**Sec. 2. 1.** *The Department will conduct annual inspections of authorized inspection stations and the performance of approved inspectors.*

*2. The Department will consider the following factors in prioritizing the order of the inspections required in subsection 1:*

*(b) Complaints received against authorized inspection stations and approved inspectors;*

*3. Except as otherwise provided in subsection 4, if the approved inspector who committed the violation is not the owner of the authorized inspection station where the violation occurred, the Department will send a copy of the written preliminary notice to the owner by certified mail not later than 5 business days after the violation occurred.*

*4. The Department will not provide a preliminary notice if providing such notice would jeopardize an ongoing investigation of:*

*(a) Fraudulent or unlicensed activity;*

*(b) Deceptive trade practices; or*

*(c) Any other activity prohibited by law.*

*Sec. 5. 1. If the Department imposes administrative fines or other discipline against an owner of an authorized inspection station for a violation of any provision of NAC 445B.4985, the Department will impose such fines or other discipline for violations occurring within the 2-year period immediately preceding the most recent offense according to the following schedule:*
