Section 1.1 of this bill sets forth legislative findings and declarations underlying this bill. In particular, the Legislature finds in **section 1.1** that because of the importance of the natural resources found within national conservation areas in Nevada, there is a legitimate and compelling need to enact uniform statewide standards to regulate development on lands within or surrounding national conservation areas to ensure that development on such lands proceeds at the local level in an orderly and responsible manner without detrimentally and irreversibly impacting the natural resources found within national conservation areas in Nevada. In order to secure, promote and advance these legislative purposes and objectives, the Legislature declares in **section 1.1** that it is necessary and essential to: (1) designate and define natural resources overlay lands; (2) establish uniform statewide standards that local governments must strictly comply with when regulating the use of those lands; and (3) provide for judicial review and other appropriate remedies to ensure that local governments strictly comply with those standards.

Section 1.45 of this bill defines "natural resources overlay lands" to mean all parcels of land located: (1) within the boundary of any national conservation area in this State; or (2) not more than one-half mile outside the boundary of any national conservation area in this State. **Section 1.45** also provides that if any parcel of land is located partially but not entirely within natural resources overlay lands, the portion of the parcel within natural resources overlay lands is subject to this bill but the remaining portion of the parcel is not subject to this bill, unless a proposed project on the remaining portion includes any part of the portion of the parcel within natural resources overlay lands.

However, sections **1.25, 1.35 and 1.45** of this bill create an exemption from this bill for any ~~[parcel of land]~~ **lands** subject to **or developed pursuant to** any development agreement that was approved and recorded under NRS 278.0201-278.0207 before the effective date of this bill. Additionally, **section 4.5** of this bill creates an exemption from this bill for **: (1)** any project to develop lands if a local government took final action that approved the project before the effective date of this bill and the local government's final action of approval remained in effect and was enforceable on the effective date of this bill ~~[.]~~ **; and (2) any lands that, on the effective**

date of this bill, are owned wholly and exclusively by certain tax-exempt nonprofit organizations, unless on or after the effective date of this bill, any interests in the lands are sold, transferred, conveyed or otherwise alienated to any person who is not such a nonprofit organization and is subject to this bill. Finally, section 1.2 of this bill creates an exemption from this bill for any project by a governmental entity or by a public utility or video service provider regulated under certain provisions of state law. (Chapters 704 and 711 of NRS)

With regard to natural resources overlay lands that are subject to this bill, **sections 1.55 and 2-4** of this bill provide that a local government's powers relating to planning, subdivision regulation and zoning are subordinate to this bill. However, those sections also provide that this bill establishes, as a minimum threshold, uniform statewide standards relating to natural resources overlay lands but this bill does not preempt or otherwise limit a local government from imposing, with regard to those lands, standards relating to planning, subdivision regulation and zoning that are stricter or more protective of natural resources overlay lands than the standards set forth in this bill. In addition, **section 1.6** of this bill authorizes a local government to enact ordinances and adopt policies and procedures that implement and facilitate this bill so long as they are consistent with this bill.

~~[Sections]~~ **For developers who are subject to this bill, sections 1.2-1.35, 1.5 and 1.65-1.8** of this bill establish uniform statewide standards for any proposed project to develop, improve or build on natural resources overlay lands that requires final action by a local government, except for any public parks, trailheads, trails or other public recreational facilities that are constructed by a ~~[local government]~~ **governmental entity** or by a developer pursuant to any development agreement.

Under **section 1.65**, a local government cannot take final action on a proposed project unless: (1) the developer prepares and submits an environmental impact statement; (2) the local government posts the environmental impact statement on its Internet website at least 15 calendar days before the public hearing at which the local government may take final action; and (3) the local government applies and weighs certain factors relating to the impact of the proposed project on natural resources overlay lands. However, if an environmental review relating to the proposed project has already been conducted by an appropriate federal or state agency under law, **section 1.65** does not require the developer to prepare and submit an additional environmental impact statement. Instead, the local government must accept and utilize the findings and conclusions made in the federal or state agency's environmental review.

Under **section 1.7**, when the developer prepares and submits an environmental impact statement, the developer must provide a professional, detailed, thorough and comprehensive analysis and explanation concerning the environmental impacts that the proposed project will have on natural resources overlay lands. In reviewing and analyzing the environmental

impact statement, **section 1.7** permits the local government to use the regulations adopted by the Council on Environmental Quality pursuant to the National Environmental Policy Act of 1969 (42 U.S.C. §§ 4321 et seq.) as a guide in determining whether the environmental impact statement accurately and appropriately addresses the environmental impacts that the proposed project will have on natural resources overlay lands, but those regulations are not binding or determinative.

Under **section 1.75**, before the local government takes final action on the proposed project, it must apply and weigh several factors relating to the impact of the proposed project on natural resources overlay lands, including: (1) whether the proposed project will be located near or in close proximity to existing developed or urban lands or existing undeveloped or rural lands; (2) whether the proposed project will be located near or in close proximity to existing infrastructure and utilities or whether the project will require extensive work to build necessary infrastructure and utilities; (3) whether the proposed project will have significant beneficial or adverse environmental impacts; (4) whether the proposed project will restrict or impair open space or public access to open space; and (5) whether the proposed project will protect or preserve or destroy or impair natural terrain, native vegetation, wildlife habitat, watershed areas, scenic views or geological formations. In addition to these factors, **section 1.75** permits the local government to consider other factors relating to planning, subdivision regulation and zoning that are stricter or more protective of natural resources overlay lands.

Under **section 1.8**, if the local government does not strictly comply with this bill when it takes any final action on the proposed project: (1) the final action is deemed void and is of no legal force or effect; and (2) any person aggrieved by the final action may appeal the final action to the district court by filing a petition for judicial review against the local government within the 25-day appeal period. If an aggrieved party timely files a petition for judicial review, **section 1.8** provides that the court must determine, based upon the record, whether the local government strictly complied with this bill and whether the local government's determination was based upon substantial evidence in the record. If the aggrieved party prevails on any claim for relief against the local government, **section 1.8** provides that the aggrieved party is entitled to an award of reasonable attorney's fees and court costs. **Section 1.8** also provides that the developer cannot be awarded attorney's fees or court costs, regardless of the outcome of the judicial review, unless the court imposes them as a penalty against another party for ethically or procedurally improper conduct that is independently sanctionable under court rules or other laws.

Finally, during the 1993 Legislative Session, the Legislature enacted Senate Bill No. 544 (1993 Red Rock Canyon Act), which is a special act that regulates certain uses of land within the Red Rock Canyon National Conservation Area in Clark County. (Chapter 639, Statutes of Nevada 1993, p. 2673) During the 2003 Legislative Session, the Legislature amended the

1993 Red Rock Canyon Act by enacting Senate Bill No. 358 (2003 Red Rock Canyon Act), which is a special act that restricts the authority of local governments to regulate planning, subdividing and zoning of certain lands located in and adjacent to the Red Rock Canyon National Conservation Area in Clark County. (Chapter 639, Statutes of Nevada 1993, p. 2673, as amended by chapter 105, Statutes of Nevada 2003, p. 595) In 2013, the Nevada Supreme Court ruled that the 2003 Red Rock Canyon Act violates Sections 20, 21 and 25 of Article 4 of the Nevada Constitution on the grounds that it: (1) is a "local or special law" that "regulates county business"; and (2) establishes a "system of county government" that is not "uniform throughout the State." (*Attorney General v. Gypsum Resources*, 129 Nev. Adv. Op. 4, 294 P.3d 404 (2013))

To conform existing statutory provisions with the constitutional requirements established by the Nevada Supreme Court in *Gypsum Resources* and to resolve any statutory conflicts with this bill, **section 5** of this bill repeals: (1) the pertinent provisions of the 1993 Red Rock Canyon Act and the 2003 Red Rock Canyon Act; and (2) related provisions of the Nevada Revised Statutes. (NRS 244.154, 268.105, 269.617, 278.0239) In addition, **section 5** also repeals certain provisions of the Spring Mountains National Recreation Area Act, chapter 198, Statutes of Nevada 2009, p. 734, which are similar to the provisions of the 2003 Red Rock Canyon Act that the Court in *Gypsum Resources* held unconstitutional.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 46.

The following Senate amendment was read:

Amendment No. 748.

AN ACT relating to mental health; providing for the certification and regulation of providers of community-based living arrangement services; **requiring a person or entity to consider certain factors when determining the placement of a person with a mental illness or a person with a related condition;** clarifying that providers of community-based living arrangement services, supported living arrangement services and temporary respite services are not subject to certain licensing and regulatory requirements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law: (1) imposes certain requirements relating to supported living arrangement services provided to persons with intellectual disabilities and related conditions; and (2) authorizes the Aging and Disability Services Division of the Department of Health and Human Services to take certain actions to regulate the provision of such services. (NRS 435.3305-435.339) **Sections 2-12** of this bill enact similar provisions that apply to community-based living arrangement services. **Section 4** defines "community-based living arrangement services" to mean flexible, individualized services provided in the home to persons with mental illness or persons with related conditions that are designed to help such persons maximize their independence.

Section 5 requires a person or entity to be certified by the Division of Public and Behavioral Health of the Department or be a natural person who is employed by the holder of a certificate before providing community-based living arrangement services. **Section 6**: (1) requires the State Board of Health to adopt regulations governing community-based living arrangement services; and (2) authorizes the Board to impose a fee for the issuance or renewal of a certificate. **Section 7**: (1) requires an applicant for renewal of a certificate who has a state business registration to provide his or her business identification number in the application; and (2) prohibits the renewal of a certificate if the applicant fails to provide such information or is delinquent on a debt to a state agency.

Section 8 authorizes the Division to investigate an applicant for the issuance or renewal of a certificate or a provider of community-based living arrangement services against whom a complaint has been filed. **Section 8** also authorizes the Division to employ such persons and enter into such agreements as are necessary to carry out provisions of law governing community-based living arrangement services. **Section 9** authorizes the Division to bring an action to enjoin any person or entity who provides community-based living arrangement services without a certificate or after a certificate has been revoked or suspended.

Existing federal law requires each state to adopt procedures to ensure that applicants for certain licenses and certificates comply with child support obligations. (42 U.S.C. § 666) **Sections 10-12** enact such procedures applicable to applicants for certificates in order to comply with federal law.

Section 12.5 of this bill requires any person or entity that determines the placement of a person with a mental illness or a person with a related condition to consider the ability of a facility or provider of services to meet the needs of the person and ensure the safety of the person.

Certain providers of nursing services are subject to regulation under existing law as medical facilities. (NRS 449.0015, 449.0151, 449.0153) **Sections 16 and 19** of this bill exempt providers of community-based living arrangement services from those provisions. Existing law defines "supported

living arrangement services" to mean flexible, individualized services provided in the home, for compensation, to a person with an intellectual disability or a person with a related condition that are designed and coordinated to assist the person in maximizing the person's independence. (NRS 435.3315) **Sections 18 and 20** of this bill clarify that a home in which community-based living arrangement services or supported living arrangement services are provided does not constitute a residential facility for groups or a home for individual residential care subject to regulation under chapter 449 of NRS. **Section 17** of this bill provides that an agency that contracts with the Aging and Disability Services Division of the Department to provide temporary respite services, which are services provided to a natural person periodically to provide a respite to the person's regular caregiver, is not an agency to provide personal care services in the home subject to regulation under chapter 449 of NRS.

Assembly Bill No. 304.

The following Senate amendment was read:

Amendment No. 753.

AN ACT relating to autism; revising certain provisions relating to eligibility for services provided or coordinated by the Autism Treatment Assistance Program within the Aging and Disabilities Services Division of the Department of Health and Human Services; redefining the term "autism spectrum disorder" for certain purposes; **requiring an insurer to reimburse an early intervention agency for certain services;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Autism Treatment Assistance Program within the Aging and Disabilities Services Division of the Department of Health and Human Services to provide and coordinate the provision of services to certain persons "with" autism spectrum disorders. (NRS 427A.875) **Section 1** of this bill revises this language to provide for the provision of services to persons who are "diagnosed or determined" to have such disorders.

For purposes relating to the Program and required insurance coverage, existing law defines the terms "autism spectrum disorder" or "autism spectrum disorders" to mean "a neurobiological medical condition including, without limitation, autistic disorder, Asperger's Disorder and Pervasive Developmental Disorder Not Otherwise Specified." (NRS 287.0276, 427A.875, 689A.0435, 689B.0335, 689C.1655, 695C.1717, 695G.1645) **Sections 1-7** of this bill revise the definition to mean a condition that meets the diagnostic criteria for autism spectrum disorder published in the current edition of the *Diagnostic and Statistical Manual of Mental Disorders* published by the American Psychiatric Association or the edition of the *Manual* that was in effect at the time the condition was diagnosed or determined.

Existing law requires an insurer to provide coverage for screening for and diagnosis of autism spectrum disorders and treatment of autism spectrum disorders to certain young persons covered by the insurer. (NRS 287.0276, 689A.0435, 689B.0335, 689C.1655, 695C.1717, 695G.1645) Sections 2-7 of this bill remove a provision stating that an insurer is not required to provide reimbursement to an early intervention agency, thereby requiring an insurer to reimburse such an agency that performs services for which reimbursement is otherwise required.

The following Senate amendment was read:

Amendment No. 908.

AN ACT relating to child care; authorizing the operator of a small child care establishment to register with the Division of Welfare and Supportive Services of the Department of Health and Human Services; requiring certain persons who are employed at or otherwise present at a registered small child care establishment to undergo a criminal background check under certain circumstances; authorizing the Division of Public and Behavioral Health of the Department to collect from a child care facility or small child care establishment the costs relating to an investigation of a violation; ~~[requiring the licensee of a child care facility or the operator of a registered small child care establishment to ensure that each child at the facility or establishment wears a helmet while using certain devices;]~~ providing for the inspection of such an establishment; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "child care facility" to mean an establishment that provides child care to five or more children for compensation and certain other child care establishments. (NRS 432A.024) **Section 2** of this bill defines the term "small child care establishment" to mean an establishment that furnishes child care to not more than four children unrelated to the operator for compensation, outside the home and the presence of the parent or guardian of any of the children and on a regular basis for at least 3 weeks. **Section 3** of this bill authorizes a person or governmental entity that wishes to operate or operates a small child care establishment to register with the Division of Welfare and Supportive Services of the Department of Health and Human Services and submit certain information to the Division concerning employees and certain residents of the establishment.

Existing law requires every applicant for and holder of a license to operate a child care facility, employee of such an applicant or licensee and certain adult residents of a child care facility to undergo a criminal background check conducted by the Division at least once every 5 years. (NRS 432A.170, 432A.175) If a criminal background check reveals that such a person has been convicted of certain crimes, the person must be terminated or otherwise prevented from having direct contact with children at the facility. (NRS 432A.1775) **Sections 7.2-7.6** of this bill make these requirements applicable to operators, employees and certain adult residents of small child care establishments that are registered with the Division of Welfare and Supportive Services. **Section 7.8** of this bill also requires an operator of such a small child care establishment to maintain certain records relating to those background checks.

Section 7 of this bill authorizes the State Board of Health to adopt regulations to enforce the provisions relating to registration and background checks and to ensure the safe operation of registered small child care establishments. The Division of Public and Behavioral Health is authorized

to impose a fine against any registered small child care establishment that violates the requirements or regulations. (NRS 432A.190)

~~[Section 5 of this bill requires the licensee of a child care facility or the operator of a registered small child care establishment to ensure that each child at the facility or establishment wears a helmet while riding a bicycle, tricycle, skateboard, scooter, roller skates or any other similar device or toy that renders the child mobile.~~**]**

Existing law authorizes any authorized member or employee of the Division to enter and inspect any building or premises of a child care facility or the area of operation of an outdoor youth program at any time to secure compliance with or prevent a violation of applicable law. **Section 8** of this bill extends those inspection provisions to include small child care establishments, whether registered or not. If a complaint against a child care facility or small child care establishment is substantiated, **section 4.5** of this bill authorizes the Division to collect from the facility or establishment the costs of the Division relating to the violation, including the costs of any necessary inspection or investigation.

Amendment No. 871.

SUMMARY—Revises provisions relating to gaming ***.*** ~~[enterprise districts.]~~ (BDR 41-193)

AN ACT relating to gaming; revising the boundaries of the Las Vegas Boulevard gaming corridor; providing for the expiration of the designation of certain locations as a gaming enterprise district; **creating the Historic Las Vegas Gaming District;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that the Nevada Gaming Commission is prohibited from approving a nonrestricted license for an establishment in a county whose population is 700,000 or more (currently Clark County) unless the establishment is located in a gaming enterprise district, which is defined as "an area that has been approved by a county, city or town as suitable for operating an establishment that has been issued a nonrestricted license." (NRS 463.0158, 463.308) If the location of a proposed establishment is within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone, but not within an area already designated as a gaming

enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3084. (NRS 463.3082) However, if the location of a proposed establishment is not within the Las Vegas Boulevard gaming corridor or the rural Clark County gaming zone and not within an area already designated as a gaming enterprise district, the Commission is prohibited from approving a nonrestricted license for the proposed establishment unless the location of the proposed establishment is first designated a gaming enterprise district pursuant to the criteria set forth in NRS 463.3086, which contains certain additional requirements that are not contained in NRS 463.3084, such as the requirements that: (1) the property line of the proposed establishment must not be less than 500 feet from the property line of a developed residential district and not less than 1,500 feet from the property line of a public school, private school or structure used primarily for religious services or worship; and (2) a three-fourths vote of the governing body of the county, city or town is required for designation of the location as a gaming enterprise district. (NRS 463.3086)

Section 1 of this bill revises the boundaries of the Las Vegas Boulevard gaming corridor to remove certain residential areas commonly known as the Beverly Green neighborhood. **Section 2** of this bill provides for the expiration on October 1, 2017, the effective date of this bill, of any designation as a gaming enterprise district for the area removed from the Las Vegas Boulevard gaming corridor pursuant to **section 1**.

Section 3 of this bill: (1) creates the Historic Las Vegas Gaming District; and (2) exempts certain parcels of real property located within the boundaries of that District from the application of certain provisions of law relating to gaming enterprise districts.

WHEREAS, The gaming industry is one of the oldest industries in Nevada and has its beginnings not only on the Las Vegas Strip, but also in the Fremont Street corridor; and

WHEREAS, Heritage tourism is a relatively unexploited sector of tourism in Nevada, and gaming is a large part of that heritage tourism industry; and

WHEREAS, It is well known that heritage tourists spend more and stay longer than other types of tourists; and

WHEREAS, Local governments, including the City of Las Vegas, should be encouraged to foster heritage tourism through the historic preservation of the neighborhoods, areas and signage that are reflective of the cultural heritage of this State; and

WHEREAS, While it is important to preserve elements of our past for not only future generations but also for the promotion of this State's largest industries of tourism and gaming, it is also important that local governments create an environment where redevelopment can flourish

and create districts with buildings of differing ages in order to attract investment, foster tourism and provide jobs; and

WHEREAS, Historic preservation and redevelopment are both crucial to the vitality of our communities, and local governments should be allowed to determine the proper balance between our historic past and prospective development that will encourage the continued growth of our economy; and

WHEREAS, The State of Nevada hereby creates the Historic Las Vegas Gaming District as a means of promoting heritage tourism and invigorating the gaming industries that have been the staple of downtown Las Vegas gaming; now, therefore,

Existing law allows a court to grant a motion to vacate a judgment if the defendant was convicted of certain offenses and the defendant's participation in the offense was the result of having been a victim of sex trafficking or involuntary servitude. The following Senate amendment was read:

Amendment No. 761.

AN ACT relating to mental health; requiring the court to conduct a hearing as soon as practicable on an application for a writ of habeas corpus relating to a person with mental illness or who is alleged to be a person with mental illness ~~[.]~~ **if the application is made before the initial hearing on a petition for the involuntary court-ordered admission of the person;** expanding the definition of "person with mental illness"; revising provisions governing the examination and evaluation by a physician or licensed psychologist of a person alleged to be a person with mental illness; requiring a court to transmit an order for involuntary admission to a law enforcement agency under certain circumstances; establishing a procedure for certain hospitals and mental health facilities to request a copy of a court order for involuntary admission; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires the court to conduct a hearing as soon as practicable on an application for a writ of habeas corpus by, or on behalf of, a person who is alleged to be a person with mental illness or who has been found to be a person with mental illness ~~[.]~~ **if the application is made before the initial hearing on the petition for the involuntary court-ordered admission of the person to a mental health facility or to a program of community-based or outpatient services.**

Existing law defines a person with mental illness to include a person whose capacity is diminished as a result of mental illness to the extent that the person presents a clear and present danger of harm to himself or herself. A person presents a clear and present danger of harm to himself or herself if there exists a reasonable probability that the person will harm himself or herself unless the person is admitted to a mental health facility. (NRS 433A.115) **Section 1.3** of this bill revises this definition to provide that the person presents a clear and present danger of harm to himself or herself if there exists a reasonable probability that the person will harm himself or herself unless the person is required to participate in a program of community-based or outpatient services.

Existing law requires that, after the filing of a petition to involuntarily admit a person alleged to be a person with mental illness to a mental health facility or certain other services, the court shall cause two or more physicians or licensed psychologists, one of whom must always be a physician, to examine the person. A physician or psychologist who examines the person must submit to the court a written summary of his or her findings and evaluation not later than 24 or 48 hours before the hearing on the petition, depending on the circumstances of the admission. (NRS 433A.240) **Section 1.7** of this bill revises these provisions to require the physician or psychologist to submit the written summary of findings and evaluation not later than 24 hours before the hearing on the petition.

Existing law requires that if the court issues an order involuntarily admitting a person with mental illness to a mental health facility or certain other programs of services, the court is required to transmit a record of the order to the Central Repository for Nevada Records of Criminal History. (NRS 433A.310) **Section 2** of this bill requires the court to transmit a record of the order to each law enforcement agency of this State with which the court has entered into an agreement for such transmission for inclusion in certain databases.

Existing law requires a court to seal all court records relating to the admission and mental health treatment of certain persons and establishes procedures by which certain entities may be granted an opportunity to inspect the records. (NRS 433A.715) **Section 3** of this bill establishes a procedure by which a public or private hospital or a mental health facility may request and obtain a copy of a court order of involuntary admission which relates to a person alleged to be a person with mental illness who has been admitted to the hospital or facility.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 2. NRS 433A.310 is hereby amended to read as follows:

433A.310 1. Except as otherwise provided in NRS 432B.6076 and 432B.6077, if the district court finds, after proceedings for the involuntary court-ordered admission of a person:

(a) That there is not clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness or exhibits observable behavior such that the person is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court shall enter its finding to that effect and the person must not be involuntarily admitted to a public or private mental health facility or to a program of community-based or outpatient services.

(b) That there is clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court may order the involuntary admission of the person for the most appropriate course of treatment, including, without limitation, admission to a public or private mental health facility or participation in a program of community-based or outpatient services. The order of the court must be interlocutory and must not become final if, within 30 days after the involuntary admission, the person is unconditionally released pursuant to NRS 433A.390.

2. A court shall not admit a person to a program of community-based or outpatient services unless:

(a) A program of community-based or outpatient services is available in the community in which the person resides or is otherwise made available to the person;

(b) The person is 18 years of age or older;

(c) The person has a history of noncompliance with treatment for mental illness;

(d) The person is capable of surviving safely in the community in which he or she resides with available supervision;

(e) The court determines that, based on the person's history of treatment for mental illness, the person needs to be admitted to a program of community-based or outpatient services to prevent further disability or deterioration of the person which is likely to result in harm to himself or herself or others;

(f) The current mental status of the person or the nature of the person's illness limits or negates his or her ability to make an informed decision to seek treatment for mental illness voluntarily or to comply with recommended treatment for mental illness;

(g) The program of community-based or outpatient services is the least restrictive treatment which is in the best interest of the person; and

(h) The court has approved a plan of treatment developed for the person pursuant to NRS 433A.315.

3. Except as otherwise provided in NRS 432B.608, an involuntary admission pursuant to paragraph (b) of subsection 1 automatically expires at the end of 6 months if not terminated previously by the medical director of the public or private mental health facility as provided for in subsection 2 of NRS 433A.390 or by the professional responsible for providing or coordinating the program of community-based or outpatient services as provided for in subsection 3 of NRS 433A.390. Except as otherwise provided in NRS 432B.608, at the end of the court-ordered period of treatment, the Division, any mental health facility that is not operated by the Division or a program of community-based or outpatient services may petition to renew the involuntary admission of the person for additional periods not to exceed 6 months each. For each renewal, the petition must include evidence which meets the same standard set forth in subsection 1 that was required for the initial period of admission of the person to a public or private mental health facility or to a program of community-based or outpatient services.

4. Before issuing an order for involuntary admission or a renewal thereof, the court shall explore other alternative courses of treatment within the least restrictive appropriate environment, including involuntary admission to a program of community-based or outpatient services, as suggested by the evaluation team who evaluated the person, or other persons professionally qualified in the field of psychiatric mental health, which the court believes may be in the best interests of the person.

5. If the court issues an order involuntarily admitting a person to a public or private mental health facility or to a program of community-based or outpatient services pursuant to this section, the court shall, notwithstanding the provisions of NRS 433A.715, cause, within 5 business days after the order becomes final pursuant to this section, on a form prescribed by the Department of Public Safety, a record of the order to be transmitted to ~~[the]~~ ***:***

If a creditor commences an action under this section:***

(1) The creditor must proceed at the expense of the creditor and not of the estate.

the reimbursement of the costs reasonably incurred by the creditor, including attorney's fees, from the transferee from whom the payment is to be made, subject to the limitations of subsection 2, or from the estate as a cost of administration, or partially from each, as the court deems just. ~~[A personal representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.]~~

Each beneficiary to the extent of the distribution received becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

Any community property or separate property, including, without limitation, any income, appreciation and proceeds thereof, that is distributed or withdrawn from a trust

instrument containing such a provision remains community property or separate property, as applicable.

2. The provisions of this section do not affect the character of community property or separate property that is transferred into a trust in any manner other than as described in this section.

Sec. 5. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, ***including, without limitation, any community property transferred into an irrevocable trust pursuant to section 4 of this act over which the court acquires jurisdiction pursuant to NRS 164.010,*** except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest

on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a

decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

Sec. 6. NRS 132.135 is hereby amended to read as follows:

133.130 If, after the making of any will, the testator executes a ***valid*** second will ~~[,]~~ ***that includes provisions revoking the first will,*** the

1. It appears by the terms of the revocation ***or the manner in which the revocation occurred*** that it was the intention to revive and give effect to the first will ***;*** ~~[,]~~ or ~~[unless, after]~~

2. After the destruction, cancellation or revocation, the first will is reexecuted.

Sec. 9. NRS 136.240 is hereby amended to read as follows:

136.240 1. The petition for the probate of a lost or destroyed will must include a copy of the will, or if no copy is available state, or be accompanied by a written statement of, the testamentary words, or the substance thereof.

2. If offered for probate, a lost or destroyed will must be proved in the same manner as other wills are proved under this chapter.

3. In addition, no will may be proved as a lost or destroyed will unless ***its provisions are clearly and distinctly proved by two or more credible witnesses and*** it is ~~[proved]~~ ***:***

(a) Proved to have been in ***legal*** existence at the death of the person whose will it is claimed to be ~~[,]~~ ***and has not otherwise been revoked or destroyed without the knowledge, consent or ratification of such person;*** or ~~[is shown]~~

(b) Shown to have been fraudulently destroyed in the lifetime of that person ***.*** ~~[, nor unless its provisions are clearly and distinctly proved by at least two credible witnesses.]~~

4. The testimony of each witness must be reduced to writing, signed by the witness and filed, and is admissible in evidence in any contest of the will if the witness has died or permanently moved from the State.

5. Notwithstanding any provision of this section to the contrary:

(a) The production of a person's lost or destroyed will, whose primary beneficiary is a nontestamentary trust established by the person and in existence at his or her death, creates a rebuttable presumption that the will had not been revoked.

(b) If the proponent of a lost or destroyed will makes a prima facie showing that it was more likely than not left unrevoked by the person whose will it is claimed to be before his or her death, then the will must be admitted to probate in absence of an objection. If such prima facie showing has been made, the court shall accept a copy of such a will as sufficient proof of the terms thereof without requiring further evidence in the absence of any objection.

6. If the will is established, its provisions must be set forth specifically in the order admitting it to probate, or a copy of the will must be attached to the order.

Sec. 10. NRS 137.005 is hereby amended to read as follows:

137.005 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a will must be enforced by the court ~~[,]~~ ***because public policy favors enforcing the intent of the testator. However, because public***

policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the will.

2. A no-contest clause must be construed to carry out the testator's intent ~~[. Except]~~ to the extent ~~[the will is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the testator's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the will itself, including, without limitation:

(1) The commencement of civil litigation against the testator's probate estate or family members;

(2) Interference with the administration of a trust or a business entity;

(3) Efforts to frustrate the intent of the testator's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

3. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the devisee ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the will or any document referenced in or affected by the will;

(b) Enforce the devisee's legal rights in the probate proceeding; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the estate or the*** construction or legal effect of the will ~~[.]~~ ***or the provisions thereof; or***

(d) Enforce the fiduciary duties of the personal representative.

4. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated under a no-contest clause because the devisee institutes legal action seeking to invalidate a will if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the will is invalid.

5. ***As to any testamentary trust, the testator is the settlor. Unless the will expressly provides otherwise, a no-contest clause in a will applies to a testamentary trust created under that will and the provisions of NRS 163.00195 apply to that trust.***

6. As used in this section, "no-contest clause" means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to

a devisee if the devisee takes action to frustrate or defeat the testator's intent as expressed in the will.

Sec. 11. NRS 137.090 is hereby amended to read as follows:

137.090 Upon filing ~~[the]~~ ***a*** petition ~~[, and within the time allowed for filing the petition,]~~ ***pursuant to NRS 137.080, the court shall order the issuance of*** a citation ***,*** ~~[must be issued,]~~ directed to the personal representative and to all the devisees mentioned in the will, and the heirs, so far as known to the petitioner, including minors and incapacitated persons, or the personal representative of any such person who is dead, directing them to plead to the contest within 30 days after service of the citation.

Sec. 12. NRS 139.135 is hereby amended to read as follows:

139.135 1. An agreement between an heir finder and an apparent heir, the primary purpose of which is to locate, recover or assist in the recovery of an estate for which the public administrator has petitioned for letters of administration, is void and unenforceable if the agreement is entered into during the period beginning with the death of the person whose estate is in probate until 90 days thereafter. ***Upon a showing of good cause, the court may extend such a period until 180 days after the death of the person.***

2. As used in this section, "heir finder" means a person who, for payment of a fee, assignment of a portion of any interest in a decedent's estate or other consideration, provides information, assistance, forensic genealogy research or other efforts related to another person's right to or interest in a decedent's estate. The term does not include:

(a) A person acting in the capacity of a personal representative or guardian ad litem;

(b) A person appointed to perform services by a probate court in which a proceeding in connection with a decedent's estate is pending; or

(c) An attorney providing legal services to a decedent's family member if the attorney has not agreed to pay to any other person a portion of the fees received from the family member or the family member's interest in the decedent's estate.

Sec. 13. NRS 140.010 is hereby amended to read as follows:

140.010 The court shall appoint a special administrator to collect and take charge of the estate of the decedent, in whatever county or counties the estate may be found, and to exercise such other powers as may be necessary to preserve the estate ~~[.]~~ ***or any rights or privileges belonging to the decedent:***

1. If there is a delay in granting letters testamentary or letters of administration, from any cause.

2. If letters are granted irregularly.

3. If no sufficient bond is filed as required by the court.

4. If no petition is filed for letters.

5. If an executor or administrator dies or is suspended or removed, and the circumstances of the estate require the immediate appointment of a personal representative.

6. If there may be no assets subject to administration but good cause exists for the appointment of a personal representative of the decedent.

7. In any other proper case.

Sec. 14. NRS 140.030 is hereby amended to read as follows:

140.030 Before letters issue to a person as a special administrator, the person must:

1. Give bond in such sum as the court directs, with sureties to the satisfaction of the court, conditioned for the faithful performance of the duties, unless the court waives bond ~~[;]~~ ***, with or without conditions, or dispenses the bond and alternatively requires the establishment of a blocked account;*** and

2. Take the usual oath of office.

Sec. 15. NRS 142.020 is hereby amended to read as follows:

142.020 1. The requirement of a bond of a personal representative is discretionary with the court. Whether a bond is expressly required by the will or not, the court may:

(a) Require a bond if it determines a bond is desirable; or

(b) Dispense with the requirement of a bond if ~~[it]~~ ***:***

(1) The court determines a bond is unnecessary ~~[.]~~ ***; or***

(2) The assets of the estate are deposited with a financial institution pursuant to subsection 3.

2. The bond must be conditioned so that the personal representative will faithfully execute the duties of the office according to law, and the bond must be filed by the clerk.

3. Personal assets of an estate may be deposited with a domestic credit union or other domestic financial institution upon such terms as may be prescribed by order of the court having jurisdiction of the estate. The deposit is subject to the further order of the court. ~~[The bond of the personal representative may be reduced accordingly.]~~ The personal representative shall file with the clerk the acknowledgment of an authorized representative of the financial institution that holds the assets deposited, which may be in the following form:

PROOF OF BLOCKED ACCOUNT

The undersigned affirms that ....., as personal representative of the estate of ....., deceased, has established an account, number ....., entitled "....." in the amount of $.....

The undersigned acknowledges that this account bears a blocked/frozen designation, and that no money may be removed without first presenting an order from the court authorizing the withdrawal.

Dated on .....(date). By: .....

Title: .....

4. During the pendency of the administration, any person, including a creditor, having an interest in an estate whose value exceeds $10,000 may file a petition requesting that the personal representative submit additional bond. Upon the filing of the petition, the clerk shall set it for hearing, and the petitioner shall give notice for the period and in the manner provided in NRS 155.010. Upon hearing the petition, the court may require the personal representative to file additional bond in the amount of the claim of the petitioner, unless it determines that bond should be dispensed with or set in a different amount.

5. The amount of the bond is the estimated value of all personal property plus income for 1 year from both real and personal property, unless the amount of the bond is expressly mentioned in the will, changed by the court or required pursuant to subsection 4.

6. If a banking corporation, as defined in NRS 657.016, or trust company, as defined in NRS 669.070, doing business in this State is appointed the personal representative of the estate of a decedent, no bond is required unless otherwise specifically required by the court.

Sec. 16. NRS 143.020 is hereby amended to read as follows:

143.020 Except as otherwise provided in NRS 143.030 and 146.010, a personal representative has a right to the possession of all the real, as well as personal, property of the decedent and may receive the rents and profits of the property until the estate is settled, or until delivered over by order of the court to the heirs or devisees, and shall make a reasonable effort to ~~[keep]~~ ***preserve and maintain all such property, including, without limitation, by keeping*** in good tenantable repair all houses, buildings and appurtenances thereon which are under the control of the personal representative.

Sec. 17. NRS 143.035 is hereby amended to read as follows:

143.035 1. A personal representative shall use reasonable diligence in performing the duties of the personal representative and in pursuing the administration of the estate.

2. ~~[A]~~ ***In the absence of pending litigation or a contested proceeding involving the estate, a*** personal representative in charge of an estate that has not been closed shall:

(a) Within 6 months after the personal representative's appointment, where no federal estate tax return is required to be filed for the estate; or

(b) Within ~~[15]~~ ***18*** months after the personal representative's appointment, where a federal estate tax return is required to be filed for the estate,

➥ file with the court a report explaining why the estate has not been closed.

3. Upon receiving the report, the clerk shall set a time and place for a hearing of the report. The personal representative shall send a copy of the report and shall give notice of the hearing, for the period and in the manner provided in NRS 155.010, to:

(a) Each person whose interest is affected as an heir or devisee; and

(b) The Department of Health and Human Services, if the Department has filed a claim against the estate.

4. At the hearing, the court shall determine whether or not the personal representative has used reasonable diligence in the administration of the estate, and if the personal representative has not, the court may:

(a) Subject to the provisions of NRS 143.037:

(1) Prescribe the time within which the estate must be closed; or

(2) Allow the personal representative additional time for closing and order a subsequent report; or

(b) Revoke the letters of the personal representative, appoint a successor and prescribe a reasonable time within which the successor shall close the estate.

Sec. 18. NRS 143.037 is hereby amended to read as follows:

143.037 1. Except as otherwise provided in this section, a personal representative shall close an estate within 18 months after appointment.

2. If ~~[~~a~~]~~ ***an estate is not closed within 18 months after the appointment of a personal representative and:***

(a) A claim against the estate is in litigation or in summary determination pursuant to subsection 5 of NRS 145.060 ~~[~~or~~]~~ ***, a petition for determination of the validity of the claim has been filed pursuant to*** subsection 2 of NRS 147.130 or the amount of federal estate tax has not been determined, ~~[~~the court, upon petition of~~]~~ a devisee, creditor or heir ~~[~~, shall~~]~~ ***may file a petition seeking an*** order that:

~~[~~(a)~~]~~ ***(1)*** A certain amount of money, or certain other assets, be retained by the personal representative to:

~~[~~(1)~~]~~ ***(I)*** Satisfy the claim or tax; and

~~[~~(2)~~]~~ ***(II)*** Pay any fees or costs related to the claim or tax, including fees for appraisals, attorney's fees and court costs; and

~~[~~(b)~~]~~ ***(2)*** The remainder of the estate be distributed.

~~[~~3. If a~~]~~

(b) A contest of the will or a proceeding to determine heirship is pending, ***a devisee, creditor or heir may file a petition requesting*** the court which appointed the personal representative ~~[~~:

(a) Shall~~]~~ ***to*** order that ~~[~~a~~]~~ ***:***

~~[~~(b) May, for good cause shown, order that the~~]~~

(2) The entire distributable estate be retained pending disposition of the contest or proceeding.

3. A court shall not enter an order distributing the assets of an estate pursuant to this section if such a distribution will result in there being insufficient assets to enable the personal representative to discharge any tax liability, claims of creditors, administrative expenses or any other just obligation of the estate.

Sec. 19. NRS 143.050 is hereby amended to read as follows:

143.050 ***1.*** Except as otherwise provided in NRS 143.520, after notice given as provided in NRS 155.010 or in such other manner as the court

directs, the court may authorize the personal representative to continue the operation of the decedent's business to such an extent and subject to such restrictions as may seem to the court to be for the best interest of the estate and any interested persons.

2. The provisions of subsection 1 do not apply to passive investments or the exercise of any shareholder or membership rights to which the personal representative has succeeded.

3. Unless specifically authorized by the will or by the court, the personal representative may not receive any separate compensation for continuing the operation of the decedent's business pursuant to this section.

Sec. 20. NRS 143.165 is hereby amended to read as follows:

143.165 1. On petition ***or ex parte application*** of an interested person, the court by temporary order ***, with or without bond,*** may restrain a personal representative from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office ***.*** ~~[,]~~ ***Notwithstanding any other provision of law,*** if it appears to the court that the personal representative otherwise may take some action that would jeopardize unreasonably the interest of the petitioner or of some other interested person ~~[.]~~ ***or the estate, the court may enter the temporary order.*** A person with whom the personal representative may transact business may be made a party to the temporary order.

2. The matter must be set for hearing within 10 days after entry of the temporary order ***,*** unless the parties otherwise agree ~~[.]~~ ***, or on a date the court otherwise determines is in the best interest of the estate.*** Notice as the court directs must be given by the petitioner to the personal representative and the attorney of record of the personal representative, if any, and to any other party named as a party in the temporary order.

Sec. 21. NRS 144.010 is hereby amended to read as follows:

144.010 1. Except as otherwise provided in this ~~[subsection,]~~ ***section,*** every personal representative shall ~~[make]~~ ***prepare*** and file with the clerk ~~[,]~~ ***a true inventory and appraisement or record of value of all the assets of the decedent that have come to the possession or knowledge of the personal representative,*** within ~~[60]~~ ***120*** days after ~~[appointment,]~~ ***the issuance of letters of administration,*** unless the court extends the time ~~[, a true inventory and appraisement or record of value of all the estate of the decedent that has come to the possession or knowledge of the personal representative.]~~ ***for good cause shown.*** The requirement of ***preparing and*** filing an inventory or ~~[the requirement of filing]~~ an appraisement or ***a*** verified record of value, or both, may be waived by the unanimous written consent of all interested persons.

2. ~~[The]~~ ***Notwithstanding the provisions of this subsection, an interested person may provide a written request to the personal representative at any time 60 days or more after the issuance of letters of***

administration which seeks a list of the assets of the estate known to the personal representative. The personal representative shall provide such information to the requesting interested party within 10 days after receipt of the written request.

3. Unless an interested heir requested and was provided a list of assets pursuant to subsection 2, the personal representative, within 10 days after filing the inventory with the clerk, shall mail a copy to all the interested heirs of an intestate estate, or to the devisees of a testate estate, or to both interested heirs and devisees, if a contest of the will of the decedent is pending. Proof of the mailing of the copies must be made and filed in the proceeding.

4. Notwithstanding the requirements set forth in this section, a personal representative may file a redacted inventory to protect the decedent or his or her estate or an interested person. Such an inventory may redact any account numbers, social security numbers and values. Upon request by the court or an interested person, the personal representative shall make the full inventory without redaction available for inspection.

5. This section must not be construed to interfere with the authority of a court to order a personal representative to provide the court with information sufficient to identify the assets of an estate and the value thereof that is subject to probate administration, including, without limitation, requiring the personal representative to submit an inventory to the court in camera, as the court deems necessary and appropriate.

Sec. 22. NRS 144.020 is hereby amended to read as follows:

144.020 1. A personal representative may engage a qualified and disinterested appraiser to ascertain the fair market value, as of the decedent's death, of any asset the value of which is subject to reasonable doubt. Different persons may be engaged to appraise different kinds of assets included in the estate.

2. Any such appraiser is entitled to a reasonable compensation for the appraisal and may be paid the compensation by the personal representative out of the estate at any time after completion of the appraisal.

3. Except as otherwise provided in NRS 144.010, if there is no reasonable doubt as to the value of assets, such as money, deposits in banks or credit unions, bonds, policies of life insurance, or securities for money or evidence of indebtedness, and the asset is equal in value to cash, the personal representative shall file a verified record of value in lieu of the appraisement.

4. If it appears beyond reasonable doubt that there will be no need to sell assets of the estate to pay the debts of the estate or expenses of administration, or to divide assets for distribution in kind to the devisees or heirs, the personal representative may petition the court for an order allowing a verified record of value to be filed in lieu of the appraisement or, if no interested person is prejudiced thereby, an order waiving the requirement for

filing an appraisement or verified record of value, and the court may enter such an order with or without notice.

5. If the personal representative reasonably believes that the value of the household furniture and furnishings of the estate is less than $30,000, the personal representative may file a verified record of value in lieu of the appraisement. Notwithstanding the provisions of this subsection, any interested person may petition the court to require the personal representative to obtain an appraisement on some or all of such household furniture and furnishings. Upon a showing of good cause, the court shall order the appraisement.

Sec. 23. NRS 144.080 is hereby amended to read as follows:

144.080 If a personal representative neglects or refuses to file the inventory within the time prescribed by law or extended by the court, the court may, upon such notice as it deems appropriate ~~[, revoke]~~ ***:***

1. Revoke the letters of the personal representative ~~[, and]~~ ***;***

2. Order that the fees and costs incurred by the interested person seeking to enforce the provisions of this subsection be satisfied by the bond of the personal representative or, in the absence of a bond, be paid personally by the personal representative; or

3. Hold the personal representative ~~[is]~~ liable on the bond of the personal representative for any injuries sustained by the estate through his or her ~~[neglect.]~~ ***gross negligence or willful misconduct.***

Sec. 24. NRS 147.130 is hereby amended to read as follows:

147.130 1. If a claim is rejected by the personal representative or the court, in whole or in part, the claimant must be immediately notified by the personal representative, and the claimant must bring suit in the proper court against the personal representative within 60 days after the notice or file a timely petition for ~~[summary]~~ determination ***of the validity of the claim*** pursuant to subsection 2, whether the claim is due or not, or the claim is forever barred. A claimant must be informed of the rejection of the claim by written notice forwarded to the claimant's mailing address by registered or certified mail.

2. If a claim ~~[filed by the Department of Health and Human Services]~~ is rejected by the personal representative, ~~[the Director of the Department]~~ ***a creditor*** may, within 20 days after receipt of the written notice of rejection, petition the court for ~~[summary]~~ determination of ***the validity of*** the claim ~~[.]~~ ***in lieu of bringing suit against the personal representative pursuant to subsection 1.*** A petition for ~~[summary]~~ determination ***of the validity of the claim*** must be filed with the clerk, who shall set the petition for hearing, and notice must be given for the period and in the manner required by NRS 155.010. Allowance of the claim by the court is sufficient evidence of its correctness, and it must be paid as if previously allowed by the personal representative.

3. In any action brought upon a claim rejected in whole or in part by the personal representative, if the personal representative resides out of the State

or has departed from the State, or cannot, after due diligence, be found within the State, or conceals himself or herself to avoid the service of summons, the summons, together with a copy of the complaint, must be mailed directly to the last address given by the personal representative, with a copy to the attorney for the estate, and proof of the mailing must be filed with the clerk where the administration of the estate is pending. This service is the equivalent of personal service upon the personal representative, but he or she has 30 days from the date of service within which to answer.

4. If the personal representative defaults after such service, the default is sufficient grounds for his or her removal as personal representative by the court without notice. Upon petition and notice, in the manner provided for an application for letters of administration, an administrator or an administrator with the will annexed must be appointed by the court and, upon his or her qualification as such, letters of administration or letters of administration with the will annexed must be issued.

Sec. 25. NRS 147.150 is hereby amended to read as follows:

147.150 No holder of a claim against an estate may maintain an action thereon unless the claim is first filed with the clerk and the claim is rejected in whole or in part, except in the following case: An action may be brought by the holder of a ***lien or*** mortgage to enforce the ***lien or*** mortgage against the property of the estate subject thereto if all recourse against any other property of the estate is expressly waived in the complaint.

Sec. 26. NRS 148.220 is hereby amended to read as follows:

148.220 1. Notice of the time and place of sale of real property must be published in a newspaper published in the county in which the property, or some portion of the property, is located, if there is one so published, and if not, then in such paper as the court directs, for 2 weeks, being three publications, 1 week apart, before the day of sale or, in the case of a private sale, before the day on or after which the sale is to be made. For good cause shown, the court may decrease the number of publications to one and shorten the time for publication to a period not less than 8 days.

2. ~~[~~If the~~]~~ ***The court may waive the requirement of publication if:***

(a) The personal representative is the sole devisee or heir of the estate, or if all devisees or heirs of the estate consent in writing ~~[~~, the court may waive the requirement of publication.~~]~~ ***;***

(b) The personal representative provides proof that the property has been publicly listed in a public property listing service for a period of not less than 30 days; or

(c) The estate is subject to a lien or mortgage on the property in excess of the value of the real property and the estate has entered into an agreement with the holder of the lien or mortgage to waive the deficiency and accept the net sales proceeds.

3. If it appears from the inventory and appraisement that the value of the property to be sold does not exceed $5,000, the personal representative may waive the requirement of publication and, in lieu thereof, post a notice of the

time and place of sale in three of the most public places in the county in which the property, or some portion of the property, is located, for 2 weeks before the day of the sale or, in the case of a private sale, before the day on or after which the sale is to be made.

4. The property proposed to be sold must be described with common certainty in the notice.

Sec. 27. NRS 148.260 is hereby amended to read as follows:

148.260 1. Except as otherwise provided in subsection 2, ~~[no]~~ ***a*** sale of real property at ***a*** private sale ~~[may]~~ ***must not*** be confirmed by the court unless the court is satisfied that the sum offered represents the fair market value of the property sold ~~[, nor unless]~~ ***and*** the real property has been appraised within 1 year before the time of sale. If ~~[it]~~ ***the property*** has not been appraised, a new appraisement must be ~~[had,]~~ ***performed,*** as in the case of an original appraisement of an estate ***,*** ~~[. This may be done]~~ at any time before the sale or confirmation ~~[thereof.]~~ ***of the property.***

2. ***The court may waive the requirement of an appraisement:***

(a) For good cause shown; or

(b) If the personal representative is the sole devisee or heir of the estate, or if all devisees or heirs consent in writing to sale without an appraisal, ~~[the requirement of an appraisal may be dispensed with and]~~ ***, in which case*** the personal representative may rely on the assessed value of the property for taxation in obtaining confirmation of the sale.

Sec. 28. NRS 148.270 is hereby amended to read as follows:

148.270 1. At the hearing, the court shall consider the necessity for the sale, or the advantage, benefit and interest of the estate in having the sale made, and must examine the return and the evidence in relation to the sale.

2. If it appears to the court that good reason existed for the sale, that the sale was legally made and fairly conducted, and complied with the requirements of NRS 148.260, that the sum bid is not disproportionate to the value, and it does not appear that a sum exceeding the bid by at least 5 percent if the bid is not more than $100,000, or by at least $5,000 if the bid is $100,000 or more, may be obtained, the court shall enter an order confirming the sale and directing conveyances to be executed. Otherwise, it shall vacate the sale. If the court directs that the property be resold, notice must be given and the sale in all respects conducted as if no previous sale had taken place.

3. If a written offer of 5 percent or $5,000 more in amount than that named in the return is made to the court by a responsible person, as provided in subsection 2, and the bid complies with all provisions of the law, the court may accept the offer and confirm the sale to that person, order a new sale or conduct a public auction in open court.

4. If a higher bid is received at the time of a hearing to confirm the sale, the court may continue the hearing if it finds that the original bidder was not notified of the hearing and might desire to increase his or her bid, but failure to notify the original bidder or to continue the hearing is not grounds to void an order confirming a sale.

5. If the court accepts a higher bid at the time of a hearing to confirm the sale, the court shall confirm the original purchase contract and include in the order confirming the sale the substitution of the new sale price and purchaser. The order confirming the sale is a sufficient addendum to the original contract to allow escrow to close.

6. Notwithstanding the provisions of this section, if the estate is subject to a lien or mortgage that exceeds the value of the property and the estate has entered into an agreement with the holder of the lien or mortgage to waive any deficiency as to other estate property and accept the net sales proceeds as full satisfaction of the lien or mortgage, the court shall confirm the sale without accepting bids on the property.

Sec. 29. NRS 153.020 is hereby amended to read as follows:

153.020 ***1.*** If a ~~[trust,]~~ life estate or estate for years is created by or under any will to continue after distribution ~~[,]~~ ***of the estate,*** the court does not lose jurisdiction of the estate ***, life estate or estate for years*** by final distribution ~~[,]~~ ***of the estate,*** but retains jurisdiction of it until the distribution of the residue ***of the life estate or estate for years*** to those entitled to it ~~[. The court does not retain jurisdiction over a testamentary trust created by or under a will after distribution of that portion of the estate to such a testamentary trust.***

2. Notwithstanding the provisions of subsection 1, before the entry of an order granting final distribution of the estate, the court may consider a petition filed by the trustee or any beneficiary of the testamentary trust requesting the court to retain jurisdiction of the testamentary trust and, upon good cause shown, the court may order such continued jurisdiction. Such a petition must be filed with the clerk of the court before the hearing on the petition for final distribution of the estate and must be served on all interested persons in accordance with NRS 155.010.

3. This section must not be construed to limit the ability of an interested person to subsequently seek submission of a testamentary trust to the jurisdiction of the court pursuant to NRS 164.010.

Sec. 30. NRS 153.031 is hereby amended to read as follows:

Except as otherwise provided in this chapter, the clerk shall set the petition for hearing and the petitioner shall give notice for the period and in the manner provided in NRS 155.010. The court may order such further notice to be given as may be proper.

(a) Order a reduction in the trustee's compensation.

(b) Order the trustee to pay to the petitioner or any other party all reasonable costs incurred by the party to adjudicate the affairs of the trust pursuant to this section, including, without limitation, reasonable attorney's fees. 153.090 1. A person named or designated as a trustee ***of a testamentary trust*** in a will may, at any time before distribution of any of the estate to the person, decline to act as trustee, and an order of court must be entered accepting the resignation, but the declination of any person who has qualified as trustee may not be accepted by the court unless ***the testamentary trust is subject to ongoing court jurisdiction pursuant to NRS 153.020 and*** a petition to accept the declination is filed in the proceeding for administration of the ~~[estate.]~~ ***testamentary trust.*** Upon the filing of the petition, the clerk shall set it for hearing and the petitioner shall give notice to all interested persons for the period and in the manner provided in NRS 155.010.

162.280 At the time for distribution of any property of an estate or trust, the fiduciary may withhold any part or all of the property from the beneficiaries if the fiduciary determines that the property may be subject to ***claims of offset held by the fiduciary in his or her fiduciary capacity,*** conflicting claims, tax deficiencies or other liabilities, contingent or otherwise, relating to the estate or trust.

Sec. 37. NRS 162.300 is hereby amended to read as follows:

2. A ***trust established or a*** corporation, limited-liability company or other entity incorporated, organized or registered under the laws of this State that acts as a fiduciary or trustee of an estate or trust administered under the laws of this State may be owned or controlled by the trust if the trust instrument authorizes the trust to own an affiliate.

3. As used in this section, "affiliate" has the meaning ascribed to it in NRS 163.020.

Sec. 38. Chapter 163 of NRS is hereby amended by adding thereto the provisions set forth as sections 39 and 40 of this act.

Sec. 39. ***Except as otherwise provided in NRS 163.0075 or another provision of law:***

1. A trust may be created for a noncharitable purpose without a definite ascertainable beneficiary or for a noncharitable but otherwise valid purpose. The noncharitable purpose for which a trust is created must be stated with sufficient particularity in the trust instrument as to be ascertainable by a finder of fact.

2. A trust authorized by this section may be enforced by a trustee, trust adviser, trust protector or person appointed under the terms of the trust or, if no such person is appointed, by the court.

3. Except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use, property of a trust authorized by this section may be applied only to its intended use, including, without limitation, appointing trust property to or for the benefit of an existing or new trust whose purposes are limited to one or more purposes of the original trust. Except as otherwise provided by the terms of the trust, property not required for the intended use must be distributed to the settlor, if living, or otherwise to the settlor's successors in interest.

4. As used in this section:

(a) "Trust adviser" has the meaning ascribed to it in NRS 163.5545.

(b) "Trust protector" has the meaning ascribed to it in NRS 163.5547.

(c) "Valid purpose" means any purpose that is not illegal or against public policy.

Sec. 40. ***Unless otherwise ordered or provided for in a property or separation agreement approved by the court in a proceeding for a divorce or annulment, the divorce, annulment of the marriage or termination of the domestic partnership of the descendant of a settlor revokes:***

2. The appointment of the spouse or domestic partner of the descendant as a trust protector, trust adviser or consultant.

Sec. 41. NRS 163.00195 is hereby amended to read as follows:

163.00195 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a trust must be enforced by the court ~~[.]~~ ***because public policy favors enforcing the intent of the settlor. However, because public policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the trust.***

2. A no-contest clause must be construed to carry out the settlor's intent ~~[. Except]~~ to the extent ~~[the no-contest clause in the trust is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the settlor's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a beneficiary's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the settlor in the trust. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the trust itself, including, without limitation:

(1) The commencement of civil litigation against the settlor's probate estate or family members;

(2) Interference with the administration of another trust or a business entity;

(3) Efforts to frustrate the intent of the settlor's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the settlor.

3. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the beneficiary ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the trust, any document referenced in or affected by the trust, or any other trust-related instrument;

(b) Enforce the beneficiary's legal rights related to the trust, any document referenced in or affected by the trust, or any trust-related instrument; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the trust or the*** construction or legal effect of the trust, ***the provisions thereof or*** any document referenced in or affected by the trust, or any other trust-related instrument ~~[.]~~ ***; or***

(d) Enforce the fiduciary duties of the trustee.

4. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust, any document referenced in or affected by the trust, or any

other trust-related instrument if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the trust, any document referenced in or affected by the trust, or other trust-related instrument is invalid.

5. ***Unless the trust expressly provides otherwise, a no-contest clause must not be applied to a settlor who is also a beneficiary of the trust.***

6. As used in this section:

(a) "No-contest clause" means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor's intent as expressed in the trust or in a trust-related instrument.

(b) "Trust" means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.

(c) "Trust-related instrument" means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

Sec. 42. NRS 163.002 is hereby amended to read as follows:

163.002 ***1.*** Except as otherwise provided by specific statute, a trust may be created by any of the following methods:

~~[1.]~~ ***(a)*** A declaration by the owner of property that he or she ***or another person*** holds the property as trustee. In the absence of a contrary declaration by the owner of the property or of a transfer of the property to a third party and regardless of formal title to the property:

~~[(a)]~~ ***(1)*** Property declared to be trust property, together with all income therefrom and the reinvestment thereof, must remain trust property; and

~~[(b)]~~ ***(2)*** If the property declared to be trust property includes an account, contract, certificate, note, judgment, business interest, contents of a safe deposit box or other property interest that is subject to additions or contributions, all subsequent additions and contributions to the property are also trust property.

~~[3.]~~ ***(c)*** A testamentary transfer of property by the owner to another person as trustee.

~~[4.]~~ ***(d)*** An exercise of a power of appointment in trust.

~~[5.]~~ ***(e)*** An enforceable promise to create a trust.

2. A declaration pursuant to paragraph (a) of subsection 1 may include a schedule or list of trust assets that is signed by the owner of the property or that is incorporated by reference into a document that is signed by the owner of the property.

Sec. 43. NRS 163.006 is hereby amended to read as follows:

163.006 A trust is created only if there is a beneficiary. This requirement is satisfied if the trust instrument provides for:

1. A beneficiary or class of beneficiaries that is ascertainable with reasonable certainty or that is sufficiently described so that it can be determined whether a person meets the description or is within the class;

2. A grant of power to the trustee or some other person to select the beneficiary based on a standard or in the discretion of the trustee or other person;

3. A charitable trust as defined in NRS 163.460;

4. A trust for the care of one or more animals created pursuant to NRS 163.0075; ~~[or]~~

5. A public benefit trust as defined in NRS 163.551 ~~[.]~~ ***; or***

6. A noncharitable trust without an ascertainable beneficiary pursuant to section 39 of this act.

Sec. 44. NRS 163.008 is hereby amended to read as follows:

163.008 1. A trust created in relation to real property is not valid unless it is created by operation of law or is evidenced by:

(a) A written instrument signed by the trustee, or by the agent of the trustee if the agent is authorized in writing to do so; or

(b) A written instrument, including, without limitation, an electronic trust, conveying the trust property and signed by the settlor, or by the agent of the settlor if the agent is authorized in writing to do so.

2. Such a trust may be recorded in the office of the county recorder in the county where all or a portion of the real property is located.

3. This section must not be construed to require a declaration by an owner of property pursuant to NRS 163.002 that specifically identified real property is held in trust to be in writing. As used in this subsection, "specifically identified real property" includes property that is identified by legal description, street address or the applicable assessor's parcel number.

Sec. 45. NRS 163.027 is hereby amended to read as follows:

163.027 1. Except as otherwise provided in subsection 2 or in the trust, a trustee may distribute property and money:

(a) In divided or undivided interests; and

(b) With or without proration.

2. Each affected beneficiary must consent before property or money is distributed without proration ~~[,]~~ unless the trust specifically authorizes the trustee to make that distribution ~~[.]~~ ***or the distribution is otherwise authorized by law.***

Sec. 46. NRS 163.115 is hereby amended to read as follows:

163.115 1. If a trustee commits or threatens to commit a breach of trust, a beneficiary or cotrustee of the trust may maintain a proceeding for any of the following purposes that is appropriate:

(a) To compel the trustee to perform his or her duties.

(b) To enjoin the trustee from committing the breach of trust.

(c) To compel the trustee to redress the breach of trust by payment of money or otherwise.

(d) To appoint a receiver or temporary trustee to take possession of the trust property and administer the trust.

(e) To remove the trustee.

(f) To set aside acts of the trustee.

(g) To reduce or deny compensation of the trustee.

(h) To impose an equitable lien or a constructive trust on trust property.

(i) To trace trust property that has been wrongfully disposed of and recover the property or its proceeds.

2. ***On petition or ex parte application of a beneficiary or trustee, the court by temporary order, with or without bond, may restrain a trustee from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office. Notwithstanding any other provision of law governing temporary injunctions, if it appears to the court that the trustee otherwise may take some action that would jeopardize unreasonably the interest of the petitioner, another beneficiary or the trust, the court may enter the temporary order. A person with whom the trustee may transact business may be made a party to the temporary order.***

3. Any temporary order entered pursuant to subsection 2 must be set for hearing within 10 days after entry of the temporary order, unless the parties otherwise agree, or on a date the court otherwise determines is in the best interests of the trust. Notice of entry of the temporary order must be given by the petitioner to the trustee and the attorney of record of the trustee, if any, to any other party named as a party in the temporary order and as otherwise directed by the court.

4. The provision of remedies in ~~[subsection 1]~~ ***this section*** does not preclude resort to any other appropriate remedy provided by statute or common law.

~~[3.]~~ ***5.*** A proceeding under this section must be commenced by filing ***or bringing in conjunction with the filing of*** a petition under NRS 164.010 and 164.015.

Sec. 47. NRS 163.130 is hereby amended to read as follows:

163.130 1. A trustee who has incurred personal liability for a tort committed in the administration of the trust is entitled to exoneration therefor from the trust property if the trustee has not discharged the claim, or to be reimbursed therefor out of trust funds if the trustee has paid the claim, if:

(a) The tort was a common incident of the kind of business activity in which the trustee was properly engaged for the trust; ~~[or]~~

(b) Although the tort was not a common incident of such activity, neither the trustee nor any officer or employee of the trustee was guilty of personal fault in incurring the liability ~~[.]~~ ***; or***

(c) The trust instrument authorizes the exoneration or reimbursement of a trustee and the actions of the trustee did not constitute willful misconduct or gross negligence.

2. If a trustee commits a tort which increases the value of the trust property, the trustee shall be entitled to exoneration or reimbursement with respect thereto to the extent of such increase in value, even though the trustee would not otherwise be entitled to exoneration or reimbursement.

3. Nothing in this section shall be construed to change the existing law with regard to the liability of trustees of charitable trusts for torts of themselves or their employees.

Sec. 48. NRS 163.4185 is hereby amended to read as follows:

163.4185 1. A distribution interest may be classified as:

(a) A mandatory interest if the trustee has no discretion to determine whether a distribution should be made, when a distribution should be made or the amount of the distribution.

(b) A support interest if the ~~[distribution of a support interest contains a standard for distribution for the support of a person which may be interpreted by the trustee or a court, as necessary. A provision in a trust which provides a support interest may contain mandatory language which a]~~ trustee ~~[must follow.]~~ ***is required to make distributions to the beneficiary pursuant to an ascertainable standard.***

(c) A discretionary interest if the trustee has discretion to determine whether a distribution should be made, when a distribution should be made and the amount of the distribution.

2. If a trust contains a combination of a mandatory interest, a support interest or a discretionary interest, the trust must be separated as:

(a) A mandatory interest only to the extent of the mandatory language provided in the trust;

(b) A support interest only to the extent of the support language provided in the trust; and

(c) A discretionary interest for any remaining trust property.

3. If a trust provides for a support interest that also includes mandatory language but the mandatory language is qualified by discretionary language, the support interest must be classified and separated as a discretionary interest.

4. As used in this section, "ascertainable standard" means a standard relating to a person's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

Sec. 49. NRS 163.556 is hereby amended to read as follows:

163.556 1. Except as otherwise provided in this section, unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by

appointing the property subject to such discretion or authority in favor of a second trust as provided in this section.

2. The second trust to which a trustee appoints property of the first trust may only have as beneficiaries one or more of the beneficiaries of the original trust:

(a) To or for whom a distribution of income or principal may be made from the original trust;

(b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the first trust; or

(c) Both paragraphs (a) and (b).

➥ For purposes of this subsection, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

3. A trustee may not appoint property of the original trust to a second trust if:

(a) Appointing the property will reduce any income interest of any income beneficiary of the original trust if the original trust is:

(1) A trust for which a marital deduction has been taken for federal or state income, gift or estate tax purposes;

(2) A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or

(3) A grantor-retained annuity trust or unitrust under ~~[27]~~ ***26*** C.F.R. § 25.2702-3(b) and (c).

➥ As used in this paragraph, "unitrust" has the meaning ascribed to it in NRS 164.700.

(b) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust's power of withdrawal is unchanged with respect to the trust property.

(c) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

(d) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the property held for the benefit of the same beneficiaries under only the original trust, unless:

(1) The benefit provided is limited to a specific amount or periodic payments of a specific amount; and

(2) The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.

(e) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the

Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the beneficiary's remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

4. A trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself or herself;

(2) The trustee's discretion to make distributions to himself or herself is limited by an ascertainable standard, and under the terms of the second trust, the trustee's discretion to make distributions to himself or herself is not limited by the same ascertainable standard; or

(3) The trustee's discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee's discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee's legal support obligations but under the second trust the trustee's discretion is not limited.

5. Notwithstanding the provisions of subsection 1, a trustee who may be removed by the beneficiary or beneficiaries of the original trust and replaced with a trustee that is related to or subordinate, as described in section 672 of the Internal Revenue Code, 26 U.S.C. § 672(c), to a beneficiary, may not exercise the authority to appoint property of the original trust to a second trust to the extent that the exercise of the authority by such trustee would have the effect of increasing the distributions that can be made from the second trust to such beneficiary or group of beneficiaries that held the power to remove the trustee of the original trust and replace such trustee with a related or subordinate person, unless the distributions that may be made from the second trust to such beneficiary or group of beneficiaries described in paragraph (a) of subsection 4 are limited by an ascertainable standard.

6. The provisions of subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice

of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:

(a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are beneficiaries of the original trust.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

Assembly Bill No. 356.

The following Senate amendment was read:

Amendment No. 826.

AN ACT relating to criminal procedure; ~~[authorizing a prosecuting attorney or an attorney for a defendant to issue subpoenas for witnesses in this State to appear at an evidentiary hearing;]~~ revising the procedure for giving instructions to the jury; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes the prosecuting attorney or the attorney for the defendant in a criminal proceeding to issue subpoenas for witnesses within this State to appear before the court at which a preliminary hearing is to be held or an indictment, information or criminal complaint is to be tried. (NRS 174.315) Section 7 of this bill additionally authorizes a prosecuting attorney or an attorney for the defendant to issue subpoenas for such witnesses to appear before the court at which an evidentiary hearing is to be held.~~

~~Existing law provides for the issuance of a subpoena to produce books, papers, documents or other objects. (NRS 174.335) Section 8 of this bill allows such a subpoena to request such production in addition or as an alternative to appearing before the court.~~

~~Existing law requires the court to be given a written charge presented by either party if the court thinks it is correct and pertinent. (NRS 175.161) Section 9 of this bill additionally requires the court to believe that the charge is an accurate statement of the law.]~~

Existing law requires a judge to charge the jury and governs the giving of certain instructions when cases are tried by a jury. Existing law also authorizes either party to present to the court any written charge and request that it be given to the jury. The court is then required to give such a charge if it thinks the charge is correct and pertinent. (NRS 175.161) This bill instead requires such a charge to be given if the court believes that the charge is both pertinent and an accurate statement of the law, regardless of whether the charge has been adopted as a model jury instruction.

2. In charging the jury, the judge shall state to them all such matters of law the judge thinks necessary for their information in giving their verdict.

3. Either party may present to the court any written charge, and request that it be given. 4. An original and one copy of each instruction requested by any party must be tendered to the court. The copies must be numbered and indicate who tendered them. Copies of instructions given on the court's own motion or modified by the court must be so identified. When requested instructions are refused, the judge shall write on the margin of the original the word "refused" and initial or sign the notation. The instructions given to the jury must be firmly bound together and the judge shall write the word "given" at the conclusion thereof and sign the last of the instructions to signify that all have been given. After the instructions are given, the judge may not clarify, modify or in any manner explain them to the jury except in writing unless the parties agree to oral instructions.

5. After the jury has reached a verdict and been discharged, the originals of all instructions, whether given, modified or refused, must be preserved by the clerk as part of the proceedings.

6. Conferences with counsel to settle instructions must be held out of the presence of the jury and may be held in chambers at the option of the court.

7. When the offense charged carries a possible penalty of life without possibility of parole a charge to the jury that such penalty does not exclude executive clemency is a correct and pertinent charge, and must be given upon the request of either party.

(NRS 695D.170, 695F.200) **Section 158** also increases the minimum net worth a prepaid limited health service organization must maintain in a capital account from $200,000 to $500,000.

Existing law sets forth that an employer who is a member of an association of self-insured public or private employers may terminate his or her membership at any time, as long as the member submits to the association a notice of intent to withdraw from the association at least 120 days before the effective date of withdrawal. Existing law further requires this notice of intent to withdraw to include a statement indicating that the member has replaced his or her membership to the association with a certain other type of insurance. (NRS 616B.386) Section 166.3 of this bill amends existing law by requiring that the notice of intent to withdraw be deemed rescinded if the member does not provide to the association before the expiration of the 120-day period proof that the member has replaced his or her membership to the association with a certain other type of insurance.

Sections 17, 23, 40-43, 45-49, 87, 93-97, 99-102, 107, 108, 115, 116, 125, 126, 135, 136, 150 and 163 of this bill make conforming changes.

~~[4.]~~ ***(d)*** Take an adverse action against an applicant or policyholder based on the applicant or policyholder not having a credit card account unless the

insurer also considers other applicable factors independent of credit information.

~~[~~5.~~]~~ ***(e)*** Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating a policy unless the insurer does any one of the following:

~~[~~(a)~~]~~ ***(1)*** Treats the applicant or policyholder as otherwise approved by the Commissioner, after the insurer presents to the Commissioner information indicating that such an absence or inability relates to the risk for the insurer.

~~[~~(b)~~]~~ ***(2)*** Treats the applicant or policyholder as if the applicant or policyholder had neutral credit information, as defined by the insurer.

~~[~~(c)~~]~~ ***(3)*** Excludes the use of credit information as a factor, and uses only underwriting criteria other than credit information.

~~[~~6.~~]~~ ***(f)*** Take an adverse action against an applicant or policyholder based on credit information, unless an insurer obtains and uses a consumer credit report issued or an insurance score calculated within 90 days from the date the policy is first written or renewal is issued.

~~[~~7. Except as otherwise provided in this subsection, use credit information regarding a policyholder without obtaining an updated consumer credit report regarding the policyholder and recalculating the insurance score at least once every 36 months. At the time of the annual renewal of a policyholder's policy, the insurer shall, upon the request of the policyholder or the policyholder's agent, reunderwrite and rerate the policy based upon a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder's agent, recalculate the insurance score of or obtain an updated consumer credit report of the policyholder more frequently than once in any 12 month period. An insurer may, at its discretion, obtain an updated consumer credit report regarding a policyholder more frequently than once every 36 months, if to do so is consistent with the underwriting guidelines of the insurer. An insurer does not need to obtain an updated consumer credit report for a policyholder if any one of the following applies:

— (a) The insurer is treating the policyholder as otherwise approved by the Commissioner.

— (b) The policyholder is in the most favorably priced tier of the insurer and all affiliates of the insurer. With respect to such a policyholder, the insurer may elect to obtain an updated consumer credit report if to do so is consistent with the underwriting guidelines of the insurer.

— (c) Credit information was not used for underwriting or rating the policyholder when the policy was initially written. The fact that credit information was not used initially does not preclude an insurer from using such information subsequently when underwriting or rating such a policyholder upon renewal, if to do so is consistent with the underwriting guidelines of the insurer.

— (d) The insurer reevaluates the policyholder at least once every 36 months based upon underwriting or rating factors other than credit information.

~~— 8.~~] *(g)* Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy:

~~[(a)~~] *(1)* Credit inquiries not initiated by the applicant or policyholder, or inquiries requested by the applicant or policyholder for his or her own credit information.

~~[(b)~~] *(2)* Inquiries relating to insurance coverage, if so identified on the consumer credit report.

~~[(c)~~] *(3)* Collection accounts relating to medical treatment, if so identified on the consumer credit report.

~~[(d)~~] *(4)* Multiple lender inquiries, if identified on the consumer credit report as being related to home loans or mortgages and made within 30 days of one another, unless only one inquiry is considered.

~~[(e)~~] *(5)* Multiple lender inquiries, if identified on the consumer credit report as being related to a loan for an automobile and made within 30 days of one another, unless only one inquiry is considered.

2. Except as otherwise provided in this subsection, at the time of the annual renewal of a policyholder's policy, an insurer that uses information from a consumer credit report shall, upon the request of the policyholder or the policyholder's agent, reunderwrite and rerate the policy based upon a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder's agent, recalculate the insurance score of or obtain an updated consumer credit report of the policyholder more frequently than once in any 12-month period.

Sec. 34. Chapter 686B of NRS is hereby amended by adding thereto the provisions set forth as sections 35 to 39, inclusive, of this act.

Sec. 35. ***"Large-deductible agreement" means any combination of one or more policies, endorsements, contracts or security arrangements, which provide for the policyholder to bear the risk of loss of a specified amount of $25,000 or more per claim or occurrence covered under a policy of industrial insurance and which may be subject to an aggregate limit of the policyholder's reimbursement obligations.***

Sec. 36. ***1. The Commissioner shall consider each proposed increase or decrease in the rate of a health plan issued pursuant to the provisions of chapter 689A, 689B, 689C, 695B, 695C, 695D or 695F of NRS, including, without limitation, long-term care and Medicare supplement plans, filed with the Commissioner pursuant to subsection 1 of NRS 686B.070. If the Commissioner finds that a proposed increase will result in a rate which is not in compliance with NRS 686B.050 or subsection 3 of NRS 686B.070, the Commissioner shall disapprove the proposal. The Commissioner shall approve or disapprove each proposal not later than 60 days after the proposal is determined by the Commissioner to be complete pursuant to subsection 4. If the Commissioner fails to approve or disapprove the proposal within that period, the proposal shall be deemed approved.***

2. Whenever an insurer has no legally effective rates as a result of the Commissioner's disapproval of rates or other act, the Commissioner shall on request specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by the Commissioner. When new rates become legally effective, the Commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis must not be required.

3. If the Commissioner disapproves a proposed rate pursuant to subsection 1, and an insurer requests a hearing to determine the validity of the action of the Commissioner, the insurer has the burden of showing compliance with the applicable standards for rates established in NRS 686B.010 to 686B.1799, inclusive, and sections 35 to 39, inclusive, of this act. Any such hearing must be held:

(a) Within 30 days after the request for a hearing has been submitted to the Commissioner; or

(b) Within a period agreed upon by the insurer and the Commissioner.

➥ If the hearing is not held within the period specified in paragraph (a) or (b), or if the Commissioner fails to issue an order concerning the proposed rate for which the hearing is held within 45 days after the hearing, the proposed rate shall be deemed approved.

4. The Commissioner shall by regulation specify the documents or any other information which must be included in a proposal to increase or decrease a rate submitted to the Commissioner pursuant to subsection 1. Each such proposal shall be deemed complete upon its filing with the Commissioner, unless the Commissioner, within 15 business days after the proposal is filed with the Commissioner, determines that the proposal is incomplete because the proposal does not comply with the regulations adopted by the Commissioner pursuant to this subsection.

Sec. 37. ***This section and sections 38 and 39 of this act apply to any policy of industrial insurance which:***

2. Contains a large-deductible agreement;

3. Is not issued to a federal, state or local governmental entity; and

4. Is issued for delivery or renewed on or after January 1, 2018.

Sec. 38. ***An insurer shall:***

(b) An irrevocable letter of credit issued by a financial institution with an office physically located within this State, and the deposits of which are federally insured; or

(c) Cash or securities held in trust by a third party or the insurer and subject to a trust agreement for the express purpose of securing the policyholder's obligation under a large-deductible agreement, provided that if the assets are held by the insurer, those assets may not be commingled with the insurer's other assets; and

2. Limit the size of the policyholder's obligations under a large-deductible agreement to 20 percent of the total net worth of the policyholder at the inception of the policy and again at each renewal, as determined by an audited financial statement as of the most recent fiscal year-end for which such a statement is available, with the total net worth of the policyholder calculated as the difference between the total assets and the total liabilities of the policyholder.

Sec. 39. ***Except when otherwise specifically approved by the Commissioner in writing or by electronic communication, any insurer determined to be in a hazardous financial condition pursuant to NRS 680A.205, or the equivalent provisions of law in any other state as determined by the Commissioner, is prohibited from issuing or renewing a policy that includes a large-deductible agreement.***

Motion carried.

Bill ordered transmitted to the Senate.

Assembly Bill No. 163.

The following Senate amendment was read:

Amendment No. 856.

AN ACT relating to financial services; requiring a person who is licensed to operate certain loan services to verify a customer's ability to repay the loan before making certain short-term loans to the customer; requiring a person who makes a deferred deposit loan to offer an extended payment plan under certain circumstances; **providing that certain contracts for the lease of an animal are subject to certain requirements imposed on high-interest loans;** revising provisions governing defaults, lengths of term and grace periods relating to certain short-term loans; requiring certain notices to be posted by a person who is licensed to operate certain loan services; revising the requirements for making a title loan; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes standards and procedures governing the making of certain short-term loans, commonly referred to as "payday loans," "high-interest loans" and "title loans." (Chapter 604A of NRS) **Section 1.3** of this bill: (1) prohibits a person from making such a loan unless the person has determined that the customer has the ability to repay the loan; and (2) establishes the factors that the person making the loan must consider when determining whether a customer has the ability to repay the loan. **Section 1.3** also requires that the loan comply with the statutory requirements applicable to the type of loan involved. **Section 1.7** of this bill requires a person who makes a deferred deposit loan to offer an extended payment plan to the customer under certain circumstances.

Section 3.5 of this bill includes in the definition of "high-interest loan" a contract for the lease of an animal for a purpose other than a business, commercial or agricultural purpose which charges an annual percentage rate of more than 40 percent. Thus, under section 3.5, such lease contracts would be subject to the requirements of existing law for high-interest loans.

Existing law allows for a person making a payday loan, high-interest loan or title loan to offer the customer a grace period concerning repayment of the loan. (NRS 604A.210) **Section 3** of this bill distinguishes a grace period from an extension of a loan that complies with certain statutory requirements. **Section 4** of this bill prohibits a person making the loan from granting a grace period for the purpose of artificially increasing the amount a customer qualifies to borrow, or, with certain exceptions, from conditioning the grace period on the customer's agreement to a new loan or a modification of the

terms of the existing loan or the charging of interest at a rate in excess of that provided by the existing loan agreement.

Existing law requires a person making a payday loan, high-interest loan or title loan to post certain notices in a conspicuous place in every location at which the person conducts business. (NRS 604A.405) **Section 5** of this bill provides that the person must post a notice of the existing requirement that the person must offer a repayment plan to a customer who defaults on a loan before the person commences specified collection actions. **Section 5** also provides that the person must post a notice that states the process for customers to file a complaint with the Office of the Commissioner of Financial Institutions.

Existing law sets forth certain restrictions on the actions of a person licensed to operate certain loan services. (NRS 604A.440) **Section 6** of this bill adds to those restrictions a limitation on the reinitiation of electronic debit transactions.

Existing law provides restrictions on the making of title loans. (NRS 604A.450) **Section 7** of this bill adds to those restrictions by specifying that the customer must legally own the vehicle which secures the loan and that the person making the loan cannot consider the income, except for the customer's community ~~[income,]~~ **property,** of anyone who is not a legal owner of the vehicle who enters into a loan agreement with the licensee when determining whether the customer has the ability to repay the loan.

Section 8 of this bill makes conforming changes.

Assemblywoman Bustamante Adams moved that the Assembly concur in the Senate Amendment No. 856 to Assembly Bill No. 163.

Remarks by Assemblywoman Bustamante Adams.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

The amendment clarifies a person making the loan must consider, to the extent available, certain factors when determining whether a customer has the ability to repay the loan. It allows the licensee to offer a customer a grace period on the repayment of the loan or an extension of the loan, except a licensee must not grant a grace period for the purpose of artificially increasing the amount a customer would otherwise qualify to borrow. It changes a customer's "community income" to a customer's "community property" in section 7 and changes the effective date for certain sections of the bill from July 1, 2017, to October 1, 2017.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assemblywoman Bustamante Adams moved that the Assembly concur in the Senate Amendment No. 782 to Assembly Bill No. 361.

Remarks by Assemblywoman Bustamante Adams.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

The amendment deletes the provisions of the bill that make it a deceptive trade practice to offer a free gift certificate or gift card as part of a promotion or incentive to potential customers if the offer expires less than 90 days after the date on which the offer is made. It prohibits a person in the course of his or her business or occupation to offer a gift certificate or gift card free of charge as part of a promotion or incentive to potential customers if the promotion is redeemable only by mail, except under certain circumstances. This does not apply to an offer when a gift certificate or gift card is provided directly to a potential customer.

Amendment No. 859.

AN ACT relating to health insurance; prohibiting an insurer from taking certain actions concerning prescription drugs covered by certain policies of health insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, policies of health insurance may provide coverage for prescription drugs. Prescription drugs which are covered by a policy of health insurance are organized into a formulary, which is an official list of the prescription drugs, and that formulary may be subcategorized based upon the cost to the insured person to purchase the prescription drug under the policy of health insurance. These subcategories are referred to as tiers. If a particular prescription drug is moved by the insurer from a lower cost tier to a higher cost tier, the insured person purchasing the prescription drug will need to pay more to purchase the prescription drug after the prescription drug is moved to the higher cost tier.

Section 1 of this bill prohibits certain insurers from moving a prescription drug from a lower cost tier to a higher cost tier under certain policies of health insurance issued to an individual or a small employer, except on specified dates or when an applicable generic drug is added to the formulary under specified circumstances. **Section 1** does not prevent such an insurer from: (1) moving a prescription drug from a higher cost tier to a lower cost tier; (2) removing a prescription drug from a formulary; or (3) adding a prescription drug to a formulary. **Further, section 1 does not limit the conditions under which a pharmacist is otherwise authorized or required to substitute: (1) a generic drug for a drug prescribed by brand name; or (2) an interchangeable biological product for a biological product prescribed by brand name.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 687B of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a policy of health insurance issued to an individual pursuant to chapter 689A, 695B or 695C of NRS includes coverage for a prescription drug pursuant to a formulary with more than one cost tier, the insurer may move the prescription drug from a lower cost tier to a higher cost tier only:

(a) On January 1; and

(b) On any date on which the insurer adds to the formulary a generic prescription drug that:

(1) Has been approved by the Food and Drug Administration for use as an alternative to the original prescription drug; and

(2) Is being added to the formulary at:

(I) The same cost tier from which the original prescription drug is being moved; or

(II) A cost tier which has a smaller deductible, copayment or coinsurance than the cost tier from which the original prescription drug is being moved.

2. If a policy of health insurance issued to a small employer pursuant to chapter 689C, 695B or 695C of NRS includes coverage for a prescription

(I) The same cost tier from which the original prescription drug is being moved; or

(II) A cost tier which has a smaller deductible, copayment or coinsurance than the cost tier from which the original prescription drug is being moved.

3. The provisions of this section do not prevent an insurer, at any time, from:

(a) Moving a prescription drug from a higher cost tier of a formulary to a lower cost tier of the formulary;

(b) Removing a prescription drug from a formulary; or

(c) Adding a prescription drug to a formulary.

4. This section does not apply to a grandfathered plan.

5. The provisions of this section must not be construed to limit the conditions under which a pharmacist is otherwise authorized or required by law to substitute:

(a) A generic drug for a drug prescribed by brand name; or

(b) An interchangeable biological product for a biological product prescribed by brand name.

6. As used in this section:

(a) "Biological product" has the meaning ascribed to it in section 2 of Assembly Bill No. 245 of this session.

The following Senate amendment was read:

Amendment No. 810.

SUMMARY—Revises provisions ~~[governing the administration of laws relating to transportation.]~~ **relating to public safety.** (BDR 43-223)

AN ACT relating to ~~[transportation;]~~ **public safety;** revising provisions relating to the photograph on a driver's license; revising provisions governing the licensure and operation of schools for training drivers; revising provisions relating to the fees paid by a person 65 years of age or older for an identification card; revising provisions relating to the issuance of a commercial driver's license to a person who is not a resident of this State; **revising provisions relating to the issuance of traffic citations;** setting forth exceptions to certain restrictions on the placement of advertising on or near certain highways, rights-of-way, bridges or structures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Department to issue a driver's license which bears a colored photograph of the licensee. (NRS 483.347) **Section 10** of this bill removes the requirement that the photograph be in color.

Existing law requires a person who seeks to operate a school for training drivers or to be an instructor for a school for training drivers to obtain a ~~[driver's]~~ license from the Department. (NRS 483.700) The Department may cancel, suspend, revoke or refuse to renew the ~~[driver's]~~ license if the licensee engages in certain acts or practices. (NRS 483.760) **Section 12** of this bill provides that the Department may also refuse to issue a license if the applicant engages in any of those certain acts or practices, and adds to the list of those acts or practices: (1) making a material misstatement on an application; (2) failing or refusing to provide any information requested by the Department regarding an application; and (3) conviction of a crime for a violation of any of the provisions of law governing schools for training drivers and instructors for a school for training drivers. Existing law also requires that each vehicle used for training drivers and operated on a highway is inspected annually. (NRS 483.745) **Section 11** of this bill requires that a

vehicle be inspected within 30 days after initial use by the school for training drivers, and then inspected annually thereafter.

Existing law allows certain persons who do not hold a valid driver's license from any state or jurisdiction to obtain an identification card from the Department. (NRS 482.820) A person who is 65 years of age or older must pay a fee of $4 for an original or duplicate identification card. **Section 13** of this bill clarifies that the $4 fee applies to such an identification card which expires on or before the fourth anniversary of the person's birthday and an $8 fee applies to such an identification card which expires on or before the eighth anniversary of the person's birthday.

Existing law requires the Department to adopt regulations providing for the issuance of commercial drivers' licenses, but the regulations may not be more restrictive than the federal regulations adopted pursuant to the Commercial Motor Vehicle Safety Act of 1986, as amended, 49 U.S.C. §§ 31301 et seq. (NRS 483.908) The Department may not issue a commercial driver's license or a commercial learner's permit, which allows a person to operate a commercial motor vehicle on the highways of this State if he or she is accompanied by the holder of a commercial driver's license, to a person unless the person is a resident of this State. (NRS 483.924, 483.934) Existing law prohibits a person who is a resident of this State for 30 days or more from driving a commercial motor vehicle under the authority of a commercial driver's license issued by another jurisdiction. (NRS 483.932) Existing law authorizes the Department to issue a nonresident commercial driver's license or a nonresident commercial learner's permit to a person who is a resident of a foreign jurisdiction which the Federal Highway Administrator has determined does not test drivers and issue commercial drivers' licenses in accordance with federal standards or who is a resident of a state while that state is prohibited from issuing commercial drivers' licenses pursuant to federal regulations. (NRS 483.936) **Section 15** of this bill removes the authorization for the Department to issue a nonresident commercial driver's license or nonresident commercial learner's permit, and newly provides that the Department may only issue a limited-term commercial driver's license or limited-term commercial learner's permit to a resident of a foreign jurisdiction which the Federal Highway Administrator has determined does not test drivers and issue commercial drivers' licenses in accordance with federal standards. **Section 14** of this bill makes conforming changes to the fees for such a license.

Existing law authorizes a peace officer to issue a traffic citation to a person in the form of a complaint that contains a notice to appear in court. The person to whom the traffic citation is issued is authorized to give his or her written promise to appear in court by signing at least one copy of the traffic citation. (NRS 484A.630) Existing law provides that it is unlawful for a person to violate such a written promise to appear in court and authorizes the issuance of a warrant upon such a violation. (NRS 484A.670) Existing law also requires that a person be taken before

a magistrate if: (1) the person is issued a traffic citation and refuses to give a written promise to appear in court; or (2) a peace officer has reasonable and probable grounds to believe that the person will disregard a written promise to appear in court. (NRS 484A.720, 484A.730) Finally, existing law provides that when such a person is taken into custody by a peace officer for the purpose of appearing before a magistrate, the person must be released from custody in certain circumstances upon the issuance of a traffic citation to the person and the person signing a written promise to appear in court. (NRS 484A.760)

Section 15.1 of this bill provides that if a person who is issued a traffic citation refuses to sign a copy of the traffic citation but accepts a copy of the citation delivered by a peace officer, such acceptance shall be deemed personal service of the notice to appear in court. Section 15.15 of this bill provides that it is unlawful for a person to fail to appear at the time and place set forth in a notice to appear in court that is contained in a traffic citation. Sections 15.2 and 15.25 of this bill, respectively, require that a person be taken before a magistrate if: (1) the person is issued a traffic citation and refuses to sign or accept a copy of the traffic citation; or (2) a peace officer has reasonable and probable grounds to believe that the person will disregard a notice to appear in court. Section 15.27 of this bill requires that a person taken into custody for the purpose of appearing before a magistrate be released from custody in certain circumstances upon the acceptance of a copy of a traffic citation.

Existing law authorizes a peace officer to prepare and issue a traffic citation to a child in certain circumstances pursuant to the same criteria as would apply to an adult violator. If the child executes a written promise to appear in court by signing the citation, the peace officer is prohibited from taking the child into physical custody for the violation. (NRS 62C.070) Section 15.4 of this bill provides that if such a child refuses to execute a written promise to appear in court but accepts a copy of the citation delivered by the peace officer, such acceptance shall be deemed personal service of the notice to appear in court.

Existing law restricts the placement of advertising on or near certain highways, rights-of-way, bridges or structures, with certain exceptions for benches and shelters for passengers of mass transit and monorail stations. (NRS 405.110, 410.320, 484B.313) **Sections 15.3 ~~[,]~~ , 15.5 and 15.7** of this bill add to the exceptions from those restrictions certain advertisements on a touchdown structure, which is the tower attached to a pedestrian bridge and which houses an elevator.

Assembly Bill No. 410.

The following Senate amendment was read:

Amendment No. 811.

AN ACT relating to new vehicle dealers; authorizing a new vehicle dealer to file, under certain circumstances, a claim for compensation with a manufacturer of motor vehicles relating to a used vehicle held by the new vehicle dealer which is subject to a stop-sale order or do-not-drive order; requiring a manufacturer of motor vehicles to provide compensation to a new vehicle dealer for the used vehicle under certain circumstances; establishing a rate for that compensation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain acts or practices by a manufacturer of motor vehicles toward a new vehicle dealer are considered unfair acts or practices. (NRS 482.36371-482.36395) For example, it is an unfair act or practice for a manufacturer to fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the manufacturer's warranty agreements. (NRS 482.36385) Under federal law, if a new motor vehicle is subject to a recall for a defect related to safety or noncompliance with certain safety standards after the manufacturer has sold the vehicle to a new vehicle dealer, the manufacturer must repurchase the vehicle from the dealer, and pay the dealer reasonable reimbursement of at least 1 percent of the purchase price for each month, or portion thereof, the dealer possessed the car after the recall notice was issued. (49 U.S.C. § 30116)

Section 1 of this bill authorizes a new vehicle dealer that is franchised to sell new vehicles of the manufacturer to apply to the manufacturer for compensation for each month that the dealer possesses a used vehicle,

manufactured by the manufacturer, that is subject to a stop-sale order or do-not-drive order. **Section 1** requires the new vehicle dealer to file a claim for **such** compensation with the manufacturer. Compensation for a claim filed pursuant to the provisions of this bill must be calculated at a rate of not less than 1 percent of the value of the used vehicle for each month that the used vehicle is in the inventory of the dealer, beginning 30 days after the stop-sale order or do-not-drive order is provided to the dealer. Finally, **section 1** prohibits a manufacturer from taking certain actions to offset or reduce the amount of compensation owed to the dealer for filing the claim. **Section 3.5** of this bill adds recall service and repair to the list of items for which a manufacturer must fairly compensate a dealer. (NRS 482.36385) **Section 4** of this bill adds a violation of **section 1** to provisions in existing law that authorize a person who is aggrieved by certain violations to seek injunctive relief, and that authorize a person who is injured in his or her business by such a violation to bring an action to recover certain monetary damages. (NRS 482.36423) **Section 5** of this bill adds a willful violation of **section 1** to the list of violations in existing law for which a civil penalty may apply, and for which the Attorney General may seek injunctive relief. (NRS 482.36425) **Section 2** of this bill makes conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If a manufacturer issues a recall and either a stop-sale order or a do-not-drive order on a used vehicle and parts or a remedy are not available to perform a recall service or repair on the vehicle within 30 days after issuing the recall, a new vehicle dealer that is franchised to sell and service new vehicles of the manufacturer is entitled to compensation from the manufacturer and may file a claim with the manufacturer for each used vehicle subject to the recall which the dealer:

(a) Has in its used vehicle inventory on the date on which the stop-sale order or do-not-drive order is issued; or

(b) Takes into its used car inventory as a consumer trade-in related to the sale of a new vehicle after the date on which the stop-sale order or do-not-drive order is issued.

2. A claim for compensation that is filed by a new vehicle dealer pursuant to this section:

(a) Must be in a form prescribed by the manufacturer. The manufacturer may prescribe the manner in which a dealer must demonstrate eligibility for such compensation, including, without limitation, the documentation required to show the inventory status of a used vehicle, provided that the demonstration of eligibility or the providing of documentation is not unduly burdensome.

(b) Except as otherwise provided in subsection 5, is subject to the provisions of NRS 482.36385.

3. Except as otherwise provided in subsections 4 and 5, compensation for a used vehicle pursuant to this section must be calculated at a rate of not less than 1 percent of the value of the used vehicle per month, beginning 30 days after the date on which the stop-sale order or do-not-drive order is provided to the dealer and continuing until the earlier of the date:

(a) The parts or a remedy for the recall service or repair are made available to the dealer; or

(b) The dealer sells, trades or otherwise disposes of the used vehicle.

4. Compensation due to a new vehicle dealer pursuant to subsection 1 is limited to an amount equal to the value of the used vehicle for which the compensation is paid.

5. A manufacturer, in lieu of compensating a new vehicle dealer pursuant to subsection 3, may:

(a) Compensate the dealer pursuant to a national recall compensation program, if the amount of compensation owed to the dealer under the program is not less than the amount of compensation owed to the dealer pursuant to subsection 3; or

(b) Enter into an agreement with the dealer for an alternative form or amount of compensation.

6. A manufacturer may not take any action to offset or reduce the amount of compensation owed to a new vehicle dealer pursuant to this section, including, without limitation, through a chargeback program, any reduction in an amount owed to the new vehicle dealer under an incentive program or the removal of the new vehicle dealer from an incentive program, if such action is taken, in whole or in part, because the new vehicle dealer filed a claim for compensation pursuant to this section. This subsection:

(a) Does not apply to any action taken by a manufacturer that is applied uniformly to all new vehicle dealers of the same line and make of vehicles in this State; and

(b) Is subject to the audit provisions of subsections 7 and 8 of NRS 482.36385.

7. Except as otherwise provided in subsection 5 and NRS 482.36385, any compensation provided to a new vehicle dealer pursuant to this section is exclusive and may not be combined with any other state or federal recall compensation remedy.

8. As used in this section:

(a) "Do-not-drive order" means a notification issued by a manufacturer to its dealers or to the registered owner of a used vehicle or by the National Highway Traffic Safety Administration to the registered owner of a used vehicle stating that the vehicle is subject to a federal safety recall for a defect or noncompliance ~~***[.]***~~ ***and including an unconditional instruction to***

the recipient of the notification to not drive the vehicle until the remedy for the recall is complete.

(b) "Recall" means a safety recall of a vehicle in accordance with federal law and any regulations adopted thereunder.

(c) "Stop-sale order" means a notification issued by a manufacturer to its dealers stating that a used vehicle in inventory must not be sold or leased, either retail or wholesale, because of a federal safety recall for a defect or noncompliance or because of a federal emissions recall.

(d) "Value of the used vehicle" means the average trade-in value of the year, make and model of the subject used vehicle as indicated in an independent third-party guide.

Sec. 2. NRS 482.36311 is hereby amended to read as follows:

482.36311 As used in NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act,*** unless the context otherwise requires, the words and terms defined in NRS 482.36318 to 482.36348, inclusive, have the meanings ascribed to them in those sections.

Sec. 3. (Deleted by amendment.)

Sec. 3.3. **NRS 482.36349 is hereby amended to read as follows:**

482.36349 ~~[A]~~

1. Except as otherwise provided in subsection 2, a manufacturer is not subject to the provisions of NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act*** if the manufacturer:

~~[1.]~~ ***(a)*** Only manufactures passenger cars powered solely by one or more electric motors;

~~[2.]~~ ***(b)*** Only sells at retail new or new and used passenger cars that it manufactures; and

~~[3.]~~ ***(c)*** Was selling such passenger cars at retail in this State on or before January 1, 2016.

2. A manufacturer described in subsection 1 is subject to the provisions of section 1 of this act.

Sec. 3.5. NRS 482.36385 is hereby amended to read as follows:

482.36385 It is an unfair act or practice for any manufacturer, distributor or factory branch, directly or through any representative, to:

1. Compete with a dealer. A manufacturer or distributor shall not be deemed to be competing when operating a previously existing dealership temporarily for a reasonable period, or in a bona fide retail operation which is for sale to any qualified person at a fair and reasonable price, or in a bona fide relationship in which a person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions.

2. Discriminate unfairly among its dealers, or fail without good cause to comply with franchise agreements, with respect to warranty reimbursement or authority granted to its dealers to make warranty adjustments with retail customers.

3. Fail to compensate a dealer fairly for the work and services which the dealer is required to perform in connection with the delivery and preparation obligations under any franchise, or fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the manufacturer's warranty agreements ~~[.]~~ ***or any recall service or repairs.*** The manufacturer shall set forth in writing the respective obligations of a dealer and the manufacturer in the preparation of a vehicle for delivery, and as between them a dealer's liability for a defective product is limited to the obligation so set forth. Fair compensation includes diagnosis and reasonable administrative and clerical costs. The dealer's compensation for parts and labor to satisfy a warranty ***or a recall service or repair*** must not be less than the amount of money charged to its various retail customers for parts and labor that are not covered by a warranty. If parts are supplied by the manufacturer, including exchanged parts and assembled components, the dealer is entitled with respect to each part to an amount not less than the dealer's normal retail markup for the part. This subsection does not apply to compensation for any part, system, fixture, appliance, furnishing, accessory or feature of a motor home or recreational vehicle that is designed, used and maintained primarily for nonvehicular, residential purposes.

4. Fail to:

(a) Pay all claims made by dealers for compensation for delivery and preparation work, transportation claims, special campaigns and work to satisfy warranties ***and recall service or repairs*** within 30 days after approval, or fail to approve or disapprove such claims within 30 days after receipt;

(b) Disapprove any claim without notice to the dealer in writing of the grounds for disapproval; or

(c) Accept an amended claim for labor and parts if the amended claim is submitted not later than 60 days after the date on which the manufacturer or distributor notifies the dealer that the claim has been disapproved and the disapproval was based on the dealer's failure to comply with a specific requirement for processing the claim, including, without limitation, a clerical error or other administrative technicality that does not relate to the legitimacy of the claim.

➥ Failure to approve or disapprove or to pay within the specified time limits in an individual case does not constitute a violation of this section if the failure is because of reasons beyond the control of the manufacturer, distributor or factory branch.

5. Sell a new vehicle to a person who is not licensed as a new vehicle dealer under the provisions of this chapter.

6. Use false, deceptive or misleading advertising or engage in deceptive acts in connection with the manufacturer's or distributor's business.

7. Perform an audit to confirm a ***claim for compensation pursuant to section 1 of this act,*** warranty repair, sales incentive or rebate more than 9 months after the date on which the claim was made. An audit of a dealer's records pursuant to this subsection may be conducted by the manufacturer or

distributor on a reasonable basis, and a dealer's claim for warranty or sales incentive compensation ***or compensation pursuant to section 1 of this act*** must not be denied except for good cause, including, without limitation, performance of nonwarranty repairs, lack of material documentation, fraud or misrepresentation. A dealer's failure to comply with the specific requirements of the manufacturer or distributor for processing the claim does not constitute grounds for the denial of the claim or the reduction of the amount of compensation to the dealer if reasonable documentation or other evidence has been presented to substantiate the claim. The manufacturer or distributor shall not deny a claim or reduce the amount of compensation to the dealer for warranty repairs to resolve a condition discovered by the dealer during the course of a separate repair.

8. Prohibit or prevent a dealer from appealing the results of an audit to confirm a warranty repair, sales incentive ***, claim for compensation made pursuant to section 1 of this act*** or rebate, or to require that such an appeal be conducted at a location other than the dealer's place of business.

Sec. 4. NRS 482.36423 is hereby amended to read as follows:

482.36423 1. Whenever it appears that a person has violated, is violating or is threatening to violate any provision of NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act,*** any person aggrieved thereby may apply to the district court in the county where the defendant resides, or in the county where the violation or threat of violation occurs, for injunctive relief to restrain the person from continuing the violation or threat of violation.

2. In addition to any other judicial relief, any dealer or person who assumes the operation of a franchise pursuant to NRS 482.36396 to 482.36414, inclusive, who is injured in his or her business or property by reason of a violation of NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act*** may bring an action in the district court in which the dealership is located, and may recover three times the pecuniary loss sustained by the dealer or person, and the cost of suit, including a reasonable attorney's fee. The amount of pecuniary loss sustained by a dealer, pursuant to subsection 7 of NRS 482.3638, is the fair market value of the franchised dealership at the time of notification of termination, refusal to continue or unilateral modification of a franchise.

3. Any artificial person created and existing under the laws of any other state, territory, foreign government or the government of the United States, or any person residing outside the State, who grants a franchise to any dealer in this State may be served with any legal process in any action for injunctive relief or civil damages in the following manner:

(a) By delivering a copy of the process to the Director; and

(b) By mailing to the last known address of the manufacturer or distributor, by certified mail, return receipt requested, a copy of the summons and a copy of the complaint, together with copies of any petition or order for injunctive relief.

4. The defendant has 30 days, exclusive of the day of service, within which to answer or plead.

5. The method of service provided in this section is cumulative and may be utilized with, after or independently of all other methods of service.

Sec. 5. NRS 482.36425 is hereby amended to read as follows:

482.36425 1. Any manufacturer or distributor who willfully violates any provision of NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act*** is subject to a civil penalty of not less than $50 nor more than $1,000 for each day of violation and for each act of violation. All civil penalties recovered must be paid to the State of Nevada.

2. Whenever it appears that a manufacturer or distributor has violated, is violating or is threatening to violate any provision of NRS 482.36311 to 482.36425, inclusive, ***and section 1 of this act,*** the Attorney General may institute a civil suit in any district court of this State for injunctive relief to restrain the violation or threat of violation or, if the violation or threat is willful, for the assessment and recovery of the civil penalty, or both.

Sec. 6. This act becomes effective upon passage and approval.

Upon receiving such a request, the board of trustees shall, in consultation with the parent or guardian of the pupil, assign the pupil to a different school.

The following Senate amendment was read:

Amendment No. 852.

AN ACT relating to intercollegiate athletics; enacting the Revised Uniform Athlete Agents Act (2015); repealing the Uniform Athletes' Agents Act; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacted and subsequently amended the Uniform Athletes' Agents Act. Generally, the Uniform Athletes' Agent Act requires an athlete agent to register with the Secretary of State and prohibits certain conduct by athlete agents. (NRS 398.400-398.620) This bill repeals the Uniform Athletes' Agents Act and enacts the Revised Uniform Athlete Agents Act (2015), except that **section 20.3** maintains existing law governing the applicability of the provisions of law governing athlete agents and **section 20.7** maintains existing law governing the confidentiality of certain information or documents obtained by, or filed with, the Secretary of State.

Section 5 of this bill generally defines an athlete agent subject to the provisions of the Revised Uniform Athlete Agents Act (2015) as an individual who: (1) directly or indirectly induces or attempts to induce a student athlete to enter an agency contract; (2) for compensation procures or attempts to procure employment for a student athlete as a professional athlete; (3) for compensation or the anticipation of compensation advises a student athlete on his or her finance or business affairs; or (4) in anticipation of representing a student athlete gives something of value to the athlete or another person.

Section 22 of this bill prohibits an individual from acting as an athlete agent without registering with the Secretary of State. **Section 23** of this bill requires an applicant for such registration to disclose certain information including, without limitation, training, experience and education, any conviction of a **crime that involves moral turpitude or a** felony, any administrative or judicial determination that the applicant has made a false or

deceptive representation and whether the applicant's license as an athlete agent has been denied, suspended or revoked in any state or has been the subject or cause of any sanction, suspension or declaration of ineligibility.

Sections 23 and 24 of this bill require reciprocal registration of an athlete agent if: (1) the agent is issued a certificate of registration by another state and the registration has not been suspended or revoked; (2) no action involving the athlete agent's conduct as an athlete agent is pending in any state; and (3) the application and registration requirements of the other state are substantially similar to or more restrictive than the law in this State.

Section 29 of this bill maintains existing law by requiring the Secretary of State to establish by regulation fees for the registration or renewal of registration as an athlete agent.

Sections 30-32 of this bill contain the requirements for entering an agency contract. **Section 30** requires such a contract to include, without limitation, a statement that the athlete agent is registered in the state in which the contract is signed, list any other state in which the agent is registered and set forth compensation of the athlete agent. The contract must be accompanied by a separate record signed by the student athlete acknowledging that signing the contract may result in the loss of eligibility to participate in the athlete's sport. **Section 31** requires both the agent and the student athlete to give notice of the contract to the athletic director of the affected educational institution within 72 hours of signing the agreement or before the athlete's next scheduled event, whichever occurs first. **Section 31** further specifies additional circumstances under which an athlete agent or student athlete must notify an athletic director or educational institution of information concerning the relationship between the athlete agent and the student athlete. **Section 32** provides a student athlete with a right to cancel an agency contract not more than 14 days after the contract is signed.

Section 33 of this bill requires athlete agents to maintain executed contracts and other specified records for a period of 5 years, including information about represented individuals and recruitment.

Section 34 of this bill prohibits an athlete agent from: (1) providing materially false or misleading information, promises or representations with the intent of influencing a student athlete to enter into an agency contract; (2) furnishing anything of value to a student athlete before that athlete enters into an agency contract; (3) furnishing anything of value to an individual other than a student athlete; (4) initiating contact with a student athlete unless registered under the Revised Uniform Athlete Agents Act (2015); (5) failing to create, retain or permit inspection of required records; (6) failing to register where required; (7) providing materially false or misleading information in an application for registration or renewal thereof; (8) predating or postdating an agency contract; (9) failing to notify a student athlete that signing an agency contract may make the student athlete ineligible to participate as a student athlete in that sport; or (10) encouraging another individual to take on behalf of the agent an action the agent is

prohibited from taking. **Section 35** of this bill provides that a person who violates any provision of **section 34** of this bill is guilty of a misdemeanor and must be required to pay restitution. **Section 36** of this bill authorizes a student athlete or educational institution to bring a civil action against an athlete agent for damages, and authorizes the student athlete or educational institution to be awarded actual damages, as well as costs and reasonable attorney's fees.

Sections 39-41 of this bill revise provisions governing the enforcement of the Uniform Athletes' Agents Act so that those provisions apply to the enforcement of the provisions of this bill. **Section 40** further increases the maximum administrative fine that may be imposed by the Secretary of State from $25,000 to $50,000.

Legislative Counsel's Digest:

In 2015, Congress passed the Every Student Succeeds Act of 2015, which replaced the No Child Left Behind Act of 2001 and was a significant reauthorization of the Elementary and Secondary Education Act of 1965. (20 U.S.C. §§ 6301 et seq.) **Sections 6, 7, 56, 58, 75 and 76** of this bill replace references to the No Child Left Behind Act of 2001 with references to the Every Student Succeeds Act of 2015. **Sections 2, 32, 38, 43, 71 and 72** revise references to federal law to conform to changes made in the Every Student Succeeds Act of 2015. **Sections 1, 2, 4, 5, 11, 15, 16, 19-21, 23, 24, 26-29, 31, 33, 35, 39, 55, 56, 71, 73, 74 and 77-82** of this bill revise terminology to conform with the revisions to the federal law.

Existing law requires the principal of each school, in consultation with the employees of the school, to prepare a plan to improve the achievement of pupils enrolled in the school and prescribes the requirements for such a plan. (NRS 385A.650) **Section 19** of this bill removes the statutory requirements concerning the contents of the plan and instead requires the State Board of Education to prescribe the contents of the plan by regulation. **Section 83** of this bill repeals a provision requiring certain schools to carry out a process for peer review of a plan to improve the achievement of pupils enrolled in the school in accordance with federal law.

Existing law requires the State Board to adopt regulations for counting enrollment of pupils for apportionment purposes. (NRS 387.123) **Section 23.5** of this bill prohibits such regulations from counting a pupil enrolled in grade 12 who is not prepared for college and career success as a full-time pupil for apportionment purposes unless the pupil is enrolled in a certain number of courses or periods per day.

Section 41.3 of this bill requires the State Board to adopt regulations regarding end-of-course finals and the courses for which such finals may be administered.

Existing law requires the State Board to adopt regulations that prescribe the criteria for receipt of a standard high school diploma. (NRS 390.600) **Section 52** of this bill removes the requirement that the regulations require a pupil to pass certain end-of-course examinations to receive a standard high school diploma. **Section 41.5** of this bill requires the State Board to adopt

regulations that prescribe the criteria for a pupil to receive a ~~[pathway]~~ **college and career ready** high school diploma, which must include requirements that the pupil: (1) satisfy the criteria for receipt of a standard high school diploma; and (2) obtain a college-ready endorsement or a career-ready endorsement. **Section 41.5** also requires the State Board to: (1) adopt regulations prescribing the criteria for a pupil to obtain each endorsement; (2) annually review and, if necessary, revise the regulations adopted relating to the ~~[pathway]~~ **college and career ready** high school diploma; and (3) provide incentive grants and certain reimbursements relating to the ~~[pathway]~~ **college and career ready** high school diploma, to the extent that money is available for this purpose. Finally, **section 41.5** provides that a ~~[pathway]~~ **college and career ready** high school diploma confers all the same rights, privileges and benefits as a standard high school diploma.

Section 41.7 of this bill requires the Department of Education, to the extent that money is available, to conduct a public awareness campaign to inform certain persons of the types of diplomas and endorsements on a diploma a pupil may receive upon graduation from high school and the criteria for obtaining such diplomas or endorsements.

Existing law requires the statewide performance evaluation system used to evaluate a public school employee's overall performance to include a process for peer evaluations of teachers by qualified educational personnel. (NRS 391.465) **Section 66** of this bill requires the statewide performance evaluation system to include a process for peer observations, instead of peer evaluations. **Sections 65.5 and 66.5** of this bill make conforming changes.

Existing law requires the State Board to designate the assessments that may be used by a school district to determine pupil achievement. (NRS 391.465) **Section 66** of this bill instead requires: (1) the State Board to establish the criteria for the assessments that may be used by a school district; and (2) the board of trustees of a school district to select assessments that meet the criteria established by the State Board to determine pupil achievement. Existing law requires the State Board to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public schools. (NRS 390.610) **Section 53** of this bill provides that the results of a pupil on this assessment may be used in determining whether the pupil satisfies the requirements for receipt of a ~~[pathway]~~ **college and career ready** high school diploma. **Section 53** also requires the State Board to adopt regulations prescribing the manner in which a school district or charter school that enrolls pupils at a high school grade level is required to use the results of this assessment to inform the instruction provided to pupils enrolled in grade 12.

Existing law requires teachers and administrators to receive certain evaluations that are based in part upon a certain number of observations of the teacher or administrator. (NRS 391.685, 391.690, 391.705, 391.710) **Sections 67-68.5** of this bill require such evaluations to be based on a certain number of observation cycles of each teacher and administrator. **Section 69**

of this bill makes a technical correction to provisions relating to the written evaluation of a probationary teacher or administrator. **Sections 36, 37 and 59-64** of this bill revise additional provisions governing the qualifications of certain teachers and paraprofessionals and evaluations of the performance of teachers and paraprofessionals.

Existing law requires the board of trustees of each school district to prepare an annual report of accountability concerning the educational goals and objectives of the school district. (385A.070) Existing law also requires the State Board to prepare a single annual report of accountability for all public schools in the State that includes certain information. (NRS 385A.400) **Sections 9 and 13** of this bill revise the contents of such annual reports of accountability and require the reports to include certain information concerning educational personnel.

Sec. 23. NRS 387.121 is hereby amended to read as follows:

387.121 1. The Legislature declares that the proper objective of state financial aid to public education is to ensure each Nevada child a reasonably equal educational opportunity. Recognizing wide local variations in wealth and costs per pupil, this State should supplement local financial ability to whatever extent necessary in each school district to provide programs of instruction in both compulsory and elective subjects that offer full opportunity for every Nevada child to receive the benefit of the purposes for which public schools are maintained. Therefore, the quintessence of the State's financial obligation for such programs can be expressed in a formula

partially on a per pupil basis and partially on a per program basis as: State financial aid to school districts equals the difference between school district basic support guarantee and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. This formula is designated the Nevada Plan.

2. It is the intent of the Legislature, commencing with Fiscal Year 2016-2017, to provide additional resources to the Nevada Plan expressed as a multiplier of the basic support guarantee to meet the unique needs of certain categories of pupils, including, without limitation, pupils with disabilities, pupils who are ~~[~~limited~~]~~ English ~~[~~proficient,~~]~~ ***learners,*** pupils who are at risk and gifted and talented pupils. As used in this subsection, "pupils who are at risk" means pupils who are eligible for free or reduced-price lunch pursuant to 42 U.S.C. §§ 1751 et seq., or an alternative measure prescribed by the State Board of Education.

Sec. 23.5. NRS 387.123 is hereby amended to read as follows:

Assembly Bill No. 296.

Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 841.

AN ACT relating to legislative measures; ~~[eliminating certain statutory limits and deadlines regarding]~~ **revising requirements relating to** requests for **the drafting of** legislative measures ~~[by Legislators and legislative committees;]~~ **submitted to the Legislative Counsel;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Historically, the number of authorized requests for legislative measures by Legislators and legislative committees and the deadlines for submission of those requests have been prescribed in statute, concurrent resolution and the joint standing rules of the Houses. (See, e.g., NRS 218D.150-218D.160; Assembly Concurrent Resolution No. 56, File No. 135, Statutes of Nevada 1997, p. 3709; Rule No. 14 of the Joint Standing Rules, File No. 1, Statutes of Nevada 2011, p. 3761) Currently, the number of requests for legislative measures that Legislators and legislative committees are authorized to make for each regular legislative session are prescribed in statute. The deadlines by which Legislators and legislative committees are required to submit requests for the drafting of legislative measures and the subsequent deadlines by which they are required to submit sufficient detail to allow complete drafting of those requests are also prescribed in statute. (NRS 218D.150-218D.160) This bill removes from statute, effective July 1, 2019, those limits on the number of and the deadlines for submission of requests for legislative measures by Legislators and legislative committees.]~~

Commencing on July 1 preceding each regular session and every week thereafter until the adjournment of the Legislature sine die, the Legislative Counsel is required under existing law to prepare a list of all requests for the drafting of legislative measures received by the Legislative Counsel. The requests are required to be listed numerically by a unique serial number which is required to be assigned by the Legislative Counsel for the purposes of identification in the order that the Legislative Counsel received the requests. (NRS 218D.130) Existing law prohibits the Legislative Counsel from assigning a number to a request to establish the priority of the request until sufficient detail has been received by the Legislative Counsel to allow complete drafting of the legislative measure. (NRS 218D.100, 218D.150, 218D.155, 218D.160, 218D.175, 218D.190, 218D.205, 218D.210, 218D.220) This bill eliminates

the prohibition against the Legislative Counsel assigning a number to a request until sufficient detail has been received. Therefore, the Legislative Counsel is required to assign a number to a request in the order in which the request is received.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 218D.100 is hereby amended to read as follows:

Senate Bill No. 259.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 948.

AN ACT relating to motor vehicles; requiring certain persons to install an ignition interlock device following a revocation of a driver's license, permit or privilege to drive; revising the provisions governing the period of revocation of a driver's license, permit or privilege to drive related to certain offenses involving driving under the influence; requiring the court to order certain persons to install an ignition interlock device in certain circumstances; revising provisions governing the installation of an ignition interlock device following a conviction of driving under the influence of alcohol or a controlled substance; prohibiting a person from providing his or her breath for an ignition interlock device required to be installed in the vehicle of another person under certain circumstances; requiring the

Committee on Testing for Intoxication to adopt certain regulations; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the revocation of the driver's license, permit or privilege to drive of a person who: (1) has a concentration of alcohol of 0.08 or more in his or her blood or breath or who is found to have a detectable amount of a prohibited substance in his or her blood or urine for which he or she did not have a valid prescription or hold a valid registry identification card; or (2) fails to submit to an evidentiary test requested by a police officer. The driver's license, permit or privilege of the person is revoked for a period of: (1) 90 days for having a concentration of alcohol of 0.08 or more in his or her blood or breath or who is found to have a detectable amount of a prohibited substance in his or her blood or urine under certain circumstances; or (2) not less than 1 year, or 3 years under certain circumstances, for failing to submit to an evidentiary test. (NRS 484C.210, 484C.220) **Section 3** of this bill requires a person whose license, permit or privilege has been revoked for failure to submit to an evidentiary test or for having a concentration of alcohol of 0.08 or more in his or her blood or breath to install, at his or her own expense, an ignition interlock device in each vehicle the person operates as a condition to obtaining a restricted license. ~~[Sections 1 and 3 of this bill also revise the period of revocation to not less than 185 days.]~~ Existing law further provides that the officer is required to advise the person of his or her right to administrative and judicial review of the revocation and to have a temporary license, valid for 7 days, which the officer must issue upon request. (NRS 484C.220) **Section 4** of this bill requires the officer to also advise the person that he or she is required to install an ignition interlock device, at his or her own expense, in each vehicle the person operates as a condition to obtaining a restricted license.

Under existing law, the driver's license, permit or privilege of a person convicted of an offense involving driving under the influence of alcohol or a controlled substance is revoked for a period of 90 days for a first offense. (NRS 483.460) Section 1 of this bill revises the period of revocation for such an offense to not less than 185 days.

With certain exceptions, existing law requires a court to order a person to install, at his or her own expense, an ignition interlock device in each vehicle the person owns or operates if the person is convicted of an offense involving driving under the influence of alcohol or a controlled substance which: (1) constitutes a felony; or (2) constitutes a misdemeanor, but the concentration of alcohol in the person's blood or breath was 0.18 or more. Existing law also authorizes a court to order a person to install an ignition interlock device if the person is convicted of a misdemeanor offense involving driving under the influence of alcohol or a controlled substance in which the concentration of alcohol in the person's blood or breath was less than 0.18. (NRS 484C.110, 484C.400, 484C.460) **Section 6** of this bill requires a court to order the installation of an ignition interlock device for all persons convicted of an

offense involving driving under the influence of alcohol or a controlled substance. **Section 9** of this bill authorizes a juvenile court to order the installation of an ignition interlock device for a child convicted of an offense involving driving under the influence of alcohol or a controlled substance. **Section 3** authorizes the court to give the person day-for-day credit for any period during which the person installed a device as a condition to obtaining a restricted license before the issuance of an order from the court to do so. Further, **section 7** of this bill authorizes the court to extend the order of a person required to install an ignition interlock device if the court receives a report from the ~~[manufacturer of the device]~~ **Director of the Department of Public Safety** that the person has committed certain violations. Existing law authorizes a court to provide an exception to ordering a person to install an ignition interlock device to avoid undue hardship to the person. (NRS 484C.460) **Section 6** revises this exception and ~~[instead]~~ **additionally** authorizes the court **, in the interests of justice,** to not order a person to install an ignition interlock device if: (1) a person is unable to provide a deep lung sample for a device as certified in writing by a physician; **or** (2) a person resides more than 100 miles from a manufacturer of a device **.** ~~[; or (3) such an order would not serve the interests of justice.]~~

Section 2.5 of this bill prohibits a person from providing a sample of his or her breath for an ignition interlock device required to be installed in a vehicle of another person with the intent to enable the person who is required to install the device to start the vehicle. A person who provides such a sample of breath is guilty of a misdemeanor.

Section 8 of this bill requires the Committee on Testing for Intoxication to adopt certain regulations relating to the manufacturer of the ignition interlock device to: (1) prescribe the form and content of certain records; (2) prescribe certain standards and procedures related to the device; and (3) require certain discounts and waive certain costs for **certain** persons **.** ~~[whose income is at or below certain federal poverty levels.]~~

3. When the Department is notified by a court that a person who has been convicted of a first violation within 7 years of NRS 484C.110 has been permitted to enter a program of treatment pursuant to NRS 484C.320, the Department shall reduce by one-half the period during which the person is not eligible for a license, permit or privilege to drive, but shall restore that reduction in time if notified that the person was not accepted for or failed to complete the treatment.

4. The Department shall revoke the license, permit or privilege to drive of a person who is required to install a device pursuant to NRS ***484C.210 or*** 484C.460 but who operates a motor vehicle without such a device:

➥ Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if the applicant is issued a restricted license.

If a person fails to submit to an evidentiary test as requested by a police officer pursuant to NRS 484C.160, the license, permit or privilege to drive of the person must be revoked as provided in NRS 484C.220, and the person is not eligible for a license, permit or privilege to drive for a period of:

(a) One year; or

(b) Three years, if the license, permit or privilege to drive of the person has been revoked during the immediately preceding 7 years for failure to submit to an evidentiary test.

2. If the result of a test given under NRS 484C.150 or 484C.160 shows that a person had a concentration of alcohol of 0.08 or more in his or her blood or breath or a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 453A.140, at the time of the test, the license, permit or privilege of the person to drive must be revoked as provided in NRS 484C.220 and the person is not eligible for a license, permit or privilege for a period of 90 days. ***[not less than 185 days.]***

5. If an order to install a device pursuant to NRS 62E.640 or 484C.460 follows the installation of a device pursuant to subsection 3, the court may

give the person day-for-day credit for any period during which the person installed a device as a condition to obtaining a restricted license.

~~[4.]~~ ***6.*** Periods of ineligibility for a license, permit or privilege to drive which are imposed pursuant to this section must run consecutively.

7. As used in this section, "device" has the meaning ascribed to it in NRS 484C.450.

Sec. 4. NRS 484C.220 is hereby amended to read as follows:

484C.220 1. As agent for the Department, the officer who requested that a test be given pursuant to NRS 484C.150 or 484C.160 or who obtained the result of a test given pursuant to NRS 484C.150 or 484C.160 shall immediately serve an order of revocation of the license, permit or privilege to drive on a person who failed to submit to a test requested by the police officer pursuant to NRS 484C.150 or 484C.160 or who has a concentration of alcohol of 0.08 or more in his or her blood or breath or has a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 453A.140, if that person is present, and shall seize the license or permit to drive of the person. The officer shall then, unless the information is expressly set forth in the order of revocation, advise the person of his or her right to administrative and judicial review of the revocation pursuant to NRS 484C.230 and, except as otherwise provided in this subsection, that the person has a right to request a temporary license. ***The officer shall also*** , ***unless the information is expressly set forth in the order of revocation, advise the person that he or she is required to install a device pursuant to NRS 484C.210.*** If the person currently is driving with a temporary license that was issued pursuant to this section or NRS 484C.230, the person is not entitled to request an additional temporary license pursuant to this section or NRS 484C.230, and the order of revocation issued by the officer must revoke the temporary license that was previously issued. If the person is entitled to request a temporary license, the officer shall issue the person a temporary license on a form approved by the Department if the person requests one, which is effective for only 7 days including the date of issuance. The officer shall immediately transmit the person's license or permit to the Department along with the written certificate required by subsection 2.

2. When a police officer has served an order of revocation of a driver's license, permit or privilege on a person pursuant to subsection 1, or later receives the result of an evidentiary test which indicates that a person, not then present, had a concentration of alcohol of 0.08 or more in his or her blood or breath or had a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 453A.140, the officer shall immediately prepare and transmit to the Department, together with the seized license or permit and a copy of the result of the test, if any, a written

certificate that the officer had reasonable grounds to believe that the person had been driving or in actual physical control of a vehicle:

(a) With a concentration of alcohol of 0.08 or more in his or her blood or breath or with a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or hold a valid registry identification card, as defined in NRS 453A.140, as determined by a chemical test; or

(b) While under the influence of intoxicating liquor or a controlled substance or with a prohibited substance in his or her blood or urine and the person refused to submit to a required evidentiary test.

➥ The certificate must also indicate whether the officer served an order of revocation on the person and whether the officer issued the person a temporary license.

3. The Department, upon receipt of such a certificate for which an order of revocation has not been served, after examining the certificate and copy of the result of the chemical test, if any, and finding that revocation is proper, shall issue an order revoking the person's license, permit or privilege to drive by mailing the order to the person at the person's last known address. The order must indicate the grounds for the revocation and the period during which the person is not eligible for a license, permit or privilege to drive and state that the person has a right to administrative and judicial review of the revocation and to have a temporary license. ***The order must also indicate that the person is required to install a device pursuant to NRS 484C.210.*** The order of revocation becomes effective 5 days after mailing.

4. Notice of an order of revocation and notice of the affirmation of a prior order of revocation or the cancellation of a temporary license provided in NRS 484C.230 is sufficient if it is mailed to the person's last known address as shown by any application for a license. The date of mailing may be proved by the certificate of any officer or employee of the Department, specifying the time of mailing the notice. The notice is presumed to have been received upon the expiration of 5 days after it is deposited, postage prepaid, in the United States mail.

5. As used in this section, "device" has the meaning ascribed to it in NRS 484C.450.

Sec. 5. NRS 484C.230 is hereby amended to read as follows:

484C.230 1. At any time while a person is not eligible for a license, permit or privilege to drive following an order of revocation issued pursuant to NRS 484C.220, the person may request in writing a hearing by the Department to review the order of revocation, but the person is only entitled to one hearing. The hearing must be conducted as soon as is practicable at any location, if the hearing officer permits each party and witness to attend the hearing by telephone, videoconference or other electronic means. The Director or agent of the Director may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a

reexamination of the requester. (2) Pursuant to the assessment of the viability of the design of the special license plates that is conducted pursuant to this section, it is determined that at least 3,000 special license plates have been issued.

4. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. The Department shall not determine the total number of validly registered motor vehicles to which a particular design of special license plate is affixed if:

(a) The particular design of special license plate was designed and prepared by the Department pursuant to NRS 482.367002; and

(b) On October 1, that particular design of special license plate has been available to be issued for less than 12 months.

5. If, on October 1, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(b) If the special license plate does not generate financial support for a cause or charitable organization, to an entity which is involved in promoting the activity, place or other matter that is depicted on the plate.

7. If, on December 31 of the same year in which notice was provided pursuant to subsections 5 and 6, the total number of validly registered motor vehicles to which a particular design of special license plate is affixed is:

(a) In the case of special license plates not described in subsection 3, less than 1,000; or

(b) In the case of special license plates described in subsection 3, less than 3,000,

➥ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue

that particular design of special license plate. Except as otherwise provided in subsection 2 of NRS 482.265, such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

Sec. 7. NRS 482.36705 is hereby amended to read as follows:

482.36705 1. Except as otherwise provided in subsection 2:

(a) If a new special license plate is authorized by an act of the Legislature after January 1, 2003, other than a special license plate that is authorized pursuant to NRS 482.379375, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Department receives at least 1,000 applications for the issuance of that plate within 2 years after the effective date of the act of the Legislature that authorized the plate.

Sec. 9. NRS 482.399 is hereby amended to read as follows:

482.399 1. Upon the transfer of the ownership of or interest in any vehicle by any holder of a valid registration, or upon destruction of the vehicle, the registration expires.

2. Except as otherwise provided in NRS 482.2155 and subsection 3 of NRS 482.483, the holder of the original registration may transfer the registration to another vehicle to be registered by the holder and use the same regular license plate or plates or special license plate or plates issued pursuant to NRS 482.3667 to 482.3823, inclusive, ***and section 1 of this act,*** or 482.384, on the vehicle from which the registration is being transferred, if the license plate or plates are appropriate for the second vehicle, upon filing an application for transfer of registration and upon paying the transfer registration fee and the excess, if any, of the registration fee and governmental services tax on the vehicle to which the registration is transferred over the total registration fee and governmental services tax paid on all vehicles from which he or she is transferring ownership or interest. Except as otherwise provided in NRS 482.294, an application for transfer of registration must be made in person, if practicable, to any office or agent of the Department or to a registered dealer, and the license plate or plates may not be used upon a second vehicle until registration of that vehicle is complete.

3. In computing the governmental services tax, the Department, its agent or the registered dealer shall credit the portion of the tax paid on the first vehicle attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the second vehicle or on any other vehicle of which the person is the registered owner. If any person transfers ownership or interest in two or more vehicles, the Department or the registered dealer shall credit the portion of the tax paid on all of the vehicles attributable to the remainder of the current registration period or calendar year on a pro rata monthly basis against the tax due on the vehicle to which the registration is transferred or on any other vehicle of which the person is the registered owner. In computing the registration fee, the Department or its agent or the registered dealer shall credit the portion of the registration fee paid on each vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis against the registration fee due on the vehicle to which registration is transferred.

5. If the amount owed on the registration fee or governmental services tax on the vehicle to which registration is transferred is less than the credit on the total registration fee or governmental services tax paid on all vehicles from which a person transfers ownership or interest, the person may apply the unused portion of the credit to the registration of any other vehicle owned by the person. Any unused portion of such a credit expires on the date the registration of the vehicle from which the person transferred the registration was due to expire.

6. If the license plate or plates are not appropriate for the second vehicle, the plate or plates must be surrendered to the Department or registered dealer and an appropriate plate or plates must be issued by the Department. The Department shall not reissue the surrendered plate or plates until the next succeeding licensing period.

7. If application for transfer of registration is not made within 60 days after the destruction or transfer of ownership of or interest in any vehicle, the license plate or plates must be surrendered to the Department on or before the 60th day for cancellation of the registration.

(a) In accordance with the provisions of subsection 9, issue to the person a refund of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis; or

(b) If the person does not qualify for a refund in accordance with the provisions of subsection 9, issue to the person a credit in the amount of the portion of the registration fee and governmental services tax paid on the vehicle attributable to the remainder of the current calendar year or registration period on a pro rata basis. Such a credit may be applied by the person to the registration of any other vehicle owned by the person. Any unused portion of the credit expires on the date the registration of the vehicle from which the person obtained a refund was due to expire.

9. The Department shall issue a refund pursuant to subsection 8 only if the request for a refund is made at the time the registration is cancelled and the license plates are surrendered, the person requesting the refund is a resident of Nevada, the amount eligible for refund exceeds $100, and evidence satisfactory to the Department is submitted that reasonably proves the existence of extenuating circumstances. For the purposes of this subsection, the term "extenuating circumstances" means circumstances wherein:

(a) The person has recently relinquished his or her driver's license and has sold or otherwise disposed of his or her vehicle.

(b) The vehicle has been determined to be inoperable and the person does not transfer the registration to a different vehicle.

(c) The owner of the vehicle is seriously ill or has died and the guardians or survivors have sold or otherwise disposed of the vehicle.

Bill read third time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 768.

AN ACT relating to motor vehicles; setting forth certain conditions relating to the towing of a motor vehicle from a residential complex; authorizing the immobilization of a vehicle under certain circumstances in certain parking structures; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes certain conditions on the towing of a motor vehicle which is requested by a person other than the owner of the vehicle, an agent

of the owner or a law enforcement officer. Those conditions require that: (1) the person requesting the tow must be the owner of the real property from which the vehicle is being towed, or an authorized agent of the owner of the real property; (2) the person requesting the tow must sign a specific request for the towing; (3) the area from which the vehicle is to be towed must be appropriately posted in accordance with state or local requirements; (4) notice must be given to the appropriate law enforcement agency pursuant to state or local requirements; and (5) the operator of the tow car may be directed to terminate the towing by a law enforcement officer. (NRS 706.4477) **Section 1** of this bill sets forth certain additional conditions if the real property from which the vehicle is to be towed is a residential complex. Those conditions state that the owner of the real property, or an authorized agent of the owner: (1) may only have a vehicle towed for a parking violation, for an issue related to the health **,** ~~[and]~~ safety **or welfare** of the residents of the complex or because the vehicle is unregistered or the registration on the vehicle ~~[has been]~~ **is** expired **;** ~~[for not less than 60 days;]~~ and (2) may not have a vehicle towed until 48 hours after affixing a notice to the vehicle which explains when the vehicle is to be towed, unless the tow is requested for an issue relating to the health **,** ~~[and]~~ safety **or welfare** of the residents of the residential complex. Existing law makes a violation of any of these provisions a misdemeanor. (NRS 706.756)

Existing law imposes certain requirements on the owner of a property who wishes to have a vehicle towed from the property, including a requirement that relevant parking restrictions be displayed in plain view and that local law enforcement be notified of any such towing. (NRS 487.038) **Section 4** of this bill newly authorizes the owner of a multilevel parking garage or multilevel parking structure that is operated by or for a resort hotel with a nonrestricted gaming license to immobilize vehicles which are parked in an unauthorized manner. The requirement for the displaying of parking restrictions remains. The cost of having the boot, clamp or device removed must also be displayed and must not exceed $100. **Section 3** of this bill makes a conforming change to existing provisions which makes it unlawful to temporarily prevent the useful operation of a vehicle. (NRS 205.274) **Section 5** of this bill makes a conforming change to existing law concerning the process by which a person who believes that his or her vehicle was illegally towed may file a civil action against the person who had the vehicle towed. (NRS 487.039)

Amendment No. 828.

AN ACT relating to trade regulations; prohibiting certain persons from installing, requiring to be installed or using certain technology devices in a motor vehicle in certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. Amendment No. 879.

SENATOR KIECKHEFER

JOINT SPONSORS: ASSEMBLYMEN BENITEZ-THOMPSON, KRAMER, KRASNER, NEAL, PICKARD AND SPIEGEL

AN ACT relating to taxation; authorizing the owner of a single-family residence that is replaced after a flood, fire, earthquake or other event for which the Governor has proclaimed a state of emergency or declaration of disaster to apply to the county assessor for an exemption of a portion of the assessed value of the single-family residence; revising provisions governing the calculation of the property taxes imposed on such a single-family residence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, for the purposes of determining the amount of property tax owed by the owner of a parcel of real property, the taxable value of the real property is equal to the value of the land plus the replacement cost of the improvements, depreciated at 1.5 percent for each year of adjusted actual age, up to a maximum of 50 years. (NRS 361.227) Existing law requires that for the purpose of calculating the depreciation of an improvement, the actual age of the improvement must be adjusted when additions or replacements are

made with a cumulative cost of least 10 percent of the replacement cost of the improvement. (NRS 361.229) Thus, under existing law, a new improvement which replaces an improvement that was partially or completely destroyed would lose the depreciation accrued on the partially or completely destroyed improvement. (NRS 361.229)

Section 1 of this bill sets forth the finding of the Legislature that when a single-family residence is partially or completely destroyed by a flood, fire, earthquake or other event for which the Governor proclaims a state of emergency or declaration of disaster, the resulting loss of the depreciation accrued on the partially or completely destroyed residence causes a severe economic hardship to the owner of the residence by increasing the property taxes imposed on the residence. **Section 2.3** of this bill authorizes the owner of a single-family residence that replaces a single-family residence partially or completely destroyed by a flood, fire, earthquake or other event for which the Governor ~~[proclaims]~~ **, on or after July 1, 2012, proclaimed** a state of emergency or declaration of disaster to apply to the county assessor for an exemption of a portion of the assessed value of the single-family residence. Under **section 2.3**, the county assessor is required to grant an application for such an exemption if: (1) the single-family residence is occupied as the principal residence of the owner; (2) the single-family residence is located on the same parcel of real property as the single-family residence that was partially or completely destroyed; (3) the parcel on which the single-family residence was located has not been sold or transferred in a transaction to which the real property transfer tax applies; (4) a building permit was issued for the residence or, if the local government does not issue building permits, construction of the residence was commenced within a certain period after the partial or complete destruction of the previous residence; and (5) the floor area of the residence does not exceed 110 percent of the floor area of the residence that was partially or completely destroyed. If an exemption of a portion of the assessed value of a single family residence is granted pursuant to **section 2.3**, the amount of the exemption is equal to the difference between the assessed value of the single-family residence for which the application was granted and the assessed value that the single-family residence would have had if the single-family residence were deemed not to be a new improvement. Thus, under **section 2.3**, if an exemption is granted, the single-family residence would not lose the depreciation accrued on the partially or completely destroyed residence. Under **section 2.3**, the exemption must no longer be applied if the single-family residence granted the exemption is sold or transferred in a transaction to which the real property transfer tax applies.

The Nevada Constitution requires the Legislature to provide a specific date on which any exemption from property taxes will cease to be effective. (Nev. Const. Art. 10, § 6) To comply with this requirement, section 2.3 prohibits an application for an exemption pursuant to that section from being submitted on or after July 1, 2047. However, an

exemption granted pursuant to an application submitted before July 1, 2047, would continue to be in effect until the owner of the residence no longer qualified for the exemption.

Existing law provides for a partial abatement of taxes, which has the effect of establishing an annual cap on increases in property taxes. **Section 2.7** of this bill revises the calculation of the partial abatement for a single-family residence for which an exemption is granted pursuant to **section 2.3** so that for the initial fiscal year for which the exemption applies, the partial abatement is calculated based on the taxes imposed on the single-family residence which was partially or completely destroyed in the fiscal year in which the residence was partially or completely destroyed. **Section 2.7** also revises the formula for calculating the partial abatement for the fiscal year after the fiscal year in which a single-family residence granted an exemption pursuant to **section 2.3** is sold or transferred so that in that fiscal year, the partial abatement is calculated as if the single-family residence had never obtained an exemption pursuant to **section 2.3**.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds and declares that:

1. Subsection 1 of Section 1 of Article 10 of the Nevada Constitution requires the Legislature to provide by law for a uniform and equal rate of assessment and taxation.

2. Subsection 10 of Section 1 of Article 10 of the Nevada Constitution establishes an exception to the requirement to provide by law for a uniform and equal rate of assessment and taxation by authorizing the Legislature to provide by law for an exemption of part of the assessed value of a single-family residence occupied by the owner to the extent necessary to avoid severe economic hardship to the owner of the residence.

3. When a flood, fire, earthquake or other event for which the Governor proclaims a state of emergency or declaration of disaster partially or completely destroys a single-family residence and the residence is rebuilt or replaced, existing provisions of law cause the new residence to be treated as a new improvement with an increased taxable value and, consequently, the owner of the property incurs a greater property tax liability.

4. An increase in the property taxes of the owner of a single-family residence who, after a natural disaster, rebuilds or replaces his or her residence constitutes a severe economic hardship on the owner of the residence.

Sec. 2. Chapter 361 of NRS is hereby amended by adding thereto the provisions set forth as sections 2.3 and 2.7 of this act.

Sec. 2.3. ***1.*** ~~***[An]***~~ ***Except as otherwise provided in this subsection, an owner of a single-family residence that is the primary residence of the owner and is a replacement for a single-family residence partially or completely destroyed by a flood, fire, earthquake or other event for which a***

state of emergency or declaration of disaster was proclaimed by the Governor pursuant to NRS 414.070 ~~[before,]~~ on or after July 1, ~~[2017,]~~ 2012, may apply to the county assessor for an exemption of a portion of the assessed value of the single-family residence. An owner of a single-family residence may not apply for an exemption pursuant to this section on or after July 1, 2047.

2. The county assessor shall approve an application submitted pursuant to subsection 1 and grant an exemption of a portion of the assessed value of the single-family residence specified in the application if the application is submitted before July 1, 2047, and the county assessor determines that each of the following criteria are satisfied:

(a) The single-family residence is occupied by the primary owner of the residence.

(b) The single-family residence is a replacement for a single-family residence that:

(1) Is located in an area in which occurred a flood, fire, earthquake or other event for which a state of emergency or declaration of disaster was proclaimed by the Governor pursuant to NRS 414.070 ~~[before,]~~ on or after July 1, ~~[2017,]~~ 2012, and was partially or completely destroyed as a direct result of the flood, fire, earthquake or other event for which the state of emergency or declaration of disaster was proclaimed; and

(2) Is located on the same parcel of real property as the single-family residence that was partially or completely destroyed.

(c) The parcel of real property on which was located the single-family residence which was partially or completely destroyed has not been sold or transferred in a transaction to which the provisions of chapter 375 of NRS apply at any time after the flood, fire, earthquake or other event occurred.

(d) Except as otherwise provided in this paragraph, a building permit for the single-family residence was issued or, if the local government in which the single-family residence is located does not issue building permits, construction on the single-family residence is commenced, not later than 3 years after the partial or complete destruction of the previous single-family residence. The county assessor may approve an extension of the 3-year period required by this paragraph for a period of not more than 3 additional years if the owner is not able to begin construction or obtain a building permit because of circumstances beyond the control of the owner that are related to the event that caused the partial or complete destruction of the single-family residence.

(e) The floor area of the single-family residence does not exceed 110 percent of the floor area of the single-family residence that was partially or completely destroyed.

3. If the county assessor approves an application submitted pursuant to subsection 1, the amount of the exemption must equal the difference between the assessed value of the single-family residence for which the application was granted, as determined pursuant to NRS 361.225 and

361.227, and the assessed value that the single-family residence would have had if the single-family residence were deemed not to be a new improvement.

4. If, between July 1 and June 15, the county assessor approves an application submitted pursuant to subsection 1, the owner of the single-family residence is entitled to an exemption of a portion of the assessed value of the single-family residence in the amount determined pursuant to subsection 3 beginning on July 1 of the next fiscal year and the owner of the single-family residence is not entitled to a refund of any taxes paid before that date.

5. If, after June 15 but on or before June 30, the county assessor approves an application submitted pursuant to subsection 1, the owner of the single-family residence is entitled to an exemption of a portion of the assessed value of the single-family residence in the amount determined pursuant to subsection 3 beginning on July 1 of the fiscal year immediately following the next fiscal year and the owner of the single-family residence is not entitled to a refund of any taxes paid before that date.

6. If a single-family residence for which an exemption of a portion of the assessed value of the single-family residence is granted pursuant to this section is sold or transferred in a transaction to which the provisions of chapter 375 of NRS apply:

(a) The exemption of a portion of the assessed value of the single-family residence must no longer be applied to the single-family residence; and

(b) In determining the taxable value of the single-family residence for any fiscal year following the sale, the single-family residence must be considered a new improvement as of the date on which the single-family residence was completed.

7. As used in this section:

(a) "Primary residence of the owner" has the meaning ascribed to it in NRS 361.4723.

(b) "Single-family residence" has the meaning ascribed to it in NRS 361.4723.

Sec. 2.7. ***1. (b) An initial claim for a tax exemption on real property acquired after June 15 and before July 1 must be filed on or before July 5.

2. All exemptions provided for pursuant to this chapter apply on a fiscal year basis, and any exemption granted pursuant to this chapter must not be in an amount which gives the taxpayer a total exemption greater than that to which the taxpayer is entitled during any fiscal year.

3. Except as otherwise provided in this section, each claim for an exemption provided for pursuant to this chapter must be filed with the county assessor of:

(a) The county in which the claimant resides for personal tax exemptions; or

4. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsections 1 and 2 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

5. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to ensure that this section is carried out in a uniform and equal manner.

6. For the purposes of this section, "remainder parcel of real property" means a parcel of real property which remains after the creation of new parcels of real property for development from one or more existing parcels of real property, if the use of that remaining parcel has not changed from the immediately preceding fiscal year.

Sec. 3.7. NRS 361.4723 is hereby amended to read as follows:

361.4723 The Legislature hereby finds and declares that an increase in the tax bill of the owner of a home by more than 3 percent over the tax bill of that homeowner for the previous year constitutes a severe economic hardship within the meaning of subsection 10 of Section 1 of Article 10 of the Nevada Constitution. The Legislature therefore directs a partial abatement of taxes for such homeowners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4729, inclusive, ***and section 2.7 of this act,*** the owner of a single-family residence which is the primary residence of the owner is entitled to a partial abatement of the ad valorem taxes levied in a county on that property each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to any property for which:

(a) No assessed valuation was separately established for the immediately preceding fiscal year; or

(b) The provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section, including, without limitation, regulations

providing a methodology for applying the partial abatement provided pursuant to subsection 1 to a parcel of real property of which only a portion qualifies as a single-family residence which is the primary residence of the owner and the remainder is used in another manner.

5. The owner of a single-family residence does not become ineligible for the partial abatement provided pursuant to subsection 1 as a result of:

(a) The operation of a home business out of a portion of that single-family residence; or

(b) The manner in which title is held by the owner if the owner occupies the residence, including, without limitation, if the owner has placed the title in a trust for purposes of estate planning.

6. For the purposes of this section:

(a) "Primary residence of the owner" means a residence which:

(1) Is designated by the owner as the primary residence of the owner in this State, exclusive of any other residence of the owner in this State; and

(2) Is not rented, leased or otherwise made available for exclusive occupancy by any person other than the owner of the residence and members of the family of the owner of the residence.

(b) "Single-family residence" means a parcel or other unit of real property or unit of personal property which is intended or designed to be occupied by one family with facilities for living, sleeping, cooking and eating.

(c) "Unit of personal property" includes, without limitation, any:

(1) Mobile or manufactured home, whether or not the owner thereof also owns the real property upon which it is located; or

(2) Taxable unit of a condominium, common-interest community, planned unit development or similar property,

➥ if classified as personal property for the purposes of this chapter.

(d) "Unit of real property" includes, without limitation, any taxable unit of a condominium, common-interest community, planned unit development or similar property, if classified as real property for the purposes of this chapter.

Sec. 3.9. NRS 361.4724 is hereby amended to read as follows:

361.4724 The Legislature hereby finds and declares that many Nevadans who cannot afford to own their own homes would be adversely affected by large unanticipated increases in property taxes, as those tax increases are passed down to renters in the form of rent increases and therefore the benefits of a charitable exemption pursuant to subsection 8 of Section 1 of Article 10 of the Nevada Constitution should be afforded to those Nevadans through an abatement granted to the owners of residential rental dwellings who charge rent that does not exceed affordable housing standards for low-income housing. The Legislature therefore directs a partial abatement of taxes for such owners as follows:

1. Except as otherwise provided in or required to carry out the provisions of subsection 2 and NRS 361.4725 to 361.4729, inclusive, ***and section 2.7 of this act,*** if the amount of rent collected from each of the tenants of a residential dwelling does not exceed the fair market rent for the county in

which the dwelling is located, as most recently published by the United States Department of Housing and Urban Development, the owner of the dwelling is entitled to a partial abatement of the ad valorem taxes levied in a county on that property for each fiscal year equal to the amount by which the product of the combined rate of all ad valorem taxes levied in that county on the property for that fiscal year and the amount of the assessed valuation of the property which is taxable in that county for that fiscal year, excluding any increase in the assessed valuation of the property from the immediately preceding fiscal year as a result of any improvement to or change in the actual or authorized use of the property, exceeds the sum obtained by adding:

(a) The amount of all the ad valorem taxes:

(1) Levied in that county on the property for the immediately preceding fiscal year; or

(2) Which would have been levied in that county on the property for the immediately preceding fiscal year if not for any exemptions from taxation that applied to the property for that prior fiscal year but do not apply to the property for the current fiscal year,

➥ whichever is greater; and

(b) Three percent of the amount determined pursuant to paragraph (a).

2. The provisions of subsection 1 do not apply to:

(a) Any hotels, motels or other forms of transient lodging;

(b) Any property for which no assessed valuation was separately established for the immediately preceding fiscal year; and

(c) Any property for which the provisions of subsection 1 of NRS 361.4722 provide a greater abatement from taxation.

3. Except as otherwise required to carry out the provisions of NRS 361.4732 and any regulations adopted pursuant to NRS 361.4733, the amount of any reduction in the ad valorem taxes levied in a county for a fiscal year as a result of the application of the provisions of subsection 1 must be deducted from the amount of ad valorem taxes each taxing entity would otherwise be entitled to receive for that fiscal year in the same proportion as the rate of ad valorem taxes levied in the county on the property by or on behalf of that taxing entity for that fiscal year bears to the combined rate of all ad valorem taxes levied in the county on the property by or on behalf of all taxing entities for that fiscal year.

4. The Nevada Tax Commission shall adopt such regulations as it deems appropriate to carry out this section.

Sec. 4. (Deleted by amendment.)

Sec. 4.5. **The Legislature hereby finds that the exemption provided by this act from any ad valorem tax on property:**

1. Will achieve a bona fide social or economic purpose and that the benefits of the exemption are expected to exceed any adverse effect of the exemption on the provision of services to the public by the State or a local government that would otherwise receive revenue from the tax from which the exemption would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the exemption would be granted was pledged.

Sec. 5. This act becomes effective on July 1, 2017.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 689.

AN ACT relating to certificates of title; authorizing the Department of Motor Vehicles to issue a new certificate of title or a state agency to issue a salvage title for a vehicle to a person who is unable to provide a certificate of title for the vehicle and who files a bond with the Department or state agency under certain circumstances; setting forth the requirements for filing the bond; requiring the Department or state agency to return the bond under certain circumstances; abolishing certain rights of action against the Department of Motor Vehicles and any officer or employee of the Department; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if an applicant for registration of a vehicle or transfer of registration is unable to provide a certificate of title for the vehicle, the Department of Motor Vehicles may issue to the applicant a certificate of title if the Department is satisfied that the applicant has provided information sufficient to establish: (1) legal ownership of the vehicle; or (2) that the applicant is entitled to a new certificate of title. (NRS 482.240, 482.415) Similarly, if an applicant for a salvage title for a vehicle is unable to furnish a certificate of title for the vehicle, the state agency may issue a salvage title if the state agency is satisfied, after examining the circumstances and requiring the filing of suitable information, that the applicant is entitled to a salvage title. (NRS 487.820) Existing law requires a person whose certificate of title is lost, mutilated or illegible to immediately make application for and obtain a duplicate or substitute certificate of title upon furnishing information satisfactory to the Department and payment of the required fees. (NRS 482.285)

Section 1 of this bill authorizes a person who is unable to provide information satisfactory to the Department that the person is entitled to a ~~[new]~~ certificate of title or a duplicate or substitute certificate of title for a vehicle to obtain a new certificate of title by: (1) filing a bond with the Department in an amount equal to one and one-half times the value of the

vehicle, as determined by the Department; ~~[and]~~ (2) allowing the Department to inspect the vehicle to verify the vehicle identification number ~~[.]~~ **and the identification numbers, if any, for parts used to repair the vehicle; and (3) authorizing the Department to conduct a vehicle history search through relevant national crime information systems.** Such a bond must be conditioned to indemnify prior and subsequent owners or lienholders of the vehicle against any expense, loss or damage because of the issuance of the certificate of title, or because of any defect in or undisclosed security interest in the applicant's right or title to the vehicle or the applicant's interest in the vehicle. The bond must be returned by the Department at the end of 3 years, unless the Department has been notified of the pendency of an action to recover on the bond. **Section 1** also abolishes any right of action against the Department for taking certain actions or failing to act in providing a certificate of title pursuant to that section. Finally, **section 1** provides that an applicant for a certificate of title pursuant to that section may participate in the Department's electronic lien system. **Section 6** of this bill sets forth the same option for filing a bond and allowing an inspection to obtain a salvage title for a vehicle, and abolishes any right of action against the Department in a manner similar to the provisions of **section 1**. **Sections 2-5** of this bill make conforming changes. Existing law authorizes the Department to adopt regulations specifying the amount of the fees which the Department will charge and collect for each certificate of title or duplicate certificate of title issued. (NRS 482.429) Existing regulations impose a fee of $20 for each certificate of title or duplicate certificate of title issued for a vehicle present or registered in this State. (NAC 482.907)

(b) Pay the registration fee and governmental services tax attributable to a full period of registration.

Sec. 5. NRS 482.415 is hereby amended to read as follows:

482.415 1. Whenever application is made to the Department for registration of a vehicle previously registered pursuant to this chapter and the applicant is unable to present the certificate of registration or certificate of title previously issued for the vehicle because the certificate of registration or certificate of title is lost, unlawfully detained by one in possession or otherwise not available, the Department may receive the application, investigate the circumstances of the case and require the filing of affidavits or other information. When the Department is satisfied that the applicant is entitled to a new certificate of registration and certificate of title, it may register the applicant's vehicle and issue new certificates and a new license plate or plates to the person or persons entitled thereto. ***An applicant who is unable to satisfy the Department that the applicant is entitled to a new certificate of title pursuant to this subsection may obtain a new certificate of title pursuant to the provisions of section 1 of this act.***

of title and registration last issued for the vehicle, the state agency may accept the application, examine the circumstances of the case and require the filing of suitable affidavits or other information or documents. If satisfied that the applicant is entitled to a salvage title, the state agency may issue the salvage title.

2. No duplicate certificate of title or registration may be issued when a salvage title is applied for, and no fees are required for the affidavits of any stolen, lost or damaged certificate, or duplicates thereof, unless the vehicle is subsequently registered.

3. If an applicant ~~[who]~~ is unable to satisfy the state agency that the applicant is entitled to a salvage title pursuant to subsection 1 , ~~[wishes to register the vehicle pursuant to the provisions of subsection 6 of NRS 487.800 and NRS 487.860,]~~ the applicant may obtain a salvage title from the state agency by:

(2) National Motor Vehicle Title Information System of the United States Department of Justice.

4. Any person damaged by the issuance of the salvage title pursuant to subsection 3 has a right of action to recover on the bond for any breach of its conditions, except the aggregate liability of the surety to all persons must not exceed the amount of the bond. The state agency shall return the bond, and any deposit accompanying it, 3 years after the bond was filed with the state agency, except that the state agency must not return the bond if the state agency has been notified of the pendency of an action to recover on the bond.

5. The bond required pursuant to subsection 3 must be:

(a) In a form prescribed by the state agency;

(b) Executed by the applicant as principal and by a corporation qualified under the laws of this State as surety;

(c) In an amount equal to one and one-half times the value of the vehicle, as determined by the state agency; and

6. A right of action does not exist in favor of any person by reason of any action or failure to act on the part of the ~~[Department]~~ state agency or any officer or employee thereof in carrying out the provisions of subsections 3, 4 and 5, or in giving or failing to give any information concerning the legal ownership of a vehicle or the existence of a salvage title obtained pursuant to subsection 3.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Joint Resolution No. 17 of the 78th Session.

Resolution read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 894.

SENATE JOINT RESOLUTION NO. 17 OF THE 78TH SESSION **, AS AMENDED BY THE 79TH SESSION**–SENATORS ROBERSON, HARRIS, FARLEY; HARDY AND SETTELMEYER

SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to expand the rights guaranteed to victims of crime by adopting a victims' bill of rights.

Legislative Counsel's Digest:

Under the Nevada Constitution, the Legislature is required to provide by law for certain rights of the victims of crimes, in particular, the right to be informed of the status of criminal proceedings concerning those crimes, the right to be present at public hearings concerning those crimes and the right to be heard at all proceedings for the sentencing or release of persons convicted of those crimes. (Nev. Const. Art. 1, § 8)

This resolution proposes to amend the Nevada Constitution to eliminate the existing provisions of Article 1, Section 8, concerning victims' rights and to add a new section that sets forth an expanded list of such rights in the form of a victims' bill of rights. The new section is modeled after the victims' bill

of rights set forth in the California Constitution as it was amended in 2008 by what is commonly referred to as Marsy's Law. (Cal. Const. Art. 1, § 28)

Under the Nevada Constitution, in order for the Legislature to submit a resolution proposing state constitutional amendments to the voters for approval and ratification: (1) the Legislature must pass the resolution for a first time; and (2) the next Legislature also must pass the same resolution, without any legislative amendments, for a second time. (Nev. Const. Art. 16, § 1; *Selzer v. Synhorst*, 113 N.W.2d 724, 733 (Iowa 1962) ("A constitutional amendment so initiated by the legislature must be passed in the same form by two successive sessions of the legislature and then approved by a vote of the people."); *State ex rel. Owen v. Donald*, 151 N.W. 331, 342 (Wis. 1915) ("At the next session of the legislature each of the two houses must agree to the precise proposal agreed to at the previous session.")) If the next Legislature amends the resolution and passes it as amended, the legislative amendments start anew the process of amending the Nevada Constitution. (*Coleman v. Pross*, 246 S.E.2d 613, 620 (Va. 1978))

This resolution was initially passed by the 2015 Legislature during the 78th Session and returned for consideration by the 2017 Legislature during the 79th Session to determine whether to pass the same resolution, without any legislative amendments, for a second time. (Nev. Const. Art. 16, § 1; NRS 218D.800) However, the 2017 Legislature amended this resolution. Therefore, if the 2017 Legislature passes this resolution as amended, it also must be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That a new section, designated Section 23, be added to Article 1 of the Nevada Constitution to read as follows:

Sec. 23. 1. Each person who is the victim of a crime is entitled to the following rights:

(a) To be treated with fairness and respect for his or her privacy and dignity, and to be free from intimidation, harassment and abuse, throughout the criminal or juvenile justice process.

(b) To be reasonably protected from the defendant and persons acting on behalf of the defendant.

(c) To have the safety of the victim and the victim's family considered as a factor in fixing the amount of bail and release conditions for the defendant.

(d) To prevent the disclosure of confidential information or records to the defendant which could be used to locate or harass the victim or the victim's family.

(e) To refuse an interview or deposition request, unless under court order, and to set reasonable conditions on the conduct of any such interview to which the victim consents.

(f) To reasonably confer with the prosecuting agency, upon request, regarding the case.

(g) To reasonable notice of all public proceedings, including delinquency proceedings, upon request, at which the defendant and the prosecutor are entitled to be present and of all parole or other postconviction release proceedings, and to be present at all such proceedings.

(h) To be reasonably heard, upon request, at any public proceeding, including any delinquency proceeding, in any court involving release or sentencing, and at any parole proceeding.

(i) To the timely disposition of the case following the arrest of the defendant.

(j) To provide information to any public officer or employee conducting a presentence investigation concerning the impact of the offense on the victim and the victim's family and any sentencing recommendations before the sentencing of the defendant.

(k) To be informed, upon request, of the conviction, sentence, place and time of incarceration, or other disposition of the defendant, the scheduled release date of the defendant and the release of or the escape by the defendant from custody.

(l) To full and timely restitution.

(m) To the prompt return of legal property when no longer needed as evidence.

(n) To be informed of all postconviction proceedings, to participate and provide information to the parole authority to be considered before the parole of the offender and to be notified, upon request, of the parole or other release of the offender.

(o) To have the safety of the victim, the victim's family and the general public considered before any parole or other postjudgment release decision is made.

(p) To have all monetary payments, money and property collected from any person who has been ordered to make restitution be first applied to pay the amounts ordered as restitution to the victim.

(q) To be specifically informed of the rights enumerated in this section, and to have information concerning those rights be made available to the general public.

2. A victim has standing to assert the rights enumerated in this section in any court with jurisdiction over the case. The court shall promptly rule on a victim's request. A defendant does not have standing to assert the rights of his or her victim. This section does not alter the powers, duties or responsibilities of a prosecuting attorney. A victim does not have the status of a party in a criminal proceeding.

3. Except as otherwise provided in subsection 4, no person may maintain an action against this State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of this section or any statute enacted by the Legislature pursuant thereto. No such violation authorizes setting aside a conviction.

4. A person may maintain an action to compel a public officer or employee to carry out any duty required by this section or any statute enacted by the Legislature pursuant thereto.

5. The granting of these rights to victims must not be construed to deny or disparage other rights possessed by victims. A parole authority shall extend the right to be heard at a parole hearing to any person harmed by the offender.

6. The Legislature shall by law provide any other measure necessary or useful to secure to victims of crime the benefit of the rights set forth in this section.

7. In interpreting and applying the provisions of this section, a court may balance the rights of the victim set forth in this section against the needs of society for effective, efficient and orderly judicial administration of the criminal or juvenile justice process.

8. As used in this section, "victim" means any person directly and proximately harmed by the commission of a criminal offense under any law of this State. If the victim is less than 18 years of age, incompetent, incapacitated or deceased, the term includes the legal guardian of the victim or a representative of the victim's estate, member of the victim's family or any other person who is appointed by the court to act on the victim's behalf, except that the court shall not appoint the defendant as such a person.

And be it further

Resolved, That Section 8 of Article 1 of the Nevada Constitution be amended to read as follows:

Sec. 8. 1. No person shall be tried for a capital or other infamous crime (except in cases of impeachment, and in cases of the militia when in actual service and the land and naval forces in time of war, or which this State may keep, with the consent of Congress, in time of peace, and in cases of petit larceny, under the regulation of the Legislature) except on presentment or indictment of the grand jury, or upon information duly filed by a district attorney, or Attorney General of the State, and in any trial, in any court whatever, the party accused shall be allowed to appear and defend in person, and with counsel, as in civil actions. No person shall be subject to be twice put in jeopardy for the same offense; nor shall he be compelled, in any criminal case, to be a witness against himself.

2. ~~[The Legislature shall provide by law for the rights of victims of crime, personally or through a representative, to be:~~

~~(a) Informed, upon written request, of the status or disposition of a criminal proceeding at any stage of the proceeding;~~

~~(b) Present at all public hearings involving the critical stages of a criminal proceeding; and~~

~~(c) Heard at all proceedings for the sentencing or release of a convicted person after trial.~~

~~3. Except as otherwise provided in subsection 4, no person may maintain an action against the State or any public officer or employee for damages or injunctive, declaratory or other legal or equitable relief on behalf of a victim of a crime as a result of a violation of any statute enacted by the Legislature pursuant to subsection 2. No such violation authorizes setting aside a conviction or sentence or continuing or postponing a criminal proceeding.~~

~~4. A person may maintain an action to compel a public officer or employee to carry out any duty required by the Legislature pursuant to subsection 2.~~

~~5.]~~ No person shall be deprived of life, liberty, or property, without due process of law.

~~[6.]~~ ***3.*** Private property shall not be taken for public use without just compensation having been first made, or secured, except in cases of war, riot, fire, or great public peril, in which case compensation shall be afterward made.

Assembly Bill 354, as amended, requires the Director of the Department of Employment, Training and Rehabilitation to provide the Director of the Legislative Counsel Bureau with a quarterly report containing the unemployment rate of residents of this state for whom the Department has information by county, and for each county, the unemployment rate disaggregated by demographic factors including age, race, and gender.

The bill further requires the Governor's Office of Workforce Innovation to submit an annual report on the statewide longitudinal data system to the Legislative Counsel Bureau.

The provisions of this bill related to the statewide longitudinal data system are effective on July 1, 2017, if the Legislature enacts and the Governor approves Senate Bill 516 of this session. ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 421 requires in a county whose population is 700,000 or more, currently Clark County, a sheriff, chief of police or town marshal to arrange for—and the Department of Health and Human Services to provide for the purpose of maintaining continuity of care—coordination and oversight of certain care provided to a prisoner while in custody and after the prisoner is released from custody. In addition, Assembly Bill 421 requires each such sheriff and the Director of the Department of Health and Human Services to report to the Legislative Committee on Health Care during the interim regarding such coordination and oversight of services.

In your Committee on Corrections, Parole, and Probation, there was testimony on this bill about how there is a vicious cycle for a lot of offenders, especially down in our part of the state. They have mental health issues and cycle in and out of Southern Nevada Developmental Health, do well for a period of time, and then find themselves perhaps not taking their medications, becoming homeless, not acting the way we would expect our fellow citizens to act in society. They get arrested and end up in one of our detention centers down in Clark County or in the cities, and they need a psychiatrist who is starting from ground zero, who does not know their mental health history, does not know what worked for them in the past and what did not work.

What we are hoping to achieve with this bill is a certain continuity of care for mental health treatment and for substance abuse treatment as well. Many of the folks who are arrested and end up in our detention centers are getting treatment for substance abuse addictions and hoping they will have better outcomes and will break this cycle of being arrested, being released, homelessness, back in Southern Nevada Developmental Health. We want to try to help our constituents who are finding themselves in these predicaments. I urge your support.

ASSEMBLYWOMAN SWANK:

Assembly Bill 159, as amended, prohibits hydraulic fracturing in the production or recovery of oil or gas in Nevada. The bill allows any permit for a well to be hydraulically fractured issued before the effective date of this bill by the Division of Minerals to remain valid for the period issued.

ASSEMBLYMAN EDWARDS:

I rise this evening opposed to Assembly Bill 159 and also opposed to the political statement that is dressed up as serious legislation. Nevada has a long history of successful, safe, and environmentally responsible minerals extraction. We already have some of the toughest and most well-structured regulations in the country on fracking. We are leaps and bounds ahead of most of the other states. A full ban is a political rallying cry for the far left and it is seriously damaging to us here in Nevada. There is one simple and undisputable fact: Voting for this legislation today is millions of dollars being taken away from Nevada students. I oppose that, especially when it is solely for political purposes to repay election year favors.

What is more, we have been working on diversifying our economy for years and we have made significant progress. Banning an entire industry from operating in this state prevents economic diversity and growth. Killing opportunities is not the way to create jobs for our constituents. Destroying school funding resources is not the way to help the most precious resource, our children. I hope my colleagues will join me in saying no to A.B. 159 and yes for Nevada.

ASSEMBLYWOMAN TITUS:

I also rise in opposition to Assembly Bill 159. This legislation will have extremely detrimental effects on schools, particularly in our rural districts which receive funding from exploration leases to fund the Distributive School Account. That money is necessary for these schools to continue to provide a quality education to students and also to play an active role in their community. In my district many of these schools also function as community centers—a place of coming together for education, entertainment, and community togetherness. Legislation like this is one more slap in the face to rural education, and I urge my colleagues to join me in voting no.

ASSEMBLYMAN WATKINS:

I rise, obviously, in support of this measure and want to bring some facts to light. This measure would not deprive our schools of millions of dollars. It would not deprive our schools of hundreds of thousands of dollars. It would not deprive our schools of tens of thousands of dollars. The fact is that only 17,000 barrels of oil have ever been produced in the entire history of this state from fracking. That is less than a half of a percent of the entire amount of oil produced. If you extrapolate those numbers, this fiscal impact is about $10,000. Those are the facts. I urge your support.

Existing law provides that employees must be paid a minimum wage and must be paid overtime for certain hours. (NRS 608.018, 608.250; Nev. Const. Section 6** further requires that a domestic worker be allowed at least 1 day off per week and 2 consecutive

days off at least once per month. **Section 6** also prohibits an employer from limiting or monitoring a domestic worker's private communications or taking or holding such a worker's personal documents. **Section 1** of this bill sets limits on the amount an employer may deduct from a worker's pay for lodging provided by the employer. **Section 2** of this bill revises the amounts an employer may deduct from a worker's pay for meals. Existing law provides that children under the age of 16 years employed in domestic service, farm labor or motion picture performances are exempt from limitations on working hours. (NRS 609.240) **Section 3** of this bill deletes the exemption for children employed in domestic service.

The following amendment was proposed by Assemblyman McCurdy II:

Amendment No. 971.

AN ACT relating to apprentices; prohibiting a public body from awarding certain contracts for a public work to a contractor unless the contractor complies with certain requirements relating to the use of apprentices on

public works or pays a monetary penalty; prohibiting a contractor on certain public works from awarding subcontracts for more than 5 percent of the value of the public work to a subcontractor unless the subcontractor complies with certain requirements relating to the use of apprentices on public works or pays a monetary penalty; revising provisions relating to apprenticeship programs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the State Apprenticeship Council and requires the Council to establish standards for programs of apprenticeship. (NRS 610.030, 610.090, 610.095) The purposes of such programs include, without limitation: (1) the creation of the opportunity for persons to obtain training that will equip those persons for profitable employment and citizenship; and (2) the establishment of an organized program for the voluntary training of those persons by providing facilities for training and guidance in the arts and crafts of industry and trade. (NRS 610.020) Existing law sets forth the requirements for a public body which sponsors or finances a public work to award a contract to a contractor for the construction of the public work. (Chapter 338 of NRS) Such requirements include, without limitation: (1) the payment of the prevailing wage in the county in which the public work is located; and (2) the establishment of certain fair employment practices for contractors in connection with the performance of work under the contract awarded by the public body. (NRS 338.020, 338.125)

Section 4 of this bill prohibits a public body from, on or after February 1, 2019, awarding a contract for a public work for which the estimated cost exceeds $1,000,000 to a contractor unless the contractor: (1) ~~[ensured that in the immediately preceding calendar year,]~~ **complied with certain requirements relating to the use of** apprentices ~~[of that contractor performed not less than 3 percent, or a higher percentage established by regulation of the Labor Commissioner, of the total hours of labor performed in each recognized class of worker for all contracts for]~~ **on** public works ~~[awarded to]~~ **performed by** the contractor; or (2) paid a monetary penalty imposed by the Labor Commissioner. **Section 4** also prohibits a contractor awarded a contract for a public work on or after February 1, 2019, for which the estimated cost exceeds $1,000,000 from awarding a subcontract for more than 5 percent of the value of that public work to a subcontractor unless the subcontractor satisfied the same requirement for the use of apprentices on public works or paid a monetary penalty imposed by the Labor Commissioner. **Section 4** authorizes the Labor Commissioner to grant an exemption from this requirement if a public work is performed in a county whose population is less than 100,000 or a city whose population is less than 60,000 and the Labor Commissioner finds that there is a lack of qualified apprentices ~~[in a recognized class of worker]~~ from any available source in the geographic area in which the public work will be performed. **Section 4** also excludes from those requirements contractors and subcontractors who

employ fewer than a specified number of employees at the site of a public work.

Section 4 also requires: (1) the Labor Commissioner to issue a certificate of compliance to contractors and subcontractors who complied with the requirements of that section relating to the use of apprentices; and (2) a public body to verify a contractor's compliance with the requirements for apprentice labor before awarding a contract for certain public works by obtaining the identification number included on the certificate of compliance issued to the contractor or subcontractor.

Finally, **section 4** requires all monetary penalties imposed on a contractor or subcontractor for failure to comply with the requirements of that section to be paid to the State Director of Apprenticeships and distributed to programs for the recruitment, education and training of construction workers and the placement of such workers in employment.

Section 6.85 of this bill requires an apprenticeship program to submit a quarterly report to the State Apprenticeship Council which contains the: (1) number of apprentices enrolled in the program; (2) enrollment capacity of the program; and (3) number of apprentices who completed the program in the period covered by the report. **Section 6.85** further provides that on or before February 1, 2021, the State Apprenticeship Council is required to submit to the Director of the Legislative Counsel Bureau a report on the availability and use of apprentices for transmission to the 2021 Legislative Session.

Section 6.9 requires an apprenticeship program in which the number of apprentices enrolled is less than 40 percent of the enrollment capacity of the program to submit to the State Apprenticeship Council a strategic plan to recruit and retain apprentices and a monthly report concerning the progress of the program in recruiting and retaining apprentices.

The written decision of the Labor Commissioner is a public record and a copy of the decision must be included in any bid documents furnished by the public body. The Labor Commissioner may grant a request for an exemption submitted pursuant to this subsection only if the Labor Commissioner finds that the public work will be performed in a county whose population is less than 100,000 or a city whose population is less than 60,000 and there is a demonstrated lack of qualified apprentices ~~***[in a recognized class of worker]***~~ ***from any available source in the specific geographic area in which the public work for which an exemption is requested will be performed. If the Labor Commissioner grants an exemption to a public body pursuant to this subsection, the work performed by a contractor or subcontractor on the public work for which the exemption was granted must not be considered when determining whether the contractor or subcontractor satisfied the criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable.***

5. The criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable, do not apply to:

(a) A contractor or subcontractor which proposes to perform, or has been awarded a contract to perform, horizontal construction on a public work and which employs fewer than 25 employees to perform work on the site of the public work; or

(b) A contractor or subcontractor which proposes to perform, or has been awarded a contract to perform, vertical construction on a public work and which employs fewer than 6 employees to perform work on the site of the public work.

➥ Any work performed by a contractor or subcontractor on a public work described in paragraph (a) or (b), as applicable, must not be considered in determining whether the contractor or subcontractor satisfied the criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable.

6. Each calendar year, the Labor Commissioner shall:

(a) Determine the percentage of total hours of labor which were performed by apprentices during the calendar year on each public work to which the provisions of NRS 338.020 to 338.090, inclusive, apply;

(b) Determine whether a contractor or subcontractor satisfies the requirements of subsection 1 or 2, as applicable, or of any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, as applicable;

(c) If applicable, determine the number of hours by which each contractor or subcontractor failed to comply with those requirements; and

(d) If a contractor or subcontractor does not satisfy the criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable, establish the amount of a monetary penalty which must be paid by a contractor or subcontractor to remain qualified to be awarded a contract for a public work for which the estimated cost exceeds $1,000,000. The monetary penalty must be payable to the State Director of Apprenticeship and must be established as follows:

(1) For a contract to perform horizontal construction on a public work on or after January 1, 2018, a contractor or subcontractor that failed to comply with the criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable, or in any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, as applicable, is required to pay a monetary penalty of not less than $2 but not more than $6 for each hour of labor by which the contractor or subcontractor, as applicable, failed to comply with the applicable criteria. In determining the amount of the monetary penalty imposed on a contractor or subcontractor pursuant to this subparagraph, the Labor Commissioner shall consider all relevant facts and circumstances, including, without limitation, the amount by which the contractor or subcontractor failed to comply with the applicable criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, or in any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, and whether the contractor or subcontractor has willfully or repeatedly failed to comply with such applicable criteria.

(2) For a contract to perform vertical construction on a public work on or after January 1, 2018, a contractor or subcontractor that failed to comply with the criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, as applicable, or in any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, as applicable, is required to pay a monetary penalty of not less than $2 but not more than $6 for each hour of labor by which the contractor or subcontractor, as applicable, failed to comply with the applicable criteria. In determining the amount of the monetary penalty imposed on a contractor or subcontractor pursuant to this subparagraph, the Labor Commissioner shall consider all relevant facts and circumstances, including, without limitation, the amount by which the contractor or

subcontractor failed to comply with the applicable criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, or in any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, and whether the contractor or subcontractor has willfully or repeatedly failed to comply with such applicable criteria.

➥ Any decision of the Labor Commissioner pursuant to this paragraph is subject to judicial review pursuant to chapter 233B of NRS.

7. All money which is collected by the State Director of Apprenticeship for monetary penalties imposed pursuant to subsection 6 must be distributed by the State Director of Apprenticeship only to programs for the recruitment, education and training of construction workers and placement of such workers in employment.

8. The Labor Commissioner shall:

(a) Issue a certificate of compliance containing an identification number to each contractor or subcontractor who complies with the applicable criteria set forth in paragraph (a) of subsection 1 or paragraph (a) of subsection 2, or in any subsequent regulation adopted by the Labor Commissioner pursuant to subsection 9, or who pays the monetary penalty imposed on the contractor or subcontractor pursuant to subsection 6.

(b) Maintain on the Internet website of the Labor Commissioner a list of contractors and subcontractors who have been issued a certificate of compliance.

9. During each calendar year beginning on or after January 1, 2020, the Labor Commissioner may, with the approval of the State Apprenticeship Council, adopt regulations to revise by not more than 2 percentage points the percentage of total hours of labor on a public work which must be performed by apprentices for the following calendar year.

The term includes the construction of an airport or airway, but does not include the construction of any terminal or other building of an airport or airway.

(c) "Recognized class of worker" means a class of worker recognized by the Labor Commissioner as being a distinct craft or type of work for purposes of establishing prevailing rates of wages pursuant to NRS 338.020 to 338.090, inclusive. 4. The Labor Commissioner shall report the violation to the Attorney General, and the Attorney General may prosecute the person in accordance with law.

Sec. 6.3. NRS 338.1389 is hereby amended to read as follows:

➥ shall be deemed to be the best bid for the purposes of this section.

3. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a general contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the general contractor has, while licensed as a general contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes imposed pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes that were paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes that were paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

9. If a contractor who applies to the State Contractors' Board for a certificate of eligibility to receive a preference in bidding on public works:

(b) Is found by the Board to have, within the preceding 5 years, materially breached a contract for a public work for which the cost exceeds $5,000,000, the contractor is not eligible to receive a preference in bidding on public works.

10. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of subsection 2, those provisions do not apply insofar as their application would preclude or reduce federal assistance for that work.

11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the public body to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

14. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public

body shall dismiss the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the contractor qualifies for the certificate pursuant to the provisions of this section and the public body or its authorized representative may proceed to award the contract accordingly.

Sec. 6.7. NRS 338.147 is hereby amended to read as follows:

338.147 1. Except as otherwise provided in subsection 10 and NRS 338.143, 338.1442 and 338.1446 ~~[.]~~ ***and section 4 of this act,*** a local government or its authorized representative shall award a contract for a public work for which the estimated cost exceeds $250,000 to the contractor who submits the best bid.

(b) Not more than 5 percent higher than the bid submitted by the lowest responsive and responsible bidder who:

(1) Does not provide, at the time he or she submits the bid, a valid certificate of eligibility to receive a preference in bidding on public works issued to him or her by the State Contractors' Board pursuant to subsection 3 or 4; or

(2) Does not submit, within 2 hours after the completion of the opening of the bids by the public body or its authorized representative, a signed affidavit certifying that he or she will comply with the requirements of paragraphs (a) to (d), inclusive, of subsection 1 of NRS 338.0117 for the duration of the contract,

➥ shall be deemed to be the best bid for the purposes of this section.

3. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a general contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the general contractor has, while licensed as a general contractor in this State:

(a) Paid directly, on his or her own behalf:

(1) The sales and use taxes imposed pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including,

without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a general contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

4. The State Contractors' Board shall issue a certificate of eligibility to receive a preference in bidding on public works to a specialty contractor who is licensed pursuant to the provisions of chapter 624 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the specialty contractor has, while licensed as a specialty contractor in this State:

(1) The sales and use taxes pursuant to chapters 372, 374 and 377 of NRS on materials used for construction in this State, including, without limitation, construction that is undertaken or carried out on land within the boundaries of this State that is managed by the Federal Government or is on an Indian reservation or Indian colony, of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant;

(2) The governmental services tax imposed pursuant to chapter 371 of NRS on the vehicles used in the operation of his or her business in this State of not less than $5,000 for each consecutive 12-month period for 60 months immediately preceding the submission of the affidavit from the certified public accountant; or

(3) Any combination of such sales and use taxes and governmental services tax; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating construction firm that possesses a:

(1) License as a specialty contractor pursuant to the provisions of chapter 624 of NRS; and

(2) Certificate of eligibility to receive a preference in bidding on public works.

5. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 3 and paragraph (a) of subsection 4, a contractor shall be deemed to have paid:

(a) Sales and use taxes and governmental services taxes paid in this State by an affiliate or parent company of the contractor, if the affiliate or parent company is also a general contractor or specialty contractor, as applicable; and

(b) Sales and use taxes paid in this State by a joint venture in which the contractor is a participant, in proportion to the amount of interest the contractor has in the joint venture.

6. 11. If a bid is submitted by two or more contractors as a joint venture or by one of them as a joint venturer, the bid may receive a preference in bidding only if both or all of the joint venturers separately meet the requirements of subsection 2.

12. The State Contractors' Board shall adopt regulations and may assess reasonable fees relating to the certification of contractors for a preference in bidding on public works.

13. A person who submitted a bid on the public work or an entity who believes that the contractor who was awarded the contract for the public work wrongfully holds a certificate of eligibility to receive a preference in bidding on public works may challenge the validity of the certificate by filing a written objection with the local government to which the contractor has submitted a bid on a contract for the construction of a public work. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the contractor wrongfully holds a certificate of eligibility to receive a preference in bidding on public works; and

Amendment No. 985.

SUMMARY—Revises provisions relating to health ~~[care]~~ records. (BDR 54-350)

AN ACT relating to health ~~[care]~~ records; requiring a custodian of health care records to perform certain duties; requiring a custodian of health care records to make certain health care records available for inspection by a coroner or medical examiner under certain circumstances; revising the civil and criminal penalties for a custodian who violates certain requirements; authorizing the Board of Medical Examiners to take possession of the health care records of a licensee's patients under certain circumstances; **revising provisions relating to the completion of a death certificate;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a physician or other provider of health care to: (1) retain the health care records of patients for at least 5 years; (2) make available to investigators certain health care records of a patient who is

suspected of having operated a motor vehicle while intoxicated; (3) maintain a record of information provided by a patient relating to health insurance coverage; and (4) provide to the Department of Corrections the health care records of an offender confined at the state prison. (NRS 629.051, 629.065, 629.066, 629.068) **Sections 4 and 7-9** of this bill require the custodian of the relevant health care records to perform those duties. **Section 1** of this bill defines the custodian of health care records as any person having primary custody of those records or a facility that maintains the health care records of patients.

Existing law requires a provider of health care to make health care records available for inspection by a patient, certain representatives of a patient and certain government officials. (NRS 629.061) **Section 5** of this bill requires the custodian of health care records to make the records available for inspection, and includes in the definition of "health care records," for the purposes of that section, any records that reflect the amount charged for medical services or care provided to a patient. **Section 5** further requires the custodian of health care records to make health care records available for inspection by a coroner or medical examiner in the performance of his or her duties.

A custodian of the health care records of a provider of health care is prohibited by existing law from preventing the provider from inspecting or obtaining copies of the records. If the custodian ceases to do business in this State, the custodian must deliver the records or copies of the records to the provider. Any violation of those requirements is a gross misdemeanor and subjects the custodian to a potential civil penalty of not less than $10,000, to be recovered in a civil action. (NRS 629.063) **Section 6** of this bill provides that only a custodian of health care records who is not licensed under certain provisions of NRS and who violates the foregoing requirements is guilty of a gross misdemeanor. **Section 6** also revises the civil penalty provisions so that $5,000 is the maximum penalty that may be collected for each violation as applied to a patient's entire health care record.

Existing law requires certain providers of health care to retain the health care records of patients for 5 years after their receipt or production. (NRS 629.051) **Section 9.5** of this bill authorizes the Board of Medical Examiners to take possession of the health care records of a licensee's patients in the event of the licensee's death, disability, incarceration or other incapacitation that renders the licensee unable to continue his or her practice. **Section 9.5** further authorizes the Board to provide a patient's records to the patient or to the patient's subsequent provider of health care. **Section 9.5** also requires that certain disclosures regarding such records be provided to patients.

Existing law requires a funeral director or person acting as undertaker to present a death certificate to an attending physician or the health officer or coroner for the medical certificate of the cause of death and certain other information. (NRS 440.470) Section 12.3 of this bill provides an exception to the requirement of presenting the death

certificate to an attending physician or attending advanced practice registered nurse if the attending physician or attending advanced practice registered nurse initiated the record of death and provided the required information at the time of death.

Section 12.7 of this bill authorizes a physician, advanced practice registered nurse, health officer or coroner to sign an uncompleted death certificate after completing the portions of the death certificate applicable to the physician, advanced practice registered nurse, health officer or coroner.

OFFICE OF THE GOVERNOR

May 25, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 101 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 101 ("AB 101"), which is entitled:

> AN ACT relating to wildlife; requiring the Board of Wildlife Commissioners to establish policies for the conservation of certain wildlife; revising the authorized uses of the fees for the processing of an application for a game tag; requiring the Commission to establish policies for certain programs, activities and research relating to predatory wildlife; requiring the Department of Wildlife to submit a report on certain programs, activities, and research relating to predatory wildlife; and providing other matters properly related thereto.

AB 101 purportedly furthers an important objective, namely the conservation of Nevada's fish and wildlife species and their habitat. There can be no question regarding the vital importance of protecting Nevada's animal populations. This is why my administration introduced Assembly Bill 82 during the 2015 Legislative Session, which expanded the permissible uses of all funds deposited to the Wildlife Account to include "the protection, propagation, and management of wildlife." (NRS 501.356 (4)(a)). Nevada must effectively conserve, protect, and manage its wildlife.

AB 101 further expands the permissible uses of Wildlife Account Funds generated by the sale of game tag fees. While attempts to enhance wildlife conservation efforts should be applauded, there appears to be no clear justification for the revisions proposed through this legislation, which was opposed by legislators from both political parties. Furthermore, it is far from clear that the revisions proposed by AB 101 will result in any meaningful improvements upon current methods and policies for managing or protecting wildlife and wildlife habitat in our state.

For these reasons, I veto this bill and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

Assemblywoman Benitez-Thompson moved that Assembly Bill No. 101 of the 79th Session be placed on the Chief Clerk's desk.

Motion carried.

Vetoed Assembly Bill No. 154 of the 79th Session.

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 154 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 154 ("AB 154"), which is entitled:

> AN ACT relating to prevailing wages; revising provisions governing the payment of prevailing wages; and providing other matters properly relating thereto.

During the 2015 Legislative Session, the Legislature passed both Senate Bill 207 ("SB 207") and Assembly Bill 172 ("AB 172") with overwhelming bipartisan support. The Legislature also passed Senate Bill 119 ("SB 119") on a straight-line partisan vote. All three bills became law.

Given pressing construction needs, SB 119 and SB 207 were passed early in the Session. SB 207 authorized a "bond rollover," which allowed for billions of dollars in new school construction and repairs. SB 119 removed all school construction from the requirements to pay a prevailing wage. The goal was to stretch these scarce, school-construction dollars as far as possible, while making sure that taxpayers were protected from above-market construction costs.

With SB 119's reforms in place, the Legislature then entered into broader discussions regarding prevailing wage requirements on all public projects. AB 172 was the result of those negotiations. And in exchange for reasonable, bipartisan changes to the law as a whole, school construction was again made subject to prevailing wage - though at 90% of that wage.

Simply put, stakeholders and lawmakers compromised in 2015 to propose moderate, but necessary reforms that I supported. There is no superseding change today that justifies the rollback of this compromise.

Since the implementation of the bi-partisan reforms of 2015, the justifications for preserving the 90% cap on prevailing wage have only become stronger. Not only have taxpayers seen the benefits of this law, but voters in Nevada's second largest county , Washoe, also approved in 2016 a sales tax increase for school repairs and construction. I supported that effort. To add costs to Washoe school construction *after* the voters approved the tax is not appropriate.

For these reasons, I veto Assembly Bill 154.

Sincere regards,
BRIAN SANDOVAL
Governor

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 271 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 271 ("AB 271"), which is entitled:

> AN ACT relating to local governments; revising provisions relating to collective bargaining between local government employers and employee organizations; and providing other matters properly relating thereto.

The intent of this bill has merit, and I thank the sponsor for continuing the long-running and important conversation as to how best to protect Nevada's hardworking public servants. Although the bill is well-intended, I cannot support it, because it reverses a bipartisan compromise from the 2015 Legislative Session.

In 2015, the Legislature passed Senate Bill 241 ("SB 241") with overwhelming bipartisan support. SB 241 enacted reasonable reforms to the laws governing public sector collective bargaining. The negotiations and consensus behind that bill are an example of legislation done right. Everyone came to the table - labor and management, Republicans and Democrats, liberals and conservatives. To that end, stakeholders and lawmakers advanced common-sense reforms that had almost no opposition.

AB 271 rolls back some of SB 241's key provisions and passed on partisan lines, reflecting the lack of consensus that accompanied SB 241. There is no evidence that SB 271 is necessary to repeal an important bipartisan reform adopted two years ago.

For these reasons, I veto Assembly Bill 271.

Sincere regards,
BRIAN SANDOVAL
Governor

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 364 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 364 ("AB 364"), which is entitled:

> AN ACT relating to public highways; directing the Department of Transportation, in cooperation with Clark County, the City of Las Vegas, the City of Henderson and the Regional Transportation Commission of Southern Nevada, to conduct an interim study concerning roadway traffic and safety in the urban eastern part of Clark County; and providing other matters properly relating thereto.

The intent behind AB 364 has merit. Southern Nevada has long-term transportation and infrastructure needs that require continual attention. However, AB 364's proposed solution is duplicative and unnecessary.

The Nevada Transportation Board of Directors oversees and governs the Nevada Department of Transportation ("NDOT"). The Board and NDOT are tasked with establishing and implementing statewide transportation policy. The transportation issues that AB 364 seeks to review are ones that NDOT has and will continue to examine. Indeed, the area described in the bill has already been considered in an NDOT traffic study.

As such, AB 364 is redundant, and also intrudes upon policy issues properly reserved to both the executive branch of state government and the Nevada Transportation Board of Directors

For these reasons, I veto Assembly Bill 364.

Sincere regards,
BRIAN SANDOVAL

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 438 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am forwarding to you, for filing within the time limit set forth in the Nevada Constitution and without my approval, Assembly Bill 438 ("AB 438"), which is entitled:

> AN ACT relating to controlled substances; establishing the crimes of level 1 and level 2 drug possession; revising provisions relating to the reduction or suspension of the sentence of a person convicted of certain offenses involving a controlled substance; reducing the penalty for a violation of the prohibition against using or being under the influence of a controlled substance; and providing other matters properly related thereto.

Although well intentioned, AB 438 threatens to endanger the safety of Nevada's communities by significantly modifying penalties for serious criminal drug offenses. If enacted, this legislation would increase the likelihood of reduced or suspended sentences for criminal drug offenders who knowingly or intentionally sell or manufacture Schedule I drugs, including heroin. Schedule I drugs such as heroin, LSD, and ecstasy have been defined by the U.S. Drug Enforcement Administration as having "no currently accepted medical use" and a "high potential for abuse." (21 U.S.C. § 812(b)(1)). To create an environment in which the prevalence of these dangerous substances might be even slightly increased would represent a clear step in the wrong direction, and undermine efforts to promote safe and livable communities in Nevada.

Assembly Bill 438 would also increase the likelihood that drug offenders who intentionally sell, possess, or manufacture controlled substances such as flunitrazepam and GHB, more commonly referred to as "date rape" drugs, would face reduced or suspended sentences. Under current law, criminal drug defendants must cooperate with and assist law enforcement efforts to investigate and prosecute criminal activity in order to be eligible for a reduced or suspended sentence. AB 438 would eliminate this requirement for some criminal

drug offenders, thereby eliminating an incentive for such offenders to cooperate with law enforcement and rendering an important law enforcement tool less effective.

Moreover, at a time when our state is grappling with the tragic and deadly effects of a growing prescription drug abuse and overdose epidemic, any reduction in criminal penalties for the unlawful use of prescription drugs would clearly send the wrong message while undermining a statewide effort to combat and eliminate prescription drug abuse, misuse, and overdose. This serious problem has affected far too many Nevada families, and now is not the time to minimize or reduce penalties for crimes associated with the unlawful use of prescription drugs.

For these reasons, I veto this bill and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, Nevada Legislature, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill 445 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 445 ("AB 445"), which is entitled:

> AN ACT relating to transportation network companies; prohibiting an insurer from refusing to provide coverage under a policy of motor vehicle insurance because the insured is a driver for a transportation network company; reducing the minimum amount of coverage required for certain transportation network company insurance; requiring transportation network company insurance to provide medical payments coverage; prohibiting a driver for a transportation network company from refusing to complete transportation services after accepting a passenger for transportation; providing penalties; and providing other matters properly relating thereto.

AB 445 has some merit. In particular, the language clarifying and possibly expanding insurance protections for consumers of transportation network companies appears worthy of support. However, there are provisions in the bill that I will not support.

Unfortunately, the bill also contains provisions that decrease insurance coverage that protects consumers, pedestrians, and other drivers. Currently, transportation network companies or their drivers must maintain insurance in an amount not less than $1,500,000. AB 445 reduces that requirement to $1,000,000. Such a reduction would have serious consequences for public safety and victim compensation.

For this reason, I veto Assembly Bill 445.

Sincere regards,
BRIAN SANDOVAL

GENERAL FILE AND THIRD READING

Senate Bill No. 226.

The following amendment was proposed by Assemblyman Carrillo:

Amendment No. 943.

AN ACT relating to transportation network companies; **authorizing an independent contractor who leases a taxicab to use the taxicab in accordance with an agreement with a transportation network company;** requiring a driver to ~~[provide to a transportation network company certain information relating to his or her state business registration; requiring a transportation network company to terminate an agreement with a driver who fails to comply with the requirement to provide such information to the company;]~~ **obtain a driver's permit before providing transportation services in affiliation with a transportation network company; revising requirements for a motor vehicle operated by a driver to provide transportation services;** requiring the Nevada Transportation Authority to provide certain information to the Secretary of State for the purpose of

enforcing the provisions of law governing ~~[the]~~ **a** state business ~~[registration;]~~ **license;** providing for the confidentiality of the information provided to the Secretary of State; **revising requirements for transportation network company insurance;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the holder of a certificate of public convenience and necessity to lease a taxicab to an independent contractor, who may only use the taxicab in a manner authorized by the certificate. (NRS 706.88396) Section 1.2 of this bill expands existing law by authorizing the independent contractor to use the taxicab to provide transportation services pursuant to an agreement with a transportation network company. Sections 1.1 and 1.6-1.9 of this bill make conforming changes.

Existing law authorizes a transportation network company to enter into an agreement with one or more drivers to receive connections to potential passengers using the digital network or software application service of the company under certain circumstances. (NRS 706A.160) **Section 2** of this bill requires a driver ~~[affiliated with a transportation network company to provide verification to the transportation network company that the driver holds a valid state business registration: (1) not later than 6 months after the driver is allowed to receive connections to potential passengers pursuant to the agreement with the company; and (2) annually thereafter on or before the anniversary date of that agreement. Under section 2, the verification may consist of providing to the company the business identification number assigned to the driver by the Secretary of State upon issuance of a state business registration. Finally, section 2 requires a transportation network company to terminate an agreement with a driver who fails to provide verification that he or she holds a valid state business registration as required by section 2.]~~ **to obtain a driver's permit from the Nevada Transportation Authority before providing transportation services in affiliation with a transportation network company in a manner generally consistent with the requirement to obtain such a permit for persons who drive a motor vehicle for a taxicab motor carrier. (NRS 706.462) Sections 1.4 and 1.5 of this bill make conforming changes.**

Existing law imposes certain requirements upon a motor vehicle operated by a driver to provide transportation services. (NRS 706A.180) Section 2.1 of this bill requires such a vehicle to be registered in the name of the driver or, if operated pursuant to a lease authorized by section 1.2, the name of the lessor. Section 2.1 further requires such a vehicle to have the name or logo of each transportation network company with which the driver is affiliated marked or otherwise attached to the front and rear of the vehicle. Finally, section 2.1 requires such a vehicle to have a vehicle permit issued by the Nevada Transportation Authority affixed to the vehicle.

Existing law requires a transportation network company to maintain certain records relating to the business of the company and to make those records available for inspection by the Nevada Transportation Authority as necessary to investigate complaints. (NRS 706A.230) **Section 2.3** of this bill requires the Authority to provide to the Secretary of State the name of each driver affiliated with a transportation network company and such other information as the Secretary of State deems necessary to enforce existing law relating to **a** state business ~~[registration.]~~ **license.** Under **section 2.3**, the Secretary of State and any employee of the Secretary of State is required to keep such information confidential to the same extent that the Authority is required to keep the information confidential.

Existing law establishes certain requirements for transportation network company insurance coverage against tort liabilities that must be continuously provided by a driver or transportation network company, which vary depending on the activities of the driver. (NRS 690B.470) Section 2.5 of this bill revises these requirements to instead require that: (1) coverage in an amount of not less than $1,500,000 for bodily injury or death of one or more persons and injury to or destruction of property of others in any one accident or motor vehicle crash must be provided during any period in which the driver is providing transportation services; and (2) coverage in an amount not less than $300,000 for bodily injury or death of one or more persons and injury to or destruction of property of others in any one accident or motor vehicle crash must be provided during any period in which the driver is logged into the digital network or software application service of the transportation network company and available to receive requests for transportation services but is not otherwise providing transportation services.

Under **section** ~~[2.7,]~~ **2.9 of this bill,** any driver who ~~[has an agreement]~~ **provides transportation services in affiliation** with a transportation network company ~~[that is in effect on October]~~ **on or before July** 1, 2017, ~~[is required to provide the first verification that he or she holds a valid state business registration on or before the anniversary date of his or her registration.]~~ **may continue to do so without obtaining a driver's permit until October 1, 2017.**

Amendment No. 978.

AN ACT relating to certificates of title; authorizing the Department of Motor Vehicles to issue a new certificate of title or a state agency to issue a salvage title for a vehicle to a person who is unable to provide a certificate of title for the vehicle and who files a bond with the Department or state agency under certain circumstances; setting forth the requirements for filing the bond; requiring the Department or state agency to return the bond under certain circumstances; abolishing certain rights of action against the Department of Motor Vehicles and any officer or employee of the Department; **requiring certain lienholders to process all notifications and releases of security interests through the electronic lien system established for the Department;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, if an applicant for registration of a vehicle or transfer of registration is unable to provide a certificate of title for the vehicle, the Department of Motor Vehicles may issue to the applicant a certificate of title if the Department is satisfied that the applicant has provided information sufficient to establish: (1) legal ownership of the vehicle; or (2) that the applicant is entitled to a new certificate of title. (NRS 482.240, 482.415)

Similarly, if an applicant for a salvage title for a vehicle is unable to furnish a certificate of title for the vehicle, the state agency may issue a salvage title if the state agency is satisfied, after examining the circumstances and requiring the filing of suitable information, that the applicant is entitled to a salvage title. (NRS 487.820) Existing law requires a person whose certificate of title is lost, mutilated or illegible to immediately make application for and obtain a duplicate or substitute certificate of title upon furnishing information satisfactory to the Department and payment of the required fees. (NRS 482.285)

Section 1 of this bill authorizes a person who is unable to provide information satisfactory to the Department that the person is entitled to a new certificate of title or a duplicate or substitute certificate of title for a vehicle to obtain a new certificate of title by: (1) filing a bond with the Department in an amount equal to one and one-half times the value of the vehicle, as determined by the Department; and (2) allowing the Department to inspect the vehicle to verify the vehicle identification number. Such a bond must be conditioned to indemnify prior and subsequent owners or lienholders of the vehicle against any expense, loss or damage because of the issuance of the certificate of title, or because of any defect in or undisclosed security interest in the applicant's right or title to the vehicle or the applicant's interest in the vehicle. The bond must be returned by the Department at the end of 3 years, unless the Department has been notified of the pendency of an action to recover on the bond. **Section 1** also abolishes any right of action against the Department for taking certain actions or failing to act in providing a certificate of title pursuant to that section. Finally, **section 1** provides that an applicant for a certificate of title pursuant to that section may participate in the Department's electronic lien system. **Section 6** of this bill sets forth the same option for filing a bond and allowing an inspection to obtain a salvage title for a vehicle, and abolishes any right of action against the Department in a manner similar to the provisions of **section 1**. **Sections 2-5** of this bill make conforming changes. Existing law authorizes the Department to adopt regulations specifying the amount of the fees which the Department will charge and collect for each certificate of title or duplicate certificate of title issued. (NRS 482.429) Existing regulations impose a fee of $20 for each certificate of title or duplicate certificate of title issued for a vehicle present or registered in this State. (NAC 482.907)

Existing law requires the Department to enter into a contract to establish, implement and operate an electronic lien system for use by certain lienholders in lieu of the issuance and maintenance of paper documents otherwise required to process the notification and release of a security interest in a vehicle. (NRS 482.4285) Section 5.5 of this bill requires all lienholders to use the electronic lien system to process all notifications and releases of security interests, with an exception for persons who are not normally engaged in the business or practice of financing vehicles.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

The following amendment was proposed by Assemblywoman Swank:

Amendment No. 984.

AN ACT relating to regional transportation commissions; authorizing a regional transportation commission to provide grants of money for the research, development or implementation of transportation projects that use new technologies; authorizing a regional transportation commission to enter into agreements with private entities for certain projects; authorizing a regional transportation commission to recommend the imposition of certain taxes to fund the transportation projects of the commission; authorizing the board of county commissioners to submit the recommendation for the imposition of such taxes to the voters of the county; requiring the board of county commissioners to adopt an ordinance imposing any such taxes that are approved by the voters; revising provisions governing the composition of regional transportation commissions; authorizing a regional transportation commission to develop and maintain high-capacity transit systems; authorizing a regional transportation commission to adopt rules for the parking of unauthorized vehicles at facilities of the commission and the imposition of fees for the use of services or facilities of the commission;

repealing provisions requiring certain regional transportation commissions to establish a regional rapid transit authority; revising various provisions relating to the powers and duties of regional transportation commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a county may, by ordinance, create a regional transportation commission if a streets and highways plan has been adopted by the county or regional planning commission. (NRS 277A.170) Existing law also provides a regional transportation commission the exclusive right to operate a system of public transportation within its jurisdiction, as well as enter into contracts, leases and agreements with state agencies and local governments to perform its functions. (NRS 277A.270)

Section 3 of this bill authorizes a regional transportation commission to: (1) provide grants of money to conduct research for and otherwise develop and implement certain transportation projects; and (2) enter into agreements with private entities for certain transportation projects in accordance with federal law.

Section 13 of this bill authorizes a regional transportation commission to construct, develop and operate a high-capacity transit system with the approval of the county or city which owns any public right-of-way. **Section 3.5** of this bill requires a regional transportation commission to enter into agreements with other local governments to coordinate and collaborate on the development of a project or high-capacity transit system and to share the costs related to such projects. If a regional transportation commission enters into such an agreement, **section 4** of this bill requires the commission to create and administer an account that will hold any money appropriated by the commission or a local government in accordance with the agreement. **Section 14** of this bill authorizes a regional transportation commission to use a turnkey procurement process or competitive negotiation process in connection with a high-capacity transit project.

Sections 5 and 6 of this bill provide that a regional transportation commission in certain larger counties (currently Clark and Washoe Counties) may recommend the imposition of an additional tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail. The recommendations of the commission must specify the rate of the recommended tax, the period during which the recommended tax will be imposed and the type and location of the transportation projects the recommended tax would support, if the commission submits its recommendations to the board of county commissioners, the board of county commissioners may submit a question to the voters at the next general election asking whether the tax recommended by the commission should be imposed in the county. If a majority of the voters approve the question, the board of county commissioners is required to impose the approved tax at the rate specified in the question submitted to the voters. **A board of county commissioners may only submit one such question to the voters, and any**

such general election must be held on or before December 31, 2020. **Section 7** of this bill provides that the proceeds resulting from the imposition of such taxes must be remitted to the commission for its use in accordance with the provisions of existing law governing regional transportation commissions.

Existing law generally sets forth the authority and powers of a regional transportation commission. (NRS 277A.160, 277A.210, 277A.250) **Section 10** of this bill requires that the provisions of existing law governing regional transportation commissions be liberally construed as to allow a regional transportation commission to meet any of its objectives.

Existing law requires a regional transportation commission in certain larger counties (currently Clark and Washoe Counties) to be composed of members of the board of county commissioners and the governing body of each city in the county. **Section 10.5** of this bill provides that if a mayor of a city in such a county is not a member of the governing body of the city, the governing body may appoint the mayor to be a member of the regional transportation commission.

Section 12 of this bill authorizes a regional transportation commission to impose: (1) civil penalties for the unauthorized parking of a vehicle at a transportation facility; and (2) fees for the use of commission services or facilities.

Existing law requires the regional transportation commission in any county whose population is 700,000 or more (currently Clark County) to establish a regional rapid transit authority. **Section 18** of this bill repeals that provision.

(NRS 277A.270)

Section 3 of this bill authorizes a regional transportation commission **in a county whose population is 700,000 or more (currently only Clark County)** to: (1) provide grants of money to conduct research for and otherwise develop and implement certain transportation projects; ~~[and]~~ (2) enter into agreements with private entities for certain transportation projects in accordance with federal law ~~[.]~~ **; (3) impose civil penalties for unauthorized parking at a transportation facility; and (4) impose fees for the use of services or facilities of the commission.**

Section ~~[13 of this bill]~~ **3 also** authorizes **such** a regional transportation commission to construct, develop and operate a high-capacity transit system with the approval of the county or city which owns any public right-of-way. **Section 3.5** of this bill requires **such** a regional transportation commission to enter into agreements with other local governments to coordinate and collaborate on the development of a project or high-capacity transit system and to share the costs related to such projects. If **such** a regional transportation commission enters into such an agreement, **section 4** of this bill requires the commission to create and administer an account that will hold any money appropriated by the commission or a local government in accordance with the agreement. **Section** ~~[14]~~ **3.7** of this bill authorizes **such** a regional transportation commission to use a turnkey procurement process or competitive negotiation process in connection with a high-capacity transit project.

Sections 5 and 6 of this bill provide that **such** a regional transportation commission ~~[in certain larger counties (currently Clark and Washoe Counties)]~~ may recommend the imposition of an additional tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail. The recommendations of the commission must specify the rate of the recommended tax, the period during which the recommended tax will be imposed and the type and location of the transportation projects the recommended tax would support, if the commission submits its recommendations to the board of county commissioners, the board of county commissioners may submit a question to the voters at the next general election asking whether the tax recommended by the commission should be

imposed in the county. If a majority of the voters approve the question, the board of county commissioners is required to impose the approved tax at the rate specified in the question submitted to the voters. **Section 7** of this bill provides that the proceeds resulting from the imposition of such taxes must be remitted to the commission for its use in accordance with the provisions of existing law governing regional transportation commissions.

~~[Existing law generally sets forth the authority and powers of a regional transportation commission. (NRS 277A.160, 277A.210, 277A.250) Section 10 of this bill requires that the provisions of existing law governing regional transportation commissions be liberally construed as to allow a regional transportation commission to meet any of its objectives.]~~

Existing law requires a regional transportation commission in certain larger counties (currently Clark and Washoe Counties) to be composed of members of the board of county commissioners and the governing body of each city in the county. **Section 10.5** of this bill provides that if a mayor of a city in such a county is not a member of the governing body of the city, the governing body may appoint the mayor to be a member of the regional transportation commission.

~~[Section 12 of this bill authorizes a regional transportation commission to impose: (1) civil penalties for the unauthorized parking of a vehicle at a transportation facility; and (2) fees for the use of commission services or facilities.]~~

Existing law requires the regional transportation commission in any county whose population is 700,000 or more (currently Clark County) to establish a regional rapid transit authority. **Section 18** of this bill repeals that provision.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 277A of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. ~~*["High-capacity transit"]*~~ ***As used in sections 2 to 7, inclusive, of this act, "high-capacity transit" means a public transit system that may provide a higher level of passenger capacity by increasing, without limitation, the number of vehicles utilized by the system, the size of the vehicles, the frequency of vehicle rides, travel speed or any combination thereof, and that operates in conjunction with public transit stations. The term includes, without limitation, bus rapid transit, fixed guideway, light rail transit, commuter rail, streetcar and heavy rail.***

Sec. 2.5. ***The provisions of sections 2 to 7, inclusive, of this act apply only to a commission in a county whose population is 700,000 or more.***

Sec. 2.7. ***The provisions of sections 2 to 7, inclusive, of this act, being necessary to secure and preserve the public health, safety, convenience and welfare, shall be so interpreted and liberally construed as to:***

1. Make uniform so far as possible the laws and regulations of this State and other states and of the government of the United States having to do with the subject of transportation; and

2. Effect any other purpose and objective for which the provisions of sections 2 to 7, inclusive, of this act are intended.

Sec. 3. *A commission may:*

1. Provide grants of money to conduct research for and otherwise develop and implement transportation projects that promote innovative transportation and transit technology, including, without limitation, autonomous technology as defined in NRS 482A.025.

2. Enter into agreements in accordance with 49 U.S.C. § 5315 and any guidelines adopted pursuant thereto.

3. Operate, develop and maintain a high-capacity transit system, to the exclusion of any other publicly owned system of transportation within its area of jurisdiction.

4. Construct high-capacity transit systems in the county or a city within the county which owns a public right-of-way if the county or city within the county approves of such construction.

5. Adopt regulations regarding:

(a) Unauthorized parking of vehicles at a transportation facility within the jurisdiction of the commission, including, without limitation, the imposition of a civil penalty for a violation of such regulations; and

(b) The imposition of fees for the use of the facilities or services of the commission and the use of such fees for the construction or operation of transportation facilities.

Sec. 3.5. *1. 2. A commission may make changes to bus schedules and bus routes and relocate bus stops within the public right-of-way without executing an agreement pursuant to subsection 1.

Sec. 3.7. *1. Notwithstanding the provisions of chapter 332 of NRS or NRS 625.530, a commission may utilize a turnkey procurement process to select a person to design, build, finance, operate and maintain, or any combination thereof, a high-capacity transit system, including, without limitation, any minimum operable segment thereof. The commission shall determine whether to utilize turnkey procurement for a high-capacity transit project before the completion of the preliminary engineering phase of the project. In making that determination, the commission shall evaluate whether turnkey procurement is the most cost-effective method of*

constructing the project on schedule and in satisfaction of its transportation objectives.

2. Notwithstanding the provisions of chapter 332 of NRS, a commission may utilize a competitive negotiation procurement process to procure rolling stock for a high-capacity transit project and any other equipment that is related to the project. The award of a contract under such a process must be made to the person whose proposal is determined to be the most advantageous to the commission, based on price and other factors specified in the procurement documents.

3. If a commission develops a high-capacity transit project, the Department of Transportation is hereby designated to serve as the oversight agency to ensure compliance with the federal safety regulations for rail fixed guideway systems set forth in 49 C.F.R. Part 659.

AN ACT relating to public works; revising provisions concerning the authorization **in certain counties** of a private entity to undertake certain public works; authorizing a public body **in certain counties** to enter into a public-private partnership in connection with certain eligible facilities; providing for the financing of certain eligible facilities **[.] in certain counties;** providing for the disposition of money which is received and is to be retained by a public body pursuant to a public-private partnership **[.] in certain counties;** providing for the confidentiality of certain information submitted to a public body **[.] in certain counties;** revising provisions concerning agreements between a public body and a person concerning

certain eligible facilities ~~[.]~~ **in certain counties;** exempting property used for certain eligible facilities **in certain counties** from all real property and ad valorem taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a public body is authorized to accept a request from a person who wishes to develop, construct, improve, maintain or operate a transportation facility. If the public body determines that the facility serves a public purpose, the public body may authorize the requestor to carry out the facility or may request other persons to submit proposals to develop, construct, improve, maintain or operate the facility. (NRS 338.162, 338.163, 338.164) ~~[This]~~ **Sections 14.1, 14.2 and 14.3 of this** bill ~~[extends]~~ **extend** those provisions to also apply to certain other facilities, including certain tourism improvement projects ~~[.]~~ **in any county whose population is 700,000 or more (currently Clark County).**

This bill also provides **in such a county** for the use of a public-private partnership to plan, finance, design, construct, improve, maintain, operate or acquire the rights-of-way for an eligible facility. **Section 9** of this bill authorizes a public body to enter into such a partnership. **Section 10** of this bill establishes various alternatives in which a public body may procure a public-private partnership, including the use of solicitations, requests for proposals and negotiations. **Section 11** of this bill provides that an eligible facility may be financed in whole or in part with money from any lawful source. **Section 12** of this bill authorizes a public body to accept all such money and, with certain exceptions, to combine money from federal, state, local and private sources for the purposes of such a facility. **Section 13** of this bill requires that all money which is received and retained by a public body pursuant to a public-private partnership be: (1) deposited in the State Highway Fund; (2) accounted for separately; (3) used first to defray the obligations of the public body under the public-private partnership; and (4) except for costs of administration, used exclusively for the design, construction, operation, maintenance, financing and repair of the public highways in the county from which the money was received. **Section 13.5** of this bill prohibits the imposition of a fee for the use of certain roadways. **Section 14** of this bill provides that all information submitted to a public body in connection with a request, proposal or other submission concerning an eligible facility is confidential until a notice of intent to award the contract or agreement is issued. **Section 14** also establishes the procedures that a person who has submitted such information must follow to maintain the confidentiality of any trade secrets or confidential commercial, financial or proprietary information included in the submission. **Section 15** of this bill provides that the power of eminent domain may be exercised with respect to any property necessary for an eligible facility.

Existing law establishes the provisions that must be included in an agreement between a public body and a person with respect to the development, construction, improvement, maintenance or operation of a

transportation facility. (NRS 338.166) **Section ~~[21]~~ 14.4** of this bill imposes additional requirements applicable to such an agreement for an eligible facility **in a county whose population is 700,000 or more (currently Clark County)** and authorizes various other provisions that may be included in such an agreement. **Section ~~[21]~~ 14.4** also provides that an eligible facility that is developed, operated or held by a person pursuant to such an agreement is exempt from all state and local ad valorem and property taxes. **Sections ~~[17-20 and 22-25]~~ 14.1-14.3, 14.5, 14.6, 24 and 25** of this bill make various conforming changes.

In determining whether the eligible facility serves a public purpose, the public body shall consider whether:

(a) There is a public need for the type of eligible facility that is proposed;

(b) If the eligible facility is a transportation facility, the proposed interconnections between the transportation facility and existing transportation facilities and the plans of the person submitting the request for the operation of the transportation facility are reasonable and compatible with any statewide or regional program for the improvement of transportation and with the transportation plans of any other governmental entity in the jurisdiction of which any portion of the transportation facility will be located;

3. The public body shall furnish a copy of a request, proposal or other submission submitted pursuant to sections 10, 14.2 or 14.3 of this act to each governmental entity that has jurisdiction over an area in which any part of the eligible facility is located. Within 30 days after receipt of such a request or proposal, the governmental entity shall submit in writing to the public body, for consideration by the public body, any comments that the governmental entity has concerning the eligible facility and shall indicate whether the eligible facility is compatible with any local, regional or statewide plan or program that is applicable to the governmental entity.

(a) Criteria that address the long-term quality of the eligible facility.

(b) The date, if any, of termination of the authority and duties pursuant to sections 2 to 16, inclusive, of this act of the person whose request, proposal or other submission was approved by the public body with respect

to the eligible facility and for the dedication of the eligible facility to the public body.

(c) Provision by which the person whose request, proposal or other submission was approved by the public body expressly agrees that the person is prohibited from seeking injunctive or other equitable relief to delay, prevent or otherwise hinder the public body or any other jurisdiction from developing, constructing or maintaining any facility that was planned and that would or might impact the revenue that the person would or might derive from the facility developed under the agreement, except that the agreement may provide for reasonable compensation to the person for the adverse effect on user fee revenues resulting from the development, construction and maintenance of an unplanned revenue impacting facility.

(d) A provision requiring all plans and specifications for any eligible facility constructed, operated or maintained pursuant to sections 2 to 16, inclusive, of this act to comply with state standards and any applicable federal standards.

(e) If the eligible facility is a transportation facility, a provision requiring all user fee revenues generated from the transportation facility to be used for right-of-way acquisition, planning, design, construction, reconstruction, operation, maintenance and enforcement of transportation facilities within the same county in which the user fee revenues are generated, except to the extent such user fee revenues are otherwise pledged or allocated pursuant to the financial terms of an agreement entered into pursuant to sections 2 to 16, inclusive, of this act.

6. In any agreement between a public body and a person whose request, proposal or other submission for an eligible facility pursuant to sections 2 to 16, inclusive, of this act, was approved by the public body, the public body may also include provisions that:

(b) Specify technology to be used in the eligible facility.

(c) Establish circumstances under which the public body may receive all or a share of revenues from such charges.

(d) Govern enforcement of tolls, if applicable, including provisions for use of cameras or other mechanisms to ensure that users have paid tolls that are due and provisions that allow the person access to relevant databases for enforcement purposes.

(e) Authorize the public body to continue or cease collection of user charges, tolls, fares or similar charges after the end of the term of the agreement.

(f) Allow for payments to be made to the person, including, without limitation, availability payments or performance based payments.

(g) Allow the public body to accept payments of monies and share revenues with the person.

(i) Specify how the person and public body will share development costs.

(j) Allocate financial responsibility for cost overruns.

(k) Establish the damages to be assessed for nonperformance.

(l) Establish performance criteria or incentives, or both.

(m) Address the acquisition of rights-of-way and other property interests that may be required, including provisions that address the exercise of eminent domain as provided in section 15 of this act.

(n) Establish recordkeeping, accounting and auditing standards to be used.

(o) For an eligible facility that reverts to public ownership, address responsibility for reconstruction or renovations that are required in order for the eligible facility to meet all applicable government standards upon reversion of the facility.

(p) Provide for patrolling and law enforcement on public facilities.

(q) Identify any specifications that must be satisfied.

(s) Allow the public body to acquire real property that is needed for and related to the eligible facility, including acquisition by exchange for other real property that is owned by the public body.

(t) Allow the public body to sell or lease naming rights with regard to any eligible facility.

7. Notwithstanding any other provision of law, an eligible facility that is developed, operated or held by a person pursuant to an agreement pursuant to this section is exempt from all state and local ad valorem and property taxes that might otherwise apply.

8. In connection with the approval of an eligible facility, the public body shall establish a date for the development of or the commencement of the construction of, or improvements to, the eligible facility. The public body may extend the date from time to time.

Sec. 14.5. A public body may contract with a person whose request or proposal submitted pursuant to sections 14.2 or 14.3 of this act is approved pursuant to section 14.4 of this act for services to be provided by the eligible facility in exchange for such payments for service and other consideration as the public body may deem appropriate.

Sec. 14.6. The public body may take any action necessary to obtain federal, state or local assistance for an eligible facility that it approves and may enter into any contracts required to receive such assistance. The public body shall, by resolution, determine if it serves the public purpose

for all or a portion of the costs of the eligible facility to be paid, directly or indirectly, from the proceeds of a grant or loan made by the local, state or Federal Government or any agency or instrumentality thereof.

Sec. 15. ***This State, or any public agency so authorized under chapter 37 of NRS, may exercise the power of eminent domain to acquire property, rights-of-way or other rights in property for projects that are necessary to develop, operate or hold an eligible facility regardless of whether the property will be owned in fee simple by this State or applicable public body or whether the property will be leased according to the terms of an agreement executed pursuant to [NRS 338.166.] section 14.4 of this act.***

Sec. 16. ***If no federal money is used on an eligible facility, the laws of this State govern. Notwithstanding any other provision of [NRS 338.161 to 338.168, inclusive, and] sections 2 to 16, inclusive, of this act, if federal money is used on an eligible facility and applicable federal laws conflict with [NRS 338.161 to 338.168, inclusive, and] sections 2 to 16, inclusive, of this act, or require provisions or procedures inconsistent with those statutes, the applicable federal laws govern.***

Amendment adopted.

The following amendment was proposed by Assemblyman Carrillo:

Amendment No. 958.

AN ACT relating to public works, revising provisions concerning the authorization of a private entity to undertake certain public works; authorizing a public body to enter into a public-private partnership in connection with certain eligible facilities; providing for the financing of certain eligible facilities; providing for the disposition of money which is received and is to be retained by a public body pursuant to a public-private partnership; providing for the confidentiality of certain information submitted to a public body; revising provisions concerning agreements between a public body and a person concerning certain eligible facilities; exempting property used for certain eligible facilities from all real property and ad valorem taxes; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a public body is authorized to accept a request from a person who wishes to develop, construct, improve, maintain or operate a transportation facility. If the public body determines that the facility serves a public purpose, the public body may authorize the requestor to carry out the facility or may request other persons to submit proposals to develop, construct, improve, maintain or operate the facility. (NRS 338.162, 338.163, 338.164) This bill extends those provisions to also apply to certain other facilities, including certain tourism improvement projects.

This bill also provides for the use of a public-private partnership to plan, finance, design, construct, improve, maintain, operate or acquire the rights-of-way for an eligible facility. **Section 9** of this bill authorizes a public body to enter into such a partnership. **Section 10** of this bill establishes various alternatives in which a public body may procure a public-private partnership, including the use of solicitations, requests for proposals and negotiations. **Section 11** of this bill provides that an eligible facility may be financed in whole or in part with money from any lawful source. **Section 12** of this bill authorizes a public body to accept all such money and, with certain exceptions, to combine money from federal, state, local and private sources for the purposes of such a facility. **Section 13** of this bill requires that all money which is received and retained by a public body pursuant to a public-private partnership be: (1) deposited in the State Highway Fund; (2) accounted for separately; (3) used first to defray the obligations of the public body under the public-private partnership; and (4) except for costs of administration, used exclusively for the design, construction, operation, maintenance, financing and repair of the public highways in the county from which the money was received. **Section 13.5** of this bill prohibits the imposition of a fee for the use of certain roadways. **Section 14** of this bill provides that all information submitted to a public body in connection with a

request, proposal or other submission concerning an eligible facility is confidential until a notice of intent to award the contract or agreement is issued. **Section 14** also establishes the procedures that a person who has submitted such information must follow to maintain the confidentiality of any trade secrets or confidential commercial, financial or proprietary information included in the submission. **Section 15** of this bill provides that the power of eminent domain may be exercised with respect to any property necessary for an eligible facility.

Existing law establishes the provisions that must be included in an agreement between a public body and a person with respect to the development, construction, improvement, maintenance or operation of a transportation facility. (NRS 338.166) **Section 21** of this bill imposes additional requirements applicable to such an agreement for an eligible facility and authorizes various other provisions that may be included in such an agreement. **Section 21** also provides that an eligible facility that is developed, operated or held by a person pursuant to such an agreement is exempt from all state and local ad valorem and property taxes. **Sections 17-20 and 22-25** of this bill make various conforming changes.

The following amendment was proposed by Assemblywoman Benitez-Thompson:

Amendment No. 989.

AN ACT relating to public health; authorizing the Director of the Department of Health and Human Services to enter into success contracts; requiring the Department to publish on its Internet website certain information concerning such contracts; requiring the Department to report certain information to the Legislature; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law creates the Department of Health and Human Services and, within the Department, the Aging and Disability Services Division, the Division of Public and Behavioral Health, the Division of Welfare and Supportive Services, the Division of Child and Family Services and the Division of Healthcare Financing and Policy. The Department is responsible for administering the provisions of law relating to its divisions. (NRS 232.300) **Section 3** of this bill authorizes the Director of the Department to enter into a success contract to accomplish any purpose within the jurisdiction of the Department or any of its divisions. **Section 2** of this bill defines the term "success contract" to mean a contract with a person or local government which provides for the person or local government to: (1) provide or arrange for the provision of services; (2) finance the cost of those services by soliciting investments; and (3) receive payment upon the achievement of specified objectives. **Section 3** requires that a success contract include certain terms and prescribes other requirements relating to such contracts. **Section 3** also requires the Department to publish the rationale for entering into a success contract on the Internet website maintained by the Department. Finally, **section 3** requires the Department biennially to report to the Legislature certain information concerning success contracts. **Section 4** of this bill creates the Success Contract Account to provide payments due under the provisions of a success contract.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 232 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Sec. 2. ***As used in this section and sections 3 and 4 of this act, unless the context otherwise requires, "success contract" means a contract between the Director and a person or local government that provides for the person or local government to:***

Sec. 3. ***1. The Director may enter into a success contract with a person or local government to accomplish any purpose within the jurisdiction of the Department or any of its divisions. Each success contract must include:***

(b) An objective process by which an independent evaluator will determine whether the performance targets have been met;

(c) A description of the services to be provided under the contract and the persons who will provide those services;

(d) A schedule that prescribes the dates by which each performance target must be achieved, the date by which each payment must be made and the amount of each payment;

(e) A description of the investments that the person or local government will solicit to raise the money necessary to finance the cost of services and a provision prohibiting investors from earning a return on investment that exceeds ~~[13]~~ 10 percent per year;

(f) Procedures by which either party may terminate the contract early and a transition plan to prevent or mitigate any adverse impact resulting from early termination; and

(g) A prohibition on any investor having input concerning the manner in which services are provided pursuant to the contract after the contract becomes effective.

2. A success contract must be awarded through a competitive bidding process conducted in accordance with the provisions of chapter 333 of NRS. The Director may issue a request for proposals on his or her own volition or after receiving input from any person or entity. Each request for proposals must describe the services to be provided pursuant to the contract, the desired outcomes and the proposed duration of the contract.

3. Before entering into a success contract, the Director must:

(a) Determine that entering into the contract will improve the services provided pursuant to the contract and reduce the costs of the Department for providing the services;

(b) Determine that the success contract will not create a conflict of interest for any employee or independent contractor of the Department or any other person or entity; and

(c) Consult with any other state agency that may be affected by the contract.

4. For each success contract entered into pursuant to this section, the Department shall publish on its Internet website a report that sets forth the rationale for entering into the contract and the basis for that rationale.

5. On or before October 1 of each even numbered year, the Director shall submit to the director of the Legislative Counsel Bureau for transmission to the Legislature a report concerning each success contract in effect at any point during the 2 immediately preceding fiscal years. The report must include the outcomes of each such contract, including the estimated costs saved by the State because of the contract.

Sec. 4. ***1. The Success Contract Account is hereby created in the State General Fund. The Account must be administered by the Director.***

➥ must be credited to the Account.

3. Any money in the Account and any unexpended appropriations made to the Account from the State General Fund remaining at the end of a fiscal year do not revert to the State General Fund, and the balance in the Account must be carried forward to the next fiscal year.

4. The Department may apply for and accept gifts, grants and donations of money from any source for deposit in the Account.

5. The money in the Account must only be used to:

(a) Provide payments due pursuant to success contracts awarded in accordance with the provisions of section 3 of this act; and

OFFICE OF THE GOVERNOR

May 26, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, The Nevada Legislature, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 136 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 136 ("AB 136"), which is entitled:

> AN ACT relating to criminal procedure; revising provisions governing factors to be considered by the court in deciding whether to release a person without bail; prohibiting a court from relying on a bail schedule in setting the amount of bail after a personal appearance by a defendant; and providing other matters properly related thereto.

AB 136, while commendable in some respects, would incorporate a new and unproven method for determining whether a criminal defendant should be released from custody without posting bail. No conclusive evidence has been presented showing that the risk assessment methods proposed by AB136 are effective in determining when it may or may not be appropriate to release a criminal defendant without requiring bail. Decisions made by judges during the bail phase of a criminal prosecution are of the utmost importance. It is not clear that the provisions of AB136 will enhance the ability of Nevada's judges to make these determinations in a manner that balances the interests of justice and public safety.

For these reasons I veto AB136 and return it without my signature or approval.

Sincere regards,
BRIAN SANDOVAL
Governor

OFFICE OF THE GOVERNOR

May 28, 2017

THE HONORABLE JASON FRIERSON, SPEAKER OF THE NEVADA STATE ASSEMBLY, The Nevada Legislature, 401 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 272 of the 79th Legislative Session

DEAR SPEAKER FRIERSON:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 272 ("AB 272"), which is entitled:

> AN ACT relating to elections; authorizing each county and city clerk to establish polling places where any registered voter of the county or city, respectively, may vote in person on the day of certain elections; requiring, under certain circumstances, county and city clerks to establish polling places within the boundaries of Indian reservations and colonies; authorizing voting materials to be provided in certain languages; authorizing county and city clerks to extend the period for early voting; and providing other matters properly relating thereto.

Among other things, AB 272 authorizes county, and when applicable, city clerks to establish one or more polling places in the county where any person entitled to vote in the county by personal appearance may do so. In other words, AB 272 authorizes the creation of election-day "voting centers" in which any eligible voter may cast a ballot, regardless of where in the respective county they reside.

In 2013, I vetoed Assembly Bill 441, which also created "voting centers." I incorporate by reference the concerns expressed in that veto message, and note that there is no evidence that those concerns have been mitigated or addressed.

Nevada has "no-excuse" absentee voting, which allows any registered voter to request an absentee ballot without stating a reason for his or her desire to vote absentee. Nevada also has two weeks of early voting. Altogether, we have one of the most open and accessible election systems in the country. Moreover, given Nevada's high rate of eligible-voter participation, there is no reason to believe that voters who want to vote do not have the opportunity to do so. Simply put, the current system works well, and there is no compelling need to change it.

For these reasons, I veto Assembly Bill 272.

Sincere regards,
BRIAN SANDOVAL
Governor

OFFICE OF THE GOVERNOR

June 3, 2013

THE HONORABLE ROSS MILLER, SECRETARY OF STATE, Capitol Building, 101 South Carson Street, Carson City, NV 89701

RE: Assembly Bill 441 of the 77th Legislative Session

DEAR SECRETARY MILLER:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill 441, which is entitled:

> AN ACT relating to voting; authorizing a county or city clerk to establish polling places where any registered voter of the county or city, respectively, may vote in person; and providing other matters properly relating thereto.

Assembly Bill 441 authorizes county and, when applicable, city clerks to establish one or more polling places in the county where any person entitled to vote in the county by personal appearance may do so. The bill sets forth the procedure for county and city clerks to establish those polling places.

Under existing law, precinct-based polling sites are established based on the boundaries of election precincts or districts in which voters reside. Supporters of Assembly Bill 441 argue that voter participation will increase because polling sites that are not precinct-based are more convenient and provide voters with more flexibility because they would no longer be required to vote in their precinct on Election Day.

However, Nevada voters are afforded a great deal of flexibility and opportunity to exercise their constitutional right to vote through options such as early voting, absentee voting by mail and Election Day voting. Early voting is available to every voter, and Nevada is amongst the minority of early voting states that require permanent polling places identified for early voting to be open on at least one Saturday during the early voting period. Additionally, Nevada's procedures for absentee voting are more liberal than many states that offer absentee voting. Specifically, Nevada offers "no-excuse" absentee voting, allowing any registered voter to request an absentee ballot without stating a reason for his or her desire to vote absentee. Other states permit voters to vote absentee only under a limited set of circumstances. In addition, Nevada allows any registered voter who is unable to go to the polls because of an illness, disability or sudden hospitalization or absence after the time has elapsed for requesting an absentee ballot to submit a request for an absentee ballot at any time before 5 p.m. on the day of an election.

Finally, Assembly Bill 441 does not contain sufficient parameters to establish the location of new polling places that would ensure the integrity and non-partisan nature of the voting process. Because of these concerns, I veto this bill and return it to you without my signature and without my approval.

Sincere regards,
BRIAN SANDOVAL
Governor

AN ACT relating to public office; requiring a nongovernmental entity that sends a notice relating to voter registration to include certain information in the notice; updating citations in Nevada Revised Statutes to certain provisions of federal law; revising the deadlines for registering to vote by mail or computer for a primary, primary city, general city or general election; providing that the county and city clerks are not required to distribute sample ballots for an election to certain persons; **revising the deadlines for submitting reports of campaign contributions, expenses and expenditures;** requiring a candidate to include the ending balance in his or her campaign account on reports of campaign contributions; revising the campaign finance reporting requirements for certain candidates, persons, committees and parties relating to a special election to recall a public officer; revising the categories of campaign expenses and expenditures on campaign finance reports; setting forth the requirements to withdraw a petition for initiative or referendum; extending, under certain circumstances, the deadline for submitting for verification certain petitions for initiative; clarifying that a copy of a petition of candidacy of an independent candidate for the office of President of the United States must be filed with the Secretary of State before the petition is circulated for signatures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill requires a nongovernmental entity that sends a notice to a person indicating the person is not or may not be registered to vote or requesting the person to register to vote to indicate on the notice that it is not official elections mail from the Secretary of State or a county or city clerk.

Existing law relating to elections cites to various provisions of federal law, including the Voting Rights Act of 1965 (52 U.S.C. §§ 10101 to 10301 et seq.), the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. §§ 20301 et seq.), the Military and Overseas Voter Empowerment Act (52 U.S.C. §§ 20302 et seq.) and the Help America Vote Act (52 U.S.C. §§ 15482 et seq.). (NRS 293.208, 293.2699, 293.309, 293.4685, 293.502, 293.504, 293.505, 293C.305, 293D.050, 293D.110, 293D.200, 293D.230, 293D.300, 293D.320, 293D.410, 293D.530) **Sections 8-13, 15 and 16-23** of this bill update the citations to these federal laws.

Existing federal law requires that each state ensure that an eligible voter who submits an application to register to vote by mail be registered to vote in an election for federal office if the voter registration form is postmarked not later than 30 days before the date of the election. (52 U.S.C. § 20507) Under existing Nevada law, an application to register to vote by mail must be

postmarked or received by the county clerk not later than the fifth Saturday preceding a primary election, primary city election, general election or general city election. (NRS 293.5235, 293.560, 293C.527) **Sections 14.6 and 15.5** of this bill provide that the last day to register to vote by mail is the fourth Tuesday preceding the primary election, primary city election, general election or general city election.

Existing law provides that the last day to register to vote by computer is the third Tuesday preceding any primary or general election. (NRS 293.560, 293C.527) **Sections 14.6 and 15.5** provide, with limited exception, that the last day to register to vote by computer is the Thursday before the period for early voting begins.

Existing law requires county and city clerks to distribute sample ballots before the period for early voting begins. (NRS 293.565, 293C.530) **Sections 14.8 and 15.7** of this bill provide a limited exception to this requirement so that the clerks are not required to distribute sample ballots for an election to persons who register to vote less than 20 days before the election. **Section 8.5** of this bill makes a conforming change.

Existing law sets forth campaign finance reporting requirements for candidates and certain persons and committees that accept contributions and make expenditures related to a special election to recall a public officer. (NRS 294A.120, 294A.140, 294A.200, 294A.210) **Sections 24 ~~[~~and 25-27~~]~~ , 25, 26 and 27** of this bill set forth the reporting requirements that apply where no such special election is held because the petition for recall is not submitted for verification or is submitted for verification but is legally insufficient.

Existing law requires candidates and certain other persons, committees and political organizations to file with the Secretary of State reports disclosing certain contributions, campaign expenses and expenditures by statutorily scheduled dates during an election year and annually in nonelection years. (NRS 294A.120, 294A.125, 294A.140, 294A.150, 294A.200, 294A.210 and 294A.220) Effective January 1, 2019, sections 24.2, 25.2, 25.4, 26.5, 27.1 and 27.11 of this bill amend the deadlines for filing campaign finance reports so that during: (1) an election year, reports will be filed on a quarterly basis; and (2) nonelection years, annual reports will be filed not later than January 15th.

Existing law sets forth campaign finance reporting requirements for candidates to report campaign contributions. (NRS 294A.120, 294A.125) **Sections ~~[~~24~~]~~ 24.2 and 24.5** of this bill require **, effective January 1, 2019,** a candidate to include in his or her campaign finance reports the balance in the candidate's campaign account at the end of the reporting period.

Existing law sets forth the categories of campaign expenses and expenditures for use in reports of campaign expenses or expenditures. (NRS 294A.365) **Section 27.2** of this bill ~~[adds a category for interest, credit card fees, debit card fees or penalty fees incurred in relation to campaign expenses~~

~~or expenditures paid for by a credit card or debit card. Section 27.2 also~~] requires **, effective January 1, 2019,** that each report of campaign expenses or expenditures must itemize each transaction and identify the business or other entity from whom the purchase was made if the purchase was paid for with a credit card or debit card.

Existing law requires a copy of a petition for initiative or referendum to be placed on file with the Secretary of State before it may be circulated for signatures. (NRS 295.015) **Section 31** of this bill requires that the person who intends to circulate the petition must also submit to the Secretary of State a form that includes: (1) the person's name and signature; (2) the name of any committee for political action formed by the person to advocate the passage of the initiative or referendum; and (3) the names of persons who are authorized to withdraw the petition or submit a revised petition. **Section 30** of this bill provides that a petition may be withdrawn if one of those authorized persons submits a notice of withdrawal to the Secretary of State.

Existing law provides that if a petition for initiative proposes a statute or an amendment to a statute, the petition must be submitted for verification not later than the second Tuesday in November of an even-numbered year. (NRS 295.056) **Section 32** of this bill provides that if the second Tuesday in November of an even-numbered year is the day of the general election, that deadline is instead the next working day after the election.

Existing law requires that if a person desires to be an independent candidate for President of the United States, the person must circulate a nominating petition and obtain a certain number of signatures. Existing law also requires that a copy of that petition be filed with the Secretary of State. (NRS 298.109) **Section 34** of this bill clarifies that the copy must be filed with the Secretary of State before the petition is circulated for signatures.
