

**ADOPTED REGULATION OF THE COMMISSION
ON CONSTRUCTION EDUCATION**

LCB File No. R196-01

Effective September 4, 2002

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §1, NRS 624.570 and 624.580.

Section 1. Chapter 624 of NAC is hereby amended by adding thereto a new section to read as follows:

1. A school district in this state or a program of education that has been approved by the commission may file an application, on a form provided by the commission, for a grant of money from the construction education account.

2. An application must be received by the commission before the deadline established by the commission and must contain:

(a) The full name, address and telephone number of the applicant.

(b) The full name and telephone number of the fiscal agent or fiscal manager of the applicant.

(c) The following information, supported by appropriate documentation, concerning the qualifications of the applicant to receive a grant pursuant to this section:

(1) The applicant's strategies to increase enrollment in programs of education which relate to building construction.

(2) The applicant's strategies to increase awareness concerning the advantages of employment in the construction industry.

- (3) The applicant's plan for statewide dissemination of project objectives.*
- (4) An outline of the applicant's program of education.*
- (5) The proposed expenses of the applicant.*
- (6) Any other information requested by the commission to ascertain the qualifications of the applicant to receive a grant pursuant to this section.*

3. An application and all supporting documentation must be notarized.

4. The commission will meet semi-annually to review and rate applications. The commission will review and rate each application on a "review rating form" created by the commission. The "review rating form" must rate the application based upon the proposals of the applicant to meet planning criteria, goals and benchmarks, and budgetary requirements.

5. Not later than 10 working days after the commission reviews and rates an application, the commission will notify the applicant of the disposition of the application.

6. If an application is denied by the commission, the applicant may, within 30 days after the date on which the application is denied, submit a request for reconsideration of the application by the commission. Within 30 days after receipt of a request for reconsideration, the commission will:

(a) Reconsider the application;

(b) Determine whether to affirm the denial of the application or to approve the application;

and

(c) Notify the applicant of the disposition of the request for reconsideration.

The workshop and hearing was noticed on February 8, 2002 by posting at the Washoe County Court House; Washoe County Library; Reno City Hall; Las Vegas City Hall; Sawyer State Building; Clark County Library and Offices of the Contractors' Board in Reno and Las Vegas. The hearing was held on March 12, 2001. The notice was mailed to approximately 135 interested individuals.

2. The number of persons who:

- | | |
|---|---|
| (a) Attended each hearing: | 1 |
| (b) Testified at each hearing: | 0 |
| (c) Submitted to the agency written comments: | 0 |

3. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Comments were solicited by the notice posting, website and direct mail. No comments were received.

4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The permanent regulation was adopted by the Nevada State Commission on Construction Education Board at its March 12, 2002 meeting without modification since no comments were received in opposition to the proposed regulation.

5. The estimated economic effect of the adopted regulation on the businesses which it is to regulate and on the public. These must be stated separately, and each case must include:

- (a) Both adverse and beneficial effects; and
- (b) Both immediate and long-term effects.

- (a) The proposed revisions are expected to have minimal economic impact on the industry since contributions to the fund are strictly voluntary. The beneficial effects of the fund will include providing an education program for individuals interested in the construction industry thereby creating a more well educated work force.
- (b) The proposed revisions are expected to have no economic impact on the public.

6. The estimated cost to the agency for enforcement of the adopted regulation.

The cost of enforcement of the proposed regulation will be minimal.

7. A description of any regulation of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

There are no other state or government agency regulations which the proposed amendments duplicate.
