The following amendment was proposed by the Committee on Judiciary:

Amendment No. 416.

AN ACT relating to criminal procedure; requiring the electronic recording of interrogations of persons in custody under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

This bill requires, with certain specified exceptions, that a law enforcement agency make an electronic recording of a custodial interrogation of a person who is suspected of committing homicide or sexual assault. This bill also provides that evidence from an interrogation may be admitted by a court even in the absence of an electronic recording of the interrogation and sets forth the conditions under which a jury must be provided with a cautionary instruction. Finally, this bill requires each law enforcement agency to adopt policies and procedures governing the electronic recording of custodial interrogations.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 171 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, each law enforcement agency shall require a law enforcement officer to make an electronic recording of a custodial interrogation which is conducted in a place of detention of a person who is suspected of committing homicide as described in NRS 200.010 to 200.260, inclusive, or sexual assault as defined in NRS 200.366.

2. An electronic recording which is made pursuant to this section must:

(a) Begin recording not later than the time when the person who is being interrogated is advised of his or her rights pursuant to Miranda v. Arizona, 384 U.S. 436 (1966); and

(b) End recording not sooner than the time when the questioning has concluded.

3. An electronic recording is not required to be made pursuant to this section if:

(a) The person to be interrogated requests that the custodial interrogation not be recorded and that request is recorded or in writing;

(b) The custodial interrogation occurs when no law enforcement officer who is conducting the interrogation has knowledge of facts and circumstances which would lead an officer to reasonably believe that the person who is being interrogated may have committed homicide as described in NRS 200.010 to 200.260, inclusive, or sexual assault as defined in NRS 200.366;

(c) The questions which are presented by a law enforcement officer and the responsive statements by the person who is being interrogated are part of a routine processing or booking of that person;

(d) The recording equipment fails or there is an inadvertent error by the operator of the equipment;

(e) Exigent circumstances relating to public safety preclude the recording and are documented; [or]

(f) The custodial interrogation is conducted outside this State [.] ; or

(g) The simultaneous conduct of multiple custodial interrogations exceeds the available capacity of recording equipment.

4. The lack of an electronic recording of a custodial interrogation must not be the sole basis for the exclusion of evidence from the interrogation or a confession that is made pursuant thereto. If a law enforcement agency does not make an electronic recording of a custodial interrogation as required by this section, the court may nonetheless admit evidence from the interrogation. If, when offering the evidence from the interrogation, the prosecuting attorney establishes by a preponderance of the evidence that one of the exceptions set forth in subsection 3 applies, the court may admit the evidence without providing the jury with a cautionary instruction. If the prosecuting attorney does not meet this burden of proof, the court shall, after admitting the evidence, provide the jury with a cautionary instruction regarding the failure to record the interrogation as required by law.

5. Each law enforcement agency shall adopt policies and procedures governing the electronic recording of custodial interrogations in accordance with this section.

6. As used in this section:

(a) "Custodial interrogation" means any interrogation of a person while the person is in custody.

(b) "Custody" means the circumstance when:

(1) A person is under formal arrest; or

(2) There is a restraint on a person's freedom of movement of the degree associated with a formal arrest and a reasonable person, in view of all the circumstances, would have believed that he or she was not free to leave.

(c) "Electronic recording" means:

(1) If audiovisual recording is feasible, an audiovisual recording; or

(2) If audiovisual recording is not feasible, an audio-only recording.

(d) "Interrogation" means questioning which is initiated by a law enforcement officer or any words or actions on the part of a law enforcement officer, other than those which are ordinarily attendant to arrest and custody, that the officer should know are reasonably likely to elicit an incriminating response from the person who is being questioned.

(e) "Place of detention" means ~~[any building, structure or place where persons are or may be lawfully held in custody or confinement under the jurisdiction of this State or any political subdivision of this State, including, without limitation, a building which houses the offices]~~ a fixed location under the control of a law enforcement agency ~~[.]~~ of this State where persons are questioned about alleged crimes.

Sec. 2. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Assemblyman Yeager moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 418.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 523.

AN ACT relating to elections; providing that a voter may not be compelled to reveal under oath how he or she voted at any election; providing for the inspection during a contested election of certain records printed on paper of ballots voted by using a mechanical recording device; revising the method of counting ballots during a recount of an election; amending provisions specifying grounds upon which any election may be contested; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that a voter may not be compelled to reveal under oath how he or she voted at any election.

Under existing law, voted ballots, rejected ballots, spoiled ballots, challenge lists, certain records printed on paper of ballots voted by using a mechanical recording device and stubs of ballots used must be deposited in the vaults of the county clerk. The voted ballots are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board. (NRS 293.391) **Section 2** of this bill clarifies that records printed on paper of ballots voted by using a mechanical recording device also are not subject to inspection by anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested or by the parties to the contest, jointly, pursuant to an order of such judge, body or board.

Under existing law, if a recount of an election in a county or city that uses a mechanical voting system is demanded, or if a recount of an election affecting more than one county is demanded, an initial recount is done of ballots from 5 percent of the total number of precincts that voted in the election, or at least three precincts that voted in the election. If the initial recount shows a discrepancy of at least 1 percent or five votes, whichever is greater, a full recount of all ballots at the election for the office or ballot question is done. (NRS 293.404) **Section 3** of this bill deletes the provisions requiring the initial recount of 5 percent, or at least three, of the precincts that voted at the election. **Section 3** provides instead that all recounts must include a count and inspection of all ballots. **Section 3** further provides that ~~[: (1) paper ballots must be recounted by hand; and (2) ballots that were originally tabulated by a mechanical recording device]~~ **all ballots** must be

~~[retabulated]~~ **recounted** in the same manner ~~[.]~~ **in which the ballots were originally tabulated.**

Section 4 of this bill amends provisions specifying grounds upon which any election may be contested. (NRS 293.410)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The records of voted ballots that are maintained in electronic form must, after canvass of the votes by the board of county commissioners, be sealed and deposited in the vaults of the county clerk. All materials described by this subsection must be preserved for at least 22 months, and all such sealed materials must be destroyed immediately after the preservation period. A notice of the destruction must be published by the clerk in at least one newspaper of general circulation in the county not less than 2 weeks before the destruction.

2. Unused ballots, enclosed and sealed, must, after canvass of the votes by the board of county commissioners, be deposited in the vaults of the county clerk and preserved for at least the period during which the election may be contested and adjudicated, after which the unused ballots may be destroyed.

5. The voted ballots ***and records printed on paper of voted ballots collected pursuant to NRS 293B.400 which are*** deposited with the county clerk are not subject to the inspection of anyone, except in cases of a contested election, and then only by the judge, body or board before whom the election is being contested, or by the parties to the contest, jointly, pursuant to an order of such judge, body or board.

2. Each candidate for the office affected by the recount and the voter who demanded the recount, if any, may be present in person or by an authorized representative, but may not be a member of the recount board.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 274.

SUMMARY—Revises provisions relating to the ~~[medical]~~ use of marijuana. (BDR 40-983)

AN ACT relating to marijuana; revising various provisions relating to the medical use of marijuana; transferring the program for the medical use of marijuana from the Division of Public and Behavioral Health of the Department of Health and Human Services to the Department of Taxation; revising provisions relating to the registry of persons who are authorized to engage in or assist in the medical use of marijuana; revising provisions relating to the authorization of nonresidents to engage in the medical use of marijuana; prohibiting the Department of Taxation from requiring a medical marijuana dispensary to determine whether a person has exceeded the legal limits for possession of marijuana for medical use; revising provisions relating to medical marijuana establishment agents; **prohibiting the use of a vending machine to dispense marijuana; providing a penalty;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law exempts a person who holds a valid registry identification card or letter of approval from state prosecution for the use, possession, delivery and production of marijuana. (NRS 453A.200, 453A.205) Existing law also exempts a person who holds a valid medical marijuana establishment registration certificate or medical marijuana establishment agent registration card from state prosecution for possession, delivery and production of marijuana and provides for the registration and regulation of such persons and establishments. (NRS 453A.200, 453A.320-453A.370) **Sections 2, 3, 5, 7-9, 11-16, 18-23, 25-48, 51-55 and 66-68** of this bill transfer the responsibility for the regulation of the medical use of marijuana from the Division of Public and Behavioral Health of the Department of Health and Human Services to the Department of Taxation. **Section 38 of this bill prohibits a medical marijuana establishment from dispensing or otherwise selling marijuana using a vending machine. Section 56.5 of this bill establishes a similar prohibition for recreational marijuana establishments after January 1, 2020.**

The Nevada Legislature is required to provide by law for a registry of patients and their attendants who are authorized to use marijuana for a medical purpose. (Nev. Const. Art. 4, § 38) Existing law carries this out by requiring such persons to apply to the Division of Public and Behavioral Health of the Department of Health and Human Services for a registry identification card or letter of approval, as applicable, and granting a holder of such a card or letter an exemption from state prosecution for certain crimes relating to marijuana. (NRS 453A.200, 453A.205) **Sections 4, 5, 10, 13, 16-26, 35, 36, 38-40, 43, 44, 47-51 and 55-65** of this bill replace the requirement to obtain a registry identification card to qualify for the exemption from state prosecution with a requirement to be listed in the medical marijuana registry. **Section 5** of this bill requires the Department of Taxation to maintain the medical marijuana registry. **Section 5** requires a medical marijuana dispensary to list in the medical marijuana registry a person who submits certain documentation to the medical marijuana dispensary. **Section 18** of this bill applies the exemption from state prosecution for certain crimes relating to marijuana to a person who is listed in the medical marijuana registry. **Sections 19-23** of this bill authorize the Department to issue a letter of registration or letter of approval to a person who is listed in the medical marijuana registry which may be presented to show that the person is exempt from state prosecution for engaging in the medical use of marijuana. **Section 55** of this bill eliminates all existing fees relating to applications for and the issuance or renewal of registry identification cards and letters of approval. **Section 65.5 of this bill provides for certain information of persons who hold a registry identification card or letter of approval issued on or before June 30, 2017, to be entered into the medical marijuana registry maintained by the Department.**

Existing law requires a medical marijuana establishment that wishes to retain as a volunteer or employ or contract with a person to provide labor to the medical marijuana establishment to submit an application to register the person as a medical marijuana establishment agent. (NRS 453A.332) **Section 31** of this bill allows such a person to submit an application for registration as a medical marijuana establishment agent on his or her own behalf. **Section 31** also provides for the temporary registration of a person as a medical marijuana establishment agent upon submission of a complete application for registration or renewal of registration. **Finally, section 31 allows an independent contractor or employee of an independent contractor who is registered as a medical marijuana establishment agent to provide labor to any medical marijuana establishment and any other person who is registered as a medical marijuana establishment agent to work or volunteer at any medical marijuana establishment for which the category of the person's medical marijuana establishment agent card is valid.**

Existing law limits the exemption from state prosecution for the medical use of marijuana to the possession of not more than 2.5 ounces of usable marijuana in a 14-day period, 12 marijuana plants and a quantity of edible marijuana products and marijuana-infused products established by regulation. (NRS 453A.200) Existing law also prohibits a medical marijuana dispensary from selling marijuana in excess of these limits to a person. (NRS 453A.358) **Section 41** of this bill instead: (1) prohibits a medical marijuana dispensary from selling more than 1 ounce of marijuana in a transaction; and (2) prohibits the Department of Taxation from requiring a medical marijuana dispensary to track the purchases of a person or determine whether a person has exceeded the legal limits for possession of marijuana for medical use.

Existing law allows a medical marijuana dispensary to recognize a nonresident card for the purpose of dispensing marijuana for medical use if the nonresident card meets certain requirements that make it the functional equivalent of a registry identification card. Existing law also requires, as of April 1, 2018, a nonresident card to be verified by the use of certain databases. (NRS 453A.364) **Section 43** of this bill instead: (1) ~~[allows a medical marijuana dispensary to recognize a nonresident authorization for the medical use of marijuana;]~~ **deems a nonresident who is authorized to engage in the medical use of marijuana under the laws of his or her state or jurisdiction of residence to be listed in the medical marijuana registry for the purpose of exemption from state prosecution, if the person abides by the legal limits on the possession, delivery and production of marijuana in this State; and** (2) ~~[eliminates the requirement that the nonresident authorization have an expiration date and be unexpired; and (3) allows written documentation from a physician to qualify as such authorization in certain circumstances.]~~ **authorizes a medical marijuana dispensary to dispense marijuana to such a person if the person presents a document which is valid proof of exemption under the laws of the state or jurisdiction of which the person is a resident.** **Section 69** of this bill eliminates the prospective requirement to verify a nonresident authorization by the use of certain databases.

Sec. 63. NRS 484C.210 is hereby amended to read as follows:

484C.210 1. If a person fails to submit to an evidentiary test as requested by a police officer pursuant to NRS 484C.160, the license, permit or privilege to drive of the person must be revoked as provided in NRS 484C.220, and the person is not eligible for a license, permit or privilege to drive for a period of:

(a) One year; or

(b) Three years, if the license, permit or privilege to drive of the person has been revoked during the immediately preceding 7 years for failure to submit to an evidentiary test.

2. If the result of a test given under NRS 484C.150 or 484C.160 shows that a person had a concentration of alcohol of 0.08 or more in his or her blood or breath or a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or ~~[hold a valid registry identification card, as defined in NRS 453A.140,]~~ ***for which he or she was not listed in the medical marijuana registry, as defined in section 4 of this act,*** at the time of the test, the license, permit or privilege of the person to drive must be revoked as provided in NRS 484C.220 and the person is not eligible for a license, permit or privilege for a period of 90 days.

3. If a revocation of a person's license, permit or privilege to drive under NRS 62E.640 or 483.460 follows a revocation under subsection 2 which was based on the person having a concentration of alcohol of 0.08 or more in his or her blood or breath, the Department shall cancel the revocation under that subsection and give the person credit for any period during which the person was not eligible for a license, permit or privilege.

4. Periods of ineligibility for a license, permit or privilege to drive which are imposed pursuant to this section must run consecutively.

Sec. 64. NRS 484C.220 is hereby amended to read as follows:

484C.220 1. As agent for the Department, the officer who requested that a test be given pursuant to NRS 484C.150 or 484C.160 or who obtained the result of a test given pursuant to NRS 484C.150 or 484C.160 shall immediately serve an order of revocation of the license, permit or privilege to drive on a person who failed to submit to a test requested by the police officer pursuant to NRS 484C.150 or 484C.160 or who has a concentration of alcohol of 0.08 or more in his or her blood or breath or has a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or ~~[hold a valid registry identification card, as defined in NRS 453A.140,]~~ ***for which he or she was not listed in the medical marijuana***

registry, as defined in section 4 of this act, if that person is present, and shall seize the license or permit to drive of the person. The officer shall then, unless the information is expressly set forth in the order of revocation, advise the person of his or her right to administrative and judicial review of the revocation pursuant to NRS 484C.230 and, except as otherwise provided in this subsection, that the person has a right to request a temporary license. If the person currently is driving with a temporary license that was issued pursuant to this section or NRS 484C.230, the person is not entitled to request an additional temporary license pursuant to this section or NRS 484C.230, and the order of revocation issued by the officer must revoke the temporary license that was previously issued. If the person is entitled to request a temporary license, the officer shall issue the person a temporary license on a form approved by the Department if the person requests one, which is effective for only 7 days including the date of issuance. The officer shall immediately transmit the person's license or permit to the Department along with the written certificate required by subsection 2.

2. When a police officer has served an order of revocation of a driver's license, permit or privilege on a person pursuant to subsection 1, or later receives the result of an evidentiary test which indicates that a person, not then present, had a concentration of alcohol of 0.08 or more in his or her blood or breath or had a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or ~~[hold a valid registry identification card, as defined in NRS 453A.140,]~~ ***for which he or she was not listed in the medical marijuana registry, as defined in section 4 of this act,*** the officer shall immediately prepare and transmit to the Department, together with the seized license or permit and a copy of the result of the test, if any, a written certificate that the officer had reasonable grounds to believe that the person had been driving or in actual physical control of a vehicle:

(a) With a concentration of alcohol of 0.08 or more in his or her blood or breath or with a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or ~~[hold a valid registry identification card, as defined in NRS 453A.140,]~~ ***for which he or she was not listed in the medical marijuana registry, as defined in section 4 of this act,*** as determined by a chemical test; or

(b) While under the influence of intoxicating liquor or a controlled substance or with a prohibited substance in his or her blood or urine and the person refused to submit to a required evidentiary test.

➥ The certificate must also indicate whether the officer served an order of revocation on the person and whether the officer issued the person a temporary license.

3. The Department, upon receipt of such a certificate for which an order of revocation has not been served, after examining the certificate and copy of the result of the chemical test, if any, and finding that revocation is proper,

shall issue an order revoking the person's license, permit or privilege to drive by mailing the order to the person at the person's last known address. The order must indicate the grounds for the revocation and the period during which the person is not eligible for a license, permit or privilege to drive and state that the person has a right to administrative and judicial review of the revocation and to have a temporary license. The order of revocation becomes effective 5 days after mailing.

4. Notice of an order of revocation and notice of the affirmation of a prior order of revocation or the cancellation of a temporary license provided in NRS 484C.230 is sufficient if it is mailed to the person's last known address as shown by any application for a license. The date of mailing may be proved by the certificate of any officer or employee of the Department, specifying the time of mailing the notice. The notice is presumed to have been received upon the expiration of 5 days after it is deposited, postage prepaid, in the United States mail.

Sec. 65. NRS 484C.230 is hereby amended to read as follows:

484C.230 1. At any time while a person is not eligible for a license, permit or privilege to drive following an order of revocation issued pursuant to NRS 484C.220, the person may request in writing a hearing by the Department to review the order of revocation, but the person is only entitled to one hearing. The hearing must be conducted as soon as is practicable at any location, if the hearing officer permits each party and witness to attend the hearing by telephone, videoconference or other electronic means. The Director or agent of the Director may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the requester. Unless the person is ineligible for a temporary license pursuant to NRS 484C.220, the Department shall issue an additional temporary license for a period which is sufficient to complete the administrative review.

2. The scope of the hearing must be limited to the issue of whether the person:

(a) Failed to submit to a required test provided for in NRS 484C.150 or 484C.160; or

(b) At the time of the test, had a concentration of alcohol of 0.08 or more in his or her blood or breath or a detectable amount of a controlled substance or prohibited substance in his or her blood or urine for which he or she did not have a valid prescription, as defined in NRS 453.128, or ~~[hold a valid registry identification card, as defined in NRS 453A.140.]~~ ***for which he or she was not listed in the medical marijuana registry, as defined in section 4 of this act.***

➥ Upon an affirmative finding on either issue, the Department shall affirm the order of revocation. Otherwise, the order of revocation must be rescinded.

3. If, after the hearing, the order of revocation is affirmed, the person whose license, privilege or permit has been revoked is entitled to a review of the same issues in district court in the same manner as provided by chapter

233B of NRS. The court shall notify the Department upon the issuance of a stay, and the Department shall issue an additional temporary license for a period which is sufficient to complete the review.

4. If a hearing officer grants a continuance of a hearing at the request of the person whose license was revoked, or a court does so after issuing a stay of the revocation, the officer or court shall notify the Department, and the Department shall cancel the temporary license and notify the holder by mailing the order of cancellation to the person's last known address.

Sec. 66. 1. A person who holds a valid, unexpired registry identification card on July 1, 2017, shall be deemed to be listed in the medical marijuana registry until the registry identification card expires.

The administrative regulations adopted by the Division of Public and Behavioral Health of the Department of Health and Human Services pursuant to chapter 453A of NRS remain in force and are hereby transferred to become the administrative regulations of the Department of Taxation on July 1, 2017. On and after July 1, 2017, these regulations must be interpreted in a manner so that all references to the Division of Public and Behavioral Health of the Department of Health and Human Services and its constituent parts are read and interpreted as being references to the Department of Taxation and its constituent parts, regardless of whether those references have been conformed pursuant to section 68 of this act at the time of interpretation.

2. Assemblyman Sprinkle moved the adoption of the amendment.

Potential conflict of interest declared by Assemblyman Ohrenschall.

ASSEMBLYMAN OHRENSCHALL:

Mr. Speaker, because this body is considering Assembly Bill 422 which proposes to make changes regarding medical marijuana and marijuana establishments, I would like to advise the Chamber that my wife is currently employed as the Executive Director of the Nevada Dispensary Association, a trade association consisting of medical marijuana dispensaries and medical marijuana cultivators, which actively lobbies the Legislature and other governmental bodies on issues affecting its members. I have sought the advice of our Legislative Counsel and although Assembly Bill 422 does not affect the members of the trade association that my wife is employed with any differently than other owners of medical marijuana dispensaries and medical marijuana cultivators, I am making this disclosure. I did abstain from voting on the proposed amendment to Assembly Bill 422 as I will abstain from voting on Assembly Bill 422 out of an abundance of caution.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 425.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 535.

AN ACT relating to counselors; authorizing certain holders of licenses and certificates issued by the Board of Examiners for Alcohol, Drug and Gambling Counselors to place those licenses and certificates on inactive status; authorizing the Board to impose administrative sanctions against a person who engages in certain activity without a license or certificate; authorizing certain certified alcohol and drug abuse counselors to supervise a

certified alcohol and drug abuse counselor intern; **revising the required training for a certified alcohol and drug abuse counselor intern;** authorizing the Board to impose disciplinary action in certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the Board of Examiners for Alcohol, Drug and Gambling Counselors to: (1) license clinical alcohol and drug abuse counselors and alcohol and drug abuse counselors who have received a master's or doctoral degree in an approved field of social science; and (2) certify alcohol and drug abuse counselors who have received a bachelor's degree in an approved field of social science, problem gambling counselors, clinical alcohol and drug abuse counselor interns, alcohol and drug abuse counselor interns and problem gambling counselor interns. (NRS 641C.330, 641C.340, 641C.350, 641C.390, 641C.420, 641C.430, 641C.440) **Section 2** of this bill authorizes the holder of a license or certificate issued by the Board, other than a certificate as an intern, to place the license or certificate on inactive status if the license or certificate is in good standing and the holder of the license or certificate has met all requirements for the issuance or renewal of the license or certificate. **Section 2** prohibits a person whose license is inactive from engaging in any work or activity that requires a license or certificate issued by the Board in this State unless the license or certificate is returned to active status. Violation of this provision is a misdemeanor. (NRS 641C.950) **Section 6** of this bill authorizes the Board to impose disciplinary action against a person who: (1) violates this provision; or (2) engages in the practice of counseling problem gamblers with an expired, suspended or revoked certificate.

Section 3 of this bill authorizes the Board to impose certain sanctions, including an administrative penalty, against a person who: (1) provides services for which a license or certificate issued by the Board is required without such a license or certificate; or (2) falsely represents or implies that he or she has such a license or certificate.

Under existing law, only a licensed alcohol and drug abuse counselor is authorized to supervise a certified alcohol and drug abuse counselor intern. (NRS 641C.420) **Sections 4 and 5** of this bill additionally authorize a certified alcohol and drug abuse counselor who has been certified for at least 3 years and meets any other requirements prescribed by the Board to supervise such an intern.

Existing law requires an applicant for a certificate as an alcohol and drug abuse counselor intern to have completed not less than 30 hours of training specific to alcohol and drug abuse, which must include at least 6 hours of instruction relating to confidentiality and 6 hours of instruction relating to ethics. (NRS 641C.420) Section 5 of this bill removes the requirement that an applicant must have completed not less than 30 hours of training specific to alcohol and drug abuse, but leaves in place the requirement that the applicant must have received at least 6 hours of

instruction relating to confidentiality and 6 hours of instruction relating to ethics.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 641C of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ***1. The holder of a license or certificate issued by the Board, other than a certified intern, may apply to the Board to have his or her license or certificate placed on inactive status. 2. If an application is granted pursuant to subsection 1, the holder of the license or certificate shall not engage in any work or activities that require a license or certificate issued by the Board in this State unless the license or certificate is first returned to active status.

1. Issue an order against any person who has violated NRS 641C.900 or 641C.910, imposing an administrative penalty of not more than $5,000 for each violation. Any administrative penalty collected pursuant to this subsection must be deposited in the State General Fund.

2. Issue and serve on the person an order to cease and desist until the person obtains from the Board the proper license or certificate and otherwise demonstrates that he or she is no longer in violation of NRS 641C.900 or 641C.910, as applicable. An order to cease and desist must include a telephone number by which the person may contact the Board.

3. Issue a citation to the person. A citation issued pursuant to this subsection must be in writing, describe with particularity the nature of the violation and inform the person of the provisions of this section. Each activity in

which the person is engaged constitutes a separate offense for which a separate citation may be issued. To appeal a citation, the person must submit a written request for a hearing to the Board not later than 30 days after the date of issuance of the citation.

SUMMARY—Enacts provisions governing ~~[the interstate provision of emergency medical services and]~~ the interstate practice of psychology. (BDR ~~[40-351)]~~ **54-351)**

~~[CONTAINS UNFUNDED MANDATE (§§ 1, 2, 19) (Not Requested by Affected Local Government)]~~

AN ACT relating to health care; ratifying, enacting and entering into the ~~[Recognition of Emergency Medical Services Personnel Licensure Interstate Compact and the]~~ Psychology Interjurisdictional Compact; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[~~ ~~The Recognition of Emergency Medical Services Personnel Licensure Interstate Compact is an interstate compact that allows a person who is licensed to practice as an emergency medical technician, advanced emergency medical technician or paramedic to practice in another state that is a member of the Compact under certain circumstances. Specifically, such a person may practice in a state other than the state in which he or she is licensed, referred to as the "remote state," if the state in which he or she is licensed, referred to as his or her "home state": (1) requires licensees to pass the National Registry of Emergency Medical Technicians examination and undergo a criminal background check; (2) has provisions in place for receiving and investigating complaints concerning licensees; and (3) notifies the Commission, which is the administrative body of the Compact, of any disciplinary action taken against or significant investigation of a licensee. A person who practices in a remote state under the Compact is subject to the jurisdiction and rules of the remote state while practicing there, and his or her privilege to practice in any remote state may be revoked by the authorities in a remote state in which he or she practices. The Compact specifies that a person may only practice in a remote state after entering from his or her home state, meaning that the Compact does not authorize a person to obtain regular employment with an emergency medical services agency in a remote state without obtaining a license in that state.~~

~~The Compact also requires member states to consider a veteran or member of the military, or spouse thereof, who holds an active National Registry of Emergency Medical Technicians certification at or above the level of an emergency medical technician, advanced emergency medical technician or paramedic as satisfying the minimum requirements for certification as an emergency medical technician, advanced emergency medical technician or paramedic, as applicable. Member states are required to expedite applications for licensure submitted by such persons.~~

~~The Commission is authorized to adopt rules and impose an annual assessment on each member state to fund the activities of the Commission. The Compact becomes effective upon ratification by ten states. Currently, nine states have ratified the Compact, including Utah and Idaho.~~

~~Section 2 of this bill ratifies and enacts the Compact. Sections 1, 3-5, 8, 10-13, 15, 16, 18 and 19 of this bill make conforming changes to clarify that: (1) an emergency medical technician, advanced emergency medical technician or paramedic who has not been certified by a health authority in this State is authorized to practice in this State under the conditions set forth in the Compact; and (2) a person practicing as an emergency medical technician, advanced emergency medical technician or paramedic under the conditions set forth in the Compact has the same rights and responsibilities as a person certified as such in this State. Sections 6, 7 and 9-11 of this bill provide that a veteran or member of the military, or spouse thereof, who holds an active National Registry of Emergency Medical Technicians~~

~~certification at or above the level of an emergency medical technician, advanced emergency medical technician or paramedic is not required to obtain additional training to be certified as such, in conformance with the Compact.]~~

The Psychology Interjurisdictional Compact of the Association of State and Provincial Psychology Boards is an interstate compact that allows a person who is licensed as a psychologist in a state that is a member of the Compact to provide services to patients in other states that are members of the Compact through telehealth or in person under certain conditions. Before providing such services, the Compact requires a psychologist to: (1) have a graduate degree in psychology from an accredited institution; (2) possess a full, unrestricted license to practice psychology in at least one state that is a member of the Compact; (3) have no history of disciplinary action or convictions of certain crimes; (4) make attestations and allow the governing body of the Compact, known as the Psychology Interjurisdictional Compact Commission, to access information concerning the psychologist's areas of intended practice, criminal background and knowledge of requirements in all states in which he or she intends to practice; (5) possess a valid certificate to practice either through telehealth, called an E.Passport, or in person, called an IPC Certificate, under the Compact; and (6) meet any other requirements of the Commission. The Compact only authorizes a psychologist to provide services in person in a state in which the psychologist is not licensed on a temporary basis, as defined by the Commission, and the psychologist is still required to obtain a license to provide services in person over the long term. Psychologists who provide services in states other than those in which they are licensed under the Compact are subject to the jurisdiction of the state in which they provide services, and such a state can revoke the authorization to practice in those states. The Commission is authorized to: (1) collect an annual assessment from each state that is a member of the Compact to fund the operations of the Commission; (2) make rules concerning the administration of the Compact and the practice of psychology across state lines under the Compact; and (3) resolve disputes among states that are members of the Compact related to the Compact. **Section 21** of this bill enacts the Compact.

Sections ~~[14, 17,]~~ 20, 22 and 24-29 of this bill clarify that a psychologist who is authorized to practice in this State pursuant to the Compact is authorized to engage in the same activities as a psychologist who is licensed in this State. **Section 23** of this bill exempts a psychologist who is not licensed in this State and practicing as authorized in the Compact from a prohibition on representing oneself as a psychologist or practicing psychology without a license issued by the Board of Psychological Examiners. The Compact becomes effective upon ratification by seven states. Currently, only Arizona **~~[has]~~ and Utah have** ratified the Compact.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. ~~[NRS 441A.195 is hereby amended to read as follows:~~

~~441A.195 1. A law enforcement officer, correctional officer, emergency medical attendant, firefighter, county coroner or medical examiner or any of their employees or volunteers, any other person who is employed by or is a volunteer for an agency of criminal justice or any other public employee or volunteer for a public agency who, in the course of his or her official duties, comes into contact with human blood or bodily fluids, or the employer of such a person or the public agency for which the person volunteers, may petition a court for an order requiring the testing of a person or decedent for exposure to a communicable disease if the person or decedent may have exposed the officer, emergency medical attendant, firefighter, county coroner or medical examiner or their employee or volunteer, other person employed by or volunteering for an agency of criminal justice or other public employee or volunteer for a public agency to a communicable disease.~~

~~2. When possible, before filing a petition pursuant to subsection 1, the person, employer or public agency for which the person volunteers, and who is petitioning shall submit information concerning the possible exposure to a communicable disease to the designated health care officer for the employer or public agency or, if there is no designated health care officer, the person designated by the employer or public agency to document and verify possible exposure to communicable diseases, for verification that there was substantial exposure. Each designated health care officer or person designated by an employer or public agency to document and verify possible exposure to communicable diseases shall establish guidelines based on current scientific information to determine substantial exposure.~~

~~3. A court shall promptly hear a petition filed pursuant to subsection 1 and determine whether there is probable cause to believe that a possible transfer of blood or other bodily fluids occurred between the person who filed the petition or on whose behalf the petition was filed and the person or decedent who possibly exposed him or her to a communicable disease. If the court determines that probable cause exists to believe that a possible transfer of blood or other bodily fluids occurred and, that a positive result from the test for the presence of a communicable disease would require the petitioner to seek medical intervention, the court shall:~~

~~(a) Order the person who possibly exposed the petitioner, or the person on whose behalf the petition was filed, to a communicable disease to submit two appropriate specimens to a local hospital or medical laboratory for testing for exposure to a communicable disease; or~~

~~(b) Order that two appropriate specimens be taken from the decedent who possibly exposed the petitioner, or the person on whose behalf the petition was filed, to a communicable disease and be submitted to a local hospital or medical laboratory for testing for exposure to the communicable disease.~~

~~. The local hospital or medical laboratory shall perform the test in accordance with generally accepted medical practices and shall disclose the results of the test in the manner set forth in NRS 629.069.~~

~~4. If a judge or a justice of the peace enters an order pursuant to this section, the judge or justice of the peace may authorize the designated health care officer or the person designated by the employer or public agency to document and verify~~

~~possible exposure to a communicable disease to sign the name of the judge or justice of the peace on a duplicate order. Such a duplicate order shall be deemed to be an order of the court. As soon as practicable after the duplicate order is signed, the duplicate order must be returned to the judge or justice of the peace who authorized the signing of it and must indicate on its face the judge or justice of the peace to whom it is to be returned. The judge or justice of the peace, upon receiving the returned order, shall endorse the order with his or her name and enter the date on which the order was returned. Any failure of the judge or justice of the peace to make such an endorsement and entry does not in and of itself invalidate the order.~~

~~5. Except as otherwise provided in NRS 629.069, all records submitted to the court in connection with a petition filed pursuant to this section and any proceedings concerning the petition are confidential and the judge or justice of the peace shall order the records and any record of the proceedings to be sealed and to be opened for inspection only upon an order of the court for good cause shown.~~

~~6. A court may establish rules to allow a judge or justice of the peace to conduct a hearing or issue an order pursuant to this section by electronic or telephonic means.~~

~~7. The employer of a person or the public agency for which the person volunteers, who files a petition or on whose behalf a petition is filed pursuant to this section or the insurer of the employer or public agency, shall pay the cost of performing the test pursuant to subsection 3.~~

~~8. As used in this section:~~

~~(a) "Agency of criminal justice" has the meaning ascribed to it in NRS 179A.030.~~

~~(b) "Emergency medical attendant" means a person licensed as an attendant or certified as an emergency medical technician, advanced emergency medical technician or paramedic pursuant to chapter 450B of NRS~~ **[**~~.~~**.]** ~~***or authorized to practice in this State as an emergency medical technician, advanced emergency medical technician or paramedic pursuant to the Recognition of Emergency Medical Services Personnel Licensure Interstate Compact ratified and enacted in section 2 of this act.]***~~

~~*(b) Provide remedial training and specific technical assistance regarding the default.*~~

~~*2. If a member state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.*~~

~~*3. Termination of membership in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the Governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.*~~

The relief sought may include, without limitation, both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including, without limitation, reasonable attorney's fees.*~~

~~*D. Nothing contained in this Compact shall be construed to invalidate or prevent any EMS personnel licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.*~~

~~*E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.*~~

~~*SECTION 15. CONSTRUCTION AND SEVERABILITY*~~

AN ACT relating to alcoholic beverages; revising provisions governing brew pubs; revising provisions governing a supplier of alcoholic beverages; revising provisions prohibiting a wholesaler dealer of alcoholic beverages

from investing money in a retail liquor store; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a person who is licensed to operate a brew pub to operate more than one such brew pub in a county but limits the person to manufacturing not more than 15,000 barrels for all of the brew pubs the person operates in that county in any calendar year. (NRS 597.230) **Section 4** of this bill ~~[limits]~~ **authorizes** a person ~~[who operates]~~ **to operate one or more** ~~[a brew pub to two locations for the]~~ brew ~~[pub]~~ **pubs** in this State and increases the number of barrels of malt beverages that such a person may manufacture **for all the brew pubs he or she operates in this State** during a calendar year to ~~[20,000]~~ **40,000** barrels. **Section 4 additionally authorizes a person who operates one or more brew pubs in this State to transport malt beverages to a licensed person for the purpose of selling the malt beverages at a special event in this State. Section 3.5 of this bill defines a special event as an event that lasts no longer than 1 calendar day and that occurs at a farmers' market or at an event designated as a county fair.** **Section 4** further prohibits a person who operates a brew pub from selling at retail more than ~~[2,000]~~ **5,000** barrels of malt beverages per calendar year ~~[for consumption off the premises of the brew pub.]~~ **and provides that of the 5,000 barrels, not more than 1,000 barrels may be sold in kegs.**

Section 9.5 of this bill requires the Department of Taxation to adopt and enforce regulations necessary to monitor the quantity of malt beverages manufactured pursuant to section 4. **Section 10** of this bill specifies that a person licensed to operate a brew pub may not engage in any other activity **not authorized pursuant to section 4** for which a license is required unless the person holds the license for that activity.

Existing law defines the term "supplier" for the purposes of the regulation of alcoholic beverages and imposes certain requirements on a supplier of alcoholic beverages. (Chapters 369 and 597 of NRS) **Sections 1 and 9** of this bill include breweries **,** ~~[and]~~ brew pubs **and craft distilleries** located in this State within the definition of "supplier" and, thus, impose on such breweries **,** ~~[and]~~ brew pubs **and craft distilleries** the requirements of existing law applicable to a supplier. **Section 2** of this bill exempts certain smaller suppliers from the requirement to allow a wholesaler a period of 60 days to correct any failure to comply with the terms of a franchise agreement between the supplier and the wholesaler. **Section 3** of this bill revises certain prohibitions imposed on a supplier by prohibiting a supplier from engaging in certain conduct in relation to a wholesaler who sells, distributes, markets, advertises or promotes the alcoholic beverages produced by the supplier.

Existing law prohibits a wholesale dealer of alcoholic beverages from investing money, directly or indirectly in a retail liquor store. (NRS 369.485) **Section 12** of this bill prohibits the wholesale dealer from making such an investment through a subsidiary or agent.

Existing law creates the Regional Business Development Advisory Council for Clark County and prescribes its duties. (Sections 15 and 20 of chapter 7, Statutes of Nevada 2003, 20th Special Session, at pp. 268-69) **Section 5** of this bill requires the Council to provide to local businesses owned and operated by disadvantaged persons certain information concerning public and private programs to provide financing to small businesses and the criteria for obtaining financing through such programs.

Assembly Bill No. 440.

Bill read second time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 425.

AN ACT relating to mental health; authorizing a proceeding for the involuntary court-ordered admission of a criminal defendant to a program of community-based or outpatient services to be commenced by the district court or by motion of the defendant or the district attorney ~~[.]~~ **under certain circumstances; requiring the court to dismiss the charges against the defendant if the defendant successfully completes such a program to the satisfaction of the court;** requiring certain judges to hear proceedings for involuntary court-ordered admission; requiring a district court ~~[under certain circumstances]~~ to request an evaluation of a person alleged to be a person with mental illness by an evaluation team; ~~[providing that the district court and family court have concurrent jurisdiction over a proceeding for involuntary court-ordered admission under certain circumstances;]~~ **revising requirements concerning courses of instruction for certain judges;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a proceeding for an involuntary court-ordered admission of a person may be commenced by the filing of a petition for the involuntary admission to a mental health facility or to a program of

community-based or outpatient services with the clerk of the district court of the county where the person resides. (NRS 433A.200) **Section 1** of this bill additionally authorizes a proceeding for the involuntary court-ordered admission of a person who is the defendant in a criminal proceeding in the district court to a program of community-based or outpatient services to be commenced by the district court, on its own motion, or by motion of the defendant or the district attorney ~~[.]~~ **if certain conditions are met. Section 4.3 of this bill specifies the circumstances under which the court may suspend the criminal proceedings against a defendant and order the defendant to a program of community-based or outpatient services. Under section 4.3, if the defendant successfully completes a program of community-based or outpatient services, the district court shall dismiss the criminal charges against the defendant with prejudice.** **Sections 2-4** of this bill make conforming changes. **Section 2** provides that, if the Chief Judge of a district court has designated a district court judge or hearing master to preside over involuntary commitment hearings, that district court judge or hearing master must preside over such hearings. ~~[Section 5 of this bill provides that if the Chief Judge has assigned a judge or hearing master who is not a judge or hearing master of the family court to hear such cases, the family court does not have original, exclusive jurisdiction over such cases.~~

~~Upon the filing of a petition to commence involuntary commitment proceedings, existing law requires a district court to: (1) cause two or more physicians or psychologists, one of whom must always be a physician, to examine the person alleged to be a person with mental illness; or (2) request an evaluation by an evaluation team from the Division of Public and Behavioral Health of the Department of Health and Human Services of that person. (NRS 433A.240) Section 3 requires the district court to request an evaluation by such an evaluation team if the person who is the subject of proceedings for involuntary court-ordered admission to a program of community-based or outpatient services is also a criminal defendant.]~~

Existing law requires district judges assigned to the family court for a period of 90 or more days to attend instruction at the National Council of Juvenile and Family Court Judges in Reno, Nevada. (NRS 3.0105) Section 4.5 of this bill exempts a district judge or hearing master specifically assigned to hear certain involuntary commitment proceedings from the requirement to attend such instruction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 433A.200 is hereby amended to read as follows:

433A.220 1. 3. The provisions of this section do not preclude a facility from discharging a person before the time set pursuant to this section for the hearing concerning the person, if appropriate. If the person has a legal guardian, the facility shall notify the guardian prior to discharging the person from the facility. The legal guardian has discretion to determine where the person will be released, taking into consideration any discharge plan proposed by the facility assessment team. If the legal guardian does not inform the facility as to where the person will be released within 3 days after the date of notification, the facility shall discharge the person according to its proposed discharge plan.

Sec. 3. NRS 433A.240 is hereby amended to read as follows:

Sec. 4.3. **NRS 433A.310 is hereby amended to read as follows:**

433A.310 1. Except as otherwise provided in ***subsection 2 and*** NRS 432B.6076 and 432B.6077, if the district court finds, after proceedings for the involuntary court-ordered admission of a person:

(a) That there is not clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness or exhibits observable behavior such that the person is likely to harm himself or herself

or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court shall enter its finding to that effect and the person must not be involuntarily admitted to a public or private mental health facility or to a program of community-based or outpatient services.

(b) That there is clear and convincing evidence that the person with respect to whom the hearing was held has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court may order the involuntary admission of the person for the most appropriate course of treatment, including, without limitation, admission to a public or private mental health facility or participation in a program of community-based or outpatient services. The order of the court must be interlocutory and must not become final if, within 30 days after the involuntary admission, the person is unconditionally released pursuant to NRS 433A.390.

2. ***If the district court finds, after proceedings for the involuntary court-ordered admission of a defendant in a criminal proceeding pursuant to subsection 3 of NRS 433A.200:***

(a) That there is not clear and convincing evidence that the defendant with respect to whom the hearing was held has a mental illness or exhibits observable behavior such that the defendant is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, the court shall enter its finding to that effect and the person must not be involuntarily admitted to a program of community-based or outpatient services.

(b) That there is clear and convincing evidence that the defendant with respect to whom the hearing was held has a mental illness and, because of that illness, is likely to harm himself or herself or others if allowed his or her liberty or if not required to participate in a program of community-based or outpatient services, except as otherwise provided in this paragraph, the court shall order the involuntary admission of the defendant for participation in a program of community-based or outpatient services and suspend further proceedings in the criminal proceeding against the defendant until the defendant completes or is removed from the program. If the offense allegedly committed by the defendant is a category A or B felony or involved the use or threatened use of force or violence, the court may not order the involuntary admission of the defendant for participation in a program pursuant to this paragraph unless the prosecuting attorney stipulates to the assignment. The order of the court must be interlocutory and must not become final if, within 30 days after the involuntary admission, the person is unconditionally released pursuant to NRS 433A.390. If the defendant successfully completes a program of community-based or outpatient services to the satisfaction of the court, the

court shall dismiss the criminal charges against the defendant with prejudice.

3. If, pursuant to NRS 176A.400, the district court issues an order granting probation to a defendant in a criminal proceeding with a condition that the defendant submit to mental health treatment and comply with instructions, admission to a program of community-based or outpatient services may be used to satisfy such a condition if the Division makes a clinical determination that placement in a program of community-based or outpatient services is appropriate.

4. A court shall not admit a person to a program of community-based or outpatient services unless:

(a) A program of community-based or outpatient services is available in the community in which the person resides or is otherwise made available to the person;

(b) The person is 18 years of age or older;

(c) The person has a history of noncompliance with treatment for mental illness;

(d) The person is capable of surviving safely in the community in which he or she resides with available supervision;

(e) The court determines that, based on the person's history of treatment for mental illness, the person needs to be admitted to a program of community-based or outpatient services to prevent further disability or deterioration of the person which is likely to result in harm to himself or herself or others;

(f) The current mental status of the person or the nature of the person's illness limits or negates his or her ability to make an informed decision to seek treatment for mental illness voluntarily or to comply with recommended treatment for mental illness;

(g) The program of community-based or outpatient services is the least restrictive treatment which is in the best interest of the person; and

(h) The court has approved a plan of treatment developed for the person pursuant to NRS 433A.315.

~~[3.]~~ ***5.*** Except as otherwise provided in NRS 432B.608, an involuntary admission pursuant to paragraph (b) of subsection 1 ***or paragraph (b) of subsection 2*** automatically expires at the end of 6 months if not terminated previously by the medical director of the public or private mental health facility as provided for in subsection 2 of NRS 433A.390 or by the professional responsible for providing or coordinating the program of community-based or outpatient services as provided for in subsection 3 of NRS 433A.390. Except as otherwise provided in NRS 432B.608, at the end of the court-ordered period of treatment, the Division, any mental health facility that is not operated by the Division or a program of community-based or outpatient services may petition to renew the involuntary admission of the person for additional periods not to exceed 6 months each. For each renewal, the petition must include evidence which meets the same standard set forth in

subsection 1 ***or 2*** that was required for the initial period of admission of the person to a public or private mental health facility or to a program of community-based or outpatient services.

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 552.

AN ACT relating to industrial insurance; providing that certain phrases relating to a claim for compensation may be used interchangeably; authorizing an injured employee to obtain an independent medical examination under certain circumstances; setting forth the manner in which a vocational rehabilitation counselor is to be appointed; **increasing the amount of medical benefits required to be paid during the first 12 months after a claim is opened;** revising provisions relating to permanent partial disability; revising provisions concerning the payment in lump sum for a permanent partial disability; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill specifies that a physician or chiropractor may use interchangeably certain phrases that relate to a claim for compensation when determining the causation of an industrial injury or occupational disease.

Existing law authorizes a hearing officer or appeals officer to order an independent medical examination if such an examination is necessary to resolve a medical question concerning an injured employee's condition or to determine the necessity of treatment for which authorization for payment has been denied. In such situations, an injured employee may choose any physician or chiropractor, whether or not the physician or chiropractor is on the insurer's panel of providers of health care. (NRS 616C.330, 616C.360) **Section 3** of this bill sets forth that an injured employee is entitled to an independent medical examination for a claim for compensation that is open or when the closure of a claim is under dispute. **Section 3** further authorizes

the injured employee to obtain an independent medical examination: (1) when a dispute arises from a determination issued by the insurer; (2) within 30 days after the injured employee receives a certain report generated by a medical examination; or (3) by leave of a hearing officer or appeals officer. **Section 3** additionally requires an injured employee to select a physician or chiropractor from the panel of physicians or chiropractors established by the Administrator of the Division of Industrial Relations of the Department of Business and Industry. **Section 3** further requires the insurer to**: (1)** pay for an independent medical examination **;** and **(2) upon request, receive a copy of any report or other document that is generated as a result of the independent medical examination. Section 3 additionally** allows the injured employee to obtain ~~[not more than]~~ **only** one independent medical examination per **calendar** year.

Existing law provides that the primary obligation of a vocational rehabilitation counselor is to the injured employee. (NRS 616C.547) Existing law authorizes an insurer or injured employee to request a vocational rehabilitation counselor to prepare a written assessment of the injured employee. (NRS 616C.550) Existing law requires the vocational rehabilitation counselor to develop a plan for a program of vocational rehabilitation for each eligible injured employee. (NRS 616C.555) **Section 4** of this bill provides for a vocational rehabilitation counselor to be appointed by the insurer and injured employee when a written assessment is requested or when a plan for a program of vocational rehabilitation is required.

Existing law requires, where there is a previous disability, the percentage of disability for a subsequent injury to be determined by deducting from the entire disability of the person the percentage of previous disability as it existed at the time of the subsequent injury. (NRS 616C.490) The Division of Industrial Relations of the Department of Business and Industry previously implemented a regulation that required an apportionment to be made by subtracting the percentage of previous disability as it existed at the time of the previous disability from the percentage of present disability as it existed at the time of the present disability. (NAC 616C.490) The Nevada Supreme Court in *Pub. Agency Comp. Trust v. Blake*, 127 Nev. 863 (2011), found this regulation to be invalid since it was in conflict with the existing statute. **Section 8** of this bill incorporates the substance of the regulation at issue into existing law.

Existing law authorizes an insurer, after sending notice to the claimant, to close a claim if, during the first 12 months after a claim is opened, the medical benefits required to be paid for the claim are less than $300. Existing law further requires an insurer to send to a claimant who receives less than $300 in medical benefits within 6 months after the claim is opened a written notice that explains how the claim may be closed if, during the first 12 months after the claim is opened, the medical benefits required to be paid for the claim are less than $300.

(NRS 616C.235) Section 7.3 of this bill increases the amount of medical benefits required to be paid for the claim from $300 to $800.

Existing law sets forth that if an employee's claim is reopened, the employee is not entitled to vocational rehabilitation services or benefits for a temporary total disability if, before the claim was reopened, the employee retired for reasons unrelated to the injury for which the claim was originally made. (NRS 616C.390) Section 7.7 of this bill defines the term "retired" for the purposes of these existing provisions.

Existing law authorizes an award for a permanent partial disability to be paid in a lump sum. Existing law further provides how a lump sum amount is to be calculated and requires the tables used in this calculation to be reviewed annually by a consulting actuary. (NRS 616C.495) **Section 9** of this bill specifies the maximum amount of a lump sum that a person injured **on or after July 1, 1995, and before January 1, 2016, on or after January 1, 2016, and before July 1, 2017, and** on or after July 1, 2017, may elect to receive as his or her compensation. **Section 9** additionally requires the tables used to calculate the lump sum to be adjusted on July 1 of each year.

~~[Sections 5-7 of this bill make conforming changes.]~~

The vocational rehabilitation counselor that is selected by the injured employee or personal or legal representative of the injured employee pursuant to subsection 1 or 3 must be assigned to provide all vocational rehabilitation services for the claim pursuant to this section and NRS 616C.530 to 616C.600, inclusive; and

5. After a vocational rehabilitation counselor is selected and assigned pursuant to this section, an injured employee or personal or legal representative of the injured employee may only rescind the selection of the vocational rehabilitation counselor with the consent of the insurer.

Sec. 7.3. **NRS 616C.235 is hereby amended to read as follows:**

616C.235 1. Except as otherwise provided in subsections 2, 3 and 4:

(a) When the insurer determines that a claim should be closed before all benefits to which the claimant may be entitled have been paid, the insurer shall send a written notice of its intention to close the claim to the claimant by first-class mail addressed to the last known address of the claimant and, if the insurer has been notified that the claimant is represented by an attorney, to the attorney for the claimant by first-class mail addressed to the last known address of the attorney. The notice must include, on a separate page, a statement describing the effects of closing a claim pursuant to this section and a statement that if the claimant does not agree with the determination, the claimant has a right to request a resolution of the dispute pursuant to NRS 616C.305 and 616C.315 to 616C.385, inclusive, including, without limitation, a statement which prominently displays the limit on the time that the claimant has to request a resolution of the dispute as set forth in NRS 616C.315. A suitable form for requesting a resolution of the dispute must be enclosed with the notice. The closure of a claim pursuant to this subsection is not effective unless notice is given as required by this subsection.

(b) If the insurer does not receive a request for the resolution of the dispute, it may close the claim.

(c) Notwithstanding the provisions of NRS 233B.125, if a hearing is conducted to resolve the dispute, the decision of the hearing officer may be served by first-class mail.

2. If, during the first 12 months after a claim is opened, the medical benefits required to be paid for a claim are less than ~~[$300,]~~ ***$800,*** the insurer may close the claim at any time after the insurer sends, by first-class mail addressed to the last known address of the claimant, written notice that includes a statement which prominently displays that:

(a) The claim is being closed pursuant to this subsection;

(b) The injured employee may appeal the closure of the claim pursuant to the provisions of NRS 616C.305 and 616C.315 to 616C.385, inclusive; and

(c) If the injured employee does not appeal the closure of the claim or appeals the closure of the claim but is not successful, the claim cannot be reopened.

3. In addition to the notice described in subsection 2, an insurer shall send to each claimant who receives less than ~~[$300]~~ ***$800*** in medical benefits within 6 months after the claim is opened a written notice that explains the circumstances under which a claim may be closed pursuant to subsection 2. The written notice provided pursuant to this subsection does not create any right to appeal the contents of that notice. The written notice must be:

(a) Sent by first-class mail addressed to the last known address of the claimant; and

(b) A document that is separate from any other document or form that is used by the insurer.

4. The closure of a claim pursuant to subsection 2 is not effective unless notice is given as required by subsections 2 and 3.

5. In addition to the requirements of this section, an insurer shall include in the written notice described in subsection 2:

(a) If an evaluation for a permanent partial disability has been scheduled pursuant to NRS 616C.490, a statement to that effect; or

(b) If an evaluation for a permanent partial disability will not be scheduled pursuant to NRS 616C.490, a statement explaining that the reason is because the insurer has determined there is no possibility of a permanent impairment of any kind.

Sec. 7.7. **NRS 616C.390 is hereby amended to read as follows:**

616C.390 Except as otherwise provided in NRS 616C.392:

1. If an application to reopen a claim to increase or rearrange compensation is made in writing more than 1 year after the date on which the claim was closed, the insurer shall reopen the claim if:

(a) A change of circumstances warrants an increase or rearrangement of compensation during the life of the claimant;

(b) The primary cause of the change of circumstances is the injury for which the claim was originally made; and

(c) The application is accompanied by the certificate of a physician or a chiropractor showing a change of circumstances which would warrant an increase or rearrangement of compensation.

2. After a claim has been closed, the insurer, upon receiving an application and for good cause shown, may authorize the reopening of the

claim for medical investigation only. The application must be accompanied by a written request for treatment from the physician or chiropractor treating the claimant, certifying that the treatment is indicated by a change in circumstances and is related to the industrial injury sustained by the claimant.

3. If a claimant applies for a claim to be reopened pursuant to subsection 1 or 2 and a final determination denying the reopening is issued, the claimant shall not reapply to reopen the claim until at least 1 year after the date on which the final determination is issued.

4. Except as otherwise provided in subsection 5, if an application to reopen a claim is made in writing within 1 year after the date on which the claim was closed, the insurer shall reopen the claim only if:

(a) The application is supported by medical evidence demonstrating an objective change in the medical condition of the claimant; and

(b) There is clear and convincing evidence that the primary cause of the change of circumstances is the injury for which the claim was originally made.

5. An application to reopen a claim must be made in writing within 1 year after the date on which the claim was closed if:

(a) The claimant did not meet the minimum duration of incapacity as set forth in NRS 616C.400 as a result of the injury; and

(b) The claimant did not receive benefits for a permanent partial disability.

➥ If an application to reopen a claim to increase or rearrange compensation is made pursuant to this subsection, the insurer shall reopen the claim if the requirements set forth in paragraphs (a), (b) and (c) of subsection 1 are met.

6. If an employee's claim is reopened pursuant to this section, the employee is not entitled to vocational rehabilitation services or benefits for a temporary total disability if, before the claim was reopened, the employee:

(a) Retired; or

(b) Otherwise voluntarily removed himself or herself from the workforce,

➥ for reasons unrelated to the injury for which the claim was originally made.

7. One year after the date on which the claim was closed, an insurer may dispose of the file of a claim authorized to be reopened pursuant to subsection 5, unless an application to reopen the claim has been filed pursuant to that subsection.

8. An increase or rearrangement of compensation is not effective before an application for reopening a claim is made unless good cause is shown. The insurer shall, upon good cause shown, allow the cost of emergency treatment the necessity for which has been certified by a physician or a chiropractor.

9. A claim that closes pursuant to subsection 2 of NRS 616C.235 and is not appealed or is unsuccessfully appealed pursuant to the provisions of NRS 616C.305 and 616C.315 to 616C.385, inclusive, may not be reopened pursuant to this section.

10. The provisions of this section apply to any claim for which an application to reopen the claim or to increase or rearrange compensation is

made pursuant to this section, regardless of the date of the injury or accident to the claimant. If a claim is reopened pursuant to this section, the amount of any compensation or benefits provided must be determined in accordance with the provisions of NRS 616C.425.

11. As used in this section:

(a) "Governmental program" means any program or plan under which a person receives payments from a public form of retirement. Such payments from a public form of retirement include, without limitation:

(1) Social security received as a result of the Social Security Act, as defined in NRS 287.120;

(2) Payments from the Public Employees' Retirement System, as established by NRS 286.110;

(3) Payments from the Retirees' Fund, as defined in NRS 287.04064;

(4) A disability retirement allowance, as defined in NRS 1A.040 and 286.031;

(5) A retirement allowance, as defined in NRS 218C.080; and

(6) A service retirement allowance, as defined in NRS 1A.080 and 286.080.

(b) "Retired" means a person who, on the date he or she filed for reopening a claim pursuant to this section:

(1) Is not employed or earning wages; and

(2) Receives benefits or payments for retirement from a:

(I) Pension or retirement plan;

(II) Governmental program; or

(III) Plan authorized by 26 U.S.C. § 401(a), 401(k), 403(b), 457 or 3121.

(c) "Wages" means any remuneration paid by an employer to an employee for the personal services of the employee, including, without limitation:

(1) Commissions and bonuses; and

(2) Remuneration payable in any medium other than cash.

Sec. 8. NRS 616C.490 is hereby amended to read as follows:

616C.490 1. Except as otherwise provided in NRS 616C.175, every employee, in the employ of an employer within the provisions of chapters 616A to 616D, inclusive, of NRS, who is injured by an accident arising out of and in the course of employment is entitled to receive the compensation provided for permanent partial disability. As used in this section, "disability" and "impairment of the whole person" are equivalent terms.

2. Within 30 days after receiving from a physician or chiropractor a report indicating that the injured employee may have suffered a permanent disability and is stable and ratable, the insurer shall schedule an appointment with the rating physician or chiropractor selected pursuant to this subsection to determine the extent of the employee's disability. Unless the insurer and the injured employee otherwise agree to a rating physician or chiropractor:

(a) The insurer shall select the rating physician or chiropractor from the list of qualified rating physicians and chiropractors designated by the Administrator, to determine the percentage of disability in accordance with the American Medical Association's Guides to the Evaluation of Permanent Impairment as adopted and supplemented by the Division pursuant to NRS 616C.110.

(b) Rating physicians and chiropractors must be selected in rotation from the list of qualified physicians and chiropractors designated by the Administrator, according to their area of specialization and the order in which their names appear on the list unless the next physician or chiropractor is currently an employee of the insurer making the selection, in which case the insurer must select the physician or chiropractor who is next on the list and who is not currently an employee of the insurer.

3. If an insurer contacts the treating physician or chiropractor to determine whether an injured employee has suffered a permanent disability, the insurer shall deliver to the treating physician or chiropractor that portion or a summary of that portion of the American Medical Association's Guides to the Evaluation of Permanent Impairment as adopted by the Division pursuant to NRS 616C.110 that is relevant to the type of injury incurred by the employee.

4. At the request of the insurer, the injured employee shall, before an evaluation by a rating physician or chiropractor is performed, notify the insurer of:

(a) Any previous evaluations performed to determine the extent of any of the employee's disabilities; and

(b) Any previous injury, disease or condition sustained by the employee which is relevant to the evaluation performed pursuant to this section.

➥ The notice must be on a form approved by the Administrator and provided to the injured employee by the insurer at the time of the insurer's request.

5. Unless the regulations adopted pursuant to NRS 616C.110 provide otherwise, a rating evaluation must include an evaluation of the loss of motion, sensation and strength of an injured employee if the injury is of a type that might have caused such a loss. Except in the case of claims accepted pursuant to NRS 616C.180, no factors other than the degree of physical impairment of the whole person may be considered in calculating the entitlement to compensation for a permanent partial disability.

6. The rating physician or chiropractor shall provide the insurer with his or her evaluation of the injured employee. After receiving the evaluation, the insurer shall, within 14 days, provide the employee with a copy of the evaluation and notify the employee:

(a) Of the compensation to which the employee is entitled pursuant to this section; or

(b) That the employee is not entitled to benefits for permanent partial disability.

7. Each 1 percent of impairment of the whole person must be compensated by a monthly payment:

(a) Of 0.5 percent of the claimant's average monthly wage for injuries sustained before July 1, 1981;

(b) Of 0.6 percent of the claimant's average monthly wage for injuries sustained on or after July 1, 1981, and before June 18, 1993;

(c) Of 0.54 percent of the claimant's average monthly wage for injuries sustained on or after June 18, 1993, and before January 1, 2000; and

(d) Of 0.6 percent of the claimant's average monthly wage for injuries sustained on or after January 1, 2000.

➥ Compensation must commence on the date of the injury or the day following the termination of temporary disability compensation, if any, whichever is later, and must continue on a monthly basis for 5 years or until the claimant is 70 years of age, whichever is later.

8. Compensation benefits may be paid annually to claimants who will be receiving less than $100 a month.

9. ~~[~~Where~~]~~ ***Except as otherwise provided in subsection 10, if*** there is a previous disability, as the loss of one eye, one hand, one foot, or any other previous permanent disability, the percentage of disability for a subsequent injury must be determined by computing the percentage of the entire disability and deducting therefrom the percentage of the previous disability as it existed at the time of the subsequent injury.

10. ***If a rating evaluation was completed for a previous disability involving a condition, organ or anatomical structure that is identical to the condition, organ or anatomical structure being evaluated for the present disability, the percentage of disability for a subsequent injury must be determined by deducting the percentage of the previous disability from the percentage of the present disability, regardless of the edition of the American Medical Association's Guides to the Evaluation of Permanent Impairment as adopted by the Division pursuant to NRS 616C.110 used to determine the percentage of the previous disability. The compensation awarded for a permanent disability on a subsequent injury must be reduced only by the awarded or agreed upon percentage of disability actually received by the injured employee for the previous injury regardless of the percentage of the previous disability.***

11. The Division may adopt schedules for rating permanent disabilities resulting from injuries sustained before July 1, 1973, and reasonable regulations to carry out the provisions of this section.

~~[~~11.~~]~~ ***12.*** The increase in compensation and benefits effected by the amendment of this section is not retroactive for accidents which occurred before July 1, 1973.

~~[~~12.~~]~~ ***13.*** This section does not entitle any person to double payments for the death of an employee and a continuation of payments for a permanent partial disability, or to a greater sum in the aggregate than if the injury had been fatal.

Sec. 9. NRS 616C.495 is hereby amended to read as follows:

616C.495 1. Except as otherwise provided in NRS 616C.380, an award for a permanent partial disability may be paid in a lump sum under the following conditions:

(a) A claimant injured on or after July 1, 1973, and before July 1, 1981, who incurs a disability that does not exceed 12 percent may elect to receive his or her compensation in a lump sum. A claimant injured on or after July 1, 1981, and before July 1, 1995, who incurs a disability that does not exceed 30 percent may elect to receive his or her compensation in a lump sum.

(b) The spouse, or in the absence of a spouse, any dependent child of a deceased claimant injured on or after July 1, 1973, who is not entitled to compensation in accordance with NRS 616C.505, is entitled to a lump sum equal to the present value of the deceased claimant's undisbursed award for a permanent partial disability.

(c) Any claimant injured on or after July 1, 1981, and before July 1, 1995, who incurs a disability that exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 30 percent. If the claimant elects to receive compensation pursuant to this paragraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(d) Any claimant injured on or after July 1, 1995, ***and before*** ~~***[July 1, 2017,***~~ may elect to receive his or her compensation in a lump sum in accordance with regulations adopted by the Administrator and approved by the Governor. The Administrator shall adopt regulations for determining the eligibility of such a claimant to receive all or any portion of his or her compensation in a lump sum. Such regulations may include the manner in which an award for a permanent partial disability may be paid to such a claimant in installments. Notwithstanding the provisions of NRS 233B.070, any regulation adopted pursuant to this paragraph does not become effective unless it is first approved by the Governor.~~]~~ ***January 1, 2016, who incurs a disability that:***

(1) Does not exceed 25 percent may elect to receive his or her compensation in a lump sum.

(2) Exceeds 25 percent may:

(I) Elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 25 percent. If the claimant elects to receive compensation pursuant to this sub-subparagraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 25 percent.

(II) To the extent that the insurer has offered to provide compensation in a lump sum up to the present value of an award for disability of 30 percent, elect to receive his or her compensation in a lump sum up to the present value of an award for a disability of 30 percent. If the claimant elects to receive compensation pursuant to this sub-subparagraph,

the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(e) ***Any claimant injured on or after January 1, 2016, and before July 1, 2017, who incurs a disability that:***

(1) Does not exceed 30 percent may elect to receive his or her compensation in a lump sum.

(2) Exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of 30 percent. If the claimant elects to receive compensation pursuant to this subparagraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

(f) Any claimant injured on or after July 1, 2017, who incurs a disability that exceeds 30 percent may elect to receive his or her compensation in a lump sum equal to the present value of an award for a disability of up to 30 percent. If the claimant elects to receive compensation pursuant to this paragraph, the insurer shall pay in installments to the claimant that portion of the claimant's disability in excess of 30 percent.

~~*[(f)]*~~ ***(g)*** If the permanent partial disability rating of a claimant seeking compensation pursuant to this section would, when combined with any previous permanent partial disability rating of the claimant that resulted in an award of benefits to the claimant, result in the claimant having a total permanent partial disability rating in excess of 100 percent, the claimant's disability rating upon which compensation is calculated must be reduced by such percentage as required to limit the total permanent partial disability rating of the claimant for all injuries to not more than 100 percent.

2. If the claimant elects to receive his or her payment for a permanent partial disability in a lump sum pursuant to subsection 1, all of the claimant's benefits for compensation terminate. The claimant's acceptance of that payment constitutes a final settlement of all factual and legal issues in the case. By so accepting the claimant waives all of his or her rights regarding the claim, including the right to appeal from the closure of the case or the percentage of his or her disability, except:

(a) The right of the claimant to:

(1) Reopen his or her claim in accordance with the provisions of NRS 616C.390; or

(2) Have his or her claim considered by his or her insurer pursuant to NRS 616C.392;

(b) Any counseling, training or other rehabilitative services provided by the insurer; and

(c) The right of the claimant to receive a benefit penalty in accordance with NRS 616D.120.

➥ The claimant, when he or she demands payment in a lump sum, must be provided with a written notice which prominently displays a statement describing the effects of accepting payment in a lump sum of an entire permanent partial disability award, any portion of such an award or any

uncontested portion of such an award, and that the claimant has 20 days after the mailing or personal delivery of the notice within which to retract or reaffirm the demand, before payment may be made and the claimant's election becomes final.

3. Any lump-sum payment which has been paid on a claim incurred on or after July 1, 1973, must be supplemented if necessary to conform to the provisions of this section.

4. Except as otherwise provided in this subsection, the total lump-sum payment for disablement must not be less than one-half the product of the average monthly wage multiplied by the percentage of disability. If the claimant received compensation in installment payments for his or her permanent partial disability before electing to receive payment for that disability in a lump sum, the lump-sum payment must be calculated for the remaining payment of compensation.

5. The lump sum payable must be equal to the present value of the compensation awarded, less any advance payment or lump sum previously paid. The present value must be calculated using monthly payments in the amounts prescribed in subsection 7 of NRS 616C.490 and actuarial annuity tables adopted by the Division. The tables must be reviewed annually by a consulting actuary ~~[.]~~ ***and must be adjusted accordingly on July 1 of each year by the Division using:***

(a) The most recent unisex "Static Mortality Tables for Defined Benefit Pension Plans" published by the Internal Revenue Service; and

(b) The average 30-Year Treasury Constant Maturity Rate for March of the current year as reported by the Board of Governors of the Federal Reserve System.

6. If a claimant would receive more money by electing to receive compensation in a lump sum than the claimant would if he or she receives installment payments, the claimant may elect to receive the lump-sum payment.

Legislative Counsel's Digest:

Existing law requires certain providers of health care to report to the local health authority if a person has or is suspected of having a communicable disease. (NRS 441A.150) Each health authority is required to make a weekly report to the Chief Medical Officer of all cases or suspected cases of communicable diseases reported to the health authority. (NRS 441A.170) **Sections ~~[1-6]~~ 1, 3, 5 and 6** of this bill require similar reports to be made **directly to the Chief Medical Officer** concerning cases or suspected cases of drug overdose. **Section 6** makes it a misdemeanor for a provider of health care to willfully fail, neglect or refuse to make such a report.

Existing law requires the State Board of Pharmacy and the Investigation Division of the Department of Public Safety to cooperatively develop a computerized program to track each prescription for a controlled substance listed in schedule II, III or IV. (NRS 453.162) **Section 7** of this bill requires that program to include certain information relating to each prescription of such a controlled substance.

Existing law requires any practitioner or person who dispenses a controlled substance or proposes to engage in such dispensing to obtain a registration from the State Board of Pharmacy. (NRS 453.226) Existing law requires each registered person to upload certain information to the database of the computerized program after dispensing a controlled substance listed in schedule II, III or IV. (NRS 453.163) **Sections 8 and 9** of this bill clarify that the requirement to upload such information applies to a controlled substance listed in schedule II, III or IV that is dispensed for human consumption. **Section 9** also authorizes **. ~~[: (1)]~~** certain occupational licensing boards to access the database to investigate the fraudulent, illegal, unauthorized or otherwise inappropriate prescribing, dispensing or use of a controlled substance **. ~~[; and (2) paramedics to access the database to determine if the symptoms of a person the paramedic is treating may be caused by a controlled substance listed in schedule II, III or IV.]~~** **Section 11** of this bill requires a person to present proof that he or she has access to the database of the program before the Board may issue or renew a registration to prescribe a controlled substance.

~~[Existing law prescribes certain criminal penalties for persons who knowingly or intentionally sell, manufacture, deliver, bring into this State or possess a controlled substance listed in schedule II based on the quantity of the controlled substance involved. (NRS 453.3395) Section 12 of this bill provides that such penalties instead depend on the aggregate quantity involved or collected by the investigating law enforcement agency over the course of an investigation.]~~

Sections 13 and 62 of this bill revise provisions governing the accessibility of health care records in certain investigations.

Sections 15, 22, 28, 33, 40 and 45 of this bill require certain occupational licensing boards that receive a complaint or information that indicates the fraudulent, illegal, unauthorized or inappropriate prescribing or use of a

controlled substance listed in schedule II, III or IV to take certain measures to review and evaluate the information and impose disciplinary action upon a licensee if it determines that a violation has occurred. **Sections 20, 26, 38 and 49** of this bill clarify that such measures must be taken before a formal investigation commences. **Sections 16, 23, 29, 34, 41 and 46** of this bill establish procedures by which such occupational licensing boards may summarily suspend a licensee's authority to prescribe, administer or dispense a controlled substance listed in schedule II, III or IV.

Existing law authorizes certain occupational licensing boards to require licensees who are registered to dispense controlled substances to complete at least 1 hour of training relating specifically to the misuse and abuse of controlled substances. (NRS 630.2535, 631.344, 632.2375, 633.473, 635.116, 636.2881) **Sections 17, 24, 30, 35, 42 and 47** of this bill instead: (1) increase the required training to 2 hours; and (2) add to the list of authorized topics for training to satisfy that requirement training relating specifically to the prescribing of opioids or addiction.

Section 52 of this bill requires a practitioner **, other than a veterinarian,** who intends to prescribe or dispense more than certain quantities of a controlled substance listed in schedule II, III or IV for the treatment of pain to document in the medical record of the patient the reasons for prescribing or dispensing that quantity. **Section 53** of this bill requires a practitioner **, other than a veterinarian,** to have established a bona fide relationship with a patient and to take certain actions, including performing an evaluation and risk assessment, creating a treatment plan and obtaining the informed written consent of the patient, before initiating a prescription for a controlled substance listed in schedule II, III or IV for the treatment of pain for the patient. **Section 54** of this bill prescribes requirements concerning such an evaluation and risk assessment and for obtaining the informed written consent.

Section 55 of this bill requires a practitioner **, other than a veterinarian,** to take certain actions before issuing a prescription for a controlled substance listed in schedule II, III or IV to continue the treatment of pain of a patient who has used the controlled substance for 90 consecutive days or longer. **Section 56** of this bill requires a practitioner **, other than a veterinarian,** who intends to prescribe a controlled substance listed in schedule II, III or IV for more than 30 days for the treatment of pain to enter into a prescription medication agreement with the patient. **Section 57** of this bill requires a practitioner **, other than a veterinarian,** to consider certain factors before prescribing a controlled substance listed in schedule II, III or IV.

Section 58 of this bill authorizes the State Board of Pharmacy to adopt any regulations necessary to enforce the provisions of this bill concerning the prescription of a controlled substance listed in schedule II, III or IV for the treatment of pain. **Section 58** also provides that a person who violates those provisions or regulations is not guilty of a misdemeanor but is subject to professional discipline. **Sections 15, 22, 28, 33, 40 and 45** require an

occupational licensing board that licenses practitioners who prescribe controlled substances listed in schedule II, III or IV to adopt regulations establishing disciplinary action for prescribing such a controlled substance inappropriately or in violation of the provisions of this bill concerning the prescribing of such a controlled substance for the treatment of pain. **Sections 18, 25, 31, 36, 43 and 48** of this bill authorize the imposition of disciplinary action in such circumstances.

Existing law requires a practitioner to obtain a patient utilization report from the computerized program established by the Board and the Investigation Division before initiating a prescription for a controlled substance listed in schedule II, III or IV. (NRS 639.23507) **Section 60** of this bill: (1) **clarifies that this requirement does not apply to veterinarians; (2)** additionally requires a practitioner **, other than a veterinarian,** to obtain such a report at least every 90 days for the duration of the prescription; and ~~[(2)]~~ **(3)** requires a practitioner **, other than a veterinarian,** to make certain determinations based on the report. **Section 61** of this bill revises the required contents of a written prescription.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 520.

SUMMARY— ~~[Changes the deadline by which a person may register to vote by mail for certain]~~ **Revises provisions relating to** elections. (BDR 24-463)

AN ACT relating to elections; changing the deadline by which a person may register to vote **by mail or computer** for a primary election, primary city election, general city election or general election; **providing that the county and city clerks are not required to distribute sample ballots for an election to certain persons;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law requires that each state ensure that an eligible voter who submits an application to register to vote by mail be registered to vote in an election for federal office if the voter registration form is postmarked not later than 30 days before the date of the election. (52 U.S.C. § 20507) Under existing Nevada law, an application to register to vote by mail must be postmarked or received by the county clerk not later than the fifth Saturday before a primary election, primary city election, general election or general city election. (NRS 293.5235, 293.560, 293C.527) This bill changes the deadline to register to vote by mail for these elections.

Sections 5 and 6 of this bill provide the last day to register to vote by mail is the ~~[fifth Monday]~~ **fourth Tuesday** preceding the primary election, primary city election, general election or general city election**.** ~~[, as applicable, unless the United States Postal Service does not provide delivery service on such day. In that case, the last day to register to vote by mail is the first day following the fifth Monday preceding the primary election, primary city election, general election or general city election on which the United States Postal Service provides delivery service. This means that an application to register to vote by mail must be postmarked or received by the county clerk not later than: (1) the fifth Monday preceding the election; or (2) if the United States Postal Service does not provide delivery service on such day, the first day following the fifth Monday preceding the election on which the United States Postal Service has delivery service.]~~ **Sections** ~~[1-4]~~ **1.5-4** of this bill make conforming changes.

Existing law provides that the last day to register to vote by computer is the third Tuesday preceding any primary or general election. (NRS 293.560, 293C.527) Sections 5 and 6 of this bill provide, with limited exception, that the last day to register to vote by computer is the Thursday before the period for early voting begins.

Existing law requires county and city clerks to distribute sample ballots before the period for early voting begins. (NRS 293.565, 293C.530) Sections 5.5 and 6.5 of this bill provide a limited exception to this requirement so that the clerks are not required to distribute sample ballots for an election to persons who register to vote less than 20 days before the election. Section 1 of this bill makes a conforming change.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Assembly Bill No. 486.

Bill read second time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 442.

AN ACT relating to taxation; revising provisions relating to the allocation of a certain portion of the proceeds of the basic governmental services tax; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The State of Nevada imposes a governmental services tax for the privilege of operating any vehicle upon the highways of this State. (NRS 371.030) The annual amount of the basic governmental services tax is 4 cents on each $1 of valuation of the vehicle, as determined by the Department of Motor Vehicles,

with an exception for certain trailers. (NRS 371.040) Existing law sets forth depreciation schedules for determining the amount of the basic governmental services tax each year for used vehicles and establishes a minimum tax. (NRS 371.060)

Under existing law, a specified percentage of the proceeds of the governmental services tax, after certain deductions authorized for the Department, is required to be equally distributed to the State General Fund and the State Highway Fund. (NRS 482.180, 482.182) The remaining proceeds of the governmental services tax is distributed to each county in this State based on percentages provided by law. (NRS 482.181)

This bill revises those provisions governing the portion of the governmental services tax proceeds to be distributed to the State General Fund and the State Highway Fund to provide that **, for the Fiscal Years 2017-2018 and 2018-2019,** the State General Fund will receive 25 percent of the proceeds and the State Highway Fund will receive 75 percent of the proceeds.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.181 is hereby amended to read as follows:

482.181 1. Except as otherwise provided in subsection 5, after deducting the amount withheld by the Department and the amount credited to the Department pursuant to subsection 6 of NRS 482.180, and the amount transferred to the State

General Fund and the State Highway Fund pursuant to NRS 482.182, the Department shall certify monthly to the State Board of Examiners the amount of the basic and supplemental governmental services taxes collected for each county by the Department and its agents during the preceding month, and that money must be distributed monthly as provided in this section.

2. Any supplemental governmental services tax collected for a county must be distributed only to the county, to be used as provided in NRS 371.043, 371.045 and 371.047.

3. The distribution of the basic governmental services tax received or collected for each county must be made to the county school district within each county before any distribution is made to a local government, special district or enterprise district. For the purpose of calculating the amount of the basic governmental services tax to be distributed to the county school district, the taxes levied by each local government, special district and enterprise district are the product of its certified valuation, determined pursuant to subsection 2 of NRS 361.405, and its tax rate, established pursuant to NRS 361.455 for the fiscal year beginning on July 1, 1980, except that the tax rate for school districts, including the rate attributable to a district's debt service, is the rate established pursuant to NRS 361.455 for the fiscal year beginning on July 1, 1978, but if the rate attributable to a district's debt service in any fiscal year is greater than its rate for the fiscal year beginning on July 1,

1978, the higher rate must be used to determine the amount attributable to debt service.

4. After making the distributions set forth in subsection 3, the remaining money received or collected for each county must be deposited in the Local Government Tax Distribution Account created by NRS 360.660 for distribution to local governments, special districts and enterprise districts within each county pursuant to the provisions of NRS 360.680 and 360.690.

5. An amount equal to any basic governmental services tax distributed to a redevelopment agency in the Fiscal Year 1987-1988 must continue to be distributed to that agency as long as it exists but must not be increased.

6. The Department shall make distributions of the basic governmental services tax directly to county school districts.

7. As used in this section:

(a) "Enterprise district" has the meaning ascribed to it in NRS 360.620.

(b) "Local government" has the meaning ascribed to it in NRS 360.640.

(c) "Received or collected for each county" means:

(1) For the basic governmental services tax collected on vehicles subject to the provisions of chapter 706 of NRS, the amount determined for each county based on the following percentages:

Carson City	1.07 percent	Lincoln	3.12 percent
Churchill	5.21 percent	Lyon	2.90 percent

Douglas	2.52 percent	Nye	4.09 percent
Elko	13.31 percent	Pershing	7.00 percent
Esmeralda	2.52 percent	Storey	0.19 percent
Eureka	3.10 percent	Washoe	12.24 percent
Humboldt	8.25 percent	White Pine	5.66 percent
Lander	3.88 percent		

(2) For all other basic and supplemental governmental services tax received or collected by the Department, the amount attributable to each county based on the county of registration of the vehicle for which the tax was paid.

(d) "Special district" has the meaning ascribed to it in NRS 360.650.

Sec. 2. NRS 482.182 is hereby amended to read as follows:

482.182 1. After deducting the amount withheld by the Department and the amount credited to the Department pursuant to subsection 6 of NRS 482.180 and before carrying out the provisions of NRS 482.181 each month, the Department shall direct the State Controller to transfer to the ***:***

2. Except as otherwise provided in subsection 3, the amount required to be transferred pursuant to subsection 1 from the proceeds of the basic governmental services tax imposed on vehicles depreciated in accordance with:

CONTAINS UNFUNDED MANDATE **~~[(§ 8)]~~ (§§ 7, 8)**

(Not Requested by Affected Local Government)

AN ACT relating to education; requiring, with limited exception, that a child in foster care remain enrolled in his or her school of origin; providing that the relevant agency which provides child welfare services and local education agency are jointly liable for the costs of transportation for the child in foster care to attend his or her school of origin; requiring the Department of Education and each agency which provides child welfare services and local education agency to develop certain policies and procedures relating to children in foster care; eliminating the Program of School Choice for Children in Foster Care; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

In 2015, Congress passed the Every Student Succeeds Act of 2015. (20 U.S.C. §§ 6301 et seq.) This Act requires each state to adopt a plan that describes the steps the state will take to ensure the educational stability of children in foster care, including requiring, with limited exception, a child in foster care to remain enrolled in the child's school of origin, which is the public school in which he or she was enrolled before entering foster care. (20 U.S.C. § 6311)

Section 7 of this bill requires that a child ~~[in]~~ **who enters** foster care **or changes placement while in foster care** remain enrolled in the child's school of origin if the agency which provides child welfare services determines that it is in the best interests of the child. **Section 7** also **: (1)** sets forth certain criteria that must be used by the agency in making such a determination ~~[.]~~ **; (2) requires that a child remain in his or her school of origin throughout any dispute that arises as a result of an agency's decision concerning the best interests of the child; and (3) requires the agency which provides child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin until the dispute is resolved.**

Section 7.5 of this bill requires the board of trustees of a school district or the governing body of a charter school to allow a pupil who leaves foster care to remain enrolled in his or her school of origin until the end of the school year unless the parent or guardian of the pupil elects to enroll the pupil in a different school.

Section 8 of this bill requires the agency which provides child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin. **Section 8 also requires the agency which provides the child welfare services and the local education agency to provide and pay for the costs of transportation of a child in foster care to the child's school of origin until any dispute concerning the cost of transportation is resolved.**

Section 9 of this bill requires that the Department of Education, each local education agency and each agency which provides child welfare services to designate a single point of contact who is responsible for developing certain policies and procedures relating to children in foster care.

Section 10 of this bill requires **the State Board of Education to prepare an annual report concerning the academic progress of children in foster care who attend a public school in this State. Section 10 also requires: (1)** each education agency to submit to the Department of Education a report relating to children in foster care ~~[.]~~ **; and (2) an agency which provides child welfare services to a child enrolled in public school in this State to provide any information requested by a local education agency as soon as practicable.**

If a court finds that a child is in need of protection and places the child other than with a parent, an agency acting as the custodian of the child is required to report to the court before any hearing for a review of the placement of the child. (NRS 432B.580) Section 13.5 of this bill requires the agency to include in the report certain information about the education of the child.

Existing law establishes the Program of School Choice for Children in Foster Care. (NRS 388E.100) This program allows the legal guardian or custodian of a child who is in foster care to apply to participate in the Program so that the child may be enrolled in a public school other than the public school which the child is zoned to attend. (NRS 388E.110) **Section 15** of this bill eliminates this Program. **Section 15** also eliminates a provision which provides that a child who is in the legal or physical custody of an agency which provides child welfare services and is awaiting foster care placement is deemed to be homeless for the purposes of the federal McKinney-Vento Homeless Assistance Act of 1987, 42 U.S.C. §§ 11301 et seq.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.040 is hereby amended to read as follows:

388.040 1. Except as otherwise provided in subsection 2, the board of trustees of a school district that includes more than one school which offers instruction in the same grade or grades may zone the school district and determine which pupils must attend each school.

2. The establishment of zones pursuant to subsection 1 does not preclude a pupil from attending a:

(a) Charter school;

(b) University school for profoundly gifted pupils;

(c) Public school outside the zone of attendance that the pupil is otherwise required to attend if the pupil is ~~[enrolled in the Program of School Choice for Children in Foster Care established pursuant to NRS 388E.100;]~~ ***a child in foster care who is remaining in his or her school of origin pursuant to section 7 of this act;*** or

(d) Public school outside the zone of attendance that the pupil is otherwise required to attend if the pupil has been issued a fictitious address pursuant to NRS 217.462 to 217.471, inclusive, or the parent or legal guardian with

Sec. 2. Chapter 388E of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 10, inclusive, of this act.

When a child enters foster care ~~[,]~~ or changes placement while in foster care, the agency which provides child welfare services to the child shall determine whether it is in the best interests of the child for the child to remain in his or her school of origin. In making this determination, there is a rebuttable presumption that it is in the best interests of the child to remain in his or her school of origin and matriculate in accordance with the feeder pattern of the school of origin.***

2. In determining whether it is in the best interests of a child in foster care to remain in his or her school of origin, the agency which provides child welfare services, in consultation with the local education agency, must consider, without limitation:

(b) The educational success, stability and achievement of the child;

(c) Any individualized education program or academic plan developed for the child;

(d) Whether the child has been identified as an English learner;

(e) The health and safety of the child;

(f) The availability of necessary services for the child at the school of origin; and

➥ The costs of transporting the child to the school of origin must not be considered when determining whether it is in the best interests of the child to remain at his or her school of origin.

3. ~~[The determination as to whether it is in the best interests of a child in foster care to stay in his or her school of origin must be made in writing by the agency which provides child welfare services and provided by the agency to every interested party.~~

~~4.]~~ *If the agency which provides child welfare services determines that it is in the best interests of a child in foster care to attend a public school other than the child's school of origin:*

(a) The agency which provides child welfare services ~~[and local education agency]~~ *must* ~~[ensure]~~ **:**

(1) Provide written notice of its determination to every interested party as soon as practicable; and

(2) In collaboration with the local education agency, ensure *that the child is immediately enrolled in that public school; and*

(b) The public school may not refuse to the enroll the child on the basis that the public school does not have:

(1) A certificate stating that the child has been immunized and has received proper boosters for that immunization;

(2) A birth certificate or other document suitable as proof of the child's identity;

(3) A copy of the child's records from the school the child most recently attended; or

(4) Any other documentation required by a policy adopted by the public school or the local education agency.

4. If a determination is made as described in subsection 3 that a child is to attend a public school other than the child's school of origin and a dispute arises as a result of such a decision:

(a) The child must remain in his or her school of origin; and

(b) The agency which provides child welfare services and the local education agency must provide the child with transportation to the school of origin until the dispute is resolved.

5. The costs of transportation of a child to the child's school of origin must be paid in the manner prescribed by subsection 2 of section 8 of this act. (a) For the entire time that the child is in foster care; and

(b) Until the end of the school year during which the child leaves foster care.

2. The agency which provides child welfare services and the local education agency are jointly responsible for the costs of transportation of a child to the child's school of origin unless the agency which provides child welfare services and the local education agency mutually agree otherwise.

3. If a dispute arises between the agency which provides child welfare services and the local education agency that is related to the transportation of a child in foster care to the child's school of origin, including, without limitation, a dispute related to the costs of transportation, and the dispute is not resolved within 5 business days, the juvenile or family court with jurisdiction over the child must resolve the dispute by court order ***[.]*** ***within 5 business days.***

4. If a dispute arises between the agency which provides child welfare services and the local education agency that is related to the transportation of a child in foster care, the agency which provides child welfare services and the local education agency must provide the child with transportation to the school of origin until the dispute is resolved.

Assembly Joint Resolution No. 5.

Resolution read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 524.

SUMMARY—Proposes to amend the Nevada Constitution to remove the **constitutional** provisions ~~[relating to]~~ **governing** the election and duties of the Board of Regents ~~[.]~~ **of the State University and to authorize the Legislature to provide by statute for the governance, control and management of the State University.** (BDR C-60)

ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to remove the **constitutional** provisions ~~[relating to]~~ **governing** the election and duties of the Board of Regents ~~[.]~~ **of the State University and to authorize the Legislature to provide by statute for the governance, control and management of the State University.**

Legislative Counsel's Digest:

~~[The]~~ **Article 11 of the** Nevada Constitution **, which is known as the Education Article,** requires the Nevada Legislature to provide for the establishment of a State University **that is** controlled by a Board of Regents ~~[,]~~ whose duties are prescribed by law. (Nev. Const. Art. 11, § 4) ~~[Existing law provides that]~~ **The Education Article also: (1) requires the Legislature to provide for the election of** the members of the Board of Regents of the **State** University ~~[of Nevada must be elected by the voters of~~

~~this State.]~~ **and to define their duties by law; and (2) authorizes the Board of Regents to control and manage the affairs of the State University and its funds under such regulations as may be provided by law.** (Nev. Const. Art. 11, ~~[§ 7;]~~ **§§ 7, 8)**

As required by the Education Article, the Legislature has provided by law for: (1) the establishment of the State University, which is known as the University of Nevada; and (2) the election of the members of the Board of Regents. (NRS **396.020,** 396.040) **Additionally, the Legislature has: (1) provided by law for the establishment of the Nevada System of Higher Education, which consists of the State University and other educational institutions, programs and operations; and (2) has authorized the Board of Regents to administer the System and to prescribe rules for its governance and management. (NRS 396.020, 396.110, 396.230, 396.280, 396.300, 396.420, 396.440, 396.550)**

This resolution proposes to amend the Nevada Constitution to ~~[eliminate]~~ **remove** the **constitutional** provisions ~~[concerning]~~ **governing** the Board of Regents ~~[.]~~ **and to authorize the Legislature to provide by statute for the governance, control and management of the State University. (Nev. Const. Art. 11, §§ 4, 7) However, although this resolution removes the status of the Board of Regents as a constitutional body under the Nevada Constitution, this resolution does not change the status of the Board of Regents as a statutory body under existing statutory provisions, which authorize the Board of Regents to administer the Nevada System of Higher Education and prescribe rules for its governance and management. In addition, this resolution does not repeal, either expressly or by implication, any of those existing statutory provisions relating to the Board of Regents, including the existing statutory provisions that provide for the election of the members of the Board of Regents.**

Under the federal Morrill Land Grant Act of 1862, each state was provided with certain federal land grants to be sold to support and maintain at least one college in the state that teaches both agriculture and mechanic arts, including military tactics, so long as the state agrees to certain terms and conditions regarding the preservation and use of the proceeds derived from the sale of the federal land grants. (Act of July 2, 1862, ch. 130, §§ 1-8, 12 Stat. 503-05, as amended and codified at 7 U.S.C. §§ 301 et seq.) To secure the benefits offered by the federal law, the Framers of the Nevada Constitution approved Section 8 of the Education Article to provide for the preservation and use of the proceeds derived from the sale of the federal land grants. (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 586 and 589-91 (Andrew J. Marsh off. rep. 1866))

This resolution proposes to amend Section 8 of the Education Article to: (1) remove references to the Board of Regents; (2) delete obsolete provisions; (3) clarify citations to the pertinent federal law, including all

amendments thereto; and (4) specify that the proceeds derived under the federal law must be invested by the State of Nevada in the manner required by law. (Nev. Const. Art. 11, § 8)

If this resolution is passed by the 2017 Legislature, it must also be passed by the next Legislature and then approved and ratified by the voters in an election before the proposed amendments to the Nevada Constitution become effective.

WHEREAS, Article 11 of the Nevada Constitution, which is known as the Education Article, requires the Legislature to provide for the establishment of a State University that is controlled by a Board of Regents whose duties are prescribed by law (Nev. Const. Art. 11, § 4); and

WHEREAS, The Education Article also requires the Legislature to provide for the election of the members of the Board of Regents and to define their duties by law (Nev. Const. Art. 11, § 7); and

WHEREAS, The Education Article authorizes the Board of Regents to control and manage the affairs of the State University and its funds under such regulations as may be provided by law (Nev. Const. Art. 11, §§ 7, 8); and

WHEREAS, When drafting the Education Article, the Framers of the Nevada Constitution purposefully added constitutional language to ensure that the powers and duties of the Board of Regents and its members "shall be prescribed by the Legislature," in order to "not leave it to be inferred, perhaps, that they have absolute control" over the State University (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 586 (Andrew J. Marsh off. rep. 1866) (statement of Delegate George A. Nourse)); and

WHEREAS, The Framers believed that the Board of Regents' control and management of the affairs of the State University should be governed by laws enacted by the Legislature (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 585-87 (Andrew J. Marsh off. rep. 1866)); and

WHEREAS, The Framers did not create the Board of Regents as a constitutional body in the Education Article to give the Board of Regents unchecked autonomy from legislative oversight and control (*Debates & Proceedings of the Nevada State Constitutional Convention of 1864*, at 585-91 (Andrew J. Marsh off. rep. 1866)); and

WHEREAS, As required by the Education Article, the Legislature has provided by law for the establishment of the State University, known as the University of Nevada, and has provided by law for the election of the members of the Board of Regents (NRS 396.020, 396.040); and

WHEREAS, The Legislature has provided by law for the establishment of the Nevada System of Higher Education, which consists of the State University and other educational institutions, programs and operations,

and for the Board of Regents to administer the System and to prescribe rules for its governance and management (NRS 396.020, 396.110, 396.230, 396.280, 396.300, 396.420, 396.440, 396.550); and

WHEREAS, In cases before the Nevada Supreme Court, the Board of Regents has asserted that its "unique constitutional status" gives it "virtual autonomy and thus immunity" from particular laws and policies enacted by the Legislature (*Board of Regents v. Oakley*, 97 Nev. 605, 607 (1981)); and

WHEREAS, Although the Nevada Supreme Court has rejected the Board of Regents' broad assertion of autonomy and immunity from laws and policies enacted by the Legislature, the Nevada Supreme Court has recognized that the Board of Regents' constitutional status prevents the Legislature from enacting certain legislation that directly "interferes with the Board's essential management and control of the University." (*Board of Regents v. Oakley*, 97 Nev. 605, 608 (1981); *King v. Board of Regents*, 65 Nev. 533, 564-69 (1948)); and

WHEREAS, Under our Nation's fundamental, well-established and long-standing principles of representative government, the traditional role of the people's elected representatives in the Legislature is to serve as the people's legislative check of accountability to ensure that public bodies, agencies and officers in the other branches of government are carrying out their governmental functions for the benefit of the people and in a manner consistent with the laws and policies enacted by the Legislature; and

WHEREAS, The Board of Regents has, at various times, relied on its constitutional status and its authority to control and manage the affairs of the State University as a defensive shield and cloak against the people's legislative check of accountability, and the Board of Regents has, at various times, taken actions that have hindered, thwarted or undermined the Legislature's investigation, review and scrutiny of the institutions, programs and operations of the Nevada System of Higher Education; and

WHEREAS, Like other public bodies, agencies and officers of the State Government, the Board of Regents should be subject to the people's legislative check of accountability through legislative oversight and control, and the Board of Regents' control and management of the affairs of the State University should be governed by all laws enacted by the Legislature; and

WHEREAS, To secure accountability to the people's elected representatives in the Legislature, the Nevada Constitution should be amended to remove the Board of Regents' constitutional status so that the Board of Regents operates only as a statutory public body to ensure that it is subject to the people's legislative check of accountability through legislative oversight and control and to ensure that the Board of

Regents' control and management of the affairs of the State University are governed by all laws enacted by the Legislature; and

WHEREAS, Amending the Nevada Constitution to remove the Board of Regents' constitutional status will allow the Legislature to exercise the full extent of its legislative power to review, reform and improve the control and management of the affairs of the State University and, in doing so, the Legislature also will have more options and greater flexibility to review, reform and improve all other institutions, programs and operations of the Nevada System of Higher Education; and

WHEREAS, Amending the Nevada Constitution to remove the Board of Regents' constitutional status will not repeal, either expressly or by implication, the existing statutory provisions which apply to the Board of Regents, the State University and all other institutions, programs and operations of the Nevada System of Higher Education, including, without limitation, the existing statutory provisions that provide for the voters to elect the members of the Board of Regents; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That Section 4 of Article 11 of the Nevada Constitution be amended to read as follows:

~~[~~Sec:~~]~~ ***Sec.*** 4. The Legislature shall provide for the establishment of a State University which shall embrace departments for Agriculture, Mechanic Arts, and Mining ~~[.~~ to be controlled by a Board of Regents whose duties shall be prescribed by Law.~~]~~ ***, and the Legislature shall provide by law for the governance, control and management of the State University.***

Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 549.

AN ACT relating to energy efficiency programs; requiring an electric utility to submit to the Public Utilities Commission of Nevada an energy efficiency plan designed to be cost effective; prescribing the contents of such a plan; requiring the Commission to ~~[measure]~~ **determine** the cost effectiveness of an energy efficiency plan **or energy efficiency program** through application of ~~[the utility cost test;]~~ **a test of the cost effectiveness of the plan or program that is selected by the Commission;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each electric utility to submit to the Public Utilities Commission of Nevada every 3 years a plan to increase the utility's supply of electricity or decrease the demands made on its system by its customers. Existing law provides that the plan must include certain components, including, without limitation, an energy efficiency program for residential customers. (NRS 704.741) **Section 7** of this bill revises this requirement to require an electric utility to include in its plan an energy efficiency plan **for residential customers** which reduces the consumption of electricity through energy efficiency and conservation programs and which is designed to be cost effective. **Section 8** of this bill authorizes the Commission to accept an energy efficiency plan **that consists of energy efficiency and conservation**

programs that are not cost effective if ~~[it]~~ **the energy efficiency plan as a whole** is cost effective**.** ~~[, as measured by the utility cost test.]~~ **Section 8** further requires **, as long as an energy efficiency plan remains cost effective, that** any order of the Commission accepting or modifying an energy efficiency plan **or an amendment to such a plan** to require that at least 5 percent of the expenditures ~~[relating to]~~ **of the utility on approved** energy efficiency and conservation programs **in the energy efficiency plan** be **specifically** directed toward energy efficiency programs for low-income customers**.** ~~[unless such a requirement is not cost effective.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 704 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. As used in NRS 704.736 to 704.754, inclusive, and sections 2 to 5, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3, 4 and 5 of this act have the meanings ascribed to them in those sections.

Sec. 3. "Cost effective" means an energy efficiency plan or energy efficiency program has a benefit-cost ratio of 1.0 or greater as ~~[measured]~~ determined by the ~~[utility cost test.]~~ Commission, using a test of the cost effectiveness of the plan or program that:

1. Is selected by the Commission; and

2. Accounts for any non-energy benefits of the plan or program.

Sec. 4. 1. "Energy efficiency and conservation program" means a program designed, intended or used to improve energy efficiency by reducing the energy consumption by a ~~[retail]~~ residential customer of a utility which supplies electricity in this State.

2. The term includes, without limitation, a demand-side response program or load-limiting program that shifts the consumption of energy by a ~~[retail]~~ residential customer from one period to another period.

3. The term does not include the implementation or assessment of any rate which is based on the time of day, day of the week or time of year during which electricity is used or which otherwise varies based upon the time during which the electricity is used.

Sec. 5. ~~***[***~~***"Utility cost test" means the measurement of the cost effectiveness of an energy efficiency plan or energy efficiency program that compares the monetary costs that are borne by an electric utility or provider of electric service and that are incurred to develop, acquire and operate an energy efficiency program on a life cycle basis to the avoided monetary costs associated with developing, acquiring and operating resources to supply electricity in the absence of the energy efficiency plan or program.***~~***]***~~ **(Deleted by amendment.)**

Sec. 6. NRS 704.736 is hereby amended to read as follows:

704.736 The application of NRS 704.736 to 704.754, inclusive, ***and sections 2 to 5, inclusive, of this act*** is limited to any public utility in the business of supplying electricity which has an annual operating revenue in this state of $2,500,000 or more.

Sec. 7. NRS 704.741 is hereby amended to read as follows:

704.741 1. A utility which supplies electricity in this State shall, on or before July 1 of every third year, in the manner specified by the Commission, submit a plan to increase its supply of electricity or decrease the demands made on its system by its customers to the Commission.

2. The Commission shall, by regulation:

(a) Prescribe the contents of such a plan, including, but not limited to, the methods or formulas which are used by the utility to:

(b) Designate renewable energy zones and revise the designated renewable energy zones as the Commission deems necessary.

3. The Commission shall require the utility to include in its plan:

(a) An energy efficiency ~~[program]~~ ***plan*** for residential customers ~~***[plan]***~~ ***which is cost effective and*** which reduces the consumption of electricity or any fossil fuel ***through the implementation of energy efficiency and conservation programs. The energy efficiency plan must include, without limitation:***

(1) An energy efficiency and conservation program for residential customers which reduces the consumption of electricity or any fossil fuel and which includes, without limitation, the use of new solar thermal energy sources ~~[.]~~ ***; and***

5. As used in this section:

(a) "Carbon intensity" means the amount of carbon by weight emitted per unit of energy consumed.

(b) "Renewable energy zones" means specific geographic zones where renewable energy resources are sufficient to develop generation capacity and where transmission constrains the delivery of electricity from those resources to customers.

Sec. 8. NRS 704.751 is hereby amended to read as follows:

5. The Commission may accept a transmission plan submitted pursuant to subsection 4 of NRS 704.741 for a renewable energy zone if the Commission determines that the construction or expansion of transmission facilities would facilitate the utility meeting the portfolio standard, as defined in NRS 704.7805.

Amendment No. 538.

AN ACT relating to insurance; providing for administrative supervision of insurers and other entities by the Commissioner of Insurance; providing for the regulation of network plans; revising provisions relating to medical malpractice insurance, the general regulation of insurers, reinsurance, motor vehicle insurance, industrial insurance, health insurance in general, health benefit plans in general, funeral and burial services, individual health insurance, group and blanket health insurance, health insurance for small employers, service contracts, credit personal property insurance, nonprofit corporations for hospital, medical and dental service, health maintenance organizations, plans for dental care, prepaid limited health service organizations and managed care organizations; ~~[exempting the Commissioner from the Nevada Administrative Procedure Act for certain purposes;]~~ revising provisions relating to the confidentiality of certain documents and other information; revising various references to insurance agents and brokers; repealing various provisions governing summaries of coverage, loss prevention, disclosures of certain information, continuation of coverage and insurance requirements for prepaid limited health service organizations; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Commissioner of Insurance to regulate insurance in this State. (NRS 679B.120) This bill adds to, revises and repeals various provisions of existing law, primarily in title 57 of NRS, relating to the regulation of insurance in this State.

Sections 2-13 of this bill authorize the Commissioner to place an insurer under administrative supervision and set forth the requirements for such supervision. **Section 6** authorizes the Commissioner to place an insurer under administrative supervision under specified circumstances, including, without limitation, when the insurer is in a hazardous financial condition, when the insurer appears to have exceeded its powers or if an insurer agrees to be placed under such supervision. **Section 6** further provides for the duration of the administrative supervision and the release of the insurer from administrative supervision. **Section 7** designates the Commissioner or an appointee thereof as the administrative supervisor of an insurer under administrative supervision, authorizes the Commissioner to limit the actions of such an insurer and lists various types of actions which the Commissioner may prohibit the insurer from taking without obtaining advance approval from the Commissioner or appointee. **Sections 3 and 4** define, for the purposes of **sections 2-13**, the terms "Commissioner" and "insurer." Both terms are currently defined for the purposes of existing law, but **sections 3 and 4** provide more expansive definitions for the purposes of **sections 2-13**. (NRS 679A.060, 679A.100) **Section 5** expressly makes **sections 2-13** apply

to insurers and other persons, including, without limitation, a person purporting to be an insurer, organizing to be an insurer or holding himself or herself out as organizing to be an insurer. **Section 8** governs the use and confidentiality of information relating to the administrative supervision of an insurer. **Section 9** establishes provisions governing the contesting or reviewing of decisions made by the Commissioner or an appointee thereof pursuant to **sections 2-13**. **Section 10** ensures that the Commissioner may institute delinquency proceedings against an insurer without regard to whether the insurer is or was under administrative supervision. **Section 11** authorizes the Commissioner, a designee of the Commissioner and an attorney or other persons to meet, for specified purposes, outside the presence of other persons. **Section 12** authorizes the Commissioner to adopt regulations and to employ various persons to carry out the administrative supervision of an insurer. **Section 12** further authorizes the Commissioner to require the insurer under administrative supervision to pay the compensation and expenses of the persons the Commissioner appoints and employs for the purposes of the administrative supervision. **Section 13** provides that the Commissioner and his or her employees and agents are not liable for actions taken pursuant to **sections 2-13**.

Section 14 of this bill revises the information the Commissioner is required to collect regarding closed claims for medical malpractice. (NRS 679B.144) **Sections 117 and 118** remove the requirement to report certain information regarding closed claims for medical malpractice. (NRS 690B.250, 690B.260) **Section 119** of this bill revises requirements concerning professional liability insurance for essential medical specialties. (NRS 690B.350) **Section 120** of this bill revises requirements concerning information to be gathered and reports to be provided by the Commissioner concerning medical malpractice insurance. (NRS 690B.360)

Sections 15, 21, 26, 27, 29-32, 164 and 165 of this bill replace various references to insurance agents, brokers and solicitors, which are undefined terms, with the term "producer of insurance," which is defined as "a person required to be licensed under the laws of this state to sell, solicit or negotiate insurance." (NRS 679A.117)

Section 16 of this bill requires an insurer to which the Commissioner has issued a certificate of authority to notify the Commissioner of material changes to the information provided by the insurer to the Commissioner in the insurer's application for a certificate of authority. **Section 18** of this bill authorizes a life insurer or multiple lines insurer to issue life or health insurance policies under its own name and under additional titles. (NRS 680A.240)

Existing law requires an authorized insurer annually to file with the Commissioner a full and true statement of the insurer's financial condition, transactions and affairs as of the previous December 31 and makes confidential certain information submitted to the Division of Insurance of the Department of Business and Industry. (NRS 680A.270) **Section 19** of this

bill expands the confidentiality provision to include all work papers, documents and materials prepared for the purpose of submitting the statement or by or on behalf of the Division. **Section 19** also authorizes the insurer to file, as an exhibit separate from the annual statement, specified disclosures of compensation paid to or on behalf of an insurer's officers, directors or employees and makes such information confidential.

Section 20 of this bill expands the applicability of the monetary penalty required to be imposed for a delay by an insurer in properly filing an annual statement. (NRS 680A.280) **Section 24** of this bill narrows the definition of the term "managing general agent" to include the management of an underwriting office. (NRS 683A.060) **Section 25** of this bill removes the willfulness requirement from one of the grounds for which the Commissioner may suspend or revoke the certificate of registration of an administrator **~~[.]~~ and replaces it with a knowingly requirement.** (NRS 683A.0892) **Section 33** of this bill revises the duties of an insurer with regard to the use of information in a consumer credit report. (NRS 686A.680)

Section 22 of this bill authorizes the Commissioner to adopt regulations governing certain arrangements for reinsurance, including, without limitation, the amounts and forms of security which must be held pursuant to those arrangements.

Section 28 of this bill provides for the automatic suspension of the license of a motor vehicle physical damage appraiser if the appraiser does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 684B.030) **Section 86** of this bill revises provisions governing the cancellation, nonrenewal or increase in premiums for renewal of a policy of motor vehicle insurance as the result of the filing of certain claims. (NRS 687B.385)

Section 35 of this bill defines the term "large-deductible agreement" as certain agreements in which the policyholder must bear the risk of loss of a specified amount of $25,000 or more per claim or occurrence covered under the policy of industrial insurance. **Section 38** of this bill requires full collateralization of the outstanding obligations owed under a large-deductible agreement and limits the size of the policyholder's obligations under the large-deductible agreement. **Section 39** of this bill generally prohibits an insurer from issuing or renewing a policy of industrial insurance which includes a large-deductible agreement if the insurer is in a hazardous financial condition. **Section 37** of this bill limits the applicability of **sections 38 and 39** to policies of industrial insurance with large-deductible agreements which are issued by insurers with both ratings below specified levels and surpluses below specified amounts. **Section 37** further specifies that **sections 38 and 39** only apply to policies of industrial insurance issued or renewed on or after January 1, 2018, and which are not issued to a governmental entity. **Section 166** of this bill revises the definition of the term "tangible net worth" in relation to industrial insurance, specifically self-

insured employers and associations of self-insured employers. (NRS 616A.330)

Existing law provides for the Commissioner to consider each proposed increase or decrease in the rates of various kinds and lines of insurance. (NRS 686B.070) **Section 36** of this bill creates new procedures for the Commissioner to consider each proposed increase or decrease in the rates of health plans for individual health insurance, group and blanket health insurance, health insurance for small employers, nonprofit corporations for hospital, medical and dental services, health maintenance organizations, plans for dental care and prepaid limited health service organizations. **Section 44** of this bill clarifies that the existing procedures for considering a proposed increase or decrease do not apply to the insurers subject to the provisions of **section 36**. (NRS 686B.110)

Sections 88 and 89 of this bill revise existing provisions relating to health benefit plans by specifying that the group market and small group market being considered in these provisions must be the "small employer" group market. (NRS 687B.490, 687B.500)

Sections 51-85 of this bill establish provisions governing network plans. **Section 60** defines a network plan as a health benefit plan offered or issued by a health carrier under which the financing and delivery of health care services are provided, in whole or in part, through a defined set of providers of health care under contract with the health carrier. **Sections 52-59 and 61-64** define other terms for the regulation of network plans. **Section 65** requires a health carrier to comply with and ensure that network plans and related contracts comply with **sections 51-85**. **Sections 66, 71, 79, 81 and 84** require a health carrier to provide for notice to providers of health care concerning: (1) covered services; (2) the health carrier's policies and programs; (3) the providers' obligations to collect payments; (4) determinations of coverage; and (5) the inclusion of and status of a participating provider in the network plan. **Sections 67, 68, 70, 74 ~~[, 75]~~ and 77** require a contract between a provider of health care and a health carrier to contain provisions which: (1) prohibit the provider from collecting excess amounts from covered persons; (2) require the continuation of health care services in the event of cessation of the operations of the health carrier; (3) ~~[prohibit the provider from collecting from covered persons any amounts owed to the provider by the health carrier;]~~ **require that written notice be provided to a participating provider of health care in certain circumstances;** (4) require the provider to make health care records available under certain circumstances; **and** (5) ~~[require good faith efforts to notify covered persons when a participating provider leaves the network; and (6)]~~ prohibit the assignment or delegation of rights under the contract. **Section 69** provides that specified provisions in a contract between a provider of health care and a health carrier must be construed in favor of the covered person. **Section 72** prohibits a health carrier from offering inducement to a provider of health care to provide health care services which are less than medically necessary. **Section 73** requires that a

health carrier allow a provider of health care to discuss all treatment options with a covered person and advocate for the covered person. ~~[Section 76 sets forth requirements for the continuation of health care services for a covered person after the termination of the contract between the health carrier and the covered person's provider of health care.]~~ **Section 78** governs the furnishing of covered services to all covered persons. **Section 80** prohibits a health carrier from penalizing a provider of health care who reports to state or federal authorities certain practices of the health carrier. **Section 82** requires a health carrier to establish procedures for dispute resolution between a provider of health care and the health carrier. **Section 83** prohibits a contract between a provider of health care and a health carrier from containing any provision which conflicts with the network plan or with any provision of **sections 51-85**. **Section 85** authorizes the Commissioner to adopt regulations to carry out **sections 51-85**.

Section 90 of this bill provides for the automatic suspension of the certificate of authority of a seller of prepaid contracts for funeral services if the seller does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 689.185) **Section 91** of this bill similarly provides for the automatic suspension of the permit of a seller of prepaid contracts for burial services if the seller does not file a replacement bond for a required surety bond in the event of the cancellation of the required surety bond. (NRS 689.495)

Section 92 of this bill provides, with certain exceptions, that unified rate review templates and rate filing documentation of individual carriers are considered proprietary, constitute a trade secret and are not subject to disclosure by the Commissioner. **Sections 98, 110, 112 and 114** of this bill remove the notice requirement regarding the discontinuance ~~[of a form]~~ of a product: (1) of a health benefit plan; (2) of group health insurance; (3) offered to small employers; and (4) offered to small employers or purchasers through a voluntary purchasing group. (NRS 689A.630, 689B.560, 689C.310, 689C.470) **Sections 109, 113 and 134** of this bill remove the requirement that certain policies of group health insurance, health benefit plans and group contracts for hospital, medical or dental services include a provision regarding the point at which an insured's payment of coinsurance for a provider of health care who is not preferred is no longer required to be paid. (NRS 689B.061, 689C.350, 695B.185)

Section 111 of this bill deletes provisions governing the determination of whether an employer is small or large, and the applicability of other provisions after an employer is deemed large. (NRS 689C.111)

Sections 122-124 and 127-129 of this bill revise provisions relating to service contracts which are contracts pursuant to which a provider is obligated to the purchaser of the service contract to repair, replace or perform maintenance on, or indemnify or reimburse the purchaser for the costs of repairing, replacing or performing maintenance on, goods that are described in the service contract. (NRS 690C.080) **Section 123** sets forth the

qualifications of a controlling person for the purposes of determining the controlling person of a provider of service contracts. **Section 127** adds to the requirements for a provider to apply for and obtain a certificate of registration to issue, sell or offer for sale service contracts, including providing **certain** personal and criminal history information about the controlling persons of the provider and ~~[providing an affidavit affirming]~~ **verifying** that the information in the application for a certificate of registration is accurate **~~[.]~~ to the best of his or her knowledge.** (NRS 690C.160) **Section 124** prohibits a provider from transferring its liability under a service contract except under specified conditions, including, without limitation, obtaining the approval of the Commissioner. **Section 128** revises the requirements governing the financial security which must be maintained by a provider, including, without limitation, expanded requirements concerning a reserve account. (NRS 690C.170) **Section 129** revises provisions which govern the notice required by a provider which ceases to do business in this State. (NRS 690C.240)

Section 130 of this bill deletes a requirement that the Commissioner is required to adopt regulations relating to reasonable rates for credit personal property insurance. (NRS 691C.340) However, **section 130** retains express authority for the Commissioner to adopt regulations concerning rates for credit personal property insurance an insurer may use without making certain filings. **Section 131** deletes a requirement that the Commissioner is required to adopt regulations relating to a refund of unearned premiums for credit personal property insurance. (NRS 691C.390)

Sections 132 and 142 of this bill require nonprofit corporations for hospital, medical or dental service and health maintenance organizations to contract with an insurance company to provide insurance, indemnity or reimbursement against the cost of services provided and sets forth requirements relating to the payment of claims made to insureds or enrollees, as applicable, in the case of the insolvency or impairment of such corporation or organization.

Existing law sets forth provisions regarding the insolvency of nonprofit corporation for hospital, medical or dental service. (NRS 695B.150) **Section 133** of this bill expands the requirements for determinations concerning the insolvency of such a corporation, adds provisions concerning the impairment of such a corporation and authorizes the Commissioner to adopt regulations concerning a determination that such a corporation is in a hazardous financial condition. **Sections 143, 152 and 156** of this bill establish similar provisions for health maintenance organizations, organizations for dental care and prepaid limited health service organizations.

(NRS 695B.320, 695C.055, 695D.095, 695F.090) **Sections 138, 147, 154 and 157** of this bill revise such provisions to include

additional requirements for applicability. **Section 144** of this bill requires each health maintenance organization to develop, submit to the Commissioner and put into effect a plan to provide for the continuation of benefits to enrollees in the event of the insolvency or impairment of the health maintenance organization. **Section 145** of this bill authorizes the Commissioner to take certain actions regarding the operation of a health maintenance organization if the Commissioner determines that, because of the financial condition of the health maintenance organization, the continued operation of the health maintenance organization may be hazardous to its enrollees or creditors or to the general public. **Section 146** of this bill addresses the conservation, rehabilitation and liquidation of health maintenance organizations. **Section 149** of this bill revises provisions governing examinations of health maintenance organizations by the Commissioner or an examiner designated by the Commissioner. (NRS 695C.310)

Section 153 of this bill requires an organization for dental care to maintain a capital account with a minimum net worth of not less than $500,000 unless a different amount is authorized by the Commissioner. **Section 155 and 158** of this bill revise requirements for organizations for dental care and prepaid limited health service organizations to maintain surety bonds or deposits by increasing the amount of such bonds or deposits from $250,000 to $500,000 and authorizing the Commissioner to increase the amount of such bonds or deposits under certain circumstances. (NRS 695D.170, 695F.200) **Section 158** also increases the minimum net worth a prepaid limited health service organization must maintain in a capital account from $200,000 to $500,000.

Existing law requires a managed care organization to report annually to the Commissioner regarding its methods for reviewing the quality of health care services provided to its insureds. (NRS 695G.130) **Section 159** of this bill changes the timeline for submitting such a report and requires that the report be submitted on a form prescribed by the Commissioner.

~~**[** Section 162 of this bill exempts the Commissioner from the Nevada Administrative Procedure Act for the purposes of establishing and adjusting certain standards and requirements relating to health insurance. (NRS 233B.039)**]**~~

Sections 103-106, 139, 140, 148, 160 and 161 of this bill remove the State Board of Health from the provisions governing systems for resolving complaints of insureds. (NRS 689A.745, 689A.750, 689B.0285, 389B.029, 695B.380, 695B.390, 695C.080, 695G.200, 695G.220)

Sec. 33. NRS 686A.680 is hereby amended to read as follows:

686A.680 ***1.*** An insurer that uses information from a consumer credit report shall not:

~~[1.]~~ ***(a)*** Use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status or nationality of the consumer as a factor, or would otherwise lead to unfair or invidious discrimination.

~~[2.]~~ ***(b)*** Deny, cancel or fail to renew a policy on the basis of credit information unless the insurer also considers other applicable underwriting factors that are independent of credit information and not expressly prohibited by this section.

~~[3.]~~ ***(c)*** Base renewal rates for a policy upon credit information unless the insurer also considers other applicable factors independent of credit information.

~~[4.]~~ ***(d)*** Take an adverse action against an applicant or policyholder based on the applicant or policyholder not having a credit card account unless the insurer also considers other applicable factors independent of credit information.

~~[5.]~~ ***(e)*** Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating a policy unless the insurer does any one of the following:

~~[(a)]~~ ***(1)*** Treats the applicant or policyholder as otherwise approved by the Commissioner, after the insurer presents to the Commissioner information indicating that such an absence or inability relates to the risk for the insurer.

~~[(b)]~~ ***(2)*** Treats the applicant or policyholder as if the applicant or policyholder had neutral credit information, as defined by the insurer.

~~[(c)]~~ ***(3)*** Excludes the use of credit information as a factor, and uses only underwriting criteria other than credit information.

~~[6.]~~ ***(f)*** Take an adverse action against an applicant or policyholder based on credit information, unless an insurer obtains and uses a consumer credit report issued or an insurance score calculated within 90 days from the date the policy is first written or renewal is issued.

~~[7. Except as otherwise provided in this subsection, use credit information regarding a policyholder without obtaining an updated consumer credit report regarding the policyholder and recalculating the insurance score at least once every 36 months. At the time of the annual renewal of a~~

~~policyholder's policy, the insurer shall, upon the request of the policyholder or the policyholder's agent, reunderwrite and rerate the policy based upon a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder's agent, recalculate the insurance score of or obtain an updated consumer credit report of the policyholder more frequently than once in any 12-month period. An insurer may, at its discretion, obtain an updated consumer credit report regarding a policyholder more frequently than once every 36 months, if to do so is consistent with the underwriting guidelines of the insurer. An insurer does not need to obtain an updated consumer credit report for a policyholder if any one of the following applies:~~

~~(a) The insurer is treating the policyholder as otherwise approved by the Commissioner.~~

~~(b) The policyholder is in the most favorably priced tier of the insurer and all affiliates of the insurer. With respect to such a policyholder, the insurer may elect to obtain an updated consumer credit report if to do so is consistent with the underwriting guidelines of the insurer.~~

~~(c) Credit information was not used for underwriting or rating the policyholder when the policy was initially written. The fact that credit information was not used initially does not preclude an insurer from using such information subsequently when underwriting or rating such a policyholder upon renewal, if to do so is consistent with the underwriting guidelines of the insurer.~~

~~(d) The insurer reevaluates the policyholder at least once every 36 months based upon underwriting or rating factors other than credit information.~~

~~8.~~ ***(g)*** Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy:

~~[~~(a)~~]~~ ***(1)*** Credit inquiries not initiated by the applicant or policyholder, or inquiries requested by the applicant or policyholder for his or her own credit information.

~~[~~(b)~~]~~ ***(2)*** Inquiries relating to insurance coverage, if so identified on the consumer credit report.

~~[~~(c)~~]~~ ***(3)*** Collection accounts relating to medical treatment, if so identified on the consumer credit report.

~~[~~(d)~~]~~ ***(4)*** Multiple lender inquiries, if identified on the consumer credit report as being related to home loans or mortgages and made within 30 days of one another, unless only one inquiry is considered.

~~[~~(e)~~]~~ ***(5)*** Multiple lender inquiries, if identified on the consumer credit report as being related to a loan for an automobile and made within 30 days of one another, unless only one inquiry is considered.

2. Except as otherwise provided in this subsection, at the time of the annual renewal of a policyholder's policy, an insurer that uses information from a consumer credit report shall, upon the request of the policyholder or the policyholder's agent, reunderwrite and rerate the policy based upon

a current consumer credit report or insurance score. An insurer need not, at the request of a policyholder or the policyholder's agent, recalculate the insurance score of or obtain an updated consumer credit report of the policyholder more frequently than once in any 12-month period.

Sec. 36. ***1. The Commissioner shall consider each proposed increase or decrease in the rate of a health plan issued pursuant to the provisions of chapter 689A, 689B, 689C, 695B, 695C, 695D or 695F of NRS, including, without limitation, long-term care and Medicare supplement plans, filed with the Commissioner pursuant to subsection 1 of NRS 686B.070. If the Commissioner finds that a proposed increase will result in a rate which is not in compliance with NRS 686B.050 or subsection 3 of NRS 686B.070, the Commissioner shall disapprove the proposal. The Commissioner shall approve or disapprove each proposal not later than 60 days after the proposal is determined by the Commissioner to be complete pursuant to subsection 4. If the Commissioner fails to approve or disapprove the proposal within that period, the proposal shall be deemed approved.***

2. Whenever an insurer has no legally effective rates as a result of the Commissioner's disapproval of rates or other act, the Commissioner shall on request specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by the Commissioner. When new rates become legally effective, the Commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis must not be required.

3. If the Commissioner disapproves a proposed rate pursuant to subsection 1, and an insurer requests a hearing to determine the validity of the action of the Commissioner, the insurer has the burden of showing compliance with the applicable standards for rates established in NRS 686B.010 to 686B.1799, inclusive, and sections 35 to 39, inclusive, of this act. Any such hearing must be held:

(a) Within 30 days after the request for a hearing has been submitted to the Commissioner; or

(b) Within a period agreed upon by the insurer and the Commissioner.

➥ If the hearing is not held within the period specified in paragraph (a) or (b), or if the Commissioner fails to issue an order concerning the proposed

rate for which the hearing is held within 45 days after the hearing, the proposed rate shall be deemed approved.

4. The Commissioner shall by regulation specify the documents or any other information which must be included in a proposal to increase or decrease a rate submitted to the Commissioner pursuant to subsection 1. Each such proposal shall be deemed complete upon its filing with the Commissioner, unless the Commissioner, within 15 business days after the proposal is filed with the Commissioner, determines that the proposal is incomplete because the proposal does not comply with the regulations adopted by the Commissioner pursuant to this subsection.

Sec. 37. ***This section and sections 38 and 39 of this act apply to any policy of industrial insurance which:***

1. Is issued by an insurer which:

(a) Has a rating of ~~***[not]***~~ ***less than "A-" from A.M. Best Company, Inc., or a substantially equivalent rating from another rating agency, as determined by the Commissioner; and***

(b) Has less than $200,000,000 in surplus, with surplus calculated as the difference between the insurer's net admitted assets and the insurer's total liabilities;

2. Contains a large-deductible agreement;

3. Is not issued to a federal, state or local governmental entity; and

4. Is issued for delivery or renewed on or after January 1, 2018.

Sec. 38. ***An insurer shall:***

1. Require full collateralization of the outstanding obligations owed under a large-deductible agreement using one of the following methods:

(a) A surety bond issued by a surety insurer authorized to transact such insurance in this State, and whose financial strength and size ratings from A.M. Best Company, Inc., are not less than "A" and "V," respectively, or are substantially equivalent ratings from another rating agency, as determined by the Commissioner;

(b) An irrevocable letter of credit issued by a financial institution with an office physically located within this State, and the deposits of which are federally insured; or

(c) Cash or securities held in trust by a third party or the insurer and subject to a trust agreement for the express purpose of securing the policyholder's obligation under a large-deductible agreement, provided that if the assets are held by the insurer, those assets may not be commingled with the insurer's other assets; and

2. Limit the size of the policyholder's obligations under a large-deductible agreement to 20 percent of the total net worth of the policyholder at the inception of the policy and again at each renewal, as determined by an audited financial statement as of the most recent fiscal year-end for which such a statement is available, with the total net worth of the policyholder calculated as the difference between the total assets and the total liabilities of the policyholder.

Sec. 39. ***Except when otherwise specifically approved by the Commissioner in writing or by electronic communication, any insurer determined to be in a hazardous financial condition pursuant to NRS 680A.205, or the equivalent provisions of law in any other state as determined by the Commissioner, is prohibited from issuing or renewing a policy that includes a large-deductible agreement.***

Sec. 40. NRS 686B.010 is hereby amended to read as follows:

10. In 2015, Congress passed the Every Student Succeeds Act of 2015, which replaced the No Child Left Behind Act of 2001 and was a significant reauthorization of the Elementary and Secondary Education Act of 1965. (20 U.S.C. §§ 6301 et seq.) **Sections 6, 7, 56, 58, 75 and 76** of this bill replace references to the No Child Left Behind Act of 2001 with references to the Every Student Succeeds Act of 2015. **Sections 2, 32, 38, 43, 71 and 72** revise references to federal law to conform to changes made in the Every Student Succeeds Act of 2015. **Sections 1, 2, 4, 5, 11, 15, 16, 19-21, 23, 24,**

26-29, 31, 33, 35, 39, 55, 56, 71, 73, 74 and 77-82 of this bill revise terminology to conform with the revisions to the federal law.

Existing law requires the principal of each school, in consultation with the employees of the school, to prepare a plan to improve the achievement of pupils enrolled in the school and prescribes the requirements for such a plan. (NRS 385A.650) **Section 19** of this bill removes the statutory requirements concerning the contents of the plan and instead requires the State Board of Education to prescribe the contents of the plan by regulation. **Section 83** of this bill repeals a provision requiring certain schools to carry out a process for peer review of a plan to improve the achievement of pupils enrolled in the school in accordance with federal law.

Existing law requires the State Board to adopt regulations for counting enrollment of pupils for apportionment purposes. (NRS 387.123) Section 23.5 of this bill prohibits such regulations from counting a pupil enrolled in grade 12 who is not prepared for college and career success as a full-time pupil for apportionment purposes unless the pupil is enrolled in a certain number of courses or periods per day.

Section 41.3 of this bill requires the State Board to adopt regulations regarding end-of-course finals and the courses for which such finals may be administered.

Existing law requires the State Board to adopt regulations that prescribe the criteria for receipt of a standard high school diploma. (NRS 390.600) Section 52 of this bill removes the requirement that the regulations require a pupil to pass certain end-of-course examinations to receive a standard high school diploma. Section 41.5 of this bill requires the State Board to adopt regulations that prescribe the criteria for a pupil to receive a pathway high school diploma, which must include requirements that the pupil: (1) satisfy the criteria for receipt of a standard high school diploma; and (2) obtain a college-ready endorsement or a career-ready endorsement. Section 41.5 also requires the State Board to: (1) adopt regulations prescribing the criteria for a pupil to obtain each endorsement; (2) annually review and, if necessary, revise the regulations adopted relating to the pathway high school diploma; and (3) provide incentive grants and certain reimbursements relating to the pathway high school diploma, to the extent that money is available for this purpose. Finally, section 41.5 provides that a pathway high school diploma confers all the same rights, privileges and benefits as a standard high school diploma.

Section 41.7 of this bill requires the Department of Education, to the extent that money is available, to conduct a public awareness campaign to inform certain persons of the types of diplomas and endorsements on a diploma a pupil may receive upon graduation from high school and the criteria for obtaining such diplomas or endorsements.

Existing law requires the statewide performance evaluation system used to evaluate a public school employee's overall performance to

include a process for peer evaluations of teachers by qualified educational personnel. (NRS 391.465) Section 66 of this bill requires the statewide performance evaluation system to include a process for peer observations, instead of peer evaluations. Sections 65.5 and 66.5 of this bill make conforming changes.

Existing law requires the State Board to designate the assessments that may be used by a school district to determine pupil achievement. (NRS 391.465) **Section 66** of this bill instead requires: (1) the State Board to establish the criteria for the assessments that may be used by a school district; and (2) the board of trustees of a school district to select assessments that meet the criteria established by the State Board to determine pupil achievement. Existing law requires the State Board to select a college and career readiness assessment for administration to pupils enrolled in grade 11 in public schools. (NRS 390.610) **Section 53** of this bill ~~[provides for the selection of one or more such assessments. Sections 2, 8, 10-12, 14, 15, 17-19, 22, 25, 30, 34, 40-42, 44-54, 57, 65 and 70 of this bill make conforming changes.]~~ **provides that the results of a pupil on this assessment may be used in determining whether the pupil satisfies the requirements for receipt of a pathway high school diploma. Section 53 also requires the State Board to adopt regulations prescribing the manner in which a school district or charter school that enrolls pupils at a high school grade level is required to use the results of this assessment to inform the instruction provided to pupils enrolled in grade 12.**

Existing law requires ~~[probationary]~~ teachers and administrators to receive ~~[one evaluation each school year that is]~~ **certain evaluations that are** based in part upon a certain number of observations of the teacher or administrator. (NRS 391.685, ~~[391.705) Sections 67 and 68 of this bill provide that, following each observation, a probationary teacher or administrator must receive notice that he or she may request that a subsequent observation be conducted by another administrator.]~~ **391.690, 391.705, 391.710) Sections 67-68.5 of this bill require such evaluations to be based on a certain number of observation cycles of each teacher and administrator. Section 69** of this bill makes a technical correction to provisions relating to the written evaluation of a probationary teacher or administrator. **Sections 36, 37 and 59-64** of this bill revise additional provisions governing the **qualifications of certain teachers and paraprofessionals and** evaluations of the performance of teachers and paraprofessionals.

Existing law requires the board of trustees of each school district to prepare an annual report of accountability concerning the educational goals and objectives of the school district. (385A.070) Existing law also requires the State Board to prepare a single annual report of accountability for all public schools in the State that includes certain information. Sec. 23. NRS 387.121 is hereby amended to read as follows:

387.121 1. The Legislature declares that the proper objective of state financial aid to public education is to ensure each Nevada child a reasonably equal educational opportunity. Recognizing wide local variations in wealth and costs per pupil, this State should supplement local financial ability to whatever extent necessary in each school district to provide programs of instruction in both compulsory and elective subjects that offer full opportunity for every Nevada child to receive the benefit of the purposes for which public schools are maintained. Therefore, the quintessence of the State's financial obligation for such programs can be expressed in a formula partially on a per pupil basis and partially on a per program basis as: State financial aid to school districts equals the difference between school district basic support guarantee and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. This formula is designated the Nevada Plan.

2. It is the intent of the Legislature, commencing with Fiscal Year 2016-2017, to provide additional resources to the Nevada Plan expressed as a multiplier of the basic support guarantee to meet the unique needs of certain categories of pupils, including, without limitation, pupils with disabilities, pupils who are ~~[limited]~~ English ~~[proficient,]~~ ***learners,*** pupils who are at risk and gifted and talented pupils. As used in this subsection, "pupils who are at risk" means pupils who are eligible for free or reduced-price lunch pursuant to 42 U.S.C. §§ 1751 et seq., or an alternative measure prescribed by the State Board of Education.

Sec. 23.5. **NRS 387.123 is hereby amended to read as follows:**

4. The principal of a school in which a pupil who may be retained in grade 3 pursuant to subsection 1 is enrolled shall consider the factors set forth in subsection 3 and determine whether the pupil is eligible for a good-cause exemption. 7. The State Board shall prescribe by regulation:

pupil's progress will allow him or her to sufficiently master the requirements for a fourth-grade reading level. If a pupil is promoted after November 1 of a school year, he or she must demonstrate proficiency in reading at a level prescribed by the State Board.

6. If a principal of a school determines that a pupil is not academically ready for promotion to grade 4 after being retained in grade 3 and the pupil received intensive instructional services pursuant to this section, the school district in which the pupil is enrolled must allow the parent or legal guardian of the pupil to decide, in consultation with the principal of the school, whether to place the pupil in a transitional instructional setting which is designed to produce learning gains sufficient for the pupil to meet the performance standards required for grade 4 while continuing to receive remediation in the subject area of reading.

Assembly Bill No. 21.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 557.

AN ACT relating to elections; providing certain remedies and penalties in a preelection challenge to the qualifications of a candidate; revising the forms for declarations of candidacy, acceptances of candidacy and declarations of residency; requiring certain proofs of identity and residency when filing for candidacy; clarifying the deadlines for filing written challenges of the qualifications of candidates and determining if probable cause exists to support such challenges; requiring, under certain circumstances, that a candidate, committee for political action, committee sponsored by a political party and committee for the recall of a public officer open and maintain a separate account in ~~[a financial institution located in this State;]~~ **certain financial institutions;** making changes to the definition of "actual residence" for purposes of candidacy; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, **several different statutes provide that if a court finds that a candidate fails to meet certain qualifications required for office: (1) the candidate is disqualified from taking office; and (2) the name of the candidate must not appear on the ballot, except that if the candidate's name cannot be removed from the ballot because the statutory deadline for changing the ballot has passed, a sign must be posted at each polling place where the candidate's name will appear on the ballot informing voters that the candidate is disqualified from taking office. (NRS 293.177, 293.182, 293C.185, 293C.186) Existing law also sets forth the same remedies if a candidate files a declaration or acceptance of candidacy which contains a false statement. (NRS 293.184, 293C.1865) Finally, under existing law,** there are different types of preelection court actions that may be brought to challenge a candidate on grounds that the candidate fails to meet any qualification required for ~~[the]~~ office. (NRS 281.050, 293.182, 293C.186 ~~[)~~ Section 1~~]~~ **; *DeStefano v. Berkus*, 121 Nev. 627, 628-31 (2005); *Child v. Lomax*, 124 Nev. 600, 604-05 (2008))**

To ensure consistency in this existing law, this bill revises and clarifies the remedies that are available when a candidate fails to meet any qualification required for office or files a declaration or acceptance of candidacy which contains a false statement. Sections 1.3, 1.5, 3 and 5-7.5 of this bill **reorganize existing law so that the remedies available in preelection court actions are set forth clearly in section 1.3, which** provides that in any preelection action where the court finds that a candidate fails to meet any qualification required for ~~[the]~~ office: (1) the candidate is disqualified from taking office; ~~[and]~~ (2) **the name of the candidate must not appear on the ballot, except that if the candidate's name cannot be removed from the ballot because the statutory deadline for changing the ballot has passed, a sign must be posted at each polling place where the candidate's name will appear on the ballot informing voters that the candidate is disqualified from taking office; and (3)** the court may order

the candidate to pay the attorney's fees and costs of the party who brought the action, ~~[including]~~ **other than** the Attorney General or a district attorney or city attorney. **Section 1.5 provides that the amount of any attorney's fees and costs awarded must be determined under the provisions of existing law governing attorney's fees and costs and the Nevada Rules of Civil Procedure.**

Under existing constitutional law, Section 6 of Article 4 of the Nevada Constitution invests each House of the Legislature with certain plenary and exclusive constitutional powers which may be exercised only by that House and which cannot be usurped, infringed or impaired by the other House or by any other branch of Nevada's State Government. (*Heller v. Legislature*, 120 Nev. 456 (2004); *Commission on Ethics v. Hardy*, 125 Nev. 285 (2009); *Mason's Manual of Legislative Procedure* §§ 560-564 (2010)) To provide assistance to the reader of the statutes who may be unfamiliar with the existing constitutional law, section 1.7 of this bill reiterates well-established principles of constitutional law that any statutes relating to the qualifications, elections and returns of members or members-elect of the Legislature do not apply to the extent that they conflict or are otherwise inconsistent with any provision of Section 6 of Article 4 of the Nevada Constitution.

Existing law: (1) requires a candidate to file a declaration or acceptance of candidacy before his or her name may appear on a ballot; and (2) provides that a candidate who knowingly and willfully files a declaration or acceptance of candidacy which contains a false statement regarding residency is guilty of a gross misdemeanor. (NRS 293.1755, 293.177, 293C.185, 293C.200) Existing law also requires a candidate for election to the Legislature to file a declaration of residency with his or her declaration or acceptance of candidacy. (NRS 293.181) ~~[Sections]~~ **To ensure consistency in this existing law, sections 2-4, 6 and 8** of this bill **use uniform language to** provide that a candidate who knowingly and willfully files a declaration of candidacy, acceptance of candidacy or declaration of residency which contains a false statement is guilty of a gross misdemeanor.

Existing law specifies the forms for a declaration or acceptance of candidacy and a declaration of residency and requires certain information to be included on the forms. Existing law also requires a candidate to present the filing officer with one type of acceptable identification or documentation as proof of the candidate's identity and residency when the candidate files a declaration or acceptance of candidacy. (NRS 293.177, 293.181, 293C.185)

Sections 3, 4 and 6 revise the forms for a declaration or acceptance of candidacy and a declaration of residency to include a statement that the candidate understands that knowingly and willfully filing such a document which contains a false statement is a crime punishable as a gross misdemeanor and also subjects the candidate to a civil action disqualifying the candidate from taking office and making the candidate liable upon order of the court to pay the attorney's fees and costs of the party who brings the

action. **Sections 3 and 6** also require the candidate to present the filing officer with two types of acceptable identification and documentation as proof of the candidate's identity and residency. ~~[Sections 5 and 7 of this bill clarify the]~~ **However, in certain limited circumstances, sections 3 and 6 allow the candidate to present the filing officer with alternative proof of the candidate's residency when a street address has not been assigned to the candidate's residence or when the rural or remote location of the candidate's residence makes it impracticable to present any of the traditional types of documentation as proof of residency.**

Existing law establishes deadlines for filing **certain** written challenges ~~[of]~~ **to** the qualifications of candidates and **for** determining ~~[if]~~ **whether** probable cause exists to support such challenges **~~[.]~~ , but the deadlines are not consistent. (NRS 293.182, 293C.186) Sections 5 and 7 remedy the inconsistencies in the deadlines to make the deadlines uniform for all such challenges.**

Existing law defines the term "actual residence" to mean the place where a candidate is legally domiciled and maintains a permanent habitation, and when a candidate maintains more than one place of permanent habitation, the place designated by the candidate as his or her principal permanent habitation is deemed to be the candidate's actual residence. (NRS 281.050) The Nevada Supreme Court has held that the place designated by the candidate as his or her principal permanent habitation must be the place where the candidate actually resides and is legally domiciled in order for the candidate to be eligible to the office. (*Williams v. Clark County Dist. Att'y*, 118 Nev. 473, 484-86 (2002); *Chachas v. Miller*, 120 Nev. 51, 53-56 (2004)) **Section 10** of this bill amends existing **statutory** law to reflect the **holdings from the** Supreme ~~[Court's holding.]~~ **Court and also to adopt and codify the legal principles from its cases that are used for determining whether a place of permanent habitation is the place where a person actually resides and is legally domiciled.**

Existing law requires a candidate to open and maintain a separate account in a financial institution for the deposit of campaign contributions once the candidate receives minimum contributions of $100. (NRS 294A.130) **Section 9** of this bill requires that the separate account be in a financial institution located in ~~[this State.]~~ **the United States. Section 9** also requires every committee for political action, committee sponsored by a political party and committee for the recall of a public officer that receives minimum contributions the sum of which, in the aggregate, is $1,000 or more, to open a separate account in a financial institution located in ~~[this State.]~~ **the United States. Section 11** of this bill provides that every candidate, every committee for political action and committee for the recall of a public officer that is registered with the Secretary of State on July 1, 2017, and every committee sponsored by a political party that exists on July 1, 2017, must comply with the requirements of **section 9** on or before June 30, 2018.

2. Each House of the Legislature has plenary and exclusive jurisdiction and power concerning any matter relating to any provision of Section 6 of Article 4 of the Nevada Constitution, and a member or member-elect of the Legislature cannot be disqualified from entering upon, taking, holding or exercising any powers or duties of the office unless disqualified by his or her own House.

3. A person becomes a member-elect of the Legislature on the day next after his or her election pursuant to Sections 3 and 4 of Article 4 of the Nevada Constitution and, on and after that date:

(b) No action may be brought or maintained against the member-elect or the House concerning any matter relating to any provision of Section 6 of Article 4 of the Nevada Constitution.

4. If there is a conflict between any other provision of law and the provisions of this section, the provisions of this section control.

Sec. 2. NRS 293.1755 is hereby amended to read as follows:

293.1755 1. In addition to any other requirement provided by law, no person may be a candidate for any office unless, for at least the 30 days immediately preceding the date of the close of filing of declarations of candidacy or acceptances of candidacy for the office which the person seeks, the person has, in accordance with NRS 281.050, actually, as opposed to constructively, resided in the State, district, county, township or other area prescribed by law to which the office pertains and, if elected, over which he or she will have jurisdiction or will represent.

~~4. If,]~~ ***brought against a person who has filed a declaration of candidacy or acceptance of candidacy for any elective office. 6. Except as otherwise provided in section 1.7 of this act, if in any preelection action for declaratory judgment, the district court finds that a person who has filed a declaration of candidacy or acceptance of candidacy for any elective office fails to meet any qualification concerning

residence required for the office pursuant to the Constitution or laws of this State, the person is subject to the provisions of section ~~[1]~~ 1.3 of this act.

~~[5.]~~ 7. For the purposes of this section, in determining whether a place of permanent habitation is the place where a person actually resides and is legally domiciled:

(a) It is the public policy of this State to avoid sham residences and to ensure that the person actually, as opposed to constructively, resides in the area prescribed by law for the office so the person has an actual connection with the constituents who reside in the area and has particular knowledge of their concerns.

(b) The person may have more than one residence but only one legal domicile, and the person's legal domicile requires both the fact of actual living in the place and the intention to remain there as a permanent residence. If the person temporarily leaves the person's legal domicile, or leaves for a particular purpose, and does not take up a permanent residence in another place, then the person's legal domicile has not changed. Once the person's legal domicile is fixed, the fact of actual living in another place, the intention to remain in the other place and the intention to abandon the former legal domicile must all exist before the person's legal domicile can change.

(c) Evidence of the person's legal domicile includes, without limitation:

(2) The place where the person lives with the person's spouse or domestic partner, if any.

(11) The place listed as the person's residential address on any type of check, payment, benefit or reimbursement issued to the person by a governmental agency or by any type of company that provides insurance, workers' compensation, health care or medical benefits or any self-insured employer or third-party administrator.

Amendment No. 617.

SUMMARY—Revises provisions relating to ~~[state lands.]~~ **government land.** (BDR 26-179)

AN ACT relating to ~~[state lands;]~~ **government land;** reducing the number of independent appraisals of state land required before such land may be offered for sale or lease; **revising certain restrictions on the performance of an appraisal of certain government land by an appraiser;** revising

provisions relating to the ~~[use of money in the]~~ Revolving Account for Land Management; removing an exemption from procedural requirements for the sale or lease of state land for a lease of residential property with a term of 1 year or less; revising **provisions relating to** the requirement that the Administrator of the Division of State Lands **of the State Department of Conservation and Natural Resources** develop and make certain information useful to land use planning available to cities and counties; revising provisions relating to the lease of state land for less than fair market value to certain persons who intend to locate or expand a business in this State; repealing obsolete provisions regarding the Lincoln County Pilot Land Development and Disposal Law; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Division of State Lands of the State Department of Conservation and Natural Resources must acquire and hold in the name of the State all land and interests in land owned or required by the State, with certain exceptions. (NRS 321.001) The Administrator of the Division is, ex officio, the State Land Registrar. (NRS 321.010)

Existing law requires, with certain exceptions, the State Land Registrar to obtain two independent appraisals of any state land before offering the land for sale or lease. (NRS 321.007) **Section 1** of this bill ~~[changes that requirement so]~~ **decreases to one the number of independent appraisals that** the State Land Registrar ~~[must]~~ **is required to** obtain ~~[just one independent appraisal]~~ before offering state land for sale or lease.

Existing law also prohibits an appraiser from appraising state land if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the land or an adjoining property. Section 1 expands the prohibited degree of consanguinity or affinity of the appraiser's relative to the third degree of consanguinity or affinity.

Existing law creates the Revolving Account for Land Management as a special account in the State General Fund. Money in the Account must be used to pay the expenses relating to the management of land held by the Division of State Lands, including, without limitation, expenses for appraisals and surveys, construction of fences and barriers for vehicles and the cleanup and maintenance of the land. (NRS 321.067) **Section 2** of this bill authorizes money in the Account also to be used to pay expenses relating to the acquisition of or interests in land. **Section 2** also provides that the expenses for which money in the Account may be used may include land surveys, required assessments of the land, including surveys of the biological, environmental and cultural conditions and resources of the land, and any required mitigation of the land.

Existing law authorizes the State Land Registrar to request an allocation to the Revolving Account from the Contingency Account in the State General

Fund if the balance in the Revolving Account is below $5,000. **Section 2** of this bill raises that amount to $20,000.

Existing law provides procedural requirements for the sale or lease of state land and exempts from those requirements any lease of residential property with a term of 1 year or less. (NRS 321.335) **Section 3** of this bill removes that exemption.

Existing law requires the Administrator of the Division of State Lands to: (1) administer the activities of the State Land Use Planning Agency; and (2) develop and distribute information that is useful to land use planning. Existing law also gives priority to the activities of the State Land Use Planning Agency in the provision of technical assistance in areas of this State where such assistance is requested. (NRS 321.710) Section 3.5 of this bill limits the entities to which priority in the provision of technical assistance must be given to counties and cities.

Existing law requires the Administrator of the Division of State Lands to develop and make available to cities and counties certain **specified** information useful to land use planning. (NRS 321.720) **Section 4** of this bill removes the requirement that the Administrator develop and make available to cities and counties: (1) ~~[a continuously revised inventory of the land and natural resources of the State; (2)]~~ statewide data relating to population densities and trends, economic and environmental characteristics and trends, and directions and extent of urban and rural growth; ~~[(3)]~~ **(2)** projections of the nature and quantity of land needed and suitable for various purposes; and ~~[(4)]~~ **(3)** a continuously revised inventory of the environmental, geological and physical conditions which influence the desirability of various uses of land. **Section 4 also requires the Administrator, to the extent practicable, to compile the information developed and make the compilation available to counties and cities.**

Existing law authorizes, if certain requirements are fulfilled, the lease of state land for less than the fair market value of the land for the first year of the lease if the lessee intends to locate or expand a business in this State. (NRS 322.061) **Section 5** of this bill removes a number of the requirements that must be fulfilled, including requirements relating to the number of employees of the business, the capital investment in this State by the business, the average hourly wage paid by the business to employees in this State and the benefits provided by the business.

Existing law prohibits an appraiser who appraises any real property that is offered for sale or lease by a board of county commissioners or the governing body of an incorporated city from conducting the appraisal if the appraiser or a person related to the appraiser within the first degree of consanguinity or affinity has an interest in the real property or an adjoining property. (NRS 244.2795, 268.059) Sections 6 and 7 of this bill expand the prohibited degree of consanguinity or affinity of the person from the first degree of consanguinity or affinity to

the third degree of consanguinity or affinity and, in certain circumstances, the second degree of consanguinity or affinity.

Section ~~[6]~~ 9 of this bill repeals obsolete provisions relating to the Lincoln County Pilot Land Development and Disposal Law. (NRS 321.540-321.590)

Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

Upon acceptance of any bid or oral offer and payment to the State Land Registrar in accordance with the terms of lease specified in the notice of lease, the State Land Registrar shall enter into a lease agreement with the person submitting the accepted bid or oral offer pursuant to the terms of lease specified in the notice of lease.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.

11. If land that is offered for sale or lease pursuant to this section is not sold or leased at the initial offering of the contract for the sale or lease of the land, the State Land Registrar may offer the land for sale or lease a second time pursuant to this section. If there is a material change relating to the title, zoning or an ordinance governing the use of the land, the State Land Registrar must ~~[, as applicable,]~~ obtain a new appraisal ~~[or new appraisals]~~ of the land pursuant to the provisions of NRS 321.007 before offering the land for sale or lease a second time. If land that is offered for sale or lease pursuant to this section is not sold or leased at the second offering of the contract for the sale or lease of the land, the State Land Registrar may list the land for sale or lease at the appraised value with a licensed real estate broker, provided that the broker or a person related to the broker within the first degree of consanguinity or affinity does not have an interest in the land or an adjoining property.

Legislative Counsel's Digest:

~~[Section 2 of this bill defines a "voter registration drive" as an effort undertaken to: (1) distribute applications to register to vote; or (2) assist persons to complete or submit applications to register to vote or update or correct their voter registration information. Section 5 of this bill authorizes the Secretary of State to adopt by regulation qualifications for a person to assist in a voter registration drive.~~

~~Existing law prohibits a person who assists other persons in registering to vote from: (1) delegating duties to another person; (2) refusing to register a person to vote on account of that person's political party affiliation; (3) registering persons who are not qualified electors or who fail to provide proof of identification and residence; or (4) failing to deliver to county clerks by certain deadlines completed applications to register to vote. (NRS 293.505) Section 14 of this bill provides that such acts are also prohibited of persons who assist in voter registration drives.]~~

Section ~~[4]~~ 1 of this bill requires a nongovernmental entity that sends a notice to a person indicating the person is not or may not be registered to vote or requesting the person to register to vote to indicate on the notice that it is not official elections mail from the Secretary of State or a county or city clerk.

~~[Existing law requires a minor political party that wishes to place candidates for President and Vice President of the United States on the ballot to file with the Secretary of State a certificate of nomination for these offices not later than the last Tuesday in August. (NRS 293.1725) Section 7 of this bill moves that deadline to the first Tuesday in August preceding the general election. Section 3 of this bill applies the same deadline to major political parties, and section 33 of this bill makes a conforming change.]~~

Existing law relating to elections cites to various provisions of federal law, including the Voting Rights Act of 1965 (52 U.S.C. §§ 10101 to 10301 et seq.), the Uniformed and Overseas Citizens Absentee Voting Act (52 U.S.C. §§ 20301 et seq.), the Military and Overseas Voter Empowerment Act (52 U.S.C. §§ 20302 et seq.) and the Help America Vote Act (52 U.S.C. §§ 15482 et seq.). (NRS 293.208, 293.2699, 293.309, 293.4685, 293.502, 293.504, 293.505, 293C.305, 293D.050, 293D.110, 293D.200, 293D.230, 293D.300, 293D.320, 293D.410, 293D.530) **Sections 8-13 ~~[and 15-23]~~ , 15 and 16-23** of this bill update the citations to these federal laws.

Existing federal law requires that each state ensure that an eligible voter who submits an application to register to vote by mail be registered to vote in an election for federal office if the voter registration form is postmarked not later than 30 days before the date of the election. (52 U.S.C. § 20507) Under existing Nevada law, an application to register to vote by mail must be postmarked or received by the county clerk not later than the fifth Saturday preceding a primary election, primary city election, general election or general city election. (NRS 293.5235, 293.560, 293C.527) Sections 14.6 and 15.5 of this bill provide that the last

day to register to vote by mail is the fourth Tuesday preceding the primary election, primary city election, general election or general city election.

Existing law provides that the last day to register to vote by computer is the third Tuesday preceding any primary or general election. (NRS 293.560, 293C.527) Sections 14.6 and 15.5 provide, with limited exception, that the last day to register to vote by computer is the Thursday before the period for early voting begins.

Existing law requires county and city clerks to distribute sample ballots before the period for early voting begins. (NRS 293.565, 293C.530) Sections 14.8 and 15.7 of this bill provide a limited exception to this requirement so that the clerks are not required to distribute sample ballots for an election to persons who register to vote less than 20 days before the election. Section 8.5 of this bill makes a conforming change.

Existing law sets forth campaign finance reporting requirements for candidates and certain persons and committees that accept contributions and make expenditures related to a special election to recall a public officer. (NRS 294A.120, 294A.140, 294A.200, 294A.210) **Sections ~~[24-27]~~ 24 and 25-27** of this bill set forth the reporting requirements that apply where no such special election is held because the petition for recall is not submitted for verification or is submitted for verification but is legally insufficient.

~~[Section 29 of this bill authorizes the Secretary of State to adopt by regulation qualifications for a person to circulate a petition for initiative or referendum.]~~

Existing law sets forth campaign finance reporting requirements for candidates to report campaign contributions. (NRS 294A.120, 294A.125) Sections 24 and 24.5 of this bill require a candidate to include in his or her campaign finance reports the balance in the candidate's campaign account at the end of the reporting period.

Existing law sets forth the categories of campaign expenses and expenditures for use in reports of campaign expenses or expenditures. (NRS 294A.365) Section 27.2 of this bill adds a category for interest, credit card fees, debit card fees or penalty fees incurred in relation to campaign expenses or expenditures paid for by a credit card or debit card. Section 27.2 also requires that each report of campaign expenses or expenditures must itemize each transaction and identify the business or other entity from whom the purchase was made if the purchase was paid for with a credit card or debit card.

Existing law requires a copy of a petition for initiative or referendum to be placed on file with the Secretary of State before it may be circulated for signatures. (NRS 295.015) **Section 31** of this bill requires that the person who intends to circulate the petition must also submit to the Secretary of State a form that includes: (1) the person's name and signature; (2) the name of any committee for political action formed by the person to advocate the

passage of the initiative or referendum; and (3) the names of persons who are authorized to withdraw the petition or submit a revised petition. **Section 30** of this bill provides that a petition may be withdrawn if one of those authorized persons submits a notice of withdrawal to the Secretary of State.

Existing law provides that if a petition for initiative proposes a statute or an amendment to a statute, the petition must be submitted for verification not later than the second Tuesday in November of an even-numbered year. (NRS 295.056) **Section 32** of this bill provides that if the second Tuesday in November of an even-numbered year is the day of the general election, that deadline is instead the next working day after the election.

Existing law requires that if a person desires to be an independent candidate for President of the United States, the person must circulate a nominating petition and obtain a certain number of signatures. Existing law also requires that a copy of that petition be filed with the Secretary of State. (NRS 298.109) **Section 34** of this bill clarifies that the copy must be filed with the Secretary of State before the petition is circulated for signatures.

SECOND READING AND AMENDMENT

Assembly Bill No. 80.

Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 506.

AN ACT relating to redevelopment; allowing certain cities to extend the date for termination of certain redevelopment plans under certain circumstances; ~~[requiring such cities to set aside a portion of the revenues from taxes imposed on property in certain redevelopment areas to be used to improve and preserve existing public educational facilities;]~~ and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, a redevelopment plan adopted before January 1, 1991, by a redevelopment agency of a city whose population is 500,000 or more (currently the City of Las Vegas), and any amendments to the plan must terminate at the end of the fiscal year in which the principal and interest of the last maturing of the securities issued before that date concerning the redevelopment area are fully paid or, if certain conditions are met, 60 years after the date on which the original redevelopment plan was adopted, whichever is later. Any other redevelopment plan adopted before January 1, 1991, and any amendments to the plan also must terminate upon the retirement of the last maturing securities or up to 45 years after the date on which the original redevelopment plan was adopted, whichever is later. (NRS 279.438) **Section 1** of this bill authorizes a city whose population is 220,000 or more located in a county whose population is 100,000 or more but less than 700,000 (currently the City of Reno) to extend the date of termination of a redevelopment plan adopted before January 1, 1991, to the later of the retirement of the last maturing securities or 60 years after the date on which the original redevelopment plan was adopted, whichever is later. The

extension of the termination period from 45 years to 60 years is only available if the legislative body of the city adopts an extension of the redevelopment plan by ordinance. **The adoption of an extension of a redevelopment plan has no effect on the allocation of revenues among taxing authorities within the redevelopment area.**

~~[Under existing law, if the redevelopment agency of a city whose population is 220,000 or more but less than 500,000 located in a county whose population is 700,000 or more (currently the City of Henderson) adopts an ordinance extending the date of termination of its redevelopment plan, 18 percent of the incremental revenues received from taxes on the taxable property located in the redevelopment area affected by the ordinance on or after the effective date of the ordinance are required to be set aside and used to improve and preserve existing public educational facilities which are located within the redevelopment area or which serve pupils who reside within the redevelopment area. Existing law also provides that the obligation to set aside such revenues is subordinate to any existing obligations of the agency. (NRS 279.6855) Section 2 of this bill extends the applicability of these provisions to any city whose population is 220,000 or more, regardless of the population of the county in which it is located (currently the cities of Henderson and Reno), but only if the city adopts an ordinance extending the date of termination of its redevelopment plan.]~~

Sec. 2. ~~[NRS 279.6855 is hereby amended to read as follows:~~

If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. After the notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county. This determination must be completed within 9 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110, and within 3 days, excluding Saturdays, Sundays and holidays, after the notification pursuant to this subsection regarding a petition containing signatures which are required to be verified pursuant to NRS 293.172 or 293.200. Secretary of State shall determine the number of signatures that must be verified by each county clerk within the petition district.

4. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. ➥ the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.

6. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

7. Except as otherwise provided in subsection 9, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State.
