

**PROPOSED REGULATION OF THE
COMMITTEE ON TESTING FOR INTOXICATION**

LCB File No. R141-10

NAC 484.596 Forensic analyst of alcohol: Certification. (NRS 484.3884, 484.3886)

1. A person must apply to the Director or his designee on a form furnished by the Department of Public Safety for certification as a forensic analyst of alcohol.

2. The Director or his designee shall certify as a forensic analyst of alcohol each applicant who:

(a) Possesses a baccalaureate degree in a natural, physical or forensic science;

(b) Has completed a minimum of 24 semester hours in the study of chemistry at an accredited college or university *or has completed a minimum of 18 semester hours in the study of chemistry at an accredited college or university and has one year, full time experience in the field of forensic alcohol analysis;*

(c) Has successfully completed a course which has been approved by the Committee and consisted of at least 24 hours of instruction on the design, calibration and operation of the kind of breath-testing devices that he will be calibrating or teaching others to operate; and

(d) Demonstrates his competence in calibrating breath-testing devices and in evaluating others on their competence in operating those devices.

3. Certification as a forensic analyst of alcohol is valid for 2 years after the date of certification.

(Added to NAC by Com. on Testing for Intoxication, eff. 10-26-83; A 3-11-86; R112-97, 5-26-98; R032-05, 10-31-2005)
