EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §§1 and 3-14, NRS 632.120; §2, NRS 632.120 and 632.237.

A REGULATION relating to nursing; defining the term “in the process of obtaining accreditation”; revising provisions regarding the authority of an advanced practitioner of nursing to write prescriptions; authorizing a licensed practical nurse to administer steroids intravenously; revising provisions regarding the accreditation of programs of nursing in this State; revising provisions regarding programs of nursing in this State; revising provisions regarding the survey of programs of nursing; and providing other matters properly relating thereto.

Section 1. Chapter 632 of NAC is hereby amended by adding thereto a new section to read as follows:

As used in chapter 632 of NRS, the term “in the process of obtaining accreditation” means an approved school of practical nursing or an approved school of professional nursing that has applied for accreditation from a nationally recognized association or an agency authorized by law to accredit such schools which has been approved by the Board.

Sec. 2. NAC 632.257 is hereby amended to read as follows:

632.257 1. An applicant for a certificate of recognition as an advanced practitioner of nursing will be authorized to issue written prescriptions for controlled substances, poisons, dangerous drugs and devices only if he:

(a) Is authorized to do so by the Board;

(b) Submits an application for authority to issue written prescriptions for controlled substances, poisons, dangerous drugs or devices to the Board; and

(c) Has successfully completed:

(1) A program that complies with the requirements set forth in paragraph (a) of subsection 1 of NAC 632.260 and includes an advanced course in pharmacotherapeutics; or

(2) A program of academic study that:

(I) Is approved by the Board;

(II) Consists of at least 2 semester credits or an equivalent number of quarter credits in advanced pharmacotherapeutics; and

(III) Is completed within the 2 years immediately preceding the date the application is submitted to the Board.

2. In addition to the information contained in the application for a certificate of recognition as an advanced practitioner of nursing, ~~the~~ *an applicant who completes, before June 1, 2005, a program designed to prepare an advanced practitioner of nursing and who does not hold a master's degree with a major in nursing or a related health field approved by the Board must, in his* application for authority to write a prescription for controlled substances, poisons, dangerous drugs and devices ~~must include:~~

~~(a) Documentation~~, *include documentation* of 1,000 hours of active practice in the immediately preceding 2 years as an advanced practitioner of nursing under a collaborating physician. The documentation must consist of a signed statement from the collaborating physician indicating to the Board that the applicant is competent to prescribe those drugs listed in his protocols.

~~{(b) If the applicant has prescribed controlled substances, poisons, dangerous drugs or devices in another state within the 2 years immediately preceding the application to write prescriptions in this state, a list of the controlled substances, poisons, dangerous drugs or devices he had authority to prescribe and any disciplinary action taken against him.}~~

3. Except as otherwise provided in subsection 4, if an advanced practitioner of nursing who is authorized to prescribe certain controlled substances, poisons, dangerous drugs and devices changes his medical specialty, he must submit an application to the Board ~~[, which includes documentation of 1,000 hours of active practice in the new medical specialty as an advanced practitioner of nursing under a collaborating physician .]~~ for authority to prescribe those controlled substances, poisons, dangerous drugs and devices which are currently within the standard of medical practice in that specialty. *In addition to the information contained in an application submitted pursuant to this subsection, an advanced practitioner of nursing who completes, before June 1, 2005, a program designed to prepare an advanced practitioner of nursing and who does not hold a master's degree with a major in nursing or a related health field approved by the Board, must include in his application documentation of 1,000 hours of active practice in the new medical specialty as an advanced practitioner of nursing under a collaborating physician.*

4. An advanced practitioner of nursing who:

(a) Is authorized to prescribe certain controlled substances, poisons, dangerous drugs and devices; and

(b) Changes his medical specialty to a medical specialty that is substantially similar to his former medical specialty,

↪ is not required to submit to the Board the application required pursuant to subsection 3 if the Board has authorized him to prescribe controlled substances, poisons, dangerous drugs and devices in the practice of his former medical specialty.

Sec. 3. NAC 632.450 is hereby amended to read as follows:

632.450 A licensed practical nurse who has at least 1 year of experience in nursing after receiving his initial license, who has completed a course in intravenous therapy approved by the Board pursuant to NAC 632.242, and who acts pursuant to a written order of a physician and under the immediate supervision of a physician, physician assistant or registered nurse may:

1. Start peripheral intravenous therapy using devices which act like needles and are not longer than 3 inches;
