

LCB File No. R188-99

**PROPOSED REGULATION OF THE
STATE BOARD OF EDUCATION**

Notice of Intent to Adopt a Regulation

It is the intent of the State Board of Education to hold a Workshop to Solicit Comments on October 29, 1999, and two public hearings on December 4, 1999, and January, 2000 (date to be determined).

CHAPTER 391

EDUCATIONAL PERSONNEL

*GENERAL PROVISIONS GOVERNING COMPENSATION
OF LICENSED PERSONNEL*

NAC 391.XXX The department shall, on or before April 15 of each year, notify each school district of the list of schools defined as at-risk so the district may determine eligibility of licensed personnel for retirement benefits pursuant to NRS xxx.xxx [SB9]. The district shall be responsible for notification of eligible personnel assigned to the school location pursuant to NRS xxx.xxx [SB9] and shall provide, upon request, a list of all schools within the district defined by the department as at-risk.

Eligibility for retirement benefits pursuant to NRS xxx.xxx shall begin for qualified personnel in the school year immediately subsequent to the April 1 designation of the school as needing improvement.

Licensed personnel eligible for retirement benefits pursuant to NRS xxx.xxx, shall

- 1) Include teachers who are assigned to more than one classroom in the school;*
- 2) Include teachers whose duties in the classroom are part of a program that is separate from the duties of the regular classroom teacher; and*
- 3) Include itinerant teachers with at least 50% of their instructional duties scheduled at one or more schools defined as at-risk.*
