

# PROPOSED REGULATION OF THE BOARD OF MEDICAL EXAMINERS

## LCB File No. R049-10

**Authority** NRS 630.130,

Changes in **Bold** and *Italicized*

**NAC 630.530 Renewal of license; notification of withdrawal of certification; suspension and reinstatement of license.** (NRS 630.130, 630.279)

1. The license of a practitioner of respiratory care may be renewed biennially upon dates set by the Board. The license will not be renewed unless the practitioner of respiratory care provides satisfactory proof:

(a) Of current certification by the National Board for Respiratory Care or its successor organization; and

(b) That he has completed the number of contact hours of continuing professional education required by subsections 2 and 3.

2. To renew a license for the practice of respiratory care, a licensee shall complete the number of contact hours of continuing education required by subsection 3, of which:

(a) Sixty percent must be from an approved educational source directly related to the practice of respiratory care. Two hours of this 60 percent must be in medical ethics.

(b) Forty percent must be in any program approved by the American Association for Respiratory Care for Continuing Respiratory Care Education or any program of another organization approved by the Board.

3. The following contact hours for continuing education are required for a licensee to renew a license for the practice of respiratory care:

(a) If licensed during the first 6 months of the biennial period of registration, 20 hours.

(b) If licensed during the second 6 months of the biennial period of registration, 15 hours.

(c) If licensed during the third 6 months of the biennial period of registration, 10 hours.

(d) If licensed during the fourth 6 months of the biennial period of registration, 5 hours.

4. A practitioner of respiratory care shall notify the Board within 10 days if his certification by the National Board for Respiratory Care or its successor organization is withdrawn.

5. To allow for the renewal of a license to practice respiratory care by each person to whom a license was issued or renewed in the preceding renewal period, the Board will make such reasonable attempts as are practicable to:

(a) Mail a renewal notice at least 60 days before the expiration of a license to practice respiratory care; and

(b) Send a renewal application to a licensee at the last known address of the licensee on record with the Board.

6. If a licensee fails to pay the fee for biennial registration after it becomes due, *or the holder of a license fails to submit evidence of his completion of continuing education units in the manner prescribed by subsection 2 and 3*, his license to practice respiratory therapy in this State is automatically suspended. Within 2 years after the date his license is suspended, the holder may be reinstated to practice respiratory care if he:

(a) Pays twice the amount of the current fee for biennial registration to the Secretary-Treasurer of the Board; and

*(b) Submits evidences of his completion of continuing education units within the manner prescribed by subsection 2 and 3, and*

(c) Is found to be in good standing and qualified pursuant to the provisions of NRS 630.277 and chapter 630 of NAC.
