the buyer and the price of the sale may be changed at a public auction in open court. An order confirming the sale is sufficient as an addendum to the original contract to allow escrow to close.

8. The title company may be changed at a public auction in open court if the estate and the buyer have mutually agreed to the change in writing.

9. The date of the close of escrow must be at least 10 judicial days after the date that the notice of the entry of order confirming the sale is filed with the clerk of the court unless the contract specifies a later date. The parties to the sale may extend the date of the close of escrow by mutual agreement in writing.

10. If the estate owes more than the value of the property and the estate has made an agreement with all lienholders to accept the sale price and waive any deficiency between the sale price and the amount owed to all lienholders, the sale must be confirmed without the potential for bidding in court. All other portions of the confirmation of sale must be adhered to. The valuation by the bank shall be deemed to be sufficient to meet the appraisal requirement for the sale, and the date of the sale is the date on which the bank approves the sale.

3. In the absence of an order of the court pursuant to this chapter shifting the responsibility of the payment of compensation and expenses, the payment of compensation and expenses must be paid from the estate of the ward. Sec. 43. NRS 616C.505 is hereby amended to read as follows:

616C.505 If an injury by accident arising out of and in the course of employment causes the death of an employee in the employ of an employer, within the provisions of chapters 616A to 616D, inclusive, of NRS, the compensation is known as a death benefit and is payable as follows:

1. In addition to any other compensation payable pursuant to chapters 616A to 616D, inclusive, of NRS, burial expenses are payable in an amount not to exceed $10,000, plus the cost of transporting the remains of the deceased employee. When the remains of the deceased employee and the person accompanying the remains are to be transported to a mortuary or mortuaries, the charge of transportation must be borne by the insurer.

2. Except as otherwise provided in subsection 3, to the surviving spouse of the deceased employee, 66 2/3 percent of the average monthly wage is payable until the death of the surviving spouse.

3. If there is a surviving spouse and any surviving children of the deceased employee who are not the children of the surviving spouse, the compensation otherwise payable pursuant to subsection 2 must be paid as

follows until the entitlement of all children of the deceased employee to receive compensation pursuant to this subsection ceases:

(a) To the surviving spouse, 50 percent of the death benefit is payable until the death of the surviving spouse; and

(b) To each child of the deceased employee, regardless of whether the child is the child of the surviving spouse, the child's proportionate share of 50 percent of the death benefit and, except as otherwise provided in subsection 11, if the child has a guardian, the compensation the child is entitled to receive may be paid to the guardian.

4. In the event of the subsequent death of the surviving spouse:

(a) Each surviving child of the deceased employee, in addition to any amount the child may be entitled to pursuant to subsection 3, must share equally the compensation theretofore paid to the surviving spouse but not in excess thereof, and it is payable until the youngest child reaches the age of 18 years.

(b) Except as otherwise provided in subsection 11, if the children have a guardian, the compensation they are entitled to receive may be paid to the guardian.

5. If there are any surviving children of the deceased employee under the age of 18 years, but no surviving spouse, then each such child is entitled to his or her proportionate share of 66 2/3 percent of the average monthly wage for the support of the child.

6. Except as otherwise provided in subsection 7, if there is no surviving spouse or child under the age of 18 years, there must be paid:

(a) To a parent, if wholly dependent for support upon the deceased employee at the time of the injury causing the death of the deceased employee, 33 1/3 percent of the average monthly wage.

(b) To both parents, if wholly dependent for support upon the deceased employee at the time of the injury causing the death of the deceased employee, 66 2/3 percent of the average monthly wage.

(c) To each brother or sister until he or she reaches the age of 18 years, if wholly dependent for support upon the deceased employee at the time of the injury causing the death of the deceased employee, his or her proportionate share of 66 2/3 percent of the average monthly wage.

7. The aggregate compensation payable pursuant to subsection 6 must not exceed 66 2/3 percent of the average monthly wage.

8. In all other cases involving a question of total or partial dependency:

(a) The extent of the dependency must be determined in accordance with the facts existing at the time of the injury.

(b) If the deceased employee leaves dependents only partially dependent upon the earnings of the deceased employee for support at the time of the injury causing his or her death, the monthly compensation to be paid must be equal to the same proportion of the monthly payments for the benefit of persons totally dependent as the amount contributed by the deceased

employee to the partial dependents bears to the average monthly wage of the deceased employee at the time of the injury resulting in his or her death.

(c) The duration of compensation to partial dependents must be fixed in accordance with the facts shown, but may not exceed compensation for 100 months.

9. Compensation payable to a surviving spouse is for the use and benefit of the surviving spouse and the dependent children, and the insurer may, from time to time, apportion such compensation between them in such a way as it deems best for the interest of all dependents.

10. In the event of the death of any dependent specified in this section before the expiration of the time during which compensation is payable to the dependent, funeral expenses are payable in an amount not to exceed $10,000.

11. If a dependent is entitled to receive a death benefit pursuant to this section and is less than 18 years of age or ~~[incompetent,]~~ ***incapacitated,*** the legal representative of the dependent shall petition for a guardian to be appointed for that dependent pursuant to NRS 159.044. An insurer shall not pay any compensation in excess of $3,000, other than burial expenses, to the dependent until a guardian is appointed and legally qualified. Upon receipt of a certified letter of guardianship, the insurer shall make all payments required by this section to the guardian of the dependent until the dependent is emancipated, the guardianship terminates or the dependent reaches the age of 18 years, whichever occurs first, unless paragraph (a) of subsection 12 is applicable. The fees and costs related to the guardianship must be paid from the estate of the dependent. A guardianship established pursuant to this subsection must be administered in accordance with chapter 159 of NRS, except that after the first annual review required pursuant to NRS 159.176, a court may elect not to review the guardianship annually. The court shall review the guardianship at least once every 3 years. As used in this subsection, ~~[“incompetent”]~~ ***“incapacitated”*** has the meaning ascribed to it in NRS 159.019.

12. Except as otherwise provided in paragraphs (a) and (b), the entitlement of any child to receive his or her proportionate share of compensation pursuant to this section ceases when the child dies, marries or reaches the age of 18 years. A child is entitled to continue to receive compensation pursuant to this section if the child is:

(a) Over 18 years of age and incapable of supporting himself or herself, until such time as the child becomes capable of supporting himself or herself; or

(b) Over 18 years of age and enrolled as a full-time student in an accredited vocational or educational institution, until the child reaches the age of 22 years.

13. As used in this section, “surviving spouse” means a surviving husband or wife who was married to the employee at the time of the employee’s death.

Sec. 44. NRS 159.1435 is hereby repealed.

Sec. 45. This act becomes effective on January 1, 2018.

Assemblyman Yeager moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 136.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 391.

AN ACT relating to criminal procedure; ~~[providing that certain defendants must be admitted to bail on an unsecured bond;]~~ **revising provisions governing factors to be considered by the court in deciding whether to release a person without bail; prohibiting a court from relying solely on a bail schedule in setting the amount of bail after a personal appearance by a defendant;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[The Nevada Constitution and existing law provide that all persons arrested for offenses other than murder of the first degree must be admitted to bail unless certain circumstances apply. (Nev. Const. Art. 1, § 7; NRS 178.484) Existing law also provides, with certain exceptions, that if a defendant can be admitted to bail without appearing personally before a magistrate, the defendant must be so admitted with the least possible delay and must be required to appear before a magistrate at the earliest convenient time thereafter. (NRS 171.178)~~

~~This bill provides that a defendant who can be admitted to bail without appearing before a magistrate must be admitted on an unsecured bond if the defendant: (1) was arrested for a misdemeanor which does not involve an act~~

~~of violence; (2) was not arrested while on bail; and (3) does not have a record of failing to appear after release on bail or without bail. This bill defines an "unsecured bond" as a bond which does not require advance payment and is a monetary sum that the defendant agrees to pay at a later time if the defendant, without good cause, fails to appear when the defendant's presence in court is lawfully required.]~~ **Existing law sets forth certain factors which the court must consider in deciding whether there is good cause to release a person without bail. (NRS 178.4853) Section 2 of this bill includes in those factors the consideration of whether one or more conditions can be imposed on the person to mitigate the risk of failure to appear or the risk to public safety and authorizes the court to use an evidence-based risk assessment tool, if available.**

Existing law sets forth certain factors for consideration by the magistrate in setting the amount of bail. (NRS 178.498) Section 3 of this bill provides that after the defendant has personally appeared before the magistrate, the magistrate may not rely solely on a standardized bail schedule to set the amount of bail.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[Chapter 178 of NRS is hereby amended by adding thereto a new section to read as follows:~~

~~*1. If, pursuant to subsection 5 of NRS 171.178, a defendant can be admitted to bail without appearing personally before a magistrate, the defendant must be admitted to bail on an unsecured bond if the defendant:*~~

~~*(a) Was arrested for a misdemeanor which does not involve an act of violence;*~~

~~*(b) Was not arrested while on bail; and*~~

~~*(c) Does not have a record of failing to appear after release on bail or without bail.*~~

~~*2. As used in this section, "unsecured bond" means a bond which does not require any advance payment and is a monetary sum that a defendant agrees to pay at a later time if the defendant, without good cause, fails to appear when the defendant's presence in court is lawfully required.]~~ **(Deleted by amendment.)**

Sec. 2. **NRS 178.4853 is hereby amended to read as follows:**

178.4853 In deciding whether there is good cause to release a person without bail, the court ***may use an evidence-based risk assessment tool, if available, but*** at a minimum shall consider the following factors concerning the person:

1. The length of residence in the community;
2. The status and history of employment;
3. Relationships with the person's spouse and children, parents or other family members and with close friends;
4. Reputation, character and mental condition;

5. Prior criminal record, including, without limitation, any record of appearing or failing to appear after release on bail or without bail;

6. The identity of responsible members of the community who would vouch for the reliability of the person;

7. The nature of the offense with which the person is charged, the apparent probability of conviction and the likely sentence, insofar as these factors relate to the risk of not appearing;

8. The nature and seriousness of the danger to the alleged victim, any other person or the community that would be posed by the person's release;

9. The likelihood of more criminal activity by the person after release; ~~[and]~~

10. Any other factors concerning the person's ties to the community or bearing on the risk that the person may willfully fail to appear ~~[.]~~ ***; and***

11. Whether one or more conditions can be imposed on the person to mitigate the risk of failure to appear or the risk to public safety, including, without limitation:

(a) Restrictions on residence or travel;

(b) Restrictions on associations, including, without limitation, requiring the person to avoid contact with alleged victims or potential witnesses;

(c) Requiring the person to maintain or actively seek employment;

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 605.

AN ACT relating to financial services; requiring a person who is licensed to operate certain loan services to verify a customer's ability to repay the loan before making certain short-term loans to the customer; **requiring a person who makes a deferred deposit loan to offer an extended payment plan under certain circumstances;** revising provisions governing defaults **, lengths of term** and grace periods relating to certain short-term loans; requiring certain notices to be posted by a person who is licensed to operate certain loan services; revising the requirements for making a title loan; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes standards and procedures governing the making of certain short-term loans, commonly referred to as "payday loans," "high-interest loans" and "title loans." (Chapter 604A of NRS) **Section** ~~[1]~~ **1.3** of this bill: (1) prohibits a person from making such a loan unless the person has determined that the customer has the ability to repay the loan; and (2) establishes the factors that the person making the loan must consider when determining whether a customer has the ability to repay the loan. **Section 1.7 of this bill requires a person who makes a deferred deposit loan to offer an extended payment plan to the customer under certain circumstances.**

Existing law allows for a person making a payday loan, high-interest loan or title loan to offer the customer a grace period concerning repayment of the loan. (NRS 604A.210) **Section 3** of this bill distinguishes a grace period from an extension of a loan. **Section 4** of this bill ~~[limits the actions the]~~ **prohibits a** person making the loan ~~[can take with regard to]~~ **from granting** a grace period ~~[.]~~ **for the purpose of artificially increasing the amount a customer qualifies to borrow.**

Existing law requires a person making a payday loan, high-interest loan or title loan to post certain notices in a conspicuous place in every location at which the person conducts business. (NRS 604A.405) **Section 5** of this bill provides that the person must post a notice of the existing requirement that the person must offer a repayment plan to a customer who defaults on a loan before the person commences specified collection actions. **Section 5** also provides that the person must post a notice that states the process for customers to file a complaint with the Office of the Commissioner of Financial Institutions.

Existing law sets forth certain restrictions on the actions of a person licensed to operate certain loan services. (NRS 604A.440) Section 6 of this bill adds to those restrictions a limitation on the reinitiation of electronic debit transactions.

Existing law provides restrictions on the making of title loans. (NRS 604A.450) **Section 7** of this bill adds to those restrictions by specifying that the customer must legally own the vehicle which secures the loan and that the person making the loan cannot consider the income **, except for the customer's community income,** of anyone who is not a legal owner of the vehicle **who enters into a loan agreement with the licensee** when determining whether the customer has the ability to repay the loan.

~~[Sections 6 and]~~ **Section 8** of this bill ~~[make]~~ **makes** conforming changes.

AN ACT relating to long-term care; providing for the licensure of certain persons as health services executives; authorizing the holder of such a license to perform the functions of an administrator of a residential facility for groups and a nursing facility administrator; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Board of Examiners for Long-Term Care Administrators to license and regulate two classes of licensees: administrators of residential facilities for groups and nursing facility administrators. (NRS 654.150, 654.155) This bill additionally provides for the licensure and regulation of health services executives, who have the powers and duties prescribed for both existing types of administrators. **Section 4** of this bill prescribes the requirements for licensure as a health services executive. **Section 9** of this bill authorizes the Board to establish by regulation the fee to apply for such a license.

Sections 4, 16 and 17 of this bill provide that a licensed health services executive has the rights and duties of an administrator of a residential facility for groups and a nursing facility administrator. **Sections 7 and 10-13** of this bill make conforming changes so that existing provisions relating to nursing facility administrators and administrators of residential facilities for groups also apply to health services executives. **Section 14** of this bill ~~[provides that certain provisions governing the reinstatement of]~~ **authorizes the Board to adopt regulations regarding the reinstatement of** the ~~[suspended]~~ license of ~~[an administrator of a residential facility for groups do not apply to]~~ a health services executive. **Section 15** of this bill authorizes a health services executive to serve as the administrator for a veterans' home.

Existing law provides for the appointment to the Board of two nursing facility administrators and two administrators of residential facilities for groups. (NRS 654.060) **Section 6** of this bill authorizes a health services executive who acts as either a nursing facility administrator or the administrator of a residential facility for groups to serve as a member of the Board in the capacity in which he or she is acting.

Existing law requires the Board to maintain, for each type of licensee, separate registers of applicants for licensure and licensed persons. (NRS 654.130) **Section 8** of this bill makes this requirement applicable to persons who apply for or are licensed as health services executives.

The following amendment was proposed by the Committee on Education:

Amendment No. 478.

AN ACT relating to education; requiring the board of trustees of each school district to establish, equip and maintain a prekindergarten education program and a kindergarten in each elementary school or school attendance area in the district; revising provisions governing the age at which a child is required to be enrolled in and attend school; ~~[authorizing a child who is 4 years of age on or before September 30 of a school year to be admitted to a prekindergarten education program;]~~ **requiring the Department of Education to establish the Prekindergarten Improvement and Expansion Program; making an appropriation;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing]~~ **With certain exceptions, existing** law ~~[generally]~~ requires the board of trustees of each school district to establish, equip and maintain a kindergarten in each elementary school or school attendance area in the district. (NRS 388.060) **Section 1 of this bill removes those exceptions, requiring the board of trustees of each school district to establish, equip and maintain a kindergarten in each elementary school or school attendance area in the district.**

With certain exceptions, existing law ~~[also]~~ requires each parent, custodial parent, guardian or other person in the State of Nevada having control or charge of any child between the ages of 7 and 18 years to send the child to a public school during all the time the school is in session in the school district in which the child resides unless the child has graduated from high school. Existing law further provides that a child who is 5 years of age on or before

September 30 of a school year may be admitted to kindergarten at the beginning of that school year. (NRS 392.040)

~~[— Section 1 of this bill requires the board of trustees of each school district to establish, equip and maintain a prekindergarten education program in each elementary school or school attendance area in the district.~~

~~—]~~**Section 3** of this bill lowers, from 7 years of age to ~~[5]~~ **6** years of age, the age at which a child must be enrolled in and attend public school. ~~[Section 3 also: (1) requires a child who is 5 years of age on or before September 30 of a school year to be admitted to kindergarten at the beginning of that school year; and (2) authorizes a child who is 4 years of age on or before September 30 of a school year to be admitted to a prekindergarten education program at the beginning of that school year.~~

~~— The remaining sections]~~ **Sections 2, 4 and 5** of this bill revise applicable provisions relating to kindergarten **and first grade** and the age at which a child must attend school to reflect the new requirements.

Section 5.3 of this bill requires the Department of Education to establish the Prekindergarten Improvement and Expansion Program, and section 5.8 of this bill appropriates money to fund the Program. Section 5.3 requires the Department to: (1) accept and approve applications from schools and child care facilities that wish to establish new prekindergarten education programs or expand existing prekindergarten education programs; and (2) identify the needs that must be met for those schools to establish or expand prekindergarten education programs. Section 5.3 prescribes the required uses of money appropriated for the program, including addressing the identified needs of schools and facilities participating in the program and awarding grants of money to such schools and facilities.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 477.

AN ACT relating to education; reducing the minimum number of credit hours required per semester for eligibility for a grant awarded under the Silver State Opportunity Grant Program; **creating certain exceptions to the credit hour requirement; providing that grant money received by colleges pursuant to the Program does not revert;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Silver State Opportunity Grant Program. Under the Program, the Board of Regents of the University of Nevada is required to award grants to eligible students to pay for a portion of the cost of education at a community college or state college that is part of the Nevada System of Higher Education. One of the requirements for eligibility for such a grant is that a student be enrolled, or accepted to be enrolled, during a semester in at least 15 credit hours at a community college or state college that is part of the Nevada System of Higher Education. (NRS 396.952) ~~[This]~~ **Section 1 of this** bill reduces the minimum number of such required credit hours to ~~[9]~~ **12** credit hours ~~[.]~~ **and provides that a student who is enrolled in fewer than 12 credit hours is still eligible for a grant if the student: (1) is enrolled in his or her final semester of study; or (2) receives a waiver of the 12 credit hour requirement from the student's college based on hardship. Section 1 also provides that a student who loses his or her eligibility for a grant because he or she was not enrolled in 12 credit hours during a semester: (1) may regain his or her eligibility for a grant in future semesters by satisfying the 12 credit hour requirement during a semester for which he or she is not eligible for a grant; and (2) will lose eligibility permanently if he or she fails for a second time to satisfy the 12 credit hour requirement in a subsequent semester.**

Section 2 of this bill provides that money provided to a community college or state college for a grant awarded on behalf of a student under the Silver State Opportunity Grant Program does not revert and any remaining amount must be carried forward and used for grants for eligible students in a subsequent semester.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 396.952 is hereby amended to read as follows:

396.952 1. The Silver State Opportunity Grant Program is hereby created for the purpose of awarding grants to eligible students to pay for a portion of the cost of education at a community college or state college within the System.

2. The Board of Regents shall administer the Program.

3. In administering the Program, the Board of Regents shall for each semester, subject to the limits of money available for this purpose, award a grant to each eligible student to pay for a portion of the cost of education at a community college or state college within the System.

4. To be eligible for a grant awarded under the Program, a student must:

(a) ~~[Be]~~ ***Except as otherwise provided in this section, be*** enrolled, or accepted to be enrolled, during a semester in at least ~~[15 *or*]~~ ***12*** credit hours at a community college or state college within the System;

(b) Be enrolled in a program of study leading to a recognized degree or certificate;

(c) Demonstrate proficiency in English and mathematics sufficient for placement into college-level English and mathematics courses pursuant to regulations adopted by the Board of Regents for such placement;

(d) Be a bona fide resident of the State of Nevada for the purposes of determining pursuant to NRS 396.540 whether the student is assessed a tuition charge; and

(e) Complete the Free Application for Federal Student Aid provided for by 20 U.S.C. § 1090.

5. A student who is enrolled, or accepted to be enrolled, in the final semester of his or her program of study in less than 12 credit hours at a community college or state college within the System is eligible for a grant awarded under the Program.

6. Except as otherwise provided in subsection 7, if a student does not satisfy the requirements of paragraph (a) of subsection 4 during one semester of enrollment, the student is not eligible for a grant awarded under the Program for the succeeding semester of enrollment. If such a student:

(a) Subsequently satisfies the requirements of paragraph (a) of subsection 4 in any subsequent semester in which he or she is not eligible for a grant awarded under the Program, the student is eligible for a grant awarded under the Program for his or her next semester of enrollment.

(b) Fails a second time to satisfy the requirements of paragraph (a) of subsection 4 during any subsequent semester, the student is no longer eligible for a grant awarded under the Program.

7. If a student does not satisfy the requirements of paragraph (a) of subsection 4 during a semester of enrollment, the student may apply for a waiver from the requirements of that paragraph for that semester from the community college or state college based on hardship arising out of the individual circumstances of the student. The community college or state college shall grant the waiver if it determines that the individual circumstances warrant a waiver.

Sec. 2. **NRS 396.954 is hereby amended to read as follows:**

396.954 1. For each eligible student, the Board of Regents or a designee thereof shall:

(a) Calculate the maximum amount of the grant which the student is eligible to receive. The maximum amount of such a grant must not exceed the amount equal to the cost of education of the student minus the amounts determined for the student contribution, family contribution and federal contribution to the cost of education of the student.

(b) Determine the actual amount of the grant which will be awarded to each student, which amount must not exceed the maximum amount calculated pursuant to paragraph (a), but which may be in a lesser amount if the Board of Regents or a designee thereof, as applicable, determines that the amount of money available for all grants for any semester is insufficient to award to all eligible students the maximum amount of the grant which each student is eligible to receive.

(c) Award to each eligible student a grant in the amount determined pursuant to paragraph (b).

2. ***Any money received by a community college or state college within the System for a grant awarded under the Program on behalf of an eligible student at the community college or state college does not revert and any remaining amount must be carried forward and used for grants awarded under the Program for eligible students in a subsequent semester.***

3. Money received from a grant awarded under the Program must be used by a student only to pay for the cost of education of the student at a community college or state college within the System and not for any other purpose.

Sec. 3. **NRS 396.956 is hereby amended to read as follows:**

396.956 1. The Board of Regents:

(a) Shall adopt regulations prescribing the procedures and standards for determining the eligibility of a student for a grant from the Program.

(b) Shall adopt regulations prescribing the methodology by which the Board of Regents or a designee thereof will calculate:

(1) The cost of education of a student at each community college and state college within the System, which must be consistent with the provisions of 20 U.S.C. § 1087ll.

(2) For each student, the amounts of the student contribution, family contribution and federal contribution to the cost of education of the student.

(3) The maximum amount of the grant for which a student is eligible.

(c) Shall adopt regulations prescribing the process by which each student may meet the credit-hour requirement described in ~~[paragraph (a) of subsection 4 of]~~ NRS 396.952 for eligibility for a grant awarded under the Program.

(d) May adopt any other regulations necessary to carry out the Program.

2. The regulations prescribed pursuant to this section must provide that:

(a) In determining the student contribution to the cost of education, the student contribution must not exceed the amount that the Board of Regents determines the student reasonably could be expected to earn from employment during the time the student is enrolled at a community college or

state college within the System, including, without limitation, during breaks between semesters. This paragraph and any regulations adopted pursuant to this section must not be construed to require a student to seek or obtain employment as a condition of eligibility for a grant under the Program.

(b) Determination of the family contribution to the cost of education must be based on the family resources reported in the Free Application for Federal Student Aid submitted by the student.

(c) Determination of the federal contribution to the cost of education must be equal to the total amount that the student and his or her family are expected to receive from the Federal Government as grants.

Amendment No. 587.

~~[~~~~ASSEMBLYWOMAN~~~~]~~ ASSEMBLYWOMEN WOODBURY **AND TITUS**

AN ACT relating to health care; authorizing a physician assistant or advanced practice registered nurse to take certain actions relating to a Physician Order for Life-Sustaining Treatment; revising provisions governing the execution and revocation of a Physician Order for Life-Sustaining Treatment form; ~~[requiring the Registry of Advance Directives for Health Care to include a form for electronically completing and registering a Physician Order for Life-Sustaining Treatment;]~~ providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Health to adopt a Physician Order for Life-Sustaining Treatment form (POLST form), a document which records the wishes of a patient and directs any provider of health care regarding the provision of life-resuscitating treatment and life-sustaining treatment. (NRS 449.694) Existing law also specifies that a patient who is at least 18 years of age and of sound mind is allowed to request, execute and revoke a POLST form. Under existing law, if a patient is at least 18 years of age and incompetent, certain legal representatives of the patient are authorized to execute and revoke a POLST form on behalf of the patient. (NRS 449.6942, 449.6944) **Sections 2-5, 7-17 and 21-25** of this bill authorize a physician assistant or advanced practice registered nurse to make certain determinations related to a POLST form and to execute a POLST form for a patient. **Sections 9 and 10** also revise provisions governing the execution and revocation of a POLST form. **Section 9**: (1) provides that, under certain circumstances, a surrogate who is not a legal representative of

the patient, including, without limitation, certain family members of the patient or any other adult who has exhibited special care or concern for the patient, is familiar with the values of the patient and willing and able to make health care decisions for the patient, is authorized to request and execute a POLST form for the patient; and (2) revises the standard for determining whether a patient has the capacity to request and execute a POLST form. **Section 10** revises the standard for determining whether a patient has the capacity to revoke a POLST form so that the standard matches the standard set forth in **section 9** for determining whether the patient has the capacity to execute a POLST form.

Existing law contains provisions for resolving potential conflicts between a POLST form and another type of instrument governing the withholding or withdrawal of life-resuscitating treatment and life-sustaining treatment. (NRS 449.6946) **Section 11** requires a provider of health care to honor a declaration, direction or order set forth in a POLST form to provide life-resuscitating treatment if the declaration, direction or order is executed after a do-not-resuscitate identification was issued to the patient.

~~[Existing law establishes a Registry of Advance Directives for Health Care, administered by the Secretary of State, in which certain declarations, directions or orders relating to the administration of life-resuscitating treatment or life-sustaining treatment of a patient may be deposited to facilitate treatment of that patient by any health care provider. (NRS 449.900-449.965) Sections 19 and 20 of this bill provide for the completion and registration of a POLST form electronically on the Internet website of the Secretary of State.]~~

Existing law authorizes the cemetery authority to order the disinterment and removal of all human remains interred in all or any part of a cemetery if

either the cemetery authority or a governmental authority determines that the further maintenance of all or any part of the cemetery as a burial place is not in accordance with the health, safety, comfort or welfare of the public. (NRS 451.070) **Section 1** of this bill clarifies that a cemetery authority may not: (1) order the disinterment and removal of remains from a burial plot that is owned in fee simple by a person other than the cemetery authority; or (2) sell, mortgage or encumber or order the sale, mortgage or encumbrance of such a burial plot. **Section 4** of this bill removes the authority of a cemetery authority to determine unilaterally that the further maintenance of all or any part of the cemetery as a burial place is not in accordance with the health, safety, comfort or welfare of the public. Before the cemetery authority may order the disinterment and removal of human remains, **section 4** requires the governmental authority to determine, in addition, that: (1) the cemetery authority cannot restore the cemetery to a proper operating condition; and (2) the cemetery authority cannot sell or lease the cemetery to or enter into a contract with another cemetery authority that will properly maintain the cemetery.

Existing law requires a cemetery authority that orders the disinterment and removal of remains under the circumstances described above to: (1) prescribe a reasonable time of not less than 1 year after which the cemetery authority may proceed to remove the remains and reinter them in another cemetery or deposit them in a memorial mausoleum or columbarium; and (2) reinter the remains of each person in a separate and suitable receptacle. (NRS 451.080, 451.270) **Section 5** of this bill clarifies that the statutory period begins when the cemetery authority orders disinterment and that, after the expiration of that period, the cemetery authority may proceed to remove and reinter or deposit the remains. **Section 5** also clarifies that these provisions apply if the cemetery authority plans to reinter the remains in another portion of the existing cemetery. **Section 6** of this bill requires remains to be reinterred within 1 year after the date on which they are disinterred. **Section 6** also deems a receptacle to be suitable if it meets certain conditions.

Existing law requires the owner of a cemetery to keep the cemetery in an orderly condition. (NRS 452.030) **Section 7** of this bill authorizes the district attorney of the county in which the cemetery is located or a relative of any person interred in the cemetery to maintain an action in a court of competent jurisdiction to enforce that requirement. **Under section 7, such an action may not be brought against a cemetery owned by a city or county.** **Section 7** authorizes a court, upon finding that the owner of a cemetery **that is not owned by a city or county** has not complied with that requirement, to: (1) order the owner to take any action necessary to bring the cemetery into an orderly condition; or (2) if the court also determines that continued ownership of the cemetery by the owner is not in accordance with the health, safety, comfort or welfare of the public, transfer title to the cemetery to the city or county in which the cemetery is located ~~[.]~~ **if the city or county accepts such transfer of title.** **Section 7** also requires a city or county to

which title to a cemetery is transferred to operate or provide for the operation of the cemetery.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 350.

AN ACT relating to water; ~~[requiring, under certain circumstances, the State Engineer to extend the time necessary to work a forfeiture of certain water rights;]~~ **revising the criteria that the State Engineer must consider in determining whether to extend the time necessary to work a forfeiture; authorizing certain extensions to be for a period of not more than 3 years;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides, with limited exception, that the holder of a water right forfeits the right if the holder fails for 5 successive years to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed. Existing law authorizes the holder of a water right to request an extension to work the forfeiture and the State Engineer may grant an extension for good cause shown if the request is made before the expiration of the time necessary to work the forfeiture. **Existing law also provides that a single extension must not exceed 1 year.** (NRS 534.090)

This bill revises the criteria the State Engineer must consider to determine whether to grant or deny a request to extend the time necessary to work a forfeiture. This bill ~~[requires]~~ **also authorizes** the State

Engineer to extend the time necessary to work a forfeiture ~~[if the request is made before the expiration of the time necessary to work the forfeiture and the water right authorizes the holder of the right to use groundwater]~~ **for a period of not more than 3 years** in a basin: (1) where the withdrawals consistently exceed the perennial yield; or (2) that has been designated as a critical management area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a right for which a certificate has been issued pursuant to NRS 533.425, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of resumption of beneficial use is not filed in the Office of the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The ~~*[Except as otherwise provided in subsection 3, the]*~~ State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. ~~[The]~~ ***Except as otherwise provided in subsection 3, the*** State Engineer may grant, upon request and for good cause shown, any

number of extensions, but a single extension must not exceed 1 year. In ~~[Except as otherwise provided in subsection 3, in]~~ determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder's failure to use all or any part of the water beneficially for the purpose for which the holder's right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) ~~[Any prolonged period in which precipitation in the basin where]~~ ***Whether*** the water right is located ~~[is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin; and]~~ ***in a basin within a county under a declaration of drought by the Governor, the United States Secretary of Agriculture or the President of the United States;***

(e) ~~[~~Whether a groundwater management plan has been approved for the basin pursuant to NRS 534.037; and

~~(f)]~~ Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation ~~[.]~~ ***;***

(f) Whether the holder has demonstrated efforts to conserve water which have resulted in a reduction in water consumption; and

(g) Whether the water right is located in a basin that has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110 or where withdrawals of groundwater consistently exceed the perennial yield of the basin.

➥ The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder's request for an extension pursuant to this subsection. If the State Engineer grants an extension pursuant to this subsection and, before the expiration of that extension, proof of resumption of beneficial use or another request for an extension is not filed in the Office of the State Engineer, the State Engineer shall declare the water right forfeited within 30 days after the expiration of the extension granted pursuant to this subsection.

3. ~~[The]~~ ***If the State Engineer*** ~~[shall, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if:~~

~~(a) The request is made before the expiration of the time necessary to work a forfeiture; and~~

~~(b) The right authorizes the holder to use underground water from a basin:~~

~~(1)]~~ ***grants an extension pursuant to subsection 1 in a basin:***

(a) Where withdrawals of groundwater consistently exceed the perennial yield of the basin; or

~~[(2)]~~ (b) That has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110 , ~~[.]~~

~~[Any]~~ a single extension must not exceed 3 years, but any number of extensions may be granted to the holder of such a right . ~~[pursuant to this subsection. An extension that is granted pursuant to this subsection may exceed 1 year.]~~

4. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner's right is declared by the State Engineer.

~~[4.]~~ ***5.*** A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 525.

~~[ASSEMBLYMAN]~~ **ASSEMBLYMEN** HANSEN **, OHRENSCHALL, DALY AND DIAZ**

AN ACT relating to elections; ~~[revising deadlines by which certain signature petitions of minor political parties and independent candidates must be filed;]~~ revising the circumstances under which candidates of major political parties appear on or are omitted from the ballot at ~~[a primary election;]~~ **primary elections; revising provisions governing primary**

elections for certain judicial candidates; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if **a major political party has only one candidate for a particular office, the name of the candidate does not appear on the ballot at the primary election but appears on the ballot at the general election. If** a major political party has two or more candidates for a particular office, there must be a primary election where the person who receives the highest number of votes is declared the nominee of that party for the office. **(NRS 293.260) Section 3** of this bill ~~[eliminates this provision and provides instead for]~~ **revises** the circumstances under which candidates of **a** major political ~~[parties]~~ **party either** appear on **the ballot at the primary election** or are omitted from the ballot at ~~[a]~~ **the** primary election ~~[. Section]~~ **and appear on the ballot at the general election when there are multiple candidates for the major political party.**

First, section 3 provides that if **two or** more ~~[than]~~ **major political parties have candidates for a particular office and at least** one **of the** major political ~~[party]~~ **parties** has **multiple** candidates for ~~[a particular office, the names of]~~ **the office,** the candidates of ~~[both]~~ **the major political** parties **with multiple candidates for the office** appear on the ballot at the primary election ~~[and from each party, the candidate who receives]~~ **of their respective parties. The candidates who receive** the highest number of votes at the primary election ~~[is]~~ **of their respective parties are** declared the ~~[nominee of that party. Section 3 also]~~ **nominees of those parties and appear on the ballot at the general election with any other candidates for the office who are entitled by law to be placed on the ballot at the general election, such as: (1) any candidate of a major political party that did not have a primary election because it had only one candidate for the office; (2) any candidate for the office nominated by a minor political party; or (3) any independent candidate who has filed for the office.**

Second, section 3 provides that if only one major political party has **multiple** candidates for a particular office ~~[, whether or not the names of the candidates of the]~~ **and no other** major political party ~~[appear on the ballot at the primary election depends on whether a minor political party has nominated a candidate for that office or an independent candidate has filed]~~ **has any candidates** for the office ~~[. If]~~ **but** there is at least one candidate **who was** nominated by a minor political party or one independent candidate who has filed for the office, **section 3** requires the candidates of the major political party to appear on the ballot at the primary election. The major party candidate who receives the highest number of votes ~~[in]~~ **at** the primary election is the nominee of that party and ~~[will be placed]~~ **appears** on the ballot at the general election along with ~~[any]~~ **each candidate who was nominated by a** minor political party ~~[candidates and independent~~

~~candidates. Alternatively,]~~ **and each independent candidate who has filed for the office.**

Third, section 3 provides that if **only one major political party has multiple candidates** for ~~[any]~~ **a** particular office **and no other major political party has any candidates for the office and** there are no candidates nominated by a minor political party and no independent candidates file for the office, the candidates of the major political party ~~[: (1) appear on the ballot at the primary election if there are more candidates than twice the number to be elected to that office; and (2) do not appear on the ballot]~~ **are subject to the following rules: (1)** if there are not more than twice the number of candidates to be elected to that office ~~[.~~

~~Under existing law, the names of candidates for a partisan office of a minor political party do not appear on the ballot at a primary election. Instead, if the minor political party has qualified as such, either by receiving a certain percentage of votes at the preceding election or by collecting a certain number of signatures, the party can name one candidate for each partisan office, and the name of each such candidate must appear on the general election ballot. If a minor political party wishes to place a candidate on the ballot for a general election by collecting a certain number of signatures, the party must file a petition with the signatures with the Secretary of State not later than the third Friday in June before the general election. (NRS 293.1715) Section 1 of this bill changes the deadline for a minor political party to file its signature petition to the third Friday in May before the general election.~~

~~Under existing law, the names of independent candidates for a partisan office do not appear on the ballot at a primary election. Instead, a person wishing to run as an independent candidate can be named as such on the general election ballot if he or she files a petition with a certain number of signatures. The signature petition must be filed with the appropriate filing officer not later than the third Friday in June before the general election. (NRS 293.200) Section 2 of this bill changes the deadline for an independent candidate to file his or her signature petition to the second Friday after the first Monday in March.]~~ **, the candidates do not appear on the ballot at the primary election but appear on the ballot at the general election; or (2) if there are more candidates than twice the number to be elected to that office, the candidates appear on the ballot at the primary election, and the candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected to that office at the general election, are declared the nominees for the office and appear on the ballot at the general election.**

Under existing law, in an election for the nonpartisan office of judge of a district court, judge of the Nevada Court of Appeals or justice of the Nevada Supreme Court, if there are more than twice the number of candidates to be elected to the office, the candidates appear on the ballot at the primary election. The candidates who receive the highest number

of votes at the primary election, not to exceed twice the number to be elected, are declared nominees for the office, and they appear on the ballot at the general election, except that if one of those candidates receives a majority of the votes cast at the primary election, the candidate is declared the only nominee for the office and only that candidate appears on the ballot at the general election. (NRS 293.260)

Section 3 of this bill removes the existing exception that applies to situations when one of the state judicial candidates receives a majority of the votes cast at the primary election. As a result, in an election for the nonpartisan office of judge of a district court, judge of the Nevada Court of Appeals or justice of the Nevada Supreme Court, section 3 provides that if there are more than twice the number of candidates to be elected to the office, the candidates appear on the ballot at the primary election, and those candidates who receive the highest number of votes at the primary election, not to exceed twice the number to be elected, are declared nominees for the office and appear on the ballot at the general election without any exceptions.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 396.

SUMMARY—Revises provisions relating to **criminal convictions of** victims of sex trafficking and involuntary servitude. (BDR 14-444)

AN ACT relating to criminal procedure; providing ~~[that the district court has exclusive jurisdiction for a motion to vacate]~~ **for the vacating of** a judgment of conviction **and sealing of records** of a victim of sex trafficking

or involuntary servitude **;** ~~[under certain circumstances;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law allows a court to grant a motion to vacate a judgment if the defendant was convicted of certain offenses and the defendant's participation in the offense was the result of having been a victim of sex trafficking or involuntary servitude. (NRS 176.515) ~~[This]~~ **Existing law also establishes a process for sealing certain records of criminal proceedings. (NRS 179.245-179.301) With certain limited exceptions, if the court orders a person's record of criminal history sealed, all proceedings recounted in the record are deemed never to have occurred. (NRS 179.285)**

Section 1.2 of this bill ~~[provides that a district]~~ **authorizes a person convicted of certain offenses who was a victim of sex trafficking or involuntary servitude to petition the** court ~~[has exclusive jurisdiction to hear a motion]~~ to vacate ~~[such a]~~ **the** judgment **[.]** **and seal all documents relating to the case. Section 1.2 generally sets forth the procedure established in existing law for the vacating of a judgment of conviction of such a person, but additionally requires the court to notify the Central Repository for Nevada Records of Criminal History, the Office of the Attorney General and each office of the district attorney and law enforcement agency in this State and to allow any person to testify and present evidence on behalf of such an entity before the court decides whether to grant a petition. Section 1.2 also authorizes a court to enter an interim order to vacate a judgment of conviction if the petitioner satisfies all requirements necessary for the judgment to be vacated but the petition is deficient with respect to the sealing of the petitioner's record. Section 1.2 provides that if the court enters such an interim order, the court is also required to order sealed the records of the petitioner which relate to the judgment being vacated. Sections 1 and 1.3-1.7 of this bill make conforming changes.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

~~(2) Involuntary servitude as described in NRS 200.463 or 200.4631; and~~

~~(c) The defendant makes a motion under this subsection with due diligence after the defendant has ceased being a victim of trafficking or involuntary servitude or has sought services for victims of such trafficking or involuntary servitude.~~

~~6. In deciding whether to grant a motion made pursuant to subsection 5, the ***district*** court shall take into consideration any reasonable concerns for the safety of the defendant, family members of the defendant or other victims that may be jeopardized by the bringing of such a motion.~~

Assembly Bill No. 245.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 534.

AN ACT relating to pharmacy; requiring a pharmacist or his or her designee to make certain entries any time a biological product is dispensed under certain circumstances; requiring the dispensing of an interchangeable biological product in substitution for a prescribed biological product under certain circumstances; requiring the State Board of Pharmacy to maintain **certain** lists of approved interchangeable biological products **, published by**

the United States Food and Drug Administration, on its Internet website; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that under certain circumstances, a pharmacist is required to dispense a generic drug in substitution for a prescribed brand name drug. (NRS 639.2583) **Sections 3, 5 and 7-12** of this bill enact similar provisions to provide for the dispensing of an interchangeable biological product in substitution for a prescribed biological product. **Section 7** provides that under certain circumstances, a pharmacist is required to dispense an interchangeable biological product in substitution for a prescribed biological product if the interchangeable biological product is less expensive than the prescribed biological product. However, while existing law exempts from the substitution requirement a prescription drug dispensed to a person by mail or common carrier by a certified Internet pharmacy, **section 7** provides that the requirement to dispense an interchangeable biological product applies to a biological product dispensed to a person by mail or common carrier by a certified Internet pharmacy. **Section 3** provides that a biological product is interchangeable if the biological product has been found to be interchangeable in accordance with certain federal standards or has been listed as therapeutically equivalent in certain federal publications. (42 U.S.C. § 262) **Section 5** requires the State Board of Pharmacy to maintain on its Internet website ~~[current lists of biological products determined]~~ **a link to the *Purple Book: Lists of Licensed Biological Products with Reference Product Exclusivity and Biosimilarity or Interchangeability Evaluations*, published** by the United States Food and Drug Administration to be interchangeable.

Section 4 of this bill provides that within 3 business days after dispensing a biological product, the dispensing pharmacist or his or her designee is required to make an entry of the specific product dispensed to the patient that includes, without limitation, the name and the manufacturer of the product. The record must be electronically accessible by the prescribing practitioner through certain systems. If an electronic record is not made, the dispensing pharmacist or his or her designee must provide the notice to the prescriber by certain other means. Under **section 4**, a record of the dispensing of a biological product is not required to be made if: (1) there is no interchangeable biological product for the biological product that has been prescribed; or (2) the dispensed biological product is a refill and is the same product that was dispensed for the prior filling of the prescription.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 639 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 4. ***1. Except as otherwise provided in subsections 3 and 4, within 3 business days after dispensing a biological product, the dispensing pharmacist or his or her designee shall make an entry of the specific product provided to the patient that includes, without limitation, the name of the product and its manufacturer. 4. Notice of the dispensing of a biological product pursuant to subsection 1 or 3 is not required if:

(a) There is no interchangeable biological product for the biological product prescribed; or

5. As used in this section, "electronic health record" has the meaning ascribed to it in 42 U.S.C. § 17921(5).

Existing law requires most health insurance plans which cover prescription drugs and outpatient care to also include coverage for contraceptive drugs and devices without an additional copay, coinsurance or a higher deductible than that which may be charged for other prescription drugs and outpatient care under the plan. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) Certain plans, including small employer plans, benefit contracts provided by fraternal benefit societies, plans issued by a managed care organization and certain plans offered by governmental entities of this State are not currently subject to these requirements. (Chapters 287, 689C, 695A and 695G of NRS)

The federal Patient Protection and Affordable Care Act, Pub. L. 111-148, as amended, requires certain contraceptive drugs, devices and services to be covered by every health insurance plan without any copay, coinsurance or higher deductible. (42 U.S.C. § 300gg-13(a)(4); 45 C.F.R. § 147.130) **Sections 3, 4 and ~~[6-25]~~ 7-25** of this bill align Nevada law with federal law, requiring all public and private health insurance plans made available in this

In addition, a health insurance plan must include for each method of contraception which is approved by the Food and Drug Administration at least one contraceptive drug or device for which no deductible, copayment or coinsurance may be charged to the insured. Sections 3, 4 and** ~~[6.25 prohibit the use of]~~ **7-25 authorize an insurer to require** a program of step therapy or prior authorization ~~[requirements relating]~~ to **obtain coverage for** the contraceptive drugs, devices and services required by this bill. **Sections 3, 4 and** ~~[6.25]~~ **7-25** also require a health insurance plan to provide coverage for certain therapeutic equivalent drugs and devices relating to contraception when a therapeutic equivalent covered by the plan is deemed to be medically inappropriate by a provider of health care. Additionally, **sections** ~~[3, 4 and 6.25]~~ **7, 11, 14, 16, 17, 20 and 25** require that **the** benefits provided by a health insurance plan relating to contraception which are provided to the insured must also be provided to ~~[the spouse or]~~ **a covered** dependent of an insured.

Existing law allows an insurer ~~[that]~~ **which** is affiliated with a religious organization and which objects on religious grounds to providing coverage for contraceptive drugs and devices to exclude coverage in its policies, plans or contracts for such drugs and devices. (NRS 689A.0415, 689B.0376, 695B.1916, 695C.1694) **Sections 7, 11, 14, 16, 17, 20 and 25** of this bill ~~[remove the]~~ **move the** religious exemption ~~[and require all insurers to provide]~~ coverage for the contraceptive drugs, devices and services required by this bill ~~[.]~~ **to the new provisions relating to coverage of contraception.**

Existing law requires this State to develop a State Plan for Medicaid which includes, without limitation, a list of the medical services provided to Medicaid ~~[beneficiaries.]~~ **recipients.** (42 U.S.C. § 1396a; NRS 422.063) Existing federal law authorizes a state to charge a copay, coinsurance or deductible for most Medicaid services, but prohibits any copay, coinsurance or deductible for certain ~~[family planning services and supplies.]~~ **contraceptive drugs, devices and services.** (42 U.S.C. § 1396o-1) Existing federal law also authorizes a state to define the parameters of contraceptive coverage provided under Medicaid. (42 U.S.C. § 1396u-7) Existing Nevada law requires a number of specific medical services to be covered under

Medicaid. (NRS 422.2717-422.27241) ~~[Sections]~~ **Section 1** ~~[and 2]~~ of this bill ~~[require]~~ **requires** the State Plan for Medicaid to include certain benefits relating to contraception currently required to be covered by private health insurance plans pursuant to existing Nevada law and the Patient Protection and Affordable Care Act, Pub. Sections 1 and 2 also prohibit the use of a program of step therapy and any requirement to obtain prior authorization relating to such benefits which are covered under the State Plan for Medicaid.]~~ **in most cases. The benefits relating to contraceptive drugs which are provided by section 1 of this bill are subject to step therapy and prior authorization requirements pursuant to existing law.**

Existing law authorizes a pharmacist to dispense up to a 90-day supply of a drug pursuant to a valid prescription **or order** in certain circumstances. (NRS 639.2396) **Section** ~~[5]~~ **4.5** of this bill requires a pharmacist to dispense up to a 12-month supply of contraceptives or a therapeutic equivalent ~~[upon the request of a patient and]~~ pursuant to a valid prescription ~~[.]~~ **or order if: (1) the patient has previously received a 3-month supply of the same drug; (2) the patient has previously received a 9-month supply of the same drug or a supply of the same drug for the balance of the plan year in which the 3-month supply was prescribed or ordered, whichever is less; (3) the patient is insured by the same health insurance plan; and (4) a provider of health care has not specified in the prescription or order that a different supply of the drug is necessary.**

Assemblyman Sprinkle moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 259.

Bill read second time.

The following amendment was proposed by the Committee on Corrections, Parole, and Probation:

Amendment No. 337.

AN ACT relating to criminal procedure; providing for the vacating of certain judgments of conviction **and sealing of certain records** relating to marijuana; authorizing a court to depart from prescribed minimum terms of imprisonment for the possession of controlled substances in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to grant a motion to vacate a judgment of conviction in certain circumstances. (NRS 176.515) **Existing law also establishes a process for sealing certain records of criminal proceedings. (NRS 179.245-179.301) With certain limited exceptions, if the court orders a person's record of criminal history sealed, all proceedings**

recounted in the record are deemed never to have occurred. (NRS 179.285)

Section ~~[1]~~ 1.2 of this bill ~~[additionally authorizes a court to grant a motion to vacate a judgment of conviction if: (1) the judgment is a conviction for]~~ **provides that if a person is convicted of a misdemeanor for: (1) the possession of 1 ounce or less of marijuana; or (2)** a violation of any provision of law concerning certain offenses involving marijuana and the act constituting the offense is a lawful act in this State on or after January 1, 2017 ~~[; and (2)]~~ **, the person may petition the court to vacate the judgment and seal all documents relating to the case. Section 1.2 establishes the circumstances in which the court is required or authorized to grant such a petition. If granting such a petition is within the discretion of the court,** the ~~[court notifies]~~ **petitioner is required to notify** the **office of the** prosecuting attorney who prosecuted the ~~[defendant]~~ **petitioner** for the crime and ~~[allows]~~ the prosecuting attorney **must be allowed** to testify and present evidence before the court decides whether to grant the ~~[motion.]~~ **petition. Section ~~[1]~~ 1.2** also ~~[requires]~~ **authorizes** a court to ~~[grant a motion]~~ **enter an interim order** to vacate a judgment of conviction if **the petitioner satisfies all requirements necessary for** the judgment ~~[is a conviction for the possession of 1 ounce or less of marijuana.]~~ **to be vacated but the petition is deficient with respect to the sealing of the petitioner's record. Section 1.2 provides that if the court enters such an interim order, the court is also required to order sealed the records of the petitioner which relate to the judgment being vacated. Sections 1.3-1.7 of this bill make conforming changes.**

Existing law generally prohibits a person from knowingly or intentionally possessing a controlled substance and sets forth the penalties for violating such a provision. The severity of the penalty generally depends on the type of controlled substance the person possessed and the number of times the person has committed the offense. (NRS 453.336) **Section 2** of this bill provides that if a person is convicted of knowingly or intentionally possessing a controlled substance and the penalty for such possession requires that the person serve a minimum term of imprisonment, the court is authorized to depart from the prescribed minimum term of imprisonment in certain specified circumstances.

(c) For a third or subsequent offense, is guilty of a gross misdemeanor and shall be punished as provided in NRS 193.140, and by a fine of not less than $1,300.

4. In addition to any other penalty imposed, the court shall order a person who violates subsection 3 to pay a civil penalty of not less than $200 per offense. The civil penalty must be paid to the district attorney or city attorney of the jurisdiction in which the violation occurred. If the civil penalty imposed pursuant to this subsection:

(a) Is not within the person's present ability to pay, in lieu of paying the penalty, the court may allow the person to perform community service for a reasonable number of hours, the value of which would be commensurate with the civil penalty.

(b) Is not entirely within the person's present ability to pay, in lieu of paying the entire civil penalty, the court may allow the person to perform community service for a reasonable number of hours, the value of which would be commensurate with the amount of the reduction of the civil penalty.

5. A ~~[person]~~ ***customer*** who violates subsection 1 by soliciting a child for prostitution:

➥ Not less than 50 percent of the money deposited in the county or city treasury, as applicable, pursuant to this subsection must be used for the enforcement of this section.

7. If a person who violates subsection 1 is ordered pursuant to NRS 4.373 or 5.055 to participate in a program for the treatment of persons who solicit prostitution, upon fulfillment of the terms and conditions of the program, the court may discharge the person and dismiss the proceedings against the person. If the court discharges the person and dismisses the proceedings against the person, a nonpublic record of the discharge and dismissal must be transmitted to and retained by the Division of Parole and Probation of the Department of Public Safety solely for the use of the courts in determining whether, in later proceedings, the person qualifies under this section for participation in a program of treatment for persons who solicit prostitution. Except as otherwise provided in this subsection, discharge and dismissal under this subsection is without adjudication of guilt and is not a conviction for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any other public or private purpose, but is a conviction for the purpose of additional penalties imposed for a second or subsequent conviction or the setting of bail. Discharge and dismissal restores the person discharged, in the contemplation of the law, to the status occupied before the proceedings. The person may not be held thereafter under any law to be guilty of perjury or otherwise giving a false statement by reason of failure to recite or acknowledge the proceedings in response to an inquiry made of the person for any purpose. Discharge and dismissal under this subsection may occur only once with respect to any person. A professional licensing board may consider a proceeding under this subsection in determining suitability for a license or liability to discipline for misconduct. Such a board is entitled for those purposes to a truthful answer from the applicant or licensee concerning any such proceeding with respect to the applicant or licensee.

8. Except as limited by subsection 9, if a person is discharged and the proceedings against the person are dismissed pursuant to subsection 7, the court shall, without a hearing, order sealed all documents, papers and exhibits in that person's record, minute book entries and entries on dockets, and other documents relating to the case in the custody of such other agencies and officers as are named in the court's order. The court

shall cause a copy of the order to be sent to each agency or officer named in the order. Each such agency or officer shall notify the court in writing of its compliance with the order.

9. A professional licensing board is entitled, for the purpose of determining suitability for a license or liability to discipline for misconduct, to inspect and to copy from a record sealed pursuant to this section.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 262.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 554.

AN ACT relating to contracts for the sale of vehicles; expanding the circumstances under which certain actions taken by a seller against a buyer of a vehicle are deceptive trade practices; ~~[defining the term "knowingly" for the purposes of provisions governing deceptive trade practices;]~~ revising provisions relating to sureties who issue bonds to brokers, dealers, special dealers, rebuilders, distributors and manufacturers of vehicles and dealers, lessors and manufacturers of off-highway vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines certain conduct by a person who is engaging in his or her business or occupation as a deceptive trade practice. (NRS 598.092) **Section 3** of this bill adds to the list of conduct that is considered a deceptive trade practice a person **:** ~~[knowingly:]~~ (1) repossessing a vehicle from a debtor before default; or (2) committing any act against a consumer who contracted with the person for the sale of a vehicle which entitles the consumer to certain remedies provided in law pursuant to the Uniform Commercial Code. (NRS 104.9625) ~~[Section 1 of this bill defines "knowingly" for the purposes of the provisions governing deceptive trade practices. Sections 2 and 4-6 of this bill make conforming changes.]~~

Existing law requires certain brokers, dealers, special dealers, rebuilders, distributors and manufacturers of vehicles and dealers, lessors and manufacturers of off-highway vehicles to procure and file with the Department of Motor Vehicles a bond, which is a prerequisite to licensure by the Department. The surety issuing the bond is required to appoint the Secretary of State as its agent to accept service of notice or process in any action upon the bond. (NRS 482.3333, 482.345, 490.278) **Sections 7-9** of this bill instead require the surety to appoint the Commissioner of Insurance

as its agent. **Sections 7-9** also add to the description of the uses of the bond by a consumer to include violations of the chapters of NRS governing: (1) particular cases concerning persons, including, without limitation, certain acts of fraud against a consumer; (2) retail installment sales of goods and services; (3) the Uniform Commercial Code, as adopted in NRS; and (4) deceptive trade practices. **Section 7 also adds to the list of the uses of the bond by a consumer against a broker to include conversion, negligent misrepresentation and abuse of process by the broker.**

Assembly Bill No. 267.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 537.

AN ACT relating to industrial insurance; revising provisions governing prohibitions on the payment of compensation for disability caused by certain occupational diseases under certain circumstances; restricting the dissemination and use of the results of certain physical examinations required of certain firefighters, arson investigators and police officers for insurance coverage of cancer, lung disease and heart disease; providing for the payment of a claimant's **reasonable** attorney's fees and other associated costs under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the payment of compensation under chapter 617 of NRS for temporary or permanent disability or death for the occupational diseases of lung disease and heart disease for certain firefighters, arson investigators and police officers. Existing law provides that these occupational diseases are conclusively presumed to have arisen out of and in the course of the employment under certain circumstances. (NRS 617.455, 617.457) **Sections 4 and 5** of this bill provide that if an employer, insurer or third-party administrator denies a claim for compensation for these occupational diseases and the claimant ultimately prevails, the employer, insurer or third-party administrator must pay ~~[all]~~ the claimant's **reasonable** attorney's fees and associated costs. **Sections 4 and 5 further set forth that reasonable attorney's fees and associated costs do not include any attorney's fees and associated costs that are incurred by the claimant on or before the date of the hearing before the hearing officer.**

Existing law requires certain tests when administering certain physical examinations to firefighters, arson investigators and police officers regarding the occupational diseases of lung and heart disease for the purposes of industrial insurance coverage. **(NRS 617.454) Section 3** of this bill restricts: (1) to whom the results of such physical examinations may be disseminated; and (2) the use of such results. **Section 3 additionally authorizes the employer's officer who is responsible for risk management or human resources or a similar position to release to certain persons a report only containing certain information based on the results of a physical examination.**

Existing law prohibits the payment of compensation for disability because of an occupational injury or disease which does not incapacitate the employee for at least 5 cumulative days within a 20-day period from earning full wages. (NRS 616C.400, 617.420) **Section 1** of this bill exempts a claim for compensation under chapters 616A to 616D of NRS for disability for the occupational diseases of cancer, lung disease and heart disease from that prohibition. **Section 2** of this bill: (1) revises the prohibition as it relates to

occupational diseases to apply exclusively to compensation for temporary total disability; and (2) clarifies that the prohibition does not apply to medical benefits for the occupational diseases of cancer, lung disease or heart disease.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 434.

AN ACT relating to criminal procedure; authorizing certain persons to file a postconviction petition to pay the cost of a genetic marker analysis; requiring a court to order a genetic marker analysis upon the filing of such a petition; **authorizing the State to charge a reasonable fee for the cataloging of evidence subject to such a genetic marker analysis and the transferring of such evidence to a forensic laboratory in certain circumstances;** requiring a petitioner to pay the cost of such a genetic marker analysis before the analysis is performed; **providing that the provisions of this act are not severable;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person convicted of a felony to file a postconviction petition requesting a genetic marker analysis of evidence within the possession or custody of the State which may contain genetic marker information relating to the investigation or prosecution that resulted in the judgment of conviction. After such a petition is filed, the court may schedule a hearing on the petition. (NRS 176.0918) Existing law requires the court to order a genetic marker analysis if, after considering the information contained in the petition and any other evidence, the court makes certain findings. (NRS 176.09183) Existing law further requires the petitioner to pay for the cost of the genetic marker analysis unless: (1) the petitioner is incarcerated at the time he or she files the petition and is found to be indigent; and (2) the results of the genetic marker analysis are favorable to the petitioner. If the petitioner is not required to pay the cost of the genetic marker analysis, the expense is a charge against the Department of Corrections. (NRS 176.09187)

Section 1 of this bill authorizes a person convicted of a felony to file a postconviction petition requesting to pay the cost of a genetic marker analysis. **Section 1** provides that such a petition is generally subject to the same requirements imposed for a postconviction petition for a genetic marker analysis filed pursuant to existing law, but there is no requirement for a hearing on such a petition. **Section 1 also requires a petitioner to: (1) indicate in such a petition whether he or she prefers to have a specific forensic laboratory conduct the genetic marker analysis; and (2) select from certain forensic laboratories in certain circumstances. Section 3** of this bill requires a court to order a genetic marker analysis if such a petition

is filed. **Section 3 also provides that if the court selects a forensic laboratory that is not operated by this State or one of its political subdivisions to conduct or oversee such a genetic marker analysis, the State is authorized to charge the petitioner a reasonable fee for the cataloging of the evidence subject to the genetic marker analysis and the transferring of such evidence to the forensic laboratory. Section 4** of this bill provides that a petitioner who files ~~[such]~~ a petition **requesting to pay the cost of a genetic marker analysis** is required to pay the cost ~~[of the genetic marker analysis]~~ before the analysis is performed and is not eligible for an exemption from payment. **Sections 2 and 5** of this bill make conforming changes.

Section 5.5 of this bill provides that the provisions of this bill are not severable and, if any portion of this bill is held to be unconstitutional or invalid for any reason by a court of competent jurisdiction, the remaining provisions of this bill shall be deemed to be invalid.

AN ACT relating to land use planning; ~~[restricting certain powers of]~~ **establishing uniform statewide standards that** local governments **must strictly comply** with ~~[regard to]~~ **when exercising powers of land use** planning, subdivision regulation and zoning ~~[of]~~ **with regard to certain** lands ~~[located in]~~ **within or surrounding national conservation areas; repealing provisions relating to land use planning, subdivision regulation and zoning with regard to certain** national conservation areas, national recreation areas and adjacent lands; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Legislature has authorized local governments to exercise certain powers relating to land use planning, subdivision regulation and zoning. (Chapters 244, 268, 269 and 278 of NRS) This bill establishes uniform statewide standards that local governments must strictly comply with when exercising those powers with regard to certain lands within or surrounding any national conservation areas in Nevada.

Currently, the Congress of the United States has designated by federal law the following national conservation areas in Nevada: (1) the Black Rock Desert-High Rock Canyon Emigrant Trails National Conservation Area in Humboldt, Pershing and Washoe Counties (16 U.S.C. §§ 460ppp et seq.); (2) the Sloan Canyon National Conservation Area in Clark County (16 U.S.C. §§ 460qqq et seq.); and (3) the Red Rock Canyon National Conservation Area in Clark County (16 U.S.C. §§ 460ccc et seq.). If Congress designates by federal law any additional national conservation areas in Nevada, this bill would apply to the lands within or surrounding those national conservation areas but only after the enactment of the federal law making the designation.

Section 1.1 of this bill sets forth legislative findings and declarations underlying this bill. In particular, the Legislature finds in section 1.1 that because of the importance of the natural resources found within national conservation areas in Nevada, there is a legitimate and compelling need to enact uniform statewide standards to regulate development on lands within or surrounding national conservation areas to ensure that development on such lands proceeds at the local level in an orderly and responsible manner without detrimentally and

irreversibly impacting the natural resources found within national conservation areas in Nevada. In order to secure, promote and advance these legislative purposes and objectives, the Legislature declares in section 1.1 that it is necessary and essential to: (1) designate and define natural resources overlay lands; (2) establish uniform statewide standards that local governments must strictly comply with when regulating the use of those lands; and (3) provide for judicial review and other appropriate remedies to ensure that local governments strictly comply with those standards.

Section 1.45 of this bill defines "natural resources overlay lands" to mean all parcels of land located: (1) within the boundary of any national conservation area in this State; or (2) not more than one-half mile outside the boundary of any national conservation area in this State. Section 1.45 also provides that if any parcel of land is located partially but not entirely within natural resources overlay lands, the portion of the parcel within natural resources overlay lands is subject to this bill but the remaining portion of the parcel is not subject to this bill, unless a proposed project on the remaining portion includes any part of the portion of the parcel within natural resources overlay lands.

However, sections 1.25, 1.35 and 1.45 of this bill create an exemption from this bill for any parcel of land subject to any development agreement that was approved and recorded under NRS 278.0201-278.0207 before the effective date of this bill. Additionally, section 4.5 of this bill creates an exemption from this bill for any project to develop lands if a local government took final action that approved the project before the effective date of this bill and the local government's final action of approval remained in effect and was enforceable on the effective date of this bill.

With regard to natural resources overlay lands that are subject to this bill, sections 1.55 and 2-4 of this bill provide that a local government's powers relating to planning, subdivision regulation and zoning are subordinate to this bill. However, those sections also provide that this bill establishes, as a minimum threshold, uniform statewide standards relating to natural resources overlay lands but this bill does not preempt or otherwise limit a local government from imposing, with regard to those lands, standards relating to planning, subdivision regulation and zoning that are stricter or more protective of natural resources overlay lands than the standards set forth in this bill. In addition, section 1.6 of this bill authorizes a local government to enact ordinances and adopt policies and procedures that implement and facilitate this bill so long as they are consistent with this bill.

Sections 1.2-1.35, 1.5 and 1.65-1.8 of this bill establish uniform statewide standards for any proposed project to develop, improve or build on natural resources overlay lands that requires final action by a local government, except for any public parks, trailheads, trails or other

public recreational facilities that are constructed by a local government or by a developer pursuant to any development agreement.

Under section 1.65, a local government cannot take final action on a proposed project unless: (1) the developer prepares and submits an environmental impact statement; (2) the local government posts the environmental impact statement on its Internet website at least 15 calendar days before the public hearing at which the local government may take final action; and (3) the local government applies and weighs certain factors relating to the impact of the proposed project on natural resources overlay lands. However, if an environmental review relating to the proposed project has already been conducted by an appropriate federal or state agency under law, section 1.65 does not require the developer to prepare and submit an additional environmental impact statement. Instead, the local government must accept and utilize the findings and conclusions made in the federal or state agency's environmental review.

Under section 1.7, when the developer prepares and submits an environmental impact statement, the developer must provide a professional, detailed, thorough and comprehensive analysis and explanation concerning the environmental impacts that the proposed project will have on natural resources overlay lands. In reviewing and analyzing the environmental impact statement, section 1.7 permits the local government to use the regulations adopted by the Council on Environmental Quality pursuant to the National Environmental Policy Act of 1969 (42 U.S.C. §§ 4321 et seq.) as a guide in determining whether the environmental impact statement accurately and appropriately addresses the environmental impacts that the proposed project will have on natural resources overlay lands, but those regulations are not binding or determinative.

Under section 1.75, before the local government takes final action on the proposed project, it must apply and weigh several factors relating to the impact of the proposed project on natural resources overlay lands, including: (1) whether the proposed project will be located near or in close proximity to existing developed or urban lands or existing undeveloped or rural lands; (2) whether the proposed project will be located near or in close proximity to existing infrastructure and utilities or whether the project will require extensive work to build necessary infrastructure and utilities; (3) whether the proposed project will have significant beneficial or adverse environmental impacts; (4) whether the proposed project will restrict or impair open space or public access to open space; and (5) whether the proposed project will protect or preserve or destroy or impair natural terrain, native vegetation, wildlife habitat, watershed areas, scenic views or geological formations. In addition to these factors, section 1.75 permits the local government to consider other factors relating to planning, subdivision regulation and

zoning that are stricter or more protective of natural resources overlay lands.

Under section 1.8, if the local government does not strictly comply with this bill when it takes any final action on the proposed project: (1) the final action is deemed void and is of no legal force or effect; and (2) any person aggrieved by the final action may appeal the final action to the district court by filing a petition for judicial review against the local government within the 25-day appeal period. If an aggrieved party timely files a petition for judicial review, section 1.8 provides that the court must determine, based upon the record, whether the local government strictly complied with this bill and whether the local government's determination was based upon substantial evidence in the record. If the aggrieved party prevails on any claim for relief against the local government, section 1.8 provides that the aggrieved party is entitled to an award of reasonable attorney's fees and court costs. Section 1.8 also provides that the developer cannot be awarded attorney's fees or court costs, regardless of the outcome of the judicial review, unless the court imposes them as a penalty against another party for ethically or procedurally improper conduct that is independently sanctionable under court rules or other laws.

Finally, during the 1993 Legislative Session, the Legislature enacted Senate Bill No. 544 (1993 Red Rock Canyon Act), which is a special act that regulates certain uses of land within the Red Rock Canyon National Conservation Area in Clark County. (Chapter 639, Statutes of Nevada 1993, p. 2673) During the 2003 Legislative Session, the Legislature amended the 1993 Red Rock Canyon Act by enacting Senate Bill No. 358 ~~[of the 2003 Legislative Session, known as the Red Rock Canyon Conservation Area and Adjacent Lands Act,]~~ **(2003 Red Rock Canyon Act), which is a special act that** restricts the authority of local governments to regulate planning, subdividing and zoning of certain lands located in and adjacent to **the** Red Rock Canyon **National Conservation Area** in Clark County. (Chapter 639, Statutes of Nevada 1993, p. 2673, as amended by chapter 105, Statutes of Nevada 2003, p. 595) In 2013, the Nevada Supreme Court ruled that the **2003 Red Rock Canyon** Act violates Sections 20, 21 and 25 of Article 4 of the Nevada Constitution on the grounds that it: (1) is a "local or special law" that "regulates county business"; and (2) establishes a "system of county government" that is not "uniform throughout the State." (*Attorney General v. Gypsum Resources*, 129 Nev. Adv. Op. 4, 294 p.3d 404 (2013))

~~[- This bill revises]~~

To conform existing statutory provisions with the constitutional requirements established by the Nevada Supreme Court in *Gypsum Resources* and to resolve any statutory conflicts with this bill, section 5 of this bill repeals: (1) the pertinent provisions of the 1993 Red Rock Canyon Act and the **2003** Red Rock Canyon ~~[Conservation Area and~~

3. The provisions of sections 1.1 to 1.8, inclusive, of this act:

(a) Establish, as a minimum threshold, uniform statewide standards relating to natural resources overlay lands; and

(b) Must not be interpreted to preempt or otherwise limit a local government from imposing, with regard to those lands, standards relating to planning, subdivision regulation and zoning that are stricter or more protective of natural resources overlay lands than the standards set forth in sections 1.1 to 1.8, inclusive, of this act.

Sec. 1.6. For the purposes of carrying out the provisions of sections 1.1 to 1.8, inclusive, of this act, a local government may enact ordinances and adopt policies and procedures that implement and facilitate those provisions and are consistent therewith, including, without limitation, requiring developers to pay for the costs of the local government to review and analyze an environmental impact statement.

Sec. 1.65. 1. Except as otherwise provided in this section, if a developer wants to undertake or complete any proposed project on natural resources overlay lands, a local government shall not take any final action regarding the proposed project unless:

2. The developer must pay all costs associated with preparation of the environmental impact statement.

3. The environmental impact statement must analyze and explain:

Sec. 1.75. 1. Before a local government takes any final action regarding a proposed project on natural resources overlay lands, the local government shall apply and weigh the following factors:

(a) Whether the proposed project will be located near or in close proximity to existing developed or urban lands or existing undeveloped or rural lands.

(a) The final action shall be deemed to be void and of no legal force or effect; and

(b) Any person aggrieved by the final action may appeal the final action to the district court of the proper county by filing a petition for judicial review against the local government within 25 days after the date of filing of notice of the final action with the clerk or secretary of the governing body of the local government as set forth in NRS 278.0235.

3. For the purposes of this section, a person shall be deemed to be aggrieved by the final action taken by the local government if the person appeared before the local government, either in person, through an authorized representative or in writing, regarding the final action.

4. If a person brings a petition for judicial review pursuant to this section:

(a) The purpose of the judicial review is for the court to determine, based upon the record, whether the local government strictly complied with the provisions of sections 1.1 to 1.8, inclusive, of this act and whether the determination of the local government was based upon substantial evidence in the record.

(b) If the person prevails on any claim for relief against the local government, the court shall award reasonable attorney's fees and court costs to the person regarding the prevailing claim, but the developer whose proposed project is the subject of the judicial review may not be awarded attorney's fees or court costs, regardless of the outcome of the judicial review, unless the court imposes them as a penalty against another party for ethically or procedurally improper conduct that is independently sanctionable under court rules or laws other than this section.

5. The petition for judicial review and remedies prescribed by this section are in addition to any other forms of judicial review and remedies provided by law.

Amendment No. 400.

ASSEMBLYMEN PICKARD, HAMBRICK, COHEN ~~[,]~~ **, ELLIOT ANDERSON;** PAUL ANDERSON, ELLISON, TOLLES AND WHEELER

JOINT SPONSOR: SENATOR HARRIS

AN ACT relating to the support of children; creating the Committee to Review Child Support Guidelines; requiring the Committee to review quadrennially the support guidelines established in this State and submit any recommendations for revision to the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human

Services; requiring the Administrator to adopt regulations establishing support guidelines; repealing provisions relating to the calculation of support upon the adoption of such regulations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law and regulations require each state to establish child support guidelines and review such guidelines at least once every 4 years to ensure that the application of such guidelines results in appropriate awards of child support. (42 U.S.C. § 667(a); 45 C.F.R. § 302.56(e)) Existing federal regulations also establish minimum standards for such guidelines. (45 C.F.R. § 302.56(c)) Existing Nevada law establishes the general formula used to calculate child support and sets forth several other related provisions. (NRS 125B.070, 125B.080, 125B.085, 125B.095)

Section 7 of this bill creates the Committee to Review Child Support Guidelines, and **section 8** of this bill requires the Committee to review the existing child support guidelines established in this State and provide any recommendations for revisions to the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human Services not later than July 1, 2018. **Section 8** requires the Administrator to review and consider any recommendations of the Committee and, after reviewing and considering such recommendations, to adopt regulations establishing the child support guidelines in this State. **Section 8** also requires the Committee to review the guidelines at least once every 4 years. **Section 13** of this bill repeals the provisions of existing law establishing the general formula for calculating child support and certain related provisions, and **section 14** of this bill provides that the repeal of such provisions becomes effective on the effective date of the regulations adopted by the Administrator establishing child support guidelines pursuant to **section 8**. **Sections 1-3 and 9-12** of this bill make conforming changes that are also effective upon the effective date of the adopted regulations.

Existing law exempts the Division from the provisions of the Nevada Administrative Procedure Act. (NRS 233B.039) **Section 4** of this bill provides an exception to such an exemption for the regulations establishing the child support guidelines that are adopted by the Administrator, and **section 8** requires that such regulations be adopted in accordance with the Nevada Administrative Procedure Act and codified in the Nevada Administrative Code.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The
court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made

pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" ~~[has the meaning ascribed to it in NRS 125B.070.]~~ ***means the total amount of income received each month from any source of a person who is not self-employed or the gross income from any source of a self-employed person, after deduction of all legitimate business expenses, but without deduction for personal income taxes, contributions for retirement benefits, contributions to a pension or for any other personal expenses.***

Sec. 2. NRS 125B.080 is hereby amended to read as follows:

125B.080 ~~[Except as otherwise provided in NRS 425.450:~~

~~1.]~~ A court of this State shall apply the ~~[appropriate formula set forth in NRS 125B.070]~~ ***guidelines established by the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human Services pursuant to section 8 of this act*** to:

~~[(a)]~~ ***1.*** Determine the required support in any case involving the support of children ~~[.~~

~~(b) Any request filed after July 1, 1987, to change~~] ***; or***

2. Change the amount of the required support of children.

~~[2. If the parties agree as to the amount of support required, the parties shall certify that the amount of support is consistent with the appropriate formula set forth in NRS 125B.070. If the amount of support deviates from the formula, the parties must stipulate sufficient facts in accordance with subsection 9 which justify the deviation to the court, and the court shall make a written finding thereon. Any inaccuracy or falsification of financial information which results in an inappropriate award of support is grounds for a motion to modify or adjust the award.~~

~~3. If the parties disagree as to the amount of the gross monthly income of either party, the court shall determine the amount and may direct either party to furnish financial information or other records, including income tax returns for the preceding 3 years. Once a court has established an obligation for support by reference to a formula set forth in NRS 125B.070, any subsequent modification or adjustment of that support, except for any modification or adjustment made pursuant to subsection 3 of NRS 125B.070 or NRS 425.450 or as a result of a review conducted pursuant to subsection 1 of NRS 125B.145, must be based upon changed circumstances.~~

~~4. Notwithstanding the formulas set forth in NRS 125B.070, the minimum amount of support that may be awarded by a court in any case is $100 per month per child, unless the court makes a written finding that the obligor is unable to pay the minimum amount. Willful underemployment or~~

~~unemployment is not a sufficient cause to deviate from the awarding of at least the minimum amount.~~

~~5. It is presumed that the basic needs of a child are met by the formulas set forth in NRS 125B.070. This presumption may be rebutted by evidence proving that the needs of a particular child are not met by the applicable formula.~~

~~6. If the amount of the awarded support for a child is greater or less than the amount which would be established under the applicable formula, the court shall:~~

~~(a) Set forth findings of fact as to the basis for the deviation from the formula; and~~

~~(b) Provide in the findings of fact the amount of support that would have been established under the applicable formula.~~

~~7. Expenses for health care which are not reimbursed, including expenses for medical, surgical, dental, orthodontic and optical expenses, must be borne equally by both parents in the absence of extraordinary circumstances.~~

~~8. If a parent who has an obligation for support is willfully underemployed or unemployed to avoid an obligation for support of a child, that obligation must be based upon the parent's true potential earning capacity.~~

~~9. The court shall consider the following factors when adjusting the amount of support of a child upon specific findings of fact:~~

~~(a) The cost of health insurance;~~

~~(b) The cost of child care;~~

~~(c) Any special educational needs of the child;~~

~~(d) The age of the child;~~

~~(e) The legal responsibility of the parents for the support of others;~~

~~(f) The value of services contributed by either parent;~~

~~(g) Any public assistance paid to support the child;~~

~~(h) Any expenses reasonably related to the mother's pregnancy and confinement;~~

~~(i) The cost of transportation of the child to and from visitation if the custodial parent moved with the child from the jurisdiction of the court which ordered the support and the noncustodial parent remained;~~

~~(j) The amount of time the child spends with each parent;~~

~~(k) Any other necessary expenses for the benefit of the child; and~~

~~(l) The relative income of both parents.~~**]**

(a) Does not have jurisdiction to modify the order, the court may forward the request to any court with appropriate jurisdiction.

(b) Has jurisdiction to modify the order and, taking into account the best interests of the child, determines that modification or adjustment of the order is appropriate, the court shall enter an order modifying or adjusting the previous order for support in accordance with the ~~[~~requirements of NRS 125B.070 and 125B.080.~~]~~ ***guidelines established by the Administrator of the Division of Welfare and Supportive Services of the Department of Health and Human Services pursuant to section 8 of this act.***

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 493.

AN ACT relating to state employment; ~~[requiring the appointment of a Veteran Personnel Coordinator and establishing the duties of that position;]~~ imposing additional duties on the Administrator of the Division of Human Resource Management of the Department of Administration **and certain state agencies** relating to veterans and certain widows and widowers; revising provisions governing the preference provided to veterans and certain other persons ~~[on examinations for]~~ **relating to employment in** the classified service; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires the Administrator of the Division of Human Resource Management of the Department of Administration to appoint such employees and assistants as are necessary to carry out the provisions governing state employment. (NRS 284.100) Section 2 of this bill requires the Administrator to appoint a Veteran Personnel Coordinator to coordinate activities for the recruitment, hiring and retention of state employees in the classified and unclassified service who are veterans and widows and widowers of persons killed in the line of duty while on active duty in the Armed Forces of the United States.]~~

Existing law requires the Department of Administration to provide an annual report of the total number of veterans employed by each agency in the State to the Interagency Council on Veterans Affairs, which includes the Director of the Department of Veterans Services as one of its members. (NRS 417.0191, 417.0194) **Section 3** of this bill requires the Administrator of the Division of Human Resource Management **of the Department of Administration** to submit to: (1) the Director of the Department of Veterans Services and make available to the public a monthly report listing the names of all veterans and widows and widowers of persons killed in the line of duty while on active duty in the Armed Forces of the United States who are employed in the classified or unclassified service of the State; and (2) the Governor and the Director of the Legislative Counsel Bureau for distribution to the Legislature a quarterly report on the number of veterans and widows and widowers of persons killed in the line of duty while on active duty in the Armed Forces of the United States who were hired in the classified or unclassified service of the State during the quarter. **Section 6** of this bill makes a conforming change to the annual report. Finally, **section 3** requires the Administrator to ensure that the percentage of officers and employees in **such** state employment that are veterans and widows and widowers of persons killed in the line of duty while on active duty in the Armed Forces of the United States is proportional to the percentage of veterans and such widows and widowers residing in this State.

Existing law requires **, with certain exceptions,** state agencies **in the Executive Department of the State Government** to periodically report to the Administrator of the Division of Human Resource Management any appointment, transfer, separation, suspension, reinstatement or any reduction or other change to a position in the public service. (NRS 284.121) **Section 4** of this bill requires that such a report include whether any person appointed to **such** state employment is a veteran or a widow or widower of a person killed in the line of duty while on active duty in the Armed Forces of the United States.

Under existing law, the State is required, in establishing lists of persons eligible for appointment or promotion to positions in the classified service, to add 10 points to the passing grade on a competitive examination of a veteran with a disability and 5 points to a passing grade on such an examination of a veteran who does not have a disability or a widow or widower of a veteran. Existing law authorizes the application of such preference points to any open competitive examination in the classified service, but only to one promotional examination. (NRS 284.260) **Section 5** of this bill increases to ~~[22]~~ **15** points the number of points required to be added to the passing grade of ~~[any]~~ **a** veteran ~~[, regardless of]~~ **with a** disability **.** ~~[, and]~~ **Section 5 also: (1) increases to ten points the number of points to be added** to the passing grade of ~~[an additional category,]~~ **a veteran who does not have a disability; and (2) requires the addition of 10 points to the passing grade of** widows and widowers of persons killed in the line of duty while on active duty in the

Armed Forces of the United States. **Section 5** also removes the restriction on applying such points to more than one promotional examination.

Existing law requires, with certain exceptions, a state agency in the Executive Department of the State Government to give notice to the Administrator of the Division of Human Resource Management of its intention to fill a vacancy in the classified service. After receipt of such notice, the Administrator is required to certify from the list of eligible persons, appropriate to the grade and class in which the position is classified, the names of the persons with the highest scores. Section 5.5 of this bill requires the Administrator to also certify the name of any veteran on the list of eligible persons and requires the state agency to interview any veteran so certified for the position,

A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the

payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the

court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

Sec. 6. NRS 132.135 is hereby amended to read as follows:

132.135 "Expenses of administration" means funeral expenses and expenses actually and properly incurred by a personal representative in the administration of an estate, ***including, without limitation, expenses incurred for the maintenance or preservation of the assets of an estate,*** plus the fees of the personal representative, any attorney retained by the personal representative and any other consultant engaged by him or her.

Sec. 7. NRS 132.145 is hereby amended to read as follows:

132.145 ***1.*** "Fiduciary" includes ***, without limitation,*** a personal representative, guardian ***,*** ~~[and]~~ trustee ~~[.]~~ ***under any trust, whether express, implied, resulting or constructive, bailee, conservator, curator, receiver or***

trustee in bankruptcy or an attorney in fact, assignee for the benefit of creditors or agent. The term does not include:

(a) A trust protector or trust adviser, except under the terms and conditions expressly provided in the written instrument appointing the trust protector or trust adviser; or

(b) A holder of a power of appointment under the terms of a trust.

2. As used in this section:

(a) "Trust adviser" has the meaning ascribed to it in NRS 163.5545.

(b) "Trust protector" has the meaning ascribed to it in NRS 163.5547.

Sec. 8. NRS 133.130 is hereby amended to read as follows:

133.130 If, after the making of any will, the testator executes a ***valid*** second will ~~[,]~~ ***that includes provisions revoking the first will,*** the destruction, cancellation or revocation of the second will does not revive the first will ~~[,]~~ unless ~~[it]~~ ***:***

1. It appears by the terms of the revocation ***or the manner in which the revocation occurred*** that it was the intention to revive and give effect to the first will ***;*** ~~[,]~~ or ~~[unless, after]~~

2. After the destruction, cancellation or revocation, the first will is reexecuted.

Sec. 9. NRS 136.240 is hereby amended to read as follows:

136.240 1. The petition for the probate of a lost or destroyed will must include a copy of the will, or if no copy is available state, or be accompanied by a written statement of, the testamentary words, or the substance thereof.

2. If offered for probate, a lost or destroyed will must be proved in the same manner as other wills are proved under this chapter.

3. In addition, no will may be proved as a lost or destroyed will unless ***its provisions are clearly and distinctly proved by two or more credible witnesses and*** it is ~~[proved]~~ ***:***

(a) Proved to have been in ***legal*** existence at the death of the person whose will it is claimed to be ~~[,]~~ ***and has not otherwise been revoked or destroyed without the knowledge, consent or ratification of such person;*** or ~~[is shown]~~

(b) Shown to have been fraudulently destroyed in the lifetime of that person ***.*** ~~[, nor unless its provisions are clearly and distinctly proved by at least two credible witnesses.]~~

4. The testimony of each witness must be reduced to writing, signed by the witness and filed, and is admissible in evidence in any contest of the will if the witness has died or permanently moved from the State.

5. Notwithstanding any provision of this section to the contrary:

(a) The production of a person's lost or destroyed will, whose primary beneficiary is a nontestamentary trust established by the person and in existence at his or her death, creates a rebuttable presumption that the will had not been revoked.

(b) If the proponent of a lost or destroyed will makes a prima facie showing that it was more likely than not left unrevoked by the person whose

will it is claimed to be before his or her death, then the will must be admitted to probate in absence of an objection. If such prima facie showing has been made, the court shall accept a copy of such a will as sufficient proof of the terms thereof without requiring further evidence in the absence of any objection.

6. If the will is established, its provisions must be set forth specifically in the order admitting it to probate, or a copy of the will must be attached to the order.

Sec. 10. NRS 137.005 is hereby amended to read as follows:

137.005 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a will must be enforced by the court ~~[.]~~ ***because public policy favors enforcing the intent of the testator. However, because public policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the will.***

2. A no-contest clause must be construed to carry out the testator's intent ~~[. Except]~~ to the extent ~~[the will is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the testator's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the will itself, including, without limitation:

(1) The commencement of civil litigation against the testator's probate estate or family members;

(2) Interference with the administration of a trust or a business entity;

(3) Efforts to frustrate the intent of the testator's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

3. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the devisee ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the will or any document referenced in or affected by the will;

(b) Enforce the devisee's legal rights in the probate proceeding; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the estate or the*** construction or legal effect of the will ~~[.]~~ ***or the provisions thereof; or***

(d) Enforce the fiduciary duties of the personal representative.

4. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated under a no-contest clause because the devisee institutes legal action seeking to invalidate a will if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the will is invalid.

5. ***As to any testamentary trust, the testator is the settlor. Unless the will expressly provides otherwise, a no-contest clause in a will applies to a testamentary trust created under that will and the provisions of NRS 163.00195 apply to that trust.***

6. As used in this section, "no-contest clause" means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to a devisee if the devisee takes action to frustrate or defeat the testator's intent as expressed in the will.

Sec. 11. NRS 137.090 is hereby amended to read as follows:

137.090 Upon filing ~~[the]~~ ***a*** petition ~~[, and within the time allowed for filing the petition,]~~ ***pursuant to NRS 137.080, the court shall order the issuance of*** a citation ***,*** ~~[must be issued,]~~ directed to the personal representative and to all the devisees mentioned in the will, and the heirs, so far as known to the petitioner, including minors and incapacitated persons, or the personal representative of any such person who is dead, directing them to plead to the contest within 30 days after service of the citation.

Sec. 12. NRS 139.135 is hereby amended to read as follows:

139.135 1. An agreement between an heir finder and an apparent heir, the primary purpose of which is to locate, recover or assist in the recovery of an estate for which the public administrator has petitioned for letters of administration, is void and unenforceable if the agreement is entered into during the period beginning with the death of the person whose estate is in probate until 90 days thereafter. ***Upon a showing of good cause, the court may extend such a period until 180 days after the death of the person.***

2. As used in this section, "heir finder" means a person who, for payment of a fee, assignment of a portion of any interest in a decedent's estate or other consideration, provides information, assistance, forensic genealogy research or other efforts related to another person's right to or interest in a decedent's estate. The term does not include:

(a) A person acting in the capacity of a personal representative or guardian ad litem;

(b) A person appointed to perform services by a probate court in which a proceeding in connection with a decedent's estate is pending; or

(c) An attorney providing legal services to a decedent's family member if the attorney has not agreed to pay to any other person a portion of the fees received from the family member or the family member's interest in the decedent's estate.

Sec. 13. NRS 140.010 is hereby amended to read as follows:

140.010 The court shall appoint a special administrator to collect and take charge of the estate of the decedent, in whatever county or counties the estate may be found, and to exercise such other powers as may be necessary to preserve the estate ~~[.]~~ ***or any rights or privileges belonging to the decedent:***

1. If there is a delay in granting letters testamentary or letters of administration, from any cause.
2. If letters are granted irregularly.
3. If no sufficient bond is filed as required by the court.
4. If no petition is filed for letters.
5. If an executor or administrator dies or is suspended or removed, and the circumstances of the estate require the immediate appointment of a personal representative.
6. If there may be no assets subject to administration but good cause exists for the appointment of a personal representative of the decedent.
7. In any other proper case.

Sec. 14. NRS 140.030 is hereby amended to read as follows:

140.030 Before letters issue to a person as a special administrator, the person must:

1. Give bond in such sum as the court directs, with sureties to the satisfaction of the court, conditioned for the faithful performance of the duties, unless the court waives bond ~~[;]~~ ***, with or without conditions, or dispenses the bond and alternatively requires the establishment of a blocked account;*** and
2. Take the usual oath of office.

Sec. 15. NRS 142.020 is hereby amended to read as follows:

142.020 1. The requirement of a bond of a personal representative is discretionary with the court. Whether a bond is expressly required by the will or not, the court may:

(a) Require a bond if it determines a bond is desirable; or

(b) Dispense with the requirement of a bond if ~~[it]~~ ***:***

(1) The court determines a bond is unnecessary ~~[.]~~ ***; or***

(2) The assets of the estate are deposited with a financial institution pursuant to subsection 3.

2. The bond must be conditioned so that the personal representative will faithfully execute the duties of the office according to law, and the bond must be filed by the clerk.

3. Personal assets of an estate may be deposited with a domestic credit union or other domestic financial institution upon such terms as may be prescribed by order of the court having jurisdiction of the estate. The deposit is subject to the further order of the court. ~~[The bond of the personal representative may be reduced accordingly.]~~ The personal representative shall file with the clerk the acknowledgment of an authorized representative

of the financial institution that holds the assets deposited, which may be in the following form:

PROOF OF BLOCKED ACCOUNT

The undersigned affirms that ....., as personal representative of the estate of ....., deceased, has established an account, number ....., entitled "....," in the amount of $.....

The undersigned acknowledges that this account bears a blocked/frozen designation, and that no money may be removed without first presenting an order from the court authorizing the withdrawal.

Dated on ..... (date) By: .....

Title: .....

4. During the pendency of the administration, any person, including a creditor, having an interest in an estate whose value exceeds $10,000 may file a petition requesting that the personal representative submit additional bond. Upon the filing of the petition, the clerk shall set it for hearing, and the petitioner shall give notice for the period and in the manner provided in NRS 155.010. Upon hearing the petition, the court may require the personal representative to file additional bond in the amount of the claim of the petitioner, unless it determines that bond should be dispensed with or set in a different amount.

5. The amount of the bond is the estimated value of all personal property plus income for 1 year from both real and personal property, unless the amount of the bond is expressly mentioned in the will, changed by the court or required pursuant to subsection 4.

6. If a banking corporation, as defined in NRS 657.016, or trust company, as defined in NRS 669.070, doing business in this State is appointed the personal representative of the estate of a decedent, no bond is required unless otherwise specifically required by the court.

Sec. 16. NRS 143.020 is hereby amended to read as follows:

143.020 Except as otherwise provided in NRS 143.030 and 146.010, a personal representative has a right to the possession of all the real, as well as personal, property of the decedent and may receive the rents and profits of the property until the estate is settled, or until delivered over by order of the court to the heirs or devisees, and shall make a reasonable effort to ~~[keep]~~ ***preserve and maintain all such property, including, without limitation, by keeping*** in good tenantable repair all houses, buildings and appurtenances thereon which are under the control of the personal representative.

Sec. 17. NRS 143.035 is hereby amended to read as follows:

143.035 1. A personal representative shall use reasonable diligence in performing the duties of the personal representative and in pursuing the administration of the estate.

2. ~~[A]~~ ***In the absence of pending litigation or a contested proceeding involving the estate, a*** personal representative in charge of an estate that has not been closed shall:

(a) Within 6 months after the personal representative's appointment, where no federal estate tax return is required to be filed for the estate; or

(b) Within ~~[15]~~ ***18*** months after the personal representative's appointment, where a federal estate tax return is required to be filed for the estate,

➥ file with the court a report explaining why the estate has not been closed.

3. Upon receiving the report, the clerk shall set a time and place for a hearing of the report. The personal representative shall send a copy of the report and shall give notice of the hearing, for the period and in the manner provided in NRS 155.010, to:

(a) Each person whose interest is affected as an heir or devisee; and

(b) The Department of Health and Human Services, if the Department has filed a claim against the estate.

4. At the hearing, the court shall determine whether or not the personal representative has used reasonable diligence in the administration of the estate, and if the personal representative has not, the court may:

(a) Subject to the provisions of NRS 143.037:

(1) Prescribe the time within which the estate must be closed; or

(2) Allow the personal representative additional time for closing and order a subsequent report; or

(b) Revoke the letters of the personal representative, appoint a successor and prescribe a reasonable time within which the successor shall close the estate.

Sec. 18. NRS 143.037 is hereby amended to read as follows:

143.037 1. Except as otherwise provided in this section, a personal representative shall close an estate within 18 months after appointment.

2. If ~~[a]~~ ***an estate is not closed within 18 months after the appointment of a personal representative and:***

(a) A claim against the estate is in litigation or in summary determination pursuant to subsection 5 of NRS 145.060 ~~[or]~~ ***, a petition for determination of the validity of the claim has been filed pursuant to*** subsection 2 of NRS 147.130 or the amount of federal estate tax has not been determined, ~~[the court, upon petition of]~~ a devisee, creditor or heir ~~[, shall]~~ ***may file a petition seeking an*** order that:

~~[(a)]~~ ***(1)*** A certain amount of money, or certain other assets, be retained by the personal representative to:

~~[(1)]~~ ***(I)*** Satisfy the claim or tax; and

~~[(2)]~~ ***(II)*** Pay any fees or costs related to the claim or tax, including fees for appraisals, attorney's fees and court costs; and

~~[(b)]~~ ***(2)*** The remainder of the estate be distributed.

~~[3. If a]~~

(b) A contest of the will or a proceeding to determine heirship is pending, ***a devisee, creditor or heir may file a petition requesting*** the court which appointed the personal representative ~~[~~**:**

~~(a) Shall]~~ ***to*** order that ~~[a]~~ ***:***

(1) A certain amount of money, or certain other assets, be retained and the remainder of the estate distributed; or

~~[(b) May, for good cause shown, order that the]~~

(2) The entire distributable estate be retained pending disposition of the contest or proceeding.

3. A court shall not enter an order distributing the assets of an estate pursuant to this section if such a distribution will result in there being insufficient assets to enable the personal representative to discharge any tax liability, claims of creditors, administrative expenses or any other just obligation of the estate.

Sec. 19. NRS 143.050 is hereby amended to read as follows:

143.050 ***1.*** Except as otherwise provided in NRS 143.520, after notice given as provided in NRS 155.010 or in such other manner as the court directs, the court may authorize the personal representative to continue the operation of the decedent's business to such an extent and subject to such restrictions as may seem to the court to be for the best interest of the estate and any interested persons.

2. The provisions of subsection 1 do not apply to passive investments or the exercise of any shareholder or membership rights to which the personal representative has succeeded.

3. Unless specifically authorized by the will or by the court, the personal representative may not receive any separate compensation for continuing the operation of the decedent's business pursuant to this section.

Sec. 20. NRS 143.165 is hereby amended to read as follows:

143.165 1. On petition ***or ex parte application*** of an interested person, the court by temporary order ***, with or without bond,*** may restrain a personal representative from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office ***.*** ~~[,]~~ ***Notwithstanding any other provision of law,*** if it appears to the court that the personal representative otherwise may take some action that would jeopardize unreasonably the interest of the petitioner or of some other interested person ~~[,]~~ ***or the estate, the court may enter the temporary order.*** A person with whom the personal representative may transact business may be made a party to the temporary order.

2. The matter must be set for hearing within 10 days after entry of the temporary order ***,*** unless the parties otherwise agree ~~[,]~~ ***, or on a date the court otherwise determines is in the best interest of the estate.*** Notice as the court directs must be given by the petitioner to the personal representative

and the attorney of record of the personal representative, if any, and to any other party named as a party in the temporary order.

Sec. 21. NRS 144.010 is hereby amended to read as follows:

144.010 1. Except as otherwise provided in this ~~[~~subsection,~~]~~ ***section,*** every personal representative shall ~~[~~make~~]~~ ***prepare*** and file with the clerk ~~[~~,~~]~~ ***a true inventory and appraisement or record of value of all the assets of the decedent that have come to the possession or knowledge of the personal representative,*** within ~~[~~60~~]~~ ***120*** days after ~~[~~appointment,~~]~~ ***the issuance of letters of administration,*** unless the court extends the time ~~[~~, a true inventory and appraisement or record of value of all the estate of the decedent that has come to the possession or knowledge of the personal representative.~~]~~ ***for good cause shown.*** The requirement of ***preparing and*** filing an inventory or ~~[~~the requirement of filing~~]~~ an appraisement or ***a*** verified record of value, or both, may be waived by the unanimous written consent of all interested persons.

2. ~~[~~The~~]~~ ***Notwithstanding the provisions of this subsection, an interested person may provide a written request to the personal representative at any time 60 days or more after the issuance of letters of administration which seeks a list of the assets of the estate known to the personal representative. The personal representative shall provide such information to the requesting interested party within 10 days after receipt of the written request.***

3. Unless an interested heir requested and was provided a list of assets pursuant to subsection 2, the personal representative, within 10 days after filing the inventory with the clerk, shall mail a copy to all the interested heirs of an intestate estate, or to the devisees of a testate estate, or to both interested heirs and devisees, if a contest of the will of the decedent is pending. Proof of the mailing of the copies must be made and filed in the proceeding.

4. Notwithstanding the requirements set forth in this section, a personal representative may file a redacted inventory to protect the decedent or his or her estate or an interested person. Such an inventory may redact any account numbers, social security numbers and values. Upon request by the court or an interested person, the personal representative shall make the full inventory without redaction available for inspection.

5. This section must not be construed to interfere with the authority of a court to order a personal representative to provide the court with information sufficient to identify the assets of an estate and the value thereof that is subject to probate administration, including, without limitation, requiring the personal representative to submit an inventory to the court in camera, as the court deems necessary and appropriate.

Sec. 22. NRS 144.020 is hereby amended to read as follows:

144.020 1. A personal representative may engage a qualified and disinterested appraiser to ascertain the fair market value, as of the decedent's

death, of any asset the value of which is subject to reasonable doubt. Different persons may be engaged to appraise different kinds of assets included in the estate.

2. Any such appraiser is entitled to a reasonable compensation for the appraisal and may be paid the compensation by the personal representative out of the estate at any time after completion of the appraisal.

3. Except as otherwise provided in NRS 144.010, if there is no reasonable doubt as to the value of assets, such as money, deposits in banks or credit unions, bonds, policies of life insurance, or securities for money or evidence of indebtedness, and the asset is equal in value to cash, the personal representative shall file a verified record of value in lieu of the appraisement.

4. If it appears beyond reasonable doubt that there will be no need to sell assets of the estate to pay the debts of the estate or expenses of administration, or to divide assets for distribution in kind to the devisees or heirs, the personal representative may petition the court for an order allowing a verified record of value to be filed in lieu of the appraisement or, if no interested person is prejudiced thereby, an order waiving the requirement for filing an appraisement or verified record of value, and the court may enter such an order with or without notice.

5. If the personal representative reasonably believes that the value of the household furniture and furnishings of the estate is less than $30,000, the personal representative may file a verified record of value in lieu of the appraisement. Notwithstanding the provisions of this subsection, any interested person may petition the court to require the personal representative to obtain an appraisement on some or all of such household furniture and furnishings. Upon a showing of good cause, the court shall order the appraisement.

Sec. 23. NRS 144.080 is hereby amended to read as follows:

144.080 If a personal representative neglects or refuses to file the inventory within the time prescribed by law or extended by the court, the court may, upon such notice as it deems appropriate ~~[, revoke]~~ ***:***

1. Revoke the letters of the personal representative ~~[, and]~~ ***;***

2. Order that the fees and costs incurred by the interested person seeking to enforce the provisions of this subsection be satisfied by the bond of the personal representative or, in the absence of a bond, be paid personally by the personal representative; or

3. Hold the personal representative ~~[is]~~ liable on the bond of the personal representative for any injuries sustained by the estate through his or her ~~[neglect.]~~ ***gross negligence or willful misconduct.***

Sec. 24. NRS 147.130 is hereby amended to read as follows:

147.130 1. If a claim is rejected by the personal representative or the court, in whole or in part, the claimant must be immediately notified by the personal representative, and the claimant must bring suit in the proper court against the personal representative within 60 days after the notice or file a timely petition for ~~[summary]~~ determination ***of the validity of the claim***

pursuant to subsection 2, whether the claim is due or not, or the claim is forever barred. A claimant must be informed of the rejection of the claim by written notice forwarded to the claimant's mailing address by registered or certified mail.

2. If a claim ~~[filed by the Department of Health and Human Services]~~ is rejected by the personal representative, ~~[the Director of the Department]~~ ***a creditor*** may, within 20 days after receipt of the written notice of rejection, petition the court for ~~[summary]~~ determination of ***the validity of*** the claim ~~[.]~~ ***in lieu of bringing suit against the personal representative pursuant to subsection 1.*** A petition for ~~[summary]~~ determination ***of the validity of the claim*** must be filed with the clerk, who shall set the petition for hearing, and notice must be given for the period and in the manner required by NRS 155.010. Allowance of the claim by the court is sufficient evidence of its correctness, and it must be paid as if previously allowed by the personal representative.

3. In any action brought upon a claim rejected in whole or in part by the personal representative, if the personal representative resides out of the State or has departed from the State, or cannot, after due diligence, be found within the State, or conceals himself or herself to avoid the service of summons, the summons, together with a copy of the complaint, must be mailed directly to the last address given by the personal representative, with a copy to the attorney for the estate, and proof of the mailing must be filed with the clerk where the administration of the estate is pending. This service is the equivalent of personal service upon the personal representative, but he or she has 30 days from the date of service within which to answer.

4. If the personal representative defaults after such service, the default is sufficient grounds for his or her removal as personal representative by the court without notice. Upon petition and notice, in the manner provided for an application for letters of administration, an administrator or an administrator with the will annexed must be appointed by the court and, upon his or her qualification as such, letters of administration or letters of administration with the will annexed must be issued.

Sec. 25. NRS 147.150 is hereby amended to read as follows:

147.150 No holder of a claim against an estate may maintain an action thereon unless the claim is first filed with the clerk and the claim is rejected in whole or in part, except in the following case: An action may be brought by the holder of a ***lien or*** mortgage to enforce the ***lien or*** mortgage against the property of the estate subject thereto if all recourse against any other property of the estate is expressly waived in the complaint.

Sec. 26. NRS 148.220 is hereby amended to read as follows:

148.220 1. Notice of the time and place of sale of real property must be published in a newspaper published in the county in which the property, or some portion of the property, is located, if there is one so published, and if not, then in such paper as the court directs, for 2 weeks, being three publications, 1 week apart, before the day of sale or, in the case of a private

sale, before the day on or after which the sale is to be made. For good cause shown, the court may decrease the number of publications to one and shorten the time for publication to a period not less than 8 days.

2. ~~[If the]~~ ***The court may waive the requirement of publication if:***

(a) The personal representative is the sole devisee or heir of the estate, or if all devisees or heirs of the estate consent in writing ~~[, the court may waive the requirement of publication.]~~ ***;***

(b) The personal representative provides proof that the property has been publicly listed in a public property listing service for a period of not less than 30 days; or

(c) The estate is subject to a lien or mortgage on the property in excess of the value of the real property and the estate has entered into an agreement with the holder of the lien or mortgage to waive the deficiency and accept the net sales proceeds.

3. If it appears from the inventory and appraisement that the value of the property to be sold does not exceed $5,000, the personal representative may waive the requirement of publication and, in lieu thereof, post a notice of the time and place of sale in three of the most public places in the county in which the property, or some portion of the property, is located, for 2 weeks before the day of the sale or, in the case of a private sale, before the day on or after which the sale is to be made.

4. The property proposed to be sold must be described with common certainty in the notice.

Sec. 27. NRS 148.260 is hereby amended to read as follows:

148.260 1. Except as otherwise provided in subsection 2, ~~[no]~~ ***a*** sale of real property at ***a*** private sale ~~[may]~~ ***must not*** be confirmed by the court unless the court is satisfied that the sum offered represents the fair market value of the property sold ~~[, nor unless]~~ ***and*** the real property has been appraised within 1 year before the time of sale. If ~~[it]~~ ***the property*** has not been appraised, a new appraisement must be ~~[had,]~~ ***performed,*** as in the case of an original appraisement of an estate ***,*** ~~[. This may be done]~~ at any time before the sale or confirmation ~~[thereof.]~~ ***of the property.***

2. ***The court may waive the requirement of an appraisement:***

(a) For good cause shown; or

(b) If the personal representative is the sole devisee or heir of the estate, or if all devisees or heirs consent in writing to sale without an appraisal, ~~[the requirement of an appraisal may be dispensed with and]~~ ***, in which case*** the personal representative may rely on the assessed value of the property for taxation in obtaining confirmation of the sale.

Sec. 28. NRS 148.270 is hereby amended to read as follows:

148.270 1. At the hearing, the court shall consider the necessity for the sale, or the advantage, benefit and interest of the estate in having the sale made, and must examine the return and the evidence in relation to the sale.

2. If it appears to the court that good reason existed for the sale, that the sale was legally made and fairly conducted, and complied with the

requirements of NRS 148.260, that the sum bid is not disproportionate to the value, and it does not appear that a sum exceeding the bid by at least 5 percent if the bid is not more than $100,000, or by at least $5,000 if the bid is $100,000 or more, may be obtained, the court shall enter an order confirming the sale and directing conveyances to be executed. Otherwise, it shall vacate the sale. If the court directs that the property be resold, notice must be given and the sale in all respects conducted as if no previous sale had taken place.

3. If a written offer of 5 percent or $5,000 more in amount than that named in the return is made to the court by a responsible person, as provided in subsection 2, and the bid complies with all provisions of the law, the court may accept the offer and confirm the sale to that person, order a new sale or conduct a public auction in open court.

4. If a higher bid is received at the time of a hearing to confirm the sale, the court may continue the hearing if it finds that the original bidder was not notified of the hearing and might desire to increase his or her bid, but failure to notify the original bidder or to continue the hearing is not grounds to void an order confirming a sale.

5. If the court accepts a higher bid at the time of a hearing to confirm the sale, the court shall confirm the original purchase contract and include in the order confirming the sale the substitution of the new sale price and purchaser. The order confirming the sale is a sufficient addendum to the original contract to allow escrow to close.

6. Notwithstanding the provisions of this section, if the estate is subject to a lien or mortgage that exceeds the value of the property and the estate has entered into an agreement with the holder of the lien or mortgage to waive any deficiency as to other estate property and accept the net sales proceeds as full satisfaction of the lien or mortgage, the court shall confirm the sale without accepting bids on the property.

Sec. 29. NRS 153.020 is hereby amended to read as follows:

153.020 ***1.*** If a ~~[trust,]~~ life estate or estate for years is created by or under any will to continue after distribution ~~[,]~~ ***of the estate,*** the court does not lose jurisdiction of the estate ***, life estate or estate for years*** by final distribution ~~[,]~~ ***of the estate,*** but retains jurisdiction of it until the distribution of the residue ***of the life estate or estate for years*** to those entitled to it ~~[. The court does not retain jurisdiction over a testamentary trust created by or under a will after distribution of that portion of the estate to such a testamentary trust.***

2. Notwithstanding the provisions of subsection 1, before the entry of an order granting final distribution of the estate, the court may consider a petition filed by the trustee or any beneficiary of the testamentary trust requesting the court to retain jurisdiction of the testamentary trust and,

upon good cause shown, the court may order such continued jurisdiction. Such a petition must be filed with the clerk of the court before the hearing on the petition for final distribution of the estate and must be served on all interested persons in accordance with NRS 155.010.

3. This section must not be construed to limit the ability of an interested person to subsequently seek submission of a testamentary trust to the jurisdiction of the court pursuant to NRS 164.010.

Sec. 30. NRS 153.031 is hereby amended to read as follows:

153.031 1. A trustee or beneficiary may petition the court regarding any aspect of the affairs of the trust, including:

(a) Determining the existence of the trust;

(b) Determining the construction of the trust instrument;

(c) Determining the existence of an immunity, power, privilege, right or duty;

(d) Determining the validity of a provision of the trust;

(e) Ascertaining beneficiaries and determining to whom property is to pass or be delivered upon final or partial termination of the trust, to the extent not provided in the trust instrument;

(f) Settling the accounts and reviewing the acts of the trustee, including the exercise of discretionary powers;

(g) Instructing the trustee;

(h) ~~[~~Compelling~~]~~ ***Subject to the requirements of chapter 165 of NRS, compelling*** the trustee to report information about the trust or account, to the beneficiary;

(k) Appointing or removing a trustee;

(l) Accepting the resignation of a trustee;

(m) Compelling redress of a breach of the trust;

(n) Approving or directing the modification or termination of the trust;

(p) Amending or conforming the trust instrument in the manner required to qualify the estate of a decedent for the charitable estate tax deduction under federal law, including the addition of mandatory requirements for a charitable-remainder trust;

(q) Compelling compliance with the terms of the trust or other applicable law; and

(r) Permitting the division or allocation of the aggregate value of community property assets in a manner other than on a pro rata basis.

2. A petition under this section must state the grounds of the petition and the name and address of each interested person, including the Attorney General if the petition relates to a charitable trust, and the relief sought by the petition. Except as otherwise provided in this chapter, the clerk shall set the petition for hearing and the petitioner shall give notice for the period and in

the manner provided in NRS 155.010. The court may order such further notice to be given as may be proper.

3. If the court grants any relief to the petitioner, the court may, in its discretion, order any or all of the following additional relief if the court determines that such additional relief is appropriate to redress or avoid an injustice:

(a) Order a reduction in the trustee's compensation.

(b) Order the trustee to pay to the petitioner or any other party all reasonable costs incurred by the party to adjudicate the affairs of the trust pursuant to this section, including, without limitation, reasonable attorney's fees. The trustee may not be held personally liable for the payment of such costs unless the court determines that the trustee was negligent in the performance of or breached his or her fiduciary duties.

Sec. 31. NRS 153.041 is hereby amended to read as follows:

153.041 The trustee ~~[may, upon petition of a beneficiary or the guardian of a beneficiary, be ordered to appear at a hearing and render an account. The trustee must be served with a citation]~~ ***of a testamentary trust shall account in accordance with the provisions of chapter 165 of NRS. Sec. 32. NRS 153.070 is hereby amended to read as follows:

153.070 ~~[On the settlement of each account]~~ ***The expenses and compensation*** of a trustee ~~[,]~~ ***of a testamentary trust must initially be governed by the terms of the will which created the testamentary trust or as otherwise ordered by the court at the time the testamentary trust is established. Sec. 33. NRS 153.090 is hereby amended to read as follows:

153.090 1. A person named or designated as a trustee ***of a testamentary trust*** in a will may, at any time before distribution of any of the estate to the person, decline to act as trustee, and an order of court must be entered accepting the resignation, but the declination of any person who has qualified as trustee may not be accepted by the court unless ***the testamentary trust is subject to ongoing court jurisdiction pursuant to NRS 153.020 and*** a petition to accept the declination is filed in the proceeding for administration of the ~~[~~estate.~~]~~ ***testamentary trust.*** Upon the filing of the petition, the clerk shall set it for hearing and the petitioner shall give notice to all interested persons for the period and in the manner provided in NRS 155.010.

2. ***A person named or designated as a trustee of a testamentary trust in a will that is no longer subject to ongoing court jurisdiction may resign as trustee in accordance with the terms of the testamentary trust or will which created the testamentary trust or, if the testamentary trust or will is silent on the matter, may seek court approval of such resignation in conjunction with a petition under NRS 164.010 or 164.030.***

3. In accepting a declination ~~[~~,~~]~~ ***or resignation,*** the court may enter and enforce any order which may be necessary for the preservation of the estate.

Sec. 34. Chapter 155 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any provision in this title, if an act is authorized or required to be performed at or within a specified period pursuant to this chapter:

1. The period may be extended upon the agreement of all interested persons, by written stipulation of counsel filed in the action; or

2. The court, for good cause shown, may at any time:

(a) Regardless of whether there has been a motion, petition or notice, order that the period be extended if a request for the extension is made before the expiration of the specified period as originally prescribed or as extended by a previous order; or

(b) Upon a motion made after the expiration of the specified period, authorize a person to perform the act if the failure to perform the act in a timely manner was the result of excusable neglect.

Sec. 35. NRS 155.050 is hereby amended to read as follows:

155.050 ***1.*** The citation described in NRS 155.040 ~~[~~is to~~]~~ ***must*** be served ~~[~~in the same manner as the personal~~]~~ ***by:***

Sec. 36. NRS 162.280 is hereby amended to read as follows:

162.280 At the time for distribution of any property of an estate or trust, the fiduciary may withhold any part or all of the property from the beneficiaries if the fiduciary determines that the property may be subject to ***claims of offset held by the fiduciary in his or her fiduciary capacity,*** conflicting claims, tax deficiencies or other liabilities, contingent or otherwise, relating to the estate or trust.

Sec. 37. NRS 162.300 is hereby amended to read as follows:

162.300 1. A fiduciary may ***establish a trust or*** form a corporation, limited-liability company or other entity, and transfer, assign and convey to the ***trust,*** corporation, limited-liability company or entity all or any part of an estate or of any trust property in exchange for the stock, securities or obligations of the ***trust,*** corporation, limited-liability company or entity, and continue to hold the stock and securities and obligations.

2. A ***trust established or a*** corporation, limited-liability company or other entity incorporated, organized or registered under the laws of this State that acts as a fiduciary or trustee of an estate or trust administered under the laws of this State may be owned or controlled by the trust if the trust instrument authorizes the trust to own an affiliate.

3. As used in this section, "affiliate" has the meaning ascribed to it in NRS 163.020.

Sec. 38. Chapter 163 of NRS is hereby amended by adding thereto the provisions set forth as sections 39 and 40 of this act.

Sec. 39. ***Except as otherwise provided in NRS 163.0075 or another provision of law:***

1. A trust may be created for a noncharitable purpose without a definite ascertainable beneficiary or for a noncharitable but otherwise valid purpose. The noncharitable purpose for which a trust is created must be stated with sufficient particularity in the trust instrument as to be ascertainable by a finder of fact.

2. A trust authorized by this section may be enforced by a trustee, trust adviser, trust protector or person appointed under the terms of the trust or, if no such person is appointed, by the court.

3. Except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use, property of a trust authorized by this section may be applied only to its intended use, including, without limitation, appointing trust property to or for the benefit of an existing or new trust whose purposes are limited to one or more purposes of the original trust. Except as otherwise provided by the terms of the trust, property not required for the intended use must be distributed to the settlor, if living, or otherwise to the settlor's successors in interest.

4. As used in this section:

(a) "Trust adviser" has the meaning ascribed to it in NRS 163.5545.

(b) "Trust protector" has the meaning ascribed to it in NRS 163.5547.

(c) "Valid purpose" means any purpose that is not illegal or against public policy.

Sec. 40. ***Unless otherwise ordered or provided for in a property or separation agreement approved by the court in a proceeding for a divorce or annulment, the divorce, annulment of the marriage or termination of the domestic partnership of the descendant of a settlor revokes:***

1. 2. The appointment of the spouse or domestic partner of the descendant as a trust protector, trust adviser or consultant.

Sec. 41. NRS 163.00195 is hereby amended to read as follows:

163.00195 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a trust must be enforced by the court ~~[.]~~ ***because public policy favors enforcing the intent of the settlor. However, because public policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the trust.***

2. A no-contest clause must be construed to carry out the settlor's intent ~~[. Except]~~ to the extent ~~[the no-contest clause in the trust is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the settlor's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a beneficiary's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the settlor in the trust. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the trust itself, including, without limitation:

(1) The commencement of civil litigation against the settlor's probate estate or family members;

(2) Interference with the administration of another trust or a business entity;

(3) Efforts to frustrate the intent of the settlor's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the settlor.

3. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the beneficiary ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the trust, any document referenced in or affected by the trust, or any other trust-related instrument;

(b) Enforce the beneficiary's legal rights related to the trust, any document referenced in or affected by the trust, or any trust-related instrument; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the trust or the*** construction or legal effect of the trust, ***the provisions thereof or*** any document referenced in or affected by the trust, or any other trust-related instrument ~~[.]~~ ***; or***

(d) Enforce the fiduciary duties of the trustee.

4. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust, any document referenced in or affected by the trust, or any other trust-related instrument if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the trust, any document referenced in or affected by the trust, or other trust-related instrument is invalid.

5. ***Unless the trust expressly provides otherwise, a no-contest clause must not be applied to a settlor who is also a beneficiary of the trust.***

6. As used in this section:

(a) "No-contest clause" means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor's intent as expressed in the trust or in a trust-related instrument.

(b) "Trust" means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.

(c) "Trust-related instrument" means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

Sec. 42. NRS 163.002 is hereby amended to read as follows:

163.002 ***1.*** Except as otherwise provided by specific statute, a trust may be created by any of the following methods:

~~[1.]~~ ***(a)*** A declaration by the owner of property that he or she ***or another person*** holds the property as trustee. In the absence of a contrary declaration by the owner of the property or of a transfer of the property to a third party and regardless of formal title to the property:

~~[(b)]~~ ***(2)*** If the property declared to be trust property includes an account, contract, certificate, note, judgment, business interest, contents of a safe deposit box or other property interest that is subject to additions or contributions, all subsequent additions and contributions to the property are also trust property.

~~[3.]~~ ***(c)*** A testamentary transfer of property by the owner to another person as trustee.

~~[4.]~~ ***(d)*** An exercise of a power of appointment in trust.

~~[5.]~~ ***(e)*** An enforceable promise to create a trust.

2. A declaration pursuant to paragraph (a) of subsection 1 may include a schedule or list of trust assets that is signed by the owner of the property or that is incorporated by reference into a document that is signed by the owner of the property.

Sec. 43. NRS 163.006 is hereby amended to read as follows:

163.006 A trust is created only if there is a beneficiary. This requirement is satisfied if the trust instrument provides for:

1. A beneficiary or class of beneficiaries that is ascertainable with reasonable certainty or that is sufficiently described so that it can be determined whether a person meets the description or is within the class;

2. A grant of power to the trustee or some other person to select the beneficiary based on a standard or in the discretion of the trustee or other person;

3. A charitable trust as defined in NRS 163.460;

4. A trust for the care of one or more animals created pursuant to NRS 163.0075; ~~[or]~~

5. A public benefit trust as defined in NRS 163.551 ~~[.]~~ ***; or***

6. A noncharitable trust without an ascertainable beneficiary pursuant to section 39 of this act.

Sec. 44. NRS 163.008 is hereby amended to read as follows:

163.008 1. A trust created in relation to real property is not valid unless it is created by operation of law or is evidenced by:

(a) A written instrument signed by the trustee, or by the agent of the trustee if the agent is authorized in writing to do so; or

(b) A written instrument, including, without limitation, an electronic trust, conveying the trust property and signed by the settlor, or by the agent of the settlor if the agent is authorized in writing to do so.

2. Such a trust may be recorded in the office of the county recorder in the county where all or a portion of the real property is located.

3. This section must not be construed to require a declaration by an owner of property pursuant to NRS 163.002 that specifically identified real property is held in trust to be in writing. As used in this subsection, "specifically identified real property" includes property that is identified by legal description, street address or the applicable assessor's parcel number.

Sec. 45. NRS 163.027 is hereby amended to read as follows:

163.027 1. Except as otherwise provided in subsection 2 or in the trust, a trustee may distribute property and money:

(a) In divided or undivided interests; and

(b) With or without proration.

2. Each affected beneficiary must consent before property or money is distributed without proration ~~[,]~~ unless the trust specifically authorizes the trustee to make that distribution ~~[.]~~ ***or the distribution is otherwise authorized by law.***

Sec. 46. NRS 163.115 is hereby amended to read as follows:

163.115 1. If a trustee commits or threatens to commit a breach of trust, a beneficiary or cotrustee of the trust may maintain a proceeding for any of the following purposes that is appropriate:

(a) To compel the trustee to perform his or her duties.

(b) To enjoin the trustee from committing the breach of trust.

(c) To compel the trustee to redress the breach of trust by payment of money or otherwise.

(d) To appoint a receiver or temporary trustee to take possession of the trust property and administer the trust.

(e) To remove the trustee.

(f) To set aside acts of the trustee.

(g) To reduce or deny compensation of the trustee.

(h) To impose an equitable lien or a constructive trust on trust property.

(i) To trace trust property that has been wrongfully disposed of and recover the property or its proceeds.

2. ***On petition or ex parte application of a beneficiary or trustee, the court by temporary order, with or without bond, may restrain a trustee from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office. Notwithstanding any other provision of law governing temporary injunctions, if it appears to the court that the trustee otherwise may take some action that would jeopardize unreasonably the interest of the petitioner, another beneficiary or the trust, the court may enter the temporary order. A person with whom the trustee may transact business may be made a party to the temporary order.***

3. Any temporary order entered pursuant to subsection 2 must be set for hearing within 10 days after entry of the temporary order, unless the parties otherwise agree, or on a date the court otherwise determines is in the best interests of the trust. Notice of entry of the temporary order must be given by the petitioner to the trustee and the attorney of record of the trustee, if any, to any other party named as a party in the temporary order and as otherwise directed by the court.

4. The provision of remedies in ~~[subsection 1]~~ ***this section*** does not preclude resort to any other appropriate remedy provided by statute or common law.

~~[3.]~~ ***5.*** A proceeding under this section must be commenced by filing ***or bringing in conjunction with the filing of*** a petition under NRS 164.010 and 164.015.

Sec. 47. NRS 163.130 is hereby amended to read as follows:

163.130 1. A trustee who has incurred personal liability for a tort committed in the administration of the trust is entitled to exoneration therefor from the trust property if the trustee has not discharged the claim, or to be reimbursed therefor out of trust funds if the trustee has paid the claim, if:

(a) The tort was a common incident of the kind of business activity in which the trustee was properly engaged for the trust; ~~[or]~~

(b) Although the tort was not a common incident of such activity, neither the trustee nor any officer or employee of the trustee was guilty of personal fault in incurring the liability ~~[.]~~ ***; or***

(c) The trust instrument authorizes the exoneration or reimbursement of a trustee and the actions of the trustee did not constitute willful misconduct or gross negligence.

2. If a trustee commits a tort which increases the value of the trust property, the trustee shall be entitled to exoneration or reimbursement with respect thereto to the extent of such increase in value, even though the trustee would not otherwise be entitled to exoneration or reimbursement.

3. Nothing in this section shall be construed to change the existing law with regard to the liability of trustees of charitable trusts for torts of themselves or their employees.

Sec. 48. NRS 163.4185 is hereby amended to read as follows:

163.4185 1. A distribution interest may be classified as:

(a) A mandatory interest if the trustee has no discretion to determine whether a distribution should be made, when a distribution should be made or the amount of the distribution.

(b) A support interest if the ~~[distribution of a support interest contains a standard for distribution for the support of a person which may be interpreted by the trustee or a court, as necessary. A provision in a trust which provides a support interest may contain mandatory language which a]~~ trustee ~~[must follow.]~~ ***is required to make distributions to the beneficiary pursuant to an ascertainable standard.***

(c) A discretionary interest if the trustee has discretion to determine whether a distribution should be made, when a distribution should be made and the amount of the distribution.

2. If a trust contains a combination of a mandatory interest, a support interest or a discretionary interest, the trust must be separated as:

(b) A support interest only to the extent of the support language provided in the trust; and

(c) A discretionary interest for any remaining trust property.

3. If a trust provides for a support interest that also includes mandatory language but the mandatory language is qualified by discretionary language, the support interest must be classified and separated as a discretionary interest.

4. As used in this section, "ascertainable standard" means a standard relating to a person's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

Sec. 49. NRS 163.556 is hereby amended to read as follows:

163.556 1. Except as otherwise provided in this section, unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust as provided in this section.

2. The second trust to which a trustee appoints property of the first trust may only have as beneficiaries one or more of the beneficiaries of the original trust:

(a) To or for whom a distribution of income or principal may be made from the original trust;

(b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the first trust; or

(c) Both paragraphs (a) and (b).

➥ For purposes of this subsection, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

3. A trustee may not appoint property of the original trust to a second trust if:

(a) Appointing the property will reduce any income interest of any income beneficiary of the original trust if the original trust is:

(1) A trust for which a marital deduction has been taken for federal or state income, gift or estate tax purposes;

(2) A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or

(3) A grantor-retained annuity trust or unitrust under ~~[~~27~~]~~ ***26*** C.F.R. § 25.2702-3(b) and (c).

➥ As used in this paragraph, "unitrust" has the meaning ascribed to it in NRS 164.700.

(b) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the

time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust's power of withdrawal is unchanged with respect to the trust property.

(c) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

(d) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the property held for the benefit of the same beneficiaries under only the original trust, unless:

(1) The benefit provided is limited to a specific amount or periodic payments of a specific amount; and

(2) The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.

(e) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the beneficiary's remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

4. A trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself or herself;

(2) The trustee's discretion to make distributions to himself or herself is limited by an ascertainable standard, and under the terms of the second trust, the trustee's discretion to make distributions to himself or herself is not limited by the same ascertainable standard; or

(3) The trustee's discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee's discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee's legal support obligations but under the second trust the trustee's discretion is not limited.

5. Notwithstanding the provisions of subsection 1, a trustee who may be removed by the beneficiary or beneficiaries of the original trust and replaced with a trustee that is related to or subordinate, as described in section 672 of the Internal Revenue Code, 26 U.S.C. § 672(c), to a beneficiary, may not

exercise the authority to appoint property of the original trust to a second trust to the extent that the exercise of the authority by such trustee would have the effect of increasing the distributions that can be made from the second trust to such beneficiary or group of beneficiaries that held the power to remove the trustee of the original trust and replace such trustee with a related or subordinate person, unless the distributions that may be made from the second trust to such beneficiary or group of beneficiaries described in paragraph (a) of subsection 4 are limited by an ascertainable standard.

6. The provisions of subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:

(a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are beneficiaries of the original trust.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

13. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

14. A trustee's power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

15. A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

16. The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also exercise the powers granted pursuant to this section with respect to the second trust.

17. ~~[For the purposes of this section, "second trust" means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the second original trust. The second trust may be a trust created under the same trust instrument as the original trust or under a different trust instrument.~~

~~18. As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.~~

~~19.]~~ This section applies to a trust that is governed by, situsted in or administered under the laws of this State, whether the trust is initially governed by, situsted in or administered under the laws of this State pursuant to the terms of the trust instrument or whether the governing law, situs or administration of the trust is moved to this State from another state or foreign jurisdiction.

18. The power to appoint to a second trust pursuant to this section may be exercised to appoint to a second trust that is a special needs trust, pooled trust or third-party trust.

19. As used in this section:

(a) "Ascertainable standard" means a standard relating to a person's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

(b) "Pooled trust" means a trust described in 42 U.S.C. § 1396p(d)(4)(C) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(c) "Second trust" means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the second original trust. The second trust may be a trust created under the same trust instrument as the original trust or under a different trust instrument.

(d) "Special needs trust" means a trust under 42 U.S.C. § 1396p(d)(4)(A) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(e) "Third-party trust" means a trust that is:

(1) Established by a third party with the assets of the third party to provide for the supplemental needs of a person who is eligible for needs-based public assistance at or after the time of the creation of the trust; and

(2) Exempt from the provisions of any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid.

Assembly Bill No. 319.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 343.

AN ACT relating to guardianships; revising provisions governing the guardianship of minors; authorizing the appointment of **a guardian ad litem or** an advocate for the best interests of a proposed protected minor in guardianship proceedings; revising the required contents of a citation in guardianship proceedings for a protected minor; revising the procedures for requesting the appointment of a temporary guardian for certain minors; requiring the assignment of child support payments to a guardian for the support of a protected minor; authorizing the award of visitation rights between a protected minor and certain relatives; revising the factors for consideration in guardianship determinations regarding a protected minor; revising provisions for changing the residence of a protected minor to a location outside of this State; revising provisions governing obligations due to or for a protected minor; establishing certain requirements for the filing of a verified account upon the emancipation of a protected minor; providing for the extension or establishment of a guardianship of a minor after the age of majority; establishing certain required showings for certain terminations of

guardianships; making various other changes pertaining to guardianships; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth the procedures for the appointment of a guardian for a ward, the powers and duties of a guardian and the termination of a guardianship. (Chapter 159 of NRS) **Sections 2-157** of this bill create a new chapter applicable exclusively to guardianships of minors, incorporating, revising and supplementing those provisions from existing law as they currently relate to minors.

Section 27 : (1) authorizes the court to appoint **a guardian ad litem or** an advocate for the best interests of a proposed protected minor ~~[and]~~ **; (2)** sets forth the role of the **guardian ad litem or** advocate as an officer of the court ~~[.]~~ **; and (3) sets forth provisions governing the compensation of a guardian ad litem or advocate.**

Existing law requires a citation issued pursuant to a petition for the appointment of a guardian to include certain specified information concerning the rights of a proposed ward. (NRS 159.048) **Section 31** adds the requirement that a citation also include notice that: (1) the rights of any person having legal or physical custody of a proposed protected minor may be affected as specified in the petition; and (2) at any time in the proceedings, the court may appoint for the proposed protected minor an attorney, a guardian ad litem and an advocate for the best interests of the proposed protected minor.

Existing law provides that a petitioner may request the appointment of a temporary guardian for a ward who is a minor and who is unable to respond to a substantial and immediate risk of physical harm or to a need for immediate medical attention. (NRS 159.052) **Section 36** of this bill revises the procedure by which a petitioner may request the appointment of a temporary guardian for a minor who is in need of immediate medical attention by eliminating the requirement that the petition be supported by a letter signed by a governmental agency in this State which conducts investigations or a police report indicating whether the proposed ward presents a danger to himself or herself or others, or whether the proposed ward is or has been subjected to abuse, neglect or exploitation.

Section 37 of this bill establishes a procedure by which a petitioner may, by verified petition, request the appointment of a temporary guardian for the person of a proposed protected minor, for his or her estate or for both, in circumstances other than when the minor is in need of immediate medical attention. **Section 37** requires the petition to state facts establishing good cause for the appointment of a temporary guardian and which show that: (1) the petitioner has tried in good faith to give notice of the petition as required by statute; (2) the minor would be at risk of immediate physical, emotional or financial harm if such notice were to be provided before the court determines whether to appoint a temporary guardian; or (3) giving such notice is not feasible under the circumstances. **Section 37** eliminates a requirement that

the court limit the powers of a temporary guardian for a protected minor to those necessary to respond to the risk which threatens the minor. **Section 37** requires, in the case of an ex parte application, the petition be accompanied by an affidavit which explains the emergency. **Section 37** also provides that, if no parent of a proposed protected minor has had the care, custody and control of the minor for the 6 months immediately preceding the petition, temporary guardianship is presumed to be in the minor's best interest. Finally, **section 37** provides that the court may extend a temporary guardianship beyond an initial period of 10 days for not more than two successive 60-day periods unless extraordinary circumstances necessitate a longer duration for the temporary guardianship.

Section 41 requires the assignment of payments of court-ordered child support to the guardian for the support of a protected minor.

Section 42 authorizes the award of rights of visitation between a protected minor and his or her parents or relatives who are within the fourth degree of consanguinity.

Existing law states that the parents of a minor, if qualified and suitable, are preferred over all others for appointment as guardian for the minor and sets forth certain factors for consideration by the court in determining the qualifications and suitability of any person who is proposed for appointment as guardian. (NRS 159.061) **Section 46** revises these provisions by establishing a presumption that a parent who petitioned for guardianship of a minor is suitable to serve as guardian, except when a countering presumption that a parent is unsuitable to care for the proposed protected minor is created by a showing that: (1) the parent is unable to provide for the basic needs of the minor; (2) the parent poses a significant risk of physical or emotional danger to the minor; or (3) the minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. **Section 46** also adds to the factors for consideration by the court the question of whether the parent or another person has engaged in domestic violence against the proposed protected minor, a parent of the minor or any other person who resides with the minor. **Section 46** provides that, in the event of competing petitions, any finding of unsuitability of a parent must be supported by clear and convincing evidence after a hearing on the merits or an evidentiary hearing. **Section 46** authorizes the court to award temporary guardianship, supported by findings of suitability, pending a trial or evidentiary hearing. Finally, **section 46** requires the court to always act in the best interests of the proposed protected minor.

Existing law: (1) requires a guardian to petition the court to change the residence of a ward to a location outside of this State; and (2) authorizes a guardian to move or place the ward in a secured residential long-term care facility without filing a petition if the court has previously granted the guardian such authority or the move or placement is pursuant to a written recommendation by a licensed physician, a physician employed by the Department of Veterans Affairs, a licensed social worker or an employee of a

county or state office for protective services. (NRS 159.079) **Section 61** requires a guardian to file a petition for guardianship of a protected minor in the state of the minor's new residence not later than 6 months after changing the residence of the minor to a location outside of this State. **Section 61** also requires a guardian to file a petition with the court for authorization to move a protected minor to a secured residential long-term facility in all circumstances.

Section 73 revises provisions governing obligations due to or for a protected minor to provide for the payment of child support to a guardian for the support of the minor and to require a guardian to give notice to the court of the entry of an order for the payment of support for the minor or the approval of any public assistance for the minor.

Section 108 sets forth circumstances under which a guardian may sell, dispose of or authorize the immediate destruction of personal property of a protected minor without notice.

Section 110 provides that a guardian may sell the personal property of a protected minor only after notice of intent to sell is provided to the protected minor and all interested parties by personal delivery or by certified mail.

Section 128 requires a guardian of the estate of a minor to make and file a verified account within 90 days after the emancipation of the minor, unless the court authorizes a longer period.

Existing law sets forth circumstances under which the guardianship of the person or the estate of a ward is terminated. (NRS 159.191) **Section 144** ~~[adds a requirement]~~ **provides** that a hearing **may** be held not later than 90 days before the protected minor reaches the age of majority to determine whether guardianship is needed or requested beyond the age of majority and whether the guardian should be notified of any requirements of the guardianship which require compliance. **Section 144** also provides for the filing of a petition for guardianship pursuant to existing law governing guardianships for adults if the court determines that, upon reaching the age of majority, a protected minor would be deemed an incompetent adult.

Section 145 sets forth certain showings that a parent of a protected minor must make to terminate the guardianship of the minor.

Sections 158-192 of this bill revise the provisions of existing law in chapter 159 of NRS governing guardianships of adults to apply exclusively to guardianships of adults.

Such documentation must include, without limitation, a copy of the birth certificate of the proposed protected minor or other documentation verifying the age of the proposed protected minor.

(b) Facts which show that:

(1) The petitioner has tried in good faith to notify the persons entitled to notice pursuant to section 29 of this act by telephone or in writing before the filing of the petition;

(3) Giving notice to the persons entitled to notice pursuant to section 29 of this act is not feasible under the circumstances.

2. The court may appoint a temporary guardian to serve for 10 days if the court:

3. Except as otherwise provided in subsection 4, after the appointment of a temporary guardian, the petitioner shall attempt in good faith to notify the persons entitled to notice pursuant to section 29 of this act, including, without limitation, notice of any hearing to extend the temporary guardianship. If the petitioner fails to make such an effort, the court may terminate the temporary guardianship.

4. If the petitioner fails to provide such notice, the court may terminate the temporary guardianship.

5. Not later than 10 days after the date of the appointment of a temporary guardian pursuant to subsection 2, the court shall hold a hearing to determine the need to extend the temporary guardianship. Except as otherwise provided in subsection 7, if the court finds by clear and convincing evidence that the protected minor continues to be in need of immediate medical attention which he or she cannot obtain without the extension of the temporary guardianship, the court may, pursuant to subsection 8, extend the temporary guardianship until a general guardian is appointed.

6. If the court appoints a temporary guardian or extends a temporary guardianship pursuant to this section, the court shall limit the powers of

the temporary guardian to those necessary to respond to the need for immediate medical attention.

7. The court may not extend a temporary guardianship pursuant to subsection 5 beyond the initial period of 10 days unless the petitioner demonstrates that:

(a) The provisions of section 30 of this act have been satisfied; or

(b) Notice by publication pursuant to N.R.C.P. 4(e) is currently being undertaken.

8. The court may extend the temporary guardianship, for good cause shown, for not more than two successive 60-day periods.

Sec. 37. *1. A petitioner may request that the court appoint a temporary guardian for the person or the estate, or both, of a proposed protected minor by filing a verified petition.*

2. The petition must state facts which establish good cause for the appointment of a temporary guardian and which show that:

(a) The petitioner has tried in good faith to notify the persons entitled to notice pursuant to section 29 of this act by telephone or in writing before the filing of the petition;

(b) The proposed protected minor would be exposed to an immediate risk of physical, emotional or financial harm if the petitioner were to provide notice to the persons entitled to notice pursuant to section 29 of this act before the court determines whether to appoint a temporary guardian; or

(c) Giving notice to the persons entitled to notice pursuant to section 29 of this act is not feasible under the circumstances.

3. A petition which seeks an ex parte appointment of a temporary guardian must be accompanied by an affidavit which explains the emergency that requires a temporary guardian to be appointed before a hearing.

4. If no parent of the proposed protected minor has had the care, custody and control of the minor for the 6 months immediately preceding the petition, temporary guardianship of the person of the minor is presumed to be in the best interest of the minor.

5. The court may, upon that petition or other showing as it may require, appoint a temporary guardian of the person or the estate, or both, of the proposed protected minor.

6. Except as otherwise provided in subsection 7, after the appointment of a temporary guardian, the petitioner shall attempt in good faith to notify the persons entitled to notice pursuant to section 29 of this act, including, without limitation, notice of any hearing to extend the temporary guardianship. If the petitioner fails to make such an effort, the court may terminate the temporary guardianship.

7. If, before the appointment of a temporary guardian, the court was satisfied that giving notice to the persons entitled to notice pursuant to section 29 of this act was not feasible under the circumstances or determined that such notice was not required pursuant to paragraph (b) or

(c) of subsection 2, the petitioner shall notify the persons entitled to notice pursuant to section 29 of this act without undue delay, but not later than 48 hours after the appointment of the temporary guardian or not later than 48 hours after the petitioner discovers the existence, identity and location of the persons entitled to notice pursuant to that section. If the petitioner fails to provide such notice, the court may terminate the temporary guardianship.

8. Not later than 10 days after the date of an ex parte appointment of a temporary guardian pursuant to subsection 5, the court shall hold a hearing to determine the need to extend the temporary guardianship. Except as otherwise provided in subsection 9, if the court finds by clear and convincing evidence that the protected minor continues to be in need of a temporary guardian, the court may, pursuant to subsection 10, extend the temporary guardianship until a general guardian is appointed.

9. The court may not extend a temporary guardianship pursuant to subsection 8 beyond the initial period of 10 days unless the petitioner demonstrates that:

(a) The provisions of section 30 of this act have been satisfied; or

(b) Notice by publication pursuant to N.R.C.P. 4(e) is currently being undertaken.

10. The court may extend the temporary guardianship, for good cause shown, for not more than two successive 60-day periods, unless extraordinary circumstances necessitate a longer duration for the temporary guardianship.

11. If for any reason a guardian who is appointed for a protected minor cannot perform the duties of a guardian, the court may, upon a petition filed to request temporary guardianship for the minor, appoint a temporary guardian to exercise the powers of a guardian until another guardian is appointed for the minor.

Sec. 38. ***1. A proposed protected minor who is found in this State must attend the hearing for the appointment of a guardian unless:***

(a) A certificate signed by a physician or psychiatrist who is licensed to practice in this State specifically states the condition of the proposed protected minor, the reasons why the proposed protected minor is unable to appear in court and whether the proposed protected minor's attendance at the hearing would be detrimental to the physical or mental health of the proposed protected minor; or

(b) A certificate signed by any other person the court finds qualified to execute a certificate states the condition of the proposed protected minor, the reasons why the proposed protected minor is unable to appear in court and whether the proposed protected minor's attendance at the hearing would be detrimental to the physical or mental health of the proposed protected minor.

2. A proposed protected minor found in this State who cannot attend the hearing for the appointment of a guardian as set forth in a certificate pursuant to subsection 1 may appear by videoconference.

3. The court may prescribe the form in which a certificate required by this section must be filed. If the certificate consists of separate parts, each part must be signed by the person who is required to sign the certificate.

4. If the proposed protected minor is not in this State, the proposed protected minor must attend the hearing only if the court determines that the attendance of the proposed protected minor is necessary in the interests of justice.

Sec. 39. *1. If the court finds the proposed protected minor not in need of a guardian, the court shall dismiss the petition.*

2. If the court finds that appointment of a guardian is required, the court shall appoint a guardian of the proposed protected minor's person, estate, or person and estate.

Sec. 40. *1. The petitioner has the burden of proving by clear and convincing evidence that the appointment of a guardian of the person, of the estate, or of the person and estate is necessary.*

2. If it appears to the court that the allegations of the petition are sufficient and that a guardian should be appointed for the proposed protected minor, the court shall enter an order appointing a guardian. The order must:

(a) Specify whether the guardian appointed is guardian of the person, of the estate, or of the person and estate;

(b) Specify whether the proposed protected minor is a resident or nonresident of this State;

(c) Specify the amount of the bond to be executed and filed by the guardian; ~~[and]~~

(b) Any other interested person.

Sec. 41. *If a court order is in effect for payment for the support of a proposed protected minor, upon entry of an order appointing a guardian for the minor, the court shall order the assignment of the payment to the guardian for the support of that minor.*

Sec. 42. *In an order appointing a guardian or in any order thereafter, the court may award rights of visitation between a protected minor and his*

or her parents or relatives who are within the fourth degree of consanguinity.

Sec. 43. ***1. Where the appointment of a guardian is sought for two or more proposed protected minors who are children of a common parent, ~~[parent and child or husband and wife,]~~ it is not necessary that separate petitions, bonds and other papers be filed with respect to each proposed protected minor or protected minors.***

2. If a guardian is appointed for such proposed protected minors, the guardian:

(a) Shall keep separate accounts of the estate of each protected minor;

(b) May make investments for each protected minor;

(c) May compromise and settle claims against one or more protected minors; and

(d) May sell, lease, mortgage or otherwise manage the property of one or more protected minors.

3. The guardianship may be terminated with respect to less than all the protected minors in the same manner as provided by law with respect to a guardianship of a single protected minor.

Sec. 44. ***As a condition of the appointment of a guardian, the court may require the guardian to complete any available training concerning guardianships that the court determines appropriate.***

Sec. 45. ***1. In order for a person to serve as a private professional guardian, the person must be:***

(b) Have a guardian who has a license issued pursuant to chapter 628B of NRS or a certified guardian who is not required to have such a license pursuant to subsection 3 involved in the day-to-day operation or management of the entity.

3. For a person or entity to serve as a private professional guardian, the person or entity is not required to have a license issued pursuant to chapter 628B of NRS if the person or entity is exempt from the requirement to have such a license pursuant to NRS 628B.110 and the person or entity:

(a) Is a banking corporation as defined in NRS 657.016;

(b) Is an organization permitted to act as a fiduciary pursuant to NRS 662.245;

(c) Is a trust company as defined in NRS 669.070;

Sec. 46. *1. The parents of a proposed protected minor, or either parent, if qualified and suitable, are preferred over all others for appointment as guardian for the person or estate or person and estate of the proposed protected minor. The appointment of a parent as guardian for the person or estate of a proposed protected minor must not conflict with a valid order for custody of the proposed protected minor.*

2. Except as otherwise provided in subsection 4, if a parent of a proposed protected minor files a petition seeking appointment as guardian for the proposed protected minor, the parent is presumed to be suitable to serve as guardian for the proposed protected minor.

3. In determining whether the parents of a proposed protected minor, or either parent, or any other person who seeks appointment as guardian for the proposed protected minor is qualified and suitable, the court shall consider, if applicable and without limitation:

(a) Which parent has physical custody of the proposed protected minor;

(b) The ability of the parents, parent or other person to provide for the basic needs of the proposed protected minor, including, without limitation, food, shelter, clothing and medical care, taking into consideration any special needs of the proposed protected minor;

(f) Whether the parents, parent or other person has engaged in one or more acts of domestic violence against the proposed protected minor, a parent of the proposed protected minor or any other person who resides with the proposed protected minor.

4. A parent of a proposed protected minor is presumed to be unsuitable to care for the proposed protected minor if:

(a) The parent is unable to provide for any or all of the basic needs of the proposed protected minor, including, without limitation:

(1) Food;

(2) Shelter;

(3) Clothing;

(4) Medical care; and

(5) Education;

(b) Because of action or inaction, the parent poses a significant safety risk of either physical or emotional danger to the proposed protected minor; or

(c) The proposed protected minor has not been in the care, custody and control of the parent for the 6 months immediately preceding the filing of the petition. The presumption created by this paragraph is a rebuttable presumption.

5. Subject to the preference set forth in subsection 1 and except as otherwise provided in subsection 7, the court shall appoint as guardian the qualified person who is most suitable and is willing to serve.

6. In determining which qualified person is most suitable, the court shall, in addition to considering any applicable factors set forth in subsections 2, 3 and 4, give consideration, among other factors, to:

(a) Any nomination of a guardian for the proposed protected minor contained in a will or other written instrument executed by a parent of the proposed protected minor.

(b) Any request made by the proposed protected minor, if he or she is 14 years of age or older, for the appointment of a person as guardian for the proposed protected minor.

(c) The relationship by blood or adoption of the proposed guardian to the proposed protected minor. In considering preferences of appointment, the court may consider relatives of the half blood equally with those of the whole blood. The court may consider relatives in the following order of preference:

(1) Parent.

(2) Adult sibling.

(3) Grandparent.

(4) Uncle or aunt.

(d) Any recommendation made by a master of the court or special master pursuant to section 47 of this act.

(e) Any recommendation made by:

(1) An agency which provides child welfare services, an agency which provides child protective services or a similar agency; or

(2) A guardian ad litem or court appointed special advocate who represents the proposed protected minor.

(f) Any request for the appointment of any other interested person that the court deems appropriate.

7. The court may award temporary guardianship pursuant to this section, supported by findings of suitability, pending a trial or evidentiary hearing if that appointment is supported by findings.

8. Notwithstanding the presumption set forth in subsection 4, in the event of competing petitions for the appointment of guardianship of a proposed protected minor, any finding of unsuitability of a parent of the proposed protected minor must be found by clear and convincing evidence after a hearing on the merits or an evidentiary hearing.

9. In determining whether to appoint a guardian of the person or estate of a proposed protected minor and who should be appointed, the court must always act in the best interests of the proposed protected minor.

10. As used in this section, "agency which provides child welfare services" has the meaning ascribed to it in NRS 432B.030.

Sec. 47. *1. If the court determines that a minor may be in need of a guardian, the court may order the appointment of a master of the court or a special master from among the members of the State Bar of Nevada to conduct a hearing to identify the person most qualified and suitable to serve as guardian for the proposed protected minor.*

2. Not later than 5 calendar days after the date of the hearing, the master of the court or special master shall prepare and submit to the court a recommendation regarding which person is most qualified and suitable to serve as guardian for the proposed protected minor.

Sec. 48. *If the court or a master of the court or special master appointed pursuant to section 47 of this act finds that a parent or other relative, teacher, friend or neighbor of a proposed protected minor or any other interested person:*

1. Has a personal interest in the well-being of the proposed protected minor; or

2. Possesses information that is relevant to the determination of who should serve as guardian for the proposed protected minor,

➥ the court or a master of the court or special master appointed pursuant to section 47 of this act may allow the person to testify at any hearing held pursuant to this chapter to determine the person most qualified and suitable to serve as guardian for the proposed protected minor.

Sec. 49. *A parent of a minor may by will nominate a guardian. The person nominated must file a petition and obtain an appointment from the court before exercising the powers of a guardian.*

Sec. 50. *1. Except as otherwise provided by law, every guardian shall, before entering upon his or her duties as guardian, execute and file in the guardianship proceeding a bond, with sufficient surety or sureties, in such amount as the court determines necessary for the protection of the protected minor and the estate of the protected minor, and conditioned upon the faithful discharge by the guardian of his or her authority and duties according to law. The bond must be approved by the clerk. Sureties must be jointly and severally liable with the guardian and with each other.*

2. If a banking corporation, as defined in NRS 657.016, doing business in this State, is appointed guardian of the estate of a protected minor, no bond is required of the guardian, unless specifically required by the court.

3. Joint guardians may unite in a bond to the protected minor or protected minors, or each may give a separate bond.

4. If there are no assets of the protected minor, no bond is required of the guardian.

5. If a person has been nominated to be guardian in a will, power of attorney or other written instrument that has been acknowledged before two disinterested witnesses or acknowledged before a notary public and the will, power of attorney or other written instrument provides that no bond is to be required of the guardian, the court may direct letters of guardianship to issue to the guardian after the guardian:

(a) Takes and subscribes the oath of office; and

(b) Files the appropriate documents which contain the full legal name and address of the guardian.

6. In lieu of executing and filing a bond, the guardian may request that access to certain assets be blocked. The court may grant the request and order letters of guardianship to issue to the guardian if sufficient evidence is filed with the court to establish that such assets are being held in a manner that prevents the guardian from accessing the assets without a specific court order.

Sec. 51. *1. The court may at any time, for good cause and after notice to the guardian, increase or decrease the amount of the bond required of a guardian.*

2. The court may at any time, if the bond or the sureties are determined to be insufficient or for other good cause, require a guardian to execute and file a new or additional bond. The court may exonerate the sureties on a former bond from any liabilities thereunder arising from the acts or omissions of their principal after such exoneration.

Sec. 52. *Every bond given by a guardian must be filed and preserved in the office of the clerk of the district court of the county in which the guardianship proceeding is conducted. In case of the breach of any condition of such bond, an action may be maintained in behalf of the protected minor or protected minors jointly if all are interested, or of any person interested in the estate, and such bond is not void on the first recovery. If the action on the bond is in behalf of one protected minor on a bond given to more than one protected minor, the other protected minors mentioned in the bond need not be united in or made parties to such action.*

Sec. 53. *No action may be maintained against the sureties on any bond given by a guardian unless it is commenced within 3 years after the time the guardian is discharged, unless at the time of such discharge the person entitled to bring the action is under any legal disability to sue, in which case the action may be brought at any time within 3 years after the disability is removed.*

Sec. 54. *1. Every guardian, before entering upon his or her duties as guardian and before letters of guardianship may issue, shall:*

(a) Take and subscribe the official oath which must:

(1) Be endorsed on the letters of guardianship; and

(2) State that the guardian will well and faithfully perform the duties of guardian according to law.

(b) File in the proceeding the appropriate documents which include, without limitation, the full legal name of the guardian and the residence and post office addresses of the guardian.

(c) Except as otherwise provided in subsection 2, make and file in the proceeding a verified acknowledgment of the duties and responsibilities of a guardian. The acknowledgment must set forth:

(1) A summary of the duties, functions and responsibilities of a guardian, including, without limitation, the duty to:

(I) Act in the best interest of the protected minor at all times.

(II) Provide the protected minor with medical, surgical, dental, psychiatric, psychological, hygienic or other care and treatment as needed, with adequate food and clothing and with safe and appropriate housing.

(III) Protect, preserve and manage the income, assets and estate of the protected minor and utilize the income, assets and estate of the protected minor solely for the benefit of the protected minor.

(IV) Maintain the assets of the protected minor in the name of the protected minor or the name of the guardianship. The assets of the protected minor must not be commingled with the assets of any third party.

(V) Notify the court, all interested parties, the trustee, and named executor or appointed personal representative of the estate of the protected minor of the death of the protected minor within 30 days after the death.

(2) A summary of the statutes, regulations, rules and standards governing the duties of a guardian.

(3) A list of actions regarding the protected minor that require the prior approval of the court.

(4) A statement of the need for accurate recordkeeping and the filing of annual reports with the court regarding the finances and well-being of the protected minor.

2. The court may exempt a public guardian or private professional guardian from filing an acknowledgment in each case and, in lieu thereof, require the public guardian or private professional guardian to file a general acknowledgment covering all guardianships to which the guardian may be appointed by the court.

Sec. 55. *1. A copy of the order appointing the guardian must be served personally or by mail upon the protected minor not later than 5 days after the date of the appointment of the guardian.*

2. The order must contain the names, addresses and telephone numbers of the guardian, the protected minor's attorney, if any, and the investigator.

3. A notice of entry of the order must be filed with the court.

Sec. 56. *When a guardian has taken the official oath and filed a bond as provided in this chapter, the court shall order letters of guardianship to issue to the guardian. Letters of guardianship may be in the following form:*

Sec. 57. *If, at the time of the appointment of the guardian or thereafter, the estate of a protected minor consists of personal property having a value not exceeding by more than $10,000 the aggregate amount of unpaid expenses of administration of the guardianship estate and claims against the estate, the guardian of the estate, with prior approval of the court by order, may pay those expenses and claims from the estate and deliver all the remaining personal property to such person as the court may designate in the order, to be held, invested or used as ordered by the court. The recipient of the property so delivered shall give a receipt therefor to the guardian. The receipt is a release and acquittance to the guardian as to the property so delivered. The guardian shall file in the proceeding proper receipts or other evidence satisfactory to the court showing the delivery, and the guardian is released from his or her trust and the bond of the guardian is exonerated.*

Sec. 58. *1. The court may grant a summary administration if, at any time, it appears to the court that after payment of all claims and expenses*

of the guardianship the value of the protected minor's property does not exceed $10,000.

2. If the court grants a summary administration, the court may:

(a) Authorize the guardian of the estate who is authorized to manage the protected minor's property to convert the property to cash and sell any of the property, with or without notice, as the court may direct. After the payment of all claims and the expenses of the guardianship, the guardian shall deposit the money in savings accounts or invest the money as provided in section 84 of this act, and hold the investment and all interest, issues, dividends and profits for the benefit of the protected minor. The court may dispense with annual accountings and all other proceedings required by this chapter.

(b) Terminate the guardianship of the estate and direct the guardian to deliver the protected minor's property to the custodial parent or parents, guardian or custodian of the protected minor to hold, invest or use as the court may order.

3. Whether the court grants a summary administration at the time the guardianship is established or at any other time, the guardian shall file an inventory and record of value with the court.

4. If, at any time, the net value of the estate of the protected minor exceeds $10,000:

(a) The guardian shall file an amended inventory and accounting with the court;

(b) The guardian shall file annual accountings; and

(c) The court may require the guardian to post a bond.

Sec. 59. *A guardian of the person and estate has the authority and shall perform the duties as provided by law for a guardian of the person and a guardian of the estate.*

Sec. 60. *1. Before taking any of the following actions, the guardian shall petition the court for an order authorizing the guardian to:*

(a) Except as otherwise provided in this paragraph, make or change the designation of a beneficiary in a will, trust, insurance policy, bank account or any other type of asset of the protected minor which includes the designation of a beneficiary. The guardian is not required to petition the court for an order authorizing the guardian to utilize an asset which has a designated beneficiary, including the closure or discontinuance of the asset, for the benefit of a protected minor if:

(1) The asset is the only liquid asset available with which to pay for the proper care, maintenance, education and support of the protected minor;

(2) The asset, or the aggregate amount of all the assets if there is more than one type of asset, has a value that does not exceed $5,000; or

(3) The asset is a bank account, investment fund or insurance policy and is required to be closed or discontinued in order for the protected minor to qualify for a federal program of public assistance.

(b) Create for the benefit of the protected minor or others a revocable or irrevocable trust of the property of the estate.

(c) Except as otherwise provided in this paragraph, exercise the right of the protected minor to revoke or modify a revocable trust or to surrender the right to revoke or modify a revocable trust. The court shall not authorize or require the guardian to exercise the right to revoke or modify a revocable trust if the instrument governing the trust:

(1) Evidences an intent of the protected minor to reserve the right of revocation or modification exclusively to the protected minor;

(2) Provides expressly that a guardian may not revoke or modify the trust; or

(3) Otherwise evidences an intent that would be inconsistent with authorizing or requiring the guardian to exercise the right to revoke or modify the trust.

2. Any other interested person may also petition the court for an order authorizing or directing the guardian to take any action described in subsection 1.

3. The court may authorize the guardian to take any action described in subsection 1 if, after notice to any person who is adversely affected by the proposed action and an opportunity for a hearing, the court finds by clear and convincing evidence that:

(a) A reasonably prudent person or the protected minor would take the proposed action and that a person has committed or is about to commit any act, practice or course of conduct which operates or would operate as a fraud or act of exploitation upon the protected minor or estate of the protected minor and that person:

(1) Is designated as a beneficiary in or otherwise stands to gain from an instrument which was executed by or on behalf of the protected minor; or

(2) Will benefit from the lack of such an instrument; or

(b) The proposed action is otherwise in the best interests of the protected minor for any other reason not listed in this section.

4. The petition must contain, to the extent known by the petitioner:

(a) The name, date of birth and current address of the protected minor;

(b) A concise statement as to the condition of the protected minor's estate; and

(c) A concise statement as to the necessity for the proposed action.

5. As used in this section:

(a) "Exploitation" means any act taken by a person who has the trust and confidence of a protected minor to:

(1) Obtain control, through deception, intimidation or undue influence, over the money, assets or property of the protected minor with the intention of permanently depriving the protected minor of the ownership, use, benefit or possession of the protected minor's money, assets or property.

(2) Convert money, assets or property of the protected minor with the intention of permanently depriving the protected minor of the ownership, use, benefit or possession of the protected minor's money, assets or property.

➥ *As used in this paragraph, "undue influence" does not include the normal influence that one member of a family has over another.*

(b) "Fraud" means an intentional misrepresentation, deception or concealment of a material fact known to the person with the intent to deprive the protected minor of the protected minor's rights or property or to otherwise injure the protected minor.

(c) "Interested person" has the meaning ascribed to it in NRS 132.185 and also includes a named beneficiary under a trust or other instrument if the validity of the trust or other instrument may be in question.

Sec. 61. *1. Except as otherwise ordered by the court, a guardian of the person has the care, custody and control of the person of the protected minor, and has the authority and, subject to subsection 2, shall perform the duties necessary for the proper care, maintenance, education and support of the protected minor, including, without limitation, the following:*

(a) Supplying the protected minor with food, clothing, shelter and all incidental necessaries, including locating an appropriate residence for the protected minor.

(b) Authorizing medical, surgical, dental, psychiatric, psychological, hygienic or other remedial care and treatment for the protected minor.

(c) Seeing that the protected minor is properly trained and educated and that the protected minor has the opportunity to learn a trade, occupation or profession.

2. In the performance of the duties enumerated in subsection 1 by a guardian of the person, due regard must be given to the extent of the estate of the protected minor. A guardian of the person may be required to incur expenses on behalf of the protected minor if the estate of the protected minor is insufficient to reimburse the guardian.

3. A guardian of the person is the protected minor's personal representative for purposes of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and any applicable regulations. The guardian of the person has authority to obtain information from any government agency, medical provider, business, creditor or third party who may have information pertaining to the protected minor's health care or health insurance.

4. Except as otherwise provided in subsection 6, a guardian of the person may establish and change the residence of the protected minor at any place within this State without the permission of the court. The guardian shall select the least restrictive appropriate residence which is available and necessary to meet the needs of the protected minor and which is financially feasible.

5. Except as otherwise provided in subsection 6, a guardian of the person shall petition the court for an order authorizing the guardian to change the residence of the protected minor to a location outside of this State. The guardian must show that changing the residence of the protected minor to a location outside of this State is in the best interest of the protected minor or that there is no appropriate residence available for the protected minor in this State. The court shall retain jurisdiction over the guardianship unless the guardian files for termination of the guardianship pursuant to section 143 or 144 of this act or the jurisdiction of the guardianship is transferred to the other state. Not later than 6 months after changing the residence of a protected minor to a location outside of this State, the guardian shall file a petition for guardianship in the state of the protected minor's residence.

6. A guardian of the person must file a petition with the court requesting authorization to move a protected minor to or place a protected minor in a secured residential long-term care facility.

7. This section does not relieve a parent or other person of any duty required by law to provide for the care, support and maintenance of any dependent.

Sec. 62. ***1. Except as otherwise provided in subsection 2, a guardian shall not consent to:***

(a) The experimental medical, biomedical or behavioral treatment of a protected minor;

(b) The sterilization of a protected minor; or

(c) The participation of a protected minor in any biomedical or behavioral experiment.

2. The guardian may consent to and commence any treatment or experiment described in subsection 1 if the guardian applies to and obtains from the court authority to consent to and commence the treatment or experiment.

3. The court may authorize the guardian to consent to and commence any treatment or experiment described in subsection 1 only if the treatment or experiment:

(a) Is of direct benefit to, and intended to preserve the life of or prevent serious impairment to the mental or physical health of, the protected minor; or

(b) Is intended to assist the protected minor to develop or regain the protected minor's abilities.

Sec. 63. ***1. A guardian of the person shall make and file in the guardianship proceeding for review of the court a written report on the condition of the protected minor and the exercise of authority and performance of duties by the guardian:***

(b) Except as otherwise provided in this paragraph, must not occur sooner than 14 days after the date of the first publication or posting of the notice. For good cause shown, the court may shorten the time in which the sale may occur to not sooner than 8 days after the date of the first publication or posting of the notice. If the court so orders, the notice of the sale and the sale may be made to correspond with the court order.

(c) Must occur not later than 1 year after the date stated in the notice.

2. The offers made in a private sale:

(a) Must be in writing; and

(b) May be delivered to the place designated in the notice or to the guardian at any time:

(1) After the date of the first publication or posting of the notice; and

(2) Before the date on which the sale is to occur.

Sec. 101. *1. Except as otherwise provided in subsection 2, the court shall not confirm a sale of real property of a guardianship estate at a private sale unless:*

(a) The court is satisfied that the amount offered represents the fair market value of the property to be sold; and

(b) Except for a sale of real property pursuant to section 86 of this act, the real property has been appraised within 1 year before the date of the sale. If the real property has not been appraised within this period, a new appraisal must be conducted pursuant to sections 66 and 67 of this act at any time before the sale or confirmation by the court of the sale.

2. The court may waive the requirement of an appraisal and allow the guardian to rely on the assessed value of the real property for purposes of taxation in obtaining confirmation by the court of the sale.

Sec. 102. *1. At the hearing to confirm the sale of real property, the court shall:*

(a) Consider whether the sale is necessary or in the best interest of the estate of the protected minor; and

(b) Examine the return on the investment and the evidence submitted in relation to the sale.

2. The court shall confirm the sale and order conveyances to be executed if it appears to the court that:

(a) Good reason existed for the sale;

(b) The sale was conducted in a legal and fair manner;

(c) The amount of the offer or bid is not disproportionate to the value of the property; and

(d) It is unlikely that an offer or bid would be made which exceeds the original offer or bid:

(1) By at least 5 percent if the offer or bid is less than $100,000; or

(2) By at least $5,000 if the offer or bid is $100,000 or more.

3. The court shall not confirm the sale if the conditions in this section are not satisfied.

4. If the court does not confirm the sale, the court:

(a) May order a new sale;

(b) May conduct a public auction in open court; or

(c) May accept a written offer or bid from a responsible person and confirm the sale to the person if the written offer complies with the laws of this State and exceeds the original bid:

(1) By at least 5 percent if the bid is less than $100,000; or

(2) By at least $5,000 if the bid is $100,000 or more.

5. If the court does not confirm the sale and orders a new sale:

(a) Notice must be given in the manner set forth in section 98 of this act; and

(b) The sale must be conducted in all other respects as though no previous sale has taken place.

6. If a higher offer or bid is received by the court during the hearing to confirm the sale, the court may continue the hearing rather than accept the offer or bid as set forth in paragraph (c) of subsection 4 if the court determines that the person who made the original offer or bid was not notified of the hearing and that the person who made the original offer or bid may wish to increase his or her bid. This subsection does not grant a right to a person to have a continuance granted and may not be used as a ground to set aside an order confirming a sale.

7. Except as otherwise provided in this subsection, if a higher offer or bid is received by the court during the hearing to confirm the sale and the court does not accept that offer or bid, each successive bid must be for not less than:

(a) An additional $5,000, if the original offer is for $100,000 or more; or

(b) An additional $250 if the original offer is less than $100,000.

➥ Upon the request of the guardian during the hearing to confirm the sale, the court may set other incremental bid amounts.

Sec. 103. *1. If the court confirms a sale of real property of a guardianship estate, the guardian shall execute a conveyance of the property to the purchaser.*

2. The conveyance must include a reference to the court order confirming the sale, and a certified copy of the court order must be recorded in the office of the recorder of the county in which the property, or any portion of the property, is located.

3. A conveyance conveys all the right, title and interest of the protected minor in the property on the date of the sale, and if, before the date of the sale, by operation of law or otherwise, the protected minor has acquired any right, title or interest in the property other than or in addition to that of

the protected minor at the time of the sale, that right, title or interest also passes by the conveyance.

Sec. 104. *1. If a sale of real property is made upon credit, the guardian shall take:*

(a) The note or notes of the purchaser for the unpaid portion of the sale; and

(b) A mortgage on the property to secure the payment of the notes.

2. The mortgage may contain a provision for release of any part of the property if the court approves the provision.

Sec. 105. *1. After confirmation of the sale of real property, if the purchaser neglects or refuses to comply with the terms of the sale, the court may set aside the order of confirmation and order the property to be resold:*

(a) On motion of the guardian; and

(b) After notice is given to the purchaser.

2. If the amount realized on the resale of the property is insufficient to cover the bid and the expenses of the previous sale, the original purchaser is liable to the estate of the protected minor for the deficiency.

Sec. 106. *A guardian who fraudulently sells any real property of a protected minor in a manner inconsistent with the provisions of this chapter is liable for double the value of the property sold, as liquidated damages, to be recovered in an action by or on behalf of the protected minor.*

Sec. 107. *The periods of limitation prescribed in NRS 11.260 apply to all actions:*

1. For the recovery of real property sold by a guardian in accordance with the provisions of this chapter; and

2. To set aside a sale of real property.

Sec. 108. *1. A guardian may sell ~~[perishable property and other]~~ , dispose of or authorize the immediate destruction of personal property of the protected minor without notice, and title to the property passes without confirmation by the court if ~~[the]~~ :*

(b) ~~[Will]~~ The property will incur loss or expense by being kept ~~[.]~~ ;

(c) The property has been contaminated by vermin or biological or chemical agents and the expenses related to the decontamination of the property cause salvage to be impractical;

(d) The property constitutes an immediate threat to the public health or safety; or

(e) The handling, transfer or storage of the property might endanger public health or safety or exacerbate contamination.

2. The guardian is responsible for the actual value of the personal property unless the guardian obtains confirmation by the court of the sale.

Sec. 109. *A guardian may sell any security of the protected minor if:*

1. The guardian petitions the court for confirmation of the sale;

2. The clerk sets the date of the hearing;

3. The guardian gives notice in the manner required pursuant to section 17 of this act unless, for good cause shown, the court shortens the period within which notice must be given or dispenses with notice; and

4. The court confirms the sale.

Sec. 110. ~~*[1.]*~~ *Except as otherwise provided in sections 108 and 109 of this act, a guardian may sell the personal property of the protected minor only after notice of the* ~~*[sale is published in:*~~

3. Personal property may be sold at a public or private sale for cash or upon credit.

Sec. 112. *The following interests of the estate of the protected minor may be sold in the same manner as other personal property:*

1. An interest in personal property that has been pledged to the protected minor; and

2. Choses in action.

Sec. 113. *A guardian of the estate may lease any real property of the protected minor or any interest in real property:*

2. With prior approval of the court by order, for such period of time as may be authorized by the court, not exceeding any time limitation prescribed by law, and upon such terms and conditions as the court may approve. Such lease may extend beyond the period of minority of a protected minor.

Sec. 114. *The court may authorize the guardian to enter into a written contract with one or more licensed real estate brokers to secure a lessee of the protected minor's property, which contract may provide for the payment of a commission, not exceeding 5 percent of the fixed rental for the first 2 years, to be paid out of the proceeds of any such lease.*

Sec. 115. *1. Petitions to secure court approval of any lease:*

(a) Must include the parcel number assigned to the property to be leased and the physical address of the property, if any; and

(b) Must set forth the proposed fixed rental, the duration of the lease and a brief description of the duties of the proposed lessor and lessee.

2. Upon the hearing of a petition pursuant to subsection 1, if the court is satisfied that the lease is for the best interests of the protected minor and the estate of the protected minor, the court shall enter an order authorizing the guardian to enter into the lease.

Sec. 116. *A guardian of the estate, with prior approval of the court by order, may enter into agreements providing for the rental or bailment of the protected minor's personal property. All proceedings to obtain such a court order must be the same as required for the lease of real property.*

Sec. 117. *1. If the property to be leased consists of mining claims, an interest in the mining claims, property worked as a mine or lands containing oil, gas, steam, gravel or any minerals, the court may authorize the guardian to enter into a lease which provides for payment by the lessee of a royalty, in money or in kind, in lieu of a fixed rental. The court may also authorize the guardian to enter into a lease which provides for a pooling agreement or authorizes the lessee to enter into pooling or other cooperative agreements with lessees, operators or owners of other lands and minerals for the purpose of bringing about the cooperative*

development and operation of any mine, oil field or other unit of which the protected minor's property is a part.

2. If the proposed lease contains an option to purchase, and the property to be sold under the option consists of mining claims, property worked as a mine, or interests in oil, gas, steam, gravel or any mineral, which has a speculative or undefined market value, the court may authorize the guardian to enter into such a lease and sales agreement or give an option to purchase without requiring the property to be sold at public auction or by private sale in the manner required by this chapter for sales of other real property.

3. If the petition filed pursuant to this section requests authority to enter into a lease with an option to purchase, in addition to the notice required by section 17 of this act, the guardian shall publish a copy of the notice at least twice, the first publication to be at least 10 days before the date set for the hearing and the second publication to be not earlier than 7 days after the date of the first publication. The notice must be published in:

(a) A newspaper that is published in the county where the property is located; or

(b) If no newspaper is published in the county where the property is located, a newspaper of general circulation in that county which is designated by the court.

2. The court shall set the date of the hearing on the petition.

3. The petitioner shall give notice in the manner provided in section 17 of this act.

Sec. 119. *1. At the time appointed and if the court finds that due notice of the hearing concerning an agreement has been given, the court shall hear a petition filed pursuant to section 118 of this act and any objection to the petition that is filed or presented.*

2. After the hearing, if the court is satisfied that the agreement will be to the advantage of the estate of the protected minor, the court:

(a) Shall order the guardian to enter into the agreement; and

(b) May prescribe in the order the terms and conditions of the agreement.

3. A certified copy of the court order must be recorded in the office of the county recorder of each county in which the property affected by the agreement, or any portion of the property, is located.

Sec. 120. *1. If the court orders the guardian to enter into the agreement pursuant to section 119 of this act, the court shall order the guardian to provide an additional bond and specify the amount of the bond in the court order.*

2. The guardian is not entitled to receive any of the proceeds from the agreement until the guardian provides the bond and the court approves the bond.

3. When the court order is entered, the guardian shall execute, acknowledge and deliver an agreement which:

(a) Contains the conditions specified in the court order;

(b) States that the agreement or option is approved by court order; and

(c) Provides the date of the court order.

Sec. 121. *1. If the purchaser or option holder neglects or refuses to comply with the terms of the agreement approved by the court pursuant to section 119 of this act, the guardian may petition the court to cancel the agreement. The court shall cancel the agreement after notice is given to the purchaser or option holder.*

2. The cancellation of an agreement pursuant to this section does not affect any liability created by the agreement.

Sec. 122. *1. If the purchaser or option holder complies with the terms of an agreement approved by the court pursuant to section 119 of this act and has made all payments according to the terms of the agreement, the guardian shall:*

(a) Make a return to the court of the proceedings; and

(b) Petition the court for confirmation of the proceedings.

2. Notice must be given to the purchaser or option holder regarding the petition for confirmation.

3. The court:

(a) Shall hold a hearing regarding the petition for confirmation; and

(b) May order or deny confirmation of the proceedings and execution of the conveyances in the same manner and with the same effect as when the court orders or denies a confirmation of a sale of real property.

Sec. 123. *1. A guardian of the estate, with prior approval of the court, may accept an offer for the purchase of the interest or estate of the protected minor, in real or personal property or both real and personal property, where it appears from the petition and the court determines that:*

(a) The interest or estate of the protected minor in such property is an interest in a partnership, joint venture or closely held corporation, in which the offeror or offerors own the remaining interests in the partnership, joint venture or closely held corporation, or are offering to purchase such remaining interests.

(b) The interest or estate of the protected minor in such property is an undivided interest in property in which the offeror or offerors own the remaining interests in such property or are offering to purchase such remaining interests.

(c) The interest or estate of the protected minor to be sold or granted is an easement in or creates a servitude upon the protected minor's property.

2. A guardian of the estate, with prior approval of the court, may accept an offer to surrender the interest or estate of the protected minor in real or personal property or both real and personal property, where it appears from the petition and the court determines that:

(a) The interest or estate of the protected minor is contingent or dubious.

(b) The interest or estate of the protected minor in such property is a servitude upon the property of another.

Sec. 124. *1. A guardian of the estate may petition the court for advice and instructions in any matter concerning:*

(a) The administration of the protected minor's estate;

(b) The priority of paying claims;

(c) The propriety of making any proposed disbursement of funds;

(d) Exercising for or on behalf of the protected minor:

(1) Any options or other rights under any policy of insurance or annuity; and

(2) The right to take under a will, trust or other devise;

(e) The propriety of exercising any right exercisable by owners of property; and

(f) Matters of a similar nature.

2. Any act done by a guardian of the estate after securing court approval or instructions with reference to the matters set forth in subsection 1 is binding upon the protected minor or those claiming through the protected minor, and the guardian is not personally liable for performing any such act.

3. If any interested person may be adversely affected by the proposed act of the guardian, the court shall direct the issuance of a citation to that interested person, to be served upon the person at least 20 days before the hearing on the petition. The citation must be served in the same manner that summons is served in a civil action and must direct the interested person to appear and show cause why the proposed act of the guardian should not be authorized or approved. All interested persons so served are bound by the order of the court which is final and conclusive, subject to any right of appeal.

Sec. 125. *1. A guardian of the estate shall record a certified copy of any court order authorizing the sale, mortgage, lease, surrender or conveyance of real property in the office of the county recorder of the county in which any portion of the land is located.*

2. To carry out effectively any transaction affecting the protected minor's property as authorized by this chapter, the court may authorize the guardian to execute any promissory note, mortgage, deed of trust, deed, lease, security agreement or other legal document or instrument which is reasonably necessary to carry out such transaction.

Sec. 126. *1. A guardian of the estate, with prior approval of the court by order, where it appears from the petition and the court determines that the best interests of the protected minor are served by such action, may:*

(a) Accept an offer to exchange all or any interest of the protected minor in real or personal property or both real and personal property for real or personal property or both real and personal property of another, and pay or receive any cash or other consideration to equalize the values on such exchange; or

(b) Effect a voluntary partition of real or personal property or both real and personal property in which the protected owner owns an undivided interest.

2. Upon hearing the petition, the court shall inquire into the value of the property to be exchanged or partitioned, the rental or income therefrom, and the use for which the property is best suited.

Sec. 127. *Every guardianship established pursuant to this chapter must be reviewed by the court annually.*

Sec. 128. *A guardian of the estate shall make and file a verified account in the guardianship proceeding:*

1. Annually, not later than 60 days after the anniversary date of the appointment of the guardian, unless the court orders such an account to be made and filed at a different interval upon a showing of good cause and with the appropriate protection of the interests of the protected minor.

2. Upon filing a petition to resign and before the resignation is accepted by the court.

3. Within 30 days after the date of his or her removal, unless the court authorizes a longer period.

4. Within 90 days after the date of termination of the guardianship or the emancipation or death of the protected minor, unless the court authorizes a longer period.

5. At any other time as required by law or as the court may order.

Sec. 129. *1. An account made and filed by a guardian of the estate must include, without limitation, the following information:*

(a) The period covered by the account.

(b) All cash receipts and disbursements during the period covered by the account.

(c) All claims filed and the action taken regarding the account.

(d) Any changes in the protected minor's property due to sales, exchanges, investments, acquisitions, gifts, mortgages or other transactions which have increased, decreased or altered the protected minor's property holdings as reported in the original inventory or the preceding account.

(e) Any other information the guardian considers necessary to show the condition of the affairs of the protected minor.

2. If the account is for the estates of two or more wards, it must show the interest of each ward in the receipts, disbursements and property.

3. Receipts or vouchers for all expenditures must be retained by the guardian for examination by the court or an interested person. Unless ordered by the court, the guardian is not required to file such receipts or vouchers with the court.

4. On the court's own motion or on ex parte application by an interested person which demonstrates good cause, the court may:

(a) Order production of the receipts or vouchers that support the account; and

(b) Examine or audit the receipts or vouchers that support the account.

5. If a receipt or voucher is lost or for good reason cannot be produced on settlement of an account, payment may be proved by the oath of at least one competent witness. The guardian must be allowed expenditures if it is proven that:

(a) The receipt or voucher for any disbursement has been lost or destroyed so that it is impossible to obtain a duplicate of the receipt or voucher; and

(b) Expenses were paid in good faith and were valid charges against the estate.

Sec. 130. *1. Any interested person may appear at the hearing and object to the account or file written objections to the account before the hearing.*

2. If there are no objections to the account or if the court overrules any objections, the court may enter an order allowing and confirming the account.

3. Except as otherwise provided in this subsection, the order settling and allowing the account is a final order and is conclusive against all persons interested in the guardianship proceeding, including, without limitation, heirs and assigns. The order is not final against a protected minor who requests an examination of any account after the protected minor's legal disability is removed.

4. If the court finds that an interested person who objected to the account did not object in good faith or in furtherance of the best interests of the protected minor, the court may order the interested person to pay to the estate of the protected minor all or part of the expenses associated with the objection.

Sec. 131. *1. Subject to the discretion and approval of the court and except as otherwise provided in subsection 4, a guardian must be allowed:*

(a) Reasonable compensation for the guardian's services;

(b) Necessary and reasonable expenses incurred in exercising the authority and performing the duties of a guardian; and

(c) Reasonable expenses incurred in retaining accountants, attorneys, appraisers or other professional services.

2. Reasonable compensation and services must be based upon similar services performed for persons who are not under a legal disability. In determining whether compensation is reasonable, the court may consider:

(a) The nature of the guardianship;

(b) The type, duration and complexity of the services required; and

(c) Any other relevant factors.

3. In the absence of an order of the court pursuant to this chapter shifting the responsibility of the payment of compensation and expenses, the payment of compensation and expenses must be paid from the estate of the protected minor. In evaluating the ability of a protected minor to pay such compensation and expenses, the court may consider:

(a) The nature, extent and liquidity of the protected minor's assets;

(b) The disposable net income of the protected minor;

(c) Any foreseeable expenses; and

(d) Any other factors that are relevant to the duties of the guardian pursuant to section 61 or 64 of this act.

4. A private professional guardian is not allowed compensation or expenses for services incurred by the private professional guardian as a result of a petition to have him or her removed as guardian if the court removes the private professional guardian pursuant to the provisions of paragraph (b), (d), (e), (f) or (h) of subsection 1 of section 133 of this act.

Sec. 132. *If a protected minor resides with a care provider that is an institution or facility, the care provider shall furnish to the guardian an itemized accounting of all financial activity pertaining to the protected minor:*

1. On a quarterly basis; and

2. At any other time, upon the request of the guardian.

(c) The guardian has filed for bankruptcy within the previous 5 years;

(d) The guardian of the estate has mismanaged the estate of the protected minor;

(e) The guardian has negligently failed to perform any duty as provided by law or by any order of the court and:

(1) The negligence resulted in injury to the protected minor or the estate of the protected minor; or

(2) There was a substantial likelihood that the negligence would result in injury to the protected minor or the estate of the protected minor;

(f) The guardian has intentionally failed to perform any duty as provided by law or by any lawful order of the court, regardless of injury;

(g) The best interests of the protected minor will be served by the appointment of another person as guardian; or

(h) The guardian is a private professional guardian who is no longer qualified as a private professional guardian pursuant to section 45 of this act.

2. A guardian may not be removed if the sole reason for removal is the lack of money to pay the compensation and expenses of the guardian.

Sec. 134. *A guardian who, after appointment:*

1. Is convicted of a gross misdemeanor or felony in any state;

2. Files for or receives protection as an individual or as a principal of any entity under the federal bankruptcy laws;

3. Has a driver's license suspended, revoked or cancelled for nonpayment of child support;

5. Has a judgment entered against him or her for misappropriation of funds or assets from any person or entity in any state,

➥ shall immediately inform the court of the circumstances of those events. The court may remove the guardian and appoint a successor guardian, unless the court finds that it is in the best interest of the protected minor to allow the guardian to continue in his or her appointment.

Sec. 135. *1. The following persons may petition the court to have a guardian removed:*

(a) The protected minor;

(b) Any relative who is within the second degree of consanguinity to the protected minor;

(c) A public guardian; or

(d) Any other interested person.

2. The petition must:

(a) State with particularity the reasons for removing the guardian; and

(b) Show cause for the removal.

3. If the court denies the petition for removal, the petitioner shall not file a subsequent petition unless a material change of circumstances warrants a subsequent petition.

4. If the court finds that the petitioner did not file a petition for removal in good faith or in furtherance of the best interests of the protected minor, the court may:

(a) Disallow the petitioner from petitioning the court for attorney's fees from the estate of the protected minor; and

(b) Impose sanctions on the petitioner in an amount sufficient to reimburse the estate of the protected minor for all or part of the expenses

incurred by the estate of the protected minor in responding to the petition and for any other pecuniary losses which are associated with the petition.

Sec. 136. ***1. If a petition to have a guardian removed is filed with the court, the court shall issue ~~[and serve]~~ a citation to the petitioner. The petitioner shall serve the citation on the guardian and on all other interested persons.***

2. The citation must require the guardian to appear and show cause why the court should not remove the guardian.

3. If it appears that the protected minor or estate may suffer loss or injury during the time required for service of the citation on the guardian, on the court's own motion or on petition, the court may:

(a) Suspend the powers of the guardian by issuing a 30-day temporary restraining order or an injunction;

(b) Compel the guardian to surrender the protected minor to a temporary guardian for not more than 30 days; and

(c) Compel the guardian to surrender the assets of the estate to a temporary guardian or to the public guardian until the date set for the hearing.

Sec. 137. ***If a petition to remove a guardian is deemed sufficient and the guardian fails to appear before the court, the court may take any or all of the following actions:***

1. Hold the guardian in contempt of court.

2. Require the guardian to appear at a date and time set by the court.

3. Issue a bench warrant for the arrest and appearance of the guardian.

4. Find that the guardian caused harm to the protected minor or the estate of the protected minor and issue an order accordingly.

Sec. 138. ***1. Notwithstanding any other provision of law, except as otherwise provided in subsection 3, the court shall not remove the guardian or appoint another person as guardian unless the court finds that removal of the guardian or appointment of another person as guardian is in the best interests of the protected minor.***

2. For the purposes of this section in determining the best interests of the protected minor, the court shall consider, without limitation:

(a) The ability of the present guardian to provide for the basic needs of the protected minor, including, without limitation, food, shelter, clothing and medical care;

(b) The safety of the home in which the protected minor is residing;

(f) If the person petitioning the court to replace the present guardian was previously removed from the care, custody or guardianship of the protected minor:

(1) The level of participation before the petition was filed by the petitioner in the welfare of the protected minor; and

(2) If applicable, whether the petitioner has received instruction in parenting, participated in a program of rehabilitation or undergone counseling for any problem or conduct that the court, in appointing the present guardian, considered as an indication of the previous unfitness of the petitioner; and

(g) The mental and physical health of the present guardian.

3. The court may remove the guardian of a protected minor or appoint another person as guardian if the guardian files a petition to resign his or her position as guardian.

(b) The court determines that the appointment is necessary to protect the interests of the protected minor.

3. The petitioner has the burden of proof to show by clear and convincing evidence that the termination or modification of the guardianship of the person, of the estate, or of the person and estate is in the best interests of the protected minor.

4. The court shall issue a citation ~~[to the guardian and all interested persons]~~ requiring ~~[them]~~ all interested persons to appear and show cause why termination or modification of the guardianship should not be granted. The court shall serve the citation on the guardian and the petitioner. The petitioner shall serve the citation on all interested persons.

5. If the court finds that the petitioner did not file a petition for termination or modification in good faith or in furtherance of the best interests of the protected minor, the court may:

(b) Impose sanctions on the petitioner in an amount sufficient to reimburse the estate of the protected minor for all or part of the expenses and for any other pecuniary losses which are incurred by the estate of the protected minor and associated with the petition.

Sec. 144. *1. A guardianship of the person, of the estate, or of the person and estate is terminated:*

5. Immediately upon the death or emancipation of the protected minor:

(a) The guardian of the estate shall have no authority to act for the protected minor except to wind up the affairs of the guardianship pursuant to section 147 of this act, and to distribute the property of the protected minor as provided in sections 148 and 149 of this act; and

(c) The guardian should be notified of any requirements of the guardianship which require compliance before termination of the guardianship.

7. If, at a hearing conducted pursuant to subsection 6, a court makes a determination that, upon reaching the age of majority, a protected minor

would be deemed incompetent, as defined in NRS 159.019, a petition may be filed in accordance with the provisions of chapter 159 of NRS to seek guardianship for the protected minor pursuant to that chapter to take effect when the protected minor reaches the age of majority. The protected minor has the right to be represented by counsel if guardianship is sought pursuant to this subsection.

Sec. 145. ***1. If, before a protected minor is emancipated, a parent of the protected minor petitions the court for the termination of a guardianship of the protected minor, the parent has the burden of proof to show by clear and convincing evidence that:***

(a) Continue possessing the protected minor's property; and

(b) Perform the duties of guardian for not more than 90 days after the temporary guardianship is terminated or until the court appoints another temporary or general guardian.

(a) The temporary guardian of the estate may:

(1) Continue possessing the protected minor's property; and

(2) Except as otherwise provided in this paragraph, perform the duties of guardian for not more than 90 days after the date of the termination of the temporary guardianship or until the court appoints a personal representative of the estate, if any. If the temporary guardian is awaiting certification from the appropriate authority acknowledging that the guardian has no further liability for taxes on the estate and it will take

longer than 90 days after the date of the termination of the temporary guardianship to receive such certification, the temporary guardian must seek approval from the court to maintain possession of all or a portion of the protected minor's property until certification is received.

(b) If no personal representative has been appointed pursuant to chapter 138 or 139 of NRS, the temporary guardian shall pay all of the final expenses and outstanding debts of the protected minor to the extent possible using the assets in the possession of the temporary guardian.

Sec. 147. *1. The guardian of the estate is entitled to retain possession of the protected minor's property already in the control of the guardian and is authorized to perform the duties of the guardian to wind up the affairs of the guardianship:*

(c) Except as otherwise provided in paragraph (d), for not more than 90 days after the date of the appointment of a successor trustee of a trust of the deceased protected minor and upon request by the trustee; or

(d) Upon approval of the court, for more than 180 days or 90 days, as applicable, if the guardian is awaiting certification from the appropriate authority acknowledging that the guardian has no further liability for taxes on the estate.

2. To wind up the affairs of the guardianship, the guardian shall:

(a) Pay all expenses of administration of the guardianship estate, including those incurred in winding up the affairs of the guardianship.

(b) Complete the performance of any contractual obligations incurred by the guardianship estate.

(c) With prior approval of the court, continue any activity that:

(1) The guardian believes is appropriate and necessary; or

(d) If the guardianship is terminated for a reason other than the death of the protected minor, examine and allow and pay, or reject, all claims presented to the guardian before the termination of the guardianship for obligations incurred before the termination.

3. If the assets are transferred to a personal representative or a successor trustee as provided for in paragraphs (b) and (c) of subsection 1, the court may authorize the guardian to retain sufficient assets to pay any anticipated expenses and taxes of the guardianship estate.

Sec. 148. *1. If the guardianship is terminated by reason of the death of the protected minor:*

(a) Except as otherwise provided in section 149 of this act, the guardian shall report to the personal representative claims which are presented to

the guardian, or which have been presented to the guardian but have not been paid, except those incurred in paying the expenses of administration of the guardianship estate and in winding up the affairs of the guardianship estate.

(b) Claims which have been allowed by the guardian, but not paid, must be paid by the personal representative in the course of probate in the priority provided by law for payment of claims against a decedent, and shall have the same effect and priority as a judgment against a decedent.

(c) Claims which have been presented and not allowed or rejected must be acted upon by the personal representative in the same manner as other claims against a decedent.

2. The personal representative must be substituted as the party in interest for the guardian in any action commenced or which may be commenced by the creditor pursuant to section 79 of this act, including summary determination, on any claim rejected by the guardian.

Sec. 149. ***1. After the winding up of the affairs of the guardianship, the guardian shall deliver physical possession of all of the protected minor's property to the protected minor, the personal representative or the successor guardian, as the case may be, and obtain a receipt of the delivery of the property.***

2. Before the guardian delivers physical possession of the protected minor's property to the personal representative and upon sufficient evidence of prior title, the guardian may petition the court to have the title to the property modified, on a pro rata basis, to reflect the manner in which title was held before the guardianship was established so that the property is distributed to the intended beneficiary or former joint owner of the property.

3. If the guardianship has terminated by reason of the death of the protected minor, the court, by order, may authorize the guardian to handle the deceased protected minor's property in the same manner as authorized by NRS 146.070 or 146.080, if the gross value of the property, less encumbrances, and less fees, costs and expenses that are approved by the court, remaining in the hands of the guardian does not exceed the amount authorized pursuant to NRS 146.070 or 146.080.

Sec. 150. ***1. Upon the filing of receipts and vouchers showing compliance with the orders of the court in winding up the affairs of the guardianship, the court shall enter an order discharging the guardian and exonerating the bond of the guardian.***

2. A guardian is not relieved of liability for his or her term as guardian until an order of discharge is entered and filed with the court.

The delivery of such property or the payment of such debt is, to the extent of such delivery or payment, a release and discharge with respect to such property or debt.*

2. The court may require such foreign guardian to post a bond in the same manner as required of a resident guardian and may enter such orders as are necessary to protect secured creditors of the protected minor and unsecured creditors of the protected minor who are residents of this State.

Sec. 153. *1. Except as otherwise provided in this section or NRS 127.045, a parent, without the approval of a court, may appoint in writing a short-term guardianship for an unmarried minor child if the parent has legal custody of the minor child.*

2. The appointment of a short-term guardianship is effective for a minor who is 14 years of age or older only if the minor provides written consent to the guardianship.

3. The appointment of a short-term guardian does not affect the rights of the other parent of the minor.

4. A parent shall not appoint a short-term guardian for a minor child if the minor child has another parent:

(a) Whose parental rights have not been terminated;

6. The short-term guardian appointed pursuant to this section serves as guardian of the minor for 6 months, unless the written instrument appointing the guardian specifies a shorter term or specifies that the

guardianship is to terminate upon the happening of an event that occurs sooner than 6 months.

7. Only one written instrument appointing a short-term guardian for the minor child may be effective at any given time.

8. The appointment of a short-term guardian pursuant to this section:

(a) May be terminated by an instrument in writing signed by either parent if that parent has not been deprived of the legal custody of the minor.

(b) Is terminated by any order of a court of competent jurisdiction that appoints a guardian.

Sec. 154. *1. 3. An order of the court pursuant to subsection 1 is prima facie evidence of the right of the proposed protected minor or the estate of the protected minor to the asset described in the order in any action that may be brought for the recovery thereof, and any judgment recovered therein must be double the value of the asset, and damages in addition thereof equal to the value of such property.

4. If the person who is cited pursuant to section 155 of this act appears and, upon consideration of the petition, the court finds that the person is not liable or responsible to the proposed protected minor or the estate of the protected minor, the court may order:

To support the request, the petitioner must set forth in a petition and present to the court under oath:

Such documentation must include, without limitation, a certificate signed by a physician who is licensed to practice medicine in this State or who is employed by the Department of Veterans Affairs, a letter signed by any governmental agency in this State which conducts investigations or a police report indicating:

(1) That the proposed ward is unable to respond to a substantial and immediate risk of physical harm or to a need for immediate medical attention;

(2) Whether the proposed ward presents a danger to himself or herself or others; and

(1) The petitioner has tried in good faith to notify the persons entitled to notice pursuant to NRS 159.047 by telephone or in writing before the filing of the petition;

(2) The proposed ward would be exposed to an immediate risk of physical harm if the petitioner were to provide notice to the persons entitled to notice pursuant to NRS 159.047 before the court determines whether to appoint a temporary guardian; or

(3) Giving notice to the persons entitled to notice pursuant to NRS 159.047 is not feasible under the circumstances.

2. The court may appoint a temporary guardian to serve for 10 days if the court:

(a) Finds reasonable cause to believe that the proposed ward is unable to respond to a substantial and immediate risk of physical harm or to a need for immediate medical attention; and

(b) Is satisfied that the petitioner has tried in good faith to notify the persons entitled to notice pursuant to NRS 159.047 or that giving notice to those persons is not feasible under the circumstances, or determines that such notice is not required pursuant to subparagraph (2) of paragraph (b) of subsection 1.

3. Except as otherwise provided in subsection 4, after the appointment of a temporary guardian, the petitioner shall attempt in good faith to notify the persons entitled to notice pursuant to NRS 159.047, including, without limitation, notice of any hearing to extend the temporary guardianship. If the petitioner fails to provide such notice, the court may terminate the temporary guardianship.

5. Not later than 10 days after the date of the appointment of a temporary guardian pursuant to subsection 2, the court shall hold a hearing to determine the need to extend the temporary guardianship. Except as otherwise provided in subsection 7, the court may extend the temporary guardianship until a general or special guardian is appointed pursuant to subsection 8 if:

(a) The court finds by clear and convincing evidence that the proposed ward is unable to respond to a substantial and immediate risk of physical harm or to a need for immediate medical attention; and

(b) The extension of the temporary guardianship is necessary and in the best interests of the proposed ward.

6. If the court appoints a temporary guardian or extends the temporary guardianship pursuant to this section, the court shall limit the powers of the temporary guardian to those necessary to respond to the substantial and

immediate risk of physical harm or to a need for immediate medical attention.

7. The court may not extend a temporary guardianship pursuant to subsection 5 beyond the initial period of 10 days unless the petitioner demonstrates that:

(a) The provisions of NRS 159.0475 have been satisfied; or

(b) Notice by publication pursuant to N.R.C.P. 4(e) is currently being undertaken.

8. The court may extend the temporary guardianship, for good cause shown, for not more than two successive 60-day periods, except that the court shall not cause the temporary guardianship to continue longer than 5 months unless extraordinary circumstances are shown.

3. An agency investigating a report of the abuse or neglect of a child shall, upon request, provide to a person named in the report as allegedly causing the abuse or neglect of the child:

(a) A copy of:

(1) Any statement made in writing to an investigator for the agency by the person named in the report as allegedly causing the abuse or neglect of the child; or

(2) Any recording made by the agency of any statement made orally to an investigator for the agency by the person named in the report as allegedly causing the abuse or neglect of the child; or

(b) A written summary of the allegations made against the person who is named in the report as allegedly causing the abuse or neglect of the child. The summary must not identify the person responsible for reporting the alleged abuse or neglect or any collateral sources and reporting parties.

4. Except as otherwise provided by subsection 6, before releasing any information maintained by an agency which provides child welfare services pursuant to this section, an agency which provides child welfare services shall take whatever precautions it determines are reasonably necessary to protect the identity and safety of any person who reports child abuse or neglect and to protect any other person if the agency which provides child welfare services reasonably believes that disclosure of the information would cause a specific and material harm to an investigation of the alleged abuse or neglect of a child or the life or safety of any person.

5. The provisions of this section must not be construed to require an agency which provides child welfare services to disclose information maintained by the agency which provides child welfare services if, after consultation with the attorney who represents the agency, the agency determines that such disclosure would cause a specific and material harm to a criminal investigation.

6. A person who is the subject of an unsubstantiated report of child abuse or neglect made pursuant to this chapter and who believes that the report was made in bad faith or with malicious intent may petition a district court to order the agency which provides child welfare services to release information maintained by the agency which provides child welfare services. The petition must specifically set forth the reasons supporting the belief that the report was made in bad faith or with malicious intent. The petitioner shall provide notice to the agency which provides child welfare services so that the agency may participate in the action through its counsel. The district court shall review the information which the petitioner requests to be released and the petitioner shall be allowed to present evidence in support of the petition. If

the court determines that there is a reasonable question of fact as to whether the report was made in bad faith or with malicious intent and that the disclosure of the identity of the person who made the report would not be likely to endanger the life or safety of the person who made the report, the court shall provide a copy of the information to the petitioner and the original information is subject to discovery in a subsequent civil action regarding the making of the report.

7. If an agency which provides child welfare services receives any information that is deemed confidential by law, the agency which provides child welfare services shall maintain the confidentiality of the information as prescribed by applicable law.

8. Pursuant to this section, a person may authorize the release of information maintained by an agency which provides child welfare services about himself or herself, but may not waive the confidentiality of such information concerning any other person.

9. An agency which provides child welfare services may provide a summary of the outcome of an investigation of the alleged abuse or neglect of a child to the person who reported the suspected abuse or neglect.

10. Except as otherwise provided in this subsection, any person who is provided with information maintained by an agency which provides child welfare services and who further disseminates the information or makes the information public is guilty of a gross misdemeanor. This subsection does not apply to:

(a) A district attorney or other law enforcement officer who uses the information solely for the purpose of initiating legal proceedings;

(b) An employee of the Division of Parole and Probation of the Department of Public Safety making a presentence investigation and report to the district court pursuant to NRS 176.135 or making a general investigation and report pursuant to NRS 176.151; or

(c) An employee of a juvenile justice agency who provides the information to the juvenile court.

11. An agency which provides child welfare services may charge a fee for processing costs reasonably necessary to prepare information maintained by the agency which provides child welfare services for release pursuant to this section.

12. An agency which provides child welfare services shall adopt rules, policies or regulations to carry out the provisions of this section.

13. As used in this section, "juvenile justice agency" means the Youth Parole Bureau or a director of juvenile services.

The agency must submit the report to the court within 45 days after receiving the order of the court.

5. A successor guardian may be appointed in accordance with the procedures set forth in ~~[chapter 159 of NRS.]~~ ***sections 2 to 157, inclusive, of this act.***

Sec. 208. NRS 432B.550 is hereby amended to read as follows:

432B.550 1. If the court finds that a child is in need of protection, it may, by its order, after receipt and review of the report from the agency which provides child welfare services:

(a) Permit the child to remain in the temporary or permanent custody of the parents of the child or a guardian with or without supervision by the court or a person or agency designated by the court, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe;

(c) Place the child in the temporary custody of a public agency or institution authorized to care for children, the local juvenile probation department, the local department of juvenile services or a private agency or

institution licensed by the Department of Health and Human Services or a county whose population is 100,000 or more to care for such a child.

➥ In carrying out this subsection, the court may, in its sole discretion and in compliance with the requirements of ~~[chapter 159 of NRS,]~~ ***sections 2 to 157, inclusive, of this act,*** consider an application for the guardianship of the child. If the court grants such an application, it may retain jurisdiction of the case or transfer the case to another court of competent jurisdiction.

2. If, pursuant to subsection 1, a child is placed other than with a parent:

(a) The parent retains the right to consent to adoption, to determine the child's religious affiliation and to reasonable visitation, unless restricted by the court. If the custodian of the child interferes with these rights, the parent may petition the court for enforcement of the rights of the parent.

(b) The court shall set forth good cause why the child was placed other than with a parent.

3. If, pursuant to subsection 1, the child is to be placed with a relative or fictive kin, the court may consider, among other factors, whether the child has resided with a particular relative or fictive kin for 3 years or more before the incident which brought the child to the court's attention.

4. Except as otherwise provided in this subsection, a copy of the report prepared for the court by the agency which provides child welfare services must be sent to the custodian and the parent or legal guardian. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the location of the parent is unknown, the report need not be sent to that parent.

5. In determining the placement of a child pursuant to this section, if the child is not permitted to remain in the custody of the parents of the child or guardian:

(a) It must be presumed to be in the best interests of the child to be placed together with the siblings of the child.

(b) Preference must be given to placing the child in the following order:

(1) With any person related within the fifth degree of consanguinity to the child or a fictive kin, and who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative or fictive kin resides within this State.

(2) In a foster home that is licensed pursuant to chapter 424 of NRS.

6. Any search for a relative with whom to place a child pursuant to this section must be completed within 1 year after the initial placement of the child outside of the home of the child. If a child is placed with any person who resides outside of this State, the placement must be in accordance with NRS 127.330.

7. Within 60 days after the removal of a child from the home of the child, the court shall:

(a) Determine whether:

(1) The agency which provides child welfare services has made the reasonable efforts required by paragraph (a) of subsection 1 of NRS 432B.393; or

(2) No such efforts are required in the particular case; and

(b) Prepare an explicit statement of the facts upon which its determination is based.

8. As used in this section, "fictive kin" means a person who is not related by blood to a child but who has a significant emotional and positive relationship with the child.

Sec. 209. NRS 432B.590 is hereby amended to read as follows:

432B.590 1. Except as otherwise provided in NRS 432B.513, the court shall hold a hearing concerning the permanent placement of a child:

(a) Not later than 12 months after the initial removal of the child from the home of the child and annually thereafter.

(b) Within 30 days after making any of the findings set forth in subsection 3 of NRS 432B.393.

➥ Notice of this hearing must be given by registered or certified mail to all the persons to whom notice must be given pursuant to subsection 6 of NRS 432B.580.

2. The court may require the presence of the child at the hearing and shall provide to each person to whom notice was given pursuant to subsection 1 a right to be heard at the hearing.

3. At the hearing, the court shall review any plan for the permanent placement of the child adopted pursuant to NRS 432B.553 and, if the goal of the plan is a permanent living arrangement other than reunification with his or her parents, placement for adoption, placement with a legal guardian or placement with a relative, ask the child about his or her desired permanent living arrangement. After doing so, the court must determine:

(a) Whether the agency with legal custody of the child has made the reasonable efforts required by subsection 1 of NRS 432B.553;

(b) Whether, and if applicable when:

(1) The child should be returned to the parents of the child or placed with other relatives;

(2) It is in the best interests of the child to:

(I) Initiate proceedings to terminate parental rights pursuant to chapter 128 of NRS so that the child can be placed for adoption;

(II) Initiate proceedings to establish a guardianship pursuant to ~~[~~chapter 159 of NRS;~~]~~ ***sections 2 to 157, inclusive, of this act;*** or

(III) Establish a guardianship in accordance with NRS 432B.466 to 432B.468, inclusive; or

(3) The agency with legal custody of the child has produced documentation of its conclusion that there is a compelling reason for the placement of a child who has attained the age of 16 years in another permanent living arrangement;

(c) If the child will not be returned to the parents of the child, whether the agency with legal custody of the child fully considered placement options both within and outside of this State;

(d) If the child has attained the age of 14 years, whether the child will receive the services needed to assist the child in transitioning to independent living; and

(e) If the child has been placed outside of this State, whether the placement outside of this State continues to be appropriate for and in the best interests of the child.

4. The court shall prepare an explicit statement of the facts upon which each of its determinations is based pursuant to subsection 3. If the court determines that it is not in the best interests of the child to be returned to his or her parents, or to be placed for adoption, with a legal guardian or with a relative, the court must include compelling reasons for this determination and an explanation of those reasons in its statement of the facts.

5. If the court determines that it is in the best interests of the child to terminate parental rights, the court shall use its best efforts to ensure that the procedures required by chapter 128 of NRS are completed within 6 months after the date the court makes that determination, including, without limitation, appointing a private attorney to expedite the completion of the procedures.

6. The provisions of this section do not limit the jurisdiction of the court to review any decisions of the agency with legal custody of the child regarding the permanent placement of the child.

7. If a child has been placed outside of the home and has resided outside of the home pursuant to that placement for 14 months of any 20 consecutive months, the best interests of the child must be presumed to be served by the termination of parental rights.

8. This hearing may take the place of the hearing for review required by NRS 432B.580.

9. The provision of notice and a right to be heard pursuant to this section does not cause any person planning to adopt the child, any sibling of the child or any other relative, any adoptive parent of a sibling of the child or a provider of foster care to become a party to the hearing.

Sec. 210. NRS 616C.505 is hereby amended to read as follows:

616C.505 If an injury by accident arising out of and in the course of employment causes the death of an employee in the employ of an employer, within the provisions of chapters 616A to 616D, inclusive, of NRS, the compensation is known as a death benefit and is payable as follows:

1. In addition to any other compensation payable pursuant to chapters 616A to 616D, inclusive, of NRS, burial expenses are payable in an amount not to exceed $10,000, plus the cost of transporting the remains of the deceased employee. When the remains of the deceased employee and the person accompanying the remains are to be transported to a mortuary or mortuaries, the charge of transportation must be borne by the insurer.

2. Except as otherwise provided in subsection 3, to the surviving spouse of the deceased employee, 66 2/3 percent of the average monthly wage is payable until the death of the surviving spouse.

3. If there is a surviving spouse and any surviving children of the deceased employee who are not the children of the surviving spouse, the compensation otherwise payable pursuant to subsection 2 must be paid as follows until the entitlement of all children of the deceased employee to receive compensation pursuant to this subsection ceases:

(a) To the surviving spouse, 50 percent of the death benefit is payable until the death of the surviving spouse; and

(b) To each child of the deceased employee, regardless of whether the child is the child of the surviving spouse, the child's proportionate share of 50 percent of the death benefit and, except as otherwise provided in subsection 11, if the child has a guardian, the compensation the child is entitled to receive may be paid to the guardian.

4. In the event of the subsequent death of the surviving spouse:

(a) Each surviving child of the deceased employee, in addition to any amount the child may be entitled to pursuant to subsection 3, must share equally the compensation theretofore paid to the surviving spouse but not in excess thereof, and it is payable until the youngest child reaches the age of 18 years.

(b) Except as otherwise provided in subsection 11, if the children have a guardian, the compensation they are entitled to receive may be paid to the guardian.

5. If there are any surviving children of the deceased employee under the age of 18 years, but no surviving spouse, then each such child is entitled to his or her proportionate share of 66 2/3 percent of the average monthly wage for the support of the child.

6. Except as otherwise provided in subsection 7, if there is no surviving spouse or child under the age of 18 years, there must be paid:

(a) To a parent, if wholly dependent for support upon the deceased employee at the time of the injury causing the death of the deceased employee, 33 1/3 percent of the average monthly wage.

(b) To both parents, if wholly dependent for support upon the deceased employee at the time of the injury causing the death of the deceased employee, 66 2/3 percent of the average monthly wage.

7. The aggregate compensation payable pursuant to subsection 6 must not exceed 66 2/3 percent of the average monthly wage.

8. In all other cases involving a question of total or partial dependency:

(a) The extent of the dependency must be determined in accordance with the facts existing at the time of the injury.

(b) If the deceased employee leaves dependents only partially dependent upon the earnings of the deceased employee for support at the time of the injury causing his or her death, the monthly compensation to be paid must be equal to the same proportion of the monthly payments for the benefit of persons totally dependent as the amount contributed by the deceased employee to the partial dependents bears to the average monthly wage of the deceased employee at the time of the injury resulting in his or her death.

(c) The duration of compensation to partial dependents must be fixed in accordance with the facts shown, but may not exceed compensation for 100 months.

9. Compensation payable to a surviving spouse is for the use and benefit of the surviving spouse and the dependent children, and the insurer may, from time to time, apportion such compensation between them in such a way as it deems best for the interest of all dependents.

10. In the event of the death of any dependent specified in this section before the expiration of the time during which compensation is payable to the dependent, funeral expenses are payable in an amount not to exceed $10,000.

11. If a dependent is entitled to receive a death benefit pursuant to this section and is less than 18 years of age or incompetent, the legal representative of the dependent shall petition for a guardian to be appointed for that dependent pursuant to NRS 159.044 ~~[.]~~ ***or section 25 of this act, as applicable.*** An insurer shall not pay any compensation in excess of $3,000, other than burial expenses, to the dependent until a guardian is appointed and legally qualified. Upon receipt of a certified letter of guardianship, the insurer shall make all payments required by this section to the guardian of the dependent until the dependent is emancipated, the guardianship terminates or the dependent reaches the age of 18 years, whichever occurs first, unless paragraph (a) of subsection 12 is applicable. The fees and costs related to the guardianship must be paid from the estate of the dependent. A guardianship established pursuant to this subsection must be administered in accordance with chapter 159 of NRS ~~[,]~~ ***or sections 2 to 157, inclusive, of this act, as applicable,*** except that after the first annual review required pursuant to NRS 159.176 ~~[,]~~ ***or section 127 of this act, as applicable,*** a court may elect not to review the guardianship annually. The court shall review the guardianship at least once every 3 years. As used in this subsection, "incompetent" has the meaning ascribed to it in NRS 159.019.

A child is entitled to continue to receive compensation pursuant to this section if the child is:

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 320.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 474.

AN ACT relating to education; revising provisions relating to pupil achievement data as a component of the statewide performance evaluation system for employees; revising provisions relating to the number of evaluations that certain employees are required to receive; **revising provisions relating to the Teachers and Leaders Council;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Education to adopt regulations establishing a statewide performance evaluation system for evaluating the performance of certain employees. Existing law **requires this system to: (1) require that an employee's overall performance be determined to be highly effective, effective, minimally effective or ineffective; and (2) include a process for peer evaluation of teachers. (NRS 391.465) Section 2 of this bill: (1) removes the term "minimally effective" and replaces it with the term "developing"; and (2) changes the term "peer evaluation"**

to "peer observation." Sections 1, 1.5 and 3.5-5.7 of this bill make conforming changes. Section 2 also provides that an administrator at the district level who provides direct supervision of the principal of a school and who also serves as the superintendent of schools of a school district must not be evaluated using the statewide performance evaluation system.

Existing law generally requires ~~[this]~~ **the statewide performance evaluation** system to include a requirement that pupil achievement data account for at least 40 percent of an evaluation and that such data be derived both from statewide examinations and assessments and certain assessments approved by the board of trustees of a school district. (NRS 391.465) **Section 2** ~~[of this bill removes the requirement that pupil achievement data be included in an evaluation, and]~~ instead ~~[provides that]~~ **requires** pupil achievement data ~~[may]~~ **to** account for ~~[not more than]~~ 20 percent of an evaluation. **Section 2** also ~~[provides that if pupil achievement data is included as a part of the evaluation system, the]~~ **requires this** data ~~[must]~~ **to** be generated from the relevant school or school district. ~~[Section 1 of this bill makes conforming changes.]~~

Existing law establishes the Teachers and Leaders Council of Nevada and prescribes the membership of the Council. (NRS 391.455) Section 1.3 of this bill adds an additional member to the Council, who must be a school counselor, psychologist, speech-language pathologist, audiologist or social worker.

Existing law requires each postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as effective or highly effective to receive one evaluation in the next school year. (NRS 391.690, 391.710) **Sections 4 and 5** of this bill instead require a postprobationary teacher or administrator who receives an evaluation designating his or her overall performance as ~~[: (1) effective to receive one evaluation in the next 3 school years; or (2)]~~ highly effective **for 2 consecutive school years** to receive one evaluation in the next ~~[5]~~ **2** school years.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **NRS 391.102 is hereby amended to read as follows:**

391.102 1. proposed to be transferred. If such consent is not obtained, the superintendent of schools of the school district:

(a) May assign the teacher or administrator to a school within the district other than the school from which the teacher or administrator was transferred; and

2. The superintendent of schools of a school district shall develop a plan to address the assignment of teachers or administrators who have received evaluations designating their overall performance as ~~[minimally effective]~~ ***developing*** or ineffective when the consent of a principal to a transfer pursuant to subsection 1 is not obtained. Such a plan must include, without limitation, a plan for any such teacher or administrator to receive assistance to help the teacher or administrator, as applicable, meet the standards for effective teaching, which may include, without limitation, peer assistance and review, participation in programs of professional development and other appropriate training.

Legislative Counsel's Digest:

Existing law requires certain providers of health care to retain the health care records of patients for 5 years after their receipt or production. (NRS 629.051) **Section 1** of this bill authorizes the Board of Medical Examiners to take possession of the health care records of a licensee's patients in the event of the licensee's death, disability, incarceration or other incapacitation that would render the licensee unable to continue his or her practice. **Section 1** further authorizes the Board to provide such records to the patient or to the patient's subsequent provider of health care. **Section 1** also requires that certain disclosures regarding such records be provided to patients.

Existing law provides for the maintenance of an Internet website by the Board of Medical Examiners. (NRS 630.144) **Section 3** of this bill ~~[authorizes the Executive Director of the Board to post information on the Internet website of the Board without obtaining prior approval from the Board. Section 3 also]~~ requires ~~[certain information relating to physicians that is included on the Internet website also be included for other licensees of]~~ the Board ~~[.]~~ **to adopt policies and procedures for placing information on its Internet website.**

Existing law imposes a fine on a person who is licensed under chapter 630 of NRS and fails to maintain a permanent mailing address with the Board of Medical Examiners. (NRS 630.254) Existing law similarly imposes a fine on an inactive registrant for such a failure. (NRS 630.255) **Sections 5 and 6** of this bill authorize, rather than require, the Board to impose such fines.

~~[Existing law requires an applicant for a license to practice medicine to submit to the Board of Medical Examiners a description of any complaints filed against the applicant with a licensing board of another state and any disciplinary action taken against the applicant by the licensing board of another state. (NRS 630.173) Section 4 of this bill provides that an applicant for such a license is not required to report with his or her application: (1) an anonymous complaint submitted to the licensing board of another state if such a board refused to consider or investigate the anonymous complaint; or (2) a complaint filed against the applicant that did not result in any disciplinary action taken against the applicant by the licensing board of another state.~~

~~Existing law also requires each holder of a license to practice medicine to register with the Board on or before June 30 of each odd-numbered year, and provides that each license issued will expire if not renewed. Existing law further requires each holder of a license to practice medicine, when registering with the Board, to submit a list of all actions filed or claims submitted for malpractice against him or her during the previous 2 years. (NRS 630.267) Section 8 of this bill provides that the holder of such a license does not need to report with his or her biennial registration: (1) an anonymous complaint submitted to the Board if the Board refused to consider the anonymous complaint; or (2) a complaint filed against the holder of such a license that did not result in any disciplinary action taken against the holder by the Board.]~~

Existing law requires persons who are licensed to practice medicine by the Board of Medical Examiners to make certain reports to the Board concerning surgeries requiring conscious sedation, deep sedation or general anesthesia which were performed by the holder of the license and the occurrence of any sentinel events arising from those surgeries. The Board is required to submit the reports to the Division of Public and Behavioral Health of the Department of Health and Human Services. Nothing in this subsection authorizes the performance of any work for which a license is required pursuant to this chapter by a person who is not licensed pursuant to this chapter or the payment of any additional compensation to a person licensed as a real estate broker, real estate broker-salesperson or real estate salesperson for assisting a client in scheduling the work. The provisions of this subsection apply only if a building permit is not required to perform the work and if the value of the work does not exceed $10,000 per residential property during the fixed term of the written brokerage agreement, if the assistance is provided pursuant to such an agreement, or during a period not to exceed 6 months if the assistance is provided pursuant to a property management agreement. SECOND READING AND AMENDMENT

Assembly Bill No. 328.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 536.

AN ACT relating to professions; establishing limitations on the employment or retention of attorneys by certain regulatory bodies; requiring attorneys who contract with certain regulatory bodies to act as legal counsel for the regulatory body to carry professional liability insurance that satisfies certain criteria; requiring the Department of Administration to adopt regulations relating to the financial operation and administration of certain regulatory bodies; revising the qualifications for the executive director or executive secretary of certain regulatory bodies; revising the disciplinary process for certain regulatory bodies which administer occupational licensing; providing certain immunity for independent contractors who act as legal counsel for certain regulatory bodies; **revising requirements for certain regulatory bodies of this State to prepare a balance sheet or hire a public accountant or accounting firm to conduct an audit of the body for a fiscal year;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law generally imposes certain requirements on regulatory bodies that regulate professions in this State. (Chapter 622 of NRS) **Section 2** of this bill prohibits an attorney from being employed as legal counsel by more than one regulatory body. **Section 2** further requires an attorney who contracts with a regulatory body to act as legal counsel as an independent contractor to carry a policy of professional liability insurance that names the State as an additional insured in the insurance policy. **Section 30** of this bill extends the sovereign immunity of the State to an attorney who contracts with a regulatory body to act as legal counsel. **Section 4** of this bill prohibits a person from being employed as an executive director or executive secretary by more than one regulatory body and requires a person employed by a regulatory body as an executive director or executive secretary to be a resident of this State. **Section 3** of this bill requires the Department of Administration to adopt regulations that establish standards for the financial operation and administration of regulatory bodies. ~~[The regulations adopted pursuant to section 3 must require each regulatory body to provide for an annual audit of the accounts and records of the regulatory body.]~~

Existing law requires regulatory bodies to comply with certain administrative procedures governing the disciplinary process for licensees. (Chapter 622A of NRS) Existing law also provides an exemption for certain regulatory bodies from having to comply with the uniform disciplinary process. (NRS 622A.120) **Section 8** of this bill removes the exemption for regulatory bodies that issue professional licenses and are not under the direct supervision of a department of the Executive Branch of State Government. **Section 6** of this bill ~~[requires the Attorney General or]~~ **prohibits** a deputy attorney general ~~[to prosecute any]~~ **from acting as legal counsel for a regulatory body in a** contested case **if he or she prosecuted the contested case** before ~~[a]~~ **the** regulatory body **.** ~~[, unless the Attorney General and the deputies of the Attorney General are either disqualified from serving as~~

~~prosecutor or lack the necessary expertise to prosecute a specific contested case.]~~ **Section 7** of this bill prohibits an attorney who is employed **or retained** as legal counsel to a regulatory body from prosecuting a contested case before the regulatory body at any time while employed or retained by the regulatory body. ~~[Section 7 further provides that this prohibition is in effect until all contested cases that were before the regulatory body while the attorney was employed by the regulatory body have reached a final disposition.]~~ **Section 10** of this bill provides immunity from civil liability for persons who contract with regulatory bodies as independent contractors **to act as legal counsel for a regulatory body** and who participate in the disciplinary process of a regulatory body.

Existing law, with certain exceptions, requires certain regulatory bodies of this State which: (1) receive less than $75,000 in revenue during a fiscal year to prepare a balance sheet for that fiscal year; or (2) receive $75,000 or more in revenue during any fiscal year to hire a public accountant or accounting firm to conduct an audit of the regulatory body's fiscal records for that fiscal year. Upon completion of the balance sheet or audit, existing law requires the regulatory body to file the balance sheet or a report of the audit with the Legislative Auditor and the Chief of the Budget Division of the Office of Finance on or before December 1 following the end of that fiscal year. (NRS 218G.400) Section 30.5 of this bill increases from $75,000 to $200,000 the amount of revenue received in any fiscal year for the purpose of determining whether a regulatory body is required to prepare a balance sheet or hire a public accountant or accounting firm to conduct the audit and subsequently file a report of the audit with the Legislative Auditor and the Chief of the Budget Division.

Assembly Bill No. 365.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 409.

AN ACT relating to marriage; providing for the issuance of a certificate of vow renewal; authorizing certain persons to perform a marriage; authorizing a county clerk to establish a course for certain persons authorized to perform a marriage; revising various provisions governing the performance of marriages; increasing the penalty for certain crimes related to performing marriages; revising provisions related to certain fees for the issuance of a marriage license; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the following persons to obtain a certificate of permission to perform marriages: (1) any licensed, ordained or appointed minister or other church or religious official authorized to solemnize a marriage; (2) certain notaries public; (3) a temporary replacement for a licensed, ordained or appointed minister or other church or religious official, after receiving a written authorization from the minister or other church or

religious official and the county clerk; and (4) any chaplain who is assigned to duty in this State by the Armed Forces of the United States. Existing law also authorizes certain ministers or other church or religious officials or certain notaries public to perform not more than five marriages per year in the county upon receiving a separate written authorization from the county clerk for each marriage performed. (NRS 122.062) **Sections 2, 5, 6 and 8-17** of this bill amend existing law to grant the same authorization and responsibilities for performing a marriage to marriage officiants as the statutes do for other authorized persons. **Section 2** defines the term "marriage officiant" as a person, other than a minister, other church or religious official authorized to solemnize a marriage or notary public, who obtains a certificate of permission to perform marriages. **Section 8 prohibits a county clerk from authorizing a marriage officiant to solemnize a marriage unless the county clerk first establishes a course for marriage officiants.** **Sections 8 and 9** authorize a county clerk to establish a course for marriage officiants and requires an applicant who desires to be a marriage officiant to successfully complete the course. **Section 9** authorizes a county clerk to charge a fee of not more than $100 for the course to persons who desire to be a marriage officiant and requires any fees collected to be used only for establishing **and maintaining** such a course. **Section 10**: (1) provides for the inclusion of marriage officiants who obtain **or renew** a certificate of permission to perform marriages in the statewide database of certain persons authorized to perform marriages which is maintained by the Secretary of State under existing law; (2) requires marriage officiants to comply with Nevada laws pertaining to persons who perform marriages; and (3) provides for the expiration and revocation of the certificate of permission to perform marriages issued to a marriage officiant.

Existing law provides that a certificate of permission to perform marriages expires when: (1) a minister, other person who is authorized to solemnize a marriage or notary public, to whom the certificate has been issued, moves from the county in which his or certificate was issued; (2) a minister or other religious official's authority to solemnize marriages is removed; or (3) the expiration, cancellation, revocation or suspension of an appointment of a notary public. (NRS 122.066) **Section 10** provides that **[,] if a county clerk establishes a policy providing for the expiration of a certificate of permission to perform marriages,** unless certain exceptions apply, any certificate of permission to perform marriages ~~[is valid until]~~ **expires** 5 years after the date the certificate was issued **[,] or renewed. Section 9** requires all applicants for renewal of a certificate to complete an application and pay to the county clerk a fee of $25.

Section 3 of this bill authorizes **a county clerk to establish a program to provide for** a couple who renews their marriage vows to request a certificate of vow renewal from the county clerk. **Section 3** sets forth the requirements for such a request as well as the requirements concerning the contents of such a certificate. ~~[Section 3 also authorizes a board of county commissioners to~~

~~adopt an ordinance to carry out the requirements, form and procedure governing the issuance of a certificate of vow renewal, including authorizing a county clerk to collect a fee to cover the cost of issuing the certificate.]~~ Finally, **section 3** prohibits the use of a certificate of vow renewal to establish a record of marriage ~~[.]~~ **and exempts such a certificate from any requirement for the retention of records by the office of the county clerk.**

Existing law provides that a person is guilty of a misdemeanor if he or she performs a marriage and he or she knows that he or she is not lawfully authorized or knows of any legal impediment to the proposed marriage. (NRS 122.260) **Section 17** ~~[increases]~~ **revises** the penalty by providing that such an act is ~~[also]~~ punishable by a ~~[fine]~~ **civil penalty** of not ~~[less]~~ **more** than $1,500. **Section 17 also authorizes a board of county commissioners to enact an ordinance delegating to a hearing officer the authority to determine such violations and levy civil penalties for those violations.**

Under existing law, the county clerk may place an affidavit of application for a marriage license, a certificate of marriage license and a marriage license on a single form, on the reverse of which the county clerk must have printed or stamped instructions for obtaining a certified copy or certified abstract of the certificate of marriage. (NRS 122.055) **Section 7** of this bill requires the county clerk to include on the form certain language that the certificate is not a certified copy. Existing law also requires a person who solemnizes a marriage to give each couple being married a certificate of marriage. **Section 15** clarifies that the certificate the couple receives from the person who solemnizes the marriage is an uncertified copy of a certificate of marriage.

Existing law authorizes a board of county commissioners in a county whose population is 700,000 or more (currently Clark County) to adopt an ordinance imposing an additional fee of not more than $14 for the issuance of a marriage license. If a board of county commissioners adopts such an ordinance: (1) the fee must be deposited in a special revenue fund designated as the fund for the promotion of marriage tourism; (2) money in the fund must be used by the county clerk to promote marriage tourism in the county; and (3) the county clerk is required to submit to the board of county commissioners a report of the projected expenditures of the money in the fund for the following fiscal year. (NRS 246.075) **Section 18** of this bill requires the county clerk to report to the board rather than submitting a report to the board of the projected expenditures of the money in the fund for the following fiscal year.

178.425 1. If the court finds the defendant incompetent, and dangerous to himself or herself or to society and that commitment is required for a determination of the defendant's ability to receive treatment to competency and to attain competence, the judge shall order the sheriff to convey the defendant forthwith, together with a copy of the complaint, the commitment and the physicians' certificate, if any, into the custody of the Administrator or the Administrator's designee for detention and treatment at a division facility that is secure. The order may include the involuntary administration of medication if appropriate for treatment to competency.

2. The defendant must be held in such custody until a court orders the defendant's release or until the defendant is returned for trial or judgment as provided in NRS 178.450, 178.455 and 178.460.

3. If the court finds the defendant incompetent but not dangerous to himself or herself or to society, and finds that commitment is not required for a determination of the defendant's ability to receive treatment to competency and to attain competence, the judge shall order the defendant to report to the Administrator or the Administrator's designee as an outpatient for treatment, if it might be beneficial, and for a determination of the defendant's ability to receive treatment to competency and to attain competence. The court may require the defendant to give bail for any periodic appearances before the Administrator or the Administrator's designee.

4. Except as otherwise provided in subsection 5, proceedings against the defendant must be suspended until the Administrator or the Administrator's designee or, if the defendant is charged with a misdemeanor, the judge finds the defendant capable of standing trial or opposing pronouncement of judgment as provided in NRS 178.400.

Amendment No. 548.

SUMMARY—Revises provisions governing prescription drugs covered by **certain** policies of health insurance. (BDR 57-698)

AN ACT relating to health insurance; prohibiting an insurer from taking certain actions concerning prescription drugs covered by ~~[a policy]~~ **certain policies** of health insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, policies of health insurance may provide coverage for prescription drugs. Prescription drugs which are covered by a policy of health insurance are organized into a formulary, which is an official list of the prescription drugs, and that formulary may be subcategorized based upon the cost to the insured person to purchase the prescription drug under the policy of health insurance. These subcategories are referred to as tiers. If a particular prescription drug is moved by the insurer from a lower cost tier to a higher cost tier, the insured person purchasing the prescription drug will need to pay more to purchase the prescription drug after the prescription drug is moved to the higher cost tier.

Section 1 of this bill prohibits ~~[an insurer]~~ **certain insurers** from moving a prescription drug from a lower cost tier to a higher cost tier ~~[before the expiration of the policy of health insurance, while expressly authorizing such a move upon renewal of the policy. The applicable terms in section 1 are defined broadly to apply to private and public health care policies, contracts, certificates, plans and agreements, as specified, including, without limitation, policies offered to individuals and groups, plans offered through small~~

~~employers, contracts offered by fraternal benefit societies, policies offered by hospital or medical services corporations, plans offered by health maintenance organizations and by managed care organizations, coverage provided by prepaid limited health service organizations, and programs such as Medicaid administered by governmental entities. Sections 3 and 4 of this bill make conforming changes to apply the provisions of section 1 to state and local governmental employees.]~~ **under certain policies of health insurance issued to an individual or a small employer, except on specified dates or when an applicable generic drug is added to the formulary under specified circumstances. Section 1 does not prevent such an insurer from: (1) moving a prescription drug from a higher cost tier to a lower cost tier; (2) removing a prescription drug from a formulary; or (3) adding a prescription drug to a formulary.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 687B of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a policy of health insurance issued to an individual pursuant to chapter 689A, ~~[689B, 689C, 695A,]~~ 695B ~~[,]~~ or 695C ~~[, 695F or 695G]~~ of NRS includes coverage for a prescription drug pursuant to a formulary with more than one cost tier, the insurer ~~[shall not]~~ may move the prescription drug from a lower cost tier to a higher cost tier ~~[before the expiration of the policy of health insurance. The insurer may move a prescription drug from a lower cost tier to a higher cost tier upon renewal of the policy of health insurance.~~

~~2.]~~ only:

(a) On January 1; and

(b) On any date on which the insurer adds to the formulary a generic prescription drug that:

(1) Has been approved by the Food and Drug Administration for use as an alternative to the original prescription drug; and

(2) Is being added to the formulary at:

(I) The same cost tier from which the original prescription drug is being moved; or

(II) A cost tier which has a smaller deductible, copayment or coinsurance than the cost tier from which the original prescription drug is being moved.

2. If a policy of health insurance issued to a small employer pursuant to chapter 689C, 695B or 695C of NRS includes coverage for a prescription drug pursuant to a formulary with more than one cost tier, the insurer may move the prescription drug from a lower cost tier to a higher cost tier only:

(a) On January 1;

(I) The same cost tier from which the original prescription drug is being moved; or

(II) A cost tier which has a smaller deductible, copayment or coinsurance than the cost tier from which the original prescription drug is being moved.

3. The provisions of this section do not prevent an insurer, at any time, from:

(a) Moving a prescription drug from a higher cost tier of a formulary to a lower cost tier of the formulary; ~~[or]~~

(b) Removing a prescription drug from a formulary; or

(c) Adding a prescription drug to a formulary.

~~[3.]~~ 4. This section does not apply to a grandfathered plan.

Legislative Counsel's Digest:

The nonadministrative provisions of the Sales and Use Tax Act of 1955 (part of chapter 372 of NRS) was approved by the voters by a referendum and therefore cannot be amended, annulled, repealed, set aside, suspended or in any way made inoperative except by the direct vote of the people. (Nev. Const. Art. 19, § 1)

Sections 2-9 of this bill require the submission of a question to the voters at the 2018 General Election of whether the Sales and Use Tax Act of 1955 should be amended to provide an exemption for feminine hygiene products and diapers. **Section 10** of this bill construes the terms "feminine hygiene product" and "diaper" for the purposes of the exemption. **Sections 11 and 12** of this bill amend the Local School Support Tax Law to provide an identical exemption. THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds that each exemption provided by this act from any excise tax on the sale, storage, use or consumption of tangible personal property sold at retail:

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 2. At the General Election on November 6, 2018, a proposal must be submitted to the registered voters of this State to amend the Sales and Use Tax Act, which was enacted by the 47th Session of the Legislature of the State of Nevada and approved by the Governor in 1955, and subsequently approved by the people of this State at the General Election held on November 6, 1956.

Sec. 3. At the time and in the manner provided by law, the Secretary of State shall transmit the proposed act to the several county clerks, and the county clerks shall cause it to be published and posted as provided by law.

Sec. 4. The proclamation and notice to the voters given by the county clerks pursuant to law must be in substantially the following form:

Notice is hereby given that at the General Election on November 6, 2018, a question will appear on the ballot for the adoption or rejection by the registered voters of the State of the following proposed act:

Amendment No. 522.

SUMMARY—Revises various provisions relating to governmental administration. (BDR ~~[17-573)]~~ **18-573)**

AN ACT relating to governmental administration; ~~[creating the Governmental Oversight and Accountability Subcommittee of the Legislative Commission; prescribing the powers and duties of the Subcommittee;]~~ authorizing the Legislative Commission to suspend or nullify certain regulations; abolishing the Subcommittee to Review Regulations of the Legislative Commission; revising provisions relating to administrative regulations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Section 5 of this bill creates the Governmental Oversight and Accountability Subcommittee of the Legislative Commission and provides for the appointment of its membership. Section 6 of this bill prescribes the manner in which meetings are required to be conducted by the Oversight Subcommittee and provides for the compensation of its members. Section 7 of this bill prescribes the powers and duties of the Oversight Subcommittee, including the evaluation and review of issues related to governmental agencies. Section 8 of this bill prescribes the manner in which investigations and hearings are required to be conducted by the Oversight Subcommittee.]~~

The separation-of-powers provision of the Nevada Constitution provides that if the Legislature authorizes the adoption of regulations by an agency of the Executive Department of the State Government which bind persons outside the agency, the Legislature is authorized to enact laws providing for: (1) the review of such regulations by a legislative agency before their

effective date to determine whether each such regulation is within the statutory authority for its adoption; (2) the suspension by a legislative body of any such regulation which appears to exceed the statutory authority for its adoption until the regulation is reviewed by a legislative body composed of members of the Senate and Assembly; and (3) the nullification of any such regulation by a majority vote of a legislative body composed of members of the Senate and Assembly. (Nev. Const. Art. 3, § 1) The Nevada Administrative Procedure Act sets forth the procedures for the adoption of emergency, temporary and permanent regulations by nonexempt state agencies. (NRS 233B.0395-233B.120) With limited exceptions, the Legislative Commission or the Subcommittee to Review Regulations of the Legislative Commission is required under existing law to approve permanent regulations before those regulations become effective. (NRS 233B.067-233B.070)

Section 10 of this bill authorizes the Legislative Commission to suspend or nullify a regulation adopted pursuant to the Nevada Administrative Procedure Act if the regulation: (1) exceeds the statutory authority for its adoption; (2) is inconsistent with the intent of the Legislature in granting the statutory authority for its adoption; or (3) is no longer being administered or interpreted in a manner that is consistent with the agency's stated intention when adopting the regulation or the agency's stated intention during the review and approval of the regulation by the Legislative Commission. **Section 10** also precludes judicial review of a decision of the Legislative Commission to suspend or nullify a regulation and authorizes the Legislative Commission to determine what constitutes a regulation for the purposes of exercising the Legislative Commission's power to suspend or nullify a regulation. **Sections 12, 26 and 28** of this bill make conforming changes.

Section 22 of this bill abolishes the Subcommittee to Review Regulations of the Legislative Commission and, with limited exceptions, requires only the Legislative Commission to review and approve permanent regulations before those regulations become effective. **Sections 16, 19, 21-24, 27 and 29** of this bill make conforming changes.

Section 11 of this bill authorizes the Legislative Commission to adopt regulations necessary to carry out the provisions of the Nevada Administrative Procedure Act governing administrative regulations.

Existing law excludes the application of certain agency policies as applied to a person with sufficient prior actual notice of the policy from the definition of "regulation" for the purposes of the Nevada Administrative Procedure Act. (NRS 233B.038) **Section 13** of this bill removes this exception.

Existing law ratifies the Nevada Administrative Code as revised or supplemented before May 15, 1987. (NRS 233B.0395) **Section 14** of this bill ratifies the Code as revised or supplemented before February 6, 2017.

Existing law requires an agency to adopt a proposed regulation not later than 2 years after the proposed regulation is submitted to the Legislative Counsel. (NRS 233B.040) **Section 15** of this bill requires an agency to also

submit the proposed regulation to the Legislative Commission for review within the same 2-year period.

Existing law requires an agency to hold an oral public hearing on a proposed regulation if an oral hearing is requested by certain persons and the proposed regulation is substantive. (NRS 233B.061) **Section 17** of this bill eliminates the requirement regarding the substantiveness of the regulation.

Under existing law, the Legislative Counsel is required to prepare and publish a Register of Administrative Regulations, which includes information relating to adopted permanent regulations. (NRS 233B.0653) **Section 20** of this bill eliminates the requirement that the Legislative Counsel publish paper copies of the Register and instead requires the Legislative Counsel to publish the Register electronically on the public website of the Legislature on the Internet.

An emergency regulation becomes effective when certain documents are filed with the Secretary of State. (NRS 233B.070) **Section 25** of this bill requires that a copy of the written statement of the emergency endorsed by the Governor is included with the information that must be filed with the Secretary of State before an emergency regulation becomes effective.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 490.

AN ACT relating to construction; revising provisions relating to the payment of prevailing wages **[**~~,~~**]** **and bidding on public works;** revising provisions governing the construction of a public work by a construction manager at risk; revising provisions relating to agreements with labor organizations concerning contracts with a public body for a public work or with an awardee of certain grants, tax abatements, tax credits or tax exemptions from a public body; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that a bidder **or bid** on various types of public works be **[**~~"responsible and responsive."~~**]** **"responsive."** (NRS 338.010, 338.13844, 338.1385, 338.13862, 338.1389, 338.143, 338.1444, 338.147, 338.1475) **Section 2** of this bill specifies that the term **[**~~relates to:~~**]** **means the bid received from the bidder:** (1) **[**~~the record of the contractor on public works with respect to timeliness of completion, requesting change orders and quality of workforce; and (2) the compliance of the bid with~~**]** **meets** the requirements of the applicable provisions of law **[**~~.~~**]** **and (2) complies with the mandatory provisions of the advertisement or solicitation for bids.**

Under existing law, with certain exceptions, the prevailing wage in a county for each craft or type of work, as determined by the Labor Commissioner, is required to be paid on a project in the county involving new construction, repair or reconstruction that is financed in whole or in part with public money and for which the estimated cost is $250,000 or more. (NRS 338.010, 338.020-338.080) **Section 4** of this bill decreases the minimum threshold for the applicability of the prevailing wage requirements from $250,000 to **[**~~$25,000. Section 21 of this bill makes a conforming change with respect to incentives provided to a developer for a redevelopment project.~~**]** **$100,000.**

To determine the prevailing wages in each county under existing law, the Labor Commissioner is required to **annually** survey contractors who have

performed work in the county. If, based on the survey, the rate of wages is the same for more than 50 percent of the total hours worked by a specific craft or ~~[trade]~~ **type of work** on similar construction, the Labor Commissioner is required to determine that rate as the prevailing wage. **If no such rate can be determined, existing law provides that the prevailing wage for a craft or type of work is the average rate of wages per hour.** (NRS 338.030) **Section 3** of this bill ~~[decreases the percentage at which the rate is required to be prevailing to 30 percent of the total hours for the craft or trade.]~~ **removes these requirements with which the Labor Commissioner must comply in determining the prevailing rate of wages.**

School districts and the Nevada System of Higher Education are required under existing law to pay on their public works and certain other construction projects 90 percent of the prevailing wage rates that are otherwise required to be paid by other public bodies. (NRS 338.030) **Section 3** of this bill eliminates this exception and therefore requires school districts and the Nevada System of Higher Education to pay the same prevailing wage rates on their public works and other construction projects as other public bodies are required to pay.

During the 78th Regular Session, the exemption from the laws governing public works, including the prevailing wage requirements, was removed for a building of the Nevada System of Higher Education for which less than 25 percent of the costs was paid from money appropriated by this State or from federal money. (Section 2 of chapter 410, Statutes of Nevada 2015, p. 2375) **Section 36** of this bill eliminates requirements in existing law for the payment of prevailing wages on construction work of the Nevada System of Higher Education even if the construction work does not qualify as a public work that are duplicative as a result of the removal of the exemption.

Under existing law, charter schools are exempt from the requirement in existing law to pay prevailing wages rates on their public works and certain other construction projects. (NRS 338.080) **Section 4** of this bill eliminates this exemption and therefore requires charter schools to pay prevailing wage rates on their public works and other construction projects.

Existing law makes the prevailing wage requirements applicable to certain construction projects that are not a "public work" as defined in existing law. (NRS 244A.058, 244A.763, 268.568, 271.710, 271.800, 278C.240, 279.500, 318.140, 318.144, 332.390, 333A.120, 349.670, 349.956, 388A.635, 408.3886, 543.545, 701B.265, 701B.625) **Sections 15-33** of this bill clarify that those prevailing wage requirements apply in the same manner as if the applicable public body had undertaken the project or awarded the contract.

Section 8 of the federal National Labor Relations Act prohibits certain agreements between an employer and a labor union whereby the employer agrees to cease or refrain from handling, using, selling, transporting or otherwise dealing in the products of an employer. Agreements in the construction industry relating to the contracting or subcontracting of work to be done at a construction site are exempt from this prohibition. (29 U.S.C. §

158(e)) **Section 7** of this bill provides that the general terms of a subcontract include any provision relating to the contracting or subcontracting of work for an employer in the construction industry that is not prohibited by section 8.

Under existing law, public bodies are authorized to construct public works under certain circumstances through a method by which a construction manager at risk provides preconstruction services on the public work and, in some cases, construction services on the public work. (NRS 338.1685-338.16995) Under existing law, the proposal of an applicant for a contract as a construction manager at risk is required to include the resume of any employee of the applicant who will be managing the preconstruction and construction of the public work. (NRS 338.1692) With certain exceptions, **section 10** of this bill prohibits an applicant from substituting such an employee. **Section 10** also **, with an exception,** increases from 25 percent to 50 percent the amount of the estimated cost of construction that the applicant is required to state in the proposal that the applicant will perform if the public work predominantly involves horizontal construction.

Under existing law, the public body is required to appoint a panel to initially rank the proposals submitted by all applicants for a contract as a construction manager at risk and a second panel to interview and rank applicants whom the public body selected from the rankings of the first panel. **The second panel is authorized to require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work.** (NRS 338.1693) **Section 11** of this bill ~~[prohibits a majority of the members of either panel from being employed by the public body unless the public body is the State Public Works Board. Section 11 also eliminates the requirement in existing law that the public body provide an explanation, upon request, to unsuccessful applicants regarding the reasons they were not selected.]~~ **: (1) makes submission of the preliminary proposed amount of compensation mandatory; (2) specifies the contents of that amount; and (3) requires applicants to also submit a list of the personnel of the applicant who will provide services on the public work.**

The amount of a contract with a construction manager at risk for the construction of a public work is authorized under existing law to be for: (1) the cost of the work, plus a fee, with a guaranteed maximum price; (2) a fixed price; or (3) a fixed price plus reimbursement for certain costs and expenses. (NRS 338.1696) **Section 12** of this bill eliminates two pricing methods so that the ~~[cost of work, plus a fee, with a]~~ guaranteed maximum price is the only authorized pricing method for a contract with a construction manager at risk. **Section 12** ~~[requires the State Public Works Board to prescribe a form which is required to be completed and submitted by a construction manager at risk to the public body to identify and itemize]~~ **specifies that the guaranteed maximum price includes** the cost of the work and the fee and **related costs and requires the construction manager**

at risk to list the names of the subcontractors selected by the construction manager at risk to provide labor, materials or equipment which are estimated by the construction manager at risk to exceed 1 percent of the estimated cost of the public work.

~~[To be eligible to provide labor, materials or equipment on a public work for which a construction manager at risk has entered into a contract with a public body, a subcontractor is required to be licensed by the State Contractors' Board and be determined to be qualified by the construction manager at risk to submit a proposal based on specified criteria. (NRS 338.16991) Section 13 of this bill adds the additional eligibility requirement that the subcontractor agree in advance to comply with any provision in the general terms of the contract relating to the contracting or subcontracting of work for an employer in the construction industry that is not prohibited by section 8 of the federal National Labor Relations Act. Therefore, if a subcontractor does not agree in advance to comply with such a provision, the subcontractor is not eligible to provide labor, materials or equipment on a subcontract with a construction manager at risk.~~

~~Under existing law, an applicant who is determined to not be eligible to provide labor, materials or equipment on a subcontract with a construction manager at risk is authorized to appeal that determination to the public body with whom the construction manager at risk has entered into a contract. (NRS 338.16991) Section 5 of this bill clarifies the burden of proof of such an applicant on appeal.]~~

Section 1 of this bill **authorizes certain persons and entities to file a complaint with the Labor Commissioner regarding a violation of certain requirements in existing law governing the construction method of a construction manager at risk. Section 1 requires the Labor Commissioner to investigate and issue a determination regarding such a complaint. Section 1** prohibits a public body that is found to have violated ~~[certain requirements governing construction of a public work with a construction manager at risk]~~ **such a requirement** from entering into a contract with a construction manager at risk for 2 years after ~~[being found in]~~ **a final determination of the** violation. If such a violation is found, **section 1** ~~[makes the]~~ **deems any** contract **that the public body enters into** with ~~[the]~~ **a** construction manager at risk ~~[void]~~ **during the 2-year period terminated by the public body without cause** and requires the public body to transmit a copy of the decision regarding the violation to the building official having jurisdiction over the project to issue a stop order on the project.

Existing law eliminates the authority for public bodies to enter into contracts with construction managers at risk, effective July 1, 2017 ~~[.]~~ **, and, until that expiration date, requires public bodies to submit an annual report to the Legislature concerning their projects with construction managers at risk.** ~~[(Section]~~ **(Sections 14.5 and** 15 of chapter 487, Statutes of Nevada 2013, ~~[p. 2986,]~~ **pp. 2985-86;** section 9 of chapter 123, Statutes of Nevada 2015, p. 457) **Sections 34 and 35** of this bill postpone the

prospective expiration of this authority until June 30, 2021 **[.] , and section 33.5 of this bill requires the inclusion of additional information in the annual reports.**

Existing law prohibits a public body, in any solicitation, contract or other document related to a contract for a public work from: (1) requiring or prohibiting a bidder or contractor from entering into or adhering to any agreement with one or more labor organizations in regard to the public work; or (2) discriminating against a bidder or contractor for entering or not entering into, or adhering or refusing to adhere to, any agreement with one or more labor organizations in regard to the public work. Existing law further prohibits a public body, with certain exceptions, from awarding a grant, tax abatement, tax credit or tax exemption that is conditioned upon a requirement that the awardee include in a contract for a project that is the subject of the grant, tax abatement, tax credit or tax exemption a term that: (1) requires or prohibits a bidder or contractor from entering into or adhering to any agreement with one or more labor organizations in regard to the project; or (2) discriminates against a bidder or contractor for entering or not entering into, or adhering or refusing to adhere to, any agreement with one or more labor organizations in regard to the project. (NRS 338.1405) **Section 36** of this bill eliminates this prohibition.

(a) A list of all persons, including supervisors, whom the public body intends to assign to the public work, together with their classifications and an estimate of the direct and indirect costs of their labor;

(b) A list of all equipment that the public body intends to use on the public work, together with an estimate of the number of hours each item of equipment will be used and the hourly cost to use each item of equipment;

(d) An estimate of the total cost of the public work, including, the fair market value of or, if known, the actual cost of all materials, supplies, labor and equipment to be used for the public work; and

(e) An estimate of the amount of money the public body expects to save by rejecting the bids and performing the public work itself.

Sec. 11. NRS 338.1693 is hereby amended to read as follows:

338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three but not more than seven members, a majority of whom must have experience in the construction industry, ***~~[and, except if the public body is the State Public Works Board, are not employed by the public body]~~*** to rank the proposals submitted to the public body by evaluating the proposals as required pursuant to subsections 2 and 3.

(a) Verifying that each applicant satisfies the requirements of NRS 338.1691; and

(b) Evaluating and assigning a score to each of the proposals received by the public body based on the factors and relative weight assigned to each factor that the public body specified in the request for proposals.

3. When ranking the proposals, the panel appointed pursuant to subsection 1 shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

4. After the panel appointed pursuant to subsection 1 ranks the proposals, the public body or its authorized representative shall, except as otherwise provided in subsection ~~[8,]~~ **9,** select at least the two but not more than the five applicants whose proposals received the highest scores for interviews.

5. The public body or its authorized representative may appoint a separate panel to interview and rank the applicants selected pursuant to subsection 4. If a separate panel is appointed pursuant to this subsection, the panel must consist of at least three but not more than seven members, a majority of whom must have experience in the construction industry . ***~~[and, except if the public body is the State Public Works Board, are not employed by the public body.]~~***

6. During the interview process, the panel conducting the interview ~~[may]~~ ***shall*** require the applicants to submit ~~[a]~~ **:**

(a) A preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. ***The preliminary proposed amount of compensation must include, without limitation:***

(1) The proposed fee for the preconstruction services on the public work;

(2) The proposed fee for managing the construction services on the public work;

(3) The cost of travel and per diem for persons on the list submitted pursuant to paragraph (b); and

(4) The additional costs for bonding and insurance related to the preconstruction and construction services, including, without limitation, costs for general liability and course of construction insurance.

(b) A list of the name, title and total cost of compensation of and the anticipated number of hours of work to be performed by each person who will be employed or retained by the applicant to provide the preconstruction services or manage the construction services, or both, on the public work. As used in this paragraph, "total cost of compensation" means wages, benefits and any other costs associated with employment or retention, including, without limitation, the cost of workers' compensation, unemployment insurance and applicable taxes.

7. All presentations made at any interview conducted pursuant to ~~[this subsection or]~~ subsection 5 ***or 6*** may be made only by key personnel employed by the applicant, as determined by the applicant, and the employees of the applicant who will be directly responsible for managing the preconstruction and construction of the public work.

~~[7.]~~ ***8.*** After conducting such interviews, the panel that conducted the interviews shall rank the applicants by using a ranking process that is separate from the process used to rank the applicants pursuant to subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant. When ranking the applicants, the panel that conducted the interviews shall assign a relative weight of 5 percent to the applicant's possession of a certificate of eligibility to receive a preference in bidding on public works if the applicant submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

~~[8.]~~ ***9.*** If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.

~~[9.]~~ ***10.*** Upon receipt of the final rankings of the applicants from the panel that conducted the interviews, the public body or its authorized representative shall enter into negotiations with the most qualified applicant determined pursuant to the provisions of this section for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative and the most qualified applicant determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

~~[10.]~~ ***11.*** The public body or its authorized representative shall :

338.16995 1. If a public body enters into a contract with a construction manager at risk for the construction of a public work pursuant to NRS 338.1696, the construction manager at risk may enter into a subcontract for the provision of labor, materials and equipment necessary for the construction of the public work only as provided in this section.

2. The provisions of this section apply only to a subcontract for which the estimated value is at least 1 percent of the total cost of the public work or $50,000, whichever is greater.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to submit a meaningful and responsive proposal, and not later than 21 days before the date by which a proposal for the provision of labor, materials or equipment by a subcontractor must be submitted, the construction manager at risk shall notify in writing each subcontractor who was determined pursuant to NRS 338.16991 to be qualified to submit such a proposal of a request for such proposals. A copy of the notice required pursuant to this subsection must be provided to the public body.

4. The notice required pursuant to subsection 3 must include, without limitation:

(b) A description of the type and scope of labor, equipment and materials for which subcontractor proposals are being sought;

(c) The dates on which it is anticipated that construction of the public work will begin and end;

(i) A statement in substantially the following form:

Notice: For a proposal for a subcontract on the public work to be considered:

1. The subcontractor must be licensed pursuant to chapter 624 of NRS;

2. The proposal must be timely received;

3. If a preproposal meeting regarding the scope of the work to be performed by the subcontractor is held, the subcontractor must attend the preproposal meeting; and

4. The subcontractor may not modify the proposal after the date and time the proposal is received.

5. A subcontractor may not modify a proposal after the date and time the proposal is received.

6. To be considered responsive, a proposal must:

(a) Be timely received by the construction manager at risk; and

(b) Substantially and materially conform to the details and requirements included in the proposal instructions and for the finalized bid package for the public work, including, without limitation, details and requirements affecting price and performance.

7. The opening of the proposals must be attended by an authorized representative of the public body. The public body may require the architect or engineer responsible for the design of the public work to attend the opening of the proposals. The opening of the proposals is not otherwise open to the public.

8. At the time the proposals are opened, the construction manager at risk shall compile and provide to the public body or its authorized representative

a list that includes, without limitation, the name and contact information of each subcontractor who submits a timely proposal.

(a) Evaluate the proposals and determine which proposals are responsive.

(b) Select the subcontractor who submits the proposal that the construction manager at risk determines is the best proposal. Subject to the provisions of subparagraphs (1), (2) and (3), if only one subcontractor submits a proposal, the construction manager at risk may select that subcontractor. The subcontractor must be selected from among those:

(1) Who attended the preproposal meeting regarding the scope of the work to be performed by the subcontractor, if such a preproposal meeting was held;

(2) Who submitted a responsive proposal; and

(3) Whose names are included on the list compiled and provided to the public body or its authorized representative pursuant to subsection 8.

(c) Inform the public body or its authorized representative which subcontractor has been selected.

10. The public body or its authorized representative shall ensure that the evaluation of proposals and selection of subcontractors are done pursuant to the provisions of this section and regulations adopted by the State Public Works Board.

11. A subcontractor selected pursuant to subsection 9 need not be selected by the construction manager at risk solely on the basis of lowest price.

12. Except as otherwise provided in subsections 13 and 15, the construction manager at risk shall enter into a subcontract with a subcontractor selected pursuant to subsection 9 to provide the labor, materials or equipment described in the request for proposals.

13. A construction manager at risk shall not substitute a subcontractor for any subcontractor selected pursuant to subsection 9 unless:

(4) Is unable to furnish a performance bond and payment bond pursuant to NRS 339.025, if required for the public work; or

15. If a construction manager at risk does not select a subcontractor pursuant to subsection 9 to perform a portion of work on a public work, the construction manager at risk shall notify the public body that the construction manager at risk intends to perform that portion of work. If, after providing such notification, the construction manager at risk substitutes a subcontractor to perform the work, the construction manager at risk shall forfeit, as a penalty to the public body, the lesser of, and excluding any amount of the contract that is attributable to change orders:

(a) An amount equal to 2.5 percent of the total amount of the contract; or

(b) An amount equal to 35 percent of the estimate by the engineer of the cost of the work the construction manager at risk selected himself or herself to perform on the public work.

16. The construction manager at risk shall make available to the public the name of each subcontractor who submits a proposal.

17. If a public work is being constructed in phases, and a construction manager at risk selects a subcontractor pursuant to subsection 9 for the provision of labor, materials or equipment for any phase of that construction, the construction manager at risk may select that subcontractor for the provision of labor, materials or equipment for any other phase of the construction without following the requirements of subsections 3 to 11, inclusive.

(b) Set forth the date by which final proposals must be submitted to the Department.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the design-build team's possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team, if the design-build team submits a signed affidavit that meets the requirements of subsection 1 of NRS 338.0117, and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the

If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:

(a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or

(c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.

Except as otherwise provided in subsection 5 or 6, a public body shall not award a grant, tax abatement, tax credit or tax exemption that is conditioned upon a requirement that the awardee include a term described in paragraph (a) or (b) of subsection 2 in a contract for any construction, improvement, maintenance or renovation to real property that is the subject of the grant, tax abatement, tax credit or tax exemption.

4. The provisions of subsections 2 and 3 do not:

A finding of a special circumstance pursuant to this subsection must not be based on the possibility or presence of a labor dispute concerning:

(a) The use of a contractor or subcontractor who is not a signatory to or does not adhere to an agreement with one or more labor organizations; or

(b) Employees on the public work who are not members of or affiliated with a labor organization.

6. A public body may exempt a particular public work or a grant, tax abatement, tax credit or tax exemption from the provisions of subsection 2 if the public body makes a finding, after notice and a hearing, that the public work or construction, improvement, maintenance or renovation to real property that is the subject of the grant, tax abatement, tax credit or tax exemption, as applicable, is a part of critical infrastructure for:

Assembly Bill No. 409.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 471.

AN ACT relating to education; ~~[removing]~~ **revising** the requirement that certain pupils enrolled in grade 3 must be retained in grade 3; revising provisions relating to plans to improve the literacy of pupils; revising provisions relating to teachers who teach ~~[kindergarten or grades 1 to 5, inclusive;]~~ **in a public elementary school;** revising provisions relating to reports concerning pupil performance in the subject area of reading; revising provisions relating to notices concerning pupils who exhibit a deficiency in the subject area of reading; requiring certain interventions and services for pupils who exhibit a deficiency in the subject area of reading and the parent or legal guardian of such a pupil; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law, to become effective on July 1, 2019, provides that a pupil enrolled in grade 3 must be retained in grade 3 rather than promoted to grade 4 if the pupil does not obtain the score prescribed by the State Board of Education on the criterion-referenced examination in reading. (NRS 388A.487, 392.760) **Section ~~[13]~~ 8.3** of this bill removes this requirement ~~[. Sections 1 and 2 of this bill make conforming changes.]~~ **and instead provides that a pupil must be retained in grade 3 if the pupil does not obtain the score prescribed by the State Board on the criterion-referenced examination in reading and his or her parent or legal guardian decides, in consultation with the teacher of the pupil and the principal of the school, that the pupil must be retained. Sections 5.5 and 6.5 of this bill make conforming changes.**

Existing law requires the board of trustees of each school district or the governing body of a charter school to prepare a plan to improve the literacy of pupils enrolled in kindergarten and grades 1, 2 and 3. (NRS 388.157) **Section 3** of this bill additionally requires this plan to address pupils enrolled in ~~[grades 4 and 5.]~~ **elementary school.**

Existing law requires that a plan to improve the literacy of pupils include a program to provide intensive instruction to pupils who have been identified as deficient in the subject area of reading to ensure that those pupils achieve adequate proficiency in that subject area. (NRS 388.157) **Section 3** of this bill provides that in order to achieve adequate proficiency in reading, a pupil

must perform at a level considered by the school district or charter school to be within the average range for a pupil enrolled in the same grade level in which the pupil is enrolled.

Existing law authorizes a school district or charter school to provide additional compensation to a teacher who teaches kindergarten or grade 1, 2, 3 or 4 whose overall performance is determined to be highly effective. Existing law also requires a teacher who teaches kindergarten or grade 1, 2, 3 or 4 to complete certain professional development in the subject area of reading. (NRS 388.159) **Section 4** of this bill instead provides that only licensed teachers who teach in ~~[~~kindergarten or grade 1, 2, 3, 4 or 5.~~]~~ **a public elementary school:** (1) may receive additional compensation; and (2) are required to complete professional development in the subject area of reading.

Existing law, also to become effective on July 1, 2019, requires the board of trustees of each school district and the governing body of a charter school to prepare a report concerning the number and percentage of pupils who are retained in grade 3 for a deficiency in reading. (NRS 388A.487, 392.775) **Sections 5 and 10** of this bill ~~[~~instead~~]~~ **additionally** require the board of trustees of each school district and the governing body of a charter school to prepare a report containing certain information concerning pupils who received educational programs or services in the subject area of reading. Those sections become effective on July 1, 2017.

Section 6 of this bill requires that the notice provided to the parent or guardian of a pupil who exhibits a deficiency in the subject area of reading explain that the school will: (1) monitor the progress of the pupil towards obtaining proficiency in the subject area of reading; and (2) analyze and regularly adjust the programs and services provided to the pupil.

Section 7 of this bill requires that the plan to assess the proficiency of a pupil who is deficient in the subject area of reading be established by a licensed teacher. **Section 7** also removes the requirement that a school assess the proficiency of a pupil in the subject area of reading at the beginning of the year and instead requires the school frequently to assess the progress of the pupil in any areas of deficiency in the subject area of reading.

Existing law requires the principal of a school to offer the parent or legal guardian of a pupil who is retained in grade 3 certain additional instructional options. (NRS 392.770) **Section 9** of this bill ~~[~~removes the reference to retention and instead~~]~~ **additionally** requires the principal of a school to offer these options to the parent or legal guardian of a pupil who exhibits a deficiency in the subject area of reading.

Existing law requires the Department of Education to distribute money that is appropriated to the Other State Education Programs Account through a competitive grants program. (Section 15 of chapter 334, Statutes of Nevada 2015, p. 1867) **Section 11** of this bill revises the program to require schools that receive a grant of money to use the money for literacy programs in ~~[~~kindergarten and grades 1 to 5, inclusive,~~]~~ **elementary school** to support

school-based efforts to ensure that all pupils are proficient in reading by the end of ~~[the fifth grade.]~~ **elementary school.**

~~(a) Prescribe the conditions under which a pupil may be retained in the same grade rather than promoted to the next higher grade for the immediately succeeding school year.~~

~~(b) Require a pupil enrolled in grade 3 to be retained in the same grade rather than promoted to grade 4 when required pursuant to section 10 of this act.~~

~~2. On or before September 1 of each year, the governing body of each charter school shall:~~

~~(a) Prepare a report concerning the number and percentage of pupils at the charter school who were:~~

~~(1) Retained in grade 3 pursuant to section 10 of this act for a deficiency in the subject area of reading, including whether or not any such pupils were previously retained in kindergarten or grade 1 or 2; and~~

~~(2) Not retained in grade 3 because a good cause exemption was approved pursuant to section 10 of this act but who were previously retained in kindergarten or grade 1 or 2 for a total of 2 years;~~

~~(b) Submit a copy of the report to the Department; and~~

~~(c) Post the report on the Internet website maintained by the charter school and otherwise make the report available to the parents and legal guardians of pupils enrolled in the charter school and the general public.~~

~~Section 10 of chapter 334, Statutes of Nevada 2015:~~

~~Sec. 10. 1. Except as otherwise provided in this section, a pupil enrolled in grade 3 must be retained in grade 3 rather than promoted to grade 4 if the pupil does not obtain a score in the subject area of reading on the criterion-referenced examination administered pursuant to NRS 389.550 that meets the passing score prescribed by the State Board pursuant to subsection 7.~~

~~2. The superintendent of schools of a school district or the governing body of a charter school, as applicable, may authorize the promotion of a pupil to grade 4 who would otherwise be retained in grade 3 only if the superintendent or governing body, as applicable, approves a good cause exemption for the pupil upon a determination by the principal of the school pursuant to subsection 4 that the pupil is eligible for such an exemption.~~

~~3. A good cause exemption must be approved for a pupil who previously was retained in grade 3. Any other pupil is eligible for a good cause exemption if the pupil:~~

~~(a) Demonstrates an acceptable level of proficiency in reading on an alternative standardized reading assessment approved by the State Board;~~

~~(b) Demonstrates, through a portfolio of the pupil's work, proficiency in reading at grade level, as evidenced by demonstration of mastery of the academic standards in reading beyond the retention level;~~

~~(c) Is limited English proficient and has received less than 2 years of instruction in a program of instruction that teaches English as a second language;~~

~~(3) He or she was previously retained in kindergarten or grade 1, 2 or 3.~~

~~4. The principal of a school in which a pupil who may be retained in grade 3 pursuant to subsection 1 is enrolled shall consider the factors set forth in subsection 3 and determine whether the pupil is eligible for a good-cause exemption. In making the determination, the principal must consider documentation provided by the pupil's teacher indicating whether the promotion of the pupil is appropriate based upon the record of the pupil. Such documentation must only consist of the existing plan for monitoring the progress of the pupil, the pupil's individualized education program, if applicable, and the pupil's plan in accordance with section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, if applicable. If the principal determines that promotion of the pupil to grade 4 is appropriate, the principal must submit a written recommendation to the superintendent of schools of the school district or to the governing body of the charter school, as applicable. ~~7. The State Board shall prescribe by regulation:~~

~~(a) The score which a pupil enrolled in grade 3 must obtain in the subject area of reading on the criterion-referenced examination administered pursuant to NRS 389.550 to be promoted to grade 4 without a good cause exemption; and~~

~~(b) An alternate examination for administration to pupils enrolled in grade 3 who do not obtain the passing score in the subject area of reading on the criterion-referenced examination administered pursuant to NRS 389.550 and the passing score such a pupil must obtain on the alternate examination to be promoted to grade 4 without a good cause exemption.~~

~~4. The intensive instructional services in the subject area of reading required by this section may be provided to the pupil by the same teacher who provided instructional services to the pupil during the immediately preceding school year if a different teacher who meets the requirements of paragraph (b) of subsection 3 is not reasonably available and the pupil:~~

~~(a) Has an individualized education program; or~~

~~(b) Is enrolled in a school district in a county whose population is less than 100,000.~~

~~5. The board of trustees of each school district and the governing body of a charter school, as applicable, shall develop a policy by which the principal of a school may promote a pupil who is retained in grade 3 pursuant to section 10 of this act to grade 4 at any time during the school year if the pupil demonstrates adequate proficiency in the subject area of reading. The policy must include the specific criteria a pupil must satisfy to be eligible for promotion, including, without limitation, a reasonable expectation that the pupil's progress will allow him or her to sufficiently master the requirements for a fourth grade reading level. If a pupil is promoted after November 1 of a school year, he or she must demonstrate proficiency in reading at a level prescribed by the State Board.~~

~~6. If a principal of a school determines that a pupil is not academically ready for promotion to grade 4 after being retained in grade 3 and the pupil received intensive instructional services pursuant to this section, the school district in which the pupil is enrolled must allow the parent or legal guardian of the pupil to decide, in consultation with the principal of the school, whether to place the pupil in a transitional instructional setting which is designed to produce learning gains sufficient for the pupil to meet the performance standards required for grade 4 while continuing to receive remediation in the subject area of reading.~~
