

LCB File No. R015-09

**PROPOSED REGULATION OF THE
STATE BOARD OF PHARMACY**

(This regulation was previously adopted as T029-09)

CHANGES TO THE DEFINITION OF “LIFE-SUSTAINING EQUIPMENT”

NAC 639.6934 is hereby amended as follows:

NAC 639.6934 “Life-sustaining equipment” defined. (NRS 639.070) “Life-sustaining equipment” means a medical product that is necessary for a consumer to avoid exposure to a medically reasonable expectation of imminent death or serious injury. The term includes, without limitation, a ventilator ~~[and an oxygen concentrator]~~.
