654.168 1. An application for a license as a nursing facility administrator or an administrator of a residential facility for groups must be complete with all required documentation not less than 30 days before the date of the examination for licensure. The board will notify the applicant of the time and place of the examination at least 10 days before the examination.

2. The board may issue a provisional license to an applicant *for good cause shown and* if the applicant has submitted to take the examination. Except as otherwise provided in subsection 3, the provisional license expires 90 days after the date it is issued and is renewable at the discretion of the board.

3. If the applicant fails the examination or does not submit a complete application within 90 days:

(a) The provisional license automatically expires; and

(b) The applicant must reapply for a license and pay the required fee for licensure again to obtain a permanent license.

4. Upon the written request of a nursing facility administrator or an administrator of a residential facility for groups who is in good standing, the board will transfer the status of his license to inactive for a time not to exceed 2 years. A licensee whose license is on inactive status shall pay a fee of \$50 per year. Upon written request and approval by the board, a licensee whose license is on inactive status may transfer his license to active status if the licensee meets the requirements of continuing education and pays the fees for an active license.

Sec. 7. NAC 654.190 is hereby amended to read as follows:

654.190 Each person licensed as a nursing facility administrator or an administrator of a residential facility for groups shall display his *original* license ~~[and certificate of registration]~~ in a conspicuous place in his office or place of business or employment.

Sec. 8. NAC 654.210 is hereby amended to read as follows:

3. Has a record of any disciplinary, civil or criminal action taken against him that has been reported to or is required pursuant to the law of any jurisdiction to be reported to the Healthcare Integrity and Protection Data Bank maintained by the Health Resources and Services Administration of the United States Department of Health and Human Services which the board determines is contrary to the qualifications of an applicant or licensee.

Sec. 9. NAC 654.220 is hereby amended to read as follows:

654.220 1. Any person who becomes aware that a person licensed pursuant to the provisions of chapter 654 of NRS is engaged in conduct which constitutes grounds for disciplinary action may file a complaint with the board. The complaint must be in writing and signed by the complainant.

2. The board will permit the licensee to provide proof satisfactory to the board that he was not engaged in conduct which is grounds for disciplinary action.

3. A member of the board, or a committee appointed by the board to review cases, will review each complaint and conduct an investigation to determine whether there is a reasonable basis for the complaint. A member of the board who participated in the investigation may not participate in the decision whether to take further action on the complaint following the investigation and may not participate in any subsequent hearing or action by the board relating to the complaint.

4. If a member of the board ~~{,}~~ or a committee appointed by the board to review cases, decides to proceed with disciplinary action, ~~{,}~~ *the member or committee* will bring charges against the licensee ~~{and set}~~. *If charges are brought against the licensee, the board will:*
