Regulation Small Business Impact Statement

The Nevada Division of Emergency Management has determined that the adoption of the proposed regulations does not impose a significant economic burden on small businesses, nor will it restrict the formation, operation or expansion of small business.

These regulations only impact public agencies.

I certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small business and that the information contained in this statement is accurate.

Caleb S. Cage, Chief
