Assemblyman Gardner moved the adoption of the amendment.

Remarks by Assemblymen Gardner, Thompson, Hickey, and Stewart.

ASSEMBLYMAN GARDNER:

This last amendment did two things. We fixed a potential issue with bonding. I have a letter here from Brenda Erdoes that I will read into the record: "With the changes to Assembly Bill 394, we are removing the concerns raised regarding bonding in the letter submitted by Sherman and Howard dated May 21, 2015. The primary concerns raised by the letter with respect to the bonding issues in section 27 of the bill and the advisory study, which was created in the bill because of the proposed amendment to the first reprint, removed section 27 as well as all the provisions related to the advisory committee. The questions raised by the letter are no longer applicable." That was from our counsel, Brenda Erdoes. So it fixed that part of it.

It also said that now the Legislative Commission will approve the regulations from the Department of Education that will allow this plan to go forward. I ask for your support.

ASSEMBLYMAN THOMPSON:

I just have a few questions for my colleague. Why are we not doing a feasibility study on this before jumping into an implementation plan? It seems like the things we do in this institution, especially of this magnitude, always include a study. We come back and see if it is feasible and then we develop a plan.

ASSEMBLYMAN GARDNER:

Thank you for the question. This actually will call for a study. The study will go through the ability to do this. We will be hiring a third-party researcher who has done deconsolidations and who will be able to inform us how to do it through best practices. That would be part of the study that is part of this plan.

ASSEMBLYMAN THOMPSON:

I see "plan" written throughout the entire amendment. Secondly, can you give us examples of like-built communities that have succeeded in these types of efforts? Where have they done this and done this successfully? Where have they ensured that it does not become the haves and the have-nots, that it is as equitable as possible?

ASSEMBLYMAN GARDNER:

This exact format? No, I would not be able to give you an example of that because part of this is a hybrid that I have worked out with the Brookings Institution and some other think tanks down in Las Vegas. We have debated how to make it the most equitable. Part of this is our hybrid version of some other precincts for that exact reason: to make it as equitable as possible. That is the reason why it is going to be the precincts under the Clark County School District instead of breaking it up because of the issues we have had in other states, such as Utah. They broke up the school districts and the local funding was what created the haves and have-nots. Whoever has the Strip down in Las Vegas would have the most funding because they pay the property taxes. The way we are going to be doing that is making sure that the funding is equal throughout the entire Clark County. That is why our plan is kind of a hybrid of regular ones. We are going to be breaking it up, but the funding will stay exactly the same on a per-pupil basis.

ASSEMBLYMAN HICKEY:

I would like to see us go forward with this amendment and with this discussion. I think the question brought by our colleague about a feasibility study is a valid and a practical concern. The

fact of the matter is, this issue has not only been studied, it has been discussed and in many respects, the discussion has been requested for a long time. While I am not from the south, I think all of us in this body would benefit from seeing this process go forward. I think adding another layer of discretion for this body through the Legislative Commission will ensure that if it is feasible, it will be done in the most thoughtful of ways—in this body, in a bipartisan or even a partisan way, whatever would be the desire. The Legislative Commission is somewhat beyond that, and I think in that regard we could trust their input to this. I hope that we will not only support this amendment but the bill. Give it an opportunity, whether it is really able to go forward in the ways envisioned now. I think it is something that for the sake of our school system in Nevada is worthy of consideration.

ASSEMBLYMAN STEWART:

To my colleague from District 9, could you clarify again exactly what the Legislative Commission will approve?

ASSEMBLYMAN GARDNER:

Thank you for the question, my colleague from the double deuce. We are trying to get the Legislative Commission to approve the plan, but we were told by Brenda Erdoes that we could not do that directly. It is a constitutional issue. The idea was to have the State Board of Education implement regulations to allow the plan to go forward. The plan would not be allowed to go forward until it had been approved by the Legislative Commission. That way, the Legislative Commission would have a veto on this if it went squirrely or there were any issues with it.

GENERAL FILE AND THIRD READING

Assembly Bill No. 394.

Bill read third time.

Remarks by Assemblymen Gardner and Silberkraus.

ASSEMBLYMAN GARDNER:

Assembly Bill 394 creates an advisory committee and a technical advisory committee to develop a plan for the reorganization of the Clark County School District into school precincts and provides for the membership and duties of each committee. The advisory committee, in consultation with the technical advisory committee, is authorized to enter into a contract with a consultant to perform a study and assist the advisory committee with developing the plan. Upon the completion of the plan, the Board of Commissioners of Clark County is required to conduct at

least six public meetings to receive public comment concerning the plan. The committee must file the final plan with the Board of Trustees of the Clark County School District and submit copies to the Superintendent of Public Instruction and the Director of the Legislative Counsel Bureau as well as filing with the State Board of Education. Once it is sent to the State Board of Education, the Board will implement the plan through regulations. Those regulations would then have to be approved by the Legislative Commission before it could go forward. This plan must be implemented before the 2018-2019 school year.

This has been something I have worked on for probably five-plus months, and I have been very thankful for the Minority Leader as well as many people in my caucus and her caucus. I believe we have come to something that we can all agree on, or at least we have knocked out most of the main issues. We have worked a lot of hours on this. I ask you for your support.

ASSEMBLYMAN SILBERKRAUS:

I rise in strong support of Assembly Bill 394. I would just like to take a moment to thank the Assemblyman to my right for his hard work and dedication over the last several months to work with all parties to come up with the best piece of legislation for the future of our children.

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 172.

The following Senate amendment was read:

Amendment No. 763.

AN ACT relating to public works; raising the estimated thresholds at or above which prevailing wage requirements apply to certain public work construction projects; increasing the amount of a preference in bidding on certain public works given to contractors and certain other persons who meet certain eligibility requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, any contract for a public work whose cost is $100,000 or more is subject to the prevailing wage requirements. (NRS 338.080) The prevailing wage requirements also apply if a redevelopment agency provides financial incentives to the developer with a value of more than $100,000. (NRS 279.500) **Sections 3 and 4** of this bill raise the threshold for the applicability of prevailing wage requirements from $100,000 to ~~[$350,000,]~~ **$500,000,** require this amount to be adjusted every 5 years for inflation, and also make a technical correction in **section 4** clarifying that if the relevant work will cost exactly ~~[$350,000,]~~ **$500,000,** the work is subject to the prevailing wage requirements.

Under existing law, a contractor, applicant to serve as a construction manager at risk or design-build team may qualify to receive a 5 percent

preference in bidding on certain contracts for public works if certain conditions, including the employment of a specified percentage of Nevada employees, are met. (NRS 338.1389, 338.147, 338.1693, 338.1725, 338.1727, 408.3886) **Sections 3.3, 3.5, 3.6, 3.7, 3.8 and 4.5** increase the amount of that preference in bidding to 7.5 percent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

~~[3.]~~ ***(c)*** Any contract for a public work whose cost is less than ~~[$100,000.~~ ~~*$350,000.]*~~ ***$500,000.*** A unit of the project must not be separated from the total project, even if that unit is to be completed at a later time, in order to lower the cost of the project below ~~[$100,000.~~ ~~*$350,000.]*~~ ***$500,000.***

2. The Labor Commissioner shall, on or before January 1, 2020, and every 5 years thereafter, adjust the amount set forth in paragraph (c) of subsection 1 to reflect inflation, as measured by the average percentage of increase or decrease in the Consumer Price Index for All Urban Consumers of the United States Department of Labor, Bureau of Labor Statistics, for the preceding 5 years. (2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to

the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes that were paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes that were paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the renewal of his or her contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public

8. If a contractor holds more than one contractor's license, the contractor must submit a separate application for each license pursuant to which the contractor wishes to qualify for a preference in bidding. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(a) Submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information; or

(b) Is found by the Board to have, within the preceding 5 years, materially breached a contract for a public work for which the cost exceeds $5,000,000, the contractor is not eligible to receive a preference in bidding on public works.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the public body to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the public body not later than 3 business days after the opening of the bids by the public body or its authorized representative.

14. If a public body receives a written objection pursuant to subsection 13, the public body shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss

the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the public body or its authorized representative may proceed to award the contract accordingly.

Sec. 3.5. NRS 338.147 is hereby amended to read as follows:

338.147 1. Except as otherwise provided in subsection 10 and NRS 338.143, 338.1442 and 338.1446, a local government or its authorized representative shall award a contract for a public work for which the estimated cost exceeds $250,000 to the contractor who submits the best bid.

2. Except as otherwise provided in subsection 10 or limited by subsection 11, the lowest bid that is:

(a) Submitted by a contractor who:

(1) Has been found to be a responsible and responsive contractor by the local government or its authorized representative;

(2) At the time the contractor submits his or her bid, provides a valid certificate of eligibility to receive a preference in bidding on public works issued to the contractor by the State Contractors' Board pursuant to subsection 3 or 4; and

(3) Within 2 hours after the completion of the opening of the bids by the local government or its authorized representative, submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117; and

(b) Not more than ~~[5]~~ ***7.5*** percent higher than the bid submitted by the lowest responsive and responsible bidder who:

(1) Does not provide, at the time he or she submits the bid, a valid certificate of eligibility to receive a preference in bidding on public works issued to him or her by the State Contractors' Board pursuant to subsection 3 or 4; or

(2) Does not submit, within 2 hours after the completion of the opening of the bids by the public body or its authorized representative, a signed affidavit certifying that he or she will comply with the requirements of paragraphs (a) to (d), inclusive, of subsection 1 of NRS 338.0117 for the duration of the contract,

➥ shall be deemed to be the best bid for the purposes of this section.

an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. A contractor who has received a certificate of eligibility to receive a preference in bidding on public works from the State Contractors' Board pursuant to subsection 3 or 4 shall, at the time for the renewal of his or her contractor's license pursuant to NRS 624.283, submit to the Board an affidavit from a certified public accountant setting forth that the contractor has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 3 or paragraph (a) of subsection 4, as applicable, to maintain eligibility to hold such a certificate.

7. A contractor who fails to submit an affidavit to the Board pursuant to subsection 6 ceases to be eligible to receive a preference in bidding on public works unless the contractor reapplies for and receives a certificate of eligibility pursuant to subsection 3 or 4, as applicable.

8. Upon issuance, the certificate of eligibility to receive a preference in bidding on public works becomes part of the contractor's license for which the contractor submitted the application.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(a) Submits false information to the Board regarding the required payment of taxes, the contractor is not eligible to receive a preference in bidding on public works for a period of 5 years after the date on which the Board becomes aware of the submission of the false information; or

(b) Is found by the Board to have, within the preceding 5 years, materially breached a contract for a public work for which the cost exceeds $5,000,000, the contractor is not eligible to receive a preference in bidding on public works.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the local government to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

(b) Be filed with the local government not later than 3 business days after the opening of the bids by the local government or its authorized representative.

14. If a local government receives a written objection pursuant to subsection 13, the local government shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the local government determines that the objection is not accompanied by the required proof or substantiating evidence, the local government shall dismiss the objection and the local government or its authorized representative may proceed immediately to award the contract. If the local government determines that the objection is accompanied by the required proof or substantiating evidence, the local government shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the local government or its authorized representative may proceed to award the contract accordingly.

Sec. 3.6. NRS 338.1693 is hereby amended to read as follows:

338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three but not more than seven members, a majority of whom must have experience in the construction industry, to rank the proposals submitted to the public body by evaluating the proposals as required pursuant to subsections 2 and 3.

2. The panel appointed pursuant to subsection 1 shall rank the proposals by:

(a) Verifying that each applicant satisfies the requirements of NRS 338.1691; and

(b) Evaluating and assigning a score to each of the proposals received by the public body based on the factors and relative weight assigned to each factor that the public body specified in the request for proposals.

3. When ranking the proposals, the panel appointed pursuant to subsection 1 shall assign a relative weight of ~~[5]~~ ***7.5*** percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of

subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

4. After the panel appointed pursuant to subsection 1 ranks the proposals, the public body or its authorized representative shall, except as otherwise provided in subsection 8, select at least the two but not more than the five applicants whose proposals received the highest scores for interviews.

5. The public body or its authorized representative may appoint a separate panel to interview and rank the applicants selected pursuant to subsection 4. If a separate panel is appointed pursuant to this subsection, the panel must consist of at least three but not more than seven members, a majority of whom must have experience in the construction industry.

6. During the interview process, the panel conducting the interview may require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. All presentations made at any interview conducted pursuant to this subsection or subsection 5 may be made only by key personnel employed by the applicant, as determined by the applicant, and the employees of the applicant who will be directly responsible for managing the preconstruction and construction of the public work.

7. After conducting such interviews, the panel that conducted the interviews shall rank the applicants by using a ranking process that is separate from the process used to rank the applicants pursuant to subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant. When ranking the applicants, the panel that conducted the interviews shall assign a relative weight of ~~[5]~~ ***7.5*** percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

8. If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.

9. Upon receipt of the final rankings of the applicants from the panel that conducted the interviews, the public body or its authorized representative shall

enter into negotiations with the most qualified applicant determined pursuant to the provisions of this section for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative and the most qualified applicant determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

10. The public body or its authorized representative shall make available to all applicants and the public the final rankings of the applicants, as determined by the panel that conducted the interviews, and shall provide, upon request, an explanation to any unsuccessful applicant of the reasons why the applicant was unsuccessful.

Sec. 3.7. NRS 338.1725 is hereby amended to read as follows:

338.1725 1. The public body shall select at least two but not more than four finalists from among the design-build teams that submitted preliminary proposals. If the public body does not receive at least two preliminary proposals from design-build teams that the public body determines to be qualified pursuant to this section and NRS 338.1721, the public body may not contract with a design-build team for the design and construction of the public work.

2. The public body shall select finalists pursuant to subsection 1 by:

(a) Verifying that each design-build team which submitted a preliminary proposal satisfies the requirements of NRS 338.1721;

(b) Conducting an evaluation of the qualifications of each design-build team that submitted a preliminary proposal, including, without limitation, an evaluation of:

(1) The professional qualifications and experience of the members of the design-build team;

(2) The performance history of the members of the design-build team concerning other recent, similar projects completed by those members, if any;

(3) The safety programs established and the safety records accumulated by the members of the design-build team; and

(4) The proposed plan of the design-build team to manage the design and construction of the public work that sets forth in detail the ability of the design-build team to design and construct the public work; and

(c) Except as otherwise provided in this paragraph, assigning, without limitation, a relative weight of ~~[5]~~ ***7.5*** percent to the possession of both a

certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this paragraph relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this paragraph do not apply insofar as their application would preclude or reduce federal assistance for that public work.

3. After the selection of finalists pursuant to this section, the public body shall make available to the public the results of the evaluations of preliminary proposals conducted pursuant to paragraph (b) of subsection 2 and identify which of the finalists, if any, received an assignment of ~~[5]~~ ***7.5*** percent pursuant to paragraph (c) of subsection 2.

Sec. 3.8. NRS 338.1727 is hereby amended to read as follows:

338.1727 1. After selecting the finalists pursuant to NRS 338.1725, the public body shall provide to each finalist a request for final proposals for the public work. The request for final proposals must:

(a) Set forth the factors that the public body will use to select a design-build team to design and construct the public work, including the relative weight to be assigned to each factor; and

(b) Set forth the date by which final proposals must be submitted to the public body.

2. If one or more of the finalists selected pursuant to NRS 338.1725 is disqualified or withdraws, the public body may select a design-build team from the remaining finalist or finalists.

3. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the public body shall assign, without limitation, a relative weight of ~~[5]~~ ***7.5*** percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team if the contractors submit signed affidavits that meet the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team, and a relative weight of at least 30 percent to the proposed cost of design and construction of the public work. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection relating to a preference in bidding on public works, or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that public work.

4. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly and be responsive to the criteria that the

public body will use to select a design-build team to design and construct the public work described in subsection 1. A design-build team that submits a final proposal which is not responsive shall not be awarded the contract and shall not be eligible for the partial reimbursement of costs provided for in subsection 7.

5. A final proposal is exempt from the requirements of NRS 338.141.

6. After receiving and evaluating the final proposals for the public work, the public body or its authorized representative shall enter into negotiations with the most qualified applicant, as determined pursuant to the criteria set forth pursuant to subsections 1 and 3, and award the design-build contract to the design-build team whose proposal is selected. If the public body or its authorized representative is unable to negotiate with the most qualified applicant a contract that is determined by the parties to be fair and reasonable, the public body may terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

7. If a public body selects a final proposal and awards a design-build contract pursuant to subsection 6, the public body shall:

(a) Partially reimburse the unsuccessful finalists if partial reimbursement was provided for in the request for preliminary proposals pursuant to paragraph (j) of subsection 2 of NRS 338.1723. The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.

(b) Make available to the public the results of the evaluation of final proposals that was conducted and the ranking of the design-build teams who submitted final proposals. The public body shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.

8. A contract awarded pursuant to this section:

(a) Must comply with the provisions of NRS 338.020 to 338.090, inclusive.

(b) Must specify:

(1) An amount that is the maximum amount that the public body will pay for the performance of all the work required by the contract, excluding any amount related to costs that may be incurred as a result of unexpected conditions or occurrences as authorized by the contract;

(2) An amount that is the maximum amount that the public body will pay for the performance of the professional services required by the contract; and

(3) A date by which performance of the work required by the contract must be completed.

(c) May set forth the terms by which the design-build team agrees to name the public body, at the cost of the public body, as an additional insured in an insurance policy held by the design-build team.

(d) Except as otherwise provided in paragraph (e), must not require the design professional to defend, indemnify or hold harmless the public body or the employees, officers or agents of that public body from any liability, damage, loss, claim, action or proceeding caused by the negligence, errors, omissions, recklessness or intentional misconduct of the employees, officers and agents of the public body.

(e) May require the design-build team to defend, indemnify and hold harmless the public body, and the employees, officers and agents of the public body from any liabilities, damages, losses, claims, actions or proceedings, including, without limitation, reasonable attorneys' fees, that are caused by the negligence, errors, omissions, recklessness or intentional misconduct of the design-build team or the employees or agents of the design-build team in the performance of the contract.

(f) Must require that the design-build team to whom a contract is awarded assume overall responsibility for ensuring that the design and construction of the public work is completed in a satisfactory manner.

9. Upon award of the design-build contract, the public body shall make available to the public copies of all preliminary and final proposals received.

Sec. 4. NRS 279.500 is hereby amended to read as follows:

279.500 1. The provisions of NRS 338.010 to 338.090, inclusive, apply to any contract for new construction, repair or reconstruction which is awarded on or after October 1, 1991, by an agency for work to be done in a project.

2. If an agency:

(a) Provides property for development at less than the fair market value of the property;

(b) Provides a loan to a small business pursuant to NRS 279.700 to 279.740, inclusive; or

(c) Provides financial incentives to a developer with a value of ~~[more than $100,000, *$350,000]*~~ ***$500,000*** ***or more,***

➥ regardless of whether the project is publicly or privately owned, the agency must provide in the loan agreement with the small business or the agreement with the developer, as applicable, that the development project is subject to the provisions of NRS 338.010 to 338.090, inclusive, to the same extent as if the agency had awarded the contract for the project. This subsection applies only to the project covered by the loan agreement between the agency and the small business or the agreement between the agency and the developer, as applicable. This subsection does not apply to future development of the property unless an additional loan, or additional financial incentives with a value of ~~[more than $100,000, *$350,000]*~~ ***$500,000*** ***or more,*** are provided to the small business or developer, as applicable.

3. The Labor Commissioner shall, on or before January 1, 2020, and every 5 years thereafter, adjust the amount set forth in paragraph (c) of subsection 2 to reflect inflation, as measured by the average percentage of increase or decrease in the Consumer Price Index for All Urban Consumers of the United States Department of Labor, Bureau of Labor Statistics, for

the preceding 5 years. The Labor Commissioner shall determine the amount of the increase or decrease required by this subsection and establish the adjusted amounts to take effect on January 1 of that year.

Sec. 4.5. NRS 408.3886 is hereby amended to read as follows:

408.3886 1. After selecting the finalists pursuant to NRS 408.3885, the Department shall provide to each finalist a request for final proposals for the project. The request for final proposals must:

(a) Set forth the factors that the Department will use to select a design-build team to design and construct the project, including the relative weight to be assigned to each factor; and

(b) Set forth the date by which final proposals must be submitted to the Department.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of ~~[5]~~ ***7.5*** percent to the design-build team's possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team, if the design-build team submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

3. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly, be responsive to the criteria that the Department will use to select a design-build team to design and construct the project described in subsection 1 and comply with the provisions of NRS 338.141.

4. After receiving the final proposals for the project, the Department shall:

(a) Select the most cost-effective and responsive final proposal, using the criteria set forth pursuant to subsections 1 and 2;

(b) Reject all the final proposals; or

(c) Request best and final offers from all finalists in accordance with subsection 5.

5. If the Department determines that no final proposal received is cost-effective or responsive and the Department further determines that requesting best and final offers pursuant to this subsection will likely result in the submission of a satisfactory offer, the Department may prepare and provide to each finalist a request for best and final offers for the project. In conjunction

with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:

(a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or

(b) Reject all the best and final offers.

6. If the Department selects a final proposal pursuant to paragraph (a) of subsection 4 or selects a best and final offer pursuant to paragraph (a) of subsection 5, the Department shall hold a public meeting to:

(a) Review and ratify the selection.

(b) Partially reimburse the unsuccessful finalists if partial reimbursement was provided for in the request for preliminary proposals pursuant to paragraph (f) of subsection 3 of NRS 408.3883. The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.

(c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.

7. A contract awarded pursuant to this section:

(a) Must comply with the provisions of NRS 338.020 to 338.090, inclusive; and

(b) Must specify:

(1) An amount that is the maximum amount that the Department will pay for the performance of all the work required by the contract, excluding any amount related to costs that may be incurred as a result of unexpected conditions or occurrences as authorized by the contract;

(2) An amount that is the maximum amount that the Department will pay for the performance of the professional services required by the contract; and

(3) A date by which performance of the work required by the contract must be completed.

8. A design-build team to whom a contract is awarded pursuant to this section shall:

(a) Assume overall responsibility for ensuring that the design and construction of the project is completed in a satisfactory manner; and

(b) Use the workforce of the prime contractor on the design-build team to construct at least 15 percent of the project.

Sec. 5. 1. The amendatory provisions of this act do not apply to a public work or other project of construction, repair or reconstruction that is awarded before July 1, 2015.

2. As used in this section, "public work" has the meaning ascribed to it in NRS 338.010.

Sec. 6. (Deleted by amendment.)

Sec. 7. This act becomes effective on July 1, 2015.

Assemblyman Ellison moved that the Assembly concur in the Senate Amendment No. 763 to Assembly Bill No. 172.

Remarks by Assemblymen Ellison and Wheeler.

ASSEMBLYMAN ELLISON:

The amendment, among other things, makes various changes to the calculations of the prevailing wage, repeals provisions of Senate Bill 119 from earlier in this session which exempt public works projects of the school districts and the Nevada System of Higher Education from the requirement to pay prevailing wages and instead provides that the Labor Commission must set the prevailing wages on the public works at 90 percent of the rate of the prevailing wages on other public works. The amendment also sets the prevailing wage threshold at $250,000 and removes the 2.5 percent increase in local bidder preference.

Apparently, this is something that both the union and nonunion folks worked on over on the Senate side.

ASSEMBLYMAN WHEELER:

I rise in great opposition to this amendment. This will undo all of the prevailing wage work that we did earlier in the session on S.B. 119. If you look at the actual numbers on this, with a 10 percent reduction in labor, this is only going to equate to, at most, about a 4 or 5 percent reduction in the overall project. Yet right after S.B. 119 was passed, we saw a bid out of West Wendover that was a full 10 percent off of the entire estimate and would obviously save the state quite a bit more money. That was exactly the point of what we did earlier in the session. I rise in strong opposition. Instead of building nine or ten schools in Clark County and the rest of the state and getting one free, now we can build nine and a half or ten and get one free? I do not think so. I think, ladies and gentlemen, we need to not adopt this amendment.

Motion carried by a constitutional majority.

The following Senate amendment was read:

Amendment No. 1056.

AN ACT relating to public works; **revising the manner in which the prevailing wage is determined; requiring the Labor Commissioner to determine the prevailing wage to be a certain percentage for certain public works of school districts and the Nevada System of Higher Education;** raising the estimated thresholds at or above which prevailing wage requirements apply to certain public work construction projects; ~~[increasing the amount of a preference in bidding on certain public works given to contractors and certain other persons who meet certain eligibility requirements;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that mechanics and workers employed on certain public works be paid at least the wage prevailing for the type of work that the mechanic or worker performs in the locale in which the public work

is located. (NRS 338.020) Section 2.3 of this bill prescribes the manner in which the Labor Commissioner must determine the prevailing wage for such a public work.

Senate Bill No. 119 of this legislative session exempted public works of school districts and the Nevada System of Higher Education from the requirement to pay prevailing wage. Section 6.7 of this bill repeals those provisions of Senate Bill No. 119, thereby making school districts and the Nevada System of Higher Education subject to that requirement. Section 2.3 of this bill provides that the Labor Commissioner must set the prevailing wage on these public works at 90 percent of the rate of prevailing wage on other public works.

Under existing law, any contract for a public work whose cost is $100,000 or more is subject to the prevailing wage requirements. (NRS 338.080) ~~[The prevailing wage requirements also apply if a redevelopment agency provides financial incentives to the developer with a value of more than $100,000. (NRS 279.500) Sections]~~ **Section 3** ~~[and 4]~~ of this bill ~~[raise]~~ **raises** the threshold for the applicability of prevailing wage requirements from $100,000 to ~~[$500,000, require this amount to be adjusted every 5 years for inflation, and also make a technical correction in section 4 clarifying that if the relevant work will cost exactly $500,000, the work is subject to the prevailing wage requirements.~~

~~Under existing law, a contractor, applicant to serve as a construction manager at risk or design-build team may qualify to receive a 5 percent preference in bidding on certain contracts for public works if certain conditions, including the employment of a specified percentage of Nevada employees, are met. (NRS 338.1389, 338.147, 338.1693, 338.1725, 338.1727, 408.3886) Sections 3.3, 3.5, 3.6, 3.7, 3.8 and 4.5 increase the amount of that preference in bidding to 7.5 percent.]~~ **$250,000. Section 3 also exempts charter schools from prevailing wage requirements.**

Section 5 of this bill provides that the amendatory provisions of this bill do not apply to a public work awarded before the effective date of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

(c) Where no such rate can be determined, the prevailing wage for a craft or type of work will be determined as the average rate of wages paid per hour based on the number of hours worked per rate, to that craft or type of work.

(d) The Labor Commissioner shall determine the prevailing wage to be 90 percent of the rate determined pursuant to paragraphs (a), (b) and (c) for:

Sec. 2.7. **NRS 338.075 is hereby amended to read as follows:**

Sec. 3.6. ~~[~~NRS 338.1693 is hereby amended to read as follows:

~~338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three but not more than seven members, a majority of whom must have experience in the construction industry, to rank the proposals submitted to the public body by evaluating the proposals as required pursuant to subsections 2 and 3.~~

~~2. The panel appointed pursuant to subsection 1 shall rank the proposals by:~~

~~(a) Verifying that each applicant satisfies the requirements of NRS 338.1691; and~~

~~(b) Evaluating and assigning a score to each of the proposals received by the public body based on the factors and relative weight assigned to each factor that the public body specified in the request for proposals.~~

~~3. When ranking the proposals, the panel appointed pursuant to subsection 1 shall assign a relative weight of [5] 7.5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.~~

~~4. After the panel appointed pursuant to subsection 1 ranks the proposals, the public body or its authorized representative shall, except as otherwise provided in subsection 8, select at least the two but not more than the five applicants whose proposals received the highest scores for interviews.~~

~~5. The public body or its authorized representative may appoint a separate panel to interview and rank the applicants selected pursuant to subsection 4. If a separate panel is appointed pursuant to this subsection, the panel must consist of at least three but not more than seven members, a majority of whom must have experience in the construction industry.~~

~~6. During the interview process, the panel conducting the interview may require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. All presentations made at any interview conducted pursuant to this subsection or subsection 5 may be made only by key personnel employed by the applicant, as determined by the applicant, and the employees of the applicant who will be directly responsible for managing the preconstruction and construction of the public work.~~

~~7. After conducting such interviews, the panel that conducted the interviews shall rank the applicants by using a ranking process that is separate from the process used to rank the applicants pursuant to subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant. When ranking the applicants, the panel that conducted the interviews shall assign a relative weight of [5] 7.5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of~~

~~the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.~~

~~8. If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.~~

~~9. Upon receipt of the final rankings of the applicants from the panel that conducted the interviews, the public body or its authorized representative shall enter into negotiations with the most qualified applicant determined pursuant to the provisions of this section for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative and the most qualified applicant determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.~~

~~10. The public body or its authorized representative shall make available to all applicants and the public the final rankings of the applicants, as determined by the panel that conducted the interviews, and shall provide, upon request, an explanation to any unsuccessful applicant of the reasons why the applicant was unsuccessful.~~ **(Deleted by amendment.)**

Sec. 3.7. ~~[NRS 338.1725 is hereby amended to read as follows:~~

~~338.1725 1. The public body shall select at least two but not more than four finalists from among the design-build teams that submitted preliminary proposals. If the public body does not receive at least two preliminary proposals from design-build teams that the public body determines to be qualified pursuant to this section and NRS 338.1721, the public body may not contract with a design-build team for the design and construction of the public work.~~

~~2. The public body shall select finalists pursuant to subsection 1 by:~~

~~(a) Verifying that each design-build team which submitted a preliminary proposal satisfies the requirements of NRS 338.1721;~~

~~(b) Conducting an evaluation of the qualifications of each design-build team that submitted a preliminary proposal, including, without limitation, an evaluation of:~~

~~(1) The professional qualifications and experience of the members of the design-build team;~~

~~(2) The performance history of the members of the design-build team concerning other recent, similar projects completed by those members, if any;~~

~~(3) The safety programs established and the safety records accumulated by the members of the design-build team; and~~

~~(4) The proposed plan of the design-build team to manage the design and construction of the public work that sets forth in detail the ability of the design-build team to design and construct the public work; and~~

~~(c) Except as otherwise provided in this paragraph, assigning, without limitation, a relative weight of **[**5**]** *7.5* percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team. ~~3. After the selection of finalists pursuant to this section, the public body shall make available to the public the results of the evaluations of preliminary proposals conducted pursuant to paragraph (b) of subsection 2 and identify which of the finalists, if any, received an assignment of **[**5**]** *7.5* percent pursuant to paragraph (c) of subsection 2.~~**] (Deleted by amendment.)**

Sec. 3.8. ~~**[**NRS 338.1727 is hereby amended to read as follows:~~

~~(a) Set forth the factors that the public body will use to select a design-build team to design and construct the public work, including the relative weight to be assigned to each factor; and~~

~~(b) Set forth the date by which final proposals must be submitted to the public body.~~

~~2. If one or more of the finalists selected pursuant to NRS 338.1725 is disqualified or withdraws, the public body may select a design-build team from the remaining finalist or finalists.~~

~~3. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the public body shall assign, without limitation, a relative weight of **[**5**]** 7.5 percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team if the contractors submit signed affidavits that meet the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team, and a relative weight of at least 30 percent to the proposed cost of design and construction of the public work. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount~~

~~of that assistance for a particular public work because of the provisions of this subsection relating to a preference in bidding on public works, or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that public work.~~

~~4. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly and be responsive to the criteria that the public body will use to select a design-build team to design and construct the public work described in subsection 1. A design-build team that submits a final proposal which is not responsive shall not be awarded the contract and shall not be eligible for the partial reimbursement of costs provided for in subsection 7.~~

~~5. A final proposal is exempt from the requirements of NRS 338.141.~~

~~6. After receiving and evaluating the final proposals for the public work, the public body or its authorized representative shall enter into negotiations with the most qualified applicant, as determined pursuant to the criteria set forth pursuant to subsections 1 and 3, and award the design-build contract to the design-build team whose proposal is selected. If the public body or its authorized representative is unable to negotiate with the most qualified applicant a contract that is determined by the parties to be fair and reasonable, the public body may terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.~~

~~7. If a public body selects a final proposal and awards a design-build contract pursuant to subsection 6, the public body shall:~~

~~(a) Partially reimburse the unsuccessful finalists if partial reimbursement was provided for in the request for preliminary proposals pursuant to paragraph (j) of subsection 2 of NRS 338.1723. The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.~~

~~(b) Make available to the public the results of the evaluation of final proposals that was conducted and the ranking of the design-build teams who submitted final proposals. The public body shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.~~

~~8. A contract awarded pursuant to this section:~~

~~(a) Must comply with the provisions of NRS 338.020 to 338.090, inclusive.~~

~~(b) Must specify:~~

~~(b) Set forth the date by which final proposals must be submitted to the Department.~~

~~2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of [5] *7.5* percent to the design-build team's possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team, if the design-build team submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. ~~(c) Request best and final offers from all finalists in accordance with subsection 5.~~

~~5. If the Department determines that no final proposal received is cost-effective or responsive and the Department further determines that requesting best and final offers pursuant to this subsection will likely result in the submission of a satisfactory offer, the Department may prepare and provide to each finalist a request for best and final offers for the project. In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:~~

~~(a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or~~

~~(b) Reject all the best and final offers.~~

Amendment No. CA4.

SUMMARY—Revises provisions governing the payment of **minimum wage and** compensation for overtime. (BDR 53-989)

AN ACT relating to employment; revising provisions governing the payment of **minimum wage and** compensation for overtime; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage which may be paid to an employee in private employment in this State. (NRS 608.250) Section 1.5 of this bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for each employee to which those regulations apply is $9 per hour if the employer of the employee does not offer health insurance for the employee.

The Fair Labor Standards Act of 1938 requires that compensation for overtime be paid to certain employees for hours worked in excess of 40 hours in any week of work. (29 U.S.C. § 207) Under existing Nevada law, certain employees, including certain classified employees of this State, certain employees of contractors working on public works projects and certain other employees of private employers, are entitled to compensation for overtime at a rate of 1 1/2 times an employee's regular wage rate for any hours worked in excess of 8 hours in any workday or in excess of 40 hours in any week of work. (NRS 284.180, 338.020, 608.018) **Sections 2-4** of this bill ~~[remove the]~~ **revise certain** provisions which require payment of compensation for overtime for hours worked in ~~[excess of 8 hours in any]~~ **a** workday**.** ~~[, while retaining the provisions which require payment of compensation for overtime for hours worked in excess of 40 hours in any week of work.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 1.5. **Chapter 608 of NRS is hereby amended by adding thereto a new section to read as follows:**

In adopting the regulations establishing the minimum wage which may be paid pursuant to NRS 608.250 and in accordance with Section 16 of Article 15 of the Nevada Constitution, the Labor Commissioner shall ensure that the minimum wage for each employee to which those regulations apply is at least $9 per hour if the employer does not offer health insurance for the employee.

Sec. 2. NRS 608.018 is hereby amended to read as follows:

608.018 1. ~~[An]~~ ***Except as otherwise provided in subsection 3, an*** employer shall pay 1 1/2 times an employee's regular wage rate whenever an employee who receives compensation for employment at a rate less than 1 1/2 times the minimum rate prescribed pursuant to NRS 608.250 works:

(a) More than 40 hours in any scheduled week of work; or

(b) More than ~~[8]~~ ***10*** hours in any ~~[workday unless by mutual agreement the employee works a scheduled 10 hours per day for 4 calendar days within any scheduled week of work.]~~ ***18-hour period.***

2. ~~[An]~~ ***Except as otherwise provided in subsection [2,] 3, an*** employer shall pay 1 1/2 times an employee's regular wage rate whenever an employee who receives compensation for employment at a rate not less than 1 1/2 times the minimum rate prescribed pursuant to NRS 608.250 works more than 40 hours in any scheduled week of work.

3. ~~*[2.]*~~ The provisions of subsections ~~*[subsection]*~~ 1 and 2 do not apply to:

(a) Employees who are not covered by the minimum wage provisions of NRS 608.250;

(b) Outside buyers;

(c) Employees in a retail or service business if their regular rate is more than 1 1/2 times the minimum wage, and more than half their compensation for a representative period comes from commissions on goods or services, with the representative period being, to the extent allowed pursuant to federal law, not less than 1 month;

(d) Employees who are employed in bona fide executive, administrative or professional capacities;

(e) Employees covered by collective bargaining agreements which provide otherwise for overtime;

(f) Drivers, drivers' helpers, loaders and mechanics for motor carriers subject to the Motor Carrier Act of 1935, as amended;

(g) Employees of a railroad;

(h) Employees of a carrier by air;

(i) Drivers or drivers' helpers making local deliveries and paid on a trip-rate basis or other delivery payment plan;

(j) Drivers of taxicabs or limousines;

(k) Agricultural employees;

(l) Employees of business enterprises having a gross sales volume of less than $250,000 per year;

(m) Any salesperson or mechanic primarily engaged in selling or servicing automobiles, trucks or farm equipment; and

(n) A mechanic or worker for any hours to which the provisions of subsection 3 **, ~~[~~or~~]~~** 4 ***or 5*** of NRS 338.020 apply.

Sec. 3. NRS 284.180 is hereby amended to read as follows:

284.180 1. The Legislature declares that since uniform salary and wage rates and classifications are necessary for an effective and efficient personnel system, the pay plan must set the official rates applicable to all positions in the classified service, but the establishment of the pay plan in no way limits the authority of the Legislature relative to budgeted appropriations for salary and wage expenditures.

2. Credit for overtime work directed or approved by the head of an agency or the representative of the head of the agency must be earned at the rate of time and one-half, except for those employees described in NRS 284.148.

3. Except as otherwise provided in subsections 4, 6 , 7 and 9, ~~[8,]~~ overtime is considered time worked in excess of :

(a) ~~[Eight hours in 1 calendar day;~~

~~(b) Eight~~**]** ***Ten*** hours in any ~~[16-hour]~~ ***18-hour*** period; or

~~[(c)]~~ ***(b)*** A ~~[w]~~ 40-hour week.

4. Firefighters who choose and are approved for a 24-hour shift shall be deemed to work an average of 56 hours per week and 2,912 hours per year, regardless of the actual number of hours worked or on paid leave during any biweekly pay period. A firefighter so assigned is entitled to receive 1/26 of the firefighter's annual salary for each biweekly pay period. In addition, overtime must be considered time worked in excess of:

(a) Twenty-four hours in one scheduled shift; or

(b) Fifty-three hours average per week during one work period for those hours worked or on paid leave.

➥ The appointing authority shall designate annually the length of the work period to be used in determining the work schedules for such firefighters. In addition to the regular amount paid such a firefighter for the deemed average of 56 hours per week, the firefighter is entitled to payment for the hours which comprise the difference between the 56-hour average and the overtime threshold of 53 hours average at a rate which will result in the equivalent of overtime payment for those hours.

5. The Commission shall adopt regulations to carry out the provisions of subsection 4.

6. For employees who choose and are approved for a variable workday, overtime will be considered only after working 40 hours in 1 week.

7. Employees who are eligible under the Fair Labor Standards Act of 1938, 29 U.S.C. §§ 201 et seq., to work a variable 80-hour work schedule within a biweekly pay period and who choose and are approved for such a work schedule will be considered eligible for overtime only after working 80 hours biweekly ~~[.]~~ , except those eligible employees who are approved for overtime in excess of one scheduled shift of 8 or more hours per day.

8. ~~[7.]~~ An agency may experiment with innovative workweeks upon the approval of the head of the agency and after majority consent of the affected

employees. The affected employees are eligible for overtime only after working 40 hours in a workweek.

9. ~~[8.]~~ This section does not supersede or conflict with existing contracts of employment for employees hired to work 24 hours a day in a home setting. Any future classification in which an employee will be required to work 24 hours a day in a home setting must be approved in advance by the Commission.

10. ~~[9.]~~ All overtime must be approved in advance by the appointing authority or the designee of the appointing authority. No officer or employee, other than a director of a department or the chair of a board, commission or similar body, may authorize overtime for himself or herself. The chair of a board, commission or similar body must approve in advance all overtime worked by members of the board, commission or similar body.

11. ~~[10.]~~ The Budget Division of the Department of Administration shall review all overtime worked by employees of the Executive Department to ensure that overtime is held to a minimum. The Budget Division shall report quarterly to the State Board of Examiners the amount of overtime worked in the quarter within the various agencies of the State.

12. ~~[11.]~~ A state employee is entitled to his or her normal rate of pay for working on a legal holiday unless the employee is entitled to payment for overtime pursuant to this section and the regulations adopted pursuant thereto. This payment is in addition to any payment provided for by regulation for a legal holiday.

Sec. 4. NRS 338.020 is hereby amended to read as follows:

338.020 1. Every contract to which a public body of this State is a party, requiring the employment of skilled mechanics, skilled workers, semiskilled mechanics, semiskilled workers or unskilled labor in the performance of public work, must contain in express terms the hourly and daily rate of wages to be paid each of the classes of mechanics and workers. The hourly and daily rate of wages must:

2. When public work is performed by day labor, the prevailing wage for each class of mechanics and workers so employed applies and must be stated clearly to such mechanics and workers when employed.

3. Except as otherwise provided in ~~[subsection]~~ ***subsections*** 4 ~~[,]~~ ***and 5,*** a contractor or subcontractor shall pay to a mechanic or worker employed by the contractor or subcontractor on the public work not less than one and one-half times the prevailing rate of wages applicable to the class of the mechanic or worker for each hour the mechanic or worker works on the public work in excess of :

(a) Forty ~~[40]~~ hours in any scheduled week of work by the mechanic or worker for the contractor or subcontractor, including, without limitation, hours

worked for the contractor or subcontractor on work other than the public work ~~[.]~~ ; or

(b) ~~[~~Eight~~]~~ ***Ten*** hours in any ~~[~~workday~~]~~ ***18-hour period*** that the mechanic or worker was employed by the contractor or subcontractor, including, without limitation, hours worked for the contractor or subcontractor on work other than the public work, unless by mutual agreement the mechanic or worker works a scheduled ***shift in excess of*** 10 hours ~~[~~per day for 4 calendar days~~]~~ ***in an 18-hour period*** within any scheduled week of work.

4. ***If a contractor or subcontractor and a mechanic or worker have entered into a mutual agreement described in paragraph (b) of subsection 3 and, through no fault of the contractor or subcontractor, the mechanic or worker does not complete a scheduled shift in excess of 10 hours in an 18-hour period within a scheduled week of work, the contractor or subcontractor:***

(a) May pay the mechanic or worker his or her regular rate of wages for the hours actually worked which do not exceed 40 hours within any scheduled week of work; and

(b) Shall pay the mechanic or worker not less than one and one-half times the prevailing rate of wages applicable to the class of the mechanic or worker for each hour that the mechanic or worker works on the public work in excess of 40 hours within any scheduled week of work.

5. The provisions of ~~[~~subsection~~]~~ ***subsections*** 3 ***and 4*** do not apply to a mechanic or worker who is covered by a collective bargaining agreement that provides for the payment of wages at not less than one and one-half times the rate of wages set forth in the collective bargaining agreement for work in excess of :

(a) Forty ~~*[40]*~~ hours in any scheduled week of work ~~[.]~~ ; or

(b) ~~[~~Eight~~]~~ ***Ten*** hours in any ~~[~~workday~~]~~ ***18-hour period*** unless the collective bargaining agreement provides that the mechanic or worker shall work a scheduled ***shift in excess of*** 10 hours ~~[~~per day for 4 calendar days~~]~~ ***in an 18-hour period*** within any scheduled week of work.

~~[5.]~~ ***6.*** The prevailing wage and any wages paid for overtime pursuant to subsection 3 ***,*** ~~[or]~~ 4 ***or 5*** to each class of mechanics or workers must be in accordance with the jurisdictional classes recognized in the locality where the work is performed.

~~[6.]~~ ***7.*** Nothing in this section prevents an employer who is signatory to a collective bargaining agreement from assigning such work in accordance with established practice.

Sec. 5. **NRS 444.300 is hereby amended to read as follows:**

444.300 Any person employed by a children's camp on a written contract basis for a specified term longer than 1 week is exempt from the provisions of NRS 608.250 to 608.290, inclusive, ***and section 1.5 of this act*** and chapter 609 of NRS relating to daily and weekly hours of labor only if such camp is operated by a nonprofit organization which is exempt from federal income tax under I.R.C. § 501.

Conference Amendment No. CA8.

AN ACT relating to motor carriers; revising provisions concerning an appeal of certain decisions of the Nevada Transportation Authority; revising provisions concerning an appeal of a final decision of the Taxicab Authority; **revising provisions relating to the regulation of taxicabs; transferring the authority to administer and collect certain excise taxes from the Nevada Transportation Authority and the Taxicab Authority to the Department of Taxation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, any person who is aggrieved by a final decision of the Nevada Transportation Authority in an administrative hearing is entitled to judicial review. (NRS 233B.130, 706.2885, 706.771, 706.775) **Section ~~1~~ 1.1** of this bill provides that any decision or action by the Nevada Transportation Authority which has the effect of substantially impairing, restricting or rescinding the ability or authorization of a fully regulated carrier to operate in this State or which refuses an applicant the ability or authorization to operate in this State as a fully regulated carrier is a final decision, and may be appealed directly to a court of competent jurisdiction for judicial review.

The Nevada Transportation Authority has regulatory authority over taxicab motor carriers in any county whose population is less than 700,000 (currently all counties except for Clark). (NRS 706.151, 706.881) In any county whose population is 700,000 or more (currently Clark County), the Taxicab Authority has regulatory authority over taxicab motor carriers. (NRS 706.881) Any person who is aggrieved by a final decision of the Taxicab Authority must appeal to the Nevada Transportation Authority. (NRS 706.8819) **Sections 3 and 8** of this bill provide that any person aggrieved by a final decision of the Taxicab Authority is entitled to judicial review, rather than requiring such a person to appeal to the Nevada Transportation Authority.

Existing law provides for the regulation of taxicabs by the Taxicab Authority in certain counties and the Nevada Transportation Authority in all other counties in this State. (Chapter 706 of NRS) Sections 1.5 and 1.7 of this bill allow, in areas regulated by the Taxicab Authority, for a person to operate a taxicab as an independent contractor in a similar manner as in areas regulated by the Nevada Transportation Authority. Sections 1.3 and 1.9 of this bill prohibit an employee of a person who holds a certificate of public convenience and necessity for the operation of a taxicab business from acting as a driver for a transportation network company during the same time the employee uses a taxicab provided by his or her employer or is paid to operate a taxicab for his or her employer. Sections 2.5, 7.7, 8.5, 8.7 and 8.9 of this bill allow a taxicab to use a device, method or system other than a taximeter to indicate and determine the passenger fare charged. Sections 3.5 and 8.3 of this bill revise provisions relating to the color and display of information on a taxicab. Section 5.5 of this bill eliminates a provision that allows the Nevada Transportation Authority to suspend the operation of a schedule or tariff and defer the

use of a rate, fare, charge, classification, regulation, discontinuance, modification, restriction or practice for 150 days while the relevant issue is being reviewed. Section 8.1 of this bill prohibits the Taxicab Authority from limiting the geographical area from which service is offered or provided by a taxicab.

Existing law provides for the collection by the Nevada Transportation Authority or the Taxicab Authority, as applicable, of an excise tax upon the connection of a passenger to a driver affiliated with a transportation network company, a common motor carrier of passengers or a taxicab in an amount of 3 percent of the fare charged to the passenger. (Sections 28, 51 and 52 of Assembly Bill No. 175 of the 2015 Session) Sections 9-38 and 40 of this bill provide for the transfer of the responsibility to administer and collect these excise taxes from the Nevada Transportation Authority and the Taxicab Authority to the Department of Taxation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 1.1 to 1.9, inclusive, of this act.**

6. The Administrator may reinspect the taximeter at any reasonable time.

7. ***A certificate holder shall, for each of the certificate holder's taxicabs which is equipped with a device, method or system to indicate and determine the passenger fare charged other than a taximeter, provide verification to the Administrator that the device, method or system adequately records fares and has an application or electronic means to plainly display to the passenger the rate and fare. Conference Amendment No. CA5.

SUMMARY—Revises provisions governing ~~[search warrants.]~~ **criminal procedure.** (BDR 14-159)

AN ACT relating to ~~[search warrants;]~~ **criminal procedure; defining certain terms relating to the interception of wire, electronic or oral communications;** authorizing the use of secure electronic transmission for the submission of an application and affidavit for, and the issuance by a magistrate of, a search warrant; **providing that the interception, listening or recording of a wire, electronic or oral communication by a peace officer or certain other persons is not unlawful in certain circumstances; authorizing the issuance of orders requiring a provider of electronic communication service to disclose the contents of a wire or electronic communication or a record or other information pertaining to a subscriber to, or customer of, such service in certain circumstances; providing immunity from liability to a provider of electronic communication service and associated persons for disclosing such information; revising certain existing definitions relating to the interception of wire or oral communications; authorizing the interception of electronic communications in certain circumstances; providing immunity from liability to a provider of electronic communication service, a public utility and associated persons for providing information or assistance concerning court-ordered interceptions of wire, electronic or oral communications; authorizing a judge to accept a facsimile or electronic copy of the signature of certain persons as part of an application for an order authorizing the interception**

of a wire, electronic or oral communication as an original signature; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a search warrant may only be issued: (1) pursuant to an affidavit or affidavits sworn to before a magistrate and establishing the grounds for issuing the warrant; or (2) in lieu of an affidavit, pursuant to an oral statement taken by a magistrate, given under oath and filed with the clerk of the court. (NRS 179.045) ~~[This]~~ **Section 9 of this** bill authorizes the use of secure electronic transmission for the submission of an application and affidavit for, and the issuance by a magistrate of, a search warrant.

Existing law authorizes the Attorney General or the district attorney of any county to apply to a Supreme Court justice or to a district judge in the county where the interception is to take place for an order authorizing the interception of wire or oral communications. The judge may grant an order authorizing such interception by certain investigative or law enforcement officers when the interception may provide evidence of the commission of certain crimes. (NRS 179.460) Section 18 of this bill additionally authorizes the Attorney General or the district attorney to apply for an order authorizing the interception of an electronic communication. Section 18 also provides that a provider of electronic communication service, a public utility and associated persons are immune from any liability relating to the interception of a wire, electronic or oral communication made pursuant to such a court order. Sections 11-14, 18-25 and 27 of this bill add a reference to an electronic communication to the provisions of existing law that reference wire or oral communications. Section 26 of this bill adds a reference to an electronic or oral communication to make the section consistent with the references to communications included in the federal statute cited therein.

Existing law also requires that each application for an order authorizing the interception of a wire or oral communication be made in writing upon oath or affirmation to a justice of the Supreme Court or district judge. (NRS 179.470) Section 20 of this bill authorizes the judge to accept a facsimile or electronic copy of the signature of any person required to give an oath or affirmation as part of an application for an order authorizing the interception of a wire, electronic or oral communication as an original signature to the application.

Section 7 of this bill provides that the interception, listening or recording of a wire, electronic or oral communication by a peace officer or certain other persons is not unlawful if the peace officer or person is intercepting the communication of a person who has: (1) barricaded himself or herself, resulting in an imminent risk of harm to the life of another person; (2) created a hostage situation; or (3) threatened the imminent illegal use of an explosive.

Section 8 of this bill authorizes the Nevada Supreme Court and the district courts of this State to issue orders requiring a provider of

electronic communication service to disclose the contents of a wire or electronic communication or a record or other information pertaining to a subscriber to, or customer of, such service upon the application of a district attorney or the Attorney General, or their deputies, supported by an affidavit of a peace officer under the circumstances and upon the conditions prescribed by federal law. Section 8 provides that a provider of electronic communication service and associated persons are immune from any liability relating to a disclosure made pursuant to such a court order. Sections 13, 17, 21 and 27 of this bill replace existing references to a communications common carrier with the term "provider of electronic communication service."

Sections 2-6 of this bill add new definitions of terms relating to the interception of wire, electronic or oral communications, and sections 13 and 15-17 of this bill revise certain existing definitions relating to the interception of wire or oral communications.

Conference Amendment No. CA6.

AN ACT relating to unclaimed property; exempting certain property due or owing from a business association to another business association from provisions governing the disposition of unclaimed property under certain circumstances; exempting certain intersection improvement proceeds from provisions governing the disposition of unclaimed property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the powers, duties and liabilities of the State and other persons concerning certain property which is abandoned and unclaimed by its owner. (Chapter 120A of NRS) Under existing law, property that is unclaimed by the apparent owner of the property for a certain period is presumed to be abandoned. (NRS 120A.500, 120A.510, 120A.520) A holder of property that is presumed to be abandoned must make a report concerning the property to the State Treasurer, acting as the Administrator of Unclaimed Property, and pay or deliver the property to the Administrator. (NRS 120A.560, 120A.570) The Administrator must deposit any money received as abandoned property and the proceeds of any sale of abandoned property in the Abandoned Property Trust Account. (NRS 120A.620) A person who claims property paid or delivered to the Administrator may file a claim for the property, and, if the Administrator approves the claim, the Administrator must deliver the property to the claimant or, if the property is money or the net proceeds of a sale of abandoned property, pay the claim from the Account. (NRS 120A.620, 120A.640) At the end of each fiscal year, the first $7.6 million of the balance remaining in the Account is transferred to the

Millennium Scholarship Trust Fund, and the remaining balance is transferred to the State General Fund, subject to any valid claims. (NRS 120A.620)

Section 1 of this bill provides that certain amounts due or owing from a holder that is a business association to another business association must not be presumed abandoned if the holder and the other business association have an ongoing business relationship. Because these amounts must not be presumed abandoned, the provisions of existing law governing unclaimed property would not apply to those amounts. Under **section 2** of this bill, the provisions of **section 1** apply to the amounts due or owing from a business association to another business association that ~~[,]~~ **arise from transactions occurring** on or after July 1, 2015 **.** ~~[, are in the possession, custody or control of a business association.]~~

Section 1.5 of this bill provides that certain amounts paid to this State or a local government as a deposit or fee to provide security for, or to fund the construction of, certain intersection improvement projects are exempt from the provisions of existing law governing unclaimed property. Under **section 2**, this exemption applies only to such deposits or fees that, on or after July 1, 2015, are in the possession, control or custody of this State or a local government.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assemblyman Hansen moved that the Assembly adopt the report of the Conference Committee concerning Senate Bill No. 348.

Motion carried by a constitutional majority.

GENERAL FILE AND THIRD READING

Senate Joint Resolution No. 13.

Resolution read third time.

Remarks by Assemblymen Dickman, Fiore, Armstrong, Hansen, Ellison, and Kirkpatrick.

ASSEMBLYWOMAN DICKMAN:

Senate Joint Resolution 13 proposes to amend the *Nevada Constitution* to limit the total amount of certain property taxes that may be levied on real property to 1.25 percent of the base value of the property. Base value is defined, with certain exceptions, as the taxable value from which the assessed value for Fiscal Year 2017-2018 was calculated. The 1.25 percent limit on the amount of property taxes that may be levied does not apply to property taxes levied to pay the interest and principal of any bonded indebtedness or to pay any obligation under a contract made in connection with such bonded indebtedness.

The resolution provides, with certain exceptions, that the base value becomes the cash value of the property upon the transfer of at least one-half of the ownership interest in the property, an improvement to the property increases the base value by the cash value of the improvement, and the base value cannot increase or decrease from year to year by more than 3 percent.

Pursuant to Article 16, Section 1 of the *Nevada Constitution* and Chapter 218D of the *Nevada Revised Statutes*, the provisions contained within this joint resolution must be approved by the Legislature during the 2015 and 2017 Sessions, followed by voter approval at the 2018 General Election, in order to be ratified.

ASSEMBLYWOMAN FIORE:

I just need some clarification. I am under the impression that this is actually raising the cap to 1.25 when it was already set at 1. Is that correct?

ASSEMBLYMAN ARMSTRONG:

The original bill was 1 percent. In the *Constitution*, it is 5 percent and the statutory is 3.64 percent. This is changing the formula so it is not based on that 3.64 value and you will not have to do the crazy formula that we currently have for property taxes. This tries to simplify that process. The way it is set up, it is trying to be more revenue neutral just to simplify it.

I would like to put on the record that I made a mistake when I answered my colleague's question when we adopted the amendment. I think I may have been enamored thinking about a million-square-foot house. This resolution does apply to all real property, and the trigger does not have a reset until you hit that 15 percent mark.

ASSEMBLYWOMAN FIORE:

I am not clear. So this is actually raising the cap at the moment, correct?

ASSEMBLYMAN ARMSTRONG:

This is a resolution that would have to come back to this body and then go to a vote of the people.

ASSEMBLYWOMAN FIORE:

So let us play pretend world and pretend it came back. Are we raising the cap? Just yes or no.

ASSEMBLYMAN ARMSTRONG:

I do not live in the pretend world.

ASSEMBLYMAN HANSEN:

Mr. Speaker, I can address that. The point that I was going to bring up is that this does raise the cap if it passes a vote of the people. We have to remember that what we are addressing in this is an opportunity of the people to decide whether or not they are willing to raise that cap. If they vote no, it is dead; if they pass it, it would become something we would address here in the Legislature or depending on the verbiage, it would become part of the *Constitution*. It does go to a vote of the people.

ASSEMBLYMAN ELLISON:

I would like to know—there are two types of caps they can consider. One is residential and one is commercial. Is this just an overall, general study they are trying to get out? Usually, the cap goes from 5 percent for commercial to 8 percent and residential 3 percent. Is this going to address that issue?

ASSEMBLYMAN ARMSTRONG:

This does not address that 3 and 8 percent. This 1.25 percent is the valuation for the base. This is more in relation to the 5 percent constitutional rate and the 3.64 statutory cap.

ASSEMBLYWOMAN FIORE:

I rise in opposition to S.J.R. 13 because it is raising the cap. This is the last night, and I am just going to say in response to my colleague's response about "pretend world," this is definitely a pretend world of two houses of Republicans and Nevada's largest tax increase in history. I hate to burst your bubble, but we are in a pretend world.

ASSEMBLYMAN ARMSTRONG:

This does not raise the cap at the current statutory number at 3.64 for $100 of assessed value, but the 1.25 percent is equivalent to 3.57 per $100 of assessed value.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of S.J.R. 13. What this will do is change how our property tax structure works. For a very long time, we have been talking about how our property tax structure is very unique in our state. We are the only state in the United States that does not allow for depreciation. I know my colleague from the Senate has worked pretty hard on this issue, but because our property tax is defined within the *Nevada Constitution*, you have to go through a constitutional amendment when you want to make such a change. Nothing is going to happen with this bill for at least four years. This has to pass the Legislature twice, and it has to pass a vote of the people once. Unless somebody does a very good job of explaining what it does, it will not pass because people will not understand why we are trying to change it. This talks about the fair market value, which we have always talked about in our state. We have this crazy formula that says *x* plus *y* times 2 divided by 35 over 100 gives you 6 which you times by 12. That is our property tax structure. I will give my colleague credit for trying to change it.

There will have to be some statutory fixes because of our ridiculous formula that nobody can ever figure out. This is just sending it to a vote of the people. To get them ready for it, we will have to figure out how to explain it to them. Then the Legislature will have to make some statutory changes if the voters decide they would like to have a property tax structure more like 30 other states instead of just being unique like Nevada. It is just a vote of the people, and that is why I support sending it out. I hope that if it passes, you as future legislators will follow the statutory requirements and clean it up.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 1072.

SUMMARY— ~~[Abolishes the Foreclosure Mediation Program.]~~ **Revises provisions concerning real property.** (BDR 9-1287)

AN ACT relating to real property; **authorizing a mortgagor or a grantor or the person who holds title of record with respect to a deed of trust to initiate participation in what is commonly known as the Foreclosure Mediation Program with the mortgagee or beneficiary of the deed of trust under certain circumstances;** abolishing the ~~[Foreclosure Mediation]~~ Program ~~[.]~~ **as of June 30, 2017;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the establishment of a foreclosure mediation program and generally requires that mediation, unless waived, be conducted as a condition of a judicial foreclosure proceeding or the exercise of a power of sale affecting owner-occupied housing. The Nevada Supreme Court is required to adopt rules to implement the ~~[foreclosure mediation]~~ program. (NRS 40.437, 107.086) **Existing law also creates the Account for Foreclosure Mediation, the money in which may be expended only for the purpose of supporting the program. (NRS 107.080)**

Section 1 of this bill authorizes a mortgagor under a mortgage secured by owner-occupied housing or a grantor or the person who holds the title of record with respect to a deed of trust concerning owner-occupied housing to initiate the mediation process if: (1) a local housing counseling

agency approved by the United States Department of Housing and Urban Development certifies that the mortgagor, grantor or person who holds the title of record has a documented financial hardship and is in imminent risk of default; (2) the mortgagor, grantor or other person files a form with the Mediation Administrator indicating an election to enter into mediation; and (3) the mortgagor, grantor or other person pays his or her share of the fee for the mediation. Under this bill, if the parties participate in mediation in good faith, the requirement of existing law to participate in mediation before a nonjudicial foreclosure sale of the owner-occupied housing is satisfied.

Section 10.5 of this bill authorizes the Court Administrator, under certain circumstances, to submit to the Interim Finance Committee a request for an allocation from the Contingency Account created by NRS 353.266 for deposit in the Account for Foreclosure Mediation.

Section 12 of this bill repeals **[those] the existing** statutes **[,] providing for the foreclosure mediation program,** effective on June 30, 2017, effectively ending the program on that date. **[Sections] Section 1 also expires by limitation on that date. Under sections 1, 2.5 and 8.5** of this bill **, [make]** December 31, 2016, **is** the last date on which a homeowner can enroll in the foreclosure mediation program **. [and provide that persons] Persons** initiating foreclosures after December 1, 2016, need not provide notice of the mediation program. **Sections [1,] 1.5, 2, 3-8 [and 9-11] , 9, 10 and 11** of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A mortgagor under a mortgage secured by owner-occupied housing or a grantor or the person who holds the title of record with respect to any trust agreement which concerns owner-occupied housing may initiate mediation to negotiate a loan modification under the mediation process set forth in NRS 107.086 if, on or before December 31, 2016:

(a) A local housing counseling agency approved by the United States Department of Housing and Urban Development certifies that the mortgagor, grantor or person who holds the title of record:

(1) Has a documented financial hardship; and

(2) Is in imminent risk of default; and

(b) The mortgagor, grantor or person who holds the title of record:

(1) Submits a form prescribed by the Mediation Administrator indicating an election to enter into mediation pursuant to this section; and

(2) Pays to the Mediation Administrator his or her share of the fee established pursuant to subsection 11 of NRS 107.086.

2. Upon satisfaction of the requirements of subsection 1, the Mediation Administrator shall notify the mortgage servicer, by certified mail, return

receipt requested, of the enrollment of the mortgagor, grantor or person who holds the title of record to participate in mediation pursuant to this section and shall assign the matter to a senior justice, judge, hearing master or other designee and schedule the matter for mediation. The mortgage servicer shall notify the mortgagee or the beneficiary of the deed of trust, as applicable, and every other person with an interest as defined in NRS 107.090, by certified mail, return receipt requested, of the enrollment of the mortgagor, grantor or person who holds the title of record to participate in mediation.

3. Each mediation required by this section must be conducted in conformity with the requirements of subsections 5 and 6 of NRS 107.086.

4. If the mediator determines that the parties, while acting in good faith, are not able to agree to a loan modification, the mediator shall prepare and submit to the Mediation Administrator a recommendation that the matter be terminated. The Mediation Administrator shall, not later than 30 days after submittal of the mediator's recommendation that the matter be terminated, provide to the mortgage servicer a certificate which provides that the mediation required by this section has been completed in the matter. If the Mediation Administrator provides such a certificate, the requirement for mediation pursuant to NRS 107.086 is satisfied.

5. The certificate provided pursuant to subsection 4 must be in the same form as the certificate provided pursuant to subsection 8 of NRS 107.086, and may be recorded in the office of the county recorder in which the trust property, or some part thereof, is situated. The recording of the certificate in the office of the county recorder in which the trust property, or some part thereof, is situated shall be deemed to be the recording of the certificate required pursuant to subparagraph (2) of paragraph (d) of subsection 2 of NRS 107.086.

6. A noncommercial lender is not excluded from the application of this section.

7. The Mediation Administrator and each mediator who acts pursuant to this section in good faith and without gross negligence are immune from civil liability for those acts.

8. As used in this section:

(a) "Financial hardship" means a documented event that would prevent the long-term payment of any debt relating to a mortgage or deed of trust secured by owner-occupied housing, including, without limitation:

(1) The death of the borrower or co-borrower;

(2) Serious illness;

(3) Divorce or separation; or

(4) Job loss or a reduction in pay.

(b) "Imminent risk of default" means the inability of a grantor or the person who holds the title of record to make his or her mortgage payment within the next 90 days.

(c) "Mediation Administrator" has the meaning ascribed to it in NRS 107.086.

(d) "Noncommercial lender" has the meaning ascribed to it in NRS 107.086.

(e) "Owner-occupied housing" has the meaning ascribed to it in NRS 107.086.

Remarks by Assemblywoman Swank.

ASSEMBLYWOMAN SWANK:

Senate Bill 133, as amended, appropriates $2.5 million dollars in each fiscal year of the 2015-2017 biennium to the newly created Teachers' School Supplies Reimbursement Account in the State General Fund for the purpose of reimbursing teachers for out-of-pocket expenses incurred in connection with purchasing necessary school supplies for the pupils they instruct. On or before September 1 of each year, the Department shall determine the amount of money that is available for distribution among all of the school districts and charter schools in this state for that fiscal year. To the extent that money is available, the Department shall establish the amount of reimbursement for each teacher, which must not exceed $250 per fiscal year.

MOTIONS, RESOLUTIONS AND NOTICES

Assemblyman Hansen moved that Senate Bill No. 512 be taken from its position on the General File and placed at the top of the General File.

Motion carried.

GENERAL FILE AND THIRD READING

Senate Bill No. 512.

Bill read third time.

Remarks by Assemblymen Hansen, Elliot Anderson, Thompson, and Ohrenschall.

ASSEMBLYMAN HANSEN:

Senate Bill 512 authorizes a homeowner with a mortgage secured by owner-occupied housing, a grantor, or the holder of title with respect to owner-occupied housing to initiate a foreclosure mediation if a counseling agency approved by the U.S. Department of Housing and Urban Development certifies that the homeowner has a financial hardship and is in imminent danger of default. The homeowner must file a form with the mediation administrator electing to enter into mediation and must pay his or her share of the mediation fee. Good faith mediation engaged in by a lender and a homeowner under the provisions of this bill satisfy pertinent mediation requirements under Nevada law.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in reluctant support of Senate Bill 512. I know that this bill is necessary because of the funding levels for the budget, so we do need to approve it. I do not believe that we are out of the woods for foreclosure. We are still number two, as we heard yesterday from the Chair of Judiciary. I am worried that a lot of our communities will still need this program. We will be able to take another look at it as we go. We will see. I do hope that this body does not think that this program is not valuable. It is very important; I have seen it work.

ASSEMBLYMAN THOMPSON:

I am also reluctant, but I will vote for this. I feel like I am in a Catch-22 situation because if we vote against it, it might have a shorter time frame in which it survives in communities. If we vote for it, it will have a little bit longer time and I am hopeful that whoever is on the interim committees works hard to keep this alive. We had testimony today from the bill's sponsor saying there is an upswing in people requesting these mediations. Mediation works. I know this for a fact, especially foreclosure mediations. My area is one of the hardest-hit areas for foreclosures. This is what is going to make the difference in making communities remain whole. This is where homeowners get to speak face-to-face with the lenders when they have tried numerous times to call them on the phone, to send an email, and have not gotten the responses they need. We are going to have to vote for it, but I hope that in the interim we are able to make this survive. I hate the word that is on this that is saying to abolish it. When you abolish something, it is over and I hope that it is not.

ASSEMBLYMAN OHRENSCHALL:

I, too, rise in reluctant support of Senate Bill 512. It was just a few years ago when many of us talked to constituents, constituents who would call their bank or their lending institution and they would get one department that would tell them, We are working on it. We are trying to modify your loan. We are going to help, we are going to help. Then a couple of months later, they would find out they are being foreclosed on. One arm of the bank was not talking to the other arm of the bank.

Certainly, we are not in the same foreclosure crisis that we were in then, but we have seen an uptick. The ten-year ARMs [adjustable-rate mortgages] will be maturing in about 2016 and, unfortunately, we may see these rise again. This FMAC [Family Mediation and Assessment Center] program has brought the banks and the homeowners together. I think there has been a lot of success. I have heard about it from my colleagues who practice in this area. I have heard about it from my constituents. I do reluctantly support it, and I do hope we will find the resources to continue this program.

ASSEMBLYMAN GARDNER:

This is the bill that we called for reconsideration. This is the bill that changes how we are doing punitive damages in our state. It puts products under the 3-to-1 cap. Right now, the U.S. Supreme Court has put a 4-to-1 cap on punitive damages for the constitutionality under the due process clause in the Fourteenth Amendment. I think it is a good bill. The first section allows you to put your complaint forward, then you do discovery, and then you start talking about punitives after you have actually done the discovery. I think it is a good bill, and I think we should pass it.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition to Senate Bill 296. Truth be told, without the amendment I think I could have gotten there. If you recall, the Assembly amended a requirement that basically puts government regulators in the place of the jury and determines whether the defendant acted intentionally. That is what I have a problem with. I do not think we should get in the way of the jury making these decisions. I think it is unprecedented to allow government regulators to decide this rather than the jury. I am in opposition.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Senate Bill 296, and I echo many of the comments from my colleague from Assembly District 15. Section 3 does concern me a lot. A lot of times, the governmental agency that will have responsibility will be one of our governmental agencies back in Washington, D.C. Whether you go back to thalidomide, the Dalkon Shield, the Pinto, we know that those agencies tend to act slowly. My concern is that the victims of these products will have to wait until that agency acts. I do not think that is something we really want to do to our constituents.

ASSEMBLYWOMAN DIAZ:

I rise in opposition to Senate Bill 296. I request that my previous comments be reentered into the record.

[I rise in opposition to Senate Bill 296. This bill, as amended, would have harmful effects on those injured by defective products. There are numerous instances across the country where individuals have been harmed by a consumer product, many of which have been approved and vetted by the appropriate governmental agencies. For instance, there was the superbug outbreak at a college campus in California late this year involving defective scopes. In the superbug outbreak, Olympus, the maker of the scopes, knew of outbreaks in Florida dating back to 2008 and an outbreak in Seattle dating back to 2012. Those earlier outbreaks involved the same scopes; however, the company failed to tell the FDA [Food and Drug Administration]. Should this bill pass, punitive damages will now be capped at 3 to 1 because the FDA has taken no action on the company's failure to report prior incidents.

Likewise in another example, GM [General Motors] has now recalled 24.6 million cars in the U.S. because of a faulty ignition switch that forces a car to turn off and prevents the airbags from deploying. GM engineers knew about the problem for a decade yet did not report it to the National Highway Traffic Safety Administration [NSTSA]. Despite all of the injuries, deaths, and recalls attributed to the issue, there has been no action to date by the NSTSA.

We, as elected officials, have a responsibility to our constituents and the residents of Nevada to ensure safety from harmful products that slip through the cracks of governmental regulation. Passing this legislation breaks that promise and denies our constituents the opportunity to feel assured that they will be made whole in a situation when they are harmed, injured, or even killed because a large corporation was negligent and the federal governmental entity failed to act.]

I want to state, echoing the comments of my colleagues that spoke before me in opposition, it just smacks a little contrary to what a lot of my colleagues in this body believe in. They think that we should not wait on federal entities, that we as a state should take action on behalf of our citizenry. I do not understand why we think this amendment is awesome when we know of cases where the companies have been extremely negligent and the federal agencies have done nothing to shed light on the fact that they were. Who is going to be detrimentally impacted? It is not the GMs of the world. It is not going to be the Olympuses of the world. It is going to be your constituents. So if you want to take away the right for your constituents to access justice, this is the way to go. Vote for this bill. But if you believe that you should err on the side of your constituents and not on the side of waiting for a federal agency to say ten years later when the harm is already done, This product is defective. That person cannot regain their health, and sometimes they cannot regain their life. I think this vote is not worth taking that access to justice from anyone.

ASSEMBLYMAN NELSON:

I rise in support of Senate Bill 296, as amended. I would like to point out to my colleagues that there is still the three times compensatory cap. A lot of our constituents are business owners also, it is not just individuals. This bill is designed to help business owners. As you recall, in past decades we have had an exodus from our state. It started first with medical providers—doctors particularly. This sort of cap has helped to keep a number of them in the state. They can still get three times compensatory damages. If they want to go above that, and that would only be in the super, super big cases, if they can get a governmental agency to make an opinion, they can still go for punitive damages as high as they want. As my colleague from the south pointed out, the U.S. Supreme Court has said that anything that is in the range of four times compensatory damages is suspect anyway.

Amendment No. CA7.

AN ACT relating to property tax; revising provisions governing the publication of property tax rolls; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a county assessor is required to prepare and publish in a newspaper of general circulation in the county a list of all the taxpayers on the secured roll in the county and the total value of the property on which they pay taxes or print and deliver or mail such a list and valuations to each taxpayer in the county. (NRS 361.300) This bill requires a board of county commissioners to direct the county assessor to publish this list and valuations on an Internet website maintained by the county assessor or the county. This bill also requires a board of county commissioners to direct the county assessor in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) to make not fewer than 10 copies of this list and valuations available to the public free of charge.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 361.300 is hereby amended to read as follows:

361.300 1. On or before January 1 of each year, the county assessor shall transmit to the county clerk, post at the front door of the courthouse and publish in a newspaper published in the county a notice to the effect that the secured

tax roll is completed and open for inspection by interested persons of the county. A notice issued pursuant to this subsection must include a statement that the secured tax roll is available for inspection as specified in paragraph (b) of subsection 3. The statement published in the newspaper must be displayed in the format used for advertisements and printed in at least 10-point bold type or font.

2. If the county assessor fails to complete the assessment roll in the manner and at the time specified in this section, the board of county commissioners shall not allow the county assessor a salary or other compensation for any day after January 1 during which the roll is not completed, unless excused by the board of county commissioners.

3. Except as otherwise provided in subsection 4, each board of county commissioners shall by resolution, before December 1 of any fiscal year in which assessment is made, require the county assessor to prepare a list of all the taxpayers on the secured roll in the county and the total valuation of property on which they severally pay taxes and direct the county assessor:

(a) To cause ***, on or before January 1 of the fiscal year in which assessment is made,*** such list and valuations to be:

(1) Printed and delivered by the county assessor or mailed by him or her ~~[on or before January 1 of the fiscal year in which assessment is made]~~ to each taxpayer in the county; ~~[or]~~

(2) Published once ~~[on or before January 1 of the fiscal year in which assessment is made]~~ in a newspaper of general circulation in the county; ***or***

(3) Published on an Internet website that is maintained by the county assessor or, if the county assessor does not maintain an Internet website, on an Internet website that is maintained by the county; and

(c) In a county whose population is less than 100,000, to make not fewer than 10 copies of such list and valuations available to the public free of charge during normal business hours at the main administrative office of the county for at least 60 days after the date on which the list and valuations are made available to the public pursuant to paragraph (b); and

(d) If the county assessor publishes the list and valuations on an Internet website that is maintained by the county assessor or the county pursuant to

subparagraph (3) of paragraph (a), to provide notice in a newspaper of general circulation in the county four times each year which:

(1) Indicates that the list and valuations have been made available to the public on the Internet website maintained by the county assessor or the county;

(2) Provides the address of the Internet website on which the list and valuations may be accessed or retrieved;

(3) Is displayed in the format used for advertisements and printed in at least 10-point bold type or font;

Failure by a taxpayer to receive such a mailed statement does not invalidate any assessment.

5. The several boards of county commissioners in the State may allow the bill contracted with their approval by the county assessor under this section on a claim to be allowed and paid as are other claims against the county.

6. Whenever:

(a) Any property on the secured tax roll is appraised or reappraised pursuant to NRS 361.260, the county assessor shall, on or before December 18 of the fiscal year in which the appraisal or reappraisal is made, deliver or mail to each owner of such property a written notice stating the assessed valuation of the property as determined from the appraisal or reappraisal. (b) Any personal property billed on the unsecured tax roll is appraised or reappraised pursuant to NRS 361.260, the delivery or mailing to the owner of such property of an individual tax bill or individual tax notice for the property shall be deemed to constitute adequate notice to the owner of the assessed valuation of the property as determined from the appraisal or reappraisal.

7. If the secured tax roll is changed pursuant to NRS 361.310, the county assessor shall mail an amended notice of assessed valuation to each affected taxpayer. The notice must include:

(a) The information set forth in subsection 6 for the new assessed valuation.

(b) The dates for appealing the new assessed valuation.

8. Failure by the taxpayer to receive a notice required by this section does not invalidate the appraisal or reappraisal.

9. In addition to complying with subsections 6 and 7, a county assessor shall:

(a) Provide without charge a copy of a notice of assessed valuation to the owner of the property upon request.

(b) Post the information included in a notice of assessed valuation on a website or other Internet site, if any, that is operated or administered by or on behalf of the county or the county assessor.

Sec. 1.5. Section 1 of this act is hereby amended to read as follows:

Conference Amendment No. CA11.

AN ACT relating to civil actions; revising provisions relating to special motions to dismiss certain claims based upon the right to petition and the right to free speech under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain provisions to deter frivolous or vexatious lawsuits (Strategic Lawsuits Against Public Participation, commonly known as "SLAPP lawsuits"). (Chapter 387, Statutes of Nevada 1997, p. 1363; NRS 41.635-41.670) A SLAPP lawsuit is characterized as a meritless suit filed primarily to discourage the named defendant's exercise of First Amendment rights. "The hallmark of a SLAPP lawsuit is that it is filed to obtain a financial advantage over one's adversary by increasing litigation costs until the adversary's case is weakened or abandoned." (*Metabolic Research, Inc. v. Ferrel*, 693 F.3d 795, 796 n.1 (9th Cir. 2012))

Existing law provides that a person who engages in good faith communication in furtherance of the right to petition or the right to free speech in direct connection with an issue of public concern is immune from civil liability for claims based upon that communication. (NRS 41.650) Existing law also provides that if an action is brought against a person based upon such good faith communication, the person may file a special motion to dismiss the claim. If a special motion to dismiss is filed, the court must first determine whether the moving party has established, by a preponderance of the evidence,

that the claim is based upon a good faith communication in furtherance of the right to petition or the right to free speech in direct connection with an issue of public concern. If the court determines that the moving party has met this burden, the court must then determine whether the person who brought the claim has established by clear and convincing evidence a probability of prevailing on the claim. While the court's ruling on the special motion to dismiss is pending and while the disposition of any appeal from that ruling is pending, the court must stay discovery. (NRS 41.660)

Section 13 of this bill revises provisions governing a special motion to dismiss a claim that is based upon a good faith communication in furtherance of the right to petition or the right to free speech in direct connection with an issue of public concern. **Section 13** increases from 7 days to 20 judicial days the time within which a court must rule on a special motion to dismiss. **Section 13 replaces the determination of whether a person who brought the claim has established by clear and convincing evidence a probability of prevailing on the claim and instead requires a court to determine whether the person has demonstrated with prima facie evidence a probability of prevailing on the claim.** **Section 13** also authorizes limited discovery for the purposes of allowing a party to obtain certain information necessary to meet or oppose the burden of the party who brought the claim to ~~[establish by clear and convincing]~~ **demonstrate with prima facie** evidence a probability of prevailing on the claim. Finally, **section 13** ~~[authorizes]~~ **requires** the court to modify certain deadlines upon a finding that such a modification would serve the interests of justice.

Sec. 12.5. **Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:**

The Legislature finds and declares that:

1. NRS 41.660 provides certain protections to a person against whom an action is brought, if the action is based upon a good faith communication in furtherance of the right to petition or the right to free speech in direct connection with an issue of public concern.

2. When a plaintiff must demonstrate a probability of success of prevailing on a claim pursuant to NRS 41.660, the Legislature intends that in determining whether the plaintiff "has demonstrated with prima facie evidence a probability of prevailing on the claim" the plaintiff must meet the same burden of proof that a plaintiff has been required to meet pursuant to California's anti-Strategic Lawsuits Against Public Participation law as of the effective date of this act.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 1067.

SUMMARY—Revises provisions relating to ~~[insurance. (BDR 57-983)]~~ **transportation. (BDR 58-983)**

AN ACT relating to ~~[insurance; revising provisions relating to casualty insurance for certain uses of motor vehicles;]~~ **transportation; requiring a transportation network company to enter into an agreement with certain establishments before allowing a driver to pick up passengers at such an establishment; revising provisions relating to the provision of transportation services to persons with disabilities;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires every owner or operator of a motor vehicle which is registered in this State to continuously provide insurance for the payment of tort liabilities arising from the maintenance or use of the motor vehicle subject to certain requirements for coverage. (NRS 485.185, 485.186) This bill provides different requirements for coverage for a motor vehicle which is used by a driver in connection with a transportation network company. Section 4 of this bill defines a "transportation network company" as an entity that uses a digital network or software application service to connect passengers to drivers who can provide transportation services. Section 6 of this bill defines "transportation services" as the transportation by motor vehicle of one or more passengers between points chosen by the passenger or passengers and prearranged with a driver through the use of the digital network or software application service of a transportation network company.~~

~~Section 7 of this bill requires a transportation network company to make certain disclosures to a person before allowing that person to provide~~

~~transportation services as a driver. Section 8 of this bill requires a transportation network company or a driver to continuously provide insurance subject to certain requirements for coverage. Section 8 specifies that the transportation network company insurance may be provided by the transportation network company, the driver or both. Section 8 requires the transportation network company to provide certain insurance which provides coverage as primary insurance if the insurance provided by the driver is insufficient for certain reasons. Section 8 allows a policy of transportation network company insurance to include certain additional coverages. Section 8 prohibits an insurer who provides a policy of transportation network company insurance from requiring a driver's personal policy of automobile insurance to deny a claim before providing coverage.~~

~~Section 9 of this bill provides that a personal policy of automobile insurance is not required to include transportation network company insurance. Section 9 authorizes an insurer to include transportation network company insurance in such a policy and allows the insurer to charge an additional premium for doing so.~~

~~Section 10 of this bill requires a transportation network company, a driver and an insurer who provides transportation network company insurance to cooperate in the investigation of an accident. Section 11 of this bill requires a driver: (1) to carry proof of transportation network company insurance at all times when the driver is logged into the digital network or software application service of the transportation network company, available to receive requests for transportation services or providing transportation services; and (2) to provide proof of coverage and disclose certain information to a law enforcement officer and to any other party with whom the driver is involved in an accident.]~~ **Existing law provides for the permitting and regulation of transportation network companies. (Assembly Bill No. 176 of the 2015 Session) Section 1 of this bill prohibits a transportation network company from allowing a driver affiliated with the company to pick up a passenger at an establishment which is a hotel with 1,000 or more rooms or a convention center with 400,000 or more square feet of exhibit space unless: (1) the company has entered into an agreement with the establishment, hotel or convention center; (2) the Nevada Transportation Authority has been provided notice of the agreement; and (3) the driver complies with the terms of the agreement. Section 2 of this bill requires a transportation network company which cannot provide a passenger with transportation services in a motor vehicle that is wheelchair accessible to refer the passenger to any available, alternative provider or means of transportation that is wheelchair accessible. Section 2 also requires a transportation network company to annually review the availability of transportation services to diverse communities.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 11 of this bill and replace with the following new sections 1, 2 and 3:

Section 1. **Section 29 of Assembly Bill No. 176 of this session is hereby amended to read as follows:**

Assembly Bill No. 359.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1065.

AN ACT relating to common-interest communities; revising provisions governing a unit-owners' association's lien for certain amounts due to the association; **revising provisions governing the foreclosure of an association's lien; revising provisions requiring certain financial institutions and mortgage holders to provide a contact address to the Division of Financial Institutions of the Department of Business and Industry;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a unit-owners' association has a lien on a unit for certain amounts due to the association, and an association may foreclose its lien through a nonjudicial foreclosure process. (NRS 116.3116-116.31168) ~~[Under existing law, generally,]~~ **Generally,** the association's lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association's lien is prior to the first security interest on the unit to the extent of certain maintenance and abatement charges and a certain amount of assessments for common expenses. The portion of the association's lien that is prior to the first security interest on the unit is commonly referred to as the "super-priority lien." (NRS 116.3116) In *SFR Investments Pool 1, LLC v. U.S. Bank*, 130 Nev. Adv. Op. 75, 334 P.3d 408 (2014), the Nevada Supreme Court held that the foreclosure of the super-priority lien by the association extinguishes the first security interest on the unit.

This bill ~~[provides]~~ **amends Senate Bill No. 306 of this legislative session to provide** that the foreclosure of the super-priority lien by the association does not extinguish a first ~~[security interest on the unit]~~ or ~~[a]~~ second mortgage or deed of trust on the unit. ~~[Thus, under this bill, if the holder of a security interest, lien or encumbrance on a unit, other than the association, forecloses on the unit, the association would be entitled to a distribution of the proceeds of the sale in accordance with the priority accorded to the association's lien under existing law. However, if the association forecloses its lien on a unit by sale, the association's foreclosure does not extinguish the first security interest on the unit or a second mortgage or deed of trust on the unit but does extinguish any other security interest, liens or encumbrances subordinate to the association's lien under existing law.]~~ **This bill further amends Senate Bill No. 306 of this legislative session to: (1) authorize a copy of certain notices recorded by an association to be served upon the holder of a security interest on the unit; (2) specify the address to which a copy of such notices must be sent if the address of the holder of a security interest is not available on the Internet website maintained by the Division of Financial Institutions of the Department of Business and Industry; (3) revise provisions governing the right of a unit's owner or holder of a security interest to redeem a unit after a foreclosure sale by a unit-owners' association; (4) authorize the Commissioner of Financial Institutions to take certain actions to implement the requirement that certain financial institutions and mortgage holders provide a contact address that must be included on the Internet website of the Division.**

Sec. 3. (Deleted by amendment.)

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. (Deleted by amendment.)

Sec. 7. ~~[~~NRS 116.3116 is hereby amended to read as follows:

~~116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.~~

~~2. A lien under this section is prior to all other liens and encumbrances on a unit except:~~

~~(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;~~

~~(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and~~

~~(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.~~

~~The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.~~

~~3. *Except as otherwise provided in this subsection, any priority accorded to the association's lien under this section is a priority in right and not*~~

merely a priority in payment from the proceeds of the sale of the unit by a competing lienholder or encumbrancer. The foreclosure by sale of the association's lien does not extinguish the rights of the holder of:

(a) A first security interest described in paragraph (b) of subsection 2; or

(b) A second mortgage or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent.

1. The holder of the security interest described in paragraph (b) of subsection 2 or the holder's authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit's owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit's owner.

[4.**]** ***5.*** Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

[5.**]** ***6.*** Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

[6.**]** ***7.*** A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

[7.**]** ***8.*** This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

[8.**]** ***9.*** A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

[9.**]** ***10.*** The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

[10.**]** ***11.*** In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

~~(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or~~

~~(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.~~

The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.~~ **(Deleted by amendment.)**

No costs of enforcing the association's lien, other than the costs described in this subsection, and no amount of attorney's fees may be included in the amount of the association's lien that is prior to the security interest described in paragraph (b) of subsection 2.] ***Except as otherwise provided in this subsection, any priority accorded to the association's lien under this section is a priority in right and not merely a priority in payment from the proceeds of the sale of the unit by a competing lienholder or encumbrancer. (a) A first security interest described in paragraph (b) of subsection 2; or

(b) A second mortgage or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent.

6. 7. The holder of the security interest described in paragraph (b) of subsection 2 or the holder's authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 if the unit's owner and the holder of that security interest

~~[6.]~~ ***10.*** A lien for unpaid assessments is extinguished unless ***a notice of default and election to sell is recorded as required by paragraph (b) of subsection 1 of NRS 116.31162, or judicial*** proceedings to enforce the lien are instituted ***,*** within 3 years after the full amount of the assessments becomes due.

~~[7.]~~ ***11.*** This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

~~[8.]~~ ***12.*** A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

~~[9.]~~ ***13.*** The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

~~[11.]~~ ***15.*** In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the

action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

16. Notwithstanding any other provision of law, any payment of an amount due to an association in accordance with subsection 1 by the holder of any lien or encumbrance on a unit that is subordinate to the association's lien under this section becomes a debt due from the unit's owner to the holder of the lien or encumbrance.

Amendment adopted.

The following amendment was proposed by Assemblywoman Spiegel.

Amendment No. 1066.

AN ACT relating to common-interest communities; revising provisions governing a unit-owners' association's lien for certain amounts due to the association; **requiring the Division of Financial Institutions of the Department of Business and Industry to establish a pilot program for the mandatory establishment of impound accounts for advance contributions for certain assessments;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a unit-owners' association has a lien on a unit for certain amounts due to the association, and an association may foreclose its lien through a nonjudicial foreclosure process. (NRS 116.3116-116.31168) Under existing law, generally, the association's lien is not prior to a first security interest on the unit recorded before the date on which the amount sought to be enforced became delinquent. However, the association's lien is prior to the first security interest on the unit to the extent of certain maintenance and

abatement charges and a certain amount of assessments for common expenses. The portion of the association's lien that is prior to the first security interest on the unit is commonly referred to as the "super-priority lien." (NRS 116.3116) In *SFR Investments Pool 1, LLC v. U.S. Bank*, 130 Nev. Adv. Op. 75, 334 P.3d 408 (2014), the Nevada Supreme Court held that the foreclosure of the super-priority lien by the association extinguishes the first security interest on the unit.

This bill provides that the foreclosure of the super-priority lien by the association does not extinguish a first security interest on the unit or a second mortgage or deed of trust on the unit. Thus, under this bill, if the holder of a security interest, lien or encumbrance on a unit, other than the association, forecloses on the unit, the association would be entitled to a distribution of the proceeds of the sale in accordance with the priority accorded to the association's lien under existing law. However, if the association forecloses its lien on a unit by sale, the association's foreclosure does not extinguish the first security interest on the unit or a second mortgage or deed of trust on the unit but does extinguish any other security interest, liens or encumbrances subordinate to the association's lien under existing law.

Section 21.3 of this bill requires the Division of Financial Institutions of the Department of Business and Industry to establish a pilot program for the mandatory establishment of impound accounts for advance contributions for the payment of certain assessments owed to unit-owners' associations. Under the pilot program, a unit-owners' association is required to register and provide certain information to the Division. Payments from the impound account for such assessments must be made quarterly to the Division, and the Division is required to transfer the payment to the association to which the assessments are owed. The pilot program is required to begin on January 1, 2016, and end on December 31, 2020.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. (Deleted by amendment.)

Sec. 7. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive,

of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

➥ The lien is also prior to all security interests described in paragraph (b) to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. ***Except as otherwise provided in this subsection, any priority accorded to the association's lien under this section is a priority in right and not merely a priority in payment from the proceeds of the sale of the unit by a competing lienholder or encumbrancer. The foreclosure by sale of the association's lien does not extinguish the rights of the holder of:***

(a) A first security interest described in paragraph (b) of subsection 2; or

(b) A second mortgage or deed of trust on the unit recorded before the date on which the assessment sought to be enforced became delinquent.

4. The holder of the security interest described in paragraph (b) of subsection 2 or the holder's authorized agent may establish an escrow account, loan trust account or other impound account for advance contributions for the payment of assessments for common expenses based on the periodic budget

adopted by the association pursuant to NRS 116.3115 if the unit's owner and the holder of that security interest consent to the establishment of such an account. If such an account is established, payments from the account for assessments for common expenses must be made in accordance with the same due dates as apply to payments of such assessments by a unit's owner.

~~[4.]~~ ***5.*** Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

~~[5.]~~ ***6.*** Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

~~[6.]~~ ***7.*** A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

~~[7.]~~ ***8.*** This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

~~[8.]~~ ***9.*** A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

~~[9.]~~ ***10.*** The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

~~[10.]~~ ***11.*** In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

~~[11.]~~ ***12.*** In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense

assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 7.5. NRS 116.31166 is hereby amended to read as follows:

116.31166 1. The recitals in a deed made pursuant to NRS 116.31164 of:

(a) Default, the mailing of the notice of delinquent assessment, and the recording of the notice of default and election to sell;

(b) The elapsing of the 90 days; and

(c) The giving of notice of sale,

➥ are conclusive proof of the matters recited.

2. Such a deed containing those recitals is conclusive against the unit's former owner, his or her heirs and assigns, and all other persons. The receipt for the purchase money contained in such a deed is sufficient to discharge the purchaser from obligation to see to the proper application of the purchase money.

3. The sale of a unit pursuant to NRS 116.31162, 116.31163 and 116.31164 vests in the purchaser the title of the unit's owner without equity or right of redemption ~~[.]~~ ***subject to any security interest described in paragraph (a) or (b) of subsection 3 of NRS 116.3116.***

4. The Division shall, not later than the fifth day of each calendar quarter, disburse payments received pursuant to subsection 3 to the association to whom the payments are due.

5. If the Division is unable to disburse payments to a unit-owner's association because the association has not provided the Division with the information required by paragraph (a) of subsection 3, the association may not initiate collection activity against the unit's owner, commence an action for judicial foreclosure against the unit's owner or take any action for a nonjudicial foreclose on the unit.

6. Assemblywoman Spiegel moved the adoption of the amendment.

Remarks by Assemblymen Spiegel, Seaman, and Gardner.

ASSEMBLYWOMAN SPIEGEL:

Assembly Bill 359 has to do with common-interest communities and the way assessments are collected for people's homes. A number of my constituents have issues with Assembly Bill 359 the way it stands because of what happens with the super-priority liens. For those of you who are not familiar with this, the super-priority lien currently allows the HOAs [homeowners' associations] to collect up to nine months of the assessments that are in arrears at the time of foreclosure. It is a really big issue in my district, and it is a really big issue in a number of our districts.

We have over 500,000 households in HOAs here in Nevada. Especially during the downturn, there was a very big problem with this. One of my constituents came to see me earlier this session and, bless her heart, she was kind of nervous so she actually wrote out her comments to me and read her comments to me. What she said, among other things, is that her association has $53,000 in delinquent assessments. They are never going to be able to collect that money. There are only 150 units. The other people have to pay for everything.

What this amendment does is make it possible through a pilot program for homeowners to put their assessments into the same kind of escrow account where they have their mortgage, their insurance, their property taxes, and everything else. This way, the HOA will get paid and people will not get foreclosed on for having assessments in arrears. It will make things smoother for everyone. It is a four-year pilot program. I would appreciate your adopting this amendment, and I would appreciate your support.

ASSEMBLYWOMAN SEAMAN:

I rise in opposition to this amendment. There are over 3,000 HOAs in southern California, and what this amendment proposes to do is become a collection agency for the HOAs. I urge all of my colleagues in this body to vote no on this amendment.

ASSEMBLYMAN GARDNER:

I have much respect for my colleague from Henderson, but I have to say that this is an unfriendly amendment and I urge a no vote on it.

Assemblywoman Kirkpatrick, Paul Anderson, and Nelson moved the previous question.

The question being the motion to adopt Amendment No. 1066 to Assembly Bill No. 359.

body of the construction materials or goods to be used in the public work; providing that the Attorney General shall enforce the prohibition against such a contract for a public work; directing the Department of Taxation to withhold certain money payable to a public body which violates such a prohibition in a contract for a public work; revising provisions relating to certain construction projects of the Nevada System of Higher Education; **revising the minimum qualifications for the Administrator of the State Public Works Division of the Department of Administration;** providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the sale of any tangible personal property to a governmental entity including the State, its unincorporated agencies and instrumentalities or a county, city, district or other political subdivision of this State, is exempted from the imposition of sales and use taxes. (NRS 372.325, 372.345) A contractor who buys tangible personal property or stores, uses or otherwise consumes tangible personal property for such a governmental entity must pay such taxes unless the contractor is a constituent part of that entity. (NRS 372.340) **Section 1** of this bill prohibits any public body including the State, its local governments, school districts, and any public agency thereof which sponsors or finances a public work from entering into an express or implied contract for a public work which provides that any construction materials or goods to be used on the public work be purchased or otherwise supplied by: (1) the public body; (2) a contractor who is a constituent part of the public body; or (3) a contractor who is not a constituent part of the public body acting on behalf of the public body. A public body may, however, enter into such a contract for a public work provided that the contract requires the payment of any state or local taxes that would otherwise have been due for the purchase and use of such construction materials or goods if they had been purchased and used by an entity not exempted from the payment of such taxes. **Section 1** also provides that: (1) an express or implied contract entered into in violation of this prohibition is void; (2) a person who enters into such a contract is guilty of a gross misdemeanor; and (3) the right to enforce the provisions of this prohibition vests exclusively in the Attorney General. **Section 1** further provides that, if a contract is entered into in violation of this prohibition, the Attorney General must forward to the Department of Taxation a list of the construction materials or goods purchased under the contract. The Department is then required to calculate the amount of applicable state and local taxes that should have been collected on the construction materials or goods, and deduct from the money otherwise payable from the proceeds of any tax distribution due to the public body ~~[either]~~ twice the amount of the applicable taxes**.** ~~[or the sum of $250,000, whichever is greater.]~~ In addition, **section 1** exempts from the new prohibition express or implied contracts for public works that use certain construction materials or goods that are: (1) purchased pursuant to governmental procurement rules, needed on a recurring basis and used to

protect the health, safety or welfare of the public; or (2) specialized, project-specific components.

Under existing law, the laws of this State pertaining to public works apply to any project which is financed in whole or in part from public money for the new construction, repair or reconstruction of publicly owned works and properties, except that such laws only apply to a building for the Nevada System of Higher Education if 25 percent or more of the costs of the building as a whole are paid from money appropriated by this State or from federal money. (NRS 338.010) **Section 2** of this bill removes that exemption from the application of public works laws for a building of the System if less than 25 percent of the costs of the building are paid from money appropriated by this State or federal money, but **section 2.5** of this bill exempts such a building from certain provisions requiring that a public body use the services of the State Public Works Division of the Department of Administration for certain services relating to planning, maintenance and construction of state buildings. (NRS 341.141-341.148) **Section 2.5** also specifically requires the System to use the services of the Division as building official for the construction of any building for the System. **Section 4** of this bill repeals certain sections for conformity with the amendments made in **section 2**.

Under existing law, the Administrator and Deputy Administrator of the State Public Works Division are required to be licensed professional engineers or registered architects. (NRS 341.100) Section 2.6 of this bill revises those qualifications to require that the Administrator have: (1) a master's degree or doctoral degree in civil or environmental engineering, architecture, public administration or a related field; and (2) have experience in management, public administration or public policy. Section 2.6 provides that if the Administrator is not a licensed professional engineer or a registered architect, the Deputy Administrator is required to be a licensed professional engineer or a registered architect.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

UNFINISHED BUSINESS

RECEDE FROM ASSEMBLY AMENDMENTS

Assemblyman Oscarson moved that the Assembly recede from its action on Senate Bill No. 7.

Remarks by Assemblymen Titus, Jones, Seaman, and Dickman.

ASSEMBLYWOMAN TITUS:

It is very late at night and we have about 15 minutes left of this session, and I knew I would get to use the word of the day. So here it is. The word of the day is "jiggery-pokery." It is chiefly British. What that stands for is trickery, hocus-pocus, fraud, humbug, and underhanded action.

I will tell you that receding from what we worked so hard on with S.B. 7 is really wrong. Assemblyman Moore cannot be here this evening because he is ill. He put a lot of effort into making this bill as tolerable as possible, recognizing that there were problems, especially in southern Nevada, where our emergency rooms were backed up with folks waiting to have this Legal 2000 completed so they could be released or identified as needing extra care. The fact that we would recede from all that hard work and allow a huge increase in those who can commit somebody is flatly wrong. When our state health officer and I worked this out, she agreed to leave in here that the list of folks who could do a Legal 2000 would only be allowed to expand if that patient had already been identified as at risk in the emergency room. Receding from this amendment takes that out of the bill, and it is wrong. It is a bad bill. We should not recede from our amendment. I would encourage my fellow members of this Assembly to honor what we did when we passed this amendment and not recede.

ASSEMBLYMAN JONES:

I rise to also say we should not recede on this motion. This was a lot of work. I agree with my colleague from the north that my colleague from Assembly District 8 worked very hard on this and this is a very important issue for him. What we are talking about is allowing a person identified as an agent of a department to take your freedom away and have you thrown into a Legal 2000, which is a 72-hour involuntary hold. Who is an agent from a department? I do not know. Maybe the doorman? But the problem with that is that these are people's legal rights to their own freedom. If we now allow this complete litany of people to take away our rights—I just hope that it is not your rights someday, that you are not thrown into a Legal 2000 and then wonder why you cannot get out of a psych ward for over 72 hours. So I encourage everyone not to allow this recede to happen because we should not allow an agent from the department to take people's legal rights away. We should allow qualified people such as psychiatrists, qualified people such as medical doctors, who are actually trained in this, to take away people's personal freedom.

ASSEMBLYWOMAN SEAMAN:

I would like to ditto my colleagues and ask that you please do not recede from this. As they explained, our other colleague who worked very hard on this is not here, and it feels like whatever that word was—jiggery-pokery.

ASSEMBLYWOMAN DICKMAN:

I just want to say, there were deals made and they have been reneged upon, so I would encourage you not to recede.

Assemblymen Kirkpatrick, Paul Anderson, and Bustamante Adams moved the previous question.

The question being the motion for the Assembly to recede from its action on Senate Bill No. 7.

Motion carried.

Assemblymen Titus, Fiore, and Jones requested a roll call vote on the motion.

Roll call vote on the motion for the Assembly to recede from its action on Senate Bill No. 7.

YEAS—26.

NAYS—Dickman, Ellison, Fiore, Gardner, Hansen, Jones, Nelson, O'Neill, Seaman, Shelton, Titus, Trowbridge, Wheeler—13.

EXCUSED—Dooling, Moore, Ohrenschall—3.

Motion carried.

MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, June 1, 2015

To the Honorable the Assembly:

I have the honor to inform your honorable body that the Senate amended, and on this day passed, as amended, Assembly Bill No. 445, Amendment No. 1069; Assembly Bill No. 495, Amendment No. 1074, and respectfully requests your honorable body to concur in said amendments.

SHERRY RODRIGUEZ
Assistant Secretary of the Senate

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 495.

The following Senate amendment was read:

Amendment No. 1074.

AN ACT relating to the Legislature; **requiring certain legislative measures requested by Legislators to be prefiled;** revising provisions governing the submission of a request for the drafting of a legislative measure to the Legislative Counsel; revising the deadline for prefiling legislative measures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Legislative Counsel is prohibited from assigning a number to a bill draft request to establish the priority of the request until sufficient detail has been received to allow complete drafting of the requested measure. (NRS 218D.100) **Sections 3-10** of this bill clarify that this prohibition applies to bill draft requests from Legislators and authorized nonlegislative requesters.

Existing law establishes deadlines by which Legislators and legislative committees are required to submit bill draft requests and subsequent deadlines by which they are required to submit sufficient detail to allow complete drafting of those requests. (NRS 218D.150, 218D.155, 218D.160) **Sections 1-5** of this bill eliminate the subsequent deadlines relating to the submission of details for the drafting of a legislative measure, thereby requiring the submission of details for the drafting of a legislative measure with the bill draft request for that measure.

Under existing law, certain measures requested on behalf of nonlegislative requesters are required to be prefiled on or before December 20 preceding a regular session or are deemed withdrawn. (NRS 218D.175-218D.220, 218D.575-218D.585) **Sections 6-10** of this bill move that prefiling deadline for those measures to the third Wednesday in November preceding a regular session. **Section 2 of this bill requires certain measures requested by Legislators to be prefiled on or before the first day of a regular legislative session.**

Sec. 10. This act becomes effective on July 1, 2015.

Assemblyman Stewart moved that the Assembly concur in the Senate Amendment No. 1074 to Assembly Bill No. 495.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 445.

The following Senate amendment was read:

Amendment No. 1069.

AN ACT relating to redevelopment; requiring a portion of the revenues from taxes imposed on property in certain redevelopment areas to be set aside and used for public educational facilities; revising provisions relating to the extension of certain redevelopment plans; revising provisions relating to the recalculation of the total assessed value of taxable property in certain redevelopment areas; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a redevelopment plan, and any amendments to the plan, adopted by the redevelopment agency of a city or county on or after January 1, 1991, terminates not later than 30 years after the date on which the original redevelopment plan was adopted. (NRS 279.439) ~~[~~Section~~]~~ **Except for a redevelopment area that includes real property conveyed by the Federal Government which contains certain abandoned mine or milling facilities, section 3** of this bill extends to a maximum of 45 years the date of termination of such a redevelopment plan, and any amendments to the plan, adopted by a city whose population is 220,000 or more but less than 500,000 located in a county whose population is 700,000 or more (currently the City of Henderson)

if the city council adopts the extension of the plan by ordinance. If such an ordinance is adopted, **section 1** of this bill requires that 18 percent of the revenues received from taxes on the taxable property located in the redevelopment area affected by the ordinance on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. **Section 1** also provides that the obligation to set aside such revenues is subordinate to any existing obligations of the agency.

Under existing law, the date of termination of a redevelopment plan and any amendments to the plan adopted before January 1, 1991, by a redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas) is authorized to be extended by ordinance adopted by the city council of that city from a maximum of 45 years to 60 years if the following conditions exist on the date on which the extension is adopted: (1) the assessed value of each redevelopment project in the redevelopment area is not less than the assessed value of the redevelopment project in the year in which the redevelopment plan was adopted; (2) the assessed value of the redevelopment area is not less than 75 percent of the assessed value of the redevelopment area in the year in which the redevelopment plan was adopted; and (3) the agency has $100 million or more in total outstanding indebtedness represented by bonds and other securities. (NRS 279.438) **Section 2** of this bill changes the assessed value requirement in the first condition from the basis of each individual redevelopment project to the aggregate of redevelopment projects in the redevelopment area and eliminates the third condition.

Under existing law, a redevelopment agency in a city located in a county whose population is 700,000 or more (currently Clark County) is authorized to adopt, in certain circumstances, an ordinance which provides for the recalculation of the total assessed value of the taxable property in a redevelopment area for certain purposes. If such a redevelopment agency adopts such an ordinance and receives certain revenue from taxes, existing law requires that 18 percent of the revenue received on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. (NRS 279.676) **Section 3.5** of this bill revises the application of the recalculated assessed value in the tax distribution formula for the redevelopment area and specifies that the revenue received by the agency is from taxes on the taxable property located in the redevelopment area affected by the ordinance that is adopted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, an agency of a city whose population is 220,000 or more but less than 500,000 located in a county whose population is 700,000 or more that adopts an ordinance pursuant to subsection 3 of NRS 279.439 and which receives revenue pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance shall set aside not less than 18 percent of such revenue received on or after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. The provisions of this subsection do not apply if such an agency is required pursuant to subsection 6 of NRS 279.676 to set aside not less than 18 percent of revenue received pursuant to paragraph (b) of subsection 1 of NRS 279.676 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5 of NRS 279.676 on or after the effective date of that ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of the ordinance adopted by the agency pursuant to subsection 3 of NRS 279.439 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

2. A redevelopment plan adopted by an agency of a city whose population is 500,000 or more may terminate on the date prescribed by paragraph (a) of subsection 1 only if the legislative body adopts an extension of the redevelopment plan by ordinance and, on the date on which the extension is adopted:

1. Except as otherwise provided in subsections 2 and 3, a redevelopment plan adopted on or after January 1, 1991, and any amendments to the plan must terminate not later than 30 years after the date on which the original redevelopment plan is adopted.

2. ~~*[4]*~~ ***Except for a redevelopment area described in subsection 2 of section 1 of Senate Bill No. 297 of this session, a redevelopment plan, and any amendments to the plan, adopted on or after January 1, 1991, by an agency of a city whose population is 220,000 or more but less than 500,000 located in a county whose population is 700,000 or more that meets the requirement of subsection 3 must terminate not later than 45 years after the date on which the original redevelopment plan is adopted.***

3. A redevelopment plan, and any amendments to the plan, may terminate on the date prescribed by subsection 2 only if the legislative body adopts an extension of the redevelopment plan by ordinance.

Sec. 3.5. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation,

after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by:

(1) The assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan; or

(2) The assessment roll last equalized before the effective date of an ordinance adopted pursuant to subsection 5,

➥ whichever occurs later, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a county whose population is 100,000 or more or a city whose population is 150,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a county whose population is 30,000 or more but less than 100,000 or a city whose population is 25,000 or more but less than 150,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a county whose population is less than 30,000 or a city whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. If in any year the assessed value of the taxable property in a redevelopment area located in a city in a county whose population is 700,000 or more as shown by the assessment roll most recently equalized has decreased by 10 percent or more from the assessed value of the taxable property in the

redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, the redevelopment agency may adopt an ordinance which provides that the total assessed value of the taxable property in the redevelopment area for the purposes of ~~[paragraph]~~ ***paragraphs (a) and*** (b) of subsection 1 is the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance adopted pursuant to this subsection. A redevelopment agency may adopt an ordinance pursuant to this subsection only once, and the election to adopt such an ordinance is irrevocable.

6. An agency which adopts an ordinance pursuant to subsection 5 and which receives revenue ~~[from taxes]~~ pursuant to paragraph (b) of subsection 1 ***from taxes on the taxable property located in the redevelopment area affected by the ordinance*** shall set aside not less than 18 percent of that revenue received on and after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered year, or to the next session of the Legislature, if the report is received during an even-numbered year.

7. The obligation of an agency pursuant to subsection 6 to set aside not less than 18 percent of the revenue ~~[from taxes]~~ allocated to and received by the agency pursuant to paragraph (b) of subsection 1 ***from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5*** is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by an agency before the effective date of an ordinance adopted by the agency pursuant to subsection 5, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of an ordinance adopted by the agency pursuant to subsection 5 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 4. NRS 279.680 is hereby amended to read as follows:

279.680 Except as otherwise provided in NRS 279.685 ~~[,]~~ ***and section 1 of this act,*** in any redevelopment plan, or in the proceedings for the advance of money, or the making of loans, or the incurring of any indebtedness, whether funded, refunded, assumed or otherwise, by the redevelopment agency to finance or refinance, in whole or in part, the redevelopment project,

the portion of taxes mentioned in paragraph (b) of subsection 1 of NRS 279.676 may be irrevocably pledged for the payment of the principal of and interest on those loans, advances or indebtedness.

Sec. 5. NRS 279.687 is hereby amended to read as follows:

279.687 A school district shall not use any money received pursuant to subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 **,** ~~[or]~~ paragraph (c) of subsection 1 of NRS 279.685 ***or section 1 of this act*** to reduce or supplant the amount of any money which the school district would otherwise expend for the purposes described in subparagraph (2) of paragraph (b) of subsection 1 of NRS 279.685 **,** ~~[and]~~ paragraph (c) of subsection 1 of NRS 279.685 ~~[.]~~ ***and section 1 of this act,*** respectively.

Sec. 6. The provisions of subsection 1 of NRS 218D.380 do not apply to the reporting requirements of section 1 of this act.

Sec. 7. This act becomes effective on July 1, 2015.

Sec. 56. *1. If the Department fails to mail notice of action on a claim within 6 months after the claim is filed, the claimant may consider the claim disallowed and file an appeal with the Commission within 30 days after the last day of the 6-month period. If the claimant is aggrieved by the decision of the Commission rendered on appeal, the claimant may, within 90 days after the decision is rendered, bring an action against the Department on the grounds set forth in the claim for the recovery of the whole or any part of the amount claimed as an overpayment.*

2. If judgment is rendered for the plaintiff, the amount of the judgment must first be credited toward any tax due from the plaintiff.

3. The balance of the judgment must be refunded to the plaintiff.

Sec. 57. *In any judgment, interest must be allowed at the rate of 3 percent per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days. The date must be determined by the Department.*

Sec. 58. *A judgment may not be rendered in favor of the plaintiff in any action brought against the Department to recover any amount paid when the action is brought by or in the name of an assignee of the person paying the amount or by any person other than the person who paid the amount.*

Sec. 59. *1. The Department may recover a refund or any part thereof which is erroneously made and any credit or part thereof which is erroneously allowed in an action brought in a court of competent jurisdiction in Carson City or Clark County in the name of the State of Nevada.*

2. The action must be tried in Carson City or Clark County unless the court, with the consent of the Attorney General, orders a change of place of trial.

3. The Attorney General shall prosecute the action, and the provisions of the Nevada Revised Statutes, the Nevada Rules of Civil Procedure and the Nevada Rules of Appellate Procedure relating to service of summons, pleadings, proofs, trials and appeals are applicable to the proceedings.

Sec. 60. *1. 2. If an amount not exceeding $25 has been illegally determined, either by the Department or by the person filing the return, the Department, without certifying that fact to the State Board of Examiners, shall authorize the cancellation of the amount upon the records of the Department.

Sec. 61. *The remedies of the State provided for in this chapter are cumulative, and no action taken by the Department or the Attorney General constitutes an election by the State to pursue any remedy to the exclusion of any other remedy for which provision is made in this chapter.*

Sec. 62. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 4, on or before September 30 of each even-numbered year, the Department shall determine the combined revenue from the tax imposed by chapters 363A and 363B of NRS and the commerce tax imposed by sections 2 to 61, inclusive, of this act for the preceding fiscal year.

2. Except as otherwise provided in subsection 4, if the combined revenue determined pursuant to subsection 1 exceeds by more than 4 percent the amount of the combined anticipated revenue from those taxes for that fiscal year, as projected by the Economic Forum for that fiscal year pursuant to paragraph (e) of subsection 1 of NRS 353.228 and as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year, the Department shall determine the rate at

which the taxes imposed pursuant to NRS 363A.130 and 363B.110, in combination with the revenue from the commerce tax imposed by sections 2 to 61, inclusive, of this act, would have generated a combined revenue of 4 percent more than the amount anticipated. In making the determination required by this subsection, the Department shall reduce the rate of the taxes imposed pursuant to NRS 363A.130 and 363B.110 in the proportion that the actual amount collected from each tax for the preceding fiscal year bears to the total combined amount collected from both taxes for the preceding fiscal year.

3. Except as otherwise provided in subsection 4, effective on July 1 of the odd-numbered year immediately following the year in which the Department made the determination described in subsection 1, the rates of the taxes imposed pursuant to NRS 363A.130 and 363B.110 that are determined pursuant to subsection 2, rounded to the nearest one-thousandth of a percent, must thereafter be the rate of those taxes, unless further adjusted in a subsequent fiscal year.

4. If, pursuant to subsection 3, the rate of the tax imposed pursuant to NRS 363B.110 is 1.17 percent:

(a) The Department is no longer required to make the determinations required by subsections 1 and 2; and

(b) The rate of the taxes imposed pursuant to NRS 363A.130 and 363B.110 must not be further adjusted pursuant to subsection 3.

2. Except as otherwise provided in subsection 4, if the combined revenue determined pursuant to subsection 1 exceeds by more than 4 percent the amount of the combined anticipated revenue from those taxes for that fiscal year, as projected by the Economic Forum for that fiscal year pursuant to paragraph (e) of subsection 1 of NRS 353.228 and as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year, the Department shall determine the rate at

In making the determination required by this subsection, the Department shall reduce the rate of the taxes imposed pursuant to NRS 363A.130 and 363B.110 in the proportion that the actual amount collected from each tax for the preceding fiscal year bears to the total combined amount collected from both taxes for the preceding fiscal year.

Except as otherwise provided in subsection 4, effective on July 1 of the odd-numbered year immediately following the year in which the Department made the determination described in subsection 1, the rates of the taxes imposed pursuant to NRS 363A.130 and 363B.110 that are determined pursuant to subsection 2, rounded to the nearest one-thousandth of a percent, must thereafter be the rate of those taxes, unless further adjusted in a subsequent fiscal year.

4. If, pursuant to subsection 3, the rate of the tax imposed pursuant to NRS 363B.110 is 1.17 percent:

(a) The Department is no longer required to make the determinations required by subsections 1 and 2; and

(b) The rate of the taxes imposed pursuant to NRS 363A.130 and 363B.110 must not be further adjusted pursuant to subsection 3.

(b) One member of the Assembly appointed by the Minority Leader from the minority political party; and

(c) Three qualified electors of the State, two of whom are appointed by the Speaker and one who is appointed by the Minority Leader, and none of

whom is a present member of the Legislature or employed by the State of Nevada.

2. The Speaker shall appoint the Chair and Vice Chair of the Committee. The Vice Chair shall serve as the acting Chair if the Chair is unable to serve for any reason during the consideration of a specific question.

3. The Speaker shall appoint an alternate member with the qualifications set forth in paragraph (a) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. The Minority Leader shall appoint an alternate member with the qualifications set forth in paragraph (b) of subsection 1 and an alternate member with the qualifications set forth in paragraph (c) of subsection 1. If a member of the Committee is unable to serve for any reason during the consideration of a specific question, the alternate appointed with the qualifications from the same paragraph in subsection 1 shall serve as a member of the Committee during the consideration of the specific question.

4. A member of the Committee is disqualified to serve during the consideration of a specific question if:

(a) The member is the requester of advice concerning the question of ethics or conflict of interest, or the member is the subject of the complaint concerning the specific question; or

(b) A reasonable person in the member's situation could not exercise independent judgment on the matter in question.

5. The members of the Committee shall perform any duty required in the period between the time of their appointment after the general election and the organization of the next succeeding regular session, or until the Speaker or the Speaker Designate or the Minority Leader or Minority Leader Designate appoint new members to the Committee, whichever occurs first.

6. The tenure of the members of the Committee shall extend during the interim between regular sessions of the Legislature.

7. The Committee:

(a) May hear requests brought by members of the Assembly for advice on specific questions of potential breaches of ethics and conflicts of interest; and

(b) Shall hear complaints brought by members of the Assembly and others on specific questions of alleged breaches of ethics and conflicts of interest.

8. All proceedings held to consider the character, alleged misconduct, professional competence or physical or mental health of any person by the Committee on matters of ethics or conflicts of interest are confidential unless a Legislator:

(a) Against whom a complaint is brought requests a public hearing;

(b) Discloses the content of an opinion of the Committee at any time after his or her hearing; or

(c) Discloses the content of an advisory opinion issued to him or her by the Committee.

9. A complaint which alleges a breach of ethics or a conflict of interest must be:

(a) Made in writing on a form provided by the Chief Clerk of the Assembly;

(b) Signed and verified under penalty of perjury by the person making the allegation; and

(c) Filed with the Chair of the Committee or, if the Chair is the subject of the complaint, with the Vice Chair. The Chair or Vice Chair, as appropriate, shall send a copy of the complaint, within 24 hours after receiving it, to the Legislator against whom the complaint is brought.

10. In determining whether a Legislator has a conflict of interest, the Legislator should consider whether the independence of judgment of a reasonable person in his or her situation upon the matter in question would be materially affected by the Legislator's:

(a) Acceptance of a gift or loan;

(b) Private economic interest; or

(c) Commitment to a member of his or her household or immediate family.

➥ In interpreting and applying the provisions of this subsection, it must be presumed that the independence of judgment of a reasonable person in the Legislator's situation would not be materially affected by the Legislator's private economic interest or the Legislator's commitment to a member of his or her household or immediate family where the resulting benefit or detriment accruing to the Legislator, or if the Legislator has a commitment to a member of his or her household or immediate family, accruing to those other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group that is affected by the matter.

11. Except as otherwise provided in subsection 12, if a Legislator knows he or she has a conflict of interest pursuant to subsection 10, the Legislator shall make a general disclosure of the conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, as applicable. Such a disclosure must be entered:

(a) If the Legislator makes the disclosure in a meeting of a committee, in the minutes for that meeting.

(b) If the Legislator makes the disclosure on the floor of the Assembly, in the Journal.

12. If, on one or more prior occasions during the current session of the Legislature, a Legislator has made a general disclosure of a conflict of interest on the record in a meeting of a committee or on the floor of the Assembly, the Legislator is not required to make that general disclosure at

length again regarding the same conflict of interest if, when the matter in question arises on subsequent occasions, the Legislator makes a reference on the record to the previous disclosure.

13. In determining whether to abstain from voting upon, advocating or opposing a matter concerning which a Legislator has a conflict of interest pursuant to subsection 10, the Legislator should consider whether:

(a) The conflict impedes his or her independence of judgment; and

(b) His or her interest is greater than the interests of an entire class of persons similarly situated.

14. The provisions of this Rule do not under any circumstances and regardless of any conflict of interest:

(a) Prohibit a Legislator from requesting or introducing a legislative measure; or

(b) Require a Legislator to take any particular action before or while requesting or introducing a legislative measure.

15. If a Legislator who is a member of a committee declares on the record when a vote is to be taken by the committee that he or she will abstain from voting because of the requirements of this Rule, the necessary quorum to act upon and the number of votes necessary to act upon the matter is reduced as though the Legislator abstaining were not a member of the committee.

16. The standards and procedures set forth in this Rule which govern whether and to what extent a member of the Assembly has a conflict of interest, should disclose a conflict of interest or should abstain from voting upon, advocating or opposing a matter concerning which the member has a conflict of interest pursuant to subsection 10:

(a) Are exclusive and are the only standards and procedures that apply to members of the Assembly with regard to such matters; and

(b) Supersede and preempt all other standards and procedures with regard to such matters.

17. For purposes of this Rule, "immediate family" means a person who is related to the Legislator by blood, adoption or marriage within the first degree of consanguinity or affinity.

[Statutes of Nevada 1977, 1706; A 1987, 2325, 2336; 1995, 2847; 1997, 3540; 2009, 3143; 2011, 3794; 2013, 3900; 2014, 28th Special Session, 38]

The next rule is 30.

IV. QUORUM, VOTING, ELECTIONS

Rule No. 30. Manner of Voting.

1. The presiding officer shall declare all votes, but the yeas and nays must be taken when called for by three members present, and the names of

those calling for the yeas and nays must be entered in the Journal by the Chief Clerk.

2. The presiding officer shall call for yeas and nays by a division or by a roll call, either electronic or oral.

3. When taking the yeas and nays on any question, the electronic roll call system may be used, and when so used shall have the force and effect of any roll call under these rules.

4. When taking the yeas and nays by oral roll call, the Chief Clerk shall take the names of members alphabetically, except that the Speaker's name must be called last.

5. The electronic roll call system may be used to determine the presence of a quorum.

6. The yeas and nays must not be taken with the electronic roll call system until all members present are at their desks. The presiding officer may vote at the rostrum.

7. Only a member who:

(a) Has been certified by the Committee on Legislative Operations and Elections or a special committee of the Assembly; and

(b) Is physically present within the Assembly Chambers,

1. A member shall vote on all questions that come before the body unless the member:

2. A member found guilty by the House of a breach of this Rule shall not vote or speak on the floor, except to explain and apologize for the breach, until the member has made satisfaction to the House for the breach.

[Statutes of Nevada 2011, 3797]

Rule No. 106. Skeleton Bills.

The introduction of skeleton bills is authorized when, in the opinion of the sponsor and the Legislative Counsel, the full drafting of the bill would entail extensive research or be of considerable length. The first reading of a bill or joint resolution shall be for information. If there is objection, the question shall be, "Shall the bill be rejected?" If the question to reject fails to receive a majority vote by the members present, or if there is no objection, the bill shall take the proper course. If the question to reject receives a majority vote of the members present, the bill or joint resolution shall be rejected. The same question must not be considered again during the session, and the question is not subject to a motion for reconsideration. Any bill so amended upon the General File must be reprinted and then engrossed or reengrossed, as applicable. 2. The Chief Clerk shall maintain a list of bills recommended for the Consent Calendar. The list must be printed in the Daily History and must include the summary of each bill, and the date the bill is scheduled for consideration on final passage.

3. At any time before the presiding officer calls for a vote on the passage of the Consent Calendar, a member may give written notice to the Chief Clerk or state orally from the floor of the Assembly in session that he or she requests the removal of a particular bill from the Consent Calendar. If a member so requests, the Chief Clerk shall remove the bill from the Consent Calendar and transfer it to the Second Reading File. A bill removed from the Consent Calendar may not be restored to that Calendar.

4. During floor consideration of the Consent Calendar, members may ask questions and offer explanations relating to the respective bills.

5. When the Consent Calendar is brought to a vote, the bills remaining on the Consent Calendar must be read by number and summary and the vote must be taken on their final passage as a group.

2. A member who moves to amend a bill or joint resolution during its third reading must limit his or her remarks to an explanation of the amendment. Rule No. 115. Reconsideration of Vote on Bill.

1. A motion to reconsider a final vote on a bill or resolution shall be in order only on the day on which the final vote is taken, and the vote on such a motion to reconsider must be taken on the same day. The motion to reconsider can be made only by a member who voted with the prevailing side.

2. A motion to reconsider a vote on an amendment to a pending question must be made at once and can be made only by a member who voted with the prevailing side.

3. A motion to reconsider shall have precedence over every other motion, including a motion to adjourn, if the motion is to reconsider a final vote on a bill or resolution. If the motion to reconsider is for any other action, the motion has precedence over every other motion, except a motion to adjourn or to fix the time to adjourn; and when the Assembly adjourns while a motion to reconsider is pending, the right to move a reconsideration shall continue to the next day of sitting.

1. Bills that have passed both Houses of the Legislature and are transmitted to the Assembly accompanied by a message or statement of the Governor's disapproval or veto of the same must:

(a) Be taken up and considered immediately upon the coming in of the message transmitting the same; or

(b) Become the subject of a special order.

2. When the message is received, or if made a special order, when the special order is called, the said message or statement must be read together with the bill or bills so disapproved or vetoed. The message and bill must be read by the Chief Clerk without interruption, consecutively, one following the other, and not upon separate occasions. No such bill or message may be referred to any committee, or otherwise acted upon save as provided by law and custom. It shall not be in order, at any time, to vote upon such a vetoed bill unless the same shall first have been read, from the first word of its title to and including the last word of its final section. The message or statement containing the objections of the Governor to the bill must be entered in the Journal of the Assembly.

JOINT STANDING RULES OF THE SENATE AND ASSEMBLY

CONFERENCE COMMITTEES

Rule No. 1. Procedure Concerning.

1. In every case of an amendment of a bill, or joint or concurrent resolution, agreed to in one House, dissented from in the other, and not receded from by the one making the amendment, each House shall appoint a committee to confer with a like committee to be appointed by the other; and the committee so appointed shall meet publicly at a convenient hour to be agreed upon by their respective chairs and announced publicly, and shall confer upon the differences between the two Houses as indicated by the amendments made in one and rejected in the other and report as early as convenient the result of their conference to their respective Houses.

2. The report shall be made available to all members of both Houses. The whole subject matter embraced in the bill or resolution shall be considered by the committee, and it may recommend recession by either House, new amendments, a new bill or resolution, or other changes as it sees fit. A new bill or resolution so reported shall be treated as amendments unless the bill or resolution is composed entirely of original matter, in which case it shall receive the treatment required in the respective Houses for original bills, or resolutions, as the case may be. A conference committee shall not recommend any action which would cause the creation of more than one reprint or more than one bill or resolution.

3. The report of a conference committee may be adopted by acclamation. The report is not subject to amendment.

4. There shall be but one conference committee on any bill or resolution. A majority of the members of a conference committee from each House must be members who voted for the passage of the bill or resolution.

ANTI-HARASSMENT POLICY

Rule No. 20. Maintenance of Working Environment; Procedure for Filing, Investigating and Taking Remedial Action on Complaints.

1. The Legislature hereby declares that it is the policy of the Legislature to prohibit any conduct, whether intentional or unintentional, which results in sexual harassment or other unlawful harassment based upon any other protected category. The Legislature intends to maintain a working environment which is free from sexual harassment and other unlawful harassment. Each Legislator is responsible to conduct himself or herself in a manner which will ensure that others are able to work in such an environment.

2. In accordance with Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e et seq., for the purposes of this Rule, "sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(a) Submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment;

(b) Submission to or rejection of such conduct by a person is used as the basis for employment decisions affecting the person; or

(c) Such conduct has the purpose or effect of unreasonably interfering with a person's work performance or creating an intimidating, hostile or offensive working environment.

3. Each Legislator must exercise his or her own good judgment to avoid engaging in conduct that may be perceived by others as sexual harassment.

The following noninclusive list provides illustrations of conduct that the Legislature deems to be inappropriate:

(a) Verbal conduct such as epithets, derogatory comments, slurs or unwanted sexual advances, invitations or comments;

(b) Visual conduct such as derogatory posters, photography, cartoons, drawings or gestures;

(c) Physical conduct such as unwanted touching, blocking normal movement or interfering with the work directed at a person because of his or her sex; and

(d) Threats and demands to submit to sexual requests to keep a person's job or avoid some other loss, and offers of employment benefits in return for sexual favors.

4. Retaliation against a person for engaging in protected activity is prohibited. Retaliation occurs when an adverse action is taken against a person which is reasonably likely to deter the person from engaging in the protected activity. Protected activity includes, without limitation:

(a) Opposing conduct that the person reasonably believes constitutes sexual harassment or other unlawful harassment;

(b) Filing a complaint about the conduct; or

(c) Testifying, assisting or participating in any manner in an investigation or other proceeding related to a complaint of sexual harassment or other unlawful harassment.

5. A Legislator who encounters conduct that the Legislator believes is sexual harassment, other unlawful harassment, retaliation or otherwise inconsistent with this policy may file a written complaint with:

(a) The Speaker of the Assembly;

(b) The Majority Leader of the Senate; or

(c) The Director of the Legislative Counsel Bureau, if the complaint involves the conduct of the Speaker of the Assembly or the Majority Leader of the Senate.

➥ The complaint must include the details of the incident or incidents, the names of the persons involved and the names of any witnesses.

6. The Speaker of the Assembly, the Majority Leader of the Senate or the Director of the Legislative Counsel Bureau, as appropriate, shall cause a discreet and impartial investigation to be conducted and may, when deemed necessary and appropriate, assign the complaint to a committee consisting of Legislators of the appropriate House.

7. If the investigation reveals that sexual harassment, other unlawful harassment, retaliation or other conduct in violation of this policy has occurred, appropriate disciplinary or remedial action, or both, will be taken. The appropriate persons will be informed when any such action is taken. The

Legislature will also take any action necessary to deter any future harassment.

8. The Legislature encourages a Legislator to report any incident of sexual harassment, other unlawful harassment, retaliation or other conduct inconsistent with this policy immediately so that the complaint can be quickly and fairly resolved.

9. All Legislators are responsible for adhering to the provisions of this policy. The prohibitions against engaging in sexual harassment and other unlawful harassment which are set forth in this Rule apply to employees, Legislators, lobbyists, vendors, contractors, customers and any other visitors to the Legislature.

10. This policy does not create any enforceable legal rights in any person.
