NOTICE OF ADOPTION OF PROPOSED REGULATION
LCB File No. R030-08

The Nevada State Board of Cosmetology adopted regulation amendment assigned LCB File No. R030-08, which pertains to chapter 644 of the Nevada Administrative Code, on August 18, 2008. A copy of the regulations as adopted is attached hereto. The following informational statement is being submitted pursuant to NRS 233B.066.

INFORMATIONAL STATEMENT

- 1. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.**

The Board of Cosmetology has made significant efforts in providing the public with the opportunity for comment both written and oral. The agency first held two town hall meetings providing the public, licensees, and schools of cosmetology an opportunity to submit suggested NAC amendments. The town hall meetings were advertised in newspapers of general circulation in Las Vegas, Reno, and a number of small community newspapers throughout the state of Nevada indicating the agency was soliciting oral testimony or written comments. Further, these meetings were posted in at least one library within every county with the state of Nevada. Finally, these meetings were posted at both offices of the agency (Las Vegas and Reno) as well as leaflets were delivered by agency inspectors during every inspection conducted prior to the meetings.

These town hall meetings were not intended to replace the required workshop, but instead allow for greater participation and increase the ability of the public, licensees, and schools of cosmetology to participate in the process.

The first town hall meeting was held in Las Vegas, NV on November 5, 2007. A total of ten (10), two (2) Board subcommittee members, and five (5) staff attended the meeting. Five (5) persons requested to speak. There were no written comments submitted.

The second town hall meeting was held in Reno, NV on November 26, 2007. A total of five (5), two (2) Board subcommittee members, and five (5) staff attended the meeting. Three (3) persons requested to speak. One (1) set of written comments was submitted by one of the speakers attending the meeting.

The two town hall meetings were audio recorded and a summary of comments prepared from the audio tapes. A notice as to how to get a copy of the summary of comments at no cost were posted on the agency's website and both of the agency's offices.

A formal workshop was held on January 14, 2008 in Las Vegas, NV. The summaries of both town hall meetings were made available at both the Las Vegas and Reno offices prior to the workshop date. A total of nine (9) public persons, (6) Board members, and four (4) staff attended the workshop. Seven (7) persons requested to speak. The minutes of the workshop were recorded by a court reporter and a transcript prepared. A notice of how and where to acquire the minutes of the workshop was posted on the agency's website and both agency offices.

A public hearing was held on May 5, 2008 in Las Vegas. The meeting was noticed on April 4, 2008. The meeting was transcribed by a court reporter and minutes prepared. The proposed regulations that had been submitted to the LCB for review, editing, and placing on the legislative were returned to the agency for public hearing and adoption were made available to those interested. A total of ten (10) persons attended the public hearing with only one (1) person requesting to speak. No written comments were received.

At the close of the public hearing held on May 5, 2008, the Board reconvened in a regular meeting of the Board. This meeting was also noticed on April 4, 2008. The Board adopted the regulation with modifications. The modifications were resubmitted to the LCB for further review. The LCB staff reviewed modifications and rewrote them and sent them back to the Board for reconsideration. The Board took up the final version on August 18, 2008 and adopted the regulations as written at its regular meeting.

The intent of R030-08 is to correct or modify numerous provisions: needing language changes for better understanding; replacement of the term, when appropriate, of "sanitation" with the term "infection control"; modification of existing provisions that the Board felt appropriate to meet current conditions and needs of the cosmetology industry relating to schools of cosmetology and hours of training necessary for their graduates to qualify for examination; and finally modifications to the fines for violations.

2. The public response relating to the proposed regulation.

Although there was significant discussion at the town hall meetings, workshop and public hearings to the proposed regulation changes, there appeared to be general acceptance and approval to the proposed regulations. No specific opposition was noted in any of the meetings.

3. Economic impact upon the businesses affected by the regulation.

Adverse effect: No measureable adverse economic effect identified.

Beneficial effect: No measureable economic benefit identified.

Immediate effect: None.

4. The estimated cost to the agency for enforcement of the proposed regulation.

There will be no additional cost for the agency to implement and enforce the proposed regulations.

5. Is there any regulation of other state or government agencies which the proposed regulation overlaps or duplicates?

There is no duplication or overlap of this regulation with any other of another agency. This provision will blend with other similar regulations utilized by other agencies and therefore reduce gaps regulations that currently exist.

6. Does the regulation include provision that is more stringent than federal regulation which regulates the same activities?

No.

7. Does the regulation establish a new fee or increases an existing fee?

No.

Board Members present at the time of adoption: Board President David Austin, Vice Chair, Bonnie Schultz, Secretary/Treasurer Linda Zesiger, Alex Leeder, Larry Walthers and Kathey Ditzler.

MOTION by Bonnie Schultz; that we adopt LCB File No. R030-08 as written. Motion seconded by Kathey Ditzler. The motion passed five (7) in favor and none (0) against.
