Except as otherwise provided in this section, a]***~~ practitioner shall, before ~~[~~writing~~]~~ ***initiating*** a prescription for a controlled substance listed in schedule II, III or IV, ~~[~~for a patient,~~]~~ obtain a patient utilization report regarding the patient ~~[~~for the preceding 12 months~~]~~ from the computerized program established by the Board and the Investigation Division of the Department of Public Safety pursuant to NRS 453.1545 ~~***[.]***~~ if ~~[~~the practitioner has a reasonable belief that the patient may be seeking the controlled substance, in whole or in part, for any reason other than the treatment of an existing medical condition and:~~]~~ ***:***

1. The patient is a new patient of the practitioner; or

2. The ~~[~~patient has not received any ~~]~~ prescription ~~[~~for a controlled substance from the practitioner in the preceding 12 months.~~]~~ ***is for more than 7 days and is part of a new course of treatment for the patient.***

➥ The practitioner shall review the patient utilization report to assess whether the prescription for the controlled substance is medically necessary.

2. If a practitioner who attempts to obtain a patient utilization report as required by subsection 1 fails to do so because the computerized program is unresponsive or otherwise unavailable, the practitioner:

(a) Shall be deemed to have complied with subsection 1 if the practitioner documents the attempt and failure in the medical record of the patient.

(b) Is not liable for the failure.

3. The Board shall adopt regulations to provide alternative methods of compliance with subsection 1 for a physician while he or she is providing service in a hospital emergency department. The regulations must include, without limitation, provisions that allow a hospital to designate members of hospital staff to act as delegates for the purposes of accessing the database of the computerized program and obtaining patient utilization reports from the computerized program on behalf of such a physician.

(b) May be subject to professional discipline if the appropriate professional licensing board determines that the practitioner's violation was intentional.

The term does not include any act concerning an ongoing prescription that is written to continue a course of treatment for an existing patient of a practitioner.

2. Any expenses incurred by the Department to provide naloxone hydrochloride must be paid for through the existing resources of the Medicaid program.

Sec. 18. This act becomes effective:

1. Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. On October 1, 2015, for all other purposes.

Assemblyman Oscarson moved the adoption of the amendment.

Remarks by Assemblyman Oscarson.

ASSEMBLYMAN OSCARSON:

This amends the provisions of section 7 to not create any duty to prescribe or dispense an opioid antagonist. A person is not subject to any criminal or civil liability or any professional discipline relating to declining to prescribe or dispense opioid antagonists.

In section 10.2 (b) it adds "including, without limitation, the use of opioid analgesic drugs that contain abuse-deterrent mechanisms and access to such drugs."

Section 16 restores some language:

1. The patient is a new patient of the practitioner; or

2. The prescription is for more than 7 days and is part of a new course of treatment for the patient.

Senate Bill 27 revises provisions governing the funding of administrative services required by the Commission for Cultural Affairs. Instead of relying solely on money derived from interest earned on the money in the Fund for the Preservation and Promotion of Cultural Resources to pay for those services each fiscal year, this bill authorizes the Commission to use not more than 5 percent of the proceeds from any particular bond issue to pay for those services.

Senate Bill 30 authorizes an elected county officer the ability to reject longevity pay for which the officer is entitled by state law. At the present time, a county official who has served more than four years must accept longevity pay of 2 percent. He now has the option, if this bill passes, to reject that 2 percent. I encourage you to pass this bill.

ASSEMBLYWOMAN SPIEGEL:

Senate Bill 47 revises laws related to local improvement districts. The bill revises the definition of a "commercial area vitalization project", changing the term to "neighborhood improvement project", to allow the establishment of such a project in any area of the local improvement district instead of an area zoned primarily for business or commercial purposes. A waterfront project is added to the list of allowable projects. The population cap is removed to allow the governing body in a county with a population of 700,000 or more (Clark County) to levy one or more special assessments for the extraordinary maintenance, repair, and improvement of the neighborhood improvement project for which the improvement district has been created. The amount of money to be set aside for the surplus and deficiency fund is increased from $25,000 to $50,000, and the authorized uses of the fund are expanded.

The bill allows the governing body to grant authority, by resolution, to the treasurer to reduce or waive interest as long as such reduction or waiver does not impair a municipality's ability to pay its bond obligations. Finally, the measure revises provisions relevant to the collection of delinquent assessments prior to a county conveying a deed. The bill is effective on July 1, 2015.

Senate Bill 63 designates the Nevada Indian Commission as the coordinating agency for discussions among the Commission, state agencies, and local governmental entities regarding activities and uses of the former Stewart Indian School. The bill creates the Nevada Indian Commission's Gift Fund, a special revenue fund, which is a continuing fund without reversion to the State General Fund. All gifts, grants of money, or other property that the Commission is authorized to accept must be accounted for in the Nevada Indian Commission's Gift Fund, unless specifically accounted for in another fund. Any gifts of property other than money may be sold or exchanged when deemed by the Commission to be in the best interest of the Commission, but the sale price must not be less than 90 percent of the value determined by a qualified appraiser appointed by the Commission. Senate Bill 118 revises various provisions of the Charter of the City of Sparks to limit the authority of the City Manager, instead authorizing the municipal judges and the Administrative Judge to take certain actions concerning employees of the Municipal Court. Additionally, the civil service rules for employees of the city do not apply to officers and employees of the Municipal Court.

This bill came out of the Nevada Supreme Court decision in the City of Sparks v. Sparks Municipal Court. The court found unconstitutional the way in which employees of the city's municipal court were being appointed. This makes various changes to the charter to conform to that opinion.

ASSEMBLYWOMAN SPIEGEL:

Senate Bill 177 authorizes a patient, a legal representative of a patient who is incompetent, or a parent or guardian of a patient who is a minor to designate a caregiver upon an inpatient admission to a hospital. Another caregiver can be designated if the person originally designated is unable or unwilling to perform the duties. A person is under no obligation to a patient solely because the person has been designated as a caregiver.

A hospital must provide the opportunity for a patient, a legal representative of such a patient who is incompetent, or a parent or guardian of a minor patient to designate a caregiver for that patient. A hospital must also allow a patient who was unconscious or otherwise incompetent upon admission but regains competence to designate a caregiver. The hospital must record the designation of a caregiver or declination to do so in the patient's medical record.

If a patient has a designated caregiver, a hospital shall request written consent to release medical information to the caregiver if such consent is required by federal or state law. If a patient provides such consent, a hospital must attempt to notify the caregiver of the planned discharge or transfer of the patient and attempt to provide the caregiver with certain information and training concerning aftercare for the patient. A hospital is authorized to proceed with a planned discharge or transfer

of the patient if the hospital is not successful in providing this notification, information, and training to the caregiver. In addition, the measure specifies that a hospital is not liable for aftercare provided either improperly or not at all by the caregiver. This bill is effective on October 1, 2015.

This bill is known as The Care Act. It will really enable Nevadans to take care of their loved ones when they are in the hospital and when they are discharged from the hospital. It is a great bill and I urge your support.

Currently the Bureau of Reclamation is repairing Boca Dam, making it safe at the Boca Reservoir. The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 653.

AN ACT relating to the Virgin Valley Water District; authorizing the District to issue certain letters for commitment to supply water service; requiring the annual renewal of such letters; providing a fee; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Virgin Valley Water District to supply water under contract or agreement to certain entities when such supply is available. (Virgin Valley Water District Act § 3) **Section 1** of this bill provides that: (1) the District may issue a letter that commits the District to supply water service to a particular property subject to ~~[certain conditions]~~ **any condition** precedent ~~[,]~~ **set forth in the letter;** and (2) such a letter must be renewed on an annual basis, subject to a reasonable fee, or the letter will expire. **Section 1** also provides that the District will not refund any fees paid by, return any water rights dedicated to or pay any expenses of the holder associated with the construction and dedication of any infrastructure if the holder of such a letter fails to meet any condition precedent included in the letter or if the letter expires. **Section 2** of this bill makes the requirement for the renewal of such letters apply retroactively to any letter issued before July 1, 2015.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Virgin Valley Water District Act, being chapter 100, Statutes of Nevada 1993, at page 159, is hereby amended by adding thereto a new section to be designated as section 3.5, immediately following section 3.3, to read as follows:

Sec. 3.5. 1. For property under development or proposed to be developed for residential, commercial or industrial purposes, the District may issue a letter that commits the District to supply water service to the property subject to ~~[certain conditions]~~ any condition precedent ~~[,]~~ set forth in the letter, including, without limitation, the payment of fees, the dedication of water rights or the construction and dedication of infrastructure.

2. A letter issued pursuant to subsection 1 must be renewed on an annual basis in accordance with the regulations and policies of the District. The District may establish a reasonable fee, by regulation, for the renewal of such a letter. Any letter that is not renewed expires on the day after the deadline for renewal.

3. For a letter issued pursuant to subsection 1, the District shall not refund any fees paid by, return any water rights dedicated to or pay any expenses of the holder of the letter for the construction and dedication of any infrastructure if:

(a) The holder of the letter fails to meet any condition precedent included in the letter; or

(b) The letter expires pursuant to subsection 2.

Sec. 2. 1. Any letter issued by the Virgin Valley Water District before July 1, 2015, for a commitment to supply water service must be renewed with the District on or before July 1, 2016, and on an annual basis thereafter. Any such letter not renewed pursuant to this section will expire on the day after the deadline for renewal.

2. To renew a letter described in subsection 1, the holder of the letter must prove to the satisfaction of the District that:

(a) The water that is the subject of the letter has been put to beneficial use; or

(b) If the water that is the subject of the letter has not been put to beneficial use, the project for which the commitment to supply water service was acquired is still under development. A project shall be deemed to be under development if:

(1) The building permit for the property is not cancelled or expired;

(2) Any final map associated with the property is not cancelled or inactive; ~~[or]~~ **and**

(3) The holder of the letter has, within the immediately preceding 12 months, contributed towards the development of the property:

(I) Money equal to 10 percent of the total estimated development costs of the property, including planned improvements; or

(II) Labor, services or improvements with a fair market value of at least 10 percent of the total estimated development costs of the property, including planned improvements.

3. The District shall approve the renewal of an existing letter if the request for renewal is submitted before the annual deadline and includes the information required by subsection 2.

4. The District shall not refund any fees paid by, return any water rights dedicated to or pay any expenses of the holder of a letter associated with the construction and dedication of any infrastructure if the letter expires pursuant to this section.

Sec. 3. This act becomes effective on July 1, 2015.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblyman Ellison.

ASSEMBLYMAN ELLISON:

The amendment clarifies that a letter committing the Virgin Valley Water District to supply water to a particular property is subject to any condition precedent and replaces the word "or" with "and" regarding certain specifications concerning the development status of a project.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 652.

AN ACT relating to water; revising provisions relating to the adjudication of vested water rights; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, water rights for surface water, artesian groundwater and percolating groundwater that were initiated by applying water to beneficial use before the statutes regulating those water sources were enacted by the Nevada Legislature in 1905, 1913 and 1939, respectively, are known as vested water rights. Existing law provides a procedure for determining the extent of all vested water rights on a water source, which is called an adjudication. As part of that procedure, claimants of vested rights are required to file proofs of appropriation with the State Engineer, which is known in existing law as the procedure of taking proofs. (NRS 533.090-533.320)

Section 1 of this bill requires any claimant of a pre-statutory water right to submit proof of the claim to the State Engineer on or before December 31, 2025, regardless of whether an adjudication has been ordered for a water source. If a claimant fails to submit such proof, the claim is deemed to be ~~[extinguished.]~~ **abandoned. Section 1** requires the State Engineer to provide notice of this requirement in various manners during the 10-year period before the deadline. **Sections 2 and 5-8** of this bill conform provisions in existing law governing the procedure of the State Engineer taking proofs to reflect the submission of any proofs pursuant to **section 1** to the State Engineer before an adjudication has been ordered. **Sections 3, 4, 9 and 11** of this bill eliminate the procedure of the State Engineer taking proofs in an adjudication on and after January 1, 2026, because **section 1** requires proofs of all pre-statutory water rights to be on file with the State Engineer by December 31, 2025, or such claims are ~~[extinguished.]~~ **deemed to be abandoned.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A claimant of any vested water right must submit, on a form prescribed by the State Engineer, proof of the claim to the State Engineer on or before December 31, 2025. If a claimant fails to file such proof on or before December 31, 2025, the claim shall be deemed to be ~~[extinguished.]~~ abandoned.

2. Until December 31, 2025, the State Engineer shall cause notice of the provisions of subsection 1 to be:

(a) Published annually for 4 consecutive weeks in four or more newspapers of general circulation throughout the State.

(b) Posted on the Internet website maintained by the State Engineer.

Sec. 2. NRS 533.095 is hereby amended to read as follows:

533.095 1. As soon as practicable after the State Engineer shall make and enter the order granting the petition or selecting the streams upon which the determination of rights is to begin, the State Engineer shall prepare a notice setting forth the fact of the entry of the order and of the pendency of the proceedings.

2. The notice shall:

(a) Name a date when the State Engineer or the State Engineer's assistants shall begin the examination.

(b) Set forth that all claimants to rights in the waters of the stream system are required, as provided in this chapter, to make proof of their claims ~~[.]~~ ***, except claimants who submitted proof of their claims pursuant to section 1 of this act.***

3. The notice shall be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system.

Sec. 3. NRS 533.095 is hereby amended to read as follows:

533.095 1. As soon as practicable after the State Engineer shall make and enter the order granting the petition or selecting the streams upon which the determination of rights is to begin, the State Engineer shall prepare a notice setting forth the fact of the entry of the order and of the pendency of the proceedings.

2. The notice shall ~~[:~~

~~(a) Name]~~ ***name*** a date when the State Engineer or the State Engineer's assistants shall begin the examination.

~~[(b) Set forth that all claimants to rights in the waters of the stream system are required, as provided in this chapter, to make proof of their claims, except claimants who submitted proof of their claims pursuant to section 1 of this act.]~~

3. The notice shall be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system.

Sec. 4. NRS 533.105 is hereby amended to read as follows:

533.105 1. If satisfactory data are available from the measurements and areas compiled by the United States Geological Survey or other persons, the State Engineer may dispense with the execution of such surveys and the preparation of such maps and stream measurements, except insofar as is necessary to prepare them to conform with the rules and regulations, as provided in NRS 533.100.

2. If the surveys are executed and maps are prepared and filed with the State Engineer at the instance of the person claiming a right to the use of water, the proportionate cost thereof, as determined by the State Engineer, to be assessed and collected for the adjudication of the relative rights, as provided in this chapter, shall be remitted to the claimant after the completion of the determination; but the map must conform with the rules and regulations of the State Engineer and shall be accepted only after the State Engineer is satisfied that the data shown thereon are substantially correct. Such measurements,

maps and determinations shall be exhibited for inspection ~~[at the time of taking proofs and]~~ during the period during which ~~[such]~~ proofs ***of claims*** and evidence are kept open for inspection in accordance with the provisions of this chapter.

Sec. 5. NRS 533.110 is hereby amended to read as follows:

533.110 1. Upon the filing of such measurements, maps and determinations, the State Engineer shall prepare a notice setting forth the date when the State Engineer is to commence the taking of proofs ***, except proofs submitted pursuant to section 1 of this act,*** as to the rights in and to the waters of the stream system, and the date prior to which the same must be filed. The date set prior to which the proofs must be filed shall not be less than 60 days from the date set for the commencement of the taking of proofs. The notice shall be deemed to be an order of the State Engineer as to its contents. The State Engineer shall cause the notice to be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system, the date of the last publication of the notice to be not less than 15 days prior to the date fixed for the commencement of the taking of proofs by the State Engineer.

2. At or near the time of the first publication of the notice, the State Engineer shall send by registered or certified mail to each person, or deliver to each person, in person, hereinafter designated as claimant, claiming rights in or to the waters of the stream system, insofar as such claimants can be reasonably ascertained, ***who has not submitted proof pursuant to section 1 of this act,*** a notice equivalent in terms to the published notice setting forth the date when the State Engineer will commence the taking of proofs, and the date prior to which proofs must be filed with the State Engineer. The notice must be mailed at least 30 days prior to the date fixed for the commencement of the taking of proofs.

Sec. 6. NRS 533.115 is hereby amended to read as follows:

533.115 The State Engineer shall, in addition, enclose with the notice to be mailed as provided in NRS 533.110, blank forms upon which ~~[the]~~ ***a*** claimant ***who has not submitted proof pursuant to section 1 of this act*** shall present in writing all particulars necessary for the determination of the claimant's right in or to the waters of the stream system, the statement to include the following:

1. The name and post office address of the claimant.
2. The nature of the right or use on which the claim for appropriation is based.

4. The date of beginning of construction.
5. The date when completed.
6. The dates of beginning and completion of enlargements.
7. The dimensions of the ditch as originally constructed and as enlarged.

8. The date when water was first used for irrigation or other beneficial purposes and, if used for irrigation, the amount of land reclaimed the first year, the amount in subsequent years, with the dates of reclamation, and the area and location of the lands which are intended to be irrigated.

9. The character of the soil and the kind of crops cultivated, the number of acre-feet of water per annum required to irrigate the land, and such other facts as will show the extent and nature of the right and compliance with the law in acquiring the same, as may be required by the State Engineer.

Sec. 7. NRS 533.120 is hereby amended to read as follows:

533.120 1. Each claimant shall be required to certify to his or her statement ***completed pursuant to NRS 533.115*** under oath. The State Engineer and the State Engineer's assistants authorized to take proofs are hereby authorized to administer such oaths.

2. Oaths shall be administered and blank forms furnished by the State Engineer and the State Engineer's assistants without charge.

Sec. 8. NRS 533.125 is hereby amended to read as follows:

533.125 1. The State Engineer shall commence the taking of ***any*** proofs ***not submitted pursuant to section 1 of this act*** on the date fixed and named in the notice provided for in NRS 533.110 for the commencement of the taking of proofs. The State Engineer may, in his or her discretion, for cause shown, extend the time in which proofs may be filed.

2. Upon neglect or refusal of any person to make proof of his or her claim or rights in or to the waters of such stream system, as required by this chapter, prior to the expiration of the period fixed by the State Engineer during which proofs may be filed, the State Engineer shall determine the right of such person from such evidence as the State Engineer may obtain or may have on file in the Office of the State Engineer in the way of maps, plats, surveys and transcripts, and exceptions to such determination may be filed in court, as provided in this chapter.

Sec. 9. NRS 533.140 is hereby amended to read as follows:

533.140 1. As soon as practicable **, [**~~after the expiration of the period fixed in which proofs may be filed,~~**]** the State Engineer shall assemble all proofs ***related to the stream or stream system*** which have been filed with the State Engineer **[**~~,~~**]** and prepare, certify and have printed an abstract of all such proofs. The State Engineer shall also prepare from the proofs and evidence taken or given before the State Engineer, or obtained by the State Engineer, a preliminary order of determination establishing the several rights of claimants to the waters of the stream.

2. When the abstract of proofs and the preliminary order of determination is completed, the State Engineer shall then prepare a notice fixing and setting a time and place when and where the evidence taken by or filed with the State Engineer and the proofs of claims must be open to the inspection of all interested persons, the period of inspection to be not less than 20 days. The

notice shall be deemed an order of the State Engineer as to the matters contained therein.

3. A copy of the notice, together with a printed copy of the preliminary order of determination and a printed copy of the abstract of proofs, must be delivered by the State Engineer, or sent by registered or certified mail, at least 30 days before the first day of such period of inspection, to each person who has ~~[~~appeared and~~]~~ filed proof ~~[~~, as provided in this section.~~]~~ ***related to the stream or stream system.***

4. The State Engineer shall be present at the time and place designated in the notice and allow, during that period, any persons interested to inspect such evidence and proof as have been filed with ~~[~~or taken by~~]~~ the State Engineer in accordance with this chapter.

Sec. 10. NRS 533.250 is hereby amended to read as follows:

533.250 1. Any and all maps, plats, surveys and evidence on file in the Office of the State Engineer relating to any proof of appropriation involved in the proceeding for the determination of the relative rights in and to the waters of any stream system, obtained or filed under the provisions of this chapter or any preceding act relating to the Office of State Engineer, shall be admissible in court and shall have the same force and effect as though obtained and submitted under the provisions of this chapter.

2. At least 90 days prior to the rendering of his or her order of determination of the relative rights in and to the waters of any stream system, the State Engineer shall notify all parties in interest of his or her intention to consider such maps, plats and evidence, and of his or her intention to submit the findings of the State Engineer to the court under the provisions of this chapter. ~~[~~The notice shall be given in the manner prescribed in NRS 533.110.~~]~~

3. Within 60 days after such notice, any party in interest may file with the State Engineer any additional or supplementary maps, plats, surveys or evidence, or objections to the admissibility of any evidence hitherto presented and on file in the office of the State Engineer, in relation to his or her claim of water right or adverse to the claim or claims of the water right of any other party or parties in interest, in order so to perfect his or her claim in accordance with the provisions of this chapter, and the State Engineer shall consider the whole thereof in rendering such order of determination, and the same shall become a part of the record which shall be submitted to the court as provided by NRS 533.165 to 533.235, inclusive.

Sec. 11. NRS 533.364 is hereby amended to read as follows:

533.364 1. (b) An estimate of the amount and location of all surface water and groundwater that is available for appropriation in the basin; and

(c) The name of each owner of record set forth in the records of the Office of the State Engineer for each decreed, certified or permitted right in the basin.

2. The provisions of this section do not:

(a) Require the State Engineer to initiate or complete a determination of the surface water or groundwater rights pursuant to NRS 533.090 to 533.320, inclusive, ***and section 1 of this act,*** or to otherwise quantify any vested claims of water rights in the basin before approving an application for an interbasin transfer of groundwater from the basin; or

(b) Prohibit the State Engineer from considering information received from or work completed by another person to include in the inventory, if the inventory is otherwise conducted in accordance with the provisions of subsection 1.

3. The State Engineer shall charge the applicant a fee to cover the cost of the inventory. The amount of the fee must not exceed the cost to the State Engineer of conducting the inventory.

4. The State Engineer shall complete any inventory conducted pursuant to subsection 1 within 1 year after commencing the inventory.

Remarks by Assemblymen Oscarson and Fiore.

ASSEMBLYMAN OSCARSON:

Senate Bill 459 enacts the Good Samaritan Drug Overdose Act under which citizens and health care professionals are encouraged to seek or provide overdose reversal and emergency medical assistance to persons who appear to be experiencing a drug or alcohol overdose. The bill implements a policy of overdose prevention, including authorizing certain health care providers to prescribe and dispense to a family member, friend, or other person who is in a position to assist a person experiencing a drug overdose certain medications that block the effects of addictive painkilling drugs such as morphine, heroin, and methadone. The bill provides immunity from civil and criminal liability and professional discipline for such actions under certain circumstances. The bill makes conforming changes to provisions concerning professional licensing boards of the various practitioners who are authorized to dispense controlled substances.

ASSEMBLYWOMAN FIORE:

I rise in opposition to Senate Bill 459. We have a lot of regulations that are overburdensome to our doctors in Nevada. I urge the body to not support this bill.

Remarks by Assemblymen Gardner, Fiore, and Ellison.

ASSEMBLYMAN GARDNER:

Senate Bill 44 revises the statutory limit on the fees prescribed by the Commission on Mineral Resources for permits to drill a well in search of oil and natural gas to $2,000 for a well not intended to be hydraulically fractured and $5,000 for a well that is intended to be hydraulically fractured. The bill also establishes a fee limit of $400 for a request to change the terms of an existing oil or gas permit. Finally, S.B. 44 raises the statutory limit on the fee assessed against a producer of oil or natural gas to 30 cents for each barrel of oil or each 50,000 cubic feet of natural gas.

This was a bill that was actually brought to us by the industry. The industry supported it. It got out of the Committee on Natural Resources, Agriculture, and Mining unanimously because of the industry's support. I ask you all to support this bill.

ASSEMBLYWOMAN FIORE:

I rise in opposition to Senate Bill 44. Much has been said about this bill to attempt to get our votes. We have been told that everyone is for this bill. That may be true of the existing companies that are exploring for oil and natural gas, but that does not naturally extend to potential businesses that might want to explore for oil in our state. One of the basic tenants of our economy is that an increase in price will lead to a loss in customers. With this vote, we are increasing the price of doing business in Nevada. We are not changing the way these businesses are regulated. All we are doing is increasing the price of doing business. The Division of Minerals will regulate these businesses, but the Division of Environmental Protection is still tasked with writing the regulations along with the Division of Minerals. This bill does not change that. I strongly oppose any measure

that makes it more expensive to conduct business in Nevada. We need every job we can get, so please oppose this bill.

ASSEMBLYMAN ELLISON:

I rise in support of Senate Bill 44. This is one of those bills where you can either call it a tax or you can call it a fee. This is not a tax at all. This is a fee that the industry asked for and the users asked for to operate their services. I ask my colleagues to please stand and vote for this bill. This is something the Division of Minerals studied throughout the state, and I was at most of them in my district. I stand in support and I ask my colleagues to do the same.

Senate Bill No. 23.
Bill read third time.
Remarks by Assemblyman Jones.

ASSEMBLYMAN JONES:
Senate Bill 23 revises certain reporting requirements for the Director of Nevada's Department of Transportation [NDOT]. This bill requires the Director to report biennially to the Legislature the requirements for the construction and maintenance of highways for the next four years, rather than three years.
Senate Bill 23 also reduces the length of NDOT's plan for resurfacing state highways, on which it must report to the Legislature, from 12 years to 10 years. The Board of Directors of NDOT must submit a proposed work program to the Governor annually by October 1, rather than July 15, to align with the upcoming federal fiscal year. Finally, the Board may provide a copy of the proposed work program to county commissioners by means other than mailing a printed copy.

Senate Joint Resolution No. 11.

Resolution read third time.

Remarks by Assemblymen Titus, Edwards, and Swank.

ASSEMBLYWOMAN TITUS:

Senate Joint Resolution 11 proposes to amend the *Nevada Constitution* by adding a new section that preserves the right to hunt, trap, and fish and provides that these activities are integral components of wildlife management. The measure further provides that the right to hunt, trap, and fish does not create a right to trespass on private property; affect existing rights to water management or use; diminish any other private right; diminish the authority of a local government to regulate the use of real property it owns, occupies, or leases; or prohibit the enactment or enforcement of any statute or regulation that requires a person to obtain a hunting, trapping, or fishing license or requires its revocation or suspension.

ASSEMBLYMAN EDWARDS:

I have tremendous respect and deference for our national and our state constitutions. These documents are too important to add any unnecessary amendments or changes. When S.J.R. 11 came to the Committee on Natural Resources, Agriculture, and Mining, I was one who was very skeptical about the need for this change. I did not know if it really passed the threshold of being appropriate for changing our constitution. I was not convinced at the time that it was needed.

I recently talked with its sponsor for clarifications of my concerns, and the bill's sponsor presented additional information regarding why we may need to take this action and go down this path. The good Senator's clarifications are sufficient to convince me that this may, in fact, be an appropriate course of action. Sometimes, amending the constitution and changing it is indeed what is necessary. Therefore, I will be voting in favor of S.J.R. 11, and I will encourage all others to do the same.

ASSEMBLYWOMAN SWANK:

I rise in opposition to S.J.R. 11. I want to inform the body that there are only 17 states in the United States that have amended their constitutions to include the protections to hunt and to fish, and only 5 of those 17 explicitly mention trapping. I would be much more comfortable and be able to vote in favor of this if we only included hunting and fishing and excluded trapping.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 78.

The following Senate amendment was read:

Amendment No. 261.

AN ACT relating to wildlife; **revising the process by which the Board of Wildlife Commissioners establishes certain policies and adopts certain regulations; revising provisions governing programs for the management and control of predatory wildlife;** revising provisions relating to the fees charged to an applicant for an elk tag; **revising certain provisions governing county advisory boards to manage wildlife; revising the membership of the State Predatory Animal and Rodent Committee;** making various other changes relating to wildlife; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Wildlife Commissioners to establish policies for the management of wildlife in this State and to establish policies and adopt regulations necessary to the preservation, protection, management and restoration of wildlife and its habitat. (NRS 501.105, 501.181) Sections 1 and 1.2 of this bill require the Commission, in establishing such policies and adopting such regulations, to first consider the recommendations of the Department of Wildlife, the county advisory boards to manage wildlife and other persons who present their views at an open meeting of the Commission.

Existing law establishes a county advisory board to manage wildlife in each of the counties of this State. (NRS 501.260) Sections 1.4-1.6 of this bill make various changes relating to those boards.

Existing law sets forth the fees to be charged by the Department of Wildlife to a hunter who applies for an elk tag. In addition to a fee for the tag itself, the Department is required to charge a fee for processing the application of not more than $15, of which $5 must be used for the prevention and mitigation of damage caused by elk or game mammals not native to this State. (NRS 502.250) **Section 3** of this bill revises those provisions so that the fee for processing the application is fixed at $10 and the fee to cover costs of prevention and mitigation is increased to not more than $10, as provided by regulation of the Board of Wildlife Commissioners. **Sections ~~[1]~~ 1.2 and 2** of this bill make conforming changes.

Existing law also provides that in addition to any fee charged and collected for a game tag, a fee of $3 must be charged for processing each application for a game tag, the revenue from which must be deposited with the State Treasurer for credit to the Wildlife Fund Account in the State General Fund and used by the Department for costs related to certain programs, management activities and research relating to wildlife. (NRS 502.253) Section 4 of this bill revises the provisions governing the use of this money. Section 4 also requires the Commission to consider the recommendations of the State Predatory Animal and Rodent Committee, the county advisory boards to manage wildlife and other persons who present their views at an open meeting before approving certain programs, activities and research.

Existing law creates and governs the State Predatory Animal and Rodent Committee. (NRS 567.010-567.090) Section 5 of this bill adds two new members to the Committee and establishes their qualifications. Section 8 of this bill requires the Chair to designate the two additional members described in section 5 of this bill as soon as practicable after the effective date of this bill. Sections 6 and 7 of this bill make various changes relating to the meetings of the Committee.

Remarks by Assemblywoman Titus.

ASSEMBLYWOMAN TITUS:

Amendment 261 to Assembly Bill 78 revises the provisions by which the Board of Wildlife Commissioners establishes certain policies and adopts certain regulations. I feel that we should not concur with this amendment.

Motion carried.

The following Senate amendment was read:

Amend No. 583.

AN ACT relating to wildlife; revising the process by which the Board of Wildlife Commissioners establishes certain policies and adopts certain regulations; revising provisions governing programs for the management and control of predatory wildlife; ~~[revising provisions relating to the fees charged to an applicant for an elk tag;]~~ revising certain provisions governing county advisory boards to manage wildlife; revising the membership of the State Predatory Animal and Rodent Committee; ~~[making various other changes relating to wildlife;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Wildlife Commissioners to establish policies for the management of wildlife in this State and to establish policies and adopt regulations necessary to the preservation, protection, management and restoration of wildlife and its habitat. (NRS 501.105, 501.181) **Sections 1 and 1.2** of this bill require the Commission, in establishing such policies and adopting such regulations, to first consider the recommendations of the Department of Wildlife, the county advisory boards to manage wildlife and other persons who present their views at an open meeting of the Commission.

Existing law establishes a county advisory board to manage wildlife in each of the counties of this State. (NRS 501.260) **Sections 1.4-1.6** of this bill make various changes relating to those boards.

~~[Existing law sets forth the fees to be charged by the Department of Wildlife to a hunter who applies for an elk tag. In addition to a fee for the tag itself, the Department is required to charge a fee for processing the application of not more than $15, of which $5 must be used for the prevention and mitigation of damage caused by elk or game mammals not native to this State. (NRS 502.250) Section 3 of this bill revises those provisions so that the fee for processing the application is fixed at $10 and the fee to cover costs of prevention and mitigation is increased to not more than $10, as provided by regulation of the Board of Wildlife Commissioners. Sections 1.2 and 2 of this bill make conforming changes.]~~

Existing law ~~[also]~~ provides that in addition to any fee charged and collected for a game tag, a fee of $3 must be charged for processing each application for a game tag, the revenue from which must be deposited with the State Treasurer for credit to the Wildlife Fund Account in the State General Fund and used by

the Department for costs related to certain programs, management activities and research relating to wildlife. (NRS 502.253) **Section 4** of this bill revises the provisions governing the use of this money. **Section 4** also requires the Commission to consider the recommendations of the State Predatory Animal and Rodent Committee, the county advisory boards to manage wildlife and other persons who present their views at an open meeting before approving certain programs, activities and research.

Existing law creates and governs the State Predatory Animal and Rodent Committee. (NRS 567.010-567.090) **Section 5** of this bill adds two new members to the Committee and establishes their qualifications. **Section 8** of this bill requires the Chair to designate the two additional members described in **section 5** of this bill as soon as practicable after the effective date of this bill. **Sections 6 and 7** of this bill make various changes relating to the meetings of the Committee.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 656.

AN ACT relating to local districts; making legislative declarations; requiring the imposition of a fee on parcels in a conservation district upon ~~[voter]~~ **the** approval ~~[,]~~ **of registered voters or electors;** authorizing the increase, decrease or elimination of the fee upon ~~[voter]~~ **such** approval; requiring that money collected from the fee be expended only for the purposes of the conservation district; authorizing the supervisors of a conservation

district to serve ex officio as directors of a weed control district upon agreement with a board of county commissioners; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a conservation district may be organized as a political subdivision of the State, with various powers and duties regarding the conservation of natural resources within the district. (Chapter 548 of NRS)

In **section 2** of this bill, the Legislature declares that conservation districts may be recognized as having special expertise regarding local conditions, conservation of renewable natural resources and the coordination of local programs which makes the districts suited to serve as ~~[coordinating]~~ **cooperating** agencies for the purposes of the federal National Environmental Policy Act (42 U.S.C. §§ 4321 et seq.) and to provide local government coordination for the purposes of the Federal Land Policy and Management Act of 1976. (43 U.S.C. §§ 1701 et seq.)

Section 4 of this bill requires a board of county commissioners to impose an annual fee, not to exceed $25, on each parcel in a conservation district, if the imposition of the fee is approved at an election. Under **section 5** of this bill, a board of county commissioners must submit to the voters the question of whether to impose the fee upon receipt of a petition signed by either a majority of the supervisors of the conservation district or at least 10 percent of the registered voters of the conservation district. **Section 5.5 of this bill provides that the required election may be conducted at a mass meeting of electors held in a public meeting place within the conservation district.** Under **section 6** of this bill, the fee may not be increased, decreased or eliminated except according to the same procedures for imposing the fee. Under **section 4**, money collected from the imposition of the fee may be used only for the purposes of a conservation district prescribed in chapter 548 of NRS.

Sections 8 and 9 of this bill add the Forest Service of the United States Department of Agriculture and the Bureau of Land Management and the Fish and Wildlife Service of the United States Department of the Interior to the definitions of "United States" and "agencies of the United States" for the purposes of provisions regarding cooperation between conservation districts and those agencies of the United States.

In **section 10** of this bill, the Legislature recognizes the importance of locally led efforts for the conservation of natural resources and pledges to strive to provide appropriations to conservation districts at levels comparable to the appropriations provided to similar districts in other western states.

Existing law authorizes the creation of weed control districts, which are governed by a board of directors appointed by the applicable board of county commissioners. (NRS 555.203, 555.207) **Section 15** of this bill authorizes a board of county commissioners and the supervisors of a conservation district to enter into an agreement under which the supervisors of the conservation district serve, ex officio, as the directors of a weed control district that lies entirely within the conservation district. The supervisors must ensure that the

money of the weed control district is expended only for the purposes of the statutory provisions relating to weed control districts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 548 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. ***It is hereby declared, as a matter of legislative determination, that conservation districts may be recognized as having special expertise regarding local conditions, conservation of renewable natural resources and the coordination of local programs which makes conservation districts uniquely suitable to serve as ~~[coordinating]~~ cooperating agencies for the purpose of the National Environmental Policy Act of 1969, 42 U.S.C. §§ 4321 et seq., and any other federal laws regarding land management, and to provide local government coordination for the purposes of the Federal Land Policy and Management Act of 1976, 43 U.S.C. §§ 1701 et seq., and any other federal laws regarding land management.***

3. Notice of an election or elections on the question of whether to impose a fee described in section 4 of this act must be ~~[published]~~ :

~~[4.]~~ 5. If a majority of the registered voters of the conservation district voting on the question approve the imposition of the fee, the fee must be imposed beginning on July 1 of the year next following the election or elections.

Senate Bill 2 increases the maximum speed limit at which a person may drive or operate a vehicle from 75 miles per hour to 80 miles per hour. This bill allows the Department of Transportation to establish speed limits up to 80 miles per hour for motor vehicles on highways and expands the imposition of a limited $25 fine for speeding violations within certain incremental parameters up to 85 miles per hour. This bill is effective on October 1, 2015.

ASSEMBLYMAN O'NEILL:

Senate Bill 37 provides that an electronic monitoring system used by the Division of Parole and Probation to supervise a probationer or parolee may be capable of using the Global Positioning System to record or transmit the probationer's or parolee's location and produce, upon request, reports on the probationer's or parolee's presence at or near a crime scene or prohibited area or his or her departure from a specific geographic area. This bill is effective on July 1, 2015.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition to Senate Bill 37. I think we all share the goal of keeping more people out of jail. I am not sure, however, that this bill is the right way to do it. What we have here is a needle in a haystack problem. Los Angeles County in California has gone through the same issue where they have so much data from these GPS monitors, that they miss when there are true offenders who need to be brought back into jail. There was testimony that this was to be a pilot program. That is apparently what the Division of Parole and Probation has said, but there is nothing in the bill that says that. Los Angeles County is reeling; they are missing when offenders are committing crimes. When we take in too much data, we stop focusing on the real concerns. I respectfully ask this body to defeat this measure.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Senate Bill 37. When we have an offender out on community supervision, whether it is probation or parole, as a society we want that offender to try to succeed under supervision. While they are on parole or probation, they constantly have the threat, if they mess up, of going to prison. What concerns me about the bill is the fact that if a probationer or a parolee is near a crime scene, there is the section of the bill that has to do with that fact being shared with police. Some people will say that the cards are already stacked against a person on probation or parole. It does not do us any good to further stack the deck against someone who we want to succeed. We are hopeful that this person will not end up back in the criminal justice system. If they are violating the terms of their probation or parole, if they are involved in a new crime, then certainly they should be prosecuted. But the fact that they are present near a crime does not mean they are a participant in that crime. That is my concern with S.B. 37.

I, unfortunately, could not support it in your Committee on Judiciary, I am not able to support it on the floor, and I urge its defeat.

ASSEMBLYWOMAN CARLTON:

I rise in opposition to Senate Bill 37. I wholeheartedly agree with my colleagues from southern Nevada. I am going to come at it from a different tack. I put the fiscal hat on a few years ago, and I tend to read most bills that way now.

How many times have we been told as a state this is not going to cost us anything? We are going to be able to absorb this. We could come up with three or four phrases that if I had a buck for every time we heard it, we could put a real dent in our budget. With the amount of data they are going to collect, it is going to cost more to query that data and find out what is really going on. I will bet you dollars to doughnuts that if they are not back at the Interim Finance Committee (IFC) this interim, they will be back next session saying, Oh you know that pilot program; it is going to cost us more money. And then, unfortunately, those of us who are little more outspoken on the committee will have to say Wait a minute. You told us this was not going to cost any money. Then we will be criticized as we have in the recent past for bringing up the obvious truth that we were told this was not going to have a fiscal impact. I have serious concerns about that, and if we are going to have a good policy, let us have a good policy. But let us also talk about the dollars and cents and let us be honest about what we are going to be paying for in the future. Do not try to play hide the dollar on us. Let us just have the conversation.

ASSEMBLYMAN HANSEN:

I rise in support of Senate Bill 37. We heard this in our committee, obviously, and it is quite interesting to see all the directions it is taking. In reality, this is a pilot program; 250 people will be involved. If it does prove to be successful, then they can go forward. What happened in California is, in fact, a very good reason why they decided to use a pilot program here first.

The issue of being near a crime scene keeps coming up. The reality is, if you are on parole or probation and you are somewhere in the vicinity of a crime, you are automatically going to be considered a possible suspect. This will actually allow the probationer or parolee, through GPS, to show that they were not involved in the crime, that they were somewhere else. This is actually a way to make them have greater likelihood of being exonerated from being accused of a crime. Right now law enforcement automatically assumes if you live within a certain vicinity of a crime and you are on parole or probation, then you could be one of the perpetrators of it.

Our own staff gave no fiscal note to this. To our colleagues who are concerned about the fiscal things, I agree we should always be concerned about it. But the reality is, this is a pilot program, and if, in fact, it does cost more money, we may have to look at that. But I think it is going to have the opposite effect.

When you look at what GPS is able to do, you can probably reduce the number of staff that are currently required to go and visit with people on parole and probation. It should save money by using these modern technologies instead of using the old, traditional method of requiring probationers or parolees to come and report periodically to their parole or probation officer.

When you put all of these things together, yes, there is some possibility that it is not the greatest, perfect bill in the world. Very few of them are perfect around here. This is an excellent pilot program; it will actually help people who are being falsely accused of crimes. It will allow more people to be on house arrest instead of having them incarcerated, and it will provide high levels of safety for the public, because that is ultimately the reason we have concerns over parole and probation. This bill is a win-win all the way around, and I urge my colleagues to support Senate Bill 37 because, in fact, it does everything that everyone seems to be concerned about. It is in the best interest of the people who are being placed on parole and probation as well as protecting the members of the public. With that, I urge the passage of Senate Bill 37.

ASSEMBLYMAN OHRENSCHALL:

Just to clarify one point, while there was testimony from Parole and Probation that they did want to establish a pilot program, that is not in the language of the bill. There is no limiting language in the bill. While I have great respect for the Chairman of the Committee on Judiciary, my colleague from Sparks, there is no limit in the bill. I am very concerned that law enforcement will be able to just pull a list of anybody who is in the neighborhood where the crime occurs and

try to see if a person is involved when there is nothing connecting them to the crime. I urge the defeat of this bill.

Senate Bill 121 allows a person to register a qualifying vehicle as a "classic rod" or "classic vehicle" while still obtaining a seven-digit personalized prestige license plate and receiving the benefits of such registration, including exemption from emissions test requirements.

ASSEMBLYWOMAN NEAL:

Senate Bill 271 provides that the Virgin Valley Water District may issue a letter that commits the District to supply water service to a particular property subject to certain conditions precedent set forth in the letter, and such a letter must be renewed on an annual basis, subject to a reasonable fee, or the letter will expire. The District will not refund any fees paid by, return any water rights dedicated to, or pay any expenses of the holder associated with the construction and dedication of any infrastructure if the holder of such a letter fails to meet any condition precedent included in

the letter or if the letter expires. The bill makes the requirement for the renewal of such letters apply retroactively to any letter issued before July 1, 2015. Further, the bill deletes a provision in current law prohibiting the District from requiring the holder of such a letter to pay an annual renewal fee or be subject to any other condition unless the fee or condition is expressly stated in the letter. This measure is effective on July 1, 2015.

ASSEMBLYMAN HICKEY:

Senate Bill 418 revises refund provisions affecting private postsecondary educational institutions, to allow an institution to retain the lesser of $150 or 10 percent of the agreed upon tuition from a student who cancels his or her enrollment before classes begin. It further authorizes such an institution that is accredited by a regional accrediting agency recognized by the United States Department of Education to additionally retain any funds deposited by the applicant to secure a position in a program that are clearly disclosed to the applicant as nonrefundable. This bill also increases from $100 to $150 the maximum amount that an institution may retain, in addition to the pro rata amount of tuition, when a student withdraws or is expelled by the institution after the start of the training program but before completing 60 percent of the program.

Out of concern by members of this body who have raised some important questions regarding this bill, I would like to add to the record that there are 13 schools with the accreditation recognized by the U.S. Department of Education that could potentially implement the nonrefundable deposit fee portion of this bill. Of those, only five schools are in the category that are medically related master's degree or doctoral-level schools with some sort of situation where there are a limited number of seats available for students. The remaining 8 of the 13 are either bachelor-level institutions or are like the University of Phoenix with rolling enrollments, mostly online, wherein the need to hold open a limited number of seats does not exist. Therefore, only five schools would currently be affected by the provision to allow a nonrefundable deposit fee as long as it is clearly disclosed.

The Commission on Postsecondary Education licenses post-secondary institutions unless another board or commission has provided industry specific licenses, i.e., truck driving, cosmetology, hypnotherapy, pilot training, flight schools, et cetera. This bill would not affect any cosmetology schools since they are not licensed by the Commission on Postsecondary Education. Thank you, Mr. Speaker, and members, for your indulgence. I urge your support of this bill.

ASSEMBLYMAN EDWARDS:

I rise in support of Senate Bill 418. This is a short bill with a simple purpose, but it is also an important bill. Senate Bill 418 strikes a necessary financial balance between families and private schools when a student chooses to cancel an enrollment before the school year. I would add that this bill has unanimous support in the Senate and it also had unanimous support in the Assembly Committee on Education. I am proud to support it, and I encourage you to do so as well.

Similarly, the bill authorizes the State Treasurer, with the approval of the State Board of Finance; a city treasurer, with unanimous consent of his or her bondsmen; an incorporated city; or other local government to enter into an agreement with certain entities for the deposit or redeposit of certain public money. If the amount of public money deposited in such an account exceeds the limits of insurance provided by an instrumentality of the United States, the insured bank, insured credit union, or insured savings and loan association in which the county money is initially deposited is required to arrange for the redeposit of the amount of the county money that exceeds such limits of insurance in one or more other insured banks, insured credit unions, or insured savings and loan associations, and to ensure that the total amount of county money redeposited in an account is within the limits of such insurance. Senate Concurrent Resolution No. 8.

Resolution read.

Assemblywoman Kirkpatrick moved the adoption of the resolution.

Remarks by Assemblywoman Kirkpatrick.

ASSEMBLYWOMAN KIRKPATRICK:

Senate Concurrent Resolution 8 commemorates 2015 as the thirtieth anniversary of the sister state relationship between Nevada and Taiwan. The resolution recognizes the longstanding ties that our state has had with the people of Taiwan. For over 30 years, Nevada has been a steadfast friend to Taiwan and in October of 1985, that friendship was officially recognized when the Legislature extended an invitation to Taiwan to become our sister state.

The purpose of a sister state concept has been to foster greater friendship and understanding between the people of the United States and other nations. Through this particular relationship, Nevada has shown its support, encouragement, and admiration for Taiwan, and they have also demonstrated their commitment and regard for Nevada as well. Tokens of esteem can be seen first-hand in the metal state seals which are displayed on the exterior walls of the Legislative Building and in several paintings which hang in our hallways, all of which were gifts from Taiwan.

I would encourage the body to support Senate Concurrent Resolution 8.

Resolution adopted unanimously.

All present.

Prayer by the Chaplain, Pastor Louis Locke.

Let us pray and be reminded of God's goodness and care for each of us as we read the Shepherd's Psalm 23.

The Lord is my shepherd; I shall not want.
He makes me to lie down in green pastures;
He leads me beside the still waters. He restores my soul;
He leads me in the paths of righteousness for His name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil;
For You are with me;
Your rod and Your staff, they comfort me.
You prepare a table before me in the presence of my enemies;
You anoint my head with oil;
My cup runs over.
Surely goodness and mercy shall follow me all the days of my life;
And I will dwell in the house of the Lord forever.
I pray blessings on the people of this Assembly, their families, and staff.
In Jesus' name,

AMEN.

SECOND READING AND AMENDMENT

Senate Bill No. 40.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 663.

AN ACT relating to gaming; prohibiting certain acts related to wagering; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that it is unlawful for a person to perform certain actions relating to gaming without having first procured, and thereafter maintaining, all required gaming licenses. (NRS 463.160) This bill additionally provides that it is unlawful for a person to: (1) receive any compensation or reward, or any percentage or share of the money or property played, for accepting ~~[or facilitating the acceptance of]~~ a bet or wager on the result of any event held at a track involving a horse or other animal, sporting event or other event, without having first procured, and thereafter maintaining, all required gaming licenses; (2) accept or facilitate a bet or wager on the result of any event held at a track involving a horse or other animal, sporting event or other event that is placed with a person who receives any compensation or reward, or any percentage or share of the money or property played, for accepting or facilitating such a bet or wager without having first procured, and thereafter maintaining, all required gaming licenses; or (3) transmit or deliver anything of value resulting from a bet or wager on the result of any event held at a track involving a horse or other animal, sporting event or other event with a person who receives any compensation or reward, or any percentage or share

of the money or property played, for accepting or facilitating such a bet or wager without having first procured, and thereafter maintaining, all required gaming licenses. A person who violates any such provision is guilty of a category B felony.

Section 1. Chapter 465 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided by law, it is unlawful for a person to receive, directly or indirectly, any compensation or reward, or any percentage or share of the money or property played, for accepting ~~[or facilitating the acceptance of]~~ any bet or wager upon the result of any event held at a track involving a horse or other animal, sporting event or other event, as defined by regulations adopted by the Nevada Gaming Commission, without having first procured, and thereafter maintaining in effect, all federal, state, county and municipal gaming licenses as required by statute, regulation or ordinance or by the governing body of any unincorporated town.

2. Except as otherwise provided by law, it is unlawful for a person to:

(a) Accept or facilitate any bet or wager that is placed with a person described in subsection 1; or

(b) Transmit or deliver anything of value resulting from a bet or wager to a person who has placed a bet or wager with a person described in subsection 1.

3. The provisions of this section do not make it unlawful for a race book or sports pool that is licensed pursuant to chapter 463 of NRS to, without knowledge, accept a bet or wager from or pay a winning bet or wager to a person described in subsection 1 or 2.

Sec. 2. NRS 465.088 is hereby amended to read as follows:

The court shall not suspend a sentence of imprisonment imposed pursuant to this paragraph, or grant probation to the person convicted.

2. A person who attempts, or two or more persons who conspire, to violate any provision of NRS 465.070 to 465.085, inclusive, ***and section 1 of this act,*** each is guilty of a category B felony and shall be punished by imposing the

penalty provided in subsection 1 for the completed crime, whether or not he or she personally played any gambling game or used any prohibited device.

Senate Bill No. 480.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 661.

AN ACT relating to county government; revising the membership of the county fair and recreation board of certain counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes a county fair and recreation board in any county whose population is 100,000 or more and less than 700,000 (currently Washoe County). The board must consist of 13 members, including two members appointed by the board of county commissioners, two members appointed by the governing body of the largest incorporated city in the county (currently the City of Reno) and one member appointed by the governing body of the next largest incorporated city in the county (currently the City of Sparks). Those five members must appoint the remaining eight members, of whom one must be a representative of banking or other financial interests, and another of whom must be a representative of business or commercial interests. Both of those members must be chosen from a list of nominees submitted by the chamber of commerce of the largest incorporated city in the county. Additionally, one member must be a representative of motel operators and must be chosen from a list of nominees submitted by one or more associations that represent the motel industry. (NRS 244A.601)

This bill revises the membership of such a county fair and recreation board and reduces the size of the board from 13 to 9 members. This bill changes from two to one the number of members appointed to the board by the board of county commissioners and by the governing body of the largest incorporated city in the county, respectively. Additionally, this bill deletes the provision providing for the appointment of a member representing motel operators. This bill also deletes the provisions providing for the appointment of a member representing banking or other financial interests and another member representing business or commercial interests. Instead, this bill requires the appointment of a member representing ~~[commercial or noncommercial]~~

interests related to tourism **or other commercial interests** or the resort hotel business. Finally, this bill requires the members of the county fair and recreation board to elect the Chair of the board from among the three members appointed by the board of county commissioners and the governing bodies of the two largest incorporated cities in the county, respectively.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244A.601 is hereby amended to read as follows:

244A.601 1. In any county whose population is 100,000 or more, and less than 700,000, the county fair and recreation board consists of ~~[13]~~ ***nine*** members who are appointed as follows:

(a) ~~[Two members]~~ ***One member*** by the board of county commissioners.

(b) ~~[Two members]~~ ***One member*** by the governing body of the largest incorporated city in the county.

(c) One member by the governing body of the next largest incorporated city in the county.

(d) Except as otherwise provided in subsection 2, ~~[eight]~~ ***six*** members by the members appointed pursuant to paragraphs (a), (b) and (c). The members entitled to vote shall select:

(1) One member who is a representative of air service interests from a list of nominees submitted by the airport authority of the county. The nominees must not be elected officers.

(2) One member who is a representative of ~~[motel operators from a list of nominees submitted by one or more associations that represent the motel industry.~~

~~(3) One member who is a representative of banking or other financial interests from a list of nominees submitted by the chamber of commerce of the largest incorporated city in the county.~~

~~(4) One member who is a representative of other business or commercial interests~~ ~~*commercial or noncommercial]*~~ ***interests relating to tourism or other commercial interests or the resort hotel business*** from a list of nominees submitted by the chamber of commerce of the largest incorporated city in the county.

~~[(5)]~~ ***(3)*** One member who is a representative of other business or commercial interests, including gaming establishments, from a list of nominees submitted by a visitor's bureau, other than a county fair and recreation board or a bureau created by such a board, that is authorized by law to receive a portion of the tax on transient lodging, if any. If no such bureau exists in the county, the nominations must be made by the chamber of commerce of the third largest township in the county.

~~[(6)]~~ ***(4)*** Three members who are representatives of the association of gaming establishments whose membership collectively paid the most gross revenue fees to the State pursuant to NRS 463.370 in the county in the preceding year, from a list of nominees submitted by the association. If there

is no such association, the three appointed members must be representative of gaming.

➥ If the members entitled to vote find the nominees on a list of nominees submitted pursuant to this paragraph unacceptable, they shall request a new list of nominees.

2. ***The members of the board shall elect a Chair from among the members appointed pursuant to paragraphs (a), (b) and (c) of subsection 1.***

3. The terms of members appointed pursuant to paragraphs (a), (b) and (c) of subsection 1 are coterminous with their terms of office. The members appointed pursuant to paragraph (d) of subsection 1 must be appointed for 2-year terms. Any vacancy occurring on the board must be filled by the authority entitled to appoint the member whose position is vacant. Each member appointed pursuant to paragraph (d) of subsection 1 may succeed himself or herself only once.

~~[3.]~~ ***4.*** If a member ceases to be engaged in the business or occupation which he or she was appointed to represent, he or she ceases to be a member, and another person engaged in that business or occupation must be appointed for the unexpired term.

~~[4.]~~ ***5.*** Any member appointed by the board of county commissioners or a governing body of a city must be a member of the appointing board or body.

Sec. 2. 1. Notwithstanding any other provision of law, the terms of the members selected to the county fair and recreation board pursuant to subparagraphs (2), (3) and (4) of paragraph (d) of subsection 1 of NRS 244A.601 as that section exists on June 30, 2015, expire on that date.

2. As soon as practicable on or after July 1, 2015:

(a) The chamber of commerce of the largest incorporated city in the county shall submit to the members of the county fair and recreation board entitled to vote the list of nominees described in subparagraph (2) of paragraph (d) of subsection 1 of NRS 244A.601, as amended by section 1 of this act; and

(b) The members of the county fair and recreation board entitled to vote shall select from the list of nominees the member described in subparagraph (2) of paragraph (d) of subsection 1 of NRS 244A.601, as amended by section 1 of this act.

Sec. 3. 1. This section and section 2 of this act become effective upon passage and approval.

2. Section 1 of this act becomes effective on July 1, 2015.

Senate Bill 86 increases the maximum amount of a civil penalty that may be imposed by the Public Utilities Commission of Nevada for a violation of regulations adopted by the Commission in conformity with the Natural Gas Pipeline Safety Act of 1968. The new penalty is not to exceed $200,000 for each violation for each day that the violation persists, with a maximum civil penalty not to exceed $2 million.

The measure also increases the maximum civil penalty for a single willful or repeated violation of provisions governing excavation or demolition near subsurface installations to not more than $2,500 per day and increases the maximum civil penalty for any related series of willful or repeated violations within a calendar year to not more than $250,000. In addition, the measure provides additional factors for the Commission to consider when determining the amount of the penalty or the amount agreed upon in a settlement or compromise.

Finally, Senate Bill 86 authorizes the Commission to triple the maximum civil penalty that may be imposed for each violation that involves contact with or near certain high consequence subsurface installations such as petroleum, gas, sewage, and hazardous materials pipelines; electric supply lines and cables; and optical carrier level communications lines. ASSEMBLYMAN O'NEILL:

Senate Bill 158 requires a local government employer to make available to the public, not less than three business days before a public hearing by its governing body to approve a collective bargaining agreement or similar agreement, the following documents: the proposed agreement and any exhibits or other attachments to the proposed agreement; a document showing any language added to or deleted from the previous agreement, if the proposed agreement is a modification of a previous agreement; and any supporting material prepared for the governing body and relating to the fiscal impact of the agreement.

The documents must be available on the website of the local government or, if the local government does not have such a website, by depositing the documents with the clerk of the governing body. Any document so deposited is a public record and must be open for public inspection. This bill is effective on July 1, 2015.

ASSEMBLYWOMAN KIRKPATRICK:

I have had some concerns about Senate Bill 158 for some time. I voiced them in committee—what is good for the goose is good for the gander. If the local officials are circumventing the current law that says any of their pay raises or evaluations are not being made public and are on the consent agenda, I think that is a violation of the current spirit of the law we put in place. I wish we could have done an amendment on this. I believe this is transparency, but transparency should be for all.

I want to put on the record that I am going to send a letter to NACO [Nevada Association of Counties] and to the League of Cities. I am going to remind them of the law that was passed in 2005 for this very same reason. If it is transparency for one, it is transparency for all. I do not want to sugarcoat it. I make no secret that I think everyone should follow the law. I will be letting them know that there is a current law in place.

I believe this is a step toward transparency as we have always done in this building, so I will reluctantly vote for it without an amendment.

THE NINETY-FIFTH DAY

CARSON CITY (Thursday), May 7, 2015

Assembly called to order at 11:48 a.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by the Chaplain, Pastor Peggy Locke.

You are God Almighty, gracious, loving, and faithful. You are awesome in deed and mighty to save.

Today we celebrate the 64th annual National Day of Prayer. It is a time for investing in hope and transforming our nation through prayer.

2 Chronicles 7:14 says If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

Father, we turn our hearts to You and ask for Your forgiveness and grace, that You would heal our land. Move in our hearts and in the hearts of our leaders toward Your will and for Your glory. We pray for our President, our nation, our state, our leaders, our troops, and for all those serving in law enforcement.

May we receive Your strength and wisdom for today. Help us to cast all our cares and burdens upon You and trust that You will lead us and guide us in the things that concern us. Open our hearts to love You Lord, and to love people.

May the words of our mouth and meditations of our heart be acceptable in Your sight O God, our Rock and our Redeemer. We give You thanks and praise.

In Jesus's Name we pray.

AMEN.

AN ACT relating to public safety; requiring the Department of Motor Vehicles to establish a registry of emergency contact information for certain persons who possess a driver's license, identification card or driver authorization card; requiring certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in a motor vehicle accident; **authorizing certain law enforcement personnel to use the registry to notify an emergency contact person regarding any persons involved in an accident or emergency situation other than a motor vehicle accident;** providing immunity from liability to the Department and

others with access to the registry for certain acts and omissions related to the registry; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 8 of this bill requires the Department of Motor Vehicles to establish a registry on its Internet website to be known as the Next-of-Kin Registry. The Registry must include, in a secure portion of the website, a registry record unique to each registrant. Information in the Registry will be accessible to law enforcement, a coroner or medical examiner and the registrant, and parent or guardian of the registrant if the registrant is a minor. **Section 9** of this bill provides the requirements for a registrant to establish a registry record in the Next-of-Kin Registry and allows a registrant to submit emergency contact information for not more than two emergency contact persons. **Section 10** of this bill requires law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after a serious motor vehicle accident. **Section 10** also allows a coroner or medical examiner to access the Registry to identify the next-of-kin of a decedent. **Section 10.5 of this bill authorizes law enforcement personnel to search the Registry to identify and make reasonable efforts to make contact with the emergency contact person of a registrant if the registrant is unable to communicate after an accident or emergency situation other than a motor vehicle accident.** **Sections 1, 2, 8 and 11** of this bill limit access to the information in the Registry to the registrant, law enforcement personnel, a coroner or medical examiner or his or her respective personnel and the Department, with certain exceptions, including other persons authorized by a court order. **Sections 11 and 21** of this bill further provide that the names, telephone numbers and addresses of emergency contact persons in the Registry are confidential, not public records for the purposes of the Open Meeting Law and not discoverable except upon a subpoena issued in a criminal matter. (See chapter 239 of NRS) **Section 12** of this bill limits the civil and criminal liability of those authorized to establish, maintain and access the Registry. **Section 13** of this bill authorizes the Department to adopt regulations necessary to implement and maintain the Next-of-Kin Registry. **Sections 14-20** of this bill require the Department, at the time of the application for or the renewal of a driver's license, identification card or driver authorization card, to provide the applicant a form to register with the Next-of-Kin Registry.

Any such copies, abstracts or memoranda may be used to supply the general public with copies, abstracts or memoranda of the records or may be used in any other way to the advantage of the governmental entity or of the general public. Assemblyman Wheeler moved the adoption of the amendment.

Remarks by Assemblyman Wheeler.

ASSEMBLYMAN WHEELER:

Amendment 657 makes three changes to Senate Bill 3. It expands the notification provisions of the bill to permit a law enforcement officer or other authorized employee of a law enforcement agency to search the registry of emergency contact information during accidents or emergency situations other than motor vehicle accidents. It deletes the "double registry" provisions of subsection 3 of section 9, which require the DMV [Department of Motor Vehicles] to assign a registry record number and registry access code to a registrant because a registrant is already required to have an Internet portal account. Finally, it adds Assemblymen O'Neill and Silberkraus as joint sponsors to this bill.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

THE NINETY-SIXTH DAY

CARSON CITY (Friday), May 8, 2015

Assembly called to order at 11:50 a.m.

Mr. Speaker presiding.

Roll called.

All present except Assemblymen Armstrong and Woodbury, who were excused.

Prayer by the Chaplain, Pastor Peggy Locke.

We give You thanks, O Lord God almighty. The One who was and who is and who is to come! You are from everlasting to everlasting and You are God. Forever, O Lord, Your word is firmly fixed in the heavens. You are the same yesterday, today, and forever.

1 Corinthians 13: 4-8 says: Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails.

We pray that You, O Lord, will be more and more at home in our hearts as we trust in you. May our roots go down deep into the soil of Your marvelous love. May we have the power to understand how wide, how long, how high, and how deep Your love is. May we experience the love of Christ, though it is so great we will never fully understand it. Fill us with the fullness of life and power to love as You love.

We ask for Your grace and blessing for those who lead us and have authority over us, the faithful who serve in our great state, protection for our troops and our families. Stir in us how we can honor our moms this Mother's Day, and may we teach these things to our children and grandchildren, for Your glory, in Jesus' Name.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Paul Anderson moved that further reading of the Journal be dispensed with and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Remarks by Assemblymen O'Neill.

ASSEMBLYMAN O'NEILL:

I rise in support of Assembly Resolution 8. I would like to tell the group assembled here today a few things about Mr. Glover. With me is Alan Glover and his wife Harle.

I want to give you a little background first. His DNA has always been, and I think always will be, in public service. Alan is one of those who comes to mind when you talk about dedicated public servants. He comes from a family of public servants. His father, John Nelson Glover, before he passed away in 1967, led what was then the Highway Department's Division of Driver Licenses. Alan's mother Peggy rose through the ranks of Nevada state government, becoming Deputy State Treasurer in 1950. She was the first female director of a major state agency, which was then the Department of General Services, for Governor Mike O'Callaghan in the 1970s. She also served 12 years on the board for the Public Employees' Retirement System, including two years as chairman.

Mr. Glover's plan, a life of public service, started in 1972 upon graduation from the University of Nevada. He said he needed a job and couldn't find anything else. He has served five terms in the Assembly and 2 years at the other place, then 20 years as the elected Clerk-Recorder for Carson City. This past January he retired; he became bored in retirement and is now working as a consultant for the Nevada Secretary of State's office.

I ask all of you to join in and support Assembly Resolution 8, and recognize the years of service that Mr. Glover has given to this great state. Thank you, Mr. Speaker.

Resolution adopted unanimously.

By Assemblymen Hambrick, Paul Anderson and Kirkpatrick:

Assembly Resolution No. 9—Adding former Assemblywoman Peggy Pierce to the Assembly Wall of Distinction.

WHEREAS, The Assembly of the Legislature of the State of Nevada has established an Assembly Wall of Distinction for those past members of the Assembly selected by leadership who served with great distinction and who made exemplary contributions to the State of Nevada; and

WHEREAS, Margaret Comstock "Peggy" Pierce was born in 1954 in Milton, Massachusetts, the seventh of eight children, whose parents were active in the civil rights movement; and

WHEREAS, As a teenager, Peggy and her family lived in the Midwest, but by the early 1970s Peggy struck out on her own and moved to San Francisco, where she lived for 16 years, then moved to Las Vegas in 1988 to pursue her hopes of becoming a professional singer; and

WHEREAS, Peggy supported herself by working as a food server in a major hotel and later became an active labor representative on behalf of people who work in the culinary industry; and

WHEREAS, Peggy was first elected to the Nevada Assembly in November 2002 and served in leadership as Chief Deputy Whip in 2011 and Senior Chief Deputy Whip in 2013, with her committee work primarily focused on three standing committees: Government Affairs, Health and Human Services, and Taxation; and

WHEREAS, During her service, Assemblywoman Pierce was the primary sponsor of successful legislation concerning elder abuse, permanent total disabilities, employees of senior housing facilities, hospice care, motor vehicles, the protection of personal identifying information, statutory liens, fire protection, guardianships, recycling, safety in children's products, prevailing wage, and warnings regarding the hazards of smoking during pregnancy; and

WHEREAS, In the interim period between legislative sessions, Assemblywoman Pierce served on a number of study committees and task forces, including the Advisory Board for the Nevada Task Force for Technological Crime, the Advisory Board on Maternal and Child Health, the Legislative Committee for Local Government Taxes and Finance, the Legislative Committee on Public Lands Subcommittee to Study Wilderness Areas and Wilderness Study Areas, the Legislative Committee on Health Care and the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System, which she also chaired; and

WHEREAS, Peggy maintained particular interest and advocacy in all matters where the people were largely without a voice and was deeply committed to quality public education, clean energy, improved air quality, environmental protection, workers' rights and women's issues; and

WHEREAS, Frustrated that Nevada continued to lag behind most other states in education and quality-of-life issues, Peggy zealously advocated measures that would increase the revenue needed to improve Nevada's rankings; and

WHEREAS, Peggy was first diagnosed with cancer near the start of her legislative career, survived three recurrences of the disease and courageously battled that foe through six regular and eight special sessions, including the last days of the 2013 Session of the Nevada Legislature, when the ravages of the disease forced her to work while confined to a wheelchair, where she continued to serve and vote on remaining legislative measures; and

WHEREAS, In the many tributes concerning the life of Peggy Pierce, a number of descriptions helped frame all that she was, descriptive words such as courageous, principled, thoughtful, dedicated, smart, passionate, tenacious, committed, compassionate and respected; and

WHEREAS, The legacy of Peggy Pierce will live on in those causes she believed in and fought for and in her dedication to enhance the lives of so many; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, That, for her many years of dedicated service to the Assembly, Assemblywoman Peggy Pierce is hereby added to the Assembly Wall of Distinction.

Assemblywoman Kirkpatrick moved the adoption of the resolution.

Remarks by Assemblymen Kirkpatrick, Carlton, Diaz, Munford, Stewart, Ohrenschall, Spiegel, Benitez-Thompson, and Kirner.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Assembly Resolution 9. This is what we mean when we talk about the institutional knowledge and the impression that each of us will leave on this building. I believe that the Wall of Distinction is the highest honor anybody can have in this building. No matter what your position is, it is about what you stand for, it is about what you fight for, and it is about who you are and who you represent. I would urge the body to support Ms. Peggy Pierce, who left so many marks on this building, as each of us hope to do, to make our institution that much better for the long term.

Ms. Peggy Pierce was a very small person but a big package of dynamite.

ASSEMBLYWOMAN CARLTON:

This photo was at the reception last evening. It was taken by former Assemblyman Harry Mortenson, and when I look at that, it really says Peggy.

I hope you enjoy it as much as we have.

ASSEMBLYWOMAN KIRKPATRICK:

At this time I would like to introduce her most precious loved ones who she talked about so often. I will start with Mr. Sasser. I remember their first date came from this building. The two of them were like two peas in a pod; always together; made each other laugh; could agree to disagree.

They were the best dancers in Carson City when we made them come out. They truly got to enjoy life and all of those special times together.

Ms. Pierce was a very quiet person about her personal life, but the three folks she always talked to me about were her sister Catherine, her niece Caroline, and her nephew Danny. Peggy would look forward to the weekends when she could go visit them. She told me about the Thanksgiving holidays. These are three very special folks in her family that made her who she was.

And lastly, I cannot forget Ms. Stokes. Last session, more so than not, people will remember that Ms. Pierce was in and out of the building very often. We tried to get her to stay home and forget about this place. Ms. Stokes did yeoman's work to keep Ms. Pierce healthy while she was in the building. They were the best of friends for the five sessions that they served together. If you could get through her to get to Peggy, it got even better.

To each and every legislator in this room today, everybody does make a mark on this building. Whether you agree or disagree—my favorite Congressman is sitting in the front; he and I broke bread over a water bill, and we did make a difference.

Unfortunately, Ms. Pierce is not here with us today. I hope that many of the members that served with her will get the opportunity to speak. I want to lift us back up because it is sad to be in this situation. Please know that the Wall of Distinction is truly an honor in this building and it is one that each and every one of us should strive for.

ASSEMBLYWOMAN CARLTON:

You know the old saying: There is no crying in the Legislature. Well, we just blew that tradition today. Peggy was one of the people who got me into this building. We met as shop stewards, we worked on health care issues together, we walked the Frontier picket line together, and when we decided we wanted a waitress in the Nevada State Senate and I was blessed to be chosen, she was right behind me pushing me forward. She took a leave of absence from her job and went to work for the union.

Back then, primaries were in September. I remember many a phone call in July. She would call me and say My mascara is melting. It is so hot out here. What have you talked me into doing? I said, I did not talk you into doing it; you did it all your own. And then we would meet, and we would talk, and we go back out and walk again.

That was in 1998. My first session up here I was by myself, but she was only a phone call away. There was this telepathy; she would know, she would call, we would talk, and the next day would be a better day.

I miss her greatly. She helps guide my decisions today, and I cannot thank her enough for helping me get where I am. Whether the folks who serve here with me want to thank her or curse her under your breath, she is the reason I am here, and I will always remember that, Mr. Speaker.

ASSEMBLYWOMAN DIAZ:

As Mother's Day weekend is coming, it is a highly emotional moment for many of us who got to serve with Peggy in this building. As you all know, I had my ray of sunshine while serving up here my first session. Peggy was charged with mentoring me through the process of becoming a mother and a freshman legislator. She was very patient and a truly caring person, and she always said your family comes first. I will never forget that. After I had Xavi, she came by to visit. She made a home visit, she held him, she was there, and she made me feel like it did not matter that I was missing some legislative action, because family came first. Before I melt down, let me go to my poem in honor of Peggy.

There once was a Nevada legislator
Whose name was Peggy Pierce,
She was an awesome and dear mentor
And everyone recognized she was fierce.
Some never knew that Assemblywoman Pierce could sing
Now there is silence where a siren of greatness used to sound.
All of us miss her beautiful face,
Her contagious laugh and smile,
Boy do we still need her in this place,
Especially when called to go the extra mile.

P-squared, we use to call her admiringly,
Respected by all for her strong conviction,
A stateswoman who would not go down quietly,
And a champion for labor and conservation.
For 12 years she defended our civil liberties,
Stressed the importance of funding education,
Although they were not all victories,
She deserves recognition and a standing ovation.
Thank you, Peggy for being an outstanding and true public servant,
Hard working, genuine, with a heart of gold,
By being inducted into the Wall of Distinction, one thing is certain,
Your legacy in this building is one to uphold.

Her spirit will forever remain in my heart and I know in the hallways of this building.

ASSEMBLYMAN MUNFORD:

It is really an honor and pleasure to say a few words about Peggy. When I came up here as a freshman, Peggy always had that softness and that caring in her heart. She even reached out to me when I was a freshman. She helped me a great deal and was my mentor. She was down there and I was up here. She was an exceptional person.

I recall when we would go as a Democratic caucus to Minden to the Basque dinner where we would have all that food. Peggy rode with me twice—you could say I chauffeured her down there. And on our return last session, we almost got a speeding ticket. We were pulled aside by the Highway Patrol, but Peggy was sitting next to me—no problem. She gave them a piece of her mind and he just said, Oh okay, everything is fine. So we were able to just pull away.

Peggy and I sat on many committees together and she advised me on what to do. She would even keep me awake. Sometimes she would punch me and say, Harvey, come on you have got to pay attention. She was really special to me, and I have a great deal of thoughts about her. She will be extremely missed, and I extend condolences to the family.

ASSEMBLYMAN STEWART:

I rise in support of Peggy Pierce. Unlike my colleague from the left, I failed to catch the patience that Peggy had. I sat next to her in Government Affairs for a couple of sessions, and we would argue every morning. She was a lot smarter than I was, and she would usually win the argument before and even during Government Affairs.

Then one day, I was ahead in the argument and all of a sudden she spilled her water all over the place. I think she did that on purpose. From then on the water was put behind us, and it is still there, kind of as a tribute to Peggy and her fiery spirit. Every time I go into that committee room now and I look at the pitcher of water, I think of Peggy. We very seldom agreed, but I always admired her and even loved her for the great person that she was. There was never any question where Peggy Pierce stood. She was a great Assemblywoman and a great Nevadan, and I will always remember her and always admire her.

ASSEMBLYMAN OHRENSCHALL:

I was privileged to serve with Peggy, and I want to share a few memories. I will start out with one that is a little funny and then go to a few more serious ones. I think that most of us who knew Peggy know that I call her the liberal lion of the State Assembly. She was fierce. She cared about poor people. She cared about people who really did not have a fair chance at things. I did not know that when I was a freshman. She was always very nice to me; very sweet to me. Peggy was small in stature unlike the lion inside her.

After the first session, we were back home at an ACLU event in Las Vegas. I was feeling a little sorry for myself because I had drawn an opponent for the race—an opponent I was pretty scared about. The ACLU reception was winding down, and Peggy and I were sitting at the bar—I think it was one of the country clubs in Las Vegas—and Peggy was trying to give me a pep talk to encourage me. What she said surprised me a little bit. I may have to sanitize some of it. She said, James, you are going to win, but no more of this Mr. Nice Guy bleep. You need to dig up all the bleeping dirt on this person you can, and you need to run the dirtiest, nastiest bleep busting

campaign against this bleep, bleep, bleep, bleep candidate. Well, I told Peggy that is not my style. I never mention my candidate's name, much less run a negative campaign or try to knock them down. Peggy told me it better start being my style and I better get ready to run this kind of campaign. Well down the road several months, the candidate did not turn out to be as tough as I thought. I did dig up all the bleep bleep bleep dirt, but I did not use any of it.

Peggy really encouraged me and showed me the lion in her and the fighter in her. She was someone who, whenever I felt there was a bill here that was going to hurt people through the tax system or the criminal justice system, I could go to her office and I could talk to her. If there was bill I thought was bad because of search and seizures or civil liberties, I would go talk to her. When there was a bill that had to do with United Nations helicopters, the Trilateral Commission, and Council on Foreign Relations, I could go to her office and talk to her, and she would not think I was nuts. We could talk it out and talk about our concerns. Usually, when I had concerns, she had concerns.

She is someone I miss a lot. She was a beautiful person on the inside and out. I consider her a great trade unionist, civil libertarian, environmentalist, and champion for the downtrodden. I very much support this decision to put her on the Wall of Distinction.

ASSEMBLYWOMAN SPIEGEL:

I, too, rise in support of Peggy Pierce and this honor that was bestowed upon her today posthumously.

Peggy was known as the liberal conscience of the Democratic party and the Democratic caucus. She always used to chide me for being too conservative. I always knew I could go and talk to Peggy, learn more about the issues, and get a little bit more perspective from some folks who were not necessarily the people in my district, but were the people elsewhere in Nevada, and people who really needed us to be there fighting for them. Peggy was a fighter. Peggy would stand so firmly on her principles that she would let out a stream of expletives, as everyone pretty much knows by now, and say, You have to do the right thing, and it just does not matter. Nothing else matters but doing the right thing.

She was very knowledgeable. She was up on every subject that came across her desk. She was a voracious reader. Peggy would bring me stacks of reading material on things like foreign trade policy, banking, and taxation. She was always willing to take the time to explain her position. Her efforts have definitely made me a better legislator and have really made a big impact on this body.

There is a picture of Peggy in our caucus room and there are a lot of times I walk in and look at the picture and I think, Well, what would Peggy say, and what would Peggy do. Even if I do not necessarily agree with what I think Peggy would say or what Peggy would do, it definitely helps shape my opinion and the way I work as a legislator. I am profoundly thankful for Peggy and the impact she has had and will continue to have on this body.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Ms. Peggy Pierce and I had the exact same committee line ups for two years in a row—Government Affairs and then Taxation, and Health and Human Services. We shared a common passion for people, we shared common interests. I remember talking to Peggy at the end of my freshman year and she said something to me. She said, You know, Teresa, I have been here for a long time, and I am not always going to be around. What you need to know when you have been in this building long enough is that if you are not making real change, then you are just loitering in the People's Building. She said that a couple of different times, and the longer I serve, the more it resonates with me—the purpose for which we are brought here and the spirit in which we come to this Legislative Building.

I often recall sitting in Government Affairs and Ms. Pierce sitting next to my colleague from Assembly District 22. I characterized and thought of them in my mind very much like Statler and Waldorf. Many of you will know they are the two Muppets who sit in the balcony, and they have a quip and a comment for something, and then they laugh. I always imagined that my colleague from Assembly District 22 and Ms. Pierce were sitting there commenting about us freshmen; how we did not know anything; how not up to speed we were; and how we were screwing up floor procedures. I know we served as a great source of humor for them.

What I remember most about Peggy is that she was absolutely principled. She was one of the funniest people I have ever met and had a love and a zeal for life. The very first time I met her was at my wedding reception. She and Mr. Sasser came—it must have been one of their first dates because we are coming up on our ten-year anniversary. I remember sitting back looking at the dance floor, and here was this tiny little gal just ripping it up, and I thought John has his hands full. Her zeal for life is what I miss most in my heart. As we know, your caucus becomes your family, and sure, sometimes your family fights, and sure, sometimes you get mad at your family, but at least for me, I love my family and I love that caucus. I love my family, and I loved Peggy like a family member.

To have her missing has been very hard. At the end of last session there was a certain spot in the caucus room where she always sat. It was Peggy's spot; no one else sat there. To have that spot be vacant was very symbolic of the vacancy that so many of us in the caucus felt in our hearts. I am so thankful that her spirit carries on, and I could not be more grateful for the fact that she has been selected for the Wall of Distinction.

ASSEMBLYWOMAN KIRKPATRICK:

When people have had the chance to serve with someone who could be on that wall, it brings up a lot of great memories and institutional knowledge. Peggy and I were complete opposites when we came. She was the anointed one, I was not; she was very liberal, I was more conservative; and we agreed to disagree the first 60 days of session. She did not like me, and I did not like her. There was no in between. She saw me as an intruder with what I believed was common sense and what she believed was big business. One thing I have learned about working in this building is there are many friendships you might not see coming, but they become friendships that last a lifetime.

As I served with Peggy, the one thing we agreed on was that economic development starts with education. That is really what brought us together from two sides that were very far apart. We talked about how important education and economic development were. That is something that lives in me every day, something we have been talking about for a long time, and I am very grateful to have had that friendship.

Many of you may not realize that Ms. Pierce was the one who did not like the electric voting machines, and she agreed with many of our conservative friends in the building today. I was the only Democratic friend that she had who would go testify on her bill and say Yes, I think paper ballots are good still. Everyone thought I was crazy because I was backing Ms. Pierce. You never know where you will end up, but what you do know is that there is that one person who reminds you why you are here. There is that one person who leaves something behind.

Last session was a tough session all the way around. Mr. Speaker, you can understand what I am saying. It is really hard to come to a spot that you were not planning on being in, and there is a whole new way of doing things—new staff, and all these responsibilities. Peggy came to me early on in session and said Hey listen, I do not want you to tell anyone but I have been to the doctor and it looks like maybe my cancer is back. I truly believe family comes first above all of this. Without your family, none of this matters, You cannot fight for anyone else if you do not have that family with you. I begged her to please leave this building, resign, go and enjoy those times with Mr. Sasser and her family. She said she would be okay. Do not worry about me. We will get through this. I said Okay, if you are up for it, whatever you need, we will accommodate you. We will work with you.

Many of you will remember that last session was tough. We had security issues going on in the building, and there were some days that were tough for me. One day my other favorite Congressman, Hardy, was in my office. She came in, and they were like oil and vinegar and had never even been in the same room together. I was having a meltdown moment myself, and the two of them actually came together to make me feel better about my situation. Congressman Hardy sent her a letter during her roughest part of the cancer and he told me Man, she sent it back. I said it is okay because she acknowledged it and I think that it is great that you two came together. We do bring friendships together that we may not realize. That day she said to me Girlfriend, whatever you need, I am here for you. I felt super guilty, thinking My problems are nothing compared to her's right now.

She told me she wanted to vote on taxes, and I had to tell her I did not think we were going to get there this session. So she asked if she could vote on marijuana. I said gee, that is a little tough because remember, we were a little bit sideways. Somebody was looking down on us that day because we voted on it, and the motion failed because we had an electronic error. She was not feeling well and she was sitting in the back, and it was going to be, as we know today, her last vote. I was shaking my head and wondering how that failed, because we were counting the numbers and trying to understand. Most of you will remember that we brought it back and let her vote on it again, and she said I finally got to vote for something I truly care about. I feel like when everybody participated in the process, it let her leave this Legislative Building with something.

We want to ensure that the memories of those kind of people are preserved in this institution for a very long time. Those are historical pieces and these are good tears that are shed for folks who truly make a difference. They may have no titles, they may not stand out on the committee, but they are unsung heroes, and I am thankful that we can put an unsung hero like Peggy Pierce on our Wall of Distinction.

ASSEMBLYMAN KIRNER:

I, unlike my colleague from District 27, never got to serve with Ms. Pierce on any of her committees. I sat on the far end of the floor, for two sessions and she sat in this neighborhood. Unlike my colleague from District 27, who thought she was a tiny person, I thought she was amazingly tall. Now that I sit in this vicinity here, I think I understand why.

Senate Bill No. 476.
Bill read third time.
The following amendment was proposed by Assemblywoman Titus:
Amendment No. 672.

AN ACT relating to local districts; making legislative declarations; requiring the imposition of a fee on parcels in a conservation district upon the approval of registered voters **;** ~~[or electors;]~~ authorizing the increase, decrease or elimination of the fee upon such approval; requiring that money collected from the fee be expended only for the purposes of the conservation district; authorizing the supervisors of a conservation district to serve ex officio as directors of a weed control district upon agreement with a board of county commissioners; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a conservation district may be organized as a political subdivision of the State, with various powers and duties regarding the conservation of natural resources within the district. (Chapter 548 of NRS)

In **section 2** of this bill, the Legislature declares that conservation districts may be recognized as having special expertise regarding local conditions, conservation of renewable natural resources and the coordination of local programs which makes the districts suited to serve as cooperating agencies for the purposes of the federal National Environmental Policy Act (42 U.S.C. §§ 4321 et seq.) and to provide local government coordination for the purposes of the Federal Land Policy and Management Act of 1976. (43 U.S.C. §§ 1701 et seq.)

Section 4 of this bill requires a board of county commissioners to impose an annual fee, not to exceed $25, on each parcel in a conservation district, if the imposition of the fee is approved at an election. Under **section 5** of this bill, a board of county commissioners must submit to the voters the question of whether to impose the fee upon receipt of a petition signed by either a majority of the supervisors of the conservation district or at least 10 percent of the registered voters of the conservation district. **Section 5.5** of this bill provides that the required election may be conducted ~~[at a mass meeting of electors held in a public meeting place within the conservation district.]~~ **by mail.** Under **section 6** of this bill, the fee may not be increased, decreased or eliminated except according to the same procedures for imposing the fee. Under **section 4**, money collected from the imposition of the fee may be used only for the purposes of a conservation district prescribed in chapter 548 of NRS.

Sections 8 and 9 of this bill add the Forest Service of the United States Department of Agriculture and the Bureau of Land Management and the Fish and Wildlife Service of the United States Department of the Interior to the definitions of "United States" and "agencies of the United States" for the purposes of provisions regarding cooperation between conservation districts and those agencies of the United States.

In **section 10** of this bill, the Legislature recognizes the importance of locally led efforts for the conservation of natural resources and pledges to strive to provide appropriations to conservation districts at levels comparable to the appropriations provided to similar districts in other western states.

Existing law authorizes the creation of weed control districts, which are governed by a board of directors appointed by the applicable board of county commissioners. (NRS 555.203, 555.207) **Section 15** of this bill authorizes a board of county commissioners and the supervisors of a conservation district to enter into an agreement under which the supervisors of the conservation district serve, ex officio, as the directors of a weed control district that lies entirely within the conservation district. The supervisors must ensure that the money of the weed control district is expended only for the purposes of the statutory provisions relating to weed control districts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 548 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. ***It is hereby declared, as a matter of legislative determination, that conservation districts may be recognized as having special expertise regarding local conditions, conservation of renewable natural resources and the coordination of local programs which makes conservation districts uniquely suitable to serve as cooperating agencies for the purpose of the National Environmental Policy Act of 1969, 42 U.S.C. §§ 4321 et seq., and any other federal laws regarding land management, and to provide local government coordination for the purposes of the Federal Land Policy and Management Act of 1976, 43 U.S.C. §§ 1701 et seq., and any other federal laws regarding land management.***

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Ellison and Carlton.

ASSEMBLYMAN ELLISON:

The amendment creates a two-year sunset on the bill and requires that the Interagency Council on Veterans Affairs provide a report to the 79th Session of the Nevada Legislature concerning the plans and programs developed to assist veterans who have suffered sexual trauma while on active duty or during military training.

ASSEMBLYWOMAN CARLTON:

I know in applying for grants a lot of times if they see a sunset on it and they are giving a grant for a certain amount of time—I want to make sure that the committee had a discussion about this—I would not want to see the sunset prohibit them from being able to go after certain grants. I think we will all admit that there is a problem out there, and it needs to be dealt with. I understand a pilot program but a two-year sunset seems very short to me because a lot of times grants are two to three years long and they want performance measures each year. I have concerns that the short time frame on this would limit the amount of dollars they would be able to apply for. Was that discussed in the committee?

ASSEMBLYMAN ELLISON:

This was discussed in committee. The big thing was not that it was a sunset, it was a report back so we know where we are going to go in the future and what they are going to do, and what kind of help they are going to need. Since they did not know where the money was going to go, they figured it would be best to bring it back as a report to the Legislature in the 79th Session.

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to the family of Assemblyman Joe Hogan.

Assemblyman Munford moved the adoption of the resolution.

Remarks by Assemblymen Munford and Ohrenschall.

ASSEMBLYMAN MUNFORD:

I rise in support in Assembly Concurrent Resolution 4. I came to the Legislature as a freshman with Assemblyman Hogan and Assemblywoman Marilyn Kirkpatrick. When I came up for the first time, I happened to sit next to Joe Hogan on the plane. I never even knew him, but we happened to sit next to each other. We started a conversation, and he told me about the things he was proposing to do as a legislator. It sounded like something out of some kind of equal rights book. He was planning to bring about fair hiring practices when it came to trade unions and jobs, he was going to make sure that equality was being practiced, and he was going to make sure that everyone got a break.

He was a man who had a great deal of sensitivity; he had a great deal of humanity. He thought about his fellow man. He cared about fair play and he had such a good heart. He was such a special person to me as a friend. He was a true friend of mine here in the Legislature and I miss him deeply. I see the representative from his district—District 10—Assemblywoman Shelton.

She has some big shoes to fill to continue some of the work that Joe Hogan started. If I can be of any help, she knows she can call on me. I thank you very much.

ASSEMBLYMAN OHRENSCHALL:

I had the privilege of working with Assemblyman Hogan. I am not sure a lot of people got to know him well, but I did. Joe grew up back East. He was a Navy veteran. He was a graduate of Georgetown Law School. After retiring from the Navy, he went to work for the federal government, and he and his wife retired out here. He did not seek out politics, actually. Former Assemblyman for District 10—our colleague David Goldwater, who now works these halls as a legislative advocate—decided to run for a different office and reached out to Joe and asked Joe if he would be interested in running for the State Legislature. Joe had thought about politics at different times in his life and he said he was willing, and he did.

My memories of Joe are as a great civil libertarian. He really wanted to see equality. He was a passionate environmentalist and cared so much about public lands. One of my biggest regrets in my freshman session was I did not support him on a bill having to do with idling diesel trucks, but he supported me on efforts to try to tighten down on emission standards.

A funny story is I served with Joe when he was Vice Chair of the Assembly Natural Resources Committee. Now Joe was a passionate environmentalist and wildlife advocate, and the chairman of that committee was my friend, former Assemblyman Claborn, a passionate sportsman and passionate hunter. He and Joe did not always agree on some of these issues. One in particular my freshman session had to do with the mountain lion. There was a bill that came down from the Senate that would have allowed hunting of mountain lions from helicopters or airplanes with no permit required. In the end there was a compromise. That bill did not proceed as originally planned, but the committee gift that Joe got for Chairman Claborn was a little statue of a cougar. All it said on the plaque was "Jerry, Thanks for the amendment." The mountain lions got to live because of that amendment to either your happiness or chagrin, depending on what side of that issue you were on.

Joe was in this for all the right reasons. He was a dear, sweet man who cared very passionately about the issues, really a John F. Kennedy Democrat, and that is why he got into politics.

Resolution adopted.

By Assemblymen Hambrick, Elliot Anderson, Paul Anderson, Araujo, Armstrong, Benitez-Thompson, Bustamante Adams, Carlton, Carrillo, Diaz, Dickman, Dooling, Edwards, Ellison, Fiore, Flores, Gardner, Hansen, Hickey, Joiner, Jones, Kirkpatrick, Kirner, Moore, Munford, Neal, Nelson, Ohrenschall, O'Neill, Oscarson, Seaman, Shelton, Silberkraus, Spiegel, Sprinkle, Stewart, Swank, Thompson, Titus, Trowbridge, Wheeler and Woodbury; Senators Kieckhefer, Atkinson, Brower, Denis, Farley, Ford, Goicoechea, Gustavson, Hammond, Hardy, Harris, Kihuen, Lipparelli, Manendo, Parks, Roberson, Segerblom, Settelmeyer, Smith, Spearman and Woodhouse:

WHEREAS, As a member of the Assembly, Pete served on the Assembly Standing Committees on Government Affairs, Health and Human Services, Commerce and Labor, Taxation, and Natural Resources, Agriculture, and Mining, and continued to represent the interests of the people of Carson City by successfully sponsoring bills to revise the Airport Authority Act for Carson City and the Carson City Charter and to preserve the buildings and grounds of the historic Nevada State Prison; and

WHEREAS, Pete is survived by Laurie, his wife of over 50 years, their children Richard, Sheri and Jackie, and several grandchildren, who will all cherish his memory and reflect on a life devoted to his family, his community, the youth of Carson City and the citizens of the State of Nevada; now, therefore, be it

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Pete's beloved wife Laurie and their children Richard, Sheri and Jackie.

Assemblyman O'Neill moved the adoption of the resolution.

Remarks by Assemblymen O'Neill, Elliot Anderson, Ellison, Swank, Stewart, Fiore, and Ohrenschall.

ASSEMBLYMAN O'NEILL:

Mr. Speaker, I have already registered my support of Assembly Concurrent Resolution 5. There are several things I would like to say about Pete Livermore. One is that I will forever be indebted, and also hold it against him sometimes, that I am here today.

Pete really had a sense of humor. When you look at that picture that was up on our board, he sort of had that bulldog smile that you could not help but love. At the same time, there was a twinkle in his eye that meant he was dead serious but always looked for the good in everything.

He was a tireless advocate for Carson City, the place he called home. He may have been born in New Orleans and loved its jambalaya and the crawdads, but Carson City was his home. That was proven by his tireless efforts and the work he did for Carson City. He not only served as a city supervisor and for two terms here in our Legislature, but I think a good majority of Carson City first learned their work ethic by going to work at one of his A&W Root Beer stands. They learned that you show up on time, you do good work, and you will be taken care of. They have kept that work practice throughout their lives and really owe it to the Livermores.

We have one of the premier sports complexes here in Carson City, which was recently renamed the Pete Livermore Sports Complex. It houses a BMX race course, several softball fields, and some tremendous soccer fields which stand up to any along the West Coast and beyond.

I asked his family for a few quotes to remember Pete by. I will not repeat most of them, but I will say Jackie had the best one. He always said he wanted to be remembered as being first in the buffet line, To get it started, he said.

It is with great honor and humility and everything that I owe to Pete and the friendship of the entire Livermore family that I stand in support of this resolution.

ASSEMBLYMAN ELLIOT ANDERSON:

I could not pass up this opportunity to say a few words about my friend Mr. Livermore. He and I felt a special kinship, having both served in the Marine Corps and having both spent time at the Bridgeport Mountain Warfare Training Center. Just like I share a special kinship with my colleague from District 21, so, too, Mr. Livermore and I hit it off immediately because we had those common experiences to talk about.

I want to go on record supporting him and wishing his family all the best. I know that he has done so much for his state and for his country, and so I was very happy to support this resolution. Mr. Speaker, there is a saying, Marines do not die, they only regroup. I have no doubt that Mr. Livermore is watching over all of us.

ASSEMBLYMAN ELLISON:

I stand in support of Assembly Concurrent Resolution 5. My colleague from District 40 was a good friend and I think a good friend to all of us. Pete Livermore would call me every day and say You know what is on for lunch? I think he could tell me the menu better than the people who cooked it.

He was such a Gentle Ben of the Legislature. He had a heart of gold and was more honest than any person I have ever met in my life. I keep Mr. Livermore's picture and phone number in my phone because he is still my friend and I love him to death.

His family is so strong through this time. I cannot believe they have stood together in such support for this individual. As I walk through the third floor every day I can still see Pete meet me at his door to walk to the elevator, and I can still beat him down to the bottom. I hope everyone supports this resolution.

ASSEMBLYWOMAN SWANK:

I rise in support of Assembly Concurrent Resolution 5. When I came to this body as a freshman, I was seated at this desk next to a gentleman. The sign said Livermore. Pete and I had never met, and when I first sat down, he made sure I knew where the buttons were and which ones to push. He made sure I knew how to get the Speaker's attention. He pointed out that the cameras were across the way and maybe I should be careful to not stick my finger in my ear or something. He took care of me that whole freshman year; he made sure I knew what I needed to do.

He and I became an unlikely pair of friends over the course of the last session. During the interim we also got to work together on the Nevada State Prison. At the beginning of this session, I passed on the tradition that Pete Livermore started, right over in these two desks. I passed on to my colleague from Assembly District 19 all the advice that Pete had given me about the cameras and the buttons and things. Pete was a great legislator and a great guy, and I hope everyone will support this resolution.

ASSEMBLYMAN STEWART:

I rise in support of A.C.R. 5. I, too, was a great friend of Pete Livermore. I think it is ironic that we celebrate the passing of Mr. Hogan and Mr. Livermore at the same time. They were both members of the Armed Forces. They both served their country, and they both served the state of Nevada with great dignity.

As mentioned, Pete was a great advocate and strong supporter of Carson City, and of making the prison into a museum and a place of interest to the people of Nevada and all of the United States.

One thing we failed to mention was that Pete was in constant pain. With his leg, he had a very hard time getting around, and yet he would literally drag himself from one meeting to another and was a great inspiration to all of us, as was Joe Hogan. I think it is very fitting that we honor these two men today for their service to their country and to the state of Nevada.

ASSEMBLYWOMAN FIORE:

I just want to say that I support Assembly Concurrent Resolution 5. Pete Livermore was one of my favorites, and every time I would kind of get in hot water with my caucus, as I sometimes do, Pete Livermore would always stick up for me and always be by my side. He would also play

games of either taking my pens or my phones. He always made things a little bit lighter in our caucus when things were pretty heated. So I just want to say I support this, and I love him dearly.

ASSEMBLYMAN OHRENSCHALL:

I rise in support of the resolution. I had the opportunity of serving with Pete on the interim committee having to do with recycling. He was a fierce advocate for single-stream recycling, trying to get it going all over the state, but also here in Carson City. He had a lot to contribute on that and I really appreciate everything he fought for.

Resolution adopted.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Legislative Counsel's Digest:

Existing law authorizes the governing body of a city whose population is 220,000 or more in a county whose population is 100,000 or more but less than 700,000 (currently only the City of Reno) by ordinance to create a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment. Existing law requires that such an ordinance be approved by a two-thirds majority of the members of the governing body. Existing law also requires that the ordinance impose a surcharge of $2 on the per night charge for the rental of a room in a hotel in the district that holds a nonrestricted gaming license and provides that the proceeds of the surcharge must be used by the city solely to pay the cost of improving and maintaining publicly owned facilities for tourism and entertainment in the district or within 1 mile outside the boundaries of the district, except for a minor league baseball stadium. (NRS 268.798)

Section 1.3 of this bill ~~[requires the governing body of]~~ **imposes, in** a city that has created a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment **,** ~~[to impose]~~ a surcharge of $2 on the per night charge for the rental of a room in a hotel in the district, other than a hotel that holds a nonrestricted gaming license. **Section 1.5** of this bill ~~[requires the governing body of]~~ **imposes, in** a city that has created such a district **,** ~~[to impose]~~ an additional surcharge of $1 on the per night charge for the rental of a room in a hotel in the district **.** ~~[. If the city is located in a county in which a county fair and recreation board has been created, sections 1.3 and 1.5 require the city to transfer to the county fair and recreation board any money collected from the surcharges imposed pursuant to those sections. If a county fair and recreation board has not been created, sections]~~ **that holds a nonrestricted gaming license. Sections 1.3 and 1.5** require the ~~[city to keep the money collected from]~~ **county fair and recreation board to collect** the surcharges and expend the money only for ~~[certain purposes relating to the promotion of tourism.]~~ **the purposes authorized by section 4.5 of this bill.**

In any county in which is located a city that has created a district to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment, **section 4** of this bill creates a district for the

promotion of tourism in the region. **Section 4** also requires the board of county commissioners to adopt an ordinance prescribing the boundaries of the district, which must include within its boundaries all property: (1) which is located in the county and located in any city in the county other than property that is located within a district created by a city to finance capital projects necessary to improve and maintain publicly owned facilities for tourism and entertainment; and (2) which is located not more than 20 miles from the boundaries of any such district created by a city. **Section 4** imposes a ~~[$3]~~ **$2** surcharge on the per night charge for the rental of a room in a hotel in the district and requires ~~[the board of county commissioners to transfer the money collected from the surcharge to]~~ the county fair and recreation board ~~[, if a county fair and recreation board has been created in the county. If a county fair and recreation board has not been created, section 4 requires the board of county commissioners to keep the money and prescribes the purposes for which the board of county commissioners may]~~ **to collect the surcharge and** expend the money ~~[.]~~ **only for the purposes authorized by section 4.5.**

Section 4.5 ~~[of this bill]~~ requires a county fair and recreation board that ~~[receives]~~ **collects** any money from the surcharge imposed ~~[pursuant to]~~ **by section 1.3, 1.5 or 4** to create an account into which all such money must be deposited. **Section 4.5** authorizes the board to expend the money to implement a strategic plan for the promotion of tourism in the region. **Section 4.5** also requires the board, every 5 years, to prepare and submit to the Legislature a report concerning the expenditure by the board of any money received from the surcharge imposed ~~[pursuant to]~~ **by sections 1.3, 1.5 and 4**.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 674.

AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide services of independent living and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other

growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is $14,000 per year. Distributions from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person's state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A) **Sections 2-15** of this bill require the Aging and Disability Services Division of the Department of Health and Human Services, in cooperation with the State Treasurer, to establish the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) **Sections 18 and 19** of this bill authorize the Division to establish a program to provide services of independent living and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) **Sections 21 and 22** of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.

Assemblyman Oscarson moved the adoption of the amendment.

Remarks by Assemblyman Oscarson.

ASSEMBLYMAN OSCARSON:

This amendment allows, instead of requires, the State Treasurer to adopt regulations to establish the Nevada ABLE Program. It moves duties of the program from the Aging and Disability Services Division to the State Treasurer and instead requires the Division to conduct an outreach program to increase participation in the program.

Amendment adopted.

GENERAL FILE AND THIRD READING

Senate Bill No. 504.

Bill read third time.

Mr. Speaker announced if there were no objections, the Assembly would recess subject to the call of the Chair.

Assembly in recess at 12:11 p.m.

ASSEMBLY IN SESSION

At 12:54 p.m.

Mr. Speaker presiding.

Quorum present.

Remarks by Assemblymen Paul Anderson, Spiegel, Hansen, Fiore, Elliot Anderson, Gardner, Hickey, Ellison, Nelson, and Kirkpatrick.

ASSEMBLYMAN PAUL ANDERSON:

Senate Bill 504, as amended, makes various changes to Nevada law concerning bullying and cyber-bullying in public schools. Specifically, it provides for disciplinary and licensure proceedings if someone knowingly and willfully fails to comply with applicable provisions of law. It requires that the parents of a student be allowed to petition a court to compel performance by a school official of any duty imposed. It creates the Office for a Safe and Respectful Learning Environment within the Department of Education and establishes and maintains a 24-hour toll-free hotline and website for public information and incident reporting. It changes the requirements regarding the reporting and investigation of an incident of bullying or cyber-bullying; requires a good faith effort to notify, within one school day, the parents of all students involved in an incident; requires an investigation, including an interview with students and parents, within two school days; requires a principal to meet with any victims within ten days; and allows a parent or guardian to submit a complaint to the Department of Education within 30 days in response to a decision made by a principal or his or her designee related to the incident.

I imagine that most of us experienced or witnessed bullying in our youth. But just because bullying has been a part of our past does not mean it has to be part of our future. I am proud of this bill; I am proud of what we are doing today. I think we are taking a big step forward in helping Nevada's children. I will be voting yes, and I encourage all others to do so as well.

ASSEMBLYWOMAN SPIEGEL:

Senate Bill 504 arose out of some incidents that happened in my Assembly district. Too many kids in my district and throughout our state have been bullied, have been damaged; some have even committed suicide. Senate Bill 504 goes a long way in helping to turn things around so our children will feel safe at school, will be in a position where they will be able to learn, and most importantly, will be in a position where they will be able to live.

Senator David Parks and I have been working with the Governor's staff on this bill for nearly a year. It is a great bill, and I urge everyone to support it.

ASSEMBLYMAN HANSEN:

I rise in opposition to Senate Bill 504. The primary reason I have objections to it is because I have not had a chance to read it. This is not an emergency, and I resent the fact that I am being forced into a vote today when most of the people in our caucus have not even had a chance to read the bill. I am certainly no proponent of bullying, but I am also not a proponent of phony emergency measures that are not emergencies.

On the issue of bullying, I have a teacher who teaches in Clark County, and they have endless lectures, classes, and rules on bullying right now. So the idea that this is some new thing, that they do not already have programs in place to deal with these kind of things, is just not the case.

This is another one of those deals where there certainly should be an element of local control. There was a bill that we tried dealing with on bathrooms, and that ended up being defeated because at least a few members of our caucus felt it was something the local people should control. In the whopping five minutes I have had a chance to read this thing, local control is something we should consider.

My objection today and the reason I am voting no is not because of bullying. It is this phony emergency rush to try and get this thing done before we have an opportunity to fully vet it. That is why I am in strong opposition. One or two days would make no difference in the big scheme of things, yet somehow it has to be done in such short order without reasonable opportunities for all of us to thoroughly go through it and see what we like and do not like and have opportunities to perhaps amend sections of it.

I am not a proponent of bullying, but I am a proponent of thoroughly vetting things before we pass laws that affect 400,000 kids in the public schools, every teacher in the public schools, and all the parents in the public schools, without proper vetting of these issues. I would urge a no vote simply on that basis.

ASSEMBLYWOMAN FIORE:

I am a proponent of not bullying, but I have stood here before and said I would not vote on something I did not read, because I do not think this body is full of Pelosis who vote on something and then find out what is in the bill. I am standing in opposition because I do not want to vote no on this bill. I want a chance to read the bill. This emergency measure—what do we do? I do not want to vote on this bill today because I have not read it. I do not want to vote no and I do not want to vote yes. I do not want to vote on this bill today. I need an answer.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in support of Senate Bill 504. I want to explain to the body more about what we heard during the interim, what was happening with these bullying incidents. A lot of times what is happening is parents are not getting notification about what is happening with their children at school. This bill is intended to ensure that those parents get notification, so they can get engaged and so they can fix these problems before they turn into kids committing suicide.

I respect my colleague from District 32. There has been an issue with getting that notification from the school district, and so this bill sets up an office to ensure that there is a place where kids can go if they are feeling under pressure. The hope is to ensure that we get them some help, whether it is through parental notification measures or that 1-800 number for those kids to call when they are in trouble. I urge this body to support S.B. 504.

ASSEMBLYMAN GARDNER:

I have a question for the Majority Leader regarding the intent of the bill. This is in section 6, part 2, subsection f. I just read this and want to get the intent of the bill in this section. It says

"(f) Blocking access to any property or facility of a school" I am just wondering what is the intent behind that in considering that bullying.

ASSEMBLYMAN PAUL ANDERSON:

I can happily defer to the Chair if they have further clarification. I think intent for the record is good, and this is an important part of it. When I picture that phrase in my mind, it is somebody blocking me from exiting a door or going on to campus. I believe the intent is pure and is to protect those who are being bullied. I do not think there is any other intent with that particular section.

ASSEMBLYMAN HICKEY:

I rise in support of Senate Bill 504. This bill was vetted and heard in a five-hour joint hearing of Education Committee members between ourselves and the Senate. It was passed unanimously by our Assembly Education Committee, and it has been deeply discussed. With respect to my colleague's concerns about this being an emergency measure, folks, we are 20 days away from trying to close this building down successfully. We are going to be pressured to make decisions. I speak for myself, but I rely upon the members of other committees who have discussed, vetted, debated, and brought their conclusions to us.

Having served on the committee, and in conjunction with my colleagues who were in support, I urge us to go forward with this bill. It sets the stage for dealing with problems that parents democratically brought to this process, and we are acting upon it with our vote and support today.

ASSEMBLYMAN ELLISON:

I would like to ask a question of the Majority Leader if I may. I think everyone in this body wants to understand and vote in favor of this bill. I do, too. There were questions that were brought up in caucus a few minutes ago. The savings are a great deal to this body. I think how much money we will save. One question I have is can we take a recess until about five o'clock and then come back and vote as a whole? I think you will get 100 percent or 90 percent of this body to vote this out. That is all I ask for is a recess to come back tonight and vote on this measure.

ASSEMBLYMAN PAUL ANDERSON:

Mr. Speaker, certainly it is at your pleasure that we recess or not. My recommendation would be that we do not at this time. With the committee passage deadline and other events we have going on, I think we all recognize the importance of this particular bill along with the companion legislation and budget items that accompany it. I would recommend that we move forward at your discretion.

MOTIONS, RESOLUTIONS AND NOTICES

Assemblywoman Fiore moved that Senate Bill No. 504 be taken from the General File and placed at the top of the General File for the next legislative day.

Having previously announced that all members would have an opportunity to speak on Senate Bill No. 504, Mr. Speaker deferred acceptance of the motion.

GENERAL FILE AND THIRD READING

ASSEMBLYMAN NELSON:

My position is this: I have the deepest respect for our Majority Leader. He is a very good friend of mine and I trust him, but I agree with what my colleague from Elko said. I do not think we need to kick it a full day, but I would like to have half an hour to read it again and to talk with the committee chairman and other members of the committee. I would echo what my colleague from Elko says; I think we need a little more time to read it. The Majority Leader says we need to vote on it today. Fine, we can vote on it today, but let us have a couple of hours.

ASSEMBLYWOMAN KIRKPATRICK:

I rise in support of Senate Bill 504, but more importantly, let us have a real discussion here. This is 19 days from closing down. This is going to happen in so many different ways—last session, the session before that, the session before that. Quite frankly, many folks in this body who trusted me voted on concur/not concurs on the very last day within five minutes of their bills being heard. The members of this body have a responsibility every single day to look at the Daily File, every single day to look at the Second Reading, because we are out of time folks. We have no more time to do this. We have to move bills this quickly or you and I and everybody in this body will lose bills that we care about as a whole. Whether or not you like this bill, that is your choice. But this is a legislative process; we are down to the wire. We have work sessions that we have gotten posted hours before we were asked to vote on them. But I voted on it.

We just spent 40 minutes in a caucus meeting. Honestly, folks could have gone through that bill section by section in that time. That is how long we spent going through it yesterday. My Girl Scouts and I watched the joint hearing in the Senate. Each and every one of us has that responsibility every single day as well.

You can participate in the meetings by watching online, you can participate in your caucus room, you can participate in your office, or you can participate at home for heaven's sake. We have a responsibility to the folks who are outside of this little vacuum to actually process legislation every single day. There is no down time anymore. Folks think we are going home this weekend to hang out. We are not. There are budgets to be closed, there is staff that is working 23 hours a day to make this all come together. I do not buy the argument that no one got a chance to read it. Everyone has a responsibility. That is the legislative thing you were elected to do—to read every single bill. Everything that is on Second Reading for tomorrow, I have already read it. That is my responsibility to take that vote.

Mr. Speaker, I would ask that we just call for the question and let folks vote how they want. If we start this trend, I am telling you, having been in your spot before, we will not get out of here, there will be a lot of bills that die, and oh by the way, we do not get to make that decision later.

Assemblymen Kirkpatrick, Araujo, and Woodbury moved the previous question.

ASSEMBLYWOMAN SPIEGEL:

Senate Bill 3 requires the Department of Motor Vehicles [DMV] to establish and maintain an Internet-based registry of emergency contact information to be known as the Next-of-Kin Registry. Anyone who has a Nevada driver's license, driver authorization card, or identification card may establish a record within the Registry. In the case of a motor vehicle accident, a law enforcement officer or other authorized employee of a law enforcement agency must search the Registry when practicable and make a reasonable attempt to notify the emergency contact person. In the event of the death of a driver or passenger, law enforcement personnel must coordinate the next-of-kin notification with the coroner or medical examiner and ensure that notification is made only after positive victim identification is confirmed. In the case of an accident or emergency situation other than a motor vehicle accident, the bill allows, but does not require, law enforcement personnel to search the Registry for an emergency contact person.

The bill also contains various privacy provisions, including prohibiting information from the Registry from being released for the purposes of determining legal presence; limiting the circumstances under which the DMV may grant access to the Registry information of a registrant; requiring the DMV to disclose to registrants who will have access to information contained in the Registry, as well as who will be notified in the case of an emergency; and providing that those who have access to the Registry are not exempt from criminal or civil liability for willful misuse of the Registry.

This bill is effective upon passage and approval for the purpose of adopting regulations and performing preparatory administrative tasks, and on the date on which the Director of the DMV notifies the Governor and the Director of the Legislative Counsel Bureau that sufficient resources are available to enable the DMV to carry out the amendatory provisions of this measure.

SECOND READING AND AMENDMENT

Senate Bill No. 13.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 675.

AN ACT relating to education; revising provisions relating to an individualized education program for a pupil with a hearing impairment; revising provisions governing parent representation of the educational interests of a pupil with a disability; revising provisions relating to the minimum standards prescribed by the State Board of Education for pupils with hearing impairments; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The federal Individuals with Disabilities Education Act governs how states and public agencies provide early intervention, special education and related services to pupils with disabilities. (20 U.S.C. § 1400 et seq.) The Act includes a requirement to develop an individualized education program for each pupil with a disability by an individualized education program team. (20 U.S.C. § 1414(d)) **Section 1** of this bill revises the definition of a "pupil with a

disability" to align with the definition of "child with a disability" in the Individuals with Disabilities Education Act. (20 U.S.C. § 1401(3)(A))

Existing law authorizes a pupil with a disability who does not satisfy the requirements for a standard high school diploma to receive an adjusted diploma instead which evidences the graduation from high school if the pupil satisfies the requirements set forth in his or her individualized education program. (NRS 389.805) Existing law further provides that any right accorded to a parent of a pupil with a disability pursuant to the Individuals with Disabilities Act transfers to the pupil when the pupil attains the age of 18 years unless the school district or charter school approves an application of a parent to be appointed to represent the interests of the pupil. (NRS 388.492, 388.493) Existing law also provides that if such an application is granted, a parent represents the educational interests of the pupil until: (1) the pupil receives a standard high school diploma or an adjusted diploma; (2) the pupil is no longer enrolled in a program of special education; or (3) the parent elects to transfer the right to represent his or her own educational interests to the pupil. **Section 3** of this bill removes the reference to an adjusted diploma so that a parent who represents the interests of a pupil with a disability will continue to do so until the pupil receives a standard diploma or is no longer enrolled in a program of special education.

Existing law requires the State Board of Education to prescribe certain minimum standards for the special education of pupils with disabilities and for programs of instruction or special services maintained for the purpose of serving such pupils with disabilities and has specific requirements for pupils with hearing impairments. (NRS 388.520) **Section 4** of this bill removes the specific requirements that the minimum standards prescribed for pupils with hearing impairments include certain provisions. Instead, **section 4** requires those minimum standards to comply with federal law concerning persons with hearing impairments.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Transportation:

Amendment No. 687.

AN ACT relating to motor vehicles; revising provisions governing the issuance by the Department of Motor Vehicles of a refund or credit for certain fees and taxes paid upon the transfer or cancellation of vehicle registration in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a person who has registered his or her vehicle with the Department of Motor Vehicles may transfer that registration to another vehicle upon filing an application for transfer of registration. In computing the registration fee and governmental services tax due on the vehicle to which the registration is transferred, the Department must credit against the amounts due the portion of the registration fee and governmental services tax paid on the vehicle from which the registration is being transferred attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis. If the amount owed on the registration fee or governmental services tax on the vehicle to which the registration is transferred is less than the credit on the registration fee or governmental services tax paid on the vehicle from which the registration is transferred, no refund may be allowed by the Department. (NRS 482.399) **Section 1** of this bill provides that, if the amount owed on the registration fee or governmental services tax on the vehicle to which the registration is transferred is less than the credit on the registration fee or governmental services tax paid on the vehicle from which the registration is transferred, the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the registration was transferred was due to expire.

Existing law also provides that a person who cancels his or her registration and surrenders to the Department the license plates for that vehicle under certain circumstances may be eligible for a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. To be eligible for such a refund, the amount of the refund must exceed $100 and the person must: (1) request the refund at the time the registration is cancelled and the license plates are returned; (2) be a resident of this State; and (3) provide evidence to the Department of extenuating circumstances. (NRS 482.399) **Section 1** provides that the Department must issue to a person who is not eligible for such a refund a credit equal to the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to the registration of any other vehicle owned by the person and any unused portion

of the credit expires on the date the registration of the vehicle from which the person obtained the refund was due to expire.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.399 is hereby amended to read as follows:

482.399 1. Upon the transfer of the ownership of or interest in any vehicle by any holder of a valid registration, or upon destruction of the vehicle, the registration expires.

2. Except as otherwise provided in subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner. The certificates of registration and unused license plates of the vehicles from which a person transfers ownership or interest must be submitted before credit is given against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner.

4. In computing the registration fee, the Department or its agent or the registered dealer shall credit the portion of the registration fee paid on each vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis against the registration fee due on the vehicle to which registration is transferred.

5. If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, ~~[no refund may be allowed by the Department.]~~ ***the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the person transferred the registration was due to expire.***

6. If the license plate or plates are not appropriate for the second vehicle, the plate or plates must be surrendered to the Department or registered dealer and an appropriate plate or plates must be issued by the Department. The Department shall not reissue the surrendered plate or plates until the next succeeding licensing period.

7. If application for transfer of registration is not made within 60 days after the destruction or transfer of ownership of or interest in any vehicle, the license plate or plates must be surrendered to the Department on or before the 60th day for cancellation of the registration.

8. Except as otherwise provided in subsection 2 of NRS 371.040 ***,*** ~~[and]~~ subsection 7 of NRS 482.260 ~~[,]~~ ***and subsection 3 of NRS 482.483,*** if a person cancels his or her registration and surrenders to the Department the license plates for a vehicle, the Department shall ~~[, in]~~ ***:***

(a) In accordance with the provisions of subsection 9, issue to the person a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis ~~[.]~~ ***; or***

(b) If the person does not qualify for a refund in accordance with the provisions of subsection 9, issue to the person a credit in the amount of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to the registration of any other vehicle owned by the person. Any unused portion of the credit expires on the date the registration of the vehicle from which the person obtained a refund was due to expire.

9. The Department shall issue a refund pursuant to subsection 8 only if the request for a refund is made at the time the registration is cancelled and the license plates are surrendered, the person requesting the refund is a resident of Nevada, the amount eligible for refund exceeds $100, and evidence satisfactory to the Department is submitted that reasonably proves the existence of extenuating circumstances. For the purposes of this subsection, the term "extenuating circumstances" means circumstances wherein:

(a) The person has recently relinquished his or her driver's license and has sold or otherwise disposed of his or her vehicle.

(b) The vehicle has been determined to be inoperable and the person does not transfer the registration to a different vehicle.

(c) The owner of the vehicle is seriously ill or has died and the guardians or survivors have sold or otherwise disposed of the vehicle.

(d) Any other event occurs which the Department, by regulation, has defined to constitute an "extenuating circumstance" for the purposes of this subsection.

Sec. 2. NRS 482.483 is hereby amended to read as follows:

482.483 In addition to any other applicable fee listed in NRS 482.480, there must be paid to the Department:

1. Except as otherwise provided in subsection 3, for every trailer or semitrailer having an unladen weight of 1,000 pounds or less, a flat registration fee of $12.

2. Except as otherwise provided in subsection 3, for every trailer having an unladen weight of more than 1,000 pounds, a flat registration fee of $24.

3. If, pursuant to NRS 482.399, the owner of a full trailer or semitrailer that is registered pursuant to this section cancels the registration and surrenders the license plates to the Department, no portion of the flat registration fee will be refunded ***or credited*** to the owner.

Sec. 3. **As soon as practicable, but not later than January 1, 2016, upon determining that sufficient resources are available to enable the Department of Motor Vehicles to carry out the amendatory provisions of this act, the Director of the Department shall notify the Governor and the Director of the Legislative Counsel Bureau of that fact, and shall publish on the Internet website of the Department notice to the public of that fact.**

Sec. 4. **This act becomes effective:**

Amendment No. 666.

SUMMARY—Requires certain notice to be provided to certain parents and legal guardians when a new charter school will begin accepting applications or an existing charter school expands enrollment **by a certain percentage** or opens a new facility. (BDR 34-729)

AN ACT relating to education; requiring the governing body of a new charter school or a charter school that is expanding enrollment **by a certain percentage** or opening a new facility to provide notice concerning the application and enrollment process to parents or legal guardians who live within a certain distance from the charter school; revising provisions governing a lottery held to determine which applicants may enroll in a charter school; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the formation and operation of charter schools. (NRS 386.490-386.610) Existing law authorizes a charter school to enroll certain children before enrolling children who are otherwise eligible for enrollment and requires a charter school to determine which applicants to enroll on the basis of a lottery system in the event that more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available. (NRS 386.580) With certain exceptions,

section 1 of this bill requires the governing body of a new charter school to send notice at least 45 days before the charter school begins accepting applications for enrollment to the home of the parent or legal guardian of any child who resides within 2 miles of the charter school stating when the charter school will begin accepting applications for enrollment and providing certain information concerning the application and enrollment process. **Section 1 also requires this notice to be sent when an existing charter school expands enrollment by at least 10 percent or opens a new facility and requires the notice to be provided in the languages primarily spoken in the households to which such notice is provided, to the extent practicable.** **Section 3.5** of this bill requires a lottery held to determine which applicants may enroll in a charter school to occur not sooner than 45 days after the date on which the charter school begins accepting applications for enrollment unless the sponsor of a charter school determines there is good cause to hold it sooner.

Existing law authorizes the parent or legal guardian of any child who resides in this State to submit an application for enrollment in a charter school to the governing body of the charter school. (NRS 386.580) **Section 3.5** clarifies that a parent or legal guardian is authorized to submit such an application annually.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, at least 45 days before a new charter school for which a contract has been executed pursuant to NRS 386.527 begins accepting applications for enrollment pursuant to NRS 386.580 or at least 45 days before a charter school that is expanding enrollment by at least 10 percent or opening a new facility begins accepting applications for enrollment pursuant to NRS 386.580, the governing body of the charter school shall make a reasonable effort to notify each household located within 2 miles from the charter school regarding:

(a) When the charter school will begin accepting applications for enrollment;

(b) How to apply for enrollment; and

(c) The process for enrollment of pupils.

2. If notifying each household within 2 miles from a charter school does not provide a sufficient population density, the governing body of the charter school and the sponsor of the charter school may agree to notify households that are located more than 2 miles from the charter school.

3. To the extent practicable, the notice provided pursuant to subsections 1 and 2 must be provided in the languages primarily spoken in the households to which such notice is provided.

4. A charter school that is not authorized to enroll more than 250 pupils for all facilities that the charter school operates is not required to comply with the provisions of subsection 1. If the charter school does not comply

with these provisions, the charter school must develop an alternative plan to inform households located in the area served by the charter school that it is accepting applications for enrollment.

~~[4.]~~ 5. If the governing body of a charter school has not acquired a facility to operate the charter school at least 45 days before the date on which the charter school begins accepting applications for enrollment pursuant to NRS 386.580, the sponsor of the charter school may identify a location reasonably believed to be close to where the facility will be located and provide the notification required pursuant to subsection 1 to each household located within 2 miles from this location.

~~[5.]~~ 6. The sponsor of a charter school may require the charter school to provide documentation of any effort to inform households located in the area served by the charter school that the charter school is accepting applications for enrollment, expanding enrollment or opening a new facility.

~~[6.]~~ 7. The sponsor of a charter school may revise the timeline for notification prescribed in subsection 1 for good cause.

Sec. 2. NRS 386.490 is hereby amended to read as follows:

386.490 As used in NRS 386.490 to 386.649, inclusive, ***and section 1 of this act,*** the words and terms defined in NRS 386.492 to 386.503, inclusive, have the meanings ascribed to them in those sections.

Sec. 2.5. NRS 386.505 is hereby amended to read as follows:

386.505 The Legislature declares that by authorizing the formation of charter schools it is not authorizing:

1. The conversion of an existing public school, homeschool or other program of home study to a charter school.

2. A means for providing financial assistance for private schools or programs of home study. The provisions of this subsection do not preclude:

(a) A private school from ceasing to operate as a private school and reopening as a charter school in compliance with the provisions of NRS 386.490 to 386.649, inclusive ~~[.]~~ ***, and section 1 of this act.***

(b) The payment of money to a charter school for the enrollment of children in classes at the charter school pursuant to subsection ~~[5]~~ ***6*** of NRS 386.580 who are enrolled in a public school of a school district or a private school or who are homeschooled.

386.551 The provisions of NRS 386.490 to 386.649, inclusive, ***and section 1 of this act,*** and any other statute or regulation applicable to a charter school or its officers or employees govern the formation and operation of charter schools in this State.

Sec. 3.5. NRS 386.580 is hereby amended to read as follows:

386.580 1. An application for enrollment in a charter school may be submitted ***annually*** to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise

provided in this subsection and subsection 2, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district located in a county whose population is 100,000 or more, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. Except as otherwise provided in subsection 2, if more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

2. Before a charter school enrolls pupils who are eligible for enrollment, a charter school may enroll a child who:

(a) Is a sibling of a pupil who is currently enrolled in the charter school;

(b) Was enrolled, free of charge and on the basis of a lottery system, in a prekindergarten program at the charter school or any other early childhood educational program affiliated with the charter school;

(d) Is in a particular category of at-risk pupils and the child meets the eligibility for enrollment prescribed by the charter school for that particular category; or

(e) Resides within the school district and within 2 miles of the charter school if the charter school is located in an area that the sponsor of the charter school determines includes a high percentage of children who are at risk. If space is available after the charter school enrolls pupils pursuant to this paragraph, the charter school may enroll children who reside outside the school district but within 2 miles of the charter school if the charter school is located within an area that the sponsor determines includes a high percentage of children who are at risk.

➥ If more pupils described in this subsection who are eligible apply for enrollment than the number of spaces available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

3. Except as otherwise provided in subsection ~~[8,]~~ ***9,*** a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:

(a) Race;
(b) Gender;
(c) Religion;
(d) Ethnicity; or
(e) Disability,

➥ of a pupil.

4. ***A lottery held pursuant to subsection 1 or 2 must be held not sooner than 45 days after the date on which a charter school begins accepting applications for enrollment unless the sponsor of the charter school determines there is good cause to hold it sooner.***

5. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

~~[5.]~~ ***6.*** Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at his or her school or homeschool or participate in an extracurricular activity at the charter school if:

(a) Space for the child in the class or extracurricular activity is available;

(b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity; and

(c) The child is a homeschooled child and a notice of intent of a homeschooled child to participate in programs and activities is filed for the child with the school district in which the child resides for the current school year pursuant to NRS 392.705.

➥ If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

~~[6.]~~ ***7.*** The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection ~~[5]~~ ***6*** if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations. If the governing body so revokes its approval, neither the governing body nor the charter school is liable for any damages relating to the denial of services to the child.

~~[7.]~~ ***8.*** The governing body of a charter school may, before authorizing a homeschooled child to participate in a class or extracurricular activity pursuant to subsection ~~[5,]~~ ***6,*** require proof of the identity of the child, including, without limitation, the birth certificate of the child or other documentation sufficient to establish the identity of the child.

~~[8.]~~ ***9.*** This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:

(a) With disabilities;

(b) Who pose such severe disciplinary problems that they warrant a specific educational program, including, without limitation, a charter school specifically designed to serve a single gender that emphasizes personal responsibility and rehabilitation; or

(c) Who are at risk.

➥ If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll pursuant to this subsection on the basis of a lottery system.

Sec. 3.7. NRS 387.123 is hereby amended to read as follows:

Senate Bill No. 303.

Bill read third time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 673.

AN ACT relating to the protection of children; revising provisions relating to the circumstances under which a child is considered to be in need of protection; revising provisions concerning proceedings related to the termination of parental rights; revising the powers and duties of the Legislative Committee on Child Welfare and Juvenile Justice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the circumstances under which a child is or may be in need of protection. (NRS 432B.330) Those circumstances are considered, without limitation, by: (1) an agency which provides child welfare services to

determine whether to file a petition in juvenile court alleging that a child is in need of protection; and (2) the juvenile court in an adjudicatory hearing to determine whether a child was in need of protection at the time the child was removed from the home. (NRS 62A.180, 432B.050, 432B.340, 432B.410, 432B.490, 432B.510, 432B.530) Under existing law, a child may be in need of protection if the person responsible for the welfare of the child is responsible for the abuse or neglect of another child who resided with that person. (NRS 432B.330) **Section 1** of this bill provides that a child is, rather than may be, in need of protection if the child is in the care of a person responsible for the welfare of the child and another child has been subjected to abuse by that person, unless the person has successfully completed a plan for services that was recommended by an agency which provides child welfare services to address the abuse of the other child. **Section 1** also provides that a child may be in need of protection if the child is in the care of a person responsible for the welfare of the child and another child has been subjected to abuse by that person, regardless of whether the person has successfully completed such a plan for services.

Existing law sets forth the grounds necessary to terminate parental rights, including, without limitation, conduct of a parent or parents that demonstrates a risk of serious physical, mental or emotional injury to the child if the child were returned to, or remains in, the home of his or her parent or parents. (NRS 128.105) **Section 3** of this bill requires a court to consider certain factors if the child has been out of the care of his or her parent or guardian for at least 12 consecutive months, before making a finding that parental conduct satisfies that provision. **Section 4** of this bill revises the conditions a court is required to consider in determining neglect by or unfitness of a parent for the purpose of proceedings regarding the termination of parental rights.

Sections 4.3 and 4.5 of this bill add: (1) reviewing issues relating to the provision of foster care; and (2) proposing recommended legislation concerning that issue to the powers and duties of the Legislative Committee on Child Welfare and Juvenile Justice.

(2) Sexual abuse or sexual exploitation,

➥ of a child caused or allowed by a person responsible for the welfare of the child under circumstances which indicate that the child's health or welfare is harmed or threatened with harm. The term does not include the actions described in subsection 2 of NRS 432B.020.

(b) "Allow" means to do nothing to prevent or stop the abuse or neglect of a child in circumstances where the person knows or has reason to know that a child is abused or neglected.

(c) "Neglect" means abandonment or failure to:

(1) Provide for the needs of a child set forth in paragraph (b) of subsection 2; or

(2) Provide proper care, control and supervision of a child as necessary for the well-being of the child because of the faults or habits of the person

responsible for the welfare of the child or the neglect or refusal of the person to provide them when able to do so.

➥ The term does not include the actions described in subsection 2 of NRS 432B.020.

Sec. 2. (Deleted by amendment.)

Sec. 3. NRS 128.105 is hereby amended to read as follows:

128.105 ***1.*** The primary consideration in any proceeding to terminate parental rights must be whether the best interests of the child will be served by the termination. An order of the court for the termination of parental rights must be made in light of the considerations set forth in this section and NRS 128.106 to 128.109, inclusive, and based on evidence and include a finding that:

~~[1.]~~ ***(a)*** The best interests of the child would be served by the termination of parental rights; and

~~[2.]~~ ***(b)*** The conduct of the parent or parents was the basis for a finding made pursuant to subsection 3 of NRS 432B.393 or demonstrated at least one of the following:

~~[(a)]~~ ***(1)*** Abandonment of the child;

~~[(b)]~~ ***(2)*** Neglect of the child;

~~[(c)]~~ ***(3)*** Unfitness of the parent;

~~[(d)]~~ ***(4)*** Failure of parental adjustment;

~~[(e)]~~ ***(5)*** Risk of serious physical, mental or emotional injury to the child if the child were returned to, or remains in, the home of his or her parent or parents;

~~[(f)]~~ ***(6)*** Only token efforts by the parent or parents:

~~[(1)]~~ ***(I)*** To support or communicate with the child;

~~[(2)]~~ ***(II)*** To prevent neglect of the child;

~~[(3)]~~ ***(III)*** To avoid being an unfit parent; or

~~[(4)]~~ ***(IV)*** To eliminate the risk of serious physical, mental or emotional injury to the child; or

~~[(g)]~~ ***(7)*** With respect to termination of the parental rights of one parent, the abandonment by that parent.

2. Before making a finding pursuant to subparagraph (5) of paragraph (b) of subsection 1, if the child has been out of the care of his or her parent or guardian for at least 12 consecutive months, the court shall consider, without limitation:

(a) The placement options for the child;

(b) The age of the child; and

(c) The developmental, cognitive and psychological needs of the child. ~~[;~~

~~(d) Whether the child has formed a strong positive attachment or bond with the substitute caregiver; and~~

~~(e) Whether the removal of the child from the care of the substitute caregiver is likely to result in psychological harm to the child.]~~

Sec. 4. NRS 128.106 is hereby amended to read as follows:

128.106 In determining neglect by or unfitness of a parent, the court shall consider, without limitation, the following conditions which may diminish suitability as a parent:

1. Emotional illness, mental illness or mental deficiency of the parent which renders the parent consistently unable to care for the immediate and continuing physical or psychological needs of the child for extended periods of time. The provisions contained in NRS 128.109 apply to the case if the child has been placed outside his or her home pursuant to chapter 432B of NRS.

2. Conduct toward a child of a physically, emotionally or sexually cruel or abusive nature.

3. Conduct that violates any provision of NRS 200.463, 200.4631, 200.464 or 200.465.

4. Excessive use of intoxicating liquors, controlled substances or dangerous drugs which renders the parent consistently unable to care for the child.

5. Repeated or continuous failure by the parent, although physically and financially able, to provide the child with adequate food, clothing, shelter, education or other care and control necessary for the child's physical, mental and emotional health and development, but a person who, legitimately practicing his or her religious beliefs, does not provide specified medical treatment for a child is not for that reason alone a negligent parent.

6. Conviction of the parent for commission of a felony, if the facts of the crime are of such a nature as to indicate the unfitness of the parent to provide adequate care and control to the extent necessary for the child's physical, mental or emotional health and development.

7. ~~[~~Unexplained injury or death of a~~]~~ ***Whether the child, a*** sibling of the child ~~[.]~~ ***or another child in the care of the parent suffered a physical injury resulting in substantial bodily harm, a near fatality or fatality for which the parent has no reasonable explanation and for which there is evidence that such physical injury or death would not have occurred absent abuse or neglect of the child by the parent.***

8. Inability of appropriate public or private agencies to reunite the family despite reasonable efforts on the part of the agencies.

9. As used in this section, "near fatality" has the meaning ascribed to it in NRS 432B.175.

Sec. 4.5. NRS 128.109 is hereby amended to read as follows:

128.109 1. If a child has been placed outside of his or her home pursuant to chapter 432B of NRS, the following provisions must be applied to determine the conduct of the parent:

(a) If the child has resided outside of his or her home pursuant to that placement for 14 months of any 20 consecutive months, it must be presumed that the parent or parents have demonstrated only token efforts to care for the child as set forth in ***subparagraph (6) of*** paragraph ~~[(f)]~~ ***(b)*** of subsection ~~[2]~~ ***1*** of NRS 128.105.

(b) If the parent or parents fail to comply substantially with the terms and conditions of a plan to reunite the family within 6 months after the date on which the child was placed or the plan was commenced, whichever occurs later, that failure to comply is evidence of failure of parental adjustment as set forth in ***subparagraph (4) of*** paragraph ~~[(d)]~~ ***(b)*** of subsection ~~[2]~~ ***1*** of NRS 128.105.

2. If a child has been placed outside of his or her home pursuant to chapter 432B of NRS and has resided outside of his or her home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

3. The presumptions specified in subsections 1 and 2 must not be overcome or otherwise affected by evidence of failure of the State to provide services to the family.

Sec. 4.7. NRS 218E.715 is hereby amended to read as follows:

218E.715 The Committee shall evaluate and review issues relating to:

1. The provision of child welfare services in this State, including, without limitation:

(a) Programs for the provision of child welfare services;

(b) Licensing and reimbursement of providers of foster care;

(c) ***The provision of foster care, including, without limitation, reunification of foster children with a birth parent and adoption of foster children by a foster parent;***

(d) Mental health services; and

~~[(d)]~~ ***(e)*** Compliance with federal requirements regarding child welfare; and

2. Juvenile justice in this State, including, without limitation:

(a) The coordinated continuum of care in which community-based programs and services are combined to ensure that health services, substance abuse treatment, education, training and care are compatible with the needs of each juvenile in the juvenile justice system;

(b) Individualized supervision, care and treatment to accommodate the individual needs and potential of the juvenile and the juvenile's family, and treatment programs which integrate the juvenile into situations of living and interacting that are compatible with a healthy, stable and familial environment;

(c) Programs for aftercare and reintegration in which juveniles will continue to receive treatment after their active rehabilitation in a facility to prevent the relapse or regression of progress achieved during the recovery process;

(d) Overrepresentation and disparate treatment of minorities in the juvenile justice system, including, without limitation, a review of the various places where bias may influence decisions concerning minorities;

(e) Gender-specific services, including, without limitation, programs for female juvenile offenders which consider female development in their design and implementation and which address the needs of females, including issues relating to:

(1) Victimization and abuse;

(2) Substance abuse;

(3) Mental health;

(4) Education; and

(5) Vocational and skills training;

(f) The quality of care provided for juvenile offenders in state institutions and facilities, including, without limitation:

(1) The qualifications and training of staff;

(2) The documentation of the performance of state institutions and facilities;

(3) The coordination and collaboration of agencies; and

(4) The availability of services relating to mental health, substance abuse, education, vocational training and treatment of sex offenders and violent offenders;

(g) The feasibility and necessity for the independent monitoring of state institutions and facilities for the quality of care provided to juvenile offenders; and

(h) Programs developed in other states which provide a system of community-based programs that place juvenile offenders in more specialized programs according to the needs of the juveniles.

Sec. 4.9. NRS 218E.720 is hereby amended to read as follows:

218E.720 1. The Committee may:

(a) Conduct investigations and hold hearings in connection with its duties pursuant to NRS 218E.715 and exercise any of the investigative powers set forth in NRS 218E.105 to 218E.140, inclusive;

(b) Request that the Legislative Counsel Bureau assist in the research, investigations, hearings and reviews of the Committee; and

2. The Committee shall, on or before January 15 of each odd-numbered year, submit to the Director for transmittal to the Legislature a report concerning the evaluation and review conducted pursuant to NRS 218E.715.

Sec. 5. This act becomes effective on July 1, 2015.

Assemblyman Oscarson moved the adoption of the amendment.

Remarks by Assemblyman Oscarson.

ASSEMBLYMAN OSCARSON:

This amendment removes two provisions from the list of factors a court must consider for parental conduct when making a determination for termination of parental rights for a child who has been out of the care of a parent or guardian for at least 12 consecutive months.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 312.
Bill read third time.
Remarks by Assemblymen Joiner, Sprinkle, Neal, Wheeler, and Fiore.

ASSEMBLYWOMAN JOINER:

Senate Bill 312 imposes in a city that has created a certain taxing district to improve and maintain publicly owned facilities for tourism and entertainment; a $2 per night surcharge for the rental of a room in a hotel in the district, other than a hotel that holds a nonrestricted gaming license, and an additional $1 per night surcharge for the rental of a room in a hotel in the district that holds a nonrestricted gaming license. The measure further requires the board of county commissioners of a county in which is located a city that has created such a district to prescribe, by ordinance, the boundaries of a new district that is outside of the district currently existing and located within 20 miles of the boundaries of the existing district, and imposes a $2 per night surcharge for the rental of a hotel room in the new district.

The bill also requires a county fair and recreation board to prescribe a procedure for the collection and enforcement of these surcharges and requires that the money from these surcharges be used to implement a strategic plan for the promotion of tourism in the region. These surcharges are not owed on any room that is provided to a guest free of charge.

A county fair and recreation board that collects any money from these surcharges must submit a report to the Legislature on or before January 15, 2021, and on or before January 15 of each fifth year thereafter that addresses the revenue collected and the expenditures made by the board to promote tourism in the region during the immediately preceding five years.

ASSEMBLYMAN SPRINKLE:

I rise in support of Senate Bill 312. First off, I really want to congratulate the different parties who came together in consensus with this. There were a lot of negotiations that went on. This bill came out in a form I do believe most people are happy with and will move forward with. Secondly, when you look at the economy of northern Nevada and where it is going, putting together a regional plan, a marketing plan, that is going to benefit everything in this region in the future is extremely important. I believe that is exactly what this bill does and what the funding mechanisms built into this bill do. I, for one, will be very interested and will have very close contact in watching what happens with this new marketing plan that is being proposed. I will stay on top of that. As a whole, this is a smart and a good direction for everybody in northern Nevada.

ASSEMBLYWOMAN NEAL:

I rise in reluctant support of Senate Bill 312. I had to think deeply about our CVA [Convention and Visitors Authority] and how they have used and managed funds in the past. But I am going to trust that going forward, this organization is going to be explicit to the provisions of section 4.5 of the bill, and my colleagues from Districts 24, 27, and 30 are going to act as watchdogs to make sure the money is used for the exact specific purposes set forth in the bill. Hopefully, the organization will start to be a functional versus a dysfunctional organization that manages and does what they need to do.

ASSEMBLYMAN WHEELER:

I want to congratulate the Chairman of Government Affairs, my colleague from District 33, who brought two sides together on this bill that we thought were never going to get together. He hashed it out and fought with them and really worked hard. I think he deserves a lot of thanks on getting an agreement from both sides on this bill.

ASSEMBLYWOMAN FIORE:

I rise in opposition to Senate Bill 312. There was a lot of ruckus on this bill. I do not think the bill has come to where we need it, besides the fact it is a violation of the tax pledge. I will be a no. I urge my colleagues to vote no as well.

Amendment No. 751.

AN ACT relating to search warrants; authorizing the use of secure electronic transmission for the submission of an application and affidavit for, and the issuance by a magistrate of, a search warrant; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a search warrant may only be issued: (1) pursuant to an affidavit or affidavits sworn to before a magistrate and establishing the grounds for issuing the warrant; or (2) in lieu of an affidavit, pursuant to an oral statement taken by a magistrate, given under oath and filed with the clerk of the court. (NRS 179.045) This bill authorizes the use of secure electronic transmission for the submission of an application and affidavit for, and the issuance by a magistrate of, a search warrant.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 179.045 is hereby amended to read as follows:

179.045 1. A search warrant may issue only on affidavit or affidavits sworn to before the magistrate and establishing the grounds for issuing the

warrant or as provided in subsection ~~[2.]~~ ***3.*** If the magistrate is satisfied that grounds for the application exist or that there is probable cause to believe that they exist, the magistrate shall issue a warrant identifying the property and naming or describing the person or place to be searched.

2. ***Secure electronic transmission may be used for the submission of an application and affidavit required by subsection 1, and for the issuance of a search warrant by a magistrate. The Nevada Supreme Court*** ~~***[may]***~~ ***shall adopt rules not inconsistent with the laws of this State to carry out the provisions of this subsection.***

3. In lieu of the affidavit required by subsection 1, the magistrate may take an oral statement given under oath, which must be recorded in the presence of the magistrate or in the magistrate's immediate vicinity by a certified court reporter or by electronic means, transcribed, certified by the reporter if the reporter recorded it, and certified by the magistrate. The statement must be filed with the clerk of the court.

~~[3.]~~ ***4.*** Upon a showing of good cause, the magistrate may order an affidavit or a recording of an oral statement given pursuant to this section to be sealed. Upon a showing of good cause, a court may cause the affidavit or recording to be unsealed.

~~[4.]~~ ***5.*** After a magistrate has issued a search warrant, whether it is based on an affidavit or an oral statement given under oath, the magistrate may orally authorize a peace officer to sign the name of the magistrate on a duplicate original warrant. A duplicate original search warrant shall be deemed to be a search warrant. It must be returned to the magistrate who authorized the signing of it. The magistrate shall endorse his or her name and enter the date on the warrant when it is returned. Any failure of the magistrate to make such an endorsement and entry does not in itself invalidate the warrant.

~~[5.]~~ ***6.*** The warrant must be directed to a peace officer in the county where the warrant is to be executed. It must:

(a) State the grounds or probable cause for its issuance and the names of the persons whose affidavits have been taken in support thereof; or

(b) Incorporate by reference the affidavit or oral statement upon which it is based.

➥ The warrant must command the officer to search forthwith the person or place named for the property specified.

~~[6.]~~ ***7.*** The warrant must direct that it be served between the hours of 7 a.m. and 7 p.m., unless the magistrate, upon a showing of good cause therefor, inserts a direction that it be served at any time.

~~[7.]~~ ***8.*** The warrant must designate the magistrate to whom it is to be returned.

9. As used in this section, "secure electronic transmission" means the sending of information from one computer system to another computer system in such a manner as to ensure that:

(a) No person other than the intended recipient receives the information;

(b) The identity of the sender of the information can be authenticated; and

(c) The information which is received by the intended recipient is identical to the information that was sent.

Sec. 2. This act becomes effective upon passage and approval.

Assemblyman Hansen moved the adoption of the amendment.

Remarks by Assemblyman Hansen.

ASSEMBLYMAN HANSEN:

Depending on which of these activities the Director of the Department of Corrections wants to pay for with money from the Fund, the Director must submit a proposal to either the Committee on Industrial Programs, the State Board of Examiners, or both. If the Director uses money from the Fund to pay for operations, including staff and offender wages, the Director must repay the money as soon as funds are available in the separate Fund for Prison Industries. REMARKS FROM THE FLOOR

Assemblywoman Benitez-Thompson requested that the following remarks be entered in the journal.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Many of you will recall the floor session held in the historic Assembly Chamber when our Democratic leader announced the donation of a series of historical panels to celebrate the 150th anniversary of Nevada's statehood. Today, it is my pleasure to donate the next panel in the series, this one touching on legislation that was passed out of the Government Affairs Committee and its predecessor committees. Highlights from the panel include some history on the creation of Clark County in 1909 and the incorporation of Las Vegas two years later and the declaration of the public policy of the Legislature in 1969 to "promote the educational, cultural, economic and general welfare and safety of the public through the preservation and protection of structures, sites and areas of historic interest and scenic beauty." The panel also includes highlights of the history of our two major airports, which originally started out as air mail fields. Washoe County's first airport was located along what is now Plumas Street. In addition, the panel highlights the consolidation of Ormsby County and Carson City, which required a constitutional amendment,

and the Nevada Jobs First bill sponsored by my colleague from Assembly District 1 to give preferences in bidding to businesses that employ Nevada workers.

I hope you all enjoy learning about the contributions of legislators who served before us.

Legislative Counsel's Digest:

Existing law requires a person to obtain a state business license and pay a fee before conducting business within this State, unless exempted from the business license requirement. (NRS 76.100) Existing law further prohibits a person from entering into a contract with the State of Nevada unless he or she holds a state business license. (NRS 353.007) **Section** 1 of this bill provides that a person is deemed not to be conducting business in this State, and thus is not required to obtain a state business license, if the sole activity of the person's business in this State is to provide, on a short-term basis, vehicles or equipment in response to a wildland fire, a flood, an earthquake or another emergency. **Section 2** of this bill authorizes such a person to enter into a contract with the State of Nevada without obtaining a state business license. **Section 3 of this bill provides that this bill becomes effective upon passage and approval.**

Although a statewide exchange is eliminated, the bill retains existing provisions governing health information exchanges and revises the definition of a "health information exchange." The Director is authorized to establish or contract with not more than one exchange to serve as the statewide health information exchange for certain purposes.

The bill establishes provisions governing the certification of health information exchanges and requires an exchange to obtain a certification from the Director before operation. An administrative fine may be imposed for a health information exchange operating without certification. The bill gives an existing exchange until July 1, 2016, to comply with this requirement. Finally, certain provisions are revised relating to the requirement of the patient's consent for the retrieval, rather than the transmission, of a health record.

This measure is effective upon passage and approval for the purpose of adopting regulations and January 1, 2016, for all other purposes.

This bill is a perfect example of the inefficiencies of government. Originally we were supposed to have a health information exchange established by the Department of Health and Human Services, but they spent over $4 million and could not accomplish the task. So now they are going out to private industry, which already has an exchange built, and we are going to allow private industry to do what government was unable to do. I really like this bill because it allows private industry to do what it does best.

Senate Bill 75 requires the State Board of Education to prescribe the minimum number of school days that must take place before certain standardized examinations may be administered. The Board is further required to prescribe a period of time during which the examinations must be administered by the board of trustees of each school district and the governing body of each charter school. This bill also removes the requirement that all such examinations be administered at the same time during the spring semester. This bill is effective upon passage and approval.

Because this bill applies to tests required under federal law, it will only impact the annual Criterion Referenced Tests administered in reading and mathematics for grades 3 through 8 and in science and writing for grades 5 and 8. The change in statute is needed to ensure that schools with nine-month schedules in either a year-round calendar or a traditional calendar are all able to provide a similar number of days of instruction before standardized tests are administered.

Senate Bill 246 increases from 20,000 cases to 40,000 cases the quantity of spirits that a craft distillery may manufacture for export to another state in a calendar year. This bill allows a craft distillery to serve samples not to exceed four ounces per person, per day, and it increases the quantity of spirits that may be sold to a person at retail for off-premises consumption from two bottles of spirits per person, per month to one case of spirits per month, not to exceed six cases in a year.

This measure authorizes a craft distillery to donate and transport spirits manufactured at the craft distillery for charitable or nonprofit purposes or to transfer certain bulk spirits to another supplier. Such a charitable donation or bulk transfer is not included in the 10,000 cases per year that a craft distillery is permitted to sell and transport within the state. ASSEMBLYMAN EDWARDS:

I was kind of disappointed that this bill was actually brought to the State Legislature because, at best, I think it is a community issue. I do not think it should have been elevated to the state level. Furthermore, I was disappointed when, during the committee hearings, we actually seemed to have a resolution between the two parties. The resolution made a lot of sense, and I thought they should have gone with it. I was disappointed when they returned a couple of days later, and the proponents had kind of reneged on the deal and made it more extreme by changing a key word

of "may" to "shall." In so doing, they totally lost my vote on this one. I do not believe this is the kind of legislation we should be working on. This should have been resolved between the parties, and I am disappointed that it was not. I will have to be a no vote on this.

Senate Bill 288 requires any person who is authorized to prescribe or dispense controlled substances to receive training in the prescription drug monitoring program developed by the State Board of Pharmacy and to be given access to the database of the computer program. Each practitioner who is authorized to prescribe controlled substances must, to the extent the program

allows, access the database at least once every six months, review the information concerning the person in the database, and verify to the Board that the person continues to have access. Also, various professional licensing boards are authorized to take disciplinary action against a person who is authorized to prescribe controlled substances and fails to comply with these requirements.

There has been a lot of controversy over this bill and some misunderstanding of this bill, and a lot of practitioners who do not prescribe narcotics say why should they have to do this. I think this is a good practice to make sure that someone has not stolen your prescription pad, someone is not using your name falsely to write these prescriptions. I think it is to the betterment of the practitioners to make sure their information is accurate.

Senate Bill No. 303.

Remarks by Assemblymen Dickman, Thompson, Benitez-Thompson, Armstrong, Joiner, O'Neill, Spiegel, Ohrenschall, and Paul Anderson.

ASSEMBLYWOMAN DICKMAN:

Senate Bill 303 provides that a child is, rather than may be, in need of protection if the child is in the care of a person responsible for the child's welfare and another child has been subjected to abuse by that person, unless the person has successfully completed a plan for services, as recommended by a child welfare agency, to address the abuse of the other child.

When making a determination to terminate parental rights, a court must consider certain factors if the child has been out of the care of a parent or guardian for at least 12 consecutive months. The bill also revises the conditions that a court must consider in determining neglect by, or unfitness of, a parent for the purpose of proceedings regarding the termination of parental rights.

Lastly, the bill requires the Legislative Committee on Child Welfare and Juvenile Justice to evaluate and review issues relating to reunification of foster children with a birth parent and adoption of foster children by a foster parent. This measure is effective on July 1, 2015.

There was a lot of work done between the parties to make this bill something that the majority of people could accept. I think it goes a long way in taking in consideration the best interest of the children into these court cases, and I encourage you to support this bill.

ASSEMBLYMAN THOMPSON:

I rise in opposition to Senate Bill 303. The main premise when you become a foster parent is that you have to understand that you are to work with the Department of Family Services on reunification of the family. It is important that we take the time; there are different levels, and it takes time with families to make them whole. Parents love their children. Putting such a tight timeline and time frame in which the parents must complete the plan absolutely will potentially cause a lot of parents who are really trying to put their best forward to lose their children. I truly ask and urge that this body look at this bill and oppose Senate Bill 303.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

I rise in opposition to Senate Bill 303. I agree with the bill's sponsor that there are problems that need to be addressed within the child welfare system. Where we differ is where the problem lies and how it needs to be addressed.

We heard testimony from very caring and compassionate foster parents who have nothing but children's best interests at heart. What we heard is that children are languishing in care for too long. We heard stories about children entering foster care as infants and then not exiting for four or five years. That is absolutely not in line with what federal or state law allows, and it is not in line with the theory or premise of child welfare, which is to try to reunify children with safe, healthy, intact homes.

We have seen recent Supreme Court rulings that tell us that the problem is in practice. The problem is at the local level addressing how workers are individually writing case plans with families and how an agency is following up and complying with the case plan. That case plan is an agreement between the two agencies that gives a road map by which a child may be returned home safely. Returning children home ought to be our goal. We ought not to be in the business of trying to take children away under capricious circumstances or in a manner by which two identical families with two similarly situated children have very different outcomes. I look forward to working with folks during the interim and addressing the many problems we have with practice and child welfare in this state.

ASSEMBLYMAN ARMSTRONG:

I rise in support of Senate Bill 303. Today we stand up for those who need it most. We stand up for kids whose homes are filled with danger and abuse rather than safety and compassion. I think we also need to balance the needs of the children in this bill. I will be voting yes and encourage all of you to vote yes as well.

ASSEMBLYWOMAN JOINER:

I rise in opposition to Senate Bill 303. There was a lot of work done on this in committee and a lot of discussion. It is a very delicate balance between keeping our children safe with their parents or with foster parents. The reason I rise in opposition to Senate Bill 303 is because I think this creates an imbalance that is against the parents. It creates a situation where if a parent were to have services for one of their children early on in their life, that would carry with them for their entire life, including if they have additional children. I think that language is just imbalanced in the wrong direction. I think we need to be supporting parents in their attempts to be reunified with their children, and this bill takes the wrong approach to that.

ASSEMBLYMAN O'NEILL:

I stand today in strong support of Senate Bill 303. With all due respect to my colleagues, this bill gives clarity to the court in deciding when to terminate parental rights. It expands the definition of "abuse" and calls for judges to consider the length of time a child has been out of the home and away from the parents. That time out of the home and away from the parents is because of the parents' inability to correct some of their actions and is for the protection of the children.

In addition, language in the bill gives the Legislative Committee on Child Welfare and Juvenile Justice expanded authority to study the issue in the interim to recommend any additional changes to this topic. We have all said that things need to be done, there need to be improvements. This is the first step. We can continue moving forward for the protection of these most vulnerable children of ours during the interim and come back next session with a better bill. This is a sensitive topic, but I believe the approach to Senate Bill 303 will make our child welfare system better. I ask for your support on this.

ASSEMBLYWOMAN SPIEGEL:

I rise in opposition to Senate Bill 303. One of the provisions of this bill requires the court to consider placement options in assessing the fitness of the parent. It is one thing to require placement options in looking at what is in the best interest of the child, which is, indeed, already in statute. But in terms of requiring the court to look at whether or not there could be a placement option for the child in determining the fitness of the parent is just really, really wrong, and I urge you to vote no on this bill just because of that one clause.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Senate Bill 303. In our country you are innocent until proven guilty, and what I find very troubling that no one else has spoken to, in addition to other sections of the bill, is section 4, subparagraph 7, the new language on page 5. It talks about how a court must consider suspicions—not a conviction, not an adjudication. I was taught in law school that we are innocent until proven guilty. If you show me an adjudication, if you show me a substantiated report, that is different. But suspicions? That is where I think we have to draw the line.

I urge defeat of this measure. I know it is well intentioned, but there is data that shows that children do well when they are reunified with their families, not when they are in a place like Child Haven or taken away. If we can get the families back together, children will do a lot better.

ASSEMBLYMAN PAUL ANDERSON:

I rise in support of Senate Bill 303. I appreciate the comments that have been made today. Senate Bill 303 adds additional items that a court may consider when considering reunification with the family. I think the key here is the bill is subject to moving to the needs of the child versus looking more closely at the needs of the parents. That is a key factor in this bill and I would urge this body's support.

Remarks by Assemblyman Edwards.

ASSEMBLYMAN EDWARDS:

Senate Bill 390 gives a preference for enrollment at a charter school to students attending a public school that is overcrowded by 25 percent or more or is a one- or two-star performing school. If offered, the students residing within two miles of the charter school will have the first option for enrollment. Additionally, each school district is required to post on its website a list of schools in the district that are overcrowded by 25 percent or more. This bill is effective on July 1, 2015.

Senate Joint Resolution No. 1.

Resolution read third time.

Remarks by Assemblymen Stewart, Elliot Anderson, Ohrenschall, Ellison, Hansen, Gardner, and Carlton.

ASSEMBLYMAN STEWART:

Senate Joint Resolution 1 urges Congress to enact legislation transferring title to certain public lands to the state of Nevada in accordance with the report prepared by the Nevada Land Management Task Force. The Nevada Land Management Task Force recommended certain lands that would be transferred to Nevada and also exempted certain other lands. As we know, the federal government owns approximately 85 percent to 87 percent of our lands, and this would be a way of getting some of those lands back to us. I strongly urge passage.

ASSEMBLYMAN ELLIOT ANDERSON:

I respectfully rise in opposition to Senate Joint Resolution 1. People think this sounds good, but there are a lot of unintended consequences of having to manage all this land. Right now the federal government has a number of environmental mandates in place that will not change if we take title to the land. Instead, we will be on the hook for managing that land. For example,

although the Carpenter 1 area was not a part of the Land Management Task Force report, the cost of firefighting for that one fire was $25 million. For a state that has a small tax base and has a number of issues we have to deal with, this really does not make a lot of sense for us. At worst, we could find costs become exorbitantly higher and we wind up selling off a lot of this land. I do not think we are going to get a lot of money for most of it so what will happen is a loss of public use. Land that is managed for the benefit of multiple uses for all Nevadans is really at risk if Congress moves this way after our encouragement. For those reasons, I ask the body to defeat Senate Joint Resolution 1.

ASSEMBLYMAN OHRENSCHALL:

I rise in opposition to Senate Joint Resolution 1. As you know, you and I and my colleague from Assembly District 15 were here last session. We supported Assembly Bill 227, the study to look at trying to turn over some of the land to the state to see if we could better manage and use it. My concern with S.J.R. 1 is that I think if the proposal had been more narrow, if it had looked at rights-of-way that the federal government currently has, maybe that would be something I could support as I supported Assembly Bill 227 last session. But looking at how S.J.R. 1 is written, I am very concerned about what would happen. The burden on the taxpayers if this land were turned over to the state—there were a lot of issues in the committee that were never resolved. We asked about the management of the wild horses and burros; we asked about water rights, mining rights, and easements. These were not answered. The cost of firefighting that right now the federal government is picking up the tab on was not answered, either.

Mr. Speaker, you and I have been here with special sessions with budget crises where it was proposed to close all of our state parks because we could not afford to keep them open. I am concerned that even though we may have the best of intentions, down the line a decade or so if these lands are turned over to the state and if we are in another financial pickle, it will be closing down Lehman Caves or Lamoille. It is going to be things we would not want to see. We have sold state lands this session to try and preserve Stewart Indian School, and I am very concerned that these lands could be a source of funding in terms of their sale. Arizona has done this. The comparison was made in the committee with New Mexico, but New Mexico has oil and gas reserves that are not on these lands and would not be available to us for income.

Unfortunately, I think this is far too broad. If it were written more narrowly, it might be something I could support, but as it is, I think that we are in danger of losing a lot of our treasured public lands. It would hurt our constituents, our sportsmen, and people who just want to be able to go out and see a beautiful mountain or a valley.

ASSEMBLYMAN ELLISON:

I rise in support of Senate Joint Resolution 1. The July 2014 report of the Nevada Land Management Task Force concluded that our state could generate significant net revenue if afforded the opportunity to manage and expand the state lands portfolio. As it is well known the federal government owns more than 85 percent of the land. Senate Joint Resolution 1 simply requests from Congress some of it back for economic development and education. The Land Management Task Force spent a lot of time out there last summer. Seventeen counties came back in strong support of this. It gives access, it gives hunting, it gives ranchers rights, it gives water. Everything that could have been addressed was addressed in that study, so I strongly ask my colleagues to support S.J.R. 1

ASSEMBLYMAN HANSEN:

I rise in strong support of Senate Joint Resolution 1. I want to echo what my colleague from Elko has said. I am probably the most active sportsman in this body, having spent more time on Nevada's public lands than anyone in the building. I am a strong supporter because slowly but surely, it is the federal government that is squeezing the sportsmen out of these areas of the state.

Obviously, we are not going to make up our minds in one brief hearing here, so I would urge my colleagues to read the report. I have copies of that report that my colleague from Elko mentioned; I probably have 20 of them. Seventeen different counties got together and studied these issues in great detail and compared some of the other states in the West to what we have here. All the states have found that when they have state public lands, it has been a tremendous benefit for these states, financially and otherwise. I would urge the passage of the Senate Joint

Resolution 1 and encourage my colleagues to read the details of the report that was done, by all those people who worked so hard. By the way, the report was denied to the Public Lands Committee. We were supposed to have a hearing on that, and the chairman shut that down. To me that was disgraceful because what we want is informational opportunities. In light of the refusal to even hear that, I would encourage my colleagues to come by my office. I will be happy to provide copies of that. It is a very detailed report and I think will alleviate a lot of the concerns that have been suggested today. I urge my colleagues to support S.J.R. 1.

ASSEMBLYMAN GARDNER:

I rise in support of Senate Joint Resolution 1. I find it hard to believe that we have so much of our land owned by the federal government without us having access to it. If you look at most states east of the Rockies, about 3 percent of their states are owned by the federal government. If you look west of there, we are by far the most federally owned. Even California only has about 40 percent of its state owned. If it is such good economic policy to have that much of your state owned by the federal government, why does nobody else have that? Shouldn't they be wanting to give their land back to the federal government if we are getting such an economic boon for not having it? For that reason, I am voting in strong support of Senate Joint Resolution 1.

ASSEMBLYWOMAN CARLTON:

I rise in opposition to Senate Joint Resolution 1. As a former member of the Public Lands Committee and former Chair of the Public Lands Committee, I can say this issue was thoroughly vetted. I believe it was on almost every agenda we had. It was included in the work session document, but it was not processed. Just because you are in the work session document does not mean you are going to get a vote, and it does not mean it is going to be in your favor. I have the report pulled up in front of me; you can get it online if you need to. The minutes of the meeting are not available yet; I did check on that. It even says in the report, "The task force acknowledges concerns over the extent to which wildfire suppression costs may challenge the ability of the State of Nevada to adequately protect and expand state land area and simultaneously generate net revenue."

We can talk about the money, that is pretty common sense. On the second side of this, I like the way Nevada is now. I enjoy it. I came from back East. I love the fact that these lands have been protected for me and for my children, and it is my job to do that for the next generations. I am not here to sell off their inheritance and their public lands. That is not up to me.

I understand the concerns about this. I was more than willing to talk to the Senators on the other side about the checkerboard lands that need to be addressed. I think if we really want to take a bite off of something, that is the thing we need to do. That would make a huge difference in the state, and we could address some real issues. But to just send this letter to Congress—basically a letter to Santa Claus saying Oh by the way, we want our money—I do not think this is a constructive way to approach this very important issue in this state. It is way too broad, and we should focus on the issues we can actually accomplish in the future.

ASSEMBLYMAN STEWART:

A previous Legislature urged a study, a committee was formed, they did the study. In their early meetings, they were not unanimous. There was some of the same disagreement that was brought up here, but in the end, they were unanimous. I urge you to go on the recommendation that these very wise people, who got together over a period of many months, came up with.

Assemblymen Ellison, Dickman, and Kirner moved the previous question.

The question being the passage of Senate Joint Resolution No. 1.

Senate Joint Resolution 2 urges Congress to enact legislation requiring the sharing of federal receipts from all commercial activity occurring on Nevada's public lands with the state.

With all these lands that are owned by the federal government, there is some considerable commercial value coming out of them, and all we are asking here is that the state of Nevada get a portion of that money coming from these federal lands in Nevada.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in support of Senate Resolution 2. Just following up on our last conversation, I think this is the smart way to deal with our federal lands. This is the have-our-cake-and-eat-it-too approach. We do not have to pay any of the costs and we get all of the benefits. I would urge the body's support.

The resolution is effective upon passage.

ASSEMBLYWOMAN SHELTON:

Senate Joint Resolution 5 expresses the Nevada Legislature's support of the 2014 Nevada Greater Sage-Grouse Conservation Plan prepared by the Sagebrush Ecosystem Council and confirms the Legislature's confidence in the ability of the state of Nevada to effectively conserve the greater sage-grouse and the sagebrush ecosystem.

The resolution requests the Bureau of Land Management [BLM] and the United States Forest Service [USFS] to adopt the Conservation Plan as the preferred management alternative for greater sage-grouse in Nevada. Moreover, the resolution urges Congress to intervene if the BLM and USFS do not follow the guidance of the resolution, and if so, urges Congress to enact legislation to extend for a period of ten years a decision on a sage-grouse listing to allow the implementation of the Conservation Plan.

Finally, Senate Joint Resolution 5 urges the U.S. Fish and Wildlife Service to not list the greater sage-grouse as endangered or threatened under the Endangered Species Act of 1973. The resolution is effective upon passage.

ASSEMBLYWOMAN SEAMAN:

I rise in support of Senate Joint Resolution 5. The Nevada Greater Sage-Grouse Conservation Plan we adopted takes into account all the scientific information available and recognized expertise from local stakeholders to preserve sage-grouse here in Nevada. I urge your support of Senate Joint Resolution 5 so Nevadans can continue to come up with our own solutions here in this state.

SECOND READING AND AMENDMENT

Senate Bill No. 4.

Bill read second time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 818.

AN ACT relating to ~~[trapping; providing exemptions from certain registration requirements for a trap, snare or similar device]~~ **wildlife; authorizing certain traps, snares or similar devices** used in the trapping of wild mammals ~~[on private property;]~~ **to be registered with the Department of Wildlife;** limiting the requirement to obtain a permit to take or kill fur-bearing mammals injuring property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that each trap, snare or similar device used in the taking of wild mammals must be registered with the Department of Wildlife before it is used. Existing law also requires that each registered trap, snare or similar device bear a number which is assigned by the Department and is

affixed to or marked on the trap, snare or similar device. (NRS 503.452) **Section 1** of this bill ~~[exempts from those requirements]~~ **authorizes rather than requires the registration of a trap, snare or similar device used by a person in the taking of wild mammals. Section 1 provides that a trap, snare or similar device must bear a number assigned by the Department only if the trap, snare or similar device is registered with the Department. Section 1 also provides that the provisions relating to the registration and numbering of** a trap, snare or similar device **do not apply to such a device that is** used: (1) exclusively on private property by the owner or occupant of the property or with the permission of the owner or occupant; (2) for the control of rodents by an institution of the Nevada System of Higher Education; ~~[or]~~ (3) by a federal, state or local governmental agency ~~[.]~~ **; or (4) for the taking of wild mammals for scientific or educational purposes under a permit issued by the Department.**

Existing law provides that fur-bearing mammals injuring property may be taken or killed at any time in any manner if a permit is obtained from the Department. (NRS 503.470) **Section 2** of this bill removes the requirement that the owner or occupant of the property obtain a permit in such circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 503.452 is hereby amended to read as follows:

503.452 1. ~~[Each]~~ ***Except as otherwise provided in subsection 2, each*** trap, snare or similar device used ***by a person*** in the taking of wild mammals ~~[must]~~ ***may*** be registered with the Department before it is used. Each registered trap, snare or similar device must bear a number which is assigned by the Department and is affixed to or marked on the trap, snare or similar device in the manner specified by regulations adopted by the Commission. The registration of a trap, snare or similar device is valid until the trap, snare or similar device is sold or ownership of the trap, snare or similar device is otherwise transferred.

2. ***The provisions of subsection 1 do not apply to a trap, snare or similar device used:***

(a) Exclusively on private property which is posted or fenced in accordance with the provisions of NRS 207.200 by the owner or occupant of the property or with the permission of the owner or occupant;

(b) For the control of rodents by an institution of the Nevada System of Higher Education; ~~[or]~~

(c) By any federal, state or local governmental agency ~~[.]~~ ; or

(d) For the taking of wild mammals for scientific or educational purposes under a permit issued by the Department pursuant to NRS 503.650.

3. A registration fee of $10 for each registrant is payable only once by each person who registers a trap, snare or similar device. The fee must be paid at the time the first trap, snare or similar device is registered.

~~[~~3.~~]~~ ***4.*** It is unlawful:

(a) For a person to whom a trap, snare or similar device is registered to allow another person to possess or use the trap, snare or similar device without providing to that person written authorization to possess or use the trap, snare or similar device.

(b) For a person to possess or use a trap, snare or similar device registered to another person without obtaining the written authorization required pursuant to paragraph (a). If a person obtains written authorization to possess or use a trap, snare or similar device pursuant to paragraph (a), the person shall ensure that the written authorization, together with his or her trapping license, is in his or her possession during any period in which he or she uses the trap, snare or similar device to take fur-bearing mammals.

~~[~~4.~~]~~ ***5.*** A person to whom a trap, snare or similar device is registered pursuant to this section shall report any theft of the trap, snare or similar device to the Department as soon as it is practical to do so after the person discovers the theft.

~~[~~5.~~]~~ ***6.*** Any information in the possession of the Department concerning the registration of a trap, snare or similar device is confidential and the Department shall not disclose that information unless required to do so by law or court order.

Sec. 2. NRS 503.470 is hereby amended to read as follows:

503.470 1. Fur-bearing mammals injuring any property may be taken or killed at any time in any manner ~~[~~, provided a permit is first obtained from the Department.~~]~~ ***by the owner or occupant of the property or with the permission of the owner or occupant.***

2. When the Department has determined from investigations or upon a petition signed by the owners of 25 percent of the land area in any irrigation district or the area served by a ditch company alleging that an excessive population of beaver or otter exists or that beaver or otter are doing damage to lands, streams, ditches, roads or water control structures, the Department shall remove such excess or depredating beaver or otter.

Sec. 3. This act becomes effective upon passage and approval.

Assemblywoman Titus moved the adoption of the amendment.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 795.

AN ACT relating to elections; **revising provisions governing elections for certain judicial offices;** providing that **[**a candidate**]** **candidates** for **certain** nonpartisan **[**office**]** **offices** who **[**receives**]** **receive** a majority of the votes cast in **[**a primary election or**]** certain primary **[**city**]** elections must be declared **[**the winner and not be**]** **elected to office without being** placed on the ballot at a general election; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing **law designates certain elective offices as nonpartisan offices, which include judicial offices, school offices, the office of county sheriff, the Board of Regents of the University of Nevada, city and town officers, the State Board of Education and members of boards of hospital trustees of public hospitals. (NRS 293.195) Existing law also establishes certain rules for determining whether candidates for nonpartisan offices appear on the ballot for a primary election or the general election. (NRS 293.260) This bill revises some of those rules.**

Under existing law, if there is only one candidate for the nonpartisan office of judge of the Court of Appeals or justice of the Supreme Court, the name of the candidate is omitted from the primary election ballot and placed only on the general election ballot. (NRS 293.260) Section 1 of this bill applies the same rule to a candidate for the nonpartisan office of judge of a district court. Section 1 also provides that if there are not more than twice the number of candidates to be elected to any nonpartisan office, the names of the candidates are omitted from the primary election ballot and placed only on the general election ballot.

Except for nonpartisan offices in certain cities, existing law provides that if there are more **[**candidates**]** than twice the number **of candidates** to be elected to a nonpartisan office **: [**, other than a city office:**]** (1) the names of the candidates must appear on the **primary election** ballot **; [**for a primary election;**]** and (2) those candidates who receive the highest number of votes at **[**that**]** **the primary** election, not to exceed twice the number to be elected, must be declared nominees for the office **.[**:**]** **and their names must be placed on the general election ballot.** (NRS 293.260) **Section 1 [**of this bill**]** **modifies this rule for most nonpartisan offices and** provides that if one candidate receives a majority of the votes cast in **[**the**]** **such a** primary election **, [**for the office for which he or she is a candidate,**]** the candidate **[**must be**]** **is** declared elected to the office and his or her name **[**must**]** **is** not **[**be**]** placed on the **general election** ballot **. [**For**]** **However, if one candidate receives a majority**

of the votes cast in such a primary election for the nonpartisan office of judge of a district court, judge of the Court of Appeals or justice of the Supreme Court, the candidate is declared the only nominee for the office and his or her name is placed on the general election **[.] ballot.**

For primary city elections conducted in certain general law cities, existing law provides that if one candidate receives "more than a majority" of the votes cast in such an election for the office for which he or she is a candidate, the candidate must be declared to be elected to the office and the candidate's name must not be placed on the ballot for the general city election. (NRS 293C.175) **Section 2** of this bill amends the statute to clarify that such a candidate need only receive a majority of the votes cast, not some greater number, to be declared to be elected. **Section 3** of this bill makes a similar change to the Charter of Carson City.

For most charter cities that hold primary city elections, existing law provides that if one candidate receives a majority of votes cast in the primary city election for the office for which he or she is a candidate, the candidate must be declared elected to the office and the candidate's name must not be placed on the ballot for the general city election. (Boulder City Charter § 96, Henderson City Charter § 5.010, Las Vegas City Charter § 5.010, North Las Vegas City Charter § 5.020) **Section 3** amends the Charter of Carson City so that this rule applies to Carson City as well.

Remarks by Assemblyman Stewart.

ASSEMBLYMAN STEWART:

Amendment 795 makes two changes. When only the number of candidates to be elected have filed for nomination for certain nonpartisan offices, the names must be omitted from the primary election ballot and placed on the general election ballot. If one candidate for judge of a district court receives a majority of the votes cast in the primary election, the candidate must be declared the nominee and only his or her name must be placed on the ballot for the general election.

Amendment No. 722.

AN ACT relating to contractors; deleting the requirement that the State Contractors' Board establish an advisory committee concerning the classification of licensure of persons who install or maintain building shell insulation or thermal system insulation; revising the circumstances under which a natural person may qualify on behalf of another for more than one

active contractor's license; requiring such a person to possess good character; expanding the acts which constitute cause for disciplinary action against a licensee to include certain international codes; expanding the circumstances under which an injured person is not eligible for recovery from the Recovery Fund; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that the State Contractors' Board establish an advisory committee to make recommendations to the Board concerning the licensure of persons who install and maintain building shell or thermal system installation. (NRS 624.100) **Section 1** of this bill deletes this requirement.

Existing law requires an applicant for a license as a contractor to demonstrate certain experience or knowledge. Existing law also provides that an applicant may qualify in regard to such knowledge and experience by the appearance of another person on behalf of the applicant. (NRS 624.260) **Section 2** of this bill authorizes the Board to inquire into and consider that other person's previous experience and certain legal actions against them. **Section 2 also allows a natural person to qualify on behalf of more than one licensee if the licensee is a corporation for public benefit.**

Existing law requires that the Board establish the financial responsibility of an applicant or licensee seeking renewal. (NRS 624.236) **Section 3** of this bill allows the Board to inquire into and consider the financial responsibility of a person who qualifies on behalf of the applicant or licensee in making a determination of financial responsibility. Existing law requires that the Board establish the good character of an applicant or licensee seeking renewal. (NRS 624.265) **Section 4** of this bill allows the Board to request certain information from any person who qualifies on behalf of an applicant or licensee in making a determination of good character.

Existing law provides that workmanship by a licensee that is not commensurate with certain codified standards is grounds for disciplinary action. (NRS 624.3017) **Section 5** of this bill adds certain international building codes to those standards.

Existing law provides that, subject to certain exceptions, certain persons who suffer actual damages as a result of the acts or omissions of a licensee may be eligible to recover damages from the Recovery Fund maintained by the Board. (NRS 624.510) **Section 6** of this bill adds certain exceptions to the eligibility to recover from the Recovery Fund.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.100 is hereby amended to read as follows:

624.100 1. The Board may appoint such committees and make such reasonable bylaws, rules of procedure and regulations as are necessary to carry out the provisions of this chapter.

If no applicable building or construction code has been adopted locally, then workmanship must meet the standards prescribed in the ~~[~~Uniform Building Code,~~]~~ Uniform Plumbing Code **,** ~~[or]~~ National Electrical Code **,** ***International Building Code or International Residential Code*** in the form of the code most recently approved by the Board. The Board shall review each edition of the ~~[~~Uniform Building Code,~~]~~ Uniform Plumbing Code **,** ~~[or]~~ National Electrical Code **,** ***International Building Code or International Residential Code*** that is published after the 1996 edition to ensure its suitability. Each new edition of the code shall be deemed approved by the Board unless the edition is disapproved by the Board within 60 days of the publication of the code.

2. Advertising projects of construction without including in the advertisements the name and license number of the licensed contractor who is responsible for the construction.

3. Advertising projects of construction beyond the scope of the license.

Sec. 6. NRS 624.510 is hereby amended to read as follows:

624.510 1. Except as otherwise provided in NRS 624.490 and subsection 2, an injured person is eligible for recovery from the account if the Board or its designee finds that the injured person suffered actual damages as a result of an act or omission of a residential contractor that is in violation of this chapter or the regulations adopted pursuant thereto.

2. An injured person is not eligible for recovery from the account if:

(a) The injured person is ~~[~~the spouse of~~]~~ ***cohabitating with the licensee, is related to the licensee by marriage*** ~~[~~the licensee,~~]~~ ***or by blood in the first or second degree of consanguinity,*** or ***is*** a personal representative of ~~[~~the spouse of~~]~~ ***a person cohabitating with the licensee or related to the licensee by marriage*** ~~[~~the licensee;~~]~~ ***or by blood in the first or second degree of consanguinity;***

(b) The injured person was associated in a business relationship with the licensee other than the contract at issue; ~~[or]~~

(c) At the time of contracting with the residential contractor, the license of the residential contractor was suspended or revoked pursuant to NRS 624.300 ~~[.]~~ ***;***

(d) The injured person:

(1) Applied for and obtained any building permit for the single-family residence at which the act or omission occurred and for which the injured person wishes to recover actual damages from the account; or

(2) Constructed the residence as the owner-builder of the residence;

(e) The claim submitted by the injured person for recovery from the account contains:

(1) A false or misleading statement; or

(2) A forged or altered receipt or other document which includes an improvement, upgrade or work that exceeds the scope of the contract at issue;

(f) The injured person is a lien claimant who has not filed a lien in accordance with the provisions of NRS 108.221 to 108.246, inclusive; or

(g) The single-family residence at which the act or omission occurred and for which the injured person wishes to recover actual damages from the account was constructed, remodeled, repaired or improved with the intent of renting, leasing or selling the residence within 1 year after the date of completion of the construction, remodeling, repair or improvement. The offering of the residence for rent, lease or sale within 1 year after that date creates a rebuttable presumption that the construction, remodeling, repair or improvement was performed with the intent to rent, lease or sell the residence.

3. If the Board or its designee determines that an injured person is eligible for recovery from the account pursuant to this section or NRS 624.490, the Board or its designee may pay out of the account:

(a) The amount of actual damages suffered, but not to exceed $35,000; or

(b) If a judgment was obtained as set forth in NRS 624.490, the amount of actual damages included in the judgment and remaining unpaid, but not to exceed $35,000.

4. The decision of the Board or its designee regarding eligibility for recovery and all related issues is final and not subject to judicial review.

5. If the injured person has recovered a portion of his or her loss from sources other than the account, the Board shall deduct the amount recovered from the other sources from the amount payable upon the claim and direct the difference to be paid from the account.

SUMMARY—Includes certain alcohol and drug abuse counselors, problem gambling counselors**, ~~[and]~~** social workers **and medical facilities** in the definition of "provider of health care" for purposes of various provisions relating to healing arts and certain other provisions. (BDR 54-389)

AN ACT relating to health care providers; including certain alcohol and drug abuse counselors, problem gambling counselors **, ~~[and]~~** social workers **and medical facilities** in the definition of "provider of health care" for purposes of various provisions relating to healing arts and certain other provisions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "provider of health care" as used in various provisions relating to healing arts to mean a licensed physician, physician assistant, dentist, licensed nurse, dispensing optician, optometrist, practitioner of respiratory care, registered physical therapist, occupational therapist, podiatric physician, licensed psychologist, licensed marriage and family therapist, licensed clinical professional counselor, music therapist, chiropractor, athletic trainer, perfusionist, doctor of Oriental medicine, medical laboratory director or technician, pharmacist, licensed dietician or licensed hospital as the employer of such a person. (NRS 629.031) **Existing law also defines the term "medical facility" to include certain centers, clinics and facilities, including facilities for skilled nursing and hospitals. (NRS 449.0151)**

This bill expands **~~[that]~~ the** definition **of "provider of health care"** to include **: (1)** an associate in social work, a social worker, an independent social worker or a clinical social worker who is licensed pursuant to chapter 641B of NRS, an alcohol and drug abuse counselor or a problem gambling counselor who is certified pursuant to chapter 641C of NRS and an alcohol and drug abuse counselor or a clinical alcohol and drug abuse counselor who is licensed pursuant to that chapter **~~[.]~~ ; and (2) a medical facility as the employer of any of those persons.**

Adding those persons **and medical facilities** to the list of providers of health care makes certain requirements that are currently applicable to other providers of health care applicable to those persons **and medical facilities** as well. Such requirements include, without limitation, retention of patient records,

requirements for billing, standards for advertisements and criminal penalties for acquiring certain debts. (NRS 629.051, 629.071, 629.076, 629.078)

Existing law also includes the definition of "provider of health care" by reference in various other provisions. By expanding the definition, the bill expands the definition for those other provisions, thereby making those provisions include associates in social work, social workers, independent social workers, clinical social workers, alcohol and drug abuse counselors **,** ~~[and]~~ problem gambling counselors **and medical facilities as employers of those persons** as providers of health care. The term is referenced in provisions relating to various subjects including, without limitation, admissibility of the testimony of hypnotized witnesses, power of attorney, practice during declared emergencies, investigations conducted concerning facilities for long-term care, confidentiality of reports and referrals relating to maternal health, payments by insurance, release of the results of certain laboratory tests, drug donation programs, interpreters and realtime captioning providers and the Silver State Health Insurance Exchange. (NRS 41.141, 48.039, 162A.790, 415A.210, 427A.145, 442.395, 449.2475, chapter 453B of NRS, NRS 652.193, chapters 656A and 695I of NRS)

The following amendment was proposed by the Committee on Transportation:

Amendment No. 820.

AN ACT relating to public safety; authorizing certain governing bodies and the Department of Transportation to designate pedestrian safety zones in certain circumstances; providing for enhanced penalties for certain traffic violations in pedestrian safety zones; revising provisions relating to vehicles and pedestrians in certain crosswalks and intersections; prohibiting a driver from making a U-turn or passing another vehicle in a school zone or a school crossing zone in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill authorizes the governing body of a local government or the Department of Transportation to designate pedestrian safety zones on a highway if certain findings are made. **Section 1** also provides that a person who is convicted of a violation of a speed limit or of certain other violations ~~[is]~~ **may be** subject to a doubling of the penalty if the violation occurs in a pedestrian safety zone ~~[.]~~ **that is appropriately marked with signs designating the pedestrian safety zone and providing notice that additional penalties may apply in such a zone. Such a doubling of the penalty is discretionary with the court.** **Sections 2-21 and 23-30** of this bill make conforming changes to indicate the possibility of the enhanced penalty.

Existing law requires the driver of a vehicle or a pedestrian to obey certain rules at an intersection or crosswalk that is controlled by a traffic light, depending on the particular color and symbol displayed on the traffic light. (NRS 484B.307) **Section 18** of this bill provides such rules for an intersection or crosswalk where the traffic light displays a flashing yellow turn arrow, displayed alone or in combination with another signal.

Existing law provides that certain maximum speed limits are in effect in school zones and school crossing zones at certain times. (NRS 484B.363) **Section 22** of this bill makes it unlawful for a driver to make a U-turn or to overtake and pass another vehicle in a school zone or a school crossing zone when the school speed limit is in effect and children are present.

(1) On or near a highway, street or road;

(2) At or near a bus stop or bench, shelter or transit stop for passengers of public mass transportation or in the act of boarding a bus or other public transportation vehicle; or

(3) In or near a ***school zone or a*** school crossing zone marked in accordance with NRS 484B.363 or a marked or unmarked crosswalk.

2. If, while violating any provision of this section, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 14. NRS 484B.283 is hereby amended to read as follows:

484B.283 1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:

(a) When official traffic-control devices are not in place or not in operation, the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be so to yield, to a pedestrian crossing the highway within a crosswalk when the pedestrian is upon the half of the highway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has

determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words "Walk" or "Don't Walk" are in place, such signals indicate as follows:

(1) While the "Walk" indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

(2) While the "Don't Walk" indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the "Walk" indication shall proceed to a sidewalk, or to a safety zone if one is provided.

(3) Whenever the word "Wait" still appears in a signal, the indication has the same meaning as assigned in this section to the "Don't Walk" indication.

(4) Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and "Walk" and "Don't Walk" indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the "Walk" indication is exhibited, and when signals and other official traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in section 1 of this act.

Sec. 15. NRS 484B.287 is hereby amended to read as follows:

484B.287 ***1.*** Except as provided in NRS 484B.290:

~~[1.]~~ ***(a)*** Every pedestrian crossing a highway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the highway.

~~[2.]~~ ***(b)*** Any pedestrian crossing a highway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the highway.

~~[3.]~~ ***(c)*** Between adjacent intersections at which official traffic-control devices are in operation pedestrians shall not cross at any place except in a marked crosswalk.

~~[4.]~~ ***(d)*** A pedestrian shall not cross an intersection diagonally unless authorized by official traffic-control devices.

~~[5.]~~ ***(e)*** When authorized to cross diagonally, pedestrians shall cross only in accordance with the official traffic-control devices pertaining to such crossing movements.

2. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 16. NRS 484B.300 is hereby amended to read as follows:

484B.300 1. Except as otherwise provided in NRS 484B.307, it is unlawful for any driver to disobey the instructions of any official traffic-control device placed in accordance with the provisions of chapters 484A to 484E, inclusive, of NRS, unless at the time otherwise directed by a police officer.

2. No provision of chapters 484A to 484E, inclusive, of NRS for which such devices are required may be enforced against an alleged violator if at the time and place of the alleged violation the device is not in proper position and sufficiently legible to be seen by an ordinarily observant person. Whenever a particular provision of chapters 484A to 484E, inclusive, of NRS does not state that such devices are required, the provision is effective even though no devices are erected or in place.

3. Whenever devices are placed in position approximately conforming to the requirements of chapters 484A to 484E, inclusive, of NRS, such devices are presumed to have been so placed by the official act or direction of a public authority, unless the contrary is established by competent evidence.

4. Any device placed pursuant to the provisions of chapters 484A to 484E, inclusive, of NRS and purporting to conform to the lawful requirements pertaining to such devices is presumed to comply with the requirements of chapters 484A to 484E, inclusive, of NRS unless the contrary is established by competent evidence.

5. A person who violates any provision of subsection 1 may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 17. NRS 484B.303 is hereby amended to read as follows:

484B.303 1. Whenever official traffic-control devices are erected indicating that no right or left turn is permitted, it is unlawful for any driver of a vehicle to disobey the directions of any such devices.

2. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 18. NRS 484B.307 is hereby amended to read as follows:

484B.307 1. Whenever traffic is controlled by official traffic-control devices exhibiting different colored lights, or colored lighted arrows, successively one at a time or in combination as declared in the manual and specifications adopted by the Department of Transportation, only the colors green, yellow and red may be used, except for special pedestrian-control devices carrying a word legend as provided in NRS 484B.283. The lights, arrows and combinations thereof indicate and apply to drivers of vehicles and pedestrians as provided in this section.

2. When the signal is circular green alone:

(a) Vehicular traffic facing the signal may proceed straight through or turn right or left unless another device at the place prohibits either or both such turns. Such vehicular traffic, including vehicles turning right or left, must yield

the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

3. Where the signal is circular green with a green turn arrow:

(a) Vehicular traffic facing the signal may proceed to make the movement indicated by the green turn arrow or such other movement as is permitted by the circular green signal, but the traffic must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection at the time the signal is exhibited. Drivers turning in the direction of the arrow when displayed with the circular green are thereby advised that so long as a turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) Pedestrians facing such a signal may proceed across the highway within any marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

4. Where the signal is a green turn arrow alone:

(a) Vehicular traffic facing the signal may proceed only in the direction indicated by the arrow signal so long as the arrow is illuminated, but the traffic must yield the right-of-way to pedestrians lawfully within the adjacent crosswalk and to other traffic lawfully using the intersection.

(b) Pedestrians facing such a signal shall not enter the highway until permitted to proceed by another device as provided in NRS 484B.283.

5. Where the signal is a green straight-through arrow alone:

(a) Vehicular traffic facing the signal may proceed straight through, but must not turn right or left. Such vehicular traffic must yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) Pedestrians facing such a signal may proceed across the highway within the appropriate marked or unmarked crosswalk, unless directed otherwise by another device as provided in NRS 484B.283.

6. Where the signal is a steady yellow signal alone:

(a) Vehicular traffic facing the signal is thereby warned that the related green movement is being terminated or that a steady red indication will be exhibited immediately thereafter, and such vehicular traffic must not enter the intersection when the red signal is exhibited.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there is insufficient time to cross the highway.

7. ***Where the signal is a flashing yellow turn arrow, displayed alone or in combination with another signal:***

(a) Vehicular traffic facing the signal is permitted to cautiously enter the intersection only to make the movement indicated by the arrow signal, or other such movement as is permitted by other signal indications displayed at

the same time. Such vehicular traffic must yield the right-of-way to pedestrians lawfully within the intersection or an adjacent crosswalk and yield the right-of-way to other traffic lawfully within the intersection.

(b) Pedestrians facing such a signal, unless otherwise directed by another device as provided in NRS 484B.283, are thereby advised that there may be insufficient time to cross the highway, but may proceed across the highway within the appropriate marked or unmarked crosswalk.

8. Where the signal is a steady red signal alone:

(a) Vehicular traffic facing the signal must stop before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made, or in the absence of any such crosswalk, sign or marking, then before entering the intersection, and, except as otherwise provided in paragraphs (c) and (d), must remain stopped or standing until the green signal is shown.

(b) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

(c) After complying with the requirement to stop, vehicular traffic facing such a signal and situated on the extreme right of the highway may proceed into the intersection for a right turn only when the intersecting highway is two-directional or one-way to the right, or vehicular traffic facing such a signal and situated on the extreme left of a one-way highway may proceed into the intersection for a left turn only when the intersecting highway is one-way to the left, but must yield the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(d) After complying with the requirement to stop, a person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle may proceed straight through or turn right or left if:

(1) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;

(2) No other device at the place prohibits either or both such turns, if applicable; and

(3) The person yields the right-of-way to pedestrians and other traffic proceeding as directed by the signal at the intersection.

(e) Vehicular traffic facing the signal may not proceed on or through any private or public property to enter the intersecting street where traffic is not facing a red signal to avoid the red signal.

~~[8.]~~ ***9.*** Where the signal is a steady red with a green turn arrow:

(a) Except as otherwise provided in paragraph (b), vehicular traffic facing the signal may enter the intersection only to make the movement indicated by the green turn arrow, but must yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection. Drivers turning in the direction of the arrow are thereby advised

that so long as the turn arrow is illuminated, oncoming or opposing traffic simultaneously faces a steady red signal.

(b) A person driving a motorcycle, moped or trimobile or riding a bicycle or an electric bicycle facing the signal may proceed straight through or turn in the direction opposite that indicated by the green turn arrow if:

(1) The person stops before entering the crosswalk on the nearest side of the intersection where the sign or pavement marking indicates where the stop must be made or, in the absence of any such crosswalk, sign or marking, before entering the intersection;

(2) The person waits for two complete cycles of the lights or lighted arrows of the applicable official traffic-control device and the signal does not change because of a malfunction or because the signal failed to detect the presence of the motorcycle, moped, trimobile, bicycle or electric bicycle;

(3) No other device at the place prohibits the turn, if applicable; and

(4) The person yields the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(c) Pedestrians facing such a signal shall not enter the highway, unless permitted to proceed by another device as provided in NRS 484B.283.

~~[9.]~~ ***10.*** If a person violates paragraph (d) of subsection ~~[7]~~ ***8*** or paragraph (b) of subsection ~~[8]~~ ***9*** and that violation results in an injury to another person, the violation creates a rebuttable presumption of all facts necessary to impose civil liability for the injury.

~~[10.]~~ ***11.*** If a signal is erected and maintained at a place other than an intersection, the provisions of this section are applicable except as to those provisions which by their nature can have no application. Any stop required must be made at a sign or pavement marking indicating where the stop must be made, but in the absence of any such device the stop must be made at the signal.

~~[11.]~~ ***12.*** Whenever signals are placed over the individual lanes of a highway, the signals indicate, and apply to drivers of vehicles, as follows:

(a) A downward-pointing green arrow means that a driver facing the signal may drive in any lane over which the green signal is shown.

(b) A red "X" symbol means a driver facing the signal must not enter or drive in any lane over which the red signal is shown.

~~[12.]~~ ***13.*** A local authority shall not adopt an ordinance or regulation or take any other action that prohibits vehicular traffic from crossing an intersection when:

(a) The red signal is exhibited; and

(b) The vehicular traffic in question had already completely entered the intersection before the red signal was exhibited. For the purposes of this paragraph, a vehicle shall be considered to have "completely entered" an intersection when all portions of the vehicle have crossed the limit line or other point of demarcation behind which vehicular traffic must stop when a red signal is displayed.

14. A person who violates any provision of this section may be subject to the additional penalty set forth in section 1 of this act.

Sec. 19. NRS 484B.317 is hereby amended to read as follows:

484B.317 1. A person shall not, without lawful authority, attempt to or alter, deface, injure, knock down or remove any official traffic-control device or any railroad sign or signal or any inscription, shield or insigne thereon, or any other part thereof.

2. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 20. NRS 484B.320 is hereby amended to read as follows:

484B.320 1. Except as otherwise provided in this section:

(a) A person shall not operate a vehicle on the highways of this State if the vehicle is equipped with any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.

(b) A person shall not operate any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal.

2. Except as otherwise provided in this subsection, a person shall not in this State sell or offer for sale any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal. The provisions of this subsection do not prohibit a person from selling or offering for sale:

(a) To a provider of mass transit, a signal prioritization device; or

(b) To a response agency, a signal preemption device or a signal prioritization device, or both.

3. A police officer:

(a) Shall, without a warrant, seize any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal; or

(b) May, without a warrant, seize and take possession of a vehicle equipped with any device or mechanism that is capable of interfering with or altering the signal of a traffic-control signal, including, without limitation, a mobile transmitter, if the device or mechanism cannot be removed from the motor vehicle by the police officer, and may cause the vehicle to be towed and impounded until:

(1) The device or mechanism is removed from the vehicle; and

(2) The owner claims the vehicle by paying the cost of the towing and impoundment.

4. Neither the police officer nor the governmental entity which employs the officer is civilly liable for any damage to a vehicle seized pursuant to the provisions of paragraph (b) of subsection 3 that occurs after the vehicle is seized but before the towing process begins.

5. Except as otherwise provided in subsection 9, the presence of any device or mechanism, including, without limitation, a mobile transmitter, that is capable of interfering with or altering the signal of a traffic-control signal in or on a vehicle on the highways of this State constitutes prima facie evidence of a violation of this section. The State need not prove that the device or mechanism in question was in an operative condition or being operated.

6. A person who violates the provisions of subsection 1 or 2 is guilty of a misdemeanor.

7. A person who violates any provision of subsection 1 or 2 may be subject to ~~[~~the~~]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

8. A provider of mass transit shall not operate or cause to be operated a signal prioritization device in such a manner as to impede or interfere with the use by response agencies of signal preemption devices.

9. The provisions of this section do not:

(a) Except as otherwise provided in subsection 8, prohibit a provider of mass transit from acquiring, possessing or operating a signal prioritization device.

(b) Prohibit a response agency from acquiring, possessing or operating a signal preemption device or a signal prioritization device, or both.

10. As used in this section:

(a) "Mobile transmitter" means a device or mechanism that is:

(1) Portable, installed within a vehicle or capable of being installed within a vehicle; and

(2) Designed to affect or alter, through the emission or transmission of sound, infrared light, strobe light or any other audible, visual or electronic method, the normal operation of a traffic-control signal.

➥ The term includes, without limitation, a signal preemption device and a signal prioritization device.

(b) "Provider of mass transit" means a governmental entity or a contractor of a governmental entity which operates, in whole or in part:

(1) A public transit system, as that term is defined in NRS 377A.016; or

(2) A system of public transportation referred to in NRS 277A.270.

(c) "Response agency" means an agency of this State or of a political subdivision of this State that provides services related to law enforcement, firefighting, emergency medical care or public safety. The term includes a nonprofit organization or private company that, as authorized pursuant to chapter 450B of NRS:

(1) Provides ambulance service; or

(2) Provides the level of medical care provided by an advanced emergency medical technician or paramedic to sick or injured persons at the scene of an emergency or while transporting those persons to a medical facility.

(d) "Signal preemption device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:

(1) The signal, in the direction of travel of the vehicle, to remain green if the signal is already displaying a green light;

(2) The signal, in the direction of travel of the vehicle, to change from red to green if the signal is displaying a red light;

(3) The signal, in other directions of travel, to remain red or change to red, as applicable, to prevent other vehicles from entering the intersection; and

(4) The applicable functions described in subparagraphs (1), (2) and (3) to continue until such time as the vehicle equipped with the device is clear of the intersection.

(e) "Signal prioritization device" means a mobile transmitter that, when activated and when a vehicle equipped with such a device approaches an intersection controlled by a traffic-control signal, causes:

(1) The signal, in the direction of travel of the vehicle, to display a green light a few seconds sooner than the green light would otherwise be displayed;

(2) The signal, in the direction of travel of the vehicle, to display a green light for a few seconds longer than the green light would otherwise be displayed; or

(3) The functions described in both subparagraphs (1) and (2).

(f) "Traffic-control signal" means a traffic-control signal, as defined in NRS 484A.290, which is capable of receiving and responding to an emission or transmission from a mobile transmitter.

Sec. 21. NRS 484B.327 is hereby amended to read as follows:

484B.327 1. It is unlawful for any person to remove any barrier or sign stating that a highway is closed to traffic.

2. It is unlawful to pass over a highway that is marked, signed or barricaded to indicate that it is closed to traffic. A person who violates any provision of this subsection may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 22. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. ***The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:***

(a) When there are no children present;

(b) On a day on which school is not in session;

(c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:

(a) On a day on which the school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

~~[4.]~~ ***6.*** Each such governing body and the Department ***of Transportation*** shall provide signs to mark the beginning and end of each school zone and

school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

~~[5.]~~ ***7.*** With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

~~[6.]~~ ***8.*** If, while violating ~~[subsection 1 or 2,]~~ ***any provision of subsections 1 to 4, inclusive,*** the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

~~[7.]~~ ***9.*** As used in this section, "speed limit beacon" means a device which is used in conjunction with a sign and equipped with two or more yellow lights that flash alternately to indicate when the speed limit in a school zone or school crossing zone is in effect.

Sec. 23. NRS 484B.403 is hereby amended to read as follows:

484B.403 1. A U-turn may be made on any road where the turn can be made with safety, except as prohibited by this section and by the provisions of NRS 484B.227 ***, 484B.363*** and 484B.407.

2. If an official traffic-control device indicates that a U-turn is prohibited, the driver shall obey the directions of the device.

3. The driver of a vehicle shall not make a U-turn in a business district, except at an intersection or on a divided highway where an appropriate opening or crossing place exists.

4. Notwithstanding the foregoing provisions of this section, local authorities and the Department of Transportation may prohibit U-turns at any location within their respective jurisdictions.

5. A person who violates any provision of this section may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 24. NRS 484B.600 is hereby amended to read as follows:

484B.600 1. It is unlawful for any person to drive or operate a vehicle of any kind or character at:

(b) Such a rate of speed as to endanger the life, limb or property of any person.

(c) A rate of speed greater than that posted by a public authority for the particular portion of highway being traversed.

(d) In any event, a rate of speed greater than 75 miles per hour.

2. If, while violating any provision of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 25. NRS 484B.603 is hereby amended to read as follows:

484B.603 1. The fact that the speed of a vehicle is lower than the prescribed limits does not relieve a driver from the duty to decrease speed when approaching and crossing an intersection, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding highway, or when special hazards exist or may exist with respect to pedestrians or other traffic, or by reason of weather or other highway conditions, and speed must be decreased as may be necessary to avoid colliding with any person, vehicle or other conveyance on or entering a highway in compliance with legal requirements and the duty of all persons to use due care.

2. Any person who fails to use due care as required by subsection 1 may be subject to ~~[the]~~ ***any*** additional penalty set forth in NRS 484B.130 ~~[.]~~ ***or section 1 of this act.***

Sec. 26. NRS 484B.650 is hereby amended to read as follows:

(b) Commits two or more of the following acts, in any combination, or commits any of the following acts more than once:

(1) Failing to obey an official traffic-control device in violation of NRS 484B.300.

(2) Overtaking and passing another vehicle upon the right by driving off the paved portion of the highway in violation of NRS 484B.210.

(3) Improper or unsafe driving upon a highway that has marked lanes for traffic in violation of NRS 484B.223.

(4) Following another vehicle too closely in violation of NRS 484B.127.

(5) Failing to yield the right-of-way in violation of any provision of NRS 484B.250 to 484B.267, inclusive.

(c) Creates an immediate hazard, regardless of its duration, to another vehicle or to another person, whether or not the other person is riding in or upon the vehicle of the driver or any other vehicle.

2. A driver may be prosecuted and convicted of an offense of aggressive driving in violation of subsection 1 whether or not the driver is prosecuted or convicted for committing any of the acts described in paragraphs (a) and (b) of subsection 1.

3. A driver who commits an offense of aggressive driving in violation of subsection 1 is guilty of a misdemeanor and:

(a) For the first offense, shall be punished:

(1) By a fine of not less than $250 but not more than $1,000; or

(2) By both fine and imprisonment in the county jail for not more than 6 months.

Assemblyman Wheeler moved the adoption of the amendment.

Remarks by Assemblymen Wheeler and Elliot Anderson.

ASSEMBLYMAN WHEELER:

Amendment 820 makes two changes to Senate Bill 144. It makes the additional penalty for committing certain traffic violations in a pedestrian safety zone discretionary instead of mandatory. It also provides that if signs are not erected providing notice of the higher fines in the pedestrian safety zone and marking the beginning and end of the pedestrian safety zone, then a person is not subject to the additional penalty for committing certain traffic violations in a pedestrian safety zone.

ASSEMBLYMAN ELLIOT ANDERSON:

I have a question for my colleague from the Transportation Committee. Do you know how large the signs would have to be to provide notice?

ASSEMBLYMAN WHEELER:

To my colleague, no. The size of the signs was never discussed.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 155.

Bill read second time and ordered to third reading.

Senate Bill No. 188.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 808.

AN ACT relating to motor vehicles; changing the word "accident" to "crash" in reference to motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law includes references to motor vehicle "accidents" in many sections, including, without limitation, sections dealing with the reporting of accidents, the investigation of an accident by certain law enforcement officers, the preparation of accident reports, the obligations of a party to an accident, the obligations of a garage or repair shop to the owner of a motor vehicle that has been involved in an accident, the requirements for the maintenance of liability insurance by the owner or operator of a motor vehicle, ~~[the obligations and duties resulting from a watercraft accident,]~~ the obligations of certain motor carriers involved in an accident, and the obligations of the operator of a tow car upon towing a motor vehicle involved in an accident. (NRS 480.360, 483.400, 484A.710, 484E.050, 484E.070, 484E.100, 485.185, 706.251, 706.4479) This bill changes the word "accident" in such sections to "crash." In those sections of existing law where the term "accident" is intended to include both a motor vehicle crash and an accidental incident of some other

type, the word "accident" is amended by adding "and motor vehicle crash" or "and crash." **Section 131.3 of this bill clarifies that, for the purposes of the Nevada Insurance Code, the term "crash" has the same meaning as previous uses of the term "accident," when used in reference to motor vehicles. Section 150.5 of this bill provides that the amendatory provisions of this bill shall be construed as nonsubstantive and that it is not the intent of the Nevada Legislature to modify any existing application, construction or interpretation of any statute which has been so amended.**

Sec. 45. NRS 485.190 is hereby amended to read as follows:

The hearing must be held in the county of residence of the operator. If the operator and owner reside in different counties and the hearing would involve both of them, the hearing must be held in the county which will be the most convenient for the summoning of witnesses.

3. If the operator or owner desires a hearing, the owner or operator shall, within 15 days, notify the Department in writing of such intention. If the owner or operator does not send this notice within the 15 days, he or she waives his or her right to a hearing, except that, the Director may for good cause shown permit the owner a later opportunity for a hearing.

Sec. 47. NRS 485.193 is hereby amended to read as follows:

Sec. 51. NRS 485.230 is hereby amended to read as follows:

485.230 1. The license, all registrations and the nonresident's operating privilege suspended as provided in NRS 485.190 must remain so suspended and may not be renewed nor may any license or registration be issued to any such person until:

Sec. 60. NRS 485.3091 is hereby amended to read as follows:

485.3091 1. An owner's policy of liability insurance must:

(1) Because of bodily injury to or death of one person in any one ~~[accident,]~~ ***crash,*** $15,000;

(2) Subject to the limit for one person, because of bodily injury to or death of two or more persons in any one ~~[accident,]~~ ***crash,*** $30,000; and

(3) Because of injury to or destruction of property of others in any one ~~[accident,]~~ ***crash,*** $10,000.

4. A motor vehicle liability policy need not insure any liability under any workers' compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of any motor vehicle owned by the insured nor any liability for damage to property owned by, rented to, in charge of or transported by the insured.

5. Every motor vehicle liability policy is subject to the following provisions which need not be contained therein:

(a) The liability of the insurance carrier with respect to the insurance required by this chapter becomes absolute whenever injury or damage covered by the policy occurs. No statement made by the insured or on behalf of the insured and no violation of the policy defeats or voids the policy.

(b) The satisfaction by the insured of a judgment for injury or damage is not a condition precedent to the right or duty of the insurance carrier to make payment on account of the injury or damage.

(c) The insurance carrier may settle any claim covered by the policy, and if such a settlement is made in good faith, the amount thereof is deductible from the limits of liability specified in paragraph (b) of subsection 1.

(d) The policy, the written application therefor, if any, and any rider or endorsement which does not conflict with the provisions of this chapter constitute the entire contract between the parties.

6. Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy, and the excess or additional coverage is not subject to the provisions of this chapter.

7. Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

8. The requirements for a motor vehicle liability policy may be fulfilled by the policies of one or more insurance carriers, which policies together meet those requirements.

9. Any binder issued pending the issuance of a motor vehicle liability policy shall be deemed to fulfill the requirements for such a policy.

Sec. 83. NRS 391.180 is hereby amended to read as follows:

391.180 1. As used in this section, "employee" means any employee of a school district or charter school in this State.

2. A school month in any public school in this State consists of 4 weeks of 5 days each.

3. Nothing contained in this section prohibits the payment of employees' compensation in 12 equal monthly payments for 9 or more months' work.

4. The per diem deduction from the salary of an employee because of absence from service for reasons other than those specified in this section is that proportion of the yearly salary which is determined by the ratio between

the duration of the absence and the total number of contracted workdays in the year.

5. Boards of trustees shall either prescribe by regulation or negotiate pursuant to chapter 288 of NRS, with respect to sick leave, accumulation of sick leave, payment for unused sick leave, sabbatical leave, personal leave, professional leave, military leave and such other leave as they determine to be necessary or desirable for employees. In addition, boards of trustees may either prescribe by regulation or negotiate pursuant to chapter 288 of NRS with respect to the payment of unused sick leave to licensed teachers in the form of purchase of service pursuant to subsection 4 of NRS 286.300. The amount of service so purchased must not exceed the number of hours of unused sick leave or 1 year, whichever is less.

6. The salary of any employee unavoidably absent because of personal illness ***,*** ~~[or]~~ accident ~~[,]~~ ***or motor vehicle crash,*** or because of serious illness, accident ***, motor vehicle crash*** or death in the family, may be paid up to the number of days of sick leave accumulated by the employee. An employee may not be credited with more than 15 days of sick leave in any 1 school year. Except as otherwise provided in this subsection, if an employee takes a position with another school district or charter school, all sick leave that the employee has accumulated must be transferred from the employee's former school district or charter school to his or her new school district or charter school. The amount of sick leave so transferred may not exceed the maximum amount of sick leave which may be carried forward from one year to the next according to the applicable negotiated agreement or the policy of the district or charter school into which the employee transferred. Unless the applicable negotiated agreement or policy of the employing district or charter school provides otherwise, such an employee:

(a) Shall first use the sick leave credited to the employee from the district or charter school into which the employee transferred before using any of the transferred leave; and

(b) Is not entitled to compensation for any sick leave transferred pursuant to this subsection.

7. Subject to the provisions of subsection 8:

(a) If an intermission of less than 6 days is ordered by the board of trustees of a school district or the governing body of a charter school for any good reason, no deduction of salary may be made therefor.

(b) If, on account of sickness, epidemic or other emergency in the community, a longer intermission is ordered by the board of trustees of a school district, the governing body of a charter school or a board of health and the intermission or closing does not exceed 30 days at any one time, there may be no deduction or discontinuance of salaries.

8. If the board of trustees of a school district or the governing body of a charter school orders an extension of the number of days of school to compensate for the days lost as the result of an intermission because of those reasons contained in paragraph (b) of subsection 7, an employee may be

required to render his or her services to the school district or charter school during that extended period. If the salary of the employee was continued during the period of intermission as provided in subsection 7, the employee is not entitled to additional compensation for services rendered during the extended period.

9. If any subject referred to in this section is included in an agreement or contract negotiated by:

(a) The board of trustees of a school district pursuant to chapter 288 of NRS; or

(b) The governing body of a charter school pursuant to NRS 386.595,

➥ the provisions of the agreement or contract regarding that subject supersede any conflicting provisions of this section or of a regulation of the board of trustees.

Sec. 84. NRS 392.320 is hereby amended to read as follows:

392.320 1. As used in this section, "vehicles" means the school buses, station wagons, automobiles and other motor or mechanically propelled vehicles required by the school district for the transportation of pupils.

The device must be approved by the State Board and installed at the expense of the school district or operator. The driver shall operate the device when the bus is stopped to load or unload pupils. The installation of such a mechanical device is not required for a school bus which is used solely to transport pupils with special needs who are individually loaded and unloaded in a manner which does not require them to walk in front of the bus. The provisions of this paragraph do not prohibit a school district from upgrading or replacing such a mechanical device with a more efficient and effective device that is approved by the State Board.

2. A driver may stop to load and unload pupils in a designated area without operating the system of flashing red lights required by subsection 1 if the designated area:

(a) Has been designated by a school district and approved by the Department;

(e) Is located so as to allow the bus to reenter the traffic from its parked position without creating a traffic hazard; and

(f) Is located so as to allow pupils to enter and exit the bus without crossing the roadway.

3. In addition to the equipment required by subsection 1 and except as otherwise provided in subsection 4 of NRS 392.400, each school bus must:

(a) Be equipped and identified as required by the regulations of the State Board; and

(b) If the bus is a new bus purchased by a school district to transport pupils, meet the standards set forth in:

(1) Subsection 1 of NRS 392.405 if the bus is purchased on or after January 1, 2016; and

(2) Subsection 2 or 3 of NRS 392.405 if the bus is purchased on or after July 1, 2016.

4. The agents and employees of the Department of Motor Vehicles shall inspect school buses to determine whether the provisions of this section concerning equipment and identification of the school buses have been complied with, and shall report any violations discovered to the superintendent of schools of the school district wherein the vehicles are operating.

5. If the superintendent of schools fails or refuses to take appropriate action to correct any such violation within 10 days after receiving notice of it from the Department of Motor Vehicles, the superintendent is guilty of a misdemeanor, and upon conviction must be removed from office.

6. Any person who violates any of the provisions of this section is guilty of a misdemeanor.

Sec. 86. NRS 394.545 is hereby amended to read as follows:

394.545 1. A driving school:

(a) Must be located more than 200 feet from any office of the Department of Motor Vehicles;

(b) Must have the equipment necessary to instruct students in the safe operation of motor vehicles and maintain the equipment in a safe condition; and

1. The materials are privileged or confidential pursuant to a specific statute; or

2. The ~~[accident]~~ ***crash*** involved:

Sec. 88. NRS 408.100 is hereby amended to read as follows:

408.100 Recognizing that safe and efficient highway transportation is a matter of important interest to all the people of the State, and that an adequate highway system is a vital part of the national defense, the Legislature hereby determines and declares that:

1. An integrated system of state highways and roads is essential to the general welfare of the State.

2. Providing such a system of facilities, its efficient management, maintenance and control is recognized as a problem and as the proper prospective of highway legislation.

3. Inadequate highways and roads obstruct the free flow of traffic, resulting in undue cost of motor vehicle operation, endangering the health and safety of the citizens of the State, depreciating property values, and impeding general economic and social progress of the State.

4. In designating the highways and roads of the State as provided in this chapter, the Legislature places a high degree of trust in the hands of those officials whose duty it is, within the limits of available funds, to plan, develop, operate, maintain, control and protect the highways and roads of this state, for present as well as for future use.

5. To this end, it is the express intent of the Legislature to make the Board of Directors of the Department of Transportation custodian of the state highways and roads and to provide sufficiently broad authority to enable the Board to function adequately and efficiently in all areas of appropriate jurisdiction, subject to the limitations of the Constitution and the legislative mandate proposed in this chapter.

6. The Legislature intends:

(a) To declare, in general terms, the powers and duties of the Board of Directors, leaving specific details to be determined by reasonable regulations and declarations of policy which the Board may promulgate.

(b) By general grant of authority to the Board of Directors to delegate sufficient power and authority to enable the Board to carry out the broad objectives contained in this chapter.

7. The problem of establishing and maintaining adequate highways and roads, eliminating congestion, reducing **[**~~accident~~**]** ***crash*** frequency and taking all necessary steps to ensure safe and convenient transportation on these public ways is no less urgent.

8. The Legislature hereby finds, determines and declares that this chapter is necessary for the preservation of the public safety, the promotion of the general welfare, the improvement and development of facilities for transportation in the State, and other related purposes necessarily included therein, and as a contribution to the system of national defense.

9. The words "construction," "maintenance" and "administration" used in Section 5 of Article 9 of the Constitution of the State of Nevada are broad enough to be construed to include and as contemplating the construction, maintenance and administration of the state highways and roads as established by this chapter and the landscaping, roadside improvements and planning surveys of the state highways and roads.

Sec. 89. NRS 408.210 is hereby amended to read as follows:

408.210 1. Except as otherwise provided in NRS 484D.655, the Director of the Department of Transportation may restrict the use of, or close, any highway whenever the Director considers the closing or restriction of use necessary:

(a) For the protection of the public.

(b) For the protection of such highway from damage during storms or during construction, reconstruction, improvement or maintenance operations thereon.

(c) To promote economic development or tourism in the best interest of the State or upon the written request of the Executive Director of the Office of Economic Development or the Director of the Department of Tourism and Cultural Affairs.

2. The Director of the Department of Transportation may:

(a) Divide or separate any highway into separate roadways, wherever there is particular danger to the traveling public of ~~[~~collisions~~]~~ ***crashes*** between vehicles proceeding in opposite directions or from vehicular turning movements or cross-traffic, by constructing curbs, central dividing sections or other physical dividing lines, or by signs, marks or other devices in or on the highway appropriate to designate the dividing line.

(b) Lay out and construct frontage roads on and along any highway or freeway and divide and separate any such frontage road from the main highway or freeway by means of curbs, physical barriers or by other appropriate devices.

3. The Director may remove from the highways any unlicensed encroachment which is not removed, or the removal of which is not commenced and thereafter diligently prosecuted, within 5 days after personal service of notice and demand upon the owner of the encroachment or the owner's agent. In lieu of personal service upon that person or agent, service of the notice may also be made by registered or certified mail and by posting, for a period of 5 days, a copy of the notice on the encroachment described in the notice. Removal by the Department of the encroachment on the failure of the owner to comply with the notice and demand gives the Department a right of action to recover the expense of the removal, cost and expenses of suit, and in addition thereto the sum of $100 for each day the encroachment remains beyond 5 days after the service of the notice and demand.

4. If the Director determines that the interests of the Department are not compromised by a proposed or existing encroachment, the Director may issue a license to the owner or the owner's agent permitting an encroachment on the highway. Such a license is revocable and must provide for relocation or removal of the encroachment in the following manner. Upon notice from the Director to the owner of the encroachment or the owner's agent, the owner or agent may propose a time within which he or she will relocate or remove the encroachment as required. If the Director and the owner or the owner's agent agree upon such a time, the Director shall not himself or herself remove the encroachment unless the owner or the owner's agent has failed to do so within the time agreed. If the Director and the owner or the owner's agent do not agree upon such a time, the Director may remove the encroachment at any time later than 30 days after the service of the original notice upon the owner or the owner's agent. Service of notice may be made in the manner provided by subsection 3. Removal of the encroachment by the Director gives the

Department the right of action provided by subsection 3, but the penalty must be computed from the expiration of the agreed period or 30-day period, as the case may be.

Sec. 90. NRS 408.561 is hereby amended to read as follows:

408.561 1. The Department may establish at centers a toll-free telephone system for members of the traveling public to make reservations at hotels, motels, campgrounds and other places of public accommodation. The cost of this system, reduced pursuant to subsection 2 if applicable, must be apportioned among the hotels, motels, campgrounds and other businesses that participate in the system.

2. If the Department uses the telephone system established pursuant to subsection 1 as a method for members of the public to report fires, accidents ***, motor vehicle crashes*** or other emergencies or to receive information concerning the conditions for driving on certain highways, the Department shall pay a proportionate share of the cost of the system.

Sec. 91. NRS 408.569 is hereby amended to read as follows:

A foster care agency shall cooperate with the licensing authority in its review of such reports and support each foster home with which the foster care agency has a contract for the placement of children in completing any action required to correct a violation.

4. A foster care agency shall fully comply with any investigation of a report of the abuse or neglect of a child pursuant to NRS 432B.220.

The term "crash" has the same meaning as an incident or event previously referred to as an "accident" when used in reference to motor vehicles.

Sec. 132. NRS 687B.145 is hereby amended to read as follows:

687B.145 1. Any policy of insurance or endorsement providing coverage under the provisions of NRS 690B.020 or other policy of casualty insurance may provide that if the insured has coverage available to the insured under more than one policy or provision of coverage, any recovery or benefits may equal but not exceed the higher of the applicable limits of the respective coverages, and the recovery or benefits must be prorated between the applicable coverages in the proportion that their respective limits bear to the aggregate of their limits. Any provision which limits benefits pursuant to this section must be in clear language and be prominently displayed in the policy, binder or endorsement. Any limiting provision is void if the named insured has purchased separate coverage on the same risk and has paid a premium calculated for full reimbursement under that coverage.

2. Except as otherwise provided in subsection 5, insurance companies transacting motor vehicle insurance in this State must offer, on a form approved by the Commissioner, uninsured and underinsured vehicle coverage in an amount equal to the limits of coverage for bodily injury sold to an insured under a policy of insurance covering the use of a passenger car. The insurer is not required to reoffer the coverage to the insured in any replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage. Uninsured and underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of the insured's own coverage any amount of damages for bodily injury from the insured's insurer which the insured is legally entitled to recover from the owner or operator of the other vehicle to the extent that those damages exceed the limits of the coverage for bodily injury carried by that owner or operator. If an insured suffers actual damages subject to the limitation of liability provided pursuant to NRS 41.035, underinsured vehicle coverage must include a provision which enables the insured to recover up to the limits of the insured's own coverage any amount of damages for bodily injury from the insured's insurer for the actual damages suffered by the insured that exceed that limitation of liability.

3. An insurance company transacting motor vehicle insurance in this State must offer an insured under a policy covering the use of a passenger car, the option of purchasing coverage in an amount of at least $1,000 for the payment of reasonable and necessary medical expenses resulting from ~~[an accident.]~~ ***a crash.*** The offer must be made on a form approved by the Commissioner. The insurer is not required to reoffer the coverage to the insured in any

replacement, reinstatement, substitute or amended policy, but the insured may purchase the coverage by requesting it in writing from the insurer. Each renewal must include a copy of the form offering such coverage.

4. An insurer who makes a payment to an injured person on account of underinsured vehicle coverage as described in subsection 2 is not entitled to subrogation against the underinsured motorist who is liable for damages to the injured payee. This subsection does not affect the right or remedy of an insurer under subsection 5 of NRS 690B.020 with respect to uninsured vehicle coverage. As used in this subsection, "damages" means the amount for which the underinsured motorist is alleged to be liable to the claimant in excess of the limits of bodily injury coverage set by the underinsured motorist's policy of casualty insurance.

5. An insurer need not offer, provide or make available uninsured or underinsured vehicle coverage in connection with a general commercial liability policy, an excess policy, an umbrella policy or other policy that does not provide primary motor vehicle insurance for liabilities arising out of the ownership, maintenance, operation or use of a specifically insured motor vehicle.

6. As used in this section:

(a) "Excess policy" means a policy that protects a person against loss in excess of a stated amount or in excess of coverage provided pursuant to another insurance contract.

(b) "Passenger car" has the meaning ascribed to it in NRS 482.087.

(c) "Umbrella policy" means a policy that protects a person against losses in excess of the underlying amount required to be covered by other policies.

Sec. 133. NRS 690B.020 is hereby amended to read as follows:

690B.020 1. Except as otherwise provided in this section and NRS 690B.035, no policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle may be delivered or issued for delivery in this State unless coverage is provided therein or supplemental thereto for the protection of persons insured thereunder who are legally entitled to recover damages, from owners or operators of uninsured or hit-and-run motor vehicles, for bodily injury, sickness or disease, including death, resulting from the ownership, maintenance or use of the uninsured or hit-and-run motor vehicle. No such coverage is required in or supplemental to a policy issued to the State of Nevada or any political subdivision thereof, or where rejected in writing, on a form furnished by the insurer describing the coverage being rejected, by an insured named therein, or upon any renewal of such a policy unless the coverage is then requested in writing by the named insured. The coverage required in this section may be referred to as "uninsured vehicle coverage."

2. The amount of coverage to be provided must be not less than the minimum limits for liability insurance for bodily injury provided for under chapter 485 of NRS, but may be in an amount not to exceed the coverage for bodily injury purchased by the policyholder.

3. For the purposes of this section, the term "uninsured motor vehicle" means a motor vehicle:

(a) With respect to which there is not available at the Department of Motor Vehicles evidence of financial responsibility as required by chapter 485 of NRS;

(b) With respect to the ownership, maintenance or use of which there is no liability insurance for bodily injury or bond applicable at the time of the ~~[accident]~~ ***crash*** or, to the extent of such deficiency, any liability insurance for bodily injury or bond in force is less than the amount required by NRS 485.210;

(c) With respect to the ownership, maintenance or use of which the company writing any applicable liability insurance for bodily injury or bond denies coverage or is insolvent;

(d) Used without the permission of its owner if there is no liability insurance for bodily injury or bond applicable to the operator;

(e) Used with the permission of its owner who has insurance which does not provide coverage for the operation of the motor vehicle by any person other than the owner if there is no liability insurance for bodily injury or bond applicable to the operator; or

(f) The owner or operator of which is unknown or after reasonable diligence cannot be found if:

(1) The bodily injury or death has resulted from physical contact of the automobile with the named insured or the person claiming under the named insured or with an automobile which the named insured or such a person is occupying; and

(2) The named insured or someone on behalf of the named insured has reported the ~~[accident]~~ ***crash*** within the time required by NRS 484E.030, 484E.040 or 484E.050 to the police department of the city where it occurred or, if it occurred in an unincorporated area, to the sheriff of the county or to the Nevada Highway Patrol.

4. For the purposes of this section, the term "uninsured motor vehicle" also includes, subject to the terms and conditions of coverage, an insured other motor vehicle where:

(a) The liability insurer of the other motor vehicle is unable because of its insolvency to make payment with respect to the legal liability of its insured within the limits specified in its policy;

(b) The occurrence out of which legal liability arose took place while the uninsured vehicle coverage required under paragraph (a) was in effect; and

(c) The insolvency of the liability insurer of the other motor vehicle existed at the time of, or within 2 years after, the occurrence.

➥ Nothing contained in this subsection prevents any insurer from providing protection from insolvency to its insureds under more favorable terms.

5. If payment is made to any person under uninsured vehicle coverage, and subject to the terms of the coverage, to the extent of such payment the insurer is entitled to the proceeds of any settlement or recovery from any person

legally responsible for the bodily injury as to which payment was made, and to amounts recoverable from the assets of the insolvent insurer of the other motor vehicle.

6. A vehicle involved in a ~~[collision]~~ ***crash*** which results in bodily injury or death shall be presumed to be an uninsured motor vehicle if no evidence of financial responsibility is supplied to the Department of Motor Vehicles in the manner required by chapter 485 of NRS within 60 days after the ~~[collision]~~ ***crash*** occurs.

Sec. 134. NRS 690B.029 is hereby amended to read as follows:

690B.029 1. A policy of insurance against liability arising out of the ownership, maintenance or use of a motor vehicle delivered or issued for delivery in this State to a person who is 55 years of age or older must contain a provision for the reduction in the premiums for 3-year periods if the insured:

(a) Successfully completes, after attaining 55 years of age and every 3 years thereafter, a course of traffic safety approved by the Department of Motor Vehicles; and

(b) For the 3-year period before completing the course of traffic safety and each 3-year period thereafter:

(1) Is not involved in ~~[an accident]~~ ***a crash*** involving a motor vehicle for which the insured is at fault;

(2) Maintains a driving record free of violations; and

(3) Has not been convicted of, or entered a plea of guilty, guilty but mentally ill or nolo contendere to, a moving traffic violation or an offense involving:

(I) The operation of a motor vehicle while under the influence of intoxicating liquor or a controlled substance; or

(II) Any other conduct prohibited by NRS 484C.110, 484C.120, 484C.130 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct.

2. The reduction in the premiums provided for in subsection 1 must be based on the actuarial and loss experience data available to each insurer and must be approved by the Commissioner. Each reduction must be calculated based on the amount of the premium before any reduction in that premium is made pursuant to this section, and not on the amount of the premium once it has been reduced.

3. A course of traffic safety that an insured is required to complete as the result of moving traffic violations must not be used as the basis for a reduction in premiums pursuant to this section.

4. The organization that offers a course of traffic safety approved by the Department of Motor Vehicles shall issue a certificate to each person who successfully completes the course. A person must use the certificate to qualify for the reduction in the premiums pursuant to this section.

5. The Commissioner shall review and approve or disapprove a policy of insurance that offers a reduction in the premiums pursuant to subsection 1. An

insurer must receive written approval from the Commissioner before delivering or issuing a policy with a provision containing such a reduction.

Sec. 135. NRS 695B.220 is hereby amended to read as follows:

695B.220 Blanket hospital or blanket medical or dental service contracts may be issued to a college or school or to the head or principal thereof or to the governing board of any school district providing for services to pupils of such schools when such services are required as the result of accident ***or motor vehicle crash*** to such pupils while they are required to be in or on buildings or other premises of the school or district during the time they are required to be therein or thereon by reason of their attendance upon a college or regular day school or any regular day school of a school district or while being transported to and from school or other place of instruction. No pupil shall be compelled to accept such service without the consent of a parent or guardian of the pupil.

2. This section does not prevent the carriage, storage or hauling of property free or at reduced rates for the United States, the State of Nevada or any political subdivision thereof for charitable purposes.

3. This chapter does not prohibit a public utility from giving free or reduced rates for transportation of:

(a) Its own officers, commission agents, employees, attorneys, physicians and surgeons and members of their families, and pensioned ex-employees and ex-employees with disabilities, their minor children or dependents, or witnesses attending any legal investigation in which such carrier is interested.

(b) Inmates of hospitals or charitable institutions and persons over 65 years of age.

(c) Persons with physical or mental disabilities who present a written statement from a physician to that effect.

4. This chapter does not prohibit public utilities from giving reduced rates for transportation to:

(b) Students of institutions of learning.

5. "Employees," as used in this section, includes furloughed, pensioned and superannuated employees, and persons who have become disabled or infirm in the service of any such carrier, and persons traveling for the purpose of entering the service of any such carrier.

6. Any person violating the provisions of this section shall be punished by a fine of not more than $500.

Sec. 137. NRS 704.190 is hereby amended to read as follows:

704.190 1. Every public utility operating in this State shall, whenever an accident ***or motor vehicle crash*** occurs in the conduct of its operation causing death, give prompt notice thereof to the Commission, in such manner and within such time as the Commission may prescribe. If, in its judgment, the public interest requires it, the Commission may cause an investigation to be made forthwith of any accident ~~[,]~~ ***or crash,*** at such place and in such manner as the Commission deems best.

2. Every such public utility shall report to the Commission, at the time, in the manner and on such forms as the Commission by its printed rules and regulations prescribes, all accidents ***or crashes*** happening in this State and occurring in, on or about the premises, plant, instrumentality or facility used by any such utility in the conduct of its business.

3. The Commission shall adopt all reasonable rules and regulations necessary for the administration and enforcement of this section. 4. The Commission shall adopt and utilize all accident ***and crash*** report forms, which must be so designed as to provide a concise and accurate report of the accident ~~[.]~~ ***or crash.*** The report must show the true cause of the accident ~~[.]~~ ***or crash.*** The accident report forms adopted for the reporting of railroad accidents must, as near as practicable, be the same in design as the railroad accident report forms provided and used by the Surface Transportation Board.

5. If any accident ***or crash*** is reported to the Commission by the utility as being caused by or through the negligence of an employee and thereafter the employee is absolved from such negligence by the utility and found not to be responsible for the accident ~~[,]~~ ***or crash,*** that fact must be reported by the utility to the Commission.

6. Each accident report required to be made by a public utility pursuant to this section must be filed in the office of the Commission and there preserved. Each accident ***or crash*** report required to be made by a public utility pursuant to this chapter and each report made by the Commission pursuant to its investigation of any accident ~~[.]~~ ***or crash:***

(a) Except as otherwise provided in subsection 2 of NRS 703.190, must be open to public inspection; and

(b) Notwithstanding any specific statute to the contrary, must not, in whole or in part, be admitted as evidence or used for any purpose in any suit or action for damages arising out of any matter mentioned in:

Sec. 138. NRS 704.300 is hereby amended to read as follows:

704.300 1. After an investigation initiated either upon the Commission's own motion or as the result of the filing of a formal application or complaint by the Department of Transportation, the board of county commissioners of any county, the town board or council of any town or municipality, or any railroad company, the Commission may order for the safety of the traveling public:

(e) Such other details of use, construction and operation as may be necessary to make grade-crossing elimination, changes and betterments for the protection of the public and the prevention of accidents ***and motor vehicle crashes*** effective.

2. The Commission shall order that the cost of any elimination, removal, addition, change, alteration or betterment so ordered must be divided and paid in such proportion by the State, county, town or municipality and the railroad or railroads interested as is provided according to the circumstances occasioning the cost in NRS 704.305.

3. The time of confinement prescribed in this section may be extended to 36 hours upon the written request of the owner or the person in custody of a particular shipment of livestock, which written request shall be separate and apart from any printed bill of lading or other railroad form. The request for extension of time shall be made to the conductor of the train, the agent or other authorized agent of the railroad company over which the livestock is being transported.

If, while any vehicle is being operated on a highway, it is discovered to be in such an unsafe condition, it may be continued in operation, except as further limited by subsection 2, only to the nearest place where repairs can safely be effected, and even that operation may be conducted only if it is less hazardous to the public than permitting the vehicle to remain on the highway.

2. A common or contract motor carrier or private motor carrier shall not permit or require a driver to drive or tow, and a driver shall not drive or tow, any vehicle which:

(a) By reason of its mechanical condition is so imminently hazardous to operate as to be likely to cause ~~[an accident]~~ ***a crash*** or a breakdown; and

(b) Has been declared "out of service" by an authorized employee of the Authority, the Department of Motor Vehicles or the Department of Public Safety.

➥ When the repairs have been made, the carrier shall so certify to the Authority or the department that declared the vehicle "out of service," as required by the Authority or that department.

Sec. 141. NRS 706.251 is hereby amended to read as follows:

706.251 1. Every person operating a vehicle used by any motor carrier under the jurisdiction of the Authority shall forthwith report each ~~[accident]~~ ***crash*** occurring on the public highway, wherein the vehicle may have injured the person or property of some person other than the person or property carried by the vehicle, to the sheriff or other peace officer of the county where the ~~[accident]~~ ***crash*** occurred. If the ~~[accident]~~ ***crash*** immediately or proximately causes death, the person in charge of the vehicle, or any officer investigating the ~~[accident,]~~ ***crash,*** shall furnish to the Authority such detailed report thereof as required by the Authority.

2. All ~~[accident]~~ ***crash*** reports required in this section must be filed in the office of the Authority and there preserved. ~~[An accident]~~ ***A crash*** report made as required by this chapter, or any report of the Authority made pursuant to any ~~[accident]~~ ***crash*** investigation made by it, is not open to public inspection and must not be disclosed to any person, except upon order of the Authority. The reports must not be admitted as evidence or used for any purpose in any action for damages growing out of any matter mentioned in the ~~[accident]~~ ***crash*** report or report of any such investigation.

Sec. 142. NRS 706.303 is hereby amended to read as follows:

706.303 The Authority shall adopt regulations requiring all operators of horse-drawn vehicles subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each such vehicle. The amounts of coverage required by the regulations:

1. Must not exceed a total of:

(a) For bodily injury to or the death of one person in any one ~~[accident,]~~ ***crash,*** $250,000;

(b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one ~~[accident,]~~ ***crash,*** $500,000; and

(c) For injury to or destruction of property in any one ~~[accident,]~~ ***crash,*** $50,000; or

2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one ~~[accident,]~~ ***crash,*** $500,000.

Sec. 143. NRS 706.305 is hereby amended to read as follows:

706.305 The Authority shall adopt regulations requiring all operators of taxicabs subject to its regulation and supervision to maintain a contract of insurance against liability for injury to persons and damage to property for each taxicab. The amounts of coverage required by the regulations:

1. Must not exceed a total of:

(a) For bodily injury to or the death of one person in any one ~~[accident,]~~ ***crash,*** $250,000;

(b) Subject to the limitations of paragraph (a), for bodily injury to or death of two or more persons in any one ~~[accident,]~~ ***crash,*** $500,000; and

(c) For injury to or destruction of property in any one ~~[accident,]~~ ***crash,*** $50,000; or

2. Must not exceed a combined single-limit for bodily injury to one or more persons and for injury to or destruction of property in any one ~~[accident,]~~ ***crash,*** $500,000.

Sec. 144. NRS 706.3056 is hereby amended to read as follows:

706.3056 1. In lieu of the insurance against liability required by the regulations adopted pursuant to NRS 706.305, an operator of a taxicab may deposit with the Department:

(a) Any security in the amount of $500,000; or

(b) An amount equal to 110 percent of the average annual costs of claims incurred by the operator for ~~[accidents]~~ ***crashes*** involving motor vehicles during the immediately preceding 3 years,

➥ whichever is less, but in no event may the deposit be less than $250,000. The security deposited may be in any form authorized by NRS 706.3058. The Department shall not accept a deposit unless it is accompanied by evidence that there are no unsatisfied judgments of any character against the depositor in the county where the depositor resides.

2. An operator of a taxicab depositing money with the Department pursuant to subsection 1, shall authorize payments from the deposit in the amounts and under the same circumstances as would be required in a contract of insurance against liability which is in compliance with the regulations adopted pursuant to NRS 706.305.

3. Any security deposited must be used to satisfy any judgment obtained against the depositor which is final and has not been paid within 30 days after the date of the judgment, unless otherwise ordered by the court issuing the judgment. A depositor, within 24 hours after receiving notice that the security has been used to satisfy a judgment obtained against the depositor, shall deposit with the Department an amount which is necessary to maintain with the Department the amount required by subsection 1. The failure to maintain the full amount required by subsection 1 is a ground for the cancellation of the depositor's certificate of self-insurance.

4. Any money collected by the Department pursuant to subsection 1 must be deposited with the State Treasurer for credit to a separate account in the State General Fund and used for payments authorized pursuant to subsection 2 or to refund money paid by an operator of a taxicab who is no longer participating in a program of self-insurance.

Sec. 145. NRS 706.351 is hereby amended to read as follows:

2. This section does not prevent the carriage, storage or hauling free or at reduced rates of passengers or property for charitable organizations or purposes for the United States, the State of Nevada or any political subdivision thereof.

3. This chapter does not prohibit a fully regulated common carrier from giving free or reduced rates for transportation of persons to:

6. Only fully regulated common carriers may provide free or reduced rates for the transportation of passengers or household goods, pursuant to the provisions of this section.

7. As used in this section, "employees" includes:

(a) Furloughed, pensioned and superannuated employees.

(b) Persons who have become disabled or infirm in the service of such carriers.

(c) Persons who are traveling to enter the service of such a carrier.

Sec. 146. NRS 706.4479 is hereby amended to read as follows:

706.4479 1. If a motor vehicle is towed at the request of someone other than the owner, or authorized agent of the owner, of the motor vehicle, the operator of the tow car shall, in addition to the requirements set forth in the provisions of chapter 108 of NRS:

(a) Notify the registered and legal owner of the motor vehicle by certified mail not later than 21 days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following ~~[an accident]~~ ***a crash*** involving the motor vehicle or not later than 15 days after placing any other vehicle in storage:

(1) Of the location where the motor vehicle is being stored;

(2) Whether the storage is inside a locked building, in a secured, fenced area or in an unsecured, open area;

(3) Of the charge for towing and storage;

(4) Of the date and time the vehicle was placed in storage;

(5) Of the actions that the registered and legal owner of the vehicle may take to recover the vehicle while incurring the lowest possible liability in accrued assessments, fees, penalties or other charges; and

(6) Of the opportunity to rebut the presumptions set forth in NRS 487.220 and 706.4477.

(b) If the identity of the registered and legal owner is not known or readily available, make every reasonable attempt and use all resources reasonably necessary, as evidenced by written documentation, to obtain the identity of the owner and any other necessary information from the agency charged with the registration of the motor vehicle in this State or any other state within:

(1) Twenty-one days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following ~~[an accident]~~ ***a crash*** involving the motor vehicle; or

(2) Fifteen days after placing any other motor vehicle in storage.

➥ The operator shall attempt to notify the owner of the vehicle by certified mail as soon as possible, but in no case later than 15 days after identification of the owner is obtained for any motor vehicle.

2. If an operator includes in the operator's tariff a fee to be charged to the registered and legal owner of a vehicle for the towing and storage of the vehicle, the fee may not be charged:

(a) For more than 21 days after placing the motor vehicle in storage if the motor vehicle was towed at the request of a law enforcement officer following ~~[an accident]~~ ***a crash*** involving the motor vehicle; or

(b) For more than 15 days after placing any other vehicle in storage,

➥ unless the operator complies with the requirements set forth in subsection 1.

3. If a motor vehicle that is placed in storage was towed at the request of a law enforcement officer following ~~[an accident]~~ ***a crash*** involving the motor vehicle or after having been stolen and subsequently recovered, the operator shall not:

(a) Satisfy any lien or impose any administrative fee or processing fee with respect to the motor vehicle for the period ending 4 business days after the date on which the motor vehicle was placed in storage; or

(b) Impose any fee relating to the auction of the motor vehicle until after the operator complies with the notice requirements set forth in NRS 108.265 to 108.367, inclusive.

Sec. 147. NRS 706.4487 is hereby amended to read as follows:

706.4487 The Legislature hereby finds and declares that:

1. Towing a vehicle, either after ~~[an accident]~~ ***a crash*** or after the vehicle is stolen and subsequently recovered, to a vehicle storage lot designated by the insurer of the vehicle will result in the placement of vehicle storage lots in more locations, as insurance companies will designate as many vehicle storage lots as are necessary to provide coverage throughout the county, thus enhancing safety by limiting both the time and distance that a tow car is traveling with a towed vehicle.

2. Authorizing insurance companies to designate vehicle storage lots will enhance safety by ensuring that the vehicles towed thereto are stored in locations which:

(a) Guarantee safe access to the vehicles by their owners; and

(b) Protect the property of the owners of the vehicles, including, without limitation, the vehicles themselves.

3. The provisions of NRS 706.4489 constitute an exercise of the safety regulatory authority of this State with respect to motor vehicles.

Sec. 148. NRS 706.4489 is hereby amended to read as follows:

706.4489 1. An insurance company may designate one or more vehicle storage lots to which all vehicles that are towed at the request of a law enforcement officer:

(a) Following ~~[an accident;]~~ ***a crash;*** or

(b) Following recovery after having been stolen,

➥ and which are insured by that insurance company must be towed pursuant to subsection 2. The designation of a vehicle storage lot must be provided in writing by the insurance company, its representative or the owner or operator of the vehicle storage lot to all providers of towing services that have obtained a certificate of public convenience and necessity and operate in the same geographical area in which the designated vehicle storage lot is situated.

2. If a law enforcement officer requests that an operator of a tow car tow a vehicle following ~~[an accident]~~ ***a crash*** or following recovery after having been stolen and the vehicle is not otherwise subject to impoundment, the law enforcement officer shall make a good faith effort to determine the identity of the insurance company that provides coverage for the owner of the vehicle. If the law enforcement officer determines the identity of the insurance company, he or she shall inform the operator of the tow car of the identity of the insurance company. If the operator of the tow car:

(a) Is informed by a law enforcement officer of the identity of the insurance company that provides coverage for the owner of the vehicle; or

(b) Otherwise determines the identity of the insurance company that provides coverage for the owner of the vehicle,

➥ and the insurance company has designated a vehicle storage lot pursuant to subsection 1, the operator of the tow car shall tow the vehicle to the designated vehicle storage lot unless the owner of the vehicle or a representative of the insurance company has directed otherwise.

3. If an operator of a tow car fails to tow a vehicle to the designated vehicle storage lot pursuant to subsection 2, the operator of the tow car shall:

(a) Forfeit the charge for towing and storage of the vehicle; and

(b) Tow the vehicle free of charge to the vehicle storage lot designated by the insurance company or its representative not later than 24 hours after receiving a demand, which must be made in writing or by electronic mail, from the insurance company or its representative.

4. The owners of a vehicle storage lot designated by an insurance company pursuant to subsection 1 shall agree in writing to indemnify the relevant law enforcement agencies and their officers, employees, agents and representatives from any liability relating to the towing of a vehicle insured by the designating insurance company and to the storing of the vehicle at the vehicle storage lot if the law enforcement officer who requested the towing of the vehicle made a good faith effort to comply with the provisions of subsection 2.

5. A vehicle storage lot must:

(a) Maintain adequate, accessible and secure storage within the State of Nevada for any vehicle that is towed to the vehicle storage lot;

(b) Comply with all standards a law enforcement agency may adopt pursuant to NRS 706.4485 to protect the health, safety and welfare of the public;

(c) Comply with all local laws and ordinances applicable to that business, including, without limitation, local laws and ordinances relating to business licenses, zoning, building and fire codes, parking, paving, lights and security; and

(d) If the vehicle storage lot is a salvage pool as that term is defined in NRS 487.400, comply with all applicable requirements imposed pursuant to NRS 487.400 to 487.510, inclusive.

6. If a vehicle storage lot has rates and charges that have been approved by the Authority for the storage of a vehicle, the vehicle storage lot is not required to assess those rates and charges for the storage of a vehicle that is towed to the vehicle storage lot in accordance with this section, but may not assess a rate or charge in excess of those approved rates and charges. If a vehicle storage lot does not have rates and charges that have been approved by the Authority, it may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the law enforcement agency that requested the tow. If the requesting law enforcement agency does not have approved rates and charges, the vehicle storage lot may not assess a rate or charge in excess of the rates and charges for the storage of a vehicle that have been approved by the largest law enforcement agency in

the county. An operator of a tow car who tows a vehicle to a vehicle storage lot pursuant to this section:

(a) Shall assess the rates and charges approved by the Authority for towing the vehicle.

(b) Is entitled to payment from the operator of the vehicle storage lot at the time the vehicle is towed to the vehicle storage lot.

7. Before designating a vehicle storage lot pursuant to subsection 1, an insurance company must obtain the approval of the Authority. The Authority shall approve the designation if the Authority determines that the vehicle storage lot has:

(a) Executed an indemnification agreement that meets the requirements of subsection 4;

(b) Satisfied the requirements of subsection 5; and

(c) Otherwise satisfied the requirements of this section.

8. The provisions of this section apply only to a county whose population is 700,000 or more.

9. As used in this section:

(a) "Boat" means any vessel or other watercraft, other than a seaplane, used or capable of being used as a means of transportation on the water.

(b) "Vehicle" has the meaning ascribed to it in NRS 706.146 and includes all terrain vehicles and boats.

(c) "Vehicle storage lot" means a business which, for a fee, stores vehicles that are towed at the request of a law enforcement officer following ~~[an accident]~~ ***a crash*** or following recovery after having been stolen and includes, without limitation, a salvage pool, as that term is defined in NRS 487.400, which operates a vehicle storage lot in accordance with the provisions of this section. The term does not include a salvage pool that has not elected to operate a vehicle storage lot in accordance with the provisions of this section and is operating within the scope of its authority pursuant to NRS 487.400 to 487.510, inclusive.

Sec. 149. NRS 706.8828 is hereby amended to read as follows:

706.8828 1. Except as otherwise provided in subsection 4, a certificate holder shall file with the Administrator, and keep in effect at all times, a policy of insurance with an insurance company licensed to do business in the State of Nevada.

2. The insurance policy specified in subsection 1 must:

(a) Provide the following coverage:

For injury to one person in any one ~~[accident]~~ ***crash*** $100,000
For injury to two or more persons in any one ~~[accident]~~ ***crash*** .. 300,000
For property damage in any one ~~[accident]~~ ***crash*** 10,000

(b) Contain a clause which states substantially that the insurance carrier may only cancel the policy upon 30 days' written notice to the certificate holder and Administrator; and

(c) Contain such other provisions concerning notice as may be required by law to be given to the certificate holder.

3. If an insurance policy is cancelled, the certificate holder shall not operate or cause to be operated any taxicab that was covered by the policy until other insurance is furnished.

4. A certificate holder to whom the Department of Motor Vehicles has issued a certificate of self-insurance may self-insure the coverage required by subsection 2.

Sec. 150. 1. When the next reprint of the Nevada Revised Statutes is prepared by the Legislative Counsel, the Legislative Counsel shall revise any provisions of any bill or resolution enacted during the 78th Regular Session of the Nevada Legislature which uses the term "accident" as that term is replaced or amended pursuant to the provisions of this act to cause the term to be replaced or amended in the manner provided in this act.

2. The Legislative Counsel shall, in preparing supplements to the Nevada Administrative Code, make such changes as necessary so that the term "accident" is replaced with the term "crash" or "motor vehicle crash," or the term "accident" is amended by adding the term "or motor vehicle crash," as applicable, as provided for in this act.

Sec. 150.5. **1. This act shall be construed as making amendments to provisions of state law for the purpose of substituting the term "crash," or a variation of that term, for the term "accident," or a variation of that term, when used in reference to motor vehicles without any intent of the Nevada Legislature to change the coverage, eligibility, liability, penalties, rights or responsibilities conferred by or otherwise resulting from the amendatory provisions of this act.**

2. Any judicial interpretation of a state law that is rendered, issued or entered before January 1, 2016, and which includes an interpretation of the term "accident," or a variation of that term, which is amended by or as a result of this act to refer instead to the term "crash," or a variation of that term, shall be deemed to have the same meaning as though the term had remained unchanged.

Sec. 151. This act becomes effective:

1. Upon passage and approval for the purpose of adopting regulations or performing any preparatory administrative tasks that are necessary to carry out the provisions of this act; and

2. On January 1, 2016, for all other purposes.

Assemblyman Wheeler moved the adoption of the amendment.

Remarks by Assemblymen Wheeler and Carlton.

ASSEMBLYMAN WHEELER:

Amendment 808 makes two changes to Senate Bill 188. It provides that for purposes of the Nevada Insurance Code, Title 57 of NRS, the terms "accident" and "crash" as they are used in reference to motor vehicles have the same meaning. It also provides that the amendatory provisions of the bill shall be construed as nonsubstantive and clarifies that it is not the intent of

the Nevada Legislature to modify any existing application, construction, or interpretation of any statute which has been so amended.

ASSEMBLYWOMAN CARLTON:

I am curious about why we would change the language but not have the language be the same in the insurance policies. I know we are saying we are going to call it one thing and the insurance industry can call it another, but Title 57 is already confusing enough as it is. I get complaints about it from my constituents all the time. I just got a phone call last week about somebody who was totally confused about their car insurance. So to have the statutory language say one thing and the insurance policy say another—if we are going to have the expense at the state to change all the NRS, why would we not ask the folks upon the issuance of a new policy to have the same language that the state is using?

ASSEMBLYMAN WHEELER:

The idea of not changing the language is for past policies and documents. In the future, the insurance companies have ensured that they will actually change the language, but they do not wish to reprint all of the materials they have out there right now as the cost would be prohibitive.

ASSEMBLYWOMAN CARLTON:

Thank you, Mr. Speaker, and that is my point exactly. We are going to have to reprint a bunch of stuff, too.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Senate Bill No. 209.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 809.

AN ACT relating to drivers' licenses; revising provisions governing the submission of documents required to declare veteran status when applying for or renewing an instruction permit**,** ~~[or a]~~ driver's license ~~[.]~~ **, commercial driver's license or identification card;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a veteran who has been honorably discharged from the Armed Forces of the United States may have a designation of that veteran status placed on his or her instruction permit**,** ~~[or]~~ driver's license ~~[.]~~ **or identification card.** Such a veteran must, upon application for initial issuance or renewal of the permit or license, submit to the Department of Motor Vehicles a copy of his or her DD Form 214, "Certificate of Release or Discharge from Active Duty," issued by the United States Department of Defense, indicating that he or she has been honorably discharged from the Armed Forces of the United States. (NRS 483.292 ~~[) This]~~ **, 483.852) Sections 1.1 and 1.3 of this** bill ~~[removes]~~ **remove** the requirement to specifically provide a DD Form 214 and instead ~~[provides]~~ **provide** that the veteran must submit evidence satisfactory to the Department that he or she has been honorably discharged from the Armed Forces of the United States to have a designation of that veteran status placed on his or her instruction permit**,** ~~[or]~~ license ~~[.]~~ **or identification card. Section 1 of this bill provides that an**

Senate Bill No. 223.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 721.

AN ACT relating to contractors; revising provisions relating to the liability of a prime contractor for indebtedness incurred by a subcontractor for labor costs; revising provisions governing the statute of limitations to bring an action against a prime contractor for the recovery of wages or benefits due to an employee of a subcontractor; revising provisions relating to mechanics' and materialmen's lien claimants; requiring an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a contractor or subcontractor to provide notice to the contractor and subcontractor that the benefit payment has not been received; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law makes an original contractor liable for any indebtedness incurred by a subcontractor for labor costs, including benefits payable to a trust established by a collective bargaining unit. (NRS 608.150) **Sections 1 and 3** of this bill provide that a prime contractor is not liable for the labor costs of a subcontractor to the extent those costs are: (1) interest, liquidated damages, attorney's fees or costs resulting from a subcontractor's failure to pay contributions or other payments to, or on behalf of, an employee; or (2) any amounts for which the prime contractor did not receive adequate notice in the manner that **section 5** of this bill requires. **Section 2** of this bill reduces the statute of limitations period applicable to commencing an action against a prime contractor for the recovery of wages or benefits due to an employee of a subcontractor.

Existing law also provides that a mechanics' or materialmen's lien claimant must provide a notice of right to lien to an owner of property upon which work has been performed unless the claimant is a person who only performed labor on the project. (NRS 108.245) **Section 4** of this bill requires a prime contractor

or subcontractor who participates in a health or welfare fund, or other plan for the benefit of employees, to provide to the fund or plan notice of the name and location of the project upon the commencement of work on a project. In addition, **section 4** excludes from the exemption to the notice provisions of NRS 108.245 an express benefit trust which receives a portion of the compensation paid to a laborer.

Section 5 requires an administrator of a Taft-Hartley trust that does not receive a benefit payment required to be made to the trust by a general contractor or subcontractor, within ~~[60]~~ **75** days after the required payment is deemed delinquent, to provide notice to the general contractor and subcontractor that the benefit payment has not been received.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 608.150 is hereby amended to read as follows:

608.150 1. ~~[Every original]~~ ***Except as otherwise provided in subsections 2 and 3, every prime*** contractor making or taking any contract in this State for the erection, construction, alteration or repair of any building or structure, or other work ~~[,]~~ ***of improvement,*** shall assume and is liable for the indebtedness for labor incurred by any subcontractor or any contractors acting under, by or for the ~~[original]~~ ***prime*** contractor in performing any labor, construction or other work included in the subject of the ~~[original]~~ ***prime*** contract, for labor, and for the requirements imposed by chapters 616A to 617, inclusive, of NRS.

2. ***The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor for any penalty, including, without limitation, interest, liquidated damages, attorney's fees or costs for the failure of the subcontractor or other contractor to make any contributions or other payments under any other law or agreement, including, without limitation, to a health or welfare fund or any other plan for the benefit of employees in accordance with a collective bargaining agreement.***

3. The provisions of subsection 1 do not require a prime contractor to assume or be liable for any liability of a subcontractor or other contractor for any amount for which the prime contractor did not receive proper notice in accordance with section 5 of this act.

~~[3.]~~ ***5.*** The district attorney of any county wherein the defendant may reside or be found shall institute civil proceedings against any such ~~[original]~~ ***prime*** contractor failing to comply with the provisions of this section in a civil action for the amount of all wages and ~~[damage]~~ ***benefits*** that may be owing or have accrued as a result of the failure of any subcontractor acting under the

~~[original]~~ ***prime*** contractor, and any property of the ~~[original]~~ ***prime*** contractor, not exempt by law, is subject to attachment and execution for the payment of any judgment that may be recovered in any action under the provisions of this section.

6. As used in this section, "prime contractor" has the meaning ascribed to it in NRS 108.22164.

Sec. 2. NRS 11.209 is hereby amended to read as follows:

11.209 1. No action against a ~~[principal]~~ ***prime*** contractor for the recovery of wages due an employee of a subcontractor or contributions or premiums required to be made or paid on account of the employee may be commenced more than ~~[:~~

~~(a) Two years, *One]* *1 year* *[,*~~ ~~if the principal *prime* contractor is located in Nevada; or~~

2. No action against a ~~[principal]~~ ***prime*** contractor for the recovery of benefits due an employee of a subcontractor may be commenced more than ~~[:~~

~~(a) Three years, if the principal contractor is located in Nevada; or~~

3. As used in this section, "prime contractor" has the meaning ascribed to it in NRS 108.22164.

Sec. 3. NRS 108.2214 is hereby amended to read as follows:

108.2214 1. "Lien claimant" means any person who provides work, material or equipment with a value of $500 or more to be used in or for the construction, alteration or repair of any improvement, property or work of improvement. The term includes, without limitation, every artisan, builder, contractor, laborer, lessor or renter of equipment, materialman, miner, subcontractor or other person who provides work, material or equipment, and any person who performs services as an architect, engineer, land surveyor or geologist, in relation to the improvement, property or work of improvement.

2. As used in this section, "laborer" includes, without limitation, an express trust fund to which any portion of the total compensation of a laborer, including ~~[, without limitation,]~~ any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer. ***For the purposes of this subsection, "fringe benefit" does not include any interest, liquidated damages, attorney's fees, costs or other penalties that may be incurred by the employer of the laborer for failure to pay any such compensation under any law or contract.***

Sec. 4. NRS 108.245 is hereby amended to read as follows:

108.245 1. Except as otherwise provided in subsection 5, every lien claimant, other than one who performs only labor, who claims the benefit of NRS 108.221 to 108.246, inclusive, shall, at any time after the first delivery of material or performance of work or services under a contract, deliver in person or by certified mail to the owner of the property a notice of right to lien in substantially the following form:

NOTICE OF RIGHT TO LIEN

To: .....
(Owner's name and address)

The undersigned notifies you that he or she has supplied materials or equipment or performed work or services as follows:

.....
(General description of materials, equipment, work or services)

for improvement of property identified as (property description or street address) under contract with (general contractor or subcontractor). This is not a notice that the undersigned has not been or does not expect to be paid, but a notice required by law that the undersigned may, at a future date, record a notice of lien as provided by law against the property if the undersigned is not paid.

.....
(Claimant)

A subcontractor or equipment or material supplier who gives such a notice must also deliver in person or send by certified mail a copy of the notice to the prime contractor for information only. The failure by a subcontractor to deliver the notice to the prime contractor is a ground for disciplinary proceedings against the subcontractor under chapter 624 of NRS but does not invalidate the notice to the owner.

2. Such a notice does not constitute a lien or give actual or constructive notice of a lien for any purpose.

3. No lien for materials or equipment furnished or for work or services performed, except labor, may be perfected or enforced pursuant to NRS 108.221 to 108.246, inclusive, unless the notice has been given.

4. The notice need not be verified, sworn to or acknowledged.

5. A prime contractor or other person who contracts directly with an owner or sells materials directly to an owner is not required to give notice pursuant to this section.

6. A lien claimant who is required by this section to give a notice of right to lien to an owner and who gives such a notice has a right to lien for materials or equipment furnished or for work or services performed in the 31 days before the date the notice of right to lien is given and for the materials or equipment

furnished or for work or services performed anytime thereafter until the completion of the work of improvement.

7. Upon commencement of work on a project, any prime contractor or subcontractor participating in a health or welfare fund or any other plan for the benefit of employees is required to notify such fund or plan of the name and location of the project so that the fund or plan may protect potential lien rights under NRS 108.221 to 108.146, inclusive.

8. As used in this section, "one who performs only labor" does not include an express trust fund to which any portion of the total compensation of a laborer, including, without limitation, any fringe benefit, must be paid pursuant to an agreement with that laborer or the collective bargaining agent of that laborer.

Sec. 5. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If an administrator of a Taft-Hartley trust which is formed pursuant to 29 U.S.C. § 186(c)(5) does not receive a benefit payment owed to the trust within ~~[45]~~ 60 days after the date on which the payment is deemed delinquent, the administrator shall provide a notice of the delinquency to the general contractor and, if applicable, the subcontractor, who is responsible for the benefit payment. The notice of delinquency must be provided in the manner set forth in subsections 2, 3 and 4.

2. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, within 15 days after the expiration of the ~~[45-day]~~ 60-day period described in subsection 1.

3. The notice required pursuant to subsection 1 must be given to the general contractor and, if applicable, the subcontractor, who is responsible for the delinquent benefit payment, by electronic mail, telephone and:

Sec. 6. (Deleted by amendment.)

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 823.

AN ACT relating to construction; amending the amount of retainage authorized on public works; amending the retention amount ~~**[**and certain conditions relating to that amount**]**~~ **authorized** on private works of

improvement; extending existing provisions related to retainage; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a public body undertaking a public work to withhold as a retainage at least 5 percent from progress payments made to a contractor during the first half of the project. After completion of half of the project, the amount of the retainage becomes optional and any remaining progress payments or withheld retainage may be paid. (NRS 338.515) **Section 2** of this bill requires the amount of the retainage to be 5 percent.

Existing law provides that in private construction projects, not more than 10 percent of progress payments may be withheld from such payments **as a retention amount** by an owner to a contractor and from a contractor to a subcontractor, and that such funds must be paid upon satisfaction of certain criteria including the issuance of a certificate of occupancy by a building inspector. (NRS 624.609, 624.620, 624.624) **Sections 3 and 5** of this bill reduce the **retention** amount ~~[of retainage]~~ allowed on private construction projects from 10 percent to 5 percent**.** ~~[after completion of 50 percent of the project, except for horizontal construction projects, such as highways and bridges, which are subject to the 10 percent retainage limit throughout the duration of the project. Finally, **section 6** of this bill repeals the expiration of certain provisions of existing law pertaining to retainage in public works which are set to expire on July 1, 2015. (NRS 338.515, 338.530, 338.555, 338.560, 338.595)

Amendment No. 739.

AN ACT relating to local law enforcement agencies; revising provisions relating to the powers and duties of constables and deputy constables; exempting from certain provisions the sale of liquor by a sheriff or constable at a sale under execution; authorizing a constable to accept payment of certain fees by credit card, debit card or electronic transfer of money; authorizing a constable to require the payment to the constable of a convenience fee for the acceptance of payments by credit card, debit card or electronic transfer of money; revising the amount of certain fees which a constable is entitled to charge and collect; authorizing the appointment of clerks for the constable of a township; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the sheriff of a county may authorize a constable to receive and execute the process, writs or warrants of courts of justice, judicial officers and coroners that have been delivered to the sheriff. (NRS 248.100)

Sections 1-8 of this bill provide that such orders may be delivered directly to a constable who then must execute the orders.

Existing law requires the constable and each deputy constable in a township whose population is 15,000 or more, or a township that has within its boundaries a city whose population is 15,000 or more, to be certified as a category I or II peace officer by the Peace Officers' Standards and Training Commission. (NRS 258.007, 258.060, 258.070) Existing law also requires each constable to be a peace officer in his or her township and prohibits a constable or deputy constable from arresting any person while carrying out the duties of the office of a constable unless the constable or deputy is certified by the Commission as a category I or category II peace officer. **Sections 10 and 12** of this bill instead require certification as a category II peace officer of the constable and each deputy constable of a township whose population: (1) is 100,000 or more, if the township is in a county whose population is 700,000 or more (currently Clark County); and (2) is 250,000 or more, if the township is in a county whose population is less than 700,000 (currently all counties other than Clark County).

Section 12.5 of this bill authorizes a board of county commissioners to appoint for the constable of a township a reasonable number of clerks and to fix the compensation of any clerks so appointed.

Section 13 of this bill provides that a constable or deputy constable has the powers of a peace officer **:** ~~[only:]~~ (1) for the discharge of duties that are prescribed by law; (2) for the purpose of arresting a person in certain circumstances who has committed or attempted to commit a public offense in the presence of the constable or deputy constable; (3) in an area that is within the limits of an incorporated city, **for the additional purposes authorized by and** with the consent of the chief of police of the city; and (4) in an area that is not within the limits of an incorporated city, **for the additional purposes authorized by and** with the consent of the sheriff of the county. Additionally, **section 13** prohibits a constable or deputy constable from carrying a firearm in the performance of his or her duties unless: (1) the constable has adopted a written policy on the use of deadly force; **and** (2) ~~[a copy of the policy has been filed in the office of the appropriate county recorder; and (3)]~~ the constable and each deputy constable has received training regarding the policy. A constable or deputy constable authorized to carry a firearm pursuant to **section 13** must receive training approved by the Commission in the use of firearms at least once every 6 months. **Section 13** also requires a constable or deputy constable who wears a uniform in the performance of his or her duties to display prominently as part of that uniform a badge or nameplate clearly displaying the name or an identification number of the constable or deputy.

Existing law authorizes a constable who determines that a motor vehicle is not properly registered to issue a citation to the owner or driver, as appropriate, of the vehicle, and to charge and collect a fee of $100 from the owner or driver. (NRS 258.070) **Section 13** authorizes a constable to charge and collect the fee

only upon the imposition of punishment pursuant to NRS 482.385 on the person to whom the citation is issued.

Section 15 of this bill increases certain fees to which constables are entitled for their services. **Section 15** also authorizes a board of county commissioners to provide by ordinance for the fee to which a constable is entitled for providing a service authorized by law for which no fee is established by statute.

Existing law provides that the amount of certain fees which a constable is entitled to charge and collect must be calculated on the basis of the miles necessarily and actually traveled in providing a service. (NRS 258.125) **Section 15** authorizes a board of county commissioners to provide by ordinance for a constable to charge and collect, at the option of the person paying the fee, a flat fee for those travel costs instead of a fee calculated on the basis of the miles traveled.

Section 9 of this bill authorizes a constable to accept payment of fees by credit card, debit card or the electronic transfer of money and authorizes a constable to charge and collect a convenience fee for the acceptance of such forms of payment under certain circumstances.

Existing law generally authorizes the sale of liquor only under certain circumstances and only by a person who holds the appropriate license issued by the Department of Taxation. (Chapter 369 of NRS) **Sections 20-25** of this bill exempt from the licensure requirements of chapter 369 of NRS a sheriff or constable who sells or offers for sale liquor at a sale under execution. **Sections 20-25** also provide that a person licensed under chapter 369 of NRS is not prohibited from purchasing liquor at such a sale under execution.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Ellison, Kirkpatrick, Elliot Anderson, and Benitez-Thompson.

ASSEMBLYMAN ELLISON:

The amendment expands certain duties of a constable for purposes authorized by the chief of police for constables located in an incorporated city or the sheriff of a county for constables located in unincorporated areas.

ASSEMBLYWOMAN KIRKPATRICK:

I want to ask the bill's sponsor—we have had many bills over time about constables—when you say expanding the duties, what are those? Are they going to become actual police officers now as opposed to just going out and serving warrants? That is really what they were intended to be, if you go back through the history. What will they be doing now? On page 7, line 41, what does that mean specifically? To me it means they are equal to a sheriff, and I want to make sure that is not what we are doing.

ASSEMBLYMAN ELLISON:

What this bill does is give them the right to serve papers and make arrests, but it does not give them police powers. They can carry a weapon, but other than that, that is all they can do.

ASSEMBLYWOMAN KIRKPATRICK:

I have worked on constable legislation and followed it through. In the past when that has happened and they have asked to be a category II, that expands the PERS [Public Employees' Retirement System] liability as well. So is that what they will also be doing?

ASSEMBLYMAN ELLISON:

Yes, ma'am. There were two amendments that were proposed that did not go.

ASSEMBLYWOMAN KIRKPATRICK:

I just want to be sure because here we are trying to make changes to PERS and we are adding to it. It affects heart and lung, it affects PERS, it gives them another set of categories. To my colleague from Elko, we have tried not to expand it, so I just wanted to be clear what it was before we vote tomorrow.

ASSEMBLYMAN ELLIOT ANDERSON:

I want to ask my colleague from Elko another question. Also on page 7, the amendment strikes out language that says the written policy no longer has to be filed. So how would the public know what the consent of the sheriff was and how would they know if the constables are acting within their authority?

ASSEMBLYMAN ELLISON:

It looks to me like the constable still has to go through the chief of police or the sheriff. That is where the authority comes from. If there is any other information you need, I will have to pull the bill and go over it with you.

ASSEMBLYMAN ELLIOT ANDERSON:

I would appreciate if we could just get some clarity on how the public would know when the constable is within their agreement with the sheriff which would allow them all those other functions.

ASSEMBLYMAN ELLISON:
They are in some areas elected, so I will get that information and get back to you.

ASSEMBLYWOMAN BENITEZ-THOMPSON:
This question is also to the chair because we did so much work around constables last session in Government Affairs. In section 15 on page 8, it is about a 60 percent to 70 percent increase on some of the fees that they can collect. What I remember from last session is that some of our constables are some of the highest gross earning elected offices in the state. Some of them collect revenue off of these fees up to some pretty impressive numbers. I want to understand why we would allow them to increase the amount of fees they can collect, because I did not think there was really any financial hardship from what I remember in conversations last session

ASSEMBLYMAN ELLISON:
These fees were adjusted, and I do not think they are going to increase. I will bring back both of these questions to you at the vote.

Senate Bill No. 307.
Bill read second time.
The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 796.
AN ACT relating to public office; revising provisions relating to the lobbying of State Legislators; revising provisions regulating gifts to public officers and candidates for public office; revising provisions governing financial disclosure statements ~~[and reports of campaign contributions and expenses]~~ filed by such public officers and candidates; providing penalties; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law in the Nevada Lobbying Disclosure Act (Lobbying Act) prohibits lobbyists from giving State Legislators or members of their immediate family or staff any gifts that exceed $100 in value in the aggregate in any calendar year and prohibits those persons from soliciting or accepting any such gifts. (NRS 218H.930) In defining the term "gift," the Lobbying Act excludes the cost of entertainment, including the cost of food or beverages, so there is no limit on the amount of entertainment expenditures lobbyists may make for State Legislators or members of their immediate family or staff. (NRS 218H.060) If a lobbyist makes such expenditures, the lobbyist must disclose the expenditures by filing a report with the Director of the Legislative Counsel Bureau. (NRS 218H.400)
In addition to the disclosures required by the Lobbying Act, existing law, commonly referred to as the Financial Disclosure Act, requires State Legislators and other state and local public officers and candidates to disclose and report gifts received in excess of an aggregate value of $200 from a donor during a calendar year on financial disclosure statements filed with the

Secretary of State. (NRS 281.558-281.581) Unlike the Lobbying Act, the Financial Disclosure Act does not define the term "gift," but it excludes certain types of gifts from the reporting requirements. (NRS 281.571)

In 2007, when the Commission on Ethics had the statutory authority to interpret the Financial Disclosure Act, it determined that the law did not require a public officer from a jurisdiction near the proposed Yucca Mountain nuclear waste project to report on his financial disclosure statement that a nuclear fuel reprocessing company working as a contractor on the project paid for certain travel, lodging and meal expenses for the public officer and his spouse to undertake an educational or informational trip to France to learn more about nuclear fuel reprocessing and nuclear emergency preparedness by touring reprocessing facilities operated by the company and meeting with French stakeholders, local leaders and emergency responders. The Commission found that the Legislature had not established what constitutes a gift for the purposes of existing law and that "[n]o evidence exists that the act of accepting an invitation from [the company], to visit its nuclear reprocessing facilities in France and traveling to Europe for that purpose, constitutes a gift." (*In re Phillips*, CEO 06-23 (June 15, 2007))

By contrast, in the 2014 Financial Disclosure Statement Guide produced by the Office of the Secretary of State, the Guide includes as an example of a reportable gift "[t]ravel, lodging, food or registration expenses as part of a 'fact-finding' trip, which is part of the official or unofficial duties of a public officer, unless the expenses are paid by the candidate, [the] public officer, or the governmental agency that employs the public officer." (Nev. Sec'y of State, *Financial Disclosure Statement Guide*, p. 5 (2014)) However, because this example in the Guide was not promulgated by the Office of the Secretary of State in a regulation adopted under the Nevada Administrative Procedure Act, it does not have the force and effect of law. (NRS 233B.040; *State Farm Mut. Auto. Ins. v. Comm'r of Ins.*, 114 Nev. 535, 543-44 (1998); *Labor Comm'r v. Littlefield*, 123 Nev. 35, 39-43 (2007))

Sections 9 and 19 of this bill revise the Lobbying Act and the Financial Disclosure Act to establish a definition for the term "gift" that is similar for both acts. **Sections 4 and 17** of this bill also establish a definition for the term "educational or informational meeting, event or trip" that is similar for both acts. Under this bill, a gift does not include an educational or informational meeting, event or trip, but this bill requires the disclosure of such educational or informational meetings, events or trips. Specifically, under **sections 4, 8 and 11** of this bill, lobbyists are required to disclose any expenditures made for educational or informational meetings, events or trips provided to State Legislators, and under **sections 17, 20 and 27** of this bill, public officers and candidates are required to disclose on their financial disclosure statements any educational or informational meetings, events or trips provided by interested persons having a substantial interest in the legislative, administrative or political action of the public officer or the candidate if elected.

Sections 9 and 12 of this bill prohibit lobbyists from knowingly or willfully giving gifts in any amount to State Legislators or members of their immediate family or staff, whether or not the Legislature is in a regular or special session. Those sections also prohibit State Legislators or members of their immediate family or staff from knowingly or willfully soliciting or accepting gifts in any amount from lobbyists, whether or not the Legislature is in a regular or special session.

Sections 2, 3, 15, 16, 18 and 21-33 of this bill revise the Lobbying Act and the Financial Disclosure Act to update and modernize the statutory language, remove redundant provisions and promote consistency between the acts.

Finally, ~~[existing law requires candidates and public officers to file reports with the Secretary of State disclosing contributions and campaign expenses greater than $100 by statutorily scheduled dates during an election year and to file such reports annually after nonelection years. (NRS 294A.120, 294A.200) The reports also must disclose information concerning certain types of loans and forgiveness of loans, contribution commitments, legal expenses, legal defense funds and contributions in the form of goods and services. (NRS 294A.128, 294A.160, 294A.286, 294A.362) Sections 35-39 of this bill retain the requirement to file such reports annually after nonelection years but require such reports to be filed monthly during an election year, not later than 15 days after the end of each month.]~~ **section 41 of this bill provides that the provisions of this bill apply to public officers and candidates beginning on January 1, 2016. However, section 40 of this bill states that the provisions of this bill do not apply to a financial disclosure statement that is filed by a public officer or candidate to report information for any period that ends before January 1, 2016. As a result, although most public officers will be required to file a financial disclosure statement on or before January 15, 2016, which must disclose information for the 2015 calendar year, the provisions of this bill will not apply to the information that must be disclosed for the 2015 calendar year. (NRS 281.559, 281.561)**

By contrast, most candidates for a public office in 2016 will be required to file a financial disclosure statement, not later than the 10th day after the last day to qualify as a candidate for the office, which must disclose information for: (1) the 2015 calendar year; and (2) the period between January 1, 2016, and the last day to qualify as a candidate for the office. (NRS 281.561) For these candidates, the provisions of this bill will not apply to the information that must be disclosed for the 2015 calendar year but will apply to the information that must be disclosed for the period between January 1, 2016, and the last day to qualify as a candidate for the office.

Sec. 40. The provisions of this act do not apply to a financial disclosure statement that is filed by a public officer or candidate to report information for any period that ends before January 1, 2016.

Sec. 41. This act becomes effective:

1. Upon passage and approval for the purpose of adopting any regulations and performing any other preparatory administrative tasks necessary to carry out the provisions of this act; and

2. On January 1, 2016, for all other purposes.

Assemblyman Stewart moved the adoption of the amendment.

Remarks by Assemblymen Stewart and Kirkpatrick.

ASSEMBLYMAN STEWART:

Amendment 796 deletes the proposed language to require candidates to file monthly financial disclosure reports in an election year. It revises the definition of "member of the public officer's or candidate's household" to include individuals who live in the household and who are financially dependent on the public officer or candidate.

ASSEMBLYWOMAN KIRKPATRICK:

This is a great bill. We have been trying to do this for a very long time. Too bad we did not go a little bit farther. I want to have some clarity. We had huge discussions last session and during the interim on the educational trips. Based on what we have relied on in the LCB, I see now that the educational trips are reportable, including the ones that we go to—NCSL [National Conference of State Legislatures] and CSG [Council of State Governments] to whom we pay dues. Is that

correct? You have to itemize, as well, all of the individual dinners? I want to be clear because it was super controversial and everybody wants to do the right thing. I want to make sure what the legislative intent was.

ASSEMBLYMAN STEWART:
To my colleague, it is my understanding that that is correct.

ASSEMBLYWOMAN KIRKPATRICK:
I also want to understand, when you go to those nonprofit dinners, what is the fee that is expected to be counted on. For instance, if I buy a box of Girl Scout cookies, only a certain portion of it is deductible. Is it that amount or is it the face value of the item?

ASSEMBLYMAN STEWART:
I do not think that was clearly identified in the bill. We will have to leave that up to interpretation later on, I guess.

ASSEMBLYWOMAN KIRKPATRICK:
Before tomorrow's vote, can we please clarify that because that was a big sticking point last time and during the interim. At least we could check with the Secretary of State or whoever or the bill's sponsors to see what the legislative intent was and put it on the record. I believe everybody in this building wants to report, so as long as we can report the same and there is no ambiguity, we are all off to a great start.

ASSEMBLYMAN STEWART:
I will clarify that. Thank you.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 824.
AN ACT relating to public works; disqualifying a contractor from being awarded a contract for a public work under certain circumstances; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Existing law authorizes the Labor Commissioner to impose an administrative penalty against a person who violates certain provisions related to contracts for public works in this State. (NRS 338.015) A person against whom such an administrative penalty is imposed may not be awarded a contract for a public work for a period of 3 years, and upon a second or subsequent offense, for a period of 5 years. (NRS 338.017) In addition to the prohibition on being awarded a contract for public works, such a person is also subject to the suspension of his or her contractor's license by the State Contractors' Board for the length of the prohibition. (NRS 624.300)

Under federal law, a contractor may be excluded for a period of time from receiving contracts from the Federal Government if the contractor is debarred. (48 C.F.R. §§ 9.400 et seq.)

This bill provides that, if a contractor is excluded for a period of time from receiving contracts from the Federal Government as a result of being debarred, the contractor may not be awarded a contract for a public work in this State for the longer of: (1) 4 years after the date on which the Labor Commissioner becomes aware of the exclusion; or (2) the length of the term of debarment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.017 is hereby amended to read as follows:

338.017 ***1.*** If any administrative penalty is imposed ***pursuant to this chapter*** against a person for the commission of an offense ~~[~~:

2. ***A person, and the corporate officers, if any, of that person, who is identified in the System for Award Management Exclusions operated by the General Services Administration as being excluded from receiving contracts from the Federal Government pursuant to 48 C.F.R. §§ 9.400 et seq. as a result of being debarred may not be awarded a contract for a public work:***

(b) For the period of debarment of the contractor from receiving contracts from the Federal Government,

➥ whichever is longer.

3. The Labor Commissioner, upon learning that a contractor has been excluded from receiving contracts from the Federal Government pursuant to 48 C.F.R. §§ 9.400 et seq. as a result of being debarred, shall disqualify the contractor from being awarded a contract for a public work as provided in subsection 2.

4. The Labor Commissioner shall notify the State Contractors' Board of each contractor who is prohibited ***or disqualified*** from being awarded a contract for a public work pursuant to this section.

Amendment adopted.

Senate Bill No. 376.
Bill read second time.
The following amendment was proposed by the Committee on Transportation:
Amendment No. 810.
AN ACT relating to motor carriers; revising provisions concerning an appeal of certain decisions of the Nevada Transportation Authority; revising provisions concerning an appeal of a final decision of the Taxicab Authority; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Under existing law, any person who is aggrieved by a final decision of the Nevada Transportation Authority in an administrative hearing is entitled to judicial review. (NRS 233B.130, 706.2885, 706.771, 706.775) **Section 1** of this bill provides that any decision or action by the Nevada Transportation Authority which has the effect of substantially impairing, restricting or rescinding the ability or authorization of a fully regulated carrier to operate in this State or which refuses an applicant the ability or authorization to operate in this State as a fully regulated carrier is a final decision, and may be appealed directly to a court of competent jurisdiction for judicial review.
The Nevada Transportation Authority has regulatory authority over taxicab motor carriers in any county whose population is less than 700,000 (currently all counties except for Clark). (NRS 706.151, 706.881) In any county whose population is 700,000 or more (currently Clark County), the Taxicab Authority has regulatory authority over taxicab motor carriers. (NRS 706.881) Any person who is aggrieved by a final decision of the Taxicab Authority must appeal to the Nevada Transportation Authority. (NRS 706.8819) **Sections 3 and 8** of this bill provide that any person aggrieved by a final decision of the Taxicab Authority is entitled to judicial review, rather than requiring such a person to appeal to the Nevada Transportation Authority.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto a new section to read as follows:

(a) Providing training in safety;

(b) Reviewing and observing the programs or inspections of the carrier relating to safety; and

(c) Conducting inspections relating to safety at the operating terminals of the carrier.

4. To carry out the policies expressed in NRS 706.151, adopt regulations providing for agreements between two or more fully regulated carriers or two or more operators of tow cars relating to:

(b) All rates of fully regulated carriers and rates of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle;

(c) Classifications;

(d) Divisions;

(e) Allowances; and

(f) All charges of fully regulated carriers and charges of operators of tow cars for towing services performed without the prior consent of the owner of the vehicle or the person authorized by the owner to operate the vehicle,

Sec. 4. NRS 706.2885 is hereby amended to read as follows:

Senate Bill No. 401.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 733.

AN ACT relating to public affairs; authorizing certain persons to file complaints relating to notaries public or document preparation services with the Secretary of State; revising provisions relating to the requirements for an application for appointment as a notary public or document preparation service; revising provisions relating to the advertising of services as a notary public or document preparation service; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Secretary of State to appoint notaries public. (NRS 240.010) In addition, existing law provides that it is unlawful for a person: (1) to represent themselves as a notary public if they have not been appointed by the Secretary of State; (2) to submit an application for appointment as a notary public that contains a material misrepresentation or omission of fact; and (3) if the person is a notary public, to use the term "notario" or "notario publico" on any advertisement if the person is not also an attorney licensed in this State. (NRS 240.010, 240.085) Existing law sets forth similar prohibitions with respect to a document preparation service. (NRS 240A.100, 240A.240, 240A.260)

Sections 8 and 13 of this bill authorize any person who is aware of a violation of existing law governing notaries public and document preparation services to file a complaint with the Secretary of State. **Sections 9 and 11** of this bill require an applicant for appointment as a notary public or registration as a document preparation service to provide with his or her application a declaration under penalty of perjury stating that the applicant has never had an appointment as a notary public, or certificate or license as a document preparation service, as applicable, revoked or suspended in this State or any other state or territory. **Section 10** of this bill adds the term "licenciado" to the list of terms prohibited to be used in an advertisement if a notary public is not also an attorney licensed in this State. **Section 12** of this bill similarly prohibits document preparation services from using terms that may mislead a consumer into believing that a document preparation service is a licensed attorney, if such is not the case.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 402.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 784.

AN ACT relating to public health; defining the term "obesity" as a chronic disease; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to prepare an annual report on obesity; **requiring certain school districts to collect data concerning the height and weight of pupils;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law uses the term "obesity" in listing the benefits of breast-feeding, mandating training for child care providers and mandating public information and prevention programs of the Division of Public and Behavioral Health of the Department of Health and Human Services. (NRS 201.232, 432A.1775, 439.517, 439.521) **Section 1** of this bill defines the term "obesity" in the preliminary chapter of NRS as a chronic disease having certain characteristics. **Sections** ~~[2-5]~~ **2, 3, 4 and 5** of this bill define the term "obesity" as used in those provisions of existing law. **Section 5** also requires the Division to prepare an annual report on obesity statistics in this State and the efforts to reduce obesity.

Existing law requires the board of trustees of each school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties), through June 30, 2015, to: (1) conduct examinations of the height and weight of certain pupils in the schools within the school district; (2) provide notice of such examinations to the parent or guardian of a child before performing the examination; and (3) report the results of such examinations to the Chief Medical Officer. (NRS 392.420) Section 2.5 of this bill: (1) requires the board of trustees of each such school district to use school nurses, health personnel and certain teachers and other personnel to conduct such examinations on and after July 1, 2015; and (2) provides that, under certain circumstances, the school authorities are not required to provide notice to the parent or guardian of a child before conducting such an examination. Section 2.5 also requires the Division of Public and Behavioral Health of the Department of Health and Human Services to: (1) compile a report of the results of such examinations specific to each region of this State for which such information is collected; and (2) publish and disseminate the reports.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The preliminary chapter of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided by specific statute or required by the context, "obesity" means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:

(a) A body mass index of 30 or higher in adults;

(b) A body mass index that is greater than two standard deviations above the World Health Organization's growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;

(c) A body fat percentage greater than 25 percent for men or 32 percent for women; or

(d) A waist size of 40 inches or more for men or 35 inches or more for women.

2. As used in this section, "chronic disease" means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.

Sec. 2. NRS 201.232 is hereby amended to read as follows:

201.232 1. The Legislature finds and declares that:

(a) The medical profession in the United States recommends that children from birth to the age of 1 year should be breast fed, unless under particular circumstances it is medically inadvisable.

(b) Despite the recommendation of the medical profession, statistics reveal a declining percentage of mothers who are choosing to breast feed their babies.

(c) Many new mothers are now choosing to use formula rather than to breast feed even before they leave the hospital, and only a small percentage of all mothers are still breast feeding when their babies are 6 months old.

(d) In addition to the benefit of improving bonding between mothers and their babies, breast feeding offers better nutrition, digestion and immunity for babies than does formula feeding, and it may increase the intelligence quotient of a child. Babies who are breast fed have lower rates of death, meningitis, childhood leukemia and other cancers, diabetes, respiratory illnesses, bacterial and viral infections, diarrheal diseases, otitis media, allergies, obesity and developmental delays.

(e) Breast feeding also provides significant benefits to the health of the mother, including protection against breast cancer and other cancers, osteoporosis and infections of the urinary tract. The incidence of breast cancer in the United States might be reduced by 25 percent if every woman breast fed all her children until they reached the age of 2 years.

(f) The World Health Organization and the United Nations Children's Fund have established as one of their major goals for the decade the encouragement of breast feeding.

(g) The social constraints of modern society weigh against the choice of breast feeding and lead new mothers with demanding time schedules to opt for formula feeding to avoid embarrassment, social ostracism or criminal prosecution.

(h) Any genuine promotion of family values should encourage public acceptance of this most basic act of nurture between a mother and her baby, and no mother should be made to feel incriminated or socially ostracized for breast feeding her child.

2. Notwithstanding any other provision of law, a mother may breast feed her child in any public or private location where the mother is otherwise authorized to be, irrespective of whether the nipple of the mother's breast is uncovered during or incidental to the breast feeding.

3. As used in this section:

(a) "Obesity" means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:

(1) A body mass index of 30 or higher in adults;

(2) A body mass index that is greater than two standard deviations above the World Health Organization's growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;

(3) A body fat percentage greater than 25 percent for men or 32 percent for women; or

(4) A waist size of 40 inches or more for men or 35 inches or more for women.

(b) "Chronic disease" means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.

Sec. 2.5. **NRS 392.420 is hereby amended to read as follows:**

392.420 1. In each school at which a school nurse is responsible for providing nursing services, the school nurse shall plan for and carry out, or supervise qualified health personnel in carrying out, a separate and careful observation and examination of every child who is regularly enrolled in a grade specified by the board of trustees or superintendent of schools of the school district in accordance with this subsection to determine whether the child has scoliosis, any visual or auditory problem, or any gross physical defect. The grades in which the observations and examinations must be carried out are as follows:

(a) For visual and auditory problems:

(1) Before the completion of the first year of initial enrollment in elementary school;

(2) In at least one additional grade of the elementary schools; and

(3) In one grade of the middle or junior high schools and one grade of the high schools; and

(b) For scoliosis, in at least one grade of schools below the high schools.

➥ Any person other than a school nurse, including, without limitation, a person employed at a school to provide basic first aid and health services to pupils, who performs an observation or examination pursuant to this subsection must be trained by a school nurse to conduct the observation or examination.

2. ***In addition to the requirements of subsection 1, the board of trustees of each school district in a county whose population is 100,000 or more shall direct school nurses, qualified health personnel employed pursuant to subsection 6, teachers who teach physical education or health or other licensed educational personnel who have completed training in measuring the height and weight of a pupil provided by the school district, to measure the height and weight of a representative sample of pupils who are enrolled in grades 4, 7 and 10 in the schools within the school district. The Division of Public and Behavioral Health of the Department of Health and Human Services shall determine the number of pupils necessary to include in the representative sample.***

3. If any child is attending school in a grade above one of the specified grades and has not previously received such an observation and examination, the child must be included in the current schedule for observation and examination. Any child who is newly enrolled in the district must be examined for any medical condition for which children in a lower grade are examined.

~~[3.]~~ ***4.*** A special examination for a possible visual or auditory problem must be provided for any child who:

(a) Is enrolled in a special program;

(b) Is repeating a grade;

(c) Has failed an examination for a visual or auditory problem during the previous school year; or

(d) Shows in any other way that the child may have such a problem.

~~[4.]~~ ***5.*** The school authorities shall notify the parent or guardian of any child who is found or believed to have scoliosis, any visual or auditory problem, or any gross physical defect, and shall recommend that appropriate medical attention be secured to correct it.

~~[5.]~~ ***6.*** In any school district in which state, county or district public health services are available or conveniently obtainable, those services may be used to meet the responsibilities assigned under the provisions of this section. Amendment No. 738.

SUMMARY—Revises provisions governing the installation of automatic fire sprinkler systems in certain ~~[single-family residences.]~~ **structures.** (BDR 22-1110)

AN ACT relating to ~~[buildings;]~~ **structures;** authorizing the governing body of a county or incorporated city in this State to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in certain larger single-family residences; providing limitations on the authority of the governing body of a county or incorporated city in this State to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in certain other single-family residences; **prohibiting the governing body of a county or incorporated city in this State from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in certain structures or portions thereof used primarily for agricultural, livestock or equestrian activities;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the governing body of any county or incorporated city in this State is authorized to adopt a building code that specifies the design, soundness and materials of structures. (NRS 278.580) **Section 1** of this bill specifically authorizes such a governing body to adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new single-family residence that has an area of livable space of 5,000 square feet or more. **Section 1** provides that, on or after July 1, 2015, a governing body may adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new single-

family residence that has an area of livable space of less than 5,000 square feet only if the governing body: (1) conducts an independent cost-benefit analysis of the proposed requirement to install an automatic fire sprinkler system; and (2) makes certain findings at a public hearing. **Section 1** provides that a governing body may require the installation of an automatic fire sprinkler system in such a residence without conducting the cost-benefit analysis and making the findings otherwise required by **section 1** if, with regard to any particular single-family residence, the governing body determines at a public hearing that the unique characteristics or location of the residence would cause an unreasonable delay in firefighter response time. **Additionally, section 1 prohibits a governing body from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in a structure other than a residential dwelling unit, regardless of whether the structure is located on public or private property, if the structure: (1) is covered but not completely enclosed; (2) is used primarily for agricultural, livestock or equestrian activities; (3) has spectator seating situated around the perimeter of the structure; and (4) is otherwise in compliance with all relevant building codes concerning exits and fire alarm systems.**

Section 6 of this bill provides that: (1) with certain exceptions, the amendatory provisions of **section 1** do not prohibit the enforcement of any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body before January 1, 2015; (2) any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body before January 1, 2015, but which makes such a requirement effective upon the occurrence of an event that has not occurred before January 1, 2015, is void and unenforceable; and (3) any building code, ordinance, regulation or rule which requires the installation of an automatic fire sprinkler system that was adopted by a governing body on or after January 1, 2015, but **on or** before ~~[the effective date of this bill,]~~ **June 30, 2015,** is void and unenforceable.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 278 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A governing body may adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of 5,000 square feet or more.

2. Except as otherwise provided in subsection 3, a governing body may, on or after July 1, 2015, adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than

5,000 square feet only if, before adopting the building code or taking the action, the governing body:

(a) Conducts an independent cost-benefit analysis of the adoption of a building code or the taking of any other action by the governing body that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet; and

(b) Makes a finding at a public hearing that, based on the independent cost-benefit analysis conducted pursuant to paragraph (a), adoption of the building code or the taking of any other action by the governing body that requires the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet is to the benefit of the owners of the residential dwelling units to which the requirement would be applicable and that such benefit exceeds the costs related to the installation of automatic fire sprinkler systems in such residential dwelling units.

3. A governing body may require the installation of an automatic fire sprinkler system in a new residential dwelling unit that has an area of livable space of less than 5,000 square feet without conducting the analysis or making the findings required by subsection 2 if the governing body makes a determination at a public hearing that the unique characteristics or the location of the residential dwelling unit, when compared to residential dwelling units of comparable size or location within the jurisdiction of the governing body, would cause an unreasonable delay in firefighter response time. In making such a determination, the governing body may consider:

(a) The availability of water for use by firefighters in the area in which the residential dwelling unit is located;

(b) The availability to firefighters of access to the residential dwelling unit;

(c) The topography of the area in which the residential dwelling unit is located; and

(d) The availability of firefighting resources in the area in which the residential dwelling unit is located.

4. A governing body shall not adopt a building code or take any other action that requires the installation of an automatic fire sprinkler system in a structure other than a residential dwelling unit or any portion of such a structure, whether located on public or private property:

(a) That is covered but not completely enclosed;

(b) That is used primarily for agricultural, livestock or equestrian activities;

(c) That has spectator seating situated around the perimeter of the structure or portion thereof; and

(d) Which is otherwise in compliance with all relevant building codes concerning exits and fire alarm systems.

5. The provisions of this section do not prohibit:

(a) A local government from enforcing an agreement for the development of land which requires the installation of an automatic fire sprinkler system in any residential dwelling unit; or

(b) A person from installing an automatic fire sprinkler system in a structure described in subsection 4 or any residential dwelling unit.

~~[5.]~~ 6. As used in this section:

(a) "Automatic fire sprinkler system" has the meaning ascribed to it in NRS 202.580.

(b) "Residential dwelling unit" does not include a condominium unit, an apartment unit or a townhouse unit that shares a common wall with more than one other such unit.

2. The governing body may also fix a reasonable schedule of fees for the issuance of building permits. A schedule of fees so fixed does not apply to the State of Nevada or the Nevada System of Higher Education, except that such entities may enter into a contract with the governing body to pay such fees for the issuance of building permits, the review of plans and the inspection of construction. Except as it may agree to in such a contract, a governing body is not required to provide for the review of plans or the inspection of construction with respect to a structure of the State of Nevada or the Nevada System of Higher Education.

➥ to the extent the local climate allows for the use of such materials, technologies, resources and systems.

5. The amendments required by subsection 4 may address, without limitation:

(a) The inclusion of characteristics of land and structures that are most appropriate for the construction and use of systems using solar and wind energy.

Sec. 7. This act becomes effective upon passage and approval.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Ellison, Kirkpatrick, Sprinkle, and Wheeler.

ASSEMBLYMAN ELLISON:

The amendment prohibits the governing body of a county or incorporated city from adopting a building code or taking any other action that requires the installation of an automatic fire sprinkler system in structures used primarily for agricultural, livestock, or equestrian activities. Such buildings must be in compliance with all relevant building codes concerning exits and fire alarm systems.

ASSEMBLYWOMAN KIRKPATRICK:

This is yet another bill I worked on many times in Government Affairs. I just want to understand what it does. In section 1 of the bill, subsection 2, paragraphs (a) and (b), it says that a local government can go back and undo their current code that requires fire sprinklers. That is the way I am reading it, and I just want to be clear if this is the way it is. I know in 2009, in order to be in compliance with some ARRA [American Recovery and Reinvestment Act] dollars that the state accepted, we had to adopt codes across the state, and they had the ability to adopt fire sprinklers. I want to be sure, if a county currently has that in code—and we tried to be uniform across the state based on what folks wanted and needed for their areas—now are you saying the counties can go back and undo that and require an independent cost benefit analysis and also make a finding at a public hearing? I want to understand that piece; why are we going backward rather than going forward. We made concessions during the down time to make sure that folks could keep building. Your house can burn in eight minutes is what I understand.

I also want to understand in subsection 4. I am assuming this only applies in the rural areas of our state where they have outdoor venues for their livestock, for agriculture; barns, horse corrals, anything that is not covered would not be subject to it. I do not understand why we are putting that into statute when all of these years we have not done that and we have made a conscious effort to ensure safety for folks. If there was not a fire department somewhere within a reasonable time to protect your home, we required people to put fire sprinklers in. In North Las Vegas, that was a big deal because in eight minutes, your house is gone; that is your entire investment. I want to understand what the direction to local government is.

ASSEMBLYMAN ELLISON:

There are a lot of questions in there. I just finally got the bill up, but I think I can answer most of these. There is going to be a study on some of these units. Henderson already has a fire sprinkler system that is implemented into their county or city. They are exempt from this. Anything that is 5,000 square feet and above has to be sprinklered; anything smaller than that has be to part of the study.

The amendment that was proposed, which was for the agricultural and livestock centers, was out of Las Vegas—the County Commissioners asked for that amendment to be put in there. Most of these buildings in the rurals that you talked about are areas that could freeze or have no water pressure. They are trying to find what will work and what will not work.

Most of these small, small houses in there are going to be hit by a large insurance cost. It will be kind of like flood insurance, but it will be sprinkler insurance that has to go with every one of those new small homes. There are a lot of questions that are going to be answered in the study, and that is what we are hoping to get back to.

ASSEMBLYWOMAN KIRKPATRICK:

Five-thousand square feet—I think of my neighborhood. The average house is 1,500 square feet. In my mind it does not matter how big or small your house is. I always heard that fire sprinklers actually lowered your insurance, so I am a little confused by that. I am going to check this afternoon.

What happens while we do this study? Ironically, I have not heard from anyone in Clark County asking for waivers from this because every single entity across the state had to adopt these national codes in order to benefit from the ARRA [American Recovery and Reinvestment Act] funds they received. What happens in the process? In Clark County and in Washoe, they are not going to stop building, so what kind of code do they follow until the study gets done? There is nowhere in the cost benefit analysis that tells me the time frame by which this has to be done. There has to be a direction for the builders, there has to be a direction for code enforcement, and there has to be a direction for the building inspectors to be in compliance.

ASSEMBLYMAN ELLISON:

Not everybody throughout the state has adopted the 2012 building code. There were a lot of problems and two issues in the 2012 code. One is they put so much insulation in that they created a secondary problem. The other thing was the fire sprinkler system. Fire sprinkler systems will not work in every area. I spent quite a bit of time with the insurance companies and they said, Yes, there will be costs with sprinkler systems, mostly where children are involved. If they throw balls in the house and they hit these, it is going to flood the house. The other thing is the maintenance. Who is going to maintain these and who is going to inspect them? Those issues have never been brought up as to who is going to do that. I am hoping that if this information comes back to this body at the next session, we can determine where they are going to go and what they are doing. And nothing will burn.

ASSEMBLYWOMAN KIRKPATRICK:

Mr. Speaker, if you will just indulge me. I will work with the chairman outside of this floor session, but I am asking What is the legislative intent and the expectation for folks who are currently building new homes? If they are building a new home and if they are not under the 2012 national codes, they are under the 2009 or 2010 codes, and fire sprinklers are definitely within that. So is that the expectation—that they would stay within their current code today, do the study, and then come back and adopt something different?

I appreciate you indulging me a third time, but this is a pretty important issue when we talk about public safety. I want to understand what the building folks in my area should be expected to live by.

ASSEMBLYMAN ELLISON:

If I may, I would love to work with the Minority Leader and see if we can answer all these questions.

ASSEMBLYMAN SPRINKLE:

I also have a question for the Chairman of the Government Affairs Committee. It is back to the question my colleague just asked. I did not really feel comfortable with the answer you gave as far as the specific amendment. You said this came out of Las Vegas, but that is all you said. When I look at this language and it talks about agricultural, livestock, or equestrian activities that have spectator seating, to me that screams of public safety, and now we are trying to exempt them from having sprinkler systems. Could you maybe explain to me a little more about the conversation that went on as to why this amendment is necessary?

ASSEMBLYMAN ELLISON:

One of the things you have in agricultural centers or rodeo grounds are open facilities. They are large; they have no insulation. If there is a fire, it is going to be contained unless it is a place where there is hay. But if you try to sprinkle any place outside of Clark County—Washoe, Elko, all these other counties—there is no way you can keep these pipes from freezing and breaking. It would create more problems than what you started with. The only place that this was proposed was for Clark County, and this will go back and we will discuss it in great detail.

ASSEMBLYMAN WHEELER:

I believe the amendment in subsection 4 refers to an agricultural, livestock, or equestrian building that is covered but not enclosed. So in other words, it has no sides on it, just a roof. The idea is for areas such as rodeo arenas or open arenas, anywhere that has spectator seating where there are no walls to catch fire and most of these have metal roofs anyway.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 834.

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to expand the rights guaranteed to victims of crime by adopting a victims' bill of rights.

Legislative Counsel's Digest:

Under the Nevada Constitution, the Legislature is required to provide by law for certain rights of the victims of crimes, in particular, the right to be informed of the status of criminal proceedings concerning those crimes, the right to be present at public hearings concerning those crimes and the right to be heard at all proceedings for the sentencing or release of persons convicted of those crimes. (Nev. Const. Art. 1, § 8)

This resolution proposes to amend the Nevada Constitution to eliminate the existing provisions of Article 1, section 8, concerning victims' rights and to add a new section that sets forth an expanded list of such rights in the form of a victims' bill of rights. The new section is modeled after the victims' bill of rights set forth in the California Constitution as it was amended in 2008 by what is commonly referred to as Marsy's Law. (Cal. Const. Art. 1, § 28)

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 23, be added to Article 1 of the Nevada Constitution to read as follows:

Sec. 23. 1. Each person who is the victim of a crime is entitled to the following rights:

(a) To be treated with fairness and respect for his or her privacy and dignity, and to be free from intimidation, harassment and abuse, throughout the criminal or juvenile justice process.

(b) To be reasonably protected from the defendant and persons acting on behalf of the defendant.

(c) To have the safety of the victim and the victim's family considered as a factor in fixing the amount of bail and release conditions for the defendant.

(d) To prevent the disclosure of confidential information or records to the defendant which could be used to locate or harass the victim or the victim's family.

(e) To refuse an interview or deposition request, unless under court order , ~~[or subpoena,]~~ and to set reasonable conditions on the conduct of any such interview to which the victim consents.

(f) To reasonably confer with the prosecuting agency, upon request, regarding the case.

(g) To reasonable notice of all public proceedings, including delinquency proceedings, upon request, at which the defendant and the prosecutor are entitled to be present and of all parole or other postconviction release proceedings, and to be present at all such proceedings.

(h) To be reasonably heard, upon request , ~~[and at the discretion of the court,]~~ at any public proceeding, including any delinquency proceeding, in any court involving ~~[a postarrest release decision,]~~ release or sentencing, ~~[postconviction release decision or any proceeding in which a right of the victim is at issue.]~~ and at any parole proceeding.

(i) To the timely disposition of the case following the arrest of the defendant.

(j) To provide information to any public officer or employee conducting a presentence investigation concerning the impact of the offense on the victim and the victim's family and any sentencing recommendations before the sentencing of the defendant.

(k) To be informed, upon request, of the conviction, sentence, place and time of incarceration, or other disposition of the defendant, the scheduled release date of the defendant and the release of or the escape by the defendant from custody.

(l) To full and timely restitution.

(m) To the prompt return of legal property when no longer needed as evidence.

(n) To be informed of all postconviction proceedings, to participate and provide information to the parole authority to be considered before the parole of the offender and to be notified, upon request, of the parole or other release of the offender.

(o) To have the safety of the victim, the victim's family and the general public considered before any parole or other postjudgment release decision is made.

(p) To have all monetary payments, money and property collected from any person who has been ordered to make restitution be first applied to pay the amounts ordered as restitution to the victim.

(q) To be specifically informed of the rights enumerated in this section, and to have information concerning those rights be made available to the general public.

2. A victim has standing to assert the rights enumerated in this section in any court with jurisdiction over the case. The court shall promptly rule on a victim's request. A defendant does not have standing to assert the rights of his or her victim. This section does not alter the powers, duties or responsibilities of a prosecuting attorney. A victim does not have the status of a party in a criminal proceeding.

3. Except as otherwise provided in subsection 4, no person may maintain an action against this State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of this section or any statute enacted by the Legislature pursuant thereto. No such violation authorizes setting aside a conviction.

4. A person may maintain an action to compel a public officer or employee to carry out any duty required by this section or any statute enacted by the Legislature pursuant thereto.

5. The granting of these rights to victims must not be construed to deny or disparage other rights possessed by victims. A parole authority shall extend the right to be heard at a parole hearing to any person harmed by the offender.

6. The Legislature shall by law provide any other measure necessary or useful to secure to victims of crime the benefit of the rights set forth in this section.

7. As used in this section, "victim" means any person directly and proximately harmed by the commission of a criminal offense under any law of this State. If the victim is less than 18 years of age, incompetent, incapacitated or deceased, the term includes the legal guardian of the victim or a representative of the victim's estate, member of the victim's family or any other person who is appointed by the court to act on the victim's behalf, except that the court shall not appoint the defendant as such a person.

~~[8. This section is not intended and shall not be interpreted to infringe upon a right guaranteed to the defendant by the United States Constitution or the Nevada Constitution.]~~

And be it further

RESOLVED, That Section 8 of Article 1 of the Nevada Constitution be amended to read as follows:

Sec. 8. 1. No person shall be tried for a capital or other infamous crime (except in cases of impeachment, and in cases of the militia when in actual service and the land and naval forces in time of war, or which this State may keep, with the consent of Congress, in time of peace, and in cases of petit larceny, under the regulation of the Legislature) except on presentment or indictment of the grand jury, or upon information duly filed by a district attorney, or Attorney General of the State, and in any trial, in any court whatever, the party accused shall be allowed to appear and defend in person, and with counsel, as in civil actions. No person shall be subject to be twice put in jeopardy for the same offense; nor shall he be compelled, in any criminal case, to be a witness against himself.

2. ~~[~~The Legislature shall provide by law for the rights of victims of crime, personally or through a representative, to be:

~~(a) Informed, upon written request, of the status or disposition of a criminal proceeding at any stage of the proceeding;~~

~~(b) Present at all public hearings involving the critical stages of a criminal proceeding; and~~

~~(c) Heard at all proceedings for the sentencing or release of a convicted person after trial.~~

~~3. Except as otherwise provided in subsection 4, no person may maintain an action against the State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of any statute enacted by the Legislature pursuant to subsection 2. No such violation authorizes setting aside a conviction or sentence or continuing or postponing a criminal proceeding.~~

~~4. A person may maintain an action to compel a public officer or employee to carry out any duty required by the Legislature pursuant to subsection 2.~~

~~5.]~~ No person shall be deprived of life, liberty, or property, without due process of law.

~~[6.]~~ ***3.*** Private property shall not be taken for public use without just compensation having been first made, or secured, except in cases of war, riot, fire, or great public peril, in which case compensation shall be afterward made.

Assemblyman Stewart moved the adoption of the amendment.

Remarks by Assemblymen Stewart and Elliot Anderson.

ASSEMBLYMAN STEWART:

Amendment 834 further clarifies that the victim has a reasonable right to be heard in any public proceedings involving the defendant.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in opposition to amendment 834 to Senate Joint Resolution 17.

If I could direct the body's attention to page 4 of the amendment, lines 23 through 25, the amendment strikes out the language "This section is not intended and shall not be interpreted to infringe upon a right guaranteed to the defendant by the *United States Constitution* or the *Nevada*

Constitution." This is a bad provision which I believe, by crossing this out, makes the bill potentially unconstitutional. It would create an interpretation nightmare for our Supreme Court. I urge that this amendment be rejected.

GENERAL FILE AND THIRD READING

Senate Bill No. 419.

Bill read third time.

The following amendment was proposed by Assemblyman Oscarson:

Amendment No. 794.

AN ACT relating to persons with disabilities; creating the Nevada ABLE Savings Program as a qualified ABLE program under the federal Achieving a Better Life Experience Act of 2014; authorizing the creation of a program within the Aging and Disability Services Division of the Department of Health and Human Services to provide independent living services and assistive technology for persons with disabilities who need independent living services; revising the terms of members of the Nevada Commission on Services for Persons with Disabilities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Recently enacted federal law allows for the creation of tax-advantaged savings accounts for persons who have certain qualifying disabilities. Under the program, any person, including family members, may make a contribution to the account of a person with a qualified disability. Any interest or other growth in the value of the account and distributions taken from the account are tax free. The maximum amount that can be contributed tax free to the account of a qualified person is $14,000 per year. Distributions from the account may only be used to pay expenses related to living a life with a disability and may include such things as education, housing, transportation and employment training and support. Money in the account or distributions from the account do not affect the eligibility of a person for certain public benefits such as Social Security disability payments, Supplemental Nutrition Assistance Program benefits and Medicaid. To qualify for these benefits, the savings account into which contributions are made on behalf of a qualified person must be established and maintained by the qualified person's state of residence. If a state chooses not to establish its own program, it may contract with another state that has adopted a qualified program. (Achieving a Better Life Experience Act of 2014, 26 U.S.C. § 529A) **Sections 2-15** of this bill require the **State Treasurer, in cooperation with the** Aging and Disability Services Division of the Department of Health and Human Services, ~~[in cooperation with the State Treasurer,]~~ to establish **or otherwise ensure the establishment of** the Nevada ABLE Savings Program as a qualified program pursuant to 26 U.S.C. § 529A.

Existing law creates the Aging and Disability Services Division within the Department of Health and Human Services and requires the Division to work with persons with disabilities, persons interested in matters relating to persons with disabilities and state and local governmental agencies to develop and improve policies of this State concerning programs and services for persons with disabilities. (NRS 427A.040) **Sections 18 and 19** of this bill authorize the Division to establish a program to provide independent living services and assistive technology for a person with a disability who needs independent living services.

Existing law creates the Nevada Commission on Services for Persons with Disabilities, which consists of 11 members appointed by the Director of the Department of Health and Human Services. (NRS 427A.1211) **Sections 21 and 22** of this bill make revisions to the terms of the members of the Commission to ensure that the terms of the members of the Commission are staggered.

AN ACT relating to deceptive trade practices; ~~[revising the requirements for the impoundment of property in cases involving deceptive trade practices; authorizing the Attorney General to bring administrative actions in such~~

~~cases;~~ requiring the Commissioner of Consumer Affairs or the Director of the Department of Business and Industry to provide investigative assistance to the Attorney General with ~~such~~ cases **involving deceptive trade practices;** revising the provisions governing the revolving account for the Consumer Affairs Division of the Department of Business and Industry; revising provisions governing the service of subpoenas issued by the Division; expanding injunctive relief available against a person engaging in a deceptive trade practice; ~~requiring the Attorney General to share certain proceeds with the Division;~~ authorizing the Director to assess administrative fines; revising provisions relating to assurances of discontinuance; revising provisions relating to nondisclosure; ~~authorizing certain violations to be charged as a felony;~~ creating the Consumer Affairs Unit within the Department of Business and Industry; continuing the transfer of certain powers and duties of the Consumer Affairs Division and the Commissioner of Consumer Affairs to the Office of the Attorney General; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~Existing law authorizes certain parties to seize property in a deceptive trade practice case if the property owner is given a hearing and the seizure will not impair his or her business activities. (NRS 598.096) Section 1 of this bill revises these requirements, authorizing such a seizure if the property owner is given a hearing and the seizure is necessary to protect the public and is in the public interest. Existing law authorizes the Attorney General to bring legal proceedings against a person who is engaging in a deceptive trade practice. ASSEMBLYMAN HICKEY:

Amendment 708 to Assembly Bill 481 removes sections 1, 2, 11, and 13 and reinstates certain provisions proposed to be deleted in sections 8 and 9. It requires administrative fines received by the Director to be deposited in the State General Fund rather than the revolving account and any grant funds received be deposited in the account.

Senate Bill 36 provides an exemption to state business licensing requirements such that an out of-state business that provides vehicles or equipment to assist with a wildfire, flood, earthquake, or other emergency on a short-term basis need not hold a state business license and may legally pay an employee who provides services according to the provisions of the bill.

This bill is effective upon passage and approval.

ASSEMBLYMAN GARDNER:

Senate Bill 38 requires persons who manufacture, sell, or distribute gaming associated equipment to be registered with the Nevada Gaming Commission and requires the Commission to develop appropriate regulations for such registration. The Commission is also directed to adopt regulations governing the registration of certain club venue employees and related matters.

Additionally, the bill broadens the range of charitable and professional organizations that are authorized to conduct charitable lotteries in the state and allows for the conduct of multicounty charitable events subject to regulatory approval.

Finally, Senate Bill 38 revises several definitions related to manufacturers of gaming-associated equipment and repeals obsolete provisions concerning the granting of certain gaming licenses.

This bill is effective upon passage and approval for the purpose of adopting regulations and performing other preparatory administrative tasks, and on July 1, 2015, for all other purposes.

ASSEMBLYWOMAN CARLTON:

My one concern with Senate Bill 38 was under section 1.7 as far as requiring a club venue employee to register with the board in the same manner as a gaming employee. I am very happy to see that language; it is something I brought up years ago. When the day clubs started, even though they were subcontracted out, the employees did not have to go through the same criteria that other gaming employees would have to go through, so I am glad to see and hope that this means they will be fingerprinted, background checked, and will have sheriff's cards in the future to secure the safety and security of our gaming establishments.

ASSEMBLYMAN FLORES:

Senate Bill 70 provides that for the purpose of complying with certain requirements relevant to the Open Meeting Law, a working day is every day of the week except Saturday, Sunday, and legal holidays prescribed in existing law, even if an agency has a four-day workweek. The bill compiles a list of certain meetings, hearings, or other proceedings not subject to the general provisions of the Open Meeting Law. A public body must certify in writing, including certain prescribed information, its compliance with the requirements for minimum public notice for each of its meetings.

Specific legal authority is required for a public body to designate a person to attend a meeting of the public body in the place of another member. The minutes of a public meeting must be approved not later than 45 days after the meeting or at the next meeting of the public body, whichever occurs later. The name of a person who may be the subject of any type of administrative action by a public body, including administrative actions that are not adverse to a person such as the appointment of the person to a position, must be included on its agenda.

Senate Bill 70 authorizes the filing of a complaint alleging a violation of the Open Meeting Law with the Office of the Attorney General. Such a complaint is a public record but makes any other information obtained by the Attorney General during an investigation of a violation of the Open Meeting Law confidential until the investigation is closed, unless the information is obtainable from another source.

ASSEMBLYWOMAN FIORE:

Senate Bill 231 revises various provisions governing workers' compensation. It provides that a health care provider may dispense only an initial 15-day supply of a schedule II or schedule III controlled substance to an injured employee. Any additional doses that are prescribed must be provided by a registered pharmacy. A health care provider must include the original manufacturer's National Drug Code for the drug on all bills and reports submitted to the insurer. The measure requires an insurer to pay or deny a health care provider's bill for accident benefits within 45 days of receipt.

In addition, Senate Bill 231 removes the rebuttable presumption provisions concerning a workplace injury that occurs while an employee is under the influence of alcohol or drugs and replaces those provisions with a requirement that the employee not receive compensation unless he or she can prove by clear and convincing evidence that being intoxicated or under the influence of a controlled or prohibited substance was not the proximate cause of the injury.

Finally, the results of any alcohol or drug test performed as a result of an injury must be made available to an insurer or employer upon request.

This bill is effective upon passage and approval for the purposes of adopting any regulations or performing any preparatory administrative tasks and on January 1, 2016, for all other purposes.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Senate Bill 232 provides a right to reimbursement in situations in which an insurer, managed care organization, third-party administrator, or employer appeals an order of a hearing officer, appeals officer, or district court and the order is not stayed pending the appeal. In such a situation, if the appeal is successful, the insurer, managed care organization, third party administrator, or employer is entitled to seek reimbursement from the injured employee's health or casualty insurer for payments made while the appeal was pending.

The bill also revises provisions concerning the reopening of a claim such that an employee has one year to file an application to reopen a claim if the employee was not incapacitated from earning full wages for at least 5 consecutive days or 5 cumulative days within a 20-day period. Further, the measure provides that an employee who has sustained more than one permanent partial disability may not receive compensation for any portion of the injury that is based on a combined permanent partial disability rating for all the employee's injuries that exceeds 100 percent.

This bill is effective upon passage and approval for the purposes of adopting any regulations or performing any preparatory administrative tasks and on January 1, 2016, for all other purposes.

REMARKS FROM THE FLOOR

Remarks by Assemblywoman Kirkpatrick.

ASSEMBLYWOMAN KIRKPATRICK:

I would like the record on Senate Bill 232 to be clear. Some statements were made in the committee, and they were not incorporated into the floor statement because I don't believe the bill was ever justified. I would like the record to refer to the statements that were made in committee on behalf of this bill. The person who proposed the bill said it did not affect or it was not the intent on what the time frame was that you had to be off. I want to be very sure that if there is ever a challenge to it legally, there is a great record in the committee. I would hope that this would be put in the journal because I feel that the floor statement did not address it. To me that is not okay because I might have changed my vote.

Without objection, Mr. Speaker directed that the following excerpt from the minutes of the May 6, 2015, meeting of the Assembly Committee on Commerce and Labor be entered into the day's journal.

DONALD JAYNE, REPRESENTING NEVADA SELF-INSURERS ASSOCIATION:

Senate Bill 232 (1st Reprint) has three key sections. Section 1 of the bill addresses *Nevada Revised Statutes* (NRS) 616C.138, and according to the Legislative Counsel's Digest, "provides a reciprocal right to reimbursement in situations in which an insurer, organization for managed care, third-party administrator or employer appeals an order of a hearing officer, appeals officer or district court and the order is not stayed pending the appeal. In such situations, if the appeal is

successful, the insurer, organization for managed care, third-party administrator or employer is entitled to seek reimbursement."

In a prior session, health insurers came forward and said if they denied a claim as a workers' compensation insurer and ultimately began to pay under a health policy, and it was later determined through a hearing, an appeal, or a district court that it was, in fact, a workers' compensation claim, they could be reimbursed for those expenses. We are seeking the same reciprocal arrangement in reverse.

Let us say we initially deny a claim, we do not think it is workers' compensation, and we are ordered to pick up the claim. We pick it up and are not able to get a stay, so we begin to pay the bills and treat on the claim. If we are later successful on that appeal and it is determined not to be a workers' compensation claim, then we do not think the workers' compensation insurer should bear the burden of those expenses. We should have the same ability to go to the health insurer and request reimbursement for those expenses. That is what section 1 does.

During the hearing in the Senate, concerns were expressed by Rusty McAllister, president of the Professional Fire Fighters of Nevada, and Ryan Beaman, president of Clark County Firefighters Local 1908. We worked with them extensively to try to find a way to protect their health fund because of the uniqueness of the claims in NRS Chapter 617. They can be incredibly large and have different types of treatment plans. I sent an email to the Chairman of the Senate Committee on Commerce, Labor and Energy and told him that we probably would not be successful in getting an amendment agreed to, but surprisingly enough, we were able to pick up an amendment that is incorporated into the first reprint of the bill. It satisfied their concerns and kind of put a firewall between those sections in NRS Chapter 617.

Section 2 of the bill addresses language regarding the reopening of claims in the workers' compensation law in NRS 616C.390. In subsection 5, there is a portion that refers to an injured worker being off work. Over time, that definition has begun to cause problems for us as well. Jason Mills was testifying earlier on a different bill and mentioned how case law begins to pile up. We have begun to see losses on what "off work" is when somebody was off work for an hour or half a day. We felt that the original legislative intent of this would be someone who was off work for a more extensive period of time to be in the reopening sections. In this section, we are looking to point to existing law in NRS 616C.400 to give some clarification as to what off work would mean. This section essentially talks about being off work for 5 consecutive days, or 5 days out of 20, and is a trigger used for the temporary total disability (TTD) benefits. Our initial version of this bill did not reference NRS 616C.400 until we worked with the Nevada Justice Association (NJA) to try to clarify what we were intending to do. That is where we incorporated a specific reference to NRS 616C.400.

Section 3 of the bill addresses the current limitation on the amounts of a permanent partial disability (PPD). Currently, you cannot take more than 25 percent of your PPD in a lump sum, the balance of which is paid in installments, and those installments can be paid until the individual is age 70. With the recent developments in bringing in the fifth edition of the *Guides to the Evaluation of Permanent Impairment* and addressing activities of daily living, we are finding more and more claims coming in with PPDs that exceed 25 percent. There are some situations where you could have a 25-year-old injured worker who wanted a lump sum for his claim; we would give him the 25 percent, and he would have 1 or 2 percentage points left over, and we would be sending him a small check every year until he was 70 years old. We think the change is appropriate because this section has not been updated in more years than I could find. I could not find where we put 25 percent in, and I only go back to 1991 with my work in workers' compensation in Nevada.

In section 3, our recommendation is to move that up to 30 percent. By choice, if an injured worker wants a lump sum, he can take up to 30 percent with the language we are proposing here, and the balance and installments. Recognizing that the PPD awards have escalated over time, we feel it appropriate to move that percentage up a bit. Do not forget that this is a voluntary move. With a PPD, the injured worker, if he chooses to, could take installments. This was a limitation placed in the law to prevent the situation where an injured worker, without intent of finding himself in duress because he was behind in his bills and had other issues going on, would take a lump sum and then would not have any additional money. I believe that is why the 25 percent was originally

put in. I was not here for that, but we are looking to raise that in recognition of the increase in the PPD awards that is occurring.

The other part of that section also clarifies that the person, over time, cannot receive more than 100 percent of the whole body, or what we call a "whole man." When you look at the body, it is a 100 percent body; if you get a PPD that is 20 percent, that is 20 percent of the whole body. Unfortunately we sometimes have individuals with multiple claims, and we are looking to clarify that you cannot get more than 100 percent of what your whole man is. The American Medical Association's *Guides to the Evaluation of Permanent Impairment* gives us direction on how to calculate that just in case somebody had a PPD that was on a second, third, or fourth version. There are methods in there on how to calculate and adjust those. We believe it is appropriate to point out that 100 percent of the whole man is the limitation.

CHAIRMAN KIRNER:
Are there any questions?

ASSEMBLYMAN ELLISON:
Let us say an injured worker gets a PPD of 30 percent and takes a lump sum. Can he reopen that claim ten years down the road?

DON JAYNE:
This section does not really impact that, if I understand your question. I was talking about reopening in a different section. Section 3 does not apply to reopening. Under section 3, when it is time to get your PPD award, when you get your lump sum, the lump sum could go from 25 percent to 30 percent. All the other limitations would still exist.

ASSEMBLYWOMAN CARLTON:
I have some concerns with the limits. This will impact the injured worker because if he hits 110 percent or 155 percent, statutorily, we are going to be taking a benefit away from him. I have some problems with that. I know it does not happen often and it is probably someone who was injured over his career, but there could be a construction worker who gets injured when he was younger, middle-aged, and older, and if he subsequently injures himself again, by the time you add all of this together, we will be taking a benefit away. I do not think it is something we should take lightly and gloss over. How many people do we have who are over 100 percent? Do we know?

DON JAYNE:
We have addressed these issues and discussed them over time. I do not have a number of how many are over 100 percent. What may be helpful is if I could bring to you the way that is calculated and we could start a conversation. It is my understanding—and I am not an expert on how to do a PPD rating—that there are guidelines and directions within the rating guides. If possible, I would like to show those to you individually. If there are problems from there, we can take a look at the language.

ASSEMBLYWOMAN CARLTON:
If we do not talk about it in the Committee, there is no record of it. Meetings in our offices are great, but getting answers in the Committee is the way we build an actual record. I want to make sure that everyone understands this proposal takes away money from injured workers.

ASSEMBLYWOMAN KIRKPATRICK:
In section 1, subsection 4, starting at line 36, does this in any way help expedite the process? I had a firefighter in my district who was waiting for his workers' compensation claim to go through. Unfortunately, he passed away before that came to fruition. If we are going to solve one problem, we should look at how we get people in and through the system. As far as the payment and the appeal process, is it expedited at all? It is kind of like social security; they deny you first and make you go back and reprove everything. I am wondering if this speeds up the time frame.

DON JAYNE:
Unfortunately, I do not believe the intent in bringing this bill was to try to speed up the process. It may not speed up the process. The very nature of what we are bringing here would say that, for

whatever reason, the insurer had denied the claim. That could be in the presumptive benefits or somewhere else, but it is across the board. If the insurer is of the mindset that it is not a workers' compensation claim and they want to deny it, this process begins. The workers' compensation insurer is then ordered to pick up the claim and starts paying it.

We do not want anybody out-of-pocket for that money, so the workers' compensation company will begin to pay it. However long it takes for that process to complete and come to resolution in the adjudication of the claim—a determination of whether it is a compensable claim—these provisions would come in once that is over. If the workers' compensation company was correct, if it was ultimately determined it was not a workers' compensation claim and should have been paid by health insurance or some other form, and if the workers' compensation company had bills, then it would have a right to seek reimbursement from the health insurer.

ASSEMBLYWOMAN KIRKPATRICK:

I wish we could fix the process so that it could go much quicker. Do you foresee a situation in the appeal process where a worker could get stuck with a large medical bill that somebody said was not workers' compensation, but it was regular, and now they are in a catch-22? My concern is that I do not want people to assume that the bill is being paid, and then it comes back through an appeal process where it shows it was never workers' compensation. Now they have someone putting a lien on their home or something similar. Is there a time frame? I do not see any numbers as to what we think the time frame should be so it does not get so far out there that it is hard to come back.

DON JAYNE:

The intent of this proposed legislation would be to recover, but to recover from the insurer, not the individual. It is not our intent to go after the individual. It would be our intent to be reimbursed by the health insurer with these provisions. If it is not clear in the bill, I would like to be clear on the record. We are not looking to go after the injured worker. In this case, if the person had been deemed not an injured worker, it would not be our intent to go after the individual that might be disadvantaged by payments that we were making. We want to regress against other insurers.

ASSEMBLYWOMAN KIRKPATRICK:

Mr. Jayne, I was pretty hard on you in regard to the first workers' compensation bill you brought before this Committee, so I want to applaud you for going back to the way we have done things in the past, because they are complicated issues. I appreciate that people have been working to try to address the concerns.

ASSEMBLYMAN OHRENSCHALL:

The language in section 2, subsection 5, states, "An application to reopen a claim must be made in writing within 1 year after the date on which the claim was closed if: (a) The claimant . . . ." You are striking the language "was not off work" and adding "did not meet the minimum duration of incapacity as set forth in NRS 616C.400," which says 5 days in a 20-day period. Can you explain this section? My other question has to do with the lump sum payments going from 25 percent to 30 percent in section 3.

DON JAYNE:

I will need clarification on your question in regard to section 3. Addressing your first question, it was my intent to try to explain that the original language, "was not off work," has been in the statutes for quite some time. It has become difficult to understand what that means. We are beginning to find that in court cases, if somebody was off work for any amount of time, they were technically off work. We do not believe that is the intent. In fact, we would like to recommend that we help define that in some fashion. The best language we had—and we ultimately worked with the NJA on this—was to point to existing statutory language to try to clarify it. We are trying to get clarification that the reopening is intended for claims where the person had met the criteria, received TTD payments or other payments, PPD payments, and qualifies for the reopening.

ASSEMBLYMAN OHRENSCHALL:

What is the rationale for going from 25 percent to 30 percent on the lump sum payments?

DON JAYNE:
The 25 percent provision has been in statute for many years, longer than I can personally remember. We are finding, with the evolution, changes, and additional guides coming in, that many injuries—particularly back injuries, knee injuries, shoulder injuries, and neck injuries—are resulting in awards that exceed 25 percent. We are looking to provide the injured worker with an opportunity if he wants a lump sum. For example, for a 28 percent PPD award, rather than giving the injured worker a 25 percent lump sum and saying the marginal difference of 3 percent is going to be paid out in installments for the rest of your life or until you are age 70, we are allowing him to take a lump sum of up to 30 percent, if he chooses, and the difference beyond that in installments. We are looking to increase that lump sum amount from 25 percent to 30 percent to capture the larger number of awards that are falling into that range.

ASSEMBLYMAN NELSON:
If I am reading the bill correctly, though, that only applies to injuries that were sustained prior to July 1, 1995. Am I reading that wrong, in section 3, subsection 1, paragraph (c)?

DON JAYNE:
Mr. Ostrovsky says that it did not exist before that. My general recall is that over time, as legislatures met and made changes to the provisions, these were scaled in there to recognize some of those changes.

ASSEMBLYMAN NELSON:
What if somebody is injured after 1995? Do you still want the hike up to 30 percent? I do not see that in the bill.

DON JAYNE:
Yes.

BOB OSTROVSKY:
It is just the reverse. I think people prior to the enactment of the 25 percent did not have the option of taking a lump sum. They always received installment payments. I was around when we bargained the 25 percent, Danny Thompson of the AFL-CIO and I. It was a number we picked out of the air at the time, but the concern of organized labor was that an injured worker, let us say a roofer, got a choice of a lump sum or payments. Too many people could take lump sums and a year later go back on the same roof after the doctor said he should not be a roofer anymore. It was an incentive to put some money in the hands of the injured worker, but to make some protections that that same injured worker did not end up on Medicaid or having to get some other public assistance; that is not the purpose of workers' compensation. I will admit the date in there is confusing.

CHAIRMAN KIRNER:
I will invite those in support of the bill to the table.

JASON MILLS, REPRESENTING NEVADA JUSTICE ASSOCIATION:
We are here in support of S.B. 232 (R1) and would like to thank Mr. Jayne for working on this bill, as well as Senator Settelmeyer. I wanted to point out a couple of issues that I think I heard, and I could probably help clarify them from a legal standpoint. In regard to Assemblywoman Kirkpatrick's question on the speed of the benefits being provided, I do not think it will impact that. In section 1, currently what happens is, if the claim is denied and then they lose at a hearing or appeal or at the district court, they often request a motion for stay. That is, even though they have lost and the claimant has won, the insurer or self-insured employer will ask for a stay. Those are regularly granted because the insurer or the self-insured employer indicates that they have no ability to recapture the money if they ultimately are successful and it is proven that it is not a compensable claim.

The reason we are in support of section 1 is we think it will help the claimants, because when they bring the stay motion, they now have the ability to subrogate against a health insurer. Regarding the past argument, when they say they were right but cannot recapture their money, we get to point out, Yes, you do because the person has health benefits, so go ahead and provide those

benefits in the meantime. We think the ability for the claimant to get medical benefits and have their stays more often denied with regard to medical benefits will inure to the benefit of the claimant and still protect the insurers and the employers if there is health coverage that they can then turn around and subrogate against. The way I read it, this particular language does not allow them to go after the individual claimant, only against those health and casualty insurers.

Our original concern with regard to section 2 was that they wanted the reopening of a claim tied to whether or not the claimant had received short-term disability benefits. Our concern was that it should not be based upon the reception of those benefits, because you could have bad actors basically not provide the benefits to which the injured worker is entitled for a period of days, weeks, or months. Then the injured worker seeks to reopen the claim, and they are a year past that, and they would have been entitled to months of TTD, but since they did not receive it, they would be able to deny it. We proffered this particular language because we think it was in response to the Nevada Supreme Court case *Williams v. United Parcel Services*, 129 Nev. Adv. Op. No. 41 (2013), where their concern was that a person was off work only half of his shift, and he was able to reopen the claim for greater than a year.

They wanted to mimic the entitlement statute of short-term disability pay of the 5 days in 20 days or 5 consecutive days, so we proffered why not be off work for the minimum duration of incapacity as defined by NRS 616C.400. They were not comfortable with using the language "off work." I think the *Williams* case spooked them, to be frank. It seemed to make most sense that as long as we mirror that duration of incapacity under NRS 616C.400, it waylaid their concerns, but still protects injured workers from reopening the claim within the one year, and then allows them to reopen for life beyond that.

There was a question that Assemblyman Nelson brought forth with regard to section 3 on the 30 percent applying to injuries sustained prior to 1995. You will note that section 3, subsection 1, paragraph (d) gives the DIR Administrator the power to set the lump sum. I have been practicing workers' compensation for 15 years, and it has been my experience that the DIR usually mimics whatever the statute is for the lump sum cap. It is our understanding that the DIR would then see these changes and implement a 30 percent lump sum by regulation. Technically, this would not compel them to do it, but is has been their practice to basically look at the statute and mirror the percentage cap in regulation.

TERRY GRAVES, REPRESENTING NEVADA TRUCKING ASSOCIATION:
We are in support of this bill and would like to thank those who put the bill together.

JUSTIN HARRISON, DIRECTOR, GOVERNMENT AFFAIRS, LAS VEGAS METRO CHAMBER OF COMMERCE:
I would like to echo the comments of Mr. Jayne and Mr. Ostrovsky. We are in support of S.B. 232 (R1) and the proposed changes to NRS Chapter 616.

BRYAN WACHTER, SENIOR VICE PRESIDENT, RETAIL ASSOCIATION OF NEVADA:
We, too, support this bill.

CHAIRMAN KIRNER:
Are there any other questions? [There were none.] Is there anyone in opposition to this bill?

RUSTY MCALLISTER, PRESIDENT, PROFESSIONAL FIRE FIGHTERS OF NEVADA:
I am in opposition to section 2, subsection 5, located on page 6, lines 19 through 21, of the bill. We believe that this adds another hurdle for an employee to reopen a claim. Many times the insurers reference NRS 616C.400, which states that to be considered for a partial disability, you have to have been off work for either 5 consecutive days or 5 days in a 20-day period. We believe that provision was set up in law a long time ago for a person who works an eight-hour day. For a person who does not work an 8-hour day, but works 24-hour shifts and injures his knee and gets sent home, now he is off for his cycle, which is three 24-hour shifts. All told, that is a two-week period—the days off that he has prior to his cycle, his cycle, and the days off he has afterward. He may be able to come back to work and only miss 3 days of work, but he has been off for 13 days. If he does not have any type of settlement, which he would not, the question would be, Would he not be able to reopen his claim down the road if the condition worsened?

We had a conversation with Mr. Jayne earlier, and he is aware of my concerns. The gentleman who was with him confirmed that this person in the example would not be able to reopen his claim if it got worse, based on the provisions of this the way it is. We currently have insurers in this state that are denying claims for heart and lung benefits, under NRS Chapter 617, by referring to the provisions under NRS 616C.400. If you are not off work for a total of five days, they deny your claim in heart, lung, and cancer claims, saying that you are not disabled because you were not off work for five days. If a worker has an atrial fibrillation and he goes to the doctor on his days off, gets treated, gets medication, and returns to work, they say he has no disability and he has not been off work for five days, so therefore, we are denying his claim. This would make it so that person could not reopen the claim. They would not accept it in the first place, but even if they did accept it, he could not reopen it later.

We certainly have concerns, especially because of the number of claims that are being denied under NRS Chapter 617 using a provision in the law that is not in NRS Chapter 617. *Nevada Revised Statutes* Chapter 617 says, "Notwithstanding any other provision of this chapter," yet they are using NRS 616C.400 to deny our claims. When we saw that, it certainly raised bells and whistles for us. We had concerns that this might be an attempt by insurers to find another means by which to deny our claims.

TIM ROSS, PRESIDENT, WASHOE COUNTY SHERIFF DEPUTIES ASSOCIATION, AND REPRESENTING PEACE OFFICERS RESEARCH ASSOCIATION OF NEVADA:

I wanted to echo the sentiments of Mr. McAllister and add the alternative shift. We also work the alternative shifts and wanted to take a look at that.

ASSEMBLYMAN O'NEILL:

Mr. McAllister, what is your proposed fix?

RUSTY MCALLISTER:

I do not know the proposed fix. I believe that Mr. Jayne's intent is not to inflict upon NRS Chapter 617. As far as someone who gets hurt and is off for three shifts, but it equates to two weeks and then they lose their claim, I do not know how you can fix that. The NJA agreed to this, but I do not know whether they thought about people like us who do not work an eight-hour shift.

CHAIRMAN KIRNER:

Is there anyone who is neutral? [There was no one.] Mr. Jayne, do you have a response for Mr. McAllister?

DON JAYNE:

I think Mr. McAllister fairly represented our conversation. We are in a reopening section and looking to clarify the off-work portion of the bill. There is already a claim when you are in the reopening section, so it is not a claim compensability issue. I appreciate how complex and confusing the sections of NRS Chapter 617 can be in regard to the presumptive benefits. If individuals are using this loophole or this option to deny claims, that is certainly not our intent. We do not want this used to deny claims. We are trying to find a way to clarify what the definition for "off work" is. We felt we had a statutory definition we could point to, but Mr. McAllister sees this definition as a problem because it is being used in some circumstances to deny a claim. It is not our intent to put this in here for claims denial or anything of that nature.

I appreciate what Assemblywoman Kirkpatrick said about trying to hammer this out. We will continue to try to get this done. It has always been our intent to try to work with the opposition. When opposition came forward on this bill, we tried to work with them. Unfortunately, we created another concern when we pointed to NRS 616C.400.

CHAIRMAN KIRNER:

We will close the hearing on S.B. 232 (R1). I appreciate all those who testified today and everyone's hard work. Is there any public comment? [There was none.]

GENERAL FILE AND THIRD READING

Senate Bill No. 242.

Bill read third time.

Remarks by Assemblywoman Kirkpatrick.

ASSEMBLYWOMAN KIRKPATRICK:

Senate Bill 242 enacts the Payday Lender Best Practices Act, which adopts certain provisions of the Community Financial Services Association of America's Best Practices for the Payday Loan Industry. The provisions of this bill apply to a licensee operating a deferred deposit loan service, a high-interest loan service, or a title loan service.

I have seen many payday loan bills come before our body in my time, but this is the first one I am actually going to vote for. We do want to have consistent best practices as other states have, and I think this will be beneficial to the folks in our state who use this type of financial service. I urge your support.

Roll call on Senate Bill No. 242:

YEAS—42.

Assemblywoman Titus moved that the Assembly adopt the report of the Conference Committee concerning Assembly Bill No. 78.

Remarks by Assemblywoman Titus.

ASSEMBLYWOMAN TITUS:

The Conference Committee Report with Amendment 1 does several things. It concurs in two Senate amendments, 261 and 583. The conference amendment also requires the Department of Wildlife to consider the recommendations of the Wildlife Commission and the Predatory Animal and Rodent Committee before adopting programs for managing and controlling predators. It also makes a minor change to the time frame used to calculate the percentage of money to be spent on the predator control. For the new members of the Predatory Animal and Rodent Committee appointed to represent hunters and sports people, it only excludes persons with a wildlife violation in the past year rather than the past five years.

Motion carried by a constitutional majority.

The following Senate amendment was read:

Amendment No. 679.

AN ACT relating to special license plates; authorizing the Commission on Special License Plates to request the Legislative Commission to direct the Legislative Auditor to perform an audit of certain charitable organizations which receive additional fees collected by the Department of Motor Vehicles for special license plates; revising provisions regarding the application submitted to the Department by certain persons seeking a special license plate intended to generate financial support for an organization; revising provisions requiring certain charitable organizations which receive additional fees paid for special license plates to provide certain documents and records annually to the Commission on Special License Plates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain persons may apply to the Department of Motor Vehicles for the design, preparation and issuance of a special license plate that is intended to generate financial support for a charitable organization. The application must include certain information about the person requesting the special license plate, the charitable organization, if different from the person requesting the special license plate, and information about the intended use of the financial support. (NRS 482.367002) **Section 6** of this bill requires that such an application also include a budget prepared by or for the charitable organization if the charitable organization is not a governmental entity whose

budget is included in the executive budget. **Section 6** also requires the Department to notify the Commission on Special License Plates (hereinafter referred to as "the Commission") and the charitable organization upon making a determination to issue the special license plate.

Existing law requires each charitable organization, not including a governmental entity whose budget is included in the executive budget, that receives fees from the sale of special license plates to prepare and submit annually to the Commission a balance sheet and a recent bank statement. (NRS 482.38277) The Commission is required to provide those documents to the Legislative Auditor, who is required to prepare a final written report for the Commission regarding the propriety of the financial administration and recordkeeping of the charitable organization. (NRS 482.38278) **Section 2** of this bill authorizes the Commission to request the Legislative Commission to direct the Legislative Auditor to perform an audit of any charitable organization that receives fees from the sale of special license plates if the Commission has reasonable cause to believe or has received a credible complaint that the charitable organization has: (1) filed with the Commission or the Department forms or records that are inadequate or inaccurate; (2) committed improper practices of financial administration; or (3) failed to use adequate methods and procedures to ensure that all money received in the form of additional fees from special license plates is expended solely for the benefit of the intended recipient. The Commission may also request the Legislative Commission to direct the Legislative Auditor to perform such an audit if the Commission determines that an investigation and audit are reasonably necessary to assist the Commission in administering any provision of existing law which the Commission is authorized to administer.

Existing law also requires each charitable organization, not including a governmental entity whose budget is included in the executive budget, that receives fees from the sale of special license plates to prepare and submit annually to the Commission updated information regarding the telephone number and mailing address of the charitable organization and the names of persons who are responsible for overseeing the operation of the charitable organization. (NRS 482.38277) **Section 8** of this bill further requires that the charitable organization provide the Commission annually with a report on the budget of the organization which provides details about how the fees received from the special license plates have been expended and a copy of the most recent federal tax return of the organization, if any, including all schedules related thereto. **Section 8** also requires the charitable organization: (1) to post annually on its Internet website the most recent federal tax return of the charitable organization, if any, including all schedules related thereto; or (2) if the charitable organization does not have an Internet website, to publish annually the most recent federal tax return of the charitable organization, if any, including all schedules related thereto, in a newspaper of general circulation in the county where the charitable organization is based.

Existing law authorizes the Commission to recommend that the Department take adverse action against a charitable organization that receives fees from the sale of special license plates if the Commission makes certain determinations about the organization, and after the organization has had an opportunity for a hearing on those determinations. The adverse action recommended may include the suspension of the collection of all additional fees collected on behalf of the charitable organization and the suspension of production of the special license plates from which the charitable organization receives additional fees, if the Department is still producing that design. (NRS 482.38279) **Section 10** of this bill adds to the criteria on which the Commission may base such a determination the results of an audit prepared by the Legislative Auditor pursuant to **section 2**.

Section 4 of this bill provides that ~~[all]~~ **certain** records ~~[related to the receipt or use of money]~~ **submitted to the Commission by a charitable organization that receives fees** from the sale of special license plates are public records and are available for public inspection. **Existing law provides that any personally identifiable information contained in such public records is confidential. (Chapter 239 of NRS, NRS 239B.030)**

Amendment No. 718.

SUMMARY— ~~[Revises provisions]~~ **Makes various changes** relating to ~~[notaries public and document preparation services.]~~ **public affairs.** (BDR 19-445)

AN ACT relating to public affairs; making various changes relating to the regulation of notaries public; authorizing the Secretary of State to conduct certain examinations of the records of a document preparation service; **revising provisions relating to the authentication by the Secretary of State of certain information contained on notarized documents;** revising the definition of "document preparation service" to exclude certain nonprofit organizations ~~[, commercial resident agents]~~ and collection agencies; making various changes relating to the regulation of document preparation services; **authorizing the Secretary of State to adopt regulations prescribing procedures to prevent the filing of certain documents in his or her office; providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prohibits persons with certain criminal convictions from becoming notaries public and provides for the revocation of the appointment of notaries public who are convicted of certain crimes. (NRS 240.010, 240.150) **Sections 1 and 6** of this bill clarify that those convictions include a conviction that follows a plea of nolo contendere or no contest. **Section 1** also prohibits the Secretary of State from appointing as a notary public a person whose previous appointment as a notary public in this State or another state has been revoked for cause.

Existing law prohibits a person who has not been appointed as a notary public from representing himself or herself as a notary public. (NRS 240.010) **Section 1** expands this prohibition to include those persons whose appointment has expired or been suspended or revoked, and provides a civil penalty for such a violation.

Existing law requires that applicants for appointment as notaries public complete 4 hours of instruction relating to the functions and duties of notaries public. (NRS 240.018) **Section 3** of this bill shortens the course to 3 hours and

requires an examination. **Section 3** also requires a person renewing his or her appointment as a notary public to retake the course, and allows the Secretary of State to require a notary public who has violated any provision of chapter 240 of NRS to retake the course. Additionally, **section 3** authorizes the Secretary of State to use an outside vendor to administer the course and examination. **Section 6.5** of this bill makes similar conforming changes to the course and examination requirements for an electronic notary public.

Existing law requires the Secretary of State to issue, upon request and the payment of certain fees, an authentication to verify that: (1) the signature of a notarial officer on a document is valid; and (2) the notarial officer holds the office indicated on the document. (NRS 240.1657) Section 6.3 of this bill requires a request for authentication to include a statement signed under penalty of perjury that the document will not be used to: (1) harass a person; or (2) accomplish any fraudulent, criminal or other unlawful purpose. Section 6.3 also prohibits bringing a civil action against the Secretary of State on the basis that: (1) the Secretary of State has issued an authentication; and (2) the document has been used to harass a person or accomplish any fraudulent, criminal or other unlawful purpose. Additionally, section 6.3 provides that a person who uses a document for which an authentication has been issued for such unlawful purposes is guilty of a category C felony.

Existing law prohibits certain actions by notaries public. (NRS 240.075) **Section 4** of this bill prohibits a notary public from affixing his or her stamp to any document which does not contain a notarial certificate.

Existing law prohibits the use of the Spanish term "notario" or "notario publico" in any signage or advertisement by a notary public who is not also an attorney licensed to practice law in this State. (NRS 240.085) **Section 5** of this bill extends this prohibition to the employers of notaries public, and requires the imposition of a civil penalty for violating such a prohibition.

Existing law requires that a person who wishes to register **as** a documentation preparation service must be a citizen or legal resident of the United States. (NRS 240A.100) **Section 9** of this bill allows a person who holds employment authorization from the United States Citizenship and Immigration Services to register **as** a documentation preparation service. **Section 9** also provides that an application for registration that is not completed within 6 months must be denied. Finally, **section 9** prohibits the Secretary of State from registering as a document preparation service any person whose previous registration as a document preparation service in this State or another state has been revoked for cause.

Existing law exempts certain persons from registering as a documentation preparation service. (NRS 240A.030) **Section 8** of this bill clarifies which nonprofit organizations ~~[and commercial registered agents]~~ are not required to register and adds collection agencies to the list of such persons.

Existing law requires that a document prepared by a documentation preparation service must include the name, address, phone number and

registration number of the document preparation service. (NRS 240A.200) **Section 11** of this bill deletes this requirement but requires a document preparation service to provide this information on any document on which the information is requested.

Section 7 of this bill specifically authorizes the Secretary of State to inspect the documents required to be maintained by document preparation services to ensure compliance with the law.

Existing law authorizes the Secretary of State to adopt regulations prescribing procedures to prevent the filing of false or forged documents in his or her office. (NRS 225.083) Section 11.5 of this bill authorizes the Secretary of State also to adopt regulations prescribing procedures to prevent the filing of documents in his or her office that: (1) are fraudulent; (2) contain a false statement of material fact; or (3) are filed for the purpose of harassing or defrauding a person.

Amendment No. 664.

Legislative Counsel's Digest:

Existing law defines the term "family resource center" as a facility within an at-risk community where families may obtain: (1) an assessment of their eligibility for social services; (2) social services; and (3) referrals to obtain social services from other service agencies or organizations. Before a family resource center may obtain a grant from the Director, existing law requires the family resource center to create an action plan which must be approved by the Director. Such an action plan must be developed with input from members of the family resource center council, an organization of community members who assist and advise the family resource center. (NRS 430A.045, 430A.120, 430A.140) **Sections 3 and 4** of this bill require the family resource center also to develop the plan with input from local and state elected officials who represent the geographic area in which the family resource center is located when creating the action plan.

Existing law requires a case manager to develop a plan with each family that seeks services from a family resource center and requires that the plan specify the responsibilities the family members must fulfill to remain eligible for services. SECOND READING AND AMENDMENT

Senate Bill No. 7.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 837.

SUMMARY—Revises provisions governing the admission of persons with certain mental conditions to and the release of such persons from certain facilities. ~~[and programs.]~~ (BDR 39-64)

AN ACT relating to mental health; ~~[expanding the list of persons authorized to file an application for the emergency admission of a person alleged to be a person with mental illness and a petition for the involuntary court-ordered admission of such a person to certain facilities or programs;]~~ expanding the list of persons authorized to complete certain certificates concerning the mental condition of another ~~[.]~~ **under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law defines "person with mental illness" as a person whose capacity to exercise self-control, judgment and discretion in the conduct of the person's affairs and social relations or to care for his or her personal needs is diminished, as a result of mental illness, to the extent that the person presents a clear and present danger of harm to himself or herself or others.~~

~~(NRS 433A.115) Existing law authorizes certain persons to file an application for the emergency admission of a person alleged to be a person with mental illness to certain facilities. (NRS 433A.160) Section 1.5 of this bill expands the list of persons who are authorized to file such an application to include a physician assistant.]~~

With certain exceptions, existing law requires an application for the emergency admission of a person alleged to be a person with a mental illness to be accompanied by a certificate of a psychiatrist or licensed psychologist or, if neither is available, a physician, stating that the person has a mental illness and, because of that mental illness, is likely to harm himself or herself or others if ~~[not admitted to certain facilities or programs.]~~ **allowed his or her liberty.** (NRS 433A.170 ~~[, 433A. 200)]~~ **) Section 1.7 of this bill also authorizes a physician to complete the certificate regardless of whether a psychiatrist or psychologist is available. If a person is in an emergency room of a hospital, section 1.7 also authorizes a physician assistant under the supervision of a psychiatrist, a clinical social worker with certain psychiatric training and experience and an advanced practice registered nurse with certain psychiatric training and experience to examine such a person and complete such a certificate after conducting the examination. Existing law further requires a psychiatrist, psychologist or physician to examine the person before the person is admitted to a mental health facility or hospital on an emergency basis and a psychiatrist to approve each such admission. (NRS 433A.160) These requirements remain.**

Under existing law, a licensed physician on the medical staff of certain facilities may release a person alleged to be a person with mental illness who has been admitted on an emergency basis if a licensed physician on the medical staff of the facility completes a certificate stating that the person admitted is not a person with a mental illness. (NRS 433A.195) **Sections ~~[1, 1.7,]~~ 2 ~~[,]~~ and 3 ~~[and 4]~~** of this bill **also** authorize **any physician, a psychiatrist,** a physician assistant under the supervision of a psychiatrist, a psychologist, a clinical social worker with certain psychiatric training and experience ~~[,]~~ **or** an advanced practice registered nurse with certain psychiatric training and experience ~~[or an accredited agent of the Department of Health and Human Services]~~ to **examine a person alleged to be a person with mental illness in a hospital emergency room and** complete such a certificate while still requiring a licensed physician on the medical staff of the facility to release the person.

Sections 4.2 and 4.7 of this bill require the State Board of Nursing and the Board of Examiners for Social Workers to adopt regulations prescribing the psychiatric training and experience necessary before an advanced practice registered nurse or clinical social worker, as applicable, may complete ~~[such]~~ a certificate ~~[,]~~ **stating whether a person examined in a hospital emergency room has a mental illness that makes it likely that he or she would harm himself or herself or others if allowed his or her liberty.**

Existing law prohibits a person who is related by blood or marriage within the first degree of consanguinity or affinity to a person alleged to be a person with mental illness from completing: (1) an application for the emergency admission of such a person to a mental health facility; (2) a certificate stating that a person has a mental illness and, because of that mental illness, is likely to harm himself or herself or others if not admitted to a mental health facility on an emergency basis; or (3) a certificate stating that a person is not a person with mental illness. (NRS 433A.197) **Section 3** also prohibits a person who is related by blood or marriage within the second degree of consanguinity or affinity to a person alleged to be a person with mental illness from completing such an application or certificate.

~~[Existing law authorizes the spouse or a parent, adult child or legal guardian of a person and certain other persons to file a petition for the involuntary court-ordered admission of a person alleged to be a person with mental illness to a mental health facility or to a program of community based or outpatient services. (NRS 433A.200) Section 4 further authorizes a physician assistant to file such a petition.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 433A.145 is hereby amended to read as follows:~~

~~433A.145 1. If a person with mental illness is admitted to a public or private mental health facility or hospital as a voluntary consumer, the facility or hospital shall not change the status of the person to an emergency admission unless the hospital or facility receives, before the change in status is made, an application for an emergency admission pursuant to NRS 433A.160 and the certificate of a psychiatrist, psychologist~~ **, [or]** physician ***, physician assistant, clinical social worker, advanced practice registered nurse or accredited agent of the Department*** ~~pursuant to NRS 433A.170.~~

~~2. A person whose status is changed pursuant to subsection 1 must not be detained in excess of 48 hours after the change in status is made unless, before the close of the business day on which the 48 hours expires, a written petition is filed with the clerk of the district court pursuant to NRS 433A.200.~~

~~3. If the period specified in subsection 2 expires on a day on which the office of the clerk of the district court is not open, the written petition must be filed on or before the close of the business day next following the expiration of that period.]~~ **(Deleted by amendment.)**

~~→ only if the agent, officer, physician, ***physician assistant,*** psychologist, marriage and family therapist, clinical professional counselor, social worker or registered nurse has, based upon his or her personal observation of the person alleged to be a person with mental illness, probable cause to believe that the person has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty.~~

~~(b) Apply to a district court for an order requiring:~~

~~(1) Any peace officer to take a person alleged to be a person with mental illness into custody to allow the applicant for the order to apply for the emergency admission of the person for evaluation, observation and treatment; and~~

~~(2) Any agency, system or service described in subparagraph (2) of paragraph (a) to transport the person alleged to be a person with mental illness to a public or private mental health facility or hospital for that purpose.~~

~~→ The district court may issue such an order only if it is satisfied that there is probable cause to believe that the person has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty.~~

~~2. An application for the emergency admission of a person alleged to be a person with mental illness for evaluation, observation and treatment may be made by a spouse, parent, adult child or legal guardian of the person. ~~4. SUMMARY—Revises provisions relating to ~~[public schools.]~~ **education.** (BDR 34-316)

AN ACT relating to education; revising provisions governing the membership of the State Board of Education; revising certain duties of the Superintendent of Public Instruction, the Department of Education and the State Board; revising the membership of the Advisory Council on Parental Involvement and Family Engagement; revising provisions governing certain products used to clean in public schools; **authorizing unused allocations for special education program units to be reallocated to a hospital or facility which is licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services that operates a licensed private school in certain circumstances;** revising provisions relating to certain programs of distance education; revising provisions governing standards of content and performance for foreign and world language and any other course of study requested by the Superintendent of Public Instruction; revising provisions relating to certain hearings concerning the suspension or revocation of a license to teach; revising provisions concerning minimum standards for the maintenance and operation of certain educational institutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill prohibits a person who is elected to serve as an officer of this State or any political subdivision thereof from also serving on the State Board of Education. **Section 1** also prohibits a person who is appointed to

serve for the unexpired term of such an office from continuing to serve on the State Board, with certain exceptions. **Section 3** of this bill removes certain requirements regarding the use of environmentally sensitive cleaning and maintenance products in public schools and authorizes the board of trustees of a school district to use a product that is not an environmentally sensitive cleaning and maintenance product after posting a notice of the product to be used on the Internet website maintained by the school district. **Sections 4, 10, 11-13, 15, 17 and 18** of this bill replace references to the terms "English" and "foreign language" with references to "English language arts" and "foreign or world language" for consistency with currently accepted terminology.

Existing law authorizes certain hospitals or other facilities that are licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services and that operate a licensed private school to request reimbursement, under certain circumstances, from the Department of Education for the cost of providing educational services to a child who attends the licensed private school. (NRS 277.0655, 387.1225) Existing law also: (1) provides for the establishment of a basic support guarantee for special education program units for the purpose of allocating money from the State Distributive School Account; and (2) authorizes the Superintendent to reallocate any unused allocations for special education program units to a school district, charter school or university school for profoundly gifted pupils. (NRS 387.122, 387.1221) Section 4.5 of this bill authorizes the Superintendent to reallocate any unused allocations to a hospital or facility which is licensed by the Division of Public and Behavioral Health that operates a licensed private school.

Existing law requires the Superintendent of Public Instruction to apportion the State Distributive School Account in the State General Fund among the school districts, charter schools and university schools for profoundly gifted pupils in certain amounts based on a formula. This formula bases the State's financial obligation to programs of instruction partially on the number of pupils involved in such programs. (NRS 387.121-387.126) **Sections 5, 6, 8 and 9** of this bill provide that the apportionment for a pupil enrolled part-time in a program of distance education is paid to the school district in which the pupil resides, or the charter school in which the pupil is enrolled. The school district or charter school, as applicable, is required to allocate a percentage of that amount to the school district or charter school that provides the program of distance education in an amount which must be set out in an agreement between them.

Section 2.5 of this bill adds a member to the Advisory Council on Parental Involvement and Family Engagement to represent the Nevada Parent Teacher Association.

Because existing law gives the Governor authority over the budgets of the Department of Education, **section 7** of this bill: (1) requires the Superintendent to submit certain recommendations of the Department to the Governor instead of to the State Board; and (2) removes the requirement that the State Board

consider the biennial budgets of the Department. **Sections 8 and 9** remove the requirement that certain pupils obtain written permission from the board of trustees of a school district or the governing body of a charter school before enrolling in certain part-time programs of distance education.

Section 12 requires the Council to Establish Academic Standards for Public Schools to establish standards of content and performance for foreign and world languages in addition to other subjects for which it is already required to do so. **Section 13** requires the State Board to prescribe examinations that measure the achievement and proficiency of pupils for grades 9, 10, 11 and 12 in certain subjects to comply with federal law. (20 U.S.C. § 6311(b)(3)) **Section 14** of this bill revises the manner in which the Department provides an informational pamphlet concerning end-of-course examinations and college and career readiness assessments so that the pamphlet is available electronically. **Section 14.5** of this bill removes an incorrect reference to an organization.

Section 16 of this bill allows the parties in a hearing concerning the suspension or revocation of a license to teach to agree to extend the date by which the hearing must be held. **Section 20** of this bill authorizes money in the Educational Trust Account to be expended as authorized by the Interim Finance Committee when the Legislature is not in session. **Section 21** of this bill repeals the requirements that: (1) the State Board adopt and use an official seal in authentication of its acts; and (2) the Department approve or disapprove lists of books for use in public school libraries.

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. Except as otherwise provided in NRS 387.1244, the apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3 and NRS 387.1244, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus the sponsorship fee prescribed by NRS 386.570 and minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. Except as otherwise provided in NRS 387.1244, the apportionment to a charter school that is sponsored by the State Public Charter School Authority or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil

in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus the sponsorship fee prescribed by NRS 386.570 and minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. Except as otherwise provided in NRS 387.1244, in addition to the apportionments made pursuant to this section, ***if a pupil is enrolled part-time in a program of distance education and part-time in a:***

The charter school in which the pupil is enrolled shall allocate a percentage of the apportionment to the school district or charter school that provides the program of distance education in the amount set forth in the agreement entered into pursuant to NRS 388.858.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. Except as otherwise provided in NRS 387.1244, the apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to

receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

4. A pupil who is on academic probation pursuant to this subsection shall complete appropriate remediation in the subject areas that the pupil failed to pass. The policy must include the criteria for eligibility of a pupil to be placed on academic probation. A parent or guardian may elect not to place his or her child on academic probation but to remain in grade 8.

5. A homeschooled child who enrolls in a public high school shall, upon initial enrollment:

(c) Provide other proof satisfactory to the board of trustees of the school district demonstrating competency in the courses of study required for promotion to high school.

Sec. 18. NRS 392.700 is hereby amended to read as follows:

392.700 1. If the parent of a child who is subject to compulsory attendance wishes to homeschool the child, the parent must file with the superintendent of schools of the school district in which the child resides a written notice of intent to homeschool the child. The Department shall develop a standard form for the notice of intent to homeschool. The form must not require any information or assurances that are not otherwise required by this section or other specific statute. The board of trustees of each school district shall, in a timely manner, make only the form developed by the Department available to parents who wish to homeschool their child.

2. The notice of intent to homeschool must be filed before beginning to homeschool the child or:

(a) Not later than 10 days after the child has been formally withdrawn from enrollment in public school; or

(b) Not later than 30 days after establishing residency in this State.

3. The purpose of the notice of intent to homeschool is to inform the school district in which the child resides that the child is exempt from the requirement of compulsory attendance.

4. If the name or address of the parent or child as indicated on a notice of intent to homeschool changes, the parent must, not later than 30 days after the

change, file a new notice of intent to homeschool with the superintendent of schools of the school district in which the child resides.

5. A notice of intent to homeschool must include only the following:

(a) The full name, age and gender of the child;

(b) The name and address of each parent filing the notice of intent to homeschool;

(c) A statement signed and dated by each such parent declaring that the parent has control or charge of the child and the legal right to direct the education of the child, and assumes full responsibility for the education of the child while the child is being homeschooled;

(d) An educational plan for the child that is prepared pursuant to subsection 12;

(e) If applicable, the name of the public school in this State which the child most recently attended; and

(f) An optional statement that the parent may sign which provides:

> I expressly prohibit the release of any information contained in this document, including, without limitation, directory information as defined in 20 U.S.C. § 1232g(a)(5)(A), without my prior written consent.

6. Each superintendent of schools of a school district shall accept notice of intent to homeschool that is filed with the superintendent pursuant to this section and meets the requirements of subsection 5, and shall not require or request any additional information or assurances from the parent who filed the notice.

7. The school district shall provide to a parent who files a notice a written acknowledgment which clearly indicates that the parent has provided notification required by law and that the child is being homeschooled. The written acknowledgment shall be deemed proof of compliance with Nevada's compulsory school attendance law. The school district shall retain a copy of the written acknowledgment for not less than 15 years. The written acknowledgment may be retained in electronic format.

8. The superintendent of schools of a school district shall process a written request for a copy of the records of the school district, or any information contained therein, relating to a child who is being or has been homeschooled not later than 5 days after receiving the request. The superintendent of schools may only release such records or information:

(a) To a person or entity specified by the parent of the child, or by the child if the child is at least 18 years of age, upon suitable proof of identity of the parent or child; or

(b) If required by specific statute.

9. If a child who is or was homeschooled seeks admittance or entrance to any school in this State, the school may use only commonly used practices in determining the academic ability, placement or eligibility of the child. If the child enrolls in a charter school, the charter school shall, to the extent practicable, notify the board of trustees of the school district in which the child

resides of the child's enrollment in the charter school. Regardless of whether the charter school provides such notification to the board of trustees, the charter school may count the child who is enrolled for the purposes of the calculation of basic support pursuant to NRS 387.1233. A homeschooled child seeking admittance to public high school must comply with NRS 392.033.

10. A school or organization shall not discriminate in any manner against a child who is or was homeschooled.

11. Each school district shall allow homeschooled children to participate in all college entrance examinations offered in this State, including, without limitation, the SAT, the ACT, the Preliminary SAT and the National Merit Scholarship Qualifying Test. Each school district shall ensure that the homeschooled children who reside in the school district have adequate notice of the availability of information concerning such examinations on the Internet website of the school district maintained pursuant to NRS 389.004.

12. The parent of a child who is being homeschooled shall prepare an educational plan of instruction for the child in the subject areas of English ~~[, including reading, composition and writing,]~~ ***language arts,*** mathematics, science and social studies, including history, geography, economics and government, as appropriate for the age and level of skill of the child as determined by the parent. The educational plan must be included in the notice of intent to homeschool filed pursuant to this section. If the educational plan contains the requirements of this section, the educational plan must not be used in any manner as a basis for denial of a notice of intent to homeschool that is otherwise complete. The parent must be prepared to present the educational plan of instruction and proof of the identity of the child to a court of law if required by the court. This subsection does not require a parent to ensure that each subject area is taught each year that the child is homeschooled.

13. No regulation or policy of the State Board, any school district or any other governmental entity may infringe upon the right of a parent to educate his or her child based on religious preference unless it is:

(a) Essential to further a compelling governmental interest; and

(b) The least restrictive means of furthering that compelling governmental interest.

14. As used in this section, "parent" means the parent, custodial parent, legal guardian or other person in this State who has control or charge of a child and the legal right to direct the education of the child.

Sec. 19. NRS 394.241 is hereby amended to read as follows:

394.241 1. An elementary or secondary educational institution must be maintained and operated, or a new institution must demonstrate that it can be maintained and operated, in compliance with the following minimum standards:

(e) Upon satisfactory completion of training or instruction, the pupil is given appropriate educational credentials by the institution indicating that the course of instruction or study has been satisfactorily completed.

(k) The pupil housing owned, maintained or approved by the institution, if any, is appropriate, safe and adequate.

Sec. 20. NRS 120A.610 is hereby amended to read as follows:

120A.610 1. Except as otherwise provided in subsections 4 to 8, inclusive, all abandoned property other than money delivered to the Administrator under this chapter must, within 2 years after the delivery, be sold by the Administrator to the highest bidder at public sale in whatever manner affords, in his or her judgment, the most favorable market for the property. The Administrator may decline the highest bid and reoffer the property for sale if the Administrator considers the bid to be insufficient.

2. Any sale held under this section must be preceded by a single publication of notice, at least 3 weeks before sale, in a newspaper of general circulation in the county in which the property is to be sold.

3. The purchaser of property at any sale conducted by the Administrator pursuant to this chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Administrator shall execute all documents necessary to complete the transfer of ownership.

4. Except as otherwise provided in subsection 5, the Administrator need not offer any property for sale if the Administrator considers that the probable cost of the sale will exceed the proceeds of the sale. The Administrator may destroy or otherwise dispose of such property or may transfer it to:

(a) The Nevada State Museum Las Vegas, the Nevada State Museum or the Nevada Historical Society, upon its written request, if the property has, in the opinion of the requesting institution, historical, artistic or literary value and is worthy of preservation; or

(b) A genealogical library, upon its written request, if the property has genealogical value and is not wanted by the Nevada State Museum Las Vegas, the Nevada State Museum or the Nevada Historical Society.

➥ An action may not be maintained by any person against the holder of the property because of that transfer, disposal or destruction.

5. The Administrator shall transfer property to the Department of Veterans Services, upon its written request, if the property has military value.

6. Securities delivered to the Administrator pursuant to this chapter may be sold by the Administrator at any time after the delivery. Securities listed on an established stock exchange must be sold at the prevailing price for that security on the exchange at the time of sale. Other securities not listed on an established stock exchange may be sold:

(a) Over the counter at the prevailing price for that security at the time of sale; or

(b) By any other method the Administrator deems acceptable.

7. The Administrator shall hold property that was removed from a safe-deposit box or other safekeeping repository for 1 year after the date of the delivery of the property to the Administrator, unless that property is a will or a codicil to a will, in which case the Administrator shall hold the property for 10 years after the date of the delivery of the property to the Administrator. If no claims are filed for the property within that period and the Administrator

determines that the probable cost of the sale of the property will exceed the proceeds of the sale, it may be destroyed.

8. All proceeds received by the Administrator from abandoned gift certificates must be accounted for separately in the Abandoned Property Trust Account in the State General Fund. At the end of each fiscal year, before any other money in the Abandoned Property Trust Account is transferred pursuant to NRS 120A.620, the balance in the subaccount created pursuant to this subsection, less any costs, service charges or claims chargeable to the subaccount, must be transferred to the Educational Trust Account, which is hereby created in the State General Fund. The money in the Educational Trust Account may be expended only as authorized by the Legislature ***, if it is in session, or by the Interim Finance Committee, if the Legislature is not in session,*** for educational purposes.

Sec. 21. NRS 385.060 and 390.400 are hereby repealed.

Sec. 22. This act becomes effective on July 1, 2015.

TEXT OF REPEALED SECTIONS

385.060 Seal. The Board shall adopt and use an official seal in authentication of its acts.

390.400 Approval for use in public schools; exception for charter schools; actions subject to review by State Board.

1. The Department shall approve or disapprove lists of books for use in public school libraries except for the libraries of charter schools. Such lists must not include books containing or including any story in prose or poetry the tendency of which would be to influence the minds of children in the formation of ideals not in harmony with truth and morality or the American way of life, or not in harmony with the Constitution and laws of the United States or of the State of Nevada.

2. Actions of the Department with respect to lists of books are subject to review and approval or disapproval by the State Board.

Assemblywoman Woodbury moved the adoption of the amendment.

Remarks by Assemblywomen Woodbury and Neal.

ASSEMBLYWOMAN WOODBURY:

Amendment 654 authorizes hospitals or other facilities licensed by the Division of Public and Behavioral Health for residential treatment of children which operate a licensed private school to receive unused allocations of special education program units in the same manner allowed for charter schools and the university school for profoundly gifted pupils. The units must be provided as a percentage of a unit based upon the number of days that a program is provided as compared to the total number of school days for the year.

ASSEMBLYWOMAN NEAL:

I want to ask my colleague a question about Amendment 654 to Senate Bill 25. What is the intent of the added language which is authorizing the unused allocations for the special education program units to be reallocated to the hospital?

ASSEMBLYWOMAN WOODBURY:

There is at least one hospital that operates a school because some of these kids are there long-term, and they get credit while they are there. A high number of them have IEPs [individualized education plans], so this would let the money follow them just for the time they are at the hospital. It would be prorated for their services just for the time they are there.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 29.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 740.

SUMMARY—Grants power to a board of county commissioners to ~~[~~perform~~]~~ **address matters of local concern within** certain ~~[~~acts which are not prohibited or limited by statute.~~]~~ **parameters.** (BDR 20-465)

AN ACT relating to county government; authorizing a board of county commissioners to exercise ~~[~~the~~]~~ powers necessary **or proper to address matters of local concern** for the effective operation of county government; **providing that such powers do not apply to certain matters;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In **a case from** 1868 ~~[~~, Judge~~]~~ **and in later treatises on the law governing local governments, former Chief Justice** John F. Dillon of the Iowa Supreme Court ~~[~~established~~]~~ **developed** a common-law rule ~~[~~of statutory interpretation~~]~~ **on local governmental power** known as Dillon's Rule, which **defines and** limits the powers of local governments. ~~[~~(*Merriam v. Moody's Ex'rs*, 25 Iowa 163 (Iowa 1868))~~]~~ Under Dillon's Rule, a local government is authorized to exercise only those powers which are: (1) expressly granted; (2) necessarily or fairly implied in or incident to the powers expressly granted; or (3) essential to the accomplishment of the declared **objects and** purposes of the local government ~~[~~.

~~Under~~~~]~~ **and not merely convenient but indispensable. Dillon's Rule also provides that if there is any fair or reasonable doubt concerning the existence of a power, that doubt is resolved against the local government and the power is denied. (*Merriam v. Moody's Ex'rs*, 25 Iowa 163, 170 (1868); 1 John F. Dillon, *Commentaries on the Law of Municipal Corporations* § 237 (5th ed. 1911))**

In Nevada's jurisprudence, the Nevada Supreme Court has adopted and applied Dillon's Rule to county, city and other local governments. (*Ronnow v. City of Las Vegas*, 57 Nev. 332, 341-43 (1937); *Hard v. Depaoli*, 56 Nev. 19, 30 (1935); *Lyon County v. Ross*, 24 Nev. 102, 111-12 (1897); *State ex rel. Rosenstock v. Swift*, 11 Nev. 128, 140 (1876)) Thus, as a general rule under existing law, **a board of** county commissioners ~~[~~are~~]~~ **is** authorized to exercise only those powers which are expressly granted **to the board** and **those** powers ~~[~~that~~]~~ **which** are necessarily implied to carry out **the** express

powers**[.** (**]** **of the board. (NRS 244.195; *First Nat'l Bank v. Nye County*, 38 Nev. 123, 134-39 (1914);** *Sadler v. Board of County Comm'rs*, 15 Nev. 39, 42 (1880)) **[**This bill authorizes**]**

Sections 2-2.7, 7 and 7.5 of this bill authorize a board of county commissioners, with **[**limited**]** **certain** exceptions, to exercise all powers necessary **or proper to address matters of local concern** for the effective operation of county government, **[**even if such a power is neither express nor implied, so long as the power is**]** **whether or** not **the powers are** expressly **[**prohibited or limited by**]** **granted to the board, but such powers remain subject to all federal and state** constitutional **,** **[**or**]** statutory **and regulatory** provisions **.** **[**granted to another entity.**]**

Section 2.7 defines the term "matter of local concern" as any matter that primarily affects or impacts areas located in the county, or persons who reside, work, visit or are otherwise present in areas located in the county, and that does not have a significant effect or impact on areas located in other counties. However, the term "matter of local concern" does not include any matter that is within the exclusive jurisdiction of another governmental entity or any matter that concerns: (1) a state interest that requires statewide uniformity of regulation; (2) the regulation of business activities that are subject to substantial regulation by a federal or state agency; or (3) any other federal or state interest that is committed by the Constitution, statutes or regulations of the United States or this State to federal or state regulation that preempts local regulation.

Sections 2 and 7 modify Dillon's Rule as applied to the board of county commissioners so that if there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature. Section 2 also states that the provisions of this bill must not be interpreted to modify Dillon's Rule with regard to: (1) any local governing body other than a board of county commissioners; or (2) any powers other than those powers necessary or proper to address matters of local concern for the effective operation of county government.

Section 7.7 of this bill provides that during the 2015-2017 interim between regular legislative sessions, the Nevada Association of Counties shall: (1) obtain information regarding the implementation of the provisions of this bill from each board of county commissioners; and (2) compile and report the information to the next regular session of the Legislature in 2017.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 244 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. ~~*[It is expressly declared as the intent of the]*~~ *The Legislature* ~~*[to grant a]*~~ *hereby finds and declares that:*

1. Historically under Nevada law, the exercise of powers by a board of county commissioners has been governed by a common-law rule on local governmental power known as Dillon's Rule, which is named after former Chief Justice John F. Dillon of the Iowa Supreme Court who in a case from 1868 and in later treatises on the law governing local governments set forth the common-law rule defining and limiting the powers of local governments.

2. In Nevada's jurisprudence, the Nevada Supreme Court has adopted and applied Dillon's Rule to county, city and other local governments.

3. As applied to county government, Dillon's Rule provides that a board of county commissioners possesses and may exercise only the following powers and no others:

(a) Those powers granted in express terms by the Nevada Constitution or statute;

(b) Those powers necessarily or fairly implied in or incident to the powers expressly granted; and

(c) Those powers essential to the accomplishment of the declared objects and purposes of the county and not merely convenient but indispensable.

4. Dillon's Rule also provides that if there is any fair or reasonable doubt concerning the existence of a power, that doubt is resolved against the board of county commissioners and the power is denied.

5. As a general rule on local governmental power, Dillon's Rule serves an important function in defining the powers of county government and remains a vital component of Nevada law. However, with regard to matters of local concern, a strict interpretation and application of Dillon's Rule unnecessarily restricts a board of county commissioners from taking appropriate actions that are necessary or proper to address matters of local concern for the effective operation of county government and thereby impedes the board from responding to and serving the needs of local citizens diligently, decisively and effectively.

6. To provide a board of county commissioners with the appropriate authority to address matters of local concern for the effective operation of county government, the provisions of sections 2 to 7, inclusive, of this act:

(a) Expressly grant and delegate to the board of county commissioners ~~*[the]*~~ *all powers necessary or proper to address matters of local concern so that the board may adopt county ordinances and implement and carry out county programs and functions for the effective operation of county government* ~~*[.]*~~ *; and*

(b) Modify Dillon's Rule as applied to the board of county commissioners so that if there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter of local concern, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature.

7. The provisions of sections 2 to 7, inclusive, of this act must not be interpreted to modify Dillon's Rule with regard to:

(a) Any local governing body other than a board of county commissioners; or

(b) Any powers other than those powers necessary or proper to address matters of local concern for the effective operation of county government.

Sec. 2.1. As used in sections 2 to 7, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 2.5 and 2.7 of this act have the meanings ascribed to them in those sections.

Sec. 2.5. "County government" means any public body, agency, bureau, board, commission, department, division, office or other unit of county government, or any officer or employee thereof, within the jurisdiction of the board of county commissioners.

Sec. 2.7. 1. "Matter of local concern" means any matter that:

(a) Primarily affects or impacts areas located in the county, or persons who reside, work, visit or are otherwise present in areas located in the county, and does not have a significant effect or impact on areas located in other counties;

(b) Is not within the exclusive jurisdiction of another governmental entity; and

(c) Does not concern:

(1) A state interest that requires statewide uniformity of regulation;

(2) The regulation of business activities that are subject to substantial regulation by a federal or state agency; or

(3) Any other federal or state interest that is committed by the Constitution, statutes or regulations of the United States or this State to federal or state regulation that preempts local regulation.

2. The term includes, without limitation, any of the following matters of local concern:

(a) Public health, safety and welfare in the county.

(b) Planning, zoning, development and redevelopment in the county.

(c) Nuisances and graffiti in the county.

(d) Outdoor assemblies in the county.

(e) Contracts and purchasing by county government.

(f) Operation, management and control of county jails and prisoners by county government.

(g) Any public property, buildings, lands, utilities and other public works owned, leased, operated, managed or controlled by county government, including, without limitation:

(1) Roads, highways and bridges.

(2) Parks, recreational centers, cultural centers, libraries and museums.

3. The provisions of subsection 2:

(a) Are intended to be illustrative;

(b) Are not intended to be exhaustive or exclusive; and

(c) Must not be interpreted as either limiting or expanding the meaning of the term "matter of local concern" as provided in subsection 1.

Sec. 3. ~~*[1. The rule of law that any doubt as to the existence of a power of a board of county commissioners must be resolved against its existence is abrogated.*~~

~~*2. Any doubt as to the existence of the power of a board of county commissioners must be resolved in favor of its existence. This rule applies even though a statute granting the power has been repealed.]*~~ **(Deleted by amendment.)**

Sec. 4. ~~*[1. The rule of law that a board of county commissioners can exercise only powers:*~~

~~*(a) Expressly granted by statute;*~~

~~*(b) Necessarily or fairly implied in or incident to powers expressly granted; and*~~

~~*(c) Indispensable to the declared purposes of a board of county commissioners,*~~

~~*↵ is abrogated.*~~

~~*2. A board of county commissioners has:*~~

~~*(a) All powers granted it by statute; and*~~

~~*(b) All other powers necessary or desirable in the conduct of county affairs even though not granted by statute.]*~~ **(Deleted by amendment.)**

Sec. 5. ~~*[A board of county commissioners may exercise any power to the extent that the power is not expressly:*~~

~~*1. Denied by the Constitution of the State of Nevada;*~~

~~*2. Denied by the Constitution of the United States;*~~

~~*3. Denied by the laws of the State of Nevada; or*~~

~~*4. Granted to another entity.]*~~ **(Deleted by amendment.)**

Sec. 6. ~~*[1. If there is a constitutional or statutory provision requiring a specific manner for exercising a power, a board of county commissioners that wishes to exercise the power shall do so in that manner.*~~

~~*2. If there is no constitutional or statutory provision requiring a specific manner for exercising a power, a board of county commissioners that wishes to exercise the power shall adopt an ordinance prescribing a specific manner for exercising the power.]*~~ **(Deleted by amendment.)**

Sec. 7. *1. Except as prohibited, limited or preempted by the Constitution, statutes or regulations of the United States or this State and except as otherwise provided in this section, a board of county commissioners has:*

(a) All powers expressly granted to the board;

(b) All powers necessarily or fairly implied in or incident to the powers expressly granted to the board; and

(c) All other powers necessary or proper to address matters of local concern for the effective operation of county government, whether or not the powers are expressly granted to the board. If there is any fair or reasonable doubt concerning the existence of a power of the board to address a matter

of local concern pursuant to this paragraph, it must be presumed that the board has the power unless the presumption is rebutted by evidence of a contrary intent by the Legislature.

2. If there is a constitutional or statutory provision requiring a board of county commissioners to exercise a power set forth in subsection 1 in a specific manner, the board may exercise the power only in that specific manner, but if there is no constitutional or statutory provision requiring the board to exercise the power in a specific manner, the board may adopt an ordinance prescribing a specific manner for exercising the power.

3. Except as expressly authorized by statute, a board of county commissioners shall not:

(a) Condition or limit its civil liability unless such condition or limitation is part of a legally executed contract or agreement between the county and another governmental entity or a private person or [business.] entity.

(b) Prescribe the law governing civil actions between private persons [.] or entities.

(c) Impose duties on another governmental entity unless the performance of the duties is part of a legally executed agreement between the county and another governmental entity.

(d) Impose a tax.

(e) Order or conduct an election.

[2.] 4. Except as expressly authorized by statute or necessarily or fairly implied in or incident to powers expressly [granted] authorized by statute, a board of county commissioners shall not:

(a) Impose a service charge or user fee; or

(b) Regulate business activities that are subject to substantial regulation by a federal or state agency.

Sec. 7.5. **NRS 244.195 is hereby amended to read as follows:**

244.195 [The] ***Except as otherwise provided in sections 2 to 7, inclusive, of this act, the*** boards of county commissioners shall have power and jurisdiction in their respective counties to do and perform all such other acts and things as may be lawful and [strictly] necessary to the full discharge of the powers and jurisdiction conferred on the board.

Sec. 7.7. **1. During the 2015-2017 interim between the 78th and 79th Sessions of the Nevada Legislature, the Nevada Association of Counties shall obtain information regarding the implementation of the provisions of this act from each board of county commissioners in this State, and each such board shall cooperate and work collaboratively with the Nevada Association of Counties to provide that information.**

2. On or before February 1, 2017, the Nevada Association of Counties shall compile and report the information obtained pursuant to this section to the Director of the Legislative Counsel Bureau for transmittal to the 79th Session of the Nevada Legislature.

Sec. 8. This act becomes effective on July 1, 2015.

Assemblyman Ellison moved the adoption of the amendment.

Remarks by Assemblymen Ellison and Kirkpatrick.

ASSEMBLYMAN ELLISON:

The amendment replaces most of the bill and grants boards of county commissioners the powers necessary to address matters of local concern. The amendment defines the term "matter of local concern" as "any matter that primarily affects or impacts areas located in the county . . . ." The amendment requires the Nevada Association of Counties to compile and report on information regarding the implementation of the provisions of this bill to the next regular session of the Legislature in 2017.

ASSEMBLYWOMAN KIRKPATRICK:

To my colleague from Elko, for the record, I have always been opposed to any form of home rule, but I do appreciate the reports. For years, they have not been able to define what they are not able to do, so I look forward to getting that report. How often will we get that report? I would like to see it in the interim so we know as it comes along.

ASSEMBLYMAN ELLISON:

I think that is a great idea and I am sure that the Nevada Association of Counties would be happy to bring that forward.

Amendment No. 789.

AN ACT relating to graffiti; revising the definition of "graffiti"; expanding the list of items that are considered graffiti implements which are unlawful to carry in certain places; clarifying that a governmental entity may bring a civil action for damages to public property; authorizing the governing body of a city to adopt ordinances to address covering and removing certain graffiti on residential and nonresidential property; revising provisions governing money in a city's graffiti reward and abatement fund; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law makes it a crime to place graffiti on or otherwise deface the public or private property, real or personal, of another, without the permission of the owner. (NRS 206.330) **Sections 5, 8.2 and 16** of this bill revise the definition of "graffiti" to: (1) clarify that estrays and livestock are included

within the scope of property to which the offense of graffiti applies; and (2) exclude certain items which are affixed to property.

Existing law makes it a misdemeanor for a person to carry on his or her person, in certain public places, a graffiti implement with the intent to vandalize, place graffiti on or deface property. (NRS 206.335) **Section 7** of this bill revises the definition of "graffiti implement" to include any item that may be used to etch or deface property.

Existing law requires a person who is ordered to pay restitution for placing graffiti on public property to pay the restitution to the governmental entity that has incurred expenses for abating the graffiti. (NRS 206.345) **Section 8** of this bill authorizes the payment of restitution to a governmental entity for future expenses to abate the graffiti. Existing law also authorizes the owner of public or private property that has been damaged by graffiti to bring a civil action against the person who placed the graffiti and recover damages in an amount up to three times the amount of any loss in value to property and up to three times the cost of restoring the property plus attorney's fees and costs. (NRS 206.345) **Section 8** clarifies that a governmental entity may also bring a civil action to recover such damages from a person who placed graffiti on property if the governmental entity owns or is otherwise responsible for the damaged property.

Existing law authorizes a board of county commissioners to provide by ordinance for the covering or removal of certain graffiti on certain types of property. (NRS 244.36935) **Sections 8.4 and 8.6** of this bill revise provisions governing the covering or removal of certain graffiti that is placed on residential property. **Section 14** of this bill authorizes the governing body of a city to similarly provide by ordinance for the covering or removal of certain graffiti on residential property.

Existing law authorizes a board of county commissioners to provide by ordinance procedures pursuant to which the board may order an owner of nonresidential property to cover or remove certain graffiti on the owner's property. (NRS 244.3694) **Section 8.8** of this bill revises provisions governing the covering or removal of graffiti that is placed on nonresidential property. **Section 15** of this bill similarly authorizes the governing body of a city to provide by ordinance procedures pursuant to which the governing body may order an owner of nonresidential property to cover or remove certain graffiti on the owner's property.

Existing law requires the governing body of each city to create a fund to pay, upon approval by the governing body of the city, a reward to certain persons who provide information which results in the identification, apprehension and conviction of a person who violated a city ordinance prohibiting graffiti or other defacement of property. (NRS 268.4085) **Section 18** of this bill expands the authorized use of money in the fund: (1) to purchase supplies or pay for other graffiti abatement costs incurred by the city; (2) to be paid for information which results in the identification, apprehension or conviction of a person who is alleged to have violated a city ordinance that

prohibits graffiti or defacement of property; and (3) to be paid upon approval of the city manager, the authorized designee of the city manager or, if the city does not have a city manager, the governing body of the city.

Amendment No. 691.

AN ACT relating to business; declaring certain records to be confidential; revising provisions governing the state business portal; revising provisions governing applications for certain authorizations to conduct a business in this State issued by state and local agencies and health districts; **revising provisions governing the state business license;** requiring the Secretary of State to issue unique business identification numbers under certain circumstances; revising provisions governing the issuance of certain licenses by incorporated cities and counties; removing the prohibition against a county clerk refusing to accept for filing certain business certificates in certain circumstances; revising provisions governing the disclosure of certain information by the Employment Security Division of the Department of Employment, Training and Rehabilitation; repealing certain provisions relating to the collection of information from businesses seeking certain authorizations to conduct business in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Secretary of State is required to establish the state business portal to facilitate interaction among businesses and governmental agencies in this State by allowing businesses to conduct necessary transactions with governmental agencies in this State through the state business portal. (NRS 75A.100) **Section 4** of this bill requires the Secretary of State to: (1) establish common business registration information that is used by state and local agencies and health districts to conduct necessary transactions with businesses in this State; and (2) cause the state business portal to provide common business registration information to state and local agencies and health districts that conduct necessary transactions with businesses in this State. **Section 4** further authorizes state and local agencies and health districts to: (1) integrate their electronic applications processes into the state business portal; (2) use the state business portal to accept and disseminate common business registration information that is needed by the state or local agency or health district to issue a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State; (3) make available on the Internet applications for a license, certificate, registration, permit or similar type of authorization to conduct a business in this State or to engage in an occupation or profession in this State and to integrate such applications into the state business portal; and (4) meet certain other requirements related to participation in the state business portal. However, **section 4** also specifies that a state or local agency or health district is not required to disseminate or release information if such action would result in the state or local agency or health district violating any provision of state or federal law relating to the confidentiality of the information. **Section 3** of this bill deems that the records and files collected as common business registration information **by the Secretary of State** are confidential and privileged unless an exception applies.

Section 5 of this bill requires the Secretary of State to assign a unique business identification number to each business entity organized in this State and to each person who is issued a state business ~~[license]~~ **registration** or who claims to be excluded or exempt from the requirement to obtain a state business ~~[license.]~~ **registration.** Under **section 4**: (1) the Secretary of State must cause the state business portal to interface with the system used by the Secretary of State to assign business identification numbers; and (2) state and local agencies and health districts that issue licenses, certificates, registrations, permits or similar types of authorization to conduct a business in this State or to engage in an occupation or profession in this State must require an applicant for such a license, certificate, registration or permit to include the applicant's business identification number on the application.

Sections 7 and 8 of this bill amend provisions governing city and county business licenses so that certain information regarding industrial insurance is provided through the state business portal. **Section 9** of this bill removes the provision from existing law which prohibits a county clerk, in certain circumstances, from refusing to accept for filing a certificate or renewal certificate concerning persons doing business in this State under an assumed or fictitious name that is filed by a foreign artificial person or persons. **Section 10** of this bill authorizes the Employment Security Division of the Department of Employment, Training and Rehabilitation to make certain information available to the Secretary of State for certain purposes related to operating and maintaining the state business portal. **Section 12** of this bill repeals certain provisions relating to: (1) the coordination of the collection of certain information and forms from businesses by state agencies and local governments; and (2) the affidavit required to be filed by an applicant who wishes to obtain a local business license to sell certain retail merchandise. **Sections 4.3, 4.6, 6.5 and 7.5 of this bill change the term "state business license" to "state business registration."**

(b) Assign the proceeds of any one or more of such license taxes to the county within which the city is situated for the purpose or purposes of making the proceeds available to the county:

(1) As a pledge as additional security for the payment of any general obligation bonds issued pursuant to NRS 244A.597 to 244A.655, inclusive;

2. The city council or other governing body of an incorporated city shall not require that a person who is licensed as a contractor pursuant to chapter 624 of NRS obtain more than one license to engage in the business of contracting or pay more than one license tax related to engaging in the business of contracting, regardless of the number of classifications or subclassifications of licensing for which the person is licensed pursuant to chapter 624 of NRS.

3. The proceeds of any tax imposed pursuant to this section that are pledged for the repayment of general obligations may be treated as "pledged revenues" for the purposes of NRS 350.020.

4. The city council or other governing body of an incorporated city shall not require a person to obtain a license or pay a license tax on the sole basis that the person is a professional. As used in this subsection, "professional" means a person who:

7. Any license tax levied under the provisions of this section constitutes a lien upon the real and personal property of the business upon which the tax was levied until the tax is paid. The lien has the same priority as a lien for general taxes. The lien must be enforced:

(a) By recording in the office of the county recorder, within 6 months following the date on which the tax became delinquent or was otherwise determined to be due and owing, a notice of the tax lien containing the following:

(1) The amount of tax due and the appropriate year;

(2) The name of the record owner of the property;

(3) A description of the property sufficient for identification; and

(4) A verification by the oath of any member of the board of county commissioners or the county fair and recreation board; and

Continuing disclosure may be so authorized under an agreement with the Department of Taxation or the Secretary of State for the exchange of information concerning taxpayers.

9. The powers conferred by this section are in addition and supplemental to, and not in substitution for, and the limitations imposed by this section do not affect the powers conferred by, any other law. No part of this section repeals or affects any other law or any part thereof, it being intended that this section provide a separate method of accomplishing its objectives, and not an exclusive one.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, all of whom must be units' owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units' owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of the unit's owner's eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit's owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the

election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit's owner informing each unit's owner that:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit's owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units' owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit's owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units' owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit's owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units' owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for membership on the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

➥ The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

AN ACT relating to crimes; providing that certain employees of or volunteers at a school who are convicted of engaging in sexual conduct with certain pupils are subject to various statutory provisions relating to sex offenders; providing that certain employees of a college or university who are convicted of engaging in sexual conduct with certain students are also subject to various statutory provisions relating to sex offenders; revising provisions relating to certain employees of or volunteers at a school who engage in sexual conduct with certain pupils; prohibiting certain employees of or volunteers at a school from engaging in sexual conduct with ~~[a pupil who is 18 years of age;]~~ **certain pupils;** prohibiting certain employees of a college or university from engaging in sexual conduct with certain students; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) requires a court to include a special sentence of lifetime supervision for any person convicted of certain sexual offenses; and (2) provides certain conditions of lifetime supervision. (NRS 176.0931, 213.1243) **Sections 1 and 12** of this bill add to the list of sexual offenses that require a sentence of lifetime supervision and for which certain conditions of lifetime supervision apply: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law also: (1) requires a person convicted of certain sexual offenses to undergo a psychosexual evaluation as part of the presentence investigation and report prepared by the Division of Parole and Probation of the Department of Public Safety; and (2) prohibits the court from granting probation to or suspending the sentence of a person convicted of certain sexual offenses, unless the person who conducts the psychosexual evaluation certifies that the person convicted of the sexual offense does not represent a high risk to reoffend. (NRS 176.133, 176.135, 176A.110) **Sections 2 and 3** of this bill add to the list of sexual offenses which require a psychosexual evaluation as part of the presentence investigation and report and a certification that the person convicted does not represent a high risk to reoffend before the person may be granted probation or have his or her sentence suspended: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law requires the prosecuting attorney, sheriff or chief of police, upon request, to inform a victim or witness of certain sexual offenses: (1) when the defendant is released from custody at any time before or during the defendant's trial; and (2) of the final disposition of the case involving the victim or witness. (NRS 178.5698) **Section 4** of this bill adds to the list of sexual offenses that are subject to such requirements concerning notification of a victim or witness: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law allows a person convicted of certain offenses to petition the court for the sealing of all records relating to the conviction, but does not authorize the sealing of records relating to a conviction of certain sexual offenses. (NRS 179.245) **Section 5** of this bill adds to the list of sexual offenses for which the sealing of records is not authorized: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.

Existing law also defines the term "sexual offense" for the purpose of requiring persons convicted of certain sexual offenses to register as a sex offender, to comply with certain mandatory conditions of probation or parole and to fulfill certain other requirements. (NRS 118A.335, 176A.410, 179D.097, 213.1099, 213.1245) **Section 6** of this bill revises the list of sexual offenses to which these statutory provisions apply to include: (1) an offense involving sexual conduct between certain employees of or volunteers at a school and certain pupils; and (2) an offense involving sexual conduct between certain employees of a college or university and certain students.
