

**PROPOSED REGULATION OF THE
BOARD OF MEDICAL EXAMINERS**

LCB File No. R123-10

REGULATION RELATING TO THE USE OF REMEDIATION AGREEMENTS

Sec. 1. NAC chapter 630 shall be amended to add the following new language:

The Board shall not offer or enter into a remediation agreement to a licensee as provided for in NRS 630.299:

1. In any case or matter where it is alleged that:

(a) A patient has suffered serious harm or death as a result of the act of a licensee;

(b) The licensee has committed an act that constitutes an intentional, knowing, or reckless violation of any provision of NRS chapter 630 or NAC chapter 630; or

2. The licensee had entered into and successfully completed a remediation agreement regarding the same or substantially similar conduct within the five years preceding the present case or matter.
