(2) The number of residents of this State currently employed by such private companies.

(3) The number of offenders that would be employed under the contract.

(4) The skills that the offenders would acquire under the contract.

8. 9. As used in this section, "state-sponsored program" means a program for the vocational training or employment of offenders which does not include a contract of employment with a private employer.

The following amendment was proposed by Assemblywoman Spiegel:

Amendment No. 646.

AN ACT relating to employment; prohibiting an employer, employment agency or labor organization from discriminating against certain persons for inquiring about, discussing or voluntarily disclosing information about wages under certain circumstances; **revising provisions governing noncompetition covenants;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes certain employment practices as unlawful and prohibits certain employers, employment agencies and labor organizations from engaging in such practices. (NRS 613.330) With certain exceptions, this prohibition only applies to employers who have 15 or more employees for each working day in each of 20 or more calendar weeks, either in the same or the preceding calendar year as when an unlawful employment practice occurred. (NRS 613.310) ~~[This]~~ **Section 3 of this** bill prohibits such an employer, an employment agency or a labor organization from discriminating against a person with respect to employment or membership, as applicable,

for inquiring about, discussing or voluntarily disclosing information about wages. This provision does not apply to any person who has access to information about the wages of other persons as part of his or her essential job functions and discloses the information to a person who does not have access to that information, except as ordered by the Labor Commissioner or a court of competent jurisdiction.

Existing law also prohibits a person, association, company or corporation, or agent or officer thereof, from preventing any person who for any cause left or was discharged from their employ from obtaining employment elsewhere in this State. However, under existing law, a person, association, company or corporation, or agent or officer thereof, is not prohibited from negotiating, executing and enforcing an agreement with an employee which, upon termination of employment, prohibits the former employee from pursuing a similar vocation in competition with or becoming employed by a competitor of the former employer. (NRS 613.200) Section 2 of this bill removes this provision from existing law, allowing for noncompetition agreements. Section 1 of this bill adds requirements governing noncompetition covenants, providing that such covenants are void and unenforceable unless the covenant: (1) is supported by valuable consideration; (2) does not impose any restraint that is greater than is required for the protection of the employer; (3) does not impose any undue hardship on the employee; and (4) imposes restrictions that are appropriate in relation to the valuable consideration supporting the covenant. Section 1 further provides that a noncompetition covenant may not restrict a former employee of an employer from providing service to a former customer or client if: (1) the former employee did not solicit the former customer or client; (2) the customer or client voluntarily chose to leave and seek the services of the former employee; and (3) the former employee is otherwise complying with the noncompetition covenant. Section 1 also provides that if an employee is terminated because of a reduction in force, reorganization or similar restructuring, a noncompetition covenant is only enforceable during the time in which the employer is paying the employee's salary, benefits or equivalent compensation. Finally, section 1 provides that if an employer brings an action to enforce a noncompetition covenant and the court finds the covenant contains limitations that are not reasonable and impose a greater restraint than is necessary, the court shall revise the covenant to the extent necessary and enforce the covenant as revised.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. **Chapter 613 of NRS is hereby amended by adding thereto a new section to read as follows:**

1. A noncompetition covenant is void and unenforceable unless the noncompetition covenant:

(a) Is supported by valuable consideration;

(b) Does not impose any restraint that is greater than is required for the protection of the employer for whose benefit the restraint is imposed;

(c) Does not impose any undue hardship on the employee; and

(d) Imposes restrictions that are appropriate in relation to the valuable consideration supporting the noncompetition covenant.

2. A noncompetition covenant may not restrict a former employee of an employer from providing service to a former customer or client if:

(a) The former employee did not solicit the former customer or client;

(b) The customer or client voluntarily chose to leave and seek services from the former employee; and

(c) The former employee is otherwise complying with the limitations in the covenant as to time, geographical area and scope of activity to be restrained, other than any limitation on providing services to a former customer or client who seeks the services of the former employee without any contact instigated by the former employee.

➥ Any provision in a noncompetition covenant which violates the provisions of this subsection is void and unenforceable.

3. An employer in this State who negotiates, executes or attempts to enforce a noncompetition covenant that is void and unenforceable under this section does not violate the provisions of NRS 613.200.

4. If the termination of the employment of an employee is the result of a reduction of force, reorganization or similar restructuring of the employer, a noncompetition covenant is only enforceable during the period in which the employer is paying the employee's salary, benefits or equivalent compensation, including, without limitation, severance pay.

5. If an employer brings an action to enforce a noncompetition covenant and the court finds the covenant is supported by valuable consideration but contains limitations as to time, geographical area or scope of activity to be restrained that are not reasonable, impose a greater restraint than is necessary for the protection of the employer for whose benefit the restraint is imposed and impose undue hardship on the employee, the court shall revise the covenant to the extent necessary and enforce the covenant as revised. Such revisions must cause the limitations contained in the covenant as to time, geographical area and scope of activity to be restrained to be reasonable and to impose a restraint that is not greater than is necessary for the protection of the employer for whose benefit the restraint is imposed.

6. As used in this section:

(a) "Employer" means every person having control or custody of any employment, place of employment or any employee.

(b) "Noncompetition covenant" means an agreement between an employer and employee which, upon termination of the employment of the employee, prohibits the employee from pursuing a similar vocation in competition with or becoming employed by a competitor of the employer.

Sec. 2. **NRS 613.200 is hereby amended to read as follows:**

613.200 1. Except as otherwise provided in this section ~~[,]~~ ***and section 1 of this act,*** any person, association, company or corporation within this State, or any agent or officer on behalf of the person, association, company or corporation, who willfully does anything intended to prevent any person who for any cause left or was discharged from his, her or its employ from obtaining employment elsewhere in this State is guilty of a gross misdemeanor and shall be punished by a fine of not more than $5,000.

2. In addition to any other remedy or penalty, the Labor Commissioner may impose against each culpable party an administrative penalty of not more than $5,000 for each such violation.

3. If a fine or an administrative penalty is imposed pursuant to this section, the costs of the proceeding, including investigative costs and attorney's fees, may be recovered by the Labor Commissioner.

4. The provisions of this section do not prohibit a person, association, company, corporation, agent or officer from negotiating, executing and enforcing an agreement with an employee of the person, association, company or corporation which, upon termination of the employment, prohibits the employee from ~~[:~~

~~(a) Pursuing a similar vocation in competition with or becoming employed by a competitor of the person, association, company or corporation; or~~

~~[Section 1.]~~ ***Sec. 3.*** NRS 613.330 is hereby amended to read as follows:

(b) To limit, segregate or classify an employee in a way which would deprive or tend to deprive the employee of employment opportunities or otherwise adversely affect his or her status as an employee, because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, age, disability or national origin ~~[.]~~ ***; or***

(b) To limit, segregate or classify its membership, or to classify or fail or refuse to refer for employment any person, in any way which would deprive or tend to deprive the person of employment opportunities, or would limit the person's employment opportunities or otherwise adversely affect the person's status as an employee or as an applicant for employment, because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, age, disability or national origin; ~~[~~or~~]~~

(d) To cause or attempt to cause an employer to discriminate against any person in violation of this section.

4. It is an unlawful employment practice for any employer, labor organization or joint labor-management committee controlling apprenticeship or other training or retraining, including, without limitation, on-the-job training programs, to discriminate against any person because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, age, disability or national origin in admission to, or employment in, any program established to provide apprenticeship or other training.

5. Except as otherwise provided in subsection 6, it is an unlawful employment practice for any employer, employment agency, labor organization or joint labor-management committee to discriminate against a person with a disability by interfering, directly or indirectly, with the use of an aid or appliance, including, without limitation, a service animal, by such a person.

6. It is an unlawful employment practice for an employer, directly or indirectly, to refuse to permit an employee with a disability to keep the employee's service animal with him or her at all times in his or her place of

employment, except that an employer may refuse to permit an employee to keep a service animal that is a miniature horse with him or her if the employer determines that it is not reasonable to comply, using the assessment factors set forth in 28 C.F.R. § 36.302.

7. ***The provisions of paragraph (c) of subsection 1, paragraph (c) of subsection 2 and paragraph (c) of subsection 3, as applicable, do not apply to any person who has access to information about the wages of other persons as part of his or her essential job functions and discloses that information to a person who does not have access to that information unless the disclosure is ordered by the Labor Commissioner or a court of competent jurisdiction.***

A probationer, parolee, or person who has completed his or her sentence and was released from prison, with certain exceptions is immediately restored his or her right to serve as a juror in a civil case and to vote after discharge from probation, discharge from parole, or release from prison unless the person was previously convicted of a category A felony or

certain category B felonies, in which case the person's right to vote is restored two years after discharge from probation, discharge from parole, or release from prison. Remarks by Assemblymen Ohrenschall and Watkins.

ASSEMBLYMAN OHRENSCHALL:

Assembly Bill 183 makes various changes to provisions concerning the collection of amounts payable to a hospital for patient care. Among other things, the bill limits the amount that a hospital may collect or attempt to collect from a patient or other responsible party under certain circumstances; requires a hospital to collect from a person's health insurance before collecting from a statutory lien; requires a hospital to provide notification to the injured person under certain circumstances prior to filing a lien; specifies the procedures a hospital must follow before perfecting a lien and provides that if the lien is perfected in violation of these procedures, the injured person is entitled to damages equal to twice the amount of the lien; and provides that any amount received from a lien constitutes the complete satisfaction of any debt owed by the injured person to the hospital for the care provided.

In your Judiciary Committee, there was testimony about patients who had been injured, in many cases in an auto accident, and would have a contract for insurance with the hospital that treated them. Testimony during the committee hearing was that often they were being billed, not at the contracted rate they had through the medical insurance they worked so hard to keep, but at the noncontracted rate. The chairman of your Judiciary Committee was kind enough to lend us the Wood Shed, and my colleagues from Assembly District 35 and from the double-deuce down in Henderson, and all the stakeholders got together. I cannot say we made everybody happy, but I think we tried to address a lot of the problems that are hurting injured parties. I want to thank my two colleagues from southern Nevada and the chairman of Judiciary, and I urge your support of this bill. I believe it will protect injured people in our state.

ASSEMBLYMAN WATKINS:

I rise in support of A.B. 183 and I want to add a few comments for clarification. What this bill would do is help to protect all Nevadans who are playing by the rules, who obtained health insurance. Their health insurance has a contract with the hospital and ensures that the hospital will bill their health insurance rather than take money out of their pocket. Currently, hospitals are allowed to file a lien—record a lien—against somebody who is involved in a car accident, even though it is not their fault. It goes on their credit; they have problems refinancing their house; they have problems refinancing their car or getting a loan. I do not think that is good policy. This bill seeks to protect those people and ensure that the hospital bills the health insurance.

We worked endless hours to find consensus on this bill, and unfortunately, we were not able to find it. What the opposition would like you to believe is that all we have to do is remove Medicare, Medicaid, and TRICARE from this and then this would be a good bill. I cannot disagree more with that. We have to protect our elderly. We have to protect our active duty military. We have to protect the veterans. If we allow those exceptions, we have to go back to

our constituents, to our parents, to our grandparents, and say You have to pay more than we do for the same service. I do not think that is right and I urge your support.

Assemblywoman Bustamante Adams moved that the Assembly concur in the Senate Amendment No. 762 to Assembly Bill No. 105.

Remarks by Assemblywoman Bustamante Adams.

ASSEMBLYWOMAN BUSTAMANTE ADAMS:

The amendment increases from one to two years the amount of time a newly licensed osteopathic doctor has to obtain evidence-based suicide prevention and awareness training.

Motion carried by a constitutional majority.

Bill ordered to enrollment.

Assembly Bill No. 154.

The following Senate amendment was read:

Amendment No. 741.

AN ACT relating to prevailing wages; revising provisions governing the payment of prevailing wages; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, with certain exceptions, the prevailing wage in a county for each craft or type of work, as determined by the Labor Commissioner, is required to be paid on a project in the county involving new construction, repair or reconstruction that is financed in whole or in part with public money and for which the estimated cost is $250,000 or more. (NRS 338.010, 338.020-338.080) Sections 1, 3 and 4 of this bill decrease the minimum threshold for the applicability of the prevailing wage requirements from $250,000 to $100,000.]~~

School districts and the Nevada System of Higher Education are required under existing law to pay on their public works and certain other construction projects 90 percent of the prevailing wage rates that are otherwise required to be paid by other public bodies. (NRS 338.030) **Section 2** of this bill eliminates this exception and therefore requires school districts and the Nevada System of Higher Education to pay the same prevailing wage rates on their public works and other construction projects as other public bodies are required to pay.

~~**[** Under existing law, charter schools are exempt from the requirement in existing law to pay prevailing wage rates on their public works and certain other construction projects. (NRS 338.080) Section 4 eliminates this exemption and therefore requires charter schools to pay prevailing wage rates on their public works and other construction projects.**]**~~

(c) Where no such rate can be determined, the prevailing wage for a craft or type of work will be determined as the average rate of wages paid per hour based on the number of hours worked per rate, to that craft or type of work.

~~**[**(d) The Labor Commissioner shall determine the prevailing wage to be 90 percent of the rate determined pursuant to paragraphs (a), (b) and (c) for:~~

The following Senate amendment was read:

Amendment No. 678.

AN ACT relating to wildlife; requiring the Board of Wildlife Commissioners to establish policies for the conservation of certain wildlife; revising the authorized uses of the fees for the processing of an application for a game tag; **requiring the Commission to establish policies for certain programs, activities and research relating to predatory wildlife; requiring the Department of Wildlife to submit a report on certain programs, activities and research relating to predatory wildlife;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the Board of Wildlife Commissioners is required, after first considering the recommendations of the Department of Wildlife, the county advisory boards to manage wildlife and other persons, to establish

policies for the management of big and small game mammals, upland and migratory game birds, fur-bearing mammals, game fish, and protected and unprotected mammals, birds, fish, reptiles and amphibians. (NRS 501.181) **Section 1** of this bill requires those policies to also include the conservation of those mammals, birds, fish, reptiles and amphibians.

Existing law requires a person applying for a game tag to pay an additional fee of $3 for processing the application. The money collected from those fees is required to be deposited in the Wildlife Account in the State General Fund and used by the Department of Wildlife for costs related to: (1) developing and implementing an annual program for the management and control of predatory wildlife; (2) wildlife management activities relating to the protection of nonpredatory game animals and sensitive wildlife species; and (3) conducting research necessary to determine successful techniques for managing and controlling predatory wildlife. **Any program developed or wildlife management activity or research conducted must be developed or conducted under the guidance of the Board of Wildlife Commissioners.** (NRS 502.253) **Section 3** of this bill expands the purposes for which the proceeds from those fees are required to be used by ~~[adding programs for the management and enhancement of game mammals,]~~ adding wildlife management activities related to wildlife habitat and authorizing obtaining matching money from the Federal Government which is available for use for those programs and activities. **Section 3** also requires **the Commission, in providing guidance to the Department, to establish policies for the development of any programs to control species of predatory wildlife or to conduct any wildlife management activities or research concerning species of predatory wildlife. Section 3 further requires** the Department ~~[of Wildlife]~~ to submit a report, on or before ~~[August]~~ **December** 31 of each ~~[even-numbered]~~ year, to the Director of the Legislative Counsel Bureau for transmittal to the Legislature ~~[setting forth]~~ **summarizing** the ~~[expenditures for the]~~ **results of certain** programs **,** ~~[and]~~ activities ~~[carried out using the proceeds from those fees.]~~ **and research related to predatory wildlife. Section 4** of this bill specifies that the proceeds from those fees which are deposited for credit to the Wildlife Account on or after July 1, 2017, are only authorized to be used for the new purposes.

AN ACT relating to domestic violence; enacting the Uniform Recognition and Enforcement of Canadian Domestic-Violence Protection Orders Act; **requiring the enforcement of Canadian domestic-violence protection orders under certain circumstances;** requiring the Central Repository for Nevada Records of Criminal History to include Canadian domestic-violence protection orders registered in this State in the Repository for Information Concerning Orders for Protection Against Domestic Violence; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the enforcement and registration of an order for protection against domestic violence issued by the court of another state, territory or Indian tribe within the United States and requires certain persons to transmit certain information regarding such orders to the Central Repository for Nevada Records of Criminal History. (NRS 33.085, 33.090, 33.095) **Sections 2-18** of this bill enact the Uniform Recognition and Enforcement of Canadian Domestic-Violence Protection Orders Act.

Section 13 requires a law enforcement officer to enforce a Canadian domestic-violence protection order ~~[and prescribes the minimum requirements for such enforcement.]~~ **in the same manner that an officer enforces an order for protection issued by a court of this State unless it is apparent to the officer that the order is not authentic on its face.** **Section 13** further requires a law enforcement officer to inform the protected person of local victims' services.

Section 14 requires certain courts and agencies in this State to enforce a Canadian domestic-violence protection order and prescribes the minimum requirements for such enforcement.

Section 15 provides immunity from civil or criminal liability for this State and its agencies and political subdivisions and certain persons who: (1) enforce a Canadian domestic-violence protection order based upon a reasonable belief that the order is valid; or (2) refuse to enforce such an order based upon a reasonable belief that the order is not valid.

Section 19 of this bill provides for the registration of Canadian domestic-violence protection orders with the clerk of the court in the judicial district in which the person believes enforcement may be necessary. **Section 20** of this bill requires certain persons to transmit certain information regarding such orders to the Central Repository for Nevada Records of Criminal History. **Section 21** of this bill requires the Central Repository to include such orders in the Repository for Information Concerning Orders for Protection Against Domestic Violence.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 33 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 18, inclusive, of this act.

Sec. 2. ***Sections 2 to 18, inclusive, of this act may be cited as the Uniform Recognition and Enforcement of Canadian Domestic-Violence Protection Orders Act.***

Sec. 3. ***As used in sections 2 to 18, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 4 to 12, inclusive of this act have the meanings ascribed to them in those sections.***

Sec. 4. ***"Adverse party" means a natural person against whom a Canadian domestic-violence protection order is issued.***

Sec. 5. *"Canadian domestic-violence protection order" means a judgment or part of a judgment or order issued in a civil proceeding by a court of Canada under the laws of the issuing jurisdiction that relates to domestic violence and prohibits an adverse party from:*

1. Being in physical proximity to a protected person or following a protected person;

2. Directly or indirectly contacting or communicating with a protected person or other person described in the order;

3. Being within a certain distance of a specified place or location associated with a protected person; or

4. Molesting, annoying, harassing or engaging in threatening conduct directed at a protected person.

Sec. 6. *"Domestic protection order" means an injunction or other order issued by a tribunal which relates to domestic or family violence laws to prevent a person from engaging in violent or threatening acts against, harassment of, direct or indirect contact or communication with or being in physical proximity to another person.*

Sec. 7. *"Issuing court" means the court that issues a Canadian domestic-violence protection order.*

Sec. 8. *"Law enforcement officer" means a person authorized by the laws of this State, other than sections 2 to 18, inclusive, of this act, to enforce a domestic protection order.*

Sec. 9. *"Person" means a natural person, estate, business or nonprofit entity, public corporation, government or governmental subdivision, agency, or instrumentality or other legal entity.*

Sec. 10. *"Protected person" means a natural person protected by a Canadian domestic-violence protection order.*

Sec. 12. *"Tribunal" means a court, agency or other entity authorized by the laws of this State other than sections 2 to 18, inclusive, of this act to establish, enforce or modify a domestic protection order.*

Sec. 13. *1. ~~[If a law enforcement officer determines under subsection 2 or 3 that there is probable cause to believe that a valid Canadian domestic violence protection order exists and the order has been violated, the officer shall enforce the terms of the Canadian domestic violence protection order as if the terms were in an order of a tribunal. Presentation to a law enforcement officer of a certified copy of a Canadian domestic violence protection order is not required for enforcement.~~*

~~2. Presentation to a law enforcement officer of a record of a Canadian domestic violence protection order that identifies both a protected individual and an adverse party and on its face is in effect constitutes probable cause to believe that a valid order exists.~~

~~*3. If a record of a Canadian domestic-violence protection order is not presented as provided in subsection 2, a law enforcement officer may consider other information in determining whether there is probable cause to believe that a valid Canadian domestic-violence protection order exists.]*~~ ***Except as otherwise provided in subsection 4 and section 14 of this act, a law enforcement officer shall enforce a Canadian domestic-violence protection order and shall make an arrest for a violation thereof in the same manner that a law enforcement officer would make an arrest for a violation of a temporary or extended order issued by a court of this State unless it is apparent to the officer that the order is not authentic on its face. An officer shall determine that an order is authentic on its face if the order contains:***

(a) The names of the parties;

(b) Information indicating that the order has not expired; and

(c) Information indicating that the court which issued the order had legal authority to issue the order as evidenced by a certified copy of the order, a file-stamped copy of the order, an authorized signature or stamp of the court which issued the order or another indication of the authority of the court which issued the order.

➥ An officer may determine that any other order is authentic on its face.

2. In enforcing a Canadian domestic-violence protection order or arresting a person for a violation of such an order, a law enforcement officer may rely upon:

(a) A copy of the order that has been provided to the officer;

(b) An order that is included in the Repository for Information Concerning Orders for Protection Against Domestic Violence pursuant to NRS 33.095 or in any national crime information database;

(c) Oral or written confirmation from a law enforcement agency or court in which the order was issued that the order is valid and effective; or

(d) An examination of the totality of the circumstances concerning the existence of a valid and effective order, including, without limitation, the statement of a person protected by the order that the order remains in effect.

3. The fact that a Canadian domestic-violence protection order has not been registered or included in the Repository for Information Concerning Orders for Protection Against Domestic Violence in the Central Repository for Nevada Records of Criminal History pursuant to NRS 33.095 or in any national crime information database is not grounds for a law enforcement officer to refuse to enforce the terms of the order unless it is apparent to the officer that the order is not authentic on its face.

4. If a law enforcement officer determines that an otherwise valid Canadian domestic-violence protection order cannot be enforced because the adverse party has not been notified of or served with the order, the officer shall notify the protected person that the officer will make reasonable efforts to contact the adverse party, consistent with the safety of

the protected person. After notice to the protected person and consistent with the safety of the protected person, the law enforcement officer shall make a reasonable effort to inform the adverse party of the order, notify the adverse party of the terms of the order, provide a record of the order, if available, to the adverse party and allow the adverse party a reasonable opportunity to comply with the order before the officer enforces the order.

5. If a law enforcement officer determines that a person is a protected person, the officer shall inform him or her of available local victims' services.

Sec. 14. *1. A tribunal may issue an order enforcing or refusing to enforce a Canadian domestic-violence protection order on application of:*

(a) A person authorized by the laws of this State, other than sections 2 to 18, inclusive, of this act, to seek enforcement of a domestic protection order; or

(b) An adverse party.

2. In a proceeding under subsection 1, the tribunal shall follow the procedures of this State for the enforcement of a domestic protection order. An order entered under this section is limited to the enforcement of the terms of the Canadian domestic-violence protection order.

3. A Canadian domestic-violence protection order is enforceable under this section if:

(a) The order identifies the parties;

(b) The order is valid and has not expired;

(c) The issuing court had jurisdiction over the parties and the subject matter under the laws of the jurisdiction of the issuing court; and

(d) The adverse party was given reasonable notice and an opportunity to be heard before the order was issued or, in the case of an ex parte order, the adverse party was given reasonable notice and had or will have an opportunity to be heard within a reasonable time after the order was issued and, in any event, in a manner consistent with the right of the adverse party to due process.

4. A Canadian domestic-violence protection order valid on its face is prima facie evidence of enforceability under this section.

5. A claim that a Canadian domestic-violence protection order does not comply with subsection 3 is an affirmative defense in a proceeding seeking enforcement of the order. If the tribunal determines that the order is not enforceable, the tribunal shall issue an order that the Canadian domestic-violence protection order is not enforceable under this section and section 13 of this act and may not be registered pursuant to NRS 33.090.

6. If the Canadian domestic-violence protection order is a mutual order for protection against domestic violence and:

(a) No counter or cross-petition or other pleading was filed by the adverse party; or

(b) A counter or cross-petition or other pleading was filed and the court did not make a specific finding of domestic violence by both parties,

➥ the court shall refuse to enforce the order against the protected person and may determine whether to issue its own temporary or extended order.

Sec. 15. ***This State, an agency or political subdivision of this State, a law enforcement officer, prosecuting attorney, clerk of court and any other state or local governmental official acting in an official capacity are immune from civil and criminal liability for an act or omission arising out of the registration or enforcement of a Canadian domestic-violence protection order or the detention or arrest of an alleged violator of a Canadian domestic-violence protection order if the act or omission was a good faith effort to comply with sections 2 to 18, inclusive, of this act or the provisions of NRS 33.090 or 33.095 relating to the registration of a Canadian domestic-violence protection order.***

Sec. 16. ***The rights and remedies provided by sections 2 to 18, inclusive, of this act are in addition to any other rights or remedies that may exist at law or in equity.***

Sec. 17. ***In applying and construing the Uniform Recognition and Enforcement of Canadian Domestic-Violence Protection Orders Act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.***

Sec. 18. ***Sections 2 to 18, inclusive, of this act modify, limit or supersede the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq., but do not modify, limit or supersede Section 101(c) of that act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that act, 15 U.S.C. § 7003(b).***

Sec. 19. NRS 33.090 is hereby amended to read as follows:

33.090 1. A person may register an order for protection against domestic violence issued by the court of another state, territory or Indian tribe within the United States ***or a Canadian domestic-violence protection order*** by presenting a certified copy of the order to the clerk of a court of competent jurisdiction in a judicial district in which the person believes that enforcement may be necessary.

2. The clerk of the court shall:

(a) Maintain a record of each order registered pursuant to this section;

(b) Provide the protected party with a copy of the order registered pursuant to this section bearing proof of registration with the court;

(c) Forward, by conventional or electronic means, by the end of the next business day, a copy of an order registered pursuant to this section to the appropriate law enforcement agency which has jurisdiction over the residence, school, child care facility or other provider of child care, or place of employment of the protected party or the child of the protected party; and

(d) Inform the protected party upon the successful transfer of information concerning the registration to the Central Repository for Nevada Records of Criminal History as required pursuant to NRS 33.095.

3. The clerk of the court shall not:

(a) Charge a fee for registering an order or for providing a certified copy of an order pursuant to this section.

(b) Notify the party against whom the order has been made that an order for protection against domestic violence issued by the court of another state, territory or Indian tribe has been registered in this State.

4. A person who registers an order pursuant to this section must not be charged to have the order served in this State.

5. As used in this section, "Canadian domestic-violence protection order" has the meaning ascribed to it in section 5 of this act.

Sec. 20. NRS 33.095 is hereby amended to read as follows:

33.095 ***1.*** Any time that a court issues a temporary or extended order and any time that a person serves such an order, registers such an order ***, registers a Canadian domestic-violence protection order*** or receives any information or takes any other action pursuant to NRS 33.017 to 33.100, inclusive, ***~~[and]~~ or sections 2 to 18, inclusive, of this act,*** the person shall cause to be transmitted, in the manner prescribed by the Central Repository for Nevada Records of Criminal History, any information required by the Central Repository in a manner which ensures that the information is received by the Central Repository by the end of the next business day.

Sec. 20.5. **NRS 125A.465 is hereby amended to read as follows:**

125A.465 1. A child custody determination issued by a court of another state may be registered in this state, with or without a simultaneous request for enforcement, by sending to a court of this state which is competent to hear custody matters:

(a) A letter or other document requesting registration;

(b) Two copies, including one certified copy, of the determination sought to be registered, and a statement under penalty of perjury that to the best of the knowledge and belief of the person seeking registration the order has not been modified; and

(c) Except as otherwise provided in NRS 125A.385, the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded custody or visitation in the child custody determination sought to be registered.

2. On receipt of the documents required by subsection 1, the registering court shall:

(a) Cause the determination to be filed as a foreign judgment, together with one copy of any accompanying documents and information, regardless of their form; and

4. A person seeking to contest the validity of a registered order must request a hearing within 20 days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

5. If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law and the person requesting registration and all persons served must be notified of the confirmation.

6. Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

The following Senate amendment was read:

Amendment No. 705.

AN ACT relating to juvenile justice; authorizing an attorney who represents a child in juvenile proceedings to consult with and seek appointment of certain persons; urging the Nevada Supreme Court to adopt certain court rules relating to juvenile justice; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides a procedure for adjudicating a child who is alleged to be delinquent or in need of supervision under certain circumstances. (NRS 62D.010) **Section 1** of this bill authorizes an attorney who represents a child in such juvenile proceedings to consult with and seek appointment of certain persons.

Section 4 of this bill urges the Nevada Supreme Court to adopt court rules for attorneys who represent juveniles in juvenile proceedings.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 62D of NRS is hereby amended by adding thereto a new section to read as follows:

~~[Each]~~ Subject to the provisions of subsection 7 of NRS 62D.030 and chapter 260 of NRS, a public defender or any other attorney who represents a child in proceedings pursuant to the provisions of this title may consult with and seek appointment of : ~~[, without limitation and when appropriate:]~~

1. Any social worker licensed pursuant to chapter 641B of NRS;

2. Any qualified mental health professional, as defined in NRS 458A.057;

3. Any educator; and

4. Any other expert the attorney deems appropriate.

Sec. 2. (Deleted by amendment.)

Sec. 3. (Deleted by amendment.)

Sec. 4. The Legislature hereby finds and declares that:

1. In the case of *In re Gault*, 387 U.S. 1 (1967), the United States Supreme Court guaranteed a juvenile's constitutional right to due process under the Fourteenth Amendment, including, without limitation, the right to counsel and the privilege against self-incrimination.

2. Under the existing Nevada Supreme Court Rules:

(a) Rules 205-215 govern the State of Nevada Board of Continuing Legal Education whose powers and duties include, without limitation, providing for programs of continuing legal education.

(b) Rule 250 provides minimum requirements required for defense counsel in cases in which the death penalty is or may be sought or has been imposed, including proceedings for postconviction relief from a judgment of conviction and sentence of death.

3. The Nevada Supreme Court Rules, however, do not specify minimum requirements for attorneys who represent juveniles in proceedings related to juvenile justice.

4. Therefore the Legislature urges the Nevada Supreme Court to adopt appropriate rules for attorneys who represent juveniles to ensure effective assistance of counsel in proceedings related to juvenile justice. These requirements may include, without limitation:

(a) Minimum requirements for courses, programs and continuing legal education in order to provide effective representation of juveniles;

(b) Standards for professional conduct specific to juvenile justice; and

(c) Minimum requirements for attorneys who represent juveniles and are employed by the State Public Defender.

Sec. 5. This act becomes effective upon passage and approval.

Assemblyman Yeager moved that the Assembly concur in the Senate Amendment No. 705 to Assembly Bill No. 341.

SUMMARY—Establishes certain protections for and ensures the rights of a person who uses renewable energy in this State **~~[.]~~ and revises provisions governing net metering.** (BDR 52-959)

AN ACT relating to renewable energy; creating the contractual requirements for an agreement for the lease or purchase of a distributed generation system and a power purchase agreement; describing utility rates; establishing the minimum warranty requirements for an agreement concerning a distributed generation system; providing certain immunity for solar installation companies; creating the Renewable Energy Bill of Rights; **requiring certain electric utilities to file a request with the Public Utilities Commission of Nevada to establish an optional time-variant rate schedule for customers; requiring a utility to charge a net metering adjustment charge to certain customer-generators; requiring the Legislative Committee on Energy to make certain recommendations to**

the Legislature; revising provisions governing the eligibility of certain customers of electric utilities in this State to participate in net metering; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Sections 9-11 of this bill ~~[prescribe]~~ **set forth** the requirements for the cover page, provisions and summary disclosure statement of agreements for the lease of a distributed generation system. **Sections 12-14** of this bill ~~[prescribe]~~ **set forth** the requirements for the cover page, provisions and summary disclosure statement of agreements for the purchase of a distributed generation system. **Sections 15-17** of this bill ~~[prescribe]~~ **set forth** the requirements for the cover page, provisions and summary disclosure statement of agreements for the sale of the output of a distributed generation system, known as a power purchase agreement.

Section 18 of this bill ~~[provides]~~ **sets forth** the ~~[description of]~~ **disclosure relating to** utility rates that must be included with an agreement created pursuant to **sections 9-17** if the agreement makes a written reference to the price of electricity that is provided by an electric utility. **Section 19** of this bill sets forth the minimum warranty requirements for an agreement created pursuant to **sections 9-17** concerning a distributed generation system.

Section 20 of this bill ~~[makes]~~ **establishes that** it **is** a deceptive trade practice if a person fails to comply with **sections 2-20** of this bill. **Section 20** additionally ~~[provides immunity from legal action for good faith action by solar installation companies in the installation, maintenance and operation of a distributed generation system.]~~ **establishes that it is consumer fraud if a person violates any provision of sections 2-20. Section 20 further requires that any document described in sections 9-19 be provided in: (1) English; or (2) Spanish, if any person so requests.**

Sections 22-25 of this bill create the Renewable Energy Bill of Rights that applies to each natural person who is a resident of this State.

Existing law defines "net metering" as the measure of the difference between the electricity supplied by an electric utility and the electricity generated by a customer-generator that is fed back to the utility. (NRS 704.769) Section 27 of this bill requires electric utilities to file a request with the Public Utilities Commission of Nevada to establish an optional time-variant rate schedule for customers, including customer-generators that acquire an energy storage system. Section 27 further requires that such a request be designed to expand and accelerate the development and use of energy storage systems in this State. Section 27 additionally authorizes the Commission to approve any such request that the Commission finds to be in the public interest.

Section 28 of this bill requires a utility to charge a net metering adjustment charge to each customer-generator who accepts the offer of a utility for net metering. Section 28 requires that this net metering adjustment charge: (1) applies to each kilowatt-hour of excess electricity that is generated by a customer-generator; and (2) equals a percentage

of the rate the customer-generator would have paid for a kilowatt-hour of electricity supplied by the utility at the time the customer-generator fed the kilowatt-hour of excess electricity back to the utility. Section 28 further provides that this percentage be tiered based on the amount of cumulative installed capacity and peak demand for electricity in this State.

Section 29 of this bill requires the Legislative Committee on Energy, in consultation with the Commission, to make certain recommendations to the Legislature within 6 months of the Commission determining that the cumulative installed capacity of all net metering systems in this State exceeds 800 megawatts and 10 percent of the peak demand for electricity in this State for the previous year.

Existing law requires each electric utility in this State to offer net metering to customer-generators operating in the service area of the utility until the date on which the cumulative capacity of all net metering systems in this State for which electric utilities have accepted completed applications is 235 megawatts. (NRS 704.773)

Section 31 of this bill amends existing law to require each electric utility to offer net metering to customer-generators operating within the service area of the utility. Section 31 further requires the utility to not: (1) charge the customer-generator any fee or charge that is different than that charged to other customers of the utility to which the customer-generator would belong if he or she did not have a net metering system; and (2) reduce the amount of the minimum monthly charge of the customer-generator based on the electricity the customer-generator feeds back to the utility. Section 31 additionally requires the Commission and a utility to allow the customer-generator to continue net metering at the location at which the system is originally installed for the life of the net metering system or for 20 years, whichever is longer.

Existing law sets forth that after the date on which the cumulative capacity is 235 megawatts, electric utilities are to offer net metering to customer-generators in accordance with a tariff filed by the utility and approved by the Commission. (NRS 704.7735) Section 33 of this bill repeals this provision.

(a) After January 15 of each calendar year and on or before the immediately succeeding January 31 of each calendar year, determine and post on its Internet website the peak demand for electricity in this State for the immediately preceding calendar year, based upon the information the Commission most recently received pursuant to paragraph (a) of subsection 5;

(b) For the purposes of subsection 4, during January of each calendar year, until the Commission determines and posts on its Internet website pursuant to paragraph (a) a new peak demand for electricity in this State, deem the peak demand for electricity in this State to continue to be the same peak demand for electricity in this State as was applicable during the immediately preceding December;

(c) On the first business day of each calendar month, determine and post on its Internet website the cumulative installed capacity of all net metering systems in this State, based upon the information the Commission most recently received pursuant to paragraph (b) of subsection 5; and

(d) Based upon the peak demand for electricity in this State determined pursuant to paragraph (a) or (b), as applicable, and the cumulative installed capacity of all net metering systems in this State determined pursuant to paragraph (c):

(1) On the first business day of each calendar month before the Commission determines that the conditions set forth in sub-subparagraphs (I) and (II) of subparagraph (2) of paragraph (a) of subsection 4 have been met, determine and post on its Internet website the remaining capacity of net metering systems which may be installed in this State before those conditions are met;

(2) On the first business day of the calendar month on which the Commission determines that the conditions set forth in sub-subparagraphs (I) and (II) of subparagraph (2) of paragraph (a) of subsection 4 have been met, post on its Internet website:

(I) A statement indicating that those conditions have been met; and

(4) On the first business day of the calendar month on which the Commission determines that the conditions set forth in sub-subparagraphs (I) and (II) of subparagraph (2) of paragraph (b) of subsection 4 have been met, post on its Internet website:

(I) A statement indicating that those conditions have been met; and

(II) A statement indicating that all offers for net metering accepted on or after this business day are governed by paragraph (c) or (d) of subsection 4, as applicable, and are not governed by paragraph (a) or (b) of subsection 4;

(5) On the first business day of each calendar month after the date described in subparagraph (4) and before the Commission determines that the conditions set forth in sub-subparagraphs (I) and (II) of subparagraph (2) of paragraph (c) of subsection 4 have been met, determine and post on its Internet website the remaining capacity of net metering systems which may be installed in this State before those conditions are met; and

7. Except as otherwise provided in this subsection, a customer-generator shall be deemed to accept the offer of the utility for net metering on the date the customer-generator submits to the utility a complete application to install a net metering system within the service area of the utility. A customer-generator who accepted the offer of the utility for net metering before the effective date of this section may, but is not required to, submit a request to be treated for all purposes, including, without limitation, for the purposes of subsection 4, as a customer-generator who accepted the offer of the utility for net metering on the date of the request.

Sec. 29. Within 6 months after the date the Commission determines that the conditions set forth in sub-subparagraphs (I) and (II) of

subparagraph (2) of paragraph (c) of subsection 4 of section 28 of this act have been met, the Legislative Committee on Energy created by NRS 218E.805 shall, in consultation with the Commission, make recommendations to the Legislature concerning:

1. Whether the net metering adjustment charge required by section 28 of this act is adequate to offset any known impacts of customer-generators on the electricity grid, the system for distribution of electricity and the rates for electricity. The Legislative Committee on Energy, in consultation with the Commission, shall take into account any benefits to the electricity grid and any benefits to society that it determines are caused by the net metering systems of customer-generators.

2. Any revision to the net metering adjustment charge that is determined by the Legislative Committee on Energy to be appropriate.

3. Whether a different rate design or different compensation for excess electricity that is fed back to the utility by customer-generators would increase any benefits caused by the net metering systems of customer-generators to the electricity grid and to all customers of utilities in this State.

4. Any revision to the rate design or the compensation for excess electricity that is fed back to the utility by customer-generators that the Legislative Committee on Energy determines to be appropriate.

TEXT OF REPEALED SECTION

704.7735 Utility required to offer net metering in accordance with tariff after certain cumulative capacity requirements are met.

1. Except as otherwise provided in subsection 3, each utility shall, in accordance with a tariff filed by the utility and approved by the Commission, offer net metering to customer-generators who submit applications to install net metering systems within its service territory after the date on which the cumulative capacity requirement described in paragraph (a) of subsection 1 of NRS 704.773 is met.

2. For the purposes of evaluating and approving any tariff filed with the Commission pursuant to subsection 1 and otherwise carrying out the provisions of this section, the Commission:

(a) May establish one or more rate classes for customer-generators.

(b) May establish terms and conditions for the participation by customer-generators in net metering, including, without limitation, limitations on enrollment in net metering which the Commission determines are appropriate to further the public interest.

(c) May close to new customer-generators a tariff filed pursuant to subsection 1 and approved by the Commission if the Commission determines that closing the tariff to new customer-generators is in the public interest.

(d) May authorize a utility to establish just and reasonable rates and charges to avoid, reduce or eliminate an unreasonable shifting of costs from customer-generators to other customers of the utility.

(e) Shall not approve a tariff filed pursuant to subsection 1 or authorize any rates or charges for net metering that unreasonably shift costs from customer-generators to other customers of the utility.

3. In approving any tariff submitted pursuant to subsection 1, the Commission shall determine whether and the extent to which any tariff approved or rates or charges authorized pursuant to this section are applicable to customer-generators who, on or before the date on which the cumulative capacity requirement described in paragraph (a) of subsection 1 of NRS 704.773 is met, submitted a complete application to install a net metering system within the service territory of a utility.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 724.

AN ACT relating to financial institutions; converting state-chartered savings and loan associations to savings banks; providing for the oversight and regulation of savings banks by the Commissioner of Financial Institutions and the Division of Financial Institutions of the Department of Business and Industry; establishing requirements for the operation of savings banks; establishing the powers of savings banks; providing for the liquidation, reopening and reorganization of savings banks; providing for the conversion of certain types of financial institutions to savings banks and of

savings banks to certain types of financial institutions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the creation, operation and oversight of state-chartered savings and loan associations. (Chapter 673 of NRS) While savings and loan associations were generally subject to federal oversight by the Office of Thrift Supervision of the United States Department of the Treasury, the Dodd-Frank Wall Street Reform and Consumer Protection Act abolished that office and generally transferred the responsibility for oversight of savings and loan associations to the Office of the Comptroller of the Currency of the United States Department of the Treasury. (Pub. L. No. 111-203) This bill revises existing law to eliminate state-chartered savings and loan associations and instead provide for the creation, operation and oversight of state-chartered savings banks.

Section 34 of this bill converts all savings and loan associations or other depository institutions chartered under chapter 673 of NRS to savings banks upon passage and approval of this bill. **Section 34** also requires the Commissioner of Financial Institutions to immediately issue a savings bank charter to each such entity. **Section 35** of this bill grants to each such converted entity the same powers, privileges, immunities and exceptions provided by this bill to savings banks.

Section 52 of this bill prohibits carrying on the business of a savings bank without being incorporated as a state-chartered savings bank. **Sections 11 and 53-59** of this bill provide for the formation and organization of a savings bank and the establishment of its main office and any branch offices or service offices in a manner generally consistent with the existing provisions for a savings and loan association. **Sections 60-72** of this bill establish certain requirements relating to the officers, directors, employees and capital stockholders of a savings bank in a manner generally consistent with the existing provisions for a savings and loan association. **Sections 12 and 73-75** of this bill establish the powers and privileges of a savings bank. **Sections 76-78** of this bill establish requirements for the stocks and certificates of a savings bank in a manner generally consistent with the existing provisions for a savings and loan association. **Section 79** of this bill requires a savings bank to maintain a reserve for losses in a manner generally consistent with the existing provisions for a savings and loan association. **Sections 80-91** of this bill establish provisions relating to the investments and borrowing of a savings bank in a manner generally consistent with the existing provisions for a savings and loan association. In addition, **section 13** of this bill authorizes a savings bank to become a member of the Federal Reserve System, engage in certain related investments and borrowing, and exercise certain related powers. **Sections 93-98** of this bill establish provisions relating to loans issued by a savings bank. **Sections 101-110** of this bill establish provisions relating to the reports, examinations and audits of a savings bank. **Section 111** of this bill provides for the suspension or

revocation of the charter of a savings bank by the Commissioner. **Section 112** of this bill provides for the reorganization, merger or consolidation of a savings bank with another financial institution.

Sections 14-31 of this bill provide for the liquidation of a savings bank. **Sections 32 and 33** of this bill provide for the reopening and reorganization of a savings bank. **Sections 114 and 115** of this bill establish provisions relating to the treatment of foreign savings banks which do business in this State. **Sections 116-128** of this bill establish provisions relating to the conversion of a savings bank into certain other financial institutions or the conversion of certain other financial institutions into a savings bank. **Section 129** of this bill grants federal savings banks and holders of shares or share accounts issued by a federal savings bank the same powers, privileges, exemptions and immunities granted to savings banks and holders of shares or share accounts issued by a savings bank. **Sections 130-132** of this bill establish prohibitions against the exploitation of older or vulnerable persons by a savings bank in a manner generally consistent with the existing provisions for a savings and loan association. **Sections 133-136** of this bill prohibit certain acts by a savings bank in a manner generally consistent with the existing provisions for a savings and loan association.

The right, however, is expressly reserved to revoke or to amend the powers conferred in this section.

3. Compliance on the part of any such savings bank with the reserve requirements of the Federal Reserve Act shall be deemed to be full compliance with those provisions of the laws of this State which require savings banks to maintain cash balances in their vaults or with other banks, and no such savings bank need carry or maintain a reserve other than such as is required under the terms of the Federal Reserve Act.

4. Any such savings bank continues to be subject to supervision and examinations required by the laws of this State, except that the Board of Governors of the Federal Reserve System may, if it deems necessary, make examinations of the savings bank. If the Commissioner approves the liquidation, the Commissioner shall issue to the savings bank, under the Commissioner's seal, a permit for that purpose. No permit may be issued by the Commissioner until the Commissioner is satisfied that provision has been made by the savings bank to satisfy and pay off all depositors and all creditors of the savings bank. If the Commissioner is not satisfied, the Commissioner shall not issue a permit, but the Commissioner may take possession of the savings bank, its assets and business, and liquidate the savings bank in the manner provided by this chapter.

3. Amendment No. 746.

SENATOR DENIS

JOINT SPONSOR: ASSEMBLYMAN OSCARSON

AN ACT relating to public health; defining the term "obesity" as a chronic disease; requiring the Division of Public and Behavioral Health of the Department of Health and Human Services to prepare an annual report on obesity; requiring certain school districts to collect data concerning the height and weight of pupils; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law uses the term "obesity" in listing the benefits of breast-feeding, mandating training for child care providers and mandating public information and prevention programs of the Division of Public and Behavioral Health of the Department of Health and Human Services. (NRS 201.232, 432A.1775, 439.517, 439.521) **Section 1** of this bill defines the term "obesity" in the preliminary chapter of NRS as a chronic disease having certain characteristics. **Sections 2 and 4-6** of this bill define the term "obesity" as used in those provisions of existing law. **Section 5** also requires the Division to prepare an annual report on obesity statistics in this State and the efforts to reduce obesity.

Existing law requires certain school nurses to conduct or supervise certain examinations of pupils in certain grades for scoliosis, visual and auditory problems or any gross physical defects. School authorities must provide notice of those examinations to the parent or guardian of a child before performing the examination, and each school nurse or designee of the nurse must report the results of those examinations to the Chief Medical Officer. (NRS 392.420) **Section 3** of this bill: (1) requires the board of trustees of each school district in a county whose population is 100,000 or more (currently Clark and Washoe counties) to use school nurses, health personnel and certain teachers and other personnel to conduct examinations of the height and weight of certain pupils; and (2) provides that, under certain circumstances, the school authorities are not required to provide notice to the parent or guardian of a child before conducting the examination. **Section 3** also requires the Division to: (1) compile a report of the results of those examinations specific to each region of this State for which the information is collected; (2) publish and disseminate the reports; and (3) submit a copy of the report to the superintendent of each school district located in a county whose population is 100,000 or more (currently Clark and Washoe Counties).

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The preliminary chapter of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided by specific statute or required by context, "obesity" means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:

(a) A body mass index of 30 or higher in adults;

(b) A body mass index that is greater than two standard deviations above the World Health Organization's growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;

(c) A body fat percentage greater than 25 percent for men or 32 percent for women; or

(d) A waist size of 40 inches or more for men or 35 inches or more for women.

2. As used in this section, "chronic disease" means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.

Sec. 2. NRS 201.232 is hereby amended to read as follows:

201.232 1. The Legislature finds and declares that:

(a) The medical profession in the United States recommends that children from birth to the age of 1 year should be breast fed, unless under particular circumstances it is medically inadvisable.

(b) Despite the recommendation of the medical profession, statistics reveal a declining percentage of mothers who are choosing to breast feed their babies.

(c) Many new mothers are now choosing to use formula rather than to breast feed even before they leave the hospital, and only a small percentage of all mothers are still breast feeding when their babies are 6 months old.

(d) In addition to the benefit of improving bonding between mothers and their babies, breast feeding offers better nutrition, digestion and immunity for babies than does formula feeding, and it may increase the intelligence quotient of a child. Babies who are breast fed have lower rates of death, meningitis, childhood leukemia and other cancers, diabetes, respiratory illnesses, bacterial and viral infections, diarrheal diseases, otitis media, allergies, obesity and developmental delays.

(e) Breast feeding also provides significant benefits to the health of the mother, including protection against breast cancer and other cancers, osteoporosis and infections of the urinary tract. The incidence of breast cancer in the United States might be reduced by 25 percent if every woman breast fed all her children until they reached the age of 2 years.

(f) The World Health Organization and the United Nations Children's Fund have established as one of their major goals for the decade the encouragement of breast feeding.

(g) The social constraints of modern society weigh against the choice of breast feeding and lead new mothers with demanding time schedules to opt for formula feeding to avoid embarrassment, social ostracism or criminal prosecution.

(h) Any genuine promotion of family values should encourage public acceptance of this most basic act of nurture between a mother and her baby, and no mother should be made to feel incriminated or socially ostracized for breast feeding her child.

2. Notwithstanding any other provision of law, a mother may breast feed her child in any public or private location where the mother is otherwise authorized to be, irrespective of whether the nipple of the mother's breast is uncovered during or incidental to the breast feeding.

3. As used in this section:

(a) "Chronic disease" means a health condition or disease which presents for a period of 3 months or more or is persistent, indefinite or incurable.

(b) "Obesity" means a chronic disease characterized by an abnormal and unhealthy accumulation of body fat which is statistically correlated with premature mortality, hypertension, heart disease, diabetes, cancer and other health conditions, and may be indicated by:

(1) A body mass index of 30 or higher in adults;

(2) A body mass index that is greater than two standard deviations above the World Health Organization's growth standard for children who are at least 5 but less than 19 years of age, or greater than three standard deviations above the standard for children who are less than 5 years of age;

(3) A body fat percentage greater than 25 percent for men or 32 percent for women; or

(4) A waist size of 40 inches or more for men or 35 inches or more for women.

AN ACT relating to physical therapy; changing the name of the State Board of Physical Therapy Examiners to the Nevada Physical Therapy Board; authorizing the Board to appoint nonvoting advisory members to the Board; authorizing the Board to issue citations for certain violations; changing the designation of physical therapists' assistants and physical therapists' technicians; revising the membership and duties of the Board; requiring the Board to elect certain officers annually; amending provisions governing the supervision and authorized activities of physical therapist

technicians; **revising provisions governing the supervision of physical therapist assistants;** exempting certain providers of health care from the provisions governing the practice of physical therapy; revising terminology concerning the education of physical therapists and physical therapist assistants; combining similar provisions governing physical therapists and physical therapist assistants; authorizing the licensure by endorsement of physical therapist assistants; removing the requirement that the Board administer an examination to applicants for a license as a physical therapist; revising provisions prohibiting the use of certain names, titles and initials related to the practice of physical therapy; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the State Board of Physical Therapy Examiners to regulate physical therapists and physical therapist assistants. (NRS 640.030) **Section 29** of this bill repeals the requirement of existing law that the Board itself examine applicants for licensure as physical therapists, but **sections 10 and 23** of this bill leave in place existing requirements that applicants for licensure as physical therapists or physical therapist assistants pass an examination designated by the Board. (NRS 640.080, 640.230) **Section 1.5** of this bill changes the name of the Board to the Nevada Physical Therapy Board to reflect that the Board no longer administers, but merely designates, the examinations.

Sections 1.2 and 4 of this bill authorize the Board to appoint nonvoting advisory members. Additionally, **section 4**: (1) revises the membership of the Board to include a physical therapist assistant; and (2) clarifies that the Board is subject to the provisions of law governing meetings of public bodies. **Section 5** of this bill requires the Board to elect new officers annually and specifies the officers whom the Board is required to elect. **Section 6** of this bill clarifies that only voting members of the Board are entitled to compensation. **Section 7** of this bill revises the duties of the Board. **Section 9** of this bill removes a requirement that the Board deposit administrative fines with the State Treasurer for credit in the State General Fund and instead requires the Board to deposit such fines directly in the State General Fund.

Existing law authorizes the Board to impose disciplinary action, after notice and a hearing, against a licensee who commits certain violations. (NRS 640.160) **Section 1.3** of this bill authorizes the Board to issue a citation for certain violations of statute or regulation. **Section 1.4** of this bill allows a person to whom a citation has been issued to contest the citation in a hearing conducted according to the provisions of law governing contested cases.

Existing law exempts from the law governing the licensure and regulation of physical therapists an occupational therapist, occupational therapy assistant and athletic trainer who is licensed to practice his or her profession in this State, practices within the scope of his or her profession and does not represent that he or she is a physical therapist or physical therapist assistant or is practicing physical therapy. (NRS 640.029) **Section 3** of this bill

extends this exemption to any provider of health care who is licensed to practice his or her profession in this State, who acts within the scope of his or her profession and who does not represent that he or she is a physical therapist or physical therapist assistant or is practicing physical therapy.

Existing law authorizes the Board to adopt regulations concerning treatments and other regulated procedures which may be performed by a physical therapist technician. (NRS 640.050) A physical therapist must provide immediate supervision of a physical therapist technician while the technician performs treatments related to physical therapy. (NRS 640.310) **Sections 7 and 26** of this bill instead require the Board to adopt regulations prescribing the activities that a physical therapist technician may perform only under the immediate supervision of a physical therapist. **Section 1.6** of this bill clarifies that a physical therapist who is supervising a physical therapist technician must be present on-site.

Section 1.7 of this bill clarifies the definition of the term "physical therapist." **Sections 1.8, 1.9, 2.5-4, 7, 18, 19, 21 and 23-26** of this bill standardize the terminology used to refer to physical therapist assistants and physical therapist technicians.

Existing law requires an applicant for a license as a physical therapist or physical therapist assistant to have completed an educational curriculum approved by the Board. (NRS 640.080, 640.230) **Sections 10 and 23** of this bill instead require the applicant to have completed a program of professional education for physical therapists or physical therapist assistants, as applicable, that has been approved by the Board.

Existing law provides similar procedures for licensing physical therapists and physical therapist assistants. (NRS 640.090-640.110, 640.150, 640.250-640.270, 640.280) Existing law also authorizes a person to: (1) obtain a temporary license to practice as a physical therapist or physical therapist assistant to assist in a medical emergency without examination; and (2) work without a license under the supervision of a physical therapist while satisfying clinical education requirements. (NRS 640.120, 640.275) **Sections 11-14, 17 and 29** of this bill combine and remove the duplication of those provisions.

Existing law prescribes the requirements for licensure by endorsement of a physical therapist who is licensed in another state. (NRS 640.145, 640.146) **Sections 15 and 16** of this bill extend those provisions to physical therapist assistants. **Section 29** repeals duplicative provisions authorizing the Board to license without examination a physical therapist or physical therapist assistant who is licensed in another state.

Existing law provides that a person who does not hold a license issued by the Board is guilty of a misdemeanor if he or she practices physical therapy or holds himself or herself out as a physical therapist or physical therapist assistant. (NRS 640.169, 640.170, 640.175) **Section 20** of this bill provides that a business entity that holds itself out as providing services constituting the practice of physical therapy is guilty of a misdemeanor unless those

services are provided by or under the supervision of a licensed physical therapist. **Sections 20 and 21** of this bill further authorize the Board to impose certain penalties on a person who violates this provision, including, without limitation, an administrative penalty of not more than $5,000. Finally, **sections 20 and 21** require physical therapists and physical therapist assistants to use a certain designation.

Existing law authorizes the Board to seek an injunction in district court against a person who has engaged or is about to engage in an act that violates or will violate a provision of existing law governing physical therapists. (NRS 640.210) **Section 22** of this bill provides that if the Board is seeking an injunction against a person improperly holding himself or herself out as a licensed physical therapist or physical therapist assistant or as practicing physical therapy, the Board must only show that the person violated existing law to establish that immediate and irreparable injury, loss or damage will result from the person's continued action.

Senate Bill No. 375.

Bill read third time.

Remarks by Assemblymen Bilbray-Axelrod and Ohrenschall.

Potential conflict of interest declared by Assemblyman Ohrenschall.

ASSEMBLYWOMAN BILBRAY-AXELROD:

Senate Bill 375 authorizes the Governor or his or her designee to enter into agreements with tribal governments within this state to facilitate cooperation in the implementation of state laws and tribal laws governing the use of marijuana. An agreement may address matters including, but not limited to criminal law and law enforcement; regulatory matters concerning possession, delivery, production, processing, or use of marijuana products; medical and pharmaceutical research; taxation; immunity, preemption, or conflicts of law; and dispute resolution. This bill is effective upon passage and approval.

ASSEMBLYMAN OHRENSCHALL:

Under Order of Business 15, I have a disclosure to make. Because we are considering Senate Bill 375 which proposes to make changes relating to medical marijuana and marijuana establishments, I would like to advise this Chamber that my wife is employed as the executive director of the Nevada Dispensary Association, a trade association consisting of medical marijuana dispensaries and medical marijuana cultivators, which actively lobbies the Legislature and other governmental entities on issues affecting its members. I have sought the advice of our Legislative Counsel, and although Senate Bill 375 does not affect the members of the trade association that my wife is employed with any differently than other medical marijuana dispensary owners and medical marijuana cultivators, I am making this disclosure and I am abstaining from voting on Senate Bill 375 out of an abundance of caution.

Senate Bill 59 requires a law enforcement officer who has probable cause to believe that any of certain violations concerning prescribed controlled substances has occurred or who receives a report of a stolen prescription for a controlled substance while acting in an official capacity in the regular course of an investigation to report certain information to his or her employer. A coroner, medical examiner, or chief deputy who determines a person died as the result of using a prescribed controlled substance must upload certain information to the state's prescription monitoring program database or report such information to someone who can upload it. The employer of a law enforcement officer, coroner, or medical examiner who receives such a report must upload the report to the database as soon as practicable and may postpone uploading it if such action will interfere with an active criminal investigation. A law enforcement officer, coroner, or medical examiner who makes a good faith effort to comply with these requirements is immune from civil and criminal liability for any act or omission relating to the transmission of this information. Finally, the bill expands the scope of the prescription monitoring program to also track each prescription for a controlled substance listed in schedule V. This measure is effective on July 1, 2017.

ASSEMBLYWOMAN JAUREGUI:

Senate Bill 145 establishes as part of the Solar Energy Systems Incentive Program an incentive program for the installation of energy storage systems, which include (1) energy storage systems by a customer of an electric utility and (2) energy storage systems that have a nameplate capacity of at least 100 kilowatts but not more than 1,000 kilowatts. The measure also creates the Electric Vehicle Infrastructure Demonstration Program and requires the Public Utilities Commission of Nevada [PUC] to adopt regulations concerning the Program. Each utility is authorized to recover the costs of carrying out the Program.

The available money for the existing Solar Energy Systems Incentive Program, the Wind Energy Systems Demonstration Program, and the Waterpower Energy Systems Demonstration Program are combined into a single pool of money from which the PUC may authorize the payment of an incentive to a Program.

For the period beginning on January 1, 2018, and ending on December 31, 2023, the PUC must authorize the payment of incentives in an amount of not more than $1 million per year for the installation of solar energy systems and distributed generation systems at locations throughout the service territories of electric utilities that benefit low-income customers. The measure also repeals the provisions requiring each electric utility to create a Lower Income Solar Energy Pilot Program.

ASSEMBLYMAN CARRILLO:

Senate Bill 374 prohibits a professional licensing board from taking disciplinary action against a licensee for holding a valid marijuana registry card or for engaging in lawful actions pursuant to the licensee's profession that relate to the use of medical marijuana. The bill sets forth similar provisions related to the use of recreational marijuana.

The bill also includes opioid addiction within the definition of "chronic or debilitating medical condition" for the purpose of obtaining a medical marijuana registry identification card. Additionally, the bill authorizes a provider of health care or a massage therapist to(a) administer a marijuana-infused product or a similar product containing industrial hemp for topical use on human skin to a patient or client if the patient or client provides the product; (b) maintain a supply of products containing industrial hemp for topical use on human skin and administer such

a product to a patient or client upon request; and (c) recommend to a patient or client the use of marijuana or industrial hemp to treat a condition.

The effective date is July 1, 2017.

ASSEMBLYMAN OHRENSCHALL:

Under Order of Business 15 I have a disclosure to make. Because we are considering Senate Bill 374 which proposes to make changes relating to medical marijuana and marijuana establishments, I would like to advise this Chamber that my wife is employed as the executive director of the Nevada Dispensary Association, a trade association consisting of medical marijuana dispensaries and medical marijuana cultivators, which actively lobbies the Legislature and other governmental entities on issues affecting its members. I have sought the advice of our Legislative Counsel and although Senate Bill 374 does not affect the members of the trade association that my wife is employed with any differently than other medical marijuana dispensary owners and medical marijuana cultivators, I am making this disclosure and I am abstaining from voting on Senate Bill 374 out of an abundance of caution.

ASSEMBLYMAN TITUS:

I rise in opposition to Senate Bill 374. While I am not against the use of certain hemp oils, I have unresolved concerns about the purchase and application under this legislation. Assembly Bill No. 365.

The following Senate amendment was read:

Amendment No. 706.

AN ACT relating to marriage; providing for the issuance of a certificate of vow renewal; authorizing certain persons to perform a marriage; authorizing a county clerk to establish a course for certain persons authorized to perform a marriage; revising various provisions governing the performance of marriages; increasing the penalty for certain crimes related to performing marriages; revising provisions related to certain fees for the issuance of a marriage license; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the following persons to obtain a certificate of permission to perform marriages: (1) any licensed, ordained or appointed minister or other church or religious official authorized to solemnize a marriage; (2) certain notaries public; (3) a temporary replacement for a licensed, ordained or appointed minister or other church or religious official, after receiving a written authorization from the minister or other church or religious official and the county clerk; and (4) any chaplain who is assigned to duty in this State by the Armed Forces of the United States. Existing law also authorizes certain ministers or other church or religious officials or certain notaries public to perform not more than five marriages per year in the county upon receiving a separate written authorization from the county clerk for each marriage performed. (NRS 122.062) **Sections 2, 5, 6 and 8-17** of this bill amend existing law to grant the same authorization and responsibilities for performing a marriage to marriage officiants as the

statutes do for other authorized persons. **Section 2** defines the term "marriage officiant" as a person, other than a minister, other church or religious official authorized to solemnize a marriage or notary public, who obtains a certificate of permission to perform marriages. **Section 8** prohibits a county clerk from authorizing a marriage officiant to solemnize a marriage unless the county clerk first establishes a course for marriage officiants. **Sections 8 and 9** authorize a county clerk to establish a course for marriage officiants and requires an applicant who desires to be a marriage officiant to successfully complete the course. **Section 9** authorizes a county clerk to charge a fee of not more than $100 for the course to persons who desire to be a marriage officiant and requires any fees collected to be used only for establishing and maintaining such a course. **Section 10**: (1) provides for the inclusion of marriage officiants who obtain or renew a certificate of permission to perform marriages in the statewide database of certain persons authorized to perform marriages which is maintained by the Secretary of State under existing law; (2) requires marriage officiants to comply with Nevada laws pertaining to persons who perform marriages; and (3) provides for the expiration and revocation of the certificate of permission to perform marriages issued to a marriage officiant.

Existing law provides that a certificate of permission to perform marriages expires when: (1) a minister, other person who is authorized to solemnize a marriage or notary public, to whom the certificate has been issued, moves from the county in which his or certificate was issued; (2) a minister or other religious official's authority to solemnize marriages is removed; or (3) the expiration, cancellation, revocation or suspension of an appointment of a notary public. (NRS 122.066) **Section 10** provides that if a county clerk establishes a policy providing for the expiration of a certificate of permission to perform marriages, unless certain exceptions apply, any certificate of permission to perform marriages expires 5 years after the date the certificate was issued or renewed. **Section 9** requires all applicants for renewal of a certificate to complete an application and pay to the county clerk a fee of $25. **Section 9 also authorizes a county clerk to revoke a certificate of permission to perform marriages if a minister, other church or religious official authorized to solemnize a marriage or marriage officiant fails to notify the county clerk within 30 days of changing his or her address.**

Section 3 of this bill authorizes a county clerk to establish a program to provide for a couple who renews their marriage vows to request a certificate of vow renewal from the county clerk. **Section 3** sets forth the requirements for such a request as well as the requirements concerning the contents of such a certificate. Finally, **section 3** prohibits the use of a certificate of vow renewal to establish a record of marriage and exempts such a certificate from any requirement for the retention of records by the office of the county clerk.

Existing law provides that a person is guilty of a misdemeanor if he or she performs a marriage and he or she knows that he or she is not lawfully authorized or knows of any legal impediment to the proposed marriage.

(NRS 122.260) **Section 17** revises the penalty by providing that such an act is punishable by a civil penalty of not more than $1,500. **Section 17** also authorizes a board of county commissioners to enact an ordinance delegating to a hearing officer the authority to determine such violations and levy civil penalties for those violations.

Under existing law, the county clerk may place an affidavit of application for a marriage license, a certificate of marriage license and a marriage license on a single form, on the reverse of which the county clerk must have printed or stamped instructions for obtaining a certified copy or certified abstract of the certificate of marriage. (NRS 122.055) **Section 7** of this bill requires the county clerk to include on the form certain language that the certificate is not a certified copy. Existing law also requires a person who solemnizes a marriage to give each couple being married a certificate of marriage. **Section 15** clarifies that the certificate the couple receives from the person who solemnizes the marriage is an uncertified copy of a certificate of marriage.

Existing law authorizes a board of county commissioners in a county whose population is 700,000 or more (currently Clark County) to adopt an ordinance imposing an additional fee of not more than $14 for the issuance of a marriage license. If a board of county commissioners adopts such an ordinance: (1) the fee must be deposited in a special revenue fund designated as the fund for the promotion of marriage tourism; (2) money in the fund must be used by the county clerk to promote marriage tourism in the county; and (3) the county clerk is required to submit to the board of county commissioners a report of the projected expenditures of the money in the fund for the following fiscal year. (NRS 246.075) **Section 18** of this bill requires the county clerk to report to the board rather than submitting a report to the board of the projected expenditures of the money in the fund for the following fiscal year.

Legislative Counsel's Digest:

Under existing law, certain documents submitted to a county recorder must meet certain formatting requirements and the county recorder is authorized to charge and collect a fee for documents which do not meet those formatting requirements. (NRS 247.110, 247.305) **Section 1** of this bill provides that a county recorder has the discretion to accept and record a document that does not meet formatting requirements. **Section 2** of this bill removes the fee charged for documents which do not comply with the formatting requirements.

Existing law requires the county recorder to charge and collect certain other fees for recording a document, including fees based on the number of pages in the document, certain indexing fees and an additional fee. (NRS 247.305) **Section 2** revises the fees collected for recording certain documents ~~[.]~~ **and eliminates the additional fee for recording documents that are more than one page.** **Section 2** also increases the additional fee collected for recording certain documents from $3 to $5.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 832.

AN ACT relating to water; requiring the State Engineer to prepare a water budget and inventory of groundwater for each basin in this State; declaring the policy of this State to manage conjunctively all sources of water in this State; revising provisions relating to certain applications to appropriate water; revising provisions relating to certain fees collected by the State Engineer; revising the provisions governing the procedures for the State Engineer to declare a forfeiture of certain water rights; revising provisions relating to the Program for the Management of Groundwater in the Las Vegas Valley Groundwater Basin; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, the State Engineer is charged with managing the appropriation of water in this State. (Title 48 of NRS) **Section 1** of this bill requires the State Engineer to prepare a water budget and calculate and maintain an inventory of groundwater for each basin located in whole or in part in this State. **Section 1.3** of this bill declares the policy of this State to manage conjunctively the appropriation, use and administration of all water in the State, regardless of the source.

Existing law requires any person who wishes to appropriate public waters to apply to the State Engineer for a permit to do so. (NRS 533.325) **Section 1.7** of this bill revises the requirements for an application for a permit to appropriate water. **Section 2** of this bill requires the State Engineer to publish notice of an application to appropriate water in a newspaper of general circulation where the point of diversion is located.

Existing law requires the State Engineer to conduct an inventory of a basin from which water is to be exported before approving an application for an interbasin transfer of more than 250 acre-feet of groundwater if the basin has not previously been studied or inventoried. (NRS 533.364) **Section 3** of this bill authorizes the applicant to waive the time limit for completion of the inventory by the State Engineer.

Upon approving an application for a permit to appropriate water, existing law authorizes the State Engineer to extend the deadline by which construction related to the appropriation of water or the application of water to a beneficial use must be completed or made. A single extension for a municipal or quasi-municipal use for a public water system may not exceed 5 years and an extension for any other use may not exceed 1 year. (NRS 533.380) **Section 4** of this bill increases to 5 years the period of a single extension for a use other than for a municipal or quasi-municipal use for a public water system and requires an application to extend the deadline to include evidence of good faith on the part of the applicant in pursuing the perfection of the application.

Section 5 of this bill eliminates the requirement that a certificate of appropriation set forth the post office address of each holder of the permit.

Section 6 of this bill revises provisions relating to certain fees collected by the State Engineer.

Existing law recognizes a subsisting right to water livestock which may be proved by the owner of livestock by submitting certain evidence to the State Engineer. (NRS 533.492) **Section 7** of this bill revises the scale required for a topographic map showing the location of a subsisting right to water livestock from not less than 1:100,000 to not less than 1:24,000. ~~[Section 7 also provides that a subsisting right to water livestock is a pre-statutory vested right.]~~

Existing law prohibits the denial of an application to change the point of diversion under an existing water right on the basis that the proposed point of diversion is situated in another state. **Section 8** of this bill adds the same restriction for applications to change the manner of use or place of use.

Existing law requires, under certain circumstances, the State Engineer to notify the owner of a water right that the owner has 1 year after the date of the notice to either: (1) use the water right beneficially and provide proof of such use to the State Engineer; or (2) apply to the State Engineer for an extension of time to work a forfeiture of the water right. If, after 1 year after the date of the notice, the owner of the water right has not taken either action, the State Engineer is required to declare the right forfeited within 30 days.

(NRS 534.090) **Section 9** of this bill requires the State Engineer to send a final notice to the owner of the water right before the 30-day period begins. **Section 9** also provides certain additional factors which the State Engineer is required to consider when deciding whether to grant an extension of time to work a forfeiture.

Existing law creates the Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin and provides for the membership, meetings and duties of the Advisory Committee. (Sections 8 and 9, Chapter 572, Statutes of Nevada 1997, p. 2800, as amended by chapter 180, Statutes of Nevada 2011, p. 820) **Section 16** of this bill makes creation of the Advisory Committee discretionary by the Southern Nevada Water Authority and reduces the term of the members of such an Advisory Committee to 2 years. **Section 19** of this bill removes the requirement that the Advisory Committee meet at least once every year.

Under existing law, the Southern Nevada Water Authority and the Advisory Committee are required to hold at least annually a joint workshop to discuss issues related to the basin and the management program. (Section 11 of chapter 572, Statutes of Nevada 1997, p. 2801) **Section 17** of this bill eliminates the required participation of the Advisory Committee in the workshop. **Section 18** of this bill makes a conforming change.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 532 of NRS is hereby amended by adding thereto a new section to read as follows:

For each basin located in whole or in part in the State, the State Engineer shall prepare a water budget and calculate and maintain an inventory of water which includes, without limitation:

1. The total amount of groundwater appropriated in the basin in accordance with decreed, certified and permitted rights regardless of whether the water appropriations are temporary in nature;

2. An estimate of the amount of groundwater used by domestic wells in the basin; and

3. An estimate of the amount of all groundwater that is available for appropriation in the basin.

Sec. 1.3. NRS 533.024 is hereby amended to read as follows:

533.024 The Legislature declares that:

1. It is the policy of this State:

(a) To encourage and promote the use of effluent, where that use is not contrary to the public health, safety or welfare, and where that use does not interfere with federal obligations to deliver water of the Colorado River.

(b) To recognize the importance of domestic wells as appurtenances to private homes, to create a protectable interest in such wells and to protect their supply of water from unreasonable adverse effects which are caused by

municipal, quasi-municipal or industrial uses and which cannot reasonably be mitigated.

(c) To encourage the State Engineer to consider the best available science in rendering decisions concerning the available surface and underground sources of water in Nevada.

(d) To encourage and promote the use of water to prevent or reduce the spread of wildfire or to rehabilitate areas burned by wildfire, including, without limitation, through the establishment of vegetative cover that is resistant to fire.

(e) To manage conjunctively the appropriation, use and administration of all waters of this State, regardless of the source of the water.

2. The procedures in this chapter for changing the place of diversion, manner of use or place of use of water, and for confirming a report of conveyance, are not intended to have the effect of quieting title to or changing ownership of a water right and that only a court of competent jurisdiction has the power to determine conflicting claims to ownership of a water right.

Sec. 1.7. NRS 533.335 is hereby amended to read as follows:

533.335 Each application for a permit to appropriate water shall contain the following information:

1. The name and post office address of the applicant and, if the applicant is a corporation, the date and place of incorporation.

2. The name of the source from which the appropriation is to be made.

3. The amount of water which it is desired to appropriate, expressed in terms of cubic feet per second ~~[,]~~ ***and acre-feet per year,*** except in ~~[an]~~ ***:***

(a) An application for a permit to store water, where the amount shall be expressed in acre-feet ~~[.]~~ ***; and***

(b) An application for generating hydroelectric power or a diversion rate only application, where the amount shall be expressed in cubic feet per second.

4. The purpose for which the application is to be made.

5. A substantially accurate description of the location of the place at which the water is to be diverted from its source and, if any of such water is to be returned to the source, a description of the location of the place of return.

6. A description of the proposed works.

7. The estimated cost of such works.

8. The estimated time required to construct the works, and the estimated time required to complete the application of the water to beneficial use.

9. The signature of the applicant or a properly authorized agent thereof.

Sec. 2. NRS 533.360 is hereby amended to read as follows:

533.360 1. Except as otherwise provided in subsection 4, NRS 533.345 and subsection 2 of NRS 533.370, when an application is filed in compliance with this chapter, the State Engineer shall, within 30 days, publish or cause to be published once a week for 4 consecutive weeks in a newspaper of general

circulation ~~[and printed and published]~~ in the county where the ~~[water is sought to be appropriated,]~~ ***point of diversion is located,*** a notice of the application which sets forth:

(a) That the application has been filed.

(b) The date of the filing.

(c) The name and address of the applicant.

(d) The name of the source from which the appropriation is to be made.

(e) The location of the place of diversion, described by legal subdivision or metes and bounds and by a physical description of that place of diversion.

(f) The purpose for which the water is to be appropriated.

➥ The publisher shall add thereto the date of the first publication and the date of the last publication.

2. Except as otherwise provided in subsection 4, proof of publication must be filed within 30 days after the final day of publication. The State Engineer shall pay for the publication from the application fee. If the application is cancelled for any reason before publication, the State Engineer shall return to the applicant that portion of the application fee collected for publication.

3. If the application is for a proposed well:

(a) For municipal, quasi-municipal or industrial use; and

(b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

➥ the applicant shall mail a copy of the notice of application to each owner of real property containing a domestic well that is within 2,500 feet of the proposed well, to the owner's address as shown in the latest records of the county assessor. If there are not more than six such wells, notices must be sent to each owner by certified mail, return receipt requested. If there are more than six such wells, at least six notices must be sent to owners by certified mail, return receipt requested. The return receipts from these notices must be filed with the State Engineer before the State Engineer may consider the application.

4. The provisions of this section do not apply to an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

Sec. 3. NRS 533.364 is hereby amended to read as follows:

533.364 1. In addition to the requirements of NRS 533.370, before approving an application for an interbasin transfer of more than 250 acre-feet of groundwater from a basin which the State Engineer has not previously inventoried or for which the State Engineer has not conducted, or caused to be conducted, a study pursuant to NRS 532.165 or 533.368, the State Engineer or a person designated by the State Engineer shall conduct an inventory of the basin from which the water is to be exported. The inventory must include:

(a) The total amount of surface water and groundwater appropriated in accordance with a decreed, certified or permitted right;

(b) An estimate of the amount and location of all surface water and groundwater that is available for appropriation in the basin; and

(c) The name of each owner of record set forth in the records of the Office of the State Engineer for each decreed, certified or permitted right in the basin.

2. The provisions of this section do not:

(a) Require the State Engineer to initiate or complete a determination of the surface water or groundwater rights pursuant to NRS 533.090 to 533.320, inclusive, or to otherwise quantify any vested claims of water rights in the basin before approving an application for an interbasin transfer of groundwater from the basin; or

(b) Prohibit the State Engineer from considering information received from or work completed by another person to include in the inventory, if the inventory is otherwise conducted in accordance with the provisions of subsection 1.

3. The State Engineer shall charge the applicant a fee to cover the cost of the inventory. The amount of the fee must not exceed the cost to the State Engineer of conducting the inventory.

4. The State Engineer shall complete any inventory conducted pursuant to subsection 1 within 1 year after commencing the inventory ~~[.]~~ ***, unless the time limit is waived by the applicant.***

Sec. 4. NRS 533.380 is hereby amended to read as follows:

533.380 1. Except as otherwise provided in subsection 5, in an endorsement of approval upon any application, the State Engineer shall:

(1) For which a final subdivision map has been recorded pursuant to chapter 278 of NRS;

(2) For which a plan for the development of a project has been approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(3) On any land for which a plan for the development of a planned unit development has been recorded pursuant to chapter 278A of NRS,

➥ must not be less than 5 years.

2. The State Engineer may limit the applicant to a smaller quantity of water, to a shorter time for the completion of work, and, except as otherwise provided in paragraph (b) of subsection 1, to a shorter time for the perfecting of the application than named in the application.

3. Except as otherwise provided in subsection 4 and NRS 533.395 and 533.4377, the State Engineer may, for good cause shown, grant any number of extensions of time within which construction work must be completed, or

water must be applied to a beneficial use under any permit therefor issued by the State Engineer, but a single extension of time ~~[for a municipal or quasi-municipal use for a public water system, as defined in NRS 445A.235,]~~ must not exceed 5 years **.** ~~[, and any other single extension of time must not exceed 1 year.]~~ An application for the extension must in all cases be:

(a) Made within 30 days following notice by registered or certified mail that proof of the work is due as provided for in NRS 533.390 and 533.410; and

(b) Accompanied by proof and evidence of the ***good faith and*** reasonable diligence with which the applicant is pursuing the perfection of the application.

➥ The State Engineer shall not grant an extension of time unless the State Engineer determines from the proof and evidence so submitted that the applicant is proceeding in good faith and with reasonable diligence to perfect the application. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application.

4. Except as otherwise provided in subsection 5 and NRS 533.395, whenever the holder of a permit issued for any municipal or quasi-municipal use of water on any land referred to in paragraph (b) of subsection 1, or for any use which may be served by a county, city, town, public water district or public water company, requests an extension of time to apply the water to a beneficial use, the State Engineer shall, in determining whether to grant or deny the extension, consider, among other factors:

(a) Whether the holder has shown good cause for not having made a complete application of the water to a beneficial use;

(b) The number of parcels and commercial or residential units which are contained in or planned for the land being developed or the area being served by the county, city, town, public water district or public water company;

(c) Any economic conditions which affect the ability of the holder to make a complete application of the water to a beneficial use;

(d) Any delays in the development of the land or the area being served by the county, city, town, public water district or public water company which were caused by unanticipated natural conditions; and

(e) The period contemplated in the:

(1) Plan for the development of a project approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

(2) Plan for the development of a planned unit development recorded pursuant to chapter 278A of NRS,

➥ if any, for completing the development of the land.

5. The provisions of subsections 1 and 4 do not apply to an environmental permit or a temporary permit issued pursuant to NRS 533.436 or 533.504.

6. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the application in a reasonably expedient and efficient manner under all the facts and circumstances. When a project or integrated system is composed of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.

Sec. 5. NRS 533.425 is hereby amended to read as follows:

533.425 1. Except as otherwise provided in NRS 533.503, as soon as practicable after satisfactory proof has been made to the State Engineer that any application to appropriate water or any application for permission to change the place of diversion, manner or place of use of water already appropriated has been perfected in accordance with the provisions of this chapter, the State Engineer shall issue to the holder or holders of the permit a certificate setting forth:

(a) The name ~~[and post office address]~~ of each holder of the permit.

(b) The date, source, purpose and amount of appropriation.

(c) If for irrigation, a description of the irrigated lands by legal subdivisions, when possible, to which the water is appurtenant.

(d) The number of the permit under which the certificate is issued.

Sec. 7. NRS 533.492 is hereby amended to read as follows:

533.492 1. A subsisting right to water livestock ~~*[, which is a pre-statutory vested right for watering livestock,]*~~ may be proven by an owner of livestock by one or more of the following items of evidence for the number of livestock and date of priority:

(a) As to water rights on open range, whether public lands or unfenced private lands or a combination of these:

(1) A statement of priority of use submitted to the Taylor Grazing Service, predecessor to the Bureau of Land Management, to show the numbers of livestock grazed upon the open range, for years from 1928 to 1934, inclusive, if accompanied by evidence of changes or absence of change since the date of the statement;

(2) A license issued by the Taylor Grazing Service for use upon the open range; or

(b) As to water rights on other privately owned land:

(1) An affidavit concerning the number and kind of livestock by a person familiar with the use made of the lands;

(2) A record of livestock assessed to the claimant of the right, or the claimant's predecessor, by a county assessor;

(3) A count of livestock belonging to the claimant or the claimant's predecessor made by a lender; or

(4) An affidavit of a disinterested person.

2. The location of a subsisting right to water livestock and its extent along a stream may be shown by marking upon a topographic map whose scale is not less than ~~[1:100,000]~~ ***1:24,000*** or a map prepared by the United States Geological Survey covering a quadrangle of 7 1/2 minutes of latitude and longitude and by further identifying the location or extent by one-sixteenth sections within a numbered section, township and range as certified by a registered state water right surveyor.

Sec. 8. NRS 533.515 is hereby amended to read as follows:

533.515 1. No permit for the appropriation of water or application to change the point of diversion ***, manner of use or place of use*** under an existing water right may be denied because of the fact that the point of diversion described in the application for the permit, or any portion of the works in the application described and to be constructed for the purpose of storing, conserving, diverting or distributing the water are situated in any other state; but in all such cases where the place of intended use, or the lands,

or part of the lands ~~[to be irrigated by means of the water,]~~ ***identified as the place of use,*** are situated within this state, the permit must be issued as in other cases, pursuant to the provisions of NRS 533.324 to 533.450, inclusive, and chapter 534 of NRS.

2. The permit must not purport to authorize the doing or refraining from any act or thing, in connection with the system of appropriation, not properly within the scope of the jurisdiction of this state and the State Engineer to grant.

Sec. 9. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a right for which a certificate has been issued pursuant to NRS 533.425, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse.

2. If the records of the State Engineer or any other documents ~~[specified]~~ ***obtained*** by ***or provided to*** the State Engineer indicate ~~[at least]~~ 4 ***or more*** consecutive years ~~[, but less than 5 consecutive years,]~~ of nonuse of all or any part of a water right which is governed by this chapter ~~[, the]~~ ***:***

(a) The State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail ***of the nonuse and*** that the owner has 1 year after the date of the notice ***of nonuse*** in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection ~~[2]~~ ***3*** to avoid forfeiting the water right.

(b) If, after 1 year after the date of the notice ~~[,]~~ ***of nonuse pursuant to paragraph (a),*** proof of resumption of beneficial use is not filed in the Office of the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, ***send a final notice to the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail, that the water right is held for forfeiture. If the owner of the water right, within 30 days after the date of such final notice, fails to file the required proof of resumption of beneficial use or an application for an extension of time to prevent forfeiture, the State Engineer shall*** declare the right ***, or the portion of the right not returned to beneficial use,*** forfeited ***.*** ~~[within 30 days. (c) If, after receipt of a notice of the declaration of forfeiture pursuant to paragraph (b), the owner of record ***of the water right*** fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. ~~[The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.~~

~~2.~~] ***Upon the forfeiture of the water right, the water reverts to the public and is available for further appropriation, subject to existing rights.***

3. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under ~~[that]~~ subsection ***2*** if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has ~~[shown good cause for]~~ ***submitted proof and evidence that*** the ~~[holder's failure to use all or any part of the]~~ ***holder is proceeding in good faith and with reasonable diligence to resume use of the*** water beneficially for the purpose for which the holder's right is acquired or claimed;

(b) The ~~[unavailability of]~~ ***number of years during which the*** water ~~[to]~~ ***has not been*** put to ~~[a]~~ ***the*** beneficial use ***for*** which ***the right*** is ~~[beyond the control of the holder;]~~ ***acquired or claimed;***

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) ~~[Any prolonged period in which precipitation in the basin where]~~ ***Whether*** the water right is located ~~[is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin;]~~ ***within a county under a declaration of drought by the Governor, United States Secretary of Agriculture or the President of the United States;***

(e) Whether a groundwater management plan has been approved for the basin ***where the water right is located*** pursuant to NRS 534.037; ~~[and]~~

(f) Whether the holder has demonstrated ~~[efficient ways of using the]~~ ***efforts to conserve*** water ~~[for agricultural purposes, such as center pivot irrigation.]~~ ***which have resulted in a reduction in water consumption;***

(g) The date of priority of the water right as it relates to the potential curtailment of water use in the basin;

(h) The availability of water in the basin, including, without limitation, whether withdrawals of water consistently exceed the perennial yield of the basin; and

(i) Any orders restricting use or appropriation of water in the basin.

➥ The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder's

request for an extension pursuant to this subsection. If the State Engineer grants an extension pursuant to this subsection and, before the expiration of that extension, proof of resumption of beneficial use or another request for an extension is not filed in the Office of the State Engineer, the State Engineer shall ***send a final notice to the owner of the water right, by registered or certified mail, that the water right will be declared forfeited if the owner of the water right fails to file the required proof of resumption of beneficial use or an application for an extension of time to prevent forfeiture within 30 days after the date of the final notice. If the owner of the water right fails to file the required proof of resumption of beneficial use or an application for an extension of time to prevent forfeiture within 30 days after the date of such final notice, the State Engineer shall*** declare the water right ***, or the portion of the right not returned to beneficial use,*** forfeited ***.*** ~~[within 30 days after the expiration of the extension granted pursuant to this subsection.~~

~~3. If the failure to use the water pursuant to subsection 1 is because of the use of center pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner's right is declared by the State Engineer.]~~

4. ***The failure to receive a notice pursuant to subsection 2 or 3 does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.***

5. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

AN ACT relating to ~~[civil rights; revising provisions governing the restoration of certain civil rights to certain persons who have been convicted of felonies;]~~ **criminal records;** revising provisions governing the sealing of the criminal records of a person; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Under existing law, unless a person has been convicted of certain specified felonies, a person who has been convicted of a felony is restored to his or her civil rights upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon with the restoration of the right to vote; (4) an honorable discharge from parole; or (5) the completion of his or her sentence and release from prison. (NRS 176A.850, 179.285, 213.090, 213.155, 213.157) Section 1 of this bill provides that unless a probationer was convicted of certain specified felonies, the probationer's right to vote, right to serve as a juror in a civil action and right to serve as a juror in a criminal action must be restored to the probationer upon completion of 1 year of his or her term of probation. The following amendment was proposed by the Committee on Transportation:

Amendment No. 767.

AN ACT relating to regional transportation commissions; authorizing a regional transportation commission to provide grants of money for the research, development or implementation of transportation projects that use new technologies; authorizing a regional transportation commission to enter into agreements with private entities for certain projects; authorizing a regional transportation commission to recommend the imposition of certain taxes to fund the transportation projects of the commission; authorizing the board of county commissioners to submit the recommendation for the imposition of such taxes to the voters of the county; requiring the board of county commissioners to adopt an ordinance imposing any such taxes that are approved by the voters; revising provisions governing the composition of

regional transportation commissions; authorizing a regional transportation commission to develop and maintain high-capacity transit systems; authorizing a regional transportation commission to adopt rules for the parking of unauthorized vehicles at facilities of the commission and the imposition of fees for the use of services or facilities of the commission; repealing provisions requiring certain regional transportation commissions to establish a regional rapid transit authority; revising various provisions relating to the powers and duties of regional transportation commissions; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a county may, by ordinance, create a regional transportation commission if a streets and highways plan has been adopted by the county or regional planning commission. (NRS 277A.170) Existing law also provides a regional transportation commission the exclusive right to operate a system of public transportation within its jurisdiction, as well as enter into contracts, leases and agreements with state agencies and local governments to perform its functions. (NRS 277A.270)

Section 3 of this bill authorizes a regional transportation commission to: (1) provide grants of money to conduct research for and otherwise develop and implement certain transportation projects; and (2) enter into agreements with private entities for certain transportation projects in accordance with federal law.

Section 13 of this bill authorizes a regional transportation commission to construct, develop and operate a high-capacity transit system with the approval of the county or city which owns any public right-of-way. **Section 3.5** of this bill requires a regional transportation commission to enter into agreements with other local governments to coordinate and collaborate on the development of a project or high-capacity transit system and to share the costs related to such projects. If a regional transportation commission enters into such an agreement, **section 4** of this bill requires the commission to create and administer an account that will hold any money appropriated by the commission or a local government in accordance with the agreement. **Section 14** of this bill authorizes a regional transportation commission to use a turnkey procurement process or competitive negotiation process in connection with a high-capacity transit project.

Sections 5 and 6 of this bill provide that a regional transportation commission in certain larger counties (currently Clark and Washoe Counties) may recommend the imposition of an additional tax on the gross receipts of any retailer from the sale of all tangible personal property sold at retail. The recommendations of the commission must specify the rate of the recommended tax, the period during which the recommended tax will be imposed and the **type and location of the** transportation projects the recommended tax would support, if the commission submits its recommendations to the board of county commissioners, the board of county commissioners may submit a question to the voters at the next general

election asking whether the tax recommended by the commission should be imposed in the county. If a majority of the voters approve the question, the board of county commissioners is required to impose the approved tax at the rate specified in the question submitted to the voters. **Section 7** of this bill provides that the proceeds resulting from the imposition of such taxes must be remitted to the commission for its use in accordance with the provisions of existing law governing regional transportation commissions.

Existing law generally sets forth the authority and powers of a regional transportation commission. (NRS 277A.160, 277A.210, 277A.250) **Section 10** of this bill requires that the provisions of existing law governing regional transportation commissions be liberally construed as to allow a regional transportation commission to meet any of its objectives.

Existing law requires a regional transportation commission in certain larger counties (currently Clark and Washoe Counties) to be composed of members of the board of county commissioners and the governing body of each city in the county. **Section 10.5** of this bill provides that if a mayor of a city in such a county is not a member of the governing body of the city, the governing body may appoint the mayor to be a member of the regional transportation commission.

Section 12 of this bill authorizes a regional transportation commission to impose: (1) civil penalties for the unauthorized parking of a vehicle at a transportation facility; and (2) fees for the use of commission services or facilities.

Existing law requires the regional transportation commission in any county whose population is 700,000 or more (currently Clark County) to establish a regional rapid transit authority. **Section 18** of this bill repeals that provision.

AN ACT relating to insurance; ~~[authorizing an insurer to process claims of industrial insurance at an office located outside of this State; requiring that persons processing claims of industrial insurance be accessible to an employer and his or her employees who are located in this State; removing the requirement that an insurer who provides industrial insurance provide an office in this State;]~~ authorizing the Commissioner of Insurance to accept an independent audit in lieu of an examination of a nonprofit organization of surplus lines brokers; limiting when a surplus lines broker may charge a fee; authorizing the Commissioner to adopt regulations for the charging and collection of certain fees for the purchase of individual or group life or health insurance or an individual or group annuity; authorizing an employee or authorized representative of a vendor to receive compensation for selling or offering portable electronics insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

~~[Existing law requires an insurer who provides industrial insurance to provide an office in this State that is operated by the insurer or its third-party administrator. Such an office must have persons authorized to act for the insurer who may receive information related to a claim and provide services to an employer and his or her employees. Additionally, an insurer shall provide a statewide toll-free telephone service to its in-state office or accept collect calls from injured employees. (NRS 616B.027) Section 1 of this bill authorizes persons who are authorized to act for the insurer to handle, at an office located outside of this State, a claim of industrial insurance that is filed in this State. Section 1 further requires that such persons located outside of this State be accessible: (1) through electronic communications, videoconferencing, teleconferencing or other available technology that is provided by the insurer; and (2) by a statewide toll-free telephone service provided by the insurer or by the insurer accepting collect calls from injured employees on all days other than Saturdays, Sundays and legal holidays in the jurisdiction in which the office is located from 9 a.m. to 5 p.m. Pacific time. ~~Section 3 of this bill amends existing law by removing the requirement that an insurer who provides industrial insurance provide an office in this State that is operated by the insurer or its third-party administrator. Sections 2, 4 and 5 of this bill make conforming changes.]~~

Existing law requires the Commissioner of Insurance to make an examination of the affairs, transactions, accounts, records and assets of a nonprofit organization of surplus lines brokers. (NRS 685A.075) **Section 7** of this bill authorizes the Commissioner to accept the report of an independent audit in lieu of an examination if the Commissioner deems an independent audit to be in the best interest of the residents of this State.

Existing law authorizes a surplus lines broker to charge a fee for procuring surplus lines coverage. (NRS 685A.155) **Section 8** of this bill limits existing law by only authorizing a broker who places any insurance coverage with an authorized insurer to charge a fee for procuring surplus lines coverage.

Existing law authorizes the Commissioner to adopt regulations to allow for the charging and collection of a fee by an insurance broker, consultant or financial planner for consultation or related advice on the purchase of life or health insurance or an annuity. (NRS 686A.230) **Section 11** of this bill clarifies existing law by authorizing the Commissioner to adopt regulations to allow for the charging and collection of a fee by an insurance broker, consultant or financial planner for consultation or related advice on the purchase of individual or group life or health insurance or an individual or group annuity.

Section 12 of this bill authorizes an employee or authorized representative of a vendor to receive from the vendor compensation for the selling or offering of coverage under a policy of portable electronics insurance. **Section 6** of this bill makes conforming changes.

Existing law authorizes the Commissioner, with the approval of the State Board of Examiners, to enter into a multi-state agreement to preserve the ability of this State to collect premium tax on multi-state risks. (NRS 685A.185) **Section 13** of this bill repeals this provision. **Sections 9 and 10** of this bill make conforming changes.

Existing law authorizes a surplus lines broker to charge a fee for procuring surplus lines coverage. (NRS 685A.155) **Section 8** of this bill limits existing law by only authorizing a broker who places any insurance coverage with an authorized insurer to charge a fee for procuring surplus lines coverage.

Existing law authorizes the Commissioner to adopt regulations to allow for the charging and collection of a fee by an insurance broker, consultant or financial planner for consultation or related advice on the purchase of life or health insurance or an annuity. (NRS 686A.230) **Section 11** of this bill clarifies existing law by authorizing the Commissioner to adopt regulations

to allow for the charging and collection of a fee by an insurance broker, consultant or financial planner for consultation or related advice on the purchase of individual or group life or health insurance or an individual or group annuity.

(NRS 685A.185) **Section 13** of this bill repeals this provision. **Sections 9 and 10** of this bill make conforming changes.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 791.

AN ACT relating to common-interest communities; revising provisions authorizing an employee, agent or community manager of a unit-owner's association to enter the grounds of certain units under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law assigns the responsibility for the maintenance, repair and replacement of a unit in a common-interest community to the owner of the unit and the maintenance, repair and replacement of a common element in the community to the unit-owners' association. (NRS 116.3107) Existing law further provides that the association may, without liability for trespass, enter on the grounds of a unit that is vacant or in the foreclosure process, whether vacant or not, to maintain the exterior of the unit or abate a public nuisance on the exterior of the unit if, after notice and a hearing, the unit's owner refuses or fails to do so. (NRS 116.310312) Under existing law, the association is authorized to charge the unit's owner for the costs of such maintenance or abatement services and any such costs which are not paid by the unit's owner are a lien against the unit. (NRS 116.3102, 116.310312, 116.3116)

This bill revises the definition of "exterior of the unit" for the purpose of determining the areas of a unit that may be maintained by a unit-owners' association that enters the grounds of a unit in accordance with existing law. Under the revised definition, the "exterior of the unit" would include the exterior of any property that a unit owner is obligated to maintain pursuant to the declaration under which the common-interest community was created. Thus, under this bill, an association would be authorized to enter the grounds

of a unit to maintain such areas of the unit if the conditions specified in existing law were satisfied.

In addition, this bill sets forth additional circumstances under which a unit-owners' association may, without liability for trespass, enter on the grounds **or interior** of a unit that is located in a building that contains units divided by horizontal boundaries or vertical boundaries comprised of common walls between units. Under this bill, the association may enter ~~[on]~~ the grounds **and interior** of such a unit that is vacant ~~[or in the foreclosure process, whether vacant or not,]~~ to abate a water or sewage leak in the unit that is causing damage or, if not immediately abated, may cause damage to the common elements or another unit and to ~~[remediate or]~~ remove any water or ~~[mold damage resulting from the leak]~~ **sewage from the unit that is causing damage** if ~~[, after notice but before a hearing,]~~ the unit's owner refuses or fails to do so. **After notice but before a hearing, the association may enter the grounds and interior of such a unit that is vacant to remove damaged components of the unit and to remediate or remove any water or mold damage resulting from a water or sewage leak if the unit's owner refuses or fails to do so.**

Under this bill, if the association or its employee, agent or community manager enter ~~[on]~~ the grounds **or interior** of a unit to **remove damaged components or to** remediate or remove any water or mold damage resulting from a water or sewage leak, **the damaged components may be removed and** the water or mold damage may be remediated or removed only to the extent reasonably necessary because the water or mold damage: (1) threatens the health or safety of the residents of the common-interest community; (2) results in blighting or deterioration of the unit or the surrounding area; ~~[or]~~ **and** (3) adversely affects the use and enjoyment of nearby units. ~~[In addition,]~~

This bill also provides that if ~~[the]~~ **a** unit is **vacant and not** in the foreclosure process, the association or its employees, agents or community manager are not authorized to ~~[remediate or remove such damage]~~ **maintain the exterior of the unit or abate a public nuisance** unless ~~[: (1)]~~ the association notifies each holder of a recorded security interest of its intent to ~~[remediate the damage; and (2) within 14 days after the mailing of that notice, each holder of a recorded security interest to whom the notice is mailed notifies the association that the holder does not intend to remediate the damage or fails to remediate the damage.]~~ **maintain the exterior of the unit or abate a public nuisance.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person's contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit's owner refuses or fails to take any action or comply with any requirement imposed on the unit's owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;

(2) Threatens the health or safety of the residents of the common-interest community;

(3) Results in blighting or deterioration of the unit or surrounding area; and

(4) Adversely affects the use and enjoyment of nearby units.

[(c) If the unit is in a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units:

(1) Abate any water or sewage leak in the unit that is causing damage or, if not immediately abated, may cause damage to the common elements or another unit.

(2) Remediate or remove any water or mold damage resulting from the water or sewage leak to the extent such remediation or removal is reasonably necessary because the water or mold damage threatens the health or safety of the residents of the common-interest community, results in blighting or deterioration of the unit or the surrounding area or adversely affects the use and enjoyment of nearby units. An association, including its employees, agents and community manager, may not enter the grounds of the unit or incur any expense to remediate water or mold damage pursuant to this subparagraph unless:

(I) The association or its employee, agent or community manager mails a notice of the intent of the association, including its employees, agents and community manager, to remediate water or mold damage pursuant to this subparagraph by certified mail to each holder of a recorded security interest encumbering the interest of the unit's owner, at the address of the holder that is provided pursuant to NRS 657.110 on the

~~*Internet website maintained by the Division of Financial Institutions of the Department of Business and Industry; and*~~

~~*(II) Within 14 days after the mailing of such notice, each holder of a recorded security interest to whom a notice is sent pursuant to sub-subparagraph (I) has notified the association or its employee, agent or community manager that the holder does not intend to remediate the water or mold damage or has failed to remediate such water or mold damage.]*~~

3. If ~~[a]~~ ***;***

(b) The association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031 ~~[,]~~ ***; and***

(c) The association or its employee, agent or community manager mails a notice of the intent of the association, including its employees, agents and community manager, to maintain the exterior of the unit or abate a public nuisance, as described in subsection 2, by certified mail to each holder of a recorded security interest encumbering the interest of the unit's owner, at the address of the holder that is provided pursuant to NRS 657.110 on the Internet website maintained by the Division of Financial Institutions of the Department of Business and Industry,

➥ the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance **,** as described in ~~***[paragraphs (a) and (b) of]***~~ subsection 2 **,** if the unit's owner refuses or fails to do so.

4. ***If a unit is in a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, and the unit is vacant, the association, including its employees, agents and community manager, may*** ~~***[, after providing the unit's owner notice but before a hearing,]***~~ ***enter the grounds and interior of the unit to:***

(a) Abate a water or sewage leak in the unit and remove any water or sewage from the unit that is causing damage or, if not immediately abated, may cause damage to the common elements or another unit if the unit's owner refuses or fails to abate the water or sewage leak.

(b) After providing the unit's owner with notice but before a hearing in accordance with the provisions of NRS 116.31031:

(1) Remove any furniture, fixtures, appliances and components of the unit, including, without limitation, flooring, baseboards and drywall, that were damaged as a result of water or mold damage resulting from a water or sewage leak to the extent such removal is reasonably necessary because water or mold damage threatens the health or safety of the residents of the common-interest community, results in blighting or deterioration of the unit or the surrounding area and adversely affects the use and enjoyment of nearby units, if the unit's owner refuses or fails to remediate or remove the water or mold damage.

(2) Remediate or remove any water or mold damage in the unit resulting from the water or sewage leak to the extent such remediation or removal is reasonably necessary because the water or mold damage threatens the health or safety of the residents of the common-interest community, results in blighting or deterioration of the unit or the surrounding area [, or] and adversely affects the use and enjoyment of nearby units, if the unit's owner refuses or fails to remediate or remove the water or mold damage. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal

(NRS 445C.310)

This bill requires the Board to adopt regulations for the administration by the Division of a grant program to award grants of money from the Fund to assist operators of petroleum storage tanks who have a demonstrated financial need for assistance in defraying the costs of any infrastructure required by the operator to comply with any law or regulation relating to preventing discharge of petroleum from a storage tank. The Division is required to report annually to the Board concerning the grants, if any, awarded by the Division.

This bill also requires the Board to adopt regulations for the administration by the Division of a program to provide assistance to operators in complying with any law or regulation relating to the prevention of discharges which are applicable to storage tanks.

The following amendment was proposed by the Committee on Natural Resources, Agriculture, and Mining:

Amendment No. 835.

AN ACT relating to water; requiring a claimant of pre-statutory water rights to submit proof of the claim to the State Engineer on or before a certain date; requiring the State Engineer to provide certain notice of this requirement; eliminating the procedure for taking proofs of claims on and after a certain date; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, water rights for surface water, artesian groundwater and percolating groundwater that were initiated by applying water to beneficial use before the statutes regulating those water sources were enacted by the Nevada Legislature in 1905, 1913 and 1939, respectively, are known as vested water rights. Existing law provides a procedure for determining the extent of all vested water rights on a water source, which is called an adjudication. As part of that procedure, claimants of vested rights are required to file proofs of appropriation with the State Engineer, which is known in existing law as the procedure of taking proofs. (NRS 533.090-533.320)

Section 1 of this bill requires any claimant of a pre-statutory water right to submit proof of the claim to the State Engineer on or before December 31, 2027, regardless of whether an adjudication has been ordered for a water source. If a claimant fails to submit such proof, the claim is deemed to be abandoned. **Section 1** requires the State Engineer to provide notice of this requirement in various manners during the 10-year period before the deadline. **Sections 2 and 5-8** of this bill conform provisions in existing law

governing the procedures of the State Engineer taking proofs to reflect the submission of any proofs pursuant to **section 1** to the State Engineer before an adjudication has been ordered. **Sections 3, 4, 9 and 11** of this bill eliminate the procedure of the State Engineer taking proofs in an adjudication on and after January 1, 2028, **except for proofs of federal agencies claiming reserved rights,** because **section 1** requires proofs of all pre-statutory water rights to be on file with the State Engineer by December 31, 2027, or such claims are deemed to be abandoned.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A claimant of any vested water right must submit, on a form prescribed by the State Engineer, proof of the claim to the State Engineer on or before December 31, 2027. If a claimant fails to file such proof on or before December 31, 2027, the claim shall be deemed to be abandoned.

2. Until December 31, 2027, the State Engineer shall cause notice of the provisions of subsection 1 to be:

(a) Published annually for 4 consecutive weeks in at least one newspaper of general circulation within the boundaries of each groundwater basin throughout the State.

(b) Posted on the Internet website maintained by the State Engineer.

Sec. 2. NRS 533.095 is hereby amended to read as follows:

533.095 1. As soon as practicable after the State Engineer shall make and enter the order granting the petition or selecting the streams upon which the determination of rights is to begin, the State Engineer shall prepare a notice setting forth the fact of the entry of the order and of the pendency of the proceedings.

2. The notice shall:

(a) Name a date when the State Engineer or the State Engineer's assistants shall begin the examination.

(b) Set forth that all claimants to rights in the waters of the stream system are required, as provided in this chapter, to make proof of their claims ~~[.]~~ ***, except claimants who submitted proof of their claims pursuant to section 1 of this act.***

3. The notice shall be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system.

2. The notice shall :

(a) Name ~~[*name*]~~ a date when the State Engineer or the State Engineer's assistants shall begin the examination.

3. The notice shall be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system.

Sec. 4. NRS 533.105 is hereby amended to read as follows:

533.105 1. If satisfactory data are available from the measurements and areas compiled by the United States Geological Survey or other persons, the State Engineer may dispense with the execution of such surveys and the preparation of such maps and stream measurements, except insofar as is necessary to prepare them to conform with the rules and regulations, as provided in NRS 533.100.

2. If the surveys are executed and maps are prepared and filed with the State Engineer at the instance of the person claiming a right to the use of water, the proportionate cost thereof, as determined by the State Engineer, to be assessed and collected for the adjudication of the relative rights, as provided in this chapter, shall be remitted to the claimant after the completion of the determination; but the map must conform with the rules and regulations of the State Engineer and shall be accepted only after the State Engineer is satisfied that the data shown thereon are substantially correct. Such measurements, maps and determinations shall be exhibited for inspection ~~[at the time of taking proofs and]~~ during the period during which ~~[such]~~ proofs ***of claims*** and evidence are kept open for inspection in accordance with the provisions of this chapter.

Sec. 5. NRS 533.110 is hereby amended to read as follows:

Upon the filing of such measurements, maps and determinations, the State Engineer shall prepare a notice setting forth the date when the State Engineer is to commence the taking of proofs ***, except proofs submitted pursuant to section 1 of this act,*** as to the rights in and to the waters of the stream system, and the date prior to which the same must be filed. The date set prior to which the proofs must be filed shall not be less than 60 days from the date set for the commencement of the taking of proofs. The notice shall be deemed to be an order of the State Engineer as to its contents. The State Engineer shall cause the notice to be published for a period of 4 consecutive weeks in one or more newspapers of general circulation within the boundaries of the stream system, the date of the last publication of the notice to be not less than 15 days prior to the date fixed for the commencement of the taking of proofs by the State Engineer.

2. At or near the time of the first publication of the notice, the State Engineer shall send by registered or certified mail to each person, or deliver to each person, in person, hereinafter designated as claimant, claiming rights in or to the waters of the stream system, insofar as such claimants can be reasonably ascertained, ***who has not submitted proof pursuant to section 1 of this act,*** a notice equivalent in terms to the published notice setting forth the date when the State Engineer will commence the taking of proofs, and the date prior to which proofs must be filed with the State Engineer. The notice must be mailed at least 30 days prior to the date fixed for the commencement of the taking of proofs.

Sec. 6. NRS 533.115 is hereby amended to read as follows:

Sec. 7. NRS 533.120 is hereby amended to read as follows:

533.120 1. Each claimant shall be required to certify to his or her statement ***presented pursuant to NRS 533.115*** under oath. The State Engineer and the State Engineer's assistants authorized to take proofs are hereby authorized to administer such oaths.

2. When the abstract of proofs and the preliminary order of determination is completed, the State Engineer shall then prepare a notice fixing and setting a time and place when and where the evidence taken by or filed with the State Engineer and the proofs of claims must be open to the inspection of all interested persons, the period of inspection to be not less than 20 days. The notice shall be deemed an order of the State Engineer as to the matters contained therein.

3. A copy of the notice, together with a printed copy of the preliminary order of determination and a printed copy of the abstract of proofs, must be delivered by the State Engineer, or sent by registered or certified mail, at least 30 days before the first day of such period of inspection, to each person who has ~~[appeared and]~~ filed proof ~~[, as provided in this section.]~~ ***related to the stream or stream system.***

2. Amendment No. 836.

SUMMARY—Revises provisions governing the trapping ~~[or taking]~~ of certain animals. (BDR 45-107)

AN ACT relating to wildlife; amending the definition of "trap" to exclude certain devices; requiring the Department of Wildlife to develop standard language for certain signs required to be posted in areas in which trapping may occur; requiring, with limited exception, each trap, snare or similar device used by a person in the taking of wild animals which is not registered with the Department, to bear the name and address of the owner; revising the fee to register a trap, snare or similar device; ~~[deleting provisions which declare that any information in the possession of the Department concerning the registration of a trap, snare or similar device is confidential;]~~ authorizing a person to remove or disturb a trap, snare or similar device under certain circumstances; ~~[requiring a person who takes or causes to be taken any wild mammals by means of a trap, snare or similar device to visit or cause to be~~

~~visited the trap, snare or similar device at least once every 96 hours; revoking the authority of the Board of Wildlife Commissioners to establish regulations setting forth the frequency a trap, snare or similar device must be visited;~~] **revising the circumstances under which a person is prohibited from placing or setting a trap, snare or similar device within 200 feet of any public road or highway;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law defines the term "trap" for purposes of title 45 of NRS governing wildlife to mean a device that is designed, built or made to close upon or hold fast any portion of an animal. (NRS 501.089) **Section 1** of this bill specifies that the term does not include: (1) any cage or box trap, net or suitcase-type live beaver trap; or (2) any device that is designed, built or made to close upon or hold fast certain vertebrate pests, such as mice and rats.

Existing law defines the terms "to trap," "trapping" and "trapped" for purposes of title 45 of NRS governing wildlife to mean to set or operate any device, mechanism or contraption that is designed, built or made to close upon or hold fast any wildlife and every act of assistance to any person in so doing. (NRS 501.090) Existing law defines the term "wildlife" to mean any wild mammal, wild bird, fish, reptile, amphibian, mollusk or crustacean found naturally in a wild state, whether indigenous to Nevada or not and whether raised in captivity or not. (NRS 501.097) **Section 2** of this bill amends the definition of the words "to trap," "trapping" and "trapped" to delete the term "wildlife" and substitute the term "animal."

Section 3 of this bill requires the Department of Wildlife to develop standard language for inclusion in any sign that is used to warn a person that trapping may occur in any area of this State. **Section 3** also requires each state agency which manages any public land in this State in which trapping may occur to ensure that each sign: (1) includes any standard language developed by the Department; and (2) is posted in certain locations specified by the Department.

Existing law authorizes each trap, snare or similar device used by a person in the taking of wild mammals to be registered with the Department of Wildlife before it is used. Existing law also requires each registered trap, snare or similar device to bear a number which is assigned by the Department. A registration fee of $10 for each registrant is payable only once by each person who registers a trap, snare or similar device. ~~[Any information in the possession of the Department concerning the registration of a trap, snare or similar device is confidential.]~~ (NRS 503.452) **Section 5** of this bill requires, with limited exception, that a trap, snare or similar device used by a person in the taking of wild mammals that is not registered with the Department must bear the name and address of the person who owns the trap, snare or similar device. **Section 5** also ~~[: (1)]~~ requires the number assigned by the Department for a registered trap, snare or similar device or the name and

Legislative Counsel's Digest:

Existing law: (1) defines a "financial planner" as a person who for compensation, among other activities, advises others as to the investment of money, but excludes certain persons from the definition; (2) provides that a financial planner has the duty of a fiduciary toward a client; and (3) provides for civil liability of a financial planner under certain circumstances. (Chapter 628A of NRS) **Section 1** of this bill revises the definition of financial planner to remove the exclusions for a broker-dealer ~~[and]~~ **, a sales representative and** an investment adviser, thereby making such persons subject to the provisions of existing law governing financial planners. **Section 1.3 of this bill provides that the requirement for a financial planner to maintain certain insurance or a surety bond does not apply to broker-dealers, sales representatives and investment advisers included in the definition of "financial planner" pursuant to section 1.**

Existing law provides that certain persons defined as a financial planner must be licensed as insurance consultants for certain purposes related to viatical settlements. (NRS 688C.212) **Section 2** of this bill maintains the existing definition of financial planner for such purposes.

Existing law generally provides that the Administrator of the Securities Division of the Office of the Secretary of State licenses and regulates broker-dealers, sales representatives, investment advisers and representatives of investment advisers. (Chapter 90 of NRS) If a person violates a provision of law administered by the Administrator, the Administrator may impose certain sanctions on that person, including, without limitation, the imposition of a civil penalty of not more than $25,000 for a willful violation of such a provision of law. (NRS 90.630, 90.640) Section 1.7 of this bill: (1) enacts a provision to enable the Administrator to enforce the fiduciary duty imposed on broker-dealers, sales representatives, investment advisers and representatives of investment advisers pursuant to section 1; and (2) authorizes the Administrator to adopt regulations defining or excluding acts, practices or courses of business as violations of that fiduciary duty and prescribing means to prevent violations of that fiduciary duty.

GENERAL FILE AND THIRD READING

Assembly Bill No. 175.

Bill read third time.

The following amendment was proposed by Assemblyman Frierson:

Amendment No. 903.

AN ACT relating to employment; prescribing certain requirements for health benefits for the purpose of determining the minimum wage paid to employees in private employment in this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 16 of article 15 of the Nevada Constitution requires each employer in this State to pay a certain minimum wage to each employee of the employer. Under this provision of the Nevada Constitution, if an employer offers health benefits to an employee and his or her dependents, the minimum wage required to be paid to the employee is lower than the minimum wage otherwise required to be paid to the employee. (Nev. Const. Art. 15, § 16) This bill establishes the minimum level of health benefits that an employer must make available to an employee and his or her dependents for the purpose of determining whether the employer is authorized to pay the lower minimum wage to the employee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 608 of NRS is hereby amended by adding thereto a new section to read as follows:

For the purpose of determining the minimum wage that may be paid per hour to an employee in private employment pursuant to Section 16 of Article 15 of the Nevada Constitution and NRS 608.250, an employer ~~[provides]~~ :

1. Provides health benefits as described in Section 16 of Article 15 of the Nevada Constitution only if the employer makes available to the employee and the employee's dependents ~~[health benefits that:~~

~~1. Comply with the essential health benefits requirements set forth in 42 U.S.C. § 18022(a)(1) and (2), as those provisions exist on the effective date of this act, and provide a level of coverage that is described in 42 U.S.C. § 18022(d), as that provision exists on the effective date of this act; or~~

~~2. Provide health]~~ :

(a) At least one health insurance plan that provides:

(1) Coverage for services in the following categories and the items and services covered within the following categories:

(I) Ambulatory patient services;

(II) Emergency services;

(III) Hospitalization;

(IV) Maternity and newborn care;

(V) Mental health and substance use disorder services, including, without limitation, behavioral health treatment;

(VI) Prescription drugs;

(VII) Rehabilitative and habilitative services and devices;

(VIII) Laboratory services;

(IX) Preventive and wellness services and chronic disease management;

(X) Pediatric services, including, without limitation, oral and vision care; and

(XI) Any other health care service or coverage level required to be included in an individual or group health insurance plan pursuant to any applicable provision of chapter 689A or 689B of NRS; and

(2) Provides a level of coverage that is designed to provide benefits that are actuarially equivalent to 60 percent of the full actuarial value of the benefits provided under the plan; or

(b) Health benefits pursuant to a Taft-Hartley trust which is formed pursuant to 29 U.S.C. § 186(c)(5) and qualifies as an employee welfare benefits plan pursuant to:

~~[(a)]~~ (1) The Employee Retirement Income Security Act of 1974, 29 U.S.C. §§ 1001 et seq.; or

~~[(b)]~~ (2) The provisions of the Internal Revenue Code ~~[.]~~ ; and

2. Does not provide health benefits as described in Section 16 of Article 15 of the Nevada Constitution if the employer makes available to the employee and the employee's dependents a hospital-indemnity insurance plan or fixed-indemnity insurance plan unless the employer separately makes available to the employee and the employee's dependents at least one health insurance plan that complies with the requirements of subsection 1.

Sec. 2. This act becomes effective upon passage and approval.

Assemblywoman Benitez-Thompson moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Assembly Bill No. 405.

Bill read third time.

Remarks by Assemblymen Brooks and Carlton.

ASSEMBLYMAN BROOKS:

Assembly Bill 405 creates a Renewable Energy Bill of Rights that applies to each natural person who is a resident of Nevada. The bill also creates the contractual requirements for an agreement for the lease or purchase of a distributed generation system and a power purchase agreement. It establishes the minimum warranty requirements for an agreement concerning a distributed generation system. Failure to comply with these provisions constitutes a deceptive trade practice and consumer fraud.

Assembly Bill 405 also makes changes to net metering provisions in the law. The bill requires a utility to file a request with the Public Utilities Commission of Nevada to establish an optional time-variant rate schedule for customers. It also requires a utility to impose a net metering adjustment charge on each customer-generator who accepts the offer of utility for net metering and establishes the adjustment charges, which are tiered based on the amount of cumulative installed capacity and peak demand for electricity in this state. Further, Assembly Bill 405 sets forth the procedures for determining the peak demand for electricity for the previous calendar year and repeals provisions that had established a new net metering tariff pursuant to Senate Bill 374 of the 2015 Legislature.

ASSEMBLYWOMAN CARLTON:

I would like to ask my colleague from District 10 to make sure that something is on the record. A lot of discussion on the consumer protection portion of this was centered around a private right of action so that it would not have to go through the normal channels. Consumers themselves would have the right to pursue recourse. Also included was the Recovery Fund. I just want to make sure that it is clear to everyone and on the record of legislative intent that those do not bar each other—that the consumer can have a private right of action and also go to the Recovery Fund. It is not either/or; it is and.

ASSEMBLYMAN BROOKS:

Section 21 of the bill establishes that any violation of sections 2 through 20 makes the Nevadan, the natural person, have all of the rights under NRS 41.600 for consumer fraud as well as having the ability to claim against the contractors' Recovery Fund.

ASSEMBLYMAN CARRILLO:

Senate Bill 37 makes various changes relating to the issuance and renewal of license plates commemorating the 150th anniversary of Nevada's admission into the Union. The bill clarifies that the Department of Motor Vehicles [DMV] may no longer issue this commemorative license plate. Senate Bill 37 also removes the prohibition on the DMV to charge the $20 fee for renewal of the commemorative license plates after October 31, 2016, and it requires this money to be divided equally between the Division of Museums and History of the Department of Tourism and Cultural Affairs and the Division of State Parks of the State Department of Conservation and Natural Resources for educational and preservation projects.

This bill is effective on July 1, 2017.

Senate Bill No. 81.

Bill read third time.

Remarks by Assemblywoman Jauregui.

ASSEMBLYWOMAN JAUREGUI:

Senate Bill 81 revises existing law to eliminate state-chartered savings and loan associations and instead provide for the creation, operation, and oversight of state-chartered savings banks. Specifically, the bill converts each savings and loan association and any other depository institution chartered under Chapter 673 of the *Nevada Revised Statutes* into a savings bank. Each such converted entity has the same powers, privileges, immunities, and exceptions as a savings bank. Additionally, the bill establishes various organizational, operational, and regulatory provisions for savings banks in a manner generally consistent with the existing provisions for a savings and loan association.

The Commissioner of Financial Institutions must immediately issue a savings bank charter to each converted entity. An entity is prohibited from carrying on the business of a savings bank without being incorporated as a state-chartered savings bank.

The bill authorizes a savings bank to become a member of the Federal Reserve System and provides that a savings bank that becomes a member has the powers granted to member banks under the Federal Reserve Act. A savings bank that becomes a member of the Federal Reserve System remains subject to supervision by the Division of Financial Institutions, and information concerning the affairs of the savings bank may be shared with the Board of Governors of the Federal Reserve System.

ASSEMBLYMAN CARRILLO:

Senate Bill 165 defines, for the first time in *Nevada Revised Statutes*, the term "obesity" as a chronic disease. In addition, S.B. 165 requires the board of trustees in each school district in a county whose population is 100,000 or more, currently Clark and Washoe Counties, to measure the height and weight of a representative sample of pupils enrolled in grades 4, 7, and 10 in schools within the school district. The bill requires the Division of Public and Behavioral Health, Department of Health and Human Services, to compile a report of the results of the height and weight measurements by region and publish and disseminate the report. A copy must be submitted to the superintendent of each school district in a county whose population is 100,000 or more. Senate Bill 447 authorizes a registered voter with a physical disability or who is 65 years of age or older to submit a written request to the appropriate county or city clerk for receipt of an absent ballot for all elections at which the registered voter is eligible to vote. Upon receiving such a request, the voter will be issued an absent ballot for each election that is conducted after the date the written request is submitted. The measure specifies that if the county clerk receives the request, he or she must also inform the city clerk, and if the city clerk receives the request, he or she must inform the county clerk.

The bill also permits any registered voter to request and vote an absent ballot for all elections held during the year he or she requests the absent ballot. A written request for an absent ballot may be made by mail or via an approved electronic transmission.

Senate Bill 447 clarifies existing provisions relating to the written statement of a person who, at the request of the registered voter, either marks and signs an absent ballot or assists the voter in marking and signing his or her absent ballot. Finally, S.B. 447 provides that if a requester of a permanent absentee ballot becomes inactive or is removed from the voter rolls at some point after the request is made, the county clerk shall no longer mail that voter an absent ballot.

This bill is effective on July 1, 2017.

ASSEMBLYMAN EDWARDS:

I rise today in opposition to Senate Bill 469. My district and those of many of my colleagues have a number of small municipalities. This legislation would have a very negative net impact on those smaller communities. Oftentimes those communities are still struggling to overcome the recent economic downturn. We need to keep in mind when legislating that not all Nevadans live in thriving urban areas. Many live in small towns or rural areas. Legislation that works for the big cities likely is not going to work in a place like Mesquite, Overton, or the Moapa Valley. I urge my colleagues to join me in voting no to protect these communities from the unintended fiscal harm.

The following Senate amendment was read:

Amendment No. 672.

SUMMARY—Establishes provisions concerning children seeking federal status as special immigrant juveniles. (BDR ~~[38-739)]~~ **1-739)**

AN ACT relating to children; requiring a court to enter an order setting forth certain findings that enable a child to apply for status as a special immigrant juvenile with the United States Citizenship and Immigration Services of the Department of Homeland Security upon a determination that evidence exists to support such findings; **authorizing a court to appoint or extend the appointment of a guardian of the person for a ward or proposed ward seeking such status in certain circumstances;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing federal law authorizes the issuance of an immigrant visa to a special immigrant upon satisfactory proof that the applicant is entitled to status as a special immigrant. (8 U.S.C. § 1204) Existing federal law defines the term "special immigrant" to include a juvenile immigrant who is present in the United States and: (1) has been declared dependent on a juvenile court or has been legally committed to, or placed under the custody of, an agency or department of a state or an individual or entity appointed by a state or juvenile court; (2) whose reunification with one or both of his or her parents is not viable due to abuse, neglect, abandonment or a similar basis found under state law; (3) for whom it has been determined in administrative or judicial proceedings that it would not be in his or her best interest to be returned to the previous country of nationality or last habitual residence of the child or his or her parents; and (4) who is granted status as a special immigrant juvenile by the Secretary of Homeland Security through the United States Citizenship and Immigration Services. (8 U.S.C. § 1101(a)(27)(J)) Existing federal regulations: (1) provide that a person is eligible for classification as a special immigrant if, in addition to satisfying other requirements, the person is less than 21 years of age and is unmarried; and (2) define the term "juvenile court" as a court located in the United States having jurisdiction under state law to make judicial determinations about the custody and care of juveniles. (8 C.F.R. § 204.11)

~~[This]~~ **Section 1 of this** bill authorizes the district court to make the factual findings necessary to enable a child to apply for status as a special immigrant juvenile with the United States Citizenship and Immigration Services of the

Department of Homeland Security at any time during ~~[a proceeding held in the district court or a division of the district court having jurisdiction to make judicial determinations regarding the custody and care of juveniles. This bill]~~ **certain proceedings. Section 1** sets forth the factual findings necessary to enable a child to apply for such status and **: (1)** requires the court to issue an order setting forth such findings upon a determination by the court that evidence exists to support such findings ~~[. This bill]~~ **; and (2) prohibits the court from making any additional findings regarding the asserted, purported or perceived motivation of the child seeking status as a special immigrant juvenile or of the person requesting that the court make such findings. Section 1** also provides that any records containing information concerning the immigration status of such a child that are not otherwise confidential must be sealed and made available for inspection only by certain persons. ~~[This bill]~~ **Section 1** further requires the Supreme Court to adopt any rules and procedures necessary to implement the provisions of the section.

Section 2 of this bill provides that if a person includes in a petition filed or motion made in a guardianship proceeding a request that the court make the findings necessary to enable a child to apply for status as a special immigrant juvenile, the court may, in certain circumstances, appoint or extend the appointment of a guardian of the person for a ward or proposed ward seeking such status. Section 3 of this bill provides that such a guardianship is terminated on the date on which the ward reaches 21 years of age unless the ward petitions the court to terminate the guardianship before he or she reaches 21 years of age and the court grants the petition.

2. The term does not include:

(a) Property that is subject to administration in probate of the estate of the decedent;

(b) Property that is set aside, without administration, pursuant to NRS 146.070; ~~[and]~~

(c) Property transferred pursuant to an affidavit as authorized by NRS 146.080 ~~[.]~~ ***; and***

(d) Property transferred from an estate or a trust pursuant to a power of appointment granted under a will or trust, as applicable.

Sec. 3. NRS 111.779 is hereby amended to read as follows:

111.779 1. Except as otherwise provided in NRS 21.090 and other applicable law, a transferee of a nonprobate transfer is liable to the probate estate of the decedent for allowed claims against that decedent's probate estate to the extent the estate is insufficient to satisfy those claims.

2. The liability of a nonprobate transferee may not exceed the value of nonprobate transfers received or controlled by that transferee.

3. Nonprobate transferees are liable for the insufficiency described in subsection 1 in the following order of priority:

(a) A transferee specified in the decedent's will or any other governing instrument as being liable for such an insufficiency, in the order of priority provided in the will or other governing instrument;

(b) The trustee of a trust serving as the principal nonprobate instrument in the decedent's estate plan as shown by its designation as devisee of the decedent's residuary estate or by other facts or circumstances, to the extent of the value of the nonprobate transfer received or controlled; and

(c) Other nonprobate transferees, in proportion to the values received.

4. Unless otherwise provided by the trust instrument, interests of beneficiaries in all trusts incurring liabilities under this section abate as necessary to satisfy the liability, as if all the trust instruments were a single will and the interests were devises under it.

5. If a nonprobate transferee is a spouse or a minor child, the nonprobate transferee may petition the court to be excluded from the liability imposed by this section as if the nonprobate property received by the spouse or minor child were part of the decedent's estate. Such a petition may be made pursuant to the applicable provisions of chapter 146 of NRS, including, without limitation, the provisions of NRS 146.010, NRS 146.020 without regard to the filing of an inventory and subsection 2 of NRS 146.070.

6. A provision made in one instrument may direct the apportionment of the liability among the nonprobate transferees taking under that or any other governing instrument. If a provision in one instrument conflicts with a provision in another, the later one prevails.

7. Upon due notice to a nonprobate transferee, the liability imposed by this section is enforceable in probate proceedings in this State, whether or not the transferee is located in this State.

8. If a probate proceeding is pending ~~[,]~~ ***at the time of filing and it has been determined by a final order issued by the probate court that there are insufficient assets to pay a valid creditor,*** a proceeding under this section may be commenced by ***one of*** the ***following persons:***

(a) The personal representative of the decedent's estate **.** ~~[or, if the personal representative declines to do so, by a]~~ ***A personal representative***

who declines in good faith to commence a proceeding incurs no personal liability for declining.

(b) A creditor ~~[in the name]~~ of the ~~[decedent's]~~ estate, ***if the personal representative has declined or refused to commence an action within 30 days after receiving a written demand by a creditor. Such demand must identify the nonprobate transfers known to the creditor. If the creditor is unaware of any nonprobate transfers, in the probate proceeding, the creditor may, pursuant to NRS 155.170, obtain discovery, perpetuate testimony or conduct examinations in any manner authorized by law or by the Nevada Rules of Civil Procedure to ascertain whether any nonprobate transfers exist. If the creditor is unable to identify any nonprobate transfers within a reasonable time after conducting discovery, the creditor may not proceed under this section. If a creditor commences an action under this section:***

(1) The creditor must proceed at the expense of the creditor and not of the estate.

(2) If a creditor successfully establishes an entitlement to payment under this section ~~[,]~~ ***and collects nonprobate transfers,*** the court must order the reimbursement of the costs reasonably incurred by the creditor, including attorney's fees, from the transferee from whom the payment is to be made, subject to the limitations of subsection 2, or from the estate as a cost of administration, or partially from each, as the court deems just. ~~[A personal representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.]~~

9. If a probate proceeding is not pending, a proceeding under this section may be commenced as a civil action by a creditor at the expense of the creditor.

10. If a proceeding is commenced pursuant to this section, it must be commenced:

(a) ~~[As to a creditor whose claim was allowed after proceedings challenging disallowance of the claim by the personal representative,]~~ ***If a probate proceeding is pending in which notice to creditors has been given at the time of filing a proceeding under this section:***

(1) As to a creditor whose claim was properly and timely filed, allowed by the personal representative or partially allowed by the personal representative, and accepted by the creditor pursuant to NRS 147.160, within 60 days after the probate court enters an order confirming the amount of payment of the approved claim that is final and no longer subject to reconsideration or appeal or within 1 year after the decedent's death, whichever is later.

(2) As to a creditor:

(I) Whose claim was rejected by the personal representative, partially allowed by the personal representative and rejected by the creditor pursuant to NRS 147.160, or deemed rejected by the personal representative pursuant to NRS 147.110;

(II) Who adjudicated the creditor's claims in the proper court or by a summary adjudication; and

(III) Who obtained a favorable final judgment on its claim from the proper court,

➥ within 60 days after the probate court enters an order confirming the amount of payment of the approved claim that is final and no longer subject to reconsideration or appeal or within 1 year after the decedent's death, whichever is later.

(b) If an action had been commenced against the decedent before the decedent's death, the creditor receives a judgment against the decedent's estate and the creditor has filed a proper and timely creditor's claim against the estate, within 60 days after ~~[final allowance of the claim by]~~ the probate court ***enters an order confirming the amount of payment of the adjudicated claim that is final and no longer subject to reconsideration or appeal*** or within 1 year after the decedent's death, whichever is later.

~~[(b) As to a creditor whose claim against the decedent is being adjudicated in a separate proceeding that is still pending 1 year after the decedent's death, within 60 days after the adjudication of the claim in favor of the creditor is final and no longer subject to reconsideration or appeal.]~~

(c) As to the recovery of benefits paid for Medicaid, within 3 years after the decedent's death.

(d) As to all other creditors, within 1 year after the decedent's death.

11. Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following rules apply:

(a) Payment or delivery of assets by a financial institution, registrar or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary to the extent of the distribution received becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

12. ~~[Notwithstanding]~~ ***Except as otherwise provided in subsection 13, notwithstanding*** any provision of this section to the contrary:

(a) A creditor has no claim against ~~[property]~~ ***:***

(1) Property transferred pursuant to a power of appointment exercised by a decedent unless it was exercisable in favor of the decedent or the decedent's estate.

(2) Property transferred pursuant to a beneficiary designation by a decedent which transfers money held by any of the following:

(I) An individual retirement arrangement which conforms with or is maintained pursuant to the applicable limitations and requirements of

section 408 or 408A of the Internal Revenue Code, 26 U.S.C. §§ 408 and 408A, including, without limitation, an inherited individual retirement arrangement;

(II) A written simplified employee pension plan which conforms with or is maintained pursuant to the applicable limitations and requirements of section 408 of the Internal Revenue Code, 26 U.S.C. § 408, including, without limitation, an inherited simplified employee pension plan;

(III) A cash or deferred arrangement plan which is qualified and maintained pursuant to the Internal Revenue Code, including, without limitation, an inherited cash or deferred arrangement plan;

(IV) A trust forming part of a stock bonus, pension or profit-sharing plan which is qualified and maintained pursuant to sections 401 et seq. of the Internal Revenue Code, 26 U.S.C. §§ 401 et seq.; and

(V) A trust forming part of a qualified tuition program pursuant to chapter 353B of NRS, any applicable regulations adopted pursuant to chapter 353B of NRS and section 529 of the Internal Revenue Code, 26 U.S.C. § 529, unless the money is deposited after the entry of a judgment against the purchaser or account owner or the money will not be used by any beneficiary to attend a college or university.

(3) Property transferred pursuant to a beneficiary designation by a decedent which transfers money, benefits or privileges that accrue in any manner out of life insurance.

(4) Proceeds of any wages of the decedent which were exempt from execution during the decedent's lifetime pursuant to paragraph (g) of subsection 1 of NRS 21.090.

(5) A trust, a beneficial interest of the decedent under a trust or amount payable from a trust if the trust was created by someone other than the decedent, except to enforce a valid assignment of the decedent's beneficial interest under a trust that is not a spendthrift trust.

(6) An irrevocable trust or amounts payable from a trust if the trust was properly created as a valid spendthrift trust under chapter 166 of NRS, except with respect to property transferred to the trust by the decedent to the extent permitted under subsections 1, 2 and 3 of NRS 166.170.

(b) A purchaser for value of property or a lender who acquires a security interest in the property from a beneficiary of a nonprobate transfer after the death of the owner, in good faith:

(1) Takes the property free of any claims or of liability to the owner's estate, creditors of the owner's estate, persons claiming rights as beneficiaries under the nonprobate transfer or heirs of the owner's estate, in absence of actual knowledge that the transfer was improper; and

(2) Has no duty to verify sworn information relating to the nonprobate transfer. The protection provided by this subparagraph applies to information that relates to the ownership interest of the beneficiary in the property and the beneficiary's right to sell, encumber and transfer good title to a purchaser or

lender and does not relieve a purchaser or lender from the notice imparted by instruments of record respecting the property.

13. ***Nothing in this section exempts any real or personal property from any statute of this State that authorizes the recovery of money owed to the Department of Health and Human Services as a result of the payment of benefits from Medicaid.***

14. As used in this section, "devise" has the meaning ascribed to it in NRS 132.095.

Sec. 4. Chapter 123 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A trust instrument may provide that community property or separate property transferred into an irrevocable trust of which both spouses are current permissible beneficiaries remains community property or separate property, as applicable, during the marriage. Any community property or separate property, including, without limitation, any income, appreciation and proceeds thereof, that is distributed or withdrawn from a trust instrument containing such a provision remains community property or separate property, as applicable.

2. The provisions of this section do not affect the character of community property or separate property that is transferred into a trust in any manner other than as described in this section.

Sec. 5. NRS 125.150 is hereby amended to read as follows:

125.150 Except as otherwise provided in NRS 125.155 and 125.165, and unless the action is contrary to a premarital agreement between the parties which is enforceable pursuant to chapter 123A of NRS:

1. In granting a divorce, the court:

(a) May award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable; and

(b) Shall, to the extent practicable, make an equal disposition of the community property of the parties, ***including, without limitation, any community property transferred into an irrevocable trust pursuant to section 4 of this act over which the court acquires jurisdiction pursuant to NRS 164.010,*** except that the court may make an unequal disposition of the community property in such proportions as it deems just if the court finds a compelling reason to do so and sets forth in writing the reasons for making the unequal disposition.

2. Except as otherwise provided in this subsection, in granting a divorce, the court shall dispose of any property held in joint tenancy in the manner set forth in subsection 1 for the disposition of community property. If a party has made a contribution of separate property to the acquisition or improvement of property held in joint tenancy, the court may provide for the reimbursement of that party for his or her contribution. The amount of reimbursement must not exceed the amount of the contribution of separate property that can be traced to the acquisition or improvement of property

held in joint tenancy, without interest or any adjustment because of an increase in the value of the property held in joint tenancy. The amount of reimbursement must not exceed the value, at the time of the disposition, of the property held in joint tenancy for which the contribution of separate property was made. In determining whether to provide for the reimbursement, in whole or in part, of a party who has contributed separate property, the court shall consider:

(a) The intention of the parties in placing the property in joint tenancy;

(b) The length of the marriage; and

(c) Any other factor which the court deems relevant in making a just and equitable disposition of that property.

➥ As used in this subsection, "contribution" includes, without limitation, a down payment, a payment for the acquisition or improvement of property, and a payment reducing the principal of a loan used to finance the purchase or improvement of property. The term does not include a payment of interest on a loan used to finance the purchase or improvement of property, or a payment made for maintenance, insurance or taxes on property.

3. A party may file a postjudgment motion in any action for divorce, annulment or separate maintenance to obtain adjudication of any community property or liability omitted from the decree or judgment as the result of fraud or mistake. A motion pursuant to this subsection must be filed within 3 years after the discovery by the aggrieved party of the facts constituting the fraud or mistake. The court has continuing jurisdiction to hear such a motion and shall equally divide the omitted community property or liability between the parties unless the court finds that:

(a) The community property or liability was included in a prior equal disposition of the community property of the parties or in an unequal disposition of the community property of the parties which was made pursuant to written findings of a compelling reason for making that unequal disposition; or

(b) The court determines a compelling reason in the interests of justice to make an unequal disposition of the community property or liability and sets forth in writing the reasons for making the unequal disposition.

➥ If a motion pursuant to this subsection results in a judgment dividing a defined benefit pension plan, the judgment may not be enforced against an installment payment made by the plan more than 6 years after the installment payment.

4. Except as otherwise provided in NRS 125.141, whether or not application for suit money has been made under the provisions of NRS 125.040, the court may award a reasonable attorney's fee to either party to an action for divorce.

5. In granting a divorce, the court may also set apart such portion of the husband's separate property for the wife's support, the wife's separate property for the husband's support or the separate property of either spouse for the support of their children as is deemed just and equitable.

6. In the event of the death of either party or the subsequent remarriage of the spouse to whom specified periodic payments were to be made, all the payments required by the decree must cease, unless it was otherwise ordered by the court.

7. If the court adjudicates the property rights of the parties, or an agreement by the parties settling their property rights has been approved by the court, whether or not the court has retained jurisdiction to modify them, the adjudication of property rights, and the agreements settling property rights, may nevertheless at any time thereafter be modified by the court upon written stipulation signed and acknowledged by the parties to the action, and in accordance with the terms thereof.

8. If a decree of divorce, or an agreement between the parties which was ratified, adopted or approved in a decree of divorce, provides for specified periodic payments of alimony, the decree or agreement is not subject to modification by the court as to accrued payments. Payments pursuant to a decree entered on or after July 1, 1975, which have not accrued at the time a motion for modification is filed may be modified upon a showing of changed circumstances, whether or not the court has expressly retained jurisdiction for the modification. In addition to any other factors the court considers relevant in determining whether to modify the order, the court shall consider whether the income of the spouse who is ordered to pay alimony, as indicated on the spouse's federal income tax return for the preceding calendar year, has been reduced to such a level that the spouse is financially unable to pay the amount of alimony the spouse has been ordered to pay.

9. In addition to any other factors the court considers relevant in determining whether to award alimony and the amount of such an award, the court shall consider:

(a) The financial condition of each spouse;

(b) The nature and value of the respective property of each spouse;

(c) The contribution of each spouse to any property held by the spouses pursuant to NRS 123.030;

(d) The duration of the marriage;

(e) The income, earning capacity, age and health of each spouse;

(f) The standard of living during the marriage;

(g) The career before the marriage of the spouse who would receive the alimony;

(h) The existence of specialized education or training or the level of marketable skills attained by each spouse during the marriage;

(i) The contribution of either spouse as homemaker;

(j) The award of property granted by the court in the divorce, other than child support and alimony, to the spouse who would receive the alimony; and

(k) The physical and mental condition of each party as it relates to the financial condition, health and ability to work of that spouse.

10. In granting a divorce, the court shall consider the need to grant alimony to a spouse for the purpose of obtaining training or education

relating to a job, career or profession. In addition to any other factors the court considers relevant in determining whether such alimony should be granted, the court shall consider:

(a) Whether the spouse who would pay such alimony has obtained greater job skills or education during the marriage; and

(b) Whether the spouse who would receive such alimony provided financial support while the other spouse obtained job skills or education.

11. If the court determines that alimony should be awarded pursuant to the provisions of subsection 10:

(a) The court, in its order, shall provide for the time within which the spouse who is the recipient of the alimony must commence the training or education relating to a job, career or profession.

(b) The spouse who is ordered to pay the alimony may, upon changed circumstances, file a motion to modify the order.

(c) The spouse who is the recipient of the alimony may be granted, in addition to any other alimony granted by the court, money to provide for:

(1) Testing of the recipient's skills relating to a job, career or profession;

(2) Evaluation of the recipient's abilities and goals relating to a job, career or profession;

(3) Guidance for the recipient in establishing a specific plan for training or education relating to a job, career or profession;

(4) Subsidization of an employer's costs incurred in training the recipient;

(5) Assisting the recipient to search for a job; or

(6) Payment of the costs of tuition, books and fees for:

(I) The equivalent of a high school diploma;

(II) College courses which are directly applicable to the recipient's goals for his or her career; or

(III) Courses of training in skills desirable for employment.

12. For the purposes of this section, a change of 20 percent or more in the gross monthly income of a spouse who is ordered to pay alimony shall be deemed to constitute changed circumstances requiring a review for modification of the payments of alimony. As used in this subsection, "gross monthly income" has the meaning ascribed to it in NRS 125B.070.

Sec. 6. NRS 132.135 is hereby amended to read as follows:

132.135 "Expenses of administration" means funeral expenses and expenses actually and properly incurred by a personal representative in the administration of an estate, ***including, without limitation, expenses incurred for the maintenance or preservation of the assets of an estate,*** plus the fees of the personal representative, any attorney retained by the personal representative and any other consultant engaged by him or her.

Sec. 7. NRS 132.145 is hereby amended to read as follows:

132.145 ***1.*** "Fiduciary" includes ***, without limitation,*** a personal representative, guardian ***,*** ~~[and]~~ trustee ~~[.]~~ ***under any trust, whether express,***

implied, resulting or constructive, bailee, conservator, curator, receiver or trustee in bankruptcy or an attorney in fact, assignee for the benefit of creditors or agent. The term does not include:

(a) A trust protector or trust adviser, except under the terms and conditions expressly provided in the written instrument appointing the trust protector or trust adviser; or

(b) A holder of a power of appointment under the terms of a trust.

2. As used in this section:

(a) "Trust adviser" has the meaning ascribed to it in NRS 163.5545.

(b) "Trust protector" has the meaning ascribed to it in NRS 163.5547.

Sec. 8. NRS 133.130 is hereby amended to read as follows:

133.130 If, after the making of any will, the testator executes a ***valid*** second will ~~[,]~~ ***that includes provisions revoking the first will,*** the destruction, cancellation or revocation of the second will does not revive the first will ~~[,]~~ unless ~~[it]~~ ***:***

1. It appears by the terms of the revocation ***or the manner in which the revocation occurred*** that it was the intention to revive and give effect to the first will ***;*** ~~[,]~~ or ~~[unless, after]~~

2. After the destruction, cancellation or revocation, the first will is reexecuted.

Sec. 9. NRS 136.240 is hereby amended to read as follows:

136.240 1. The petition for the probate of a lost or destroyed will must include a copy of the will, or if no copy is available state, or be accompanied by a written statement of, the testamentary words, or the substance thereof.

2. If offered for probate, a lost or destroyed will must be proved in the same manner as other wills are proved under this chapter.

3. In addition, no will may be proved as a lost or destroyed will unless ***its provisions are clearly and distinctly proved by two or more credible witnesses and*** it is ~~[proved]~~ ***:***

(a) Proved to have been in ***legal*** existence at the death of the person whose will it is claimed to be ~~[,]~~ ***and has not otherwise been revoked or destroyed without the knowledge, consent or ratification of such person;*** or ~~[is shown]~~

(b) Shown to have been fraudulently destroyed in the lifetime of that person ***.*** ~~[, nor unless its provisions are clearly and distinctly proved by at least two credible witnesses.]~~

4. The testimony of each witness must be reduced to writing, signed by the witness and filed, and is admissible in evidence in any contest of the will if the witness has died or permanently moved from the State.

5. Notwithstanding any provision of this section to the contrary:

(a) The production of a person's lost or destroyed will, whose primary beneficiary is a nontestamentary trust established by the person and in existence at his or her death, creates a rebuttable presumption that the will had not been revoked.

(b) If the proponent of a lost or destroyed will makes a prima facie showing that it was more likely than not left unrevoked by the person whose will it is claimed to be before his or her death, then the will must be admitted to probate in absence of an objection. If such prima facie showing has been made, the court shall accept a copy of such a will as sufficient proof of the terms thereof without requiring further evidence in the absence of any objection.

6. If the will is established, its provisions must be set forth specifically in the order admitting it to probate, or a copy of the will must be attached to the order.

Sec. 10. NRS 137.005 is hereby amended to read as follows:

137.005 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a will must be enforced by the court ~~[.]~~ ***because public policy favors enforcing the intent of the testator. However, because public policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the will.***

2. A no-contest clause must be construed to carry out the testator's intent ~~[. Except]~~ to the extent ~~[the will is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the testator's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the will itself, including, without limitation:

(1) The commencement of civil litigation against the testator's probate estate or family members;

(2) Interference with the administration of a trust or a business entity;

(3) Efforts to frustrate the intent of the testator's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

3. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the devisee ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the will or any document referenced in or affected by the will;

(b) Enforce the devisee's legal rights in the probate proceeding; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the estate or the*** construction or legal effect of the will ~~[.]~~ ***or the provisions thereof; or***

(d) Enforce the fiduciary duties of the personal representative.

4. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated under a no-contest clause because the devisee institutes legal action seeking to invalidate a will if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the will is invalid.

5. ***As to any testamentary trust, the testator is the settlor. Unless the will expressly provides otherwise, a no-contest clause in a will applies to a testamentary trust created under that will and the provisions of NRS 163.00195 apply to that trust.***

6. As used in this section, "no-contest clause" means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to a devisee if the devisee takes action to frustrate or defeat the testator's intent as expressed in the will.

Sec. 11. NRS 137.090 is hereby amended to read as follows:

137.090 Upon filing ~~[the]~~ ***a*** petition ~~[, and within the time allowed for filing the petition,]~~ ***pursuant to NRS 137.080, the court shall order the issuance of*** a citation ***,*** ~~[must be issued,]~~ directed to the personal representative and to all the devisees mentioned in the will, and the heirs, so far as known to the petitioner, including minors and incapacitated persons, or the personal representative of any such person who is dead, directing them to plead to the contest within 30 days after service of the citation.

Sec. 12. NRS 139.135 is hereby amended to read as follows:

139.135 1. An agreement between an heir finder and an apparent heir, the primary purpose of which is to locate, recover or assist in the recovery of an estate for which the public administrator has petitioned for letters of administration, is void and unenforceable if the agreement is entered into during the period beginning with the death of the person whose estate is in probate until 90 days thereafter. ***Upon a showing of good cause, the court may extend such a period until 180 days after the death of the person.***

2. As used in this section, "heir finder" means a person who, for payment of a fee, assignment of a portion of any interest in a decedent's estate or other consideration, provides information, assistance, forensic genealogy research or other efforts related to another person's right to or interest in a decedent's estate. The term does not include:

(a) A person acting in the capacity of a personal representative or guardian ad litem;

(b) A person appointed to perform services by a probate court in which a proceeding in connection with a decedent's estate is pending; or

(c) An attorney providing legal services to a decedent's family member if the attorney has not agreed to pay to any other person a portion of the fees received from the family member or the family member's interest in the decedent's estate.

Sec. 13. NRS 140.010 is hereby amended to read as follows:

140.010 The court shall appoint a special administrator to collect and take charge of the estate of the decedent, in whatever county or counties the estate may be found, and to exercise such other powers as may be necessary to preserve the estate ~~[:]~~ ***or any rights or privileges belonging to the decedent:***

1. If there is a delay in granting letters testamentary or letters of administration, from any cause.
2. If letters are granted irregularly.
3. If no sufficient bond is filed as required by the court.
4. If no petition is filed for letters.
5. If an executor or administrator dies or is suspended or removed, and the circumstances of the estate require the immediate appointment of a personal representative.
6. If there may be no assets subject to administration but good cause exists for the appointment of a personal representative of the decedent.
7. In any other proper case.

Sec. 14. NRS 140.030 is hereby amended to read as follows:

140.030 Before letters issue to a person as a special administrator, the person must:

1. Give bond in such sum as the court directs, with sureties to the satisfaction of the court, conditioned for the faithful performance of the duties, unless the court waives bond ~~[;]~~ ***, with or without conditions, or dispenses the bond and alternatively requires the establishment of a blocked account;*** and
2. Take the usual oath of office.

Sec. 15. NRS 142.020 is hereby amended to read as follows:

142.020 1. The requirement of a bond of a personal representative is discretionary with the court. Whether a bond is expressly required by the will or not, the court may:

(a) Require a bond if it determines a bond is desirable; or

(b) Dispense with the requirement of a bond if ~~[it]~~ ***:***

(1) The court determines a bond is unnecessary ~~[.]~~ ***; or***

(2) The assets of the estate are deposited with a financial institution pursuant to subsection 3.

2. The bond must be conditioned so that the personal representative will faithfully execute the duties of the office according to law, and the bond must be filed by the clerk.

3. Personal assets of an estate may be deposited with a domestic credit union or other domestic financial institution upon such terms as may be prescribed by order of the court having jurisdiction of the estate. The deposit is subject to the further order of the court. ~~[The bond of the personal representative may be reduced accordingly.]~~ The personal representative shall file with the clerk the acknowledgment of an authorized representative

of the financial institution that holds the assets deposited, which may be in the following form:

PROOF OF BLOCKED ACCOUNT

The undersigned affirms that ....., as personal representative of the estate of ....., deceased, has established an account, number ....., entitled "....." in the amount of $.....

The undersigned acknowledges that this account bears a blocked/frozen designation, and that no money may be removed without first presenting an order from the court authorizing the withdrawal.

Dated on ..... (date). By: .....

Title: .....

4. During the pendency of the administration, any person, including a creditor, having an interest in an estate whose value exceeds $10,000 may file a petition requesting that the personal representative submit additional bond. Upon the filing of the petition, the clerk shall set it for hearing, and the petitioner shall give notice for the period and in the manner provided in NRS 155.010. Upon hearing the petition, the court may require the personal representative to file additional bond in the amount of the claim of the petitioner, unless it determines that bond should be dispensed with or set in a different amount.

5. The amount of the bond is the estimated value of all personal property plus income for 1 year from both real and personal property, unless the amount of the bond is expressly mentioned in the will, changed by the court or required pursuant to subsection 4.

6. If a banking corporation, as defined in NRS 657.016, or trust company, as defined in NRS 669.070, doing business in this State is appointed the personal representative of the estate of a decedent, no bond is required unless otherwise specifically required by the court.

Sec. 16. NRS 143.020 is hereby amended to read as follows:

143.020 Except as otherwise provided in NRS 143.030 and 146.010, a personal representative has a right to the possession of all the real, as well as personal, property of the decedent and may receive the rents and profits of the property until the estate is settled, or until delivered over by order of the court to the heirs or devisees, and shall make a reasonable effort to ~~[keep]~~ ***preserve and maintain all such property, including, without limitation, by keeping*** in good tenantable repair all houses, buildings and appurtenances thereon which are under the control of the personal representative.

Sec. 17. NRS 143.035 is hereby amended to read as follows:

143.035 1. A personal representative shall use reasonable diligence in performing the duties of the personal representative and in pursuing the administration of the estate.

2. ~~[A]~~ ***In the absence of pending litigation or a contested proceeding involving the estate, a*** personal representative in charge of an estate that has not been closed shall:

(a) Within 6 months after the personal representative's appointment, where no federal estate tax return is required to be filed for the estate; or

(b) Within ~~[15]~~ ***18*** months after the personal representative's appointment, where a federal estate tax return is required to be filed for the estate,

➥ file with the court a report explaining why the estate has not been closed.

3. Upon receiving the report, the clerk shall set a time and place for a hearing of the report. The personal representative shall send a copy of the report and shall give notice of the hearing, for the period and in the manner provided in NRS 155.010, to:

(a) Each person whose interest is affected as an heir or devisee; and

(b) The Department of Health and Human Services, if the Department has filed a claim against the estate.

4. At the hearing, the court shall determine whether or not the personal representative has used reasonable diligence in the administration of the estate, and if the personal representative has not, the court may:

(a) Subject to the provisions of NRS 143.037:

(1) Prescribe the time within which the estate must be closed; or

(2) Allow the personal representative additional time for closing and order a subsequent report; or

(b) Revoke the letters of the personal representative, appoint a successor and prescribe a reasonable time within which the successor shall close the estate.

Sec. 18. NRS 143.037 is hereby amended to read as follows:

143.037 1. Except as otherwise provided in this section, a personal representative shall close an estate within 18 months after appointment.

2. If ~~[a]~~ ***an estate is not closed within 18 months after the appointment of a personal representative and:***

(a) A claim against the estate is in litigation or in summary determination pursuant to subsection 5 of NRS 145.060 ~~[or]~~ ***, a petition for determination of the validity of the claim has been filed pursuant to*** subsection 2 of NRS 147.130 or the amount of federal estate tax has not been determined, ~~[the court, upon petition of]~~ a devisee, creditor or heir ~~[, shall]~~ ***may file a petition seeking an*** order that:

~~[(2)]~~ ***(II)*** Pay any fees or costs related to the claim or tax, including fees for appraisals, attorney's fees and court costs; and

(2) The entire distributable estate be retained pending disposition of the contest or proceeding.

3. A court shall not enter an order distributing the assets of an estate pursuant to this section if such a distribution will result in there being insufficient assets to enable the personal representative to discharge any tax liability, claims of creditors, administrative expenses or any other just obligation of the estate.

Sec. 19. NRS 143.050 is hereby amended to read as follows:

143.050 ***1.*** Except as otherwise provided in NRS 143.520, after notice given as provided in NRS 155.010 or in such other manner as the court directs, the court may authorize the personal representative to continue the operation of the decedent's business to such an extent and subject to such restrictions as may seem to the court to be for the best interest of the estate and any interested persons.

2. The provisions of subsection 1 do not apply to passive investments or the exercise of any shareholder or membership rights to which the personal representative has succeeded.

3. Unless specifically authorized by the will or by the court, the personal representative may not receive any separate compensation for continuing the operation of the decedent's business pursuant to this section.

Sec. 20. NRS 143.165 is hereby amended to read as follows:

143.165 1. On petition ***or ex parte application*** of an interested person, the court by temporary order ***, with or without bond,*** may restrain a personal representative from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office ***.*** ~~[,]~~ ***Notwithstanding any other provision of law,*** if it appears to the court that the personal representative otherwise may take some action that would jeopardize unreasonably the interest of the petitioner or of some other interested person ~~[,]~~ ***or the estate, the court may enter the temporary order.*** A person with whom the personal representative may transact business may be made a party to the temporary order.

2. The matter must be set for hearing within 10 days after entry of the temporary order ***,*** unless the parties otherwise agree ~~[,]~~ ***, or on a date the court otherwise determines is in the best interest of the estate.*** Notice as the court directs must be given by the petitioner to the personal representative

and the attorney of record of the personal representative, if any, and to any other party named as a party in the temporary order.

Sec. 21. NRS 144.010 is hereby amended to read as follows:

144.010 1. Except as otherwise provided in this ~~[~~subsection,~~]~~ ***section,*** every personal representative shall ~~[~~make~~]~~ ***prepare*** and file with the clerk ~~[~~,~~]~~ ***a true inventory and appraisement or record of value of all the assets of the decedent that have come to the possession or knowledge of the personal representative,*** within ~~[~~60~~]~~ ***120*** days after ~~[~~appointment,~~]~~ ***the issuance of letters of administration,*** unless the court extends the time ~~[~~, a true inventory and appraisement or record of value of all the estate of the decedent that has come to the possession or knowledge of the personal representative.~~]~~ ***for good cause shown.*** The requirement of ***preparing and*** filing an inventory or ~~[~~the requirement of filing~~]~~ an appraisement or ***a*** verified record of value, or both, may be waived by the unanimous written consent of all interested persons.

2. ~~[~~The~~]~~ ***Notwithstanding the provisions of this subsection, an interested person may provide a written request to the personal representative at any time 60 days or more after the issuance of letters of administration which seeks a list of the assets of the estate known to the personal representative. The personal representative shall provide such information to the requesting interested party within 10 days after receipt of the written request.***

3. Unless an interested heir requested and was provided a list of assets pursuant to subsection 2, the personal representative, within 10 days after filing the inventory with the clerk, shall mail a copy to all the interested heirs of an intestate estate, or to the devisees of a testate estate, or to both interested heirs and devisees, if a contest of the will of the decedent is pending. Proof of the mailing of the copies must be made and filed in the proceeding.

4. Notwithstanding the requirements set forth in this section, a personal representative may file a redacted inventory to protect the decedent or his or her estate or an interested person. Such an inventory may redact any account numbers, social security numbers and values. Upon request by the court or an interested person, the personal representative shall make the full inventory without redaction available for inspection.

5. This section must not be construed to interfere with the authority of a court to order a personal representative to provide the court with information sufficient to identify the assets of an estate and the value thereof that is subject to probate administration, including, without limitation, requiring the personal representative to submit an inventory to the court in camera, as the court deems necessary and appropriate.

Sec. 22. NRS 144.020 is hereby amended to read as follows:

144.020 1. A personal representative may engage a qualified and disinterested appraiser to ascertain the fair market value, as of the decedent's

death, of any asset the value of which is subject to reasonable doubt. Different persons may be engaged to appraise different kinds of assets included in the estate.

2. Any such appraiser is entitled to a reasonable compensation for the appraisal and may be paid the compensation by the personal representative out of the estate at any time after completion of the appraisal.

3. Except as otherwise provided in NRS 144.010, if there is no reasonable doubt as to the value of assets, such as money, deposits in banks or credit unions, bonds, policies of life insurance, or securities for money or evidence of indebtedness, and the asset is equal in value to cash, the personal representative shall file a verified record of value in lieu of the appraisement.

4. If it appears beyond reasonable doubt that there will be no need to sell assets of the estate to pay the debts of the estate or expenses of administration, or to divide assets for distribution in kind to the devisees or heirs, the personal representative may petition the court for an order allowing a verified record of value to be filed in lieu of the appraisement or, if no interested person is prejudiced thereby, an order waiving the requirement for filing an appraisement or verified record of value, and the court may enter such an order with or without notice.

5. If the personal representative reasonably believes that the value of the household furniture and furnishings of the estate is less than $30,000, the personal representative may file a verified record of value in lieu of the appraisement. Notwithstanding the provisions of this subsection, any interested person may petition the court to require the personal representative to obtain an appraisement on some or all of such household furniture and furnishings. Upon a showing of good cause, the court shall order the appraisement.

Sec. 23. NRS 144.080 is hereby amended to read as follows:

144.080 If a personal representative neglects or refuses to file the inventory within the time prescribed by law or extended by the court, the court may, upon such notice as it deems appropriate ~~[, revoke]~~ ***:***

1. Revoke the letters of the personal representative ~~[, and]~~ ***;***

2. Order that the fees and costs incurred by the interested person seeking to enforce the provisions of this subsection be satisfied by the bond of the personal representative or, in the absence of a bond, be paid personally by the personal representative; or

3. Hold the personal representative ~~[is]~~ liable on the bond of the personal representative for any injuries sustained by the estate through his or her ~~[neglect.]~~ ***gross negligence or willful misconduct.***

Sec. 24. NRS 147.130 is hereby amended to read as follows:

147.130 1. If a claim is rejected by the personal representative or the court, in whole or in part, the claimant must be immediately notified by the personal representative, and the claimant must bring suit in the proper court against the personal representative within 60 days after the notice or file a timely petition for ~~[summary]~~ determination ***of the validity of the claim***

pursuant to subsection 2, whether the claim is due or not, or the claim is forever barred. A claimant must be informed of the rejection of the claim by written notice forwarded to the claimant's mailing address by registered or certified mail.

2. If a claim ~~[filed by the Department of Health and Human Services]~~ is rejected by the personal representative, ~~[the Director of the Department]~~ ***a creditor*** may, within 20 days after receipt of the written notice of rejection, petition the court for ~~[summary]~~ determination of ***the validity of*** the claim ~~[.]~~ ***in lieu of bringing suit against the personal representative pursuant to subsection 1.*** A petition for ~~[summary]~~ determination ***of the validity of the claim*** must be filed with the clerk, who shall set the petition for hearing, and notice must be given for the period and in the manner required by NRS 155.010. Allowance of the claim by the court is sufficient evidence of its correctness, and it must be paid as if previously allowed by the personal representative.

3. In any action brought upon a claim rejected in whole or in part by the personal representative, if the personal representative resides out of the State or has departed from the State, or cannot, after due diligence, be found within the State, or conceals himself or herself to avoid the service of summons, the summons, together with a copy of the complaint, must be mailed directly to the last address given by the personal representative, with a copy to the attorney for the estate, and proof of the mailing must be filed with the clerk where the administration of the estate is pending. This service is the equivalent of personal service upon the personal representative, but he or she has 30 days from the date of service within which to answer.

4. If the personal representative defaults after such service, the default is sufficient grounds for his or her removal as personal representative by the court without notice. Upon petition and notice, in the manner provided for an application for letters of administration, an administrator or an administrator with the will annexed must be appointed by the court and, upon his or her qualification as such, letters of administration or letters of administration with the will annexed must be issued.

Sec. 25. NRS 147.150 is hereby amended to read as follows:

147.150 No holder of a claim against an estate may maintain an action thereon unless the claim is first filed with the clerk and the claim is rejected in whole or in part, except in the following case: An action may be brought by the holder of a ***lien or*** mortgage to enforce the ***lien or*** mortgage against the property of the estate subject thereto if all recourse against any other property of the estate is expressly waived in the complaint.

Sec. 26. NRS 148.220 is hereby amended to read as follows:

148.220 1. Notice of the time and place of sale of real property must be published in a newspaper published in the county in which the property, or some portion of the property, is located, if there is one so published, and if not, then in such paper as the court directs, for 2 weeks, being three publications, 1 week apart, before the day of sale or, in the case of a private

sale, before the day on or after which the sale is to be made. For good cause shown, the court may decrease the number of publications to one and shorten the time for publication to a period not less than 8 days.

2. ~~[If the]~~ ***The court may waive the requirement of publication if:***

(a) The personal representative is the sole devisee or heir of the estate, or if all devisees or heirs of the estate consent in writing ~~[, the court may waive the requirement of publication.]~~ ***;***

(b) The personal representative provides proof that the property has been publicly listed in a public property listing service for a period of not less than 30 days; or

(c) The estate is subject to a lien or mortgage on the property in excess of the value of the real property and the estate has entered into an agreement with the holder of the lien or mortgage to waive the deficiency and accept the net sales proceeds.

3. If it appears from the inventory and appraisement that the value of the property to be sold does not exceed $5,000, the personal representative may waive the requirement of publication and, in lieu thereof, post a notice of the time and place of sale in three of the most public places in the county in which the property, or some portion of the property, is located, for 2 weeks before the day of the sale or, in the case of a private sale, before the day on or after which the sale is to be made.

4. The property proposed to be sold must be described with common certainty in the notice.

Sec. 27. NRS 148.260 is hereby amended to read as follows:

148.260 1. Except as otherwise provided in subsection 2, ~~[no]~~ ***a*** sale of real property at ***a*** private sale ~~[may]~~ ***must not*** be confirmed by the court unless the court is satisfied that the sum offered represents the fair market value of the property sold ~~[, nor unless]~~ ***and*** the real property has been appraised within 1 year before the time of sale. If ~~[it]~~ ***the property*** has not been appraised, a new appraisement must be ~~[had,]~~ ***performed,*** as in the case of an original appraisement of an estate ***,*** ~~[. This may be done]~~ at any time before the sale or confirmation ~~[thereof.]~~ ***of the property.***

2. ***The court may waive the requirement of an appraisement:***

(a) For good cause shown; or

(b) If the personal representative is the sole devisee or heir of the estate, or if all devisees or heirs consent in writing to sale without an appraisal, ~~[the requirement of an appraisal may be dispensed with and]~~ ***, in which case*** the personal representative may rely on the assessed value of the property for taxation in obtaining confirmation of the sale.

Sec. 28. NRS 148.270 is hereby amended to read as follows:

148.270 1. At the hearing, the court shall consider the necessity for the sale, or the advantage, benefit and interest of the estate in having the sale made, and must examine the return and the evidence in relation to the sale.

2. If it appears to the court that good reason existed for the sale, that the sale was legally made and fairly conducted, and complied with the

requirements of NRS 148.260, that the sum bid is not disproportionate to the value, and it does not appear that a sum exceeding the bid by at least 5 percent if the bid is not more than $100,000, or by at least $5,000 if the bid is $100,000 or more, may be obtained, the court shall enter an order confirming the sale and directing conveyances to be executed. Otherwise, it shall vacate the sale. If the court directs that the property be resold, notice must be given and the sale in all respects conducted as if no previous sale had taken place.

3. If a written offer of 5 percent or $5,000 more in amount than that named in the return is made to the court by a responsible person, as provided in subsection 2, and the bid complies with all provisions of the law, the court may accept the offer and confirm the sale to that person, order a new sale or conduct a public auction in open court.

4. If a higher bid is received at the time of a hearing to confirm the sale, the court may continue the hearing if it finds that the original bidder was not notified of the hearing and might desire to increase his or her bid, but failure to notify the original bidder or to continue the hearing is not grounds to void an order confirming a sale.

5. If the court accepts a higher bid at the time of a hearing to confirm the sale, the court shall confirm the original purchase contract and include in the order confirming the sale the substitution of the new sale price and purchaser. The order confirming the sale is a sufficient addendum to the original contract to allow escrow to close.

6. Notwithstanding the provisions of this section, if the estate is subject to a lien or mortgage that exceeds the value of the property and the estate has entered into an agreement with the holder of the lien or mortgage to waive any deficiency as to other estate property and accept the net sales proceeds as full satisfaction of the lien or mortgage, the court shall confirm the sale without accepting bids on the property.

Sec. 29. NRS 153.020 is hereby amended to read as follows:

153.020 ***1.*** If a ~~[~~~trust,~~]~~ life estate or estate for years is created by or under any will to continue after distribution ~~[~~~,~~]~~ ***of the estate,*** the court does not lose jurisdiction of the estate ***, life estate or estate for years*** by final distribution ~~[~~~,~~]~~ ***of the estate,*** but retains jurisdiction of it until the distribution of the residue ***of the life estate or estate for years*** to those entitled to it ~~[~~~. The court does not retain jurisdiction over a testamentary trust created by or under a will after distribution of that portion of the estate to such a testamentary trust.***

2. Notwithstanding the provisions of subsection 1, before the entry of an order granting final distribution of the estate, the court may consider a petition filed by the trustee or any beneficiary of the testamentary trust requesting the court to retain jurisdiction of the testamentary trust and,

upon good cause shown, the court may order such continued jurisdiction. Such a petition must be filed with the clerk of the court before the hearing on the petition for final distribution of the estate and must be served on all interested persons in accordance with NRS 155.010.

3. This section must not be construed to limit the ability of an interested person to subsequently seek submission of a testamentary trust to the jurisdiction of the court pursuant to NRS 164.010.

Sec. 30. NRS 153.031 is hereby amended to read as follows:

153.031 1. A trustee or beneficiary may petition the court regarding any aspect of the affairs of the trust, including:

(a) Determining the existence of the trust;

(b) Determining the construction of the trust instrument;

(c) Determining the existence of an immunity, power, privilege, right or duty;

(d) Determining the validity of a provision of the trust;

(e) Ascertaining beneficiaries and determining to whom property is to pass or be delivered upon final or partial termination of the trust, to the extent not provided in the trust instrument;

(f) Settling the accounts and reviewing the acts of the trustee, including the exercise of discretionary powers;

(g) Instructing the trustee;

(k) Appointing or removing a trustee;

(l) Accepting the resignation of a trustee;

(m) Compelling redress of a breach of the trust;

(n) Approving or directing the modification or termination of the trust;

(o) Approving or directing the combination or division of trusts;

(p) Amending or conforming the trust instrument in the manner required to qualify the estate of a decedent for the charitable estate tax deduction under federal law, including the addition of mandatory requirements for a charitable-remainder trust;

(q) Compelling compliance with the terms of the trust or other applicable law; and

(r) Permitting the division or allocation of the aggregate value of community property assets in a manner other than on a pro rata basis.

2. A petition under this section must state the grounds of the petition and the name and address of each interested person, including the Attorney General if the petition relates to a charitable trust, and the relief sought by the petition. Except as otherwise provided in this chapter, the clerk shall set the petition for hearing and the petitioner shall give notice for the period and in

the manner provided in NRS 155.010. The court may order such further notice to be given as may be proper.

3. If the court grants any relief to the petitioner, the court may, in its discretion, order any or all of the following additional relief if the court determines that such additional relief is appropriate to redress or avoid an injustice:

(a) Order a reduction in the trustee's compensation.

(b) Order the trustee to pay to the petitioner or any other party all reasonable costs incurred by the party to adjudicate the affairs of the trust pursuant to this section, including, without limitation, reasonable attorney's fees. The trustee may not be held personally liable for the payment of such costs unless the court determines that the trustee was negligent in the performance of or breached his or her fiduciary duties.

Sec. 31. NRS 153.041 is hereby amended to read as follows:

153.041 The trustee ~~[may, upon petition of a beneficiary or the guardian of a beneficiary, be ordered to appear at a hearing and render an account. Sec. 33. NRS 153.090 is hereby amended to read as follows:

153.090 1. A person named or designated as a trustee ***of a testamentary trust*** in a will may, at any time before distribution of any of the estate to the person, decline to act as trustee, and an order of court must be entered accepting the resignation, but the declination of any person who has qualified as trustee may not be accepted by the court unless ***the testamentary trust is subject to ongoing court jurisdiction pursuant to NRS 153.020 and*** a petition to accept the declination is filed in the proceeding for administration of the ~~[~~estate.~~]~~ ***testamentary trust.*** Upon the filing of the petition, the clerk shall set it for hearing and the petitioner shall give notice to all interested persons for the period and in the manner provided in NRS 155.010.

3. In accepting a declination ~~[~~,~~]~~ ***or resignation,*** the court may enter and enforce any order which may be necessary for the preservation of the estate.

Sec. 34. Chapter 155 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any provision in this title, if an act is authorized or required to be performed at or within a specified period pursuant to this chapter:

1. The period may be extended upon the agreement of all interested persons, by written stipulation of counsel filed in the action; or

2. The court, for good cause shown, may at any time:

Sec. 36. NRS 162.280 is hereby amended to read as follows:

162.280 At the time for distribution of any property of an estate or trust, the fiduciary may withhold any part or all of the property from the beneficiaries if the fiduciary determines that the property may be subject to ***claims of offset held by the fiduciary in his or her fiduciary capacity,*** conflicting claims, tax deficiencies or other liabilities, contingent or otherwise, relating to the estate or trust.

Sec. 37. NRS 162.300 is hereby amended to read as follows:

Sec. 38. Chapter 163 of NRS is hereby amended by adding thereto the provisions set forth as sections 39 and 40 of this act.

Sec. 39. ***Except as otherwise provided in NRS 163.0075 or another provision of law:***

1. A trust may be created for a noncharitable purpose without a definite ascertainable beneficiary or for a noncharitable but otherwise valid purpose. The noncharitable purpose for which a trust is created must be stated with sufficient particularity in the trust instrument as to be ascertainable by a finder of fact.

2. A trust authorized by this section may be enforced by a trustee, trust adviser, trust protector or person appointed under the terms of the trust or, if no such person is appointed, by the court.

3. Except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use, property of a trust authorized by this section may be applied only to its intended use, including, without limitation, appointing trust property to or for the benefit of an existing or new trust whose purposes are limited to one or more purposes of the original trust. Except as otherwise provided by the terms of the trust, property not required for the intended use must be distributed to the settlor, if living, or otherwise to the settlor's successors in interest.

4. As used in this section:

(a) "Trust adviser" has the meaning ascribed to it in NRS 163.5545.

(b) "Trust protector" has the meaning ascribed to it in NRS 163.5547.

(c) "Valid purpose" means any purpose that is not illegal or against public policy.

Sec. 40. ***Unless otherwise ordered or provided for in a property or separation agreement approved by the court in a proceeding for a divorce or annulment, the divorce, annulment of the marriage or termination of the domestic partnership of the descendant of a settlor revokes:***

1. Every devise, beneficial interest or designation to serve as trustee that was given by the settlor to the former spouse or domestic partner of the descendant in a revocable inter vivos trust executed before the entry of the decree of divorce or annulment or the termination of the domestic partnership, unless otherwise provided in the trust instrument, and the provisions of the trust take effect in the same manner as if the spouse or domestic partner of the descendant predeceased the settlor; and

2. The appointment of the spouse or domestic partner of the descendant as a trust protector, trust adviser or consultant.

Sec. 41. NRS 163.00195 is hereby amended to read as follows:

163.00195 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a trust must be enforced by the court ~~[.]~~ ***because public policy favors enforcing the intent of the settlor. However, because public policy does not favor forfeitures, a no-contest clause must be strictly construed by the court and must not be extended beyond the plain meaning of the express provisions of the trust.***

2. A no-contest clause must be construed to carry out the settlor's intent ~~[. Except]~~ to the extent ~~[the no-contest clause in the trust is vague or ambiguous,]~~ ***such intent is clear and unambiguous. No*** extrinsic evidence is ~~[not]~~ admissible to establish the settlor's intent concerning the no-contest clause. The provisions of this subsection do not prohibit ~~[such]~~ ***extrinsic*** evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a beneficiary's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the settlor in the trust. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the trust itself, including, without limitation:

(1) The commencement of civil litigation against the settlor's probate estate or family members;

(2) Interference with the administration of another trust or a business entity;

(3) Efforts to frustrate the intent of the settlor's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the settlor.

3. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated ~~[if]~~ ***because of any action taken by*** the beneficiary ~~[seeks]~~ ***seeking*** only to:

(a) Enforce the terms of the trust, any document referenced in or affected by the trust, or any other trust-related instrument;

(b) Enforce the beneficiary's legal rights related to the trust, any document referenced in or affected by the trust, or any trust-related instrument; ~~[or]~~

(c) Obtain ~~[a]~~ court ~~[ruling]~~ ***instruction*** with respect to the ***proper administration of the trust or the*** construction or legal effect of the trust, ***the provisions thereof or*** any document referenced in or affected by the trust, or any other trust-related instrument ~~[.]~~ ***; or***

(d) Enforce the fiduciary duties of the trustee.

4. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust, any document referenced in or affected by the trust, or any other trust-related instrument if the legal action is instituted ***and maintained*** in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that the trust, any document referenced in or affected by the trust, or other trust-related instrument is invalid.

5. ***Unless the trust expressly provides otherwise, a no-contest clause must not be applied to a settlor who is also a beneficiary of the trust.***

6. As used in this section:

(a) "No-contest clause" means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor's intent as expressed in the trust or in a trust-related instrument.

(b) "Trust" means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.

(c) "Trust-related instrument" means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

Sec. 42. NRS 163.002 is hereby amended to read as follows:

163.002 ***1.*** Except as otherwise provided by specific statute, a trust may be created by any of the following methods:

~~[1.]~~ ***(a)*** A declaration by the owner of property that he or she ***or another person*** holds the property as trustee. In the absence of a contrary declaration by the owner of the property or of a transfer of the property to a third party and regardless of formal title to the property:

~~[(a)]~~ ***(1)*** Property declared to be trust property, together with all income therefrom and the reinvestment thereof, must remain trust property; and

~~[(b)]~~ ***(2)*** If the property declared to be trust property includes an account, contract, certificate, note, judgment, business interest, contents of a safe deposit box or other property interest that is subject to additions or contributions, all subsequent additions and contributions to the property are also trust property.

~~[2.]~~ ***(b)*** A transfer of property by the owner during his or her lifetime to another person as trustee.

~~[3.]~~ ***(c)*** A testamentary transfer of property by the owner to another person as trustee.

~~[4.]~~ ***(d)*** An exercise of a power of appointment in trust.

~~[5.]~~ ***(e)*** An enforceable promise to create a trust.

2. A declaration pursuant to paragraph (a) of subsection 1 may include a schedule or list of trust assets that is signed by the owner of the property or that is incorporated by reference into a document that is signed by the owner of the property.

Sec. 43. NRS 163.006 is hereby amended to read as follows:

163.006 A trust is created only if there is a beneficiary. This requirement is satisfied if the trust instrument provides for:

1. A beneficiary or class of beneficiaries that is ascertainable with reasonable certainty or that is sufficiently described so that it can be determined whether a person meets the description or is within the class;

2. A grant of power to the trustee or some other person to select the beneficiary based on a standard or in the discretion of the trustee or other person;

3. A charitable trust as defined in NRS 163.460;

4. A trust for the care of one or more animals created pursuant to NRS 163.0075; ~~[or]~~

5. A public benefit trust as defined in NRS 163.551 ~~[.]~~ ***; or***

6. A noncharitable trust without an ascertainable beneficiary pursuant to section 39 of this act.

Sec. 44. NRS 163.008 is hereby amended to read as follows:

163.008 1. A trust created in relation to real property is not valid unless it is created by operation of law or is evidenced by:

(a) A written instrument signed by the trustee, or by the agent of the trustee if the agent is authorized in writing to do so; or

(b) A written instrument, including, without limitation, an electronic trust, conveying the trust property and signed by the settlor, or by the agent of the settlor if the agent is authorized in writing to do so.

2. Such a trust may be recorded in the office of the county recorder in the county where all or a portion of the real property is located.

3. This section must not be construed to require a declaration by an owner of property pursuant to NRS 163.002 that specifically identified real property is held in trust to be in writing. As used in this subsection,

"specifically identified real property" includes property that is identified by legal description, street address or the applicable assessor's parcel number.

Sec. 45. NRS 163.027 is hereby amended to read as follows:

163.027 1. Except as otherwise provided in subsection 2 or in the trust, a trustee may distribute property and money:

(a) In divided or undivided interests; and

(b) With or without proration.

2. Each affected beneficiary must consent before property or money is distributed without proration ~~[,]~~ unless the trust specifically authorizes the trustee to make that distribution ~~[.]~~ ***or the distribution is otherwise authorized by law.***

Sec. 46. NRS 163.115 is hereby amended to read as follows:

163.115 1. If a trustee commits or threatens to commit a breach of trust, a beneficiary or cotrustee of the trust may maintain a proceeding for any of the following purposes that is appropriate:

(a) To compel the trustee to perform his or her duties.

(b) To enjoin the trustee from committing the breach of trust.

(c) To compel the trustee to redress the breach of trust by payment of money or otherwise.

(d) To appoint a receiver or temporary trustee to take possession of the trust property and administer the trust.

(e) To remove the trustee.

(f) To set aside acts of the trustee.

(g) To reduce or deny compensation of the trustee.

(h) To impose an equitable lien or a constructive trust on trust property.

(i) To trace trust property that has been wrongfully disposed of and recover the property or its proceeds.

2. ***On petition or ex parte application of a beneficiary or trustee, the court by temporary order, with or without bond, may restrain a trustee from performing specified acts of administration, disbursement or distribution, or exercising any powers or discharging any duties of the office, or enter any other order to secure proper performance of the duties of the office. Notwithstanding any other provision of law governing temporary injunctions, if it appears to the court that the trustee otherwise may take some action that would jeopardize unreasonably the interest of the petitioner, another beneficiary or the trust, the court may enter the temporary order. A person with whom the trustee may transact business may be made a party to the temporary order.***

3. Any temporary order entered pursuant to subsection 2 must be set for hearing within 10 days after entry of the temporary order, unless the parties otherwise agree, or on a date the court otherwise determines is in the best interests of the trust. Notice of entry of the temporary order must be given by the petitioner to the trustee and the attorney of record of the trustee, if any, to any other party named as a party in the temporary order and as otherwise directed by the court.

4. The provision of remedies in ~~[subsection 1]~~ ***this section*** does not preclude resort to any other appropriate remedy provided by statute or common law.

~~[3.]~~ ***5.*** A proceeding under this section must be commenced by filing ***or bringing in conjunction with the filing of*** a petition under NRS 164.010 and 164.015.

Sec. 47. NRS 163.130 is hereby amended to read as follows:

163.130 1. A trustee who has incurred personal liability for a tort committed in the administration of the trust is entitled to exoneration therefor from the trust property if the trustee has not discharged the claim, or to be reimbursed therefor out of trust funds if the trustee has paid the claim, if:

(a) The tort was a common incident of the kind of business activity in which the trustee was properly engaged for the trust; ~~[or]~~

(b) Although the tort was not a common incident of such activity, neither the trustee nor any officer or employee of the trustee was guilty of personal fault in incurring the liability ~~[.]~~ ***; or***

(c) The trust instrument authorizes the exoneration or reimbursement of a trustee and the actions of the trustee did not constitute willful misconduct or gross negligence.

2. If a trustee commits a tort which increases the value of the trust property, the trustee shall be entitled to exoneration or reimbursement with respect thereto to the extent of such increase in value, even though the trustee would not otherwise be entitled to exoneration or reimbursement.

3. Nothing in this section shall be construed to change the existing law with regard to the liability of trustees of charitable trusts for torts of themselves or their employees.

Sec. 48. NRS 163.4185 is hereby amended to read as follows:

163.4185 1. A distribution interest may be classified as:

(a) A mandatory interest if the trustee has no discretion to determine whether a distribution should be made, when a distribution should be made or the amount of the distribution.

(b) A support interest if the ~~[distribution of a support interest contains a standard for distribution for the support of a person which may be interpreted by the trustee or a court, as necessary. A provision in a trust which provides a support interest may contain mandatory language which a]~~ trustee ~~[must follow.]~~ ***is required to make distributions to the beneficiary pursuant to an ascertainable standard.***

(c) A discretionary interest if the trustee has discretion to determine whether a distribution should be made, when a distribution should be made and the amount of the distribution.

2. If a trust contains a combination of a mandatory interest, a support interest or a discretionary interest, the trust must be separated as:

(a) A mandatory interest only to the extent of the mandatory language provided in the trust;

(b) A support interest only to the extent of the support language provided in the trust; and

(c) A discretionary interest for any remaining trust property.

3. If a trust provides for a support interest that also includes mandatory language but the mandatory language is qualified by discretionary language, the support interest must be classified and separated as a discretionary interest.

4. As used in this section, "ascertainable standard" means a standard relating to a person's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

Sec. 49. NRS 163.556 is hereby amended to read as follows:

163.556 1. Except as otherwise provided in this section, unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust as provided in this section.

2. The second trust to which a trustee appoints property of the first trust may only have as beneficiaries one or more of the beneficiaries of the original trust:

(a) To or for whom a distribution of income or principal may be made from the original trust;

(b) To or for whom a distribution of income or principal may be made in the future from the original trust at a time or upon the happening of an event specified under the first trust; or

(c) Both paragraphs (a) and (b).

➥ For purposes of this subsection, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.

3. A trustee may not appoint property of the original trust to a second trust if:

(a) Appointing the property will reduce any income interest of any income beneficiary of the original trust if the original trust is:

(1) A trust for which a marital deduction has been taken for federal or state income, gift or estate tax purposes;

(2) A trust for which a charitable deduction has been taken for federal or state income, gift or estate tax purposes; or

(3) A grantor-retained annuity trust or unitrust under ~~[27]~~ ***26*** C.F.R. § 25.2702-3(b) and (c).

➥ As used in this paragraph, "unitrust" has the meaning ascribed to it in NRS 164.700.

(b) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust's power of withdrawal is unchanged with respect to the trust property.

(c) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.

(d) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the property held for the benefit of the same beneficiaries under only the original trust, unless:

(1) The benefit provided is limited to a specific amount or periodic payments of a specific amount; and

(2) The value of the property held in either or both trusts for the benefit of one or more beneficiaries is actuarially adequate to provide the benefit.

(e) A contribution made to the original trust qualified for a gift tax exclusion as described in section 2503(b) of the Internal Revenue Code, 26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust provides that the beneficiary's remainder interest must vest not later than the date upon which such interest would have vested under the terms of the original trust.

4. A trustee who is a beneficiary of the original trust may not exercise the authority to appoint property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself or herself;

(2) The trustee's discretion to make distributions to himself or herself is limited by an ascertainable standard, and under the terms of the second trust, the trustee's discretion to make distributions to himself or herself is not limited by the same ascertainable standard; or

(3) The trustee's discretion to make distributions to himself or herself can only be exercised with the consent of a cotrustee or a person holding an adverse interest and under the terms of the second trust the trustee's discretion to make distributions to himself or herself is not limited by an ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the administration of the original trust, the trustee of the original trust does not have discretion to make distributions that will discharge the trustee's legal support obligations but under the second trust the trustee's discretion is not limited.

5. Notwithstanding the provisions of subsection 1, a trustee who may be removed by the beneficiary or beneficiaries of the original trust and replaced with a trustee that is related to or subordinate, as described in section 672 of the Internal Revenue Code, 26 U.S.C. § 672(c), to a beneficiary, may not exercise the authority to appoint property of the original trust to a second trust to the extent that the exercise of the authority by such trustee would have the effect of increasing the distributions that can be made from the second trust to such beneficiary or group of beneficiaries that held the power to remove the trustee of the original trust and replace such trustee with a related or subordinate person, unless the distributions that may be made from the second trust to such beneficiary or group of beneficiaries described in paragraph (a) of subsection 4 are limited by an ascertainable standard.

6. The provisions of subsections 4 and 5 do not prohibit a trustee who is not a beneficiary of the original trust or who may not be removed by the beneficiary or beneficiaries and replaced with a trustee that is related to or subordinate to a beneficiary from exercising the authority to appoint property of the original trust to a second trust pursuant to the provisions of subsection 1.

7. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

8. The trust instrument of the second trust may:

(a) Grant a general or limited power of appointment to one or more of the beneficiaries of the second trust who are beneficiaries of the original trust.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

9. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

10. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

11. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

12. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

13. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited

from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

14. A trustee's power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

15. A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

16. The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also exercise the powers granted pursuant to this section with respect to the second trust.

17. ~~[For the purposes of this section, "second trust" means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the second original trust. The second trust may be a trust created under the same trust instrument as the original trust or under a different trust instrument.~~

~~18. As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.~~

~~19.]~~ This section applies to a trust that is governed by, situsted in or administered under the laws of this State, whether the trust is initially governed by, situsted in or administered under the laws of this State pursuant to the terms of the trust instrument or whether the governing law, situs or administration of the trust is moved to this State from another state or foreign jurisdiction.

18. The power to appoint to a second trust pursuant to this section may be exercised to appoint to a second trust that is a special needs trust, pooled trust or third-party trust.

19. As used in this section:

(a) "Ascertainable standard" means a standard relating to a person's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

(b) "Pooled trust" means a trust described in 42 U.S.C. § 1396p(d)(4)(C) that meets the requirements for such a trust under any law or regulation of

this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(c) "Second trust" means an irrevocable trust that receives trust income or principal appointed by the trustee of the original trust, and may be established by any person, including, without limitation, a new trust created by the trustee, acting in that capacity, of the original trust. If the trustee of the original trust establishes the second trust, then for purposes of creating the new second trust, the requirement of NRS 163.008 that the instrument be signed by the settlor shall be deemed to be satisfied by the signature of the trustee of the second original trust. The second trust may be a trust created under the same trust instrument as the original trust or under a different trust instrument.

(d) "Special needs trust" means a trust under 42 U.S.C. § 1396p(d)(4)(A) that meets the requirements for such a trust under any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid or other needs-based public assistance.

(e) "Third-party trust" means a trust that is:

(1) Established by a third party with the assets of the third party to provide for the supplemental needs of a person who is eligible for needs-based public assistance at or after the time of the creation of the trust; and

(2) Exempt from the provisions of any law or regulation of this State relating to the treatment of trusts for purposes of eligibility for Medicaid.

GENERAL FILE AND THIRD READING

Senate Bill No. 183.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 909.

AN ACT relating to local financial administration; making the provisions of the Local Government Budget and Finance Act applicable to **certain** housing authorities; revising requirements for certain commissioners **and reducing the number of commissioners** of a regional housing authority in certain counties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the governing body of any town, city or county to create by resolution a housing authority to provide various types of housing services for persons of low income in such town, city or county. (NRS 315.140-315.780) Existing law also authorizes two or more housing authorities in a county whose population is 700,000 or more (currently Clark County) to form a regional housing authority. (NRS 315.7805) Existing law further creates the Nevada Rural Housing Authority to provide various types of housing services for persons of low and moderate income in areas of the State which are not included within the corporate limits of a city or town having a population of 150,000 or more. (NRS 315.961-315.99874)

The Local Government Budget and Finance Act sets forth various requirements, procedures and limitations relating to the financial administration of local governments. (NRS 354.470-354.626) Under existing law, the Act applies to the Nevada Rural Housing Authority for the sole purpose of requiring the Authority to hold a public hearing before making an interfund loan or loaning money to another local government but does not apply to any other type of housing authority. (NRS 315.420, 315.983, 354.474, 354.6118)

AN ACT relating to health care; requiring the State Plan for Medicaid and certain health insurance plans to provide certain benefits relating to reproductive health care, hormone replacement therapy and preventative health care; revising provisions relating to dispensing of contraceptives; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires most health insurance plans which cover prescription drugs and outpatient care to also include coverage for contraceptive drugs and devices without an additional copay, coinsurance or a higher deductible than that which may be charged for other prescription drugs and outpatient care under the plan. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) Existing law also requires most health insurance plans to include coverage for certain preventative services, including the human papillomavirus vaccine, cytological screenings and mammograms. (NRS 287.0272, 689A.0405, 689A.044, 689B.0313, 689B.0374, 695B.1912, 695B.1925, 695C.1735, 695C.1745, 695G.171) Certain plans, including small employer plans, benefit contracts provided by fraternal benefit societies, plans issued by a managed care organization and certain plans offered by governmental entities of this State are not currently subject to some of these requirements. (Chapters 287, 689C, 695A and 695G of NRS)

The federal Patient Protection and Affordable Care Act (Public Law 111-148, as amended) requires certain preventative services to be covered by every health insurance plan without any copay, coinsurance or higher deductible, including, without limitation, certain contraceptive drugs, devices and services, certain vaccinations, mammograms, counseling concerning interpersonal and domestic violence, screenings for certain diseases and well-woman preventative visits. (42 U.S.C. § 300gg-13(a)(4); 45 C.F.R. § 147.130) This bill places those requirements in Nevada law, requiring all private health insurance plans and certain public health insurance plans made available in this State to provide coverage for certain preventative services without any copay, coinsurance or a higher deductible. **Sections 7, 8 and 11-57** of this bill allow an insurer to require an insured to pay a higher deductible, copayment or coinsurance for a drug for contraception if the insured refused to accept a therapeutic equivalent of the contraceptive drug. In addition, a health insurance plan must include for each listed method of contraception which is approved by the Food and Drug Administration at least one contraceptive drug or device for which no deductible, copayment or coinsurance may be charged to the insured. **Sections 7, 8 and 11-57** authorize an insurer to use medical management techniques, including step therapy and prior authorization, to determine the frequency of the preventative services required by this bill or the type of provider of health care who will provide such services. **Sections 7, 8 and 11-57** also require

certain contraceptive drugs, devices and services to be covered by a health insurance plan, including up to a 12-month supply of contraceptives or a therapeutic equivalent, insertion or removal of a contraceptive device, education and counseling relating to contraception and voluntary sterilization for women. **Sections 12, 18, 27, 33, 38, 45 and 54**: (1) prohibit the use of medical management techniques to require an insured to use a method of contraception other than that prescribed or ordered by a provider of health care; and (2) require an insurer to provide a process by which an insured can request an exemption from a medical management technique required by an insurer to obtain contraception.

Existing law authorizes an insurer which is affiliated with a religious organization and which objects on religious grounds to providing coverage for contraceptive drugs and devices to exclude coverage in its policies, plans or contracts for such drugs and devices. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) **Sections 12, 20, 27, 33, 38, 45 and 54** of this bill move the religious exemption to the new provisions relating to coverage of contraception.

Existing law requires most health insurance plans which cover prescription drugs and outpatient care to also include coverage for hormone replacement therapy without an additional copay, coinsurance or a higher deductible than that which may be charged for other prescription drugs and outpatient care under the plan. (NRS 689A.0415, 689A.0417, 689B.0376, 689B.0377, 695B.1916, 695B.1918, 695C.1694, 695C.1695) **Sections 7, 8 and 11-57** of this bill expand this requirement to private health insurance plans and certain public health insurance plans made available in this State and require such health insurance plans to provide coverage for hormone replacement therapy without any copay, coinsurance or higher deductible.

Existing law requires this State to develop a State Plan for Medicaid which includes, without limitation, a list of the medical services provided to Medicaid recipients. (42 U.S.C. § 1396a; NRS 422.063) Existing federal law authorizes a state to charge a copay, coinsurance or deductible for most Medicaid services, but prohibits any copay, coinsurance or deductible for certain contraceptive drugs, devices and services. (42 U.S.C. § 1396o-1) Existing federal law also authorizes a state to define the parameters of contraceptive coverage provided under Medicaid. (42 U.S.C. § 1396u-7) Existing law requires a number of specific medical services to be covered under Medicaid. (NRS 422.2717-422.27241) **Sections 2-5.5** of this bill require the State Plan for Medicaid to include ~~[the]~~ **certain** preventative services currently required to be covered by private health insurance plans pursuant to existing Nevada law, the Patient Protection and Affordable Care Act (Public Law 111-148 as amended) as well as the additional drugs, devices, supplies and services required by **sections 7, 8 and 11-57** without any copay, coinsurance or deductible in most cases. The benefits relating to contraceptive drugs which are provided by **section 2** of this bill are subject to step therapy and prior authorization requirements pursuant to existing law.

Existing law authorizes a pharmacist to dispense up to a 90-day supply of a drug pursuant to a valid prescription or order in certain circumstances. (NRS 639.2396) **Section 8.5** of this bill requires a pharmacist to dispense up to a 12-month or the balance of the plan year, whichever is shorter, supply of contraceptives or their therapeutic equivalent pursuant to a valid prescription or order if: (1) the patient has previously received a 3-month supply of the same drug; (2) the patient has previously received a 9-month supply of the same drug or a supply of the same drug for the balance of the plan year in which the 3-month supply was prescribed or ordered, whichever is shorter; (3) the patient is insured by the same health insurance plan; and (4) a provider of health care has not specified in the prescription or order that a different supply of the drug is necessary.

Remarks by Assemblyman Sprinkle.

Amendment adopted.

Bill ordered reprinted, reengrossed and to third reading.

Senate Bill No. 281.

Bill read third time.

The following amendment was proposed by the Committee on Taxation:

Amendment No. 784.

AN ACT relating to real property; revising provisions relating to the disposition of excess proceeds received from the sale of real property by a county treasurer for delinquent taxes; **revising provisions governing agreements to locate, deliver, recover or assist in the recovery of such excess proceeds;** revising provisions governing the assessment of common expenses in a common-interest community; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a county tax receiver to execute and deliver a deed of a property in trust to the county treasurer under certain circumstances when the taxes on the property are delinquent. (NRS 361.585) After the deed has been delivered to the county treasurer, the county treasurer is authorized to make certain dispositions of the property, including, without limitation: (1) reconveying the property to certain persons upon payment of the amount of property taxes accrued, plus any costs, penalties and interest, if such payment is made within a certain time before the sale of the property by the county treasurer; or (2) selling the property to recover the delinquent taxes. (NRS 361.585, 361.595) If the county treasurer sells the property and excess proceeds remain after the county treasurer has applied the proceeds of the sale to the delinquent taxes and certain other payments, existing law provides

for the distribution of the excess proceeds from the sale to certain persons holding securing interests in the order of priority of their recorded liens. (NRS 361.610)

Section 2 of this bill **revises provisions relating to the distribution of excess proceeds from the sale of property to recover delinquent taxes. Section 2** authorizes the following persons to receive a distribution of excess proceeds from ~~[the]~~ **such a** sale **:** ~~[of such property to recover delinquent taxes:]~~ (1) **a person who has a lien on the property for certain waste management fees or charges; (2)** the unit-owners' association of a common-interest community if the association has caused to be recorded a notice of default and election to sell a property to satisfy its lien on the property and that notice has not been rescinded; and ~~[(2)]~~ **(3)** the unit-owners' association of a condominium hotel or an owner of a unit of a condominium hotel if the association or owner has caused to be recorded a notice of default and election to sell a property to satisfy the association's or owner's lien on the property and that notice has not been rescinded. **Under section 2, if a unit-owners' association of a common-interest community recovers excess proceeds from the sale of a residential unit in the common-interest community, the association may not collect any amount remaining due to the association from the owner of the residential unit after receiving the excess proceeds. Finally, section 2 provides that the cap on the amount of the fee that may be charged by a person who assists another person in recovering excess proceeds from a sale of property for delinquent taxes applies only to a fee charged to a natural person who owned and occupied the property as his or her primary residence at the time of the sale.**

Generally, existing law requires the expenses of a unit-owners' association to be paid by imposing assessments against the units that are part of the association. (NRS 116.019, 116.3115) However, under existing law, expenses benefitting fewer than all of the units' owners may be assessed only against the units or units' owners benefited by the expenses. (NRS 116.3115) **Section 2.5** of this bill specifies that if a unit-owners' association pays, on behalf of a unit's owner, delinquent property taxes or utility charges owed by the unit's owner, those expenses may be assessed against the unit or the unit's owner.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive, or as otherwise provided in this chapter:

(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units' owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:

(a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;

(b) Any common expense benefiting fewer than all of the units or their owners ***, including, without limitation, common expenses consisting of the payment, on behalf of a unit's owner, of delinquent property taxes or utility charges owed by the unit's owner,*** may be assessed exclusively against the units or units' owners benefited; and

(c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Legislative Counsel's Digest:

Existing law creates the State Apprenticeship Council and requires the Council to establish standards for programs of apprenticeship. (NRS 610.030, 610.090, 610.095) The purposes of such programs include, without limitation: (1) the creation of the opportunity for persons to obtain training that will equip those persons for profitable employment and citizenship; and (2) the establishment of an organized program for the voluntary training of those persons by providing facilities for training and guidance in the arts and crafts of industry and trade. (NRS 610.020) Existing law sets forth the requirements for a public body which sponsors or finances a public work to award a contract to a contractor for the construction of the public work. (Chapter 338 of NRS) Such requirements include, without limitation: (1) the payment of the prevailing wage in the county in which the public work is located; and (2) the establishment of certain fair employment practices for contractors in connection with the performance of work under the contract awarded by the public body. Section 4 authorizes the Labor Commissioner to ~~[: (1) adopt, with the approval of the State Apprenticeship Council, regulations revising such percentage requirements each calendar year; and (2) impose a monetary penalty for the failure of a contractor or subcontractor to comply with the requirement to use apprentices on a public work for the minimum percentage of hours.]~~ **grant an exemption from this requirement if a public work is performed in a county whose population is less than 100,000 or a city whose population is less than 60,000 and the Labor Commissioner finds that there is a lack of qualified apprentices in a recognized class of worker from any available source in the geographic area in which the public work will be performed. Finally, section 4 requires all ~~[money which is collected by the Labor Commissioner for]~~ monetary penalties imposed **on a contractor or subcontractor for failure to comply with the requirements of that section** to be **paid to the State Director of Apprenticeships and** distributed to ~~[certain]~~ programs ~~[of apprenticeship that are approved by the State Apprenticeship Council.]~~ **for the recruitment, education and training of construction workers and the placement of such workers in employment.**

Section 6.85 of this bill requires an apprenticeship program to submit a quarterly report to the State Apprenticeship Council which contains the: (1) number of apprentices enrolled in the program; (2) enrollment capacity of the program; and (3) number of apprentices who completed the program in the period covered by the report. Section 6.85 further provides that on or before February 1, 2021, the State Apprenticeship Council is required to submit to the Director of the Legislative Counsel Bureau a report on the availability and use of apprentices for transmission to the 2021 Legislative Session.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 817.

AN ACT relating to renewable energy; declaring the policy of this State concerning renewable energy; ~~[requiring an assessment of technically feasible and economically viable pathways for achieving the goals in the policy to be included in the comprehensive state energy plan; requiring the comprehensive state energy plan to be updated at least once every 2 years;]~~ revising the portfolio standard for providers of electric service in this State; **revising the manner in which providers of electric service may comply with the portfolio standard; expanding the definition of "provider of electric service" for the purposes of the portfolio standard;** requiring the Public Utilities Commission of Nevada to revise any existing portfolio standard applicable to a provider of new electric resources to comply with the portfolio standard established by this act; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill sets forth findings and declarations of the Legislature that it is the policy of this State to: (1) encourage and accelerate the development of new renewable energy projects for the economic, health and environmental benefits provided to the people of this State; and (2) become a leading producer and consumer of clean and renewable energy, with a goal of achieving by 2040 an amount of renewable energy production of at least 80 percent of the electricity sold by providers of electric service in this State.

~~[Existing law requires the Director of the Office of Energy to prepare a comprehensive state energy plan which, in part, provides for the promotion of the use of renewable energy and the use of energy conservation and energy efficiency measures. (NRS 701.190) Section 1 of this bill requires the Director to update the comprehensive state energy plan at least once every 2 years and to include in the plan provisions for the assessment of technically feasible and economically viable pathways for achieving by 2040 the goal of generating or acquiring an amount of annual renewable energy production of at least 80 percent of the electricity sold by providers of electric service in this State. Section 1 also requires the Director to submit to the Governor and the Legislature a biennial report of the most recent update to the comprehensive state energy plan.]~~

Existing law requires the Public Utilities Commission of Nevada to establish a portfolio standard which requires each provider of electric service in this State to generate, acquire or save electricity from renewable energy systems or efficiency measures a certain percentage of the total amount of electricity sold by the provider to its retail customers in this State during a calendar year. (NRS 704.7821) **Section 3** of this bill revises the portfolio standard for calendar year 2018 and each calendar year thereafter so that by calendar year 2030 and for each calendar year thereafter, each provider of electric service will be required to generate, acquire or save electricity from renewable energy systems or efficiency measures not less than 50 percent of the total amount of electricity sold by the provider to its retail customers in

this State during that calendar year. **Section 3** also **: (1)** eliminates the requirement that a minimum percentage of the amount of electricity that the provider is required to generate, acquire or save be generated or acquired from solar renewable energy systems ~~[.]~~ **; and (2) revises, for the purposes of compliance with the portfolio standard, the provisions governing the calculation of the total amount of electricity sold by a provider to its retail customers in this State.**

Sections 1.5, 1.7, 2.2 and 2.7 of this bill provide for qualified energy storage systems to be used for compliance with the portfolio standard. Section 3 limits the use of such qualified energy storage systems to not more than 10 percent of the total amount of electricity that the provider is required to generate, acquire or save from portfolio energy systems.

Sections 2.1 and 2.9 of this bill limit the facilities or energy systems that qualify as a renewable energy system for the purposes of the portfolio standard.

Section 2.3 and 4.3 of this bill revise provisions governing the use of geothermal energy to comply with the portfolio standard.

Section 2.8 of this bill expands the definition of "provider of electric service" for the purposes of compliance with the portfolio standard. Sections 2.5 and 4.7 of this bill provide that these additional entities which are providers of electric service for the purposes of the portfolio standard are not subject to the jurisdiction of the Commission and are not required to provide certain reports to the Commission. Sections 2.4 and 7 of this bill provide that these additional entities must, beginning on July 1, 2020, and each year thereafter, provide reports to the Director of the Office of Energy.

Sections 3 and 4 of this bill provide that the portfolio standard established by NRS 704.7821 is applicable to providers of new electric resources, and ~~[section]~~ **also revises the limits on energy efficiency measures used to comply with the portfolio standard. Section 5** of this bill requires the Commission ~~[, before July 1, 2017,]~~ to revise ~~[any]~~ **certain** portfolio ~~[standard]~~ **standards** established for a provider of new electric resources to comply with the revised portfolio standard established by **section 3**.

2. Become a leading producer and consumer of clean and renewable energy, with a goal of achieving by 2040 an amount of renewable energy production equal to at least 80 percent of the total amount of electricity sold by providers of electric service in this State.

Sec. 2.1. ***1. The Legislature finds and declares that the requirements set forth in this section are necessary to ensure that the benefits of the increased use of renewable energy systems are received by the residents of this State. Such benefits include, without limitation, improved air quality, reduced water use, a more diverse portfolio of resources for generating electricity, reduced fossil fuel consumption and more stable rates for retail customers of electricity.***

2. To qualify as a renewable energy system for the purposes of paragraph (b) of subsection 1 of NRS 704.7815, a facility or energy system must:

(a) Have its first point of interconnection with:

(1) A Nevada balancing authority;

(2) A distribution facility which serves retail customers located within an area controlled by a Nevada balancing authority; or

(3) An entity described in paragraph (a), (b), (c), (d) or (e) of subsection 3 of NRS 704.7808;

(b) Subject to the limitations set forth in subsection 3, generate electricity that is scheduled for transmission or distribution into a Nevada balancing authority without substitution of electricity from another source; or

(c) Generate electricity that is dynamically transferred into a Nevada balancing authority.

3. For the purpose of determining whether a facility or energy system qualifies as a renewable energy system pursuant to paragraph (b) of subsection 2, electricity may be substituted from another source if:

(a) Both:

(1) The substitution is limited to the amount of electricity from another source which is required to provide ancillary services necessary to maintain the scheduled transmission or distribution of electricity into the Nevada balancing authority; and

(2) The amount of electricity substituted pursuant to paragraph (a) is not included in the amount of electricity generated by the facility or energy system; or

(b) Both:

(1) The substitution is limited to the amount of electricity from another source which is required for firming and shaping the electricity that is scheduled for transmission or distribution into the Nevada balancing authority; and

(2) The electricity which is substituted is incremental electricity.

4. As used in this section, "Nevada balancing authority" means an entity:

(a) With control over the electricity loads and electricity resources for an area which includes the majority of the territory of this State;

(b) Which maintains in real time the balance between electricity loads and electricity resources within the area the entity controls; and

(c) Is responsible for keeping the actual interchange of electricity equal to the scheduled interchange of electricity for the area the entity controls.

Sec. 2.2. 1. Subject to the limitations set forth in this section and paragraph (b) of subsection 2 of NRS 704.7821, for the purpose of complying with a portfolio standard established pursuant to NRS 704.7821 or 704.78213, a provider shall be deemed to have generated or acquired 2.0 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity delivered by or acquired from a qualified energy storage system, if the owner or operator of the qualified energy storage system demonstrates to the Commission:

(a) For the purposes of subsection 1 of section 1.7 of this act, that the electricity:

(1) Stored in the qualified energy storage system was generated by renewable energy; and

(2) Delivered by the qualified energy storage system was delivered during a peak load period.

(b) For the purposes of subsection 2 of section 1.7 of this act, that the ancillary services provided by the qualified energy storage system were used to integrate into the grid electricity which was generated by renewable energy.

2. For the purposes of subsection 1, a provider shall not be deemed to have generated or acquired more than 2.0 kilowatt-hours of electricity from a renewable energy system per day for each 1.0 kilowatt-hour of installed capacity of the qualified energy storage system.

3. For the purposes of subsection 1, the owner or operator of the qualified energy storage system must make his or her demonstration to the Commission using the operating algorithms, rules and schedules and market participation of the qualified energy storage system, to the extent applicable.

Sec. 2.3. For the purpose of complying with a portfolio standard established pursuant to NRS 704.7821 or 704.78213, a provider shall be deemed to have generated or acquired 1.5 kilowatt-hours of electricity from a renewable energy system for each 1.0 kilowatt-hour of actual electricity generated or acquired from a portfolio energy system that generates electricity from geothermal energy, if the system was placed into operation on or after January 1, 2018.

Sec. 2.4. A provider of electric service described in subsection 3 of NRS 704.7808 shall, on or before July 1 of each year, submit to the Director of the Office of Energy appointed pursuant to NRS 701.150 a report which contains the information described in subsection 4 of NRS 704.7825.

(b) Methods to classify the financial impact of each long-term renewable energy contract and energy efficiency contract as an additional imputed debt of a utility provider. The regulations must allow the utility provider to propose an amount to be added to the cost of the contract, at the time the contract is approved by the Commission, equal to a compensating component in the capital structure of the utility provider. In evaluating any proposal made by a utility provider pursuant to this paragraph, the Commission shall consider the effect that the proposal will have on the rates paid by the retail customers of the utility provider.

(a) Described in subsection 3 of NRS 704.7808 to its retail customers in this State during a calendar year does not include the first 1,000,000

megawatt-hours of electricity sold by the provider to such customers during that calendar year.

(b) To its retail customers in this State during a calendar year does not include the amount of electricity sold by the provider as part of a program of optional pricing authorized by the Commission pursuant to NRS 704.738.

If such an order was issued by the Commission:***

(a) Before July 1, 2012, the provisions of this subsection apply for all calendar years.

(b) On or after July 1, 2012, and before July 1, 2017, the provisions of this subsection apply only for calendar years before calendar year 2025.

3. ~~*[2.]*~~ If, for the benefit of one or more eligible customers, the eligible customer of a provider of new electric resources has paid for or directly

reimbursed, in whole or in part, the costs of the acquisition or installation of a solar energy system which qualifies as a renewable energy system and which reduces the consumption of electricity, the total reduction in the consumption of electricity during each calendar year that results from the solar energy system shall be deemed to be electricity that the provider of new electric resources generated or acquired from a renewable energy system for the purposes of complying with its portfolio standard.

4. ~~***[3.]***~~ As used in this section:

(a) "Eligible customer" has the meaning ascribed to it in NRS 704B.080.

704.78215 1. Except as otherwise provided in this section or by specific statute, a provider is entitled to one portfolio energy credit for each kilowatt-hour of electricity that the provider generates, acquires or saves from a portfolio energy system or efficiency measure.

2. The Commission may adopt regulations that give a provider more than one portfolio energy credit for each kilowatt-hour of electricity saved by the provider during its peak load period from energy efficiency measures.

3. Except as otherwise provided in this subsection, for portfolio energy systems placed into operation on or after January 1, 2016, the amount of electricity generated or acquired from a portfolio energy system does not include the amount of any electricity used by the portfolio energy system for its basic operations that reduce the amount of renewable energy delivered to the transmission grid for distribution and sale to customers of the provider. The provisions of this subsection do not apply to a portfolio energy system placed into operation on or after January 1, 2016, if a provider entered into a contract for the purchase of electricity generated by the portfolio energy system on or before December 31, 2012. For the purposes of this subsection, the amount of any electricity used by a portfolio energy system for its basic operations:

(a) Except as otherwise provided in paragraph (b), includes electricity used for the heating, lighting, air-conditioning and equipment of a building located on the site of the portfolio energy system, and for operating any other equipment located on such site.

(b) ~~[Does]~~ ***If the portfolio energy system is placed into operation on or before December 31, 2017, does*** not include the electricity used by a portfolio energy system that generates electricity from geothermal energy for the extraction and transportation of geothermal brine or used to pump or compress geothermal brine.

(d) Whether, during the reporting period, the provider participated in the acquisition or installation of any energy efficiency measures and, if so, the date of any such event; and

(e) Any other information that the Commission by regulation may deem relevant.

5. Based on the reports submitted by providers pursuant to this section, the Commission shall compile information that sets forth whether any provider has used energy efficiency measures to comply with its portfolio standard and, if so, the type of energy efficiency measures used and the amount of energy savings attributable to each such energy efficiency measure. The Commission shall report such information to:

Assembly Bill No. 206.

Bill read third time.

Remarks by Assemblyman Brooks.

ASSEMBLYMAN BROOKS:

Assembly Bill 206 revises the portfolio standard for calendar year 2018 and each calendar year thereafter so that by calendar year 2030 and for each calendar year thereafter, each provider of electric service will be required to generate, acquire, or save electricity from renewable energy systems or efficiency measures not less than 50 percent of the total amount of electricity sold by the provider to its retail customers during that calendar year. The bill eliminates the minimum percentage required to be generated or acquired from solar renewable energy systems and revises, for the purposes of complying with the portfolio standard, certain provisions relating to the calculation of the total amount of electricity sold by a provider to retail customers in this state. The measure also modifies the qualifications of a renewable energy system for purposes of the portfolio standard.

Additionally, A.B. 206 allows certain providers of new electric resources to satisfy up to 25 percent of their portfolio standard requirement using energy efficiency measures. It further allows energy storage systems to generate credits that can be used for compliance with the portfolio standard; electricity providers subject to the portfolio standard can only use storage systems to meet 10 percent of their compliance obligation. Assembly Bill 206 also makes changes to the way geothermal plants gain portfolio energy credits.

Finally, A.B. 206 requires certain providers of electric service to submit annual reports demonstrating progress toward compliance with the portfolio standard to the Director of the Office of Energy. It specifies that compliance with the portfolio standard will not make certain providers subject to the jurisdiction of the Public Utilities Commission of Nevada [PUCN], and requires the PUCN to revise certain portfolio standards established for a provider of new electric resources to comply with the revised portfolio standard.

(k) A school district, if the juvenile justice agency and the school district have entered into a written agreement to share juvenile justice information ***and data from an educational record of a child maintained by the school district*** for a purpose consistent with the purposes of this section;

(l) A person or organization who has entered into a written agreement with the juvenile justice agency to provide assessments or juvenile justice services;

(m) A person engaged in bona fide research that may be used to improve juvenile justice services or secure additional funding for juvenile justice services if the juvenile justice information is provided in the aggregate and without any personal identifying information; ~~[or]~~

(n) A person who is authorized by a court order to receive the juvenile justice information, if the juvenile justice agency was provided with notice and opportunity to be heard before the issuance of the order ~~[.]~~ ***; or***

(o) A law enforcement agency in the course of a criminal investigation, a delinquency proceeding conducted pursuant to the provisions of this title or a situation involving a child who is subject to the jurisdiction of the juvenile court and who poses a threat to himself or herself or to the safety or well-being of others.

Senate Bill No. 472.

Bill read third time.

The following amendment was proposed by Assemblyman Yeager:

Amendment No. 911.

AN ACT relating to crimes; revising provisions governing registration and community notification of juveniles adjudicated delinquent for committing certain sexual offenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a child who is adjudicated delinquent for committing certain sexual offenses and who was 14 years of age or older at the time of the commission of the sexual offense is required to register as a sex offender in the same manner as an adult and is subject to community notification. (NRS 62F.220, 179D.0559, 179D.095) In addition, existing law prohibits the sealing of records relating to a child while the child is subject to registration and community notification as a juvenile sex offender. (NRS 62F.260) **Sections 18, 19 and 22** of this bill remove and repeal those provisions, and **sections 4-14** of this bill enact provisions governing the registration and community notification of juvenile sex offenders.

Sections 5 and 8 include certain offenses, called "aggravated sexual offenses," in the list of sexual offenses for which registration and community notification as a juvenile sex offender is required. **Section 9** provides that a child who is adjudicated delinquent for committing certain sexual offenses and who was 14 years of age or older at the time of the commission of the sexual offense must: (1) register as a sex offender with the juvenile court, the juvenile probation department or the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services, whichever entity is determined to be the appropriate entity by the juvenile court; and (2) update his or her registration information not later than 48 hours after certain changes to that information. **Section 9** also requires: (1) the juvenile court to order the parent or guardian of the child to ensure that the child complies with the requirements for registration as a sex offender; and (2) the parent or guardian of the child to notify the entity with which the child is registered as a sex offender and, if appropriate, the local law enforcement agency if the child runs away or otherwise leaves the placement for the child approved by the juvenile court.

Under **section 10**, the juvenile court is required to: (1) notify the Central Repository for Nevada Records of Criminal History when a child is adjudicated delinquent for certain sexual offenses so that the Central Repository may carry out the provisions of law governing the registration of the child as a sex offender; and (2) inform the child and his or her parent or guardian that the child is subject to certain requirements for registration and community notification applicable to sex offenders. **Section 10** further prohibits the juvenile court from terminating its jurisdiction over the child until the juvenile court relieves the child from the requirement to register as a sex offender or orders that the child continue to be subject to registration and community notification after the child becomes 21 years of age.

Section 11 provides that upon a motion by a child, a judge of the juvenile court may exempt the child from the requirements for community notification applicable to sex offenders or exclude the child from placement on the community notification website, or both. Under **section 11**, the judge may not exempt a child from community notification or exclude the child from the community notification website if the child is adjudicated delinquent for certain aggravated sexual offenses. The judge must hold a hearing on such a motion and must not exempt the child from community notification or exclude the child from the community notification website unless, at the hearing, the judge finds by clear and convincing evidence that the child is not likely to pose a threat to the safety of others. **Section 11** further authorizes the judge to reconsider its decision on a motion after considering certain factors. Finally, if the judge exempts a child from community notification or excludes the child from placement on the community notification website, or both, the judge must notify the Central Repository and the child must not be subject to community notification or be placed on the community notification website.

Section 12 requires a judge of the juvenile court to hold a hearing when the child reaches 21 years of age or on a date reasonably near that date. If the judge finds by clear and convincing evidence that the child has been rehabilitated and does not pose a threat to the safety of others, the judge must relieve the child from the requirement for registration and community notification as a sex offender. However, if the judge determines that the child has not been rehabilitated or poses a threat to the safety of others, the judge must order that the child is subject to registration and community notification in the manner provided for adult sex offenders.

Section 13 provides that the juvenile court may not refer to a master any finding, determination or other act required to be made by the juvenile court pursuant to **sections 11 and 12**.

Legislative Counsel's Digest:

Existing law provides generally for a system of juvenile justice in this State. (Title 5 of NRS) Federal law requires a state seeking grant money for the administration of a system of juvenile justice to have a state advisory group that oversees such a system. (42 U.S.C. § 5633(a)(3)) **Section 4** of this bill creates the Juvenile Justice Oversight Commission and designates the Commission as the state advisory group for the purposes of federal law.

Section 5 of this bill requires the Commission to: (1) establish a uniform procedure for the Division of Child and Family Services of the Department of Health and Human Services, the Youth Parole Bureau and each department of juvenile services in this State to follow when developing performance measures related to the juvenile justice system; (2) establish standard procedures for measuring outcomes for children subject to the jurisdiction of the juvenile court; (3) select a validated risk assessment tool to assist the juvenile court, the Division and each department of juvenile services in determining the appropriate actions to take for children subject to the jurisdiction of the juvenile court and a validated mental health screening tool to determine the appropriate actions to take for children in need of supervision; and (4) contract with a qualified vendor or provider to provide technical assistance and training to employees of the juvenile justice system on the implementation and operation of such tools.

Section 6 of this bill requires the Commission to develop a 5-year strategic plan that establishes policies and procedures for the Division and each department of juvenile services relating to the use of evidence-based practices when providing services to children subject to the jurisdiction of the juvenile court. **Section 7** of this bill requires the members of the Commission to conduct annual quality assurance reviews of each state facility for the detention of children and each regional facility for the treatment and rehabilitation of children, which **section 13.2** of this bill defines as a regional facility which: (1) provides court-ordered treatment and rehabilitation for children; and (2) is administered by or for the benefit of more than one governmental entity. **Section 7** requires such a quality assurance review to include a review of the facility's: (1) service delivery; (2) case management procedures; (3) policies on supervision and behavior management; and (4) procedures relating to the release of children from the facility. **Section 7** also requires a facility to: (1) develop a facility improvement plan, in coordination with the Division or a local department of juvenile services, if such a plan is required to address any issues raised in the review; and (2) submit such a plan to the Commission. **Section 7** further requires the Commission to compile all such facility improvement plans and submit the plans to the Governor and the Director of the Legislative Counsel Bureau with its annual review.

Section 8 of this bill requires the Division and each department of juvenile services to, on or before July 1, 2018, implement the validated risk assessment tool and the validated mental health screening tool selected by the Commission for evaluation of children subject to the jurisdiction of the juvenile court. **Section 8** also establishes the cost allocation for the expenses of implementing such tools, such that the responsibility for those expenses will shift from the State to each department of juvenile services over the next ~~[3]~~ **2** fiscal years. **Section 9** of this bill requires the Division and each department of juvenile services that receives money from the state, other than any money received from the State Plan for Medicaid, to use such money to

develop, promote and coordinate evidence-based programs and services. **Section 9** also requires any contract between the Division or a department of juvenile services and a treatment provider for the provision of juvenile services to require the treatment provider to comply with the evidence-based standards developed by the Commission.

Section 10 of this bill requires the Division to issue a request for proposals to establish an evidence-based program resource center. **Section 10** requires the resource center to: (1) provide technical assistance to the Division, each department of juvenile services and treatment providers to support the implementation and operation of evidence-based programs and practices as set forth in the Commission's 5-year strategic plan; (2) provide various types of training to persons employed in the juvenile justice system; (3) act as a resource clearinghouse on evidence-based programs and practices; and (4) facilitate collaboration among state and local agencies and treatment providers who serve the juvenile justice system. **Section 12** of this bill requires the Division and each department of juvenile services to develop and implement a family engagement plan to increase the participation of the family of a child who is subject to the jurisdiction of the juvenile court in the rehabilitation of the child.

Existing law establishes provisions governing the disposition by a juvenile court of cases of children subject to the court's jurisdiction. (Chapter 62E of NRS) **Section 15** of this bill requires the department of juvenile services, before the disposition of a child's case, to conduct a risk assessment and a mental health screening on the child using the validated tools selected by the Commission and, in certain circumstances, a full mental health assessment, and to prepare a report based on the results of the risk assessment, mental health screening and any full mental health assessment as to the most appropriate disposition of the case. **Section 16** of this bill requires a department of juvenile services to develop an individualized case plan for each child placed under the supervision of the juvenile court, placed under the informal supervision of a probation officer or committed to a regional facility for the treatment and rehabilitation of children. **Section 16** sets forth the information required to be included in each case plan. **Section 17** of this bill requires the Division to: (1) consider the results of a validated risk assessment, a validated mental health screening and any full mental health assessment to make decisions concerning the placement of a child; and (2) develop a case plan for each child committed to the Division for placement in a state facility for the detention of children. **Section 14.5** of this bill requires the juvenile court to make certain findings before committing a child to the custody of a state facility for the detention of children, and **section 18** of this bill requires the juvenile court to make certain findings before committing a child to a public or private institution or agency in another state. **Sections 20 and 21** of this bill revise the process for how mental health screenings of children who are adjudicated delinquent and committed to a state facility for

the detention of children or a regional facility for the treatment and rehabilitation of children are to be conducted.

Existing law requires the Division to: (1) establish a standardized system for the reporting, collection, analysis, maintenance and retrieval of information concerning juvenile justice in this State; and (2) adopt regulations that require juvenile courts, local juvenile probation departments and the staff of the youth correctional services to submit certain information to the Division. (NRS 62H.200) **Section 25** of this bill revises the types of juvenile justice information required to be submitted to the Division. **Section 22** of this bill requires the Division to analyze such information and submit a report to the Governor and to the Legislature relating to the trends that exist in the juvenile justice system and the effectiveness of the system's programs and services. **Section 33** of this bill repeals a similar provision that requires each local juvenile probation department to analyze such information and submit a report to the Division.

Section 24 of this bill authorizes the Division to withhold money from a juvenile court that does not comply with the regulations adopted by the Division relating to the submittal of certain juvenile justice information.

Existing law authorizes a director of juvenile services and the Youth Parole Bureau to release certain information concerning a child who is within the purview of the juvenile court to certain other persons involved in the juvenile justice system. (NRS 62H.025) **Section 23** of this bill revises the list of persons to whom a director of juvenile services and the Youth Parole Bureau may release information to include: (1) the Chief Parole and Probation Officer; (2) the Director of the Department of Corrections; (3) a law enforcement agency; (4) the director of a regional facility for the treatment and rehabilitation of children; or (5) the director of an agency which provides mental health services.

Existing law provides for the suspension, modification or revocation of the parole of a child. (NRS 63.770) **Section 26** of this bill requires the Youth Parole Bureau to establish policies and procedures to be used when determining the most appropriate and least restrictive response to a violation of a child of the terms and conditions of his or her parole. **Section 26** requires, among other things, the Youth Parole Bureau to create a sliding scale of offenses based on the severity of the violation. **Section 28** of this bill requires the juvenile court to consider the policies and procedures adopted by the Youth Parole Bureau pursuant to **section 26** and consider the adherence of the Youth Parole Bureau to such policies and procedures when determining whether to suspend, modify or revoke the parole of a child. **Section 29** of this bill prohibits the Chief of the Youth Parole Bureau from recommending to the juvenile court that a child's parole be revoked unless: (1) the child poses a risk to public safety; or (2) the other responses set forth in the policies and procedures adopted by the Youth Parole Bureau pursuant to **section 26** would not be appropriate for the child.

Amendment No. 774.

AN ACT relating to unclaimed property; revising provisions governing the publication of information concerning certain unclaimed and abandoned property and the sale of such property; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes the Uniform Unclaimed Property Act, which sets forth various provisions relating to the disposition of certain abandoned property. (Chapter 120A of NRS) Under existing law, the State Treasurer acts as the Administrator of Unclaimed Property. (NRS 120A.025) Existing law requires the Administrator annually to publish a notice that lists the name of each person who appears to own certain kinds of property that has been abandoned by its owner and taken into custody by the Administrator. The notice must also contain a statement that information about such property may be obtained from the Administrator. The Administrator is required to provide this notice by purchasing an advertisement in a newspaper of the county of the last known address of each apparent owner of abandoned property that is in the custody of the Administrator. (NRS 120A.580) **Section 1** of this bill revises the requirements that the notice include information concerning individual owners and instead provides among other things that: (1) in a county whose population is 700,000 or more (currently Clark County), such a notice must be published in a newspaper ~~[with the largest]~~ **of general** circulation **with a circulation of more than 15,000** in the county at least six times per year **, or more often under certain circumstances,** and must provide certain instructions on how to search and access information relating to unclaimed property; and (2) in a county whose population is less than 700,000 (currently any county other than Clark County), such a notice must be published in a newspaper ~~[with the largest]~~ **of general** circulation in the county not less than once each year and must include the last known city of any person named in the notice. **Section 1** also requires the Administrator to publish ~~[the notice at least 90 days before the date a holder of property must file certain reports.]~~ **a notice in a newspaper of general circulation, not later than February 1 and August 1 of each year, that summarizes certain requirements relating to holders of unclaimed property.** Finally, **section 1** authorizes the Administrator to

provide additional information concerning unclaimed or abandoned property at any time and in any manner that the Administrator selects.

Existing law requires the Administrator to sell certain abandoned property in his or her custody within 2 years after taking the property into custody. The Administrator is required to publish a notice in a newspaper of general circulation in the county in which the property is to be sold at least 3 weeks before the sale. (NRS 120A.610) **Section 2** of this bill requires the Administrator to publish such a notice not less than 21 days before the sale. **Section 2** also authorizes the Administrator to provide additional notice of such sales at any time and in any manner that the Administrator selects.

The Administrator may comply with the requirement of this paragraph by publishing one or more versions of the notice that are less than one full page in size if the size of all the versions of the notice published during the year is cumulatively not less than two full pages.

4. In addition to complying with the requirements of subsections 1, 2 and 3, the Administrator may advertise or otherwise provide information concerning unclaimed or abandoned property, including, without limitation, the information set forth in ~~[subsection 2,]~~ subsections 2 and 3, at any other time and in any other manner that the Administrator selects.

120A.610 1. Except as otherwise provided in subsections 4 to 8, inclusive, all abandoned property other than money delivered to the Administrator under this chapter must, within 2 years after the delivery, be sold by the Administrator to the highest bidder at public sale in whatever manner affords, in his or her judgment, the most favorable market for the property. The Administrator may decline the highest bid and reoffer the property for sale if the Administrator considers the bid to be insufficient.

2. Any sale held under this section must be preceded by a single publication of notice, ~~[at least 3 weeks]~~ ***not less than 21 days*** before sale, in a newspaper of general circulation in the county in which the property is to

be sold. ***The Administrator may provide additional notice of any such sale at any time and in any manner that the Administrator selects.***

The purchaser of property at any sale conducted by the Administrator pursuant to this chapter takes the property free of all claims of the owner or previous holder and of all persons claiming through or under them. The Administrator shall execute all documents necessary to complete the transfer of ownership.

4. Except as otherwise provided in subsection 5, the Administrator need not offer any property for sale if the Administrator considers that the probable cost of the sale will exceed the proceeds of the sale. The Administrator may destroy or otherwise dispose of such property or may transfer it to:

(a) The Nevada State Museum Las Vegas, the Nevada State Museum or the Nevada Historical Society, upon its written request, if the property has, in the opinion of the requesting institution, historical, artistic or literary value and is worthy of preservation; or

(b) A genealogical library, upon its written request, if the property has genealogical value and is not wanted by the Nevada State Museum Las Vegas, the Nevada State Museum or the Nevada Historical Society.

5. The Administrator shall transfer property to the Department of Veterans Services, upon its written request, if the property has military value.

6. Securities delivered to the Administrator pursuant to this chapter may be sold by the Administrator at any time after the delivery. Securities listed on an established stock exchange must be sold at the prevailing price for that security on the exchange at the time of sale. Other securities not listed on an established stock exchange may be sold:

(a) Over the counter at the prevailing price for that security at the time of sale; or

(b) By any other method the Administrator deems acceptable.

7. The Administrator shall hold property that was removed from a safe-deposit box or other safekeeping repository for 1 year after the date of the delivery of the property to the Administrator, unless that property is a will or a codicil to a will, in which case the Administrator shall hold the property for 10 years after the date of the delivery of the property to the Administrator. If no claims are filed for the property within that period and the Administrator determines that the probable cost of the sale of the property will exceed the proceeds of the sale, it may be destroyed.

8. All proceeds received by the Administrator from abandoned gift certificates must be accounted for separately in the Abandoned Property Trust Account in the State General Fund. At the end of each fiscal year, before any other money in the Abandoned Property Trust Account is transferred pursuant to NRS 120A.620, the balance in the subaccount created pursuant to this subsection, less any costs, service charges or claims

chargeable to the subaccount, must be transferred to the Educational Trust Account, which is hereby created in the State General Fund. The money in the Educational Trust Account may be expended only as authorized by the Legislature, if it is in session, or by the Interim Finance Committee, if the Legislature is not in session, for educational purposes.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 816.

AN ACT relating to public utilities; requiring the Public Utilities Commission of Nevada to require certain utilities which supply electricity in this State to provide an overview of the utility's resource plan or any amendment to the resource plan at least 4 months before filing the plan or within a reasonable period before filing the amendment; requiring the Commission to give preference to certain measures and sources of supply when determining the adequacy of a resource plan; requiring the Commission to consider the cost of such measures and sources of supply to the utility's customers when making such a determination; requiring the Commission to include its justification for ~~[not giving preference]~~ **the preferences given** to such measures and sources of supply in certain orders approving or modifying a resource plan or an amendment to such a plan; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law establishes provisions governing public hearings on the adequacy of a utility's plan to increase its supply of electricity or decrease the demands made on its system. Existing law also authorizes the Commission, in determining the adequacy of a utility's plan, to give preference to the measures and sources of supply that meet certain criteria, including providing the greatest economic and environmental benefits to the State and providing the greatest opportunity for the creation of new jobs in this State. (NRS 704.746)

Section 1 of this bill requires the Public Utilities Commission of Nevada to require a utility which supplies electricity in this State to meet with personnel from the Commission and the Bureau of Consumer Protection in the Office of the Attorney General and any other interested persons at least 4 months before filing a resource plan or within a reasonable period before filing an amendment to an existing plan to provide an overview of the plan or amendment.

Section 6 of this bill requires the Commission to give preference to those measures and sources of supply that provide the greatest economic and environmental benefits to the State, as well as those that provide for diverse electricity supply portfolios and which reduce customer exposure to price volatility of fossil fuels and the potential costs of carbon. Under **section 6**, in determining the preference given to such measures and sources of supply, the Commission is required to consider the cost of those measures and sources of supply to the customers of the electric utility. **Section 6.5** of this bill requires any order of the Commission accepting or modifying a utility's plan or an amendment to such plan ~~[that does not give preference to those measures and sources of supply]~~ to include the Commission's justification for ~~[not giving preference]~~ **the preferences given** to those measures and sources of supply.

Sec. 6.5. NRS 704.751 is hereby amended to read as follows:

704.751 1. After a utility has filed the plan required pursuant to NRS 704.741, the Commission shall issue an order accepting or modifying the plan or specifying any portions of the plan it deems to be inadequate:

(a) Within 135 days for any portion of the plan relating to the energy supply plan for the utility for the 3 years covered by the plan; and

(b) Within 180 days for all portions of the plan not described in paragraph (a).

➥ If the Commission issues an order modifying the plan, the utility may consent to or reject some or all of the modifications by filing with the Commission a notice to that effect. Any such notice must be filed not later than 30 days after the date of issuance of the order. If such a notice is filed, any petition for reconsideration or rehearing of the order must be filed with the Commission not later than 10 business days after the date the notice is filed.

2. If a utility files an amendment to a plan, the Commission shall issue an order accepting or modifying the amendment or specifying any portions of the amendment it deems to be inadequate:

4. All prudent and reasonable expenditures made to develop the utility's plan, including environmental, engineering and other studies, must be recovered from the rates charged to the utility's customers.

~~[4.]~~ ***5.*** The Commission may accept a transmission plan submitted pursuant to subsection 4 of NRS 704.741 for a renewable energy zone if the Commission determines that the construction or expansion of transmission facilities would facilitate the utility meeting the portfolio standard, as defined in NRS 704.7805.

~~[5.]~~ ***6.*** The Commission shall adopt regulations establishing the criteria for determining the adequacy of a transmission plan submitted pursuant to subsection 4 of NRS 704.741.

Senate Bill No. 71.

Bill read third time.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 716.

SUMMARY—Revises provisions relating to medical facilities**_ ,** ~~[and]~~ facilities for the dependent ~~[.]~~ **and certain other facilities.** (BDR 40-183)

AN ACT relating to health care; making certain provisions relating to the licensing and regulation of a medical facility applicable to a program of hospice care; revising the definition of the term "psychiatric hospital"; requiring persons who operate or work for **psychiatric residential treatment facilities and** certain psychiatric hospitals to undergo a criminal background check; revising certain administrative penalties; **authorizing the Division of Public and Behavioral Health of the Department of Health and Human Services to take certain actions concerning a facility required by regulation of the State Board of Health to be licensed;** amending the procedure by which the Division ~~[of Public and Behavioral Health of the Department of Health and Human Services]~~ may impose a penalty or seek an injunction against certain persons; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires: (1) each medical facility to be licensed by the Division of Public and Behavioral Health of the Department of Health and Human Services according to standards adopted by the State Board of Health except in certain circumstances; and (2) each program of hospice care to be licensed by the State Board of Health. (NRS 449.030, 449.0302) **Section 1** of this bill includes a program of hospice care in the definition of "medical

facility" for the purposes of the provisions relating to licensing, and **section 3** of this bill removes the separate licensing requirement for a program of hospice care. **Sections 1 and 3** therefore provide for a program of hospice care to be licensed and regulated in the same manner as a medical facility. **Sections 4-8, 13, 14, 17 and 18** of this bill make conforming changes.

Section 2 of this bill amends the definition of "psychiatric hospital" to remove the requirement that a hospital for the diagnosis, care and treatment of mental illness must provide residential care in order to be considered a psychiatric hospital.

Existing law: (1) requires persons who apply for a license to operate certain facilities, hospitals, agencies, programs or homes and persons employed to work for such a facility, hospital, agency, program or home to undergo a criminal background check; and (2) prohibits a person from being licensed to operate or employed to work for such a facility, hospital, agency, program or home if he or she has been convicted of certain crimes. (NRS 449.089, 449.119-449.125, 449.174) **Sections 8 , 9 -12 and 15** of this bill provide that persons who apply for a license to operate a psychiatric hospital that provides inpatient services to children **or a psychiatric residential treatment facility** and persons employed to work at such a psychiatric hospital **or a psychiatric residential treatment facility** are subject to those provisions. **Sections 1.6, 1.9, 3-8, 13, 17 and 18 of this bill make conforming changes.**

Existing law authorizes the State Board of Health to adopt regulations requiring the licensing of facilities that provide medical care or treatment that are not required by statute to be licensed. (NRS 449.0303) Section 4 of this bill clarifies that such facilities are not required to be licensed if they are operated by the United States Government. Sections 7.3, 7.6, 8.5, 12.5 and 14 of this bill provide for the inspection of, issuance of a provisional license to and imposition of discipline against such a facility under the same circumstances as a medical facility or facility for the dependent. Section 14.6 of this bill authorizes the Division of Public and Behavioral Health of the Department of Health and Human Services to take control of and ensure the safety of the medical records of such a facility if the facility ceases to operate.

Existing law: (1) authorizes the Division ~~[of Public and Behavioral Health of the Department of Health and Human Services]~~ to impose a maximum administrative penalty of $1,000 per day against a medical facility or facility for the dependent that violates certain provisions of law; and (2) establishes the minimum and maximum authorized amounts of such a penalty for a violation relating to the health or safety of a patient. (NRS 449.163) **Section 14** of this bill: (1) **additionally authorizes the imposition of administrative penalties against a facility that is required by the regulations of the Board to be licensed; (2)** increases the maximum civil penalty imposed for any violation to $5,000 per day; and ~~[(2)]~~ **(3)** removes the minimum and maximum penalty for a violation relating to the health or safety of a patient.

The general penalty provisions would apply to any violation relating to the health and safety of a patient. **Section 14.3 of this bill requires the Board to adopt regulations establishing an administrative penalty to be imposed when a facility commits a violation that causes harm or a risk of harm to more than one person.**

Existing law prescribes the procedure by which the Division may impose a civil penalty or seek an injunction against a person operating a medical facility or a facility for the dependent without a license and the amount of a civil penalty that may be imposed against such a person. (NRS 449.210, 449.220) Existing law also prescribes a different procedure by which the Division may impose a civil penalty or seek an injunction against a person operating a facility for refractive surgery without a license and the amount of a civil penalty that may be imposed against such a person. (NRS 449.24897) **Sections 16 and 19** of this bill standardize the procedure by which the Division may seek an injunction and the imposition of a civil penalty against a person operating a medical facility, including a facility for refractive surgery, ~~[or]~~ a facility for the dependent **or a facility that is required by the regulations of the Board to be licensed** without a license and the amount of the civil penalty that may be imposed against such a person. **Section 16** also eliminates certain uses for money collected from persons found to have operated a medical facility **,** ~~[or]~~ facility for the dependent **or a facility that is required by the regulations of the Board to be licensed** without a license.
