contract with that community or governmental entity under which it agrees to reimburse the community or governmental entity for all or part of the value of that land or of the cost of the building, facility, structure or other improvement, or both, by periodic payments over a period of years. The obligation of the agency under that contract constitutes an indebtedness of the agency which may be payable out of taxes levied and allocated to the agency under paragraph (b) of subsection 1 of NRS 279.676, or out of any other available money.

Sec. 3. NRS 279.6025 is hereby amended to read as follows:

2. On or before January 1 of each year, for each redevelopment area for which a redevelopment plan has been adopted pursuant to the provisions of NRS 279.586, the agency shall submit to the Director of the Legislative Counsel Bureau, for transmittal to the Legislature, and to the legislative body a report on a form prescribed by the Committee on Local Government Finance that includes, without limitation, the following information for the redevelopment area for the previous fiscal year:

Assemblywoman Benitez-Thompson moved that the Assembly concur in the Senate Amendment No. 762 to Assembly Bill No. 50.

Remarks by Assemblywoman Benitez-Thompson.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Thank you, Madam Speaker. This amendment makes two revisions to the bill. First, it adds language to clarify when a redevelopment plan that has been extended by ordinance may terminate. Second, it extends from 7 to 14 days the length of time, prior to a public meeting, the redevelopmental agency must make available to the public a detailed report concerning certain actions that the agency proposes to take and that will be under consideration at the meeting.

Motion carried.

The following Senate amendment was read:

Amendment No. 884.

AN ACT relating to local government finance; revising the termination date of certain redevelopment plans; requiring certain redevelopment agencies to make available to the public certain reports concerning proposed redevelopment projects; requiring certain redevelopment agencies to include additional information in certain annual reports; revising provisions governing the set aside and use of certain revenues from taxes imposed on property in a redevelopment area; eliminating the prohibition on certain local governments creating a tourism improvement district that includes any property within the boundaries of a redevelopment area; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a redevelopment plan adopted by a redevelopment agency of a city or county before January 1, 1991, terminates at the end of the fiscal year in which the later of the following events occurs: (1) the principal and interest of the last maturing securities issued before that date concerning the redevelopment area are fully paid; or (2) 45 years after the date on which the original redevelopment plan was adopted. (NRS 279.438) **Section 1.5** of this bill extends the deadline for that second event from 45 years to 60 years with respect to a redevelopment plan adopted by the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) if certain requirements are met.

Under existing law, the redevelopment agency of a city or county, with the consent of the governing body of the city or county, is authorized, in certain circumstances, to pay all or part of the value of the land for and the cost of the construction of a building, facility, structure or other improvement to real property or installation of an improvement which is publicly or privately owned and is located within or without a redevelopment area for which the agency has adopted a redevelopment plan. (NRS 279.486) **Section 2** of this bill requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to make available to the general

public a detailed report concerning such a proposed expenditure for land or improvements by the agency at least 14 days before a meeting at which the governing body of the city is scheduled to consider the proposed expenditure.

Under existing law, a redevelopment agency that has adopted a redevelopment plan for a redevelopment area on or after July 1, 2011, is required to submit soon after the adoption of the plan one report to the Legislature and the governing body of the city or county, as applicable, containing certain initial information about the redevelopment area. Existing law also requires a redevelopment agency that has adopted a redevelopment plan for a redevelopment area at any time to submit to the Legislature and the governing body of the city or county, as applicable, an annual report containing information about the redevelopment area for the previous fiscal year. (NRS 279.6025) **Section 3** of this bill requires the redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) to include certain additional information in the annual report.

Under existing law, a city whose population is 500,000 or more (currently the City of Las Vegas) is required to set aside 18 percent of the revenue received from taxes levied upon taxable property in a redevelopment area each year to increase, improve and preserve the number of: (1) dwelling units in the community for low-income households; and (2) educational facilities within the redevelopment area. **Section 3.5** of this bill instead requires that 18 percent of such revenues received on or after October 1, 2011, but before March 6, 2031, be set aside to: (1) increase, improve, preserve or enhance the operating viability of dwelling units in the community for low-income households; and (2) improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. **Section 3.5** requires that on or after March 6, 2031, 18 percent of such revenues be set aside and used to improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. **Section 1** of this bill prohibits a school district from using any money received pursuant to **section 3.5** to reduce or supplant the amount of any money which the school district would otherwise expend to improve such public educational facilities.

Section 5 of this bill eliminates the prohibition in existing law against a city or county creating a tourism improvement district after October 1, 2009, that includes within its boundaries any property included within the boundaries of a redevelopment area. **In the case of a tourism improvement district created after October 1, 2009, that includes within its boundaries any property included within the boundaries of a redevelopment area, section 5 prohibits a redevelopment agency and the governing body of a county or city from providing financing or reimbursement pursuant to**

the financing and reimbursement mechanisms of both a tourism improvement district and a redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

A school district shall not use any money received pursuant to subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 or paragraph (c) of subsection 1 of NRS 279.685 to reduce or supplant the amount of any money which the school district would otherwise expend for the purposes described in subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 and paragraph (c) of subsection 1 of NRS 279.685, respectively.

Sec. 1.5. NRS 279.438 is hereby amended to read as follows:

279.438 ***1.*** A redevelopment plan adopted before January 1, 1991, and any amendments to the plan must terminate at the end of the fiscal year in which the principal and interest of the last maturing of the securities issued before that date concerning the redevelopment area are fully paid or ***:***

(b) With respect to any other redevelopment plan, including a redevelopment plan adopted by an agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are not met, 45 years after the date on which the original redevelopment plan was adopted, whichever is later.

2. A redevelopment plan adopted by an agency of a city whose population is 500,000 or more may terminate on the date prescribed by paragraph (a) of subsection 1 only if the legislative body adopts an extension of the redevelopment plan by ordinance and, on the date on which the extension is adopted:

(a) The assessed value of each redevelopment project in the redevelopment area is not less than the assessed value of the redevelopment project in the year in which the redevelopment plan was adopted;

(b) The assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and

(c) The agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities.

Sec. 2. NRS 279.486 is hereby amended to read as follows:

279.486 1. An agency may, with the consent of the legislative body, pay all or part of the value of the land for and the cost of the construction of any building, facility, structure or other improvement and the installation of any improvement which is publicly or privately owned and located within or without the redevelopment area.

2. Within 14 days before a meeting at which the legislative body of a city whose population is 500,000 or more is scheduled to consider an action proposed by the agency of the city pursuant to subsection 1, the agency shall make available to the public a detailed report which includes, without limitation:

(a) A copy of any contract, memorandum of understanding or other agreement between the agency or the legislative body and any other person relating to the redevelopment project.

(II) The estimated current value of the real property interest to be conveyed or leased, determined at its highest and best use permitted under the redevelopment plan.

(III) The estimated value of the real property interest to be conveyed or leased, determined at the use and with the conditions, covenants and restrictions, and development costs required by the sale or lease, and the current purchase price or present value of the lease payments which the lessee is required to make during the term of the lease. If the sale price or present value of the total rental amount to be paid to the agency or legislative body is less than the fair market value of the real property interest to be conveyed or leased, determined at the highest and best use permitted under the redevelopment plan, the agency shall provide an explanation of the reason for the difference.

(2) An explanation of how the project will assist in the elimination of blight, including, without limitation, reference to all supporting facts and materials relied on in reaching the conclusions presented in the explanation.

3. Before the legislative body may give its consent ~~[,]~~ ***to an action proposed by the agency pursuant to subsection 1,*** it must determine that:

(a) The buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located; and

(b) No other reasonable means of financing those buildings, facilities, structures or other improvements are available.

➥ Those determinations by the agency and the legislative body are final and conclusive.

~~[2.]~~ ***4.*** In reaching its determination that the buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located, the legislative body shall consider:

(b) The opinions of persons who reside in the redevelopment area or the immediate neighborhood in which the redevelopment area is located.

(c) Comparisons between the level of spending proposed by the agency and projections, made on a pro forma basis by the agency, of future revenues attributable to the buildings, facilities, structures or other improvements.

~~[3.]~~ ***5.*** If the value of that land or the cost of the construction of that building, facility, structure or other improvement, or the installation of any improvement has been, or will be, paid or provided for initially by the community or other governmental entity, the agency may enter into a contract with that community or governmental entity under which it agrees to reimburse the community or governmental entity for all or part of the value of that land or of the cost of the building, facility, structure or other improvement, or both, by periodic payments over a period of years. The obligation of the agency under that contract constitutes an indebtedness of the agency which may be payable out of taxes levied and allocated to the

agency under paragraph (b) of subsection 1 of NRS 279.676, or out of any other available money.

Sec. 3. NRS 279.6025 is hereby amended to read as follows:

Assembly Bill 423 hopes to clarify some of the confusion that was brought up by the Supreme Court decision in the Stockmeyer case, and it will be a benefit all around to both sides of the bar—the criminal defense bar and the prosecution bar—because there will be less doubt as to the accuracy of presentence investigation reports.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. Assembly Bill 428 makes changes to renewable energy incentive programs. It places statewide limits on the incentives paid for the solar, wind, and waterpower programs and extends the prospective expiration of those programs from December 31, 2021, to December 31, 2025. The bill requires the Public Utilities Commission of Nevada to adopt regulations relating to market-based incentives for the Solar Energy Systems Incentive Program. Incentives for the Program must be performance-based, and the bill requires the participant to prove that the solar energy system has been installed and energized before receiving any incentive payment. The bill requires the PUCN to establish customer categories participating in the Program and authorizes the agency to adopt criteria and capacity limitations for participation in the Program. Program participants are required to participate in net metering in order to be eligible.

Similarly, A.B. 428 requires the PUCN to establish the categories for the Wind Energy Systems Demonstration Program and the Waterpower Energy Systems Demonstration Program. The bill limits the total amount paid to program participants and establishes a maximum nameplate capacity of 500 kilowatts. The wind program incentive is based on the performance and amount of energy generated by the system. Eligibility for either program requires participation in net metering.

Assembly Bill 428 further requires each electric utility to create a Lower Income Solar Energy Pilot Program. The measure authorizes a utility to assess certain charges against net metering participants, and it requires the PUCN to open an investigatory docket to evaluate the costs and benefits attributable to net metering. Additionally, A.B. 428 requires the Consumer's Advocate to publish a report containing certain information if the office declines to represent the public interest in a proceeding to review a proposed rate of an electric utility. Finally, the bill establishes the Legislative Committee on Energy and sets out the membership, duties, powers, and responsibilities of the Committee.

When the history of this session is written, this will be one of the bills most talked about in terms of energy. This Legislature is considering a lot of big policy proposals this session and in particular, I'm confident the Legislative Committee on Energy section of this bill will prove to be very important as we move Nevada into an energy future that is beneficial to all its citizens. This Legislative Committee on Energy provides the necessary policy oversight—not regulatory oversight—of all the various proposals that we are potentially enacting this session relating to energy.

I also want to mention that the distributive generation piece to this is many years in the making. Similar proposals actually went into a bill last session that was vetoed by the Governor, not because of the distributive generation pieces, but because of other matters that went into the bill late in the session. I'm very proud and thankful for all of the participants, industry advocates, and the utility for coming together and working through this language. I urge passage.

Thank you, Madam Speaker. Assembly Bill 502 authorizes the expenditure of $1,262,000 by the Board of Regents from the Estate Tax Account in the Endowment Fund of the Nevada System of Higher Education for the design and construction of two buildings on the principal campus of the Nevada State College in Henderson, Nevada. Assembly Bill 502 allows for the expenditure of the balance of estate tax receipts held by the Nevada System of Higher Education on behalf of Nevada State College to either defer or reduce the impact of the Special Building Fee approved by the students of Nevada State College for the design and construction of those student activity buildings.

Assembly Bill 502 is effective upon passage and approval. It will allow some relief for students who will be paying these fees but not getting the benefits of those buildings in the future so, in essence, by using these dollars we can lower students' fees.

Thank you, Madam Speaker. Senate Bill 44 revises various provisions concerning grants or loans from the Disaster Relief Account. Specifically, the bill removes the requirement that a federal agency making a grant to the state DRA must be a disaster assistance agency, which will allow money granted or loaned from the DRA to be used to match a grant from any federal agency. The bill makes a similar change with respect to money from a local government fund established to mitigate a natural disaster, and it expands the purposes for which grant money may be used to include the removal of debris from publicly or privately owned land and waterways undertaken because of the disaster.

The measure also requires each school to develop a plan for instructional delivery for the annual "Week of Respect" proclaimed by the Governor.

The measure further provides additional requirements for the training of school personnel, as well as for members of school boards of trustees. School site administrators are required to receive training at least every three years from a program established by the Department of Education. Finally, parents are to be notified concerning incidents of bullying, cyber-bullying, harassment, and intimidation involving their child.

SECOND READING AND AMENDMENT

Assembly Bill No. 335.

Bill read second time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 917.

AN ACT relating to public improvements; creating and providing for the dissolution of the University of Nevada, Las Vegas, Campus Improvement Authority; providing for the appointment of a Board of Directors thereof and prescribing the powers and duties of the Authority and the Board; providing for **the Board to study the feasibility of and** the financing ~~[~~**,**~~construction and operation of]~~ **alternatives for** a large events center and certain other

public improvements; ~~[exempting the property and transactions of the Authority from state and local taxation;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill sets forth the University of Nevada, Las Vegas, Campus Improvement Authority Law. **Section 16** of this bill creates the Authority as a political subdivision of this State whose boundaries are the same as the boundaries of the ~~[tax increment]~~ **Authority** area described in **section ~~[13]~~ 4.5** of this bill, which consists essentially of property that is owned or leased by the Nevada System of Higher Education and that is a part of or in the vicinity of the University of Nevada, Las Vegas, campus**.** ~~[or is administered by that University. Section 31 of this bill exempts the property and transactions of the Authority from state and local taxation to the same extent as the property and transactions of the Nevada System of Higher Education.]~~ **Sections 17 and 18** of this bill set forth the qualifications and the procedure for the appointment of the members of the Board of Directors of the Authority.

Section 23 of this bill prescribes the general powers of the Board of Directors of the Authority. Those powers include the authority to ~~[construct and operate a large events center in and otherwise develop the tax increment area, and to impose various fees and charges for any services or facilities furnished in connection with that undertaking, if those actions are allowed under a lease or management agreement made with the Nevada System of Higher Education.]~~ **enter into contracts and other agreements necessary to conduct the business of the Authority, except that such contracts and agreements may not include contracts or agreements relating to the construction, acquisition, lease, lease-purchase, gift, equipment, maintenance, insurance, operation, management, promotion or advertising of any undertaking or any part thereof. Section 24.5 of this bill prescribes the duties of the Board of Directors of the Authority. Those duties include studying the need for, feasibility of and financing alternatives for a large events center and other required infrastructure and supporting improvements in the Authority area. The Board of Directors must also prepare a report of the results of the study of the Board, including any recommendations for legislation, for transmittal to the 78th Session of the Nevada Legislature. Section 24.7 of this bill authorizes the University of Nevada, Las Vegas to use not more than 2 percent of any money received from the issuance of certain bonds by the Board of Regents of the University of Nevada to provide money to the Authority to carry out the provisions of the University of Nevada, Las Vegas, Campus Improvement Authority Law.**

~~[Section 25 of this bill generally exempts such an undertaking from laws requiring competitive bidding or specifying procedures for the procurement of goods or services, and from the statutory provisions governing public works projects, except that the pertinent construction contracts must comply with the statutory prevailing wage provisions and, if the Authority determines that a contract can be competitively bid without affecting the quality of the project, must be competitively bid in accordance with procedures established by the Authority.~~

~~Section 26 of this bill requires the deposit into a tax increment account of the amounts by which certain taxes collected in or paid with respect to any property or activities in the tax increment area for each fiscal year beginning on or after July 1, 2014, exceed the amounts of those taxes for the fiscal year beginning on July 1, 2012. Pursuant to section 8 of this bill, those taxes consist of all property taxes, the payroll taxes imposed on financial institutions and other businesses, the live entertainment tax, the state sales and use tax, the sales and use tax imposed pursuant to the City-County Relief Tax Law, the slot tax imposed on restricted gaming operations and all room taxes. Section 29 of this bill authorizes the Board of Directors of the Authority to issue securities to pay the cost of its undertakings which are payable solely from the taxes deposited in the tax increment account and various other revenues of the Authority described in section 9 of this bill. Section 34 of this bill authorizes the refunding of those securities by Clark County pursuant to the County Bond Law.~~

~~Section 24 of this bill prohibits the Board of Directors of the Authority from using any money in the tax increment account unless the Board has entered into a lease or management agreement with the Nevada System of Higher Education which authorizes a specific undertaking. If the Board fails to enter into such an agreement on or before June 30, 2017, section 40 of this bill terminates the further deposit of taxes into the tax increment account and section 35 of this bill requires the Board to return the taxes already deposited in the tax increment account for distribution in the same manner as if those taxes had not been deposited into that account, and to dissolve the Authority.]~~

Section 40 of this bill will cause this bill to expire by limitation on August 31, 2013, if the Board of Regents of the University of Nevada does not make its appointments to the membership of the Board of Directors of the Authority ~~[by]~~ **on or before** that date. Otherwise, this bill will expire by limitation ~~[upon the dissolution of the Authority.]~~ **on October 1, 2015.**

Pursuant to **section 35** of this bill, the assets of the Authority **, to the extent that such assets are not needed to satisfy any outstanding obligations of the Authority,** become the property of the Nevada System of Higher Education upon the dissolution of the Authority **.** ~~[, except that if the dissolution occurs before the Authority uses any money in the tax increment~~

~~account, that money must be returned for distribution in the same manner as if those taxes had not been deposited into that account.]~~

REMARKS FROM THE FLOOR

Madam Speaker requested that the following tribute for Assemblywoman Pierce be entered in the Journal.

Motion carried.

TRIBUTE HONORING ASSEMBLYWOMAN PIERCE

Peggy Pierce originally hailed from Milton, Massachusetts. Her father was an Episcopal priest and her mother was an elementary school teacher. Peggy had five sisters and two brothers, so there was always a lot going on. As a teenager, her family lived in the Midwest. Peggy struck out on her own and moved to San Francisco in the early 1970s. Peggy lived in the City-by-the-Bay for 16 years, soaking up the fog. She worked in the food service industry doing everything from washing dishes to managing a cafeteria. In 1988, she moved to Las Vegas where she primarily was a food server at the Desert Inn until it closed in 2000. Shortly after that time, she went to work at the Culinary Union, where she served as the community liaison until September 2005. She then went to work for the United Labor Agency of Nevada and continues to work there as its resources coordinator.

Peggy Pierce was first elected to the Nevada Assembly in November 2002. Because of Nevada's constitutional term limits, 2013 will be her last regular session and her current term of office will expire in November 2014. She served as the Co-Chief Deputy Majority Whip in 2011, and as the Assembly Senior Chief Deputy Majority Whip in 2013. During her six regular sessions, Assemblywoman Pierce's committee work primarily focused on three Assembly standing committees: Government Affairs (all sessions); Health and Human Services (all sessions); and Taxation (all sessions except for 2005). She also served on the Assembly committees on: Elections, Procedures, Ethics, and Constitutional Amendments; Growth and Infrastructure; and Natural Resources, Agriculture, and Mining. She was the primary sponsor of successful legislation on topics such as: elder abuse; permanent total disabilities; the employees of senior housing facilities; hospice care; motor vehicles; the protection of personal identifying information; statutory liens; fire protection; guardianships; recycling; safety in children's products; prevailing wage; and warnings concerning the hazards of smoking during pregnancy.

During the interim period between legislative sessions, Assemblywoman Pierce has served on a number of study committees and task forces. Among others, she served on: the Advisory Board for the Nevada Task Force for Technological Crime; the Advisory Board on Maternal and Child Health; the Legislative Committee for Local Government Taxes and Finance; the Subcommittee of the Legislative Committee on Public Lands to Study Wilderness Areas and Wilderness Study Areas; and the Legislative Committee on Health Care. From 2003 to February 2012, she was a member of the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System and chaired that important committee in 2007 and 2008.

Peggy notes that because her parents were active in the civil rights movement of the early sixties, she came from a tradition of community and political activism. Among other organizations, she has been active in the Sierra Club, concentrating on air quality and energy development. Further, Peggy was a member of the Clark County Air Quality Hearing Board in 2001. Peggy also notes that she is a high school graduate who picked up a college credit here and there, but mostly is self-educated. She reads widely, mostly non-fiction, history, and public

policy, and loves the desert landscape of Nevada, taking hikes in nearby areas when time permits.

Assemblywoman Peggy Pierce has been a thoughtful and dedicated member of the Assembly for the past 11 years. The Nevada Legislature stresses the value of being a "citizen legislature," which allows for diversity among its members and wide-ranging interests and areas of expertise. Assemblywoman Peggy Pierce certainly provides an excellent example of the type of member that keeps Nevada's legislative institution strong.

Madam Speaker requested that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN HORNE:

Thank you, Madam Speaker. Peggy and I came in together as freshmen, as everyone knows, and we hit it off right away, mostly because of her passion for what she believes in, even though we would give her a hard time about the black helicopters. She would come to us and say, "You've got to sign this bill." "Okay, Peggy, what's the bill?" "It's a great bill; it's a great bill. I need you to sign it." And when you started reading it, the bill is about some kind of conspiracy, and we got to get something going. "Peggy, I love you, but I ain't signing that bill. I won't stand up and talk against your bill, but I am not signing that bill, Peggy." We would still be good; we still loved each other and laughed. Anyone who served with her knows her remarks can be very colorful. For those of you who don't have the privilege to sit in our caucus, they become really colorful.

My best memory was in 2007 when I was going through my divorce. We were doing our typical thing in the hallways, going from committee to committee and whatnot. I was outside of Commerce and Labor and Peggy was walking somewhere and saw me there. It wasn't anything in particular, but she walked over to me and gave me the greatest hug, and she said, "You're going to get through it. I know you are." And that was it. She just had this sense about me and what I was going through at that time, and she picked up on it right away and just came over and comforted me. That is what I will always remember about Peggy, because despite political differences, in her heart, she really cares about people. If she knows you and loves you, you can times that by infinity, because that's the type of person she is, and I'll never forget that.

ASSEMBLYMAN GRADY:

Thank you, Madam Speaker. It is appropriate that my friend Assemblyman Horne and my friend Peggy Pierce and I came in here together, and we are leaving together. I remember our first year was a very difficult session, especially the end. Peggy was so mad at us. We heard the colorful language; we understood the colorful language. And she stayed mad at us until the start of the 2005 Session, and then we kind of made up. I can tell you, I think we found out what friendship is all about. It has been my pleasure, my honor to serve with you, Peggy. We argued in some committees—Natural Resources when you had some bills. It's kind of like the Majority Leader said—Peggy, I love you, but I can't vote for this bill. But we stayed friends, and I wish you the very best because you are just a wonderful lady.

ASSEMBLYMAN ELLIOT ANDERSON:

Thank you, Madam Speaker. I couldn't pass up the opportunity to say a few words about my colleague. We have been friends since 2007, long before I was in this body. Everything that everyone has said already today applies as far back as I can remember. I'll never forget her taking a chance on me when I first ran for this body, and I really want to thank her for that. But even more than that, I want to thank her for being our party's conscience in this building. I think that is important, because sometimes it is not always easy to say what you think in this building, and Peggy never had a problem with that. And that, to me, is an example of what a good legislator is—never being afraid to speak your mind. It's very, very important.

It's very hard for me—as the Majority Leader said. It is hard to see her in the shape that she is in because I know what her heart still looks like. It is still fierce, it is still fighting, and Peggy, no matter what happens in my legislative career, I can tell you that I am always going to be asking myself, "What would Peggy say? What would Peggy do?" I think that is important for all of us.

ASSEMBLYMAN STEWART:

Thank you, Madam Speaker. The Majority Leader has no idea what it is like to disagree with Peggy Pierce. I've sat in several committees with her, from sewer laterals in Health and Human Services to Lake Tahoe in Government Affairs, and this past session I've had the honor of sitting next to her. Once in a great while—I can't think of any specific instances—we did agree. We had a little banter that went on between us while other things were going on, and we would kind of dig at each other, she being a softhearted liberal and me being a hard hearted conservative—I hope Chuck Muth is listening. This banter went on for a while, and I soon realized that I was no match for Peggy. She has a very quick wit, and I'm sort of a halfwit, so I finally kind of gave up. But I was so sad when she became ill and was not able to come to the sessions. Pardon me to the chair of Government Affairs, but it became kind of boring after Peggy left. But, you know, she's going to bounce back, and I wouldn't be surprised if in a couple of years she was running for the Senate. Peggy, I love you, I respect you, and we always know where you stand, and we'll always love you.

ASSEMBLYWOMAN SWANK:

Thank you, Madam Speaker. I know I'm only a freshman, and I didn't get to meet Peggy before I was elected, however, this is a great story. It was right after the election. We were having dinner at someone's house. It was all of the women who had been elected. I had never had a conversation with Peggy before, and we had a very nice conversation. I won't recount all of it, but there was a mention of muskets, and I rather liked that, and I decided at that point that when I grow up, I want to be Peggy Pierce. Thank you, Peggy.

ASSEMBLYWOMAN DIAZ:

Thank you, Madam Speaker. In Spanish when people are small, we say sometimes that they are—especially referring here to my colleague from Assembly District 3—chiquita pero picosa. That basically means she is a little hot habanero. She really knows how to turn the heat on—and fast. Everybody has been talking about how great Peggy's heart is. I was able to be a recipient of a lot of that love last session as a freshman. She held my hand, me being pregnant and all, and I'm very grateful she came by and she visited my son and I. I hope that I get to grow up to be a true stateswoman, like my colleague here. She really stays true to her convictions. No matter how highly contentious the subject is, she votes what she truly feels is the right way to vote, and she never caves, and that is the legacy that I will have to live up to the rest of the time I get to serve, too.

ASSEMBLYMAN BOBZIEN:

Madam Speaker, thank you for doing this—and not on the last night. I think it's wonderful that we've got a little bit of time, and it is a really good idea, and here is why. For the freshmen, you may not know that this is coming, but many of you in two nights are going to be finished with the session, and you are going to swear that you don't ever want to come back. I think we are definitely on track, Madam Speaker, but a number of us that have been here and have served a session have had that experience at least once. Certainly my brush with that was the most severe last session with the storied battle over Tahoe; finishing that up and having Peggy as a comrade in arms in that; finishing that night and feeling completely hung out, run over, and dejected; and feeling like I didn't ever want to talk to anybody ever again. And there was Peggy who treated it like this is just going to keep going: This is not over; this is not done. And I remember thinking at the time, Who is this that she has this strength and understanding of

justice, knowing that things are always bigger than you and that the arc of history bends towards justice? She is our long arc in this Legislature, and that's something that I'll never forget.

I feel a special obligation to finish out the Majority Leader's reference to black helicopters because it really is a good story if you don't remember it. Everyone knows that both caucuses have their chats. We tend to have a lot of fun on those chats. We are also doing business and planning things, but we also have some fun. That bill in particular, I think, dealt with a resolution about the World Trade Organization or something, and I remember having the same response that William did where I was like, "Peggy, what?" And I don't know—did I sign onto it? Maybe I did, maybe I didn't, but all throughout the session, it was all about the black helicopters, and I remember that that was the first time that our chat humor spilled out onto the floor for everyone to see when former Assemblyman Tick Segerblom, now Senator, got up during the floor debate and flat out said to the bill sponsor, "I'd like to ask you about the black helicopters." And everybody just busted up laughing, and I think the best part about it was that nobody was laughing harder than Peggy. It's the humor that you have to have and the spirit that you have to have in this building that Peggy exemplifies.

ASSEMBLYWOMAN CARLTON:

Thank you, Madam Speaker. We have told the license plate story many, many times, but I think, on its anniversary, I should mention the fight of 2003, the most hard fought battle that has ever happened in this building, in that hallway, right outside those doors with Peggy Pierce, myself, and Senator Bill Raggio, over a license plate bill. So we have done one in our history; we never did another. We have kept that pledge to each other. But in memory of Assembly Bill 207, which actually didn't pass because Senator Raggio killed it. Peggy and I amended our bill into his so that it would have to pass—so now you have, thanks to Peggy and me, a Ducks Unlimited plate and a naturalized citizenship plate. The citizenship plate is the prettiest plate, the most effective plate, and the proudest plate in this state. In honor of that, we have for Ms. Pierce, two citizenship plates with her name, one signed by the Senate, one by the Assembly. I apologize; not all signatures are there, so please stop by Peggy's desk to put your signatures on the back of those plates. We weren't able to get to everyone.

Peggy, I remember sitting in Washington, D.C. at the Washington Hilton having a single scotch in a glass and talking about you running for office. It was the best conversation we ever had. Thank you for doing it. The state is a better place because of you. Thank you.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

I'll finish up. You know, I have a lot of great stories about Peggy, but what I'll tell you is that she is a harder worker than me, and people never even realized that. She served as my vice chair, and no disrespect for anybody else, but she will always be my favorite vice chair because when times were tough or days were long, she would come by and say, "Hey, girlfriend. What can I do to help you?" She was always there to give me a bright spot in my day. This session especially, times were tough for a lot of folks in the building, but each day Peggy would come by and say, "What can I do to help you?" She has been my inspiration the entire session because she never stopped caring about this building. She never stopped caring about any one of you in here, and she will always be remembered for making sure we got through this session. So Peggy, I thank you for keeping us all going this session. You will still always be the best vice chair around. So with that, I'd like to give you applause from all of us and say thank you for your service to our state.

Madam Speaker requested that the following tribute for Assemblyman Grady be entered in the Journal.

Motion carried.

TRIBUTE HONORING ASSEMBLYMAN GRADY

Tom Grady was born in Tonopah, Nevada, and received his high school diploma from Bishop Manogue High School in Reno. He continued his education at the University of Nevada, Reno. His first professional career was in agriculture banking, where he worked for 30 years serving northern Nevada. During that time, he furthered his education at the Washington State Bankers School at Washington State University in Pullman, Washington.

Tom Grady lived in Fallon, Nevada, between 1968 and 1973, where he served as Assistant Secretary, Treasurer, and Office Manager of the Truckee River Irrigation District. In 1973, he relocated to Yerington, Nevada, where he has lived over the past 40 years. Between 1973 and 1993, he was Vice President of Agricultural Banking with the Pioneer Citizens Bank of Nevada. Tom was an elected member of the Yerington City Council between 1979 and 1981. He was elected Mayor of the City of Yerington in 1981 and served in that post for the next 12 years. Following his years in banking, and as an elected officer in Yerington from 1993 to 2001, Tom was the Executive Director of the Nevada League of Cities and Municipalities. Among many other duties and responsibilities, he ably represented local governments as a lobbyist at five regular and one special session of the Nevada Legislature.

In 2002, at the urging of many, Tom decided to embark on another career as a member of the Nevada Legislature. He was elected to Assembly District No. 38 in November 2002, and will have served for 12 years in that capacity when his current term expires in November 2014. For his first ten years in office, Assembly District No. 38 included all of Lyon and Storey Counties and portions of Carson City and Churchill County. Following redistricting by Nevada's First Judicial District Court in 2011, the boundaries of District 38 were changed to include all of Churchill County and a portion of Lyon County. As a former Churchill County resident, and a 40-year resident of Lyon County, Tom has been an ideal person to represent these counties in the Assembly.

As a member of the Nevada Assembly, Tom served as co-Minority Whip at the regular sessions of 2011 and 2013. He served as a member of the Assembly Committee on Ways and Means for the 2007, 2009, 2011, and 2013 Sessions, and likewise was a member of the Interim Finance Committee from 2007 until the present time. Other standing committees on which Tom Grady served include: Commerce and Labor; Elections, Procedures, Ethics, and Constitutional Amendments; Government Affairs; Growth and Infrastructure; Legislative Affairs and Operations; Taxation; and Natural Resources, Agriculture, and Mining. During his years of service in the Assembly, Tom Grady was the primary sponsor of successful legislation on a variety of topics, including: unemployment compensation; public administrators; meetings of boards of county commissioners; general improvement districts; veterans; county and city boundaries; fire protection; community water and sewerage systems; farm equipment; water conservation; local government airports; irrigation districts; and rural housing.

Among other awards, positions, and honors, Tom Grady was: Fallon Lions Club Lion of the Year, 1971-1972; Yerington Lions Club Lion of the Year, 1981-1982; President (1986-1987) and Public Official of the Year (1987), Nevada League of Cities; and Member of the Board of Directors, National League of Cities. As a member of the Nevada Assembly, Tom Grady will be remembered as a strong advocate of rural Nevada and Nevada's cities and local governments. Tom and his wife Patricia are the proud parents of Tina Cordes, Tim Grady, and Tami Harmon, and the equally proud grandparents of seven grandchildren. His good-natured and collegial approach to lawmaking, as well as his expertise in banking, local governments, and many other topics, will be missed when Tom Grady leaves the Assembly in November 2014.

Madam Speaker requested that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN HICKEY:

Thank you, Madam Speaker. Tom, it's a pleasure to have this time, before we end, for all of us to be educated in all that you've done and all you've been. I remember when I served here in the 1990s, and I think you were with the League of Cities at that time. I hope everyone remembers hearing that you were the mayor of Yerington when Speaker Joe Dini was here. Those are all experiences for us to reflect on—what you have done as a representative of the rurals and what the rurals have meant to this state. At times when we fight between the north and the south, those colleagues of ours from the rurals represent kind of a bridge of reality that I think helps keep it real because, Tom, you're one of the many that had such a rich career before coming here and therefore brought so much to us. Certainly I felt that way as a leader and being our whip and really an elder in our caucus—that when things got bouncing around, I could always walk into Tom's office and sit down. You've seen it all before. There is nothing new under the sun.

I know the one person that really inspired Tom Grady last session was Senator Horsford. When Senator Horsford would get preaching on Ways and Means—and he could—I think it was a good thing that Tom Grady was on the edge of that committee chair because Tom was just about to get Pentecostal sometimes when the Senator got going. It's been great having you, Tom. It's an honor. We would love to have you come back. I know you're going to peek through the glass and laugh at us. It's a whimsical time, but you deserve this honor. You've been a good friend and a good example to many of us.

ASSEMBLYMAN HORNE:

Thank you, Madam Speaker. There are just a couple of brief things I want to share with everyone, particularly the new members of the body, about what you can take away about Tom. Over the years, for sure, we've had disagreements on policy and debates on the floor, in committee, et cetera. The thing you remember, and I hope everyone takes away from this, is that with Tom—at the end, have you noticed that when you walk out of the committee room, you walk off this floor, he's always got a smile for you? He's always ready to have a joke with you or laugh with you, no matter how heated it has gotten, because he remembers and he knows that this place will be here long after you're gone. It was here before you got here. You can have some true respect for each other and have some long-lasting friendships here, and that's what I have taken with Tom. It's not worth staying mad at each other, and that's refreshing. I hope a lot of people take that away from their experiences here with Tom. I have appreciated serving with you, Tom.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. For me, I have been privileged to have the opportunity to work under the tutelage of Mr. Grady. I have known Mr. Grady for a longer time than I've been here in the session. I used to be a city councilman myself, and he was kind of running this state in the League of Cities for quite some time. He has always had a sense of humor. To have them let me hang out with him and Pete Goicoechea has been a great opportunity—to be favored to have that opportunity and be in that circle. They have quite the sense of humor. People in this room right here think that they are running this building. I have to let you know that everything is done at 6:30 in the morning in another room, and the Speaker comes in and makes sure that we're going in the right direction. It's fun to sit there. I've seen another side of Tom that I think most of you don't get to see. He can get mad, and when he does, you kind of just back off and leave him alone. The other day I put my arm around him and said, "Mr. Grady, I love you man." He said, "Cresent, you can't have my damn gin." Anyway, I appreciate him and appreciate the lessons he's taught and wish everybody had that opportunity. I truly believe he will be standing back there next session with his hands on his ears waving at us because he enjoys life and enjoys harassment. Thank you for your time and thank you for that circle.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Speaker. I just want to sort of double up on the remarks of the Majority Leader. It comes as no surprise to anyone that I don't have a nonpartisan bone in my body. I try, but it just doesn't happen. Being in this chamber and knowing people on the other side of the aisle for as long as we do and as closely as we do, even someone like me knows that there are very decent people on both sides of the aisle, and you are one of them. You've brought a whole lot of experience to these chambers from your time in local government, and you clearly care very much about the people that you serve, and that's always very inspirational. It's been a real honor to serve with you, and I think that maybe you and I are the only two people around who swear that our names will never appear on a ballot again. So I will be thinking of you every election night from now on when we're not biting our nails. Thank you.

ASSEMBLYMAN STEWART:

Thank you, Madam Speaker. I just agreed with Peggy again. Tom has always been a real friend to me. When I came here, I didn't know anything about northern Nevada. I think all you need to know about northern Nevada and the type of people that are here is to know Tom Grady. I had a little problem last session with some folks, and Tom was there for me and I will never forget that. He's got many titles: of mayor, of Assemblyman, of husband to his dear wife. If you want to know what a great marriage is, look at Tom and Pat. To me the greatest title he has is friend, and I will always remember him as a friend.

ASSEMBLYMAN OHRENSCHALL:

Thank you, Madam Speaker. Tom, it's been great to serve with you. I remember when we were first elected. I was pretty partisan back then, and I remember we Democrats were disappointed that the Dini family didn't hold onto the seat, but that was before I got to know you. The more I got to know you, the more I realized that you look at the issue. It doesn't matter if it's a Democrat or a Republican issue. I really think you stand in the tradition of some of the great rural legislators like John Carpenter, Dean Rhoads, Mike McGinness. You are part of that great tradition. This session I was really lucky to get to sit next to you on Commerce and Labor. Just the chats we had about issues and about witnesses and whether they sounded smart or sounded stupid or sounded funny, I really enjoyed that, and you really are a tribute to this body.

ASSEMBLYMAN ELLISON:

Thank you, Madam Speaker. I was just told to be good. I stand in front of you and my colleagues, my friend from District 38, my friend from District 34, and my friend from District 3. These are some of the greatest people in the world, even though I've only known some for four or five years, and I have known my colleague here for many, many years. He was at one time known as "Gentleman Tom." He's kind of used some of the unspoken language at me in the building and told me, "What the hell were you thinking of?" So I'm learning. And Ms. Pierce—I love her to death even though I know the mind will not fit where I sit—and Mr. Horne—I have the most respect for these three individuals. I just want you to please stand and give them all a big hand at once.

ASSEMBLYMAN ELLIOT ANDERSON:

Thank you, Madam Speaker. Tom, I just wanted to briefly say I've appreciated working with you on all the different veterans' issues. Remember, I was even talking to you about them in 2009, and so I've appreciated all we've been able to do together on that. I have never thought a bad word about you and just wanted to say thank you.

ASSEMBLYMAN LIVERMORE:

Thank you, Madam Speaker. I stand on Carson City's behalf. Mr. Grady, Tom our friend, has represented Carson City for five of his terms here. Only this year do I represent all of Carson City. Tom willed that to me last year, and hopefully I will continue to represent all of

Carson City. Tom, I love you very much. It was very interesting this year when you brought forth a couple of bills that were very interesting: Don't feed the horses and you need insurance for your irrigation ditches. But I knew Tom a little bit from when I was a county official and he worked at the League of Cities. It was always good to see him. As a supervisor, sometimes people called me if they didn't know who their Assembly person was and they were looking for somebody in Carson City, so that encouraged me to run for this seat, Mr. Grady. Tom lives in that wonderful town, Yerington, and he lives at the edge of the golf course that doesn't have any golfers anymore. Maybe he can take up putting or maybe he can try to figure out what the best angles are out there on that golf course. Tom, I will always remember the pen that you have and how you kept order as the whip in the Republican caucus. He had a knack of tapping his pen on the table that made the largest noise. It was like a big mallet. I stand here today to thank you for your service to Nevada. Thank you for your service to Carson City. It's been a pleasure working here with you.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

As I came into my first session, Mr. Grady and Mr. Sullivan kind of invited me into the cowboy caucus in the morning. I had to prove my way into that caucus because Mr. Carpenter, who was here, and Mr. Grady and Mr. Goicoechea weren't so sure of some wild child, city slicker that was coming in to have coffee with them in the morning. So it took a couple of weeks. I was pretty consistent showing up, and they started to lighten up a little. It was okay that I came in and had coffee with them. Really where Tom and I started, we agreed the most on a particular issue on rural housing where the two of us agreed that the person who was in charge probably wasn't the best friend of many. We worked together to pass a lot of legislation to ensure that rural housing worked for the benefit of the state and the folks in the rurals. We had some great laughs over others' misfortunes, but it was good for the state. I served with you for a long time. It was a pleasure. I was glad to be in the cowboy caucus. I still show up. I do also want to thank you for your service, and I hope that you have brought someone up along that we can count on next session. We know what we don't want, so we want you to bring us someone good that we can work with. With that, Mr. Grady, thank you for your service to the state and the rurals; you will be sadly missed in this building.

Madam Speaker requested that the following tribute for Assemblyman Horne be entered in the Journal.

Motion carried.

TRIBUTE HONORING ASSEMBLYMAN HORNE

William C. Horne was born in Wichita Falls, Texas. As part of an Air Force family, William moved frequently as a child. But his roots in southern Nevada are very deep. He lived in Las Vegas through most of his schooling, attending Lois Craig Elementary, Madison Sixth Grade Center, Gibson Junior High, and graduating from Western High School. During these years in school, William pursued the goal of becoming an Air Force fighter pilot, and was active in the Cub Scouts, Webelos, Boy Scouts, and the Junior ROTC. However, at the age of 16, William learned he could not follow in his father's footsteps in the military due to a health-related condition. For William, service to country and community would have to come in another form.

Once William's father passed away, the burden of raising the family fell on William's mother, Mary. It wasn't until years later that William learned how much his mother sacrificed, saved, and went without so William and his sisters, Tracy and Toni, could have clothes, books, and money for after school activities. William finished his freshman year at the University of Nevada, Las Vegas, then left school to work in the airline industry for the next 15 years. William credits his mother as the inspiration to return to college at UNLV, where he went on to

receive his Bachelor of Arts degree in Criminal Justice, and later his law degree from the William S. Boyd School of Law. After receiving his law degree, William was working as a law clerk at the time of his first election to the Nevada Assembly in November 2002. Since his passage of the Nevada Bar, William has operated a private law practice in Clark County.

As a member of the Nevada Assembly, William Horne has now served in six regular sessions and eight special sessions. Following his first regular session, William was named the Outstanding Freshman Assemblyman at the 2003 Session. In 2005, William was again recognized for his hard work, being named one of the most effective legislators in the Assembly. As his seniority in the Assembly increased, William's leadership responsibilities also increased. He was selected to serve as co-Assistant Majority Whip in the 2007 and 2009 Regular Sessions, as the Majority Whip for the 2011 Session, and as the Assembly Majority Floor Leader at the 2013 Session. His committee assignments for the 2013 Session included the Assembly standing committees on Commerce and Labor, Taxation, and Ways and Means. During prior sessions, he served on several other standing committees, including the Assembly Committee on Judiciary. He was a member of that important committee during his first 10 years in the Assembly, and chaired it during the 2011 Regular Session.

William was the author of many excellent pieces of legislation over the years. In the 2013 Session alone, he sponsored bills approved by the Legislature concerning interactive gaming, the servitude of a minor, bidder preferences on public works, electronic messaging signs along highways, private investigators, the victims of crime, and hoax bombs. During earlier sessions, he was the primary sponsor of enacted bills dealing with methamphetamines, community redevelopment, eminent domain, medical research, real estate appraisals, the victims of domestic violence and sexual assault, child prostitution, condominium hotels, the crime of battery, post-conviction genetic marker analysis, and child abduction prevention.

During the interim periods between sessions, William has continued his legislative service as a member of a number of statutory and interim study committees. For example, during the 2005 2006 interim period, he chaired the Legislative Commission's Subcommittee to Study Sentencing and Pardons, and Parole and Probation. Other interim legislative study committees on which he served include those on gaming policy, courts of chancery, high-level radioactive waste, and education. He also has served on: the Nevada Commission on Homeland Security; the Nevada Mental Health Plan Implementation Commission; the Nevada State Council on Interstate Juvenile Supervision; and the Advisory Commission on the Administration of Justice. Additionally, William is now a member of the Legislature's Interim Finance Committee and the Legislative Commission, and will continue that service until the end of his current term of office. He also continues to serve on the National Conference of Commissioners on Uniform State Laws, a body on which he has served since 2005.

William lives in the western part of Las Vegas and is the proud father of Kayla, Chelsey, Henry, and Chloe, and is the equally proud grandfather of Sarah. He has been a stalwart member of the Assembly since the 2003 Session, and his intelligence, wide ranging expertise, integrity, and service as both a mentor and leader will be missed in the sessions to come. We extend our thanks to William C. Horne for his excellent service in this body, and wish him all the best in his future endeavors.

Madam Speaker requested that the following remarks be entered in the Journal.

Motion carried.

ASSEMBLYMAN FRIERSON:

Thank you, Madam Speaker. Our Majority Leader and I go way back. We went to law school together. I actually went to college with his sister as an undergrad. I have learned a great deal from William, even starting back then. I learned how to canvas through canvassing for the Majority Leader. I learned how to run from dogs while canvassing with the Majority Leader. I

learned how to run from dogs and duck constituent water hoses while working for the Majority Leader. We probably had more fun than should be allowed in law school, but that was because it was a new school over at Paradise Elementary School. I worked in the library, so I could usher people in and out. We didn't have any books in the library, but I worked there. It gave me an opportunity to get to know him very well. We served in student government together. He has been a servant that long, that entire time, and I've learned so much from him, but not just politically. Him practicing as a criminal defense attorney and then being able to chair Judiciary and separate that is something that I think folks underestimate until they get there. To be here and do what you think is the right thing, independent of what your job is, I was able to learn from our Majority Leader. There is so much more—and I'm learning this so if I snap at any of you, know it's because I was overwhelmed. I wouldn't have been able to get through this session if I hadn't been paying attention to the example that I had before me. For me, the greatest things were keeping a sense of humor, and as he mentioned earlier, recognizing that this place was here long before we got here and is going to be here long after we leave, and also recognizing that the most important thing out there is real life. I learned about being a great dad—it's funny when I look at that picture because it reminds me that I want to have a daughter—but those are the important things. Obviously for us, because we are friends, it's not like I'm going to miss him because he will be here asking me to pass a bill sometime next session, I'm sure. I loved lobbying before and serving with William, and of all the lessons I've learned, I hope I can be just as committed of a dad and leave here with a plan of making a whole lot of money like he makes very clear he is going to do. I really appreciate you, William. You're my friend, you're my brother, and we will always be friends. Good luck and congratulations because you had a great career and you have a wonderful legacy.

ASSEMBLYMAN BOBZIEN:

Thank you, Madam Speaker. Continuing on the dads front, you hear a lot about the unexpected friendships that you forge in this building. I remember when I was freshman and people started telling me that, and I'm thinking, Okay, yeah, these old timers, whatever, I don't know what they are thinking. It really kind of hit me this last summer just how much of a friend William is. We were meeting all the time, going through campaign stuff, and doing all the things we have to do for our caucus and all the things we do when we are in campaign mode. We were having lunch in Reno one day, and I started asking him some questions about things that were going on in my life, and he just sat and listened—no judgment, just offered his perspectives. He had had similar challenges, and it really kind of came down to, through it all, you have to love your kids and you have to be there for them. It's such an obvious lesson, but it's one of those ones that when you see it and you see someone who has done so much with his service and has done so much professionally and is so involved and is so busy with everything but just loves his kids so much and is so proud of what they do, it's just a wonderful model for all of us, and for me in particular. Fast forward to a couple weeks back, we are in the midst of the session, everything is going on, we are tracking bills, we are trying to see what's going on, see where things are going, and William calls me to his office. I'm thinking, Oh jeez, what did I do now? Something is going to happen. He just wanted to check in. "How are you doing?" It just blew me away. So I never expected to have this friendship, but William is a mentor, he is like a big brother, like a really big brother, a lot bigger than I am. I appreciate the friendship and I look forward to the next chapter in that friendship when he leaves this building because I know he is going to keep doing great thin

ASSEMBLYWOMAN FLORES:

Thank you, Madam Speaker. Oh, where do I start? William and I met back in 2009 when I was a quiet, scared, legal extern. William was actually one of the first people who encouraged me to run for office, so now you know who you can thank. We worked together on that post-conviction DNA bill that was mentioned earlier. It didn't take much convincing because he has always just been that way about justice and fairness and things that are the right thing to do.

Despite the fact that he was working with a second year law student, he never treated me any differently. He treated me like a professional and was incredibly helpful and gracious. You might not think I was scared, but I really was because I was just a second year law student and I was here with all these legislators. They were really scary, and I thought William was going to be scary, too, but he was actually the opposite. That's when I got to know that he has one of the biggest hearts of anyone I've met.

We know you are not leaving because you're going to be back. Anyone who follows him on Twitter knows he has made the funny things that happen here popular. But one of the other funny things that happens here in this building is that you develop lifelong friends. I'm not only going to miss you, William, because you have kept me endlessly entertained and have been brutally honest in every way, shape, or form and have been a mentor to me and always there for me, more than any of you will ever know. And you've let me eat all of your food that you have stashed away all session, so I really appreciate that. If any of you have gotten the opportunity to experience what I know many of us have, you'll agree that you are really lucky to leave this place with the kind of friendship that we have developed. Truly I will miss you.

ASSEMBLYMAN HARDY:

Thank you, Madam Speaker. For me, last session I didn't get an opportunity to really get to know Mr. Horne. This opportunity, being in leadership, has changed my whole perspective on Mr. Horne. It actually changed in the interim. He may not remember this, but I had a constituent that was in pretty grave need of some help. Financially, she could not afford certain things, and I didn't know where to turn to on the state side. I happened to have Mr. Horne's phone number. I called him to ask him how to approach the situation she was in, and he said "Send her to me. I'll deal with it." I don't know if she ever got with him or not; it doesn't matter. He was willing to do it for nothing. I think that is the important key. Now along with that, I learned something else during the session. Some of us have judgmental attitudes, and we walk into situations where we are not really trusting. And I've got to tell you that Mr. Horne helped me put that barrier down. I saw that "Trust Me, William" up there, and I went to ask him a question, working in leadership, and it is terrifying to trust a Democrat, I've got to tell you. I put myself in a situation on a vote that kind of went that direction. But do you know what? He stood up, he covered my backside, and I appreciated that. So I appreciated his sense of humor and getting to know him.

ASSEMBLYWOMAN NEAL:

Thank you, Madam Speaker. I just want to say that it has been an interesting two sessions for me getting to know William. I know he thinks I don't listen to him and he thinks I only listen to him on full moons, but I do. I just use his information when I want to. But I listen to him. I think the Speaker and William tag team me with almost the same message. It sinks in. I beat to my own drum. I've appreciated you mentoring me and trying to tell me how I should grow—and to be nicer. He forces me to smile. That second row of Jason, Lucy, and William are the ones who have harassed me all session and drove me to the fits of laughter where I couldn't control myself. But they did it on purpose because they were like, if you would just smile sometimes, it would be a better world. I appreciate that because in the interim, I would always have to send him a text and say, "Okay, what's going on? Help me frame this. Help me get my mind around this, the Legislature. It's a unique thing that you take on. He has really tried to mentor me. I think when he and Kelvin met me, they scouted me out to try to find out how weird I may be, and then they got to know me a little bit and said, "I think we like her." I appreciated them accepting me because I didn't know who I should accept, and they really tried to mentor me. I love you, and you know we talked earlier, and I appreciate everything you have said to me, even if I never used it. I still have it in me. I'm going to use it one day. I'm going to grow up.

ASSEMBLYMAN STEWART:

Thank you, Madam Speaker. I never had much interaction with William until several weeks ago on a cold night at the Carson City Courthouse when we were there as a committee to consider expelling one of our members for the first time in the history of Nevada. I'll never forget the night that I looked into the character of William Horne, and I saw that he had such great respect for this institution and such great respect for individual people. I'll never forget what I learned that night from him, I will always respect him for that, and I wish him well.

ASSEMBLYWOMAN PIERCE:

Thank you, Madam Speaker. William, it's been a wonderful six sessions here with you. You know, everyone has talked about your big heart. It's tremendous. You know I especially witnessed it the two times I've had to tell you that I was sick again, and you were one of the first people that I told. I'll never forget your instant love that enveloped me when I had to tell you that. But I think the thing that sticks out to me the most, which is something that other people have mentioned, is the laughing. We had some very funny folks in the 2003 Session, and we laughed a lot. If I think back over the hundred times in this building that I laughed so hard that I thought I was going to do myself injury, you were the guy that was making me laugh, and that's a tremendous thing. I have been so honored to work with you. Your integrity and your passion about your work and this institution and the people of Nevada is an inspiration. Thank you and we will see you next time.

ASSEMBLYMAN ELLIOT ANDERSON:

Thank you, Madam Speaker. William, I wanted to get up and speak a little bit about your character, too, and how you have helped me in my short time here. The one thing that I always really appreciate about you is your directness. This doesn't always happen in this building. You don't always know when you are messing up and you need to be corrected, and you don't always get that. I've always appreciated you being up front with me, good or bad, not even just during the session but before. I've also appreciated your advice in dealing, as David was talking about, with things coming up in his life, and the same goes for me. I know it is not goodbye because I work in the same building as you back in Las Vegas. I'm looking forward to working in the legal field with you some more and seeing you up here. So thank you very much.

ASSEMBLYMAN EISEN:

Thank you, Madam Speaker. Mr. Horne, I've had the great privilege during my freshman session to serve as your vice chair on the Education and CIP Subcommittee in Ways and Means. I was really touched at how much deference you gave to my opinions. You listened to me, you took those things into consideration, you left me hanging to chair a committee when you left town for a day—that's okay, I'm alright with that. It really was a great learning opportunity for me as we sat in briefings together to try to focus in on the things that were really important, things that really mattered to Nevada. I've been continually impressed with how much of a premium you put on what is best for Nevada and not necessarily what is easy. That has been a great lesson for me. One thing I do want to share because there are some folks here in the room that may not realize this—one of my colleagues earlier mentioned our chat and some jokes that may go back and forth on chat sometimes. One of things I've found that William will do on chat is he will lurk a little bit. We will be in a committee hearing and chat will be going, and he will be working intensely on the subject matter at hand, I'm sure, but he won't be engaged in the chat very much. Someone will make a joke, and then suddenly from out of the blue will come a message from William, and he invariably takes the joke one step too far—Funny, but one step too far. I am proud to say—and I assure you I will not repeat it here—I am proud to say that I topped him one evening this session. I will not repeat the joke anywhere that there is a recording device, ever, but I really look forward to the opportunity to see you in the future and work with you in a different capacity and lay down the challenge to you to try to top that one. I'm open anytime. Thank you very much. It's been an honor to be able to serve with you.

ASSEMBLYWOMAN DIAZ:

I, too, like my colleague from Assembly District 19, have called 1-800-call W. Horne for free legal advice, and he has never said, "Go see a lawyer." He has always given me the advice that I need. It's not for me; it's usually for a constituent or a family member. You know how that goes in our community.

My first experience working with the Majority Leader was as a freshman on the Judiciary Committee. It was a great first year. There was a lot to learn, a steep learning curve for me, but he carried that committee with a lot of class and a lot of charisma, and boy does he have a quick wit. I always saw him as a champion for justice and fairness in our state, so much so that when it came time when I was still pregnant and we were touring the state prison facilities, he said that he did not want my child to be born there, so he excused me from it, and I will always be grateful because you just never know when you are going to go into labor.

He has been a rock for our caucus, no doubt about it, especially this session with everything, and he carried so much of it for us. I will be eternally grateful to him because he, in the most difficult moments of this session, has been the rock and the pillar that kept a lot of us focused on the work that we are here to accomplish on behalf of our constituents.

I admire him as the statesman that he is—and he has faithfully served our state for these 12 years—but mostly as a father. When I saw him bring Chloe and Chloe was sitting on his lap last session while he was chairing the committee, and every time I see him with his children, I truly know that he is a wonderful dad, and he is a great statesman. We're going to miss you, but I will come and seek advice and guidance and mentoring from you, so don't think you are getting away from us.

ASSEMBLYMAN GRADY:

Kicking around these halls for 20 years on both sides of the glass, you learn to really respect what we are here for and the offices that some of the folks hold. I've got to tell you a little story first. The other night, we were at an awards dinner, and my friend from District 42 was giving out the gifts and she said, "Tom. Who is Tom?" And we kind of laughed and she said, "I didn't know your name was Tom. I always thought it was Mr. Grady." And she's the same with Mr. Stewart. It's "Mr. Stewart." I feel the same way about many of the folks here. I have a hard time calling the Speaker by her name. She is the Speaker, and I feel the same way about Mr. Horne. He walks in in the morning many times to our cowboy coffee, and the first thing I think when he comes through the door is, "Good morning, boss. How are you?" He gives you that smile, and that's what starts the day because he is a statesman, and he knows how to handle people.

At the beginning of this session, I had never seen, in my time here, a person who took his responsibilities more to heart. It was very, very difficult—the task that was laid upon his shoulders. He handled it not only professionally, but very delicately, and he made us all look like professionals. Mr. Horne, you are a professional, and it has been a pleasure for these last 11-plus years to work with you. I wish you the best.

ASSEMBLYMAN THOMPSON:

April 18 this year, I arrived at the Reno airport and talked to Mr. Horne, and he said, "As soon as you get here, make sure the Legislative Police bring you directly to my office." I was thinking, Okay, what is that all about? When I got here, the Legislative Police brought me directly to him, and I knew what he was talking about because I don't know if you guys remember, but I came on the floor, and the media—and we love our media—but they swarmed me. William stepped up and he said, "Hey, I'm his mentor. Let him breathe." I really can appreciate him for being that mentor and that big brother that I never had. He is the true epitome of the type of lawmaker that I want to be. You get up very early, extremely early in the morning, and you head to the office. You're here late at night. You have what we call in the 'hood "swag," and I want to be able to have that kind of swag like you have as a lawmaker. I definitely want to have that wit, that humor, and that ability to engage a diverse group of people.

I've known you and Senator Atkinson for numerous years, and I remember you always tried to encourage me to run for office. I said, "Yeah, I'll get there. I'll get there eventually." I just thank you. I've watched you this year. You've gone through some challenges, brother, but you came out looking stellar. I thank you so much. God bless you with the rest of your career. I just want to let you know that I don't take mentoring lightly because once you're a mentor, you're always a mentor. I've got your phone number, so sorry, you're stuck with me. I appreciate you and God bless.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

As I was sitting here listening to everybody talk about his warm heart, I was trying to remember when I first found that warm heart, because I don't know that we quite had that in the beginning. It's great, though, because William and I were cordial to each other years ago. Last session I did something without checking with him, and boy, did I get the wrath of William. I was reminiscing when everybody was talking about his warm heart. I was thinking, Dang, how come I have never seen that warm heart? I saw him come racing up to my office and saying, "You didn't check with me, and you can't use the conference committee, and don't you know how this building works?" And I was thinking, Huh? William, you and I have had a session to remember—Mr. Ralston—to remember. We have been through some challenges, but not one day went by when we forgot to stop, talk to each other, work on policy, and have quite a few laughs when times were tough. We would just stand there and laugh. You know, one of my favorite memories this session was a certain day when William and I went out, stayed out, but got back first thing in the morning. Let me tell you, we were the first two in the office, 6:30 a.m., and we were still kind of tired, but it was a busy day. Our attachés—love them both—but for some reason, they sent us to the wrong place, and we literally stood on the fourth floor and just laughed. We sat on the ground and just laughed because we had no idea where we were supposed to be, we were late, and we didn't even know who to go ask because if our attachés didn't know where we supposed to be, we were in trouble.

I have to tell you, William, I'm amazed we made it through. We had a great session, and I did see your warm heart. We went through some pretty rough times, shared some tears, and I am glad I got to experience that warm heart. I hope you will come back because we passed some good policy, we made everybody laugh, we kept the building light, and we worked together across the aisle to make this state a better place. I am thankful that you were the Majority Leader this session. I think we will have a great next couple of days, and I look forward to seeing you in the future. Thank you.

APPOINTMENT OF CONFERENCE COMMITTEES

Madam Speaker appointed Assemblymen Benitez-Thompson, Healey, and Stewart as a Conference Committee to meet with a like committee of the Senate for the further consideration of Assembly Bill No. 223.

Madam Speaker appointed Assemblymen Daly, Diaz, and Livermore as a Conference Committee to meet with a like committee of the Senate for the further consideration of Assembly Bill No. 339.

GENERAL FILE AND THIRD READING

Assembly Bill No. 511.

Bill read third time.

Remarks by Assemblywoman Carlton.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 511. This is known as our pay bill. This establishes the maximum allowable salaries for employees in the unclassified and classified-medical service. Assembly Bill 511 requires that the salary of each employee in all departments of state

government be restored by 2.5 percent. The bill requires 48 hours of unpaid furlough leave each year for full-time employees of all branches of state government, including the Nevada System of Higher Education and the Public Employees' Retirement System, but holds employees harmless in the accumulation of retirement service credit for time taken as furlough leave. This bill also provides an exception to the requirement of furlough leave for employees identified by their employing agency as critical in the protection of public health, safety, and welfare, with approval of the appropriate governing body. In lieu of furlough leave, these exempt employees will incur a 2.3 percent reduction in pay.

This bill makes appropriations from the General Fund and Highway Fund to provide for the difference in funding approved for the departments, commissions and agencies of the state and the actual salaries of each state employee, excluding any previous salary reductions.

The bill authorizes for the Department of Health and Human Services and the Department of Corrections to provide callback pay for unclassified medical positions and pharmacists to perform on-call responsibilities to ensure 24-hour coverage in psychiatric facilities. The bill also authorizes the Gaming Control Board to continue the credential pay plan, which provides up to $5,000 annually for unclassified Gaming employees who possess a current Nevada certified public accountant certificate, a license to practice law, or are in a qualifying position as electronic laboratory engineer and possess a bachelor of science or higher degree in engineering, electronic engineering, or computer science.

Finally, the bill temporarily suspends four semi-annual longevity payments over the 2013-2015 biennium and merit pay salary increases in 2014 to state employees who would otherwise be entitled to a salary increase during the period beginning July 1, 2013, to June 30, 2014. At the end of the suspension, beginning in the following fiscal year, the merit pay increases will go back into effect.

In essence, to break it down very simply, the biggest discussion points in the pay bill were restoration of the 2.5 percent, still 6 furlough days each year, and in the second year of the biennium the one step will come back to all employees who have had that suspended since the beginning when we first started doing this. I'd be happy to stand for any questions, and any members of the body that would like copies of any floor statements that I do, please contact me and I will be happy to provide them to anyone who would like to keep them for their file.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 474. Assembly Bill 474, as amended, provides General Fund appropriations to restore fund balances in various accounts authorized in Chapter 353 of the NRS. The General Fund appropriations include $3 million to restore the balance of the Stale Claims Account, $100,000 to restore the balance of the Emergency Account, $3 million to restore the balance of the Reserve for Statutory Contingency Account, and $8.3 million to restore the balance of the Contingency Account.

Remarks by Assemblywomen Carlton, Fiore, and Madam Speaker.

ASSEMBLYWOMAN CARLTON:

Assembly Bill 505 provides for the implementation of the 2013 CIP as approved by the money committees. The bill includes funding in the amount of approximately $102.7 million for the Capital Improvement Program. The bill includes the following major funding sources to support the program: $55.5 million in general obligation bonds, $22.9 million in excess funding reallocated from projects approved in prior CIP, $7.4 million in state Highway Funds for Department of Motor Vehicles projects, $5.0 million from the Special Higher Education Capital Construction Fund, $3.8 million in federal funds for the Office of the Military and the Department of Health and Human Services projects, and $3.5 million in General Fund appropriations. I could go through and list a number of the different projects, Madam Speaker, but in my humble opinion, A.B. 505 is a jobs bill; we're putting people to work.

ASSEMBLYWOMAN FIORE:

So I get the 40 to Fiore—it's actually okay, I like it—but I really like time reading these bills, so without actually carefully going through them, that is why I'm voting no on these bills.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

That's fine, but they have been on the desk for two days, and we didn't rush them. In all fairness, I did put them out there.

Assembly Bill No. 505 having received a constitutional majority, Madam Speaker declared it passed.

Bill ordered transmitted to the Senate.

Assembly Bill No. 507.

Bill read third time.

Remarks by Assemblywoman Carlton and Madam Speaker.

ASSEMBLYWOMAN CARLTON:

Assembly Bill 507, known as our General Appropriations Act, is the final result of the long deliberations by the Assembly Committee on Ways and Means and the Senate Committee on Finance. The General Appropriations Act and other appropriations bills considered throughout the session delineate the amount of General Fund support approved by the money committees for the operation of Nevada state government for the 2013-15 biennium. The General Fund

appropriations included in the General Appropriations Act total $1,978,031,300 in 2014 and $2,027,586,257 in 2015, or $4.0 billion over the 2013-15 biennium, an increase of approximately $163.8 million when compared to General Fund appropriations approved by the 2011 Legislature for the 2011-13 biennium. The Act includes Highway Fund appropriations totaling $114,199,810 in 2014 and $140,423,192 in 2015, a reduction of approximately $27.5 million from the previous biennium.

I have before me a floor statement that is approximately 14 pages long and touches upon every area of state government. I can tell you that the Committee on Ways and Means, along with the big bills and budgets, worked on approximately 168 other bills, and we are into 1,000 hours of hearings on all these budget issues. We are working jointly with the Senate to close these appropriations so that we don't have any closing resolution problems, so we did do a lot of this in joint session, either full or through subcommittee, and I would be happy to address any area of government. I have a breakdown of each area, and I'll be happy to provide this document to all members of the body for their future reference on funding of state government.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

What I would say to the body is that the state law, I believe, requires us to leave it on the desk for 24 hours. I'm about transparency, and I just want to point out that folks had the opportunity to read this. If there are any questions, now would be the time for us to ask.

ASSEMBLYWOMAN CARLTON:

I would be happy to hit any of the pertinent highlights, Madam Speaker, that you would like me to hit. Division of Child and Family Services, the Department of Corrections, et cetera.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Can you just go through a couple of them? Maybe Health and Human Services, because we had so many changes there this session? The education budget will come later today once we move this stuff to the Senate. You can come to committee hearings to hear that, but we must pass education first before anything else. Can you just hit a couple of the highlights?

ASSEMBLYWOMAN CARLTON:

Sure, Madam Speaker, I would be happy to. Under the Division of Health Care Financing and Policy, which was one of our biggest tasks this session, the money committees approved the Governor's recommendation to implement the second phase of the Medicaid Management Information System replacement project, including one new position to assist in the development of the procurement. Additionally, the money committees approved the Governor's recommendation to add four positions dedicated to various requirements of the Affordable Care Act and four positions to expand fraud, waste, and abuse activities within the division. The money committees also approved the FMAP, the Federal Medical Assistance Percentage rate, as amended, for the 2013-2015 biennium, which increased for 2015 by 0.65 percent compared to the rate used in the Executive Budget—and that's a classic adjustment that we make when we receive our new numbers.

The money committees also approved the Governor's amended caseload projections for the Medicaid and Nevada Check Up programs, decreasing projected General Fund appropriations by approximately $2.8 million in 2014 and $7.7 million in 2015. This includes caseload increases resulting from annual caseload growth, the implementation of the Affordable Care Act, and expansion of Medicaid to include adults ages 19 to 64 with household incomes up to 138 percent of the federal poverty level.

The money committees also approved the Governor's recommendation to extend the primary care provider rate increases mandated by the ACA for Medicaid providers through 2015 and include the rate increases for Nevada Check Up providers for the 2013-2015 biennium.

Additionally, the money committees approved the Governor's recommendation, as amended, to restore provider rate reductions imposed during the previous biennium in the Medicaid and Nevada Check Up accounts. The provider rate increases include a 15 percent rate increase for free-standing ambulatory surgery centers and ambulance services; approximately 6.86 percent rate increase, or partial restoration, for partial anesthesia services, a 28 percent increase for non-primary care obstetric services; and a 30 percent increase—which is a partial restoration—to the enhancement rate for pediatric surgical services.

The increase in provider rates required General Fund support of approximately $6.0 million in 2014 and $14.2 million in 2015.

The money committees also approved the Governor's recommendation to reduce the county contribution to the County Match Program and increase the General Fund appropriation by approximately $1.3 million over the 2013-2015 biennium.

A subset of this would be the Division of Welfare and Supportive Services, and we could go through a portion of that, Madam Speaker, if you'd like.

Madam Speaker requested the privilege of the Chair for the purpose of making the following remarks:

Is there anybody in the body who's feeling uncomfortable at this point? Thank you.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 945.

AN ACT relating to economic development; revising the provisions governing the partial abatement of certain taxes imposed on a new or expanded business; revising the provisions governing a deferment of the payment of the sales and use taxes due on certain property purchased by a new or expanded business; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Office of Economic Development to grant a partial abatement of property taxes, business taxes and sales and use taxes to a business that locates or expands in this State and meets certain qualifications for the abatement. (NRS 274.310, 274.320, 360.750, 361.0687, 363B.120, 374.357, 701A.210) **Section 2** of this bill repeals those qualifications that apply solely to a business that furthers the development and refinement of intellectual property, a patent or a copyright into a commercial product. **Sections 3, 4, 8 and 9** of this bill make various changes

to those qualifications, including changes in the number of employees required and a requirement that any employees or capital investments used to qualify for the abatement must be retained at the location of the business for the first 5 years. **Sections 6.5, 7.3, 8, 9 and 9.5 of this bill establish the maximum duration and amount of the property tax and sales and use tax abatements available to a business that is or will be located in a historically underutilized business zone, a redevelopment area, an area eligible for a community development block grant or an enterprise community. Section 5** of this bill, which expires by limitation on June 30, 2017, temporarily extends the maximum duration and amount of the property tax abatement available to a business that is or will be located in ~~[a]~~ **an activated** foreign trade zone in this State.

Existing law authorizes the Office of Economic Development to grant to a new or expanded business in this State a deferment of the payment of sales and use taxes due on purchases of capital goods for a sales price of $100,000 or more. (NRS 372.397, 374.402) **Sections 6 and 7** of this bill make various changes to the qualifications for such a deferment, including an increase in the required sales price to $1 million and a requirement to retain the property at the location of the business in this State for the 5-year duration of the deferment, and require the taxpayer to begin making partial payments of the deferred taxes within 1 year after the deferment is granted.

Existing law authorizes the Director of the Office of Energy, in consultation with the Office of Economic Development, to grant a partial abatement of property taxes and local sales and use taxes to certain renewable energy facilities that locate in this State and meet certain qualifications for the abatement. (NRS 701A.300-701A.390) **Section 10** of this bill revises those qualifications to require that the capital investments used to qualify for the abatement must be retained at the location of the facility for the first 5 years.

Section 13 of this bill causes the tax abatements authorized pursuant to the amendatory provisions of this bill to cease to be effective on July 1, 2032.

2. The Director shall not approve an application for a partial abatement of the taxes imposed pursuant to chapter 361 of NRS submitted pursuant to NRS 701A.360 by a facility for the generation of electricity from geothermal resources unless the application is approved pursuant to this subsection. The board of county commissioners of a county must approve or deny the application not later than 30 days after the board receives a copy of the application. Sec. 11. The Legislature hereby finds that each exemption provided by this act from any ad valorem tax on property or excise tax on the sale, storage, use or consumption of tangible personal property sold at retail:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any

other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 12. 1. The amendatory provisions of sections 1 to 10, inclusive, of this act do not apply to or otherwise affect any abatement of taxes or deferment of the payment of taxes approved by the Office of Economic Development or the Director of the Office of Energy before July 1, 2013.

2. The expiration of section 5 of this act by limitation pursuant to section 15 of this act does not affect any abatement of taxes approved by the Office of Economic Development before July 1, 2017.

Sec. 13. Notwithstanding the provisions of NRS 274.310, 274.320, 360.750, 361.0687, 363B.120, 374.357, 701A.210 and 701A.300 to 701A.390, inclusive, a person is not, after June 30, 2032, entitled to any abatement of taxes approved by the Office of Economic Development or the Director of the Office of Energy pursuant to those provisions on or after July 1, 2013, and before July 1, 2032.

Sec. 14. The provisions of NRS 218D.355 do not apply to this act.

Sec. 15. 1. This act becomes effective:

(a) Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks necessary to carry out the provisions of this act; and

(b) On July 1, 2013, for all other purposes.

2. Section 5 of this act expires by limitation on June 30, 2017.

3. Sections 3, 4, **6.5, ~~[8, 9]~~** and **7.3 to** 10 **, inclusive,** of this act expire by limitation on June 30, 2032.

AN ACT relating to energy; authorizing the Director of the Office of Energy to charge and collect certain fees from applicants for certain energy-related tax incentives; revising provisions relating to eligibility for and approval of applicants for certain energy-related tax incentives; **revising permissible uses of money in the Renewable Energy Fund;** revising provisions relating to **land use planning and** the granting **by local governments** of permits for the construction of certain utility projects; establishing the Economic Development Electric Rate Rider Program;

requiring the Public Utilities Commission of Nevada, in consultation with the Office of Economic Development, to administer the Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Director of the Office of Energy to grant partial abatements of certain taxes to eligible applicants. (NRS 701A.110, 701A.115, 701A.360, 701A.390) **Sections 1, 2 and 7** of this bill authorize the Director to charge and collect a fee from each applicant in an amount not to exceed the actual cost to the Director of processing the application. **Section 3** of this bill removes from the list of persons who are eligible for a partial abatement of certain taxes a person who operates a facility for the transmission of electricity generated from renewable energy or geothermal resources. **Section 4** of this bill ~~[deletes]~~ **revises** the authority of a board of county commissioners **relating** to ~~[approve]~~ **the approval of** an application for a partial abatement of taxes submitted by a person who operates a facility for the generation of electricity from ~~[geothermal resources. Section 5 of this bill revises the amount of the partial abatement of property taxes for which certain applicants may be eligible.]~~ **renewable energy. Section 4 additionally revises provisions governing the wages and benefits that must be provided to employees working on the construction of such a facility. Section 6** of this bill removes the requirement that a certain percentage of the property taxes collected from a person who is receiving a partial abatement of taxes which would otherwise be allocated and distributed to local governments be deposited in the Renewable Energy Fund. **Section 7.5 of this bill revises the permissible uses by the Director of money in the Renewable Energy Fund.**

Sections 10-21 of this bill establish the Economic Development Electric Rate Rider Program, a 5-year program to encourage the location or relocation of new commercial and industrial businesses in this State by providing discounted rates for electricity to eligible participants. **Section 14** requires the Public Utilities Commission of Nevada, in consultation with the Office of Economic Development, to administer the Program. **Section 14** additionally requires **the Commission to establish an amount of electric generating capacity, not to exceed 50 megawatts,** that each electric utility in this State **is required to** set aside ~~[50 megawatts of capacity]~~ for allocation pursuant to the Program. **Section 15** authorizes a person who, in anticipation of the incentive provided pursuant to the Program, locates or intends to locate a new commercial or industrial business in this State to submit an application to the Office of Economic Development to participate in the Program. **Section 15** requires an applicant to obtain initial approval and a letter of eligibility from the Office. Once an applicant has obtained initial approval and a letter of eligibility from the Office, **section 16** requires the Commission

to establish the discounted rates for electricity available to the applicant and to establish and approve the terms of the contract which the applicant must enter into with an electric utility. **Section 17** provides that an electric utility ~~[may]~~ **is required to** recover the amount of the discount provided to a participant from the deferred energy account of the electric utility. **Section 21** requires the Commission to prepare and submit a report to the Legislature concerning the Program.

Section 21.5 of this bill provides that a public utility is not required to include a utility facility, the construction of which has been approved by the Commission, in the integrated resource plan of the utility if the facility is not intended to serve customers in this State and the cost of the facility will not be included in the rates charged by the utility.

Existing law requires a person who wishes to obtain a permit for a utility facility to file certain applications with the Commission if a federal agency is required to conduct an environmental analysis of the proposed utility facility. (NRS 704.870) **Sections 23 and 24** of this bill require such a person to file a notice with the Commission not later than the date on which the person files with the appropriate federal agency.

Sections ~~[9 and 27]~~ 27.1-27.9 of this bill revise provisions relating to land use permits ~~[to provide that the Commission is the sole authority for the granting of a land use permit]~~ for the construction of certain utility projects. ~~[Section 9 requires the Commission to adopt regulations providing for the issuance of such permits.]~~ **Section 27.5 requires a planning commission or governing body that is required to prepare and adopt a master plan to include in the master plan an aboveground utility plan. Section 27.7 requires each governing body of a local government to establish a process for the issuance of: (1) permits for the construction of aboveground utility projects; (2) special use permits for the construction of aboveground utility projects which are to be constructed outside of the corridors identified in the master plan; and (3) special use permits for the construction of renewable energy generation projects with a nameplate capacity of 10 megawatts or more. Section 27.9 provides that an applicant for such a special use permit may appeal certain decisions of the planning commission or governing body concerning the application to the Public Utilities Commission of Nevada.**

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 940.

AN ACT relating to gaming; revising provisions governing ~~[the taxation of]~~ **interactive** gaming; ~~[providing certain restrictions governing restricted licenses to operate gaming;]~~ revising provisions governing the ~~[operation of race books and sports pools;]~~ **registration of persons who hold an ownership interest in certain entities which hold a gaming license; revising provisions relating to the inspection of games, gaming devices, associated equipment, cashless wagering systems, inter-casino linked systems, mobile gaming systems and interactive gaming systems; revising provisions relating to the regulation of independent testing laboratories; providing for an interim study of certain issues concerning the impact of technology upon the regulation of gaming and upon the**

distinction between restricted and nonrestricted gaming licensees; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides that a nonrestricted gaming licensee is responsible to pay certain fees and taxes, including certain fees based on the gross revenue of the licensee. (NRS 463.370) Existing law further provides that a restricted gaming licensee and an operator of a slot machine route are required to pay certain fees and taxes. (Chapter 463 of NRS)]~~ **Section 1** of this bill ~~[requires a person who controls more than 500 slot machines to pay the same fees and taxes as a person who operates a nonrestricted operation.~~

~~Existing law: (1) prohibits certain actions relating to gaming without procuring and maintaining the required licensure; and (2) provides that a single establishment may not contain more than one licensed operation unless the establishment holds a nonrestricted gaming license. (NRS 463.160, 463.245) Existing law also defines: (1) "race book" as the business of accepting pari-mutuel wager upon the outcome of an event held at a track; and (2) "sports pool" as the business of accepting wagers on sporting events by any system or method of wagering. (NRS 463.01858, 463.0193) Section 3 of this bill provides that a separate license is required for each location of a race book or sports pool, and further provides that certain activities relating to the acceptance and payment of wagers and transactions in person or through mechanical means, such as a kiosk or similar device, are considered within the operation of a race book or sports pool. Section 5 of this bill clarifies that the exception to the single license at one establishment only applies to those nonrestricted licenses at an establishment with 16 or more slot machines, at an establishment with any number of slot machines together with any other game, gaming device, race book or sports pool or for a mobile gaming system.~~

~~Existing law: (1) defines a "restricted license" as a state gaming license to operate not more than 15 slot machines at an establishment in which the operation of slot machines is incidental to the primary business of the establishment; and (2) provides that such a license may only be granted to the operator of the primary business or to a licensed operator of a slot machine route. (NRS 463.0189, 463.161) Section 4 of this bill provides that, in a county whose population is 100,000 or more (currently Clark and Washoe Counties), a restricted license may only be granted at certain establishments if the establishment contains: (1) a minimum of 2,500 square feet of space available for patrons; (2) a permanent, physical bar; and (3) a restaurant which meets certain requirements.~~

~~Section 6 of this bill provides that the provisions of this bill prohibiting the granting of restricted licenses, unless the establishment meets certain criteria, apply prospectively to new restricted licenses issued on or after January 1,~~

~~2014. Section 6 also provides that the provisions of this bill pertaining to the licensure of race books and sports pools apply to all race books, sports pools and associated equipment in existence on January 1, 2014.]~~ **provides that the Nevada Gaming Commission may, upon the recommendation of the State Gaming Control Board, adopt regulations allowing promotional schemes to be conducted by licensed operators of interactive gaming in direct association with a licensed interactive gaming activity, contest or tournament that includes a raffle, drawing or other similar game of chance.**

Under existing law, the Commission and the Board are required to administer state gaming licenses and manufacturer's, seller's and distributor's licenses, and to perform various acts relating to the regulation and control of gaming. (NRS 463.140) Sections 2-5 of this bill revise the definitions of the terms "cashless wagering system," "gaming employee," "gross revenue" and "wagering credit" for the purposes of the statutory provisions governing the licensing and control of gaming.

Existing law requires audits of the financial statements of all nonrestricted licensees whose annual gross revenue is $5,000,000 or more, and requires the amount of annual gross revenue to be increased or decreased annually in an amount determined by the Commission and corresponding to the Consumer Price Index. (NRS 463.159) Section 6 of this bill requires the Board to make such a determination.

Existing law also requires a limited partner holding a 5 percent or less ownership interest in a limited partnership or a member holding a 5 percent or less ownership interest in a limited-liability company, who holds or applies for a state gaming license, to register with the Board and submit to the Board's jurisdiction within 30 days after the person acquires a 5 percent or less ownership interest. (NRS 463.569, 463.5735) Sections 7 and 8 of this bill remove the requirement to register with the Board after acquiring such an ownership interest, and instead require a person to register upon seeking to hold a 5 percent or less ownership interest.

Existing law requires the Commission to adopt regulations providing for the registration of independent testing laboratories, which may be utilized by the Board to inspect and certify gaming devices, equipment and systems, and any components thereof, and providing for the standards and procedures for the revocation of the registration of such independent testing laboratories. (NRS 463.670) Section 9 of this bill: (1) extends the requirement of registration to additional persons that own, operate or have significant involvement with an independent testing laboratory; (2) provides that a person who is registered pursuant to section 9 is subject to the same investigatory and disciplinary procedures

as all other gaming licensees; and (3) authorizes the Commission to require a registered independent testing laboratory and certain persons associated with a registered independent testing laboratory to file an application for a finding of suitability.

Assembly Bill No. 114 of this session, which was enacted by the Legislature and approved by the Governor and which became effective on February 21, 2013: (1) required the Commission, by regulation, to authorize the Governor, on behalf of the State of Nevada, to enter into agreements with other states, or authorized agencies thereof, to enable patrons in the signatory states to participate in interactive gaming; (2) required the regulations adopted by the Commission to be adopted in accordance with the Nevada Administrative Procedure Act; and (3) required the regulations to set forth provisions for any potential arrangements to share revenue. Sections 11 and 12 of this bill amend the provisions of Assembly Bill No. 114 to: (1) allow agreements for interactive agreements to be made with governmental units of other nations, states or local bodies exercising governmental functions; (2) provide that the regulations adopted by the Commission are not required to be adopted in accordance with the Nevada Administrative Procedure Act; and (3) authorize the Commission to include specific requirements for the agreements entered into by the State of Nevada and another government.

Senate Bill No. 416 of this session enacted certain requirements for the issuance of restricted licenses for certain businesses, which were to become effective on July 1, 2013. Sections 13 and 14 of this bill change the effective date of those provisions to January 1, 2014.

Section 15 of this bill requires the Legislative Commission to create a committee to conduct an interim study concerning the impact of technology upon the regulation of gaming and upon the distinction between restricted and nonrestricted gaming licensees.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Assembly Bill 506 provides that consideration is not received for the complimentary portion of any food, meals, or nonalcoholic drinks provided on a complimentary basis, in whole or in part, to the employees, patrons or guests of a retailer and, thus, the sales tax would not apply to the complimentary portion of such food, meals, or nonalcoholic drinks.

It also provides that the complimentary portion of any food, meals, or nonalcoholic drinks provided on a complimentary basis, in whole or in part, to the employees, patrons, or guests of a retailer does not lose its status as food for human consumption and, thus, is exempt from the use tax.

I just wanted to let the body know that this was an issue that was prevalent in our state, and all of the parties involved have come to great compromise. I want to thank everyone who did participate in bringing it to fruition and ask your support.

Motion carried.

GENERAL FILE AND THIRD READING

Assembly Bill No. 360.
Bill read third time.
The following amendment was proposed by Assemblyman Horne:
Amendment No. 947.
AN ACT relating to gaming; revising provisions governing interactive gaming; revising provisions governing the registration of persons who hold an ownership interest in certain entities which hold a gaming license; revising provisions relating to the inspection of games, gaming devices, associated equipment, cashless wagering systems, inter-casino linked systems, mobile gaming systems and interactive gaming systems; revising provisions relating to the regulation of independent testing laboratories; providing for an interim study of certain issues concerning the impact of technology upon the regulation of gaming and upon the distinction between restricted and nonrestricted gaming licensees; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Section 1 of this bill provides that the Nevada Gaming Commission may, upon the recommendation of the State Gaming Control Board, adopt regulations allowing promotional schemes to be conducted by licensed operators of interactive gaming in direct association with a licensed

interactive gaming activity, contest or tournament that includes a raffle, drawing or other similar game of chance.

Under existing law, the Commission and the Board are required to administer state gaming licenses and manufacturer's, seller's and distributor's licenses, and to perform various acts relating to the regulation and control of gaming. (NRS 463.140) **Sections 2-5** of this bill revise the definitions of the terms "cashless wagering system," "gaming employee," "gross revenue" and "wagering credit" for the purposes of the statutory provisions governing the licensing and control of gaming. **Section 14.5 of this bill repeals a provision contained in section 3 of Senate Bill No. 9 of this session that also revised the definition of the term "gross revenue."**

Existing law requires audits of the financial statements of all nonrestricted licensees whose annual gross revenue is $5,000,000 or more, and requires the amount of annual gross revenue to be increased or decreased annually in an amount determined by the Commission and corresponding to the Consumer Price Index. (NRS 463.159) **Section 6** of this bill requires the Board to make such a determination.

Existing law also requires a limited partner holding a 5 percent or less ownership interest in a limited partnership or a member holding a 5 percent or less ownership interest in a limited-liability company, who holds or applies for a state gaming license, to register with the Board and submit to the Board's jurisdiction within 30 days after the person acquires a 5 percent or less ownership interest. (NRS 463.569, 463.5735) **Sections 7 and 8** of this bill remove the requirement to register with the Board after acquiring such an ownership interest, and instead require a person to register upon seeking to hold a 5 percent or less ownership interest.

Existing law requires the Commission to adopt regulations providing for the registration of independent testing laboratories, which may be utilized by the Board to inspect and certify gaming devices, equipment and systems, and any components thereof, and providing for the standards and procedures for the revocation of the registration of such independent testing laboratories. (NRS 463.670) **Section 9** of this bill: (1) extends the requirement of registration to additional persons that own, operate or have significant involvement with an independent testing laboratory; (2) provides that a person who is registered pursuant to **section 9** is subject to the same investigatory and disciplinary procedures as all other gaming licensees; and (3) authorizes the Commission to require a registered independent testing laboratory and certain persons associated with a registered independent testing laboratory to file an application for a finding of suitability.

Assembly Bill No. 114 of this session, which was enacted by the Legislature and approved by the Governor and which became effective on February 21, 2013: (1) required the Commission, by regulation, to authorize

the Governor, on behalf of the State of Nevada, to enter into agreements with other states, or authorized agencies thereof, to enable patrons in the signatory states to participate in interactive gaming; (2) required the regulations adopted by the Commission to be adopted in accordance with the Nevada Administrative Procedure Act; and (3) required the regulations to set forth provisions for any potential arrangements to share revenue. **Sections 11 and 12** of this bill amend the provisions of Assembly Bill No. 114 to: (1) allow agreements for interactive agreements to be made with governmental units of other nations, states or local bodies exercising governmental functions; (2) provide that the regulations adopted by the Commission are not required to be adopted in accordance with the Nevada Administrative Procedure Act; and (3) authorize the Commission to include specific requirements for the agreements entered into by the State of Nevada and another government.

Senate Bill No. 416 of this session enacted certain requirements for the issuance of restricted licenses for certain businesses, which were to become effective on July 1, 2013. **Sections 13 and 14** of this bill change the effective date of those provisions to January 1, 2014.

Section 15 of this bill requires the Legislative Commission to create a committee to conduct an interim study concerning the impact of technology upon the regulation of gaming and upon the distinction between restricted and nonrestricted gaming licensees.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

AN ACT relating to education; revising provisions governing the policies for the evaluation of teachers and school-based administrators; requiring the State Board of Education to prescribe the pupil achievement data to be used in the evaluation of teachers and school-based administrators; requiring the Teachers and Leaders Council of Nevada to make recommendations to the State Board concerning the evaluation of counselors, librarians and other licensed educational personnel; temporarily delaying the implementation of a program of performance pay and enhanced compensation for teachers and administrators by school districts; temporarily delaying the implementation of the statewide performance evaluation system and providing for a validation study of the system for teachers and school-based administrators and a validation study for counselors, librarians and other licensed educational personnel; authorizing a school district to submit an application to the Department of Education to opt out of the delay of the implementation of the statewide performance evaluation system for its teachers and school-based administrators; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the board of trustees of each school district to establish a program of performance pay and enhanced compensation for licensed teachers and administrators and requires each board to implement the program commencing with the 2014-2015 school year. (NRS 391.168)

Section 2 of this bill delays the implementation of the program to the 2015-2016 school year.

Existing law requires that, effective July 1, 2013, the policies for the evaluation of teachers and administrators must: (1) designate an employee's overall performance as "highly effective," "effective," "minimally effective" or "ineffective"; and (2) provide that certain information on pupil achievement data maintained by the automated system of accountability information for Nevada must account for at least 50 percent of the evaluation. (NRS 391.3125, 391.3127) **Sections 4, 5 and 10** of this bill change the source of the pupil achievement data, upon which 50 percent of the evaluation is based, to data prescribed by the State Board of Education. **Sections 4 and 5** also set forth an observation schedule for the evaluation of teachers and administrators based upon the evaluation designation of the employee in the immediately preceding school year. In addition, **sections 4 and 5** provide that pupil achievement data must not be used in the evaluation of a probationary teacher or probationary administrator in his or her initial year of employment, with the exception of a postprobationary teacher or administrator who is deemed to be a probationary employee. **Section 5** further provides that the policy for the evaluation of administrators applies only to those administrators who primarily provide administrative services at the school level and who do not primarily provide direct instructional services to pupils.

Under existing law, the Teachers and Leaders Council of Nevada is required to make recommendations to the State Board for the establishment of the statewide performance evaluation system for teachers and administrators. (NRS 391.450-391.465) **Section 9** of this bill requires the Council to also: (1) make recommendations to the State Board for the evaluation of school counselors, librarians and other licensed educational personnel; and (2) develop and recommend to the State Board a process for peer evaluations of teachers by qualified educational personnel. **Section 16** of this bill makes an appropriation to the Teachers and Leaders Council of Nevada for costs associated with the work of the Council.

Sections 16.3-22 of this bill address the period during which the new statewide performance evaluation system will be implemented. **Section 19** provides for a validation study of the statewide performance evaluation system for the 2013-2014 school year, with a representative sample of teachers and school-based administrators selected by the Department of Education in consultation with the participating school districts. **Sections 17-18.7** provide that for the 2013-2014 school year, all teachers and administrators who are employed by school districts that participate in the validation study and all counselors, librarians and other licensed educational personnel employed by each school district will be evaluated in accordance

with the system for evaluations pursuant to which employees are designated as "satisfactory" or "unsatisfactory." **Section 16.5** authorizes a school district to submit an application to the Department of Education to opt out of the delay of the statewide performance evaluation system and implement the system for its teachers and administrators commencing with the 2013-2014 school year. **Section 16.5** further provides that if such an application is approved by the Department, the school district ~~[must not]~~ **is not required to** participate in the validation study for its teachers and school-based administrators ~~[.]~~ **but may, upon approval of the Department, participate in a portion of the validation study.** **Section 16.3** authorizes the Department of Education to request a work program revision to transfer, in the second year of the biennium, money that is in the Reserve Category to the Regional Professional Development Category for use by the regional training programs for the professional development of teachers and administrators to implement the statewide performance evaluation system. **Section 16.3** also requires the Department of Education, on or before August 1, 2014, to submit a report of the results of the validation study and the Department's determination of whether all school districts are prepared to implement the statewide performance evaluation system for the 2014-2015 school year. **Section 16.3** further requires the Interim Finance Committee to make a determination whether all school districts are prepared to implement the statewide performance evaluation system for the 2014-2015 school year. If the Interim Finance Committee determines that all school districts are prepared: (1) all school districts that participated in the validation study shall implement the statewide performance evaluation system for its teachers and school-based administrators commencing with the 2014-2015 school year; and (2) the Department of Education may request a work program revision to transfer not more than $1,315,000 for use by the regional training programs. If the Interim Finance Committee determines that all school districts are not prepared: (1) a second validation study of the statewide performance evaluation system for teachers and school-based administrators must be conducted for the 2014-2015 school year; and (2) the Department of Education may request a work program revision to transfer not more than $986,250 for use by the regional training programs. **Section 16.7** authorizes a school district that participated in the validation study for the 2013-2014 school year to submit an application to the Department of Education to opt out of the delay of the statewide performance evaluation system and implement the system for its teachers and school-based administrators commencing with the 2014-2015 school year. For the 2014-2015 school year, the Department of Education, in consultation with the 17 school districts, is required to select a representative sample of counselors, librarians and other licensed educational personnel, except for teachers and administrators, to

undergo evaluations under the new statewide performance evaluation system in addition to being evaluated under the "satisfactory" or "unsatisfactory" system. Commencing with the 2015-2016 school year, all counselors, librarians and other licensed educational personnel are required to be evaluated pursuant to the new statewide performance evaluation system. **Sections 19 and 21** prohibit the basing of any decisions regarding an employee's suspension, demotion, dismissal or refusal to reemploy upon the evaluations conducted as part of either validation study.

to be effective. The administrator may appeal the decision of the superintendent to the board by requesting a hearing in writing to the president of the board within 5 days after receiving the notice from the superintendent. The board shall hear the matter within 10 days after the president receives the request, and shall render its decision within 5 days after the hearing. The decision of the board is final.

Sec. 6. NRS 391.3128 is hereby amended to read as follows:

391.3128 1. If a written evaluation of a probationary teacher **,** or ***a*** probationary administrator ***who provides primarily administrative services at the school level and who does not provide primarily direct instructional services to pupils, regardless of whether the probationary administrator is licensed as a teacher or administrator, including, without limitation, a principal and vice principal,*** designates the overall performance of the teacher or administrator as "minimally effective" or "ineffective":

(a) The written evaluation must include the following statement: "Please be advised that, pursuant to Nevada law, your contract may not be renewed for the next school year. If you receive a 'minimally effective' or 'ineffective' evaluation on the first or second evaluation, or both evaluations for this school year, ~~[and if you have another evaluation remaining this school year,]~~ you may request that the ***third*** evaluation be conducted by another administrator. You may also request, to the administrator who conducted the evaluation, reasonable assistance in ~~[correcting the deficiencies]~~ ***improving your performance based upon the recommendations*** reported in the evaluation for which you request assistance, and upon such request, a reasonable effort will be made to assist you in ~~[correcting those deficiencies."]~~ ***improving your performance."***

(b) The probationary teacher or probationary administrator, as applicable, must acknowledge in writing that he or she has received and understands the statement described in paragraph (a).

Sec. 7. (Deleted by amendment.)

Sec. 8. NRS 391.3197 is hereby amended to read as follows:

391.3197 1. A probationary employee is employed on a contract basis for three 1-year periods and has no right to employment after any of the three probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first, second and third school years of the employee's probationary period, as appropriate, whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify the probationary employee in writing on or before May 1 in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing on or before May 10 of the first, second or third year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in the first, second and third years of the employee's probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

3. A probationary employee who:

(a) Completes a 3-year probationary period;

(b) Receives a designation of "highly effective" or "effective" on each of his or her performance evaluations for 2 consecutive school years; and

(c) Receives a notice of reemployment from the school district in the third year of the employee's probationary period,

➥ is entitled to be a postprobationary employee in the ensuing year of employment.

4. If a probationary employee is notified that the employee will not be reemployed for the school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

5. A new employee who is employed as an administrator ***to provide primarily administrative services at the school level and who does not provide primarily direct instructional services to pupils, regardless of whether the administrator is licensed as a teacher or administrator, including, without limitation, a principal and vice principal,*** or a postprobationary teacher who is employed as an administrator ***to provide those administrative services*** shall be deemed to be a probationary employee for the purposes of this section and must serve a 3-year probationary period as an administrator in accordance with the provisions of this section. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after any year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

➥ the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

6. An administrator who has completed his or her probationary period pursuant to subsection 5 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If an administrator is promoted to the position of principal before completion of his or her probationary period pursuant to subsection 5, the administrator must serve the remainder of his or her probationary period pursuant to subsection 5 or an additional probationary period of 1 year in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

7. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the probationary employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.

The administrator may appeal the decision of the superintendent to the board of trustees by requesting a hearing in writing to the president of the board within 5 days after receiving the notice from the superintendent. The board of trustees shall hear the matter within 10 days after the president receives the request, and shall render its decision within 5 days after the hearing. The decision of the board of trustees is final.

Sec. 18.5. 1. You may also request, to the administrator who conducted the evaluation, reasonable assistance in correcting the deficiencies reported in the evaluation for which you request assistance, and upon such request, a reasonable effort will be made to assist you in correcting those deficiencies."

(b) The probationary teacher or probationary administrator, as applicable, must acknowledge in writing that he or she has received and understands the statement described in paragraph (a).

2. If a probationary teacher or probationary administrator requests that his or her next evaluation be conducted by another administrator in accordance with the notice required by subsection 1, the administrator conducting the evaluation must be:

(a) Employed by the school district or, if the school district has five or fewer administrators, employed by another school district in this State; and

(b) Selected by the probationary teacher or probationary administrator, as applicable, from a list of three candidates submitted by the superintendent.

3. If a probationary teacher or probationary administrator requests assistance in correcting deficiencies reported in his or her evaluation, the administrator who conducted the evaluation shall ensure that a reasonable

effort is made to assist the probationary teacher or probationary administrator in correcting those deficiencies.

Sec. 18.7. 1. The provisions of this section apply to probationary employees who are employed by a school district that conducts evaluations pursuant to sections 17 and 18 of this act for the 2013-2014 school year or the 2014-2015 school year, or both, for each school year that the school district conducts evaluations pursuant to those sections.

2. A probationary employee is employed on a contract basis for three 1-year periods and has no right to employment after any of the three probationary contract years.

3. The board shall notify each probationary employee in writing on or before May 1 of the first, second and third school years of the employee's probationary period, as appropriate, whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify the probationary employee in writing on or before May 1 in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing on or before May 10 of the first, second or third year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in the first, second and third years of the employee's probationary period, not later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

4. A probationary employee who:

(a) Completes a 3-year probationary period;

(b) Receives a designation of "satisfactory" on each of his or her performance evaluations for 2 consecutive school years; and

(c) Receives a notice of reemployment from the school district in the third year of the employee's probationary period,

➥ is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that the employee will not be reemployed for the school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

6. A new employee who is employed as an administrator or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 3-year probationary period as an administrator in accordance with the provisions of this section. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after any year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

➥ the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

7. An administrator who has completed his or her probationary period pursuant to subsection 6 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If an administrator is promoted to the position of principal before completion of his or her probationary period pursuant to subsection 6, the administrator must serve the remainder of his or her probationary period pursuant to subsection 6 or an additional probationary period of 1 year in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

8. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the probationary employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.

Sec. 19. 1. Except as otherwise provided by section 16.5 of this act, each school district shall participate in the validation study of the statewide performance evaluation system adopted by the State Board of Education pursuant to NRS 391.465, as amended by section 10 of this act, for the 2013-2014 school year. Except as otherwise provided in sections 16.5 and 16.7 of this act, if the Interim Finance Committee makes a determination pursuant to section 16.3 of this act that all school districts which participated in the validation study of the statewide performance evaluation system for the 2013-2014 school year are not prepared to implement the evaluation system, those school districts must participate in a second validation study of the evaluation system for the 2014-2015 school year.

2. On or before August 1, 2013, and, if applicable, on or before August 1, 2014, the Department of Education shall, in consultation with the boards of trustees of the school districts that do not have an application approved by the Department to opt out of the delay of the implementation of the statewide performance evaluation system pursuant to section 16.5 or 16.7 of this act, as applicable, select a representative sample of teachers and administrators for a validation study of the statewide performance evaluation system adopted by the State Board of Education pursuant to NRS 391.465, as amended by section 10 of this act. **In addition, if the Department has approved a school district that opted out of the delay of the implementation of the statewide performance evaluation system to participate in a portion of the validation study, the Department shall, in consultation with that school district, select a representative sample of teachers and administrators for the portion of the validation study the Department has approved for the school district's participation.** The administrators selected for the validation study must provide primarily administrative services at the school level and not provide primarily direct instructional services to pupils, regardless of whether such an administrator is licensed as a teacher or administrator, including, without limitation, a principal and vice principal. ~~[Each school district shall participate in the validation study.]~~

3. For the 2013-2014 school year and, if applicable, for the 2014-2015 school year:

(b) Decisions regarding the suspension, demotion, dismissal and refusal to reemploy must not be based upon any results of the evaluations conducted pursuant to this section for purposes of the validation study.

4. ~~[The]~~ **For those school districts that have not opted out of the delay of the implementation of the statewide performance evaluation system, the** teachers who are selected for the validation study must be evaluated in accordance with section 17 of this act and in accordance with the policy for evaluations set forth in NRS 391.3125, as amended by section 4 of this act.

(a) The first observation must occur within 80 days after the first day of instruction of the school year; and

ASSEMBLYWOMAN SWANK:

Senate Bill 56 amends provisions relating to certain state financial data that the State Controller is required to make available to the public on the Controller's website. The bill requires that information relating to expenditures and revenues of the state be made available for the current fiscal year and the immediately preceding fiscal year rather than for the current biennium and the immediately preceding biennium. The bill also changes the designation of various "funds" to "accounts" and provides that money remaining in certain accounts at the end of the fiscal year does not revert to the State General Fund.

Finally, S.B. 390 requires the Commission on Mineral

Resources to adopt regulations implementing the hydraulic fracturing program on or before January 1, 2015.

ASSEMBLYMAN OSCARSON:

Senate Bill 452 allows the Board of Trustees for the Fund for Hospital Care to Indigent Persons to enter into an agreement with the Division of Health Care Financing and Policy of the Department of Health and Human Services to transfer money from the Fund to the Division to be used to provide enhanced rates of reimbursement for hospital care provided to recipients of Medicaid, to make supplemental payments to a hospital for care through increased federal financial participation, and to satisfy any portion of a county obligation to pay the nonfederal share of certain expenditures relating to long-term care.

Once such an agreement is entered into and any enhanced rate of reimbursement or supplemental payments are approved by the federal government, the measure requires the Board

to continue to provide money pursuant to the agreement until the federal government approves reverting to the previous rate of reimbursement or payments.

In addition, S.B. 452 creates within the Fund the Hospital Assessment Account, which is to be administered by the Board. If an agreement is entered into between the Board and the Division, certain hospitals may be required to pay an annual assessment for deposit into the Account. Uncommitted funds that remain in the Account at the end of a fiscal year are to be reimbursed to each hospital proportionally based on the assessment amount each paid. Finally, the measure revises the allocation and use of certain funding provided by counties and certain hospitals to support indigent care.

ASSEMBLYWOMAN CARLTON:

Senate Bill 481, as amended, temporarily waives the minimum amount of money that school districts, charter schools, and university schools for profoundly gifted pupils must expend each fiscal year on textbooks, instructional supplies, and instructional software and hardware. The bill also temporarily waives the minimum amount of money school districts must expend each school year on library books, software for computers, the purchase of equipment relating to instruction, and the maintenance and repair of equipment, vehicles, and buildings and facilities. A waiver from the minimum expenditure requirements was approved by the 26th Special Session in 2010 for the 2009 2011 biennium and again by the 76th Session in 2011 for the current biennium. Senate Bill 481 extends the waiver through the 2013-2015 biennium.

This temporary waiver is becoming a little too long, and I would truly hope that next biennium we can address things like textbooks, software, and library books. I think they are very important to education, just as other things that we have funded this session are very important to education.

Remarks by Assemblymen Flores, Stewart, and Elliot Anderson.

ASSEMBLYWOMAN FLORES:

Senate Joint Resolution No. 8 proposes to amend the *Nevada Constitution* to provide for annual regular legislative sessions, limited in odd-numbered years to not more than 90 legislative days within 120 calendar days and in even-numbered years to not more than 30 legislative days within 45 calendar days. The measure proposes to remove the current constitutional provisions that limit payment of legislator salaries to the first 60 days of a regular session and the first 20 days of a special session and proposes instead that legislators be compensated at regular intervals as set by law. The measure also proposes to remove the restriction of $60 per session for office

expenses, such as postage and stationery, and to appropriate funds for actual expenses that members may incur for each legislative session.

ASSEMBLYMAN STEWART:

I rise in opposition to this measure. I was on the committee that discussed this and I was in favor of the measure if we kept it at 90 calendar days on the odd-numbered years and 30 calendar days on the even years. The way this is, we would be up here for 120 days and 45 days, and folks, that is way too long.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in support. For me, what this comes down to is we have an Executive Branch that works year-round, and I believe in a government that has separate and equal powers. I believe in checks and balances, as well. Also, I don't know how we can really hope to do the best that we can for our budget when we are having to forecast two years in advance. I think history has shown that it is very difficult to do that, and this is a good step in the right direction.

ASSEMBLYMAN BOBZIEN:

Assembly Bill 239 establishes the Economic Development Electric Rate Rider Program, which is a five-year program to encourage the location or relocation of new commercial and industrial businesses in the state by providing discounted rates for electricity to eligible participants.

The bill, as amended, requires the Economic Development Rate Rider Program to be administered by the Public Utilities Commission in consultation with the Governor's Office of Economic Development, persons wishing to apply to the program to submit an application to the Governor's Office of Economic Development and obtain approval and a letter of eligibility, the PUC to establish the discounted rates for electricity available to the applicant and the terms of the contract between the applicant and electric utility, and the Public Utilities Commission to submit a written report to the next Legislature detailing the program including the number of participants, the amount of electricity allocated, the amount of discounts provided, and the remaining amount of electricity available for allocation.

The bill, as amended, modifies the provisions of partial abatement for local sales, local use, and property taxes by allowing the Director of the Governor's Office of Energy to charge and collect a fee from applicants who submit an application for a partial abatement of local sales, local use, and property taxes, requiring this fee to not exceed the actual cost to process the application and evaluate the proof submitted by the applicant, adding geothermal energy to the definition of renewable energy and allowing applicants to seek abatements, and removing a person who operates a facility for the transmission of electricity generated from renewable energy or geothermal resources from the list of persons eligible for partial abatement.

Remarks by Assemblyman Horne.

ASSEMBLYMAN HORNE:

Assembly Bill 360 authorizes the Governor, upon recommendation of the Nevada Gaming Commission, to enter into agreements with other governments allowing persons physically located in those jurisdictions to participate in interactive gaming conducted by one or more

licensed operators of the signatory governments. The bill prohibits the Governor from entering into those agreements unless it provides for any potential arrangement for revenue-sharing, permits effective regulations of interactive gaming, and meets other requirements. As used in the bill, *government* means any governmental unit other than United States government. Assembly Bill 360 revises definitions of various terms relating to the regulation of gaming by repeal and replaces section 3 of Senate Bill 9, and it transfers from the Commission to the State Gaming Control Board responsibility for determining the annual adjustments to financial reporting thresholds for non-restricted licensees. The bill requires a person seeking to hold 5 percent or less interest in certain gaming licenses to register with the Board. It revises provisions relating to independent testing laboratories. The measure also requires the Legislative Commission to conduct an interim study concerning the impact of technology on the regulation of gaming and the distinction between restricted and non-restricted gaming licensees. Finally, Assembly Bill 360 revises the dates on which the mandatory provisions of Senate Bill 416 of this legislative session apply to certain gaming licensees. The measure is effective upon passage and approval.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 960.

AN ACT relating to real property; ~~[creating the Contingency Account for the Foreclosure Mediation Program;]~~ revising provisions governing enrollment in the Foreclosure Mediation Program; revising provisions governing the foreclosure of liens by an association of a common-interest community; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) One such restriction requires the trustee under the deed of trust to include with the copy of the notice of default and election to sell which is mailed to the homeowner: (1) a notice provided by the Foreclosure Mediation Program Administrator indicating that the grantor or the person who holds the title of record has the right to seek mediation under rules adopted by the Nevada Supreme Court; and (2) a form on which a homeowner may request such mediation. Under existing law, a homeowner must elect to participate by: (1) completing and returning to the trustee a form upon which the homeowner elects to enter into mediation; and (2) paying his or her share of the fee established under the rules adopted by the Nevada Supreme Court. (NRS 107.080, 107.086)

This bill revises provisions governing enrollment in the Foreclosure Mediation Program. Under **sections 2 and 3** of this bill, a trustee under a deed of trust concerning owner-occupied housing must, in addition to including certain information concerning the Foreclosure Mediation Program with the copy of the notice of default and election which is mailed to the homeowner, send that information to the homeowner concurrently with, but separately from, the copy of the notice of default and election to sell. **Section 3** further provides that a homeowner will be enrolled in the Foreclosure Mediation Program unless: (1) he or she elects to waive mediation; or (2) fails to pay his or her share of the fee established under the rules adopted by the Nevada Supreme Court. If the homeowner waives mediation, fails to pay his or her share of the fee or, if the homeowner is enrolled in the Foreclosure Mediation Program, fails to appear at a scheduled mediation, the Mediation Administrator must provide to the trustee a certificate authorizing the continuation of the process to exercise the power of sale. **Section 3** also establishes deadlines by which the Mediation Administrator must provide certain information to the trustee.

~~[Section 1 of this bill creates the Contingency Account for the Foreclosure Mediation Program. Under section 1, the Supreme Court administers the~~

~~Contingency Account and money in the Contingency Account must be expended only to carry out the Foreclosure Mediation Program.]~~

Section 4 of this bill prohibits a homeowners' association from foreclosing its lien on a unit constituting owner-occupied housing while the unit's owner is eligible to participate or is participating in the Foreclosure Mediation Program.

Section 4.5 of this bill makes an appropriation of $100 from the State General Fund to the Account for Foreclosure Mediation to support the Foreclosure Mediation Program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*1. The Contingency Account for the Foreclosure Mediation Program is hereby created in the State General Fund.*~~

~~*2. The Supreme Court shall administer the Contingency Account. The money in the Contingency Account must be expended only for the purpose of carrying out the provisions of NRS 107.086 and any rules adopted by the Supreme Court to carry out the provisions of NRS 107.086.*~~

~~*3. The Supreme Court may apply for and accept gifts, grants and donations or other sources of money for deposit in the Contingency Account.*~~

~~*4. The interest and income earned on money in the Contingency Account, after deducting any applicable charges, must be credited to the Contingency Account.*~~

~~*5. Any money remaining in the Contingency Account at the end of a fiscal year does not revert to the State General Fund and the balance in the Contingency Account must be carried forward to the next fiscal year.]~~ **(Deleted by amendment.)**

Sec. 2. NRS 107.085 is hereby amended to read as follows:

SENATORS SEGERBLOM ~~[,]~~ **HUTCHISON;** AND MANENDO

SUMMARY—Provides for the registration of medical marijuana establishments authorized to cultivate or dispense marijuana or manufacture **edible marijuana** products ~~[containing marijuana]~~ **or marijuana-infused products** for sale to persons authorized to engage in the medical use of marijuana. (BDR 15-89)

AN ACT relating to medical marijuana; **making it a crime to counterfeit or forge, or attempt to counterfeit or forge, a registry identification card for the medical use of marijuana; making it a crime for a person to grow, harvest or process more than 12 marijuana plants;** providing for the registration of medical marijuana establishments authorized to cultivate or dispense marijuana or manufacture **edible marijuana** products ~~[containing marijuana]~~ **or marijuana-infused products** for sale to persons authorized to engage in the medical use of marijuana; **providing for the registration of agents who are employed by or volunteer at medical marijuana establishments;** setting forth the manner in which such establishments must register and operate; **creating the Subcommittee on the Medical Use of Marijuana of the Advisory Commission on the Administration of Justice; requiring the Health Division of the**

Department of Health and Human Services to adopt regulations; imposing an excise tax on each sale of marijuana, edible marijuana products and marijuana-infused products; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State of Nevada provides immunity from state and local prosecution for possessing, delivering and producing marijuana in certain limited amounts for patients with qualifying medical conditions, and their designated primary caregivers, who apply to and receive from the Health Division of the Department of Health and Human Services a registry identification card. Existing law does not specify the manner in which qualifying patients and their designated primary caregivers are to obtain marijuana. (Chapter 453A of NRS)

~~[This bill: (1) states that it is an unlawful act, punishable as a category E felony, to forge, counterfeit or attempt to forge or counterfeit a registry identification card; (2) provides for the registration of medical marijuana establishments, the three types of which are cultivation facilities, facilities for the production of edible marijuana products and medical marijuana dispensaries; (3) provides for the registration of medical marijuana establishment agents; (4) sets forth the crimes and acts which disqualify a person from serving as the owner, officer, board member or agent of such an establishment; (5) enumerates the acts for which a medical marijuana establishment registration certificate and a medical marijuana establishment agent registration card are immediately revocable; (6) establishes that it is a privilege and not a right to hold a medical marijuana establishment registration certificate or a medical marijuana establishment agent registration card; (7) sets forth the maximum fees which may be charged by the Health Division for the initial issuance and renewal of such certificates and cards; (8) sets forth the basic requirements for operating a medical marijuana establishment; and (9) directs the Health Division to adopt necessary regulations. This bill also increases the amounts of usable marijuana and live marijuana plants that a holder of a registry identification card and his or her designated primary caregiver are allowed to possess at any one time, matching the amounts allowed under the laws of the State of Arizona. This bill further authorizes the Director of the Department of Health and Human Services to request a temporary advance from the State General Fund to pay the costs of carrying out the registration requirements of this bill until sufficient revenues from registration fees are collected.]~~

Section 1 of this bill makes it a crime, punishable as a category E felony, for a person to counterfeit or forge or attempt to counterfeit or forge a registry identification card, which is the instrument that indicates a bearer is entitled to engage in the medical use of marijuana.

Section 1.7 of this bill makes it a crime, punishable as a category E felony, for a person to grow, harvest or process more than 12 marijuana plants, and also makes such a person liable for costs of cleanup and disposal.

Sections 3.5, 7.3, 7.5, 8 and 8.3 of this bill define what is meant by a "medical marijuana establishment," which includes: (1) cultivation facilities; (2) facilities for the production of edible marijuana products or marijuana-infused products; (3) independent testing laboratories; and (4) medical marijuana dispensaries.

Section 1.4 of this bill creates the Subcommittee on the Medical Use of Marijuana of the Advisory Commission on the Administration of Justice. The Subcommittee is tasked with considering, evaluating, reviewing and reporting on the medical use of marijuana, the dispensation of marijuana for medical use and laws providing for the dispensation of marijuana for medical use.

Sections 10-11.7 of this bill set forth the manner in which a person may apply to obtain a registration certificate to operate a medical marijuana establishment. Section 10 mandates background checks for persons proposed to be owners, officers or board members of medical marijuana establishments, and requires such establishments to be sited at least 1,000 feet from existing schools and at least 300 feet from certain existing community facilities. Section 10.5 requires that medical marijuana establishments be located in accordance with local governmental ordinances on zoning and land use, and be professional in appearance. Section 11 limits, by the size of the population of each county, the number of medical marijuana establishments that may be certified in each county, and also limits the Division to accepting applications for the certification of the establishments to not more than 10 business days in any one calendar year. Section 11.5 imposes limits to prevent the overconcentration of medical marijuana establishments in one part of a county and to prevent situations of ownership that are geographically monopolistic. Section 11.7 sets forth the merit-based criteria to be used by the Health Division of the Department of Health and Human Services in determining whether to issue a registration certificate for the operation of a medical marijuana establishment, including such criteria as financial solvency, experience in running businesses, knowledge of medical marijuana and financial contributions by way of the payment of taxes or otherwise to the State of Nevada and its political subdivisions.

Section 13 of this bill sets forth the procedure to apply for a medical marijuana establishment agent registration card, including background checks, and specifies that the application shall be deemed conditionally

approved if the Division does not act upon the application within 30 days, but the conditional approval is limited to the period until such time as the Division acts upon the application.

Section 12 of this bill provides the maximum fees to be charged by the Division for the initial issuance and renewal of medical marijuana establishment registration certificates and medical marijuana establishment agent registration cards. Section 12 also imposes, in the case of applications to operate a medical marijuana establishment, a nonrefundable application fee of $5,000. Section 13.5 states that the registration certificates and registration cards are nontransferable.

Sections 14 and 15 of this bill, in accordance with federal law, outline the procedure for the suspension of medical marijuana establishment registration certificates and medical marijuana establishment agent registration cards in the event that the holder fails to comply with certain requirements pertaining to the payment of child support. Sections 16 and 17 of this bill set forth the acts that are immediate grounds for the Division to revoke a registration certificate or registration card. Section 18 of this bill provides that it is a privilege to hold a registration certificate or registration card and holding such an instrument conveys no vested rights.

Section 19 of this bill sets forth requirements for the secure and lawful operation of medical marijuana establishments. Sections 19.1 and 19.2 of this bill, respectively, require medical marijuana establishments to maintain an electronic verification system and an inventory control system. Both systems are intended to work together to ensure that marijuana cultivated for medical use is dispensed only in accordance with chapter 453A of NRS and only to persons authorized to engage in the medical use of marijuana.

Sections 19.3 and 20 of this bill require medical marijuana dispensaries to use an independent testing laboratory to ensure that the products sold to end users are tested for content, quality and potency. Section 19.4 of this bill sets forth that medical marijuana establishments are to use certain security protocols.

Sections 19.5 and 24.9 of this bill provide for the dispensation of marijuana and related products to persons who are not residents of this State. From April 1, 2014, through March 31, 2016, a nonresident purchaser must sign an affidavit attesting to the fact that he or she is entitled to engage in the medical use of marijuana in his or her state or jurisdiction of residency. On and after April 1, 2016, the requirement for such an affidavit is replaced by computer cross-checking between the State of Nevada and other jurisdictions.

Sections 19.6, 22.35, 22.4 and 22.45 of this bill allow a registry identification cardholder and his or her designated primary caregiver, if any, to choose a particular medical marijuana dispensary to be his or her designated medical marijuana dispensary. The designation of a medical marijuana dispensary may be changed not more than once every 30 days.

Section 19.7 of this bill requires that marijuana, edible marijuana products and marijuana-infused products be labeled and packaged in a safe manner.

Section 19.8 of this bill allows the seizure of certain property possessed by a medical marijuana establishment under certain strictly prescribed circumstances.

Section 19.9 of this bill requires the Division to prescribe standards for the operation of independent testing laboratories.

Section 20 of this bill authorizes the Division to adopt any regulations the Division determines to be necessary or advisable to carry out the program of dispensing marijuana and related products to persons authorized by law to engage in the medical use of marijuana.

Sections 22 and 22.3 of this bill increase the amounts of marijuana, edible marijuana products and marijuana-infused products that may be possessed collectively by a registry identification cardholder and his or her designated primary caregiver, if any. The increased amounts are derived, in substantial part, from the limits established by the State of Arizona. Sections 22 and 22.3 also provide a 2-year period, beginning on April 1, 2014, and ending on March 31, 2016, during which persons who are authorized to engage in the medical use of marijuana and who were cultivating, growing or producing marijuana on or before July 1, 2013, are "grandfathered" to continue such activity until March 31, 2016. On and after April 1, 2016, self-cultivation, self-growing and self-production is prohibited unless the person engaging in such activity qualifies for one of the compassionate exceptions from the prohibition, including illness that precludes travel to a medical marijuana dispensary, and the lack of a medical marijuana dispensary within 25 miles of the person's residence.

Section 22.4 of this bill stipulates that a registry identification card must indicate whether or not the holder is authorized to engage in the self-cultivation, self-growing or self-production of marijuana for medical purposes.

Section 24 of this bill reduces by 50 percent the fees currently charged by the Division to provide an applicant with an application for a registry identification card, and to process the application and issue the card.

Section 24.4 of this bill: (1) imposes an excise tax of 2 percent on each wholesale sale of marijuana, edible marijuana products and marijuana-infused products between medical marijuana establishments; (2) imposes an excise tax of 2 percent on the retail sale of marijuana and such products from a medical marijuana dispensary to an end user; and (3) makes clear that the 2 percent excise tax on retail sales is in addition to the state and local sales and use taxes that are otherwise imposed on the sale of tangible personal property.

3. Nothing in this section prohibits more than one medical marijuana establishment from co-owning an inventory control system in cooperation with other medical marijuana establishments, or sharing the information obtained therefrom.

4. A medical marijuana establishment must exercise reasonable care to ensure that the personal identifying information of persons who hold registry identification cards which is contained in an inventory control system is encrypted, protected and not divulged for any purpose not specifically authorized by law.

Sec. 19.3. *Each medical marijuana dispensary shall ensure all of the following:*

1. The weight, concentration and content of THC in all marijuana, ~~*[and]*~~ *edible marijuana products and marijuana-infused products that the dispensary sells is clearly and accurately stated on the product sold.*

2. For the purposes of the reciprocity described in this section:

(a) The amount of medical marijuana that the holder or bearer of a nonresident card is entitled to possess in his or her state or jurisdiction of residence is not relevant; and

(b) Under no circumstances, while in this State, may the holder or bearer of a nonresident card possess marijuana for medical purposes in excess of the limits set forth in NRS 453A.200.

If a law enforcement agency legally and justly seizes evidence from a medical marijuana establishment on a basis that, in consideration of due process and viewed in the manner most favorable to the establishment, would lead a reasonable person to believe that a crime has been committed, the relevant provisions of NRS 179.1156 to 179.121, inclusive, apply insofar as they do not conflict with the provisions of this chapter.*
