**PROPOSED REGULATION OF THE  
STATE BOARD OF AGRICULTURE**

*555.020 Administration of the Account for the Control of Weeds (NRS 555.035)*

*1. Upon notification by the State Quarantine Officer as prescribed in NRS 555.160, the board of county commissioners of the county or counties in which the land on which noxious weeds were found may withdraw from the Account for the Control of Weeds those funds necessary to cover the costs incurred in conducting an abatement in accordance with the provisions of NRS 555.170(2).*

*2. A statement of the full amount withdrawn from the Account for the Control of Weeds by the board of county commissioners shall be submitted to the State Quarantine Officer at the time of the withdrawal.*

*3. The board of county commissioners shall prepare an itemized statement of all expenses incurred in the cutting, destruction or eradication of the weeds involved as per NRS 555.170(3), and shall deliver one copy of the statements to the Director within 10 days of the date of the completion of the work involved.*

*4. All funds withdrawn from the Account for the Control of Weeds shall be credited back into the Account by the board of county commissioners:*

*(a) Within 13 months of the withdrawal unless the lien on the property is foreclosed upon.*

*(b) If the lien is foreclosed upon, within 60 days of monies made available pursuant to the lien sale.*
