Upon receipt of information alleging any of the causes enumerated in subsection 1, the Commission will determine whether to pursue revocation or suspension of the certificate of the officer.

4. The Commission will notify the officer by certified mail at the officer's last known address of any pending revocation or suspension action and of the nature of the charges and the officer's right to appear and answer the charges. The officer shall, within 15 days after the date on the certified mail receipt, respond in writing, notifying the Commission of his intended action with reference to the charges.

5. If the officer fails to notify the Commission within the specified time of his intention to appear in answer to the pending action, the Commission will:

(a) Consider the case on its own merits, using the statement from the head of the employing agency or the substantiated information derived from any independent investigation it deems necessary;

(b) Take no action pending the outcome of possible criminal action which may be filed against the officer; and

(c) Take no action pending the outcome of an appeal.

↪ The Commission's decision will be determined by a majority vote of the members of the Commission present.

6. When an officer notifies the Commission of his intention to appear and answer the charges pending against him, the Commission will elect to sit as a whole at a hearing or designate an independent hearing officer to hear the matter and make recommendations in writing to the Commission. The Commission will review the recommendations of any such hearing officer and arrive at a decision by majority vote of the members present.

7. The Commission will notify the officer of its decision within 15 days after the hearing.

8. An applicant for a certificate who has not been previously certified, but who would be subject to revocation for any cause set out in subsection 1, will not be granted a certificate.

9. If, upon receiving a written allegation that a peace officer is in violation of any provision of subsection 1 and that the facts and circumstances indicate that suspension rather than revocation would be in the best interests of the agency and law enforcement in general, the Commission will suspend the officer's certificate.

10. ~~Any suspension pursuant to this section will be for no longer than 60 days.~~

~~11.]~~ **11.** The Commission will provide each peace officer whose certificate is suspended with written notice of the suspension by certified registered mail. The suspension becomes effective 24 hours after receipt of the certified notice. The notice will contain a statement advising the officer of his right to a hearing.

~~12.]~~ **11.** Suspension of a certificate is not a bar to future revocation of the certificate and any prior suspensions may be considered as a factor if revocation is being considered by the Commission.

~~13.~~ 12. Five years after the revocation of a certificate, an officer may submit a written request to the Commission to allow him to reinstate his certificate. The Commission will schedule a hearing to consider whether to reinstate the officer's certificate. The Commission will notify the agency that requested the revocation of the date and time of the hearing. After the hearing, the Commission will determine whether to reinstate the certificate. If the certificate is reinstated, the Commission may establish a probationary period during which any misconduct by the officer would result in revocation.
