(2) All records regarding clients belong to the agency and the agency has provided for their confidentiality and safekeeping;

(3) The agency appoints a specific employee of the agency to act as the board-approved supervisor of the intern, if such an employee is available, or otherwise approves a nonemployee to do so;

(4) The appointed supervisor reviews the work of the intern in the manner required for supervisors of interns;

Any supervised, postgraduate clinical social work completed before January 1, 1990, by an applicant who holds an equivalent license from another state that is in good standing to engage in the practice of clinical social work as described in this chapter and chapter 641B of NRS is not required to be completed under the supervision of an agency if the Board determines that:*
