**PROPOSED REGULATION OF THE
STATE DAIRY COMMISSION**

**FINAL PROPOSED AMENDMENTS TO NEVADA ADMINISTRATIVE
CODE SECTIONS 584.5551 THROUGH 584.9391**

September 28, 2001

Section 1. NAC 584.5565 is hereby amended to read as follows:

NAC 584.5565 “Class I,” “class II” and “class III” defined.

1. “Class I” means any skim milk, butterfat, or a combination thereof, which is used to produce fluid milk, and any milk lost *exceeding two percent* as plant loss during the production of fluid milk.

2. “Class II” means any skim milk, butterfat, or a combination thereof, used to produce ice cream, yogurt, sour cream, sour cream dressing, sour half and half, cottage cheese, eggnog or buttermilk, milk lost as plant loss during the production of such products, and any other milk which is not within the definition of class I or class III.

3. “Class III” means skim milk, butterfat, or a combination thereof, used to produce butter, cheese other than cottage cheese, canned milk, canned cream or dried milk~~[, or any milk lost as plant loss during the production of such products].~~

Sec. 2. NAC 584.6053 is hereby amended to read as follows:

NAC 584.6053 Bunker loaned to customer by distributor. (NRS 584.474)

1. A distributor may lend, without charge, a bunker to a customer during an active promotional period of the customer if:

(a) Except as otherwise provided in subsection 2, the bunker does not exceed ~~52~~ 60 inches in length;

(b) The distributor lends such a bunker to any other customer who requests a bunker during an active promotional period; and

(c) The distributor does not lend the bunker to the customer for the purpose of securing or retaining the fluid milk or fluid cream business of any customer.

2. A distributor may lend, without charge, a bunker that exceeds ~~52~~ 60 inches in length to a customer during an active promotional period of the customer if the distributor:

(a) Receives prior approval from the commission; and

(b) Complies with the requirements set forth in paragraphs (b) and (c) of subsection 1.

3. A customer who receives a bunker pursuant to this section:

(a) May use the bunker only to store dairy products that are advertised for sale at a special price during the active promotional period; and

(b) Shall release the bunker to the distributor not later than 5 days after the last day of the active promotional period.

4. As used in this section, “active promotional period” means a period of not more than 90 days during which a dairy product is advertised for sale at a special price.

Sec. 3. NAC 584.6131 is hereby amended to read as follows:

NAC 584.6131 Application for distributor’s license: Required information. An applicant for a distributor’s license must complete and file with the commission all forms required by the commission. The applicant must answer all applicable questions on the forms and must furnish

the commission such other information as it requires. The application must include a designation of each ~~[zone of the]~~ marketing area in which the applicant intends to distribute dairy products.

Sec. 4. NAC 584.6171 is hereby amended to read as follows:

NAC 584.6171 Distributor's license: Factors for denial. (NRS 584.474) The commission will not deny an application for a license as a distributor of dairy products, dairy by-products, or both, in Nevada or an application for the amendment of a distributor's existing license unless it finds:

1. That the applicant or licensee has not complied with the requirements set forth in NRS 584.325 to 584.690, inclusive, or NAC 584.5551 to 584.9391, inclusive;
2. That the applicant or licensee has failed to provide satisfactory evidence that the dairy product which the applicant or licensee wishes to distribute is ~~[not]~~ listed on the Interstate Milk Shipper's List;
3. That the applicant or licensee has failed to provide satisfactory evidence that the plant or the facilities from which the applicant or licensee plans to ship dairy products has ~~[not]~~ been inspected by the agency responsible for conducting such inspections in the state where the plant or facility is located;
4. That the issuance of a license or granting of an amendment to the existing license will tend to create destructive competition in a market already adequately served; or
5. That the issuance of a license is not in the public interest, as the public interest and policy of the State of Nevada are set forth in NRS 584.390, 584.395, 584.410 and 584.415.

Sec. 5. NAC 584.6177 is hereby amended to read as follows:

NAC 584.6177 Distributor's license: Issuance of temporary permit by executive director.

~~[If a majority of the members of the commission deem it appropriate, the]~~ *The* executive director of the commission may issue to an applicant a temporary permit to distribute dairy products in this state which expires not later than the date of the next scheduled meeting of the commission *in the affected marketing area*. The temporary permit is subject to cancellation without recourse upon notifying the holder in writing of the cancellation not less than 24 hours before the permit is canceled. *The Executive Director shall report any temporary permits issued to the commission.*

Sec. 6. NAC 584.6184 is hereby amended to read as follows:

NAC 584.6184 Distributor's license: Restrictions. The commission may place restrictions upon a license issued to a distributor, which:

1. Limit the products he may distribute;
2. Require the distributor to place a particular label on the products he distributes;
3. Prohibit the distributor from distributing products to certain customers; or
4. Designate the ~~{zones of a}~~ marketing area in which the distributor may distribute products.

Sec. 7. NAC 584.6201 is hereby amended to read as follows:

NAC 584.6201 Change of ownership of licensee.

1. A licensee which wishes to change its ownership must file with the commission an application for approval of the change in ownership. If the application is not approved by the commission before the change in ownership of the licensee occurs, the license expires.
2. For the purposes of this section, the ownership of a licensee changes when:

- (a) More than ~~25~~ 10 percent of the ownership of the licensee is sold;
- (b) The licensee pledges, as security for a loan, extension of credit, guaranty or other obligation, more than ~~25~~ 10 percent of its ownership;
- (c) A court of competent jurisdiction enters an order which transfers more than ~~25~~ 10 percent of the ownership of the licensee; or
- (d) More than ~~25~~ 10 percent of the ownership of the licensee is transferred by gift, devise or bequest.

Sec. 8. NAC 584.6261 is hereby amended to read as follows:

NAC 584.6261 Processing distributor required to file statement.

1. Each processing distributor shall file with the commission the statement of costs required by subsection 5 of NRS 584.583. The statement must be filed with the commission at its office in Reno not later than ~~30 days after the close of each fiscal~~ *the last day of each calendar* year. The statement must cover the entire ~~fiscal~~ *calendar* year or the fraction of the year during which the processing distributor was in operation, as shown by his monthly reports to the commission for the purposes of assessment.
2. A statement of costs must be filed for each licensed processing plant. The statement must separately show the cost for each container size of each product distributed, whether the product is processed, manufactured or purchased for resale.
3. The statement must separately show the dock cost, wholesale delivered cost and retail delivered cost.
4. Any significant change in costs during a ~~fiscal~~ *calendar* year must be reported when the change occurs if the change substantially affects the unit cost of any fluid milk product or by-

products. The statement of costs must be amended from time to time by additional filings in order to correct any errors or make the filings current. Each amendment must clearly state the period and product or products covered.

Sec. 9. NAC 584.6392 is hereby amended to read as follows:

NAC 584.6392 Distributor's price list: Retail prices; distributor's or dock prices. Before selling or offering or agreeing to sell any dairy product, each distributor who processes or manufactures fluid milk, fluid cream, butter or fresh dairy by-products and each peddler-distributor shall file with the commission separate price lists for retail prices and distributor's or dock prices for each ~~{zone of each}~~ marketing area in which such products are distributed. A separate price must be filed for each size of each product distributed. The price of like products distributed under different brand names or trademarks must be separately filed. No price may be filed for any product at less than the cost of the product.

Sec. 10. NAC 584.6397 is hereby amended to read as follows:

NAC 584.6397 Distributor's price list: Contents; confidentiality.

1. A price list filed by a distributor must:
 - (a) Clearly state the marketing area ~~{and zone}~~ in which the prices apply;
 - (b) Include all terms and conditions of service which are applicable in determining the net price ultimately available to wholesale customers; and
 - (c) Designate its effective date.
2. A price list filed by a distributor is confidential and not open for public inspection. Information contained in the price list will not be made available to any person, other than

members of the commission and authorized members of its staff, except when the information is to be used in judicial proceedings or administrative proceedings under NRS 584.325 to 584.690, inclusive.

Sec. 11. NAC 584.6417 is hereby amended to read as follows:

NAC 584.6417 Monthly usage report of distributor.

1. A processing distributor *located within Nevada* who receives, sells or transfers milk shall keep a monthly usage report which includes:

- (a) The quantity of milk received, sold or transferred;
- (b) The class of usage of the milk;
- (c) The price;
- (d) The total gallons of milk processed by product type during the month;
- (e) The total weight of milk processed by product type;
- (f) The results of a butterfat test for the various product types;
- (g) The total butterfat by product type;
- (h) The source of the milk;
- (i) The person to whom the milk was sold or transferred, if appropriate;
- (j) A statement which indicates whether the milk was graded, ungraded or degraded; and
- (k) Any other information the commission requests to substantiate usage.

2. A processing distributor shall submit his monthly usage report to the commission's office in Reno on or before the 15th day of the month following the calendar month for which the report is submitted. The report must be made on a form prescribed and furnished by the commission, or on a facsimile of the form.

Sec. 12. NAC 584.6422 is hereby amended to read as follows:

NAC 584.6422 Adoption by reference of standards for determining weight of ~~[milk fat in]~~ fluid milk or fluid cream. ~~[For the purpose of determining the assessment to be paid to the commission pursuant to NRS 584.630, a]~~ **A** distributor shall use the standards for determining the weight of ~~[the milk fat contained in]~~ fluid milk or fluid cream adopted by the United States Department of Agriculture, which are hereby adopted by reference. A copy of the standards may be obtained at no cost from the United States Department of Agriculture, Agricultural Marketing Service, Dairy Division, ~~[5501 North 19th Avenue, Suite 230, Phoenix, Arizona 85015-2449]~~ *1930-220th Street SE, Suite 102, Bothell, Washington 98021-8471.*

Sec. 13. NAC 584.6437 is hereby amended to read as follows:

NAC 584.6437 Producer determination: Monthly reports by cooperative associations; contents. A cooperative association of producers shall furnish each producer from whom it receives milk a monthly report. The report must state the quantity, price and usage of all milk received from or handled for that producer and all deductions, withholdings, handling charges and assessments related to the milk. The association shall mail a copy of the report to the commission when it is furnished to the producer. ~~[The report must be made on forms furnished by the commission.]~~

Sec. 14. Section NAC 584.6442 is deleted in its entirety.

~~[NAC 584.6442 Producer determination: Plant loss.—Plant loss exceeding 2 percent of the total milk purchased from producers is deemed to receive class I usage. Plant loss not exceeding a total of 2 percent must be included in the allocation of class II usage.]~~

Sec. 15. NAC 584.6482 is hereby amended to read as follows:

NAC 584.6482 Establishment of minimum price for fluid milk and fluid cream to be paid to producer by distributor. (NRS 584.400, 584.474, 584.515)

1.
