

**PROPOSED REGULATION OF THE  
BOARD OF WILDLIFE COMMISSIONERS**

**LCB File No. R198-97**

December 16, 1997

EXPLANATION – Matter in *italics* is new; matter in brackets [ ] is material to be omitted.

AUTHORITY: §1, NRS 501.105, 501.181, 503.300 and 503.310.

**Section 1.** NAC 503.506 is hereby amended to read as follows:

503.506 1. Region II consists of all waters in Elko, Eureka, Lander and White Pine counties.

2. Within this region:

(a) The possession while fishing or use of fish as bait, whether dead or alive, or parts thereof, except preserved salmon eggs, is prohibited.

(b) Aquatic bait may be used only in the water from which it is taken.

3. Only artificial lures may be used in Crittenden Reservoir and the collection ditch of the Ruby Lake National Wildlife Refuge.

4. Only artificial lures with single barbless hooks may be used on *the Marys River, the tributaries of the Marys River and* the south fork of the Humboldt River from the access causeway for the Lucky Nugget subdivision upstream to Lee. Only one single barbless hook may be attached to each hook eye or ring of the lure.
