

PROPOSED REGULATION OF THE DIRECTOR OF THE DEPARTMENT OF MOTOR VEHICLES

LCB File No. R026-10

EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: § 445B.785

A REGULATION relating to motor vehicles; providing certain requirements for the days and hours of operation for authorized emission stations licensed by the Department.

NAC 445B.480 Test station: Requirements concerning business hours. (NRS 445B.785)

1. A test station shall post and adhere to regular business hours and test any motor vehicle presented at its facility during those hours, except as otherwise provided in NAC 445B.478 or unless the motor vehicle is rejected for reasons of safety.

2. For the purposes of this section, *unless a principal licensee of a test station has received written approval from the Department to test motor vehicles during alternate business days and hours of operation*, regular business hours are Monday through Friday from 8 a.m. to 5 p.m. except on the holidays set forth in NRS 236.015.

3. For an authorized station or an authorized inspection station operated by a single ~~[employee]~~ *approved inspector*, a notification indicating at what time the ~~[employee]~~ *approved inspector* will return must be posted at the test station for any instance of business closure.
