SUMMARY— ~~[Provides requirements relating to the sale or lease of]~~ **Revises provisions relating to** certain systems for the generation of electricity. (BDR 58-934)

Legislative Counsel's Digest:

This bill provides requirements for agreements to sell, lease or install "distributed generation systems," which are defined as electricity generating systems, other than certain portable or other electric generators intended for occasional use, that: (1) generate electricity from solar energy; (2) are located on the ~~[property]~~ **premises** of a customer of an electric utility; (3) are connected on the customer's side of the electricity meter; (4) provide electricity primarily to offset customer load on ~~[that property;]~~ **those**

premises; and (5) ~~[may]~~ operate in parallel with the utility's transmission and distribution facilities.

Section 6 of this bill requires a person who sells, installs or sells and installs a distributed generation system to provide with the sale or installation an express, written warranty for the system which must provide coverage for both parts and labor. The seller or installer also must provide with the sale or installation a description of the warranty, a description of any responsibility assumed or disclaimed by the seller or installer, and performance data for the system. **Section 7** of this bill requires a person transferring an obligation under a required warranty to provide the name, address and telephone number of the person to whom the obligation is being transferred.

Section 8 of this bill lists the requirements for any agreement for the financing, sale or lease of a distributed generation system **~~[.]~~ or for the purchase of electricity generated by a distributed generation system.** The agreement, which must be in writing, must include information regarding: (1) the manufacturer, seller and installer of the system; (2) the effectiveness of the system; (3) the cost of the purchase or lease and the cost of operating and maintaining the system; (4) tax incentives and obligations relating to the purchase or lease of the system **~~[.]~~ or the purchase of electricity;** and (5) any restrictions or obligations imposed by the agreement. Amendment No. 492.

AN ACT relating to public works; prohibiting a public body from entering into certain contracts for public works which allow for purchase by the public body of the construction materials or goods to be used in the public work; providing that the Attorney General is to enforce the prohibition against such a contract for a public work; directing the Department of Taxation to withhold certain money payable to a public body which violates such a prohibition in a contract for a public work; ~~[removing an exemption for]~~ **revising provisions relating to** certain construction projects of the Nevada System of Higher Education **;** ~~[from provisions governing public works;]~~ providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the sale of any tangible personal property to a governmental entity including the State, its unincorporated agencies and instrumentalities or a county, city, district or other political subdivision of this State, is exempted from the imposition of sales and use taxes. (NRS 372.325, 372.345) A contractor who buys tangible personal property or stores, uses or otherwise consumes tangible personal property for such a governmental entity must pay such taxes unless the contractor is a constituent part of that entity. (NRS 372.340) **Section 1** of this bill prohibits any public body including the State, its local governments, school districts, and any public agency thereof which sponsors or finances a public work from entering into ~~[a]~~ **an express or implied** contract for a public work which provides that any construction materials or goods to be used on the public work be purchased or otherwise supplied by: (1) the public body; (2) a contractor who is a constituent part of the public body; or (3) a contractor who is not a constituent part of the public body acting on behalf of the public body. A public body may, however, enter into such a contract for a public work provided that the contract requires the payment of any state or local taxes that would otherwise have been due for the purchase and use of such construction materials or goods if they had been purchased and used by an entity not exempted from the payment of such taxes. **Section 1** also provides that: (1) ~~[a]~~ **an express or implied** contract entered into in violation of this prohibition is void; (2) a person who enters into such a contract is guilty of a gross misdemeanor; and (3) the right to enforce the provisions of this prohibition vests exclusively in the Attorney General. **Section 1** further provides that, if a contract is entered into in violation of this prohibition, the Attorney General must forward to the Department of Taxation a list of the construction materials or goods purchased under the contract. The Department is then required to calculate the amount of applicable state and local taxes that should have been collected on the construction materials or goods, and deduct from the money otherwise payable from the proceeds of any tax distribution due to the public body either twice the amount of the applicable taxes or the sum of ~~[$500,000,]~~ **$250,000,** whichever is greater. **In addition, section 1 exempts from the new prohibition express or implied contracts for public works that use certain construction materials or goods that are: (1) purchased pursuant to governmental procurement rules, needed on a**

recurring basis and used to protect the health, safety or welfare of the public; or (2) specialized, project-specific components.

Under existing law, the laws of this State pertaining to public works apply to any project which is financed in whole or in part from public money for the new construction, repair or reconstruction of publicly owned works and properties, except that such laws only apply to a building for the Nevada System of Higher Education if 25 percent or more of the costs of the building as a whole are paid from money appropriated by this State or from federal money. (NRS 338.010) **Section 2** of this bill removes that exemption from the application of public works laws for such a building for the System. **However, section 2.5 of this bill exempts a building of the System if less than 25 percent of the costs of the building are paid from money appropriated by this State or federal money from certain provisions requiring that a public body use the services of the State Public Works Division of the Department of Administration for certain services relating to planning, maintenance and construction of state buildings. (NRS 341.141-341.148)** **Section 4** of this bill repeals certain sections for conformity with the amendments made in **section 2**.

AN ACT relating to criminal procedure; authorizing certain persons who are prohibited from owning, possessing or having under their custody or control any firearm **or who have had certain civil rights taken away** to petition the court to restore ~~[their right to own, possess and control any firearm]~~ **such rights** in certain circumstances; ~~[providing for the immediate restoration of certain civil rights if a person's right to own, possess and control any firearm is restored;]~~ authorizing a prosecuting attorney to inquire into, inspect and use as evidence certain sealed records in certain circumstances; adding a person who has been convicted of a **misdemeanor** crime ~~[that constitutes]~~ **of** domestic violence to the list of persons who are prohibited from owning or having in their possession or under their custody or control any firearm; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits certain persons from owning or having in their possession or under their custody or control any firearm, including a person who has been convicted of a felony in this State or any other state, or in any political subdivision thereof, or of a felony in violation of the laws of the United States of America, unless the person has received a pardon and the pardon does not restrict his or her right to bear arms. (NRS 202.360) **Section 5** of this bill adds to such a list of persons a person who has been convicted **in this State or any other state** of a **misdemeanor** crime ~~[that constitutes]~~ **of** domestic violence ~~[pursuant to Nevada law or a substantially similar law of any other state.]~~ **, as defined in federal law.**

Section 2 of this bill establishes a procedure by which a person who **: (1)** is prohibited from owning or having in his or her possession or under his or her custody or control any firearm because the person has been convicted of a felony ~~[in this State or any other state, or in any political subdivision thereof, or of a felony in violation of the laws of the United States of America]~~ **or a misdemeanor crime of domestic violence; or (2) has had his or her civil rights to vote, to serve as a juror in a civil or criminal action and to hold office taken away and has not had all such rights restored,** may **, after a certain applicable waiting period,** petition the district court in the county in which the person resides or in which the person was convicted for the restoration of such ~~[a right to own, possess and control a firearm.]~~ **rights.** For a person to be eligible to have such ~~[a right]~~ **rights** restored **~~[~~**, ~~the following requirements must be met: (1) the offense for which the person was convicted is one of certain category D or E felonies; (2) 2 years have elapsed since the~~

Section 2 also requires that a date for a hearing on such a petition be set for not earlier than 30 days and not later than 120 days after a petition is filed, unless waived by the parties. The court is required to make a decision within 30 days after the hearing on the petition is completed.

Section 2 additionally requires the court to issue an order restoring a petitioner's **civil rights and the** right to own, possess and control any firearm if: (1) **the petitioner has never been convicted of a misdemeanor crime of domestic violence; (2) the petitioner has never been convicted of a category A, B or C felony; and (3) the only category D or E felony for which the person has ever been convicted did not include certain elements. A petitioner who does not meet such criteria but meets certain other criteria must prove to** the court **[**~~determines that the petitioner proves~~**]** by clear and convincing evidence that he or she is rehabilitated and is unlikely to use **[**~~a firearm in~~**]** **the restoration of any rights for** an unlawful **[**~~manner; and (2) the petitioner has made all restitution as ordered by the court.~~**]** **purpose.** If the court determines that the petitioner does not satisfy the burden of proof, **[**~~or if the petitioner has not made all restitution as ordered by the court, unless such failure was due to economic hardship,~~**]** the court is required to issue an order denying the restoration of such **[**~~a right.~~**]** **rights and to state the basis for such a denial. Section 2** further authorizes such a petitioner to reapply for the restoration of such **[**~~a right~~**]** **rights** not earlier than 1 year after the date the court order is entered. **[**~~Finally, section 2 provides that a person whose right to own, possess and control a firearm is restored is also immediately restored to the civil rights to vote, serve as a juror in a civil or criminal action and hold office, if any such civil rights have not previously been restored.~~**]** **Finally, section 2 authorizes a person who has lost his or her civil rights as a result of a conviction in another state to petition the district court for the restoration of such rights if the person would otherwise be eligible to petition the district court for the restoration of such rights if the conviction that resulted in the loss of such rights occurred in this State.**

Existing law authorizes certain persons to inquire into and inspect certain records that have been sealed in certain circumstances. (NRS 179.301) **Section 3** of this bill authorizes a prosecuting attorney to inquire into and inspect certain sealed records if the person who is the subject of the records has

petitioned to have his or her right to own, possess and control any firearm restored pursuant to **section 2**. **Section 3** also authorizes a prosecuting attorney to use any such records as evidence during a hearing on such a petition.

AN ACT relating to common-interest communities; ~~[enacting provisions governing hearings conducted by the executive board of a unit owners' association on alleged violations of the governing documents; providing for the payment of a per diem to members of the executive board of an association under certain circumstances; revising provisions governing the approval of certain capital improvements to a common-interest community;]~~ revising provisions governing ~~[the foreclosure of an]~~ **a unit-owners'** association's lien for certain amounts due to the association; ~~[providing for the Commission for Common-Interest Communities and Condominium Hotels and its hearing panels to conduct hearings and take certain actions on breaches of the governing documents of a common-interest community;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the executive board of a common-interest community to provide a unit's owner and, if different, a person against whom a fine will be imposed with: (1) written notice containing certain information; and (2) a reasonable opportunity to cure an alleged violation or contest the alleged violation at a hearing before imposing a fine. (NRS 116.31031) Section 2 of this bill: (1) specifies the required contents of the written notice and prescribes the manner in which the executive board is required to provide the notice; and (2) prohibits the imposition of a fine if the violation is cured within a reasonable time. Section 2 further specifies the procedures for the hearing before the executive board, including, without limitation, a requirement that each party to the hearing disclose certain information to the other parties, a provision authorizing a unit's owner or the person against whom the fine will be imposed to challenge a member of the executive board or hearing committee for bias, conflict of interest or certain other causes and a provision~~

~~governing continuances of the hearing. Finally, section 2 authorizes a party to a hearing to make an audio or video recording of a hearing, request a transcript of a hearing and arrange for an interpreter at the party's own expense.~~

~~Section 4 of this bill specifically authorizes the bylaws of an association to provide for the payment of a per diem, not to exceed $100 per day, to members of the executive board for each day or portion of a day of attendance at a meeting of the executive board or while engaged in the business of the executive board. Such a provision must be adopted at a meeting of the units' owners by: (1) at least 35 percent of the units' owners other than the declarant; and (2) a majority of the units' owners, other than the declarant, who vote on the provision.~~

~~Existing law requires an association to provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the meeting. (NRS 116.3115) Section 6 of this bill prohibits the association from making a capital improvement that costs more than $5,000 unless the capital improvement is approved by units' owners constituting at least 25 percent of the total number of voting members of the association. Under section 20 of this bill, the approval of the units' owners is not required if a contract for the construction of the capital improvement is entered into before October 1, 2015, the effective date of the bill.~~

~~Under existing law, the Commission for Common Interest Communities and Condominium Hotels and hearing panels of the Commission have jurisdiction to take certain actions against persons who violate the provisions of existing statutes or regulations governing common interest communities. (NRS 116.745-116.795) A claim concerning a breach of the conditions, covenants or restrictions of a common interest community or the bylaws, rules or regulations adopted by an association must be submitted to mediation, or a referee or hearing officer program established by the Real Estate Division of the Department of Business and Industry, before a civil action based upon the claim may be filed with a court. (NRS 38.300-38.360) Sections 9-17 of this bill provide that: (1) the Commission and its hearing panels have jurisdiction over a breach of the governing documents; (2) if an affidavit alleging such a breach is filed with the Division, the Division must schedule a hearing before the Commission or a hearing panel concerning the breach; (3) any hearing before the Commission or hearing panel concerning the breach must be conducted in the same manner as a hearing concerning a violation of law; and (4) if the Commission or hearing panel finds that a breach of the governing documents has occurred, the Commission or hearing panel may take the same actions and impose the same penalties that apply to a violation of law.~~

Under existing law, a unit-owners' association has a lien on a unit for certain amounts due to the association ~~,~~ **,** and ~~[~~authorizes~~]~~ an association ~~[~~to foreclosure~~]~~ **may foreclose** its lien through a nonjudicial foreclosure process. (NRS 116.3116-116.31168) ~~[~~Sections 1, 3, 5, 7, 8, 18, 19 and 21 of this bill repeal provisions authorizing a unit-owners' association to foreclose its lien

~~through a nonjudicial foreclosure process and, instead, section 7 authorizes the association to foreclose its lien through the judicial foreclosure process.~~**]** **Under existing law, generally, the association's lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association's lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association's lien that is prior to the first security interest on the unit is commonly referred to as the "super-priority lien." (NRS 116.3116) In *SFR Investments Pool 1, LLC v. U.S. Bank*, 130 Nev. Adv. Op. 75, 334 P.3d 408 (2014), the Nevada Supreme Court held that the foreclosure of the super-priority lien by the association extinguishes the first security interest on the unit.**

This bill provides that the foreclosure of the super-priority lien by the association does not extinguish a first security interest on the unit or a second mortgage or deed of trust on the unit. Thus, under this bill, if the holder of a security interest, lien or encumbrance on a unit, other than the association, forecloses on the unit, the association would be entitled to a distribution of the proceeds of the sale in accordance with the priority accorded to the association's lien under existing law. However, if the association forecloses its lien on a unit by sale, the association's foreclosure does not extinguish the first security interest on the unit or a second mortgage or deed of trust on the unit but does extinguish any other security interest, liens or encumbrances subordinate to the association's lien under existing law.

Sec. 6. ~~[NRS 116.3115 is hereby amended to read as follows:~~

~~116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.~~

~~2. Except for assessments under subsections 4 to 7, inclusive, or as otherwise provided in this chapter:~~

~~— (a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.~~

~~— (b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units' owners, impose any necessary and reasonable assessments against the units in the common interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.~~

~~— 3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.~~

~~— 4. Except as otherwise provided in the governing documents:~~

~~— (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;~~

~~— (b) Any common expense benefiting fewer than all of the units or their owners may be assessed exclusively against the units or units' owners benefited; and~~

~~— (c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.~~

~~5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.~~

~~6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.~~

~~7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.~~

~~8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.~~

~~9. *Notwithstanding any provision of law or the governing documents to the contrary, an association shall not make a capital improvement that costs over $5,000 unless the capital improvement is approved by the units' owners constituting at least 25 percent of the total number of voting members of the association.*~~

~~*10.* The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.~~ **(Deleted by amendment.)**

Sec. 7. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and

perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

➥ The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. ***Except as otherwise provided in this subsection, any priority accorded to the association's lien under this section is a priority in right and not merely a priority in payment from the proceeds of the sale of the unit by a competing lienholder or encumbrancer. The foreclosure by sale of the association's lien does not extinguish the rights of the holder of:***

(a) A first security interest described in paragraph (b) of subsection 2; or

(b) A second mortgage or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent.

4. The holder of the security interest described in paragraph (b) of subsection 2 or the holder's authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit's owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit's owner.

~~[4.]~~ ***5.*** Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

~~[5.]~~ ***6.*** Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

~~[6.]~~ ***7.*** A lien for unpaid assessments is extinguished unless ~~***[judicial]***~~ proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

~~[7.]~~ ***8.*** This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

~~[8.]~~ ***9.*** A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

~~[9.]~~ ***10.*** The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, ~~***[40.430 to 40.463,]***~~ inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

~~[10.]~~ ***11.*** In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, ~~***[40.430 to 40.463,]***~~ inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, ~~***[40.430 to 40.463,]***~~ inclusive.

~~[11. *The association's lien under this section may be foreclosed pursuant to NRS 40.430 to 40.463, inclusive, in like manner as a mortgage or other lien on real property.]*~~

12. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 7.5. **NRS 116.31166 is hereby amended to read as follows:**

116.31166 1. The recitals in a deed made pursuant to NRS 116.31164 of:

(a) Default, the mailing of the notice of delinquent assessment, and the recording of the notice of default and election to sell;

(b) The elapsing of the 90 days; and

(c) The giving of notice of sale,

➥ are conclusive proof of the matters recited.

2. Such a deed containing those recitals is conclusive against the unit's former owner, his or her heirs and assigns, and all other persons. The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

3. The sale of a unit pursuant to NRS 116.31162, 116.31163 and 116.31164 vests in the purchaser the title of the unit's owner without equity or right of redemption ~~[.]~~ ***subject to any security interest described in paragraph (a) or (b) of subsection 3 of NRS 116.3116.***

~~1. The number and identity of units in which time shares may be created;~~

~~2. The total number of time shares that may be created;~~

Legislative Counsel's Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) **Section 4** of this bill requires the Secretary of State to: (1) establish common business registration information that ~~[is]~~ **may be** used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to ~~[provide]~~ **exchange the** common business registration information ~~[to]~~ **among certain** state and local agencies and health districts that conduct necessary transactions with businesses in this State. **Section 4** ~~[further requires that]~~ **authorizes** state and local agencies and health districts ~~[,]~~ to **:** ~~[the extent practicable:]~~ (1) integrate their electronic applications processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal; and (4) ~~[meet]~~ **perform** certain other ~~[requirements]~~ **actions** related to participation in the state business portal. **Section 4** also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or federal law relating to the confidentiality of information. **Section 3** of this bill deems that the records and files collected as common business registration information **by the Secretary of State** are confidential and privileged unless an exception applies.

Section 7 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person who is issued a state business license or who claims to be excluded or exempt from the requirement to obtain a state business license. Under **section 4**: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registration, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State ~~[must]~~ **may** require an applicant for such a license, certificate, registration or permit to include the applicant's business identification number on the application.

Existing law also requires an applicant for a city or county business license to sign an affidavit **or electronically submit an attestation** affirming that the business ~~[maintains]~~ **satisfies** certain insurance requirements.

(NRS 244.33505, 268.0955) ~~[Section 15 of this bill repeals this requirement and section 6 of this bill instead requires an applicant for a state business license to include with his or her application a signed affidavit or an attestation to affirm that the business maintains certain insurance requirements. Section 6 further requires that certain information regarding industrial insurance be provided through the state business portal.]~~ **Sections 9.5 and 10.5 of this bill provide that if an applicant submits such an attestation electronically via the state business portal, access to certain information regarding industrial insurance must be provided through the state business portal.**

Existing law requires certain applicants for the issuance or renewal of certain licenses, certificates or permits by a county, city or town to submit a statement indicating whether the applicant is subject to a court order for the support of a child and whether he or she is in compliance with that order or a plan for the repayment of the money owed pursuant to the order. (NRS 244.33506, 266.358, 266.368, 269.171) **Section 15** repeals this requirement and **section ~~[6]~~ 5.3** of this bill instead requires certain applicants for the issuance or renewal of a state business license to submit such statement with the application for the issuance or renewal of a state business license. **Section 5.7 of this bill requires the Secretary of State to suspend the state business license of a sole proprietor if the Secretary of State receives a copy of a court order providing for the suspension of the professional and occupational licenses issued to the sole proprietor because the sole proprietor has not complied with certain child support requirements and the sole proprietor does not comply with certain requirements within 30 days.**

Section 11 of this bill removes the provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. **Section 12** of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal.

3. A board of county commissioners shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

(b) Assign the proceeds of any one or more of such license taxes to the county within which the city is situated for the purpose or purposes of making the proceeds available to the county:

(1) As a pledge as additional security for the payment of any general obligation bonds issued pursuant to NRS 244A.597 to 244A.655, inclusive;

(2) For redeeming any general obligation bonds issued pursuant to NRS 244A.597 to 244A.655, inclusive;

(c) Pledge the proceeds of any tax imposed on the revenues from the rental of transient lodging pursuant to this section for the payment of any general or special obligations issued by the city for a purpose authorized by the laws of this State.

(d) Use the proceeds of any tax imposed pursuant to this section on the revenues from the rental of transient lodging:

(1) To pay the principal, interest or any other indebtedness on any general or special obligations issued by the city pursuant to the laws of this State;

(2) For the expense of operating or maintaining, or both, any facilities of the city; and

(3) For any other purpose for which other money of the city may be used.

2. The city council or other governing body of an incorporated city shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

3. The proceeds of any tax imposed pursuant to this section that are pledged for the repayment of general obligations may be treated as "pledged revenues" for the purposes of NRS 350.020.

4. The city council or other governing body of an incorporated city shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, "professional" means a person who:

(a) Holds a license, certificate, registration, permit or similar type of authorization issued by a regulatory body as defined in NRS 622.060 or who is regulated pursuant to the Nevada Supreme Court Rules; and

(b) Practices his or her profession for any type of compensation as an employee.

5. The city licensing agency shall provide upon request an application for a state business license pursuant to chapter 76 of NRS. No license to engage in any type of business may be granted unless the applicant for the license:

7. Any license tax levied under the provisions of this section constitutes a lien upon the real and personal property of the business upon which the tax

was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced:

(a) By recording in the office of the county recorder, within 6 months following the date on which the tax became delinquent or was otherwise determined to be due and owing, a notice of the tax lien containing the following:

(1) The amount of tax due and the appropriate year;

(2) The name of the record owner of the property;

(3) A description of the property sufficient for identification; and

(4) A verification by the oath of any member of the board of county commissioners or the county fair and recreation board; and

(b) By an action for foreclosure against such property in the same manner as an action for foreclosure of any other lien, commenced within 2 years after the date of recording of the notice of the tax lien, and accompanied by appropriate notice to other lienholders.

8. The city council or other governing body of each incorporated city may delegate the power and authority to enforce such liens to the county fair and recreation board. If the authority is so delegated, the governing body shall revoke or suspend the license of a business upon certification by the board that the license tax has become delinquent, and shall not reinstate the license until the tax is paid. Continuing disclosure may be so authorized under an agreement with the Department of Taxation or the Secretary of State for the exchange of information concerning taxpayers.

9. The powers conferred by this section are in addition and supplemental to, and not in substitution for, and the limitations imposed by this section do not affect the powers conferred by, any other law. No part of this section repeals or affects any other law or any part thereof, it being intended that this section provide a separate method of accomplishing its objectives, and not an exclusive one.

365.550 1. Except as otherwise provided in subsection 2, the receipts of the tax levied pursuant to NRS 365.180 must be allocated monthly by the Department to the counties using the following formula:

(a) Determine the average monthly amount each county received in the Fiscal Year ending on June 30, 2003, and allocate to each county that amount, or if the total amount to be allocated is less than that amount, allocate to each county a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county in the Fiscal Year ending on June 30, 2003;

(b) If the total amount to be allocated is greater than the average monthly amount all counties received in the Fiscal Year ending on June 30, 2003, determine for each county an amount from the total amount to be allocated using the following formula:

(1) Multiply the county's percentage share of the total state population by 2;

(g) In addition to the allocation made pursuant to paragraph (a), allocate to each county that is identified pursuant to paragraph (c) a percentage of the total amount determined pursuant to paragraph (e) that is equal to the percentage determined pursuant to paragraph (f).

(a) Does not exceed the total amount that was received by all the counties for the Fiscal Year ending on June 30, 2003, the Department shall adjust the final monthly allocation to be made to each county so that each county is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county in the Fiscal Year ending on June 30, 2003.

4. Of the money allocated to each county pursuant to the provisions of subsections 1, 2 and 3:

(6) Divide the amount determined pursuant to sub-subparagraph (I) of subparagraph (3) for the county and each incorporated city in the county by the sum determined pursuant to sub-subparagraph (II) of subparagraph (3) for the county and all incorporated cities in the county to determine the county's and each incorporated city's percentage share of the sum determined pursuant to sub-subparagraph (II) of subparagraph (3).

(7) In addition to the allocation made pursuant to subparagraph (1), allocate to the county and each incorporated city in the county that is identified pursuant to subparagraph (3) a percentage of the total amount determined pursuant to subparagraph (5) that is equal to the percentage determined pursuant to subparagraph (6).

(c) At the end of each fiscal year, the Department shall:

(1) Determine the total amount to be allocated to a county and each incorporated city within the county pursuant to paragraph (b) for the current fiscal year; and

(d) If the total amount to be allocated to a county and all incorporated cities in the county determined pursuant to subparagraph (1) of paragraph (c):

(1) Does not exceed the total amount that was received by the county and all the incorporated cities in the county for the fiscal year ending on June 30,

2005, the Department shall adjust the final monthly amount allocated to the county and each incorporated city in the county so that the county and each incorporated city is allocated a percentage of the total amount to be allocated that is equal to the percentage of the total amount allocated to that county or incorporated city, as applicable, in the fiscal year ending on June 30, 2005.

(2) Exceeds the total amount that was received by the county and all incorporated cities in the county for the fiscal year ending on June 30, 2005, the Department shall:

SUMMARY— ~~[Revises]~~ **Establishes** provisions governing the destruction of certain physical evidence. (BDR 4-734)

AN ACT relating to evidence; authorizing a law enforcement agency to destroy certain physical evidence under certain conditions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a law enforcement agency that has seized a substance that is alleged to be a controlled substance, dangerous drug or immediate precursor may destroy a part of the substance if the agency obtains the prior approval of the district court in the county in which a defendant is charged in connection with the substance. (NRS 52.395) **Section 1.5 of this bill exempts from the applicability of those provisions any substance that is alleged to be marijuana.**

Section 1 of this bill **establishes new procedures for the retention and destruction of certain quantities of any substance that is alleged to be marijuana which has been seized as evidence by a law enforcement agency. Section 1** authorizes a law enforcement agency **that has seized such a substance** to destroy any amount of ~~[a]~~ **the** substance ~~[that is alleged to be a controlled substance, dangerous drug or immediate precursor]~~ that exceeds 10 pounds ~~[if the substance is alleged to be marijuana or 1 pound of any other substance]~~ without court approval if the law enforcement agency: (1) weighs the substance; (2) takes and retains certain samples of the substance for evidentiary purposes; and (3) takes photographs that reasonably demonstrate the total amount of the substance.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 52 of NRS is hereby amended by adding thereto a new section to read as follows:**

Except as otherwise provided in NRS 453A.400:

1. At any time after a substance which is alleged to be marijuana is seized from a defendant by a peace officer, the law enforcement agency of which the officer is a member may, without the prior approval of the district court in the county in which the defendant is charged, destroy any amount of the substance that exceeds 10 pounds.

2. The law enforcement agency must, before destroying the substance pursuant to this section:

(a) Accurately weigh and record the weight of the substance.

(b) Take and retain, for evidentiary purposes, at least five random and representative samples of the substance in addition to the amount which is not authorized to be destroyed pursuant to subsection 1. If the substance is alleged to consist of growing or harvested marijuana plants, the 10 pounds retained pursuant to subsection 1 may include stalks, branches, leaves and buds, but the five representative samples must consist of only leaves or buds.

(c) Take photographs that reasonably demonstrate the total amount of the substance. A sign which clearly and conspicuously shows the title or the case number of the matter, proceeding or action to which the substance relates must appear next to the substance in any photograph taken.

3. A law enforcement agency that destroys a substance pursuant to this section shall, not later than 30 days after the destruction of the substance, file an affidavit in the court which has jurisdiction over the pending criminal proceedings, if any, pertaining to that substance. The affidavit must establish that the law enforcement agency has complied with the requirements of subsection 2, specify the date and time of the destruction of the substance and provide the publicly known address of the agency. If there are no criminal proceedings pending which pertain to the substance, the affidavit may be filed in any court within the county which would have jurisdiction over a person against whom such criminal charged might be filed.

4. If the substance is finally determined not to be marijuana, the owner may file a claim against the county to recover the reasonable value of the property destroyed pursuant to this section.

5. The law enforcement agency's finding as to the weight of any substance alleged to be marijuana and destroyed pursuant to this section is admissible in any subsequent proceeding arising out of the same transaction.

~~[Section 1.]~~ ***Sec. 1.5.*** NRS 52.395 is hereby amended to read as follows:

3. If after completion of the weighing process the defendant does not knowingly and voluntarily stipulate to the weight of the substance, the district court shall hold a hearing to make a judicial determination of the weight of the substance. The defendant, the defendant's attorney and any other witness the defendant may designate may be present and testify at the hearing.

4. After a determination has been made as to the weight of the substance, the district court may order all of the substance destroyed except that amount which is reasonably necessary to enable each interested party to analyze the substance to determine the composition of the substance. Legislative Counsel's Digest:

Assembly Bill No. 356 of the 77th Legislative Session encouraged the development of recommendations to preserve the Nevada State Prison for use as a historical, educational and scientific resource for the State of Nevada. The provisions of this bill are based upon the recommendations presented to the Legislature pursuant to Assembly Bill No. 356. Upon notice from the Department of Corrections that the Department has ceased all operational activities at the ~~Nevada State~~ Prison, **section 2** of this bill requires the State Land Registrar, in consultation with Carson City, the Department of Corrections, the ~~Division of Museums and History of the~~ Department of Tourism and Cultural Affairs **,** ~~and the Office of Historic Preservation of~~ the State Department of Conservation and Natural Resources ~~;~~ **and the Nevada State Prison Preservation Society** to: (1) ~~designate certain~~ **determine which** property of the ~~Nevada State~~ Prison ~~as historic structures; (2) assign the historic structures of the Nevada State Prison for administration to the Division of Museums and History; and (3)~~ **is appropriate for continued administration by the Department of Corrections and which property is appropriate for administration as a historical, cultural, educational and scientific resource; and (2)** assign **for administration** the ~~modern structures~~

Existing law requires the Board of Museums and History to create and administer the Division of Museums and History Dedicated Trust Fund. (NRS 381.0031, 381.0033) Section 8 of this bill requires the Board to create a similar trust fund for the deposit of certain money that becomes available from grants, donations and gifts to be used for further study and development of the historic property of the Prison. Amendment No. 478.

SUMMARY— ~~[Makes various changes relating to education.]~~ **Revises provisions governing the financial support of charter schools.** (BDR 34-807)

AN ACT relating to education; ~~[eliminating the class-size reduction program; creating the Fund for Master Teachers to support a program of incentive pay for teachers, to be administered by the Department of Education; establishing requirements for the program of incentive pay; revising provisions governing the discipline and discharge of public school teachers and~~

~~administrators; generally abolishing the distinction between probationary and postprobationary employment for teachers and administrators; making an appropriation;~~ **revising provisions governing the financial support of charter schools;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law ~~[requires the State Board of Education to establish by regulation the maximum pupil-teacher ratio in each grade and for each subject matter taught in each school district in this State. (NRS 387.123) Generally, the ratio of pupils to teachers in kindergarten and grades 1, 2 and 3 must not exceed a specified ratio, and each school district must develop a plan to reduce the ratio within the limits of available financial support. (NRS 388.700-388.725) Sections 3-5, 12, 13 and 18 of this bill repeal those provisions and eliminate existing references to them.~~

~~Section 7 of this bill creates the Fund for Master Teachers and directs the Department of Education to establish a program of incentive pay for licensed classroom teachers who have demonstrated exemplary teaching performance. Under the program, a teacher who enters into a contract with the Department to teach in an at-risk school and provide training and mentoring to other teachers must be paid an annual stipend of not less than $150,000 nor more than $200,000, less the salary and monetary benefits otherwise payable to the teacher by the school district in which the teacher is employed. Section 15 of this bill makes an appropriation to the Fund for the support of the program. Section 16 of this bill directs the Department to establish the program as soon as practicable after July 1, 2015, for the purpose of having teachers in their new assignments as soon as practicable after January 1, 2016.~~

~~Existing law provides for the evaluation, discipline and discharge of public school teachers and administrators. (NRS 391.311-391.3197) Generally, during a 3-year period, probationary teachers and administrators are subject to more intensive evaluation, have no right to continued employment after any school year, and have limited procedural rights if they are suspended or dismissed during a school year. (NRS 391.3125, 391.3127, 391.3128, 391.3197) The admonition, demotion, suspension, dismissal and nonreemployment provisions that apply to postprobationary teachers and administrators are generally inapplicable to probationary teachers and administrators. (NRS 391.3115) However, existing law provides that a collective bargaining agreement supersedes these statutory provisions if the agreement contains provisions relating to dismissal and nonreemployment. (NRS 391.3116) Section 10 of this bill generally eliminates the existing distinctions between probationary and postprobationary employees, except for the purposes of the evaluation requirements applicable to them. Notwithstanding the provisions of any collective bargaining agreement or contract of employment to the contrary, section 10 provides that a postprobationary employee has no status or rights of employment different from those of a probationary employee and may be denied reemployment after any school year. Section 10 also provides that a probationary or~~

~~postprobationary employee may be suspended without pay or dismissed before the completion of a school year for just cause or any cause specified by statute. The provisions of existing law setting forth specific grounds for discipline and discharge, requiring a written admonition and providing for a hearing before a hearing officer are repealed by section 18.]~~ **includes the count of pupils enrolled in a charter school for purposes of the apportionments and allowances provided pursuant to the basic support guarantee from the State Distributive School Account and provides that a charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the charter school or the pupils enrolled in the charter school are eligible to receive. (NRS 386.570) This bill revises the provisions governing the eligibility of a charter school for money other than that provided pursuant to the basic support guarantee from the State Distributive School Account to provide that a charter school is entitled to receive its proportionate share, on a per pupil basis, of any other money provided for other public schools from federal, state or local sources.**

Sec. 19. **NRS 386.570 is hereby amended to read as follows:**

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive

School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share ***, on a per pupil basis,*** of any other money ~~[available]~~ ***provided for other public schools*** from federal, state or local sources ***.*** ~~[that the school or the pupils who are enrolled in the school are eligible to receive.]~~ If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose. The State Board shall prescribe a process which ensures that all charter schools, regardless of the sponsor, have information about all sources of funding for the public schools provided through the Department, including local funds pursuant to NRS 387.1235.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the Superintendent of Public Instruction shall pay to the sponsor of a charter school one-quarter of the yearly sponsorship fee for the administrative costs associated with sponsorship for that school quarter, which must be deducted from the quarterly apportionment to the charter school made pursuant to NRS 387.124. Except as otherwise provided in subsection 4, the yearly sponsorship fee for the sponsor of a charter school must be in an amount of money not to exceed 2 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124.

4. If the governing body of a charter school satisfies the requirements of this subsection, the governing body may submit a request to the sponsor of the charter school for approval of a sponsorship fee in an amount that is less than 2 percent but at least 1 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124. The sponsor of the charter school shall approve such a request if the sponsor of the charter school determines that the charter school satisfies the requirements of this subsection. If the sponsor of the charter school approves such a request, the sponsor shall provide notice of the decision to the governing body of the charter school and the Superintendent of Public Instruction. If the sponsor of the charter school denies such a request, the governing body of the charter school may appeal the decision of the sponsor to the Superintendent of Public Instruction. Upon appeal, the sponsor of the charter school and the governing body of the charter school are entitled to present evidence. The decision of the Superintendent of Public Instruction on the appeal is final and is not subject to judicial review. The governing body of a charter school may submit a request for a reduction of the sponsorship fee pursuant to this subsection if:

(a) The charter school satisfies the requirements of subsection 1 of NRS 386.5515; and

(b) There has been a decrease in the duties of the sponsor of the charter school that justifies a decrease in the sponsorship fee.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Public Charter School Authority may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 624.

AN ACT relating to tow cars; prohibiting operators of tow cars from towing certain vehicles to any location other than a designated vehicle storage lot under certain circumstances; revising provisions relating to operators of tow cars; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes an insurance company to designate vehicle storage lots to which certain vehicles insured by the insurance company must be towed under certain circumstances. Existing law also requires an operator of a tow car who fails to tow a vehicle to a vehicle storage lot designated by an insurance company to forfeit the charge for towing and storage of the vehicle and tow the vehicle free of charge to the designated lot. (NRS 706.4489) **Section 3** of this bill prohibits an operator of a tow car from **: (1)** towing a vehicle **[**, or seeking authorization from the owner or operator of a vehicle to tow the vehicle,**]** to a location other than a vehicle storage lot designated by the insurance company that provides coverage for the vehicle **[**.**]** **unless the owner or operator of the vehicle directs the operator of the tow car to tow the vehicle to a location that is not a vehicle storage lot pursuant to section 16 of this bill; or (2) seeking authorization from an owner or operator of a vehicle to tow the vehicle to a location other than the designated vehicle storage lot. Section 3** also imposes civil penalties on an operator of a tow car who fails to tow certain vehicles to certain vehicle storage lots designated by an insurance company.

Existing law requires a law enforcement officer to make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle before the vehicle is towed. (NRS 706.4489) **Section 16 [**of this bill**]** requires the operator of a tow car to make a good faith effort to determine the identity of the insurance company that provides coverage for the vehicle if the law enforcement officer does not communicate that information to the operator. **Section 16 also requires the operator of a tow car to: (1) retain**

any documents provided by a law enforcement officer indicating the identity of the insurance company that provides coverage for the vehicle; and (2) provide copies of such documents to a vehicle storage lot upon delivery of the vehicle to the vehicle storage lot.

Section 16 additionally prohibits an owner or operator of a vehicle from directing an operator of a tow car to tow the vehicle to a vehicle storage lot other than the vehicle storage lot designated by the insurance company, but authorizes an owner or operator of a vehicle to direct an operator of a tow car to tow the vehicle to a location other than a vehicle storage lot. If an owner or operator of a vehicle directs an operator of a tow car to tow the vehicle to such a location, the owner or operator of the vehicle must confirm in writing that: (1) he or she directed the operator of the tow car to tow the vehicle to such a location; and (2) the operator of the tow car did not solicit the owner or operator of the vehicle to tow the vehicle to such a location. The operator of the tow car is required to retain such written documentation.

Existing law requires an operator of a tow car to maintain a dispatcher's log identifying certain information for each vehicle towed. (NRS 706.4465) **Section 13** of this bill requires an operator to record the insurance company of each vehicle towed if such information is known.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

5. ~~[If a vehicle is insured by an insurance company that has designated one or more vehicle storage lots pursuant to NRS 706.4489 and an operator of a tow car does not tow the vehicle to a designated vehicle storage lot, the burden of proof in a hearing held pursuant to subsection 4 is on the operator of the tow car to demonstrate that he or she did not know the identity of the insurance company or that the insurance company had designated a vehicle storage lot.~~

~~6.]~~ All administrative fines imposed and collected by the Authority pursuant to this section are payable to the State Treasurer and must be credited to a separate account to be used by the Authority to enforce the provisions of this chapter.

The Authority, upon application of any carrier, may prescribe a shorter time within which changes may be made. The 30 days' notice is not applicable when the carrier gives written notice to the Authority 10 days before the effective date of its participation in a tariff bureau's rates and tariffs, provided the rates and tariffs have been previously filed with and approved by the Authority.

3. The Authority may hold a hearing concerning an application submitted pursuant to this section only if:

(a) Upon the expiration of the time fixed in the notice that an application for transfer of a certificate of public convenience and necessity is pending, a petition to intervene has been granted by the Authority; or

(b) The Authority finds that after reviewing the information provided by the applicant and inspecting the operations of the applicant, it cannot make a determination as to whether the applicant has complied with the requirements of subsection 2.

4. 2. In addition to any other remedies that may be available to the Authority to act upon complaints, the Authority may order the release of towed motor vehicles, cargo or personal property upon such terms and conditions as the Authority determines to be appropriate.

Sec. 15. NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after an accident or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.

2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:

(a) Guarantee safe access to the vehicles by their owners; and

(b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 ***and section 3 of this act*** constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.

Sec. 16. NRS 706.4489 is hereby amended to read as follows:

706.4489 1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:

(a) Following an accident; or

➥ and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following an accident or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance

company that provides coverage for the ~~[owner of the]~~ vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. ***If the law enforcement officer does not inform the operator of the tow car of the identity of the insurance company, the operator of the tow car shall make a good faith effort to determine the identity of the insurance company from the law enforcement officer and the owner or operator of the vehicle.*** If the operator of the tow car:

(a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the ~~[owner of the]~~ vehicle; or

(b) Otherwise determines the identity of the insurance company that provides coverage for the ~~[owner of the]~~ vehicle,

➥ and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner ***or operator*** of the vehicle ***, pursuant to subsection 4,*** or a representative of the insurance company has directed otherwise. ***The owner or operator of the vehicle shall be deemed to have consented to towing the vehicle to the vehicle storage lot designated by the insurance company that provides coverage for the vehicle.***

3. ~~[If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:~~

~~(a) Forfeit the charge for towing and storage of the vehicle; and~~

~~(b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.]~~ ***The operator of a tow car shall retain any documents provided by a law enforcement officer pursuant to subsection 2 indicating the identity of the insurance company that provides coverage for a vehicle that is towed at the request of the law enforcement officer. The operator of a tow car shall provide copies of such documents to a vehicle storage lot upon delivery of the vehicle to the vehicle storage lot.***

4. ***An owner or operator of a vehicle shall not direct an operator of a tow car to tow the vehicle to a vehicle storage lot other than the vehicle storage lot designated by the insurance company pursuant to subsection 1, but may direct an operator of a tow car to tow the vehicle to a location other than a vehicle storage lot. If an owner or operator of a vehicle directs an operator of a tow car to tow the vehicle to such a location, the operator of the tow car shall require the owner or operator of the vehicle to confirm in writing that he or she directed the operator of the tow car to tow the vehicle to a location other than the designated vehicle storage lot and that the operator of the tow car did not solicit the owner or operator of the vehicle in violation of subsection 2 of section 3 of this act. The operator of the tow car shall retain such written documentation.***

5. The owners of a vehicle storage lot designated by an insurance company pursuant to subsection 1 shall agree in writing to indemnify the relevant law

enforcement agencies and their officers, employees, agents and representatives from any liability relating to the towing of a vehicle insured by the designating insurance company and to the storing of the vehicle at the vehicle storage lot if the law enforcement officer who requested the towing of the vehicle made a good faith effort to comply with the provisions of subsection 2.

~~[5.]~~ ***6.*** A vehicle storage lot must:

If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

(1) Delivering a copy to you personally in the presence of a witness ~~[,]~~ ***, unless service is accomplished by a sheriff, constable or licensed process server, in which case the presence of a witness is not required;***

(2) If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business ~~[,]~~ ***and to the place where the leased property is situated, if different;*** or

(3) If your place of residence or business cannot be ascertained, or a person of suitable age or discretion cannot be found there, posting a copy in a conspicuous place on the leased property ~~[, delivering a copy to a person residing there, if a person can be found,]~~ and mailing a copy to you at the place where the leased property is ~~[.]~~ ***situated.***

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

Under the Justice Court Rules of Civil Procedure:

(1) You will be given at least 10 days to answer a summons and complaint;

(2) If you do not file an answer, an order evicting you by default may be obtained against you;

(3) A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The sheriff shall not conduct a sale of the property on execution or deliver the judgment debtor's property to the judgment creditor if the judgment debtor or any other person entitled to notice has not been properly notified as required in this section and NRS 21.075 and 21.076.

5. As used in this section, "residential foreclosure" means the sale of a single family residence pursuant to NRS 40.430. As used in this subsection, "single family residence" means a structure that is comprised of not more than four units.

Sec. 32. NRS 107.087 is hereby amended to read as follows:

107.087 1. In addition to the requirements of NRS 107.080, if the sale of property is a residential foreclosure, a copy of the notice of default and election to sell and the notice of sale must:

3. A separate notice must be posted in a conspicuous place on the property and mailed, with a certificate of mailing issued by the United States Postal Service or another mail delivery service, to any tenant or subtenant, if any, other than the grantor or the grantor's successor in interest, in actual occupation of the premises not later than 15 days before the date of sale. The separate notice must be in substantially the following form:

NOTICE TO TENANTS OF THE PROPERTY

You may either: (1) terminate your lease or rental agreement and move out; or (2) remain and possibly be subject to eviction proceedings under

chapter 40 of the Nevada Revised Statutes. Any subtenants may also be subject to eviction proceedings.

Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.

After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

Under the Nevada Revised Statutes eviction proceedings may begin against you after you have been given a notice to ~~[quit.]~~ ***surrender.***

If the property is sold and you pay rent by the week or another period of time that is shorter than 1 month, you should generally receive notice after not less than the number of days in that period of time.

If the property is sold and you pay rent by the month or any other period of time that is 1 month or longer, you should generally receive notice at least 60 days in advance.

Under Nevada Revised Statutes 40.280, notice must generally be served on you pursuant to chapter 40 of the Nevada Revised Statutes and may be served by:

If the property is sold and a landlord, successful bidder or subsequent purchaser files an eviction action against you in court, you will be served with a summons and complaint and have the opportunity to respond. Eviction actions may result in temporary evictions, permanent evictions, the awarding of damages pursuant to Nevada Revised Statutes 40.360 or some combination of those results.

(4) A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

4. The posting of a notice required by this section must be completed by a process server licensed pursuant to chapter 648 of NRS or any constable or sheriff of the county in which the property is located.

5. As used in this section, "residential foreclosure" has the meaning ascribed to it in NRS 107.080.

Sec. 33. NRS 116.4112 is hereby amended to read as follows:

116.4112 1. A declarant of a common-interest community containing converted buildings, and any dealer who intends to offer units in such a common-interest community, shall give each of the residential tenants and any residential subtenant in possession of a portion of a converted building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and must be hand-delivered to the unit or mailed by prepaid United States mail to the tenant and subtenant at the address of the unit or any other mailing address provided by a tenant. No tenant or subtenant may be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste or conduct that disturbs other tenants' peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period. Failure to give notice as required by this section is a defense to an action for possession. If, during the 6-month period before the recording of a declaration, a majority of the tenants or any subtenants in possession of any portion of the property described in such declaration has been required to vacate for reasons other than nonpayment of rent, waste or conduct that disturbs other tenants' peaceful enjoyment of the premises, a rebuttable presumption is created that the owner of such property intended to offer the vacated premises as units in a common-interest community at all times during that 6-month period.

2. For 60 days after delivery or mailing of the notice described in subsection 1, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a converted building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

3. If a seller, in violation of subsection 2, conveys a unit to a purchaser for value who has no knowledge of the violation, the recordation of the deed conveying the unit or, in a cooperative, the conveyance of the unit, extinguishes any right a tenant may have under subsection 2 to purchase that unit if the deed states that the seller has complied with subsection 2, but the conveyance does not affect the right of a tenant to recover damages from the seller for a violation of subsection 2.

4. If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of NRS 40.251 and 40.280, the notice also constitutes a notice to ~~[vacate]~~ ***surrender*** specified by those sections.

5. This section does not permit termination of a lease by a declarant in violation of its terms.

2. This chapter does not apply to:

(a) A rental agreement subject to the provisions of chapter 118B of NRS;

(d) Occupancy under a contract of sale of a dwelling unit or the property of which it is a part, if the occupant is the purchaser or his or her successor in interest;

(e) Occupancy by a member of a fraternal or social organization in the portion of a structure operated for the benefit of the organization;

Sec. 36. ~~[NRS 118A.460 is hereby amended to read as follows:~~

~~118A.460 1. The landlord may dispose of personal property abandoned on the premises by a former tenant or left on the premises after eviction of the tenant without incurring civil or criminal liability in the following manner:~~

The landlord is liable to the tenant only for the landlord's negligent or wrongful acts in storing the property.~~

~~(b) After the expiration of the 30-day period, the landlord may dispose of the property and recover his or her reasonable costs out of the property or the value thereof if the landlord has made reasonable efforts to locate the tenant, has notified the tenant in writing of his or her intention to dispose of the property and 14 days have elapsed since the notice was given to the tenant. The notice must be mailed to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.~~

The Administrator shall adopt regulations setting forth the procedure for applying for approval of an instructor and course of instruction. The Administrator may require submission of such reasonable information by an applicant as the Administrator deems necessary to determine the suitability of the instructor and the course. The Administrator shall not approve a course if the fee charged for the course is not reasonable. Upon approval, the Administrator shall designate the number of hours of credit allowable for the course.

Sec. 40. NRS 118B.190 is hereby amended to read as follows:

118B.190 1. A written agreement between a landlord and tenant for the rental or lease of a manufactured home lot in a manufactured home park in this State, or for the rental or lease of a lot for a recreational vehicle in an area of a manufactured home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection [6] ***8*** of NRS 40.215, must not be terminated by the landlord except upon notice in writing to the tenant served in the manner provided in NRS 40.280:

(a) Except as otherwise provided in paragraph (b), 5 days in advance if the termination is because the conduct of the tenant constitutes a nuisance as defined in NRS 40.140 or violates a state law or local ordinance.

(b) Three days in advance upon the issuance of temporary writ of restitution pursuant to NRS 40.300 on the grounds that a nuisance as defined in NRS 40.140 has occurred in the park by the act of a tenant or any guest, visitor or other member of a tenant's household consisting of any of the following specific activities:

(1) Discharge of a weapon.

(2) Prostitution.

(3) Illegal drug manufacture or use.

(4) Child molestation or abuse.

(5) Property damage as a result of vandalism.

(6) Operating a vehicle while under the influence of alcohol or any other controlled substance.

(7) Elder molestation or abuse.

(c) Except as otherwise provided in subsection 6, 10 days in advance if the termination is because of failure of the tenant to pay rent, utility charges or reasonable service fees.

(d) One hundred eighty days in advance if the termination is because of a change in the use of the land by the landlord pursuant to NRS 118B.180.

(e) Forty-five days in advance if the termination is for any other reason.

2. The landlord shall specify in the notice the reason for the termination of the agreement. The reason relied upon for the termination must be set forth with specific facts so that the date, place and circumstances concerning the reason for the termination can be determined. The termination must be in accordance with the provisions of NRS 118B.200 and reference alone to a provision of that section does not constitute sufficient specificity pursuant to this subsection.

3. The service of such a notice does not enhance the landlord's right, if any, to enter the tenant's manufactured home. Except in an emergency, the landlord shall not enter the manufactured home of the tenant served with such a notice without the tenant's permission or a court order allowing the entry.

4. If a tenant remains in possession of the manufactured home lot after expiration of the term of the rental agreement, the tenancy is from week to week in the case of a tenant who pays weekly rent, and in all other cases the tenancy is from month to month. The tenant's continued occupancy is on the same terms and conditions as were contained in the rental agreement unless specifically agreed otherwise in writing.

5. The landlord and tenant may agree to a specific date for termination of the agreement. If any provision of this chapter specifies a period of notice which is longer than the period of a particular tenancy, the required length of the period of notice is controlling.

6. Notwithstanding any provision of NRS 40.215 to 40.425, inclusive, ***and sections 2 to 7, inclusive, of this act,*** if a tenant who is not a natural person has received three notices for nonpayment of rent in accordance with subsection 1, the landlord is not required to give the tenant a further 10-day notice in advance of termination if the termination is because of failure to pay rent, utility charges or reasonable service fees.

Sec. 41. NRS 118B.200 is hereby amended to read as follows:

118B.200 1. Notwithstanding the expiration of a period of a tenancy or service of a notice pursuant to subsection 1 of NRS 118B.190, the rental agreement described in NRS 118B.190 may not be terminated except on one or more of the following grounds:

(a) Failure of the tenant to pay rent, utility charges or reasonable service fees within 10 days after written notice of delinquency served upon the tenant in the manner provided in NRS 40.280;

(b) Failure of the tenant to correct any noncompliance with a law, ordinance or governmental regulation pertaining to manufactured homes or recreational vehicles or a valid rule or regulation established pursuant to NRS 118B.100 or to cure any violation of the rental agreement within a reasonable time after receiving written notification of noncompliance or violation;

(c) Conduct of the tenant in the manufactured home park which constitutes an annoyance to other tenants;

(d) Violation of valid rules of conduct, occupancy or use of park facilities after written notice of the violation is served upon the tenant in the manner provided in NRS 40.280;

(e) A change in the use of the land by the landlord pursuant to NRS 118B.180;

(f) Conduct of the tenant which constitutes a nuisance as defined in NRS 40.140 or which violates a state law or local ordinance, specifically including, without limitation:

(1) Discharge of a weapon;

(2) Prostitution;

(3) Illegal drug manufacture or use;

(4) Child molestation or abuse;

(5) Elder molestation or abuse;

(6) Property damage as a result of vandalism; and

(7) Operating a motor vehicle while under the influence of alcohol or any other controlled substance; or

(g) In a manufactured home park that is owned by a nonprofit organization or housing authority, failure of the tenant to meet qualifications relating to age or income which:

(1) Are set forth in the lease signed by the tenant; and

(2) Comply with federal, state and local law.

2. A tenant who is not a natural person and who has received three or more 10-day notices to ~~[~~quit~~]~~ ***surrender*** for failure to pay rent in the preceding 12-month period may have his or her tenancy terminated by the landlord for habitual failure to pay timely rent.

Sec. 42. ~~[~~NRS 118C.230 is hereby amended to read as follows:

~~(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. Amendment No. 551.

SUMMARY—Revises provisions concerning ~~[the issuance and renewal of permits to carry concealed]~~ firearms. (BDR 15-840)

AN ACT relating to ~~[concealed]~~ firearms; ~~[requiring a sheriff to refund the application fee for the issuance or renewal of a permit to carry a concealed firearm in certain circumstances;]~~ **establishing a procedure by which a person applying to transfer or make a firearm may request and obtain the required certification from a chief law enforcement officer;** temporarily extending the validity of a permit to carry a concealed firearm beyond the expiration date in certain circumstances; **authorizing a person who possesses a permit to carry a concealed firearm issued by another state to continue**

to carry a concealed firearm in this State temporarily after becoming a resident of this State in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires an applicant for the issuance or renewal of a permit to carry a concealed firearm to pay a nonrefundable fee of $60 or $25, respectively. (NRS 202.3657, 202.3677) Existing law also requires the sheriff to whom an application for the issuance or renewal of a permit is submitted to grant or deny the application within 120 days. (NRS 202.366) Sections 1 and 3 of this bill provide that if the sheriff does not grant or deny an application within 120 days, the sheriff must refund the respective application fee to the applicant or permittee.]~~

Section 1.5 of this bill establishes a procedure by which a person who is applying to transfer or make a firearm may request and obtain the required certification from a chief law enforcement officer. Section 1.5 sets forth the criteria for an applicant to be provided or denied certification and requires a chief law enforcement officer to provide an applicant with written notice and an explanation if the chief law enforcement officer denies certification. Section 1.5 also authorizes a chief law enforcement officer to conduct a background check as part of determining whether to provide or deny certification to an applicant. Additionally, section 1.5 provides that a chief law enforcement officer, and any employee of a chief law enforcement officer, who acts in good faith with regard to providing or denying certification is immune from liability. Section 1.5 further establishes an appeals process by which an applicant who is denied certification may appeal the decision of a chief law enforcement officer to the district court.

Existing law ~~[further]~~ provides that unless a permit to carry a concealed firearm is suspended or revoked by the sheriff who issued the permit, the permit expires 5 years after the date on which it was issued. (NRS 202.366) **Section 2** of this bill provides that if a permittee submits an application for the renewal of a permit before the expiration date, the permit remains valid until the sheriff grants or denies the application for renewal. Evidence that the permittee has paid the application fee for renewal of the permit is sufficient proof that the permittee has submitted an application for renewal.

Existing law also authorizes a person who possesses a permit to carry a concealed firearm that was issued by certain other states to carry a concealed firearm in this State unless the person: (1) becomes a resident of this State; and (2) has not been issued a permit from the sheriff of the county in which he or she resides within 60 days after becoming a resident. (NRS 202.3688) Section 4 of this bill authorizes such a person who becomes a resident of this State and who has not been issued a permit within 60 days after becoming a resident to continue to carry a concealed firearm in this State if, within 60 days after becoming a resident, the person submitted an application to the sheriff for a permit to carry a

concealed firearm. The person may continue to carry a concealed firearm pursuant to the permit issued by the other state until the sheriff grants or denies the application. Evidence that the person has paid the application fee for a permit is sufficient proof that the person has submitted an application for a permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 202.3657 is hereby amended to read as follows:~~

~~3. Except as otherwise provided in this section, the sheriff shall issue a permit to any person who is qualified to possess a handgun under state and federal law, who submits an application in accordance with the provisions of this section and who:~~

A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.~~

~~4. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:~~

~~(b) Has been judicially declared incompetent or insane.~~

~~(c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years.~~

~~(2) Suspension of sentence for the conviction of a felony.~~

~~(j) Has made a false statement on any application for a permit or for the renewal of a permit.~~

~~5. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 4 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.~~

~~6. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.~~

Sec. 1.5. **Chapter 202 of NRS is hereby amended by adding thereto a new section to read as follows:**

A chief law enforcement officer shall not require, as a condition of providing certification, obtaining access to or consent for any inspection of any private premises.

5. A chief law enforcement officer, and any employee of a chief law enforcement officer, who acts in good faith in carrying out the provisions of this section is immune from any liability arising from any act or omission in connection with providing or denying certification.

6. An applicant whose request for certification is denied pursuant to this section may appeal the decision of the chief law enforcement officer by petitioning the district court in the county in which the applicant resides or maintains his or her address of record. When such a decision is appealed to the district court, the hearing must be de novo. The court shall order the chief law enforcement officer to provide certification, and shall award reasonable attorney's fees and costs to the applicant, if the court determines that:

(a) The applicant meets the requirements set forth in paragraph (a) of subsection 1;

(b) A full and complete statement of the facts and circumstances relied upon by the applicant to justify the applicant's belief that an order should be issued, including:

(e) A full and complete statement of the facts concerning all previous applications known to the person authorizing and making the application made to any judge for authorization to intercept wire ***, electronic*** or oral communications involving any of the same persons, facilities or places specified in the application, and the action taken by the judge on each such application.

3. Upon such application the judge may enter an ex parte order, as requested or as modified, authorizing interception of wire ***, electronic*** or oral communications within the territorial jurisdiction of the court in which the judge is sitting, if the judge determines on the basis of the facts submitted by the applicant that:

(c) Normal investigative procedures have been tried and have failed or reasonably appear to be unlikely to succeed if tried or appear to be too dangerous.

(d) There is probable cause for belief that the facilities from which, or the place where, the wire ***, electronic*** or oral communications are to be intercepted are being used or are about to be used by such person in connection with the commission of such offense or are leased to, listed in the name of, or commonly used by such person.

4. The judge ~~[shall]~~ may accept a facsimile or electronic copy of the signature of any person required to give an oath or affirmation as part of an application submitted pursuant to this section as an original signature to the application.

Such 10-day period may be waived by the judge if the judge finds that it was not possible to furnish the party with such information 10 days before the trial, hearing or proceeding and that the party will not be prejudiced by the delay in receiving such information.

Assembly Bill No. 445.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 637.

AN ACT relating to redevelopment; requiring a portion of the revenues from taxes imposed on property in certain redevelopment areas to be set aside and used for public educational facilities; revising provisions relating to the extension of certain redevelopment plans; **revising provisions relating to the recalculation of the total assessed value of taxable property in certain redevelopment areas;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a redevelopment plan, and any amendments to the plan, adopted by the redevelopment agency of a city or county on or after January 1, 1991, terminates not later than 30 years after the date on which the original redevelopment plan was adopted. (NRS 279.439) **Section 3** of this bill extends to a maximum of 45 years the date of termination of **such** a redevelopment plan, and any amendments to the plan, adopted by a city **located in a county** whose population is ~~[250,000]~~ **700,000** or more ~~[but less than 500,000]~~ (currently ~~[the City of Henderson)]~~ **Clark County)** if the city council adopts the extension of the plan by ordinance. If such an ordinance is adopted, **section 1** of this bill requires that 18 percent of the revenues received **from taxes on the taxable property located in the redevelopment area affected by the ordinance** on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. **Section 1** also provides that the obligation to set aside such revenues is subordinate to any existing obligations of the agency.

Under existing law, the date of termination of a redevelopment plan and any amendments to the plan adopted before January 1, 1991, by a redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) is authorized to be extended by ordinance adopted by the city council of that city from a maximum of 45 years to 60 years if the following conditions exist on the date on which the extension is adopted: (1) the assessed value of each redevelopment project in the redevelopment area is not less than the assessed value of the redevelopment project in the year in which the redevelopment plan was adopted; (2) the assessed value of the redevelopment

area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and (3) the agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities. (NRS 279.438) **Section 2** of this bill changes the assessed value requirement in the first condition from the basis of each individual redevelopment project to the aggregate of redevelopment projects in the redevelopment area and eliminates the third condition.

Under existing law, a redevelopment agency in a city located in a county whose population is 700,000 or more (currently Clark County) is authorized to adopt, in certain circumstances, an ordinance which provides for the recalculation of the total assessed value of the taxable property in a redevelopment area for certain purposes. If such a redevelopment agency adopts such an ordinance and receives certain revenue from taxes, existing law requires that 18 percent of the revenue received on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. (NRS 279.676) Section 3.5 of this bill revises the application of the recalculated assessed value in the tax distribution formula for the redevelopment area and specifies that the revenue received by the agency is from taxes on the taxable property located in the redevelopment area affected by the ordinance that is adopted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, an agency of a city located in a county whose population is [250,000] 700,000 or more [but less than 500,000] that adopts an ordinance pursuant to subsection 3 of NRS 279.439 and which receives revenue [from taxes] pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance shall set aside not less than 18 percent of such revenue received on or after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. The provisions of this subsection do not apply if such an agency is required pursuant to subsection 6 of NRS 279.676 to set aside not less than 18 percent of revenue received [from taxes] pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5 of NRS 279.676 on or after the effective date of [the] that ordinance to improve and preserve existing public educational

facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered year, or to the next session of the Legislature, if the report is received during an even-numbered year.

2. The obligation of an agency pursuant to subsection 1 to set aside not less than 18 percent of the revenue ~~[from taxes]~~ allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 2. NRS 279.438 is hereby amended to read as follows:

279.438 1. A redevelopment plan adopted before January 1, 1991, and any amendments to the plan must terminate at the end of the fiscal year in which the principal and interest of the last maturing of the securities issued before that date concerning the redevelopment area are fully paid or:

(a) With respect to a redevelopment plan adopted by the agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are met, 60 years after the date on which the original redevelopment plan was adopted, whichever is later.

(b) With respect to any other redevelopment plan, including a redevelopment plan adopted by an agency of a city whose population is 500,000 or more, if the requirements set forth in subsection 2 are not met, 45 years after the date on which the original redevelopment plan was adopted, whichever is later.

2. A redevelopment plan adopted by an agency of a city whose population is 500,000 or more may terminate on the date prescribed by paragraph (a) of subsection 1 only if the legislative body adopts an extension of the redevelopment plan by ordinance and, on the date on which the extension is adopted:

(a) The assessed value of ~~[each]~~ ***the aggregate number of*** redevelopment ~~[project]~~ ***projects*** in the redevelopment area is not less than the assessed value

of the ***aggregate number of*** redevelopment ~~[project]~~ ***projects*** in the year in which the redevelopment plan was adopted; ***and***

(b) The assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted ***.*** ~~[; and~~

~~(c) The agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities.]~~

Sec. 3. NRS 279.439 is hereby amended to read as follows:

279.439 ~~[A]~~

1. Except as otherwise provided in subsections 2 and 3, a redevelopment plan adopted on or after January 1, 1991, and any amendments to the plan must terminate not later than 30 years after the date on which the original redevelopment plan is adopted.

2. A redevelopment plan, and any amendments to the plan, adopted on or after January 1, 1991, by an agency of a city located in a county whose population is ~~[250,000]~~ 700,000 or more ~~[but less than 500,000]~~ that meets the requirement of subsection 3 must terminate not later than 45 years after the date on which the original redevelopment plan is adopted.

3. A redevelopment plan, and any amendments to the plan, may terminate on the date prescribed by subsection 2 only if the legislative body adopts an extension of the redevelopment plan by ordinance.

Sec. 3.5. **NRS 279.676 is hereby amended to read as follows:**

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State

must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by:

(1) The assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan; or

(2) The assessment roll last equalized before the effective date of an ordinance adopted pursuant to subsection 5,

➥ whichever occurs later, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a county whose population is 100,000 or more or a city whose population is 150,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a county whose population is 30,000 or more but less than 100,000 or a city whose population is 25,000 or more but less than 150,000, an amount

equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a county whose population is less than 30,000 or a city whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. If in any year the assessed value of the taxable property in a redevelopment area located in a city in a county whose population is 700,000 or more as shown by the assessment roll most recently equalized has decreased by 10 percent or more from the assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, the redevelopment agency may adopt an ordinance which provides that the total assessed value of the taxable property in the redevelopment area for the purposes of ~~[paragraph]~~ ***paragraphs (a) and*** (b) of subsection 1 is the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance adopted pursuant to this subsection. A redevelopment agency may adopt an ordinance pursuant to this subsection only once, and the election to adopt such an ordinance is irrevocable.

6. An agency which adopts an ordinance pursuant to subsection 5 and which receives revenue ~~[from taxes]~~ pursuant to paragraph (b) of subsection 1 ***from taxes on the taxable property located in the redevelopment area affected by the ordinance*** shall set aside not less than 18 percent of that revenue received on and after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a

WHEREAS, The Legislature finds that the State of Nevada is faced with growing traffic congestion and the limited ability to expand transportation infrastructure because of financial, environmental and physical constraints; and

WHEREAS, The Legislature finds that it is beneficial to explore alternative approaches to developing transportation facilities, including managing the use of existing and planned transportation facilities; and

WHEREAS, The Legislature finds that public-private partnerships have been demonstrated to be an effective means of providing motorists with more reliable travel opportunities and more choices, including within congested freeway corridors; and

WHEREAS, The Legislature finds that public-private partnerships are an effective means of financing the development, operation and maintenance of a transportation facility; and

WHEREAS, It is the intent of the Legislature to maximize the effectiveness and efficiency of the State's transportation facilities and highway system; and

WHEREAS, It is the intent of the Legislature to authorize the Department of Transportation to establish and carry out transportation facilities to increase efficiency, enhance mobility, expand capacity, improve the effectiveness of transit and facilitate the feasibility of financing improvements through public-private partnerships; now, therefore,

3. For any solicitation in which the Department issues a request for statements of qualifications, request for proposals or similar request, the Department may establish an evaluation process to obtain the best value for the Department. The Department may determine:

(a) The method of evaluation;

(b) The factors the Department will consider, including, without limitation, qualifications, experience, cost, price, financial plan, financial commitment, innovative financing and technology, technical approach and management approach; and

(c) The relative weight of those factors in the evaluation process.

4. In the request for statements of qualifications, request for proposals or other request, as applicable, the Department shall set forth the evaluation process, including the methodology, the factors that will be used and the relative weight of those factors.

5. Each request for proposals issued for an eligible transportation facility must require each person submitting a proposal to include with the proposal an executive summary. The executive summary must address the major elements of the proposal but must not include the financial terms of the proposal, the financing plan or other confidential or proprietary information or trade secrets that the person submitting the proposal intends to be exempt from disclosure.

6. The executive summary may be released to the public by the Department at any time.

7. After evaluation of the proposals submitted in response to a request for proposals, the Department may enter into negotiations with the applicant whose proposal appeared to have the best value to enter into a public-private partnership. If the Department is unable to negotiate a public-private partnership with that applicant upon such terms and conditions that the Department determines to be in the best interest of the public, the Department shall suspend or terminate negotiations with that applicant. The Department may then undertake negotiations with the next highest-ranked applicant in sequence until a public-private partnership is entered into or a determination is made by the Department to reject all applicants who submitted proposals.

8. After the award and execution of the public-private partnership, the Department shall make available to the applicants and the public the results of the evaluations of proposals and the final rankings of the applicants.

9. Notwithstanding any other law to the contrary, to maximize competition and to obtain the best value for the public, no part of a proposal other than the executive summary may be released or disclosed by the Department before the award and execution of the public-private partnership for the eligible transportation facility and the conclusion of any specified period to protest or otherwise challenge the award, except pursuant to an administrative or judicial order requiring release or disclosure of any part of the proposal.

Sec. 50. 1. The Department may reimburse a person who submitted a proposal but with whom the Department did not enter into a public-private partnership for a portion of the cost of preparing the proposal or best and final offer, or both, if the Department determines that the proposal:

(a) Was responsive to the request for proposals; and

(b) Met all the requirements set by the Department for the eligible transportation facility.

2. If the Department intends to make such a reimbursement, the Department shall set forth the terms, conditions and estimated amount of the reimbursement in the request for statements of qualifications or in the request for proposals, as applicable, for the eligible transportation facility.

3. In exchange for the reimbursement, the Department shall require the recipient to grant to the Department the nonexclusive right to use any work product contained in the proposal, including, without limitation, technologies, techniques, methods, processes and information contained in the project design. Such use by the Department is at the sole risk of the Department, and the recipient does not have any responsibility for such use.

Sec. 51. 1. Except as otherwise provided in this subsection, information obtained by or disclosed to the Department during the procurement or negotiation of a public-private partnership may be kept confidential until the public-private partnership is awarded and executed. The Department may exempt from release to the public any confidential or proprietary information obtained by or disclosed to the Department during the procurement or negotiation.

2. To make confidential and proprietary information exempt from disclosure pursuant to subsection 1, the person who submits a proposal or other response to a solicitation for an eligible transportation facility must:

(a) Invoke the request for exclusion upon submission of the information or other materials for which protection is sought;

(b) Identify the data or other materials for which protection is sought with conspicuous labeling;

(c) State the reasons why protection is necessary for each document for which protection is sought;

(d) Fully comply with any applicable state law with respect to information that the person contends should be exempt from disclosure; and

(e) Defend any action seeking release of records that the person submitting the proposal or response believes are protected from disclosure, and indemnify, defend and hold harmless the State, the Department, its agents and its employees from any judgments awarded against the State or the Department in favor of the party requesting the records, including any and all costs connected with that defense. Under no circumstances will the Department be responsible or liable to the person submitting the proposal or response or any other person for the disclosure of any such labeled materials, whether the disclosure is required by law or court order or occurs through inadvertence, mistake or negligence on the part of the Department or its officers, employees, contractors or consultants.

Sec. 52. 1. A public-private partnership entered into pursuant to section 46 of this act may include provisions that:

(a) Except as otherwise provided in subsection 3, authorize the Department or the private partner, or both, to charge, collect, use, enforce and retain user fees, including, without limitation, provisions that:

(1) Specify the technology to be used in or the technology standards that must be met in connection with the eligible transportation facility.

(2) Establish circumstances under which the Department may receive the revenues or a share of the revenues from such user fees.

(3) State that the user fees may be collected directly by the Department, the private partner or by a third party engaged for that purpose.

(4) Prescribe a formula, indexation or mechanism for the adjustment of user fees during the term of the public-private partnership.

(5) Allow a variety of strategies to be employed to manage traffic on the eligible transportation facility, including, without limitation:

(I) High-occupancy vehicle lanes where single- or low-occupancy vehicles may use higher-occupancy vehicle lanes by paying a user fee.

(II) Managed lanes or facilities in which the user fees may vary during the course of the day or week or according to the levels of congestion that are anticipated or experienced.

(III) Any combination of, or variation on, the strategies set forth in sub-subparagraphs (I) and (II), or any other strategy that the Department determines is appropriate based on the specific circumstances of the eligible transportation facility.

(6) Govern the enforcement of user fees, including, without limitation, provisions for the use of cameras or other mechanisms to ensure that users have paid user fees which are due and provisions that allow the Department of Transportation and the private partner access to relevant databases, including, without limitation, those of the Department of Motor Vehicles, for enforcement purposes. The Department of Transportation may impose a civil penalty of not more than $10,000 per violation for misuse of the data contained in such databases by the private partner, including, without limitation, negligence in securing the data properly. Any civil penalty collected pursuant to this subparagraph must be deposited in the State General Fund.

(b) Allow for payments to be made by this State to the private partner, including, without limitation, periodic payments, construction payments, milestone payments, progress payments, payments based on availability or any other performance-based payments, payments relating to compensation events specified in the public-private partnership and payments relating to or arising out of the termination of the public-private partnership.

(c) Allow the Department to accept payments of money from, and share revenues with, the private partner. The Department shall deposit such money in the State Highway Fund.

(d) Address the manner in which the Department and the private partner will share management of the risks of the eligible transportation facility.

(e) Specify the manner in which the Department and the private partner will share the costs of any development of the eligible transportation facility.

(f) Allocate financial responsibility for any costs that exceed the amount specified in the public-private partnership.

(g) Establish applicable liquidated or stipulated damages to be assessed for nonperformance by the private partner.

(h) Establish performance criteria or incentives, or both.

(i) Address the acquisition of rights-of-way and other property interests that may be required for the eligible transportation facility, including, without limitation, provisions that address the exercise of eminent domain by the Department in the manner authorized pursuant to this chapter and chapter 37 of NRS.

(j) Establish recordkeeping, accounting and auditing standards to be used for the project.

(k) Upon termination of the public-private partnership, address responsibility for repair, rehabilitation, reconstruction or renovations that are required for an eligible transportation facility to meet all applicable standards set forth in the public-private partnership upon reversion of the eligible transportation facility to this State.

(l) Provide for security and law enforcement.

(m) Identify any specifications of the Department that must be satisfied, including, without limitation, provisions allowing the private partner to request and receive authorization to deviate from the specifications on making a showing satisfactory to the Department.

(n) Specify remedies available and procedures for dispute resolution, including, without limitation, the right of the private partner to institute legal proceedings to obtain an enforceable judgment or award against the Department in the event of a default by the Department and procedures for use of dispute review boards, mediation, facilitated negotiation, nonbinding and binding arbitration and other alternative dispute resolution procedures.

2. A public-private partnership must contain a provision by which the private partner expressly agrees to be barred from seeking injunctive or other equitable relief to delay, prevent or otherwise hinder the Department from developing or constructing any other facility which was planned at the time the public-private partnership was executed and which may impact the revenue that the private partner derives from the eligible transportation facility developed under the public-private partnership. The public-private partnership may provide for reasonable compensation to the private partner for the adverse effect on revenue from the eligible transportation facility developed under the public-private partnership resulting from the development or construction of another facility by the Department.

3. A public-private partnership must not include a provision that authorizes the Department and the private partner to charge, collect, use, enforce and retain user fees on any eligible transportation facility which is

a highway or portion of a highway in existence on July 1, 2015, except that user fees may be charged, collected, used, enforced and retained where:

(a) Express lanes or high-occupancy vehicle lanes are converted to high-occupancy toll lanes, if the conversion is permissible under federal law;

(b) New capacity or lanes are constructed or added to the existing highway;

(c) The existing highway is reconstructed or rehabilitated, if the imposition of user fees is permissible under federal law; or

(d) It is otherwise permissible under federal law.

4. In connection with an eligible transportation facility that charges user fees, the Department is also entitled to charge, collect, use, enforce and retain user fees and exercise, for the benefit of the Department, the power to:

(a) Manage traffic on the eligible transportation facility in the manner described in subparagraph (5) of paragraph (a) of subsection 1; and

(b) Govern the enforcement of user fees in the manner described in subparagraph (6) of paragraph (a) of subsection 1.

Sec. 53. ***1. If the Department enters into a public-private partnership pursuant to section 46 of this act and the eligible transportation facility involves user fees, the Board:***

(a) Shall establish a schedule or methodology for the charging of user fees by the Department or the private partner for the use of the eligible transportation facility. Such a schedule or methodology may include, without limitation, provisions for adjusting the user fees based on the type of motor vehicle, time of day, traffic conditions or other factors determined necessary by the Department or the private partner to implement, finance or improve the performance of the eligible transportation facility;

(b) Shall, consistent with the provisions of section 56 of this act, establish the schedule of administrative fines, late charges and any other penalties or charges which may be imposed against any person who violates any regulation or rule governing the use of the eligible transportation facility or who fails to pay a user fee; and

(c) In addition to the exemptions provided in subsection 2, may provide for exemptions from the payment of a user fee and may authorize the private partner to provide for such exemptions.

2. The following motor vehicles are exempt from any user fee established by the Board:

(a) A preregistered vehicle transporting a number of occupants that is specified in the public-private partnership or otherwise specified by the Board;

(b) A transit bus or vanpool vehicle owned or operated by an agency or political subdivision of this State or the United States, to the extent that such vehicles are exempted pursuant to an agreement between the agency or political subdivision and the Department or the private partner;

(c) An authorized emergency vehicle if:

(1) It is responding to an emergency and its emergency lights are in use; or

(2) It is enforcing traffic laws; and

(d) A vehicle that is exempt pursuant to the terms of the public-private partnership.

3. The Board may review annually any fee schedule or methodology established pursuant to this section and any adjustments to the user fees made by the Department or the private partner to determine whether the user fees effectively manage travel times, speed and reliability with regard to the eligible transportation facility. Such a review does not entitle the Department to modify the terms of a binding public-private partnership or bond indenture.

Sec. 54. 1. The Department or private partner may use any method that it determines appropriate to charge, assess and collect a user fee, including, without limitation, the issuance of invoices, collection by means of toll booths, prepayment requirements and the use of an electronic, video or automated collection system. An electronic, video or automated collection system may be used to verify payment or to charge or assess the user fee to:

(a) The account of a person whose vehicle is equipped with a transponder or other automated payment technology approved by the Department;

(b) The account of a person who otherwise registers to use the collection system for the eligible transportation facility; or

(c) The registered owner of a motor vehicle.

2. Except as otherwise provided in this subsection, the name, address and any other personal identifying information and any trip data of a user of an eligible transportation facility is confidential and the Department, a private partner, consultant, contractor or representative thereof shall not release, sell or distribute such information without the express written consent of the user. The Department and the private partner may use and release such information:

(a) As is necessary for the purpose of assessing, charging and collecting a user fee and enforcing any administrative fines, late charges or other penalties and charges imposed pursuant to the public-private partnership; and

(b) To a law enforcement agency pursuant to a subpoena.

3. The Department or the private partner may solicit and contract with a person to provide services relating to the enforcement and collection of a user fee and any administrative fines, late charges or other penalties and charges imposed pursuant to the public-private partnership.

4. The Department or the private partner may:

(a) Accept cash payment of user fees at each toll booth or similar fixed collection facility for user fees;

(b) Allow a person to establish and deposit money into an account for use in an automated collection system; or

(c) Allow a person to establish an account that is not linked to a specific vehicle for use in an automated collection system.

5. The Department shall adopt regulations establishing a privacy policy regarding the collection and use of personal identifying information pursuant to this section. The regulations must include, without limitation, provisions requiring that:

(a) Any personal identifying information used to collect and enforce user fees be destroyed not later than 30 days after the person has paid the user fee, administrative fines, late fees or other penalties and charges imposed;

(b) Any personal identifying information collected for the establishment of an account for the use of an automated collection system be:

(1) Stored longer than 30 days only if the information is required to perform account functions, including, without limitation, billing and other activities directly related to the use of the account; and

(2) Destroyed within 30 days after receiving written notice that the person who established the account wants to close the account and has paid all outstanding user fees, administrative fines, late fees or any other penalties and charges imposed; and

(c) Each person establishing an account for use in an automated collection system be provided a copy, in a clear and conspicuous manner, of the privacy policy required by this section and all other applicable privacy laws, including, without limitation, sections 52 and 55 of this act.

Sec. 55. 1. The Department or a private partner may use a photo-monitoring, video, image capture or other automated or technology-based system to detect the failure of a driver or registered owner of a motor vehicle to pay a user fee or to verify the payment of a user fee.

2. The data, including, without limitation, photographs, images, videotapes and other information about the motor vehicle and its owner, generated and obtained by a system described in subsection 1 may only be used by the Department or the private partner to establish the nonpayment of a user fee and to enforce collection of a user fee and any administrative fines, late charges and other penalties or charges imposed pursuant to the public-private partnership and for no other purpose.

Sec. 56. 1. Except as otherwise provided in subsection 3, the registered owner of a motor vehicle who fails to pay a user fee is subject to an administrative fine for nonpayment and is liable to the Department or a private partner for the payment of the user fee, administrative fine, late charge and any other penalties or charges established by the Board or pursuant to the public-private partnership.

2. If a driver or registered owner fails to pay a user fee, the Department or the private partner shall provide notice of the nonpayment to the registered owner. The notice must describe the claimed nonpayment and the amount due, including, without limitation, any administrative fines, late charges or other penalties or charges, and explain that the registered owner must, within 20 days after receiving the notice, pay the full amount due or

contest the claim in the manner described in the notice. A registered owner who does not pay the full amount due or contest the claim within 20 days after receiving the notice cannot challenge the claim in any proceeding or action brought by the Department or the private partner.

3. A long-term or short-term lessor of a motor vehicle that is the registered owner of a vehicle is not liable to the Department or the private partner for any failure to pay a user fee arising out of the use of a leased or rented motor vehicle during any period that the motor vehicle is not in the possession of the lessor if, within 20 days after receiving the written notice from the Department or the private partner, the lessor provides to the Department or the private partner the name, address, driver's license number and any other identifying information of the person to whom the motor vehicle was rented or leased at the time of the use of the violation. If the lessor provides such information, the person to whom the motor vehicle was rented or leased at the time of the use of the eligible transportation facility is liable for the user fee or administrative fee, or both, and any late charges or other penalties or charges resulting from the person's failure to pay the user fee.

Sec. 57. 1. If a registered owner of a motor vehicle fails to respond to the notice of nonpayment provided pursuant to section 56 of this act, the Department of Transportation or a private partner may file a notice with the Department of Motor Vehicles. The notice must include:

(a) The place, time and date of the use of the eligible transportation facility;

(b) The license plate number and, to the extent known, the make and model year of the motor vehicle; and

(c) The total amount owed to the Department of Transportation or the private partner, including, without limitation, any administrative fines, late charges or other penalties and charges resulting from the person's failure to pay the user fee.

2. Upon receipt of the notice described in subsection 1, the Department of Motor Vehicles shall place a hold on the renewal of the registration of the motor vehicle described in the notice. The Department of Motor Vehicles shall not renew the registration of the motor vehicle unless the registered owner:

(a) Pays to the Department of Motor Vehicles the total amount owed to the Department of Transportation or the private partner, which amount the Department of Motor Vehicles shall forward, as directed by the Department of Transportation, to the Department of Transportation or the private partner, along with an accounting indicating the amount paid, from whom, for which motor vehicle and the corresponding license plate number of the motor vehicle; or

(b) Presents proof to the Department of Motor Vehicles of payment or satisfaction issued by the Department of Transportation or the private partner.

3. In addition to any administrative fine, late charge or other penalty or charge for nonpayment of a user fee established pursuant to a public-private partnership, the Department of Motor Vehicles may impose an additional administrative fee of not more than $15 upon any person who applies for the renewal of the registration of a motor vehicle subject to a hold placed on the renewal pursuant to this section.

4. In addition to any other remedy provided by this section, the Department of Transportation or the private partner may recover in a civil action any user fee, administrative fine, late charge or other penalty or charge authorized pursuant to section 56 of this act, as well as the costs of collection and enforcement.

Sec. 58. 1. The Department of Motor Vehicles shall work cooperatively with the Department of Transportation and any private partner to establish a timely and efficient manner for providing information concerning motor vehicles, including, without limitation, the name, address and driver's license number of the registered owner and the registration number of the vehicle, to the Department of Transportation and the private partner for the purpose of collecting and enforcing user fees and any administration fines, late charges and other penalties and charges imposed pursuant to sections 56 and 57 of this act. To the extent practicable, such information must be transmitted electronically.

2. The Department of Motor Vehicles shall work cooperatively with the departments of motor vehicles and similar agencies of other jurisdictions and states to:

(a) Assist the Department of Transportation and the private partner with the collection and enforcement of user fees charged against a motor vehicle operated on the eligible transportation facility by a person from such other jurisdiction or state; and

(b) Assist such other departments of motor vehicles and similar agencies with the collection and enforcement of user fees charged against a motor vehicle operated on the toll facilities of such other jurisdiction or state by a motor vehicle registered in this State.

➥ The cooperation must include providing information concerning motor vehicles, including, without limitation, the name, address and driver's license number of the registered owner and the registration number of the vehicle, to such departments of motor vehicles and similar agencies of other jurisdictions and states and forwarding such information received from such other departments of motor vehicles and similar agencies of other jurisdictions and states to the Department of Transportation or the private partner.

Sec. 59. 1. All money which is received and is to be retained by the Department pursuant to a public-private partnership and which is derived from the imposition of any charge with respect to the operation of any motor vehicle upon any public highway in this State must be deposited in the State Highway Fund, accounted for separately and, except for costs of

administration, be used exclusively for the design, construction, operation, maintenance, financing and repair of the public highways of this State. The money must first be used to defray the obligations for which the Department is responsible under the public-private partnership, including, without limitation, the costs of administration, design, construction, operation, maintenance, financing and repair of the eligible transportation facility from which the money is derived.

2. Any other money received and to be retained by the Department pursuant to sections 36 to 65, inclusive, of this act or pursuant to any policies or procedures established by the Department or set forth in the public-private partnership must be deposited in the State Highway Fund and accounted for separately. The interest and income on the money in the account, after deducting any applicable charges, must be credited to the account. The money in the account may be used for:

(a) The payment of the costs of planning, designing, financing, constructing, improving, maintaining, operating or acquiring rights-of-way for, or any combination thereof, the eligible transportation facility;

(b) The payment of the costs of administering the eligible transportation facility and enforcing the collection and enforcement of tolls;

(c) Satisfaction of any obligations of the Department pursuant to a public-private partnership; and

(d) The costs of administration, construction, maintenance and repair of the public highways located in the county or counties from which the money was obtained.

Sec. 60. 1. An eligible transportation facility and any improvement to property in connection with an eligible transportation facility determined by the Department to be necessary or desirable therefor may, as determined by the Department, be financed:

(a) By the private partner using equity, debt, bonds or any other financing or money, or any combination thereof, for the eligible transportation facility.

(b) By the issuance of revenue bonds or notes of the State which are payable from and secured by:

(2) Payments from the Department to the private partner pursuant to a public-private partnership, including any availability payments;

(3) Payments from the private partner as described in section 52 of this act;

(4) Guarantees or any other forms of financial assistance from the private partner or any other person;

(5) Any grants, donations or other sources of money mentioned in subsection 2 or 3 of section 47 of this act, if use of the money for the purpose of paying and securing the payment of the principal of and interest on those

bonds or notes is consistent with and not prohibited by the instrument, law or regulation under which the money is received;

(6) Interest or other gain accruing on any of the money deposited in the State Highway Fund pursuant to section 59 of this act;

(7) Any other funds and revenues of the Department that are eligible for such use; or

(8) Any combination thereof,

↳ as described in the resolution authorizing the issuance of the bonds or notes. The bonds or notes must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this section and may have a maturity of up to 40 years after the date of issuance. Any bonds or notes authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.

(c) By the issuance of revenue bonds or notes of the State, to finance the eligible transportation facility directly or by making a loan to the private partner, pursuant to a financing agreement entered into between the State and the private partner for the purpose of securing the bonds or notes and providing for their payment. Any bonds or notes issued pursuant to this paragraph must be payable solely from and secured by payments made by and property of and other security provided by the private partner, including, without limitation, any payments made to the private partner by the Department pursuant to the public-private partnership. Any bonds or notes issued pursuant to this paragraph must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this paragraph and may have a maturity of up to 40 years from the date of issuance. Any bonds or notes as authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.

(d) By the issuance of private activity bonds or notes of the State or any other eligible issuer, to finance the eligible transportation facility directly or by making a loan to the private partner, pursuant to a financing agreement entered into between the State and the private partner for the purpose of securing the bonds or notes and providing for their payment. Any bonds or notes issued pursuant to this paragraph must be payable solely from and secured by payments made by and property of and other security provided by the private partner, including, without limitation, any availability payments or other payments made to the private partner by the Department pursuant to the public-private partnership. Any bonds or notes issued pursuant to this

paragraph must be authorized and issued under the procedure described in NRS 408.273, but the bonds or notes must be secured as provided in this paragraph and may have a maturity of up to 40 years from the date of issuance. Any bonds or notes as authorized by this paragraph are special, limited obligations of the State payable solely from the revenues specifically pledged to the payment of those obligations, as specified in the resolution for the issuance of the bonds or notes, and do not create a debt of the State for the purposes of Section 3 of Article 9 of the Nevada Constitution.

(e) By any loan, grant, line of credit, loan guarantee, credit instrument, private activity bond allocation, credit assistance from the Federal Government or other type of assistance that is available to carry out the eligible transportation facility.

(f) With any grant, donation, gift or other form of conveyance of land, money or other real or personal property or other thing of value made to the Department to carry out the eligible transportation facility.

(g) With available money from any other source, including a source described in subsections 2 and 3 of section 47 of this act or from user fees.

(h) By any combination of paragraphs (a) to (g), inclusive.

2. If so determined by the Department, any bonds or notes issued as described in paragraph (b) of subsection 1 may also be payable from and secured by taxes which are credited to the State Highway Fund and which would not cause the bonds or notes to create a public debt under the provisions of Section 3 of Article 9 of the Nevada Constitution. In addition, the Department may pledge those taxes to and use those taxes for the payment of any of its obligations under a public-private partnership.

Sec. 61. The Department may acquire, condemn or hold real property and related appurtenances under fee title, lease, easement, dedication or license for an eligible transportation facility or in connection with a public-private partnership in any manner in which the Department is authorized by law.

Sec. 62. 1. The Department may grant to a private partner in connection with a public-private partnership a lease, easement, operating agreement, license, permit or right of entry for such real property and related appurtenances. Such grant and use shall be deemed for all purposes a public use, a public facility or a public highway, or any combination thereof.

2. The Department may include authority in a public-private partnership or otherwise authorize a private partner to remove any encroachments or relocate any utility from the right-of-way of an eligible transportation facility.

3. The use of the real property and related appurtenances granted by the Department to the private partner pursuant to subsection 1 is exempt from all real property and ad valorem taxes pursuant to NRS 361.157.

Sec. 63. 1. The Department may adopt regulations to carry out the provisions of sections 36 to 65, inclusive, of this act.

2. Any public-private partnership entered into pursuant to sections 36 to 65, inclusive, of this act must include a provision which states that the regulations adopted by the Department pursuant to subsection 1 and the provisions of sections 36 to 65, inclusive, of this act, as of the date on which the Department entered into the public-private partnership, shall be deemed incorporated as terms of the public-private partnership.

Sec. 64. If the Department enters into a public-private partnership pursuant to section 46 of this act:

1. The Department shall report annually to the Board on the status of the eligible transportation facility.

2. On or before February 1 of each year, the Board shall prepare a written report concerning the eligible transportation facility. The report must include, without limitation:

(a) The current status of the eligible transportation facility.

(b) If the eligible transportation facility involves user fees, the amount of user fees collected by the Department and the private partner.

(c) The amount of money received by the Department in connection with the eligible transportation facility from sources other than user fees.

(d) The amount paid by the Department under a public-private partnership.

(e) Such other information as the Board determines appropriate.

3. On or before February 1 of each even-numbered year, the Board shall submit the report prepared pursuant to subsection 2 to the Legislative Commission. On or before February 1 of each odd-numbered year, the Board shall submit the report to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature.

Sec. 65. To the extent practicable, the provisions of sections 36 to 65, inclusive, of this act are intended to supplement other statutory provisions governing the administration of highways in this State and such other provisions must be given effect to the extent that those provisions do not conflict with the provisions of sections 36 to 65, inclusive, of this act. If there is a conflict between such other provisions and the provisions of sections 36 to 65, inclusive, of this act, the provisions of sections 36 to 65, inclusive, of this act control.

1. Before furnishing any person proposing to bid on any advertised work with the plans and specifications for such work, the Director shall require from the person a statement, verified under oath, in the form of answers to questions contained in a standard form of questionnaire and financial statement, which must include a complete statement of the person's financial ability and experience in performing public work and any other comparable experience.

2. Such statements must be filed with the Director in ample time to permit the Department to verify the information contained therein in advance of furnishing proposal forms, plans and specifications to any person proposing to bid on the advertised public work, in accordance with the regulations of the Department.

3. Whenever the Director is not satisfied with the sufficiency of the answers contained in the questionnaire and financial statement, the Director may refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. If the Director determines that the person has, within the preceding year, materially breached a contract for a public work for which the cost exceeds $25,000,000, the Director shall refuse to furnish the person with plans and specifications and the official proposal forms on the advertised project. Any bid of any person to whom plans and specifications and the official proposal forms have not been issued in accordance with this section must be disregarded, and the certified check, cash or undertaking of such a bidder returned forthwith.

4. Any person who is disqualified by the Director, in accordance with the provisions of this section, may request, in writing, a hearing before the Director and present again the person's check, cash or undertaking and such further

evidence with respect to the person's financial responsibility, organization, plant and equipment, or experience, as might tend to justify, in his or her opinion, issuance to him or her of the plans and specifications for the work.

5. Such a person may appeal the decision of the Director to the Board no later than 5 days before the opening of the bids on the project. If the appeal is sustained by the Board, the person must be granted the rights and privileges of all other bidders.

Sec. 69. **NRS 408.337 is hereby amended to read as follows:**

408.337 Except as otherwise provided in NRS 408.3875 to 408.3887, inclusive ~~[,]~~ ***, and sections 36 to 65, inclusive, of this act:***

1. All bids must be accompanied by an undertaking executed by a corporate surety authorized to do business in the State, or by cash or a certified check in an amount equal to at least 5 percent of the amount bid. Such undertaking, cash or check furnished to accompany a bid submitted on-line pursuant to NRS 408.343 must be furnished in accordance with the procedures set forth by the Director.

2. If the successful bidder fails to execute the contract in accordance with his or her bid and give any bond required by law and the contract and bond are not postmarked or delivered to the Department within 20 days after award of the contract, the undertaking, cash or certified check is forfeited and the proceeds must be paid into the State Highway Fund.

3. The failure of the successful bidder to furnish any bond required of the bidder by law within the time fixed for his or her execution of the contract constitutes a failure to execute the contract.

4. If the Director deems it is for the best interests of the State, the Director may, on refusal or failure of the successful bidder to execute the contract, award it to the second lowest responsible bidder. If the second lowest responsible bidder fails or refuses to execute the contract, the Director may likewise award it to the third lowest responsible bidder. On the failure or refusal to execute the contract of the second or third lowest bidder to whom a contract is so awarded, their bidder's security is likewise forfeited to the State.

5. The bidder's security of the second and third lowest responsible bidders may be withheld by the Department until the contract has been finally executed and the bond given as required under the provisions of the contract, at which time the security must be returned. The bidder's security submitted by all other unsuccessful bidders must be returned to them within 10 days after the contract is awarded.

Sec. 70. **NRS 408.343 is hereby amended to read as follows:**

(a) All bids must be submitted:

(1) Under sealed cover and received at the address in Nevada stated in the advertisement for bids and must be opened publicly and read at the time stated in the advertisement; or

(2) Pursuant to the process of on-line bidding established by the Director.

(b) No bids may be received after the time stated in the advertisement even though bids are not opened exactly at the time stated in the advertisement. No bid, whether submitted in accordance with subparagraph (1) or (2) of paragraph (a), may be opened before that time.

(c) Any bid may be withdrawn by request at any time before the time stated in the advertisement. The withdrawal must be filed with the Director and executed by the bidder or the bidder's duly authorized representative. The withdrawal may be filed electronically. The withdrawal of a bid does not prejudice the right of the bidder to file a new bid before the time stated in the advertisement.

(d) The Department may reject any bid or all bids if, in the opinion of the Department, the bids are unbalanced, incomplete, contain irregularities of any kind or for any good cause.

(e) Until the final award of the contract, the Department may reject or accept any bids and may waive technical errors contained in the bids, as may be deemed best for the interests of the State.

(f) In awarding a contract, the Department shall make the award to the lowest responsible bidder who has qualified and submitted his or her bid in accordance with the provisions of this chapter.

2. The Director may adopt regulations to carry out the provisions of this section.

3. As used in this section, "on-line bidding" means a process:

(b) Provide that if the contractor or his or her subcontractors, or assigns, fail to pay for such taxes, premiums, contributions, labor and materials required of, and used or consumed by, the contractor or his or her subcontractors, the surety shall make the required payment in an amount not exceeding the total sum specified in the bond together with interest at a rate of 8 percent per annum.

➥ All such bonds must be otherwise conditioned as required by law or the Department.

4. No person bidding for work or submitting proposals under the provisions of this chapter may be accepted as surety on any bond.

5. Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 49.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 365.

AN ACT relating to crimes; establishing the crime of unlawful dissemination of an intimate image of a person; prohibiting the electronic dissemination or the sale of an intimate image of another person in certain circumstances; ~~[prohibiting a person from conspiring with, enabling, aiding or abetting another person in the commission of the unlawful dissemination of an intimate image;]~~ prohibiting a person from demanding payment of money, property, services or anything else of value from a person ~~[, or directly or indirectly counseling, encouraging, hiring, commanding, inducing or otherwise procuring another person to make such a demand from a person,]~~ in exchange for removing an intimate image from public view; revising provisions relating to sexual assault and the abuse of a child; setting forth provisions relating to expert testimony in a prosecution for pandering or sex trafficking; revising provisions concerning acts of open or gross lewdness, open and indecent or obscene exposure and lewdness with a child; **revising provisions relating to statutory sexual seduction;** revising provisions relating to sexual conduct between certain pupils and certain employees of or volunteers at a school and between certain students and certain employees of a college or university; setting forth various provisions relating to the admissibility of evidence and expert testimony in ~~[a]~~ criminal ~~[action;]~~ **and juvenile delinquency actions;** prohibiting a court from ordering the victim of

or a witness to a sexual offense to take or submit to a psychological or psychiatric examination in a criminal **or juvenile delinquency** action relating to the commission of the sexual offense; authorizing the court to exclude in certain circumstances the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on such a victim or witness; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1- ~~[6]~~ **6.5** of this bill establish the crime of unlawful dissemination of an intimate image of a person. **Section 3** defines the term "intimate image" generally as a photograph, film, videotape or other recorded image, or any reproduction thereof, which depicts: (1) ~~[certain intimate areas of the body]~~ **the fully exposed nipple of the female breast** of another person; or (2) ~~[another person]~~ **one or more persons** engaged in sexual conduct. **Section 3** also provides that an image which would otherwise constitute an intimate image is not an intimate image if the person depicted in the image: (1) is not clearly identifiable; (2) voluntarily exposed himself or herself in a public or commercial setting; or (3) is a public figure.

Section 5 provides that a person commits the crime of unlawful dissemination of an intimate image and is guilty of a category ~~[C]~~ **D** felony when, with the intent to harass, ~~[annoy, alarm]~~ **harm** or terrorize another person, the person electronically disseminates or sells an intimate image which depicts the other person and the other person: (1) did not **give prior** consent to the electronic dissemination or sale; ~~[and]~~ (2) had a reasonable expectation that the intimate image would be kept private and would not be made visible to the public **.** ~~[.]~~ **; and (3) was at least 18 years of age when the intimate image was created.** **Section 5** also sets forth certain exceptions regarding when an intimate image may be lawfully electronically disseminated. Under **section 6**, a person is guilty of a category ~~[C]~~ **D** felony if he or she **.** ~~[: (1) conspires with, enables, aids or abets another person in the electronic dissemination or the sale of an intimate image; (2)]~~ demands payment of money, property, services or anything else of value from a person in exchange for removing an intimate image from public view **.** ~~[; or (3) directly or indirectly counsels, encourages, hires, commands, induces or otherwise procures another person to make such a demand from a person in exchange for removing an intimate image from public view.]~~ **Section 6.5 provides that the provisions of sections 1-6 must not be construed to impose liability on an interactive computer service, as that term is defined in federal law, for any content provided by another person.**

Existing law provides that a person who forces another person under certain circumstances to make a sexual penetration on himself or herself or another, or on a beast, is guilty of sexual assault. (NRS 200.366) **Section 8** of this bill additionally provides that a person who commits a sexual penetration upon a child under the age of 14 years or causes a child under the age of 14 years to make a sexual penetration on himself or herself or another, or on a beast, is

guilty of sexual assault. **Section 8 further provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act if the person is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.**

Existing law also provides that a person who commits any act of open or gross lewdness or who makes any open and indecent or obscene exposure of his or her person, or of the person of another, is guilty of a gross misdemeanor for the first offense and a category D felony for any subsequent offense. (NRS 201.210, 201.220) Under **sections 13 and 14** of this bill, if a person commits any such offense and he or she has previously been convicted of a sexual offense, or if the person commits any such offense in the presence of a child under the age of 18 years or a vulnerable person, the person is guilty of a category D felony.

Additionally, under existing law, a person who commits certain acts with a child under the age of 14 years is guilty of lewdness with a child and is guilty of a category A felony. (NRS 201.230) **Section 15** of this bill increases that age to 16 years and provides that if a person commits lewdness with: (1) a child under the age of 14, he or she is guilty of a category A felony; and (2) a child who is 14 or 15, he or she is guilty of a category B felony. **Section 15 also provides that, except in certain circumstances, such provisions do not apply to a person who commits any such act if the person is less than 18 years of age and is not more than 2 years older than the person upon whom the act is committed.**

Section 7 of this bill revises the definition of the term "statutory sexual seduction," and section 8.5 of this bill revises the penalties imposed for the crime of statutory sexual seduction. Section 15 provides that an act which constitutes the crime of statutory sexual seduction does not constitute lewdness with a child.

Section 10 of this bill provides that certain persons are guilty of a category A felony if they willfully cause, permit or allow a child to suffer unjustifiable physical pain or mental suffering as a result of abuse or neglect or to be placed in a situation where the child may suffer physical pain or mental suffering as the result of abuse or neglect, and substantial bodily or mental harm results to the child which includes certain severe injuries.

Sections 18 and 19 of this bill revise the punishment imposed for: (1) certain employees of or volunteers at a school who engage in sexual conduct with certain pupils; and (2) certain employees of a college or university who engage in sexual conduct with certain students.

Sections 12, ~~[~~20,~~]~~ 23 and 24 of this bill revise various provisions relating to the admissibility of expert testimony and evidence in certain criminal **and juvenile delinquency** cases. **Section 12** provides that in a prosecution for pandering or sex trafficking, certain expert testimony that is offered by the prosecution or defense is admissible for any relevant purpose, but certain other expert testimony cannot be offered against the defendant to prove the occurrence of an act which forms the basis of a criminal charge against the

defendant. ~~[Section 20 provides that a statement or confession made by a defendant in a criminal action is admissible if the prosecution proves by a preponderance of the evidence that the statement or confession is trustworthy.]~~ Under **section 23**, expert testimony offered by the prosecution or defense which concerns the behavior of a defendant in preparing a child under the age of 18 or a vulnerable person for sexual abuse by the defendant is admissible for any purpose. **Section 24** prohibits a court in a criminal **or juvenile delinquency** action relating to the commission of a sexual offense from ordering a victim of or witness to a sexual offense to take or submit to a psychological or psychiatric examination. **Section 24** also authorizes the court to exclude the testimony of a licensed psychologist, psychiatrist or clinical worker who performed a psychological or psychiatric examination on a victim or witness in certain circumstances.

Legislative Counsel's Digest:

This bill provides requirements for agreements to sell, lease or install "distributed generation systems," which are defined as electricity generating

systems, other than certain portable or other electric generators intended for occasional use, that: (1) generate electricity from solar energy; (2) are located on the premises of a customer of an electric utility; (3) are connected on the customer's side of the electricity meter; (4) provide electricity primarily to offset customer load on those premises; and (5) operate in parallel with the utility's transmission and distribution facilities.

Section 6 of this bill requires a person who sells, installs or sells and installs a distributed generation system to provide with the sale or installation an express, written warranty for the system which must provide coverage for both parts and labor. The seller or installer also must provide with the sale or installation a description of the warranty, a description of any responsibility assumed or disclaimed by the seller or installer, and performance data for the system. **Section 7** of this bill requires a person transferring an obligation under a required warranty to provide the name, address and telephone number of the person to whom the obligation is being transferred.

Section 8 of this bill lists the requirements for any agreement for the financing, sale or lease of a distributed generation system or for the purchase of electricity generated by a distributed generation system. The agreement, which must be in writing, must include information regarding: (1) the manufacturer, seller and installer of the system; (2) the effectiveness of the system; (3) the cost of the purchase or lease and the cost of operating and maintaining the system; (4) tax incentives ~~[and obligations]~~ relating to the purchase or lease of the system or the purchase of electricity; and (5) any restrictions or obligations imposed by the agreement. The seller or lessor of a system or the seller of electricity also must provide written statements regarding utility rates and attesting to the truthfulness and completeness of the agreement. **Section 8** also provides that any **such** agreement ~~[that fails to comply with these requirements]~~ is voidable at the option of the person purchasing or leasing the system, or purchasing electricity generated by the system, until the installation of the system.

Section 9 of this bill provides requirements for an agreement for the financing, sale or lease of a distributed generation system that requires any modification or transfer of the system to be approved by a third party. **Section 10** of this bill provides requirements for an agreement that includes an estimate of the cost of electricity for the purchaser or lessee after the system is installed. **Section 11** of this bill requires a seller or lessor of a distributed generation system who represents to the purchaser or lessee that the purchaser or lessee will be entitled to certain tax credits to prepare and maintain a record of that representation.

Section 12 of this bill prohibits a person from selling, leasing or installing a distributed generation system or selling electricity generated by such a system without first registering with the Office of Energy. **Section 12** also requires the Director of the Office of Energy to adopt regulations relating to registration.

~~[Sections 6, 8 and]~~ **Additionally, section 12** ~~[declare]~~ **declares** certain actions in violation of the provisions of this bill to constitute ~~[a]~~ deceptive trade ~~[practice]~~ **practices** for the purposes of chapter 598 of NRS.

Assembly Bill No. 238.

Bill read third time.

The following amendment was proposed by Assemblywoman Dooling:

Amendment No. 615.

AN ACT relating to common-interest communities; revising provisions **authorizing a homeowners' association to direct the removal of vehicles from property owned or leased by the association; revising provisions** governing eligibility to be a member of the executive board or an officer of a homeowners' association; revising provisions relating to the solicitation of bids for a homeowners' association project; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Uniform Common-Interest Ownership Act, which governs common-interest communities. (Chapter 116 of NRS) Under existing law, **a homeowners' association is authorized, under certain circumstances, to direct the removal of a vehicle improperly parked on property owned or leased by the association. Unless a vehicle is blocking a certain area of the association property or the vehicle poses a threat to the health, safety or welfare of the units' owners or residents, an association must provide certain written or oral notice to the owner or operator of a vehicle at least 48 hours before the association may direct the removal of the vehicle. (NRS 116.3102) Section 1 of this bill removes these requirements. Existing law also provides that** unless a person is appointed by the declarant, a person may not be a member of the executive board or an officer of a homeowners' association if the person or certain other persons perform the duties of a community manager for that association. (NRS 116.31034) **Section** ~~[1]~~ **1.5** of this bill additionally excludes a person, other than a person appointed by the declarant, from ~~[being]~~ **eligibility as a candidate for, or as** a member of **,** the executive board or an officer of a homeowners' association if: (1) **except under certain circumstances,** the person resides with, is married to or is related within the third degree of consanguinity to a member of the board or an officer of the association; (2) the person stands to gain any personal profit or compensation from a matter before the board; or (3) the person is a business associate of, or a co-owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association. **Additionally, section 1.5 provides that if a person is not eligible to be a candidate for, or a member of, an executive**

board or an officer of the association, the association: (1) must not place the name of the person on any ballot as a candidate; and (2) must prohibit the person from serving as a member of the executive board or as an officer of the association.

Existing law also requires a homeowners' association to open and consider bids for an association project at a meeting of its executive board. (NRS 116.31086) **Section 2** of this bill requires an association to solicit, whenever reasonably possible, at least three bids if the association project is expected to cost: (1) in a common-interest community that consists of less than 1,000 units, $2,500 or more; or (2) in a common-interest community that consists of 1,000 or more units, $5,000 or more. **Section 2** further **[**~~: (1)~~**]** specifies that the contents of bids which are opened at a meeting of the executive board must be read aloud **. [**~~in summary form; (2) requires such contents to be posted on the Internet website of the association, if one exists; (3) authorizes the inclusion of such contents in an official newsletter or other similar publication that is circulated to each unit's owner; and (4) requires the members of the executive board to vote on the acceptance of a bid in accordance with Robert's Rules of Order Newly Revised.~~**]**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 116.3102 is hereby amended to read as follows:**

116.3102 1. Except as otherwise provided in this chapter, and subject to the provisions of the declaration, the association:

(a) Shall adopt and, except as otherwise provided in the bylaws, may amend bylaws and may adopt and amend rules and regulations.

(b) Shall adopt and may amend budgets in accordance with the requirements set forth in NRS 116.31151, may collect assessments for common expenses from the units' owners and may invest funds of the association in accordance with the requirements set forth in NRS 116.311395.

(c) May hire and discharge managing agents and other employees, agents and independent contractors.

(d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units' owners on matters affecting the common-interest community.

(e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.

(f) May regulate the use, maintenance, repair, replacement and modification of common elements.

(g) May cause additional improvements to be made as a part of the common elements.

(h) May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

(1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

(2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

(i) May grant easements, leases, licenses and concessions through or over the common elements.

(j) May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units' owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) May impose charges for late payment of assessments pursuant to NRS 116.3115.

(l) May impose construction penalties when authorized pursuant to NRS 116.310305.

(m) May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

(n) May impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

(o) May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.

(p) May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declaration expressly so provides.

(q) May exercise any other powers conferred by the declaration or bylaws.

(r) May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

(s) May direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. ~~[In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:~~

~~(1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or~~

~~(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.~~**]**

(t) May exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not limit the power of the association to deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons.

3. The executive board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

4. The executive board's decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, "assessment" does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

[~~Section 1.~~**]** ***Sec. 1.5.*** NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's

control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units' owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:

(a) A person ~~[may]~~ ***is*** not ***eligible to*** be a ***candidate for, or a*** member of **,** the executive board or an officer of the association if ~~[the]~~ ***:***

(1) ~~[The]~~ Unless there is an insufficient number of candidates to fill one or more vacancies as a member of the executive board or as an officer of the association, the person resides with another person in a unit, is married to that other person or is related by blood or adoption within the third degree of consanguinity or affinity, and if the other person is also a member of the executive board or is an officer of the association;

(2) The person stands to gain any personal profit or compensation of any kind from a matter before the executive board of the association;

(3) The person is a business associate of, or a co-owner of a business co-owned by, a person who is a member of the executive board or is an officer of the association or who performs the duties of a community manager for that association; or

(4) The person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person's spouse or the person's parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:

(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

11. Except as otherwise provided in subsection 6 or NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner.

(b) Each unit's owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit's owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for membership on the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

12. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate's campaign for election as a member of the executive board, except that the candidate's campaign may be limited to 90 days before the date that ballots are required to be returned to the association.

13. A candidate who has submitted a nomination form for election as a member of the executive board may request that the association or its agent either:

(a) Send before the date of the election and at the association's expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner a candidate informational statement. The candidate informational statement:

(1) Must be no longer than a single, typed page;

(2) Must not contain any defamatory, libelous or profane information; and

(3) May be sent with the secret ballot mailed pursuant to subsection 11 or in a separate mailing; or

(b) To allow the candidate to communicate campaign material directly to the units' owners, provide to the candidate, in paper format at a cost not to exceed 25 cents per page for the first 10 pages and 10 cents per page thereafter, in the format of a compact disc at a cost of not more than $5 or by electronic mail at no cost:

(1) A list of the mailing address of each unit, which must not include the names of the units' owners or the name of any tenant of a unit's owner; or

(2) If the members of the association are owners of time shares within a time share plan created pursuant to chapter 119A of NRS and:

(I) The voting rights of those owners are exercised by delegates or representatives pursuant to NRS 116.31105, the mailing address of the delegates or representatives.

(II) The voting rights of those owners are not exercised by delegates or representatives, the mailing address of the association established pursuant to NRS 119A.520. If the mailing address of the association is provided to the candidate pursuant to this sub-subparagraph, the association must send to each owner of a time share within the time share plan the campaign material provided by the candidate. If the campaign material will be sent by mail, the candidate who provides the campaign material must provide to the association a separate copy of the campaign material for each owner and must pay the actual costs of mailing before the campaign material is mailed. If the campaign material will be sent by electronic transmission, the candidate must provide to the association one copy of the campaign material in an electronic format.

➥ The information provided pursuant to this paragraph must not include the name of any unit's owner or any tenant of a unit's owner. If a candidate who makes a request for the information described in this paragraph fails or refuses to provide a written statement signed by the candidate which states that the candidate is making the request to allow the candidate to communicate campaign material directly to units' owners and that the candidate will not use the information for any other purpose, the association or its agent may refuse the request.

14. An association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 13.

15. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

16. If a person is not eligible to be a candidate for, or a member of, an executive board or an officer of the association pursuant to this section or any other provision of this chapter, the association:

(a) Must not place the name of the person on any ballot as a candidate; and

(b) Must prohibit the person from serving as a member of the executive board or as an officer of the association.

Sec. 2. NRS 116.31086 is hereby amended to read as follows:

116.31086 1. If an association solicits bids for an association project ~~[,~~ ~~the]~~ ***:***

(a) The association must, whenever reasonably possible, solicit at least three bids if the association project is expected to cost:

Sec. 3. This act becomes effective on July 1, 2015.

Assembly Bill No. 120.

Bill read third time.

Remarks by Assemblymen Wheeler and Ellison.

ASSEMBLYMAN WHEELER:

Assembly Bill 120 clarifies that a pupil in a public school may express himself or herself in a manner consistent with rights guaranteed under the First and Fourteenth Amendments to the *United States Constitution* as long as such expressions are not disruptive of instructional time, used to bully or intimidate, or are directly or indirectly endorsed by the school. The bill also requires the board of trustees of each school district and the governing body of each charter school and university school for profoundly gifted pupils to adopt a grievance policy prescribing procedures for the resolution of a complaint that the rights of a pupil to free expression have been violated.

ASSEMBLYMAN ELLISON:

I rise in support of Assembly Bill 120. Contrary to the testimony of the opposition, A.B. 120 does not force religion into our schools. It simply gives religious students the same rights as other students. It would be great if we did not have to have legislative safeguards for constitutional rights, but sad experience says we must. I am voting yes, and I encourage all my colleagues to do the same.

Assembly Bill No. 159.

Bill read third time.

Remarks by Assemblymen Wheeler and Kirkpatrick.

ASSEMBLYMAN WHEELER:

Assembly Bill 159 provides that a public body, in any solicitation, contract, or other document related to a contract for a public work, shall not require or prohibit a bidder or contractor from entering into or adhering to any agreement with one or more labor organizations in regard to a public work or discriminate against a bidder or contractor for entering or not entering into, or adhering or refusing to adhere to, any agreement with one or more labor organizations in regard to a public work.

Additionally, a public body shall not require the awardee of a grant, tax abatement, tax credit, or tax exemption to enter into any agreement with one or more labor organizations or discriminate against a bidder or contractor for entering into or not entering into an agreement with a labor organization in regard to a project.

The measure allows a public body to exempt a particular public work or a grant, tax abatement, tax credit, or tax exemption from those restrictions if the public body makes a finding, after notice and a hearing, that special circumstances require such an exemption to avert an imminent threat to public health or safety. Such a finding of special circumstances must not be based on the possibility or presence of certain labor disputes.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in opposition to Assembly Bill 159. Local government and local agencies have successfully used Project Labor Agreements [PLAs] for over 18 years in our state. Current PLAs meet legal muster. In 1997, the Nevada Supreme Court found that the Southern Nevada Water Authority PLA was not discriminatory but was valid. It is a model that has been used since PLAs have been in effect in our state. During the hearing on the bill, in addition to the discussion that has been stated, many times it was stated that the bill was preempted by the National Labor Relations Act.

Passing this bill will be expensive with lots of litigation. In section 3 of the bill, subsection 2, I believe this unfairly puts a wrench into how we have done business in our state. It does not say that you can use PLAs, but it says that you cannot include them in requests for proposals, so to me that brings a lot of concern, especially for those of us in southern Nevada where we have used them on the airport, we have used them on the Convention Center, we have used them on the Southern Nevada Water Authority. Typically you do not get those type of folks every day who can put in the third intake for our water, or you do not get the person who can meet all the requirements to work on the airport.

I would urge our body to think carefully about how we do this. I am aware that the parties are still trying to work together, but I think this sets a bad precedent today for any work that may need to get done. Some of these projects that are currently in the pipeline need to continue to go forward, and I do not know how they do it based on this legislation. I would urge the body to vote against the bill.

Remarks by Assemblyman Nelson.

ASSEMBLYMAN NELSON:
Assembly Bill 195 revises provisions governing the amount of a deficiency judgment to be awarded by a court after the foreclosure of a mortgage or a deed of trust. Specifically, the bill revises a provision of current law that limits the amount that a person who acquires the right to obtain a deficiency judgment from another person may obtain, such that it applies only to certain deficiency judgments awarded after the passage and approval of this bill involving enforcement of debts secured by certain residential properties and any debt secured by any other property if the documents evidencing the debt were fully executed on or before July 1, 2011. In such cases, the amount of the deficiency judgment must not exceed the amount of the consideration paid for that right.

Assembly Bill No. 283.

Remarks by Assemblyman Hansen.

ASSEMBLYMAN HANSEN:
Assembly Bill 283 establishes when state and local law enforcement agencies may recognize the exercise of law enforcement authority by certain federal employees. The measure authorizes state or local law enforcement agencies to enter into agreements with federal agencies concerning the enforcement of federal, state, and local laws. Further, the bill prohibits state and local government agencies from allowing a federal agency to access or use certain correctional and communication facilities and equipment without the express written consent of the appropriate responsible official. This measure specifically states that the sheriff of a county and his or her deputies are the primary law enforcement officers in the unincorporated areas of their county.

Assembly Bill 267 eliminates the imposition of a sentence of life without the possibility of parole upon a person convicted of certain crimes who was less than 18 years of age at the time the crime was committed. The bill requires a court to consider the differences between juvenile and adult offenders in determining an appropriate sentence to be imposed and establishes certain minimum periods of incarceration that must be served by a prisoner who was sentenced as an adult

for certain offenses that were committed when he or she was less than 18 years of age before the prisoner is eligible for parole.

Assembly Bill 305 requires a health authority to adopt regulations to provide for the issuance of an endorsement on a permit that allows an emergency medical provider employed by the permit holder to provide community paramedicine services. A person or governmental entity is prohibited from providing such services without a valid permit.

"Community paramedicine services" is defined as health care services provided to certain patients who do not require emergency medical transportation in a manner integrated with local and regional health care and social service systems. Regulations must prescribe the training and qualifications necessary for an emergency medical technician, advanced emergency medical technician, paramedic, or volunteer employed by the holder of an endorsement, as well as the scope of services that may need to be provided. Lastly, permit holders must report certain data to the health authority, which is summarized and reported to the Legislative Committee on Health Care, on or before February 1 of each year.

Assembly Bill 178 revises the statutory requirement that a pupil classified as a habitual disciplinary problem be suspended or expelled from school for at least one school semester. Instead, the bill provides that such a pupil may be suspended from school for up to one semester, depending upon the severity of the problem, or expelled from school under extraordinary circumstances as determined by the principal of the school.

In addition, the requirement that a school principal classify a pupil as a habitual disciplinary problem using certain criteria is revised to make the designation permissive versus mandatory. The measure also provides that only pupils who are expelled or who are suspended for a full semester or more need to enroll in an alternative education program.

The bill also clarifies the procedures for filling a vacancy in an elective office by special election or appointment. Additionally, among other things, the bill clarifies that certain officers, employees, and other staff may be appointed by the City Manager, City Clerk, and City Attorney, respectively. It requires a person who is appointed as the City Manager to become an actual resident of the state not later than six months after the date of his or her appointment, authorizes the City Council to retain the services of special legal counsel rather than employ such counsel, and clarifies which employees are exempted from the City's Civil Service System.

Assembly Bill 89 generally enacts provisions relating to the employment of veterans and enacts certain other provisions relating generally to professionals. The measure requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to gather and report aggregate unemployment data concerning veterans to the Interagency Council on Veterans Affairs on a quarterly basis. The bill also requires a regulatory body to prepare and submit an annual report to the Council on the number of veterans who have applied for a license, who have been issued a license, or who have renewed a license.

Assembly Bill 89 explicitly allows private employers to adopt employment policies that provide a hiring preference on the basis of an applicant being a veteran or the spouse of a veteran, subject to review by the Nevada Equal Rights Commission. Additionally, A.B. 89 provides for an exemption from the driving skills test in order to receive a commercial driver's license for persons with military experience in driving such vehicles.

The bill authorizes a regulatory body to grant a license by endorsement to a qualified professional who is licensed in another state or territory and is also an active member, veteran, spouse of an active member, or surviving spouse of a veteran of the Armed Forces of the United States to practice his or her respective profession in this state. A qualified health care professional who receives a license by endorsement is entitled to at least a 50 percent reduction in the fee for the initial issuance of a license or an examination as a prerequisite to licensure. The measure also authorizes certain regulatory bodies to enter into a reciprocal agreement with the corresponding regulatory authority in another state or territory of the United States for the purpose of authorizing a licensee to practice concurrently in Nevada and another jurisdiction under certain circumstances. The bill's effective date is on July 1, 2015.

Assembly Bill 115 abolishes the Board of Hearing Aid Specialists and transfers the duties of the Board to a newly established Speech-Language Pathology, Audiology and Hearing Aid Dispensing Board. The measure makes other changes to the practice of these professions. First, it includes speech-language pathologists and audiologists in the definition of "provider of health care," which subjects the two professions to various requirements of Nevada law including requirements for the retention of patient records, requirements for billing, standards for advertisements, and criminal penalties for acquiring certain debts. Next, the bill requires a speech-language pathologist to hold a current certificate of clinical competence issued by the American Speech-Language-Hearing Association or its successor organization. It also prescribes requirements concerning the practice of audiology or speech-language pathology using telemedicine.

The Sunset Subcommittee of this last interim, which I chaired, reviewed these two boards and recommended unanimously that these boards be combined. The Sunset Subcommittee was a recommendation from the SAGE [Spending and Government Efficiency] Commission to review all boards and commissions that are created by this body.

Assembly Bill 162 authorizes law enforcement agencies to require uniformed peace officers to wear a portable event recording device while on duty and requires certain law enforcement agencies to adopt policies and procedures relating to the use of portable event recording devices. The bill also establishes that any record made by a portable event recording device is a public record which may be requested only on a per-incident basis and inspected only at the location where the record is held if the record contains confidential information. The measure also exempts a portable event recording device worn by a peace officer from the definition of an “electronic, mechanical or other device” used to intercept wire or oral communication.

The following amendment was proposed by Assemblywoman Seaman:

Amendment No. 638.

AN ACT relating to private professional guardians; requiring licensing for persons engaged in the business of a private professional guardian; establishing the requirements for the licensing and operation of a private professional guardian company; **amending provisions related to the appointment of a guardian under certain circumstances;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.

Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. **Sections 18-26** of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. **Section 28** of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. **Section 29** of this bill establishes the process for the renewal of a license. **Section 30** of this bill establishes the process for surrender of a license.

Section 31 of this bill requires a licensee to keep a principal office in this State. **Section 32** of this bill establishes procedures for the Commissioner to

approve an out-of-state office of a private professional guardian company. **Section 33** of this bill requires a licensee to maintain certain types and levels of bonds and insurance.

Section 35 of this bill establishes the rights and authority of a licensee. **Section 36** of this bill prohibits certain activities by a licensee. **Sections 37-41** of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. **Sections 47 and 48** of this bill establish procedures for handling a complaint against a private professional guardian company. **Sections 49 and 50** of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as a guardian. (NRS 159.059) Existing law also requires a court to appoint as guardian for an incompetent the qualified person who is most suitable and is willing to serve as a guardian. (NRS 159.061) Sections 50.5 and 51.5 of this bill require a court to appoint as guardian for an incompetent a person who, regardless of whether the person is a resident of this State, has been requested to be appointed as guardian in a written instrument executed by the incompetent while he or she was competent, if that person is willing to serve and is otherwise determined to be qualified and suitable.

(c) Whether the applicant has planned suitable annual audits conducted by qualified outside auditors of its books and records and its fiduciary activities under applicable accounting rules and standards as well as suitable internal audits.

Sec. 23. *1. After conducting an investigation pursuant to section 22 of this act, if the Commissioner finds grounds for the denial of the application, the Commissioner shall provide to the applicant written notice of such grounds by personal service or certified mail.*

2. The applicant may cure any defect or deficiency in the application and, not more than 30 days after receipt of the notice pursuant to subsection 1, resubmit the application for approval.

3. If an application is not approved, the Commissioner shall provide to the applicant written notice of the denial by personal service or certified mail. The applicant may request a hearing before the Commissioner, but if no such application is made within 30 days after the entry of an order refusing a license to any person, the Commissioner shall enter a final order.

4. The decision of the Commissioner is final for the purposes of judicial review.

Sec. 24. *The Commissioner shall approve the application for a license, keeping on file his or her findings of fact pertaining thereto, if the Commissioner finds that the applicant has met all the requirements of this chapter pertaining to the applicant's qualifications and application.*

Sec. 25. *1. If the Commissioner approves an application pursuant to section 24 of this act and the applicant pays the required fees, the Commissioner shall issue to the applicant a license to engage in the business of a private professional guardian.*

2. Each license issued by the Commissioner must be sufficiently identified in the record.

3. Each renewal of a license must be recorded in the same manner as the original license, and the number of the preceding license issued must be recorded.

Sec. 27. *Each license issued pursuant to this chapter must be conspicuously displayed in the place of business designated in the license.*

Sec. 28. *1. A license issued pursuant to this chapter is not transferable or assignable, but upon the approval of the Commissioner and any applicable court of jurisdiction, a licensee may merge or consolidate with, or transfer its assets and control to, another person who holds a license pursuant to this chapter. In determining whether to grant the approval, the Commissioner may consider the factors set forth in section 22 of this act.*

2. If a change in the control of a private professional guardian company occurs, the chief executive officer or managing member of the company shall report the change in control and the name of the person obtaining control to the Commissioner within 5 business days after obtaining knowledge of the change.

3. A private professional guardian company shall, within 5 business days after a change in the chief executive officer, managing member or a majority of the directors or managing directors of the company occurs, report the change to the Commissioner. The company shall include in its report to the Commissioner a statement of the past and current business and professional affiliations of each new chief executive officer, managing member, director or managing director. 4. A person who intends to acquire control of a private professional guardian company shall submit an application to the Commissioner. 6. As used in this section, "control" means the possession, directly or indirectly, of the authority to direct or cause the direction of the management and policy of a private professional guardian company, or a change in the ownership of at least 25 percent of the outstanding voting stock of, or participating members' interest in, the company.

Sec. 29. *1. A private professional guardian company wishing to renew a license to engage in the business of a private professional guardian shall file in the Office of the Commissioner, on or before the June 1 of the year after the year of the original issuance of the license, an application, which must contain, without limitation, the number of the license being renewed. The application for renewal must be accompanied by a renewal fee of not more than $1,500 and all information required to complete the application.*

2. The Commissioner shall issue a renewal license to the applicant, which must be dated July 1 next ensuing the date of the application, in form and text similar to the original except that, in addition, the renewal must include the date and number of the earliest license issued.

3. All requirements of this chapter with respect to original licenses and bonds apply to all renewal licenses and bonds, except as otherwise provided in this section.

4. The Commissioner shall refuse to renew a license if at the time of application a proceeding to revoke or suspend the license is pending.

5. The Commissioner shall adopt regulations establishing the amount of the fee required pursuant to this section. All money collected under the provisions of this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 30. *If any private professional guardian company wishes to discontinue its business, the company shall furnish to the Commissioner satisfactory evidence of the release and discharge from all obligations which the company has assumed or which have been imposed by law. Thereafter, the Commissioner shall enter an order cancelling the license of the private professional guardian company.*

2. To qualify as the principal office for the purposes of subsection 1, an office of the private professional guardian company must:

Sec. 32. *1. It is unlawful for any person licensed pursuant to this chapter to engage in the business of a private professional guardian at any office outside this State without the prior approval of the Commissioner.*

2. Before the Commissioner will approve a branch to be located outside this State, the private professional guardian must:

(a) Obtain from that state any required license as a private professional guardian; or

(b) Provide proof satisfactory to the Commissioner that the private professional guardian company has met all the requirements to engage in the business of a private professional guardian in that state pursuant to its laws, including, without limitation, written documentation from the appropriate court or state agency that the private professional guardian company is authorized to do business in that state.

3. For each branch location of a private professional guardian company organized under the laws of this State, and every branch location in this State of a foreign private professional guardian company authorized to do business in this State, a request for approval and licensing must be filed with the Commissioner on forms prescribed by the Commissioner. A nonrefundable fee of not more than $500, as provided by the Commissioner, must accompany each request. In addition, a fee of not more than $200, to be prorated on the basis of the licensing year as provided by the Commissioner, must be paid at the time of making the request. Money collected pursuant to this section must be deposited in the Investigative Account for Financial Institutions created by NRS 232.545.

4. A foreign corporation or limited-liability company wishing to engage in the business of a private professional guardian in this State must use a name that distinguishes it from any other private professional guardian in this State.

Sec. 33. *1. The Commissioner may require a private professional guardian company to maintain equity, fidelity and surety bonds in amounts that are more than the minimum required initially or at any subsequent time based on the Commissioner's assessment of the risks associated with the business plan of the private professional guardian or other information contained in the application, the Commissioner's investigation of the application or any examination of or filing by the private professional guardian company thereafter, including, without limitation, any examination before the opening of the business. In making such a determination, the Commissioner may consider, without limitation:*

(a) The nature and type of business to be conducted by the private professional guardian company;

(b) The nature and liquidity of assets proposed to be held in the account of the private professional guardian company;

(c) The amount of fiduciary assets projected to be under the management or administration of the private professional guardian company;

(d) The type of fiduciary assets proposed to be held and any proposed depository of such assets;

(e) The complexity of the fiduciary duties and degree of discretion proposed to be undertaken by the private professional guardian company;

(f) The competence and experience of the proposed management of the private professional guardian company;

(g) The extent and adequacy of proposed internal controls;

(h) The proposed presence of annual audits by an independent certified public accountant, and the scope and frequency of such audits, whether they result in an opinion of the accountant and any qualifications to the opinion;

(i) The reasonableness of business plans for retaining or acquiring additional equity capital;

(j) The adequacy of fidelity and surety bonds and any additional insurance proposed to be obtained by the private professional guardian company for the purpose of protecting its fiduciary assets;

(k) The success of the private professional guardian company in achieving the financial projections submitted with its application for a license; and

(l) The fulfillment by the private professional guardian company of its representations and its descriptions of its business structures and methods and management set forth in its application for a license.

2. The director or manager of a private professional guardian company shall require fidelity bonds in the amount of at least $25,000 on the sole proprietor or each active officer, manager, member acting in a managerial or case manager capacity and employee, regardless of whether the person receives a salary or other compensation from the private professional guardian company, to indemnify the company against loss due to any dishonest, fraudulent or criminal act or omission by a person upon whom a bond is required pursuant to this section who acts alone or in combination with any other person. A bond required pursuant to this section may be in any form and may be paid for by the private professional guardian company.

3. A private professional guardian company shall obtain suitable insurance against burglary, robbery, theft and other hazards to which it may be exposed in the operation of its business.

4. A private professional guardian company shall obtain suitable surety bonds in accordance with NRS 159.065, as applicable.

5. The surety bond obtained pursuant to subsection 4 must be in a form approved by a court of competent jurisdiction and the Division and conditioned that the applicant conduct his or her business in accordance with the requirements of this chapter. The bond must be made and executed by the principal and a surety company authorized to write bonds in this State.

6. A private professional guardian company shall at least annually prescribe the amount or penal sum of the bonds or policies of the company and designate the sureties and underwriters thereof, after considering all known elements and factors constituting a risk or hazard. The action must be recorded in the minutes kept by the private professional guardian company and reported to the Commissioner.

7. The bond must cover all matters placed with the private professional guardian company during the term of the license or a renewal thereof.

8. An action may not be brought upon any bond after 2 years from the revocation or expiration of the license.

9. After 2 years, all liability of the surety or sureties upon the bond ceases if no action is commenced upon the bond.

Sec. 34. *The Commissioner shall revoke the license of a private professional guardian company:*

1. If the private professional guardian company fails to open for business within 6 months after the date the license was issued, or within an additional 6-month extension granted by the Commissioner upon written application and for good cause shown; or

2. If the private professional guardian company fails for more than 30 consecutive days to maintain regular business hours or otherwise conduct the business of a private professional guardian.

Sec. 35. *Each private professional guardian company which is licensed pursuant to this chapter may, in the conduct of its business activities, within and outside this State, as applicable:*

1. Act under the order or appointment of any court as guardian.

2. Accept and execute any activities and duties relating to the business of a private professional guardian as permitted by any law.

3. Exercise the powers of a corporation, partnership or limited-liability company organized or qualified as a foreign corporation, partnership or limited-liability company under the laws of this State and any incidental powers that are reasonably necessary to enable it to exercise, in accordance with commonly accepted customs and usages, a power conferred by this chapter.

4. Perform any act authorized by this chapter and any other applicable laws of this State.

Sec. 36. *1. The fiduciary relationship which exists between a private professional guardian and the ward of the private professional guardian may not be used for the private gain of the guardian other than the remuneration for fees and expenses. A private professional guardian may not incur any obligation on behalf of the guardianship that conflicts with the discharge of the duties of the private professional guardian.*

2. Unless prior approval is obtained from a court of competent jurisdiction, a private professional guardian shall not:

(a) Have any interest, financial or otherwise, direct or indirect, in any business transaction or activity with the guardianship.

(b) Acquire an ownership, possessory, security or other pecuniary interest adverse to the ward.

(c) Be knowingly designated as a beneficiary on any life insurance policy, pension or benefit plan of the ward unless such designation was validly made by the ward before the adjudication of the person's incapacity.

(d) Directly or indirectly purchase, rent, lease or sell any property or services from or to any business entity in which the private professional guardian, or the spouse or relative of the guardian, is an officer, partner, director, shareholder or proprietor or in which such a person has any financial interest.

3. Any action taken by a private professional guardian which is prohibited by this section may be voided during the term of the guardianship or by the personal representative of the ward's estate. The private professional guardian is subject to removal and to imposition of personal liability through a proceeding for discharge, in addition to any other remedies otherwise available.

4. A court shall not appoint a private professional guardian that is not licensed pursuant to this chapter as the guardian of a person or estate. The court must review each guardianship involving a private professional guardian on the anniversary date of the appointment of the private professional guardian. If a private professional guardian does not hold a current license, the court must replace the guardian until such time as the private professional guardian obtains the necessary license.

5. The provisions of NRS 159.076 regarding summary administration do not apply to a private professional guardian.

6. A licensee shall file any report required by the court in a timely manner.

Sec. 37. ***1. Except as otherwise provided in NRS 159.076, a licensee shall maintain a separate trust account for each ward into which all money received for the benefit of the ward must be deposited. Each trust account must be maintained in an insured bank or credit union located in this State, be held in a name which is sufficient to distinguish it from the personal or general checking account of the licensee and be designated as a trust account. Each trust account must at all times account for all money received for the benefit of the ward and account for all money dispersed for the benefit of the ward, and no disbursement may be made from the account except for court authorized expenditures.***

2. Each licensee shall keep a record of all money deposited in each trust account maintained for a ward, which must clearly indicate the date and from whom the money was received, the date the money was deposited, the dates of withdrawals of money and other pertinent information concerning the transactions. Records kept pursuant to this subsection must be maintained for at least 6 years after the completion of the last transaction concerning the account. The records must be maintained at the premises in this State at which the licensee is authorized to conduct business.

3. The Commissioner or his or her designee shall conduct an examination of the trust accounts and records relating to wards of each private professional guardian company licensed pursuant to this chapter at least once each year.

4. During the first year a private professional guardian is licensed in this State, the Commissioner or his or her designee may conduct any examinations deemed necessary to ensure compliance with the provisions of this chapter and chapter 159 of NRS.

5. If there is evidence that a private professional guardian company has violated a provision of this chapter or chapter 159 of NRS, the Commissioner

or his or her designee may conduct additional examinations to determine whether a violation has occurred.

6. Each licensee shall authorize the Commissioner or his or her designee to examine all books, records, papers and effects of the private professional guardian company.

7. If the Commissioner determines that the records of a licensee are not maintained in accordance with subsections 1 and 2, the Commissioner may require the licensee to submit, within 60 days, an audited financial statement prepared from the records of the licensee by a certified public accountant who holds a certificate to engage in the practice of public accounting in this State. The Commissioner may grant a reasonable extension of time for the submission of the financial statement if an extension is requested before the statement is due.

8. Upon the request of the Division, a licensee must provide to the Division copies of any documents reviewed during an examination conducted by the Commissioner or his or her designee pursuant to subsection 4, 5 or 6. If the copies are not provided, the Commissioner may subpoena the documents.

9. For each examination of the books, papers, records and effects of a private professional guardian company that is required or authorized pursuant to this chapter, the Commissioner shall charge and collect from the private professional guardian company a fee for conducting the examination and preparing a report of the examination based upon the rate established by regulation pursuant to NRS 658.101. Failure to pay the fee within 30 days after receipt of the bill is grounds for revoking the license of the private professional guardian company.

10. All money collected under this section must be deposited in the State Treasury pursuant to the provisions of NRS 658.091.

Sec. 38. ***1. After an examination is conducted pursuant to section 37 of this act, the person who conducted the examination shall prepare a written report of the results of the examination which must be signed by the Commissioner or his or her designee.***

2. The written report must contain a true and detailed statement of the financial condition of the private professional guardian company and, if applicable, a full statement of any violations of the provisions of this chapter and chapter 159 of NRS.

Sec. 39. ***1. The Commissioner shall provide a copy of a report prepared pursuant to section 38 of this act to the president or secretary of the board of directors of the private professional guardian company if the company is a corporation, or to a manager or owner of the private professional guardian company if the company is not a corporation, and may make a copy available to each member of the board of directors or each manager or owner, as applicable. If, in the judgment of the Commissioner, the report discloses any violation of the provisions of this chapter or chapter 159 of NRS committed by the private professional guardian company, or if***

it appears from the report that there are certain conditions existing which should be corrected by the private professional guardian company, the Commissioner may, in writing, call the matter to the attention of each member of the board of directors or each manager or owner, with instructions to correct the condition.

2. Upon the preparation of the report as provided in section 38 of this act, the Commissioner shall also serve a copy thereof to the court having jurisdiction of each ward of the private professional guardian company.

Sec. 40. *1. The Commissioner may require a licensee to submit an annual financial statement or an audited financial statement prepared by an independent certified public accountant licensed to do business in this State, dependent upon the size and complexity of the private professional guardian company.*

2. If applicable, on or before the fourth Monday in January of each year, each licensee shall submit to the Commissioner the stock ledger of stockholders of the corporation required to be maintained pursuant to paragraph (c) of subsection 1 of NRS 78.105 or the list of each member and manager required to be maintained pursuant to paragraph (a) of subsection 1 of NRS 86.241, verified by the president or a manager, as appropriate.

3. A list of each member and manager submitted pursuant to subsection 2 must include the percentage of each member's interest in the company, in addition to the requirements set forth in NRS 86.241.

4. If a licensee fails to submit the ledger or list required pursuant to this section within the prescribed period, the Commissioner may impose and collect a fee of not more than $10 for each day the report is late.

5. The Commissioner shall adopt regulations establishing the amount of the fee that may be imposed pursuant to this section.

Sec. 41. *Except as otherwise provided in NRS 239.0115, any application and personal or financial records submitted to the Division pursuant to the provisions of this chapter and any personal or financial records or other documents obtained by the Division pursuant to an examination conducted by the Commissioner or his or her designee or in response to a subpoena are confidential and may be disclosed only to:*

1. The Division, any authorized employee or representative of the Division and any state or federal agency investigating the activities covered under the provisions of this chapter; and

2. Any person if the Commissioner, in his or her discretion, determines that the interests of the public that would be protected by disclosure outweigh the interest of any person in the confidential information not being disclosed.

Sec. 42. *1. The Commissioner may require the immediate removal from office of any officer, director, manager or employee of any private professional guardian company doing business under this chapter who is found to be dishonest, incompetent or reckless in the management of the affairs of the private professional guardian company, or who persistently*

violates the laws of this State or the lawful orders, instructions and regulations issued by the Commissioner.

2. An officer, director, manager or employee of a private professional guardian company who is required to be removed from office pursuant to subsection 1 may appeal his or her removal by filing a written request for a hearing with the Commissioner within 10 days after the effective date of his or her removal. The Commissioner shall conduct the hearing after providing at least 5 days' written notice to the private professional guardian company and the officer, director, manager or employee who is appealing his or her removal from office. Within 5 days after the conclusion of the hearing, the Commissioner shall enter an order affirming or disaffirming the removal of the person from office. An order of the Commissioner entered pursuant to this subsection is final for the purposes of judicial review.

Sec. 43. *1. The Commissioner may take administrative action against a licensee or initiate proceedings as provided in section 46 of this act to take possession of the business and property of any private professional guardian company if the company:*

(a) Has violated this chapter or any other state or federal laws applicable to the business of a private professional guardian.

(b) Is conducting the business in an unauthorized or unsafe manner.

(c) Is in an unsafe or unsound condition to transact business.

(d) Has an impairment of the surety bonds held by the company.

(e) Has an impairment of the fidelity bonds held by the company.

(f) Has become insolvent.

(g) Has neglected or refused to comply with the terms of a lawful order of the Commissioner.

(h) Has refused, upon proper demand, to submit its records, affairs and concerns for inspection and examination of an appointed or authorized examiner of the Commissioner.

(i) Has refused to provide copies to the Division upon request, and in cooperation with any investigation, inspection or examination, of any and all documents reviewed by the Division during any such investigation, inspection or examination.

(j) Has failed to pay any state or local taxes as required.

(k) Has materially and willfully breached its fiduciary duties to a ward.

(l) Has failed to properly disclose all fees, interest and other charges to the court and the public.

(m) Has willfully engaged in material conflicts of interest regarding a ward.

(n) Has made intentional material misrepresentations regarding any aspect of the services performed or proposed to be performed by the private professional guardian company.

2. The Commissioner also may initiate such proceedings to take possession of the business and property of any private professional guardian company if an officer, partner, member or sole proprietor of the private

professional guardian company refuses to be examined upon oath regarding its affairs.

Sec. 44. ***1. If the Commissioner has reason to believe that grounds for the revocation or suspension of a license exist, the Commissioner shall give at least 20 days' written notice to the licensee stating the contemplated action and, in general, the grounds therefor and set a date for a hearing.***

2. At the conclusion of a hearing, the Commissioner shall:

(a) Enter a written order dismissing the charges, revoking the license or suspending the license for a period of not more than 60 days, which period must include any prior temporary suspension. The Commissioner shall send a copy of the order to the licensee by registered or certified mail.

(b) Impose upon the licensee an administrative fine of not more than $10,000 for each violation by the licensee of any provision of this chapter or any regulation adopted pursuant thereto.

(c) If a fine is imposed pursuant to this section, enter such order as is necessary to recover the costs of the proceeding, including investigative costs and attorney's fees.

3. The grounds for revocation or suspension of a license are that:

(a) The licensee has failed to pay the annual license fee;

(b) The licensee has violated any provision of this chapter or any regulation adopted pursuant thereto or any lawful order of the Commissioner;

(c) The licensee has failed to pay any applicable state or local tax as required;

(d) Any fact or condition exists which would have justified the Commissioner in denying the original application for a license pursuant to the provisions of this chapter; or

(e) The licensee:

(1) Failed to open an office for the conduct of the business authorized by his or her license within 180 days after the date the license was issued; or

(2) Has failed to remain open for the conduct of the business for a period of 30 consecutive days without good cause therefor.

4. An order suspending or revoking a license becomes effective 5 days after being entered unless the order specifies otherwise or a stay is granted.

Sec. 45. ***If the Commissioner finds that probable cause for the revocation of any license exists and that the public interest requires the immediate suspension of the license pending an investigation, the Commissioner may, upon 5 days' written notice offering the opportunity for a hearing, enter an order suspending the license for a period of not more than 20 days, pending a hearing upon the revocation of the license unless the opportunity for a hearing is waived by the licensee.***

Sec. 46. ***1. If the Commissioner has reasonable cause to believe that any person is violating or is threatening to or intends to violate any provision of this chapter, the Commissioner may, in addition to any action provided for in this chapter and chapter 233B of NRS and without prejudice thereto,***

enter an order requiring the person to cease and desist or to refrain from such violation.

2. The Commissioner may bring an action to enjoin a person from engaging in or continuing a violation or from doing any act or acts in furtherance thereof. In any such action, irreparable harm and lack of an adequate remedy at law will be presumed and an order or judgment may be entered awarding a preliminary or final injunction as may be deemed proper. The findings of the Commissioner shall be deemed to be prima facie evidence and sufficient grounds, in the discretion of the court, for the issuance ex parte of a temporary restraining order.

3. In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which an action is brought may impound, and appoint a receiver for, the property and business of the person, including books, papers, documents and records pertaining thereto, or so much thereof as a court may deem reasonably necessary to prevent violations of this chapter through or by means of the use of property and business, whether such books, papers, documents and records are in the possession of the person, a registered agent acting on behalf of the person or any other person. If a receiver is appointed and qualified, the receiver has such powers and duties relating to the custody, collection, administration, winding up and liquidation of such property and business as may be conferred upon the receiver by the court.

4. If a receiver is appointed pursuant to subsection 3, the receiver shall remit to the owners, members or shareholders of the private professional guardian company any amount of equity of the private professional guardian company remaining after the discharge of the liabilities and payment of the normal, prudent and reasonable expenses of the receivership.

Sec. 47. *1. Upon the filing with the Commissioner of a verified complaint against a private professional guardian company, the Commissioner shall investigate the alleged violation of the provisions of this chapter.*

2. If the Commissioner determines that a complaint filed pursuant to subsection 1 warrants further action, the Commissioner shall send a copy of the complaint and notice of the date set for an informal hearing to the subject of the complaint and the Attorney General.

3. The Commissioner may require the private professional guardian company that is the subject of a complaint to file a verified answer to the complaint within 10 days after receipt of the complaint unless, for good cause shown, the Commissioner extends the time required for filing an answer for a period not to exceed 60 days.

4. If at the hearing the complaint is not explained to the satisfaction of the Commissioner, the Commissioner may take such action against the private professional guardian company as authorized by the provisions of this chapter.

Sec. 48. ***1. Except as otherwise provided in this section and NRS 239.0115, a complaint filed with the Commissioner, all documents and other information filed with the complaint and all documents and other information compiled as a result of an investigation conducted to determine whether to initiate disciplinary action are confidential.***

2. The complaint or other documents filed by the Commissioner to initiate disciplinary action and all documents and information considered by the Commissioner when determining whether to impose discipline are public records.

Sec. 49. ***1. In addition to any other remedy or penalty, the Commissioner may impose an administrative fine of not more than $10,000 per violation upon a person who violates any provision of this chapter or any regulation adopted pursuant thereto.***

2. The maximum total fine that the Commissioner may impose on any person pursuant to this section with respect to the same or similar actions or series of actions which constitute the violations must not exceed the greater of $250,000 or 125 percent of the monetary value of all losses incurred by the private professional guardian company and its wards as the direct or indirect result of such violations.

Sec. 50. ***1. A licensee who knowingly or willfully neglects to perform any act or duty required by this chapter or other applicable law, or who knowingly or willfully fails to satisfy any material lawful requirement made by the Commissioner is guilty of a category D felony and shall be punished as provided in NRS 193.130.***

2. If no other punishment is otherwise provided by law, a person who violates any provision of this chapter is guilty of a gross misdemeanor.

Sec. 50.5. **NRS 159.059 is hereby amended to read as follows:**

159.059 Except as otherwise provided in NRS 159.0595, any qualified person or entity that the court finds suitable may serve as a guardian. A person is not qualified to serve as a guardian who:

1. Is an incompetent.
2. Is a minor.
3. Has been convicted of a felony, unless the court determines that such conviction should not disqualify the person from serving as the guardian of the ward.

Assemblywoman Seaman moved the adoption of the amendment.

Remarks by Assemblywoman Seaman.

ASSEMBLYWOMAN SEAMAN:

Existing law requires that, subject to certain exceptions, a person must be a resident of this state to be appointed as a guardian. Existing law requires a court to appoint as guardian for an incompetent the qualified person who is most suitable and is willing to serve as guardian. Sections 50.5 and 51.5 of this bill require a court to appoint as guardian for an incompetent a person who, regardless of whether the person is a resident of this state, has been requested to be appointed as guardian in a written instrument executed by the incompetent while he or she was competent if that person is willing to serve and is otherwise determined to be qualified and suitable.

GENERAL FILE AND THIRD READING

Assembly Bill No. 172.

Bill read third time.

Remarks by Assemblymen O'Neill, Carrillo, Shelton, Kirkpatrick, and Ellison.

ASSEMBLYMAN O'NEILL:

Assembly Bill 172 increases the threshold for prevailing wage requirements on the cost of public works projects from $100,000 to $350,000 and requires the Labor Commissioner to adjust the prevailing wage threshold every five years based on inflation, beginning on or before January 1, 2020. The bill also increases from 5 percent to 7.5 percent the bidding preference a contractor, applicant to serve as a construction manager at risk, or design-build team may qualify to receive if certain conditions are met, including the employment of a specified percentage of Nevada employees.

ASSEMBLYMAN CARRILLO:

I rise in opposition to Assembly Bill 172. Even though it has been amended, this bill falls short of ensuring that our middle class is kept at a wage at which they can support their families. I urge the body to vote no to prevent further weakening of the backbone of Nevada, our middle class.

ASSEMBLYWOMAN SHELTON:

I stand in support of Assembly Bill 172. This bill will provide for a substantial savings to our local and state governments by increasing projects that are eligible for prevailing wage to $350,000. These savings will give communities the ability to build more roads, parks, recreation centers, and other public works projects. In addition, A.B. 172 will increase the in-state bidder preference from 5 percent to 7.5 percent. This change gives companies a much stronger incentive to hire Nevadans as workers, which will benefit not just local communities, but the entire state. I will be voting yes on A.B. 172.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in opposition to Assembly Bill 172. I see that my colleagues have tried to amend this bill, but I want to remind the body of a few things. I have been in this building a very long time.

We have had many prevailing wage discussions. I do not know that there was actually as much discussion on this one as there has been in the past. I am very concerned about the 7 percent. We have talked about that before, and here we are bringing it up today. It has been 5 percent since it was instituted, so that we could have something that would stand up in courts. Other states are 5 percent.

I am glad folks recognize that we want to give a bidder's preference to Nevada businesses. There are well over 790 businesses that will be affected by the threshold in this bill. I think there is some room for improvement—there is no question there—but 790 small contractors will be affected by this because it will take them out of the game. It will go across the state. It will encourage others to come to our state.

We had this discussion on other bills the first week of session. I do not remember being invited to any of the discussions to look at this threshold. The 7 percent is a bad move on our part, and I will be voting in opposition. I implore the rest of you to vote in opposition, because you could jeopardize Nevada contractors for a very long time.

ASSEMBLYMAN ELLISON:

I rise in support of Assembly Bill 172, which raises the threshold of prevailing wage projects from $100,000 to $350,000. By increasing the limits, this will contribute to savings in the cost of public works projects, while continuing to provide good paying jobs for Nevada's working families. Furthermore, A.B. 172 provides strong incentives to hire Nevada workers by increasing the in-state bidder preference by 50 percent. This bill will make sure that we can put more families back to work by benefiting Nevada businesses.

For ten years, I have been trying to get that threshold up to a point where we could get some of these small projects done and put the small guys to work in the rural counties. I think this is important. I am sure this bill will get amended on the other side, but this is a start. I encourage everybody to vote yes on this bill.

Assembly Bill No. 224.

Bill read third time.

Remarks by Assemblyman O'Neill.

ASSEMBLYMAN O'NEILL:

Assembly Bill 224 requires that the Central Repository for Nevada Records of Criminal History, depending on the purpose of a particular request for background and personal history of a person, must receive the submission of a complete set of fingerprints, one or more fingerprints, or other biometric identifier in order to request and receive such information from the Federal Bureau of Investigation. "Biometric identifier" is defined in this bill as a fingerprint, palm print, scar, bodily mark, tattoo, voiceprint, facial image, retina image, or iris image of a person. In addition, the Central Repository is required to adopt certain regulations governing biometric identifiers and the information and data derived therefrom. This bill is effective upon passage and approval.

Remarks by Assemblywomen Seaman, Carlton, and Fiore.

ASSEMBLYWOMAN SEAMAN:

Assembly Bill 228 specifies that the "single document rule" does not apply to the sale of a motor vehicle under certain circumstances. The bill also makes the use of electronic tracking or starter interrupt devices a deceptive trade practice unless certain disclosures are provided to a consumer. It prohibits a party financing a motor vehicle from requiring a buyer or lessor to agree to the installation of an electronic tracking device as a condition of the financing contract. The measure prohibits the use of starter interrupt technology if a motor vehicle can be disabled while

the engine is running, the technology causes an audible warning that lasts longer than 20 seconds, and the consumer's payment is unpaid for less than ten days for the first instance of late payment or less than five days for any subsequent payment or default under the contract. The bill is effective upon passage and approval for the purposes of adopting regulations or performing preparatory administrative tasks, and on October 1, 2015, for all other purposes.

ASSEMBLYWOMAN CARLTON:

I rise in opposition to Assembly Bill 228. There are a lot of things wrong with this bill, but the biggest thing that is wrong with it is it takes the 30 days that the person now has and brings it back to 10 days. Let us take a look at people's finances. If you get paid every two weeks, where does that put you in that 10 days? They are going to turn your car off and you are not going to be able to go to work to get your paycheck. It is a very bad deal for the consumer.

ASSEMBLYWOMAN FIORE:

I have looked again at the amendments to Assembly Bill 228, and I have to concur with my colleague from Assembly District 14. I am going to be voting no on this, and I urge my team to vote no as well.

GENERAL FILE AND THIRD READING

Assembly Bill No. 262.

Bill read third time.

Remarks by Assemblyman Ohrenschall.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 262 provides that a motion to withdraw a plea of guilty, guilty but mentally ill, or nolo contendere that is made after sentence is imposed or imposition of sentence is suspended

is a remedy which is incident to the proceedings in the trial court. The bill applies to such pleas pending on or after June 12, 2014.

The motion to withdraw a guilty plea has been in the *Nevada Revised Statutes* since the 1960s. It was affirmed by the Nevada Supreme Court in 2000 in the decision *Hart v. State*. Last year, in the decision *Harris v. State*, the Nevada Supreme Court overruled its earlier decision and said that it was no longer a post-conviction remedy for people who were trying to correct a manifest injustice. This will restore a right that has been on our books for over 30 years. It passed out of your Judiciary Committee unanimously, and I urge your support.

Remarks by Assemblywoman Diaz.

ASSEMBLYWOMAN DIAZ:

Assembly Bill 363 provides an additional benefit option for the surviving spouse or survivor beneficiary of a member of the Public Employees' Retirement System who was killed in the performance of his or her duty. The additional benefit option authorizes the surviving spouse or survivor beneficiary to elect to receive a benefit that is the equivalent to the greater of 50 percent of the salary of the member on the date of the member's death or the retirement allowance that the member was eligible to receive based on the member's years of service obtained before the member's death, without any reduction for age for the deceased member. The benefits provided in the bill must be paid, as applicable, to the spouse until the death or remarriage of the spouse or the survivor beneficiary until the death of the survivor beneficiary. This bill is effective upon passage and approval.

There is another bill in the Senate that seeks to do the same thing. I think we did not have enough time to clarify and rectify some of the language, and we will continue to work out some of the kinks on the other side, but I do urge its passage. We cannot repay our public employees when they lose a loved one while performing the duties of their job. There is no money in the world that will make their loved one come back, and I urge this body to support this measure.

There was testimony in front of your Judiciary Committee that oftentimes small businesses, microbusinesses, are struggling trying to stay afloat, and sometimes there might be a bona fide dispute—maybe a check got lost, maybe it was written on the wrong account—that maybe could be remedied before the locks are changed and before very serious damage is done to the business which might put it under. ASSEMBLYMAN STEWART:

Assembly Bill 460 deals with the size of the Legislature. It directs the Legislative Counsel Bureau to conduct a study of the logistics necessary if the Legislature were to be increased by one Senator and two Assemblymen.

ASSEMBLYWOMAN CARLTON:

I rise in opposition to Assembly Bill 460. I understand the study part of this, but when you read the language of Assembly Bill 460, it says, "the intent of the Legislature to increase its membership." To me, the study would be endorsing the fact that we agree we need to increase the size of the Legislature. When I look at the numbers, I see 22 in the Senate. That is just ripe for havoc with a tie vote. After serving there for 12 years, I cannot imagine the Senate being an 11-11 split and trying to get the business of the state done.

I have real concerns about the tone of this legislation. If we really want to have a study on it, it should be open-ended and take into consideration all factors, not be a study intended to prove the point that we want. I am in opposition to this bill.

ASSEMBLYWOMAN FIORE:

I rise in enthusiastic support of Assembly Bill 460 because it does express the intent of the Legislature to increase its membership. It is the intent, and this is a bill that is needed. I urge all my colleagues to support this.

Assembly Bill No. 462.

Bill read third time.

Remarks by Assemblymen Stewart and Ohrenschall.

ASSEMBLYMAN STEWART:

Assembly Bill 462 is an election law. This was requested by the various election officers throughout the state, and we conferred with them in Clark County and in Washoe County and others. This would make it easier to administer elections by increasing the size of the precincts. In addition, an independent candidate will be listed as "no political party," rather than the current listing of "independent."

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 462. This bill grants entirely too much power to poll workers, who are not trained professional signature analysts, to demand identification from a

Nevada voter if "the signature does not match" in the sole opinion of the poll worker. There are no guiding standards in the bill and no assurances of equal treatment under the law.

Many Nevadans registered to vote decades ago and have undergone, through the passing of years and different illnesses that happen to us all, changes in how they make out their signatures so that they do not match how they filled out their affidavits of registration back in the 1960s, '70s, or '80s. These constituents of ours are not fraudsters or criminals. They are everyday citizens who should not be subject to identification requirements with no methods, standards, or principles.

Assembly Bill 462 offers no way for our constituents to vote provisionally for state races. No voters will leave their houses to go to the polls on election day thinking, The poll worker may not think my signature matches perfectly, and have to go above and beyond what they normally would when voting.

We asked the bill sponsors if they would accept an amendment that treats allegedly mismatched signatures—possibly the result of changes in the person's ability to sign—in the same way we treat a situation where the person cannot physically sign the roll. Those voters are asked questions from their registration information and are made to make an affirmation under penalty of perjury. Unfortunately, we could not work out an agreement. The result of this bill will be to disenfranchise the elderly and the infirm, probably in significant numbers. I urge the body to defeat Assembly Bill 462.

ASSEMBLYWOMAN DOOLING:

Assembly Joint Resolution 10 proposes to amend the *Nevada Constitution* to require the Legislature to provide by law for a Citizens' Commission on Salaries for Certain Elected Officers, which is empowered to set salaries for state legislators, constitutional officers, justices, and judges.

The Commission shall study the duties of elected officials, compare salaries to public and private employees who have similar qualifications, and fix salaries of these elected officers. Provisions limit the increases and decreases of salaries that may be set by the Commission. Members of the Commission are appointed by the Senate Majority Leader, Senate Minority Leader, Speaker of the Assembly, Assembly Minority Floor Leader, the Governor, and the Chief Justice of the Supreme Court. Terms of office are four years, except that certain appointments initially are for two years.

The measure proposes to repeal the provision limiting legislator salaries to the first 60 days of a regular legislative session and the first 20 days of a special legislative session. It also proposes to repeal the provision permitting the Legislature to fix salaries by law for legislators, constitutional officers, justices, and judges.

GENERAL FILE AND THIRD READING

Assembly Bill No. 114.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 70.

AN ACT relating to restitution; providing that a judgment requiring the payment of restitution does not expire until it is satisfied; exempting such a judgment from the time limitation for commencing an action upon or seeking the renewal thereof; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a judgment which, among other things, requires a defendant in a criminal action to pay restitution constitutes a lien which is enforceable as a judgment in a civil action. (NRS 176.275) Existing law also provides that an action upon a judgment or decree or for the renewal of such judgment or decree must be commenced within 6 years. (NRS 11.190) This bill: (1) provides that a judgment requiring a defendant in a criminal action **or a parent or guardian of a child** to pay restitution does not expire until it is satisfied; and (2) exempts such a judgment from the time limitation for commencing an action or seeking the renewal thereof.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.275 is hereby amended to read as follows:

176.275 ***1.*** A judgment which imposes a fine or administrative assessment or requires a defendant to pay restitution or repay the expenses of a defense constitutes a lien in like manner as a judgment for money rendered in a civil action.

2. A judgment which requires a defendant to pay restitution:

(b) Does not expire until the judgment is satisfied.

(c) Has demonstrated fitness for honorable discharge but because of economic hardship, verified by the Division, has been unable to make restitution as ordered by the court,

➥ may be granted an honorable discharge from probation by order of the court.

2. Any amount of restitution remaining unpaid constitutes a civil liability arising upon the date of discharge ~~[.]~~ ***and is enforceable pursuant to NRS 176.275.***

3. Except as otherwise provided in subsection 4, a person who has been honorably discharged from probation:

(a) Is free from the terms and conditions of probation.

(b) Is immediately restored to the following civil rights:

(1) The right to vote; and

(2) The right to serve as a juror in a civil action.

(c) Four years after the date of honorable discharge from probation, is restored to the right to hold office.

(d) Six years after the date of honorable discharge from probation, is restored to the right to serve as a juror in a criminal action.

(e) If the person meets the requirements of NRS 179.245, may apply to the court for the sealing of records relating to the conviction.

(f) Must be informed of the provisions of this section and NRS 179.245 in the person's probation papers.

(g) Is exempt from the requirements of chapter 179C of NRS, but is not exempt from the requirements of chapter 179D of NRS.

(h) Shall disclose the conviction to a gaming establishment and to the State and its agencies, departments, boards, commissions and political subdivisions, if required in an application for employment, license or other permit. As used in this paragraph, "establishment" has the meaning ascribed to it in NRS 463.0148.

(i) Except as otherwise provided in paragraph (h), need not disclose the conviction to an employer or prospective employer.

4. Except as otherwise provided in this subsection, the civil rights set forth in subsection 3 are not restored to a person honorably discharged from probation if the person has previously been convicted in this State:

(a) Of a category A felony.

(b) Of an offense that would constitute a category A felony if committed as of the date of the honorable discharge from probation.

(c) Of a category B felony involving the use of force or violence that resulted in substantial bodily harm to the victim.

(d) Of an offense involving the use of force or violence that resulted in substantial bodily harm to the victim and that would constitute a category B felony if committed as of the date of honorable discharge from probation.

(e) Two or more times of a felony, unless a felony for which the person has been convicted arose out of the same act, transaction or occurrence as another felony, in which case the convictions for those felonies shall be deemed to constitute a single conviction for the purposes of this paragraph.

➥ A person described in this subsection may petition a court of competent jurisdiction for an order granting the restoration of civil rights as set forth in subsection 3.

5. The prior conviction of a person who has been honorably discharged from probation may be used for purposes of impeachment. In any subsequent prosecution of the person, the prior conviction may be pleaded and proved if otherwise admissible.

7. Subject to the limitations set forth in subsection 4, a person who has been honorably discharged from probation in this State or elsewhere and whose official documentation of honorable discharge from probation is lost, damaged or destroyed may file a written request with a court of competent jurisdiction to restore the person's civil rights pursuant to this section. Upon verification that the person has been honorably discharged from probation and is eligible to be restored to the civil rights set forth in subsection 3, the court shall issue an order restoring the person to the civil rights set forth in subsection 3. A person must not be required to pay a fee to receive such an order.

8. A person who has been honorably discharged from probation in this State or elsewhere may present:

(a) Official documentation of honorable discharge from probation, if it contains the provisions set forth in subsection 6; or

(b) A court order restoring the person's civil rights,

➥ as proof that the person has been restored to the civil rights set forth in subsection 3.

Sec. 3. NRS 176A.870 is hereby amended to read as follows:

176A.870 A defendant whose term of probation has expired and:

1. Whose whereabouts are unknown;

2. Who has failed to make restitution in full as ordered by the court, without a verified showing of economic hardship; or

3. Who has otherwise failed to qualify for an honorable discharge as provided in NRS 176A.850,

➥ is not eligible for an honorable discharge and must be given a dishonorable discharge. A dishonorable discharge releases the probationer from any further obligation, except a civil liability arising on the date of discharge for any unpaid restitution ~~[.]~~ ***which is enforceable pursuant to NRS 176.275,*** but does not entitle the probationer to any privilege conferred by NRS 176A.850.

Sec. 4. NRS 11.190 is hereby amended to read as follows:

11.190 Except as otherwise provided in NRS 40.4639, 125B.050 and 217.007, actions other than those for the recovery of real property, unless further limited by specific statute, may only be commenced as follows:

1. Within 6 years:

(a) ~~[An]~~ ***Except as otherwise provided in NRS 62B.420 and 176.275, an*** action upon a judgment or decree of any court of the United States, or of any state or territory within the United States, or the renewal thereof.

(d) An action against a person alleged to have committed a deceptive trade practice in violation of NRS 598.0903 to 598.0999, inclusive, but the cause of action shall be deemed to accrue when the aggrieved party discovers, or by the exercise of due diligence should have discovered, the facts constituting the deceptive trade practice.

3. Within 3 years:

(a) An action upon a liability created by statute, other than a penalty or forfeiture.

(b) An action for waste or trespass of real property, but when the waste or trespass is committed by means of underground works upon any mining claim, the cause of action shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the waste or trespass.

(c) An action for taking, detaining or injuring personal property, including actions for specific recovery thereof, but in all cases where the subject of the action is a domestic animal usually included in the term "livestock," which has a recorded mark or brand upon it at the time of its loss, and which strays or is stolen from the true owner without the owner's fault, the statute does not begin to run against an action for the recovery of the animal until the owner has actual knowledge of such facts as would put a reasonable person upon inquiry as to the possession thereof by the defendant.

(d) Except as otherwise provided in NRS 112.230 and 166.170, an action for relief on the ground of fraud or mistake, but the cause of action in such a case shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the fraud or mistake.

Sec. 4.5. **NRS 62B.420 is hereby amended to read as follows:**

62B.420 1. Except as otherwise provided in this subsection, if, pursuant to this title, a child or a parent or guardian of a child is ordered by the juvenile court to pay a fine, administrative assessment, fee or restitution or to make any other payment and the fine, administrative assessment, fee, restitution or other payment or any part of it remains unpaid after the time established by the juvenile court for its payment, the juvenile court may enter a civil judgment

against the child or the parent or guardian of the child for the amount due in favor of the victim, the state or local entity to whom the amount is owed or both. The juvenile court may not enter a civil judgment against a person who is a child unless the person has attained the age of 18 years, the person is a child who is determined to be outside the jurisdiction of the juvenile court pursuant to NRS 62B.330 or 62B.335 or the person is a child who is certified for proper criminal proceedings as an adult pursuant to NRS 62B.390.

2. Notwithstanding the termination of the jurisdiction of the juvenile court pursuant to NRS 62B.410 or the termination of any period of supervision or probation ordered by the juvenile court, the juvenile court retains jurisdiction over any civil judgment entered pursuant to subsection 1 and retains jurisdiction over the person against whom a civil judgment is entered pursuant to subsection 1. The juvenile court may supervise the civil judgment and take any of the actions authorized by the laws of this State.

3. A civil judgment entered pursuant to subsection 1 may be enforced and renewed in the manner provided by law for the enforcement and renewal of a judgment for money rendered in a civil action. ***A judgment which requires a parent or guardian of a child to pay restitution does not expire until the judgment is satisfied. An independent action to enforce a judgment that requires a parent or guardian of a child to pay restitution may be commenced at any time.***

4. If the juvenile court enters a civil judgment pursuant to subsection 1, the person or persons against whom the judgment is issued is liable for a collection fee, to be imposed by the juvenile court at the time the civil judgment is issued, of:

(a) Not more than $100, if the amount of the judgment is less than $2,000.

(b) Not more than $500, if the amount of the judgment is $2,000 or greater, but is less than $5,000.

(c) Ten percent of the amount of the judgment, if the amount of the judgment is $5,000 or greater.

5. In addition to attempting to collect the judgment through any other lawful means, a victim, a representative of the victim or a state or local entity that is responsible for collecting a civil judgment entered pursuant to subsection 1 may take any or all of the following actions:

(a) Except as otherwise provided in this paragraph, report the judgment to reporting agencies that assemble or evaluate information concerning credit. If the judgment was entered against a person who was less than 21 years of age at the time the judgment was entered, the judgment cannot be reported pursuant to this paragraph until the person reaches 21 years of age.

(b) Request that the juvenile court take appropriate action pursuant to subsection 6.

(c) Contract with a collection agency licensed pursuant to NRS 649.075 to collect the judgment and the collection fee. The collection agency must be paid as compensation for its services an amount not greater than the amount of the

collection fee imposed pursuant to subsection 4, in accordance with the provisions of the contract.

6. If the juvenile court determines that a child or the parent or guardian of a child against whom a civil judgment has been entered pursuant to subsection 1 has failed to make reasonable efforts to satisfy the civil judgment, the juvenile court may take any of the following actions:

(a) Order the suspension of the driver's license of a child for a period not to exceed 1 year. If the child is already the subject of a court order suspending the driver's license of the child, the juvenile court may order the additional suspension to apply consecutively with the previous order. At the time the juvenile court issues an order suspending the driver's license of a child pursuant to this paragraph, the juvenile court shall require the child to surrender to the juvenile court all driver's licenses then held by the child. The juvenile court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles the licenses, together with a copy of the order. The Department of Motor Vehicles shall report a suspension pursuant to this paragraph to an insurance company or its agent inquiring about the driving record of a child, but such a suspension must not be considered for the purpose of rating or underwriting.

(b) If a child does not possess a driver's license, prohibit the child from applying for a driver's license for a period not to exceed 1 year. If the child is already the subject of a court order delaying the issuance of a license to drive, the juvenile court may order any additional delay in the ability of the child to apply for a driver's license to apply consecutively with the previous order. At the time the juvenile court issues an order pursuant to this paragraph delaying the ability of a child to apply for a driver's license, the juvenile court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles a copy of the order.

(c) If the civil judgment was issued for a delinquent fine or administrative assessment, order the confinement of the person in the appropriate prison, jail or detention facility, as provided in NRS 176.065 and 176.075.

(d) Enter a finding of contempt against a child or the parent or guardian of a child and punish the child or the parent or guardian for contempt in the manner provided in NRS 62E.040. A person who is indigent may not be punished for contempt pursuant to this subsection.

7. Money collected from a collection fee imposed pursuant to subsection 4 must be deposited and used in the manner set forth in subsection 4 of NRS 176.064.

8. If the juvenile court enters a civil judgment pursuant to subsection 1 and the person against whom the judgment is entered is convicted of a crime before he or she satisfies the civil judgment, the court sentencing the person for that crime shall include in the sentence the civil judgment or such portion of the civil judgment that remains unpaid.

Sec. 5. NRS 213.154 is hereby amended to read as follows:

213.154 1. The Division shall issue an honorable discharge to a parolee whose term of sentence has expired if the parolee has:

(a) Fulfilled the conditions of his or her parole for the entire period of his or her parole; or

(b) Demonstrated his or her fitness for honorable discharge but because of economic hardship, verified by a parole and probation officer, has been unable to make restitution as ordered by the court.

2. The Division shall issue a dishonorable discharge to a parolee whose term of sentence has expired if:

(a) The whereabouts of the parolee are unknown;

(b) The parolee has failed to make full restitution as ordered by the court, without a verified showing of economic hardship; or

(c) The parolee has otherwise failed to qualify for an honorable discharge pursuant to subsection 1.

3. Any amount of restitution that remains unpaid by a person after the person has been discharged from parole constitutes a civil liability as of the date of discharge ~~[.]~~ ***and is enforceable pursuant to NRS 176.275.***

Sec. 6. The amendatory provisions of this act apply to any judgment which requires a defendant to pay restitution which is rendered before, on or after October 1, 2015.

Assemblyman Hansen moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

REMARKS FROM THE FLOOR

Assemblywoman Kirkpatrick requested that the following remarks be entered in the journal.

ASSEMBLYWOMAN KIRKPATRICK:

I would like to take just a moment. I know that many of you have been getting emails saying that we took away the Public Employees' Benefits Program's [PEBP's] $50 incentive. The Vice Chair of the PEBP Board sent out an email telling everyone to contact me. I own anything I say in this building because it is my job to represent constituents. It is my job to come here and ask the hard questions, but what I take issue with is when people do not print the whole message. I want to clarify the record because there was a lot of information left out of the newspaper article that came out last week and even in the emails folks got. It was very unclear what happened.

At the Interim Finance Committee meeting conducted on April 9, 2015, the Public Employees' Benefits Program asked the Committee to approve a work program to transfer slightly less than $1 million from reserve funds for increased costs of contract services, primarily resulting from the continuation of the NVision Health and Wellness Program during Fiscal Year [FY] 2015. Due to concerns about the work program expressed by various members of the Committee, the Committee did not take action on the work program at the April 9, 2015, meeting.

It is important to note that the 2013 Legislature did not approve expenditure authority for the wellness program in FY 2015 and directed PEBP to wrap up the program in FY 2014. Notwithstanding the direction from the 2013 Legislature, the PEBP Board elected to continue the program in FY 2015 and did not request the expenditure authority for the administrative costs of the program until this April—more than nine months into the fiscal year. The Interim Finance Committee [IFC] expressed concern with the PEBP Board's decision to continue a program that

the Legislature had not funded and had directed to be discontinued. Members of the IFC also expressed frustration that they were being asked to approve funding for a program without being provided any data to indicate that it was reducing claims costs for program participants and indicated that the money may be better spent reducing program costs or enhancing benefits for all program participants rather than only participants in the wellness program. The IFC elected not to take action on the work program but expressed a willingness to address the future of the wellness program during the 2015 Session budget process. The IFC did not direct the PEBP Board to take any specific action as a result of the Committee's decision to take no action on the work program.

On April 16, 2015, the PEBP Board, on its own initiative, held an emergency meeting and terminated its contract with the wellness program vendor effective June 13, 2015, and cancelled its request for proposals for a new wellness program vendor that would have started on October 1, 2015. The Board also elected to eliminate incentives for wellness program participants effective July 1, 2015. The incentives included the $50 monthly deduction in premiums for HMO [health maintenance organization] participants and the $50 per month increased Health Savings Account contributions for high-deductible health plan participants. No other wellness benefits were impacted by the Board's decision.

As members of the Legislature, we are committed to ensuring that the PEBP program is run effectively and efficiently for plan participants. Although the IFC did not approve of the Board's action in deciding to continue a program for which funding had been eliminated, the Committee did not direct the PEBP Board to terminate the contract or cancel the wellness program. It was possible, and still is possible, that the money committees may decide to fund the wellness program in some form during the 2015-2017 biennium. If not, we hope that the Board's decision to terminate the wellness program will result in a benefit to all primary plan participants in the form of decreased costs or increased benefits for the 2016 and 2017 plan years. As members of IFC expressed during the April 9 meeting, it is my hope to address the issue with PEBP officials during the budget process later this session.

THE SEVENTY-NINTH DAY

CARSON CITY (Tuesday), April 21, 2015

Assembly called to order at 11:33 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Norm Milz.

Almighty God, we are here on this important day in the Legislature. After much soul-searching and much discussion, we are at the deadline point of bills and action. Thank You for Your guidance and leadership throughout this process.

With funding and budget concerns before us, give us a spirit of compromise, listening ears, and open minds as we as a Chamber discuss and vote. May we always look for decisions that will be best for the citizens of this great state. Many times, some of these decisions will not match what we individually would want, but help us put those we represent ahead of ourselves or our political position.

Thank You for placing Your presence here and guide us today in everything we do. All these things we bring to You, in the glorious name of Your Son, Jesus.

AMEN.

Pledge of allegiance to the Flag.

GENERAL FILE AND THIRD READING

Assembly Bill No. 114.

Bill read third time.

The following amendment was proposed by Assemblywomen Shelton and Diaz:

Amendment No. 623.

AN ACT relating to restitution; providing that a judgment requiring the payment of restitution ~~[does not expire until it is satisfied;]~~ **expires 10 years after the date on which the judgment is rendered;** exempting such a judgment from the time limitation for commencing an action upon or seeking the renewal thereof ~~[;]~~ **until the judgment expires;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a judgment which, among other things, requires a defendant in a criminal action to pay restitution constitutes a lien which is enforceable as a judgment in a civil action. (NRS 176.275) Existing law also provides that an action upon a judgment or decree or for the renewal of such judgment or decree must be commenced within 6 years. (NRS 11.190) This bill: (1) provides that a judgment requiring a defendant in a criminal action or a parent or guardian of a child to pay restitution ~~[does not expire until it is satisfied;]~~ **expires 10 years after the date on which the judgment is rendered;** and (2) exempts such a judgment from the time limitation for commencing an action or seeking the renewal thereof ~~[.]~~ **until the judgment expires.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.275 is hereby amended to read as follows:

176.275 ***1.*** A judgment which imposes a fine or administrative assessment or requires a defendant to pay restitution or repay the expenses of a defense constitutes a lien in like manner as a judgment for money rendered in a civil action.

2. A judgment which requires a defendant to pay restitution:

(a) May be recorded, docketed and enforced as any other judgment for money rendered in a civil action.

(b) ~~***[Does not expire until the judgment is satisfied.]***~~ ***Expires 10 years after the date on which the judgment is rendered.***

3. An independent action to enforce a judgment which requires a defendant to pay restitution may be commenced at any time ~~***[.]***~~ ***before the judgment expires.***

Sec. 2. NRS 176A.850 is hereby amended to read as follows:

(c) Has demonstrated fitness for honorable discharge but because of economic hardship, verified by the Division, has been unable to make restitution as ordered by the court,

➥ may be granted an honorable discharge from probation by order of the court.

2. Any amount of restitution remaining unpaid constitutes a civil liability arising upon the date of discharge ~~[.]~~ ***and is enforceable pursuant to NRS 176.275.***

3. Except as otherwise provided in subsection 4, a person who has been honorably discharged from probation:

(a) Is free from the terms and conditions of probation.

(b) Is immediately restored to the following civil rights:

(1) The right to vote; and

(2) The right to serve as a juror in a civil action.

(c) Four years after the date of honorable discharge from probation, is restored to the right to hold office.

(d) Six years after the date of honorable discharge from probation, is restored to the right to serve as a juror in a criminal action.

(e) If the person meets the requirements of NRS 179.245, may apply to the court for the sealing of records relating to the conviction.

(f) Must be informed of the provisions of this section and NRS 179.245 in the person's probation papers.

(h) Shall disclose the conviction to a gaming establishment and to the State and its agencies, departments, boards, commissions and political subdivisions, if required in an application for employment, license or other permit. As used in this paragraph, "establishment" has the meaning ascribed to it in NRS 463.0148.

(i) Except as otherwise provided in paragraph (h), need not disclose the conviction to an employer or prospective employer.

4. Except as otherwise provided in this subsection, the civil rights set forth in subsection 3 are not restored to a person honorably discharged from probation if the person has previously been convicted in this State:

(a) Of a category A felony.

(b) Of an offense that would constitute a category A felony if committed as of the date of the honorable discharge from probation.

(c) Of a category B felony involving the use of force or violence that resulted in substantial bodily harm to the victim.

(d) Of an offense involving the use of force or violence that resulted in substantial bodily harm to the victim and that would constitute a category B felony if committed as of the date of honorable discharge from probation.

(e) Two or more times of a felony, unless a felony for which the person has been convicted arose out of the same act, transaction or occurrence as another felony, in which case the convictions for those felonies shall be deemed to constitute a single conviction for the purposes of this paragraph.

➥ A person described in this subsection may petition a court of competent jurisdiction for an order granting the restoration of civil rights as set forth in subsection 3.

5. The prior conviction of a person who has been honorably discharged from probation may be used for purposes of impeachment. In any subsequent prosecution of the person, the prior conviction may be pleaded and proved if otherwise admissible.

7. Subject to the limitations set forth in subsection 4, a person who has been honorably discharged from probation in this State or elsewhere and whose official documentation of honorable discharge from probation is lost, damaged or destroyed may file a written request with a court of competent jurisdiction to restore the person's civil rights pursuant to this section. Upon verification that the person has been honorably discharged from probation and is eligible to be restored to the civil rights set forth in subsection 3, the court shall issue an order restoring the person to the civil rights set forth in subsection 3. A person must not be required to pay a fee to receive such an order.

8. A person who has been honorably discharged from probation in this State or elsewhere may present:

(a) Official documentation of honorable discharge from probation, if it contains the provisions set forth in subsection 6; or

(b) A court order restoring the person's civil rights,

➥ as proof that the person has been restored to the civil rights set forth in subsection 3.

Sec. 3. NRS 176A.870 is hereby amended to read as follows:

176A.870 A defendant whose term of probation has expired and:

1. Whose whereabouts are unknown;

2. Who has failed to make restitution in full as ordered by the court, without a verified showing of economic hardship; or

3. Who has otherwise failed to qualify for an honorable discharge as provided in NRS 176A.850,

➥ is not eligible for an honorable discharge and must be given a dishonorable discharge. A dishonorable discharge releases the probationer from any further obligation, except a civil liability arising on the date of discharge for any unpaid restitution ~~[,]~~ ***which is enforceable pursuant to NRS 176.275,*** but does not entitle the probationer to any privilege conferred by NRS 176A.850.

Sec. 4. NRS 11.190 is hereby amended to read as follows:

Existing law provides for the regulation of aeronautics, including the operation of aircraft, in this State. (Title 44 of NRS) This bill revises the definition of "aircraft" to include unmanned aerial vehicles for the purpose of regulating unmanned aerial vehicles. This bill generally regulates the operators of unmanned aerial vehicles in this State in a manner similar to that of traditional aircraft by: (1) establishing the right to operate an unmanned aerial

vehicle in this State, with certain exceptions; (2) clarifying that the provisions of this bill are not to be interpreted in a manner inconsistent with federal law or apply to unmanned aerial vehicles owned or operated by the Federal Government; (3) clarifying the applicability of state law to torts and crimes resulting from the operation of unmanned aerial vehicles; and (4) prohibiting a person from operating or using an unmanned aerial vehicle under certain circumstances or for certain purposes.

Section 18 of this bill prohibits a person from weaponizing an unmanned aerial vehicle. **Section 18.5** of this bill prohibits a person from operating an unmanned aerial vehicle within a certain distance from critical facilities or ~~[a public]~~ **an** airport except under certain circumstances in which the person obtains the consent of the owner of a critical facility or the airport authority of ~~[a public]~~ **an** airport or authorization from the Federal Aviation Administration. **Section 19** of this bill authorizes a person who owns or lawfully occupies real property to bring an action for trespass against the owner or operator of an unmanned aerial vehicle under certain circumstances and provides an exception to bringing such an action against an operator lawfully operating an unmanned aerial vehicle within the scope of a business or for the purposes of surveying land. **Sections 20-22** of this bill prescribe certain restrictions on the operation and use of unmanned aerial vehicles by law enforcement agencies and public agencies. **Section 20** specifically prohibits, with limited exceptions, a law enforcement agency from operating an unmanned aerial vehicle for the purpose of gathering evidence or other information at any location or upon any property in this State at which a person has a reasonable expectation of privacy without first obtaining a warrant. **Section 20** authorizes a law enforcement agency to operate an unmanned aerial vehicle without a warrant: (1) if exigent circumstances exist and there is probable cause to believe that a person has committed, is committing or is about to commit a crime; (2) if a person consents in writing to the activity; (3) for the purpose of conducting search and rescue operations; (4) if the law enforcement agency believes that an imminent threat exists to the life and safety of an individual person or to the public at large, including the threat of an act of terrorism; and (5) upon the declaration of a state of emergency or disaster by the Governor. **Section 21** authorizes a public agency, other than a law enforcement agency, to operate an unmanned aerial vehicle for certain public purposes as prescribed by regulations adopted by the Department of Public Safety if the public agency registers the unmanned aerial vehicle with the Department. **Sections 20 and 21** provide that any photograph, image, recording or other information acquired unlawfully by a law enforcement agency or public agency, or otherwise acquired in a manner inconsistent with **section 20**, and any evidence that is derived therefrom, is inadmissible in any judicial, administrative or other adjudicatory proceeding and may not be used to establish reasonable suspicion or probable cause as the basis for investigating or prosecuting a crime or offense. **Section 22** requires the Department, to the extent that money is available for this purpose, to establish

and maintain a registry of unmanned aerial vehicles that are operated by public agencies in this State and requires the Department to adopt regulations prescribing the public purposes for which an agency may operate an unmanned aerial vehicle. **Section 22** further requires the Department to prepare and submit an annual report to the Legislature outlining the activities of public agencies with respect to the operation of unmanned aerial vehicles in this State. **Section 24.4** of this bill revises provisions relating to the liability of the operator of an aircraft, including an unmanned aerial vehicle, with respect to the operation of the aircraft over heavily populated areas or public gatherings. **Section 24.8** of this bill prohibits a person from operating an unmanned aerial vehicle while intoxicated or in a careless or reckless manner so as to endanger the life or property of another person.

Bill read third time.

The following amendment was proposed by Assemblyman Flores:

Amendment No. 641.

AN ACT relating to real property; establishing supplemental procedures for the retaking of a dwelling subject to housebreaking or unlawful entry; establishing procedures for the retaking of a dwelling subject to forcible entry or forcible detainer; revising provisions relating to unlawful detainer; revising the procedures for removing a tenant who is guilty of an unlawful detainer; establishing the criminal offenses of housebreaking, unlawful entry and unlawful reentry; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth procedures for the removal of a person who is guilty of forcible entry, forcible detainer or unlawful detainer. (NRS 40.230, 40.240, 40.280-40.420) **Section 23** of this bill revises provisions governing the service of a notice to surrender by: (1) providing for different posting and mailing requirements; (2) eliminating the requirement that a witness be present for service if notice is served by a sheriff, constable or licensed process server; and (3) revising the contents of proof of service that must be filed with a court.

Existing law authorizes and sets forth a summary procedure for eviction of a tenant of certain types of properties who is guilty of unlawful detainer for: (1) continuing in possession of real property after the expiration of a specific term; (2) continuing in possession after expiration of a notice to surrender; (3) waste, nuisance, violation of certain lease terms and committing certain unlawful activities; and (4) failure to perform lease or agreement conditions or covenants. (NRS 40.254) **Section 20** of this bill revises this summary procedure as it relates to the contents of certain notices served upon a tenant and the commencement and conduct of court proceedings in contested cases.

Existing law provides that a tenant's neglect or failure to perform any condition or covenant of the lease or agreement under which property is held constitutes unlawful detainer and warrants the commencement of proceedings to remove the tenant. (NRS 40.2516) **Section 17** of this bill revises the types of property to which these provisions apply and specifies the regular and summary procedures, if applicable, by which a landlord may remove a tenant from the property.

Existing law describes conduct which constitutes forcible entry and forcible detainer. (NRS 40.230, 40.240) **Sections 11 and 12** of this bill revise the definitions of "forcible entry" and "forcible detainer," establish requirements relating to a notice to surrender that must be served upon a person who commits forcible entry or forcible detainer and authorize the entry of judgment for three times the amount of actual damages for such offenses under certain circumstances. **Section 2** of this bill establishes a procedure by which an owner of a dwelling that is the object of a housebreaking or unlawful occupancy may retake possession of and change the locks on the dwelling. **Section 4** of this bill establishes a procedure by which an occupant who has been locked out of a dwelling may seek to recover possession of the dwelling.

Sections 45-48 of this bill set forth the acts which constitute the criminal offenses of housebreaking, unlawful occupancy and unlawful reentry and the

penalties that attach upon conviction. **Section 3** of this bill establishes a procedure by which the owner of a dwelling that was subject to forcible entry or forcible detainer may seek to recover possession of the dwelling.

Section 56 of this bill repeals a provision that authorizes treble damages in a recovery for a forcible or unlawful entry to certain types of real property.

(2) That if the court determines that the unlawful or unauthorized occupant is guilty of a forcible entry or forcible detainer, the court may issue a summary order for removal of the unlawful or unauthorized occupant or an order providing for the nonadmittance of the unlawful or unauthorized occupant, directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff's or constable's receipt of the order from the court.

(3) That, except as otherwise provided in this subparagraph, the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner of the real property to be in possession of the real property shall provide safe storage of any personal property of the unlawful or unauthorized occupant which remains on the property. The owner, an authorized representative of the owner or occupant may dispose of any personal property of the unlawful or unauthorized occupant remaining on the real property after 14 calendar days from the execution of an order for removal of the unlawful or unauthorized occupant or the compliance of the unlawful or unauthorized occupant with the notice to surrender, whichever comes first. The unlawful or unauthorized occupant must pay the owner, authorized representative of the owner or occupant for the reasonable and actual costs of inventory, moving and storage of the personal property before the personal property will be released to the unlawful or unauthorized occupant.

4. Upon service of the written notice to surrender pursuant to subsection 3, the unlawful or unauthorized occupant shall:

(c) A copy of the written notice to surrender that was served on the unlawful or unauthorized occupant.

(d) Proof of service of the written notice to surrender in compliance with NRS 40.280.

6. Upon the filing of the affidavit of complaint by the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property pursuant to subsection 5, the justice court or the district court, as applicable, shall determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If:

(a) The unlawful or unauthorized occupant has failed to timely file an affidavit contesting the matter pursuant to paragraph (c) of subsection 4 and the court determines that sufficient evidence has been set forth in the affidavit of complaint to demonstrate that a forcible entry or forcible detainer has been committed by the unlawful or unauthorized occupant, the court must issue an order directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff's or constable's receipt of the order from the court.

(b) The unlawful or unauthorized occupant has timely filed an affidavit contesting the matter pursuant to paragraph (c) of subsection 4 and the court determines that the affidavit fails to raise an element of a legal defense regarding the alleged forcible entry or forcible detainer, the court may rule on the matter without a hearing. If the court determines that sufficient evidence has been set forth in the affidavit of complaint to demonstrate that a forcible entry or forcible detainer has been committed by the unlawful or unauthorized occupant, the court must issue an order directing the sheriff or constable of the county to remove the unlawful or unauthorized occupant within 24 hours after the sheriff's or constable's receipt of the order from the court, unless the court has stayed the execution of the order pursuant to a request pursuant to paragraph (b) of subsection 4.

(c) The unlawful or unauthorized occupant has timely filed an affidavit contesting the matter pursuant to paragraph (c) of subsection 4 and the court determines that the affidavit raises an element of a legal defense regarding the alleged forcible entry or forcible detainer, the court must require the parties to appear at a hearing to determine the truthfulness and sufficiency of the evidence set forth in any affidavit. Such a hearing must be held within 7 judicial days after the filing of the affidavit of complaint.

(d) Upon review of the affidavits of any party or upon hearing, the court determines that:

(1) There is a legal defense as to the alleged forcible entry or forcible detainer, the court must refuse to grant either party any relief and, except as otherwise provided in this subsection, must require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive, and sections 2, 3 and 4 of this act.

(2) The unlawful or unauthorized occupant gained entry or possession of the real property peaceably and as a result of an invalid lease, fraudulent act or misrepresentation by a person without the authority of the owner of

the real property, the court may issue a summary order for the removal of the unlawful or unauthorized occupant but also may, within the discretion of the court, stay such order for a period sufficient to allow the unlawful or unauthorized occupant to vacate and remove his or her personal property. This period may not exceed 20 days.

7. The owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property may, without incurring any civil or criminal liability, dispose of personal property abandoned on the real property by an unlawful or unauthorized occupant who is ordered removed by this section in the following manner:

(a) The owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property shall reasonably provide for the safe storage of the abandoned personal property for 21 calendar days after the removal of the unlawful or unauthorized occupant or the surrender of the real property in compliance with a written notice to surrender, whichever comes first, and may charge and collect the reasonable and actual costs of inventory, moving and storage before releasing the abandoned personal property to the unlawful or unauthorized occupant or his or her authorized representative rightfully claiming the property within that period. The owner or the occupant is liable to the unlawful or unauthorized occupant only for negligent or wrongful acts in storing the abandoned personal property.

(b) After the expiration of the 21-day period, the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property may dispose of the abandoned personal property and recover his or her reasonable costs out of the personal property or the value thereof.

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

(d) Any dispute relating to the amount of the costs claimed by the owner of the real property, an authorized representative of the owner or the occupant who is authorized by the owner to be in possession of the real property pursuant to paragraph (a) may be resolved by the court pursuant to a motion filed by the unlawful or unauthorized occupant and the payment of the appropriate fees relating to the filing and service of the motion. The motion must be filed within 14 calendar days after the removal of the unlawful or unauthorized occupant or the surrender of the real property in compliance with a written notice to surrender, whichever comes first. Upon the filing of a motion by the unlawful or unauthorized occupant pursuant to this paragraph, the court shall schedule a hearing on the motion. The hearing must be held within 10 judicial days after the filing of the motion. The court shall affix the date of the hearing to the motion and mail a copy to the owner, an authorized representative of the owner or the occupant at the address on file with the court.

Sec. 4. ***1. If the owner of a dwelling or an authorized representative of the owner locks an occupant out of the dwelling pursuant to section 2 of this act, the occupant may recover possession of the dwelling as provided in this section.***

2. The occupant must file with the justice court of the township in which the dwelling is located a verified complaint for reentry, specifying:

(a) The facts of the lockout by the owner of the dwelling or the authorized representative of the owner; and

(b) The legal basis upon which reentry into the dwelling is warranted.

3. The court shall, after notice to both parties, hold a trial on the occupant's verified complaint for reentry not later than 10 judicial days after the date on which the occupant files the verified complaint for reentry.

4. If the court finds that an unjustified lockout has occurred, the court must issue a writ of restitution, restoring possession of the dwelling to the occupant.

5. A party may appeal from the court's judgment at the trial on the verified complaint for reentry in the same manner as a party may appeal a judgment in an action for forcible detainer.

6. If the owner of the dwelling or the person on whom a writ of restitution is served fails to immediately comply with the writ or later disobeys the writ, the failure is grounds for contempt of court against the owner or the person on whom the writ was served, under chapter 22 of NRS.

7. This section does not affect:

(a) The right of any party to pursue a separate cause of action under this chapter or chapter 118A of NRS if the court finds that a landlord and tenant relationship exists between the parties; or

(b) The rights of an owner or occupant in a forcible detainer, unlawful detainer or forcible entry and detainer action.

Sec. 33. NRS 116.4112 is hereby amended to read as follows:

116.4112 1. A declarant of a common-interest community containing converted buildings, and any dealer who intends to offer units in such a common-interest community, shall give each of the residential tenants and any residential subtenant in possession of a portion of a converted building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must set forth generally the rights of tenants and subtenants under this section and must be hand-delivered to the unit or mailed by prepaid United States mail to the tenant and subtenant at the address of the unit or any other mailing address provided by a tenant. No tenant or subtenant may be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste or conduct that disturbs other tenants' peaceful enjoyment of the premises, and the terms of the tenancy may not be altered during that period. Failure to give notice as required by this section is a defense to an action for possession. If, during the 6-month period before the recording of a declaration, a majority of the tenants or any subtenants in possession of any portion of the property described in such declaration has been required to vacate for reasons other than nonpayment of rent, waste or conduct that disturbs other tenants' peaceful enjoyment of the premises, a rebuttable presumption is created that the owner of such property intended to offer the vacated premises as units in a common-interest community at all times during that 6-month period.

2. For 60 days after delivery or mailing of the notice described in subsection 1, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may not offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant. This subsection does not apply to any unit in a converted building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

3. If a seller, in violation of subsection 2, conveys a unit to a purchaser for value who has no knowledge of the violation, the recordation of the deed conveying the unit or, in a cooperative, the conveyance of the unit, extinguishes any right a tenant may have under subsection 2 to purchase that

unit if the deed states that the seller has complied with subsection 2, but the conveyance does not affect the right of a tenant to recover damages from the seller for a violation of subsection 2.

4. If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of NRS 40.251 and 40.280, the notice also constitutes a notice to ~~[vacate]~~ ***surrender*** specified by those sections.

5. This section does not permit termination of a lease by a declarant in violation of its terms.

The Administrator shall not approve a course if the fee charged for the course is not reasonable. Upon approval, the Administrator shall designate the number of hours of credit allowable for the course.

Sec. 39. (Deleted by amendment.)

Sec. 40. NRS 118B.190 is hereby amended to read as follows:

118B.190 1. A written agreement between a landlord and tenant for the rental or lease of a manufactured home lot in a manufactured home park in this State, or for the rental or lease of a lot for a recreational vehicle in an area of a manufactured home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection ~~[6]~~ ***8*** of NRS 40.215, must not be terminated by the landlord except upon notice in writing to the tenant served in the manner provided in NRS 40.280:

(a) Except as otherwise provided in paragraph (b), 5 days in advance if the termination is because the conduct of the tenant constitutes a nuisance as defined in NRS 40.140 or violates a state law or local ordinance.

(b) Three days in advance upon the issuance of temporary writ of restitution pursuant to NRS 40.300 on the grounds that a nuisance as defined in NRS 40.140 has occurred in the park by the act of a tenant or any guest, visitor or other member of a tenant's household consisting of any of the following specific activities:

(1) Discharge of a weapon.

(2) Prostitution.

(3) Illegal drug manufacture or use.

(4) Child molestation or abuse.

(5) Property damage as a result of vandalism.

(6) Operating a vehicle while under the influence of alcohol or any other controlled substance.

(7) Elder molestation or abuse.

(c) Except as otherwise provided in subsection 6, 10 days in advance if the termination is because of failure of the tenant to pay rent, utility charges or reasonable service fees.

(d) One hundred eighty days in advance if the termination is because of a change in the use of the land by the landlord pursuant to NRS 118B.180.

(e) Forty-five days in advance if the termination is for any other reason.

2. The landlord shall specify in the notice the reason for the termination of the agreement. The reason relied upon for the termination must be set forth with specific facts so that the date, place and circumstances concerning the reason for the termination can be determined. The termination must be in accordance with the provisions of NRS 118B.200 and reference alone to a provision of that section does not constitute sufficient specificity pursuant to this subsection.

3. The service of such a notice does not enhance the landlord's right, if any, to enter the tenant's manufactured home. Except in an emergency, the landlord shall not enter the manufactured home of the tenant served with such a notice without the tenant's permission or a court order allowing the entry.

4. If a tenant remains in possession of the manufactured home lot after expiration of the term of the rental agreement, the tenancy is from week to week in the case of a tenant who pays weekly rent, and in all other cases the tenancy is from month to month. The tenant's continued occupancy is on the same terms and conditions as were contained in the rental agreement unless specifically agreed otherwise in writing.

5. The landlord and tenant may agree to a specific date for termination of the agreement. If any provision of this chapter specifies a period of notice which is longer than the period of a particular tenancy, the required length of the period of notice is controlling.

6. Notwithstanding any provision of NRS 40.215 to 40.425, inclusive, ***and sections 2 to 7, inclusive, of this act,*** if a tenant who is not a natural person has received three notices for nonpayment of rent in accordance with subsection 1, the landlord is not required to give the tenant a further 10-day notice in advance of termination if the termination is because of failure to pay rent, utility charges or reasonable service fees.

Sec. 41. NRS 118B.200 is hereby amended to read as follows:

118B.200 1. Notwithstanding the expiration of a period of a tenancy or service of a notice pursuant to subsection 1 of NRS 118B.190, the rental agreement described in NRS 118B.190 may not be terminated except on one or more of the following grounds:

(a) Failure of the tenant to pay rent, utility charges or reasonable service fees within 10 days after written notice of delinquency served upon the tenant in the manner provided in NRS 40.280;

(b) Failure of the tenant to correct any noncompliance with a law, ordinance or governmental regulation pertaining to manufactured homes or recreational vehicles or a valid rule or regulation established pursuant to NRS 118B.100 or to cure any violation of the rental agreement within a reasonable time after receiving written notification of noncompliance or violation;

(c) Conduct of the tenant in the manufactured home park which constitutes an annoyance to other tenants;

(d) Violation of valid rules of conduct, occupancy or use of park facilities after written notice of the violation is served upon the tenant in the manner provided in NRS 40.280;

(e) A change in the use of the land by the landlord pursuant to NRS 118B.180;

(f) Conduct of the tenant which constitutes a nuisance as defined in NRS 40.140 or which violates a state law or local ordinance, specifically including, without limitation:

(1) Discharge of a weapon;

(2) Prostitution;

(3) Illegal drug manufacture or use;

(4) Child molestation or abuse;

(5) Elder molestation or abuse;

(6) Property damage as a result of vandalism; and

(7) Operating a motor vehicle while under the influence of alcohol or any other controlled substance; or

(g) In a manufactured home park that is owned by a nonprofit organization or housing authority, failure of the tenant to meet qualifications relating to age or income which:

(1) Are set forth in the lease signed by the tenant; and

(2) Comply with federal, state and local law.

2. A tenant who is not a natural person and who has received three or more 10-day notices to ~~[quit]~~ ***surrender*** for failure to pay rent in the preceding 12-month period may have his or her tenancy terminated by the landlord for habitual failure to pay timely rent.

Assembly Bill No. 302.

Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 515.

SUMMARY—Makes various changes relating to ~~[statewide]~~ **political parties and presidential preference** primary elections. (BDR 24-801)

AN ACT relating to elections; **making various changes relating to political parties and presidential preference primary elections; revising provisions governing the organization and operation of major political parties;** providing in certain circumstances for a presidential preference primary election to be held ~~[in conjunction with the statewide primary election; revising the date of the statewide primary election to the Tuesday immediately preceding the last Tuesday in January of each even-numbered year; requiring the Secretary of State, under certain circumstances and with the approval of the Legislative Commission, to select an earlier date for the statewide primary election; making corresponding changes to various pre-election deadlines; revising requirements for the reporting of campaign contributions and expenditures; establishing requirements for participation]~~ **when requested** by **a** major political ~~[parties and candidates in a presidential preference primary election;]~~ **party; requiring delegates to a national party convention to vote according to the results of the state party's presidential preference process in certain circumstances; providing penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Sections 1, 2, 18-21 and 32-38 of this bill provide for a statewide presidential preference primary election to be held in conjunction with the statewide primary election in January of a presidential election year. Section 32 provides that a presidential preference primary election is generally governed by the same statutory provisions applicable to the existing statewide primary. Pursuant to section 33, a presidential preference primary election is initiated by the submission of a notice to the Secretary of State from the state central committee of any major political party. After the submission of this notice, the election must be held if two or more presidential candidates of that party timely file declarations of candidacy with the Secretary of State.~~

~~— Under existing law, the election of delegates at precinct meetings scheduled by the state central committee of each major political party, commonly known as "party caucuses," may be a part of expressing preferences for candidates for the party's nomination for President of the United States. (NRS 293.137) In any year in which a presidential preference primary election is held for the party, section 4 of this bill requires that the precinct meetings not be held until after the presidential preference primary election has been conducted and the~~

~~results of the election have been certified by the Secretary of State. Sections 5 and 6 of this bill further require that any rule of a party governing the election of delegates at a precinct meeting, the selection of delegates and alternates to a national party convention, or the voting of delegates at the national convention, must reasonably reflect the results of the presidential preference primary election, if one has been held for the party.~~

~~Section 7 of this bill changes the date of the statewide primary election from the second Tuesday in June of each even-numbered year to the Tuesday immediately preceding the last Tuesday in January of each even-numbered year. To provide an example, if the provisions of this bill had been in effect in 2014, the primary election would have been held on January 21, 2014, instead of June 10, 2014. If another state in the Western United States (an area defined to encompass Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming) schedules its presidential preference primary election for a date earlier in January than the date otherwise prescribed for the statewide primary election in Nevada, section 7 requires the Secretary of State, with the approval of the Legislative Commission, to select a date for the primary election which is not earlier than January 2 and not a Saturday, Sunday or legal holiday. As a result of changing the date of the statewide primary election, sections 3, 8-13, 17, 22 and 23 of this bill amend various other dates relating to elections, such as the date for filing a declaration of candidacy.~~

~~Sections 16 and 24 of this bill delete certain existing but obsolete statutory references to the presidential preference primary election.~~

~~Various provisions of existing law provide for the submission to the Secretary of State of periodic reports relating to campaign contributions and expenditures. The reporting periods and the deadlines for submitting these reports are based, in part, on the date of the relevant primary election or primary city election. (NRS 294A.120, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220) Sections 25-30 of this bill revise these reporting requirements as they relate to a primary election or primary city election held on or before February 1.~~

Under existing law, a major political party must: (1) hold precinct meetings in each county; (2) select delegates to the county, state and national party conventions; (3) provide certain types of notice regarding its meetings and conventions; and (4) follow certain procedural requirements when conducting its affairs. (NRS 293.130-293.163) Sections 3.5-6 of this bill revise various aspects of the organization and operation of major political parties.

Sections 3.5 and 4 authorize major political parties to adopt rules for providing notice of meetings and conventions through an Internet website or other social media. Section 4 also provides that precinct meetings may be consolidated or held for the county at large. Section 5 allows delegates to be selected through a nomination process instead of being selected at precinct meetings and permits the county central committee to provide

for forms to be prepared and delivered electronically. Section 6 provides that until the end of the first ballot at the national party convention, the state party's delegates are bound to vote at each stage of the presidential nomination process according to the results of the state party's presidential preference process.

Sections 1-3, 31.1-31.9 and 42 of this bill authorize the state central committee of a major political party to submit a request to the Secretary of State to cause a presidential preference primary election to be held for the party in February of a presidential year. The election would be conducted on a single weekday from 8 a.m. until at least 8 p.m. without any period of early voting but with voting by absent ballot. Sections ~~[37]~~ 31.9 and 42 of this bill provide that the cost of ~~**[any]**~~ **such a** presidential preference primary election ~~**[is]**~~ **would be** a charge against the State and must be paid from the Reserve for Statutory Contingency Account in the State General Fund.

Assemblyman Stewart moved the adoption of the amendment.

Remarks by Assemblyman Stewart.

ASSEMBLYMAN STEWART:

The amendment removes all the sections of the original bill and provides for presidential preference primary in February of presidential election years. This presidential primary is optional. The state parties have the option of either having the primary or retaining the caucus method.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 380.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 431.

AN ACT relating to taxation; enacting provisions relating to the imposition, collection and remittance of sales and use taxes by retailers located outside this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (*Quill Corp. v. North Dakota*, 504 U.S. 298 (1992)) Existing law requires every retailer whose activities create such a nexus with this State to impose, collect and remit the sales and use taxes imposed in this State. (NRS 372.724, 374.724) This bill provides that a retailer who engages in certain specified activities is required to collect and remit the sales and use taxes imposed in this State.

Section 1 of this bill requires the Department of Taxation to submit a report to the Director of the Legislative Counsel Bureau concerning each finding, ruling or agreement by the Department or the Nevada Tax Commission which provides that the provisions of existing law requiring a retailer to impose, collect and remit sales and use taxes do not apply to the retailer even though the retailer or an affiliate owns or operates a

warehouse, distribution center, fulfillment center or other similar facility in this State.

Sections 2 and 5 of this bill enact provisions based on a Colorado law which creates a presumption that a retailer is required to impose, collect and remit sales and use taxes if the retailer is: (1) part of a controlled group of business entities that has a component member who has physical presence in this State; and (2) the component member with such physical presence engages in certain activities in this State that relate to the ability of the retailer to make retail sales to residents of this State. (Ch. 364, Colo. Session Laws 2014, at p. 1740) Under **sections 2 and 5**, a retailer may rebut this presumption by providing proof that the component member with physical presence in this State did not engage in any activity in this State ~~[on behalf of the retailer that would constitute a sufficient nexus under the United States Constitution.]~~ **that was significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services.**

Sections 3 and 6 of this bill enact a provision based on a New York law which creates a presumption that a retailer is required to impose, collect and remit sales and use taxes if: (1) the retailer enters into an agreement with a resident of this State under which the resident receives certain consideration for referring potential customers to the retailer through a link on the resident's Internet website or otherwise; and (2) the cumulative gross receipts from sales by the retailer to customers in this State through all such referrals exceeds a certain amount during the preceding four quarterly periods. A retailer may rebut this presumption by providing proof that each resident with whom the retailer has an agreement did not engage in any ~~[solicitation in this State on behalf of the retailer that would satisfy the nexus requirement of the United States Constitution.]~~ **activity that was significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services during the preceding four quarterly periods.** In *Overstock.com v. New York State Department of Taxation and Finance*, 987 N.E.2d 621 (2013), the New York Court of Appeals held that the New York law is facially constitutional because, through these agreements with New York residents, a retailer may establish a sufficient nexus with the State of New York to satisfy the requirements of the United States Constitution.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:**

Not later than 30 days after the Department or the Nevada Tax Commission makes a finding or ruling, or enters into an agreement with a retailer providing, that the provisions of chapters 372 and 374 of NRS relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, do not apply to the retailer,

despite the presence in this State of an office, distribution facility, warehouse or storage place or similar place of business which is owned or operated by the retailer or an affiliate of the retailer, whether the finding, ruling or agreement is written or oral and whether the finding, ruling or agreement is express or implied, the Department shall submit a report of the finding, ruling or agreement to the Director of the Legislative Counsel Bureau for transmittal to:

1. If the Legislature is in session, the Legislature; or

2. If the Legislature is not in session, the Legislative Commission.

Sec. 1.5. Chapter 372 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to the imposition, collection and remittance of the sales tax, and the collection and remittance of the use tax, apply to a retailer if:***

(b) The component member with physical presence in this State:

(1) Sells a similar line of products or services as the retailer and does so under a business name that is the same or similar to that of the retailer;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in this State to facilitate the delivery of tangible personal property sold by the retailer to the retailer's customers;

(3) Uses trademarks, service marks or trade names in this State that are the same or substantially similar to those used by the retailer;

(4) Delivers, installs, assembles or performs maintenance services for the retailer's customers within this State; ~~[or]~~

(6) Conducts any other activities in this State that are significantly associated with the retailer's ability to establish and maintain a market in this State for the retailer's products or services.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that, during the calendar year in question, the activities of the component member with physical presence in this State ~~[did not engage in any activity in this State on behalf of the retailer that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied.]~~ are not significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services.

3. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of this section.

4. As used in this section:

(a) "Component member" has the meaning ascribed to it in section 1563(b) of the Internal Revenue Code, 26 U.S.C. § 1563(b), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

(b) "Controlled group of corporations" has the meaning ascribed to it in section 1563(a) of the Internal Revenue Code, 26 U.S.C. § 1563(a), and includes any entity that, notwithstanding its form of organization, bears the same ownership relationship to the retailer as a corporation that would qualify as a component member of the same controlled group of corporations as the retailer.

Sec. 3. ***1. Except as otherwise provided in this section, it is presumed that the provisions of this chapter relating to:***

(b) The collection and remittance of the use tax,

➥ apply to every retailer who enters into an agreement with a resident of this State under which the resident, for a commission or other consideration based upon the sale of tangible personal property by the retailer, directly or indirectly refers potential customers, whether by a link on an Internet website or otherwise, to the retailer, if the cumulative gross receipts from sales by the retailer to customers in this State who are referred to the retailer by all residents with this type of an agreement with the retailer is in excess of $10,000 during the preceding four quarterly periods ending on the last day of March, June, September and December.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that each resident with whom the retailer has an agreement did not engage in any ~~[solicitation]~~ activity in this State that was significantly associated with the retailer's ability to establish or maintain a market in this State for the retailer's products or services during the preceding four quarterly periods ending on the last day of March, June, September and December. Such proof may consist of the sworn written statements of each resident with whom the retailer has an agreement stating that the resident did not engage in any solicitation in this State on behalf of the retailer ~~[that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. A retailer has the burden of establishing that the requirements of this subsection are satisfied.]~~ during the preceding four quarterly periods ending on the last day of March, June, September and December, if the statements were obtained from each resident and provided to the Department in good faith.

3. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of this section.

Sec. 4. Chapter 374 of NRS is hereby amended by adding thereto the provisions set forth as sections 5 and 6 of this act.

(6) Conducts any other activities in this State that are significantly associated with the retailer's ability to establish and maintain a market in this State for the retailer's products or services.

2. A retailer may rebut the presumption set forth in subsection 1 by providing proof satisfactory to the Department that, during the calendar year in question, the activities of the component member with physical presence in this State ~~[did not engage in any activity in this State on behalf of the retailer that would constitute a sufficient nexus to satisfy the requirements of the United States Constitution. Assemblyman Armstrong moved the adoption of the amendment.

Remarks by Assemblyman Armstrong.

ASSEMBLYMAN ARMSTRONG:

Amendment 431 to Assembly Bill 380 specifies that a retailer may rebut the presumption that it is required to impose, collect, and remit Nevada sales and use tax based on the activities of a component member with a physical presence in the state, or of residents of the state who refer potential customers to the retailer through an Internet website link, if it provides proof that the component member or resident did not engage in any activities in Nevada that were significantly associated with the retailer's ability to establish or maintain a market in the state for that retailer's products or services.

The amendment additionally requires the Department of Taxation to report to the Director of the Legislative Counsel Bureau any finding or ruling that the provisions of Chapter 372 or 374, relating to the imposition, collection, and remittance of the sales and use tax, do not apply to the retailer no later than 30 days after the finding or ruling that was made by the Department.

money to the governing body; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes a board of county commissioners of a county, by a majority vote and without the approval of the registered voters in the county, to impose throughout the county an ad valorem tax at the rate of up to 5 cents per $100 of assessed value on all taxable property in the county. **Section 1** provides that the money received from any such tax: (1) **must not be allocated or included in the calculation of any amounts to be allocated to or for the benefit of a redevelopment agency; (2)** must not be considered as financial ability to pay for the purposes of negotiation, fact-finding or arbitration regarding salaries and benefits of employees of a local government; ~~[(2)]~~ **(3)** must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents employees of a local government and the local government; and ~~[(3)]~~ **(4)** must not be used to adjust the schedules of salaries and benefits of the employees of a local government.

Section 15 of this bill authorizes the board of county commissioners of a county or the board of trustees of a school district in the county, or both, by a majority vote and without the approval of the registered voters in the county, to impose throughout the county an ad valorem tax at the rate of up to 5 cents per $100 of assessed value on all taxable property in the county. **Section 15** provides that the board of county commissioners of the county or the board of trustees of the school district may impose any portion of the rate authorized by **section 15**, but the total rate must not exceed 5 cents per $100 of assessed valuation. **Section 15** provides that the money received from any such tax must be used only for the construction and maintenance of public schools within the school district and the purchase by the school district and use by pupils of information technology, except that an amount equal to not more than 2 cents per $100 of assessed valuation of all taxable property in the county may be used by the school district to pay for operating expenses of the school district. **Section 15** additionally provides that the money received from any such tax: (1) must not be considered as financial ability to pay for the purposes of negotiation, fact-finding or arbitration regarding salaries and benefits of employees of a local government; (2) must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents employees of a local government and the local government; (3) must not be used to adjust the schedules of salaries and benefits of the employees of a local government; (4) must not be considered part of the amount of the local funds available to a school district; and (5) must not be included in determining the amount of the basic support guarantees or any other funding provided by the State to a school district. **Section 16** of this bill additionally provides that the amount of local funds available does not include the amount of any tax imposed pursuant to **section 15**.

Section 12 of this bill provides that any tax imposed pursuant to **section 1 or 15** is not subject to the provisions of existing law which provide that the

total ad valorem tax levy for all public purposes must not exceed $3.64 per $100 of assessed valuation. (NRS 361.453)

Existing law sets forth certain requirements for determining the taxable value of real property. (NRS 361.227) **Section 11** of this bill clarifies the applicability of those requirements.

Existing law provides for a partial abatement of property taxes, which effectively establishes an annual cap on increases of property tax bills. (NRS 361.4722) **Section 13** of this bill revises the formula for calculating the amount of the partial abatement of property taxes applicable to property other than certain single-family residences and residential rental dwelling units to ensure that the partial abatement cannot be less than 6 percent. **Section 14** of this bill provides that the amount of any tax imposed pursuant to **section 1 or 15** is exempt from certain partial abatements of property taxes. **Section 14** also provides that the amount of tax imposed on the increased value of property that results from revaluing the property after the taxable value of the property was reduced in a prior year as a result of the use of the income approach to valuation is exempt from certain partial abatements of property taxes. **Section 10** of this bill requires the State Board of Equalization, a county board of equalization or a county assessor that reduces the amount of the assessed value of property that is exempted from such abatements to submit an electronic report of the reduction in assessed value to the Department of Taxation and requires the Department annually to conduct an audit of each such reduction in assessed valuation.

Section 18 of this bill requires the Legislative Auditor to conduct a performance audit of the State Board of Equalization for Fiscal Year 2016-2017 and report the results of the audit to the Legislature.

Section 9 of this bill authorizes the governing body of a local government, before August 31, 2015, to submit a proposed agreement to the State Treasurer pursuant to which: (1) the State Treasurer agrees to borrow certain money from the Local Government Pooled Investment Fund; (2) the State Treasurer agrees to transfer such money to the governing body of the local government; and (3) the governing body agrees to repay the principal amount borrowed and any interest. Upon approval of such a proposed agreement by a majority of the local governments that have deposited money for credit to the Fund, **section 9** requires the State Treasurer to: (1) execute the agreement; (2) borrow the specified amount from the Fund; and (3) transfer the money to the local government. **Section 9** provides that the agreement must include, without limitation, a statement identifying the amount of money proposed to be borrowed, a description of the proposed use of the money, terms and conditions for the repayment of the principal and any interest and the rate or rates of interest. **Section 9** also provides that the principal amount borrowed must be repaid not later than the first day of the calendar month that is ~~[360]~~ **240** months after the month in which the borrowing occurred. Additionally, **section 9** provides that the full faith and credit of the State is pledged for the payment of the principal and interest.

A tax imposed pursuant to this subsection applies throughout the county, including incorporated cities in the county.

2. Except as otherwise specifically provided by statute, any tax imposed pursuant to subsection 1 must be assessed in the same manner and is subject to the provisions of the general laws for the assessment and collection of taxes. The money received from the tax and any applicable penalty or interest must be remitted to the county treasurer.

(a) Must not be allocated or included in the calculation of any amounts to be allocated to or for the benefit of a redevelopment agency created pursuant to chapter 279 of NRS.

(b) Must not be considered as financial ability to pay for the purposes of negotiation, fact-finding or arbitration regarding salaries and benefits of employees of a local government;

(a) The rate must be set so that when applied to the current fiscal year's assessed valuation of all property which was on the preceding fiscal year's assessment roll, together with the assessed valuation of property on the central assessment roll which was allocated to the local government, but excluding any assessed valuation attributable to the net proceeds of minerals, assessed valuation attributable to a redevelopment area and assessed valuation of a fire protection district attributable to real property which is transferred from private ownership to public ownership for the purpose of conservation, it will produce 106 percent of the maximum revenue allowable from taxes ad valorem for the

preceding fiscal year, except that the rate so determined must not be less than the rate allowed for the previous fiscal year, except for any decrease attributable to the imposition of a tax pursuant to NRS 354.59813 in the previous year.

Sec. 10. Chapter 361 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the State Board of Equalization, a county board of equalization or a county assessor reduces the taxable value of property as a result of obsolescence based upon capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow through the use of the income approach pursuant to paragraph (c) of subsection 5 of NRS 361.227 or the formulas adopted by the Nevada Tax Commission pursuant to subsection 5 of NRS 361.320, the State Board of Equalization, the county board of equalization or the county assessor, as applicable, shall submit electronically to the Department a report, in the form prescribed by the Nevada Tax Commission, which describes the facts supporting each such reduction in assessed valuation and identifies the parcel number of the property.

2. The Department shall annually conduct an audit of each reduction in the portion of assessed valuation of property which, pursuant to subsection 3 of NRS 361.4726, is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724 made by the

State Board of Equalization, a county board of equalization or a county assessor.

Sec. 11. NRS 361.227 is hereby amended to read as follows:

361.227 1. Any person ***, including, without limitation, a county assessor, a county board of equalization, the State Board of Equalization and the Department,*** determining the taxable value of real property shall appraise:

(a) The full cash value of:

(1) Vacant land by considering the uses to which it may lawfully be put, any legal or physical restrictions upon those uses, the character of the terrain, and the uses of other land in the vicinity.

(2) Improved land consistently with the use to which the improvements are being put.

(b) Any improvements made on the land by subtracting from the cost of replacement of the improvements all applicable depreciation and obsolescence. Depreciation of an improvement made on real property must be calculated at 1.5 percent of the cost of replacement for each year of adjusted actual age of the improvement, up to a maximum of 50 years.

2. The unit of appraisal must be a single parcel unless:

(a) The location of the improvements causes two or more parcels to function as a single parcel;

(b) The parcel is one of a group of contiguous parcels which qualifies for valuation as a subdivision pursuant to the regulations of the Nevada Tax Commission; or

(c) In the professional judgment of the person determining the taxable value, the parcel is one of a group of parcels which should be valued as a collective unit.

3. The taxable value of a leasehold interest, possessory interest, beneficial interest or beneficial use for the purpose of NRS 361.157 or 361.159 must be determined in the same manner as the taxable value of the property would otherwise be determined if the lessee or user of the property was the owner of the property and it was not exempt from taxation, except that the taxable value so determined must be reduced by a percentage of the taxable value that is equal to the:

(a) Percentage of the property that is not actually leased by the lessee or used by the user during the fiscal year; and

(b) Percentage of time that the property is not actually leased by the lessee or used by the user during the fiscal year, which must be determined in accordance with NRS 361.2275.

4. The taxable value of other taxable personal property, except a mobile or manufactured home, must be determined by subtracting from the cost of replacement of the property all applicable depreciation and obsolescence. Depreciation of a billboard must be calculated at 1.5 percent of the cost of replacement for each year after the year of acquisition of the billboard, up to a maximum of 50 years.

5. The computed taxable value of any property must not exceed its full cash value. Each person determining the taxable value of property shall reduce it if necessary to comply with this requirement. A person determining whether taxable value exceeds that full cash value or whether obsolescence is a factor in valuation may consider:

(a) Comparative sales, based on prices actually paid in market transactions.

(b) A summation of the estimated full cash value of the land and contributory value of the improvements.

(c) Capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow.

➥ A county assessor is required to make the reduction prescribed in this subsection if the owner calls to his or her attention the facts warranting it, if the county assessor discovers those facts during physical reappraisal of the property or if the county assessor is otherwise aware of those facts.

6. The Nevada Tax Commission shall, by regulation, establish:

(a) Standards for determining the cost of replacement of improvements of various kinds.

(b) Standards for determining the cost of replacement of personal property of various kinds. The standards must include a separate index of factors for application to the acquisition cost of a billboard to determine its replacement cost.

(c) Schedules of depreciation for personal property based on its estimated life.

(d) Criteria for the valuation of two or more parcels as a subdivision.

7. In determining, for the purpose of computing taxable value, the cost of replacement of:

(a) Any personal property, the cost of all improvements of the personal property, including any additions to or renovations of the personal property, but excluding routine maintenance and repairs, must be added to the cost of acquisition of the personal property.

(b) An improvement made on land, a county assessor may use any final representations of the improvement prepared by the architect or builder of the improvement, including, without limitation, any final building plans, drawings, sketches and surveys, and any specifications included in such representations, as a basis for establishing any relevant measurements of size or quantity.

8. The county assessor shall, upon the request of the owner, furnish within 15 days to the owner a copy of the most recent appraisal of the property, including, without limitation, copies of any sales data, materials presented on appeal to the county board of equalization or State Board of Equalization and other materials used to determine or defend the taxable value of the property.

9. The provisions of this section do not apply to property which is assessed pursuant to NRS 361.320.

Sec. 12. NRS 361.453 is hereby amended to read as follows:

361.453 1. Except as otherwise provided in this section and NRS 354.705, 354.723, 387.3288 and 450.760, ***and sections 1 and 15 of this act,*** the total ad valorem tax levy for all public purposes must not exceed $3.64 on each $100 of assessed valuation, or a lesser or greater amount fixed by the State Board of Examiners if the State Board of Examiners is directed by law to fix a lesser or greater amount for that fiscal year.

2. Any levy imposed by the Legislature for the repayment of bonded indebtedness or the operating expenses of the State of Nevada and any levy imposed by the board of county commissioners pursuant to NRS 387.195 that is in excess of 50 cents on each $100 of assessed valuation of taxable property within the county must not be included in calculating the limitation set forth in subsection 1 on the total ad valorem tax levied within the boundaries of the county, city or unincorporated town, if, in a county whose population is less than 45,000, or in a city or unincorporated town located within that county:

(a) The combined tax rate certified by the Nevada Tax Commission was at least $3.50 on each $100 of assessed valuation on June 25, 1998;

(b) The governing body of that county, city or unincorporated town proposes to its registered voters an additional levy ad valorem above the total ad valorem tax levy for all public purposes set forth in subsection 1;

(c) The proposal specifies the amount of money to be derived, the purpose for which it is to be expended and the duration of the levy; and

(d) The proposal is approved by a majority of the voters voting on the question at a general election or a special election called for that purpose.

3. The duration of the additional levy ad valorem levied pursuant to subsection 2 must not exceed 5 years. The governing body of the county, city or unincorporated town may discontinue the levy before it expires and may not thereafter reimpose it in whole or in part without following the procedure required for its original imposition set forth in subsection 2.

4. A special election may be held pursuant to subsection 2 only if the governing body of the county, city or unincorporated town determines, by a unanimous vote, that an emergency exists. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud or a gross abuse of discretion. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's determination is final. As used in this subsection, "emergency" means any unexpected occurrence or combination of occurrences which requires immediate action by the governing body of the county, city or unincorporated town to prevent or mitigate a substantial financial loss to the county, city or unincorporated town or to enable the governing body to provide an essential service to the residents of the county, city or unincorporated town.

Sec. 13. NRS 361.4722 is hereby amended to read as follows:

361.4722 1. Except as otherwise provided in or required to carry out the provisions of subsection 3 and NRS 361.4725 to 361.4729, inclusive, the owner of any parcel or other taxable unit of property, including property

entered on the central assessment roll, for which an assessed valuation was separately established for the immediately preceding fiscal year is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) A percentage of the amount determined pursuant to paragraph (a) which is equal to:

(1) The greater of:

(I) The average percentage of change in the assessed valuation of all the taxable property in the county, as determined by the Department, over the fiscal year in which the levy is made and the 9 immediately preceding fiscal years;

(II) Twice the percentage of increase in the Consumer Price Index for all Urban Consumers, U.S. City Average (All Items) for the immediately preceding calendar year; or

(III) ~~[Zero;]~~ ***Six percent;*** or

2. Except as otherwise provided in or required to carry out the provisions of NRS 361.4725 to 361.4729, inclusive, the owner of any remainder parcel of real property for which no assessed valuation was separately established for the immediately preceding fiscal year, is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for a fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any amount of that assessed valuation attributable to any improvement to or change in the actual or authorized use of the property that would not have been included in the calculation of the assessed valuation of the property for the immediately preceding fiscal year if an assessed valuation had been separately established for that property for that prior fiscal year, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Which would have been levied in that county on the property for the immediately preceding fiscal year if an assessed valuation had been separately established for that property for that prior fiscal year based upon all the assumptions, costs, values, calculations and other factors and considerations that would have been used for the valuation of that property for that prior fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if an assessed valuation had been separately established for that property for that prior fiscal year based upon all the assumptions, costs, values, calculations and other factors and considerations that would have been used for the valuation of that property for that prior fiscal year, and if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) A percentage of the amount determined pursuant to paragraph (a) which is equal to:

(1) The greater of:

(III) ~~[Zero;]~~ ***Six percent;*** or

(2) Eight percent,

➥ whichever is less.

3. The provisions of subsection 1 do not apply to any property for which the provisions of subsection 1 of NRS 361.4723 or subsection 1 of NRS 361.4724 provide a greater abatement from taxation.

4. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsections 1 and 2 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

5. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to ensure that this section is carried out in a uniform and equal manner.

6. For the purposes of this section, "remainder parcel of real property" means a parcel of real property which remains after the creation of new parcels of real property for development from one or more existing parcels of real property, if the use of that remaining parcel has not changed from the immediately preceding fiscal year.

Sec. 14. NRS 361.4726 is hereby amended to read as follows:

361.4726 1. Except as otherwise provided by specific statute, if any legislative act which becomes effective after April 6, 2005, imposes a duty on a taxing entity to levy a new ad valorem tax or to increase the rate of an existing ad valorem tax, the amount of the new tax or increase in the rate of the existing tax is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.

2. The amount of any tax imposed pursuant to NRS 387.3288 ***or section 1 or 15 of this act*** is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.

3. ***The amount of any tax imposed on any increased value of property that results from revaluing the property after the taxable value of the property was reduced in a prior year as a result of obsolescence based upon capitalization of the fair economic income expectancy or fair economic rent, or an analysis of the discounted cash flow through the use of the income approach pursuant to paragraph (c) of subsection 5 of NRS 361.227 or the formulas adopted by the Nevada Tax Commission pursuant to subsection 5 of NRS 361.320, is exempt from each partial abatement from taxation provided pursuant to NRS 361.4722, 361.4723 and 361.4724.***

4. For the purposes of this section, "taxing entity" does not include the State.

Sec. 15. Chapter 387 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to all other taxes imposed on property in a county, the board of county commissioners of the county or the board of trustees of the school district in the county, or both, may, by a majority vote and without the approval of the registered voters in the county, impose an ad valorem tax at the rate of up to 5 cents per $100 of assessed valuation on all taxable property in the county. Any tax imposed pursuant to this subsection applies throughout the county, including incorporated cities in the county.

2. Except as otherwise specifically provided by statute, any tax imposed pursuant to subsection 1 must be assessed in the same manner and is subject to the provisions of the general laws for the assessment and collection of taxes. The tax must be collected at the same time and by the same officers who assess and collect the state and county taxes. The money received from the tax and any applicable penalty or interest must be remitted to the school district in the county and used as provided in this section.

3. Except as otherwise provided in subsection 4, the money received from any tax imposed pursuant to subsection 1 and any applicable penalty or interest must be used only for the construction and maintenance of public

schools in the school district and for the purchase by the school district, and use by pupils in public schools in the school district, of information technology.

4. Notwithstanding the provisions of subsection 3 and except as otherwise provided in subsection 6, of the money received by a school district from all taxes imposed pursuant to this section, an amount equal to not more than 2 cents per $100 of assessed valuation of all taxable property in the county may be used by the school district to pay for operating expenses of the school district.

5. The board of county commissioners of a county or the board of trustees of the school district in the county, or both, may impose any portion of the tax rate authorized by subsection 1, but the total combined tax rates imposed by the board of county commissioners and the board of trustees collectively must not exceed the rate authorized by subsection 1.

6. The money received from any tax imposed pursuant to subsection 1 and any applicable penalty or interest:

(a) Must not be considered as financial ability to pay for the purposes of negotiation, fact-finding or arbitration regarding salaries and benefits of employees of a local government;

(b) Must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents employees of a local government and the local government;

(c) Must not be used to adjust the schedules of salaries and benefits of the employees of a local government;

(d) Must not be considered part of the amount of the local funds computed pursuant to NRS 387.1235; and

(e) Must not be included in determining the amount of the basic support guarantees or any other funding provided by the State to the school district.

Sec. 16. NRS 387.1235 is hereby amended to read as follows:

387.1235 1. Except as otherwise provided in ~~[subsection 2,]~~ ***subsections 2 and 3,*** local funds available are the sum of:

(a) The amount of one-third of the tax collected pursuant to subsection 1 of NRS 387.195 for the school district for the concurrent school year; and

(b) The proceeds of the local school support tax imposed by chapter 374 of NRS, excluding any amounts required to be remitted pursuant to NRS 360.850 and 360.855. The Department of Taxation shall furnish an estimate of these proceeds to the Superintendent of Public Instruction on or before July 15 for the fiscal year then begun, and the Superintendent shall adjust the final apportionment of the current school year to reflect any difference between the estimate and actual receipts.

2. The amount computed under subsection 1 that is attributable to any assessed valuation attributable to the net proceeds of minerals must be held in reserve and may not be considered as local funds available until the succeeding fiscal year.

3. The amount of the local funds computed pursuant to subsection 1 must not include the proceeds of any tax imposed pursuant to section 15 of this act.

Assemblyman Armstrong moved the adoption of the amendment.

Remarks by Assemblyman Armstrong.

ASSEMBLYMAN ARMSTRONG:

Amendment 432 to Assembly Bill 412 specifies that no revenue generated from the property tax that may be imposed by a county pursuant to section 1 may be allocated or included in the calculation of any amounts to be allocated to or for the benefit of a redevelopment agency. The amendment additionally reduces the maximum amount by which a local government must repay any loan from the Local Government Pooled Investment Fund from 30 years to 20 years.

Assembly Bill No. 4.

Bill read third time.

Remarks by Assemblyman Hickey.

ASSEMBLYMAN HICKEY:

Assembly Bill 4 allows a winery in any county in Nevada to import wine or juice for fermentation, mixing with other wine, or aging in this state or to sell wine at retail or serve wine or any other alcoholic beverage by the glass on its premises. The measure allows a winery licensed on or before the bill's effective date to sell or serve its wine and other alcoholic beverages at the location of the winery and one other location. The amount of wine sold at the second location may not exceed 50 percent of the total wine sold by the winery. Wineries licensed subsequent to the bill's passage will not be allowed to sell at a second location and will not be allowed to serve alcoholic beverages.

Wine was first invented by Noah, and it has been a rural industry since then. Your Committee on Commerce and Labor has protected existing wineries in Pahrump, Fallon, and Gardnerville as well as allowing them in Moapa, Washoe Valley, Clark County—anywhere in Nevada. I urge your support.

Remarks by Assemblywoman Seaman.

ASSEMBLYWOMAN SEAMAN:

Assembly Bill 177 makes various changes relating to candidates for public office. An ineligible candidate is defined as one who dies, is adjudicated insane or mentally incompetent, fails to meet any constitutional or statutory qualification required for office, or is disqualified by a court from performing the duties of office. A person must reside in a district for at least 180 days prior to the deadline for filing of a declaration or acceptance of candidacy. A candidate must also reside in Nevada for a minimum of two years prior to the general election.

Dates for filing challenges are revised. The Secretary of State shall conduct investigations based on credible evidence. If a court finds in a pre-election action that a person fails to meet the qualification of an office, the person is disqualified. The court may order that person to pay court costs and attorney's fees. The penalty for knowingly and willfully filing a declaration or acceptance of candidacy that contains a false statement regarding residency is a category E felony.

The Legislature declares that voters have the right to be informed if a candidate is ineligible. A vote for an ineligible candidate does not invalidate the rest of the voter's ballot.

This bill is effective upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks and on January 1, 2016, for all other purposes.

I urge all my colleagues to support this bill to bring back integrity and honesty to our electoral process.

ASSEMBLYMAN ARMSTRONG:

Assembly Bill 191 makes the following changes to the fuel tax indexing provisions approved by the Legislature in Assembly Bill 413 of the 2013 Session: provisions requiring a statewide ballot question on the November 2016 ballot seeking permission to create an indexed fuel tax rate to be imposed based on the state gasoline and special fuel taxes are repealed; provisions requiring countywide ballot questions on the November 2016 ballot seeking permission to create indexed fuel tax rates are amended to include the state gasoline and special fuel tax rates, in addition to the federal and local rates; and certain proceeds generated from the indexed rates based on the state gasoline and special fuel taxes are required to be diverted to the State Highway Fund for use on transportation projects in the county where the revenue was generated. These provisions apply to revenues from any future increases in the indexed rates imposed by ordinance in Clark County after November 8, 2016, and in any other county approving a ballot question authorizing indexed fuel tax rates on or after January 1, 2017.

The effective date of sections 2 and 16 to 20, inclusive, of this act become effective upon passage and approval. The provisions of the act relating to the diversion of certain revenues to the State Highway Fund become effective if the question on the November 2016 General Election ballot is approved by the voters in any county.

A statement made by a witness at any time that is inconsistent with the testimony of the witness before the grand jury may be presented to the grand jury as evidence. The bill allows the use of audiovisual testimony at preliminary hearings and grand jury proceedings for witnesses who live more than 100 miles away under certain circumstances. Lastly, if the district attorney or a peace officer does not provide adequate notice to a person whose indictment is being considered by a grand jury, that person must still be given the opportunity to testify before the grand jury and the grand jury must be instructed to deliberate again on all the charges contained in the indictment. ASSEMBLYMAN OSCARSON:

Assembly Bill 292 declares it to be the public policy of this state to encourage and facilitate the provision of services through telehealth to improve public health and the quality of health care provided to patients and to lower the cost of health care in this state. The bill defines "telehealth" as the delivery of health care services from a provider of health care to a patient at a different location through the use of certain technology. With limited exceptions, only a health care provider licensed in this state can direct or manage care, render a diagnosis, or write a treatment order or prescription for a patient in this state. Existing law relating to the practice of telemedicine is repealed under this bill.

Additionally, the measure requires any policy of health or industrial insurance and Medicaid to include coverage via telehealth to the same extent as services provided in person. The bill also authorizes a hospital to grant staff privileges to a health care provider at another location to allow the provider to treat a patient via telehealth at the hospital. Finally, A.B. 292 requires the Commissioner of Insurance to consider health care services that may be provided via telehealth when making certain determinations concerning the adequacy of an insurer's network plan.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 6 removes references to "certified autism behavior interventionists" throughout various sections of *Nevada Revised Statutes* regulating such professionals, instead providing for the credentialing and regulation of Registered Behavior Technicians. The bill also changes statutory references of "behavior therapy" to "behavioral therapy." Finally, the measure increases the minimum coverage which must be provided by certain insurers for applied behavioral analysis treatment to the actuarial equivalent of $72,000.

During the 2009 Session, I sponsored Assembly Bill 162. During the interim, I served on a commission trying to provide services for kids with autism. We talked about the idea of an insurance mandate in Nevada. One of my legislative colleagues who also served on the commission—who I think you served with from Las Vegas and is no longer serving with us—turned to me and said, Great idea, but we will never get another mandate through the Legislature. During that 2009 Session, with the help of our Democratic Speaker, former Assemblywoman Buckley, we got that mandate through and it was signed into law by former Republican Governor Gibbons. Children who had no insurance coverage suddenly had the coverage to get therapies and treatments that had proven time and time again to make a tremendous difference in the lives of these kids.

I had a lot of help from my colleague from Assembly District 14, who was then in the other house; the Minority Leader; this session's current Chair of Commerce and Labor; and back in 2009, the Chair of Education. We worked so hard on this. Thirty-six thousand was not the ideal number, but it was a compromise. We figured that half a loaf or a quarter of a loaf was better than no loaf. This bill is such a tremendous step forward. I want to thank everyone who worked on it because it does make a difference in kids' lives. I have seen that. Whether you are talking about Corey Ward's son, Douglas Ward, who lives in Elko; Mark Olson's daughter, Lindsey Olson, in Las Vegas; Jan Crandy's daughter, Megan; we are talking about Alden Grant, who just became an Eagle Scout. These kids had to be in separate classrooms before. This treatment makes a tremendous difference. This bill moves us a long way forward from where we were in 2009. I urge the body to support this measure. I hope I did not miss anybody else who worked on this measure. There was a lot of effort. It was bipartisan. This is truly a bill that will help our kids.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 49. When we process legislation and we pass it on to the other house and then to the Governor's desk, we have to look at the direct consequences and the unintended consequences. I am particularly concerned about section 15 of this bill, when we look at how this may affect the teenagers, the under 18-year-olds who may not be aware of someone's age. This is a new era; this is not the kind of world I grew up in. This is the era of Facebook and Instagram where people are not always honest about who they are and about their age. I am very concerned that this law may send a 17-year-old to get certified into the adult system and then have all those collateral consequences for what may have been an honest mistake. I am very concerned about this bill, and I will be voting no.

The bill requires the Department of Taxation, upon making a determination that certain financial conditions exist in a local

government, to place the local government under fiscal watch and requires the Nevada Tax Commission, upon making such a determination of severe financial distress, to order the local government to follow a remedial course of action, including increasing revenues and reducing the expenditures of the local government, as necessary. The bill authorizes the Department to reopen and renegotiate in good faith, or assist a local government in renegotiating, an existing collective bargaining agreement relating to compensation or monetary benefits under certain conditions. Further, all information not included in the investigative file is confidential, until a panel determines there is cause for an opinion or the public officer or employee authorizes disclosure. A person who makes a third-party request may ask that his or her name be kept confidential in certain circumstances pursuant to the bill. The Commission must maintain confidentiality if the requester works for the same public employer as the subject of the request. The Commission may maintain confidentiality if the requester establishes evidence of a threat of physical force or violence. When the Commission does not disclose a requester's name, the Commission may not render an opinion unless it has sufficient evidence from other sources. If the Commission intends to use the person's testimony, it must disclose the person's name prior to the hearing.

The definition of "willful violation" is revised to omit any act or failure to act that has not resulted in a sanctionable violation of the Nevada Ethics in Government Law. Safe harbor provisions are revised to clarify that the advice of legal counsel retained by the public body was based on a reasonable legal determination that the act or failure to act would not be contrary to any opinion issued by the Commission and available on its website.

Finally, first-party requests of current public officers or employees are confidential. The measure permits such individuals to disclose the request to certain persons without waiving the confidentiality of the request or any related opinions or record.

Mr. Speaker, your Chairman, the Assemblyman from the double-deuce, gave me the opportunity to work on this bill, and I think we took all the concerns from the members of your committee and from the different stakeholders who testified into the amended version that we have. I think the safe harbor provision still does what it had intended in past sessions, and I think we have made a good compromise. I urge your support.

GENERAL FILE AND THIRD READING

Assembly Bill No. 86.

Bill read third time.

Remarks by Assemblymen Nelson and Kirner.

ASSEMBLYMAN NELSON:

Assembly Bill 86 makes various changes to the governance of the Silver State Health Insurance Exchange. The bill removes the restriction against appointing a person to the Board of Directors who is affiliated in any way with a health insurer; however, it limits the number of voting members

of the Board that may represent any particular area of expertise or experience. Finally, the measure provides for compensation of board members and reduces the minimum number of board meetings from once per quarter to once per year.

ASSEMBLYMAN KIRNER:

Assembly Bill 86 is one of those bills that we have worked on diligently to try to reach some kind of a compromise across the aisle. This is a bill that we had amended to add a couple of positions—going from seven to nine—on the Board. Realizing that was going to be a problem, we retracted it back down to seven members of the Board. Our only effort at this point is to strengthen the Silver State Health Insurance Exchange so that our citizens who need insurance can get insurance and to make the Board more competent in that particular role. That is really the extent of where we are with this bill at this point.

Remarks by Assemblymen O'Neill, Kirkpatrick, and Ellison.

ASSEMBLYMAN O'NEILL:

Assembly Bill 98 revises the calculations for certain child support obligations. The income ranges used to determine the presumptive maximum amount for an obligation for support are revised, and the obligation for support for each income range is increased. The bill provides a method for calculating the total amount of child support to be paid by one parent to the other parent, depending on whether one parent has primary physical custody or the parents share joint physical custody. Lastly, the court is required to take into consideration other factors in determining the child support obligation. This bill is effective on October 1, 2015.

ASSEMBLYWOMAN KIRKPATRICK:

I have a couple of questions for my colleague from Carson City. I see that it says we must take into consideration the children's standard of living. I would like to know what that means. At my house, it may mean macaroni and cheese, but at my stepchildren's house, it may mean filet and baked potato. I would also like to know why it says in section 8 "gross monthly income" if you are not a self-employed person. How is that addressed? Many folks are self-employed, so their income counts. I could not take a check myself, but the kids still have to have some stability. If you could answer those two questions, it might alleviate my concerns.

ASSEMBLYMAN O'NEILL:

Former Speaker, Minority Leader, those are excellent questions. I am impressed with your astute insight to this matter. However, I will defer to the Assemblyman from the northern district.

ASSEMBLYMAN ELLISON:

To my colleague from District 1, what we are trying to do is make it fair and balanced. If you have a mother and a father who have joint custody of the children, we want it made fair, so that you would not put one in poverty over the other. What we are hoping to do is to balance it out where one parent did not have to get a secondary job. At the end of the day, we are still hoping we can tweak it on the Senate side to make it a little better, but that is what the bill is.

ASSEMBLYWOMAN KIRKPATRICK:

To my colleague from Elko, my bigger concern is one that has happened at my own house. For my stepchildren, there was steak five days a week. At my house, it was macaroni and cheese. Who is going to determine that and how was that discussion held? I understand this session we

keep saying we are going to fix stuff on the Senate side, but that is not necessarily going to happen. Before I can feel comfortable, I want to at least know the legislative intent, and I want to know the self-employed piece, because those are two very real factors in everyday life.

ASSEMBLYMAN ELLISON:

Yes, ma'am. That is why we are trying to fix this. There is a new formula in there if you look. If you are self-employed, it does not make you exempt. So if you are self-employed in your tax papers, they can still go in and audit. The whole idea is not to put one in poverty over the other. We are trying to make this equal across the board. We have women from Las Vegas right now who are making $50,000 and their husbands are making $150,000, so we are trying to balance that out. We also have policemen who are making $50,000 and the wife is making $150,000. It is not a gender thing; it is trying to make it an equitable thing because it is not right the way it is right now.

In such circumstances, this bill provides that if the design professional is held to be liable as a result of a lawsuit, the judge or jury shall order the design professional to reimburse the public body for a proportionate share of the attorney's fees and costs the public body incurred in defending the action.

This bill retains the public body's authority to include a provision in a contract with a design professional requiring that the design professional defend the public body in any lawsuit alleging negligence, errors or omissions, recklessness, or intentional misconduct of the design professional or his or her employees or agents that are not based upon or arising out of the professional services of the design professional. Assembly Bill 163 authorizes a board of county commissioners, board of directors of a county fire protection district, or board of fire commissioners of certain other districts to approve a petition submitted by certain persons or business entities within the county or district to create a rangeland fire protection association if the petitioners meet certain requirements. Additionally, the bill provides for the routine evaluation of rangeland fire protection districts during the term of a cooperative agreement based on certain criteria and requires the State Forester Firewarden to adopt regulations relating to the formation, operation, and training of the members of such an association.

ASSEMBLYWOMAN CARLTON:

I have a question on Assembly Bill 163 for the Chair of Judiciary. I know that when we try to true up all the bills for the different fires that happen in the state, it can sometimes take three to four years in order to be able to figure out who is supposed to pay for what, how they get reimbursed, and from what account. As we create this new rangeland fire protection association, will they be able to apply to those accounts to receive money for helping fight the fires? It would only be fair. What would the process be and how would it all get apportioned? We already have a system and formula in place for that, and I would hate to see our guys out there get left holding the bag if they cannot recoup their costs.

ASSEMBLYMAN HANSEN:

Nothing changes as far as that portion of it. The reason this bill came about is because there is a Bureau of Land Management requirement that before anyone can fight a fire, they have to have an incident commander on board. What happened was, in the rural areas, there were ranchers who would go out and try to fight fires, literally on the range right in their backyards, and they were threatened with possible felony arrests.

As far as the financing of it, my understanding is that nothing changes on that, and these folks will be allowed to be compensated as they always have been when they are assisting in fighting rangeland fires.

ASSEMBLYWOMAN CARLTON:

I thank the Chair of Judiciary. I am well aware of the issues in the rurals. I did chair Public Lands and I did chair Natural Resources and I have been in the state for a while. I do appreciate the answer, but I still have concerns about how the remuneration is going to work for these particular districts because they are going to be a new title in statutes. I do not see any changes as far as how the billing will go.

ASSEMBLYMAN ELLISON:

This is so important out there because they are the first responders, the first ones on scene and that is why this is needed. The counties are also paying a portion of this to get these guys trained and equipped.

The bill requires the System pay these expenses for a dependent child of a public employee who was killed in the performance of his or her duty or who dies as a result of injuries sustained in the performance of his or her duty.

The original proposal for this bill was to just include dependent children of law enforcement officers and firefighters. Years ago, when I was in the Chamber at the north end of the building, and over the years we have discussed this with a number of folks. This is the time we thought it would be appropriate to bring this to the forefront with some of our schoolteachers and other public employees being put in harm's way. ASSEMBLYMAN NELSON:

Assembly Bill 227 makes various changes to the licensure, discipline, and general regulation of physicians, osteopathic physicians, and physician assistants. It revises provisions regarding the disclosure of information on the discipline of licensees and addresses investigations of the competency of licensees. The bill also modifies the requirements for licensure to allow qualified applicants with education or training in a program approved by certain Canadian accreditors to apply for a license in this state.

Among other changes, A.B. 227 allows the Board of Medical Examiners to issue a restricted license for a physician licensed in another state to teach, research, or practice medicine at a medical research facility or medical school. It also revises the definition of "sentinel event" to incorporate the most current list of serious reportable events in health care published by the National Quality Forum for the purposes of requiring licensees to report information concerning the occurrence of those events.

ASSEMBLYMAN KIRNER:

I rise in support of Assembly Bill 227. I think one of the key characteristics of this bill is that it begins to prepare us for what we may pass in terms of a medical school in southern Nevada. Specifically, we are saying that if physicians and surgeons from Canada come here, we want them to get licensure. This is a two-thirds bill. Many people look at this as a fee issue. The fact of the matter is, when these surgeons come and they help us in our educational process, they will want to be licensed and pay for their licensure here.

Assembly Bill 238 deletes provisions requiring a 48-hour notice to the owner or operator of a vehicle before the homeowners' association may direct the removal of the vehicle. The bill provides certain criteria for a person to be eligible to be a candidate for or a member of the executive board or an officer of the homeowners' association. If a person is not eligible to be a candidate for or a member of an executive board or an officer, the homeowners' association must not place the name of the person on any ballot as a candidate and must prohibit the person from serving as a member of the executive board or as an officer. Lastly, a procedure is established for the solicitation of bids for association projects.

ASSEMBLYWOMAN CARLTON:

I have a question on Assembly Bill 238. Both of my daughters live in homeowners' associations. Sometimes they do not listen to their mother when she gives them good advice. When the son-in-law borrows my car and parks it in front of the house, we will now not get notice that the car is going to be towed. There will be no notice?

ASSEMBLYWOMAN DOOLING:

That is right. There will not be now due to many, many constituents relating the information that they arrive home late and someone has parked in their spot, and they cannot walk from a long distance to their home when they have to park outside the gates.

ASSEMBLYWOMAN CARLTON:

Back East, we have the long-standing tradition that in a heavy snowstorm you clean out your spot, you put the lawn chair on it, and nobody takes your spot. But literally without any notice at all someone could park in the wrong spot and not even be given the option to come out and move their car. They will just have their car towed away. I have been in positions where I have seen cars towed, and we are talking $200, $300, $400—especially if you do not know which tow yard took it. If there is no notice, you do not even know where your car is residing and there could be valuables in that car. I have grave concerns that we are not at least giving people a little bit of a heads-up to please move your car. This takes being unneighborly to a very expensive realm.

ASSEMBLYWOMAN SEAMAN:

I just want to clarify for my colleague that it is only if you are parked in someone else's space that they will tow the car, not if you are parked in front of a building. The reason that we did this is that we had many complaints from elderly people who were walking home late at night.

GENERAL FILE AND THIRD READING

Assembly Bill No. 409.

Bill read third time.

Remarks by Assemblywomen Seaman and Carlton.

ASSEMBLYWOMAN SEAMAN:

Assembly Bill 409 requires makeup artists who work in licensed cosmetological establishments to register with the State Board of Cosmetology. This bill also eliminates passing a nationally recognized written exam as a requirement for certain applicants who are licensed in a branch of cosmetology in another state or jurisdiction to obtain a license to practice that branch of cosmetology in this state. This bill is effective upon passage and approval.

I would urge everyone here to support this bill so that we can be a state that welcomes other licensees to create more jobs.

ASSEMBLYWOMAN CARLTON:

I talked to staff about this yesterday because I had concerns about the nationally recognized examination being included. As I read Amendment 375 on the yellow sheets, I saw that language struck. So if it is in another spot and I have missed it, I apologize. I had issues on the bill with these folks not paying their fair share of registration, but the one thing that gave me a little level of comfort was the fact that they were going to be tested. As I look at this amendment, that language is no longer there, and I believe that could be a serious issue for the state and may not be the intent of the sponsor of the bill.

ASSEMBLYWOMAN SEAMAN:

This bill does require that they are licensed in another state. The national exam has only been around since the mid-1990s. There are people who have been licensed and practicing these different branches of cosmetology much longer than the national exam has been around.

ASSEMBLYWOMAN CARLTON:

That is almost the answer I was looking for, but my concern is that under the amendment that was adopted to Assembly Bill 409, they will not have to have the exam in their resume. That language has been struck from the bill.

ASSEMBLYWOMAN SEAMAN:

Yes, because after much research on the national exam, not all states offer it. Only about 34 states offer it. Again, this is to bring in the reciprocity for those who have been working and licensed longer than the national exam has been around. The national exam is a private organization that different states may or may not want to engage with.

ASSEMBLYWOMAN CARLTON:

I apologize to the sponsor of the bill if I misheard her in her opening statement because I could have sworn she said they would have to have the exam. I have concerns on people being untested and coming into the state and being able to practice their craft on our residents.

ASSEMBLYMAN TROWBRIDGE:

Assembly Bill 244 provides that a person is guilty of a category C felony, regardless of the value of the loss, if the person has previously been convicted of two or more graffiti offenses or otherwise defacing public or private property or has previously been convicted of a felony for such conduct and commits another such violation. The effective date of this bill is October 1, 2015.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition to Assembly Bill 244. I think we all agree on the need to clamp down on graffiti; I just do not think we agree on the punishment. My opposition to this bill revolves around the fact that the punishment does not fit the crime. A category C felony is an extremely serious crime—you lose your voting rights and your Second Amendment rights. We have to ask ourselves if this is the right way to go about punishing graffiti, and I think the answer is no. I would respectfully urge this body to defeat this measure.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 244. This is my fifth session here. One thing I have learned in five sessions is that as a Legislature, we have scarce resources. We need to protect our constituents against violent crime. Time and time again, we come to the Legislature and we want

to be tough on crime. But we also want to be smart on crime. We need to save our beds at the Nevada Department of Corrections facilities for violent criminals.

Graffiti is terrible. We need to fight it. We need to get it cleaned up. We need to penalize the folks who do it. We need to make sure they pay restitution and that they are not able to have the implements to go back and do it again. But creating a new felony crime of graffiti, taking up bed space that could go to a violent criminal, is not good public policy. It is not being smart on crime. I urge this body to defeat this measure.

ASSEMBLYMAN STEWART:

Assembly Bill 244 addresses a group of people who are constantly committing the crime of graffiti. They are costing Clark County alone over $30 million. These are not young people who are in gangs; these are individuals who do this as a hobby. They are thumbing their nose at the law. They have been convicted three times already and still go on and on with this. It is costing our communities millions of dollars and we have to put a stop to it.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Assembly Bill 246 makes various changes governing the practice of cosmetology. The bill makes it unlawful to advertise certain services in a misleading or inaccurate manner and provides for disciplinary action by the State Board of Cosmetology for violations. The measure establishes the profession of "shampoo technologist" and sets out the various requirements for the regulation of that profession.

I would like to acknowledge the Chair of Commerce and Labor, who provided great leadership to help us work out the issues in this bill. Thank you also to my colleague from Assembly District 34, who provided the amendments to make the bill better.

➥ If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by

If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Assemblywoman Woodbury moved the adoption of the amendment.

Remarks by Assemblymen Woodbury, Carlton, and Silberkraus.

ASSEMBLYWOMAN WOODBURY:

Amendment 646 requires the board of trustees of a school district to enter into a contract to provide school police officers to a charter school if the governing body of a charter school makes a request for the provision of school police officers. The contract must be entered into on or before March 15 for services to be provided for the next school year and must be for at least three years. The contract requires a chief of school police to supervise any school police officer that provides services to a charter school. The board of trustees of a school district may also contract with the metropolitan police department or the sheriff of the county, as applicable, for the provision and supervision of police services in a charter school. Finally, the bill authorizes the principal or a teacher at a public school, including a charter school, and a school police officer to notify the primary law enforcement agency in the city or county when certain offenses have been committed, are threatened to be committed, or are believed to have been committed.

ASSEMBLYWOMAN CARLTON:

I just got this amendment. If we are going to say that the school district police have to accept this request from the charter schools, I want to understand the billing process because this will have an impact on the Clark County School District and the number of personnel it has to buy. These are category II officers usually, possibly category I, so there is a whole benefit package that is involved. This could significantly have a fiscal impact on the Clark County School District.

ASSEMBLYMAN SILBERKRAUS:

To my distinguished colleague to my right side, we have worked with the Clark County School District. The charter schools, if they were to request these services, would pay the actual costs of those officers. They will be required to take a contract for at least three years, so they would have the time to staff up for that need and would not have to hire and fire within one cycle.

ASSEMBLYWOMAN CARLTON:

Thank you. I just needed the intent on the record to make sure that the schools do pay their fair share.

Amendment adopted.

Assembly Bill No. 281.

Bill read third time.

Remarks by Assemblywoman Fiore.

ASSEMBLYWOMAN FIORE:

Assembly Bill 281 creates the Subcommittee on Criminal and Civil Violations of Traffic Laws of the Advisory Commission on the Administration of Justice. The bill requires the Subcommittee to consider issues concerning Nevada's existing statutes on violations of traffic laws and laws related to drivers' licenses, motor vehicle registration, motor vehicle insurance, and the treatment of violations as criminal offenses. The Subcommittee must consider the related laws of other states, the elements of systems necessary to treat violations as civil infractions, and the anticipated fiscal effects of those systems.

Assembly Bill 281 requires the Subcommittee to submit its report to the Advisory Commission at least 30 days before the meeting at which the Advisory Commission considers findings and recommendations for proposed legislation for the 79th Legislative Session. This measure is effective on October 1, 2015, and expires by limitation on July 31, 2017.

This is the bill that all of us together have worked on, so I urge all my colleagues to vote for this bill so that we can pass it out unanimously.

Assembly Bill No. 152.

Bill read third time.

Remarks by Assemblyman Araujo.

ASSEMBLYMAN ARAUJO:

Assembly Bill 152 requires the State Board of Health to adopt regulations prescribing guidelines for all meals and snacks provided to children at a child care facility. A parent or guardian may request that a child's meals or snacks provided by the child care facility do not have

to comply with the guidelines. Such guidelines do not apply to any meal prepared by a parent or guardian and brought to the facility.

The State Board of Health must also adopt regulations to require a child care facility to provide a private space where mothers may breastfeed; provide a program of physical activity; and prohibit a child care facility from withholding or requiring physical activity as a form of discipline.

I want to remind everyone that we worked diligently on A.B. 152 in the Health and Human Services Committee, and I am proud to say that we worked with all partners and brought forth all the amendments that were necessary so that the bill could be voted out unanimously. I also want to remind the body that this bill was brought forth by a strong coalition from across the state of early childhood education leaders who were looking to address this very important issue in our communities. I hope that you will all consider supporting this measure.

Bill read third time.

Remarks by Assemblymen Armstrong, Fiore, Edwards, Jones, and Kirkpatrick.

ASSEMBLYMAN ARMSTRONG:

Assembly Bill 380 enacts provisions relating to the imposition and collection and remittance of sales and use taxes by retailers located outside of Nevada. The bill creates a rebuttable presumption that the sales and use tax must be imposed, collected, and remitted by retailers located outside of the state under the following conditions: the retailer is part of a controlled group of business entities that has a component member who has a physical presence in Nevada and the component member engages in certain activities in Nevada that relate to the ability of the retailer to make retail sales to Nevada residents; or the retailer enters into an agreement with a resident of Nevada under which the resident receives certain consideration for referring potential customers to the retailer through a link on the resident's Internet website; and the cumulative gross receipts from the sales by the retailer to the Nevada customers through all such referrals exceeds $10,000 during the preceding four quarterly periods.

Sections 1.5, 2, 4, 5, and 7 of this act, which contain provisions relating to the rebuttable presumptions for retailers with the component member in Nevada, become effective July 1, 2015. Sections 3, 6, and 6.5 of this act, which contain provisions relating to the rebuttable presumption with retailers who make agreements with Nevada residents relating to referrals of Internet websites, become effective October 1, 2015.

ASSEMBLYWOMAN FIORE:

I was not expecting this bill on the floor. Since it is now on the floor, I am rising in opposition to Assembly Bill 380. This session we have a lot happening with taxation and budgets, and A.B. 380 adds another layer of taxing the Internet. I am adamantly opposed to this, and I urge my colleagues who are not fond of overtaxing everyone to vote against this bill.

ASSEMBLYMAN EDWARDS:

I rise in support of this bill. It is my understanding that this will help our businesses here in Nevada get on an equal footing with businesses in other states. I think my colleague from District 4 has a misunderstanding about how the taxes work. Therefore, I propose that we all support Nevada businesses by putting them on a better footing with everyone else. I hope that you will all support this bill.

ASSEMBLYMAN ARMSTRONG:

I rise in support of Assembly Bill 380. I would also say that the Assemblywoman from District 4 saying that this is a new layer of taxes is not quite correct. There is already a tax on the books, and we will simply be collecting that. It puts the brick-and-mortar stores more in parity with the rest of Nevada businesses.

ASSEMBLYMAN JONES:

I rise in opposition to this tax. It is another layer of bureaucracy. It is going to be very hard to collect from out-of-state businesses that sell in our state. Until it is resolved on a federal level, I do not see how we can tax other businesses in other states and expect them to adhere to that taxation, so I rise against this bill.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Assembly Bill 380. This is something that has been in this building for a very long time. The fair marketplace bill has been in Congress for a little over ten years and is supported by my most conservative colleagues from the Senate as well as by many people across the nation. This bill is the nexus to use taxes already required in the state.

Currently, we have one particular vendor who has taken it upon himself to give us a memorandum of understanding and to collect taxes to see if it made a difference. It has not made a difference. This ensures that our brick-and-mortar folks are on the same playing field with every business out there. This does not address out-of-state folks. We cannot because of commerce laws. This is clarifying the use tax, which we are already supposed to be paying in our state. This is a policy issue, not something new. This is clarification so the policy is clear.

My Senate colleague from District 17, who represents one of the most conservative areas, has worked with me on this since 2005 to ensure that our brick-and-mortar businesses are on a level playing field. There is a big misconception out there that this is a new tax, a new layer. This is neither of those. This is about us being in line and being fair across the board to all businesses. I hope that people will reconsider and support this bill.

ASSEMBLYMAN ARMSTRONG:

Assembly Bill 452 makes various changes relating to the filing of property tax appeals to a county board of equalization or to the State Board of Equalization. The bill specifies that the written authorization to file the appeal on behalf of the owner of the property may be signed by the owner, an employee of the owner, or an affiliate of the owner who is acting within the scope of his or her employment. The term "owner" includes any person who owns, controls, or possesses taxable property.

The bill also requires that, if there is an objection to a written authorization, written notice specifying the grounds for the objection must be given to the person filing the appeal by certified mail. If the person filing the appeal submits any documentation necessary to cure the objection within five business days after the receipt of the notice, the appeal must be deemed to have been filed in a timely manner. This bill becomes effective on July 1, 2015.

Assembly Bill 293 requires that any deputy public administrator appointed by a public administrator must be a qualified elector of the county; be 21 years of age or older; not have been convicted of a felony for which his or her civil rights have not been restored by a court of competent jurisdiction; and not have been found liable in a civil action involving fraud, misrepresentation, material omission, misappropriation, theft, or conversion. In a county with a population of 100,000 or less, the board of county commissioners may, if adopted by ordinance, require a public administrator to notify or obtain permission to transport any property of the deceased outside the county of residence of the deceased.

The measure also authorizes a board of county commissioners, in a county with a population of 100,000 or less, to adopt an ordinance requiring the public administrator to submit to an annual independent audit conducted by a certified public accountant. The bill also increases from $20,000 to $25,000 the maximum gross value of the decedent's property whereby a public administrator may, without procuring letters of administration, administer the estate of a deceased person upon filing with the court an affidavit of his or her right to do so.

Assembly Bill No. 307.

Bill read third time.

Remarks by Assemblywoman Spiegel.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 307 requires the Division of Health Care Financing and Policy and the Aging and Disability Services Division, Department of Health and Human Services, to the extent that money is available, to establish a pilot program to provide intensive care coordination services to children with intellectual disabilities and children with related conditions who have also been diagnosed with a behavioral health need and reside in a county whose population is 100,000 or more. As necessary, the Director of the Department shall amend the State Plan for Medicaid or obtain a Medicaid waiver to use money to pay for the pilot program. Intensive care coordination services must include certain medically necessary services, support for the family, and food and lodging expenses for a child who is receiving supported living arrangements but does not reside with his or her parent or guardian.

The Division of Health Care Financing and Policy and the Aging and Disability Services Division must take certain measures to evaluate the effectiveness of the program and collaborate efforts to obtain grants. The Divisions shall also report to the Legislature and the Legislative Committee on Health Care [LCHC] the status and results of the pilot program. The boards of county commissioners in counties with populations less than 100,000 must report to the Legislature and the LCHC the manner in which they make provisions for the support, education, and care of children with intellectual disabilities and related conditions in their respective counties.

Since the economic downturn, children who have been dual diagnosed with intellectual disabilities and behavioral issues have been sent out of state for treatment. It is time to bring our children home to Nevada and reunite their families. I urge your support of this bill.

Assembly Bill 324 lowers the age of a child for whom a child welfare agency is required to obtain a credit report from 16 years of age to 14 years of age to conform with federal requirements. A law enforcement agency is required to request certain identifying information from a parent or guardian of a child of any age who has been missing for 30 days. In order to receive certain federal funds, the Division of Child and Family Services is required to adopt regulations concerning children who run away from foster care. The bill authorizes a child welfare agency that has custody of a child who is 16 years of age or older to present compelling reasons at a permanency hearing for placing a child in another permanent planned living arrangement. Also at the permanency hearing, a court shall ask a child about his or her desired permanent living arrangement and include an explanation as to why it is not in the best interest of a child to return to a certain living arrangement, if the court makes such a determination.

Assembly Bill 325 provides for the licensure and regulation of private professional guardians by the Commissioner of Financial Institutions. The measure also clarifies that relatives, including those who live outside the state, are allowed to provide court-appointed guardianship to a relative before a court appoints a public or private professional guardian as long as the relative is willing and able to do so and is otherwise qualified and suitable.

I have reached out to so many people, to so many organizations within this industry. There is a fair amount of disarray. Some people are very much opposed to this bill. Many are very supportive of what we are trying to do. Ultimately, this bill is going to put the infrastructure into place so that licensure can occur and so that this profession can have the legitimacy it deserves. Those who need recourse now have a place to get that recourse.

ASSEMBLYWOMAN SEAMAN:

Remarks by Assemblyman Elliot Anderson.

ASSEMBLYMAN ELLIOT ANDERSON:

Assembly Bill 328 creates certain procedures to avoid conflicts of interest in school districts where there are more than 50,000 pupils. The place of business of the hearing officer must, to the extent practicable, be located in the school district. Finally, in order to remain on the list maintained by the Department, the hearing officer must receive training concerned with laws related to special education, hearing procedures, and writing decisions.

This bill is about ensuring procedural justice, which means ensuring that no matter whether someone wins or loses they can accept the result without getting too mad. Hopefully, that will help us avoid litigation. That is the goal of this, not to push the hearing to any side, but just to ensure that whoever wins, whoever loses, the parties accept the decisions and feel like they were treated fairly. I urge passage.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 341 requires the board of trustees of each school district, and the governing body of each charter school that serves pupils in kindergarten or grades 1, 2, or 3, to prescribe an early literacy screening assessment for each pupil who has indicators for dyslexia and needs intervention. If an early literacy screening confirms that a pupil has indicators for dyslexia, the school board or governing body of a charter school is required to address the needs of a pupil through the response to scientific, research-based intervention system of instruction. The Department of Education is required to designate at least one employee to receive training in effective methods of intervention for pupils with dyslexia and each school district and charter school that serves pupils in kindergarten or grades 1, 2, or 3 is required to designate at least one employee serving these children to receive professional development regarding dyslexia, including methods to recognize indicators for dyslexia.

During the hearing in front of your Committee on Education, there was a lot of really moving testimony. There was a study that the State of Nevada conducted back in 1984, in terms of trying to reach out to kids who have dyslexia, and the study, unfortunately, sat on the shelf. It recommended what we are trying to do in A.B. 341. Some of the parents talked about their children not getting diagnosed early enough, being sent off to certain individualized education programs that did not provide multisensory training in reading to try and help them. It was years before they got the help they needed. I am really hopeful that A.B. 341 will help kids who have dyslexia and are not getting that assistance. It is a big step forward, and I hope the body will look favorably on it.

GENERAL FILE AND THIRD READING

Assembly Bill No. 320.

Bill read third time.

Remarks by Silberkraus, Ohrenschall, Hickey, Nelson, Kirkpatrick, and Elliot Anderson.

ASSEMBLYMAN SILBERKRAUS:

Assembly Bill 320 designates certain elected offices as nonpartisan. These include constable, county assessor, county clerk, county commissioner, county recorder, county treasurer, district attorney, and public administrator. If a vacancy occurs on a board of county commissioners, the board may, in lieu of appointment by the Governor, declare a special election to fill the vacancy. A candidate declared elected at a primary election for a nonpartisan office shall be deemed to have been elected at a general election for statutory purposes.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 320. I think we are in what many people call the information age. People know what is in their soda and they know what their candidates are all about. This is an era when, even though we have nonpartisan races in Nevada, people know the political party of the candidate running for judge or Supreme Court or Board of Regents. It is not a secret. People find out either on their own or organizations tell them. I see it as a step backward to take that information away from our voters. It is something they have a right to know. There has been case law that says judicial candidates, if they want to, can let people know what political party they affiliate with. Even though they might run in states like Nevada that elect judges as nonpartisans in nonpartisan races, it is something voters have a right to know. A lot of people do care about that. I do not think we are doing a service to our constituents to take that information away from them.

ASSEMBLYMAN HICKEY:

I rise in support of Assembly Bill 320. I think my colleague from District 12 makes the point of the bill by saying that citizens have the duty, and frequently exercise it, to find out exactly the partisan nature of candidates. At the same time, we have an ever-growing number of nonpartisan and independent voters in the state. These county and municipal offices are of a very local nature. I think the effect of all this will be to involve more persons like that. For those who do care about the partisan identification of those they vote for, as the Assemblyman said, they can certainly find that out.

ASSEMBLYMAN NELSON:

I rise in favor of Assembly Bill 320. My colleague from the north said a number of the things I was going to say, so I will keep this very short. I think we have seen, even today, the nature of partisan politics. We have had many bills today that were voted, unfortunately, on strictly party lines, and I think that as much as we can possibly get rid of partisanship on the local level, it will be helpful.

ASSEMBLYWOMAN KIRKPATRICK:

In all fairness, I have limited everything I have done today, including putting bills on the desk. We have had plenty of recesses, Mr. Speaker, in all fairness, and I am no longer nice about this today. The First Amendment allows us to speak on this floor. I am staying within every point of order there is today. I cannot say that for my colleagues.

I rise in opposition to Assembly Bill 320. I worked hard to not have partisan politics in this building, so to say that there is partisan politics in this building, it is because you all brought it here. I did not. I rise in opposition to this bill because partisan politics is the person who you are, and you make it partisan. All those boards that we talk about every day are not partisan unless you make them so.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition. My colleague from District 12 is right in a way. For the high-profile races, people are informed about what party the candidate belongs to and what they believe. I think what having party registration on the ballot means for people is that you have a quick judgement shortcut to figure out what the candidate believes. I would rather have people voting based upon some information rather than no information. This bill talks about low-information races, races that voters normally do not pay attention to. So it is better for them to have some idea of who they are voting for rather than none.

The following amendment was proposed by Assemblywoman Fiore:

Amendment No. 603.

AN ACT relating to criminal procedure; authorizing certain persons who are prohibited from owning, possessing or having under their custody or control any firearm or who have had certain civil rights taken away to petition the court to restore such rights in certain circumstances; authorizing a prosecuting attorney to inquire into, inspect and use as evidence certain sealed records in certain circumstances; adding a person who has been convicted of a misdemeanor crime of domestic violence to the list of persons who are prohibited from owning or having in their possession or under their custody or control any firearm; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits certain persons from owning or having in their possession or under their custody or control any firearm, including a person who has been convicted of a felony in this State or any other state, or in any political subdivision thereof, or of a felony in violation of the laws of the United States of America, unless the person has received a pardon and the pardon does not restrict his or her right to bear arms. (NRS 202.360) **Section 5** of this bill adds to such a list of persons a person who has been convicted in this State or any other state of a misdemeanor crime of domestic violence, as defined in federal law.

Section 2 of this bill establishes a procedure by which a person who: (1) is prohibited from owning or having in his or her possession or under his or her custody or control any firearm because the person has been convicted of a felony or a misdemeanor crime of domestic violence; or (2) has had his or her civil rights to vote, to serve as a juror in a civil or criminal action and to hold office taken away and has not had all such rights restored, may, after a certain applicable waiting period, petition the district court in the county in which the person resides or in which the person was convicted for the restoration of such rights. For a person to be eligible to have such rights restored: (1) the person must not currently be serving any sentence or facing any new charge for an offense which would cause the person to be ineligible to petition to have such rights restored; and (2) if the person is seeking the restoration of his or her firearm rights, the person must not otherwise be prohibited from possessing a firearm under any other applicable provision of the laws of this State.

Section 2 also requires that a date for a hearing on such a petition be set for not earlier than 30 days and not later than 120 days after a petition is filed, unless waived by the parties. The court is required to make a decision within 30 days after the hearing on the petition is completed.

Section 2 additionally requires the court to issue an order restoring a petitioner's civil rights and the right to own, possess and control any firearm if: (1) the petitioner has never been convicted of a misdemeanor crime of domestic violence; (2) the petitioner has never been convicted of a category A, B or C felony; and (3) the only category D or E felony for which the person has ever been convicted did not include certain elements. A petitioner who does not meet such criteria but meets certain other criteria must prove to the court by clear and convincing evidence that he or she is rehabilitated and is unlikely to use the restoration of any rights for an unlawful purpose. If the court determines that the petitioner does not satisfy the burden of proof, the court is required to issue an order denying the restoration of such rights and to state the basis for such a denial. **Section 2** further authorizes such a petitioner to reapply for the restoration of such rights not earlier than 1 year after the date the court order is entered. Finally, **section 2 requires a person to accept a copy of a court order restoring a person's civil rights or right to own, possess and control any firearm as proof that such rights have been restored to the person.**

Section 2 also authorizes a person who has lost his or her civil rights as a result of a conviction in another state to petition the district court for the restoration of such rights if the person would otherwise be eligible to petition the district court for the restoration of such rights if the conviction that resulted in the loss of such rights occurred in this State.

Section 11 of this bill requires a person whose right to own, possess and control any firearm has been restored pursuant to section 2 to carry on his or her person, any time the person is in possession of a firearm, a copy of the court order restoring such a right. This requirement expires by limitation on July 1, 2017.

Existing law authorizes certain persons to inquire into and inspect certain records that have been sealed in certain circumstances. (NRS 179.301) **Section 3** of this bill authorizes a prosecuting attorney to inquire into and inspect certain sealed records if the person who is the subject of the records has petitioned to have his or her right to own, possess and control any firearm restored pursuant to **section 2**. **Section 3** also authorizes a prosecuting attorney to use any such records as evidence during a hearing on such a petition.

(e) Two or more times of a felony, unless a felony for which the person has been convicted arose out of the same act, transaction or occurrence as another felony, in which case the convictions for those felonies shall be deemed to constitute a single conviction for the purposes of this paragraph.

➥ A person described in this subsection may petition a court of competent jurisdiction for an order granting the restoration of civil rights as set forth in subsection 3.

5. The prior conviction of a person who has been honorably discharged from probation may be used for purposes of impeachment. In any subsequent

prosecution of the person, the prior conviction may be pleaded and proved if otherwise admissible.

1. If a person is prohibited pursuant to paragraph (a) of NRS 202.360 from owning or having in his or her possession or under his or her custody or control any firearm because the person has been convicted of a felony or a misdemeanor crime of domestic violence, or if the person has had his or her civil rights to vote, to serve as a juror in a civil or criminal action and to hold office taken away and all such civil rights have not been restored, the person may, after the applicable waiting period set forth in subsection 2, petition the district court in the county in which the person resides or in which the person was convicted for the restoration of his or her right to own or have in his or her possession or under his or her custody or control any firearm and the restoration of his or her civil rights if the person:

(a) Is not currently serving any sentence or facing any new charge for an offense which would cause the person to be ineligible to petition to have such rights restored; and

(b) If the person is seeking the restoration of the right to own or have in his or her possession or under his or her custody or control any firearm, is not otherwise prohibited from possessing a firearm under any other applicable provision of the laws of this State.

(3) The only category D or E felony for which the person has ever been convicted is a category D or E felony that did not include as an element of the offense:

(II) An act of intentional violence against another person; or

(III) The intentional use of a deadly weapon.

(b) Two years after the completion of the person's sentence for an offense described in subparagraph (3) if the person:

(1) Has never been convicted of a misdemeanor crime of domestic violence;

(2) Has never been convicted of a category A, B, D or E felony; and

(3) The only category C felony for which the person has ever been convicted is a category C felony that did not include as an element of the offense:

(III) The intentional use of a deadly weapon.

(c) Six years after the most recent completion of the person's sentence for an offense described in this paragraph if the person:

Assemblywoman Fiore moved the adoption of the amendment.

Remarks by Assemblywoman Fiore

ASSEMBLYWOMAN FIORE:

Section 2 of Amendment 603 to Assembly Bill 357 requires a person to accept a copy of a court order restoring a person's civil rights or right to own, possess, and control any firearm as proof that such rights have been restored to the person. Section 11 of this bill requires a person whose right to own, possess, and control any firearm that has been restored must carry a copy of the court order proving the restoration of such rights. This requirement expires by limitation on July 1, 2017.

The reason for this amendment is that until the Department of Public Safety upgrades its systems, we did not want to hinder some of our people for whom we are restoring rights and have to put a note on this to update computers. That is Amendment 603.

Amendment adopted.

Remarks by Assemblyman Thompson.

ASSEMBLYMAN THOMPSON:

Assembly Bill 364 requires the Secretary of State to establish common business registration information that may be used by state and local agencies and health districts to conduct necessary transactions with businesses in this state and cause the state business portal to exchange common business registration information among these entities. The bill authorizes these entities, to the extent feasible, to integrate their electronic applications processes into the state business portal. The bill also requires the Secretary of State to suspend the state business license of a sole proprietor if the Secretary of State receives a copy of a court order providing for the suspension.

I also want to reiterate that this is optional for jurisdictions to participate. I want to say that this is an awesome product of collaboration between the Secretary of State's Office and our local jurisdictions. They have been working on this process for numerous years to make it very efficient and make it very customer-friendly for our business community. I would urge this body to support this bill.

Amendment No. 645.

AN ACT relating to domestic relations; authorizing a party in certain domestic relations actions to file a postjudgment motion to obtain adjudication of certain property and liabilities that were omitted from the final decree or judgment ~~[,]~~ **as the result of fraud or mistake;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in granting a divorce, a court must, to the extent practicable, make an equal disposition of the community property of the

parties, unless the action is contrary to a valid premarital agreement between the parties or the court makes written findings setting forth a compelling reason for making an unequal disposition of the community property. (NRS 125.150) The Nevada Supreme Court has held that under Rule 60(b) of the Nevada Rules of Civil Procedure, relief from a divorce decree dividing community property between the parties may be obtained by: (1) filing within 6 months after the final decree a motion for relief or modification from the decree because of mistake, newly discovered evidence or fraud; or (2) showing exceptional circumstances justifying equitable relief in an independent civil action. (*Kramer v. Kramer*, 96 Nev. 759, 762 (1980); *Amie v. Amie*, 106 Nev. 541, 542 (1990)) In *Doan v. Wilkerson*, 130 Nev. Adv. Op. 48, 328 P.3d 498 (2014), the Nevada Supreme Court held that exceptional circumstances justifying equitable relief do not exist when a particular item of community property was disclosed and considered in a divorce action but omitted from the divorce decree.

This bill authorizes a party in an action for divorce, separate maintenance or annulment to file a postjudgment motion to obtain an adjudication of any community property or liability that was omitted from the final decree or judgment ~~[.]~~ **as the result of fraud or mistake. Under this bill, such a motion must be filed within 3 years after the aggrieved party discovers the facts constituting the fraud or mistake.** This bill further provides that the court has continuing jurisdiction to hear such a motion and must make an equal disposition of the omitted community property or liability unless the court finds that certain exceptions apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of

that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. ***A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment*** ~~***[. (a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

~~[4.]~~ ***5.*** In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

~~[5.]~~ ***6.*** In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

~~[6.]~~ ***7.*** If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

~~[7.]~~ ***8.*** If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

~~[8.]~~ ***9.*** In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

~~[9.]~~ ***10.*** In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

~~[10.]~~ ***11.*** If the court determines that alimony should be awarded pursuant to the provisions of subsection ~~[9.]~~ ***10:***

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

Assemblywoman Swank moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Assembly Bill No. 371.

Bill read third time.

Remarks by Assemblyman O'Neill.

ASSEMBLYMAN O'NEILL:

Assembly Bill 371 establishes a new procedure for the retention and destruction of certain quantities of substances alleged to be marijuana seized as evidence by a law enforcement agency. The law enforcement agency may, without prior approval of the district court in the county in which the defendant is charged, destroy any amount of the alleged substance that exceeds ten pounds. The law enforcement agency is required to weigh the substance, take and retain certain samples of the substance for evidentiary purposes, and take photographs that reasonably demonstrate the total amount of the substance. If the substance is determined not to be marijuana, the owner may file a claim against the county to recover the reasonable value of the property destroyed.

Assembly Bill No. 375.

Bill read third time.

Remarks by Assemblymen Dooling, Araujo, Elliot Anderson, Swank, Shelton, Edwards, Hansen, Nelson, Seaman, Benitez-Thompson, Fiore, Hickey, and Armstrong.

ASSEMBLYWOMAN DOOLING:

Assembly Bill 375 requires that any school facility in a public school, including a restroom, locker room, or shower that is designated for use by persons of one biological sex, must only be used by persons of that biological sex, as determined at birth. For any pupil who asserts at school a gender that is different than the pupil's biological sex, a public school is required to provide the best available accommodation that meets the needs of the pupil, but such accommodation must not include access to a school restroom, locker room, or shower designated for use by persons whose biological sex is different from the pupil's biological sex. Such accommodation may include, without limitation, access to a single-stall restroom, access to a unisex restroom, or controlled use of a faculty restroom, locker room, or shower. This bill will bring privacy and safety for all children.

ASSEMBLYMAN ARAUJO:

I rise in strong opposition to Assembly Bill 375. Simply put, Assembly Bill 375 promotes segregation, discrimination, and bullying in our schools. This bill could potentially place a target on and dehumanize some of our most vulnerable children, including our transgender children.

Yesterday I received a letter from a parent of a six-year-old girl who attends an elementary school here in our home state of Nevada. Before local-level policies were put in place, this beautiful, young transgender girl was forced to use a toilet in the back of a storage closet of her school, with a mop and bucket and disheveled PE [physical education] equipment. Once local decisions were made and nondiscriminatory policies on restrooms were adopted, this little Nevadan was able to use the girls' restroom and absolutely blossomed. A child who did not want to go to school, who did not drink liquids to try to avoid using the restroom during the day—remind you, she is six years old—now wakes up early, gets dressed, and is ready to go to school. What parent does not want a happy, confident child who feels safe and welcome at school? If this bill passes, I am afraid we will not have success stories like this little Nevadan's any longer. Instead, we will be putting our children in harm's way. Mr. Speaker, with a heavy heart, I urge this body to please vote no. This bill is bad for our children, it is bad for our families, and it is bad for our state.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition to Assembly Bill 375. This bill is a bad bill from a legal standpoint. This bill will put school districts between a rock and a hard place with federal guidelines that run contrary to our proposed bill. If this bill is passed at the state level, schools are going to be out of compliance one way or the other. The Ninth Circuit has permitted a sex discrimination claim for sex stereotyping. Other cases nationally that hold minority viewpoints on this issue will not apply in the Ninth Circuit with much muster. Additionally, the court will look persuasively on Title VII jurisprudence which states "because of sex" can apply to transgender individuals. That is very persuasive to the Ninth Circuit because it is their own jurisprudence.

At the end of the day, Mr. Speaker, this bill is a bill in search of a solution to a nonexistent state problem. It will be litigated, and it will cost the state money in addition to causing irreparable harm to children in our state. I strongly urge this body to vote no.

ASSEMBLYWOMAN SWANK:

I rise in strong opposition to Assembly Bill 375. This bill will segregate transgender and gender nonconforming kids to separate bathrooms and locker rooms and would promote discrimination and allow bullying in our schools. This bill flies in the face of everything this Legislature should stand for. It harkens back to a time when telling people they were different was accepted. I do not take this lightly when I say it, but this bill is just plain wrong. This bill would not promote equality or fairness, as the bill's sponsors purport, but would instead ostracize children. We all know childhood is difficult enough; we do not need to make it harder. If this bill passes, children across this state will be singled out and made a target for bullying.

I am not sure if you know this, but the suicide rate in the transgender community is over 40 percent. Many of these kids self-harm, and they drop out of school without any support. We need to change these statistics, not further them. To be honest, state-sanctioned bullying and ostracizing should not be an issue in front of this body. Rather, this is something that needs to be handled in the local school districts. Everyone needs bathroom access, and everyone should be able to choose the restroom that corresponds to their own gender identity. I cannot urge this body strongly enough to not support this bill. These are our kids. We need to take care of them. We do not need to be marginalizing them.

ASSEMBLYWOMAN SHELTON:

I rise in support of Assembly Bill 375. While there has been a lot of controversy about A.B. 375, this bill is protecting the rights of all the students, while also respecting everyone's privacy and I urge this body to vote yes.

ASSEMBLYMAN EDWARDS:

I rise for a couple of clarifications from the sponsors of the bill. I am very sensitive to the privacy needs of all the children, especially the younger ones who are just young and innocent. It is indeed one of our imperatives. I am also very sensitive to the fact that most of the people in my district are also sensitive to the needs of the children. I fully support them in that. Being on Ways and Means has made me a whole lot more sensitive to the costs involved with everything we do, so I would greatly appreciate if the sponsors of this bill could answer a couple of questions.

As I look at section 1, it talks about "Any school facility in a public school, including, without limitation . . . " and so on. Then it talks about public schools "shall provide separate, private areas designated for use by pupils based on their biological sex." Having gone through contracting, I know that when you say "shall," it means you do not have a choice and you must do it. Therefore, I need to know what is the cost that we are about to incur. We have 450-odd school facilities in this state. We just passed a huge bonding bill to build another hundred. I need the sponsors of this bill to explain in some reasonable fashion what will the renovation costs be for the schools that are currently here, and what will the redesign financial impact be to the schools that we are about to build. As I look around my district where they are still struggling to get textbooks, feed kids, and a whole array of other needs, I need to know what the trade-off is here. In the 460 schools we currently have and the hundred we are about to have, I believe that is in the tens of millions of dollars. I need to make sure that we are doing this smartly with our eyes wide open. I would appreciate an answer to that question.

I also would like to know, given the fact that I have rural communities in my district, how will this affect the rural communities? How will it impact their schools? What if we do not build this fast enough and people decide that we are violating the part of the law that says "shall" build, and they say it is not being built fast enough? Do we risk enormous lawsuits in rural communities that simply do not have the funding to fight them? And then what does that do to them as they try to get the textbooks, the chairs, or anything else that they have desperately been needing for a while?

The final point that I would like to make is kind of looking out for those of you who are the tax pledge signers. Being on Ways and Means, it occurs to me that there is no money in the budget for this bill. Therefore, we are going to have to raise taxes somewhere. I do not want you to become the targets of a ruthless blogger who will not be pleased to know that you are breaking your tax pledge. I think you need to go into that with eyes wide open, because he will not forget and neither will you.

If the sponsors would kindly advise us as to the answers to these questions, I would greatly appreciate it.

ASSEMBLYMAN HANSEN:

First of all, the biggest issue for the locals, since I represent seven different counties, is the fact that if these counties do not change and adapt—in other words, if they keep their traditional ways—they have already been threatened with a lawsuit by the American Civil Liberties Union [ACLU]. I have been in constant communication with the Attorney General regarding this bill. He has made it very clear that he would like to have the opportunity. My counties, as you point out, could not afford to fight a lawsuit. Therefore, they are going to be blackmailed into these sorts of arrangements by threats from the ACLU. The money that they would save in those lawsuits could be used, if they wanted to, but the reality is this is a tiny, tiny, tiny portion of people that we are talking about. The existing facilities can certainly be used. So the idea that this is going to be some big, backbreaking financial burden just does not hold up.

Secondly, we had the most experienced constitutional lawyer in the Legislative Counsel Bureau [LCB] show up at our hearing and he made it clear to the entire committee that this bill is completely 100 percent constitutional. The issue of "shall" as far as fiscal—it went through fiscal as well—there is no fiscal cost. This is simply an opportunity for the state to help defend the smaller counties by bringing them in to the protection of the Attorney General of the State of Nevada.

ASSEMBLYMAN EDWARDS:

This will be very quick. I appreciate your input. I am still looking for a dollar number, some kind of an estimate, because insignificant is irrelevant. I need to know a dollar figure. Having worked overseas building entire camps, I know that the cost of these things is oftentimes much more than expected. By my estimates, we are looking at tens of millions of dollars. If that is the case, we can still afford it, but we need to go forward knowing that it is going to cost a lot of money and we are going to have to be able to explain that to all of our constituents.

ASSEMBLYMAN NELSON:

In response to my colleague's question, as I read the bill, it does not say anything about build. I do not see the word "build" in there. What it says is, "For any pupil who asserts at school a gender that is different than the pupil's biological sex, a public school shall provide the best available accommodation that meets the needs of the pupil . . .." It says they "shall provide"; it does not say they have to build a new wing to the school. And it says, "Such accommodation may include . . ." and then it gives some examples. It does not say they have to fall into a certain category.

With respect to my other colleague's comments about the constitutionality of the bill, there is a 1981 U.S. Supreme Court case which states that it is proper, in certain circumstances, to provide for different accommodations based on gender, such as was just done in the White House. A unisex bathroom was just put in the White House, and it was big news. If our school districts decide they want to do that, they can make that decision.

ASSEMBLYWOMAN SEAMAN:

I want to thank my colleague from District 41 for bringing forth this bill to accommodate all children so that they will have privacy. Hopefully, with everyone able to have privacy, this could prevent these vulnerable children from being bullied.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

I want to point out that while we have been in this Chamber this session, we have been told time and time again by the majority party that small government is better government. The less intrusive our government is in our daily lives, the better government we have. Many people in this building campaigned on that, yet I can think of no more of an intrusive bill, no more of a bill that flies in the face of the theory of small government, than this bill. Regulating bathroom use? Such regulation is the exact opposite of efficient government, meaningful government, good public policy. It is the exact opposite of small government. I do not think this is the type of policy that is indicative of the spirit of Nevadans or us as Nevadans, and I stand opposed.

ASSEMBLYWOMAN FIORE:

I rise in support of Assembly Bill 375. This is a bill that we have discussed for many, many hours. This is a bill that is truly about fairness for all children. I will tell you: knowing our school elected officials and knowing our school administration, this bill is not going to affect the little Ms. Nevadans that my Assembly colleague from the south talked about, because I truly believe that certain schools, with certain children who are living their lives as a specific gender, will not be harmed. I rise in support of this bill. I think that it has a long way to go, but I want to make sure—as a Republican, I am pro LGBT [lesbian, gay, bisexual, and transgender], raised by lesbian women. This bill is not what people are making it out to be. This bill is truly fairness and freedom for all of our students.

ASSEMBLYMAN HICKEY:

I rise reluctantly in opposition to Assembly Bill 375. Many of us in this body have stood against discrimination for decades. I am one of them. However, I believe the American public has grown tired of political, social, and now gender identity labels that further divide us as a state and as a country. My vote against this bill today is not so much in opposition to yet another state statute, although I do agree this is an issue best left to our local school districts and the families that are connected to them. I believe this is a uniquely American declaration that we should support: that all men and women are created equal and should be treated that way. I would like to think my vote today represents the thousands of Nevadans who do not have to be told what is wrong and what is right—that it is wrong to hate and discriminate against each other—and who do not believe it is necessary to create yet another state law reminding us of what divides us as a state and as a country. For that reason, I will not be voting in favor of this bill.

ASSEMBLYMAN ARMSTRONG:

I rise briefly to discuss the difficulty I have had in dealing with this measure. Assembly Bill 375 is a great example of how difficult this job can be sometimes. People think that everything we do is black and white. When we decide to press the green button or the red button in this body, we support that decision 100 percent, and that is simply not the case. Some of our votes are 60-40, 72-25, or somewhere in between. I have heard from both sides on this measure, and I feel this issue can be best handled at the local level. Like my colleague from District 25, I feel my no vote is the best way to serve the people of Nevada.

ASSEMBLYMAN O'NEILL:

Assembly Bill 377 requires the State Land Registrar, upon notice from the Department of Corrections that operational activities at the Nevada State Prison in Carson City have ceased, to assign structures appropriate for administration as historical, cultural, educational, and scientific resources to the appropriate state agency and to assign the structures appropriate for continued administration by the Department of Corrections to the Silver State Industries Division within the Department. The bill creates three funds and sets forth their allowable uses and responsibilities for administration. Those funds are as follows: (1) the Endowment Fund for the Historic Preservation of the Nevada State Prison; (2) the Silver State Industries Endowment Fund; and (3) a dedicated trust fund established by the Board of Museums and History. Finally, the bill allows the Department of Corrections, and any other state agency that is assigned administration of historic properties within the prison, to grant special use permits to, or enter into agreements with, the Nevada State Prison Preservation Society for the purpose of giving tours or engaging in other commercial and tourist activities relating to the historic portions of the prison.

As most of you already know, the Nevada State Prison was closed as a maximum security prison in 2012. In the last session, my predecessor, good friend, and our former colleague Pete Livermore, along with colleagues from across the aisle, brought forth Assembly Bill 356 to establish the preservation of this state prison, which had over 150 years of service. This is a continuation, and I seek your approval for it.

ASSEMBLYWOMAN SWANK:

I rise in support of Assembly Bill 377. A little homage to our former colleague, Pete Livermore, who sat here next to me last session. He became a very dear friend, and he and I worked together on this bill to save parts of and reuse the Nevada State Prison. Assembly Bill 404 establishes a procedure for a person who is applying to transfer or make a firearm to request and obtain the required certification from a chief law enforcement officer. The measure requires that the chief law enforcement officer, within 15 days of receiving an application, provide the certification and, if unable to provide the certification, then provide the applicant written notification of the denial. If denied, an applicant may appeal the decision. The chief law enforcement officer is authorized to conduct a background check as part of determining whether to provide or deny certification.

This bill also provides that a person may continue to carry a concealed firearm in this state if, within 60 days after becoming a resident, the person has submitted an application to the sheriff for a permit to carry a concealed firearm. The person may continue to carry a concealed firearm pursuant to the permit issued by another state until the sheriff grants or denies the application. Evidence that the person has paid the application fee for a permit is sufficient proof that the person has submitted an application for a permit.

ASSEMBLYMAN EDWARDS:

I rise for a clarification on this. I notice that there is a 15-day requirement for the law enforcement to respond. I would like to know how this is going to impact the rurals, since a lot of the rurals do not have a lot of law enforcement officers to go around to do paperwork. Could you somehow quantify this for us so that we know what we are voting for, what kind of a burden we might be placing on our people, and if this is going to be good for the rurals or not?

ASSEMBLYWOMAN FIORE:

I would love to clarify that for my colleague in Assembly District 19. Our Sheriffs' and Chiefs' Association does not seem to have an issue with this, and I do not think it is going to create any issues in the rurals. I have gotten all their support on this bill. ASSEMBLYMAN HANSEN:

Assembly Bill 421 creates the Spending and Government Efficiency Commission for public education and for the Nevada System of Higher Education. Without elaborating any further, this is a copy of the original Spending and Government Efficiency Commission. Some of you got to hear General Partlow, who was the Executive Secretary for this effort, testify. This has saved the state tens of millions—if not hundreds of millions—of dollars. A simple example of that is what our own colleague has been working on so aggressively on the sunset committees. That all came through this kind of a bill, so I would urge my colleagues to support Assembly Bill 421 to improve government efficiency and do all we can to make things the way they should be.

Assembly Bill 433 provides that the interception, listening, or recording of a wire, electronic, or oral communication by a peace officer or certain other persons is not unlawful under certain circumstances. Specifically, it provides that these activities by a peace officer or certain other persons are not unlawful if they are intercepting the communication of a person who has barricaded himself or herself, resulting in an imminent risk of harm to the life of another person; created a hostage situation; or threatened the imminent illegal use of an explosive. The measure

authorizes the Attorney General or the district attorney to apply for an order authorizing the interception of an electronic communication. The bill authorizes district courts of this state to issue orders requiring a provider of electronic communication service to disclose the contents of a wire or electronic communication or a record or other information pertaining to a subscriber to, or customer of, such service upon the application of a district attorney or the Attorney General supported by an affidavit of a peace officer as provided by federal law.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 433. I have concerns that this could be abused. The question of not obeying an officer's request or what qualifies as a dangerous situation really needs to go to a member of our judiciary. That is why we have the separation of powers. In my normal nine-to-five job, I certainly have seen warrants that are signed at 3 a.m. by members of the court. If it is their week, that is their job—to be up, be available, be ready to sign a warrant if there is a circumstance that needs it. I do have concerns about this bill.

A candidate who knowingly and willfully files a declaration of candidacy that contains a false statement is guilty of a category E felony. The definition of "actual residence" is revised to mean the place of permanent habitation where a person actually resides and is legally domiciled.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Assembly Bill 461. We need tough election laws and we cannot tolerate dishonesty when it comes to voting or the people who file for office. However, during the hearing on this bill in your Committee on Legislative Operations and Elections, I asked a question of the representative from our Secretary of State's Office. I asked how many prosecutions there had been for filing false statements on candidate affidavits and whether the current penalty, a gross misdemeanor which is punishable by up to 12 months at the county jail, was sufficient. The answer was zero. There have been zero prosecutions. When an Executive Branch agency comes to the Legislature and makes an argument that a penalty is not working, is not dissuading people from committing a crime and we need to enhance the penalty, then I can see that we should look at that. But when there have been zero prosecutions with a penalty of up to 12 months in jail, I am really concerned about whether this is the way to go. I think we need to see the laws that we have on the books enforced before we look to creating new felony crimes, especially nonviolent ones.

ASSEMBLYMAN STEWART:

I appreciate the comments of my colleague from District 12, but I think we need to ensure, by making penalties stiff enough, that people who represent a district actually live in that district. I do not think this bill is unreasonable.

Assembly Bill No. 91.

Bill read third time.

The following amendment was proposed by Assemblymen Moore and Kirkpatrick:

Amendment No. 636.

AN ACT relating to mental health; expanding the list of persons authorized to file an application for the emergency admission of a person alleged to be a person with mental illness and a petition for the involuntary court-ordered admission of such a person to certain facilities or programs; expanding the list of persons authorized to conduct the examination required before a person is admitted to a mental health facility on an emergency basis; expanding the list of persons authorized to complete certain certificates concerning the mental

condition of another; **requiring notification of certain persons if a person is transported to a mental health facility, hospital or other place for the purposes of emergency admission or if a petition for an involuntary court-ordered admission is filed; requiring certain providers of treatment to report the number of emergency and involuntary admissions, categorized by profession, to the Legislature;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines "person with mental illness" as a person whose capacity to exercise self-control, judgment and discretion in the conduct of the person's affairs and social relations or to care for his or her personal needs is diminished, as a result of mental illness, to the extent that the person presents a clear and present danger of harm to himself or herself or others. (NRS 433A.115) Existing law authorizes certain persons to file an application for the emergency admission of a person alleged to be a person with mental illness to certain facilities. (NRS 433A.160) **Section 1.5** of this bill expands the list of persons who are authorized to file such an application to include a physician assistant.

Existing law requires a person to be examined by a physician, physician assistant or advanced practice registered nurse before being admitted to a mental health facility on an emergency basis. (NRS 433A.165) **Section 1.6** of this bill authorizes a paramedic to conduct such an examination.

With certain exceptions, existing law requires an application for the emergency admission of a person alleged to be a person with a mental illness to be accompanied by a certificate of a psychiatrist or licensed psychologist or, if neither is available, a physician, stating that the person has a mental illness and, because of the mental illness, is likely to harm himself or herself or others if not admitted to certain facilities or programs. (NRS 433A.170, 433A.200) Under existing law, a licensed physician on the medical staff of certain facilities may release a person alleged to be a person with mental illness who has been admitted on an emergency basis if a licensed physician on the medical staff of the facility completes a certificate stating that the person admitted is not a person with a mental illness. (NRS 433A.195) **Sections 1, 1.7, 2, 3 and 4** of this bill authorize a physician assistant under the supervision of a psychiatrist, a psychologist, a clinical social worker with certain psychiatric training and experience, an advanced practice registered nurse with certain psychiatric training and experience or an accredited agent of the Department of Health and Human Services to complete such a certificate while still requiring a licensed physician on the medical staff of the facility to release the person. **Sections 4.2 and 4.7** of this bill require the State Board of Nursing and the Board of Examiners for Social Workers to adopt regulations prescribing the psychiatric training and experience necessary before an advanced practice registered nurse or clinical social worker, as applicable, may complete such a certificate.

Existing law requires the administrative officer of a public or private mental health facility to give notice to the spouse or legal guardian of a person who is admitted to the facility under emergency admission within 24 hours after such admission. Sections 1.9 and 4 of this bill require the notification of a family member or other person with a legitimate interest in a person, if any, alleged to be a person with mental illness if: (1) the person is transported to a mental health facility, hospital or other place for purposes of an emergency admission; or (2) a petition is filed for the involuntary-court ordered admission of the person to a mental health facility or a program of community-based or outpatient services. This requirement does not apply if the application for emergency admission or involuntary court-ordered admission was filed by the spouse, legal guardian or adult child of the person.

Existing law prohibits a person who is related by blood or marriage within the first degree of consanguinity or affinity from completing: (1) an application for the emergency admission of such a person to a mental health facility; (2) a certificate stating that a person has a mental illness, is likely to harm himself or herself or others if not admitted to a mental health facility on an emergency basis; or (3) a certificate stating that a person is not a person with a mental illness. (NRS 433A.197) **Section 3** also prohibits a person who is related by blood or marriage within the second degree of consanguinity or affinity to a person alleged to be a person with mental illness from completing such an application or certificate.

Existing law authorizes the spouse or a parent, adult child or legal guardian of a person and certain other persons to file a petition for the involuntary court-ordered admission of a person alleged to be a person with mental illness to a mental health facility or to a program of community-based or outpatient services. (NRS 433A.200) **Section 4** further authorizes a physician assistant to file such a petition.

Sections 1.5 and 4.1 of this bill require each mental health facility, hospital. program of community-based or outpatient services and other provider of treatment to which a person with mental illness is involuntarily admitted to report to the Legislative Commission the number of emergency and involuntary admissions the facility, hospital, program or other provider of treatment receives each year, categorized by the profession of the person who signed the application or petition. Existing law requires any provision that adds or revises a requirement to submit a report to the Legislature to: (1) expire by limitation after 5 years; or (2) contain a statement by the Legislature setting forth the justification for continuing the requirement for more than 5 years. (NRS 218D.380) To comply with this requirement, section 5 of this bill provides for the expiration by limitation after 5 years of the requirement that such facilities, programs and providers report the number of emergency and involuntary admissions received each year.

For each renewal, the petition must include evidence which meets the same standard set forth in subsection 1 that was required for the initial period of admission of the person to a public or private mental health facility or to a program of community-based or outpatient services.

Assemblyman Moore moved the adoption of the amendment.

Remarks by Assemblymen Moore and Kirkpatrick.

ASSEMBLYMAN MOORE:

Amendment 636 requires notification of a family member or, if there is not a family member available, a person with a legitimate interest if a person is being transported to a facility for an emergency admission. It also requires notification to such persons if a petition has been filed for an involuntary admission. In both of these cases, the notice must be given as soon as possible but no later than 24 hours after either arrival at the facility or the filing of the petition, as the case may be. It also clarifies that notification is not needed if the application for an emergency or involuntary admission was made by the spouse, legal guardian, or adult child of the patient.

Finally, the amendment requires each public or private facility receiving emergency or involuntary admissions to file an annual report with the Legislative Counsel Bureau detailing the number of persons admitted and including information regarding the category of persons who signed the application for emergency admission or who filed the petition for an involuntary admission.

I would like to thank my colleague from District 1 for working with me on this amendment so we can advance this bill and get it going. I still do not agree with the bill, but this is the best agreement that we came to.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Amendment 636 to Assembly Bill 91. The amendment allows for a reporting mechanism per profession so that we can see who is involved in the process. The report will go to the legislators so they can have it on a regular basis. I gave my word to my colleague from Assembly District 8. I do follow legislation all the way through the process, and I hope that this Chamber adopts the amendment.

Remarks by Assemblyman Elliot Anderson.

ASSEMBLYMAN ELLIOT ANDERSON:

Assembly Bill 239 regulates the operators of unmanned aerial vehicles [UAVs] and provides certain criminal and civil penalties for the unlawful operation or use of a UAV in this state. The bill authorizes a person who owns or lawfully occupies real property in the state to bring an action for trespass against the owner or operator of a UAV that is flown at a height of less than 250 feet over the property under certain circumstances. The measure establishes the circumstances under which a law enforcement agency may operate a UAV in this state. A law enforcement agency is prohibited from operating a UAV for the purpose of gathering evidence or other information within the curtilage of a residence or any other location upon the property in the state at which a person has reasonable expectation of privacy, unless a warrant is first obtained.

The hour is late, so I promise not to drone on. The bill before you balances privacy rights, our physical security, and our economic security. The Nevada Homeowner Privacy Protection Act will keep Nevadans secure in their homes while allowing law enforcement to keep us safe. The act will ensure that we do not hurt our burgeoning unmanned aerial vehicle industry, while setting clear rules for that industry. Finally, the act will protect critical infrastructure in our state while allowing for hobbyist and private use.

I have worked with many parties to get to the version of A.B. 239 you see today—the law enforcement representatives of our state, including Las Vegas Metro, the Washoe County Sheriff's Office, and the Nevada Sheriffs' and Chiefs' Association. They support this measure. I have worked with them since August of last year to build consensus. I have also worked with industry representatives to make it easier for businesses to comply with this act. Most notably, I worked very diligently with the Governor's Office of Economic Development throughout this process. The Governor's Office of Economic Development now supports the current version of this bill as amended. Finally, I am proud to report that your Committee on Judiciary passed Assembly Bill 239 unanimously.

Justice Alito said it best: Modern forms of technology "are making it easier and easier for both government and private entities to amass a wealth of information about the lives of ordinary Americans . . . In light of these developments, it would be very unfortunate if privacy protection in the 21st century were left primarily to the federal courts using the blunt instrument of the Fourth Amendment. Legislatures, elected by the people, are in a better position than we are to assess and respond to the changes that have already occurred and those that almost certainly will take place in the future." I would appreciate your support.

Remarks by Assemblymen Flores and Seaman.

ASSEMBLYMAN FLORES:

Assembly Bill 386 creates and defines the crimes and associated penalties for "housebreaking," "unlawful occupancy," and "unlawful reentry." The measure addresses summary procedures to obtain possession of real property by revising the definitions of "forcible entry" and "forcible detainer" and setting forth the procedure for giving notice of surrender in such situations; establishing the procedure for recovering possession in a forcible entry or forcible detainer action; allowing treble damages and repealing a related damages statute; modifying requirements for notice of proceedings to obtain possession and for notice served upon tenants in an unlawful detainer action; eliminating the need for a witness if service is made by a sheriff, constable, or licensed process server and revising the proof of service that must be filed with the court; establishing procedures for locking out occupants and retaking possession of property in cases involving housebreaking or unlawful occupancy along with procedures for recovery of possession by an occupant who has been locked out; and clarifying the types of property and dwellings subject to unlawful detainer actions after failure to perform lease conditions.

This is the squatter bill. Throughout the state, we have had a huge issue with individuals who are not entitled to homes moving in and creating a nightmare for our law enforcement. Presently, there is nothing in statute which allows law enforcement to kick them out. Everything in statute has a landlord-tenant relationship. The issue now is that a squatter is not a tenant and because that is a technical term of art, they cannot use tenant NRS [*Nevada Revised Statutes*] code against squatters. It is imperative that we support this bill. Everyone who came to the table as a stakeholder has agreed that this is the best version to address this issue. I urge your support.

ASSEMBLYWOMAN SEAMAN:

I also rise in support of Assembly Bill 386, and I urge all my colleagues on the right to support this bipartisan bill that will help to rid us of the problem of the squatters in all of our communities. I am asking all of you to support this bill.

Amendment No. 576.

AN ACT relating to unlawful acts; prohibiting a person from engaging in certain acts against a business; prohibiting certain activities while engaged in picketing; providing civil and criminal penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill prohibits a person from committing certain acts with the intent to coerce or intimidate a business. **Section 3** of this bill prohibits a person from intentionally or recklessly destroying, marking or damaging the property or merchandise owned by or in the control of a business. **Section 4.5** of this bill prescribes certain civil remedies that may be available for a violation of **section 2 or 3**.

Section 9.7 of this bill repeals provisions of existing law which provide that it is unlawful, in the context of certain labor-related disputes, to engage in certain activities while picketing. (NRS 614.160) **Section 9.3** of this bill reenacts provisions of general applicability which prohibit certain activities while picketing, without regard to the purpose for which a person is engaged in picketing. **Section 9.3** provides that it is unlawful for a person, while picketing, to: (1) picket on private property without consent or a court order; (2) narrow, block, or otherwise obstruct the ingress or egress to public or private property or obstruct any public or private roadway so as to prevent the safe passage of vehicles; (3) knowingly threaten, assault or touch a person entering or leaving any public or private property, or to use language or words threatening to do immediate physical harm to a person or the property of a person or to incite fear of immediate physical harm to a person; or (4) knowingly spread, drop, throw or disperse certain sharp objects in the entrances to or exits from any public or private property. A violation of **section 9.3** is a misdemeanor, and a person may petition a court to enjoin ongoing activity that is a violation of that section. A person who files a petition to enjoin such activity is entitled to a rebuttable presumption of irreparable harm.

Sec. 9.3. Chapter 203 of NRS is hereby amended by adding thereto a new section to read as follows:

1. It is unlawful for any person:

(a) To picket on private property without the written permission of the owner or unless the person obtains an order from a court or agency of competent jurisdiction authorizing such activity, except that an employee may enter or leave his or her employer's property in the course of his or her employment or for the purpose of receiving payment for services performed;

(b) To maintain any picket or picket line, individually or as part of a group, in front of or across entrances to or exits from any property if such picket or picket line narrows or blocks the entrances or exits, or interferes with the ability of a person or vehicle to enter or leave the property;

(c) Knowingly to threaten, assault or in any manner physically touch the person, clothing or vehicle of any person attempting to enter or leave any

property, including, without limitation, any employees, agents, contractors, representatives, guests, customers or others doing or attempting to do business with the owner or occupant of the property;

(d) Intentionally to operate a motor vehicle so as to delay, impede or interfere with the ability of persons or vehicles to enter or leave any property;

A person who files a petition to enjoin any activity that is alleged to be a violation of this section is entitled to a rebuttable presumption of irreparable harm.

5. The provisions of subsections 3 and 4 do not preclude any additional civil action or criminal prosecution based upon acts which are otherwise prohibited by law.

6. Nothing in this section shall be deemed to alter, modify, amend or conflict with any provision of federal law, including, without limitation, the National Labor Relations Act, 29 U.S.C. §§ 151 et seq., or the Labor Management Relations Act, 29 U.S.C. §§ 401 et seq.

7. As used in this section, "picket" or "picketing" means the stationing of a person or persons at any location or area for the purpose of engaging in a demonstration or protest.

Sec. 9.5. NRS 449.760 is hereby amended to read as follows:

449.760 1. Except as otherwise provided in this section, a person shall not intentionally prevent another person from entering or exiting the office of

a physician, a health facility, a nonprofit health facility, a public health center, a medical facility or a facility for the dependent by physically:

(b) Obstructing, impeding or hindering the other person's movement.

2. The provisions of subsection 1 are inapplicable to:

(b) A peace officer as defined in NRS 169.125,

➥ while acting within the course and scope of his or her duties or employment.

3. The provisions of subsection 1 do not prohibit a person from maintaining a picket during a strike or work stoppage in compliance with the provisions of ~~[~~NRS 614.160,~~]~~ ***section 9.3 of this act*** or from engaging in any constitutionally protected exercise of free speech.

4. A person who violates the provisions of subsection 1 is guilty of a misdemeanor and shall be punished by a fine of not more than $1,000, or by imprisonment in the county jail for not more than 3 months, or by both fine and imprisonment.

5. As used in this section, the terms "health facility," "nonprofit health facility" and "public health center" have the meanings ascribed to them in NRS 449.260.

Sec. 9.7. NRS 641.160 is hereby repealed.

Sec. 10. This act becomes effective upon passage and approval.

Assemblywoman Fiore moved the adoption of the amendment.

Remarks by Assemblywomen Fiore and Carlton.

ASSEMBLYWOMAN FIORE:

Amendment 576 to Assembly Bill 356 basically changes the damages which may be recovered for a violation of section 2, relating to injuring or disrupting a business with the intent to intimidate the business, to statutory damages of $2,500 or the amount of actual damages, whichever is greater, along with attorney fees.

My colleague from Assembly District 14 had some questions on this, and Amendment 576 is the actual amendment.

ASSEMBLYWOMAN CARLTON:

In comparing the two amendments that were processed, the difference is the fine is going from $5,000 to $2,500—just to make sure the body is aware of that. It is still a $2,500 fine. The proponent of the amendment is shaking her head yes, so I will enter that into the record for her.

I rise in opposition to Amendment 576 to Assembly Bill 356. I shared this opposition in the committee. Here is the thing. I have the right to picket in front of my employer. It was given to me through the National Labor Relations Board. It is an economic sanction that is recognized across this country. What this bill is doing is basically criminalizing free speech. It does not only go after picketers. If you want to come after my labor friends—we have been doing it for God

knows how long—bring it on. We are fine with that. But you are not just going after my folks. You are going after anyone who wants to express their freedom of speech. Religious organizations and other civil groups out there will be limited in what they can do in front of certain businesses.

Now, maybe there were some problems on a picket line. Lord knows I have seen those things happen. We do not have to draft new legislation and take it out of the employee practice act and put it into the criminal statute. We will be criminalizing this. It will be considered a misdemeanor. You will go to jail for 364 days or you could be fined $2,500. This bill goes way too far in addressing what is perceived as a problem. You have some unruly picketers. You have some people who do not follow the rules. Let us know; we will take care of them. I was on a picket line for six years, four months, ten days. I know what it is like to stand next to these people when they are fighting for their rights, and to turn them into criminals is an atrocity.

ASSEMBLYWOMAN FIORE:

Assembly Bill 357 allows a person who is prohibited from owning, possessing, or having under his or her custody or control any firearm or who has had his or her civil rights to vote, to serve as a juror in a civil or criminal action, and to hold office taken away and has not had all such rights restored to petition for the restoration of rights under certain circumstances. The bill prohibits a person who is convicted of a domestic violence misdemeanor from owning, possessing, or having under their custody or control any firearm. The measure establishes the procedure by which a person may, after a certain applicable waiting period, petition the district court in the county where the person lives or where the person was convicted for the restoration of such rights. The criteria for eligibility for the restoration of rights is established. The court is required to issue an order restoring the petitioner's civil rights and the right to own, possess, and control any firearm under certain circumstances. A person whose right to own or have in his or her possession, or under his or her control, any firearm is required to carry a copy of the order restoring such a right. The bill authorizes a prosecuting attorney to inquire and inspect certain sealed records for the petitioner and use such records as evidence during a hearing on a petition to restore rights.

ASSEMBLYMAN EDWARDS:

I have a quick question for my colleague from District 4. I understand in the bill there is a seven-year time frame, and I am just curious if you could better explain what the purpose of seven years is versus either four, six, or nine.

Assemblywoman Shelton moved the adoption of the amendment.

Remarks by Assemblymen Shelton, Kirkpatrick, Edwards, Carlton, Wheeler, Swank, Benitez-Thompson, Ellison, and Fiore.

ASSEMBLYWOMAN SHELTON:

The amendment is a substitution for the provisions of the first reprint and prohibits any infringement of the public's right to use public lands for recreation, including motorized vehicles. It provides that the right to the beneficial use of resources on deeded property, including subsurface minerals, are deemed to belong to the property owner. It provides that the owner of a stock watering right is also deemed to be the owner of the associated grazing rights.

Except on lands given under the Enclave Clause of the *U.S. Constitution*, it prohibits the federal government from enforcing laws in the state; prohibits the federal government or any out-of-state governmental entity from claiming or filing for stock watering rights; and provides that land, water, or other natural resources claimed by the federal government are deemed the common property of the residents of Nevada and must be appropriated in the same way as a water right. Finally, it clarifies that the sheriffs are the primary law enforcement officers in their counties.

ASSEMBLYWOMAN KIRKPATRICK:

To my colleague from Assembly District 10, I have a few questions in section 12.5, subsection 1, paragraphs (b) through (d). To amend *Nevada Revised Statutes* Chapter 533 would be a pretty big process, and my rural friends have always warned me about messing with water in this state. Water provides everything possible to feed their families. In paragraph (b), it says any beneficial uses, and to me that would include water rights, for which we have a current adjudication process in *Nevada Revised Statutes* Chapter 533. It also talks about the grazing rights. Would this circumvent the process we now have in place and would my northern colleagues be fighting for their water?

ASSEMBLYWOMAN SHELTON:

Actually, the laws that you are speaking about, with the stock watering rights, have the exact same effect as getting the land rights back for the state of Nevada.

ASSEMBLYWOMAN KIRKPATRICK:

As the former Chair of Government Affairs for two sessions, I worked to help my folks, all the way from White Pine County down to Moapa, ensure that their water rights were protected from southern Nevada, which was always a big, controversial issue. There is currently a process in place. I believe this circumvents that process, which may open it to other folks coming in to circumvent it also. This is a big deal. We have a drought in our state. During the summer, my

colleague in the Senate from White Pine County was telling me how terrible it was that they were having to bring in water for their animals that feed their family on many hundreds of acres. I want to be sure that this would not allow other folks to come in and circumvent the system.

Our current process, found in *Nevada Revised Statutes* Chapter 533, is very contentious, and we have had many Supreme Court lawsuits. I would like you to explain to me the process that this bill would allow for, especially when, in section 12.5, subsection 1, paragraph (e), it talks about how nobody in the federal government can come and tell us what to do. The last time I checked, the federal government preempted us in many areas. I supported the bill of my colleague from Sparks to ensure that our sheriffs can work hand in hand when we have contentious issues within our state to make sure that there is no drama. I would like to understand the process. Water is very special in this state. We are one of the few states that have very special water laws. It is in our *Constitution*, so I would like to understand how this amendment works.

ASSEMBLYWOMAN SHELTON:

In regard to the water rights, BLM [Bureau of Land Management] claimed over 2,700 water rights in Nevada. Each of those water rights once belonged to a Nevada citizen: a rancher, a farmer, a miner, or someone else with a dream. The Bureau of Land Management and other federal agencies have also adversely taken water rights from individuals and are now claiming them in Nevada's own water registry. The Legislative Counsel Bureau did send out a letter, attached with this amendment, stating this is unconstitutional. They are going by case law that has been brought up in the past. I would also like to mention, there have been several other times that the Supreme Court has called things unconstitutional in our past history of the United States. I would like to bring that to the attention of everybody here.

ASSEMBLYMAN EDWARDS:

I rise with a couple of questions of clarification. Looking at the bill, it talks about establishing funding for the Attorney General and also taking in grant money. It seems as though we are going to be raising a whole lot of money, but not enough money through grants. I see that this is going to ultimately lead to taxes, which I am quite sure many of the tax-pledge signers would be opposed to because they do not want to have to deal with the bad press. I want to bring that to their attention and ask them if, in fact, this will bring about taxes. I do not see anywhere else in the bill that really affords the total cost of the Attorney General fighting all these lawsuits.

The second thing that I would like to know is, this seems to violate the Federal Supremacy Clause that has been established for almost 200 years, and I wonder about the dangers that would be incurred. . .

ASSEMBLYWOMAN CARLTON:

I am sorry to interrupt my colleague, but point of order. He is addressing the wrong amendment.

ASSEMBLYMAN WHEELER:

I am well known in this Chamber as a strong Tenth Amendment advocate. I am also well known in this Chamber as one who would like to get the control of our lands back. I must rise in absolute opposition to this amendment. The way I read this amendment, my colleague from District 1 is exactly 100 percent right. Almost anyone could walk in and claim beneficial use of our water rights. Given such, I must vote no on this amendment, and I hope you will join me.

ASSEMBLYWOMAN SWANK:

I have a question for my colleague from District 10. As I look through section 12.5, I see there are a lot of uses for the land that are guaranteed to residents of this state. I know that just recently we passed a bistate compact to protect the sage grouse, and this is something that we have been working really hard on in the state of Nevada to make sure that we can keep our sage grouse numbers up. I know we also have an issue with the desert tortoise that is endangered—well, not quite endangered. I am wondering, what is the process by which we are going to ensure that these habitats stay in place if we are going to have relatively unrestricted use of our public lands by motorized vehicles and hunters? Think of folks who are the nonconsumptive users—the hikers and the campers who actually come to see these animals and their habitats. I am wondering what process there is for making sure we maintain all of these habitats.

ASSEMBLYWOMAN SHELTON:

You are right. This would allow for everything to work together as far as your habitats or the areas of critical environmental concern. I know that the federal government has already filed with the federal registry to make 3.1 million acres just in southern Nevada areas of critical environmental concern. Your concern for the turtles or the sage grouse will still be addressed because they are still allowed access.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

My concerns come from the general angst that might come with being a Nevadan and knowing how precious our water is and knowing that whenever we start to mess with chapters that are essentially sacred, dealing with our water rights, we undo processes that have been in place for a long time. Junior water rights, senior water rights, vested water rights—these are not things that we can take lightly or amend away lightly.

Not only that, but we want to consider the message we are sending to the rest of the United States—how sensitive as a state we have to be to Chapter 538, especially with our water compacts. Water for southern Nevada originates in Colorado. Water for northern Nevada originates in California with the Truckee River. The Truckee River is the most adjudicated river in these United States. When we send the message that we are going to start to peel away or change, through a ten-minute floor discussion, any water rights, it puts us in a very precarious position.

We have a saying here in Nevada: Fight for gold, kill for water. Fight for gold, kill for water.

ASSEMBLYWOMAN CARLTON:

To the sponsor of the amendment, at the beginning of her statement she alluded to a constitutional issue and stated there was a note attached to the amendment about the constitutionality. I would like that statement to be shared with the body so that everyone has the same information, because it is not attached to my amendment.

ASSEMBLYWOMAN SHELTON:

I can definitely get that for her. I just did not know that it was supposed to go with the amendment.

ASSEMBLYWOMAN CARLTON:

That is fine. Mr. Speaker, if we could, as this procedure winds down toward the end of the day, I would definitely like that statement to be included in the record. I think it is very important that all information pertaining to this amendment is made part of the record.

Without objection, Mr. Speaker directed that the following letter from Brenda J. Erdoes, Legal Counsel, Legislative Counsel Bureau, be made part of the record.

April 20, 2015

Speaker John Hambrick
Assembly Chambers
Dear Speaker Hambrick:

You have asked to be informed when we have identified constitutional problems with a particular bill or amendment during the drafting process. This letter is to notify you that, based on the authorities and analysis provided in this letter, it is the opinion of this office that Amendment No. 642 to the First Reprint of Assembly Bill No. 408 presents such constitutional problems. Amendment No. 642 proposes to amend the provisions of chapter 321 of NRS governing public lands in a manner which restricts the Federal Government from managing and controlling public lands in this State in accordance with federal laws and regulations. For the reasons set forth below, it is the opinion of this office that, if enacted into law in its current form, the amendment would be found unconstitutional.

Amendment No. 642 proposes to amend the provisions of chapter 321 of NRS governing public lands by adding a new section to that chapter concerning the use of public lands in Nevada that are currently managed and controlled by the Federal Government. Specifically, the amendment will add a new section to that chapter that will, if enacted: (1) ensure that the right of the residents

of this State to access and use any public lands in this State for camping, fishing, hiking, hunting, rock climbing, trail riding, including motorized vehicles, or any other recreational use must not be infringed and will require those lands to be administered in a manner which ensures multiple uses of those public lands for those residents; (2) provide that the beneficial use of any resources located on deeded property in this State, including, without limitation, the development of any subsurface minerals, shall be deemed to be reserved to the owner of the property; (3) provide that a person who owns any stock watering rights pursuant to chapter 533 of NRS shall be deemed to be the owner of any grazing rights for stock watering rights; (4) prohibit the Federal Government and any officer or agent of the Federal Government from enforcing any law or regulation in this State except on land for which this State has given its consent to acquisition by the United States in accordance with Clause 17 of Section 8 of Article 1 of the Constitution of the United States; (5) prohibit the Federal Government and any governmental entity located outside this State from filing an application for, being issued a permit or certificate for, owning or otherwise claiming any stock watering rights on any land in this State other than land for which such consent has been given; and (6) provide that any land, water or other natural resource to which the Federal Government claims ownership in this State, other than on land for which such consent has been given, shall be deemed to be the common property of the residents of this State and must be acquired and used in the same manner as a right to appropriate water for a beneficial use pursuant to NRS 533.324 to 533.435, inclusive. For the purpose of those provisions, Amendment No. 642 defines "public lands" to include "any public lands managed and controlled by the Federal Government in this State." Additionally, Amendment No. 642 will, if enacted, amend the current provisions of existing law set forth in NRS 248.090 to provide that the sheriffs and their deputies in this State "are the primary law enforcement officers in their respective counties" and that any "exercise of law enforcement authority in a county in this State must be authorized by the sheriff of that county." Finally, Amendment No. 642 will, if enacted, remove the existing provisions of NRS 248.090 which impose a duty on sheriffs and their deputies to (1) keep and preserve the peace and quiet; (2) suppress all affrays, riots and insurrections; (3) provide service of process in civil and criminal cases; and (4) apprehend or secure any person for a felony or breach of the peace.

In determining the constitutionality of Amendment No. 642, it is important to consider that the principal source of federal power to regulate and manage the public lands in this State is set forth in the Property Clause of the United States Constitution, which provides, in relevant part, that "[t]he Congress shall have Power to dispose of and make all needful Rules and Regulations respecting the Territory or other Property belonging to the United States." U.S. Const. art. IV, § 3, cl. 2. It has long been held that the power of the Federal Government over the public lands entrusted to Congress pursuant to this clause is without limitation, Kleppe v. New Mexico, 96 S. Ct. 2285, 2291 (1976), and the exercise of that power may not be curtailed by state legislation. Denee v. Ankeny, 38 S. Ct. 226, 227 (1918); Itcaina v. Marble, 56 Nev. 420, 433 (1936). When Congress exercises its exclusive right to control and dispose of the public lands of the United States, neither a state nor any state agency has any power to interfere. United States v. Montgomery, 155 F. Supp. 633, 635 (D. Mont. 1957). The United States Supreme Court and various federal courts have expanded these holdings to the extent that the power over federally owned public land entrusted to Congress by the Property Clause of the United States Constitution is substantially without limitation. *See* California Coastal Comm'n v. Granite Rock Co., 107 S. Ct. 1419, 1425 (1987); and Nevada v. United States, 512 F. Supp. 166, 171 (D. Nev. 1981) The basic import of these holdings is that Congress may adopt any regulations concerning public lands so long as the regulations do not violate some specific provision of the United States Constitution.

The provisions of clause 17 of section 8 of article I of the United States Constitution, commonly referred to as the "Enclave Clause," provide another source of federal authority to regulate and manage lands belonging to the United States. Those provisions state, in relevant part, that "[t]he Congress shall have Power To . . . exercise exclusive Legislation . . . over all Places purchased by the Consent of the Legislature of the State in which the Same shall be, for the Erection of Forts, Magazines, Arsenals, dock-Yards, and other needful Buildings." U.S. Const. art. I, § 8, cl. 17. Pursuant to those provisions, the Federal Government may acquire land within a state by purchasing the land with the consent of the legislature of the state in which the land is located. The phrase "exclusive [l]egislation" used in those provisions has been construed to mean exclusive

jurisdiction. Thus, where the Federal Government acquires land in accordance with those provisions, the Federal Government retains exclusive jurisdiction over that land and state laws generally do not apply within the area so acquired. Surplus Trading Co. v. Cook, 50 S. Ct. 455, 457 (1930) (holding that personal property belonging to a defendant located on a federal military installation in Arkansas was not subject to the laws of Arkansas taxing personal property in that state).

Despite the expansive reading by the courts of the power of Congress over public lands pursuant to the Property Clause and the Enclave Clause, the states are allowed, to a limited extent, to regulate areas in the federal public domain. States may enact quarantine rules and measures to prevent breaches of the peace, or prescribe other reasonable police regulations so long as the regulations are not arbitrary or inconsistent with applicable congressional enactments. *See* McKelvey v. United States, 43 S. Ct. 132, 135 (1922); In re Calvo, 50 Nev. 125, 135 (1927); Hagood v. Heckers, 513 P.2d 208 213 (1973); 43 Op. Att'y Gen. (1931). The United States does not in every case acquire exclusive jurisdiction when it receives title to lands located within a state. Acquisition by the United States of title to lands within the boundaries of a state is not sufficient in itself to exclude the state from exercising any legislative authority, including its taxing and police power, in relation to property and activities of individuals and corporations within the state. It must appear that the state, by consent or cession, has transferred to the United States that residuum of jurisdiction which it would otherwise be free to exercise before exclusive jurisdiction is acquired by the United States. State v. Cline, 322 P.2d 208, 213 (Okla. 1958). However, where Congress acts under the Property Clause by providing rules and regulations for public land, any state law which conflicts with federal law is superseded and must recede. *See* Bilderback v. United States, 558 F. Supp. 903 (D. Or. 1982); United States v. Brown, 431 F. Supp. 56, 63 (D. Minn. 1976); Ansolabehere v. Laborde, 73 Nev. 93, 107 (1957). Consent or cession of jurisdiction of a state is not required when Congress acts pursuant to its plenary authority to regulate public lands. United States v. Bohn, 622 F.3d 1129, 1134 (9th Cir. 2010); Nevada v. Watkins, 914 F.2d 1545, 1552 (9th Cir. 1990). Therefore, even though the State of Nevada may have a limited amount of concurrent jurisdiction over federal public lands under its taxing and police power, any state laws passed which conflict with existing federal laws are superseded under the Supremacy Clause of the United States Constitution.

Various persons and groups who criticize the authority of the Federal Government to manage and control lands in Nevada have often based their criticism in part upon the theory that the United States may not acquire title to land within a state unless the land was purchased with the consent of the legislature of the state in accordance with the provisions of the Enclave Clause. Because most federal public lands in Nevada were never acquired in this manner, those persons and groups argue that the Federal Government has unconstitutionally acquired title to the public lands in Nevada and therefore any federal law pertaining to the public lands has no effect. This argument has been rejected by the courts. The United States Supreme Court has long recognized that the United States, at the discretion of Congress, may acquire and hold real property in any state, whenever such property is needed for the use of the government in the execution of any of its powers, whether for arsenals, fortifications, light-houses, custom-houses, barracks or hospitals, or for any other of the many public purposes for which such property is used. Van Brocklin v. Tennessee, 6 S. Ct. 670, 672 (1886). Although the mode in which the United States may acquire property is not prescribed by the Constitution, In re Will of Fox, 52 N.Y. 530 (N.Y. 1873), aff'd, 94 U.S. 315 (1877), Courts have held that the provisions of the Enclave Clause are not restrictive of the power of the United States to acquire lands for other governmental purposes and functions, United States v. Vogler, 859 F.2d 638, 641 (9th Cir. 1988), and those large areas of public lands used for forests, parks, ranges, wildlife sanctuaries, flood control and other such purposes are not covered by the Enclave Clause. Collins v. Yosemite Park & Curry Co., 58 S. Ct. 1009, 1014 (1938). Courts have also held that exclusive jurisdiction over land located within the boundary of a state may be obtained by: (1) excepting the land from the jurisdiction of the state upon admission of the state into the union; (2) cessation of jurisdiction from the state to the Federal Government; and (3) pursuant to the Enclave Clause. State v. Cline, 322 P.2d 208, 212 (Okla. 1958); Richardson v. Turner, 401 P.2d 443, 444 (Utah 1965). Based upon these authorities, it is clear that the United States may acquire property located within a state by means and for purposes other than those provided for in the Enclave Clause. This Clause simply establishes the exclusive jurisdiction of

the United States over property which is acquired in the manner provided in the Enclave Clause. This clause does not dictate the only method by which the United States may gain title to property located within a state.

Based upon these authorities, it is clear that Congressional power to prescribe rules and regulations concerning public lands entrusted to Congress is firmly entrenched, and ample authority exists upon which to invalidate state laws which conflict with federal laws concerning the management and control of federal public lands.

In addition to the general authority of the Federal Government to regulate and manage the public lands discussed above, several courts have specifically ruled on the issue of whether the Federal Government owns the public lands in Nevada, and at least one court has held that Nevada's current statutory claim of ownership to the unappropriated public lands in this State set forth in NRS 321.596 to 321.599, inclusive, is unconstitutional and fails as a matter of law.

Before discussing the holdings in those cases, it may be helpful to provide a brief discussion concerning the provisions of NRS 321.596 to 321.599, inclusive, which set forth the statutory claim of ownership of the State of Nevada to certain public lands located within this State. Specifically, the provisions of NRS 321.5973 state that "[s]ubject to existing rights, all public lands in Nevada and all minerals not previously appropriated are the property of the State of Nevada and subject to its jurisdiction and control." The provisions of NRS 321.5963 define the term "public lands" to mean:

> [A]ll lands within the exterior boundaries of the State of Nevada except lands:
> (a) To which title is held by any private person or entity;
> (b) To which title is held by the State of Nevada, any of its local governments or the Nevada System of Higher Education;
> (c) Which are located within congressionally authorized national parks, monuments, national forests or wildlife refuges or which are lands acquired by purchase consented to by the Legislature;
> (d) Which are controlled by the United States Department of Defense, Department of Energy or Bureau of Reclamation; or
> (e) Which are held in trust for Indian purposes or are Indian reservations.

The provisions of NRS 321.597 require the Division of State Lands of the State Department of Conservation and Natural Resources to "hold the public lands of the State in trust for the benefit of the people of the State."

In United States v. Nye County, 920 F. Supp. 1108 (D. Nev. 1996), the defendant Nye County, through its Board of County Commissioners, adopted a resolution claiming that the State of Nevada owned the public lands to which the provisions of NRS 321.596 to 321.599, inclusive, apply, and that the United States lacked the authority to manage those public lands within the boundaries of Nye County. The Board of County Commissioners also adopted a resolution declaring that certain roads, highways and other rights-of-way located on or crossing over those public lands were public roads of Nye County and were the property of Nye County. After those resolutions were adopted, a member of the Board of County Commissioners used a bulldozer owned by Nye County to reopen a road located within the Toiyabe National Forest which had been closed by the United States Forest Service. Id. at 1111. In response, the United States filed a civil complaint against Nye County in which it sought a declaratory judgment indicating that the United States owns and has the authority to manage the disputed public lands in Nye County and that the resolutions adopted by Nye County were preempted under federal law. Id. at 1110. In granting summary judgment in favor of the United States, the United States District Court for the District of Nevada stated that Nevada's statutory claim of ownership of the unappropriated public lands of the United States is "unsupported, unconstitutional, and fails as a matter of law." Id. at 1114. The Court further held that "the United States owns and has the power and authority to manage and administer the unappropriated public lands and National Forest System lands within Nye County, Nevada." Id. at 1120.

Similarly, in United States v. Gardner, 107 F.3d 1314 (9th Cir. 1997), the defendants appealed the granting of an injunction and the imposition of a fee against the defendants for engaging in unauthorized grazing upon lands managed by the United States Forest Service. In affirming the injunction and the imposition of the fee, the United States Court of Appeals for the Ninth Circuit

rejected the assertion made by the defendants that they were not required to obtain a grazing permit or pay fees for grazing on public lands managed by the United States Forest Service because those lands do not belong to the United States. The Court firmly rejected that argument and held that the United States is not required to hold, in trust for the establishment of future states, any public lands it acquires within the boundaries of this State and that the United States has authority under the Property Clause to "administer its federal lands any way it chooses." Id. at 1318. The Court further held that the Equal Footing Doctrine does not "operate . . . to give Nevada title to the public lands within its boundaries." Id. at 1319.

It is important to note that the holdings in Nye County and Gardner comport with the holding in the early case of Vansickle v. Haines, 7 Nev. 249 (1872) (overruled on other grounds in Jones v. Adams, 19 Nev. 78, 88 (1885)), wherein the Nevada Supreme Court stated that the United States has "absolute and perfect" title to the unappropriated public lands in Nevada. Vansickle, 7 Nev. at 260. In support of its conclusion, the Court stated that the:

> United States is the unqualified proprietor of all public land to which the Indian title has been extinguished. Certainly there is none other who has any right to, or claim upon it, which in any way qualifies the right of the federal government. *Although it has sometimes been suggested that the unoccupied lands belonged to the several states in which they may be located, the suggestion has never received the serious sanction of statesmen, or the courts of the country*.

Id. at 261 (emphasis added).

Based upon the holdings in these cases, it is well-settled that the United States has been judicially declared to be the owner of the unappropriated public lands in this State and, as such, has the authority to manage and control those public lands. It is also well-settled that Nevada's current statutory claim of ownership over those public lands set forth in NRS 321.596 to 321.599, inclusive, is unconstitutional and fails as a matter of law.

Based upon the authorities discussed above concerning the authority of the Federal Government to manage and control federal public lands in this State, the provisions of Amendment No. 642 will, if enacted, directly conflict with that authority. The Federal Government currently exercises significant regulatory authority over the federal public lands in this State in accordance with numerous provisions of federal law, including, without limitation, the General Mining Laws of 1872, 30 U.S.C. §§ 21 et seq., the Taylor Grazing Act of 1934, 43 U.S.C. §§ 315 et seq., the Desert Land Act of 1877, 43 U.S.C. §§ 321 et seq., the Federal Land Policy and Management Act of 1976, 43 U.S.C. §§ 1701 et seq., and the Public Rangelands Improvement Act of 1978, 43 U.S.C. §§ 1901. Specifically, Congress has declared that "[a]ll valuable mineral deposits in lands belonging to the United States, both surveyed and unsurveyed, are hereby declared to be free and open to exploration and purchase." 30 U.S.C. § 22. Congress has also declared, that "it is the policy of the United States that . . . the public lands be retained in Federal ownership, unless as a result of the land use planning procedure provided for in [the Federal Land Policy and Management] Act, it is determined that disposal of a particular parcel will serve the national interest." 43 U.S.C. § 1701. As to the National Park System, the purpose of the System is to "conserve the scenery, natural and historic objects, and wild life in the System units and to provide for the enjoyment of the scenery, natural and historic objects, and wild life . . . for the enjoyment of future generations." 54 U.S.C. § 100101. In addition, as to entries made on public lands and patents issued under the provisions of federal law concerning stock-raising homesteads, Congress has required "[a]ll entries made and patents issued under the provisions of this Act [to] be subject to and contain a reservation to the United States of all the coal and other minerals in the lands so entered and patented, together with the right to prospect for, mine and remove the same." 43 U.S.C. § 299. Those provisions are a clear indication of the intent of Congress to retain management and control of the public lands in this State. In direct conflict with those provisions, Amendment No. 642 will, if enacted, prohibit the Federal Government from claiming ownership of any land, water or other natural resources on public lands which the Federal Government currently

administers for mining operations and other activities under applicable federal laws and regulations, and those provisions will deem the land, water or natural resources to be the "common property" of the residents of this State. Furthermore, the Amendment will reserve to the owner of any "deeded property" in this State the right to the development of any subsurface minerals on the property. If the property consists of land that was acquired as a homestead for which the United States has reserved any coal or other minerals in that property pursuant to 43 U.S.C. § 299, the provisions of Amendment No. 642 would be contrary to applicable federal law. As such, all of these provisions would, if enacted, directly conflict with the authority of the Federal Government to manage and control the federal public lands in this State.

In addition to the issue concerning the enactment of laws by the State of Nevada which directly conflict with federal laws and regulations, the Supreme Court of the United States has held that state laws which are hostile to federal interests concerning public lands or which interfere with or otherwise handicap the efforts of federal agencies to carry out a national purpose are invalid. *See* North Dakota v. United States, 103 S. Ct. 1095, 1105 (1983); United States v. Little Lake Misere Land Co., 93 S. Ct. 2389, 2399 (1973); James Stewart & Co. v. Sardrakula, 60 S. Ct. 431, 436 (1940). This concept was borrowed by the court from the area of labor relations, stating that "incompatible doctrines of local law must give way to principles of federal labor law." UAW v. Hoosier Cardinal Corp., 86 S. Ct. 1107, 1111 (1966). Other federal courts have reiterated and relied upon these holdings to invalidate various state laws when those state laws have been applied to federal interests. *See* Central Pines Land Co. v. United States, 274 F.3d 881, 890 (5th Cir. 2001) (stating that the application of state laws may in some instances so strongly conflict with federal interests that those laws may be rejected without further analysis); LaFargue v. United States, 4 F. Supp. 2d. 593 (E.D. La. 1998) (holding that a law of the State of Louisiana which prohibited the Federal Government from selling certain pipeline rights-of-way separately from a related gas facility was inconsistent with and therefore inapplicable to federal interests in carrying out the Energy Policy and Conservation Act, 42 U.S.C. §§ 6201 et seq.); Sierra Club v. Marsh, 692 F. Supp. 1210, 1214 (S.D. Cal. 1988) (holding that a city ordinance which prohibited the transfer of certain land to the Federal Government in its attempt to carry out the provisions of the Endangered Species Act, 42 U.S.C. §§ 4321 et seq., was hostile to federal interests and therefore inapplicable to the transaction). At least one state court has held that state legislation which is "manifestly hostile" to the exercise of rights granted by a federal statute cannot stand. Fullerton v. Lamm, 163 P.2d 941, 945 (Or. 1945). The thrust of the holdings in these cases is that if a state enacts a state law which, either on its face or in its effect, is hostile to federal interests or impermissibly interferes or strongly conflicts with or handicaps the efforts of any agency of the Federal Government in carrying out federal laws having a national purpose, the state law may be struck down.

Finally, the concurring opinion of Justice Rehnquist in United States v. Little Lake Misere Land Co., *supra,* stated that the "doctrine of intergovernmental immunity enunciated in McCulloch v. Maryland, however it may have evolved since that decision, requires at least that the United States be immune from discriminatory treatment by a State which in some manner interferes with the execution of federal laws." Little Lake Misere Land Co., 93 S. Ct. at 608 (citation omitted). This prohibition against discriminatory treatment has been reiterated to a certain extent by the Ninth Circuit in Clifton v. Cox, 549 F.2d 722 (9th Cir. 1977), wherein the Court stated that "[o]ne of the basic tenets in the application of the Supremacy Clause is that the states have no power to determine the extent of federal authority. To rule otherwise would allow a state to punish the exercise of federal authority under the guise of questioning the right of federal officials to act." Id., at 730 (footnote omitted). The Nevada Supreme Court has made similar statements in State v. Morros, 104 Nev. 709 (1988), wherein the Court held that, as to the issue of the application of state water law to the Federal Government, the United States is to be "treated as a person . . . it is not to be feared, given preferential treatment and certainly not discriminated against." Id., at 717. The Nevada Supreme Court has also held that the plain language of the provisions of chapter 533 of NRS governing the appropriation of water for a beneficial use do not prohibit the Federal Government, through the Bureau of Land Management, from applying for and receiving a permit for a stock watering right in the name of the United States. United States v. State Engineer, 117 Nev. 585, 587 (2001). The provisions of Amendment No. 642, if enacted, will prohibit the Federal Government from holding a permit or certificate for a stock watering right or from owning or

otherwise claiming a stock watering right in this State. The provisions of Amendment No. 642 will also prohibit the Federal Government and any officer or agent of the Federal Government from enforcing any law or regulation in this State except on land acquired under the Enclave Clause. As such, the provisions of the amendment are hostile to federal interests concerning federal public lands and would handicap and interfere with the efforts of federal agencies to carry out federal laws enacted for a national purpose and will not withstand a constitutional challenge.

In conclusion, it is the opinion of this office that the provisions of Amendment No. 642 would, if enacted, be constitutionally invalid. The authority of the United States to acquire and control the public lands located in this State is extensive, and ample bases exist upon which a court could invalidate any state laws which are in direct conflict with existing federal laws concerning those public lands or which are hostile to or interfere with the exercise of federal authority over public lands. The provisions of Amendment No. 642 which propose to prohibit or limit the activities of the Federal Government in this State which the Federal Government is currently authorized to engage in under federal laws are in direct conflict with and would be superseded by those federal laws. Additionally, the provisions of Amendment No. 642 which attempt to prohibit the Federal Government from applying for a permit or certificate for a stock watering right and which restrict the Federal Government in the enforcement of laws and regulations on those public lands would be held to be manifestly hostile to federal interests and discriminatory towards the Federal Government in carrying out policies of national concern. As such, it is the opinion of this office that under the current precedent, the provisions of Amendment No. 642, if enacted, would be held unconstitutional.

Sincerely,
Brenda J. Erdoes

ASSEMBLYMAN ELLISON:

Maybe I can help a little bit on this. I co-sponsored Assembly Bill 277 of the 2013 Session on public land rights. This year I was a co-sponsor of Senate Joint Resolution 1, which is about the rights of Nevada. That is a whole different ball game than what Assembly Bill 408 does. What S.J.R. 1 does is ask that the state be given control of lands only on areas that the BLM already has set for disposal.

The big thing to come up just now was water rights. Water rights are vested. They are owned by the state; you have to show beneficial use. You cannot just go and say, "It is mine," and take it. Without beneficial use, you lose those rights. In addition, rights to public lands and access are vested through grazing rights. You cannot determine anything more than the grazing rights on public lands.

I think the sponsor of the bill was trying to address some of the issues that happened last year out there in Clark County. Water facilities were shot up and destroyed, that water was wasted, and cattle died. The other thing was denying access to public lands which crossed private property, and I think the sponsor of the bill could probably address that also. What she was trying to do in her amendment to this bill was address those issues.

ASSEMBLYWOMAN FIORE:

Looking at Amendment 642, I love what my colleague from the north talked about—we will fight for this, and we will kill for water. That is exactly what I think people are missing on this bill. When it is stated that the amendment is unconstitutional, it is not unconstitutional. That is a legal opinion from our staff. As lawmakers, we have staff that give us their opinion. That opinion is based on court cases, not the *Constitution*.

I want to make sure that you guys are aware that we are fighting for our water—to keep our water, north and south, and not let the federal government own it. If you go to the water district website and type in "BLM" or the "United States," you will find they own more water than we do.

I rise in support of Amendment 642. We have to start somewhere to make changes in this state. In order to do that, we have brought the fight here to Carson City, to lawmakers, to protect our

folks and to fight for them and not leave them stranded out there. I think you guys are misunderstanding Amendment 642. I rise in support of Amendment 642, and I urge my colleagues to support it as well.

Legislative Counsel's Digest:

Existing law sets forth provisions governing the acquisition, use and management of state lands and certain other public lands in this State. (Chapter 321 of NRS) Section 10.5 of this bill requires the Secretary of the Interim Finance Committee to establish a fund to provide assistance to the Attorney General in defending or protecting: (1) the interests of this State and its residents in the ownership, management or control of any public lands in this State, including, without limitation, any public lands managed and controlled by the Federal Government in this State; and (2) the sovereignty of this State as impaired by the management and control of those public lands by the Federal Government.

Under existing law, the Legislature has declared that the public policy of this State is to continue to seek the acquisition of lands retained by the Federal Government within the borders of this State. Existing law sets forth the general powers and duties of sheriffs and their deputies in this State. (NRS 248.090-248.250) **Section 12** of this bill authorizes the sheriff of any county in this State to enter into an agreement with certain federal agencies pursuant to which the sheriff and his or her deputies are primarily responsible for the exercise of law enforcement authority on land managed by those federal agencies if the agreement: (1) requires the payment of fair compensation to the sheriff for exercising law enforcement authority based on federal statutes and regulations; and (2) provides that the federal agency recognizes the sheriff as the primary law enforcement authority on the land managed by the federal agency. **Section 13** of this bill provides that the sheriffs and their deputies are the primary law enforcement officers of the unincorporated areas of their respective counties.

Sec. 14. This act becomes effective upon passage and approval.

Assemblywoman Fiore moved the adoption of the amendment.

Remarks by Assemblymen Fiore, Sprinkle, Edwards, and Benitez-Thompson.

ASSEMBLYWOMAN FIORE:

Since we have plenty of time, we will go through Amendment 595 to Assembly Bill 408. Basically, this amendment authorizes the Attorney General to request the creation of a fund by the Interim Finance Committee [IFC] to provide assistance to the Attorney General to use in the defense or protection of the state's sovereignty and any interest of the state in managing or controlling public lands. It allows the IFC to accept gifts, grants, and donations for the fund and requires the IFC to notify the Attorney General of its decision. It must retain any unspent money at the end of the fiscal year and retain any earned interest.

Basically, Amendment 595 addresses the questions of my favorite colleague from Assembly District 19 regarding taxes and how we would raise money in defense of the previous amendment. Assembly Bill 595 is addressing that, so we will not have to fund fights for this with taxpayer dollars.

ASSEMBLYMAN SPRINKLE:

Not having had a lot of time to look at this amendment this evening, I do have a few questions for my colleague from the south in reference to section 10.5, subsections 1, 2, 3, and 4—pretty much the entire amendment. First off, I would like to know what exactly is the justification for the Attorney General, who already has a budget, to now need to establish a new budget within the IFC? I would certainly like to hear what that justification is for him to do his job to begin with.

Secondly, what authority actually exists to come to the IFC for creating such an account? I do not really think there is authority to do so. Finally, along the lines of previous questions, where exactly is the money going to come from for this account? I read in here about having the ability to go after grants and other funds. As far as I know, that is not in the purview of the IFC; they are not allowed to do that. I would certainly like to know the justification and if any of this is even allowed through IFC, because I do not believe it is.

ASSEMBLYWOMAN FIORE:

Thank you to my colleague from Assembly District 30. This amendment was prepared by our Legislative Counsel Bureau when I asked, How do we do this? This is exactly how we do this, according to our legal counsel. So if you doubt it, I suggest you talk to them.

ASSEMBLYMAN EDWARDS:

The bad news is, I still have a couple of questions for clarification. The good news is, I already asked most of it. I will blame it on the late hour. My eyes are failing, and I am just too eager to find out the answers to these questions.

When it comes to the funding, we have to fund a whole lot of things. As I discussed earlier, there are a lot of things we really need to fund. I think my other colleagues have presented well the fact that we already have funding for the Attorney General. Setting up an additional fund

through IFC is highly questionable, and I do not know exactly the rationale you were given. I do believe my other colleague talked about IFC and the way it works and I would defer to him.

Although my distinguished colleague from Assembly District 4 does not quite trust LCB's constitutional reading of case law that is, of course, based on the *Constitution*, I happen to have great faith in our LCB team and I will defer to LCB's legal advice on this amendment. Therefore, I have major problems with the constitutionality of it. I have a lot of problems with why we are setting up a separate fund for the Attorney General to do some kind of business that seems to violate the Supremacy Clause, which is kind of strange since I know my distinguished colleague from District 4 has great respect for the *Constitution* and our federal system. Therefore, I have a whole lot of trouble voting in favor of this amendment. I think we all need to have answers to these questions.

For the tax pledgers, I really do not think we are going to get enough donations at the door or on the street corners for this fund, which means we are going to have more taxes, which means we are going to violate that tax pledge again, and then you are going to have somebody not saying nice things about you in his little blog and those things will follow you, as you can expect.

ASSEMBLYWOMAN FIORE:

Mr. Speaker, can you stop this circus with Assemblyman from District 19. Could you just sit your ass down and be quiet.

Assemblywoman Kirkpatrick rose to a point of order regarding the disorderly use of words.

Mr. Speaker sustained the point of order.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assembly in recess at 8:05 p.m.

ASSEMBLY IN SESSION

At 8:07 p.m.
Mr. Speaker presiding.
Quorum present.

ASSEMBLYWOMAN FIORE:

Mr. Speaker, I must apologize to my esteemed colleagues in the Chamber for my outburst.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

I just had a technical question. I was wondering if these funds were to be held restricted or unrestricted. What is the reasoning behind either restricted or unrestricted?

ASSEMBLYWOMAN FIORE:

Thank you for the question. This amendment would be restricted for the purposes of defending any lawsuits against our state.

Amendment lost.

Assembly Bill No. 408 having failed to receive a constitutional majority, Mr. Speaker declared it lost.

Assembly Bill No. 91.

Bill read third time.

Remarks by Assemblymen Benitez-Thompson, Moore, Kirkpatrick, Fiore, Jones, Titus, Hickey, Seaman, and Oscarson.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Assembly Bill 91 expands the list of persons authorized to file an application for the emergency admission of an alleged person with mental illness to include a physician assistant. In addition, a physician assistant is authorized to file a petition for the involuntary court-ordered admission of such a person to a mental health facility or to a program of community-based or outpatient services. The measure expands the list of health professionals authorized to complete a certificate stating that a person has a mental illness and because of that mental illness is likely to harm himself, herself, or others, if not admitted to certain facilities or programs. A public or private mental health facility must notify a family member or other person with a legitimate interest in a person who has an emergency admission or involuntary court-ordered admission to a facility. This requirement is not applicable if an admission was filed by a spouse, legal guardian, or adult child of a person.

The State Board of Nursing and the Board of Examiners for Social Workers are required to adopt regulations prescribing the psychiatric training and experience necessary for the professionals they license in order to meet the qualifications to complete the certificate. A mental health facility, hospital, community-based or outpatient program, or other treatment provider shall report certain information on involuntary admissions to the Legislature. Lastly, the bill prohibits a person who is related to a person with mental illness by blood or marriage within the second degree of consanguinity or affinity from completing an application or certificate.

For those of us who served last session and through the interim, we know that we went through a very painful process as legislators. We were embarrassed as a state with lawsuits brought against our mental health system. We heard stories of how poorly our mentally ill were treated, and the state reacted. The state reacted with changes to funding and policy. This bill presented before you represents two different recommendations coming out of the Behavioral Health and Wellness Council. If you want to read all of the recommendations, this is the December 2014 report to the Governor. Specifically, these are recommendations numbers 3 and 9. Why did we have to work so diligently to change these particular statutes? Let me refer you to three different news articles that give you highlights of what we as a Legislature are trying to address.

May 1, 2013, *Las Vegas Review-Journal,* Mentally Ill Patients Stack Up at Local Hospitals

> The problem reached a critical point Monday afternoon at University Medical Center which declared an "internal disaster" because of the overflow of mentally ill patients. UMC shut down its adult emergency room to arriving ambulances for 12 hours, the hospital's chief of staff and head of emergency services said Wednesday. "The situation is unfair to mentally ill patients going untreated and to those with physical ailments whose emergency room waits have gotten longer," said Dr. Dale Carrison. "The worst thing about this is that state government is doing nothing to change it," he added.

The problem went on. February 26, 2014, *Las Vegas Review-Journal*

> Hospital emergency rooms throughout the valley are closing their doors to ambulances because the mentally ill are now occupying available beds at a rate higher than in 2004, when the problem prompted then Governor Kenny Guinn to release emergency funds after Clark County declared a state of emergency.

The problem still went on. August 20, 2014, *Las Vegas Review-Journal*

> Local emergency rooms remain in "crisis mode" as mentally ill patients seeking care continue to overload hospitals ill-equipped to meet their needs. Within the last 30 days, at least three hospitals have been forced to close their emergency departments to new patients. Over the last 30 days, the emergency department at the St. Rose de Lima campus has closed to new patients four times for a total of 54 hours because it had reached capacity.

There has been a crisis. We as a state have worked hard to address it, but we are not doing right by our mentally ill by holding them longer than we have to because we have an inefficient process that will not work. We are not doing right by anyone in this state by not supporting a system of care that can treat these people properly, address their needs, and get them back to a place where they can be safe and secure. I urge your support on A.B. 91.

ASSEMBLYMAN MOORE:

I rise in strong opposition to Assembly Bill 91. The Nevada Psychiatric Association's Lesley Dickson, M.D., does not support this bill. The Nevada Psychiatric Association has told me they were not consulted on this bill at all and, therefore, they have serious concerns about the problems that it is attempting to solve. I, too, have concerns. We are talking about taking people's freedom away. This expands the number of people to include a physician assistant, a clinical social worker, an advanced practice nurse, or an "accredited agent of the Department." Can someone please explain what the "Department" is?

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Thank you for the question. It is an excellent one. All you have to do is read the chapter to know. There are three different types of admissions that can be made. Each of them has statutes addressing it. All of them fall within the Department of Health and Human Services. You have a voluntary admission, you have an emergency admission, and then you have an involuntary admission. You can read NRS [*Nevada Revised Statutes*] 433A.200, NRS 433A.115, and NRS 433A.160.

And to say that no one was consulted on this is absolutely inaccurate, for the record. You can read the report that is right here. You can read about the stakeholders who were brought to the table to develop good public policy. You can read about the conversations and how we were going to make a fair and equitable system. Most importantly, you want to remember that the thing that is least fair is holding people longer than 72 hours because we do not have a process in place that can take them off of a certification. Now we are saying, you do not get to be just a social worker to do this process. You have to be a clinically licensed social worker, which means you have to have a master's degree and clinical hours of training and psychiatric training above it. We are not saying that you are just an RN [registered nurse]; we are saying that you are an advanced practice RN with psychiatric training. We are bringing the standards up in this bill, and it is a good thing.

ASSEMBLYMAN MOORE:

Thank you, my esteemed colleague from District 27. Thank you for clearing that up for me. I will read that. I did not say that no one was consulted; I simply said that the Nevada Psychiatric Association said to me that they were not consulted. Also, this question was asked twice in committee by two different people. Does this bill in any way expand the number of persons who can commit someone involuntarily? The answer given was no. The very first line of the bill states that it does. I would like that on the record.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Assembly Bill 91. I would like to clear up a couple of comments that were made. I know that I was a little bit passionate on Friday, and I chose to leave the floor rather than to display my anger. I am concerned about the decorum in the building as a whole. I worked with my colleague from Assembly District 8. I stood up and I supported his amendment. I addressed his concerns. I do not disagree that he does not ever have to like the bill. That is fine, but I do want to make the record clear.

I spent my Sunday sending out a report that was put together over six or seven months, with many people being part of the process. There were well over 20 people who were on the committee. Dr. Dickson was in the room; you can go back to the minutes and look at that. She did have the opportunity to have discussion so she was part of the process. I am aware of the letter that she sent out recently stating that she had some concerns. I have agreed to address those concerns. But this was a six-month process to address this issue, and many of our leaders from both houses sat in on it.

Folks, do not forget: We have a lot of lawsuits regarding this. We have lots of things that we need to do better, and for people to say that we have not been putting money into mental health, that is not true. I have been in this building so long and my former colleague, Sheila Leslie, did a report in 2008. Guess how much this body has done since 2008? A big fat zero. Do you know why? Because we did not take it seriously. We take it seriously now that we have a huge lawsuit pending.

I understand there are concerns about who is part of that process. It would be very unfortunate if this bill went down because at the end of the day, our responsibility as legislators is to look out for those who cannot look out for themselves. Our responsibility is to make sure they get the services that they need so they can get back on track, so they can be part of our society, so they can work, so they can raise their families, and so they can live in their own homes.

I respect the opinion of my colleague from Assembly District 8, but I want the record to be clear. Every legislator has the report of the final recommendations. It is recommendation number 9 which addresses this issue. I have thousands of papers if anyone would like further documentation. My colleague from Reno, who at the time was the Minority Leader, sat with me on that committee. It was not an easy committee to be on. Eight to ten hours every single day for two days in a row, every other week, and that did not count all the extra stuff we did. We brought in professionals from around the country. These are their recommendations. I am happy to work with Dr. Dickson regarding the concern that she had, but this is a bigger issue. I would encourage my colleague to support it so that we can move it forward.

ASSEMBLYWOMAN FIORE:

Assembly Bill 91 is a tough bill, as I learned when my colleague from Assembly District 1 kind of lost her cool on the Chamber floor last Friday. I learned that the bill revolves around the lawsuits, which we did not know before going on the floor. But what I still do not understand about A.B. 91 is why we are expanding who can commit people involuntarily. I do not mind expanding who can let someone out, but we are talking about firefighters—they come on the scene, and they can commit you. We are talking about an array of folks who are not doctors who can commit you. This is the concern my colleague from District 8 has, and this is a valid concern. This is a very conflicting bill because I know we need it to help the state with the lawsuits and at the same time, I am very, very nervous about expanding who can commit someone.

ASSEMBLYMAN MOORE:

I thank the Minority Leader for working with me on this and I think she understands that I oppose the bill. I thank her for working with me on the amendment. I will continue to fight this bill all the way through. I know it will probably pass, but I would urge my colleagues to vote no.

ASSEMBLYMAN JONES:

I also rise in opposition to Assembly Bill 91, and I support my colleague from District 8. The problem with this bill, as I see it, is that it enables more people to involuntarily commit you. We hear, as support for this bill, that our mental health services are not sufficient here in the state of Nevada. What we are saying is, we need to be able to enable more people, such as an agent of the district, to commit you into a psychiatric facility involuntarily. I do not see how that has anything to do with helping people with a psychiatric situation. We need more professionals who are actually trained.

Think of this instance. You are with your spouse. You are in an argument and getting upset. You say, Oh, I would just like to kill you. Well, some nurse says, He is a danger to himself and others. Involuntarily off to 72 hours in the psychiatric facility, where you are drugged against your will and held against your will. A psychiatrist would say, He is in a moment of upset and probably does not know what he is saying. That is a trained person. But when you allow someone

who has no training, like a firefighter or an agent from the health district—who knows what that means. The definition of agent is basically anyone who works for the health district.

I think intent of this bill does not have to do with being involuntarily committed. The intent of the bill and its recommendations are for better psychiatric services. I am all for granting more people to get people their freedom, but if you have ever known anyone who has been involuntarily committed and they do not want to be in a psychiatric facility, it is actually hell to them. I think we should think seriously before allowing almost anybody to commit somebody involuntarily.

ASSEMBLYWOMAN TITUS:

I am rising with, hopefully, a voice of reason here. I appreciate everybody's comments and everybody's feelings about how important it is when you choose to commit somebody for a 72-hour legal hold. I have done that. I have a license to do that and, at this point, I almost could do that for everybody in this room because I am really suspicious about where you are right now.

I share the concern of my Assembly colleague from the south and I have visited with him on this issue. I, too, brought up in committee that I had concern about the expansion of those who can commit. There are checks and balances in the Legal 2000. Once you sign that form, the person does not go into some hole somewhere where no one knows they are there. They have to go through a physical screening exam by a physician in a professional setting before they are then committed to a psychiatric bed, whether that is in a separate building or in a hospital setting.

There has been a problem in our state. There is a huge mental health problem in our state. I really do not think this bill solves that problem. I think it is a step. I think we need to go forward with that. I was not going to support this bill, and I was going to support my colleague from the south who I have worked with on this. I feel the Minority Leader and the Assemblywoman from the north who sponsored this bill understand this, too. We want this process to go forward. With the amendment, I am supporting this bill because we have asked for some accountability.

I am going to be following this very closely; I think we all are. We hope that it brings changes to our state, we hope that we improve our mental health outcomes, and we hope we improve patient care. The amendment actually asks that not only do we get a report on how many of these have been done, but by which providers they have been committed. We can hold people and this state accountable. We need to move forward and pass this bill. Although I respect the feelings of the Assemblyman from the south, we need to improve mental health and I will be working on this very closely to make sure that there are improvements. I think we all want the same outcomes; we all want better treatment.

ASSEMBLYMAN HICKEY:

I rise briefly in support of Assembly Bill 91. I served on the Governor's commission and he acted, as did the countless professionals, in a most compassionate and thorough way in vetting exactly how the State of Nevada is going to begin addressing this challenge. I will assure you there were top law enforcement people, district attorneys from Clark County, top officials from all the psychiatric hospitals, and people directly involved in this field who came up with a comprehensive and a compassionate way to begin dealing with this problem. I think the fruit of that is in this bill, and we have made a huge step forward. I urge its passage.

ASSEMBLYWOMAN SEAMAN:

I rise in opposition to Assembly Bill 91. Again, the bill is not perfect, but let us pass it and let us keep an eye on it. I believe we are going to have unintended consequences with Assembly Bill 91 now that we can have physician assistants, firefighters, and so forth committing people. I urge all of my colleagues to vote no on this bill and let us work on legislation that we do not have to watch so closely because we will have done it right. I urge everyone to please vote no.

GENERAL FILE AND THIRD READING

Senate Bill No. 505.

Bill read third time.

Remarks by Assemblyman Oscarson.

ASSEMBLYMAN OSCARSON:

Senate Bill 505 provides for a state agency premium holiday by requiring that a participating state agency only pay the Public Employees' Benefit' Program (PEBP) Active Employee Group Insurance Subsidy (AEGIS) assessment for the first ten months of Fiscal Year 2014-2015.

The premium holiday applies to each department, commission, board, bureau, or other agency of the Executive, Legislative, and Judicial Departments of state government, including, without limitation, the Public Employees' Retirement System and the Nevada System of Higher Education.

Senate Bill 505, introduced on behalf of the Department of Administration, is part of the Department of Administration's strategy to address the FY 2015 ending fund balance shortfall. The premium holiday is projected to save $18.3 million in general funds and $5 million in highway funds. While approving this bill will require an FY 2016 AEGIS assessment greater than would otherwise be needed, increased funding for FY 2016 is included in the Executive Budget.

Although a corresponding premium holiday is not provided for active state employees in this bill, Senate Bill 505 specifically provides that state employees must not be required to pay the portion of the cost of the premiums and contributions that would have otherwise been paid by their state employers during the two months of the state agency AEGIS premium holiday.

This act becomes effective upon passage and approval.

Roll call on Senate Bill No. 505:

Sections 2-12 of this bill enact the Good Samaritan Drug Overdose Act, the provisions of which have been enacted in part or in entirety by at least 28 other states.

Under existing law, certain health care professionals may prescribe, dispense or otherwise furnish an opioid antagonist to a person at risk of experiencing an opioid-related drug overdose. (Chapter 454 of NRS) **Section 7** of this bill authorizes certain physicians, physician assistants and advanced practice registered nurses to prescribe and dispense an opioid antagonist to a family member, friend or other person who is in a position to assist a person at risk of experiencing an opioid-related drug overdose and provides immunity from civil and criminal liability and professional discipline for doing so ~~[.]~~ **or**

declining to do so. **Section 8** of this bill authorizes the storage and dispensing of opioid antagonists by certain persons who are not registered or licensed by the State Board of Pharmacy. **Section 9** of this bill provides for the development of standardized procedures and protocols under which a registered pharmacist may furnish an opioid antagonist.

Existing law establishes criminal liability for various activities relating to controlled substances. (Chapter 453 of NRS) **Section 12** of this bill provides that a person who, in good faith, seeks medical assistance for a person who is experiencing a drug or alcohol overdose or other medical emergency or who seeks such assistance for himself or herself, or who is the subject of a good faith request for such assistance may not be arrested, charged, prosecuted or convicted, or have his or her property subjected to forfeiture, or be otherwise penalized for violating: (1) certain provisions of existing law governing controlled substances; (2) a restraining order; or (3) a condition of the person's parole or probation, if the evidence to support the arrest, charge, prosecution, conviction, seizure or penalty was gained as a result of the person's seeking such medical assistance. **Section 12** also provides that the act of seeking such assistance may be raised in mitigation in connection with certain other crimes.

Existing law requires every practitioner or other person who dispenses a controlled substance within this State to register biennially with the State Board of Pharmacy. (NRS 453.226) **Sections 15.1-15.9** of this bill authorize the professional licensing boards of the various practitioners who are eligible for such registration to: (1) require their licensees who are registered to dispense a controlled substance to periodically complete certain training concerning the misuse and abuse of controlled substances; and (2) impose disciplinary action on a practitioner who fails to do so.

Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track each prescription for a controlled substance. Persons who prescribe or dispense controlled substances can choose to access the database of the program and are given access to the database after receiving a course of training developed by the Board and the Division. (NRS 453.1545) **Section 13** of this bill requires each person who dispenses a controlled substance to upload certain information to the database of the program not later than the end of the next business day after dispensing the controlled substance.

Existing law requires a practitioner to obtain a patient utilization report regarding a patient before writing a prescription for a controlled substance if the patient is a new patient or a current patient who has not received a prescription for a controlled substance from the practitioner in the preceding 12 months. (NRS 639.23507) **Section 16** of this bill: (1) requires a practitioner to obtain a patient utilization report before initiating a prescription for a controlled substance; (2) exempts from liability a practitioner who fails to obtain such a report under certain circumstances; and (3) requires the Board to adopt regulations to provide alternative methods of complying with the

requirement to obtain such a report for a physician who provides services in a hospital emergency department.
