(NRS 487.560) Existing law also provides for the renewal of all such licenses and registration. (NRS 482.3163, 482.325, 482.333, 487.070, 487.430, 487.565, 487.630) **Sections 1, 4, 5, 8 and 10-12** of this bill establish a late fee of $25 for the reinstatement of such licenses and registration if the license or registration, as applicable, is allowed to expire before renewal. **Section 2** of this bill establishes certain requirements for a vehicle transporter who electronically submits the statement required for licensure regarding child support to retain the original version of such a statement for 3 years after submission. (NRS 482.31632)

Under existing law, the Department requires a person applying for initial licensure to operate as a vehicle transporter, a motor vehicle manufacturer,

distributor, dealer or rebuilder, a broker of vehicles or a salesperson of vehicles, trailers or semitrailers to submit a complete set of fingerprints for submission to the Federal Bureau of Investigation for its report. (NRS 482.3163, 482.325, 482.333, 482.362) The Department also requires a person applying for initial licensure to operate as a vehicle transporter, a motor vehicle manufacturer, distributor, dealer or rebuilder, to pay a processing fee established by the Department in regulation for the fingerprints. (NRS 482.3163, 482.325) **Sections 5 and 6** of this bill require a person applying for initial licensure to operate as a broker of vehicles or a salesperson of vehicles, trailers or semitrailers to pay a fee established by the Department by regulation for processing the fingerprints. **Section 13** of this bill makes a conforming change. (NRS 490.210) **Sections 7, 9 and 12** of this bill require a person applying for initial licensure to operate as an automobile wrecker, a salvage pool or a body shop to submit a complete set of fingerprints for submission to the Federal Bureau of Investigation for its report and to pay a fee established by the Department by regulation for processing the fingerprints. (NRS 487.050, 487.410, 487.630)

Under existing law, an application for a license as a salesperson of vehicles, trailers or semitrailers may be denied, or such a license may be suspended or revoked, if the applicant or licensee has been convicted of: (1) a felony; (2) a gross misdemeanor; or (3) a misdemeanor for a violation of the provisions of existing law relating to those salespersons. (NRS 482.362) Section 6 amends existing law by providing that those convictions are only relevant to the applicant if they occurred: (1) for a class C, D or E felony or a gross misdemeanor, within the immediately preceding 10 years; and (2) for a misdemeanor for a violation of the provisions of existing law relating to such salespersons, within the immediately preceding 20 years.

Existing law requires a seller or long-term lessor of a vehicle to attach to a vehicle he or she has sold or leases a temporary placard which authorizes the operation of such a vehicle on the highways of this State for a period not to exceed 30 days. (NRS 482.423-482.4245) The temporary placard must be removed when the vehicle is registered and license plates are affixed. Existing law requires the Department to collect a fee for each such temporary placard issued to a seller or long-term lessor of vehicles. (NRS 482.4247) **Section 14** of this bill repeals the requirement for the collection of such a fee. **Section 3** of this bill makes a conforming change. (NRS 482.31776)

This bill also requires a sheriff to deny an application for a permit or revoke an existing permit if the sheriff determines that the applicant or permittee has been discharged or released from service in the Armed Forces of the United States, a reserve component thereof or the National Guard under conditions other than honorable conditions and is less than 21 years of age.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.3657 is hereby amended to read as follows:

2. A person applying for a permit may submit one application and obtain one permit to carry all handguns owned by the person. The person must not be required to list and identify on the application each handgun owned by the person. A permit

A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.

(k) Has been discharged or released from service in the Armed Forces of the United States, a reserve component thereof or the National Guard under conditions other than honorable conditions and is less than 21 years of age.

5. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 4 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.

6. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. Assembly Bill No. 127.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 151.

AN ACT relating to education; requiring school districts in certain counties to appoint an emergency manager; requiring boards of trustees of school districts and governing bodies of charter schools to consult with certain persons and entities before constructing, expanding or remodeling buildings for schools or related facilities or acquiring sites for those purposes; requiring the Department of Education to conduct an annual conference regarding safety in public schools; requiring the Department, to the extent that money is available, to make block grants to provide certain mental health workers in public schools; revising provisions governing the development and contents of a plan to respond to a crisis or an emergency in a school; revising provisions governing emergency drills in schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for crisis and emergency response in public schools. (NRS 388.229-388.261) **Section 4** of this bill requires each school district in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to designate an employee to serve as an emergency manager, whose duties are defined in that section. **Section 5** of this bill requires the board of trustees of each school district and the governing body of each charter school to consult with the emergency manager, the chief of school police or his or her designee, or the Division of Emergency Management of the Department of Public Safety, as applicable, before: (1) designing, constructing or purchasing new school buildings or related facilities; (2) enlarging, remodeling or renovating existing school buildings or related facilities; or (3) acquiring sites for building schools or related facilities.

Section 6 of this bill requires the Department of Education to coordinate with the Division of Emergency Management, any emergency manager, any chief of police of a school district that has police officers and any school resource officer to conduct an annual conference regarding safety in public schools. **Section 6** additionally requires the board of trustees of each school district and the governing body of each charter school to designate certain persons to attend this conference.

Section 7 of this bill requires the Department of Education, to the extent that money is available for the purpose, to: (1) develop and carry into effect a program of block grants; and (2) make and administer block grants to school districts and charter schools to ~~[provide for]~~ **employ or** contract **with** social workers and other mental health workers in schools with identified needs.

Existing law requires the Department of Education to develop a model plan for the management of a crisis or emergency in a public school, including a charter school, and a private school. Among other requirements, the model plan must include a procedure for carrying out a lockdown at a school. (NRS 388.253) **Section 2** of this bill defines "lockdown" for these purposes. Existing law also requires the board of trustees of a school district and the governing body of a charter school to establish a development committee to develop a plan to be used by each public school of the school district or the charter school, as applicable, in responding to a crisis or an emergency and requires the development committee to consult with certain persons and entities when developing the plan. (NRS 388.241, 388.243) **Section 9** of this bill requires each development committee, when developing the plan, to also consult with an emergency manager, a school resource officer or the chief of school police of the school district, if such a person exists in the school district.

Existing law requires each school district, each charter school and each private school to provide drills for pupils at least once each month during the school year to instruct those pupils in the procedures to be followed in the event of a fire or other emergency. (NRS 392.450, 394.170) **Sections 13 and 14** of this bill require at least one-half of these drills to include instruction in

appropriate procedures to be followed in the event of a lockdown, as defined in **section 2** of this bill. ~~[Section]~~ **Sections 13 and 14** also ~~[revises]~~ **revise** provisions governing the emergency drills conducted at a ~~[public]~~ school located in a city or town to require the drills to be ~~[conducted under the supervision of]~~ **approved by** the chief of the fire department of the city or town or voluntary fire department, as applicable. Finally, **section 13** requires: (1) any public school located in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties) to conduct the drills under the supervision of the person designated for that purpose by the board of trustees of the school district or the governing body of the charter school, as applicable; and (2) a public school located in a county whose population is 100,000 or more (currently Clark and Washoe Counties) to conduct such drills under the supervision of the emergency manager.

WHEREAS, The Legislature recognizes that it is of utmost importance that the public schools in this State are built and maintained in a manner which provides the greatest protection for pupils and staff against harm; and

WHEREAS, Each school must be built and maintained to meet or exceed recommended safety standards and be designed to anticipate and protect against modern threats; and

WHEREAS, Academic achievement of pupils is adversely affected when the pupils do not feel safe from harm; and

WHEREAS, Acts of violence which occur at schools have devastating effects on pupils which may include depression, fear and inappropriate behavior; and

WHEREAS, Efforts must be taken to mitigate acts of violence at schools; and

WHEREAS, Social workers and other licensed mental health workers who are employed by schools help ensure the safety of pupils, prevent violent and other inappropriate actions by pupils and address the overall well-being of pupils by assessing the needs of pupils and providing pupils with necessary mental health services, counseling and other assistance; and

WHEREAS, The Legislature hereby finds and declares that it is optimal to have a ratio of at least 1 social worker or licensed health worker per 250 pupils; and

WHEREAS, Each school district must ensure that administrators, teachers and other staff are properly trained regarding the appropriate response to a crisis and crisis management, prevention of violence and emergency response planning so that all schools are prepared to respond appropriately to a crisis or emergency and to quickly mitigate any effects of such a crisis or emergency; now, therefore,

MESSAGE TO THE LEGISLATURE OF NEVADA SEVENTY-NINTH SESSION, 2017

Friends, it is great to be home.

Thank you, Governor Sandoval, for being here and for your leadership. I know this is your final legislative session, and I would be remiss if I did not thank you for your service to the state of Nevada and to the rest of our country. It has always been a pleasure working with you, and I look forward to continuing the rest of the year and a half working with you to make Nevada better. Thank you, Mr. Governor.

Thank you Senate President pro Tem Denis, constitutional officers, Speaker Frierson, Majority Leaders Benitez-Thompson and Ford, Minority Leaders Roberson and Anderson, and members of the Senate and Assembly, and the entire LCB [Legislative Counsel Bureau] staff, thank you so much. And to all the freshmen, congratulations.

As I look around this Chamber, I see friends, I see former colleagues, and I see many great Nevadans. But I also see the diversity of America—people of all colors, ages, gender, sexual orientation, political ideology, and from all walks of life. I am proud of Nevada for having one of the most diverse—if not the most diverse—legislatures in the entire country. Leadership in both houses are people of color. The first African-American Speaker of the Nevada Assembly, Jason Frierson, we are proud of you. Forty percent of the members of the Legislature are women. All this in a state with a Latino Governor, a Latina U.S. Senator, two Congresswomen, and myself in the House of Representatives. It is this diversity that makes Nevada and America strong. I ask you to join me in continuing to celebrate and preserve such diversity.

It feels like just yesterday that I was sitting right here in this Chamber, right there where my friend Assemblywoman Woodbury is sitting, as a freshman member of the Nevada Legislature almost ten years ago. I remember having Senator Atkinson look at me every day and say Hey freshman, get to work. I had Assemblyman Carpenter to the left of me talking to me about his Suzi-Q boat and about rural Nevada. I had the opportunity, in my time here, to serve with and learn from several true Nevada statesmen and women, people who never hesitated to put their state before their party, including the legendary Senator Bill Raggio, who taught us all a thing or two about compromise, negotiating, and how to master the rules to pass legislation; Speaker Barbara Buckley, whom I had the honor to vote for as the first female Speaker in our state's history; Assemblyman Bernie Anderson, who taught me to never lose my integrity and credibility, because sometimes that is all we have, and he took me to the Woodshed a few times; Assemblyman John Carpenter, a champion for rural Nevada and the person responsible for my induction into the Assembly's Cowboy Hall of Fame; and many others. I also made lifelong friends, many of you who are here today, including my brother from another mother and former roommate Senator Mo Denis, whom I had the honor to cofound the Nevada Hispanic Legislative Caucus with.

As many of you know, I am the proud son of a housekeeper and a former farmworker. My family came to America when I was eight years old. We came here in pursuit of the American Dream. We came to this country because we knew that in America, if you worked hard, sacrificed, and played by the rules, you could become anything and achieve anything you want. Today, that eight-year-old kid who came here with no money, with no connections, no friends, no job, is a member of the United States House of Representatives. That is the American Dream. Growing up in a working-class neighborhood in North Las Vegas, I never imagined serving in this body, in the State Legislature, let alone stand here as a United States Congressman. It is truly the greatest honor of my life to serve the people of Nevada.

After three months in Congress, I have a much greater appreciation of the time that I spent here in the Legislature, not just because I miss the wings or bread pudding at Firkin & Fox or karaoke nights at Jimmy G's with Senator Ford—and if you all have not seen him sing, you all have to see him sing—but because we got things done here in the Legislature.

Rarely a day goes by where I do not tell folks in Washington about the work done here in Carson; Washington could take some lessons from you all. The idea of Democrats and Republicans coming together to make as large an investment in education as we did last session is foreign in Washington, D.C. But here, we came together to do what is best for Nevada's children. We put our parties aside and put our children first.

I often talk about working with my friend Senator Kieckhefer to pass the first ever need-based grants for Nevada's college students. I am proud to see that this program has been a big success and that the Governor has requested more funding to grow the program, because making college more affordable is critical to the future of our state. We all know that we will not have a diversified economy without a well-trained and well-educated workforce.

The steps this body has taken to diversify our state's economy should serve as a model for the country. Working together, you all are paving the way forward for Nevada. I am excited in my new role in Congress to share our state's success with the rest of the nation.

Before I was elected, I promised that I would be available and accessible to all of my constituents, urban, rural, suburban. I kept that promise, setting off on a district-wide tour and listening to Nevada residents from Las Vegas to Yerington and Pahrump to Mesquite. Next week, I will embark on the second part of that district tour and visit Ely, Caliente, and other eastern Nevada cities. Giving constituents in the 4th Congressional District a voice and protecting their rights is my number one priority in Congress.

Since arriving in Congress, I have been committed to working on solutions to the challenges that our nation and the District are facing. As you can imagine, Washington, D.C. is an interesting place to be right now.

Last month, when the American Health Care Act was introduced in Congress, I fought to protect health care for millions of Americans. The Affordable Care Act [ACA] may not be perfect, but we should not cast aside all the progress we have made these last eight years just to score political points. The American people are tired of political brinkmanship; they are tired of hyperpartisanship. What we need to do is look for ways to improve access and get health care while bringing down the rising costs of premiums. That is how you tackle this issue.

I thank Governor Sandoval, once again, for being a strong voice for protecting the expansion of Medicaid, which is so critical here in Nevada, to ensure low-income families and rural Nevadans have access to health care. Right here in Nevada, the uninsured rate went down from 22 percent to 12 percent since the ACA implementation. I introduced an amendment aimed at protecting funding for vulnerable Nevadans, particularly low-income children, who rely on Medicaid for critical health care needs. My amendment would have prevented cuts for providers like pediatricians that help keep our kids healthy.

My work in Washington has not only focused on protecting our most vulnerable, but also working to pay back what we owe our veterans for the countless contributions they made to our country. They have made tremendous sacrifices so that we can enjoy the safety and tranquility here at home. Working to ensure our military and veteran families have the support they need must be a top priority for Congress.

That is why earlier this year I introduced my first bill, the STEP [Service, Training, Education, and Preparation] for Veterans Act, which would help community colleges train veterans to fill desperately needed jobs in our local economy. Community colleges should have the tools they need to best serve those who risked their lives for our country. I cannot think of a better prepared group of people to help us fill the jobs of the future than our own veterans.

I am also fighting to keep the Ely Community Clinic for veterans in my district open. It is a shame that our veterans fought for our country and now have to fight to keep their clinic open. Veterans should not be forced to travel hundreds of miles to get the care they rely on and deserve. We should not be putting our veterans' health care at risk just to save a few bucks. Our American heroes deserve better.

I am proud of the work I have done alongside my colleagues in the Nevada Delegation to protect our beautiful public lands for future generations. Protecting monuments such as Gold Butte can create jobs, increase property values, and improve quality of life for local residents. Federal and state governments should work together to protect this for the benefit of Nevadans and tourists alike.

The Nevada Delegation was also united in sponsoring the Nuclear Waste Informed Consent Act earlier this year, demanding that states be consulted before nuclear waste repositories can be built by the federal government anywhere in the country. Let me be clear: I will fight every single day tirelessly, with all the energy I have, to ensure this Administration cannot and will not revive Yucca Mountain as storage for the country's nuclear waste. Nevada is not a waste dump.

I came to Congress to get things done and to continue fighting to defend Social Security and Medicare. We want to strengthen our economy and get Nevadans back to work, continue the fight to make higher education more affordable and accessible, and to fight for comprehensive immigration reform. We should not be building walls; we should be building bridges, roads, and schools. I look forward to working with both Democrats and Republicans on a bill that will invest in our infrastructure and put people back to work.

While I am here, I want to voice my support for a few of the bills you all are working on. First of all, congratulations to my friend and now my state Senator, Pat Spearman, who has been fighting tirelessly for this for years, on the ratification of the Equal Rights Amendment. This is

an important step forward for Nevada in the fight for women's rights. This is not a victory for Senator Spearman or the Democrats; this is a victory for every girl and every woman in Nevada and our country. Thank you, Senator Spearman, for your leadership.

I will continue to fight efforts to cut Medicaid funding, but I urge you to push forward and expand the program that helps 600,000 Nevadans obtain the health care they need.

I support proposals ensuring paid sick leave to give economic security for families as they deal with illness and health care problems. No one—and I mean no one—should have to choose between a paycheck and their health.

I support legislation that will make it easier for small businesses to gain access to capital to grow and expand. Small businesses are the backbone of our economy, and we must continue to do everything possible to make it easier for people to start and expand their business.

I urge you to continue growing Nevada's green energy economy and create thousands of good paying jobs by passing several of the renewable energy bills being proposed this session. With so much land, wind, and sun, Nevada can be the leader in the world in clean and renewable energy. This will help with our state's economic diversification efforts as well.

On education, I strongly urge you not to send desperately needed public money to private schools. Vouchers are bad policy, and our children deserve the best. Let us keep public money in our public schools. Let us instead invest in programs that have produced positive results for all our children, such as full-day kindergarten, ZOOM schools, Victory schools, and expand teacher training and STEM education.

Finally, I strongly support your efforts to pass a living wage in the state of Nevada. Our workers deserve a pay raise and an opportunity to provide for their families. We live in the greatest, most powerful, and richest country on the planet; no one who works full-time should live in poverty in America. America is better than that.

As you all continue your public service and taking care of our state's legislative matters, I want to give you a word of advice that somebody once gave me: Remember that being in elected office is not about you; it is about the people who elected you to represent them. Remember that public service is always about the people, because at the end of the day, we are not Democrats or Republicans; we are not liberals or conservatives. We are Nevadans and Americans first.

Thank you everybody. God bless you and good luck with the rest of the session. Thank you so much.

The impact of thoughts and words:

O Lord, You have searched us and known us. You know when we sit down and when we rise up; You understand our thoughts from afar. You comprehend our path and our lying down and are acquainted with all our ways. For there is not a word on our tongues, O Lord, that You do not know. You have hedged us behind and before, and laid Your hand upon us. Such knowledge is too wonderful for us; it is too high, we cannot attain it. Where can we go from Your Spirit? Or where can we flee from Your presence?

SECOND READING AND AMENDMENT

Assembly Bill No. 8.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 165.

AN ACT relating to municipal utilities; expanding the utility services for which delinquent charges may be collected with the general taxes of the county; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the governing body of a city which provides sewerage may have delinquent charges for sewerage collected with the county's general taxes. (NRS 268.043) **Section 1** of this bill expands this authority and provides that a governing body providing ~~[any utility service]~~ **sewerage, storm drainage or water service, or any combination of those services,** may collect delinquent charges in such a manner. **Sections 2 and 3** of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 268.043 is hereby amended to read as follows:

268.043 1. The governing body of a city which provides ~~[~~sewerage~~]~~ ***utility*** ~~***[service]***~~ ***services*** may elect by ordinance to have delinquent charges for ~~[~~sewerage~~]~~ ***any or all of those utility services*** collected on the tax roll in the same manner, by the same persons, and at the same time as, together with

and not separately from, the county's general taxes. The governing body shall cause a description of each parcel of real property with respect to which the charge is delinquent on May 1 and the amount of the delinquent charge to be prepared and filed with the board of county commissioners no later than June 1. The description of each parcel and the amount of the delinquent charge must be filed in a form approved by the county treasurer.

2. The powers authorized by this section are alternative to all other powers of the city for the collection of such charges.

3. The real property may be described by reference to maps prepared by and on file in the office of the county assessor or by descriptions used by the county assessor.

4. The amount of the charge constitutes a lien against the lot or parcel of land against which the charge has been imposed as of the time when the lien of taxes on the roll attach.

5. The county treasurer shall include the amount of the charges on bills for taxes levied against the respective lots and parcels of land. Thereafter, the amount of the charges must be collected at the same time and in the same manner and by the same persons as, together with and not separately from, the general taxes for the county.

6. All laws applicable to the levy, collection and enforcement of general taxes of the county, including, but not limited to, those pertaining to the matters of delinquency, correction, cancellation, refund, redemption and sale, are applicable to delinquent charges for ~~[~~sewerage.~~]~~ ***utility services.***

7. The county treasurer may issue separate bills for those charges and separate receipts for collection on account of those charges.

8. The governing body shall pay to the county treasurer, on the date it files the information described in subsection 1, 4 percent of the amount of the delinquent charges for ~~[~~sewerage~~]~~ ***the utility services*** to be collected on the tax roll or the amount estimated by the county treasurer which is necessary to collect and distribute those delinquent charges, whichever is greater. If the amount paid by the governing body to the county treasurer exceeds the actual amount which is necessary to collect and distribute the delinquent charges, the county treasurer shall refund the excess amount to the governing body within 1 year after the date the governing body files the information described in subsection 1.

9. As used in this section, "utility services" means sewerage, storm drainage or water service, or any combination of those services.

Sec. 2. NRS 268.4112 is hereby amended to read as follows:

268.4112 1. In a county whose population is 700,000 or more, the governing body of a city that owns a municipal water system may, if requested by a water authority, impose an excise tax on the use of water in an amount sufficient to ensure the payment, wholly or in part, of obligations incurred by the water authority to acquire, establish, construct, improve or equip, or any combination thereof, a water facility. The tax must be imposed by ordinance on customers of the municipal water system that are capable of

using or benefiting from the water facility financed, wholly or in part, with the proceeds of the tax.

2. An excise tax imposed pursuant to subsection 1 must be levied at different rates for different classes of customers and must take into account differences in the amount of water used or estimated to be used and the size of the connection.

3. The ordinance imposing the tax must provide:

(a) The rate or rates of the tax, which must not exceed one-quarter of 1 percent of the monthly water bill of customers of all residential classes and 5 percent of the monthly water bill of customers of all commercial classes and any other class;

(b) The procedure for collection of the tax;

(c) The duration of the tax; and

(d) The rate of interest that will be charged on late payments.

4. Late payments of the tax must bear interest at a rate not exceeding 1 percent per month, or fraction thereof. The tax due is a perpetual lien against the property served by the water on whose use the tax is imposed until the tax and any interest that may accrue thereon are paid. Collection of the tax may be enforced in any manner authorized by law for the collection of unpaid water bills. In addition to all other methods available to enforce payment of the tax, the city, by ordinance, may provide that it will be collected in the same manner as delinquent ~~[~~taxes~~]~~ ***charges*** are collected pursuant to NRS 268.043 for ~~[~~sewerage~~]~~ ***utility services*** charges.

5. Subject to the provisions of this subsection, the governing body of the city may reduce the amount of the tax imposed pursuant to this section as the obligations of the city and the water authority allow. No ordinance imposing a tax which is enacted pursuant to this section may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds or other obligations which are payable from or secured by a pledge of a tax enacted pursuant to this section until those bonds or other obligations have been discharged in full.

6. The governing body of the city shall review the necessity for the continued imposition of the tax authorized pursuant to this section at least once every 10 years.

7. As used in this section:

(a) ***"Utility services" has the meaning ascribed to it in NRS 268.043.***

(b) "Water authority" means a water authority organized as a public agency or entity created by cooperative agreement pursuant to chapter 277 of NRS whose members at the time of formation include the three largest retail water purveyors in the county and which is responsible for the acquisition, treatment and delivery of water and water resources on a wholesale basis to utilities, governmental agencies and entities and other large customers.

~~[(b)]~~ ***(c)*** "Water facility" means a facility pertaining to a water system for the collection, transportation, treatment, purification and distribution of water, including, without limitation, springs, wells, ponds, lakes, water

rights, other raw water sources, basin cribs, dams, spillways, retarding basins, detention basins, reservoirs, towers and other storage facilities, pumping plants, infiltration galleries, filtration plants, purification systems, other water treatment facilities, waterworks plants, pumping stations, gauging stations, ventilating facilities, stream gauges, rain gauges, valves, standpipes, connections, hydrants, conduits, flumes, sluices, canals, channels, ditches, pipes, lines, laterals, service pipes, force mains, submains, siphons, other water transmission and distribution mains, engines, boilers, pumps, meters, apparatus, tools, equipment, fixtures, structures, buildings and other facilities for the acquisition, transportation, treatment, purification and distribution of untreated water or potable water for domestic, commercial and industrial use and irrigation, or any combination thereof.

Sec. 3. Section 28 of the Las Vegas Valley Water District Act, being chapter 506, Statutes of Nevada 1997, at page 2404, is hereby amended to read as follows:

Sec. 28. 1. At the request of the Southern Nevada Water Authority, to pay all or any part of the cost to acquire, establish, construct, improve or equip, or any combination thereof, one or more water facilities, the Board of Directors of the District may impose an excise tax on the use of water in an amount sufficient to ensure the payment, wholly or in part, of obligations incurred by the Southern Nevada Water Authority. The tax must be imposed as a rate or charge pursuant to the procedures for adopting a schedule of rates and charges set forth in section 9.2 on customers of the water system of the District that are capable of using or benefiting from the water facilities financed, wholly or in part, with the proceeds of the tax.

2. An excise tax imposed pursuant to subsection 1 must be levied at different rates for different classes of customers and must take into account differences in the amount of water used or estimated to be used and the size of the connection.

3. The schedule imposing the rate or charge must provide:

(a) The amount of the rate or charge, which must not exceed one-quarter of 1 percent of the monthly water bill of customers of all residential classes and 5 percent of the monthly water bill of customers of all commercial classes and any other class;

(b) The procedure for collection of the rate or charge;

(c) The duration of the rate or charge; and

(d) The rate of interest that will be charged on late payments.

4. Late payments of the tax must bear interest at a rate not exceeding 1 percent per month, or fraction thereof. Under existing law, a board of county commissioners is authorized to request the Department of Taxation to audit the financial records of a special district that is granted a conditional or other exemption from the requirement of providing for an annual audit. (NRS 354.475) This bill increases from $200,000 to ~~[$265,000]~~ **$300,000** the limit on the amount of annual total expenditures for a special district to be eligible to file a petition for such a conditional or other exemption from the requirements of the Act.

AN ACT relating to domestic violence; authorizing a court to ~~[grant an extension of time for certain orders; providing for service by publication under certain circumstances; authorizing the court to grant extended orders for protection under certain circumstances;]~~ **set a second or third hearing on an extended order for protection under certain circumstances; requiring the service of certain documents related to an application for an extended order of protection; extending the time that a temporary order for protection remains in effect under certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to issue a temporary or extended order for protection against domestic violence. Further, a court is authorized to grant an extended order after notice to the adverse party and a hearing on the application for the extended order. The hearing must be held within 45 days after the date on which the application for the extended order is filed. (NRS 33.020) **Section 1** of this bill authorizes the court ~~[, if the adverse party fails to appear at a hearing on the application for the extended order,]~~ to ~~[: (1) grant an extension of time and]~~ set a date for a ~~[new]~~ **second** hearing ~~[; (2) order service by publication in the same manner as the Nevada Civil Rules of Procedure; and (3) grant the extended order on the date of the new hearing.]~~ **within 90 days after the date on which the first hearing was scheduled if the adverse party fails to appear at the first hearing and: (1) after due diligence, the adverse party has not been served with certain documents; or (2) the adverse party conceals himself or herself to avoid such service. Section 1 also authorizes the court to set a date for a third hearing, under similar circumstances, within 90 days after the date on which the second hearing was scheduled.**

Existing law requires the court to order the appropriate law enforcement agency to serve the adverse party personally with a temporary order. An application for an extended order and the notice of hearing must be served upon the adverse party pursuant to the Nevada Rules of Civil Procedure or at the party's current place of employment. Existing law provides that, if an application for an extended order is filed within the period of a temporary order or at the same time that an application for a temporary order is filed, the temporary order remains in effect until the hearing on the extended order is held. (NRS 33.080) If the court sets a ~~[new]~~

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 22.

AN ACT relating to the state personnel system; revising provisions governing the temporary limited appointment of persons with disabilities by state agencies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law encourages and authorizes agencies of the Executive Department **of the State Government** and counties and cities to make temporary limited appointments of certified persons with disabilities to positions in government service for a period not to exceed 700 hours even though the positions being filled are continuing positions. This provision of existing law is commonly referred to as the "700-hour program." Under existing law, if a person appointed pursuant to the program is subsequently appointed to a permanent position during or after the 700-hour period, the 700 hours or the portion of the 700 hours completed counts toward the employee's probationary period. (NRS 245.185, 268.4065, 284.327) With limited exceptions, this bill requires rather than authorizes appointing authorities **for positions in the state service** to make such temporary limited appointments. This bill further requires each **such** appointing authority to ensure that at least one person on the staff of the appointing authority satisfies certain training requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 284.327 is hereby amended to read as follows:

284.327 1. ~~[To]~~ ***Except as otherwise provided in subsection ~~[2,]~~ 4, if an appointing authority has a position available and the position is not required to be filled in another manner pursuant to this chapter, to*** assist persons with disabilities certified by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation, ***the*** appointing ~~[authorities are encouraged and authorized to]~~ ***authority shall, if possible,*** make ***a*** temporary limited ~~[appointments]~~ ***appointment*** of ***a*** certified

2. A person with a disability who is certified by the Rehabilitation Division must be placed on the appropriate list for which the person is eligible. Each such person must ~~[~~possess~~]~~ ***:***

(a) Possess the training and ~~[~~experience~~]~~ ***skills*** necessary for the position for which the person is certified ~~[.]~~ ***; and***

(b) Be able to perform, with or without accommodation, the essential functions of that position.

3. The Rehabilitation Division must be notified of an appointing authority's request for a list of eligibility on which the names of one or more certified persons with disabilities appear. A temporary limited appointment of a certified person with a disability pursuant to this section constitutes the person's examination as required by NRS 284.215.

~~[~~2.~~]~~ ***4.*** ***An appointing authority shall not make a temporary limited appointment of a certified person with a disability pursuant to this section:***

(a) If the certified person with a disability currently receives benefits from the agency of the Executive Department of the State Government in which the position exists; or

(b) In any other circumstances that the appointing authority determines would create an actual or potential conflict of interest between the certified person with the disability and the agency of the Executive Department of the State Government in which the position exists.

~~[~~3.~~]~~ ***5.*** ***Each appointing authority shall ensure that there is at least one person on the staff of the appointing authority who has training concerning:***

(a) Making a temporary limited appointment of a certified person with a disability pursuant to this section; and

(b) The unique challenges a person with a disability faces in the workplace.

~~[~~4.~~]~~ ***6.*** The Commission shall adopt regulations to carry out the provisions of ~~[~~subsection 1.

~~3.~~ ~~5.]~~ ***subsections 1 and 2.***

7. This section does not deter or prevent appointing authorities from employing:

(a) A person with a disability if the person is available and eligible for permanent employment.

(b) A person with a disability who is employed pursuant to the provisions of subsection 1 in permanent employment if the person qualifies for permanent employment before the termination of the person's temporary limited appointment.

~~[~~4. ~~6.]~~ ***8.*** If a person appointed pursuant to this section is subsequently appointed to a permanent position during or after the 700-hour period, the

700 hours or portion thereof counts toward the employee's probationary period.

Sec. 2. This act becomes effective upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act, and on January 1, 2018, for all other purposes.

Section 1. NRS 122.040 is hereby amended to read as follows:

122.040 1. Except as otherwise provided in NRS 122.0615, before persons may be joined in marriage, a license must be obtained for that purpose from the county clerk of any county in the State. Except as otherwise provided in this

subsection, the license must be issued at the county seat of that county. The board of county commissioners:

(a) In a county whose population is 700,000 or more may, at the request of the county clerk, designate not more than five branch offices of the county clerk at which marriage licenses may be issued, if the designated branch offices are located outside of the county seat.

(b) In a county whose population is less than 700,000 may, at the request of the county clerk, designate one branch office of the county clerk at which marriage licenses may be issued, if the designated branch office is established in a county office building which is located outside of the county seat.

7. If the authorization of a district court is required, the county clerk shall issue the license if that authorization is given to the county clerk in writing.

8. ***At the time of issuance of the license, an applicant or both applicants may elect to change the middle name or last name, or both, by which an applicant wishes to be known after solemnization of the marriage. AN ACT relating to marriage; requiring a marriage license and a certificate of marriage to include the name to be used by each spouse after the marriage; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law prescribes the form of a marriage license and a certificate of marriage. (NRS 122.050, 122.120) This bill requires each marriage license and certificate of marriage to contain the names selected for use by each spouse after the marriage. Under this bill, a person is not authorized to select a new first name for use after the marriage but is authorized to select a new middle name and new last name for use after the marriage.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 122.040 is hereby amended to read as follows:

122.040 1. Except as otherwise provided in NRS 122.0615, before persons may be joined in marriage, a license must be obtained for that purpose from the county clerk of any county in the State. Except as otherwise provided in this subsection, the license must be issued at the county seat of that county. The board of county commissioners:

(a) In a county whose population is 700,000 or more may, at the request of the county clerk, designate not more than five branch offices of the county clerk at

which marriage licenses may be issued, if the designated branch offices are located outside of the county seat.

(b) In a county whose population is less than 700,000 may, at the request of the county clerk, designate one branch office of the county clerk at which marriage licenses may be issued, if the designated branch office is established in a county office building which is located outside of the county seat.

2. Except as otherwise provided in this section, before issuing a marriage license, the county clerk shall require each applicant to provide proof of the applicant's name and age. The county clerk may accept as proof of the applicant's name and age an original or certified copy of any of the following:

If the applicant is referred to the district court, the district court may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk. If the district court waives the requirements of subsection 3, the district court shall notify the county clerk in writing. If the county clerk or the district court waives the requirements of subsection 3, the county clerk shall require the applicant who is able to appear before the county clerk to:

Assembly Bill No. 205.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 73.

AN ACT relating to cremation; authorizing the use of alkaline hydrolysis for cremation; ~~[exempting a crematory that uses only alkaline hydrolysis from certain limitations on the location of a crematory;]~~ **requiring notice be provided to certain governmental entities relating to a crematory which intends to use alkaline hydrolysis for cremation; revising provisions relating to the location of a crematory;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law regulates the cremation of human remains and the operation of facilities for cremation. (NRS 451.600-451.715, chapter 642 of NRS) For the purposes of those provisions, **sections 3 and 10** of this bill expand the current definition of cremation to include "alkaline hydrolysis," which is a water-based process for reducing human remains to bone fragments through

the use of alkaline chemicals and agitation. A result of this change is to make certain fee and penalty provisions applicable to this type of cremation. **Section 3.5 of this bill requires a crematory to provide written notice of its intent to use alkaline hydrolysis to the Division of Environment Protection of the Department of Conservation and Natural Resources and any local public utility which operates a sewer system in order to ensure compliance with certain laws relating to the pollution of water.**

In certain cities and towns, existing law limits the location of a crematory to an area that is zoned for mixed, commercial or industrial use and at least 1,500 feet from any parcel zoned for residential use. (NRS 451.635) ~~[Section]~~ **Sections 5 and 6.5** of this bill ~~[exempts from those limitations a crematory that uses only alkaline hydrolysis.]~~ **require a crematory to comply with these zoning restrictions or obtain authorization from the board of county commissioners or the governing body of the city or town, as applicable, for an exemption.** **Sections 7 and 8** of this bill make conforming changes to account for differences between cremation by incineration and cremation by alkaline hydrolysis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 451 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 **,** ~~[and]~~ 3 **and 3.5** of this act.

Sec. 2. ***"Alkaline hydrolysis" means the:***

1. Reduction of human remains to bone fragments through a water-based process of dissolution using alkaline chemicals and agitation to accelerate natural decomposition; and

2. Processing of the hydrolyzed human remains after their removal from the container in which the process of dissolution occurs.

Sec. 3. ***"Cremation" means the technical process that reduces human remains to bone fragments by using alkaline hydrolysis or incineration.***

Sec. 3.5. 1. After obtaining a license pursuant to NRS 451.635 and at least 90 days before the operator of a crematory purchases equipment for alkaline hydrolysis for cremation, the operator must provide to the Division of Environmental Protection of the Department of Conservation and Natural Resources and any public utility which operates a sanitary sewer in the area in which the crematory is located written notice containing:

118A.510 1. Except as otherwise provided in subsection 3, the landlord may not, in retaliation, terminate a tenancy, refuse to renew a tenancy, increase rent or decrease essential items or services required by the rental agreement or this chapter, or bring or threaten to bring an action for possession if:

(a) The tenant has complained in good faith of a violation of a building, housing or health code applicable to the premises and affecting health or safety to a governmental agency charged with the responsibility for the enforcement of that code;

(b) The tenant has complained in good faith to the landlord or a law enforcement agency of a violation of this chapter or of a specific statute that imposes a criminal penalty;

(c) The tenant has organized or become a member of a tenant's union or similar organization;

(d) A citation has been issued resulting from a complaint described in paragraph (a);

(e) The tenant has instituted or defended against a judicial or administrative proceeding or arbitration in which the tenant raised an issue of compliance with the requirements of this chapter respecting the habitability of dwelling units;

(f) The tenant has failed or refused to give written consent to a regulation adopted by the landlord, after the tenant enters into the rental agreement, which requires the landlord to wait until the appropriate time has elapsed before it is enforceable against the tenant;

(g) The tenant has complained in good faith to the landlord, a government agency, an attorney, a fair housing agency or any other appropriate body of a violation of NRS 118.010 to 118.120, inclusive, or the Fair Housing Act of 1968, 42 U.S.C. §§ 3601 et seq., or has otherwise exercised rights which are guaranteed or protected under those laws; or

(h) The tenant or, if applicable, a cotenant or household member, is a victim of domestic violence ***, harassment, sexual assault or stalking*** or terminates a rental agreement pursuant to NRS 118A.345.

2. If the landlord violates any provision of subsection 1, the tenant is entitled to the remedies provided in NRS 118A.390 and has a defense in any retaliatory action by the landlord for possession.

3. A landlord who acts under the circumstances described in subsection 1 does not violate that subsection if:

(a) The violation of the applicable building, housing or health code of which the tenant complained was caused primarily by the lack of reasonable care by the tenant, a member of his or her household or other person on the premises with his or her consent;

(b) The tenancy is terminated with cause;

(c) A citation has been issued and compliance with the applicable building, housing or health code requires alteration, remodeling or demolition and cannot be accomplished unless the tenant's dwelling unit is vacant; or

(d) The increase in rent applies in a uniform manner to all tenants.

➥ The maintenance of an action under this subsection does not prevent the tenant from seeking damages or injunctive relief for the landlord's failure to comply with the rental agreement or maintain the dwelling unit in a habitable condition as required by this chapter.

Assembly Bill No. 261.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 138.

AN ACT relating to motorcycles; requiring the holder of an instruction permit to operate a motorcycle who is of a certain age and who applies for a driver's license to operate a motorcycle to comply with certain requirements for the issuance of the license; setting forth the requirements for the issuance and renewal of an instruction permit to operate a motorcycle; setting forth the

requirements for a holder of an instruction permit to operate a motorcycle to apply for a motorcycle driver's license; requiring a person who has been issued a driver's license without an endorsement to drive a motorcycle to pass a certain test or course of instruction **under certain circumstances** before driving a motorcycle; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to issue an instruction permit to a person who is at least 15 1/2 years of age if the person successfully passes a vision test and a written examination. Such a permit entitles the person to drive a motor vehicle for a period of 1 year when accompanied by a licensed driver who is at least 21 years of age, has at least 1 year of licensed driving experience and is seated next to the driver, except when the driver is on a motorcycle. (NRS 483.280) **Section 3** of this bill authorizes the Department to issue an instruction permit to a person who is between 15 1/2 years of age and 18 years of age which entitles the person to operate a motorcycle. Such a person must first pass a vision test and a written examination. The permit is valid for 1 year, and may be renewed, but expires when the person reaches the age of 18 years. **Section 3** further authorizes the Department to issue an instruction permit to a person who is 18 years of age or older, upon successful completion of the vision test and written examination, which entitles the person to operate a motorcycle, but such a permit expires after 6 months, and may be renewed not more than once. The person may not reapply for another such permit for 5 years. A person who holds either of these permits may not: (1) operate a motorcycle between sunset and sunrise; (2) carry passengers; and (3) operate the motorcycle on a controlled-access highway. Finally, **section 3** prohibits the issuance of a permit to operate a motorcycle to a person who has failed the driving test given by the Department two or more times.

Under existing law, a person between the ages of 16 and 18 years who applies for a driver's license must meet certain requirements, including: (1) completion of a certain type of driver's education or a driving course; (2) at least 50 hours of supervised driving experience; and (3) having held an instructional permit for not less than 6 months before applying for the driver's license. (NRS 483.2521) **Section 2** of this bill requires a person between the ages of 16 and 18 years who applies for a driver's license with a motorcycle endorsement to meet all of the same requirements except the 50 hours of driving experience are not required to be supervised.

Existing law requires a person applying for a motorcycle driver's license to successfully complete: (1) such written examination and driving test as may be required by the Department; or (2) a course of motorcycle safety approved by the Department. (NRS 486.071) Pursuant to **section 5** of this bill, a person who has held an instruction permit authorizing him or her to operate a motorcycle for at least 6 months is not required to take the written examination, provided the permit has not been expired for more than 30 days

before the person applies for the license or endorsement. **Section 5** further requires that an applicant for a motorcycle driver's license who is between the ages of 16 and 18 years must meet all the same requirements for a person of that age applying for a driver's license with a motorcycle endorsement as noted in **section 2**, and must successfully complete such written examinations and driving tests as may be required by the Department.

Sections 1, 4 and 6-10 of this bill make conforming changes.

2. The Department may, in its discretion, issue a temporary driver's permit to an applicant for a driver's license permitting the applicant to drive a

motor vehicle while the Department is completing its investigation and determination of all facts relative to the applicant's right to receive a driver's license. 3. The Department, upon receiving proper application, may, in its discretion, issue a restricted instruction permit ***for the operation of a motor vehicle, other than a motorcycle,*** effective for a school year, or for a more restricted period, to an applicant who is enrolled in a drivers' education program which includes practice driving and which is approved by the Department even though the applicant has not reached the legal age to be eligible for a driver's license. MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-NINTH SESSION, 2017

Thank you very much. I want to say that, like all of you, Nevada is my home. It is the place that I know and love and I am so proud to represent. So I am honored to be here tonight to speak to all of you, and I want to thank you for the opportunity to address you. You know, Nevada is very unique. I think we might be the only state in the country that brings federal elected officials to speak to the State Assembly and Senate. It is really important because there is nothing more important than the federal and state partnership in doing what we need to do to build up our state, our communities, and our country. I am very glad to be here.

I want to thank Governor Sandoval, Lieutenant Governor Hutchison, President pro Tem Denis, Speaker Frierson, Majority Leaders Ford and Benitez-Thompson, Minority Leaders Roberson and Anderson, and members of the Nevada State Assembly and Senate for inviting me to speak.

As you all know, I am new to Washington. Before my time in Congress, I worked as a systems analyst and computer programmer. You probably saw the apps. I wrote apps before they were apps, and I programmed in languages like COBOL, FORTRAN, and assembler. We have come a long way in the world today, and we are going to take Nevada even further in the worlds of technology, renewable energy, and all those kinds of things.

One of the main reasons I entered public service is for the same reason why you all are here today. You are here to help people by listening to their concerns, listening to their everyday issues, the issues that bring all of our families together around the kitchen table. In all of that, whether you are a Democrat or a Republican or independent, we are all part of a family, we are all part of our communities, and nothing is more important than those kitchen table conversations.

I also ran because Washington had lost focus on helping the American people and solving problems. We are in desperate need of smart solutions. Since arriving in Washington, I have

seen firsthand the eroding influence of excessive partisanship, gridlock, and political games. I firmly believe that anyone who holds elected office must strive to represent all of their constituents, listen to all of their concerns, and put all the needs of the people, businesses, and organizations that make up our communities and our state ahead of partisan interests. For me, the health and well-being of our communities, that is what comes first.

The Nevada Delegation in Congress is doing its part to change the status quo in Washington, I can tell you that. I want to thank Governor Sandoval; he came to visit us early. We held meetings individually and with all of us to talk about our shared priorities and the important ways our delegation could support and strengthen the federal and state partnership to benefit Nevadans in every single corner of our state, top to bottom, east to west. We need to do this on issues like health care, public lands, and our opposition to Yucca Mountain. Many in our delegation are working on finding places for commonsense solutions instead of following the party line. We must—we absolutely must—continue that, and I think we will because of the open lines of communication and a mutual desire to leave partisan politics at the door. At the end of the day, I think we all recognize that there is no substitute for good public policy.

Washington, frankly, could learn a lot from Nevada. In the past few weeks, we have seen a terrible health care reform bill fail and the President's misguided policies, including his tax reform, and all that occurred before anyone on the other side of the aisle picked up the phone and called anybody. That is not the way we do business. I know you all get together and talk here. That is what makes Nevada great. Washington can sure use that lesson.

You, our Assembly and Senate, have been able to accomplish great things this session. You understand what some in Washington do not: that behind every issue and every problem, there are people who are impacted—those families at the kitchen table—and they need our help, they need our solutions.

We need an open and transparent system, one that focuses less on partisan ideology and division and more on finding common ground. That is why I made a firm commitment to working across the aisle. I joined a new caucus that has formed in this 115th Congress called the Problem Solvers Caucus. There are an equal amount of Democrats and Republicans; currently we have about 60. We are a new caucus. If you want to join now, you have to find a partner across the aisle, and our whole mission is to find those commonsense solutions together. We are going to be working on transportation infrastructure, things we can all agree on. We sent a letter to the President to come meet with us and talk to us. We have had many in the Cabinet already come talk to us. We are committed—the 60 of us so far, hoping to grow—to build those commonsense solutions that I know we need for our bridges, our roads, Hoover Dam, Lake Tahoe. We need those solutions.

I am very proud of the work I have done in my first few months. Just last week, I introduced a bipartisan bill to support Israel. It is our strongest ally in the Middle East. We are going to accelerate the funding for its antimissile defense systems. Following a recent wave of anti-Semitic attacks and hate crimes of all kind, across the board, leaving nobody behind, unfortunately, I joined a bipartisan taskforce to combat all hate and help introduce legislation to protect our faith-based community centers, the places where people seek refuge, in their spiritual home. We need to protect those places from hateful rhetoric that has been going on across our country for far too long.

And to help serve as a backstop for dysfunction in Washington, I have also introduced a bipartisan bill to ensure that our men and women in uniform—active duty military and federal law enforcement—their pay will continue even if Congress fails to do its job and reach a budget. We will never let our military families down. I am not going to let our first responders down. If people cannot come across the aisle, that is not the right thing to do. They are going to continue to get paid. I am very proud of that.

While I have been working hard to find bipartisan solutions, I have also made it my priority to fight for Nevada's fair share, just like all of you are doing. We need our fair share of federal funding. The Administration's budgetary guidance has included too many cuts that are lifelines to programs here in Nevada. They serve the health and well-being of all of our citizens in each and every one of the communities that you represent. From Meals on Wheels to grants that help law enforcement treat survivors of sex trafficking and domestic violence, those programs are at risk of going away. We cannot let that happen. They must be protected.

Last week, I sent a letter to lead appropriators requesting full support for the Southern Nevada Public Lands Management Act. The Administration wants to slash all the funding that supports Lake Mead, supports combatting our wildfires, supports our trails, the beauty of southern Nevada. I will tell you, I know they want to do things that hurt northern Nevada, so from Lake Tahoe down to Lake Mead, we need to protect those federal funds that protect the natural beauty and richness of our state across those mountain ranges from north to south. I am going to do that when I am in Washington to protect what we love so dear. This law is one of the most bipartisan pieces of legislation implemented in Nevada. For 20 years, the Southern Nevada Public Lands Management Act has benefited our state, like I said, by helping us manage federal lands. It has actually raised over $3 billion from land sales and 1,200 projects have been done across the state. So it has an economic impact to us as well as the beauty and spirituality that we all enjoy in our public lands.

Through land transfers, we have those revenues we need to combat wildfires and we enjoy our state. They have also helped us continue to grow by spurring economic development. But now that this critical program is in peril, it would require Nevada to find yet another way to pay for these services. I want you to know I am going to fight in every single way I can to get this funding restored. I will expect no less from the federal government. I will do everything in my power to retain it.

Other incredibly important funding our local law enforcement receives is from the Department of Homeland Security. Programs such as the Urban Areas Security Initiative provide our local law enforcement divisions with the resources they need to help prevent and respond to acts of terrorism. I will do everything, again, in my power to ensure our citizens are safe and secure and particularly that we have the resources we need to protect our airports and our gaming industry. The Las Vegas Strip and here in Reno are prime targets, and we need to be treated as such. I am working with my friends on the Homeland Security Committee to be sure that those funding formulas are right for Nevada.

These are just some of the programs the Administration has proposed cutting that I am fighting to keep. I am concerned, as many others are, about the size of our federal deficit and our national debt, but we must strike a balance. The balance has to properly prioritize our spending while providing the right oversight to ensure our citizens get good value for their taxpayer money.

There are some areas where the President's budget guidance calls for new or additional funding. One of those areas is funding for the licensing of Yucca Mountain, I am very sad to say. I have made it my priority to work across the aisle in good faith and to foster bipartisanship wherever I can, but sometimes there is no room for compromise. On this, I am going to steal a quote from Governor Sandoval: We fight. Our delegation is proud to take a stand against our state becoming the nation's dumping ground for nuclear waste. That is why I signed on to be an original sponsor of Representative Titus's Nuclear Waste Informed Consent Act. We will fight. We are going to prohibit dumping of nuclear waste in any state without their consent. We are going to write again to our lead appropriators urging them to completely defund the licensing process at Yucca Mountain. Hopefully we will move forward and decommission it altogether with a new act of Congress.

Although we are faced with these challenges in Washington, I am hopeful we are going to be able to come together and build off the success made by this Legislature, by all of you and your hard work.

Since the start of your session, I have been so impressed by the accomplishments that have been made that will move Nevada forward. You have been proposing plans to diversify our economy, help our small businesses grow, and make our state a national leader in technology, advanced manufacturing, and clean energy jobs, all while investing in our schools, protecting Nevada's heritage, and promoting our values for a more open and democratic process. I applaud the long hours; I know what it takes. I applaud you all for doing the hard work that you are doing. It is so greatly appreciated.

Just as we are wrapping up and reflecting on Women's History Month, Nevada also reached an incredible milestone in advancing women's rights, taking us one step closer to full gender equality by ratifying the Equal Rights Amendment. Finally, right? Finally. It took a long time. I am proud that I signed onto a letter to extend the deadline for ratification. I remember being a

young woman hoping this would go forward, and I am proud to stand here, a member of Congress today, watching that come to fruition.

And this week, the Legislature made strides to continue working to bring Nevada's economy into the twenty-first century. You offered initiatives that are going to help our state become a leader in renewable energy and energy efficiency. The legislation you passed requiring 50 percent of the energy provided by Nevada to be renewable by 2030, and 80 percent by 2040, and a bill to help deliver better energy efficiency programs to low-income households, saving Nevadans money across the board—that money can be spent in better ways growing our economy. I am very proud of you for doing that.

I am also happy to see Nevadans standing up to hate. I applaud the Lieutenant Governor and the legislators who introduced a bill to fight the Boycott, Divestment, Sanctions [BDS] movement. This legislation represents just one step to maintain our strong ties with Israel. I pledge that I am going to work here in Nevada and when I return to Washington to fight BDS and hate of any kind against any community. Wherever I find it, I am going to fight it because "Never again" for me means never again for any disenfranchised community. I stand by that, I will tell you that my friends.

In that same vein, I need to point out an instance where I am extremely disappointed. In Nevada, I believe very strongly that we as Nevadans respect our LGBTQ citizens and we treat them as equals. Why there was not unanimous support to ban the practice of so-called gay conversion, I am disappointed. I cannot understand it. I challenge you all to look in your hearts and think about that one. I want to thank Senator Parks for proposing that legislation and all of you who are standing up for our LGBTQ friends, our neighbors, our family members, citizens of 3our state, the people that we know and love. I appreciate that.

Although we have made accomplishments, we also remember we have a lot of work to do. That is why I urge you to continue pursuing grants that will help bring money back to our state. I am happy to hear that the Office of Grant Procurement, Coordination, and Management will be bringing on a full-time grant writer to help identify opportunities for our nonprofits, our faith-based organizations, and other initiatives.

I want to tell you that I am generally a really optimistic person. So I am so optimistic as I look at all of you and the challenges. I like to say they are opportunities we have for our future to move our country, our state, and our communities forward. I see a strong and united Nevada when I look at this room and we come together as a joint session. You have accomplished so much good. I know you have a ways to go to the finish line. I know you are going to make it.

I am excited to continue to work with you on smart solutions to solve our everyday challenges. I want Nevada's voice to be heard in Congress. We may be a small state in population, but I know together we are mighty and our voices can be strong when we communicate, we have conversation, and we stand together. I will tell you that my office door is always open. I do not care what party you are from, I do not care if you have come from Mars. I want to hear what you have to say. I want to hear what is keeping you up at night. I want to hear what is important to you. So you call my office here, you call my office in Washington. We will have a cup of coffee and we will sit down. Because together those voices blend to make a strong community.

I thank you again for having me here today. I look forward to getting to know each and every one of you, making that very strong federal and state partnership. Together I know we can do it. Thank you.

SECOND READING AND AMENDMENT

Assembly Bill No. 137.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 163.

SUMMARY—Revises provisions relating to ~~[tax credits for film and certain other productions and certain credits against]~~ the insurance premium tax. (BDR 32-68)

AN ACT relating to taxation; ~~[revising provisions governing the total amount of transferable tax credits that may be approved by the Office of Economic Development pursuant to applications submitted to the Office by a producer that produces a film, television or other visual media production in this State;]~~ eliminating provisions that cap and repeal the tax credits that an insurer may take against the general tax on insurance premiums; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law authorizes a production company that produces a film, television or other visual media production in this State to apply to the Office of Economic Development for a certificate of transferable tax credits. (NRS 360.759) Senate Bill No. 94 of the 78th Session of the Legislature (2015) removed a provision that limited the total amount of transferable tax credits that may be approved by the Office to $10,000,000 and, instead, limited the total amount of transferable tax credits that may be approved by the Office for any fiscal year to the amount appropriated or authorized for expenditure for that purpose for the fiscal year. (NRS 360.7594; section 14 of chapter 232, Statutes of Nevada 2015, p. 1106) Sections 1 and 2 of this bill remove that limitation and, instead, provide that the total amount of transferable tax credits for a film, television or other visual media production approved by the Office must not exceed $15,000,000.]~~

Existing law requires each insurer to pay to the Department of Taxation a tax upon net direct premium and net direct considerations written at the rate of 3.5 percent. (NRS 680B.027) Existing law authorizes a domestic or foreign insurer that owns and substantially occupies and uses any building in this State as its home office or as a regional home office to take as credits against the general tax on insurance premiums otherwise imposed: (1) an amount equal to 50 percent of the aggregate amount of the tax; and (2) an amount equal to the full amount of ad valorem taxes paid by the insurer upon the home office or regional home office. (NRS 680B.050, 680B.055) Assembly Bill No. 3 of the 28th Special Session of the Legislature (2014) limited the amount of such tax credits to $5,000,000 until January 1, 2021, and will eliminate them entirely thereafter. **Sections 3, 4 and 6** of this bill reverse the changes made to chapter 680B of NRS during the 2014 Special Session. **Section 3** removes the cap on the total amount of credits that an insurer may take against the general tax on insurance premiums, and **section 6** prevents the elimination of such credits. **Section 3 also prohibits an insurer from claiming the tax reduction for more than 10 separate calendar years, including years in which the tax reduction was claimed before July 1, 2017.**

GENERAL FILE AND THIRD READING

Assembly Bill No. 176.

Bill read third time.

Remarks by Assemblyman McCurdy.

ASSEMBLYMAN MCCURDY:

Assembly Bill 176 requires the operator of a seasonal or temporary recreation program to ensure that each program site has a complete first-aid kit on-site, an emergency exit plan, and at least one staff member on-site and available during the hours of operation who is certified in the use and administration of first aid, including cardiopulmonary resuscitation.

Assembly Bill No. 154.

Remarks by Assemblymen Brooks, Wheeler, Daly, and Pickard.

ASSEMBLYMAN BROOKS:

Assembly Bill 154 decreases the minimum estimated cost threshold for the applicability of prevailing wage requirements on public works projects from $250,000 to $100,000. The bill also removes the 90 percent prevailing wage rate exception for public works constructed by school districts and the Nevada System of Higher Education. Finally, the bill eliminates the prevailing wage exemption for public works constructed by charter schools.

ASSEMBLYMAN WHEELER:

I rise today in opposition to Assembly Bill 154. Assembly Bill 154 rolls back the commonsense solutions we implemented in the 2015 Legislative Session, and by moving backwards we put an undue burden on our economy by increasing the cost of public works projects. Or in other words, taxpayers unnecessarily pay more for construction projects. Nevada is seeing a resurgence in jobs and economic growth from the sound policies this body passed in 2015. Nevada cannot and should not move backward because of partisan politics.

ASSEMBLYMAN DALY:

I rise in support of Assembly Bill 154. I believe that these are commonsense solutions to move forward for Nevada, support Nevada's hardworking men and women, families in the construction industry. It is not a burden on the taxpayers but it helps support our communities

and the workforce that we are trying to develop on those projects. I urge everyone to support Assembly Bill 154.

ASSEMBLYMAN PICKARD:

I rise today in opposition to Assembly Bill 154. Prior to the passage of reforms in 2015, prevailing wage in the state increased the cost of fixing our roads and schools, by 30 percent in many cases. Taxpayers were not getting their money's worth. Local governments were not contracting out small, but important, infrastructure projects and we were straining our wallet. Nevada needed a change, so in 2015, we passed responsible reforms to our prevailing wage laws. Assembly Bill 154 would undo our hard work and bring back the problems of the past. I believe we can do better and should do better for Nevada. Thank you.

The Governor's proclamation must call upon the news media, educators, business and labor leaders, and appropriate governmental officers to bring to the attention of Nevada residents the important contributions Sarah Winnemucca made to the Paiute Tribe, the state of Nevada, and the United States.

It has long been a passion of mine, along with my colleague from Assembly District 28, to acknowledge and give rightful value to the contributions of Native Americans whose history is so full and rich. This bill is small, but it starts the much needed pathway to acknowledging the contributions of a nation—not just Native Americans, but an actual nation, a government unto themselves.

(Chapter 644 of NRS) **Section 1** of this bill authorizes the Governor, after notice and a hearing, to remove any member of the State Board of Cosmetology for neglect of duty, malfeasance or misfeasance.

Existing law requires the Board to elect both a Treasurer and a Secretary and authorizes the Board to assign the duties of Treasurer and Secretary to one person. (NRS 644.060) **Section 2** of this bill instead requires the Board to annually elect one person as the Secretary-Treasurer of the Board.

Section 3 of this bill removes the examination of certain applicants as one of the purposes of the meetings the Board is required to hold at least four times a year. **Sections 15-18** of this bill make conforming changes.

Section 6 of this bill: (1) revises provisions regarding the deposit and use of fees and other money received by the Board pursuant to the provisions of NRS governing cosmetology; and (2) prohibits certain expenses from being charged against the State General Fund.

Sections 11-13 of this bill revise the continuing education requirements for instructors of cosmetology, instructors of aestheticians and instructors of nail technology, to provide that such instructors are required to satisfy the number of hours of continuing education required by the National Accrediting Commission of Career Arts & Sciences, or its successor organization.

Section 38 of this bill eliminates certain requirements for the examination of instructors in cosmetology because those qualifications are now set forth in **section 11**.

Sections 10, 14, 17 and 18 of this bill: (1) delete the requirement that an applicant for a provisional license as an instructor, a license as a student instructor or a license as a hair braider submit to the Board written verification of completion of the educational requirement for the license; and (2) revise the circumstances under which a license as a student instructor expires.

Section 15 of this bill changes the requirements for admission to examination for a license as a cosmetologist by reducing the number of hours of service as a cosmetologist's apprentice from 3,600 to 3,200 hours for certain applicants.

Sections 19 and 27-29 of this bill require certain applicants to the Board for a license or a certificate of registration to certify that the information contained in the application is truthful and accurate rather than verify the application by oath.

Section 21 of this bill expands the provisions which require the Board to provide examinations for licensure and registration in English and, upon request, in Spanish and authorize the Board to provide examinations for licensure and registration in other languages, upon request, to apply to examinations for licensure or registration as an aesthetician, hair designer, shampoo technologist, hair braider, nail technologist or demonstrator of cosmetics.

Existing law requires a licensee to obtain a duplicate license if his or her original license was destroyed, misplaced or mutilated or if the name or address of the licensee has changed. (NRS 644.295) **Section 26** of this bill eliminates those requirements and instead authorizes a licensee or holder of a certificate to obtain a duplicate license or certificate for any reason.

Section 30 of this bill removes the specific number of hours of instruction that a student enrolled as a cosmetologist, aesthetician, electrologist, hair designer or nail technologist must receive before commencing work on members of the public and instead requires such a student to receive a minimum of 10 percent of the total hours of instruction before commencing work on members of the public.

Section 32 of this bill includes prostitution or solicitation for prostitution as a ground for disciplinary action by the Board against an owner of a cosmetological establishment, an establishment for hair braiding or a facility in which threading is conducted, a licensee or a holder of a certificate of registration.

Sections 33 and 34 of this bill: (1) eliminate, as an unlawful act, a cosmetological establishment representing itself to the public as primarily engaged in the business of cutting men's hair; (2) revise the circumstances in which the unlawful act of reproducing or otherwise copying a license or

certificate of registration applies; and (3) authorizes a person to reproduce a license or certificate under certain circumstances.

Section 36 of this bill adds the Board to the list of persons and governmental entities to whom records of criminal history must be disseminated by an agency of criminal justice upon request.

Sections 37 and 38 eliminate the Board's revolving fund used for cash advances.

Sections 4, 5, 7-9, 20, 23-25, 31 and 35 of this bill clarify the applicability of those sections to certificates of registration.

Remarks by Assemblywoman Bustamante Adams.

Amendment adopted.

The following amendment was proposed by Assemblywoman Bustamante Adams:

Amendment No. 102.

AN ACT relating to cosmetology; **providing for the temporary suspension of certain licenses and certificates of registration;** revising provisions governing the State Board of Cosmetology; revising provisions governing instructors of various cosmetology professionals; revising provisions relating to the licensure or registration of various cosmetology professionals, cosmetological establishments and schools of cosmetology; imposing a fee upon certain applicants who request an examination be translated into a language other than English or Spanish; revising provisions relating to disciplinary action and certain prohibited acts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Board of Cosmetology, which consists of seven members, is charged with (1) the licensure of cosmetologists, aestheticians, hair designers, hair braiders, electrologists, nail technologists and demonstrators of cosmetics; (2) the registration of shampoo technologists, makeup artists, apprentices and persons who engage in threading and operators of threading facilities; and (3) the licensure of cosmetological establishments, establishments for hair braiding, instructors and schools of cosmetology. (Chapter 644 of NRS) **Section 1** of this bill **: (1) provides for the temporary suspension of a license or certificate of registration issued by the Board without a prior hearing for a period not to exceed 15 business days under certain exigent circumstances; (2) authorizes the licensee or holder of a certificate of registration to request a postsuspension administrative review; and (3) requires the Board to hold a hearing and render a final decision as promptly as is practicable but not later than 15 days after the date on which the Board receives a request for review from the licensee or holder of the certificate of registration. Section 1.5 of this bill** authorizes the Governor, after notice and a hearing, to remove any member of the State Board of Cosmetology for neglect of duty, malfeasance or misfeasance.

Existing law requires the Board to elect both a Treasurer and a Secretary and authorizes the Board to assign the duties of Treasurer and Secretary to one person. (NRS 644.060) **Section 2** of this bill instead requires the Board to annually elect one person as the Secretary-Treasurer of the Board.

Section 3 of this bill removes the examination of certain applicants as one of the purposes of the meetings the Board is required to hold at least four times a year. **Sections 15-18** of this bill make conforming changes.

Section 6 of this bill: (1) revises provisions regarding the deposit and use of fees and other money received by the Board pursuant to the provisions of NRS governing cosmetology; and (2) prohibits certain expenses from being charged against the State General Fund.

Sections 11-13 of this bill revise the continuing education requirements for instructors of cosmetology, instructors of aestheticians and instructors of nail technology, to provide that such instructors are required to satisfy the number of hours of continuing education required by the National Accrediting Commission of Career Arts & Sciences, or its successor organization. **Section 38** of this bill eliminates certain requirements for the examination of instructors in cosmetology because those qualifications are now set forth in **section 11**.

Sections 10, 14, 17 and 18 of this bill: (1) delete the requirement that an applicant for a provisional license as an instructor, a license as a student instructor or a license as a hair braider submit to the Board written verification of completion of the educational requirement for the license; and (2) revise the circumstances under which a license as a student instructor expires.

Section 15 of this bill changes the requirements for admission to examination for a license as a cosmetologist by reducing the number of hours of service as a cosmetologist's apprentice from 3,600 to 3,200 hours for certain applicants.

Sections 19 and 27-29 of this bill require certain applicants to the Board for a license or a certificate of registration to certify that the information contained in the application is truthful and accurate rather than verify the application by oath.

Section 21 of this bill expands the provisions which require the Board to provide examinations for licensure and registration in English and, upon request, in Spanish and authorize the Board to provide examinations for licensure and registration in other languages, upon request, to apply to examinations for licensure or registration as an aesthetician, hair designer, shampoo technologist, hair braider, nail technologist or demonstrator of cosmetics.

Existing law requires a licensee to obtain a duplicate license if his or her original license was destroyed, misplaced or mutilated or if the name or address of the licensee has changed. (NRS 644.295) **Section 26** of this bill eliminates those requirements and instead authorizes a licensee or holder of a certificate to obtain a duplicate license or certificate for any reason.

Section 30 of this bill removes the specific number of hours of instruction that a student enrolled as a cosmetologist, aesthetician, electrologist, hair designer or nail technologist must receive before commencing work on members of the public and instead requires such a student to receive a minimum of 10 percent of the total hours of instruction before commencing work on members of the public.

Section 32 of this bill includes prostitution or solicitation for prostitution as a ground for disciplinary action by the Board against an owner of a cosmetological establishment, an establishment for hair braiding or a facility in which threading is conducted, a licensee or a holder of a certificate of registration.

Sections 33 and 34 of this bill: (1) eliminate, as an unlawful act, a cosmetological establishment representing itself to the public as primarily engaged in the business of cutting men's hair; (2) revise the circumstances in which the unlawful act of reproducing or otherwise copying a license or certificate of registration applies; and (3) authorizes a person to reproduce a license or certificate under certain circumstances.

Section 36 of this bill adds the Board to the list of persons and governmental entities to whom records of criminal history must be disseminated by an agency of criminal justice upon request.

Sections 37 and 38 eliminate the Board's revolving fund used for cash advances.

Sections 4, 5, 7-9, 20, 23-25, 31 and 35 of this bill clarify the applicability of those sections to certificates of registration.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Upon receiving such a report, the Executive Director shall immediately forward the report to the Board or the Chair of the Board. The Board must meet as soon as practicable to consider the report. request. After holding such a hearing, the Board may extend the period of the temporary suspension if the Board finds, for good cause shown, that such action is necessary to protect the health, safety or welfare of the public pending proceedings for disciplinary action.

(b) Does not file a timely written request for a hearing and the Board wants to consider extending the period of the temporary suspension, the Board shall schedule a hearing and notify the licensee or holder of the certificate of registration immediately by certified mail of the date of the hearing. The hearing must be held and a final decision rendered regarding whether to extend the period of the temporary suspension as promptly as is practicable but not later than 15 business days after the date on which the Executive Director mails the cease and desist order. After holding such a hearing, the Board may extend the period of the temporary suspension if the Board finds, for good cause shown, that such action is necessary to protect the health, safety or welfare of the public pending proceedings for disciplinary action.

2. For purposes of this section, a person is deemed to have notice of a temporary suspension of his or her license or certificate of registration:

(a) On the date on which the notice is personally delivered to the person; or

AN ACT relating to motor carriers; requiring certain motor carriers of passengers which transport certain persons with disabilities to ensure that each vehicle used for the transport is equipped with first-aid equipment and to provide each driver of the vehicle training in first aid and cardiopulmonary resuscitation; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel's Digest:
Under existing law, common motor carriers of passengers and contract motor carriers of passengers are subject to supervision and regulation by the Nevada Transportation Authority, with some exceptions. (NRS 706.166)
Section 1 of this bill requires a common motor carrier of passengers, contract motor carrier of passengers and any other person or entity, other than a taxicab motor carrier, providing a means of public conveyance and transportation operating in this State and which transports for compensation certain persons with disabilities, commonly referred to as "paratransit services," to ensure that: (1) each vehicle used in the transport is equipped with a first-aid kit; and (2) each driver of a vehicle used for the transport receives training in first aid and cardiopulmonary resuscitation. **Section 1** also requires the carrier, person or entity to: (1) provide the training in first aid and cardiopulmonary resuscitation or arrange for its provision for the

driver; (2) pay for the training; and (3) compensate each driver for the time spent receiving the training. Existing law makes a violation of this requirement a misdemeanor. (NRS 706.756) **Sections 2-5** of this bill make conforming changes. **Section 6** of this bill provides that the provisions of this bill do not apply during the current term of any ~~[collective bargaining]~~ **employment** agreement **between the motor carrier, person or entity and the employee drivers of the motor carrier, person or entity** entered into before the effective date of this bill, but do apply to any extension or renewal of such an agreement and to any such agreement entered into on or after the effective date of this bill.

ASSEMBLYMAN THOMPSON:

Assembly Bill 469 contains various provisions regarding the reorganization of a "large school district," which is defined as a school district that has more than 100,000 students enrolled in its public schools, which is currently the Clark County School District.

Among other provisions, the bill repeals Assembly Bill 394 from Chapter 543 of the *Statutes of Nevada*, from the 2015 Session and places in statute the requirements for the reorganization of a large school district, including deeming each public school within such a district, other than a charter school or a university school for profoundly gifted pupils, to be a local school precinct that is operated under site-based decision-making and that has authority to carry out certain responsibilities that have traditionally been carried out by the district

Amendment No. 40.

Joint Sponsors: Senators Cancela and Segerblom.

AN ACT relating to energy assistance; authorizing the Division of Welfare and Supportive Services of the Department of Health and Human Services to use money in the Fund for Energy Assistance and Conservation to assist certain low-income households in paying for Internet service; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires certain customers of an electric or gas utility to pay a universal energy charge of 3.30 mills on each therm of natural gas purchased for consumption in this State and 0.39 mills on each kilowatt-hour of electricity purchased for consumption in this State. (NRS 702.160) Under existing law, the Public Utilities Commission of Nevada collects the universal energy charge and, after deducting its administrative charge, deposits the remaining money collected for the universal energy charge in the Fund for Energy Assistance and Conservation. (NRS 702.160, 702.170, 702.250) Existing law requires 75 percent of the money in the Fund to be distributed to the Division of Welfare and Supportive Services of the Department of Health and Human Services for programs to assist certain low-income households in paying for natural gas and electricity. (NRS 702.260) The remaining 25 percent of the money in the Fund must be distributed to the Housing Division of the Department of Business and Industry for programs of energy conservation, weatherization and energy efficiency for certain low-income households. (NRS 702.270) **Section 2** of this bill authorizes the Division of Welfare and Supportive Services to use money from the Fund distributed to the Division to pay for programs to assist certain low-income households in paying for Internet service. **Section 2 also provides that the amount of assistance received by a household to pay for Internet service must: (1) equal the lowest cost available for Internet service in the area that the Internet service is being provided; and (2) exclude any costs for cable or satellite television service, including, without limitation, joint packages that provide Internet service with cable or satellite television service.**

Existing law provides that certain persons who are exempt from paying the universal energy charge are not eligible to receive assistance from the Division of Welfare and Supportive Services for utility service or from the Housing Division for energy conservation, weatherization or energy efficiency. **Section 1** of this bill specifies that a person who is exempt from paying the universal energy charge is not eligible to receive assistance from the Division of Welfare and Supportive Services in paying for Internet service.

United States Senator Dean Heller delivered his message as follows:

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-NINTH SESSION, 2017

Mr. Speaker, thank you. To the Lieutenant Governor, thank you for the invitation. Governor, it is always good to see you. And to the leaders here—Ford, Roberson, and Anderson—I want to thank you as well. To the constitutional officers and your guests, thank you very much. I know you guys have a busy schedule, so thank you for being here. To our members of the Court, thank you very much for taking time out of your busy schedule and being here. I really do appreciate that.

I am grateful, also, to have a few of my family members here with me. I am always grateful to have them with me, but more importantly, I want to introduce my wife Lynne who is also with us.

To start with, most of you know that Congressman Amodei and I had a town hall meeting this morning. I am here to report that it went smoothly—very productive. In fact, it was so productive that some of them have come back for more. But I did learn that the President tweeted out that the town hall was bigly, and Sean Spicer, in his White House press conference, said it was the largest town hall crowd ever.

It is great to be here and spend some time with you. Carson City, as you know, is home to me. My parents just live up Fifth Street. My father owned the automotive shop across the street. I worked with him starting when I was in middle school. I like to point out that I am probably one of the few United States Senators that can change the oil in your car, fix your transmission. But I do guarantee you one thing: I can sweep your garage floor, and he made sure of that.

Standing here with you reminds me of my days in the Nevada Legislature. Of course, a lot has changed since I served in the Nevada Assembly. Back then, Apple had just released its first laptop, the founders of Facebook were in second grade, and Jurassic Park was the box office hit.

But while a lot has changed since then, the Nevada Legislature's purpose remains the same: working hard to make Nevada better for the people they represent. I am working to do the exact same thing in the United States Senate.

I would like to begin by acknowledging the U.S. response to the horrific atrocities committed by the Assad regime in Syria. Not only is the use of chemical weapons inhumane, it is a blatant violation of international law. I am supportive of the Trump Administration's response. It sent a clear message of America's intolerance for the murder of innocent civilians. A military strike that was supported by Democrats and Republicans alike. I have been briefed by military experts, and I will continue to monitor the developments in Syria. I am hopeful that the President will work with Congress and lay out his strategy for all of the American people.

Despite many headlines highlighting divisions in Congress, I find that more unites us than divides us, and most of us work hard to find common ground. Our many bipartisan legislative accomplishments in this last year are proof of that.

Starting with the Senate Veterans Affairs Committee, I have had the opportunity to provide a strong voice for the more than 300,000 veterans living here in the Silver State. Our VA facilities service thousands of veterans in need, but there are still some serious gaps when it comes to timely delivery of care. There is a nationwide shortage of doctors and nurses, and Nevada is facing the worst of it. So I am working to establish incentives for doctors to come to work at our VA hospitals, especially in Nevada's more rural areas.

For some communities in Nevada, the veteran population has grown substantially and health care demand has increased. In Pahrump, I have worked with veterans there for years to bring a new VA clinic to the community. I was honored to be there when it finally opened its doors this past November.

We can also do a lot more to provide better care for women who have served this country. Earlier this month I reintroduced legislation with Senator Patty Murray, a Democrat from Washington, aimed at doing just that. Our bill requires the VA adapt to the specific needs of women veterans. It expands medical services at VA hospitals, it improves access to gender-specific care, it strengthens privacy and protection measures, and implements accountability standards.

A few weeks ago, I joined Chairman Johnny Isakson from Georgia and Senator Tester from Montana in introducing a bill that increases the VA's disability benefits for veterans. It was

supported by every member of the Senate Veterans' Committee. This is a perfect example of Republicans and Democrats working together to get things done for our veterans. As the cochair of the Senate VA Backlog Working Group with Senator Casey, a Democrat from Pennsylvania, I have also been holding the VA's feet to the fire on the disability claims backlog. The last time I talked here in this room, we had a backlog of 405,000 claims. Today, after the implementation of our ideas, it is less than 100,000.

But we will continue to work on it. We can and we will do a better job. I will not be satisfied until the VA delivers on its promise and provides the best possible care and services to those in Nevada who have sacrificed so much for us.

In addition to our work to improve the VA's services for Nevada's veterans, I am also particularly proud of the bipartisan work we did in the 114th Congress on infrastructure. Since I last addressed this Legislature, Congress came together to approve a five-year highway bill that provides states with additional resources and tools to advance high-priority projects, such as the new Interstate 11 connecting Phoenix to Las Vegas and then Las Vegas to Reno. These projects mean good-paying jobs for Nevadans and a significant, long-term impact on our economy for decades to come. I have worked for years to improve the mobility between Las Vegas and Reno and was proud to secure my top infrastructure priority, and that is the expansion of Interstate 11 to northern Nevada. When the full I-11 project is completed, it will increase the economic competitiveness of the entire western United States by opening up markets for tourism and interstate commerce. A strong infrastructure is critical to a stronger Nevada, and I can assure you that I will continue to advocate at the federal level to ensure Nevada has the resources it needs to succeed. Last year, Diane Feinstein and I successfully pushed through the reauthorization of the Lake Tahoe Restoration Act, an initiative that I have championed in Congress for over eight years. As one of our state's most treasured places, not to mention northern Nevada's largest tourist draw, it is critical that we make the infrastructure investments necessary in the Tahoe Basin to ensure its beauty for future generations. I give you my word to always fight for Nevada's infrastructure needs.

Although the Republican majority in Congress and a Republican in the White House present tremendous opportunities to promote and deliver on Nevada priorities, it also comes with significant responsibilities—responsibilities that I do not take lightly. Since working in Washington, my number one focus has always been the people of Nevada. Their interests and their priorities are my priorities, and that transcends party lines. When President Trump or my party is right for Nevada, I will support them. But when they are wrong for Nevada, I will try to change their minds. I will always put Nevada first.

In fact, I have been working tirelessly against the Administration's proposal to revive Yucca Mountain. Let me be clear: Yucca Mountain is dead. Nevada will not be our nation's nuclear waste dump. I conveyed that message in my meeting with Secretary Perry prior to his confirmation and again reiterated it ahead of his visit to Yucca Mountain last month. Senator Harry Reid was a powerful and outspoken opponent of Yucca Mountain. He worked hard to make sure the project did not see the light of day. Now, I am standing between this Republican Administration and Yucca, and I will lead this fight. This is a reckless proposal. Over the past 30 years, the federal government has wasted billions of taxpayer dollars to design and permit Yucca Mountain, all without any signal that Nevada would consent to it. A state without a single nuclear power plant should not have to shoulder the entire nation's nuclear waste burden. We will not be run over by the desires of East Coast states that want to move the nuclear waste they created out of their backyards and into ours. Let me say it one more time: Nevada will not be our nation's nuclear waste dump.

Since I have served in Congress, I have been one of the most outspoken Republicans in advocating for policies that diversify our nation's energy portfolio. I believe in an all-of-the-above energy approach, and I recognize the importance of developing innovative new energy technologies that make our state and our nation's energy supply cleaner, more affordable, and more reliable. I have consistently supported the renewable energy sector and gone to great efforts to level the playing field for solar, for geothermal, and for wind energies. In fact, last month at the Italian Embassy, I received the prestigious Advanced Energy Leadership Award from a nationwide organization whose goals are to advance the alternative energy sector. They praised my efforts during the last session of Congress as the lead Republican in the fight to

renew the investment tax credits necessary for their industry to survive. Make no mistake, the expansion of the investment tax credit has and will create tens of thousands of new jobs right here in Nevada.

Recently I was pleased to be invited to attend the grand opening of the Crescent Dunes Solar Energy Facility in Tonopah and the ribbon-cutting ceremony for the Moapa Southern Paiute Solar Project at the Moapa River Indian Reservation. It is not often when a member of Congress can come home and see firsthand the results of his hard work in Washington, D.C. In addition to the Investment Tax Credit, I passed the Public Land Renewable Energy Development Act. Its goal is to promote renewable energy in all of its forms—solar power for homes, geothermal for manufacturing, or electric for cars like the Tesla batteries made in northern Nevada. I am proud to be a part of Nevada's energy diversification, and I am working to implement policies to bolster these efforts.

As some of you may know, I am a lifelong Nevada outdoorsman and a conservationist, and I also own a ranch in rural Nevada. Let there be no misconceptions—my wife runs the ranch. I just work for her. So I know firsthand how important it is that Nevadans have access to our public lands for things like grazing, economic development, and recreation. I also know how critical the Southern Nevada Public Land Management Act [SNPLM] and Payment in Lieu of Taxes [PILT] programs are to Nevada projects ranging from wildlife preservation and conservation to education and road maintenance.

Between the funding to revive Yucca Mountain and the Administration's proposal to gut these important public lands programs like SNPLM, like PILT, the Administration's budget, in my opinion, is anti-Nevada, and I am not happy about it, not one bit. So I am going to fight to defend these public lands programs and work to make sure they are fully funded.

The past three months have been busy, challenging, and too often boiled down to 140 characters. While many in Congress want to act quickly to deliver on promises to the American people, I just want to make sure they get it right. That includes our efforts to reform our broken health care system. Nevadans from Pioche to Battle Mountain to Ely have told me about the law's negative effect on their rural families: higher premiums, cancelled plans, limited options. Republicans and Democrats in Congress can agree that the status quo is unacceptable, but we disagree on what we need to do to fix it.

The late Governor Kenny Guinn, a friend of mine and also a mentor, often spoke about two types of people: those who solve problems and those who talk about them. We see that a lot in Washington, D.C.—those who run to the microphone but are never part of the discussion. I have carried Governor Guinn's advice to be a problem solver with me, and I have always been focused on finding ways to fix problems for the people of Nevada. That is particularly true when it comes to tackling health care reform and the potential impact any changes could have on Nevadans. Make no mistake—we need to have a debate about what we can agree on and how to move forward. But that debate does not come in the form of a press conference. That debate does not come in the form of a 30-second soundbite. And that debate does not come in the form of a tweet. It requires discussion.

Speaker Frierson and Leader Ford sent me a letter with questions about how the Obamacare repeal would affect Nevadans. I took that letter with me to Secretary Tom Price's confirmation hearing. I asked the man charged with leading the Obamacare repeal effort to respond to their questions. I also met with Governor Sandoval after the House's health care bill was released. We discussed how it affected the people of Nevada. Its lack of support from Governor Sandoval was a major concern of mine. I believe we need to protect coverage for those who currently receive benefits under the system that we have today, including those who are a part of Medicaid expansion. Over 200,000 Nevadans are newly eligible for Medicaid, and many of them have never had insurance before. Unfortunately, the House bill failed to address skyrocketing costs and protect coverage for those who are most vulnerable. Its lack of support was a reflection of that. It did not work for Nevada, so it did not work for me.

Another priority of mine is tax reform. Our current tax code is too costly. Our current tax code is too complex, and it is too burdensome. We need a simpler and more competitive tax code that works for all Americans and for all small businesses. I believe we need to broaden the tax base by closing loopholes and reducing marginal tax rates on both individuals and businesses. If we do that, we lay the foundation for strong economic growth for years to come.

Washington finally has an appetite to tackle this. We have a willing White House, and both Chambers of Congress stand ready to reform our nation's burdensome tax code. I believe we will be able to move forward. As a member of the Senate Finance Committee, I will have a front row seat for this and make no mistake, I will be advocating for policies that will provide economic growth and allow individuals to keep more of their hard-earned tax dollars right here in Nevada.

I also hope that Congress can work to address our nation's broken immigration system. It needs fundamental reform. Let me be the first to tell you, Nevada is a border state, and I passed legislation that says as much. We may not geographically be located on the border, but we are affected just as much as any other state that is. That is why I believe Nevada should have a seat at the table when these policies are discussed, debated, and implemented out of Washington.

In fact, in 2013, I was vocal in the comprehensive immigration reform battle and was successful in ensuring that if a border commission was created, Nevada would be part of it. And as many of you know, I was one of only 14 Republicans to support comprehensive immigration reform. This country needs to have a much broader and larger conversation about our nation's immigration policies. You can be sure Nevada will have a voice at the table as we move forward, and I am that voice.

Congress has made significant progress over the past two years, but we have a lot of work ahead of us. President Harry Truman famously said, "[But] America was not built on fear. America was built on courage, on imagination and an unbeatable determination to do the job at hand."

I believe that while the job at hand is now different, the courage, imagination, and determination that built this country still exist today. So let us let the American engine fire again. Let history show that we rose to the occasion. Let us all remind ourselves that we live in the greatest nation on earth—a place where the son of a mechanic and a school cook could have the opportunity to deliver the newspaper to then-Governor Mike O'Callaghan, and where that same boy could play basketball with a kid who now lives in the Governor's Mansion, and then that boy could grow up to represent the great state of Nevada in the United States Senate. I remain optimistic that our country's best days are ahead of us, and every day, I am fighting on behalf of Nevadans to make sure of it.

I want to thank you again for the opportunity to be here this evening. May God bless the work that you are doing and may God bless the great state of Nevada. Thank you very much.

GENERAL FILE AND THIRD READING

Assembly Bill No. 76.

Bill read third time.

Remarks by Assemblywoman Cohen.

ASSEMBLYWOMAN COHEN:

Assembly Bill 76 revises provisions governing the Central Repository for Nevada Records of Criminal History. The measure clarifies the authority of the Central Repository to inspect certain sealed records in accordance with federal laws and regulations.

The measure adds a county coroner or medical examiner, as needed, to the list of persons and governmental entities to whom records of criminal history must be disseminated.

Assembly Bill No. 108.

Remarks by Assemblymen Oscarson, Wheeler, and Titus.

Potential conflict of interest declared by Assemblywoman Titus.

ASSEMBLYMAN OSCARSON:

Assembly Bill 108 requires the Division of Health Care Financing and Policy within the Department of Health and Human Services to review the reimbursement rates for each service or item provided under the State Plan for Medicaid on or before January 1, 2018, and every four years thereafter, to determine whether the rates reflect the actual cost of providing the service or item. In addition, if it is found that the reimbursement rate for a service or item does not accurately reflect the actual cost, Assembly Bill 108 requires the Division to calculate the rate that reflects the actual cost and recommend that rate to the Director of the Department of Health and Human Services for possible inclusion in the State Plan for Medicaid. This act becomes effective on July 1, 2017.

ASSEMBLYMAN WHEELER:

I rise in support of Assembly Bill 108 today. This legislation will go a long way in streamlining the process for reimbursement rates. When I ran for this office, something I spoke about often was the need to have more efficient government. My constituents want regularity and fairness, and they want a government that works smart. This legislation does that and I urge my colleagues to vote yes.

ASSEMBLYWOMAN TITUS:

Assembly Bill 108 provides for the possible recommendation of changing the rate of reimbursement for services or items provided by the State Plan for Medicaid. I have to consider whether I have a conflict of interest as I am a physician and I see Medicaid patients. Since I do not receive direct Medicaid payments, I have determined that any interest I may have in this bill is no greater than any other member of the general business, profession, occupation, or group that may be affected by this piece of legislation. Further, I have determined that any possible interest that I may have in this piece of legislation does not impede my independence of judgment and is not greater than the interest of any other person similarly situated. Therefore, I am not required, pursuant to Assembly Standing Rule No. 23, to make this disclosure. However, in prompting transparency I want to put this on the record. I will be participating in this vote tonight.

Remarks by Assemblymen Daly and Oscarson.

ASSEMBLYMAN DALY:

Assembly Bill 118 authorizes a person between the ages of 18 and 21 and who is a member of the Armed Forces of the United States, a reserve component thereof, or the National Guard, or was discharged or released from service in the Armed Forces, a reserve component thereof, or the National Guard under honorable conditions to carry a concealed weapon. A sheriff must deny an application for a permit or revoke an existing permit if the sheriff determines that the applicant or permittee has been discharged or released from service under other than honorable conditions and is less than 21 years of age.

ASSEMBLYMAN OSCARSON:

I rise in support of Assembly Bill 118. I am, and always have been, a strong advocate for the Second Amendment and its constitutional power to protect individuals' rights to keep and bear arms. Assembly Bill 118 not only protects that right, but further expands it to members of the armed forces between the ages of 18 and 21 to carry a concealed weapon. We trust these men and women to fight for our freedom and to put their lives on the line for us, so it is our obligation to trust them as law-abiding gun owners.

Remarks by Assemblyman Paul Anderson.

ASSEMBLYMAN PAUL ANDERSON:

Assembly Bill 137, in its first reprint, makes changes to the home office credit that is allowed against the insurance premium tax for insurers who maintain a home office or regional home office in Nevada.

The bill removes the January 1, 2021, sunset of the credit, and additionally removes the $5 million annual limit that currently applies to this credit. The bill specifies, however, that an insurer may only take this credit for ten calendar years, including any calendar years before the effective date of the bill. The act becomes effective on July 1, 2017.

Remarks by Assemblywomen Carlton and Titus.

ASSEMBLYWOMAN CARLTON:

Assembly Bill 138 allows for the capture of rainwater from the roof of a single-family dwelling for nonpotable use. Provided there is no conflict with existing water rights, the measure also allows for the capture of rainwater in a guzzler no larger than 20,000 gallons for use by wildlife. De minimus collection of rainwater under these circumstances does not require a water rights permit. This act becomes effective on July 1, 2017.

ASSEMBLYWOMAN TITUS:

I rise in support of Assembly Bill 138. Assembly Bill 138 brings clarity in the law to small water collection systems and allows individuals to conserve water through their residence. This very important and commonsense piece of legislation promotes efficient conservation practices in our rural and urban communities, and I thank the sponsor for bringing it forward.

Remarks by Assemblywoman Krasner.

ASSEMBLYWOMAN KRASNER:

Assembly Bill 145 extends the statute of limitations for filing a civil action to recover damages arising out of sexual abuse committed against a child. The time is extended from 10 years to 20 years after the person reaches 18 years of age.

In addition, the bill extends the statute of limitations for filing a civil action to recover damages arising out of the appearance in pornographic material before 16 years of age. The time is extended from 3 years to 20 years after the person reaches 18 years of age or after a court enters a verdict in a related criminal case.

Lastly, if the cause of action has not yet expired, then the statute of limitations is extended, but if cause of action has expired, it cannot be revived. This bill is effective upon passage and approval.

I rise in support of Assembly Bill 145. This bill, which extends the statute of limitations for child victims of sexual abuse, will go a long way to ensure that those victims have the recourse when they come forward to pursue justice. Mr. Speaker, for far too long these victims have hidden in the shadows because of shame or fear. With the passage of this legislation, we can show victims that those of us here in the Legislature have heard them, and we stand with them, and they have opportunities to seek redress.

Remarks by Assemblyman Thompson.

ASSEMBLYMAN THOMPSON:

Assembly Bill 147 creates procedures governing the disposal of property in the custody of a law enforcement agency. A metropolitan police department is required to perform an annual audit of the disposition of property and present a report of that audit to the metropolitan police committee on fiscal affairs. The measure clarifies that the term "property" includes any property that is owned by another person or that another person is entitled to possess that is in the custody of a law enforcement agency; has been stolen, embezzled, lost, found, abandoned, or unclaimed; and is otherwise unrelated to an active criminal case.

In addition, the bill authorizes a board of county commissioners or its authorized representative to donate any property previously in the custody of a law enforcement agency to certain organizations.

It additionally provides that the Office is not required to prepare and submit these reports if, within 75 days after the end of the period covered by the report, the Office receives an audit of the participants in the project that covers the same period that would be required under the report and contains the information that is required to be submitted in the report.

Assembly Bill 177 revises provisions authorizing courts to issue temporary or extended orders for protection against domestic violence. If after due diligence the adverse party has not been served and fails to appear at the first hearing, then the court is authorized to set a second hearing within 90 days after the date on which the first hearing was scheduled and a third hearing within an additional 90 days thereafter. The court is required to order a law enforcement agency to serve the adverse party an application for an extended order and the notice of any second or third hearing upon the application scheduled by the court. Finally, the temporary order remains in effect until the date when the second or third hearing is held. This bill is effective upon passage and approval.

ASSEMBLYWOMAN MONROE-MORENO:

Assembly Bill 192 requires, with limited exceptions, appointing authorities for positions in the state service to make temporary limited appointments of certified persons with disabilities to positions not to exceed 700 hours. The bill further requires each appointing authority to ensure that at least one person on the staff of the appointing authority satisfies certain training requirements related to: (1) making a temporary limited appointment of a certified person with a disability; and (2) training concerning the unique challenges a person with a disability faces in the workplace.

This bill is effective upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks and on January 1, 2018, for all other purposes.

Remarks by Assemblywomen Bustamante Adams and Titus.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

Assembly Bill 195 revises provisions governing the State Board of Cosmetology and the professionals it regulates. The bill allows the Governor to remove a Board member under certain circumstances, combines the position of Board Secretary and Board Treasurer, revises provisions governing the deposit and use of fees and other money, prohibits certain expenses from being charged against the State General Fund, and eliminates the Board's revolving fund used for cash advances. It also revises certain continuing education requirements, the documentation required by certain applicants, and the circumstances under which a license as a student instructor expires. It reduces from 3,600 to 3,200 the number of hours needed to apply for a license as a cosmetologist and requires students to receive a minimum of 10 percent of the total hours of instruction for a particular profession prior to commencing work on members of the public.

ASSEMBLYWOMAN TITUS:

I rise in support of Assembly Bill 195. Even though it is a two-thirds bill, it actually lowers hours, lowers cost, and is another commonsense bill. I appreciate the sponsor of this bill fixing some much needed language in the area of cosmetology. Thank you and I am definitely in support.

Bill read third time.

Remarks by Assemblyman Edwards.

ASSEMBLYMAN EDWARDS:

Assembly Bill 205 enacts provisions governing cremation using alkaline hydrolysis, which is defined as the reduction of human remains through the use of alkaline chemicals and agitation. The bill makes certain fee and penalty provisions applicable to this type of cremation. In cities and towns where existing zoning laws limit the location of a crematory, the bill authorizes a crematory using alkaline hydrolysis to apply to a local board of county commissioners or the governing body of the city or town for an exemption from zoning restrictions. The measure requires an operator to provide advance notice to the Division of Environmental Protection of the Department of Conservation and Natural Resources of its intent to use alkaline hydrolysis. The Division must ensure that the equipment to be used for alkaline hydrolysis complies with laws relating to water pollution. Finally, conforming changes are made to other sections of the law to account for differences between cremation by incineration and cremation by alkaline hydrolysis.

The bill is effective upon passage and approval for the purpose of adopting regulations and performing preparatory administrative tasks and on January 1, 2018, for all other purposes.

Assembly Bill 247 provides for the early termination of a rental agreement if a tenant, cotenant, or household member is a victim of harassment, sexual assault, or stalking. The measure further prohibits a landlord from taking certain retaliatory actions against a victim who terminates a rental agreement for this reason. This bill is effective on October 1, 2017.

ASSEMBLYMAN HAMBRICK:

I rise in support of Assembly Bill 247. Sexual assault is a serious problem that plagues our communities. Every 98 seconds, another American is sexually assaulted. Assembly Bill 247 gives victims of sexual assault an opportunity to escape their environment by providing early termination of rental agreements. We must do all we can do to protect these victims and to ensure that they have the tools to move past the horrible crimes committed against them. These people are asking us for solutions that help protect them, and A.B. 247 is that type of solution.

ASSEMBLYMAN YEAGER:

I would encourage the body to support this measure. The impetus behind this bill was exactly as my colleague from the south said—to make sure that folks who are victims of sexual assault, harassment, or stalking are not forced to stay in a dangerous situation simply because they do not have the financial resources to terminate a lease. That is the impetus behind the bill, and I rise in support and would encourage the body to support the bill as well.

ASSEMBLYMAN YEAGER:

Assembly Bill 254 provides that any inventory of the property of a ward that a guardian is required to file in a proceeding must include the existence of a trust of which the ward is a

beneficiary. If such an inventory includes the existence of a trust, the trustee must be served with a copy of the inventory. There is a mechanism by which the court overseeing the guardianship can take jurisdiction over the trust if there are no objections or the court finds good cause.

The thought behind this bill—and it was unanimous out of committee—was that we have situations where wards have trusts and the guardianship court overseeing the guardianship does not know about the trust, does not have an ability to look at the trust and make sure it is being used appropriately for the benefit of the ward. I would encourage the house to support this measure. It is part of the comprehensive guardianship reforms that came out of the Commission.

Assembly Bill No. 271.

Bill read third time.

Remarks by Assemblymen Carrillo, Pickard, and Wheeler.

ASSEMBLYMAN CARRILLO:

Assembly Bill 271 repeals provisions regarding a panel to review the findings of a fact finder and instead provides that the findings and award of the fact finder are final and binding on the parties engaged in collective bargaining negotiations. For labor disputes involving firefighters and police officers, the bill provides that unless the parties to the dispute agree to make the findings of the fact finder final and binding: (1) the report of the fact finder must include recommendations for settlement of the dispute, in lieu of an award; and (2) the findings and recommendations of the fact finder are not binding on the parties.

The bill clarifies that leave provided by a local government employer to an employee for time spent by the employee in performing duties or providing services for an employee organization is a mandatory subject of collective bargaining. The bill also provides that unless the terms of the agreement between a local government employer and an employee organization provide otherwise, if the local government employer agrees to provide such leave, there is a rebuttable presumption that the full cost of such leave has been offset by the value of concessions made by the employee organization. The effective day of this bill is July 1, 2017.

ASSEMBLYMAN PICKARD:

Assembly Bill 271 is a solution in search of a nonexistent problem. The unintended consequences that could result from this legislation and the uncertainty that results from it will hamstring both parties. If anything, we should be encouraging positive communications that lead to mutual agreements and solid compromises. Similarly, I do not care much for the idea, nor in my view should anyone, of public employees on the taxpayer dime conducting union business, often partisan in nature. I urge my colleagues to vote no today.

ASSEMBLYMAN WHEELER:

I rise in strong opposition to Assembly Bill 271. This puts an unnecessary burden on employers, and far from creating an efficient process, it muddies the waters in binding fact-finding. I will always be opposed to public employees conducting partisan business on the state dime, as this is a bad use of our tax dollars and a poor way of showing the hardworking people of Nevada that we put them ahead of the politics.

This bill also revises the penalties for committing or conspiring with another person to commit certain acts against an older person or a vulnerable person.

Finally, this bill provides that a facility for long-term care that wishes to include as part of any contract relating to the provision of care a clause providing that the parties to the contract agree to resolve any dispute through arbitration must include the clause as an addendum to the contract. The addendum must meet certain requirements pertaining to form and content.

ASSEMBLYMAN PICKARD:

I am happy to say I rise in support of Assembly Bill 288. This bill seeks to protect our senior and vulnerable citizens from criminals by closing loopholes in existing law. REMARKS FROM THE FLOOR

Assemblywoman Cohen requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN COHEN:

I would like to introduce the body to my guests. Joe McKenna is a music director at a church in Reno, a musician, and a fourth generation Nevadan. Andrea Booth has been my friend since seventh grade. She is a public educator and counselor at San Mateo High School in northern California. We attended the University of Nevada, Reno together with the Speaker. Ms. Booth joined me over the weekend at the Race to End Domestic Violence in Reno. We walked in the 5K in honor of our friend, Kristin Batdorf. Kristin was murdered in a domestic violence altercation almost three years ago. Kristin was born in Las Vegas, she graduated from Bishop Gorman High School and also from the University of Nevada, Reno, where the three of us were roommates. She was a chiropractor and a mother. She was not murdered in Nevada, but she was a daughter of Nevada. According to Safe Embrace, in 2014—the same year she was murdered—Nevada was number three in the country in men murdering their wives and girlfriends. I would like to ask the body to welcome my guests in honor of our friend Kristen.

SECOND READING AND AMENDMENT

Assembly Bill No. 54.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 43.

AN ACT relating to occupational safety; revising provisions relating to reports of certain accidents or motor vehicle crashes by employers; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires an employer to report to the Division of Industrial Relations of the Department of Business and Industry any accident or motor vehicle crash which is fatal to one or more employees or which results in the hospitalization of three or more employees within 8 hours after the time the accident or crash is reported to any agent or employee of the employer. (NRS 618.378) This bill retains the 8-hour reporting requirement for fatalities, but requires an employer to report to the Division any accident or motor vehicle crash which results in inpatient hospitalization of an employee, the amputation of a part of an employee's body or an employee's loss of an eye within 24 hours after the time the accident or crash is reported to any agent or employee of the employer. This bill also requires the employer to report the

names of the employees who suffered fatalities, amputations or loss of an eye or who were admitted to a hospital as inpatients.

~~[Existing law requires an industrial insurer to provide the Division with a monthly report of industrial injuries and occupational diseases reported or claimed by employees in the preceding month. (NRS 618.378) This bill eliminates this monthly reporting requirement.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 618.378 is hereby amended to read as follows:

618.378 1. Any accident or motor vehicle crash occurring in the course of employment which is fatal to one or more employees ~~[or which results in the hospitalization of three or more employees]~~ must be reported by the employer

orally to the nearest office of the Division within 8 hours after the time that the accident or crash is reported to any agent or employee of the employer.

2. 3. A report submitted to the Division pursuant to the provisions of ~~[this]~~ subsection ***1 or 2*** must include:

(a) The name of the employer;

(e) A brief description of the accident or crash; and

~~[(e)]~~ ***(f)*** The name of a person who may be contacted by the Division for further information.

➥ Upon receipt of such a report, the Division shall notify the employer of the estimated time that the Division's investigator will arrive at the site of the accident or crash. The Division shall initiate an investigation at the site of the accident or crash within 8 hours after receiving the report.

~~[2.]~~ ***4.*** An industrial insurer shall provide to the Division a monthly report setting forth the number, type and severity of industrial injuries and occupational diseases reported or claimed by employees in the preceding month. The report must identify the employer and be sorted according to the employer's Standard Industrial Classification or classification for the purposes of industrial insurance. The Division shall by regulation prescribe

the form for the report made pursuant to this subsection. As used in this subsection, "industrial insurer" has the meaning ascribed to the term "insurer" in NRS 616A.270.

[~~3.~~ ~~*4.*~~**]** ***5.*** All employers shall maintain accurate records and make reports to the United States Assistant Secretary of Labor in the same manner and to the same extent as if this chapter were not in effect.

[~~4.~~ ~~*5.*~~**]** ***6.*** The Division shall make such reasonable reports to the Assistant Secretary of Labor in such form and containing such information as the Assistant Secretary of Labor may from time to time require.

[~~5.~~ ~~*6.*~~**]** ***7.*** Requests for variances to federal recordkeeping and reporting regulations must be submitted to and obtained from the Bureau of Labor Statistics, United States Department of Labor. The following amendment was proposed by the Committee on Education:

Amendment No. 153.

AN ACT relating to education; eliminating the position of Administrator of the Commission on Postsecondary Education and providing for the

assumption of the powers and duties of the Administrator by the Deputy Administrator of the Employment Security Division of the Department of Employment, Training and Rehabilitation; revising the composition of the Commission; authorizing the Director of the Department to accept certain federal money for use in workforce development and adult education programs; relocating the Commission within the Division; providing for the appointment and authority of the Deputy Administrator; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commission on Postsecondary Education is an independent body, responsible for licensing and regulating certain academic, vocational, technical and business schools and privately owned colleges and universities. (NRS 394.099, 394.383, 394.415) The Administrator of the Commission serves as its Executive Secretary and is responsible for executing or supervising the execution of the policies and regulations of the Commission, subject to its direction and control. (NRS 394.385, 394.411)

Section 39 of this bill relocates the Commission within the Employment Security Division of the Department of Employment, Training and Rehabilitation. **Section 44** of this bill provides for the appointment by the Division's Administrator of a Deputy Administrator, who replaces the Administrator of the Commission and, pursuant to **sections 1-36** of this bill, generally has all the powers and duties presently vested in the Administrator of the Commission. However, **section 44** provides that the Deputy Administrator works under the supervision of and serves at the pleasure of the Administrator of the Division as an unclassified employee. **Section 8** makes a conforming change.

The Commission presently consists of seven members appointed by the Governor, including two members who are representatives of the general public. (NRS 394.383, 394.385) **Sections 6 and 44** make the Deputy Administrator an ex officio member of the Commission, and **section 7** reduces, from two to one, the number of public representatives serving on the Commission.

Notwithstanding the other provisions of this bill, **section 49** of this bill authorizes the current Administrator of the Commission, who is a classified employee, to serve in the position of Deputy Administrator as a classified or unclassified employee, at his or her election, while he or she remains in that position.

(a) Postsecondary educational institution initially licensed on or after July 1, 1995, shall file with the ***Deputy*** Administrator a surety bond in the amount of $10,000 or in a greater amount determined by the Commission for the period of the initial license to operate, including any provisional period.

(b) Postsecondary educational institution or other entity which is authorized to employ one or more agents in this State shall file with the ***Deputy*** Administrator a surety bond in the amount of $10,000 or in a greater amount determined by the Commission for the period of the agent's permit.

(e) Postsecondary educational institution may be required by the Commission to file a new or supplementary bond in an amount and for a period determined appropriate by the Commission if the Commission determines that the current bond filed by the institution is insufficient to cover all claims, accrued or contingent, against the institution.

The bonding company shall provide indemnification upon receipt of written notice of the determination by the Commission. The bond may be continuous, but regardless of the duration of the bond the aggregate liability of the surety does not exceed the penal sum of the bond.

3. A surety on any bond filed pursuant to this section may be released after the surety gives 30 days' written notice to the ***Deputy*** Administrator, but the release does not discharge or otherwise affect any claim filed by a student, enrollee or his or her parent or guardian for damage resulting from any act of the postsecondary educational institution or agent alleged to have occurred while the bond was in effect, or for an institution's ceasing operations during the term for which tuition had been paid while the bond was in force.

4. A license or an agent's permit is suspended by operation of law when the institution or agent is no longer covered by a surety bond as required by

this section. The ***Deputy*** Administrator shall give the institution or agent, or both, at least 20 days' written notice before the release of the surety, to the effect that the license or permit will be suspended by operation of law until another surety bond is filed in the same manner and amount as the bond being terminated.

2. The ***Deputy*** Administrator may grant to an applicant for renewal an extension of time to eliminate the reasons recited in the denial letter if:

(a) The applicant has demonstrated his or her desire to meet the criteria; and

(b) The ***Deputy*** Administrator reasonably believes that the applicant can correct the deficiencies within the extension period.

3. If the ***Deputy*** Administrator denies an application for an agent's permit, or an application for renewal, the ***Deputy*** Administrator shall notify the institution the agent represented or sought to represent, setting forth the reasons for the denial.

The ***Deputy*** Administrator shall notify the institution of the reasons for the action by certified mail to its last known address, 20 days before the meeting of the Commission at which the action will be considered.

2. If the Commission revokes a license, the institution shall cease its operations and granting degrees and shall refund to each enrolled student the cost of the student's current course or program.

3. The ***Deputy*** Administrator may impose an administrative fine of not more than $10,000 against an institution or agent, revoke an agent's permit, or make a permit conditional after its issuance, if the ***Deputy*** Administrator reasonably believes that the holder has violated the provisions of NRS 394.383 to 394.560, inclusive, or regulations adopted pursuant thereto.

Before action is taken, the ***Deputy*** Administrator shall notify the holder by certified mail of facts or conduct that warrant the impending action and advise the holder that if a hearing is desired it must be requested within 10 days after receipt of the notice letter. If no hearing is requested within the prescribed period the action becomes final.

4. If an agent is fined or the agent's permit is revoked or conditions imposed, the ***Deputy*** Administrator shall notify, by certified mail, the institution the agent represented in addition to the agent and any other parties to any hearing.

Sec. 27. NRS 394.515 is hereby amended to read as follows:

394.515 1. If the ***Deputy*** Administrator receives a copy of a court order issued pursuant to NRS 425.540 that provides for the suspension of all professional, occupational and recreational licenses, certificates and permits issued to a person who is the holder of an agent's permit, the ***Deputy*** Administrator shall deem the permit issued to that person to be suspended at the end of the 30th day after the date on which the court order was issued unless the ***Deputy*** Administrator receives a letter issued to the holder of the permit by the district attorney or other public agency pursuant to NRS 425.550 stating that the holder of the permit has complied with the subpoena or warrant or has satisfied the arrearage pursuant to NRS 425.560.

2. The ***Deputy*** Administrator shall reinstate an agent's permit that has been suspended by a district court pursuant to NRS 425.540 if the ***Deputy*** Administrator receives a letter issued by the district attorney or other public agency pursuant to NRS 425.550 to the person whose permit was suspended stating that the person whose permit was suspended has complied with the subpoena or warrant or has satisfied the arrearage pursuant to NRS 425.560.

Sec. 28. NRS 394.520 is hereby amended to read as follows:

394.520 1. Until 1 year after the last date of attendance or date on which the damage occurred, whichever is later, a person claiming damage as a result of any act by a postsecondary educational institution or its agent, or both, that is a violation of NRS 394.383 to 394.560, inclusive, or regulations adopted pursuant thereto, may file with the ***Deputy*** Administrator a verified complaint against the institution, its agent, or both. The complaint must set forth the alleged violation and contain other information as required by regulations of the Commission. A complaint may also be filed by a Commissioner or the Attorney General or initiated by the ***Deputy*** Administrator.

2. The ***Deputy*** Administrator shall investigate any verified complaint and may, at his or her discretion, attempt to effectuate a settlement by arbitration, mediation or negotiation. The ***Deputy*** Administrator may also consult with the applicable accrediting body to resolve the complaint. If a settlement cannot be reached, the ***Deputy*** Administrator shall render a decision and notify each party of the decision and the reasons for it by certified mail to his or her last known address. Either party may request a hearing before the Commission by notifying the ***Deputy*** Administrator by certified mail within

15 days after the decision was mailed to the party. The hearing must be held at the next meeting of the Commission in the geographical area convenient to the parties. If a hearing is not requested, the decision of the ***Deputy*** Administrator is final.

3. If, after consideration of all the evidence presented at a hearing, the Commission finds that a postsecondary educational institution or its agent, or both, are guilty of the violation alleged in the complaint, it shall issue and the ***Deputy*** Administrator shall serve upon the institution or agent, or both, an order to cease and desist from the violation. If the Commission finds the institution has substantially failed to furnish the instruction or services agreed upon in the agreement to enroll, it shall order the institution to make full restitution to the student of all money paid pursuant to the agreement. If the Commission finds that the institution has substantially furnished the instruction or services agreed upon in the agreement to enroll, but that conditions in the school were sufficiently substandard that it was not reasonable to expect the student to complete the instruction, the Commission shall order the institution to make restitution to the student of one-half the money paid pursuant to the agreement. The Commission may also, as appropriate, based on the ***Deputy*** Administrator's investigation and the evidence adduced at the hearing, or either of them, institute proceedings to revoke an institution's license or recommend that the ***Deputy*** Administrator institute proceedings to revoke an agent's permit.

Sec. 29. NRS 394.530 is hereby amended to read as follows:

394.530 If the Commission or the ***Deputy*** Administrator determines that irreparable injury would result from putting into immediate effect a final action or penalty, the Commission or ***Deputy*** Administrator, as appropriate, shall postpone the effective date of the action pending review.

Assembly Bill No. 252.

Bill read third time.

Remarks by Assemblywomen Titus and Carlton.

ASSEMBLYWOMAN TITUS:

Assembly Bill 252 relates to alternate addresses on peace officers' drivers' licenses. Assembly Bill 252 authorizes a peace officer or a retired peace officer to request the display of an alternate address on his or her driver's license, identification card, commercial driver's license, or commercial learner's permit instead of displaying his or her principal residence address. A peace officer must use as an alternate address his or her employer's address. A retired peace officer must provide the DMV [Department of Motor Vehicles] an alternate address at the time he or she submits the request. Lastly, the bill requires a peace officer or a retired peace officer to provide the DMV an address of principal residence or mailing address for the purpose of recordkeeping and mailing. This measure is effective upon passage and approval for the purpose of adopting regulations and on July 1, 2017, for all other purposes.

ASSEMBLYWOMAN CARLTON:

I would like to ask the sponsor of the bill how this varies from the procedures that are already in effect for current officers and retired officers. I do know that your address can be removed from the phone book and a number of other different ways. I believe there are provisions already on the books that allow this to happen, so I would like to understand what we are changing.

ASSEMBLYWOMAN TITUS:

Thank you for that question Assemblywoman from the south. I, too, had looked into that before. It is my understanding, when I spoke to DMV, that although they have a policy, there is

nothing in statute that actually requires them to do so, as far as requiring alternate addresses and where they put that address. What this bill specifically does is make them use the address of their previous place of employment if they have to put a physical address on the driver's license.

Remarks by Assemblyman Elliot Anderson.

ASSEMBLYMAN ELLIOT ANDERSON:

Assembly Bill 337 changes the law. Under existing law we have the Nevada National Guard who has employment protection. However, there are often cross border situations where someone is employed in this state but is in the National Guard of a different state. This ropes them in under existing law.

Remarks by Assemblyman Daly.

ASSEMBLYMAN DALY:

Assembly Bill 396 revises provisions governing lobbying of state legislators and financial disclosure statements filed by public officers and candidates. The bill revises certain terms that are defined in the Nevada Lobbying Disclosure Act, including the following terms: "Gift" is revised to provide an exception for a "de minimis" gift given to a legislator, family member, or staff. The term is further revised to exclude income from investment property, business transactions conducted at prices available to the public, payments in the context of employment or contract, and payments resulting from judgments, arbitration, or settlements. "Educational or informational meeting, event, or trip" is revised to exclude occasions undertaken as part of employment or contract and an event to which all legislators are invited, even if no speech or presentation is given, and "lobbyist" is revised to exclude a person who employs a lobbyist.

A public officer or candidate is required to disclose certain items of value received from an "interested person." This term is restricted to mean a person that the public officer or candidate should reasonably have known to hold a substantial interest in the actions of the officer or candidate. The officer or candidate is not required to disclose financial information for a full year if the officer or candidate was not a public officer during that calendar year.

The training must include at least six hours of instruction covering certain topics delineated in the bill.

ASSEMBLYMAN THOMPSON:

Assembly Bill 461 designates the third week in January as "Peace Week" in the state of Nevada and requires the Governor to issue annually a proclamation encouraging the observance of "Peace Week."

Peace Week is not new to Nevada. Years ago in Clark County, there were unofficial Peace Week celebrations that were always commenced the day after the observation of Dr. Martin Luther King, Jr. Day. According to the Peace Alliance, which are organizers and advocates for peace, there are five cornerstones to peace: (1) empowering community peace building; (2) teaching peace in schools; (3) humanizing justice systems; (4) cultivating personal peace; and (5) fostering international peace. This is a great opportunity to create a culture of peace in Nevada. I would appreciate your support.

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-NINTH SESSION, 2017

Governor, nice to see you. Speaker Frierson, Leader Ford, what a pleasure it is to be here, to see colleagues on both sides of the aisle and both sides of the bar. Thank you for inviting me back.

I walk in this building and it kind of tugs at my heart. I have some real special memories dating back almost 30 years. It is hard to admit that it has been that long, but it really has. I think about the people who made such a mark on our lives personally and on the lives of everybody in the state. Many of them are gone, unfortunately. I think about Bill Raggio. I remember when I was inducted into the Hall of Fame and people were standing up and being so nice, saying I had been their mentor. Well, that is what you say about somebody who has been around a long time. Then Bill Raggio gets up and says You may have been their mentor, but you were my tormentor for 20 years. It brought the house down and I will never forget that. There was Jack Vergiels, who was the head of both of these houses during his colorful career. Others who are gone—think about Tom Hickey, Jim Spinello, Virgil Getto, Joe Dini, Jan Evans, Debbie Smith, among others—those who left their mark in this building. And some in the lobby corps that we miss: Jim Joyce, Marie Soldo, Gary Gray, J. J. Jackson, and Wayne Frediani. They walked these halls and helped to shape policy. They all made it a better place and a better process.

But, you know, times change, people leave for different reasons, and they are replaced by new leaders who come and do their best for the state of Nevada. In fact, there are only two members of the Senate who are still here who were here when I was here: Joyce Woodhouse, who is our education maven, and my dear friend Maggie Carlton. Mags, way to go taking over the purse strings of this state. We are counting on you to do that. Of all the members of the Assembly, I think there are only seven, and two of them are now in the Senate: David Parks and Mark Manendo. It is very nice for me to look out here and see the daughters of two of my former colleagues who are carrying on their fathers' legacies. Joe Neal's daughter Dina [Neal]—Joe was the best orator this state has ever known—and of course Jim Bilbray, whose seat I took, has Shannon [Bilbray-Axelrod] here. Those generations continue. I still have a few students wandering the halls of this building. Jennifer Simich, I think is around, Richard Perkins was a student, Warren Hardy was a student, and even Senator Scott Hammond. I did not teach him enough, apparently. I know you must miss some of the LCB [Legislative Counsel Bureau] staffers: Don Williams and Bob Erickson were such stalwarts and always were so great in giving me the information that I needed. Thank goodness Brenda Erdoes is still here to help you all. And then in the press corps, Cy Ryan and Brendon Riley—where are you when we really need you? So those are the kinds of things that I remember and the people that I think about so fondly. Our roots run deep and our bonds are very strong.

I did not come tonight to tell you what is happening in Washington. That is really not necessary because we are working in tandem on so many different issues. In fact, I believe that our relationship, our communication, our collaboration is stronger now that it has ever been. I look at the agenda there—that is what I am concerned about—and I see how much you all have done here on that. For example, I have been working with Yvanna [Cancela] and Sandra [Jauregui] on the Pink Tax. Congratulations, I know that is moving here. Preacher Pat [Spearman], we have been working on women's veterans issues; thank you for that. Chris Brooks on solar energy, certainly a long time priority; with Nicole [Cannizzaro] on financial literacy; Mark Manendo on animal protection; John Hambrick on human trafficking; the Hispanic Caucus on comprehensive immigration reform; and with Tick Segerblom, I am a member of the cannabis caucus. We want to protect that marijuana industry—Tick, Tick, are you there? I am counting on you. Puff, puff, pass that bill.

A lot has happened in Nevada since we were hit so hard by the recession. Thanks to your leadership, unemployment has dropped considerably and the housing market has come back. We now have Tesla here; we have the Golden Knights; we are getting the Raiders; we have the designation, if not the funding for I-11, but that should come. UNLV hosted the last presidential debate and our LGBT friends can now get married with no problems. We have protected Gold Butte and Basin and Range for future generations. We have a new medical school in the south and several high-tech drone testing centers here in the state. So indeed, I think Nevada is on the march.

We really cannot be complacent about our accomplishments because there are forces that are coming down the pike that are really going to threaten the state and the way that we appreciate our progress, and we are going to have to deal with them. It is going to take all of us working together to make that happen. It is not going to be easy. I mentioned Bill Raggio—for 16 years I sat across the table from him and we went toe-to-toe on some very serious issues ranging from collective bargaining for state employees to giving southern Nevada its fair share. We always did it—and I think I can speak for him when I say this—with a great deal of respect and civility. Unfortunately, those days are over.

I am not going to lie to you. The halls of Congress are rife with partisanship. The rhetoric is very intense. The nation is divided and the wounds of the last election really have not scabbed over yet. Every bill seems to pass through Congress along partisan lines as the new majority attempts to roll back the protections that were put in place for consumers and the environment during the last Administration. The situation in Washington is really pretty much chaos. If you think about it, one day it is Obamacare repeal, the next it is on to tax reform. First it is infrastructure investment, and then it is back to building a wall. Yesterday NATO was obsolete, today not so much. For a while the President was in bed with Putin; now he is calling him out on Twitter. We are leaving Assad in place because we are not the policemen of the world, and now we are sending him a message with 59 cruise missiles. China is a currency manipulator; well, no, not today. The Export/Import Bank is bad; nope, now it is good. We dropped the mother of all bombs on Afghanistan and hey, North Korea, we may do the same thing to you because you are not behaving. The first 100 days of this Administration have been like scenes from bad political movies. First it was *Bulworth*, then it was *Wag the Dog*, and now I am afraid it is *Dr. Strangelove.*

I serve on the Foreign Affairs Committee. It is very interesting and very timely to be there now. In just one week, I was visited by the Brazilian Ambassador, a French Senator, a German member of the Bundestag, a group of Mongolian legislators, and the Ambassador of Greece. This is quite a diverse group, I think you will agree. Yet, they all had the same concerns; they were worried that there was so much uncertainty and so much instability that could lead to mistakes that would have long-lasting geopolitical and economic ramifications all around the world. This comes against the backdrop of a proposed 30 percent cut to the State Department budget.

It is not just people from around the world who are concerned. Here at home we see a coming together in ways that we have not witnessed in a long time. There are rallies, there are protests, there are neighborhood events. We have had a women's march, a tax march, and there is a science march. We have seen coverage of raucous town hall meetings and demonstrations on college campuses that have turned violent. It is because people want to know what is going on. They want to know what is going to happen to the programs that help those that are the most vulnerable, like Meals on Wheels for seniors; like life-saving medical research at the NIH [National Institutes of Health]; programs for hungry children and the disabled; Planned Parenthood; and Title II school programs. What about the arts and climate studies? People want answers. Where are the President's tax returns? Did Russia collude with the Trump campaign to affect our elections? What about tax breaks for the middle class and where are all those American jobs that were promised? These are the questions that people are asking. You put all this together, and yes, these are difficult times. I commend you for taking on the challenge of dealing with policy in these circumstances.

I believe if Nevada is going to succeed in this scenario, we are going to just have to suck it up, hold hands, and work together on some issues that I think will shape our future. The three

issues that I would like to focus on, that I think are most important are, Yucca Mountain, Medicaid expansion, and keeping our tourism industry strong.

First, we do not want to go from being the Silver State to being a nuke dump, but that is a possibility if we do not stand together. Representative Shimkus of Illinois is pushing Yucca Mountain so he can get rid of the spent fuel rods that are in his state. Mr. Mulvaney, who is the head of OMB [Office of Management and Budget], is from South Carolina. He wants to do the same thing; that is why he put the funding into the skinny budget for Yucca Mountain. The Attorney General of Texas is filing suit against the NRC [Nuclear Regulatory Commission] to try to push a decision on the repository. The Secretary of Energy, at his confirmation hearing, waffled when asked about my bill requiring consent from Nevada before it is put here. His subsequent trip to Yucca Mountain further signaled that this remains a viable option with the Administration. Furthermore, there is no love lost between President Trump and Nevada, where elected Republicans endorsed his opponents in the primary and where the voters went for Hillary Clinton in the general. So it is going to take all we have got, and then some, to block this boondoggle that was based on bad science and worse politics. Right now the best thing we have going for us is that it costs so much money, and this is money that conservatives do not want to spend. Furthermore, no one should be fooled into thinking that they are going to give Nevada some little sweetener for taking this dump because they do not even have the money to finish the project much less give us a bonus. So that is the first challenge.

Second, the challenge is expanding Medicaid coverage. I thank you and commend you, Governor, for doing that for the state of Nevada. Together, we have to oppose any attempt at so-called health care reform that eliminates that federal support for expanded Medicaid. If they do, it will put a tremendous financial burden on the state. It will result in tens of thousands losing their health care coverage; it will be 44,000 in District 1 alone. It will increase the burden on emergency rooms; it will raise the cost of indigent care; it will result in the loss of health care jobs; and it will jack up premiums for those who have insurance to pay for those who do not.

Third, we have got to keep our tourism industry strong. This covers a whole range of issues from comprehensive immigration reform to substantial investment in infrastructure, from increased UASI [Urban Areas Security Initiative] funding so our visitors will feel safe when they come, to maintaining control over Internet gaming at the state level. It also means opposing the xenophobic policies of this Administration. Travel bans and extreme vetting send a message to the rest of the world that the United States no long welcomes visitors. International visitors are our growth market here in Nevada. They stay longer and they spend more. They contributed over $6.3 billion to the state's economy last year alone. This is not just tourists. We are talking about business travelers, as well, who come to our international conferences. Since the first travel ban was announced, international searches for Las Vegas have dropped by double digits. Flights from Mexico—and I talked to both the Reno airport and the Las Vegas one—have dropped by over 20 percent. If this continues, I can tell you, as cochair of the Caucus for Travel and Tourism in Congress, it is going to take a lot more than Brand USA to attract those international visitors to our tourist destinations.

There are clearly other areas of importance. We have got to provide a quality education for our children; we have got to protect our natural resources. But I believe that if we come together—somebody once said we are stronger together—if we come together on these three priorities that I mentioned, I believe that Nevada's other challenges can be more easily met.

As you wind down this session—and I know you have a lot of work to do—I hope you will think of me as a friend and a partner. I hope you will call on me any time as these issues evolve here at the state level as well as in Washington. I want to thank you all for your hard work, for your commitment to public service, and for the sacrifice that you make when you leave your families and your careers to come up here and try to do the right thing for our state. By doing that you make Nevada a better place for all of us to live and work and play. Thank you very much.

2. Except as otherwise provided in subsection 3, nothing in sections 5 to 12, inclusive, of this act shall be construed to limit the Commissioner's authority, or the rights or obligations of third parties, under NRS 679B.230 to 679B.300, inclusive.

3. Nothing in sections 5 to 12, inclusive, of this act shall be construed to prescribe or impose corporate governance standards and internal

procedures beyond those which are required by the appropriate provisions of title 7 of NRS.

Sec. 6. ***As used in sections 5 to 12, inclusive, of this act, unless the context otherwise requires, "corporate governance annual disclosure" means a confidential report filed by an insurer or insurance group made in accordance with the requirements of sections 5 to 12, inclusive, of this act.***

Sec. 7. ***1. Each insurer, or the insurance group of which the insurer is a member, shall, not later than June 1 of each calendar year, submit to the Commissioner a corporate governance annual disclosure which contains the information prescribed by the Commissioner by regulation pursuant to subsection 2 of section 9 of this act. If an insurer is a member of an insurance group, the insurer shall submit the report required by this section to the insurance commissioner of the lead state for the insurance group in accordance with the laws of the lead state, as determined by the procedures contained in the most recent Financial Analysis Handbook published by the National Association of Insurance Commissioners.***

2. The corporate governance annual disclosure must include the signature of the chief executive officer or corporate secretary of the insurer or insurance group attesting that, to the best of that person's belief and knowledge, the insurer or insurance group has implemented the corporate governance practices described in the corporate governance annual disclosure and that a copy of the corporate governance annual disclosure has been provided to the board of directors, or the appropriate committee thereof, of the insurer or insurance group.

3. An insurer that is not required to submit a corporate governance annual disclosure to the Commissioner pursuant to subsection 1 shall do so upon the Commissioner's request.

4. For purposes of completing the corporate governance annual disclosure, the insurer or insurance group may provide information regarding the corporate governance at the level of the legal entity which exercises ultimate control over the insurer or insurance group, of an intermediate holding company or of the insurer or insurance group, depending upon the manner in which the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group shall, to the extent practicable, provide such information at the level at which:

(a) The insurer or insurance group determines the amount of risk it is willing to bear;

(b) The earnings, capital, liquidity, operations and reputation of the insurer or insurance group are overseen collectively and the supervision of those factors are coordinated and exercised; or

(c) Legal liability for a failure of general corporate governance duties would be placed.

➥ If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate in the corporate governance annual

disclosure which of the three criteria was used to determine the level of reporting and explain any changes in the level of reporting used for subsequent corporate governance annual disclosures.

5. The review of the corporate governance annual disclosure and any additional requests for information must be performed by the lead state as determined by the procedures contained in the most recent Financial Analysis Handbook published by the National Association of Insurance Commissioners.

6. An insurer or insurance group which provides information substantially similar to the information required by sections 5 to 12, inclusive, of this act in other documents provided to the Commissioner, including, without limitation, proxy statements filed in conjunction with any forms filed pursuant to NRS 692C.270 or any regulations adopted pursuant thereto, or other state or federal filings provided to the Division, may cross-reference in the corporate governance annual disclosure the document in which the information is included rather than duplicating such information in the corporate governance annual disclosure.

Sec. 8. ***The Commissioner may, upon notice and opportunity for all interested persons to be heard, issue such rules, regulations and orders as are necessary to carry out the provisions of sections 5 to 12, inclusive, of this act.***

Sec. 9. ***1. Except as otherwise provided in subsection 2, an insurer or insurance group may exercise discretion over the responses to inquiries in the corporate governance annual disclosure if the corporate governance annual disclosure contains the material information necessary to allow the Commissioner to gain an understanding of the corporate governance structure, policies and practices of the insurer or insurance group. The Commissioner may request additional information that he or she determines is material and necessary to gain a clear understanding of the corporate governance policies or the reporting, information system or controls implementing the corporate governance policies of the insurer or insurance group.***

2. Each insurer or insurance group shall prepare its corporate governance annual disclosure in a manner that is consistent with the instructions adopted by the Commissioner by regulation for the corporate governance annual disclosure. The insurer or insurance group shall maintain documentation and supporting information and make such material available upon examination or request by the Commissioner.

Sec. 10. ***1. Except as otherwise provided in sections 5 to 12, inclusive, of this act, and NRS 239.0115, any documents, materials and other information, including, without limitation, a corporate governance annual disclosure, in the possession or control of the Division which are obtained by, created by or disclosed to the Commissioner or any other person in accordance with the provisions of sections 5 to 12, inclusive, of***

this act are proprietary and constitute trade secrets. All such documents, materials and other information are:

(a) Confidential and privileged from disclosure;

(b) Not subject to subpoena; and

(c) Not subject to discovery or admissible in evidence in any private civil action.

2. The Commissioner may use the documents, materials or other information described in subsection 1 in the furtherance of any regulatory or legal action brought as a part of the official duties of the Commissioner. The Commissioner shall not otherwise make the documents, materials or other information public without the prior written consent of the insurer. Nothing in sections 5 to 12, inclusive, of this act shall be construed to require the written consent of the insurer before the Commissioner may share or receive confidential documents, materials or other information relating to a corporate governance annual disclosure pursuant to subsection 4 to assist in the performance of the regulatory duties of the Commissioner.

3. Neither the Commissioner nor any person who has received documents, materials or other information relating to a corporate governance annual disclosure through examination or otherwise, while acting under the authority of the Commissioner, or with whom such documents, materials or other information are shared pursuant to sections 5 to 12, inclusive, of this act, may be permitted or required to testify in any private civil action concerning any confidential documents, materials or information described in subsection 1.

4. To assist in the performance of his or her regulatory duties, the Commissioner may:

(a) Upon request, share documents, materials or other information relating to a corporate governance annual disclosure, including, without limitation, the confidential documents, materials or information described in subsection 1 and any other proprietary or trade secret documents and materials, with another state, federal or international financial regulatory agency, including, without limitation, the members of any supervisory college , as defined in NRS 692C.359, the National Association of Insurance Commissioners and a third-party consultant retained pursuant to section 11 of this act, if the recipient:

(2) Has verified in writing the legal authority to maintain confidentiality; and

(b) Receive documents, materials and other information relating to a corporate governance annual disclosure, including, without limitation, documents, materials or information which would otherwise be confidential and privileged and any other proprietary or trade secret

documents and materials, from a regulatory official of another state, federal or international financial regulatory agency, including, without limitation, the members of any supervisory college, as defined in NRS 692C.359, and the National Association of Insurance Commissioners and shall maintain as confidential or privileged any document, material or information received if the Commissioner is given notice or understands that such an item is confidential or privileged under the laws of the jurisdiction that is the source of the document, material or information.

5. The sharing of information and documents by the Commissioner pursuant to sections 5 to 12, inclusive, of this act does not constitute a delegation of regulatory authority or rulemaking, and the Commissioner is solely responsible for the administration, execution and enforcement of the provisions of sections 5 to 12, inclusive, of this act.

6. The disclosure of a document, material or information relating to a corporate governance annual disclosure to the Commissioner pursuant to sections 5 to 12, inclusive, of this act and the sharing of such an item as authorized by this section does not waive any applicable privilege or claim of confidentiality in such an item.

Sec. 11. ***To assist the performance of the Commissioner's regulatory duties, the Commissioner:***

1. May retain, at the expense of the insurer or insurance group, third-party consultants, including, without limitation, attorneys, actuaries, accountants and other experts who are not part of the staff of the Commissioner, as may be reasonably necessary to assist the Commissioner in reviewing a corporate governance annual disclosure and related information or the compliance of an insurer or insurance group with sections 5 to 12, inclusive, of this act, if:

(a) Any third-party consultant so retained is under the direction and control of the Commissioner and acts in a purely advisory capacity;

(b) The third-party consultant is subject to the same confidentiality standards and requirements as the Commissioner; and

(c) The third-party consultant verifies to the Commissioner before being retained, and provides notice to the insurer or insurance group, as applicable, that he or she does not have a conflict of interest and has internal procedures in place to monitor the existence of a conflict of interest and to comply with the confidentiality standards and requirements of sections 5 to 12, inclusive, of this act.

2. Shall enter into a written agreement with the National Association of Insurance Commissioners and with any third-party consultant retained by the Commissioner which governs the sharing and use of information provided pursuant to sections 5 to 12, inclusive, of this act. Such a written agreement must:

(a) Contain specific procedures and protocols for maintaining the confidentiality and security of information relating to a corporate governance annual disclosure which is shared with the National

Association of Insurance Commissioners or third-party consultant, including, without limitation, procedures and protocols for sharing by the National Association of Insurance Commissioners only with other state regulators from states in which an insurance group has domiciled insurers;

(b) Provide that the recipient of documents, materials or other information relating to a corporate governance annual disclosure agrees in writing to maintain the confidentiality and privileged status of such items and has verified in writing the legal authority to maintain confidentiality;

(c) Specify that ownership of any information relating to a corporate governance annual disclosure shared with the National Association of Insurance Commissioners or third-party consultant remains with the Commissioner and the use of the information by the National Association of Insurance Commissioners or third-party consultant is subject to the discretion of the Commissioner;

(d) Prohibit the National Association of Insurance Commissioners or third-party consultant from storing the shared information in a permanent database after the underlying analysis is completed;

(e) Require the National Association of Insurance Commissioners or third-party consultant to provide prompt notice to the Commissioner and to the insurer or insurance group, as applicable, regarding any subpoena, request for disclosure or request for production of the information relating to the corporate governance annual disclosure of the insurer or insurance group, as applicable; and

(f) Require the National Association of Insurance Commissioners or third-party consultant to consent to intervention by an insurer or insurance group in any judicial or administrative action in which the National Association of Insurance Commissioners or third-party consultant may be required to disclose confidential information about the insurer or insurance group which is shared with the National Association of Insurance Commissioners or third-party consultant.

Sec. 12. ***1. If an insurer or insurance group fails, without just cause, to timely file a corporate governance annual disclosure as required in sections 5 to 12, inclusive, of this act, the insurer or insurance group shall, after receiving notice and a hearing, pay a civil penalty of $1,500 for each day the insurer or insurance group fails to file the corporate governance annual disclosure. The civil penalty may be recovered in a civil action brought by the Commissioner. Any civil penalty paid pursuant to this subsection must be deposited into the State General Fund.***

2. The maximum civil penalty that may be imposed pursuant to subsection 1 is $100,000. The Commissioner may reduce the amount of the civil penalty if the insurer or insurance group demonstrates to the satisfaction of the Commissioner that the payment of the civil penalty would constitute a financial hardship on the insurer or insurance group.

Sec. 13. *As used in sections 13 to 16, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 14 and 15 of this act have the meanings ascribed to them in those sections.*

Sec. 14. *"Group-wide supervisor" means a regulatory official who is authorized to engage in conducting and coordinating supervision activities across an insurance group and who is determined or acknowledged by the Commissioner pursuant to section 16 of this act to have sufficient significant contacts with the internationally active insurance group.*

Sec. 15. *"Internationally active insurance group" means an insurance holding company system which:*

1. Includes an insurer registered under NRS 692C.260; and

2. Meets the following criteria:

(a) Writes premiums in at least three countries;

(b) Writes 10 percent or more of the insurance holding company system's total gross written premiums outside of the United States; and

(c) Based on a 3-year rolling average, has total assets of $50 billion or more or total gross written premiums of $10 billion or more.

Sec. 16. *1. The Commissioner may act as the group-wide supervisor for an internationally active insurance group in accordance with the provisions of this section. The Commissioner may acknowledge another regulatory official as the group-wide supervisor of an internationally active insurance group if the internationally active insurance group:*

(a) Does not have substantial insurance operations in the United States;

(b) Has substantial insurance operations in the United States, but not in this State; or

(c) Has substantial insurance operations in the United States and this State, but the Commissioner has determined pursuant to the factors set forth in subsections 3 and 8 that the other regulatory official is the appropriate group-wide supervisor.

2. An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the Commissioner make a determination or acknowledgment of a group-wide supervisor pursuant to this section.

3. In cooperation with other state, federal and international regulatory agencies, the Commissioner shall identify a single group-wide supervisor for each internationally active insurance group. The Commissioner may determine that the Commissioner is the appropriate group-wide supervisor for an internationally active insurance group which conducts substantial insurance operations that are concentrated in this State. The Commissioner may acknowledge that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for an internationally active insurance group. The Commissioner shall consider the following factors when making a determination or acknowledgment under this subsection:

(a) The place of domicile of the insurers within the internationally active insurance group that hold the largest share of the group's written premiums, assets or liabilities;

(b) The place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group;

(c) The location of the executive offices or largest operational offices of the internationally active insurance group;

(d) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a regulatory system that the Commissioner determines to be:

(1) Substantially similar to the system of regulation provided under the laws of this State; or

(2) Otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis and cooperation with other regulatory officials; and

(e) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the Commissioner with reasonably reciprocal recognition and cooperation.

➥ However, a person identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another person to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor must be made after consideration of the factors listed in paragraphs (a) to (e), inclusive, and must be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group and in consultation with the internationally active insurance group.

4. Notwithstanding any other provision of law and except as otherwise provided in this subsection, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the Commissioner shall acknowledge that regulatory official as the group-wide supervisor. However, if a material change in the internationally active insurance group results in:

(a) The internationally active insurance group's insurers domiciled in this State holding the largest share of the group's premiums, assets or liabilities; or

(b) This State being the place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the internationally active insurance group,

➥ the Commissioner shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group pursuant to subsection 3.

5. Pursuant to NRS 692C.410, the Commissioner may collect from any insurer registered pursuant to NRS 692C.260 all information necessary to

determine whether the Commissioner may act as the group-wide supervisor of an internationally active insurance group or if the Commissioner may acknowledge another regulatory official to act as the group-wide supervisor. Before issuing a determination that the Commissioner act as the group-wide supervisor of an internationally active insurance group, the Commissioner shall notify the insurer registered pursuant to NRS 692C.410 and the ultimate controlling person within the internationally active insurance group. The Commissioner shall allow the internationally active insurance group not less than 30 days to provide the Commissioner with additional information pertinent to the pending determination.

6. If the Commissioner is the group-wide supervisor for an internationally active insurance group, the Commissioner may:

(a) Assess the enterprise risks within the internationally active insurance group to ensure that:

(1) The material financial condition and liquidity risks to the members of the internationally active insurance group that are engaged in the business of insurance are identified by management; and

(2) Reasonable and effective mitigation measures are in place;

(b) Request, from any member of the internationally active insurance group, any information necessary and appropriate to assess enterprise risk, including, without limitation, information about the members of the internationally active insurance group relating to:

(1) Governance, risk assessment and management;

(2) Capital adequacy; and

(3) Material intercompany transactions;

(c) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of the internationally active insurance group that are engaged in the business of insurance;

(d) Communicate with other state, federal and international regulatory agencies for members within the internationally active insurance group and share relevant information subject to the confidentiality provisions of NRS 692C.420, including, without limitation, through supervisory colleges as defined in NRS 692C.359;

(e) Enter into agreements with or obtain documentation from any insurer registered under NRS 692C.410, any member of the internationally active insurance group and any other state, federal and international regulatory agencies for members of the internationally active insurance group which provide the basis for or otherwise clarify the role of the Commissioner as group-wide supervisor, including, without limitation, provisions for resolving disputes with other regulatory officials; and

(f) Engage in such other group-wide supervision activities consistent with the provisions of this subsection as considered necessary by the Commissioner.

7. Any agreement entered into or document obtained pursuant to paragraph (e) of subsection 6 must not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this State is doing business in this State or is otherwise subject to jurisdiction in this State.

8. If the Commissioner acknowledges that another regulatory official from a jurisdiction that is not accredited by the National Association of Insurance Commissioners is a group-wide supervisor, the Commissioner may reasonably cooperate, through supervisory colleges as defined in NRS 692C.359 or otherwise, with activities undertaken by the group-wide supervisor if:

(a) The Commissioner's cooperation complies with the laws of this State; and

(b) The regulatory official acknowledged as the group-wide supervisor also recognizes and cooperates with the Commissioner's activities as a group-wide supervisor for other internationally active insurance groups where applicable.

➥ If such recognition and cooperation is not reasonably reciprocal, the Commissioner may refuse recognition and cooperation.

9. The Commissioner may enter into agreements with or obtain documentation from any insurer registered under NRS 692C.410, any affiliate of such an insurer and other state, federal and international regulatory agencies for members of an internationally active insurance group that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

10. The Commissioner may adopt regulations necessary for the administration of this section.

11. A registered insurer subject to this section shall be liable for and pay the reasonable expenses of the Commissioner for the administration of this section, including the engagement of attorneys, actuaries and any other professionals and all reasonable travel expenses.

Amendment No. 29.

AN ACT relating to trust companies; authorizing certain foreign trust companies that are not subject to certain federal regulation to engage in the solicitation of trust company business or open a trust representative office in this State under certain circumstances without licensure upon the approval of the Commissioner of Financial Institutions; authorizing certain foreign trust companies that are subject to certain federal regulation to act as a fiduciary or solicit trust company business in Nevada under certain circumstances without licensure by the Commissioner; authorizing certain foreign trust companies that are subject to certain federal regulation to establish and maintain certain offices and engage in the business of a trust company in Nevada under certain circumstances without licensure upon the approval of the Commissioner; revising the qualifications for serving as a trustee of a spendthrift trust; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Commissioner of Financial Institutions is charged with regulating and licensing certain business entities that act as a trustee in Nevada. (Chapter 669 of NRS) Existing law authorizes a foreign trust company that does not maintain an office in Nevada to be appointed to act as a fiduciary by any court or by authority of any law of this State without being

licensed as a trust company in Nevada if the home state of the foreign trust company allows trust companies licensed in Nevada to be appointed in the home state as a fiduciary on a reciprocal basis. (NRS 662.245)

Section 8 of this bill authorizes a foreign independent trust company, which is defined in **section 5** of this bill as a trust company that is licensed under the laws of a state other than Nevada and is not subject to regulation, supervision and examination by certain federal regulators, to request approval from the Commissioner of Financial Institutions for authorization to solicit trust company business in Nevada without obtaining a license to engage in that activity. **Section 8** provides a procedure for renewal of such authorization and prohibits a foreign independent trust company with such authorization from acting in any fiduciary capacities or otherwise engaging in any activity as a trust company for which a license is required. **Section 9** of this bill authorizes the Commissioner of Financial Institutions to require a foreign independent trust company with authorization to solicit trust company business in Nevada to maintain a surety bond and sets forth the requirements associated with the maintenance of a surety bond.

Section 10 of this bill authorizes a foreign trust company, which is defined in **section 6** of this bill as a trust company licensed in a state other than Nevada and which is subject to regulation, supervision and examination on the state and federal levels, to act as a fiduciary and engage in solicitation of trust company business in Nevada if: (1) the foreign trust company is authorized by its home state to act as a fiduciary or engage in the solicitation of trust business; (2) the foreign trust company is a subsidiary of a bank, savings association, bank holding company or savings and loan holding company that is subject to certain federal regulation; and (3) certain entities that act as fiduciaries or are engaged in the solicitation of trust company business in Nevada are allowed to engage in those activities in the home state of the foreign trust company in a reciprocal manner. **Section 11** of this bill requires that such a foreign trust company is deemed to have appointed the Commissioner as its agent for service of process in actions or proceedings related to its activities in Nevada.

Section 12 of this bill authorizes a foreign trust company, upon the approval of the Commissioner, to engage in the business of a trust company and establish and maintain one or more retail trust company offices in Nevada if the foreign trust company meets certain requirements, including whether the foreign trust company is authorized by its home state to conduct business as a trust company and whether the home state of the foreign trust company allows certain trust companies licensed in Nevada to engage in similar activities in the home state on a reciprocal basis.

Under existing law, to qualify as a trustee of a spendthrift trust in Nevada, a trust company is required to be organized under federal or state law and maintain an office in Nevada for the transaction of business. (NRS 166.015) **Section 16** of this bill ~~[adds the qualification that all or part of the administration of the spendthrift trust occur at that office in Nevada, thereby~~

~~disqualifying a foreign independent trust company that does not have an office in Nevada from serving as a trustee of a spendthrift trust in this State.]~~ **provides that a trust company does not include a foreign independent trust company authorized to engage in the solicitation of trust company business in this State pursuant to section 8.**

Existing law authorizes the Commissioner of Financial Institutions to impose administrative fines for violations of the laws governing trust companies, and certain such violations are gross misdemeanors. (NRS 669.295, 669.300) These penalties apply to violations of **sections 3-12** of this bill.

Assembly Bill No. 150.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 64.

AN ACT relating to private professional guardians; revising provisions governing the qualifications necessary to serve as a private professional guardian; requiring certain persons to submit fingerprints to the Division of Financial Institutions of the Department of Business and Industry not less than once every 5 years for the purpose of obtaining a report from the Federal Bureau of Investigation; requiring the Division to maintain a copy of all such reports; requiring the Commissioner of Financial Institutions to adopt regulations establishing any fee required to obtain such reports; replacing references to the term "case manager"; removing the provision that exempts private professional guardians from the provisions of law concerning summary administration granted by a court; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that in order for a natural person to serve as a private professional guardian, the person must be: (1) qualified to serve as a guardian for an adult or a minor; and (2) a guardian who has a license to engage in the business of a private professional guardian or who does not have such a

license but is certified by the Center for Guardianship Certification. (NRS 159.0595) **Section 2** of this bill removes the requirement relating to the licensure of a natural person and generally provides that in order for a person to serve as a private professional guardian, the person must be: (1) a natural person who is employed by an entity that is licensed to engage in the business of a private professional guardian and who is certified by the Center for Guardianship Certification; or (2) an entity that is licensed to engage in the business of a private professional guardian and meets certain other requirements. **Sections 1, 4-9, 11-13 and 15-20** of this bill make conforming changes.

Existing law requires, as part of an application for a license to engage in the business of a private professional guardian, that certain persons submit to the Commissioner of Financial Institutions a complete set of fingerprints and written permission authorizing the Division of Financial Institutions of the Department of Business and Industry to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation (hereinafter "FBI") for its report. (NRS 628B.310) **Section 3** of this bill requires: (1) certain persons to submit to the Commissioner, not less than once every 5 years, a complete set of fingerprints and such written permission to enable the Division to obtain a report from the FBI; and (2) the Division to maintain a copy of all reports obtained from the FBI. **Section 3** also requires the Commissioner to adopt regulations establishing the amount of any fee required to obtain a report from the FBI.

Existing law also requires the Commissioner to investigate the facts of an application and the other requirements set forth by law to determine information about certain persons, including any person acting in a case manager capacity. (NRS 628B.330) Existing law further requires the director or manager of a private professional guardian company to require fidelity bonds on certain persons, including a member of the company acting in a case manager capacity, to indemnify the company against loss. (NRS 628B.540) **Sections 9, 10 and 14** of this bill replace the term "case manager" with references to a person who acts in a capacity in which he or she is authorized to make discretionary decisions on behalf of the applicant or private professional guardian company, as applicable.

Existing law provides that with regard to guardianships and the administration of smaller estates, the court is authorized to grant a summary administration if it appears that the value of the property of a ward, after payment of all claims and expenses of the guardianship, does not exceed $10,000. If the court grants a summary administration, the guardian is required to file an inventory and record of value with the court, and the court is authorized to impose certain requirements upon the guardian. (NRS 159.076) Existing law also provides that such provisions concerning summary administration do not apply to a private professional guardian. (NRS 628B.550) **Section 15** removes this exemption.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 191.

ASSEMBLYMEN PICKARD; COHEN AND TOLLES

JOINT SPONSORS: SENATORS DENIS, GANSERT, GOICOECHEA, HAMMOND, HARDY, HARRIS, PARKS AND ROBERSON

AN ACT relating to parental rights; revising provisions governing the required service regarding a proceeding for the termination of parental rights; revising the time for a hearing to terminate parental rights; making certain hearings, files and records of the court relating to a proceeding for the termination of parental rights confidential in certain circumstances; authorizing the termination of parental rights in certain circumstances involving a sexual assault; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires that service of notice, including, without limitation, by personal service, publication or mailing, must be attempted on a parent, legal custodian or guardian or relative of a child before the commencement of a proceeding for the termination of parental rights. (NRS 128.060,

128.070) Existing law requires personal service to be attempted on a parent or legal custodian or guardian in such a case if the parent or legal custodian or guardian resides in this State. **Section 2** of this bill removes the requirement that the person live in this State so that personal service must be attempted on such a person regardless of residence. If personal service is not feasible, **sections 3 and 4** of this bill authorize the publication of a notice of hearing for the termination of parental rights under certain conditions, after the clerk of the court has replaced every instance of the name of the child with the initials of the child on the notice of hearing.

Existing law requires a hearing to terminate the parental rights of a father, at the request of the mother of an unborn child, to be held after the birth of the child or 6 months after the filing of the petition, whichever is later. (NRS 128.085) **Section 5** of this bill allows such a hearing to take place any time after the birth of the child and service on the father or putative father, if known, is completed.

Existing law requires all hearings, files and records of a court relating to an adoption proceeding to be confidential. (NRS 127.140) **Sections 6 and 8** of this bill similarly require that the hearings, files and records of a court relating to a proceeding to terminate parental rights are confidential, with certain exceptions.

Existing law specifies that if a child is conceived as the result of a sexual assault and the person convicted of the sexual assault is the natural father of the child, that person has no right to custody of the child or visitation except in certain circumstances. (NRS 125C.210) **Section 7** of this bill provides that the conviction of the natural ~~[father]~~ **parent** of a child for a sexual assault which resulted in the conception of the child is grounds for terminating the parental rights of the natural ~~[father.]~~ **parent.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 128.050 is hereby amended to read as follows:

(d) The name and residence of the person or persons having physical custody or control of the child.

(f) The name and residence of the child's nearest known relative **,** ~~[residing within the State,]~~ if no parent or guardian can be found.

4. If the petitioner is a mother filing with respect to her unborn child, the petition must so state and must contain the name and residence of the father or putative father, if known.

5. If the petitioner or the child is receiving public assistance, the petition must so state.

Sec. 2. NRS 128.060 is hereby amended to read as follows:

128.060 1. After a petition has been filed, unless the party or parties to be served voluntarily appear and consent to the hearing, the court shall direct the clerk to issue a notice, reciting briefly the substance of the petition and stating the date set for the hearing thereof, and requiring the person served therewith to appear before the court at the time and place if that person desires to oppose the petition.

2. ~~[The]~~ ***Except as otherwise provided in NRS 128.070, the*** following persons must be personally served with the notice:

(a) The father or mother of the minor person, ~~[if residing within this State, and]~~ if his or her place of residence is known to the petitioner, ~~[or, if there is no parent so residing,]~~ or if the place of residence of the father or mother is not known to the petitioner, then the nearest known relative of that person, if there is any residing within the State, and if his or her residence and relationship are known to the petitioner; and

When the father or mother of a minor child or the child's legal custodian or guardian ~~[resides out of the State, has departed from the State, or]~~ cannot, after due diligence, be found ~~[within the State,]~~ or conceals himself or herself to avoid the service of the notice of hearing, and the fact appears, by affidavit, to the satisfaction of the court thereof, and it appears, either by affidavit or by a verified petition on file, that the named father or mother or custodian or guardian is a necessary or proper party to the proceedings, the court may grant an order that the service be made by the publication of the notice of hearing. When the affidavit is based on the fact that the ***present address of the*** father or mother or custodian or guardian ~~[resides out of the State, and his or her present address]~~ is unknown, it is a sufficient showing of that fact if the affiant states generally in the affidavit that:

(a) At a previous time the person resided ~~[out of this State]~~ in a certain place (naming the place and stating the latest date known to the affiant when the person so resided there);

(b) That place is the last place in which the person resided to the knowledge of the affiant;

(c) The person no longer resides at that place; ***and***

(d) The affiant does not know the present place of residence of the person or where the person can be found **.** ~~[~~; and

~~(e) The affiant does not know and has never been informed and has no reason to believe that the person now resides in this State.]~~

➥ In such case, ~~[it shall be presumed that the person still resides and remains out of the State, and]~~ the affidavit shall be deemed to be a sufficient showing of due diligence to find the father or mother or custodian or guardian.

2. The order must direct the publication to be made in a newspaper, to be designated by the court, for a period of 4 weeks, and at least once a week during that time. ~~[In case of publication, where the residence of a nonresident or absent father or mother or custodian or guardian is known, the court shall also direct a copy of the notice of hearing and petition to be deposited in the post office, directed to the person to be served at his or her place of residence.]~~ When publication is ordered, personal service of a copy of the notice of hearing and petition ~~[, out of the State,]~~ is equivalent to completed service by publication **,** ~~[and deposit in the post office,]~~ and the person so served has 20 days after the service to appear and answer or otherwise plead. The service must be made by delivering a copy of the notice of hearing together with a copy of the petition in person to the person served. The methods of service are cumulative, and may be utilized with, after or independently of other methods of service.]~~ ***Before a notice of hearing is published pursuant to subsection 2, the clerk of the court shall ensure that the name of the minor child is replaced with the initials of the minor child in every instance where the name of the minor child appears in the notice of hearing.***

4. Whenever personal service cannot be made, the court may require, before ordering service by publication **,** ~~[or by publication and mailing,]~~ such further and additional search to determine the whereabouts of the person to

5. If one or both of the parents of the minor is unknown, or if the name of either or both of the parents of the minor is uncertain, then those facts must be set forth in the affidavit and the court shall order the notice to be directed and addressed to either the father or the mother of the person, and to all persons claiming to be the father or mother of the person. The notice, after the caption, must be addressed substantially as follows: "To the father and mother of the above-named person, and to all persons claiming to be the father or mother of that person."

128.090 1. At the time stated in the notice, or at the earliest time thereafter to which the hearing may be postponed, the court shall proceed to hear the petition.

2. The proceedings are civil in nature and are governed by the Nevada Rules of Civil Procedure. The court shall in all cases require the petitioner to establish the facts by clear and convincing evidence and shall give full and careful consideration to all of the evidence presented, with regard to the rights and claims of the parent of the child and to any and all ties of blood or affection, but with a dominant purpose of serving the best interests of the child.

3. Information contained in a report filed pursuant to NRS 432.0999 to 432.130, inclusive, or chapter 432B of NRS may not be excluded from the proceeding by the invoking of any privilege.

(1) Abandonment of the child;

(2) Neglect of the child;

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 192.

AN ACT relating to civil actions; establishing the procedure for changing the name of a minor; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person to change his or her name by filing a petition in the district court of the district in which the person resides. (NRS 41.270) **Sections** ~~[2-7]~~ **2-7.5** of this bill establish the procedure for changing the name of a minor. **Section 5** of this bill authorizes the parent of an

unemancipated minor to file a petition to change the name of the minor. The petition must include **:** ~~[the:]~~ (1) **the** minor's present name; (2) **the** name the minor will bear in the future; (3) **the** reason for the name change; (4) **the** consent of the minor if the minor is over 14 years of age; (5) **the verified** consent of the other parent, if any; ~~[and]~~ (6) **the** name and address of the other parent of the minor, if known **.** ~~[.]~~ **; and (7) whether the minor has been convicted of a felony.**

Section 6 of this bill requires the petitioning parent to personally serve notice upon the other parent unless the other parent consents to the change of name. If the petitioning parent can establish to the court that notice cannot be personally served on the other parent, the court may order the petitioning parent to: (1) publish the notice in a newspaper of general circulation for 3 successive weeks; and (2) serve notice and a copy of the petition by mail to the other parent's last known address.

Section 7 of this bill requires the court to make an order changing the name of the minor as requested in the petition upon being satisfied by the statements in the petition or other evidence that good reason exists, if: (1) **verified consent of** the other parent ~~[consents;]~~ **is stated in the petition;** or (2) no written objection is filed within 10 days after the other parent is personally served or the last publication of notice as ordered by the court, upon proof of filing and evidence of service. **Section 7** also requires the court to hold a hearing if an objection is filed. The order must be recorded as a judgment of the court and the clerk is required to transmit a certified copy of the order to the State Registrar of Vital Statistics.

Section 7.5 of this bill authorizes a petition to change the name of an unemancipated minor to be filed in an action concerning divorce, child custody, the establishment of parentage, the termination of parental rights or the emancipation of a minor. If such a petition is filed, the notice and service requirements of the applicable action apply.

Amendment No. 266.

AN ACT relating to receiverships; enacting the Uniform Commercial Real Estate Receivership Act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a court to appoint a receiver in certain cases and under certain circumstances. (NRS 32.010, 32.015) This bill enacts the Uniform Commercial Real Estate Receivership Act to establish provisions governing the appointment and powers of a receiver for real property that is used for certain commercial purposes and any personal property related to or used in operating that real property.

Section 29 of this bill sets forth the circumstances under which a court is authorized to appoint a receiver for such property. Under **section 29**, a court is authorized to appoint a receiver: (1) before judgment if the property is subjected to or is in danger of waste, loss, dissipation or impairment or has been or is about to be subject to a voidable transaction; (2) to carry a judgment into effect or preserve property pending an appeal or when an owner of the property refuses to apply the property in satisfaction of the judgment; (3) when the court determines that equitable grounds establish the need for a receiver; or (4) to preserve property that has been sold in an execution or foreclosure sale during the period that the property may be redeemed by the debtor. **Section 29** further provides that a mortgagee under a

mortgage for certain commercial real property is entitled to the appointment of a receiver under certain circumstances.

Section 30 of this bill establishes the circumstances under which a person is disqualified from appointment as a receiver because the person has certain conflicts of interest. Under **section 30**, a court is prohibited from appointing a person as receiver unless the person submits to the court a statement under penalty of perjury that the person is not disqualified from such appointment. **Section 30.5 of this bill requires the Nevada Supreme Court to adopt rules: (1) governing the ethics and independence of receivers; and (2) preventing self-dealing by a receiver.** **Section 31** of this bill requires a receiver to post a bond or alternative security with the court appointing the receiver.

Sections 32-37 of this bill enact provisions setting forth the effect of the appointment of a receiver. **Section 32** provides that a receiver has the status and priority of a lien creditor with respect to the receivership property. Under **section 33**, the appointment of a receiver does not affect the validity of any security interest granted before the appointment of the receiver, and any property acquired by a receiver is subject to a security interest granted under an agreement entered into before the appointment of the receiver. **Section 34** requires a person who possesses property for which a receiver has been appointed to turn over the property to the receiver on demand by the receiver. **Section 35** sets forth the powers and duties of a receiver with respect to the receivership property, including, without limitation, the authority to manage and protect receivership property, operate a business constituting receivership property, pay expenses and assert the rights, claims and defenses of the owner of the property. **Section 36** sets forth the duties of the owner of property for which a receiver has been appointed, including, without limitation, a requirement to assist and cooperate with the receiver, preserve and turn over to the receiver receivership property in the owner's possession or control and making available to the receiver certain records. **Section 37** provides that the appointment of a receiver automatically stays certain actions and proceedings involving receivership property and allows a person whose action or proceeding is stayed to apply to the court for relief from the stay.

Sections 38-46 of this bill enact provisions governing the administration of the receivership. **Section 38** authorizes the receiver to hire and pay certain professionals to assist in the administration of the receivership upon approval of the court. **Section 39** authorizes a receiver to dispose of receivership property outside of the ordinary court of business with the approval of the court. **Sections 39 and 43** further provide that: (1) such a disposition of receivership property is free and clear of junior liens unless the agreement for the disposition provides otherwise; and (2) secured creditors are entitled to receive the proceeds of such a disposition according to the priority established by existing law. **Section 40** authorizes a receiver to adopt or reject contracts under which a party has an unperformed obligation upon

approval of the court and establishes the procedures for doing so. **Section 41** provides immunity to a receiver and requires the approval of the appointing court before a receiver may be sued personally for an act or omission in administering receivership property. **Section 43** requires a receiver to notify certain creditors of the appointment of the receiver and requires creditors to file claims with the receiver to obtain a distribution of or proceeds from receivership property. **Sections 42 and 46** require a receiver to file certain reports with the court.

Under **section 47** of this bill, when the court of another state has appointed a person as receiver, a court in this State may appoint that person as an ancillary receiver for the purpose of obtaining possession and control of receivership property located in this State. **Section 47** further authorizes the court to enter any order necessary to effectuate an order of a court in another state appointing or directing a receiver.

Section 48 of this bill sets forth certain effects of the appointment of a receiver upon the request of a mortgagee or assignee of rents.

If the court later concludes that the appointment was justified, the court shall release the security.

Sec. 30. *1. The court may not appoint a person as receiver unless the person submits to the court a statement under penalty of perjury that the person is not disqualified.*

(b) Has an interest materially adverse to an interest of a party;

(c) Has a material financial interest in the outcome of the action, other than compensation the court may allow the receiver;

(d) Has a debtor-creditor relationship with a party; or

(b) Subject to subsection 3, a person that has possession, custody or control of receivership property shall turn the property over to the receiver.

2. A person that has notice of the appointment of a receiver and owes a debt that is receivership property may not satisfy the debt by payment to the owner.

3. If a creditor has possession, custody or control of receivership property and the validity, perfection or priority of the creditor's lien on the property depends on the creditor's possession, custody or control, the creditor may retain possession, custody or control until the court orders adequate protection of the creditor's lien.

4. Unless a bona fide dispute exists about a receiver's right to possession, custody or control of receivership property, the court may sanction as civil contempt a person's failure to turn the property over when required by this section.

Sec. 35. *1. Except as limited by court order or law of this State other than sections 2 to 50, inclusive, of this act, a receiver may:*

(a) Collect, control, manage, conserve and protect receivership property;

(b) Operate a business constituting receivership property, including preservation, use, sale, lease, license, exchange, collection or disposition of the property in the ordinary course of business;

(e) Seek and obtain instruction from the court concerning receivership property, exercise of the receiver's powers and performance of the receiver's duties;

(f) On subpoena, compel a person to submit to examination under oath, or to produce and permit inspection and copying of designated records or tangible things, with respect to receivership property or any other matter that may affect administration of the receivership;

(g) Engage a professional as provided in section 38 of this act;

(h) Apply to a court of another state for appointment as ancillary receiver with respect to receivership property located in that state; and

(i) Exercise any power conferred by court order, sections 2 to 50, inclusive, of this act or law of this State other than sections 2 to 50, inclusive, of this act.

2. With court approval, a receiver may:

(a) Incur debt for the use or benefit of receivership property other than in the ordinary course of business;

(b) Make improvements to receivership property;

3. A receiver shall:

(d) Disclose to the court any fact arising during the receivership which would disqualify the receiver under section 30 of this act; and

(e) Perform any duty imposed by court order, sections 2 to 50, inclusive, of this act or law of this State other than sections 2 to 50, inclusive, of this act.

4. The powers and duties of a receiver may be expanded, modified or limited by court order.

Sec. 36. *1. An owner shall:*

(a) Assist and cooperate with the receiver in the administration of the receivership and the discharge of the receiver's duties;

(b) Preserve and turn over to the receiver all receivership property in the owner's possession, custody or control;

(c) Identify all records and other information relating to the receivership property, including a password, authorization or other information needed to obtain or maintain access to or control of the receivership property, and make available to the receiver the records and information in the owner's possession, custody or control;

(d) On subpoena, submit to examination under oath by the receiver concerning the acts, conduct, property, liabilities and financial condition of the owner or any matter relating to the receivership property or the receivership; and

(e) Perform any duty imposed by court order, sections 2 to 50, inclusive, of this act or law of this State other than sections 2 to 50, inclusive, of this act.

2. If an owner is a person other than an individual, this section applies to each officer, director, manager, member, partner, trustee or other person exercising or having the power to exercise control over the affairs of the owner.

3. If a person knowingly fails to perform a duty imposed by this section, the court may:

(a) Award the receiver actual damages caused by the person's failure, reasonable attorney's fees and costs; and

(b) Sanction the failure as civil contempt.

Sec. 37. *1. Except as otherwise provided in subsection 4 or ordered by the court, an order appointing a receiver operates as a stay, applicable to all persons, of an act, action or proceeding:*

(a) To obtain possession of, exercise control over or enforce a judgment against receivership property; and

(b) To enforce a lien against receivership property to the extent the lien secures a claim against the owner which arose before entry of the order.

2. Except as otherwise provided in subsection 4, the court may enjoin an act, action or proceeding against or relating to receivership property if the injunction is necessary to protect the property or facilitate administration of the receivership.

3. A person whose act, action or proceeding is stayed or enjoined under this section may apply to the court for relief from the stay or injunction for cause.

4. An order under subsection 1 or 2 does not operate as a stay or injunction of:

(a) An act, action or proceeding to foreclose or otherwise enforce a mortgage by the person seeking appointment of the receiver;

(b) An act, action or proceeding to perfect, or maintain or continue the perfection of, an interest in receivership property;

(c) Commencement or continuation of a criminal proceeding;

(d) Commencement or continuation of an action or proceeding, or enforcement of a judgment other than a money judgment in an action or

proceeding, by a governmental unit to enforce its police or regulatory power; or

(e) Establishment by a governmental unit of a tax liability against the owner or receivership property or an appeal of the liability.

5. The court may void an act that violates a stay or injunction under this section.

6. If a person knowingly violates a stay or injunction under this section, the court may:

(a) Award actual damages caused by the violation, reasonable attorney's fees and costs; and

(b) Sanction the violation as civil contempt.

Sec. 38. *1. With court approval, a receiver may engage an attorney, accountant, appraiser, auctioneer, broker or other professional to assist the receiver in performing a duty or exercising a power of the receiver. The receiver shall disclose to the court:*

(a) The identity and qualifications of the professional;

(b) The scope and nature of the proposed engagement;

(c) Any potential conflict of interest; and

(d) The proposed compensation.

2. A person is not disqualified from engagement under this section solely because of the person's engagement by, representation of or other relationship with the receiver, a creditor or a party. Sections 2 to 50, inclusive, of this act do not prevent the receiver from serving in the receivership as an attorney, accountant, auctioneer or broker when authorized by law.

3. A receiver or professional engaged under subsection 1 shall file with the court an itemized statement of the time spent, work performed and billing rate of each person that performed the work and an itemized list of expenses. The receiver shall pay the amount approved by the court.

Sec. 39. *1. With court approval, a receiver may use receivership property other than in the ordinary course of business.*

2. With court approval, a receiver may transfer receivership property other than in the ordinary course of business by sale, lease, license, exchange or other disposition. Unless the agreement of sale provides otherwise, a sale under this section is free and clear of a lien of the person that obtained appointment of the receiver, any subordinate lien and any right of redemption but is subject to a senior lien.

3. A lien on receivership property which is extinguished by a transfer under subsection 2 attaches to the proceeds of the transfer with the same validity, perfection and priority the lien had on the property immediately before the transfer, even if the proceeds are not sufficient to satisfy all obligations secured by the lien.

4. A transfer under subsection 2 may occur by means other than a public auction sale. A creditor holding a valid lien on the property to be transferred may purchase the property and offset against the purchase

price part or all of the allowed amount secured by the lien, if the creditor tenders funds sufficient to satisfy in full the reasonable expenses of transfer and the obligation secured by any senior lien extinguished by the transfer.

5. A reversal or modification of an order approving a transfer under subsection 2 does not affect the validity of the transfer to a person that acquired the property in good faith or revive against the person any lien extinguished by the transfer, whether the person knew before the transfer of the request for reversal or modification, unless the court stayed the order before the transfer.

6. As used in this section, "good faith" means honesty in fact and the observance of reasonable commercial standards of fair dealing.

Sec. 40. *1. Except as otherwise provided in subsection 7, with court approval, a receiver may adopt or reject an executory contract of the owner relating to receivership property. The court may condition the receiver's adoption and continued performance of the contract on terms appropriate under the circumstances. If the receiver does not request court approval to adopt or reject the contract within a reasonable time after the receiver's appointment, the receiver is deemed to have rejected the contract.*

2. A receiver's performance of an executory contract before court approval under subsection 1 of its adoption or rejection is not an adoption of the contract and does not preclude the receiver from seeking approval to reject the contract.

3. A provision in an executory contract which requires or permits a forfeiture, modification or termination of the contract because of the appointment of a receiver or the financial condition of the owner does not affect a receiver's power under subsection 1 to adopt the contract.

4. A receiver's right to possess or use receivership property pursuant to an executory contract terminates on rejection of the contract under subsection 1. Rejection is a breach of the contract effective immediately before appointment of the receiver. A claim for damages for rejection of the contract must be submitted by the later of:

(a) The time set for submitting a claim in the receivership; or

(b) Thirty days after the court approves the rejection.

5. If, at the time a receiver is appointed, the owner has the right to assign an executory contract relating to receivership property under law of this State other than sections 2 to 50, inclusive, of this act, the receiver may assign the contract with court approval.

6. If a receiver rejects under subsection 1 an executory contract for the sale of receivership property that is real property in possession of the purchaser or a real-property timeshare interest, the purchaser may:

(a) Treat the rejection as a termination of the contract, and in that case the purchaser has a lien on the property for the recovery of any part of the purchase price the purchaser paid; or

(b) Retain the purchaser's right to possession under the contract, and in that case the purchaser shall continue to perform all obligations arising under the contract and may offset any damages caused by nonperformance of an obligation of the owner after the date of the rejection, but the purchaser has no right or claim against other receivership property or the receiver on account of the damages.

7. A receiver may not reject an unexpired lease of real property under which the owner is the landlord if:

(a) The tenant occupies the leased premises as the tenant's primary residence;

(b) The receiver was appointed at the request of a person other than a mortgagee; or

(c) The receiver was appointed at the request of a mortgagee and:

(1) The lease is superior to the lien of the mortgage;

(2) The tenant has an enforceable agreement with the mortgagee or the holder of a senior lien under which the tenant's occupancy will not be disturbed as long as the tenant performs its obligations under the lease;

(3) The mortgagee has consented to the lease, either in a signed record or by its failure timely to object that the lease violated the mortgage; or

(4) The terms of the lease were commercially reasonable at the time the lease was agreed to and the tenant did not know or have reason to know that the lease violated the mortgage.

8. As used in this section, "timeshare interest" means an interest having a duration of more than 3 years which grants its holder the right to use and occupy an accommodation, facility or recreational site, whether improved or not, for a specific period less than a full year during any given year.

Sec. 41. *1. A receiver is entitled to all defenses and immunities provided by law of this State other than sections 2 to 50, inclusive, of this act for an act or omission within the scope of the receiver's appointment.*

2. A receiver may be sued personally for an act or omission in administering receivership property only with approval of the court that appointed the receiver.

Sec. 42. *A receiver may file or, if ordered by the court, shall file an interim report that includes:*

1. The activities of the receiver since appointment or a previous report;

2. Receipts and disbursements, including a payment made or proposed to be made to a professional engaged by the receiver;

3. Receipts and dispositions of receivership property;

4. Fees and expenses of the receiver and, if not filed separately, a request for approval of payment of the fees and expenses; and

5. Any other information required by the court.

Sec. 43. *1. Except as otherwise provided in subsection 6, a receiver shall give notice of appointment of the receiver to creditors of the owner by:*

(a) Deposit for delivery through first-class mail or other commercially reasonable delivery method to the last known address of each creditor; and

(b) Publication as directed by the court.

2. Except as otherwise provided in subsection 6, the notice required by subsection 1 must specify the date by which each creditor holding a claim against the owner which arose before appointment of the receiver must submit the claim to the receiver. The date specified must be at least 90 days after the later of notice under paragraph (a) of subsection 1 or last publication under paragraph (b) of subsection 1. The court may extend the period for submitting the claim. Unless the court orders otherwise, a claim that is not submitted timely is not entitled to a distribution from the receivership.

3. A claim submitted by a creditor under this section must:

(a) State the name and address of the creditor;

(b) State the amount and basis of the claim;

(c) Identify any property securing the claim;

(d) Be signed by the creditor under penalty of perjury; and

(e) Include a copy of any record on which the claim is based.

4. An assignment by a creditor of a claim against the owner is effective against the receiver only if the assignee gives timely notice of the assignment to the receiver in a signed record.

5. At any time before entry of an order approving a receiver's final report, the receiver may file with the court an objection to a claim of a creditor, stating the basis for the objection. The court shall allow or disallow the claim according to law of this State other than sections 2 to 50, inclusive, of this act.

6. If the court concludes that receivership property is likely to be insufficient to satisfy claims of each creditor holding a perfected lien on the property, the court may order that:

(a) The receiver need not give notice under subsection 1 of the appointment to all creditors of the owner, but only such creditors as the court directs; and

(b) Unsecured creditors need not submit claims under this section.

7. Subject to section 44 of this act:

(a) A distribution of receivership property to a creditor holding a perfected lien on the property must be made in accordance with the creditor's priority under law of this State other than sections 2 to 50, inclusive, of this act; and

Sec. 44. *1. The court may award a receiver from receivership property the reasonable and necessary fees and expenses of performing the duties of the receiver and exercising the powers of the receiver.*

2. The court may order one or more of the following to pay the reasonable and necessary fees and expenses of the receivership, including reasonable attorney's fees and costs:

(a) A person that requested the appointment of the receiver, if the receivership does not produce sufficient funds to pay the fees and expenses; or

(b) A person whose conduct justified or would have justified the appointment of the receiver under paragraph (a) of subsection 1 of section 29 of this act.

Sec. 45. *1. The court may remove a receiver for cause.*

2. The court shall replace a receiver that dies, resigns or is removed.

3. If the court finds that a receiver that resigns or is removed, or the representative of a receiver that is deceased, has accounted fully for and turned over to the successor receiver all receivership property and has filed a report of all receipts and disbursements during the service of the replaced receiver, the replaced receiver is discharged.

4. The court may discharge a receiver and terminate the court's administration of the receivership property if the court finds that appointment of the receiver was improvident or that the circumstances no longer warrant continuation of the receivership. If the court finds that the appointment was sought wrongfully or in bad faith, the court may assess against the person that sought the appointment:

(a) The fees and expenses of the receivership, including reasonable attorney's fees and costs; and

(b) Actual damages caused by the appointment, including reasonable attorney's fees and costs.

Sec. 46. *1. On completion of a receiver's duties, the receiver shall file a final report including:*

(a) A description of the activities of the receiver in the conduct of the receivership;

(d) A list of dispositions of receivership property;

(e) A list of distributions made or proposed to be made from the receivership for creditor claims;

(f) If not filed separately, a request for approval of the payment of fees and expenses of the receiver; and

(g) Any other information required by the court.

2. If the court approves a final report filed under subsection 1 and the receiver distributes all receivership property, the receiver is discharged.

Sec. 47. *1. The court may appoint a receiver appointed in another state, or that person's nominee, as an ancillary receiver with respect to property located in this State or subject to the jurisdiction of the court for which a receiver could be appointed under sections 2 to 50, inclusive, of this act if:*

(a) The person or nominee would be eligible to serve as receiver under section 30 of this act; and

(b) The appointment furthers the person's possession, custody, control or disposition of property subject to the receivership in the other state.

2. The court may issue an order that gives effect to an order entered in another state appointing or directing a receiver.

3. Unless the court orders otherwise, an ancillary receiver appointed under subsection 1 has the rights, powers and duties of a receiver appointed under sections 2 to 50, inclusive, of this act.

Sec. 48. *1. A request by a mortgagee for the appointment of a receiver, the appointment of a receiver or the application by a mortgagee of receivership property or proceeds to the secured obligation does not:*

(a) Make the mortgagee a mortgagee in possession of the real property;

(b) Make the mortgagee an agent of the owner;

(c) Constitute an election of remedies that precludes a later action to enforce the secured obligation;

(d) Make the secured obligation unenforceable;

(e) Limit any right available to the mortgagee with respect to the secured obligation;

(f) Constitute an action within the meaning of subsection 1 of NRS 40.430; or

(g) Except as otherwise provided in subsection 2, bar a deficiency judgment pursuant to law of this State other than sections 2 to 50, inclusive, of this act governing or relating to a deficiency judgment.

2. If a receiver sells receivership property that pursuant to subsection 2 of section 39 of this act is free and clear of a lien, the ability of a creditor to enforce an obligation that had been secured by the lien is subject to law of this State other than sections 2 to 50, inclusive, of this act relating to a deficiency judgment.

Sec. 49. *In applying and construing the Uniform Commercial Real Estate Receivership Act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.*

Sec. 50. *Sections 2 to 50, inclusive, of this act modify, limit and supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede Section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic*

delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. § 7003(b).

Sec. 51. This act does not apply to a receivership for which the receiver was appointed before October 1, 2017.

Assembly Bill No. 246.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 249.

AN ACT relating to regional development; revising provisions relating to the creation of a local improvement district; authorizing the governing bodies of two or more municipalities to jointly create a tax increment area under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any county, city or unincorporated town to create an improvement district for the acquisition of certain projects, including a park project, street project or commercial area vitalization project, and to finance the cost of any such project through the issuance of bonds and the levy of assessments upon property in the improvement district. (Chapter 271 of NRS) Two or more governmental entities are authorized under existing law to enter into a cooperative or interlocal agreement in certain circumstances to perform a governmental function. (NRS 277.045-277.188) Existing law authorizes a county to exercise its powers relating to local improvement projects for a project or benefited property that is within the boundaries of a city if the city in which that territory is located consents in an interlocal agreement to the exercise of those powers within its boundaries. (NRS 271.015) **Section 1** of this bill extends the authority to enter into such an interlocal agreement to two or more counties. Therefore, a county would be authorized under **section 1** to exercise its powers relating to local improvement projects for a project or benefited property that is within the boundaries of another county if the county in which that territory is located consents in an interlocal agreement to the exercise of those powers within its boundaries.

Existing law authorizes the governing body of a municipality to designate a tax increment area for the purpose of creating a special account for the payment of bonds or other securities. The designation of a tax increment area by the governing body provides for the allocation of a portion of the taxes levied upon taxable property in the tax increment area each year to pay the bond requirements of loans, money advanced to or indebtedness incurred by the municipality to finance or refinance the project. (Chapter 278C of NRS) **Section 2** of this bill authorizes the governing bodies of two or more municipalities whose boundaries are contiguous to enter into an interlocal or cooperative agreement for the creation of a tax increment area for the acquisition or improvement of a ~~[street]~~ project whose boundaries encompass all or part of each municipality. **Section 2** further provides that if the governing bodies of the municipalities enter into such an agreement: (1) the

governing bodies are authorized to take joint action to comply with certain procedures for the creation of a tax increment area; and (2) the tax increment area is required to be administered in accordance with the interlocal or cooperative agreement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 271.015 is hereby amended to read as follows:

271.015 Except as otherwise provided in NRS 271.700, this chapter applies:

1. To any unincorporated town.

In such a case, this chapter provides the method of doing so, to the extent that a special procedure is not provided in the authorizing statute.

5. To a county for a project or benefited property within the boundaries of a city ~~[,]~~ ***or another county,*** if the city ***or other county*** within whose boundaries the project or benefited property is located consents to the exercise of powers under this chapter within its boundaries, in an interlocal agreement entered into pursuant to NRS 277.045 to 277.180, inclusive.

6. To a city for a project or benefited property outside the boundaries of the city, if the county or other city within whose boundaries the project or benefited property is located consents to the exercise of powers under this chapter within its boundaries, in an interlocal agreement entered into pursuant to NRS 277.045 to 277.180, inclusive.

Sec. 2. Chapter 278C of NRS is hereby amended by adding thereto a new section to read as follows:

1. The governing bodies of two or more municipalities whose boundaries are contiguous may enter into an interlocal or cooperative agreement for the ordering of an undertaking ~~***[that is a street project]***~~ ***whose boundaries encompass all or part of each municipality and the creation of the tax increment area and the tax increment account pertaining thereto. A tax increment area created pursuant to this section must be administered as provided in the interlocal or cooperative agreement, notwithstanding any provision of this chapter to the contrary.***

2. If the governing bodies of two or more municipalities enter into an interlocal or cooperative agreement pursuant to subsection 1, the

governing bodies may, in accordance with the procedures set forth in the interlocal or cooperative agreement:

(a) Jointly take any action required to be taken by a governing body for the creation of a district by the governing body pursuant to NRS 278C.160, 278C.170, 278C.180, 278C.210, 278C.220, 278C.230, 278C.270 and 278C.280, except that each governing body must adopt an ordinance pursuant to NRS 278C.220 in order to create the tax increment area; ~~[and]~~

Assemblyman Flores moved the adoption of the amendment.

Remarks by Assemblyman Flores.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 286.

Bill read second time.

The following amendment was proposed by the Committee on Corrections, Parole, and Probation:

Amendment No. 338.

AN ACT relating to criminal procedure; revising provisions concerning the eligibility of a defendant for assignment to a program for the treatment of veterans and members of the military; authorizing a district court, justice court or municipal court to establish such a program; **making various other changes relating to such a program;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a district court to establish an appropriate program for the treatment of veterans and members of the military to which it may assign an eligible defendant. A justice court or municipal court is authorized, upon approval of the district court, to transfer original jurisdiction of a case involving such an eligible defendant to the district court. (NRS 176A.280, 176A.285) **Section 3** of this bill additionally authorizes a justice court or municipal court to establish such a program and revises the provisions concerning the eligibility of a defendant for assignment to such a program. **Section 3** also provides that the assignment of a defendant to such a program must be for a period of not less than 12 months.

Section 2 of this bill provides that a defendant is ineligible for assignment to such a program if he or she: (1) has previously been assigned to such a program; ~~[(2) has been convicted of certain offenses;]~~ or ~~[(3)]~~ **(2)** was discharged or released from the Armed Forces of the United States, a reserve component thereof or the National Guard under **dishonorable** conditions **.** ~~[other than honorable.]~~ **Section 2** also provides that a defendant who was

discharged or released from the Armed Forces of the United States, a reserve component thereof or the National Guard under ~~[such]~~ **dishonorable** conditions may be assigned to such a program if a court determines that extraordinary circumstances exist to warrant the assignment.

Existing law provides that upon violation of a term or condition of such a program, the court may: (1) enter a judgment of conviction and proceed as provided in the section pursuant to which the defendant was charged; and (2) order the defendant to the custody of the Department of Corrections if the offense is punishable by imprisonment in the state prison. (NRS 176A.290) Section 5 of this bill authorizes the imposition of certain sanctions against a defendant for such a violation.

Existing law provides that upon fulfillment of the terms and conditions of such a program, the court shall discharge the defendant and dismiss the proceedings. (NRS 176A.290) Section 5 provides that for defendants in the program who were charged with battery constituting domestic violence or driving under the influence, the court may conditionally dismiss the charges. Under section 6 of this bill, if the charges are conditionally dismissed, then the court must order that all records relating to the charges be sealed 7 years after such a conditional dismissal.

Under existing law, before accepting a plea from a defendant or proceeding to trial, a justice of the peace or municipal judge must address the defendant personally and ask the defendant if he or she is a veteran or a member of the military. (NRS 4.374, 5.057) Sections 9 and 10 of this bill require that the justice of the peace or municipal judge must, as soon as possible after a defendant is arrested or cited, attempt to determine whether the defendant is a veteran or a member of the military and, if so, whether the defendant qualifies for a program for the treatment of veterans and members of the military.

Sections 11 and 12 of this bill provide that: (1) persons who are charged with first misdemeanor offenses of battery constituting domestic violence or driving under the influence are eligible to be assigned to a program for the treatment of veterans and members of the military; and (2) offenses that are conditionally dismissed in connection with successful completion of such a program or a diversionary or specialty court program constitute prior offenses for the purpose of determining whether the person is subject to an enhanced penalty with respect to a subsequent offense.

The remaining sections of this bill make conforming changes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 223.

AN ACT relating to intercollegiate athletics; enacting the Revised Uniform Athlete Agents Act (2015); repealing the Uniform Athletes' Agents Act; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law enacted and subsequently amended the Uniform Athletes' Agents Act. Generally, the Uniform Athletes' Agent Act requires an athlete agent to register with the Secretary of State and prohibits certain conduct by athlete agents. (NRS 398.400-398.620) This bill repeals the Uniform Athletes' Agents Act and enacts the Revised Uniform Athlete Agents Act (2015) ~~[.]~~ **, except that section 20.3 maintains existing law governing the applicability of the provisions of law governing athlete agents and section 20.7 maintains existing law governing the confidentiality of certain information or documents obtained by, or filed with, the Secretary of State.**

Section 5 of this bill generally defines an athlete agent subject to the provisions of the Revised Uniform Athlete Agents Act (2015) as an individual who: (1) directly or indirectly induces or attempts to induce a student athlete to enter an agency contract; (2) for compensation procures or attempts to procure employment for a student athlete as a professional

athlete; (3) for compensation or the anticipation of compensation advises a student athlete on his or her finance or business affairs; or (4) in anticipation of representing a student athlete gives something of value to the athlete or another person.

Section 22 of this bill prohibits an individual from acting as an athlete agent without registering with the Secretary of State. **Section 23** of this bill requires an applicant for such registration to disclose certain information including, without limitation, training, experience and education, any conviction of a felony or crime of moral turpitude, any administrative or judicial determination that the applicant has made a false or deceptive representation and whether the applicant's license as an athlete agent has been denied, suspended or revoked in any state or has been the subject or cause of any sanction, suspension or declaration of ineligibility.

Sections 23 and 24 of this bill require reciprocal registration of an athlete agent if: (1) the agent is issued a certificate of registration by another state and the registration has not been suspended or revoked; (2) no action involving the athlete agent's conduct as an athlete agent is pending in any state; and (3) the application and registration requirements of the other state are substantially similar to or more restrictive than the law in this State.

Section 29 of this bill maintains existing law by requiring the Secretary of State to establish by regulation fees for the registration or renewal of registration as an athlete agent.

Sections 30-32 of this bill contain the requirements for entering an agency contract. **Section 30** requires such a contract to include, without limitation, a statement that the athlete agent is registered in the state in which the contract is signed, list any other state in which the agent is registered and set forth compensation of the athlete agent. The contract must be accompanied by a separate record signed by the student athlete acknowledging that signing the contract may result in the loss of eligibility to participate in the athlete's sport. **Section 31** requires both the agent and the student athlete to give notice of the contract to the athletic director of the affected educational institution within 72 hours of signing the agreement or before the athlete's next scheduled event, whichever occurs first. **Section 31** further specifies additional circumstances under which an athlete agent or student athlete must notify an athletic director or educational institution of information concerning the relationship between the athlete agent and the student athlete. **Section 32** provides a student athlete with a right to cancel an agency contract not more than 14 days after the contract is signed.

Section 33 of this bill requires athlete agents to maintain executed contracts and other specified records for a period of 5 years, including information about represented individuals and recruitment.

Section 34 of this bill prohibits an athlete agent from: (1) providing materially false or misleading information, promises or representations with the intent of influencing a student athlete to enter into an agency contract; (2) furnishing anything of value to a student athlete before that athlete enters into

an agency contract; (3) furnishing anything of value to an individual other than a student athlete; (4) initiating contact with a student athlete unless registered under the Revised Uniform Athlete Agents Act (2015); (5) failing to create, retain or permit inspection of required records; (6) failing to register where required; (7) providing materially false or misleading information in an application for registration or renewal thereof; (8) predating or postdating an agency contract; (9) failing to notify a student athlete that signing an agency contract may make the student athlete ineligible to participate as a student athlete in that sport; or (10) encouraging another individual to take on behalf of the agent an action the agent is prohibited from taking. **Section 35** of this bill provides that a person who violates any provision of **section 34** of this bill is guilty of a misdemeanor and must be required to pay restitution. **Section 36** of this bill authorizes a student athlete or educational institution to bring a civil action against an athlete agent for damages, and authorizes the student athlete or educational institution to be awarded actual damages, as well as costs and reasonable attorney's fees.

Sections 39-41 of this bill revise provisions governing the enforcement of the Uniform Athletes' Agents Act so that those provisions apply to the enforcement of the provisions of this bill. **Section 40** further increases the maximum administrative fine that may be imposed by the Secretary of State from $25,000 to $50,000.

Sec. 2. ***The Legislature hereby finds and declares that:***

1. The protection and security of information systems, and the coordination of efforts to promote the protection and security of information systems, are essential to protecting the health, safety and welfare of the people of this State.

2. The continued development of technologies relating to information systems and the expanding and diverse applications of those technologies pose significant implications for the functioning of any infrastructure in this State that is critical to the health, safety and welfare of the people of this State, particularly in the areas of transportation, health care, energy, education, law enforcement and commercial enterprises.

3. Information systems and the application of information systems relating to the operation of State Government and local governments make up a statewide cyberinfrastructure that is integral to the delivery of essential services to the people of this State and the essential functions of government that ensure the protection of the health, safety and welfare of the people of this State.

4. Protecting and securing the statewide cyberinfrastructure requires the identification of the areas in which information systems may be vulnerable to attack, unauthorized use or misuse or other dangerous, harmful or destructive acts.

5. Protecting and securing the statewide cyberinfrastructure requires an ability to identify and eliminate threats to information systems in both the public and private sectors.

6. Protecting and securing the statewide cyberinfrastructure requires a strategic statewide plan for responding to incidents in which information systems are compromised, breached or damaged, including, without limitation, actions taken to:

(b) Minimize the disruptive effects of such incidents on the delivery of essential services to the people of this State and on the essential functions

(c) Ensure the uninterrupted and continuous delivery of essential services to the people of this State and the uninterrupted and continuous operations of the essential functions of government that ensure the protection of the health, safety and welfare of the people of this State.

7. Protecting and securing the statewide cyberinfrastructure depends on collaboration and cooperation, including the sharing of information and analysis regarding cybersecurity threats, among local, state and federal agencies and across a broad spectrum of the public and private sectors.

8. Institutions of higher education play a critical role in protecting and securing statewide cyberinfrastructure by developing programs that support a skilled workforce, promote innovation and contribute to a more secure statewide cyberinfrastructure.

9. It is therefore in the public interest that the Legislature enact provisions to enable the State to prepare for and mitigate risks to, and otherwise protect, information systems and statewide cyberinfrastructure.

Prayer by the Chaplain, Captain Leslie Cyr.

Heavenly Father, we thank You for today and for all the good that can be done in it. It is my prayer that all of us here today will find favor in Your sight and will be led by Your Spirit of righteousness, of justice, and compassion.

I am reminded of Micah 6:8 which states, "He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." When we follow this recipe for life, all is well with our souls.

Father, bless this Assembly today, I pray for Your leading and guidance. May we find rest in Your presence against the busyness of the day. In the Name of Jesus we pray.

AMEN.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 6.

AN ACT relating to redevelopment; expanding the purposes for which the proceeds of certain taxes levied in a redevelopment area may be used; **revising the amount of the proceeds that must be set aside for such purposes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The Community Redevelopment Law authorizes the city council, board of county commissioners or other legislative body of a city or county to declare the need for a redevelopment agency to function in the community. The Community Redevelopment Law grants a redevelopment agency certain powers and duties with regard to the elimination of blight in a redevelopment area in the community. (Chapter 279 of NRS)

Under existing law, a redevelopment agency in a city in a county whose population is 700,000 or more (currently Clark County) is authorized to adopt, in certain circumstances, an ordinance which provides for the recalculation of the total assessed value of the taxable property in a redevelopment area for certain purposes. If such a redevelopment agency adopts such an ordinance and receives certain revenue from taxes on the taxable property located in the redevelopment area affected by the ordinance, existing law requires that not less than 18 percent of the revenue received on or after the effective date of the ordinance be set aside to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. (NRS 279.676) **Section 3** of this bill **limits the amount of the revenue that must be set aside to 18 percent and removes the requirement that the educational facilities be existing facilities. Section 3 further** provides that such revenue may also be used **: (1) to increase, improve or enhance public educational facilities; (2)** to support public educational activities and programs **; or (3) for facilities, activities and programs** which are ~~[conducted]~~ **located in or** within **1 mile of** the redevelopment area or which serve pupils who reside **in or** within **1 mile of** the redevelopment area. **Section 1** of this bill defines the term "public educational activities and programs."

Under existing law, a city whose population is 500,000 or more (currently the City of Las Vegas) is required, under certain circumstances, to set aside not less than 18 percent of the revenue from taxes levied upon the taxable property in a redevelopment area received on or after October 1, 2011, but before March 6, 2031, to: (1) increase, improve, preserve or enhance the operating viability of dwelling units in the community for low-income households; and (2) improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. On or

after March 6, 2031, not less than 18 percent of such revenues must be set aside and used only to improve existing public educational facilities located within a redevelopment area or within 1 mile of a redevelopment area. (NRS 279.685) ~~[Section]~~ **For revenue received on or after July 1, 2017, section 4** of this bill ~~[provides that both before and after March 6, 2031, such revenue may also be used to support public educational activities and programs]~~ **limits the amount of such revenue that must be set aside to 18 percent, removes the requirement that the educational facilities be existing facilities, expands the purposes for which money may be spent in connection with such facilities, and authorizes such spending for facilities and educational programs and activities which are located in or within 1 mile of the redevelopment area or** which serve pupils who reside ~~[within the redevelopment area]~~ **in** or within 1 mile of the redevelopment area.

Under existing law, the city council of a city whose population is 220,000 or more but less than 500,000 located in a county whose population is 700,000 or more (currently the City of Henderson) is required, under certain circumstances, to set aside not less than 18 percent of the revenues received from taxes on the taxable property located in the redevelopment area affected by the ordinance on or after the effective date of the ordinance to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. (NRS 279.6855) **Section 5** of this bill ~~[provides that such revenue may also be used to support public educational activities and programs]~~ **limits the amount of the revenue that must be set aside to 18 percent, removes the requirement that the educational facilities be existing facilities, expands the purposes for which money may be spent in connection with such facilities, and authorizes such spending for facilities, educational programs and activities** which **are located in or within 1 mile of the redevelopment area or which** serve pupils who reside **in or** within **1 mile of** the redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto a new section to read as follows:

1. "Public educational activities and programs" includes, without limitation:

(a) Early childhood education programs;

(b) Literacy programs;

(c) Summer ~~[school]~~ learning programs, before- and after-school programs and other instruction at times during the year when school is not in session; and

(d) Wrap-around services.

2. As used in this section, "wrap-around services" means integrated student supports and supplemental services provided to a pupil ~~[with special needs or the family of such a pupil that are not otherwise covered by any federal or state program of assistance,]~~ that help create an environment conducive to learning and assist the pupil in making the transition from early childhood education through postsecondary education and into the workforce.

Sec. 2. NRS 279.384 is hereby amended to read as follows:

279.384 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 279.386 to 279.414, inclusive, ***and section 1 of this act*** have the meanings ascribed to them in those sections.

Sec. 3. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in

whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by:

(1) The assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan; or

(2) The assessment roll last equalized before the effective date of an ordinance adopted pursuant to subsection 5,

➥ whichever occurs later, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a county whose population is 100,000 or more or a city whose population is 150,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a county whose population is 30,000 or more but less than 100,000 or a city whose population is 25,000 or more but less than 150,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a county whose population is less than 30,000 or a city whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

➥ If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one

redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. If in any year the assessed value of the taxable property in a redevelopment area located in a city in a county whose population is 700,000 or more as shown by the assessment roll most recently equalized has decreased by 10 percent or more from the assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, the redevelopment agency may adopt an ordinance which provides that the total assessed value of the taxable property in the redevelopment area for the purposes of paragraphs (a) and (b) of subsection 1 is the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance adopted pursuant to this subsection. A redevelopment agency may adopt an ordinance pursuant to this subsection only once, and the election to adopt such an ordinance is irrevocable.

6. An agency which adopts an ordinance pursuant to subsection 5 and which receives revenue pursuant to paragraph (b) of subsection 1 from taxes on the taxable property located in the redevelopment area affected by the ordinance shall set aside ~~[not less than]~~ 18 percent of that revenue received on and after the effective date of the ordinance to ~~[~~improve~~]~~ ***:***

(a) ~~***[Improve***~~ and~~]~~ ***Increase, improve,*** preserve ~~[existing]~~ ***or enhance*** public educational facilities ***;***

(b) Support public educational activities and programs; or

(c) ~~***[Improve and]***~~ ***Increase, improve, preserve*** ~~***[existing]***~~ ***or enhance public educational facilities and support public educational activities and programs,***

➥ which are located ***in or*** within ***1 mile of*** the redevelopment area or which serve pupils who reside ***in or*** within ***1 mile of*** the redevelopment area. For each fiscal year, the agency shall prepare a written report concerning the amount of money expended for the purposes set forth in this subsection and shall, on or before November 30 of each year, submit a copy of the report to the Director of the Legislative Counsel Bureau for transmittal to the Legislative Commission, if the report is received during an odd-numbered

year, or to the next session of the Legislature, if the report is received during an even-numbered year.

7. The obligation of an agency pursuant to subsection 6 to set aside ~~[not less than]~~ 18 percent of the revenue allocated to and received by the agency pursuant to paragraph (b) of subsection 1 from taxes on the taxable property located in the redevelopment area affected by the ordinance adopted by the agency pursuant to subsection 5 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by an agency before the effective date of an ordinance adopted by the agency pursuant to subsection 5, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency on or after the effective date of an ordinance adopted by the agency pursuant to subsection 5 shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

Sec. 4. NRS 279.685 is hereby amended to read as follows:

279.685 1. Except as otherwise provided in this section or subsections 6 and 7 of NRS 279.676, an agency of a city whose population is 500,000 or more that receives revenue from taxes pursuant to paragraph (b) of subsection 1 of NRS 279.676 shall set aside ***:*** ~~[not less than:]~~

Amendment No. 268.

AN ACT relating to child support; prohibiting debts for support of a child from being incurred by a parent or other person receiving **certain** public

assistance for the benefit of a dependent child under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law imposes a duty on a parent of a child to support his or her child. (NRS 125B.020, 425.350) Under existing law, if a parent or other person with custody of a child receives public assistance in his or her own behalf or in behalf of the child: (1) the parent or other person is deemed to have assigned his or her right to child support from any other person to the Division of Welfare and Supportive Services of the Department of Health and Human Services to the extent of the public assistance received; and (2) the Division is entitled to any child support to which the parent or other person is entitled to the extent of the public assistance provided by the Division. (NRS 425.350, 425.360)

Existing law also provides that a debt for the support of a child may not be incurred by a parent or any other person who is a recipient of public assistance for the benefit of a dependent child during the period when the parent or other person is a recipient of such public assistance. (NRS 425.360) In *Valdez v. Aguilar*, 132 Nev. Adv. Op. 37 (2016), the Nevada Supreme Court held that this provision of existing law suspends a debt for support of a child owed to the Division by a parent or other person who is a recipient of public assistance for the benefit of a dependent child, but does not suspend a debt for support of a child owed by the recipient of public assistance to another parent or any other person with custody of the child. This bill provides that a parent or other person who is a recipient of ~~[public assistance]~~ **Temporary Assistance for Needy Families** for the benefit of a dependent child does not incur a debt for support of a child, whether owed to the Division or any other person, during the period that the parent or other person is receiving such ~~[public]~~ assistance ~~[.]~~ **, unless a court finds that the parent or other person has remained purposefully unemployed. This bill also provides that any debt for support of a child incurred before the person becomes a recipient of Temporary Assistance for Needy Families are held in abeyance while the person is receiving such assistance.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 425 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Notwithstanding the provisions of chapters 31A, 125B and 126 of NRS, debts for support of a child owed to any person may not be incurred by a parent or any other person who is the recipient of ~~[public assistance]~~ Temporary Assistance for Needy Families pursuant to the provisions of chapter 422A of NRS for the benefit of a dependent child for the period when the parent or other person is a recipient ~~[.]~~ , unless a court finds that the parent or other person has remained purposefully unemployed.

2. Any debts for support of a child owed to any person incurred by a parent or other person before becoming a recipient of Temporary Assistance for Needy Families as described in subsection 1 must be held in abeyance while the parent or other person is receiving such benefit.

3. As used in this section, "Temporary Assistance for Needy Families" has the meaning ascribed to it in NRS 422A.080.

(NRS 648.063) This bill exempts any **natural** person who ~~[without compensation]~~ serves legal process from the requirements of chapter 648 of NRS relating to process servers, including, without limitation, the requirement to obtain a license to engage in the business of a process server ~~[.]~~ **, if that natural person serves legal process: (1) without compensation; (2) on behalf of another natural person who is not a business entity; and (3) not more than three times each calendar year.**

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 265.

AN ACT relating to real property rights; prohibiting adverse action against certain persons for requesting emergency assistance on a rental property in certain cases; specifying that a request for emergency assistance on a rental property does not constitute a nuisance in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 1 and 2 of this bill prohibit a landlord from taking adverse action against a tenant of a dwelling or manufactured home, including, without limitation, evicting or taking certain other punitive action based **solely** upon a tenant or other person in the rental property of the tenant requesting emergency assistance from a provider of emergency services based on a reasonable belief that an emergency response is necessary or that criminal activity has occurred. **Sections 1 and 2** also prohibit a local government or political subdivision of this State from taking adverse action against a landlord based **solely** on the request of a tenant or other person for emergency assistance. **Sections 1 and 2 also specify that the provisions of this bill do not prohibit a landlord or a local government or political subdivision of this State from curing a breach of a rental agreement or abating a nuisance or a violation of a local law, ordinance or regulation which is discovered by or reported to the landlord by a peace officer as a result of a request for emergency assistance.**

Existing law provides that any provision of a rental agreement for a dwelling or rental agreement or lease for a manufactured home lot that waives or limits certain rights or remedies provided by law is void and unenforceable and therefore any provision in such a rental agreement or lease that allows adverse action against a tenant in violation of the provisions of **sections 1 and 2** would be void and unenforceable. (NRS 118A.200, 118B.050)

Existing law provides that a nuisance includes conditions on a property that interfere with the free use or comfortable enjoyment of the property, including, without limitation, health hazards or the use of a property for the commission of certain crimes. (NRS 40.140, 202.450) **Sections 4-6** of this bill provide that a request for emergency assistance by a tenant or other person in the rental property of the tenant as described above does not constitute a nuisance for purposes of civil or criminal law.

Legislative Counsel's Digest:

Existing law provides that it is unlawful for any person to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access if the person is under the influence of a controlled substance or has certain specified amounts of a prohibited substance in his or her blood or urine, including marijuana and marijuana metabolite. (NRS 484C.110) **Section 1** of this bill removes the specified amounts of marijuana and marijuana metabolite in a person's urine, thereby providing that the amount of marijuana or marijuana metabolite in a person's system can only be measured through his or her blood. **Sections 2 and 6** of this bill make the same changes to similar provisions of existing law relating to a person driving or being in actual physical control of a commercial motor vehicle on a highway or on premises to which the public has access or operating or being in actual physical control of a vessel under power or sail on the waters of this State, respectively. **Sections 3-5 and 7-17** of this bill make conforming changes.

(a) Marijuana (delta-9-tetrahydrocannabinol)	***2***
(b) Marijuana metabolite (11-OH-tetrahydrocannabinol)	***5***

5. If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the vehicle, and before his or her blood or breath was tested, to cause the defendant to have a concentration of alcohol of 0.08 or more in his or her blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

16. For the purposes of subsections 8 and 9, an order or injunction is in the nature of a temporary or extended order for protection against domestic violence if it grants relief that might be given in a temporary or extended order issued pursuant to NRS 33.017 to 33.100, inclusive.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 195.

AN ACT relating to disabilities; replacing the ~~[terms "intellectual disability" and]~~ **term** "related conditions" with the term "developmental disability" for certain purposes; prohibiting a provider of jobs and day training services from entering into certain contracts or arrangements; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Various provisions of existing law govern the care and services provided to persons with intellectual disabilities and persons with related conditions. (Chapters 433, 433A, 433C and 435 of NRS) For the purposes of these provisions, a ~~["person with intellectual disabilities" means a person with "significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior and manifested during the developmental period." (NRS 433.099) The term]~~ "person with related conditions" is generally defined to mean a person with a condition "closely related to an intellectual disability" and requiring "treatment or services similar to those required by a person with an intellectual disability." (NRS 433.211) For the purposes of the provisions referred to above, this bill generally ~~[combines these two groups of persons into a single new group comprised of persons with "developmental disabilities."]~~ **replaces references to the term "related conditions" with the term "developmental disability."** Such a disability is defined in **sections 1 and 17** of this bill as ~~[one which:]~~ **autism, cerebral palsy, epilepsy, a visual or hearing impairment or any other neurological condition diagnosed by a qualified professional that:** (1) ~~[is attributable to a mental or physical impairment or a combination of the two; (2)]~~ is manifested before the age of 22 years and is likely to continue indefinitely; ~~[(3)]~~ **(2)** substantially limits certain major life activities; and ~~[(4)]~~ **(3)** results in a lifelong or protracted need for individually planned and coordinated services, support or other assistance. ~~[Thus, this bill primarily eliminates references in chapters 433, 433A, 433C and 435 of NRS to persons with intellectual disabilities and persons with related conditions and replaces them with references to persons with developmental disabilities.]~~

Existing law permits a person or organization to provide jobs and day training services to persons with intellectual disabilities and persons with related conditions. (NRS 435.130-435.310) Such a provider may contract with county and school officials and public and private agencies for the provision of such services. (NRS 435.310) **Section 45** of this bill prohibits any such contract that provides for the employment of a person under 25 years of age unless the person is paid at least the federal minimum wage.

(maximum amount of fine). I understand that the law requires me to pay an administrative assessment fee.

I understand that, if appropriate, I will be ordered to make restitution to the victim of the offenses to which I am pleading guilty or guilty but mentally ill and to the victim of any related offense which is being dismissed or not prosecuted pursuant to this agreement. I will also be ordered to reimburse the State of Nevada for expenses relating to my extradition, if any.

I understand that I (am or am not) eligible for probation for the offense to which I am pleading guilty or guilty but mentally ill. (I understand that, except as otherwise provided by statute, the question of whether I receive probation is in the discretion of the sentencing judge, or I understand that I must serve a mandatory minimum term of (term of imprisonment) or pay a minimum mandatory fine of (amount of fine) or serve a mandatory minimum term (term of imprisonment) and pay a minimum mandatory fine of (amount of fine).)

I understand that if more than one sentence of imprisonment is imposed and I am eligible to serve the sentences concurrently, the sentencing judge has the discretion to order the sentences served concurrently or consecutively.

I understand that information regarding charges not filed, dismissed charges or charges to be dismissed pursuant to this agreement may be considered by the judge at sentencing.

I have not been promised or guaranteed any particular sentence by anyone. I know that my sentence is to be determined by the court within the limits prescribed by statute. I understand that if my attorney or the State of Nevada or both recommend any specific punishment to the court, the court is not obligated to accept the recommendation.

I understand that the Division of Parole and Probation of the Department of ~~[Public Safety]~~ ***Corrections*** may or will prepare a report for the sentencing judge before sentencing. This report will include matters relevant to the issue of sentencing, including my criminal history. I understand that this report may contain hearsay information regarding my background and criminal history. My attorney (if represented by counsel) and I will each have the opportunity to comment on the information contained in the report at the time of sentencing.

WAIVER OF RIGHTS

By entering my plea of guilty or guilty but mentally ill, I understand that I have waived the following rights and privileges:

1. The constitutional privilege against self-incrimination, including the right to refuse to testify at trial, in which event the prosecution would not be allowed to comment to the jury about my refusal to testify.

2. The constitutional right to a speedy and public trial by an impartial jury, free of excessive pretrial publicity prejudicial to the

defense, at which trial I would be entitled to the assistance of an attorney, either appointed or retained. At trial, the State would bear the burden of proving beyond a reasonable doubt each element of the offense charged.

3. The constitutional right to confront and cross-examine any witnesses who would testify against me.

4. The constitutional right to subpoena witnesses to testify on my behalf.

5. The constitutional right to testify in my own defense.

6. The right to appeal the conviction, with the assistance of an attorney, either appointed or retained, unless the appeal is based upon reasonable constitutional, jurisdictional or other grounds that challenge the legality of the proceedings and except as otherwise provided in subsection 3 of NRS 174.035.

VOLUNTARINESS OF PLEA

I have discussed the elements of all the original charges against me with my attorney (if represented by counsel) and I understand the nature of these charges against me.

I understand that the State would have to prove each element of the charge against me at trial.

I have discussed with my attorney (if represented by counsel) any possible defenses and circumstances which might be in my favor.

All of the foregoing elements, consequences, rights and waiver of rights have been thoroughly explained to me by my attorney (if represented by counsel).

I believe that pleading guilty or guilty but mentally ill and accepting this plea bargain is in my best interest and that a trial would be contrary to my best interest.

I am signing this agreement voluntarily, after consultation with my attorney (if represented by counsel) and I am not acting under duress or coercion or by virtue of any promises of leniency, except for those set forth in this agreement.

I am not now under the influence of intoxicating liquor, a controlled substance or other drug which would in any manner impair my ability to comprehend or understand this agreement or the proceedings surrounding my entry of this plea.

My attorney (if represented by counsel) has answered all my questions regarding this guilty or guilty but mentally ill plea agreement and its consequences to my satisfaction and I am satisfied with the services provided by my attorney.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 263.

AN ACT relating to document preparation services; revising the definition of a "document preparation service"; prohibiting a person providing a document preparation service from advertising or representing himself or herself as a paralegal or legal assistant; requiring certain fees to register or renew registration as a document preparation service; **revising the period of time in which an application for registration as a document preparation service must be completed;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes requirements for the registration and practice of a person who provides a document preparation service, which includes: (1) defining a "document preparation service"; (2) requiring persons who provide a document preparation service to register with the Secretary of State; (3) exempting certain persons from registering as a document preparation service; and (4) prohibiting a person who provides a document preparation service from committing certain acts. (Chapter 240A of NRS) **Section** ~~[1]~~ **1.5** of this bill expands the definition of "document preparation service" to include **: (1)** a person who, for compensation, assists a client in preparing all or substantially all of a federal or state tax return or a claim for a tax refund ~~[, excluding a certified public accountant who is licensed in this State or a financial planner who is subject to certain state requirements. Section 1 further provides that paralegals are included, under certain circumstances, in the definition of "document preparation service." Section 1 also removes the exemption from the registration requirements for]~~ **; (2) certain paralegals; and (3)** an enrolled agent who is authorized to practice before the Internal Revenue Service. **Section 1.5 further clarifies that a**

bankruptcy petition preparer is included in the definition of "document preparation service." Section 1.5 also excludes from the definition of "document preparation service": (1) certain attorneys who are licensed to practice in other states and the District of Columbia; and (2) a certified public accountant who is licensed in this State or a financial planner who is subject to certain state requirements.

Section 2 of this bill requires a person who registers as a document preparation service to pay ~~[an]~~ **a nonrefundable** application fee of $50. **Section 3** of this bill requires a person who wishes to renew his or her registration as a document preparation service to pay a renewal fee of $25 every year upon the expiration of the registration. **Section 1 of this bill requires these fees to be accounted for separately and used to pay for expenses relating to administering the document preparation services program.**

Section 2 provides that an application to register as a document preparation service must be completed within 120 days or the application must be denied.

Section 4 of this bill prohibits a person who provides document preparation services from advertising or representing himself or herself as a paralegal or legal assistant, which implies that the person is operating under the direction and supervision of an attorney.

Assembly Bill No. 327.

Bill read second time.

The following amendment was proposed by the Committee on Corrections, Parole, and Probation:

Amendment No. 345.

AN ACT relating to criminal procedure; authorizing a person who was dishonorably discharged from probation to apply to a court for the sealing of records of criminal history relating to the conviction; **establishing a rebuttable presumption that records of criminal history should be sealed in certain circumstances;** revising various provisions relating to the filing of petitions for the sealing of records of criminal history; ~~[requiring an agency of criminal justice to remove certain records from a record of criminal history before dissemination of the record in certain circumstances;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is granted an honorable discharge from probation to apply to the court for the sealing of records relating to the conviction. (NRS 176A.850) Existing law also provides that a person who is given a dishonorable discharge from probation is not entitled to such a privilege. (NRS 176A.870) **Section 1** of this bill authorizes a person who is given a dishonorable discharge from probation to apply to the court for the sealing of records relating to the conviction if he or she is otherwise eligible to have the records sealed.

Existing law authorizes a person who was convicted of certain offenses or who was arrested for alleged criminal conduct but the charges against the person were dismissed, the prosecuting attorney declined prosecution of the charges or the person was acquitted of the charges to petition the court in which the person was convicted or in which the charges were dismissed or declined for prosecution or the acquittal was entered for the sealing of all

records relating to the conviction or the arrest and proceedings leading to the dismissal, declination or acquittal, as applicable. Existing law also: (1) generally requires a person to wait a specified number of years, depending on the offense, until he or she may petition the court for the sealing of such records; and (2) requires a petition to be accompanied by the person's current, verified records received from the Central Repository for Nevada Records of Criminal History and all agencies of criminal justice which maintain such records within the city or county in which the petitioner appeared in court. (NRS 179.245, 179.255) **Sections 7 and 8** of this bill: (1) reduce the length of certain periods that a person is required to wait before petitioning a court for the sealing of records; and (2) remove the requirement that a petition be accompanied by the petitioner's current, verified records received from local agencies of criminal justice. **Sections 7 and 8** also provide that if the prosecuting attorney stipulates to the sealing of the records and the court makes certain findings, the court is authorized to order the records sealed without a hearing.

Existing law also authorizes the sealing of the records of a person who completes a correctional or judicial program for reentry into the community 5 years after the completion of the program. (NRS 179.259) **Section 9** of this bill reduces such a period to 4 years.

Section 4 of this bill provides that upon the filing of a petition for the sealing of records **,** ~~[: (1)]~~ there is a **rebuttable** presumption that the records should be sealed if the applicant satisfies all statutory requirements for the sealing of the records **.** ~~[; and (2) if a hearing is conducted, the prosecuting attorney or the Division of Parole and Probation of the Department of Public Safety, as applicable, must prove by clear and convincing evidence that the records should not be sealed.]~~ **Section 4 also provides that such a presumption does not apply to a defendant who is given a dishonorable discharge from probation and applies to the court for the sealing of records relating to the conviction.**

Section 5 of this bill authorizes a person to file a petition for the sealing of records in district court if the person wishes to have more than one record sealed and would otherwise need to file a petition in more than one court. **Section 5** also authorizes the district court to order the sealing of any records in the justice or municipal courts in certain circumstances.

~~[Existing law provides for the dissemination of records of criminal history by agencies of criminal justice in certain circumstances. (NRS 179A.090, 179A.100) Section 11 of this bill requires that before an agency of criminal justice disseminates any record to a person or entity other than another agency of criminal justice, the agency of criminal justice must remove any record of a conviction of a category E felony, gross misdemeanor or misdemeanor if a certain amount of time has passed since the person was released from actual custody, discharged from parole or probation or was no longer under a suspended sentence, whichever occurred later.]~~

insurance or endorsements on an Internet website in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

(NRS 719.220, 719.240) Existing law also authorizes an insurer to provide evidence of insurance for the operation of a motor vehicle in an electronic format upon the request of the insured. (NRS 690B.023) **Section 6** of this bill: (1) allows a notice or other document required by law to be provided as part of an insurance transaction or which serves as evidence of insurance to be delivered by electronic means in certain circumstances; and (2) deems a delivery by electronic means to satisfy a requirement for delivery in physical form. **Section 7** of this bill establishes certain conditions which must be met for a notice or other document to be delivered by electronic means. **Section 7** also **: (1)** requires the delivery by electronic means of a notice or other document which requires verification or acknowledgment of receipt to be in an electronic form that allows for verification or acknowledgment of receipt **[.] ; and (2) requires such a notice or other document to be delivered by any other delivery method authorized by law if a verification or acknowledgment of receipt is not received within 3 days after electronic delivery. Section 8** of this bill requires an insurer to cease delivery by electronic means and resume delivery by another method authorized by law in certain circumstances. **Section 9** of this bill provides that a notice or other document delivered by electronic means before consent to delivery by electronic means is withdrawn is not affected by the withdrawal of consent and establishes when a withdrawal of consent is effective. **Section 10** of this bill allows an insurer who has an agreement with a party for delivery by electronic means of certain notices or documents before October 1, 2017, to continue such delivery if the insurer provides the party with certain statements. **Section 12** of this bill allows an insurer to post a standard policy of property or casualty insurance or a standard endorsement of such a policy on its Internet website rather than mailing or delivering the policy or endorsement if the policy or endorsement does not contain personally identifiable information and the insurer satisfies certain conditions.

Legislative Counsel's Digest:

Existing law provides generally for a system of juvenile justice in this State. (Title 5 of NRS) Federal law requires a state seeking grant money for the administration of a system of juvenile justice to have a state advisory group that oversees such a system. (42 U.S.C. § 5633(a)(3)) **Section 4** of this bill creates the Juvenile Justice Oversight Commission and designates the Commission as the state advisory group for the purposes of federal law. **Section 5** of this bill requires the Commission to: (1) establish a uniform procedure for the Division of Child and Family Services of the Department of Health and Human Services, the Youth Parole Bureau and each department of juvenile services in this State to follow when developing performance measures related to the juvenile justice system; (2) establish standard procedures for measuring outcomes for children subject to the jurisdiction of the juvenile court; (3) select a validated risk assessment tool ~~[and a validated mental health screening tool for]~~ **to assist the juvenile court,** the Division and each department of juvenile services ~~[to use when evaluating]~~ **in determining the appropriate actions to take for** children subject to the jurisdiction of the juvenile court **~~[,]~~ and a validated mental health screening tool to determine the appropriate actions to take for children in need of supervision;** and (4) contract with a qualified vendor or provider to provide technical assistance and training to employees of the juvenile justice system on the implementation and operation of such tools.

Section 6 of this bill requires the Commission to develop a 5-year strategic plan that establishes policies and procedures for the Division and each

department of juvenile services relating to the use of evidence-based practices when providing services to children subject to the jurisdiction of the juvenile court. **Section 7** of this bill requires the members of the Commission to conduct annual quality assurance reviews of each state ~~[and regional]~~ facility for the detention of children ~~[in this State.]~~ **and each regional facility for the treatment and rehabilitation of children, which section 13.2 of this bill defines as a regional facility which: (1) provides court-ordered treatment and rehabilitation for children; and (2) is administered by or for the benefit of more than one governmental entity.** **Section 7** requires such a quality assurance review to include a review of the facility's: (1) service delivery; (2) case management procedures; (3) policies on supervision and behavior management; and (4) procedures relating to the release of children from the facility. **Section 7 also requires a facility to: (1) develop a facility improvement plan, in coordination with the Division or a local department of juvenile services, if such a plan is required to address any issues raised in the review; and (2) submit such a plan to the Commission.** **Section 7** further requires the Commission to **compile all such facility improvement plans and** submit ~~[each review]~~ **the plans** to the Governor and ~~[to]~~ the ~~[Legislature.]~~ **Director of the Legislative Counsel Bureau with its annual review.**

Section 8 of this bill requires the Division and each department of juvenile services to, on or before July 1, 2018, implement the validated risk assessment tool and the validated mental health screening tool selected by the Commission for evaluation of children subject to the jurisdiction of the juvenile court. **Section 8** also establishes the cost allocation for the expenses of implementing such tools, such that the responsibility for those expenses will shift from the State to each department of juvenile services over the next 3 fiscal years. **Section 9** of this bill requires the Division and each department of juvenile services that receives money from the state, other than any money received from the State Plan for Medicaid, to use such money to develop, promote and coordinate evidence-based programs and services. **Section 9** also requires any contract between the Division or a department of juvenile services and a treatment provider for the provision of juvenile services to require the treatment provider to comply with the evidence-based standards developed by the Commission.

Section 10 of this bill requires the Division to issue a request for proposals to establish an evidence-based program resource center. **Section 10** requires the resource center to: (1) provide technical assistance to the Division, each department of juvenile services and treatment providers to support the implementation and operation of evidence-based programs and practices as set forth in the Commission's 5-year strategic plan; (2) provide various types of training to persons employed in the juvenile justice system; (3) act as a resource clearinghouse on evidence-based programs and practices; and (4) facilitate collaboration among state and local agencies and treatment providers who serve the juvenile justice system. **Section 12** of this bill

requires the Division and each department of juvenile services to develop and implement a family engagement plan to increase the participation of the family of a child who is subject to the jurisdiction of the juvenile court in the rehabilitation of the child.

Existing law establishes provisions governing the disposition by a juvenile court of cases of children subject to the court's jurisdiction. (Chapter 62E of NRS) **Section 15** of this bill requires the department of juvenile services, before the disposition of a child's case, to conduct a risk assessment and a mental health screening on the child ~~[,]~~ using the validated tools selected by the Commission ~~[,]~~ **and, in certain circumstances, a full mental health assessment,** and to prepare a report based on the results of the **risk** assessment ~~[and]~~ **, mental health** screening **and any full mental health assessment** as to the most appropriate disposition of the case. **Section 16** of this bill requires a department of juvenile services to develop an individualized case plan for each child placed under the supervision of the juvenile court, placed under the informal supervision of a probation officer or committed to a regional facility for the ~~[detention]~~ **treatment and rehabilitation** of children. **Section 16** sets forth the information required to be included in each case plan. ~~[Similarly, section]~~ **Section 17** of this bill requires the Division to **: (1) consider the results of a validated risk assessment, a validated mental health screening and any full mental health assessment to make decisions concerning the placement of a child; and (2)** develop ~~[such]~~ a case plan for each child committed to the Division for placement in a state facility for the detention of children. ~~[If]~~ **Section 14.5 of this bill requires** the juvenile court ~~[commits]~~ **to make certain findings before committing** a child to the custody of ~~[either]~~ a state facility for the detention of children ~~[or a facility in another state,]~~ **, and section 18** of this bill requires the juvenile court to make ~~[a record in the child's file that either less restrictive supervision or supervision within this State was not appropriate or available for the child.]~~ **certain findings before committing a child to a public or private institution or agency in another state. Sections 20 and 21** of this bill revise the process for how mental health screenings of children who are adjudicated delinquent and committed to a state ~~[or regional]~~ facility for the detention of children **or a regional facility for the treatment and rehabilitation of children** are to be conducted.

Existing law requires the Division to: (1) establish a standardized system for the reporting, collection, analysis, maintenance and retrieval of information concerning juvenile justice in this State; and (2) adopt regulations that require juvenile courts, local juvenile probation departments and the staff of the youth correctional services to submit certain information to the Division. (NRS 62H.200) **Section 25** of this bill revises the types of juvenile justice information required to be submitted to the Division. **Section 22** of this bill requires the Division to analyze such information and submit a report to the Governor and to the Legislature relating to the trends that exist in the juvenile justice system and the effectiveness of the system's programs

and services. **Section 33** of this bill repeals a similar provision that requires each local juvenile probation department to analyze such information and submit a report to the Division.

Section 24 of this bill authorizes the Division to withhold money from a juvenile court that does not comply with the regulations adopted by the Division relating to the submittal of certain juvenile justice information.

Existing law authorizes a director of juvenile services and the Youth Parole Bureau to release certain information concerning a child who is within the purview of the juvenile court to certain other persons involved in the juvenile justice system. (NRS 62H.025) **Section 23** of this bill revises the list of persons to whom a director of juvenile services and the Youth Parole Bureau may release information to include: (1) the Chief Parole and Probation Officer; (2) the Director of the Department of Corrections; (3) a law enforcement agency; **(4) the director of a regional facility for the treatment and rehabilitation of children;** or ~~[(4)]~~ **(5)** the director of an agency which provides mental health services.

Existing law provides for the suspension, modification or revocation of the parole of a child. (NRS 63.770) **Section 26** of this bill requires the Youth Parole Bureau to establish policies and procedures to be used when determining the most appropriate and least restrictive response to a violation of a child of the terms and conditions of his or her parole. **Section 26** requires, among other things, the Youth Parole Bureau to create a sliding scale of offenses based on the severity of the violation. **Section 28 of this bill requires the juvenile court to consider the policies and procedures adopted by the Youth Parole Bureau pursuant to section 26 and consider the adherence of the Youth Parole Bureau to such policies and procedures when determining whether to suspend, modify or revoke the parole of a child. Section 29** of this bill prohibits the Chief of the Youth Parole Bureau from recommending to the juvenile court that a child's parole be revoked unless: (1) the child poses a risk to public safety; or (2) the other responses set forth in the policies and procedures adopted by the Youth Parole Bureau pursuant to **section 26** would not be appropriate for the child.
