

**PROPOSED REGULATION
OF THE STATE BOARD OF HEALTH**

LCB File No. R043-97

EXPLANATION--Matter in italics is new; matter in brackets [] is material to be omitted.

AUTHORITY: NRS 439.200.

Section 1. NAC 447.400 is hereby amended to read as follows:

447.400 1. A representative of a health authority shall give a proper identification of himself before entering a hotel to make an inspection pursuant to NRS 447.200. Such an inspection [must] *may* be made [at least once a year and more often if] *as often as the health authority determines is* necessary to ensure compliance with chapter 447 of NRS and the applicable regulations.

2. *Upon completion of the inspection, the representative shall prepare a report of the inspection. The report must set forth any deficiency discovered during the inspection and specify the period during which the owner or operator of the hotel is required to correct the deficiency.*

A copy of the [inspection] report must be furnished to the owner or operator of the hotel.

3. [Each health authority must establish a reasonable time for the operator of a hotel to correct a deficiency.] Any failure of [the] *an owner or* operator to [meet the time limit] *correct a deficiency within the period* specified *in the report* is [cause for his prosecution under NRS 439.580 or 447.210.] *a violation of this chapter.*
