

**PROPOSED REGULATION OF THE
STATE BOARD OF PODIATRY**

LCB File No. R195-97

December 23, 1997

EXPLANATION – Matter in *italics* is new; matter in brackets [] is material to be omitted.

AUTHORITY: NRS 635.060.

Section 1. NAC 635.035 is hereby amended to read as follows:

635.035 1. The board designates the podiatry licensing examination prepared under the sponsorship of the National Board of Podiatric Medical Examiners as the licensing examination for podiatrists in this state.

2. Each applicant must take and pass the examination conducted by the board in Nevada.

3. To pass the examination, an applicant must receive a [**converted**] *scaled* score of at least 75 [**percent**] *as established by the National Board of Podiatric Medical Examiners* on each part of the examination.

4. To become eligible to take the examination in Nevada, the applicant must file a completed application and provide proof satisfactory to the board that he meets all of the qualifications for licensure other than passage of the examination.
