SMALL BUSINESS IMPACT STATEMENT

The purpose of this Small Business Impact Form is to provide a framework pursuant to NRS 233B.0608 to determine where a small business impact statement is required for submittal of a proposed regulation before the Nevada Department of Agriculture. If questions one (1) and two (2) are answered No, then a small business impact statement is not required. If question one (1) or two (2) is answered with a YES, then a small business impact statement is required prior to conducting public workshops by the Department. (This form must be submitted with the proposed regulation when submitted for drafting by LCB and adoption by the Nevada State Board of Agriculture.)

Proposed regulation: Temporary amendments to NAC 581 and 582

Part 1

1. Does this proposed regulation impose a direct and significant economic burden upon a small business? No
2. Does this proposed regulation restrict the formation, operation or expansion of a small business? No

Note: Small Business is defined as a “business conducted for profit which employs fewer than 150 full-time or part-time employees” (NRS 233B.0382).

3. If **YES** to either of questions 1 & 2, the following action must be taken:
 - a. Was a small business impact statement prepared and was it available at the public workshop?
 - b. Attach the small business impact statement (part 2) as part of this form upon submission for drafting by LCB and adoption by the Nevada Board of Agriculture.

Part 2

1. Describe the manner in which comments were solicited from affected small businesses, a summary of the response from small businesses and an explanation of the manner in which other interested persons may obtain a copy of the summary.
2. The estimated economic effect of the proposed regulation on small business:
 - a. Both adverse and beneficial effects
 - b. Both direct and indirect effects

3. The description of the methods that the agency considered to reduce the impact of the proposed regulation on small businesses.
 - a. Simplification of the proposed regulation.
 - b. Establishment of different standards of compliance for a small business.
 - c. Modification of fees or other monetary interests that a small business is authorized to pay at a lower fee.

4. The estimated cost to the agency for enforcement of the proposed regulation.

5. If this regulation provides for a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

6. If the proposed regulation includes provisions that duplicate or are more stringent than federal, state or local standards relating to the same activity, provide an explanation of why the proposed regulation is duplicative or more stringent and why it is necessary.
