

**PROPOSED REGULATION OF THE DIRECTOR OF
THE STATE DEPARTMENT OF AGRICULTURE**

LCB File No. R017-15

**Notice of Workshop for Regulations of the Nevada Department of Agriculture
April 29, 2015**

The following information is provided pursuant to the requirements of NAC 571.658.

The Nevada Department of Agriculture will be conducting a workshop on **June 10, 2015 at 1:00 pm** regarding the proposed regulation change.

The purpose of the proposed amendment to NAC 571.658 is to benefit Nevada Department of Agriculture staff and small businesses by adding additional regulation to prevent contamination and spread of trichomonosis.

For details and additional updates and changes as suggested during the workshop process please contact:

**Nevada Department of Agriculture

Modification of this regulation will reduce contamination of exposed herds to trichomonosis and help ensure the health and financial safety of neighboring herds.

The immediate and long term effect ensures a preventative method for potential future risks of trichomonosis infection and increased compliance with other state laws and regulations related to infectious animal diseases.

This amendment will impose moderate costs to small business.

There will be no additional cost to the Nevada Department of Agriculture for enforcement of the proposed regulation.

The proposed regulation will not overlap or duplicate any regulations set by federal, state or local government agencies.

The proposed regulation is not required by federal law.

The proposed regulation does not include any provisions more stringent than a federal regulation that regulates the same activity.

Written submissions must be received by the Nevada Department of Agriculture on or before **June 1, 2015**. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Nevada Department of Agriculture may proceed immediately to act upon any written submissions.
