Assembly Bill No. 326.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 423.

AN ACT relating to motor vehicle registration; revising provisions relating to the requirements for certain special license plates; revising the depreciation schedule used for calculating the governmental services tax imposed on certain vehicles upon registration; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a resident of Nevada may obtain from the Department of Motor Vehicles a special license plate for any passenger car or light commercial vehicle inscribed with the words "CLASSIC VEHICLE" if the vehicle: (1) has a manufacturer's rated carrying capacity of 1 ton or less; (2) was manufactured at least 25 years before the application for the special license plate is submitted; and (3) contains only the original parts which were used to manufacture the vehicle or replacement parts that duplicate those original parts. (NRS 482.3816) **Section 1** of this bill revises those requirements, allowing the issuance of such special license plates ~~[only]~~ for a passenger car ~~[(thus excluding]~~ **or** light commercial ~~[vehicles),~~ ~~and requiring that the owner provide proof satisfactory to the Department that the owner: (1) drives the passenger car solely for personal use and not more than 5,000 miles during an annual registration period; and (2) has another passenger car or motorcycle registered with the Department during the entire registration period of the passenger car for which the special license plates are sought.]~~ **vehicle manufactured before 1996.** Existing law provides that a vehicle for which such a special license plate has been issued is exempt from standards for exhaust emissions, fuel evaporative emissions and visible emissions of smoke if the owner of the vehicle certifies to the Department that the vehicle was not driven more than 5,000 miles during the immediately preceding year. (NRS 445B.760)

Existing law sets forth depreciation schedules for determining the amount of governmental services taxes due each year for used vehicles and establishes a minimum tax of $16. (NRS 371.060) **Section 2** of this bill reduces the amount of governmental services taxes due annually for used vehicles by increasing the amount of depreciation allowed and decreases the minimum tax to $6.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 516.

AN ACT relating to elections; ~~[extending the deadlines for filling vacancies in certain nominations and for making changes to the ballot of a general election; eliminating]~~ **providing certain remedies and penalties in preelection challenges to the qualifications of a candidate; changing** the deadline for an elector to file ~~[a written challenge on the grounds that a candidate fails to meet any qualification required for the office which the candidate is seeking; requiring a court to order that a candidate whose qualifications to hold office are successfully challenged pay certain fees, costs and penalties; revising the requirements for the Secretary of State, county clerk and city clerk to notify voters of the disqualification of a candidate;]~~ **certain preelection challenges to the qualifications of a candidate; making conforming changes to the definition of "actual residence" for purposes of candidacy; providing penalties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law sets forth procedures for filling certain vacancies in a nonpartisan office, nomination for a nonpartisan office and major political party nomination for a partisan office that occur before 5 p.m. on the fourth~~

~~Friday in June of the year in which the general election is held. (NRS 293.165, 293.166, 293.368) Sections 1, 2 and 5 of this bill extend the deadline for filling these vacancies to July 31 of the year in which the general election is held.~~]

Under existing law, if a candidate is disqualified from taking office because the candidate fails to meet any qualification required for the office, the Secretary of State and local election officials must post a sign at each polling place where the candidate's name will appear on the ballot informing voters that the candidate is disqualified from taking office. (NRS 293.184, 293C.1865) Additionally, under existing law, there are several different types of preelection court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for the office, including actions for a declaratory judgment or a writ of mandamus. (NRS 281.050, 293.182, 293C.186; *DeStefano v. Berkus*, 121 Nev. 627, 628-31 (2005); *Child v. Lomax*, 124 Nev. 600, 604-05 (2008))

Section 2.5 of this bill provides that in any preelection action where the court finds that a candidate fails to meet any qualification required for the office: (1) the candidate is disqualified from taking office; (2) the court may order the candidate to pay the attorney's fees and costs of the party who brought the action, including the Attorney General or a district attorney or city attorney; (3) in addition to any other notice required by law, the court may direct the Secretary of State and local election officials to notify voters in any other manner the court deems appropriate that the person is disqualified from taking office; and (4) if the Attorney General or a district attorney or city attorney brought the action, the court shall order the person to pay to the State of Nevada a civil penalty of not less than $5,000.

Existing law authorizes an elector to ~~[~~submit~~]~~ **file** a written challenge to a ~~[~~person's candidacy on the grounds that the person fails to meet any qualification required for the office; the deadline for filing a written challenge is~~]~~ **candidate's qualifications not later than** 5 **working** days after the last day ~~[~~a person may~~]~~ **for the candidate to formally** withdraw his or her candidacy. **Depending on the state or local office being sought by the candidate, the Attorney General or the appropriate district attorney or city attorney must review the challenge and, if he or she determines that probable cause exists to support the challenge, must bring a preelection court action challenging the candidate's qualifications within a statutorily-prescribed period.** (NRS 293.182, 293C.186 ~~D~~**)** **; *Williams v. Clark County Dist. Att'y*, 118 Nev. 473, 477-79 (2002) (interpreting NRS 293.182 to permit an elector to file a written challenge not later than 5 working days after the last day for the candidate to formally withdraw his or her candidacy))** **Sections 3 and 6** of this bill ~~[~~eliminate~~]~~ **change** the deadline for an elector to file **such** a written challenge ~~[~~. Sections 3 and 6 also require that if a court determines by a preponderance of the evidence that the challenge to a person's candidacy is valid or that the person otherwise fails to

~~meet any qualification required for the office, the court must order the challenged person to pay: (1) the attorney's fees and court costs of the elector who filed the challenge; and (2) a civil penalty of not less than $5,000.~~

~~If a person is disqualified from entering upon the duties of office, existing law requires the Secretary of State and the county clerk or city clerk, as applicable, to post a sign at each polling place where a person's name will appear on the ballot informing voters that the person is disqualified from entering upon the duties of office. (NRS 293.184, 293C.1865) Sections 4 and 7 of this bill require that the Secretary of State, county clerk or city clerk, as applicable, also notify the voters in any other manner ordered by the court that the person is disqualified from entering upon the duties of office.~~**]** **to the last Monday immediately preceding the first day of early voting for any general election.**

Existing law defines the term "actual residence" to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate's actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (*Williams v. Clark County Dist. Att'y*, 118 Nev. 473, 484-86 (2002); *Chachas v. Miller*, 120 Nev. 51, 53-56 (2004)) Section 8 of this bill amends existing law to reflect the Supreme Court's holding.

Assembly Bill No. 389.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 374.

AN ACT relating to employee leasing companies; ~~[revising the method for calculation of unemployment contributions for employees of an employee leasing company leased to a client company;]~~ altering the definition of "employee leasing company" to describe the nature of the relevant agreement; authorizing an employee leasing company that applies for a certificate of registration to provide consolidated or combined financial statements with its application; **deeming the client company of an employee leasing company to be the employer of the employees it leases for purposes of unemployment compensation;** repealing the requirement that an employee leasing company maintain an office in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires employers to contribute a percentage of an employee's wages to the Unemployment Compensation Fund. (Chapter 612 of NRS) The standard rate of contribution is 2.95 percent of the employee's wages; however, an employer may be eligible for a different rate of contribution based on the employer's actual payroll, contribution and benefit experience. (NRS 612.540-612.550) Section 1 of this bill allows an employee leasing company to choose whether to use its own calculated contribution rate or the calculated contribution rate of a client company for employees leased to the client company.]~~

Existing law defines the term "employee leasing company." (NRS 616B.670) **Section 2** of this bill revises the definition of an employee leasing company to emphasize that the agreement between an employee leasing company and client company contemplates an ongoing relationship with an allocation of rights, duties and obligations.

Existing law requires an employee leasing company to have a certificate of registration to operate in this State. (NRS 616B.673) To receive a certificate

of registration, an employee leasing company must submit an application to the Administrator of the Division of Industrial Relations of the Department of Business and Industry which must include, among other things, financial statements of the applicant. (NRS 616B.679) **Section 3** of this bill allows an employee leasing company to meet this requirement by submitting consolidated or combined financial statements that include, but are not exclusive to, the employee leasing company.

Section 4 of this bill deems the client company of an employee leasing company to be the employer of the employees it leases for the purposes of the chapter of the laws of this State that pertain to unemployment compensation.

Existing law requires an employee leasing company to maintain an office or similar site in this State for retaining, reviewing and auditing its payroll records and agreements with client companies. In addition, the office must be open during normal business hours for the inspection and copying of certain records by employees and the public. (NRS 616B.682) **Section 5** of this bill repeals these provisions.

AN ACT relating to ~~[public lands; prohibiting the Federal Government from owning or regulating certain public lands or the right to use public waters; requiring the State Land Registrar to adopt regulations that provide for the appropriation and registration of grazing, logging, mineral development or other beneficial use rights on public lands; requiring the State Land Registrar to sell permits for grazing, logging, mineral development or other beneficial uses on public lands for which such rights are not registered and appropriated; requiring the board of county commissioners of each county to impose a tax on profits from the beneficial use of public lands;]~~ **governmental administration; declaring the support of the Legislature for certain uses of private property and public lands in this State; authorizing the sheriff of a county to enter into an agreement with a federal agency concerning primary responsibility or the exercise of law enforcement authority on land managed by the federal agency under certain circumstances; providing that sheriffs and their deputies are the primary law enforcement officers in the unincorporated areas of their respective counties;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[The United States Constitution authorizes the Federal Government to exercise authority over land purchased by consent of the legislature of the state in which the land lies for the erection of forts, magazines, arsenals, dockyards and other needful buildings. (U.S. Const. Art. I, 8, cl. 17)~~

~~Existing law: (1) sets forth the manner in which an officer of an agency or instrumentality of the United States may apply to the Director of the Legislative Counsel Bureau to obtain a cession of concurrent criminal jurisdiction or other jurisdiction from the State of Nevada; and (2) authorizes the Legislature to enact a resolution ceding that jurisdiction to the United States respecting any land held by the United States for the erection of forts, magazines, arsenals, dockyards or other needful buildings or for any other governmental purpose authorized by the Constitution of the United States. (NRS 328.065-328.135)~~

~~Section 3 of this bill prohibits the Federal Government from owning or regulating activity on any land in this State that it has not acquired with the consent of the Legislature and upon which it has not erected forts, magazines, arsenals, dockyards or other needful buildings. Section 3 provides that the rights to own and use such land are the common property of the citizens of this State. Section 3 requires the State to respect all agreements that guarantee persons the right to use such land.~~

~~Existing law provides for the appropriation and registration of rights to use public waters in this State. (NRS 533.324-533.435) Section 3 also prohibits the Federal Government from owning water rights in this State and provides for the appropriation and registration of water rights claimed by the Federal~~

~~Government in the manner provided by statute for the appropriation of the right to use public waters.~~

~~— Section 4 of this bill requires the State Land Registrar to provide for the appropriation and registration of grazing, logging, mineral development or any other beneficial use rights on public lands, including land to which the Federal Government claims ownership or rights. The State Land Registrar must award such rights to the first person who puts the land to beneficial use for grazing, logging, mineral development or another beneficial use, as applicable, and require a person to continue to use the land for such a beneficial use in order to retain the rights. Section 5 of this bill requires the State Land Registrar to publish notice each time a right to use public lands for grazing, logging, mineral development or any other beneficial use becomes available, and section 6 of this bill authorizes a person to protest the appropriation and registration of such rights. Section 7 of this bill requires the State Land Registrar to hold an annual auction to sell permits to use land for which rights have not been appropriated for grazing, logging, mineral development or any other beneficial use. Section 7 also provides that if the holder of such a permit puts the land to such a beneficial use for 4 consecutive years, he or she can appropriate the right to use the land for that beneficial use.~~

~~— Section 8 of this bill requires the board of county commissioners of each county to impose a tax on the profits gained through the beneficial use of public lands.~~**]**

Under existing law, the Legislature has declared that the public policy of this State is to continue to seek the acquisition of lands retained by the Federal Government within the borders of this State. (NRS 321.00051) Section 11 of this bill expands that public policy to include: (1) support for an owner of private property in this State to use any resources located on that private property; (2) support for the members of the general public in this State to access and use any public lands in this State for certain recreational activities; and (3) support for the residents of this State to use any public lands in this State in a manner which ensures multiple uses of those public lands for those residents.

Existing law sets forth the general powers and duties of sheriffs and their deputies in this State. (NRS 248.090-248.250) Section 12 of this bill authorizes the sheriff of any county in this State to enter into an agreement with certain federal agencies pursuant to which the sheriff and his or her deputies are primarily responsible for the exercise of law enforcement authority on land managed by those federal agencies if the agreement: (1) requires the payment of fair compensation to the sheriff for exercising law enforcement authority based on federal statutes and regulations; and (2) provides that the federal agency recognizes the sheriff as the primary law enforcement authority on the land managed by the federal agency. Section 13 of this bill provides that the sheriffs and their deputies are the primary law enforcement officers of the unincorporated areas of their respective counties.

The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.~~

~~11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. Assembly Bill No. 448.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 448.

AN ACT relating to education; establishing the Achievement School District within the Department of Education; authorizing certain underperforming schools to be converted to achievement charter schools sponsored by the ~~[Executive Director of the]~~ Achievement School District; prescribing requirements for the conversion of a public school to an achievement charter school and the operation of an achievement charter school; providing for the use of certain school buildings by an achievement charter school without compensation; authorizing a school district to provide services to an achievement charter school under certain circumstances; prescribing certain conditions of employment for a teacher at an achievement charter school; authorizing the conversion of an achievement charter school to a public school in a school district or a charter school; **revising provisions governing the use of school buildings owned by the board of trustees of the school district by a charter school;** making reassignment of the employees of an achievement charter school outside the scope of collective bargaining; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 17 of this bill creates the Achievement School District within the Department of Education, and **section 18** of this bill requires the Superintendent of Public Instruction to appoint an Executive Director as the chief of the Achievement School District. **Section 19** of this bill establishes the Account for the Achievement School District in the State General Fund.

Existing law establishes the statewide system of accountability for public schools. (NRS 385.3455-385.391) The statewide system of accountability provides for each public school to be rated based on the performance of the school and whether each public school meets the annual measurable objectives and performance targets. (NRS 385.3594) **Section 20** of this bill requires the ~~[State Board of Education]~~ **Executive Director** to make a list of public schools that demonstrate unsatisfactory pupil achievement and school performance for consideration for conversion to achievement charter schools ~~[.]~~ **and submit the list to the State Board of Education for approval.** The list must include ~~[10]~~ **20** percent of schools that meet certain criteria ~~[.]~~ **, and the State Board must approve for consideration at least 50 percent of the schools on the list. Section 20** authorizes the Executive Director to select any school ~~[from this list]~~ **approved by the State Board** for conversion to an achievement charter school ~~[.]~~ **after: (1) considering data concerning pupil achievement and school performance for the school; (2) considering input from parents of pupils enrolled at the school and other members of the community in which the school is located; and (3) consulting with the board of trustees of the school district in which the school is located.**

Existing law prohibits the conversion of an existing public school to a charter school. (NRS 386.505, 386.506) **Sections 11 and 23** of this bill provide that these provisions do not apply to an achievement charter school, thereby allowing the conversion of an existing public school to an achievement charter school.

Section 21 of this bill requires the Executive Director of the Achievement School District to ~~[: (1)]~~ evaluate applications and enter into a contract with a charter management organization, educational management organization or other person to operate an achievement charter school **.** ~~[; (2)]~~ **Section 21 also requires the Department to adopt regulations prescribing the process for applying to operate an achievement charter school, which must allow for certain applicants to submit one application to operate more than one achievement charter school. Section 21.5 of this bill provides that the Achievement School District is deemed the** sponsor ~~[the]~~ **of an** achievement charter school ~~[.]~~ and ~~[(3)]~~ **requires the operator of an achievement charter school to** appoint a governing body of the achievement charter school **.** ~~[, which]~~ **Section 21.5 provides that the governing body** may consist of any persons chosen by the ~~[Executive Director.]~~ **operator of the achievement charter school, with certain restrictions. Section 22** of this bill requires the ~~[governing body]~~ **principal** of an achievement charter school to determine whether to offer employment at the achievement charter school to the former

employees of the public school. Any such employees who are not offered employment at the achievement charter school must be reassigned to another public school in the district. **Section 22** also requires the board of trustees of a school district to allow an achievement charter school to operate in the building in which the school was located before conversion to an achievement charter school without compensation and continue to pay capital expenses for the building. The achievement charter school is required to pay for maintenance and operation of the building. **Section 22** also provides that any ~~[child]~~ **pupil** who was enrolled in a school before conversion to an achievement charter school must be ~~[given priority above all other students for enrollment]~~ **enrolled** in the achievement charter school ~~.~~ ~~[.]~~ **upon request. Finally, section 22 limits the amount of loans, advances or other monetary charges that the governing body of an achievement charter school may authorize to be paid to the operator of the achievement charter school.** **Section 61** of this bill makes the right of a school district to reassign employees who are not retained by an achievement charter school outside the scope of collective bargaining.

Section 22.5 of this bill enacts provisions necessary for an achievement charter school to be able to receive money available from federal and state categorical grant programs.

Sections 3-8 and 23 of this bill require an achievement charter school to participate in the statewide system of accountability for public schools.

Existing law: (1) establishes requirements concerning the availability of certain information concerning charter schools and the operation of a charter school; (2) prohibits a member of the board of trustees of a school district or employee of a school district to solicit gifts or payments from a governing body or employee of a charter school; (3) prohibits the board of trustees of a school district from interfering with the operation of a charter school; (4) prescribes the manner in which money will be apportioned to and paid by a charter school; (5) establishes requirements concerning hiring of personnel at a charter school; (6) requires certain information to be reported by the governing body and sponsor of a charter school; and (7) authorizes a charter school to finance improvements through the issuance of bonds. (NRS 386.545, 386.547, 386.550, 386.553, 386.555, 386.563-386.573, 386.582-386.593 and 386.598-386.649) **Section 23** of this bill makes these provisions applicable to an achievement charter school. **Section 23** also allows the governing body of an achievement charter school to obtain a waiver of certain requirements concerning the school calendar, testing, curriculum, enrollment, distance education and staffing.

Existing law authorizes: (1) a charter school that meets certain requirements to apply to the Department for money for facilities; (2) a charter school to take certain actions to expand its facilities; and (3) a pupil at a charter school to participate in classes or extracurricular activities at a public school in a school district. (NRS 386.5515, 386.560, 386.595) **Sections 24-26** of this bill enacts similar provisions applicable to achievement charter schools. **Section 25** also

requires the board of trustees of a school district in which an achievement charter school is located to provide facilities, other than the school building in which the achievement charter school operates, to the achievement charter school or perform certain services to an achievement charter school for compensation upon the request of the Executive Director.

Sections 27, 31 and 32 of this bill prescribe conditions for employment at an achievement charter school. **Sections 28, 30 and 31** of this bill require the board of trustees of a school district to grant a leave of absence of 6 years to a teacher who wishes to accept or continue employment at an achievement charter school and prescribe requirements concerning benefits and tenure of a teacher who takes such a leave of absence.

Section 33 of this bill allows an achievement charter school that has demonstrated adequate improvement in pupil achievement and school performance to: (1) convert back to a public school under the governance of the board of trustees of the school district in which the school is located; (2) apply to an entity for sponsorship as a charter school and become a charter school outside the Achievement School District; or (3) remain an achievement charter school for at least 6 more years. **Section 33** requires an achievement charter school that has not demonstrated adequate improvement to remain an achievement charter school for at least 6 more years, subject to review at least every 3 years thereafter. **Section 33** provides that if an achievement charter school converts back to a public school in a school district, the board of trustees of the school district must employ any teacher, administrator or paraprofessional who wishes to continue at the school. **Section 34** of this bill requires the Department to adopt regulations to carry out the provisions governing achievement charter schools. **Sections 36-38** of this bill exempt an achievement charter school from certain prohibitions on converting an existing public school into a charter school.

Existing law authorizes a charter school to use school buildings owned by the school district in which the charter school is located only upon approval of the board of trustees of the school district and during times that are not regular school hours. (NRS 386.560) Section 39.5 of this bill removes the limitation on the use of such buildings during regular school hours, but still requires such use to be approved by the board of trustees of the school district.

Sections 1, 2, 9, 11-16, 35, 39-60, 62-64 and 69 of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 385.005 is hereby amended to read as follows:

385.005 1. The Legislature reaffirms its intent that public education in the State of Nevada is essentially a matter for local control by local school districts. necessary to maintain control of the education of the children within their respective districts. These rights and powers may only be limited by other specific provisions of law.

2. The responsibility of establishing a statewide policy of integration or desegregation of public schools is reserved to the Legislature. The responsibility for establishing a local policy of integration or desegregation of public schools consistent with the statewide policy established by the Legislature is delegated to the respective boards of trustees of local school districts and to the governing body of each charter school.

5. “Public schools” means all kindergartens and elementary schools, junior high schools and middle schools, high schools, charter schools and any other schools, classes and educational programs which receive their support through public taxation and, except for charter schools, whose textbooks and courses of study are under the control of the State Board.

The board of trustees of each school district in this State, in cooperation with associations recognized by the State Board as representing licensed educational personnel in the district, shall adopt a program providing for the accountability of the school district to the residents of the district and to the State Board for the quality of the schools and the educational achievement of the pupils in the district, including, without limitation, pupils

A separate reporting for a group of pupils must not be made pursuant to NRS 385.347 to 385.3495, inclusive, if the number of pupils in that group is insufficient to yield statistically reliable information or the results would reveal personally identifiable information about an individual pupil. Assembly Bill No. 461.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 518.

AN ACT relating to elections; **providing certain remedies and penalties in preelection challenges to the qualifications of a candidate;** increasing the penalty for a candidate ~~[for office]~~ who files certain documents containing a false statement; revising the forms for declarations of candidacy, acceptances of candidacy and **declarations of** residency; requiring certain proofs of identity **and residency** when filing for candidacy; ~~[providing for the payment of certain costs, expenses and attorney's fees for a successful challenge to the residency qualifications of a candidate for office;]~~ **making conforming changes to the definition of "actual residence" for purposes of candidacy;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, there are several different types of preelection court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for the office, including actions for a declaratory judgment or a writ of mandamus. (NRS 281.050, 293.182, 293C.186; DeStefano v. Berkus, 121 Nev. 627, 628-31 (2005); Child v. Lomax, 124 Nev. 600, 604-05 (2008)) Section 1 of this bill provides that in any preelection action where the court finds that a candidate fails to meet any qualification required for the office: (1) the candidate is disqualified from taking office; and (2) the court may order the candidate to pay the attorney's fees and costs of the party who brought the action, including the Attorney General or a district attorney or city attorney.

Existing law **: (1) requires a candidate to file a declaration or acceptance of candidacy before his or her name may appear on a ballot; and (2)** provides that a ~~[person]~~ **candidate** who knowingly and willfully files a declaration or acceptance of candidacy which contains a false statement regarding residency is guilty of a gross misdemeanor. (NRS 293.1755, **293.177, 293C.185,** 293C.200) **Existing law also requires a candidate for election to the Legislature to file a declaration of residency with his or her declaration or acceptance of candidacy. (NRS 293.181) Sections 1.5, 2, 3 , ~~[and]~~ 5 and 7** of this bill provide that **a candidate who** knowingly and willfully ~~[filing]~~ **files** a declaration of candidacy, acceptance of candidacy or declaration of residency ~~[with any]~~ **which contains a** false statement is ~~[punishable as]~~ **guilty of** a category ~~[C]~~ **E** felony. ~~[Sections 1 and 7 of this bill make conforming changes.]~~

Existing law **specifies the forms for a declaration or acceptance of candidacy and a declaration of residency and requires certain information to be included on the forms. Existing law also** requires a candidate ~~[for office in a primary election to file a declaration or acceptance of candidacy and also, for the office of State Legislator, a declaration of residency, and when filing, the person must]~~ **to** present the filing officer with **one type of acceptable identification or documentation as** proof of **the candidate's** identity and residency ~~[.]~~ **when the candidate files a declaration or acceptance of candidacy.** (NRS 293.177, 293.181, 293C.185)

Sections 2, 3 and 5 revise the forms for a declaration or acceptance of candidacy and **a** declaration of residency to include a statement that the ~~[person]~~ **candidate** understands that knowingly and willfully filing such a ~~[declaration with]~~ **document which contains** a false statement is **a crime** punishable as a category ~~[C]~~ **E** felony ~~[.]~~ **and also subjects the candidate to a civil action disqualifying the candidate from taking office and making the candidate liable upon order of the court to pay the attorney's fees and costs of the party who brings the action. Sections 2 and 5** also require the candidate to present the filing officer with two ~~[forms]~~ **types** of **acceptable identification and documentation as** proof of **the candidate's** identity and residency.

~~[Existing law allows an elector to challenge the qualifications of a person filing for candidacy. (NRS 293.182, 293C.186) Sections 4 and 6 of this bill provide that if a court finds that the person knowingly and willfully made a false statement regarding residency when filing for candidacy, the person is required to pay the costs, expenses and attorney's fees incurred by the Attorney General, district attorney or city attorney, as applicable.~~

~~Existing law authorizes a district court to determine whether a candidate meets the residency requirement in an action for declaratory judgment. (NRS 281.050) Section 8 of this bill provides that if the district court finds that the person knowingly and willfully made a false statement regarding residency when filing for candidacy, the person is required to pay the costs, expenses and attorney's fees of the prevailing party.]~~

Existing law defines the term "actual residence" to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate's actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (Williams v. Clark County Dist. Att'y, 118 Nev. 473, 484-86 (2002); Chachas v. Miller, 120 Nev. 51, 53-56 (2004)) Section 8 of this bill amends existing law to reflect the Supreme Court's holding.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 293 of NRS is hereby amended by adding thereto a new section to read as follows:**

AN ACT relating to wineries; ~~[~~deleting~~]~~ **revising** provisions ~~[~~specifying the population of a county in which~~]~~ **relating to the operation of** a winery ~~[~~may engage in certain activities;~~]~~ **in this State;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a winery which is located in a county whose population is 100,000 or less (currently all counties other than Clark and Washoe Counties) and is federally bonded may: (1) import wine or juice from a bonded winery in another state for fermentation, mixing with other wine or aging in this State; (2) sell at retail or serve by the glass on its premises and at one other location any wine produced, blended or aged by the winery if the wine sold at that other location does not exceed a certain amount; and (3) serve any alcoholic beverage by the glass on its premises. (NRS 597.240) This bill deletes the restriction concerning the population of the county in which such a winery is located ~~[.]~~ **, and authorizes a winery located in any county in this State to import wine or juice for the purpose of producing, bottling, blending and aging wine. This bill imposes certain requirements concerning the percentage of wine produced, blended or aged by certain wineries that must be from fruit grown in this State. This bill also imposes certain restrictions governing the sale by a winery of wine produced by the winery and other alcoholic beverages. Additionally, this bill authorizes the State Board of Agriculture to adopt regulations relating to certain requirements established by the Federal Government for the labeling of bottles of wine.**

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 370.

AN ACT relating to autism spectrum disorders; removing certification of autism behavior interventionists by the Board of Psychological Examiners; ~~[sunsetting these changes unless legislation providing for an autism behavior interventionist to obtain a certain other certification is enacted; removing]~~ **requiring an autism behavior interventionist to be registered by a certain national board; revising** the cap on the amount of required insurance coverage for certain treatment; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the certification of autism behavior interventionists by the Board of Psychological Examiners. (NRS 641.0204, 641.172) **Sections 1-11 and 25** of this bill remove this certification ~~[. Section 11 preserves the requirement, however, that an autism behavior interventionist work under the supervision of a licensed psychologist, licensed behavior analyst or licensed assistant behavior analyst.]~~ **and instead require an autism behavior interventionist to be registered as a Registered Behavior Technician or an equivalent credential by the Behavior Analyst Certification Board, Inc.**

Existing law requires certain insurers to provide coverage of screening for and diagnosis of autism spectrum disorders and of treatment for autism spectrum disorders for certain persons who are covered by a policy of insurance and requires certain other insurers to provide an option for such coverage. Such required coverage may include behavioral therapy provided by a certified behavior interventionist who is properly supervised. (NRS 287.0276, 689A.0435, 689B.0335, 689C.1655, 695C.1717, 695G.1645) ~~[Because that certification has been removed from statute, sections]~~ **Sections 12, 14, 16, 18, 20 and 22** of this bill ~~[remove]~~ **replace** the requirement that such therapy be provided by ~~[a certified]~~ **an** autism behavior interventionist **certified by the Board** as a condition to required coverage and the required option for coverage ~~[. Sections 12, 14, 16, 18, 20 and 22 preserve the requirement, however, that such therapy be provided by an autism behavior interventionist who is supervised by a licensed psychologist, licensed behavior analyst or licensed assistant behavior analyst before coverage or the option for coverage is required. Sections 12, 14, 16, 18, 20 and 22 also remove]~~ **with a requirement that such therapy be provided by an autism behavior interventionist registered as a Registered Behavior Technician or an equivalent credential by the Behavior Analyst Certification Board, Inc., as a condition to such requirements. Beginning on January 1, 2017, sections 13, 15, 17, 19, 21, 23 and 26 of this bill increase** the $36,000 cap on such coverage ~~[.~~

~~— Section 26 of this bill sunsets the statutory changes that remove certification of autism behavior interventionists by the Board, thereby re-enacting such provisions on July 1, 2017. Sections 13, 15, 17, 19, 21, 23 and 26 of this bill re-enact the requirement that behavior therapy be provided by a certified autism behavior interventionist as a condition to required coverage and the required option for coverage on January 1, 2018, thereby providing a 6-month period in which a person may obtain certification before certification will affect insurance coverage.~~

~~— Section 26 provides, however, for the permanent removal of the certification of autism behavior interventionists if, on or before July 1, 2017, legislation is enacted to provide for the certification of an autism behavior interventionist as a Registered Behavior Technician or an equivalent certification by the Behavior Analyst Certification Board, Inc., or its successor organization.~~**]** **to the actuarial equivalent of $72,000.**

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 42.

AN ACT relating to state financial administration; revising provisions governing the procedure for the revision of the budget of the Executive Department of the State Government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the State Budget Act, a department, institution or other agency of the Executive Department of the State Government, with certain exceptions, is authorized, as a result of changed conditions, to request a revision to a work program within its budget. Such a revision is required to be approved or disapproved by the Governor or the Chief of the Budget Division of the Department of Administration. In addition, if the amount of the requested revision exceeds a specified monetary threshold and increases or decreases the expenditure level approved by the Legislature for any of the allotments within the **work** program by a specified percentage or amount, the revision also requires **the additional** approval ~~[by]~~ **of** the Interim Finance Committee, unless the Governor approves the revision as necessary because of a qualifying emergency situation or for the protection of life or property. (NRS 353.220) ~~[Further, under existing law, the acceptance of a gift or grant of property or services by a state agency, with certain exceptions, from any source requires approval by the Interim Finance Committee unless: (1) the gift or grant is included in an act of the Legislature authorizing expenditures of nonappropriated money; (2) the gift or grant is below a specified monetary threshold depending on the source, does not involve the hiring of new employees and has been approved by the Governor or the Chief of the Budget Division; or (3) the gift or grant is approved by the Governor as necessary~~

~~because of a qualifying emergency situation or for the protection of life or property. (NRS 353.335)~~**]**

This bill removes the requirement for **additional** approval by the Governor **, in certain emergency circumstances,** or **the** Interim Finance Committee ~~[for]~~ **of** work program changes which result from: (1) acceptance **by a state agency** of a gift **or nongovernmental grant which does not exceed $20,000** or **a governmental** grant ~~[approved by the Governor or Interim Finance Committee in the manner required by statute;]~~ **which does not exceed $150,000;** or (2) carrying forward money from one fiscal year to the next without a change in purpose.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 353.220 is hereby amended to read as follows:

353.220 1. The head of any department, institution or agency of the Executive Department of the State Government, whenever he or she deems it necessary because of changed conditions, may request the revision of the work program of his or her department, institution or agency at any time during the fiscal year, and submit the revised program to the Governor through the Chief with a request for revision of the allotments for the remainder of that fiscal year.

2. Every request for revision must be submitted to the Chief on the form and with supporting information as the Chief prescribes.

3. Before encumbering any appropriated or authorized money, every request for revision must be approved or disapproved in writing by the Governor or the Chief, if the Governor has by written instrument delegated this authority to the Chief.

4. ~~[Whenever]~~ ***Except as otherwise provided in subsection 8, whenever*** a request for the revision of a work program of a department, institution or agency in an amount more than $30,000 would, when considered with all other changes in allotments for that work program made pursuant to ***subsections 1, 2 and 3 and*** NRS 353.215 **,** ~~[and subsections 1, 2 and 3 of this section,]~~ increase or decrease by 10 percent or $75,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program, the request must be approved as provided in subsection 5 before any appropriated or authorized money may be encumbered for the revision.

5. If a request for the revision of a work program requires additional approval as provided in subsection 4 and:

(a) Is necessary because of an emergency as defined in NRS 353.263 or for the protection of life or property, the Governor shall take reasonable and proper action to approve it and shall report the action, and his or her reasons for determining that immediate action was necessary, to the Interim Finance Committee at its first meeting after the action is taken. Action by the Governor pursuant to this paragraph constitutes approval of the revision, and other

provisions of this chapter requiring approval before encumbering money for the revision do not apply.

(b) The Governor determines that the revision is necessary and requires expeditious action, he or she may certify that the request requires expeditious action by the Interim Finance Committee. Whenever the Governor so certifies, the Interim Finance Committee has 15 days after the request is submitted to its Secretary within which to consider the revision. Any request for revision which is not considered within the 15-day period shall be deemed approved.

(c) Does not qualify pursuant to paragraph (a) or (b), it must be submitted to the Interim Finance Committee. The Interim Finance Committee has 45 days after the request is submitted to its Secretary within which to consider the revision. Any request which is not considered within the 45-day period shall be deemed approved.

6. The Secretary shall place each request submitted pursuant to paragraph (b) or (c) of subsection 5 on the agenda of the next meeting of the Interim Finance Committee.

7. In acting upon a proposed revision of a work program, the Interim Finance Committee shall consider, among other things:

(a) The need for the proposed revision; and

(b) The intent of the Legislature in approving the budget for the present biennium and originally enacting the statutes which the work program is designed to effectuate.

8. The provisions of subsection 4 do not apply to any request for the revision of a work program which is required:

(a) As a result of the acceptance of a gift or grant of property or services ~~[for which acceptance is authorized or approved]~~ pursuant to subsection 5 of NRS 353.335; or

(b) To carry forward to a fiscal year, without a change in purpose, the unexpended balance of any money authorized for expenditure in the immediately preceding fiscal year.

Sec. 2. This act becomes effective upon passage and approval.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Carlton and Ellison.

ASSEMBLYWOMAN CARLTON:

To the chair of Government Affairs, I just want to make sure that the Interim Finance Committee will be getting information in the future on these gifts and grants so there still will be some way for us to have some accountability and to track these dollars. There are times when accepting the grant actually costs us more in the long run, and with a lot of the discussions about the lack of transparency, I just want to make sure that IFC and Ways and Means both still will be able to get this information in the future.

ASSEMBLYMAN ELLISON:

To my colleague, yes, the committee made sure that would happen—that they do have a voice.

ASSEMBLYWOMAN CARLTON:

I am concerned that I do not actually see the language within the amendment, so I will investigate it more. I just want to make sure that we put this on the record. We could end up taking money we really do not want.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 43.

SUMMARY— ~~[Repeals]~~ **Makes various changes to** provisions governing certain fire protection districts and fire safety. (BDR 42-369)

AN ACT relating to fire safety; repealing provisions governing certain fire protection districts; reenacting certain of those provisions relating to fire safety; **revising the circumstances under which a person, firm, association or agency that caused a fire or other emergency that threatens human life would be charged for the expenses incurred to extinguish the fire or meet the emergency;** authorizing the State Land Registrar to transfer title to certain real property owned by the State of Nevada to certain local fire protection districts and counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the creation of certain fire protection districts by petition to the State Forester Firewarden. (Chapter 473 of NRS) The functions of those districts are currently being transferred to other local government entities. Accordingly, **section 15** of this bill repeals the provisions of chapter 473 of NRS. Certain provisions of that chapter relating to fire safety are reenacted in chapter 472 of NRS by **sections ~~[2-5]~~ 2, 3 and 5** of this bill. **Sections 6-10** of this bill make conforming changes.

Existing law provides that within the boundaries of certain fire protection districts, any person, firm, association or agency responsible for causing any fire or other emergency which threatens human life may, in certain circumstances, be charged with the expenses incurred in extinguishing the fire or meeting the emergency, together with the cost of necessary patrol. (NRS 473.080, 474.550) Section 4 of this bill reenacts NRS 473.080 but removes the boundary limitation and revises the circumstances under which a person, firm, association or agency would be required to pay those expenses. Section 8.5 of this bill makes a similar change concerning those expenses with respect to county fire protection districts.

Existing law authorizes the State Land Registrar to transfer any interest in land owned by the State of Nevada. (NRS 321.003) **Sections 11-13** of this bill authorize the State Land Registrar to transfer title to certain real property owned by the State, with certain restrictions, to certain local fire protection

districts and counties as the result of the dissolution of the fire protection districts created pursuant to chapter 473 of NRS.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

5. Any person violating any of the provisions of this section is guilty of a misdemeanor.

Sec. 3. ***Except as otherwise provided in NRS 527.126, any person, firm, association or agency which, personally or through another, willfully, negligently or in violation of the law:***

2. Sec. 5. *1. Except as otherwise provided in this section and NRS 527.126, it is unlawful for any person, firm, association, corporation or agency to burn, or cause to be burned, any brush, grass, logs or any other inflammable material, or blast with dynamite, powder or other explosive, or set off fireworks, or operate a welding torch, tarpot or any other device that may cause a fire in forest, grass or brush, either on the land of the person, firm, association, corporation or agency or on the land of another, or on public land, unless the burning or act is done under a written permit from the State Forester Firewarden or the State Forester Firewarden's duly authorized agent and in strict accordance with the terms of the permit.*

SUMMARY— ~~[Revises provisions governing the dissemination of]~~ **Provides for the establishment within the Central Repository for Nevada Records of Criminal History of a service to conduct a name-based search of** records of criminal history. (BDR 14-294)

AN ACT relating to criminal records; ~~[revising provisions governing the dissemination of certain records of criminal history to employers and prospective employers by an agency of criminal justice or]~~ **providing for the establishment within** the Central Repository for Nevada Records of Criminal History ~~[;]~~ **of a service to conduct a name-based search of records of criminal history of an employee, prospective employee, volunteer or prospective volunteer;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing state law, an agency of criminal justice or the Central Repository for Nevada Records of Criminal History is required to disseminate

to a current or prospective employer, upon request, certain information about the criminal history of a current or prospective employee or volunteer. (NRS 179A.100) ~~[Under existing federal law, a "consumer report" is defined to include the communication of any information by a consumer reporting agency that bears upon a person's character, general reputation and personal characteristics. (15 U.S.C. § 1681a(d)) This bill creates a legal fiction by allowing a person or entity designated to receive information about the criminal history of a current or prospective employee or volunteer on behalf of an employer to obtain such information by submitting to the Central Repository proof of the consent of an employee or volunteer allowing the employer to obtain a consumer report pursuant to 15 U.S.C. § 1681b(b)(2) in lieu of submitting a written consent of the employee or volunteer to obtain the information from the Central Repository.~~

~~This bill also specifies that a record of criminal history or the absence of such a record may be furnished to an employer by a person or entity designated to receive the information on behalf of the employer and who obtained the information pursuant to the statutory provisions governing the dissemination of such information. This bill further authorizes an agency of criminal justice to audit any employer or person or entity designated to receive records of criminal history on behalf of an agency to whom the agency has disseminated certain records for purposes of ensuring that such disseminated records are securely maintained.]~~ **This bill provides for the establishment within the Central Repository of a service to conduct a name-based search of records of criminal history of an employee, prospective employee, volunteer or prospective volunteer. This bill sets forth certain requirements relating to the operation of that service, including, without limitation, provisions regarding: (1) eligibility to participate in the service; (2) fees for participation in the service; (3) the type of information that the Central Repository may release; (4) the requirements for obtaining the consent of the subject of a search for records of criminal history; (5) the authority of the Central Repository to conduct audits concerning the service; and (6) the ability of the Central Repository to terminate participation in the service under certain circumstances.**

Assembly Bill No. 54.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 170.

AN ACT relating to local financial administration; revising provisions governing the operation of the Committee on Local Government Finance; revising provisions relating to the management of a local government existing in a severe financial emergency; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the procedures by which certain local governments existing in a severe financial emergency may receive technical financial and other assistance from the Department of Taxation and the Committee on Local Government Finance. Existing law also requires the Nevada Tax Commission, upon determining that a local government exists in a severe financial emergency, to require by order that: (1) the Department take over the management of the local government until the severe financial emergency ceases to exist; (2) the local government increase or impose new taxes to meet the revenue requirements of the local government; and (3) under certain circumstances, a question be submitted to the electors of the local government as to whether the local government should be disincorporated or dissolved.

Existing law further provides for the cessation of the management of a local government by order of the Commission under certain circumstances. (NRS 354.105, 354.655-354.725) **Section 1** of this bill revises provisions providing for the operation of the Committee on Local Government Finance. **Sections 4 and 5** of this bill **generally** provide for the withholding of certain payments to which a local government may otherwise be entitled for failing to file certain financial reports or to make certain payments to the Public Employees' Benefits Program. **Section 6** of this bill requires the Department, upon making a determination that certain financial conditions exist in a local government **[.]** **and after giving consideration to the severity of each such condition,** to place the local government under a program of monitoring. **Section 7** of this bill establishes the process by which the Committee and the Commission determine that a local government exists in a severe financial emergency and requires the Commission, upon making such a determination, to order the local government to follow a remedial course of action. **Section 8** of this bill revises the duties of the Department upon taking over the management of a local government found to exist in a severe financial emergency **[.]** **, including requiring the Department to: (1) negotiate and approve employment contracts of the local government; (2) open and renegotiate, or assist the local government in renegotiating, existing collective bargaining agreements and employment contracts; and (3) meet and negotiate in good faith with creditors of the local government.** **Section 9** of this bill provides for the creation and adoption by the Commission of a remedial plan of action to increase the revenues and reduce the expenditures of the local government. The plan may provide for the imposition of additional taxes by the local government, which taxes, pursuant to **section 15** of this bill, are not subject to certain abatements and other limitations. **Section 9 further requires the Department to prepare and submit to the Legislature a report relating to local governments existing in a severe financial emergency.** **Section 11** of this bill **authorizes the distribution of money in the Severe Financial Emergency Fund to a local government as a loan for the purpose of discharging the general obligations of the local government. Section 11 further** extends the period **[**by**]** **within** which a local government may repay certain interest-free loans distributed by the Executive Director of the Department to the local government from the **[**Severe Financial Emergency Fund. If the Executive Director determines that the severe financial emergency of a local government is unlikely to end within a certain period, section 12 of this bill requires the Committee to review the findings of the Executive Director and recommend certain additional remedial actions to the Commission, including a recommendation that: (1) the county absorb the local government; or (2) the local government be disincorporated or dissolved.**]** **Fund. Section 12 of this bill authorizes the Commission to require a local government that is found to exist in a severe financial emergency to take remedial action in accordance with the recommendations of the Committee.** **Section 13** of this bill prohibits the

Commission from terminating or modifying the management of a local government by the Department without first obtaining a recommendation from the Committee.

1. If the governing body of a local government determines by the affirmative vote of a majority of its members that, because the local government is involved in litigation or threatened litigation, the local government is or will be in a severe financial emergency, the governing body may submit a request to the Nevada Tax Commission for an order that the Department, as soon as practicable, take over the management of the local government pursuant to the provisions of NRS 354.655 to 354.725, inclusive.

354.701 Severe financial emergency: Stay of action by creditor of local government for attachment, garnishment or execution until adoption of program for liquidation of debt. If the Department takes over the

management of a local government because the local government is involved in litigation or threatened litigation and if a creditor of the local government is allowed by law to commence or maintain an action in the nature of an attachment, garnishment or execution in the courts of this State against the local government or its assets, the action must be stayed until the following conditions have been satisfied:

Assembly Bill No. 60.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 514.

AN ACT relating to ethics in government; revising provisions relating to ethics in government; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the Nevada Ethics in Government Law, ~~[the requirement to disclose a conflict of interest applies to public officers as well as public employees, but the requirements relating to abstention only apply to public officers. (NRS 281A.420) Section 2 of this bill extends to public employees the requirements relating to abstention from taking action on matters on which a public employee has a prescribed conflict of interest.~~

~~— Under the Ethics Law,~~] the Commission on Ethics is required to determine whether it has jurisdiction over a request for an opinion. (NRS 281A.280; NAC 281A.360, 281A.405) The Ethics Law also imposes time limits on the Commission to carry out certain duties. ~~[With respect to a request for an opinion from a public officer or employee regarding his or her own past, present or future conduct as a public officer or employee, the Commission is required to render an opinion within 45 days after receiving the request, unless the public officer or employee waives the time limit.]~~ With respect to a request for an opinion regarding the conduct of a public officer or employee ~~[from]~~ **which is made by** a third party ~~[or on the Commission's own motion,]~~ **and is more commonly known as a third-party request,** the Executive Director of the Commission is required to complete an investigation ~~[of]~~ and make a recommendation regarding the **third-party** request within 70 days after

receipt of the request, unless the public officer or employee waives the time limit. (NRS 281A.440)

To accommodate the time required for the Commission to determine whether it has jurisdiction concerning a **third-party** request **, [**for an opinion,**]** **section 3** of this bill **[**moves the commencement of these time limits until the date on which**]** **provides that within 45 days after receiving the request, the Commission shall determine whether it has jurisdiction concerning the request, unless the public officer or employee waives the time limit. If** the Commission determines that it has jurisdiction concerning the request **[**instead of the date on which the request was received by the Commission .

The Ethics Law prohibits the Commission from initiating a request for an opinion based on an anonymous complaint. (NRS 281A.440) Section 3 removes this prohibition, thereby allowing the Commission to initiate a request for an opinion if it has sufficient information to do so based on an anonymous complaint.**]** **, the Executive Director must complete the investigation and make a recommendation regarding the request within 70 days after the jurisdictional determination, unless the public officer or employee waives the time limit.**

Under the Ethics Law, the investigative file relating to a request for an opinion, which includes any information obtained by the Commission during the course of an investigation related to the request, is confidential. (NRS 281A.440) **Section 3** clarifies that the investigative file includes **any** information provided to or obtained by an investigatory panel **consisting** of Commission members or **by** the staff of the Commission.

The Ethics Law further provides that all information that is not included in the investigative file relating to a request is confidential for a limited time until an investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter or until the public officer or employee authorizes disclosure, whichever occurs first. (NRS 281A.440) Section 3 authorizes additional confidentiality which allows a person who makes a third-party request to ask for the person's name to be kept confidential under certain limited circumstances. In particular, section 3 states that the Commission: (1) shall keep the person's name confidential if the person is a public officer or employee who works for the same public body, agency or employer as the public officer or employee who is the subject of the request; and (2) may keep the person's name confidential if the person offers sufficient facts and circumstances showing a reasonable likelihood that disclosure of the person's name will subject the person or a member of the person's household to a bona fide threat of physical force or violence. However, if the Commission keeps the person's name confidential, the Commission may not render an opinion in the matter unless there is sufficient evidence without the person's testimony to consider the request. Additionally, if the Commission intends to present the person's testimony as evidence, the

Commission must disclose the person's name within a reasonable time before the Commission's hearing on the matter.

Under the Ethics Law, the Commission is required to consider various aggravating and mitigating factors when determining whether a violation of the Ethics Law is a willful violation and, if so, the amount of any civil penalty to be imposed for such a willful violation of the Ethics Law. (NRS **281A.170,** 281A.475) **~~[~~~Section~~]~~** **Sections 1 and 4** of this bill **~~[~~~makes consideration of these~~]~~** **clarify that the** factors **~~[~~~discretionary instead of mandatory by~~]~~** **listed in the Ethics Law which must be considered by** the Commission **~~[.]~~** **are not exclusive or exhaustive, and the Commission may consider other factors in the disposition of the matter if they bear a reasonable relationship to the determination of the severity of the violation.**

The Ethics Law includes a "safe harbor" provision, whereby any act or failure to act by a current or former public officer or employee is deemed to not be a willful violation if the public officer or employee establishes by sufficient evidence that: (1) the public officer or employee relied in good faith upon the advice of the legal counsel retained by his or her public body, agency or employer; and (2) the act or failure to act by the public officer or employee was not contrary to a prior published opinion issued by the Commission. (NRS 281A.480) **Section 5** of this bill clarifies that to qualify for protection under the "safe harbor" provision, the advice of the legal counsel must have been: (1) **~~[~~~requested by and~~]~~** provided to the public officer or employee before he or she acted or failed to act; and (2) based on a **reasonable legal** determination by the legal counsel **under the circumstances when the advice was given** that the act or failure to act would not be contrary to any prior published opinion issued by the Commission **~~[.]~~** **which was publicly available on the Internet website of the Commission.**

With certain exceptions, the Ethics Law imposes a 1-year "cooling off" period on former public officers and employees during which they are prohibited from soliciting or accepting employment from a business or industry over which they had regulatory authority in some capacity. However, the Ethics Law authorizes a current or former public officer or employee to request an opinion from the Commission to obtain relief from the strict application of the prohibition. The Ethics Law also authorizes a current public officer or employee to request the Commission to render an opinion providing guidance regarding his or her past, present or future conduct as a public officer or employee, which is known as a first-party request for an opinion. Under the Ethics Law, a request for an opinion regarding the application of the "cooling-off" prohibition or a first-party request for an opinion, as well as any opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request, are confidential unless, in part, the public officer or employee discloses the request for an opinion, opinion or related motion, evidence or record. (NRS 281A.440, 281A.550) **Sections 3 and 6** of this bill allow a public officer or employee who made such a request to disclose the request for the opinion, the opinion

and any motion, evidence or record related to the opinion to certain persons without waiving the confidentiality of the request for the opinion, opinion and any related motion, evidence or record.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 281A.170 is hereby amended to read as follows:

281A.170 "Willful violation" means a violation where ~~[~~:

~~1. The~~] ***the*** public officer or employee:

~~[(a)~~] ***1.*** Acted intentionally and knowingly; or

~~[(b)~~] ***2.*** Was in a situation where this chapter imposed a duty to act and the public officer or employee intentionally and knowingly failed to act in the manner required by this chapter ~~[.~~; ~~and~~

~~2. The~~] **,**

➥ ***unless the*** Commission determines, after applying the factors set forth in NRS 281A.475, that the public officer's or employee's act or failure to act ***has not*** resulted in a sanctionable violation of this chapter.

Sec. 2. ~~[NRS 281A.420 is hereby amended to read as follows:~~

~~281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter:~~

~~(a) Regarding which the public officer or employee has accepted a gift or loan;~~

~~(b) In which the public officer or employee has a significant pecuniary interest; or~~

~~(c) Which would reasonably be affected by the public officer's or employee's commitment in a private capacity to the interests of another person,~~

~~➥ without disclosing information concerning the gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of the person that is sufficient to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer's or employee's significant pecuniary interest, or upon the person to whom the public officer or employee has a commitment in a private capacity. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, the public officer or employee shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, the public officer or employee shall make the disclosure to the supervisory head of the public officer's or employee's organization or, if the public officer holds an elective office, to the general public in the area from which the public officer is elected.~~

~~2. The provisions of subsection 1 do not require a public officer to disclose:~~

~~(a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or~~

~~(b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.~~

~~3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer *or employee* shall not vote *or otherwise act* upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer's *or employee's* situation would be materially affected by:~~

~~(a) The public officer's *or employee's* acceptance of a gift or loan;~~

~~(b) The public officer's *or employee's* significant pecuniary interest; or~~

~~(c) The public officer's *or employee's* commitment in a private capacity to the interests of another person.~~

~~4. In interpreting and applying the provisions of subsection 3:~~

~~(a) It must be presumed that the independence of judgment of a reasonable person in the public officer's *or employee's* situation would not be materially affected by the public officer's *or employee's* acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person where the resulting benefit or detriment accruing to the public officer **[**,**]** *or employee,* or if the public officer *or employee* has a commitment in a private capacity to the interests of another person, accruing to the other person, is not greater than that accruing to any other member of any general business, profession, occupation or group that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in subsection 1 relating to the disclosure of the acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.~~

~~(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer *or employee* to perform the duties for which the public officer was elected or appointed *or the duties which the public employee was assigned* and to vote or otherwise act upon a matter, provided the public officer *or employee* has properly disclosed the public officer's *or employee's* acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person in the manner required by subsection 1. Because abstention **[**by a public officer**]** disrupts the normal course of representative government *and governmental operation* and deprives the public **[**and the public officer's constituents**]** of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer's *or employee's* situation would be materially affected by the public officer's *or employee's* acceptance of a gift or loan, significant pecuniary interest or commitment in a private capacity to the interests of another person.~~

~~5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that the public officer will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.~~

~~6. The provisions of this section do not, under any circumstances:~~

~~(a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or~~

~~(b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.~~

~~7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.~~

~~8. As used in this section, "public officer" and "public employee" do not include a State Legislator.~~] **(Deleted by amendment.)**

Sec. 3. NRS 281A.440 is hereby amended to read as follows:

281A.440 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances within 45 days after receiving ~~[determining that it has jurisdiction concerning]~~ a request , ~~[received,]~~ on a form prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of the requester's own past, present or future conduct as a public officer or employee, unless the public officer or employee waives the time limit. The public officer or employee may also request the Commission to hold a public hearing regarding the requested opinion. If a requested opinion relates to the propriety of the requester's own present or future conduct, the opinion of the Commission is:

(a) Binding upon the requester as to the requester's future conduct; and

(b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

2. The Commission may render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances:

(a) Upon request from a specialized or local ethics committee.

(b) Except as otherwise provided in this subsection, upon request from a person, if the requester submits:

(1) The request on a form prescribed by the Commission; and

(2) All related evidence deemed necessary by the Executive Director and the investigatory panel to make a determination of whether there is just and sufficient cause to render an opinion in the matter.

(c) Upon the Commission's own motion regarding the propriety of conduct by a public officer or employee. The Commission shall not initiate proceedings pursuant to this paragraph based solely upon an anonymous complaint.

➥ The Commission shall not render an opinion interpreting the statutory ethical standards or apply those standards to a given set of facts and circumstances if the request is submitted by a person who is incarcerated in a correctional facility in this State.

3. ***Within 45 days after receiving a request for an opinion pursuant to paragraph (a) or (b) of subsection 2, the Commission shall determine whether it has jurisdiction concerning the request, unless the public officer or employee who is the subject of the request waives this time limit.*** Upon ~~[receipt of]~~ ***a determination by the Commission that it has jurisdiction concerning*** a request for an opinion ~~[by the Commission]~~ ***pursuant to paragraph (a) or (b) of subsection 2,*** or upon the motion of the Commission ***initiating a request for an opinion*** pursuant to ***paragraph (c) of*** subsection 2, ***as applicable,*** the Executive Director shall investigate the facts and circumstances relating to the request to determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. The Executive Director shall notify the public officer or employee who is the subject of the request and provide the public officer or employee an opportunity to submit to the Executive Director a response to the allegations against the public officer or employee within 30 days after the date on which the public officer or employee received the notice of the request. The purpose of the response is to provide the Executive Director with any information relevant to the request which the public officer or employee believes may assist the Executive Director and the investigatory panel in conducting the investigation. The public officer or employee is not required in the response or in any proceeding before the investigatory panel to assert, claim or raise any objection or defense, in law or fact, to the allegations against the public officer or employee and no objection or defense, in law or fact, is waived, abandoned or barred by the failure to assert, claim or raise it in the response or in any proceeding before the investigatory panel.

4. The Executive Director shall complete the investigation and present a written recommendation relating to just and sufficient cause, including, without limitation, the specific evidence or reasons that support the recommendation, to the investigatory panel within 70 days after the ~~[receipt of]~~ ***determination by the Commission that it has jurisdiction concerning the request*** or ***after*** the motion of the Commission ~~[for]~~ ***initiating*** the request, ***as applicable,*** unless the public officer or employee waives this time limit.

5. Within 15 days after the Executive Director has provided the written recommendation in the matter to the investigatory panel pursuant to subsection 4, the investigatory panel shall conclude the investigation and make a final determination regarding whether there is just and sufficient cause for the Commission to render an opinion in the matter, unless the public officer or employee waives this time limit. The investigatory panel shall not determine that there is just and sufficient cause for the Commission to render an opinion in the matter unless the Executive Director has provided the public officer or employee an opportunity to respond to the allegations against the public officer or employee as required by subsection 3. The investigatory panel shall cause a record of its proceedings in each matter to be kept.

6. If the investigatory panel determines that there is just and sufficient cause for the Commission to render an opinion in the matter, the Commission shall hold a hearing and render an opinion in the matter within 60 days after the determination of just and sufficient cause by the investigatory panel, unless the public officer or employee waives this time limit.

7. Each request for an opinion that a public officer or employee submits to the Commission pursuant to subsection 1, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the public officer or employee who requested the opinion:

(a) Acts in contravention of the opinion, in which case the Commission may disclose the request for the opinion, the contents of the opinion and any motion, evidence or record of a hearing related thereto;

(b) Discloses the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto ~~[,]~~ ***in any manner except to:***

(1) The public body, agency or employer of the public officer or employee; or

(2) A person to whom the Commission authorizes the current or former public officer or employee to make such a disclosure; or

(c) Requests the Commission to disclose the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto.

8. Except as otherwise provided in ~~[subsection 9,]~~ ***subsections 9 and 10,*** all information, communications, records, documents or other material in the possession of the Commission or its staff that is related to a request for an opinion regarding a public officer or employee submitted to or initiated by the Commission pursuant to subsection 2, including, without limitation, the record of the proceedings of the investigatory panel made pursuant to subsection 5, are confidential and not public records pursuant to chapter 239 of NRS until:

(a) The investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter and serves written notice of such a determination on the public officer or employee who is the subject of the request for an opinion submitted or initiated pursuant to subsection 2; or

(b) The public officer or employee who is the subject of a request for an opinion submitted or initiated pursuant to subsection 2 authorizes the Commission in writing to make its information, communications, records, documents or other material which are related to the request publicly available,

➥ whichever occurs first.

9. ***Except as otherwise provided in this subsection, if a person who submits a request for an opinion pursuant to paragraph (b) of subsection 2 asks for the person's name to be kept confidential, the Commission:***

(a) Shall keep the person's name confidential if the person is a public officer or employee who works for the same public body, agency or employer as the public officer or employee who is the subject of the request.

(b) May keep the person's name confidential if the person offers sufficient facts and circumstances showing a reasonable likelihood that disclosure of the person's name will subject the person or a member of the person's household to a bona fide threat of physical force or violence.

➥ If the Commission keeps the person's name confidential, the Commission shall not render an opinion in the matter unless there is sufficient evidence without the person's testimony to consider the propriety of the conduct of the public officer or employee who is the subject of the request. If the Commission intends to present the person's testimony for consideration as evidence in rendering an opinion in the matter, the Commission shall disclose the person's name within a reasonable time before the Commission's hearing on the matter.

10. Except as otherwise provided in this ~~[section,]~~ ***subsection,*** the investigative file ~~[of the Commission]~~ ***related to a request for an opinion regarding a public officer or employee, as described in subsection ~~[16,]~~ 17,*** is confidential. At any time after being served with written notice of the determination of the investigatory panel regarding the existence of just and sufficient cause for the Commission to render an opinion in the matter, the public officer or employee who is the subject of the request for an opinion may submit a written discovery request to the Commission for a copy of any portion of the investigative file that the Commission intends to present for consideration as evidence in rendering an opinion in the matter and a list of proposed witnesses. Any portion of the investigative file which the Commission presents as evidence in rendering an opinion in the matter becomes a public record as provided in chapter 239 of NRS.

~~[10.]~~ ***11.*** Whenever the Commission holds a hearing pursuant to this section, the Commission shall:

(a) Notify the person about whom the opinion was requested of the place and time of the Commission's hearing on the matter;

(b) Allow the person to be represented by counsel; and

(c) Allow the person to hear the evidence presented to the Commission and to respond and present evidence on the person's own behalf.

➥ The Commission's hearing may be held no sooner than 10 days after the notice is given unless the person agrees to a shorter time.

~~[11.]~~ ***12.*** If a person who is not a party to a hearing before the Commission, including, without limitation, a person who has requested an opinion pursuant to paragraph (a) or (b) of subsection 2, wishes to ask a question of a witness at the hearing, the person must submit the question to the Executive Director in writing. The Executive Director may submit the question to the Commission if the Executive Director deems the question relevant and appropriate. This subsection does not require the Commission to ask any question submitted by a person who is not a party to the proceeding.

~~[12.]~~ ***13.*** If a person who requests an opinion pursuant to subsection 1 or 2 does not :

~~[14.]~~ ***15.*** For the purposes of NRS 41.032, the members of the Commission and its employees shall be deemed to be exercising or performing a discretionary function or duty when taking an action related to the rendering of an opinion pursuant to this section.

~~[15.]~~ ***16.*** A meeting or hearing that the Commission or the investigatory panel holds to receive information or evidence concerning the propriety of the conduct of a public officer or employee pursuant to this section and the deliberations of the Commission and the investigatory panel on such information or evidence are not subject to the provisions of chapter 241 of NRS.

~~[16.]~~ ***17.*** For the purposes of this section, the investigative file ~~[of the Commission]~~ which relates to a request for an opinion regarding a public officer or employee includes, without limitation, any information ***provided to or*** obtained by the Commission ***, its staff or an investigatory panel*** through any form of communication during the course of an investigation and any records, documents or other material created or maintained during the course of an investigation which relate to the public officer or employee who is the subject of the request for an opinion, ***including, without limitation, a transcript,*** regardless of whether such information, records, documents or other material are obtained by a subpoena.

Sec. 4. NRS 281A.475 is hereby amended to read as follows:

281A.475 1. In determining whether a violation of this chapter is a willful violation and, if so, the amount of any civil penalty to be imposed on a public officer or employee or former public officer or employee pursuant to NRS 281A.480, the Commission shall ~~***[may]***~~ consider ~~***[.]***~~ ***, without limitation:***

(c) The cost to the Commission to conduct the investigation and any hearing relating to the violation;

(d) Any mitigating factors, including, without limitation, any self-reporting, prompt correction of the violation, any attempts to rectify the violation before any complaint is filed and any cooperation by the public officer or employee in resolving the complaint;

(e) Any restitution or reimbursement paid to parties affected by the violation;

(f) The extent of any financial gain resulting from the violation; and

(g) Any other matter justice may require.

2. ***The factors set forth in this section are not exclusive or exhaustive, and the Commission may consider other factors in the disposition of the matter if they bear a reasonable relationship to the Commission's determination of the severity of the violation.***

3. In applying the factors set forth in this section, the Commission shall treat comparable situations in a comparable manner and shall ensure that the disposition of the matter bears a reasonable relationship to the severity of the violation.

Sec. 5. NRS 281A.480 is hereby amended to read as follows:

281A.480 1. In addition to any other penalties provided by law ~~*If*~~ and in accordance with the provisions of NRS 281A.475, the Commission may impose on a public officer or employee or former public officer or employee civil penalties:

(a) Not to exceed $5,000 for a first willful violation of this chapter;

(b) Not to exceed $10,000 for a separate act or event that constitutes a second willful violation of this chapter; and

(c) Not to exceed $25,000 for a separate act or event that constitutes a third willful violation of this chapter.

2. In addition to any other penalties provided by law, the Commission may, upon its own motion or upon the motion of the person about whom an opinion was requested pursuant to NRS 281A.440, impose a civil penalty not to exceed $5,000 and assess an amount equal to the amount of attorney's fees and costs actually and reasonably incurred by the person about whom an opinion was requested pursuant to NRS 281A.440 against a person who prevents, interferes with or attempts to prevent or interfere with the discovery or investigation of a violation of this chapter.

3. If the Commission finds that a violation of a provision of this chapter by a public officer or employee or former public officer or employee has resulted in the realization of a financial benefit by the current or former public officer or employee or another person, the Commission may, in addition to any other penalties provided by law, require the current or former public officer or employee to pay a civil penalty of not more than twice the amount so realized.

4. In addition to any other penalties provided by law, if a proceeding results in an opinion that:

(a) One or more willful violations of this chapter have been committed by a State Legislator removable from office only through expulsion by the State Legislator's own House pursuant to Section 6 of Article 4 of the Nevada Constitution, the Commission shall:

(1) If the State Legislator is a member of the Senate, submit the opinion to the Majority Leader of the Senate or, if the Majority Leader of the Senate is the subject of the opinion or the person who requested the opinion, to the President Pro Tempore of the Senate; or

(2) If the State Legislator is a member of the Assembly, submit the opinion to the Speaker of the Assembly or, if the Speaker of the Assembly is the subject of the opinion or the person who requested the opinion, to the Speaker Pro Tempore of the Assembly.

Assembly Bill No. 68.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 9.

AN ACT relating to the Commission on Judicial Discipline; ~~[providing that no court in this State other than the Supreme Court may exercise jurisdiction over a]~~ **requiring a determination or finding by the Commission to be recorded in the minutes of the proceedings of the Commission in certain circumstances; revising the definition of the term "judge" for purposes of the jurisdiction of the Commission; requiring any** complaint or action filed in connection with any proceeding of the Commission **~~[; authorizing the Commission to collect attorney's fees and costs from a person who files such a complaint or action in a court lacking jurisdiction; revising provisions governing the examination of complaints received by the Commission;]~~ to be filed in the Supreme Court; revising provisions concerning the appointment of justices of the peace and municipal judges to sit on the Commission in certain circumstances; requiring appointing authorities to appoint one or more alternate members to serve on the Commission;** revising the information the Commission is required to disclose if a witness before the Commission is prosecuted for perjury; revising provisions relating to the confidentiality of deliberative sessions and proceedings of the Commission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commission on Judicial Discipline has exclusive jurisdiction over the public censure, removal, involuntary retirement and other discipline of judges. (NRS 1.440) **Section 2.5 of this bill revises the definition of the term "judge" to include a person who is a former justice, judge, justice of the peace or other officer of the Judicial Branch who presides over judicial proceedings if the conduct at issue occurred while the person was serving in any such position. Thus, under section 2.5, the Commission has jurisdiction over a former justice, judge, justice of the peace or other judicial officer for conduct that occurred while the person was serving in any such position. Section 3** of this bill: (1) ~~[provides]~~ **requires** that ~~[no court in this State other than the Supreme Court may exercise jurisdiction over a]~~ **any** complaint or action filed in connection with any proceeding of the Commission **~~[;]~~ be filed in the Supreme Court;** (2) ~~[authorizes the Commission to require a person who files such a complaint or action in a court that lacks jurisdiction to pay the attorney's fees and costs incurred by the Commission in connection with the complaint or action; and (3) requires that any such attorney's fees and costs collected by the Commission be deposited in the State General Fund.~~

~~Existing law requires the Commission to examine each complaint it receives to determine whether the complaint alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated. (NRS 1.4657) Section 4 of this bill requires the Commission or its staff to examine each complaint the Commission receives and, based on that examination, the Commission shall then make such a determination.]~~ **provides that any such complaint or action filed in a court**

other than the Supreme Court will be presumed to be frivolous and intended solely for the purposes of delay; and (3) requires the Supreme Court to appoint two justices of the peace and two municipal judges to sit on the Commission for formal, public proceedings against a justice of the peace or a municipal judge, respectively. Section 3.5 of this bill requires each appointing authority to appoint, for each position for which the authority makes an appointment to the Commission, one or more alternate members.

Existing law requires that all proceedings of the Commission remain confidential until the Commission makes a determination that a reasonable probability of grounds for disciplinary action against a judge exists and the special counsel files a formal statement of charges. (NRS 1.4683) **Section 5** of this bill instead requires that the existence of a proceeding of the Commission remain confidential during such time. **Section 5** also revises the information that the Commission is required to disclose if a witness is prosecuted for perjury committed during the course of a proceeding before the Commission.

Existing law also requires that all deliberative sessions of the Commission remain private. (NRS 1.4687) **Sections 6 and 7** of this bill require that any minutes of such sessions remain confidential.

Section 1 of this bill provides that **, unless otherwise expressly provided by law,** a determination or finding by the Commission is ~~[not]~~ required to be ~~[in writing unless otherwise expressly provided by law.]~~ **recorded in the minutes of the proceedings of the Commission if the determination or finding is made before: (1) the filing of a formal statement of charges against a judge; or (2) the Commission decides to suspend a judge.**

~~2. If the Commission determines that a complaint does not contain such allegations, the Commission shall dismiss the complaint with or without a letter of caution. A letter of caution is not a form of discipline. The Commission may consider a letter of caution when deciding the appropriate action to be taken on a subsequent complaint against a judge unless the letter of caution is not relevant to the misconduct alleged in the subsequent complaint.~~

~~3. If the Commission determines that a complaint does contain such allegations, the Commission shall authorize further investigation.~~**]** **(Deleted by amendment.)**

Sec. 5. NRS 1.4683 is hereby amended to read as follows:

The Commission shall submit such a statement to the judge concerned for comments before the Commission releases the statement. The Commission is not required to incorporate any comments made by the judge in the statement and may release the statement as originally drafted.

8. 9. No record of any medical examination, psychiatric evaluation or other comparable professional record made for use in an informal resolution pursuant to subsection 4 of NRS 1.4665 may be made public at any time without the consent of the judge concerned.

10. Notwithstanding the provisions of this section to the contrary, at any stage in a disciplinary proceeding, the Commission may release confidential information:

Legislative Counsel's Digest:

Existing law establishes the Board of Examiners for Alcohol, Drug and Gambling Counselors and authorizes the Board to license or certify persons engaged in the practice or clinical practice of counseling alcohol and drug abusers and problem gamblers. (Chapter 641C of NRS)

Sections 1.3-1.5 of this bill provide for the certification of peer support specialists by the Board. Section 1.45 establishes the requirements for obtaining a certificate as a peer support specialist. Section 1.5 authorizes a certified peer support specialist to engage in the practice of providing peer support specialist services only under the supervision of certain licensed professionals. Section 1.45 requires an applicant for the issuance or renewal of a certificate as a peer support specialist to pay to the Board a fee which, pursuant to section 12.7 of this bill, must not exceed $150 for the initial application or $300 for the renewal of a certificate.

Section 2 of this bill transfers certain duties of the Secretary-Treasurer of the Board to the Executive Director of the Board. **Section 2** also authorizes the Executive Director to delegate certain duties to a designee.

Sections 3-10 of this bill make various changes regarding the requirements for obtaining and renewing a license or certificate as an alcohol, drug or gambling counselor or intern. **Sections 8, 10 and 12** of this bill reduce the duration of certificates for certain counseling interns from 1 year to 6 months.

Section 13 of this bill authorizes the Board, when determining whether to issue, renew, restore, suspend, revoke or reinstate a license or certificate or imposing disciplinary action upon an existing licensee or certificate holder, to consider any original criminal charges filed against the applicant, licensee or certificate holder, even if that person was convicted of a lesser crime.

Section 14 of this bill eliminates the 30-day grace period authorizing an otherwise qualified person to engage in the practice of counseling alcohol and drug abusers or problem gamblers without a license or certificate while his or her application is being reviewed. **Section 15** of this bill prohibits a person who is not licensed or certified by the Board from engaging in the practice or

clinical practice of counseling alcohol and drug abusers and problem gamblers ~~[.]~~ **or the practice of providing peer support specialist services.**

Section 24 of this bill repeals the authority of the Board to provide for the certification of detoxification technicians. (NRS 641C.500) **Sections 16-20** of this bill make conforming changes to account for the repeal of NRS 641C.500 regarding the certification of detoxification technicians by the Board. The effect of **sections 16-20 and 24** is to leave the authority to certify detoxification technicians with the Division of Public and Behavioral Health of the Department of Health and Human Services pursuant to chapter 458 of NRS.

SUMMARY—Revises provisions governing ~~[child custody,]~~ child support **. ~~[and visitation.]~~** (BDR 11-49)

AN ACT relating to domestic relations; ~~[clarifying that there is a presumption that joint legal custody and joint physical custody would be in the best interest of a minor child of a marriage under certain circumstances; providing a new formula by which to calculate child support when parents have joint physical custody of a child; defining the term "monthly household income" for the purposes of such a formula;]~~ **increasing a parent's monthly presumptive maximum amount for an obligation for the support of a child; providing a method to calculate the amount of child support to be paid in situations involving primary physical custody and joint physical custody;** revising the factors a court must consider in adjusting the amount of child support **; ~~[**when parents have joint physical custody of a child; revising the circumstances which constitute changed circumstances for purposes of modifying a child support order; revising provisions governing orders awarding visitation of a minor child; defining the term "minor child" for the purposes of such visitation orders;]~~** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, there is a presumption that joint custody is in the best interest of a minor child of a marriage if the parents agree to an award of joint custody. (NRS 125.490) Section 2 of this bill clarifies that the presumption concerns joint legal custody and joint physical custody of such a minor child.~~

~~— In determining the amount of child support in a case in which the parents of a minor child have joint physical custody of the child, Nevada courts currently use the formula set forth by the Nevada Supreme Court in Wright v. Osburn, 114 Nev. 1367 (1998), which takes into account the gross monthly income of each parent. Section 6 of this bill sets forth a new formula by which a court will determine the amount of child support in cases involving joint physical custody, which takes into account the monthly household income of each parent. Section 5 of this bill defines the term "monthly household income" to include the gross monthly income of a parent and the gross monthly income of the current spouse or domestic partner or a cohabitant of the parent.]~~

Existing law establishes a parent's monthly obligation for the support of a child, which is calculated as a percentage of the gross monthly income of the parent. Such an obligation for support is subject to a presumptive maximum amount based on the income range within which a parent's

gross monthly income falls. (NRS 125B.070) Section 8 of this bill: (1) revises the income ranges used to determine the presumptive maximum amount for an obligation for support; and (2) increases the presumptive maximum amount for an obligation for support for each income range. Section 8 also provides a method for calculating the total amount of child support to be paid by one parent to the other parent depending on whether one parent has primary physical custody or the parents share joint physical custody.

Existing law specifies certain factors that a court must take into consideration when adjusting an amount of child support. (NRS 125B.080) **Section 9** of this bill ~~[provides that if the amount of child support is determined pursuant to section 6, the court must take into consideration the relative monthly household income of both parents.~~

~~Existing law also provides that a child support order may be reviewed by a court at any time on the basis of changed circumstances. (NRS 125B.145) Section 10 of this bill provides that if the amount of child support ordered was determined pursuant to section 6, an increase in the monthly household income of the person entitled to receive child support payments pursuant to the order such that his or her monthly household income exceeds that of the person obligated to pay child support pursuant to the order is deemed to constitute changed circumstances requiring a review for modification of the order.~~

~~Existing law additionally sets forth certain requirements regarding any order that awards a party a right of visitation of a minor child. (NRS 125C.010) Section 11 of this bill requires any such order to provide that such a right of visitation generally remains effective as long as the child remains a minor child. Section 11 defines the term "minor child" using the definition of the term as it is used for purposes of child support, meaning a person who is: (1) under the age of 18 years; (2) under the age of 19 years, if the person is enrolled in high school; (3) under a legal disability; or (4) not declared emancipated.]~~ **requires the court to take into consideration the child's standard of living in each parent's household and the specific circumstances of the child if the child: (1) has reached the age of majority; (2) has not graduated from high school; and (3) remains entitled to child support pursuant to a child support order. Section 9 further provides that when the court is taking into consideration the relative income of both parents, the court must consider any contributions made toward the payment of household expenses by an adult who is cohabitating with either parent of the child.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 125.150 is hereby amended to read as follows:~~

~~125.150 Except as otherwise provided in NRS 125.155 and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:~~

~~1. In granting a divorce, the court:~~

~~(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and~~

~~(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.~~

~~2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:~~

~~(a) The intention of the parties in placing the property in joint tenancy;~~

~~(b) The length of the marriage; and~~

~~(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.~~

~~As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.~~

~~3. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.~~

~~4. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.~~

~~5. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.~~

~~— 6. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.~~

~~— 7. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.~~

~~— 8. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:~~

~~— (a) The financial condition of each spouse;~~

~~— (b) The nature and value of the respective property of each spouse;~~

~~— (c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;~~

~~— (d) The duration of the marriage;~~

~~— (e) The income, earning capacity, age and health of each spouse;~~

~~— (f) The standard of living during the marriage;~~

~~— (g) The career before the marriage of the spouse who would receive the alimony;~~

~~— (h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;~~

~~— (i) The contribution of either spouse as homemaker;~~

~~— (j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and~~

~~— (k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.~~

~~— 9. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:~~

~~(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and~~

~~(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.~~

~~10. If the court determines that alimony should be awarded pursuant to the provisions of subsection 9:~~

~~(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.~~

~~(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.~~

~~(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:~~

~~(1) Testing of the recipient's skills relating to a job, career or profession;~~

~~(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;~~

~~(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;~~

~~(4) Subsidization of an employer's costs incurred in training the recipient;~~

~~(5) Assisting the recipient to search for a job; or~~

~~(6) Payment of the costs of tuition, books and fees for:~~

~~(I) The equivalent of a high school diploma;~~

~~(II) College courses which are directly applicable to the recipient's goals for his or her career; or~~

~~(III) Courses of training in skills desirable for employment.~~

~~11. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in~~ **[**~~NRS 125B.070.~~**]** ~~***section 4 of this act.***~~ **(Deleted by amendment.)**

~~[If a parent's gross monthly income is equal to or greater than $14,583, the presumptive maximum amount the parent may be required to pay pursuant to paragraph (b) of subsection 1 is $800.]~~

3. The presumptive maximum amounts set forth in subsection 2 for the obligation for support must be adjusted on July 1 of each year for the fiscal year beginning that day and ending June 30 in a rounded dollar amount corresponding to the percentage of increase or decrease in the Consumer Price Index (All Items) published by the United States Department of Labor for the preceding calendar year. On April 1 of each year, the Office of Court Administrator shall determine the amount of the increase or decrease required by this subsection, establish the adjusted amounts to take effect on July 1 of that year and notify each district court of the adjusted amounts.

4. ***To calculate the support of a child in a case in which one parent has primary physical custody of the child, the applicable percentage set forth in paragraph (b) of subsection 1 will be applied to the gross monthly income of the noncustodial parent. Subject to the presumptive maximum amount set forth in subsection 2 for an obligation for support, and unless the court sets forth findings of fact as to the basis for a different amount pursuant to subsection 6 of NRS 125B.080, the resulting amount is the monthly child support obligation of the noncustodial parent.***

5. To calculate the support of a child in a case in which the parents share joint physical custody of the child, the applicable percentage set forth in paragraph (b) of subsection 1 will be applied to each parent's gross monthly income. Subject to the presumptive maximum amounts set forth in subsection 2 for an obligation for support, the child support obligation of the parent who has the lower gross monthly income will be subtracted from the child support obligation of the parent who has the higher gross monthly income. Unless the court sets forth findings of fact as to the basis for a different amount pursuant to subsection 6 of NRS 125B.080, the resulting amount is the monthly child support obligation of the parent who has the higher gross monthly income.

6. As used in this section ~~[, "Office"]~~ ***:***

(a) "Joint physical custody" means a custodial arrangement in which each parent has physical custody and control of a child for at least 146 days each year.

(b) "Office of Court Administrator" means the Office of Court Administrator created pursuant to NRS 1.320.

(c) "Primary physical custody" means a custodial arrangement in which one parent has physical custody and control of a child for more than 219 days each year.

Sec. 9. NRS 125B.080 is hereby amended to read as follows:

125B.080 Except as otherwise provided in NRS 425.450:

1. A court of this State shall apply the appropriate formula set forth in NRS 125B.070 ***[or section 6 of this act, as applicable,]*** to:

(a) Determine the required support in any case involving the support of children.

(b) Any request filed after July 1, 1987, to change the amount of the required support of children.

2. 3. If the parties disagree as to the amount of the gross monthly income ***[or monthly household income]*** of either party, ***[as applicable,]*** the court shall determine the amount and may direct either party to furnish financial information or other records, including income tax returns for the preceding 3 years. 4. Notwithstanding the formulas set forth in NRS 125B.070, the minimum amount of support that may be awarded by a court in any case ***[in which a parent has primary physical custody]*** is $100 per month per child, unless the court makes a written finding that the obligor is unable to pay the minimum amount. Willful underemployment or unemployment is not a sufficient cause to deviate from the awarding of at least the minimum amount.

5. It is presumed that the basic needs of a child are met by the formulas set forth in NRS 125B.070 , ***[and section 6 of this act.]*** This presumption may be rebutted by evidence proving that the needs of a particular child are not met by the applicable formula.

6. If the amount of the awarded support for a child is greater or less than the amount which would be established under the applicable formula, the court shall:

(a) Set forth findings of fact as to the basis for the deviation from the formula; and

(b) Provide in the findings of fact the amount of support that would have been established under the applicable formula.

7. Expenses for health care which are not reimbursed, including expenses for medical, surgical, dental, orthodontic and optical expenses, must be borne equally by both parents in the absence of extraordinary circumstances.

8. If a parent who has an obligation for support is willfully underemployed or unemployed to avoid an obligation for support of a child, that obligation must be based upon the parent's true potential earning capacity.

9. The court shall consider the following factors when adjusting the amount of support of a child **,** upon specific findings of fact ~~[:]~~ ***, to establish an amount of support that is adequate to fulfill a child's needs and is fair to both parents based on the circumstances of the case:***

Amendment No. 379.

AN ACT relating to public works; revising provisions relating to contracts between a public body and a design professional; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides standard provisions that must be included in a public works contract between a public body and a design professional ~~[.]~~ **who is not a member of a design-build team.** (NRS 338.155) A design professional is defined in existing law as a professional engineer, professional land surveyor, architect, interior designer, residential designer or landscape architect, or a business entity that is engaged in the business of professional engineering, land surveying, architecture or landscape architecture. (NRS 338.010) This bill eliminates the ~~[requirement]~~ **authority of a public body to include in a contract with such a design professional a provision requiring** that ~~[a]~~ **the** design professional ~~[who is not a member of a design-build team]~~ defend the public body in any lawsuit alleging negligence, errors or omissions, recklessness or intentional misconduct on the part of the design professional or his or her employees or agents ~~[resulting from his or her work on a project.]~~ **which are based upon or arising out of the professional services of the design professional.** In ~~[addition,]~~ **such circumstances,** this bill ~~[also]~~

provides that if the design professional is held to be liable as a result of a lawsuit, the judge or jury shall order the design professional to reimburse the public body for a proportionate share of the attorney's fees and costs the public body incurred in defending the action. **However, this bill retains the authority in existing law for a public body to include a provision in a contract with a design professional requiring that the design professional defend the public body in any lawsuit alleging negligence, errors or omissions, recklessness or intentional misconduct of the design professional or his or her employees or agents which are not based upon or arising out of the professional services of the design professional.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.155 is hereby amended to read as follows:

338.155 1. If a public body enters into a contract with a design professional who is not a member of a design-build team, for the provision of services in connection with a public work, the contract:

(a) Must set forth:

(1) The specific period within which the public body must pay the design professional.

(2) The specific period and manner in which the public body may dispute a payment or portion thereof that the design professional alleges is due.

(3) The terms of any penalty that will be imposed upon the public body if the public body fails to pay the design professional within the specific period set forth in the contract pursuant to subparagraph (1).

(4) That the prevailing party in an action to enforce the contract is entitled to reasonable attorney's fees and costs.

(b) May set forth the terms of any discount that the public body will receive if the public body pays the design professional within the specific period set forth in the contract pursuant to subparagraph (1) of paragraph (a).

(c) May set forth the terms by which the design professional agrees to name the public body, at the cost of the public body, as an additional insured in an insurance policy held by the design professional, if the policy allows such an addition.

(d) Must not require the design professional to defend, indemnify or hold harmless the public body or the employees, officers or agents of that public body from any liability, damage, loss, claim, action or proceeding caused by the negligence, errors, omissions, recklessness or intentional misconduct of the employees, officers or agents of the public body.

(e) ~~[Except as otherwise provided in this paragraph, may]~~ ***May*** require the design professional to ~~[~~defend,~~]~~ indemnify and hold harmless the public body, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including, without limitation, reasonable attorneys' fees and costs, to the extent that such liabilities, damages, losses, claims, actions or proceedings are caused by the negligence,

errors, omissions, recklessness or intentional misconduct of the design professional or the employees or agents of the design professional in the performance of the contract. ~~[If the insurer by which the design professional is insured against professional liability does not so~~ ***~~The design professional shall not be required to~~]***

(f) Must not require the design professional to defend the public body and the employees, officers and agents of the public body ~~[.~~ and~~]~~ ***with respect to the liabilities, damages, losses, claims, actions or proceedings caused by the negligence, errors, omissions, recklessness or intentional misconduct of the design professional or the employees or agents of the design professional which are based upon or arising out of the professional services of the design professional. If*** the design professional is adjudicated to be liable by a trier of fact, the trier of fact shall award reasonable attorney's fees and costs to be paid to the public body ***, as reimbursement for the attorney's fees and costs incurred by the public body in defending the action,*** by the design professional in an amount which is proportionate to the liability of the design professional.

(g) May require the design professional to defend the public body and the employees, officers and agents of the public body with respect to the liabilities, damages, losses, claims, actions or proceedings caused by the negligence, errors, omissions, recklessness or intentional misconduct of the design professional or the employees or agents of the design professional which are not based upon or arising out of the professional services of the design professional.

2. Any provision of a contract entered into by a public body and a design professional who is not a member of a design-build team that conflicts with the provisions of paragraph (d) ***, (f) or (g)*** ~~[or]~~ (e) of subsection 1 is void.

3. As used in this section, "agents" means those persons who are directly involved in and acting on behalf of the public body or the design professional, as applicable, in furtherance of the contract or the public work to which the contract pertains.

Sec. 2. This act becomes effective upon passage and approval.

Assembly Bill No. 113.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 98.

AN ACT relating to juvenile justice; revising provisions governing the sealing of juvenile records; setting forth factors that the juvenile court may consider in determining whether a child has been rehabilitated to the satisfaction of the juvenile court; providing that **certain** portions of juvenile records ~~[determined by the court to be pertinent to the enforcement and~~

~~collection of~~] **relating to** certain civil judgments must not be sealed until the judgment is satisfied or expires; including the Chief of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services as a person entitled to notification of the filing of a petition for the sealing of juvenile records and authorized to testify at a hearing on the petition if the circumstances warrant; revising the circumstances in which the juvenile court may order the inspection of sealed juvenile records; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if a child is less than 21 years of age, the child or a probation officer on behalf of the child may petition the juvenile court for an order sealing all records relating to the child. (NRS 62H.130) **Section 1** of this bill revises the requirements for such a petition to be filed. Existing law also provides that the juvenile court shall enter an order sealing all records relating to a child if the juvenile court finds that: (1) during the previous 3 years, the child has not been convicted of a felony or of any misdemeanor involving moral turpitude; and (2) the child has been rehabilitated to the satisfaction of the juvenile court. (NRS 62H.130) **Section 1** instead provides that if the juvenile court makes such findings, then the juvenile court: (1) may enter an order sealing all records relating to the child ~~[that pertain to an event which occurred when]~~ **if** the child ~~[was]~~ **is** less than 18 years of age; and (2) shall enter an order sealing all records relating to the child ~~[that pertain to an event which occurred when]~~ **if** the child ~~[was]~~ **is** 18 years of age or older. **Section 1** also: (1) sets forth various factors that the juvenile court may consider in determining whether a child has been rehabilitated to the satisfaction of the juvenile court; and (2) provides that if the juvenile court retains jurisdiction over a civil judgment and a person against whom the civil judgment was entered, ~~[any portion of a record relating to a child that the juvenile court determines is pertinent to the enforcement and collection of the civil judgment]~~ **the case caption, case number and order entering the civil judgment** must not be sealed until the civil judgment is satisfied or expires.

Existing law requires the juvenile court to notify the district attorney and, in certain circumstances, the chief probation officer, if a petition is filed to seal juvenile records. Additionally, the district attorney and the chief probation officer, any of their deputies or any other person who has evidence that is relevant to consideration of the petition is authorized to testify at the hearing on the petition. (NRS 62H.130, 62H.150) **Sections 1 and 3** of this bill include the Chief of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services as a person who, if the circumstances warrant, is entitled to notification of the filing of a petition for the sealing of juvenile records and is authorized to testify at a hearing on the petition.

Existing law further provides that the juvenile court may order the inspection of juvenile records that are sealed in certain circumstances **~~[.]~~ , including if the juvenile court determines that the inspection of the records is**

necessary to perform bona fide outcome and recidivism studies. (NRS 62H.170) **Section 4** of this bill **: (1)** adds to these circumstances the situation in which the person who is the subject of the records has committed an act which subjects the person to the jurisdiction of the juvenile court and which may form the basis of a civil action and a person who, in good faith, intends to bring or has brought the civil action, or any other person who is a party to the civil action, petitions the juvenile court to permit inspection of the records to obtain information relating to the person who is the subject of the records **[.] ; and (2) specifies that performing bona fide outcome and recidivism studies may include using personal identifying information from sealed juvenile records to perform criminal background checks on persons who were adjudicated pursuant to title 5 of NRS.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 62H.130 is hereby amended to read as follows:

3. The district attorney and the chief probation officer ~~[,]~~ or any of their deputies, ***the Chief of the Youth Parole Bureau or his or her designee,*** or any other person who has evidence that is relevant to consideration of the petition may testify at the hearing on the petition.

4. ~~[After]~~ ***Except as otherwise provided in subsection 6, after*** the hearing on the petition, ~~[the juvenile court shall enter an order sealing all records relating to the child]~~ if the juvenile court finds that ~~[:~~

(c) The behavior of the child after the child was last adjudicated in need of supervision ~~[,]~~ or adjudicated delinquent , ~~[or]~~ placed under the supervision of the juvenile court pursuant to NRS 62C.230 ~~[,]~~ or placed with a suitable person or in an appropriate facility by a probation officer pursuant to subsection 5 of NRS 62C.300;

(d) The response of the child to any treatment or rehabilitation program;

(h) Whether the sealing of the record would be in the best interest of the child and the State; and

~~[(h)]~~ (i) Any other circumstance that may relate to the rehabilitation of the child.

6. If the juvenile court retains jurisdiction over a civil judgment and a person against whom the civil judgment was entered pursuant to NRS 62B.420, ~~[any portion of a record relating to a child that the juvenile court determines is pertinent to the enforcement and collection of the civil judgment]~~ the case caption, case number and order entering the civil judgment must not be sealed until the civil judgment is satisfied or expires. After the civil judgment is satisfied or expires, the child or a person named as a judgment debtor may file a petition to seal ~~[any such portion of the record.]~~ such information.

Sec. 2. NRS 62H.140 is hereby amended to read as follows:

2. After the child reaches 30 years of age, the child may petition the juvenile court for an order sealing those records.

3. If a petition is filed pursuant to this section, the juvenile court shall notify the district attorney and the chief probation officer ~~[.]~~ ***or the Chief of the Youth Parole Bureau.***

4. The district attorney and the chief probation officer ~~[.]~~ or any of their deputies, ***the Chief of the Youth Parole Bureau or his or her designee,*** or any other person who has evidence that is relevant to consideration of the petition may testify at the hearing on the petition.

5. After the hearing on the petition, the juvenile court may enter an order sealing the records relating to the child if the juvenile court finds that, during the period since the child reached 21 years of age, the child has not been convicted of any offense, except for minor moving or standing traffic offenses.

DURABLE POWER OF ATTORNEY
FOR HEALTH CARE DECISIONS

My name is ..... (insert your name) and my address is ..... (insert your address). I would like to designate ..... (insert the name of the person you wish to designate as your agent ~~[to make]~~ for health care decisions for you) as my agent ~~[to make]~~ for health care decisions for me if I am sick or hurt and need to see a doctor or go to the hospital. I understand what this means.

If I am sick or hurt, my agent should take me to the doctor. If my agent is not with me when I become sick or hurt, please contact my agent and ask him or her to come to the doctor's office. I would like the doctor to speak with my agent and me about my sickness or injury and whether I need any medicine or other treatment. After ~~[my agent speaks]~~ we speak with the doctor, I would like my agent to ~~[decide what care or treatment I should receive and]~~ speak with me about ~~[that]~~ the care or treatment. When we have made decisions about the care or treatment, my agent will tell the doctor about our decisions and sign any necessary papers.

If I am very sick or hurt, I may need to go to the hospital. I would like my agent to help me decide if I need to go to the hospital. If I go to the hospital, I would like the people who work at the hospital to try very hard to care for me. If I am able to communicate, I would like the doctor at the hospital to speak with me and my agent about what care or treatment I should receive, even if I am unable to understand what is being said about me. ~~[I would also like the doctor at the hospital to speak with my agent about what care or treatment I should receive.]~~ After ~~[my agent speaks]~~ we speak with the doctor, I would like my agent to help me decide what care or treatment I should receive . ~~[and, if I am able to communicate, speak with me about that care or treatment.]~~ Once we decide, my agent will sign any necessary paperwork. If I am unable to communicate because of my illness or injury, I would like my agent to make decisions about my care or treatment based on what he or she thinks I would do and what is best for me.

I would like my agent to help me decide if I need to see a dentist and help me make decisions about what care or treatment I should receive from the dentist. Once we decide, my agent will sign any necessary paperwork.

I would also like my agent to be able to see and have copies of all my medical records. If my agent requests to see or have copies of my medical records, please allow him or her to see or have copies of the records.

I understand that my agent cannot make me receive any care or treatment that I do not want. I also understand that I can take away this power from my agent at any time, either by telling him or her that they are no longer my agent or by putting it in writing.

If my agent is unable to make health care decisions for me, then I designate ..... (insert the name of another person you wish to designate as your alternative agent to make health care decisions for you) as my agent to make health care decisions for me as authorized in this document.

THIS POWER IS SUBJECT TO ANY LIMITATIONS OR STATEMENT OF YOUR DESIRES THAT YOU INCLUDE IN THIS DOCUMENT. THE POWER TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE CONSENT, REFUSAL OF CONSENT OR WITHDRAWAL OF CONSENT TO ANY CARE, TREATMENT, SERVICE OR PROCEDURE TO MAINTAIN, DIAGNOSE OR TREAT A PHYSICAL OR MENTAL CONDITION. YOU MAY STATE IN THIS DOCUMENT ANY TYPES OF TREATMENT OR PLACEMENTS THAT YOU DO NOT DESIRE.

2. THE PERSON YOU DESIGNATE IN THIS DOCUMENT HAS A DUTY TO ACT CONSISTENT WITH YOUR DESIRES AS STATED IN THIS DOCUMENT OR OTHERWISE MADE KNOWN OR, IF YOUR DESIRES ARE UNKNOWN, TO ACT IN YOUR BEST INTERESTS.

3. EXCEPT AS YOU OTHERWISE SPECIFY IN THIS DOCUMENT, THE POWER OF THE PERSON YOU DESIGNATE TO MAKE HEALTH CARE DECISIONS FOR YOU MAY INCLUDE THE POWER TO CONSENT TO YOUR DOCTOR NOT GIVING TREATMENT OR STOPPING TREATMENT WHICH WOULD KEEP YOU ALIVE.

4. UNLESS YOU SPECIFY A SHORTER PERIOD IN THIS DOCUMENT, THIS POWER WILL EXIST INDEFINITELY FROM THE DATE YOU EXECUTE THIS DOCUMENT AND, IF YOU ARE UNABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF, THIS POWER WILL CONTINUE TO EXIST UNTIL THE TIME WHEN YOU BECOME ABLE TO MAKE HEALTH CARE DECISIONS FOR YOURSELF.

5. NOTWITHSTANDING THIS DOCUMENT, YOU HAVE THE RIGHT TO MAKE MEDICAL AND OTHER HEALTH CARE DECISIONS FOR YOURSELF SO LONG AS YOU CAN GIVE INFORMED CONSENT WITH RESPECT TO THE PARTICULAR DECISION. IN ADDITION, NO TREATMENT MAY BE GIVEN TO

YOU OVER YOUR OBJECTION, AND HEALTH CARE NECESSARY TO KEEP YOU ALIVE MAY NOT BE STOPPED IF YOU OBJECT.

6. YOU HAVE THE RIGHT TO REVOKE THE APPOINTMENT OF THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THAT PERSON OF THE REVOCATION ORALLY OR IN WRITING.

7. YOU HAVE THE RIGHT TO REVOKE THE AUTHORITY GRANTED TO THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU BY NOTIFYING THE TREATING PHYSICIAN, HOSPITAL OR OTHER PROVIDER OF HEALTH CARE ORALLY OR IN WRITING.

8. THE PERSON DESIGNATED IN THIS DOCUMENT TO MAKE HEALTH CARE DECISIONS FOR YOU HAS THE RIGHT TO EXAMINE YOUR MEDICAL RECORDS AND TO CONSENT TO THEIR DISCLOSURE UNLESS YOU LIMIT THIS RIGHT IN THIS DOCUMENT.

3. GENERAL STATEMENT OF AUTHORITY GRANTED.

In the event that I am incapable of giving informed consent with respect to health care decisions, I hereby grant to the agent named above full power and authority: to make health care decisions for me before or after my death, including consent, refusal of consent or withdrawal of consent to any care, treatment, service or procedure to maintain, diagnose or treat a physical or mental condition; to request, review and receive any information, verbal or written, regarding my physical or mental health, including, without limitation, medical and hospital records; to execute on my behalf any releases or other documents that may be required to obtain medical care and/or medical and hospital records, EXCEPT any power to enter into any arbitration agreements or execute any arbitration clauses in connection with admission to any health care facility including any skilled nursing facility; and subject only to the limitations and special provisions, if any, set forth in paragraph 4 or 6.

If you do not write any limitations, your agent will have the broad powers to make health care decisions on your behalf which are set forth in paragraph 3, except to the extent that there are limits provided by law.)

	(If the statement reflects your desires, initial the box next to the statement.)

Assembly Bill No. 130.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 233.

AN ACT relating to estates; revising provisions authorizing the summary administration of the estate of a decedent; revising provisions concerning the distribution or transfer of assets from certain small estates of decedents; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law governs wills and estates of deceased persons. (Title 12 of NRS) Under existing law, a court is authorized to enter an order for the summary administration of an estate if the court deems summary administration advisable and the gross value of the estate does not exceed $200,000 after deducting any encumbrances. (NRS 145.040) **Sections 1 and 2** of this bill increase that amount to ~~[$250,000.]~~ **$300,000.**

~~[Existing law provides, under certain circumstances, for the setting aside of small estates that do not exceed a gross value of $100,000, after deducting any encumbrances, for distribution to certain survivors of decedents or other claimants without requiring the administration of such estates. (NRS 146.070) Section 3 of this bill increases that amount to $150,000.]~~

Existing law provides, under certain circumstances, for the transfer of assets from the estate of a decedent to certain claimants pursuant to an affidavit showing the right to receive the assets without the issuance of a letter of administration or, if applicable, the probate of a will if the gross value of the estate does not exceed $20,000. (NRS 146.080) **Section 4** of this bill **: (1)** increases that amount to $100,000 ~~[.]~~ **if the claimant is the surviving spouse of the decedent and to $25,000 for any other claimant; and (2) excludes the value of any motor vehicles registered to the decedent from the determination of whether the gross value of the estate exceeds these amounts. Section 4 also requires the affidavit required for such transfer of assets to include a declaration that the claimant has no knowledge of any existing claims for personal injury or tort damages against the decedent. Finally, section 4 requires a governmental agency that issues certificates of title, ownership or registration to personal property to accept an affidavit containing the required information, regardless of the form of the affidavit.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 145.040 is hereby amended to read as follows:

145.040 If it is made to appear to the court that the gross value of the estate, after deducting any encumbrances, does not exceed ~~[~~$200,000, ~~*$250,000,]~~* ***$300,000,*** the court may, if deemed advisable considering the nature, character and obligations of the estate, enter an order for a summary administration of the estate.

Sec. 2. NRS 145.110 is hereby amended to read as follows:

145.110 If at any time after the entry of an order for the summary administration of an estate it appears that the gross value of the estate, after deducting any encumbrances, exceeds ~~[~~$200,000 ~~*$250,000]*~~ ***$300,000*** as of the death of the decedent, the personal representative shall petition the court for an order revoking summary administration. The court may, if deemed advisable considering the nature, character and obligations of the estate, provide in its order revoking summary administration that regular administration of the estate may proceed unabated upon providing such portions of the regular proceedings and notices as were dispensed with by the order for summary administration.

Sec. 3. ~~[NRS 146.070 is hereby amended to read as follows:~~

~~146.070 1. If a person dies leaving an estate the gross value of which, after deducting any encumbrances, does not exceed [$100,000,] *$150,000,* and there is a surviving spouse or minor child or minor children of the decedent,~~

~~the estate must not be administered upon, but the whole estate, after directing such payments as may be deemed just, must be, by an order for that purpose, assigned and set apart for the support of the surviving spouse or minor child or minor children, or for the support of the minor child or minor children, if there is no surviving spouse. Even if there is a surviving spouse, the court may, after directing such payments, set aside the whole of the estate to the minor child or minor children, if it is in their best interests.~~

~~2. Assembly Bill No. 142.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 420.

AN ACT relating to wildlife; **making various changes relating to violations of provisions relating to wildlife;** eliminating, under certain circumstances, the authority of the Board of Wildlife Commissioners and the Department of Wildlife to suspend or revoke a license, tag, permit, certificate or other document or privilege relating to wildlife; authorizing a court, under certain circumstances, to order the suspension or revocation of a license, tag, permit, certificate or other document or privilege relating to wildlife; ~~[eliminating the authority of the Commission to establish a system of assessing demerit points for wildlife convictions;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Wildlife Commissioners to establish a system of assessing demerit points for a person who is convicted of violating certain laws and regulations in this State relating to wildlife. (NRS 501.1812-501.1818) Pursuant to the system, a person accumulates demerit points if the person is convicted of violating certain provisions of law. If a person accumulates 12 demerit points, the Department of Wildlife is required to suspend or revoke any license, permit or privilege that the Department has issued to the person. With limited exception, a license, permit or privilege may not be suspended for more than 3 years. (NRS 501.1816) In addition to the authority of the Department to suspend or revoke a license pursuant to the demerit system, existing law authorizes a court to require the surrender of a license issued by the Department to a person if the person is found guilty of

violating any provision of title 45 of NRS. (NRS 501.387) **Section ~~[14]~~ 1.5** of this bill eliminates the authority of the Commission to establish a **~~[system]~~ schedule** of demerit points, **~~[thereby eliminating the system.]~~ and instead requires that the Department assess demerit points pursuant to the schedule of demerit points set forth in section 1.1 of this bill. Section 5** of this bill provides that, except as otherwise provided by specific statute, a court may not suspend or revoke a license for a period of more than 3 years.

~~[Existing law requires the Commission to: (1) establish policies for the revocation of licenses issued pursuant to title 45 of NRS to any person who is convicted of a violation of a law relating to wildlife; and (2) adopt regulations governing the revocation of a permit required to develop or maintain certain artificial or artificially created bodies of water. (NRS 501.181) Section 1 of this bill provides that no such policy or regulation may authorize the Commission or the Department to suspend or revoke such a license or permit unless a court orders the suspension or revocation.]~~

Existing law authorizes, under certain circumstances, the Commission or the Department to revoke or suspend a license, tag, permit, certificate or other document or privilege issued to a person by the Department. (NRS 501.3855, 501.3865, 501.388, 502.370, 503.185, 503.310, 504.380, 504.390, 504.395) **Sections 2-4 and 6-12** of this bill eliminate **~~[such]~~ the revocation and suspension** authority of the Commission and the Department **under those circumstances** and **instead** grant **~~[the]~~ that** authority to a court of competent jurisdiction. **Section 2 also revises the penalty for the unlawful killing or possession of a mountain lion. (NRS 501.376)**

Section 1.9 of this bill retains the authority of the Department under existing law to suspend or revoke a license, permit or privilege pursuant to the demerit system.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 429.

AN ACT relating to taxation; revising provisions relating to the imposition by certain counties of additional taxes on fuels for motor vehicles; providing that the boards of county commissioners of certain larger counties may continue the imposition of certain additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; providing for the imposition by the boards of county commissioners of certain counties of additional taxes on fuels for motor vehicles if a ballot question authorizing such additional taxes is approved by a majority of the voters in the county; requiring the approval by voters of additional ballot measures to continue the imposition of the additional taxes; providing that money collected from certain of the additional taxes must be deposited with the State Treasurer to the credit of the State Highway Fund, accounted for separately in the State Highway Fund and used by the Department of Transportation only to finance projects for the construction, maintenance and repair of state highways in the county in which the tax is collected; repealing certain provisions relating to a ballot question providing for the imposition by the State of certain additional taxes on fuels for motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes counties to impose certain taxes on motor vehicle fuels and special fuels used in motor vehicles. (Chapter 373 of NRS) Existing law authorizes the board of county commissioners of a county whose population is 700,000 or more and in which a regional transportation commission has been created and a county tax is imposed on motor vehicle fuel (currently Clark County) to impose, upon approval by a two-thirds majority of the members of the board, additional taxes on motor vehicle fuel and various special fuels used in motor vehicles. Existing law also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2014, and ending on December

31, 2016. Existing law provides that for the period beginning on January 1, 2017: (1) the board of county commissioners must not impose any additional increases in certain taxes authorized by that provision of existing law; and (2) increases in the remainder of the taxes authorized by that provision may not be effectuated unless a majority of the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases. (NRS 373.0663) **Section 2** of this bill removes the prohibition on the continued imposition of additional increases in certain taxes, subject to the existing provisions which provide that the additional increases may not be effectuated unless a majority of the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases. **Section 2** additionally provides that for the period beginning on January 1, 2027, additional annual increases in the taxes on motor vehicle fuel and various special fuels used in motor vehicles may not be effectuated unless a majority of the voters in the county at the general election in November 2026 authorize the board of county commissioners to continue to provide for the annual increases. ~~[Regardless of the outcome of those elections,]~~ **If the voters in the county at the general election in November 2016 authorize the board of county commissioners to continue to provide for the annual increases, section 1** of this bill provides that any money collected from certain additional taxes imposed on motor vehicle fuel and various special fuels used in motor vehicles after November 8, 2016, must be deposited with the State Treasurer to the credit of the State Highway Fund, accounted for separately in the State Highway Fund and used by the Department of Transportation only to finance projects for the construction, maintenance and repair of state highways in the county in which the tax is collected. **Sections 4, 7, 9 and 12** of this bill make conforming changes.

Upon approval by a majority of the voters in any county, other than Clark or Washoe County, at the general election in November 2016, existing law requires the board of county commissioners of the county to impose additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. Existing law also authorizes the board of county commissioners to provide for annual increases in these taxes, for the period beginning on January 1, 2017, and ending on December 31, 2026. Additionally, existing law provides that, for the period beginning on January 1, 2027, the increases in these taxes may not be effectuated unless a majority of the voters in the county at the general election in November 2026 authorize the board of county commissioners to continue to provide for the annual increases. (NRS 373.0667) Existing law also provides for a statewide ballot measure, approval of which by a majority of the voters in the State at the general election in November 2016 would require the State to impose additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles and to impose annual increases on those taxes. (Section 12 of chapter 540, Statutes of Nevada 2013, p. 3586) **Section 18** of this bill repeals the provisions of

existing law relating to the statewide ballot measure concerning the imposition by the State of additional state taxes on motor vehicle fuel and various special fuels used in motor vehicles. **Sections 3 and 17** of this bill instead require the board of county commissioners of a county other than Clark or Washoe County, upon approval by a majority of the voters in the county at the general election in November 2016, to impose such additional taxes on motor vehicle fuel and various special fuels used in motor vehicles in the same manner as the board is required under existing law to impose the additional county taxes on motor vehicle fuel and various special fuels used in motor vehicles. ~~[Section]~~ **Sections 14.5 and 15** of this bill ~~[provides]~~ **provide** that money collected from certain additional taxes imposed on motor vehicle fuel and various special fuels used in motor vehicles on or after January 1, 2017, must be deposited with the State Treasurer to the credit of the State Highway Fund, accounted for separately in the State Highway Fund and used by the Department of Transportation only to finance projects for the construction, maintenance and repair of state highways in the county in which the tax is collected. **Sections 4.5, 5, 6, 7.5, 8, 9.5, 10, 11, 12.5, 13, 14 and 18** of this bill make conforming changes.

Amendment No. 556.

AN ACT relating to criminal procedure; ~~[revising provisions governing the waiver of a preliminary examination;]~~ revising provisions ~~[regarding]~~ **relating to** the introduction of evidence at a preliminary examination or grand jury proceeding; ~~[revising the provisions governing the use of a witness's affidavit at a preliminary examination or grand jury proceeding;]~~ revising provisions relating to the use of audiovisual technology to present live witness testimony at a preliminary examination or grand jury proceeding; ~~[revising provisions relating to a finding of probable cause at a preliminary hearing or grand jury proceeding; eliminating the ability for a defendant to submit certain evidentiary statements to a grand jury; making various changes concerning]~~ **revising provisions relating to** notice given to a person whose indictment is being considered by a grand jury; ~~[revising the provisions pertaining to the~~

~~filing of trial-related motions in criminal proceedings;]~~ and providing other matters properly relating thereto.

If the defendant waives the preliminary examination, the defendant is bound over for trial.]~~ **sets forth the requirements for conducting a preliminary examination.** (NRS 171.196) **Section 1** of this bill ~~[requires a magistrate to ask the defendant whether he or she is waiving the preliminary examination in order to face the original charges or as part of a plea agreement. If the waiver is part of a plea agreement, section 1 further requires that: (1) the magistrate hold the defendant to answer all the charges; (2) the parties execute a written plea agreement; (3) the defendant is pleading guilty to the criminal charges contained in the information; and (4) the magistrate ensures that the defendant entered into the plea agreement voluntarily and with knowledge of the consequences of his or her plea. If the magistrate accepts the plea agreement, section 1 further requires the case to be referred to the Division of Parole and Probation of the Department of Public Safety to make a presentence investigation and set a trial date, unless an exception applies. (NRS 171.1975, 172.138) **Sections 3 and 7** of this bill require the court to allow a witness to testify at a preliminary examination or before a grand jury through the use of audiovisual technology under certain circumstances.

Existing law ~~[requires a magistrate to hold a defendant to answer in district court or a grand jury to find an indictment if the evidence offered at the preliminary examination or grand jury proceeding shows that there is probable cause to believe the defendant committed the offense. (NRS 171.206, 172.155) Existing law also]~~ sets forth the types of evidence a grand jury can receive. [~~At a grand jury proceeding, existing law authorizes a defendant to submit a statement to the grand jury providing whether a preliminary hearing was held and, if so, that the evidence presented at the preliminary hearing was considered insufficient to warrant holding the defendant for trial. [~~Section 11 of this bill provides that in a criminal prosecution of an offense that is a gross misdemeanor or felony, any motion on a trial-related issue may be made only in the district court and, therefore, a justice court may not hear a motion to suppress evidence before or during the preliminary examination for such an offense. In a criminal prosecution of an offense that is a misdemeanor, section 11 provides that any motion on a trial-related issue may be made only in the justice court.~~**]**

Legislative Counsel's Digest:

Under existing law, the operator of an off-highway vehicle is required to register the vehicle with the Department of Motor Vehicles. (NRS 490.082) **Such a vehicle can be registered by the Department or an off-highway dealer who has been authorized by the Department. Section 3.4 of this bill authorizes the Department, upon request from a sheriff, to authorize the sheriff to accept from the owner of an off-highway vehicle the applicable fees and the information required by the Department for registration. Such a sheriff or dealer is authorized to retain $5 from the registration fees paid by the owner of the off-highway vehicle.**

Existing law ~~[also]~~ authorizes a large all-terrain vehicle to be registered as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the large all-terrain vehicle has certain required equipment and the owner of the large all-terrain vehicle provides proof of liability insurance that meets the requirements for other motor vehicles that are authorized to operate on the highways of this State. (NRS 490.0825, 490.105) ~~[Existing law also requires the Department to deposit some of the money~~

~~received for the registration of off-highway vehicles into a fund that is administered by the Commission on Off-Highway Vehicles, which is required to use the money for certain purposes including: (1) the funding of grants; (2) the funding of certain projects regarding trails and other facilities for use by off-highway vehicles; and (3) for safety training and education relating to off-highway vehicles. Section 6 of this bill allows the owner of such a mini-truck to register the mini-truck as an off-highway vehicle intended to operate on certain roads that have been designated for such use if the mini-truck meets the same equipment and insurance requirements that a large all-terrain vehicle must meet. Section 12 of this bill exempts the driver of a mini-truck from the requirement to wear a helmet if driving an off-highway vehicle on a highway of this State. (NRS 490.130)**

Section 5 of this bill **[**~~removes~~**]** **revises** the **[**~~requirement~~**]** **requirements** for off-highway vehicles to be registered **[**~~.~~**]** **to acknowledge the authority of authorized sheriffs to register such vehicles.** **Section 6** of this bill revises the provisions allowing for the registration of certain large all-terrain vehicles **and mini-trucks** to be operated on certain roads designated for their use by adding provisions relating to renewal of such registration, and adding provisions that exempt from such registration certain large all-terrain vehicles **or mini-trucks** owned and operated: (1) by certain governmental entities; (2) by certain off-highway dealers under certain circumstances; (3) for work conducted by a public or private utility; (4) solely as part of an organized race, festival or similar event; or (5) in the conduct of certain search and rescue operations. ~~[Section 3 of this bill authorizes the Commission on Off-Highway Vehicles to seek and receive grants, gifts and donations, and to include in certain reports submitted to the Legislature a summary of any such grants, gifts or donations.]~~ **Sections 4 and [**~~8~~**] 10** of this bill revise provisions relating to the duties of the Department to reflect the changes made to the registration of off-highway vehicles in this bill. ~~[Section 7 of this bill authorizes the Department to furnish to certain persons who are licensed to sell or lease off-highway vehicles special plates commonly known as "dealer plates," and section 11 of this bill authorizes those licensees to operate a large all-terrain vehicle on certain highways for the purpose of display, demonstration, maintenance, sale or exchange if the person has obtained such a plate from the Department.]~~

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 546.

AN ACT relating to common-interest communities; revising provisions ~~[~~~~governing the enforcement and priority of a unit-owners' association's lien on a unit; repealing provisions authorizing~~]~~ **relating to** the nonjudicial foreclosure of ~~[an]~~ **a unit-owners'** association's lien; **authorizing a right of redemption after the foreclosure of an association's lien by sale under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a unit-owners' association has a lien on a unit for certain amounts due to the association. Generally, the association's lien is prior to all other liens on a unit, except: (1) liens recorded before the recordation of the declaration; (2) the first security interest on the unit; and (3) liens for real estate taxes and other governmental assessments or charges against the unit. However, the association's lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association's lien that is prior to the first security interest is commonly referred to as the "super-priority lien." (NRS 116.3116) Existing law authorizes a unit-owners' association to foreclose its lien through a nonjudicial foreclosure process. (NRS 116.31162-116.31168)

~~[~~~~This bill repeals provisions authorizing a unit-owners' association to foreclose its lien through a nonjudicial foreclosure process and removes provisions granting the association's lien priority over other liens and encumbrances. Section 4 of this bill provides that the association may enforce its lien by recording a notice of lien and commencing a judicial action to~~

~~enforce its lien. Under section 4, the association's lien on a unit has no priority over other liens and encumbrances on the unit that were recorded before the association recorded its notice of lien.~~] **Section 4.7 of this bill provides that after a sale of a unit to enforce the association's lien, the unit's owner or a holder of a security interest on the unit may redeem the unit by paying certain amounts to the purchaser within 60 days after the sale. If the unit's owner redeems the unit, the unit's owner is restored to his or her ownership of the unit. If a holder of a security interest on the unit redeems the unit, that holder is entitled to a deed without warranty which conveys to the holder all title of the unit's owner to the unit. Section 4.7 further provides that upon expiration of the redemption period, any failure to comply with the requirements of existing law for the foreclosure of the association's lien does not affect the rights of a bona fide purchaser or encumbrancer for value. Sec. 2. [~~NRS 116.310312 is hereby amended to read as follows:~~

~~116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:~~

~~(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or~~

~~4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. [The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.]~~

~~5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.~~

Sec. 3. ~~**[**NRS 116.31068 is hereby amended to read as follows:~~

~~116.31068 1. Sec. 4. [~~NRS 116.3116 is hereby amended to read as follows:~~

~~116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.~~

~~2. A lien under this section is prior to all other liens and encumbrances on a unit except:~~

~~(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;~~

~~(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and~~

~~(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.~~

~~The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.~~

~~3. The holder of the security interest described in paragraph (b) of subsection 2 or the holder's authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the~~

~~payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit's owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit's owner.~~

~~4. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.~~

~~5. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.~~

~~6.~~] ~~*To perfect its lien, the association must record a notice of lien in the office of the county recorder of the county in which the unit or some part thereof is located. An association may not record a notice of lien unless the amounts listed in subsection 1 are more than 90 days past due.*~~

~~*3. A notice of lien recorded pursuant to subsection 2 must be verified by the oath of the person designated in the declaration or by the association for that purpose or, if no one is designated, by the president of the association, and must contain:*~~

~~*(a) A statement of the amount of the association's lien;*~~

~~*(b) The name and last known address of the record owner of the unit; and*~~

~~*(c) A description of the unit against which the lien is imposed.*~~

~~*4. The association shall serve a copy of the notice of lien upon the unit's owner not later than 30 days after recording the notice of lien pursuant to subsection 2 by:*~~

~~*(a) Personally delivering a copy of the notice of lien to the unit's owner; or*~~

~~*(b) Mailing a copy of the notice of lien to the unit's owner or his or her successor in interest by certified mail, return receipt requested, at his or her address, if known, and at the address of the unit.*~~

~~*5. At the time of filing the complaint and issuing the summons, the association or other person authorized by the association to enforce the lien shall file a notice of pendency of the action in the manner provided in NRS 14.010.*~~

~~*6. In an action to enforce a lien under this section, the court shall:*~~

~~*(a) Enter judgment according to the right of the parties.*~~

~~*(b) Upon ascertaining the amount of the association's lien under this section, cause the property to be sold in satisfaction of the lien and costs of*~~

sale. An association in whose favor judgment may be rendered may cause the unit to be sold within the time and in the manner provided for sales on execution, issued out of any district court, for the sale of real property.

7. If the proceeds of a sale pursuant to subsection 6, after payment of the costs of sale, are not sufficient to satisfy the association's lien, the association is entitled to a personal judgment for the amount remaining due against the unit's owner. If the proceeds of the sale amount to more than the association's lien and the cost of sale, the remainder must be paid over to the unit's owner.

8. As soon as practicable, but not later than 10 days after a notice of lien upon a unit is fully satisfied or discharged, the association shall cause to be recorded a discharge or release of the notice of lien. If the association fails to comply with this section, the association is liable in a civil action to the unit's owner or his or her successor in interest for any actual damages caused by the association's failure to comply with the provisions of this subsection or $100, whichever is greater, and for reasonable attorney's fees and the costs of bringing the action.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 521.

AN ACT relating to cosmetology; revising provisions governing advertising of services relating to the practice of cosmetology; establishing the procedures for the registration and training of apprentices for aestheticians, hair designers and nail technologists; establishing the procedures for the ~~[licensure]~~ **registration** of shampoo technologists; providing a fee for the registration of such apprentices and ~~[the licensure of]~~ shampoo technologists; revising provisions relating to the licensure of various cosmetology professionals, cosmetological establishments and schools of cosmetology; revising provisions concerning service animals and service animals in training that are on the premises of a licensed establishment for hair braiding or cosmetological establishment; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Cosmetology to determine the qualification of applicants for various licenses in cosmetology, requires the Board to license schools of cosmetology and authorizes the Board to adopt regulations governing the sanitary conditions in cosmetological establishments, schools of cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)

Sections 3 and 17 of this bill make it unlawful to advertise in any manner that is misleading or inaccurate with respect to the provision of any services relating to the practice of cosmetology. Under existing law, a violation of any provision of the chapter governing cosmetology is punishable as a misdemeanor. (NRS 644.480) **Section 60** of this bill provides that advertising in violation of **section 17** is also a ground for disciplinary action by the Board.

Sections 5, 7, 8, 12-14, 29 and 39 of this bill establish the procedures for the registration, training and practice of apprentices for aestheticians, hair designers and nail technologists. **Sections 10, 15 and 16** of this bill establish a new ~~[license]~~ **certificate of registration** as a shampoo technologist and set forth the requirements, including passing certain examinations, that must be met before the Board may issue such a ~~[license]~~ **certificate of registration** to a person. **Section 60** provides that failure of a shampoo technologist, aesthetician's apprentice, hair designer's apprentice or nail technologist's apprentice to comply with the requirements relating to those professions is a ground for disciplinary action by the Board.

Existing law excludes a licensed barbershop in which one or more licensed nail technologists practice from the definition of "cosmetological establishment." (NRS 644.0225) **Section 20** of this bill removes that exception, thus subjecting a nail technologist who practices in a licensed barbershop to the same requirements as a nail technologist who practices in a cosmetological establishment.

Existing law requires the Board to approve the use of any device used in the practice of cosmetology. (NRS 644.095) **Section 25** of this bill authorizes the Board to adopt regulations that ban the use of any device in the practice of

cosmetology for good cause or if the device facilitates services outside the scope of the practice of cosmetology.

Sections 27 and 28 of this bill revise the duties of the Board concerning: (1) records of licensees; and (2) depositing fees collected on behalf of the Board.

Section 30 of this bill changes the requirements for admission to examination for a license as a cosmetologist by: (1) reducing the amount of training in a school of cosmetology from 1,800 to 1,600 hours for certain applicants; and (2) increasing the amount of specialized training from 400 to 600 hours for applicants who are barbers. **Section 31** of this bill eliminates the requirement that a barber must have 400 hours of specialized training before the Board will admit the barber to examination for a license as a hair designer.

Sections 34, 35 and 41 of this bill revise the requirements for obtaining a license as a hair braider by: (1) eliminating a voter registration card as a document that can be used as proof of the age of an applicant for a license as a hair braider; and (2) adding additional tests or examinations that the Board deems necessary to the requirements for the examination for licensure as a hair braider.

Section 43 of this bill requires every holder of a license **or certificate of registration, as applicable,** as a cosmetologist, aesthetician, electrologist, hair designer, shampoo technologist, hair braider, nail technologist or demonstrator of cosmetics to notify the Board within 30 days after a change in his or her personal mailing address.

Section 44 of this bill expands the applicability and revises the period of validity of a limited license to practice cosmetology in a resort hotel and in other types of locations designated by the Board to include: (1) persons currently licensed in this State as a cosmetologist and (2) persons currently licensed in this State or certain other jurisdictions as a hair designer, nail technologist or aesthetician.

Sections 45, 46, 49, 51, 55, 57 and 58 of this bill provide the holder of a license **or certificate of registration, as applicable,** as a cosmetologist, aesthetician, electrologist, hair designer, shampoo technologist, hair braider, nail technologist, demonstrator of cosmetics or instructor and the holder of a license for a cosmetological establishment, establishment for hair braiding or school of cosmetology with the option of having a license period of either 2 or 4 years and set forth the specific fee or range of fees, as applicable, for those periods.

Existing law provides a range of fees that the Board may charge for examination for licensure or registration as a cosmetologist, electrologist, hair designer, hair braider, nail technologist, aesthetician and as an instructor of aestheticians, hair designers, cosmetology or nail technology. (NRS 644.220) Section 45 adds shampoo technologists and sets forth fees for the issuance of an initial license or certificate of registration for a period of either 2 or 4 years to practice in each of those branches of cosmetology and for an instructor of aestheticians, hair designers, cosmetology or nail technology.

Existing law prohibits the Board from charging a fee for registering: (1) a person who engages in the practice of threading; or (2) an owner or operator of a kiosk or other stand-alone facility in which threading is practiced. (NRS 644.331) **Section 48** of this bill: (1) requires a fee of not more than $25 for registration of such a natural person, owner or operator; and (2) requires, rather than authorizes, the Board to inspect any facility in this State in which threading is conducted.

Sections 52 and 54 of this bill require a cosmetological establishment to be under the immediate supervision of a person who is licensed in the branch of cosmetology or a combination of branches of cosmetology of the services relating to the practice of cosmetology provided at the cosmetological establishment at the time the services are provided. Those supervision requirements similarly apply to lessees of space at a cosmetological establishment.

Section 58 of this bill requires the Board to adopt regulations which prescribe the minimum enrollment of students and the amount of floor space required for a proposed school of cosmetology.

The United States District Court for the District of Nevada recently held that certain provisions of Nevada Revised Statutes governing the supervision, instructors and courses given at schools of cosmetology were unconstitutional as applied to makeup artistry schools. (*Waugh v. Nev. State Bd. of Cosmetology*, 2014 U.S. Dist. LEXIS 108223 (D. Nev. August 6, 2014)) **Section 59** of this bill amends those provisions to: (1) require instructors who supervise a school of cosmetology to have experience in a majority of branches of cosmetology taught at the school of cosmetology instead of experience in a majority of the branches of cosmetology; (2) require a school of cosmetology to either prepare students for an examination for a license in each branch of cosmetology taught at the school of cosmetology or provide a disclaimer to its students indicating that the school does not qualify the student for a license or prepare the student for an examination in any branch of cosmetology; and (3) eliminate the requirement relating to the length of the school term at a school of cosmetology.

Existing law provides, with limited exceptions, that it is unlawful for any animal to be on the premises of a licensed establishment for hair braiding or cosmetological establishment. (NRS 644.472) **Section 63** of this bill expands those exceptions to allow in such an establishment dogs and miniature horses that are trained or being trained for the purposes of certain federal laws governing public accommodations.

Existing law also provides, in relevant part, that it is unlawful for a place of public accommodation, including, without limitation, a beauty shop, to refuse: (1) admittance or service to a person with a disability because the person is accompanied by a service animal; (2) admittance or service to a person training a service animal; (3) to permit an employee who is training a service animal to bring the service animal into the place of public accommodation; and (4) admittance or service to a person because the person is accompanied by a

police dog. (NRS 651.050, 651.075) The definition of "service animal" for the purposes of state law governing public accommodations is broader than the types of service animals that are covered under federal law governing public accommodations which covers only dogs and miniature horses. (28 C.F.R. §§ 35.104, 36.302) **Section 64** of this bill provides an exception that is consistent with the provisions of **section 63** to the existing state law governing public accommodations. Thus, a licensed establishment for hair braiding or cosmetological establishment in this State will be required to admit only dogs and miniature horses trained or being trained as service animals under federal law, while other places of public accommodation in this State will be required to admit service animals, service animals in training and police dogs as those terms are defined under the broader definitions of service animal and service animal in training which include additional animals. For example, a helper monkey would be included under those broader definitions.

Amendment No. 397.

SUMMARY— ~~[Requires proof of identity for voting.]~~ **Revises provisions governing the administration of elections.** (BDR 24-1125)

AN ACT relating to elections; ~~[requiring, with limited exceptions, proof of identity for voting in person; requiring the Department of Motor Vehicles, under certain circumstances, to issue voter identification cards at no cost;]~~ **providing for photographs of voters to be included in election board registers and rosters for early voting; requiring county clerks and city clerks to provide certain equipment relating to such photographs to election board officers and to deputy clerks for early voting; requiring the Department of Motor Vehicles to provide digital colored photographs of registered voters to the Secretary of State or a county clerk upon request; revising provisions relating to the identification of a registered voter who is unable to sign his or her name; prohibiting the inclusion of certain information in a list of registered voters made available to the public; requiring county clerks to create electronic election board registers; making various other changes relating to elections;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires, under certain circumstances, that a person provide satisfactory identification to vote in person. (NRS 293.2725, 293.277, 293.303, 293.3081, 293.3082, 293.3085, 293.330, 293.353, 293.3585, 293.541, 293*C*.270, 293*C*.292, 293*C*.330, 293*C*.3585) This bill requires, with limited exceptions, that a person provide one of the forms of proof of identity specified in section 2 of this bill to vote in person. Section 2 sets forth the acceptable forms of proof of identity which are: (1) certain government-issued documents or identity cards that show a recognizable photograph of the person to whom the document or card is issued; (2) a voter identification card; or (3) certain documentation from an administrator of certain health care facilities that are licensed by the State.~~

~~Sections 3-6 of this bill: (1) require the Department of Motor Vehicles to issue a voter identification card, free of charge, to a person who does not possess one of the forms of required photographic identification; (2) set forth requirements for the issuance of voter identification cards; and (3) require that the Secretary of State adopt regulations to carry out the provisions of those sections.~~

~~Section 16 of this bill authorizes, under certain circumstances, a person who fails to provide proof of identity when voting in person to cast a provisional ballot. Section 18 of this bill provides that the provisional ballot of such a voter must be counted if the person provides to the county or city clerk not later than 5 p.m. on the Friday following the election: (1) proof of identity; or (2) an affidavit stating that the voter cannot provide proof of identity because he or she is indigent or has a religious objection to being photographed.~~

~~The provisions of this bill which require that a person present, with limited exceptions, one of the forms of proof of identity to vote in person are similar to the provisions of an Indiana law which the United States Supreme Court has determined does not unconstitutionally burden a person's right to vote, in part because the person can obtain one of the forms of required proof of identity free of charge and the requirements to provide proof of identity do not apply to persons who vote by absent ballot. (*Crawford v. Marion County Election Bd.*, 553 U.S. 181 (2008))~~

Sections 44, 46, 53 and 54 of this bill provide for photographs of voters to be included in rosters for early voting and election board registers under certain circumstances. Section 40 of this bill requires the Secretary of State to adopt regulations setting forth the procedures for obtaining photographs of registered voters that are required under certain circumstances to be included in rosters for early voting and election board registers, and section 39 of this bill requires the Department of Motor Vehicles to provide such photographs to the Secretary of State or county clerks upon request.

Sections 41, 44, 50 and 53 of this bill require the election board officer or deputy clerk for early voting, as applicable, to compare the photograph included in the election board register or roster for early voting, if any, to the appearance of the person applying to vote. If the election board officer or deputy clerk for early voting: (1) believes that the person in the photograph is the person applying to vote, the election board officer or deputy clerk for early voting shall allow the person to vote; or (2) does not believe that the person in the photograph is the person applying to vote, the election board officer or deputy clerk for early voting shall allow the person to vote if the person provides a written affirmation signed under penalty of perjury that he or she is the registered voter who he or she claims to be. If the election board register or roster for early voting does not contain a photograph next to the person's name, the election board officer or deputy clerk for early voting shall request that the person authorize the election board officer or deputy clerk for early voting to take a photograph of the person or provide to the election board officer or deputy clerk for early voting his or her driver's license number or identification card number, if any. If, in response to such a request, the person: (1) provides his or her driver's license number or identification card number, the election board officer or deputy clerk for early voting shall record the number in the election board register or roster for early

voting and allow the person to vote; (2) authorizes the election board officer or deputy clerk for early voting to take the person's photograph, the election board officer or deputy clerk for early voting shall take the photograph and allow the person to vote; or (3) declines to comply with the request, the election board officer or deputy clerk for early voting shall allow the person to vote if the person provides a written affirmation signed under penalty of perjury that he or she is the registered voter who he or she claims to be.

Sections 37, 38, 48 and 49 of this bill require county clerks and city clerks to provide election board officers and deputy clerks for early voting with the equipment necessary to take digital colored photographs of voters.

Sections 43 and 52 of this bill prohibit a voter from being challenged on the basis that: (1) the voter declines to comply with a request to provide his or her driver's license number or identification card number at the time he or she appears to vote in person; (2) the voter does not have a driver's license or identification card; (3) the election board register or roster for early voting does not contain a photograph of the voter; (4) the voter declines to comply with a request that he or she authorize an election board officer or deputy clerk for early voting to take his or her photograph; or (5) an election board officer or a deputy clerk for early voting does not believe that the person applying to vote is the same person in the photograph contained in the election board register or roster for early voting.

Sections 42 and 51 of this bill make various changes to provisions governing the identification of a voter who is unable to sign his or her name.

Section 45 of this bill prohibits certain information about a registered voter, including a photograph, from being included on any list of registered voters made available to the public.

Assembly Bill No. 258.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 541.

AN ACT relating to securities; providing for an exemption from the requirement to register for certain offerings for the sale of securities made through certain Internet websites; establishing certain requirements relating to an issuer of a security who qualifies for such an exemption; providing for the registration of certain operators of Internet websites who post offerings for the sale of securities not required to be registered; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth requirements for the registration of a security with the Securities Division of the Office of the Secretary of State before an offer to sell or a sale of such a security is made unless certain exceptions apply. (NRS 90.460-90.510) Existing law further provides for an exemption of certain securities from the registration requirement and sets forth the filing requirements necessary to qualify for the exemption. (NRS 90.520-90.565)

Section 3 of this bill provides an additional exemption from the registration requirement for securities for an offer to sell or sale of a security offered by an

issuer through an Internet website, commonly known as a "crowdfunding" website, if certain filing and disclosure requirements are met. **Section 3** requires that to qualify for this exemption, the issuer of the security and the Internet website conducting the offer of the security must be business entities organized and existing in Nevada. **Section 3** also requires that any purchaser of such a security be a resident of, or a business entity organized and existing in, Nevada. The amount of the offer made pursuant to the exemption provided for in **section 3** is limited to $1,000,000 in any consecutive 12-month period. The exemption also limits an investor's purchase to $5,000, unless the purchaser is an accredited investor. **Section 3** further requires a depository institution to hold all investor funds in an escrow account until the issuer's crowdfunding goal is met. **Section 3** also requires the Administrator of the Division to adopt regulations to carry out the implementation of the new registration exemption.

Section 4 of this bill requires such an Internet website to register with the Division before conducting any offer or sale of a security for an issuer pursuant to the exemption provided for in **section 3**. **Section 4** also provides for certain registration exemptions for a crowdfunding Internet website if certain registration requirements are met with the Securities and Exchange Commission.

Amendment No. 489.

SUMMARY—Revises provisions relating to relations between local governments and **certain** public employees. (BDR 23-858)

AN ACT relating to relations between local governments and public employees; **authorizing the Local Government Employee-Management Relations Board to appoint a Deputy Commissioner;** providing for the expiration of collective bargaining agreements between local governments and employee organizations **[.]** **other than employee organizations that represent police officers;** authorizing a local government to choose not to negotiate with an employee organization **[.]** **other than an organization that represents police officers; making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Local Government Employee-Management Relations Board administers the provisions governing labor relations between local government employers and employee organizations. (NRS 288.080, 288.110) The Board is authorized by existing law to appoint a Commissioner, who serves in the unclassified service of the State. (NRS 288.090) Section 3.7 of this bill additionally authorizes the Board to appoint a Deputy Commissioner, and section 15.5 of this bill makes an appropriation for that purpose.

Under existing law, a local government employer is required to bargain collectively with an employee organization concerning certain matters. In certain circumstances, if negotiations do not lead to an agreement, the parties may be subject to binding fact-finding or arbitration. (Chapter 288 of NRS) **[**This**]** **Sections 1.5-3 and 4-15 of this** bill **[**amends**]** **amend** the provisions governing collective bargaining to give a local government employer the option of choosing not to negotiate with **[**an**]** **certain** employee **[**organization**]** **organizations** and instead to prescribe terms and conditions of employment that are otherwise subject to mandatory bargaining.

Sections 2 and 15 **[**of this bill**]** provide that any collective bargaining agreement entered into pursuant to chapter 288 of NRS **, other than an**

agreement entered into with an employee organization that represents police officers, expires at the end of the term stated in the agreement, notwithstanding any provision of the agreement that the agreement remains in effect until a successor agreement becomes effective.

Existing law requires a local government employer to begin negotiations with an employee organization when notified by the employee organization of the organization's desire to negotiate. (NRS 288.180) **Section 5 ~~[of this bill]~~** requires a local government employer to provide the employee organization **, other than an employee organization that represents police officers,** with written notice of whether the local government employer intends to negotiate with the employee organization. If the local government employer notifies the employee organization that it does not intend to negotiate, the local government employer may prescribe terms and conditions of employment that are otherwise subject to mandatory collective bargaining. If such an employer and the employee organization are operating under an existing collective bargaining agreement, **section 3 ~~[of this bill]~~** provides that the terms and conditions become effective upon the expiration of the agreement. The local government employer and the employee organization or another recognized employee organization may subsequently agree to negotiate a collective bargaining agreement in accordance with chapter 288.

Under **section 5**, if the local government employer **~~[provides no]~~ fails to give** timely notice **that it does not intend to negotiate** or provides notice that it intends to negotiate with the employee organization, **or if the employee organization represents police officers,** the parties must promptly begin negotiating and the existing provisions of chapter 288 govern the relationship of the parties.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 288 of NRS is hereby amended by adding thereto the provisions set forth as sections **1.5,** 2 and 3 of this act.

Sec. 1.5. "Police officer" means a person who is a salaried employee of a police department or other law enforcement agency organized by a political subdivision of the State and whose principal duties are to enforce the law.

Sec. 2. ***A collective bargaining agreement negotiated pursuant to this chapter , other than a collective bargaining agreement negotiated with an employee organization that represents police officers, expires at the end of the term stated in the agreement, notwithstanding any provision of the agreement that the agreement remains effective, in whole or in part, after the end of that term until a successor agreement becomes effective.***

Sec. 3. ***1. If a collective bargaining agreement is in effect between a local government employer and an employee organization , other than an employee organization that represents police officers, and the local government employer gives notice pursuant to NRS 288.180 that it does not intend to negotiate with the employee organization:***

(a) The collective bargaining agreement remains in effect until it expires in accordance with section 2 of this act; and

(b) Any terms and conditions of employment prescribed by the local government employer for the employees governed by the collective bargaining agreement become effective upon the expiration of the agreement.

2. A local government employer that gives notice pursuant to NRS 288.180 that it does not intend to negotiate with an employee organization may at any time thereafter:

(a) Commence negotiations pursuant to this chapter in response to a notice given pursuant to NRS 288.180 by that employee organization or another recognized employee organization; or

(b) Give written notice to that employee organization or another recognized employee organization of the desire of the local government employer to negotiate concerning any matter which is subject to negotiation pursuant to this chapter.

Sec. 3.3. **NRS 288.020 is hereby amended to read as follows:**

288.020 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 288.025 to 288.075, inclusive, ***and section 1.5 of this act*** have the meanings ascribed to them in those sections.

A local government employer shall not discriminate in any way among its employees on account of membership or nonmembership in an employee organization.

2. The recognition of an employee organization for negotiation, pursuant to this chapter, does not preclude any local government employee who is not a member of that employee organization from acting for himself or herself with respect to any condition of his or her employment, but any action taken

on a request or in adjustment of a grievance shall be consistent with the terms of an applicable negotiated agreement, if any.

3. A police officer ~~[, sheriff, deputy sheriff or other law enforcement officer]~~ may be a member of an employee organization only if such employee organization is composed exclusively of law enforcement officers.

4. The following persons may not be a member of an employee organization:

(a) A supervisory employee described in paragraph (b) of subsection 1 of NRS 288.075, including but not limited to appointed officials and department heads who are primarily responsible for formulating and administering management, policy and programs.

(b) A doctor or physician who is employed by a local government employer.

(c) Except as otherwise provided in this paragraph, an attorney who is employed by a local government employer and who is assigned to a civil law division, department or agency. The provisions of this paragraph do not apply with respect to an attorney for the duration of a collective bargaining agreement to which the attorney is a party as of July 1, 2011.

5. As used in this section, "doctor or physician" means a doctor, physician, homeopathic physician, osteopathic physician, chiropractic physician, practitioner of Oriental medicine, podiatric physician or practitioner of optometry, as those terms are defined or used, respectively, in NRS 630.014, 630A.050, 633.091, chapter 634 of NRS, chapter 634A of NRS, chapter 635 of NRS or chapter 636 of NRS.

Sec. 4. NRS 288.150 is hereby amended to read as follows:

288.150 1. Except as provided in subsection 4 ~~[,]~~ ***and NRS 288.180,*** every local government employer shall negotiate in good faith through one or more representatives of its own choosing concerning the mandatory subjects of bargaining set forth in subsection 2 with the designated representatives of the recognized employee organization, if any, for each appropriate bargaining unit among its employees. If either party so requests, agreements reached must be reduced to writing.

2. The scope of mandatory bargaining is limited to:

(a) Salary or wage rates or other forms of direct monetary compensation.

(b) Sick leave.

The requirements for the reopening of a collective bargaining agreement must include, without limitation, measures of revenue shortfalls or reductions relative to economic indicators such as the Consumer Price Index, as agreed upon by both parties.

3. Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the local government employer without negotiation include:

(a) Except as otherwise provided in paragraph (u) of subsection 2, the right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.

Those actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken

under the provisions of this subsection must not be construed as a failure to negotiate in good faith.

5. The provisions of this chapter, including without limitation the provisions of this section, recognize and declare the ultimate right and responsibility of the local government employer to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.

6. This section does not preclude, but this chapter does not require, the local government employer to negotiate subject matters enumerated in subsection 3 which are outside the scope of mandatory bargaining. The local government employer shall discuss subject matters outside the scope of mandatory bargaining but it is not required to negotiate those matters.

7. Contract provisions presently existing in signed and ratified agreements as of May 15, 1975, at 12 p.m. remain negotiable.

Sec. 4.5. **NRS 288.170 is hereby amended to read as follows:**

288.170 1. Each local government employer which has recognized one or more employee organizations shall determine, after consultation with the recognized organization or organizations, which group or groups of its employees constitute an appropriate unit or units for negotiating. The primary criterion for that determination must be the community of interest among the employees concerned.

2. A principal, assistant principal or other school administrator below the rank of superintendent, associate superintendent or assistant superintendent shall not be a member of the same bargaining unit with public school teachers unless the school district employs fewer than five principals but may join with other officials of the same specified ranks to negotiate as a separate bargaining unit.

3. A head of a department of a local government, an administrative employee or a supervisory employee must not be a member of the same bargaining unit as the employees under the direction of that department head, administrative employee or supervisory employee. Any dispute between the parties as to whether an employee is a supervisor must be submitted to the Board. An employee organization which is negotiating on behalf of two or more bargaining units consisting of firefighters**,** ~~[or police officers,]~~ as defined in NRS 288.215, ***or police officers*** may select members of the units to negotiate jointly on behalf of each other, even if one of the units consists of supervisory employees and the other unit does not.

4. Confidential employees of the local government employer must be excluded from any bargaining unit but are entitled to participate in any plan to provide benefits for a group that is administered by the bargaining unit of which they would otherwise be a member.

5. If any employee organization is aggrieved by the determination of a bargaining unit, it may appeal to the Board. Subject to judicial review, the decision of the Board is binding upon the local government employer and

employee organizations involved. The Board shall apply the same criterion as specified in subsection 1.

6. As used in this section:

(a) "Confidential employee" means an employee who is involved in the decisions of management affecting collective bargaining.

(b) "Supervisory employee" means a supervisory employee described in paragraph (a) of subsection 1 of NRS 288.075.

Sec. 5. NRS 288.180 is hereby amended to read as follows:

288.180 1. Whenever an employee organization desires to negotiate concerning any matter which is subject to negotiation pursuant to this chapter, it shall give written notice of that desire to the local government employer. If the subject of negotiation requires the budgeting of money by the local government employer, the employee organization shall give notice on or before February 1.

2. Following the notification provided for in subsection 1, the employee organization or the local government employer may request reasonable information concerning any subject matter included in the scope of mandatory bargaining which it deems necessary for and relevant to the negotiations. The information requested must be furnished without unnecessary delay. The information must be accurate, and must be presented in a form responsive to the request and in the format in which the records containing it are ordinarily kept. If the employee organization requests financial information concerning a metropolitan police department, the local government employers which form that department shall furnish the information to the employee organization.

4. Notwithstanding any other provision of law requiring or referring to negotiations or an agreement negotiated pursuant to this chapter, if the local government employer gives notice that it does not intend to negotiate with the employee organization, the local government employer is not required to negotiate any matter with the employee organization and may prescribe terms and conditions of employment for the employees represented by the employee organization, subject to the provisions of section 3 of this act.

5. If the local government employer gives notice that it intends to negotiate with the employee organization or fails to give the notice described in subsection 4 within the time required by subsection 3, or if the employee organization that gives the notice provided for in subsection 1 represents police officers, the parties shall promptly commence negotiations. As the first step, the parties shall discuss the procedures to be followed if they are unable to agree on one or more issues.

~~[4.]~~ ***6.*** This section does not preclude, but this chapter does not require, informal discussion between an employee organization and a local government employer of any matter which is not subject to negotiation or contract under this chapter. Any such informal discussion is exempt from all requirements of notice or time schedule.

Sec. 6. NRS 288.190 is hereby amended to read as follows:

288.190 ~~[Except]~~ ***If a local government employer and an employee organization are negotiating pursuant to this chapter, and except*** in cases to which NRS 288.205 and 288.215 apply:

1. Anytime before March 1, the dispute may be submitted to a mediator, if both parties agree. Anytime after March 1, either party involved in negotiations may request a mediator. If the parties do not agree upon a mediator, the Commissioner shall submit to the parties a list of seven potential mediators. The parties shall select their mediator from the list by alternately striking one name until the name of only one mediator remains, who will be the mediator to hear the dispute. The employee organization shall strike the first name.

2. If mediation is agreed to or requested pursuant to subsection 1, the mediator must be selected at the time the parties agree upon a mediator or, if the parties do not agree upon a mediator, within 5 days after the parties receive the list of potential mediators from the Commissioner.

3. The mediator shall bring the parties together as soon as possible and, unless otherwise agreed upon by the parties, attempt to settle the dispute within 30 days after being notified of the mediator's selection as mediator. The mediator may establish the times and dates for meetings and compel the parties to attend but has no power to compel the parties to agree.

4. The local government employer and employee organization each shall pay one-half of the cost of mediation. Each party shall pay its own costs of preparation and presentation of its case in mediation.

5. If the dispute is submitted to a mediator and then submitted to a fact finder, the mediator shall, within 15 days after the last meeting between the parties, give to the Commissioner of the Board a report of the efforts made to settle the dispute.

Sec. 7. NRS 288.195 is hereby amended to read as follows:

288.195 Whenever an employee organization enters into negotiations with a local government employer, pursuant to NRS 288.140 to 288.220, inclusive, ***and sections 2 and 3 of this act,*** such employee organization may be represented by an attorney licensed to practice law in the State of Nevada.

Sec. 8. NRS 288.200 is hereby amended to read as follows:

288.200 ~~[Except]~~ ***If a local government employer and an employee organization are negotiating pursuant to this chapter, and except*** in cases to which NRS 288.205 and 288.215, or ~~[NRS]~~ 288.217 apply:

1. If:

(a) The parties have failed to reach an agreement after at least six meetings of negotiations; and

(b) The parties have participated in mediation and by April 1, have not reached agreement,

➥ either party to the dispute, at any time after April 1, may submit the dispute to an impartial fact finder for the findings and recommendations of the fact finder. The findings and recommendations of the fact finder are not binding on the parties except as provided in subsections 5, 6 and 11. The mediator of a dispute may also be chosen by the parties to serve as the fact finder.

2. If the parties are unable to agree on an impartial fact finder or a panel of neutral arbitrators within 5 days, either party may request from the American Arbitration Association or the Federal Mediation and Conciliation Service a list of seven potential fact finders. If the parties are unable to agree upon which arbitration service should be used, the Federal Mediation and Conciliation Service must be used. Within 5 days after receiving a list from the applicable arbitration service, the parties shall select their fact finder from this list by alternately striking one name until the name of only one fact finder remains, who will be the fact finder to hear the dispute in question. The employee organization shall strike the first name.

3. The local government employer and employee organization each shall pay one-half of the cost of fact-finding. Each party shall pay its own costs of preparation and presentation of its case in fact-finding.

4. A schedule of dates and times for the hearing must be established within 10 days after the selection of the fact finder pursuant to subsection 2, and the fact finder shall report the findings and recommendations of the fact finder to the parties to the dispute within 30 days after the conclusion of the fact-finding hearing.

5. The parties to the dispute may agree, before the submission of the dispute to fact-finding, to make the findings and recommendations on all or any specified issues final and binding on the parties.

6. If the parties do not agree on whether to make the findings and recommendations of the fact finder final and binding, either party may request the formation of a panel to determine whether the findings and recommendations of a fact finder on all or any specified issues in a particular dispute which are within the scope of subsection 11 are to be final and binding. The determination must be made upon the concurrence of at least two members of the panel and not later than the date which is 30 days after the date on which the matter is submitted to the panel, unless that date is extended by the Commissioner of the Board. Each panel shall, when making its determination, consider whether the parties have bargained in good faith and whether it believes the parties can resolve any remaining issues. Any panel may also consider the actions taken by the parties in response to any previous fact-finding between these parties, the best interests of the State and all its citizens, the potential fiscal effect both within and outside the political subdivision, and any danger to the safety of the people of the State or a political subdivision.

7. Except as otherwise provided in subsection 10, any fact finder, whether the fact finder's recommendations are to be binding or not, shall base such recommendations or award on the following criteria:

(a) A preliminary determination must be made as to the financial ability of the local government employer based on all existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Once the fact finder has determined in accordance with paragraph (a) that there is a current financial ability to grant monetary benefits, and subject to the provisions of paragraph (c), the fact finder shall consider, to the extent appropriate, compensation of other government employees, both in and out of the State and use normal criteria for interest disputes regarding the terms and provisions to be included in an agreement in assessing the reasonableness of the position of each party as to each issue in dispute and the fact finder shall consider whether the Board found that either party had bargained in bad faith.

(c) A consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multiyear contract, the fact finder must consider the ability to pay over the life of the contract being negotiated or arbitrated.

➥ The fact finder's report must contain the facts upon which the fact finder based the fact finder's determination of financial ability to grant monetary benefits and the fact finder's recommendations or award.

8. Within 45 days after the receipt of the report from the fact finder, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:

(a) The issues of the parties submitted pursuant to subsection 3;

(b) The report of findings and recommendations of the fact finder; and

(c) The overall fiscal impact of the findings and recommendations, which must not include a discussion of the details of the report.

➥ The fact finder must not be asked to discuss the decision during the meeting.

9. The chief executive officer of the local government shall report to the local government the fiscal impact of the findings and recommendations. The report must include, without limitation, an analysis of the impact of the findings and recommendations on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

10. Any sum of money which is maintained in a fund whose balance is required by law to be:

(a) Used only for a specific purpose other than the payment of compensation to the bargaining unit affected; or

(b) Carried forward to the succeeding fiscal year in any designated amount, to the extent of that amount,

➥ must not be counted in determining the financial ability of a local government employer and must not be used to pay any monetary benefits recommended or awarded by the fact finder.

11. The issues which may be included in a panel's order pursuant to subsection 6 are:

(a) Those enumerated in subsection 2 of NRS 288.150 as the subjects of mandatory bargaining, unless precluded for that year by an existing collective bargaining agreement between the parties; and

(b) Those which an existing collective bargaining agreement between the parties makes subject to negotiation in that year.

➥ This subsection does not preclude the voluntary submission of other issues by the parties pursuant to subsection 5.

Sec. 9. NRS 288.215 is hereby amended to read as follows:

288.215 1. As used in this section ~~[:~~

~~(a) "Firefighters"]~~ ***, "firefighters"*** means those persons who are salaried employees of a fire prevention or suppression unit organized by a political subdivision of the State and whose principal duties are controlling and extinguishing fires.

2. The provisions of this section apply only to ~~[firefighters and police officers and their]~~ local government employers ~~[.]~~ ***and*** ~~***[only if a local government employer and an employee organization representing firefighters or police officers are]***~~ ***employee organizations representing:***

(a) Police officers; and

(b) If the local government employer is negotiating pursuant to this chapter ~~***[,]***~~ ***, firefighters.***

3. If the parties have not agreed to make the findings and recommendations of the fact finder final and binding upon all issues, and do not otherwise resolve their dispute, they shall, within 10 days after the fact finder's report is submitted, submit the issues remaining in dispute to an arbitrator who must be selected in the manner provided in NRS 288.200 and have the same powers provided for fact finders in NRS 288.210.

4. The arbitrator shall, within 10 days after the arbitrator is selected, and after 7 days' written notice is given to the parties, hold a hearing to receive information concerning the dispute. The hearings must be held in the county in which the local government employer is located and the arbitrator shall arrange for a full and complete record of the hearings.

5. At the hearing, or at any subsequent time to which the hearing may be adjourned, information may be presented by:

(a) The parties to the dispute; or

(b) Any interested person.

6. The parties to the dispute shall each pay one-half of the costs incurred by the arbitrator.

7. A determination of the financial ability of a local government employer must be based on:

(a) All existing available revenues as established by the local government employer and within the limitations set forth in NRS 354.6241, with due regard for the obligation of the local government employer to provide facilities and services guaranteeing the health, welfare and safety of the people residing within the political subdivision.

(b) Consideration of funding for the current year being negotiated. If the parties mutually agree to arbitrate a multi-year contract the arbitrator must consider the ability to pay over the life of the contract being negotiated or arbitrated.

➥ Once the arbitrator has determined in accordance with this subsection that there is a current financial ability to grant monetary benefits, the arbitrator shall consider, to the extent appropriate, compensation of other governmental employees, both in and out of this State.

8. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearings for a period of 3 weeks. An agreement by the parties is final and binding, and upon notification to the arbitrator, the arbitration terminates.

9. If the parties do not enter into negotiations or do not agree within 30 days, each of the parties shall submit a single written statement containing its final offer for each of the unresolved issues.

10. The arbitrator shall, within 10 days after the final offers are submitted, accept one of the written statements, on the basis of the criteria provided in NRS 288.200, and shall report the decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last contract.

11. The decision of the arbitrator must include a statement:

(a) Giving the arbitrator's reason for accepting the final offer that is the basis of the arbitrator's award; and

(b) Specifying the arbitrator's estimate of the total cost of the award.

12. Within 45 days after the receipt of the decision from the arbitrator pursuant to subsection 10, the governing body of the local government employer shall hold a public meeting in accordance with the provisions of chapter 241 of NRS. The meeting must include a discussion of:

(a) The issues submitted pursuant to subsection 3;

➥ The arbitrator must not be asked to discuss the decision during the meeting.

13. The chief executive officer of the local government shall report to the local government the fiscal impact of the decision. The report must include,

without limitation, an analysis of the impact of the decision on compensation and reimbursement, funding, benefits, hours, working conditions or other terms and conditions of employment.

6. At the recommendation of the arbitrator, the parties may, before the submission of a final offer, enter into negotiations. If the negotiations are begun, the arbitrator may adjourn the hearing for a period of 3 weeks. Sec. 12. NRS 386.595 is hereby amended to read as follows:

386.595 1. All employees of a charter school shall be deemed public employees.

2. The governing body of a charter school may make all decisions concerning the terms and conditions of employment with the charter school and any other matter relating to employment with the charter school. In addition, the governing body may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.

3. Upon the request of the governing body of a charter school, the board of trustees of a school district shall, with the permission of the licensed employee who is seeking employment with the charter school, transmit to the governing body a copy of the employment record of the employee that is maintained by the school district. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the

school district and any disciplinary action taken by the school district against the licensed employee.

4. Except as otherwise provided in this subsection, if the written charter of a charter school is revoked or a charter contract is terminated, as applicable, or if a charter school ceases to operate as a charter school, the licensed employees of the charter school must be reassigned to employment within the school district in accordance with ~~[the]~~ ***any*** applicable collective bargaining agreement. A school district is not required to reassign a licensed employee of a charter school pursuant to this subsection if the employee:

(a) Was not granted a leave of absence by the school district to accept employment at the charter school pursuant to subsection 5;

(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 5; or

(c) Does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school.

5. The board of trustees of a school district shall grant a leave of absence, not to exceed 3 years, to any licensed employee who is employed by the board of trustees who requests such a leave of absence to accept employment with a charter school. After the first school year in which a licensed employee is on a leave of absence, the employee may return to a comparable teaching position with the board of trustees. After the third school year, a licensed employee shall either submit a written request to return to a comparable teaching position or resign from the position for which the employee's leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the licensed employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees is not required to accept the return of the licensed employee if the employee does not comply with or is otherwise not eligible to return to employment pursuant to subsection 6, including, without limitation, the refusal of the licensed employee to allow the school district to obtain the employment record of the employee that is maintained by the charter school. The board of trustees may require that a request to return to a comparable teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. Upon the request of the board of trustees of a school district, the governing body of a charter school shall, with the permission of the licensed employee who is granted a leave of absence from the school district pursuant to this section, transmit to the school district a copy of the employment record of the employee that is maintained by the charter school before the return of the employee to employment with the school district pursuant to subsection 4 or 5. The employment record must include, without limitation, each evaluation of the licensed employee conducted by the charter school and any disciplinary

action taken by the charter school against the licensed employee. Before the return of the licensed employee, the board of trustees of the school district may conduct an investigation into any misconduct of the licensed employee during the leave of absence from the school district and take any appropriate disciplinary action as to the status of the person as an employee of the school district, including, without limitation:

(a) The dismissal of the employee from employment with the school district; or

(b) Upon the employee's return to employment with the school district, documentation of the disciplinary action taken against the employee into the employment record of the employee that is maintained by the school district.

7. If a school district conducts an investigation pursuant to subsection 6:

(a) The licensed employee is not entitled to return to employment with the school district until the investigation is complete; and

(b) The investigation must be conducted within a reasonable time.

8. A licensed employee who is on a leave of absence from a school district pursuant to this section:

(a) Shall contribute to and be eligible for all benefits for which the employee would otherwise be entitled, including, without limitation, participation in the Public Employees' Retirement System and accrual of time for the purposes of leave and retirement.

(b) Continues, while the employee is on leave, to be covered by the collective bargaining agreement of the school district ***, if any,*** only with respect to any matter relating to his or her status or employment with the district.

➥ The time during which such an employee is on a leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

9. Upon the return of a teacher to employment in the school district, the teacher is entitled to the same level of retirement, salary and any other benefits to which the teacher would otherwise be entitled if the teacher had not taken a leave of absence to teach in a charter school.

10. An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which the employee would be eligible for employment in a public school, including, without limitation, participation in the Public Employees' Retirement System.

11. For all employees of a charter school:

(a) The compensation that a teacher or other school employee would have received if he or she were employed by the school district must be used to determine the appropriate levels of contribution required of the employee and employer for purposes of the Public Employees' Retirement System.

(b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that the employee would have received if he or she were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

12. If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:

(a) Ensure that the premiums for that insurance are paid to the board of trustees; and

(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

(b) The teacher is assigned by the school district to provide classroom instruction during that school year.

➥ No increase in salary may be given pursuant to this subsection during a particular school year to a teacher who submits evidence of certification after January 31 of that school year. For the first school year that a teacher submits evidence of his or her current certification, the board of trustees of the school district to whom the evidence was submitted shall pay the increase in salary required by this subsection retroactively to the beginning of that school year. Once a teacher has submitted evidence of such certification to the school district, the school district shall retain the evidence in its records, as applicable, for future school years. An increase in salary given in accordance with this subsection is in addition to any other increase to which the teacher may otherwise be entitled.

3. Each year when determining the salary of a person who is employed by a school district as a speech pathologist, the school district shall add 5 percent to the salary that the employee would otherwise receive in 1 year for the employee's classification on the schedule of salaries for the school district if:

(1) Licensure as a speech pathologist by the Board of Examiners for Audiology and Speech Pathology; and

(2) Certification as being clinically competent in speech-language pathology by:

(I) The American Speech-Language-Hearing Association; or

(II) A successor organization to the American Speech-Language-Hearing Association that is recognized and determined to be acceptable by the Board of Examiners for Audiology and Speech Pathology; and

(b) The employee is assigned by the school district to serve as a speech pathologist during the school year.

➥ No increase in salary may be given pursuant to this subsection during a particular school year to an employee who submits evidence of licensure and certification after September 15 of that school year. Once an employee has submitted evidence of such licensure and certification to the school district, the school district shall retain the evidence in its records, as applicable, for future school years. An increase in salary given in accordance with this subsection is in addition to any other increase to which the employee may otherwise be entitled.

4. Each year when determining the salary of a person who is employed by a school district as a professional school library media specialist, the school district shall add 5 percent to the salary that the employee would otherwise receive in 1 year for the employee's classification on the schedule of salaries of the school district if:

(a) On or before September 15 of the school year, the employee has submitted evidence satisfactory to the school district of the employee's current certification as a professional school library media specialist issued by the National Board for Professional Teaching Standards; and

(b) The employee is assigned by the school district to serve as a professional school library media specialist during that school year.

➥ No increase in salary may be given pursuant to this subsection during a particular school year to an employee who submits evidence of certification after September 15 of that school year. Once an employee has submitted evidence of such certification to the school district, the school district shall retain the evidence in its records, as applicable, for future school years. An increase in salary given in accordance with this subsection is in addition to any other increase to which the employee may otherwise be entitled.

5. In determining the salary of a licensed teacher who is employed by a school district after the teacher has been employed by another school district in this State, the present employer shall, except as otherwise provided in subsection 8:

(a) Give the teacher the same credit for previous teaching service as the teacher was receiving from the teacher's former employer at the end of his or her former employment;

(b) Give the teacher credit for the teacher's final year of service with his or her former employer, if credit for that service is not included in credit given pursuant to paragraph (a); and

(c) Place the teacher on the schedule of salaries of the school district in a classification that is commensurate with the level of education acquired by the teacher, as set forth in ~~[the]~~ ***any*** applicable negotiated agreement with the present employer.

6. A school district may give the credit required by subsection 5 for previous teaching service earned in another state if the Commission has approved the standards for licensing teachers of that state. The Commission shall adopt regulations that establish the criteria by which the Commission will consider the standards for licensing teachers of other states for the purposes of this subsection. The criteria may include, without limitation, whether the Commission has authorized reciprocal licensure of educational personnel from the state under consideration.

7. In determining the salary of a licensed administrator, other than the superintendent of schools, who is employed by a school district after the administrator has been employed by another school district in this State, the present employer shall, except as otherwise provided in subsection 8:

(b) Permit a school district to deny a teacher or administrator credit for his or her previous teaching or administrative service on the ground that the service differs in kind from the teaching or administrative experience for which credit is otherwise given by the school district.

Except as otherwise provided in this subsection, if an employee takes a position with another school district or charter school, all sick leave that the employee has accumulated must be transferred from the employee's former school district or charter school to his or her new school district or charter school. (b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.

8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

9. If any subject referred to in this section is included in an agreement or contract negotiated by:

(a) The board of trustees of a school district pursuant to chapter 288 of NRS; or

(b) The governing body of a charter school pursuant to NRS 386.595,

SUMMARY— ~~[Revises provisions relating to certain criminal offenses involving vehicles.]~~ **Creates a statutory subcommittee of the Advisory Commission on the Administration of Justice.** (BDR ~~[43-243)]~~ **14-243)**

AN ACT relating to ~~[vehicles; providing that violations of certain traffic laws and ordinances must be treated as civil matters; providing that violations of certain laws relating to drivers' licenses, the registration of motor vehicles and insurance on motor vehicles must be treated as civil matters; establishing procedures for the imposition of civil penalties for violations of certain traffic laws and certain laws relating to vehicles;]~~ **the criminal justice system; creating a statutory subcommittee of the Advisory Commission on the Administration of Justice; revising the duties of the Advisory Commission to include the evaluation of certain laws relating to traffic laws and certain laws relating to motor vehicles;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides that a violation of any traffic law or ordinance is a misdemeanor, unless a different penalty is prescribed by a different statute. (NRS 484A.900) Existing law further provides that a county or an incorporated city may enact ordinances imposing civil penalties for violations of certain ordinances enacted by the county or incorporated city. (NRS 244.3575, 268.019) Sections 12-23 and 39 of this bill enact provisions based on Arizona law to provide for the imposition of civil penalties rather than criminal penalties for violations of certain traffic laws and ordinances. Under sections 19 and 39: (1) the maximum civil penalty that may be imposed for a violation of a traffic law or ordinance punishable by a civil penalty is $250, unless a different amount is specified by statute; and (2) the judgment imposing the civil penalty must include the administrative assessments currently imposed for violations of traffic laws and ordinances.~~

~~Existing law provides that any violation of state law regarding drivers' licenses or the registration of motor vehicles is a misdemeanor, unless a statute specifies a different penalty. (NRS 482.555, 483.620) Sections 1-4, 9 and 10 of this bill enact provisions based on Arizona law to provide that a person who: (1) operates, or knowingly permits the operation of, a motor vehicle in this State without current registration and license plates is subject to a civil penalty~~

~~rather than the penalty for a misdemeanor; (2) fails to register his or her motor vehicle in this State within a certain period after becoming a resident of this State is subject to a civil penalty in the same amount as the criminal fine provided under existing law; or (3) does not obtain a driver's license in this State within a certain period after becoming a resident or drives a motor vehicle in this State without being the holder of a valid driver's license is subject to a civil penalty of not more than $250 rather than the penalty for a misdemeanor, except that a person who drives a motor vehicle in this State when the person is disqualified from driving is guilty of a misdemeanor.~~

~~Existing law provides that a person commits a misdemeanor if he or she: (1) operates a motor vehicle registered or required to be registered in this State without having insurance; (2) operates, or knowingly permits the operation of, the motor vehicle without evidence of insurance in the vehicle; or (3) fails or refuses to surrender, upon demand, to a peace officer or an authorized representative of the Department of Motor Vehicles the evidence of insurance. (NRS 485.187) Section 37 of this bill enacts provisions based on Arizona law to provide that a person who commits these violations is subject to a civil penalty in the same amount as the criminal fine imposed under current law.~~

~~Existing law provides that it is unlawful for a person to violate a written promise to appear given to a peace officer upon the issuance of a traffic citation and that a warrant may issue upon a violation of a written promise to appear. (NRS 484A.670) Sections 18, 25 and 27 of this bill provide that a person who violates a written promise to appear given upon the issuance of a citation for a violation that is punishable by a civil penalty must have a judgment for the civil penalty entered against him or her and that a warrant must not be issued for the failure to appear. Sections 7 and 22 of this bill provide for the suspension of the driver's license of a person who fails to pay a civil penalty within the time prescribed by law.~~

~~Sections 5, 6 and 8 of this bill provide that, for the purposes of maintaining a person's driving record, the imposition of a civil penalty for a traffic violation is treated the same as a conviction for a traffic offense under existing law.~~

~~Sections 25, 26, 31 and 33-36 of this bill maintain the designation of certain traffic offenses as misdemeanors. Section 32 of this bill provides that a person who commits certain civil traffic violations in a road construction zone is subject to an additional civil penalty.~~

~~Sections 40-42 of this bill enact provisions to govern the jurisdiction and disposition of civil violations committed by juveniles.~~**]**

Section 47 of this bill creates the Subcommittee on Criminal and Civil Violations of Traffic Laws of the Advisory Commission on the Administration of Justice. Section 47 also: (1) requires the Chair of the Advisory Commission to appoint the members of the Subcommittee; (2) requires the Subcommittee to study issues relating to certain traffic laws and laws relating to drivers' licenses and to the registration of and insurance for motor vehicles, and the treatment of violations of such laws

as criminal offenses or civil infractions; and (3) sets forth the salaries and per diem that members of the Subcommittee may receive.

Existing law directs the Advisory Commission to study certain elements of this State's criminal justice system. (NRS 176.0125) Section 49 of this bill requires the Advisory Commission to evaluate certain laws relating to criminal violations of traffic laws and laws relating to drivers' licenses and to the registration of and insurance for motor vehicles, and whether the State may treat such violations as civil matters.

AN ACT relating to public administrators; setting forth certain qualifications for deputy public administrators; ~~[requiring a public administrator to obtain permission from the board of county commissioners before transporting certain property outside of the county; requiring a public administrator to submit an independent audit report on an annual basis to the board of county commissioners;]~~ **authorizing the board of county commissioners in smaller counties to impose certain duties on the public administrators of the county; authorizing a board of county commissioners to take certain action concerning complaints received by the board against the public administrator;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a public administrator to meet certain qualifications for office. (NRS 253.010) Existing law also authorizes a public administrator to appoint as many deputy public administrators as he or she deems necessary and authorizes a deputy public administrator to perform all duties required of the public administrator. (NRS 253.025) **Section 1** of this bill requires a deputy public administrator, like a public administrator, to: (1) be a qualified elector of the county; (2) be 21 years of age or older; (3) not have been convicted of a felony for which his or her civil rights have not been restored by a court of competent jurisdiction; and (4) not have been found liable in a civil action involving fraud, misrepresentation, material omission, misappropriation, theft or conversion.

Existing law authorizes a public administrator, without procuring letters of administration and upon filing with the court an affidavit of his or her right to do so, to administer an estate in which the gross value of the decedent's property does not exceed $20,000. (NRS 253.0403) Section 1.5 of this bill increases this threshold amount to $25,000.

Existing law sets forth the duties of a public administrator in administering the estate of an intestate decedent. (NRS 253.0415) **Section 2** of this bill ~~[requires a]~~ **authorizes the board of county commissioners, in a county whose population is less than 100,000, to require by ordinance, the** public administrator ~~[that]~~ **, if he or she** has been made an administrator of the estate of an intestate decedent **who resides in the county,** to **notify or** obtain permission from the board ~~[of county commissioners of the county of residence of the decedent]~~ before taking any property belonging to the decedent out of the county.

Existing law authorizes a board of county commissioners to investigate any complaint received by the board against the public administrator. (NRS 253.091) **Section 3** of this bill authorizes the board to take any appropriate action that it deems is necessary to resolve such a complaint. **Section 3** also ~~[requires]~~ **authorizes the board of county commissioners, in a county whose population is less than 100,000, to require, by ordinance,** a public administrator to submit an independent audit report to the board on an annual basis, which covers the records and office of the public administrator.

Section 1. NRS 253.025 is hereby amended to read as follows:

253.025 1. A public administrator may appoint as many deputies as the public administrator deems necessary to perform fully the duties of his or her office. A deputy so appointed may perform all duties required of the public administrator and has the corresponding powers and responsibilities. The appointment of a deputy must not be construed to confer upon that deputy policymaking authority for the office of the county public administrator or the county by which the deputy is employed.

2. Each appointment must be in writing and recorded with the oath of office of that deputy in the office of the county recorder. Any revocation or resignation of an appointment must be recorded in the office of the county recorder.

(b) Fails to give notice to heirs or next of kin as required by subsection 3, any money or property the affiant holds or distributes to others shall be deemed to be held in trust for those heirs and next of kin who did not receive notice and have an interest in the property.

5. A person who receives an affidavit containing the information required by subsection 2 is entitled to rely upon such information, and if the person relies in good faith, he or she is immune from civil liability for actions based on that reliance.

6. Upon receiving proof of the death of the decedent, an affidavit containing the information required by this section and the written approval of the public administrator to do so:

Assembly Bill No. 306.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 394.

AN ACT relating to public health; requiring ~~[an employer]~~ **certain employers** to provide a reasonable break time and a clean, private place for an employee who is a nursing mother to express breast milk; prohibiting an employer from retaliating against an employee for certain actions relating to this requirement; ~~[creating a right of action for]~~ **authorizing** a public employee who is aggrieved by her employer's failure to comply with this requirement or by such retaliation by the employer ~~[.]~~ **to file a complaint;** exempting certain small employers from this requirement if compliance would cause an undue hardship; authorizing a local board of health to establish a program to mediate disputes concerning a violation of this requirement; authorizing the Labor Commissioner to enforce the requirement against private employers; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each employer to provide employees with certain meal and rest periods, with certain exceptions. (NRS 608.019) Existing law gives the Labor Commissioner the authority to prosecute violations of this requirement and provides that an employer who violates this requirement is guilty of a misdemeanor and subject to a civil penalty of $5,000 per violation. (NRS 608.180, 608.195) Existing federal law requires an employer to provide a reasonable break time and a private place for certain employees to express breast milk for a nursing child for 1 year after the child's birth. (29 U.S.C. § 207) **Sections 2 and 3** of this bill similarly require each public and private employer in this State **, except for the Department of Corrections,** to provide reasonable break time and a clean, private place for an employee who is a nursing mother to express breast milk. Such break time may be with or without compensation. Additionally, **sections 2 and 3** prohibit **such** an employer from retaliating against an employee who: (1) takes the provided break time or uses the designated place to express breast milk; or (2) takes any action to enforce the requirement that the employer provide such a time and place. Finally, **section 3** relieves a private employer of fewer than ~~[25]~~ **50** persons from the duty to provide such accommodations if doing so would cause undue hardship to the employer.

Section 1 of this bill authorizes a local board of health to establish a program of voluntary mediation to resolve disputes concerning a violation of the

requirement that each employer provide break time and a place for an employee to express breast milk. **Section 2** ~~[creates a right of action for]~~ **authorizes** a public employee **to file a complaint** against a public employer who fails to meet the requirement to provide break time and a place for the employee to express breast milk**.** ~~[and provides that an officer or agent of a public employer who violates this requirement is guilty of a misdemeanor.]~~ **Section 4** of this bill authorizes the Labor Commissioner to enforce the requirement against private employers. **Section 5** of this bill provides that a private employer who violates this requirement is guilty of a misdemeanor and is subject to a civil penalty of $5,000 per violation.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 491.

AN ACT relating to the Public Employees' Retirement System; ~~[revising provisions governing the minimum age at which a person who becomes a member of the System on or after July 1, 2016, may retire and receive an unreduced benefit;]~~ revising provisions governing the calculation of the average compensation of a person who becomes a member of the System on or after July 1, 2016; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law provides that a person who becomes a member of the Public Employees' Retirement System, other than a police officer or firefighter, on or after January 1, 2010, is eligible to retire at age 65 if the member has at least 5~~

~~years of service, at age 60 if the member has at least 10 years of service and at any age if the member has at least 30 years of service. Existing law further provides that a police officer or firefighter who becomes a member of the System on or after January 1, 2010, is eligible to retire at age 65 if the police officer or firefighter has at least 5 years of service, at age 60 if the police officer or firefighter has at least 10 years of service, at age 50 if the police officer or firefighter has at least 20 years of service and at any age if the police officer or firefighter has at least 25 years of service. (NRS 286.510) Section 1 of this bill requires the Public Employees' Retirement Board to establish, by regulation, the age at which a person who becomes a member of the System, other than a police officer or firefighter, on or after July 1, 2016, is eligible to retire and receive an unreduced benefit. The age must be equal to the full retirement age of the member under the Social Security Act. Section 1 also requires the Board to establish the age at which a police officer or firefighter who becomes a member of the System on or after July 1, 2016, is eligible to retire and receive an unreduced benefit. The age must be 10 years less than the full retirement age of the police officer or firefighter under the Social Security Act.]~~

Existing law provides that for a person who becomes a member of the Public Employees' Retirement System on or after January 1, 2010, the member's monthly service retirement allowance must be determined by multiplying the member's average compensation by 2.5 percent for each year of service earned. With certain limitations, the determination of the member's average compensation is based on an average of the member's 36 consecutive months of highest compensation. (NRS 286.551) **Section 2** of this bill provides that for a person who becomes a member of the System on or after July 1, 2016, the determination of the member's average compensation must be based on an average of the member's 60 consecutive months of highest compensation.

Assembly Bill No. 324.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 500.

AN ACT relating to child welfare; revising provisions concerning required requests for the credit report of a child in the custody of an agency which provides child welfare services; revising provisions concerning missing and runaway children; requiring an agency which provides child welfare services that receives information concerning a missing child in the custody of the agency to report such information to a law enforcement agency; requiring the Division of Child and Family Services of the Department of Health and Human Services to adopt certain procedures concerning children who have run away from a foster home; revising requirements concerning permanency hearings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law that becomes effective on September 29, 2015, requires each child in foster care under the responsibility of the State who is at least 14 years of age to receive a copy of his or her credit report each year until the child is discharged from care. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 113) **Section 1** of this bill lowers the age of a child for whom an agency which provides child welfare services is required to obtain a credit report under state law from 16 years of age to 14 years of age to conform to this federal requirement.

Existing state law requires a law enforcement agency to request certain identifying information from the parent or guardian of a missing child who is less than 16 years of age or has not been located within 30 days after being reported missing. (NRS 432.200) Existing law also requires a law enforcement agency that receives and verifies a report of a missing child, other than a child who has run away, to immediately transmit the report to the program established by the Attorney General to coordinate activities and information in this State concerning missing or exploited children. (NRS 432.205) **Sections 2 and 3** of this bill instead require a law enforcement agency to request such information and transmit such a report for any child who has been reported missing.

Existing federal law requires a state agency that receives information concerning a missing or abducted child who has been placed in the custody of the agency to report the information immediately to the National Center for Missing and Exploited Children and the National Crime Information Center database established by the Federal Bureau of Investigation. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 104) **Section 4** of this bill includes this requirement in state law.

Existing federal law requires a state to develop and carry out specific protocols concerning children who have run away from foster care in order to receive certain federal funds. (42 U.S.C. § 671(a)(35)) **Section 5** of this bill requires the Division of Child and Family Services of the Department of Health and Human Services to adopt regulations to implement such protocols.

Existing federal law that becomes effective on September 29, 2015, prohibits the placement of a child who is under 16 years of age in a permanent placement other than with the parent of the child, the adoption of the child or

referral of the child for legal guardianship. (Preventing Sex Trafficking and Strengthening Families Act, Pub. L. No. 113-183, § 112) **Section 6** of this bill authorizes an agency which provides child welfare services that has custody of a child who is 16 years of age or older to present evidence at a permanency hearing that there is a compelling reason for placing such a child in a different permanent living arrangement.

Existing federal law requires a judge at a permanency hearing to: (1) ask the child about his or her desired permanency outcome; (2) if the judge determines that another permanency outcome is better for the child, to explain why; and (3) if the judge determines that it is not in the best interests of the child to return home, be placed for adoption or be placed with a legal guardian or relative, provide compelling reasons for that determination. (42 U.S.C. § 675a(a)(2)) Existing state law requires a judge at a permanency hearing to prepare an explicit statement of the facts upon which he or she based his or her determination regarding the best interests of the child. **Section 6** revises this requirement to meet the federal requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432.0395 is hereby amended to read as follows:

Sec. 2. NRS 432.200 is hereby amended to read as follows:

4. The parent or guardian of a child reported as missing shall promptly notify the appropriate law enforcement agency if the child is found or returned. The law enforcement agency shall then transmit that fact to the National Crime Information Center and the Clearinghouse.

Sec. 3. NRS 432.205 is hereby amended to read as follows:

ASSEMBLYMEN SPRINKLE, KIRKPATRICK~~[.]~~ **, SEAMAN;** AND O'NEILL.

AN ACT relating to private professional guardians; requiring licensing for persons engaged in the business of a private professional guardian; establishing the requirements for the licensing and operation of a private professional guardian company; **amending provisions related to the appointment of a private professional guardian;** providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the court appointment of a private professional guardian to act as a fiduciary for a person or estate, but does not require the private professional guardian to be licensed. (NRS 159.0595) This bill requires the licensing of persons engaging in the business of a private professional guardian and authorizes the Commissioner of Financial Institutions to adopt regulations relating to the licensing of those persons.

Sections 15-17 of this bill make it unlawful for a person to act as a private professional guardian without being licensed. **Sections 18-26** of this bill establish the requirements and application process to obtain a license to transact the business of a private professional guardian. **Section 28** of this bill sets forth requirements relating to the change of ownership or transfer of assets of a private professional guardian company. **Section 29** of this bill establishes the process for the renewal of a license. **Section 30** of this bill establishes the process for surrender of a license.

Section 31 of this bill requires a licensee to keep a principal office in this State. **Section 32** of this bill establishes procedures for the Commissioner to approve an out-of-state office of a private professional guardian company. **Section 33** of this bill requires a licensee to maintain certain types and levels of bonds and insurance.

Section 35 of this bill establishes the rights and authority of a licensee. **Section 36** of this bill prohibits certain activities by a licensee. **Sections 37-41** of this bill establish requirements for accounting, reporting and auditing of a private professional guardian company and authorize the Commissioner or a designee to inspect certain records of a private professional guardian company.

Sections 42-46 of this bill establish procedures for the Commissioner to take administrative action against licensees. **Sections 47 and 48** of this bill establish procedures for handling a complaint against a private professional guardian company. **Sections 49 and 50** of this bill provide administrative and criminal penalties for violating certain provisions of this bill.

Existing law requires that, subject to certain exceptions, a person must be a resident of this State to be appointed as guardian for a ward. (NRS 159.059) Sections 50.5 and 51.5 of this bill provide that a relative

who is not located in this State must be given preference for appointment as guardian over a private professional guardian, if the relative is willing to serve and is otherwise determined to be qualified and suitable, and may be appointed if no other suitable person exists.
