Assemblywoman Diaz moved that the Assembly do not concur in the Senate Amendment No. 953 to Assembly Bill No. 45.

Remarks by Assemblywoman Diaz.

ASSEMBLYWOMAN DIAZ:
We still need to get this bill right, Mr. Speaker.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 418.

The following Senate amendment was read:

Amendment No. 806.

AN ACT relating to elections; providing that a voter may not be compelled to reveal under oath how he or she voted at any election; providing for the inspection during a contested election of certain records printed on paper of ballots voted by using a mechanical recording device; revising the method of counting ballots during a recount of an election; amending provisions specifying grounds upon which any election may be contested; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, in certain proceedings, a person has a privilege to refuse to disclose the tenor of his or her vote at an election unless the vote was cast illegally. (NRS 47.020, 49.315; *Thomas v. Hardwick*, 126 Nev. 142, 146 n.4 (2010) (noting that under the privilege for voters recognized by NRS 49.315, potential jurors cannot be required to disclose how they voted on a particular ballot question)) **Section 1** of this bill **supplements the privilege for voters recognized by existing law and** provides that **, in addition to the right to claim the privilege for voters recognized by existing law in applicable proceedings,** a voter **who casts a vote legally at an election** may not **, in any other proceedings or circumstances,** be compelled to reveal under oath how he or she voted at ~~[any]~~ **the election, and the voter has a privilege to refuse to disclose the tenor of his or her vote at the** election.

Under existing law, voted ballots, rejected ballots, spoiled ballots, challenge lists, certain records printed on paper of ballots voted by using a mechanical recording device and stubs of ballots used must be deposited in the vaults of the county clerk. The voted ballots are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board. (NRS 293.391) **Section 2** of this bill clarifies that records printed on

paper of ballots voted by using a mechanical recording device also are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board.

Under existing law, if a recount of an election in a county or city that uses a mechanical voting system is demanded, or if a recount of an election affecting more than one county is demanded, an initial recount is done of ballots from 5 percent of the total number of precincts that voted in the election, or at least three precincts that voted in the election. If the initial recount shows a discrepancy of at least 1 percent or five votes, whichever is greater, a full recount of all ballots at the election for the office or ballot question is done. (NRS 293.404) **Section 3** of this bill deletes the provisions requiring the initial recount of 5 percent, or at least three, of the precincts that voted at the election. **Section 3** provides instead that all recounts must include a count and inspection of all ballots. **Section 3** further provides that all ballots must be recounted in the same manner in which the ballots were originally tabulated.

Section 4 of this bill amends provisions specifying grounds upon which any election may be contested. (NRS 293.410)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Under existing law, in certain proceedings, a person has a privilege to refuse to disclose the tenor of his or her vote at an election unless the vote was cast illegally. (NRS 47.020, 49.315; *Thomas v. Hardwick*, 126 Nev. 142, 146 n.4 (2010) (noting that under the privilege for voters recognized by NRS 49.315, potential jurors cannot be required to disclose how they voted on a particular ballot question)) **Section 1** of this bill supplements the privilege for voters recognized by existing law and provides that, in addition to the right to claim the privilege for voters recognized by existing law in applicable proceedings, a voter who casts a vote legally at an election may not, in any other proceedings or circumstances, be compelled to reveal under oath how he or she voted at the election, and the voter has a privilege to refuse to disclose the tenor of his or her vote at the election.

Under existing law, voted ballots, rejected ballots, spoiled ballots, challenge lists, certain records printed on paper of ballots voted by using a mechanical recording device and stubs of ballots used must be deposited in the vaults of the county clerk. The voted ballots are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board. (NRS 293.391) **Section 2** of this bill clarifies that records printed on paper of ballots voted by using a mechanical recording device also are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board.

Under existing law, if a recount of an election in a county or city that uses a mechanical voting system is demanded, or if a recount of an election affecting more than one county is demanded, an initial recount is done of ballots from 5 percent of the total number of precincts that voted in the election, or at least three precincts that voted in the election. If the initial recount shows a discrepancy of at least 1 percent or five votes, whichever is greater, a full recount of all ballots at the election for the office or ballot question is done. (NRS 293.404) **Section 3** of this bill deletes the provisions requiring the initial recount of 5 percent, or at least three, of the precincts that voted at the election. **Section 3** provides instead that all recounts must include a count and inspection of all ballots. **Section 3** further provides that

all ballots must be recounted in the same manner in which the ballots were originally tabulated.

Section 4 of this bill amends provisions specifying grounds upon which any election may be contested. (NRS 293.410)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

293.404 1. Where a recount is demanded pursuant to the provisions of NRS 293.403, the:

If a registrar of voters has not been appointed for the county, the chair of the board of county commissioners, if the chair is not a candidate on the ballot, shall act as chair of the recount board. If the recount is for the office of county clerk, a registrar of voters has not been appointed for the county and the chair of the board of county commissioners is a candidate on the ballot, the chair of the board of county commissioners shall appoint another member of the board of county commissioners who is not a candidate on the ballot to act as chair of the recount board. SUMMARY—Proposes to amend the Nevada Constitution to remove the constitutional provisions governing the election and duties of the Board of Regents of the State University and to authorize the Legislature to provide by statute for the governance, control and management of the State University **[**.**]** **and for the reasonable protection of individual academic freedom.** (BDR C-60)

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to remove the constitutional provisions governing the election and duties of the Board of Regents of the State University and to authorize the Legislature to provide by statute for the governance, control and

management of the State University **[**.**]** **and for the reasonable protection of individual academic freedom.**

Legislative Counsel's Digest:

Article 11 of the Nevada Constitution, which is known as the Education Article, requires the Nevada Legislature to provide for the establishment of a State University that is controlled by a Board of Regents whose duties are prescribed by law. (Nev. Const. Art. 11, § 4) The Education Article also: (1) requires the Legislature to provide for the election of the members of the Board of Regents of the State University and to define their duties by law; and (2) authorizes the Board of Regents to control and manage the affairs of the State University and its funds under such regulations as may be provided by law. (Nev. Const. Art. 11, §§ 7, 8)

As required by the Education Article, the Legislature has provided by law for: (1) the establishment of the State University, which is known as the University of Nevada; and (2) the election of the members of the Board of Regents. (NRS 396.020, 396.040) Additionally, the Legislature has: (1) provided by law for the establishment of the Nevada System of Higher Education, which consists of the State University and other educational institutions, programs and operations; and (2) authorized the Board of Regents to administer the System and to prescribe rules for its governance and management. (NRS 396.020, 396.110, 396.230, 396.280, 396.300, 396.420, 396.440, 396.550)

This resolution proposes to amend the Nevada Constitution to remove the constitutional provisions governing the Board of Regents and to authorize the Legislature to provide by statute for the governance, control and management of the State University. (Nev. Const. Art. 11, §§ 4, 7) However, although this resolution removes the status of the Board of Regents as a constitutional body under the Nevada Constitution, this resolution does not change the status of the Board of Regents as a statutory body under existing statutory provisions, which authorize the Board of Regents to administer the Nevada System of Higher Education and prescribe rules for its governance and management. In addition, this resolution does not repeal, either expressly or by implication, any of those existing statutory provisions relating to the Board of Regents, including the existing statutory provisions that provide for the election of the members of the Board of Regents.

Under the Education Article, the Legislature is authorized to encourage by all suitable means the promotion of intellectual, literary, scientific, mining, mechanical, agricultural, ethical and other educational improvements. (Nev. Const. Art. 11, § 1) In public institutions of higher education, rules which provide for the reasonable protection of individual academic freedom are intended to encourage the pursuit of knowledge and the search for academic truth and enlightenment. (*Urofsky v. Gilmore*, 216 F.3d 401, 410-11 (4th Cir. 2000); *Demers v. Austin*, 746 F.3d 402, 411-12 (9th Cir. 2014))

This resolution proposes to amend the Nevada Constitution to authorize the Legislature to provide by statute for the reasonable protection of individual academic freedom for students, faculty and other academic personnel of the public institutions of higher education in this State in order to facilitate the policies of encouraging by all suitable means the promotion of intellectual, literary, scientific, mining, mechanical, agricultural, ethical and other educational improvements. (Nev. Const. Art. 11, § 4)

Under the federal Morrill Land Grant Act of 1862, each state was provided with certain federal land grants to be sold to support and maintain at least one college in the state that teaches both agriculture and mechanic arts, including military tactics, so long as the state agrees to certain terms and conditions regarding the preservation and use of the proceeds derived from the sale of the federal land grants. (Act of July 2, 1862, ch. 130, §§ 1-8, 12 Stat. 503-05, as amended and codified at 7 U.S.C. §§ 301 et seq.) To secure the benefits offered by the federal law, the Framers of the Nevada Constitution approved Section 8 of the Education Article to provide for the preservation and use of the proceeds derived from the sale of the federal land grants. (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 586 and 589-91 (Andrew J. Marsh off. rep. 1866))

This resolution proposes to amend Section 8 of the Education Article to: (1) remove references to the Board of Regents; (2) delete obsolete provisions; (3) clarify citations to the pertinent federal law, including all amendments thereto; and (4) specify that the proceeds derived under the federal law must be invested by the State of Nevada in the manner required by law. (Nev. Const. Art. 11, § 8)

If this resolution is passed by the 2017 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

WHEREAS, Article 11 of the Nevada Constitution, which is known as the Education Article, requires the Legislature to provide for the establishment of a State University that is controlled by a Board of Regents whose duties are prescribed by law (Nev. Const. Art. 11, § 4); and

WHEREAS, The Education Article also requires the Legislature to provide for the election of the members of the Board of Regents and to define their duties by law (Nev. Const. Art. 11, § 7); and

WHEREAS, The Education Article authorizes the Board of Regents to control and manage the affairs of the State University and its funds under such regulations as may be provided by law (Nev. Const. Art. 11, §§ 7, 8); and

WHEREAS, When drafting the Education Article, the Framers of the Nevada Constitution purposefully added constitutional language to ensure that the powers and duties of the Board of Regents and its members "shall be

prescribed by the Legislature," in order to "not leave it to be inferred, perhaps, that they have absolute control" over the State University (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 586 (Andrew J. Marsh off. rep. 1866) (statement of Delegate George A. Nourse)); and

WHEREAS, The Framers believed that the Board of Regents' control and management of the affairs of the State University should be governed by laws enacted by the Legislature (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 585-87 (Andrew J. Marsh off. rep. 1866)); and

WHEREAS, The Framers did not create the Board of Regents as a constitutional body in the Education Article to give the Board of Regents unchecked autonomy from legislative oversight and control (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 585-91 (Andrew J. Marsh off. rep. 1866)); and

WHEREAS, As required by the Education Article, the Legislature has provided by law for the establishment of the State University, known as the University of Nevada, and has provided by law for the election of the members of the Board of Regents (NRS 396.020, 396.040); and

WHEREAS, The Legislature has provided by law for the establishment of the Nevada System of Higher Education, which consists of the State University and other educational institutions, programs and operations, and for the Board of Regents to administer the System and to prescribe rules for its governance and management (NRS 396.020, 396.110, 396.230, 396.280, 396.300, 396.420, 396.440, 396.550); and

WHEREAS, In cases before the Nevada Supreme Court, the Board of Regents has asserted that its "unique constitutional status" gives it "virtual autonomy and thus immunity" from particular laws and policies enacted by the Legislature (*Board of Regents v. Oakley*, 97 Nev. 605, 607 (1981)); and

WHEREAS, Although the Nevada Supreme Court has rejected the Board of Regents' broad assertion of autonomy and immunity from laws and policies enacted by the Legislature, the Nevada Supreme Court has recognized that the Board of Regents' constitutional status prevents the Legislature from enacting certain legislation that directly "interferes with the Board's essential management and control of the University." (*Board of Regents v. Oakley*, 97 Nev. 605, 608 (1981); *King v. Board of Regents*, 65 Nev. 533, 564-69 (1948)); and

WHEREAS, Under our Nation's fundamental, well-established and long-standing principles of representative government, the traditional role of the people's elected representatives in the Legislature is to serve as the people's legislative check of accountability to ensure that public bodies, agencies and officers in the other branches of government are carrying out their governmental functions for the benefit of the people and in a manner consistent with the laws and policies enacted by the Legislature; and

WHEREAS, The Board of Regents has, at various times, relied on its constitutional status and its authority to control and manage the affairs of the State University as a defensive shield and cloak against the people's legislative check of accountability, and the Board of Regents has, at various times, taken actions that have hindered, thwarted or undermined the Legislature's investigation, review and scrutiny of the institutions, programs and operations of the Nevada System of Higher Education; and

WHEREAS, Like other public bodies, agencies and officers of the State Government, the Board of Regents should be subject to the people's legislative check of accountability through legislative oversight and control, and the Board of Regents' control and management of the affairs of the State University should be governed by all laws enacted by the Legislature; and

WHEREAS, To secure accountability to the people's elected representatives in the Legislature, the Nevada Constitution should be amended to remove the Board of Regents' constitutional status so that the Board of Regents operates only as a statutory public body to ensure that it is subject to the people's legislative check of accountability through legislative oversight and control and to ensure that the Board of Regents' control and management of the affairs of the State University are governed by all laws enacted by the Legislature; and

WHEREAS, Amending the Nevada Constitution to remove the Board of Regents' constitutional status will allow the Legislature to exercise the full extent of its legislative power to review, reform and improve the control and management of the affairs of the State University and, in doing so, the Legislature also will have more options and greater flexibility to review, reform and improve all other institutions, programs and operations of the Nevada System of Higher Education; and

WHEREAS, Amending the Nevada Constitution to remove the Board of Regents' constitutional status will not repeal, either expressly or by implication, the existing statutory provisions which apply to the Board of Regents, the State University and all other institutions, programs and operations of the Nevada System of Higher Education, including, without limitation, the existing statutory provisions that provide for the voters to elect the members of the Board of Regents; now, therefore, be it

The following Senate amendment was read:

Amendment No. 703.

AN ACT relating to private professional guardians; revising provisions governing the qualifications necessary to serve as a private professional guardian; requiring certain persons to submit fingerprints to the Division of Financial Institutions of the Department of Business and Industry not less than once every 5 years for the purpose of obtaining a report from the Federal Bureau of Investigation; requiring the Division to maintain a copy of all such reports; requiring the Commissioner of Financial Institutions to adopt regulations establishing any fee required to obtain such reports; **prohibiting a person from engaging in any activity relating to service as a private professional guardian without meeting the necessary requirements; revising provisions relating to an application for a license to engage in the business of a private professional guardian;** replacing references to the term "case manager"; **revising certain reporting requirements for private professional guardian companies; revising provisions relating to required fidelity bonds;** removing the provision that exempts private professional guardians from the provisions of law concerning summary administration granted by a court; **revising provisions relating to certain investigations by the Commissioner;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in order for a natural person to serve as a private professional guardian, the person must be: (1) qualified to serve as a guardian for an adult or a minor; and (2) a guardian who has a license to engage in the business of a private professional guardian or who does not have such a license but is certified by the Center for Guardianship Certification. (NRS 159.0595) **Section 2** of this bill removes the requirement relating to the licensure of a natural person and generally provides that in order for a person to serve as a private professional guardian, the person must be: (1) a natural person who is employed by an entity that is licensed to engage in the business of a private professional guardian and who is certified by the Center for Guardianship Certification; or (2) an entity that is licensed to engage in

the business of a private professional guardian and meets certain other requirements. **Sections 1, ~~[~~4-9, 11-~~]~~ 4-7, 12, 13 and ~~[~~15-20~~]~~ 15-17** of this bill make conforming changes.

Existing law requires, as part of an application for a license to engage in the business of a private professional guardian, that certain persons submit to the Commissioner of Financial Institutions a complete set of fingerprints and written permission authorizing the Division of Financial Institutions of the Department of Business and Industry to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation (hereinafter "FBI") for its report. (NRS 628B.310) **Section 3** of this bill requires: (1) ~~[~~certain persons~~]~~ **each natural person who acts in any capacity within a private professional guardian company** to submit to the Commissioner, not less than once every 5 years, a complete set of fingerprints and such written permission to enable the Division to obtain a report from the FBI; and (2) the Division to maintain a copy of all reports obtained from the FBI. **Section 3** also requires the Commissioner to adopt regulations establishing the amount of any fee required to obtain a report from the FBI.

Existing law also requires the Commissioner to investigate the facts of an application and the other requirements set forth by law to determine information about certain persons, including any person acting in a case manager capacity. (NRS 628B.330) ~~[~~Existing law further requires the director or manager of a private professional guardian company to require fidelity bonds on certain persons, including a member of the company acting in a case manager capacity, to indemnify the company against loss. (NRS 628B.540)~~]~~ **Sections 9 ~~[~~,~~]~~ and 10 ~~[~~and 14~~]~~** of this bill replace the term "case manager" with references to a **natural** person who acts in a capacity in which he or she is authorized to make discretionary decisions on behalf of the applicant or private professional guardian company, as applicable. **Sections 9 and 10 also revise provisions relating to an application for a license to engage in the business of a private professional guardian.**

Existing law requires the director or manager of a private professional guardian company to require fidelity bonds in an amount of at least $25,000 on certain persons. (NRS 628B.540) Section 14 of this bill requires a private professional guardian company to require such bonds on each natural person who acts in any capacity within the private professional guardian company.

Existing law provides that with regard to guardianships and the administration of smaller estates, the court is authorized to grant a summary administration if it appears that the value of the property of a ward, after payment of all claims and expenses of the guardianship, does not exceed $10,000. If the court grants a summary administration, the guardian is required to file an inventory and record of value with the court, and the court is authorized to impose certain requirements upon the guardian. (NRS 159.076) Existing law also provides that such provisions concerning

summary administration do not apply to a private professional guardian. (NRS 628B.550) **Section 15** removes this exemption.

Section 8 of this bill provides that it is unlawful for any person who does not meet the requirements necessary to serve as a private professional guardian to engage in any activity relating to service as a private professional guardian. Section 19 of this bill requires the Commissioner to conduct an investigation if he or she receives a verified complaint that a person who does not meet the requirements necessary to serve as a private professional guardian is engaging in any activity relating to service as a private professional guardian.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 159.024 is hereby amended to read as follows:

159.024 1. "Private professional guardian" means a person who receives compensation for services as a guardian to three or more wards who are not related to the guardian by blood or marriage ~~[.]~~ ***and who meets the requirements set forth in NRS 159.0595.***

2. For the purposes of this chapter, the term includes ~~[:~~

~~(a) A person who]~~ ***an entity that*** serves as a private professional guardian and ~~[who]~~ is ~~[required]~~ ***:***

Assemblywoman Bustamante Adams moved that the Assembly concur in the Senate Amendment No. 703 to Assembly Bill No. 150.

Remarks by Assemblywoman Bustamante Adams.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

The amendment removes the requirement for individual guardians to be licensed and instead requires private professional guardian companies to be licensed. Individual guardians still must meet other requirements such as fingerprinting and certification. It also requires guardianship companies to require bonds for private professional guardians under their employment. Lastly, it requires the Commissioner of Financial Institutions to conduct an investigation if he or she receives a verified complaint that a person who does not meet the requirements necessary to serve as a private professional guardian is engaging in any activity relating to service as a private professional guardian.

Assembly Bill No. 161.

The following Senate amendment was read:

Amendment No. 855.

AN ACT relating to real property; requiring certain rental agreements to contain certain disclosures; creating certain presumptions with respect to certain crimes involving real property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth certain requirements relating to a written rental agreement. (NRS 118A.200) **Section 1** of this bill requires a written rental agreement for a single-family residence **, unless signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management,** to contain a disclosure which states that: (1) there are rebuttable presumptions in **sections 1.3 and 1.7** of this bill that the tenant does not have lawful occupancy of the residence unless the agreement is notarized **or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management** and contains certain contact information for the landlord or the landlord's representative; and (2) the agreement is valid and enforceable regardless of whether the agreement is notarized **or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management** or contains certain contact information for the landlord or the landlord's representative.

Sections 1.3 and 1.7 of this bill create rebuttable presumptions that a person who forcibly enters or takes up residence in an uninhabited or vacant dwelling knows that his or her entry or residency is without permission of the owner or the owner's representative unless he or she provides a written rental agreement that is notarized **or is signed by an authorized agent of the owner who at the time of signing holds a permit to engage in property management** and contains certain contact information for the owner or the owner's representative.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 118A.200 is hereby amended to read as follows:

118A.200 1. Any written agreement for the use and occupancy of a dwelling unit or premises must be signed by the landlord or his or her agent and the tenant or his or her agent.

2. The landlord shall provide one copy of any written agreement described in subsection 1 to the tenant free of cost at the time the agreement is executed and, upon request of the tenant, provide additional copies of any such agreement to the tenant within a reasonable time. The landlord may charge a reasonable fee for providing the additional copies.

3. Any written rental agreement must contain, but is not limited to, provisions relating to the following subjects:

(a) Duration of the agreement.

(b) Amount of rent and the manner and time of its payment.

(c) Occupancy by children or pets.

(d) Services included with the dwelling rental.

(e) Fees which are required and the purposes for which they are required.

(f) Deposits which are required and the conditions for their refund.

(g) Charges which may be required for late or partial payment of rent or for return of any dishonored check.

(h) Inspection rights of the landlord.

(i) A listing of persons or numbers of persons who are to occupy the dwelling.

(j) Respective responsibilities of the landlord and the tenant as to the payment of utility charges.

(k) A signed record of the inventory and condition of the premises under the exclusive custody and control of the tenant.

(l) A summary of the provisions of NRS 202.470.

(m) Information regarding the procedure pursuant to which a tenant may report to the appropriate authorities:

(1) A nuisance.

(2) A violation of a building, safety or health code or regulation.

(n) Information regarding the right of the tenant to engage in the display of the flag of the United States, as set forth in NRS 118A.325.

4. ***In addition to the provisions required by subsection 3, any written rental agreement for a single-family residence which is not signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS must contain a disclosure at the top of the first page of the agreement, in a font size at least two times larger than any other font size in the agreement, which states that:***

(a) There are rebuttable presumptions in NRS 205.0813 and 205.0817 that the tenant does not have lawful occupancy of the dwelling unless the agreement:

(1) Is notarized ~~[.]~~ or is signed by an authorized agent of the landlord who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and

(2) Includes the current address and telephone number of the landlord or his or her authorized representative; and

(2) Includes the current address and telephone number of the landlord or his or her authorized representative.

5. The absence of a written agreement raises a disputable presumption that:

(a) There are no restrictions on occupancy by children or pets.

(b) Maintenance and waste removal services are provided without charge to the tenant.

(c) No charges for partial or late payments of rent or for dishonored checks are paid by the tenant.

(d) Other than normal wear, the premises will be returned in the same condition as when the tenancy began.

~~[5.]~~ ***6.*** It is unlawful for a landlord or any person authorized to enter into a rental agreement on his or her behalf to use any written agreement which does not conform to the provisions of this section, and any provision in an agreement which contravenes the provisions of this section is void.

2. ***A person is presumed to know that an entry described in subsection 1 is without the permission of the owner of the dwelling or an authorized representative of the owner unless the person provides a written rental agreement that:***

(a) Is notarized ~~[.]~~ or is signed by an authorized agent of the owner who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and

~~[3.]~~ ***4.*** A person convicted of housebreaking and who has previously been convicted three or more times of housebreaking must not be released on probation or granted a suspension of sentence.

~~[4.]~~ ***5.*** As used in this section, "forcibly enters" means an entry involving:

(a) Any act of physical force resulting in damage to the structure; or

(a) Is notarized ~~[,]~~ ***or is signed by an authorized agent of the owner who at the time of signing holds a permit to engage in property management pursuant to chapter 645 of NRS; and***

Motion carried by a constitutional majority.
Bill ordered to enrollment.

Assembly Bill No. 431.
The following Senate amendment was read:
Amendment No. 783.
ASSEMBLYWOMAN BUSTAMANTE ADAMS
JOINT SPONSOR: SENATOR SETTELMEYER

AN ACT relating to alcoholic beverages; revising provisions governing brew pubs; revising provisions governing a supplier of alcoholic beverages; **revising provisions authorizing the operation of wineries in this State;** revising provisions prohibiting a wholesaler dealer of alcoholic beverages from investing money in a retail liquor store; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is licensed to operate a brew pub to operate more than one such brew pub in a county but limits the person to manufacturing not more than 15,000 barrels for all of the brew pubs the person operates in that county in any calendar year. (NRS 597.230) **Section 4** of this bill authorizes a person to operate one or more brew pubs in this State and increases the number of barrels of malt beverages that such a person may manufacture for all the brew pubs he or she operates in this State during a calendar year to 40,000 barrels. **Section 4** additionally authorizes a person who operates one or more brew pubs in this State to transport malt beverages to a licensed person for the purpose of selling the malt beverages at a special event in this State. **Section 3.5** of this bill defines a special event as an event that lasts not longer than 1 calendar day and that occurs at a farmers' market or at an event designated as a county fair. **Section 4** further prohibits a person who operates a brew pub from selling at retail more than 5,000 barrels of malt beverages per calendar year and provides that of the 5,000 barrels, not more than 1,000 barrels may be sold in kegs.

Section 9.5 of this bill requires the Department of Taxation to adopt and enforce regulations necessary to monitor the quantity of malt beverages manufactured pursuant to **section 4**. **Section 10** of this bill specifies that a person licensed to operate a brew pub may not engage in any other activity not authorized pursuant to **section 4** for which a license is required unless the person holds the license for that activity.

Existing law authorizes a winery that is federally bonded and permitted by the Alcohol and Tobacco Tax and Trade Bureau of the United States Department of the Treasury and that obtains a winemaker's license from this State to: (1) produce, bottle, blend and age wine in this State; and (2) sell at retail or serve by the glass on its premises and, if applicable, at one other location, any wine produced, blended or aged by the winery. (NRS 369.200, 597.240) Under federal regulations, an alternating proprietorship is the operation of one or

more wineries by proprietors who use the same premises. (27 C.F.R. § 24.136) Section 4.5 of this bill specifically authorizes operation of a winery by an alternating proprietorship of not more than four proprietors that are federally bonded and permitted and that obtain a winemaker's license from this State to operate a winery in this State.

Existing law defines the term "supplier" for the purposes of the regulation of alcoholic beverages and imposes certain requirements on a supplier of alcoholic beverages. (Chapters 369 and 597 of NRS) **Sections 1 and 9** of this bill include breweries, brew pubs and craft distilleries located in this State within the definition of "supplier" and, thus, impose on such breweries, brew pubs and craft distilleries the requirements of existing law applicable to a supplier. **Section 2** of this bill exempts certain smaller suppliers from the requirement to allow a wholesaler a period of 60 days to correct any failure to comply with the terms of a franchise agreement between the supplier and the wholesaler. **Section 3** of this bill revises certain prohibitions imposed on a supplier by prohibiting a supplier from engaging in certain conduct in relation to a wholesaler who sells, distributes, markets, advertises or promotes the alcoholic beverages produced by the supplier.

Existing law prohibits a wholesale dealer of alcoholic beverages from investing money, directly or indirectly in a retail liquor store. (NRS 369.485) **Section 12** of this bill prohibits the wholesale dealer from making such an investment through a subsidiary or agent.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

The amendment requires the boards referenced in this bill to submit an annual report with certain information to the Legislative Committee on Health Care. It requires the boards referenced in this bill to submit a report to the Legislative Committee on Health Care on or before January 1, 2018, concerning the cost of the board, the fees imposed by the board, and the efforts of the board to recognize licenses and certificates from other jurisdictions. It sunsets the provisions of the bill that relate to authorizing a person aggrieved by an order of any of the boards to appeal that order to the Commission on Behavioral Health on January 1, 2020, and clarifies the language to align with the Board's specific nomenclature for pre and full license registrants.

The following Senate amendment was read:

Amendment No. 697.

AN ACT relating to accountants; revising provisions relating to the qualifications and appointment of members of the Nevada State Board of Accountancy; revising provisions relating to the adoption or amendment of rules of professional conduct by the Board; revising the qualifications for a certificate of certified public accountant; revising certain educational and work experience requirements for a certificate of certified public accountant;

eliminating the requirement that an accounting firm which performs attest services but which does not have an office in this State must register with the Board; providing that such an accounting firm may perform attest services under the same conditions as it practices and performs nonattest services; authorizing the issuance of a cease and desist order to a person believed to be engaged in the unlawful practice of accounting; repealing provisions relating to the registration of public accountants and business entities formed by public accountants; increasing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally provides for the regulation of accountants in this State. (Chapter 628 of NRS) **Sections 1, 3 and 4** of this bill revise definitions relating to services to be performed by accountants to conform with the seventh edition of the Uniform Accountancy Act, published by the American Institute of Certified Public Accountants and the National Association of State Boards of Accountancy.

Section 9 of this bill requires the Nevada State Board of Accountancy to provide notice of proposed new rules of professional conduct or amendments to rules of professional conduct to permit holders by electronic mail rather than by delivery by the United States Postal Service. **Section 10** of this bill removes the requirement that to qualify for a certificate of certified public accountant, the applicant must either be a resident of this State or designate an agent in this State to receive service of process for the applicant. **Sections 11-13** of this bill revise certain educational, work experience and examination requirements for a certificate of certified public accountant.

Section 14.2 of this bill eliminates the requirement that a partnership, corporation, limited-liability company or sole proprietorship must register with the Board in order to perform attest services for a client having his or her home office in this State. (NRS 628.335) Section 14.2 additionally authorizes such a partnership, corporation, limited-liability company or sole proprietorship to perform attest services for a client having his or her home office in this State without registering only if the partnership, corporation, limited-liability company or sole proprietorship meets the existing criteria for nonattest services. Sections 13.5, 14.4-14.8 and 31.5 of this bill make conforming changes necessitated by the revisions to section 14.2.

Section 28 of this bill authorizes the Board to provide another licensing board or agency with otherwise confidential and privileged records relating to a complaint if the Board is cooperating in an investigation by that board or agency. **Section 39** of this bill authorizes the Board to issue a cease and desist order to a person the Board believes to be engaging in certain unlawful acts relating to accounting. **Section 40** of this bill increases the penalty for committing certain unlawful acts relating to accounting from a misdemeanor to a gross misdemeanor.

Section 45 of this bill repeals provisions relating to the registration and regulation of registered public accountants and business entities formed by public accountants. **Sections 5, 6, 8, ~~[14-27, 29-38]~~ 14, 15-27, 29-31, 32-38 and 41-44** of this bill make conforming changes.

Under existing law, the Nevada Society of Certified Public Accountants is required to submit to the Governor the names of at least three persons qualified for membership on the Board for each position on the Board to be filled by a certified public accountant. (NRS 628.075) **Section 7** of this bill authorizes the Nevada Society of Certified Public Accountants to recommend to the Governor the reappointment of a current Board member who is eligible for reappointment without submitting other names for consideration.

2. This chapter, without reference to other statutes of the State, except as specifically provided in this chapter, shall constitute full authority for the authorization and issuance of bonds hereunder. No other law with regard to the authorization or issuance of bonds that provides for an election, requires an approval, or in any way impedes or restricts the carrying out of the acts authorized by this chapter to be done shall be construed as applying to any proceedings taken under this chapter or acts done pursuant thereto, it being intended that this chapter shall provide a separate method of accomplishing its objectives, and not an exclusive one. This chapter must not be construed as repealing, amending or changing any such other law.

Sec. 7. *1. Except as otherwise provided in this chapter, the governing body of any county ~~[,]~~ or city ~~[or town]~~ within this State is hereby vested with jurisdiction, power and authority to create one or more districts within the county ~~[,]~~ or city ~~[or town]~~ which it serves.*

2. No member of a governing body shall be disqualified to perform any duty imposed by this chapter by reason of ownership of property within any proposed district.

Sec. 8.2. 1. The Legislature hereby determines and declares that the procedures contained in sections 8.3 to 8.7, inclusive, of this act are necessary for the coordinated and orderly creation of districts and for the logical extension of services for parks, trails and open space throughout the State.

2. It is the purpose of sections 8.3 to 8.7, inclusive, of this act to prevent unnecessary proliferation and fragmentation of services for parks, trails

and open space, to encourage the extension of existing districts rather than the creation of new districts and to avoid excessive diffusion of local tax sources.

Sec. 8.3. 1. If a resolution is adopted pursuant to paragraph (a) of subsection 1 of section 8 of this act or if the governing body of a county or city considers the creation of a district after receiving a petition pursuant to paragraph (b) of subsection 1 of section 8 of this act, the governing body must create a service plan for the proposed district before the governing body may determine whether to create the district.

2. The service plan must:

(a) Consist of a financial survey and, if applicable, a preliminary engineering or architectural survey showing how the proposed services are to be provided and financed.

(b) Include a map of the boundaries of the proposed district and an estimate of the population and assessed valuation of the proposed district.

(c) Describe the facilities, improvements or projects to be constructed, the standards of such construction, the services to be provided by the district, an estimate of costs, including, without limitation, the cost of acquiring land, engineering services, legal services, proposed indebtedness, including, without limitation, proposed maximum interest rates and any discounts, any other proposed bonds and any other securities to be issued and their type or character, annual operation and maintenance expenses and other major expenses related to the formation and operation of the district.

(d) Outline the details of any arrangement or proposed agreement with any county or city for the performance of any services between the proposed district and such county or city. The form of any such contract to be used, if available, must be attached to the service plan.

3. If the boundaries of a proposed district include territory within more than one county or city, the service plan must be filed with the governing body of each such county or city.

Sec. 8.4. 1. At any regular meeting of the governing body that is considering whether to create a district, the governing body must set a date for a public hearing where the governing body will consider the service plan for the proposed district. The date for the public hearing to consider such a service plan must be not later than 30 days after the date of the regular meeting.

2. The governing body that is considering whether to create a district must provide written notice of the date, time and location of the public hearing on the service plan to:

(a) The county clerk of each county in which the district is to be located;

(b) The governing body of each county or city that has territory within the boundaries of the proposed district;

(c) The governing body of any special district which has levied an ad valorem property tax within the next preceding tax year and has boundaries within a county in which the district is located; and

(d) If the district was initiated by a petition submitted pursuant to paragraph (b) of subsection 1 of section 8 of this act, the persons who submitted the petition.

3. The governing body that is considering whether to create a district must publish legal notice of the date, time, location and purpose of the public hearing on the service plan in a newspaper of general circulation within the county once each week for a period of 3 successive weeks by three publications, the first of which must be at least 20 days before the hearing date. Such publications shall constitute constructive notice to the residents and property owners within the proposed district.

4. If there is a county planning commission or a regional county planning commission, the service plan must be delivered to each such planning commission. Each such county planning commission or regional county planning commission must study the service plan and a representative thereof must present its recommendations to the governing body at the public hearing.

5. At the public hearing of the governing body to consider the service plan, all interested parties must be afforded an opportunity to be heard under such rules of procedure as may be established by the governing body. Any testimony or evidence which in the discretion of the governing body is relevant to the formation of the proposed district must be considered.

Sec. 8.5. 1. Subject to the provisions of section 8.6 of this act, with reference to the review of any service plan for the proposed district, the governing body may:

(a) Approve the service plan without condition or modification;

(b) Disapprove the service plan for any of the reasons listed in section 8.6 of this act; or

(c) Conditionally approve the service plan subject to the submission of additional information relating to or modifying the plan.

2. Within 20 days after the completion of the public hearing, the governing body shall advise all interested parties in writing of its action on the service plan. If the service plan is approved as submitted, a resolution of approval must be issued. If the service plan is disapproved, the specific detailed reasons for such disapproval must be set forth in writing. If the service plan is conditionally approved, the changes or modifications to be made in, or additional information relating to, the service plan together with the reasons for such changes, modifications or additional information shall also be set forth in writing. Upon the incorporation of such changes, modifications or additional information in the service plan for the proposed district, the governing body must issue a resolution of approval.

Sec. 8.6. 1. A governing body shall not approve the service plan for a proposed district if:

(a) There is insufficient existing and projected need for service in the area to be serviced by the proposed district;

(b) The existing service in the area to be served by the proposed district is adequate for present and projected needs;

(c) Adequate service is, or will be, available to the area by other existing municipal or quasi-municipal corporations within a reasonable time and on a comparable basis;

(d) The proposed district is incapable of providing economic and sufficient service to the area within its proposed boundaries;

(e) The area to be included in the proposed district does not have or will not have the financial ability to discharge the proposed indebtedness, other securities, or other obligations to be incurred on a reasonable basis;

(f) The facility, improvement, project and service standards of the proposed district are incompatible with the facility, improvement, project and service standards of adjacent municipalities and special districts;

(g) The proposed district is being formed for the primary purpose of financing the cost of developing private property; or

(h) The governing body determines that the service plan for the proposed district is not in the public interest.

2. If the governing body requests changes or additional information, final approval of the service plan must be contingent upon modification of the service plan to include such changes or additional information.

3. The determinations and findings of the governing body must be based solely upon the service plan and evidence presented at the hearing held pursuant to section 8.4 of this act.

Sec. 8.7. 1. The creation of a district must not be approved before the resolution of approval of the service plan. The approved service plan and the resolution of approval must be incorporated by reference in the ordinance creating the district after there has been a compliance with all other legal procedures for the formation of the proposed district.

2. If the service plan is approved, any interested party is entitled to appear and be heard at the hearing of the governing body held to consider the creation of the district pursuant to section 10 of this act.

3. Upon final approval by a governing body for the formation of the district, the facilities, improvements, projects, services and financial arrangements of the district must conform to the approved service plan.

4. After the organization of a district pursuant to the provisions of this chapter material modifications of the service plan as originally approved may be made by the board of trustees of the district only by petition to and approval by the governing body that formed the district in substantially the same manner as is provided for the approval of an original service plan. Such modifications are required only with regard to changes of a basic or

essential nature and are not required for changes of a mechanical type necessary only for the execution of the original service plan.

5. Any unreasonable departure from the service plan as originally approved, or, if the same has been modified, then from the service plan as modified, may be enjoined at any time by a district court upon motion of the governing body or any interested party.

Sec. 9. *After the [creation of] service plan for a proposed district is [initiated] approved pursuant to [section 8] sections 8.2 to 8.7, inclusive, of this act, and before taking final action to create the district, the governing body shall cause the clerk [shall] to mail written notice to all property owners within the proposed area of the district informing the property owners of the proposed creation of a district. The notice must set forth the proposed name, powers, purpose and boundaries of the district and the time and place of the hearing that will be held by the governing body to determine whether to create the district and where the person may protest its creation.*

Sec. 10. *1. Any person who owns property which is located within the proposed area of the district may, on or before the date of the hearing, submit a written protest to the creation of the district.*

2. The governing body shall give full consideration to all protests which have been submitted and hear all persons desiring to be heard and, thereafter, adopt an ordinance creating the district or determining that the district must not be created.

3. Except as otherwise provided in section 11 of this act, at the hearing to consider the creation of the district or at a subsequent hearing to which the hearing is adjourned, the governing body may create the district by ordinance if the governing body makes findings that the creation of the district is economically sound and feasible.

4. Any ordinance creating a district may [contain] :

(a) Contain changes to the proposed name, powers, purpose or boundaries of the district as may be considered by the governing body to be equitable and necessary.

(b) Require that the creation of the district is only effective upon approval by a majority of voters who live within the boundaries of the district at the next general election.

Sec. 11. *A governing body shall not create a district pursuant to the provisions of this chapter:*

1. If a service plan for the district has not been approved pursuant to sections 8.2 to 8.7, inclusive, of this act.

2. If, at or before the hearing held pursuant to section 10 of this act, a majority of property owners within the proposed area of the district submit written protests to the creation of the district pursuant to that section . [;

~~3.]~~ Such an interlocal agreement may include any provision relating to the district, including, without limitation, provisions related to the:

(a) Formation, operation or funding of the district; or

(b) Selection and membership of the board of trustees of the district.

4. If the proposed boundaries of a district overlap with the boundaries of one or more general improvement districts created pursuant to chapter 318 of NRS and the board of trustees of each such general improvement district has not by resolution consented to the creation of the district.

5. If the governing body determines that the creation of the district is not in the public interest.

Sec. 12. *1. Except as otherwise provided in subsection 2, the adoption of an ordinance creating a district establishes the regular organization of the district, which is a governmental subdivision of this State, a body corporate and politic and a quasi-municipal corporation.*

2. Within 30 days immediately following the effective date of such ordinance any person who has filed a written protest, as provided in section 10 of this act, shall have the right to commence an action in any court of competent jurisdiction to set aside such determination. Thereafter all actions or suits attacking the regularity, validity and correctness of that ordinance and all proceedings, determinations and instruments taken, adopted or made before such ordinance's final passage, shall be perpetually barred.

3. Within 30 days immediately following the effective date of the ordinance creating the district, the governing body shall cause to be filed a copy of the ordinance in the office of the clerk and shall cause to be filed an additional copy of the ordinance in the Office of the Secretary of State, which filings shall be without fee and be otherwise in the same manner as articles of incorporation are required to be filed under chapter 78 of NRS.

Sec. 13. *1. ~~[After]~~ Except as otherwise may be provided in an interlocal agreement entered into pursuant to section 11 of this act, after adopting an ordinance creating a ~~[district and before appointing the first board of trustees for the]~~ district, the governing body ~~[is, ex officio, the board of trustees for the district.~~*

~~[3. The board may enter on any lands, waters and premises for the purposes of making surveys, soundings, examinations, tests and inspections.]~~

Sec. 27. *A board may:*

1. Manage, control and supervise all the business and affairs of the district.

2. Acquire, improve, equip, operate and maintain any district project.

(b) Regulating the use or right of use of any facility, improvement or project.

5. Exercise all rights and powers necessary or incidental to or implied from the specific powers granted in this chapter.

Sec. 28. ~~*[The board may exercise the power of eminent domain in the manner provided by law for the condemnation by a city of private property for public use to take any property necessary to the exercise of the powers granted within the district.]*~~ **(Deleted by amendment.)**

Sec. 29. *1.* ~~*[A]*~~ *With the approval of the appropriate state or local agency, a board may construct and maintain works and establish and maintain facilities, improvements or projects across or along any public street or highway, and in, upon or over any vacant public lands, which public lands are, or may become, the property of this State, and to construct works and establish and maintain facilities, improvements or projects across any stream of water or watercourse.*

2. The board shall promptly restore any such street or highway to its former state of usefulness as nearly as may be, and shall not use the same in such manner as to impair completely or unnecessarily the usefulness thereof.

Sec. 29.5. Any local government located within the boundaries of a district may contribute any part of its revenues for the support of the facilities, improvements or projects of the district.

Sec. 30. *1. A board may , after a public hearing, establish, and from time to time increase or decrease, fees or special assessments for facilities, improvements or projects and pledge the revenue for the payment of any indebtedness or special obligations of the district. A board may not impose any fee or special assessment upon property owned by a governmental entity.*

2. All fees or special assessments constitute a perpetual lien on and against the property located within the district. A perpetual lien is prior and superior to all liens, claims and titles other than liens of general taxes and other special assessments and is not subject to extinguishment by the sale of any property on account of nonpayment of any liens, claims and titles including the liens of general taxes and other special assessments. A perpetual lien must be foreclosed in the same manner as provided by the laws of this State for the foreclosure of mechanics' liens. Before any lien is foreclosed, the board shall hold a hearing thereon after providing notice thereof by publication and by registered or certified first-class mail, postage prepaid, addressed to the last known owner at his or her last known

address according to the records of the district and the real property assessment roll in the county in which the property is located.

3. The board may provide for a basic penalty for nonpayment of the charges within the time and in the manner prescribed by it. The basic penalty must not be more than 10 percent of each month's charges for the first month delinquent. In addition to the basic penalty, the board may provide for a penalty of not more than 1.5 percent per month for nonpayment of the charges and basic penalty. The board may prescribe and enforce regulations that set forth the date on which a charge becomes delinquent. The board may provide for collection of the penalties provided for in this section.

4. A lien against the property served is not effective until a notice of the lien, separately prepared for each lot affected, is:

(a) Mailed to the last known owner at his or her last known address according to the records of the district and the real property assessment roll of the county in which the property is located;

(b) Delivered by the board to the office of the county recorder of the county within which the property subject to such lien is located;

(c) Recorded by the county recorder in a book kept by the county recorder for the purpose of recording instruments encumbering land; and

(d) Indexed in the real estate index as deeds and other conveyances are required by law to be indexed.

Sec. 30.5. 1. If an employee of a district or other person has a reasonable belief that a dwelling unit exists that is not currently being charged for services provided by a district in a county whose population is less than 700,000, the employee or other person may submit an affidavit to the board of trustees of the district, setting forth the facts upon which the employee or other person bases his or her belief, including, without limitation, personal knowledge and visible indications of use of the property as a dwelling unit.

2. If a board of trustees receives an affidavit described in subsection 1, the board may set a date for a hearing to determine whether the unit referenced in the affidavit is being used as a dwelling unit. At least 30 days before the date of such a hearing, the board shall send a notice by certified mail, return receipt requested, to the owner of the property where the unit referenced in the affidavit is located at the address listed in the real property assessment roll in the county in which the property is located. The notice must specify the purpose, date, time and location of the hearing.

3. Except as otherwise provided in this subsection, if, after the hearing, the board determines that the unit referenced in the affidavit submitted pursuant to subsection 1 is being used as a dwelling unit, the board may adopt a resolution by the affirmative votes of not less than two-thirds of the total membership of the board to charge the owner pursuant to section 30 of this act for the services provided by the district to the dwelling unit. The board shall not adopt such a resolution if the owner provides evidence

satisfactory to the board that the unit referenced in the affidavit is not being used as a dwelling unit.

4. As used in this section:

(a) "Dwelling unit" means a structure that is designed for residential occupancy by one or more persons for living and sleeping purposes, consisting of one or more rooms, including a bathroom and kitchen. The term does not include a hotel or a motel.

(b) "Kitchen" means a room, all or part of which is designed or used for storage, refrigeration, cooking and preparation of food.

(c) "Owner" means a person to whom the parcel of real property upon which the unit referenced in an affidavit submitted pursuant to subsection 1 is located is assessed in the most recent assessment roll available.

Sec. 31. ***1. Any board which has adopted fees or special assessments pursuant to this chapter may, by resolution or by separate resolutions, elect to have such charges for the forthcoming fiscal year collected on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the county's general taxes. In such event, it shall cause a written report to be prepared and filed with the secretary, which shall contain a description of each parcel of real property in the district and the amount of the charge for each parcel for such year, computed in conformity with the charges prescribed by the resolution.***

2. The powers authorized by this section are alternative to all other powers of the district, and alternative to other procedures adopted by the board for the collection of such charges.

3. The real property may be described by reference to maps prepared by and on file in the office of the county assessor or by descriptions used by the county assessor, or by reference to plats or maps on file in the office of the secretary.

~~[3.]~~ 4. The board may make the election specified in subsection 1 with respect only to delinquent charges and may do so by preparing and filing the written report, giving notice and holding the hearing therein required only as to such delinquencies.

5. The secretary shall cause notice of the filing of the report and of a time and place of hearing thereon to be published once a week for 2 weeks prior to the date set for hearing, in a newspaper of general circulation printed and published within the district if there is one and if not then in such paper printed and published in a county within which the district is located.

~~[4.]~~ 6. Before the board may have such charges collected on the tax roll, the secretary shall cause a notice in writing of the filing of the report proposing to have such charges for the forthcoming fiscal year collected on the tax roll and of the time and place of hearing thereon, to be mailed to each person to whom any parcel or parcels of real property described in the report is assessed in the last equalized assessment roll available on the date the report is prepared, at the address shown on the assessment roll or as

known to the secretary. If the board adopts the report, then the requirements for notice in writing to the persons to whom parcels of real property are assessed does not apply to hearings on reports prepared in subsequent fiscal years but notice by publication as provided in this section is adequate.

~~[5.]~~ 7. At the time stated in the notice, the board shall hear and consider all objections or protests, if any, to the report referred to in the notice and may continue the hearing from time to time. If the board finds that protest is made by the owners of a majority of separate parcels of property described in the report, then the report must not be adopted and the charges must be collected separately from the tax roll and must not constitute a lien against any parcel or parcels of land.

~~[6.]~~ 8. Upon the conclusion of the hearing, the board may adopt, revise, change, reduce or modify any charge or overrule any or all objections and shall make its determination upon each charge as described in the report, which determination is final.

~~[7.]~~ 9. After the hearing, when the board has made a final decision on a fee or special assessment to be collected on the county tax roll, not later than June 1, the secretary shall prepare and file a final report, which shall contain a description of each parcel in the district and the amount of the charge, with the county assessor for inclusion on the assessment roll. If a report is filed after the closing of the assessment roll but before the extension of the tax roll, the auditor shall insert the charges in such extension.

~~[8.]~~ 10. The amount of the charges shall constitute a lien against the lot or parcel of land against which the charge has been imposed as of the time when the lien of taxes on the roll attach.

~~[9.]~~ 11. The county treasurer shall include the amount of the charges on bills for taxes levied against the respective lots and parcels of land. Thereafter the amount of the charges shall be collected at the same time and in the same manner and by the same persons as, together with and not separately from, the general taxes for the county. The charges shall become delinquent at the same time as such taxes and are subject to the same delinquency penalties.

~~[10.]~~ 12. All laws applicable to the levy, collection and enforcement of general taxes of the county, including, without limitation, those pertaining to the matters of delinquency, correction, cancellation, refund, redemption and sale, are applicable to such charges.

~~[11.]~~ 13. The county treasurer may issue separate bills for such charges and separate receipts for collection on account of such charges.

14. At the request of a county treasurer or county assessor, the board must pay the county treasurer or county assessor for the cost of services provided to the district by the county treasurer or county assessor, as applicable. The cost shall not be more than the actual additional expense to

the county treasurer or county assessor, as applicable, for performing such services.

Sec. 32. *1. When a district is contained wholly within a city , ~~[or town,]~~ the board may convey to such city , ~~[or town,]~~ at the discretion of the district and with the consent of the governing body of the city , ~~[or town,]~~ all of the property of the district upon the condition that such city : ~~[or town:]~~*

(a) Will operate and maintain such property; and

(b) Assumes all of the indebtedness of such district upon such conditions as the governing body of the city ~~[or town]~~ and the board of the district may agree.

2. Upon such conveyance and assumption of indebtedness, the district shall be dissolved and a certificate to such effect shall be signed by the clerical officer of the city ~~[or town]~~ and filed with the Secretary of State and clerk of the county or city in which the ordinance creating the district was filed.

Sec. 33. *1. Any county, city, ~~[town,]~~ special district or owner may sell, lease, grant, convey, transfer or pay over to any district, with or without consideration, any facility, improvement or project, or any part thereof, or any interest in real or personal property or any money available for the construction, improvement, maintenance or operation of any facility, improvement or project.*

2. Any county, city ~~[, town]~~ or special district may transfer, assign and set over to any district any contracts which may have been awarded by the county, city ~~[, town]~~ or special district for the construction of facilities, improvements or projects not begun or completed.

Sec. 34. ~~*[In]*~~

1. Except as otherwise provided in this section, in addition to the other means for providing revenue for the district, a board may levy and collect ad valorem taxes on and against all taxable property within the district.

2. A board shall not levy or collect ad valorem taxes on and against any taxable property within the district unless the board has entered into an interlocal agreement with each county in which the district is located. Any such interlocal agreement must include, without limitation, the consent of each board of county commissioners of a county where the district is located for the board of trustees to levy and collect ad valorem taxes on and against all taxable property within the district.

3. The provisions of this section do not authorize a board of trustees to levy and collect ad valorem taxes on property owned by a governmental entity.

Sec. 35. *1. To levy and collect ad valorem taxes ~~[,]~~ pursuant to section 34 of this act, a board shall determine, in each year, the amount of money necessary to be raised by taxation, taking into consideration other sources of revenue of the district, and shall fix a rate of levy which, when levied upon every dollar of assessed valuation of taxable property within*

the district, and together with other revenues, will raise the amount required by the district annually to supply money for paying:

(a) The expenses of organization and the costs of operating and maintaining the facilities, improvements and projects of the district; and

(b) The costs of facilities, improvements and projects of the district and, when due, all interest on and principal of general obligation bonds and other general obligations of the district.

➥ In the event of accruing defaults or deficiencies, an additional levy may be made as provided in section 36 of this act. The board shall identify separately the rate of tax which is levied pursuant to paragraph (a) and the rate which is levied pursuant to paragraph (b) and shall make such information available to the public upon request. The board shall not continue to levy a rate of tax pursuant to paragraph (b) after the cost to the district of acquiring the particular facility, improvement or project for which the rate was levied has been recovered in full.

2. The board shall certify to the board of county commissioners, at the same time as fixed by law for certifying thereto tax levies of incorporated cities, the rate so fixed with directions that at the time and in the manner required by law for levying taxes for county purposes such board of county commissioners shall levy such tax upon the assessed valuation of all taxable property within the district, in addition to such other taxes as may be levied by such board of county commissioners at the rate so fixed and determined.

Sec. 36. *1. A board, in certifying annual levies, must take into account the maturing general obligation indebtedness for the ensuing year as provided in its contracts, maturing general obligation bonds and interest on such bonds, and deficiencies and defaults of prior years, and make ample provision for the payment thereof.*

2. If the money produced from such levies, together with other revenues of the district, is not sufficient punctually to pay the annual installments on such obligations, and interest thereon, and to pay defaults and deficiencies, the board shall make such additional levies of taxes as may be necessary for such purposes, and such taxes must be made and continue to be levied until the general obligation indebtedness of the district is fully paid but must not continue after that date.

Sec. 37. *1. The body having authority to levy taxes within each county shall levy the taxes provided in this chapter.*

2. All officials charged with the duty of collecting taxes shall collect such taxes at the time and in the same form and manner, and with like interest and penalties, as other taxes are collected and when collected shall pay the same to the district ordering its levy and collection. The payment of such collections shall be made monthly to the treasurer of the district and paid into the depository thereof to the credit of the district.

3. All taxes levied under this chapter, together with interest thereon and penalties for default in payment thereof, and all costs of collecting the

same, shall constitute, until paid, a perpetual lien on and against the property taxed; and such lien shall be on a parity with the tax lien of other general taxes.

Sec. 38. *If the taxes levied are not paid as provided in this chapter, the property subject to the tax lien shall be sold and the proceeds thereof shall be paid over to the district according to the provisions of the laws applicable to tax sales and redemptions.*

Sec. 39. ~~*[Whenever]*~~ *Subject to the provisions of subsection 2 of section 34 of this act, whenever any indebtedness or other obligations have been incurred by a district, it shall be lawful for the board to levy taxes and collect revenue for the purpose of creating funds in such amount as the board may determine, which may be used to meet the obligations of the district, for maintenance and operating charges and depreciation, and provide extension of and betterments to the improvements of the district.*

Sec. 40. *1. The boundary of any district organized under the provisions of this chapter may be changed in the manner prescribed in sections 41 and 42 of this act, but the change of boundaries of the district must not impair nor affect its organization, nor shall it affect, impair or discharge any contract, obligation, lien or charge on which it or the property therein might be liable or chargeable had such change of boundaries not been made.*

2. Property included within or annexed to a district shall be subject to the payment of taxes, assessments and charges, as provided in section 42 of this act. Real property excluded from a district shall thereafter be subject to the levy of taxes for the payment of its proportionate share of any indebtedness of the district outstanding at the time of such exclusion, and shall be subject to any outstanding special assessment lien thereon. Personal property may be excluded from a district on such terms and conditions as may be prescribed by the board of the district involved.

Sec. 41. *1. A fee owner of real property located in the district, or the fee owners of any real properties which are contiguous to each other and which constitute a portion of the district may file with the board a petition requesting that such lands be excluded from the district.*

2. Petitions must:

(a) Describe the property which the petitioners desire to have excluded.

(b) State that the property is not capable of being served with facilities, improvements or projects of the district, or would not be benefited by remaining in the district.

(c) Be acknowledged in the same manner and form as required in case of a conveyance of land.

(d) Be accompanied by a deposit of money sufficient to pay all costs of the exclusion proceedings.

3. The secretary of the board shall cause a notice of filing of such petition to be published, which notice must:

(a) State the filing of such petition.

(b) State the names of the petitioners.

(c) Describe the property mentioned in the petition.

(d) State the request of the petitioners.

(e) Notify all persons interested to appear at the office of the board at the time named in the notice, showing cause in writing, if any they have, why the petition should not be granted.

4. The board at the time and place mentioned in the notice, or at the times to which the hearing of the petition may be adjourned, shall proceed to hear the petition and all objections thereto, presented in writing by any person showing cause why the request of the petition should not be granted.

5. The filing of such petition shall be deemed and taken as an assent by each and all such petitioners to the exclusion from the district of the property mentioned in the petition, or any part thereof.

6. The board, if it deems it not for the best interest of the district that the property mentioned in the petition, or portion thereof, be excluded from the district, must order that the petition be denied in whole or in part, as the case may be.

7. If the board deems it for the best interest of the district that the property mentioned in the petition, or some portion thereof be excluded from the district, the board must order that the petition be granted in whole or in part, as the case may be.

8. There shall be no withdrawal from a petition after consideration by the board nor shall further objection be filed except in case of fraud or misrepresentation.

9. Upon allowance of such petition, the board shall file for record a certified copy of its resolution making such change, as provided in section 12 of this act.

Sec. 42. *The boundaries of a district may be enlarged by the inclusion of additional real property therein in the following manner:*

1. The fee owner or owners of any real property capable of being served with facilities, improvements or projects of the district may file with the board a petition in writing requesting that such property be included in the district.

2. The petition must:

(c) Be acknowledged in the same manner required for a conveyance of land.

3. There shall be no withdrawal from a petition after consideration by the board nor shall further objections be filed except in case of fraud or misrepresentation.

4. The board shall hear the petition at an open meeting after publishing the notice of the filing of such petition, and of the place, time and date of such meeting, and the names and addresses of the petitioners. The board shall grant or deny the petition and the action of the board is final and conclusive. If the petition is granted as to all or any of the real property therein described, the board must make an order to that effect, and file it for record as provided in section 12 of this act.

5. If the costs of extending the facilities, improvements or projects of the district are paid by the property owners of the area to be included within the district, these property owners are entitled to receive any money charged and collected by the district when additional property owners utilize the facilities, improvements or projects which were extended.

6. The board of trustees of the district shall pay to the property owners pro rata shares of the money charged and collected.

7. After the date of its inclusion in such district, such property is subject to all of the taxes and charges imposed by the district, and is liable for its proportionate share of existing general obligation bonded indebtedness of the district but it is not liable for any taxes or charges levied or assessed prior to its inclusion in the district, nor shall its entry into the district be made subject to or contingent upon the payment or assumption of any penalty, toll or charge, other than any reasonable annexation charge which the board may fix and uniformly assess and the tolls and charges which are uniformly made, assessed or levied for the entire district. Such charges shall be computed in such a manner as not to place a new charge against the district members nor penalize the area annexed.

Sec. 43. *1. Upon the conditions and under the circumstances set forth in this chapter, a district may borrow money and issue the following securities to evidence such borrowing:*

Sec. 45. *1. A district, upon the affirmative vote of four trustees, is authorized to borrow money without an election in anticipation of the collection of taxes or other revenues, excluding special assessments, and to issue short-term notes, warrants and interim debentures to evidence the amount so borrowed.*

2. Such short-term notes, warrants and interim debentures:

(a) Shall be payable from the fund for which the money was borrowed.

A single bond issue may be had for more than one of such facilities, improvements or projects and the revenues for any and all of the income-producing facilities, improvements and projects may be pledged to pay for any other such facilities, improvements or projects. Sec. 48. *1. Legislative Counsel's Digest:

Existing law governs generally the employment of persons in the classified and unclassified service of the State. Existing law further establishes the duties of the Administrator of the Division of Human Resource Management of the Department of Administration with regard to administering competitive examinations of persons seeking employment in the classified service of the State and maintaining a list of eligible persons for employment in the classified service. (Chapter 284 of NRS) Under existing law, the Administrator may refuse to examine an applicant or refuse to certify an eligible person if the person has been found guilty of any crime involving moral turpitude or of infamous or notoriously disgraceful conduct. (NRS 284.240)

Section 2 of this bill provides, with exceptions, that the criminal history of an applicant or other qualified person under consideration for employment in the unclassified service of the State may be considered only after ~~[an]~~ **the earliest of: (1) the final interview conducted in person; (2) the** appointing authority has made a conditional offer of employment to the applicant **;** or ~~[,]~~ **(3)** if applicable, the applicant has been certified by the Administrator. **Section 3** of this bill prohibits the Administrator from considering the criminal history of an applicant in examining the applicant. Additionally, **section 3** provides, with exceptions, that the criminal history of an applicant for a position in the classified service may be considered only after the **earliest of: (1) the final interview conducted in person; (2) the** applicant has been certified by the Administrator **;** or ~~[an]~~ **(3) the** appointing authority has made a conditional offer of employment to the applicant. **Sections 2 and 3** set forth specific factors that must be considered by an appointing authority or the Administrator before the criminal history of an applicant may be used as the basis for rescinding a conditional offer of employment or for rejection of the applicant, including: (1) whether any criminal offense **charged against or** committed by the person directly relates to the responsibilities of the position for which the person has applied; (2) the nature and severity of each criminal offense **charged against or** committed by the person; (3) the age of the person at the time of the commission of each criminal offense; (4) the period of time between the commission of each criminal offense and the date of the application for employment; and (5) any information or documentation demonstrating the person's rehabilitation. **Sections 5, 6 and 6.3** of this bill establish similar provisions relating to the consideration by the governing body of a county, incorporated city or unincorporated town, respectively, of the criminal history of an applicant for employment by the county, incorporated city or unincorporated town. **Sections 2, 3, 5, 6 and 6.3** provide that if the criminal history of an applicant is used as the basis for rejecting the applicant or rescinding a conditional offer of employment extended to the applicant, the appointing authority or the governing body of the county, incorporated city or unincorporated town, as applicable, must provide to the applicant a written statement which must specifically state the

evidence presented and the reason for the rejection of the applicant or rescission of the conditional offer of employment. **Sections 2, 3, 5, 6 and 6.3** also prohibit the appointing authority or the governing body of a county, incorporated city or unincorporated town from considering certain criminal records. **Sections 2, 3, 5, 6 and 6.3** also require the appointing authority or the governing body of a county, incorporated city or unincorporated town to include certain information in an application for employment. **Sections 2, 3, 5, 6 and 6.3** do not apply to ~~[applicants]~~ **any applicant** for employment ~~[with a public safety agency.]~~ **: (1) as a peace officer or firefighter; or (2) in any position that entails physical access to a computer or other equipment used for access to the Nevada Criminal Justice Information System or the National Crime Information Center.**

Existing law declares certain employment practices to be unlawful and authorizes any person injured by such a practice to file a complaint with the Nevada Equal Rights Commission. Generally, the Commission has jurisdiction only over practices involving discrimination on the basis of race, color, sex and certain other enumerated characteristics. (NRS 613.330, 613.405) **Section 6.5** of this bill provides that an employer that is subject to the requirements of **section 2, 3, 5, 6 or 6.3** and fails to follow the procedure required by those sections in considering the criminal history of an applicant for employment thereby engages in an unlawful employment practice. **Section 6.7** of this bill provides that the applicant in such a case may file a complaint with the Commission, regardless of whether the complaint is based on race, color, sex or some other characteristic enumerated in existing law.

AN ACT relating to education; revising provisions governing the membership of the English Mastery Council; revising provisions concerning reporting and monitoring of criminal cases and actions taken pursuant to criminal convictions of certain charter school employees and applicants for employment; revising provisions relating to the suspension of a license to teach; revising provisions relating to the qualifications for the issuance of a license to teach middle school, junior high school education or secondary education; revising provisions relating to reciprocal licensure; providing that teachers and other educational personnel may obtain a license to teach pupils in a program of early childhood education; revising provisions governing the assignment of certain teachers and administrators; revising provisions governing the Commission on Professional Standards in Education; requiring that any cost associated with employing a substitute teacher while a teacher who is a member of certain councils or commissions attends meetings must be paid by certain persons or governmental entities; transferring, from the State Board of Education to the Commission on Professional Standards in Education, responsibility for prescribing standards for approval of a course of study or training offered by an educational institution to qualify a person to

be a teacher or administrator or perform other educational functions; authorizing the Department of Education to waive certain fees for licensure for certain veterans and members of the Armed Forces and their spouses; requiring each school district to submit to the Department the overall performance rating for each licensed employee employed by the district; **revising provisions relating to professional development training;** authorizing the Department to charge and collect certain fees for the monitoring of certain criminal cases; authorizing the Department to charge and collect a fee to review certain information submitted by a prospective applicant for licensure; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 21 of this bill adds a license to teach pupils in a program of early childhood education to the kinds of licenses available for teachers and other educational personnel. **Section 21** also removes language specifying the particular grades the holder of a license to teach middle school or junior high school may teach and instead authorizes such a person to teach in any middle school or junior high school. **Section 24** of this bill increases the minimum amount of the fee that the Commission on Professional Standards in Education may impose for the issuance or renewal of a license to teach. **Section 24** authorizes the Department of Education to waive this fee for veterans of the Armed Forces, members of the Armed Forces who are on active duty and the spouses of such veterans and members of the Armed Forces.

Section 13 of this bill authorizes the Department of Education to charge and collect a fee to: (1) review information pertaining to a person's qualifications for a license to teach or perform other educational functions; and (2) provide feedback to the person concerning whether the information submitted indicates that the person may satisfy one or more of the requirements for the issuance of a license and, if so, the kind of license for which the person may be eligible.

Section 13 requires any such fee that is collected to be applied toward the fee prescribed for the issuance of a license if the Department determines from the information submitted that the person satisfies the requirements for the issuance of a license. Existing law creates the English Mastery Council and requires the Council to include two members who hold a master's degree to teach English as a second language and meet certain other criteria. (NRS 388.409) **Section 1.7** of this bill provides that these two members may hold an endorsement to teach English as a second language instead of holding a master's degree.

Existing law requires the Department to adopt regulations that establish a procedure for the notification, tracking and monitoring of the status of criminal cases involving licensed educational personnel. (NRS 391.055) **Section 4** of this bill requires the Department to adopt regulations that establish a similar procedure for the notification, tracking and monitoring of

the status of criminal cases involving teachers and administrators who are employed by a charter school but are not licensed.

Existing law requires the board of trustees of each school district and the governing body of each charter school to adopt a policy which requires a licensed employee of the school district or charter school to report to the school district or charter school if the employee is arrested for or convicted of a crime. (NRS 391.056) **Section 5** of this bill requires the governing body of a charter school to adopt a similar policy regarding a teacher or administrator who is not licensed but who is employed by a charter school as a teacher or administrator.

Existing law requires the superintendent of schools of each school district and the administrative head of each charter school to submit certain information relating to the arrest of a licensed employee to the Department. (NRS 391.057) **Section 6** of this bill requires the administrative head of each charter school to submit information relating to the arrest of an unlicensed teacher or administrator to the Department.

Existing law provides immunity from civil or criminal liability for any person who makes a report, causes or conducts an investigation, or submits information relating to a licensed employee who is arrested for or convicted of a crime. (NRS 391.059) **Section 7** of this bill extends this immunity from liability to every person who makes a report, causes or conducts an investigation or submits information relating to an unlicensed teacher or administrator who is arrested for or convicted of a crime.

Existing law authorizes the State Board of Education, after notice and an opportunity for a hearing, to suspend or revoke the license of any teacher, administrator or other licensed employee under certain circumstances, including, without limitation, conviction of the teacher, administrator or other licensed employee of a felony, a crime involving moral turpitude or certain sex offenses. (NRS 391.330) **Section 8** of this bill requires the governing body of a charter school to terminate the employment of any teacher or administrator who is employed by the charter school but is not licensed upon conviction of a felony, a crime involving moral turpitude or certain sex offenses.

Section 26 of this bill provides that the board of trustees of a school district need only seek to obtain the consent of a principal before transferring certain teachers or administrators to a school. **Section 26** also requires the superintendent of a school district to submit the plan to address the assignment of certain teachers and administrators to the State Board of Education. **Sections 10 and 27** of this bill authorize the Superintendent of Public Instruction to prescribe the date by which each charter school and school district must submit certain information regarding licensed employees employed by the governing body of the charter school or the school district during that year.

Section 27 requires the information submitted by a school district to include the overall performance rating of each licensed employee employed by the school district.

Existing law provides that if an employee's license lapses during a time that school is in session, a certain period must pass before the employee is suspended from employment. (NRS 391.3015) **Section 29** of this bill provides that if the Superintendent denies an application for renewal of a license, the licensee may be suspended immediately.

Under existing law, the membership of the Advisory Council on Parental and Family Engagement, the Commission on Professional Standards in Education, the Teachers and Leaders Council of Nevada and the Statewide Council for the Coordination of the Regional Training Programs includes one or more members who are teachers. (NRS 385.610, 391.015, 391.455, 391A.130) **Section 1** of this bill provides that any costs associated with employing a substitute teacher while a member who is a teacher attends a meeting of the Advisory Council **[,]** **must be paid by** the school district or charter school that employs the member **.** ~~[is responsible for such costs.]~~ **Sections 18, 30 and 31** of this bill also require the school district or charter school that employs the teacher to pay the cost associated with employing a substitute needed for a teacher to serve on one of the other bodies but also allow the organization that submitted the name of the member to the Governor for appointment to pay the cost.

Sections 15-17 of this bill revise provisions governing the membership, terms and officers of the Commission on Professional Standards in Education.

Existing law requires the Commission on Professional Standards in Education to adopt regulations governing examinations for the initial licensing of teachers and authorizes the Commission to provide an exemption from such examinations for teachers and other educational personnel from another state under certain circumstances. (NRS 391.021, 391.032) **Section 19** of this bill requires the regulations establishing these qualifications to require an applicant for a license to teach middle school, junior high school or high school to demonstrate proficiency in a field of specialization or area of concentration by successfully completing certain course work or passing a subject matter competency examination prescribed by the Department. **Sections 19, 20, 22 and 25.5** of this bill revise provisions governing initial licensure for teachers and educational personnel from other states who obtain a reciprocal license.

Section 23.3 of this bill transfers, from the State Board to the Commission on Professional Standards in Education, responsibility for prescribing standards for approval of a course of study or training offered by an educational institution to qualify a person to be a teacher or administrator or perform other educational functions. **Sections 23.5 and 25.7** of this bill make conforming changes.

The following Senate amendment was read:

Amendment No. 851.

AN ACT relating to education; revising provisions relating to pupil ~~[achievement]~~ data as a component of the statewide performance evaluation

system for employees; **requiring certain educational personnel to develop learning goals for pupils to measure pupil growth; providing for a review of the statewide performance evaluation system and the manner in which a school carries out certain evaluations; increasing the percentage of an evaluation of certain educational personnel that is based on pupil growth; revising the manner in which such evaluations are conducted;** revising provisions relating to the number of evaluations that certain ~~[employees]~~ **educational personnel** are required to receive; revising provisions relating to the Teachers and Leaders Council; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Education to adopt regulations establishing a statewide performance evaluation system for evaluating the performance of certain employees. **(NRS 391.465) Section 1.1 of this bill requires each teacher, principal, vice principal and other administrator who provides direct instructional services to pupils at a school to develop learning goals for such pupils. Section 1.1 requires the Department of Education to establish a list of assessments that may be used by a school or school district to measure the achievement of these learning goals. Section 1.1 also requires: (1) the board of trustees of each school district to ensure that the learning goals measure pupil growth in accordance with the criteria established by regulation of the State Board; and (2) that each teacher and administrator who establishes learning goals be evaluated in accordance with the criteria established by the State Board to determine the extent to which the learning goals of the pupils were achieved.**

Existing law requires ~~[this]~~ **the statewide performance evaluation** system to: (1) require that an employee's overall performance be determined to be highly effective, effective, minimally effective or ineffective; and (2) include a process for peer evaluation of teachers. (NRS 391.465) **Section 2** of this bill: (1) removes the term "minimally effective" and replaces it with the term "developing"; and (2) changes the term "peer evaluation" to "peer observation." **Sections 1, 1.5 and 3.5-5.7** of this bill make conforming changes. **Section 2** also provides that an administrator at the district level who provides direct supervision of the principal of a school and who also serves as the superintendent of schools of a school district must not be evaluated using the statewide performance evaluation system.

Existing law generally requires the statewide performance evaluation system to include a requirement that pupil achievement data account for at least 40 percent of an evaluation and that such data be derived both from statewide examinations and assessments and certain assessments approved by the board of trustees of a school district. (NRS 391.465) **Section 2** instead requires pupil ~~[achievement data]~~ **growth, as determined pursuant to section 1.1,** to account for ~~[20 percent of an]~~ **this portion of the** evaluation. Section ~~[2 also requires this data to be generated from the relevant school or~~

~~school district.]~~ **5.9 of this bill provides that, for the 2017-2018 school year, pupil growth must account for 20 percent of the evaluation of a teacher or administrator.**

Section 1.2 of this bill requires the: (1) State Board to annually review the statewide performance evaluation system to ensure accuracy and reliability; and (2) board of trustees of each school district to annually review the manner in which a school in the school district carries out the evaluation of teachers and administrators pursuant to the statewide performance evaluation system. Section 1.2 also authorizes the Department to review the manner in which the statewide performance evaluation system is carried out by each school district.

Existing law establishes the Teachers and Leaders Council of Nevada and prescribes the membership of the Council. (NRS 391.455) **Section 1.3** of this bill adds an additional member to the Council, who must be a school counselor, psychologist, speech-language pathologist, audiologist or social worker.

Existing law requires each postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as effective or highly effective to receive one evaluation in the next school year. (NRS 391.690, 391.710) **Sections 4 and 5** of this bill instead require a postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as highly effective for 2 consecutive school years to **: (1) participate in one observation cycle in the school year immediately following the school year in which the postprobationary teacher or administrator receives a second consecutive evaluation designating his or her performance as highly effective and; (2)** receive one evaluation in the ~~[next 2]~~ school ~~[years.]~~ **year immediately following the school year in which the postprobationary teacher or administrator participated in the observation cycle.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 391 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.1 and 1.2 of this act.**

Sec. 1.1. ***1. Each teacher at a school in a school district shall, in consultation with the principal of the school at which the teacher is employed or other administrator who is assigned by the principal, develop learning goals for the pupils of the teacher for a specified period.***

2. Assemblyman Thompson moved that the Assembly concur in the Senate Amendment No. 851 to Assembly Bill No. 320.

Remarks by Assemblyman Thompson.

ASSEMBLYMAN THOMPSON:

The amendment requires educational personnel to develop learning goals for students. It requires the use of student growth on those learning goals in personnel evaluations at 20 percent in school year 2017-2018, and 40 percent thereafter. It requires the state and local school boards to annually review evaluation outcomes, allows the Department of Education to review implementation of the evaluation system, and clarifies provisions regarding post-probationary employees who are rated as highly effective for two years in a row.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Legislative Counsel's Digest:

Under existing law, common motor carriers of passengers and contract motor carriers of passengers are subject to supervision and regulation by the Nevada Transportation Authority, with some exceptions. (NRS 706.166)

Section 1 of this bill requires a common motor carrier of passengers, contract motor carrier of passengers and any other person or entity, other than a taxicab motor carrier, providing a means of public conveyance and transportation operating in this State and which transports for compensation certain persons with disabilities, commonly referred to as "paratransit services," to ensure that: (1) each vehicle used in the transport is equipped with a first-aid kit; and (2) each driver of a vehicle used for the transport receives training in first aid and cardiopulmonary resuscitation. **Section 1** also requires the carrier, person or entity to: (1) provide the training in first aid and cardiopulmonary resuscitation or arrange for its provision for the driver; (2) pay for the training; and (3) compensate each driver for the time spent receiving the training. **Section 1 provides an exemption from these requirements for a taxicab motor carrier or a transportation network company which provides paratransit services under a contract with any entity required to provide such services.** Existing law makes a violation of

this requirement a misdemeanor. (NRS 706.756) **Sections 2-5** of this bill make conforming changes. ~~[Section 6 of this bill provides that the provisions of this bill do not apply during the current term of any employment agreement between the motor carrier, person or entity and the employee drivers of the motor carrier, person or entity entered into before the effective date of this bill, but do apply to any extension or renewal of such an agreement and to any such agreement entered into on or after the effective date of this bill.]~~

The following Senate amendment was read:

Amendment No. 812.

SUMMARY—Makes various changes relating to school ~~[buses.]~~ **vehicles.** (BDR 43-36)

AN ACT relating to school ~~[buses;]~~ **vehicles;** revising the definition of a school bus for certain purposes; **authorizing a school district to lease school buses or vehicles belonging to the school district in certain circumstances;** revising provisions relating to the inspection of school buses; requiring new school buses purchased on or after a certain date be equipped with safety belts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a definition of a school bus for the purposes of certain laws regarding traffic laws and rules of the road. (NRS 484A.230) **Section 1** of this bill revises the definition of school bus to specify that such a vehicle must be "designed or used to carry more than 10 passengers in addition to the driver." This definition more closely comports with the definition of a school bus in the Federal Motor Carrier Safety Regulations. (49 C.F.R. § 390.5)

Existing law provides various restrictions on and requirements for a school bus, including required evacuation drills, adoption of a safety program, driver qualifications and training, and standards for how a school bus used to transport pupils must be equipped. (NRS 386.790-386.845) **Section 2** of this bill provides that the revised definition of school bus in **section 1** applies to all such existing laws. The revised definition of school bus in **section 1** also applies to various other uses of the term throughout title 34 of NRS, regarding such topics as the use of transportation funds by a school district to purchase school buses, the extension of the safe and respectful learning environment to include school buses, the prohibition on bullying and cyber-bullying on school buses, the authorization procedures for a pupil to self-administer certain medications on a school bus and the provision for suspension or expulsion of a pupil for certain behaviors committed on a school bus. (NRS 386.795, 388.132, 388.135, 392.425, 392.466)

Sections ~~[3]~~ **3.2 and 4** of this bill require that any new school bus which is purchased by a school district on or after July 1, 2019, must be equipped with a shoulder-harness-type safety belt assembly for each permanent seating position for passengers. The safety belts must meet certain federal standards

and specifications. **Section 6** of this bill imposes those same requirements on a private school which purchases a new school bus to transport pupils.

Existing law authorizes the board of trustees of a school district to allow school buses or vehicles belonging to the school district to be used for the transportation of public school pupils and children in certain circumstances. (NRS 386.790, 386.815) Sections 3.4 and 3.6 of this bill authorize a board of trustees to enter into a written agreement to lease school buses or vehicles belonging to the school district for special events taking place within the county in which the school district is located when a commercial bus is not reasonably available under certain circumstances. Section 3.4 also requires that any such agreement include provisions requiring the lessee to: (1) provide a security deposit; (2) pay a fee for the use of the school bus or vehicle; (3) accept responsibility for any damage to the bus or vehicle; (4) provide indemnification to the lessor school district and the school district's bus driver against any claim; (5) provide proof that each driver is licensed under the laws of this State and proof of insurance; (6) provide proof of a permit or other approval for the special event, if required by a governmental entity; (7) give preference to hiring a driver who is employed by the school district; and (8) acknowledge that the lessee is not entitled to the limitation on damages that applies to government employees and entities. (NRS 41.035) Additionally, section 3.4 limits the number of school buses and vehicles a school district may lease during any period of time to not more than 8.5 percent of the total number of school buses and vehicles belonging to that school district.

Under existing law, agents and employees of the Department of Motor Vehicles are required to inspect school buses to determine if the school buses comply with various equipment and identification requirements, and must report any violations to the superintendent of schools of the school district wherein the school buses are operating. (NRS 386.840) **Section 5** of this bill transfers those requirements to the Department of Public Safety.

Existing law provides that certain laws relating to the condition, equipment and identification of vehicles used for the transportation of pupils, including school buses, apply to private schools. (NRS 394.190) All such vehicles are subject to inspection at all times by the Department of Motor Vehicles, which is required to report any violation to the executive head of the private school. **Section 6** of this bill transfers those requirements to the Department of Public Safety.

(b) Other programs or activities that the board of trustees deems appropriate,

➥ regardless of whether such programs or activities are part of a school program.

3. The use of school buses or vehicles belonging to the school district for the purposes enumerated in subsections 1 and 2 is governed by regulations made by the board of trustees, which must not conflict with regulations of the State Board. Proper supervision for each vehicle so used must be furnished by school authorities, and each school bus must be operated by a driver qualified under the provisions of NRS 386.790 to 386.840, inclusive ~~[.]~~ ***, and section 3.4 of this act.***

4. A driver shall not operate a vehicle for the purposes enumerated in subsections 1 and 2 for more than 10 hours in a 15-hour period. The time spent operating, inspecting, loading, unloading, repairing and servicing the vehicle and waiting for passengers must be included in determining the 15-hour period. After 10 hours of operating a vehicle, the driver must rest for 10 hours before he or she again operates a vehicle for such purposes.

5. Before January 1, 1984, the State Board shall adopt regulations to carry out the provisions of subsection 4.

Sec. 4. NRS 386.830 is hereby amended to read as follows:

386.830 1. All vehicles used in the transportation of pupils must be:

~~[2.]~~ ***3.*** If the superintendent of schools fails or refuses to take appropriate action to have the defects corrected within 10 days after receiving notice of them from the Department of Public Safety, the superintendent is guilty of a misdemeanor, and upon conviction thereof may be removed from office.

~~[4.]~~ ***5.*** Except as otherwise provided in subsection ~~[5,]~~ ***6,*** any bus which is purchased and used by a school district to transport pupils to and from extracurricular activities is exempt from the specifications adopted by the State Board if the bus meets the federal safety standards for motor vehicles which were applicable at the time the bus was manufactured and delivered for introduction in interstate commerce.

~~[5.]~~ ***6.*** Any new school bus which is purchased by a school district to transport pupils must meet the standards set forth in:

(a) Subsection 1 of NRS 386.835 if the school bus is purchased on or after January 1, 2016; ~~[and]~~

(b) Subsection 2 or 3 of NRS 386.835 if the school bus is purchased on or after July 1, 2016 ~~[.]~~ ***; and***

(c) Section ~~[3]~~ 3.2 of this act if the school bus is purchased on or after July 1, 2019.

Sec. 5. NRS 386.840 is hereby amended to read as follows:

386.840 1. Except as otherwise provided in this subsection, every school bus operated for the transportation of pupils to or from school must be equipped with:

The device must be approved by the State Board and installed at the expense of the school district or operator. The driver shall operate the device when the bus is stopped to load or unload pupils. The installation of such a mechanical device is not required for a school bus which is used solely to transport pupils with special needs who are individually loaded and unloaded in a manner which does not require them to walk in front of the bus. The provisions of this paragraph do not prohibit a school district from upgrading or replacing such a mechanical device with a more efficient and effective device that is approved by the State Board.

2. A driver may stop to load and unload pupils in a designated area without operating the system of flashing red lights required by subsection 1 if the designated area:

(a) Has been designated by a school district and approved by the Department;

(b) Is of sufficient depth and length to provide space for the bus to park at least 8 feet off the traveled portion of the roadway;

(c) Is not within an intersection of roadways;

(d) Contains ample space between the exit door of the bus and the parking area to allow safe exit from the bus;

(e) Is located so as to allow the bus to reenter the traffic from its parked position without creating a traffic hazard; and

(f) Is located so as to allow pupils to enter and exit the bus without crossing the roadway.

3. In addition to the equipment required by subsection 1 and except as otherwise provided in subsection ~~[4]~~ ***5*** of NRS 386.830, each school bus must:

(a) Be equipped and identified as required by the regulations of the State Board; and

(b) If the bus is a new bus purchased by a school district to transport pupils, meet the standards set forth in:

(1) Subsection 1 of NRS 386.835 if the bus is purchased on or after January 1, 2016; ~~[and]~~

(2) Subsection 2 or 3 of NRS 386.835 if the bus is purchased on or after July 1, 2016 ~~[.]~~ ***; and***

(3) Section ~~[3]~~ 3.2 of this act if the bus is purchased on or after July 1, 2019.

4. The ~~[agents and employees of the]~~ Department of ~~[Motor Vehicles]~~ ***Public Safety*** shall inspect school buses to determine whether the provisions of this section concerning equipment and identification of the school buses have been complied with, and shall report any violations discovered to the superintendent of schools of the school district wherein the vehicles are operating.

5. If the superintendent of schools fails or refuses to take appropriate action to correct any such violation within 10 days after receiving notice of it from the Department of ~~[~~Motor Vehicles,~~]~~ ***Public Safety,*** the superintendent is guilty of a misdemeanor, and upon conviction must be removed from office.

6. Any person who violates any of the provisions of this section is guilty of a misdemeanor.

Sec. 6. NRS 394.190 is hereby amended to read as follows:

394.190 1. The provisions of NRS 386.830 and 386.840 relating to the condition, equipment and identification of vehicles used for the transportation of pupils apply to private schools.

2. On and after January 1, 2016, ~~[or]~~ July 1, 2016, ***or July 1, 2019,*** as applicable, with respect to any new school bus purchased to transport pupils, the standards for school buses set forth in:

(b) Subsection 2 or 3 of NRS 386.835 ~~[.]~~ ***; and***

(c) Section ~~[3]~~ 3.2 of this act,

➥ apply to private schools.

3. All such vehicles are subject to inspection at all times by ~~[agents and employees of]~~ the Department of ~~[~~Motor Vehicles,~~]~~ ***Public Safety,*** who shall report any violations discovered thereby to the executive head of the private school.

4. If the executive head of the private school fails or refuses to take appropriate action to correct any such violation within 10 days after receiving the report from the Department of ~~[~~Motor Vehicles,~~]~~ ***Public Safety,*** the executive head is guilty of a misdemeanor.

Sec. 7. This act becomes effective ~~[on July 1, 2017.]~~ **upon passage and approval.**

Assemblyman Carrillo moved that the Assembly concur in the Senate Amendment No. 812 to Assembly Bill No. 485.

Remarks by Assemblyman Carrillo.

ASSEMBLYMAN CARRILLO:

The amendment makes two changes. It makes a minor change to reference "English learner" rather than "limited English proficient" to avoid a conflict during the codification process of this definition in NRS 385.007. It also incorporates the provisions of Senate Bill 164, which allows the school district to enter into rental agreements to lease school busses or vehicles for special events taking place within the school district that are not part of any school program as long as the agreements do not interfere with or prevent the regular transport of district students. The amendment also revises the distribution of proceeds of the lease. As discussed, the bill would prohibit use of proceeds for the purpose of salaries or benefits.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 36.

The following Senate amendment was read:

Amendment No. 960.

AN ACT relating to the City of Reno; revising provisions relating to appointive officers and employees; creating a sixth ward for the City; requiring that a candidate for Council Member be voted upon in a special or general election only by the registered voters of the ward that the candidate seeks to represent; **removing the Mayor from the City Council; authorizing the Mayor to veto, under certain circumstances, matters passed by the City Council;** revising provisions relating to interactions between the City Council and employees; eliminating the office of the Council Member who represents the City at large; requiring the City Council to adopt an ordinance requiring the Mayor and Council Members to submit reports of campaign contributions in certain years; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The existing Charter of the City of Reno specifies the persons within the City government who are considered appointive officers and also describes appointive employees of the City who: (1) are not appointive officers but regularly assist an appointive officer; (2) have duties that consist of administrative work directly related to management policies; and (3) have positions that require them customarily to exercise discretion and independent judgment. (Reno City Charter §§ 1.012, 1.090) The existing Charter of the City of Reno also authorizes the City Manager to appoint such staff as necessary for the functioning of the office, including specified

appointive employees. (Reno City Charter § 3.020) **Section 1** of this bill clarifies the definition of "appointive employee." **Section 6** of this bill authorizes the City Manager to appoint such staff as necessary for the functioning of the City, subject to certain limitations on the number of appointive offices and positions.

The existing Charter of the City of Reno prohibits the Mayor or any Council Member from dictating the appointment, suspension or removal of any appointive employee. The existing Charter also prohibits the City Council or its members from dealing directly with an appointive employee, instead of the City Manager, on matters pertaining to City business, except for the purpose of inquiry. (Reno City Charter § 3.140) **Section 7** of this bill prohibits the Mayor or a Council Member from dictating the appointment, suspension or removal of any employee unless specifically authorized in the Charter. **Section 7** also removes the exception authorizing the City Council or its members to deal directly with an employee for the purpose of inquiry and instead: (1) requires the City Council to deal directly with the City Manager; and (2) prohibits the City Council from giving any order to any subordinate to the City Manager.

Existing law requires candidates for public office to report campaign contributions. Five reports are required during the calendar year in which the office is up for election, and one report is required during each year in which the office is not up for election. (NRS 294A.120) **Section 8** of this bill requires the City Council of the City of Reno to adopt an ordinance requiring the Mayor and each Council Member to report the campaign contributions received during every year other than the year in which the general election for that office is held. These reports are in addition to the existing reports required of candidates for public office.

The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Council Member. A sixth Council Member represents the City at large. (Reno City Charter §§ 1.050, 2.010) The existing Charter of the City of Reno also provides that the candidates for Council Member to represent a particular ward must be voted on in a primary election only by the registered voters of that ward and, in a general election, must be elected by the registered voters of the City at large. (Reno City Charter §§ 5.010, 5.020)

Sections 9 and 11 of this bill amend the Charter of the City of Reno to provide that all candidates for Council Member to represent a particular ward must be elected in a general election only by the registered voters of that ward. **Section 2** of this bill increases the number of wards in the City of Reno to six. **Section 10** of this bill replaces the office of Council Member at large with the office of Council Member to represent the newly created sixth ward, and **sections 4, 5 and 12** of this bill provide conforming changes to account for that replacement. **Section 13** of this bill requires the City Council to establish the boundaries of the sixth ward, and alter the boundaries of the first through fifth wards accordingly, after the completion of the 2020 federal

decennial census and before January 1, 2024. Under **sections 14 and 15** of this bill, the Council Member who represents the sixth ward will first be elected at the 2024 general election. **Section 14** also provides that Council Members representing wards one through five who are in office on January 1, 2024, will continue to represent those wards notwithstanding the altered boundaries for the remainders of their terms and that the Council Member who represents the City at large, who was last elected at the 2020 general election, will continue to represent the City at large for the remainder of his or her term.

Existing law requires that a vacancy in the office of a Council Member be filled by appointment by a majority vote of the City Council unless the City Council calls a special election to fill the vacancy. **Section 3** of this bill provides that if a special election is held to fill the vacancy in the office of Council Member who represents a ward, only registered voters of that ward may vote at the special election.

Existing law provides that the legislative power of the City is vested in the City Council consisting of six Council Members and a Mayor. (Reno City Charter § 2.010) Effective October 1, 2017: (1) section 4.5 of this bill removes the Mayor from the City Council; and (2) section 5.5 of this bill authorizes the Mayor, under certain circumstances, to veto matters passed by the City Council.

Assemblywoman Benitez-Thompson moved that the Assembly do not concur in the Senate Amendment No. 960 to Assembly Bill No. 36.

Remarks by Assemblywoman Benitez-Thompson.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

First of all, I want to thank the Chairman of Government Affairs for giving me the latitude to be able to make this motion and to be able to make comments on the record. It was important to me as I served as the Chair of Assembly Government Affairs during the 2013 Session. During that session, we heard and considered Assembly Bill 9, which was brought forth by the City of

Reno and addressed changes they would like to make to their charter. It was during that session that I worked with my colleague from Assembly District 31 to create and put in place a charter committee. The goal of the committee was to create a citizen-based process whereby due consideration of measures could be deliberated and voted upon. It is because of my role in helping to establish that process and my belief in that process and in that spirit that we not concur with Amendment 960.

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 249.

AN ACT relating to health care; requiring the State Plan for Medicaid to provide certain benefits relating to contraception; revising provisions relating to dispensing of contraceptives; requiring all health insurance plans to provide certain benefits relating to contraception; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires most health insurance plans which cover prescription drugs and outpatient care to also include coverage for contraceptive drugs and devices without an additional copay, coinsurance or a higher deductible than that which may be charged for other prescription drugs and outpatient care under the plan. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) Certain plans, including small employer plans, benefit contracts provided by fraternal benefit societies, plans issued by a managed care organization and certain plans offered by governmental entities of this State are not currently subject to these requirements. (Chapters 287, 689C, 695A and 695G of NRS)

The federal Patient Protection and Affordable Care Act, Pub. L. 111-148, as amended, requires certain contraceptive drugs, devices and services to be covered by every health insurance plan without any copay, coinsurance or higher deductible. (42 U.S.C. § 300gg-13(a)(4); 45 C.F.R. § 147.130) **Sections 3, 4 and 7-25** of this bill align Nevada law with federal law, requiring all public and private health insurance plans made available in this State to provide coverage for certain benefits relating to contraception without any copay, coinsurance or a higher deductible. **Sections 3, 4 and 7-25** require ~~[all forms of]~~ **certain** contraceptive drugs, devices and services which are approved by the Food and Drug Administration to be covered by a health insurance plan, including, without limitation, up to a 12-month supply of ~~[contraceptives]~~ **a drug for contraception** or its therapeutic equivalent,

insertion ~~[or removal]~~ of a ~~[contraceptive]~~ device ~~[,]~~ **for contraception, removal of such a device that was inserted while the insured was covered by the same policy of health insurance,** education and counseling relating to contraception, management of side effects relating to contraception and voluntary sterilization for women. **Sections 3, 4 and 7-25** allow an insurer to require an insured to pay a higher deductible, copayment or coinsurance for a drug ~~[or device]~~ for contraception if the insured refuses to accept a therapeutic equivalent of the ~~[contraceptive]~~ drug **.** ~~[or device.]~~ In addition, a health insurance plan must include for each method of contraception which is approved by the Food and Drug Administration **and for which the insurer is required to provide coverage** at least one contraceptive drug or device for which no deductible, copayment or coinsurance may be charged to the insured. **Sections 3, 4 and 7-25** authorize an insurer to ~~[require a program of step therapy or prior authorization to obtain coverage for]~~ **use medical management techniques to determine the frequency of treatment using** the contraceptive drugs, devices and services required by this bill. **Sections 3, 4 and 7-25 prohibit an insurer from using medical management techniques to require an insured to use a method of contraception other than that prescribed by a provider of health care. Sections 3, 4 and 7-25 additionally require an insurer to provide a process by which an insured may request an exemption from a medical management technique required by an insurer. Sections 3, 4 and 7-25** also require a health insurance plan to provide coverage for certain therapeutic equivalent drugs ~~[and devices]~~ relating to contraception when a therapeutic equivalent covered by the plan is deemed to be medically inappropriate by a provider of health care. Additionally, **sections 7, 11, 14, 16, 17, 20 and 25** require that the benefits provided by a health insurance plan relating to contraception which are provided to the insured must also be provided to a covered dependent of an insured.

Existing law allows an insurer which is affiliated with a religious organization and which objects on religious grounds to providing coverage for contraceptive drugs and devices to exclude coverage in its policies, plans or contracts for such drugs and devices. (NRS 689A.0415, 689B.0376, 695B.1916, 695C.1694) **Sections 7, 11, 14, 16, 17, 20 and 25** of this bill move the religious exemption coverage for the contraceptive drugs, devices and services required by this bill to the new provisions relating to coverage of contraception.

Existing law requires this State to develop a State Plan for Medicaid which includes, without limitation, a list of the medical services provided to Medicaid recipients. (42 U.S.C. § 1396a; NRS 422.063) Existing federal law authorizes a state to charge a copay, coinsurance or deductible for most Medicaid services, but prohibits any copay, coinsurance or deductible for certain contraceptive drugs, devices and services. (42 U.S.C. § 1396o-1) Existing federal law also authorizes a state to define the parameters of contraceptive coverage provided under Medicaid. (42 U.S.C. § 1396u-7)

Existing Nevada law requires a number of specific medical services to be covered under Medicaid. (NRS 422.2717-422.27241) **Section 1** of this bill requires the State Plan for Medicaid to include certain benefits relating to contraception currently required to be covered by private health insurance plans pursuant to existing Nevada law and the Patient Protection and Affordable Care Act, Pub. L. 111-148, as amended, as well as ~~[the]~~ **certain** additional benefits related to contraception required by **sections 3, 4 and 7-25** of this bill without any copay, coinsurance or deductible in most cases. The benefits relating to ~~[contraceptive]~~ drugs **for contraception** which are provided by **section 1** of this bill are subject to step therapy and prior authorization requirements pursuant to existing law.

Existing law authorizes a pharmacist to dispense up to a 90-day supply of a drug pursuant to a valid prescription or order in certain circumstances. (NRS 639.2396) **Section 4.5** of this bill requires a pharmacist to dispense up to a 12-month supply of ~~[contraceptives]~~ **drugs for contraception** or a therapeutic equivalent **thereof** pursuant to a valid prescription or order if: (1) the patient has previously received a 3-month supply of the same drug; (2) the patient has previously received a 9-month supply of the same drug or a supply of the same drug for the balance of the plan year in which the 3-month supply was prescribed or ordered, whichever is less; (3) the patient is insured by the same health insurance plan; and (4) a provider of health care has not specified in the prescription or order that a different supply of the drug is necessary.

Amendment No. 966.

AN ACT relating to health care; requiring the State Plan for Medicaid to provide certain benefits relating to contraception; revising provisions relating to dispensing of contraceptives; requiring all health insurance plans to provide certain benefits relating to contraception; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires most health insurance plans which cover prescription drugs and outpatient care to also include coverage for contraceptive drugs and devices without an additional copay, coinsurance or a higher deductible than that which may be charged for other prescription drugs and outpatient care under the plan. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) Certain plans, including small employer plans, benefit contracts provided by fraternal benefit societies, plans issued by a managed care organization and certain plans offered by governmental entities of this State are not currently subject to these requirements. (Chapters 287, 689C, 695A and 695G of NRS)

The federal Patient Protection and Affordable Care Act, Pub. L. 111-148, as amended, requires certain contraceptive drugs, devices and services to be covered by every health insurance plan without any copay, coinsurance or higher deductible. (42 U.S.C. § 300gg-13(a)(4); 45 C.F.R. § 147.130) **Sections 3, 4 and 7-25** of this bill align Nevada law with federal law, requiring all public and private health insurance plans made available in this State to provide coverage for certain benefits relating to contraception without any copay, coinsurance or a higher deductible. **Sections 3, 4 and 7-25** require certain contraceptive drugs, devices and services which are approved by the Food and Drug Administration to be covered by a health insurance plan, including, without limitation, up to a 12-month supply of a drug for contraception or its therapeutic equivalent, insertion of a device for contraception, removal of such a device that was inserted while the insured was covered by the same policy of health insurance, education and counseling relating to contraception, management of side effects relating to contraception and voluntary sterilization for women. **Sections 3, 4 and 7-25** allow an insurer to require an insured to pay a higher deductible, copayment or coinsurance for a drug for contraception if the insured refuses to accept a therapeutic equivalent of the drug. In addition, a health insurance plan must include for each method of contraception which is approved by the Food and Drug Administration and for which the insurer is required to provide

coverage at least one contraceptive drug or device for which no deductible, copayment or coinsurance may be charged to the insured. **Sections 3, 4 and 7-25** authorize an insurer to use medical management techniques to determine the frequency of treatment using the contraceptive drugs, devices and services required by this bill. **Sections 3, 4 and 7-25** prohibit an insurer from using medical management techniques to require an insured to use a method of contraception other than that prescribed by a provider of health care. **Sections 3, 4 and 7-25** additionally require an insurer to provide a process by which an insured may request an exemption from a medical management technique required by an insurer. **Sections 3, 4 and 7-25** also require a health insurance plan to provide coverage for certain therapeutic equivalent drugs relating to contraception when a therapeutic equivalent covered by the plan is deemed to be medically inappropriate by a provider of health care. Additionally, **sections 7, 11, 14, 16, 17, 20 and 25** require that the benefits provided by a health insurance plan relating to contraception which are provided to the insured must also be provided to a covered dependent of an insured.

Existing law allows an insurer which is affiliated with a religious organization and which objects on religious grounds to providing coverage for contraceptive drugs and devices to exclude coverage in its policies, plans or contracts for such drugs and devices. (NRS 689A.0415, 689B.0376, 695B.1916, 695C.1694) **Sections 7, 11, 14, 16, 17, 20 and 25** of this bill move the religious exemption coverage for the contraceptive drugs, devices and services required by this bill to the new provisions relating to coverage of contraception.

Existing law requires this State to develop a State Plan for Medicaid which includes, without limitation, a list of the medical services provided to Medicaid recipients. (42 U.S.C. § 1396a; NRS 422.063) Existing federal law authorizes a state to charge a copay, coinsurance or deductible for most Medicaid services, but prohibits any copay, coinsurance or deductible for certain contraceptive drugs, devices and services. (42 U.S.C. § 1396o-1) Existing federal law also authorizes a state to define the parameters of contraceptive coverage provided under Medicaid. (42 U.S.C. § 1396u-7) Existing Nevada law requires a number of specific medical services to be covered under Medicaid. (NRS 422.2717-422.27241) **Section 1** of this bill requires the State Plan for Medicaid to include certain benefits relating to contraception currently required to be covered by private health insurance plans pursuant to existing Nevada law and the Patient Protection and Affordable Care Act, Pub. L. 111-148, as amended, as well as certain additional benefits related to contraception required by **sections 3, 4 and 7-25** of this bill without any copay, coinsurance or deductible in most cases. The benefits relating to drugs for contraception which are provided by **section 1** of this bill are subject to step therapy and prior authorization requirements pursuant to existing law.

Existing law authorizes a pharmacist to dispense up to a 90-day supply of a drug pursuant to a valid prescription or order in certain circumstances. (NRS 639.2396) **Section 4.5** of this bill requires a pharmacist to dispense up to a 12-month supply of drugs for contraception or a therapeutic equivalent thereof pursuant to a valid prescription or order if: (1) the patient has previously received a 3-month supply of the same drug; (2) the patient has previously received a 9-month supply of the same drug or a supply of the same drug for the balance of the plan year in which the 3-month supply was prescribed or ordered, whichever is less; (3) the patient is insured by the same health insurance plan; and (4) a provider of health care has not specified in the prescription or order that a different supply of the drug is necessary.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 422 of NRS is hereby amended by adding thereto a new section to read as follows:

4. The Plan may require a person enrolled in Medicaid to pay a higher deductible, copayment or coinsurance for a drug for contraception if the person refuses to accept a therapeutic equivalent of the drug.

5. For each method of contraception which is approved by the Food and Drug Administration, the Plan must include at least one drug or device for contraception for which no deductible, copayment or coinsurance may be charged to the person enrolled in Medicaid, but the Plan may charge a deductible, copayment or coinsurance for any other drug or device that provides the same method of contraception.

6. As used in this section, "therapeutic equivalent" means a drug which:

(a) Contains an identical amount of the same active ingredients in the same dosage and method of administration as another drug;

(b) Is expected to have the same clinical effect when administered to a patient pursuant to a prescription or order as another drug; and

If the amount of the deductions from compensation required to pay for the group insurance exceeds the compensation to which a trustee is entitled, the difference must be paid by the trustee.

3. In any county in which a legal services organization exists, the governing body of the county, or of any school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada in the county, may enter into a contract with the legal services organization pursuant to which the officers and employees of the legal services organization, and the dependents of those officers and employees, are eligible for any life, accident or health insurance provided pursuant to this section to the officers and employees, and the dependents of the officers and employees, of the county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency.

(c) The health care plan does not furnish comprehensive health care services as provided for in NRS 695C.060;

The Commissioner may, by written order, permit such further operation of the organization as the Commissioner may find to be in the best interest of enrollees to the end that enrollees are afforded the greatest practical opportunity to obtain continuing coverage for health care.

Sec. 25. Chapter 695G of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 7, a managed care organization that offers or issues a health care plan shall include in the plan coverage for:

4. Except as otherwise provided in subsections 8, 9 and 11, a managed care organization that offers or issues a health care plan shall not:

(a) Require an insured to pay a higher deductible, any copayment or coinsurance or require a longer waiting period or other condition to obtain any benefit included in the health care plan pursuant to subsection 1;

12. A managed care organization shall not use medical management techniques to require an insured to use a method of contraception other than the method prescribed or ordered by a provider of health care.

13. A managed care organization must provide an accessible, transparent and expedited process which is not unduly burdensome by which an insured, or the authorized representative of the insured, may request an exception relating to any medical management technique used by the managed care organization to obtain any benefit required by this section without a higher deductible, copayment or coinsurance.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1001.

AN ACT relating to guardianships; authorizing a court to require a proposed guardian to file a proposed preliminary care plan and budget; establishing the process by which a person may obtain the approval of the court for the payment of attorney's fees and costs from the assets of a ward; establishing the State Guardianship Compliance Office; replacing the term "incompetent" with the term "incapacitated" for purposes of guardianships and revising the definition thereof; revising various provisions relating to notice given to certain persons; revising provisions concerning the sale of real and personal property of a ward; **making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "incompetent" for purposes of the provisions of law governing guardianships. (NRS 159.019) **Section 7** of this bill replaces the term "incompetent" with the term "incapacitated" and revises the definition thereof. **Sections 5, 6, 11, 12-17, 20, 22, 35 and 36-43** of this bill make conforming changes.

Existing law generally requires a petitioner in a guardianship proceeding to give notice of the time and place of the hearing on any petition filed in the guardianship proceeding to certain persons, including any minor ward who is 14 years of age or older. (NRS 159.034) **Section 8** of this bill revises this requirement and requires that notice be given to any ward who is 14 years of age or older, regardless of whether the ward is considered to have the capacity to understand or appreciate the contents of the petition.

Existing law provides that after the filing of a petition in a guardianship proceeding, the clerk is required to issue a citation setting forth a time and place for the hearing and directing certain persons to appear and show cause why a guardian should not be appointed for the proposed ward. (NRS 159.047) **Section 9** of this bill requires a copy of the petition to be served together with the citation on certain persons, including a proposed ward who is 14 years of age or older, regardless of whether the ward is considered to have the capacity to understand or appreciate the contents of the petition, and **section 10** of this bill requires that the proposed ward be served by personal service. **Section 9** also requires a person who serves notice upon the

proposed ward to file with the court an affidavit stating that notice was served.

Existing law requires a guardian of the person to file with the court a written report on the condition of the ward and the exercise of authority and performance of duties by the guardian at certain specified times. (NRS 159.081) **Section 18** of this bill requires that such a report be served on the ward.

Section 21 of this bill requires the guardian of the estate and the guardian of the person to be notified if the ward is a party to any criminal action. **Section 23** of this bill requires that notice be given to a ward upon the filing of certain petitions or any account.

Existing law establishes various provisions concerning transactions involving real and personal property of a ward, including the sale of such property. (NRS 159.127-159.175) **Sections 24-31** of this bill revise certain provisions concerning the sale of real property of a ward, and **section 44** of this bill repeals provisions of law relating to a public auction for the sale of real property. **Sections 32-34** of this bill revise provisions concerning the sale of personal property of a ward. **Section 32** of this bill authorizes a guardian to: (1) sell or dispose of personal property of a ward that has a total value of less than $10,000 if certain notice is given and no objection to the sale or disposal is received; and (2) authorize the immediate destruction of personal property of a ward without notice in certain circumstances. **Section 33** of this bill requires that notice of a sale of the personal property of a ward be given to a ward who is 14 years of age or older and certain other persons and, if the gross value of the estate of the ward is $10,000 or more, published in a newspaper before a guardian may sell the personal property of a ward.

Section 2 of this bill specifies that upon the filing of a petition for the appointment of a guardian, the court may require a proposed guardian to file a proposed preliminary care plan and budget, the format of which and the timing of the filing thereof must be specified by a court rule approved by the Supreme Court.

Section 1. Chapter 159 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***Upon the filing of a petition for the appointment of a guardian, the court may require a proposed guardian to file a proposed preliminary care plan and budget. The format of such a proposed preliminary care plan and budget and the timing of the filing thereof must be specified by a rule approved by the Supreme Court.***

Sec. 3. ***1. Any person, including, without limitation, a guardian or proposed guardian, who retains an attorney for the purposes of representing a party in a guardianship proceeding is personally liable for any attorney's fees and costs incurred as a result of such representation.***

2. Notwithstanding the provisions of subsection 1 and except as otherwise provided in subsection 5 of NRS 159.183, a person who is personally liable for attorney's fees and costs may petition the court for an order authorizing such attorney's fees and costs to be paid from the estate of the ward in accordance with this section. Any such attorney's fees and costs must not be paid from the guardianship estate unless and until the court authorizes the payment pursuant to this section.

3. When a person who intends to petition the court for payment of attorney's fees and costs from the guardianship estate first appears in the guardianship proceeding, the person must file written notice of his or her intent to seek payment of attorney's fees and costs from the guardianship estate. The written notice:

(a) Must provide a general explanation of the compensation arrangement and how compensation will be computed;

(b) Must include the hourly billing rates of all timekeepers, including, without limitation, attorneys, law clerks and paralegals;

(c) Must provide a general explanation of the reasons why the services of the attorney are necessary to further the best interests of the ward;

(d) Must be served by the person on all persons entitled to notice pursuant to NRS 159.034 and 159.047; and

(e) Is subject to approval by the court after a hearing.

4. If written notice was filed and approved by the court pursuant to subsection 3, a person may file with the court a petition requesting payment of attorney's fees and costs from the guardianship estate. Such a petition must include the following information:

(a) A detailed statement as to the nature and extent of the services performed by the attorney;

(b) An itemization of each task performed by the attorney, with reference to the time spent on each task in an increment to the nearest one-tenth of an hour and with no minimum billing unit in excess of one-tenth of an hour;

(c) An indication of whether any time billed, including, without limitation, any time spent traveling or waiting, benefited any clients of the attorney other than the ward and, if so, how many other clients benefited from such time; and

(d) Any other information considered relevant to a determination of whether attorney's fees are just, reasonable and necessary.

➥ Absent approval from all parties who have appeared in the proceeding, any supplemental requests for the payment of attorney's fees and costs cannot be augmented in open court and must be properly noticed in the same manner as the underlying petition requesting payment.

5. In determining whether attorney's fees are just, reasonable and necessary, the court may consider all the following factors:

(a) The written notice approved by the court pursuant to subsection 3.

(b) Whether the services conferred any actual benefit upon the ward or attempted to advance the best interests of the ward.

(c) The qualities of the attorney, including, without limitation, his or her ability, training, education, experience, professional standing and skill.

(d) The character of the work performed, including, without limitation, the difficulty, intricacy and importance of the work, the time and skill required to complete the work, the responsibility imposed and the nature of the proceedings.

(e) The work actually performed by the attorney, including, without limitation, the skill, time and attention given to the work.

(f) The result of the work, including, without limitation, whether the attorney was successful and any benefits that were derived.

(g) The usual and customary fees charged in the relevant professional communities for each task performed, regardless of who actually performed the task. The court may only award:

(1) Compensation at an attorney rate for time spent performing services that require an attorney;

(2) Compensation at a paralegal rate for time spent performing paralegal services;

(3) Compensation at a fiduciary rate for time spent performing fiduciary services; and

(4) No compensation for time spent performing secretarial or clerical services.

(h) The appropriate apportionment among multiple clients of any billed time that benefited multiple clients of the attorney.

(i) The extent to which the services were provided in a reasonable, efficient and cost-effective manner, including, without limitation, whether there was appropriate and prudent delegation of services to others.

(j) The ability of the estate of the ward to pay, including, without limitation:

(1) The value of the estate;

(2) The nature, extent and liquidity of the assets of the estate;

(3) The disposable net income of the estate;

(4) The anticipated future needs of the ward; and

(5) Any other foreseeable expenses.

(k) The efforts made by the person and attorney to reduce and minimize any issues.

(l) Any actions by the person or attorney that unnecessarily expanded issues or delayed or hindered the efficient administration of the estate.

(m) Whether any actions taken by the person or attorney were taken for the purpose of advancing or protecting the interests of the person as opposed to the interests of the ward.

(n) Any other factor that is relevant in determining whether attorney's fees are just, reasonable and necessary, including, without limitation, any other factor that is relevant in determining whether the person was acting in good faith and was actually pursuing the best interests of the ward.

6. The court shall not approve compensation for an attorney for:

(a) Time spent on internal business activities of the attorney, including, without limitation, clerical or secretarial support; or

(b) Time reported as a total amount of time spent on multiple tasks, rather than an itemization of the time spent on each task.

7. Any fees paid by a third party, including, without limitation, a trust of which the estate is a beneficiary, must be disclosed to and approved by the court.

8. In addition to any payment provided to a person pursuant to this section for the services of an attorney, a person may receive payment for ordinary costs and expenses incurred in the scope of the attorney's representation.

9. If two or more parties in a guardianship proceeding file competing petitions for the appointment of a guardian or otherwise litigate any contested issue in the guardianship proceeding, only the prevailing party may petition the court for payment of attorney's fees and costs from the guardianship estate pursuant to this section. If the court determines that there is no prevailing party, the court may authorize a portion of each party's attorney's fees and costs to be paid from the guardianship estate if

the court determines that such fees and costs are just, reasonable and necessary given the nature of any issues in dispute.

10. If an attorney is appointed by the court in a guardianship proceeding, he or she may petition the court for compensation for his or her services from the guardianship estate in accordance with the procedure set forth in this section.

1. In addition to any other compensation payable pursuant to chapters 616A to 616D, inclusive, of NRS, burial expenses are payable in an amount not to exceed $10,000, plus the cost of transporting the remains of the

2. Except as otherwise provided in subsection 3, to the surviving spouse of the deceased employee, 66 2/3 percent of the average monthly wage is payable until the death of the surviving spouse.

3. If there is a surviving spouse and any surviving children of the deceased employee who are not the children of the surviving spouse, the compensation otherwise payable pursuant to subsection 2 must be paid as follows until the entitlement of all children of the deceased employee to receive compensation pursuant to this subsection ceases:

(a) To the surviving spouse, 50 percent of the death benefit is payable until the death of the surviving spouse; and

(b) To each child of the deceased employee, regardless of whether the child is the child of the surviving spouse, the child's proportionate share of 50 percent of the death benefit and, except as otherwise provided in subsection 11, if the child has a guardian, the compensation the child is entitled to receive may be paid to the guardian.

4. In the event of the subsequent death of the surviving spouse:

(a) Each surviving child of the deceased employee, in addition to any amount the child may be entitled to pursuant to subsection 3, must share equally the compensation theretofore paid to the surviving spouse but not in excess thereof, and it is payable until the youngest child reaches the age of 18 years.

(b) Except as otherwise provided in subsection 11, if the children have a guardian, the compensation they are entitled to receive may be paid to the guardian.

8. In all other cases involving a question of total or partial dependency:

(a) The extent of the dependency must be determined in accordance with the facts existing at the time of the injury.

(b) If the deceased employee leaves dependents only partially dependent upon the earnings of the deceased employee for support at the time of the injury causing his or her death, the monthly compensation to be paid must be equal to the same proportion of the monthly payments for the benefit of persons totally dependent as the amount contributed by the deceased employee to the partial dependents bears to the average monthly wage of the deceased employee at the time of the injury resulting in his or her death.

(c) The duration of compensation to partial dependents must be fixed in accordance with the facts shown, but may not exceed compensation for 100 months.

9. Compensation payable to a surviving spouse is for the use and benefit of the surviving spouse and the dependent children, and the insurer may, from time to time, apportion such compensation between them in such a way as it deems best for the interest of all dependents.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 975.

AN ACT relating to disabilities; replacing the term "related conditions" with the term "developmental disability" for certain purposes; prohibiting a provider of jobs and day training services from entering into certain contracts or arrangements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Various provisions of existing law govern the care and services provided to persons with intellectual disabilities and persons with related conditions. (Chapters 433, 433A, 433C and 435 of NRS) For the purposes of these provisions, a "person with related conditions" is generally defined to mean a person with a condition "closely related to an intellectual disability" and requiring "treatment or services similar to those required by a person with an intellectual disability." (NRS 433.211) For the purposes of the provisions referred to above, this bill generally replaces references to the term "related conditions" with the term "developmental disability." Such a disability is defined in **sections 1 and 17** of this bill as autism, cerebral palsy, epilepsy **[**~~, a visual or hearing impairment~~**]** or any other neurological condition diagnosed by a qualified professional that: (1) is manifested before the age of 22 years and is likely to continue indefinitely; (2) substantially limits certain major life activities; and (3) results in a lifelong or protracted need for individually planned and coordinated services, support or other assistance.

Existing law permits a person or organization to provide jobs and day training services to persons with intellectual disabilities and persons with related conditions. (NRS 435.130-435.310) Such a provider may contract with county and school officials and public and private agencies for the provision of such services. (NRS 435.310) **Section 45** of this bill prohibits any such contract that provides for the employment of a person under 25 years of age unless the person is paid at least the federal minimum wage.

Remarks by Assemblywoman Carlton.

Amendment adopted.

The following amendment was proposed by Assemblyman Carrillo:

Amendment No. 987.

AN ACT relating to disabilities; replacing the term "related conditions" with the term "developmental disability" for certain purposes; prohibiting a provider of jobs and day training services from entering into certain contracts or arrangements **~~[,]~~ except under certain conditions;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Various provisions of existing law govern the care and services provided to persons with intellectual disabilities and persons with related conditions. (Chapters 433, 433A, 433C and 435 of NRS) For the purposes of these provisions, a "person with related conditions" is generally defined to mean a person with a condition "closely related to an intellectual disability" and requiring "treatment or services similar to those required by a person with an intellectual disability." (NRS 433.211) For the purposes of the provisions referred to above, this bill generally replaces references to the term "related conditions" with the term "developmental disability." Such a disability is defined in **sections 1 and 17** of this bill as autism, cerebral palsy, epilepsy, a visual or hearing impairment or any other neurological condition diagnosed by a qualified professional that: (1) is manifested before the age of 22 years and is likely to continue indefinitely; (2) substantially limits certain major life activities; and (3) results in a lifelong or protracted need for individually planned and coordinated services, support or other assistance.

Existing federal law prohibits certain entities from compensating a person who is less than 25 years of age at a rate less than the federal minimum wage unless certain conditions are met. (29 U.S.C. § 794g) Existing law permits a person or organization to provide jobs and day training services to persons with intellectual disabilities and persons with related conditions. (NRS 435.130-435.310) Such a provider may contract with county and school officials and public and private agencies for the provision of such services. (NRS 435.310) **Section 45** of this bill prohibits any such contract that provides for the employment of a person under 25

years of age unless the person is paid at least the ~~[federal]~~ **state** minimum wage ~~[.]~~ **, except under the conditions prescribed in federal law under which such a person may be compensated at less than the federal minimum wage. Section 15.5 of this bill codifies those conditions into state law.**

Existing law provides for the appointment of five members to the Personnel Commission in the Division of Human Resource Management of the Department of Administration and establishes that three members of the Commission constitute a quorum. Existing law further authorizes a quorum to exercise any power conferred on the Commission other than adopting, amending or rescinding regulations of the Commission which requires a majority vote of the entire Commission. (NRS 284.030, 284.055) **Sections 1 and 2** of this bill: (1) require the Governor to appoint five alternate members to the Commission; (2) revise the quorum requirements of the Commission; and (3) provide that a majority vote of the five members of the Commission is required for any action by the Commission.

~~[~~ ~~The Merit Award Program is established under existing law to provide awards to state employees who propose suggestions which would reduce or eliminate state expenditures or improve the operation of the State Government. (NRS 285.030, 285.060) The Program is administered by the Merit Award Board.~~

~~Under existing law, the Merit Award Board is authorized, within the limits of legislative appropriations, to expend a maximum of $1,000 for expenses relating to the operation of the Board. (NRS 285.030) Section 4 of this bill deletes those provisions regarding the maximum amount authorized for such expenditures. Existing law enumerates the criteria for an employee suggestion to be eligible for an award from the Merit Award Program and includes, as part of the criteria, the requirement that the suggestion is not under active consideration by the state agency affected. (NRS 285.050) Section 5 of this bill amends the criteria for eligibility for such an award to require that the suggestion has not been previously considered by the state agency affected.~~

~~Existing law requires the Secretary of the Board to refer the employee suggestion to the head of the state agency or agencies affected, or his or her designee, for consideration. Existing law further: (1) requires the head of the state agency, or his or her designee, to report his or her findings and recommendations concerning the employee suggestion to the Board within 30 days after the referral; and (2) sets forth the required contents of the report. (NRS 285.060) Section 6 of this bill: (1) requires the head of the state agency, or his or her designee, to report recommendations concerning the employee suggestion only if applicable rather than requiring such recommendations for each employee suggestion that was referred; (2) provides that the Board may extend the 30-day reporting period; and (3) revises the timeline for the Board to submit the required annual report concerning employee suggestions to the Budget Division of the Office of Finance and the Interim Finance Committee.~~

~~Under existing law, awards made to state employees under the Merit Award Program are required to be paid in two equal installments. One payment is required to be made within 30 days after the end of the first fiscal year during which the employee suggestion was adopted and one payment is required to be made within 30 days after the end of the subsequent fiscal year. (NRS 285.070) Section 7 of this bill provides instead that: (1) the first payment is required to be made within 90 days after the end of the fiscal year during which the State realized certain savings or improvement in the operation of State Government as a result of the adoption of the employee suggestion; and (2) the second payment is required to be made within 90 days after the end of the fiscal year immediately following the fiscal year during which the first installment was paid.~~ ~~]~~

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 979.

CONTAINS UNFUNDED MANDATE ~~[(§§ 7,]~~ (§ 8)

(NOT REQUESTED BY AFFECTED LOCAL GOVERNMENT)

AN ACT relating to education; requiring, with limited exception, that a child in foster care remain enrolled in his or her school of origin; providing that the relevant agency which provides child welfare services and local education agency are jointly liable for the costs of transportation for the child in foster care to attend his or her school of origin; requiring the Department

of Education and each agency which provides child welfare services and local education agency to develop certain policies and procedures relating to children in foster care; eliminating the Program of School Choice for Children in Foster Care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 2015, Congress passed the Every Student Succeeds Act of 2015. (20 U.S.C. §§ 6301 et seq.) This Act requires each state to adopt a plan that describes the steps the state will take to ensure the educational stability of children in foster care, including requiring, with limited exception, a child in foster care to remain enrolled in the child's school of origin, which is the public school in which he or she was enrolled before entering foster care. (20 U.S.C. § 6311)

Section 7 of this bill requires that a child who enters foster care or changes placement while in foster care remain enrolled in the child's school of origin if the agency which provides child welfare services determines that it is in the best interests of the child. **Section 7** also ~~[: (1)]~~ sets forth certain criteria that must be used by the agency in making such a determination . ~~[; (2) requires that a child remain in his or her school of origin throughout any dispute that arises as a result of an agency's decision concerning the best interests of the child; and (3) requires the agency which provides child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin until the dispute is resolved.]~~

Section 7.5 of this bill requires the board of trustees of a school district or the governing body of a charter school to allow a pupil who leaves foster care to remain enrolled in his or her school of origin until the end of the school year unless the parent or guardian of the pupil elects to enroll the pupil in a different school.

Section 8 of this bill requires the agency which provides child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin. **Section 8** also requires the agency which provides the child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin until any dispute concerning the cost of transportation is resolved.

Section 9 of this bill requires that the Department of Education, each local education agency and each agency which provides child welfare services to designate a single point of contact who is responsible for developing certain policies and procedures relating to children in foster care.

Section 10 of this bill requires the State Board of Education to prepare an annual report concerning the academic progress of children in foster care who attend a public school in this State. **Section 10** also requires: (1) each education agency to submit to the Department of Education a report relating to children in foster care; and (2) an agency which provides child welfare

services to a child enrolled in public school in this State to provide any information requested by a local education agency as soon as practicable.

If a court finds that a child is in need of protection and places the child other than with a parent, an agency acting as the custodian of the child is required to report to the court before any hearing for a review of the placement of the child. (NRS 432B.580) **Section 13.5** of this bill requires the agency to include in the report certain information about the education of the child.

Existing law establishes the Program of School Choice for Children in Foster Care. (NRS 388E.100) This program allows the legal guardian or custodian of a child who is in foster care to apply to participate in the Program so that the child may be enrolled in a public school other than the public school which the child is zoned to attend. (NRS 388E.110) **Section 15** of this bill eliminates this Program. **Section 15** also eliminates a provision which provides that a child who is in the legal or physical custody of an agency which provides child welfare services and is awaiting foster care placement is deemed to be homeless for the purposes of the federal McKinney-Vento Homeless Assistance Act of 1987, 42 U.S.C. §§ 11301 et seq.

The Attorney General shall not provide any other information concerning the pupil or the parent or legal guardian of the pupil to the public school.

Sec. 13.5. NRS 432B.580 is hereby amended to read as follows:

432B.580 1. Except as otherwise provided in this section and NRS 432B.513, if a child is placed pursuant to NRS 432B.550 other than with a parent, the placement must be reviewed by the court at least semiannually, and within 90 days after a request by a party to any of the prior proceedings. Unless the parent, guardian or the custodian objects to the referral, the court may enter an order directing that the placement be reviewed by a panel appointed pursuant to NRS 432B.585.

2. An agency acting as the custodian of the child shall, before any hearing for review of the placement of a child, submit a report to the court, or to the panel if it has been designated to review the matter, which includes:

(a) An evaluation of the progress of the child and the family of the child and any recommendations for further supervision, treatment or rehabilitation.

(b) Information concerning the placement of the child in relation to the child's siblings, including, without limitation:

(1) Whether the child was placed together with the siblings;

(2) Any efforts made by the agency to have the child placed together with the siblings;

(3) Any actions taken by the agency to ensure that the child has contact with the siblings; and

(4) If the child is not placed together with the siblings:

(I) The reasons why the child is not placed together with the siblings; and

(II) A plan for the child to visit the siblings, which must be approved by the court.

(c) ***Information concerning the child's education, including:***

(1) A copy of an academic plan developed for the child pursuant to NRS 388.155, 388.165 or 388.205 ~~[.]~~ ***;***

(2) The grade and school in which the child is enrolled;

(3) The name of the each school the child attended before enrolling in the school in which he or she is currently enrolled and the corresponding dates of attendance;

(4) Whether the child has not completed or passed any course of instruction that the child should have completed or passed by the time the report is submitted, which has resulted in the child having a deficiency in credits;

(5) A copy of any individualized education program developed for the child;

(6) A copy of any plan developed in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794;

(7) A summary of any special education services received by the child;

(8) Whether a request that the child receive special education services has been made and, if so, the outcome of such a request; and

(d) A copy of any explanations regarding medication that has been prescribed for the child that have been submitted by a foster home pursuant to NRS 424.0383.

Except as otherwise provided in this subsection, a copy of the report submitted pursuant to subsection 2 must be given to the parents, the guardian ad litem and the attorney, if any, representing the parent or the child. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the parent has not appeared in the action, the report need not be sent to that parent.

4. After a plan for visitation between a child and the siblings of the child submitted pursuant to subparagraph (4) of paragraph (b) of subsection 2 has been approved by the court, the agency which provides child welfare services must request the court to issue an order requiring the visitation set forth in the plan for visitation. If a person refuses to comply with or disobeys an order issued pursuant to this subsection, the person may be punished as for a contempt of court.

5. The court or the panel shall hold a hearing to review the placement, unless the parent, guardian or custodian files a motion with the court to dispense with the hearing. If the motion is granted, the court or panel may make its determination from any report, statement or other information submitted to it.

6. Except as otherwise provided in this subsection and subsection 5 of NRS 432B.520, notice of the hearing must be given by registered or certified mail to:

(a) All the parties to any of the prior proceedings;

(b) Must not include any confidential information described in NRS 127.140; and

(c) Need not be given to a parent whose rights have been terminated pursuant to chapter 128 of NRS or who has voluntarily relinquished the child for adoption pursuant to NRS 127.040.

8. The court or panel may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 6 a right to be heard at the hearing.

9. The court or panel shall review:

(a) The continuing necessity for and appropriateness of the placement;

(b) The extent of compliance with the plan submitted pursuant to subsection 2 of NRS 432B.540;

(c) Any progress which has been made in alleviating the problem which resulted in the placement of the child; and

(d) The date the child may be returned to, and safely maintained in, the home or placed for adoption or under a legal guardianship.

10. The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

11. As used in this section, "individualized education program" has the meaning ascribed to it in 20 U.S.C. § 1414(d)(1)(A).

Sec. 14. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

ASSEMBLYWOMAN TITUS:

Assembly Bill 348, as amended, revises provisions concerning the establishment of a course or unit of instruction concerning acquired immune deficiency syndrome, human reproductive system, related communicable diseases, and sexual responsibility. It requires the board of trustees of a school district to periodically revise the content of such course of instruction, as necessary, to ensure that the content is current, age-appropriate, and as applicable, medically accurate. The board must prepare and submit a report categorized by school and grade level to the Director of Legislative Counsel Bureau on the status of the establishment of content of such course of instruction.

The bill, as amended, also allows such course of instruction to be taught by a teacher or school nurse whose qualifications have been previously approved by the board of trustees. Lastly, the bill, as amended, adds certain provisions related to the notification and consent of a parent or guardian with respect to the pupil's participation in such course of instruction.

Mr. Speaker, unfortunately there has been quite a bit of misinformation about this bill. Parental rights are indeed maintained and the makeup of the oversight board has not changed. The bill also requires that parents opt into sex education for their children. Schools may not teach it without the parent's permission. The bill also maintains that the course is only taught by a teacher or a qualified nurse, no outside teachers.

Mr. Speaker and members of this body, 20 years ago the teen birth rates were 61.8 for every 1,000 teenagers between the ages of 15 and 19. In 2014, the teen birth rate in Nevada was 28.5 for every 1,000 teenage girls between the ages of 15 and 19. I strongly believe that one of the improvements here—and the reason for this improvement—is that critical education. I would ask everyone in this body to please support this legislation. I think it is key to our young women and men in this state, and I appreciate your support.

ASSEMBLYMAN EDWARDS:

I rise in opposition to Assembly Bill 348. This bill continues to include some ambiguous language. It is a fatal flaw in the way that a student can be opted into the program against the wishes of their parents.

I do not underestimate the value of a good sex education program, and I think the results have proven that the curriculum they use is effective. I have received copies of the sex education curricula from each of the districts. If there are any changes that are needed, each school district is already empowered to implement such changes. We do not need to keep cluttering state statutes with laws that are, in reality, school district policy matters. I am among the members of this Chamber that are greatly dismayed by the number of laws we write that should be matters routinely handled by school districts.

I encourage all members to vote against this bill and send a message that school boards need to take care of these matters.

ASSEMBLYMAN PICKARD:

I have a question for my colleague from the north regarding section 1.5, subsection 9, with respect to the legislative intent as to whether or not the instruction can begin without the express consent of the parent.

ASSEMBLYWOMAN TITUS:

Thank you for the question. It is my impression and my interpretation of that item that, indeed, the parents have to give consent, but the obligation is on the school to reach out to them again before they start teaching. That does not allow the school to go ahead and teach anyway. The parents must give permission.

ASSEMBLYWOMAN JOINER:

If I may respond, I want to make very clear on the record that parents absolutely must give permission before a student may enter this course. That is not changing from the current law. Actually, in this current version of the bill, I have made it even easier for parents to make their wishes known. If their wish is to opt their child out of the program, for their child to not take the program, there are additional ways that that happens. We are authorizing the school districts to offer this permission slip online. We are also ensuring that if one is not returned to the school

district, the parents are notified again to make sure they know that permission slip is coming home so that their wish is known. It is absolutely not my intent that a child would take this unless they had their parents' permission.

ASSEMBLYWOMAN BILBRAY-AXELROD:

I did not plan on speaking, but I rise in support of this bill. I really have to give a tremendous amount of credit to my colleague from Assembly District 24. If it was up to me, we would be going a lot further, and honestly, it would not be an opt-in situation. If any of you can stand here and think that your teenagers do not need this information, then you need to talk to a few teenagers. Vote however you want to vote, but believe me, my colleague has done a ton of work, and I support her. I urge you to support this bill.

ASSEMBLYMAN ELLIOT ANDERSON:

I rise in support of Assembly Bill 348. I first want to speak to my colleague from the double-deuce and point out that section 1.5, subsection 8, is the existing law that still requires opt-in. The subsection that you referenced, subsection 9 of section 1.5, adds more heft to it.

Furthermore, one problem that Nevada has should be brought up in this discussion. Part of the bill requires better information about consent and that sort of thing. I think healthy choices in relationships is something that is important for kids to know. Oftentimes we have dealt with problems like human trafficking, and those sort of things start with those bad choices and not learning about making healthy choices. I think as a way to help prevent those situations from developing, getting information about responsible choices and proper relationship expectations is important. We should not underestimate that in all our talk about human trafficking.

ASSEMBLYMAN HAMBRICK:

I rise in opposition to Assembly Bill 348. I am troubled by the opt-in opt-out provisions that could last for years. I am also troubled by the fact that much of this is already codified in state law, and anything beyond our current standards are likely to go on for many more years.

Many of you know my wife Nancy. She and I are the parents of two beautiful children. I know that for Nancy and I, many of the details of this subject are best taught at home. This is a sacred issue for many, and I do not believe it is our place to take this any further than it already is.

If it is determined that the child should remain in his or her school of origin, the child welfare agency and the relevant LEA must provide the child with transportation to that school. If a dispute related to transportation arises between the agencies and is not resolved within five business days, the dispute must be resolved by court order.

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 350 ("AB 350"), which is entitled:

> AN ACT relating to state employment; requiring certain state agencies to provide an employee orientation to new employees, to allow certain employee organizations to provide a presentation during such an orientation or meet with a new employee under certain circumstances and to provide such an employee organization with certain information concerning new employees; requiring certain state agencies to allow certain employee organizations to meet with employees at certain locations; and providing other matters properly relating thereto.

At its core, AB 350 has good intentions. Improving the pay and working conditions for state employees has been a priority of mine and the Legislature. Whenever possible and prudent, my recommended executive budgets have included state employee raises, the end of furloughs, and other benefit increases for Nevada's public servants. In my proposed budget for the upcoming biennium, all state employees will receive a four percent raise with no additional retirement contributions.

Nevada has a long, bipartisan history of balancing the provision of state services to our citizens with the relationship between employer and employee. AB 350 upsets this balance, and creates a process that could end in collective bargaining for all state employees—a policy that has already been historically considered and rejected by prior administrations and legislatures.

Moreover, AB 350 mandates that employee organizations make their presentations during working hours paid for by taxpayers. Such a mandate is inconsistent with bipartisan reforms enacted during the 2015 Legislative Session.

For these reasons, I veto Assembly Bill 350 and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

OFFICE OF THE GOVERNOR

May 30, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, The Nevada Legislature, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 427 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 427 ("AB 427"), which is entitled:

> AN ACT relating to public assistance; revising provisions relating to eligibility of certain convicted persons for public assistance; and providing other matters properly relating thereto.

Nevada law strikes an important and careful balance between the nutritional and financial needs of certain felony drug offenders and the public policy of ensuring that these individuals seek and receive drug treatment and are no longer possessing, using, or distributing controlled substances.

Under existing law, persons with felony convictions associated with the possession, use, or distribution of a controlled substance may be eligible for Temporary Assistance for Needy Families ("TANF") and the Supplemental Nutrition Assistance Program ("SNAP") if, among other requirements, he or she is participating in or has successfully completed a drug treatment program. A person is also required to demonstrate that he or she has not possessed, used, or distributed a controlled substance since that person began a drug treatment program.

AB 427 eliminates the drug treatment component, allowing felony drug offenders to access these public benefits without participating in or completing a drug program. This is a substantial change in public policy that I cannot support because it removes important tools and incentives for drug offenders to receive necessary treatment for addiction and rebuild their lives.

For these reasons I veto AB427 and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

Assemblywoman Benitez-Thompson moved that Assembly Bill No. 427 of the 79th Session be placed on the Chief Clerk's desk.

Motion carried.

REMARKS FROM THE FLOOR

Assemblywoman Spiegel requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN SPIEGEL:

Mr. Speaker, I rise tonight with some sad news. Our friend Patrick Patin passed away this afternoon after a long illness. Those of us who have been involved in the Clark County Democratic Party and Nevada State Democratic Party knew Patrick for his many contributions and his bright smile. Patrick was an active member of both the Clark County and the Nevada

State Democratic Central Committees. He was President of the Nevada Stonewall Democratic Caucus and the Stonewall Democratic Club of Southern Nevada, and he was active with Gender Justice Nevada. Patrick was an integral part of the Nevada Democratic family. We will miss his many contributions and his friendship. Please keep Patrick's family and his partner Jimmy in your thoughts and prayers.

Assemblyman Thompson requested that the following remarks be entered in the Journal.

ASSEMBLYMAN THOMPSON:

There is another great Nevadan that we laid to rest today and that is Mr. Ardell Galbreth. He recently served as the Director of the Department of Employment, Training, and Rehabilitation. His last position was at Workforce Connections. He battled cancer for quite a while. One thing I want to say about him is that literally until the day he died, he worked hard to make sure that people who did not have skills and were not competitive in the workforce were able to attain those skills. He fought hard with the community—all the ridicule he may have received—but he kept on smiling, he kept on pushing forward towards the mark to help people. I would like for this body to acknowledge him. He served in the military and was truly the epitome of a public servant. My prayers and thoughts go out to his family and to his Workforce Connections family.

CARSON CITY (Wednesday), May 31, 2017

Assembly called to order at 12:34 p.m.

Mr. Speaker presiding.

Roll called.

All present.

Prayer by Assemblywoman Maggie Carlton.

I will start afresh each new day with petty littleness freed. I will cease to stand complaining of my ruthless neighbor's greed. I will cease to sit repining while my duty's call is clear. I will waste no moment whining, and my heart shall know no fear. I will not be swayed by envy when my rival's strength is shown. I will not deny his merit, but I will try to prove my own. I will try to see the beauty spread before me, rain or shine. I will cease to preach your duty and be more concerned with mine. If a task is once begun, never leave it until it is done. Be the labor great or small, do it well or not at all.

AMEN.

Pledge of allegiance to the Flag.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1045.

AN ACT relating to juries; revising the provisions governing the selection of jurors; requiring the jury commissioner to report certain information about trial jurors to the Court Administrator; ~~[prohibiting certain conduct relating to the use of certain employment information; providing a penalty;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a district court is authorized to assign a jury commissioner to select trial jurors. Existing law provides that the jury commissioner assigned to select trial jurors is required to select jurors from qualified electors of the county not exempt from jury duty, whether registered as voters or not. (NRS 6.045) Existing law further requires the Department of Motor Vehicles to provide a list of registered owners of motor vehicles and a list of licensed drivers for use in selecting jurors. (NRS 482.171, 483.225) Certain public utilities are also required to provide a list of customers for use in the selection of jurors. (NRS 704.206) ~~[Section 4.5 of this bill requires the Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation to provide a list of persons who receive benefits for use in jury selection.]~~

Section 1 of this bill revises the process for selecting trial jurors by requiring the jury commissioner to compile and maintain a list of qualified electors from information provided by: (1) a list of persons who are registered to vote in the county; (2) the Department of Motor Vehicles; **and** (3) ~~[the Employment Security Division of the Department of Employment, Training and Rehabilitation; and (4)]~~ certain public utilities. **Section 1** also requires the jury commissioner to: (1) keep a record of the name, occupation, address and race of each trial juror who is selected and of each trial juror who appears for jury service; and (2) report this information once a year to the Court Administrator.

~~[Existing law makes confidential the employment information collected by the Employment Security Division of the Department of Employment, Training and Rehabilitation and prohibits the release of such information except for limited purposes. (NRS 612.265) Section 4.5 provides that if, in addition to those acts prohibited by existing law, certain persons use information collected by the Division for purposes other than those authorized by the Administrator or by law, or fail to protect and prevent the unauthorized use or dissemination of such information, the person is guilty of a gross misdemeanor.]~~

The jurors may be selected by computer whenever procedures to assure random selection from computerized lists are established by the jury commissioner. ~~[The jury commissioner shall keep a record of the name, occupation and address of each person selected.]~~

Amendment No. 1026.

SUMMARY—Makes ~~[various]~~ **certain** changes relating to collective bargaining. (BDR 23-35)

AN ACT relating to **collective bargaining by** local governments; ~~[authorizing the Local Government Employee-Management Relations Board to appoint a Deputy Commissioner; revising the period during which a new, extended or modified collective bargaining agreement or similar agreement must be posted and made available before a public hearing; requiring the chief executive officer of a local government to report to the governing body of the local government whether a proposed collective bargaining agreement or similar agreement is financially sustainable; revising the process of fact-finding and arbitration after an impasse in bargaining; revising provisions relating to the budgeted ending fund balance of the general fund of a local government; making an appropriation;]~~ **revising certain provisions relating to employee leave;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[The Local Government Employee-Management Relations Board administers the provisions governing labor relations between local government employers and employee organizations. (NRS 288.080, 288.110) The Board is authorized by existing law to appoint a Commissioner, who serves in the unclassified service of the State. (NRS 288.090) Section 4 of this bill additionally authorizes the Board to appoint a Deputy Commissioner, and section 10 of this bill makes an appropriation for that purpose.~~

~~Existing law provides that any new, extended or modified collective bargaining agreement or similar agreement between a local government employer and an employee organization must be approved at a public hearing by the governing body of the local government. Not less than 3 business days before the date of the hearing, the governing body must cause the proposed agreement and certain related documents to be posted and made available for downloading on the Internet website of the local government or, if the local government does not have such a website, deposited with the clerk of the governing body. At the hearing, the chief executive officer of the local government must report on the fiscal impact of the proposed agreement. (NRS 288.153) Section 5 of this bill requires that the proposed agreement and other documents be posted and made available not less than 21 business days before the hearing. Sections 1 and 5 of this bill require the chief executive officer to report on whether the proposed agreement is financially sustainable, meaning that the local government employer has the financial ability to pay compensation or monetary benefits in a given amount during the term of the agreement or for 3 years, whichever is longer, giving~~

~~consideration to reserved money, nonrecurring revenue or a potential loss of revenue and certain other criteria.~~

~~— If an impasse is reached in collective bargaining negotiations, existing law establishes a process of fact-finding and arbitration. Existing law requires a fact finder to make a determination of the financial ability of the local government to grant monetary benefits. After the fact finder makes his or her report, the governing body of the local government employer must meet to consider the fiscal impact of the fact finder's findings and recommendations, based upon a report from the chief executive officer of the local government. (NRS 288.200) Section 6 of this bill requires that the fact finder make a determination of the amount of compensation and monetary benefits that is financially sustainable for the local government employer, and that the chief executive officer and governing body also report on and consider whether the fact finder's findings and recommendations are financially sustainable. Sections 7 and 8 of this bill make similar changes relating to the process of final and binding arbitration.~~

~~— Existing law limits the extent to which money in certain governmental funds may be expended by a local government employer pursuant to a collective bargaining agreement or considered by a fact finder or arbitrator in determining the financial ability of the local government employer to pay monetary benefits. (NRS 288.200, 288.215, 288.217, 354.6241) Existing law further provides that for any local government other than a school district, a budgeted ending fund balance for the general fund of the local government of not more than 25 percent of the total budgeted expenditures from the general fund, less capital outlay: (1) is not subject to collective bargaining negotiations; and (2) must not be considered by a fact finder or arbitrator in resolving issues of ability to pay compensation or monetary benefits. (NRS 354.6241) Section 9 of this bill deletes the exception provided for a school district. Section 9 further provides that a fact finder or arbitrator may consider certain money previously reserved by a local government employer if the governing body of the local government employer makes a finding that the continued reservation of the money is no longer necessary.]~~

Existing law authorizes a local government employer to provide leave to any of its employees for time spent by the employee in providing services for an employee organization, conditioned upon: (1) payment or reimbursement of the cost of the leave by the affected employee organization; or (2) bargaining concessions by the employee organization that fully offset the cost of the leave. (NRS 288.225) Section 8.3 of this bill provides that if such leave was provided by a local government employer as of June 1, 2015, to a given number of employees, bargaining concessions are deemed to have been made by the employee organization for the past, present and future costs of providing the leave to that number of employees.

Assembly Bill No. 475.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 1027.

AN ACT relating to education; requiring the Board of Trustees of the College Savings Plans of Nevada to establish the Nevada College Kick Start Program; **revising the membership of the Board; providing that the Nevada Higher Education Prepaid Tuition Trust Fund consists, in part, of payments received pursuant to a loan made to the Trust Fund for purposes of the fiscal stabilization of the Nevada Higher Education Prepaid Tuition Program;** requiring the transfer of money in accounts created under the Program to the Endowment Account in the State General Fund under certain circumstances; revising provisions governing the expenditures authorized from the Endowment Account; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Board of Trustees of the College Savings Plans of Nevada was created under existing law to oversee the Nevada Higher Education Prepaid Tuition Program and the Nevada College Savings Program. **The State Treasurer or his or her designee serves as the Chair of the Board.** (NRS 353B.001-353B.370) **Section 2 of this bill revises the membership of the Board to: (1) provide that the State Treasurer or his or her designee serves as an ex officio nonvoting member; and (2) add a new voting member who is appointed by the Governor. Section 2 also provides for the selection of the Chair of the Board by the voting members of the Board.**

Section 1 of this bill requires the Board to establish the Nevada College Kick Start Program to create college savings accounts for pupils enrolled in kindergarten in public schools in Nevada who are residents of Nevada. **Section 1** requires the Board, within limits of money available for this purpose, to deposit money in the accounts to be used for the costs of higher education of those pupils. **Section 1** also requires the Board to adopt regulations for the implementation of the Program and authorizes the Board to apply for and accept gifts, grants and donations to carry out the Program.

Existing law authorizes the State Treasurer to establish an Endowment Account in the State General Fund to carry out the State Treasurer's duties with respect to the Nevada College Savings Program. The Endowment Account is required to be used for the deposit of any money received by the Nevada College Savings Program that is not received pursuant to a savings account agreement and which the State Treasurer determines is not necessary for certain administration and marketing activities. The State Treasurer is authorized to expend money in the Endowment Account: (1) for any purpose related to the Nevada College Savings Program; (2) to pay the costs of administering the Governor Guinn Millennium Scholarship Program; or (3) in any other manner which assists residents of Nevada to attain

postsecondary education. (NRS 353B.350) **Section 6** of this bill limits the purposes for which the State Treasurer is authorized to expend money in the Endowment Account only to purposes related to the **funding of college savings accounts under the** Nevada College Kick Start Program **,** ~~[or]~~ the Governor Guinn Millennium Scholarship Program ~~[.]~~ **, administrative and marketing costs related to the Nevada Higher Education Prepaid Tuition Program and the Nevada College Savings Program, and programs for the financial education of residents of this State.** **Section 1** requires the Board of Trustees of the College Savings Plans of Nevada to transfer to the Endowment Account the balance in the account of a pupil created under the Nevada College Kick Start Program: (1) that has not been accessed by a parent or guardian of the pupil by the time the pupil is enrolled in the ~~[third]~~ **fifth** grade; or (2) which otherwise has not been used within the time prescribed by regulation.

Existing law creates the Nevada Higher Education Prepaid Tuition Trust Fund which consists of certain payments received by the Trust Fund. (NRS 353B.140) Section 2.5 of this bill adds to the list of payments included in the Trust Fund payments received pursuant to a loan made to the Trust Fund for the purpose of fiscal stabilization of the Nevada Higher Education Prepaid Tuition Program.

Existing law creates the Nevada College Savings Trust Fund and authorizes the State Treasurer to accept and expend for certain purposes money provided to the Trust Fund by a private entity. (NRS 353B.340, 353B.360) Section 6.5 of this bill removes this grant of authority from the State Treasurer and instead authorizes the Board of Trustees of the College Savings Plans of Nevada to accept and expend such money.

Assembly Bill No. 382.

Bill read third time.

Remarks by Assemblymen Carlton, Paul Anderson, Oscarson, and Ohrenschall.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 382. The bill is otherwise known as the "bill charges" or "surprise bill." This bill has been worked on through almost the whole session. Numerous meetings were held. There are still negotiations going on. What is left in the bill right now is arbitration that would take the patient out of the mix of surprise bills and allow the insureds and the hospitals—the two sophisticated parties—to deal with what would be a reasonable rate as an offer on a surprise bill that a patient might receive. We are still trying to find a number for the rate, but it is very difficult because every hospital is different, every provider is different.

I have not given up yet. This is the first step toward completion, and I would ask the body to support it moving forward in order to make sure that the patients in this state are taken out of the middle of surprise bills.

ASSEMBLYMAN PAUL ANDERSON:

I rise in support of Assembly Bill 382. I know the sponsor has worked diligently on this bill. It was just recently amended out of Ways and Means. While I am still a bit nervous with the current language, I am confident in the sponsor's promise to continue to work on it with those that are invested in making sure this comes out and gets the consumer out of the middle and lets those bills get paid in a timely manner and at a reasonable rate. I think it is important and good public policy that we need to continue to work on, so I will be a yes to support this and keep the conversation flowing.

ASSEMBLYMAN OSCARSON:

I know that the sponsor has worked diligently with others in this building. I have been engaged in some of those conversations as well. I appreciate her diligence in trying to work with this. She has committed to myself and others in the building that she will continue to work to make this a bill that everyone can at least live with. The most important thing, as we have all noticed in the past, is that we need to have the patients out of the middle of the discussion. That, for sure, is one thing that in agreement between both parties, both entities, so I look forward to the further discussions and negotiations that I believe will transpire.

As we all strive to do what is best for our humankind, may we exercise respect and the agreement to disagree as we carry out the will of those we serve.

What an amazing community, state, country, and world we are allowed to partake of. May we be good stewards of what we have been given and protect the freedoms that surround us. This is the legacy that I desire to leave; what about you?

God Bless the state of Nevada.

GENERAL FILE AND THIRD READING

Assembly Bill No. 94.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1054.

AN ACT relating to economic development; repealing the prospective expiration of the NV Grow Program that provides certain assistance to existing small businesses; recognizing the Small Business Development Center in Clark County and requiring the Centers in Clark and Washoe Counties to cooperatively expand the NV Grow Program; making appropriations to support the NV Grow Program; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law directs the Office of Economic Development within the Office of the Governor to create the NV Grow Program as a pilot program to provide certain informational and technical assistance to existing small businesses in this State that are expanding or ready to expand. (Section 2 of chapter 459, Statutes of Nevada 2015, p. 2681) Existing law provided a $150,000 appropriation for the 2015–2017 biennium to the Nevada System of Higher Education for the College of Southern Nevada to hire a geographic information technology specialist, purchase related software and provide other services related to the NV Grow Program. (Section 5 of chapter 459, Statutes of Nevada 2015, p. 2683) Existing law also provides that the NV Grow Program expires by limitation on June 30, 2017. (Section 8 of chapter 459, Statutes of Nevada 2015, p. 2683)

Sections 1-7 of this bill make the NV Grow Program ongoing by repealing the prospective expiration of the provisions that created the NV Grow Program and make conforming changes to remove the designation of the program as a pilot program. **Section 1.5** of this bill designates the NV Grow Act as the short title for the act that establishes the NV Grow Program.

Section 3 of this bill recognizes the Small Business Development Center in Clark County as a participant in the program and requires cooperation with the geographic information system specialist. **Section 3** also requires the Small Business Development Centers in Clark and Washoe Counties to select the lead counselor and manage the NV Grow Program jointly, including: (1) appointing the College of Southern Nevada as administrator of the geographic information system; (2) identifying businesses and business sectors in this State that are ready to expand; (3) determining those businesses and business sectors that will participate in the program; (4) identifying skilled labor in this State and its potential for growth; (5) targeting business sectors and occupations in the State that have demonstrated the ability to grow and stimulate the economy; (6) focusing on utilization of existing resources; (7) harnessing the academic expertise of the College of Southern Nevada; (8) using the geographic information systems to map areas in which retail sales and other commerce are flourishing or have capacity for further growth; and (9) facilitating informational and other assistance of the College of Southern Nevada to businesses and business sectors, including business training, monitoring marketing techniques and business mentoring. Additionally, **section 3**: (1) adds business mentorship within the program as part of the resources and expertise the Centers provide to businesses in this State; (2) expands the goal of the NV Grow Program from serving 10 businesses to serving 15 businesses in this State every year; and (3) reduces the minimum revenue threshold for participation in the NV Grow Program to businesses that generate at least $50,000 per year.

Section 8 of this bill increases the appropriations to provide grants for program support for business courses and allow the College of Southern

Nevada to hire a lead counselor. **Section 8** also requires the money appropriated by this bill to be used for direct program expenditures.

Sec. 13. **NRS 321.335 is hereby amended to read as follows:**

321.335 1. Except as otherwise provided in NRS 321.008, 321.125, 322.061, 322.063, 322.065 or 322.075, ***or sections 4 to 11, inclusive, of this act,*** except as otherwise required by federal law, except for land that is sold or leased to a public utility, as defined in NRS 704.020, to be used for a public purpose, except for land that is sold or leased to a state or local governmental entity, except for a lease which is part of a contract entered into pursuant to chapter 333 of NRS and except for an agreement entered into pursuant to the provisions of NRS 277.080 to 277.170, inclusive, or a lease of residential property with a term of 1 year or less, after April 1, 1957, all sales or leases of any lands that the Division is required to hold pursuant to NRS 321.001, including lands subject to contracts of sale that have been forfeited, are governed by the provisions of this section.

2. Whenever the State Land Registrar deems it to be in the best interests of the State of Nevada that any lands owned by the State and not used or set apart for public purposes be sold or leased, the State Land Registrar may, with the approval of the State Board of Examiners and the Interim Finance Committee, cause those lands to be sold or leased upon sealed bids, or oral offer after the opening of sealed bids for cash or pursuant to a contract of sale or lease, at a price not less than the highest appraised value for the lands plus the costs of appraisal and publication of notice of sale or lease.

3. Before offering any land for sale or lease, the State Land Registrar shall comply with the provisions of NRS 321.007.

4. After complying with the provisions of NRS 321.007, the State Land Registrar shall cause a notice of sale or lease to be published once a week for 4 consecutive weeks in a newspaper of general circulation published in the county where the land to be sold or leased is situated, and in such other newspapers as the State Land Registrar deems appropriate. where the sealed bids will be opened and oral offers submitted pursuant to subsection 6 will be accepted.

6. At the time and place fixed in the notice published pursuant to subsection 4, all sealed bids which have been received must, in public session, be opened, examined and declared by the State Land Registrar. Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

7. The State Land Registrar may reject any bid or oral offer to purchase or lease submitted pursuant to subsection 6, if the State Land Registrar deems the bid or offer to be:

(a) Contrary to the public interest.

(b) For a lesser amount than is reasonable for the land involved.

(c) On lands which it may be more beneficial for the State to reserve.

(d) On lands which are requested by the State of Nevada or any department, agency or institution thereof.

8. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of sale specified in the notice of sale, the State Land Registrar shall convey title by quitclaim or cause a patent to be issued as provided in NRS 321.320 and 321.330.

9. Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land

Registrar must, as applicable, obtain a new appraisal or new appraisals of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property.

ASSEMBLYMAN SPRINKLE:

The General Fund appropriations included in the General Appropriations Act total $2.44 billion in Fiscal Year 2018 and $2.54 billion in Fiscal Year 2019, or $4.98 billion over the 2017-2019 biennium, an increase of approximately $544.2 million when compared to General Fund appropriations approved by the 2015 Legislature for the 2015-2017 biennium. The Act includes Highway Fund appropriations totaling $141.13 million in Fiscal Year 2018 and $145.72 million in Fiscal Year 2019, an increase of approximately $4.1 million from the previous biennium.

Highlights of the spending recommendations: the Office of Workforce Innovation, $192,000 to permanently establish the Office of Workforce Innovation to coordinate workforce development efforts, and transfer the Nevada P20 Workforce reporting budget, including General Fund appropriations of $1.7 million, to the Office.

The Nevada System of Higher Education: revenue from all sources totaling $1.9 billion, including $1.2 billion in General Fund appropriations. It continues funding for the seven instructional budgets using the funding formula adopted by the 2013 and 2015 Legislatures.

Aging and Disability Services Division: $3.4 million to support home-delivered meals programs for seniors and $12.2 million to retain the current Early Intervention Services delivery and reimbursement model.

Division of Health Care Financing and Policy: $1.42 billion to support a Medicaid average monthly caseload of approximately 663,000 in Fiscal Year 2018 and 679,000 in Fiscal Year 2019.

Division of Public and Behavioral Health: $22.7 million to replace Medicaid safety net pass-through revenues; $9.9 million to retain outpatient services in the Northern Nevada Adult Mental Health Services [NNAMHS] and Southern Nevada Adult Mental Health Services [SNAMHS] budgets, including 53.13 positions recommended for elimination; and savings of $20.2 million due to other service reductions in NNAMHS and SNAMHS and the elimination of 126.59 positions.

Division of Child and Family Services: savings of $3 million for the continued operation of 20 beds within the 58-bed Desert Willow Treatment Center facility, leaving 38 beds empty and available for an outside agency to operate under a provider agreement or contract.

Department of Corrections: $584.3 million to provide housing for an average of 14,000 inmates, including $11.4 million to fund the transfer of 200 inmates out of state to a privately contracted facility.

Department of Public Safety: $876,000 to create the Office of Cyber Defense and $3.4 million to support a pilot re-entry program, a state-funded electronic monitoring program, and a state-funded transitional housing program to improve and expedite the inmate release process.

Department of Conservation and Natural Resources: $6.6 million for the Governor's Explore Your Nevada Initiative for the Division of State Parks to develop the new Walker River State Recreation Area, Tule Springs State Park and the bi-state Van Sickle State Park.

Public Employees' Benefits Program: align the monthly premiums paid by non-state, non-Medicare retirees with similarly participating—same plan and tier—state non-Medicare retirees, and approved General Funds of $4.2 million to phase-in increased local government support of their retirees, contingent upon the passage and approval of enabling legislation.

ASSEMBLYMAN PAUL ANDERSON:

Together with my colleagues, we worked very hard on these budgets. We have made concessions and worked in good faith with our friends on both sides of the aisle and in no way do I want my statement here to dismiss these efforts. Frankly, with the amount of time and effort we have put into these budgets, it pains me to make these statements, and I do so with that in mind.

We did the work and made concessions with the understanding that we would work toward an agreement on Education Savings Accounts. While I recognize that this is not the budget that that particular account would be in, the culmination of the five budget bills certainly is part of that discussion. This budget leaves thousands of Nevada parents and students without a choice they have eagerly waited to participate in and many have elected to participate in. Because of that—and painfully, again—I cannot and my caucus will not vote today in favor of a budget.

When the Governor brought forth his spending priorities for the biennium, everyone had an opportunity to weigh in on them and contribute in ways that would lead to good conversations and workable solutions. That some of these conversations on central pieces of the budget did not happen until a week or two prior to the adjournment of this body tells me that, certainly, there were distinct differences in priorities for education. Our house, our Assembly, our Nevada Assembly, can and should do better than this. Those who sent me here expect more. I urge my colleagues to keep this in mind over the next few days as we work diligently to complete the people's business.

ASSEMBLYWOMAN CARLTON:

I rise in support of Assembly Bill 518. With all respect to one of my colleagues from the committee—yes, he is absolutely correct. There was a lot of work put in. Staff worked very, very hard; every member of the committee worked hard. Everyone who testified before us had butterflies and worked very hard to make sure that the priorities in this state were funded. I was elected to come here and govern and to make sure that this state continued on, and we did our jobs. I am very proud of my committee; I am very proud of this Chamber that we did our jobs. We fulfilled our responsibilities.

I do not trade the budget for anything. It is my responsibility to get it done. Yes, in this building there are trades. We have to compromise; we have to work together. But this budget is not one of those budgets. This budget is the responsibility of everyone who stood in this Chamber at the beginning of February and put their hand up and said that they promised to do their duty in this building.

So I respectfully disagree with my colleague. I believe his comments would be much better suited towards the DSA [Distributive School Account] budget, which we will be processing in Ways and Means later today. I fully expect to have that conversation when we talk about the DSA later today. But this budget is not for trade. This budget is our responsibility to get done for the people of the state of Nevada.

Assembly Joint Resolution No. 14.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 1084.

SUMMARY—Proposes to amend the Nevada Constitution to ensure access to affordable emergency medical care **at reasonable rates** to all persons in this State. (BDR C-1218)

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to ensure access to affordable emergency medical care **at reasonable rates** to all persons in this State.

Legislative Counsel's Digest:

Existing federal law requires hospitals to provide certain services to persons who go to a hospital or independent facility for emergency medical care or who have an emergency medical condition, regardless of the ability of the person to pay and regardless of whether the person has health insurance. (42 U.S.C. § 1395dd) Existing state law requires a hospital in this State to provide emergency services and care to patients, regardless of their financial status. Existing state law further makes it a crime for a hospital to: (1) refuse to treat a patient in need of emergency services and care; (2) transfer a patient to another hospital or health facility in certain circumstances; or (3) order testing of a patient to be performed at another hospital if the hospital from which the orders are issued is capable of providing the testing. (NRS 439B.410) Existing state law further requires certain major hospitals to reduce the total billed charges by at least 30 percent for hospital services provided to certain patients who do not have insurance or any other contractual agreement with a third party for the payment of the charges. (NRS 439B.260)

This resolution proposes to amend the Nevada Constitution to guarantee persons in this State **who arrive at a hospital or independent facility for emergency medical care and who are seeking medically necessary emergency services are not denied** the right to receive medical ~~[care and]~~ services needed as a result of ~~[an]~~ **the** emergency, regardless of the ability of the patient to pay and regardless of whether the patient has insurance. In addition, this resolution provides persons in this State a right to receive **such** emergency medical ~~[care and]~~ services at a reasonable cost and **, with certain exceptions,** guarantees that a hospital or independent facility for emergency medical care will not charge for any treatment, service or

medication or other product provided to a person who arrives at ~~[a]~~ **the** hospital or facility as a result of an emergency more than 150 percent of the ~~[amount]~~ **lowest rate** that the hospital or facility has agreed to accept from a federal public insurer for the treatment, service, medication or other product received by the patient.

This resolution ~~[makes the]~~ **also provides that its** provisions **: (1) are** self-executing ~~[but]~~ **; (2) may not be waived in any manner or altered or varied by agreement; and (3) may be enforced by the State or a political subdivision and may additionally be enforced by a civil action brought by a person who is denied any right protected by this resolution.**

Finally, this resolution allows the Legislature by law to establish a different rate **that may be charged for medically necessary emergency services** if the Legislature establishes a commission to ensure that hospitals and independent facilities for emergency medical care provide medically necessary emergency services at a reasonable cost. **However, if the Legislature does not establish a different rate by law, the state agency authorized by law to regulate the hospitals or facilities may allow a rate increase only if the hospital or facility proves that the increase is absolutely necessary to avoid a rate that is confiscatory under the United States Constitution. (U.S. Const. Amend. V, XIV) If the state agency allows such an increase, the amount of the increase must not exceed the amount that the hospital or facility proves is absolutely necessary to avoid an unconstitutional result. (Duquesne Light Co. v. Barasch, 488 U.S. 299, 307-08 (1989) ("The guiding principle has been that the Constitution protects [private companies] from being limited to a charge for their property serving the public which is so 'unjust' as to be confiscatory."); Guar. Nat'l Ins. Co. v. Gates, 916 F.2d 508, 512-16 (9th Cir. 1990); Reinkemeyer v. Safeco Ins. Co., 117 Nev. 44, 50-53 (2001))**

If this resolution is passed by the 2017 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

WHEREAS, The charges for health care services rendered as a result of an emergency are often exorbitant; and

WHEREAS, Persons in the State of Nevada, some of whom are not indigent but do not have health insurance or are underinsured are often made to pay highly inflated prices for emergency medical care; and

WHEREAS, Such exorbitant pricing discourages persons from seeking necessary care and can be devastating financially to those who do seek such care; and

WHEREAS, It is of the utmost importance that all persons in this State have access to affordable health care services **at reasonable rates** when needed as a result of an emergency; and

WHEREAS, It is unconscionable for hospitals and independent facilities for emergency medical care to charge inflated **and unreasonable** rates for health care services provided as a result of an emergency to middle and lower income persons to subsidize the lower rates paid by public and private insurers; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 17, be added to Article 15 of the Nevada Constitution to read as follows:

Sec. 17. 1. No hospital or independent facility for emergency medical care shall deny treatment or services to a person who arrives at the hospital or facility seeking medically necessary emergency services, regardless of whether the person has health insurance and regardless of the ability of the person to pay for such services.

2. All persons in this State have a right to receive medically necessary emergency ~~[medical care and]~~ services at a reasonable cost, and except as otherwise provided in subsection 3, no hospital or independent facility for emergency medical care shall charge for any treatment, service or medication or other product provided to a person who arrives at ~~[a]~~ the hospital or facility seeking medically necessary emergency services, whether or not the person has insurance, an amount which is ~~[greater]~~ :

(a) Greater than 150 percent of the lowest rate which the hospital or facility has agreed to accept from a federal public insurer for the treatment, service or medication or other product ~~[.]~~ ; or

(b) If the Legislature provides by law for a different rate pursuant to subsection 5, greater than the rate provided by law.

3. If the Legislature has not provided by law for a different rate pursuant to subsection 5, the state agency authorized by law to regulate the hospital or independent facility for emergency medical care may allow the hospital or facility to increase the rate above the rate provided in paragraph (a) of subsection 2 only if the hospital or facility proves that the increase is absolutely necessary to avoid a rate that is confiscatory under the Constitution of the United States. If the state agency allows such an increase, the amount of the increase must not exceed the amount that the hospital or facility proves is absolutely necessary to avoid an unconstitutional result.

4. The provisions of subsections 1 , 2 and ~~[2 are]~~ 3:

(a) Are self-executing.

(b) May not be waived in any manner or altered or varied by agreement.

(c) May be enforced by:

(1) The State of Nevada or a political subdivision of the State of Nevada.

(2) A civil action brought by a person who is denied any right protected by those provisions.

5. The Legislature ~~[may]~~ :

(a) Shall provide by law for the administration and enforcement of the provisions of this section.

(b) May provide by law for a different rate than the rate provided in paragraph (a) of subsection 2 if the Legislature establishes, by law, a commission to ensure that hospitals and independent facilities for emergency medical care provide medically necessary emergency services at a reasonable cost. If such a commission is established, the Legislature shall provide by law for ~~[the]~~ :

(1) The appointment of the members of the commission; and ~~[fix, by law, their]~~

(2) The powers and duties of the commission consistent with the provisions of this section.

Assembly Joint Resolution No. 14.

Resolution read third time.

Remarks by Assemblymen Araujo, Edwards, and Carlton.

ASSEMBLYMAN ARAUJO:

Assembly Joint Resolution 14 proposes to amend the *Nevada Constitution* to provide that no hospital or independent facility for emergency medical care shall deny medically necessary emergency treatment or services to a person, regardless of whether the person has health insurance and regardless of the person's ability to pay for such services.

The resolution provides that all persons in Nevada have a right to receive emergency medical care at a reasonable cost. No hospital or independent facility shall charge an amount greater than 150 percent of the lowest rate the hospital or facility has agreed to accept from a federal insurer or the rate provided by law, whichever is greater. If the Legislature has not provided a rate by law, the state agency authorized to regulate hospitals or independent facilities may allow an increase in the rate if the facility proves it is necessary to avoid a rate deemed confiscatory under the *United States Constitution*.

These provisions may not be waived or varied by agreement. They may be enforced by the state of Nevada or a political subdivision. They may also be enforced by a civil action brought by a person who is denied any protected rights. The Legislature shall provide for the administration and enforcement of the provisions and may provide for a different rate if it establishes a commission to ensure compliance.

ASSEMBLYMAN EDWARDS:

Assembly Joint Resolution 14 has some really good intentions, and it would be really great if we could implement those intentions, but this is definitely the wrong execution of the right idea. This would have a disastrous effect on the hospital industry, the medical industry, and the doctors who want to be here. If we are trying to build medical access, we cannot discourage doctors from coming here by telling them that the prices that they will be paid will be insufficient to even run their businesses. This resolution tells doctors to stay away from Nevada. This resolution is going to tell the hospitals, Start closing down your operations because we will not pay you enough to keep them open.

This will have absolutely disastrous effects if this comes into play. I ask every one of you to think about the future and all the money that we put into UNLV's medical school, all the money that we are putting into the residency programs. Think of how much of that money is going to be wasted—all of it. We will get every doctor here to start thinking about moving to another state. I just do not know how many times we have to see socialism fail before we will refuse to jump on that bandwagon. This will fail. This will fail Nevada; this will fail us all.

ASSEMBLYWOMAN CARLTON:

I rise in support of A.J.R. 14. I have worked very, very hard on this issue, and there has been another piece of legislation moving through this body that has the total intent of taking the patient out of the middle. Assembly Joint Resolution 14 will take this to a vote of the people. We have debated this issue in this body for as long as I have been here. We need to finally have some resolution, and if a vote of the people is good for other things, then a vote of the people is good for this also. We need to let them weigh in on what has been happening to them when they get caught in the middle of these bill charges.

And to correct the previous speaker, this does not apply to doctors. It only applies to hospitals and facilities. This is not socialized medicine. This is negotiation on bill charges. There is no socialized medicine here. I just want to make sure the body is very clear what this A.J.R. actually does. It allows the people of this state—no matter what happens to that other piece of legislation in this body—to have input on this very important issue. I think that is important to take home to our folks.

ASSEMBLYWOMAN BENITEZ-THOMPSON:

Assembly Bill 97, as amended, requires a law enforcement agency to submit a certain sexual assault forensic evidence kit—a SAFE kit—to a forensic laboratory within 30 days after receiving the kit. The bill requires each forensic laboratory that receives a SAFE kit to test the kit within 120 days of receiving it and then upon completion of the test, include the DNA profile obtained from the genetic marker analysis in the State DNA Database and the Federal Bureau of Investigation's Combined DNA Index System, otherwise known as CODIS. Assembly Bill 97, as amended, appropriates $3 million from the State General Fund to the Office of the Attorney General for the purpose of making payments to forensic laboratories to process SAFE kits in a timely matter.

The bill requires each forensic laboratory to submit a report on the status and number of SAFE kits to the Director of the Legislative Counsel Bureau for transmittal to the next session of the Legislature or to the Legislative Commission, as applicable. Further, the legislation authorizes the Department of Administration to order the payment of up to $10,000 from the Fund for the Compensation of Victims of Crime to a county for the reimbursement of costs associated with conducting forensic medical examinations of victims of sexual assault.

The bill will become effective on October 1, 2017.

Amendment No. 1058.

AN ACT relating to health insurance; requiring health maintenance organizations to provide certain data relating to health insurance claims to the person responsible for overseeing the health care plan of certain group purchasers of health insurance upon request; **prohibiting the further disclosure of such data except in certain circumstances; requiring the Commissioner of Insurance to impose an administrative penalty against a person who engages in the unauthorized disclosure of such data;** requiring the Legislative Committee on Health Care to study certain issues relating to health care during the 2017-2018 interim; **providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section ~~[1]~~ **1.3** of this bill requires a health maintenance organization which provides a health care plan to certain large employers or multiple employer trusts to provide to the person responsible for overseeing the health care plan for the employer or trust upon request, not more than once every ~~[3 months,]~~ **year,** either: (1) all claims data relating to the enrollees of the health care plan; or (2) sufficient data for the employer or trust to calculate the cost of providing certain medical services through the health maintenance organization. **Section** ~~[1]~~ **1.3** requires such data to: (1) be free of any personally identifiable information; (2) comply with all other federal and

The penalty imposed depends on the culpability of the person who disclosed the data, the nature and extent of the disclosure and the harm caused by the disclosure.**

Section 2 of this bill requires the Legislative Committee on Health Care to study certain issues relating to: (1) making a program similar to the Medicaid managed care program which is currently available to certain low-income persons in this State available to persons who are not eligible for Medicaid; and (2) ensuring the same level of health insurance coverage which is currently available in this State pursuant to the Patient Protection and Affordable Care Act (Public Law 111-148, as amended) is maintained if the Affordable Care Act is repealed by Congress. **Section 2** requires the Legislative Committee on Health Care to submit a report relating to these issues to the Director of the Legislative Counsel Bureau by not later than September 1, 2018.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 695C of NRS is hereby amended by adding thereto ~~[a new section to read as follows:]~~ **the provisions set forth as sections 1.3 and 1.6 of this act.**

Sec. 1.3. 1. ~~[Except as otherwise provided in subsection 4, not more than once every 3 months,]~~ Notwithstanding any other provision of law that provides for the confidentiality of the information described in this section, a health maintenance organization shall , except as otherwise provided in subsection 4, provide to the person responsible for overseeing the health care plan for a group purchaser upon written request from that person ~~[,]~~ not more than once each year:

(a) All claims data relating to the enrollees in a health care plan provided by the health maintenance organization pursuant to a contract with the group purchaser; or

(b) Sufficient data relating to the claims of enrollees in the health care plan to allow the group purchaser to calculate the cost-effectiveness of the benefits provided by the health maintenance organization. Such data must include, without limitation:

(1) Data necessary to calculate the actual cost of obtaining medical services through the health maintenance organization, organized by medical service and category of disease;

(2) Data relating to enrollees in the health care plan who receive care, including, without limitation, demographics of such enrollees, prescriptions, office visits with a provider of health care, inpatient services and outpatient services, as used by the health maintenance organization to make calculations which are required to comply with the risk adjustment, reinsurance and risk corridor requirements of 42 U.S.C. §§ 18061, 18062 and 18063; and

(3) Such data as used to establish an experience rating for the enrollees in the health care plan, including, without limitation, coding relating to diagnostics and procedures, the total cost charged to any person for each drug, device or service made available by the health care plan and all reimbursements made to a provider of health care for such drugs, devices or services.

If a written request is made pursuant to subsection 1, the health maintenance organization must also provide an annual report relating to the [quarterly] data required to be made available pursuant to subsection 1, which must include, without limitation, sufficient detail to demonstrate the annual changes in the cost and the percentage of increase or decrease, as applicable, for each category of information made available pursuant to subsection 1.

3. A health maintenance organization shall provide the data required by this section in an aggregated form which complies with federal and state law, including, without limitation, the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and any applicable regulations.

4. Before providing any data pursuant to subsection 1, a health maintenance organization shall ensure that a professional statistician examines the data to confirm that such data cannot be used to identify and does not provide a reasonable basis upon which to identify a person whose information is included in the report. If the professional statistician is not able to make such a confirmation, the data must not be provided by the health maintenance organization until such confirmation is obtained.

5. A health maintenance organization must provide the data required by this section in a format which is easily searchable electronically or on a secure Internet website. The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 1008.

SUMMARY— ~~[Requires certain increases in]~~ **Revises provisions governing** the minimum wage **required to be** paid to employees in private employment in this State. (BDR 53-865)

AN ACT relating to employment; requiring certain increases in the minimum wage paid to employees in private employment in this State; **revising provisions governing a civil action brought by an employee whose employer violates the requirement to pay the minimum wage;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Labor Commissioner, in accordance with federal law, to establish by regulation the minimum wage that may be paid per hour to an employee in private employment in this State. (NRS 608.250) ~~[This]~~ **Section 1 of this** bill requires the Labor Commissioner, in adopting those regulations, to ensure that the minimum wage for such an employee is increased by 75 cents each year for 5 years or until the minimum wage: (1) is $12 or more, if the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner; and (2) is $11 or more, if the employer of the employee offers health insurance for the employee in accordance with regulations adopted by the Labor Commissioner.

Section 16 of Article 15 of the Nevada Constitution provides that an employee claiming that he or she was paid less than the minimum wage required by that provision may bring a civil action against his or her employer. Under this constitutional provision, if the employee prevails in such a civil action, the employee: (1) is entitled to all legal and equitable remedies appropriate to remedy the violation, including back pay, damages, reinstatement or injunctive relief; and (2) must be awarded reasonable attorney's fees and costs. (Nev. Const. Art. 15, § 16) Section 1.5 of this bill would enact into statute the language of the minimum wage provision of the Nevada Constitution: (1) authorizing an employee who prevails in a civil action to recover all legal or equitable remedies appropriate to remedy the violation, including back pay, damages, reinstatement or injunctive relief; and (2) requiring a court to award reasonable attorney's fees and costs to an employee who prevails in such a civil action.

Section 2 of this bill provides that this bill becomes effective on January 1, 2018.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 608 of NRS is hereby amended by adding thereto a new section to read as follows:

In adopting the regulations establishing the minimum wage that may be paid per hour pursuant to NRS 608.250, the Labor Commissioner shall ensure that the minimum wage for each employee to whom those

regulations apply is increased by 75 cents each year until the minimum wage that may be paid per hour pursuant to NRS 608.250 is:

1. If the employer of the employee does not offer health insurance for the employee in accordance with regulations adopted by the Labor Commissioner, $12 or more; and

2. If the employer of the employee offers health insurance for the employee in accordance with regulations adopted by the Labor Commissioner, $11 or more.

Sec. 1.5. **NRS 608.260 is hereby amended to read as follows:**

608.260 ***1.*** If any employer pays any employee a lesser amount than the minimum wage prescribed by regulation of the Labor Commissioner pursuant to the provisions of NRS 608.250, the employee may, at any time within 2 years, bring a civil action ~~[to recover the difference between the amount paid to the employee and the amount of the minimum wage.]~~ ***against his or her employer.*** A contract between the employer and the employee or any acceptance of a lesser wage by the employee is not a bar to the action.

2. If the employee prevails in a civil action brought pursuant to subsection 1:

(a) The employee is entitled to all remedies available under the law or in equity appropriate to remedy the violation by the employer, including, without limitation, back pay, damages, reinstatement or injunctive relief; and

(b) The court must award the employee reasonable attorney's fees and costs.

Sec. 2. This act becomes effective ~~[upon passage and approval.]~~ **on January 1, 2018.**

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 368.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 1060.

AN ACT relating to criminal procedure; establishing requirements concerning certain motions to suppress evidence; providing for the return and inadmissibility as evidence of property which is seized as a result of certain unlawful stops or seizures and subsequent arrests and searches; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Generally, the exclusionary rule requires courts to exclude evidence that law enforcement obtains in violation of the Fourth Amendment of the United States Constitution, which bars unreasonable searches and seizures. The United States Supreme Court and the Nevada Supreme Court recognized an exception to the exclusionary rule under the "attenuation doctrine," holding that "when [a] constitutional violation is far enough removed from the acquisition of the evidence, the violation is sufficiently 'attenuated [so] as to dissipate the taint' of the illegality and the evidence may be admitted." (*Torres v. State*, 131 Nev. Adv. Op. 2, 341 P.3d 652 (2015), citing *Wong Sun v. United States*, 171 U.S. 471, 491 (1993)) However, the Nevada Supreme Court in *Torres* held that the discovery of a warrant of arrest does not purge the taint from an illegal seizure and that the attenuation doctrine does not apply under such circumstances. *See Torres*, 131 Nev. Adv. Op. 2, at 11, 341 P.3d at 658.

In 2016, the United States Supreme Court extended the attenuation doctrine to admit evidence seized in situations in which a law enforcement officer makes an unconstitutional investigatory stop, discovers during the stop that the person stopped is the subject of an outstanding arrest warrant, arrests the person and seizes evidence in a search conducted incident to the arrest. (*Utah v. Strieff*, 579 U.S. ___, 136 S.Ct. 2056 (2016)) Pursuant to the decision of the United States Supreme Court in *Strieff*, the judgment of the Nevada Supreme Court in *Torres* was vacated and the attenuation doctrine was extended to allow the admissibility of evidence seized under such

circumstances. (*State v. Torres*, 136 S.Ct. 2505 (2016)) **Section 1.5** of this bill provides that the attenuation doctrine is not extended to permit the admissibility of evidence seized under such circumstances.

Section 1 of this bill requires that a motion to suppress evidence **:** ~~[in any criminal proceeding in which the defendant is charged with a felony or gross misdemeanor:]~~ (1) ~~[be made in the district court having jurisdiction after any preliminary hearing; (2)]~~ generally be in writing; and ~~[(3) be made in accordance]~~ **(2) if submitted in writing, comply** with all applicable provisions of law and court rules governing the procedure for filing such a motion. **However, section 1 authorizes a motion to suppress evidence which is made in justice court to be made orally unless a party requests that the motion be submitted in writing.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 174 of NRS is hereby amended by adding thereto a new section to read as follows:

3. A written motion to suppress evidence must comply with all applicable provisions of law and court rules governing the procedure for filing such a motion.

Sec. 1.5. NRS 179.085 is hereby amended to read as follows:

179.085 1. A person aggrieved by an unlawful search and seizure or the deprivation of property may move the court having jurisdiction where the property was seized for the return of the property on the ground that:

(a) The property was illegally seized without warrant;

If the motion is granted, the property must be restored and it must not be admissible evidence at any hearing or trial. For the purposes of this subsection, the discovery of an outstanding warrant of arrest shall be deemed not to purge the taint of an unlawful stop or seizure and not to attenuate the connection between the unlawful stop or seizure and the seizure of property during a search incident to an arrest pursuant to the outstanding warrant of arrest.

5. 2. The Department shall revoke the license, permit or privilege of a driver convicted of violating NRS 484C.110 or 484C.120 who fails to complete the educational course on the use of alcohol and controlled substances within the time ordered by the court and shall add a period of 90 days during which the driver is not eligible for a license, permit or privilege to drive.

3. When the Department is notified by a court that a person who has been convicted of a first violation within 7 years of NRS 484C.110 has been permitted to enter a program of treatment pursuant to NRS 484C.320, the Department shall reduce by one-half the period during which the person is not eligible for a license, permit or privilege to drive, but shall restore that reduction in time if notified that the person was not accepted for or failed to complete the treatment.

4. The Department shall revoke the license, permit or privilege to drive of a person who is required to install a device pursuant to NRS 484C.460 but who operates a motor vehicle without such a device:

Sec. 2. NRS 483.490 is hereby amended to read as follows:

483.490 1. Except as otherwise provided in this section, after a driver's license has been suspended or revoked for an offense other than a second violation within 7 years of NRS 484C.110, and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) To and from work or in the course of his or her work, or both; or

(b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself, herself or a member of his or her immediate family.

➥ Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if the applicant is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484C.460:

(a) Shall install the device not later than 21 days after the date on which the order was issued; and

(b) May not receive a restricted license pursuant to this section until:

(I) A violation of NRS 484C.430 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or

(II) A violation of NRS 484C.110 that is punishable as a felony pursuant to NRS 484C.410 or 484C.420;

(2) After at least 180 days of the period during which the person is not eligible for a license, if the person was convicted of a violation of subsection 6 ***or 7*** of NRS 484B.653; or

(3) After at least 45 days of the period during which the person is not eligible for a license, if the person was convicted of a first violation within 7 years of NRS 484C.110.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484C.460, the Department shall not issue a restricted driver's license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. Except as otherwise provided in NRS 62E.630, after a driver's license has been revoked or suspended pursuant to title 5 of NRS or NRS 392.148, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his or her work, or both; or

(b) If applicable, to and from school.

5. After a driver's license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his or her work, or both;

(b) To receive regularly scheduled medical care for himself, herself or a member of his or her immediate family; or

(b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484C.110, 484C.130 or 484C.430; or

(c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b),

➥ the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484C.210 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

Sec. 3. NRS 484B.270 is hereby amended to read as follows:

484B.270 1. The driver of a motor vehicle shall not intentionally interfere with the movement of a person lawfully riding a bicycle or an electric bicycle.

2. When overtaking or passing a bicycle or electric bicycle proceeding in the same direction, the driver of a motor vehicle shall exercise due care and:

(a) If there is more than one lane for traffic proceeding in the same direction, move the vehicle to the lane to the immediate left, if the lane is available and moving into the lane is reasonably safe; or

(b) If there is only one lane for traffic proceeding in the same direction, pass to the left of the bicycle or electric bicycle at a safe distance, which must be not less than 3 feet between any portion of the vehicle and the bicycle or electric bicycle, and shall not move again to the right side of the highway until the vehicle is safely clear of the overtaken bicycle or electric bicycle.

3. The driver of a motor vehicle shall yield the right-of-way to any person riding a bicycle or an electric bicycle or a pedestrian as provided in subsection 6 of NRS 484B.297 on the pathway or lane. (f) In an emergency.

4. Except as otherwise provided in subsection 3, the driver of a motor vehicle shall not enter or proceed through an intersection while driving within a pathway or lane provided for bicycles or electric bicycles.

5. The driver of a motor vehicle shall:

(a) Exercise due care to avoid a collision with a person riding a bicycle or an electric bicycle; and

(b) Give an audible warning with the horn of the vehicle if appropriate and when necessary to avoid such a collision.

6. If, while violating any provision of subsections 1 to 5, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

7. The operator of a bicycle or an electric bicycle shall not:

(a) Intentionally interfere with the movement of a motor vehicle; or

(b) Overtake and pass a motor vehicle unless the operator can do so safely without endangering himself or herself or the occupants of the motor vehicle.

Sec. 4. NRS 484B.280 is hereby amended to read as follows:

484B.280 1. A driver of a motor vehicle shall:

(3) In or near a school zone or a school crossing zone marked in accordance with NRS 484B.363 or a marked or unmarked crosswalk.

2. If, while violating any provision of this section, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in NRS 484B.135.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words "Walk" or "Don't Walk" are in place, such signals indicate as follows:

(1) While the "Walk" indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

(2) While the "Don't Walk" indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the "Walk" indication shall proceed to a sidewalk, or to a safety zone if one is provided.

(3) Whenever the word "Wait" still appears in a signal, the indication has the same meaning as assigned in this section to the "Don't Walk" indication.

(4) Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and "Walk" and "Don't Walk" indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the "Walk" indication is exhibited, and when signals and other official traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in NRS 484B.135.

Sec. 6. NRS 484B.350 is hereby amended to read as follows:

484B.350 1. The driver of a vehicle:

(a) Shall stop in obedience to the direction or traffic-control signal of a school crossing guard; and

(b) Shall not proceed until the highway is clear of all persons, including, without limitation, the school crossing guard.

2. A person who violates subsection 1 is guilty of a misdemeanor.

3. If, while violating subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle,

the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

4. As used in this section, "school crossing guard" means a volunteer or paid employee of a local authority, local law enforcement agency or school district whose duties include assisting pupils to cross a highway.

Sec. 7. NRS 484B.363 is hereby amended to read as follows:

484B.363 1. A person shall not drive a motor vehicle at a speed in excess of 15 miles per hour in an area designated as a school zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:

(a) On a day on which school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone indicates that the speed limit is not in effect.

3. The driver of a vehicle shall not make a U-turn in an area designated as a school zone or school crossing zone except:

(a) When there are no children present;

(b) On a day on which school is not in session;

(c) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(d) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(e) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

4. The driver of a vehicle shall not overtake and pass another vehicle traveling in the same direction in an area designated as a school zone or school crossing zone except:

(a) On a day on which the school is not in session;

(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;

(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

(d) If the zone is not designated by an operational speed limit beacon, during the times when the sign designating the school zone or school crossing zone indicates that the speed limit is not in effect.

5. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

6. Each such governing body and the Department of Transportation shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

7. With respect to each school zone and school crossing zone in a school district, the superintendent of the school district or his or her designee, in conjunction with the Department of Transportation and the governing body of the local government that designated the school zone or school crossing zone and after consulting with the principal of the school and the agency that is responsible for enforcing the speed limit in the zone, shall determine the times when the speed limit is in effect.

8. If, while violating any provision of subsections 1 to 4, inclusive, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

9. As used in this section, "speed limit beacon" means a device which is used in conjunction with a sign and equipped with two or more yellow lights that flash alternately to indicate when the speed limit in a school zone or school crossing zone is in effect.

Sec. 8. NRS 484B.600 is hereby amended to read as follows:

484B.600 1. It is unlawful for any person to drive or operate a vehicle of any kind or character at:

(a) A rate of speed greater than is reasonable or proper, having due regard for the traffic, surface and width of the highway, the weather and other highway conditions.

(b) Such a rate of speed as to endanger the life, limb or property of any person.

(c) A rate of speed greater than that posted by a public authority for the particular portion of highway being traversed.

(d) In any event, a rate of speed greater than 80 miles per hour.

2. If, while violating any provision of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian or a person riding a bicycle, the driver is subject to the additional penalty set forth in subsection 4 ***or 7*** of NRS 484B.653.

3. A person who violates any provision of subsection 1 may be subject to the additional penalty set forth in NRS 484B.130 or 484B.135.

Bill read third time.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 1056.

AN ACT relating to license plates; providing for the issuance of special license plates indicating support for Tule Springs State Park; ~~[providing for the issuance of special license plates indicating support for certain professional sports teams; exempting the special license plates from certain provisions otherwise applicable to special license plates;]~~ imposing a fee for the issuance and renewal of such license plates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1.3 of this bill provides for the issuance of special license plates indicating support for Tule Springs State Park. The fees generated by the special license plates that are in addition to all other applicable registration and license fees and governmental services taxes are required to be deposited with the State Treasurer, who must, on a quarterly basis, distribute the fees to the Ice Age Park Foundation or its successor for use in programs, projects and activities in support of Tule Springs State Park. The special license plates must be approved by the Commission on Special License Plates and, after approval, must not be issued until one of the 30 design slots for the special

license plates becomes available. (NRS 482.367004, 482.367008, 482.36705) **Sections 2-5, 6 and 7-10** of this bill make conforming changes to various sections referring to the special license plates. This bill does not require, as a prerequisite to design, preparation and issuance, that the special license plates receive a minimum number of applications, but does require the posting of a surety bond with the Department of Motor Vehicles.

~~[Section 1.7 of this bill requires the Department to design, prepare and issue special license plates indicating support for any professional major league sports team based in Nevada that requests such a plate and meets certain requirements. A person wishing to obtain the special license plates must pay to the Department a fee of $35 for initial issuance and $10 for renewal, as well as all applicable registration and licensing fees and governmental services taxes. This bill does not require, as a prerequisite to design, preparation and issuance, the posting of a surety bond with the Department, but does require the Department to adopt regulations which provide a procedure whereby the sports team would pay for the production of the plates. Sections 5.5-6.5 of this bill exempt the special license plates indicating support for such a sports team from requirements for: (1) a recommendation from the Commission; (2) waiting for one of the 30 design slots for special license plates to become available; and (3) a minimum number of applications for the special license plate. Sections 2-5 and 7-10 of this bill make conforming changes.]~~

2. Except as otherwise provided in NRS 482.2155 and subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, ***and ~~[sections]~~ section 1.3 ~~[and 1.7]~~ of this act,*** or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner. The certificates of registration and unused license plates of the vehicles from which a person transfers ownership or interest must be submitted before credit is given against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner.

4. In computing the registration fee, the Department or its agent or the registered dealer shall credit the portion of the registration fee paid on each vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis against the registration fee due on the vehicle to which registration is transferred.

5. If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the person transferred the registration was due to expire.

6. If the license plate or plates are not appropriate for the second vehicle, the plate or plates must be surrendered to the Department or registered dealer and an appropriate plate or plates must be issued by the Department. The Department shall not reissue the surrendered plate or plates until the next succeeding licensing period.

7. If application for transfer of registration is not made within 60 days after the destruction or transfer of ownership of or interest in any vehicle, the license plate or plates must be surrendered to the Department on or before the 60th day for cancellation of the registration.

8. Except as otherwise provided in subsection 2 of NRS 371.040, NRS 482.2155, subsections 7 and 8 of NRS 482.260 and subsection 3 of NRS 482.483, if a person cancels his or her registration and surrenders to the Department the license plates for a vehicle, the Department shall:

(a) In accordance with the provisions of subsection 9, issue to the person a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis; or

(b) If the person does not qualify for a refund in accordance with the provisions of subsection 9, issue to the person a credit in the amount of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to the registration of any other vehicle owned by the person. Any unused portion of the credit expires on the date the registration of the vehicle from which the person obtained a refund was due to expire.

9. The Department shall issue a refund pursuant to subsection 8 only if the request for a refund is made at the time the registration is cancelled and the license plates are surrendered, the person requesting the refund is a resident of Nevada, the amount eligible for refund exceeds $100, and evidence satisfactory to the Department is submitted that reasonably proves the existence of extenuating circumstances. For the purposes of this subsection, the term “extenuating circumstances” means circumstances wherein:

(a) The person has recently relinquished his or her driver’s license and has sold or otherwise disposed of his or her vehicle.

(b) The vehicle has been determined to be inoperable and the person does not transfer the registration to a different vehicle.

OFFICE OF THE GOVERNOR

June 1, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, The Nevada Legislature, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 188 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 188 ("AB 188"), which is entitled:

> AN ACT relating to education; reducing the minimum number of credit hours required per semester for eligibility for a grant awarded under the Silver State Opportunity Grant Program; creating certain exceptions to the credit hour requirement; providing that grant money received by colleges pursuant to the Program does not revert; and providing other matters properly related thereto.

The Silver State Opportunity Grant Program ("SSOGP") was approved and signed into law in 2015. It represents a historic commitment to serving Nevada's students, particularly students facing financial barriers to post-secondary education. The program is Nevada's first ever state-supported, need-based scholarship program, and after only two years, is fully subscribed with a waiting list of approximately 2,000 students, and has already extended the promise of a college

education to more than 1,900 students. Based on the undeniably positive outcomes of this program, my Executive Budget for 2017-2019 includes doubling the amount of funds supporting SSOGP, from $5 million to $10 million over the biennium, which will eliminate the waiting list of eligible students who wish to participate. There is no question this program is a critical tool to promote student and economic success in Nevada.

While AB188 is commendable in its attempt to expand SSOGP eligibility, it will also undeniably lead to unintended outcomes and discourage timely post-secondary completion. Data published by the Nevada System of Higher Education clearly shows that students who enroll in 15 credits during the first term of college are significantly more likely to finish a degree or certificate program on-time, while merely 3% of students who enroll in 12 or fewer credits complete their respective degree or certificate program on-time. Thus, AB188 would undermine one of the primary goals behind the SSOGP, which is to provide an incentive for students to enroll in more credits per semester and finish their post-secondary education on time.

Moreover, the enhanced funding proposed by the Executive Budget for the coming biennium represents a funding level that will ensure every eligible student enrolled in 15 credits will be able to access the SSOGP. Expanding eligibility for students who are enrolled in 12 credits, and in some cases fewer than 12 credits, as AB 188 proposes, would create a "waiting list" of students, including those who are seeking to enroll as full-time students. Consequently, some of the hardest-working students who have chosen to enroll in more credit hours per semester would be excluded from participating, despite their commitment and likelihood of completing their degree requirements on time.

For these reasons I veto AB188 and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

Assemblywoman Benitez-Thompson moved that Assembly Bill No. 188 of the 79th Session be placed on the Chief Clerk's desk.

OFFICE OF THE GOVERNOR

June 1, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, The Nevada Legislature, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 277 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 277 ("AB 277"), which is entitled:

> AN ACT relating to land use planning; establishing uniform statewide standards that local governments must strictly comply with when exercising powers of land use planning, subdivision regulation and zoning with regard to certain lands within or surrounding national conservation areas; repealing provisions relating to land use planning, subdivision regulation and zoning with regard to certain national conservation areas, national recreation areas and adjacent lands; and providing other matters properly relating thereto.

Nevada's National Conservation Areas are national treasures. Black Rock Desert-High Rock Canyon Emigrant Trails, Sloan Canyon, and Red Rock Canyon offer visitors unparalleled natural beauty. Protecting these unique landscapes for future generations is a laudable goal that

we should all embrace. As some of Nevada's communities continue to grow, I understand and appreciate the heightened risks such growth poses to our conservation areas, and I am sympathetic to efforts to minimize those risks.

Nevertheless, even well-intended law must meet constitutional requirements, and AB 277 fails to meet those requirements. AB 277 is not the first legislative attempt to protect lands adjoining certain conservation areas. Similar law was passed in 2003 and ultimately deemed unconstitutional by the Nevada Supreme Court in 2013. *See Attorney General v. Gypsum Resources, LLC,* 294 P.3d 404 (2013). In that case, the Court held that the 2003 law was unconstitutional under Article 4, Sections 20, 21 , and 25 of the Nevada Constitution.

The Court found the 2003 law to be a "local law" regulating county business in violation of Sections 20 and 21 of the Nevada Constitution. *See also Clean Water Coalition v. The M Resort,* 255 P.3d 247 (2011). The Court also found the 2003 law unconstitutional pursuant to Article 4, Section 25 of the Nevada Constitution because it established a system of county government that was not uniform throughout the state.

It is apparent that AB 277 was drafted with the *Gypsum* and *Clean Water Coalition* decisions in mind. And, to that end, the bill does make some slight improvements on the 2003 law, but it is still constitutionally suspect. Based on the reasoning in *Gypsum* and *Clean Water Coalition,* AB 277 still appears to violate their holdings and thus would be considered unconstitutional. Given these constitutional concerns, I cannot support AB 277, even though I continue to support the intentions behind it.

For these reasons, I veto Assembly Bill 277 and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

Senate Bill No. 544.

Bill read third time.

Remarks by Assemblymen Carlton, Paul Anderson, Thompson, Neal, Edwards, Tolles, and Diaz.

ASSEMBLYWOMAN CARLTON:

I rise in support of Senate Bill 544. This is our K-12 public education bill.

Senate Bill 544, as amended, appropriates $1.192 billion in the first year and $1.182 billion in the second year of the 2017-2019 biennium from the State General Fund to the Distributive School Account [DSA]. In addition, other revenues authorized to be received and expended for the state support of K-12 public education in Fiscal Years [FYs] 2018 and 2019 total $390.9 million and $405.3 million, respectively. These other revenues include annual excise tax on slot machines, sales tax collected on out-of-state sales, interest earned on the Permanent School Fund, revenue from mineral leases on federal land, and room tax revenues from the legislatively approved 2009 Initiative Petition, otherwise known as IP 1.

The statewide average basic support per pupil increases over the upcoming biennium from $5,774 in the current year to $5,897 in Fiscal Year 2018 and $5,967 in Fiscal Year 2019. Enrollment is projected to increase to 476,338 pupils in 2018 and to 482,292 pupils in 2019.

The bill includes General Fund appropriations of $186.7 million in 2018 and $199.8 million in 2019 for students with disabilities.

For continued support of the Class-Size Reduction [CSR] program, this bill appropriates $147.4 million in Fiscal Year 2018 and $152.1 million in Fiscal Year 2019 for salaries and benefits of at least 1,944 teachers hired to reduce pupil-teacher ratios in the first year and 1,968 teachers in the second year of the biennium. The bill continues the CSR program in the DSA and maintains the separate expenditure category to highlight the program. Funds will be allocated based upon the number of teachers needed in each school district to reach the pupil-teacher ratios of 17 to 1 in first and second grades and 20 to 1 in third grade.

Section 14 of the bill continues the flexibility for certain school districts to carry out alternative programs for reducing the ratio of pupils per teacher or to implement remedial programs that have been found to be effective in improving pupil achievement.

This bill appropriates a total of $76.4 million and $77.9 million in each year of the 2017-2019 biennium to the Other State Education Programs budget. Through this budget, State General Fund support is provided for programs including but not limited to Adult High School Diploma, Career and Technical Education, Read by Grade 3, Jobs for America's Graduates, and other miscellaneous programs.

Section 17 of the bill includes $6.4 million in Fiscal Year 2018 and $8.3 million in 2019 to assist schools in educating students identified as gifted and talented.

The Other State Education Programs budget also includes General Fund support of $3.3 million in each year of the 2017-2019 biennium for competitive grants to school districts and community-based organizations for early childhood education programs.

Section 19 provides $5 million in each year of the 2017-2019 biennium for the College and Career Readiness Grant program.

The bill continues funding in the amount of $2.5 million in both 2018 and 2019 for the Turnaround Grant program for underperforming schools.

General Fund support of $20.5 million in each fiscal year is provided for the continuation of the Read by Grade 3 program in section 21.

This bill appropriates a total of approximately $50 million in each year of the 2017-2019 biennium to the Account for Programs for Innovation and the Prevention of Remediation, with $38.7 million in each year for transfer to the Clark County School District, $7.3 million in each year for transfer to the Washoe County School District for continuation of the Zoom school program, and $3.9 million in each year to provide grants of money to the State Public Charter School Authority and to the other 15 school districts for the support of limited English proficient students.

Section 23 appropriates $10 million in each year of the upcoming biennium for the continuation of the Nevada Ready 21 Technology grant program, which provides statewide one-to-one computing in certain middle schools.

The bill also appropriates $25 million in each fiscal year to continue the Victory schools grant program to provide additional services to underperforming elementary, middle, and high schools.

Section 25 appropriates $10.7 million in each year and authorizes expenditure of $478,127 in each year for a block grant program to support contract or employee social workers or other licensed mental health workers in schools with identified needs.

This bill appropriates $2.5 million in each fiscal year to the Account for Programs for Innovation and the Prevention of Remediation to provide financial incentives to newly hired teachers.

The bill further appropriates a total of $7.6 million in each fiscal year to the Professional Development Programs budget for the continued support of the three Regional Professional Development programs to provide professional development to teachers and administrators.

Section 30 appropriates $4.9 million in each fiscal year to the new Great Teaching and Leading Fund for a competitive grant program to invest in high-quality professional development and improve leadership development and the teacher pipeline in the state. Expenditure of $40,776 of non-General Fund revenue in each fiscal year is also authorized from the Great Teaching and Leading Fund.

Additionally, the bill appropriates $100 in both Fiscal Years 2018 and 2019 to the Contingency Account for Special Education and authorizes approximately $2 million in each fiscal year to reimburse school districts and charter schools for extraordinary expenses related to the education of students with disabilities.

This bill also appropriates $1 million in each year of the 2017-2019 biennium to fund the outstanding liability of the cost of the one-fifth retirement credit program in the Grant Fund for Incentives for Licensed Educational Personnel.

Section 34 appropriates $2.5 million in each fiscal year and authorizes $13,892 in each year to continue the Teach Nevada Scholarship program.

The bill also appropriates a total of $5 million over the 2017-2019 biennium to the Teachers' School Supplies Reimbursement Account.

Finally, the bill temporarily transfers estimated funding of $185.1 million and $191.1 million in Fiscal Year 2018 and Fiscal Year 2019, respectively, from the State Supplemental School Support Account to the Distributive School Account as a state funding source for the 2017-2019 biennium.

I would be remiss if I did not thank all the staff that are not in this room but are in their offices right now listening to make sure that I say this all absolutely correctly. They have worked so hard. It is not just the 120 days; it is a two-year endeavor. The historical knowledge that they bring and institutional experience they have is just invaluable for us to be able to get this bill to this point in the session. I thank them greatly for all of their hard work.

ASSEMBLYMAN PAUL ANDERSON:

I would be remiss if I did not also thank the staff and the Ways and Means and Senate Finance Committees for all the work they have done on this budget. I served, as you know, in 2015 as Majority Leader and Chair of Ways and Means. I understand wholeheartedly the efforts, the time, and the diligence both the staff and the committee members put into this budget.

I think there needs to be some context given, and I apologize that I do not have any written remarks. I am just going to speak off the cuff. That said, in 2015 we passed significant reforms to education, and part of that was monumental investments in public education. I am not sure if anyone else recognizes that some of those votes came with consequences that were untenable in many ways. For example, my friend in Assembly District 36, where we had to dispatch police to his residence here in Carson City and sheriffs to his residence in Nye County in order to protect him from physical threats because he was going to vote for a budget and a revenue package that invested hundreds of millions of dollars, almost $400 million, into public education. With that came consequences not only to him, but for many members of our caucus. I myself had

customers, clients, my own livelihood jeopardized because they said that if you vote for this, we may have to reconsider using you as a vendor. I had staff—their employment, their families—in jeopardy for a vote on a package that provided the revenue to invest in public education.

With that, we had to balance the need of an all-of-the-above strategy, and we did that with not only the public investment in Zoom schools, in Victory schools, in CTE [Career Technical Education], in STEM [Science, Technology, Engineering and Math], but across the board in public schools where we thought there was a significant need, where we could move the needle in education significantly in Nevada. We know that we are at the bottom of all the wrong lists, and we were desperate to move that needle, as we are today.

Part of that, certainly, was an Education Savings Account [ESA]. We said We have invested in public education to the extent possible. We have provided Opportunity Scholarships for those in the federal poverty level, that was 300 percent or below, so they could get $7,100 to take a scholarship program and choose the education that was best for their kids. The Education Savings Account was another portion of that, a percentage of the DSA, which we know through the Supreme Court decision was maybe not the best funding mechanism but was a critical piece of the puzzle for parents to choose what is best for their children.

We had over 10,000 family members, parents of children, decide this was the best way for their children, this was the best opportunity for their children. Even in this session, we decided Well, we're going to put in a needs test. We are going to put in an extra bump for those who had disabilities. Those who had income levels that did not need this money, we were going to make sure that 70 percent of the money, based on the current applications, would go to those who needed it most. Yet, we could not come to a compromise. I recognize that is politics, that is part of this game, that is part of understanding how we get to a good point where we are all unhappy and we can vote for something that is probably best for Nevada.

That said, we understood that we needed an all-of-the-above approach still. We need to make sure that those in public school, in charter schools, using Opportunity Scholarships, whether they are in private school or not, get the education that their parents feel is best for their children. Their parents should be the arbiter as to who is the best educator for their children. That, unfortunately, did not make it into this budget. That is something that from the get-go, from the beginning of this session and even before, we struggled to make sure was a priority. It was a top priority for our caucus and we had hoped was a top priority for this building.

I believe, in good faith, this house negotiated to a point where we were comfortable, that we were close, that we had the ability to get this done. I can bring no fault to this house. That said, Mr. Speaker, I cannot vote for this DSA budget because it does not include the education needs for all children across Nevada and across the spectrum—whether they be disabled, in the bottom quartile, whether they be military, whether this be kindergarten, whether this be just a student that does not fit in and needs to get into a customized education. For that, I would encourage my caucus and my friends to vote no on this budget.

ASSEMBLYMAN THOMPSON:

I rise in support of Senate Bill 544. As a native Nevadan and a proud product of the Clark County School District, I was honored to serve as the Chairman of the Assembly Education Committee this session. When you look at me, you see the public education system, and for that I am very proud. I am very thankful for my parents who said Tyrone, you can be whatever you want to be. I thank them for that, and I know there are thousands of parents that say the exact same thing to their children every single day. I also saw firsthand the impact our actions have made on schools, our teachers, and most importantly, our children and their families. So I say to those who choose to vote against funding our schools, you are actively voting to harm our schools and to harm our children. Now is the time to vote in support for our children. You see, we have thousands of children in our education system, and this is our time to act on that.

As you heard from my colleague from the south, Senate Bill 544 covers a plethora of choices and needs for our students. I just want to highlight a few. The first is it provides crucial funding to the Bullying Prevention Account for programs such as bullying training programs, social awareness campaigns to address bullying prevention. Bullying is one of the key elements within our education system right now, and we have the opportunity to put the necessary funding in

place so that students do not have to be in fear when they go to school. School should be a safe place to go to.

Lastly, it also provides for funding over the biennium for textbooks and other extremely useful classroom instructional materials. You see, every single student deserves to have that. It is so disheartening to go to a school where some students have to share a book or they do not have a book. This is our opportunity, with these funds, to make sure—because we always talk about being equitable for all kids—now is our opportunity because not every kid has that in every community in our state.

Again, I rise in support. I really want—let us set stuff aside. Let us think about our children, and colleagues, please vote for Senate Bill 544.

ASSEMBLYWOMAN NEAL:

I rise in support of Senate Bill 544. This has been a very interesting dialogue. We sat through the 2015 Session where we, after onslaught and onslaught, we did not get any of what we wanted, but we forged ahead. We put the state first, and when it came down to choose between our own philosophical needs versus the universal needs of this state, we chose the greater good. We chose to vote for a budget knowing that the same things were on the line—our philosophy, our ideals were on the line, we were being beaten up every day for 120 days. So I find it interesting that we would place the needs of a few over the great and many needs of this state. I find it amazing that the political whims and games would be played at the expense of children.

She laid out a list of the budget needs of this state and all children—not some, all—who would serve and benefit from that action. Yet we stand here in our own selfishness to say that we want something small at the expense of the needs for the great. It gives me shame because you want to diminish the state, and our purpose here is to serve the greater needs of everyone, not a few. When you took that oath and you walked into this building, you pledged that the universal needs and the people of this state would come first. They always should come first. They are never last, and we never balance an act for the few. We save and we move forward for the greater good. I find it interesting that when you check your obligations to this state and you think about what are the foundations on which you are actually standing right now. Are they rooted in the greater good or are they rooted in your selfish need and your political need and your political drive?

SPEAKER FRIERSON:

Assemblywoman, if I could interrupt. I think we need to stick with our decorum and not question the motives of our other members.

ASSEMBLYWOMAN NEAL:

I will finish with this. We have had many battles in this house on our principles. We have been dealt blows to the things we care dearly about, but we have managed to forge ahead and fight another day and take those losses. I just ask you to take a step back and think about the moral ground that you are standing upon. Why would you sacrifice the greater needs of this state and the children of this state for the few?

ASSEMBLYMAN EDWARDS:

In the last legislative session, we came together and passed one of the most extensive education reform packages, probably in the previous 25 years. We put together with that hundreds of millions of dollars in order to give it a fair chance to succeed. When we did that, a whole lot of folks from my caucus put their political careers on the line. Nine of the 13 did not return. That is a price they were willing to pay.

SPEAKER FRIERSON:

Mr. Edwards, I think that you know better, decorum wise, than to reference election consequences. We are here to make some policies, so if you want to give comments on the bill and the remarks that are made, that is definitely appropriate.

ASSEMBLYMAN EDWARDS:

Yes, sir. We have an opportunity to have both the education budget with all the great things in it that are there, and every Republican is more than happy to support it. We do not understand why—when the money is also there for those 4,000, 5,000—it cannot be provided as well. Many of us talk about how we have to take care of all the children. Education Savings Accounts [ESAs] take care of a good portion of those children. The money is there. We can do this if we want to.

I understand that this Chamber has negotiated very well and very faithfully in order to make this a possibility. We are hugely disappointed that it may not be. I, and many of my colleagues, told our constituents we would come here and support it, come here and fight for it, do our absolute best to bring it home to them. We just do not understand how a program that actually leaves more money in the public schools than it takes out is at all harmful to any single child in the state. I had hoped much better would happen this session. I am truly disappointed that the ESAs have not been included.

ASSEMBLYWOMAN TOLLES:

I came into this building for the first time years ago as a mom, as a citizen advocating for public education, for funding and reforms. I have been an advocate for all those years since. I continue to be an advocate for taking care of our students in public schools, and I will continue beyond today. Over the past few years, I have also heard stories of students who needed an option outside of public schools, who needed a place to go because perhaps they had been bullied, and despite all of our wonderful interventions in schools, they just needed to hit the reset button. They just needed a new environment, or perhaps they were getting away from gang influence, or perhaps there was a school that had a special program that offered something to them that they just could not find.

I remember sitting here in this seat at the State of the State Address and being inspired by our Governor as he mapped out his vision for this session and thinking This is going to be a great session, because he mapped out a plan to be able to add additional funding to public schools and make a space for those students. Yes, the few, but to the few, that little difference could make the difference of a lifetime for them in the outcomes. I was excited about coming into this session feeling like we had a win-win solution that could meet everybody's needs so we could all go back to our constituents and say that we fought for every child according to what they needed. I still have hope that we can get there, but we need to keep this conversation going between now and the time we leave this building so that all of us can go back and say that we met the needs of all of the students in our state.

ASSEMBLYWOMAN DIAZ:

I rise in support of Senate Bill 544. As an educator, but Xavi's mom first, no one in this building needs to explain to me the impact of failing to properly fund our public—I would say starving public schools—which has an extreme impact on our students and our children.

I have seen the devastating impacts of the cuts that were forced onto our public schools almost ten years ago, and I think that is important to raise. I think a lot of people have forgotten that we did a lot of cutting in the last ten years. I have seen the gradual changes of policy this body had implemented when it comes to Zoom and Victory schools, making sure our students can read by three, and trying to find a funding formula that actually meets the needs of all of our communities.

Sadly, I suspect a lot of the bipartisan support of education we have seen in years past is not going to occur this session. Instead, we are going to see an opposition party in this body vote against our students, our educators, and the parents of Nevada so that they can adhere to a rigid orthodoxy that gives tax breaks to rich families at the expense of those trying to get ahead and make a future for their children.

We must invest in public education in this state, and it should not be done trading tax breaks for millionaires and some billionaires in the state. This budget helps to ensure we have quality teachers in every classroom and provides $2.5 million in competitive incentives to keep them here in Nevada. If history has taught us anything, it is that we must also give teachers the resources they need to help our children succeed. This budget provides almost $164 million more to help properly fund our classrooms for the upcoming school years.

This education budget is a good foundation to continue to grow. Sadly, others in this building have already decided this week to vote against a sales tax on voter-approved recreational marijuana that takes funding away from our public schools. So simply, we must pass this bill so our children can go back to school this fall. In the future, I hope we can do better by our future Nevadans by putting orthodoxy aside and instead enact good public policy for our students and parents in Nevada.

Assembly Bill No. 487.

Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 1055.

AN ACT relating to vehicles; revising provisions relating to taxicabs in certain counties of this State; conferring ~~[concurrent]~~ **limited** enforcement jurisdiction upon the Taxicab Authority ~~[and the Nevada Transportation Authority]~~ over **persons who are drivers for** transportation network companies **;** ~~[and affiliated drivers;]~~ authorizing the use of money obtained from the imposition of a technology fee for certain purposes; revising provisions governing the exterior appearance of certain taxicabs; revising the amount of time a vehicle used as a taxicab may remain in service as a taxicab; requiring the inspection of a taxicab not more than once each year; revising provisions governing the authority of certain certificate holders to lease a taxicab to an independent contractor; authorizing an independent contractor who leases a taxicab to use the taxicab in accordance with an agreement with a transportation network company; ~~[repealing]~~ **revising** provisions relating to vehicles equipped with a dynamic display; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Taxicab Authority exercises regulatory authority over taxicabs in any county whose population is 700,000 or more (currently Clark County). (NRS 706.881) The Taxicab Authority may adopt regulations for the administration and enforcement of the provisions of existing law that apply to such taxicabs. (NRS 706.8818) Existing law requires the Nevada Transportation Authority to adopt regulations governing the operation in this State of a transportation network company and each driver who enters into an agreement with a transportation network company to receive connections to potential passengers and provide transportation services. (NRS 706A.100) **Section 3** of this bill confers ~~[concurrent]~~ **limited** enforcement jurisdiction upon the Taxicab Authority ~~[and the Nevada Transportation Authority]~~ over

a ~~[transportation network company and a]~~ person who is a driver for a transportation network company during any period in which the person provides transportation services in the county where the Taxicab Authority has jurisdiction. ~~[Sections 1 and 14-16]~~ **Section 16.5** of this bill ~~[make]~~ **makes a** conforming ~~[changes.]~~ **change, requiring a taxicab field investigator of the Taxicab Authority to have probable cause of a violation before initiating a stop of such a driver.**

Existing law requires payment to the Taxicab Authority of a technology fee in an amount set by the Taxicab Authority by each taxicab certificate holder for each compensable trip of each taxicab of the certificate holder. (NRS 706.8826) The money from the technology fee must be deposited in the Taxicab Authority Fund, and existing law requires that the money be used to implement technological improvements in safety, reliability and efficiency, including the implementation of a computerized real-time data system to assist with the regulation of taxicabs. (NRS 706.8825) **Section 5** of this bill removes the requirement for the money from the technology fee to be spent on such a system, and authorizes its use for the implementation of technological improvements in safety. **Section 26** of this bill repeals the provision of existing law authorizing the use of a computerized real-time data system.

Existing law requires the Taxicab Authority to approve or disapprove the color scheme, insigne and design of the cruising lights of the taxicabs of a certificate holder, and to ensure that each certificate holder's taxicabs are readily distinguishable from those of another certificate holder. (NRS 706.8833) **Section 6** of this bill retains the requirement that taxicabs of each certificate holder be readily distinguishable from those of each other certificate holder, but removes the requirement for the Taxicab Authority to approve such color schemes, insigne and design of cruising lights. **Section 6** also revises provisions governing the placement of advertisements on the exterior of taxicabs by authorizing the use of the advertisements if the placement of the advertisements does not impair the ability of the driver to operate the vehicle safely.

Under existing law, a certificate holder may only use for a taxicab a new vehicle or a vehicle with 30,000 miles or less on the odometer. A new vehicle used as a taxicab must be removed from service as a taxicab after 67 months of such use, and a vehicle with less than 30,000 miles on it when put into use as a taxicab must be removed from service after 55 months. If the vehicle is a hybrid electric vehicle, the vehicle is allowed an additional 24 months of service. (NRS 706.8834) **Section 7** of this bill provides instead that any vehicle used as a taxicab may only be used as a taxicab for 120 months after the date on which the vehicle was manufactured.

Section 8 of this bill newly requires each taxicab to display a statement indicating whether the certificate holder accepts credit cards and debit cards and, if so, listing the maximum fee a customer will be charged for the convenience of using a credit card or debit card. Existing law provides that

the maximum amount of such a fee may be prescribed in regulation by the Taxicab Authority. (NRS 706.88355)

Existing law authorizes the Taxicab Administrator of the Department of Business and Industry to inspect a taxicab at any reasonable time. (NRS 706.8839) **Section 9** of this bill requires the Taxicab Administrator to conduct such an inspection not more than once each year.

Existing law authorizes a certificate holder to lease a taxicab to an independent contractor, who may only use the taxicab in a manner authorized by the certificate holder's certificate of public convenience and necessity. (NRS 706.88396) **Section 10** of this bill expands existing law by authorizing the independent contractor to use the taxicab to provide transportation services pursuant to an agreement with a transportation network company. **Section 10** also requires the certificate holder who leases a taxicab to an independent contractor to inspect the taxicab at least monthly. **Section 10** also limits the number of unexpired leases a certificate holder may have to not more than the number of taxicabs allocated to the certificate holder by the Taxicab Authority. **Sections 14 and 15** of this bill make conforming changes.

Existing law requires an applicant for a driver's permit to drive a taxicab to prove that he or she has been a resident of this State for at least 30 days. (NRS 706.8841) **Section 11** of this bill requires the applicant to prove instead that he or she is a resident of this State or a state that adjoins the county in which the applicant has applied for the driver's permit. **Section 12** of this bill revises provisions regarding daily trip sheets to allow for the use of certain electronic operating systems.

Under existing law, a driver of a taxicab is not allowed to take a longer route to a passenger's destination than is necessary, unless specifically requested to do so by the passenger. (NRS 706.8846) **Section 13** of this bill provides that a driver must take the most direct route and is not allowed to take a longer or different route intentionally unless: (1) requested or agreed to by the passenger; or (2) the different route is approved by the Taxicab Authority. **Section 13** also provides that the Taxicab Authority may only conduct an investigation for a violation of this provision upon receipt of a complaint by a passenger.

Under existing law, a person may not operate on the highways of this State any motor vehicle equipped with a dynamic display unless the vehicle is also equipped with a display management system that is configured to prevent the image or content on the dynamic display from changing when the vehicle is moving, in a turnout or in a location where such a change may cause undue distraction to other drivers. Such a dynamic display is also prohibited from projecting moving images or other moving content. (NRS 484D.493) **Section ~~[~~26~~]~~ 24.5** of this bill **~~[~~repeals this provision.~~]~~ removes the prohibition on moving images or content and provides that the display management system must be configured to prevent the image or content from**

changing only when the vehicle is moving at a speed of 55 miles per hour or more.

~~(4) Make a digital record of the passenger's selection that is accessible during and after the trip by the passenger, the Taxicab Authority, the driver and the certificate holder.~~

~~(g) The system must be capable of presenting to the driver, through an application on a mobile device or an interactive, digital display or other onboard system in the taxicab, sufficient information for the driver to:~~

~~(1) Determine the shortest route by time or distance to the passenger's desired destination and the least expensive route to the passenger's desired destination;~~

~~(2) Follow a multi-segment, passenger-directed trip by the least expensive route to the passenger's desired destination; and~~
