**Sec. 28.** *1. Upon its own initiative, or following receipt of a verified complaint, the committee may cause an accusation to be filed alleging one or more grounds for action arising pursuant to section 10 of this regulation. Facts constituting grounds for action must be stated with such particularity as to enable the respondent to identify the actions in question.*

*2. All applicable citations, statutes, regulations or orders of the committee must be stated together with the dates on which the acts or omissions occurred.*

*3. If more than one cause of action is alleged, each cause of action must be stated and numbered separately.*

**Sec. 29.** *1. All proceedings and investigations after the filing of a complaint are confidential, except to the extent necessary for the conduct of an investigation, until the committee determines to proceed with disciplinary action. If the committee dismisses the complaint, the proceedings remain confidential. If the committee proceeds with disciplinary action, confidentiality concerning the proceedings is no longer required, except that any information which may establish the identify of a victim of domestic violence, including,*

*without limitation, his address or phone number, the address or phone number of his employer, the address or location of his child, or the school attended by his child is confidential and may not be disclosed by the committee.*

*2. If the committee conducts an investigation upon a complaint against a certified program, the committee will not limit the scope of its investigation to the matters set forth in the complaint but may extend the investigation to any additional matters that appear to constitute a violation of any provision of sections 2 to 46, inclusive, of this regulation.*

*3. If, after its investigation, the committee dismisses the complaint, the dismissal does not operate as a limitation on or a deterrent to any subsequent investigation or other action by the committee.*

*4. Whenever the committee directs that an investigation be conducted into a matter for which the committee may take action pursuant to section 10 of this regulation, the results of the investigation or any information relating to the investigation will not be examined by, and must not be disclosed to, the members of the committee who will hear the matter before the hearing of the committee on the matter.*

**Sec. 30.** *1. A party or parties against whom an accusation is filed must, within 15 days after receipt of the accusation, notify the committee in writing as to whether a hearing on the accusation is requested. Failure to request a hearing is a waiver of the right to hearing. The committee may allow a hearing notwithstanding the fact that it was not requested within 15 days.*

*2. If a hearing is requested, the respondent shall file an answer within 20 days after receipt thereof.*

**Sec. 31.** *1. Hearings must be held before the committee. A quorum of the committee is sufficient to convene any hearing.*

*(b) A statement of the legal authority and jurisdiction under which the hearing is to be held;*

*(c) A reference to the particular sections of the statutes and regulations involved; and*

*(d) A short and plain statement of the matters asserted.*

*3. Notice of the hearing will be served at least 20 days before the time set for it. A hearing that has previously been continued may be reset on notice of not less than 10 days.*

*4. Hearings will be held at such place in the state as may be designated by the committee in the notice of hearing.*

**Sec. 32.** *The committee will grant a continuance upon a joint stipulation of the parties or the existence of emergency conditions or for good cause shown upon a written request filed with the committee not later than 10 days before the hearing and physically served upon the opposing party at least 10 days before the hearing. "Good cause shown" will be narrowly construed. Any party requesting a continuance for good cause shown shall appear on the date set for the hearing and be prepared to proceed.*

**Sec. 33.** *1. If a party fails to appear at a hearing scheduled by the committee and no continuance has been requested or granted, the committee may hear the evidence of such witnesses as may have appeared and the committee may proceed to consider the matter and dispose of it on the basis of the evidence before it.*

2. *If, because of accident, sickness or other reasonable cause, a person fails to appear for a hearing scheduled by the committee or fails to request a continuance, the person may, within a reasonable time not to exceed 15 days after the date of the hearing, apply to the secretary of the committee to reopen the proceedings. The committee, upon finding cause sufficient and reasonable, will immediately fix a time and place for hearing and give the person notice thereof. At the time and place fixed, a hearing must be held at which the person may testify in his own behalf or present such other evidence as may be beneficial to his cause.*

3. *Witnesses who have previously testified are not required to appear at the second hearing unless so directed by the committee.*

**Sec. 34.** *All parties to hearings, their counsel and spectators shall conduct themselves in a respectful manner.*

**Sec. 35.** *The presiding member of the committee shall call the proceeding to order and proceed to take the appearances, and act upon any pending motions or petitions. The parties may then make opening statements.*

**Sec. 36.** *All testimony to be considered by the committee in any hearing, except matters noticed officially or entered by stipulation, must be sworn testimony. Before taking the witness stand, each person shall swear or affirm that the testimony he is about to give is the truth, the whole truth and nothing but the truth.*

2. *This procedure may be modified by the committee or presiding member.*

3. *Closing statements by the parties may be allowed at the discretion of the presiding member of the committee.*

**Sec. 38.** *The presiding member of the committee may consolidate two or more proceedings into one hearing whenever it appears that the issues are substantially the same and the interests of the parties will not be prejudiced by consolidation. At any consolidated hearing, the presiding member of the committee shall determine the order of procedure.*

**Sec. 39.** *With the approval of the presiding member, the parties may stipulate as to any fact at issue, either by written stipulation introduced in evidence as an exhibit or by oral statement shown upon the record. Any stipulation is binding upon all parties to the stipulation, and it may be treated as evidence at the hearing. The presiding member may require proof by evidence of the facts stipulated to, notwithstanding the stipulation of the parties.*

**Sec. 40.** *The committee may take official notice of judicially cognizable facts and of recognized technical or scientific facts within the specialized knowledge of the committee, including, without limitation, the following matters:*

1. *Regulations, official reports, decisions, orders, standards or records of the committee and any regulatory agency of this state or any court of record.*
2. *Matters of common knowledge and technical or scientific facts of established character.*
3. *Official documents, if pertinent, when properly introduced into the record of formal proceedings by reference. Reference to the documents must be made by the party offering them. The documents must be published and generally circulated so that an opportunity is given to all the parties of interest to the hearing to examine them and present rebuttal evidence.*

**Sec. 41.** *The committee may request briefs to be filed within such time as may be allowed by the committee. The brief must be accompanied by proof of service in accordance with section 27 of this regulation.*

**Sec. 42.** 1. *A decision or order that is adverse to a party in any hearing will be in writing or stated in the record and will include findings of fact and conclusions of law.*

4. *Decisions and orders of the committee will be served by sending a copy of the decision or order by certified mail to the parties of record or their representatives, or by personal service. Additional copies of orders may be obtained upon written request.*

**Sec. 43.** *1. Within 15 days after the rendering of a decision or order by the committee, the aggrieved party may apply for a rehearing by filing a written petition for rehearing setting forth the grounds for the petition.*

*2. The committee will act upon the petition within 30 days after the effective date of the order or decision upon which the rehearing is requested. If no action is taken by the committee within the time specified, the petition shall be deemed denied and the decision of the committee is final.*

*3. The committee, on its own motion, may order a rehearing within 30 days after its decision if mistake, fraud or misconception of facts existed in the forming of its original decision.*

*4. Rehearings must be conducted in accordance with the procedure for hearings.*

*5. The filing of a petition for rehearing does not excuse compliance with the order or decision, or suspend the effectiveness of the order unless otherwise ordered by the committee.*

**Sec. 44.** *1. Upon the filing of a petition for judicial review of a final decision in a contested case, the committee will cause a record to be made in accordance with subsection 6 of NRS 233B.121.*
